AN ACT TO CREATE NEW SECTIONS 9-23-101, 9-23-103, 9-23-105, 9-23-107, 9-23-109, 9-23-111, 9-23-113 AND 9-23-115, MISSISSIPPI CODE OF 1972, TO PROVIDE AUTHORITY FOR A CHANCERY OR COUNTY COURT TO ESTABLISH A DOMESTIC ABUSE COURT AND TO PROVIDE AUTHORITY FOR JUSTICE AND MUNICIPAL COURTS TO PARTICIPATE IN SUCH A COURT; TO DEFINE CERTAIN TERMS; TO PROVIDE FOR THE ENACTMENT OF STANDARDS OF OPERATION TO GOVERN THE OPERATION OF DOMESTIC ABUSE COURTS BY THE ADMINISTRATIVE OFFICE OF COURTS; TO CREATE THE DOMESTIC ABUSE COURT SPECIAL FUND; TO AMEND SECTION 99-19-73, MISSISSIPPI CODE OF 1972, TO PROVIDE AN ASSESSMENT TO FUND DOMESTIC ABUSE COURTS; TO AMEND SECTIONS 9-5-81 AND 9-9-21, MISSISSIPPI CODE OF 1972, TO CONFORM; AND FOR RELATED PURPOSES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. The Legislature finds that:

(a) Domestic violence is a serious issue that causes substantial damage to victims and children as well as to the community. Families experiencing domestic violence are often involved in more than one (1) court proceeding including divorce and custody cases, civil and criminal proceedings regarding domestic violence, substance abuse and child protection. Substantial state and county resources are required each year for the incarceration, supervision and treatment of batterers.

(b) Domestic abuse courts hold offenders accountable, increase victim safety, provide greater judicial monitoring, and coordinate information to provide effective interaction and use of resources among the courts, justice system personnel and community agencies. Effective case management and coordination ensures that

decisions in one (1) case do not conflict with existing orders in other civil and criminal cases and provide courts with the necessary information to protect victims and families.

(c) Domestic abuse courts have proven effective in reducing recidivism and increasing victim safety. It is in the best interests of the citizens of this state to authorize the establishment of domestic abuse courts.

SECTION 2. The following shall be codified as Section 9-23-101, Mississippi Code of 1972:

9-23-101. (1) A domestic abuse court is a court focused on the safety of the victim and the accountability of the offender by:

(a) Bringing together criminal justice professionals, local social programs and intensive judicial monitoring;

(b) Linking victims to programs and services by effective collaboration with social service providers and other stakeholders to refer victims to appropriate and available community services based on risk and need;

(c) Linking eligible civil respondents to programs and services by effective collaboration with social service providers and other stakeholders to refer such individuals to appropriate and available community services based on risk and need;

(d) Linking eligible criminal defendants to programs and services by effective collaboration with social service providers and other stakeholders to refer defendants to appropriate and available community services based on risk and need; and

(e) Providing centralized monitoring of participants to ensure compliance with any civil domestic abuse protection orders or with any treatment orders or other orders issued by the court.

(2) For the purposes of this act, "domestic abuse" and "domestic violence" shall have the meanings ascribed to "abuse" by Section 93-21-3 and to "misdemeanor which is an act of domestic violence" in Section 99-3-7.

SECTION 3. The following shall be codified as Section 9-23-103, Mississippi Code of 1972:

9-23-103. Any chancery or county court may establish a domestic abuse court program. Any municipal and justice court is authorized to participate in a domestic abuse court program established in the county.

SECTION 4. The following shall be codified as Section 9-23-105, Mississippi Code of 1972:

9-23-105. (1) A domestic abuse court and accompanying services of the domestic abuse court shall be available only to individuals over whom the court has established jurisdiction.

(2) A domestic abuse court that does not have felony jurisdiction may assume jurisdiction over an individual convicted of a felony from another court within the county upon entry of an appropriate order by the criminal court referring that individual to the domestic abuse court for the purpose of participation in the domestic abuse court program.

SECTION 5. The following shall be codified as Section 9-23-107, Mississippi Code of 1972:

9-23-107. (1) The Administrative Office of Courts shall develop uniform standards for operation of a domestic abuse court. Any domestic abuse court shall operate pursuant to those standards. Such standards shall, at a minimum, include provisions for:

(a) Establishment and coordination of the domestic abuse court;

(b) Funding for the domestic abuse court;

(c) Procedural matters;

(d) Referral protocols;

(e) Participant eligibility;

(f) Services to be made available to participants referred to the court; and

(g) Roles and duties of the court, which shall include, but not be limited to, assessment, referral, case management, supervision and evaluation.

(2) Any court wishing to adopt local rules for the coordination of services and to address court procedures that may vary from those established by the Administrative Office of Courts shall submit those rules to the Administrative Office of Courts for approval prior to implementation.

SECTION 6. The following shall be codified as Section 9-23-109, Mississippi Code of 1972:

9-23-109. A domestic abuse court may hire employees necessary to carry out the functions of the court, including, but not limited to, an administrator, case manager, counselor or clerical staff.

SECTION 7. The following shall be codified as Section 9-23-111, Mississippi Code of 1972:

9-23-111. Nothing herein shall be construed to guarantee any individual the right to participate in a domestic abuse court program.

SECTION 8. The following shall be codified as Section 9-23-113, Mississippi Code of 1972:

9-23-113. (1) All monies received from any source by the domestic abuse court shall be accumulated in a fund to be used only for domestic abuse court purposes. Monies from the fund shall be distributed by the State Treasurer upon warrants issued by the Administrative Office of Courts to assist domestic abuse courts. The fund shall be expended by the Administrative Office of Courts upon appropriation by the Legislature, and shall consist of: (a) monies appropriated by the Legislature for the purposes of funding domestic abuse courts; (b) the interest accruing to the fund; (c) monies received under the provisions of Section 99-19-73; (d) monies received from the federal government; and (e) monies received from such other sources as may be provided by law.

S. C. R. No. 533: Constitution; amend to revise ballot initiative process.

AMENDMENT NO. 1 TO STRIKE-ALL AMENDMENT NO. 1 BY REPRESENTATIVE Bomgar:

AMEND on line 39 by inserting the words "in number" after the word "equal", and on lines 40 and 41 by deleting the words "total qualified electors of the state as of the date of the last presidential election" and inserting in lieu thereof the words "votes for all candidates for Governor in the last gubernatorial election"

ADOPTED

SUBSTITUTE AMENDMENT NO. 1 FOR AMENDMENT NO. 1 BY REPRESENTATIVE Johnson:

Amend by striking all after the resolving clause and inserting in lieu thereof the following:

That the following amendments to the Mississippi Constitution of 1890 are proposed to the qualified electors of the state:

I.

Amend Section 33, Mississippi Constitution of 1890, to read as follows:

Section 33. (1) The legislative power of this state shall be vested in a Legislature which shall consist of a Senate and a House of Representatives, but the people reserve to themselves the right to exercise the legislative power of the state to propose new laws and to amend or repeal existing laws by initiative, and to approve or reject the same in an election independent of the Legislature, in the manner prescribed in and subject to the provisions of this section.

(2) The initiative process shall not be used:

(a) To propose any new amendments to or the modification or repeal of any existing provision of this constitution;

(b) To purpose any new law or amend or repeal any existing law relating to the Mississippi Public Employees' Retirement System; or

(c) To propose any new law or amend or repeal any existing law on any subject or matter that any section of this constitution prohibits the Legislature from enacting.

(3) An initiative may be proposed by a petition signed over a twelve-month period by qualified electors equal in number to at least twelve percent (12%) of the votes for all candidates for Governor in the last gubernatorial election. The signatures of the qualified electors from any congressional district shall not exceed the total number of signatures required to qualify an initiative for placement on the ballot divided by the number of congressional districts in existence on the day that the petition is filed. If an initiative petition contains signatures from a single congressional district that exceed the total number of required signatures, the excess signatures from that congressional district shall not be considered by the Secretary of State in determining whether the initiative qualifies for placement on the ballot. The sufficiency of petitions shall be decided in the first instance by the Secretary of State, subject to review by the Supreme Court of the state, which shall have original and exclusive jurisdiction over all such cases.

(4) The sponsor of an initiative shall identify in the text of the initiative the amount and source of revenue required to implement the initiative. If the initiative requires a reduction in any source of government revenue, or a reallocation of funding from currently funded programs, the sponsor shall identify in the text of the initiative the program or programs whose funding must be reduced or eliminated to implement the initiative.

(5) The chief legislative budget officer shall prepare a fiscal analysis of each initiative and each legislative alternative, and a summary of each fiscal analysis shall appear on the ballot.

(6) The Secretary of State shall file with the Clerk of the House and the Secretary of the Senate the complete text of the certified initiative on the first day of the regular session. An initiative may be adopted or adopted as amended by a majority vote of each house of the Legislature. If the initiative is adopted or adopted as amended by the Legislature, or if no action is taken within four (4) months of the date that the initiative is filed with the Legislature, the Secretary of State shall place the initiative, as adopted or adopted as amended as the case may be, on the ballot for the next statewide general election.

(7) If the Legislature amends an initiative, the amended version and the original initiative shall be submitted to the electors. An initiative or legislative alternative must receive a majority of the votes thereon and not less than forty percent (40%) of the total votes cast at the election at which the initiative was submitted to be approved. If conflicting initiatives or legislative alternatives are approved at the same election, the initiative or legislative alternative receiving the highest number of affirmative votes shall prevail.

(8) If an initiative proposed to the Legislature has been rejected by the Legislature and an alternative is passed by the Legislature in lieu thereof, the ballot titles of both such measures shall be so printed on the official ballots that a voter can express separately two (2) preferences: First, by voting for the approval of either measure or against both measures, and secondly, by voting for one (1) measure or the other measure. If the majority of those voting on the first issue is against both measures, then both measures fail, but in that case the votes on the second issue nevertheless shall be carefully counted and made public. If a majority voting on the first issue is for the approval of either measure, then the measure receiving a majority of the votes on the second issue and also receiving not less than forty percent (40%) of the total votes cast at the election at which the initiative was submitted for approval shall be law. Any person who votes for the ratification of either measure on the first issue must vote for one (1) of the measures on the second issue in order for the ballot to be valid. Any person who votes against both measures on the first issue may vote but shall not be required to vote for any of the measures on the second issue in order for the ballot to be valid. Substantially the following form shall be in compliance with this subsection:

INITIATED BY PETITION AND ALTERNATIVE BY LEGISLATURE

Initiative Measure No. _____, entitled (here insert the ballot title of the initiative measure).

Alternative Measure No. ____ A, entitled (here insert the ballot title of the alternative measure).

VOTE FOR APPROVAL OF EITHER, OR AGAINST BOTH:

FOR APPROVAL OF EITHER Initiative No. _____

OR Alternative No. ____ A () AGAINST Both Initiative No. _____

AND Alternative No. ____ A ()

AND VOTE FOR ONE

FOR Initiative Measure No. _____ () FOR Alternative Measure No. ____ A ()

(9) No more than five (5) initiative proposals shall be submitted to the votes on a single ballot, and the first five (5) initiative proposals submitted to the Secretary of State with sufficient petitions shall be the proposals which are submitted to the voters.

(10) An initiative approved by the electors shall take effect thirty (30) days from the official declaration of the vote by the Secretary of State, unless the measure provides otherwise.

(11) If an initiative does not receive the required number of votes to be approved by the people as provided in subsection (8) of this section, an initiative that proposes the same, or substantially the same, provisions as those in the initiative that failed shall not be submitted to the electors for at least two (2) years after the date of the election on the initiative that failed.

(12) An initiative approved by the people shall not be amended by the Legislature to make a substantive change to the text in the initiative, or repealed by the Legislature, for a period of two (2) years after the initiative takes effect. However, the Legislature may amend or repeal an initiative less than two (2) years after the initiative takes effect if the Legislature determines the existence of an emergency affecting the public peace, health,

safety or financial solvency of the state that necessitates the amendment or repeal of the initiative, which emergency must be stated in the legislation, and such amendment or repeal shall require a vote of two-thirds (2/3) of each house present and voting.

(13) The Legislature shall provide by law the manner in which initiative petitions shall be circulated, presented and certified. To prevent signature fraud and to maintain the integrity of the initiative process the state has a compelling interest in ensuring that no person shall circulate an initiative petition or obtain signatures on an initiative petition unless the person is a resident of this state at the time of circulation. For the purposes of this subsection, the term "resident" means a person who is domiciled in Mississippi as evidenced by an intent to maintain a principal dwelling place in Mississippi indefinitely and to return to Mississippi if temporarily absent, coupled with an act or acts consistent with that intent. Every person who circulates an initiative petition shall print and sign his or her name on each page of an initiative petition, or on a separate page attached to each page, certifying that he or she was a resident of this state at the time of circulating the petition. The Secretary of State shall refuse to accept for filing any page of an initiative petition upon which the signatures appearing thereon were obtained by a person who was not a resident of this state at the time of circulating the petition, and an initiative shall not be placed on the ballot if the Secretary of State determines that without such signatures the petition clearly bears an insufficient number of signatures.

(14) The Legislature may enact laws to carry out the provisions of this section, but such laws shall in no way restrict or impair the provisions of this section or the exercise of the rights reserved to the people in this section.

II.

Amend Section 56, Mississippi Constitution of 1890, to read as follows:

Section 56. The style of the laws of the state that are enacted by the Legislature shall be: "Be it enacted by the Legislature of the State of Mississippi."

III.

Amend Section 61, Mississippi Constitution of 1890, to read as follows:

Section 61. No law enacted by the Legislature or by initiative of the people shall be revived or amended by reference to its title only, but the section or sections, as amended or revived, shall be inserted at length.

IV.

Amend Section 72, Mississippi Constitution of 1890, to read as follows:

Section 72. Every Bill which shall pass both Houses shall be presented to the Governor of the state. If he or she approve, he or she shall sign it; but if he or she does not approve, he or she shall return it, with his or her objections, to the House in which it originated, which shall enter the objections at large upon its Journal, and proceed to reconsider it. If after such reconsideration two-thirds (2/3) of that House shall agree to pass the Bill, it shall be sent, with the objections, to the other House, by which, likewise, it shall be reconsidered; and if approved by two-thirds (2/3) of that House, it shall become a law; but in all such cases the votes of both Houses shall be determined by yeas and nays, and the names of the persons voting for and against the Bill shall be entered on the Journal of each House respectively. If any Bill shall not be returned by the Governor within five (5) days (Sundays excepted) after it has been presented to him or her, it shall become a law in like manner as if he or she had signed it, unless the Legislature, by adjournment, prevented its return, in which case such Bill shall be a law unless the Governor shall veto it within fifteen (15) days (Sundays excepted) after it is presented to him or her, and such Bill shall be returned to the Legislature, with his or her objections, within three (3) days after the beginning of the next session of the Legislature. The provisions of this section are not applicable to initiatives approved by the people.

BE IT FURTHER RESOLVED, That these proposed amendments shall be submitted by the Secretary of State to the qualified electors at an election to be held on the first Tuesday after the first Monday of November 2023, as provided by Section 273 of the Constitution and by general law, with the proposed amendments in this resolution being voted on as one (1) amendment.

BE IT FURTHER RESOLVED, That the explanation of this proposed amendment for the ballot shall read as follows: "This proposed constitutional amendment provides that the people reserve to themselves the right to exercise the legislative power of the state to

propose new laws and to amend or repeal existing laws by initiative, and to approve or reject the same in an election independent of the Legislature."

BE IT FURTHER RESOLVED, That this resolution shall take effect on July 1, 2023, and shall stand repealed on June 30, 2023.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

A CONCURRENT RESOLUTION PROPOSING AMENDMENTS TO SECTIONS 33, 56, 61 AND 72, MISSISSIPPI CONSTITUTION OF 1890, TO PROVIDE THAT THE PEOPLE RESERVE TO THEMSELVES THE RIGHT TO EXERCISE THE LEGISLATIVE POWER OF THE STATE TO PROPOSE NEW LAWS AND TO AMEND OR REPEAL EXISTING LAWS BY INITIATIVE, AND TO APPROVE OR REJECT THE SAME IN AN ELECTION INDEPENDENT OF THE LEGISLATURE; AND FOR RELATED PURPOSES.

A motion by Lamar to table the Strike-All committee amendment No. 1 prevailed.

AMENDMENT NO. 1 BY REPRESENTATIVE Currie:

AMEND by inserting the following language before line 99 and renumbering the succeeding sections:

WHEREAS, the proposed One Lake flood control project, as 6 provided under the Water Resources Development Act, which would create a 1,500-acre lake on the Pearl River near downtown in the City of Jackson, by using a weir, or low-head dam, below Interstate 20, is a costly and destructive project that would not reduce flood risks; and

WHEREAS, the One Lake project rejects effective flood measures and has major implications, such as increased flooding along tributaries, exposing communities to toxic contamination, ruining the oyster industry along the Mississippi Gulf Coast, exacerbating the water crisis in the City of Jackson, and causing massive damage to river and floodplain habitats; and

WHEREAS, rather than a project with such tremendous consequences, such as the One Lake project, a more cost effective plan that does not threaten downstream interest industries and ecology is necessary to reduce flood risks in the state.

SECTION 2. Notwithstanding any provision of law to the contrary, the Rankin-Hinds Pearl River Flood and Drainage Control District is prohibited from implementing the One Lake flood control project, as provided under the federal Water Resources Development Act.

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1593: Appropriation; Athletic Commission.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.

2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. The following sum, or so much thereof as may be necessary, is appropriated out of any money in the State Treasury to the credit of the Mississippi Athletic Commission Fund, for the purpose of defraying the expenses of the Mississippi Athletic Commission for the fiscal year beginning July 1, 2023, and ending June 30, 2024 \$ 139,641.00.

SECTION 2. Of the funds appropriated under the provisions of Section 1, the following positions are authorized:

AUTHORIZED HEADCOUNT:

Permanent:	1
Time-Limited:	0

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required for Personal Services for Fiscal Year 2025 do not exceed Fiscal Year 2024 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2024 budget by the Mississippi Legislature. The Legislature shall determine the agency's personal services appropriation, which the State Personnel Board shall publish. The agency's personal services appropriation may consist of restricted funds for approved vacancies for Fiscal Year 2024 that may not be utilized for active Fiscal Year 2023 Headcount. It shall be the agency's responsibility to ensure that the funds provided for vacancies are used to increase headcount and not for promotions, title changes, in-range salary adjustments or any other mechanism for increasing salaries for current employees. It is the Legislature's intention that no employee salary falls below the minimum salary established by the Mississippi State Personnel Board.

Additionally, the State Personnel Board shall determine and publish the projected annualized payroll costs based on current employees. It shall be the responsibility of the agency head to ensure that actual personnel expenditures for Fiscal Year 2024 do not exceed the data provided by the Legislative Budget Office. If the agency's Fiscal Year 2024 projected cost exceeds the annualized costs, no salary actions shall be processed by the State Personnel Board except for new hires determined to be essential for the agency.

Any transfers or escalations shall be made in accordance with the terms, conditions, and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of the Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

SECTION 3. It is the intention of the Legislature that the Mississippi Athletic Commission shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2023. It is further the intention of the Legislature that the agency's budget request for Fiscal Year 2025 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2024 budget request process.

SECTION 4. It is the intention of the Legislature that whenever two (2) or more bids are received by this agency for the purchase of commodities or equipment, and whenever all things stated in such received bids are equal with respect to price, quality and service, the Mississippi Industries for the Blind shall be given preference. A similar

preference shall be given to the Mississippi Industries for the Blind whenever purchases are made without competitive bids.

SECTION 5. It is the intention of the Legislature that the funds herein appropriated shall be expended in compliance with Section 27-104-25, Mississippi Code of 1972, that no state agency shall incur obligations or indebtedness in excess of their appropriation and that the responsible officers, either personally or upon their official bonds, shall be held responsible for actions contrary to this provision.

SECTION 6. With the funds appropriated herein, the Chairman of the Commission shall be the ex officio recorder of permits and licenses and for his service as such shall receive an annual salary equal to Forty Thousand Dollars (\$40,000.00).

SECTION 7. The money herein appropriated shall be paid by the State Treasurer out of any money in the State Treasury to the credit of the proper fund or funds as set forth in this act, upon warrants issued by the State Fiscal Officer; and the State Fiscal Officer shall issue his warrants upon requisitions signed by the proper person, officer or officers, in the manner provided by law.

SECTION 8. This act shall take effect and be in force from and after July 1, 2023.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT MAKING AN APPROPRIATION FROM SPECIAL FUNDS IN THE STATE TREASURY FOR THE PURPOSE OF DEFRAYING THE EXPENSES OF THE MISSISSIPPI ATHLETIC COMMISSION FOR THE FISCAL YEAR 2024.

None of the funds herein appropriated shall be used in violation of the Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

SECTION 2. With the funds appropriated under the provisions of Section 1, the following positions are authorized:

AUTHORIZED HEADCOUNT:

Permanent:	2
Time-Limited:	0

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required for Personal Services for Fiscal Year 2025 do not exceed Fiscal Year 2024 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2024 budget by the Mississippi Legislature. The Legislature shall determine the agency's personal services appropriation, which the State Personnel Board shall publish. The agency's personal services appropriation may consist of restricted funds for approved vacancies for Fiscal Year 2024 that may not be utilized for active Fiscal Year 2023 Headcount. It shall be the agency's responsibility to ensure that the funds provided for vacancies are used to increase headcount and not for promotions, title changes, in-range salary adjustments or any other mechanism for increasing salaries for current employees. It is the Legislature's intention that no employee salary falls below the minimum salary established by the Mississippi State Personnel Board.

Additionally, the State Personnel Board shall determine and publish the projected annualized payroll costs based on current employees. It shall be the responsibility of the agency head to ensure that actual personnel expenditures for Fiscal Year 2024 do not exceed the data provided by the Legislative Budget Office. If the agency's Fiscal Year 2024 projected cost exceeds the annualized costs, no salary actions shall be processed by the State Personnel Board except for new hires determined to be essential for the agency.

Any transfers or escalations shall be made in accordance with the terms, conditions, and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of the Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

SECTION 3. It is the intention of the Legislature that the Mississippi State Board of Nursing Home Administrators shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2023. It is further the intention of the Legislature that the agency's budget request for Fiscal Year 2025 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2024 budget request process.

SECTION 4. It is the intention of the Legislature that the Mississippi State Board of Nursing Home Administrators deposit all revenue generated into a special fund in the State Treasury to the credit of the Mississippi State Board of Nursing Home Administrators and that all interest earned or deposited to the fund shall remain in the fund and not be paid into the State General Fund of Mississippi.

SECTION 5. It is the intention of the Legislature that whenever two (2) or more bids are received by this agency for the purchase of commodities or equipment, and whenever all things stated in such received bids are equal with respect to price, quality and service, the Mississippi Industries for the Blind shall be given preference. A similar preference shall be given to the Mississippi Industries for the Blind whenever purchases are made without competitive bids.

SECTION 6. It is the intention of the Legislature that the funds herein appropriated shall be expended in compliance with Section 27-104-25, Mississippi Code of 1972, that no state agency shall incur obligations or indebtedness in excess of their appropriation and that the responsible officers, either personally or upon their official bonds, shall be held responsible for actions contrary to this provision.

SECTION 8. This act shall take effect and be in force from and after July 1, 2023.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT MAKING AN APPROPRIATION FROM SPECIAL FUNDS IN THE STATE TREASURY FOR THE PURPOSE OF DEFRAYING THE EXPENSES OF THE MISSISSIPPI STATE BOARD OF NURSING HOME ADMINISTRATORS FOR THE FISCAL YEAR 2024.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. The following sum, or so much thereof as may be necessary, is authorized and approved for expenditure out of any funds which are received by or otherwise become available to the Tombigbee River Valley Water Management District, for the purpose of paying bond maturities, accrued interest, maintenance expenses, project development costs, and any other authorized expenses of the water management district, for the fiscal year beginning July 1, 2023, and ending June 30, 2024 \$ 8,972,651.00.

SECTION 2. Of the funds appropriated under the provisions of Section 1, the following positions are authorized:

AUTHORIZED HEADCOUNT:

Permanent:	17
Time-Limited:	0

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required for Personal Services for Fiscal Year 2025 do not exceed Fiscal Year 2024 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2024 budget by the Mississippi Legislature. The Legislature shall determine the agency's personal services appropriation, which the State Personnel Board shall publish. The agency's personal services appropriation may consist of restricted funds for approved vacancies for Fiscal Year 2024 that may not be utilized for active Fiscal Year 2023 Headcount. It shall be the agency's responsibility to ensure that the funds provided for vacancies are used to increase headcount and not for promotions, title changes, in-range salary adjustments or any other mechanism for increasing salaries for current employees. It is the Legislature's intention that no employee salary falls below the minimum salary established by the Mississippi State Personnel Board.

Additionally, the State Personnel Board shall determine and publish the projected annualized payroll costs based on current employees. It shall be the responsibility of the agency head to ensure that actual personnel expenditures for Fiscal Year 2024 do not exceed the data provided by the Legislative Budget Office. If the agency's Fiscal Year 2024 projected cost exceeds the annualized costs, no salary actions shall be processed by the State Personnel Board except for new hires determined to be essential for the agency.

Any transfers or escalations shall be made in accordance with the terms, conditions, and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of the Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

SECTION 3. It is the intention of the Legislature that the Tombigbee River Valley Water Management District shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2023. It is further the intention of the Legislature that the agency's budget request for Fiscal Year 2025 shall be submitted to the Joint Legislative Budget Committee in a format and level

of detail comparable to the format and level of detail provided during the Fiscal Year 2024 budget request process.

SECTION 4. It is the intention of the Legislature that whenever two (2) or more bids are received by this agency for the purchase of commodities or equipment, and whenever all things stated in such received bids are equal with respect to price, quality and service, the Mississippi Industries for the Blind shall be given preference. A similar preference shall be given to the Mississippi Industries for the Blind whenever purchases are made without competitive bids.

SECTION 5. All monies in possession of the district in excess of necessary operating funds shall be deposited with a bank or banks selected by the board of directors of the district. These funds shall be deposited in such bank or banks and in such manner that interest earned shall be at least equal to interest earnings on state funds deposited by the State Treasury.

SECTION 6. It is the intention of the Legislature that the funds herein appropriated shall be expended in compliance with Section 27-104-25, Mississippi Code of 1972, that no state agency shall incur obligations or indebtedness in excess of their appropriation and that the responsible officers, either personally or upon their official bonds, shall be held responsible for actions contrary to this provision.

SECTION 7. The money herein approved for expenditure shall be disbursed upon bank checks signed by the proper person, officer or officers, in the manner provided by law.

SECTION 8. This act shall take effect and be in force from and after July 1, 2023.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT APPROVING THE EXPENDITURE OF SPECIAL FUNDS FOR THE PURPOSE OF DEFRAYING THE EXPENSES OF THE TOMBIGBEE RIVER VALLEY WATER MANAGEMENT DISTRICT FOR THE FISCAL YEAR 2024.

SECTION 2. The following sums, or so much thereof as may be necessary, are appropriated out of any money in the State General Fund, not otherwise appropriated, to the State Department of Agriculture and Commerce as follows:

(a) For the support of annual roundup shows for junior exhibitors of junior steers, junior breeding cattle, beef cattle, dairy cattle, hogs, sheep and goats, for the fiscal year beginning July 1, 2023, and ending June 30, 2024 \$ 54,066.00.

(b) To supplement the funds paid by the State Department of Agriculture and Commerce for livestock premiums at the State Fair, all livestock premiums to be paid on the American system of judging (1st, 2nd, 3rd, 4th, etc.) on all classes entered in the senior division for the fiscal year beginning July 1, 2023, and ending June 30, 2024 \$ 18,565.00.

(c) For the county livestock shows in offering and paying prizes or awards to competitors in the approved county livestock shows of Mississippi, for the fiscal year beginning July 1, 2023, and ending June 30, 2024 \$ 12,644.00.

Provided, however, that of the amount herein appropriated in paragraph (c), not more than One Thousand Dollars (\$1,000.00) shall be expended or used in any one (1) county of the state during each fiscal year. Provided, further, that none of the monies herein appropriated in paragraph (c) shall be used in offering or paying prizes or awards

for any livestock show that is not held where there are adequate barns, pens and other facilities available for such a show.

Provided, further, in paragraph (c) that the management of such shows shall be in the hands of a county livestock association, and such association shall guarantee a minimum amount of Five Hundred Dollars (\$500.00) to be used in the paying of prizes, premiums or awards, and after said county show has been held and premiums paid, fifty percent (50%) of the amount, not exceeding One Thousand Dollars (\$1,000.00), shall be paid upon requisition to the State Department of Agriculture and Commerce.

Not less than seventy-five percent (75%) of the funds herein appropriated under the provisions of paragraphs (d) and (e) shall be used in awarding prizes or premiums to 4-H Club members and Smith-Hughes School members and other boys and girls having entries in said shows.

All funds herein appropriated under the provisions of paragraphs (d) and (e) for the five (5) district livestock shows and the five (5) fall state dairy shows shall be distributed in such manner that the livestock exhibitors will each draw equal premium awards for comparable grades and placings at each of the said five (5) district spring shows and the five (5) fall state shows. The management of each district spring show and each state fall show shall submit to the State Department of Agriculture and Commerce, within fifteen (15) days after the close of each said show, a full report on the number of exhibitors at each said show, with the grades and placings of the different classes of livestock exhibited.

Provided, however, as a condition of expenditure of the funds appropriated in paragraphs (d) and (e), that the board of directors of any district livestock show may, in its discretion, choose to hold its show in the fall instead of the spring. If district shows are held in both spring and fall, then all funds herein appropriated for the five (5) district livestock shows shall be distributed in such a manner that the spring livestock exhibitors will each draw equal premium awards for comparable grades and placings at each district spring show, and the fall livestock exhibitors will each draw equal premium awards for comparable grades and placings at each district fall show.

The purpose of this authority is to use available cash reserves more efficiently. It is further the intention of the Legislature that the State Veterans Affairs Board shall submit written justification for the transfer to the Legislative Budget Office and the Department of Finance and Administration on or before the fifteenth of the month prior to the effective date of the transfer.

SECTION 1. The following sum, or so much thereof as may be necessary, is hereby appropriated out of any money in the State Treasury to the credit of the State Board of Funeral Services for the purpose of defraying the expenses of said board for the fiscal year beginning July 1, 2023, and ending June 30, 2024

\$ 307,166.00.

SECTION 2. Of the funds appropriated under the provisions of this act, the following positions are authorized:

AUTHORIZED HEADCOUNT:

Permanent:	2
Time-Limited:	0

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required for Personal Services for Fiscal Year 2025 do not exceed Fiscal Year 2024 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2024 budget by the Mississippi Legislature. The Legislature shall determine the agency's personal services appropriation, which the State Personnel Board shall publish. The agency's personal services appropriation may consist of restricted funds for approved vacancies for Fiscal Year 2024 that may not be utilized for active Fiscal Year 2023 Headcount. It shall be the agency's responsibility to ensure that the funds provided for vacancies are used to increase headcount and not for promotions, title changes, in-range salary adjustments or any other mechanism for increasing salaries for current employees. It is the Legislature's intention that no employee salary falls below the minimum salary established by the Mississippi State Personnel Board.

Additionally, the State Personnel Board shall determine and publish the projected annualized payroll costs based on current employees. It shall be the responsibility of the agency head to ensure that actual personnel expenditures for Fiscal Year 2024 do not exceed the data provided by the Legislative Budget Office. If the agency's Fiscal Year 2024 projected cost exceeds the annualized costs, no salary actions shall be processed by the State Personnel Board except for new hires determined to be essential for the agency.

Any transfers or escalations shall be made in accordance with the terms, conditions, and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of the Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

SECTION 3. It is the intention of the Legislature that the Funeral Services Board shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the

same format and level of detail as maintained for Fiscal Year 2023. It is further the intention of the Legislature that the agency's budget request for Fiscal Year 2025 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2024 budget request process.

SECTION 4. It is the intention of the Legislature that whenever two (2) or more bids are received by this agency for the purchase of commodities or equipment, and whenever all things stated in such received bids are equal with respect to price, quality and service, the Mississippi Industries for the Blind shall be given preference. A similar preference shall be given to the Mississippi Industries for the Blind whenever purchases are made without competitive bids.

SECTION 5. It is the intention of the Legislature that the funds herein appropriated shall be expended in compliance with Section 27-104-25, Mississippi Code of 1972, that no state agency shall incur obligations or indebtedness in excess of their appropriation and that the responsible officers, either personally or upon their official bonds, shall be held responsible for actions contrary to this provision.

SECTION 6. The money herein appropriated shall be paid by the State Treasurer out of any money in the State Treasury to the credit of the proper fund or funds as set forth in this act, upon warrants issued by the State Fiscal Officer; and the State Fiscal Officer shall issue his warrants upon requisitions signed by the proper person, officer or officers in the manner provided by law.

(b) Notwithstanding the newly subject employer contribution rate provided for in paragraph (a) of this subsection, the contribution rate of all newly subject employers shall be reduced by seven one-hundredths of one percent (.07%) for calendar year 2013 only. The contribution rate of all newly subject employers shall be reduced by three one-hundredths of one percent (.03%) for calendar year 2014 only. For purposes of this chapter, "newly subject employers" means employers whose unemployment insurance experience-rating record has not been chargeable throughout at least the twelve (12) consecutive calendar months ending on the most recent computation date at the time the contribution rate for a year is determined.

After the expiration of the initial terms, all appointed members' terms shall be for a period of four (4) years from the expiration date of the previous term, and until such time as the member's successor is duly appointed and qualified.

(c) When appointing members to the Public Procurement Review Board, the Governor and Lieutenant Governor shall take into consideration persons who possess at least five (5) years of management experience in general business, health care or finance for an organization, corporation or other public or private entity. Any person, or any employee or owner of a company, who receives any grants, procurements or contracts that are subject to approval under this section shall not be appointed to the Public Procurement Review Board. Any person, or any employee or owner of a company, who is a principal of the source providing a personal or professional service shall not be appointed to the Public Procurement Review Board if the principal owns or controls a greater than five percent (5%) interest or has an ownership value of One Million Dollars (\$1,000,000.00) in the source's business, whichever is smaller. No member shall be an officer or employee of the State of Mississippi while serving as a voting member on the Public Procurement Review Board.

(d) Members of the Public Procurement Review Board shall be entitled to per diem as authorized by Section 25-3-69 and travel reimbursement as authorized by Section 25-3-41.

(e) The members of the Public Procurement Review Board shall elect a chair from among the membership, and he or she shall preside over the meetings of the board. The board shall annually elect a vice chair, who shall serve in the absence of the chair. No business shall be transacted, including adoption of rules of procedure, without the presence of a quorum of the board. Three (3) members shall be a quorum. No action shall be valid unless approved by a majority of the members present and voting, entered upon the minutes of the board and signed by the chair. Necessary clerical and administrative support for the board shall be provided by the Department of Finance and Administration. Minutes shall be kept of the proceedings of each meeting, copies of which shall be filed on a monthly basis with the chairs of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the chairs of the Appropriations Committees of the Senate and House of Representatives.

(2) The Public Procurement Review Board shall have the following powers and responsibilities:

(b) Adopt regulations governing the approval of contracts let for the construction and maintenance of state buildings and other state facilities as well as related contracts for architectural and engineering services.

The information shall be provided sufficiently in advance of the time the space is needed to allow the Division of Real Property Management of the Department of Finance and Administration to review and preapprove the lease before the time for advertisement begins;

(d) Adopt, in its discretion, regulations to set aside at least five percent (5%) of anticipated annual expenditures for the purchase of commodities from minority businesses; however, all such set-aside purchases shall comply with all purchasing regulations promulgated by the department and shall be subject to all bid requirements. Set-aside purchases for which competitive bids are required shall be made from the lowest and best minority business bidder; however, if no minority bid is available or if the minority bid is more than two percent (2%) higher than the lowest bid, then bids shall be accepted and awarded to the lowest and best bidder. However, the provisions in this paragraph shall not be construed to prohibit the rejection of a bid when only one (1) bid is received. Such rejection shall be placed in the minutes. For the purposes of this paragraph, the term "minority business" means a business which is owned by a person who is a citizen or lawful permanent resident of the United States and who is:

Any such rules and regulations shall provide for maintaining continuous internal audit covering the activities of such agency affecting its revenue and expenditures as

required under Section 7-7-3(6)(d). Any rules and regulation changes related to personal and professional services contracts that the Public Procurement Review Board may propose shall be submitted to the Chairs of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the Chairs of the Appropriation Committees of the Senate and House of Representatives at least fifteen (15) days before the board votes on the proposed changes, and those rules and regulation changes, if adopted, shall be promulgated in accordance with the Mississippi Administrative Procedures Act; and

(xv) From and after July 1, 2024, the Public Procurement Review Board shall promulgate rules and regulations that require the Department of Finance and Administration to conduct personal and professional services solicitations as provided in subparagraph (i) of this paragraph for those services in excess of Seventy-five Thousand Dollars (\$75,000.00) for the Department of Marine Resources, the Department of Wildlife, Fisheries and Parks, the Mississippi Emergency Management Agency and the Mississippi Development Authority, with assistance to be provided from these entities. Any powers that have been conferred upon agencies in order to comply with the provisions of this section for personal and professional services solicitations shall be conferred upon the Department of Finance and Administration to conduct personal and professional services solicitations for the Department of Marine Resources, the Department of Wildlife, Fisheries and Parks, the Mississippi Emergency Management Agency and the Mississippi Development Authority for those services in excess of Seventy-five Thousand Dollars (\$75,000.00). (h) Develop mandatory standards with respect to contractual services personnel that require invitations for public bid, requests for proposals, record keeping and financial responsibility of contractors. The Public Procurement Review Board shall, unless exempted under this paragraph (h) or under paragraph (i) or (o) of this subsection (2), require the agency involved to submit the procurement to a competitive procurement process, and may reserve the right to reject any or all resulting procurements;

(i) Prescribe certain circumstances by which agency heads may enter into contracts for personal and professional services without receiving prior approval from the Public Procurement Review Board. The Public Procurement Review Board may establish a preapproved list of providers of various personal and professional services for set prices with which state agencies may contract without bidding or prior approval from the board;

(i) Agency requirements may be fulfilled by procuring services performed incident to the state's own programs. The agency head shall determine in writing whether the price represents a fair market value for the services. When the procurements are made from other governmental entities, the private sector need not be solicited; however, these contracts shall still be submitted for approval to the Public Procurement Review Board.

(ii) Contracts between two (2) state agencies, both under Public Procurement Review Board purview, shall not require Public Procurement Review Board approval. However, the contracts shall still be entered into the enterprise resource planning system;

(j) Provide standards for the issuance of requests for proposals, the evaluation of proposals received, consideration of costs and quality of services proposed, contract negotiations, the administrative monitoring of contract performance by the agency and successful steps in terminating a contract;

(k) Present recommendations for governmental privatization and to evaluate privatization proposals submitted by any state agency;

(l) Authorize personal and professional service contracts to be effective for more than one (1) year provided a funding condition is included in any such multiple year contract, except the State Board of Education, which shall have the authority to enter into contractual agreements for student assessment for a period up to ten (10) years. The State Board of Education shall procure these services in accordance with the Public Procurement Review Board procurement regulations;

(m) Request the State Auditor to conduct a performance audit on any personal or professional service contract;

(n) Prepare an annual report to the Legislature concerning the issuance of personal and professional services contracts during the previous year, collecting any necessary information from state agencies in making such report;

(o) Develop and implement the following standards and procedures for the approval of any sole source contract for personal and professional services regardless of the value of the procurement:

(i) For the purposes of this paragraph (o), the term "sole source" means only one (1) source is available that can provide the required personal or professional service.

(ii) An agency that has been issued a binding, valid court order mandating that a particular source or provider must be used for the required service must include a copy of the applicable court order in all future sole source contract reviews for the particular personal or professional service referenced in the court order.

(iii) Any agency alleging to have a sole source for any personal or professional service, other than those exempted under paragraph (f) of this subsection (2) and subsection (8), shall publish on the procurement portal website established by Sections 25-53-151 and 27-104-165, for at least fourteen (14) days, the terms of the proposed contract for those services. In addition, the publication shall include, but is not limited to, the following information:

1. The personal or professional service offered in the contract;
2. An explanation of why the personal or professional service is the only one that can meet the needs of the agency;
3. An explanation of why the source is the only person or entity that can provide the required personal or professional service;
4. An explanation of why the amount to be expended for the personal or professional service is reasonable; and
5. The efforts that the agency went through to obtain the best possible price for the personal or professional service.

(iv) If any person or entity objects and proposes that the personal or professional service published under subparagraph (iii) of this paragraph (o) is not a sole source service and can be provided by another person or entity, then the objecting person or entity shall notify the Public Procurement Review Board and the agency that published the proposed sole source contract with a detailed explanation of why the personal or professional service is not a sole source service.

(v) 1. If the agency determines after review that the personal or professional service in the proposed sole source contract can be provided by another person or entity, then the agency must withdraw the sole source contract publication from the procurement portal website and submit the procurement of the personal or professional service to an advertised competitive bid or selection process.

2. If the agency determines after review that there is only one (1) source for the required personal or professional service, then the agency may appeal to the Public Procurement Review Board. The agency has the burden of proving that the personal or professional service is only provided by one (1) source.

3. If the Public Procurement Review Board has any reasonable doubt as to whether the personal or professional service can only be provided by one (1) source, then the agency must submit the procurement of the personal or professional service to an advertised competitive bid or selection process. No action taken by the Public Procurement Review Board in this appeal process shall be valid

unless approved by a majority of the members of the Public Procurement Review Board present and voting.

(vi) The Public Procurement Review Board shall prepare and submit a quarterly report to the House of Representatives and Senate Accountability, Efficiency and Transparency Committees that details the sole source contracts presented to the Public Procurement Review Board and the reasons that the Public Procurement Review Board approved or rejected each contract. These quarterly reports shall also include the documentation and memoranda required in subsection (4) of this section. An agency that submitted a sole source contract shall be prepared to explain the sole source contract to each committee by December 15 of each year upon request by the committee;

(p) Assess any fines and administrative penalties provided for in Sections 31-7-401 through 31-7-423.

(3) All submissions shall be made sufficiently in advance of each monthly meeting of the Public Procurement Review Board as prescribed by the Public Procurement Review Board. If the Public Procurement Review Board rejects any contract submitted for review or approval, the Public Procurement Review Board shall clearly set out the reasons for its action, including, but not limited to, the policy that the agency has violated in its submitted contract and any corrective actions that the agency may take to amend the contract to comply with the rules and regulations of the Public Procurement Review Board.

(4) All sole source contracts for personal and professional services awarded by state agencies, other than those exempted under Section 27-104-7(2)(f) and (8), whether approved by an agency head or the Public Procurement Review Board, shall contain in the procurement file a written determination for the approval, using a request form furnished by the Public Procurement Review Board. The written determination shall document the basis for the determination, including any market analysis conducted in order to ensure that the service required was practicably available from only one (1) source. A memorandum shall accompany the request form and address the following four (4) points:

(a) Explanation of why this service is the only service that can meet the needs of the purchasing agency;

(b) Explanation of why this vendor is the only practicably available source from which to obtain this service;

(c) Explanation of why the price is considered reasonable; and

(d) Description of the efforts that were made to conduct a noncompetitive negotiation to get the best possible price for the taxpayers.

(5) In conjunction with the State Personnel Board, the Public Procurement Review Board shall develop and promulgate rules and regulations to define the allowable legal relationship between contract employees and the contracting departments, agencies and institutions of state government under the jurisdiction of the State Personnel Board, in compliance with the applicable rules and regulations of the federal Internal Revenue Service (IRS) for federal employment tax purposes. Under these regulations, the usual common law rules are applicable to determine and require that such worker is an independent contractor and not an employee, requiring evidence of lawful behavioral control, lawful financial control and lawful relationship of the parties. Any state department, agency or institution shall only be authorized to contract for personnel services in compliance with those regulations.

(6) No member of the Public Procurement Review Board shall use his or her official authority or influence to coerce, by threat of discharge from employment, or otherwise, the purchase of commodities, the contracting for personal or professional services, or the contracting for public construction under this chapter.

(7) Notwithstanding any other laws or rules to the contrary, the provisions of subsection (2) of this section shall not be applicable to the Mississippi State Port Authority at Gulfport.

(8) Nothing in this section shall impair or limit the authority of the Board of Trustees of the Public Employees' Retirement System to enter into any personal or professional services contracts directly related to their constitutional obligation to manage the trust funds, including, but not limited to, actuarial, custodial banks, cash management, investment consultant and investment management contracts.

Nothing in this section shall impair or limit the authority of the State Treasurer to enter into any personal or professional services contracts involving the management of trust funds, including, but not limited to, actuarial, custodial banks, cash management, investment consultant and investment management contracts.

(9) Through December 31, 2024, the provisions of this section related to rental agreements or leasing of real property for the purpose of conducting agency business shall not apply to the Office of Workforce Development created in Section 37-153-7.

SECTION 5. Section 71-5-355, Mississippi Code of 1972, as amended by Senate Bill No. 2810, 2023 Regular Session, is amended as follows:

71-5-355. (1) As used in this section, the following words and phrases shall have the following meanings, unless the context clearly requires otherwise:

(a) "Tax year" means any period beginning on January 1 and ending on December 31 of a year.

(b) "Computation date" means June 30 of any calendar year immediately preceding the tax year during which the particular contribution rates are effective.

(c) "Effective date" means January 1 of the tax year.

(d) Except as hereinafter provided, "payroll" means the total of all wages paid for employment by an employer as defined in Section 71-5-11, subsection H, plus the total of all remuneration paid by such employer excluded from the definition of wages by Section 71-5-351. For the computation of modified rates, "payroll" means the total of all wages paid for employment by an employer as defined in Section 71-5-11, subsection H.

(e) For the computation of modified rates, "eligible employer" means an employer whose experience-rating record has been chargeable with benefits throughout the thirty-six (36) consecutive calendar-month period ending on the computation date, except that any employer who has not been subject to the Mississippi Employment Security Law for a period of time sufficient to meet the thirty-six (36) consecutive calendar-month requirement shall be an eligible employer if his or her experience-rating record has been chargeable throughout not less than the twelve (12) consecutive calendar-month period ending on the computation date. No employer shall be considered eligible for a contribution rate less than five and four-tenths percent (5.4%) with respect to any tax year, who has failed to file any two (2) quarterly reports within the qualifying period by September 30 following the computation date. No employer or employing unit shall be eligible for a contribution rate of less than five and four-tenths percent (5.4%) for the tax year in which the employing unit is found by the department to be in violation of Section 71-5-19(2) or (3) and for the next two (2) succeeding tax years. No representative of such employing unit who was a party to a violation as described in Section 71-5-19(2) or (3), if such representative was or is an employing unit in this state, shall be eligible for a contribution rate of less than five and four-tenths percent (5.4%) for the tax year in which such violation was detected by the department and for the next two (2) succeeding tax years.

(f) With respect to any tax year, "reserve ratio" means the ratio which the total amount available for the payment of benefits in the Unemployment Compensation Fund, excluding any amount which has been credited to the account of this state under Section 903 of the Social Security Act, as amended, and which has been appropriated for the expenses of administration pursuant to Section 71-5-457 whether or not withdrawn from such account, on October 31 (close of business) of each calendar year bears to the aggregate of the taxable payrolls of all employers for the twelve (12) calendar months ending on June 30 next preceding.

(g) "Modified rates" means the rates of employer unemployment insurance contributions determined under the provisions of this chapter and the rates of newly subject employers, as provided in Section 71-5-353.

(h) For the computation of modified rates, "qualifying period" means a period of not less than the thirty-six (36) consecutive calendar months ending on the computation date throughout which an employer's experience-rating record has been chargeable with benefits; except that with respect to any eligible employer who has not been subject to this article for a period of time sufficient to meet the thirty-six (36)

consecutive calendar-month requirement, "qualifying period" means the period ending on the computation date throughout which his or her experience-rating record has been chargeable with benefits, but in no event less than the twelve (12) consecutive calendar-month period ending on the computation date throughout which his or her experience-rating record has been so chargeable.

(i) The "exposure criterion" (EC) is defined as the cash balance of the Unemployment Compensation Fund which is available for the payment of benefits as of November 16 of each calendar year or the next working day if November 16 falls on a holiday or a weekend, divided by the total wages, exclusive of wages paid by all state agencies, all political subdivisions, reimbursable nonprofit corporations, and tax-exempt public service employment, for the twelve-month period ending June 30 immediately preceding such date. The EC shall be computed to four (4) decimal places and rounded up if any fraction remains. Notwithstanding any other provision contained herein, the date for determining the cash balance of the Unemployment Compensation Fund which is available for the payment of benefits for the calendar years 2020 and 2021 shall be December 31.

(j) The "cost rate criterion" (CRC) is defined as follows: Beginning with January 1974, the benefits paid for the twelve-month period ending December 1974 are summed and divided by the total wages for the twelve-month period ending on June 30, 1975. Similar ratios are computed by subtracting the earliest month's benefit payments and adding the benefits of the next month in the sequence and dividing each sum of twelve (12) months' benefits by the total wages for the twelve-month period ending on the June 30 which is nearest to the final month of the period used to compute the numerator. If December is the final month of the period used to compute the numerator, then the twelve-month period ending the following June 30 will be used for the denominator. Benefits and total wages used in the computation of the cost rate criterion shall exclude all benefits and total wages applicable to state agencies, political subdivisions, reimbursable nonprofit corporations, and tax-exempt PSE employment.

The CRC shall be computed as the average for the highest monthly value of the cost rate criterion computations during each of the economic cycles since the calendar year 1974 as defined by the National Bureau of Economic Research. The CRC shall be computed to four (4) decimal places and any remainder shall be rounded up.

The CRC shall be adjusted only through annual computations and additions of future economic cycles.

(k) "Size of fund index" (SOFI) is defined as the ratio of the exposure criterion (EC) to the cost rate criterion (CRC). The target size of fund index will be fixed at 1.0. If the insured unemployment rate (IUR) exceeds a four and five-tenths percent (4.5%) average for the most recent completed July to June period, the target SOFI will be .8 and will remain at that level until the computed SOFI (the average exposure criterion of the current year and the preceding year divided by the average cost rate criterion) equals 1.0 or the average IUR falls to four and five-tenths percent (4.5%) or less for any period July to June. However, if the IUR falls below two and five-tenths percent (2.5%) for any period July to June the target SOFI shall be 1.2 until such time as the computed SOFI is equal to or greater than 1.0 or the IUR is equal to or greater than two and five-tenths percent (2.5%), at which point the target SOFI shall return to 1.0.

(l) No employer's unemployment contribution general experience rate plus individual unemployment experience rate shall exceed five and four-tenths percent (5.4%). Accrual rules shall apply for purposes of computing contribution rates including associated functions.

(m) The term "general experience rate" has the same meaning as the minimum tax rate.

(2) Modified rates:

(a) For any tax year, when the reserve ratio on the preceding November 16, in the case of any tax year, equals or exceeds three percent (3%), the modified rates, as hereinafter prescribed, shall be in effect. In computation of this reserve ratio, any remainder shall be rounded down.

(b) Modified rates shall be determined for the tax year for each eligible employer on the basis of his or her experience-rating record in the following manner:

(i) The department shall maintain an experience-rating record for each employer. Nothing in this chapter shall be construed to grant any employer or individuals performing services for him or her any prior claim or rights to the amounts paid by the employer into the fund.

(ii) Benefits paid to an eligible individual shall be charged against the experience-rating record of his or her base period employers in the proportion to which the wages paid by each base period employer bears to the total wages paid to the individual by all the base period employers, provided that benefits shall not be charged to an employer's experience-rating record if the department finds that the individual:

1. Voluntarily left the employ of such employer without good cause attributable to the employer or to accept other work;

2. Was discharged by such employer for misconduct connected with his or her work;

3. Refused an offer of suitable work by such employer without good cause, and the department further finds that such benefits are based on wages for employment for such employer prior to such voluntary leaving, discharge or refusal of suitable work, as the case may be;

4. Had base period wages which included wages for previously uncovered services as defined in Section 71-5-511(e) to the extent that the Unemployment Compensation Fund is reimbursed for such benefits pursuant to Section 121 of Public Law 94-566;

5. Extended benefits paid under the provisions of Section 71-5-541 which are not reimbursable from federal funds shall be charged to the experience-rating record of base period employers;

6. Is still working for such employer on a regular part-time basis under the same employment conditions as hired. Provided, however, that benefits shall be charged against an employer if an eligible individual is paid benefits who is still working for such employer on a part-time "as-needed" basis;

7. Was hired to replace a United States serviceman or servicewoman called into active duty and was laid off upon the return to work by that serviceman or servicewoman, unless such employer is a state agency or other political subdivision or instrumentality of the state;

8. Was paid benefits during any week while in training with the approval of the department, under the provisions of Section 71-5-513B, or for any week while in training approved under Section 236(a)(1) of the Trade Act of 1974, under the provisions of Section 71-5-513C;

9. Is not required to serve the one-week waiting period as described in Section 71-5-505(2). In that event, only the benefits paid in lieu of the waiting period week may be noncharged; or

10. Was paid benefits as a result of a fraudulent claim, provided notification was made to the Mississippi Department of Employment Security in writing or by email by the employer, within ten (10) days of the mailing of the notice of claim filed to the employer's last-known address.

(iii) Notwithstanding any other provision contained herein, an employer shall not be noncharged when the department finds that the employer or the employer's agent of record was at fault for failing to respond timely or adequately to the request of the department for information relating to an unemployment claim that was subsequently determined to be improperly paid, unless the employer or the employer's agent of record shows good cause for having failed to respond timely or adequately to the request of the department for information. For purposes of this subparagraph "good cause" means an event that prevents the employer or employer's agent of record from timely responding, and includes a natural disaster, emergency or similar event, or an illness on the part of the employer, the employer's agent of record, or their staff charged with responding to such inquiries when there is no other individual who has the knowledge or ability to respond. Any agency error that resulted in a delay in, or the failure to deliver notice to, the employer or the employer's agent of record shall also be considered good cause for purposes of this subparagraph.

(iv) The department shall compute a benefit ratio for each eligible employer, which shall be the quotient obtained by dividing the total benefits

charged to his or her experience-rating record during the period his or her experience-rating record has been chargeable, but not less than the twelve (12) consecutive calendar-month period nor more than the thirty-six (36) consecutive calendar-month period ending on the computation date, by his or her total taxable payroll for the same period on which all unemployment insurance contributions due have been paid on or before the September 30 immediately following the computation date. Such benefit ratio shall be computed to the tenth of a percent (.1%), rounding any remainder to the next higher tenth.

(v) 1. The unemployment insurance contribution rate for each eligible employer shall be the sum of two (2) rates: his or her individual experience rate in the range from zero percent (0%) to five and four-tenths percent (5.4%), plus a general experience rate. In no event shall the resulting unemployment insurance rate be in excess of five and four-tenths percent (5.4%), however, it is the intent of this section to provide the ability for employers to have a tax rate, the general experience rate plus the individual experience rate, of up to five and four-tenths percent (5.4%).

2. The employer's individual experience rate shall be equal to his or her benefit ratio as computed under paragraph (b)(iv) of this subsection (2).

3. The general experience rate shall be determined in the following manner: The department shall determine annually, for the thirty-six (36) consecutive calendar-month period ending on the computation date, the amount of benefits which were not charged to the record of any employer and of benefits which were ineffectively charged to the employer's experience-rating record. For the purposes of this item 3, the term "ineffectively charged benefits" shall include:

a. The total of the amounts of benefits charged to the experience-rating records of all eligible employers which caused their benefit ratios to exceed five and four-tenths percent (5.4%);

b. The total of the amounts of benefits charged to the experience-rating records of all ineligible employers which would cause their benefit ratios to exceed five and four-tenths percent (5.4%) if they were eligible employers; and

c. The total of the amounts of benefits charged or chargeable to the experience-rating record of any employer who has discontinued his or her business or whose coverage has been terminated within such period; provided, that solely for the purposes of determining the amounts of ineffectively charged benefits as herein defined, a "benefit ratio" shall be computed for each ineligible employer, which shall be the quotient obtained by dividing the total benefits charged to his or her experience-rating record throughout the period ending on the computation date, during which his or her experience-rating record has been chargeable with benefits, by his or her total taxable payroll for the same period on which all unemployment insurance contributions due have been paid on or before the September 30 immediately following the computation date; and provided further, that such benefit ratio shall be computed to the tenth of one percent (.1%) and any remainder shall be rounded to the next higher tenth.

The ratio of the sum of these amounts (subsection (2)(b)(v)3a, b and c) to the taxable wages paid during the same period divided by all eligible employers whose benefit ratio did not exceed five and four-tenths percent (5.4%), computed to the next higher tenth of one percent (.1%), shall be the general experience rate; however, the general experience rate for rate year 2014 shall be two-tenths of one percent (.2%) and to that will be added the employer's individual experience rate for the total unemployment insurance rate.

4. a. Except as otherwise provided in this item 4, the general experience rate shall be adjusted by use of the size of fund index factor. This factor may be positive or negative, and shall be determined as follows: From the target SOFI, as defined in subsection (1)(k) of this section, subtract the simple average of the current and preceding years' exposure criterions divided by the cost rate criterion, as defined in subsection (1)(j) of this section. The result is then multiplied by the product of the CRC, as defined in subsection (1)(j) of this section, and total wages for the twelve-month period ending June 30 divided by the taxable wages for the twelve-month

period ending June 30. This is the percentage positive or negative added to the general experience rate. The sum of the general experience rate and the trust fund adjustment factor shall be multiplied by fifty percent (50%) and this product shall be computed to one (1) decimal place, and rounded to the next higher tenth.

b. Notwithstanding the minimum rate provisions as set forth in subsection (1)(l) of this section, the general experience rate of all employers shall be reduced by seven one-hundredths of one percent (.07%) for calendar year 2013 only.

5. The general experience rate shall be zero percent (0%) unless the general experience ratio for any tax year as computed and adjusted on the basis of the trust fund adjustment factor and reduced by fifty percent (50%) is an amount equal to or greater than two-tenths of one percent (.2%), then the general experience rate shall be the computed general experience ratio and adjusted on the basis of the trust fund adjustment factor and reduced by fifty percent (50%); however, in no case shall the sum of the general experience plus the individual experience unemployment insurance rate exceed five and four-tenths percent (5.4%). For rate years subsequent to 2014, Mississippi Workforce Enhancement Training contribution rate, and/or * * * Mississippi Office of Workforce Development contribution rate, and/or Mississippi Works contribution rate, when in effect, shall be added to the unemployment contribution rate, regardless of whether the addition of this contribution rate causes the total contribution rate for the employer to exceed five and four-tenths percent (5.4%).

6. The department shall include in its annual rate notice to employers a brief explanation of the elements of the general experience rate, and shall include in its regular publications an annual analysis of benefits not charged to the record of any employer, and of the benefit experience of employers by industry group whose benefit ratio exceeds four percent (4%), and of any other factors which may affect the size of the general experience rate.

7. Notwithstanding any other provision contained herein, the general experience rate for calendar year 2021 shall be zero percent (0%). Charges attributed to each employer's individual experience rate for the period March 8, 2020, through June 30, 2020, will not impact the employer's individual experience rate calculations for purposes of calculating the total unemployment insurance rate for 2021 and the two (2) subsequent tax rate years. Moreover, charges attributed to each employer's individual experience rate for the period July 1, 2020, through December 31, 2020, will not impact the employer's individual experience rate calculations for purposes of calculating the total unemployment insurance rate for 2022 and the two (2) subsequent tax rate years. Furthermore, noncharges as defined hereinabove caused by the COVID-19 pandemic will not be used for the purpose of calculating the general experience rate.

(vi) When any employing unit in any manner succeeds to or acquires the organization, trade, business or substantially all the assets thereof of an employer, excepting any assets retained by such employer incident to the liquidation of his or her obligations, whether or not such acquiring employing unit was an employer within the meaning of Section 71-5-11, subsection H, prior to such acquisition, and continues such organization, trade or business, the experience-rating and payroll records of the predecessor employer shall be transferred as of the date of acquisition to the successor employer for the purpose of rate determination.

(vii) When any employing unit succeeds to or acquires a distinct and severable portion of an organization, trade or business, the experience-rating and payroll records of such portion, if separately identifiable, shall be transferred to the successor upon:

1. The mutual consent of the predecessor and the successor;
2. Approval of the department;
3. Continued operation of the transferred portion by the successor after transfer; and
4. The execution and the filing with the department by the predecessor employer of a waiver relinquishing all rights to have the

experience-rating and payroll records of the transferred portion used for the purpose of determining modified rates of contribution for such predecessor.

(viii) If the successor was an employer subject to this chapter prior to the date of acquisition, it shall continue to pay unemployment insurance contributions at the rate applicable to it from the date the acquisition occurred until the end of the then current tax year. If the successor was not an employer prior to the date of acquisition, it shall pay unemployment insurance contributions at the rate applicable to the predecessor or, if more than one (1) predecessor and the same rate is applicable to both, the rate applicable to the predecessor or predecessors, from the date the acquisition occurred until the end of the then current tax year. If the successor was not an employer prior to the date the acquisition occurred and simultaneously acquires the businesses of two (2) or more employers to whom different rates of unemployment insurance contributions are applicable, it shall pay unemployment insurance contributions from the date of the acquisition until the end of the current tax year at a rate computed on the basis of the combined experience-rating and payroll records of the predecessors as of the computation date for such tax year. In all cases the rate of unemployment insurance contributions applicable to such successor for each succeeding tax year shall be computed on the basis of the combined experience-rating and payroll records of the successor and the predecessor or predecessors.

(ix) The department shall notify each employer quarterly of the benefits paid and charged to his or her experience-rating record; and such notification, in the absence of an application for redetermination filed within thirty (30) days after the date of such notice, shall be final, conclusive and binding upon the employer for all purposes. A redetermination, made after notice and opportunity for a fair hearing, by a hearing officer designated by the department who shall consider and decide these and related applications and protests; and the finding of fact in connection therewith may be introduced into any subsequent administrative or judicial proceedings involving the determination of the rate of unemployment insurance contributions of any employer for any tax year, and shall be entitled to the same finality as is provided in this subsection with respect to the findings of fact in proceedings to redetermine the contribution rate of an employer.

(x) The department shall notify each employer of his or her rate of contribution as determined for any tax year as soon as reasonably possible after September 1 of the preceding year. Such determination shall be final, conclusive and binding upon such employer unless, within thirty (30) days after the date of such notice to his or her last-known address, the employer files with the department an application for review and redetermination of his or her contribution rate, setting forth his or her reasons therefor. If the department grants such review, the employer shall be promptly notified thereof and shall be afforded an opportunity for a fair hearing by a hearing officer designated by the department who shall consider and decide these and related applications and protests; but no employer shall be allowed, in any proceeding involving his or her rate of unemployment insurance contributions or contribution liability, to contest the chargeability to his or her account of any benefits paid in accordance with a determination, redetermination or decision pursuant to Sections 71-5-515 through 71-5-533 except upon the ground that the services on the basis of which such benefits were found to be chargeable did not constitute services performed in employment for him or her, and then only in the event that he or she was not a party to such determination, redetermination, decision or to any other proceedings provided in this chapter in which the character of such services was determined. The employer shall be promptly notified of the denial of this application or of the redetermination, both of which shall become final unless, within ten (10) days after the date of notice thereof, there shall be an appeal to the department itself. Any such appeal shall be on the record before said designated hearing officer, and the decision of said department shall become final unless, within thirty (30) days after the date of notice thereof to the employer's last-known address, there shall be an appeal to the Circuit Court of the First Judicial District of Hinds County, Mississippi, in accordance with the provisions of law with respect to review of civil causes by certiorari.

(3) Notwithstanding any other provision of law, the following shall apply regarding assignment of rates and transfers of experience:

(a) (i) If an employer transfers its trade or business, or a portion thereof, to another employer and, at the time of the transfer, there is substantially common ownership, management or control of the two (2) employers, then the unemployment experience attributable to the transferred trade or business shall be transferred to the employer to whom such business is so transferred. The rates of both employers shall be recalculated and made effective on January 1 of the year following the year the transfer occurred.

(ii) If, following a transfer of experience under subparagraph (i) of this paragraph (a), the department determines that a substantial purpose of the transfer of trade or business was to obtain a reduced liability of unemployment insurance contributions, then the experience-rating accounts of the employers involved shall be combined into a single account and a single rate assigned to such account.

(b) Whenever a person who is not an employer or an employing unit under this chapter at the time it acquires the trade or business of an employer, the unemployment experience of the acquired business shall not be transferred to such person if the department finds that such person acquired the business solely or primarily for the purpose of obtaining a lower rate of unemployment insurance contributions. Instead, such person shall be assigned the new employer rate under Section 71-5-353, unless assignment of the new employer rate results in an increase of less than two percent (2%), in which case such person would be assigned the new employer rate plus an additional two percent (2%) penalty for the rate year. In determining whether the business was acquired solely or primarily for the purpose of obtaining a lower rate of unemployment insurance contributions, the department shall use objective factors which may include the cost of acquiring the business, whether the person continued the business enterprise of the acquired business, how long such business enterprise was continued, or whether a substantial number of new employees were hired for performance of duties unrelated to the business activity conducted prior to acquisition.

(c) (i) If a person knowingly violates or attempts to violate paragraph (a) or (b) of this subsection or any other provision of this chapter related to determining the assignment of a contribution rate, or if a person knowingly advises another person in a way that results in a violation of such provision, the person shall be subject to the following penalties:

1. If the person is an employer, then such employer shall be assigned the highest rate assignable under this chapter for the rate year during which such violation or attempted violation occurred and the three (3) rate years immediately following this rate year. However, if the person's business is already at such highest rate for any year, or if the amount of increase in the person's rate would be less than two percent (2%) for such year, then the person's tax rate shall be increased by two percent (2%) for such year. The penalty rate will apply to the successor business as well as the related entity from which the employees were transferred in an effort to obtain a lower rate of unemployment insurance contributions.

2. If the person is not an employer, such person shall be subject to a civil money penalty of not more than Five Thousand Dollars (\$5,000.00). Each such transaction for which advice was given and each occurrence or reoccurrence after notification being given by the department shall be a separate offense and punishable by a separate penalty. Any such fine shall be deposited in the penalty and interest account established under Section 71-5-114.

(ii) For purposes of this paragraph (c), the term "knowingly" means having actual knowledge of or acting with deliberate ignorance or reckless disregard for the prohibition involved.

(iii) For purposes of this paragraph (c), the term "violates or attempts to violate" includes, but is not limited to, intent to evade, misrepresentation or willful nondisclosure.

(iv) In addition to the penalty imposed by subparagraph (i) of this paragraph (c), any violation of this subsection may be punishable by a fine of not more than Ten Thousand Dollars (\$10,000.00) or by imprisonment for not more than five (5) years, or by both such fine and imprisonment. This subsection shall prohibit prosecution under any other criminal statute of this state.

(d) The department shall establish procedures to identify the transfer or acquisition of a business for purposes of this subsection.

(e) For purposes of this subsection:

(i) "Person" has the meaning given such term by Section 7701(a)(1) of the Internal Revenue Code of 1986; and

(ii) "Employing unit" has the meaning as set forth in Section 71-5-11.

(f) This subsection shall be interpreted and applied in such a manner as to meet the minimum requirements contained in any guidance or regulations issued by the United States Department of Labor.

SECTION 6. Section 71-5-453, Mississippi Code of 1972, is amended as follows:

71-5-453. The department shall be the treasurer and custodian of the fund, and shall administer such fund in accordance with the directions of the department, and shall issue its warrants upon it in accordance with such regulations as the department shall prescribe. The department shall maintain within the fund three (3) separate accounts: (a) a clearing account, (b) an unemployment trust fund account, and (c) a benefit payment account. All monies payable to the fund, upon receipt thereof by the department, shall be immediately deposited in the clearing account. Refunds payable pursuant to Section 71-5-383 may be paid from the clearing account by the department. Transfers pursuant to Section 71-5-114 of all interest, penalties and damages collected shall be made to the Special Employment Security Administration Fund as soon as practicable after the end of each calendar quarter. Workforce Enhancement Training contributions, * * * Mississippi Office of Workforce Development contributions and Mississippi Works contributions shall be deposited into the Workforce Investment and Training Holding Account as described in this section. All other monies in the clearing account shall be immediately deposited with the Secretary of the Treasury of the United States of America to the Unemployment Trust Fund account for the State of Mississippi, established and maintained pursuant to Section 904 of the Social Security Act, as amended, any provisions of law in this state relating to the deposit, administration, release or disbursement of monies in the possession or custody of this state to the contrary notwithstanding. The benefit account shall consist of all monies requisitioned from this state's account in the Unemployment Trust Fund. Except as herein otherwise provided, monies in the clearing and benefit accounts may be deposited by the department, in any bank or public depository in which general funds of the state may be deposited, but no public deposit insurance charge or premium shall be paid out of the fund. The department shall be liable for the faithful performance of its duties in connection with the Unemployment Compensation Fund under this chapter. A Workforce Investment and Training Holding Account shall be established by and maintained under the control of the Mississippi Department of Employment Security. Contributions collected pursuant to the provisions in this chapter for the Workforce Enhancement Training Fund, * * * Mississippi Office of Workforce Development Fund and the Mississippi Works Fund shall be transferred from the clearing account into the Workforce Investment and Training Holding Account on the same schedule and under the same conditions as funds transferred to the Unemployment Compensation Fund. Such funds shall remain on deposit in the holding account for a period of thirty (30) days. After such period, Workforce Enhancement Training contributions shall be transferred to the appropriate Mississippi Community College Board Treasury Account, with oversight provided by the Mississippi Office of Workforce Development, by the department. The * * * Mississippi Office of Workforce Development contributions shall be transferred to the * * * Mississippi Office of Workforce Development Treasury Account for the Mississippi Office of Workforce Development Fund. The Mississippi Works contributions shall be transferred to the Mississippi Department of Employment Security Treasury Account for the Mississippi Works Fund. Such transfers shall occur within fifteen (15) days after the funds have resided in the Workforce Investment and Training Holding Account for thirty (30) days. One (1) such transfer shall be made monthly, but the department, in its discretion, may make additional transfers in any month. In the event such funds transferred are subsequently determined to be erroneously paid or collected, or if deposit of such funds is denied or rejected by the banking institution for any reason, or deposits are unable to clear drawer's account for

any reason, the funds must be reimbursed by the recipient of such funds within thirty (30) days of mailing of notice by the department demanding such refund, unless funds are available in the Workforce Investment and Training Holding Account. In that event such amounts shall be immediately withdrawn from the Workforce Investment and Training Holding Account by the department and redeposited into the clearing account.

SECTION 7. Section 25-61-5, Mississippi Code of 1972, is amended as follows:

25-61-5. (1) (a) Except as otherwise provided by Sections 25-61-9, 25-61-11 ***, 25-61-11.2 and 37-153-7, all public records are hereby declared to be public property, and any person shall have the right to inspect, copy or mechanically reproduce or obtain a reproduction of any public record of a public body in accordance with reasonable written procedures adopted by the public body concerning the cost, time, place and method of access, and public notice of the procedures shall be given by the public body, or, if a public body has not adopted written procedures, the right to inspect, copy or mechanically reproduce or obtain a reproduction of a public record of the public body shall be provided within one (1) working day after a written request for a public record is made. No public body shall adopt procedures which will authorize the public body to produce or deny production of a public record later than seven (7) working days from the date of the receipt of the request for the production of the record.

(b) If a public body is unable to produce a public record by the seventh working day after the request is made, the public body must provide a written explanation to the person making the request stating that the record requested will be produced and specifying with particularity why the records cannot be produced within the seven-day period. Unless there is mutual agreement of the parties, or the information requested is part of ongoing negotiations related to a request for competitive sealed proposals, in no event shall the date for the public body's production of the requested records be any later than fourteen (14) working days from the receipt by the public body of the original request. Production of competitive sealed proposals in accordance with requests made pursuant to this section shall be no later than seven (7) working days after the notice of intent to award is issued to the winning proposer. Persons making a request for production of competitive sealed proposals after the notice of intent to award is issued by the public body shall have a reasonable amount of time, but in no event less than seven (7) working days after the production of the competitive sealed proposals, to protest the procurement or intended award prior to contract execution. However, in any instance where a person has filed for a protective order for a competitive sealed proposal and the court has not ruled on the protective order within ninety (90) days of filing, then the public body may proceed with awarding the contract without production of competitive sealed proposals and the contract may be protested after execution.

(2) If any public record contains material which is not exempted under this chapter, the public agency shall redact the exempted material and make the nonexempted material available for examination. Such public agency shall be entitled to charge a reasonable fee for the redaction of any exempted material, not to exceed the agency's actual cost.

(3) Denial by a public body of a request for access to or copies of public records under this chapter shall be in writing and shall contain a statement of the specific exemption relied upon by the public body for the denial. Each public body shall maintain a file of all denials of requests for public records. Public bodies shall be required to preserve such denials on file for not less than three (3) years from the date such denials are made. This file shall be made available for inspection or copying, or both, during regular office hours to any person upon written request.

(4) This section shall stand repealed on July 1, 2024.

SECTION 8. This act shall take effect and be in force from and after July 1, 2023.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 71-5-353, MISSISSIPPI CODE OF 1972, TO CREATE THE MISSISSIPPI OFFICE OF WORKFORCE DEVELOPMENT FUND IN THE STATE TREASURY WHICH SHALL CONSIST OF FUNDS COLLECTED FROM THE

OFFICE OF WORKFORCE DEVELOPMENT CONTRIBUTIONS AND ANY OTHER MONIES THAT MAY BE APPROPRIATED TO IT FROM THE LEGISLATURE; TO PROVIDE THAT THE STATE WORKFORCE INVESTMENT BOARD CONTRIBUTIONS THAT WERE BEING DEPOSITED INTO THE STATE WORKFORCE INVESTMENT BOARD BANK ACCOUNT SHALL NOW BE CONTRIBUTIONS FOR THE MISSISSIPPI OFFICE OF WORKFORCE DEVELOPMENT AND DEPOSITED INTO THE MISSISSIPPI OFFICE OF WORKFORCE DEVELOPMENT FUND; TO PROVIDE THAT ADMINISTRATIVE FEES COLLECTED FOR THE TRAINING PROVIDED USING THE MISSISSIPPI WORKFORCE ENHANCEMENT TRAINING AND MISSISSIPPI WORKS FUNDS MAY NOT BE MORE THAN FIVE PERCENT; TO PROVIDE THAT THE MISSISSIPPI DEPARTMENT OF EMPLOYMENT SECURITY SHALL BE THE FISCAL AGENT FOR ALL FUNDS APPROPRIATED TO IT FOR USE BY THE OFFICE OF WORKFORCE DEVELOPMENT; TO CREATE A NEW SECTION THAT ESTABLISHES THE MISSISSIPPI K-12 WORKFORCE DEVELOPMENT GRANT PROGRAM; TO PROVIDE THAT THE PURPOSE FOR THE GRANT PROGRAM SHALL BE FOR CONSTRUCTING, REMODELING, PURCHASING OR UPGRADING EQUIPMENT OR OTHERWISE PROVIDING SUPPORT TO CAREER TECHNICAL CENTERS AT THE K-12 EDUCATION LEVEL; TO PROVIDE HOW A SCHOOL MAY APPLY FOR A GRANT; TO PROVIDE THAT MAXIMUM AMOUNT OF FUNDS THAT MAY BE USED FOR ADMINISTERING THE PROGRAM; TO PROVIDE THE REPORTING REQUIREMENTS OF THE PROGRAM; TO AMEND SECTION 37-153-7, MISSISSIPPI CODE OF 1972, TO REVISE THE REPORTING REQUIREMENTS OF THE OFFICE OF WORKFORCE DEVELOPMENT; TO PROVIDE SPECIFIC POWERS AND DUTIES FOR THE OFFICE OF WORKFORCE DEVELOPMENT; TO PROVIDE TIME-LIMITED EXEMPTIONS FROM THE MISSISSIPPI PUBLIC RECORDS ACT FOR CERTAIN RECORDS AND CONFIDENTIAL CLIENT INFORMATION FROM THE MISSISSIPPI DEVELOPMENT AUTHORITY OR LOCAL ECONOMIC DEVELOPMENT ENTITIES HELD BY THE OFFICE OF WORKFORCE DEVELOPMENT; TO AMEND SECTIONS 71-5-355 AND 71-5-453, MISSISSIPPI CODE OF 1972, TO CONFORM TO THE PROVISIONS OF THIS ACT; TO AMEND SECTION 27-104-7, MISSISSIPPI CODE OF 1972, AS AMENDED BY HOUSE BILL NO. 249, HOUSE BILL NO. 540 AND SENATE BILL NO. 2810, 2023 REGULAR SESSION, TO CONFORM TO THE PROVISIONS OF THIS ACT; TO AMEND SECTION 25-61-5, MISSISSIPPI CODE OF 1972, TO CONFORM; AND FOR RELATED PURPOSES.

SECTION 1. Section 37-153-1, Mississippi Code of 1972, is reenacted as follows:

37-153-1. This article shall be known and may be cited as the "Mississippi Comprehensive Workforce Training and Education Consolidation Act of 2004."

SECTION 2. Section 37-153-3, Mississippi Code of 1972, is reenacted as follows:

37-153-3. It is the intent of the Legislature by the passage of Chapter 572, Laws of 2004, to establish one (1) comprehensive workforce development system in the State of Mississippi that is focused on achieving results, using resources efficiently and ensuring that workers and employers can easily access needed services. This system shall reflect a consolidation of the Mississippi Workforce Development Advisory Council and the Mississippi State Workforce Investment Act Board. The purpose of Chapter 572, Laws of 2004, is to provide workforce activities, through a statewide system that maximizes cooperation among state agencies, that increase the employment, retention and earnings of participants, and increase occupational skill attainment by participants and as a result, improve the quality of the workforce, reduce welfare dependency and enhance the productivity and competitiveness of the State of Mississippi.

SECTION 3. Section 37-153-5, Mississippi Code of 1972, is reenacted as follows:

37-153-5. For purposes of this article, the following words and phrases shall have the meanings respectively ascribed in this section unless the context clearly indicates otherwise:

(a) "State board" or "board" means the Mississippi State Workforce Investment Board.

The Department of Employment Security shall thereupon requisition from the Unemployment Trust Fund all monies therein standing to its credit, and shall deposit such monies, together with any other monies in the Unemployment Compensation Fund, as a special fund in any banks or public depositories in this state in which general funds of the state may be deposited.

If within such six-month period no such other federal legislation is enacted or the Legislature of this state has not otherwise prescribed, the

Any interest or earnings of the fund shall be available to the Department of Employment Security to pay for the costs of making such refunds. In the event of fraud, a penalty of twenty percent (20%) of the amount of the overpayment shall be assessed. Three-fourths (3/4) of that twenty percent (20%) penalty shall be deposited into the unemployment trust fund and shall be used only for the purpose of payment of unemployment benefits. The remainder of that twenty percent (20%) penalty shall be deposited into the Special Employment Security Administrative Fund. Interest on the overpayment balance shall accrue at a rate of one percent (1%) per month on the unpaid balance until repaid and shall be deposited into the Special Employment Security Administration Fund. All interest, penalties and damages deposited into the Special Employment Security Administration Fund shall be used by the department for administration of the Mississippi Department of Employment Security.

(c) Any such judgment against such person for collection of such overpayment shall be in the form of a seven-year renewable lien. Unless action be brought thereon prior to expiration of the lien, the department must refile the notice of the lien prior to its expiration at the end of seven (7) years. There shall be no limit upon the number of times the department may refile notices of liens for collection of overpayments.

(d) All warrants issued by the department for the collection of any unemployment tax or for an overpayment of benefits imposed by statute and collected by the department shall be used to levy on salaries, compensation or other monies due the delinquent employer or claimant. No such warrant shall be issued until after the delinquent employer or claimant has exhausted all appeal rights associated with the debt. The warrants shall be served by mail or by delivery by an agent of the department on the person or entity responsible or liable for the payment of the monies due the delinquent employer or claimant. Once served, the employer or other person owing compensation due the delinquent employer or claimant shall pay the monies over to the department in complete or partial satisfaction of the liability. An answer shall be made within thirty (30) days after service of the warrant in the form and manner determined satisfactory by the department. Failure to pay the money over to the department as required by this section shall result in the served party being personally liable for the full amount of the monies owed and the levy and collection process may be issued against the party in the same manner as other debts owed to the department. Except as otherwise provided by this section, the answer, the amount payable under the warrant and the obligation of the payor to continue payment shall be governed by the garnishment laws of this state but shall be payable to the department.

(5) The department, by agreement with another state or the United States, as provided under Section 303(g) of the Social Security Act, may recover any overpayment of benefits paid to any individual under the laws of this state or of another state or under an unemployment benefit program of the United States. Any overpayments subject to this subsection may be deducted from any future benefits payable to the individual under the laws of this state or of another state or under an unemployment program of the United States.

