

Part VII Motor Vehicles and Titles

Subpart 6 Vehicles

Chapter 08 Voluntarily Titled Vehicles

100 Boat trailers are not subject to title; however, voluntary applications for title will be accepted. The manufacturer's certificate of origin (MCO) will be required as a supporting document for new boat trailers. If the MCO is not available, then the title bond procedures will need to be followed to receive a title.

101 All-terrain vehicles (ATVs) and utility task/terrain vehicles (UTVs) that are in this state and manufactured or assembled or subject of first sale for use before July 1, 2025, are voluntarily titled. The manufacturer's certificate of origin (MCO) and/or a bill of sale will be required as supporting documents when titled. If the MCO is not available, then the title bond procedures will need to be followed to receive a title.
