Acts, conduct, and practices, including, but not limited to, the following are considered contrary to such standards and may constitute grounds for denial, suspension, or revocation of registration, imposition of fines, a bar, or such other action authorized by statute.

A. *Broker-dealers.*

1. Causing any unreasonable delays in the placement of orders, execution of orders, or the delivery of securities purchased by any of its customers or in the payment upon request of free credit balances reflecting completed transactions of any of its customers.
2. Inducing trading in a customer's account that is excessive in size or frequency in view of the financial resources, investment objectives of the customer, and character of the account.
3. Recommending to a customer the purchase, sale, or exchange of any security without reasonable grounds to believe that such transaction or recommendation is suitable for the customer based upon reasonable inquiry concerning the customer's investment objectives, age, financial situation, risk tolerance, needs, and any other relevant information known by the broker-dealer.
4. Executing a transaction on behalf of a customer without authorization to do so.
5. Marking any order tickets or confirmations as unsolicited when in fact the transaction is solicited.
6. Exercising any discretionary power in effecting a transaction for a customer's account without first obtaining written discretionary authority from the customer, unless the discretionary power relates solely to the time and/or price for the execution of orders.
7. Extending, arranging for, or participating in arranging for credit to a customer in violation of the Securities Exchange Act of 1934 or the regulations of the Federal Reserve Board.
8. Executing any transaction in a margin account without obtaining from the customer a properly executed written margin agreement prior to the settlement date for the initial transaction in the account.
9. Failing to segregate customers' free securities or securities held in safekeeping.
10. Hypothecating a customer's securities without having a lien thereon unless written consent is first obtained, except as permitted by rules of the SEC.

11. Entering into a transaction with or for a customer at a price not reasonably related to the current market price of the security or receiving an unreasonable commission or profit.
12. Failing to furnish to a customer purchasing securities in an offering, no later than the date of confirmation of the transaction, either a final prospectus or a preliminary prospectus and an additional document, which together includes all information set forth in the final prospectus.
13. Charging unreasonable and inequitable fees for services performed, including miscellaneous services such as collection of monies due for principal, dividends, or interest; exchange or transfer of securities; appraisals, safekeeping, or custody of securities; and other services related to its securities business, except where such fees are negotiated or have been previously consented to by the customer.
14. Offering to buy from or sell to any person any security at a stated price unless such broker-dealer is prepared to purchase or sell, as the case may be, at such price and under such conditions as are stated at the time of such offer to buy or sell.
15. Representing that a security is being offered to a customer “at the market” or a price relevant to the market price, unless such broker-dealer knows or has reasonable grounds to believe that a market for such security exists other than that made, created, or controlled by such broker-dealer, or by any person for whom he is associated in such distribution, or any person controlled by, controlling, or under common control with such broker-dealer.
16. Effecting any transaction in or inducing the purchase or sale of any security by means of any manipulative, deceptive, or fraudulent device, practice, plan, program, design, or contrivance which may include, but not be limited to:
 - a. Effecting any transaction in a security which involves no change in the beneficial ownership thereof;
 - b. Entering an order or orders for the purchase or sale of any security with the knowledge that an order or orders of substantially the same size, at substantially the same time, and for substantially the same price, for the sale of any such security, has been or will be entered by or for the same or different parties for the purpose of creating a false or misleading appearance of active trading in the security or a false or misleading appearance with respect to the market for the security; however, nothing in this Subsection shall prohibit a broker-dealer from entering bona fide agency cross transactions for its customers;