SECTION 13. Section 71-5-101, Mississippi Code of 1972, is reenacted as follows:

71-5-101. There is established the Mississippi Department of Employment Security, Office of the Governor. The Department of Employment Security shall be the Mississippi Employment Security Commission and shall retain all powers and duties as granted to the Mississippi Employment Security Commission. Wherever the term "Employment Security Commission" appears in any law, the same shall mean the Mississippi Department of Employment Security, Office of the Governor. The Executive Director of the Department of Employment Security may assign to the appropriate offices such powers and duties deemed appropriate to carry out the lawful functions of the department.

SECTION 14. Section 71-5-107, Mississippi Code of 1972, is reenacted as follows:

71-5-107. The department shall administer this chapter through a full-time salaried executive director, to be appointed by the Governor, with the advice and consent of the Senate. He shall be responsible for the administration of this chapter under authority delegated to him by the Governor.

SECTION 15. Section 71-5-109, Mississippi Code of 1972, is reenacted as follows:

71-5-109. There is created a Board of Review consisting of three (3) members to be appointed by the executive director. The executive director shall designate one (1) member of the Board of Review as chairman. Each member shall be paid a salary or per diem at a rate to be determined by the executive director, and such expenses as may be allowed by the executive director. All salaries, per diem and expenses of the Board of Review shall be paid from the Employment Security Administration Fund.

SECTION 16. Section 71-5-111, Mississippi Code of 1972, is reenacted as follows:

71-5-111. There is created in the State Treasury a special fund to be known as the Employment Security Administration Fund. All monies which are deposited or paid into this fund are appropriated and made available to the department. All monies in this fund shall be expended solely for the purpose of defraying the cost of administration of this chapter, and for no other purpose whatsoever. The fund shall consist of all monies appropriated by this state and all monies received from the United States of America, or any agency thereof, or from any other source for such purpose. Notwithstanding any provision of this section, all monies requisitioned and deposited in this fund pursuant to Section 71-5-457 shall remain part of the Employment Security Administration Fund and shall be used only in accordance with the conditions specified in that section. All monies in this fund shall be deposited, administered and disbursed in the same manner and under the same conditions and requirements as is provided by law for other special funds in the State Treasury. The State Treasurer shall be liable on his official bond for the faithful performance of his duties in connection with the Employment Security Administration Fund under this chapter.

SECTION 17. Section 71-5-112, Mississippi Code of 1972, is reenacted as follows:

71-5-112. All funds received by the Mississippi Department of Employment Security shall clear through the State Treasury as provided and required by Sections 71-5-111 and 71-5-453. All expenditures from the administration fund of the department authorized by Section 71-5-111 shall be expended only pursuant to appropriation approved by the Legislature and as provided by law.

SECTION 18. Section 71-5-113, Mississippi Code of 1972, is reenacted as follows:

71-5-113. All monies received from the Social Security Board or its successors for the administration of this chapter shall be expended solely for the purposes and in the amounts found necessary by the Social Security Board or its successors for the proper and efficient administration of this chapter.

It shall be the duty of the department to take appropriate action with respect to the replacement, within a reasonable time, of any monies received from the Social Security Board, or its successors, for the administration of this chapter, and monies used to match grants pursuant to the provisions of the Wagner-Peyser Act, which the board, or its successors, find, because of any action or contingency, have been lost or have been expended for purposes other than, or in amounts in excess of those found necessary by the Social Security Board, or its successors, for the proper administration of this chapter. Funds which have been expended by the department or its agents in accordance with the budget approved by the Social Security Board, or its successors, or in accordance with the general standards and limitations promulgated by the Social Security Board, or its successors, prior to such expenditure (where proposed expenditures have not been specifically disapproved by the Social Security Board, or its successors), shall not be deemed to require replacement. To effectuate the purposes of this paragraph, it shall be the duty of the department to take such action to safeguard the expenditure of the funds referred to herein as it deems necessary. In the event of a loss of such funds or an improper expenditure thereof as herein defined, it shall be the duty of the department to notify the Governor of any such loss or improper expenditure and submit to him a request for an appropriation in the amount thereof. The Governor shall transmit to the next regular session of the Legislature following such notification, the department's request for an appropriation in an amount necessary to replace funds which have been lost or improperly expended as defined above. Such request of the department for an appropriation shall not be subject to the provisions of Sections 27-103-101 through 27-103-139. The Legislature recognizes its obligation to replace such funds as may be necessary and shall make necessary appropriations in accordance with such requests.

SECTION 19. Section 71-5-114, Mississippi Code of 1972, is reenacted as follows:

71-5-114. There is created in the State Treasury a special fund, to be known as the "Special Employment Security Administration Fund," into which shall be deposited or transferred all interest, penalties and damages collected on and after July 1, 1982, pursuant to Sections 71-5-363 through 71-5-379 and all interest and penalties required to be deposited into the fund pursuant to Section 71-5-19(4)(b). Interest, penalties and damages collected on delinquent payments deposited during any calendar quarter in the clearing account in the Unemployment Trust Fund shall, as soon as practicable after the close of such calendar quarter, be transferred to the Special Employment Security Administration Fund. All monies in this fund shall be deposited, administered and disbursed in the same manner and under the same conditions and requirements as is provided by law for other special funds in the State Treasury. The State Treasurer shall be liable on his official bond for the faithful performance of his duties in connection with the Special Employment Security Administration Fund under this chapter. Those monies may be expended for any programs for which the department has administrative responsibility but shall not be expended or made available for expenditure in any manner which would permit their substitution for (or permit a corresponding reduction in) federal funds which would, in the absence of those monies, be available to finance expenditures for the administration of the state unemployment compensation and employment service laws or any other laws directing the administration of any programs for which the department has the administrative responsibility. Nothing in this section shall prevent those monies in this fund from being used as a revolving fund to cover expenditures necessary and proper under the law for which federal funds have been duly requested but not yet received, subject to the charging of such expenditures against such funds when necessary. The monies in this fund may be used by the department for the payment of costs of administration of the employment security laws of this state which are found not to be or not to have been properly and validly chargeable against funds obtained from federal sources. All monies in this Special Employment Security Administration Fund shall be continuously available to the department for expenditure in accordance with the provisions of this chapter, and shall not lapse at any time. The monies in this fund are

specifically made available to replace, as contemplated by Section 71-5-113, expenditures from the Employment Security Administration Fund established by Section 71-5-111, which have been found, because of any action or contingency, to have been lost or improperly expended.

The department, whenever it is of the opinion that the money in the Special Employment Security Administration Fund is more than ample to pay for all foreseeable needs for which such special fund is set up, may, by written order, order the transfer therefrom to the Unemployment Compensation Fund of such amount of money in the Special Employment Security Administration Fund as it deems proper, and the same shall thereupon be immediately transferred to the Unemployment Compensation Fund.

SECTION 20. Section 71-5-115, Mississippi Code of 1972, is reenacted as follows:

71-5-115. It shall be the duty of the executive director to administer this chapter; and the executive director shall have the power and authority to adopt, amend or rescind such rules and regulations, to employ such persons, make such expenditures, require such reports, make such investigations, and take such other action as he deems necessary or suitable to that end. Such rules and regulations shall be effective upon publication in the manner, not inconsistent with the provisions of this chapter, which the executive director shall prescribe. The executive director shall determine the department's own organization and methods of procedure in accordance with the provisions of this chapter, and shall have an official seal which shall be judicially noticed. Not later than the first day of February in each year, the executive director shall submit to the Governor a report covering the administration and operation of this chapter during the preceding fiscal year and shall make such recommendations for amendments to this chapter as the executive director deems proper. Whenever the executive director believes that a change in contribution or benefit rates will become necessary to protect the solvency of the fund, he shall promptly so inform the Governor and the Legislature, and make recommendations with respect thereto.

SECTION 21. Section 71-5-117, Mississippi Code of 1972, is reenacted as follows:

71-5-117. General rules may be adopted, amended or rescinded by the executive director only after public hearing or opportunity to be heard thereon, of which proper notice has been given. General rules shall become effective ten (10) days after filing with the Secretary of State and publication in one or more newspapers of general circulation in this state. Regulations may be adopted, amended or rescinded by the executive director and shall become effective in the manner and at the time prescribed by the executive director.

SECTION 22. Section 71-5-119, Mississippi Code of 1972, is reenacted as follows:

71-5-119. The department shall cause to be available for distribution to the public the text of this chapter, its regulations and general rules, its reports to the Governor, and any other material it deems relevant and suitable, and shall furnish the same to any person upon application therefor.

SECTION 23. Section 71-5-121, Mississippi Code of 1972, is reenacted as follows:

71-5-121. Subject to other provisions of this chapter, the executive director is authorized to appoint, fix the compensation, and prescribe the duties and powers of such officers, accountants, attorneys, experts and other persons as may be necessary in the performance of department duties; however, all personnel who were former members of the Armed Forces of the United States of America shall be given credit regardless of rate, rank or commission. All positions shall be filled by persons selected and appointed on a nonpartisan merit basis, in accordance with Section 25-9-101 et seq., that provides for a state service personnel system. The executive director shall not employ any person who is an officer or committee member of any political party organization. The executive director may delegate to any such person so appointed such power and authority as he deems reasonable and proper for the effective administration of this chapter, and may in his discretion bond any person handling monies or signing checks hereunder. The veteran status of an individual shall be considered and preference given in accordance with the provisions of the State Personnel Board.

The department and its employees are exempt from Sections 25-15-101 and 25-15-103.

The department may use federal granted funds to provide such group health, life, accident and hospitalization insurance for its employees as may be agreed upon by the department and the federal granting authorities.

The department shall adopt a "layoff formula" to be used wherever it is determined that, because of reduced workload, budget reductions or in order to effect a more economical operation, a reduction in force shall occur in any group.

In establishing this formula, the department shall give effect to the principle of seniority and shall provide that seniority points may be added for disabled veterans and veterans, with due regard to the efficiency of the service. Any such layoff formula shall be implemented according to the policies, rules and regulations of the State Personnel Board.

SECTION 24. Section 71-5-123, Mississippi Code of 1972, is reenacted as follows:

71-5-123. The executive director shall retain all powers and duties as granted to the state advisory council appointed by the former Employment Security Commission. The executive director may appoint local advisory councils, composed in each case of an equal number of employer representatives and employee representatives who may fairly be regarded as representative because of their vocation, employment or affiliations, and of such members representing the general public as the executive director may designate. Such councils shall aid the department in formulating policies and discussing problems related to the administration of this chapter and in assuring impartiality and freedom from political influence in the solution of such problems. Members of the advisory councils shall receive a per diem in accordance with Section 25-3-69 for attendance upon meetings of the council, and shall be reimbursed for actual and necessary traveling expenses. The per diem and expenses herein authorized shall be paid from the Employment Security Administration Fund.

SECTION 25. Section 71-5-125, Mississippi Code of 1972, is reenacted as follows:

71-5-125. The department shall take all appropriate steps to reduce and prevent unemployment; to encourage and assist in the adoption of practical methods of vocational training, retraining and vocational guidance; to investigate, recommend, advise and assist in the establishment and operation, by municipalities, counties, school districts and the state, of reserves for public works to be used in times of business depression and unemployment; to promote the reemployment of unemployed workers throughout the state in every other way that may be feasible; and to these ends to carry on and publish the results of investigation and research studies.

SECTION 26. Section 71-5-127, Mississippi Code of 1972, is reenacted as follows:

71-5-127. (1) Any information or records concerning an individual or employing unit obtained by the department pursuant to the administration of this chapter or any other federally funded programs for which the department has responsibility shall be private and confidential, except as otherwise provided in this article or by regulation. Information or records may be released by the department when the release is required by the federal government in connection with, or as a condition of funding for, a program being administered by the department.

(2) Each employing unit shall keep true and accurate work records, containing such information as the department may prescribe. Such records shall be open to inspection and be subject to being copied by the department or its authorized representatives at any reasonable time and as often as may be necessary. The department, Board of Review and any referee may require from any employing unit any sworn or unsworn reports with respect to persons employed by it which they or any of them deem necessary for the effective administration of this chapter. Information, statements, transcriptions of proceedings, transcriptions of recordings, electronic recordings, letters, memoranda, and other documents and reports thus obtained or obtained from any individual pursuant to the administration of this chapter shall, except to the extent necessary for the proper administration of this chapter, be held confidential and shall not be published or be opened to public inspection (other than to public employees

in the performance of their public duties) in any manner revealing the individual's or employing unit's identity.

(3) Any claimant or his legal representative at a hearing before an appeal tribunal or the Board of Review shall be supplied with information from such records to the extent necessary for the proper presentation of his claim in any proceeding pursuant to this chapter.

(4) Any employee or member of the Board of Review or any employee of the department who violates any provisions of this section shall be fined not less than Twenty Dollars (\$20.00) nor more than Two Hundred Dollars (\$200.00), or imprisoned for not longer than ninety (90) days, or both.

(5) The department may make the state's records relating to the administration of this chapter available to the Railroad Retirement Board, and may furnish the Railroad Retirement Board, at the expense of such board, such copies thereof as the Railroad Retirement Board deems necessary for its purposes. The department may afford reasonable cooperation with every agency of the United States charged with the administration of any unemployment insurance law.

SECTION 27. Section 71-5-129, Mississippi Code of 1972, is reenacted as follows:

(a) Records which have been preserved by it for not less than three (3) years:

- (2) Continued claims for benefits,
- (3) Correspondence and master index cards in connection with such claims for benefits, and
- (4) Individual wage slips filed by employers subject to the provisions of the Unemployment Compensation Law.

(b) Records which have been preserved by it for not less than six (6) months after becoming inactive:

- (1) Work applications,
- (2) Cross-index cards for work applications,
- (3) Test records,
- (4) Employer records,
- (5) Work orders,
- (6) Clearance records,
- (7) Counseling records,
- (8) Farm placement records, and
- (9) Correspondence relating to all such records.

Nothing herein contained shall be construed as authorizing the destruction or disposal of basic fiscal records reflecting the financial operations of the department and no records may be destroyed without the approval of the Director of the Department of Archives and History.

SECTION 28. Section 71-5-131, Mississippi Code of 1972, is reenacted as follows:

71-5-131. All letters, reports, communications, or any other matters, either oral or written, from the employer or employee to each other or to the department or any of its agents, representatives or employees, which shall have been written, sent, delivered or made in connection with the requirements and administration of this chapter shall be absolutely privileged and shall not be made the subject matter or basis of any suit for slander or libel in any court of the State of Mississippi unless the same be false in fact and maliciously written, sent, delivered or made for the purpose of causing a denial of benefits under this chapter.

SECTION 29. Section 71-5-133, Mississippi Code of 1972, is reenacted as follows:

71-5-133. In any case where an employing unit or any officer, member or agent thereof, or any other person having possession of the records thereof, shall fail or refuse upon demand by the department or its duly appointed agents to produce or permit the

examination or copying of any book, paper, account, record or other data pertaining to payrolls or employment or ownership of interests or stock in any employing unit, or bearing upon the correctness of any report, or for the purpose of making a report as required by this chapter where none has been made, then and in that event the department or its duly authorized agents may, by the issuance of a subpoena, require the attendance of such employing unit or any officer, member or agent thereof, or any other person having possession of the records thereof, and take testimony with respect to any such matter and may require any such person to produce any books or records specified in such subpoena. The department or its authorized agents at any such hearing shall have power to administer oaths to any such person or persons. When any person called as a witness by a subpoena signed by the department or its agents and served upon him by the sheriff of a county of which such person is a resident, or wherein is located the principal office of such employing unit or wherein such records are located or kept, shall fail to obey such subpoena to appear before the department or its authorized agent, or shall refuse to testify or to answer any questions or to produce any book, record, paper or other data when required to do so, such failure or refusal shall be reported to the Attorney General, who shall thereupon institute proceedings by the filing of a petition in the name of the State of Mississippi, on the relation of the department, in the circuit court or other court of competent jurisdiction of the county where such witness resides, or wherein such records are located or kept, to compel the obedience of such witness. Such petition shall set forth the facts and circumstances of the demand for and refusal or failure to permit the examination or copying of such records, or the failure or refusal of such witness to testify in answer to such subpoena or to produce the records so required by such subpoena. Such court, upon the filing and docketing of such petition, shall thereupon promptly issue an order to the defendants named in the petition to produce forthwith in such court, or at a place in such county designated in such order for the examination or copying by the department or its duly appointed agents, the records, books or documents so described, and to testify concerning matters described in such petition. Unless such defendants to such petition shall appear in the court upon a day specified in such order, which day shall be not more than ten (10) days after the date of issuance of such order, and offer, under oath, good and sufficient reasons why such examination or copying should not be permitted, or why such subpoena should not be obeyed, such court shall thereupon deliver to the department or its agents, for examination or copying, the records, books and documents so described in the petition and so produced in such court, and shall order the defendants to appear in answer to the subpoena of the department or its agents, and to testify concerning matters inquired about by the department. Any employing unit or any officer, member or agent thereof, or any other person having possession of the records thereof, who shall willfully disobey such order of the court after the same shall have been served upon him shall be guilty of indirect contempt of such court from which such order shall have issued, and may be adjudged in contempt of the court and punished therefor as provided by law.

SECTION 30. Section 71-5-135, Mississippi Code of 1972, is reenacted as follows:

71-5-135. If any employing unit fails to make any report required by this chapter, the department or its authorized agents shall give notice to such employing unit to make and file such report within fifteen (15) days from the date of such notice. If such employing unit, by its proper members, officers or agents, shall fail or refuse to make and file such reports within such time, then and in that event such report shall be made by the department or its authorized agents from the best information available, and the amount of contributions due shall be computed thereon; and such report shall be prima facie correct for the purposes of this chapter.

SECTION 31. Section 71-5-137, Mississippi Code of 1972, is reenacted as follows:

71-5-137. In the discharge of the duties imposed by this chapter, the department, any referee, the members of the Board of Review, and any duly authorized representative of any of them shall have power to administer oaths and affirmations, to take depositions, certify to official acts, and issue subpoenas to compel the attendance of witnesses and the production of books, papers, correspondence, memoranda and other

records deemed necessary as evidence in connection with a disputed claim or the administration of this chapter.

SECTION 32. Section 71-5-139, Mississippi Code of 1972, is reenacted as follows:

71-5-139. In case of contumacy or refusal to obey a subpoena issued to any person, any court in this state within the jurisdiction of which the inquiry is carried on, or within the jurisdiction of which the person guilty of contumacy or refusal to obey is found or resides or transacts business, upon application by the department, the Board of Review, any referee, or any duly authorized representative of any of them, shall have jurisdiction to issue to such person an order requiring such person to appear before the department, the Board of Review, any referee, or any duly authorized representative of any of them, there to produce evidence if so ordered or there to give testimony touching the matter under investigation or in question. Any failure to obey such order of the court may be punished by the court as a contempt thereof. Any person who shall, without just cause, fail or refuse to attend and testify or to answer any lawful inquiry or to produce books, papers, correspondence, memoranda and other records if it is in his power so to do, in obedience to a subpoena of the department, the Board of Review, any referee, or any duly authorized representative of any of them, shall be punished by a fine of not more than Two Hundred Dollars (\$200.00), or by imprisonment for not longer than sixty (60) days, or by both such fine and imprisonment; and each day such violation continues shall be deemed to be a separate offense.

SECTION 33. Section 71-5-141, Mississippi Code of 1972, is reenacted as follows:

71-5-141. No person shall be excused from attending and testifying or from producing books, papers, correspondence, memoranda and other records before the department, the Board of Review, any referee, or any duly authorized representative of any of them, or in obedience to the subpoena of any of them in any cause or proceeding before the department, the Board of Review or an appeal tribunal, on the ground that the testimony or evidence, documentary or otherwise, required of him may tend to incriminate him or subject him to a penalty or forfeiture; but no individual shall be prosecuted or subjected to any penalty or forfeiture for or on account of any transaction, matter or thing concerning which he is compelled, after having claimed his privilege against self-incrimination, to testify or produce evidence, documentary or otherwise, except that such individual so testifying shall not be exempt from prosecution and punishment for perjury committed in so testifying.

SECTION 34. Section 71-5-143, Mississippi Code of 1972, is reenacted as follows:

71-5-143. In the administration of this chapter, the department shall cooperate, to the fullest extent consistent with the provisions of this chapter, with the Social Security Board created by the Social Security Act, approved August 14, 1935, as amended; shall make such reports in such form and containing such information as the Social Security Board may from time to time require, and shall comply with such provisions as the Social Security Board may from time to time find necessary to assure the correctness and verification of such reports; and shall comply with the reasonable, valid and lawful regulations prescribed by the Social Security Board pursuant to and under the authority of the Social Security Act, governing the expenditures of such sums as may be allotted and paid to this state under Title III of the Social Security Act, as amended, for the purpose of assisting in the administration of this chapter.

Upon request therefor, the department shall furnish to any agency of the United States charged with the administration of public works, or assistance through public employment, the name, address, ordinary occupation and employment status of each recipient of benefits, and such recipient's rights to further benefits under this chapter.

SECTION 35. Section 71-5-201, Mississippi Code of 1972, is reenacted as follows:

71-5-201. The Mississippi State Employment Service is established in the Mississippi Department of Employment Security, Office of the Governor. The department, in the conduct of such service, shall establish and maintain free public employment offices in such number and in such places as may be necessary for the proper administration of this article and for the purpose of performing such functions as are within the purview of

the act of Congress entitled "An act to provide for the establishment of a national employment system and for cooperation with the states in the promotion of such system, and for other purposes" (29 USCS Section 49 et seq.). Any existing free public employment offices maintained by the state but not heretofore under the jurisdiction of the department shall be transferred to the jurisdiction of the department, and upon such transfer all duties and powers conferred upon any other department, agency or officers of this state relating to the establishment, maintenance and operation of free public employment offices shall be vested in the department. The Mississippi State Employment Service shall be administered by the department, which is charged with the duty to cooperate with any official or agency of the United States having powers or duties under the provisions of the act of Congress, as amended, and to do and perform all things necessary to secure to this state the benefits of that act of Congress, as amended, in the promotion and maintenance of a system of public employment offices. The provisions of that act of Congress, as amended, are accepted by this state, in conformity with 29 USCS Section 49c, and this state will observe and comply with the requirements thereof. The department is designated and constituted the agency of this state for the purposes of that act. The department may cooperate with or enter into agreements with the Railroad Retirement Board or veteran's organization with respect to the establishment, maintenance and use of free employment service facilities.

SECTION 36. Section 71-5-357, Mississippi Code of 1972, is reenacted as follows:

71-5-357. Benefits paid to employees of nonprofit organizations shall be financed in accordance with the provisions of this section. For the purpose of this section, a nonprofit organization is an organization (or group of organizations) described in Section 501(c)(3) of the Internal Revenue Code of 1954 which is exempt from income tax under Section 501(a) of such code (26 USCS Section 501).

(a) Any nonprofit organization which, under Section 71-5-11, subsection H(3), is or becomes subject to this chapter shall pay contributions under the provisions of Sections 71-5-351 through 71-5-355 unless it elects, in accordance with this paragraph, to pay to the department for the unemployment fund an amount equal to the amount of regular benefits and one-half (1/2) of the extended benefits paid, that is attributable to service in the employ of such nonprofit organization, to individuals for weeks of unemployment which begin during the effective period of such election.

(i) Any nonprofit organization which becomes subject to this chapter may elect to become liable for payments in lieu of contributions for a period of not less than twelve (12) months, beginning with the date on which such subjectivity begins, by filing a written notice of its election with the department not later than thirty (30) days immediately following the date of the determination of such subjectivity.

(ii) Any nonprofit organization which makes an election in accordance with subparagraph (i) of this paragraph will continue to be liable for payments in lieu of contributions unless it files with the department a written termination notice not later than thirty (30) days prior to the beginning of the tax year for which such termination shall first be effective.

(iii) Any nonprofit organization which has been paying contributions under this chapter may change to a reimbursable basis by filing with the department, not later than thirty (30) days prior to the beginning of any tax year, a written notice of election to become liable for payments in lieu of contributions. Such election shall not be terminable by the organization for that and the next tax year.

(iv) The department may for good cause extend the period within which a notice of election or a notice of termination must be filed, and may permit an election to be retroactive.

(v) The department, in accordance with such regulations as it may prescribe, shall notify each nonprofit organization of any determination which it may make of its status as an employer, of the effective date of any election which it makes and of any termination of such election. Such determinations shall be subject to reconsideration, appeal and review in accordance with the provisions of Sections 71-5-351 through 71-5-355.

(b) Payments in lieu of contributions shall be made in accordance with the provisions of subparagraph (i) of this paragraph.

(i) At the end of each calendar quarter, or at the end of any other period as determined by the department, the department shall bill each nonprofit organization (or group of such organizations) which has elected to make payments in lieu of contributions, for an amount equal to the full amount of regular benefits plus one-half (1/2) of the amount of extended benefits paid during such quarter or other prescribed period that is attributable to service in the employ of such organization.

(ii) Payment of any bill rendered under subparagraph (i) of this paragraph shall be made not later than forty-five (45) days after such bill was delivered to the nonprofit organization, unless there has been an application for review and redetermination in accordance with subparagraph (v) of this paragraph.

1. All of the enforcement procedures for the collection of delinquent contributions contained in Sections 71-5-363 through 71-5-383 shall be applicable in all respects for the collection of delinquent payments due by nonprofit organizations who have elected to become liable for payments in lieu of contributions.

2. If any nonprofit organization is delinquent in making payments in lieu of contributions, the department may terminate such organization's election to make payments in lieu of contributions as of the beginning of the next tax year, and such termination shall be effective for the balance of such tax year.

(iii) Payments made by any nonprofit organization under the provisions of this paragraph shall not be deducted or deductible, in whole or in part, from the remuneration of individuals in the employ of the organization.

(iv) Payments due by employers who elect to reimburse the fund in lieu of contributions as provided in this paragraph may not be noncharged under any condition. The reimbursement must be on a dollar-for-dollar basis (One Dollar (\$1.00) reimbursement for each dollar paid in benefits) in every case, so that the trust fund shall be reimbursed in full, such reimbursement to include, but not be limited to, benefits or payments erroneously or incorrectly paid, or paid as a result of a determination of eligibility which is subsequently reversed, or paid as a result of claimant fraud. However, political subdivisions who are reimbursing employers may elect to pay to the fund an amount equal to five-tenths percent (.5%) through December 31, 2010, and shall pay twenty-five one-hundredths percent (.25%) thereafter of the taxable wages paid during the calendar year with respect to employment, and those employers who so elect shall be relieved of liability for reimbursement of benefits paid under the same conditions that benefits are not charged to the experience-rating record of a contributing employer as provided in Section 71-5-355(2)(b)(ii) other than Clause 5 thereof. Benefits paid in such circumstances for which reimbursing employers are relieved of liability for reimbursement shall not be considered attributable to service in the employment of such reimbursing employer.

(v) The amount due specified in any bill from the department shall be conclusive on the organization unless, not later than fifteen (15) days after the bill was delivered to it, the organization files an application for redetermination by the department, setting forth the grounds for such application or appeal. The department shall promptly review and reconsider the amount due specified in the bill and shall thereafter issue a redetermination in any case in which such application for redetermination has been filed. Any such redetermination shall be conclusive on the organization unless, not later than fifteen (15) days after the redetermination was delivered to it, the organization files an appeal to the Circuit Court of the First Judicial District of Hinds County, Mississippi, in accordance with the provisions of law with respect to review of civil causes by certiorari.

(vi) Past-due payments of amounts in lieu of contributions shall be subject to the same interest and penalties that, pursuant to Section 71-5-363, apply to past-due contributions.

(c) Each employer that is liable for payments in lieu of contributions shall pay to the department for the fund the amount of regular benefits plus the amount of one-half (1/2) of extended benefits paid are attributable to service in the employ of such employer. If benefits paid to an individual are based on wages paid by more than one (1) employer and one or more of such employers are liable for payments in lieu of contributions, the amount payable to the fund by each employer that is liable for such

payments shall be determined in accordance with the provisions of subparagraph (i) or subparagraph (ii) of this paragraph.

(i) If benefits paid to an individual are based on wages paid by one or more employers that are liable for payment in lieu of contributions and on wages paid by one or more employers who are liable for contributions, the amount of benefits payable by each employer that is liable for payments in lieu of contributions shall be an amount which bears the same ratio to the total benefits paid to the individual as the total base period wages paid to the individual by such employer bear to the total base period wages paid to the individual by all of his base period employers.

(ii) If benefits paid to an individual are based on wages paid by two (2) or more employers that are liable for payments in lieu of contributions, the amount of benefits payable by each such employer shall be an amount which bears the same ratio to the total benefits paid to the individual as the total base period wages paid to the individual by such employer bear to the total base period wages paid to the individual by all of his base period employers.

(d) In the discretion of the department, any nonprofit organization that elects to become liable for payments in lieu of contributions shall be required to execute and file with the department a surety bond approved by the department, or it may elect instead to deposit with the department money or securities. The amount of such bond or deposit shall be determined in accordance with the provisions of this paragraph.

(i) The amount of the bond or deposit required by paragraph (d) shall be equal to two and seven-tenths percent (2.7%) thereafter to December 31, 2010, and one and thirty-five one-hundredths percent (1.35%) thereafter, of the organization's taxable wages paid for employment as defined in Section 71-5-11, subsection 1(4), for the four (4) calendar quarters immediately preceding the effective date of the election, the renewal date in the case of a bond, or the biennial anniversary of the effective date of election in the case of a deposit of money or securities, whichever date shall be most recent and applicable. If the nonprofit organization did not pay wages in each of such four (4) calendar quarters, the amount of the bond or deposit shall be as determined by the department.

(ii) Any bond deposited under paragraph (d) shall be in force for a period of not less than two (2) tax years and shall be renewed with the approval of the department at such times as the department may prescribe, but not less frequently than at intervals of two (2) years as long as the organization continues to be liable for payments in lieu of contributions. The department shall require adjustments to be made in a previously filed bond as it deems appropriate. If the bond is to be increased, the adjusted bond shall be filed by the organization within thirty (30) days of the date notice of the required adjustment was delivered to it. Failure by any organization covered by such bond to pay the full amount of payments in lieu of contributions when due, together with any applicable interest and penalties provided in paragraph (b)(v) of this section, shall render the surety liable on the bond to the extent of the bond, as though the surety was such organization.

(iii) Any deposit of money or securities in accordance with paragraph (d) shall be retained by the department in an escrow account until liability under the election is terminated, at which time it shall be returned to the organization, less any deductions as hereinafter provided. The department may deduct from the money deposited under paragraph (d) by a nonprofit organization, or sell the securities it has so deposited, to the extent necessary to satisfy any due and unpaid payments in lieu of contributions and any applicable interest and penalties provided for in paragraph (b)(v) of this section. The department shall require the organization, within thirty (30) days following any deduction from a money deposit or sale of deposited securities under the provisions hereof, to deposit sufficient additional money or securities to make whole the organization's deposit at the prior level. Any cash remaining from the sale of such securities shall be a part of the organization's escrow account. The department may, at any time, review the adequacy of the deposit made by any organization. If, as a result of such review, it determines that an adjustment is necessary, it shall require the organization to make additional deposit within thirty (30) days of notice of its determination or shall return to it such portion of the deposit as it no longer considers necessary,

whichever action is appropriate. Disposition of income from securities held in escrow shall be governed by the applicable provisions of the state law.

(iv) If any nonprofit organization fails to file a bond or make a deposit, or to file a bond in an increased amount, or to increase or make whole the amount of a previously made deposit as provided under this subparagraph, the department may terminate such organization's election to make payments in lieu of contributions, and such termination shall continue for not less than the four (4) consecutive calendar-quarter periods beginning with the quarter in which such termination becomes effective; however, the department may extend for good cause the applicable filing, deposit or adjustment period by not more than thirty (30) days.

(v) Group account shall be established according to regulations prescribed by the department.

(e) Any employer which elects to make payments in lieu of contributions into the Unemployment Compensation Fund as provided in this paragraph shall not be liable to make such payments with respect to the benefits paid to any individual whose base period wages include wages for previously uncovered services as defined in Section 71-5-511(e) to the extent that the Unemployment Compensation Fund is reimbursed for such benefits pursuant to Section 121 of Public Law 94-566.

SECTION 37. Section 71-5-359, Mississippi Code of 1972, is reenacted and amended as follows:

71-5-359. (1) The Department of Finance and Administration shall, in the manner provided in subsection (** *2) of this section, pay, upon notice issued by the department, to the department for the Unemployment Compensation Fund an amount equal to the regular benefits and one-half (1/2) of the extended benefits paid that are attributable to service in the employ of a state agency. The amount required to be reimbursed by a certain agency shall be billed to the Department of Finance and Administration and shall be paid from the Employment Compensation Revolving Fund pursuant to subsection (** *2) of this section not later than thirty (30) days after such bill was sent, unless there has been an application for review and redetermination in accordance with Section 71-5-357(b)(v).

(** *2) Each agency of state government shall deposit monthly for a period of twenty-four (24) months an amount equal to one-twelfth of one percent (1/12 of 1%) of the first Six Thousand Dollars (\$6,000.00) paid to each employee thereof during the next preceding year into the Employment Compensation Revolving Fund that is created in the State Treasury. The Department of Finance and Administration shall determine the percentage to be applied to the amount of covered wages paid in order to maintain a balance in the revolving fund of not less than the amount determined by an actuary through an annual actuarial evaluation. The State Treasurer shall invest all funds in the Employment Compensation Revolving Fund and all interest earned shall be credited to the Employment Compensation Revolving Fund.

The reimbursement of benefits paid by the Mississippi Department of Employment Security shall be paid by the Department of Finance and Administration from the Employment Compensation Revolving Fund upon notice from the department; and the Department of Finance and Administration shall issue warrants or may contract for the performance of the duties prescribed by *** this subsection, and other duties necessarily related thereto.

(** *3) Any political subdivision of this state shall pay to the department for the unemployment compensation fund an amount equal to the regular benefits and the extended benefits paid that are attributable to service in the employ of such political subdivision unless it elects to make contributions to the unemployment fund as provided in subsection (** *8) of this section. The amount required to be reimbursed shall be billed and shall be paid as provided in Section 71-5-357, with respect to similar payments for nonprofit organizations.

(** *4) Each political subdivision, unless it elects to make contributions to the unemployment compensation fund as provided in subsection (** *8) of this section, shall establish a revolving fund and deposit an amount equal to two percent (2%) of the first Six Thousand Dollars (\$6,000.00) paid to each employee thereof during the next preceding year. However, the department shall by regulation establish a procedure to

allow reimbursing political subdivisions to elect to maintain the balance in the revolving fund as required under this subsection or to annually execute a surety bond to be approved by the department in an amount not less than two percent (2%) of the covered wages paid during the next preceding year.

(** *5) In the event any political subdivision becomes delinquent in payments due under this chapter, upon due notice, and upon certification of the delinquency by the department to the Department of Finance and Administration, the Department of Revenue, the Department of Environmental Quality and the Department of Insurance, or any of them, or any other agencies of the State of Mississippi that may be indebted to such delinquent political subdivision, such agencies shall direct the issuance of warrants which in the aggregate shall be the amount of such delinquency payable to the department and drawn upon any funds in the State Treasury which may be available to such political subdivision in satisfaction of any such delinquency. This remedy shall be in addition to any other collection remedies in this chapter or otherwise provided by law.

(** *6) Payments made by any political subdivision under the provisions of this section shall not be deducted or deductible, in whole or in part, from the remuneration of individuals in the employ of the organization.

(** *7) Any governmental entity shall not be liable to make payments to the unemployment fund with respect to the benefits paid to any individual whose base period wages include wages for previously uncovered services as defined in Section 71-5-511, subsection (e), to the extent that the Unemployment Compensation Fund is reimbursed for such benefits pursuant to Section 121 of Public Law 94-566.

(** *8) Any political subdivision of this state may elect to make contributions to the unemployment fund instead of making reimbursement for benefits paid as provided in subsections (** *3) and (** *4) of this section. A political subdivision which makes this election shall so notify the department, not later than three (3) months after it is officially organized or is otherwise established, and shall be subject to the provisions of Section 71-5-351, with regard to the payment of contributions. A political subdivision which makes this election shall pay contributions equal to two percent (2%) of taxable wages through calendar year 2010, and one percent (1%) of taxable wages thereafter paid by it during each calendar quarter it is subject to this chapter. The department shall by regulation establish a procedure to allow political subdivisions the option periodically to elect either the reimbursement or the contribution method of financing unemployment compensation coverage.

SECTION 38. Section 71-5-451, Mississippi Code of 1972, is reenacted as follows:

71-5-451. There is established as a special fund, separate and apart from all public monies or funds of this state, an Unemployment Compensation Fund, which shall be administered by the department exclusively for:

- (a) All contributions collected under this chapter;
- (b) Interest earned upon any monies in the fund;
- (c) Any property or securities acquired through the use of monies

belonging to the fund;

- (d) All earnings of such property or securities;
- (e) All monies credited to this state's account in the Unemployment

Trust Fund pursuant to the Social Security Act, 42 USCS, Section 1104; and

(f) By way of reimbursement in accordance with Section 204 of the Federal-State Extended Unemployment Compensation Act of 1970 (84 Stat. 711). All monies in the fund shall be mingled and undivided.

SECTION 39. Section 71-5-457, Mississippi Code of 1972, is reenacted as follows:

71-5-457. (1) Except as otherwise provided in subsection (5), money credited to the account of this state in the Unemployment Trust Fund by the Secretary of the Treasury of the United States of America pursuant to the Social Security Act, 42 USCS Section 1103, may be requisitioned and used for the payment of expenses incurred for the administration of this law pursuant to a specific appropriation by the Legislature, provided that the expenses are incurred and the money is requisitioned after the enactment of an appropriation law which:

(a) Specifies the purposes for which such money is appropriated and the amounts appropriated therefor;

(b) Limits the period within which such money may be obligated to a period ending not more than two (2) years after the date of the enactment of the appropriation law; and

(c) Limits the amount which may be obligated during a twelve-month period beginning on July 1 and ending on the next June 30 to an amount which does not exceed the amount by which:

(i) The aggregate of the amounts credited to the account of this state pursuant to the Social Security Act, 42 USCS Section 1103, during the same twelve-month period and the thirty-four (34) preceding twelve-month periods exceeds.

(ii) The aggregate of the amounts obligated pursuant to this section and charged against the amounts credited to the account of this state during such thirty-five (35) twelve-month periods.

For the purposes of this section, amounts obligated during any such twelve-month period shall be charged against equivalent amounts which were first credited and which are not already so charged; except that no amount obligated for administration during any such twelve-month period may be charged against any amount credited during such a twelve-month period earlier than the thirty-fourth preceding such period.

(2) Money credited to the account of this state pursuant to the Social Security Act, 42 USCS Section 1103, may not be withdrawn or used except for the payment of benefits and for the payment of expenses for the administration of this law and of public employment offices pursuant to this section.

(3) Money appropriated as provided herein for the payment of expenses of administration shall be requisitioned as needed for the payment of obligations incurred under such appropriation and, upon requisition, shall be deposited in the Employment Security Administration Fund, from which such payments shall be made. Money so deposited shall, until expended, remain a part of the Unemployment Compensation Fund and, if it will not be expended, shall be returned promptly to the account of this state in the Unemployment Trust Fund.

(4) The thirty-five-year limitation provided in this section is no longer in force, effective October 1, 1991.

(5) Notwithstanding subsection (1), monies credited with respect to federal fiscal years 1999, 2000 and 2001 shall be used by the department solely for the administration of the unemployment compensation program.

SECTION 40. Section 71-5-511, Mississippi Code of 1972, is reenacted as follows:

71-5-511. An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

(a) (i) He has registered for work at and thereafter has continued to report to the department in accordance with such regulations as the department may prescribe; except that the department may, by regulation, waive or alter either or both of the requirements of this subparagraph as to such types of cases or situations with respect to which it finds that compliance with such requirements would be oppressive or would be inconsistent with the purposes of this chapter; and

(ii) He participates in reemployment services, such as job search assistance services, if, in accordance with a profiling system established by the department, it has been determined that he is likely to exhaust regular benefits and needs reemployment services, unless the department determines that:

1. The individual has completed such services;

or

2. There is justifiable cause for the claimant's

failure to participate in such services.

(b) He has made a claim for benefits in accordance with the provisions of Section 71-5-515 and in accordance with such regulations as the department may prescribe thereunder.

(c) He is able to work, available for work and actively seeking work.

(d) He has been unemployed for a waiting period of one (1) week. No week shall be counted as a week of unemployment for the purposes of this paragraph:

(i) Unless it occurs within the benefit year which includes the week with respect to which he claims payment of benefits;

(ii) If benefits have been paid with respect thereto;

(iii) Unless the individual was eligible for benefits with respect thereto, as provided in Sections 71-5-511 and 71-5-513, except for the requirements of this paragraph.

