Title 19: Department of Insurance

Part 1: General

Part 1 Chapter 1: (F&C 37-1) Prohibition of "Twisting" Insurance Products

Rule 1.01

The attention of the Insurance Commission of the State of Mississippi has been brought to the fact that certain individuals and other loaning agencies that have insurance agencies or connections with insurance agencies are, in some instances, compelling the borrower to cancel insurance that he has or tenders and to take out new insurance with or through the agency represented, directly or indirectly, by the lender.

After a careful examination of the complaint the Commission is of the opinion that such practice is contrary to the law and an injustice to the borrower in that he should be compelled to cancel his insurance or be denied the right of renewing previous contracts of insurance, provided, the said insurance is with a responsible company that is duly licensed to do business in the State of Mississippi.

Hereafter, no banks, trust companies, loan companies, building and loan associations, individuals, and other loaning agencies, that have an insurance agency or connection therewith shall require, as a condition precedent upon securing a loan, that the borrower shall cancel out insurance and take out new insurance with the lender or with an agency with which the lender is in anywise connected.

Any insurance agent, who directly or indirectly or by subterfuge or artifice, aids, abets or participates in the said practice is guilty of violation of this regulation and is subject to revocation of license.

The acts of any loaning agencies, etc., having a direct or indirect connection with an insurance agency will be deemed the act of the insurance agent or agency with whom they are connected and the agent shall be held strictly accountable for the act of the lender.

Any insurance company, licensed under the laws of Mississippi, who accepts business from the insurance agents with knowledge or under circumstances or conditions that ordinarily amounts to constructive notice that such business is in violation of this said ruling shall likewise be subject to the penalties prescribed by law.

All insurance companies, operating within the State of Mississippi, are requested to acknowledge receipt of this ruling and to immediately notify all of their agents within the State, regarding this matter.

Part 1 Chapter 2: (LA&H 52-1) Package Policies; Rebates, Prohibitions, Penalty

Rule 2.01

No agent shall use his or her insurance business to promote any other business either directly or indirectly by including policies of insurance with sales of other items, either gratis or at a reduced premium. Any such related transaction shall be considered rebating and any published advertisement along such lines shall be considered prima facie evidence of violation of Section 83-3-121 of Mississippi Code of 1972, Annotated, and any agent found guilty of same shall at a proper hearing before the Commissioner of Insurance of the State of Mississippi be called upon to show cause why his or her license should not be revoked.

Part 1 Chapter 3: (LA&H 53-1) Advertising Restrictions.

Rule 3.01

Within the past few months certain agents have published insurance advertising that has been confusing to the general public. I, therefore, feel that it is incumbent upon me as Insurance Commissioner to advise all Mississippi Agents that any further misleading or confusing advertising, whether intentional or otherwise, will be construed as being against the interest of the insuring public, and any agent affixing his or her signature to such advertising will be called upon to show cause why his or her license should not be revoked.

It is further suggested that any agent or company desiring to advertise, restrict such advertising to the evaluations of his own types of insurance and refrain from criticizing either directly or by implication the insurance sold by his or her competitor.

Part 1 Chapter 4: (LA&H 57-1) Promotion of Stock Sales with Insurance Sales**.**

Rule 4.01

Numerous complaints have reached this office recently relative to agents selling or promoting stock sales along with sale of insurance policies. Such a practice is in violation of Section 5639, sub-section (d) of the Mississippi Code of 1942, Annotated.

Recognizing the difficulty of adequately supervising insurance sales as so to prevent joint sales of stock and insurance, it is hereby ordered that no insurance salesman shall be licensed at the same time as a stock salesman for the same company.

Such order is believed to be in the public interest.

Part 1 Chapter 5: (F&C 60-1) Cancellation of Insurance as a Result of Agent Non-Payment

Rule 5.01

WHEREAS, it has come to the attention of the Department that an excessive number of insureds are faced with cancellation or rejection of insurance because of unfavorable information reflecting prior cancellation by another company; and

WHEREAS, a substantial number of such prior cancellations are for nonpayment of premium to the company when in fact the premium has been paid in full to the company's agent, and such failure to remit premiums to the company by the agent is no fault of the insured,

IT IS, THEREFORE, the opinion of this Department that the agent failing to pay his company account, thereby jeopardizing the record of his insured who is not at fault, is not qualified to act as an agent under the provision of Section 5723.02 of the MississippiCode of 1942, Annotated.

Any agent who fails to remit a premium collected from an insured to a company, thereby causing a cancellation of said policy for nonpayment of premium, shall be immediately subject to the provisions of Sections 5723-02 and 5723-04 of the Mississippi Code of 1942, Annotated, and a hearing will be called wherein the agent will be asked to show cause why his license should not be revoked in accordance with the provisions of said sections of the statute.

Part 1 Chapter 6: (F&C 60-2) Free Insurance; Prohibition, Penalty

Rule 6.01

We have noted from the newspapers that automobile dealers continue to advertise free insurance in connection with the sale of automobiles. As you are aware, there is no such thing as free insurance in Mississippi and any advertising to the contrary is misleading and a violation of the statute.

It will be appreciated if you will bulletin each of your dealer-agents in Mississippi and instruct them that the next such advertisement appearing in any publication or advertised over the radio or television will result in a hearing for the purpose of revocation of such dealer's license as an insurance agent.

In the event a countersigning agent is used and no licensed agent is listed in the dealership, any insurance company through which insurance is written under such an advertisement will be held strictly accountable for the acceptance of such business.

Part 1 Chapter 7: (F&C 68-1) Manufacturers Output Policy

Rule 7.01

In the past the coverage as captioned above has been treated subject to Section 5834-03(e) of the Mississippi Code of 1942, Annotated and Recompiled and which we quote:

> "If the commission in its discretion shall determine that a filing is impractical or unnecessary as to a kind, class, subdivision or combination of insurance, it may by written order suspend the requirement of filing as to such kind, class, subdivision or combination until otherwise ordered by it. Such order shall be made known to the insurers and rating organization affected thereby."

It is now the desire of this Commission to discontinue the treatment of this coverage as in the past, this to take effect January 1, 1969. After that time, your company should not write this type policy before first having the approval of this Commission as to rate, rule and form.

Your full cooperation in this regard will be appreciated.

Part 1 Chapter 8: (F&C 68-2) Difference in Conditions Insurance.

Rule 8.01

At a recent scheduled meeting of the Mississippi Insurance Commission, the above subject was discussed in detail and we now take this manner of informing you of the procedure to be followed in this state in the future concerning the writing of this coverage.

All licensed companies are hereby advised that "Difference in Conditions" insurance is included in the broad regulatory powers of the Mississippi Insurance Commission. It is the desire of this Commission that the writing of this type coverage cease as of January 1, 1969, or until such time as a filing has been submitted and approved. The Commission is aware of the need for flexibility in rating the various risks and, therefore, asks that a rating formula or, in lieu thereof, a statement, be submitted with the filing concerning the method of rating. The coverage shall be written as an endorsement to the standard fire policy. The Mississippi State Rating Bureau will not audit this part of the overall policy but will mark it "No Jurisdiction". At the same time the daily report is submitted to the Bureau, an individual risk filing should be made with this office for informational purposes only. All filings of this nature have been in the past, and will be in the future, treated as confidential and access will not be made to the public.

Your full cooperation in this regard will be appreciated.

Part 1 Chapter 10: (LA&H 76-1) Sale of Trusted Life, Health, and Accident Insurance Group Accounts.

Rule 10.01

WHEREAS, a marked degree of confusion presently exists in this state by reason of the solicitation and sale of trusteed group insurance accounts under the name of various “trusts”, and which are shown to be administered by certain administrators, consultants, trustees, and others,

most of whom do not hold privilege licenses issued by the Mississippi Insurance Department, and;

WHEREAS, there are shown to be many instances wherein such trusteed business is presently being solicited and sold within the State of Mississippi by persons representing insurance companies which are either not licensed in Mississippi or have had their authority to do business in Mississippi suspended or revoked by the Commissioner of Insurance, and further instances where such business is being solicited by agents who have not been issued certificates of authority to represent such insurance companies, and;

WHEREAS, advertisements and brochures soliciting such businesses are being circulated giving prominence to the name of such trusts, administrators, consultants, and others, instead of conducting such business in the proper corporate name of the insurance company underwriting or offering such business, which is violative of Section 83-5-9, Mississippi Code of 1972, and;

WHEREAS, the Mississippi Insurance Department is encountering serious difficulty in answering general inquiries and giving proper assistance to the general public of the State of Mississippi in matters of claims arising under such trusteed account business, it is deemed in the public interest for the Mississippi Insurance Department to promulgate and issue the following regulation:

> On and after this date, it shall be unlawful for any insurance company to solicit, sell or underwrite the sale of any trusteed group insurance account within the State of Mississippi, directly or indirectly, unless and until it shall have previously filed for public record with the Mississippi Insurance Department a detailed summarization of such proposed activities, including all advertising materials, brochures, trust agreements, and sales materials of whatever nature and type, including the name of the administrators, consultants, trustees, supervising general agencies, and others participating therein, which material shall in all instances give prominence to the proper corporate title of the insurance company underwriting such program, and which shall be in addition to submission of all policy contract forms, applications, and related endorsement forms which are made a part of the insurance contract, for our prior review and approval as prescribed by the controlling insurance statutes.

Willful violation of these regulations by an insurance company shall be deemed to be grounds for revocation of the insurance company's privilege license, which shall be in addition to any other penalty provided by statute.

This regulation will be effective as of this date, March 15, 1976.

Rule 16.06 Advertisements of Benefits, Losses Covered or Premiums Payable

A. Deceptive Words, Phrases or Illustrations Prohibited

1. No advertisement shall omit information or use words, phrases, statements, references or illustrations if the omission of such information or use of such words, phrases, statements, references or illustrations has the capacity, tendency or effect of misleading or deceiving purchasers or prospective purchasers as to the nature or extent of any policy benefit payable, loss covered or premium payable. The fact that the policy offered is made available to a prospective insured for inspection prior to consummation of the sale or an offer is made to refund the premium if the purchaser is not satisfied, does not remedy misleading statements.

2. No advertisement shall contain or use words or phrases such as “all,” “full,” “complete,” “comprehensive,” “unlimited,” “up to,” “as high as,” “this policy will help fill some of the gaps that Medicare and your present insurance leave out,” “this policy pays all that Medicare doesn’t” or similar words and phrases, in a manner which exaggerates any benefit beyond the terms of the policy.

3. An advertisement which also is an invitation to join an association, trust or discretionary group must solicit insurance coverage on a separate and distinct application which requires separate signatures for each application. The separate and distinct application required for an advertisement which is also an invitation to join an association, trust or discretionary groups need not be on a separate

document or contained in a separate mailing. The insurance program must be represented so as not to mislead or deceive the prospective members that they are purchasing insurance as well as applying for membership, if that is the case.

4. An advertisement shall not contain descriptions of policy limitations, exceptions or reductions, worded in a positive manner to imply that it is a benefit, such a describing a waiting period as a "benefit builder" or stating "even preexisting conditions are covered after 6 months." Words and phrases used in an advertisement to desire such policy limitations, exceptions and reductions shall fairly and accurately describe the negative features of such limitations, exceptions and reductions of the policy offered.

5. An advertisement of Medicare supplement insurance sold by direct response shall not state or imply that "because no insurance agent will call and no commissions will be paid to 'agents' that it is a low cost plan" or use other similar words or phrases because the cost of advertising and servicing such policies is a substantial cost in marketing by direct response.

B. Exceptions, Reductions and Limitations

1. An advertisement which is an invitation to contract shall disclose those exceptions, reductions and limitations affecting the basic provisions of the policy.

2. When a policy contains a waiting, elimination, probationary or similar time period between the effective date of the policy and the effective date of coverage under the policy or a time period between the date a loss occurs and the date benefits begin to accrue for such a loss, an advertisement which is subject to the requirements of the preceding paragraph shall disclose the existence of such periods.

3. An advertisement shall not use the words "only," "just," "merely," "minimum," or similar words or phrases to describe the applicability of any exceptions and reductions, such as: "This policy is subject to the following minimum exceptions and reductions."

C. Preexisting Conditions

1. An advertisement which is an invitation to contract shall, in negative terms, disclose the extent to which any loss is not covered if the cause of such loss is traceable to a condition existing prior to the effective date of the policy. The use of the term "preexisting condition" without an appropriate definition or description shall not be used.

2. When a Medicare supplement insurance policy does not cover losses resulting from preexisting conditions, no advertisement of the policy shall state or imply that the applicant's physical condition or medical history will not affect the

issuance of the policy or payment of a claim thereunder. This rule prohibits the use of the phrase "no medical examination required" and phrases of similar import, but does not prohibit explaining "automatic issue." If an insurer requires a medical examination for a specified policy, the advertisement shall disclose that a medical examination is required.

3. When an advertisement contains an application form to be completed by the applicant and returned by mail, such application form shall contain a question or statement which reflects the preexisting condition provisions of the policy immediately preceding the blank space for the applicant's signature. For example, such an application form shall contain a question or statement substantially as follows:

   Do you understand that this policy will not pay benefits during the first six (6) months after the issue date for a disease or physical condition for which medical advice was given or treatment was recommended by or received from a physician with six (6) months before the policy issue date? YES

   Or substantially the following statement:

   I understand that the policy applied for will not pay benefits for any loss incurred during the first six (6) months after the issue date due to a disease or physical condition for which I received medical advice or for which treatment was recommended by or received from a physician within six (6) months before the issue date.

Rule 16.07 Necessity for Disclosing Policy Provisions Relating to Renewability, Cancellability and Termination

An advertisement which is an invitation to contract shall disclose the provisions relating to renewability, cancellability and termination and any modification of benefits, losses covered or premiums because of age or for other reasons, in a manner which shall not minimize or render obscure the qualifying conditions.

Rule 16.08 Testimonials or Endorsements by Third Parties

A. Testimonials and endorsements used in advertisements must be genuine, represent the current opinion of the author, be applicable to the policy advertised and be accurately reproduced. The insurer, in using a testimonial or endorsement, makes as its own all of the statement contained therein, and the advertisement, including such statement, is subject to all the provisions of these rules. When a testimonial or endorsement is used more than one year after it was originally given, a confirmation must be obtained.

B. A person shall be deemed a “spokesperson” if the person making the testimonial or endorsement:

1. Has a financial interest in the insurer or a related entity as a stockholder, director, officer, employee or otherwise; or

2. Has been formed by the insurer, is owned or controlled by the insurer, itsemployees, or the person or persons who own or control the insurer; or

3. Has any person in a policy-making position who is affiliated with the insurer in any of the above described capacities; or

4. Is in any way directly or indirectly compensated for making a testimonial or endorsement.

C. The fact of a financial interest or the propriety or representative capacity of a spokesperson shall be disclosed in an advertisement and shall be accomplished in the introductory portion of the testimonial or endorsement in the same form and with equalprominence thereto. If a spokesperson is directly or indirectly compensated for making a testimonial or endorsement, such fact shall be disclosed in the advertisement by language substantially as follows: “Paid Endorsement”. The requirement of thisdisclosure may be fulfilled by use of the phrase “Paid Endorsement” or words of similar import in a type style and size at least equal to that used for the spokesperson’s name or the body of the testimonial or endorsement; whichever is larger. In the case of television or radio advertising, the required disclosure must be accomplished in the introductory portion of the advertisement and must be given prominence.

D. The disclosure requirements of this rule shall not apply where the sole financial interest or compensation of a spokesperson, for all testimonials or endorsements made on behalf of the insurer, consist of the payment of union “scale” wages required by unionrules, and if the payment is actually for such “scale” for TV or radioperformances.

E. An advertisement shall not state or imply that an insurer or a Medicare supplement insurance policy has been approved or endorsed by any individual, group of individuals, society, association or other organizations, unless such is the fact, and unless any proprietary relationship between an organization and the insurer is disclosed. If the entity making the endorsement or testimonial has been formed by the insurer or is owned or controlled by the insurer or the person or persons who own or control the insurer, such fact shall be disclosed in the advertisement. If the insurer or an officer of the insurer formed or controls the association, or holds any policy-making position in the association, that fact must be disclosed.

F. When a testimonial refers to benefits received under a Medicare supplement insurance policy, the specific claim data, including claim number, date of loss, and other pertinent information shall be retained by the insurer for inspection for a period of four years or

until the filing of the next regular report of examination of the insurer, whichever is the longer period of time. The use of testimonials which do not correctly reflect the presentpractices of the insurer or which are not applicable to the policy or benefit being advertised is not permissible.

Rule 16.09 Use of Statistics

A. An advertisement relating to the dollar amounts of claims paid, the number of persons insured, or similar statistical information relating to any insurer or policy shall not use irrelevant facts, and shall not be used unless it accurately reflects all of the relevant facts. Such an advertisement shall not imply that such statistics are derived from a policy advertised unless such is the fact, and when applicable to other policies or plans shall specifically so state.

    1. An advertisement shall specifically identify the Medicare supplement insurance policy to which statistics relate and, where statistics are given which are applicable to a different policy, it must be stated clearly that the data do not relate to the policy being advertised.

    2. An advertisement using statistics which describe an insurer, such as corporate structure, financial standing, age, product lines or relative position in the insurance business, may be irrelevant and, if used at all, must be used with extreme caution because of the potential for misleading the public. As a specific example, an advertisement for Medicare supplement insurance which refers to the amount of life insurance which the company has in force or the amounts paid out in life insurance benefits is not permissible unless the advertisement clearly indicates the amount paid out for each line of insurance.

B. An advertisement shall not represent or imply that claim settlements by the insurer are "liberal" or "generous" or use words of similar import, or state or imply that claim settlements are or will be beyond the actual terms of the contract. An unusual amount paid for a unique claim for the policy advertised is misleading and shall not be used.

C. The source of any statistics used in an advertisement shall be identified in such advertisement.

Rule 16.10 Disparaging comparisons and Statements

An advertisement shall not directly or indirectly make unfair or incomplete comparisons of policies or benefits or comparisons of non-comparable policies of other insurers, and shall not disparage competitors, their policies, services or business methods, and shall not disparage or unfairly minimize competing methods of marketing insurance.

A. An advertisement shall not contain statements such as “no red tape” or “here is all you do to receive benefits.”

B. Advertisements which state or imply that competing insurance coverages customarily contain certain exceptions, reductions or limitations not contained in the advertised policies are unacceptable unless such exceptions, reductions, or limitations are contained in a substantial majority of such competing coverages.

C. Advertisements which state or imply that an insurer’s premiums are lower or that its loss ratios are higher because its organizational structure differs from that of competing insurers are unacceptable.

Rule 16.11 Jurisdictional Licensing and Status of Insurer

A. An advertisement which is intended to be seen or heard beyond the limits of the jurisdiction in which the insurer is licensed shall not imply licensing beyond those limits.

B. An advertisement shall not create the impression directly or indirectly that the insurer,its financial condition or status; or the payment of its claims; or the merits, desirability or advisability of its policy forms or kinds of plans of insurance are approved, endorsed or accredited by any division or agency of this State or the United States Government.

Rule 16.12 Identity of Insurer

A. The name of the actual insurer shall be stated in all of its advertisements. The form number or numbers of the policy advertised shall be state in an advertisement which is an invitation to contract. An advertisement shall not use a trade name, any insurance group designation, name of the parent company of the insurer, name of a particular division of the insurer, service mark, slogan, symbol or other device which with or without disclosing the name of the actual insurer would have the capacity and tendency to mislead or deceive as to the true identity of the insurer.

B. No advertisement shall use any combination of words, symbols or physical materials which by their content, phraseology, shape, color or other characteristics are so similar to combination of words, symbols or physical materials used by agencies of the federal government or of this State, or otherwise appear to be of such nature that it tends to confuse or mislead prospective insureds into believing that the solicitation is in some manner connected with an agency of the municipal, state or federal government.

C. Advertisements, envelopes or stationary which employs words, letters, initials, symbols or other devices which are so similar to those used by governmental agencies or other insurers are not permitted if they may lead the public to believe:

1. that the advertised coverages are somehow provided by or are endorsed by such governmental agencies or such other insurers;

2. that the advertiser is the same as, is connected with or is endorsed by such governmental agencies or such other insurers.

D. No advertisement shall use the name of a state or political subdivision thereof in a policy name or description.

E. No advertisement in the form of envelopes or stationary of any kind may use any name, service mark, slogan, symbol or any device in such a manner that implies that the insurer or the policy advertised, or that any agent who may call upon the consumer in response to the advertisement is connected with a governmental agency, such as the Social Security Administration.

F. No advertisement may incorporate the word "Medicare" in the title of the plan or policy being advertised unless, wherever it appears, said word is qualified by language differentiating it from Medicare. Such an advertisement, however shall not use the phrase "_____ Medicare Department of the _____ Insurance Company," or language of similar import.

G. No advertisement shall be used that fails to include the disclaimer to the effect of "Not connected with or endorsed by the U.S. Government or the federal Medicare program."

H. No advertisement may imply that the reader may lose a right or privilege or benefit under federal, state or local law if he fails to respond to the advertisement.

I. The use of letter, initials, or symbols of the corporate name or trademark that would have the tendency or capacity to mislead or deceive the public as to the true identity of the insurer is prohibited unless the true, correct and complete name of the insurer is in close conjunction and in the same size type as the letter, initials or symbols of the corporate name or trademark.

J. The use of the name of an agency or "_____ Underwriters" or "_____ Plan" in type, size and location so as to have the capacity and tendency to mislead or deceive as to the true identity of the insurer is prohibited.

K. The use of an address so as to mislead or deceive as to true identity of the insurer, its locations or licensing status is prohibited.

L. No insurer may use, in the trade name of its insurance policy, any terminology or words so similar to the name of a governmental agency or governmental program as to have the tendency to confuse, deceive or mislead the prospective purchaser.

M. All advertisements used by agents, producers, brokers or solicitors of an insurer must have prior written approval of the insurer before they may be used.

N. An agent who makes contact with a customer, as a result of acquiring that consumer's name from a lead generating device must disclose such fact in the initial contact with the consumer.

Rule 16.13 Group or Quasi-Group Implications

A. An advertisement of a particular policy shall not state or imply that prospective insureds become group or quasi-group members covered under a group policy and as such enjoy special rates or underwriting privileges, unless such is the fact.

B. This rule prohibits the solicitation of a particular class, such as governmental employees, by use of advertisements which state or imply that their occupational status entitles them to reduced rates on a group or other basis when , in fact, the policy being advertised is sold only on an individual basis at regular rates.

