

Subpart 4 Warehouse Operations

Chapter 11 Retail Pickup from Craft Distilleries, Native Distilleries, and Native Wineries

- 100 Mississippi Code Section 67-1-41(10) allows retail permittees to pick up native wines and spirits sold by the Department, so that those alcoholic beverages may be delivered to the retail permittee at the craft distillery, native distillery, or native winery instead of via shipment from the LDC. All orders for such products must be placed through the LDC utilizing TAP.
- 101 Retail permittees may pick up alcoholic beverages directly from a craft distillery, native distillery, or native winery after first notifying the LDC. Such alcoholic beverages must be listed by the LDC to be eligible for direct pick up.
- 102 Retail permittees shall notify the LDC via electronic mail at retail.pickup@dor.ms.gov, prior to the order being picked up, that it intends on picking up these products from the craft distillery, native distillery, or native winery.
- 103 Retail permittees shall abide by all restrictions on transporting alcoholic beverages, including but not limited to those as stated under Mississippi Code Section 27-71-15 (Means of Transportation).
- 104 (Reserved)
