Blank Ballots

- Blank ballots are ballots that a voting machine rejects because it does not detect a vote on the ballot.
- The Resolution Board must examine a blank ballot to verify whether it is blank or marked with a "non-detectable" marking device.
- If marked with a "non-detectable" marking device, the Resolution Board may mark over the voter's mark with a detectable marking device then insert it into the voting machine for counting.

DELBERT HOSEMANN
Secretary of State

Blank Ballots

- Marking over a non-detectable marking will inevitably lead to fraud or accusations of fraud.
- Secretary of State's Office recommends that you prepare a duplicate ballot, instead of marking over voter's mark.
- Secretary of State's Office also recommends you put this practice in writing and record it in your minutes.

Evaluation Standards

1. An over-vote for any office or measure results in an invalid vote for that entire office or measure and the voter is deemed to have voted for none. An under-vote for a particular office or measure will be valid but no vote will be counted more than once.
2. If a voter casts more than one vote for the same candidate, the first vote is valid and the other votes for that candidate are invalid.

DELBERT HOSEMANN
Secretary of State

Evaluation Standards

3. A write-in vote for a candidate will not be considered to be defective if the name is misspelled or identified by an abbreviation so long as the intent of the voter can be ascertained.
4. When a voter writes in the name of a candidate for President of the United States whose name is printed on the ballot, the failure by the voter to write in the name of a Vice President choice does not invalidate the vote for the slate of electors.

DELBERT HOSEMANN
Secretary of State

Evaluation Standards

5. For any ballot measure in which the words "for" or "against" are used, the Resolution Board shall count a vote where a voter marks the ballot by writing the words "for" or "against" so long as it is not written next to the space that is contrary to the preference.
6. For any ballot measure in which the words "yes" or "no" are used, the Resolution Board shall count a vote where a voter marks the ballot by writing the words "yes" or "no" so long as it is not written next to the space that is contrary to the preference.

DELBERT HOSEMANN
Secretary of State

OMR Ballot
Acceptable Marks

- In reviewing a ballot that a voter fails to fill in the circle, a Resolution Board shall count the vote if:
 1. The voter marks the circle with an (X) or checkmark and the lines intersect within or on the line of the circle by the ballot measure or candidate.
 2. The voter blackens the circle and the blackened portion extends beyond the boundaries of the circle.
 3. The voter marks the ballot with an (X) or checkmark and the lines that form the mark intersect adjacent to the ballot measure or the name of the candidate.

DELBERT HOSEMANN
Secretary of State

OMR Ballot
Acceptable Marks (cont.)

4. The voter underlines the ballot measure or the name of a candidate.
5. The voter draws a line from the circle to a ballot measure or the name of a candidate.
6. The voter draws a circle around the ballot measure or the name of the candidate.
7. The voter draws a circle around the circle adjacent to the ballot measure or the name of the candidate.

- ⦿ Pollbook, receipt book, and ballot shall be carried to the vehicle by two or more pollmanagers. (Miss. Code Ann. Section 23-15-541)

Voting Process (continued)

- ⦿ If a voter spoils a ballot, he may obtain another upon returning the spoiled ballot. However, he may not exceed three (3) in all.

(MS Code Sect. 23-15-553)

Affidavit Ballots

- ⊙ A person whose name does not appear in the pollbook is not permitted to vote a regular ballot. The person may vote by "affidavit" (provisional) ballot.
- ⊙ Voter and pollmanager must complete affidavit ballot envelope. (See Miss. Code Section 23-15-573). Voter then completes ballot in private and returns folded ballot to manager when completed.
- ⊙ Election Commission determines whether affidavit ballots will be counted after close of polls.
- ⊙ The Poll Manager gives the voter written instructions on how to ascertain if his vote counted and if not why by contacting the Clerk's Office or Election Commission.

Challenges

- ⊙ Who can challenge a vote?
 - A candidate whose name is on ballot;
 - Candidate's authorized pollwatcher;
 - Political party's authorized pollwatcher (not applicable for party primary election);
 - Any qualified voter from that precinct; or
 - Any poll manager in the polling place.

(Miss. Code Section 23-15-571)

Reasons for Challenge

- ⊙ The person is not a registered voter in the precinct.
- ⊙ The person is not the registered voter under whose name he has applied to vote.
- ⊙ The person has already voted.
- ⊙ The person is not a resident in the precinct where he is registered.
- ⊙ The person has illegally registered to vote.
- ⊙ The person has removed his ballot from the polling place.
- ⊙ The person is otherwise disqualified by law.