Rule 16.14: Introductory, Initial or Special Offers

A. Offers

1. An advertisement of an individual policy shall not directly or by implication represent that a contract or combination of contracts is an introductory, initial or special offer, or that applicants will receive substantial advantages not available at a later date, or that the offer is available only to a specified group of individuals, unless such is the fact. An advertisement shall not contain phrases describing an enrollment period as "special,""limited," or similar words or phrases when the insurer uses such enrollment periods as the usual method of advertising Medicare supplement insurance.

2. An enrollment period during which a particular insurance product may be purchased on an individual basis shall not be offered within this State unless there has been a lapse of not less than (6) months between the close of the immediately preceding enrollment period for the same product and the opening of the new enrollment period. The advertisement shall indicate the date by which theapplicant must mail the application, which shall be not less than ten days and not more than forty days from the date that such enrollment period is advertised

for the first time. This rule applies to all advertising media, i.e., mail, newspapers, radio, television, magazines and periodicals, by any one insurer. It is not applicable to solicitation of employees or members of a particular group or association which otherwise would be eligible under specific provisions of the Insurance Code for group, blanket or franchise insurance. The phrase "any one insurer" includes all the affiliated companies of a group of insurance companies under common management or control.

3. This rule prohibits any statement or implication to the effect that only a specific number of policies will be sold, or that a time is fixed for the discontinuance of the sale of the particular policy advertised because of special advantages available in the policy, unless such is the fact.

4. The phrase "a particular insurance product" in Paragraph (2) of this section means an insurance policy which provides substantially different benefits than those contained in any other policy. Different terms of renewability; an increase or decrease in the dollar amounts of benefits; an increase or decrease in any elimination period or waiting period from those available during an enrollment period for another policy shall not be sufficient to constitute the product being offered as a different product eligible for concurrent or overlapping enrollment.

B. An advertisement shall not offer a policy which utilizes a reduced initial premium rate in a manner which overemphasizes the availability and the amount of the initial reduced premium. When an insurer charges an initial premium that differs in amount from the amount of the renewal premium payable on the same mode, the advertisement shall not display the amount of the reduced initial premium either more frequently or more prominently than the renewal premium, and both the initial reduced premium and the renewal premium must be stated in juxtaposition in each portion of the advertisement where the initial reduced premium appears. The term "juxtaposition" means side by side or immediately above or below.

C. Special awards, such as a "safe driver's award" shall not be used in connectionwith advertisements of Medicare supplement insurance.

Rule 16.15 Statements About an Insurer

An advertisement shall not contain statements which are untrue in fact, or by implication misleading, with respect to the assets, corporate structure, financial standing, age or relative position of the insurer in the insurance business. An advertisement shall not contain a recommendation by any commercial rating system unless it clearly indicated the purpose of the recommendation and the limitations of the scope and extent of the recommendation.

Rule 16.16 Enforcement Procedures

A. Advertising File: Each insurer shall maintain at its home or principal office a complete file containing every printed, published or prepared advertisement of its individual policies and typical printed, published or prepared advertisements of its blanket, franchise and group policies hereafter disseminated in this or any other state, whether or not licensed in such other state, with a notation attached to each such advertisement which advertised. Such file shall be available for inspection by this Department. All such advertisements shall be maintained in said file for a period of either four years or until the filing of the next regular report of examination of the insurer, whichever is the longer period of time.

B. Certificate of Compliance: Each insurer required to file an Annual Statement which is now or which hereafter becomes subject to the provisions of these rules must file with this Department, with its Annual Statement, a Certificate of Compliance executed by an authorized officer of the insurer wherein it is stated that, to the best of his knowledge, information and belief, the advertisements which were disseminated by the insurer during the preceding statement year complied or were made to comply in all respects with the provisions of these rules and the Insurance Laws of this State as implemented and interpreted by these rules.

Rule 16.19 Appendix: Interpretive Guidelines

A. Guideline 1

Disclosure is one of the principal objectives of the rules and this section states specifically that the rules shall assure truthful and adequate disclosure of all material and relevant information. The rules specifically prohibit some previous advertising techniques.

B. Guideline 2

These rules apply to any "advertisement" as that term is defined in Section 3, Subsections A, H, I and J unless otherwise specified in the rules. These rules apply to group, blanket and individual Medicare supplement insurance advertisements. Certain distinctions, however, are applicable to these categories. Among them is the level of conversance with insurance, a factor which is covered by Section 5A of the rules.

C. Guideline 3-A

The scope of the term "advertisement" extends to the use of all media for communications to the general public, to the use of all media for communications to specific members of the general public, and to use of all media for communications by agents, brokers, producers and solicitors.

D. Guideline 3-I

A "brief description of coverage" in an invitation to inquire may consist of an explanation of Medicare benefits, minimum benefits, standards for Medicare supplement policies, and the manner in which the advertised Medicare supplement insurance policy supplements the benefits of Medicare and meets or exceeds the minimum benefit requirements. An invitation to inquire shall not refer to cost or the maximum dollar amount of benefits payable.

As with all Medicare supplement insurance advertisements, an invitation to inquire must not:

1. Employ devices which are designed to create undue anxiety in the minds of the elderly or excite fear of dependence upon relatives or charity;

2. Exaggerate the gaps in Medicare coverage;

3. Exaggerate the value of the benefits available under the advertised policy;

4. Otherwise violate the provisions of these rules.

E. Guideline 4

The rule permits the use of either of the following alternative methods of disclosure:

1. The first alternative provides for the disclosure of exceptions, limitations, reductions and other restrictions conspicuously and in close conjunctions with the statements to which such information relates. This may be accomplished by disclosure in the description of the related benefits or in a paragraph set out in close conjunction with the description of policy benefits.

2. The second alternative provides for the disclosure of exceptions, limitations, reductions and other restrictions not in conjunction with the provisions describing policy benefits but under appropriate captions of such prominence that the information shall not be minimized, rendered obscure or otherwise made to appear unimportant. The phrase "under appropriate captions" means that the title must be accurately descriptive of the captioned material. Appropriate captions include the following: "Exceptions," "Exclusions," "Conditions Not Covered," and "Exceptions and Reductions." The use of captions such as, or similar to, the following are not acceptable because they do not provide adequate notice of the significance of the material: "Extent of Coverage," "Only these Exclusions," or "Minimum Limitations."

In considering whether an advertisement complies with the disclosure requirements of this rule, the rule must be applied in conjunction with the form and content standards contained in Section 5.

F. Guideline 5-A

The rule must be applied in conjunction with Section 1 and 4 of the rules. The rule refers specifically to "format and content" of the advertisement and the "overall" impression created by the advertisement. This involves factors such as, but not limited to, the size, color and prominence of type used to describe benefits. The word "format" means the arrangement of the text and the captions.

The rule requires distinctly different advertisements for publication in newspapers or magazines of general circulation, as compared to scholarly, technical or business journals and newspapers. Where an advertisement consists of more than one piece of material, each piece of material must, independent of all other pieces of material, conform to the disclosure requirements of this rule.

G. Guideline 5-B

The rule prohibits the use of incomplete statements and words or phrases which have the tendency or capacity to mislead or deceive because of the reader's unfamiliarity with insurance terminology.

Therefore, words, phrases and illustrations used in an advertisement must be clear and unambiguous if the advertisement uses insurance terminology, sufficient description of a word, phrase or illustration shall be provided by definition or description in the context of

the advertisement. As implied in Guideline 5-A, distinctly different levels of comprehension to the subscribers of various publications may be anticipated.

H. Guideline 6-A(1)

The rule prohibits the use of incomplete statements and words or phrases which create deception by omission or commission. The following examples are illustrations of the prohibitions created by the rule:

1. An advertisement which describes any benefits that vary by age must disclose the fact.

2. An advertisement that uses a phrase such as "no age limit" must disclose that premiums may vary by age or that benefits may vary by age if such is the case.

3. Advertisements, applications, requests for additional information and similar materials are unacceptable if they state or imply that the recipient has been individually selected to be offered insurance, or has had his eligibility for such insurance individually determined in advance, when in fact the advertisement is directed to all persons in a group or to all persons whose names appear on a mailing list.

4. Advertisements for group or franchise group plans which provide a common benefit or a common combination of benefits shall not imply that the insurance coverage is tailored or designed specifically for that group, unless such is the fact.

5. It is unacceptable to use terms such as "enroll" or "join" with reference to a group or blanket insurance coverage when such is not the case.

6. An advertisement, which states or implies immediate coverage is provided, is unacceptable unless suitable administrative procedures exist so that the policy is issued within fifteen working days after the application is received by the insurer.

7. Applications, request forms for additional information, and similar related materials are unacceptable if they resemble paper currency, bonds or stock certificates; or use any name, service mark, slogan, symbol or any device in such a manner that implies that the insurer or the policy advertised is connected with a governmental agency, such as the Social Security Administration or the Department of Health and Human Services.

8. An advertisement which uses the word "plan" without identifying it as a Medicare supplement insurance policy is not permissible.

9. An advertisement which implies in any manner that the prospective insured may realize a profit from obtaining Medicare supplement insurance is not permissible.

10. An advertisement which fails to disclose any waiting or elimination periods is unacceptable.

11. Examples of benefits payable under a policy shall not disclose only maximum benefits unless such maximum benefits are paid for loss from common or probable illnesses or accidents, rather than exceptional or rare illnesses or accidents or periods of confinement for such exceptional or rare accidents or illnesses.

12. When a range of benefit levels is set forth in an advertisement, it must bemade clear that the insured will receive only the benefit level written or printed in the policy selected and issued.

13. Advertisements for policies whose premiums are modest because of their limited amount of benefits shall not describe premiums as "low," "low-cost," "budget" or use qualifying words of similar import. This rule also prohibits the use of words such as "only" and "just" in conjunction with statements of premium amounts when used to imply a bargain.

14. An advertisement which exaggerates the effects of statutorily mandated benefits or required policy provisions or which implies that such provisions are unique to the advertised policy is unacceptable. For example, the phrase, "Money Back Guarantee," is an exaggerated description of the thirty-day right to examine the policy and is not acceptable.

15. An advertisement which implies that a common type of policy or a combination of common benefits is "new," "unique," "a bonus," "a breakthrough," or is otherwise unusual is unacceptable. Also, the addition of a novel method of premium payment to an otherwise common plan of insurance does not render it "new."

16. An advertisement may not omit the word "covered" when referring to benefits payable under its policy. Continued reference to "covered" is not necessarily where this fact has been prominently disclosed in the advertisement.

17. An advertisement must state that benefits payable under the policy are based upon Medicare eligible expenses, if such is the case.

18. An advertisement which fails to disclose that the definition of "hospital" does not include a nursing home, convalescent home or extended care facility, as the case may be, is unacceptable.

19. A television, radio, mail or newspaper advertisement or lead generating device which is designed to produce leads either by use of a coupon, a request to write or to call the company, or a subsequent advertisement prior to contact must include

information disclosing that an insurance agent may contact the applicant if such is the fact.

20. Advertisements for policies designed to supplement Medicare shall not employ devices which are designed to create undue anxiety in the minds of the elderly. Such phrases as "here is where most people over 65 learn about the gaps in Medicare," or "Medicare is great, but . . ." or which otherwise exaggerate the gaps in Medicare coverage are unacceptable. Phrases or devices which unduly excite fear of dependence upon relatives or charity are unacceptable. Phrases or devices which imply that long sicknesses or hospital stays are common among the elderly are unacceptable.

21. An advertisement which is an invitation to contract implying that the coverage is supplemental to Medicare, if it does not explain the manner in which it is supplemental to Medicare coverage, is not acceptable.

22. An advertisement which is an invitation to contract for Medicare supplement insurance is unacceptable if the advertisement:

    a. Fails to disclose in clear language which of the Medicare benefits the policy is not designed to supplement or if it otherwise implies that Medicare provides only those benefits which the policy is designed to supplement;

    b. Describes the in-patient hospital coverage of Medicare as "Medicare hospital," or "Medicare Part A" when the policy does not supplement the non-hospital or the psychiatric hospital benefits of Medicare Part A;

    c. Fails to describe clearly the operation of the Part or Parts of Medicare which the policy is designed to supplement; or

    d. Describes those Medicare benefits not supplemented by the policy in such a way as to minimize their importance relative to the Medicare benefits which are supplemented.

23. Advertisements which indicate that a particular coverage or policy is exclusively for "preferred risks" or a particular segment of the population, or that particular segments of the population are acceptable risks, when such distinctions are not maintained in the issuance of policies, are not acceptable.

24. Any advertisement which contains statements such as "anyone can apply" or "anyone can join" other than with respect to a guaranteed issue policy for which administrative procedures exist to assure that the policy is issued within a reasonable period of time after the application is received by the insurer is unacceptable.

25. Any advertisement which uses any phrase or term such as "here is all you do to apply," "simply" or "merely" to refer to the act of applying for a policy which is not a guaranteed issue policy is unacceptable unless it refers to the fact that the application is subject to acceptance or approval by the insurer.

26. Advertisements which state or imply that premiums will not be changed in the future are not acceptable unless the advertised policies so provide.

27. An advertisement which does not require the premium to accompany the application must not overemphasize that fact and must make the effective date of that coverage clear.

28. An advertisement which is an invitation to contract which fails to disclose the amount of any deductible and/or the percentage of any co-insurance factor is not acceptable.

I. Guideline 6-A (2)

The rule recognizes that certain words and phrases in advertising may have a tendency to mislead the public as to the extent of benefits under an advertised policy. Consequently, such terms (and those specified in the rules do not represent a comprehensive list but only examples) must be used with caution to avoid any tendency to exaggerate benefits and must not be used unless the statement is literally true in every instance. The use of the following phrases based on such terms or having the same effect must be similarly restricted: "pays hospital, surgical, etc. bills," "pays dollars to offset the cost of medical care," "safeguards your standard of living," "pays full coverage," "pays complete coverage," or "pays for financial needs." Other phrases may or may not be acceptable depending upon the nature of the coverage being advertised.

The rule also prohibits words or phrases which exaggerate the effect of benefit payment on the insured's general well-being, such as "worry-free savings plan," "guaranteed savings," "financial peace of mind," and "you will never have to worry about hospital bills again."

Advertisements which are an invitation to contract for policies designed to supplement Medicare benefits are unacceptable if they fail to disclose that no hospital confinement benefits will be payable for that portion of a Medicare benefit period for which Medicare pays all hospital confinement expenses (currently sixty days) other than the initial deductible if the policy so provides. The length of said period must be stated in days.

J. Guideline 6-A(4)

Explanations must not minimize nor describe restrictive provisions in a positive manner. Negative features must be accurately set forth. Any limitation on benefits precluding preexisting conditions must also be restated under a caption concerning exclusions or limitations, notwithstanding that the preexisting condition exclusion has been disclosed

elsewhere in the advertisement. (See Guideline 6-C for additional comments on preexisting conditions.

K. Guideline 6-A(5)

The rule should be applied in conjunction with Section 10. Phrases such as “we cut cost to the bone” or “we deal direct with you so our costs are lower” shall not be used.

L. Guideline 6-B(1)

An advertisement which is an invitation to contract as defined in Section 3J must recite the exceptions, reductions and limitations as required by the rule and in a manner consistent with Section 4.

If an exception, reduction or limitation is important enough to use in a policy, it is sufficient important that its existence in the policy should be referred to in the advertisement regardless of whether it may also be the subject matter of a provision of the Uniform Individual Accident and Sickness Policy Provision Law.

Some advertisements disclose exceptions, reductions and limitations as required, but the advertisement is so lengthy that it obscures the disclosure. Where the length of an advertisement has this effect, special emphasis must be given by changing the format to show the restrictions in a manner which does not minimize, render obscure or otherwise make them appear unimportant.

M. Guideline 6-C(1)

The rule implements the objective of Section 6A(4)(a) by requiring in negative terms a description of the effect of a preexisting condition exclusion because such an exclusion is a restriction on coverage. The subdivision also prohibits the use of the phrase “preexisting condition” without an appropriate definition or description of the term and prohibits stating a reduction in the statutory time limit as an affirmative benefit. The words “appropriate definition or description” mean that the term “preexisting condition” must be defined as it is used by the company’s claims department.

N. Guideline 6-C(2)

The phrase “no health questions” or words of similar import shall not be used if the policy excludes preexisting conditions. Use of a phrase as “guaranteed issue,” or “automatic issues,” if the policy excludes preexisting conditions for a certain period, must be accompanied by a statement disclosing that fact in a manner which does not minimize, render obscure or otherwise make it appear unimportant and is otherwise consistent with Section 4.

O. Guideline 6-C(3)

Some states require approval of the application even when the application is not attached to the policy when issued. The rule does not change such a requirement. The text of this guideline should be modified to reflect the rule applicable in the particular state.
Guideline 7

P. Guideline 7

Advertisements of cancellable Medicare supplement policies must state that the contract is cancellable or renewable at the option of the company as the case may be. With respect to noncancellable policies and guaranteed renewable policies, the policy provisions, with respect to renewability, must be set forth and defined where appropriate.

The rule also requires a statement of the qualifying conditions which constitute limitations on the permanent nature of the coverage. These customarily fall into three categories: age limits, reservation of a right to increase premiums, and the establishment of aggregate limits. For example, "noncancellable and guaranteed renewable" does not fulfill the requirements of the rule if the policy contains a terminal age _____." If a guaranteed renewable policy reserves the right to increase premiums, the statement must be expanded into language similar to "guaranteed renewable to age _____" but the company reserves the right to increase premium rates on a class basis." If the contract contains an aggregate limit after which no further benefits are payable, the above statement must be amplified with the phrase "subject to a maximum aggregate amount of $50,000" or similar language. A Medicare supplement insurance policy may have one or more of the three basic limitations and an advertisement must describe each of those which the policy contains. Over fifty percent of new individual policy issues are guaranteed renewable; therefore, the fact that a policy is guaranteed renewable shall not be exaggerated.

An advertisement for a Medicare supplement insurance policy which provides for age step-rated premium rates based upon the policy year or the insured's attained age must disclose such rate increases and the times or ages at which such premium increases.

Q. Guideline 8-A

The rule must be applied in conjunction with Section 9 and requires that all such statements must be genuine and not fictitious. Under the rule, the manufacturing, substantive editing or "doctoring up" of a testimonial is clearly prohibited as being false and misleading to the insurance-buying public. However, language which would be unacceptable under these rules must be edited out of a testimonial.

R. Guideline 8-C

The rule requires that either approval or endorsement of a policy by an individual, group or individuals, society, association or other organization be factual and that any proprietary relationship between the sponsoring or endorsing organization and the insurer be disclosed. For example, if the dividend under an association group case is payable to

the association, disclosure of that fact is required. Also, if the insurer or an officer of the insurer formed or controls the association, that fact must be disclosed. This guideline also applies to Section 8E.

S. Guideline 9-A

An advertisement shall specifically indentify the Medicare supplement insurance policy to which statistics relate and, where statistics are given which are applicable to a different policy, it must be stated clearly that the data does not relate to the policy being advertised.

An advertisement which states the dollar amount of claims paid must also indicate the period over which such claims have been paid.

If the term "loss ratio" is used, it shall be properly explained in the context of the advertisement and, unless the state has issued a regulation otherwise defining the term, it shall be calculated on the basis of premiums earned to losses incurred and shall not be on a yearly run-off basis.

T. Guideline 9-C

The rule does not require that statistics for this State be used since statistics as hospital charges and average stays may vary from state to state. When nationwide statistics are used, such fact should be noted, unless the statistics on the particular point are substantially the same in a state to which the advertisement is directed. Statistics may only be used if they are current and credible.

U. Guideline 10

The rule prohibits disparaging, unfair or incomplete comparisons of policies or benefits which would have a tendency to decline or mislead the public. The rule does not preclude the use of comparisons by health maintenance organizations, prepaid health plans and other direct service organizations which describe the difference between their prepaid health benefits coverage and indemnity insurance coverage.

V. Guideline 11-A

The rule prohibits advertisements which imply that an insurer is licensed beyond the limits of those jurisdictions where it is actually licensed. An advertisement which contains testimonials from persons who reside in a state in which the insurer is not licensed or which refers to claims of persons residing in states which the insurer is not licensed implies licensing in those states; and, therefore, is in violation of this rule unless the advertisement states that the insurer is not licensed in those states.

W. Guideline 11-B

Although the rule permits a reference to an insurer being licensed in a state where the advertisement appears, it does not allow exaggeration of the fact of such licensing nor does it permit the suggestion that competing insurers may not be so licensed because, in most states, an insurer must be licensed in the state to which it directs its advertising.

Terms such as "official" or words of similar import, used to describe any policy or application form are not permissible because of the potential for deceiving or misleading the public. This guideline also applies to Section 11C.

X. Guideline 14-A(1)

The rule prohibits advertising representing that a product is offered or an introductory, initial or special offer basis or otherwise which (a) will not be available later; or (b) is available only to certain Individuals, unless such is the fact. This rule prohibits the repetitive use of such advertisements. Where an insurer used enrollment periods as the usual method of advertising these policies, the rule prohibits describing an enrollment period as a special opportunity or offer for the applicant.

Y. Guideline 14-A(2)

The rule restricts the repetitive use of enrollment periods. The requirements of reasonable closing dates and waiting periods between enrollment periods were adopted to eliminate the abuses which formerly existed. This rule does not limit just the use of enrollment periods. It requires that a particular insurance product offered in an enrollment period through any advertising media, including the prepared presentations of agents, cannot be offered again in the State until six (6) months from the close of the enrollment period. Thus, an insurer must choose whether to use enrollment periods or open enrollment for a product. (See Section 14A (4) for the definition of "a particular insurance product.")

The rule does not prohibit multiple advertising during an enrollment period through any and all media published or transmitted within this State as long as the enrollment periods advertisements have the same expiration date.

The rule does not prohibit the solicitation of members of a group or association for the same product even though there has not been a lapse of six (6) months since the close of a preceding enrollment period which was open to the general public for the same product.

The rule does not require separation by six (6) months of enrollment periods for the same insurance product in this State if the advertising material is directed by an admitted insurer to persons by direct mail on the basis that a common relationship exists with an entity. Examples of such would be a bank and its depositors, a department store to its charge account customers, or an oil company to its credit card holders, and more than one of such organizations is sponsoring such insurance product at different times if providing such insurance under such a rule does not apply to one specific sponsor to the same persons in this State on the basis of their status as customers of that one specific entity only.

Z. Guideline 14-A(4)

The rule defines the meaning of "a particular insurance product" in Section 14A(2) and prohibits advertising of products having minor variations such as different periods or different amounts of daily hospital indemnity benefits, in a succession of enrollment periods.

