

**Title 35, Part XI,  
Chapter 21 Sales Limits**

- 100 A cardholder may not receive more than six (6) MMCEU's from a dispensary or combination of dispensaries during any rolling seven-day period. "Rolling" shall be calculated by reviewing the previous six days.
- 101 A resident cardholder may not receive more than twenty-four (24) MMCEU's during any rolling thirty-day period from a dispensary or a combination of dispensaries. A non-resident cardholder may not receive more than twelve (12) MMCEU's from a dispensary or a combination of dispensaries during any rolling fifteen-day period. "Rolling" shall be calculated by reviewing the previous twenty-nine day or fourteen-day period, as applicable.
- 102 A cardholder's patient card may indicate that the patient is restricted to receiving an MMCEU amount less than the amounts stated in Paragraphs 100 and 101 above. It may also indicate that the patient is restricted to receiving medical cannabis products in certain forms. A dispensary is required to restrict its sales to any such patient to match the limitations set forth on the patient card.
- 103 A dispensary is required to report to the Department the identity of any individual who communicates the intent to divert cannabis products to individuals who do not have cards, across state lines or to be engaging in the unlicensed sale of cannabis. Such communication must be done as soon as reasonably possible.
- 104 A dispensary shall report any criminal activity of which it is aware related to the unlicensed sale or diversion of cannabis, cannabis products or cannabis plants. Failure to report such activity to the Department may result in penalties up to and including license suspension, revocation, and monetary fines.
- 105 A dispensary shall report all transactions involving cannabis products into the State-run electronic tracking system.
- 106 Reserved

**Title 35, Part XI,  
Chapter 21 Sales Limits**

- 100 A cardholder may not receive more than six (6) MMCEU's from a dispensary or combination of dispensaries during any rolling seven-day period. "Rolling" shall be calculated by reviewing the previous six days. ~~A dispensary may not sell any combination of cannabis products to a resident or nonresident cardholder within one week that results in the cardholder receiving greater than six (6) MMCEU's. This calculation is based on the total amount of cannabis products received by the individual from all dispensaries during that week, beginning on Monday morning and ending on Sunday night.~~
- 101 A resident cardholder may not receive more than twenty-four (24) MMCEU's during any rolling thirty-day period from a dispensary or a combination of dispensaries. A non-resident cardholder may not receive more than twelve (12) MMCEU's from a dispensary or a combination of dispensaries during any rolling fifteen-day period. "Rolling" shall be calculated by reviewing the previous twenty-nine day or fourteen-day period, as applicable.
- 102 A cardholder's patient card may indicate that the patient is restricted to receiving an MMCEU amount less than the amounts stated in Paragraphs 100 and 101 above. It may also indicate that the patient is restricted to receiving medical cannabis products in certain forms. A dispensary is required to restrict its sales to any such patient to match the limitations set forth on the patient card.
