Dear Mississippi Educator,

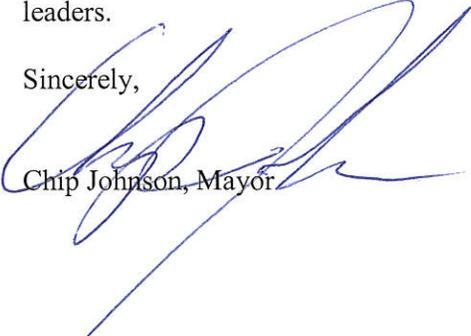

As a K-12 educator, you have the opportunity to teach your students the importance of exercising their right to vote. By introducing our youth to civic responsibilities at an early age, they will have the knowledge to make educated decisions when choosing who will represent them at the local, state, and national levels.

Many of you already go to great lengths to ensure your students are exposed to real-world learning experiences that will stay with them long after they leave your classroom. I encourage you to take advantage of the excellent resource that is available to you in the *Promote the Vote* program.

To learn more about this exciting program, I encourage you to visit the Secretary of State's website (www.sos.ms.gov/tpv) for additional details.

With your help, we can better educate and encourage the next generation of Mississippi voters and leaders.

Sincerely,

Chip Johnson, Mayor