- c. Effecting, alone or with one or more other persons, a series of transactions in any security creating actual or apparent active trading in such security or raising or depressing the price of such security, for the purpose of inducing the purchase or sale of such security by others;
 - d. Contradicting or negating the importance of any information contained in a prospectus or other offering materials with intent to deceive or mislead, or using any advertising or sales presentation in a deceptive or misleading manner;
 - e. In connection with the offer, sale, or purchase of a security, falsely leading a customer to believe that the broker-dealer or agent is in possession of material, nonpublic information which would impact the value of the security;
 - f. In connection with the solicitation of a sale or purchase of a security, engaging in a pattern or practice of making contradictory recommendations to different investors with similar investment objectives for some to sell and others to purchase the same security, at or about the same time, when not justified by the particular circumstance of each investor.
17. Guaranteeing a customer against loss in any securities account of such customer carried by the broker-dealer or in any securities transaction effected by the broker- dealer with or for such customer.
18. Publishing, circulating, or causing to be published or circulated any notice, circular, advertisement, newspaper article, investment service, or communication of any kind which purports to report any transaction as a purchase or sale of any security unless such broker-dealer believes that such transaction was a bona fide purchase or sale of such security; or which purports to quote the bid price or asked price of any security, unless such broker-dealer believes that such quotation represents a bona fide bid for, or offer of, such security.
19. Using any advertising or sales presentation in such a fashion as to be deceptive or misleading. An example of such practice would be distribution of any nonfactual data, material, or presentation based on conjecture; unfounded or unrealistic claims; or assertions in any brochure, flyer, or display by words, pictures, graphs, or otherwise designed to supplement, detract from, supersede, or defeat the purpose or effect of any prospectus or disclosure.
20. Failing to disclose that the broker-dealer is controlled by, controlling, affiliated with, or under common control with the issuer of any security before entering into any contract with or for a customer for the purchase or sale of such security,

and if such disclosure is not made in writing, it shall be supplemented by written disclosure at or before the completion of the transaction.

21. Failing to make a bona fide public offering of all of the securities allotted to a broker-dealer for distribution, whether acquired as an underwriter, a selling group member, or from a member participating in the distribution as an underwriter or selling group member. This includes, among other things, (1) transferring securities to a customer's, another broker-dealer's, or a fictitious account with the understanding that those securities will be returned to the broker-dealer or its nominees or (2) "parking" or withholding securities.
22. Failure or refusal to furnish a customer, upon reasonable request, information to which he is entitled or to respond to a formal written request or complaint.
23. Violating any laws or rules of the SEC or a national securities exchange or any national securities association of which it is a member or violating any federal or state securities law or any rule or regulation promulgated thereunder.

B. *Agents.*

1. Lending or borrowing money or securities from a customer (unless such customer is a bona fide financial institution whose business is to borrow or lend), or acting as a custodian for money, securities, or an executed stock power of a customer.
2. Effecting securities transactions not recorded on the regular books or records of the broker-dealer which the agent represents, unless the transactions are authorized in writing by the broker-dealer prior to execution of the transaction.

4. Sharing directly or indirectly in profits or losses in the account of any customer without the written authorization of the customer and the broker-dealer which the agent represents.

The conduct set forth above is not exhaustive. Engaging in other conduct such as forgery, embezzlement, non-disclosure, incomplete disclosure or misstatement of material facts, or manipulative or deceptive practices shall also be grounds for denial, suspension, or revocation of registration, imposition of fines, a bar, or such other action authorized by statute.

E. Subsection (D)(1) of this Rule shall not apply if:

1. The party subject to the disqualification is licensed or registered to conduct securities related business in the state in which the order, judgment, or decree creating the disqualification was entered against such party;

 1. Is delivered through an electronic database that is restricted to persons who have been prequalified as accredited investors; or
 2. Is delivered after the issuer reasonably believes that the prospective purchaser is an accredited investor.
- H. No telephone solicitation shall be permitted unless, prior to placing the call, the issuer reasonably believes that the prospective purchaser to be solicited is an accredited investor.
- I. Dissemination of the general announcement of the proposed offering to persons who are not accredited investors shall not disqualify the issuer from claiming the exemption under this Rule.
- J. The issuer shall file with the Division a notice of transaction, a consent to service of process and a copy of the general announcement within fifteen (15) days after the first sale in this state.