(Miss. Code Section 23-15-571)

Possible Rulings on Challenge

- ⦿ Challenge determined to be frivolous.
- ⦿ Challenge unanimously determined to be well taken. (Rejected)
- ⦿ Challenge not unanimously determined to be well taken. (Challenged)

(Miss. Code Section 23-15-579)

Frivolous Challenge

- ⦿ If a majority of the Poll Managers believe the challenge is frivolous, disregard the challenge and accept the offered vote as if it had not been challenged by allowing the voter to vote a regular election ballot

Challenge unanimously determined to be well taken

- ⦿ If in the unanimous opinion of the Poll Managers the challenge is well taken, the ballot is rejected in the following manner:
 - Mark "rejected" on the back of the ballot
 - Write the name of the voter on the back
 - Place the ballot in a separate envelope marked "rejected"
 - Seal & return it in the ballot box.

Challenge not unanimously determined to be well taken

⊙If the Poll Managers cannot unanimously agree:

- Mark "challenge" on the ballot;
- Place ballot in a separate envelope labeled "challenged"; and
- At close of polls and after all the unchallenged ballots have been counted, tallied and totaled, the challenged ballots are separately counted, tallied and totaled with a separate return made of the challenged ballots.

Counting the Vote

1. When the polls have been closed, the poll managers shall publicly open the boxes and immediately proceed to count the ballots.
2. The poll managers shall first take the envelopes containing absentee ballots from the box. (Miss. Code Section 23-15-639)
 - a. Poll managers shall announce the name, address & precinct inscribed on each envelope.
 - b. The signature on the application shall then be compared with the signature on the back of the envelope.
 - c. If the managers find that the applicant is a registered voter of that precinct and that he has not appeared in person and voted, the envelope shall be opened and the ballot removed from the envelope without being unfolded, or permitted to be unfolded or examined.
 - d. The ballot shall then be placed in the ballot box to be counted with the other ballots.
 - e. The managers shall enter the voter's name on the poll list as if he had been present and voted in person.

Counting the Vote (continued)

3. In counting the ballots, the poll managers must read aloud the names of the persons voted for, which shall be taken down and called by the designated manager.

During the counting of the ballots, the whole proceedings must be in fair and full view of the voting public without unnecessary interference, delay or encroachment upon the good order of the duties and proceedings of the managers (MS Code Sects. 23-15-581, 23-15-639)

Counting the Vote (continued)

4. When the votes have been completely and correctly counted and tallied by the managers, they must publicly proclaim the result of the election at their box and shall certify in duplicate a statement of the result. Must be signed by one of the managers. One of the certificates is to be enclosed in the ballot box, and the other to be delivered to and kept by one of the managers who shall allow any voter to inspect the certificate.

(MS Code Sect. 23-15-591)

Counting the Vote (continued)

- ⦿ Candidates or their duly authorized representatives shall have the right to reasonably view and inspect the ballots as they are taken from the box and counted, and to reasonably view and inspect tally sheets, papers and other documents used in the election except, of course, the secret ballots being voted and placed and held in the ballot box.

(Miss Code Ann Section. 23-15-581)

Sealing the Ballot Box

- ⦿ After the count of the votes and tally have been completed, the poll managers must place certain materials in the ballot box, which then must be locked and sealed.

Materials to be sealed in the ballot box include:

- ⊗ Ballots voted;
- ⊗ Spoiled ballots;
- ⊗ Unused ballots;
- ⊗ One of the duplicate receipts given by the Receiving & Returning Manager;
- ⊗ Tally list;
- ⊗ Receipt book;
- ⊗ If the total ballots and spoiled ballots and the unused ballots do not correspond in total with the duplicate receipt, a written statement, under oath of the managers, accounting for the discrepancy must also be enclosed in the box.
(MS Code Sect. 23-15-591)

The ballot boxes are to be returned to the Clerk's Office/Courthouse to be available to the election commission or party executive committee for their canvass of the returns on the day after the election.

- The fees and statements of intent are forwarded promptly to the secretary of the municipal party executive committee. (23-15-309)

- Before being disqualified, a candidate must be given notice and the opportunity for a hearing.

**23-15-309: Party Executive Committee

The executive committee shall determine whether the candidate has taken the steps necessary to qualify for more than one (1) office at the election. The committee also shall determine whether any candidate has been convicted of any felony in a court of this state, or has been convicted on or after December 8, 1992, of any offense in another state which is a felony under the laws of this state, or has been convicted of any felony in a federal court on or after December 8, 1992. Excepted from the above are convictions of manslaughter and violations of the United States Internal Revenue Code or any violations of the tax laws of this state unless such offense also involved misuse or abuse of his office or money coming into his hands by virtue of his office. If the proper municipal executive committee finds that a candidate either (a) does not meet all qualifications to hold the office he seeks and fails to provide absolute proof, subject to no contingencies, that he will meet the qualifications on or before the date of the general or special election at which he could be elected, or (b) has been convicted of felony as described in this subsection and not pardoned, then the name of such candidate shall not be placed upon the ballot. If the executive committee determines that the candidate has taken the steps necessary to qualify for more than one (1) office at the election, the action required by Section 23-15-905, shall be taken.

