

Title 23: Division of Medicaid

Part 216: Dialysis Services

Part 216 Chapter 1: Dialysis Services

Rule 1.3: Bundled ESRD PPS Rate

- A. The Division of Medicaid reimburses ESRD facilities the bundled ESRD PPS rate effective as of January 1, of each year.
- B. The ESRD PPS rate provides a single payment for all resources used in providing dialysis services including supplies, equipment, drugs, biologicals, laboratory services and support services.
 - 1. The facility must furnish all necessary services, equipment, and supplies.
 - 2. The appropriate revenue codes must be billed for the ESRD PPS rate.
 - 3. Dialysis services are not reimbursed if there are no corresponding treatment notes.
