In November of 2011, this Office inherited a major project as part of the receivership duties to assess the status and inventory ownership of Forrest Memorial interment rights, committed grave spaces, sold graves, and unsold grave spaces. Knowing that this information would be important and useful for the successful rehabilitation of Forrest Memorial Park Cemetery, our staff devoted countless hours to this tedious effort. **All interested purchasers should understand that the information provided in Item No. 4, Calculation of Cemetery Burial Spaces, represents our best efforts to provide useful information to prospective bidders regarding the cemetery's value and future cash flow potential. This data was collected and researched by SOS staff over a period of several months. Reliable source documentation was not always available to SOS staff. Reliable source documentation would consist of updated burial plat maps, burial registries, and a complete collection of client files that the cemetery would maintain as core business records. This data reflected in Item 4 was collected directly from cemetery clients, some client files left with the business, and by visually verifying and comparing interments and committed grave sales to documented records of sales.**

All sealed bids must be received in the Office of the Alcorn County Chancery Clerk, Mr. Bobby Marolt, 501 Waldron Street, Corinth, Mississippi 38834, before 5:00 p.m. (Central) on Monday, July 6, 2015. ORDER DENYING MOTION for NEW TRIAL; GRANTING MOTION to SPECIFICALLY STATE FACTS and CONCLUSIONS of LAW; and, DIRECTING SALE OF REAL PROPERTY

PRENTISS COUNTY CHANCERY COURT David "Bubba" Pounds CLERK MISSISSIPPI

FILED: 1:06pm
May 28 2015
DAVID "BUBBA" POUNDS, CLERK
Juanita Wicks D.C.

On April 15, 2014, this cause originally came before the Court on a renewed petition by the Secretary of State and Receiver to substitute the mortgagee, SOUTHBank, as Receiver, or to order judicial sale of the real property known as Forrest Memorial Park Cemetery, In Receivership, located at 740 Highway 45 South, Corinth, Mississippi 38834. On October 13, 2014, this Court entered an Order that partially granted the Renewed Petition to Order a Judicial Sale and to Substitute SOUTHBank as Receiver. The Order of this Court appointed SOUTHBank as Receiver, but conditioned the appointment on SOUTHBank's acceptance and qualification of the same. SOUTHBank, through counsel, declined the appointment to serve as Receiver on November 13, 2015, by correspondence sent to the Court. Therefore, on March 30, 2015, this Court entered a subsequent Order and appointed Mr. Jeff Rencher as Interim Receiver and directed and ordered the sale of the real property known as Forrest Memorial Park Cemetery, In Receivership, by Bobby Marolt, the Alcorn County Chancery Clerk.

Following the Court's March 30, 2014, Order, on April 6, 2015 SOUTHBank filed a Motion for a New Trial pursuant to MRCP Rule 59 and a Motion for Findings of Fact and Conclusions of Law pursuant to MRCP Rule 52. SOUTHBank's Motion for Findings of Fact and Conclusions of Law is hereby **GRANTED**, and the same shall be issued subsequently by this Court.

SOUTHBank's Motion for a New Trial was predicated upon this Court's October 15, 2014, Order Partially Granting Renewed Petition to Order Judicial Sale by Mortgagee and to Substitute SOUTHBank as Receiver, and the March 30, 2015, Order Appointing Interim Receiver and Directing the Sale of the Real Property to the Highest Bidder. Thereafter, the Court set this matter for an expedited hearing on SOUTHBank's Motion for a New Trial, which was heard on

May 19, 2015. Following the hearing and the consideration of the arguments of counsel, testimony, and exhibits presented, it is thereby, **ORDERED** and **ADJUDGED** that:

1. Jeff Rencher's appointment as Interim Receiver of Forrest Memorial Park Cemetery, In Receivership, remains with an effective date of March 26, 2015, as previously Ordered. The appointment as Interim Receiver is made with all authority and responsibility as Receiver as described in the Order of Receivership originally entered in this cause on November 21, 2011. Additionally, the Interim Receiver shall not be disqualified from purchasing the property at the sale hereinafter provided for.
2. The real property known as Forrest Memorial Park Cemetery, In Receivership, (hereinafter "cemetery") 740 Highway 45 South, Corinth, Mississippi 38834, consisting of approximately 12.50 acres, and more particularly described in Exhibit 1 to this Order, shall be sold by Bobby Marolt (Marolt), Chancery Clerk of Alcorn County, Mississippi, for cash to the highest bidder under the terms described in this Order.
3. This is a cash sale of real property **only**. This is **not** a sale of contractual obligations of the former owner or managers of Forrest Memorial Park Cemetery for cemetery or funeral preneed goods or services. Cemetery preneed goods and services typically consist of grave opening and closings, grave liners, outer containers, or "vaults", tent setups for committal services, and memorial markets purchased by the living for installation following death.
4. The sale shall be conducted by the solicitation of sealed bids submitted to Marolt. Marolt shall cause a Notice of Sale to be published in a newspaper of general circulation in Alcorn County for at least three consecutive weeks, with each occurrence of publication being one week apart. The first publication shall begin no later than Wednesday, June 3,

2015. The Notice of Sale shall follow a format similar to the one attached as Exhibit 2 to this Order. Marolt is vested with full discretion to determine the content of the Notice as he sees fit. However, all sealed bids must be received by Marolt no later than 5:00 p.m. (Central) on Monday, July 6, 2015. Moreover, the opening of sealed bids by Marolt shall not extend beyond 3:00 p.m. (Central) on Tuesday, July 7, 2014, at a time and date announced by Marolt in the Notice of Sale.