(e) For weeks beginning on or before July 1, 1982, he has, during his base period, been paid wages for insured work equal to not less than thirty-six (36) times his weekly benefit amount; he has been paid wages for insured work during at least two (2) quarters of his base period; and he has, during that quarter of his base period in which his total wages were highest, been paid wages for insured work equal to not less than sixteen (16) times the minimum weekly benefit amount. For benefit years beginning after July 1, 1982, he has, during his base period, been paid wages for insured work equal to not less than forty (40) times his weekly benefit amount; he has been paid wages for insured work during at least two (2) quarters of his base period, and he has, during that quarter of his base period in which his total wages were highest, been paid wages for insured work equal to not less than twenty-six (26) times the minimum weekly benefit amount. For purposes of this paragraph, wages shall be counted as "wages for insured work" for benefit purposes with respect to any benefit year only if such benefit year begins subsequent to the date on which the employing unit by which such wages were paid has satisfied the conditions of Section 71-5-11, subsection H, or Section 71-5-361, subsection (3), with respect to becoming an employer.

(f) No individual may receive benefits in a benefit year unless, subsequent to the beginning of the next preceding benefit year during which he received benefits, he performed service in "employment" as defined in Section 71-5-11, subsection I, and earned remuneration for such service in an amount equal to not less than eight (8) times his weekly benefit amount applicable to his next preceding benefit year.

(g) Benefits based on service in employment defined in Section 71-5-11, subsection I(3) and I(4), and Section 71-5-361, subsection (4) shall be payable in the same amount, on the same terms, and subject to the same conditions as compensation payable on the basis of other service subject to this chapter, except that benefits based on service in an instructional, research or principal administrative capacity in an institution of higher learning (as defined in Section 71-5-11, subsection N) with respect to service performed prior to January 1, 1978, shall not be paid to an individual for any week of unemployment which begins during the period between two (2) successive academic years, or during a similar period between two (2) regular terms, whether or not successive, or during a period of paid sabbatical leave provided for in the individual's contract, if the individual has a contract or contracts to perform services in any such capacity for any institution or institutions of higher learning for both such academic years or both such terms.

(h) Benefits based on service in employment defined in Section 71-5-11, subsection I(3) and I(4), shall be payable in the same amount, on the same terms and subject to the same conditions as compensation payable on the basis of other service subject to this chapter, except that:

(i) With respect to service performed in an instructional, research or principal administrative capacity for an educational institution, benefits shall not be paid based on such services for any week of unemployment commencing during the period between two (2) successive academic years, or during a similar period between two (2) regular but not successive terms, or during a period of paid sabbatical leave provided for in the individual's contract, to any individual, if such individual performs such services in the first of such academic years or terms and if there is a contract or a reasonable assurance that such individual will perform services in any such capacity for any educational institution in the second of such academic years or terms, and provided that paragraph (g) of this section shall apply with respect to such services prior to January 1, 1978. In no event shall benefits be paid unless the individual employee was terminated by the employer.

(ii) With respect to services performed in any other capacity for an educational institution, benefits shall not be paid on the basis of such services to any individual for any week which commences during a period between two (2) successive academic years or terms, if such individual performs such services in the first of such academic years or terms and there is a reasonable assurance that such individual will perform such services in the second of such academic years or terms, except that if compensation is denied to any individual under this subparagraph and such individual was not offered an opportunity to perform such services for the educational institution for the second of such academic years or terms, such individual shall be entitled to a retroactive payment of compensation for each week for which the individual filed a timely claim for compensation and for which compensation was denied solely by reason of this clause. In no event shall benefits be paid unless the individual employee was terminated by the employer.

(iii) With respect to services described in subparagraphs (i) and (ii) of this paragraph (h), benefits shall not be payable on the basis of services in any such capacities to any individual for any week which commences during an established and customary vacation period or holiday recess if such individual performs such services in the first of such academic years or terms, or in the period immediately before such vacation period or holiday recess, and there is a reasonable assurance that such individual will perform such services in the period immediately following such vacation period or holiday recess.

(iv) With respect to any services described in subparagraphs (i) and (ii) of this paragraph (h), benefits shall not be payable on the basis of services in any such capacities as specified in subparagraphs (i), (ii) and (iii) of this paragraph (h) to any individual who performed such services in an educational institution while in the employ of an educational service agency. For purposes of this paragraph, the term "educational service agency" means a governmental agency or governmental entity which is established and operated exclusively for the purpose of providing such services to one or more educational institutions.

(v) With respect to services to which Sections 71-5-357 and 71-5-359 apply, if such services are provided to or on behalf of an educational institution, benefits shall not be payable under the same circumstances and subject to the same terms and conditions as described in subparagraphs (i), (ii), (iii) and (iv) of this paragraph (h).

(i) Subsequent to December 31, 1977, benefits shall not be paid to any individual on the basis of any services substantially all of which consist of participating in sports or athletic events or training or preparing to so participate, for any week which commences during the period between two (2) successive sports seasons (or similar periods) if such individual performs such services in the first of such seasons (or similar periods) and there is a reasonable assurance that such individual will perform such services in the later of such seasons (or similar periods).

(j) (i) Subsequent to December 31, 1977, benefits shall not be payable on the basis of services performed by an alien, unless such alien is an individual who was lawfully admitted for permanent residence at the time such services were performed, was lawfully present for purposes of performing such services, or was permanently residing in the United States under color of law at the time such services were performed (including an alien who was lawfully present in the United States as a result of the application of the provisions of Section 203(a)(7) or Section 212(d)(5) of the Immigration and Nationality Act).

(ii) Any data or information required of individuals applying for benefits to determine whether benefits are not payable to them because of their alien status shall be uniformly required from all applicants for benefits.

(iii) In the case of an individual whose application for benefits would otherwise be approved, no determination that benefits to such individual are not payable because of his alien status shall be made, except upon a preponderance of the evidence.

(k) An individual shall be deemed prima facie unavailable for work, and therefore ineligible to receive benefits, during any period which, with respect to his employment status, is found by the department to be a holiday or vacation period.

(l) A temporary employee of a temporary help firm is considered to have left the employee's last work voluntarily without good cause connected with the work if the temporary employee does not contact the temporary help firm for reassignment on completion of an assignment. A temporary employee is not considered to have left work voluntarily without good cause connected with the work under this paragraph unless the temporary employee has been advised in writing:

(i) That the temporary employee is obligated to contact the temporary help firm on completion of assignments; and

(ii) That unemployment benefits may be denied if the temporary employee fails to do so.

SECTION 41. Section 71-5-513, Mississippi Code of 1972, is reenacted as follows:

71-5-513. A. An individual shall be disqualified for benefits:

(1) (a) For the week, or fraction thereof, which immediately follows the day on which he left work voluntarily without good cause, if so found by the department, and for each week thereafter until he has earned remuneration for personal services performed for an employer, as in this chapter defined, equal to not less than eight (8) times his weekly benefit amount, as determined in each case; however, marital, filial and domestic circumstances and obligations shall not be deemed good cause within the meaning of this subsection. Pregnancy shall not be deemed to be a marital, filial or domestic circumstance for the purpose of this subsection.

(b) For the week, or fraction thereof, which immediately follows the day on which he was discharged for misconduct connected with his work, if so found by the department, and for each week thereafter until he has earned remuneration for personal services performed for an employer, as in this chapter defined, equal to not less than eight (8) times his weekly benefit amount, as determined in each case.

(c) The burden of proof of good cause for leaving work shall be on the claimant, and the burden of proof of misconduct shall be on the employer.

(2) For the week, or fraction thereof, with respect to which he willfully makes a false statement, a false representation of fact, or willfully fails to disclose a material fact for the purpose of obtaining or increasing benefits under the provisions of this law, if so found by the department, and such individual's maximum benefit allowance shall be reduced by the amount of benefits so paid to him during any such week of disqualification; and additional disqualification shall be imposed for a period not exceeding fifty-two (52) weeks, the length of such period of disqualification and the time when such period begins to be determined by the department, in its discretion, according to the circumstances in each case.

(3) If the department finds that he has failed, without good cause, either to apply for available suitable work when so directed by the employment office or the department, to accept suitable work when offered him, or to return to his customary self-employment (if any) when so directed by the department, such disqualification shall continue for the week in which such failure occurred and for not more than the twelve (12) weeks which immediately follow such week, as determined by the department according to the circumstances in each case.

(a) In determining whether or not any work is suitable for an individual, the department shall consider among other factors the degree of risk involved to his health, safety and morals, his physical fitness and prior training, his experience and prior earnings, his length of unemployment and prospects for securing local work in his customary occupation, and the distance of the available work from his residence; however, offered employment paying the minimum wage or higher, if such minimum or higher wage is that prevailing for his customary occupation or similar work in the locality, shall be deemed to be suitable employment after benefits have been paid to the individual for a period of eight (8) weeks.

(b) Notwithstanding any other provisions of this chapter, no work shall be deemed suitable and benefits shall not be denied under this chapter to any otherwise eligible individual for refusing to accept new work under any of the following conditions:

(i) If the position offered is vacant due directly to a strike, lockout or other labor dispute;

(ii) If the wages, hours or other conditions of the work offered are substantially unfavorable or unreasonable to the individual's work. The department shall have the sole discretion to determine whether or not there has been an unfavorable or unreasonable condition placed on the individual's work. Moreover, the department may consider, but shall not be limited to a consideration of, whether or not the unfavorable condition was applied by the employer to all workers in the same or similar class or merely to this individual;

(iii) If as a condition of being employed the individual would be required to join a company union or to resign from or refrain from joining any bona fide labor organization;

(iv) If unsatisfactory or hazardous working conditions exist that could result in a danger to the physical or mental well-being of the worker. In any such determination the department shall consider, but shall not be limited to a consideration of, the following: the safety measures used or the lack thereof and the condition of equipment or lack of proper equipment. No work shall be considered hazardous if the working conditions surrounding a worker's employment are the same or substantially the same as the working conditions generally prevailing among workers performing the same or similar work for other employers engaged in the same or similar type of activity.

(c) Pursuant to Section 303(1) of the Social Security Act (42 USCS 503), the department may conduct drug tests of applicants for unemployment compensation for the unlawful use of controlled substances as a condition for receiving such compensation, if such applicant:

(i) Was terminated from employment with the claimant's most recent employer, as defined by Mississippi law, because of the unlawful use of controlled substances; or

(ii) Is an individual for whom suitable work, as defined by Mississippi law, is only available in an occupation (as determined under regulations issued by the U.S. Secretary of Labor) that requires drug testing.

The department may deny unemployment compensation to any applicant based on the result of a drug test conducted by the department in accordance with this subsection. A positive drug test result shall be deemed by the department to be a failure to accept suitable work, and shall subject the applicant to the disqualification provisions set forth in this subsection A(3). During the disqualification period imposed by the department under this subsection, the individual may provide information to end the disqualification period early by submitting acceptable proof to the department of a negative test result from a testing facility approved by the department.

(iii) Pursuant to the provisions set forth in this subsection A(3)(c), the department shall have the authority to institute a random drug testing program for all individuals who meet the requirements set forth in this section. Moreover, the department shall have the authority to create the necessary regulations, policies rules, guidelines and procedures to implement such a program.

Any term or provision set forth in this subsection A(3)(c) that otherwise conflicts with federal or state law shall be disregarded but shall not, in any way, affect the remaining provisions.

(4) For any week with respect to which the department finds that his total unemployment is due to a stoppage of work which exists because of a labor dispute at a factory, establishment or other premises at which he is or was last employed; however, this subsection shall not apply if it is shown to the satisfaction of the department:

(a) He is unemployed due to a stoppage of work occasioned by an unjustified lockout, if such lockout was not occasioned or brought about by such individual acting alone or with other workers in concert; or

(b) He is not participating in or directly interested in the labor dispute which caused the stoppage of work; and

(c) He does not belong to a grade or class of workers of which, immediately before the commencement of stoppage, there were members employed at the premises at which the stoppage occurs, any of whom are participating in or directly interested in the dispute.

If in any case separate branches of work which are commonly conducted as separate businesses in separate premises are conducted in separate departments of the same premises, each such department shall, for the purposes of this subsection, be deemed to be a separate factory, establishment or other premises.

(5) For any week with respect to which he has received or is seeking unemployment compensation under an unemployment compensation law of another state or of the United States. However, if the appropriate agency of such other state or of the United States finally determines that he is not entitled to such unemployment compensation benefits, this disqualification shall not apply. Nothing in this subsection contained shall be construed to include within its terms any law of the United States providing unemployment compensation or allowances for honorably discharged members of the Armed Forces.

(6) For any week with respect to which he is receiving or has received remuneration in the form of payments under any governmental or private retirement or pension plan, system or policy which a base-period employer is maintaining or contributing to or has maintained or contributed to on behalf of the individual; however, if the amount payable with respect to any week is less than the benefits which would otherwise be due under Section 71-5-501, he shall be entitled to receive for such week, if otherwise eligible, benefits reduced by the amount of such remuneration. However, on or after the first Sunday immediately following July 1, 2001, no social security payments, to which the employee has made contributions, shall be deducted from unemployment benefits paid for any period of unemployment beginning on or after the first Sunday following July 1, 2001. This one hundred percent (100%) exclusion shall not apply to any other governmental or private retirement or pension plan, system or policy. If benefits payable under this section, after being reduced by the amount of such remuneration, are not a multiple of One Dollar (\$1.00), they shall be adjusted to the next lower multiple of One Dollar (\$1.00).

(7) For any week with respect to which he is receiving or has received remuneration in the form of a back pay award, or other compensation allocable to any week, whether by settlement or otherwise. Any benefits previously paid for weeks of unemployment with respect to which back pay awards, or other such compensation, are made shall constitute an overpayment and such amounts shall be deducted from the award by the employer prior to payment to the employee, and shall be transmitted promptly to the department by the employer for application against the overpayment and credit to the claimant's maximum benefit amount and prompt deposit into the fund; however, the removal of any charges made against the employer as a result of such previously paid benefits shall be applied to the calendar year and the calendar quarter in which the overpayment is transmitted to the department, and no attempt shall be made to relate such a credit to the period to which the award applies. Any amount of overpayment so deducted by the employer and not transmitted to the department shall be subject to the same procedures for collection as is provided for contributions by Sections 71-5-363 through 71-5-381. Any amount of overpayment not deducted by the employer shall be established as an overpayment against the claimant and collected as provided above. It is the purpose of this paragraph to assure equity in the situations to which it applies, and it shall be construed accordingly.

B. Notwithstanding any other provision in this chapter, no otherwise eligible individual shall be denied benefits for any week because he is in training with the approval of the department; nor shall such individual be denied benefits with respect to any week in which he is in training with the approval of the department by reason of the application of provisions in Section 71-5-511, subsection (c), relating to availability for work, or the provisions of subsection A(3) of this section, relating to failure to apply for, or a refusal to accept, suitable work.

C. Notwithstanding any other provisions of this chapter, no otherwise eligible individual shall be denied benefits for any week because he or she is in training approved under Section 236(a)(1) of the Trade Act of 1974, nor shall such individual be denied benefits by reason of leaving work to enter such training, provided the work left is not suitable employment, or because of the application to any such week in training of provisions in this law (or any applicable federal unemployment compensation law), relating to availability for work, active search for work or refusal to accept work.

For purposes of this section, the term "suitable employment" means with respect to an individual, work of a substantially equal or higher skill level than the individual's past adversely affected employment (as defined for purposes of the Trade Act of 1974), and wages for such work at not less than eighty percent (80%) of the individual's average weekly wage as determined for the purposes of the Trade Act of 1974.

D. Notwithstanding any other provisions of this chapter, no otherwise eligible individual shall be denied benefits for any week in which they are engaged in the Self-Employment Assistance Program established in Section 71-5-545 by reason of the application of Section 71-5-511(c), relating to availability for work, or the provisions of subsection A(3) of this section, relating to failure to apply for, or a refusal to accept, suitable work.

E. Any individual who is receiving benefits may participate in an approved training program under the Mississippi Employment Security Law to gain skills that may lead to employment while continuing to receive benefits. Authorization for participation of a recipient of unemployment benefits in such a program must be granted by the department and continuation of participation must be certified weekly by the participant recipient. While participating in such program approved by the department, availability and work search requirements will be waived. No individual will be allowed to participate in this program for more than twelve (12) weeks in any benefit year. Such participation shall not be considered employment for any purposes and shall not accrue benefits or wage credits. Participation in this training program shall meet the definition set forth in the U.S. Fair Labor Standards Act.

SECTION 42. Section 71-5-517, Mississippi Code of 1972, is reenacted as follows:

71-5-517. Upon the taking of a claim by the department, an initial determination thereon shall be made promptly and shall include a determination with respect to whether or not benefits are payable, the week with respect to which benefits shall commence, the weekly benefit amount payable and the maximum duration of benefits. In any case in which the payment or denial of benefits will be determined by the provisions of subsection A(4) of Section 71-5-513, the examiner shall promptly transmit all the evidence with respect to that subsection to the department, which, on the basis of evidence so submitted and such additional evidence as it may require, shall make an initial determination with respect thereto. An initial determination may for good cause be reconsidered. The claimant, his most recent employing unit and all employers whose experience-rating record would be charged with benefits pursuant to such determination shall be promptly notified of such initial determination or any amended initial determination and the reason therefor. Benefits shall be denied or, if the claimant is otherwise eligible, promptly paid in accordance with the initial determination or amended initial determination. The jurisdiction of the department over benefit claims which have not been appealed shall be continuous. The claimant or any party to the initial determination or amended initial determination may file an appeal from such initial determination or amended initial determination within fourteen (14) days after notification thereof, or after the date such notification was sent to his last known address.

Notwithstanding any other provision of this section, benefits shall be paid promptly in accordance with a determination or redetermination, or the decision of an appeal tribunal, the Board of Review or a reviewing court upon the issuance of such determination, redetermination or decision in favor of the claimant (regardless of the pendency of the period to apply for reconsideration, file an appeal, or petition for judicial review, as the case may be, or the pendency of any such application, filing or petition), unless and until such determination, redetermination or decision has been modified or reversed by a subsequent redetermination or decision, in which event benefits shall be paid or denied in accordance with such modifying or reversing redetermination or decision. Any benefits finally determined to have been erroneously paid may be set up as an overpayment to the claimant and must be liquidated before any future benefits can be paid to the claimant. If, subsequent to such initial determination or amended initial determination, benefits with respect to any week for which a claim has been filed are denied for reasons other than matters included in the initial determination or amended initial determination, the claimant shall be promptly notified of the denial and the reason

therefor and may appeal therefrom in accordance with the procedure herein described for appeals from initial determination or amended initial determination.

SECTION 43. Section 71-5-519, Mississippi Code of 1972, is reenacted as follows:

71-5-519. Unless such appeal is withdrawn, an appeal tribunal appointed by the executive director, after affording the parties reasonable opportunity for fair hearing, shall affirm, modify or reverse the findings of fact and initial determination or amended initial determination. The parties shall be duly notified of such tribunal's decision, together with its reasons therefor, which shall be deemed to be the final decision of the executive director unless, within fourteen (14) days after the date of notification of such decision, further appeal is initiated pursuant to Section 71-5-523.

SECTION 44. Section 71-5-523, Mississippi Code of 1972, is reenacted as follows:

71-5-523. The Board of Review may on its own motion affirm, modify, or set aside any decision of an appeal tribunal on the basis of the evidence previously submitted in such case, or direct the taking of additional evidence, or may permit any of the parties to such decision to initiate further appeals before it. The Board of Review shall permit such further appeal by any of the parties to a decision of an appeal tribunal which is not unanimous, and by the examiner whose decision has been overruled or modified by an appeal tribunal. The Board of Review may remove to itself or transfer to another appeal tribunal the proceedings on any claim pending before an appeal tribunal. Any proceedings so removed to the Board of Review shall be heard by a quorum thereof in accordance with the requirements of Section 71-5-519 and within fifteen (15) days after notice of appeal has been received by the executive director. No notice of appeal shall be deemed to be received by the executive director, within the meaning of this section, until all prior appeals pending before the Board of Review have been heard. The Board of Review shall, within four (4) days after its decision, so notify the parties to any proceeding of its findings and decision.

SECTION 45. Section 71-5-525, Mississippi Code of 1972, is reenacted as follows:

71-5-525. The manner in which appealed claims shall be presented and the conduct of hearings and appeals shall be in accordance with regulations prescribed by the Board of Review for determining the rights of the parties, whether or not such regulations conform to common law or statutory rules of evidence and other technical rules of procedure. A full and complete record shall be kept of all proceedings in connection with an appealed claim. The department's entire file relative to the appealed claim shall be a part of such record and shall be considered as evidence. All testimony at any hearing upon an appealed claim shall be recorded, but need not be transcribed unless the claim is further appealed.

SECTION 46. Section 71-5-529, Mississippi Code of 1972, is reenacted as follows:

71-5-529. Any decision of the Board of Review, in the absence of an appeal therefrom as herein provided, shall become final ten (10) days after the date of notification; and judicial review thereof shall be permitted only after any party claiming to be aggrieved thereby has exhausted his administrative remedies as provided by this chapter. The department shall be deemed to be a party to any judicial action involving any such decision, and may be represented in any such judicial action by any qualified attorney employed by the department and designated by it for that purpose or, at the department's request, by the Attorney General.

SECTION 47. Section 71-5-531, Mississippi Code of 1972, is reenacted as follows:

71-5-531. Within ten (10) days after the decision of the Board of Review has become final, any party aggrieved thereby may secure judicial review thereof by commencing an action, in the circuit court of the county in which the plaintiff resides, against the department for the review of such decision, in which action any other party to the proceeding before the Board of Review shall be made a defendant. In cases wherein the plaintiff is not a resident of the State of Mississippi, such action may be filed in the circuit court of the county in which the employer resides, the county in which the cause of action arose, or in the county of employment. In such action, a petition which need not

be verified, but which shall state the grounds upon which a review is sought, shall be served upon the department or upon such person as the department may designate, and such service shall be deemed completed service on all parties; but there shall be left with the party so served as many copies of the petition as there are defendants, and the department shall forthwith mail one (1) such copy to each such defendant. With its answer, the department shall certify and file with said court all documents and papers and a transcript of all testimony taken in the matter, together with the Board of Review's findings of fact and decision therein. The department may also, in its discretion, certify to such court questions of law involved in any decision. In any judicial proceedings under this section, the findings of the Board of Review as to the facts, if supported by evidence and in the absence of fraud, shall be conclusive, and the jurisdiction of the court shall be confined to questions of law. Such actions, and the questions so certified, shall be heard in a summary manner and shall be given precedence over all other civil cases. An appeal may be taken from the decision of the circuit court of the county in which the plaintiff resides to the Supreme Court of Mississippi, in the same manner, but not inconsistent with the provisions of this chapter, as is provided in civil cases. It shall not be necessary, in any judicial proceeding under this section, to enter exceptions to the rulings of the Board of Review, and no bond shall be required for entering such appeal. Upon the final determination of such judicial proceeding, the Board of Review shall enter an order in accordance with such determination. A petition for judicial review shall not act as a supersedeas or stay unless the Board of Review shall so order.

SECTION 48. Section 71-5-541, Mississippi Code of 1972, is reenacted as follows:

71-5-541. A. (1) In the administration of this chapter, the department shall cooperate with the Department of Labor to the fullest extent consistent with the provisions of this chapter and shall take such action, through the adoption of appropriate rules, regulations, administrative methods and standards, as may be necessary to secure to this state and its citizens all advantages available under the provisions of the Social Security Act that relate to unemployment compensation, the Federal Unemployment Tax Act, the Wagner-Peyser Act and the Federal-State Extended Unemployment Compensation Act of 1970, all as amended.

(2) In the administration of the provisions of this section, which are enacted to conform with the requirements of the Federal-State Extended Unemployment Compensation Act of 1970, as amended, the department shall take such actions as may be necessary:

(a) To ensure that the provisions are so interpreted and applied as to meet the requirements of such federal act as interpreted by the United States Department of Labor; and

(b) To secure to this state the full reimbursement of the federal share of extended benefits paid under this chapter that are reimbursable under the federal act; and also

(c) To limit the amount of extended benefits paid as may be necessary so that the reimbursement of the federal share of extended benefits paid shall remain at one-half (1/2) of the total extended benefits paid.

B. As used in this section, unless the context clearly requires otherwise:

(1) "Extended benefit period" means a period which:

(a) Begins with the third week after a week for which there is a state "on" indicator; and

(b) Ends with either of the following weeks, whichever occurs later:

(i) The third week after the first week for which there is a state "off" indicator; or

(ii) The thirteenth consecutive week of such period.

No extended benefit period may begin by reason of a state "on" indicator before the fourteenth week following the end of a prior extended benefit period which was in effect with respect to this state.

(2) For weeks beginning after September 25, 1982, there is a "state 'on' indicator" for a week if the rate of insured unemployment under this chapter for the period consisting of such week and the immediately preceding twelve (12) weeks:

(a) Equaled or exceeded one hundred twenty percent (120%) of the average of such rates for the corresponding period of thirteen (13) weeks ending in each of the preceding two (2) calendar years; and

(b) Equaled or exceeded five percent (5%).

The determination of whether there has been a state "on" or "off" indicator beginning or ending any extended benefit period shall be made under this subsection as if (i) paragraph (2) did not contain subparagraph (a) thereof, and (ii) the figure "5" contained in subparagraph (b) thereof were "6"; except that, notwithstanding any such provision of this subsection, any week for which there would otherwise be a "state 'on' indicator" shall continue to be such week and shall not be determined to be a week for which there is a "state 'off' indicator."

(3) There is a "state 'off' indicator" for a week if, for the period consisting of such week and the immediately preceding twelve (12) weeks, either subparagraph (a) or (b) of paragraph (2) was not satisfied.

(4) "Rate of insured unemployment," for purposes of paragraphs (2) and (3) of this subsection, means the percentage derived by dividing:

(a) The average number of continued weeks claimed for regular state compensation in this state for weeks of unemployment with respect to the most recent period of thirteen (13) consecutive weeks, as determined by the department on the basis of its reports to the United States Secretary of Labor; by

(b) The average monthly employment covered under this chapter for the first four (4) of the most recent six (6) completed calendar quarters ending before the end of such period of thirteen (13) weeks.

(5) "Regular benefits" means benefits payable to an individual under this chapter or under any other state law (including benefits payable to federal civilian employees and to ex-servicemen pursuant to 5 USCS Section 8501-8525) other than extended benefits.

(6) "Extended benefits" means benefits (including benefits payable to federal civilian employees and to ex-servicemen pursuant to 5 USCS Section 8501-8525) payable to an individual under the provisions of this section for weeks of unemployment in his eligibility period.

(7) "Eligibility period" of an individual means the period consisting of the weeks in his benefit year which begin in an extended benefit period and, if his benefit year ends within such extended benefit period, any weeks thereafter which begin in such period.

(8) "Exhaustee" means an individual who, with respect to any week of unemployment in his eligibility period:

(a) Has received, prior to such week, all of the regular benefits that were available to him under this chapter or any other state law (including dependents' allowances and benefits payable to federal civilian employees and ex-servicemen under 5 USCS Section 8501-8525) in his current benefit year that includes such week.

For the purposes of this subparagraph, an individual shall be deemed to have received all of the regular benefits that were available to him although, as a result of a pending appeal with respect to wages that were not considered in the original monetary determination in his benefit year, he may subsequently be determined to be entitled to added regular benefits; or

(b) Has no, or insufficient, wages on the basis of which he could establish a new benefit year that would include such week, his benefit year having expired prior to such week; and

(c) (i) Has no right to unemployment benefits or allowances, as the case may be, under the Railroad Unemployment Insurance Act, the Trade Expansion Act of 1962, the Automotive Products Trade Act of 1965, and such other federal laws as are specified in regulations issued by the United States Secretary of Labor; and

(ii) Has not received and is not seeking unemployment benefits under the Unemployment Compensation Law of the Virgin Islands or of Canada; but if he is seeking such benefits and the appropriate agency finally determines that he is not entitled to benefits under such law, he is considered an exhaustee; however, the reference in this subsection to the Virgin Islands shall be inapplicable effective on the day on which the United States Secretary of Labor approves under Section 3304(a) of the Internal Revenue Code of 1954, an unemployment compensation law submitted to the Secretary by the Virgin Islands for approval.

(9) "State law" means the unemployment insurance law of any state, approved by the United States Secretary of Labor under Section 3304 of the Internal Revenue Code of 1954 (26 USCS Section 3304).

C. Except when the result would be inconsistent with the other provisions of this section, as provided in the regulations of the department, the provisions of this chapter which apply to claims for, or the payment of, regular benefits shall apply to claims for, and the payment of, extended benefits.

D. An individual shall be eligible to receive extended benefits with respect to any week of unemployment in his eligibility period only if the department finds that with respect to such week:

(1) He is an "exhaustee" as defined in subsection B(8) of this section.

(2) He has satisfied the requirements of this chapter for the receipt of regular benefits that are applicable to individuals claiming extended benefits, including not being subject to a disqualification for the receipt of benefits.

(3) For a week beginning after September 25, 1982, he has, during his base period, been paid wages for insured work equal to not less than forty (40) times his weekly benefit amount; he has been paid wages for insured work during at least two (2) quarters of his base period, and he has, during that quarter of his base period in which his total wages were highest, been paid wages for insured work equal to not less than twenty-six (26) times the minimum weekly benefit amount.

E. The weekly extended benefit amount payable to an individual for a week of total unemployment in his eligibility period shall be an amount equal to the weekly benefit amount payable to him during his applicable benefit year; however, benefits paid to individuals during eligibility periods beginning before October 1, 1983, shall be computed to the next higher multiple of One Dollar (\$1.00), if not a multiple of One Dollar (\$1.00); and benefits paid to individuals during eligibility periods beginning on or after October 1, 1983, shall be computed to the next lower multiple of One Dollar (\$1.00), if not a multiple of One Dollar (\$1.00). In no event shall the weekly extended benefit amount payable to an individual be more than two (2) times the amount of the reimbursement of the federal share of extended benefits paid.

F. (1) The total extended benefit amount payable to any eligible individual with respect to his applicable benefit year shall be the least of the following amounts:

(a) Fifty percent (50%) of the total amount of regular benefits which were payable to him under this chapter in his applicable benefit year; however, benefits paid to individuals during eligibility periods beginning before October 1, 1983, shall be computed to the next higher multiple of One Dollar (\$1.00), if not a multiple of One Dollar (\$1.00), and benefits paid to individuals during eligibility periods beginning on or after October 1, 1983, shall be computed to the next lower multiple of One Dollar (\$1.00), if not a multiple of One Dollar (\$1.00); or

(b) Thirteen (13) times his weekly benefit amount which was payable to him under this chapter for a week of total unemployment in the applicable benefit year.

(2) The total extended benefits otherwise payable to an individual who is filing an interstate claim under the interstate benefit payment plan shall not exceed two (2) weeks whenever an extended benefit period is not in effect for such week in the state where the claim is filed.

(3) In no event shall the total extended benefit amount payable to any eligible individual with respect to his applicable benefit year be more than two (2) times the amount of the reimbursement of the federal share of extended benefits paid.

G. (1) Whenever an extended benefit period is to become effective in this state as a result of a state "on" indicator, or an extended benefit period is to be terminated in

this state as a result of state "off" indicators, the department shall make an appropriate public announcement.

(2) Computations required by the provisions of subsection B(4) shall be made by the department, in accordance with regulations prescribed by the United States Secretary of Labor.

H. Extended benefits paid under the provisions of this section which are not reimbursable from federal funds shall be charged to the experience-rating record of base period employers.

I. (1) Notwithstanding the provisions of subsections C and D of this section, an individual shall be disqualified for receipt of extended benefits if the department finds that during any week of his eligibility period:

(a) He has failed either to apply for or to accept an offer of suitable work (as defined under paragraph (3)) to which he was referred by the department; or

(b) He has failed to furnish tangible evidence that he has actively engaged in a systematic and sustained effort to find work, unless such individual is not actively engaged in seeking work because such individual is:

(i) Before any court of the United States or any state pursuant to a lawfully issued summons to appear for jury duty;

(ii) Hospitalized for treatment of an emergency or a life-threatening condition.

The entitlement to benefits of any individual who is determined not to be actively engaged in seeking work in any week for the foregoing reasons shall be decided pursuant to the able and available requirements in Section 71-5-511 without regard to the disqualification provisions otherwise applicable under Section 71-5-541. The conditions prescribed in clauses (i) and (ii) of this subparagraph (b) must be applied in the same manner to individuals filing claims for regular benefits.

(2) Such disqualification shall begin with the week in which such failure occurred and shall continue until he has been employed in each of eight (8) subsequent weeks (whether or not consecutive) and has earned remuneration for personal services performed for an employer, as in this chapter defined, equal to not less than eight (8) times his weekly extended benefit amount.

(3) For the purpose of subparagraph (a) of paragraph (1) the term "suitable work" means any work which is within the individual's capabilities to perform, if:

(a) The gross average weekly remuneration payable for the work exceeds the sum of the individual's weekly extended benefit amount plus the amount, if any, of supplemental unemployment benefits (as defined in Section 501(c)(17)(D) of the Internal Revenue Code of 1954) payable to such individual for such week;

(b) The wages payable for the work equal the higher of the minimum wages provided by Section 6(a)(1) of the Fair Labor Standards Act of 1938 (without regard to any exemption), or the state or local minimum wage; and

(c) The position was offered to the individual in writing or was listed with the state employment service; and

(d) Such work otherwise meets the definition of "suitable work" for regular benefits contained in Section 71-5-513A(4) to the extent that such criteria of suitability are not inconsistent with the provisions of this paragraph (3); and

(e) The individual cannot furnish satisfactory evidence to the department that his prospects for obtaining work in his customary occupation within a reasonably short period are good. If such evidence is deemed satisfactory for this purpose, the determination of whether any work is suitable with respect to such individual shall be made in accordance with the definition of suitable work contained in Section 71-5-513A(4) without regard to the definition specified by this paragraph (3).

(4) Notwithstanding any provisions of subsection I to the contrary, no work shall be deemed to be suitable work for an individual which does not accord with the labor standard provisions set forth herein under Section 71-5-513A(4).

(5) The employment service shall refer any claimant entitled to extended benefits under this section to any suitable work which meets the criteria prescribed in paragraph (3).

(6) An individual shall be disqualified for extended benefits for the week, or fraction thereof, which immediately follows the day on which he left work voluntarily without good cause (as defined in Section 71-5-513A(1)), was discharged for misconduct connected with his work, or refused suitable work (except as provided in subsection I of this section), and for each week thereafter until he has earned remuneration for personal services performed for an employer, as in this chapter defined, equal to not less than eight (8) times his weekly benefit amount, as determined in each case.

(7) The provisions of paragraphs I(1) through (6) of this section shall not apply to claims for weeks of unemployment beginning after March 6, 1993, and before January 1, 1995, and during that period the provisions of this chapter applicable to claims for regular compensation shall apply.

J. Notwithstanding any other provisions of this chapter, if the benefit year of any individual ends within an extended benefit period, the remaining balance of extended benefits that such individual would, but for this section, be entitled to receive in that extended benefit period, with respect to weeks of unemployment beginning after the end of the benefit year, shall be reduced (but not below zero) by the product of the number of weeks for which the individual received any amounts as trade readjustment allowances within that benefit year, multiplied by the individual's weekly benefit amount for extended benefits.

SECTION 49. Section 73-30-25, Mississippi Code of 1972, is reenacted as follows:

(m) [Deleted]

(c) Review the provision of services and the use of funds and resources under the TANF program, and under all state-financed job training and job retraining programs, and advise the Governor and the Legislature on methods of coordinating such provision of services and use of funds and resources consistent with the laws and regulations governing such programs.

(d) Assist in developing outcome and output measures to measure the success of the Department of Human Services' efforts in implementing the TANF program. These recommendations shall be made to the Department of Human Services at such times as required in the event that the department implements new programs to comply with the TANF program requirements.

(e) Collaborate with the Mississippi Development Authority, local planning and development districts and local industrial development boards, and shall develop an economic development plan for the creation of manufacturing jobs in each of

the counties in the state that has an unemployment rate of ten percent (10%) or more, which shall include, but not be limited to, procedures for business development, entrepreneurship and financial and technical assistance.

(8) A majority of the members of the council shall constitute a quorum for the conduct of meetings and all actions of the council shall be by a majority of the members present at a meeting.

(9) The council shall adopt rules and regulations as it deems necessary to carry out its responsibilities under this section and under applicable federal human resources programs.

(10) The council may make and enter into contracts and interagency agreements as may be necessary and proper.

(11) The council is authorized to commit and expend monies appropriated to it by the Legislature for its authorized purposes. The council is authorized to solicit, accept and expend public and private gifts, grants, awards and contributions related to furtherance of its statutory duties.

(12) Funds for the operations of the council shall be derived from federal funds for the operation of state councils pursuant to applicable federal human resources programs and from such other monies appropriated to it by the Legislature.

SECTION 51. Section 43-17-5, Mississippi Code of 1972, is reenacted as follows:

43-17-5. (1) The amount of Temporary Assistance for Needy Families (TANF) benefits which may be granted for any dependent child and a needy caretaker relative shall be determined by the county department with due regard to the resources and necessary expenditures of the family and the conditions existing in each case, and in accordance with the rules and regulations made by the Department of Human Services which shall not be less than the Standard of Need in effect for 1988, and shall be sufficient when added to all other income (except that any income specified in the federal Social Security Act, as amended, may be disregarded) and support available to the child to provide such child with a reasonable subsistence compatible with decency and health. The first family member in the dependent child's budget may receive an amount not to exceed Two Hundred Dollars (\$200.00) per month; the second family member in the dependent child's budget may receive an amount not to exceed Thirty-six Dollars (\$36.00) per month; and each additional family member in the dependent child's budget an amount not to exceed Twenty-four Dollars (\$24.00) per month. The maximum for any individual family member in the dependent child's budget may be exceeded for foster or medical care or in cases of children with an intellectual disability or a physical disability. TANF benefits granted shall be specifically limited only (a) to children existing or conceived at the time the caretaker relative initially applies and qualifies for such assistance, unless this limitation is specifically waived by the department, or (b) to a child born following a twelve-consecutive-month period of discontinued benefits by the caretaker relative.

(2) TANF benefits in Mississippi shall be provided to the recipient family by an online electronic benefits transfer system.

(3) The Department of Human Services shall deny TANF benefits to the following categories of individuals, except for individuals and families specifically exempt or excluded for good cause as allowed by federal statute or regulation:

(a) Families without a minor child residing with the custodial parent or other adult caretaker relative of the child;

(b) Families which include an adult who has received TANF assistance for sixty (60) months after the commencement of the Mississippi TANF program, whether or not such period of time is consecutive;

(c) Families not assigning to the state any rights a family member may have, on behalf of the family member or of any other person for whom the family member has applied for or is receiving such assistance, to support from any other person, as required by law;

(d) Families who fail to cooperate in establishing paternity or obtaining child support, as required by law;

(e) Any individual who has not attained eighteen (18) years of age, is not married to the head of household, has a minor child at least twelve (12) weeks of age in his or her care, and has not successfully completed a high school education or its

equivalent, if such individual does not participate in educational activities directed toward the attainment of a high school diploma or its equivalent, or an alternative educational or training program approved by the department;

(f) Any individual who has not attained eighteen (18) years of age, is not married, has a minor child in his or her care, and does not reside in a place or residence maintained by a parent, legal guardian or other adult relative or the individual as such parent's, guardian's or adult relative's own home;

(g) Any minor child who has been, or is expected by a parent or other caretaker relative of the child to be, absent from the home for a period of more than thirty (30) days;

(h) Any individual who is a parent or other caretaker relative of a minor child who fails to notify the department of the absence of the minor child from the home for the thirty-day period specified in paragraph (g), by the end of the five-day period that begins with the date that it becomes clear to the individual that the minor child will be absent for the thirty-day period;

(i) Any individual who fails to comply with the provisions of the Employability Development Plan signed by the individual which prescribe those activities designed to help the individual become and remain employed, or to participate satisfactorily in the assigned work activity, as authorized under subsection (6)(c) and (d), or who does not engage in applicant job search activities within the thirty-day period for TANF application approval after receiving the advice and consultation of eligibility workers and/or caseworkers of the department providing a detailed description of available job search venues in the individual's county of residence or the surrounding counties;

(j) A parent or caretaker relative who has not engaged in an allowable work activity once the department determines the parent or caretaker relative is ready to engage in work, or once the parent or caretaker relative has received TANF assistance under the program for twenty-four (24) months, whether or not consecutive, whichever is earlier;

(k) Any individual who is fleeing to avoid prosecution, or custody or confinement after conviction, under the laws of the jurisdiction from which the individual flees, for a crime, or an attempt to commit a crime, which is a felony under the laws of the place from which the individual flees, or who is violating a condition of probation or parole imposed under federal or state law;

(l) Aliens who are not qualified under federal law;

(m) For a period of ten (10) years following conviction, individuals convicted in federal or state court of having made a fraudulent statement or representation with respect to the individual's place of residence in order to receive TANF, food stamps or Supplemental Security Income (SSI) assistance under Title XVI or Title XIX simultaneously from two (2) or more states;

(n) Individuals who are recipients of federal Supplemental Security Income (SSI) assistance; and

(o) Individuals who are eighteen (18) years of age or older who are not in compliance with the drug testing and substance use disorder treatment requirements of Section 43-17-6.