AA. Guideline 15

The rule is closely related to the requirements of Section 9 concerning the use of statistics. The rule prohibits insurers which have been organized for only a brief period of time advertising that they are "old" and also prohibits emphasizing the size and magnitude of the insurer. Also, the occupations of the persons comprising the insurer's board of directors or the public's familiarity with their names or reputations is irrelevant and must not be emphasized. The preponderance of a particular occupation or profession among the board of directors an insurer does not justify the advertisement of a plan of insurance offered to the general public as insurance designed or recommended by members of that occupation or profession. For example, it is unacceptable for an insurance company to advertise a policy offered to the general public as "the physicians' policy" or "the doctors' plan" simply because there is a preponderance of physicians or doctors on the board of directors of the insurer. The rule prohibits the use of recommendation of a commercial rating system unless the purpose, meaning and limitations of the recommendation are clearly indicated.

BB. Guideline 16

The text of Subsection A is identical to the text of the first paragraph of the Enforcement Section of previous drafts of the rules except the last sentence of the subsection has been revised to require that the advertising file be maintained either for a period of four years (rather than three as previously) or until the next regular examination of the insurer, whichever is the longer period of time.

CC. Guideline 18

The rule is attached as an example of the text of a rule may be used at the option of the Commissioner in a state which reviews advertisements prior to use. The NAIC takes no position here on the question of whether direct response advertising should be subject to prior review by the Commissioner.

Rule 18.02: Purposes

Mississippi Code of 1972, Annotated, Title 83, Chapter 53, Section 25(1) provides that "no one shall pay, accrue, credit or otherwise allow, either directly or indirectly, any compensation to any creditor, person, partnership, corporation, association or other entity in connection with any policy, certificate or other contract of credit life insurance or credit disability insurance which

exceeds forty-five percent (45%) of the premium rates approved for such policy, certificate or contract."

Mississippi Code of 1972, Annotated, Title 83, Chapter 53, Section 25(2) defines "compensation" as including, but not limited to, all of the following:

A. Commission, fees, and expense allowances;

B. The fair market value of all equipment, calculators, goods and service;

C. The fair market value of benefits such as travel, vacations or other rewards of any kind; and,

D. All other accruals, payments and other compensation or expenditures in any form whatsoever.

The Commissioner has determined that not all payments being made under the guise of Mississippi Code of 1972, Annotated, Title 83, Chapter 53, Section 25(2) and (3) are permitted pursuant to those sections.

The Commissioner has also determined that the use of compensating balances or the deposit of monies into non-interest bearing accounts with creditors in connection with a credit life and/or credit disability insurance program, either directly or indirectly, is in violation of Mississippi Code of 1972, Annotated, Title 83, Chapter 53, Section 35(d) and Mississippi Code of 1972, Annotated, Title 83, Chapter 53, Section 25(2) and (3).

The purpose of this Regulation is to regulate certain activities and methods under which the credit insurance business within the State of Mississippi is written and to eliminate certain devices and plans designed to avoid or render ineffective the provisions of Title 83, Chapter 53, Section 1 through 47, Mississippi Code of 1972, Annotated and other pertinent statutes. The specific purposes of this Regulation are to regulate corporate allocations with respect to stock or other equity interests in credit insurers or credit insurance holding companies and their affiliates and to regulate compensating balances or other low or non-interest bearing accounts on deposit with creditors, thereby prohibiting methods and devices designed to avoid or render ineffective the provisions of Mississippi Code of 1972, Annotated, Title 83, Chapter 53, Section 25 and Mississippi Code of 1972, Annotated, Title 83, Chapter 53, Section 27 relating to the payment of compensation with respect to credit insurance.

benefit of any class or series of stock or other equity interest in such insurer or credit insurance holding company which is issued to a creditor writing credit insurance business with the insurer. Permitted corporate allocations are only those with respect to common stock or other equivalent equity interests of surplus which remains after all corporate allocations to preferred stockholders; preferred stock if such corporate allocations provide a fixed or variable rate of return which is reasonably related to the investment by the creditor and the risk associated with the investment; or common or preferred stock which represents the actual consideration paid by a creditor for such interest or surplus arising from credit insurance business written by the creditor.

B. Insurers and credit insurance holding companies with more than one class or series of stock may make corporate allocations or dividends only in accordance with specific and express provisions set forth in the articles of association, articles of incorporation, bylaws or resolutions of the insurer or credit insurance holding company. No such dividend may be paid unless and until the insurer has filed with the Commissioner the annual statement of the insurer for the year(s) in which such surplus was earned.

G. Dividends or distributions to be paid to stockholders, once declared by the board of directors of an insurer or credit insurance holding company, are charged directly to

unassigned surplus and must be carried as a liability of such insurer or credit insurance holding company until paid. An approval or ratification of corporate allocations by the board of directors of an insurer or credit insurance holding company shall not constitute a dividend or distribution.

H. The Commissioner of Insurance hereby reserves the right, after notice and hearing, to declare corporate allocation or dividend methods or other equity interest programs, other than those which conform to the requirements of this Regulation and statutes of the State of Mississippi, to be in violation of in Mississippi Code of 1972, Annotated, Title 83, Chapter 53,Section 25, and to order and require appropriate remedial action, including, but not limited to, rescission of the sale of such stock or other equity interest and penalties and fines provided in the statutes of the State of Mississippi.

Rule 19.02: Preamble

A. The Mississippi Insurance Department recognizes that licensed insurers routinely enter into reinsurance agreements that yield legitimate relief to the ceding insurer from strain to surplus.

B. However, it is improper for a licensed insurer, in the capacity of ceding insurer, to enter into reinsurance agreements for the principal purpose of producing significant surplus aid for the ceding insurer, typically on a temporary basis, while not transferring all of the significant risks inherent in the business being reinsured. In substance or effect, the expected potential liability to the ceding insurer remains basically unchanged by the reinsurance transaction, notwithstanding certain risk elements in the reinsurance agreement, such as catastrophic mortalityor extraordinary survival. The terms of such agreements referred to herein and described in Section 4 violate:

    1. Sections 83-5-35(e), 83-5-55 and 83-5-69 relating to financial statements which do not properly reflect the financial condition of the ceding insurer;

    2. Sections 83-19-151, 83-19-153 and 83-19-155 relating to reinsurance reserve credits, thus resulting in a ceding insurer improperly reducing liabilities or establishing assets for reinsurance ceded; and

    3. Sections 83-1-29, 83-1-155(1)(a), 83-5-17 and 83-23-1 relating to creating a situation that may be hazardous to policyholders and the people of this State.

Rule 19.03: Scope

This regulation shall apply to all domestic life and accident and health insurers and to all other licensed life and accident and health insurers which are not subject to a substantially similar regulation in their domiciliary state. This regulation shall also similarly apply to licensed property and casualty insurers with respect to their accident and health business. This regulation shall not apply to assumption reinsurance, yearly renewable term reinsurance or certain non-proportional reinsurance such as stop loss or catastrophe reinsurance.

Source: *Miss. Code Ann.* § 83-5-1 (Rev. 2011)

Rule 19.04: Accounting Requirements

A. No insurer subject to this regulation shall, for reinsurance ceded, reduce any liability or establish any asset in any financial statement filed with the Department if, by the terms of the reinsurance agreement, in substance or effect, any of the following conditions exist:

1. Renewal expense allowances provided or to be provided to the ceding insurer by the reinsurer in any accounting period, are not sufficient to cover anticipated allocable renewal expenses of the ceding insurer on the portion of the business reinsured, unless a liability is established for the present value of the shortfall (using assumptions equal to the applicable statutory reserve basis on the business reinsured). Those expenses include commissions, premium taxes and direct expenses including, but not limited to, billing, valuation, claims and maintenance expected by the company at the time the business is reinsured;

2. The ceding insurer can be deprived of surplus or assets at the reinsurer's option or automatically upon the occurrence of some event, such as the insolvency of the ceding insurer, except that termination of the reinsurance agreement by the reinsurer for nonpayment of reinsurance premiums or other amounts due, such as modified coinsurance reserve adjustments, interest and adjustments on funds withheld, and tax reimbursements, shall not be considered to be such a deprivation of surplus or assets.

3. The ceding insurer is required to reimburse the reinsurer for negative experience under the reinsurance agreement, except that neither offsetting experience refunds against current and prior years' losses under the agreement nor payment by the ceding insurer of an amount equal to the current and prior years' losses under the agreement upon voluntary termination of in force reinsurance by the ceding insurer shall be considered such a reimbursement to the reinsurer for negative experience. Voluntary termination does not include situations where termination occurs because of unreasonable provisions which allow the reinsurer to reduce its risk under the agreement. An example of such a provision is the right of the reinsurer to increase reinsurance premiums or risk and expense charges to excessive levels forcing the ceding company to prematurely terminate the reinsurance treaty;

4. The ceding insurer must, at specific points in time scheduled in the agreement, terminate or automatically recapture all or part of the reinsurance ceded;

5. The reinsurance agreement involves the possible payment by the ceding insurer to the reinsurer of amounts other than from income realized from the reinsured policies. For example, it is improper for a ceding company to pay reinsurance premiums, or other fees or charges to a reinsurer which are greater than the direct premiums collected by the ceding company;

6. The treaty does not transfer all of the significant risk inherent in the business being reinsured. The following table identifies for a representative sampling of products or type of business, the risks which are considered to be significant. For products not specifically included, the risks determined to be significant shall be consistent with this table.

   Risk categories:

   a. Morbidity

   b. Mortality

   c. Lapse

      This is the risk that a policy will voluntarily terminate prior to the recoupment of a statutory surplus strain experienced at issue of the policy.

   d. Credit Quality (C1)

      This is the risk that invested assets supporting the reinsured business will decrease in value. The main hazards are that assets will default or that there will be a decrease in earning power. It excludes market value declines due to changes in interest rate.

   e. Reinvestment (C3)

      This is the risk that interest rates will fall and funds reinvested (coupon payment or monies received upon asset maturity or call) will therefore earn less than expected. If asset durations are less than liability durations, the mismatch will increase.

   f. Disintermediation (C3)

      This is the risk that interest rates rise and policy loans and surrenders increase or maturing contracts do not renew at anticipated rates of renewal. If asset durations are greater than the liability durations, the mismatch will increase. Policyholders will move their funds into new products offering higher rates. The company may have to sell assets at a loss to provide for these withdrawals.

7. (a) The credit quality, reinvestment, or disintermediation risk is significant for the business reinsured and the ceding company does not (other than for the classes of business excepted in Paragraph (7) (b)) either transfer the underlying assets to the reinsurer or legally segregate such assets in a trust or escrow account or otherwise establish a mechanism satisfactory to the commissioner which legally segregates, by contract or contract provision, the underlying assets.

(b) Notwithstanding the requirements of Paragraph (7)(a), the assets supporting the reserves for the following classes of business and any classes of business which do not have a significant credit quality, reinvestment or disintermediation risk may be held by the ceding company without segregation of such assets:

i. Health Insurance - LTC/LTD

ii. Traditional Non-Par Permanent

iii. Traditional Par Permanent

iv. Adjustable Premium Permanent

v. Indeterminate Premium Permanent

vi. Universal Life Fixed Premium
    a. (no dump-in premiums allowed)

The associated formula for determining the reserve interest rate adjustment must use a formula which reflects the ceding company's investment earnings and incorporates all realized and unrealized gains and losses reflected in the statutory statement. The following is an acceptable formula:

Rate = 2 (I + CG)
X + Y - I - CG

Where: I is the net investment income (Exhibit 2, Line 16, Column 7)

CG is capital gains less capital losses (Exhibit 4, Line 10, Column 6)

X is the current year cash and invested assets (Page 2, Line 10A, Column 1) plus investment income due and accrued (Page 2, Line 16, Column 1) less borrowed money (Page 3, Line 22, Column 1)

Y is the same as X but for the prior year

8. Settlements are made less frequently than quarterly or payments due from the reinsurer are not made in cash within ninety (90) days of the settlement date.

9. The ceding insurer is required to make representations or warranties not reasonably related to the business being reinsured.

10. The ceding insurer is required to make representations or warranties about future performance of the business being reinsured.

11. The reinsurance agreement is entered into for the principal purpose of producing significant surplus aid for the ceding insurer, typically on a temporary basis, while not transferring all of the significant risks inherent in the business reinsured and, in substance or effect, the expected potential liability to the ceding insurer remains basically unchanged.

B. Notwithstanding Subsection A, an insurer subject to this regulation may, with the prior approval of the commissioner, take such reserve credit or establish such asset as the commissioner may deem consistent with the Insurance Law, Rules or Regulations, including actuarial interpretations or standards adopted by the Department.

C. 1. Agreements entered into after the effective date of this regulation which involve the reinsurance of business issued prior to the effective date of the agreements, along with any subsequent amendments thereto, shall be filed by the ceding company with the commissioner within thirty (30) days from its date of execution. Each filing shall include data detailing the financial impact of the transaction. The ceding insurer's actuary who signs the financial statement actuarial opinion with respect to valuation of reserves shall consider this regulation and any applicable actuarial standards of practice when determining the proper credit in financial statements filed with this department. The actuary should maintain adequate documentation and be prepared upon request to describe the actuarial work performed for inclusion in the financial statements and to demonstrate that such work conforms to this regulation.

2. Any increase in surplus net of federal income tax resulting from arrangements described in Subsection C(1) shall be identified separately on the insurer's statutory financial statement as a surplus item (aggregate write-ins for gains and losses in surplus in the Capital and Surplus Account, page 4 of the Annual Statement) and recognition of the surplus increase as income shall be reflected on a net of tax basis in the "Reinsurance ceded" line, page 4 of the Annual Statement as earnings emerge from the business reinsured.

   {For example, on the last day of calendar year N, company XYZ pays a $20 million initial commission and expense allowance to company ABC for reinsuring an existing block of business. Assuming a 34% tax rate, the net increase in surplus at inception is $13.2 million ($20 million - $6.8 million) which is reported on the "Aggregate write-ins for gains and losses in surplus" line in the Capital and Surplus account. $6.8 million (34% of $20 million) is reported as income on the "Commissions and expense allowances on reinsurance ceded" line of the Summary of Operations.

   At the end of the year N+1 the business has earned $4 million. ABC has paid $.5 million in profit and risk charges in arrears for the year and has received a $1 million experience refund. Company ABC's annual statement would report $1.65 million (66% of ($4 million - $1 million - $.5 million) up to a maximum of $13.2 million) on the "Commissions and expense allowance on reinsurance ceded" line of the Summary of Operations, and -$1.65 million on the "Aggregate write-ins for gains and losses in surplus" line of the Capital and Surplus account. The experience refund would be reported separately as a miscellaneous income item in the Summary of Operations.}

B. In the case of a letter of intent, a reinsurance agreement or an amendment to a reinsurance agreement must be executed within a reasonable period of time, not exceeding ninety (90) days from the execution date of the letter of intent, in order for credit to be granted for the reinsurance ceded.

Rule 20.22 Adequacy of Surplus

The factors set forth in Section 83-6-23 of the Act are not intended to be an exhaustive list. In determining the adequacy and reasonableness of an insurer's surplus no single factor is necessarily controlling. The Commissioner, instead, will consider the net effect of all of these factors plus other factors bearing on the financial condition of the insurer. In comparing the surplus maintained by other insurers, the Commissioner will consider the extent to which each of these factors varies from company to company and in determining the quality and liquidity of investments in subsidiaries, the Commissioner will consider the individual subsidiary and may discount or disallow its valuation to the extent that the individual investments so warrant.

2. At any time after the assuming insurer has permanently discontinued underwriting new business secured by the trust for at least three full years, the commissioner with principal regulatory oversight of the trust may authorize a reduction in the required trusteed surplus, but only after a finding, based on an assessment of the risk, that the new required surplus level is adequate for the protection of U.S. ceding insurers, policyholders and claimants in light of reasonably foreseeable adverse loss development. The risk assessment may involve an actuarial review, including an independent analysis of reserves and cash flows, and shall consider all material risk factors, including when applicable the lines of business involved, the stability of the incurred loss estimates and the effect of the surplus requirements on the assuming insurer's liquidity or solvency. The minimum required trusteed surplus may not be reduced to an amount less than thirty percent (30%) of the assuming insurer's liabilities attributable to reinsurance ceded by U.S. ceding insurers covered by the trust.

(iii) In addition to these trusts, the group shall maintain a trusteed surplus of which $100,000,000 shall be held jointly for the benefit of the U.S. domiciled ceding insurers of any member of the group for all the years of account.

(b) The incorporated members of the group shall not be engaged in any business other than underwriting as a member of the group and shall be subject to the same level of regulation and solvency control by the group's domiciliary regulator as are the unincorporated members. The group shall, within ninety (90) days after its financial statements are due to be filed with the group's domiciliary regulator, provide to the commissioner:

(i) An annual certification by the group's domiciliary regulator of the solvency of each underwriter member of the group; or

(ii) If a certification is unavailable, a financial statement, prepared by independent public accountants, of each underwriter member of the group.

4. (a) The trust fund for a group of incorporated insurers under common administration, whose members possess aggregate policyholders surplus of $10,000,000,000 (calculated and reported in substantially the same manner as prescribed by the annual statement instructions and Accounting Practices and Procedures Manual of the NAIC) and which has continuously transacted an insurance business outside the United States for at least three (3) years immediately prior to making application for accreditation, shall:

(i) Consist of funds in trust in an amount not less than the assuming insurers' several liabilities attributable to business ceded by U.S. domiciled ceding insurers to any members of the group pursuant to reinsurance contracts issued in the name of such group;

(ii) Maintain a joint trusteed surplus of which $100,000,000 shall be held jointly for the benefit of U.S. domiciled ceding insurers of any member of the group; and

(iii) File a properly executed Form AR-1 as evidence of the submission to this state's authority to examine the books and records of any of its members and shall certify that any member examined will bear the expense of any such examination.

(b) Within ninety (90) days after the statements are due to be filed with the group's domiciliary regulator, the group shall file with the commissioner an annual certification of each underwriter member's solvency by the member's domiciliary regulators, and financial statements, prepared by independent public accountants, of each underwriter member of the group.

C. (1) Credit for reinsurance shall not be granted unless the form of the trust and any amendments to the trust have been approved by either the commissioner of the state where the trust is domiciled or the commissioner of another state who, pursuant to the terms of the trust instrument, has accepted responsibility for regulatory oversight of the trust. The form of the trust and any trust amendments also shall be filed with the commissioner of every state in which the ceding insurer beneficiaries of the trust are domiciled. The trust instrument shall provide that:

(a) Contested claims shall be valid and enforceable out of funds in trust to the extent remaining unsatisfied thirty (30) days after entry of the final order of any court of competent jurisdiction in the United States.

(2) (a) Notwithstanding any other provisions in the trust instrument, if the trust fund is inadequate because it contains an amount less than the amount required by this subsection or if the grantor of the trust has been declared insolvent or placed into receivership, rehabilitation, liquidation or similar proceedings under the laws

of its state or country of domicile, the trustee shall comply with an order of the commissioner with regulatory oversight over the trust or with an order of a court of competent jurisdiction directing the trustee to transfer to the commissioner with regulatory oversight over the trust or other designated receiver all of the assets of the trust fund.

(b) The assets shall be distributed by and claims shall be filed with and valued by the commissioner with regulatory oversight over the trust in accordance with the laws of the state in which the trust is domiciled applicable to the liquidation of domestic insurance companies.

(c) If the commissioner with regulatory oversight over the trust determines that the assets of the trust fund or any part thereof are not necessary to satisfy the claims of the U.S. beneficiaries of the trust, the commissioner with regulatory oversight over the trust shall return the assets, or any part thereof, to the trustee for distribution in accordance with the trust agreement.

(d) The grantor shall waive any right otherwise available to it under U.S. law that is inconsistent with this provision.

D. For purposes of this section, the term "liabilities" shall mean the assuming insurer's gross liabilities attributable to reinsurance ceded by U.S. domiciled insurers excluding liabilities that are otherwise secured by acceptable means, and, shall include:

(v) Any other Nationally Recognized Statistical Rating Organization.

(d) The certified reinsurer must comply with any other requirements reasonably imposed by the commissioner.

(4) Each certified reinsurer shall be rated on a legal entity basis, with due consideration being given to the group rating where appropriate, except that an association including incorporated and individual unincorporated underwriters that has been approved to do business as a single certified reinsurer may be evaluated on the basis of its group rating. Factors that may be considered as part of the evaluation process include, but are not limited to, the following:

(a) The certified reinsurer's financial strength rating from an acceptable rating agency. The maximum rating that a certified reinsurer may be assigned will correspond to its financial strength rating as outlined in the table below. The commissioner shall use the lowest financial strength rating received from an approved rating agency in establishing the maximum rating of a certified reinsurer. A failure to obtain or maintain at least two financial strength ratings from acceptable rating agencies will result in loss of eligibility for certification:

Ratings	Best	S&P	Moody's	Fitch

Secure – 1	A++	AAA	Aaa	AAA
Secure – 2	A+	AA+, AA, AA-	Aa1, Aa2, Aa3	AA+, AA, AA-
Secure – 3	A	A+, A	A1, A2	A+, A
Secure – 4	A-	A-	A3	A-
Secure – 5	B++, B+	BBB+, BBB, BBB-	Baa1, Baa2, Baa3	BBB+, BBB, BBB-
Vulnerable – 6	B, B-C++, C+, C, C-, D, E, F	BB+, BB, BB-, B+, B, B-, CCC, CC, C, D, R	Ba1, Ba2, Ba3, B1, B2, B3, Caa, Ca, C	BB+, BB, BB-, B+, B, B-, CCC+, CC, CCC-, DD

(b) The business practices of the certified reinsurer in dealing with its ceding insurers, including its record of compliance with reinsurance contractual terms and obligations;

(c) For certified reinsurers domiciled in the U.S., a review of the most recent applicable NAIC Annual Statement Blank, either Schedule F (for property/casualty reinsurers) or Schedule S (for life and health reinsurers);

(d) For certified reinsurers not domiciled in the U.S., a review annually of Form CR-F (for property/casualty reinsurers) or Form CR-S (for life and health reinsurers) (attached as exhibits to this regulation);

(e) The reputation of the certified reinsurer for prompt payment of claims under reinsurance agreements, based on an analysis of ceding insurers' Schedule F reporting of overdue reinsurance recoverables, including the proportion of obligations that are more than ninety (90) days past due or are in dispute, with specific attention given to obligations payable to companies that are in administrative supervision or receivership;

(f) Regulatory actions against the certified reinsurer;

(g) The report of the independent auditor on the financial statements of the insurance enterprise, on the basis described in paragraph (h) below;

(h) For certified reinsurers not domiciled in the U.S., audited financial statements, regulatory filings, and actuarial opinion (as filed with the non-U.S. jurisdiction supervisor, with a translation into English). Upon the initial application for certification, the commissioner will consider audited financial statements for the last two (2) years filed with its non-U.S. jurisdiction supervisor;

(i) The liquidation priority of obligations to a ceding insurer in the certified reinsurer's domiciliary jurisdiction in the context of an insolvency proceeding;

(j) A certified reinsurer's participation in any solvent scheme of arrangement, or similar procedure, which involves U.S. ceding insurers. The commissioner shall receive prior notice from a certified reinsurer that proposes participation by the certified reinsurer in a solvent scheme of arrangement; and

(k) Any other information deemed relevant by the commissioner.

