

Chapter 03 Permitted Premises Where Alcoholic Beverages Are Sold

108 Except as stated herein, all sales of alcoholic beverages shall be made inside the permitted premises. If the Governor of the State of Mississippi has declared a State of Emergency or the Commissioner otherwise determines it is in the best interest of the State to do so, permitted sales for package retailers may include orders and payment through the telephone or electronically through the internet, with curbside pickup for customers in the parking lot of the package retailers. The Department will issue a public announcement if curbside service is authorized.
