

**MISSISSIPPI DIVISION OF MEDICAID
PREFERRED DRUG LIST**

The agents listed below are preferred products on the Mississippi Medicaid Preferred Drug List (PDL). The preferred drug list is a medication list recommended to the Division of Medicaid by the Pharmacy and Therapeutics Committee and approved by the Executive Director of the Division of Medicaid. These drugs have been selected for their efficaciousness, clinical significance, cost effectiveness and safety for Medicaid beneficiaries.

Most generic agents are preferred, do not require prior authorization, and are not individually listed below. Unless otherwise specified, the listing of a particular brand or generic name includes all dosage forms of that drug. For more information concerning the PDL including non-preferred agents, the OTC formulary and other specifics please visit our website at www.dom.state.ms.us.
