Campaign Finance Reporting in Mississippi

All candidates seeking office and all political committees should be aware of the requirements of Miss. Code Ann. § 23-15-801 et seq. (1972). This handbook seeks to explain how Mississippi campaign finance law affects candidates for public office and all political committees.

Mississippi law requires all candidates, their committees, and all other political committees, to file campaign finance disclosure reports. These reports are called “Reports of Receipts and Disbursements.” Forms necessary for compliance with these laws are available from the Secretary of State’s Office, on our website at www.sos.ms.gov, from the Circuit Clerk’s Office or the Municipal Clerk’s Office.

- Fines of $50 per day may be assessed for unfiled and/or late reports due from any statewide, state district or, legislative candidates, and political committees associated with, supporting or opposing those candidates, which are required to file with the Secretary of State’s Office.
- The Secretary of State’s Office is required by law to publish the names of all statewide and legislative candidates who do not file disclosure reports on time to the media within 48-hours of the filing deadline.
- Total cash on hand must be reported and carried over from year-to-year.
- Grand totals of itemized and non-itemized contributions must be reported.
- Grand totals of itemized and non-itemized disbursements must be reported.
- All contributions and disbursements in excess of $200 per year must be itemized.
- The proper office must be in actual receipt of the report on the due date by 5:00 p.m.
- On-line, faxed, and e-mailed reports are acceptable, if received by the deadline. Reports received after the deadline are late. All hand-written reports should be in dark ink and legible. Always maintain for your records, a fax confirmation indicating a successful fax transmission to the appropriate office.
- If a reporting deadline falls on a weekend or legal holiday, the report is due by 5:00 p.m. on the first working day prior to the deadline.
- Forty-Eight Hour Reports are required. Reportable contributions received after the tenth day, but more than 48 hours before 12:01 a.m. on Election Day, must be received by the appropriate office by fax, e-mail, mail, hand delivery, or other reliable electronic means within 48 hours of receipt.
- Candidates and political committees must file all reports required by their applicable reporting schedule, even if no reportable activity takes place during the reporting period until a termination report is filed. Failure to file required reports will result in the imposition of fines.

IMPORTANT: This handbook is designed to provide candidates and political committees with an overview of Mississippi campaign finance law. It is for informational purposes only. Candidates and political committees are advised to review the appropriate state statutes, cases and Attorney General Opinions regarding regulation and disclosure of campaign finances and other candidate obligations and responsibilities, especially Miss. Code Ann. § 23-15-801 et seq. (1972). If you
have questions related to Campaign Finance, call the Secretary of State’s Elections Hotline at (800) 829-6786 or (601) 576-2550.

II. Campaign Finance for Candidates

Candidates for elected office in Mississippi must file campaign finance reports in accordance with the applicable reporting schedule. You are a candidate and are required to file campaign finance disclosure reports if you have filed qualifying papers by the deadline or you have spent or received over $200 in money utilized in furtherance of a campaign. All candidates must file reports in accordance with their applicable reporting schedule even if they do not have contributions or disbursements to report during that reporting period until a termination report is filed.

Where do I file?
- **Statewide office**: Candidates file with the Secretary of State’s Office.
- **State District office**: Candidates file with the Secretary of State. (This includes Transportation Commissioner, Public Service Commissioner, District Attorney, Chancery and Circuit Court Judges.)
- **Legislative office**: Candidates file with the Secretary of State. (This includes ALL candidates for legislative office, whether the district is a single county district or a multi-county district.)
- **County office**: Candidates file with the County Circuit Clerk’s Office.
- **County District office**: Candidates file with the County Circuit Clerk’s Office.
- **Municipal office**: Candidates file with the Municipal Clerk’s Office.

What information must be reported?

All Reports of Receipts and Disbursements filed under state law must be complete and include:
- Name, address, contact information, office sought and political party affiliation, if any, of the candidate,
- The total amount of contributions received during the specific reporting period, both itemized and non-itemized, and aggregate year-to-date total of all contributions,
- The total amount of disbursements made during the specific reporting period, both itemized and non-itemized, and the aggregate year-to-date total of all disbursements, and
- The total amount of cash on hand.