(4) (a) Any person who is otherwise eligible for TANF benefits, including custodial and noncustodial parents, shall be required to attend school and meet the monthly attendance requirement as provided in this subsection if all of the following apply:

(i) The person is under age twenty (20);

(ii) The person has not graduated from a public or private high school or obtained a High School Equivalency Diploma equivalent;

(iii) The person is physically able to attend school and is not excused from attending school; and

(iv) If the person is a parent or caretaker relative with whom a dependent child is living, child care is available for the child.

The monthly attendance requirement under this subsection shall be attendance at the school in which the person is enrolled for each day during a month that the school conducts classes in which the person is enrolled, with not more than two (2) absences during the month for reasons other than the reasons listed in paragraph (e)(iv) of this

subsection. Persons who fail to meet participation requirements in this subsection shall be subject to sanctions as provided in paragraph (f) of this subsection.

(b) As used in this subsection, "school" means any one (1) of the following:

- (i) A school as defined in Section 37-13-91(2);
- (ii) A vocational, technical and adult education program; or
- (iii) A course of study meeting the standards established

by the State Department of Education for the granting of a declaration of equivalency of high school graduation.

(c) If any compulsory-school-age child, as defined in Section 37-13-91(2), to which TANF eligibility requirements apply is not in compliance with the compulsory school attendance requirements of Section 37-13-91(6), the superintendent of schools of the school district in which the child is enrolled or eligible to attend shall notify the county department of human services of the child's noncompliance. The Department of Human Services shall review school attendance information as provided under this paragraph at all initial eligibility determinations and upon subsequent report of unsatisfactory attendance.

(d) The signature of a person on an application for TANF benefits constitutes permission for the release of school attendance records for that person or for any child residing with that person. The department shall request information from the child's school district about the child's attendance in the school district's most recently completed semester of attendance. If information about the child's previous school attendance is not available or cannot be verified, the department shall require the child to meet the monthly attendance requirement for one (1) semester or until the information is obtained. The department shall use the attendance information provided by a school district to verify attendance for a child. The department shall review with the parent or caretaker relative a child's claim that he or she has a good cause for not attending school.

A school district shall provide information to the department about the attendance of a child who is enrolled in a public school in the district within five (5) working days of the receipt of a written request for that information from the department. The school district shall define how many hours of attendance count as a full day and shall provide that information, upon request, to the department. In reporting attendance, the school district may add partial days' absence together to constitute a full day's absence.

If a school district fails to provide to the department the information about the school attendance of any child within fifteen (15) working days after a written request, the department shall notify the Department of Audit within three (3) working days of the school district's failure to comply with that requirement. The Department of Audit shall begin audit proceedings within five (5) working days of notification by the Department of Human Services to determine the school district's compliance with the requirements of this subsection (4). If the Department of Audit finds that the school district is not in compliance with the requirements of this subsection, the school district shall be penalized as follows: The Department of Audit shall notify the State Department of Education of the school district's noncompliance, and the Department of Education shall reduce the calculation of the school district's average daily attendance (ADA) that is used to determine the allocation of Mississippi Adequate Education Program funds by the number of children for which the district has failed to provide to the Department of Human Services the required information about the school attendance of those children. The reduction in the calculation of the school district's ADA under this paragraph shall be effective for a period of one (1) year.

(e) A child who is required to attend school to meet the requirements under this subsection shall comply except when there is good cause, which shall be demonstrated by any of the following circumstances:

- (i) The minor parent is the caretaker of a child less than twelve (12) weeks old; or
- (ii) The department determines that child care services are necessary for the minor parent to attend school and there is no child care available; or
- (iii) The child is prohibited by the school district from attending school and an expulsion is pending. This exemption no longer applies once the teenager has been expelled; however, a teenager who has been expelled and is making

satisfactory progress towards obtaining a High School Equivalency Diploma equivalent shall be eligible for TANF benefits; or

(iv) The child failed to attend school for one or more of the

following reasons:

1. Illness, injury or incapacity of the child or the minor parent's child;
2. Court-required appearances or temporary incarceration;
3. Medical or dental appointments for the child or minor parent's child;
4. Death of a close relative;
5. Observance of a religious holiday;
6. Family emergency;
7. Breakdown in transportation;
8. Suspension; or
9. Any other circumstance beyond the control of the child, as defined in regulations of the department.

(f) Upon determination that a child has failed without good cause to attend school as required, the department shall provide written notice to the parent or caretaker relative (whoever is the primary recipient of the TANF benefits) that specifies:

(i) That the family will be sanctioned in the next possible payment month because the child who is required to attend school has failed to meet the attendance requirement of this subsection;

(ii) The beginning date of the sanction, and the child to whom the sanction applies;

(iii) The right of the child's parents or caretaker relative (whoever is the primary recipient of the TANF benefits) to request a fair hearing under this subsection.

The child's parent or caretaker relative (whoever is the primary recipient of the TANF benefits) may request a fair hearing on the department's determination that the child has not been attending school. If the child's parents or caretaker relative does not request a fair hearing under this subsection, or if, after a fair hearing has been held, the hearing officer finds that the child without good cause has failed to meet the monthly attendance requirement, the department shall discontinue or deny TANF benefits to the child thirteen (13) years old, or older, in the next possible payment month. The department shall discontinue or deny twenty-five percent (25%) of the family grant when a child six (6) through twelve (12) years of age without good cause has failed to meet the monthly attendance requirement. Both the child and family sanction may apply when children in both age groups fail to meet the attendance requirement without good cause. A sanction applied under this subsection shall be effective for one (1) month for each month that the child failed to meet the monthly attendance requirement. In the case of a dropout, the sanction shall remain in force until the parent or caretaker relative provides written proof from the school district that the child has reenrolled and met the monthly attendance requirement for one (1) calendar month. Any month in which school is in session for at least ten (10) days during the month may be used to meet the attendance requirement under this subsection. This includes attendance at summer school. The sanction shall be removed the next possible payment month.

(5) All parents or caretaker relatives shall have their dependent children receive vaccinations and booster vaccinations against those diseases specified by the State Health Officer under Section 41-23-37 in accordance with the vaccination and booster vaccination schedule prescribed by the State Health Officer for children of that age, in order for the parents or caretaker relatives to be eligible or remain eligible to receive TANF benefits. Proof of having received such vaccinations and booster vaccinations shall be given by presenting the certificates of vaccination issued by any health care provider licensed to administer vaccinations, and submitted on forms specified by the State Board of Health. If the parents without good cause do not have their dependent children receive the vaccinations and booster vaccinations as required by this subsection and they fail to comply after thirty (30) days' notice, the department shall sanction the family's TANF

benefits by twenty-five percent (25%) for the next payment month and each subsequent payment month until the requirements of this subsection are met.

(6) (a) If the parent or caretaker relative applying for TANF assistance is work eligible, as determined by the Department of Human Services, the person shall be required to engage in an allowable work activity once the department determines the parent or caretaker relative is determined work eligible, or once the parent or caretaker relative has received TANF assistance under the program for twenty-four (24) months, whether or not consecutive, whichever is earlier. No TANF benefits shall be given to any person to whom this section applies who fails without good cause to comply with the Employability Development Plan prepared by the department for the person, or who has refused to accept a referral or offer of employment, training or education in which he or she is able to engage, subject to the penalties prescribed in paragraph (e) of this subsection. A person shall be deemed to have refused to accept a referral or offer of employment, training or education if he or she:

(i) Willfully fails to report for an interview with respect to employment when requested to do so by the department; or

(ii) Willfully fails to report to the department the result of a referral to employment; or

(iii) Willfully fails to report for allowable work activities as prescribed in paragraphs (c) and (d) of this subsection.

(b) The Department of Human Services shall operate a statewide work program for TANF recipients to provide work activities and supportive services to enable families to become self-sufficient and improve their competitive position in the workforce in accordance with the requirements of the federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (Public Law 104-193), as amended, and the regulations promulgated thereunder, and the Deficit Reduction Act of 2005 (Public Law 109-171), as amended. Within sixty (60) days after the initial application for TANF benefits, the TANF recipient must participate in a job search skills training workshop or a job readiness program, which shall include resume writing, job search skills, employability skills and, if available at no charge, the General Aptitude Test Battery or its equivalent. All adults who are not specifically exempt shall be referred by the department for allowable work activities. An adult may be exempt from the mandatory work activity requirement for the following reasons:

(i) Incapacity;

(ii) Temporary illness or injury, verified by physician's certificate;

(iii) Is in the third trimester of pregnancy, and there are complications verified by the certificate of a physician, nurse practitioner, physician assistant, or any other licensed health care professional practicing under a protocol with a licensed physician;

(iv) Caretaker of a child under twelve (12) months, for not more than twelve (12) months of the sixty-month maximum benefit period;

(v) Caretaker of an ill or incapacitated person, as verified by physician's certificate;

(vi) Age, if over sixty (60) or under eighteen (18) years of age;

(vii) Receiving treatment for substance abuse, if the person is in compliance with the substance abuse treatment plan;

(viii) In a two-parent family, the caretaker of a severely disabled child, as verified by a physician's certificate; or

(ix) History of having been a victim of domestic violence, which has been reported as required by state law and is substantiated by police reports or court records, and being at risk of further domestic violence, shall be exempt for a period as deemed necessary by the department but not to exceed a total of twelve (12) months, which need not be consecutive, in the sixty-month maximum benefit period. For the purposes of this subparagraph (ix), "domestic violence" means that an individual has been subjected to:

1. Physical acts that resulted in, or threatened to result in, physical injury to the individual;

2. Sexual abuse;
3. Sexual activity involving a dependent child;
4. Being forced as the caretaker relative of a dependent child to engage in nonconsensual sexual acts or activities;
5. Threats of, or attempts at, physical or sexual abuse;
6. Mental abuse; or
7. Neglect or deprivation of medical care.

(c) For all families, all adults who are not specifically exempt shall be required to participate in work activities for at least the minimum average number of hours per week specified by federal law or regulation, not fewer than twenty (20) hours per week (thirty-five (35) hours per week for two-parent families) of which are attributable to the following allowable work activities:

- (i) Unsubsidized employment;
- (ii) Subsidized private employment;
- (iii) Subsidized public employment;
- (iv) Work experience (including work associated with the refurbishing of publicly assisted housing), if sufficient private employment is not available;
- (v) On-the-job training;
- (vi) Job search and job readiness assistance consistent with federal TANF regulations;
- (vii) Community service programs;
- (viii) Vocational educational training (not to exceed twelve (12) months with respect to any individual);
- (ix) The provision of child care services to an individual who is participating in a community service program;
- (x) Satisfactory attendance at high school or in a course of study leading to a high school equivalency certificate, for heads of household under age twenty (20) who have not completed high school or received such certificate;
- (xi) Education directly related to employment, for heads of household under age twenty (20) who have not completed high school or received such equivalency certificate.

(d) The following are allowable work activities which may be attributable to hours in excess of the minimum specified in paragraph (c) of this subsection:

- (i) Job skills training directly related to employment;
- (ii) Education directly related to employment for individuals who have not completed high school or received a high school equivalency certificate;
- (iii) Satisfactory attendance at high school or in a course of study leading to a high school equivalency, for individuals who have not completed high school or received such equivalency certificate;
- (iv) Job search and job readiness assistance consistent with federal TANF regulations.

(e) If any adult or caretaker relative refuses to participate in allowable work activity as required under this subsection (6), the following full family TANF benefit penalty will apply, subject to due process to include notification, conciliation and a hearing if requested by the recipient:

- (i) For the first violation, the department shall terminate the TANF assistance otherwise payable to the family for a two-month period or until the person has complied with the required work activity, whichever is longer;
- (ii) For the second violation, the department shall terminate the TANF assistance otherwise payable to the family for a six-month period or until the person has complied with the required work activity, whichever is longer;
- (iii) For the third violation, the department shall terminate the TANF assistance otherwise payable to the family for a twelve-month period or until the person has complied with the required work activity, whichever is longer;
- (iv) For the fourth violation, the person shall be permanently disqualified.

For a two-parent family, unless prohibited by state or federal law, Medicaid assistance shall be terminated only for the person whose failure to participate in allowable work activity caused the family's TANF assistance to be sanctioned under this paragraph (e), unless an individual is pregnant, but shall not be terminated for any other person in the family who is meeting that person's applicable work requirement or who is not required to work. Minor children shall continue to be eligible for Medicaid benefits regardless of the disqualification of their parent or caretaker relative for TANF assistance under this subsection (6), unless prohibited by state or federal law.

(f) Any person enrolled in a two-year or four-year college program who meets the eligibility requirements to receive TANF benefits, and who is meeting the applicable work requirements and all other applicable requirements of the TANF program, shall continue to be eligible for TANF benefits while enrolled in the college program for as long as the person meets the requirements of the TANF program, unless prohibited by federal law.

(g) No adult in a work activity required under this subsection (6) shall be employed or assigned (i) when any other individual is on layoff from the same or any substantially equivalent job within six (6) months before the date of the TANF recipient's employment or assignment; or (ii) if the employer has terminated the employment of any regular employee or otherwise caused an involuntary reduction of its workforce in order to fill the vacancy so created with an adult receiving TANF assistance. The Mississippi Department of Employment Security, established under Section 71-5-101, shall appoint one or more impartial hearing officers to hear and decide claims by employees of violations of this paragraph (g). The hearing officer shall hear all the evidence with respect to any claim made hereunder and such additional evidence as he may require and shall make a determination and the reason therefor. The claimant shall be promptly notified of the decision of the hearing officer and the reason therefor. Within ten (10) days after the decision of the hearing officer has become final, any party aggrieved thereby may secure judicial review thereof by commencing an action, in the circuit court of the county in which the claimant resides, against the department for the review of such decision, in which action any other party to the proceeding before the hearing officer shall be made a defendant. Any such appeal shall be on the record which shall be certified to the court by the department in the manner provided in Section 71-5-531, and the jurisdiction of the court shall be confined to questions of law which shall render its decision as provided in that section.

(7) The Department of Human Services may provide child care for eligible participants who require such care so that they may accept employment or remain employed. The department may also provide child care for those participating in the TANF program when it is determined that they are satisfactorily involved in education, training or other allowable work activities. The department may contract with Head Start agencies to provide child care services to TANF recipients. The department may also arrange for child care by use of contract or vouchers, provide vouchers in advance to a caretaker relative, reimburse a child care provider, or use any other arrangement deemed appropriate by the department, and may establish different reimbursement rates for child care services depending on the category of the facility or home. Any center-based or group home child care facility under this subsection shall be licensed by the State Department of Health pursuant to law. When child care is being provided in the child's own home, in the home of a relative of the child, or in any other unlicensed setting, the provision of such child care may be monitored on a random basis by the Department of Human Services or the State Department of Health. Transitional child care assistance may be continued if it is necessary for parents to maintain employment once support has ended, unless prohibited under state or federal law. Transitional child care assistance may be provided for up to twenty-four (24) months after the last month during which the family was eligible for TANF assistance, if federal funds are available for such child care assistance.

(8) The Department of Human Services may provide transportation or provide reasonable reimbursement for transportation expenses that are necessary for individuals to be able to participate in allowable work activity under the TANF program.

(9) Medicaid assistance shall be provided to a family of TANF program participants for up to twenty-four (24) consecutive calendar months following the month in

which the participating family would be ineligible for TANF benefits because of increased income, expiration of earned income disregards, or increased hours of employment of the caretaker relative; however, Medicaid assistance for more than twelve (12) months may be provided only if a federal waiver is obtained to provide such assistance for more than twelve (12) months and federal and state funds are available to provide such assistance.

(10) The department shall require applicants for and recipients of public assistance from the department to sign a personal responsibility contract that will require the applicant or recipient to acknowledge his or her responsibilities to the state.

(11) The department shall enter into an agreement with the State Personnel Board and other state agencies that will allow those TANF participants who qualify for vacant jobs within state agencies to be placed in state jobs. State agencies participating in the TANF work program shall receive any and all benefits received by employers in the private sector for hiring TANF recipients. This subsection (11) shall be effective only if the state obtains any necessary federal waiver or approval and if federal funds are available therefor. Not later than September 1, 2021, the department shall prepare a report, which shall be provided to the Chairmen of the House and Senate Public Health Committees and to any other member of the Legislature upon request, on the history, status, outcomes and effectiveness of the agreements required under this subsection.

(12) Any unspent TANF funds remaining from the prior fiscal year may be expended for any TANF allowable activities.

(13) The Mississippi Department of Human Services shall provide TANF applicants information and referral to programs that provide information about birth control, prenatal health care, abstinence education, marriage education, family preservation and fatherhood. Not later than September 1, 2021, the department shall prepare a report, which shall be provided to the Chairmen of the House and Senate Public Health Committees and to any other member of the Legislature upon request, on the history, status, outcomes and effectiveness of the information and referral requirements under this subsection.

(14) No new TANF program requirement or restriction affecting a person's eligibility for TANF assistance, or allowable work activity, which is not mandated by federal law or regulation may be implemented by the Department of Human Services after July 1, 2004, unless such is specifically authorized by an amendment to this section by the Legislature.

SECTION 52. Section 43-19-45, Mississippi Code of 1972, is reenacted as follows:

43-19-45. (1) The Child Support Unit shall establish a state parent locator service for the purpose of locating absent and nonsupporting parents and alleged parents, which will utilize all appropriate public and private locator sources. In order to carry out the responsibilities imposed under Sections 43-19-31 through 43-19-53, the Child Support Unit may secure, by administrative subpoena from the customer records of public utilities and cable television companies, the names and addresses of individuals and the names and addresses of employers of such individuals that would enable the location of parents or alleged parents who have a duty to provide support and maintenance for their children. The Child Support Unit may also administratively subpoena any and all financial information, including account numbers, names and social security numbers of record for assets, accounts, and account balances from any individual, financial institution, business or other entity, public or private, needed to establish, modify or enforce a support order. No entity complying with an administrative subpoena to supply the requested information of whatever nature shall be liable in any civil action or proceeding on account of such compliance. Full faith and credit shall be given to all uniform administrative subpoenas issued by other state child support units. The recipient of an administrative subpoena shall supply the Child Support Unit, other state and federal IV-D agencies, its attorneys, investigators, probation officers, county or district attorneys in this state, all information relative to the location, employment, employment-related benefits including, but not limited to, availability of medical insurance, income and property of such parents and alleged parents and with all information on hand relative to the location and prosecution of any person who has, by means of a false statement or misrepresentation or by impersonation or other fraudulent device, obtained Temporary Assistance for Needy Families (TANF) to which he or she was not entitled, notwithstanding any provision of law

making such information confidential. The Mississippi Department of Information Technology Services and any other agency in this state using the facilities of the Mississippi Department of Information Technology Services are directed to permit the Child Support Unit access to their files, inclusive of those maintained for other state agencies, for the purpose of locating absent and nonsupporting parents and alleged parents, except to the extent that any such access would violate any valid federal statute or regulation issued pursuant thereto. The Child Support Unit, other state and federal IV-D agencies, its attorneys, investigators, probation officers, or county or district attorneys, shall use such information only for the purpose of investigating or enforcing the support liability of such absent parents or alleged parents or for the prosecution of other persons mentioned herein. Neither the Child Support Unit nor those authorities shall use the information, or disclose it, for any other purpose. All records maintained pursuant to the provisions of Sections 43-19-31 through 43-19-53 shall be confidential and shall be available only to the Child Support Unit, other state and federal IV-D agencies, the attorneys, investigators and other staff employed or under contract under Sections 43-19-31 through 43-19-53, district or county attorneys, probation departments, child support units in other states, and courts having jurisdiction in paternity, support or abandonment proceedings. The Child Support Unit may release to the public the name, photo, last-known address, arrearage amount and other necessary information of a parent who has a judgment against him for child support and is currently in arrears in the payment of this support. Such release may be included in a "Most Wanted List" or other media in order to solicit assistance.

(2) The Child Support Unit shall have the authority to secure information from the records of the Mississippi Department of Employment Security that may be necessary to locate absent and nonsupporting parents and alleged parents under the provisions of Sections 43-19-31 through 43-19-53. Upon request of the Child Support Unit, all departments, boards, bureaus and agencies of the state shall provide to the Child Support Unit verification of employment or payment and the address and social security number of any person designated as an absent or nonsupporting parent or alleged parent. In addition, upon request of the Child Support Unit, the Mississippi Department of Employment Security, or any private employer or payor of any income to a person designated as an absent or nonsupporting parent or alleged parent, shall provide to the Child Support Unit verification of employment or payment and the address and social security number of the person so designated. Full faith and credit shall be given to such notices issued by child support units in other states. All such records and information shall be confidential and shall not be used for any purposes other than those specified by Sections 43-19-31 through 43-19-53. The violation of the provisions of this subsection shall be unlawful and any person convicted of violating the provisions of this subsection shall be guilty of a misdemeanor and shall pay a fine of not more than Two Hundred Dollars (\$200.00).

(3) Federal and state IV-D agencies shall have access to the state parent locator service and any system used by the Child Support Unit to locate an individual for purposes relating to motor vehicles or law enforcement. No employer or other source of income who complies with this section shall be liable in any civil action or proceeding brought by the obligor or obligee on account of such compliance.

SECTION 53. Section 43-19-46, Mississippi Code of 1972, is reenacted as follows:

43-19-46. (1) Each employer paying wages, salary or commission and doing business in Mississippi shall report to the Directory of New Hires within the Mississippi Department of Human Services:

(a) The hiring of any person who resides or works in this state to whom the employer anticipates paying wages, salary or commission; and

(b) The hiring or return to work of any employee who was laid off, furloughed, separated, granted leave without pay or was terminated from employment.

(2) Employers shall report, by mailing or by other means authorized by the Department of Human Services, a copy of the employee's W-4 form or its equivalent that will result in timely reporting. SECTION 55. Section 57-62-9, Mississippi Code of 1972, is reenacted as follows:

[For businesses or industries that received or applied for incentive payments prior to July 1, 2005, this section shall read as follows:]

57-62-9. (1) Except as otherwise provided in this section, a qualified business or industry that meets the qualifications specified in this chapter may receive quarterly incentive payments for a period not to exceed ten (10) years from the Department of Revenue pursuant to the provisions of this chapter in an amount which shall be equal to the net benefit rate multiplied by the actual gross payroll of new direct jobs for a calendar quarter as verified by the Mississippi Department of Employment Security, but not to exceed the amount of money previously paid into the fund by the employer. A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)1 may elect the

date upon which the ten-year period will begin. Such date may not be later than sixty (60) months after the date the business or industry applied for incentive payments.

(2) (a) A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)1 may apply to the MDA to receive incentive payments for an additional period not to exceed five (5) years beyond the expiration date of the initial ten-year period if:

(i) The qualified business or industry creates at least three thousand (3,000) new direct jobs within five (5) years after the date the business or industry commences commercial production;

(ii) Within five (5) years after the date the business or industry commences commercial production, the average annual wage of the jobs is at least one hundred fifty percent (150%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser. The criteria for the average annual wage requirement shall be based upon the state average annual wage or the average annual wage of the county whichever is appropriate, at the time of creation of the minimum number of jobs, and the threshold established at that time will remain constant for the duration of the additional period; and

(iii) The qualified business or industry meets and maintains the job and wage requirements of subparagraphs (i) and (ii) of this paragraph (a) for four (4) consecutive calendar quarters.

(b) A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)1 and qualified to receive incentive payments for the additional period provided in paragraph (a) of this subsection (2) may apply to the MDA to receive incentive payments for an additional period not to exceed ten (10) years beyond the expiration date of the additional period provided in paragraph (a) of this subsection (2) if:

(i) The qualified business or industry creates at least four thousand (4,000) new direct jobs after qualifying for the additional incentive period provided in paragraph (a) of this subsection (2) but before the expiration of the additional period. For purposes of determining whether the business or industry meets the minimum jobs requirement of this subparagraph (i), the number of jobs the business or industry created in order to meet the minimum jobs requirement of paragraph (a) of this subsection (2) shall be subtracted from the minimum jobs requirement of this subparagraph (i);

(ii) The average annual wage of the jobs is at least one hundred fifty percent (150%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser. The criteria for the average annual wage requirement shall be based upon the state average annual wage or the average annual wage of the county whichever is appropriate, at the time of creation of the minimum number of jobs, and the threshold established at that time will remain constant for the duration of the additional period; and

(iii) The qualified business or industry meets and maintains the job and wage requirements of subparagraphs (i) and (ii) of this paragraph (b) for four (4) consecutive calendar quarters.

(3) In order to receive incentive payments, an establishment shall apply to the MDA. The application shall be on a form prescribed by the MDA and shall contain such information as may be required by the MDA to determine if the applicant is qualified.

(4) In order to qualify to receive such payments, the establishment applying shall be required to:

(a) Be engaged in a qualified business or industry;

(b) Provide an average salary, excluding benefits which are not subject to Mississippi income taxes, of at least one hundred twenty-five percent (125%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser. The criteria for this requirement shall be based upon the state average annual wage or the average annual wage of the county whichever is appropriate, at the time of

application, and the threshold established upon application will remain constant for the duration of the project;

(c) The business or industry must create and maintain a minimum of ten (10) full-time jobs in counties that have an average unemployment rate over the previous twelve-month period which is at least one hundred fifty percent (150%) of the most recently published state unemployment rate, as determined by the Mississippi Department of Employment Security or in Tier Three counties as determined under Section 57-73-21. In all other counties, the business or industry must create and maintain a minimum of twenty-five (25) full-time jobs. The criteria for this requirement shall be based on the designation of the county at the time of the application. The threshold established upon the application will remain constant for the duration of the project. The business or industry must meet its job creation commitment within twenty-four (24) months of the application approval. However, if the qualified business or industry is applying for incentive payments for an additional period under subsection (2) of this section, the business or industry must comply with the applicable job and wage requirements of subsection (2) of this section.

(5) The MDA shall determine if the applicant is qualified to receive incentive payments. If the applicant is determined to be qualified by the MDA, the MDA shall conduct a cost/benefit analysis to determine the estimated net direct state benefits and the net benefit rate applicable for a period not to exceed ten (10) years and to estimate the amount of gross payroll for the period. If the applicant is determined to be qualified to receive incentive payments for an additional period under subsection (2) of this section, the MDA shall conduct a cost/benefit analysis to determine the estimated net direct state benefits and the net benefit rate applicable for the appropriate additional period and to estimate the amount of gross payroll for the additional period. In conducting such cost/benefit analysis, the MDA shall consider quantitative factors, such as the anticipated level of new tax revenues to the state along with the cost to the state of the qualified business or industry, and such other criteria as deemed appropriate by the MDA, including the adequacy of retirement benefits that the business or industry provides to individuals it employs in new direct jobs in this state. In no event shall incentive payments, cumulatively, exceed the estimated net direct state benefits. Once the qualified business or industry is approved by the MDA, an agreement shall be deemed to exist between the qualified business or industry and the State of Mississippi, requiring the continued incentive payment, together with any amount due pursuant to subsection (8) of this section, if applicable, to be made as long as the qualified business or industry retains its eligibility.

(6) Upon approval of such an application, the MDA shall notify the Department of Revenue and shall provide it with a copy of the approved application and the estimated net direct state benefits. The Department of Revenue may require the qualified business or industry to submit such additional information as may be necessary to administer the provisions of this chapter. The qualified business or industry shall report to the Department of Revenue periodically to show its continued eligibility for incentive payments. The qualified business or industry may be audited by the Department of Revenue to verify such eligibility. In addition, the State Auditor may conduct performance and compliance audits under this chapter according to Section 7-7-211(o) and may bill the oversight agency.

(7) If the qualified business or industry is located in an area that has been declared by the Governor to be a disaster area and as a result of the disaster the business or industry is unable to create or maintain the full-time jobs required by this section:

(a) The Commissioner of Revenue may extend the period of time that the business or industry may receive incentive payments for a period of time not to exceed two (2) years;

(b) The Commissioner of Revenue may waive the requirement that a certain number of jobs be maintained for a period of time not to exceed twenty-four (24) months; and

(c) The MDA may extend the period of time within which the jobs must be created for a period of time not to exceed twenty-four (24) months.

(8) Notwithstanding any other provision of this section to the contrary, from and after January 1, 2023, if the amount of the incentive payment that a qualified business or

industry is eligible to receive under this chapter is less than the amount that the incentive payment would have been if the payment had been calculated using any applicable income tax rates in Section 27-7-5 that were in effect before January 1, 2023, then the qualified business or industry also shall receive a grant equal to the difference between such two (2) amounts. Further, the term "incentive payment," as such term is used in this chapter, shall be deemed to not refer to or otherwise include any grant payment payable to a qualified business or industry pursuant to this subsection.

[For businesses or industries that received or applied for incentive payments from and after July 1, 2005, but prior to July 1, 2010, this section shall read as follows:]

57-62-9. (1) (a) Except as otherwise provided in this section, a qualified business or industry that meets the qualifications specified in this chapter may receive quarterly incentive payments for a period not to exceed ten (10) years from the Department of Revenue pursuant to the provisions of this chapter in an amount which shall be equal to the net benefit rate multiplied by the actual gross payroll of new direct jobs for a calendar quarter as verified by the Mississippi Department of Employment Security, but not to exceed:

(i) Ninety percent (90%) of the amount of money previously paid into the fund by the employer if the employer provides an average annual salary, excluding benefits which are not subject to Mississippi income taxes, of at least one hundred seventy-five percent (175%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser;

(ii) Eighty percent (80%) of the amount of money previously paid into the fund by the employer if the employer provides an average annual salary, excluding benefits which are not subject to Mississippi income taxes, of at least one hundred twenty-five percent (125%) but less than one hundred seventy-five percent (175%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser; or

(iii) Seventy percent (70%) of the amount of money previously paid into the fund by the employer if the employer provides an average annual salary, excluding benefits which are not subject to Mississippi income taxes, of less than one hundred twenty-five percent (125%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser.

(b) A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)1 may elect the date upon which the ten-year period will begin. Such date may not be later than sixty (60) months after the date the business or industry applied for incentive payments.

(2) (a) A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)1 may apply to the MDA to receive incentive payments for an additional period not to exceed five (5) years beyond the expiration date of the initial ten-year period if:

(i) The qualified business or industry creates at least three thousand (3,000) new direct jobs within five (5) years after the date the business or industry commences commercial production;

(ii) Within five (5) years after the date the business or industry commences commercial production, the average annual wage of the jobs is at least one hundred fifty percent (150%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser. The criteria for the average annual wage requirement shall be based upon the state average annual wage or the average annual wage of the county whichever is appropriate, at the time of creation of the minimum number of jobs, and the threshold established at that time will remain constant for the duration of the additional period; and

(iii) The qualified business or industry meets and maintains the job and wage requirements of subparagraphs (i) and (ii) of this paragraph (a) for four (4) consecutive calendar quarters.

(b) A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)1 and qualified to receive incentive payments for the additional period provided in paragraph (a) of this subsection (2) may apply to the MDA to receive incentive payments for an additional period not to exceed ten (10) years beyond the expiration date of the additional period provided in paragraph (a) of this subsection (2) if:

(i) The qualified business or industry creates at least four thousand (4,000) new direct jobs after qualifying for the additional incentive period provided in paragraph (a) of this subsection (2) but before the expiration of the additional period. For purposes of determining whether the business or industry meets the minimum jobs requirement of this subparagraph (i), the number of jobs the business or industry created in order to meet the minimum jobs requirement of paragraph (a) of this subsection (2) shall be subtracted from the minimum jobs requirement of this subparagraph (i);

(ii) The average annual wage of the jobs is at least one hundred fifty percent (150%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser. The criteria for the average annual wage requirement shall be based upon the state average annual wage or the average annual wage of the county whichever is appropriate, at the time of creation of the minimum number of jobs, and the threshold established at that time will remain constant for the duration of the additional period; and

(iii) The qualified business or industry meets and maintains the job and wage requirements of subparagraphs (i) and (ii) of this paragraph (b) for four (4) consecutive calendar quarters.

(3) In order to receive incentive payments, an establishment shall apply to the MDA. The application shall be on a form prescribed by the MDA and shall contain such information as may be required by the MDA to determine if the applicant is qualified.

(4) (a) In order to qualify to receive such payments, the establishment applying shall be required to meet the definition of the term "qualified business or industry";

(b) The criteria for the average annual salary requirement shall be based upon the state average annual wage or the average annual wage of the county whichever is appropriate, at the time of application, and the threshold established upon application will remain constant for the duration of the project;

(c) The business or industry must meet its job creation commitment within twenty-four (24) months of the application approval. However, if the qualified business or industry is applying for incentive payments for an additional period under subsection (2) of this section, the business or industry must comply with the applicable job and wage requirements of subsection (2) of this section.

(5) (a) The MDA shall determine if the applicant is qualified to receive incentive payments.

(b) If the applicant is determined to be qualified to receive incentive payments for an additional period under subsection (2) of this section, the MDA shall conduct a cost/benefit analysis to determine the estimated net direct state benefits and the net benefit rate applicable for the appropriate additional period and to estimate the amount of gross payroll for the additional period. In conducting such cost/benefit analysis, the MDA shall consider quantitative factors, such as the anticipated level of new tax revenues to the state along with the cost to the state of the qualified business or industry, and such other criteria as deemed appropriate by the MDA, including the adequacy of retirement benefits that the business or industry provides to individuals it employs in new direct jobs in this state. In no event shall incentive payments, cumulatively, exceed the estimated net direct state benefits. Once the qualified business or industry is approved by the MDA, an agreement shall be deemed to exist between the qualified business or industry and the State of Mississippi, requiring the continued incentive payment, together with any amount due pursuant to subsection (8) of this section, if applicable, to be made as long as the qualified business or industry retains its eligibility.

(6) Upon approval of such an application, the MDA shall notify the Department of Revenue and shall provide it with a copy of the approved application and the estimated net direct state benefits. The Department of Revenue may require the qualified business or industry to submit such additional information as may be necessary to administer the provisions of this chapter. The qualified business or industry shall report to the Department of Revenue periodically to show its continued eligibility for incentive payments. The qualified business or industry may be audited by the Department of Revenue to verify such eligibility. In addition, the State Auditor may conduct performance and compliance audits under this chapter according to Section 7-7-211(o) and may bill the oversight agency.

(7) If the qualified business or industry is located in an area that has been declared by the Governor to be a disaster area and as a result of the disaster the business or industry is unable to create or maintain the full-time jobs required by this section:

(a) The Commissioner of Revenue may extend the period of time that the business or industry may receive incentive payments for a period of time not to exceed two (2) years;

(b) The Commissioner of Revenue may waive the requirement that a certain number of jobs be maintained for a period of time not to exceed twenty-four (24) months; and

(c) The MDA may extend the period of time within which the jobs must be created for a period of time not to exceed twenty-four (24) months.

(8) Notwithstanding any other provision of this section to the contrary, from and after January 1, 2023, if the amount of the incentive payment that a qualified business or industry is eligible to receive under this chapter is less than the amount that the incentive payment would have been if the payment had been calculated using any applicable income tax rates in Section 27-7-5 that were in effect before January 1, 2023, then the qualified business or industry also shall receive a grant equal to the difference between such two (2) amounts. Further, the term "incentive payment," as such term is used in this chapter, shall be deemed to not refer to or otherwise include any grant payment payable to a qualified business or industry pursuant to this subsection.

[For businesses or industries that apply for incentive payments from and after July 1, 2010, this section shall read as follows:]

57-62-9. (1) (a) Except as otherwise provided in this section, a qualified business or industry that meets the qualifications specified in this chapter may receive quarterly incentive payments for a period not to exceed ten (10) years from the Department of Revenue pursuant to the provisions of this chapter in an amount which shall be equal to ninety percent (90%) of the amount of actual income tax withheld for employees with new direct jobs, but in no event more than four percent (4%) of the total annual salary paid for new direct jobs during such period, excluding benefits which are not subject to Mississippi income taxes.

(b) A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)1 may elect the date upon which the ten-year period will begin. Such date may not be later than sixty (60) months after the date the business or industry applied for incentive payments.

(c) A qualified business or industry as defined in Section 57-62-5(a)(iii) may elect the date upon which the ten-year period will begin and may elect to begin receiving incentive payments as early as the second quarter after that date. Incentive payments will be calculated on all jobs above the existing number of jobs as of the date the MDA determines that the applicant is qualified to receive incentive payments. In the event that the qualified business or industry falls below the number of existing jobs at the time of determination that the applicant is qualified to receive the incentive payment, the incentive payment shall cease until the qualified business or industry once again exceeds that number. If after forty-eight (48) months, the qualified business or industry has failed to create at least three thousand (3,000) new direct jobs, incentive payments shall cease and the qualified business or industry shall not be qualified to receive further incentive payments.

(2) (a) A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)1 may apply to the MDA to receive incentive payments for an additional

period not to exceed five (5) years beyond the expiration date of the initial ten-year period if:

(i) The qualified business or industry creates at least three thousand (3,000) new direct jobs within five (5) years after the date the business or industry commences commercial production;

(ii) Within five (5) years after the date the business or industry commences commercial production, the average annual wage of the jobs is at least one hundred fifty percent (150%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser. The criteria for the average annual wage requirement shall be based upon the state average annual wage or the average annual wage of the county whichever is appropriate, at the time of creation of the minimum number of jobs, and the threshold established at that time will remain constant for the duration of the additional period; and

(iii) The qualified business or industry meets and maintains the job and wage requirements of subparagraphs (i) and (ii) of this paragraph (a) for four (4) consecutive calendar quarters.

(b) A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)1 and qualified to receive incentive payments for the additional period provided in paragraph (a) of this subsection (2) may apply to the MDA to receive incentive payments for an additional period not to exceed ten (10) years beyond the expiration date of the additional period provided in paragraph (a) of this subsection (2) if:

(i) The qualified business or industry creates at least four thousand (4,000) new direct jobs after qualifying for the additional incentive period provided in paragraph (a) of this subsection (2) but before the expiration of the additional period. For purposes of determining whether the business or industry meets the minimum jobs requirement of this subparagraph (i), the number of jobs the business or industry created in order to meet the minimum jobs requirement of paragraph (a) of this subsection (2) shall be subtracted from the minimum jobs requirement of this subparagraph (i);

(ii) The average annual wage of the jobs is at least one hundred fifty percent (150%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser. The criteria for the average annual wage requirement shall be based upon the state average annual wage or the average annual wage of the county whichever is appropriate, at the time of creation of the minimum number of jobs, and the threshold established at that time will remain constant for the duration of the additional period; and

(iii) The qualified business or industry meets and maintains the job and wage requirements of subparagraphs (i) and (ii) of this paragraph (b) for four (4) consecutive calendar quarters.

(3) In order to receive incentive payments, an establishment shall apply to the MDA. The application shall be on a form prescribed by the MDA and shall contain such information as may be required by the MDA to determine if the applicant is qualified.

(4) (a) In order to qualify to receive such payments, the establishment applying shall be required to meet the definition of the term "qualified business or industry";

(b) The criteria for the average annual salary requirement shall be based upon the state average annual wage or the average annual wage of the county whichever is appropriate, at the time of application, and the threshold established upon application will remain constant for the duration of the project;

(c) Except as otherwise provided for a qualified business or industry as defined in Section 57-62-5(a)(iii), the business or industry must meet its job creation commitment within twenty-four (24) months of the application approval. However, if the qualified business or industry is applying for incentive payments for an additional period under subsection (2) of this section, the business or industry must comply with the applicable job and wage requirements of subsection (2) of this section.

(5) (a) The MDA shall determine if the applicant is qualified to receive incentive payments.

