

Title 23: Medicaid

Part 202: Hospital Services

Chapter 2: Outpatient Services

Rule 2.2: Outpatient Hospital Services

- A. The Division of Medicaid covers outpatient hospital services provided by a licensed hospital in hospital outpatient departments to a beneficiary by or under the direction of a physician or dentist which are preventive, diagnostic, therapeutic, rehabilitative or palliative and include, but are not limited to:
1. Emergency department services,
 2. Observation services,
 3. Outpatient department services including same-day surgery,
 4. Laboratory tests,
 5. X-ray and other radiology services,
 6. Medical supplies, and
 7. Physician-administered drugs and implantable drug system devices.
- B. The Division of Medicaid requires prior authorization for certain physician-administered drugs and implantable drug system devices as determined by the Division of Medicaid.

Rule 2.6: Mental Health Services

- A. Mental Health services are covered when:
1. Provided in an outpatient department of a general hospital,
 2. Acute Partial Hospitalization services are provided in acute freestanding psychiatric facilities.
 3. Prior authorized through the Utilization Management and Quality Improvement Organization (UM/QIO).

- B. Outpatient hospital mental health services will be reimbursed using the same methodology as other outpatient hospital services.
- C. Mental health services provided in the outpatient department of a hospital must be provided by appropriate staff operating within the scope of their practice and be appropriate for the setting according to the licensure of the hospital.