23-15-309(4) sentence 1

- the proper municipal executive committee shall then determine whether each candidate is a qualified elector of the municipality, and of the ward if the office sought is a ward office, shall determine whether each candidate either meets all other qualifications to hold the office he is seeking or presents absolute proof that he will, subject to no contingencies, meet all qualifications on or before the date of the general or special election at which he could be elected to office.

23-15-309(4) sentences 3 and 4

Excepted from the above are convictions of manslaughter and violations of the United States Internal Revenue Code or any violations of the tax laws of this state unless such offense also involved misuse or abuse of his office or money coming into his hands by virtue of his office.

23-15-309(4) sentence 5

- If the proper municipal executive committee finds that a candidate either (a) does not meet all qualifications to hold the office he seeks and fails to provide absolute proof, subject to no contingencies, that he will meet the qualifications on or before the date of the general or special election at which he could be elected, or (b) has been convicted of a felony as described in this subsection and not pardoned, then the name of such candidate shall not be placed upon the ballot.

Qualifying for more than one office.

- 23-15-905 and 23-15-309 provide that the executive committee shall determine if a candidate qualified for more than one office for an election held on the same day.
- If so, the executive committee shall determine which office the candidate last qualified for and the candidate shall be considered as qualifying for that office only.

**Ruling on Candidate Qualifications-
General Election Candidates**

- Election Commissions rule on each independent candidate's legal qualifications, AND rule on party nominees before their names are placed on the general election ballot. The names of candidates who are not qualified electors, who do not meet the other qualifications for the office, or have been convicted of disqualifying crimes, cannot be placed on the ballot.
- Before being disqualified, a candidate must be given notice and the opportunity for a hearing.

**23-15-361: Election Commission Duties
regarding Candidate Qualifications**

(5) The municipal commission shall determine whether each party candidate in the municipal general election is a qualified elector of the municipality, and of the ward if the office sought is a ward office and shall determine whether each candidate either meets all other qualifications to hold the office he is seeking or presents absolute proof that he will, subject to no contingencies, meet all qualifications on or before the date of the general or special election at which he could be elected to office. The municipal election commission also shall determine whether any candidate has been convicted of any felony in a court of this state, or has been convicted on or after December 8, 1992, of any offense in another state which is a felony under the laws of this state, or has been convicted of any felony in a federal court on or after December 8, 1992. Excepted from the above are convictions of manslaughter and violations of the United States Internal Revenue Code or any violations of the tax laws of this state unless such offense also involved misuse or abuse of his office or money coming into his hands by virtue of his office. If the municipal election commission finds that a candidate either (a) is not a qualified elector, (b) does not meet all qualifications to hold the office he seeks and fails to provide absolute proof, subject to no contingencies, that he will meet the qualifications on or before the date of the general or special election at which he could be elected, or (c) has been convicted of a felony as described above and not pardoned, then the name of the candidate shall not be placed upon the ballot.

23-15-361(5) sentence 1

- The municipal commission shall determine whether each party candidate in the municipal general election is a qualified elector of the municipality, and of the ward if the office sought is a ward office and shall determine whether each candidate either meets all other qualifications to hold the office he is seeking or presents absolute proof that he will, subject to no contingencies, meet all qualifications on or before the date of the general or special election at which he could be elected to office.

23-15-361(5) sentences 2 & 3

- The municipal election commission also shall determine whether any candidate has been convicted of any felony in a court of this state, or has been convicted on or after December 8, 1992, of any offense in another state which is a felony under the laws of this state, or has been convicted of any felony in a federal court on or after December 8, 1992. Excepted from the above are convictions of manslaughter and violations of the United States Internal Revenue Code or any violations of the tax laws of this state *unless* such offense also involved misuse or abuse of his office or money coming into his hands by virtue of his office.

23-15-361(5) sentence 4

- If the municipal election commission finds that a candidate either (a) is not a qualified elector, (b) does not meet all qualifications to hold the office he seeks *and fails to provide absolute proof, subject to no contingencies, that he will meet the qualifications on or before the date of the general or special election at which he could be elected,* or (c) has been convicted of a felony as described above and not pardoned, then the name of the candidate shall not be placed upon the ballot.

Qualifying for more than one office.

- 23-15-905 provides that the election commission shall determine if a candidate qualified for more than one office for an election held on the same day.
- If so, the election commission shall determine which office the candidate last qualified for and the candidate shall be considered as qualifying for that office only.

Other qualifications you may need to determine.

- Refer to the Secretary of State's Qualifying Guide for qualifications of each office and the corresponding citations to state law.
- Durational residency requirements for some forms of municipal government (but NOT in code charter mayor/ alderman form of government).
- Special charter municipalities may have additional candidate qualification requirements.

