ADMINISTRATIVE PROCEDURES NOTICE FILING

AGENCY NAME Mississippi Insurance Department		CONTACT PERSON Kim Causey	TELEPHONE NUMBER 601-359-3577	
ADDRESS PO BOX 79		CITY Jackson	STATE MS	ZIP 39205
EMAIL Kim.Causey@mid.ms.gov	SUBMIT DATE 5/1/24	Name or number of rule(s): Miss. Admin. Code, Title 19, Part 3, Chapter 14: Managed Care Plan Network Adequacy Regulation		

Short explanation of rule/amendment/repeal and reason(s) for proposing rule/amendment/repeal: This regulation is promulgated to amend the standards for the creation and maintenance of networks by health carriers in order to ensure adequate access to covered persons in a managed care plan.

Specific legal authority authorizing the promulgation of rule: Miss. Code Ann. § 83-5-1; 83-41-401 et seq.

List all rules repealed, amended, or suspended by the proposed rule: 19 Miss. Admin. Code, Pt. 3, Chpt. 14

ORAL PROCEEDING:

☐ An oral proceeding is scheduled for this rule on Date: _____ Time: _____ Place: _____

☒ Presently, an oral proceeding is not scheduled on this rule.

If an oral proceeding is not scheduled, an oral proceeding must be held if a written request for an oral proceeding is submitted by a political subdivision, an agency or ten (10) or more persons. The written request should be submitted to the agency contact person at the above address within twenty (20) days after the filing of this notice of proposed rule adoption and should include the name, address, email address, and telephone number of the person(s) making the request; and, if you are an agent or attorney, the name, address, email address, and telephone number of the party or parties you represent. At any time within the twenty-five (25) day public comment period, written submissions including arguments, data, and views on the proposed rule/amendment/repeal may be submitted to the filing agency.

ECONOMIC IMPACT STATEMENT:

☐ Economic impact statement not required for this rule. ☒ Concise summary of economic impact statement attached.

SECRETARY OF STATE

CONCISE SUMMARY OF ECONOMIC IMPACT STATEMENT

An Economic Impact Statement is required for this proposed rule by Section 25-43-3.105 of the Administrative Procedures Act. This is a Concise Summary of the Economic Impact Statement which must be filed with the Secretary of State's Office.

AGENCY NAME Mississippi Department of Insurance	CONTACT PERSON Kim Causey		TELEPHONE NUMBER 601-359-3577
ADDRESS PO BOX 79	CITY Jackson	STATE MS	ZIP 39205
EMAIL kim.causey@mid.ms.gov	DESCRIPTIVE TITLE OF PROPOSED RULE Managed Care Plan Network Adequacy Regulation		
Specific Legal Authority Authorizing the promulgation of Rule: Miss. Code Ann. § 83-401-401, et seq.; Miss. Code Ann. § 25-43-101, et seq.; Mississippi Patient Protection Act of 1995		Reference to Rules repealed, amended or suspended by the Proposed Rule: Miss. Admin. Code Title 19, Part 3, Chapter 14 Managed Care Plan Network Adequacy	

A. Estimated Costs and Benefits

1. Briefly summarize the benefits that may result from this regulation and who will benefit:

The benefits that will result from the relevant portion of this proposed amendment to the existing regulation include reducing the out-of-pocket costs for Mississippi consumers who are members of managed care plans when those consumers are forced to incur travel expenses because the managed care plan's network fails to comply with the geographic access standards established by the proposed amended regulation.

2. Briefly describe the need for the proposed rule:

The amendment to the existing regulation is promulgated to revise the standards for the creation and maintenance of networks by health carriers who maintain a "managed care plan" as defined by *Miss. Code Ann.* § 83-41-403 to ensure adequate access to covered persons in a managed care plan. Mississippi consumers who are members of managed care plans incur unnecessary expenses when they are forced to travel outside the reasonable geographic confines of their residences (as set forth in the amendment) because the health carrier's managed care plan network, regarding certain types of providers, does not meet the proposed amended regulation's geographic access standards. Importantly, this rule will impose no new expense not already born by at least one party to the managed care plans' agreements with its members. Instead, this amended regulation shifts the expense from the managed care plan member to the health carriers. This is reasonable because the health carriers are the only parties able to remedy the geographic inadequacy of their own managed care plan network and the health carriers thus should take reasonable measures to avoid or mitigate the travel expense altogether incurred by the consumer.