(5) Based on the analysis conducted under Subparagraph (4)(e) of a certified reinsurer's reputation for prompt payment of claims, the commissioner may make appropriate adjustments in the security the certified reinsurer is required to post to protect its liabilities to U.S. ceding insurers, provided that the commissioner shall, at a minimum, increase the security the certified reinsurer is required to post by one rating level under Subparagraph (4)(a) if the commissioner finds that:

(a) More than fifteen percent (15%) of the certified reinsurer's ceding insurance clients have overdue reinsurance recoverables on paid losses of ninety (90) days or more which are not in dispute and which exceed $100,000 for each cedent; or

(b) The aggregate amount of reinsurance recoverables on paid losses which are not in dispute that are overdue by ninety (90) days or more exceeds $50,000,000.

(6) The assuming insurer must submit a properly executed Form CR-1 (attached as an exhibit to this regulation) as evidence of its submission to the jurisdiction of this state, appointment of the commissioner as an agent for service of process in this state, and agreement to provide security for one hundred percent (100%) of the assuming insurer's liabilities attributable to reinsurance ceded by U.S. ceding insurers if it resists

enforcement of a final U.S. judgment. The commissioner shall not certify any assuming insurer that is domiciled in a jurisdiction that the commissioner has determined does not adequately and promptly enforce final U.S. judgments or arbitration awards.

(7) The certified reinsurer must agree to meet applicable information filing requirements as determined by the commissioner, both with respect to an initial application for certification and on an ongoing basis. All information submitted by certified reinsurers which are not otherwise public information subject to disclosure shall be exempted from disclosure under *Miss. Code Ann*. §§ 25-61-1 through 25-61-19 and shall be withheld from public disclosure. The applicable information filing requirements are, as follows:

(a) Notification within ten (10) days of any regulatory actions taken against the certified reinsurer, any change in the provisions of its domiciliary license or any change in rating by an approved rating agency, including a statement describing such changes and the reasons therefore;

(b) Annually, Form CR-F or CR-S, as applicable as provided in this regulation as Rule 22.18 and Rule 22.19, respectively;

(c) Annually, the report of the independent auditor on the financial statements of the insurance enterprise, on the basis described in Subsection (d) below;

(d) Annually, audited financial statements, regulatory filings, and actuarial opinion (as filed with the certified reinsurer's supervisor, with a translation into English). Upon the initial certification, audited financial statements for the last two (2) years filed with the certified reinsurer's supervisor;

(e) At least annually, an updated list of all disputed and overdue reinsurance claims regarding reinsurance assumed from U.S. domestic ceding insurers;

(f) A certification from the certified reinsurer's domestic regulator that the certified reinsurer is in good standing and maintains capital in excess of the jurisdiction's highest regulatory action level; and

(g) Any other information that the commissioner may reasonably require.

(8) Change in Rating or Revocation of Certification.

(a) In the case of a downgrade by a rating agency or other disqualifying circumstance, the commissioner shall upon written notice assign a new rating to the certified reinsurer in accordance with the requirements of Subparagraph (4)(a).

(b) The commissioner shall have the authority to suspend, revoke, or otherwise modify a certified reinsurer's certification at any time if the certified reinsurer fails to meet its obligations or security requirements under this section, or if other financial or operating results of the certified reinsurer, or documented significant delays in payment by the certified reinsurer, lead the commissioner to reconsider the certified reinsurer's ability or willingness to meet its contractual obligations.

(c) If the rating of a certified reinsurer is upgraded by the commissioner, the certified reinsurer may meet the security requirements applicable to its new rating on a prospective basis, but the commissioner shall require the certified reinsurer to post security under the previously applicable security requirements as to all contracts in force on or before the effective date of the upgraded rating. If the rating of a certified reinsurer is downgraded by the commissioner, the commissioner shall require the certified reinsurer to meet the security requirements applicable to its new rating for all business it has assumed as a certified reinsurer.

(d) Upon revocation of the certification of a certified reinsurer by the commissioner, the assuming insurer shall be required to post security in accordance with Rule 22.11 in order for the ceding insurer to continue to take credit for reinsurance ceded to the assuming insurer. If funds continue to be held in trust in accordance with Rule 22.07, the commissioner may allow additional credit equal to the ceding insurer's *pro rata* share of such funds, discounted to reflect the risk of uncollectibility and anticipated expenses of trust administration. Notwithstanding the change of a certified reinsurer's rating or revocation of its certification, a domestic insurer that has ceded reinsurance to that certified reinsurer may not be denied credit for reinsurance for a period of three (3) months for all reinsurance ceded to that certified reinsurer, unless the reinsurance is found by the commissioner to be at high risk of uncollectibility.

C. Qualified Jurisdictions.

(1) If, upon conducting an evaluation under this section with respect to the reinsurance supervisory system of any non-U.S. assuming insurer, the commissioner determines that the jurisdiction qualifies to be recognized as

a qualified jurisdiction, the commissioner shall publish notice and evidence of such recognition in an appropriate manner. The commissioner may establish a procedure to withdraw recognition of those jurisdictions that are no longer qualified.

(2) In order to determine whether the domiciliary jurisdiction of a non-U.S. assuming insurer is eligible to be recognized as a qualified jurisdiction, the commissioner shall evaluate the reinsurance supervisory system of the non-U.S. jurisdiction, both initially and on an ongoing basis, and consider the rights, benefits and the extent of reciprocal recognition afforded by the non-U.S. jurisdiction to reinsurers licensed and domiciled in the U.S. The commissioner shall determine the appropriate approach for evaluating the qualifications of such jurisdictions, and create and publish a list of jurisdictions whose reinsurers may be approved by the commissioner as eligible for certification. A qualified jurisdiction must agree to share information and cooperate with the commissioner with respect to all certified reinsurers domiciled within that jurisdiction. Additional factors to be considered in determining whether to recognize a qualified jurisdiction, in the discretion of the commissioner, include but are not limited to the following:

(a) The framework under which the assuming insurer is regulated.

(b) The structure and authority of the domiciliary regulator with regard to solvency regulation requirements and financial surveillance.

(c) The substance of financial and operating standards for assuming insurers in the domiciliary jurisdiction.

(d) The form and substance of financial reports required to be filed or made publicly available by reinsurers in the domiciliary jurisdiction and the accounting principles used.

(e) The domiciliary regulator’s willingness to cooperate with U.S. regulators in general and the commissioner in particular.

(f) The history of performance by assuming insurers in the domiciliary jurisdiction.

(g) Any documented evidence of substantial problems with the enforcement of final U.S. judgments in the domiciliary jurisdiction. A jurisdiction will not be considered to be a qualified jurisdiction if the commissioner has determined that it does not adequately and promptly enforce final U.S. judgments or arbitration awards.

(h) Any relevant international standards or guidance with respect to mutual recognition of reinsurance supervision adopted by the International Association of Insurance Supervisors or successor organization.

(i) Any other matters deemed relevant by the commissioner.

(3) A list of qualified jurisdictions shall be published through the NAIC Committee Process. The commissioner shall consider this list in determining qualified jurisdictions. If the commissioner approves a jurisdiction as qualified that does not appear on the list of qualified jurisdictions, the commissioner shall provide thoroughly documented justification with respect to the criteria provided under Subsections 8.C(2)(a) to (i).

(4) U.S. jurisdictions that meet the requirements for accreditation under the NAIC financial standards and accreditation program shall be recognized as qualified jurisdictions.

D. Recognition of Certification Issued by an NAIC Accredited Jurisdiction.

(1) If an applicant for certification has been certified as a reinsurer in an NAIC accredited jurisdiction, the commissioner has the discretion to defer to that jurisdiction's certification, and to defer to the rating assigned by that jurisdiction, if the assuming insurer submits a properly executed Form CR-1 and such additional information as the commissioner requires. The assuming insurer shall be considered to be a certified reinsurer in this state.

(2) Any change in the certified reinsurer's status or rating in the other jurisdiction shall apply automatically in this state as of the date it takes effect in the other jurisdiction. The certified reinsurer shall notify the commissioner of any change in its status or rating within 10 days after receiving notice of the change.

(3) The commissioner may withdraw recognition of the other jurisdiction's rating at any time and assign a new rating in accordance with Subsection B(8) of this section.

(4) The commissioner may withdraw recognition of the other jurisdiction's certification at any time, with written notice to the certified reinsurer. Unless the commissioner suspends or revokes the certified reinsurer's certification in accordance with Subsection (B)(8) of this section, the certified reinsurer's certification shall remain in good standing in this state for a period of three (3) months, which shall be extended if additional time

is necessary to consider the assuming insurer's application for certification in this state.

E. Mandatory Funding Clause. In addition to the clauses required under Rule 22.15, reinsurance contracts entered into or renewed under this section shall include a proper funding clause, which requires the certified reinsurer to provide and maintain security in an amount sufficient to avoid the imposition of any financial statement penalty on the ceding insurer under this section for reinsurance ceded to the certified reinsurer.

F. The commissioner shall comply with all reporting and notification requirements that may be established by the NAIC with respect to certified reinsurers and qualified jurisdictions.

Rule 22.09: Credit for Reinsurance—Reciprocal Jurisdictions

A. Pursuant to *Miss. Code Ann*. §83-19-151(f), the commissioner shall allow credit for reinsurance ceded by a domestic insurer to an assuming insurer that is licensed to write reinsurance by and has its head office or is domiciled in a Reciprocal Jurisdiction, and which meets the other requirements of this regulation.

B. A "Reciprocal Jurisdiction" is a jurisdiction, as designated by the commissioner pursuant to Subsection D, that meets one of the following:

(1) A non-U.S. jurisdiction that is subject to an in-force covered agreement with the United States, each within its legal authority, or, in the case of a covered agreement between the United States and the European Union, is a member state of the European Union. For purposes of this subsection, a "covered agreement" is an agreement entered into pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act, 31 U.S.C. §§ 313 and 314, that is currently in effect or in a period of provisional application and addresses the elimination, under specified conditions, of collateral requirements as a condition for entering into any reinsurance agreement with a ceding insurer domiciled in this state or for allowing the ceding insurer to recognize credit for reinsurance;

(2) A U.S. jurisdiction that meets the requirements for accreditation under the NAIC financial standards and accreditation program; or

(3) A qualified jurisdiction, as determined by the commissioner pursuant to *Miss. Code Ann*. § 83-19-151(e)(iii) and Rule 22.08 (c) of this Regulation, which is not otherwise described in paragraph (1) or (2) above and which the commissioner determines meets all of the following additional requirements:

(a) Provides that an insurer which has its head office or is domiciled in such qualified jurisdiction shall receive credit for reinsurance ceded to a U.S.-domiciled assuming insurer in the same manner as credit for reinsurance is received for reinsurance assumed by insurers domiciled in such qualified jurisdiction;

(b) Does not require a U.S.-domiciled assuming insurer to establish or maintain a local presence as a condition for entering into a reinsurance agreement with any ceding insurer subject to regulation by the non-U.S. jurisdiction or as a condition to allow the ceding insurer to recognize credit for such reinsurance;

(c) Recognizes the U.S. state regulatory approach to group supervision and group capital, by providing written confirmation by a competent regulatory authority, in such qualified jurisdiction, that insurers and insurance groups that are domiciled or maintain their headquarters in this state or another jurisdiction accredited by the NAIC shall be subject only to worldwide prudential insurance group supervision including worldwide group governance, solvency and capital, and reporting, as applicable, by the commissioner or the commissioner of the domiciliary state and will not be subject to group supervision at the level of the worldwide parent undertaking of the insurance or reinsurance group by the qualified jurisdiction; and

(d) Provides written confirmation by a competent regulatory authority, in such qualified jurisdiction that information regarding insurers and their parent, subsidiary, or affiliated entities, if applicable, shall be provided to the commissioner in accordance with a memorandum of understanding or similar document between the commissioner and such qualified jurisdiction, including but not limited to the International Association of Insurance Supervisors Multilateral Memorandum of Understanding or other multilateral memoranda of understanding coordinated by the NAIC.

C. Credit shall be allowed when the reinsurance is ceded from an insurer domiciled in this state to an assuming insurer meeting each of the conditions set forth below.

(1) The assuming insurer must be licensed to transact reinsurance by, and have its head office or be domiciled in, a Reciprocal Jurisdiction.

(2) The assuming insurer must have and maintain on an ongoing basis minimum capital and surplus, or its equivalent, calculated on at least an annual basis as of the preceding December 31 or at the annual date otherwise statutorily reported to the Reciprocal Jurisdiction, and

confirmed as set forth in Subsection (C)(7) according to the methodology of its domiciliary jurisdiction, in the following amounts:

(a) No less than $250,000,000; or

(b) If the assuming insurer is an association, including incorporated and individual unincorporated underwriters:

(i) Minimum capital and surplus equivalents (net of liabilities) or own funds of the equivalent of at least $250,000,000; and

(ii) A central fund containing a balance of the equivalent of at least $250,000,000.

(3) The assuming insurer must have and maintain on an ongoing basis a minimum solvency or capital ratio, as applicable, as follows:

(a) If the assuming insurer has its head office or is domiciled in a Reciprocal Jurisdiction as defined in Section (B)(1) of this section, the ratio specified in the applicable covered agreement;

(b) If the assuming insurer is domiciled in a Reciprocal Jurisdiction as defined in Section (B)(2) of this section, a risk-based capital (RBC) ratio of three hundred percent (300%) of the authorized control level, calculated in accordance with the formula developed by the NAIC; or

(c) If the assuming insurer is domiciled in a Reciprocal Jurisdiction as defined in Section (B)(3) of this section, after consultation with the Reciprocal Jurisdiction and considering any recommendations published through the NAIC Committee Process, such solvency or capital ratio as the commissioner determines to be an effective measure of solvency.

(4) The assuming insurer must agree to and provide adequate assurance, in the form of a properly executed Form RJ-1 (attached as an exhibit to this regulation), of its agreement to the following:

(a) The assuming insurer must agree to provide prompt written notice and explanation to the commissioner if it falls below the minimum requirements set forth in paragraphs (2) or (3) of this subsection, or if any regulatory action is taken against it for serious noncompliance with applicable law.

(b) The assuming insurer must consent in writing to the jurisdiction of the courts of this state and to the appointment of the commissioner as agent for service of process.

(i) The commissioner may also require that such consent be provided and included in each reinsurance agreement under the commissioner's jurisdiction.

(ii) Nothing in this provision shall limit or in any way alter the capacity of parties to a reinsurance agreement to agree to alternative dispute resolution mechanisms, except to the extent such agreements are unenforceable under applicable insolvency or delinquency laws.

(c) The assuming insurer must consent in writing to pay all final judgments, wherever enforcement is sought, obtained by a ceding insurer, that have been declared enforceable in the territory where the judgment was obtained.

(d) Each reinsurance agreement must include a provision requiring the assuming insurer to provide security in an amount equal to one hundred percent (100%) of the assuming insurer's liabilities attributable to reinsurance ceded pursuant to that agreement if the assuming insurer resists enforcement of a final judgment that is enforceable under the law of the jurisdiction in which it was obtained or a properly enforceable arbitration award, whether obtained by the ceding insurer or by its legal successor on behalf of its estate, if applicable.

(e) The assuming insurer must confirm that it is not presently participating in any solvent scheme of arrangement, which involves this state's ceding insurers, and agrees to notify the ceding insurer and the commissioner and to provide one hundred percent (100%) security to the ceding insurer consistent with the terms of the scheme should the assuming insurer enter into such a solvent scheme of arrangement. Such security shall be in a form consistent with the provisions of *Miss. Code Ann.* §§83-19-151(e) and 83-19-153, and Rules 22.12, 22.13 or 22.14 of this Regulation. For purposes of this Regulation, the term "solvent scheme of arrangement" means a foreign or alien statutory or regulatory compromise procedure subject to requisite majority creditor approval and judicial sanction in the assuming insurer's home jurisdiction either to finally commute liabilities of duly noticed classed members or creditors of a solvent debtor, or to reorganize or restructure the debts and obligations of a solvent debtor on a final basis, and which may be subject to judicial recognition and enforcement of the arrangement by a governing authority outside the ceding insurer's home jurisdiction.

(f) The assuming insurer must agree in writing to meet the applicable information filing requirements as set forth in Paragraph (5) of this subsection.

(5) The assuming insurer or its legal successor must provide, if requested by the commissioner, on behalf of itself and any legal predecessors, the following documentation to the commissioner:

(a) For the two years preceding entry into the reinsurance agreement and on an annual basis thereafter, the assuming insurer's annual audited financial statements, in accordance with the applicable law of the jurisdiction of its head office or domiciliary jurisdiction, as applicable, including the external audit report;

(b) For the two years preceding entry into the reinsurance agreement, the solvency and financial condition report or actuarial opinion, if filed with the assuming insurer's supervisor;

(c) Prior to entry into the reinsurance agreement and not more than semi-annually thereafter, an updated list of all disputed and overdue reinsurance claims outstanding for 90 days or more, regarding reinsurance assumed from ceding insurers domiciled in the United States; and

(d) Prior to entry into the reinsurance agreement and not more than semi-annually thereafter, information regarding the assuming insurer's assumed reinsurance by ceding insurer, ceded reinsurance by the assuming insurer, and reinsurance recoverable on paid and unpaid losses by the assuming insurer to allow for the evaluation of the criteria set forth in Paragraph (6) of this subsection.

(6) The assuming insurer must maintain a practice of prompt payment of claims under reinsurance agreements. The lack of prompt payment will be evidenced if any of the following criteria is met:

(a) More than fifteen percent (15%) of the reinsurance recoverables from the assuming insurer are overdue and in dispute as reported to the commissioner;

(b) More than fifteen percent (15%) of the assuming insurer's ceding insurers or reinsurers have overdue reinsurance recoverable on paid losses of 90 days or more which are not in dispute and which exceed for each ceding insurer $100,000, or as otherwise specified in a covered agreement; or

(c) The aggregate amount of reinsurance recoverable on paid losses which are not in dispute, but are overdue by 90 days or more,

exceeds $50,000,000, or as otherwise specified in a covered agreement.

(7) The assuming insurer's supervisory authority must confirm to the commissioner on an annual basis that the assuming insurer complies with the requirements set forth in Paragraphs (2) and (3) of this subsection.

(8) Nothing in this provision precludes an assuming insurer from providing the commissioner with information on a voluntary basis.

D. The commissioner shall timely create and publish a list of Reciprocal Jurisdictions.

(1) A list of Reciprocal Jurisdictions is published through the NAIC Committee Process. The commissioner's list shall include any Reciprocal Jurisdiction as defined under Section (B)(1) and (2), and shall consider any other Reciprocal Jurisdiction included on the NAIC list. The commissioner may approve a jurisdiction that does not appear on the NAIC list of Reciprocal Jurisdictions as provided by applicable law, regulation, or in accordance with criteria published through the NAIC Committee Process.

(2) The commissioner may remove a jurisdiction from the list of Reciprocal Jurisdictions upon a determination that the jurisdiction no longer meets one or more of the requirements of a Reciprocal Jurisdiction, as provided by applicable law, regulation, or in accordance with a process published through the NAIC Committee Process, except that the commissioner shall not remove from the list a Reciprocal Jurisdiction as defined under Section (B)(1) and (2). Upon removal of a Reciprocal Jurisdiction from this list credit for reinsurance ceded to an assuming insurer domiciled in that jurisdiction shall be allowed, if otherwise allowed pursuant to *Miss. Code Ann*. §§ 83-19-151 through 83-19-157 or this regulation

E. The commissioner shall timely create and publish a list of assuming insurers that have satisfied the conditions set forth in this section and to which cessions shall be granted credit in accordance with this section.

(1) If an NAIC accredited jurisdiction has determined that the conditions set forth in Subsection C have been met, the commissioner has the discretion to defer to that jurisdiction's determination, and add such assuming insurer to the list of assuming insurers to which cessions shall be granted credit in accordance with this subsection. The commissioner may accept financial documentation filed with another NAIC accredited jurisdiction or with the NAIC in satisfaction of the requirements of Subsection C.

(2) When requesting that the commissioner defer to another NAIC accredited jurisdiction's determination, an assuming insurer must submit a properly

executed Form RJ-1 and additional information as the commissioner may require. A state that has received such a request will notify other states through the NAIC Committee Process and provide relevant information with respect to the determination of eligibility.

F. If the commissioner determines that an assuming insurer no longer meets one or more of the requirements under this section, the commissioner may revoke or suspend the eligibility of the assuming insurer for recognition under this section.

(1) While an assuming insurer's eligibility is suspended, no reinsurance agreement issued, amended or renewed after the effective date of the suspension qualifies for credit except to the extent that the assuming insurer's obligations under the contract are secured in accordance with Rule 22.11.

(2) If an assuming insurer's eligibility is revoked, no credit for reinsurance may be granted after the effective date of the revocation with respect to any reinsurance agreements entered into by the assuming insurer, including reinsurance agreements entered into prior to the date of revocation, except to the extent that the assuming insurer's obligations under the contract are secured in a form acceptable to the commissioner and consistent with the provisions of Rule 22.11.

G. Before denying statement credit or imposing a requirement to post security with respect to Section F of this section or adopting any similar requirement that will have substantially the same regulatory impact as security, the commissioner shall:

(1) Communicate with the ceding insurer, the assuming insurer, and the assuming insurer's supervisory authority that the assuming insurer no longer satisfies one of the conditions listed in Subsection C of this section;

(2) Provide the assuming insurer with 30 days from the initial communication to submit a plan to remedy the defect, and 90 days from the initial communication to remedy the defect, except in exceptional circumstances in which a shorter period is necessary for policyholder and other consumer protection;

(3) After the expiration of 90 days or less, as set out in (2), if the commissioner determines that no or insufficient action was taken by the assuming insurer, the commissioner may impose any of the requirements as set out in this Subsection; and

(4) Provide a written explanation to the assuming insurer of any of the requirements set out in this Subsection.