5. This is a sale for cash only. Following the selection of the highest bid, Marolt shall determine the time, place, and manner for the closing. Conveyance of the cemetery shall be by Quitclaim Deed from Marolt and the Interim Receiver on behalf of the Receivership Estate, the record title owner of the cemetery. There is no warranty of title that will be conveyed to the successful purchaser.

6. The Secretary of State shall assemble and publish a Bid Information Package and make the same available on the Secretary's website for all potential and interested bidders during the thirty (30) day bid season as determined by Marolt. Such bid package shall be available for public viewing on the first date of publication of the Notice of Sale. The Notice of Sale shall inform the public regarding how the bid information package may be accessed. Furthermore, Alcorn County and/or the office of the Alcorn County Chancery Clerk shall make the same available on its website provided that internet security and the information technology policy can support the same by Alcorn County or the Chancery Clerk's office.

7. Inspection of the title and all due diligence steps to inspect the cemetery are the sole responsibility of each interested buyer.

8. All closing costs, including any surveying or legal fees, are the sole responsibility of the successful purchaser prior to closing, unless stated herein.

9. This Order of Judicial Sale is entered to give full and final effect to the secured interests of SOUTHBank, mortgagee, in the real property of Forrest Memorial Park Cemetery, In Receivership, as evidenced by various deeds of trust recorded by SOUTHBank encumbering the cemetery. All secured interests of SOUTHBank at closing shall be liquated to the cash proceeds at closing and paid to SOUTHBank. As such, at the closing scheduled by Marolt, SOUTHBank, at its expense, shall prepare and enter for filing and recording all cancellations of deeds of trust that encumber the real property known as Forrest Memorial Park Cemetery, In Receivership, more particularly described in Exhibit 1 to this Order.

10. It is further **ORDERED** that the closing on this property to the highest bidder shall not consummate until approved by Marolt, the Office of the Secretary of State, and this Court.

SO ORDERED, ADJUDGED and DECREED, this the 28th day of May, 2015.

MICHAEL MALSKI
CHANCELLOR

NOTICE OF SALE
FORREST MEMORIAL PARK CEMETERY, IN RECEIVERSHIP

COMES NOW the Honorable Bobby Marolt, Chancery Clerk of Alcorn County, Mississippi, with this Notice of Solicitation of Sealed Bids for the Sale of Forrest Memorial Park Cemetery, In Receivership. The Receivership of Forrest Memorial Park Cemetery was ordered by the Chancery Court on November 21, 2011. By subsequent Orders of the First Chancery Court District, Hon. Michael Malski, the Court has ordered and directed the sale of Forrest Memorial Park Cemetery, a perpetual care cemetery, to the highest bidder. The subject property is located at 740 Highway 45 South, Corinth, Mississippi 38834. This property consists of approximately twelve and a half (12.50) acres. A description of the property can be found in the bid information package.

EXHIBIT 2

This is a sale of real estate only. This is not a sale or transfer of the contractual obligations for vaults, markers, or grave opening/closing services sold on a preneed basis by the current or prior record title owners or former managers or operators of Forrest Memorial Park Cemetery. No preneed services and merchandise trust as required by Miss. Code Ann. § 75-63-59 exists for this cemetery. No perpetual care trust as required by Miss. Code Ann. § 41-43-37 exists for this cemetery. A nominal amount of perpetual care funds reserved by the Receivership Estate for interment rights sold by the Receivership will transfer to the new owner at closing. All closing costs are the responsibility of the successful purchaser. This can include surveying fees and legal fees that may be necessary to move forward to a closing on the property.

During the thirty (30) day notice period, interested purchasers should inspect the cemetery and conduct a thorough, due diligence review, **including an inspection of the title** prior to submission of their sealed bid. The cemetery property does need capital improvements. Furthermore, future expansion of the cemetery beyond the current established cemetery gardens, and potentially including access to the current cemetery gardens from Highway 45, must be separately negotiated with a third party. **All interested parties should carefully review the bid information package. All of the information in the bid information package is important.** Title information contained within the bid information package is presented for reference only and was prepared solely for use by the Secretary of State and the Receiver administering receivership responsibilities. It should not be relied upon by any other person or entities, and the title information should be updated by any prospective or interested purchasers. A bid information package may be obtained at:

contacting the Secretary of State's Office at 601-359-9055. A copy can also be obtained from the Alcorn County Chancery Clerk's office.

summarizing the testimony and documentation it intended to present in support of its Motion for the Appointment of a Receiver, to which the Respondents did not object. Therefore, based upon the proffer accepted by the Undersigned in open court, this Court finds as follows:

1. The Secretary is acting pursuant to the Secretary's responsibilities to protect consumers under the Mississippi Preneed Cemetery and Funeral Registration Act (hereafter "the Preneed Act"), Miss. Code Ann. §§ 75-63-51, *et seq.*, and under the Mississippi Perpetual Care Cemetery Act (hereinafter "the Perpetual Care Act"), Miss. Code Ann. §§ 41-43-31, *et seq.*

2. Respondents, Forrest Memorial Park, Corinth, Mississippi, and Oaklawn Memorial Park, Booneville, Mississippi, are a privately owned, for-profit perpetual care cemetery as defined by Mississippi Code Annotated Section 41-43-33. Forrest Memorial Park is located at 740 Highway 45 South, Corinth, Mississippi 38834. Oaklawn Memorial Park is located at Highway 4 West, Booneville, Mississippi 38829. The business operations for Forrest Memorial Park and Oaklawn Memorial Park are conducted at offices located within the facility known as Hight Funeral Home, 740 Highway 45 South, Corinth, Mississippi 38834, with a post office box address at P.O. Box 1044, Corinth, Mississippi 38835. Forrest Memorial Park and Oaklawn Memorial Park are either sole proprietorships owned by Wayne Hight or general partnerships owned by Wayne Hight and Nancy Hight, husband and wife.

