Payment shall not be made for a period of three (3) days after the purchase transaction.

(9) If a person acquiring metal property fails to maintain the records or to hold such materials for the period of time prescribed by this section, such failure shall be prima facie evidence that the person receiving the metal property received it knowing it to be stolen in violation of Section 97-17-70.

(10) It shall be unlawful for any person to transport or cause to be transported for himself or another from any point within this state to any point outside this state any metal property, unless the person or entity first reports to the sheriff of the county from which he departs this state transporting such materials the same information that a purchaser in this state would be required to obtain and keep in a record as set forth in subsection (2) of this section. In such a case the sheriff receiving the report shall keep the information in records maintained in his office as a public record available for inspection by any person at all reasonable times. However, it shall not be unlawful to purchase or possess a metal syrup tank generally used by the soft drink industry if the scrap metal dealer or other purchaser obtains a bill of sale at the time of purchase from a seller if the seller is a manufacturer of such tanks, a soft drink company or a soft drink distributor.

(12) It shall be unlawful to sell to a scrap metal dealer any bronze vase and/or marker, memorial, statue, plaque, or other bronze object used at a cemetery or other location where deceased persons are interred or memorialized, or for any such dealer to purchase those objects, unless the source of the bronze is known and notice is provided to the municipal or county law enforcement

agency where the dealer is located. The notice shall identify all names, letters, dates and symbols on the bronze and a photograph of the bronze shall be attached thereto. Written permission from the cemetery and the appropriate law enforcement agency must be received before any type of bronze described in this subsection may be purchased, processed, sold or melted.

(13) It shall be unlawful for any scrap metal dealer to purchase any manhole cover and other similar types of utility access covers, including storm drain covers, or any metal property clearly identified as belonging to a political subdivision of the state or a municipality, unless that metal property is purchased from the political subdivision, the municipal utility or the manufacturer of the metal. Any purchaser who purchases metal property in bulk shall be allowed twenty-four (24) hours to determine if any metal property prohibited by this subsection is included in a bulk purchase. If such prohibited metal property is included in a bulk purchase, the purchaser shall notify law enforcement no later than twenty-four (24) hours after the purchase.

(14) It shall be unlawful for a scrap metal dealer or other purchaser to purchase metal property from a person younger than eighteen (18) years of age.

Any person found guilty of stealing metal property or receiving metal property, knowing it to be stolen in violation of Section 97-17-70, shall be ordered to make full restitution to the victim, including, without limitation, restitution for property damage that resulted from the theft of the property.

(17) This section shall not be construed to repeal other criminal laws. Whenever conduct proscribed by any provision of this section is also proscribed by any other provision of law, the provision which carries the more serious penalty shall be applied.

(18) This section shall apply to all businesses regulated under this section without regard to the location within the State of Mississippi.

(19) This section shall not be construed to prohibit municipalities and counties from enacting and implementing ordinances, rules and regulations that impose stricter requirements relating to purchase transactions.

Any administrative penalty, plus reimbursement for all costs and expenses incurred in the investigation of the violation and any administrative proceedings, shall be paid to the Secretary of State;

(ii) For the purpose of determining the amount or extent of a sanction, if any, to be imposed under paragraph (c)(i) of this subsection, the Secretary of State shall consider, among other factors, the frequency, persistence and willfulness of the conduct constituting a violation of this section or any rule or order hereunder; the number of persons adversely affected by the conduct; and the resources of the person committing the violation;
