Subchapter 10 Practitioner Registration

Rule 2.10.1 Practitioners participating in the medical cannabis program with the intent of issuing practitioner certifications must register annually with the Department in order to issue certifications for the medical cannabis program.

Rule 2.10.2 The collaborating physician, for both physician assistants and certified nurse practitioners must be registered with the Department in order for the physician assistant or nurse practitioner in collaboration with that physician to subsequently register with the Department.

Rule 2.10.3 In order to register with the Department, the practitioner (i.e., applicant) must submit the following information in a manner set by the Department:

1. Evidence of unrestricted licensure in Mississippi by the Mississippi State Board of Medical Licensure; Mississippi State Board of Nursing; or Mississippi State Board of Optometry;
2. Issue date and expiration date of licensure in Mississippi;

3. Area of specialty;

4. Physical address of practice;

5. Current telephone number and email address;

6. Evidence of completion of continuing medical education approved by the Department;

7. A waiver, signed and dated by the practitioner, allowing, and authorizing the Department to fully communicate with the Mississippi State Board of Medical Licensure, Mississippi State Board of Nursing; or Mississippi State Board of Optometry and receive licensure information; and,

8. If applicable, a disclosure that the applicant has a direct or indirect familial or financial relationship with or interest in a licensed entity participating in the medical cannabis program.

Rule 2.11.7  A certifying practitioner may determine that a patient no longer meets the requirements related to a debilitating medical condition; no longer believes that the patient receives therapeutic benefit from the use of medical cannabis; or does not believe the patient is using the medical cannabis for medical purposes. The practitioner must notify the Department of that determination and intent to terminate the physician certification. Termination of physician certification renders the patient identification card null and void.
Rule 2.11.8 Notification of termination of practitioner certification to the Department and patient must include, but isn’t limited to:

1. The practitioner’s identification number issued by the MS Medical Cannabis Program;
2. The patient’s identification number issued by the MS Medical Cannabis Program;
3. The reason the certification is being revoked;
4. The date of revocation;
5. The signature of the practitioner;
6. The date of notification to the Department;
7. The date of notification to the patient; and,
8. The official letterhead and/or email account of the practitioner.

Title 15: Mississippi State Department of Health

Part 22: Medical Cannabis Program

Subpart 2: Program Registry and Registry Identification Cards

Chapter 1 REGISTRY AND REGISTRY IDENTIFICATION CARDS

Subchapter 1 General Provisions:

Rule 2.1.1 Legal Authority: This regulation has been promulgated under the authority of and pursuant to Mississippi Medical Cannabis Act, S.B. 2095, Mississippi Legislature Regular Session 2022, Section 4 (1) (3) and Section 21.

Rule 2.1.2 Definitions:

1. "Allowable amount of medical cannabis" means an amount not to exceed the maximum amount of Mississippi Medical Cannabis Equivalency Units ("MMCEU").
2. “Cardholder” means a registered qualifying patient or a registered designated caregiver who has been issued and possesses a valid registration identification card by the Mississippi State Department of Health.

3. "Chronic pain" means a pain state in which the cause of the pain cannot be removed or otherwise treated, and which in the generally accepted course of medical practice, no relief or cure of the cause of the pain is possible, or none has been found after reasonable efforts by a practitioner.

5. “Designated Caregiver” means a person, at least 21 years of age, who has agreed to assist no more than five (5) registered qualifying patients with their medical use of medical cannabis. A designated caregiver may also be referred to as a “caregiver”.

6. “Designated Caregiver Entity” means a health care facility or facility providing residential care services or day services that has agreed to assist registered qualifying patients with their medical use of medical cannabis. A designated caregiver entity may also be referred to as a “caregiver entity”.