3. This Court has jurisdiction over the matters asserted herein pursuant to Miss. Code Ann. § 75-63-69(1) and Miss. Code Ann. § 41-43-38(7). Venue is proper in this Court as the

Oaklawn Memorial Park Cemetery is located in Booneville, Mississippi (Prentiss County), and Forrest Memorial Park, Cause No. 2011-0454-02 MM, Alcorn County Chancery Court, has been consolidated with Cause No. 2011-347(59)H, Prentiss County Chancery Court.

4. Since at least 1966, perpetual care cemeteries have been required to remit fifteen percent (15%) of all interment ground burial sales to an irrevocable perpetual care trust. Miss. Code. Ann. § 41-43-37(1)(a). Fifteen percent (15%) of interment sales must be set aside and safeguarded under the management of a trustee for the long term care, maintenance, and upkeep of cemetery property for current and future generations. Only income, interest, and earnings from trust principal can be accessed by the cemetery through the trustee for care and maintenance needs, and trust principal must remain inviolate. Miss. Code Ann. § 41-43-37(1).

CHANCERY COURT

5. Wayne Hight and Nancy Hight purchased Forrest Memorial Park in the fall of 1975. When the cemetery was purchased by the Hights in the fall of 1975, the cemetery's perpetual care trust fund acquired with the purchase contained approximately seventy thousand dollars ($70,000.00). Further, in the years following 1975, the perpetual care trust fund principal for Forrest Memorial Park was depleted to a balance of zero, and no perpetual care trust fund exists for Forrest Memorial Park. The depletion of the Forrest Memorial Park's Perpetual Care Trust Fund is a violation of Mississippi Code Annotated Section 41-43-37.

6. Wayne Hight and Nancy Hight purchased Oaklawn Memorial Park in the fall of 1982. When the cemetery was purchased by the Hights in the fall of 1982, the cemetery's

perpetual care trust fund acquired with the purchase contained approximately five thousand dollars ($5,000.00). Further, in the years following 1982, the perpetual care trust fund principal for Oaklawn Memorial Park was depleted to a balance of zero, and no perpetual care trust fund exists for Oaklawn Memorial Park. The depletion of the Oaklawn Memorial Park's Perpetual Care Trust Fund is a violation of Mississippi Code Annotated Section 41-43-37.

7. Following the purchase of Forrest Memorial Park in the fall of 1975, the Hights did not maintain or fund a perpetual care trust with the required fifteen percent (15%) set aside of all interment right sales. The failure to trust fifteen percent (15%) on all cemetery lot sales to the public in the past thirty-six (36) years is a violation of Mississippi Code Annotated Section 41-43-37. Furthermore, the failure to trust fifteen percent (15%) of each and every cemetery lot sale since the fall of 1975 is a separate and distinct violation of Mississippi Code Annotated Section 41-43-37(1).

8. Following the purchase of Oaklawn Memorial Park in the fall of 1982, the Hights did not maintain or fund a perpetual care trust with the required fifteen percent (15%) set aside of all interment right sales. The failure to trust fifteen percent (15%) on all cemetery lot sales to the public in the past twenty-eight (28) years is a violation of Mississippi Code Annotated Section 41-43-37. Furthermore, the failure to trust fifteen percent (15%) of each and every cemetery lot sale since the fall of 1982 is a separate and distinct violation of Mississippi Code Annotated Section 41-43-37(1).

9. The perpetual care trust fund principal deficiency for Forrest Memorial Park is Ninety-Seven Thousand, Seven Hundred Sixty Dollars and Forty-Eight Cents ($97,760.48). This

perpetual trust principal deficiency is principal that Mr. Wayne Hight did not trust on cemetery lot sales from the fall of 1975 through July of 2010. This amount does not include the approximately Seventy Thousand Dollars ($70,000.00) that Mr. Hight acquired as trust principal when he purchased the property in the fall of 1975. The perpetual care trust fund principal deficiency for Oaklawn Memorial Park is Eight Thousand Four Hundred Four Dollars and Thirty-Five Cents ($8,404.35). This perpetual trust principal deficiency is principal that Mr. Wayne Hight did not trust on cemetery lot sales from the fall of 1982 through July of 2010. This amount does not include the approximately Five Thousand Dollars ($5,000.00) that Mr. Hight acquired as trust principal when he purchased the property in the fall of 1982.

10. The complete absence of a perpetual care trust fund for Forrest Memorial Park and Oaklawn Memorial Park places the long term maintenance, upkeep, and viability of the cemetery burial grounds at serious risk for not only those who have purchased grave spaces, but also for the departed who purchased the cemetery spaces with the expectation of perpetual care. In addition to being perpetual care cemeteries as defined in Mississippi Code Annotated Section 41-43-33, Forrest Memorial Park and Oaklawn Memorial Park represented to the public that they provided, "Maintenance Fully Paid By Trust Fund." as recently as November of 2011.

11. Since at least April of 1975, the Mississippi Preneed Act has required cemetery owners to trust a required amount for all collections and sales made on the preneed purchase of cemetery merchandise and services, such as burial vaults, memorial markers, and grave opening/closing services. Miss. Code Ann. § 75-63-3 (Rev. 2000), *repealed and*

brought forward at Miss. Code Ann. § 75-63-59 (Rev. 2009). A preneed sale is any purchase of cemetery merchandise and services made by the living when the obligation for delivery and installation from the cemetery does not occur until the death of the purchaser (or the person for whom the merchandise or services were intended). Miss. Code Ann. § 75-63-53(l).