(b) If the applicant is determined to be qualified to receive incentive payments for an additional period under subsection (2) of this section, the MDA shall conduct an analysis to estimate the amount of gross payroll for the appropriate additional period. Incentive payments, cumulatively, shall not exceed ninety percent (90%) of the amount of actual income tax withheld for employees with new direct jobs, but in no event more than four percent (4%) of the total annual salary paid for new direct jobs during the additional period, excluding benefits which are not subject to Mississippi income taxes. Once the qualified business or industry is approved by the MDA, an agreement shall be deemed to exist between the qualified business or industry and the State of Mississippi, requiring the continued incentive payment, together with any amount due pursuant to subsection (8) of this section, if applicable, to be made as long as the qualified business or industry retains its eligibility.

(6) Upon approval of such an application, the MDA shall notify the Department of Revenue and shall provide it with a copy of the approved application and the minimum job and salary requirements. The Department of Revenue may require the qualified business or industry to submit such additional information as may be necessary to administer the provisions of this chapter. The qualified business or industry shall report to the Department of Revenue periodically to show its continued eligibility for incentive payments. The qualified business or industry may be audited by the Department of Revenue to verify such eligibility. In addition, the State Auditor may conduct performance and compliance audits under this chapter according to Section 7-7-211(o) and may bill the oversight agency.

(7) If the qualified business or industry is located in an area that has been declared by the Governor to be a disaster area and as a result of the disaster the business or industry is unable to create or maintain the full-time jobs required by this section:

(a) The Commissioner of Revenue may extend the period of time that the business or industry may receive incentive payments for a period of time not to exceed two (2) years;

(b) The Commissioner of Revenue may waive the requirement that a certain number of jobs be maintained for a period of time not to exceed twenty-four (24) months; and

(c) The MDA may extend the period of time within which the jobs must be created for a period of time not to exceed twenty-four (24) months.

(8) Notwithstanding any other provision of this section to the contrary, from and after January 1, 2023, if the amount of the incentive payment that a qualified business or industry is eligible to receive under this chapter is less than the amount that the incentive payment would have been if the payment had been calculated using any applicable income tax rates in Section 27-7-5 that were in effect before January 1, 2023, then the qualified business or industry also shall receive a grant equal to the difference between such two (2) amounts. Further, the term "incentive payment," as such term is used in this chapter, shall be deemed to not refer to or otherwise include any grant payment payable to a qualified business or industry pursuant to this subsection.

The Governor may designate certain state offices and institutions as providers of essential services and require that they be open and staffed on legal holidays. The Board of Directors of the Mississippi Industries for the Blind may, in its discretion, require that its offices and operations be open and staffed on legal holidays. Employees required to work on legal holidays shall earn compensatory leave under the provisions of Section 25-3-92. No employee shall receive additional vacation or sick leave benefits for working on a legal holiday, nor shall this section be construed to authorize any additional compensation as an alternative to the accrual of compensatory leave except as specifically provided for in a legislative appropriation. The provisions of this section shall not be construed to limit the hours of operation of any agency or to abrogate any action taken during hours other than those stated, nor shall these provisions apply to any offices that do not customarily stay open five (5) days a week. The provisions of this section shall not apply to the military department of the State of Mississippi or to the armories, field training sites, air bases or other installations of the Mississippi National Guard.

(2) An appointing authority of any state service agency within the meaning of Section 25-9-107 may authorize telework for one or more of its employees in accordance with a telework policy, approved by the State Personnel Board, as provided in subsection (3) of this section.

(3) In order to implement a telework policy for one or more of its employees, an appointing authority shall:

(a) Determine whether or not telework is in the best interest of the agency. In doing so, the appointing authority * * * may seek guidance from the State Personnel Board in determining what forms of work activities can be effectively and efficiently managed through a telework arrangement;

(b) Establish procedures to protect any information that is privileged or confidential under state or federal law;

(c) Require all teleworking employees to sign a telework agreement that includes their work schedule, provides for supervisory oversight through the review of work product and deliverables on a regular basis, requires the protection of privileged or confidential information that is managed remotely on an agency computer or other devices, establishes protocols for accessibility to coworkers and clients, workplace safety, and any other matters deemed appropriate by the appointing authority; and

(d) Establish work schedules that ensure that some personnel are at the appointing authority's offices to provide direct contact with the public.

(4) For purposes of subsections (2) and (3) of this section, the term "telework" shall mean a work flexibility arrangement under which an employee performs duties, responsibilities, or other authorized activities from an approved worksite other than the location from which the employee would otherwise work.

(5) All agencies that allow employees to telework shall report to the State Personnel Board the names of the employees, their job titles, office schedule and telework schedule, who are performing telework for their agencies. On or before December 31 of each year, the State Personnel Board shall make a report related to the utilization of telework policies to the Chairmen of the House and Senate Appropriations Committees, the Accountability, Efficiency and Transparency Committees, and the Joint Legislative Committee on Performance Evaluation and Expenditure Review.

(7) Subsections (2) through (6) of this section shall stand repealed on July 1, * * * 2025.

SECTION 62. Section 71-5-355, Mississippi Code of 1972, is amended as follows:

71-5-355. (1) As used in this section, the following words and phrases shall have the following meanings, unless the context clearly requires otherwise:

(a) "Tax year" means any period beginning on January 1 and ending on December 31 of a year.

(b) "Computation date" means June 30 of any calendar year immediately preceding the tax year during which the particular contribution rates are effective.

(c) "Effective date" means January 1 of the tax year.

(d) Except as hereinafter provided, "payroll" means the total of all wages paid for employment by an employer as defined in Section 71-5-11, subsection H, plus the total of all remuneration paid by such employer excluded from the definition of wages by Section 71-5-351. For the computation of modified rates, "payroll" means the total of all wages paid for employment by an employer as defined in Section 71-5-11, subsection H.

(e) For the computation of modified rates, "eligible employer" means an employer whose experience-rating record has been chargeable with benefits throughout the thirty-six (36) consecutive calendar-month period ending on the computation date, except that any employer who has not been subject to the Mississippi Employment Security Law for a period of time sufficient to meet the thirty-six (36) consecutive calendar-month requirement shall be an eligible employer if his or her experience-rating record has been chargeable throughout not less than the twelve (12) consecutive calendar-month period ending on the computation date. No employer shall be considered eligible for a contribution rate less than five and four-tenths percent (5.4%) with respect to any tax year, who has failed to file any two (2) quarterly reports within the qualifying period by September 30 following the computation date. No employer or employing unit shall be eligible for a contribution rate of less than five and four-tenths percent (5.4%) for the tax year in which the employing unit is found by the department to be in violation of Section 71-5-19(2) or (3) and for the next two (2) succeeding tax years. No representative of such employing unit who was a party to a violation as described in Section 71-5-19(2) or (3), if such representative was or is an employing unit in this state, shall be eligible for a contribution rate of less than five and four-tenths percent (5.4%) for

the tax year in which such violation was detected by the department and for the next two (2) succeeding tax years.

(f) With respect to any tax year, "reserve ratio" means the ratio which the total amount available for the payment of benefits in the Unemployment Compensation Fund, excluding any amount which has been credited to the account of this state under Section 903 of the Social Security Act, as amended, and which has been appropriated for the expenses of administration pursuant to Section 71-5-457 whether or not withdrawn from such account, on October 31 (close of business) of each calendar year bears to the aggregate of the taxable payrolls of all employers for the twelve (12) calendar months ending on June 30 next preceding.

(g) "Modified rates" means the rates of employer unemployment insurance contributions determined under the provisions of this chapter and the rates of newly subject employers, as provided in Section 71-5-353.

(h) For the computation of modified rates, "qualifying period" means a period of not less than the thirty-six (36) consecutive calendar months ending on the computation date throughout which an employer's experience-rating record has been chargeable with benefits; except that with respect to any eligible employer who has not been subject to this article for a period of time sufficient to meet the thirty-six (36) consecutive calendar-month requirement, "qualifying period" means the period ending on the computation date throughout which his or her experience-rating record has been chargeable with benefits, but in no event less than the twelve (12) consecutive calendar-month period ending on the computation date throughout which his or her experience-rating record has been so chargeable.

(i) The "exposure criterion" (EC) is defined as the cash balance of the Unemployment Compensation Fund which is available for the payment of benefits as of November 16 of each calendar year or the next working day if November 16 falls on a holiday or a weekend, divided by the total wages, exclusive of wages paid by all state agencies, all political subdivisions, reimbursable nonprofit corporations, and tax-exempt public service employment, for the twelve-month period ending June 30 immediately preceding such date. The EC shall be computed to four (4) decimal places and rounded up if any fraction remains. Notwithstanding any other provision contained herein, the date for determining the cash balance of the Unemployment Compensation Fund which is available for the payment of benefits for the calendar years 2020 and 2021 shall be December 31.

(j) The "cost rate criterion" (CRC) is defined as follows: Beginning with January 1974, the benefits paid for the twelve-month period ending December 1974 are summed and divided by the total wages for the twelve-month period ending on June 30, 1975. Similar ratios are computed by subtracting the earliest month's benefit payments and adding the benefits of the next month in the sequence and dividing each sum of twelve (12) months' benefits by the total wages for the twelve-month period ending on the June 30 which is nearest to the final month of the period used to compute the numerator. If December is the final month of the period used to compute the numerator, then the twelve-month period ending the following June 30 will be used for the denominator. Benefits and total wages used in the computation of the cost rate criterion shall exclude all benefits and total wages applicable to state agencies, political subdivisions, reimbursable nonprofit corporations, and tax-exempt PSE employment.

The CRC shall be computed as the average for the highest monthly value of the cost rate criterion computations during each of the economic cycles since the calendar year 1974 as defined by the National Bureau of Economic Research. The CRC shall be computed to four (4) decimal places and any remainder shall be rounded up.

The CRC shall be adjusted only through annual computations and additions of future economic cycles.

(k) "Size of fund index" (SOFI) is defined as the ratio of the exposure criterion (EC) to the cost rate criterion (CRC). The target size of fund index will be fixed at 1.0. If the insured unemployment rate (IUR) exceeds a four and five-tenths percent (4.5%) average for the most recent completed July to June period, the target SOFI will be .8 and will remain at that level until the computed SOFI (the average exposure criterion of the current year and the preceding year divided by the average cost rate criterion) equals 1.0 or the average IUR falls to four and five-tenths percent (4.5%) or less for any period

July to June. However, if the IUR falls below two and five-tenths percent (2.5%) for any period July to June the target SOFI shall be 1.2 until such time as the computed SOFI is equal to or greater than 1.0 or the IUR is equal to or greater than two and five-tenths percent (2.5%), at which point the target SOFI shall return to 1.0.

(l) No employer's unemployment contribution general experience rate plus individual unemployment experience rate shall exceed five and four-tenths percent (5.4%). Accrual rules shall apply for purposes of computing contribution rates including associated functions.

(m) The term "general experience rate" has the same meaning as the minimum tax rate.

(2) Modified rates:

(a) For any tax year, when the reserve ratio on the preceding November 16, in the case of any tax year, equals or exceeds three percent (3%), the modified rates, as hereinafter prescribed, shall be in effect. In computation of this reserve ratio, any remainder shall be rounded down.

(b) Modified rates shall be determined for the tax year for each eligible employer on the basis of his or her experience-rating record in the following manner:

(i) The department shall maintain an experience-rating record for each employer. Nothing in this chapter shall be construed to grant any employer or individuals performing services for him or her any prior claim or rights to the amounts paid by the employer into the fund.

(ii) Benefits paid to an eligible individual shall be charged against the experience-rating record of his or her base period employers in the proportion to which the wages paid by each base period employer bears to the total wages paid to the individual by all the base period employers, provided that benefits shall not be charged to an employer's experience-rating record if the department finds that the individual:

1. Voluntarily left the employ of such employer without good cause attributable to the employer or to accept other work;

2. Was discharged by such employer for misconduct connected with his or her work;

3. Refused an offer of suitable work by such employer without good cause, and the department further finds that such benefits are based on wages for employment for such employer prior to such voluntary leaving, discharge or refusal of suitable work, as the case may be;

4. Had base period wages which included wages for previously uncovered services as defined in Section 71-5-511(e) to the extent that the Unemployment Compensation Fund is reimbursed for such benefits pursuant to Section 121 of Public Law 94-566;

5. Extended benefits paid under the provisions of Section 71-5-541 which are not reimbursable from federal funds shall be charged to the experience-rating record of base period employers;

6. Is still working for such employer on a regular part-time basis under the same employment conditions as hired. Provided, however, that benefits shall be charged against an employer if an eligible individual is paid benefits who is still working for such employer on a part-time "as-needed" basis;

7. Was hired to replace a United States serviceman or servicewoman called into active duty and was laid off upon the return to work by that serviceman or servicewoman, unless such employer is a state agency or other political subdivision or instrumentality of the state;

8. Was paid benefits during any week while in training with the approval of the department, under the provisions of Section 71-5-513B, or for any week while in training approved under Section 236(a)(1) of the Trade Act of 1974, under the provisions of Section 71-5-513C;

9. Is not required to serve the one-week waiting period as described in Section 71-5-505(2). In that event, only the benefits paid in lieu of the waiting period week may be noncharged; or

10. Was paid benefits as a result of a fraudulent claim, provided notification was made to the Mississippi Department of Employment

Security in writing or by email by the employer, within ten (10) days of the mailing of the notice of claim filed to the employer's last-known address.

(iii) Notwithstanding any other provision contained herein, an employer shall not be noncharged when the department finds that the employer or the employer's agent of record was at fault for failing to respond timely or adequately to the request of the department for information relating to an unemployment claim that was subsequently determined to be improperly paid, unless the employer or the employer's agent of record shows good cause for having failed to respond timely or adequately to the request of the department for information. For purposes of this subparagraph "good cause" means an event that prevents the employer or employer's agent of record from timely responding, and includes a natural disaster, emergency or similar event, or an illness on the part of the employer, the employer's agent of record, or their staff charged with responding to such inquiries when there is no other individual who has the knowledge or ability to respond. Any agency error that resulted in a delay in, or the failure to deliver notice to, the employer or the employer's agent of record shall also be considered good cause for purposes of this subparagraph.

(iv) The department shall compute a benefit ratio for each eligible employer, which shall be the quotient obtained by dividing the total benefits charged to his or her experience-rating record during the period his or her experience-rating record has been chargeable, but not less than the twelve (12) consecutive calendar-month period nor more than the thirty-six (36) consecutive calendar-month period ending on the computation date, by his or her total taxable payroll for the same period on which all unemployment insurance contributions due have been paid on or before the September 30 immediately following the computation date. Such benefit ratio shall be computed to the tenth of a percent (.1%), rounding any remainder to the next higher tenth.

(v) 1. The unemployment insurance contribution rate for each eligible employer shall be the sum of two (2) rates: his or her individual experience rate in the range from zero percent (0%) to five and four-tenths percent (5.4%), plus a general experience rate. In no event shall the resulting unemployment insurance rate be in excess of five and four-tenths percent (5.4%), however, it is the intent of this section to provide the ability for employers to have a tax rate, the general experience rate plus the individual experience rate, of up to five and four-tenths percent (5.4%).

2. The employer's individual experience rate shall be equal to his or her benefit ratio as computed under paragraph (b)(iv) of this subsection (2).

3. The general experience rate shall be determined in the following manner: The department shall determine annually, for the thirty-six (36) consecutive calendar-month period ending on the computation date, the amount of benefits which were not charged to the record of any employer and of benefits which were ineffectively charged to the employer's experience-rating record. For the purposes of this item 3, the term "ineffectively charged benefits" shall include:

a. The total of the amounts of benefits charged to the experience-rating records of all eligible employers which caused their benefit ratios to exceed five and four-tenths percent (5.4%);

b. The total of the amounts of benefits charged to the experience-rating records of all ineligible employers which would cause their benefit ratios to exceed five and four-tenths percent (5.4%) if they were eligible employers; and

c. The total of the amounts of benefits charged or chargeable to the experience-rating record of any employer who has discontinued his or her business or whose coverage has been terminated within such period; provided, that solely for the purposes of determining the amounts of ineffectively charged benefits as herein defined, a "benefit ratio" shall be computed for each ineligible employer, which shall be the quotient obtained by dividing the total benefits charged to his or her experience-rating record throughout the period ending on the computation date, during which his or her experience-rating record has been chargeable with benefits, by his or her total taxable payroll for the same period on which all unemployment insurance contributions due have been paid on or before the September 30 immediately following

the computation date; and provided further, that such benefit ratio shall be computed to the tenth of one percent (.1%) and any remainder shall be rounded to the next higher tenth.

The ratio of the sum of these amounts (subsection (2)(b)(v)3a, b and c) to the taxable wages paid during the same period divided by all eligible employers whose benefit ratio did not exceed five and four-tenths percent (5.4%), computed to the next higher tenth of one percent (.1%), shall be the general experience rate; however, the general experience rate for rate year 2014 shall be two tenths of one percent (.2%) and to that will be added the employer's individual experience rate for the total unemployment insurance rate.

4. a. Except as otherwise provided in this item 4, the general experience rate shall be adjusted by use of the size of fund index factor. This factor may be positive or negative, and shall be determined as follows: From the target SOFI, as defined in subsection (1)(k) of this section, subtract the simple average of the current and preceding years' exposure criterions divided by the cost rate criterion, as defined in subsection (1)(j) of this section. The result is then multiplied by the product of the CRC, as defined in subsection (1)(j) of this section, and total wages for the twelve-month period ending June 30 divided by the taxable wages for the twelve-month period ending June 30. This is the percentage positive or negative added to the general experience rate. The sum of the general experience rate and the trust fund adjustment factor shall be multiplied by fifty percent (50%) and this product shall be computed to one (1) decimal place, and rounded to the next higher tenth.

b. Notwithstanding the minimum rate provisions as set forth in subsection (1)(l) of this section, the general experience rate of all employers shall be reduced by seven one-hundredths of one percent (.07%) for calendar year 2013 only.

5. The general experience rate shall be zero percent (0%) unless the general experience ratio for any tax year as computed and adjusted on the basis of the trust fund adjustment factor and reduced by fifty percent (50%) is an amount equal to or greater than two-tenths of one percent (.2%), then the general experience rate shall be the computed general experience ratio and adjusted on the basis of the trust fund adjustment factor and reduced by fifty percent (50%); however, in no case shall the sum of the general experience plus the individual experience unemployment insurance rate exceed five and four-tenths percent (5.4%). For rate years subsequent to 2014, Mississippi Workforce Enhancement Training contribution rate, and/or State Workforce Investment contribution rate, and/or Mississippi Works contribution rate, when in effect, shall be added to the unemployment contribution rate, regardless of whether the addition of this contribution rate causes the total contribution rate for the employer to exceed five and four-tenths percent (5.4%).

6. The department shall include in its annual rate notice to employers a brief explanation of the elements of the general experience rate, and shall include in its regular publications an annual analysis of benefits not charged to the record of any employer, and of the benefit experience of employers by industry group whose benefit ratio exceeds four percent (4%), and of any other factors which may affect the size of the general experience rate.

7. Notwithstanding any other provision contained herein, the general experience rate for calendar year 2021 shall be zero percent (0%). Charges attributed to each employer's individual experience rate for the period March 8, 2020, through June 30, 2020, will not impact the employer's individual experience rate calculations for purposes of calculating the total unemployment insurance rate for 2021 and the two (2) subsequent tax rate years. Moreover, charges attributed to each employer's individual experience rate for the period July 1, 2020, through December 31, 2020, will not impact the employer's individual experience rate calculations for purposes of calculating the total unemployment insurance rate for 2022 and the two (2) subsequent tax rate years. Furthermore, noncharges as defined hereinabove caused by the COVID-19 pandemic will not be used for the purposes of calculating the general experience rate.

(vi) When any employing unit in any manner succeeds to or acquires the organization, trade, business or substantially all the assets thereof of an

employer, excepting any assets retained by such employer incident to the liquidation of his or her obligations, whether or not such acquiring employing unit was an employer within the meaning of Section 71-5-11, subsection H, prior to such acquisition, and continues such organization, trade or business, the experience-rating and payroll records of the predecessor employer shall be transferred as of the date of acquisition to the successor employer for the purpose of rate determination.

(vii) When any employing unit succeeds to or acquires a distinct and severable portion of an organization, trade or business, the experience-rating and payroll records of such portion, if separately identifiable, shall be transferred to the successor upon:

1. The mutual consent of the predecessor and the successor;

2. Approval of the department;

3. Continued operation of the transferred portion by the successor after transfer; and

4. The execution and the filing with the department by the predecessor employer of a waiver relinquishing all rights to have the experience-rating and payroll records of the transferred portion used for the purpose of determining modified rates of contribution for such predecessor.

(viii) If the successor was an employer subject to this chapter prior to the date of acquisition, it shall continue to pay unemployment insurance contributions at the rate applicable to it from the date the acquisition occurred until the end of the then current tax year. If the successor was not an employer prior to the date of acquisition, it shall pay unemployment insurance contributions at the rate applicable to the predecessor or, if more than one (1) predecessor and the same rate is applicable to both, the rate applicable to the predecessor or predecessors, from the date the acquisition occurred until the end of the then current tax year. If the successor was not an employer prior to the date the acquisition occurred and simultaneously acquires the businesses of two (2) or more employers to whom different rates of unemployment insurance contributions are applicable, it shall pay unemployment insurance contributions from the date of the acquisition until the end of the current tax year at a rate computed on the basis of the combined experience-rating and payroll records of the predecessors as of the computation date for such tax year. In all cases the rate of unemployment insurance contributions applicable to such successor for each succeeding tax year shall be computed on the basis of the combined experience-rating and payroll records of the successor and the predecessor or predecessors.

(ix) The department shall notify each employer quarterly of the benefits paid and charged to his or her experience-rating record; and such notification, in the absence of an application for redetermination filed within thirty (30) days after the date of such notice, shall be final, conclusive and binding upon the employer for all purposes. A redetermination, made after notice and opportunity for a fair hearing, by a hearing officer designated by the department who shall consider and decide these and related applications and protests; and the finding of fact in connection therewith may be introduced into any subsequent administrative or judicial proceedings involving the determination of the rate of unemployment insurance contributions of any employer for any tax year, and shall be entitled to the same finality as is provided in this subsection with respect to the findings of fact in proceedings to redetermine the contribution rate of an employer.

(x) The department shall notify each employer of his or her rate of contribution as determined for any tax year as soon as reasonably possible after September 1 of the preceding year. Such determination shall be final, conclusive and binding upon such employer unless, within thirty (30) days after the date of such notice to his or her last-known address, the employer files with the department an application for review and redetermination of his or her contribution rate, setting forth his or her reasons therefor. If the department grants such review, the employer shall be promptly notified thereof and shall be afforded an opportunity for a fair hearing by a hearing officer designated by the department who shall consider and decide these and related applications and protests; but no employer shall be allowed, in any proceeding involving his or her rate of unemployment insurance contributions or contribution liability, to contest

the chargeability to his or her account of any benefits paid in accordance with a determination, redetermination or decision pursuant to Sections 71-5-515 through 71-5-533 except upon the ground that the services on the basis of which such benefits were found to be chargeable did not constitute services performed in employment for him or her, and then only in the event that he or she was not a party to such determination, redetermination, decision or to any other proceedings provided in this chapter in which the character of such services was determined. The employer shall be promptly notified of the denial of this application or of the redetermination, both of which shall become final unless, within ten (10) days after the date of notice thereof, there shall be an appeal to the department itself. Any such appeal shall be on the record before said designated hearing officer, and the decision of said department shall become final unless, within thirty (30) days after the date of notice thereof to the employer's last-known address, there shall be an appeal to the Circuit Court of the First Judicial District of Hinds County, Mississippi, in accordance with the provisions of law with respect to review of civil causes by certiorari.

(3) Notwithstanding any other provision of law, the following shall apply regarding assignment of rates and transfers of experience:

(a) (i) If an employer transfers its trade or business, or a portion thereof, to another employer and, at the time of the transfer, there is substantially common ownership, management or control of the two (2) employers, then the unemployment experience attributable to the transferred trade or business shall be transferred to the employer to whom such business is so transferred. The rates of both employers shall be recalculated and made effective on January 1 of the year following the year the transfer occurred.

(ii) If, following a transfer of experience under subparagraph (i) of this paragraph (a), the department determines that a substantial purpose of the transfer of trade or business was to obtain a reduced liability of unemployment insurance contributions, then the experience-rating accounts of the employers involved shall be combined into a single account and a single rate assigned to such account.

(b) Whenever a person who is not an employer or an employing unit under this chapter at the time it acquires the trade or business of an employer, the unemployment experience of the acquired business shall not be transferred to such person if the department finds that such person acquired the business solely or primarily for the purpose of obtaining a lower rate of unemployment insurance contributions. Instead, such person shall be assigned the new employer rate under Section 71-5-353, unless assignment of the new employer rate results in an increase of less than two percent (2%), in which case such person would be assigned the new employer rate plus an additional two percent (2%) penalty for the rate year. In determining whether the business was acquired solely or primarily for the purpose of obtaining a lower rate of unemployment insurance contributions, the department shall use objective factors which may include the cost of acquiring the business, whether the person continued the business enterprise of the acquired business, how long such business enterprise was continued, or whether a substantial number of new employees were hired for performance of duties unrelated to the business activity conducted prior to acquisition.

(c) (i) If a person knowingly violates or attempts to violate paragraph (a) or (b) of this subsection or any other provision of this chapter related to determining the assignment of a contribution rate, or if a person knowingly advises another person in a way that results in a violation of such provision, the person shall be subject to the following penalties:

1. If the person is an employer, then such employer shall be assigned the highest rate assignable under this chapter for the rate year during which such violation or attempted violation occurred and the three (3) rate years immediately following this rate year. However, if the person's business is already at such highest rate for any year, or if the amount of increase in the person's rate would be less than two percent (2%) for such year, then the person's tax rate shall be increased by two percent (2%) for such year. The penalty rate will apply to the successor business as well as the related entity from which the employees were transferred in an effort to obtain a lower rate of unemployment insurance contributions.

2. If the person is not an employer, such person shall be subject to a civil money penalty of not more than Five Thousand Dollars (\$5,000.00). Each such transaction for which advice was given and each occurrence or reoccurrence after notification being given by the department shall be a separate offense and punishable by a separate penalty. Any such fine shall be deposited in the penalty and interest account established under Section 71-5-114.

(ii) For purposes of this paragraph (c), the term "knowingly" means having actual knowledge of or acting with deliberate ignorance or reckless disregard for the prohibition involved.

(iii) For purposes of this paragraph (c), the term "violates or attempts to violate" includes, but is not limited to, intent to evade, misrepresentation or willful nondisclosure.

(iv) In addition to the penalty imposed by subparagraph (i) of this paragraph (c), any violation of this subsection may be punishable by a fine of not more than Ten Thousand Dollars (\$10,000.00) or by imprisonment for not more than five (5) years, or by both such fine and imprisonment. This subsection shall prohibit prosecution under any other criminal statute of this state.

(d) The department shall establish procedures to identify the transfer or acquisition of a business for purposes of this subsection.

(e) For purposes of this subsection:

(i) "Person" has the meaning given such term by Section 7701(a)(1) of the Internal Revenue Code of 1986; and

(ii) "Employing unit" has the meaning as set forth in Section 71-5-11.

(f) This subsection shall be interpreted and applied in such a manner as to meet the minimum requirements contained in any guidance or regulations issued by the United States Department of Labor.

SECTION 63. The following shall be codified as Section 71-5-146, Mississippi Code of 1972:

71-5-146. (1) The Mississippi Department of Employment Security shall have the authority to fingerprint and conduct a background investigation on every employee, contractor and subcontractor who:

(a) Has access to Federal Tax Information (FTI); or

(b) Is otherwise required by state or federal law or regulations to undergo a background investigation.

(2) The department shall have the authority to enact policies and procedures that allow designated department employees to:

(a) Access and review state and federal criminal history records;

(b) Fingerprint individuals identified in subsection (1) of this section;

(c) Forward the fingerprints to the Federal Bureau of Investigation (FBI) for a fingerprint-based national criminal history record check for the purpose of establishing and ensuring that background investigation requirements for all department employees, contractors and subcontractors that have access to FTI are consistent with the Internal Revenue Service background investigation requirements for access to FTI, including, but not limited to, IRS Publication 1075; and

(d) Develop additional background policies and procedures as required by state or federal law or regulations.

SECTION 64. Section 62 of this act shall take effect and be in force from and after January 1, 2023, and the remainder of this act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 677: County veteran service officers; revise certain qualifications for.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 35-3-21, Mississippi Code of 1972, as amended by Senate Bill No. 2197, 2023 Regular Session, is amended as follows:

35-3-21. In order to maintain offices and pay personnel for the purpose of assisting all residents of the State of Mississippi who served in the military or naval forces of the United States during any war, their relatives, beneficiaries or dependents, to receive from the United States any and all compensation, hospitalization, insurance or other aid or benefits to which they may be entitled under existing or hereafter enacted laws of the United States, the boards of supervisors in the various counties in the state are hereby authorized and empowered, in their discretion, to expend out of the general county fund, or special veterans' fund herein authorized to be set up, or from both of such funds, such monies necessary to defray the office operating expenses and salary of the county veteran service officers.

Two (2) or more counties may, upon resolution duly adopted by the board of supervisors of each of such counties, agree to establish one (1) veteran service office for all of such counties. When two (2) or more counties enter into such an agreement, each county shall pay such amount mutually agreed upon and duly adopted by resolution of the respective boards of supervisors.

County veteran service officers shall be (a) honorably discharged or honorably released veterans; (b) the surviving spouse or child of any such * * * veteran, living or deceased; or (c) any person employed as a county veteran service officer in any county of this state on March 30, 1990. From and after July 1, 1990, county veteran service officers shall be certified by the Mississippi State Veterans Affairs Board which, among any other criteria it may establish, shall require such officers to (a) attend one (1) of the annual training programs provided for such officers by the Mississippi State Veterans Affairs Board, (b) successfully complete a written examination each year on the duties and responsibilities of and assistance available to such officers and veterans, (c) have certification and be accredited according to 38 CFR Section 14.629 administered by the Mississippi State Veterans Affairs Board, and (d) follow the rules and regulations promulgated by the Mississippi State Veterans Affairs Board. County veteran service officers who annually receive and complete such instruction in a manner satisfactory to the Veterans Affairs Board and in accordance with this section shall be certified by the board. No county veteran service officer shall be entitled to receive any compensation for his services, to which he is otherwise entitled by law, unless he is annually certified by the board. Persons who cannot meet the accreditation standards of hours worked for county veteran service officers may be certified by the Mississippi State Veterans Affairs Board as Veterans Resource Advisors and be entitled to receive any compensation for his services as authorized by law.

County veteran service officers may be employed, in the discretion of the boards of supervisors, either full time or part time.

County veteran service officers shall be authorized and empowered to act for a veteran under a written power of attorney authorized by the veteran for the purpose of assisting with claims, benefits, and appeals in an administrative hearing before the United States Department of Veterans Affairs and any of its boards or departments, and shall be immune from legal action only for such actions except in cases of abuse, fraud or breach of fiduciary duty.

The boards of supervisors of the various counties are authorized and directed to provide necessary office space and communications connectivity for county veteran service officers.

The boards of supervisors of the various counties are further authorized and empowered to pay all necessary and actual expenses of county veteran service officers who attend a school of instruction within the State of Mississippi for such county veteran service officers.

It shall also be the duty of the boards of supervisors to aid the United States to defeat all unjust claims for aid or benefit therefrom.

Such expenditures may be made by the several counties acting alone, or in cooperation with other counties, and in cooperation with any federal or state agency carrying out such purposes.

In the event that the general revenues of the county levied under and within the limits of existing taxing statutes are not sufficient to pay the expenses authorized herein, the board of supervisors may, in its discretion, levy an additional tax not to exceed one (1) mill on all taxable property in the county to defray such expenses or any part thereof. Any tax levy made under authority of this chapter shall not be considered in refunding homestead exemption losses under Title 27, Chapter 33, Mississippi Code of 1972.

SECTION 2. This act shall take effect and be in force from and after July 1, 2023.

SECTION 1. The following shall be codified as Section 37-11-81, Mississippi Code of 1972:

37-11-81. (1) The state, or any of its agencies, a school district, charter school, the Mississippi School of the Arts, the Mississippi School for Mathematics and Science, the Mississippi Virtual Public School, the Mississippi School for the Deaf or the Mississippi School for the Blind (hereafter, "the contracting party") may offer digital or online resources or databases to students in kindergarten through twelfth grade only if the vendor or other person or entity providing the resources verifies that all the resources will comply with the provisions of subsection (2) of this section.

(2) A vendor or other person or entity providing digital or online resources or databases under the authority of this section must have safety policies and technology protection measures that:

(a) Prohibit and prevent a person from sending, receiving, viewing or downloading materials that are:

Notwithstanding any other provision of law to the contrary, in a contract between the contracting party and a provider to the contrary, if a provider of digital or online resources or databases fails to comply with the requirements of this section, the contracting party shall withhold further payments, if any, to the provider pending verification of compliance.

(b) The provisions of this section apply to a vendor or other person or entity that provisions instances of Internet infrastructure for the purpose of publishing content. (e) Upon a second uncured occurrence by a provider of noncompliance with subsection (2) and failure to verify within thirty (30) days of receiving notice of the noncompliance from the contracting party that the provider is in compliance with the requirements of this section, the contracting party is entitled to a reduction in the amount of ten percent (10%) of the agreed upon price in the contract to be paid by the contracting party to the provider. The contracting party shall adjust any future payments due to the provider under the contract accordingly to effectuate the ten percent (10%) reduction. However, if the contract price has been paid in full, or if the balance owed on the contract price is equal to less than ten percent (10%) of the contract price, the provider must return to the contracting party such amount that is required to effectuate a ten percent (10%) reduction of the contract price.

(f) Upon a third uncured occurrence by a provider of noncompliance with subsection (2) and failure to verify within thirty (30) days of receiving notice of the noncompliance from the contracting party that the provider is in compliance with the requirements of this section, the contract must be considered terminated and the contracting party is entitled to a complete refund of the agreed upon price in the contract to be paid by the contracting party to the provider. The contracting party shall withhold any future payments that may be due to the provider, and the provider must return to the contracting party all amounts previously paid to the provider under the contract.

(4) The Attorney General may investigate compliance with this section. The contracting party must report to the Attorney General a provider's failure to comply with subsection (2) of this section no later than thirty (30) days after the contracting party learns

(b) Block, or otherwise prohibit and prevent, a minor from accessing obscene materials, inappropriate materials, materials that are sexually oriented or materials that depict, describe or promote child pornography or child sexual exploitation.

(3) (a) The provisions of this section take precedence over any provision in a contract between the contracting party and a vendor or other person or entity providing digital or online resources or databases to the contrary. Notwithstanding any provision in a contract between the contracting party and a provider to the contrary, if a provider of digital or online resources or databases fails to comply with the requirements of this section, the contracting party shall withhold further payments, if any, to the provider pending verification of compliance.

(b) The provisions of this section shall apply to a vendor or other person or entity that provisions instances of Internet infrastructure for the purpose of publishing content. A cloud service provider shall not be held to have violated the provisions of this act solely for providing noncontent provisioning services, including Infrastructure-as-a-Service (IaaS) and Platform-as-a-Service (PaaS).

(c) The provisions of this section do not apply to the use of digital or online resources or databases by a student enrolled in a Mississippi institution of higher education or a Mississippi community or junior college, including dual-enrolled students.

(d) Upon a first uncured occurrence by a provider of digital or online resources or databases of noncompliance with subsection (2) of this section and failure to verify within thirty (30) days of receiving notice of the noncompliance from the contracting party that the provider is in compliance with this section, the contracting party shall consider the provider's noncompliance to be a breach of contract.

(e) Upon a second uncured occurrence by a provider of noncompliance with subsection (2) and failure to verify within thirty (30) days of receiving notice of the noncompliance from the contracting party that the provider is in compliance with the requirements of this section, the contracting party is entitled to a reduction in the amount of ten percent (10%) of the agreed upon price in the contract to be paid by the contracting party to the provider. The contracting party shall adjust any future payments due to the provider under the contract accordingly to effectuate the ten percent (10%) reduction. However, if the contract price has been paid in full, or if the balance owed on the contract price is equal to less than ten percent (10%) of the contract price, the provider must return to the contracting party such amount that is required to effectuate a ten percent (10%) reduction of the contract price.

(f) Upon a third uncured occurrence by a provider of noncompliance with subsection (2) and failure to verify within thirty (30) days of receiving notice of the noncompliance from the contracting party that the provider is in compliance with the

The contracting party shall withhold any future payments that may be due to the provider, and the provider must return to the contracting party all amounts previously paid to the provider under the contract.

(4) Prior to withholding any payment for noncompliance under this act, any contracting party must provide to the database vendor:

(i) Written notice of the nature of the violation, including reasonable identification of the prohibited material and the manner of its access.

(ii) Thirty (30) days to present evidence that the acts alleged to constitute a violation are not a breach of the provider's obligation.

(iii) Thirty (30) days to cure any occurrence of noncompliance.

(iv) After having exhausted the administrative remedies referenced in subparagraphs (i) – (iii), the opportunity to tender the disputed contract funds into the registry of a court of competent jurisdiction and to seek a judicial determination of the rights under the contract.

(5) The Attorney General may investigate compliance with this section. The contracting party must report to the Attorney General a provider's failure to comply with subsection (2) of this section no later than thirty (30) days after the contracting party learns of the provider's noncompliance. Such a report shall constitute a public record under the Mississippi Public Records Act.

Unless the contrary intent shall clearly appear in the particular act in question, each and every act passed hereafter shall be read and construed as though the provisions of the first paragraph of this section form an integral part thereof, whether expressly set out therein or not.

SECTION 4. This act shall take effect and be in force from and after July 1, 2023.

H. B. No. 1671: Tax credits; revise certain existing and authorize additional.

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1671: Tax credits; revise certain existing and authorize additional.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 27-7-22.43, Mississippi Code of 1972, is amended as follows:

27-7-22.43. (1) This section shall be known and may be cited as the "Pregnancy Resource Act."

(2) For the purposes of this section, the following words and phrases shall have the meanings ascribed in this section unless the context clearly indicates otherwise:

(a) "Department" means the Department of Revenue.

(b) "Eligible charitable organization" means an organization that is exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code and is a pregnancy resource center or crisis pregnancy center eligible to receive funding disbursed by the Choose Life Advisory Committee, Choose Life Mississippi or any successor entity under Section 27-19-56.70, 27-19-56.277 and/or 27-19-56.412. To be

considered an "eligible charitable organization" a pregnancy resource center or crisis pregnancy center must meet the following criteria:

(i) Certify that no more than ten percent (10%) of the contributions received under this section will be spent on administrative purposes;

(ii) File annually with the Secretary of State the organization's publicly available Internal Revenue Service filings.

(3) (a) The tax credit authorized in this section shall be available only to a taxpayer who is a business enterprise engaged in commercial, industrial or professional activities and operating as a corporation, limited liability company, partnership or sole proprietorship. Except as otherwise provided in this section, a credit is allowed against the taxes imposed by Sections 27-7-5, 27-15-103, 27-15-109 and 27-15-123, for voluntary cash contributions made by a taxpayer during the taxable year to an eligible charitable organization. For calendar year 2022, for a taxpayer that is not operating as a corporation, a credit is also allowed against ad valorem taxes assessed and levied on real property for voluntary cash contributions made by the taxpayer during the taxable year to an eligible charitable organization. From and after January 1, 2023, a credit is also allowed against ad valorem taxes assessed and levied on real property for voluntary cash contributions made by a taxpayer during the taxable year to an eligible charitable organization. The amount of credit that may be utilized by a taxpayer in a taxable year shall be limited to (i) an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for the taxes imposed by such sections of law and (ii) an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for ad valorem taxes assessed and levied on real property. However, for credits allocated under this section on or after January 1, 2023, the amount of credit that may be utilized by a taxpayer in a taxable year shall be limited to (i) an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for the taxes imposed by such sections of law and (ii) an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for ad valorem taxes assessed and levied on real property. Any tax credit claimed under this section but not used in any taxable year may be carried forward for five (5) consecutive years from the close of the tax year in which the credits were earned.

(b) A contribution for which a credit is claimed under this section may not be used as a deduction by the taxpayer for state income tax purposes.

(4) Taxpayers taking a credit authorized by this section shall provide the name of the eligible charitable organization and the amount of the contribution to the department on forms provided by the department.

(5) An eligible charitable organization shall provide the department with a written certification that it meets all criteria to be considered an eligible charitable organization. The organization shall also notify the department of any changes that may affect eligibility under this section.

(6) The eligible charitable organization's written certification must be signed by an officer of the organization under penalty of perjury. The written certification shall include the following:

(a) Verification of the organization's status under Section 501(c)(3) of the Internal Revenue Code;

(b) A statement that the organization does not provide, pay for or provide coverage of abortions and does not financially support any other entity that provides, pays for or provides coverage of abortions;

(c) Any other information that the department requires to administer this section.