H. If subject to a legal process of rehabilitation, liquidation or conservation, as applicable, the ceding insurer, or its representative, may seek and, if determined

appropriate by the court in which the proceedings are pending, may obtain an order requiring that the assuming insurer post security for all outstanding liabilities.

Code Ann*. §§ 83-19-151(a), (b), (c), (d), ~~or~~ (e), or (f) but only as to the insurance of risks located in jurisdictions where the reinsurance is required by the applicable law or regulation of that jurisdiction. Rule 22.11. Asset or Reduction from Liability for Reinsurance Ceded to an Unauthorized Assuming Insurer not Meeting the Requirements of Rules 22.04 through 22.10.

A. Pursuant to *Miss. Code Ann.* § 83-19-153, the commissioner shall allow a reduction from liability for reinsurance ceded by a domestic insurer to an assuming insurer not meeting the requirements of *Miss. Code Ann*. § 83-19-151 in an amount not exceeding the liabilities carried by the ceding insurer. Such reduction shall be in the amount of funds held by or on behalf of the ceding insurer, including funds held in trust for the exclusive benefit of the ceding insurer, under a reinsurance contract with such assuming insurer as security for the payment of obligations under the reinsurance contract. Such security must be held in the United States subject to withdrawal solely by, and under the exclusive control of, the ceding insurer or, in the case of a trust, held in a qualified United States financial institution as defined in *Miss. Code Ann*. § 83-19-155. This security may be in the form of any of the following:

1. Cash.

2. Securities listed by the Securities Valuation Office of the National Association of Insurance Commissioners, including those deemed exempt from filing as defined by the Purposes and Procedures Manual of the Securities Valuation Office, and qualifying as admitted assets.

3. Clean, irrevocable, unconditional and "evergreen" letters of credit issued or confirmed by a qualified United States institution, as defined in *Miss. Code Ann*. § 83-19-155(a), effective no later than December 31 of the year for which filing is being made, and in the possession of, or in trust for, the ceding company on or before the filing date of its annual statement. Letters of credit meeting applicable standards of issuer acceptability as of the dates of their issuance (or confirmation) shall, notwithstanding the issuing (or confirming) institution's subsequent failure to meet applicable

standards of issuer acceptability, continue to be acceptable as security until their expiration, extension, renewal, modification or amendment, whichever first occurs.

4. Any other form of security acceptable to the Commissioner.

B. An admitted asset or a reduction from liability for reinsurance ceded to an unauthorized assuming insurer pursuant this section shall be allowed only when the requirements of Rule 22.15 and the applicable portions of Rules 22.12, 22.13, or 22.14 of this regulation have been satisfied.

2. The trust agreement shall create a trust account into which assets shall be deposited.

3. All assets in the trust account shall be held by the trustee at the trustee's office in the United States.

    a. The beneficiary shall have the right to withdraw assets from the trust account at any time, without notice to the grantor, subject only to written notice from the beneficiary to the trustee;

    b. No other statement or document is required to be presented in order to withdraw assets, except that the beneficiary may be required to acknowledge receipt of withdrawn assets;

6. The trust agreement shall require the trustee to:

    a. Receive assets and hold all assets in a safe place;

    c. Furnish to the grantor and the beneficiary a statement of all assets in the trust account upon its inception and at intervals no less frequent than the end of each calendar quarter;

    d. Notify the grantor and the beneficiary within ten (10) days, of any deposits to or withdrawals from the trust account;

    e. Upon written demand of the beneficiary, immediately take any and all steps necessary to transfer absolutely and unequivocally all right, title and interest in the assets held in the trust account to the beneficiary and deliver physical custody of the assets to the beneficiary; and

    f. Allow no substitutions or withdrawals of assets from the trust account, except on written instructions from the beneficiary, except that the trustee may, without the consent of but with notice to the beneficiary, upon call or

maturity of any trust asset, withdraw such asset upon condition that the proceeds are paid into the trust account.

7. The trust agreement shall provide that at least thirty (30) days, but not more than forty-five (45) days, prior to termination of the trust account, written notification of termination shall be delivered by the trustee to the beneficiary.

8. The trust agreement shall be made subject to and governed by the laws of the state in which the trust is established.

9. The trust agreement shall prohibit invasion of the trust corpus for the purpose of paying compensation to, or reimbursing the expenses of, the trustee. In order for a letter of credit to qualify as an asset of the trust, the trustee shall have the right and the obligation pursuant to the deed of trust or some other binding agreement (as duly approved by the commissioner), to immediately draw down the full amount of the letter of credit and hold the proceeds in trust for the beneficiaries of the trust if the letter of credit will otherwise expire without being renewed or replaced.

10. The trust agreement shall provide that the trustee shall be liable for its own negligence, willful misconduct or lack of good faith. The failure of the trustee to draw against the letter of credit in circumstances where such draw would be required shall be deemed to be negligence and/or willful misconduct.

11. Notwithstanding other provisions of this regulation, when a trust agreement is established in conjunction with a reinsurance agreement covering risks other than life, annuities and accident and health, where it is customary practice to provide a trust agreement for a specific purpose, the trust agreement may provide that the ceding insurer shall undertake to use and apply amounts drawn upon the trust account, without diminution because of the insolvency of the ceding insurer or the assuming insurer, for the following purposes:

    a. To pay or reimburse the ceding insurer for the assuming insurer's share under the specific reinsurance agreement regarding any losses and allocated loss expenses paid by the ceding insurer, but not recovered from the assuming insurer, or for unearned premiums due to the ceding insurer if not otherwise paid by the assuming insurer;

    b. To make payment to the assuming insurer of any amounts held in the trust account that exceeded 102 percent of the actual amount required to fun the assuming insurer's obligations under the specific reinsurance agreement; or

    c. Where the ceding insurer has received notification of termination of the trust account and where the assuming insurer's entire obligations under the specific reinsurance agreement remain unliquidated and undischarged ten

(10) days prior to the termination date, to withdraw amounts equal to the obligations and deposit those amounts in a separate account, in the name of the ceding insurer in any qualified United States financial institution as defined in *Miss. Code Ann*. § 83-19-155(b) apart from its general assets, in trust for such uses and purposes specified in Subparagraphs (a) and (b) above as may remain executor after such withdrawal and for any period after the termination date.

12. Notwithstanding other provisions of this regulation, when a trust agreement is established to meet the requirements of Rule 22.11 in conjunction with a reinsurance agreement covering life, annuities or accident and health risks, where it is customary to provide a trust agreement for a specific purpose, the trust agreement may provide that the ceding insurer shall undertake to use and apply amounts drawn upon the trust account, without diminution because of the insolvency of the ceding insurer or the assuming insurer, only for the following purposes:

    a. To pay or reimburse the ceding insurer for:

        i. The assuming insurer's share under the specific reinsurance agreement of premiums returned, but not yet recovered from the assuming insurer, to the owners of policies reinsured under the reinsurance agreement on account of cancellations of the policies; and

        ii. The assuming insurer's share under the specific reinsurance agreement of surrenders and benefits or losses paid by the ceding insurer, but not yet recovered from the assuming insurer, under the terms and provisions of the policies reinsured under the reinsurance agreement;

    b. To pay to the assuming insurer amounts held in the trust account in excess of the amount necessary to secure the credit or reduction from liability for reinsurance taken by the ceding insurer; or

    c. Where the ceding insurer has received notification of termination of the trust and where the assuming insurer's entire obligations under the specific reinsurance agreement remain unliquidated and undischarged ten (10) days prior to the termination date, to withdraw amounts equal to the assuming insurer's share of liabilities, to the extent that the liabilities have not yet been funded by the assuming insurer, and deposit those amounts in a separate account, in the name of the ceding insurer in any qualified U.S. financial institution apart from its general assets, in trust for the uses and purposes specified in Subparagraphs (a) and (b) of this paragraph as may remain executory after withdrawal and for any period after the termination date.

13. Either the reinsurance agreement or the trust agreement must stipulate that assets deposited in the trust account shall be valued according to their current fair market value and shall consist only of cash in United States dollars, certificates of deposit issued by a United States bank and payable in United States dollars, and investments permitted by the Insurance Code or any combination of the above, provided investments in or issued by an entity controlling, controlled by or under common control with either the grantor or the beneficiary of the trust shall not exceed five percent (5%) of total investments. The agreement may further specify the types of investments to be deposited. If the reinsurance agreement covers life, annuities or accident and health risks, then the provisions required by this paragraph must be included in the reinsurance agreement.

C. Permitted conditions.

1. The trust agreement may provide that the trustee may resign upon delivery of a written notice of resignation, effective not less than ninety (90) days after the beneficiary and grantor receive the notice and that the trustee may be removed by the grantor by delivery to the trustee and the beneficiary of a written notice of removal, effective not less than ninety (90) days after the trustee and the beneficiary receive the notice, provided that no such resignation or removal shall be effective until a successor trustee has been duly appointed and approved by the beneficiary and the grantor and all assets in the trust have been duly transferred to the new trustee.

2. The grantor may have the full and unqualified right to vote any shares of stock in the trust account and to receive from time to time payments of any dividends or interest upon any shares of stock or obligations included in the trust account. Any such interest or dividends shall be either forwarded promptly upon receipt to the grantor or deposited in a separate account established in the grantor's name.

3. The trustee may be given authority to invest, and accept substitutions of, any funds in the account, provided that no investment or substitution shall be made without prior approval of the beneficiary, unless the trust agreement specifies categories of investments acceptable to the beneficiary and authorizes the trustee to invest funds and to accept substitutions which the trustee determines are at least equal in current fair market value to the assets withdrawn and that are consistent with the restrictions in Subsection (D)(1)(b) of this section.

4. The trust agreement may provide that the beneficiary may at any time designate a party to which all or part of the trust assets are to be transferred. Such transfer may be conditioned upon the trustee receiving, prior to or simultaneously, other specified assets.

5. The trust agreement may provide that, upon termination of the trust account, all assets not previously withdrawn by the beneficiary shall, with written approval by the beneficiary, be delivered over to the grantor.

D. Additional conditions applicable to reinsurance agreements.

1. A reinsurance agreement may contain provisions that:

a. Require the assuming insurer to enter into a trust agreement and to establish a trust account for the benefit of the ceding insurer, and specifying what the agreement is to cover;

b. Require the assuming insurer, prior to depositing assets with the trustee, to execute assignments or endorsements in blank, or to transfer legal title to the trustee of all shares, obligations or any other assets requiring assignments, in order that the ceding insurer, may whenever necessary negotiate these assets without consent or signature from the assuming insurer or any other entity;

c. Require that all settlements of account between the ceding insurer and the assuming insurer be made in cash or its equivalent; and

d. Stipulate that the assuming insurer and ceding insurer agree that the assets in the trust account, established pursuant to the provisions of the reinsurance agreement, may be withdrawn by the ceding insurer at any time, notwithstanding any other provisions in the reinsurance agreement, and shall be utilized and applied by the ceding insurer or its successors in interest by operation of law, including without limitation any liquidator, rehabilitator, receiver or conservator of such company, without diminution because of insolvency on the part of the ceding insurer or the assuming insurer, only for the following purposes:

i. To pay or reimburse the ceding insurer for:

I. The assuming insurer's share under the specific reinsurance agreement of premiums returned, but not yet recovered from the assuming insurer, to the owners of policies reinsured under the reinsurance agreement because of cancellations of such policies;

II. The assuming insurer's share of surrenders and benefits or losses paid by the ceding insurer pursuant to the provisions of the policies reinsured under the reinsurance agreement; and

III. Any other amounts necessary to secure the credit or reduction from liability for reinsurance taken by the ceding insurer;

ii. To make payment to the assuming insurer of amounts held in the trust account in excess of the amount necessary to secure the credit or reduction from liability for reinsurance taken by the ceding insurer.

2. The reinsurance agreement may also contain provisions that:

a. Give the assuming insurer the right to seek approval from the ceding insurer, which shall not be unreasonably or arbitrarily withheld, to withdraw from the trust account all or any part of the trust assets and transfer those assets to the assuming insurer, provided:

i. The assuming insurer shall, at the time of withdrawal, replace the withdrawn assets with other qualified assets having a current fair market value equal to the market value of the assets withdrawn so as to maintain at all times the deposit in the required amount; or,

ii. After withdrawal and transfer, the current fair market value of the trust account is no less than 102 percent of the required amount.

b. Provide for the return of any amount withdrawn in excess of the actual amounts required for Paragraph (1)(d) of this subsection , and for any interest payments at a rate not in excess of the prime rate of interest on such amounts;

c. Permit the award by any arbitration panel or court of competent jurisdiction of:

i. Interest at a rate different from that provided in Subparagraph (b) of this paragraph;

ii. Court of arbitration costs,

iii. Attorney's fees, and

iv. Any other reasonable expenses.

3. Financial reporting. A trust agreement may be used to reduce any liability for reinsurance ceded to an unauthorized assuming insurer in financial statements required to be filed with this department in compliance with the provisions of this regulation when established on or before the date of filing of the financial statement of the ceding insurer. Further, the reduction for the existence of an

acceptable trust account may be up to the current fair market value of acceptable assets available to be withdrawn from the trust account at that time, but such reduction shall be no greater than the specific obligations under the reinsurance agreement that the trust account was established to secure.

4. Existing agreements. Notwithstanding the effective date of this regulation, any trust agreement or underlying reinsurance agreement in existence prior to December 31, 1996, will continue to be acceptable until January 1, 1997, at which time the agreements will have to be in full compliance with this regulation for the trust agreement to be acceptable.

5. The failure of any trust agreement to specifically identify the beneficiary as defined in Subsection A of this section shall not be construed to affect any actions or rights which the commissioner may take or possess pursuant to the provisions of the laws of this state.

Rule 22.13: Letters of Credit Qualified Under Rule 22.11.

A. The letter of credit must be clean, irrevocable and unconditional and issued or confirmed by a qualified United States financial institution as defined in *Miss. Code Ann*. § 83-19-155(a). The letter of credit shall contain an issue date and date of expiration and shall stipulate that the beneficiary need only draw a sight draft under the letter of credit and present it to obtain funds and that no other document need be presented. The letter of credit shall also indicate that it is not subject to any condition or qualifications outside of the letter of credit. In addition, the letter of credit itself shall not contain reference to any other agreements, documents or entities, except as provided in Subsection H(1) of this section. As used in this section, "beneficiary" means the domestic insurer for whose benefit the letter of credit has been established and any successor in interest to the named beneficiary, then the named beneficiary includes and is limited to the court appointed domiciliary receiver (including conservator, rehabilitator or liquidator).

B. The heading of the letter of credit may include a boxed section which contains the name of the applicant and other appropriate notations to provide a reference for the letter of credit. The boxed section shall be clearly marked to indicate that such information is for internal identification purposes only.

C. The letter of credit shall contain a statement to the effect that the obligation of the qualified United States financial institution under the letter of credit is in no way contingent upon reimbursement with respect thereto.

D. The term of the letter of credit shall be for at least one year and shall contain an "evergreen clause" which prevents the expiration of the letter of credit without due notice from the issuer. The "evergreen clause" shall provide for a period of no less than thirty (30) days' notice prior to expire date or nonrenewal.

E. The letter of credit shall state whether it is subject to and governed by the laws of this state or the Uniform Customs and Practice for Documentary Credits of the International Chamber of Commerce Publication 600 (UCP 600) or International Standby Practices of the International Chamber of Commerce Publication 590 (ISP98), or any successor publication, and all drafts drawn thereunder shall be presentable at an office in the United States of a qualified United States financial institution.

F. If the letter of credit is made subject to the Uniform Customs and Practice for Documentary Credits of the International Chamber of Commerce Publication 600 (UCP 600) or International Standby Practices of the International Chamber of Commerce Publication 590 (ISP98), or any successor publication, then the letter of credit shall specifically address and make provision for an extension of time to draw against the letter of credit in the event that one or more of the occurrences specified in Article 36 of Publication 600 or any other successor publication, occur.

G. If the letter of credit is issued by a financial institution authorized to issue letters of credit, other than a qualified United States financial institution as described in Subsection A of this section, then the following additional requirements shall be met:

1. The issuing financial institution shall formally designate the confirming qualified United States financial institution as its agent for the receipt and payment of the drafts; and,

2. The "evergreen clause" shall provide for thirty (30) days' notice prior to expiration date for nonrenewal.

H. Reinsurance agreement provision.

1. The reinsurance agreement in conjunction with which the letter of credit is obtained may contain provisions which:

a. Require the assuming insurer to provide letters of credit to the ceding insurer and specify what they are to cover.

b. Stipulate that the assuming insurer and ceding insurer agree that the letter of credit provided by the assuming insurer pursuant to the provisions of the reinsurance agreement may be drawn upon at any time, notwithstanding any other provisions in the agreement, and shall be utilized by the ceding insurer or its successors in interest only for one or more of the following reasons:

i. To pay or reimburse the ceding insurer for:

I. The assuming insurer's share under the specific reinsurance agreement of premiums returned, but

not yet recovered from the assuming insurers, to the owners of policies reinsured under the reinsurance agreement on account of cancellations of such policies;

II. The assuming insurer's share, under the specific reinsurance agreement, of surrenders and benefits or losses paid by the ceding insurer, but not yet recovered from the assuming insurers, under the terms and provisions of the policies reinsured under the reinsurance agreement; and

III. Any other amounts necessary to secure the credit or reduction from liability for reinsurance taken by the ceding insurer;

ii. Where the letter of credit will expire without renewal or be reduced or replaced by a letter of credit for a reduced amount and where the assuming insurer's entire obligations under the reinsurance agreement remain unliquidated and undischarged ten (10) days prior to the termination date, to withdraw amounts equal to the assuming insurer's share of the liabilities, to the extent that the liabilities have not yet been funded by the assuming insurer and exceed the amount of any reduced or replacement letter of credit, and deposit those amounts in a separate account in the name of the ceding insurer in a qualified U.S. financial institution apart from its general assets, in trust for such uses and purposes specified in Subsection H(1)(b)(i) of this section as may remain after withdrawal and for any period after the termination date.

c. All of the foregoing provisions of Paragraph (1) of this subsection shall be applied without diminution because of insolvency on the part of the ceding insurer or assuming insurer.

2. Nothing contained in Paragraph (1) of this subsection shall preclude the ceding insurer and assuming insurer from providing for:

a. An interest payment, at a rate not in excess of the prime rate of interest, on the amounts held pursuant to Paragraph (1)(b)(III) of this subsection; or

b. The return of any amounts drawn down on the letters of credit in excess of the actual amounts required for the above or any amounts that are subsequently determined not to be due.

Rule 24.06: Appendix A- Summary Document

APPENDIX "A"

NOTICE OF PROTECTION PROVIDED BY
MISSISSIPPI LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This notice provides a brief summary of the Mississippi Life and Health Insurance Guaranty Association (the "Association") and the protection it provides for policyholders. This safety net was created by Mississippi law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity or health insurer becomes financially unable to meet its obligations. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Mississippi law, with funding from assessments paid by other insurance companies. (For purposes of this notice, the terms "insurance company" and "insurer" include health maintenance organizations (HMOs).)

The basic protections provided by the Association are:

Life Insurance
- $300,000 in death benefits
- $100,000 in net cash surrender and net cash withdrawal values

Health Insurance
- $500,000 for health benefit plans (see definition below)
- $300,000 in disability income insurance benefits
- $300,000 in long-term care insurance benefits
- $100,000 in other types of health insurance benefits

Annuities
- $250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values.

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is $300,000. Special rules may apply with regard to health benefit plans.

"Health benefit plan" is defined in Miss. Code Ann. § 83-23-209 and generally includes hospital or medical expense policies, contracts or certificates, or HMO subscriber contracts that provide comprehensive forms of coverage for hospitalization or medical services, but excludes policies

that provide coverages for limited benefits (such as dental-only or vision-only insurance), Medicare Supplement insurance, disability income insurance and long-term care insurance (LTCI).

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Mississippi law.
Benefits provided by a long-term care (LTC) rider to a life insurance policy or annuity contract shall be considered the same type of benefits as the base life insurance policy or annuity contract to which it relates.

To learn more about the above protections, limitations and exclusions, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.mslifega.org, or contact:

Rule 26.05: Small Group Market Requirements

A. Guaranteed Availability of Coverage inthe Small Group Market

At 42 U.S.C. § 300gg-11(a), (c), (d), (e) and (f), HIPAA requires health insurance issuers that offer coverage in the small group market to accept every small employer that applies for coverage, including every eligible individual of the small employer. These provisions also prescribe special rules for network plans, apply certain financial capacity limits and set forth limited exceptions. At 45 C.F.R. § 146.150, HIPAA regulations clarify that health insurance issuers in the small group market generally must offer to each small employer all products that are approved for sale in the small group market and that the issuer is actively marketing, and must accept any small employer that applies for any of those products.     b. A condition for which medical advice, diagnosis, care or treatment was recommended or received during the six (6) months immediately preceding the effective date of coverage.

Unlike Miss. Code Ann. § 83-9-49 (1) (b) (Rev. 1999), there is no provision under HIPAA allowing a health insurance issuer in the small group market to apply a preexisting condition limitation for a condition that would have caused an ordinary prudent person to seek medical advice, diagnosis, care or treatment during the six (6) months immediately preceding the effective date of coverage.

These provisions also require health insurance issuers in the small group market to offer special enrollment rights when a new dependent becomes eligible through marriage, birth or adoption. Rule 28.05: Initial Privacy Notice to Consumers Required

A. Initial notice requirement. A licensee shall provide a clear and conspicuous notice that accurately reflects its privacy policies and practices to:

1. Customer. An individual who becomes the licensee's customer, not later than when the licensee establishes a customer relationship, except as provided in Subsection E of this section; and

2. Consumer. A consumer, before the licensee discloses any nonpublic personal financial information about the consumer to any nonaffiliated third party, if the licensee makes a disclosure other than as authorized by Sections 15 and 16.

B. When initial notice to a consumer is not required. A licensee is not required to provide an initial notice to a consumer under Subsection A(2) of this section if:

1. The licensee does not disclose any nonpublic personal financial information about the consumer to any nonaffiliated third party, other than as authorized by Sections 15 and 16, and the licensee does not have a customer relationship with the consumer; or

2. A notice has been provided by an affiliated licensee, as long as the notice clearly identifies all licensees to whom the notice applies and is accurate with respect to the licensee and the other institutions.