12. Cemeteries that sell preneed merchandise and services must maintain an irrevocable preneed trust managed and maintained by a trustee not associated with the cemetery business or a related business. Miss. Code Ann. § 75-63-59. The trust terms are dictated in large measure by state statute. The statute requires a percentage of all preneed sales and collections to be trusted by a time-based statute. Miss. Code Ann. § 75-63-59. Moreover, disbursements from the trust fund to the cemetery can only be made with the cemetery providing documentation of the purchaser's death along with a letter of performance stating that the cemetery provided all of the contracted merchandise and services to the decedent (vault, memorial, marker, etc.). Miss. Code Ann. § 75-63-59(5). Preneed trust funds are consumer funds trusted on their behalf. The cemetery's ownership in preneed trust funds does not mature until the cemetery provides all of the contracted goods and services following death of the client.

13. From at least April of 1975 until June 30, 2006, preneed providers were required to trust no less than fifty percent (50%) of all customer collections for preneed merchandise and services. Miss. Code Ann. § 75-63-3 (Rev. 2000), *repealed and brought forward effective January 1, 2002, at* Miss. Code Ann. § 75-63-59 (Rev. 2009). customer preneed payments for preneed merchandise and services sold after July 1, 2006. Miss. Code Ann. § 75-63-59 (Rev. 2009).

14. The un-serviced preneed trust deficiencies on contracts sold by Forrest Memorial Park for burial vaults, memorial markers, grave openings/closings, and other miscellaneous preneed merchandise total Three Hundred Five Thousand Seven Hundred Sixty-One Dollars and Ninety-Nine Cents ($305,761.00). The un-serviced preneed trust deficiencies on contracts sold by Oaklawn Memorial Park total Forty- Eight Thousand Six Hundred Eighty Dollars and Fifty-Six Cents ($48,680.56).

15. Forrest Memorial Park and Oaklawn Memorial Park have no consumer preneed trust funds as required by Mississippi Code Annotated Section 75-63-59. As such, its owners have no consumer trust fund or consumer funds set aside to finance the purchase, delivery, and installation of pre-sold burial vaults, memorial markers, etc.

16. Each and every failure by Wayne Hight and Nancy Hight to trust the required amount of all consumer payment for preneed merchandise and services in the past thirty-five (35) years for Forrest Memorial Park, and in the past twenty-eight (28) years for Oaklawn Memorial Park, represents a separate and distinct violation of Mississippi Code Annotated Section 75-63-59, and prior statutes requiring trusting of preneed payments.

17. For the reasons noted above, the Secretary has demonstrated serious and compelling concerns for the financial solvency of Forrest Memorial Park and Oaklawn Memorial Park and particularly their ability to deliver the contractually obligated items of cemetery merchandise and services as claims are made in the future with the passing of clients who purchased the same.

18. Pursuant to Mississippi Code Annotated Section 41-43-38(7), whenever it appears to the Secretary of State or any other interested person that a perpetual care cemetery is insolvent, about to become insolvent, or that no perpetual care trust fund exists for the cemetery, such interested person may bring an action in the chancery court in the county in which the cemetery is located to request just and equitable relief in the public interest, including the appointment of a receiver or receivers to continue or terminate the operation of the business.

19. Pursuant to Mississippi Code Annotated Section 75-63-69(1)(c), whenever it appears to the Secretary of State that any person is engaged in violations of the Mississippi Preneed Act, the Secretary may bring an action in chancery court to enjoin acts or practices and enforce compliance with the preneed laws. Upon a proper showing by the Secretary of State, a receiver may be appointed for the defendant's assets. Miss. Code Ann. § 75-63-69(1)(c).

20. The Secretary of State has demonstrated the "proper showing" for the appointment of a receiver for Forrest Memorial Park Cemetery and Oaklawn Memorial Park Cemetery, and substantial, irreparable and irremediable injury to the public would occur if not so done. JAH

THEREFORE, by the authority conferred in Mississippi Code Annotated Sections 41-43-38(7); 75-63-69(1)(c); and, the court's general powers to appoint a receiver under Section 11-5-151 (Rev. 2002), this court hereby ORDERS the Receivership of Forrest Memorial Park and Oaklawn Memorial Park, perpetual care cemeteries, to conserve, operate, and maintain the businesses in the best interests of the perpetual care and preneed consumers (both living and deceased) and to place the businesses on the path of compliance with the Preneed Act, Miss.

As such, the Receiver is authorized to:

(a.) "take possession of the property or property interests involved in the action, to maintain and preserve it from loss, injury, or inextricable confusion." Griffith, MISSISSIPPI CHANCERY PRACTICE § 466, P. 275;

(d.) to make such ordinary and necessary payments, distributions, and disbursements as the Receiver deems advisable, in accordance with industry standards, for the proper maintenance or preservation of the Receivership Estate, but only to the extent that the Receiver has identified available Receivership assets from which distributions or payments can be made;

(e.) to make appropriate notification to the United States Postal Service to forward delivery of any mail addressed to the Respondents, or any company or entity under the direction and control of Respondents, to himself. Further, the Receiver is authorized to open and inspect all such mail to determine the location or identity of any assets or the existence and amounts of any assets, including, but not limited to, accounts receivable;