3. Briefly describe the effect the proposed action will have on the public health, safety, and welfare:

The proposed amended regulation will lessen the financial burden on Mississippi consumers who are members of a managed care plan when they are forced to travel outside the reasonable geographic confines of their residences. This proposed amended regulation will reduce the consumers' costs in obtaining the healthcare they need and incentivize health carriers to maintain an adequate network of providers in their managed care plans. The latter effect should increase the number of healthcare provider options for Mississippi consumers.

4. Estimated Cost of implementing proposed action:

- a. To the agency
☒ Nothing ☐ Minimal ☐ Moderate ☐ Substantial ☐ Excessive
- b. To other state or local government entities
☒ Nothing ☐ Minimal ☐ Moderate ☐ Substantial ☐ Excessive

5. Estimated Cost and/or economic benefit to all persons directly affected by the proposed rule:

- a. Cost:
☒ Nothing ☒ Minimal ☐ Moderate ☐ Substantial ☐ Excessive
- b. Economic Benefit:
☐ Nothing ☐ Minimal ☐ Moderate ☒ Substantial ☐ Excessive

6. Estimated impact on small businesses:

- ☐ Nothing ☒ Minimal ☐ Moderate ☐ Substantial ☐ Excessive

- a. Estimate of the number of small businesses subject to the proposed regulation:

A small business is defined in Miss. Code Ann. § 25-43-4.102 as a for-profit business employing fewer than one hundred full-time employees or having gross annual sales or revenue of less than \$10,000,000. The proposed amended regulation draws no distinction between businesses that either do or do not meet that definition, but it limits its coverage to health carriers who maintain "managed care plans" within the definition of Miss. Code Ann. § 83-41-403. That said, no health carriers covered by the amendment meet the definition of a "small business" under Miss. Code Ann. § 25-43-4.102.

- b. Projected costs for small businesses to comply:

The impact to small businesses either inside or outside of the State is minimal.

- c. Statement of probable effect on impacted small businesses:

The impact to small businesses either inside or outside of the State is minimal.

7. The cost of adopting the rule compared to not adopting the rule or significantly amending the existing rule (check option):

- ☐ substantially less than ☐ moderately less than ☐ minimally less than
☒ the same as ☐ minimally more than ☐ moderately more than
☐ substantially more than ☐ excessively more than

8. The benefit of adopting the rule compared to not adopting the rule or significantly amending the existing rule (check option):

- ☐ substantially less than ☐ moderately less than ☐ minimally less than
☐ the same as ☐ minimally more than ☐ moderately more than
☒ substantially more than ☐ excessively more than

B. Reasonable Alternative Methods

1. **Other than adopting this rule, are there less costly or less intrusive methods for achieving the purpose of the proposed rule?**
☐ yes ☒ no
2. **If yes, please briefly describe available, reasonable alternative(s) and the reasons for rejecting those alternatives in favor of the proposed rule. (Please see §25-43-4.104 for factors you must consider.)** N/A

C. Data and Methodology

1. **Please briefly describe the data and methodology you used in making the estimates required by this form.**

The Department engaged the Center for Insurance Policy & Research (CIPR), which is an arm of the National Association of Insurance Commissioners (NAIC), for a project to estimate the cost to health carriers for reimbursing travel costs to members of its managed care plan when members were required to travel 100 miles or more from their residence to reach an in-network medical provider. The CIPR tallied visits to each practitioner specialty and facility type by the members of a managed care plan relative to those members' geographic residence determined by zip codes to determine the occasions in which the members would have to travel more than 100 miles for medical treatment. CIPR estimated the total annual cost using generous estimates of the occasions when reimbursement would be required.. As noted, there is no net increased cost since the cost would be incurred by the consumers regardless. The amendment merely shifts responsibility of the cost to the health plans. The total shifted annual cost even under a worst-case scenario was minimal.

Where, when, and how may someone present their views on the proposed rule and request an oral proceeding on the proposed rule if one is not already scheduled?

The initial version of this proposed amendment to the regulation was filed for public comment on July 7, 2023, and one of the public commenters asserted that an economic impact study was required for the portion of the regulation that required health carriers to reimburse their managed care plans' members out-of-pocket travel expenses in instances where the managed care plan's network failed to meet the geographic access standards in this proposed amended regulation. The Department is refiling the regulation with the addition of this economic impact study statement.

Written comments on this proposed rule will be accepted for until 4:00 p.m. on Friday, May 31, 2024, and may be submitted to the agency contact person listed. If a written request for an oral proceeding is submitted by a political subdivision, an agency or ten (10) or more persons, the Department will schedule an oral hearing.
