Governor TATE REEVES

As the 65th Governor of Mississippi, Tate Reeves continues to build on his strong record as a conservative leader who fights to guard taxpayers' dollars, improve educational opportunity, and grow new careers so that our state's best and brightest can raise their families and thrive here at home. In his inaugural address, Governor Reeves promised that this would be an administration for all Mississippi. He committed to a mission of continuing to create a climate where good careers are plentiful, with every Mississippian prepared to pursue them. Upon taking office, Governor Reeves simultaneously led our state through historic flooding and tornadoes and a worldwide pandemic—all within his first 100 days.

Governor Reeves has continued to make history throughout his public service career. When elected in 2003 for his first public office, Governor Reeves became the youngest state treasurer in our country and the first Republican to hold the office in Mississippi. His business training in the banking sector made him our state's foremost advocate for balancing the state budget while minimizing state debt. He was elected in 2011 and re-elected four years later as the 32nd Lieutenant Governor, leading the Mississippi Senate. His conservative management helped fill our state's Rainy Day Fund to over \$550 million—the most in state history—and reduce the overall debt burden. He fought for transparency in how agencies spend tax dollars and stronger reporting requirements on taxpayer-funded incentive programs.

His commitment to long-term growth that creates better careers led Governor Reeves to propose the largest tax cut in state history through the Taxpayer Pay Raise Act, lowering the personal income tax and enabling more Mississippi employers to invest in jobs and better compete in the global marketplace. Governor Reeves' upbringing in Rankin County public schools made him driven to reform the education system so that all Mississippi children can have the quality education he experienced. He has worked to increase investment in the classroom and enacted reforms to save money, strengthen achievement, and effectively communicate school performance. His new mission for our state is to have more national board-certified teachers per capita than any state in the nation.

Governor Reeves remains committed to his inaugural promise to defend the loving culture that underpins our quality of life and grow our economy that lifts all of our families. He has pledged to work every day to make that promise a reality for all Mississippi. A Rankin County native, Governor Reeves is a graduate of Florence High School and an honors graduate of Millsaps College, where he earned a bachelor's degree in economics. He holds the Chartered Financial

Analyst designation.

Governor Reeves and his wife, Elee, are the proud parents of three daughters, Tyler, Emma, and Maddie.

Lieutenant Governor DELBERT HOSEMANN

Elected in November 2019 with more than 60 percent of the vote, the Honorable Delbert Hosemann is serving as Mississippi's 33rd Lieutenant Governor. He previously served as Secretary of State. Lt. Governor Hosemann is committed to serving the public with open and fair government. He advocates for increasing state government transparency, growing small businesses, shoring up Mississippi's roads and bridges, providing better access to healthcare, and ensuring every child receives a high-quality education. As the President of the 52-member state Senate, he remains committed to making Mississippi an even better place for our children and grandchildren.

Beginning his tenure amidst the global COVID-19 pandemic, the Mississippi Legislature appropriated \$1.25 billion in federal relief funds to purchase personal protective equipment, create a small business grant program, expand broadband to rural communities, and increase ICU-bed capacity. The Legislature limited liability for businesses and healthcare entities related to COVID-19 exposure. Under his leadership, the Senate has consolidated workforce development efforts, increased training opportunities for high-skill jobs, and retooled economic development incentives to be competitive and performance-based. In two years, the Legislature has doubled its investment in pre-K, raised teacher pay, increased funding for classroom supplies, and provided every student with a computer or tablet. Legislators also respectfully retired the state flag and allowed citizens to vote on a new design.

Raised in Warren County, Lt. Governor Hosemann comes to the position with substantial experience in the private sector as a businessman and tax lawyer. He is a former partner of Phelps Dunbar, LLP. He received his undergraduate degree in Business from the University of Notre Dame, a law degree from the University of Mississippi, and a Master of Laws in Taxation from New York University. Prior to attending law school, Lt. Governor Hosemann served his country in the United States Army Reserve. Lt. Governor Hosemann's tenure as Secretary of State was marked by several major accomplishments including requiring 16th Section land, a revenue source for public schools, to be leased for fair value. By the end of his third term, the Office raised more than \$1 billion for public education. He was also instrumental in acquiring over 20,000 acres of now public land.

As Secretary of State, Lt. Governor Hosemann revised Mississippi's business laws, automated legal filings, and fought to enact a constitutional Voter ID law. While other states are still embroiled in expensive litigation related to Voter ID, Mississippi's law has increased security in elections and remains unchallenged. Lt. Governor Hosemann also advocated to provide better access to health insurance for children with autism and other developmental disorders. Autism Speaks, the nation's leading autism science and advocacy organization, named Lt. Governor Hosemann Executive of the Year in 2018.

In his spare time, Lt. Governor Hosemann is an avid hunter and runner. He belongs to the National Rifle Association and is a past recipient of the NRA's Kirk Fordice Freedom Award. He is also a member of the Delta Wildlife Foundation and Ducks Unlimited. He has completed both the New York Marathon and the Boston Marathon. He and Lynn, his wife of 50 years, are members of St. Richard Catholic Church. They are extremely proud of their three children: Kristen, Chad, and Mark; and grandchildren Grace, Nora Lynn, Carson, Charlie, Manse, Charlotte, and Howard Delbert.

Duties: In addition to the Governor, the Mississippi Constitution makes provision for a Lieutenant Governor who acts as president of the state Senate. The Lieutenant Governor presides over the Senate, rules on points of order, appoints standing committees of the Senate, appoints all select and conference committees as ordered by the Senate, and refers all bills. He or she serves as a member of the Senate Rules and Joint Legislative Budget Committees, votes only in cases of ties, speaks from the floor while the Senate is in Committee of the Whole, and signs all finally approved bills and resolutions.

The Lieutenant Governor serves a term of four years and may be re-elected for an additional term. Miss. Const. 1890, Article 5, §§ 128-132, and 136. Miss. Code Ann. §§ 5-1-13, 5-1-43, and 5-1-47 (1972).