(g.) to provide burial plots, the opening and closing of graves, the placing of vaults, and the purchase and placement of markers for at-need contracts, and to undertake any other actions that are inherent in the day-to-day operations of the cemeteries, according to industry standards, if and only if, in the discretion of the Receiver, such services can be provided consistent with the financial ability of the business;

(h.) to make decisions in his sole discretion to determine the extent, if any, that goods and services will be furnished under preneed contracts during the receivership period, taking into account the need to continue operations and to maintain the cemeteries in a manner consistent with prudent administration of perpetual care cemeteries in receivership; such authority is conferred recognizing that the availability of funds for preneed services and merchandise is likely

This data was collected directly from cemetery clients; client files left with the business; visually verifying interments and committed grave spaces; and making comparisons against documentation of past sales. RE: Hight, Michael Brad
Alcorn County, MS Parcel Nos. 080833-01901 & 080833 01902

Dear Mr. Scott:

Hight Funeral Home was erroneously assessed from 2007-2011 on a 4.8 acre tract of cemetery property which adjoins the 2.32 acres on which the funeral home is actually sitting. Upon discovering the error, we tried to correct the error by moving the funeral home building from Alcorn County Parcel No. 080833 01902 (cemetery property) to Parcel No. 080833 01901 for the 2012 taxes; however, when Parcel 080833 01902 sold for 2011 taxes in August, 2012, the building was a part of that parcel. In order to retain the integrity of the tax sale, we simply moved the parcel numbers on our maps to show that the building is correctly assessed on the 2.32 acre tract and that parcel number was changed back to 080833 01902 for the 2012 tax roll.

Alcorn County, MS Parcel No. 080833 01901 is shown correctly as a 4.8 acre tract of cemetery property for 2012 and Parcel 080833 01902 is a 2.32 acre tract of land upon which Hight Funeral Home sits.

I am enclosing a copy of our current parcel map for this area. If we can assist you further, please contact our office.

Sincerely,

Kenneth Brawner

Oaklawn Memorial Park Cemetery is located in Booneville, Mississippi (Prentiss County), and Forrest Memorial Park, Cause No. 2011-0454-02 MM, Alcorn County Chancery Court, has been consolidated with Cause No. 2011-347(59)H, Prentiss County Chancery Court.

4. Since at least 1966, perpetual care cemeteries have been required to remit fifteen percent (15%) of all interment ground burial sales to an irrevocable perpetual care trust. Miss. Code. Ann. § 41-43-37(1)(a). Fifteen percent (15%) of interment sales must be set aside and safeguarded under the management of a trustee for the long term care, maintenance, and upkeep of cemetery property for current and future generations. Only income, interest, and earnings from trust principal can be accessed by the cemetery through the trustee for care and maintenance needs and trust principal must remain inviolate. Miss. Code Ann. § 41-43-37(1).

CHANCERY COURT

5. Wayne Hight and Nancy Hight purchased Forrest Memorial Park in the fall of 1975. When the cemetery was purchased by the Hights in the fall of 1975, the cemetery's perpetual care trust fund acquired with the purchase contained approximately seventy thousand dollars ($70,000.00). Further, in the years following 1975, the perpetual care trust fund principal for Forrest Memorial Park was depleted to a balance of zero, and no perpetual care trust fund exists for Forrest Memorial Park. The depletion of the Forrest Memorial Park's Perpetual Care Trust Fund is a violation of Mississippi Code Annotated Section 41-43-37.

6. Wayne Hight and Nancy Hight purchased Oaklawn Memorial Park in the fall of 1982. When the cemetery was purchased by the Hights in the fall of 1982, the cemetery's

perpetual care trust fund acquired with the purchase contained approximately five thousand dollars ($5,000.00). Further, in the years following 1982, the perpetual care trust fund principal for Oaklawn Memorial Park was depleted to a balance of zero, and no perpetual care trust fund exists for Oaklawn Memorial Park. The depletion of the Oaklawn Memorial Park's Perpetual Care Trust Fund is a violation of Mississippi Code Annotated Section 41-43-37.

7. Following the purchase of Forrest Memorial Park in the fall of 1975, the Hights did not maintain or fund a perpetual care trust with the required fifteen percent (15%) set aside of all interment right sales. The failure to trust fifteen percent (15%) on all cemetery lot sales to the public in the past thirty-six (36) years is a violation of Mississippi Code Annotated Section 41-43-37. Furthermore, the failure to trust fifteen percent (15%) of each and every cemetery lot sale since the fall of 1975 is a separate and distinct violation of Mississippi Code Annotated Section 41-43-37(1).

8. Following the purchase of Oaklawn Memorial Park in the fall of 1982, the Hights did not maintain or fund a perpetual care trust with the required fifteen percent (15%) set aside of all interment right sales. The failure to trust fifteen percent (15%) on all cemetery lot sales to the public in the past twenty-eight (28) years is a violation of Mississippi Code Annotated Section 41-43-37. Furthermore, the failure to trust fifteen percent (15%) of each and every cemetery lot sale since the fall of 1982 is a separate and distinct violation of Mississippi Code Annotated Section 41-43-37(1).

9. The perpetual care trust fund principal deficiency for Forrest Memorial Park is Ninety-Seven Thousand, Seven Hundred Sixty Dollars and Forty-Eight Cents ($97,760.48). This

perpetual trust principal deficiency is principal that Mr. Wayne Hight did not trust on cemetery lot sales from the fall of 1975 through July of 2010. This amount does not include the approximately Seventy Thousand Dollars ($70,000.00) that Mr. Hight acquired as trust principal when he purchased the property in the fall of 1975. The perpetual care trust fund principal deficiency for Oaklawn Memorial Park is Eight Thousand Four Hundred Four Dollars and Thirty-Five Cents ($8,404.35). This perpetual trust principal deficiency is principal that Mr. Wayne Hight did not trust on cemetery lot sales from the fall of 1982 through July of 2010. This amount does not include the approximately Five Thousand Dollars ($5,000.00) that Mr. Hight acquired as trust principal when he purchased the property in the fall of 1982.

