

ANNUAL REPORT MAILER SCAMS

The Secretary of State's Office urges the business community to be cautious of misleading mailers being sent by private entities. In the mailer, the companies offer to prepare 2026 annual reports for a fee. The mailer may appear to be official government correspondence, but the fine print makes it clear it is not. All business owners should be aware this correspondence is not authorized by the Mississippi Secretary of State's Office.

As a reminder, domestic LLC owners can file annual reports on the Secretary of State's website at no cost. Annual reports are due by April 15th of each year, and our office sends numerous reminders, via electronic mail and traditional mail, reminding our Mississippi LLCs of upcoming filing deadlines and responsibilities.

Businesses may report deceptive or misleading solicitations to our office or the Mississippi Attorney General's Office. The Attorney General's Consumer Protection Hotline is 1-800-281-4418.

For more information, please contact the Secretary of State's at 601-359-1633 or email customerservice@sos.ms.gov.