**Itemized Contributions**

A contribution must be included within the itemized total of contributions on the “Report of Receipts and Disbursements”, and separately reported on the “Itemized Receipts” attachment to the report if the year-to-date aggregate of the contribution(s) received from a person, business or entity exceeds $200.00. A contribution separately itemized on the “Itemized Receipts” must identify the contribution by contributor type, contributor name and address, amount(s) for the reporting period and aggregate year-to-date total, and the occupation or employer of the contributor, if applicable. Miss. Code Ann. § 23-15-807(d)(ii)(iii).
Itemized Disbursements

A disbursement must be included within the itemized total of disbursements on the “Report of Receipts and Disbursements”, and separately reported on the “Itemized Disbursements” attachment to the report if the year-to-date aggregate of the disbursement(s) made to a person, business or entity exceeds $200.00. A disbursement separately itemized on the “Itemized Disbursements” must be identified by the recipient’s name and address, the amount(s) for the reporting period and aggregate year-to-date total, and purpose of the disbursement. Miss. Code Ann. § 23-15-807(d)(ii)(iii).

Non-Itemized Contributions and Disbursements

Contributions and disbursements with year to date totals equal to or less than $200.00 a calendar year are not itemized. However, these amounts are included in the totals of all contributions and totals of all disbursements for the reporting period on the “Report of Receipts and Disbursements.”

When are reports due?

Reports are due in the appropriate office no later than 5:00 p.m. on the deadline. If a deadline falls on a weekend or legal holiday, the report is due at 5:00 p.m. on the first working day preceding the weekend or legal holiday. Statutory deadlines are provided on the front of each reporting form and on the schedule set forth on page six (6) of this handbook. Miss. Code Ann. § 23-15-807(e).

The appropriate office must be in actual receipt of the report by 5:00 p.m. on the deadline. It is the responsibility of the candidate to make sure the report is delivered on time. Miss. Code Ann. § 23-15-807(e).

What types of reports must I file?

1. Primary Pre-Election Report: Filed by all primary election candidates seeking nomination by a political party this calendar year. Independent and Third-Party candidates are not required to file a Primary Pre-Election Report.
2. Pre-Runoff Election report: Filed by all primary runoff election candidates seeking nomination by a political party this calendar year.
3. General Pre-Election report: Filed by all candidates seeking election in the General Election this calendar year.
4. Annual report: Filed by all candidates who did not seek election in the preceding calendar year and who have not filed a Termination Report, except for municipal candidates which must file the annual report.
5. Termination report: All candidates may file a Termination Report to terminate reporting obligations.
A candidate should simply check (✓) the type of report being submitted on his/her form. A candidate may submit a Termination Report at the same time as another scheduled report by placing a check in the blank preceding both the scheduled report and the Termination Report.

Under state law, a violation of any candidate campaign finance disclosure requirement could result in:

- no certification of nomination or election to office;
- withholding of salary or other remuneration for the office;
- conviction of a misdemeanor;
- imprisonment for no longer than six (6) months; and/or
- imposition of a fine not to exceed $3,000.00.  Miss. Code Ann. § 23-15-811

**Forty-Eight Hour Reports**

If a candidate receives a contribution of more than $200 after the tenth day, but more than 48 hours before 12:01 a.m. on the day of the election, the candidate must fully disclose the contribution by filing a Forty-Eight Hour Report with the appropriate office within 48 hours of the contribution.

The notification shall be in writing, and may be transmitted by mail, hand delivery, fax, e-mail, or other electronic means.

**When have I completed my reporting obligations?**

**Every candidate must file every required report until a Termination Report is filed.** A Termination Report may be filed when contributions are no longer accepted, disbursements are no longer made, there are no outstanding debts or financial obligations associated with the candidate, and the candidate has as zero cash on hand balance.

Filing a Termination Report is the only way to end reporting obligations and responsibilities. If no Termination Report is filed, candidates must continue to file all reports required by the applicable reporting schedule and will remain subject to the imposition of civil penalties as set forth in law.

