

**Title 23: Division of Medicaid**

**Part 204: Dental Services**

**Part 204 Chapter 1: General**

*Rule 1.17: Early and Periodic Screening, Diagnosis, and Treatment (EPSDT)*

The Division of Medicaid pays for all medically necessary services for Early and Periodic Screening, Diagnosis and Treatment (EPSDT)-eligible beneficiaries in accordance with Miss. Admin. Code Part 223, without regard to service limitations and with prior authorization.

- A. Orthodontic services are covered and prior authorized by the Division of Medicaid or designated entity for EPSDT eligible beneficiaries.
- B. Orthodontia-related services are limited to \$4,620 per beneficiary per lifetime.
- C. Orthodontic services in excess of the \$4,620 lifetime limit may be provided with prior authorization from the Division of Medicaid's UM/QIO or a contracted CCO's UM/QIO.