(7) The department shall review each written certification and determine whether the organization meets all the criteria to be considered an eligible charitable organization and notify the organization of its determination. The department may also periodically request recertification from the organization. The department shall compile and make available to the public a list of eligible charitable organizations.

(8) Tax credits authorized by this section that are earned by a partnership, limited liability company, S corporation or other similar pass-through entity, shall be allocated among all partners, members or shareholders, respectively, either in proportion to their ownership interest in such entity or as the partners, members or shareholders mutually agree as provided in an executed document.

(9) (a) A taxpayer shall apply for credits with the department on forms prescribed by the department. In the application the taxpayer shall certify to the department the dollar amount of the contributions made or to be made during the calendar year. Within thirty (30) days after the receipt of an application, the department shall allocate credits based on the dollar amount of contributions as certified in the application. However, if the department cannot allocate the full amount of credits certified in the application due to the limit on the aggregate amount of credits that may be awarded under this section in a calendar year, the department shall so notify the applicant within thirty (30) days with the amount of credits, if any, that may be allocated to the applicant in the calendar year. Once the department has allocated credits to a taxpayer, if the contribution for which a credit is allocated has not been made as of the date of the allocation, then the contribution must be made not later than sixty (60) days from the date of the allocation. If the contribution is not made within such time period, the allocation shall be cancelled and returned to the department for reallocation. Upon final documentation of the contributions, if the actual dollar amount of the contributions is lower than the amount estimated, the department shall adjust the tax credit allowed under this section.

(b) For the purposes of using a tax credit against ad valorem taxes assessed and levied on real property, a taxpayer shall present to the appropriate tax collector the tax credit documentation provided to the taxpayer by the Department of Revenue, and the tax collector shall apply the tax credit against such ad valorem taxes. The tax collector shall forward the tax credit documentation to the Department of Revenue along with the amount of the tax credit applied against ad valorem taxes, and the department shall disburse funds to the tax collector for the amount of the tax credit applied against ad valorem taxes. Such payments by the Department of Revenue shall be made from current tax collections.

(10) The aggregate amount of tax credits that may be allocated by the department under this section during a calendar year shall not exceed Three Million Five Hundred Thousand Dollars (\$3,500,000.00). However, for calendar year 2023, and for each calendar year thereafter, the aggregate amount of tax credits that may be allocated by the department under this section during a calendar year shall not exceed Ten Million Dollars (\$10,000,000.00). For credits allocated during a calendar year for contributions to eligible charitable organizations, no more than * * * twenty-five percent (25%) of such credits may be allocated for contributions to a single eligible charitable organization.

SECTION 2. Section 27-7-22.39, Mississippi Code of 1972, is amended as follows:

27-7-22.39. (1) As used in this section:

(a) "Low-income residents" means persons whose household income is less than one hundred fifty percent (150%) of the federal poverty level.

(b) "Qualifying charitable organization" means a charitable organization that is exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code or is a designated community action agency that receives community services block grant program monies pursuant to 42 USC 9901. The organization must spend at least fifty percent (50%) of its budget on services to residents of this state who receive temporary assistance for needy families benefits or low-income residents of this state and their households or to children who have a chronic illness or physical, intellectual, developmental or emotional disability who are residents of this state. A charitable organization that is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and that meets all other requirements of this paragraph except that it does not spend at least fifty percent (50%) of its overall budget in Mississippi may be a qualifying charitable organization if it spends at least fifty percent (50%) of its Mississippi budget on services to qualified individuals in Mississippi and it certifies to the department that one hundred percent (100%) of the voluntary cash contributions from the taxpayer will be spent on services to qualified individuals in Mississippi. Taxpayers choosing to make donations through an umbrella charitable organization that collects donations on behalf of member charities shall designate that the donation be directed to a member charitable organization that would qualify under this section on a stand-alone basis. Qualifying charitable organization does not include any entity that provides, pays for or provides coverage of abortions or that financially supports any other entity that provides, pays for or provides coverage of abortions.

(c) "Qualifying foster care charitable organization" means a qualifying charitable organization that each operating year provides services to at least one hundred (100) qualified individuals in this state and spends at least fifty percent (50%) of its budget on services to qualified individuals in this state. A charitable organization that is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and that meets all other requirements of this paragraph except that it does not spend at least fifty percent (50%) of its overall budget in Mississippi may be a qualifying foster care charitable organization if it spends at least fifty percent (50%) of its Mississippi budget on services to qualified individuals in Mississippi and it certifies to the department that one hundred percent (100%) of the voluntary cash contributions from the taxpayer will be spent on services to qualified individuals in Mississippi. For the purposes of this paragraph, "qualified individual" means a child in a foster care placement program established by the Department of Child Protection Services, a child placed under the Safe Families for Children model, or a child at significant risk of entering a foster care placement program established by the Department of Child Protection Services.

(d) "Services" means:

(i) Cash assistance, medical care, child care, food, clothing, shelter, and job-placement services or any other assistance that is reasonably necessary to meet immediate basic needs and that is provided and used in this state;

(ii) Job-training or education services or funding for parents, foster parents or guardians; or (iii) Job-training or education services or funding provided as part of a foster care independent living program.

(2) (a) Except as provided in subsections (3) and (4) of this section, a credit is allowed against the taxes imposed by this chapter for voluntary cash contributions by the taxpayer during the taxable year to a qualifying charitable organization, other than a qualifying foster care charitable organization, not to exceed:

(* * *i) Through calendar year 2022, the lesser of Four Hundred Dollars (\$400.00) or the amount of the contribution in any taxable year for a single individual or a head of household; and for calendar year 2023 and each calendar year thereafter, the lesser of One Thousand Two Hundred Dollars (\$1,200.00) or the amount of the contribution in any taxable year for a single individual or a head of household.

(* * *ii) Through calendar year 2022, the lesser of Eight Hundred Dollars (\$800.00) or the amount of the contribution in any taxable year for a married couple filing a joint return; and for calendar year 2023 and each calendar year thereafter, the lesser of Two Thousand Four Hundred Dollars (\$2,400.00) or the amount of the contribution in any taxable year for a married couple filing a joint return.

(b) From and after January 1, 2023, a credit is also allowed against ad valorem taxes assessed and levied on real property for voluntary cash contributions made by the individual taxpayer during the taxable year to a qualifying charitable organization, other than a qualifying foster care charitable organization. The amount of credit that may be utilized by a taxpayer in a taxable year shall be limited to an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for ad valorem taxes assessed and levied on real property. Any tax credit claimed under this paragraph but not used in any taxable year may be carried forward for five (5) consecutive years from the close of the tax year in which the credits were earned.

(3) (a) A separate credit is allowed against the taxes imposed by this chapter for voluntary cash contributions during the taxable year to a qualifying foster care charitable organization. A contribution to a qualifying foster care charitable organization does not qualify for, and shall not be included in, any credit amount under subsection (2) of this section. If the voluntary cash contribution by the taxpayer is to a qualifying foster care charitable organization, the credit shall not exceed:

(* * *i) Through calendar year 2022, the lesser of Five Hundred Dollars (\$500.00) or the amount of the contribution in any taxable year for a single individual or a head of household; and for calendar year 2023 and each calendar year thereafter, the lesser of One Thousand Five Hundred Dollars (\$1,500.00) or the amount of the contribution in any taxable year for a single individual or a head of household.

(* * *ii) Through calendar year 2022, the lesser of One Thousand Dollars (\$1,000.00) or the amount of the contribution in any taxable year for a married couple filing a joint return; and for calendar year 2023 and each calendar year thereafter,

the lesser of Three Thousand Dollars (\$3,000.00) or the amount of the contribution in any taxable year for a married couple filing a joint return.

(b) From and after January 1, 2023, a credit is also allowed against ad valorem taxes assessed and levied on real property for voluntary cash contributions made by the individual taxpayer during the taxable year to a qualifying foster care charitable organization. The amount of credit that may be utilized by a taxpayer in a taxable year shall be limited to an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for ad valorem taxes assessed and levied on real property. Any tax credit claimed under this paragraph but not used in any taxable year may be carried forward for five (5) consecutive years from the close of the tax year in which the credits were earned.

(4) Subsections (2) and (3) of this section provide separate credits against taxes imposed by this chapter depending on the recipients of the contributions. A taxpayer, including a married couple filing a joint return, in the same taxable year, may either or both:

(a) Contribute to a qualifying charitable organization, other than a qualifying foster care charitable organization, and claim a credit under subsection (2) of this section.

(b) Contribute to a qualifying foster care charitable organization and claim a credit under subsection (3) of this section.

(5) A husband and wife who file separate returns for a taxable year in which they could have filed a joint return may each claim only one-half (1/2) of the tax credit that would have been allowed for a joint return.

(6) Except as otherwise provided in subsections (2) and (3) of this section, if the allowable tax credit exceeds the taxes otherwise due under this chapter on the claimant's income, or if there are no taxes due under this chapter, the taxpayer may carry forward the amount of the claim not used to offset the taxes under this chapter for not more than five (5) consecutive taxable years' income tax liability.

(7) The credit allowed by this section is in lieu of a deduction pursuant to Section 170 of the Internal Revenue Code and taken for state tax purposes.

(8) Taxpayers taking a credit authorized by this section shall provide the name of the qualifying charitable organization and the amount of the contribution to the department on forms provided by the department.

(9) A qualifying charitable organization shall provide the department with a written certification that it meets all criteria to be considered a qualifying charitable organization. The organization shall also notify the department of any changes that may affect the qualifications under this section.

(10) The charitable organization's written certification must be signed by an officer of the organization under penalty of perjury. The written certification shall include the following:

(a) Verification of the organization's status under Section 501(c)(3) of the Internal Revenue Code or verification that the organization is a designated community action agency that receives community services block grant program monies pursuant to 42 USC 9901.

(b) Financial data indicating the organization's budget for the organization's prior operating year and the amount of that budget spent on services to residents of this state who either:

(i) Receive temporary assistance for needy families benefits;

(ii) Are low-income residents of this state;

(iii) Are children who have a chronic illness or physical, intellectual, developmental or emotional disability; or

(iv) Are children in a foster care placement program established by the Department of Child Protection Services, children placed under the Safe Families for Children model or children at significant risk of entering a foster care placement program established by the Department of Child Protection Services.

(c) A statement that the organization plans to continue spending at least fifty percent (50%) of its budget on services to residents of this state who receive temporary assistance for needy families benefits, who are low-income residents of this

state, who are children who have a chronic illness or physical, intellectual, developmental or emotional disability or who are children in a foster care placement program established by the Department of Child Protection Services, children placed under the Safe Families for Children model or children at significant risk of entering a foster care placement program established by the Department of Child Protection Services. A charitable organization that is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and that meets all other requirements for a qualifying charitable organization or qualifying foster care charitable organization except that it does not spend at least fifty percent (50%) of its overall budget in Mississippi shall submit a statement that it spends at least fifty percent (50%) of its Mississippi budget on services to qualified individuals in Mississippi and that one hundred percent (100%) of the voluntary cash contributions it receives from Mississippi taxpayers will be spent on services to qualified individuals in Mississippi.

(d) In the case of a foster care charitable organization, a statement that each operating year it provides services to at least one hundred (100) qualified individuals in this state.

(e) A statement that the organization does not provide, pay for or provide coverage of abortions and does not financially support any other entity that provides, pays for or provides coverage of abortions.

(f) Any other information that the department requires to administer this section.

(11) The department shall review each written certification and determine whether the organization meets all the criteria to be considered a qualifying charitable organization and notify the organization of its determination. The department may also periodically request recertification from the organization. The department shall compile and make available to the public a list of the qualifying charitable organizations.

(12) The aggregate amount of tax credits that may be awarded under this section in any calendar year shall not exceed Three Million Dollars (\$3,000,000.00). However, for calendar year 2021, and for each calendar year thereafter, the aggregate amount of tax credits that may be awarded under this section in any calendar year shall not exceed One Million Dollars (\$1,000,000.00). In addition, any tax credits not awarded under this section before June 1, 2020, may be allocated during calendar year 2020 under Section 27-7-22.41 for contributions by taxpayers to eligible charitable organizations described in Section

27-7-22.41(1)(b)(ii) as provided under such section, notwithstanding any limitation on the percentage of tax credits that may be allocated for such contributions.

(13) A taxpayer shall apply for credits with the department on forms prescribed by the department. In the application the taxpayer shall certify to the department the dollar amount of the contributions made or to be made during the calendar year. Within thirty (30) days after the receipt of an application, the department shall allocate credits based on the dollar amount of contributions as certified in the application. However, if the department cannot allocate the full amount of credits certified in the application due to the limit on the aggregate amount of credits that may be awarded under this section in a calendar year, the department shall so notify the applicant within thirty (30) days with the amount of credits, if any, that may be allocated to the applicant in the calendar year. Once the department has allocated credits to a taxpayer, if the contribution for which a credit is allocated has not been made as of the date of the allocation, then the contribution must be made not later than sixty (60) days from the date of the allocation. If the contribution is not made within such time period, the allocation shall be cancelled and returned to the department for reallocation. Upon final documentation of the contributions, if the actual dollar amount of the contributions is lower than the amount estimated, the department shall adjust the tax credit allowed under this section.

(14) This section shall be repealed from and after January 1, 2025.

SECTION 3. (1) For the purposes of this section, the following words and phrases shall have the meanings ascribed in this section unless the context clearly indicates otherwise:

(a) "Department" means the Department of Revenue.

(b) "Eligible transitional home organization" means an organization that is exempt from federal income taxation under Section 501(c)(3) of the Internal

"Eligible transitional home organization" does not include any entity that charges a fee for the services and/or benefits it provides as an eligible transitional home organization. The prohibition against charging a fee for services and/or benefits is limited to services and benefits the entity provides as an eligible transitional home organization and does not apply to any other services and/or benefits the entity may provide to persons not being served by the entity's transitional home services.

(c) "Transitional housing" means temporary housing the purpose of which is to provide homeless persons age twenty-five (25) and under, homeless families and/or homeless and/or referred unwed pregnant women with temporary shelter and facilitate their movement to permanent housing within an amount of time that the eligible transitional home organization determines to be appropriate.

(2) (a) (i) The tax credit authorized in this subsection shall be available only to a taxpayer who is a business enterprise engaged in commercial, industrial or professional activities and operating as a corporation, limited liability company, partnership or sole proprietorship. A credit is also allowed against ad valorem taxes assessed and levied on real property for voluntary cash contributions made by the taxpayer during the taxable year to an eligible transitional home organization. The amount of credit that may be utilized by a taxpayer in a taxable year shall be limited to an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for the taxes imposed by such sections of law and an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for ad valorem taxes assessed and levied on real property. Any tax credit claimed under this subsection but not used in any taxable year may be carried forward for five (5) consecutive years from the close of the tax year in which the credits were earned.

(ii) A contribution to an eligible transitional home organization for which a credit is claimed under this subsection does not qualify for and shall not be included in any credit that may be claimed under subsection (3) of this section.

(iii) A contribution for which a credit is claimed under this subsection may not be used as a deduction by the taxpayer for state income tax purposes.

(b) Taxpayers taking a credit authorized by this subsection shall provide the name of the eligible transitional home organization and the amount of the contribution to the department on forms provided by the department.

(c) An eligible transitional home organization shall provide the department with a written certification that it meets all criteria to be considered an eligible transitional home organization. The organization shall also notify the department of any changes that may affect eligibility under this section.

(d) The eligible transitional home organization's written certification must be signed by an officer of the organization under penalty of perjury. The written certification shall include the following:

(iv) A statement that the organization does not charge a fee for services or benefits provided in whole or in part by its transitional housing program; and

(v) Any other information that the department requires to administer this section.

(e) The department shall review each written certification and determine whether the organization meets all the criteria to be considered an eligible transitional home organization and notify the organization of its determination. SECTION 2. Section 65-9-17, Mississippi Code of 1972, is amended as follows:

65-9-17. (1) When any county shall have met the requirements of this chapter and shall have become eligible for state aid, the State Aid Engineer, as soon as practicable, shall notify such county in writing of such eligibility and that its proportionate part of any state funds allocated to it for state aid may be utilized for construction in the manner provided by law, and such notice shall also be given in writing to the Department of Finance and Administration and to the State Treasurer.

(2) State aid funds shall be allocated to each county for use on state aid system roads or roads on the Local System Road Program in accordance with the provisions of Section 27-65-75.

(3) State aid funds may be credited to a county in advance of the normal accrual to finance certain state aid improvements, subject to the approval of the State Aid Engineer and subject further to the following limitations:

(a) That the maximum amount of state aid funds that may be advanced to any county shall not exceed ninety percent (90%) of the state aid funds estimated to accrue to such county during the remainder of the term of office of the board of supervisors of such county.

(b) That no advance credit of funds will be made to any county when the unobligated balance in the State Aid Road Fund is less than One Million Dollars (\$1,000,000.00).

(c) That such advance crediting of funds be effected by the State Aid Engineer at the time of the approval of the plans and specifications for the proposed improvements.

It is the intent of this provision to utilize to the fullest practicable extent the balance of state aid funds on hand at all times.

(4) State aid funds shall be available to such county to the following extent and in the following manner:

(a) On state aid projects, other than those on or off the federal aid secondary system to be partially financed with federal funds, state aid funds credited to such county in the State Aid Road Fund shall be available to cover the cost of such project. Upon the awarding of a contract for such state aid project, the board of supervisors of any county will, by an official order of the board, authorize the State Aid Engineer to set up the project fund for such project from that county's state aid fund in the State Treasury. The amount of the project fund will cover the estimated cost of the project, including the contractor's payments and any other costs authorized under this chapter to be paid from state aid funds. Withdrawals from the project fund will be made by requisitions prepared by the State Aid Engineer, based on estimates and other supporting statements and documents prepared or approved by the county engineer, such requisitions, accompanied by such estimates and statements, to be directed to the Department of Finance and Administration, which will issue warrants in payment thereof. Requisitions may be drawn to cover the final cost of the project accepted by the boards of supervisors of the counties affected and the State Aid Engineer, even though such cost exceeds the aforesaid estimated project fund. Whenever, in the opinion of the State Aid Engineer, it should appear that any such estimate or statement of account has been improperly allowed or that any road construction project is not proceeding in accordance with the plans, specifications and standards set up therefor, then, in such event, due notice in writing shall be given the board of supervisors of such county and the contractor on such project, if any, stating the reason why such account should not have been allowed or why such project is not progressing satisfactorily; and if, within thirty (30) days from the date of such notice in writing, such error or default is not corrected to the satisfaction of the State Aid Engineer, all state aid funds theretofore allocated to such eligible county shall be immediately withdrawn and notice given the Department of Finance and Administration and the State Treasurer that such county has become ineligible therefor. Such county shall remain ineligible until it again becomes eligible by satisfying the State Aid Engineer as to its eligibility.

(b) On state aid projects on the federal aid secondary system which are to be partially financed with federal funds, state aid funds credited to such county in the State Aid Road Fund shall be available to cover the sponsor's share of the cost of such project. At the same time, the State Treasurer, on order from the board of supervisors, shall transfer an amount up to one hundred percent (100%) of such cost from

the credit of such county in the State Aid Road Fund to the credit of such county in the State Highway Fund, earmarked for such project.

(c) State aid road funds credited to a county in the State Aid Road Fund shall also be available to cover the sponsor's cost of any other project of such county which is partially financed with federal funds available through federal "safer off-system" road funds and/or other federal road funds allocated to the counties as provided for in accordance with Section 65-9-29(2). On order from the board of supervisors of such county, the State Treasurer shall transfer an amount up to one hundred percent (100%) of such cost from the credit of such county in the State Aid Road Fund to the credit of such county in the State Highway Fund, earmarked for such project.

(d) Up to one-third (1/3) of state aid road funds credited to a county in the State Aid Road Fund may be available to match federal bridge replacement monies or other federal funds, or both, to construct, replace, inspect or post bridges and to conduct pavement management surveys on county roads which are not on the state aid system. To implement such projects, the State Treasurer shall, as requested in an order from the board of supervisors of the county, make transfers out of the credit of such county in the State Aid Road Fund.

(e) Up to twenty-five percent (25%) of the state aid road funds credited to a county in the State Aid Road Fund may be available for projects authorized under the Local System Road Program. Withdrawals from the fund for the Local System Road Program will be made by requisitions prepared by the State Aid Engineer, based on estimates and other supporting statements and documents prepared or approved by the county engineer; such requisitions, accompanied by such estimates and statements, to be directed to the Department of Finance and Administration, which will issue warrants in payment thereof. Requisitions may be drawn to cover the final cost of the local system road project accepted by the boards of supervisors of the counties affected and the State Aid Engineer even though such cost exceeds the aforesaid estimated project fund. Whenever, in the opinion of the State Aid Engineer, it should appear that any such estimate or statement of account has been improperly allowed or that any road construction project is not proceeding in accordance with the plans, specifications and standards set up therefor, then, in such event, due notice in writing shall be given the board of supervisors of such county and the contractor on such project, if any, stating the reason why such account should not have been allowed or why such project is not progressing satisfactorily; and if, within thirty (30) days from the date of such notice in writing, such error or default is not corrected to the satisfaction of the State Aid Engineer, all state aid funds theretofore allocated to such eligible county shall be immediately withdrawn and notice given the Department of Finance and Administration and the State Treasurer that such county has become ineligible therefor. Such county shall remain ineligible until it again becomes eligible by satisfying the State Aid Engineer as to its eligibility.

(5) The State Treasurer is hereby authorized to continue to receive and deposit all funds from the federal government made available by it, either by existing law or by any law which may be passed hereafter, to the credit of the State Highway Fund, and the Treasurer shall notify the commission of the amounts so received.

All accounts against the above-mentioned funds shall be certified to by the Executive Director of the Mississippi Department of Transportation, who shall request the Department of Finance and Administration to issue its warrant on the State Treasurer for the amount of the accounts; and the Treasurer shall pay same if sufficient funds are available, all in the manner prescribed herein or as may be required by law.

(6) The board of supervisors of each county is hereby authorized and empowered to pay funds into the State Treasury in the manner above set out, and to use and expend such funds for the purposes set out in this chapter. For the purpose of providing such funds, the board of supervisors is hereby authorized and empowered to use and expend any county road and bridge funds, including revenue received from any gasoline taxes paid to such county, or any funds available in the General Fund, or to issue road and bridge bonds of such county in any lawful amount in the manner and method and subject to the restrictions, limitations and conditions, and payable from the same sources of revenue, now provided by law.

(7) (a) In addition any other provisions of this section, funds deposited into the State Aid Road Fund under Section 27-67-31(g) shall be used under this chapter to prioritize the timely repair and replacement of deficient state aid system bridges. Each county shall be allocated a percentage of such funds as they become available, which percentage shall be based:

(i) One-half (1/2) on the proportion that the total number of state aid system bridges in the county bears to the total number of state aid system bridges in all counties of the state; and

(ii) One-half (1/2) on the proportion that the total square footage of deck area of all state aid system bridges in the county bears to the total square footage of deck area of all state aid system bridges in all counties of the state.

(b) For the purposes of this subsection, (i) the term "deficient bridge" means a bridge with a condition rating of fair or less for its deck, superstructure or substructure, as determined by National Bridge Inspection Standards and that is included on the latest annual bridge inventory prepared by the Office of State Aid Road Construction and (ii) the term "state aid system bridge" means a bridge that is included on the latest annual official bridge inventory prepared by the Office of State Aid Road Construction, excluding bridges on the local bridge system and the rural major collector system.

SECTION 3. Section 19-11-27, Mississippi Code of 1972, is amended as follows:

19-11-27. No board of supervisors of any county shall expend from, or contract an obligation against, the budget estimates for road and bridge construction, maintenance and equipment, made and published by it during the last year of the term of office of such board, between the first day of October and the first day of the following January, a sum exceeding one-fourth (1/4) of such item of the budget made and published by it, except in cases of emergency. The clerk of any county is prohibited from issuing any warrant contrary to the provisions of this section. No board of supervisors nor any member thereof shall buy any machinery or equipment in the last six (6) months of their or his term unless or until he has been elected at the general election of that year. The provisions of this section shall not apply to (i) projects of any type that receive monies from the Local System Bridge Replacement and Rehabilitation Program, the Emergency Road and Bridge Repair Fund, the 2018 Transportation and Infrastructure Improvement Fund or the Gulf Coast Restoration Fund and (ii) to expenditures on deficient bridges in the State Aid Road System or the Local System Road Program that have been deemed to be a deficient bridge as defined in Section 65-37-3 or a deficient state aid system bridge as defined in Section 65-9-17(7), as the case may be, or to a contract, lease or lease-purchase contract executed pursuant to the bidding requirements in Section 31-7-13 and approved by a unanimous vote of the board. Such unanimous vote shall include a statement indicating the board's proclamation that the award of the contract is essential to the efficiency and economy of the operation of the county government.

SECTION 4. Section 57-73-23, Mississippi Code of 1972, is amended as follows:

57-73-23. (1) A fifty percent (50%) income tax credit shall be granted to any employer providing dependent care for employees during the employee's work hours, and to any employer who provides a child care stipend of at least six thousand dollars (\$6,000.00) to a licensed or registered entity providing dependent child care in the State of Mississippi for an employee's children during the employee's work hours.

(2) In order for an employer who provides a child care stipend under this section to be eligible for the tax credit, the employer shall certify to the Department of Revenue:

(a) The names of the employees on whose behalf the stipend is paid; and

(b) The amount of the stipend paid on behalf of each of those employees;

(c) The licensed or registered entity receiving the child care stipend from the employer on behalf of the employee, including the entity's federal identification number and license and registration number; and

(d) Such other information as may be required by the Department of Revenue to ensure that credits under this section are granted only to employers who

provide stipends to a licensed or registered entity providing dependent care in the State of Mississippi for an employee's children during the employee's work hours.

(3) For an employer contracting with a licensed or registered entity to provide dependent care for its employees during the employee's work hours, the credit is applied to the net cost of any contract executed by the employer for another entity to provide dependent care; or, if the employer elects to provide dependent care itself, the credit is applied to expenses of dependent care staff, learning and recreational materials and equipment, and the construction and maintenance of a facility; or, if the employer elects to provide a child care stipend to a licensed or registered entity providing dependent care in the State of Mississippi for the employee's children during the employee's work hours, the credit is applied to the amount of the stipend provided. Additional eligible expenses include net costs assumed by the employer which increase the quality, availability and affordability of dependent care in the community used by employees during the employee's work hours. This cost is net of any reimbursement. A deduction shall not be allowed for any expenses which serve as the basis for an income tax credit. The credits allowed under this section shall not be used by any business enterprise or corporation other than the business enterprise actually qualifying for the credits.

Credit may be carried forward for the five (5) successive years if the amount allowable as credit exceeds income tax liability in a tax year; however, thereafter, if the amount allowable as a credit exceeds the tax liability, the amount of excess shall not be refundable or carried forward to any other taxable year.

The facility must have an average daily enrollment for the taxable year of no less than six (6) children who are twelve (12) years of age or less and be licensed according to the regulations governing licensure of child care facilities in Mississippi; or must serve five (5) or fewer children and/or elderly adults in a family child care/elder care home approved by the Department of Health for participation in the United States Department of Agriculture child and adult nutrition program; or must serve children over twelve (12) years of age but less than eighteen (18) years of age in either a community-based facility or a facility at the employment site; or must serve adult relatives of employees in either a community-based elder care facility or a facility at the employment site; or must serve children or adult dependents having physical, emotional or mental disabilities in either a community-based facility or a facility at the employment site.

Employers will be certified as eligible for the tax credit by the *** State Department of Health for programs serving children twelve (12) years of age or younger and for programs serving elderly adults and by the *** Department of Revenue for programs serving other dependents older than twelve (12) years of age.

SECTION 5. This act shall take effect and be in force from and after July 1, 2023.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 27-19-53, Mississippi Code of 1972, is amended as follows:

(1) (a) (i) Any legal resident of the State of Mississippi * * * who is rated as having * * * one hundred percent (100%) permanent service-connected disability or at least seventy percent (70%) nonpermanent service-connected disability by the Veterans' Administration or United States Department of Veterans Affairs is privileged to purchase annually under this subsection two (2) motor vehicle license plates or tags in his or her county of legal residence, for the sum of One Dollar (\$1.00) in total cost for each plate or tag, regardless of make or model of motor vehicle. The registration year of such motor vehicle shall commence the first day of the month in which application for registration is made, as provided in Section 27-19-31. In order for a person who is rated as having at least seventy percent (70%) nonpermanent service-connected disability to renew a license plate or tag issued under this section, the person must provide an updated benefits letter from the United States Department of Veterans Affairs indicating that the person's rating has not been adjusted to less than seventy percent (70%) nonpermanent service-connected disability.

(ii) Any legal resident of the State of Mississippi * * * who is rated as having * * * one hundred percent (100%) permanent service-connected disability or at least seventy percent (70%) nonpermanent service-connected disability by the Veterans' Administration or United States Department of Veterans Affairs is privileged to purchase annually under this subsection one (1) motorcycle license plate or tag in his or her county of legal residence, for the sum of One Dollar (\$1.00) in total cost for each plate or tag. (b) Not more than two (2) such motor vehicle license plates or tags shall be issued under this subsection to each such qualified * * * person. Not more than one (1) such motorcycle license plate or tag shall be issued under this subsection to each such qualified * * * person.

(c) This section pertains only to taxes or plates for private passenger motor vehicles or pickup trucks or motorcycles.

(d) Proof of ownership of a particular motor vehicle or motorcycle for which a license plate or tag is requested must be shown at time of application for such plate or tag.

Rep. Lamar called up the conference report # 2 on the following bill and moved that it be adopted:

S. B. No. 2841: Law enforcement officers & fire fighters death benefits black tag; authorize black version of regular tag.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2841: Law enforcement officers & fire fighters death benefits black tag; authorize black version of regular tag.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 27-19-31, Mississippi Code of 1972, is amended as follows:

27-19-31. (1) The Department of Revenue is authorized and directed to establish and maintain a vehicle registration renewal system whereby the license tag attached upon a motor vehicle or trailer may be issued for five (5) years with the approval of the License Tag Commission, except for motor vehicles registered in excess of ten thousand (10,000) pounds gross vehicle weight, and motor vehicles in a fleet registered under Section 27-19-66, apportioned vehicles, rental and commercial trailers and buses, which shall be issued for a period of time determined by the Department of Revenue. During each intervening year of the period for which license tags are issued, the Department of Revenue shall issue up to two (2) license decals, in lieu of the license tags, the month and year in which the license tag expires shall be specified on one (1) of the decals so issued. Motor vehicles in a corporate fleet registered under Section 27-19-66, trailers in a fleet registered under Section 27-19-66.1, and apportioned vehicles shall not be issued decals specifying the month and year of expiration.

Any series of tags may be cancelled by the commissioner with the approval of the License Tag Commission and a new series of tags issued.

(2) (a) The license decals issued in lieu of the license tags shall indicate the month and the last two (2) figures of the year for which such license shall expire. The license decals shall be attached to the license tag of the motor vehicle or trailer, and when so attached shall be deemed to be the license tag for the ensuing registration year. The month and year decal shall be attached in an upright position in the lower right corner of the license tag. Decals specifying the month and year of expiration shall not be required to be attached to license tags on motor vehicles in a corporate fleet registered under Section 27-19-66, trailers in a fleet registered under Section 27-19-66.1, or apportioned vehicles.

Except as otherwise provided in this paragraph, the registration year shall be a period of one (1) year commencing on the first day of the month following the month in which the vehicle was acquired. Beginning October 1, 1982, original registrations of motor vehicles, except motor vehicles registered in excess of ten thousand (10,000) pounds gross vehicle weight, apportioned vehicles and buses, may be made and shall be prorated for a period of from six (6) to eleven (11) months according to regulations established by the Department of Revenue to reduce a disproportionate number of registrations for a particular month. Beginning July 1, 1995, original registrations and renewal registrations of motor vehicles in corporate fleets registered under Section 27-19-66, shall be prorated according to regulations established by the Department of Revenue so as to cause the registration of such fleet motor vehicles to coincide with the anniversary month for corporate fleets established by the Department of Revenue. Beginning July 1, 2011, original registrations and renewal registrations of trailers in trailer fleets registered under Section 27-19-66.1 shall be prorated according to regulations established by the Department of Revenue so as to cause the registration of such trailers to coincide with

the anniversary month for trailer fleets established by the Department of Revenue. Where a vehicle is registered for a period less than twelve (12) months, the anniversary month shall be the month of the expiration of the original license tag.

Beginning July 1, 1996, original registrations and renewal registrations of motor vehicles in individual fleets registered under Section 27-19-66 shall be prorated according to regulations established by the Department of Revenue so as to cause the registration of such fleet motor vehicles to coincide with the anniversary month for individual fleets established by the county tax collector. Where a vehicle is registered for a period less than twelve (12) months, the anniversary month shall be the month of the expiration of the original license tag.

The Department of Revenue, with the approval of the License Tag Commission, shall so specify the area or areas on the license tag where the license decals shall be attached. The number of the license tag shall be written across its face, and the number of the tag shall represent the registration number; and upon all the tags for private passenger vehicles the word "MISSISSIPPI" shall be written across the top of the tag in capital letters sufficiently large to be easily read, but upon all other tags such word may be abbreviated. The number of the license tag shall not exceed seven (7) letters, numbers or a combination of such letters and numbers. Also, on all tags sold and issued, an appropriate place will be provided thereon to place license decals indicating the expiration date of the tag. For the purposes of this section and Section 27-19-32, Mississippi Code of 1972, the term "decal," "decals" or "license decal" shall mean a tab, sticker or other similar device attached to a license tag which validates same for a stated period of time. One (1) license tag and up to two (2) license decals shall be furnished for all vehicles and shall be fastened immovably twelve (12) inches or more above the ground, at the rear of the vehicle under or over the rear light, with the number in upright position so that it will be plainly visible and legible at all times, and at night at a distance of sixty (60) feet. In the case of tractors or other motor vehicles drawing or pulling trailers, semitrailers or farm implements, the tag shall be fastened upon such vehicle twelve (12) inches or more above the ground, upon the front or back of such vehicle, with the number in an upright position. Such license plate, all characters and any legally affixed decals shall not be defaced, covered or obstructed from view by any object, decal, sticker, paint, marking or license plate bracket or holder. Any person who defaces, covers or obstructs any portion of a license tag with any sticker, decoration, paint, marking, license plate bracket or holder or any other thing or device, in such a manner that the characters and any legally affixed decals on the tag cannot be read, shall be guilty of a misdemeanor and, upon conviction, shall be punished by a fine of not more than Twenty-five Dollars (\$25.00). However, it shall not be unlawful for the county name to be partially or completely obstructed from view by any object, decal, sticker or license plate bracket or holder. Unless the license tag with current decals is fastened to the vehicle as herein provided, the said vehicle shall be regarded as operating without a license tag, and the owner or operator shall be liable for the penalties herein provided.

In addition to the above requirements, license tags for private passenger vehicles shall have a county designation thereon referencing the name of the county in which such vehicle is registered.

Law enforcement officers of this state shall remove from a motor vehicle or trailer any license tag and/or decals which are so defaced that proper identification cannot be reasonably made. The officer shall issue to the driver of such vehicle a tag permit which shall be valid for a period of five (5) days. Each person receiving such tag permit shall purchase, within five (5) days from the date of the issuance of the permit, a new tag and/or decals for the fee set forth in Section 27-19-37, Mississippi Code of 1972, for a substitute tag.

Any person who has a license tag or decals on a vehicle which may be so defaced that proper identification cannot be reasonably made may remove such and purchase another license tag and/or decals for the same fee required for a substitute tag. If any license tag shall deteriorate due to age so that identification cannot be reasonably made, the owner may surrender such tag to the issuing authority and be issued a new tag and like decals at no cost.

(b) Beginning January 1, 2024, an owner of a private carrier of passengers or motorcycle may choose a tag with a black background and a white pinstripe

border. "Mississippi" shall be printed at the top, and the name of the county shall be printed at the bottom. The application and the additional fee of Thirty-eight Dollars and Twenty-five Cents (\$38.25), less Two Dollars (\$2.00) to be remitted to the Department of Revenue License Tag Acquisition Fund created in Section 27-19-179, shall be remitted to the department on a monthly basis as prescribed by the department. The remaining Thirty-six Dollars and Twenty-five Cents (\$36.25) of the additional fee shall be deposited to the credit of the Law Enforcement Officers and Fire Fighters Death Benefits Trust Fund established in Section 45-2-1. In all other respects, tags issued under this paragraph (b) shall follow the guidelines for tags issued under paragraph (a) of this subsection.

(3) The Department of Revenue is authorized to promulgate appropriate rules and regulations to govern the use and display of license decals and to publish a summary thereof which shall be available to state officials and the public upon request.

SECTION 2. Section 27-19-11, Mississippi Code of 1972, is amended as follows:

27-19-11. (1) On each carrier of property, for each commercial motor vehicle, truck-tractor or road tractor, and on each bus, there is hereby levied an annual highway privilege tax in accordance with the following schedule, except that the gross vehicle weight of buses shall be the gross weight of the vehicle plus one hundred fifty (150) pounds per each regular seat.

The purchase of the license tag exceeding 80,000 gross vehicle weight is limited to the transport of products as provided for harvest permits as defined in Section 27-19-81(4). Such license tag shall be a "HP" license tag with weight allowance printed on the cab card only.

In addition to the above levied annual highway privilege tax on vehicles with a gross weight exceeding ten thousand (10,000) pounds, there is levied and shall be collected an additional privilege tax in the amount of One Thousand Eight Hundred Seventy-five Dollars (\$1,875.00) for each current or later year model vehicle based upon a licensed weight of eighty-four thousand (84,000) pounds. This additional privilege tax shall be reduced by the amount of One Hundred Seventy-five Dollars (\$175.00) for each year of age to a minimum of Fifty Dollars (\$50.00) and further reduced by the ratio of licensed weight to the maximum weight of eighty-four thousand (84,000) pounds. During the first year only, the privilege tax monies collected under the provisions of this paragraph shall be distributed to the various counties of the state on the basis of the ratio of the last year of annual ad valorem taxes collected by such counties on such vehicles to the total ad valorem taxes collected by all counties on such vehicles in the same year. In all subsequent years, the distribution to the counties shall be made on the basis of the ratio of the number of motor vehicles registered in excess of ten thousand (10,000) pounds, in each taxing district in each county, to the total number of such vehicles registered statewide. The counties shall then distribute these proceeds as they would if these collections were ad valorem taxes.

From the privilege tax monies collected under this section, Three Million Seven Hundred Thirty-two Thousand Four Hundred Three Dollars and Eleven Cents (\$3,732,403.11) shall be earmarked and set aside to be apportioned and paid to the counties of the state in the manner provided by Section 27-19-159, Mississippi Code of 1972. Any excess privilege tax monies collected under this section shall be deposited into the State Highway Fund for the construction, maintenance and reconstruction of highways and roads of the State of Mississippi or the payment of interest and principal on bonds authorized by the 1972 Regular Session of the Legislature for construction and reconstruction of highways.

No privilege license shall be issued for any period of time for less than One Dollar (\$1.00). Any person making application for the license tag under this section is required to sign an affidavit attesting to facts indicating the applicability of this section. Proof of purchase of valid harvest permit for the vehicle must be presented at time of purchase of the license tag.

The annual highway privilege tax imposed on operators engaged exclusively in the transportation of household goods shall be the same as the tax imposed upon private commercial carriers by this section. In determining the amount of privilege taxes due under the provisions of this section, there shall be allowed a maximum tolerance of five hundred (500) pounds on all classes of carriers except carriers of liquefied compressed gases and in the case of carriers of liquefied compressed gases there shall be allowed a maximum tolerance of two thousand (2,000) pounds.

Any owner or operator who operates a motor vehicle on the public highways, with a license tag attached to it which was issued for another or different vehicle, shall be liable for the privilege tax on said vehicle for twelve (12) months plus a penalty thereon of twenty-five percent (25%).

Carriers of property duly registered and licensed in another state and being used to transport farm harvesting machinery or equipment to and from a particular county in this state may, upon adoption of a resolution by the board of supervisors of the county where such machinery or equipment is being exclusively used in harvesting farm crops within the county, be exempt from the taxes herein levied when the resolution is filed with the Department of Revenue. However, the exemption shall not exceed a period of forty (40) days for any annual period without a second resolution of approval by the board of supervisors who shall have the authority to extend the exemption not to exceed an additional period of twenty (20) days during any annual period.