**Examples of Campaign Finance Reports**

1. A candidate for the office of Mayor receives a $100 contribution from Jane Doe on March 1. That $100 contribution does not have to be itemized on the “Itemized Receipts” attachment of the candidate’s report, but must be included in the non-itemized total of contributions on the “Report of Receipts and Disbursements.” Then, Jane Doe contributes an additional $125 to the candidate on April 8. Because the year-to-date aggregate total of the contributions received from Jane Doe exceed $200.00, the candidate must now itemize the contribution on the “Itemized Receipts” attachment and include the additional contribution received for that reporting period in the itemized total of contributions on the “Report of Receipts and Disbursements.” These reports are filed with the Municipal Clerk’s Office.

2. A candidate for Board of Alderman spends $100 for a newspaper ad on March 1. That $100 disbursement does not have to be itemized on the “Itemized Disbursements” attachment of the
candidate’s report, but must be included in the non-itemized total of disbursements on the “Report of Receipts and Disbursements.” Then, the candidate spends an additional $125 for ads in the same paper on April 8. The candidate must report that $225 was spent on ads with that newspaper. Because the year-to-date aggregate total of the disbursements made to the newspaper exceed $200.00, the candidate must now itemize the disbursement on the “Itemized Disbursements” attachment and include the additional disbursement made during that reporting period in the itemized total of disbursements on the “Report of Receipts and Disbursements.” These reports are filed with the County Circuit Clerk’s Office.

3. A candidate has qualified to run for office and has not spent or received in excess of $200. However, even if that candidate has received no contributions and made no disbursements in furtherance of his/her campaign, he/she still must file all required reports.

4. A person intends to run for office next year, but cannot qualify for office until January 1. The fall proceeding the election year, he begins raising campaign funds. He collects $50 from Donor 1, $50 from Donor 2, and $150 from Donor 3. This person must begin filing campaign finance reports even though he has yet to qualify for office because he has received more than $200.00. The same is true if the candidate received no money but spent greater than $200.00 in furtherance of his candidacy prior to qualifying for office.

III. Campaign Finance for Political Committees

What is a Political Committee?

A political committee is any committee, party, club, association, political action committee, or other group that receives contributions or makes disbursements of more than $200.00 in the aggregate in a calendar year for the purpose of influencing or attempting to influence the action of voters with regard to a candidate or balloted measure. Miss. Code Ann. § 23-15-801(c).

What is a Candidate’s Political Committee?

A candidate’s political committee is a political committee as defined above which is authorized by, affiliated with and/or acting for the benefit of a particular candidate. A candidate’s political committee is required to file campaign finance disclosure reports in accordance with the same reporting schedule required of the candidate.

What documents must be filed by a Political Committee?

All political committees are required to file: (1) a Statement of Organization and (2) Reports of Receipts and Disbursements in accordance with the same reporting schedule as the candidate(s) for or against whom the committee is receiving contributions and making disbursements for the purpose of influencing or attempting to influence voters.
Where do I file?

- Committees which contribute or spend in support of or in opposition to statewide, state district, legislative candidates, or statewide balloted measures must file with the Secretary of State’s Office.
- Committees which contribute or spend solely in support of or opposition to county, county district candidates, or county balloted measures must file with the County Circuit Clerk’s Office.
- Committees which contribute or spend solely in support of or in opposition to municipal, municipal district candidates, or municipal balloted measures must file with the Municipal Clerk’s Office.

Statement of Organization

Each political committee must file a Statement of Organization within 10 days of receiving or spending in excess of $200.00 in the aggregate.

What information is required?

The Statement of Organization requires the names and addresses of the committee members and all officers. The committee’s statement must also designate a Director and a Treasurer who will be custodians of the books and accounts.

If the committee is a candidate’s committee, the statement must include the name, address, office sought, and party affiliation of the candidate. Any changes to information in the Statement of Organization must be filed with the appropriate official at the time the next Campaign Finance Report is due.

Campaign Finance Reports

All political committees receiving contributions or making disbursements in excess of $200.00 in the aggregate during a calendar year, in support of or in opposition to non-federal candidates or balloted measures, must file campaign finance reports in accordance with the applicable reporting schedule.

What information must be reported?