Qualifications of Candidates: When they must be met.

- On the date the Executive Committees and Election Commissions meet to rule on candidate qualifications, the candidate must meet all qualifications to hold the office he is seeking or must present absolute proof that he will, subject to no contingencies, meet all qualifications on or before the date of the general or special election at which he could be elected to office.

Disqualifying crimes

- The candidate must not have been convicted in a Mississippi state court of any felony; or convicted in a federal court of a felony or convicted in the court of any other state of any felony that is a felony in Mississippi (other than manslaughter or IRS or other tax law violations, unless such offense also involved misuse or abuse of his/her office or money coming into his/her hands by virtue of his/her office) after December 8, 1992. (§44, Miss. Constitution of 1890)

Nonadjudications

MS AG Op., Lagasse (Sept 27, 2002) & MS AG Op., Watts (Sept 24, 1999)

- Miss. Code Ann. Section 99-15-26 is the main nonadjudication statute.
- Pursuant to that statute's provisions the acceptance of the plea of guilty is being withheld pending the successful completion of the conditions set forth in the Order of *Nonadjudication*.
- Therefore, there has been no conviction or acceptance of a guilty plea. If the candidate meets all other requirements to hold office, his name is eligible to be placed on the ballot.

Expunged convictions

MS AG Op., Dees (June 2, 1997)

- Also called expungement and expunction.
- Once expunged, convictions are not public record.
- Miss. Code Ann. Section 41-29-150 (1972) is one of the statutory provisions for expungement.
- A court order *expunging* a criminal record made pursuant to Section 41-29-150 would restore such individual to the status that he occupied prior to such conviction, and would not act as a disqualification to running for public office.

Qualifications: Residency

- The candidate must be a qualified voter and resident of the county, and if the office is elected from a county district, must be a resident of the county district.
- Determination of residency is a factual determination. There are some guidelines in court and AG opinions, but it will always be a question of fact decided by the executive committee in primaries and election commissions in general elections.

Candidate Residency a Question of Fact

(Davies, 2-23-01)

- Residency of a potential candidate for public office is a question of fact that must be determined by the appropriate election commission and, in case of a primary, the appropriate party executive committee.

Supreme Court on Residency

(Norwood, 9-5-97)

- The Mississippi Supreme Court (in *Hinds Co. Elec. Comm. v. Brinston* (671 So.2d 667)) has held that the county of domicile requires an actual residence be voluntarily established with a bona fide intention of remaining in that county for an indefinite period of time. If the election commission finds that an individual satisfies the residency requirements as a matter of fact, the commission must include that name upon the ballot. The election commission is authorized to inquire into the residency of a candidate prior to the printing of the ballots. If a candidate does not satisfy the residency requirement, then the burden shifts to the candidate to negate the finding of the commission.
- NOTE: Notice and opportunity for a hearing required.

Homestead Exemption in Residency Issues

- The *Brinston* case from the Miss. Supreme Court also establishes how homestead exemption is to be weighed in determining residency:
- “There is a strong but rebuttable presumption of residency in the county where the homestead exemption is filed. The location of the homestead exemption creates this strong presumption because of the benefit in the form of tax relief one receives by filing.”

Residency and Abandonment of Old Residence

- Residency and domicile are synonymous. Domicile, once established, continues until removal to another locality with intent to remain there and abandonment of the old domicile without intent to return. MS AG Op., Conaway (September 20, 1989) quoting from:
 - Hubbard v. McKey, 193 So.2d 129 (1966).

If statements of intent conflict with the facts.

- In determining domicile, one's statements of intent are entitled to little weight when in conflict with the facts.
 - Cheek v. Fortune, 341 F.Supp 729 (N.D.Miss., 1972)

Long continued residence as a factor in the absence of avowed intention.

- Long continued residence is controlling and conclusive in determining the question of domicile in the absence of any avowed intention, and of acts which indicate a contrary intention.
 - Stubbs v. Stubbs, 211 So.2d 821 (1968)

Intention must be unqualified.

- The intention to make a home must be an unqualified one, not conditional on the happening of a future event.
- Jones v. State, 207 Miss. 208, 42 So.2d 123 (1949)

**Contesting candidate qualifications –
Party candidates**

- 23-15-961.
- A very short window to challenge a party candidate’s statutory qualifications: Within 10 days after the qualifying deadline.
- The initial complaint is filed with the party executive committee, who must have a hearing on the matter within 10 days of receipt of complaint.
- Their decision, or failure to timely act, may be appealed to circuit court.

**Contesting candidate qualifications:
General Election**

- 23-15-963. The Miss. Supreme Court held in *Rogers v. Cain*, 9 So.3d 1124 (2009) that 23-15-963 does not apply to municipal elections.
- Accordingly, the pre-election remedy to challenge candidates who do not meet statutory qualifications is no longer available.

Thank you.
