History: Revised eff. 11/01/2026.

Title 23: Division of Medicaid

Part 203: Physician Services

Part 203 Chapter 1: General

Rule 1.7: Teaching Facilities' Billing for Resident Services

~~A. Medicaid does not apply Medicare policy related to billing for services performed by residents in a teaching facility. Medicaid does not cover services provided under the direction of the teaching physician.~~

~~A.—~~

Medicaid covers teaching physicians, who are supervising residents, but requires the teaching physician to physically be present in the room with the beneficiary and requires documentation in the teaching physician medical record that they were physically present in the room with the beneficiary when services were rendered by the resident.

The Division of Medicaid covers teaching physician services that are provided in accordance with the applicable Medicare policy for the service being provided.- All services must be covered by the Medicaid State Plan.