All Reports of Receipts and Disbursements filed under state law must be complete and include:

- Name, address, contact information and Treasurer of the committee,
- The total amount of contributions received during the specific reporting period, both itemized and non-itemized, and aggregate year-to-date total of all contributions,
- The total amount of disbursements made during the specific reporting period, both itemized and non-itemized, and the aggregate year-to-date total of all disbursements, and
- The total amount of cash on hand.
**Itemized Contributions**

A contribution must be included within the itemized total of contributions on the “Report of Receipts and Disbursements”, and separately reported on the “Itemized Receipts” attachment to the report if the year-to-date aggregate of the contribution(s) received from a person, business or entity exceeds $200.00. A contribution separately itemized on the “Itemized Receipts” must identify the contribution by contributor type, contributor name and address, amount(s) for the reporting period and aggregate year-to-date total, and the occupation or employer of the contributor, if applicable. Miss. Code Ann. § 23-15-807(d)(ii)(iii)

**Itemized Disbursements**

A disbursement must be included within the itemized total of disbursements on the “Report of Receipts and Disbursements”, and separately reported on the “Itemized Disbursements” attachment to the report if the year-to-date aggregate of the disbursement(s) made to a person, business or entity exceeds $200.00. A disbursement separately itemized on the “Itemized Disbursements” must be identified by the recipient’s name and address, the amount(s) for the reporting period and aggregate year-to-date total, and purpose of the disbursement. Miss. Code Ann. § 23-15-807(d)(ii)(iii).

**Non-Itemized Contributions and Disbursements**

Contributions and disbursements with year to date totals equal to or less than $200.00 a calendar year are not itemized. However, these amounts are included in the totals of all contributions and totals of all disbursements for the reporting period on the “Report of Receipts and Disbursements.”

**When are reports due?**

Reports are due in the appropriate office no later than 5:00 p.m. on deadline. A political committee files its required campaign finance reports in accordance with the same schedule of the candidate(s) for in support of or opposition to, the committee has received contributions or made disbursements to influence or attempt to influence voters.

If the deadline falls on a weekend or legal holiday, the report is due at 5:00 p.m. on the first working day preceding to the weekend or legal holiday. Statutory deadlines are provided on the front of each reporting form and on the schedule set forth on page 6 of this handbook.

The appropriate office must be in actual receipt of the report by 5:00 p.m. on the deadline. It is the responsibility of the political committee to make sure the report is delivered on time. Miss. Code Ann. § 23-15-807(e).

**What types of reports must I file?**

1. **Primary Pre-Election Report:** Filed by all political committees supporting or opposing primary election candidate(s) seeking nomination by a political party during this calendar year.
2. **Pre-Runoff Election report**: Filed by all political committees supporting or opposing primary runoff election candidates seeking nomination by a political party this calendar year.

3. **General Pre-Election report**: Filed by all political committees supporting or opposing candidates seeking election in the General Election this calendar year, or supporting or opposing a balloted measure appearing on the general election ballot this calendar year.

4. **Annual report**: Filed by all political committees who did not support or oppose a candidate(s) seeking election in the preceding calendar year and who have not filed a Termination Report.

5. **Termination report**: All political committees may file a Termination Report to terminate further reporting obligations.

A political committee should simply check (✔) the type of report being submitted on the “Report of Receipts and Disbursements.” A committee may submit a Termination Report at the same time as another scheduled report by placing a check in the blank preceding the name of the scheduled report and the “Termination Report.”

Under state law, a violation of any campaign finance disclosure requirement could result in: conviction of a misdemeanor; imprisonment for no longer than six (6) months; and/or imposition of a fine not to exceed $3,000.00. Miss. Code Ann. § 23:15-811.

**Forty-Eight Hours Reports**

Code Ann. § 23-15-807(f) (1972) within forty-eight (48) hours of the contribution.

**When have I completed my reporting obligations?**

Every political committee must file every required report until a Termination Report is filed. A Termination Report may be filed when contributions are no longer accepted, disbursements are no longer made, there are no outstanding debts or financial obligations associated with the candidate’s political committee or political committee, and the committee has as zero cash on hand balance.

Filing a Termination Report is the only way to end reporting obligations and responsibilities. If no Termination Report is filed, political committees must continue to file all reports required by the applicable reporting schedule and may be subject to the imposition of civil penalties as set forth in law.
IV. Campaign Finance for Constitutional Initiatives

An individual person who on his or her own behalf expends in excess of $200.00 for the purpose of influencing the passage or defeat of an initiative measure is required to file monthly campaign finance reports with the Secretary of State’s Office.