7. “Disqualifying felony offense" means:

   A. A conviction for a crime of violence, as defined in Section 97-3-2 Mississippi Code of 1972, as amended, or

   B. A conviction for a crime that was defined as a violent crime in the law of the jurisdiction in which the offense was committed, and that was classified as a felony in the jurisdiction where the person was convicted; or a conviction for a violation of a state or federal controlled substances law that was classified as a felony in the jurisdiction where the person was convicted, including the service of any term of probation, incarceration or supervised release within the previous five (5) years and the offender has not committed another similar offense since the conviction A disqualifying felony offense shall not include a conviction that consisted of conduct for which the Mississippi Medical Cannabis Act would likely have prevented the conviction but for the fact that the conduct occurred before the effective date of the Medical Cannabis Act.
8. "Medical cannabis" means cannabis, cannabis products and edible cannabis that are intended to be used by registered qualifying patients as provided in this chapter.

9. "Medical cannabis establishment" means a cannabis cultivation facility, cannabis processing facility, cannabis testing facility, cannabis dispensary, cannabis transportation entity, cannabis disposal entity or cannabis research facility licensed and registered by the appropriate agency.

10. "MMCEU" means Mississippi Medical Cannabis Equivalency Unit. One unit of MMCEU shall be considered equal to:

Rule 2.8.2 To register as a Caregiver Entity, the facility/program shall submit, in a form and manner determined by the Department, the following information:

1. The name, address, and telephone number of the facility/program, as well as the contact information for a primary contact person at that facility/program;
2. A copy of the facility/program’s current facility license; and,
3. An attestation that the information provided is true and correct and must be signed and dated by an authorized signatory of the facility/program.
Rule 2.8.3  The Caregiver Entity shall update the Department with any changes to the facility/program’s primary contact person within three (3) business days of the change and shall file a copy of their licenses each time that license is renewed or updated.

Rule 2.8.4  A Caregiver Entity identification card shall remain valid unless or until the facility’s/program’s state license or certification (whichever is applicable) is no longer valid or the registration with the medical cannabis program is suspended, revoked, or restricted by the Department.

Rule 2.8.5  The Department shall provide a single identification card to a Caregiver Entity. The Caregiver Entity will be notified by the Department of each qualifying patient’s designation of that entity as his/her caregiver.

Rule 2.8.6  Caregivers in recognized Caregiver Entities are subject to all other Caregiver requirements included in this Part.

Subchapter 9  Practitioner Certification for Registered Qualifying Patients (residents of MS)

Rule 2.9.1  A practitioner certification (in a manner set for the by the Department) is required for a person, residing in the State of Mississippi, to apply to become a qualified patient of the medical cannabis program.

Rule 2.9.2  The purpose of the practitioner certification is to determine and certify that a person suffers from a debilitating medical condition for which the use of medical cannabis may mitigate the symptoms and/or effects.
Rule 2.9.3  Before issuing a Practitioner Certification for an individual seeking to participate in the medical cannabis program, a Practitioner must:

1. Have a bona fide practitioner-patient relationship within his/her scope of practice with the individual;
2. Examine the individual in person in Mississippi; and,
3. Determine that the individual suffers from a Debilitating Medical Condition for which the use of medical cannabis may mitigate the symptoms and/or the effects.

Rule 2.9.4  A bona fide practitioner-patient relationship must include the following:

1. A treatment or consulting relationship between the practitioner and the individual seeking the practitioner certification;
2. A practitioner certification is included in the individual’s medical record;
3. The practitioner is available to provide follow-up care and treatment to the individual seeking certification; and,
4. Any other requirements related to the practitioner’s scope of practice put in place by the practitioner’s respective occupational/licensing board or the Department.

Rule 2.9.5  A practitioner certification is valid for twelve months from the date of issue unless a shorter timeframe is specified by the certifying practitioner.

Rule 2.9.6  A practitioner certification must not exceed the allowable amount of medical cannabis. A practitioner can place restrictions on the allowable amount of medical cannabis by stating the maximum amount of medical cannabis and the method of administration permissible via the practitioner certification.
Rule 2.9.7 A practitioner is not required to issue a written certification for an individual with whom he/she does not have a bona fide practitioner-patient relationship.