10. The complete absence of a perpetual care trust fund for Forrest Memorial Park and Oaklawn Memorial Park places the long-term maintenance, upkeep, and viability of the cemetery burial grounds at serious risk to not only those who have purchased grave spaces, but also for the departed who purchased cemetery spaces with the expectation of perpetual care. In addition to being perpetual care cemeteries as defined in Mississippi Code Annotated Section 41-43-33, Forrest Memorial Park and Oaklawn Memorial Park represented to the public that they provided, "Maintenance Fully Paid By Trust Fund," as recently as November of 2011.

CHANCERY COURT

11. Since at least April of 1975, the Mississippi Preneed Act has required cemetery owners to trust a required amount for all collections and sales made on the preneed purchase of cemetery merchandise and services, such as burial vaults, memorial markers, and grave opening/closing services. Miss. Code Ann. § 75-63-3 (Rev. 2000), *repealed and*

brought forward at Miss. Code Ann. § 75-63-59 (Rev. 2009). A preneed sale is any purchase of cemetery merchandise and services made by the living when the obligation for delivery and installation from the cemetery does not occur until the death of the purchaser (or the person for whom the merchandise or services were intended). Miss. Code Ann. § 75-63-53(l).

12. Cemeteries that sell preneed merchandise and services must maintain an irrevocable preneed trust managed and maintained by a trustee not associated with the cemetery business or a related business. Miss. Code Ann. § 75-63-59. The trust terms are dictated in large measure by state statute. The statute requires a percentage of all preneed sales and collections to be trusted by a date set by statute. Miss. Code Ann. § 75-63-59. Moreover, disbursements from the trust fund to the cemetery can only be made with the cemetery providing documentation of the purchaser's death along with a letter of performance stating that the cemetery provided all of the contracted merchandise and services to the decedent (vault, monument, marker, etc.). Miss. Code Ann. § 75-63-59(5). Preneed trust funds are consumer funds trusted on their behalf. The cemetery's ownership in preneed trust funds does not mature until the cemetery provides all of the contracted goods and services following death of the client.

CHANCERY COURT

13. From at least April of 1975 until June 30, 2006, preneed providers were required to trust no less than fifty percent (50%) of all customer collections for preneed merchandise and services. Miss. Code Ann. § 75-63-3 (Rev. 2000). *repealed and brought forward effective January 1, 2002, at* Miss. Code Ann. § 75-63-59 (Rev. 2009). Effective July 1, 2006, preneed providers have been required to trust eighty-five percent (85%) of all

customer preneed payments for preneed merchandise and services sold after July 1, 2006. Miss. Code Ann. § 75-63-59 (Rev. 2009).

14. The un-serviced preneed trust deficiencies on contracts sold by Forrest Memorial Park for burial vaults, memorial markers, grave openings/closings, and other miscellaneous preneed merchandise total Three Hundred Five Thousand Seven Hundred Sixty-One Dollars and Ninety-Nine Cents ($305,761.00). The un-serviced preneed trust deficiencies on contracts sold by Oaklawn Memorial Park total Forty- Eight Thousand Six Hundred Eighty Dollars and Fifty-Six Cents ($48,680.56).

15. Forrest Memorial Park and Oaklawn Memorial Park have no consumer preneed trust funds as required by Mississippi Code Annotated Section 75-63-59. As such, its owners have no consumer trust funds or consumer funds set aside to finance the purchase, delivery, and installation of pre-sold burial vaults, memorial markers, etc.

16. Each and every failure by Wayne Hight and Nancy Hight to trust the required amount of all consumer payment for preneed merchandise and services in the past thirty-five (35) years for Forrest Memorial Park, and in the past twenty-eight (28) years for Oaklawn Memorial Park, represents a separate and distinct violation of Mississippi Code Annotated Section 75-63-59, and prior statutes requiring trusting of preneed payments.

17. For the reasons noted above, the Secretary has demonstrated serious and compelling concerns for the financial solvency of Forrest Memorial Park and Oaklawn Memorial Park and particularly their ability to deliver the contractually obligated items of cemetery merchandise and services as claims are made in the future with the passing of clients who purchased the same.

19. Pursuant to Mississippi Code Annotated Section 75-63-69(1)(c), whenever it appears to the Secretary of State that any person is engaged in violations of the Mississippi Preneed Act, the Secretary may bring an action in chancery court to enjoin acts or practices and enforce compliance with the preneed laws. ORDER OF RECEIVERSHIP

This consolidated cause came before the Court for a hearing on November 10, 2011, upon the Verified Complaint and Motion for the Appointment of a Receiver for Forrest Memorial Park and Oaklawn Memorial Park, by the Secretary of State ("Secretary"), C. Delbert Hosemann Jr., Petitioner, in his official capacity. By agreement of the parties, counsel for Petitioner made a proffer in open court on the record

FILED: 10:47AM
November 21 20 11
DAVID "BUBBA" POUNDS, CLERK
Lori Rogers D.C.

summarizing the testimony and documentation it intended to present in support of its Motion for the Appointment of a Receiver, to which the Respondents did not object. Therefore, based upon the proffer accepted by the Undersigned in open court, this Court finds as follows:

1. The Secretary is acting pursuant to the Secretary's responsibilities to protect consumers under the Mississippi Preneed Cemetery and Funeral Registration Act (hereafter "the Preneed Act"), Miss. Code Ann. §§ 75-63-51, *et seq.*, and under the Mississippi Perpetual Care Cemetery Act (hereinafter "the Perpetual Care Act"), Miss. Code Ann. §§ 41-43-31, *et seq.*

2. Respondents, Forrest Memorial Park, Corinth, Mississippi, and Oaklawn Memorial Park, Booneville, Mississippi, are a privately owned, for-profit perpetual care cemetery as defined by Mississippi Code Annotated Section 41-43-3. Forrest Memorial Park is located at 740 Highway 45 South, Corinth, Mississippi 38834. Oaklawn Memorial Park is located at Highway 4 West, Booneville, Mississippi 38829. The business operations for Forrest Memorial Park and Oaklawn Memorial Park are conducted at offices located within the facility known as Hight Funeral Home, 740 Highway 45 South, Corinth, Mississippi 38834, with a post office box address at P.O. Box 1044, Corinth, Mississippi 38835. Forrest Memorial Park and Oaklawn Memorial Park are either sole proprietorships owned by Wayne Hight or general partnerships owned by Wayne Hight and Nancy Hight, husband and wife.

3. This Court has jurisdiction over the matters asserted herein pursuant to Miss. Code Ann. § 75-63-69(1) and Miss. Code Ann. § 41-43-38(7). Venue is proper in this Court as the

Oaklawn Memorial Park Cemetery is located in Booneville, Mississippi (Prentiss County), and Forrest Memorial Park, Cause No. 2011-0454-02 MM, Alcorn County Chancery Court, has been consolidated with Cause No. 2011-347(59)H, Prentiss County Chancery Court.

4. Since at least 1966, perpetual care cemeteries have been required to remit fifteen percent (15%) of all interment ground burial sales to an irrevocable perpetual care trust. Miss. Code. Ann. § 41-43-37(1)(a). Fifteen percent (15%) of interment sales must be set aside and safeguarded under the management of a trustee for the long term care, maintenance, and upkeep of cemetery property for current and future generations. Only income, interest, and earnings from trust principal can be accessed by the cemetery through the trustee for care and maintenance needs, and trust principal must remain inviolate. Miss. Code Ann. § 41-43-37(1).

CHANCERY COURT

5. Wayne Hight and Nancy Hight purchased Forrest Memorial Park in the fall of 1975. When the cemetery was purchased by the Hights in the fall of 1975, the cemetery's perpetual care trust fund acquired with the purchase contained approximately seventy thousand dollars ($70,000.00). Further, in the years following 1975, the perpetual care trust fund principal for Forrest Memorial Park was depleted to a balance of zero, and no perpetual care trust fund exists for Forrest Memorial Park. The depletion of the Forrest Memorial Park's Perpetual Care Trust Fund is a violation of Mississippi Code Annotated Section 41-43-37.

6. Wayne Hight and Nancy Hight purchased Oaklawn Memorial Park in the fall of 1982. When the cemetery was purchased by the Hights in the fall of 1982, the cemetery's

perpetual care trust fund acquired with the purchase contained approximately five thousand dollars ($5,000.00). Further, in the years following 1982, the perpetual care trust fund principal for Oaklawn Memorial Park was depleted to a balance of zero, and no perpetual care trust fund exists for Oaklawn Memorial Park. The depletion of the Oaklawn Memorial Park's Perpetual Care Trust Fund is a violation of Mississippi Code Annotated Section 41-43-37.

7. Following the purchase of Forrest Memorial Park in the fall of 1975, the Hights did not maintain or fund a perpetual care trust with the required fifteen percent (15%) set aside of all interment right sales. The failure to trust fifteen percent (15%) on all cemetery lot sales to the public in the past thirty-six (36) years is a violation of Mississippi Code Annotated Section 41-43-37. Furthermore, the failure to trust fifteen percent (15%) of each and every cemetery lot sale since the fall of 1975 is a separate and distinct violation of Mississippi Code Annotated Section 41-43-37(1).

8. Following the purchase of Oaklawn Memorial Park in the fall of 1982, the Hights did not maintain or fund a perpetual care trust with the required fifteen percent (15%) set aside of all interment right sales. The failure to trust fifteen percent (15%) on all cemetery lot sales to the public in the past twenty-eight (28) years is a violation of Mississippi Code Annotated Section 41-43-37. Furthermore, the failure to trust fifteen percent (15%) of each and every cemetery lot sale since the fall of 1982 is a separate and distinct violation of Mississippi Code Annotated Section 41-43-37(1).

9. The perpetual care trust fund principal deficiency for Forrest Memorial Park is Ninety-Seven Thousand, Seven Hundred Sixty Dollars and Forty-Eight Cents ($97,760.48). This

perpetual trust principal deficiency is principal that Mr. Wayne Hight did not trust on cemetery lot sales from the fall of 1975 through July of 2010. This amount does not include the approximately Seventy Thousand Dollars ($70,000.00) that Mr. Hight acquired as trust principal when he purchased the property in the fall of 1975. The perpetual care trust fund principal deficiency for Oaklawn Memorial Park is Eight Thousand Four Hundred Four Dollars and Thirty-Five Cents ($8,404.35). This perpetual trust principal deficiency is principal that Mr. Wayne Hight did not trust on cemetery lot sales from the fall of 1982 through July of 2010. This amount does not include the approximately Five Thousand Dollars ($5,000.00) that Mr. Hight acquired as trust principal when he purchased the property in the fall of 1982.