Expenditures include any purchase, payment, distribution, loan, advance, deposit, gift of money or payment of anything of value for the purpose of influencing an initiative measure, for the purpose of obtaining signatures for a proposed initiative measure and attempting to place the proposed initiative measure on a ballot and for the purpose of opposing efforts to place a proposed initiative measure on a ballot. Miss. Code Ann. §§ 23-17-47 and 23-17-49.

What Information is Required in the Statement of Organization?

The Statement of Organization requires the names and addresses of the committee members and all officers. The committee’s statement must also designate a Director and a Treasurer who will be custodians of the books and accounts, and provide a brief statement defining the purpose of the committee. Miss. Code Ann. § 23-17-49(2).

What information must be reported?

All Reports of Receipts and Disbursements must be complete and include:

- Name, address, contact information and Treasurer of the committee,
- The total amount of contributions received during the reporting period, both itemized and non-itemized, and aggregate year-to-date total of all contributions,
- The total amount of disbursements made during the reporting period, both itemized and non-itemized, and the aggregate year-to-date total of all disbursements, and
• The total amount of cash on hand.

**Itemized Contributions**

**V. Fines and Penalties**

**Civil Penalties**

A candidate or political committee which fails to timely file a campaign finance disclosure report will be assessed a civil penalty beginning with the tenth calendar day after the report is due. Beginning with the tenth calendar day, the Secretary of State will assess the delinquent candidate or political committee a civil penalty of fifty dollars ($50.00) for each day or part of any day until a complete and substantially compliant report is filed with the Secretary of State, up to a maximum of ten (10) days.

The assessed fine may be waived in whole or in part if the Secretary of State determines the candidate or committee experienced unforeseeable mitigating circumstances, which interfered with the timely filing of the report. Candidates and political committees may request the waiver of a
fine by submitting a Waiver Request Form which is available on our website and explaining the unforeseeable mitigating circumstances.

To comply with the law, the candidate must pay the fine and also file the required report. Payment of the fine or filing of a waiver does not excuse or exempt a candidate or political committee required to file from filing the required campaign finance report.

(i) Within five (5) calendar days after any deadline for filing a report pursuant to Sections 23-15-801 through 23-15-813, or Sections 23-17-47 through 23-17-53, the Secretary of State shall compile a list of those candidates and political committees who have failed to file a report. The
Secretary of State shall provide each candidate or political committee, who has failed to file a report, notice of the failure by first-class mail.

(ii) Beginning with the tenth calendar day after which any report shall be due, the Secretary of State shall assess the delinquent candidate and political committee a civil penalty of Fifty Dollars ($50.00) for each day or part of any day until a valid report is delivered to the Secretary of State, up to a maximum of ten (10) days. However, in the discretion of the Secretary of State, the assessing of the fine may be waived in whole or in part if the Secretary of State determines that unforeseeable mitigating circumstances, such as the health of the candidate, interfered with timely filing of a report. Failure of a candidate or political committee to receive notice of failure to file a report from the Secretary of State is not an unforeseeable mitigating circumstance, and failure to receive the notice shall not result in removal or reduction of any assessed civil penalty.

(iii) Filing of the required report and payment of the fine within ten (10) calendar days of notice by the Secretary of State that a required statement has not been filed, constitutes compliance with Sections 23-15-801 through 23-15-813, or Sections 23-17-47 through 23-17-53.

(iv) Payment of the fine without filing the required report does not in any way excuse or exempt any person required to file from the filing requirements of Sections 23-15-801 through 23-15-813, and Sections 23-17-47 through 23-17-53.

(v) If any candidate or political committee is assessed a civil penalty, and the penalty is not subsequently waived by the Secretary of State, the candidate or political committee shall pay the fine to the Secretary of State within ninety (90) days of the date of the assessment of the fine. If, after one hundred twenty (120) days of the assessment of the fine the payment for the entire amount of the assessed fine has not been received by the Secretary of State, the Secretary of State shall notify the Attorney General of the delinquency, and the Attorney General shall file, where necessary, a suit to compel payment of the civil penalty.

