Title 23: Division of Medicaid

Part 214: Pharmacy Services

Part 214 Chapter 1: General Pharmacy

Rule 1.12: Beneficiary Signature

A. The pharmacy must obtain the signature of beneficiary or his/her representative signature and their relationship to the beneficiary for each prescription received with the exception of beneficiaries living in long-term care facilities, i.e. nursing facilities, ICF/MR facilities and/or psychiatric residential treatment facilities (PRTF).

1. Electronic signatures are acceptable.

2. One signature per prescription is required.

3. The pharmacist may sign for a prescription if the beneficiary or his/her representative is not capable of signing. When signing the pharmacist must:

   a) Document the circumstances preventing the beneficiary or his/her representative from signing for the prescription, and

   b) Sign the prescription signature record with his/her own name and the beneficiary’s name.

4. For shipped or delivered prescriptions, the pharmacy must obtain the signature of the beneficiary or his/her representative and their relationship to the beneficiary.

   a) The pharmacy must maintain signatures on-site and in an auditable manner.

   b) The Division of Medicaid will not reimburse for medications lost in transit and/or not received by the beneficiary.

   c) During a national or statewide emergency, a signature is not required.

      1) The provider must document the emergency.

      2) The provider must document confirmation of delivery by an alternate means including, but not limited to:

         (a) Telephone,

         (b) Text message, or

         (c) Other electronic communication.

B. Prescription signature records for received prescriptions must include the prescription serial
number, date medication is received and the beneficiary or his/her representative’s signature and their relationship to the beneficiary.

1. Prescription signature records must be retained for a period of five (5) years for audit purposes.

2. Prescription signature records for shipped prescriptions must be retained for a period of five (5) years and must include the delivery confirmation for audit purposes.

3. Prescription signature records must be maintained on-site and in an auditable manner.

C. The beneficiary or provider cannot waive the receipt signature requirement nor does “signature on file” meet this obligation.