C. When the licensee establishes a customer relationship.

1. General rule. A licensee establishes a customer relationship at the time the licensee and the consumer enter into a continuing relationship.

2. Examples of establishing customer relationship. A licensee establishes a customer relationship when the consumer:

a. Becomes a policyholder of a licensee that is an insurer when the insurer delivers an insurance policy or contract to the consumer, or in the case of a licensee that is an insurance producer or insurance broker, obtains insurance through that licensee; or

b. Agrees to obtain financial, economic or investment advisory services relating to insurance products or services for a fee from the licensee.

D. Existing customers. When an existing customer obtains a new insurance product or service from a licensee that is to be used primarily for personal, family or household purposes, the licensee satisfies the initial notice requirements of Subsection A of this section as follows:

1. The licensee may provide a revised policy notice, under Section 9, that covers the customer's new insurance product or service; or

2. If the initial, revised or annual notice that the licensee most recently provided to that customer was accurate with respect to the new insurance product or service, the licensee does not need to provide a new privacy notice under Subsection A of this section.

E. Exceptions to allow subsequent delivery of notice.

1. A licensee may provide the initial notice required by Subsection A(1) of this section within a reasonable time after the licensee establishes a customer relationship if:

a. Establishing the customer relationship is not at the customer's election; or

b. Providing notice not later than when the licensee establishes a customer relationship would substantially delay the customer's transaction and the customer agrees to receive the notice at a later time.

2. Examples of exceptions.

a. Not at customer's election. Establishing a customer relationship is not at the customer's election if a licensee acquires or is assigned a customer's policy from another financial institution or residual market mechanism and the customer does not have a choice about the licensee's acquisition or assignment.

b. Substantial delay of customer's transaction. Providing notice not later than when a licensee establishes a customer relationship would substantially delay the customer's transaction when the licensee and the individual agree over the telephone to enter into a customer relationship involving prompt delivery of the insurance product or service.

c. No substantial delay of customer's transaction. Providing notice not later than when a licensee establishes a customer relationship would not substantially delay the customer's transaction when the relationship is initiated in person at the licensee's office or through other means by which the customer may view the notice, such as on a web site.

F. Delivery. When a licensee is required to deliver an initial privacy notice by this section, the licensee shall deliver it according to Section 10. If the licensee uses a short-form initial notice for non-customers according to Section 7D, the licensee may deliver its privacy notice according to Section 7D (3).

Rule 28.06: Annual Privacy Notice to Customers Required

A. General rule.

1. A licensee shall provide a clear and conspicuous notice to customers that accurately reflect its privacy policies and practices not less than annually during the continuation of the customer relationship. Annually means at least once in any period of twelve (12) consecutive months during which that relationship exists. A licensee may define twelve-consecutive month period, but the licensee shall apply it to the customer on a consistent basis.

2. Example. A licensee provides a notice annually if it defines the twelve-consecutive-month period as a calendar year and provides the annual notice to the customer once in each calendar year following the calendar year in which the licensee provided the initial notice. For example, if a customer opens an account on any day of year 1, the licensee shall provide an annual notice to that customer by December 31 of year 2.

B. Termination of customer relationship.

1. A licensee is not required to provide an annual notice to a former customer. A former customer is an individual with whom a licensee no longer has a continuing relationship.

2. Examples.

a. A licensee no longer has a continuing relationship with an individual if the individual no longer is a current policyholder of an insurance product or no longer obtains insurance services with or through the licensee.

b. A licensee no longer has a continuing relationship with an individual if the individual's policy is lapsed, expired or otherwise inactive or dormant under the licensee's business practices, and the licensee has not communicated with the customer about the relationship for a period of twelve (12) consecutive months, other than to provide annual privacy notices, material required by law or regulation, or promotional materials.

c. For the purposes of this regulation, a licensee no longer has a continuing relationship with an individual if the individual's last known address according to the licensee's records is deemed invalid. An address of record is deemed invalid if mail sent to that address by the licensee has been returned by the postal authorities as undeliverable and if subsequent attempts by the licensee to obtain a current valid address for the individual have been unsuccessful.

d. A licensee no longer has a continuing relationship with a customer in the case of providing real estate settlement services, at the time the customer completes execution of all documents related to the real estate closing, payment for those services has been received, or the licensee has completed all of its responsibilities with respect to the settlement, including filing documents on the public record, whichever is later.

C. Delivery. When a licensee is required by this section to deliver an annual privacy notice, the licensee shall deliver it according to Section 10.

D. Exemptions. A licensee shall not be required to deliver an annual privacy notice if the licensee:

1. Qualifies for exceptions under 15 U.S.C. § 6802(b)(2) or 15 U.S.C § 6802 (e) or Mississippi Insurance Department regulations prescribed under 15 U.S.C. § 6804(b), and

2. Has not changed its policies and practices with regard to disclosing nonpublic personal information since its most recent disclosure.

Rule 28.07: Information to be Included in Privacy Notices

A. General rule. The initial, annual and revised privacy notices that a licensee provides under Sections 5, 6 and 9 shall include each of the following items of information, in addition to any other information the licensee wishes to provide, that applies to the licensee and to the consumers to whom the licensee sends its privacy notice:

1. The categories of nonpublic personal financial information that the licensee collects;

2. The categories of nonpublic personal financial information that the licensee discloses;

3. The categories of affiliates and nonaffiliated third parties to whom the licensee discloses nonpublic personal financial information, other than those parties to whom the licensee discloses information under Sections 15 and 16;

4. The categories of nonpublic personal financial information about the licensee's former customers that the licensee discloses and the categories of affiliates and nonaffiliated third parties to whom the licensee discloses nonpublic personal financial information about the licensee's former customers, other than those parties to whom the licensee discloses information under Sections 15 and 16;

5. If a licensee discloses nonpublic personal financial information to a nonaffiliated third party under Section 14 (and no other exception in Sections 15 and 16 applies to that disclosure), a separate description of the categories of information the licensee discloses and the categories of third parties with whom the licensee has contracted;

6. An explanation of the consumer's right under Section 11A to opt out of the disclosure of nonpublic personal financial information to nonaffiliated third parties, including the methods by which the consumer may exercise that right at that time;

7. Any disclosures that the licensee makes under Section 603(d)(2)(A)(iii) of the federal Fair Credit Reporting Act (15 U.S.C. 1681a(d)(2)(A)(iii) (that is, notices regarding the ability to opt out of disclosures of information among affiliates);

8. The licensee's policies and practices with respect to protecting the confidentiality and security of nonpublic personal information; and

9. Any disclosure that the licensee makes under Subsection B of this section.

B. Description of parties subject to exceptions. If a licensee discloses nonpublic personal financial information as authorized under Sections 15 and 16, the licensee is not required to list those exceptions in the initial or annual privacy notices required by Sections 5 and 6. When describing the categories of parties to whom disclosure is made, the licensee is required to state only that it makes disclosures to other affiliated or nonaffiliated third parties, as applicable, as permitted by law.

C. Examples.

1. Categories of nonpublic personal financial information that the licensee collects. A licensee satisfies the requirement to categorize the nonpublic personal financial information it collects if the licensee categorizes it according to the source of the information, as applicable:

a. Information from the consumer;

b. Information about the consumer's transactions with the licensee or its affiliates;

c. Information about the consumer's transactions with nonaffiliated third parties; and

d. Information from a consumer reporting agency.

2. Categories of nonpublic personal financial information a licensee discloses.

a. A licensee satisfies the requirement to categorize nonpublic personal financial information it discloses if the licensee categorizes the information according to source, as described in Paragraph (1), as applicable, and provides a few examples to illustrate the types of information in each category. These might include:

i. Information from the consumer, including application information, such as assets and income and identifying information, such as name, address and social security number;

ii. Transaction information, such as information about balances, payment history and parties to the transaction; and

iii. Information from consumer reports, such as a consumer's creditworthiness and credit history.

b. A licensee does not adequately categorize the information that it discloses if the licensee uses only general terms, such as transaction information about the consumer.

c. If a licensee reserves the right to disclose all of the nonpublic personal financial information about consumers that it collects, the licensee may simply state that fact without describing the categories or examples of nonpublic personal information that the licensee discloses.

3. Categories of affiliates and nonaffiliated third parties to whom the licensee discloses.

a. A licensee satisfies the requirement to categorize the affiliates and nonaffiliated third parties to which the licensee discloses nonpublic personal financial information about consumers if the licensee identifies the types of businesses in which they engage.

b. Types of businesses may be described by general terms only if the licensee uses a few illustrative examples of significant lines of business. For example, a licensee may use the term financial products or services if it includes appropriate examples of significant lines of businesses, such as life insurer, automobile insurer, consumer banking or securities brokerage.

c. A licensee also may categorize the affiliates and nonaffiliated third parties to which it discloses nonpublic personal financial information about consumers using more detailed categories.

4. Disclosures under exception for service providers and joint marketers. If a licensee discloses nonpublic personal financial information under the exception in Section 14 to a nonaffiliated third party to market products or services that it offers alone or jointly with another financial institution, the licensee satisfies the disclosure requirement of Subsection A(5) of this section if it:

a. Lists the categories of nonpublic personal financial information it discloses, using the same categories and examples the licensee used to meet the requirements of Subsection A(2) of this section, as applicable; and

b. States whether the third party is:

i. A service provider that performs marketing services on the licensee's behalf or on behalf of the licensee and another financial institution; or

ii. A financial institution with which the licensee has a joint marketing agreement.

5. Simplified notices. If a licensee does not disclose, and does not wish to reserve the right to disclose, nonpublic personal financial information about customers or former customers to affiliates or nonaffiliated third parties except as authorized under Sections 15 and 16, the licensee may simply state that fact, in addition to the information it shall provide under Subsections A(1), A(8), A(9) and Subsection B of this section.

6. Confidentiality and security. A licensee describes its policies and practices with respect to protecting the confidentiality and security of nonpublic personal financial information if it does both of the following:

a. Describes in general terms who is authorized to have access to the information; and

b. States whether the licensee has security practices and procedures in place to ensure the confidentiality of the information in accordance with the licensee's policy. The licensee is not required to describe technical information about the safeguards it uses.

D. Short-form initial notice with opt out notice for non-customers.

1. A licensee may satisfy the initial notice requirements in Sections 5A (2) and 8C for a consumer who is not a customer by providing a short-form initial notice at the same time as the licensee delivers an opt out notice as required in Section 8.

2. A short-form initial notice shall:

a. Be clear and conspicuous;

b. State that the licensee's privacy notice is available upon request; and

c. Explain a reasonable means by which the consumer may obtain that notice.

3. The licensee shall deliver its short form initial notice according to Section 10. The licensee is not required to deliver its privacy notice with its short form initial notice. The licensee instead may simply provide the consumer a reasonable means to obtain its privacy notice. If a consumer who receives the licensee's short

form notice requests the licensee's privacy notice, the licensee shall deliver its privacy notice according to Section 10.

4. Examples of obtaining privacy notice. The licensee provides a reasonable means by which a consumer may obtain a copy of its privacy notice if the licensee:

    a. Provides a toll free telephone number that the consumer may call to request the notice; or

    b. For a consumer who conducts business in person at the licensee's office, maintains copies of the notice on hand that the licensee provides to the consumer immediately upon request.

E. Future disclosures. The licensee's notice may include:

1. Categories of nonpublic personal financial information that the licensee reserves the right to disclose in the future, but does not currently disclose; and

2. Categories of affiliates or nonaffiliated third parties to whom the licensee reserves the right in the future to disclose, but to whom the licensee does not currently disclose, nonpublic personal financial information.

F. Sample clauses. Sample clauses illustrating some of the notice content required by this section are included in Appendix A of this regulation.

Rule 28.08: Form of Opt Out Notice to Consumers and Opt Out Methods

A. Form of Opt out notice.

1. If a licensee is required to provide an opt-out notice under Section 11A, it shall provide a clear and conspicuous notice to each of its consumers that accurately explains the right to opt out under that section. The notice shall state:

    a. That the licensee discloses or reserves the right to disclose nonpublic personal financial information about its consumer to a nonaffiliated third party;

    b. That the consumer has the right to opt out of that disclosure; and

    c. A reasonable means by which the consumer may exercise the opt-out right.

2. Examples.

a. Adequate opt out notice. A licensee provides adequate notice that the consumer can opt out of the disclosure of nonpublic personal financial information to a nonaffiliated third party if the licensee:

   i. Identifies all of the categories of nonpublic personal financial information that it discloses or reserves the right to disclose, and all of the categories of nonaffiliated third parties to which the licensee discloses the information, as described in Section 7A(2) and (3), and states that the consumer can opt out of the disclosure of that information; and

   ii. Identifies the insurance products or services that the consumer obtains from the licensee, either singly or jointly, to which the opt-out direction would apply.

b. Reasonable opt out means. A licensee provides a reasonable means to exercise an opt out right if it:

   i. Designates check-off boxes in a prominent position on the relevant forms with the opt out notice;

   ii. Includes a reply form together with the opt out notice;

   iii. Provides an electronic means to opt out, such as a form that can be sent via electronic mail or a process at the licensee's web site, if the consumer agrees to the electronic delivery of information; or

   iv. Provides a toll-free telephone number that consumers may call to opt out.

c. Unreasonable opt out means. A licensee does not provide a reasonable means of opting out if:

   i. The only means of opting out is for the consumer to write his or her own letter to exercise that opt out right; or

   ii. The only means of opting out as described in any notice subsequent to the initial notice is to use a check-off box that the licensee provided with the initial notice but did not include with the subsequent notice.

d. Specific opt out means. A licensee may require each consumer to opt out through a specific means, as long as that means is reasonable for that consumer.

B. Same form as initial notice permitted. A licensee may provide the opt out notice together with or on the same written or electronic form as the initial notice the licensee provides in accordance with Section 5.

C. Initial notice required when opt-out notice delivered subsequent to initial notice. If a licensee provides the opt out notice later than required for the initial notice in accordance with Section 5, the licensee shall also include a copy of the initial notice with the opt out notice in writing or, if the consumer agrees, electronically.

D. Joint relationships.

1. If two (2) or more consumers jointly obtain an insurance product or service from a licensee, the licensee may provide a single opt out notice. The licensee's opt out notice shall explain how the licensee will treat an opt-out direction by a joint consumer (as explained in Paragraph (5) of this subsection).

2. Any of the joint consumers may exercise the right to opt out. The licensee may either:

    a. Treat an opt out direction by a joint consumer as applying to all of the associated joint consumers; or

    b. Permit each joint consumer to opt out separately.

3. If a licensee permits each joint consumer to opt out separately, the licensee shall permit one of the joint consumers to opt out on behalf of all of the joint consumers.

4. A licensee may not require all joint consumers to opt out before it implements any opt out direction.

5. Example. If John and Mary are both named policyholders on a homeowner's insurance policy issued by a licensee and the licensee sends policy statements to John's address, the licensee may do any of the following, but it shall explain in its opt out notice which opt out policy the licensee will follow:

    a. Send a single opt out notice to John's address, but the licensee shall accept an opt-out direction from either John or Mary.

    b. Treat an opt-out direction by either John or Mary as applying to the entire policy. If the licensee does so and John opts out, the licensee may not require Mary to opt out as well before implementing John's opt out direction.

    c. Permit John and Mary to make different opt out directions. If the licensee does so:

i. It shall permit John and Mary to opt out for each other.

ii. If both opt out, the licensee shall permit both of them to notify it in a single response (such as on a form or through a telephone call); and

iii. If John opts out and Mary does not, the licensee may only disclose nonpublic personal financial information about Mary, but not about John and not about John and Mary jointly.

E. Time to comply with opt out. A licensee shall comply with a consumer's opt out direction as soon as reasonably practicable after the licensee receives it.

F. Continuing right to opt out. A consumer may exercise the right to opt out at any time.

G. Duration of consumer's opt-out direction.

1. A consumer's direction to opt out under this section is effective until the consumer revokes it in writing or, if the consumer agrees, electronically.

2. When a customer relationship terminates, the customer's opt out direction continues to apply to the nonpublic personal financial information that the licensee collected during or related to that relationship. If the individual subsequently establishes a new customer relationship with the licensee, the opt-out direction that applied to the former relationship does not apply to the new relationship.

H. Delivery. When a licensee is required to deliver an opt out notice by this section, the licensee shall deliver it according to Section 10.

Rule 28.09: Revised Privacy Notices

A. General rule. Except as otherwise authorized in this regulation, a licensee shall not, directly or through an affiliate, disclose any nonpublic personal financial information about a consumer to a nonaffiliated third party other than as described in the initial notice that the licensee provided to that consumer under Section 5, unless:

1. The licensee has provided to the consumer a clear and conspicuous revised notice that accurately describes its policies and practices;

2. The licensee has provided to the consumer a new opt out notice;

3. The licensee has given the consumer a reasonable opportunity, before the licensee discloses the information to the nonaffiliated third party, to opt out of the disclosure; and

4. The consumer does not opt out.

B. Examples.

1. Except as otherwise permitted by Sections 14, 15 and 16, a licensee shall provide a revised notice before it:

a. Discloses a new category of nonpublic personal financial information to any nonaffiliated third party;

b. Discloses nonpublic personal financial information to a new category of nonaffiliated third party; or

c. Discloses nonpublic personal financial information about a former customer to a nonaffiliated third party, if that former customer has not had the opportunity to exercise an opt out right regarding that disclosure.

2. A revised notice is not required if the licensee discloses nonpublic personal financial information to a new nonaffiliated third party that the licensee adequately described in its prior notice.

C. Delivery. When a licensee is required to deliver a revised privacy notice by this section, the licensee shall deliver it according to Section 10.

Rule 28.10: Delivery

A. How to provide notices. A licensee shall provide any notices that this regulation requires so that each consumer can reasonably be expected to receive actual notice in writing or, if the consumer agrees, electronically.

B. Examples of reasonable expectation of actual notice.

1. A licensee may reasonably expect that a consumer will receive actual notice if the licensee:

a. Hand delivers a printed copy of the notice to the consumer;

b. Mails a printed copy of the notice to the last known address of the consumer separately, or in a policy, billing or other written communication;

c. For a consumer who conducts transactions electronically, posts the notice on the electronic site and requires the consumer to acknowledge receipt of the notice as a necessary step to obtaining a particular insurance product or service; or

d. For an isolated transaction with a consumer, such as the licensee providing an insurance quote or selling the consumer travel insurance, posts the notice and requires the consumer to acknowledge receipt of the notice as a necessary step to obtaining the particular insurance product or service.

2. Examples of unreasonable expectation of actual notice. A licensee may not, however, reasonably expect that a consumer will receive actual notice of its privacy policies and practices if it:

a. Only posts a sign in its office or generally publishes advertisements of its privacy policies and practices; or

b. Sends the notice via electronic mail to a consumer who does not obtain an insurance product or service from the licensee electronically.

C. Annual notices only. A licensee may reasonably expect that a customer will receive actual notice of the licensee's annual privacy notice if:

1. The customer uses the licensee's web site to access insurance products and services electronically and agrees to receive notices at the web site and the licensee posts its current privacy notice continuously in a clear and conspicuous manner on the web site; or

2. The customer has requested that the licensee refrain from sending any information regarding the customer relationship, and the licensee's current privacy notice remains available to the customer upon request.

D. Oral description of notice insufficient. A licensee may not provide any notice required by this regulation solely by orally explaining the notice, either in person or over the telephone.

E. Retention or accessibility of notices for customers.

1. For customers only, a licensee shall provide the initial notice required by Section 5A(1), the annual notice required by Section 6A, and the revised notice required by Section 9 so that the customer can retain them or obtain them later in writing or, if the customer agrees, electronically.

2. Examples of retention or accessibility. A licensee provides a privacy notice to the customer so that the customer can retain it or obtain it later if the licensee:

a. Hand delivers a printed copy of the notice to the customer;

b. Mails a printed copy of the notice to the last known address of the customer; or

c. Makes its current privacy notice available on a web site (or a link to another web site) for the customer who obtains an insurance product or service electronically and agrees to receive the notice at the web site.

F. Joint notice with other financial institutions. A licensee may provide a joint notice from the licensee and one or more of its affiliates or other financial institutions, as identified in the notice, as long as the notice is accurate with respect to the licensee and the other institutions. A licensee also may provide a notice on behalf of another financial institution.

G. Joint relationships. If two (2) or more consumers jointly obtain an insurance product or service from a licensee, the licensee may satisfy the initial, annual and revised notice requirements of Sections 5A, 6A and 9A, respectively, by providing one notice to those consumers jointly.

Rule 28.11: Limitation on Disclosure of Nonpublic Personal Financial Information to Non-affiliated Third Parties

A. Conditions for disclosure.

1. Except as otherwise authorized in this regulation, a licensee may not, directly or through any affiliate, disclose any nonpublic personal financial information about a consumer to a nonaffiliated third party unless:

a. The licensee has provided to the consumer an initial notice as required under Section 5;

b. The licensee has provided to the consumer an opt out notice as required in Section 8;

c. The licensee has given the consumer a reasonable opportunity, before it discloses the information to the nonaffiliated third party, to opt out of the disclosure; and

d. The consumer does not opt out.

2. Opt out definition: Opt out means a direction by the consumer that the licensees not disclose nonpublic personal financial information about that consumer to a nonaffiliated third party, other than as permitted by Sections 14, 15 and 16.

3. Examples of reasonable opportunity to opt out. A licensee provides a consumer with a reasonable opportunity to opt out if:

    a. By mail. The licensee mails the notices required in Paragraph (1) of this subsection to the consumer and allows the consumer to opt out by mailing a form, calling a toll-free telephone number or any other reasonable means within thirty (30) days from the date the licensee mailed the notices.

    b. By electronic means. A customer opens an on-line account with a licensee and agrees to receive the notices required in Paragraph (1) of this subsection electronically, and the licensee allows the customer to opt out by any reasonable means within thirty (30) days after the date that the customer acknowledges receipt of the notices in conjunction with opening the account.

    c. Isolated transaction with consumer. For an isolated transaction such as providing the consumer with an insurance quote, a licensee provides the consumer with a reasonable opportunity to opt out if the licensee provides the notices required in Paragraph (1) of this subsection at the time of the transaction and requests that the consumer decide, as a necessary part of the transaction, whether to opt out before completing the transaction.

B. Application of opt out to all consumers and all nonpublic personal financial information.

1. A licensee shall comply with this section, regardless of whether the licensee and the consumer have established a customer relationship.

2. Unless a licensee complies with this section, the licensee may not, directly or through any affiliate, disclose any nonpublic personal financial information about a consumer that the licensee has collected, regardless of whether the licensee collected it before or after receiving the direction to opt out from the consumer.