(b)(i) Upon the sworn application, made within sixty (60) calendar days of the date upon which the required report is due, of a candidate or political committee against whom a civil penalty has been assessed pursuant to paragraph (a), the Secretary of State shall forward the application to the State Board of Election Commissioners. The State Board of Election Commissioners shall appoint one or more hearing officers who shall be former chancellors, circuit court judges, judges of the Court of Appeals or justices of the Supreme Court, and who shall conduct hearings held pursuant to this article. The hearing officer shall fix a time and place for a hearing and shall cause a written notice specifying the civil penalties that have been assessed against the candidate or political committee and notice of the time and place of the hearing to be served upon the candidate or political committee at least twenty (20) calendar days before the hearing date. The notice may be served by mailing a copy thereof by certified mail, postage prepaid, to the last known business address of the candidate or political committee.

parts of the state and shall be served by any person designated by the hearing officer for the service.

(iii) The candidate or political committee has the right to appear either personally, by counsel or both, to produce witnesses or evidence in his behalf, to cross-examine witnesses and to have subpoenas issued by the hearing officer.

(iv) At the hearing, the hearing officer shall administer oaths as may be necessary for the proper conduct of the hearing. All hearings shall be conducted by the hearing officer, who shall not be bound by strict rules of procedure or by the laws of evidence in the conduct of the proceedings, but the determination shall be based upon sufficient evidence to sustain it. The scope of review at the hearing shall be limited to making a determination of whether failure to file a required report was due to an unforeseeable mitigating circumstance.

(v) Where, in any proceeding before the hearing officer, any witness fails or refuses to attend upon a subpoena issued by the commission, refuses to testify, or refuses to produce any books and papers the production of which is called for by a subpoena, the attendance of the witness, the giving of his testimony or the production of the books and papers shall be enforced by any court of competent jurisdiction of this state in the manner provided for the enforcement of attendance and testimony of witnesses in civil cases in the courts of this state.

(vi) Within fifteen (15) calendar days after conclusion of the hearing, the hearing officer shall reduce his or her decision to writing and forward an attested true copy of the decision to the last known business address of the candidate or political committee by way of United States first-class, certified mail, postage prepaid.

(c)(i) The right to appeal from the decision of the hearing officer in an administrative hearing concerning the assessment of civil penalties authorized pursuant to this section is granted. The appeal shall be to the Circuit Court of Hinds County and shall include a verbatim transcript of the testimony at the hearing. The appeal shall be taken within thirty (30) calendar days after notice of the decision of the commission following an administrative hearing. The appeal shall be perfected upon filing notice of the appeal and by the prepayment of all costs, including the cost of the preparation of the record of the proceedings by the hearing officer, and the filing of a bond in the sum of Two Hundred Dollars ($200.00), conditioned that if the decision of the hearing officer be affirmed by the court, the candidate or political committee will pay the costs of the appeal and the action in court. If the decision is reversed by the court, the Secretary of State will pay the costs of the appeal and the action in court.

(ii) If there is an appeal, the appeal shall act as a supersedeas. The court shall dispose of the appeal and enter its decision promptly. The hearing on the appeal may be tried in vacation, in the court's discretion. The scope of review of the court shall be limited to a review of the record made before the hearing officer to determine if the action of the hearing officer is unlawful for the reason that it was 1. not supported by substantial evidence, 2. arbitrary or capricious, 3. beyond the power of the hearing officer to make, or 4. in violation of some statutory or constitutional right of the appellant. The decision of the court may be appealed to the Supreme Court in the manner provided by law.
(d) If, after forty-five (45) calendar days of the date of the administrative hearing procedure set forth in paragraph (b), the candidate or political committee identified in paragraph (a) of this section fails to pay the monetary civil penalty imposed by the hearing officer, the Secretary of State shall notify the Attorney General of the delinquency. The Attorney General shall investigate the offense in accordance with the provisions of this chapter, and where necessary, file suit to compel payment of the unpaid civil penalty.

(e) If, after twenty (20) calendar days of the date upon which a campaign finance disclosure report is due, a candidate or political committee identified in paragraph (a) of this section shall not have filed a valid report with the Secretary of State, the Secretary of State shall notify the Attorney General of those candidates and political committees who have not filed a valid report, and the Attorney General shall thereupon prosecute the delinquent candidates and political committees.
