Re: "African American Day" and "Women's Day"

Dear Mr. Hosemann:

1. The last day of February is declared to be African American day in honor, recognition and commemoration of the legacy of contributions to the State of Mississippi that have been made by American citizens of African descent. This day shall be a day of recognition and commemoration and shall be recognized as a legal holiday.

2. August 26th is declared to be Women's Day in honor, recognition and commemoration of the legacy of contributions to the State of Mississippi that have been made by American women. This day shall be a day of recognition and commemoration and shall be recognized as a legal holiday.

ECONOMIC IMPACT STATEMENT

The amount and source of revenue to implement the Initiative would be comparable to the same benefits as any legal state holiday in Mississippi. Once adopted it could cost the State 12.3 million dollars for each holiday. The money will be paid from the State's general fund and special fund.
