

Proposed Initiative Petition Wording for Term Limits Petition Filed November 2020

This initiative would amend the Mississippi Constitution to limit appointed and elected state and local officials, United States Representatives, and United States Senators to two successive terms. Service prior to January 1, 2021 would not be counted when determining the number of successive terms served by United States Representatives and United States Senators.

Fiscal Analysis: Should this initiative pass, there are no anticipated costs to the State of Mississippi:
