Short explanation of rule/amendment/repeal and reason(s) for proposing rule/amendment/repeal: This Administrative Code is being filed to require providers to provide a thirty (30) day written notice to beneficiaries and the Division of Medicaid prior to the discontinuation of services. If a provider fails to provide the notice, the provider will not be reimbursed for the thirty (30) day period the beneficiary and Division of Medicaid should have been notified. This rule will not apply if the failure to provide notice was due to circumstances outside of the provider’s control. This is an emergency filing due to the risk to public health due to a sudden stoppage of services to beneficiaries that require high levels of care.