C. Partial opt out. A licensee may allow a consumer to select certain nonpublic personal financial information or certain nonaffiliated third parties with respect to which the consumer wishes to opt out.

Rule 28.12: Limits on Redisclosure and Reuse of Nonpublic Personal Financial Information

A. Information the licensee receives under an exception.

1. If a licensee receives nonpublic personal financial information from a nonaffiliated financial institution under an exception in Sections 15 or 16 of this regulation, the licensee's disclosure and use of that information is limited as follows:

    a. Licensee may disclose the information to the affiliates of the financial institution from which the licensee received the information;

    b. The licensee may disclose the information to its affiliates, but the licensee's affiliates may, in turn, disclose and use the information only to the extent that the licensee may disclose and use the information; and

    c. The licensee may disclose and use the information pursuant to an exception in Sections 15 or 16 of this regulation, in the ordinary course of business to carry out the activity covered by the exception under which the licensee received the information.

2. Example. If a licensee receives information from a nonaffiliated financial institution for claims settlement purposes, the licensee may disclose the information for fraud prevention, or in response to a properly authorized subpoena. The licensee may not disclose that information to a third party for marketing purposes or use that information for its own marketing purposes.

B. Information a licensee receives outside of an exception.

1. If a licensee receives nonpublic personal financial information from a nonaffiliated financial institution other than under an exception in Sections 15 or 16 of this regulation, the licensee may disclose the information only:

    a. To the affiliates of the financial institution from which the licensee received the information;

    b. To its affiliates, but its affiliates may, in turn, disclose the information only to the extent that the licensee may disclose the information; and

    c. To any other person, if the disclosure would be lawful if made directly to that person by the financial institution from which the licensee received the information.

2. Example: If a licensee obtains a customer list from a nonaffiliated financial institution outside of the exceptions in Sections 15 or 16:

    a. The licensee may use that list for its own purposes; and

    b. The licensee may disclose that list to another nonaffiliated third party only if the financial institution from which the licensee purchased the list

could have lawfully disclosed the list to that third party. That is, the licensee may disclose the list in accordance with the privacy policy of the financial institution from which the licensee received the list, as limited by the opt out direction of each consumer whose nonpublic personal financial information the licensee intends to disclose, and the licensee may disclose the list in accordance with an exception in Sections 15 or 16, such as to the licensee's attorneys or accountants.

C. Information a licensee discloses under an exception. If a licensee discloses nonpublic personal financial information to a nonaffiliated third party under an exception in Sections 15 or 16 of this regulation, the third party may disclose and use that information only as follows:

1. The third party may disclose the information to the licensee's affiliates;

2. The third party may disclose the information to its affiliates, but its affiliates may, in turn, disclose and use the information only to the extent that the third party may disclose and use the information; and

3. The third party may disclose and use the information pursuant to an exception in Sections 15 or 16 in the ordinary course of business to carry out the activity covered by the exception under which it received the information.

D. Information a licensee discloses outside of an exception. If a licensee discloses nonpublic personal financial information to a nonaffiliated third party other than under an exception in Sections 15 or 16 of this regulation, the third party may disclose the information only:

1. To the licensee's affiliates;

2. To the third party's affiliates, but the third party's affiliates, in turn, may disclose the information only to the extent the third party can disclose the information; and

3. To any other person, if the disclosure would be lawful if the licensee made it directly to that person.

Rule 28.13: Limits on Sharing Account Number Information for Marketing Purposes

A. General prohibition on disclosure of account numbers. A licensee shall not, directly or through an affiliate, disclose, other than to a consumer reporting agency, a policy number or similar form of access number or access code for a consumer's policy or transaction account to any nonaffiliated third party for use in telemarketing, direct mail marketing or other marketing through electronic mail to the consumer.

B. Exceptions. Subsection A of this section does not apply if a licensee discloses a policy number or similar form of access number or access code:

1. To the licensee's service provider solely in order to perform marketing for the licensee's own products or services, as long as the service provider is not authorized to directly initiate charges to the account;

2. To a licensee who is a producer solely in order to perform marketing for the licensee's own products or services; or

3. To a participant in an affinity or similar program where the participants in the program are identified to the customer when the customer enters into the program.

C. Examples.

1. Policy number. A policy number, or similar form of access number or access code, does not include a number or code in an encrypted form, as long as the licensee does not provide the recipient with a means to decode the number or code.

2. Policy or transaction account. For the purposes of this section, a policy or transaction account is an account other than a deposit account or a credit card account. A policy or transaction account does not include an account to which third parties cannot initiate charges.

Rule 28.14: Exception to Opt Out Requirements for Disclosure of Nonpublic Personal Financial Information for Service Providers and Joint Marketing

A. General rule.

1. The opt out requirements in Sections 8 and 11 do not apply when a licensee provides nonpublic personal financial information to a nonaffiliated third party to perform services for the licensee or functions on the licensee's behalf, if the licensee:

a. Provides the initial notice in accordance with Section 5; and

b. Enters into a contractual agreement with the third party that prohibits the third party from disclosing or using the information other than to carry out the purposes for which the licensee disclosed the information, including use under an exception in Sections 15 or 16 in the ordinary course of business to carry out those purposes.

2. Example. If a licensee discloses nonpublic personal financial information under this section to a financial institution with which the licensee performs joint

marketing, the licensee's contractual agreement with that institution meets the requirements of Paragraph (1)(b) of this subsection if it prohibits the institution from disclosing or using the nonpublic personal financial information except as necessary to carry out the joint marketing or under an exception in Sections 15 or 16 in the ordinary course of business to carry out that joint marketing.

B. Service may include joint marketing. The services a nonaffiliated third party performs for a licensee under Subsection A of this section may include marketing of the licensee's own products or services or marketing of financial products or services offered pursuant to joint agreements between the licensee and one or more financial institutions.

C. Definition of "joint agreement". For purposes of this section, "joint agreement" means a written contract pursuant to which a licensee and one or more financial institutions jointly offer, endorse or sponsor a financial product or service.

A. Exceptions for processing transactions at consumer's request. The requirements for initial notice in Section 5A(2), the opt out in Sections 8 and 11, and service providers and joint marketing in Section 14 do not apply if the licensee discloses nonpublic personal financial information as necessary to effect, administer or enforce a transaction that a consumer requests or authorizes, or in connection with:

1. Servicing or processing an insurance product or service that a consumer requests or authorizes;

2. Maintaining or servicing the consumer's account with a licensee, or with another entity as part of a private label credit card program or other extension of credit on behalf of such entity;

3. A proposed or actual securitization, secondary market sale (including sales of servicing rights) or similar transaction related to a transaction of the consumer; or

4. Reinsurance or stop loss or excess loss insurance.

B. "Necessary to effect, administer or enforce a transaction" means that the disclosure is:

1. Required, or is one of the lawful or appropriate methods, to enforce the licensee's rights or the rights of other persons engaged in carrying out the financial transaction or providing the product or service; or

2. Required, or is a usual, appropriate or acceptable method:

a. To carry out the transaction or the product or service business of which the transaction is a part, and record, service or maintain the consumer's account in the ordinary course of providing the insurance product or service;

b. To administer or service benefits or claims relating to the transaction or the product or service business of which it is a part;

c. To provide a confirmation, statement or other record of the transaction, or information on the status or value of the insurance product or service to the consumer or the consumer's agent or broker;

d. To accrue or recognize incentives or bonuses associated with the transaction that are provided by the licensee or any other party;

e. To underwrite insurance at the consumer's request or for any of the following purposes as they relate to a consumer's insurance: account administration, reporting, investigating or preventing fraud or material misrepresentation, processing premium payments, processing insurance claims, administering insurance benefits (including utilization review activities), participating in research projects or as otherwise required or specifically permitted by federal or state law; or

f. In connection with:

    i. The authorization, settlement, billing, processing, clearing, transferring, reconciling or collection of amounts charged, debited or otherwise paid using a debit, credit or other payment card, check or account number, or by other payment means;

    ii. The transfer of receivables, accounts or interests therein; or

A. Exceptions to opt out requirements. The requirements for initial notice to consumers in Section 5A(2), the opt out in Sections 8 and 11, and service providers and joint marketing in Section 14 do not apply when a licensee discloses nonpublic personal financial information:

1. With the consent or at the direction of the consumer, provided that the consumer has not revoked the consent or direction;

2. To protect:

    a. the confidentiality or security of a licensee's records pertaining to the consumer, service, product or transaction;

5. Consumer reports:

    a. To a consumer reporting agency in accordance with the federal Fair Credit Reporting Act (15 U.S.C. 1681 et seq.); or

    b. From a consumer report reported by a consumer reporting agency;

6. In connection with a proposed or actual sale, merger, transfer or exchange of all or a portion of a business or operating unit if the disclosure of nonpublic personal financial information concerns solely consumers of the business or unit;

7. That is:

Part 1 Chapter 32: **(**2005-2) Special Mediation Program for Personal Lines Residential Insurance Claims Resulting from Hurricane Katrina.

Rule 32.01: Authority

The 2005 Hurricane season has been extremely destructive for Mississippi. Extensive and devastating damage was caused by Hurricane Katrina, which hit the Mississippi Gulf Coast on August 29, 2005, as a category 4 hurricane. Hurricane Katrina continued northward, blanketing the State and causing widespread major damage to homes, loss of personal belongings and corresponding loss of employment.

In response in part to the devastation of Hurricane Katrina, Senate Bill 2381, 2006 Regular Legislative Session, was passed by the Mississippi Legislature, signed by Governor Barbour on March 1, 2006, and made effective that date. Pursuant to Senate Bill 2381, the Commissioner of Insurance has the authority to establish a non-adversarial alternative dispute resolution procedure for the handling of personal lines residential insurance claims.

This Regulation is promulgated by the Commissioner of Insurance pursuant to the authority granted to him by Miss. Code Ann. §§ 83-5-1; 83-5-29 through 83-5-51; and 83-17-1 through 83-17-89 (Rev. 2001), Senate Bill 2381, 2006 Regular Legislative Session; as well as the provisions of Mississippi Department of Insurance Regulation No. 88-101, said regulation being the Rules of Practice and Procedure before the Mississippi Insurance Department.

Rule 32.02: Purpose and Scope

This regulation establishes a special mediation program for personal lines residential insurance claims resulting from Hurricane Katrina. It creates procedures for notice of the right to mediation, request for mediation, assignment of mediators, payment for mediation, and the conduct of mediation proceedings.

Before resorting to these procedures, insureds and insurers are encouraged to resolve claims as quickly and fairly as possible. The procedures established by this regulation are available to all first party claimants prior to commencing either litigation or the appraisal process, who have personal lines claims resulting from damage to residential property in Mississippi caused by Hurricane Katrina. Insureds that have elected to commence the appraisal process under their policies must first complete that process prior to being eligible to request the mediation procedures established hereunder. This regulation does not apply to commercial insurance (including forced-placed lender protection programs), private passenger motor vehicle insurance or to liability coverage contained in property insurance policies.

The mediation procedures established under this regulation shall not be available to the insured where the underlying issue is whether the policy was canceled, non-renewed or lapsed prior to the loss resulting from Hurricane Katrina. Insureds may submit these issues to the Consumer Assistance Division of the Department for review.

Rule 32.06: Scheduling of Mediation

The Administrator will select a mediator and the Administrator will schedule the mediation conference. The Administrator will attempt to facilitate reduced travel and expense to the parties and the mediator when selecting a mediator and scheduling the mediation conference. The Administrator shall confer with the mediator and all parties prior to scheduling a mediation conference. The conference shall be scheduled within 20 days from the date the Administrator received the request. The Administrator shall notify each party in writing of the date, time and place of the mediation conference at least 10 days prior to the date of the conference and concurrently send a copy of the notice to the Department. Source: M*iss. Code Ann.* §83-1-47 (Rev. 2011)

Rule 32.07: Mediation Conference

A. The representative of the insurer attending the conference must bring a copy of the policy and the entire claims file to the conference. Disclosure of material from the claims file is within the discretion of the mediator, and the mediator shall avoid production of privileged materials. The representative of the insurer attending the conference must know the facts and circumstances of the claim and be knowledgeable of the provisions of

the policy. An insurer will be deemed to have failed to appear if the insurer's representative lacks authority to settle the full amount of the claim or lacks the ability to disburse the settlement amount at the conclusion of the conference.

B. A party may move to disqualify a mediator for good cause at any time. The request shall be directed to the Administrator if the grounds are known prior to the mediation conference. Good cause consists of conflict of interest between a party and the mediator, inability of the mediator to handle the conference competently, or other reasons that would reasonably be expected to impair the conference.

C. The insurer shall pay the costs of the mediation. Within 5 days of the insurer's receipt of the request for mediation, the insurer shall pay a non-refundable administrative fee in the amount of $100.00 to the Administrator, which shall be used to defer the expenses of the Administrator. The insurer shall also pay $250.00 to the Administrator for the mediator's fee not later than 5 days prior to the date scheduled for the mediation conference. However, if the mediation is cancelled for any reason more than 120 hours prior to the scheduled mediation time and date, the insurer shall pay $50.00 to the Administrator for the mediator's fee instead of $250.00. No part of the fee for the mediator shall be refunded to the insurer if the conference is cancelled within 120 hoursof the scheduled time.

D. If the insured fails to appear, without good cause as determined by the Administrator, the insured may have the conference rescheduled only upon the insured's payment of the mediation fees for the rescheduled conference. If the insurer fails to appear at the conference, without good cause as determined by the Administrator, the insurer shall pay the insured's actual expenses incurred in attending the conference and shall pay the mediator's fee whether or not good cause exists. Failure of a party to arrive at the mediation conference within 30 minutes of the conference's starting time shall be considered a failure to appear. Good cause shall consist of severe illness, injury, or other emergency which could not be controlled by the insured or the insurer and, with respect to an insurer, could not reasonably be remedied prior to the conference by providing a replacement representative or otherwise. If an insurer fails to appear at conferences with such frequency as to evidence a general business practice of failure to appear, the insurer shall be subject to penalties under Miss. Code Ann. § 83-5-29 et seq. and other applicablelaw.

E. The Department reserves the right to have a representative present at any mediation conference conducted pursuant to this regulation.

F. The mediator will be in charge of the mediation conference and will establish and describe the procedures to be followed. Each party will be given an opportunity to present their side of the controversy. In so doing, parties may utilize any relevant documents and may bring any individuals with knowledge of the issues, such as adjustors, appraisers, or contractors, to address the mediator. The mediator may meet with the parties separately, encourage meaningful communications and negotiations, and otherwise assist the parties to arrive at a settlement. The parties may be represented by

counsel at the mediation conference. A party who will be represented by counsel at the mediation conference must notify the Administrator at least 10 days prior to the date scheduled for the mediation conference. All statements made and documents reviewed at a mediation conference shall be deemed settlement negotiations in anticipation of litigation.

G. Both parties must negotiate in good faith at the mediation conference. A party will be determined to have not negotiated in good faith if the party or a person participating on the party's behalf, continuously disrupts, becomes unduly argumentative or adversarial, or otherwise inhibits the negotiations as determined by the mediator. The mediator shall terminate the conference if the mediator determines that either party is not negotiating in good faith.

Rule 32.08: Post Mediation

A. Within 5 days of the conclusion of the mediation conference the mediator shall file with the Department and the Administrator a mediator's status report indicating whether or not the parties reached a settlement. If the parties reached a settlement, the mediator shall include a copy of the settlement agreement with the status report.

B. Mediation is non-binding. However, if a settlement is reached, the insured shall have 3 business days within which he or she may rescind any settlement agreement provided that the insured has not cashed or deposited any check or draft disbursed to him or her for the disputed matters as a result of the mediation conference. If a settlement agreement is reached and is not rescinded, it shall act as a release of all specific claims that were presented and actually settled. However, the release shall not constitute a final waiver of rights of the insured with respect to claims for damages or expenses if circumstances that are reasonably unforeseen arise resulting in additional costs that would have been covered under the policy but for the release.

C. If the insured decides not to participate in the mediation process or if the parties are unsuccessful at resolving the claim, the insured may choose to proceed under the appraisal process set forth in the insured's insurance policy, by litigation, or by any other dispute resolution procedure available under Mississippi law. Nothing in this regulation shall preclude an insured’s right to pursue these remedies should mediation be unsuccessful.

Rule 33.02: Reasons for Finding an Imminent Peril to the Public Health, Safety or Welfare

The 2005 Hurricane season was extremely destructive for Mississippi. Extensive and devastating damage was caused by Hurricane Katrina, which hit the Mississippi Gulf Coast on August 29, 2005, as a Category 4 Hurricane. Hurricane Katrina continued northward, blanketing the State and causing widespread major damage to homes, loss of personal belongings and corresponding loss of employment.

In an effort to help resolve residential property insurance claims resulting from Katrina so that homeowners could move forward with the repair and rebuilding process, on December 20, 2005, the Commissioner adopted Emergency Regulation No. 2005-2, which established a temporary "Special Mediation Program For Personal Lines Residential Insurance Claims" ("Mediation Program" or "Program"). Subsequently, pursuant to the authority granted in Senate Bill 2381, which was passed by the Mississippi Legislature in the 2006 Regular Legislative Session, the Commissioner adopted Regulation No. 2005-2, as Amended, which established the Mediation Program on a permanent basis.

In Section 2, Regulation No. 2005-2, as Amended, provides that the Mediation Program is "...available to all first party claimants **prior to commencing either litigation** or the appraisal process." (emphasis added) While many Katrina claims have been resolved, some remain unresolved and claimants are pursuing litigation. This pending litigation has resulted in crowded court dockets and a critical need for litigants to have access to an alternative procedure for the effective, fair and timely handling of residential insurance claims. Consequently, in order to promote and secure the safety and protection of the citizens of the State of Mississippi, this Regulation is being issued by the Commissioner to expand the Mediation Program for Katrina claims to allow parties in litigation to participate, upon the issuance of an order by a court of competent jurisdiction.

Rule 33.03: Availability of Mediation Program to Parties in Litigation

Notwithstanding any provisions to the contrary, the Mediation Program established by Regulation No. 2005-2, as Amended, shall be available for any parties ordered to participate in the Program by a court of competent jurisdiction.

In the case of parties participating in the Program by court order, the provisions of Regulation No. 2005-2, as Amended, will be followed unless the respective court directs otherwise with regard to mediation for those parties, or unless otherwise specified herein.

This Emergency Regulation applies only to mediation involving parties to litigation arising from a disputed Hurricane Katrina claim. Otherwise, the provisions of Regulation No. 2005-2, as Amended, shall remain in full force and effect.

Part 1 Chapter 34: **(2007-1)** Mississippi Homeowner Insurance Policyholder Bill of Rights**.**

Rule 34.01: Purpose

After Hurricane Katrina hit the Mississippi Gulf Coast on August 29, 2005, and caused massive destruction within the State, the Department found that many homeowner insurance policyholders who filed property loss claims were inadequately insured or did not fully understand the insurance they had purchased.

The purpose and intent of this Regulation is to address these issues by setting forth procedures and requirements that ensure policyholders understand their rights as policyholders in the State of Mississippi, and by enacting a requirement that property and casualty insurance companies writing homeowners personal lines residential insurance property coverage establish standard checklists of policy contents.

To accomplish these goals, this Regulation sets forth the rights Mississippi policyholders have with respect to their insurance policies and insurance companies. This Regulation also requires that property and casualty insurers provide an outline of coverage and a standard checklist of policy contents to policyholders.

Policyholders should be aware that Mississippi law provides that insureds have an affirmative duty to read a contract of insurance and are bound by the contents thereof. Any outline of coverage and comprehensive policy checklist is for informational purposes only, and does not change the coverage selected and paid for by the policyholder. This Regulation is being promulgated by the Commissioner of Insurance in order to facilitate the public's understanding of homeowners' policies.

Rule 34.05: Outline of Coverage and Comprehensive Policy Checklist

No homeowners personal lines residential property coverage insurance policy shall be delivered or issued for delivery in this state unless an appropriate outline of coverage and comprehensive policy checklist have been delivered to the policyholder prior to or shortly thereafter issuance of the policy under separate cover, or accompany the policy when issued. The comprehensive policy checklist shall contain a list of provisions and elements, as required by this Regulation, whether or not they are included in the particular policy being issued, in a format that allows the insurer to indicate whether the provision is included so that the policyholder can see both what is included and what is not included in the policy. The outline of coverage and comprehensive policy checklist shall also be furnished at each renewal of the policy. The outline of coverage and comprehensive policy checklist shall provide information on the policy and may, but is not required, to include coverage by endorsement.

To be in compliance with this section, an insurer may use the Outline of Coverage and Comprehensive Policy Checklist prepared by the Department and attached hereto as Rule 34.11 or the insurer may create its own Outline of Coverage and Comprehensive Policy Checklist, provided the following information is included.

A. The Outline of Coverage shall provide information on the policy and may, but is not required, to include coverage by endorsement, and shall contain, at a minimum, the information set forth below.

    1. A brief description of the type of coverage provided in the policy, amount of coverage, and whether the coverage is replacement cost or actual cash value ("ACV").

    2. A summary statement of the principal exclusions and limitations or reductions contained in the policy, and any other limitations or reductions.

3. A summary of any additional coverage provided through any rider or endorsement that accompanies the policy, amount of that coverage, and whether the coverage is replacement cost or ACV.

   Any insurer electing not to use Rule 34.11, or deviating from Rule 34.11, shall file its Outline of Coverage and Comprehensive Policy Checklist with the Department for approval prior to use.

B. An insurer must insert the following language on the outline of coverage:

"The following is an outline of coverage and comprehensive policy checklist of your insurance policy and is for informational purposes only. Mississippi law prohibits this checklist from changing any of the provisions of the insurance contract which is the subject of this checklist. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits is not included in this checklist, unless otherwise indicated. This checklist does not operate to expand coverage beyond the coverage provided in the policy. If there is a contradiction between this checklist and the policy, the terms of the policy govern.

Policyholders should read their policy thoroughly. Policyholders should review their insurance policy annually with their insurance producer to ensure they are adequately covered."

Rule 34.06: Burden of Proof

As demonstrated by the ruling of the Fifth Circuit Court of Appeals in Leonard v. Nationwide, insurance companies are advised that in an all risk homeowners insurance policy an "insurer bears the burden of proving that a particular peril falls within a policy exclusion; the insurer must plead and prove the applicability of an exclusion as an affirmative defense". Leonard v. Nationwide Mutual Ins. Co.,499 F.3d 419, 429 (5th Cir. 2007).

