## Candidate Qualifying

- The fees and statements of intent are forwarded promptly to the secretary of the municipal party executive committee. (23-15-309)
- Independent candidates qualify by filing a petition with the municipal clerk's office by the qualifying deadline. Municipal clerk notifies election commission of all persons filing petitions within 2 business days.

**Ruling on Candidate Qualifications-Party Candidates**

- Party executive committees rule on each party candidate's legal qualifications. The names of candidates who are not qualified electors, who do not meet the other qualifications for the office, or have been convicted of disqualifying crimes, cannot be placed on the ballot.
- Before being disqualified, a candidate must be given notice and the opportunity for a hearing.

Excepted from the above are convictions of manslaughter and violations of the United States Internal Revenue Code or any violations of the tax laws of this state unless such offense also involved misuse or abuse of his office or money coming into his hands by virtue of his office. If the proper municipal executive committee finds that a candidate either (a) does not meet all qualifications to hold the office he seeks and fails to provide absolute proof, subject to no contingencies, that he will meet the qualifications on or before the date of the general or special election at which he could be elected, or (b) has been convicted of felony as described in this subsection and not pardoned, then the name of such candidate shall not be placed upon the ballot. ### Nonadjudications

MS AG Op., Lagasse (Sept 27, 2002) & MS AG Op., Watts (Sept 24, 1999)

- Miss. Code Ann. Section 99-15-26 is the main nonadjudication statute.
- Pursuant to that statute's provisions the acceptance of the plea of guilty is being withheld pending the successful completion of the conditions set forth in the Order of Nonadjudication.
- Therefore, there has been no conviction or acceptance of a guilty plea. If the candidate meets all other requirements to hold office, his name is eligible to be placed on the ballot.

---

---

---

---

---

---

---

---

### Expunged convictions

MS AG Op., Dees (June 2, 1997)

- Also called expungement and expunction.
- Once expunged, convictions are not public record.
- Miss. Code Ann. Section 41-29-150 (1972) is one of the statutory provisions for expungement.
- A court order expunging a criminal record made pursuant to Section 41-29-150 would restore such individual to the status that he occupied prior to such conviction, and would not act as a disqualification to running for public office.

---

---

---

---

---

---

---

---

### Qualifications: Residency

- The candidate must be a qualified voter and resident of the municipality, and if the office is elected from a ward, must be a resident of the district.
- Determination of residency is a factual determination. There are some guidelines in court and AG opinions, but it will always be a question of fact decided by the executive committee in primaries and election commissions in general elections.

---

---

---

---

---

---

---

---

## Candidate Residency a Question of Fact

(Davies, 2-23-01)

- Residency of a potential candidate for public office is a question of fact that must be determined by the appropriate election commission and, in case of a primary, the appropriate party executive committee.

---

---

---

---

---

---

---

---

## Supreme Court on Residency

(Norwood, 9-5-97)

- The Mississippi Supreme Court (in *Hinds Co. Elec. Comm. v. Brinston* (671 So.2d 667)) has held that the county of domicile requires an actual residence be voluntarily established with a bona fide intention of remaining in that county for an indefinite period of time. If the election commission finds that an individual satisfies the residency requirements as a matter of fact, the commission must include that name upon the ballot. The election commission is authorized to inquire into the residency of a candidate prior to the printing of the ballots. If a candidate does not satisfy the residency requirement, then the burden shifts to the candidate to negate the finding of the commission.
- NOTE: Notice and opportunity for a hearing required.

---

---

---

---

---

---

---

---

## Homestead Exemption in Residency Issues

- The *Brinston* case from the Miss. Supreme Court also establishes how homestead exemption is to be weighed in determining residency:
- “There is a strong but rebuttable presumption of residency in the county where the homestead exemption is filed. The location of the homestead exemption creates this strong presumption because of the benefit in the form of tax relief one receives by filing.”

---

---

---

---

---

---

---

---

**Residency and Abandonment of Old Residence**

- Residency and domicile are synonymous. Domicile, once established, continues until removal to another locality with intent to remain there and abandonment of the old domicile without intent to return. MS AG Op., Conaway (September 20, 1989) quoting from:
  - Hubbard v. McKey, 193 So.2d 129 (1966).

---

---

---

---

---

---

---

---

**If statements of intent conflict with the facts.**

- In determining domicile, one's statements of intent are entitled to little weight when in conflict with the facts.
- Cheek v. Fortune, 341 F.Supp 729 (N.D.Miss., 1972)

---

---

---

---

---

---

---

---

**Long continued residence as a factor in the absence of avowed intention.**

- Long continued residence is controlling and conclusive in determining the question of domicile in the absence of any avowed intention, and of acts which indicate a contrary intention.
- Stubbs v. Stubbs, 211 So.2d 821 (1968)

---

---

---

---

---

---

---

---

**Intention must be unqualified.**

- The intention to make a home must be an unqualified one, not conditional on the happening of a future event.
- Jones v. State, 207 Miss. 208, 42 So.2d 123 (1949)

---

---

---

---

---

---

---

---

**Contesting candidate qualifications –  
Party candidates**

- 23-15-961.
- A very short window to challenge a party candidate’s statutory qualifications: Within 10 days after the qualifying deadline.
- The initial complaint is filed with the party executive committee, who must have a hearing on the matter within 10 days of receipt of complaint.
- Their decision, or failure to timely act, may be appealed to circuit court.