Rule 2.9.8 A practitioner issuing a written certification is prohibited from being a medical cannabis dispensary agent or employee.

Rule 2.9.9 A certification issued for an individual between the ages of eighteen (18) and twenty-five (25) must meet the following conditions:

1. The debilitating condition is confirmed by two practitioners from separate practices after an in-person consultation (this isn’t required if the person is homebound or had an identification card before the age of 18); and,

2. One of the practitioners must be a physician or Doctor of Osteopathic Medicine.

Rule 2.9.10 A certification issued for a minor (under the age of 18) may only be issued by a physician or Doctor of Osteopathic Medicine.

Rule 2.9.11 A practitioner is prohibited from the following:

1. Referring patients to a specific medical cannabis establishment;

2. Referring patients to a specific caregiver;

3. Advertising in medical cannabis establishments; and,

4. Issuing written certification while holding a financial interest in a medical cannabis establishment.
Subchapter 10        Practitioner Registration

Rule 2.10.1 Practitioners participating in the medical cannabis program with the intent of issuing practitioner certifications must register annually with the Department in order to issue certifications for the medical cannabis program.

Rule 2.10.2 The collaborating physician, for both physician assistants and certified nurse practitioners must be registered with the Department in order for the physician assistant or nurse practitioner in collaboration with that physician to subsequently register with the Department.

Rule 2.10.3 In order to register with the Department, the practitioner (i.e., applicant) must submit the following information in a manner set by the Department:

1. Evidence of unrestricted licensure in Mississippi by the Mississippi State Board of Medical Licensure; Mississippi State Board of Nursing; or Mississippi State Board of Optometry;
2. Issue date and expiration date of licensure in Mississippi;
3. Area of specialty;
4. Physical address of practice;
5. Current telephone number and email address;
6. Evidence of completion of continuing medical education approved by the Department;
7. A waiver, signed and dated by the practitioner, allowing, and authorizing the Department to fully communicate with the Mississippi State Board of Medical Licensure, Mississippi State Board of Nursing; or Mississippi State Board of Optometry and receive licensure information; and,
8. If applicable, a disclosure that the applicant has a direct or indirect familial or financial relationship with or interest in a licensed entity participating in the medical cannabis program.
Rule 2.10.4 Practitioner Registration may be suspended or revoked for the following:

1. The practitioner provided false information to the Department; and/or
2. The practitioner is the subject of disciplinary action from the Mississippi State Board of Medical Licensure, Mississippi State Board of Nursing, or Mississippi State Board of Optometry.

Rule 2.11.4 Practitioners must utilize the Prescription Monitoring Program in order to complete an assessment of the patient prior to issuing a written certification for the medical cannabis program.
Rule 2.11.5 All patients must be advised of their freedom of choice as to the medical cannabis dispensary they wish to utilize. Evidence of this must be maintained in the patient’s medical record.

Rule 2.11.6 In addition to the requirements set forth in this Part, practitioners must also follow the rules, regulations, and policies set forth by the Mississippi State Board of Medical Licensure, Mississippi State Board of Nursing, or the Mississippi State Board of Optometry.

Rule 2.11.7 A certifying practitioner may determine that a patient no longer meets the requirements related to a debilitating medical condition; no longer believes that the patient receives therapeutic benefit from the use of medical cannabis; or does not believe the patient is using the medical cannabis for medical purposes. The practitioner must notify the Department of that determination and intent to terminate the physician certification. Termination of physician certification renders the patient identification card null and void.

Rule 2.11.8 Notification of termination of practitioner certification to the Department and patient must include, but isn’t limited to:

1. The practitioner’s identification number issued by the MS Medical Cannabis Program;
2. The patient’s identification number issued by the MS Medical Cannabis Program;
3. The reason the certification is being revoked;
4. The date of revocation;
5. The signature of the practitioner;
6. The date of notification to the Department;
7. The date of notification to the patient; and,

8. The official letterhead and/or email account of the practitioner.