Rule 34.11: Outline of Coverage and Comprehensive Policy Checklist

OUTLINE OF COVERAGE AND
COMPREHENSIVE POLICY CHECKLIST

The following is an outline of coverage and comprehensive policy checklist (hereinafter "checklist") of your insurance policy and is for informational purposes only. Mississippi law prohibits this checklist from changing any of the provisions of the insurance contract which is the subject of this checklist. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits is not included in this checklist, unless otherwise indicated.

This checklist does not operate to expand coverage beyond the coverage provided in the policy. If there is a contradiction between this checklist and the policy, the terms of the policy govern.

You should read your policy thoroughly. You should review your insurance policy annually with your insurance producer to ensure you are adequately covered.

Reviewing this checklist together with your policy can help you gain a better understanding of your policy's actual coverages and limitations, and may even answer general questions. By addressing any questions now, you will be more prepared later in the event of a claim. A clear understanding of your policy's coverages and limitations will reduce confusion that may arise during claims settlement.

To fully understand your insurance policy, you should read all provisions contained therein. If you have questions regarding your policy, please contact your agent. Consumer assistance is available from the Mississippi Insurance Department, Division of Consumer Services, 1-800-562-2957 or www.mid.ms.gov .

Part 1 Chapter 35: (2007-3) Special Non-Binding Arbitration Program for Personal Lines Residential Insurance Claims Resulting from Hurricane Katrina**.**

Rule 35.01: Authority

The 2005 Hurricane season was extremely destructive for Mississippi. Extensive and devastating damage was caused by Hurricane Katrina, which hit the Mississippi Gulf Coast on August 29, 2005, as a Category 4 hurricane. Hurricane Katrina continued northward, blanketing the State and causing widespread major damage to homes, loss of personal belongings and corresponding loss of employment.

In response in part to the devastation of Hurricane Katrina, the Mississippi Department of Insurance ("Department") sought the passage of Senate Bill 2381, 2006 Regular Legislative Session, which was passed by the Mississippi Legislature, signed by Governor Barbour on March 1, 2006, and made effective that date. Codified as Miss. Code Ann. § 83-1-47, this statute gives the Commissioner of Insurance the authority to establish a non-binding, non-adversarial alternative dispute resolution procedure for the handling of personal lines residential insurance claims.

Furthermore, pursuant to the Governor's Proclamations dated August 26, 2005, and September 2, 2005, Governor Barbour declared a state of emergency invoking his emergency powers pursuant to Miss. Code Ann. § 35-15-11, and directed agencies of the State to discharge their emergency responsibilities as deemed necessary as set forth in the State of Mississippi Emergency Operations Plan and Executive Order No. 653, dated November 16, 1990. In accordance with the Proclamations and Executive Order, and Miss. Code Ann. §§ 33-15-11(b)(9) and 33-15-11(c)(4), there was a delegation of those emergency powers to the Commissioner of Insurance

which allows him, in his discretion, to promulgate emergency regulations and guidelines to promote and secure the safety and protection of the citizens of this State.

Regulation 2007-3 is hereby promulgated by the Commissioner of Insurance pursuant to the authority granted to him by Miss. Code Ann. §§ 83-1-47; 83-5-1; 83-5-29 through 83-5-51; as well as the provisions of Mississippi Department of Insurance Regulation No. 88-101, said Regulation being the Rules of Practice and Procedure before the Mississippi Insurance Department. This filing makes Regulation 2007-3 a permanent Regulation.

Rule 35.02: Purpose and Scope

Mississippi Insurance Department Regulation 2005-2 was adopted by the Commissioner of Insurance on December 20, 2005, to allow for all Mississippi insureds to enter into a non-binding voluntary mediation conference with their insurance company regarding any claim disputes arising from Hurricane Katrina. This program has allowed over 3400 insureds' claim disputes to be resolved, and has seen an 83% successful resolution for all insureds who have participated in the Mississippi Insurance Department Hurricane Katrina Mediation Program.

As a result of the success of the Department's Hurricane Katrina Mediation Program, the Department was contacted by U.S. District Judge L.T. Senter, Jr., who is presiding over most of the Hurricane Katrina lawsuits filed in the U.S. District Court in South Mississippi. Judge Senter asked the Department to include in its regulation a mediation program for those insureds who had lawsuits pending in his court. The Commissioner of Insurance thereby adopted Mississippi Insurance Department Regulation 2006-4, which allowed any court of competent jurisdiction to order any party in litigation to participate in the Mississippi Department of Insurance Hurricane Katrina Mediation Program. This program is experiencing a successful resolution rate of approximately 50% for all litigants who participate.

However, even with the success of both mediation programs, there are insuredswho still do not have their Hurricane Katrina claims resolved. Representatives of the Department have been working on multiple fronts in an effort to find other means to have claims paid and lawsuits resolved so Mississippi can continue its rebuilding and recovery.

Therefore, on March 30, 2007, Emergency Regulation 2007-3 was promulgated by the Commissioner of Insurance. On July 27, 2007, the Emergency Regulation was extended for ninety (90) days. Due to the success of the non-binding arbitration program, the Commissioner of Insurance hereby files to make Emergency Regulation 2007-3 a permanent Regulation.

This Regulation establishes a special non-binding arbitration program for personal lines residential insurance claims resulting from Hurricane Katrina. It creates procedures for notice of the right to arbitration, request for arbitration, assignment of arbitrators, payment for arbitration, and the conduct of arbitration proceedings.

This program will allow insureds another avenue to try and have their claim resolved without requiring the insured to settle or extinguishing their right to file legal action if the matter is not resolved. It will also allow Judge Senter and any other court of competent jurisdiction to order any litigant before their Court to participate in this non-binding arbitration program in addition or as an alternative to non-binding mediation.

Except as otherwise provided in this Regulation, the procedures established by this Regulation are available to all first party claimants who have not commenced either litigation or the appraisal process who have personal lines claims resulting from damage to residential property in Mississippi caused by Hurricane Katrina. Insureds who have elected to commence the appraisal process under their policies must first complete that process prior to being eligible to request the arbitration procedures established hereunder. This Regulation does not supersede an insured's right to commence an appraisal process under their policy or to request non-binding mediation. This Regulation does not apply to commercial insurance (including forced-placed lender protection programs), private passenger motor vehicle insurance or to liability coverage contained in property insurance policies.

The arbitration procedures established under this Regulation shall not be available to the insured where the underlying issue is whether the policy was canceled, non-renewed or lapsed prior to the loss resulting from Hurricane Katrina. Insureds may submit these issues to the Consumer Assistance Division of the Department for review.

Rule 35.07: Arbitration Conference

A. Exchange of Information

At least two (2) business days prior to the hearing, the parties shall exchange copies of all exhibits they intend to submit at the hearing. The arbitrator shall resolve disputes concerning the exchange of exhibits.

B. Attendance at Conference

The Arbitrator shall maintain the privacy of the conference. Any person having a direct interest in the arbitration is entitled to attend the conference. The arbitrator shall have the power to require the exclusion of any witness, other than a party or other essential person, during the testimony of any other witness. It shall be discretionary with the arbitrator to determine the propriety of the attendance of any other person other than a party and its representative. However, the Department reserves the right to have a representative present at any arbitration conference conducted pursuant to this Regulation.

The Arbitrator may postpone any conference upon agreement of the parties, upon request of a party for good cause shown, or upon the arbitrator's own initiative. Good cause shall consist of severe illness, injury, or other emergency which could not be controlled by the insured or the insurer and, with respect to an insurer, could not reasonably be remedied prior to the conference by providing a replacement representative or otherwise.

C. Representation

A party may be represented by counsel or their authorized representative. A public adjuster contracted by the insured may attend the conference, but the insured must also be present at the conference. E. Evidence

The parties may offer such evidence as is relevant and material to the dispute and shall produce such evidence as the arbitrator may deem necessary to an understanding and determination of the dispute. Conformity to legal rules of evidence shall not be

necessary. All evidence shall be taken in the presence of the arbitrator and all the parties, except where any of the parties is absent, in default or has waived the right to be present. However, the arbitrator may receive and consider the evidence of witnesses by affidavit, but shall give it only such weight as the arbitrator deems it entitled to after consideration of any objection made to its admission.

The arbitrator shall determine the admissibility, relevance and materiality of the evidence offered and may exclude evidence deemed by the arbitrator to be cumulative or irrelevant. The arbitrator shall take into account applicable principles of legal privilege, such as those involving the confidentiality of communications between a lawyer and client.

F. Confidentiality

Confidential or privileged information disclosed to an arbitrator by the parties or by witnesses in the course of arbitration shall not be divulged by the arbitrator. All records, reports, or other documents received by an arbitrator while serving in that capacity shall be confidential. Rule 35.08: Costs of Arbitration

A. Administrative Fee

Within five (5) days of the insurer's receipt of the request for arbitration, the insurer shall pay a non-refundable administrative fee in the amount of $250.00 to the Administrator, which shall be used to defer the expenses of the Administrator.

B. Fee to Arbitrator

Arbitrators shall receive $600.00 for a three (3) hour arbitration conference, which shall be paid by the insurer. Arbitrators shall not receive costs or expenses.

The insurer shall pay $600.00 to the Administrator for the arbitrator's fee not later than five (5) days prior to the date of the arbitration conference. If the arbitration is cancelled for any reason more than 120 hours prior to the scheduled arbitration time and date, the insurer shall pay $50.00 to the Administrator for the arbitrator's fee instead of $200.00 per hour. If the conference is cancelled within 120 hours of the scheduled time, the insurer shall pay $600.00 to the Administrator for the arbitrator's fee.

C. Length of Arbitration

Each arbitration shall be scheduled for three (3) hours. The parties and the arbitrator may agree to extend the arbitration conference time. If an arbitration conference is extended beyond three (3) hours, the Arbitrator shall receive $200.00 an hour for any time over the three (3) hour conference. The insurer shall pay the additional costs to the Administrator within five (5) days after the arbitration conference.

D. Failure to Appear

If the insured fails to appear without good cause as determined by the Administrator, the insured may have the conference rescheduled only upon the insured's payment of the arbitration fees for the rescheduled conference. If the insurer fails to appear at the conference, without good cause as determined by the Administrator, the insurer shall pay the insured's actual expenses incurred in attending the conference and shall pay the arbitrator's fee whether or not good cause exists. Failure of a party to arrive at the arbitration conference within 30 minutes of the conference's starting time shall be considered a failure to appear.

Good cause shall consist of severe illness, injury, or other emergency which could not be controlled by the insured or the insurer and, with respect to an insurer, could not reasonably be remedied prior to the conference by providing a replacement representative.

If an insurer fails to appear at conferences with such frequency as to evidence a general business practice of failure to appear, the insurer shall be subject to penalties under Miss. Code Ann. § 83-5-29 et seq. and other applicable law.

Rule 35.09: Post Arbitration Hearing

A. Findings of the Arbitrator

Within fourteen (14) days of the Arbitration conference, the arbitrator shall submit to the Administrator and the parties a written finding of fact. The written findings of fact shall state what remedy or relief that the arbitrator deems as just and equitable and within the scope of the agreement of the parties. The Findings of the Arbitrator are confidential and shall not be used in any other proceeding. The arbitrator shall not make any finding relating to the award of punitive damages.

Within seven (7) days of the issuance of the Findings of the Arbitrator, the parties shall contact the Administrator in writing to either accept or refuse the Findings. If the parties accept the Findings, and an award is to be made to the insured, the insurer has seven (7) days to disburse the award to the insured.

B. Settlement of Parties

If at any time throughout this process the parties are able to reach a settlement, the arbitrator shall include a copy of the settlement agreement with the status report. If a settlement is reached, the insured shall have three (3) business days to rescind any settlement agreement provided that the insured has not cashed or deposited any check or draft disbursed to him or her for the disputed matters as a result of the arbitration conference. A settlement agreement can be rescinded by contacting the Mississippi Department of Insurance at (601) 359-3581. If a settlement agreement is reached and is not rescinded, it shall act as a release of all specific claims that were presented and actually settled. However, the release shall not constitute a final waiver of rights of the insured with respect to claims for damages or expenses if circumstances that are reasonably unforeseen arise resulting in additional costs that would have been covered under the policy but for the release. If an award is to be made to the insured, the insurer has seven (7) days to disburse the award to the insured.

C. Non-binding Arbitration

This program is non-binding; therefore, neither the insured nor insurer must settle the claim or accept the Findings of the Arbitrator. Nothing in this Regulation shall preclude an insured's right to pursue any other remedy, including but not limited to, mediation, the appraisal process set forth in the insured's insurance policy, litigation, or any other dispute resolution procedure available under Mississippi law.

Part 1 Chapter 38: **(**2008-2) Filing Option to Expedite Form and Rate Review for All Life, Credit Life, Annuity, and Accident and Health Contracts.
Rule 38.01: Purpose

The Mississippi Department of Insurance has seen a dramatic increase in the number of filings made in the life, annuity, and accident and health arena. These filings are becoming more complex thereby requiring a more detailed analysis. Due to the complexity of these filings, more have to be reviewed by the Department's consulting actuaries. As a result of the aforementioned, these reviews are taking longer than they have in the past.

In an attempt to expedite and become more efficient in our review and approval of form and rate filings in Mississippi, the Mississippi Department of Insurance will, pursuant to the authority granted to the Department in Senate Bill 2502, offer all companies licensed to write life, credit life, annuity, and accident and health contracts in Mississippi the option of paying the actuarial fees associated with the review and approval of said forms.

The purpose of this Regulation is to establish an expedited form and rate review process for all life, credit life, annuity, and accident and health contracts filed with the Mississippi Department of Insurance.

Rule 38.04: Expedited Review Filing Procedure

All companies licensed to write life, credit life, annuity, and accident and health contracts in Mississippi have the option of electing the following procedure for the review and approval of each form and/or rate submitted:

A. Form Filings.

All companies will continue to make their form and rate filings with the Mississippi Department of Insurance.

B. Election of Expedited Review Filing.

At the time of filing, a company may elect to use the expedited filing procedure by completing the Expedited Review Filing Election Form, attached hereto as Exhibit "A".

Companies that elect to use the expedited filing procedure shall continue to send the form and rate filing to the Department. The Department will forward the form and rate filing to the actuary. Companies shall not send their form and rate filings to the actuary.

C. Expedited Review Filing Fees.

If a company elects this option, they shall include payment for each form and/or rate per the actuarial fee schedule (see subparagraph D. below), any applicable statutory fees and written notification that they are electing the expedited approval process.

D. Actuarial Fee Schedule.

The actuarial fees will be represented in a fee schedule, prepared and agreed upon by the actuary, itemizing a flat fee for each type of form or rate. Said fee schedule will be subject to semi-annual review and revision. Each company will be provided with a copy of said fee schedule and therefore will be deemed informed of the flat fee assigned to each type of form or rate. The flat fee assigned to each form or rate applies to its corresponding form or rate only, and is not affected by the actual number of filings made. Please note that the fees represented in the fee schedule reflect the initial review only. Follow-up filings

requiring substantial in-depth review or numerous revisions will require an additional fee equal to 50% of the initial filing fee in order to maintain review of the filing on the expedited track. Prompt revisions by the filer in response to basic objections will avoid the necessity of this additional fee. The Mississippi Department of Insurance shall determine what filings necessitate this additional fee.The initial fee schedule is attached hereto as Exhibit "B".

E. Payment of Fees.

If a company elects to use the expedited filing procedure, the following payments shall be made in the expressed manner:

1. Statutory Fee Payment: All applicable statutory fees shall be paid to the **Mississippi Department of Insurance**by check made payable to the Department, and said check shall be included with each request for expedited review along with the original Expedited Review Filing Election Form.

2. Actuarial Fee Payment: The actuarial fee for the applicable expeditedreview fee for each form and/or rate submitted and shall be paid by check made payable to **Actuarial Resources Corporation of Georgia**and submitted to Actuarial Resources Corporation, 2753 State Road 580, Suite 101, Clearwater, FL 33761, along with a copy of the Expedited Review Filing Election Form. Actuarial fees shall not be submitted to the Mississippi Department of Insurance.

F. Approval/Disapproval of Form and/or Rate.

All companies electing to exercise this option will receive objections, approval or disapproval of each form submitted within five (5) business days of receipt by the actuary.

G. Actuary Review.

Once a week, the Mississippi Department of Insurance shall forward all filings, marked for expedited approval, to the actuary for review. The five (5) business day time period for action on a filing does not begin to accrue until the actuary physically receives each individual form and/or rate and the applicable expedited review fee. Please note that no rates or forms will be forwarded to the actuary until all statutory fees have been received by the Mississippi Department of Insurance, and no action will be taken by the actuary until all applicable funds said actuary for review of each individual form and/or rate filing have been received by the Actuarial Resources Corporation of Georgia.

Companies may forego the expedited review and approval process and continue to file rates and forms as they have in the past pursuant to the provisions of Miss. Code Ann. §§ 83-7-17 and 83-9-3. E. Whether the insurer’s operating loss in the last twelve-month period or any shorter period of time, including but not limited to net capital gain or loss, change in non-admitted assets, and cash dividends paid to shareholders, is greater than fifty percent (50%) of the insurer’s remaining surplus as regards policyholders in excess of the minimum required;

Rule 43.04. Filing Procedures

A. An insurer, or the insurance group of which the insurer is a member, required to file a CGAD pursuant to the provisions of House Bill 324, 2019 Regular Legislative Session, shall, no later than June 1 of each calendar year, submit to the Commissioner a CGAD that contains the information described in Rule 43.05 of this regulation.

B. The CGAD must include a signature of the insurer's or insurance group's chief executive officer or corporate secretary attesting to the best of that individual's belief and knowledge that the insurer or insurance group has implemented the corporate governance practices and that a copy of the CGAD has been provided to the insurer's or insurance group's Board of Directors (hereafter "Board") or the appropriate committee thereof.

C. The insurer or insurance group shall have discretion regarding the appropriate format for providing the information required by these regulations and is permitted to customize the CGAD to provide the most relevant information necessary to permit the Commissioner to gain an understanding of the corporate governance structure, policies and practices utilized by the insurer or insurance group.

D. For purposes of completing the CGAD, the insurer or insurance group may choose to provide information on governance activities that occur at the ultimate controlling parent level, an intermediate holding company level and/or the individual legal entity level, depending upon how the insurer or insurance group has structured its system of corporate governance. The insurer or insurance group is encouraged to make the CGAD disclosures at the level at which the insurer's or insurance group's risk appetite is determined, or at which the earnings, capital, liquidity, operations, and reputation of the insurer are overseen collectively and at which the supervision of those factors are coordinated and exercised, or the level at which legal liability for failure of general corporate governance duties would be placed. If the insurer or insurance group determines the level of reporting based on these criteria, it shall indicate which of the three criteria was used to determine the level of reporting and explain any subsequent changes in level of reporting.

E. Notwithstanding Subsection A of this Section, and as outlined in Rule 43.03 of the Corporate Governance Annual Disclosure Model Act, if the CGAD is completed at the insurance group level, then it must be filed with the lead state of the group as determined by the procedures outlined in the most recent Financial Analysis Handbook adopted by the NAIC. In these instances, a copy of the CGAD must also be provided to the chief regulatory official of any state in which the insurance group has a domestic insurer, upon request.

F. An insurer or insurance group may comply with this section by referencing other existing documents (e.g., ORSA Summary Report, Holding Company Form B or F Filings, Securities and Exchange Commission (SEC) Proxy Statements, foreign regulatory reporting requirements, etc.) if the documents provide information that is comparable to the information described in Rule 43.05. The insurer or insurance group shall clearly reference the location of the relevant information within the CGAD and attach the referenced document if it is not already filed or available to the regulator.

G. Each year following the initial filing of the CGAD, the insurer or insurance group shall file an amended version of the previously filed CGAD indicating where changes have been made. If no changes were made in the information or activities reported by the insurer or insurance group, the filing should so state.

Rule 45.03: Scope.

The Flexible Rating System set forth in this Regulation shall be allowed for any residential or commercial earthquake policies, residential or commercial flood insurance policies that are not written through the National Flood Insurance Program, commercial liability and cybersecurity coverages, whether the insurance policies/coverages are endorsed to, or otherwise made a part of, another kind of insurance policy, or sold as a stand-alone policy.

This Regulation shall not apply to workers' compensation insurance, medical malpractice insurance, assigned risk/residual market plans or the Mississippi Windstorm Underwriting Association.

Rate service organizations, as defined in Miss. Code Ann. § 83-2-1(d), shall not be eligible to submit filings pursuant to the Flexible Rating System as set forth in this Regulation.

Rule 45.04 Definition of Flexible Rating System.

For purposes of this Regulation, the term "Flexible Rating System" shall mean a proposed rate plan filed with MID pursuant to Section 83-2-1 et seq., which allows for an automatic ability on the part of the insurer to raise in the aggregate or lower in the aggregate rates by 15% without the need for approval by MID so long as the change is within the overall approved +/- 15% range.

Rule 45.05 Filing Requirements.

A Flexible Rating System filing made pursuant to this Regulation shall be in compliance with all applicable provisions in Section 83-2-1 et seq., and shall include the rate, rating plans and rating systems used by the insurer. Supporting actuarial data shall accompany every filing and shall be in sufficient detail to justify the rate.

At the point that aggregate rate changes by the insurer under the Flexible Rating System approved by MID total either an aggregate increase of 15%, or an aggregate decrease of 15%, a new rate filing shall be required pursuant to the provisions of Section 83-2-1 et seq. prior to making any further rate adjustments. There is no annual reset for the 15% flexible rating band.

Rule 45.06 Notice to Department.

An insurer shall notify MID of any change in rates implemented under the Flexible Rating System within thirty (30) days after the effective date of the change. The notice must include the name of the insurer and the average percentage change in rates statewide and by zone or territory. Any rate change made pursuant to the Flexible Rating System may only be applied to a policy at the beginning of the policy period.

Should the Commissioner determine that any change in rates implemented pursuant to this Regulation is excessive, inadequate or unfairly discriminatory, he shall disapprove the change in rates pursuant to the procedure provided in Section 83-2-11(2)(b).

No more than one (1) rate adjustment may be made by an insurer during a twelve (12) month period pursuant to the Flexible Rating System set forth in this Regulation; however, upon written application by the insurer, the Commissioner may authorize more than one (1) rate adjustment during any twelve (12) month period, subject to the percentage limitations prescribed herein,

Rule 45.08 Rating Modification on Individual Commercial Risks.

Insurers are still allowed to follow established procedures allowing for a debit or credit to be recognized regarding the special characteristics of an **individual** commercial risk which may not fully be reflected in the basic company premium or rates.
