Purpose

This qualifying guide provides essential information for candidates running in Mississippi's federal, state, county, and certain municipal separate school and special municipal separate school district elections in 2014. This guide begins with an overview of the qualifying process for party, independent, and non-partisan candidates seeking public office. Candidates should familiarize themselves with the legal qualifications and the qualifying procedures for the office they intend to seek. This guide *only* provides information about elected offices for which an election will be held during 2014.

All candidates must file *campaign finance reports*. This guide includes an explanation of campaign finance reporting requirements. Keep in mind, a winning candidate who fails to file any required campaign finance report may not take office. A failure to file required campaign finance reports could result in criminal and civil penalties.

Candidate Requirements

Party Candidates

A **party candidate** must submit *two* items to the proper office: (1) the appropriate qualifying fee; and (2) a completed “Statement of Intent for a Candidate for Party Nomination” available at your Circuit Clerk’s office and State Party headquarters. You may also download the required form from the Secretary of State’s office website: www.sos.ms.gov.

Independent Candidates

An **Independent candidate** does not pay a qualifying fee but must submit a completed “Qualifying Statement of Intent” and Petition signed by a certain number of qualified electors as specified by statute for each office, to the proper office. The appropriate Circuit Clerk must certify the signatures on a candidate’s petition are those of registered voters in the county or district. Candidates for *statewide* offices or *multi-county district* offices must submit completed Circuit Clerk-certified petitions to the Secretary of State’s office. Independent candidates should budget sufficient time to ensure the certified petitions are delivered to the Secretary of State’s office on or prior to the qualifying deadline. Petition forms are available from each Circuit Clerk or the Secretary of State’s office. You may also download the required form from the Secretary of State’s office website: www.sos.ms.gov.

Non-Partisan Candidates

In Mississippi, candidates for judicial office (with the exception of candidates for Justice Court Judge), County School Board, Consolidated/Consolidated Line School District Trustee, Separate Municipal School District Trustee and Special Separate School District Trustee must run as **non-partisan candidates**. Campaign Finance Disclosure

Mississippi law requires that all candidates for elective office to file campaign finance disclosure reports. Under the law, one is a candidate if he/she has filed qualifying papers or has spent or received *over \$200 in the aggregate* in furtherance of an election campaign. Following the qualifying deadline, all persons who have filed qualifying papers are candidates under the law, even if they have not received or spent \$200, in the aggregate. Reports must be filed by **all** candidates even if they have received no contributions or made any disbursements. Forms necessary for compliance with these laws are available from the Secretary of State's office or the Circuit Clerk. Campaign Finance reporting forms may also be downloaded from the Secretary of State's website: www.sos.ms.gov.

What to Report

All reports filed under state law must include aggregate year-to-date and reporting period totals of contributions received and expenditures and disbursements made from all sources. Total cash on hand must be reported. *Miss. Code Ann. §23-15-807 (d)(i)*. Each report must also include each of the following categories:

Itemized Contributions

Each report must contain an itemized listing of each contributor, including name, address, occupation, employer, date of each contribution, and amount of each contribution giving year-to-date totals aggregating to more than **\$200**. *Miss. Code Ann. §23-15-807 (d)(ii)*. The grand totals of itemized contributions plus non-itemized contributions must be disclosed. *Miss. Code Ann. §23-15-807 (d)(iii)(1972)*.

Itemized Disbursements

Each report must contain an itemized listing of each person, business, or entity including name, address, occupation, employer, date of each expenditure or disbursement, and each amount receiving year-to-date totals aggregating to more than **\$200**. *Miss. Code Ann. §23-15-807 (d)(ii)*. The grand totals of itemized expenditures plus non-itemized expenditures must be disclosed. *Miss. Code Ann. §23-15-807 (d)(iii)*.

Non-Itemized Contributions and Disbursements

Contributions and disbursements aggregating to \$200 or less in a calendar year do not have to be itemized. However, these amounts *are* included in grand totals of all contributions and grand totals of all disbursements as indicated on the cover sheet of each report.

Reporting Threshold

All candidates and political committees must fully itemize (identify) the source of contributions and itemize expenditures when they aggregate to \$200.01 or more in a calendar year. *Miss. Code Ann. §23-15-807*.