A private commercial carrier of property hauling interstate may purchase a common and contract carrier of property license plate at the prescribed fee to allow the

carrier to lease on a one-way basis per trip without qualifying with the Public Service Commission.

(2) Beginning January 1, 2024, an owner of a carrier of property whose gross vehicle weight does not exceed ten thousand (10,000) pounds may choose a license tag with a black background and a white pinstripe border. "Mississippi" shall be printed at the top, and the name of the county shall be printed at the bottom. The application and the additional fee of Thirty-eight Dollars and Twenty-five Cents (\$38.25), less Two Dollars (\$2.00) to be remitted to the Department of Revenue License Tag Acquisition Fund created in Section 27-19-179, shall be remitted to the department on a monthly basis as prescribed by the department. The remaining Thirty-six Dollars and Twenty-five Cents (\$36.25) of the additional fee shall be deposited to the credit of the Law Enforcement Officers and Fire Fighters Death Benefits Trust Fund established in Section 45-2-1. In all other respects, tags issued under this subsection (2) shall follow the guidelines for tags issued under subsection (1) of this section.

SECTION 3. This act shall take effect and be in force from and after January 1, 2024.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 27-19-31, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT AN OWNER OF A PRIVATE CARRIER OF PASSENGERS OR MOTORCYCLE MAY CHOOSE A REGULAR LICENSE TAG WITH A BLACK BACKGROUND AND A WHITE PINSTRIPE BORDER, WITH "MISSISSIPPI" PRINTED AT THE TOP AND THE NAME OF THE COUNTY PRINTED AT THE BOTTOM; TO PRESCRIBE AN ADDITIONAL FEE FOR THE ISSUANCE OF SUCH LICENSE TAG; TO PROVIDE FOR THE DISTRIBUTION OF THE ADDITIONAL FEE COLLECTED FROM THE ISSUANCE OF SUCH LICENSE TAG; TO AMEND SECTION 27-19-11, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT AN OWNER OF A CARRIER OF PROPERTY WHOSE GROSS VEHICLE WEIGHT DOES NOT EXCEED 10,000 POUNDS MAY CHOOSE A LICENSE TAG WITH A BLACK BACKGROUND AND A WHITE PINSTRIPE BORDER, WITH "MISSISSIPPI" PRINTED AT THE TOP AND THE NAME OF THE COUNTY PRINTED AT THE BOTTOM; TO PRESCRIBE AN ADDITIONAL FEE FOR THE ISSUANCE OF SUCH LICENSE TAG; TO PROVIDE FOR THE DISTRIBUTION OF THE ADDITIONAL FEE COLLECTED FROM THE ISSUANCE OF SUCH LICENSE TAG; AND FOR RELATED PURPOSES.

S. B. No. 2842: Use tax; revise provisions regarding special infrastructure assistance funds for municipalities and counties.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2842: Use tax; revise standards for municipality's eligibility to receive monies from special infrastructure assistance fund.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 27-67-35, Mississippi Code of 1972, is amended as follows:

27-67-35. (1) (a) There is hereby created a special fund in the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. The fund shall consist of monies deposited therein under Section 27-67-31(e) and monies from any other source designated for deposit into such fund. Monies in the fund shall be expended by the department * * * to provide funds to assist municipalities in this state in paying costs associated with (i) repair, maintenance and/or reconstruction of roads, streets and bridges in municipalities, and/or (ii) repair, maintenance and/or other improvements to water infrastructure and sewer infrastructure * * *, including storm water and drainage improvements. These monies shall not be used for salaries, benefits or any form of compensation for employees, or for contract employees, administrative costs, debt service, personal property or equipment (other than equipment to be permanently installed as part of a road or bridge), or for the construction or maintenance of public buildings or other structures that are not integral to the system of roads and bridges. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited to the credit of the fund.

(b) (i) Subject to the provisions of this paragraph (b) and Section 65-21-31, funds provided to municipalities under this subsection (1) shall be allocated and distributed to municipalities as follows:

1. Three Million Dollars (\$3,000,000.00) shall be allocated to all municipalities in equal shares, and
2. The remainder of the funds allocated as follows:

a. One-half (1/2) shall be allocated to municipalities based on the proportion that the population of a municipality according to the most recent federal decennial census bears to the total population of all municipalities in the state according to the most recent federal decennial census, and

b. One-half (1/2) shall be allocated to municipalities based on the proportion that the amount of sales tax revenue distributed to a municipality during the preceding fiscal year under Section 27-65-75(1)(a) bears to the

total amount of sales tax revenue distributed to all municipalities during the preceding fiscal year under Section 27-65-75(1)(a). The department * * * shall distribute funds under this subsection (1) on a semiannual basis with distributions being made in the months of January and July.

(ii) In order to be eligible to receive the full amount of funds allocated for distribution to a municipality during a year under this subsection (1), the municipality must have expended an amount not less than the amount of base expenditures during the previous municipal fiscal year for the purposes described in paragraph (a) of this subsection (1). If a municipality fails to expend such required amount, then the amount of funds allocated for distribution to the municipality shall be reduced by the percentage by which the municipality failed to expend the amount of base expenditures. For the purposes of this subsection (1), "base expenditures" means the average annual expenditures made by a municipality for purposes described in paragraph (a) of this subsection (1) for the * * * two-year period beginning October 1, * * * 2020, and ending September 30, * * * 2022. * * * Expenditure of grant proceeds, loan proceeds, or the proceeds of bonds issued by a municipality for the purposes described in paragraph (a) of this subsection (1) shall not be considered when calculating the base period. Beginning July 1, * * * 2023, and each succeeding July 1 thereafter, the amount of the base expenditures shall be adjusted and compounded annually by increasing or decreasing such amount by a percentage amount that is equal to the lesser of one-half percent (0.5%) or to the United States inflation rate for the previous calendar year ending on December 31 as certified by the department * * * and provided to the municipalities thereby within thirty (30) days of such certification. The United States inflation rate for a calendar year shall be the Consumer Price Index for the calendar year for urban consumers as calculated by the Bureau of Labor Statistics of the United States Department of Labor.

(2) (a) There is hereby created a special fund in the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. The fund shall consist of monies deposited therein under Section 27-67-31(f) and monies from any other source designated for deposit into such fund. Monies in the fund shall be expended by the department * * * to provide funds to assist counties in this state in paying costs associated with the repair, maintenance and/or reconstruction of roads, streets and bridges in counties * * *. These funds shall not be used for salaries, benefits or any form of compensation for employees, or for contract employees, administrative costs, debt service, personal property or equipment (other than equipment to be permanently installed as part of a road or bridge), or for the construction or maintenance of public buildings or other structures that are not integral to the system of roads and bridges. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited to the credit of the fund.

(b) (i) Subject to the provisions of this paragraph (b) and Section 65-21-31, funds provided to counties under this subsection (2) shall be allocated and distributed to counties in the following proportions:

1. One-third (1/3) shall be allocated to all counties in equal shares,

2. One-third (1/3) shall be allocated to counties based on the proportion that the total number of rural road miles in a county bears to the total number of rural road miles in all counties of the state, and

3. One-third (1/3) shall be allocated to counties based on the proportion that the rural population of a county bears to the total rural population in all counties of the state, according to the latest federal decennial census.

The department * * * shall distribute funds under this subsection (2) on a semiannual basis with distributions being made in the months of January and July. Rural road miles and rural road population in the counties shall be determined in the same manner as they are determined for the purposes of the distribution formula in Section 65-9-3.

(ii) From and after July 1, 2020, of the funds allocated for distribution to a county during a year under this subsection (2), the maximum amount of such funds that may be distributed to the county during that year shall not exceed the amount of county funds expended by the county during the previous county fiscal year for purposes described in paragraph (a) of this subsection (2). Expenditure of the proceeds of bonds issued by a county to pay costs associated with the repair, maintenance and/or reconstruction of roads, streets and bridges shall not be considered when determining the amount of county funds expended by the county during the previous county fiscal year.

(c) The department * * * and the * * * Office of the State Auditor shall have all powers necessary to ensure the proper implementation of this subsection (2).

Rep. Roberson called up the conference report on the following bill and moved that it be adopted:

S. B. No. 2887: State Treasurer; modify certain provisions concerning the deposit and investment of excess state funds.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2887: State Treasurer; modify certain provisions concerning the deposit and investment of excess state funds.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 27-105-33, Mississippi Code of 1972, is amended as follows:

27-105-33. It shall be the duty of the State Treasurer and the Executive Director of the Department of Finance and Administration on or about the tenth day of each month, and in their discretion at any other time, to analyze carefully the amount of cash in the General Fund of the state and in all special funds credited to any special purpose designated by the State Legislature or held to meet the budgets or appropriations for maintenance, improvements and services of the several institutions, boards, departments, commissions, agencies, persons or entities of the state, and to determine in their opinion when the cash in such funds is in excess of the amount required to meet the current needs and demands of no more than seven (7) business days on such funds and report their findings to the Governor. It shall be the duty of the State Treasurer to provide a cash flow model for forecasting revenues and expenditures on a bimonthly basis and providing technical assistance for its operation. The Department of Finance and Administration

shall use the cash flow model furnished by the State Treasurer, in analyzing the amount of funds on deposit and available for investment.

The State Treasurer is hereby authorized, empowered and directed to invest all such excess general and special funds of the state in the following manner:

(a) Funds shall be allocated equally among all qualified state depositories which do not have demand accounts in excess of One Hundred Fifty Thousand Dollars (\$150,000.00) until each qualified depository willing to accept the same shall have on deposit or in security repurchase agreements or in other securities authorized in paragraph (d) of this section at interest the sum of Three Hundred Thousand Dollars (\$300,000.00). For the purposes of this subsection, no branch bank or branch office shall be counted as a separate depository.

(b) The balance, if any, of such excess general and special funds shall be offered to qualified depositories of the state on a pro rata basis as provided in Section 27-105-9. For the purposes of this subsection, the pro rata share of each depository shall be reduced by the amount of the average daily collected earning balance of demand deposits maintained by the State Treasurer pursuant to Section 27-105-9 during the preceding calendar year, and such reduction shall be allocated pro rata among other eligible depositories.

(c) Funds offered pursuant to paragraphs (a) and (b) above shall be invested for periods of up to one (1) year, and shall bear interest at an interest rate no less than that numerically equal to the bond equivalent yield on direct obligations of the United States Treasury of comparable maturity, as determined by the State Treasurer. In determining such rate, the State Treasurer shall consider the Legislature's desire to distribute funds equitably throughout the state to the maximum extent possible.

(d) To the extent that the State Treasurer shall find that general and special funds cannot be invested pursuant to paragraphs (a), (b) and (c) of this section for the stated maturity up to one (1) year, the Treasurer may invest such funds, together with any other funds required for current operation, as determined pursuant to this section, in the following:

(i) Time certificates of deposit or interest-bearing accounts with qualified state depositories. For those funds determined under prudent judgment of the State Treasurer to be made available for investment in time certificates of deposit, the rate of interest paid by the depositories shall be determined by rules and regulations adopted and promulgated by the State Treasurer which may include competitive bids. At the time of investment, the interest rate on such certificates of deposit under the provisions of this subparagraph shall be a rate not less than the bond equivalent yield on direct obligations of the United States Treasury with a similar length of maturity.

(ii) Direct United States Treasury obligations, the principal and interest of which are fully guaranteed by the government of the United States.

(iii) United States government agency, United States government instrumentality or United States government-sponsored enterprise obligations, the principal and interest of which are fully guaranteed by the government of the United States, such as the Government National Mortgage Association; or United States governmental agency, United States government instrumentality or United States government-sponsored enterprise obligations, the principal and interest of which are guaranteed by any United States government agency, United States government instrumentality or United States government-sponsored enterprise contained in a list promulgated by the State Treasurer.

Set-aside purchases for which competitive bids are required shall be made from the lowest and best minority business bidder; however, if no minority bid is available or if the minority bid is more than two percent (2%) higher than the lowest bid, then bids shall be accepted and awarded to the lowest and best bidder. However, the provisions in this paragraph shall not be construed to prohibit the rejection of a bid when only one (1) bid is received. Such rejection shall be placed in the minutes. Any such rules and regulations shall provide for maintaining continuous internal audit covering the activities of such agency affecting its revenue and expenditures as required under Section 7-7-3(6)(d). Any rules and regulation changes related to personal and professional services contracts that the Public Procurement Review Board may

propose shall be submitted to the Chairs of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the Chairs of the Appropriation Committees of the Senate and House of Representatives at least fifteen (15) days before the board votes on the proposed changes, and those rules and regulation changes, if adopted, shall be promulgated in accordance with the Mississippi Administrative Procedures Act; and

(xv) From and after July 1, 2024, the Public Procurement Review Board shall promulgate rules and regulations that require the Department of Finance and Administration to conduct personal and professional services solicitations as provided in subparagraph (i) of this paragraph for those services in excess of Seventy-five Thousand Dollars (\$75,000.00) for the Department of Marine Resources, the Department of Wildlife, Fisheries and Parks, the Mississippi Emergency Management Agency and the Mississippi Development Authority, with assistance to be provided from these entities. Any powers that have been conferred upon agencies in order to comply with the provisions of this section for personal and professional services solicitations shall be conferred upon the Department of Finance and Administration to conduct personal and professional services solicitations for the Department of Marine Resources, the Department of Wildlife, Fisheries and Parks, the Mississippi Emergency Management Agency and the Mississippi Development Authority for those services in excess of Seventy-five Thousand Dollars (\$75,000.00). The Department of Finance and Administration shall make any submissions that are required to be made by other agencies to the Public Procurement Review Board for the Department of Marine Resources, the Department of Wildlife, Fisheries and Parks, the Mississippi Emergency Management Agency and the Mississippi Development Authority.

The provisions of this subparagraph (xv) shall stand repealed on June 30, 2027.

(g) Approve all personal and professional services contracts involving the expenditures of funds in excess of Seventy-five Thousand Dollars (\$75,000.00), except as provided in paragraph (f) of this subsection (2) and in subsection (8);

(h) Develop mandatory standards with respect to contractual services personnel that require invitations for public bid, requests for proposals, record keeping and financial responsibility of contractors. The Public Procurement Review Board shall, unless exempted under this paragraph (h) or under paragraph (i) or (o) of this subsection (2), require the agency involved to submit the procurement to a competitive procurement process, and may reserve the right to reject any or all resulting procurements;

(i) Prescribe certain circumstances by which agency heads may enter into contracts for personal and professional services without receiving prior approval from the Public Procurement Review Board. The Public Procurement Review Board may establish a preapproved list of providers of various personal and professional services for set prices with which state agencies may contract without bidding or prior approval from the board;

(i) Agency requirements may be fulfilled by procuring services performed incident to the state's own programs. The agency head shall determine in writing whether the price represents a fair market value for the services. When the procurements are made from other governmental entities, the private sector need not be solicited; however, these contracts shall still be submitted for approval to the Public Procurement Review Board.

(ii) Contracts between two (2) state agencies, both under Public Procurement Review Board purview, shall not require Public Procurement Review Board approval. However, the contracts shall still be entered into the enterprise resource planning system;

(j) Provide standards for the issuance of requests for proposals, the evaluation of proposals received, consideration of costs and quality of services proposed, contract negotiations, the administrative monitoring of contract performance by the agency and successful steps in terminating a contract;

(k) Present recommendations for governmental privatization and to evaluate privatization proposals submitted by any state agency;

(l) Authorize personal and professional service contracts to be effective for more than one (1) year provided a funding condition is included in any such multiple year contract, except the State Board of Education, which shall have the authority to enter into contractual agreements for student assessment for a period up to ten (10) years. The State Board of Education shall procure these services in accordance with the Public Procurement Review Board procurement regulations;

(m) Request the State Auditor to conduct a performance audit on any personal or professional service contract;

(n) Prepare an annual report to the Legislature concerning the issuance of personal and professional services contracts during the previous year, collecting any necessary information from state agencies in making such report;

(o) Develop and implement the following standards and procedures for the approval of any sole source contract for personal and professional services regardless of the value of the procurement:

(i) For the purposes of this paragraph (o), the term "sole source" means only one (1) source is available that can provide the required personal or professional service.

(ii) An agency that has been issued a binding, valid court order mandating that a particular source or provider must be used for the required service must include a copy of the applicable court order in all future sole source contract reviews for the particular personal or professional service referenced in the court order.

(iii) Any agency alleging to have a sole source for any personal or professional service, other than those exempted under paragraph (f) of this subsection (2) and subsection (8), shall publish on the procurement portal website established by Sections 25-53-151 and 27-104-165, for at least fourteen (14) days, the terms of the proposed contract for those services. In addition, the publication shall include, but is not limited to, the following information:

1. The personal or professional service offered in the contract;

2. An explanation of why the personal or professional service is the only one that can meet the needs of the agency;

3. An explanation of why the source is the only person or entity that can provide the required personal or professional service;

4. An explanation of why the amount to be expended for the personal or professional service is reasonable; and

5. The efforts that the agency went through to obtain the best possible price for the personal or professional service.

(iv) If any person or entity objects and proposes that the personal or professional service published under subparagraph (iii) of this paragraph (o) is not a sole source service and can be provided by another person or entity, then the objecting person or entity shall notify the Public Procurement Review Board and the agency that published the proposed sole source contract with a detailed explanation of why the personal or professional service is not a sole source service.

(v) 1. If the agency determines after review that the personal or professional service in the proposed sole source contract can be provided by another person or entity, then the agency must withdraw the sole source contract publication from the procurement portal website and submit the procurement of the personal or professional service to an advertised competitive bid or selection process.

2. If the agency determines after review that there is only one (1) source for the required personal or professional service, then the agency may appeal to the Public Procurement Review Board. The agency has the burden of proving that the personal or professional service is only provided by one (1) source.

3. If the Public Procurement Review Board has any reasonable doubt as to whether the personal or professional service can only be provided by one (1) source, then the agency must submit the procurement of the personal or professional service to an advertised competitive bid or selection process. No action taken by the Public Procurement Review Board in this appeal process shall be valid unless approved by a majority of the members of the Public Procurement Review Board present and voting.

(vi) The Public Procurement Review Board shall prepare and submit a quarterly report to the House of Representatives and Senate Accountability, Efficiency and Transparency Committees that details the sole source contracts presented to the Public Procurement Review Board and the reasons that the Public Procurement Review Board approved or rejected each contract. These quarterly reports shall also include the documentation and memoranda required in subsection (4) of this section. An agency that submitted a sole source contract shall be prepared to explain the sole source contract to each committee by December 15 of each year upon request by the committee;

(p) Assess any fines and administrative penalties provided for in Sections 31-7-401 through 31-7-423.

(3) All submissions shall be made sufficiently in advance of each monthly meeting of the Public Procurement Review Board as prescribed by the Public Procurement Review Board. If the Public Procurement Review Board rejects any contract submitted for review or approval, the Public Procurement Review Board shall clearly set out the reasons for its action, including, but not limited to, the policy that the agency has violated in its submitted contract and any corrective actions that the agency may take to amend the contract to comply with the rules and regulations of the Public Procurement Review Board.

(4) All sole source contracts for personal and professional services awarded by state agencies, other than those exempted under Section 27-104-7(2)(f) and (8), whether approved by an agency head or the Public Procurement Review Board, shall contain in the procurement file a written determination for the approval, using a request form furnished by the Public Procurement Review Board. The written determination shall document the basis for the determination, including any market analysis conducted in order to ensure that the service required was practicably available from only one (1) source. A memorandum shall accompany the request form and address the following four (4) points:

(a) Explanation of why this service is the only service that can meet the needs of the purchasing agency;

(b) Explanation of why this vendor is the only practicably available source from which to obtain this service;

(c) Explanation of why the price is considered reasonable; and

(d) Description of the efforts that were made to conduct a noncompetitive negotiation to get the best possible price for the taxpayers.

(5) In conjunction with the State Personnel Board, the Public Procurement Review Board shall develop and promulgate rules and regulations to define the allowable legal relationship between contract employees and the contracting departments, agencies and institutions of state government under the jurisdiction of the State Personnel Board, in compliance with the applicable rules and regulations of the federal Internal Revenue Service (IRS) for federal employment tax purposes. Under these regulations, the usual common law rules are applicable to determine and require that such worker is an independent contractor and not an employee, requiring evidence of lawful behavioral control, lawful financial control and lawful relationship of the parties. Any state department, agency or institution shall only be authorized to contract for personnel services in compliance with those regulations.

(6) No member of the Public Procurement Review Board shall use his or her official authority or influence to coerce, by threat of discharge from employment, or otherwise, the purchase of commodities, the contracting for personal or professional services, or the contracting for public construction under this chapter.

(7) Notwithstanding any other laws or rules to the contrary, the provisions of subsection (2) of this section shall not be applicable to the Mississippi State Port Authority at Gulfport.

(8) Nothing in this section shall impair or limit the authority of the Board of Trustees of the Public Employees' Retirement System to enter into any personal or professional services contracts directly related to their constitutional obligation to manage the trust funds, including, but not limited to, actuarial, custodial banks, cash management, investment consultant and investment management contracts. Nor shall this section impair or limit the authority of the State Treasurer to enter into any personal or professional services contracts involving the management of trust funds, including, but not limited to,

actuarial, custodial banks, cash management, investment consultant and investment management contracts.

SECTION 2. Of the funds appropriated in Section 1, the department is authorized to expend not more than Seven Hundred Thousand Dollars (\$700,000.00) for administrative expenses in administering the grant program.

SECTION 3. (1) As used in this section and Section 4 of this act, the term "department" means the Department of Health.

(2) The department shall not disburse any funds appropriated under this act to any recipient without first: (a) making an individualized determination that the reimbursement sought is, in the department's independent judgment, for necessary expenditures eligible under Section 602 of the federal Social Security Act as added by Section 9901 of the federal American Rescue Plan Act of 2021 (ARPA) and its implementing guidelines, guidance, rules, regulations and/or other criteria, as may be amended or supplemented from time to time, by the United States Department of the Treasury; and (b) determining that the recipient has not received and will not receive reimbursement for the expense in question from any source of funds, including insurance proceeds, other than those funds provided under Section 602 of the federal Social Security Act as added by Section 9901 of ARPA. In addition, the department shall ensure that all funds appropriated under this act are disbursed in compliance with the Single Audit Act (31 USC Sections 7501-7507) and the related provisions of the Uniform Guidance, 2 CFR Section 200.303 regarding internal controls, Sections 200.330 through 200.332 regarding sub-recipient monitoring and management, and subpart F regarding audit requirements.

(2) If the Office of Inspector General of the United States Department of the Treasury, or the Office of Inspector General of any other federal agency having oversight over the use of monies from the Coronavirus State Fiscal Recovery Fund established by the American Rescue Plan Act of 2021 (a) determines that the department or recipient has expended or otherwise used any of the funds appropriated to the department under this act for any purpose that is not in compliance with the guidelines, guidance, rules, regulations and/or other criteria, as may be amended from time to time, of the United States Department of the Treasury regarding the use of monies from the Coronavirus State Fiscal Recovery Fund established by the American Rescue Plan Act of 2021, and (b) the State of Mississippi is required to repay the federal government for any of those funds that the Office of the Inspector General determined were expended or otherwise used improperly by the department or recipient, then the department or recipient that expended or otherwise used those funds improperly shall be required to pay the amount of those funds to the State of Mississippi for repayment to the federal government.

SECTION 5. None of the funds appropriated by this act shall be used to pay employee premium payments.

SECTION 6. The money appropriated by this act shall be paid by the State Treasurer out of any money in the Coronavirus State Fiscal Recovery Fund not otherwise appropriated, upon warrants issued by the State Fiscal Officer; and the State Fiscal Officer shall issue his or her warrants upon requisitions signed by the proper person, officer or officers in the manner provided by law.

SECTION 7. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2079: Mississippi School Protection Act; enact to allow armed educators.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. The following shall be codified as Section 45-9-181, Mississippi Code of 1972:

45-9-181. (1) This section shall be known and may be cited as the "Mississippi School Safety Guardian Act."

(2) For purposes of this section:

(a) "Department" means the Department of Public Safety.

(b) "Governing body" means with respect to any public school district or public charter school, the local school board or charter school board, as applicable; with respect to any private school, the board or other governing body of the private school as provided in the charter, bylaws, or other governing documents of the school.

(c) "Program" means a school safety guardian program established by the governing body of a school in accordance with this act.

(d) "School" means any public or private educational institution within the State of Mississippi and includes any elementary or secondary school.

(e) "Training program" means the School Safety Guardian Training Program established in subsection (3) of this act.

(3) There is hereby established the School Safety Guardian Program in the Office of Homeland Security within the department. The department shall administer the program through the Office of Homeland Security. In consultation with the Mississippi Department of Education, the department shall establish the program and promulgate rules, regulations, and establish training requirements.

(4) The governing body of a school, in consultation with school administrators and the department, may establish a program under this act. The department or the governing body of a school may discontinue a school's participation in the program at anytime. If the governing body of a school establishes a program under this act, the governing body of a school shall designate employees to participate in the training program developed by the department by which designated and trained school employees are authorized to carry concealed firearms for the protection of the students, employees and others on the campus of the school. The scope and purpose of each program shall include responding to an active shooter situation or other situation that would cause death or serious bodily harm on the school campus or in the immediate vicinity of the school campus. The school safety guardian's weapon shall always remain under his or her physical control on campus.

(5) A designated school safety guardian is immune from civil liability for any action taken by the school safety guardian if the action in question occurs during the reasonable exercise of and within the course and scope of the designated School Safety Guardian's official duties. School Safety Guardians are charged with these duties and must act in accordance with these duties to maintain their immunity. If a School Safety Guardian is found to have failed to carry out their official duties, the immunity described in this subsection shall be waived.

(6) School Safety Guardians shall be paid a monthly stipend in an amount not less than One Hundred Dollars (\$100.00), but not more than Five Hundred Dollars (\$500.00) by the school district, however, no funds received by school districts under the Elementary and Secondary Education Act (ESEA) shall be used to pay the stipends authorized under this subsection in accordance with the prohibition on the use of such funds as prescribed in Section 13401 of the Bipartisan Safer Communities Act, Public Law 117-159, 117th Congress of the United States, which amends the ESEA (20 USCS Section 7906 (Supp. 2022)).

(7) To be eligible for the immunity provided in this section:

(a) The program, at a minimum, shall require that each designated member of the program who is not a law enforcement officer, as defined in Section 45-6-3, possess a firearms license issued under Section 45-9-101 and the endorsement authorized in Section 97-37-7; has completed instructional training through a law enforcement training academy approved department not less than once every twelve (12) months; and has been CPR and First Aid certified; and

(b) The identities of any person designated by the school's governing body to serve as a School Safety Guardian must be documented at the time of the designation and shall be communicated to school administrators and local law enforcement.

(8) The department may authorize and certify Mississippi law enforcement training academies to offer the training program to the governing body of a school.

(a) The training program, at a minimum, must include:

(i) An instructional course developed by the department;

- (ii) A criminal background check;
- (iii) A psychological screening;
- (iv) A shooting proficiency test; and
- (v) An annual recertification training.

(b) A law enforcement training academy may provide School Safety Guardian training to any employee of a school or school district who:

(i) Holds a license to carry a concealed handgun issued under Section 45-9-101;

(ii) Has an endorsement authorized by Section 97-37-7; and

(iii) Has current certification in CPR and First Aid.

(c) The department may establish a fee in an amount that is sufficient to cover the costs of the training program under this section to be paid to the training academy by the governing body of the school.

(d) The department shall adopt rules to administer this section, including a method to identify license holders who have completed a School Safety Guardian training certification course and setting a fee to be charged by the department for the issuance or reissuance of identification of the license holder as being certified.

(e) The department shall adopt rules and regulations that require review of the firearms training policies and procedures of school districts that authorized its employees to carry concealed firearms as part of a school safety program before the effective date of this act. Upon review of such rules and regulations, if the department determines that such district's policies and procedures conform to the department's training standards under the authority of this act, the department shall approve such district's policies and procedures and all employees of such school district that have completed the approved training shall receive all authority and protections provided by this act to carry concealed firearms as part of an approved school safety guardian program. However, if the department determines that such district's policies and procedures fail to conform to the department's training standards under the authority of this act, the employees of the district shall be required to comply with the requirements under this act to carry concealed firearms as part of an approved school safety guardian program.

(9) A person who is indicted or charged with a violation of criminal law while acting as a School Safety Guardian may assert as a defense, in addition to any other defense available, that, at the time of the action in question, the person was a certified School Safety Guardian, was then actually engaged in the performance of the person's duties as a School Safety Guardian, and had met the requirements of this section at the time of the action in question.

(10) Records relating to the identities of any person designated by the school's governing body to serve as a School Safety Guardian shall be exempt from the provisions of the Mississippi Public Records Act of 1983.

(11) Subject to appropriation and any other requirements provided by law, the Office of Homeland Security may contract with a third-party vendor for mobile phone applications and/or computer equipment or services to accomplish the purposes of this act.

SECTION 2. Section 45-1-2, Mississippi Code of 1972, is amended as follows:

45-1-2. (1) The Executive Director of the Department of Public Safety shall be the Commissioner of Public Safety.

(2) The Commissioner of Public Safety shall establish the organizational structure of the Department of Public Safety, which shall include the creation of any units necessary to implement the duties assigned to the department and consistent with specific requirements of law including, but not limited to:

- (b) Office of Mississippi Highway Safety Patrol;
- (c) Office of Mississippi Bureau of Investigation (to be directed by a Lieutenant Colonel of the Mississippi Highway Safety Patrol);

- (h) Office of Homeland Security;
- (i) Office of Capitol Police;
- (j) Office of Driver Service Bureau; and
- (k) Office of Commercial Transportation Enforcement Division.

(3) The department shall be headed by a commissioner, who shall be appointed by and serve at the pleasure of the Governor. The appointment of the commissioner shall be made with the advice and consent of the Senate. The commissioner shall have, at a minimum, a bachelor's degree from an accredited college or university.

(4) Notwithstanding any provision of law to the contrary, the commissioner shall appoint heads of offices, who shall serve at the pleasure of the commissioner. The commissioner shall have the authority to organize the offices established by subsection (2) of this section as deemed appropriate to carry out the responsibilities of the department. The commissioner may assign to the appropriate offices such powers and duties as deemed appropriate to carry out the department's lawful functions. The organization charts of the department shall be presented annually with the budget request of the Governor for review by the Legislature.

(5) The commissioner shall appoint, from within the Department of Public Safety, a statewide safety training officer who shall serve at the pleasure of the commissioner and whose duty it shall be to perform public training for both law enforcement and private persons throughout the state concerning proper emergency response to the mentally ill, terroristic threats or acts, domestic conflict, other conflict resolution, and such other matters as the commissioner may direct.

(6) The commissioner, after consultation with the Mississippi Association of Chiefs of Police and the Mississippi Sheriffs' Association, shall be responsible for establishing guidelines for response to active shooter situations and any related jurisdictional issues.

(** *7) The commissioner shall establish within the department the Mississippi Office of Homeland Security for the purpose of seeing that the laws are faithfully executed and for the purpose of investigating cyber-related crimes and suppressing crimes of violence and acts of intimidation and terror. The commissioner is hereby authorized to employ within the Office of Homeland Security a director, investigators and other qualified personnel as he may deem necessary to make investigation of cyber-related crimes, crimes of violence and acts of terrorism or intimidation, to aid in the arrest and prosecution of persons charged with such cyber-related crimes, crimes of violence, acts of terrorism or intimidation, or threats of violence and to perform other duties as necessary to accomplish these purposes. Investigators and other law enforcement personnel employed by the commissioner shall have full power to investigate, apprehend, and arrest persons committing cyber-related crimes, acts of violence, intimidation, or terrorism anywhere in the state, and shall be vested with the power of police officers in the performance of such duties as provided herein. Such investigators and other personnel shall perform their duties under the direction of the commissioner, or his designee. The commissioner shall be authorized to offer and pay suitable rewards to other persons for aiding in such investigation and in the apprehension and conviction of persons charged with cyber-related crimes, acts of violence, or threats of violence, or intimidation, or acts of terrorism.

(** *8) The commissioner shall establish within the Office of Homeland Security a Mississippi Analysis and Information Center (MSAIC Fusion Center) which shall be the highest priority for the allocation of available federal resources for statewide information sharing, including the deployment of personnel and connectivity with federal data systems. Subject to appropriation therefor, the Mississippi Fusion Center shall employ three (3) regional analysts dedicated to analyzing and resolving potential threats identified by the agency's statewide social media intelligence platform and the dissemination of school safety information.

SECTION 3. Section 97-3-15, Mississippi Code of 1972, is amended as follows:

97-3-15. (1) The killing of a human being by the act, procurement or omission of another shall be justifiable in the following cases:

(a) When committed by public officers, or those acting by their aid and assistance, in obedience to any judgment of a competent court;

(b) When necessarily committed by public officers, or those acting by their command in their aid and assistance, in overcoming actual resistance to the execution of some legal process, or to the discharge of any other legal duty;

(c) When necessarily committed by public officers, or those acting by their command in their aid and assistance, in retaking any felon who has been rescued or has escaped;

(d) When necessarily committed by public officers, or those acting by their command in their aid and assistance, in arresting any felon fleeing from justice;

(e) When committed by any person in resisting any attempt unlawfully to kill such person or to commit any felony upon him, or upon or in any dwelling, in any occupied vehicle, in any place of business, in any place of employment or in the immediate premises thereof in which such person shall be;

(f) When committed in the lawful defense of one's own person or any other human being, where there shall be reasonable ground to apprehend a design to commit a felony or to do some great personal injury, and there shall be imminent danger of such design being accomplished;

(g) When necessarily committed in attempting by lawful ways and means to apprehend any person for any felony committed;

(h) When necessarily committed in lawfully suppressing any riot or in lawfully keeping and preserving the peace; * * *

(i) When necessarily committed in the performance of duty as a member of a church or place of worship security program as described in Section 45-9-171 * * *; and

(j) When necessarily committed in the performance of duty as a member of a School Safety Guardian Program as described in Section 45-9-181.

(2) (a) As used in subsection (1)(c) and (d) of this section, the term "when necessarily committed" means that a public officer or a person acting by or at the officer's command, aid or assistance is authorized to use such force as necessary in securing and detaining the felon offender, overcoming the offender's resistance, preventing the offender's escape, recapturing the offender if the offender escapes or in protecting himself or others from bodily harm; but such officer or person shall not be authorized to resort to deadly or dangerous means when to do so would be unreasonable under the circumstances. The public officer or person acting by or at the officer's command may act upon a reasonable apprehension of the surrounding circumstances; however, such officer or person shall not use excessive force or force that is greater than reasonably necessary in securing and detaining the offender, overcoming the offender's resistance, preventing the offender's escape, recapturing the offender if the offender escapes or in protecting himself or others from bodily harm.

(b) As used in subsection (1)(c) and (d) of this section, the term "felon" shall include an offender who has been convicted of a felony and shall also include an offender who is in custody, or whose custody is being sought, on a charge or for an offense which is punishable, upon conviction, by death or confinement in the Penitentiary.

(c) As used in subsections (1)(e) and (3) of this section, "dwelling" means a building or conveyance of any kind that has a roof over it, whether the building or conveyance is temporary or permanent, mobile or immobile, including a tent, that is designed to be occupied by people lodging therein at night, including any attached porch.

(3) A person who uses defensive force shall be presumed to have reasonably feared imminent death or great bodily harm, or the commission of a felony upon him or another or upon his dwelling, or against a vehicle which he was occupying, or against his business or place of employment or the immediate premises of such business or place of employment, if the person against whom the defensive force was used, was in the process of unlawfully and forcibly entering, or had unlawfully and forcibly entered, a dwelling, occupied vehicle, business, place of employment or the immediate premises thereof or if that person had unlawfully removed or was attempting to unlawfully remove another against the other person's will from that dwelling, occupied vehicle, business, place of

employment or the immediate premises thereof and the person who used defensive force knew or had reason to believe that the forcible entry or unlawful and forcible act was occurring or had occurred. This presumption shall not apply if the person against whom defensive force was used has a right to be in or is a lawful resident or owner of the dwelling, vehicle, business, place of employment or the immediate premises thereof or is the lawful resident or owner of the dwelling, vehicle, business, place of employment or the immediate premises thereof or if the person who uses defensive force is engaged in unlawful activity or if the person is a law enforcement officer engaged in the performance of his official duties.

(4) A person who is not the initial aggressor and is not engaged in unlawful activity shall have no duty to retreat before using deadly force under subsection (1)(e) or (f) of this section if the person is in a place where the person has a right to be, and no finder of fact shall be permitted to consider the person's failure to retreat as evidence that the person's use of force was unnecessary, excessive or unreasonable.

(5) (a) The presumptions contained in subsection (3) of this section shall apply in civil cases in which self-defense or defense of another is claimed as a defense.

(b) The court shall award reasonable attorney's fees, court costs, compensation for loss of income, and all expenses incurred by the defendant in defense of any civil action brought by a plaintiff if the court finds that the defendant acted in accordance with subsection (1)(e) or (f) of this section. A defendant who has previously been adjudicated "not guilty" of any crime by reason of subsection (1)(e) or (f) of this section shall be immune from any civil action for damages arising from the same conduct.

SECTION 4. Section 97-37-9, Mississippi Code of 1972, is amended as follows:

97-37-9. Any person indicted or charged for a violation of Section 97-37-1 may show as a defense:

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2239: State law enforcement officers; authorize use of uniforms, weapons and vehicles off duty while performing security services.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 17-25-11, Mississippi Code of 1972, is amended as follows:

17-25-11. (1) Certified law enforcement officers or certified part-time law enforcement officers, as defined in Section 45-6-3, who are employed by a county * * *, municipality or the Department of Public Safety may wear the official uniform and may utilize the official firearm and the official vehicle issued by the employing jurisdiction while in the performance of private security services in off-duty hours. The governing authority of a municipality must approve of such use of the uniform, official weapon and vehicle by municipal law enforcement officers by act spread upon the minutes of such board and approved by the chief executive. The sheriff of a county must approve such use of the uniform, official weapon and vehicle by deputy sheriffs. The Commissioner of the Department of Public Safety must approve such use of the uniform, official weapon and vehicle by officers of the department. Approval shall be on an employee-by-employee basis and not by general order. Any proceedings regarding application or approval and the minutes regarding same shall be a public record.

(2) Each governing board and chief executive * * *, sheriff or the Commissioner of the Department of Public Safety shall determine before the use of the official uniform, weapon and vehicle is approved that the proposed employment is not likely to bring disrepute to the employing jurisdiction or its law enforcement agency, the officer at issue, or law enforcement generally, and that the use of the official uniform, weapon and vehicle in the discharge of the officer's private security endeavor promotes the public interest.

(3) (a) Acts and omissions of an officer in discharge of private security employment shall be deemed to be the acts and omissions of the person or entity who hires or enters into any independent contractual service agreement with an officer for the private security services, and not the acts and omissions of the employing jurisdiction whose uniform, weapon and vehicle are approved for the private security use.

(b) The person or entity, and the person's or entity's insurer, who hires or enters into any independent contractual service agreement with an officer for private security services shall:

(i) Hold harmless the employing jurisdiction and fully indemnify the employing jurisdiction for any expense or loss, including attorney's fees and any damage to the official vehicle, which results from any action taken against the employing jurisdiction arising out of the acts or omissions of the officer in discharge of private security services while wearing the official uniform or using the official weapon or vehicle; and

(ii) Name the employing jurisdiction as a named insured on its general liability and automobile liability policies for at least the amount of recovery provided for in Section 11-46-15 for any damage to the official vehicle.

(c) If the person or entity, and the person's or entity's insurer, fails or refuses to endorse, indemnify and hold harmless the employing jurisdiction, the employing jurisdiction shall not approve the use of the official vehicle of the employing jurisdiction for private security services.

(d) Neither the state nor any subdivision thereof shall be liable for a claim or injury arising from the acts or omissions of an officer in the discharge of any private security employment duties under this section, including travel to and from private security employment duties in the official vehicle.

(4) Certified police officers performing private jobs during their off-duty hours are required to notify the appropriate law enforcement agency of the place of employment, the hours to be worked, and the type of employment.

(5) The official uniform, weapon and vehicle may be worn and utilized only at locations which are within the jurisdiction of the governmental entity whose uniform, weapon and vehicle are involved.

SECTION 2. This act shall take effect and be in force from and after July 1, 2023.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 17-25-11, MISSISSIPPI CODE OF 1972, TO AUTHORIZE OFFICERS OF THE DEPARTMENT OF PUBLIC SAFETY TO USE THEIR OFFICIAL UNIFORM, FIREARM AND VEHICLE WHILE IN THE PERFORMANCE OF PRIVATE SECURITY SERVICES IN OFF DUTY HOURS; AND FOR RELATED PURPOSES.
