

# SEMS 5.1 MODULE UPDATES

Presented By:  
Stephanie McCann  
Elections IT Division  
The Mississippi Secretary of State's  
Office

DELBERT ROSEMAN  
Secretary of State

---

---

---

---

---

---

---

---

## VOTER SEARCH

- "State" is now an option for mailing address.

DELBERT ROSEMAN  
Secretary of State

---

---

---

---

---

---

---

---

## VOTER SEARCH

- The list of flex labels set up in system configuration is now available when printing household labels from Voter Search.

Secretary of State

---

---

---

---

---

---

---

---

### Reports and Labels (cont.)

- BP-001 – Accepted/Rejected are properly lined up on the report for ease of use
- BP-007 – Modified date and user options have been added to the sort criteria.
- Voter profile report - The email function has been disabled.
- VR-003- Users can now run this report without errors.
- VR-008- The entire report can be saved without splitting into separate precincts.

DELBERT HOSEMANN  
Secretary of State

---

---

---

---

---

---

---

---

### Reports and Labels (cont.)

- BP-001 – A grand total for all precincts has been added to the end of this report.
- BP- 002 – Ballot style number has been removed from this report.

DELBERT HOSEMANN  
Secretary of State

---

---

---

---

---

---

---

---

### New Reports

- EMEX 002 – Election Day Report – Users can save or print voter information outside of SEMS to review polling places when voters call in. This will help reduce the load on Voter Search on Election Day and/or Supplement if SEMS is unavailable.

DELBERT HOSEMANN  
Secretary of State

---

---

---

---

---

---

---

---

### New Reports (cont.)

- BP- 035 – Number of Absentee Ballots – Gives the number of absentee ballot by status.
- E – 024 – Displays the number of voters in the Poll Book, Voter History Processed, and Voter Turnout Percentage.
- E- 023 – Voter Turnout report –Includes the number of votes cast, the number of registered voters, and the turnout percentage by precinct.

DELBERT HOSEMANN  
Secretary of State

---

---

---

---

---

---

---

---

### State Agency

- DOH SEARCH – The option to run DOH search by State of Mississippi has been corrected.

DELBERT ROSEMAN  
Secretary of State

---

---

---

---

---

---

---

---

---

---

### System Configuration

- Voter Purge Report – The voter's reason for being inactive has been added.