10. The complete absence of a perpetual care trust fund for Forrest Memorial Park and Oaklawn Memorial Park places the long term maintenance, upkeep, and viability of the cemetery burial grounds at serious risk to not only those who have purchased grave spaces, but also for the departed who purchased cemetery spaces with the expectation of perpetual care. In addition to being perpetual care cemeteries as defined in Mississippi Code Annotated Section 41-43-33, Forrest Memorial Park and Oaklawn Memorial Park represented to the public that they provided, "Maintenance Fully Paid By Trust Fund," as recently as November of 2011.

11. Since at least April of 1975, the Mississippi Preneed Act has required cemetery owners to trust a required amount for all collections and sales made on the preneed purchase of cemetery merchandise and services, such as burial vaults, memorial markers, and grave opening/closing services. Miss. Code Ann. § 75-63-3 (Rev. 2000), *repealed and*

brought forward at Miss. Code Ann. § 75-63-59 (Rev. 2009). A preneed sale is any purchase of cemetery merchandise and services made by the living when the obligation for delivery and installation from the cemetery does not occur until the death of the purchaser (or the person for whom the merchandise or services were intended). Miss. Code Ann. § 75-63-53(l).

12. Cemeteries that sell preneed merchandise and services must maintain an irrevocable preneed trust managed and maintained by a trustee not associated with the cemetery business or a related business. Miss. Code Ann. § 75-63-59. The trust terms are dictated in large measure by state statute. The statute requires a percentage of all preneed sales and collections to be trusted by a time-set by statute. Miss. Code Ann. § 75-63-59. Moreover, disbursements from the trust fund to the cemetery can only be made with the cemetery providing documentation of the purchaser's death along with a letter of performance stating that the cemetery provided all of the contracted merchandise and services to the decedent (vault, monument, marker, etc.). Miss. Code Ann. § 75-63-59(5). Preneed trust funds are consumer funds trusted on their behalf. The cemetery's ownership in preneed trust funds does not mature until the cemetery provides all of the contracted goods and services following death of the client.

CHANCERY COURT

13. From at least April of 1975 until June 30, 2006, preneed providers were required to trust no less than fifty percent (50%) of all customer collections for preneed merchandise and services. Miss. Code Ann. § 75-63-3 (Rev. 2000), *repealed and brought forward effective January 1, 2002, at* Miss. Code Ann. § 75-63-59 (Rev. 2009). customer preneed payments for preneed merchandise and services sold after July 1, 2006. Miss. Code Ann. § 75-63-59 (Rev. 2009).

14. The un-serviced preneed trust deficiencies on contracts sold by Forrest Memorial Park for burial vaults, memorial markers, grave openings/closings, and other miscellaneous preneed merchandise total Three Hundred Five Thousand Seven Hundred Sixty-One Dollars and Ninety-Nine Cents ($305,761.00). The un-serviced preneed trust deficiencies on contracts sold by Oaklawn Memorial Park total Forty- Eight Thousand Six Hundred Eighty Dollars and Fifty-Six Cents ($48,680.56).

15. Forrest Memorial Park and Oaklawn Memorial Park have no consumer preneed trust funds as required by Mississippi Code Annotated Section 75-63-59. As such, its owners have no consumer trust fund or consumer funds set aside to finance the purchase, delivery, and installation of pre-sold burial vaults, memorial markers, etc.

CHANCERY COURT

16. Each and every failure by Wayne Hight and Nancy Hight to trust the required amount of all consumer payment for preneed merchandise and services in the past thirty-five (35) years for Forrest Memorial Park, and in the past twenty-eight (28) years for Oaklawn Memorial Park, represents a separate and distinct violation of Mississippi Code Annotated Section 75-63-59, and prior statutes requiring trusting of preneed payments.

17. For the reasons noted above, the Secretary has demonstrated serious and compelling concerns for the financial solvency of Forrest Memorial Park and Oaklawn Memorial Park and particularly their ability to deliver the contractually obligated items of cemetery merchandise and services as claims are made in the future with the passing of clients who purchased the same.

18. Pursuant to Mississippi Code Annotated Section 41-43-38(7), whenever it appears to the Secretary of State or any other interested person that a perpetual care cemetery is insolvent, about to become insolvent, or that no perpetual care trust fund exists for the cemetery, such interested person may bring an action in the chancery court in the county in which the cemetery is located to request just and equitable relief in the public interest, including the appointment of a receiver or receivers to continue or terminate the operation of the business.

19. Pursuant to Mississippi Code Annotated Section 75-63-69(1)(c), whenever it appears to the Secretary of State that any person is engaged in violations of the Mississippi Preneed Act, the Secretary may bring an action in chancery court to enjoin acts or practices and enforce compliance with the preneed law. Upon a proper showing by the Secretary of State, a receiver may be appointed for the defendant's assets. Miss. Code Ann. § 75-63-69(1)(c).

20. The Secretary of State has demonstrated the "proper showing" for the appointment of a receiver for Forrest Memorial Park Cemetery and Oaklawn Memorial Park Cemetery.

THEREFORE, by the authority conferred in Mississippi Code Annotated Sections 41-43-38(7); 75-63-69(1)(c); and, the court's general powers to appoint a receiver under Section 11-5-151 (Rev. 2002), this court hereby ORDERS the Receivership of Forrest Memorial Park and Oaklawn Memorial Park, perpetual care cemeteries, to conserve, operate, and maintain the businesses in the best interests of the perpetual care and preneed consumers (both living and deceased) and to place the businesses on the path of compliance with the Preneed Act, Miss.