Rule 7.19 Broker-Dealers, Investment Advisers, Broker-Dealer Agents, and Investment Adviser Representatives Using the Internet. Broker-dealers, investment advisers, broker-dealer agents (hereinafter “BD agents”), and investment adviser agents/representatives (hereinafter “IA reps”) who use the internet, the World Wide Web, and similar proprietary or common carrier electronic systems (collectively, hereinafter the “internet”) to distribute information on available products

and services through certain communications made on the internet directed generally to anyone having access to the internet, and transmitted through postings on Bulletin Boards, displays on “Home Pages” or similar methods (hereinafter “Internet Communications”) shall not be deemed to be “transacting business” in this state for purposes of Sections 75-71-401 and 75-71-404 of the Act based solely on that fact if the following conditions are observed:

- A. The Internet Communication contains a legend in which it is clearly stated that:
 - 1. The broker-dealer, investment adviser, BD agent, or IA rep in question may only transact business in this state if first registered, excluded, or exempted from state broker-dealer, investment adviser, BD agent, or IA rep registration requirements, as may be; and
 - 2. Follow-up, individualized responses to persons in this state by such broker-dealer, investment adviser, BD agent, or IA rep that involve either the effecting or attempting to effect transactions in securities, or the rendering of personalized investment advice for compensation, as may be, will not be made absent compliance with state broker-dealer, investment adviser, BD agent, or IA rep registration requirements or an applicable exemption or exclusion.
- B. The Internet Communication contains a mechanism, including and without limitation, technical “firewalls” or other implemented policies and procedures, designed to reasonably ensure that prior to any subsequent direct communication with prospective customers or clients in this state, said broker-dealer, investment adviser, BD agent, or IA rep is first registered in this state or qualifies for an exemption or exclusion from such requirement. Nothing in this Subsection (B) shall be construed to relieve a state registered broker-dealer, investment adviser, BD agent, or IA rep from any applicable securities registration requirement in this state.
- C. The Internet Communication does not involve either effecting or attempting to effect transactions in securities, or the rendering of personalized investment advice for compensation, as may be, in this state over the internet, but is limited to the dissemination of general information on products and services.
- D. In the case of a BD agent or IA rep:
 - 1. The affiliation with the broker-dealer or investment adviser of the BD agent or IA rep is prominently disclosed within the Internet Communication;
 - 2. The broker-dealer or investment adviser with whom the BD agent or IA rep is associated retains responsibility for reviewing and approving the content of any Internet Communication by a BD agent or IA rep;

3. The broker-dealer or investment adviser with whom the BD agent or IA rep is associated first authorizes the distribution of information on the particular products and services through the Internet Communication; and
 4. In disseminating information through the Internet Communication, the BD agent or IA rep acts within the scope of the authority granted by the broker-dealer or investment adviser.
- E. The position expressed in this Rule extends to state broker-dealer, investment adviser, BD agent and IA rep registration requirements only and does not excuse compliance with applicable securities registration, anti-fraud, or related provisions.
- F. Nothing in this Rule shall be construed to affect the activities of any broker-dealer, investment adviser, BD agent, or IA rep engaged in business in this state that is not subject to the jurisdiction of the Mississippi Secretary of State as a result of the National Securities Markets Improvements Act of 1996, as amended.

 - i. Any information made available through the internet website relating to an offering; and
 - j. Ledgers (or other records) that reflect all assets and liabilities, income and expense, and capital accounts.
8. The records and the internet website portal of an intermediary or intermediary applicant under this Rule are subject to reasonable periodic, special, or other audits or inspections by the Division, in or outside this state, as the Division considers necessary or appropriate in the public interest and for the protection of investors. An audit or inspection may be made at any time and without prior notice. The Division may copy and remove for audit or inspection copies of all records the Division reasonably considers necessary or appropriate to conduct the audit or inspection. The Division may assess a reasonable charge for conducting an audit or inspection under this Rule.
9. The intermediary:

10. The intermediary shall not purchase or receive more than fifteen percent (15%) of the securities in the offering and shall prohibit its directors, officers, or partners (or any person occupying a similar status or performing a similar function) from having any financial interest in an issuer using its services as an intermediary, unless the financial interest in the aggregate does not exceed fifteen percent (15%) of the ownership of the issuer.
11. All communications between the issuer, prospective purchasers, or investors that take place during the offer of securities pursuant to this Rule must occur through the intermediary's internet website. Notwithstanding the foregoing, the issuer or the intermediary may distribute a notice within this state limited to the statement that the issuer is conducting an offering, the name of the intermediary through which the offering is being conducted and a link directing the potential investor to the intermediary's website. The notice must contain a disclaimer reflecting that the offering is limited to residents of this state and that sales of the securities appearing on the internet website are limited to persons that are residents of this state.
12. The website operated by the intermediary must meet the following requirements:
- a. The website must contain a disclaimer reflecting that sales of the securities appearing on the website are limited to persons that are residents of this state.
 - b. Evidence of residency within this state is required before a sale is made to a prospective purchaser. An affirmative representation made by a

An issuer must provide a written copy of the report to any investor upon request. The issuer shall make each such quarterly report available to the Division upon request. The report must contain each of the following:

A controlling person is an officer, director, partner, trustee, or individual occupying similar status or performing similar functions with respect to the issuer or to a person owning ten percent (10%) or more of the outstanding shares of any class or classes of securities of the issuer.
- J. *Disqualification.* The exemption allowed by this Rule shall not apply if an issuer, any of its executive officers, directors, managing members, persons with twenty percent (20%) or greater beneficial ownership, persons with management authority over the issuer, promoters, selling agents, or any officer, director or partner of any selling agent has been subject to any conviction, order, judgment, decree, or other action specified in Rule 506(d)(1) adopted under the Securities Act of 1933, 17 C.F.R. § 230.506(d)(1), that would disqualify the person under Rule 506(d) adopted under the Securities Act of 1933, 17 C.F.R. § 230.506(d), from claiming an exemption specified in Rule 506(a) to Rule 506(c) adopted under the Securities Act of 1933, 17 C.F.R. § 230.506(a)-(c).
- K. Nothing in this exemption shall be construed to alleviate any person from the anti-fraud provisions of the Act, nor shall such exemption be construed to provide relief from any other provisions of the Act other than as expressly stated.
- L. The Division may deny, refuse to renew, condition, limit, suspend, or revoke the intermediary's registration as an intermediary for any reason as determined by the Secretary of State in his sole discretion.
- M. The Secretary of State may by order waive any conditions of registration of intermediaries or other requirements set forth in this Rule.

Rule 7.23 Invest Mississippi Crowdfunding Small Offering Exemption. By authority delegated to the Secretary of State in Section 75-71-203 of the Act, the Division has adopted an exemption from the registration requirements of the Act for any offer or sale of securities offered or sold in compliance with Section 3(a)(11) of the Securities Act of 1933, 15 U.S.C. § 77c(a)(11), and SEC Rule 147, 17 C.F.R. § 230.147, or such federal laws as are enacted or rules that are adopted by the SEC that govern intrastate internet crowdfunding offerings and any amendments thereto, which also satisfy the further conditions and limitations set forth in this Rule below.

