

2011 Mississippi House & Senate Candidates

Jackson, MS—Because the decennial census was not received from the U.S. Secretary of Commerce by the Governor by January 1, 2011, the qualifying deadline for State House and Senate seats was extended by the State Legislature to today, June 1, 2011, by 5:00 pm.

Party candidates submit qualifying papers to their respective parties. Only independent candidates submit qualifying papers to the Secretary of State. Please note, the following list is a list of candidates who have *submitted* qualifying papers in their respective parties. Party executive committees must still meet to determine if a candidate meets all qualifications for the office sought.