- A. *Definitions.* This Rule incorporates the Definitions set forth in Rule 7.21.
- B. In order to comply with this Rule and be exempt from the registration requirements of the Act, the following conditions and limitations are required to be met:
1. The securities must be sold only to persons who are residents of this state at the time of purchase. Prior to making any sale under this exemption, the issuer must obtain reasonable documentation that the investor is a Mississippi resident. Reasonable documentation includes, but is not limited to:
 - a. A current Mississippi driver's licensee or personal identification card.
 - b. A document that indicates the prospective purchaser owns or occupies property in the state as his principal residence, such as a current voter registration or official business mail from a state or federal agency.
 2. The issuer of the securities is a business corporation or limited liability company with a principal place of business in this state and authorized to do business in this state.
 3. The issuer is not, either before or as a result of the offering, an investment company, as defined in Section 3 of the Investment Company Act of 1940, 15 U.S.C. § 8a-3, or subject to the reporting requirements of Section 13 or 15(d) of the Securities Exchange Act of 1934, 15 U.S.C. §§ 78m and 78o(d).
 4. The aggregate amount sold to all investors by the issuer, including any amount sold in reliance on the exemption provided under this Rule during the twelve (12) month period preceding the date of such transaction, is not more than Three Hundred Thousand Dollars (\$300,000.00).
 5. The aggregate amount sold to any single investor by multiple issuers in reliance on the exemption provided in this Rule during the twelve (12) month period preceding the date of such transaction:
 - a. For accredited investors, the aggregate amount sold by multiple issuers to any single accredited investor does not exceed the greater of:
 - i. If the investor has had an annual income of at least Two Hundred Thousand Dollars (\$200,000.00) each year for the last two (2) years (or Three Hundred Thousand Dollars (\$300,000.00) (together with a spouse if married) and has the expectation to make the same amount in the current year, five percent (5%) of the investor's annual income, not to exceed the aggregate amount of Fifty Thousand Dollars (\$50,000.00); or

- ii. If the investor's net worth is at least One Million Dollars (\$1,000,000.00), five percent (5%) of the investor's net worth, not to exceed the aggregate amount of Fifty Thousand Dollars (\$50,000.00).
 - b. For non-accredited investors, the aggregate amount sold to a single non-accredited investor by multiple issuers does not exceed Five Thousand Dollars (\$5,000.00).
 - c. For investors that are qualified purchasers, there shall be no aggregate limit on the amount the qualified purchaser investor can purchase from a single issuer or multiple issuers in offerings conducted pursuant to this Rule.
 - 6. The number of investors in a single offering under this exemption shall not exceed five hundred (500) investors. For purposes of computing the number of investors under this Rule:
 - a. There shall be counted as one investor any corporation, partnership, association, joint stock company, trust, or unincorporated organization, unless such entity was organized for the specific purpose of acquiring the securities offered, in which case each beneficial owner of equity interests or equity securities in such entity shall count as a separate purchaser.
 - b. A purchase by a husband and wife in the joint names of both husband and wife shall be deemed to be made by a single investor.
 - c. An original member or shareholder of the issuer who purchased an interest in the entity primarily to enable the entity to be formed and whose interest will be extinguished once the offering has terminated shall not be considered to be a purchaser.
 - 7. Securities issued under the provisions of this Rule shall be without payment of commission, compensation, or remuneration, directly or indirectly, except where it is reported to the Division and determined by the Division that such commission or compensation is allowable. Such determination must be made prior to the initial purchase under this Rule.
 - 8. Offerings or sales of securities pursuant to this Rule shall be made only by duly elected and acting officers of the issuer; or by a broker-dealer and its agents registered under the Act.
- C. *Required Filings.* Prior to the receipt of consideration from an investor, or the delivery of a subscription agreement or other promissory note to an investor which results from

an offer being made in reliance upon this exemption, the issuer shall file with the Division:

1. A notice on a form prescribed by the Division.
 2. The prospectus, private placement memorandum, offering circular, or similar document, which shall contain a full disclosure of material information to be furnished by the issuer to offerees, including the offering limitations set forth in Subsection (B)(1-7), above. The use of the Small Corporate Offering Registration Form (SCOR), a copy of which is available upon request, may be acceptable for compliance with this subsection.
 3. A consent to service of process.
- D. *No Bank Escrow Agent Required.* An issuer relying on this exemption shall not be required to use a bank escrow agent. If the issuer chooses to use a bank escrow agent, the provisions of Rule 7.21(B)(7) apply.
- E. If the issuer elects to not use a bank escrow agent, it must use either (1) or (2) below:
1. A segregated account in a bank. The segregated account must be exclusively for the investors' funds raised by use of this exemption and:
 - a. The total sum of investor funds shall be held in trust and shall not be deployed by the issuer until the minimum target offering amount is met by the offering deadline.
 - b. The issuer shall be responsible for the prudent processing, safeguarding, and accounting for the funds entrusted to it by the investors and placed in the segregated account.
 - c. No person who is not a duly elected and acting officer, if the issuer is a corporation, or member or manager, if the issuer is a limited liability company, of the issuer shall be a signatory on the segregated account.
 - d. The issuer shall keep and make readily available complete records of the transactions of the segregated account for inspection by the Division. The bank transaction records of an issuer under this Rule are subject to the reasonable periodic, special, or other audits, or inspections, access, or review by the Division. The Division may copy and remove for audit or inspection copies of all records the Division reasonably considers necessary or appropriate to conduct the audit or inspection.
 - e. In the event the minimum target offering amount and/or offering deadline are not met, the issuer shall be responsible for the return of all investor

funds upon request by the investor. The offer must provide a form for investors to request return of their investment if the minimum target offering amount and/or the offering deadline are not met.

2. In no case, except for the very limited exception set forth below, prior to the expiration of the offering deadline, and the satisfaction of the minimum target offering amount, shall the investors' funds be commingled with the profits or operating or other capital of the issuer. The only exception is the case of funds reasonably sufficient to pay for account fees, obtain a waiver of account fees, or to keep the account open. The issuer assumes the responsibility to pay for the costs of check orders, bank fees, credit card fees, insufficient fund fees, and other fees that may be deducted from the account. These expenses should be anticipated in advance so a reasonable amount of money can be deposited into the account to cover the expenses prior to their deduction by the bank. All funds received by the issuer from investors under this exemption shall be held in trust by an attorney licensed to practice law in Mississippi who shall deposit the funds in a depository institution authorized to do business in Mississippi until such time as the minimum target offering amount is attained or the offering deadline has lapsed.

F. *No Portal Required.* An issuer exempt under this Rule may, but shall not be required to, use an intermediary funding portal. If the issuer elects to not use an intermediary funding portal, the issuer:

1. Shall ensure that each investor answers questions demonstrating:
 - a. An understanding of the level of risk generally applicable to investments in startups and small issuers.
 - b. An understanding of the risk of illiquidity, including an acknowledgment that there is no ready market for the sale of the securities acquired from an offering under this Rule, that it may be difficult or impossible for the investor to sell or otherwise dispose of an investment under this Rule, and that the investor may be required to hold and bear the financial risks of this investment indefinitely.
2. Shall perform a background and securities enforcement regulatory history check on each person holding a position listed in Subsection (S) of this Rule to determine if such person is subject to any disqualification as described in Subsection (S) of this Rule.
3. Shall ensure that no offering proceeds are deployed as capital or otherwise used by the issuer until the aggregate capital raised from all investors is equal to or greater than the minimum target offering amount and shall allow investors to

cancel their commitments to invest and obtain a refund if the minimum target offering amount is not raised by the offering deadline.

4. In addition to the record keeping required by Subsection (G) below, the issuer must keep a record of each deposit into the segregated account (or attorney trust account) representing the purchase of the issuer's securities for each investor. The records must be sufficient to verify that for each sale of securities the issuer made a corresponding deposit into the segregated account in the amount of the sale within two (2) business days of the sale.
- G. *Record Keeping.* The issuer shall maintain and preserve for a period of five (5) years from the date of the closing or termination of the securities offering the following records related to offers and sales made of the issuer's securities, including but not limited to:
1. Copies of information provided to prospective purchasers;
 2. All executed subscription agreements between the issuer and any purchaser;
 3. Any information used to establish the issuer's state of organization and principal place of business, and its authorization to do business in this state;
 4. Any correspondence or other communications with prospective purchasers, and/or investors, including any contracts or agreements secondary or pursuant to the subscription agreement;
 5. All advertisement or other forms of solicitation, including any information made available through the issuer's website or social media presence relating to an offering;
 6. Ledgers (or other records) that reflect all assets and liabilities, income and expense, and capital accounts; and
 7. All banking and deposit records.
- H. *Report.* For so long as securities issued under the exemption provided in this Rule are outstanding, the issuer shall provide a quarterly report to the issuer's investors. The report required by this Rule shall be free of charge. An issuer may satisfy the reporting requirement of this Rule if the information is made available by electronic means within forty-five (45) days of the end of each fiscal quarter and remains available until the succeeding quarterly report is issued. An issuer must provide a written copy of the report to any investor upon request. The issuer shall make each such quarterly report available to the Division upon request. The report must contain each of the following:

1. Compensation received by each director, executive officer, or manager, including cash compensation earned since the previous report and on an annual basis and any bonuses, stock options, other rights to receive securities of the issuer or any affiliate of the issuer, or other compensation received; and
 2. An analysis by management of the issuer of the business operations and financial condition of the issuer, such as a recent balance sheet and profit and loss statement.
- I. *General Solicitation.* A general announcement of the proposed offering may be made by any means, including social media or internet websites, subject to the following restrictions:
1. Advertising or soliciting on the issuer's own social media account or website is permitted, but the issuer shall construct the website or social media page so that potential investors "click through" to a dedicated internal website page solely for the purpose of explaining the limited offering; and
 - a. The issuer shall prominently indicate on the internal website page for soliciting investors the legend set forth in Subsection (K) below;
 - b. The dedicated internal website page shall provide means of contact between the issuer and potential investors to facilitate the actual investment, including the delivery of a written subscription agreement and all offering documents to the prospective investor for his review prior to the sale; the issuer shall not allow purchase of securities through its website;
 - c. The issuer may make available to all potential investors the documents referenced in Subsection (C)(2) in downloadable and printable form but must verify receipt and review by the prospective investor prior to executing any sale;
 - d. The dedicated internal website page shall inform all prospective purchasers that a segregated account (or attorney trust account) will hold all purchasers' funds in trust until the minimum target offering amount and offering deadline are met;
 - e. The dedicated internal website page shall set forth the minimum target offering amount (not less than 50% of the total offering amount) and offering deadline date;
 - f. The dedicated internal website page shall set forth the total offering amount made by the issuer in reliance on the exemption provided in this Rule, not to exceed Three Hundred Thousand Dollars (\$300,000.00);

The issuer must also submit all exhibits to the IMC Form except as otherwise specified by the Division, and any other documents or information the Division may require. A copy of the IMC Form is available upon request.

1. The Division will issue a written Acknowledgment of Completed Invest Mississippi Crowdfunding Exemption Form within five (5) business days after receiving the completed IMC Form and all other exhibits to the IMC Form except as otherwise specified by the Division. Incomplete IMC Forms, Forms with responses that are not specific as required by this Rule and the instructions, or Forms with missing exhibits will be returned to the issuer for completion and/or resubmission. No offerings or sales may be made in this state until the written Acknowledgment has been issued.
 2. The completed IMC Form, including exhibits, shall be provided to the issuer or intermediary and shall be made available to potential investors after the Acknowledgment of Completed Invest Mississippi Crowdfunding Exemption Form has been issued by the Division.
- K. The issuer shall inform all investors that the securities have not been registered under federal or state securities law and the securities are subject to limitations on resale. The following legend shall be printed in all capitals on the prospectus, private placement memorandum, offering circular, or similar document used in connection with an offering under this Rule:

 3. The issuer must obtain and maintain the certifications, in addition to other records of investors' residence as set forth in Subsection (A) and provide ready access to the records to the Division, upon request. The Division may access, inspect, and review such records.
