(d) Under regulations promulgated by the State Board of Health, the licensing agency shall require every employee of a covered entity employed before July 1, 2003, to sign an affidavit stating that he or she has not been convicted of or pleaded guilty or nolo contendere to a felony of possession or sale of drugs, murder, manslaughter, armed robbery, rape, sexual battery, any sex offense listed in Section 45-33-23(h), child abuse, arson, grand larceny, burglary, gratification of lust, aggravated assault, or felonious abuse and/or battery of a vulnerable adult, or that any such conviction or plea was reversed on appeal or a pardon was granted for the conviction or plea. No such employee of a covered entity hired before July 1, 2003, shall be permitted to provide direct patient care until the employee has signed the affidavit required by this paragraph (d). All such existing employees of covered entities must sign the affidavit required by this paragraph (d) within six (6) months of the final adoption of the regulations promulgated by the State Board of Health. If a person signs the affidavit required by this paragraph (d), and it is later determined that the person actually had been convicted of or pleaded guilty or nolo contendere to any of the offenses listed in this paragraph (d) and the conviction or plea has not been reversed on appeal or a pardon has not been granted for the conviction or plea, the person is guilty of perjury. If the offense that the person was convicted of or pleaded guilty or nolo contendere to was a violent offense, the person, upon a conviction of perjury under this paragraph, shall be punished as provided in Section 97-9-61. If the offense that the person was convicted of or pleaded guilty or nolo contendere to was a nonviolent offense, the person, upon a conviction of perjury under this paragraph, shall be punished by a fine of not more than Five Hundred Dollars (\$500.00), or by imprisonment in the county jail for not more than six (6) months, or by both such fine and imprisonment.

(e) The covered entity may, in its discretion, allow any employee who is unable to sign the affidavit required by paragraph (d) of this subsection (** *6) or any employee applicant aggrieved by an employment decision under this subsection (** *6)

to appear before the covered entity's hiring officer, or his or her designee, to show mitigating circumstances that may exist and allow the employee or employee applicant to be employed by the covered entity. The covered entity, upon report and recommendation of the hiring officer, may grant waivers for those mitigating circumstances, which shall include, but not be limited to: (i) age at which the crime was committed; (ii) circumstances surrounding the crime; (iii) length of time since the conviction and criminal history since the conviction; (iv) work history; (v) current employment and character references; and (vi) other evidence demonstrating the ability of the individual to perform the employment responsibilities competently and that the individual does not pose a threat to the health or safety of the patients of the covered entity.

(f) The licensing agency may charge the covered entity submitting the fingerprints a fee not to exceed Fifty Dollars (\$50.00), which covered entity may, in its discretion, charge the same fee, or a portion thereof, to the employee applicant. Any increase in the fee charged by the licensing agency under this paragraph shall be in accordance with the provisions of Section 41-3-65. Any costs incurred by a covered entity implementing this subsection (* * *6) shall be reimbursed as an allowable cost under Section 43-13-116.

(g) If the results of an employee applicant's criminal history record check reveals no disqualifying event, then the covered entity shall, within two (2) weeks of the notification of no disqualifying event, provide the employee applicant with a notarized letter signed by the chief executive officer of the covered entity, or his or her authorized designee, confirming the employee applicant's suitability for employment based on his or her criminal history record check. An employee applicant may use that letter for a period of two (2) years from the date of the letter to seek employment with any covered entity without the necessity of an additional criminal history record check. Any covered entity presented with the letter may rely on the letter with respect to an employee applicant's criminal background and is not required for a period of two (2) years from the date of the letter to conduct or have conducted a criminal history record check as required in this subsection (* * *6).

(h) The licensing agency, the covered entity, and their agents, officers, employees, attorneys and representatives, shall be presumed to be acting in good faith for any employment decision or action taken under this subsection (* * *6). The presumption of good faith may be overcome by a preponderance of the evidence in any civil action. No licensing agency, covered entity, nor their agents, officers, employees, attorneys and representatives shall be held liable in any employment decision or action based in whole or in part on compliance with or attempts to comply with the requirements of this subsection (* * *6).

(i) The licensing agency shall promulgate regulations to implement this subsection (* * *6).

(j) The provisions of this subsection (* * *6) shall not apply to:

(i) Applicants and employees of the University of Mississippi Medical Center for whom criminal history record checks and fingerprinting are obtained in accordance with Section 37-115-41; or

suffering from a significant permanent physical medical condition with no possibility of recovery; (b) that his or her further incarceration will serve no rehabilitative purposes; and (c) that the state would incur unreasonable expenses as a result of his or her continued incarceration. Any offender placed on conditional medical release shall be supervised by the Division of Community Corrections of the department for the remainder of his or her sentence. An offender's conditional medical release may be revoked and the offender returned and placed in actual custody of the department if the offender violates an order or condition of his or her conditional medical release. (v) An inmate shall agree to the release of his or her medical records that are directly relevant to the condition or conditions rendering the inmate medically frail to any prosecuting attorney of the county from which the inmate was committed before the State Parole Board determines whether or not to grant parole under this subsection;

(vi) If the inmate is granted parole under this subsection (2), the inmate shall agree to the quarterly release of his or her medical records that are directly relevant to the condition or conditions rendering the inmate medically frail at the request of any prosecuting attorney of the county from which the inmate was committed;

(viii) The department or the State Parole Board shall not retain authority over the medical treatment plan for the inmate granted parole under this subsection (2);

(ix) The department and the State Parole Board shall ensure that the placement and terms and conditions of parole granted under this subsection (2) do not violate any other state or federal regulations;

(d) The Mississippi Department of Corrections may enter into contracts to facilitate the housing of paroled inmates under this subsection (2). The Mississippi Department of Corrections shall appoint a specialist in the appropriate field of

medicine, who is not employed by the department, to evaluate the condition of the inmate considered for parole under this subsection (2) and to report on that condition to the department and the State Parole Board. The State Parole Board shall determine whether the inmate is medically frail in consultation with the Mississippi Department of Health.

SECTION 7. The following shall be codified as Section 43-13-117.6, Mississippi Code of 1972:

43-13-117.6. (1) The Division of Medicaid may apply to the federal Center for Medicaid Services (CMS) for necessary waivers to provide federal funding under the Medicaid program for providing reimbursement for authorized services to medically frail inmates who qualify for nursing home-level care and who the state deems are not public safety risks, provided through a Special Care Facility for Paroled Inmates licensed by the State Department of Health under contract with the Mississippi Department of Corrections, as specifically authorized under this act.

(2) Subject to CMS approval, the program for paroled inmates shall be funded from monies that are appropriated or otherwise made available to the division specifically to cover the cost of the paroled inmate program. This program shall be a separate program within the Division of Medicaid as the administering agent.

SECTION 8. This act shall take effect and be in force from and after July 1, 2022.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2245: Voyeurism; revise sentencing.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 97-29-61, Mississippi Code of 1972, is amended as follows:

97-29-61. (1) (a) Any person who enters upon real property, whether the original entry is legal or not, and thereafter pries or peeps through a window or other opening in a dwelling or other building structure for the lewd, licentious and indecent purpose of spying upon the occupants thereof, shall be guilty of a felonious trespass.

(b) Any person who looks through a window, hole or opening, or otherwise views by means of any instrumentality, including, but not limited to, a periscope, telescope, binoculars, drones, camera, motion-picture camera, camcorder or mobile phone, into the interior of a bedroom, bathroom, changing room, fitting room, dressing room, spa, massage room or therapy room or tanning booth, or the interior of any other area in which the occupant has a reasonable expectation of privacy, with the intent to invade the privacy of a person or persons inside and without the consent or knowledge of every person present, for the lewd, licentious and indecent purpose of spying upon the occupant or occupants thereof, shall be guilty of a felony.

(2) (a) Except as provided in paragraph (b) of this subsection, a person who * * * is over the age of * * * eighteen (18) at the time of the offense * * * and is convicted of a violation of subsection (1) of this section shall be imprisoned in the custody of the Department of Corrections not more than five (5) years.

(b) When one or more occupants spied upon is a child under sixteen (16) years of age, a person who was over the age of twenty-one (21) at the time of the offense who is convicted of a violation of subsection (1) of this section shall be imprisoned in the custody of the Department of Corrections not more than ten (10) years.

SECTION 2. (1) This section shall be known and may be cited as "Buddy's Law."

(2) When a child is adjudicated delinquent of an offense involving the intentional torturing, mutilating, maiming, burning, starving to death, crushing, disfiguring, drowning, suffocating or impaling of a domesticated dog or cat as described in Section 97-14-16, the youth court shall order that the child adjudicated delinquent receives a psychiatric evaluation and counseling or treatment for a length of time as prescribed by the youth court. The cost of any evaluation, counseling and treatment shall be paid by the offender's parent or guardian, or by the state if the offender is a ward of the state, upon order of the youth court, up to a maximum amount that is no more than the jurisdictional limit of the sentencing court. The youth court shall hold the offender's parent or guardian in contempt under Section 43-21-509 if the parent or guardian willfully does not follow the recommended treatment for the offender.

(3) The Legislature does recognize that animal abuse by a child often leads to further criminal activity by the child as he or she ages. This activity is sometimes homicidal; however, it is the Legislature's intent that a mental health evaluation under this section is only required in extreme situations as prescribed in Section 97-14-16. Further, it is the intent of the Legislature that a minor offense of abuse of a cat or dog by a child shall not require a mental health evaluation unless the judge, after a hearing, shall determine if the evaluation is necessary.

SECTION 3. This act shall take effect and be in force from and after July 1, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 97-29-61, MISSISSIPPI CODE OF 1972, TO REVISE SENTENCING OPTIONS FOR THE CRIME OF VOYEURISM; TO ENACT "BUDDY'S LAW"; TO REQUIRE A CHILD ADJUDICATED DELINQUENT OF CERTAIN OFFENSES AGAINST A DOMESTICATED DOG OR CAT TO RECEIVE A PSYCHIATRIC EVALUATION AND COUNSELING OR TREATMENT FOR A LENGTH OF TIME PRESCRIBED BY THE YOUTH COURT;

Rep. Bain called up the conference report on the following bill and moved that it be adopted:

S. B. No. 2246: Electronic search warrants; authorize issuance of in investigations of certain sex offenses against children.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2246: Search warrants; authorize issuance for sex offenses against children upon oral testimony.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) The provisions of this section shall only apply to search warrants issued in relation to computer crime investigations for sex offenses against children who are less than eighteen (18) years old involving a computer defined in Section 7-5-59(1)(a).

(2) If circumstances make it reasonable to dispense, in whole or in part, with a written affidavit, a judge who is authorized to issue search warrants may issue a warrant based upon sworn testimony communicated by telephone or other appropriate means, including facsimile transmission.

(3) The person who is requesting the warrant shall prepare a document to be known as a "duplicate original warrant" and shall read such duplicate original warrant verbatim to the issuing judge. The judge shall enter what is so read on a document to be known as the "original warrant." The issuing judge may direct that the warrant be modified.

(4) If the judge is satisfied that the circumstances are such as to make it reasonable to dispense with a written affidavit and the grounds for the application exist or that there is probable cause to believe that they exist, the judge shall order the issuance of a warrant by directing the person requesting the warrant to sign the judge's name on the duplicate original warrant. The judge shall immediately sign the original warrant and enter on the face of the original warrant the exact time the warrant was ordered to be issued. The finding of probable cause for a warrant upon oral testimony may be based on the same kind of evidence as is sufficient for a warrant upon affidavit.

(5) When a telephone caller informs the judge that the purpose of the telephone call is to request a warrant, the judge shall immediately place under oath each person whose testimony forms a basis of the application and each person applying for the warrant. If a voice recording device is available, the judge shall record by means of such device all of the call after the caller informs the judge that the purpose of the call is to request a warrant. Otherwise, a stenographic or longhand verbatim record shall be made. If a voice recording device is used or a stenographic record made, the judge shall have the record transcribed, shall certify the accuracy of the transcription, and shall file a copy of the original record and the transcription with the court. If a longhand verbatim record is made, the judge shall file a signed copy with the court.

(6) The contents of a warrant upon oral testimony shall be the same as the contents of a warrant upon affidavit.

(7) The person who executes the warrant shall enter the exact time of execution on the face of the duplicate original warrant.

SECTION 2. (1) In any municipality in which Highway 6 and Highway 7 intersect and in which a university is located, an application for a warrant or signature utilized by the judicial branch of state government for a violation of the Implied Consent Law shall not be denied legal effect or enforceability solely because it is in electronic form.

Any such application, signature or record in electronic form shall have the full effect of law.

(2) If a provision of law for a violation of the Implied Consent Law requires the application for any warrant to be in writing, an electronic record shall satisfy such provision of law.

(3) If a provision of law for a violation of the Implied Consent Law requires a signature, an electronic signature satisfies such provision of law.

(4) Any application used to attach a digital signature to any warrant or affidavit for a violation of the Implied Consent Law must have security procedures in place that ensure the authenticity of the digital signature. The application must also be able to keep an electronic record of the warrant or affidavit, including the time and date of when the signature was attached. The application must also include encryption measures to ensure secure access of the application.

(5) Unless otherwise agreed to by a sender of a warrant application and the judge, an electronic record is received when:

(a) The record enters an information-processing system that the local court rules have designated and approved for the purpose of receiving electronic applications for warrants and from which the recipient is able to retrieve the electronic record; and

(b) It is in a form capable of being processed by the system.

(6) In any instance where an affidavit is submitted to a judge electronically, the electronic signature of the affiant shall satisfy the constitutional requirement that the testimony of the affiant be made under oath, provided that such signature is made under penalty of perjury and in compliance with subsection (4) of this section. If the requirements of subsection (4) of this section are met, it shall not be necessary for the oath to be made orally for the affidavit to have legal effect.

(7) This section shall stand repealed from and after July 1, 2024.

SECTION 3. This act shall take effect and be in force from and after July 1, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AUTHORIZE THE ISSUANCE OF SEARCH WARRANTS UPON ORAL TESTIMONY FOR INVESTIGATION OF SEX OFFENSES AGAINST CHILDREN INVOLVING A COMPUTER; TO PRESCRIBE A PROCEDURE FOR THE ISSUANCE OF THE WARRANTS; TO AUTHORIZE THE USE OF ELECTRONIC SIGNATURES FOR WARRANT APPLICATIONS FOR A VIOLATION OF THE IMPLIED CONSENT LAW IN A CERTAIN MUNICIPALITY; AND FOR RELATED PURPOSES.

Rep. Bain called up the conference report on the following bill and moved that it be adopted:

S. B. No. 2536: Criminal convictions; create registry of certain offenders and clarify the effect of expungement.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2536: Offender registry; create registry of individuals whose crimes involve public funds.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. For purposes of Sections 1 through 6 of this act, unless the context requires otherwise, the following terms shall have the meanings ascribed herein:

(a) "Conviction" means a judgment entered by a Mississippi court upon a plea of guilty, a plea of nolo contendere, or a finding of guilt by a jury or the court, notwithstanding any pending appeal or habeas corpus proceeding arising from the judgment. "Conviction" includes a disposition of pretrial diversion or nonadjudication under Section 99-15-26.

(b) "Department" means the Department of Public Safety.

(c) "Offender" means a person convicted of a registrable offense.

(d) "Registrable offense" means a crime chargeable under Sections 97-7-10, 97-11-25 through 97-11-31, 97-15-3, 97-15-5, 97-11-11, 97-11-13, 97-11-53, 97-13-1, 97-13-3, or any crime that involves the embezzlement or misappropriation of public funds as determined by the circuit court in its sentencing order upon conviction.

(e) "Registrant" means a person who is registered in compliance with this act.

SECTION 2. (1) The department shall post a publicly accessible registry online of all offenders by July 1, 2023.

(2) (a) The list must include the offender's full legal name, any aliases by which the offender is or has been known, including any online or internet identifiers and the offender's date of birth.

(b) The list shall not include the offender's social security number, driver's license number, any other state or federal identification number, physical address or telephone numbers.

(3) (a) If the offender is not convicted of another registrable offense while listed and if all fines, penalties and restitution have been paid, the department shall remove the offender's information from the list after either five (5) years from the date of the offender's conviction or five (5) years from the date of an offender's release from physical incarceration, whichever is later.

(b) Notwithstanding paragraph (a) of this subsection, a person who has served any sentence imposed and paid all fines, penalties and any restitution ordered may petition the department to be removed from the list after the satisfaction of the

conditions of this paragraph (b). Upon receipt and confirmation of a true and correct petition, the department shall remove the offender from the registry.

SECTION 3. (1) The department shall maintain the registry on the internet, which shall contain a disclaimer informing the public that:

(a) The information contained on the website is obtained from public records and the department does not guarantee the website's accuracy or completeness;

(b) The list only includes persons convicted in Mississippi state courts of a limited list of crimes. Persons who are convicted in any federal court, or who are convicted of a crime other than a registrable offense will not appear on the registry.

(2) The department and any individual or entity acting at the request or upon the direction of the department are immune from civil liability for damages arising from reporting information under this act and will be presumed to have acted in good faith in performing its duties under this act.

SECTION 4. Upon the entry of the order sentencing the offender to probation or parole or upon the date of release of the offender from the physical custody of the responsible agency, the responsible agency shall forward the department a copy of the conviction, sentencing order, name, sex and date of birth of the offender convicted of a registrable offense under this act.

SECTION 5. An offender required to register on the basis of a conviction entered shall register with the responsible agency within thirty (30) business days of the date of judgment unless the offender is immediately confined or committed, in which case the offender shall register before release in accordance with the procedures established by the department. The responsible agency shall immediately forward the registration information to the department.

SECTION 6. The department shall promulgate rules in accordance with the Mississippi Administrative Procedures Law, Title 25, Chapter 43, Mississippi Code of 1972, to effectuate the purposes of this act.

SECTION 7. Section 25-1-113, Mississippi Code of 1972, is amended as follows:

25-1-113. (1) From and after July 1, 2013, the state and any county, municipality or any other political subdivision shall not employ a person who has been convicted or pled guilty in any court of this state, another state, or in federal court of any felony in which public funds were unlawfully taken, obtained or misappropriated in the abuse or misuse of the person's office or employment or money coming into the person's hands by virtue of the person's office or employment.

(2) From and after July 1, 2014, the state and any county, municipality or any other political subdivision shall not employ or continue to employ a person who has been convicted or pled guilty in any court of this state, another state, or in federal court of any felony in which public funds were unlawfully taken, obtained or misappropriated in the abuse or misuse of the person's office or employment or money coming into the person's hands by virtue of the person's office or employment.

(3) From and after July 1, 2023, the state and any county, municipality or any other political subdivision shall not hire any person who appears on the registry created in Sections 1 through 6 of this act for any position in accounting, or in a treasury or registrar office, or in any office where monies are collected or received directly from rate or fee payers.

SECTION 8. Section 99-19-71, Mississippi Code of 1972, is amended as follows:

99-19-71. (1) Any person who has been convicted of a misdemeanor that is not a traffic violation, and who is a first offender, may petition the justice, county, circuit or municipal court in which the conviction was had for an order to expunge any such conviction from all public records.

(2) (a) Except as otherwise provided in this subsection, a person who has been convicted of a felony and who has paid all criminal fines and costs of court imposed in the sentence of conviction may petition the court in which the conviction was had for an order to expunge one (1) conviction from all public records five (5) years after the successful completion of all terms and conditions of the sentence for the conviction upon a hearing as determined in the discretion of the court; however, a person is not eligible to expunge a felony classified as:

(i) A crime of violence as provided in Section 97-3-2;
(ii) Arson, first degree as provided in Sections 97-17-1 and 97-17-3;
(iii) Trafficking in controlled substances as provided in Section 41-29-139;
(iv) A third, fourth or subsequent offense DUI as provided in Section 63-11-30(2)(c) and (2)(d);
(v) Felon in possession of a firearm as provided in Section 97-37-5;
(vi) Failure to register as a sex offender as provided in Section 45-33-33;
(vii) Voyeurism as provided in Section 97-29-61;
(viii) Witness intimidation as provided in Section 97-9-113;
(ix) Abuse, neglect or exploitation of a vulnerable person as provided in Section 43-47-19; or
(x) Embezzlement as provided in Sections 97-11-25 and 97-23-19.

A person is eligible for only one (1) felony expunction under this paragraph. For the purposes of this section, the terms "one (1) conviction" and "one (1) felony expunction" mean and include all convictions that arose from a common nucleus of operative facts as determined in the discretion of the court.

(b) The petitioner shall give ten (10) days' written notice to the district attorney before any hearing on the petition. In all cases, the court wherein the petition is filed may grant the petition if the court determines, on the record or in writing, that the applicant is rehabilitated from the offense which is the subject of the petition. In those cases where the court denies the petition, the findings of the court in this respect shall be identified specifically and not generally.

(3) Upon entering an order of expunction under this section, a nonpublic record thereof shall be retained by the Mississippi Criminal Information Center solely for the purpose of determining whether, in subsequent proceedings, the person is a first offender. The order of expunction shall not preclude a district attorney's office from retaining a nonpublic record thereof for law enforcement purposes only. The existence of an order of expunction shall not preclude an employer from asking a prospective employee if the employee has had an order of expunction entered on his behalf. The effect of the expunction order shall be to restore the person, in the contemplation of the law, including those law regulating qualified electors, to the status he occupied before any arrest or indictment for which convicted. No person as to whom an expunction order has been entered shall be held thereafter under any provision of law to be guilty of perjury or to have otherwise given a false statement by reason of his failure to recite or acknowledge such arrest, indictment or conviction in response to any inquiry made of him for any purpose other than the purpose of determining, in any subsequent proceedings under this section, whether the person is a first offender. A person as to whom an order has been entered, upon request, shall be required to advise the court, in camera, of the previous conviction and expunction in any legal proceeding wherein the person has been called as a prospective juror. The court shall thereafter and before the selection of the jury advise the attorneys representing the parties of the previous conviction and expunction.

(4) If a person has a disenfranchising conviction expunged under this section and has no other conviction that would otherwise disenfranchise the person, the county registrar shall enter the person's name into the Statewide Elections Management System if the person:

- (a) Submits a voter registration application; and
- (b) Provides proof of the expungement.

(* * *5) Upon petition therefor, a justice, county, circuit or municipal court shall expunge the record of any case in which an arrest was made, the person arrested was released and the case was dismissed or the charges were dropped or there was no disposition of such case, or the person was found not guilty at trial.

(* * *6) No public official is eligible for expunction under this section for any conviction related to his official duties.

SECTION 9. This act shall take effect and be in force from and after July 1, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO CREATE A PUBLIC REGISTRY OF OFFENDERS WHOSE CRIMES INVOLVED THE EMBEZZLEMENT OR MISAPPROPRIATION OF PUBLIC FUNDS; TO DEFINE TERMS; TO DIRECT THE DEPARTMENT OF PUBLIC SAFETY TO CREATE A REGISTRY OF OFFENDERS; TO REQUIRE RESPONSIBLE AGENCIES TO FORWARD CERTAIN INFORMATION TO THE DEPARTMENT; TO REQUIRE OFFENDERS TO REPORT TO THE DEPARTMENT WITHIN A PRESCRIBED TIMEFRAME; TO AUTHORIZE THE DEPARTMENT TO PROMULGATE RULES FOR THE IMPLEMENTATION OF THE ACT; TO AMEND SECTION 25-1-113, MISSISSIPPI CODE OF 1972, TO PROHIBIT LOCAL GOVERNMENTS FROM HIRING PERSONS ON THE REGISTRY FOR CERTAIN POSITIONS; AN ACT TO AMEND SECTION 99-19-71, MISSISSIPPI CODE OF 1972, TO CLARIFY THE EFFECT OF EXPUNGEMENT PROCEDURES IN RELATION TO QUALIFIED ELECTORS; AND FOR RELATED PURPOSES.

public official, law enforcement official, public safety official, or building inspection official acting in his or her official capacity as such shall be immune from liability from any civil action arising only from an act, service or omission performed in the course of providing safety assessment services as a Good Samaritan. The immunity provided in this act shall apply only to safety assessment services if, such services: (i) occurred during the emergency or within ninety (90) days following the end of the period for the emergency, unless extended by an executive order; and (ii) if the architect or engineer was acting as a reasonably prudent person would have acted under the same or similar circumstances during a period of declared emergency, to include any other loss of any other nature related to the registered architect's or professional engineer's acts, errors or omissions in the performance of any architectural or engineering services for any structure, building or facility during the declared period of emergency.

(c) Nothing in this act shall be construed to provide immunity for wanton, willful, or intentional misconduct.

(4) Any architect or professional engineer not licensed in this state acting within the confines of this act as a Good Samaritan in order to perform safety assessment services shall be exempted from being required to be licensed as an architect or professional engineer in the State of Mississippi, but only to the extent of the services rendered for the period of time as provided for in subsection (4) of this act.

SECTION 3. This act shall take effect and be in force from and after July 1, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

Rep. Cockerham called up the conference report on the following bill and moved that it be adopted:

S. B. No. 2321: Human trafficking; create civil cause of action for engaging in or benefitting from.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2321: Human trafficking; create civil cause of action for engaging in or benefitting from.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. For purposes of this act, the following words shall have the meanings ascribed herein unless the context requires otherwise:

(a) "Human trafficking" means the actions that constitute an offense under Section 97-3-54.1 or 97-3-54.3.

(b) "Venture" means any group of two (2) or more individuals associated in fact, whether or not a legal entity.

SECTION 2. (1) A defendant who engages in human trafficking or who willfully, intentionally and knowingly benefits from participating in a venture that trafficks another person is liable to the person trafficked, as provided by this act, for damages proximately caused by the trafficking of that person by the defendant or venture.

(2) The occurrence of human trafficking on the property of one not engaged in or benefitting from such human trafficking shall not, in and of itself, subject the property owner to liability under this act.

(3) It is not a defense to liability under this act that a defendant has been acquitted or has not been prosecuted or convicted under Section 97-3-54.1 or Section 97-3-54.4, or has been convicted of a different offense or of a different type or class of offense, for the conduct that is alleged to give rise to liability under this act.

(4) The cause of action created by this section is in addition to any other remedy provided by common law or statute.

(5) An action under this act shall be filed within:

(a) Three (3) years after the cause of action accrued; or

(b) Three (3) years after the claimant reaches the age of majority if at the time the cause of action accrued the claimant was a minor.

SECTION 3. A claimant who prevails in a suit under this act may be awarded:

(a) Compensatory damages;

(b) Court costs; and

(c) Reasonable attorneys' fees.

SECTION 4. A person who engages in human trafficking or who willfully, intentionally and knowingly benefits from participating in a venture that trafficks another person and who is found liable under this act for any amount of damages proximately caused by the trafficking is jointly liable with any other defendant found liable under this act for the entire amount of damages proximately caused by the trafficking.

SECTION 5. Sections 1 through 5 of this act shall be liberally construed and applied to promote its underlying purpose to protect persons from human trafficking and provide adequate remedies to victims of human trafficking.

SECTION 6. Section 97-29-51, Mississippi Code of 1972, is amended as follows:

97-29-51. (1) (a) A person commits the misdemeanor of procuring the services of a prostitute if the person knowingly or intentionally pays, or offers or agrees to pay, money or other property to another person for having engaged in, or on the understanding that the other person will engage in, sexual intercourse or sexual conduct with the person or with any other person. "Sexual conduct" includes cunnilingus, fellatio, masturbation of another, anal intercourse or the causing of penetration to any extent and with any object or body part of the genital or anal opening of another.

(b) Upon conviction under this subsection, a person shall be punished by a fine not exceeding Two Hundred Dollars (\$200.00) or by confinement in the county jail for not more than six (6) months, or both. A second or subsequent violation of this section shall be a felony, punishable by a fine not exceeding One Thousand Dollars (\$1,000.00), or by imprisonment in the custody of the Department of Corrections for not more than two (2) years, or both.

(c) However, in all cases, if the person whose services are procured in violation of this subsection (1) is a minor under eighteen (18) years of age, the person convicted shall be guilty of a felony and shall, upon conviction, be punished by imprisonment for not less than five (5) years, nor more than thirty (30) years, or by a fine of not less than Fifty Thousand Dollars (\$50,000.00) nor more than Five Hundred Thousand Dollars (\$500,000.00), or both.

(d) Consent of a minor is not a defense to prosecution under this subsection (1).

(2) (a) A person commits the felony of promoting prostitution if the person:

(i) Knowingly or intentionally entices, compels, causes, induces, persuades, or encourages by promise, threat, violence, or by scheme or device, another person to become a prostitute, engage in conduct in violation of Section 97-29-49, regardless of whether the other person can be or is arrested for, charged with or convicted of the offense of prostitution;

(ii) Knowingly or intentionally solicits or offers or agrees to solicit, or receives or gives, or agrees to receive or give any money or thing of value for soliciting, or attempting to solicit, another person for the purpose of prostitution;

(iii) Knowingly induces, persuades, or encourages a person to come into or leave this state for the purpose of prostitution;

(iv) Having control over the use of a place or vehicle, knowingly or intentionally permits another person to use the place or vehicle for prostitution;

(v) Accepts, receives, levies or appropriates money or other property of value from a prostitute, without lawful consideration, with knowledge or reasonable cause to know it was earned, in whole or in part, from prostitution; or

(vi) Conducts, directs, takes, or transports, or offers or agrees to take or transport, or aids or assists in transporting, any person to any vehicle, conveyance, place, structure, or building, or to any other person with knowledge or reasonable cause to know that the purpose of such directing, taking or transporting is prostitution.

(b) Upon conviction, a person shall be punished by a fine not exceeding Five Thousand Dollars (\$5,000.00) or by imprisonment in the custody of the Department of Corrections for not more than ten (10) years, or both. A second or subsequent violation shall be punished by a fine not exceeding Twenty Thousand Dollars (\$20,000.00) or by imprisonment in the custody of the Department of Corrections for up to twenty (20) years, or both.

(c) However, in all cases, if the person whose services are promoted in violation of this subsection (2) is a minor under eighteen (18) years of age, the person convicted shall be guilty of a felony and shall, upon conviction, be punished by imprisonment for not less than five (5) years, nor more than thirty (30) years, or by a fine of not less than Fifty Thousand Dollars (\$50,000.00) nor more than Five Hundred Thousand Dollars (\$500,000.00), or both. There is no requirement that the defendant have actual knowledge of the age of the person and consent of a minor is not a defense to prosecution under this section.

(3) If it is determined that a person suspected of or charged with promoting prostitution is a trafficked person, as defined by Section 97-3-54.4, that fact shall be considered a mitigating factor in any prosecution of that person for prostitution, and the person shall be referred to appropriate resources for assistance. If it is determined that a person suspected of or charged with promoting prostitution is a minor under eighteen (18) years of age who meets the definition of a trafficked person as defined in Section 97-3-54.4, the minor is immune from prosecution for promoting prostitution as a juvenile or adult and provisions of Section 97-3-54.1(4) shall be applicable.

(4) Any partnership, association, corporation or other entity violating any provision of subsection (2) against the promotion of prostitution shall, upon conviction, be punished by a fine not exceeding Fifty Thousand Dollars (\$50,000.00). If the person whose services are promoted is under eighteen (18) years of age, the partnership, association, corporation or other legal entity convicted shall be punished by a fine not exceeding One Million Dollars (\$1,000,000.00). There is no requirement that the defendant have knowledge of the age of the person. Consent of a minor is not a defense to prosecution under this section.

(5) Investigation and prosecution of a person, partnership, association, corporation or other entity under this section shall not preclude investigation or prosecution against that person, partnership, association, corporation or other entity for a violation of other applicable criminal laws, including, but not limited to, the Mississippi Human Trafficking Act, Section 97-3-54 et seq.

SECTION 7. Section 97-3-54.7, Mississippi Code of 1972, is amended as follows:

97-3-54.7. Forfeiture of assets and disposition of proceeds.

(1) In addition to any other civil or criminal penalties provided by law, any property used in the commission of a violation of this act shall be forfeited as provided herein.

(a) The following property shall be subject to forfeiture if used or intended for use as an instrumentality in or used in furtherance of a violation of this act:

- (i) Conveyances, including aircraft, vehicles or vessels;
- (ii) Books, records, telecommunication equipment, or

computers;

- (iii) Money or weapons;

(iv) Everything of value furnished, or intended to be furnished, in exchange for an act in violation and all proceeds traceable to the exchange;

- (v) Negotiable instruments and securities;

(vi) Any property, real or personal, directly or indirectly acquired or received in a violation or as an inducement to violate;

- (vii) Any property traceable to proceeds from a violation;

and

(viii) Any real property, including any right, title and interest in the whole of or any part of any lot or tract of land used in furtherance of a violation of this act.

(b) (i) No property used by any person as a common carrier in the transaction of business as a common carrier is subject to forfeiture under this section unless it appears that the owner or other person in charge of the property is a consenting party or privy to a violation of this act;

(ii) No property is subject to forfeiture under this section by reason of any act or omission proved by the owner thereof to have been committed or omitted without his knowledge or consent; if the confiscating authority has reason to believe that the property is a leased or rented property, then the confiscating authority shall notify the owner of the property within five (5) days of the confiscation or within five (5) days of forming reason to believe that the property is a leased or rented property;

(iii) Forfeiture of a property encumbered by a bona fide security interest is subject to the interest of the secured party if he neither had knowledge of nor consented to the act or omission.

(2) No property shall be forfeited under the provisions of this section, to the extent of the interest of an owner, by reason of any act or omission established by him to have been committed or omitted without his knowledge or consent.

(3) Seizure without process may be made if the seizure is incident to an arrest or a search under a search warrant or an inspection under an administrative inspection warrant.

(4) (a) When any property is seized under this section, proceedings shall be instituted within a reasonable period of time from the date of seizure or the subject property shall be immediately returned to the party from whom seized.

(b) A petition for forfeiture shall be filed by the Attorney General or a district attorney in the name of the State of Mississippi, the county, or the municipality, and may be filed in the county in which the seizure is made, the county in which the criminal prosecution is brought, or the county in which the owner of the seized property is found. Forfeiture proceedings may be brought in the circuit court or the county court if a county court exists in the county and the value of the seized property is within the jurisdictional limits of the county court as set forth in Section 9-9-21. A copy of the petition shall be served upon the following persons by service of process in the same manner as in civil cases:

- (i) The owner of the property, if address is known;

(ii) Any secured party who has registered his lien or filed a financing statement as provided by law, if the identity of the secured party can be ascertained by the entity filing the petition by making a good faith effort to ascertain the identity of the secured party;

(iii) Any other bona fide lienholder or secured party or other person holding an interest in the property in the nature of a security interest of whom the seizing law enforcement agency has actual knowledge; and

(iv) Any person in possession of property subject to forfeiture at the time that it was seized.

(5) If the property is a motor vehicle susceptible of titling under the Mississippi Motor Vehicle Title Law and if there is any reasonable cause to believe that the vehicle has been titled, inquiry of the Department of Revenue shall be made as to what the records of the Department of Revenue show as to who is the record owner of the vehicle and who, if anyone, holds any lien or security interest that affects the vehicle.

(6) If the property is a motor vehicle and is not titled in the State of Mississippi, then an attempt shall be made to ascertain the name and address of the person in whose name the vehicle is licensed, and if the vehicle is licensed in a state which has in effect a certificate of title law, inquiry of the appropriate agency of that state shall be made as to what the records of the agency show as to who is the record owner of the vehicle and who, if anyone, holds any lien, security interest or other instrument in the nature of a security device that affects the vehicle.

(7) If the property is of a nature that a financing statement is required by the laws of this state to be filed to perfect a security interest affecting the property and if there is any reasonable cause to believe that a financing statement covering the security interest has been filed under the laws of this state, inquiry of the appropriate office designated in Section 75-9-501, shall be made as to what the records show as to who is the record owner of the property and who, if anyone, has filed a financing statement affecting the property.

(8) If the property is an aircraft or part thereof and if there is any reasonable cause to believe that an instrument in the nature of a security device affects the property, inquiry of the Mississippi Department of Transportation shall be made as to what the records of the Federal Aviation Administration show as to who is the record owner of the property and who, if anyone, holds an instrument in the nature of a security device which affects the property.

(9) If the answer to an inquiry states that the record owner of the property is any person other than the person who was in possession of it when it was seized, or states that any person holds any lien, encumbrance, security interest, other interest in the nature of a security interest, mortgage or deed of trust that affects the property, the record owner and also any lienholder, secured party, other person who holds an interest in the property in the nature of a security interest, or holder of an encumbrance, mortgage or deed of trust that affects the property is to be named in the petition of forfeiture and is to be served with process in the same manner as in civil cases.

(10) If the owner of the property cannot be found and served with a copy of the petition of forfeiture, or if no person was in possession of the property subject to forfeiture at the time that it was seized and the owner of the property is unknown, there shall be filed with the clerk of the court in which the proceeding is pending an affidavit to such effect, whereupon the clerk of the court shall publish notice of the hearing addressed to "the Unknown Owner of _____," filling in the blank space with a reasonably detailed description of the property subject to forfeiture. Service by publication shall contain the other requisites prescribed in Section 11-33-41, and shall be served as provided in Section 11-33-37, for publication of notice for attachments at law.

(11) No proceedings instituted pursuant to the provisions of this section shall proceed to hearing unless the judge conducting the hearing is satisfied that this section has been complied with. Any answer received from an inquiry required by this section shall be introduced into evidence at the hearing.

(12) (a) An owner of a property that has been seized shall file an answer within thirty (30) days after the completion of service of process. If an answer is not filed, the court shall hear evidence that the property is subject to forfeiture and forfeit the property to the seizing law enforcement agency. If an answer is filed, a time for hearing on forfeiture shall be set within thirty (30) days of filing the answer or at the succeeding term of court if court would not be in session within thirty (30) days after filing the answer. The court may postpone the forfeiture hearing to a date past the time any criminal action is pending against the owner upon request of any party.

(b) If the owner of the property has filed an answer denying that the property is subject to forfeiture, then the burden is on the petitioner to prove that the property is subject to forfeiture. However, if an answer has not been filed by the owner of the property, the petition for forfeiture may be introduced into evidence and is prima facie evidence that the property is subject to forfeiture. The burden of proof placed upon the

petitioner in regard to property forfeited under the provisions of this chapter shall be by a preponderance of the evidence.

(c) At the hearing any claimant of any right, title or interest in the property may prove his lien, encumbrance, security interest, other interest in the nature of a security interest, mortgage or deed of trust to be bona fide and created without knowledge or consent that the property was to be used so as to cause the property to be subject to forfeiture.

(d) If it is found that the property is subject to forfeiture, then the judge shall forfeit the property. However, if proof at the hearing discloses that the interest of any bona fide lienholder, secured party, other person holding an interest in the property in the nature of a security interest, or any holder of a bona fide encumbrance, mortgage or deed of trust is greater than or equal to the present value of the property, the court shall order the property released to him. If the interest is less than the present value of the property and if the proof shows that the property is subject to forfeiture, the court shall order the property forfeited.

(13) Unless otherwise provided herein, all personal property which is forfeited under this section shall be liquidated and, after deduction of court costs and the expense of liquidation, the proceeds shall be divided as follows:

(a) If only one (1) law enforcement agency participates in the underlying criminal case out of which the forfeiture arises, fifty percent (50%) of the proceeds shall be forwarded to the State Treasurer and deposited in the * * * Victims of Human Trafficking and Commercial Sexual Exploitation Fund, and fifty percent (50%) shall be deposited and credited to the budget of the participating law enforcement agency.

(b) If more than one (1) law enforcement agency participates in the underlying criminal case out of which the forfeiture arises, fifty percent (50%) of the proceeds shall be forwarded to the State Treasurer and deposited in the * * * Victims of Human Trafficking and Commercial Sexual Exploitation Fund, twenty-five percent (25%) of the proceeds shall be deposited and credited to the budget of the law enforcement agency whose officers initiated the criminal case and twenty-five percent (25%) shall be divided equitably between or among the other participating law enforcement agencies, and shall be deposited and credited to the budgets of the participating law enforcement agencies. In the event that the other participating law enforcement agencies cannot agree on the division of their twenty-five percent (25%), a petition shall be filed by any one of them in the court in which the civil forfeiture case is brought and the court shall make an equitable division.

(14) All money forfeited under this section shall be divided, deposited and credited in the same manner as provided in subsection (13).

(15) All real estate forfeited under the provisions of this section shall be sold to the highest and best bidder at a public auction for cash, the auction to be conducted by the chief law enforcement officer of the initiating law enforcement agency, or his designee, at such place, on such notice and in accordance with the same procedure, as far as practicable, as is required in the case of sales of land under execution at law. The proceeds of the sale shall first be applied to the cost and expense in administering and conducting the sale, then to the satisfaction of all mortgages, deeds of trust, liens and encumbrances of record on the property. The remaining proceeds shall be divided, forwarded and deposited in the same manner as provided in subsection (13).

(16) (a) Any county or municipal law enforcement agency may maintain, repair, use and operate for official purposes all property described in subsection (1)(a)(i) of this section that has been forfeited to the agency if it is free from any interest of a bona fide lienholder, secured party or other party who holds an interest in the property in the nature of a security interest. The county or municipal law enforcement agency may purchase the interest of a bona fide lienholder, secured party or other party who holds an interest so that the property can be released for its use. If the property is a motor vehicle susceptible of titling under the Mississippi Motor Vehicle Title Law, the law enforcement agency shall be deemed to be the purchaser, and the certificate of title shall be issued to it as required by subsection (9) of this section.

(b) (i) If a vehicle is forfeited to or transferred to a sheriff's department, then the sheriff may transfer the vehicle to the county for official or governmental use as the board of supervisors may direct.

(ii) If a vehicle is forfeited to or transferred to a police department, then the police chief may transfer the vehicle to the municipality for official or governmental use as the governing authority of the municipality may direct.

(c) If a motor vehicle forfeited to a county or municipal law enforcement agency becomes obsolete or is no longer needed for official or governmental purposes, it may be disposed of in accordance with Section 19-7-5 or in the manner provided by law for disposing of municipal property.

(17) The forfeiture procedure set forth in this section is the sole remedy of any claimant, and no court shall have jurisdiction to interfere therewith by replevin, injunction, supersedeas or in any other manner.

SECTION 8. Section 97-3-54.9, Mississippi Code of 1972, is amended as follows:

97-3-54.9. Statewide Human Trafficking Coordinator; duties.

(1) There is created the position of statewide human trafficking coordinator within the Mississippi Bureau of Investigation of the Department of Public Safety office. The duties of the coordinator shall be as follows:

(f) Create and maintain a website to publicize the coordinator's work;

(g) Submit to the Legislature an annual report of its evaluation under subsection (1)(b) and any other annual report required by law, including any recommendations, and summary of data collected under subsection (1)(c) and any other data otherwise required by law to be collected by the coordinator;

(2) The coordinator shall be authorized to seek input and assistance from state agencies, nongovernmental agencies, service providers and other individuals in the performance of the foregoing duties.

(3) Each state agency, board and commission shall be required to fully cooperate with the coordinator in the performance of the duties of that position.

(4) Every investigation of an offense under this chapter shall be reported to the coordinator by the initiating law enforcement agency pursuant to guidelines established by the coordinator.

(5) Notwithstanding the provisions of Section 43-21-261, disclosure by any state agency, nongovernmental agency, service provider or local or state law enforcement agency of nonidentifying information regarding a minor victim to the coordinator for the purposes of evaluating and collecting data regarding trafficking offenses in the state is specifically authorized.

SECTION 9. Section 97-3-54.8, Mississippi Code of 1972, which provides for the Victims of Human Trafficking Fund, is repealed.

SECTION 10. This act shall take effect and be in force from and after July 1, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

(b) A state agency, public official, state institution of higher learning, public community or junior college, county, municipality or other political subdivision of the state to refuse employment to a person, to bar a person from employment, or to discriminate against a person in compensation or in a term, condition, or privilege of employment based on the person's COVID-19 vaccination status or whether the person has an immunity passport; or

implement reasonable accommodation measures to protect the safety and health of employees, patients, visitors, and other persons from COVID-19. A health care facility may consider an employee to be unvaccinated if the employee declines to provide the employee's COVID-19 vaccination status to the health care facility for purposes of determining whether reasonable accommodation measures should be implemented; or

(ii) Implements reasonable accommodation measures for employees, patients, visitors, and other persons who are not vaccinated for COVID-19 to protect the safety and health of employees, patients, visitors, and other persons from COVID-19.

(5) An employee of any public or private employer who has a sincerely held religious objection to receiving a vaccine for COVID-19 shall not be required to receive a vaccine for COVID-19.

SECTION 2. A health care facility is exempt from compliance with this act during any period of time that compliance with this act would result in a violation of regulations or guidance issued by the Centers for Medicare and Medicaid Services or the Centers for Disease Control and Prevention.

SECTION 3. If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

The funds may be used or disbursed by the executive committee receiving same to pay all necessary traveling or other necessary expenses of the members of the executive committee incurred in discharging their duties as committee members, and of their secretary and may pay the secretary such salary as may be reasonable. The Secretary of State shall deposit any qualifying fees received from candidates into the Elections Support Fund established in Section 23-15-5.

The executive committee shall mail notice to the candidate at least three (3) business days before the hearing to the address provided by the candidate on the qualifying forms, and the committee shall attempt to contact the candidate by telephone, email and facsimile if the candidate provided this information on the forms. If the candidate fails to appear at the hearing or to prove that he or she meets all qualifications to hold the office subject to no contingencies, then the name of that candidate shall not be placed upon the ballot.

(c) If the proper executive committee or the Secretary of State, whichever is applicable, determines that the candidate has taken the steps necessary to qualify for more than one (1) office at the election, the action required by Section 23-15-905, shall be taken.

(d) Where there is but one (1) candidate for each office contested at the primary election, the proper executive committee or the Secretary of State, whichever is applicable, when the time has expired within which the names of candidates shall be furnished shall declare such candidates the nominees.

(8) No candidate may qualify by filing the information required by this section by using the internet.

2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 49-27-71, Mississippi Code of 1972, is amended as follows:

49-27-71. (1) Definitions. As used in the section, the following words and phrases have the following meanings unless the context clearly indicates otherwise:

* * *

(a) "Abandoned vessel" means a vessel left unattended for four (4) or more weeks after a hurricane, tropical storm or other natural event resulting in a declaration of emergency by the Governor, or, in the absence of a hurricane, tropical storm or other natural event resulting in a declaration of emergency by the Governor, any of the following:

(i) A vessel left unattended that is moored, anchored, or otherwise in the waters of the state or on public property for a period of more than ten (10) days.

(ii) A vessel that is moored, anchored, or otherwise on or attached to private property for a period of more than ten (10) days without the consent of the owner or lessee of the property or of the public trust tidelands.

Upon notification from the owner of the vessel outlining the circumstances following a hurricane, tropical storm or other natural event, the department may grant an exception to the time frames indicated above.

(b) "Department" means the Mississippi Department of Marine Resources.

(c) "Derelict vessel" means a vessel in the waters of the State of Mississippi that satisfies any of the following:

(i) Is aground without the ability to extricate itself absent mechanical assistance;

(ii) Is sunk or otherwise resting on the bottom of the waterway;

(iii) Is abandoned;

(iv) Is wrecked, junked, or in a substantially dismantled condition upon any waters of this state:

1. A vessel is "wrecked" if it is sunken or sinking; or remaining after a marine casualty, including, but not limited to, a boating accident, extreme weather, or fire.

2. A vessel is "junked" if it has been substantially stripped of vessel components, if vessel components have substantially degraded or been destroyed, or if the vessel has been discarded by the owner or operator. Attaching an outboard motor to a vessel that is otherwise junked will not cause the vessel to no longer be junked if such motor is not an effective means of propulsion.

3. A vessel is "substantially dismantled" if at least two (2) of the three (3) following vessel systems or components are missing, compromised, incomplete, inoperable, or broken:

- (A) The steering system;
- (B) The propulsion system; or
- (C) The exterior hull integrity.

Attaching an outboard motor to a vessel that is otherwise substantially dismantled will not cause the vessel to no longer be substantially dismantled if such motor is not an effective means of propulsion;

(v) Docked, grounded, or beached upon the property of another without the consent of the owner of the property;

(vi) Is obstructing a waterway or within one hundred (100) yards of the boundaries of any state, county or municipal port;

(vii) Is endangering life or property;

(viii) Has broken loose or is in danger of breaking loose from its anchor, mooring, or ties; or

(iv) A vessel that is otherwise not seaworthy.

(d) "Documented vessel" means a vessel documented under 46 USC, Chapter 121.

(e) "Effective means of propulsion" means a vessel, other than a barge, that is equipped with:

(i) A functioning motor, controls, and steering system; or

(ii) Rigging and sails that are present and in good working order, and a functioning steering system.

A vessel does not have an effective means of propulsion for safe navigation within seventy-two (72) hours after the vessel owner or operator received telephonic notice, in-person notice recorded on an agency-approved body camera, or written notice, which may be provided by facsimile, electronic mail, or other electronic means, stating such from a representative of the department, and the vessel owner or operator is unable to provide a receipt, proof of purchase, or other documentation of having ordered necessary parts for vessel repair. The department may adopt regulations to implement this paragraph.

(f) "Floating building or structure" means a floating entity, with or without accommodations built thereon, which is not primarily used as a means of transportation on water but which serves purposes or provides services typically associated with a structure or other improvement to real property. The term includes, but is not limited to, an entity used as a residence, place of business or office with public access; a hotel or motel; a restaurant or lounge; a clubhouse; a meeting facility; a storage or parking facility; or a mining platform, dredge, dragline, or similar facility or entity represented as such. Incidental movement upon water or resting partially or entirely on the bottom does not, in and of itself, preclude an entity from classification as a floating structure.

(g) "Gross negligence" means conduct so reckless or wanting in care that it constitutes a conscious disregard or indifference to the safety of the property to such conduct.

(h) "Moored" means a vessel that is anchored or affixed in some other way to the public trust tidelands, to leased tidelands, to private land, or within the riparian zone of a private or public landowner or leaseholder.

(i) "Registered" means a vessel documented under Section 59-21-5, Mississippi Code of 1972.

(j) "Unseaworthy" means a vessel that is not fit or safe for any normal perils of the sea or has no effective means of propulsion.

(k) "Vessel" means every description of watercraft, other than a seaplane, capable of being used as a means of transportation on the water. For the purposes of this section, vessels powered only by hand, foot, oars or paddles, are included. For the purposes of this section, floatable buildings and structures, whether or not they are used for navigation, are included.

(l) "Waters of the state" means any waters located within Harrison, Hancock and Jackson Counties under the jurisdiction of the Mississippi Department of Marine Resources as established pursuant to Section 49-15-23, Mississippi Code of 1972.

(m) "Willful misconduct" means conduct evidencing carelessness or negligence of such a degree or recurrence as to manifest culpability, wrongful intent, or evil design or to show an intentional and substantial disregard of the interests of the vessel owner.

(2) Jurisdiction. (a) (i) In the waters of Harrison, Hancock and Jackson Counties, a person *, firm, corporation or other entity may not leave derelict or at risk of being derelict, any vessel on the coastal wetlands, marine waters, or on public or privately owned lands without the owner's permission.

(ii) The Department of Marine Resources has the authority to remove derelict vessels, whether located on private or public property.

(iii) Vessels located in ports and harbors are subject to the provisions outlined in Title 50, Mississippi Code of 1972, Ports, Harbors, Landings and Watercraft.

(iv) Subparagraph (i) of this paragraph (a) does not apply to vessels located in marinas, garages or repair shops for repairs, improvements or other work with knowledge of the owner and for which the costs for such services have been unpaid.

(v) Vessels deemed to be derelict pursuant to this chapter are exempt from the salvage provisions in Section 89-17-1 et seq., Mississippi Code of 1972.

(b) (i) In all other waters of the State of Mississippi, a person, firm, corporation or other entity may not leave derelict or at risk of being derelict, any vessel in the wetlands, public waters or waterways or on public or privately owned lands without the owner's permission.

(ii) Subparagraph (i) of this paragraph (b) does not apply to vessels located in public or private marinas, garages or repair shops for repairs, improvements or other work with knowledge of the owner and for which the costs for such services have been unpaid.

(iii) Vessels deemed to be derelict pursuant to this chapter are exempt from the salvage provisions of Section 89-17-1 et seq., Mississippi Code of 1972.

(3) Penalties. Violations of this act will be subject to the penalties as provided in Section 49-15-63.

(** *4) Standing. ** * A party with standing may initiate the derelict vessel procedures in this section. For purpose of this section, the following parties have standing:

(a) The owner of the property where the vessel came to rest or to which the vessel was made fast;

(b) Any harbormaster, police department, municipality or agent of the state that agrees to accept or process a derelict vessel; or

(c) Any professional marine salvager when the salvager is engaged by a person with standing.

(5) Landowner permission may be revoked at any time. The landowner must provide the department sufficient proof that the vessel owner has been notified of the revocation of landowner's permission or proof that the landowner cannot locate the owner of the vessel.

When a vessel that is not otherwise leased to another party is moored upon public trust tidelands for a period of thirty (30) days or longer, permission must be granted by the Secretary of State's Office.

(** *6) Notice. Any party with standing, or his or her representative, may initiate the notice process by filing an application with the department to remove the derelict vessel ** *. Upon receipt and review of the application, ** * the department may initiate the following notice process:

(a) A department officer ** * is authorized to board any vessel that has been reported to the department as being derelict or at risk of being derelict to determine the condition of the vessel and in an attempt to establish ownership of the vessel.

(b) A department officer shall post notice, which must comply with the following requirements:

(i) Be posted on the vessel in a prominent location, visible to an approaching person;

(ii) Require the vessel owner to submit a plan for removal to the department within seven (7) days of the notice; and

(** *iii) ** * Include a space for the owner of the vessel to respond.

(c) If the registered owner responds with a signature in the space or otherwise provides a written response to the department requesting an extension of time,

then the registered owner will have an additional five (5) days to * * * submit the plan for removal.

(d) * * * The department will notify the respondent of the approval or denial of the removal plan within seven (7) business days.

(e) If the respondent fails to comply with the approved removal plan and fails to submit a satisfactory reason as to why the vessel cannot be moved as planned, the department may present the removal plan and evidence of the owner's noncompliance to the chancery court.

(f) Upon presentation of the required evidence, the chancery court will issue an order allowing the department or its representative to remove the vessel from its current location and make whatever disposition is deemed appropriate, including, but not limited to, immediate disposal, storage pending disposal, use for official purposes, transfer to another state agency or other disposition.

(g) If the vessel is located in an area of coastal wetlands where emergent vegetation is present or where the vessel is embedded in the ground, a wetlands permit may be required prior to removal.

(h) Any party who acts in good faith and without malicious intent in the processing, storing or moving any derelict vessel pursuant to this section is immune from liability for damages to the vessel.

(7) Determining ownership. (a) Upon receipt of an application for the removal of a derelict vessel where no removal plan has been submitted by the owner, the department must attempt to contact the registered owner of the vessel and any lien holders of record by other available means.

(b) The department must inquire of the Mississippi Department of Wildlife, Fisheries and Parks (MDWFP) as to the status of the vessel in regard to the Mississippi Boating Law of 1960, Section 59-21-1 et seq., or the United States Coast Guard as to the status of the vessel in regard to documentation under 46 USC, Chapter 121.

(c) The inquiry must provide the description of the vessel, including the vessel registration number.

(d) The MDWFP is required to provide the requested information to the department within two (2) business days.

(e) The registered owner of a vessel must comply with Section 59-21-21 to change ownership. In the event a vessel owner fails to notify the MDWFP of a transfer of ownership and supply the new owner's contact information, the owner of the vessel according to MDWFP records is presumed to be the person to whom the vessel is registered.

(f) If there is no registered owner found, the department must make publication on the department's website and in a newspaper with general circulation for three (3) weeks, describing the vessel and the location.

(* * *8) Derelict vessel removal. (a) After the initial notice period described in subsection (* * *6) has lapsed * * * and the department can show proof of inquiries to ascertain the vessel ownership under subsection (7) of this section, the department may obtain an order from the chancery court for the derelict vessel to be removed from its current location.

(b) * * * The chancery court order may authorize the department to make whatever disposition is deemed appropriate, including, but not limited to, immediate disposal of the vessel, storage pending disposal, use for official purposes, transfer to another state agency or other disposition.

(c) * * * If the vessel is located in an area of coastal wetlands where emergent vegetation is present or where the vessel is embedded in the ground, a wetlands permit may be required prior to removal.

(d) Any person who acts in good faith and without malicious intent in the processing, * * * storing or * * * moving of any derelict vessel pursuant to this section is immune from civil liability for damage to the vessel.

(* * *9) Emergency removal. Any derelict vessel that is obstructing a waterway, is within any designated navigation channel or within one hundred (100) yards of the boundaries of any state, county or municipal port may be declared a hazard to

navigation and subject to immediate relocation, removal *** disposal, or other disposition by the department or other party with standing.

(a) Any derelict vessel that is leaking any hazardous substances, chemicals or fuels will be reported to the Mississippi Department of Environmental Quality (MDEQ) and may be declared an environmental hazard and subject to immediate relocation, removal *** disposal *** or other disposition by MDEQ, the department or other party with standing.

(b) The *** registered owner of a vessel removed in accordance with this subsection *** (9) is liable for the costs associated with the relocation, removal, salvage *** storage or disposal of the vessel and any damages to the flora and fauna within the affected area.

(c) Any funds derived from salvage or sale of a vessel pursuant to this section will be used to offset the costs to the department associated with the removal, salvage, storage or disposal of the vessel.

(d) Any funds derived from damages to the flora and fauna will be deposited into the Coastal Resource Management Fund if the Department of Marine Resources initiates the action.

*** (e) Any party who relocates or removes a vessel under this section is not liable for damages resulting from relocation or removal unless the damage results from gross negligence or willful misconduct.

(***10) Cost recovery. (a) *** The department may seek full cost recovery from the registered owner of the derelict vessel for any expense incurred as a result of, or incidental to, removing the vessel. The registered owner of the vessel is liable for the costs of removal, storage, disposal, and restoration of affected lands *** , attorneys' fees, and all court costs ***.

(b) The owner of the vessel is also liable for *** an administrative penalty of Five Hundred Dollars (\$500.00) per day. *** The penalty for emergency removal of vessels under subsection (9) of this section may be imposed by the Executive Director of the Department of Marine Resources upon the recommendation of the Advisory Commission on Marine Resources, under Section 49-15-401 et seq. The fines imposed for all other vessels may be imposed by the chancery court.

(c) Expenses incurred, including, but not limited to, fines, court costs, vessel removal, storage, disposal, restoration of affected lands, and attorneys' fees for derelict vessels will be imposed by the chancery court as outlined in subsection (11) of this section.

(d) If the registered owner should fail to pay fines imposed by the department in accordance with paragraph (b) of this subsection, an enforcement action will be filed with the chancery court which may result in the court issuing an order, including, but not limited to, the collection of fines, court costs, and/or any legal avenue the court finds appropriate to collect such funds.

(e) All proceeds from any activity initiated by the Department of Marine Resources related to the disposition of a vessel under this chapter will go into the Derelict Vessel Fund, a special fund within the Seafood Fund. However, any fines imposed for the damage to coastal wetlands will be placed in the Coastal Resource Management Fund.

(***11) Court process. (a) The chancery court of the county in which the vessel is located has jurisdiction over all matters concerning derelict vessels under this section, including injunctions and demands for damages. If the vessel is allowed to float and/or is otherwise moved to another county after notice has been provided under subsection (6) of this section, the county in which the vessel was first provided notice shall have continuing jurisdiction.

(b) If there is no response to the publication attempts under subsection (7)(e) of this section, the chancery court will issue an order to the department allowing the department to take possession of the vessel and make such use or disposition of the vessel as deemed appropriate under the circumstances. If the department determines that the vessel may be used for official purposes or otherwise sold, the MDWFP will issue a vessel registration number or a hull identification number to the department after proof of publication has been submitted.

(** *c) The chancery court may, in its discretion, order damages up to Five Hundred Dollars (\$500.00) per day for every day the vessel was left abandoned or derelict, beginning on the day ** * notice was posted on the vessel. ** *

(** *d) If the department or a party with standing desires to require the registered owner to remove the vessel, then he or she may apply to the chancery court for a writ of mandatory injunction ordering the registered owner to remove the vessel. The chancery court must allow a reasonable time for removal and restoration of the affected lands. The chancery court may order further damages not to exceed Five Hundred Dollars (\$500.00) per day for each day that the violation exists beyond the date set by the court in an injunction for the removal of the vessel and restoration of the affected lands.

(** *e) Any court-ordered reimbursed costs or damages in excess of the actual costs of removal and restoration initiated by the Department of Marine Resources must be deposited in a special fund in the State Treasury known as the "Derelict Vessel Fund" ** * within the Seafood Fund. Any funds deposited in the fund must be used to cover the administrative costs and removal costs incurred by the department for the removal of vessels. Any remaining funds must be used to cover the costs of removing additional derelict vessels. However, any fines imposed for the damage to coastal wetlands will be placed in the Coastal Resource Management Fund.

(** *12) Department authorities. (a) The department is authorized to enter into contracts with individuals, firms and corporations, or agreements with other state agencies for the removal and/or temporary storage of vessels prior to removal. The salvage value, if any, of the vessel may be used to offset the costs of the removal of the vessel and the restoration of the affected area. The department may enter into noncompetitive contracts or agreements with any state or federal entity for the removal of vessels.

(b) The ** * department may ** * enter into interstate or intrastate ** * agreements toward this end, and may seek and utilize aid from all federal, state, and local sources in this endeavor.

(c) The Department of Marine Resources shall adopt rules and regulations necessary and appropriate to carry out this section for actions falling within its jurisdiction.

(d) The department may promulgate regulations to establish a derelict vessel prevention program to address vessels at risk of becoming derelict. Such program may, but is not required to, include:

(i) Removal, relocation, and destruction of vessels declared a public nuisance due to the lack of proper marine sanitation, derelict or at risk of becoming derelict, or lost or abandoned.

(ii) Creation of a vessel turn-in program allowing the owner of a vessel determined by the department to be at risk of becoming derelict, to turn the vessel and vessel title over to the department to be destroyed without penalty.

(iii) Providing for removal and destruction or other disposition of an abandoned vessel for which an owner cannot be identified or the owner of which is deceased and no heir is interested in acquiring the vessel.

(iv) Purchase of anchor line, anchors, and other equipment necessary for securing vessels at risk of becoming derelict.

(v) Creating or acquiring moorings designated for securing vessels at risk of becoming derelict.

(** *e) The State of Mississippi, the Commission on Marine Resources, the Department of Marine Resources, and their employees and representatives shall not be liable for any damages resulting from the removal, towing, storage, sale or disposal of any vessel ** * that is derelict or hazardous under this section.

(f) The department or any party with standing does not incur liability for any resulting damage to the vessel or any damage the vessel may cause to any property or person during the time frame between posting notice and vessel removal. If any damages occur during the period of time between notice and removal of the vessel, the registered vessel owner, according to MDWFP records, is presumed liable for all damages.

SECTION 2. This act shall take effect and be in force from and after July 1, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 49-27-71, MISSISSIPPI CODE OF 1972, TO DEFINE CERTAIN TERMS RELATING TO DERELICT VESSELS; TO PROVIDE FOR JURISDICTION IN ACTIONS TO REMOVE DERELICT VESSELS; TO PROVIDE CERTAIN REQUIREMENTS FOR THE REMOVAL OF DERELICT VESSELS; TO PROVIDE CERTAIN REQUIREMENTS FOR THE NOTICE PROCESS FOR THE REMOVAL OF DERELICT VESSELS; TO PROVIDE FOR THE PROCESS FOR DETERMINING OWNERSHIP OF DERELICT VESSELS; TO PROVIDE FOR RECOVERY OF COSTS ASSOCIATED WITH REMOVING DERELICT VESSELS; TO AUTHORIZE CERTAIN POWERS AND DUTIES OF THE DEPARTMENT OF MARINE RESOURCES; AND FOR RELATED PURPOSES.

Rep. Cockerham called up the conference report on the following bill and moved that it be adopted:

S. B. No. 2461: Landlord-tenant law; revise provisions of to create procedures and protection for evictions.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2461: Landlord-tenant law; revise provisions of to create procedures and protection for evictions.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. The following shall be codified as Section 89-8-31, Mississippi Code of 1972:

89—8-31. A landlord may commence proceedings to evict a tenant:

- (a) For breach of the rental agreement or for violation of this chapter pursuant to Section 89-8-13; or
- (b) For failing to vacate after the expiration of the rental agreement pursuant to Sections 89-8-17 and 89-8-19.

SECTION 2. The following shall be codified as Section 89-8-33, Mississippi Code of 1972:

89-8-33. To commence an eviction under Section 89-8-31, the landlord shall file:

(a) A sworn affidavit or complaint, based upon the terms of the rental agreement, that:

- (i) States the facts requiring the removal of the tenant;
- (ii) Identifies the address of the dwelling unit and, if applicable, the amount of rent and any additional fees owed; and
- (b) (i) A copy of the written notice of breach delivered to the tenant pursuant to Section 89-8-13; or
- (ii) A copy of the written notice to terminate the tenancy delivered to the tenant pursuant to Sections 89-8-17 and 89-8-19.

SECTION 3. The following shall be codified as Section 89-8-35, Mississippi Code of 1972:

89-8-35. (1) Upon the filing of the sworn affidavit or complaint, a summons shall be issued for service upon the person in possession of the identified premises or

claiming possession thereof. The summons shall command such person to immediately vacate the premises or to show cause before the judge, on a day to be named in the summons, why possession of the premises should not be delivered to the applicant.

(2) In addition to the information required by subsection (1) of this section and the applicable Mississippi Rules of Court, the summons shall state:

"You are being sued for eviction. At the eviction hearing, the judge will determine if the landlord is entitled to possession of your rental unit.

If the landlord is granted possession of the rental unit, then you will have at least seven (7) days from the date of the judgment to move out, unless a shorter or longer period of time for vacating the premises is ordered because of an emergency or other compelling circumstances.

If the landlord seeks possession based on nonpayment of rent, you do not have to move out if you pay all the sums owed to the landlord either before the eviction hearing or, afterwards, by the court-ordered move-out date.

If you move out by the date ordered by the court, leaving personal property behind, then the landlord may dispose of such abandoned property without further notice.

If you do not move out by the date and time ordered by the court, the landlord can have you removed by law enforcement, after which you will have seventy-two (72) hours to remove your belongings.

After seventy-two (72) hours, the landlord may remove any personal property remaining on the premises to the curb, an area designated for garbage or some other location agreed to by you and the landlord. You may still retrieve your personal property, but the landlord will have no obligation to preserve the personal property upon removal."

(3) Service of summons shall be pursuant to applicable Mississippi Rules of Court.

SECTION 4. The following shall be codified as Section 89-8-37, Mississippi Code of 1972:

89-8-37. (1) In eviction actions, the court shall grant a default judgment to the landlord where:

- (a) The landlord complies with Section 89-8-33;
- (b) Issuance and service of summons is proper;
- (c) The tenant fails to appear; and
- (d) The landlord is otherwise entitled to a judgment under law.

(2) In eviction actions, the court shall grant judgment to the landlord where:

- (a) The landlord complies with Section 89-8-33;
- (b) The judge finds that the tenant failed to present a valid defense or counterclaim; and
- (c) The landlord is otherwise entitled to a judgment under law.

(3) In eviction actions, judgments granted by the court shall be signed and executed on the same business day that the judgment is granted.

SECTION 5. The following shall be codified as Section 89-8-39, Mississippi Code of 1972:

89-8-39. (1) If a judgment of possession is granted to the landlord, either after a hearing or by default judgment, then the judge shall order the tenant to vacate the premises in seven (7) days from the date of the judgment, unless the court finds that a shorter or longer period of time is justified because of an emergency or other compelling circumstances. Circumstances that justify setting the move-out date less than seven (7) days from the date of the judgment, include, but are not limited to:

- (a) The tenant has committed a substantial violation of the rental agreement or of this chapter that materially affects health or safety; or
- (b) The tenant poses an immediate and significant risk of damage to the premises or of harm or injury to persons on the premises.

Prior to the court-ordered move-out date, the tenant shall have the same access to the premises as previously allowed under the terms of the rental agreement. If the tenant moves out by the date ordered by the court, leaving personal property behind, then the landlord may dispose of such abandoned property without further notice.

(2) After the court-ordered move-out date, the landlord may request a warrant for removal. Upon such request and the payment of applicable fees, the judge shall, except as otherwise prohibited under subsection (4) of this section, immediately issue a

warrant to the sheriff or any constable of the county in which the premises, or some part thereof, are situated, immediately commanding the sheriff or constable to remove all persons from the premises, and to put the landlord into full possession thereof.

(3) After the warrant for removal has been executed, the landlord shall allow the tenant reasonable access to the premises for seventy-two (72) hours to enable the tenant to remove the tenant's personal property, including any manufactured home. If the tenant moves out within seventy-two (72) hours of the execution of the warrant of removal, leaving personal property behind, then the landlord may dispose of such abandoned property without further notice. After said seventy-two (72) hours, the landlord may remove any property remaining on the premises to the curb, an area designated for garbage or some other location agreed to by the tenant and the landlord.

(4) (a) In cases in which the possession judgment is based solely on the tenant's nonpayment of rent, the judge shall not issue a warrant for removal if:

(i) By the court-ordered move-out date, the tenant has paid in full all unpaid rent and other sums awarded to landlord in the judgment; or

(ii) After such date, the landlord has accepted payment of such amounts.

(b) A landlord has an obligation of good faith to accept full payment of all sums owed pursuant to the money judgment entered if so tendered on or before the court-ordered move-out date.

SECTION 6. The following shall be codified as Section 89-8-41, Mississippi Code of 1972:

89-8-41. (1) The court may, at the request of either party, adjourn a hearing under this chapter from time to time.

SECTION 9. Section 89-8-11, Mississippi Code of 1972, is amended as follows:

89-8-11. (1) A landlord may, from time to time, adopt written rules or regulations, however described, concerning the tenant's use and occupancy of the premises. They are enforceable against the tenant only if:

(a) Their purpose is to promote the convenience, safety or welfare of the tenants in the premises, preserve the landlord's property from abuse, or make a fair distribution of services and facilities provided for the tenants generally;

(b) They are reasonably related to the purpose for which they are adopted;

(c) They apply to all tenants in the premises in a fair manner;

(d) They are sufficiently explicit in their prohibition, direction or limitation of the tenant's conduct to fairly inform what must or must not be done to comply;

(e) They are not for the purpose of evading the obligations of the landlord.

(2) A rule or regulation adopted or amended after the tenant enters into the rental agreement is enforceable against the tenant if reasonable notice of its adoption or

amendment is given to the tenant and it does not work a substantial modification of the rental agreement.

(3) If the dwelling unit is an apartment in a horizontal property regime, the tenant shall comply with the bylaws of the association of the apartment owners; and if the dwelling unit is an apartment in a cooperative housing corporation, the tenant shall comply with the bylaws of the corporation.

(4) Unless otherwise agreed, the tenant shall occupy the dwelling unit only as a dwelling unit.

SECTION 10. Section 89-8-13, Mississippi Code of 1972, is amended as follows:

89-8-13. (1) If there is a material noncompliance by the tenant with the rental agreement or the obligations imposed by Section 89-8-25, the landlord may terminate the tenancy as set *** forth herein or resort to any other remedy at law or in equity *** not prohibited by this chapter.

(2) If there is a material noncompliance by the landlord with the rental agreement or the obligations imposed by Section 89-8-23, the tenant may terminate the tenancy as set out in subsection (3) of this section or resort to any other remedy at law or in equity *** not prohibited by this chapter.

(3) The nonbreaching party may deliver a notice to the party in breach in writing, or by email or text message if the breaching party has agreed in writing to be notified by email or text message, specifying the acts and omissions constituting the breach and that the rental agreement will terminate upon a date not less than fourteen (14) days after receipt of the notice if the breach is not remedied within a reasonable time not in excess of fourteen (14) days; and the rental agreement shall terminate and the tenant shall surrender possession as provided in the notice subject to the following:

(a) If the breach is remediable by repairs, the payment of damages, or otherwise, and the breaching party adequately remedies the breach before the date specified in the notice, the rental agreement shall not terminate;

(b) In the absence of a showing of due care by the breaching party, if substantially the same act or omission which constituted a prior noncompliance of which notice was given recurs within six (6) months, the nonbreaching party may terminate the rental agreement upon at least fourteen (14) days' notice in writing, or by email or text message if the breaching party has agreed in writing to be notified by email or text message, specifying the breach and the date of termination of the rental agreement;

(c) *** A party may not terminate for a condition caused by *** that party's own deliberate or negligent act or omission or *** an act or omission by a family member *** or other person on the premises when done with *** the consent of the party.

(4) If the rental agreement is terminated, the landlord shall return all prepaid and unearned rent and security recoverable by the tenant under Section 89-8-21.

(5) (a) If the material noncompliance by the tenant is the nonpayment of rent pursuant to the rental agreement, *** the landlord may deliver a notice in writing or by email or text message if the breaching party has agreed in writing to be notified by email or text message, specifying the rental agreement will terminate if payment of such rent is not made within three (3) days.

(b) Any *** judge or other judge presiding over a hearing in which a landlord seeks to *** evict a tenant for the nonpayment of rent shall abide by the provisions of the rental agreement that was signed by the landlord and the defaulting tenant.

(6) *** The parties' obligations regarding a tenant's personal property, including any manufactured home, *** shall be governed by Section *** 89-8-39.

SECTION 11. Section 89-8-19, Mississippi Code of 1972, is amended as follows:

89-8-19. (1) Unless the rental agreement fixes a definite term a tenancy shall be week to week in case of a tenant who pays weekly rent, and in all other cases month to month.

(2) The landlord or the tenant may terminate a week-to-week tenancy by written notice given to the other at least seven (7) days prior to the termination date.

(3) The landlord or the tenant may terminate a month-to-month tenancy by a written notice given to the other at least thirty (30) days prior to the termination date.

(4) Notwithstanding the provisions of this section or any other provision of this chapter to the contrary, notice to terminate a tenancy shall not be required to be given when the landlord or tenant has committed a substantial violation of the rental agreement or this chapter that materially affects health * * * or safety.

SECTION 12. Section 89-7-29, Mississippi Code of 1972, is amended as follows:

89-7-29. * * * To commence a civil action under Section 89-7-27, the landlord shall file a sworn affidavit or complaint, based upon the terms of the rental agreement that:

(a) States the facts requiring the removal of the tenant;

(c) Declares that the necessary notice has been given to terminate the tenancy; and

(d) Identifies any specific items of tenant property located at the premises as to which the landlord asserts a valid lien and has commenced, or is commencing, proceedings governed by Section 89-7-51 et seq., Mississippi Code of 1972.

SECTION 13. Section 89-7-27, Mississippi Code of 1972, is amended as follows:

89-7-27. A tenant or lessee at will or at sufferance, or for part of a year, or for one or more years, of * * * premises or other lands not constituting a dwelling unit as defined in Section 89-8-7(b), and the assigns, undertenants, or legal representatives of such tenant or lessee, shall be removed from the premises by the justice court judge * * *, county court judge or circuit court judge where the premises, or some part thereof, are situated, in the following cases, to wit:

First. Where such tenant shall hold over and continue in possession of the demised premises, or any part thereof, after the expiration of his possessory term, without the permission of the landlord.

Second. After any default in the payment of the rent pursuant to the agreement under which such premises are held, * * * and three (3) days' notice, in writing, requiring the payment of such rent or the possession of the premises, shall have been served by the person entitled to the rent on the person who owes the rent. Notice of default by email or text message is proper if the tenant has agreed in writing to be notified by that means.

Third. If a written agreement between the landlord and tenant exists, any event calling for eviction in the rental agreement may trigger the eviction process under this section. Notice of default by email or text message is proper if the * * * tenant has agreed in writing to be notified by that means.

SECTION 14. Section 89-7-31, Mississippi Code of 1972, is amended as follows:

89-7-31. (1) * * * Upon the filing of the sworn affidavit or complaint, a summons shall be issued for service upon the person in possession of the identified premises or claiming possession thereof. " * * * You are being sued for eviction. At the eviction hearing, the judge will determine if the landlord is entitled to possession of your rental unit.

If the landlord is granted possession of the rental unit, then you will have at least seven (7) days from the date of the judgment to move out, unless a shorter or longer period of time for vacating the premises is ordered because of an emergency or other compelling circumstances.

If the landlord seeks possession based on nonpayment of rent, you do not have to move out if you pay all the sums owed to the landlord either before the eviction hearing or, afterwards, by the court-ordered move-out date.

If you move out by the date ordered by the court, leaving property behind, then the landlord may dispose of such abandoned property without further notice.

If you do not move out by the date and time ordered by the court, the landlord can have you removed by law enforcement.

If the landlord has asserted a lien against certain specified items and has commenced proceedings against the items, your right to remove the specified items of property will be addressed by the court.

You will have seventy-two (72) hours after your removal by law enforcement to take your other property not subject to a lien proceeding.

After seventy-two (72) hours, the landlord may remove any personal property remaining on the premises to the curb, an area designated for garbage or some other location agreed to by you and the landlord. You may still retrieve your personal property, but the landlord will have no obligation to preserve the personal property upon removal."

SECTION 17. Section 89-7-35, Mississippi Code of 1972, is amended as follows:

89-7-35. (1) * * * If a judgment of possession is granted to the landlord, either after a hearing or by default judgment, then the judge shall order the tenant to vacate the premises in seven (7) days from the date of the judgment, unless the court finds that a shorter or longer period of time is justified because of an emergency or other compelling circumstances.

(2) * * * Prior to the court-ordered move-out date, the tenant shall have the same access to the premises as previously allowed under the terms of the rental agreement. Unless the judge has made some other finding regarding property at the premises, the tenant may remove its property during this time. If the tenant has vacated the premises by the court-ordered move-out date, then the landlord may dispose of any property, not addressed by the court, which the tenant leaves behind without further notice to the tenant.

(3) After the court-ordered move-out date, the landlord may request a warrant for removal. Upon such request and the payment of applicable fees, the judge shall, except as otherwise prohibited under subsection (5) of this section, immediately issue a warrant to the sheriff or any constable of the county in which the premises, or some part thereof, are situated, immediately commanding the sheriff or constable to remove all persons from the premises, and to put the landlord into full possession thereof.

(4) Unless the judge has made some other finding regarding property at the premises, the landlord shall allow the tenant reasonable access to the premises for seventy-two (72) hours after the warrant for removal has been executed to enable the tenant to remove the tenant's property, including any manufactured home. All property the tenant leaves on the premises seventy-two (72) hours after the execution of the warrant for removal shall be deemed abandoned and may be disposed of by the landlord without further notice or obligation to the tenant.

(5) In cases in which the possession judgment is based solely on the tenant's nonpayment of rent, the judge shall not issue a warrant for removal, on or before the court-

ordered move-out date, if the tenant has paid in full all unpaid rent and other sums owed pursuant to the judgment. A landlord has an obligation of good faith to accept full payment of all sums owed pursuant to the money judgment entered if so tendered on or before the court-ordered move-out date.

SECTION 18. Section 89-7-37, Mississippi Code of 1972, is amended as follows:

89-7-37. SECTION 19. Section 89-7-39, Mississippi Code of 1972, is amended as follows:

89-7-39. The court may, at the request of either party, adjourn *** a hearing from time to time ***. (16) Except as provided in this subsection, any person willfully or knowingly violating the provisions of this * * * act shall, upon conviction thereof, be deemed guilty of a misdemeanor, and shall be punished by a fine not to exceed One Thousand Dollars (\$1,000.00) per offense, unless the purchase transaction or transactions related to the violation, in addition to any costs which are, or would be, incurred in repairing or in the attempt to recover any property damaged in the theft of or removal of the metal property, including replacement costs of the metal property, are in aggregate an amount which exceeds One Thousand Dollars (\$1,000.00) but less than Five Thousand Dollars (\$5,000.00), in which case the person shall be guilty of a felony and shall be imprisoned in the custody of the Department of Corrections for a term not to exceed five (5) years, fined not more than Ten Thousand Dollars (\$10,000.00), or both. Any person found guilty of stealing metal property or receiving metal property, knowing it to be stolen in violation of Section 97-17-70, shall be ordered to make full restitution to the victim, including, without limitation, restitution for property damage that resulted from the theft of the property.

(17) If the purchase transaction or transactions related to the violation, in addition to any costs which are, or would be, incurred in repairing or in the attempt to recover any property damaged in the theft of or removal of the metal property, including replacement costs of the metal property, are in aggregate an amount which exceeds Five Thousand Dollars (\$5,000.00) but less than Twenty-five Thousand Dollars (\$25,000.00), the person shall be guilty of a felony and shall be imprisoned in the custody of the Department of Corrections for a term not less than one (1) year, but not to exceed ten (10) years, fined not more than * * * Fifteen Thousand Dollars (\$15,000.00), or both.

(18) If the purchase transaction or transactions related to the violation, in addition to any costs which are, or would be, incurred in repairing or in the attempt to recover any property damaged in the theft of or removal of the metal property, including replacement costs of the metal property, are in aggregate an amount which exceeds

Twenty-five Thousand Dollars (\$25,000.00), the person shall be guilty of a felony and shall be imprisoned in the custody of the Department of Corrections for a term not less than three (3) years, but not to exceed twenty (20) years, fined not more than * * * Twenty Thousand Dollars (\$20,000.00), or both.

(19) This section shall not be construed to repeal other criminal laws. Whenever conduct proscribed by any provision of this section is also proscribed by any other provision of law, the provision which carries the more serious penalty shall be applied.

(20) This section shall apply to all businesses regulated under this section without regard to the location within the State of Mississippi.

(21) This * * * act shall take precedence over any and all local ordinances governing purchase transactions of metal property. If any municipal or county ordinance, rule or regulation conflicts with the provisions of this act, the provisions of this act shall preempt the municipal or county ordinance, rule or regulation.

(22) This section shall be fully applicable to the requirements for the purchase and sale of detached catalytic converters provided in Section 97-17-71.3, Mississippi Code of 1972.

(c) The Secretary of State may deny, suspend, revoke or refuse to renew any registration following notice to the applicant or registrant in accordance with the promulgated rules and an opportunity for a hearing for any failure to comply with this section, or for other good cause.

(2) A violation of this section is a misdemeanor punishable by a fine of not less than Five Hundred Dollars (\$500.00) but not to exceed One Thousand Dollars (\$1,000.00) for the first offense. Any person who shall be guilty of any subsequent violations of this section requiring registration shall be guilty of a felony offense and shall be imprisoned in the custody of the Department of Corrections for a term not to exceed three (3) years, fined not more than Five Thousand Dollars (\$5,000.00), or both.

If the registrant is a business entity, the registrant shall make the same declarations on behalf of every owner of the business who participates in the operation or management of the business.

(b) (i) An applicant who has been convicted of an * * * offense as described in paragraph (a) of this subsection may be prohibited from registering under this section for five (5) years from the date of conviction.

(ii) Any false statement submitted to the Secretary of State for the purpose of unlawfully registering under this section shall be punished as perjury in the manner provided in Section 97-9-61, and a person so convicted shall be disqualified for life from registering as a scrap metal dealer under this section.

(4) The Secretary of State shall immediately report any suspected criminal violation accompanied by all relevant records to the Office of Attorney General and the appropriate district attorney for further proceedings.

(5) It is unlawful for a person to make or cause to be made, in a record or statement that is used or obtained in an examination, action, proceeding, or filed under this chapter, a statement that, at the time and in light of the circumstances under which it is made, is false or misleading in a material respect, or, in connection with the statement,

Each violation shall be considered a separate offense in a single proceeding or a series of related proceedings. Any administrative penalty, plus reimbursement for all costs and expenses incurred in the investigation of the violation and any administrative proceedings, shall be paid to the Secretary of State;

(ii) For the purpose of determining the amount or extent of a sanction, if any, to be imposed under paragraph (c)(i) of this subsection, the Secretary of State shall consider, among other factors, the frequency, persistence and willfulness of the conduct constituting a violation of this section or any rule or order hereunder; the number of persons adversely affected by the conduct; and the resources of the person committing the violation;

The court may not require the Secretary of State to post a bond.

(** *7) Any person aggrieved by a final order of the Secretary of State may obtain a review of the order in the Chancery Court of the First Judicial District of Hinds County, Mississippi, by filing in the court, within thirty (30) days after the entry of the order, a written petition praying that the order be modified or set aside, in whole or in part. A copy of the petition shall be forthwith served upon the Secretary of State and thereupon the Secretary of State shall certify and file in court a copy of the filing and evidence upon which the order was entered. MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2723: Office of Workforce Development; revise provisions regarding appointments to SWIB, funds and collaboration.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 71-5-353, Mississippi Code of 1972, is amended as follows:

71-5-353. (1) (a) Each employer shall pay unemployment insurance contributions equal to five and four-tenths percent (5.4%) of taxable wages paid by him each calendar year, except as may be otherwise provided in Section 71-5-361 and except that each newly subject employer shall pay unemployment insurance contributions at the rate of one percent (1%) of taxable wages, for his first year of liability, one and one-tenth percent (1.1%) of taxable wages for his second year of liability, and one and two-tenths percent (1.2%) of taxable wages for his third and subsequent years of liability unless the employer's experience-rating record has been chargeable throughout at least the twelve (12) consecutive calendar months ending on the most recent computation date at the time the rate for a year is determined; thereafter the employer's contribution rate shall be determined in accordance with the provisions of Section 71-5-355.

(b) Notwithstanding the newly subject employer contribution rate provided for in paragraph (a) of this subsection, the contribution rate of all newly subject employers shall be reduced by seven one-hundredths of one percent (.07%) for calendar year 2013 only. The contribution rate of all newly subject employers shall be reduced by three one-hundredths of one percent (.03%) for calendar year 2014 only. For purposes

of this chapter, "newly subject employers" means employers whose unemployment insurance experience-rating record has not been chargeable throughout at least the twelve (12) consecutive calendar months ending on the most recent computation date at the time the contribution rate for a year is determined.

(2) (a) (i) There is hereby created in the Treasury of the State of Mississippi special funds to be known as the "Mississippi Workforce Enhancement Training Fund" and the "Mississippi Works Fund" which consist of funds collected pursuant to subsection (3) of this section.

(ii) Funds collected shall initially be deposited into the Mississippi Department of Employment Security bank account for clearing contribution collections and subsequently appropriate amounts shall be transferred to the Mississippi Workforce Investment and Training Fund Holding Account described in Section 71-5-453. In the event any employer pays an amount insufficient to cover the total contributions due, the amounts due shall be satisfied in the following order:

1. Unemployment contributions;
2. Mississippi Workforce Enhancement Training contributions, State Workforce Investment contributions and the Mississippi Works contributions, known collectively as the Mississippi Workforce Investment and Training contributions, on a pro rata basis;
3. Interest and damages; then
4. Legal and processing costs.

The amount of unemployment insurance contributions due for any period will be the amount due according to the actual computations unless the employer is participating in the MLPP. In that event, the amount due is the MLPP amount computed by the department.

Cost of collection and administration of the Mississippi Workforce Enhancement Training contribution, the State Workforce Investment contribution and the Mississippi Works contribution shall be allocated based on a plan approved by the United States Department of Labor (USDOL). The Mississippi Community College Board shall pay the cost of collecting the Mississippi Workforce Enhancement Training contributions, the State Workforce Investment Board shall pay the cost of collecting the State Workforce Investment contributions and the Mississippi Department of Employment Security shall pay the cost of collecting the Mississippi Works contributions. Payments shall be made semiannually with the cost allocated to each based on a USDOL approved plan on a pro rata basis, for periods ending in June and December of each year. Payment shall be made by each organization to the department no later than sixty (60) days after the billing date. Cost shall be allocated under the USDOL's approved plan and in the same ratio as each contribution type represents to the total authorized by subparagraph (ii)2 of this paragraph to be collected for the period.

(b) Mississippi Workforce Enhancement Training contributions and State Workforce Investment contributions shall be distributed as follows:

(i) For calendar year 2014, ninety-four and seventy-five one-hundredths percent (94.75%) shall be distributed to the Mississippi Workforce Enhancement Training Fund and the remainder shall be distributed to the State Workforce Investment Board bank account;

(ii) For calendar years subsequent to calendar year 2014, ninety-three and seventy-five one-hundredths percent (93.75%) shall be distributed to the Mississippi Workforce Enhancement Training Fund and the remainder shall be distributed to the State Workforce Investment Board bank account;

(iii) Workforce Enhancement Training contributions and State Workforce Investment contributions for calendar years 2014 and 2015 shall be distributed as provided in subparagraphs (i) and (ii) of this paragraph regardless of when the contributions were collected.

(c) All contributions collected for the State Workforce Enhancement Training Fund, the State Workforce Investment Fund and the Mississippi Works Fund will be initially deposited into the Mississippi Department of Employment Security bank account for clearing contribution collections and subsequently transferred to the Workforce Investment and Training Holding Account and will be held by the Mississippi Department of Employment Security in such account for a period of not less than thirty

(30) days. After such period, the Mississippi Workforce Enhancement Training contributions shall be transferred to the Mississippi Community College Board Treasury Account, with oversight provided by the Mississippi Office of Workforce Development, the State Workforce Investment contributions and the Mississippi Works contributions shall be transferred to the Mississippi Department of Employment Security Mississippi Works Treasury Account in the same ratio as each contribution type represents to the total authorized by paragraph (a)(ii)2 of this subsection to be collected for the period and within the time frame determined by the department; however, except in cases of extraordinary circumstances, these funds shall be transferred within fifteen (15) days. Interest earnings or interest credits on deposit amounts in the Workforce Investment and Training Holding Account shall be retained in the account to pay the banking costs of the account. If after the period of twelve (12) months interest earnings less banking costs exceeds Ten Thousand Dollars (\$10,000.00), such excess amounts shall be transferred to the respective accounts within thirty (30) days following the end of each calendar year on the basis described in paragraph (b) of this subsection. Interest earnings and/or interest credits for the State Workforce Investments funds shall be used for the payment of banking costs and excess amounts shall be used in accordance with the rules and regulations of the State Workforce Investment Board expenditure policies.

(d) All enforcement procedures for the collection of delinquent unemployment contributions contained in Sections 71-5-363 through 71-5-383 shall be applicable in all respects for collections of delinquent unemployment insurance contributions designated for the Unemployment Compensation Fund, the Mississippi Workforce Enhancement Training Fund, the State Workforce Investment Board Fund and the Mississippi Works Fund.

(e) (i) Except as otherwise provided for in this subparagraph (i), all monies deposited into the Mississippi Workforce Enhancement Training Fund Treasury Account shall be directed by the Mississippi Office of Workforce Development, in collaboration with the Mississippi Community College Board, in accordance with the Workforce Training Act of 1994 (Section 37-153-1 et seq.) and under policies approved by the Mississippi Office of Workforce Development for the following purposes: to provide training in collaboration with the Mississippi Community College Board and individual community and junior colleges to employers and employees in order to enhance employee productivity. Such training may be subject to a minimal administrative fee to be paid from the Mississippi Workforce Enhancement Training Fund as established by the Office of Workforce Development. The initial priority of these funds shall be for the benefit of existing businesses located within the state. Employers may request training for existing employees and/or newly hired employees from the Mississippi Office of Workforce Development. The office, in consultation with the Mississippi Community College Board, will be responsible for approving the training. A portion of the funds collected for the Mississippi Workforce Enhancement Training Fund shall be used for the development of performance measures to measure the effectiveness of the use of the Mississippi Workforce Enhancement Training Fund dollars. These performance measures shall be uniform for all training projects and shall be reported to the Governor, Lieutenant Governor, Speaker of the House, and members of the Legislature. Nothing in this section or elsewhere in law shall be interpreted as giving the Office of Workforce Development or State Workforce Investment Board authority to direct the Mississippi Community College Board or individual community or junior colleges on how to expend other funds, aside from funds appropriated to the Mississippi Workforce Enhancement Training Fund and Mississippi Works Fund, appropriated or received for workforce training. The Mississippi Office of Workforce Development, Mississippi Community College Board, individual community or junior colleges, State Workforce Investment Board and other agencies implementing or coordinating state-funded workforce development programs under state law shall cooperate with each other to promote effective workforce training in Mississippi, under the direction of the office. Any subsequent changes to these performance measures shall also be reported to the Governor, Lieutenant Governor, Speaker of the House, and members of the Legislature. A performance report for each training project and community college, based upon these measures, shall be submitted annually to the Governor, Lieutenant Governor, Speaker of the House, and members of the Legislature.

(ii) Except as otherwise provided in this paragraph (e), all funds deposited into the State Workforce Investment Board bank account shall be used for administration of State Workforce Investment Board business, the Office of Workforce Development, grants related to training, and other projects as determined appropriate by the State Workforce Investment Board and shall be nonexpiring. Policies for grants and other projects shall be approved through a majority vote of the State Workforce Investment Board.

(iii) All funds deposited into the Mississippi Department of Employment Security Mississippi Works Fund shall be disbursed exclusively by the Executive Director of the Mississippi Department of Employment Security, in accordance with the rules and regulations promulgated by the Office of Workforce Development in support of workforce training activities approved by the Mississippi Office of Workforce Development in support of economic development activities. Funds allocated by the executive director under this subparagraph (iii) shall only be utilized for the training of unemployed persons, for immediate training needs for the net new jobs created by an employer, for the retention of jobs, to create a work-ready applicant pool of Mississippians with credentials and/or postsecondary education in accordance with the state's Workforce Investment and Opportunity Act plan, or for the support of local economic and community development activities related to workforce development in the state. * * * The Mississippi Office of Workforce Development, in collaboration with the Mississippi Public Community College System and its partners, shall be the primary entity to facilitate training. * * * Training conducted utilizing these Mississippi Works funds may be subject to a minimal administrative fee to be paid from the Mississippi Works Fund as authorized by the Mississippi Office of Workforce Development. All costs associated with the administration of these funds shall be reimbursed to the Mississippi Department of Employment Security from the Mississippi Works Fund.

(iv) 1. The Department of Employment Security shall be the fiscal agent for the receipt and disbursement of all funds in the State Workforce Investment Board bank account, subject to the administrative oversight of the Office of Workforce Development.

2. In managing the State Workforce Investment Board bank account, the Office of Workforce Development, in coordination with the Mississippi Department of Employment Security as fiscal agent, shall ensure that any funds expended for contractual services rendered to the Office of Workforce Development over Five Thousand Dollars (\$5,000.00) shall be paid only to service providers who have been selected on a competitive basis. Any contract for services entered into using funds from the Workforce Investment Fund bank account shall * * * meet the requirements for state contracts set out in Section 31-7-1 et seq.

3. Any commodities procured for the office shall be procured in accordance with the provisions of Section 31-7-13.

(v) In addition to other expenditures, the Office of Workforce Development shall expend from the State Workforce Investment Board bank account for the use and benefit of the Office of Workforce Development, such funds as are necessary to prepare and develop a study of workforce development needs that will consist of the following:

1. An identification of the state's workforce development needs through a well-documented quantitative and qualitative analysis of:

a. The current and projected workforce training needs of existing and identified potential Mississippi industries, with priority given to assessing the needs of existing in-state industry and business. Where possible, the analysis should include a verification and expansion of existing information previously developed by workforce training and service providers, as well as analysis of existing workforce data, such as the data collected through the Statewide Longitudinal Data System * * *;

b. The needs of the state's workers and residents requiring additional workforce training to improve their work skills in order to compete for better employment opportunities, including a priority-based analysis of the critical factors currently limiting the state's ability to provide a trained and ready workforce * * *; and

c. The needs of workforce service and training providers in improving their ability to offer industry-relevant training, including an assessment of the practical limits of keeping training programs on the leading edge and eliminating those programs with marginal workforce relevance.

2. An assessment of Mississippi's current workforce development service delivery structure relative to the needs quantified in this subparagraph, including:

a. Development of a list of strengths/weaknesses/opportunities/threats (SWOT) of the current workforce development delivery system relative to the identified needs;

b. Identification of strategic options for workforce development services based on the results of the SWOT analysis; and

c. Development of results-oriented measures for each option that can be baselined and, if implemented, tracked over time, with quantifiable milestones and goals.

3. Preparation of a report presenting all subjects set out in this subparagraph to be delivered to the Lieutenant Governor, Speaker of the House of Representatives, Chairman of the Senate Finance Committee and Chairman of the House Appropriations Committee no later than February 1, 2015.

4. Following the preparation of the report, the State Workforce Investment Board shall make a recommendation to the House and Senate Appropriations Committees on future uses of funds deposited to the State Workforce Investment Fund account. Such future uses may include:

a. The development of promotion strategies for workforce development programs;

b. Initiatives designed to reduce the state's dropout rate, including the development of a statewide career awareness program;

c. The long-term monitoring of the state's workforce development programs to determine whether they are addressing the needs of business, industry, and the workers of the state; and

d. The study of the potential restructuring of the state's workforce programs and delivery systems.

(3) (a) (i) Mississippi Workforce Enhancement Training contributions and State Workforce Investment contributions shall be collected at the following rates:

1. For calendar year 2014 only, the rate of nineteen one-hundredths of one percent (.19%) based upon taxable wages of which eighteen one-hundredths of one percent (.18%) shall be the Workforce Enhancement Training contribution and one-hundredths of one percent (.01%) shall be the State Workforce Investment contribution; and

2. For calendar year 2015 only, the rate of sixteen one-hundredths of one percent (.16%), based upon taxable wages of which fifteen one-hundredths of one percent (.15%) shall be the Workforce Enhancement Training contribution and one-hundredths of one percent (.01%) shall be the State Workforce Investment contribution.

(ii) Mississippi Workforce Enhancement Training contributions, State Workforce Investment contributions and Mississippi Works contributions shall be collected at the following rates:

1. For calendar year 2016 only, at a rate of twenty-four one-hundredths percent (.24%), based upon taxable wages, of which fifteen one-hundredths percent (.15%) shall be the Workforce Enhancement Training contribution, one-hundredths of one percent (.01%) shall be the State Workforce Investment contribution and eight one-hundredths percent (.08%) shall be the Mississippi Works contribution.

2. For calendar years subsequent to calendar year 2016, at a rate of twenty one-hundredths percent (.20%), based upon taxable wages, of which fifteen one-hundredths percent (.15%) shall be the Workforce Enhancement Training contribution, one-hundredths of one percent (.01%) shall be the State Workforce Investment contribution and four one-hundredths percent (.04%) shall be the Mississippi Works contribution. The Mississippi Works contribution shall be collected for calendar

years in which the general experience ratio, adjusted on the basis of the trust fund adjustment factor and reduced by fifty percent (50%), results in a general experience rate of less than two-tenths percent (.2%). In all other years the Mississippi Works contribution shall not be in effect.

(iii) The Mississippi Workforce Enhancement Training Fund contribution, the State Workforce Investment contribution and the Mississippi Works contribution shall be in addition to the general experience rate plus the individual experience rate of all employers but shall not be charged to reimbursing or rate-paying political subdivisions or institutions of higher learning, or reimbursing nonprofit organizations, as described in Sections 71-5-357 and 71-5-359.

(b) All Mississippi Workforce Enhancement Training contributions, State Workforce Investment contributions and Mississippi Works contributions collected shall be deposited initially into the Mississippi Department of Employment Security bank account for clearing contribution collections and shall within two (2) business days be transferred to the Workforce Investment and Training Holding Account. Any Mississippi Workforce Enhancement Training Fund and/or State Workforce Investment Board bank account and/or Mississippi Works Fund transactions from the Mississippi Department of Employment Security bank account for clearing contribution collections that are deposited into the Workforce Investment and Training Fund Holding Account and are not honored by a financial institution will be transferred back to the Mississippi Department of Employment Security bank account for clearing contribution collections out of funds in the Mississippi Workforce Investment and Training Fund Holding Account.

(c) Suspension of the Workforce Enhancement Training Fund contributions required pursuant to this chapter shall occur if the insured unemployment rate exceeds an average of five and five-tenths percent (5.5%) for the three (3) consecutive months immediately preceding the effective date of the new rate year following such occurrence and shall remain suspended throughout the duration of that rate year. Such suspension shall continue until such time as the three (3) consecutive months immediately preceding the effective date of the next rate year that has an insured unemployment rate of less than an average of four and five-tenths percent (4.5%). Upon such occurrence, reactivation shall be effective upon the first day of the rate year following the event that lifts suspension and shall be in effect for that year and shall continue until such time as a subsequent suspension event as described in this chapter occurs.

(d) Notwithstanding any other provision contained herein, contribution collections for the State Workforce Investment Fund, Mississippi Works Fund and Mississippi Workforce Enhancement Training Fund shall not be suspended, under any circumstances, for tax rate year 2021, and the resulting contribution rate of twenty one-hundredths percent (.20%) shall be added to the employer's general and individual experience rate to obtain the total unemployment insurance rate for 2021.

(4) All collections due or accrued prior to any suspension of the Mississippi Workforce Enhancement Training Fund will be collected based upon the law at the time the contributions accrued, regardless of when they are actually collected.

SECTION 2. Section 71-5-355, Mississippi Code of 1972, is amended as follows:

71-5-355. (1) As used in this section, the following words and phrases shall have the following meanings, unless the context clearly requires otherwise:

(a) "Tax year" means any period beginning on January 1 and ending on December 31 of a year.

(b) "Computation date" means June 30 of any calendar year immediately preceding the tax year during which the particular contribution rates are effective.

(c) "Effective date" means January 1 of the tax year.

(d) Except as hereinafter provided, "payroll" means the total of all wages paid for employment by an employer as defined in Section 71-5-11, subsection H, plus the total of all remuneration paid by such employer excluded from the definition of wages by Section 71-5-351. For the computation of modified rates, "payroll" means the total of all wages paid for employment by an employer as defined in Section 71-5-11, subsection H.

(e) For the computation of modified rates, "eligible employer" means an employer whose experience-rating record has been chargeable with benefits throughout the thirty-six (36) consecutive calendar-month period ending on the computation date, except that any employer who has not been subject to the Mississippi Employment Security Law for a period of time sufficient to meet the thirty-six (36) consecutive calendar-month requirement shall be an eligible employer if his or her experience-rating record has been chargeable throughout not less than the twelve (12) consecutive calendar-month period ending on the computation date. No employer shall be considered eligible for a contribution rate less than five and four-tenths percent (5.4%) with respect to any tax year, who has failed to file any two (2) quarterly reports within the qualifying period by September 30 following the computation date. No employer or employing unit shall be eligible for a contribution rate of less than five and four-tenths percent (5.4%) for the tax year in which the employing unit is found by the department to be in violation of Section 71-5-19(2) or (3) and for the next two (2) succeeding tax years. No representative of such employing unit who was a party to a violation as described in Section 71-5-19(2) or (3), if such representative was or is an employing unit in this state, shall be eligible for a contribution rate of less than five and four-tenths percent (5.4%) for the tax year in which such violation was detected by the department and for the next two (2) succeeding tax years.

(f) With respect to any tax year, "reserve ratio" means the ratio which the total amount available for the payment of benefits in the Unemployment Compensation Fund, excluding any amount which has been credited to the account of this state under Section 903 of the Social Security Act, as amended, and which has been appropriated for the expenses of administration pursuant to Section 71-5-457 whether or not withdrawn from such account, on October 31 (close of business) of each calendar year bears to the aggregate of the taxable payrolls of all employers for the twelve (12) calendar months ending on June 30 next preceding.

(g) "Modified rates" means the rates of employer unemployment insurance contributions determined under the provisions of this chapter and the rates of newly subject employers, as provided in Section 71-5-353.

(h) For the computation of modified rates, "qualifying period" means a period of not less than the thirty-six (36) consecutive calendar months ending on the computation date throughout which an employer's experience-rating record has been chargeable with benefits; except that with respect to any eligible employer who has not been subject to this article for a period of time sufficient to meet the thirty-six (36) consecutive calendar-month requirement, "qualifying period" means the period ending on the computation date throughout which his or her experience-rating record has been chargeable with benefits, but in no event less than the twelve (12) consecutive calendar-month period ending on the computation date throughout which his or her experience-rating record has been so chargeable.

(i) The "exposure criterion" (EC) is defined as the cash balance of the Unemployment Compensation Fund which is available for the payment of benefits as of November 16 of each calendar year or the next working day if November 16 falls on a holiday or a weekend, divided by the total wages, exclusive of wages paid by all state agencies, all political subdivisions, reimbursable nonprofit corporations, and tax-exempt public service employment, for the twelve-month period ending June 30 immediately preceding such date. The EC shall be computed to four (4) decimal places and rounded up if any fraction remains. Notwithstanding any other provision contained herein, the date for determining the cash balance of the Unemployment Compensation Fund which is available for the payment of benefits for the calendar years 2020 and 2021 shall be December 31.

(j) The "cost rate criterion" (CRC) is defined as follows: Beginning with January 1974, the benefits paid for the twelve-month period ending December 1974 are summed and divided by the total wages for the twelve-month period ending on June 30, 1975. Similar ratios are computed by subtracting the earliest month's benefit payments and adding the benefits of the next month in the sequence and dividing each sum of twelve (12) months' benefits by the total wages for the twelve-month period ending on the June 30 which is nearest to the final month of the period used to compute the numerator. If December is the final month of the period used to compute the numerator,

then the twelve-month period ending the following June 30 will be used for the denominator. Benefits and total wages used in the computation of the cost rate criterion shall exclude all benefits and total wages applicable to state agencies, political subdivisions, reimbursable nonprofit corporations, and tax-exempt PSE employment.

The CRC shall be computed as the average for the highest monthly value of the cost rate criterion computations during each of the economic cycles since the calendar year 1974 as defined by the National Bureau of Economic Research. The CRC shall be computed to four (4) decimal places and any remainder shall be rounded up.

The CRC shall be adjusted only through annual computations and additions of future economic cycles.

(k) "Size of fund index" (SOFI) is defined as the ratio of the exposure criterion (EC) to the cost rate criterion (CRC). The target size of fund index will be fixed at 1.0. If the insured unemployment rate (IUR) exceeds a four and five-tenths percent (4.5%) average for the most recent completed July to June period, the target SOFI will be .8 and will remain at that level until the computed SOFI (the average exposure criterion of the current year and the preceding year divided by the average cost rate criterion) equals 1.0 or the average IUR falls to four and five-tenths percent (4.5%) or less for any period July to June. However, if the IUR falls below two and five-tenths percent (2.5%) for any period July to June the target SOFI shall be 1.2 until such time as the computed SOFI is equal to or greater than 1.0 or the IUR is equal to or greater than two and five-tenths percent (2.5%), at which point the target SOFI shall return to 1.0.

(l) No employer's unemployment contribution general experience rate plus individual unemployment experience rate shall exceed five and four-tenths percent (5.4%). Accrual rules shall apply for purposes of computing contribution rates including associated functions.

(m) The term "general experience rate" has the same meaning as the minimum tax rate.

(2) Modified rates:

(a) For any tax year, when the reserve ratio on the preceding November 16, in the case of any tax year, equals or exceeds three percent (3%), the modified rates, as hereinafter prescribed, shall be in effect. In computation of this reserve ratio, any remainder shall be rounded down.

(b) Modified rates shall be determined for the tax year for each eligible employer on the basis of his or her experience-rating record in the following manner:

(i) The department shall maintain an experience-rating record for each employer. Nothing in this chapter shall be construed to grant any employer or individuals performing services for him or her any prior claim or rights to the amounts paid by the employer into the fund.

(ii) Benefits paid to an eligible individual shall be charged against the experience-rating record of his or her base period employers in the proportion to which the wages paid by each base period employer bears to the total wages paid to the individual by all the base period employers, provided that benefits shall not be charged to an employer's experience-rating record if the department finds that the individual:

1. Voluntarily left the employ of such employer without good cause attributable to the employer or to accept other work;

2. Was discharged by such employer for misconduct connected with his or her work;

3. Refused an offer of suitable work by such employer without good cause, and the department further finds that such benefits are based on wages for employment for such employer prior to such voluntary leaving, discharge or refusal of suitable work, as the case may be;

4. Had base period wages which included wages for previously uncovered services as defined in Section 71-5-511(e) to the extent that the Unemployment Compensation Fund is reimbursed for such benefits pursuant to Section 121 of Public Law 94-566;

5. Extended benefits paid under the provisions of Section 71-5-541 which are not reimbursable from federal funds shall be charged to the experience-rating record of base period employers;

6. Is still working for such employer on a regular part-time basis under the same employment conditions as hired. Provided, however, that benefits shall be charged against an employer if an eligible individual is paid benefits who is still working for such employer on a part-time "as-needed" basis;

7. Was hired to replace a United States serviceman or servicewoman called into active duty and was laid off upon the return to work by that serviceman or servicewoman, unless such employer is a state agency or other political subdivision or instrumentality of the state;

8. Was paid benefits during any week while in training with the approval of the department, under the provisions of Section 71-5-513B, or for any week while in training approved under Section 236(a)(1) of the Trade Act of 1974, under the provisions of Section 71-5-513C;

9. Is not required to serve the one-week waiting period as described in Section 71-5-505(2). In that event, only the benefits paid in lieu of the waiting period week may be noncharged; or

10. Was paid benefits as a result of a fraudulent claim, provided notification was made to the Mississippi Department of Employment Security in writing or by email by the employer, within ten (10) days of the mailing of the notice of claim filed to the employer's last-known address.

(iii) Notwithstanding any other provision contained herein, an employer shall not be noncharged when the department finds that the employer or the employer's agent of record was at fault for failing to respond timely or adequately to the request of the department for information relating to an unemployment claim that was subsequently determined to be improperly paid, unless the employer or the employer's agent of record shows good cause for having failed to respond timely or adequately to the request of the department for information. For purposes of this subparagraph "good cause" means an event that prevents the employer or employer's agent of record from timely responding, and includes a natural disaster, emergency or similar event, or an illness on the part of the employer, the employer's agent of record, or their staff charged with responding to such inquiries when there is no other individual who has the knowledge or ability to respond. Any agency error that resulted in a delay in, or the failure to deliver notice to, the employer or the employer's agent of record shall also be considered good cause for purposes of this subparagraph.

(iv) The department shall compute a benefit ratio for each eligible employer, which shall be the quotient obtained by dividing the total benefits charged to his or her experience-rating record during the period his or her experience-rating record has been chargeable, but not less than the twelve (12) consecutive calendar-month period nor more than the thirty-six (36) consecutive calendar-month period ending on the computation date, by his or her total taxable payroll for the same period on which all unemployment insurance contributions due have been paid on or before the September 30 immediately following the computation date. Such benefit ratio shall be computed to the tenth of a percent (.1%), rounding any remainder to the next higher tenth.

(v) 1. The unemployment insurance contribution rate for each eligible employer shall be the sum of two (2) rates: his or her individual experience rate in the range from zero percent (0%) to five and four-tenths percent (5.4%), plus a general experience rate. In no event shall the resulting unemployment insurance rate be in excess of five and four-tenths percent (5.4%), however, it is the intent of this section to provide the ability for employers to have a tax rate, the general experience rate plus the individual experience rate, of up to five and four-tenths percent (5.4%).

2. The employer's individual experience rate shall be equal to his or her benefit ratio as computed under paragraph (b)(iv) of this subsection (2).

3. The general experience rate shall be determined in the following manner: The department shall determine annually, for the thirty-six (36) consecutive calendar-month period ending on the computation date, the amount of benefits which were not charged to the record of any employer and of benefits which were ineffectively charged to the employer's experience-rating record. For the purposes of this item 3, the term "ineffectively charged benefits" shall include:

a. The total of the amounts of benefits charged to the experience-rating records of all eligible employers which caused their benefit ratios to exceed five and four-tenths percent (5.4%);

b. The total of the amounts of benefits charged to the experience-rating records of all ineligible employers which would cause their benefit ratios to exceed five and four-tenths percent (5.4%) if they were eligible employers; and

c. The total of the amounts of benefits charged or chargeable to the experience-rating record of any employer who has discontinued his or her business or whose coverage has been terminated within such period; provided, that solely for the purposes of determining the amounts of ineffectively charged benefits as herein defined, a "benefit ratio" shall be computed for each ineligible employer, which shall be the quotient obtained by dividing the total benefits charged to his or her experience-rating record throughout the period ending on the computation date, during which his or her experience-rating record has been chargeable with benefits, by his or her total taxable payroll for the same period on which all unemployment insurance contributions due have been paid on or before the September 30 immediately following the computation date; and provided further, that such benefit ratio shall be computed to the tenth of one percent (.1%) and any remainder shall be rounded to the next higher tenth.

The ratio of the sum of these amounts (subsection (2)(b)(v)3a, b and c) to the taxable wages paid during the same period divided by all eligible employers whose benefit ratio did not exceed five and four-tenths percent (5.4%), computed to the next higher tenth of one percent (.1%), shall be the general experience rate; however, the general experience rate for rate year 2014 shall be two tenths of one percent (.2%) and to that will be added the employer's individual experience rate for the total unemployment insurance rate.

4. a. Except as otherwise provided in this item 4, the general experience rate shall be adjusted by use of the size of fund index factor. This factor may be positive or negative, and shall be determined as follows: From the target SOFI, as defined in subsection (1)(k) of this section, subtract the simple average of the current and preceding years' exposure criterions divided by the cost rate criterion, as defined in subsection (1)(j) of this section. The result is then multiplied by the product of the CRC, as defined in subsection (1)(j) of this section, and total wages for the twelve-month period ending June 30 divided by the taxable wages for the twelve-month period ending June 30. This is the percentage positive or negative added to the general experience rate. The sum of the general experience rate and the trust fund adjustment factor shall be multiplied by fifty percent (50%) and this product shall be computed to one (1) decimal place, and rounded to the next higher tenth.

b. Notwithstanding the minimum rate provisions as set forth in subsection (1)(l) of this section, the general experience rate of all employers shall be reduced by seven one-hundredths of one percent (.07%) for calendar year 2013 only.

5. The general experience rate shall be zero percent (0%) unless the general experience ratio for any tax year as computed and adjusted on the basis of the trust fund adjustment factor and reduced by fifty percent (50%) is an amount equal to or greater than two-tenths of one percent (.2%), then the general experience rate shall be the computed general experience ratio and adjusted on the basis of the trust fund adjustment factor and reduced by fifty percent (50%); however, in no case shall the sum of the general experience plus the individual experience unemployment insurance rate exceed five and four-tenths percent (5.4%). For rate years subsequent to 2014, Mississippi Workforce Enhancement Training contribution rate, and/or State Workforce Investment contribution rate, and/or Mississippi Works contribution rate, when in effect, shall be added to the unemployment contribution rate, regardless of whether the addition of this contribution rate causes the total contribution rate for the employer to exceed five and four-tenths percent (5.4%).

6. The department shall include in its annual rate notice to employers a brief explanation of the elements of the general experience rate, and shall include in its regular publications an annual analysis of benefits not charged

to the record of any employer, and of the benefit experience of employers by industry group whose benefit ratio exceeds four percent (4%), and of any other factors which may affect the size of the general experience rate.

7. Notwithstanding any other provision contained herein, the general experience rate for calendar year 2021 shall be zero percent (0%). Charges attributed to each employer's individual experience rate for the period March 8, 2020, through June 30, 2020, will not impact the employer's individual experience rate calculations for purposes of calculating the total unemployment insurance rate for 2021 and the two (2) subsequent tax rate years. Moreover, charges attributed to each employer's individual experience rate for the period July 1, 2020, through December 31, 2020, will not impact the employer's individual experience rate calculations for purposes of calculating the total unemployment insurance rate for 2022 and the two (2) subsequent tax rate years.

(vi) When any employing unit in any manner succeeds to or acquires the organization, trade, business or substantially all the assets thereof of an employer, excepting any assets retained by such employer incident to the liquidation of his or her obligations, whether or not such acquiring employing unit was an employer within the meaning of Section 71-5-11, subsection H, prior to such acquisition, and continues such organization, trade or business, the experience-rating and payroll records of the predecessor employer shall be transferred as of the date of acquisition to the successor employer for the purpose of rate determination.

(vii) When any employing unit succeeds to or acquires a distinct and severable portion of an organization, trade or business, the experience-rating and payroll records of such portion, if separately identifiable, shall be transferred to the successor upon:

1. The mutual consent of the predecessor and the successor;
2. Approval of the department;
3. Continued operation of the transferred portion by the successor after transfer; and
4. The execution and the filing with the department by the predecessor employer of a waiver relinquishing all rights to have the experience-rating and payroll records of the transferred portion used for the purpose of determining modified rates of contribution for such predecessor.

(viii) If the successor was an employer subject to this chapter prior to the date of acquisition, it shall continue to pay unemployment insurance contributions at the rate applicable to it from the date the acquisition occurred until the end of the then current tax year. If the successor was not an employer prior to the date of acquisition, it shall pay unemployment insurance contributions at the rate applicable to the predecessor or, if more than one (1) predecessor and the same rate is applicable to both, the rate applicable to the predecessor or predecessors, from the date the acquisition occurred until the end of the then current tax year. If the successor was not an employer prior to the date the acquisition occurred and simultaneously acquires the businesses of two (2) or more employers to whom different rates of unemployment insurance contributions are applicable, it shall pay unemployment insurance contributions from the date of the acquisition until the end of the current tax year at a rate computed on the basis of the combined experience-rating and payroll records of the predecessors as of the computation date for such tax year. In all cases the rate of unemployment insurance contributions applicable to such successor for each succeeding tax year shall be computed on the basis of the combined experience-rating and payroll records of the successor and the predecessor or predecessors.

(ix) The department shall notify each employer quarterly of the benefits paid and charged to his or her experience-rating record; and such notification, in the absence of an application for redetermination filed within thirty (30) days after the date of such notice, shall be final, conclusive and binding upon the employer for all purposes. A redetermination, made after notice and opportunity for a fair hearing, by a hearing officer designated by the department who shall consider and decide these and related applications and protests; and the finding of fact in connection therewith may be introduced into any subsequent administrative or judicial proceedings involving the

determination of the rate of unemployment insurance contributions of any employer for any tax year, and shall be entitled to the same finality as is provided in this subsection with respect to the findings of fact in proceedings to redetermine the contribution rate of an employer.

(x) The department shall notify each employer of his or her rate of contribution as determined for any tax year as soon as reasonably possible after September 1 of the preceding year. Such determination shall be final, conclusive and binding upon such employer unless, within thirty (30) days after the date of such notice to his or her last-known address, the employer files with the department an application for review and redetermination of his or her contribution rate, setting forth his or her reasons therefor. If the department grants such review, the employer shall be promptly notified thereof and shall be afforded an opportunity for a fair hearing by a hearing officer designated by the department who shall consider and decide these and related applications and protests; but no employer shall be allowed, in any proceeding involving his or her rate of unemployment insurance contributions or contribution liability, to contest the chargeability to his or her account of any benefits paid in accordance with a determination, redetermination or decision pursuant to Sections 71-5-515 through 71-5-533 except upon the ground that the services on the basis of which such benefits were found to be chargeable did not constitute services performed in employment for him or her, and then only in the event that he or she was not a party to such determination, redetermination, decision or to any other proceedings provided in this chapter in which the character of such services was determined. The employer shall be promptly notified of the denial of this application or of the redetermination, both of which shall become final unless, within ten (10) days after the date of notice thereof, there shall be an appeal to the department itself. Any such appeal shall be on the record before said designated hearing officer, and the decision of said department shall become final unless, within thirty (30) days after the date of notice thereof to the employer's last-known address, there shall be an appeal to the Circuit Court of the First Judicial District of Hinds County, Mississippi, in accordance with the provisions of law with respect to review of civil causes by certiorari.

(3) Notwithstanding any other provision of law, the following shall apply regarding assignment of rates and transfers of experience:

(a) (i) If an employer transfers its trade or business, or a portion thereof, to another employer and, at the time of the transfer, there is substantially common ownership, management or control of the two (2) employers, then the unemployment experience attributable to the transferred trade or business shall be transferred to the employer to whom such business is so transferred. The rates of both employers shall be recalculated and made effective on January 1 of the year following the year the transfer occurred.

(ii) If, following a transfer of experience under subparagraph (i) of this paragraph (a), the department determines that a substantial purpose of the transfer of trade or business was to obtain a reduced liability of unemployment insurance contributions, then the experience-rating accounts of the employers involved shall be combined into a single account and a single rate assigned to such account.

(b) Whenever a person who is not an employer or an employing unit under this chapter at the time it acquires the trade or business of an employer, the unemployment experience of the acquired business shall not be transferred to such person if the department finds that such person acquired the business solely or primarily for the purpose of obtaining a lower rate of unemployment insurance contributions. Instead, such person shall be assigned the new employer rate under Section 71-5-353, unless assignment of the new employer rate results in an increase of less than two percent (2%), in which case such person would be assigned the new employer rate plus an additional two percent (2%) penalty for the rate year. In determining whether the business was acquired solely or primarily for the purpose of obtaining a lower rate of unemployment insurance contributions, the department shall use objective factors which may include the cost of acquiring the business, whether the person continued the business enterprise of the acquired business, how long such business enterprise was continued, or whether a substantial number of new employees were hired for performance of duties unrelated to the business activity conducted prior to acquisition.

(c) (i) If a person knowingly violates or attempts to violate paragraph (a) or (b) of this subsection or any other provision of this chapter related to determining the assignment of a contribution rate, or if a person knowingly advises another person in a way that results in a violation of such provision, the person shall be subject to the following penalties:

1. If the person is an employer, then such employer shall be assigned the highest rate assignable under this chapter for the rate year during which such violation or attempted violation occurred and the three (3) rate years immediately following this rate year. However, if the person's business is already at such highest rate for any year, or if the amount of increase in the person's rate would be less than two percent (2%) for such year, then the person's tax rate shall be increased by two percent (2%) for such year. The penalty rate will apply to the successor business as well as the related entity from which the employees were transferred in an effort to obtain a lower rate of unemployment insurance contributions.

2. If the person is not an employer, such person shall be subject to a civil money penalty of not more than Five Thousand Dollars (\$5,000.00). Each such transaction for which advice was given and each occurrence or reoccurrence after notification being given by the department shall be a separate offense and punishable by a separate penalty. Any such fine shall be deposited in the penalty and interest account established under Section 71-5-114.

(ii) For purposes of this paragraph (c), the term "knowingly" means having actual knowledge of or acting with deliberate ignorance or reckless disregard for the prohibition involved.

(iii) For purposes of this paragraph (c), the term "violates or attempts to violate" includes, but is not limited to, intent to evade, misrepresentation or willful nondisclosure.

(iv) In addition to the penalty imposed by subparagraph (i) of this paragraph (c), any violation of this subsection may be punishable by a fine of not more than Ten Thousand Dollars (\$10,000.00) or by imprisonment for not more than five (5) years, or by both such fine and imprisonment. This subsection shall prohibit prosecution under any other criminal statute of this state.

(d) The department shall establish procedures to identify the transfer or acquisition of a business for purposes of this subsection.

(e) For purposes of this subsection:

(i) "Person" has the meaning given such term by Section 7701(a)(1) of the Internal Revenue Code of 1986; and

(ii) "Employing unit" has the meaning as set forth in Section 71-5-11.

(f) This subsection shall be interpreted and applied in such a manner as to meet the minimum requirements contained in any guidance or regulations issued by the United States Department of Labor.

SECTION 3. Section 43-17-1, Mississippi Code of 1972, is amended as follows:

43-17-1. (1) The State of Mississippi hereby accepts all of the mandatory provisions and benefits, with the exception of those provisions under which the state may exercise its options, of Title I of an act passed by the Senate and House of Representatives of the United States of America, in Congress assembled, entitled: "The Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (Public Law 104-193)," and known as the Temporary Assistance to Needy Families (TANF) program.

(2) The Department of Human Services shall have all necessary authority to cooperate with the federal government in the administration of Public Law 104-193 and all subsequent federal amendments thereto, to administer any legislation pursuant thereto enacted by the State of Mississippi, and to administer the funds provided by the federal government and the State of Mississippi under the provisions of Section 43-17-1 et seq., for providing temporary assistance for needy families with minor children. The Department of Human Services shall have full authority to formulate state plans consistent with state law as necessary to administer and operate federal grant funds which provide temporary assistance for needy families with minor children under Title IV-A of the federal Social Security Act. The Department of Human Services shall identify in any state plan

submitted to implement the TANF program those requirements or restrictions, including persons excluded from program participation which are required under federal law, and those program requirements or restrictions which the federal law authorizes but does not require.

(3) Any funds received by the State of Mississippi under the provisions of Public Law 104-193 shall be subject to appropriation by the Legislature and consistent with the terms and conditions required under such appropriation.

(4) The purpose of the Mississippi Temporary Assistance to Needy Families (TANF) program shall be to:

(a) Provide assistance to needy families so that children may be cared for in their own homes or in the homes of relatives when such care is beneficial and may be monitored on a random basis by the Department of Human Services or the State Department of Health;

(b) End the dependence of needy families on government benefits by promoting job preparation, work and marriage through, among other things, job placement, job training and job retention;

(c) Prevent and reduce the incidence of out-of-wedlock pregnancies and establish annual numerical goals for preventing and reducing the incidence of these pregnancies;

(d) Encourage the formation and maintenance of two-parent families; and

(e) Prevent program fraud and abuse.

(5) The Department of Human Services shall develop outcome and output indicators for each program established under the authority of this section. These measures shall provide legislators and administrators with information which measures the success or failure of the department in implementing the programs implemented under the authority of this section. The department shall annually report to the Legislature the outputs and outcomes of these programs, with the first report due by December 15, 1997. Such reports shall include recommendations for making programs more effective or efficient which can be effected in accordance with federal law.

(6) Assistance may be granted under this chapter to any dependent child and a caretaker relative who are living in a suitable family home meeting the standards of care and health and work requirements fixed by the laws of this state, and the rules and regulations of the State Department of Human Services.

(7) The Department of Human Services shall collaborate with the Office of Workforce Development on TANF programs related to job placement, job training and job retention.

Such boards shall be advisory only, and may be set up in the discretion of the board of directors of the corporation.

(5) Each member of the board of directors of the corporation shall receive per diem as provided in Section 25-3-69 for each day or fraction thereof spent in actual discharge of his official duties and shall be reimbursed for mileage and actual expenses incurred in the performance of his official duties in accordance with the requirements of Section 25-3-41, Mississippi Code of 1972.

(6) The board of directors shall make and publish policies, rules and regulations governing all business functions, including but not limited to accounting, marketing, purchasing and personnel, not inconsistent with the terms of Sections 47-5-531 through 47-5-575, as may be necessary for the efficient administration and operation of the corporation.

(8) A member of the board of directors of the corporation shall not be liable for any civil damages for any personal injury or property damage caused to a person as a result of any acts or omissions committed in good faith in the exercise of their duties as members of the board of directors of the corporation, except where a member of the board engages in acts or omissions which are intentional, willful, wanton, reckless or grossly negligent.

Rep. Barton called up the conference report on the following bill:

H. B. No. 1747: City of Clinton; authorize a tax on restaurants to promote tourism, parks and recreation.

POINT OF ORDER

A written point of order was raised by Representative Steverson as follows:

The conference report for House Bill No. 1747 is not germane to the bill, because the bill is a single purpose bill. The original purpose of the bill is to do one thing, which is to authorize the City of Clinton to impose a 2% tourism tax to promote tourism, parks and recreation. The bill contains only one item or subject, and the conference report would add another item or subject to the single and only purpose of the bill, so it is not germane.

The conference report was set aside pending a Speaker's Ruling.

On request of Rep. Scoggin, unanimous consent was granted to make the following corrections to conference report for **S. B. No. 2690**:

Section 1 of the bill which amends Section 37-97-103. We request to make the following correction to subsection (1)(f) on line 72 by changing the term "publicity" to "publicity right".

Also, in Section 3 of the bill that amends Section 37-97-107, we request unanimous consent to make the following correction to subsection (13) on line 263, by striking the comma following the three asterisks which denote deleted text.

Pending at the time was a Speaker's Ruling on a point of order by REPRESENTATIVE Steverson. The Speaker ruled the point of order well taken.

The question recurred on the motion to recommit the conference report on **H. B. No. 1747**, which motion prevailed.

At 3:05 PM on motion of Rep. Roberson the House recessed subject to call of the Chair.

At 3:56 PM the House met pursuant to recess, Speaker Gunn in the Chair. A quorum was present.

Rep. Lamar called up the conference report on the following bill and moved that it be adopted:

H. B. No. 1162: Income tax; extend repealer on tax credit for certain charges for using certain port and airport facilities.

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1162: Income tax; extend repealer on tax credit for certain charges for using certain port and airport facilities.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 27-7-22.7, Mississippi Code of 1972, is reenacted as follows:

27-7-22.7. (1) As used in this section, the term "port" means a state, county or municipal port or harbor established pursuant to Sections 59-5-1 through 59-5-69, Sections 59-7-1 through 59-7-519, Sections 59-9-1 through 59-9-85 or Sections 59-11-1 through 59-11-7.

(2) For any income taxpayer utilizing the port facilities at any port for the export of cargo that is loaded on a carrier calling at any such port, a credit against the taxes imposed pursuant to this chapter shall be allowed in the amounts provided in this section.

(3) Except as otherwise provided by subsection (5) of this section, the amount of the credit allowed pursuant to this section shall be the total of the following charges on export cargo paid by the corporation:

- (a) Receiving into the port;
- (b) Handling to a vessel; and
- (c) Wharfage.

(4) The credit provided for in this section shall not exceed fifty percent (50%) of the amount of tax imposed upon the taxpayer for the taxable year reduced by the sum of all other credits allowable to such taxpayer under this chapter, except credit for tax payments made by or on behalf of the taxpayer. Any unused portion of the credit may be carried forward for the succeeding five (5) years. The maximum cumulative credit that may be claimed by a taxpayer pursuant to this section and for the period of time beginning on January 1, 1994, and ending on December 31, 2005, is limited to One Million Two Hundred Thousand Dollars (\$1,200,000.00).

(5) To obtain the credit provided for in this section, a taxpayer must provide to the Department of Revenue a statement from the governing authority of the port certifying the amount of charges paid by the taxpayer for which a credit is claimed and any other information required by the Department of Revenue.

(6) The purpose of the tax credit provided for in this section is to promote the increased use of ports and related facilities in this state, particularly by those taxpayers which would not otherwise use such ports and related facilities without the benefit of such tax credit, and increase the number of port related jobs and other economic development benefits associated with the increased use of such ports and related facilities. It is the intent of the Legislature that in determining whether or not such tax credit will be continued in future years, the attainment of the purposes set forth in this subsection must be demonstrated by the material contained in the reports prepared by the Mississippi Development Authority under Section 27-7-22.9.

SECTION 2. Section 27-7-22.9, Mississippi Code of 1972, is reenacted as follows:

27-7-22.9. The Mississippi Development Authority shall report annually to the Legislature regarding the impact of the credit granted in Section 27-7-22.7 on shipping and economic growth. Each report shall show the overall annual increase on shipping at each port for the most recent year for which data is available and for each of the previous five (5) years. Each report shall estimate the number of jobs created or retained at each port and in businesses related to port activity at each port since January 1, 1994, as compared to the number of similar jobs created during the ten (10) years preceding January 1, 1994. Each report shall state the net economic impact on the state as a result of the tax credit provided for in Section 27-7-22.7. The Mississippi Development Authority shall file a copy of the report with the Governor, the Secretary of the Senate, the Clerk of the House of Representatives and the Chairmen of the House Ways and Means Committee and the Senate Finance Committee of the Legislature on May 1 of each year. The Department of Revenue and all state, county and municipal ports shall cooperate with the Mississippi Development Authority in providing the information required in the annual reports.

SECTION 3. Section 4, Chapter 492, Laws of 1994, as amended by Section 3, Chapter 548, Laws of 1998, as amended by Section 3, Chapter 537, Laws of 2002, as amended by Section 3, Chapter 457, Laws of 2005, as amended by Section 3, Chapter 322, Laws of 2009, as amended by Section 3, Chapter 377, Laws of 2012, as amended by Section 3, Chapter 335, Laws of 2016, as amended by Section 3, Chapter 321, Laws of 2019, is amended as follows:

Section 4. This act shall take effect and be in force from and after January 1, 1994, and shall stand repealed from and after December 31, * * * 2025.

27-7-22.25. (1) As used in this section, the term "airport" means an airport established pursuant to Chapters 3 and 5, Title 61, Mississippi Code of 1972.

(2) Subject to the provisions of this section, for any income taxpayer utilizing the facilities at any airport for the export or import of cargo that is unloaded from a carrier at any such airport, a credit against the taxes imposed pursuant to this chapter shall be allowed in the amounts provided in this section. In order to be eligible for the credit authorized under this section, a taxpayer must locate its United States headquarters in Mississippi on or after July 1, 2005, employ at least five (5) new permanent full-time employees who actually work at such headquarters and, after July 1, 2005, invest a minimum of Two Million Dollars (\$2,000,000.00), in the aggregate, in real property and/or personal property in Mississippi. (3) Except as otherwise provided by subsection (4) of this section, the amount of the credit allowed pursuant to this section shall be the total of the following charges on import or export of cargo paid by the corporation:

- (a) Receiving into the airport;

may be claimed by a taxpayer under this section is limited to One Million Dollars (\$1,000,000.00) if the taxpayer employs at least five (5), but not more than twenty-five (25) permanent full-time employees at its headquarters in Mississippi; Two Million Dollars (\$2,000,000.00) if the taxpayer employs more than twenty-five (25), but not more than one hundred (100) permanent full-time employees at its headquarters in Mississippi; Three Million Dollars (\$3,000,000.00) if the taxpayer employs more than one hundred (100), but not more than two hundred (200) permanent full-time employees at its headquarters in Mississippi; and Four Million Dollars (\$4,000,000.00) if the taxpayer employs more than two hundred (200) permanent full-time employees at its headquarters in Mississippi.

(5) To obtain the credit provided for in this section, a taxpayer must provide to the Department of Revenue a statement from the governing authority of the airport certifying the amount of charges paid by the taxpayer for which a credit is claimed and any other information required by the Department of Revenue.

(6) Any taxpayer who is eligible, before July 1, *** 2025, for the credit provided for in this section, shall remain eligible for such credit after July 1, *** 2025, notwithstanding the repeal of this section.

(a) If the designated beneficiary survives the owner making the designation by one hundred twenty (120) hours, the interest in the motor vehicle is transferred to the designated beneficiary; and

(b) If the designated beneficiary fails to survive the owner making the designation by one hundred twenty (120) hours, the share of the designated beneficiary lapses and is subject to and passes as if the beneficiary designation were a devise made in a will.

(2) If an owner is a joint owner with right of survivorship who is survived by one or more other joint owners, the motor vehicle that is the subject of the beneficiary designation belongs to the surviving joint owner or owners. If an owner is a joint owner

(3) A designated beneficiary takes the motor vehicle subject to all encumbrances, assignments, contracts, liens and other interests to which the vehicle is subject at the owner's or last surviving owner's death, as applicable. The transfer to the designated beneficiary does not affect the ability of a lienholder to pursue an existing means of debt collection permitted under the laws of this state.

SECTION 6. (2) The legal name of a beneficiary designated under this section must be included on the title.

(3) The department shall transfer title of a motor vehicle to a beneficiary designated under this section for the vehicle if the beneficiary submits:

(b) Satisfactory proof of the death of the owner or owners, as applicable.

(4) A beneficiary designation may be changed or revoked by submitting a new application for title.

(5) A beneficiary designation or a change or revocation of a beneficiary designation made on an application for title of a motor vehicle that has not been submitted to the department before the death of a vehicle's owner or owners who made, changed, or revoked the designation, as applicable, is invalid.

(6) The Department of Revenue may adopt rules to administer this section.

SECTION 7. This act shall take effect and be in force from and after July 1, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AUTHORIZE A BENEFICIARY DESIGNATION THAT TRANSFERS A MOTOR VEHICLE AT THE OWNER'S DEATH; TO PROVIDE DEFINITIONS; TO PROVIDE FOR REQUIREMENT OF THE BENEFICIARY DESIGNATION; TO PROVIDE THE PROCEDURE FOR JOINT OWNERS; TO MAKE CERTAIN REQUIREMENTS OF THE DEPARTMENT OF REVENUE AND AUTHORIZE RULEMAKING AUTHORITY TO THE DEPARTMENT; AND FOR RELATED PURPOSES.

S. B. No. 2335: State Fire Academy; remove limitation on the number of Emergency Medical Responder students trained per year.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2335: State Fire Academy; remove limitation on the number of Emergency Medical Responder students trained per year.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 45-11-7, Mississippi Code of 1972, is amended as follows:

45-11-7. (1) There is hereby created a State Fire Academy for the training and education of persons engaged in municipal, county and industrial fire protection. The Commissioner of Insurance shall appoint an Executive Director of the State Fire Academy who, along with his employees, shall be designated as a division of the Insurance Department. The executive director shall serve at the pleasure of the Commissioner of Insurance. The State Fire Academy shall be under the supervision and direction of the Executive Director of the State Fire Academy. State Fire Academy training programs for fire personnel shall be conducted at the academy with seminars to be conducted in other sections of the state as and when the State Fire Academy Advisory Board considers it necessary and advisable.

The Commissioner of Insurance may establish and charge reasonable fees for the training programs and other services provided by the academy. A record of all funds received pursuant to this paragraph shall be maintained as is required for other monies pursuant to Section 45-11-5.

The Executive Director of the State Fire Academy is authorized and empowered to purchase, operate and maintain mobile firefighting equipment as he may find necessary and proper for the operation of the academy subject to approval of the Commissioner of Insurance. The equipment may be utilized wherever training sessions may be held at the discretion of the State Fire Academy Advisory Board.

(2) The Commissioner of Insurance shall be authorized to undertake appropriate action to accomplish and fulfill the purposes of the State Fire Academy, including the hiring of instructors and personnel, the lease and purchase of appropriate training equipment and to lease, purchase or construct suitable premises and quarters for conducting annual school and seminars, as the State Fire Academy Advisory Board may deem necessary and required for such purposes. Any contract entered into under and by virtue of the provisions of this section shall first be submitted to and approved by the Public Procurement Review Board, and construction pursuant to the contract shall be under the supervision of the Governor's Office of General Services.

(3) Vouchers for operating expense for the State Fire Academy shall be signed by the Executive Director of the State Fire Academy and payment thereof shall be made from such funds to be derived from a special allocation from the State Fire Academy Fund as provided in Section 45-11-5.

(4) The State Fire Academy is hereby officially designated as the agency of this state to conduct training for fire personnel on a statewide basis in which members of all duly constituted fire departments may participate. This subsection shall not be construed to affect the authority of any fire department to conduct training for its own personnel.

(5) Each state agency, private agency or federal agency which provides training for the fire service shall coordinate such efforts with the State Fire Academy to prevent duplication of cost and to * * * ensure standardization of training.

(6) The State Fire Academy shall present an appropriate certificate signifying the successful completion of its prescribed courses.

(7) National firefighter standards approved by the Mississippi Fire Personnel Minimum Standards and Certification Board shall be used as the basis for classroom instruction at the fire academy.

(8) The Commissioner of Insurance, Executive Director of the State Fire Academy, and the Mississippi Fire Personnel Minimum Standards and Certification Board shall coordinate all state programs related to fire department operations.

(9) The Commissioner of Insurance is hereby authorized and empowered to establish standard guidelines for the use of, and accountability for, municipal and county fire protection funds distributed pursuant to the provisions of Sections 83-1-37 and 83-1-39, Mississippi Code of 1972. Such guidelines shall include requirements for the establishment of record keeping and reports to the Commissioner of Insurance by municipalities and counties relating to the receipt and expenditure of fire protection funds, the training of fire department personnel and the submission to the Commissioner of Insurance of other data reasonably related to local fire protection responsibilities which the Commissioner of Insurance deems necessary for the performance of the duties of the State Fire Academy Advisory Board.

(10) In order that the Commissioner of Insurance may more effectively execute the duties imposed upon him by subsection (9) of this section, there is hereby created within the State Fire Academy a Division of Fire Services Development. The division shall be staffed by a Fire Services Development Coordinator, appointed by the executive director of the academy from his current staff and by such other personnel as deemed by the Commissioner of Insurance. The division shall work with municipal and county fire coordinators to ensure effective implementation of guidelines established pursuant to subsection (9) of this section and shall serve in an advisory capacity for all aspects of fire service improvement. The Fire Service Coordinator shall annually notify the Department of Finance and Administration of those municipalities and counties which are not eligible to receive a portion of fire protection fund distributions because of failure to comply with requirements imposed in Sections 83-1-37 and 83-1-39 as a prerequisite to receipt of such funds.

(11) There is created in the State Treasury a separate account to be known as the "State Fire Academy Construction Fund." The State Treasurer shall transfer on July 1, 1997, the sum of Six Hundred Seventy-five Thousand Dollars (\$675,000.00) and on July 1, 1998, the sum of Six Hundred Seventy-five Thousand Dollars (\$675,000.00) from the State Fire Academy Fund 3502 into the separate account created in this subsection. Monies in such account shall be expended solely, upon legislative appropriations, to defray expenses related to the construction of capital improvements project known as "Fire Safety and Education Building" and parking areas at the State Fire Academy by the Bureau of Building, Grounds and Real Property Management of the Office of General Services and to pay any indebtedness incurred to accomplish such construction. Funds not used after the completion of this capital improvements project shall be transferred back into State Fund 3502.

(12) From and after July 1, 2016, the expenses of this agency shall be defrayed by appropriation from the State General Fund and all user charges and fees authorized under this section shall be deposited into the State General Fund as authorized by law.

(13) From and after July 1, 2016, no state agency shall charge another state agency a fee, assessment, rent or other charge for services or resources received by authority of this section.

(14) The State Fire Academy is designated as an authorized training program for Emergency Medical Response and Emergency Medical Technician, and is authorized to provide initial and national continued competency program training, including Emergency Medical Responder, Emergency Medical Technician-Basic and Emergency Medical Technician-Advanced. The State Fire Academy shall be limited to a total of one hundred twenty (120) students per year for * * * Emergency Medical Technician-Basic and Emergency Medical Technician-Advanced training; however, no limitation shall apply to the number of Emergency Medical Responder students. The training program established by the State Fire Academy shall meet or exceed the requirements of the most current training program national standard curriculum as developed by the United States Department of Transportation, National Highway Traffic Safety Administration, and shall also meet the minimum testing and certification requirements established by the State Board of Health. Successful graduates of the State Fire Academy Emergency Medical Response and Emergency Medical Technician training shall be eligible for certification by the State Board of Health for the training level achieved, provided that their training meets or exceeds the minimum testing and certification requirements established by the State Board of Health for these respective skills, and such certification may be obtained in coordination with the State Board of Health pursuant to Chapters 59 and 60, Title 41, Mississippi Code of 1972.

(3) The fund hereby created and denominated "Municipal Fire Protection Fund" shall be apportioned and paid over by the Department of Insurance to the incorporated municipalities certified as eligible to participate in the fund by the Commissioner of Insurance, and shall be distributed *** in the following manner annually: each municipality shall be paid Six Thousand Dollars (\$6,000.00), with the remainder of the monies to be paid on a population basis, to be determined by the most recent federal census ***. Municipalities receiving these funds shall earmark such monies for fire protection services.

(***4) The amount paid under subsections (1) and (2) of this section to a municipality shall be used and expended in accordance with the guidelines established by the Commissioner of Insurance authorized by Section 45-11-7, *** for the training of municipal personnel as needed for the adoption of and compliance with the minimum building codes as established and promulgated by the Mississippi Building Codes Council, *** for windstorm mitigation programs as approved by the Commissioner of Insurance, and for emergency medical service training and equipment as provided by municipal fire protection services. A municipality may provide reasonable remuneration to municipal volunteer firefighters in accordance with the guidelines established by the Commissioner of Insurance authorized by Section 45-11-7.

(***5) Each municipality shall levy a tax of not less than one-fourth (1/4) mill on all property of the municipality or appropriate the avails of not less than one-fourth (1/4) mill from the municipality's general fund for fire protection purposes. Each municipality shall annually provide the Commissioner of Insurance and the State Fire Coordinator on a form provided by the State Fire Coordinator a report stating whether the municipality is levied the one-fourth (1/4) mill hereby required or in lieu thereof is allowing such millage to be collected by the county.

(6) The Commissioner of Insurance may promulgate rules and regulations to establish guidelines for the use of fire rebate funds.

SECTION 3. Section 83-1-39, Mississippi Code of 1972, is amended as follows:

83-1-39. (1) The Department of Revenue shall pay over to the State Treasurer, to be credited to a fund entitled "County Volunteer Fire Department Fund," the sum of Four Million Eight Hundred Fifty Thousand Dollars (\$4,850,000.00) annually out of the insurance premium tax in addition to the amount collected by it under the provisions of Section 27-15-103 et seq. Such funds, hereinafter referred to as insurance rebate monies, are hereby earmarked for payment to the various counties of the state and shall be paid over to the counties by the Department of Insurance in the following manner: each county shall be paid Thirty Thousand Dollars (\$30,000.00), with the remainder of the monies to be paid on the basis of the population of each county as it compares to the population of participating counties, not counting residents of any municipality. Such insurance rebate monies shall only be distributed to those counties which are in compliance with subsections (5) and (6) of this section. ***

(2) Using 1990 as a base year, the Department of Revenue shall pay to the State Treasurer, to be credited to the "County Volunteer Fire Department Fund," an amount representing one-half of ten percent (1/2 of 10%) of any growth after 1990 of the insurance premium tax collected annually from the taxes levied on the gross premium on fire insurance policies written on properties in this state, in addition to the amount collected by it under Section 27-15-103 et seq.

(3) Insurance rebate monies shall be expended by the board of supervisors for fire protection purposes of each county for the following categories:

(a) For training expenses, including emergency medical services training;

(b) Purchase of equipment, purchase of fire trucks, repair and refurbishing of fire trucks and firefighting equipment, for emergency medical services equipment, and capital construction anywhere in the county or pledging as security for a period of not more than ten (10) years for such purchases;

(c) Purchase of insurance on county-owned firefighting or emergency medical services equipment;

(d) Fire protection service contracts, including, but not limited to, municipalities, legal fire protection districts, and nonprofit corporations providing or coordinating fire service or emergency medical services in or out of the county;

(e) Appropriations to legal fire protection districts located in counties subject to all restrictions applicable to the use of insurance rebate monies; * * *

(f) Training of any county personnel as needed for the adoption of and compliance with the codes established and promulgated by the Mississippi Building Codes Council or for windstorm mitigation programs as approved by the Commissioner of Insurance * * *;

(g) Any county-owned equipment or other property, at the option of the board of supervisors, may be used by any legally created fire department * * *;

(h) At the option of the board of supervisors, a county may provide reasonable remuneration to volunteer firefighters in accordance with the guidelines established by the Commissioner of Insurance authorized by Section 45-11-7; or

(i) For any use allowed in accordance with the guidelines as established by the Commissioner of Insurance.

(4) Insurance rebate monies not expended in a given fiscal year for fire protection purposes shall be placed in a special fund with a written plan approved by the Commissioner of Insurance for disposition and expenditure of such monies. After the contracts for fire protection services have been approved and accepted by the board of supervisors, the monies shall be released to be expended in such manner as provided by this section.

(5) No county shall receive payments pursuant to this section after July 1, 1988, unless such county:

(a) Designates a county fire service coordinator who is responsible for seeing that standard guidelines established by the Commissioner of Insurance pursuant to Section 45-11-7(9), Mississippi Code of 1972, are followed. The county fire coordinator must demonstrate that he possesses fire-related knowledge and experience;

(b) Designates one (1) member of the sheriff's department to be the county fire investigator and, from and after July 1, 2008, requires the designated member of the sheriff's department to attend the State Fire Academy to be trained in arson investigation; however, in the event of a loss of the county fire investigator due to illness, death, resignation, discharge or other legitimate cause, notice shall be immediately given to the Commissioner of Insurance and the county may continue to receive payments on an interim basis for a period not to exceed one (1) year;

(c) Adheres to the standard guidelines established by the Commissioner of Insurance pursuant to Section 45-11-7(9); and

(d) Counties shall levy a tax of not less than one-fourth (1/4) mill on all property of the county or appropriate avails of not less than one-fourth (1/4) mill from the county's general fund for fire protection purposes. Municipalities making a written declaration to the county that they fund and provide their own fire services shall be exempted from this levy. This levy shall be used for fire protection purposes which include, but are not limited to, contracting with any provider of fire protection services.

(6) (a) No funds shall be paid by the county to any provider of fire protection services except in accordance with a written contract entered into in accordance with guidelines established by the Commissioner of Insurance and properly approved by the board of supervisors and Commissioner of Insurance. No county shall distribute funds to any fire service provider which has not met the reporting requirements required by the Commissioner of Insurance. At such time that a fire protection services provider, particularly a county volunteer fire department, a municipality or a fire protection district, has fulfilled the obligations of the written contract and has met the reporting requirements

provided for in this subsection and the board of supervisors has received the insurance rebate monies, the board of supervisors shall disburse the appropriate amount to the fire protection services provider within a reasonable time, not to exceed six (6) weeks, from the time such requirements are met. Insurance rebate monies used for the purposes of contracting shall be expended by the fire service provider for capital construction, training expenses, purchase of firefighting equipment, including payments on any loans made for the purpose of purchasing firefighting equipment; * * * purchase of insurance for any fire equipment owned or operated by the provider, and for training and equipment of emergency medical services as provided by fire protection services.

(b) If the Commissioner of Insurance believes that a county is using the funds in a manner not consistent with subsections (5) and (6) of this section, the commissioner shall request the State Auditor to conduct an investigation pursuant to Section 7-7-211(e).

(7) The board of supervisors of any county may contribute funds directly to any provider of fire protection services serving such county. Such contributions must be used for fire protection purposes as may be reasonably established by the Commissioner of Insurance.

(8) Any municipal, county or local water association or other utility district supplying water may, upon adoption of a resolution authorizing such action, contribute free of charge to a volunteer fire department or fire protection district serving such local government, political subdivision or utility district such water as is necessary for firefighting or training activities of such volunteer fire department or fire protection district.

(9) The board of supervisors of any county may, in its discretion, grade, gravel, shell and/or maintain real property of a county volunteer fire department, including roads or driveways thereof, as necessary for the effective and safe operation of such county volunteer fire department. Any action taken by the board of supervisors under the authority of this subsection shall be spread upon the minutes of the board of supervisors when the work is authorized.

(10) For the purpose of this section, "fire protection district" means a district organized under Section 19-5-151 et seq., or pursuant to any other code section or by any local and private act authorizing the establishment of a fire protection district, unless the context clearly requires otherwise.

(11) The Commissioner of Insurance may promulgate rules and regulations to establish guidelines for the use of fire rebate funds.

SECTION 4. This act shall take effect and be in force from and after July 1, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2371: Purchasing law; revise threshold for bid requirement and clarify use of reverse auction.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 31-7-13, Mississippi Code of 1972, as amended by Senate Bill No. 2806 and Senate Bill No. 2818, 2022 Regular Session, is amended as follows:

31-7-13. All agencies and governing authorities shall purchase their commodities and printing; contract for garbage collection or disposal; contract for solid waste collection or disposal; contract for sewage collection or disposal; contract for public construction; and contract for rentals as herein provided.

(a) Bidding procedure for purchases not over \$5,000.00. Purchases which do not involve an expenditure of more than Five Thousand Dollars (\$5,000.00), exclusive of freight or shipping charges, may be made without advertising or otherwise requesting competitive bids. However, nothing contained in this paragraph (a) shall be

construed to prohibit any agency or governing authority from establishing procedures which require competitive bids on purchases of Five Thousand Dollars (\$5,000.00) or less.

(b) Bidding procedure for purchases over \$5,000.00 but not over * * * \$75,000.00. Purchases which involve an expenditure of more than Five Thousand Dollars (\$5,000.00) but not more than * * * Seventy-five Thousand Dollars (\$75,000.00), exclusive of freight and shipping charges, may be made from the lowest and best bidder without publishing or posting advertisement for bids, provided at least two (2) competitive written bids have been obtained. Any state agency or community/junior college purchasing commodities or procuring construction pursuant to this paragraph (b) may authorize its purchasing agent, or his designee, to accept the lowest competitive written bid under * * * Seventy-five Thousand Dollars (\$75,000.00). Any governing authority purchasing commodities pursuant to this paragraph (b) may authorize its purchasing agent, or his designee, with regard to governing authorities other than counties, or its purchase clerk, or his designee, with regard to counties, to accept the lowest and best competitive written bid. Such authorization shall be made in writing by the governing authority and shall be maintained on file in the primary office of the agency and recorded in the official minutes of the governing authority, as appropriate. The purchasing agent or the purchase clerk, or his designee, as the case may be, and not the governing authority, shall be liable for any penalties and/or damages as may be imposed by law for any act or omission of the purchasing agent or purchase clerk, or his designee, constituting a violation of law in accepting any bid without approval by the governing authority. The term "competitive written bid" shall mean a bid submitted on a bid form furnished by the buying agency or governing authority and signed by authorized personnel representing the vendor, or a bid submitted on a vendor's letterhead or identifiable bid form and signed by authorized personnel representing the vendor. "Competitive" shall mean that the bids are developed based upon comparable identification of the needs and are developed independently and without knowledge of other bids or prospective bids. Any bid item for construction in excess of Five Thousand Dollars (\$5,000.00) shall be broken down by components to provide detail of component description and pricing. These details shall be submitted with the written bids and become part of the bid evaluation criteria. Bids may be submitted by facsimile, electronic mail or other generally accepted method of information distribution. Bids submitted by electronic transmission shall not require the signature of the vendor's representative unless required by agencies or governing authorities.

(c) Bidding procedure for purchases over * * * \$75,000.00.

(i) Publication requirement.

1. Purchases which involve an expenditure of more than * * * Seventy-five Thousand Dollars (\$75,000.00), exclusive of freight and shipping charges, may be made from the lowest and best bidder after advertising for competitive bids once each week for two (2) consecutive weeks in a regular newspaper published in the county or municipality in which such agency or governing authority is located. However, all American Recovery and Reinvestment Act projects in excess of Twenty-five Thousand Dollars (\$25,000.00) shall be bid. All references to American Recovery and Reinvestment Act projects in this section shall not apply to programs identified in Division B of the American Recovery and Reinvestment Act.

2. Reverse auctions shall be the primary method for receiving bids during the bidding process. If a purchasing entity determines that a reverse auction is not in the best interest of the state, then that determination must be approved by the Public Procurement Review Board. The purchasing entity shall submit a detailed explanation of why a reverse auction would not be in the best interest of the state and present an alternative process to be approved by the Public Procurement Review Board. If the Public Procurement Review Board authorizes the purchasing entity to solicit bids with a method other than reverse auction, then the purchasing entity may designate the other methods by which the bids will be received, including, but not limited to, bids sealed in an envelope, bids received electronically in a secure system, or bids received by any other method that promotes open competition and has been approved by the Office of Purchasing and Travel. However, reverse auction shall not be used for any public contract for design, construction, improvement, repair or remodeling of any public facilities, including the purchase of materials, supplies, equipment or goods for same and including buildings, roads and bridges * * *. The Public Procurement Review Board must

approve any contract entered into by alternative process. The provisions of this item 2 shall not apply to the individual state institutions of higher learning. The provisions of this item 2 requiring reverse auction as the primary method of receiving bids shall not apply to term contract purchases as provided in paragraph (n) of this section; however, a purchasing entity may, in its discretion, utilize reverse auction for such purchases. The provisions of this item 2 shall apply to individual public schools, including public charter schools and public school districts, only when purchasing copyrighted educational supplemental materials and software as a service product. For such purchases, a local school board may authorize a purchasing entity in its jurisdiction to use a Request for Qualifications which promotes open competition and meets the requirements of the Office of Purchasing and Travel.

3. The date as published for the bid opening shall not be less than seven (7) working days after the last published notice; however, if the purchase involves a construction project in which the estimated cost is in excess of * * * Seventy-five Thousand Dollars (\$75,000.00), such bids shall not be opened in less than fifteen (15) working days after the last notice is published and the notice for the purchase of such construction shall be published once each week for two (2) consecutive weeks. However, all American Recovery and Reinvestment Act projects in excess of Twenty-five Thousand Dollars (\$25,000.00) shall be bid. For any projects in excess of Twenty-five Thousand Dollars (\$25,000.00) under the American Recovery and Reinvestment Act, publication shall be made one (1) time and the bid opening for construction projects shall not be less than ten (10) working days after the date of the published notice. The notice of intention to let contracts or purchase equipment shall state the time and place at which bids shall be received, list the contracts to be made or types of equipment or supplies to be purchased, and, if all plans and/or specifications are not published, refer to the plans and/or specifications on file. If there is no newspaper published in the county or municipality, then such notice shall be given by posting same at the courthouse, or for municipalities at the city hall, and at two (2) other public places in the county or municipality, and also by publication once each week for two (2) consecutive weeks in some newspaper having a general circulation in the county or municipality in the above-provided manner. On the same date that the notice is submitted to the newspaper for publication, the agency or governing authority involved shall mail written notice to, or provide electronic notification to the main office of the Mississippi Procurement Technical Assistance Program under the Mississippi Development Authority that contains the same information as that in the published notice. Submissions received by the Mississippi Procurement Technical Assistance Program for projects funded by the American Recovery and Reinvestment Act shall be displayed on a separate and unique Internet web page accessible to the public and maintained by the Mississippi Development Authority for the Mississippi Procurement Technical Assistance Program. Those American Recovery and Reinvestment Act related submissions shall be publicly posted within twenty-four (24) hours of receipt by the Mississippi Development Authority and the bid opening shall not occur until the submission has been posted for ten (10) consecutive days. The Department of Finance and Administration shall maintain information regarding contracts and other expenditures from the American Recovery and Reinvestment Act, on a unique Internet web page accessible to the public. The Department of Finance and Administration shall promulgate rules regarding format, content and deadlines, unless otherwise specified by law, of the posting of award notices, contract execution and subsequent amendments, links to the contract documents, expenditures against the awarded contracts and general expenditures of funds from the American Recovery and Reinvestment Act. Within one (1) working day of the contract award, the agency or governing authority shall post to the designated web page maintained by the Department of Finance and Administration, notice of the award, including the award recipient, the contract amount, and a brief summary of the contract in accordance with rules promulgated by the department. Within one (1) working day of the contract execution, the agency or governing authority shall post to the designated web page maintained by the Department of Finance and Administration a summary of the executed contract and make a copy of the appropriately redacted contract documents available for linking to the designated web page in accordance with the rules promulgated by the department. The information provided by the agency or governing authority shall

be posted to the web page for the duration of the American Recovery and Reinvestment Act funding or until the project is completed, whichever is longer.

(ii) Bidding process amendment procedure. If all plans and/or specifications are published in the notification, then the plans and/or specifications may not be amended. If all plans and/or specifications are not published in the notification, then amendments to the plans/specifications, bid opening date, bid opening time and place may be made, provided that the agency or governing authority maintains a list of all prospective bidders who are known to have received a copy of the bid documents and all such prospective bidders are sent copies of all amendments. This notification of amendments may be made via mail, facsimile, electronic mail or other generally accepted method of information distribution. No addendum to bid specifications may be issued within two (2) working days of the time established for the receipt of bids unless such addendum also amends the bid opening to a date not less than five (5) working days after the date of the addendum.

(iii) Filing requirement. In all cases involving governing authorities, before the notice shall be published or posted, the plans or specifications for the construction or equipment being sought shall be filed with the clerk of the board of the governing authority. In addition to these requirements, a bid file shall be established which shall indicate those vendors to whom such solicitations and specifications were issued, and such file shall also contain such information as is pertinent to the bid.

(iv) Specification restrictions.

1. Specifications pertinent to such bidding shall be written so as not to exclude comparable equipment of domestic manufacture. However, if valid justification is presented, the Department of Finance and Administration or the board of a governing authority may approve a request for specific equipment necessary to perform a specific job. Further, such justification, when placed on the minutes of the board of a governing authority, may serve as authority for that governing authority to write specifications to require a specific item of equipment needed to perform a specific job. In addition to these requirements, from and after July 1, 1990, vendors of relocatable classrooms and the specifications for the purchase of such relocatable classrooms published by local school boards shall meet all pertinent regulations of the State Board of Education, including prior approval of such bid by the State Department of Education.

2. Specifications for construction projects may include an allowance for commodities, equipment, furniture, construction materials or systems in which prospective bidders are instructed to include in their bids specified amounts for such items so long as the allowance items are acquired by the vendor in a commercially reasonable manner and approved by the agency/governing authority. Such acquisitions shall not be made to circumvent the public purchasing laws.

(v) Electronic bids. Agencies and governing authorities shall provide a secure electronic interactive system for the submittal of bids requiring competitive bidding that shall be an additional bidding option for those bidders who choose to submit their bids electronically. The Department of Finance and Administration shall provide, by regulation, the standards that agencies must follow when receiving electronic bids. Agencies and governing authorities shall make the appropriate provisions necessary to accept electronic bids from those bidders who choose to submit their bids electronically for all purchases requiring competitive bidding under this section. Any special condition or requirement for the electronic bid submission shall be specified in the advertisement for bids required by this section. Agencies or governing authorities that are currently without available high speed Internet access shall be exempt from the requirement of this subparagraph (v) until such time that high speed Internet access becomes available. Any county having a population of less than twenty thousand (20,000) shall be exempt from the provisions of this subparagraph (v). Any municipality having a population of less than ten thousand (10,000) shall be exempt from the provisions of this subparagraph (v). The provisions of this subparagraph (v) shall not require any bidder to submit bids electronically. When construction bids are submitted electronically, the requirement for including a certificate of responsibility, or a statement that the bid enclosed does not exceed Fifty Thousand Dollars (\$50,000.00), on the exterior of the bid envelope

as indicated in Section 31-3-21(1) and (2) shall be deemed in compliance with by including same as an attachment with the electronic bid submittal.

(d) Lowest and best bid decision procedure.

(i) Decision procedure. Purchases may be made from the lowest and best bidder. In determining the lowest and best bid, freight and shipping charges shall be included. Life-cycle costing, total cost bids, warranties, guaranteed buy-back provisions and other relevant provisions may be included in the best bid calculation. All best bid procedures for state agencies must be in compliance with regulations established by the Department of Finance and Administration. If any governing authority accepts a bid other than the lowest bid actually submitted, it shall place on its minutes detailed calculations and narrative summary showing that the accepted bid was determined to be the lowest and best bid, including the dollar amount of the accepted bid and the dollar amount of the lowest bid. No agency or governing authority shall accept a bid based on items not included in the specifications.

(ii) Decision procedure for Certified Purchasing Offices. In addition to the decision procedure set forth in subparagraph (i) of this paragraph (d), Certified Purchasing Offices may also use the following procedure: Purchases may be made from the bidder offering the best value. In determining the best value bid, freight and shipping charges shall be included. Life-cycle costing, total cost bids, warranties, guaranteed buy-back provisions, documented previous experience, training costs and other relevant provisions, including, but not limited to, a bidder having a local office and inventory located within the jurisdiction of the governing authority, may be included in the best value calculation. This provision shall authorize Certified Purchasing Offices to utilize a Request For Proposals (RFP) process when purchasing commodities. All best value procedures for state agencies must be in compliance with regulations established by the Department of Finance and Administration. No agency or governing authority shall accept a bid based on items or criteria not included in the specifications.

(iii) Decision procedure for Mississippi Landmarks. In addition to the decision procedure set forth in subparagraph (i) of this paragraph (d), where purchase involves renovation, restoration, or both, of the State Capitol Building or any other historical building designated for at least five (5) years as a Mississippi Landmark by the Board of Trustees of the Department of Archives and History under the authority of Sections 39-7-7 and 39-7-11, the agency or governing authority may use the following procedure: Purchases may be made from the lowest and best prequalified bidder. Prequalification of bidders shall be determined not less than fifteen (15) working days before the first published notice of bid opening. Prequalification criteria shall be limited to bidder's knowledge and experience in historical restoration, preservation and renovation. In determining the lowest and best bid, freight and shipping charges shall be included. Life-cycle costing, total cost bids, warranties, guaranteed buy-back provisions and other relevant provisions may be included in the best bid calculation. All best bid and prequalification procedures for state agencies must be in compliance with regulations established by the Department of Finance and Administration. If any governing authority accepts a bid other than the lowest bid actually submitted, it shall place on its minutes detailed calculations and narrative summary showing that the accepted bid was determined to be the lowest and best bid, including the dollar amount of the accepted bid and the dollar amount of the lowest bid. No agency or governing authority shall accept a bid based on items not included in the specifications.

(iv) Construction project negotiations authority. If the lowest and best bid is not more than ten percent (10%) above the amount of funds allocated for a public construction or renovation project, then the agency or governing authority shall be permitted to negotiate with the lowest bidder in order to enter into a contract for an amount not to exceed the funds allocated.

(e) Lease-purchase authorization. For the purposes of this section, the term "equipment" shall mean equipment, furniture and, if applicable, associated software and other applicable direct costs associated with the acquisition. Any lease-purchase of equipment which an agency is not required to lease-purchase under the master lease-purchase program pursuant to Section 31-7-10 and any lease-purchase of equipment which a governing authority elects to lease-purchase may be acquired by a lease-purchase agreement under this paragraph (e). Lease-purchase financing may also

be obtained from the vendor or from a third-party source after having solicited and obtained at least two (2) written competitive bids, as defined in paragraph (b) of this section, for such financing without advertising for such bids. Solicitation for the bids for financing may occur before or after acceptance of bids for the purchase of such equipment or, where no such bids for purchase are required, at any time before the purchase thereof. No such lease-purchase agreement shall be for an annual rate of interest which is greater than the overall maximum interest rate to maturity on general obligation indebtedness permitted under Section 75-17-101, and the term of such lease-purchase agreement shall not exceed the useful life of equipment covered thereby as determined according to the upper limit of the asset depreciation range (ADR) guidelines for the Class Life Asset Depreciation Range System established by the Internal Revenue Service pursuant to the United States Internal Revenue Code and regulations thereunder as in effect on December 31, 1980, or comparable depreciation guidelines with respect to any equipment not covered by ADR guidelines. Any lease-purchase agreement entered into pursuant to this paragraph (e) may contain any of the terms and conditions which a master lease-purchase agreement may contain under the provisions of Section 31-7-10(5), and shall contain an annual allocation dependency clause substantially similar to that set forth in Section 31-7-10(8). Each agency or governing authority entering into a lease-purchase transaction pursuant to this paragraph (e) shall maintain with respect to each such lease-purchase transaction the same information as required to be maintained by the Department of Finance and Administration pursuant to Section 31-7-10(13). However, nothing contained in this section shall be construed to permit agencies to acquire items of equipment with a total acquisition cost in the aggregate of less than Ten Thousand Dollars (\$10,000.00) by a single lease-purchase transaction. All equipment, and the purchase thereof by any lessor, acquired by lease-purchase under this paragraph and all lease-purchase payments with respect thereto shall be exempt from all Mississippi sales, use and ad valorem taxes. Interest paid on any lease-purchase agreement under this section shall be exempt from State of Mississippi income taxation.

(f) Alternate bid authorization. When necessary to ensure ready availability of commodities for public works and the timely completion of public projects, no more than two (2) alternate bids may be accepted by a governing authority for commodities. No purchases may be made through use of such alternate bids procedure unless the lowest and best bidder cannot deliver the commodities contained in his bid. In that event, purchases of such commodities may be made from one (1) of the bidders whose bid was accepted as an alternate.

(g) Construction contract change authorization. In the event a determination is made by an agency or governing authority after a construction contract is let that changes or modifications to the original contract are necessary or would better serve the purpose of the agency or the governing authority, such agency or governing authority may, in its discretion, order such changes pertaining to the construction that are necessary under the circumstances without the necessity of further public bids; provided that such change shall be made in a commercially reasonable manner and shall not be made to circumvent the public purchasing statutes. In addition to any other authorized person, the architect or engineer hired by an agency or governing authority with respect to any public construction contract shall have the authority, when granted by an agency or governing authority, to authorize changes or modifications to the original contract without the necessity of prior approval of the agency or governing authority when any such change or modification is less than one percent (1%) of the total contract amount. The agency or governing authority may limit the number, manner or frequency of such emergency changes or modifications.

(h) Petroleum purchase alternative. In addition to other methods of purchasing authorized in this chapter, when any agency or governing authority shall have a need for gas, diesel fuel, oils and/or other petroleum products in excess of the amount set forth in paragraph (a) of this section, such agency or governing authority may purchase the commodity after having solicited and obtained at least two (2) competitive written bids, as defined in paragraph (b) of this section. If two (2) competitive written bids are not obtained, the entity shall comply with the procedures set forth in paragraph (c) of this section. In the event any agency or governing authority shall have advertised for bids for the purchase of gas, diesel fuel, oils and other petroleum products and coal and no

acceptable bids can be obtained, such agency or governing authority is authorized and directed to enter into any negotiations necessary to secure the lowest and best contract available for the purchase of such commodities.

(i) Road construction petroleum products price adjustment clause authorization. Any agency or governing authority authorized to enter into contracts for the construction, maintenance, surfacing or repair of highways, roads or streets, may include in its bid proposal and contract documents a price adjustment clause with relation to the cost to the contractor, including taxes, based upon an industry-wide cost index, of petroleum products including asphalt used in the performance or execution of the contract or in the production or manufacture of materials for use in such performance. Such industry-wide index shall be established and published monthly by the Mississippi Department of Transportation with a copy thereof to be mailed, upon request, to the clerks of the governing authority of each municipality and the clerks of each board of supervisors throughout the state. The price adjustment clause shall be based on the cost of such petroleum products only and shall not include any additional profit or overhead as part of the adjustment. The bid proposals or document contract shall contain the basis and methods of adjusting unit prices for the change in the cost of such petroleum products.

(j) State agency emergency purchase procedure. If the governing board or the executive head, or his designees, of any agency of the state shall determine that an emergency exists in regard to the purchase of any commodities or repair contracts, so that the delay incident to giving opportunity for competitive bidding would be detrimental to the interests of the state, then the head of such agency, or his designees, shall file with the Department of Finance and Administration (i) a statement explaining the conditions and circumstances of the emergency, which shall include a detailed description of the events leading up to the situation and the negative impact to the entity if the purchase is made following the statutory requirements set forth in paragraph (a), (b) or (c) of this section, and (ii) a certified copy of the appropriate minutes of the board of such agency requesting the emergency purchase, if applicable. Upon receipt of the statement and applicable board certification, the State Fiscal Officer, or his designees, may, in writing, authorize the purchase or repair without having to comply with competitive bidding requirements.

If the governing board or the executive head, or his designees, of any agency determines that an emergency exists in regard to the purchase of any commodities or repair contracts, so that the delay incident to giving opportunity for competitive bidding would threaten the health or safety of any person, or the preservation or protection of property, then the provisions in this section for competitive bidding shall not apply, and any officer or agent of the agency having general or specific authority for making the purchase or repair contract shall approve the bill presented for payment, and he shall certify in writing from whom the purchase was made, or with whom the repair contract was made.

Total purchases made under this paragraph (j) shall only be for the purpose of meeting needs created by the emergency situation. Following the emergency purchase, documentation of the purchase, including a description of the commodity purchased, the purchase price thereof and the nature of the emergency shall be filed with the Department of Finance and Administration. Any contract awarded pursuant to this paragraph (j) shall not exceed a term of one (1) year.

(k) Governing authority emergency purchase procedure. If the governing authority, or the governing authority acting through its designee, shall determine that an emergency exists in regard to the purchase of any commodities or repair contracts, so that the delay incident to giving opportunity for competitive bidding would be detrimental to the interest of the governing authority, then the provisions herein for competitive bidding shall not apply and any officer or agent of such governing authority having general or special authority therefor in making such purchase or repair shall approve the bill presented therefor, and he shall certify in writing thereon from whom such purchase was made, or with whom such a repair contract was made. At the board meeting

next following the emergency purchase or repair contract, documentation of the purchase or repair contract, including a description of the commodity purchased, the price thereof and the nature of the emergency shall be presented to the board and shall be placed on the minutes of the board of such governing authority. Purchases under the grant program established under Section 37-68-7 in response to COVID-19 and the directive that school districts create a distance learning plan and fulfill technology needs expeditiously shall be deemed an emergency purchase for purposes of this paragraph (k).

(ii) In addition to the authority granted in subparagraph (i) of this paragraph (l), the commissioners or board of trustees is authorized to enter into contracts for the lease of equipment or services, or both, which it considers necessary for the proper care of patients if, in its opinion, it is not financially feasible to purchase the necessary equipment or services. Any such contract for the lease of equipment or services executed by the commissioners or board shall not exceed a maximum of five (5) years' duration and shall include a cancellation clause based on unavailability of funds. If such cancellation clause is exercised, there shall be no further liability on the part of the lessee. Any such contract for the lease of equipment or services executed on behalf of the commissioners or board that complies with the provisions of this subparagraph (ii) shall be excepted from the bid requirements set forth in this section.

Nothing in this section shall permit such purchases through public auction except as provided for in subparagraph (v) of this paragraph (m). It is the intent of this section to allow governmental entities to dispose of and/or purchase commodities from

other governmental entities at a price that is agreed to by both parties. This shall allow for purchases and/or sales at prices which may be determined to be below the market value if the selling entity determines that the sale at below market value is in the best interest of the taxpayers of the state. Governing authorities shall place the terms of the agreement and any justification on the minutes, and state agencies shall obtain approval from the Department of Finance and Administration, prior to releasing or taking possession of the commodities.

Upon receipt of that certification the Department of Finance and Administration or the board of the governing authority, as the case may be, may, in writing, authorize the purchase, which authority shall be noted on the minutes of the body at the next regular meeting thereafter. In those situations, a governing authority is not required to obtain the approval of the Department of Finance and Administration. (u) Procurement of construction services by state institutions of higher learning. Contracts for privately financed construction of auxiliary facilities on the campus of a state institution of higher learning may be awarded by the Board of Trustees of State Institutions of Higher Learning to the lowest and best bidder, where sealed bids are solicited, or to the offeror whose proposal is determined to represent the best value to the citizens of the State of Mississippi, where requests for proposals are solicited.

(v) Insurability of bidders for public construction or other public contracts. In any solicitation for bids to perform public construction or other public contracts to which this section applies, including, but not limited to, contracts for repair and maintenance, for which the contract will require insurance coverage in an amount of not less than One Million Dollars (\$1,000,000.00), bidders shall be permitted to either submit proof of current insurance coverage in the specified amount or demonstrate ability to obtain the required coverage amount of insurance if the contract is awarded to the bidder. Rep. Oliver called up the conference report # 2 on the following bill and moved that it be adopted:

H. B. No. 1408: Sheriffs' salaries; increase.

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1408: Sheriffs' salaries; increase.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 25-3-25, Mississippi Code of 1972, is amended as follows:

25-3-25. (1) Except as otherwise provided in subsections (2) through (9), the salaries of sheriffs of the various counties are fixed as full compensation for their services.

The annual salary for each sheriff shall be based upon the total population of his county according to the latest federal decennial census in the following categories and for the following amounts; however, no sheriff shall be paid less than the salary authorized under this section to be paid the sheriff based upon the population of the county according to the most recent federal decennial census:

(a) For counties with a total population of more than one hundred thousand (100,000), a salary of * * * One Hundred Four Thousand Dollars (\$104,000.00).

(b) For counties with a total population of more than * * * forty-four thousand (44,000) and not more than one hundred thousand (100,000), a salary of * * * Ninety-five Thousand Dollars (\$95,000.00).

(c) For counties with a total population of more than * * * thirty thousand (30,000) and not more than * * * forty-four thousand (44,000), a salary of * * * Ninety Thousand Dollars (\$90,000.00).

(d) For counties with a total population of more than * * * twelve thousand five hundred (12,500) and not more than * * * thirty thousand (30,000), a salary of * * * Eighty-five Thousand Dollars (\$85,000.00).

(e) For counties with a total population of not more than * * * twelve thousand five hundred (12,500), a salary of * * * Eighty Thousand Dollars (\$80,000.00).

(2) In addition to the salary provided for in subsection (1) of this section, the Board of Supervisors of Leflore County, in its discretion, may pay an annual supplement to the sheriff of the county in an amount not to exceed Ten Thousand Dollars (\$10,000.00). The Legislature finds and declares that the annual supplement authorized by this subsection is justified in such county for the following reasons:

(a) The Mississippi Department of Corrections operates and maintains a restitution center within the county;

(b) The Mississippi Department of Corrections operates and maintains a community work center within the county;

(c) There is a resident circuit court judge in the county whose office is located at the Leflore County Courthouse;

(d) There is a resident chancery court judge in the county whose office is located at the Leflore County Courthouse;

(e) The Magistrate for the Fourth Circuit Court District is located in the county and maintains his office at the Leflore County Courthouse;

(f) The Region VI Mental Health-Mental Retardation Center, which serves a multicounty area, calls upon the sheriff to provide security for out-of-town mental patients, as well as patients from within the county;

(g) The increased activity of the Child Support Division of the Department of Human Services in enforcing in the courts parental obligations has imposed additional duties on the sheriff; and

(h) The dispatchers of the enhanced E-911 system in place in Leflore County have been placed under the direction and control of the sheriff.

(3) In addition to the salary provided for in subsection (1) of this section, the Board of Supervisors of Rankin County, in its discretion, may pay an annual supplement to the sheriff of the county in an amount not to exceed Ten Thousand Dollars (\$10,000.00). The Legislature finds and declares that the annual supplement authorized by this subsection is justified in such county for the following reasons:

(a) The Mississippi Department of Corrections operates and maintains the Central Mississippi Correctional Facility within the county;

(b) The State Hospital is operated and maintained within the county at Whitfield;

(c) Hudspeth Regional Center, a facility maintained for the care and treatment of persons with an intellectual disability, is located within the county;

(d) The Mississippi Law Enforcement Officers Training Academy is operated and maintained within the county;

(e) The State Fire Academy is operated and maintained within the county;

(f) The Pearl River Valley Water Supply District, ordinarily known as the "Reservoir District," is located within the county;

(g) The Jackson-Medgar Wiley Evers International Airport is located within the county;

(h) The patrolling of the state properties located within the county has imposed additional duties on the sheriff; and

(i) The sheriff, in addition to providing security to the nearly one hundred thousand (100,000) residents of the county, has the duty to investigate, solve and assist in the prosecution of any misdemeanor or felony committed upon any state property located in Rankin County.

(4) In addition to the salary provided for in subsection (1) of this section, the Board of Supervisors of Neshoba County shall pay an annual supplement to the sheriff of the county an amount equal to Ten Thousand Dollars (\$10,000.00).

(5) In addition to the salary provided for in subsection (1) of this section, the Board of Supervisors of Tunica County, in its discretion, may pay an annual supplement to the sheriff of the county an amount equal to Ten Thousand Dollars (\$10,000.00), payable beginning April 1, 1997.

(6) In addition to the salary provided for in subsection (1) of this section, the Board of Supervisors of Hinds County shall pay an annual supplement to the sheriff of the county in an amount equal to Fifteen Thousand Dollars (\$15,000.00). The Legislature finds and declares that the annual supplement authorized by this subsection is justified in such county for the following reasons:

(a) Hinds County has the greatest population of any county, two hundred fifty-four thousand four hundred forty-one (254,441) by the 1990 census, being almost one hundred thousand (100,000) more than the next most populous county;

(b) Hinds County is home to the State Capitol and the seat of all state government offices;

(c) Hinds County is the third largest county in geographic area, containing eight hundred seventy-five (875) square miles;

(d) Hinds County is comprised of two (2) judicial districts, each having a courthouse and county office buildings;

(e) There are four (4) resident circuit judges, four (4) resident chancery judges, and three (3) resident county judges in Hinds County, the most of any county, with the sheriff acting as chief executive officer and provider of bailiff services for all;

(f) The main offices for the clerk and most of the judges and magistrates for the United States District Court for the Southern District of Mississippi are located within the county;

(g) The state's only urban university, Jackson State University, is located within the county;

(h) The University of Mississippi Medical Center, combining the medical school, dental school, nursing school and hospital, is located within the county;

(i) Mississippi Veterans Memorial Stadium, the state's largest sports arena, is located within the county;

(j) The Mississippi State Fairgrounds, including the Coliseum and Trade Mart, are located within the county;

(k) Hinds County has the largest criminal population in the state, such that the Hinds County Sheriff's Department operates the largest county jail system in the state, housing almost one thousand (1,000) inmates in three (3) separate detention facilities;

(l) The Hinds County Sheriff's Department handles more mental and drug and alcohol commitment cases than any other sheriff's department in the state;

(m) The Mississippi Department of Corrections maintains a restitution center within the county;

(n) The Mississippi Department of Corrections regularly houses as many as one hundred (100) state convicts within the Hinds County jail system; and

(o) The Hinds County Sheriff's Department is regularly asked to provide security services not only at the Fairgrounds and Memorial Stadium, but also for events at the Mississippi Museum of Art and Jackson City Auditorium.

(7) In addition to the salary provided for in subsection (1) of this section, the Board of Supervisors of Wilkinson County, in its discretion, may pay an annual supplement to the sheriff of the county in an amount not to exceed Ten Thousand Dollars (\$10,000.00). The Legislature finds and declares that the annual supplement authorized by this subsection is justified in such county because the Mississippi Department of Corrections contracts for the private incarceration of state inmates at a private correctional facility within the county.

(8) In addition to the salary provided for in subsection (1) of this section, the Board of Supervisors of Marshall County, in its discretion, may pay an annual supplement to the sheriff of the county in an amount not to exceed Ten Thousand Dollars (\$10,000.00). The Legislature finds and declares that the annual supplement authorized by this subsection is justified in such county because the Mississippi Department of Corrections contracts for the private incarceration of state inmates at a private correctional facility within the county.

(9) In addition to the salary provided in subsection (1) of this section, the Board of Supervisors of Greene County, in its discretion, may pay an annual supplement to the sheriff of the county in an amount not to exceed Ten Thousand Dollars (\$10,000.00). The Legislature finds and declares that the annual supplement authorized by this subsection is justified in such county for the following reasons:

(a) The Mississippi Department of Corrections operates and maintains the South Mississippi Correctional Facility within the county;

(b) In 1996, additional facilities to house another one thousand four hundred sixteen (1,416) male offenders were constructed at the South Mississippi Correctional Facility within the county; and

(c) The patrolling of the state properties located within the county has imposed additional duties on the sheriff justifying additional compensation.

(10) In addition to the salary provided in subsection (1) of this section, the board of supervisors of any county, in its discretion, may pay an annual supplement to the sheriff of the county in an amount not to exceed Ten Thousand Dollars (\$10,000.00). The amount of the supplement shall be spread on the minutes of the board. The annual supplement authorized in this subsection shall not be in addition to the annual supplements authorized in subsections (2) through (9).

(11) In addition to the salary provided in subsection (1) and the supplements authorized in subsections (2) through (10), the board of supervisors of any county, in its discretion, may pay an annual supplement in an amount not to exceed Five Thousand Dollars (\$5,000.00) to the sheriff of any county in which a juvenile detention center is located. The amount of the supplement shall be spread on the minutes of the board.

(** *12) (a) The salaries provided in this section shall be payable monthly on the first day of each calendar month by chancery clerk's warrant drawn on the general fund of the county; however, the board of supervisors, by resolution duly adopted and entered on its minutes, may provide that such salaries shall be paid semimonthly on the first and fifteenth day of each month. If a pay date falls on a weekend or legal holiday, salary payments shall be made on the workday immediately preceding the weekend or legal holiday.

(b) At least Ten Dollars (\$10.00) from each fee collected and deposited into the county's general fund under the provisions of paragraphs (a), (c) and (g) of subsection (1) of Section 25-7-19 shall be used for the sheriffs' salaries authorized in Section 25-3-25; as such Ten Dollar (\$10.00) amount was authorized during the 2007 Regular Session in Chapter 331, Laws of 2007, for the purpose of providing additional monies to the counties for sheriffs' salaries.

(** *13) (a) All sheriffs, each year, shall attend twenty (20) hours of continuing education courses in law enforcement. Such courses shall be approved by the Mississippi Board on Law Enforcement Officers Standards and Training. Such education courses may be provided by an accredited law enforcement academy or by the Mississippi Sheriffs' Association.

(b) The Mississippi Board on Law Enforcement Officers Standards and Training shall reimburse each county for the expenses incurred by sheriffs and deputy sheriffs for attendance at any approved training programs as required by this subsection.

SECTION 2. Section 23-15-153, Mississippi Code of 1972, is amended as follows:

23-15-153. (1) At least during the following times, the election commissioners shall meet at the office of the registrar or the office of the election commissioners to carefully revise the county voter roll as electronically maintained by the Statewide Elections Management System and remove from the roll the names of all voters who have requested to be purged from the voter roll, died, received an adjudication of non compos mentis, been convicted of a disenfranchising crime, or otherwise become disqualified as electors for any cause, and shall register the names of all persons who have duly applied to be registered but have been illegally denied registration:

SECTION 8. Section 4, Chapter 87, Laws of 2021, appropriation to the
 Mississippi Department of Mental Health, is amended as follows:

Section 4. Of the funds appropriated under the provisions of Sections 1 and 2
 of this act, the following positions are authorized:

AUTHORIZED POSITIONS:

Permanent:	Full Time	6,351
Part Time	19	
Time-Limited:	Full Time	460
Part Time	9	

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2023 do not exceed Fiscal Year 2022 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2022 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. If the State Personnel Board determines a special situation or circumstance exists and approves an action, then the agency and the State Personnel Board shall provide a monthly report of each action approved by the State Personnel Board to the chairmen of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the chairmen of the Appropriations Committees of the Senate and House of Representatives. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2022 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2022 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be

processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

Funds have been appropriated herein for the purpose of implementation and funding Project SEC2 of the Colonel Guy Groff State Variable Compensation Plan beginning January 1, 2022, and ending June 30, 2022. It shall be the agency's responsibility to make certain that each person, excluding executive directors, agency heads, and elected judges, shall receive no more than a 3% annual increase in salary which shall not exceed the market rate established by the State Personnel Board pursuant to the Colonel Guy Groff State Variable Compensation Plan for each classification.

The Department of Mental Health (DMH) is authorized to grant temporary COVID-19 adjustments to the compensation for employees in the following occupational title: Nurse Licensed Practical I, II and III; Nurse I, II, III and IV; Nurse Manager; Nurse Administrator; Nurse Chief; and for those employees who function as a nurse and are already classified in their new nurse titles as part of Project SEC2. Authority is provided for an increase of up to seventy-five percent (75%) temporary COVID adjustment pay for Fiscal Year 2022.

SECTION 9. Section 71-5-355, Mississippi Code of 1972, is amended as follows:

71-5-355. (1) As used in this section, the following words and phrases shall have the following meanings, unless the context clearly requires otherwise:

(a) "Tax year" means any period beginning on January 1 and ending on December 31 of a year.

(b) "Computation date" means June 30 of any calendar year immediately preceding the tax year during which the particular contribution rates are effective.

(c) "Effective date" means January 1 of the tax year.

(d) Except as hereinafter provided, "payroll" means the total of all wages paid for employment by an employer as defined in Section 71-5-11, subsection H, plus the total of all remuneration paid by such employer excluded from the definition of wages by Section 71-5-351. For the computation of modified rates, "payroll" means the total of all wages paid for employment by an employer as defined in Section 71-5-11, subsection H.

(e) For the computation of modified rates, "eligible employer" means an employer whose experience-rating record has been chargeable with benefits throughout the thirty-six (36) consecutive calendar-month period ending on the computation date, except that any employer who has not been subject to the Mississippi Employment Security Law for a period of time sufficient to meet the thirty-six (36) consecutive calendar-month requirement shall be an eligible employer if his or her experience-rating record has been chargeable throughout not less than the twelve (12) consecutive calendar-month period ending on the computation date. No employer shall be considered eligible for a contribution rate less than five and four-tenths percent (5.4%) with respect to any tax year, who has failed to file any two (2) quarterly reports within the qualifying period by September 30 following the computation date. No employer or employing unit shall be eligible for a contribution rate of less than five and four-tenths percent (5.4%) for the tax year in which the employing unit is found by the department to be in violation of Section 71-5-19(2) or (3) and for the next two (2) succeeding tax years.

No representative of such employing unit who was a party to a violation as described in Section 71-5-19(2) or (3), if such representative was or is an employing unit in this state, shall be eligible for a contribution rate of less than five and four-tenths percent (5.4%) for the tax year in which such violation was detected by the department and for the next two (2) succeeding tax years.

(f) With respect to any tax year, "reserve ratio" means the ratio which the total amount available for the payment of benefits in the Unemployment Compensation Fund, excluding any amount which has been credited to the account of this state under Section 903 of the Social Security Act, as amended, and which has been appropriated for the expenses of administration pursuant to Section 71-5-457 whether or not withdrawn from such account, on October 31 (close of business) of each calendar year bears to the aggregate of the taxable payrolls of all employers for the twelve (12) calendar months ending on June 30 next preceding.

(g) "Modified rates" means the rates of employer unemployment insurance contributions determined under the provisions of this chapter and the rates of newly subject employers, as provided in Section 71-5-353.

(h) For the computation of modified rates, "qualifying period" means a period of not less than the thirty-six (36) consecutive calendar months ending on the computation date throughout which an employer's experience-rating record has been chargeable with benefits; except that with respect to any eligible employer who has not been subject to this article for a period of time sufficient to meet the thirty-six (36) consecutive calendar-month requirement, "qualifying period" means the period ending on the computation date throughout which his or her experience-rating record has been chargeable with benefits, but in no event less than the twelve (12) consecutive calendar-month period ending on the computation date throughout which his or her experience-rating record has been so chargeable.

(i) The "exposure criterion" (EC) is defined as the cash balance of the Unemployment Compensation Fund which is available for the payment of benefits as of November 16 of each calendar year or the next working day if November 16 falls on a holiday or a weekend, divided by the total wages, exclusive of wages paid by all state agencies, all political subdivisions, reimbursable nonprofit corporations, and tax-exempt public service employment, for the twelve-month period ending June 30 immediately preceding such date. The EC shall be computed to four (4) decimal places and rounded up if any fraction remains. Notwithstanding any other provision contained herein, the date for determining the cash balance of the Unemployment Compensation Fund which is available for the payment of benefits for the calendar years 2020 and 2021 shall be December 31.

(j) The "cost rate criterion" (CRC) is defined as follows: Beginning with January 1974, the benefits paid for the twelve-month period ending December 1974 are summed and divided by the total wages for the twelve-month period ending on June 30, 1975. Similar ratios are computed by subtracting the earliest month's benefit payments and adding the benefits of the next month in the sequence and dividing each sum of twelve (12) months' benefits by the total wages for the twelve-month period ending on the June 30 which is nearest to the final month of the period used to compute the numerator. If December is the final month of the period used to compute the numerator, then the twelve-month period ending the following June 30 will be used for the denominator. Benefits and total wages used in the computation of the cost rate criterion shall exclude all benefits and total wages applicable to state agencies, political subdivisions, reimbursable nonprofit corporations, and tax-exempt PSE employment.

The CRC shall be computed as the average for the highest monthly value of the cost rate criterion computations during each of the economic cycles since the calendar year 1974 as defined by the National Bureau of Economic Research. The CRC shall be computed to four (4) decimal places and any remainder shall be rounded up.

The CRC shall be adjusted only through annual computations and additions of future economic cycles.

(k) "Size of fund index" (SOFI) is defined as the ratio of the exposure criterion (EC) to the cost rate criterion (CRC). The target size of fund index will be fixed at 1.0. If the insured unemployment rate (IUR) exceeds a four and five-tenths percent (4.5%) average for the most recent completed July to June period, the target SOFI will be

.8 and will remain at that level until the computed SOFI (the average exposure criterion of the current year and the preceding year divided by the average cost rate criterion) equals 1.0 or the average IUR falls to four and five-tenths percent (4.5%) or less for any period July to June. However, if the IUR falls below two and five-tenths percent (2.5%) for any period July to June the target SOFI shall be 1.2 until such time as the computed SOFI is equal to or greater than 1.0 or the IUR is equal to or greater than two and five-tenths percent (2.5%), at which point the target SOFI shall return to 1.0.

(l) No employer's unemployment contribution general experience rate plus individual unemployment experience rate shall exceed five and four-tenths percent (5.4%). Accrual rules shall apply for purposes of computing contribution rates including associated functions.

(m) The term "general experience rate" has the same meaning as the minimum tax rate.

(2) Modified rates:

(a) For any tax year, when the reserve ratio on the preceding November 16, in the case of any tax year, equals or exceeds three percent (3%), the modified rates, as hereinafter prescribed, shall be in effect. In computation of this reserve ratio, any remainder shall be rounded down.

(b) Modified rates shall be determined for the tax year for each eligible employer on the basis of his or her experience-rating record in the following manner:

(i) The department shall maintain an experience-rating record for each employer. Nothing in this chapter shall be construed to grant any employer or individuals performing services for him or her any prior claim or rights to the amounts paid by the employer into the fund.

(ii) Benefits paid to an eligible individual shall be charged against the experience-rating record of his or her base period employers in the proportion to which the wages paid by each base period employer bears to the total wages paid to the individual by all the base period employers, provided that benefits shall not be charged to an employer's experience-rating record if the department finds that the individual:

1. Voluntarily left the employ of such employer without good cause attributable to the employer or to accept other work;

2. Was discharged by such employer for misconduct connected with his or her work;

3. Refused an offer of suitable work by such employer without good cause, and the department further finds that such benefits are based on wages for employment for such employer prior to such voluntary leaving, discharge or refusal of suitable work, as the case may be;

4. Had base period wages which included wages for previously uncovered services as defined in Section 71-5-511(e) to the extent that the Unemployment Compensation Fund is reimbursed for such benefits pursuant to Section 121 of Public Law 94-566;

5. Extended benefits paid under the provisions of Section 71-5-541 which are not reimbursable from federal funds shall be charged to the experience-rating record of base period employers;

6. Is still working for such employer on a regular part-time basis under the same employment conditions as hired. Provided, however, that benefits shall be charged against an employer if an eligible individual is paid benefits who is still working for such employer on a part-time "as-needed" basis;

7. Was hired to replace a United States serviceman or servicewoman called into active duty and was laid off upon the return to work by that serviceman or servicewoman, unless such employer is a state agency or other political subdivision or instrumentality of the state;

8. Was paid benefits during any week while in training with the approval of the department, under the provisions of Section 71-5-513B, or for any week while in training approved under Section 236(a)(1) of the Trade Act of 1974, under the provisions of Section 71-5-513C;

9. Is not required to serve the one-week waiting period as described in Section 71-5-505(2). In that event, only the benefits paid in lieu of the waiting period week may be noncharged; or

10. Was paid benefits as a result of a fraudulent claim, provided notification was made to the Mississippi Department of Employment Security in writing or by email by the employer, within ten (10) days of the mailing of the notice of claim filed to the employer's last-known address.

(iii) Notwithstanding any other provision contained herein, an employer shall not be noncharged when the department finds that the employer or the employer's agent of record was at fault for failing to respond timely or adequately to the request of the department for information relating to an unemployment claim that was subsequently determined to be improperly paid, unless the employer or the employer's agent of record shows good cause for having failed to respond timely or adequately to the request of the department for information. For purposes of this subparagraph "good cause" means an event that prevents the employer or employer's agent of record from timely responding, and includes a natural disaster, emergency or similar event, or an illness on the part of the employer, the employer's agent of record, or their staff charged with responding to such inquiries when there is no other individual who has the knowledge or ability to respond. Any agency error that resulted in a delay in, or the failure to deliver notice to, the employer or the employer's agent of record shall also be considered good cause for purposes of this subparagraph.

(iv) The department shall compute a benefit ratio for each eligible employer, which shall be the quotient obtained by dividing the total benefits charged to his or her experience-rating record during the period his or her experience-rating record has been chargeable, but not less than the twelve (12) consecutive calendar-month period nor more than the thirty-six (36) consecutive calendar-month period ending on the computation date, by his or her total taxable payroll for the same period on which all unemployment insurance contributions due have been paid on or before the September 30 immediately following the computation date. Such benefit ratio shall be computed to the tenth of a percent (.1%), rounding any remainder to the next higher tenth.

(v) 1. The unemployment insurance contribution rate for each eligible employer shall be the sum of two (2) rates: his or her individual experience rate in the range from zero percent (0%) to five and four-tenths percent (5.4%), plus a general experience rate. In no event shall the resulting unemployment insurance rate be in excess of five and four-tenths percent (5.4%), however, it is the intent of this section to provide the ability for employers to have a tax rate, the general experience rate plus the individual experience rate, of up to five and four-tenths percent (5.4%).

2. The employer's individual experience rate shall be equal to his or her benefit ratio as computed under paragraph (b)(iv) of this subsection (2).

3. The general experience rate shall be determined in the following manner: The department shall determine annually, for the thirty-six (36) consecutive calendar-month period ending on the computation date, the amount of benefits which were not charged to the record of any employer and of benefits which were ineffectively charged to the employer's experience-rating record. For the purposes of this item 3, the term "ineffectively charged benefits" shall include:

a. The total of the amounts of benefits charged to the experience-rating records of all eligible employers which caused their benefit ratios to exceed five and four-tenths percent (5.4%);

b. The total of the amounts of benefits charged to the experience-rating records of all ineligible employers which would cause their benefit ratios to exceed five and four-tenths percent (5.4%) if they were eligible employers; and

c. The total of the amounts of benefits charged or chargeable to the experience-rating record of any employer who has discontinued his or her business or whose coverage has been terminated within such period; provided, that solely for the purposes of determining the amounts of ineffectively charged benefits as herein defined, a "benefit ratio" shall be computed for each ineligible employer, which shall be the quotient obtained by dividing the total benefits charged to

his or her experience-rating record throughout the period ending on the computation date, during which his or her experience-rating record has been chargeable with benefits, by his or her total taxable payroll for the same period on which all unemployment insurance contributions due have been paid on or before the September 30 immediately following the computation date; and provided further, that such benefit ratio shall be computed to the tenth of one percent (.1%) and any remainder shall be rounded to the next higher tenth.

The ratio of the sum of these amounts (subsection (2)(b)(v)3a, b and c) to the taxable wages paid during the same period divided by all eligible employers whose benefit ratio did not exceed five and four-tenths percent (5.4%), computed to the next higher tenth of one percent (.1%), shall be the general experience rate; however, the general experience rate for rate year 2014 shall be two tenths of one percent (.2%) and to that will be added the employer's individual experience rate for the total unemployment insurance rate.

4. a. Except as otherwise provided in this item 4, the general experience rate shall be adjusted by use of the size of fund index factor. This factor may be positive or negative, and shall be determined as follows: From the target SOFI, as defined in subsection (1)(k) of this section, subtract the simple average of the current and preceding years' exposure criteria divided by the cost rate criterion, as defined in subsection (1)(j) of this section. The result is then multiplied by the product of the CRC, as defined in subsection (1)(j) of this section, and total wages for the twelve-month period ending June 30 divided by the taxable wages for the twelve-month period ending June 30. This is the percentage positive or negative added to the general experience rate. The sum of the general experience rate and the trust fund adjustment factor shall be multiplied by fifty percent (50%) and this product shall be computed to one (1) decimal place, and rounded to the next higher tenth.

b. Notwithstanding the minimum rate provisions as set forth in subsection (1)(l) of this section, the general experience rate of all employers shall be reduced by seven one-hundredths of one percent (.07%) for calendar year 2013 only.

5. The general experience rate shall be zero percent (0%) unless the general experience ratio for any tax year as computed and adjusted on the basis of the trust fund adjustment factor and reduced by fifty percent (50%) is an amount equal to or greater than two-tenths of one percent (.2%), then the general experience rate shall be the computed general experience ratio and adjusted on the basis of the trust fund adjustment factor and reduced by fifty percent (50%); however, in no case shall the sum of the general experience plus the individual experience unemployment insurance rate exceed five and four-tenths percent (5.4%). For rate years subsequent to 2014, Mississippi Workforce Enhancement Training contribution rate, and/or State Workforce Investment contribution rate, and/or Mississippi Works contribution rate, when in effect, shall be added to the unemployment contribution rate, regardless of whether the addition of this contribution rate causes the total contribution rate for the employer to exceed five and four-tenths percent (5.4%).

6. The department shall include in its annual rate notice to employers a brief explanation of the elements of the general experience rate, and shall include in its regular publications an annual analysis of benefits not charged to the record of any employer, and of the benefit experience of employers by industry group whose benefit ratio exceeds four percent (4%), and of any other factors which may affect the size of the general experience rate.

7. Notwithstanding any other provision contained herein, the general experience rate for calendar year 2021 shall be zero percent (0%). Charges attributed to each employer's individual experience rate for the period March 8, 2020, through June 30, 2020, will not impact the employer's individual experience rate calculations for purposes of calculating the total unemployment insurance rate for 2021 and the two (2) subsequent tax rate years. Moreover, charges attributed to each employer's individual experience rate for the period July 1, 2020, through December 31, 2020, will not impact the employer's individual experience rate calculations for purposes of calculating the total unemployment insurance rate for 2022 and the two (2) subsequent tax rate years.

(vi) When any employing unit in any manner succeeds to or acquires the organization, trade, business or substantially all the assets thereof of an employer, excepting any assets retained by such employer incident to the liquidation of his or her obligations, whether or not such acquiring employing unit was an employer within the meaning of Section 71-5-11, subsection H, prior to such acquisition, and continues such organization, trade or business, the experience-rating and payroll records of the predecessor employer shall be transferred as of the date of acquisition to the successor employer for the purpose of rate determination.

(vii) When any employing unit succeeds to or acquires a distinct and severable portion of an organization, trade or business, the experience-rating and payroll records of such portion, if separately identifiable, shall be transferred to the successor upon:

1. The mutual consent of the predecessor and the successor;

2. Approval of the department;

3. Continued operation of the transferred portion by the successor after transfer; and

4. The execution and the filing with the department by the predecessor employer of a waiver relinquishing all rights to have the experience-rating and payroll records of the transferred portion used for the purpose of determining modified rates of contribution for such predecessor.

(viii) If the successor was an employer subject to this chapter prior to the date of acquisition, it shall continue to pay unemployment insurance contributions at the rate applicable to it from the date the acquisition occurred until the end of the then current tax year. If the successor was not an employer prior to the date of acquisition, it shall pay unemployment insurance contributions at the rate applicable to the predecessor or, if more than one (1) predecessor and the same rate is applicable to both, the rate applicable to the predecessor or predecessors, from the date the acquisition occurred until the end of the then current tax year. If the successor was not an employer prior to the date the acquisition occurred and simultaneously acquires the businesses of two (2) or more employers to whom different rates of unemployment insurance contributions are applicable, it shall pay unemployment insurance contributions from the date of the acquisition until the end of the current tax year at a rate computed on the basis of the combined experience-rating and payroll records of the predecessors as of the computation date for such tax year. In all cases the rate of unemployment insurance contributions applicable to such successor for each succeeding tax year shall be computed on the basis of the combined experience-rating and payroll records of the successor and the predecessor or predecessors.

(ix) The department shall notify each employer quarterly of the benefits paid and charged to his or her experience-rating record; and such notification, in the absence of an application for redetermination filed within thirty (30) days after the date of such notice, shall be final, conclusive and binding upon the employer for all purposes. A redetermination, made after notice and opportunity for a fair hearing, by a hearing officer designated by the department who shall consider and decide these and related applications and protests; and the finding of fact in connection therewith may be introduced into any subsequent administrative or judicial proceedings involving the determination of the rate of unemployment insurance contributions of any employer for any tax year, and shall be entitled to the same finality as is provided in this subsection with respect to the findings of fact in proceedings to redetermine the contribution rate of an employer.

(x) The department shall notify each employer of his or her rate of contribution as determined for any tax year as soon as reasonably possible after September 1 of the preceding year. Such determination shall be final, conclusive and binding upon such employer unless, within thirty (30) days after the date of such notice to his or her last-known address, the employer files with the department an application for review and redetermination of his or her contribution rate, setting forth his or her reasons therefor. If the department grants such review, the employer shall be promptly notified thereof and shall be afforded an opportunity for a fair hearing by a hearing officer designated by the department who shall consider and decide these and related

applications and protests; but no employer shall be allowed, in any proceeding involving his or her rate of unemployment insurance contributions or contribution liability, to contest the chargeability to his or her account of any benefits paid in accordance with a determination, redetermination or decision pursuant to Sections 71-5-515 through 71-5-533 except upon the ground that the services on the basis of which such benefits were found to be chargeable did not constitute services performed in employment for him or her, and then only in the event that he or she was not a party to such determination, redetermination, decision or to any other proceedings provided in this chapter in which the character of such services was determined. The employer shall be promptly notified of the denial of this application or of the redetermination, both of which shall become final unless, within ten (10) days after the date of notice thereof, there shall be an appeal to the department itself. Any such appeal shall be on the record before said designated hearing officer, and the decision of said department shall become final unless, within thirty (30) days after the date of notice thereof to the employer's last-known address, there shall be an appeal to the Circuit Court of the First Judicial District of Hinds County, Mississippi, in accordance with the provisions of law with respect to review of civil causes by certiorari.

(3) Notwithstanding any other provision of law, the following shall apply regarding assignment of rates and transfers of experience:

(a) (i) If an employer transfers its trade or business, or a portion thereof, to another employer and, at the time of the transfer, there is substantially common ownership, management or control of the two (2) employers, then the unemployment experience attributable to the transferred trade or business shall be transferred to the employer to whom such business is so transferred. The rates of both employers shall be recalculated and made effective on January 1 of the year following the year the transfer occurred.

(ii) If, following a transfer of experience under subparagraph (i) of this paragraph (a), the department determines that a substantial purpose of the transfer of trade or business was to obtain a reduced liability of unemployment insurance contributions, then the experience-rating accounts of the employers involved shall be combined into a single account and a single rate assigned to such account.

(b) Whenever a person who is not an employer or an employing unit under this chapter at the time it acquires the trade or business of an employer, the unemployment experience of the acquired business shall not be transferred to such person if the department finds that such person acquired the business solely or primarily for the purpose of obtaining a lower rate of unemployment insurance contributions. Instead, such person shall be assigned the new employer rate under Section 71-5-353, unless assignment of the new employer rate results in an increase of less than two percent (2%), in which case such person would be assigned the new employer rate plus an additional two percent (2%) penalty for the rate year. In determining whether the business was acquired solely or primarily for the purpose of obtaining a lower rate of unemployment insurance contributions, the department shall use objective factors which may include the cost of acquiring the business, whether the person continued the business enterprise of the acquired business, how long such business enterprise was continued, or whether a substantial number of new employees were hired for performance of duties unrelated to the business activity conducted prior to acquisition.

(c) (i) If a person knowingly violates or attempts to violate paragraph (a) or (b) of this subsection or any other provision of this chapter related to determining the assignment of a contribution rate, or if a person knowingly advises another person in a way that results in a violation of such provision, the person shall be subject to the following penalties:

1. If the person is an employer, then such employer shall be assigned the highest rate assignable under this chapter for the rate year during which such violation or attempted violation occurred and the three (3) rate years immediately following this rate year. However, if the person's business is already at such highest rate for any year, or if the amount of increase in the person's rate would be less than two percent (2%) for such year, then the person's tax rate shall be increased by two percent (2%) for such year. The penalty rate will apply to the successor business

as well as the related entity from which the employees were transferred in an effort to obtain a lower rate of unemployment insurance contributions.

2. If the person is not an employer, such person shall be subject to a civil money penalty of not more than Five Thousand Dollars (\$5,000.00). Each such transaction for which advice was given and each occurrence or reoccurrence after notification being given by the department shall be a separate offense and punishable by a separate penalty. Any such fine shall be deposited in the penalty and interest account established under Section 71-5-114.

(ii) For purposes of this paragraph (c), the term "knowingly" means having actual knowledge of or acting with deliberate ignorance or reckless disregard for the prohibition involved.

(iii) For purposes of this paragraph (c), the term "violates or attempts to violate" includes, but is not limited to, intent to evade, misrepresentation or willful nondisclosure.

(iv) In addition to the penalty imposed by subparagraph (i) of this paragraph (c), any violation of this subsection may be punishable by a fine of not more than Ten Thousand Dollars (\$10,000.00) or by imprisonment for not more than five (5) years, or by both such fine and imprisonment. This subsection shall prohibit prosecution under any other criminal statute of this state.

(d) The department shall establish procedures to identify the transfer or acquisition of a business for purposes of this subsection.

(e) For purposes of this subsection:

(i) "Person" has the meaning given such term by Section 7701(a)(1) of the Internal Revenue Code of 1986; and

(ii) "Employing unit" has the meaning as set forth in Section 71-5-11.

(f) This subsection shall be interpreted and applied in such a manner as to meet the minimum requirements contained in any guidance or regulations issued by the United States Department of Labor.

SECTION 10. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

S. B. No. 2810: State employees; provide the terms and conditions for state employees to engage in telework.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2810: State employees; provide the terms and conditions for state employees to engage in telework.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 25-1-98, Mississippi Code of 1972, is amended as follows:

25-1-98. (1) (a) In addition to any other times required by statute, all state offices shall be open and staffed for the normal conduct of business from 8:00 a.m. until 5:00 p.m., Monday through Friday, except on legal holidays as set forth in Section 3-3-7. The Governor may designate certain state offices and institutions as providers of essential services and require that they be open and staffed on legal holidays. The Board of Directors of the Mississippi Industries for the Blind may, in its discretion, require that its offices and operations be open and staffed on legal holidays. Employees required to work on legal holidays shall earn compensatory leave under the provisions of Section 25-3-92. No employee shall receive additional vacation or sick leave benefits for working on a legal holiday, nor shall this section be construed to authorize any additional compensation as an alternative to the accrual of compensatory leave except as specifically provided for in a legislative appropriation. The provisions of this section shall not be construed to limit the hours of operation of any agency or to abrogate any action taken during hours other than those stated, nor shall these provisions apply to any offices that do not customarily stay open five (5) days a week. The provisions of this section shall not apply to the military department of the State of Mississippi or to the armories, field training sites, air bases or other installations of the Mississippi National Guard.

(b) A workday for a state employee in a full-time employment position shall be eight (8) hours in duration at a minimum exclusive of time off for meals. The appointing authority shall develop work schedules which ensure that each full-time employee works a full workday and shall provide the State Auditor with a copy of the regular work schedule of the appointing authority.

(2) An appointing authority of any state service agency within the meaning of Section 25-9-107 may authorize telework for one or more of its employees in accordance with a telework policy, approved by the State Personnel Board, as provided in subsection (3) of this section.

(3) In order to implement a telework policy for one or more of its employees, an appointing authority shall:

(a) Determine whether or not telework is in the best interest of the agency. In doing so, the appointing authority shall seek guidance from the State Personnel Board in determining what forms of work activities can be effectively and efficiently managed through a telework arrangement;

(b) Establish procedures to protect any information that is privileged or confidential under state or federal law;

(c) Require all teleworking employees to sign a telework agreement that includes their work schedule, provides for supervisory oversight through the review of work product and deliverables on a regular basis, requires the protection of privileged or confidential information that is managed remotely on an agency computer or other devices, establishes protocols for accessibility to coworkers and clients, workplace safety, and any other matters deemed appropriate by the appointing authority; and

(d) Establish work schedules that ensure that some personnel are at the appointing authority's offices to provide direct contact with the public.

(4) For purposes of subsections (2) and (3) of this section, the term "telework" shall mean a work flexibility arrangement under which an employee performs duties, responsibilities, or other authorized activities from an approved worksite other than the location from which the employee would otherwise work.

(5) All agencies that allow employees to telework shall report to the State Personnel Board the names of the employees, their job titles, office schedule and telework schedule, who are performing telework for their agencies. On or before December 31 of each year, the State Personnel Board shall make a report related to the utilization of telework policies to the Chairmen of the House and Senate Appropriations Committees, the Accountability, Efficiency and Transparency Committees, and the Joint Legislative Committee on Performance Evaluation and Expenditure Review.

(6) The State Personnel Board may promulgate rules for the Administration of this section which shall be binding upon state service agencies within the meaning of Section 25-9-107.

(7) Subsections (2) through (6) of this section shall stand repealed on July 1, 2023.

SECTION 2. This act shall take effect and be in force from and after July 1, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 25-1-98, MISSISSIPPI CODE OF 1972, TO PROVIDE THE TERMS AND CONDITIONS FOR ALLOWING STATE EMPLOYEES TO ENGAGE IN TELEWORK; AND FOR RELATED PURPOSES.

Rep. Cockerham called up the conference report # 2 on the following bill and moved that it be adopted:

H. B. No. 770: Mississippi Equal Pay for Equal Work Act; create.

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 770: Mississippi Equal Pay for Equal Work Act; create.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. The provisions of this act shall be known and may be cited as the "Mississippi Equal Pay for Equal Work Act".

SECTION 2. For the purposes of this act, the following words and phrases shall have the meanings as defined in this section unless the context clearly indicates otherwise:

(a) "Employee" means any individual who is employed to work forty (40) or more hours a week and who is employed by an employer, including individuals employed by the state or any of its political subdivisions or instrumentalities of subdivisions.

(b) "Employer" means any person who employs five (5) or more employees.

(c) "Wage" means and includes all compensation paid by an employer or his or her agent for the performance of service by an employee, including the cash value of all compensation paid in any medium other than cash.

(d) "Rate" with reference to wages means the basis of compensation for services by an employee for an employer and includes compensation based on time spent in the performance of such services, on the number of operations accomplished, or on the quality produced or handled.

(e) "Unpaid wages" means the difference between the wages actually paid to an employee and the wages required to be paid to an employee as provided in this act.

(f) "Skill" means and shall be measured by factors such as experience, ability, education and training that are required to perform a job.

(g) "Effort" means the amount of physical or mental exertion needed to perform a job.

(h) "Responsibility" means the degree of accountability required to perform the job.

(i) "Working Conditions" means and includes the following two (2) factors:

(i) The physical surroundings of a job including, but not limited to, temperature, fumes and ventilation; and

(ii) The hazards of the job.

SECTION 3. (1) No employer may pay an employee a wage at a rate less than the rate at which an employee of the opposite sex in the same establishment is paid for equal work on a job, the performance of which requires equal skill, education, effort and responsibility, and which is performed under similar working conditions, except where payment is made pursuant to differential based on:

(a) A seniority system;

(b) A merit system;

(c) A system which measures earnings by quantity or quality of production; or

(d) Any other factor other than sex. "Any other factor other than sex" shall include, but not be limited to, the following factors:

(i) The salary history or continuity of employment history demonstrated by the employee as compared to employees of the opposite sex in the same establishment;

(ii) The extent to which there was competition with other employers for the employee's services as compared to employees of the opposite sex in the same establishment; and

(iii) The extent to which the employee attempted to negotiate for higher wages as compared to employees of the opposite sex in the same establishment.

(2) (a) The provisions of this act may be enforced by private action in a civil suit in the circuit court in the county in Mississippi where the cause of action occurred pursuant to the Mississippi Rules of Civil Procedure.

(b) If an employer is found to have violated the provisions of subsection (1) of this section, the employee shall be awarded reasonable attorney's fees, prejudgment interest, back pay and costs of the action.

(3) An employer who is paying a wage differential in violation of this act shall not, in order to comply with this act, reduce the wage rate of any employee.

(4) No employer may discharge, discriminate or in any way retaliate against any employee by reason of any action taken by the employee to invoke or assist in any manner the enforcement of this act.

SECTION 4. (1) A civil action brought under this act may be commenced no later than two (2) years from the day the employee knew or should have known his or her employer was in violation of this act.

(2) If an employee brings a claim under the Equal Pay Act of 1963, a separate action may not be maintained under this act. If an employee brings a claim under this act, then later initiates a claim under the Equal Pay Act of 1963, the action brought under this act shall be dismissed with prejudice. An employee who seeks relief under this act must first waive any right to relief under the Equal Pay Act of 1963.

(3) (a) For any action under this act, published precedents of the United States Supreme Court, the United States Court of Appeals for the Fifth Circuit and federal district courts embracing the circuit court in which any action under this act is pending, deciding cases under the Equal Pay Act of 1963, after which this act is patterned, shall be considered mandatory authority and shall be followed by the circuit court in which the action is pending, until there is a contrary ruling interpreting this act by the Mississippi Supreme Court or the Mississippi Court of Appeals.

(b) If any section, paragraph, sentence, clause, phrase or any part of this act passed is declared to be unconstitutional or void, or if for any reason is declared to be invalid or of no effect, the remaining sections, paragraphs, sentences, clauses, phrases

or parts thereof shall be in no manner affected thereby but shall remain in full force and effect.

SECTION 5. This act shall take effect and be in force from and after July 1, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO CREATE THE MISSISSIPPI EQUAL PAY ACT; TO PROVIDE DEFINITIONS FOR "EMPLOYEE", "EMPLOYER", "WAGE", "RATE", AND "UNPAID WAGES"; TO PROVIDE THAT NO EMPLOYER SHALL PAY AN EMPLOYEE A WAGE AT A RATE LESS THAN THE RATE AT WHICH AN EMPLOYEE OF THE OPPOSITE SEX IN THE SAME ESTABLISHMENT IS PAID FOR EQUAL WORK ON A JOB, THE PERFORMANCE OF WHICH REQUIRES EQUAL SKILL, EFFORT AND RESPONSIBILITY, AND WHICH IS PERFORMED UNDER SIMILAR WORKING CONDITIONS; TO PROVIDE REMEDIES; TO PROVIDE THE TIME IN WHICH A CIVIL ACTION MUST BE FILED; AND FOR RELATED PURPOSES.

On motion of Rep. Gibbs (72nd) unanimous consent was granted to insert the following into the Journal:

The passage of the Equal Pay Bill in the Mississippi legislature on its face appear to be a victory for women-but was it really?

Mississippi is the last State in the nation to pass an equal pay law. However, Advocates feel it is inconsistent, and narrowly scoped according to the trend in state and federal law.

The bill spells out "other factors" that could be considered by employers which could be used to justify a pay gap, rather than leaving the interpretation open to the courts.

It's argued these factors would contribute to a wage gap, and then codified into law.

I favor a Mississippi Equal Pay for Equal Work Act which would not have factors to justify a pay gap.

Rep. McCarty called up the conference report on the following bill and moved that it be adopted:

H. B. No. 881: University-based programs of education for children with developmental disabilities; revise certain provisions.

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 881: University-based programs of education for children with developmental disabilities; revise certain provisions.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 37-23-31, Mississippi Code of 1972, is amended as follows:

37-23-31. (1) (a) When five (5) or more children under twenty-one (21) years of age who, because of *** significant developmental disabilities, complex communication needs, significant language or learning deficits or any combination of either, are unable to have their educational needs met appropriately in a regular or special education public school program *** within their local public school districts, a state-supported university or college shall be authorized and empowered, in its discretion, to provide a program of education, instruction and training to such children, provided that such program shall operate under rules, regulations, policies and standards adopted by the State Department of Education, as provided for in Section 37-23-33. The opinion of a parent or guardian in regard to the provision of an appropriate special education program in or by their respective local public school district shall be considered before a placement decision is finalized. Parents of students enrolled in a local education agency (LEA) shall have any and all rights as provided in the Individuals with Disabilities Education Act, including, but not limited to, the right to equal participation in their child's Individualized Education Program (IEP), the right to require review of their child's IEP, and the right to appeal an IEP Committee decision immediately. The parent or guardian or local educational agency shall have the right to audio record the proceedings of individualized education program team meetings. The parent or guardian or local educational agency shall notify the members of the individualized education program team of his, her, or its intent to audio record a meeting at least twenty-four (24) hours prior to the meeting.

(b) Instructors, including speech-language pathologists, educational audiologists and special and early childhood educators are qualified and empowered to serve as the lead teacher for children enrolled within the state-supported university's or college's university-based program (UBP) through the IDEA-Part C and IDEA-Part B eligibility and placement process upon completing instructional licensure requirements for the purposes of funding MAEP special education teacher units.

(c) Due to the significance of the needs of the children served through the UBP, general education setting requirements may not be applicable as the least restrictive environment. Students enrolled in a UBP by a LEA shall meet all state educational requirements, including participation in statewide assessments. Justification for placement decisions is determined in conjunction with the LEA through each child's IEP for ages three (3) to twenty-one (21). The UBP shall submit to the local education agency and the parents of the student in the program a progress report each semester on

all IEP goals and objectives. The UBP and local education agency shall confer annually to develop the IEP for each student enrolled in the UBP.

(2) Any state-supported university or college conducting a full-time medical teaching program acceptable to the State Board of Education may, at its discretion, enter into such contracts or agreements with any private school or nonprofit corporation-supported institution, the Mississippi School for the Deaf, or any state-supported institution, providing the special education contemplated by this section for such services, provided the private school or institution offering such services shall have conducted a program of such services at standards acceptable to the State Department of Education for a period of at least one (1) year prior to the date at which the university or college proposes to enter into an agreement or contract for special educational services as described above.

SECTION 2. Section 37-23-33, Mississippi Code of 1972, is amended as follows:

37-23-33. (1) Such program of education, instruction and training as is provided for in Section 37-23-31 shall be furnished in such manner as shall be provided by rules and regulations adopted by the State Board of Education, which for such purposes shall have the full power to adopt such rules, regulations, policies and standards as it may deem necessary to carry out the purpose of Sections 37-23-31 through 37-23-35, including the establishment of qualifications * * * consistent with the requirements of subsection (2) of this section for any teachers employed under the provisions thereof. It is expressly provided, however, that no program of education, instruction and training shall be furnished except in a university or college supported by the State of Mississippi and only in cases where such university or college shall consent thereto and shall provide any classroom space, furniture and facilities which may be deemed necessary in carrying out the provisions of those sections.

(2) Speech-language pathologists, educational audiologists, and special and early childhood educators are qualified and authorized to serve as the lead teacher for children enrolled in a university or college-based program through the IDEA-Part C and IDEA-Part B eligibility and placement process. Whenever communication is a primary area of concern on a child's Individualized Family Service Plan (IFSP) or Individualized Education Program (IEP), a speech-language pathologist or educational audiologist may serve as the lead instructor with an educator serving as a related service provider as necessary to meet the educational needs of the child. Speech-language pathologists and educational audiologists must undergo extensive college coursework in communication-based disorders impacting multiple areas of development, including cognition. The content of the college coursework must include typical and atypical development for ages birth through death. In addition to completing the college coursework, these instructional providers must meet all instructional licensure requirements as set forth by the State Department of Education for the purpose of funding MAEP special education teacher units.

(3) The State Department of Education through its general supervision responsibilities set forth by the Office of Special Education Programs at the United States Department of Education, shall require that the program of education, instruction and training be designed to provide individualized appropriate special education and related services that enable a child to reach his or her appropriate and uniquely designed goals for success.

(4) A university- or college-based program must submit all reports and data required by the State Department of Education on the same or similar time schedule and in the same or similar manner that same or similar reports and data must be submitted to the department by local educational agencies.

SECTION 3. Section 37-23-35, Mississippi Code of 1972, is amended as follows:

37-23-35. (1) When any children who are residents of the State of Mississippi and qualify under the provisions of Section 37-23-31, * * * are provided a program of education, instruction and training within a school under the provisions of * * * Section 37-23-31, the State Department of Education shall allocate one (1) teacher unit for each approved class. The allocation of funds for each teacher unit shall be based on the teacher's certification and shall be in accordance with * * * Section 37-19-7. The

department shall complete provisional teacher unit approval for university or college-based programs at the same time teacher units are approved for local educational agencies. The university or college shall be eligible for state and federal funds for such programs * * * in accordance with IDEA. The university or college shall be responsible for providing for the additional costs of the program.

(2) IDEA-Part B and preschool allocations for each LEA shall be determined and calculated by the State Department of Education with notification provided to the UBP of the total amount of funds being distributed to the LEA. The LEA and UBP shall enter into a collaborative agreement that describes the services provided and the funds required for such services.

(3) State funds for transportation, extended school year and teacher unit allocations, including National Board Certification/Speech-Language Pathology Supplements, shall be distributed by the State Department of Education directly to the state-supported university or college for students placed either through the Individualized Education Program (IEP) process or who are parentally placed. The university based program (UBP) shall submit this information directly to the State Department of Education.

SECTION 4. This act shall take effect and be in force from and after July 1, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 37-23-31, MISSISSIPPI CODE OF 1972, TO AUTHORIZE STUDENTS WITH SIGNIFICANT DEVELOPMENTAL DISABILITIES, COMPLEX COMMUNICATION NEEDS, SIGNIFICANT LANGUAGE OR LEARNING DEFICITS, WHO ARE UNABLE TO SUFFICIENTLY HAVE THEIR EDUCATIONAL NEEDS MET WITHIN THEIR PUBLIC SCHOOL'S REGULAR OR SPECIAL EDUCATION PROGRAM, TO RECEIVE EDUCATIONAL INSTRUCTION, TRAINING AND SPECIAL EDUCATION SERVICES FROM A STATE-SUPPORTED UNIVERSITY OR COLLEGE AUTHORIZED BY THE STATE DEPARTMENT OF EDUCATION TO PROVIDE SUCH INSTRUCTION AND TRAINING; TO AUTHORIZE QUALIFIED INSTRUCTORS WHO HOLD THE APPROPRIATE LICENSURE ENDORSEMENTS TO SERVE AS THE LEAD TEACHER FOR CHILDREN ENROLLED WITHIN THE UNIVERSITY BASED PROGRAM (UBP) THROUGH THE IDEA-PART C AND IDEA-PART B ELIGIBILITY AND PLACEMENT PROCESS; TO PROVIDE THAT THE JUSTIFICATION FOR THE PLACEMENT OF EXCEPTIONAL STUDENTS AGES 3 TO 21 IS DETERMINED IN CONJUNCTION WITH THE LOCAL EDUCATION AGENCY THROUGH THE STUDENT'S IEP; TO AMEND SECTION 37-23-33, MISSISSIPPI CODE OF 1972, TO AUTHORIZE SPEECH-LANGUAGE PATHOLOGISTS, EDUCATIONAL AUDIOLOGISTS AND SPECIAL AND EARLY CHILDHOOD EDUCATORS WHO MEET CERTAIN QUALIFICATIONS TO SERVE AS A LEAD TEACHER IN A UNIVERSITY-BASED PROGRAM; TO REQUIRE UNIVERSITY-BASED PROGRAMS TO SUBMIT REPORTS TO THE STATE DEPARTMENT OF EDUCATION AT THE SAME TIME THAT SUCH REPORTS ARE SUBMITTED BY LOCAL EDUCATION AGENCIES; TO AMEND SECTION 37-23-35, MISSISSIPPI CODE OF 1972, TO REQUIRE IDEA-PART B AND PRESCHOOL ALLOCATIONS FOR EACH LOCAL EDUCATION AGENCY TO BE CALCULATED BY THE STATE DEPARTMENT OF EDUCATION; TO REQUIRE A COLLABORATIVE AGREEMENT BETWEEN THE LOCAL EDUCATION AGENCY AND THE UBP; TO REQUIRE THE DEPARTMENT TO DISTRIBUTE ALL NECESSARY STATE FUNDS DIRECTLY TO THE STATE-SUPPORTED UNIVERSITY OR COLLEGE; AND FOR RELATED PURPOSES.

S. B. No. 2887: School Boards; allow to purchase electric vehicles for student transportation.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2887: School Boards; allow to purchase electric vehicles for student transportation.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 37-41-81, Mississippi Code of 1972, is amended as follows:

37-41-81. The local school boards of this state are hereby authorized and empowered to purchase, own and operate, under such rules and regulations as may be prescribed by the State Board of Education, motor vehicles, electric vehicles and other equipment for the transportation of children to and from the public schools of the respective counties and school districts, and to provide for the servicing, repair, care and maintenance of such county or district-owned motor vehicles and to employ drivers for the operation thereof, and to establish, erect and equip school bus shops or garages, and purchase land therefor, all under such rules and regulations as may be prescribed by the State Board of Education.

SECTION 2. Section 37-41-83, Mississippi Code of 1972, is brought forward as follows:

37-41-83. The school boards are authorized and empowered to expend the necessary amounts from the available transportation funds of the school district for the purchase of such transportation equipment, the servicing, repair and maintenance thereof and for the payment of the salaries of persons employed to drive or operate such transportation equipment, and to establish, erect and equip school bus shops or garages, and purchase land therefor.

SECTION 3. Section 37-41-85, Mississippi Code of 1972, is brought forward as follows:

37-41-85. No school board shall purchase any school bus or pupil transportation service vehicle as authorized by Section 37-41-81 except in the manner

prescribed in Section 37-41-101. No school bus shall be purchased or otherwise acquired which does not conform to the specifications provided by the State Board of Education.

SECTION 4. Section 37-41-101, Mississippi Code of 1972, is brought forward as follows:

37-41-101. (1) The State Board of Education is hereby authorized, empowered and directed to advertise for and receive sealed bids and proposals for sale of school bus bodies and school buses sold as complete units to the school boards of school districts in this state. The State Board of Education shall approve persons, firms, corporations or associations authorized to sell school bus bodies and school buses sold as complete units, and shall establish prices relative thereto based upon the lowest and best bids, which school districts may not exceed in purchasing such equipment. In determining the lowest and best bids received for such equipment, there shall be included as part of the total cost thereof any transportation or freight charges which will be incurred. The State Board of Education may permit all such bidders to sell said equipment provided that the bidders agree to sell the equipment at prices established based upon the lowest and best bid and in compliance with rules and regulations relative thereto promulgated by the state board. Persons, firms, corporations or associations permitted to sell school bus bodies and school buses sold as complete units shall be limited to those actually submitting bids for consideration by the State Board of Education. The State Board of Education shall reserve the right to reject any and all bids submitted.

(2) School boards may purchase school bus bodies and school buses sold as complete units without additional advertisement for bids, provided that the prices for such equipment do not exceed the maximum allowable prices established under the provisions of subsection (1) of this section, and that said purchases are in compliance with the conditions specified therein. All such purchases shall be subject to the approval of the State Department of Education, which shall verify compliance with the applicable specifications, rules and regulations promulgated by the State Board of Education.

(3) In addition to the method of purchasing authorized under this section, school boards are hereby authorized to advertise for and accept the lowest and best bid received for the purchase of school bus chassis and/or pupil transportation service vehicles. Provided, however, that local school governing boards may purchase school bus chassis and/or pupil transportation service vehicles from any motor vehicle dealer domiciled within the county of such governing board, whose bid does not exceed a sum equal to three percent (3%) greater than the price or cost which the dealer pays the manufacturer, as evidenced by the factory invoice for such vehicles. In the event said county does not have an authorized motor vehicle dealer, said board may, in like manner, receive and accept bids from motor vehicle dealers in any adjoining county. No purchase of school bus chassis or service vehicles under the provisions of this subsection shall be valid unless the purchase is made according to statutory bidding and licensing requirements. All purchases under provisions of this subsection shall be subject to the approval of the State Department of Education, which shall verify compliance with the applicable specifications, rules and regulations promulgated by the State Board of Education.

(4) Upon application to and approval by the State Department of Education, school governing boards are hereby authorized to purchase used school buses and used pupil transportation service vehicles, provided that said vehicles meet applicable specifications and the purchase price does not exceed their fair market value. Said fair market value shall be determined by an appraisal by three (3) experienced and impartial citizens, the selection of whom shall be mutually agreed upon by the parties thereto. Said appraisers may be subject to approval by the State Department of Education. Maximum regard for pupil safety and adequate protection of health shall be primary requirements which shall be observed by local school governing boards in purchasing used school buses. The State Department of Education may inspect or have inspected any used school bus prior to purchase to determine whether said bus meets requirements of law and regulations of the state board.

(5) In the event the school board shall have determined that school buses or pupil transportation service vehicles are no longer needed for the transportation of pupils in such school district, such equipment may be sold to another school district without the necessity of advertising for bids. The school district proposing to sell the buses or service

vehicles and the school district proposing to purchase such equipment shall agree upon a fair and reasonable price therefor. The agreement shall be spread upon the minutes of the boards of the respective school districts and shall be subject to the prior approval of the State Department of Education, which shall verify compliance with applicable specifications, rules and regulations of the State Board of Education.

SECTION 5. This act shall take effect and be in force from and after July 1, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 37-41-81, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT SCHOOL BOARDS MAY PURCHASE, OWN AND OPERATE ELECTRIC VEHICLES FOR THE TRANSPORTATION OF CHILDREN TO AND FROM PUBLIC SCHOOLS; TO BRING FORWARD SECTIONS 37-41-83, 37-41-85 AND 37-41-101, MISSISSIPPI CODE OF 1972, WHICH ALLOW FOR THE PURCHASE OF SCHOOL TRANSPORTATION VEHICLES AND EQUIPMENT, FOR THE PURPOSE OF POSSIBLE AMENDMENT; AND FOR RELATED PURPOSES.

H. B. No. 1108: Taxation; authorize income tax credit for certain railroad expenditures, allow ad valorem tax exemption for certain property.

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1108: Income tax; authorize credit for certain railroad reconstruction/replacement expenditures.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) The following words and phrases shall have the meanings as defined in this section unless the context clearly indicates otherwise:

(a) "Eligible taxpayer" means any railroad that is classified by the United States Surface Transportation Board as a Class II or Class III railroad.

(b) "Eligible transferee" means any taxpayer having a liability for taxes under this chapter.

(c) "Qualified railroad reconstruction or replacement expenditures" means gross expenditures for maintenance, reconstruction or replacement of railroad infrastructure, including track, roadbed, bridges, industrial leads and sidings, and track-related structures owned or leased by a Class II or Class III railroad in Mississippi as of January 1, 2022.

(d) "Qualified new rail infrastructure expenditures" means gross expenditures for new construction of industrial leads, switches, spurs and sidings and extensions of existing sidings, for serving new customer locations or expansions in Mississippi, by a Class II or Class III railroad located in Mississippi.

(2) Subject to the provisions of this section, an eligible taxpayer making qualified railroad reconstruction or replacement expenditures shall be allowed a credit against the taxes imposed under this chapter. The credit shall be for an amount equal to the lesser of fifty percent (50%) of an eligible taxpayer's qualified railroad reconstruction or replacement expenditures for the taxable year or the product of Five Thousand Dollars (\$5,000.00) multiplied by the number of miles of railroad track owned or leased within the State of Mississippi by the eligible taxpayer as of the close of the taxable year. For qualified new rail infrastructure expenditures, the credit shall be for an amount equal to the lesser of fifty percent (50%) of an eligible taxpayer's qualified new rail infrastructure expenditures for the taxable year, capped at One Million Dollars (\$1,000,000.00) per new rail-served customer project. However, the tax credit shall not exceed the amount of tax imposed upon the taxpayer for the taxable year reduced by the sum of all other credits allowable to the taxpayer under this chapter, except credit for tax payments made by or on behalf of the taxpayer. Any tax credit claimed under this section but not used in any taxable year may be carried forward for five (5) consecutive years from the close of the taxable year in which the credit was earned. The aggregate amount of credits that may be claimed by all taxpayers claiming a credit under this section during a calendar year shall not exceed Eight Million Dollars (\$8,000,000.00). In addition, an eligible taxpayer may transfer by written agreement any unused tax credit to an eligible transferee at any

time during the year in which the credit is earned and the five (5) years following the taxable year in which the qualified railroad reconstruction or replacement expenditures or the qualified new rail infrastructure expenditures are made. The eligible taxpayer and the eligible transferee must jointly file a copy of the written transfer agreement with the Department of Revenue within thirty (30) days of the transfer. The written agreement must contain the: (a) name, address, and taxpayer identification number of the parties to the transfer; (b) taxable year the eligible taxpayer incurred the qualified railroad reconstruction or replacement expenditures or the qualified new rail infrastructure expenditures; (c) amount of credit being transferred; and (d) taxable year or years for which the credit may be claimed by the eligible transferee.

This section shall stand repealed on January 1, 2024.

SECTION 2. Section 27-31-104, Mississippi Code of 1972, as amended by Senate Bill No. 2095, 2022 Regular Session, is amended as follows:

[Through June 30, * * * 2025, this section shall read as follows:]

27-31-104. (1) (a) County boards of supervisors and municipal authorities are each hereby authorized and empowered to enter into an agreement with an enterprise granting, and pursuant to such agreement grant a fee-in-lieu of ad valorem taxes, including ad valorem taxes levied for school purposes, for the following:

(i) Projects totaling over Sixty Million Dollars (\$60,000,000.00) by any new enterprises enumerated in Section 27-31-101;

(ii) Projects by a private company (as such term is defined in Section 57-61-5) having a minimum capital investment of Sixty Million Dollars (\$60,000,000.00);

(iii) Projects by a qualified business (as such term is defined in Section 57-117-3) meeting minimum criteria established by the Mississippi Development Authority;

(iv) Projects, in addition to those projects referenced in Section 27-31-105, totaling over Sixty Million Dollars (\$60,000,000.00) by an existing enterprise that has been doing business in the county or municipality for twenty-four (24) months. For purposes of this subparagraph (iv), the term "existing enterprise" includes those enterprises enumerated in Section 27-31-101; or

(v) A private company (as such term is defined in Section 57-61-5) having a minimum capital investment of One Hundred Million Dollars (\$100,000,000.00) from any source or combination of sources, provided that a majority of the capital investment is from private sources, when such project is located within a geographic area for which a Presidential Disaster Declaration was issued on or after January 1, 2014.

County boards of supervisors and municipal authorities may not enter into an agreement with an enterprise that is a medical cannabis establishment, as defined in the Mississippi Medical Cannabis Act, granting, and pursuant to such agreement grant a fee-in-lieu of ad valorem taxes.

(b) A fee-in-lieu of ad valorem taxes granted in accordance with this section may include any or all tangible property, real or personal, including any leasehold interests therein but excluding automobiles and trucks operating on and over the highways of the State of Mississippi, used in connection with, or necessary to, the operation of any enterprise, private company or business described in paragraph (a) of this subsection (1), as applicable, whether or not such property is owned, leased, subleased, licensed or otherwise obtained by such enterprise, private company or business, as applicable, irrespective of the taxpayer to which any such leased property is assessed for ad valorem tax purposes. If a fee-in-lieu of ad valorem taxes is granted pursuant to this section with respect to any leasehold interest under a lease, sublease or license of tangible property used in connection with, or necessary to, the operation of an enterprise, private company or business described in paragraph (a) of this subsection (1), as applicable, the corresponding ownership interest of the owner, lessor and sublessor of such tangible property shall similarly and automatically be exempt and subject to the fee-in-lieu granted in accordance herewith without any action being required to be taken by such owner, lessor or sublessor.

(2) A county board of supervisors may enter into a fee-in-lieu agreement on behalf of the county and any county school district, and a municipality may enter into such

a fee-in-lieu agreement on behalf of the municipality and any municipal school district located in the municipality; however, if the project is located outside the limits of a municipality but within the boundaries of the municipal school district, then the county board of supervisors may enter into such a fee-in-lieu agreement on behalf of the school district granting a fee-in-lieu of ad valorem taxes for school district purposes.

(3) Any grant of a fee-in-lieu of ad valorem taxes shall be evidenced by a written agreement negotiated by the enterprise and the county board of supervisors and/or municipal authority, as the case may be, and given final approval by the Mississippi Development Authority as satisfying the requirements of this section.

(4) The minimum sum allowable as a fee-in-lieu shall not be less than one-third (1/3), or one-tenth (1/10) if the project is also a project eligible for an ad valorem tax exemption under Section 27-31-46 and a fee-in-lieu agreement is entered into before July 1, 2023, of the ad valorem levy, including ad valorem taxes for school district purposes, and except as otherwise provided, the sum allowed shall be apportioned between the county or municipality, as appropriate, and the school districts in such amounts as may be determined by the county board of supervisors or municipal governing authority, as the case may be, however, except as otherwise provided in this section, from the sum allowed the apportionment to school districts shall not be less than the school districts' pro rata share based upon the proportion that the millage imposed for the school districts by the appropriate levying authority bears to the millage imposed by such levying authority for all other county or municipal purposes. Any fee-in-lieu agreement entered into under this section shall become a binding obligation of the parties to the agreement, be effective upon its execution by the parties and approval by the Mississippi Development Authority and, except as otherwise provided in Section 17-25-23 or Section 57-75-33, or any other provision of law, continue in effect for a period not to exceed thirty (30) years commencing on the date that the fee-in-lieu granted thereunder begins in accordance with the agreement; however, no particular parcel of land, real property improvement or item of personal property shall be subject to a fee-in-lieu for a duration of more than ten (10) years. Any such agreement shall be binding, according to its terms, on future boards of supervisors of the county and/or governing authorities of a municipality, as the case may be, for the duration of the agreement.

(5) The fee-in-lieu may be a stated fraction or percentage of the ad valorem taxes otherwise payable or a stated dollar amount. If the fee is a fraction or percentage of the ad valorem tax levy, it shall be annually computed on all ad valorem taxes otherwise payable, including school taxes, as the same may vary from year to year based upon changes in the millage rate or assessed value and shall not be less than one-third (1/3) of that amount or one-tenth (1/10) of that amount if the project is also a project eligible for an ad valorem tax exemption under Section 27-31-46 and a fee-in-lieu agreement is entered into before July 1, 2023. If the fee is a stated dollar amount, said amount shall be the higher of the sum provided for fixed payment or (a) one-third (1/3) of the total of all ad valorem taxes otherwise payable as annually determined during each year of the fee-in-lieu or (b) if the project is also a project eligible for an ad valorem tax exemption under Section 27-31-46 and a fee-in-lieu agreement is entered into before July 1, 2023, one-tenth (1/10) of the total of all ad valorem taxes otherwise payable as annually determined during each year of the fee-in-lieu.

(6) Notwithstanding Section 27-31-111, the parties to a fee-in-lieu may agree on terms and conditions providing for the reduction, suspension, termination or reinstatement of a fee-in-lieu agreement or any fee-in-lieu period granted thereunder upon the cessation of operations by project for twelve (12) or more consecutive months or due to other conditions set forth in the agreement.

(7) For a project as defined in Section 57-75-5(f)(xxi) and located in a county that is a member of a regional economic development alliance created under Section 57-64-1 et seq., the members of the regional economic development alliance may divide the sum allowed as a fee-in-lieu in a manner as determined by the alliance agreement, and the boards of supervisors of the member counties may then apportion the sum allowed between school district purposes and all other county purposes.

(8) For a project as defined in Section 57-75-5(f)(xxvi), the board of supervisors of the county in which the project is located may negotiate with the school district in which the project is located and apportion to the school district an amount of the fee-in-lieu that

is agreed upon in the negotiations different than the amount provided for in subsection (3) of this section.

(9) For a project as defined in Section 57-75-5(f)(xxviii), the annual amount of the fee-in-lieu apportioned to the county shall not be less than the amount necessary to pay the debt service on bonds issued by the county pursuant to Section 57-75-37(3)(c).

(10) Any fee-in-lieu of ad valorem taxes granted under this section before March 28, 2019, and consistent herewith, is hereby ratified, approved and confirmed.

[From and after July 1, * * * 2025, this section shall read as follows:]

27-31-104. (1) (a) County boards of supervisors and municipal authorities are each hereby authorized and empowered to enter into an agreement with an enterprise granting, and pursuant to such agreement grant a fee-in-lieu of ad valorem taxes, including ad valorem taxes levied for school purposes, for the following:

(i) Projects totaling over Sixty Million Dollars (\$60,000,000.00) by any new enterprises enumerated in Section 27-31-101;

(ii) Projects by a private company (as such term is defined in Section 57-61-5, Mississippi Code of 1972) having a minimum capital investment of Sixty Million Dollars (\$60,000,000.00);

(iii) Projects, in addition to those projects referenced in Section 27-31-105, totaling over Sixty Million Dollars (\$60,000,000.00) by an existing enterprise that has been doing business in the county or municipality for twenty-four (24) months. For purposes of this subparagraph (iii), the term "existing enterprise" includes those enterprises enumerated in Section 27-31-101; or

(iv) A private company (as such term is defined in Section 57-61-5) having a minimum capital investment of One Hundred Million Dollars (\$100,000,000.00) from any source or combination of sources, provided that a majority of the capital investment is from private sources, when such project is located within a geographic area for which a Presidential Disaster Declaration was issued on or after January 1, 2014.

County boards of supervisors and municipal authorities may not enter into an agreement with an enterprise that is a medical cannabis establishment, as defined in the Mississippi Medical Cannabis Act, granting, and pursuant to such agreement grant a fee-in-lieu of ad valorem taxes.

(b) A fee-in-lieu of ad valorem taxes granted in accordance with this section may include any or all tangible property, real or personal, including any leasehold interests therein but excluding automobiles and trucks operating on and over the highways of the State of Mississippi, used in connection with, or necessary to, the operation of any enterprise, private company or business described in paragraph (a) of this subsection (1), as applicable, whether or not such property is owned, leased, subleased, licensed or otherwise obtained by such enterprise, private company or business, as applicable, irrespective of the taxpayer to which any such leased property is assessed for ad valorem tax purposes. If a fee-in-lieu of ad valorem taxes is granted pursuant to this section with respect to any leasehold interest under a lease, sublease or license of tangible property used in connection with, or necessary to, the operation of an enterprise, private company or business described in paragraph (a) of this subsection (1), as applicable, the corresponding ownership interest of the owner, lessor and sublessor of such tangible property shall similarly and automatically be exempt and subject to the fee-in-lieu granted in accordance herewith without any action being required to be taken by such owner, lessor or sublessor.

(2) A county board of supervisors may enter into a fee-in-lieu agreement on behalf of the county and any county school district, and a municipality may enter into such a fee-in-lieu agreement on behalf of the municipality and any municipal school district located in the municipality; however, if the project is located outside the limits of a municipality but within the boundaries of the municipal school district, then the county board of supervisors may enter into such a fee-in-lieu agreement on behalf of the school district granting a fee-in-lieu of ad valorem taxes for school district purposes.

(3) Any grant of a fee-in-lieu of ad valorem taxes shall be evidenced by a written agreement negotiated by the enterprise and the county board of supervisors and/or municipal authority, as the case may be, and given final approval by the Mississippi Development Authority as satisfying the requirements of this section.

(4) The minimum sum allowable as a fee-in-lieu shall not be less than one-third (1/3), or one-tenth (1/10) if the project is also a project eligible for an ad valorem tax exemption under Section 27-31-46 and a fee-in-lieu agreement is entered into before July 1, 2023, of the ad valorem levy, including ad valorem taxes for school district purposes, and except as otherwise provided, the sum allowed shall be apportioned between the county or municipality, as appropriate, and the school districts in such amounts as may be determined by the county board of supervisors or municipal governing authority, as the case may be, however, except as otherwise provided in this section, from the sum allowed the apportionment to school districts shall not be less than the school districts' pro rata share based upon the proportion that the millage imposed for the school districts by the appropriate levying authority bears to the millage imposed by such levying authority for all other county or municipal purposes. Any fee-in-lieu agreement entered into under this section shall become a binding obligation of the parties to the agreement, be effective upon its execution by the parties and approval by the Mississippi Development Authority and, except as otherwise provided in Section 17-25-23 or Section 57-75-33, or any other provision of law, continue in effect for a period not to exceed thirty (30) years commencing on the date that the fee-in-lieu granted thereunder begins in accordance with the agreement; however, no particular parcel of land, real property improvement or item of personal property shall be subject to a fee-in-lieu for a duration of more than ten (10) years. Any such agreement shall be binding, according to its terms, on future boards of supervisors of the county and/or governing authorities of a municipality, as the case may be, for the duration of the agreement.

(5) The fee-in-lieu may be a stated fraction or percentage of the ad valorem taxes otherwise payable or a stated dollar amount. If the fee is a fraction or percentage of the ad valorem tax levy, it shall be annually computed on all ad valorem taxes otherwise payable, including school taxes, as the same may vary from year to year based upon changes in the millage rate or assessed value and shall not be less than one-third (1/3) of that amount or one-tenth (1/10) of that amount if the project is also a project eligible for an ad valorem tax exemption under Section 27-31-46 and a fee-in-lieu agreement is entered into before July 1, 2023. If the fee is a stated dollar amount, said amount shall be the higher of the sum provided for fixed payment or (a) one-third (1/3) of the total of all ad valorem taxes otherwise payable as annually determined during each year of the fee-in-lieu or (b) if the project is also a project eligible for an ad valorem tax exemption under Section 27-31-46 and a fee-in-lieu agreement is entered into before July 1, 2023, one-tenth (1/10) of the total of all ad valorem taxes otherwise payable as annually determined during each year of the fee-in-lieu.

(6) Notwithstanding Section 27-31-111, the parties to a fee-in-lieu may agree on terms and conditions providing for the reduction, suspension, termination or reinstatement of a fee-in-lieu agreement or any fee-in-lieu period granted thereunder upon the cessation of operations by project for twelve (12) or more consecutive months or due to other conditions set forth in the agreement.

(7) For a project as defined in Section 57-75-5(f)(xxi) and located in a county that is a member of a regional economic development alliance created under Section 57-64-1 et seq., the members of the regional economic development alliance may divide the sum allowed as a fee-in-lieu in a manner as determined by the alliance agreement, and the boards of supervisors of the member counties may then apportion the sum allowed between school district purposes and all other county purposes.

(8) For a project as defined in Section 57-75-5(f)(xxvi), the board of supervisors of the county in which the project is located may negotiate with the school district in which the project is located and apportion to the school district an amount of the fee-in-lieu that is agreed upon in the negotiations different than the amount provided for in subsection (3) of this section.

(9) For a project as defined in Section 57-75-5(f)(xxviii), the annual amount of the fee-in-lieu apportioned to the county shall not be less than the amount necessary to pay the annual debt service on bonds issued by the county pursuant to Section 57-75-37(3)(c).

(10) Any fee-in-lieu of ad valorem taxes granted under this section before March 28, 2019, and consistent herewith, is hereby ratified, approved and confirmed.

SECTION 3. A project that is eligible for an ad valorem tax exemption under Section 27-31-46, and for which initial construction begins on or after July 1, 2022, but not later than December 31, 2024, may be allowed an exemption from ad valorem taxation as provided in this section. For such a project, one-half (1/2) of the true value of property of the project that is subject to a fee-in-lieu of ad valorem taxes pursuant to an agreement under Section 27-31-104 may be exempted by a county board of supervisors and/or municipal governing authorities from ad valorem taxation for a period of ten (10) years from and after the date of the expiration of such fee-in-lieu of ad valorem taxes. Any exemption from ad valorem taxation allowed under this section must be authorized by a county board of supervisors and/or municipal governing authorities before July 1, 2023.

SECTION 4. (1) The board of supervisors of a county and/or the governing authorities of a municipality may provide partial ad valorem tax exemptions on land used for nonresidential purposes that is converted to a residential use as provided in this section.

(2) For nonresidential use property that is converted to residential use, the board of supervisors of a county and/or the governing authorities of a municipality may exempt the assessed value of the property in an amount equal to the difference between the assessed value of the property for residential use and the assessed value of the property for nonresidential use. The exemption authorized to be granted under this section shall end at such time as the property is occupied by a homeowner; however, if the property consists of a number of parcels upon which residences are being constructed, the exemption shall continue for each parcel until the residence constructed upon the parcel is occupied by a homeowner.

(3) Any request for an exemption under this section shall be in writing and contain such information about the property for which the exemption is being requested as the board of supervisors of the county or the governing authorities of the municipality may require. The granting of the exemption shall be recorded in the minutes of the board of supervisors of the county and the governing authorities of the municipality.

SECTION 5. Section 1 of this act shall be codified as a new section in Chapter 7, Title 27, Mississippi Code of 1972. Sections 3 and 4 of this act shall be codified as new sections in Chapter 31, Title 27, Mississippi Code of 1972.

SECTION 6. Nothing in this act shall affect or defeat any claim, assessment, appeal, suit, right or cause of action for taxes due or accrued under the income tax laws or ad valorem tax laws before the date on which this act becomes effective, whether such claims, assessments, appeals, suits or actions have been begun before the date on which this act becomes effective or are begun thereafter; and the provisions of the income tax laws and ad valorem tax laws are expressly continued in full force, effect and operation for the purpose of the assessment, collection and enrollment of liens for any taxes due or accrued and the execution of any warrant under such laws before the date on which this act becomes effective, and for the imposition of any penalties, forfeitures or claims for failure to comply with such laws.

SECTION 7. Section 1 of this act shall take effect and be in force from and after January 1, 2022, and the remaining sections of this act shall take effect and be in force from and after July 1, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AUTHORIZE AN INCOME TAX CREDIT FOR CERTAIN RAILROAD RECONSTRUCTION OR REPLACEMENT EXPENDITURES AND FOR CERTAIN NEW RAIL INFRASTRUCTURE EXPENDITURES MADE BY CLASS II AND CLASS III RAILROADS; TO DEFINE CERTAIN TERMS FOR THE PURPOSES OF THIS ACT; TO PROVIDE THE AMOUNT OF THE TAX CREDIT; TO PROVIDE THAT ANY UNUSED PORTION OF THE TAX CREDIT MAY BE CARRIED FORWARD; TO PROVIDE THAT ANY UNUSED PORTION OF THE TAX CREDIT MAY BE TRANSFERRED TO ANOTHER TAXPAYER; TO AMEND SECTION 27-31-104, MISSISSIPPI CODE OF 1972, AS AMENDED BY SENATE BILL NO. 2095, 2022 REGULAR SESSION, WHICH AUTHORIZES COUNTY BOARDS OF SUPERVISORS AND MUNICIPAL GOVERNING AUTHORITIES TO ENTER INTO AGREEMENTS WITH CERTAIN ENTERPRISES GRANTING A FEE-IN-LIEU OF AD VALOREM TAXES, TO

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1685: Pregnancy Resource Act; create.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) This section shall be known and may be cited as the "Pregnancy Resource Act."

(2) For the purposes of this section, the following words and phrases shall have the meanings ascribed in this section unless the context clearly indicates otherwise:

(a) "Department" means the Department of Revenue.

(b) "Eligible charitable organization" means an organization that is exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code and is a pregnancy resource center or crisis pregnancy center eligible to receive funding disbursed by the Choose Life Advisory Committee under Section 27-19-56.70, 27-19-56.277 and/or 27-19-56.412.

(3) (a) The tax credit authorized in this section shall be available only to a taxpayer who is a business enterprise engaged in commercial, industrial or professional activities and operating as a corporation, limited liability company, partnership or sole proprietorship. Except as otherwise provided in this section, a credit is allowed against the taxes imposed by Sections 27-7-5, 27-15-103, 27-15-109 and 27-15-123, for voluntary cash contributions made by a taxpayer during the taxable year to an eligible charitable organization. For a taxpayer that is not operating as a corporation, a credit is also allowed against ad valorem taxes assessed and levied on real property for voluntary cash contributions made by the taxpayer during the taxable year to an eligible charitable organization. The amount of credit that may be utilized by a taxpayer in a taxable year shall be limited to (i) an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for the taxes imposed by such sections of law and (ii) an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for ad valorem taxes assessed and levied on real property. Any tax credit claimed under this section but not used in any taxable year may be carried forward for five (5) consecutive years from the close of the tax year in which the credits were earned.

(b) A contribution for which a credit is claimed under this section may not be used as a deduction by the taxpayer for state income tax purposes.

(4) Taxpayers taking a credit authorized by this section shall provide the name of the eligible charitable organization and the amount of the contribution to the department on forms provided by the department.

(5) An eligible charitable organization shall provide the department with a written certification that it meets all criteria to be considered an eligible charitable organization. The organization shall also notify the department of any changes that may affect eligibility under this section.

(6) The eligible charitable organization's written certification must be signed by an officer of the organization under penalty of perjury. The written certification shall include the following:

(a) Verification of the organization's status under Section 501(c)(3) of the Internal Revenue Code;

(b) A statement that the organization does not provide, pay for or provide coverage of abortions and does not financially support any other entity that provides, pays for or provides coverage of abortions;

(c) Any other information that the department requires to administer this section.

(7) The department shall review each written certification and determine whether the organization meets all the criteria to be considered an eligible charitable organization and notify the organization of its determination. The department may also periodically request recertification from the organization. The department shall compile and make available to the public a list of eligible charitable organizations.

(8) Tax credits authorized by this section that are earned by a partnership, limited liability company, S corporation or other similar pass-through entity, shall be allocated among all partners, members or shareholders, respectively, either in proportion to their ownership interest in such entity or as the partners, members or shareholders mutually agree as provided in an executed document.

(9) (a) A taxpayer shall apply for credits with the department on forms prescribed by the department. In the application the taxpayer shall certify to the department the dollar amount of the contributions made or to be made during the calendar year. Within thirty (30) days after the receipt of an application, the department shall allocate credits based on the dollar amount of contributions as certified in the application. However, if the department cannot allocate the full amount of credits certified in the application due to the limit on the aggregate amount of credits that may be awarded under this section in a calendar year, the department shall so notify the applicant within thirty (30) days with the amount of credits, if any, that may be allocated to the applicant in the calendar year. Once the department has allocated credits to a taxpayer, if the contribution for which a credit is allocated has not been made as of the date of the allocation, then the contribution must be made not later than sixty (60) days from the date of the allocation. If the contribution is not made within such time period, the allocation shall be cancelled and returned to the department for reallocation. Upon final documentation of the contributions, if the actual dollar amount of the contributions is lower than the amount estimated, the department shall adjust the tax credit allowed under this section.

(b) For the purposes of using a tax credit against ad valorem taxes assessed and levied on real property, a taxpayer shall present to the appropriate tax collector the tax credit documentation provided to the taxpayer by the Department of Revenue, and the tax collector shall apply the tax credit against such ad valorem taxes. The tax collector shall forward the tax credit documentation to the Department of Revenue along with the amount of the tax credit applied against ad valorem taxes, and the department shall disburse funds to the tax collector for the amount of the tax credit applied against ad valorem taxes. Such payments by the Department of Revenue shall be made from current tax collections.

(10) The aggregate amount of tax credits that may be allocated by the department under this section during a calendar year shall not exceed Three Million Five Hundred Thousand Dollars (\$3,500,000.00). For credits allocated during a calendar year for contributions to eligible charitable organizations, no more than fifty percent (50%) of such credits may be allocated for contributions to a single eligible charitable organization.

SECTION 2. Section 27-7-22.41, Mississippi Code of 1972, is amended as follows:

27-7-22.41. (1) For the purposes of this section, the following words and phrases shall have the meanings ascribed in this section unless the context clearly indicates otherwise:

(a) "Department" means the Department of Revenue.

(b) "Eligible charitable organization" means an organization that is exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code and is:

(i) Licensed by or under contract with the Mississippi Department of Child Protection Services and provides services for:

1. The prevention and diversion of children from custody with the Department of Child Protection Services,
2. The safety, care and well-being of children in custody with the Department of Child Protection Services, or
3. The express purpose of creating permanency for children through adoption; or

(ii) Certified by the department as an educational services charitable organization that is accredited by a regional accrediting organization and provides services to:

1. Children in a foster care placement program established by the Department of Child Protection Services, children placed under the Safe Families for Children model, or children at significant risk of entering a

foster care placement program established by the Department of Child Protection Services,

2. Children who have a chronic illness or physical, intellectual, developmental or emotional disability, or

3. Children eligible for free or reduced price meals programs under Section 37-11-7, or selected for participation in the Promise Neighborhoods Program sponsored by the U.S. Department of Education.

(2) (a) The tax credit authorized in this section shall be available only to a taxpayer who is a business enterprise engaged in commercial, industrial or professional activities and operating as a corporation, limited liability company, partnership or sole proprietorship. Except as otherwise provided in this section, a credit is allowed against the taxes imposed by Sections 27-7-5, 27-15-103, 27-15-109 and 27-15-123, for voluntary cash contributions made by a taxpayer during the taxable year to an eligible charitable organization. From and after January 1, 2022, for a taxpayer that is not operating as a corporation, a credit is also allowed against ad valorem taxes assessed and levied on real property for voluntary cash contributions made by the taxpayer during the taxable year to an eligible charitable organization. The amount of credit that may be utilized by a taxpayer in a taxable year shall be limited to (i) an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for the taxes imposed by such sections of law and (ii) an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for ad valorem taxes assessed and levied on real property. Any tax credit claimed under this section but not used in any taxable year may be carried forward for five (5) consecutive years from the close of the tax year in which the credits were earned.

(b) A contribution to an eligible charitable organization for which a credit is claimed under this section does not qualify for and shall not be included in any credit that may be claimed under Section 27-7-22.39.

(c) A contribution for which a credit is claimed under this section may not be used as a deduction by the taxpayer for state income tax purposes.

(3) Taxpayers taking a credit authorized by this section shall provide the name of the eligible charitable organization and the amount of the contribution to the department on forms provided by the department.

(4) An eligible charitable organization shall provide the department with a written certification that it meets all criteria to be considered an eligible charitable organization. An eligible charitable organization must also provide the department with written documented proof of its license and/or written contract with the Mississippi Department of Child Protection Services. The organization shall also notify the department of any changes that may affect eligibility under this section.

(5) The eligible charitable organization's written certification must be signed by an officer of the organization under penalty of perjury. The written certification shall include the following:

(a) Verification of the organization's status under Section 501(c)(3) of the Internal Revenue Code;

(b) A statement that the organization does not provide, pay for or provide coverage of abortions and does not financially support any other entity that provides, pays for or provides coverage of abortions;

(c) A statement that the funds generated from the tax credit shall be used for educational resources, staff and expenditures and/or other purposes described in this section.

(**d) Any other information that the department requires to administer this section.

(6) The department shall review each written certification and determine whether the organization meets all the criteria to be considered an eligible charitable organization and notify the organization of its determination. The department may also periodically request recertification from the organization. The department shall compile and make available to the public a list of eligible charitable organizations.

(7) Tax credits authorized by this section that are earned by a partnership, limited liability company, S corporation or other similar pass-through entity, shall be allocated among all partners, members or shareholders, respectively, either in proportion

to their ownership interest in such entity or as the partners, members or shareholders mutually agree as provided in an executed document.

(8) (a) A taxpayer shall apply for credits with the department on forms prescribed by the department. In the application the taxpayer shall certify to the department the dollar amount of the contributions made or to be made during the calendar year. Within thirty (30) days after the receipt of an application, the department shall allocate credits based on the dollar amount of contributions as certified in the application. However, if the department cannot allocate the full amount of credits certified in the application due to the limit on the aggregate amount of credits that may be awarded under this section in a calendar year, the department shall so notify the applicant within thirty (30) days with the amount of credits, if any, that may be allocated to the applicant in the calendar year. Once the department has allocated credits to a taxpayer, if the contribution for which a credit is allocated has not been made as of the date of the allocation, then the contribution must be made not later than sixty (60) days from the date of the allocation. If the contribution is not made within such time period, the allocation shall be cancelled and returned to the department for reallocation. Upon final documentation of the contributions, if the actual dollar amount of the contributions is lower than the amount estimated, the department shall adjust the tax credit allowed under this section.

(b) A taxpayer who applied for a tax credit under this section during calendar year 2020, but who was unable to be awarded the credit due to the limit on the aggregate amount of credits authorized for calendar year 2020, shall be given priority for tax credits authorized to be allocated to taxpayers under this section by Section 27-7-22.39.

(c) For the purposes of using a tax credit against ad valorem taxes assessed and levied on real property, a taxpayer shall present to the appropriate tax collector the tax credit documentation provided to the taxpayer by the Department of Revenue, and the tax collector shall apply the tax credit against such ad valorem taxes. The tax collector shall forward the tax credit documentation to the Department of Revenue along with the amount of the tax credit applied against ad valorem taxes, and the department shall disburse funds to the tax collector for the amount of the tax credit applied against ad valorem taxes. Such payments by the Department of Revenue shall be made from current tax collections.

(9) The aggregate amount of tax credits that may be allocated by the department under this section during a calendar year shall not exceed Five Million Dollars (\$5,000,000.00), and not more than fifty percent (50%) of tax credits allocated during a calendar year may be allocated for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section. However, for calendar year 2021, the aggregate amount of tax credits that may be allocated by the department under this section during a calendar year shall not exceed Ten Million Dollars (\$10,000,000.00), for calendar year 2022, * * * the aggregate amount of tax credits that may be allocated by the department under this section during a calendar year shall not exceed Sixteen Million Dollars (\$16,000,000.00) , and for calendar year 2023, and for each calendar year thereafter, the aggregate amount of tax credits that may be allocated by the department under this section during a calendar year shall not exceed Eighteen Million Dollars (\$18,000,000.00). For calendar year 2021, and for each calendar year thereafter, fifty percent (50%) of the tax credits allocated during a calendar year shall be allocated for contributions to eligible charitable organizations described in subsection (1)(b)(i) of this section and fifty percent (50%) of the tax credits allocated during a calendar year shall be allocated for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section. * * * For calendar year 2021, and for each calendar year thereafter, for credits allocated during a calendar year for contributions to eligible charitable organizations described in subsection (1)(b)(i) of this section, no more than twenty-five percent (25%) of such credits may be allocated for contributions to a single eligible charitable organization. Except as otherwise provided in this section, for calendar year 2021, and for each calendar year thereafter, for credits allocated during a calendar year for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section, no more than * * * four and one-half percent (4-1/2%) of such credits may be allocated for contributions to a single eligible charitable organization. * * *

(g) Depletion. In the case of mines, oil and gas wells, other natural deposits and timber, a reasonable allowance for depletion and for depreciation of improvements, based upon cost, including cost of development, not otherwise deducted, or fair market value as of March 16, 1912, if acquired prior to that date, such allowance to be made upon regulations prescribed by the commissioner, with the approval of the Governor.

A net operating loss for any taxable year ending after December 31, 2001, and taxable years thereafter, shall be a net operating loss carryback to each of the two (2) taxable years preceding the taxable year of the loss. (q) Contributions to ABLE trust fund accounts. Contributions or payments to a Mississippi Achieving a Better Life Experience (ABLE) Program account are deductible as provided under Section 43-28-13.

(2) Restrictions on the deductibility of certain intangible expenses and interest expenses with a related member.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) This section shall be known and may be cited as the "State Representative Bill Kinkade Fostering Access and Inspiring True Hope (FAITH) Scholarship Program."

(2) As used in this section, the following terms shall have the meaning ascribed in this subsection, unless context of use clearly requires otherwise:

(a) "Approved postsecondary educational institution" means any public state-supported institution of higher learning, community or junior college, or any not-for-profit private institution of higher learning in the state. The term does not include proprietary colleges or universities.

(b) "Board" means the Mississippi Postsecondary Education Financial Assistance Board established in Section 37-106-9, which is authorized and empowered to administer the provisions of Title 37, Chapter 106, Mississippi Code of 1972.

(c) "Director" means the individual designated by the Board of Trustees of State Institutions of Higher Learning to administer the provisions of the various financial assistance programs by promulgating the necessary rules and regulations for their effective administration.

(d) "Department" means the Mississippi Department of Child Protection Services.

(e) "Eligible student" means:

(i) Any individual who is younger than twenty-five (25) years of age who was placed in the legal custody of the Mississippi Department of Child Protection Services by a youth court or through other legal means and who was in the legal custody of the department at any time on or after attaining thirteen (13) years of age;

(ii) Any individual who is younger than twenty-five (25) years of age who was placed in a qualified residential child care agency by a parent, legal guardian, court of competent jurisdiction, or other person or entity acting in the best interest of the individual and who did reside in a qualified residential child care agency at any time on or after attaining thirteen (13) years of age; or

(iii) Any individual who is younger than twenty-five (25) years of age who was adopted from the department's legal custody or adopted while residing at a qualified residential child care agency as described in paragraph (f) of this subsection at any time on or after attaining thirteen (13) years of age.

(f) "Qualified residential child care agency" means an entity that provides a home for children and was licensed by the Mississippi Department of Child Protection Services at the time that the scholarship applicant was housed by the agency.

(g) "Scholarship" means the State Representative Bill Kinkade Fostering Access and Inspiring True Hope (FAITH) Scholarship.

(3) The Mississippi Postsecondary Education Financial Assistance Board, with the assistance of the Mississippi Department Child Protection Services shall develop and administer the Kinkade FAITH Scholarship Program for eligible students. Commencing with the 2023-2024 academic year, the board shall approve scholarships to eligible students who meet the general requirements set forth in subsection (8) of this section. Scholarships shall be used to pay up to the cost of attendance at any approved postsecondary educational institution, provided that payments to any not-for-profit private institution of higher learning shall not exceed the average cost of attendance required by all of the public state-supported institutions of higher learning.

(4) Payments up to the cost of attendance are considered program scholarships.

(5) The Kinkade FAITH Scholarship Program shall include a mentor service administered by the department as a support system for scholarship recipients. This service shall include mentors who shall be compensated by the department, as employees or contractors, to help participants adapt to independent living, academics and other college or university activities.

(6) (a) Initial recipients shall be selected from all eligible students based on rules promulgated by the board. In the second and subsequent years of the program, priority consideration shall first be given to renewal applicants.

(b) The board shall develop rules for ensuring that expenses of the scholarship program in a fiscal year do not exceed funding for the program in that fiscal year. For that purpose, and any other provision of this section to the contrary notwithstanding, the board may limit the acceptance of scholarship applications and may limit the award of scholarships.

(7) The program shall pay up to the student's cost of attendance for up to five (5) years, except as otherwise provided in subsection (10) of this section. In no event

shall the cost of attendance be paid pursuant to this section for more than seventy-two (72) credit hours at a community college or one hundred forty-four (144) credit hours at a four-year college. The program shall only pay up to cost of attendance for courses leading to an undergraduate credential or degree. (8) To participate in the program, a scholarship applicant shall satisfy the following general eligibility requirements:

(a) Be an eligible student as defined in subsection (2)(e) of this section;

(b) Be accepted for enrollment in a degree or certificate program at an approved postsecondary educational institution; and

He or she shall have applied for all federal student financial assistance, including Educational and Training Vouchers.

(9) To receive a renewal scholarship, a student shall satisfy the following continuing eligibility requirements:

(a) Make satisfactory academic progress toward the completion of a degree or certificate as determined by rules promulgated by the board and maintain a 2.0 cumulative GPA for consecutive or nonconsecutive semesters of enrollment; and

(b) Remain in good standing with the policies established by the approved postsecondary educational institution.

(10) The age limitation under subsection (2)(e) of this section shall be extended by the total number of years during which the student was on active duty status in the United States Armed Forces. The number of months served on active duty status in the United States Armed Forces shall be rounded up to the next higher year to determine the maximum length of eligibility extension allowed.

(11) The scholarship will include any costs associated with room and board during institutional holidays at approved postsecondary educational institutions where such accommodations are available.

(12) Funds can be combined with any other federal, institutional, or private scholarships to meet the student's full cost of attendance. No other gift aid should be reduced or supplanted by the Kinkade FAITH scholarship. However, in no case shall the FAITH scholarship be combined with other gift aid to exceed cost of attendance.

(13) The board shall promulgate rules as necessary to implement and administer this section.

(14) Nothing in this section shall be construed to:

(a) Guarantee acceptance of or entrance into any approved postsecondary educational institution for an eligible student;

(b) Limit the participation of an eligible student in any other program of financial assistance for postsecondary education;

(c) Require any approved postsecondary educational institution to waive costs or fees relating to room and board; or

(d) Restrict any approved postsecondary educational institution, the Mississippi Postsecondary Education Financial Assistance Board, or the Department of Child Protection Services from accessing other sources of financial assistance, except loans, that may be available to an eligible student.

SECTION 2. (1) There is established in the State Treasury a special fund to be designated as the "Kinkade Fostering Access and Inspiring True Hope (FAITH) Scholarship Program Fund." The special fund shall consist of funds appropriated or otherwise made available by the Legislature in any manner, and funds from any other source designated for deposit into the special fund. Monies in the fund shall only be spent upon appropriation by the Legislature to the Mississippi Postsecondary Education Financial Assistance Board and shall only be used by the Board for the purpose of implementing the scholarship program established in Section 1 of this act.

(2) Unexpended amounts remaining in the special fund at the end of a fiscal year shall not lapse into the State General Fund but shall remain in the Kinkade FAITH Scholarship Program Fund. Any investment earnings or interest earned on amounts in the special fund shall be deposited to the credit of the special fund.

(3) In any legal action founded on a contract entered into by a person eighteen (18) years of age or older, the said person may sue in his own name as an adult and be sued in his own name as an adult and be served with process as an adult.

SECTION 4. Section 43-21-261, Mississippi Code of 1972, is amended as follows:

(1) Except as otherwise provided in this section, records involving children shall not be disclosed, other than to necessary staff or officials of the youth court, a guardian ad litem appointed to a child by the court, or a Court-Appointed Special Advocate (CASA) volunteer who may be assigned in an abuse and neglect case, except pursuant to an order of the youth court specifying the person or persons to whom the records may be disclosed, the extent of the records which may be disclosed and the purpose of the disclosure. (f) The Mississippi Department of Employment Security, or its duly authorized representatives, for the purpose of a child's enrollment into the Job Corps Training Program as authorized by Title IV of the Comprehensive Employment Training Act of 1973 (29 USCS Section 923 et seq.). However, no records, reports, investigations or information derived therefrom pertaining to child abuse or neglect shall be disclosed;

(h) A person who was the subject of a knowingly made false allegation of child abuse or neglect which has resulted in a conviction of a perpetrator in accordance with Section 97-35-47 or which allegation was referred by the Department of

Child Protection Services to a prosecutor or law enforcement official in accordance with the provisions of Section 43-21-353(4).

Law enforcement agencies may disclose information to the public concerning the taking of a child into custody for the commission of a delinquent act without the necessity of an order from the youth court. The information released shall not identify the child or his address unless the information involves a child convicted as an adult.

(2) Any records involving children which are disclosed under an order of the youth court or pursuant to the terms of this section and the contents thereof shall be kept confidential by the person or agency to whom the record is disclosed unless otherwise provided in the order. Any further disclosure of any records involving children shall be made only under an order of the youth court as provided in this section.

(3) Upon request, the parent, guardian or custodian of the child who is the subject of a youth court cause or any attorney for such parent, guardian or custodian, shall have the right to inspect any record, report or investigation relevant to a matter to be heard by a youth court, except that the identity of the reporter shall not be released, nor the name of any other person where the person or agency making the information available finds that disclosure of the information would be likely to endanger the life or safety of such person. The attorney for the parent, guardian or custodian of the child, upon request, shall be provided a copy of any record, report or investigation relevant to a matter to be heard by a youth court, but the identity of the reporter must be redacted and the name of any other person must also be redacted if the person or agency making the information available finds that disclosure of the information would be likely to endanger the life, safety or well-being of the person. (7) Information concerning an investigation into a report of child abuse or child neglect may be disclosed without further order of the youth court to any interagency child abuse task force established in any county or municipality by order of the youth court of that county or municipality.

(9) Names and addresses of juveniles adjudicated as delinquent for murder, manslaughter, burglary, arson, armed robbery, aggravated assault, any sex offense as defined in Section 45-33-23, for any violation of Section 41-29-139(a)(1) or for any violation of Section 63-11-30, shall not be held confidential and shall be made available to the public.

(10) The judges of the circuit and county courts, and presentence investigators for the circuit courts, as provided in Section 47-7-9, shall have the right to inspect any youth court records of a person convicted of a crime for sentencing purposes only.

(11) The victim of an offense committed by a child who is the subject of a youth court cause shall have the right to be informed of the child's disposition by the youth court.

(12) A classification hearing officer of the State Department of Corrections, as provided in Section 47-5-103, shall have the right to inspect any youth court records, excluding abuse and neglect records, of any offender in the custody of the department who as a child or minor was a juvenile offender or was the subject of a youth court cause of action, and the State Parole Board, as provided in Section 47-7-17, shall have the right to inspect such records when the offender becomes eligible for parole.

(13) The youth court shall notify the Department of Public Safety of the name, and any other identifying information such department may require, of any child who is adjudicated delinquent as a result of a violation of the Uniform Controlled Substances Law.

(14) The Administrative Office of Courts shall have the right to inspect any youth court records in order that the number of youthful offenders, abused, neglected, truant and dependent children, as well as children in need of special care and children in need of supervision, may be tracked with specificity through the youth court and adult justice system, and to utilize tracking forms for such purpose.

(15) Upon a request by a youth court, the Administrative Office of Courts shall disclose all information at its disposal concerning any previous youth court intakes alleging that a child was a delinquent child, child in need of supervision, child in need of special care, truant child, abused child or neglected child, as well as any previous youth court adjudications for the same and all dispositional information concerning a child who at the time of such request comes under the jurisdiction of the youth court making such request.

(16) The Administrative Office of Courts may, in its discretion, disclose to the Department of Public Safety any or all of the information involving children contained in the office's youth court data management system known as Mississippi Youth Court Information Delivery System or "MYCIDS."

(17) The youth courts of the state shall disclose to the Joint Legislative Committee on Performance Evaluation and Expenditure Review (PEER) any youth court records in order that the number of youthful offenders, abused, neglected, truant and dependent children, as well as children in need of special care and children in need of supervision, may be tracked with specificity through the youth court and adult justice system, and to utilize tracking forms for such purpose. The disclosure prescribed in this subsection shall not require a court order and shall be made in sortable, electronic format where possible. The PEER Committee may seek the assistance of the Administrative Office of Courts in seeking this information. The PEER Committee shall not disclose the identities of any youth who have been adjudicated in the youth courts of the state and shall only use the disclosed information for the purpose of monitoring the effectiveness and efficiency of programs established to assist adjudicated youth, and to ascertain the incidence of adjudicated youth who become adult offenders.

(18) In every case where an abuse or neglect allegation has been made, the confidentiality provisions of this section shall not apply to prohibit access to a child's records by any state regulatory agency, any state or local prosecutorial agency or law enforcement agency; however, no identifying information concerning the child in question may be released to the public by such agency except as otherwise provided herein.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2063: Alcoholic beverages; revise definition of "qualified resort area" under the Local Option Alcoholic Beverage Control Law.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 67-1-5, Mississippi Code of 1972, is amended as follows:
67-1-5. For the purposes of this chapter and unless otherwise required by the context:

(a) "Alcoholic beverage" means any alcoholic liquid, including wines of more than five percent (5%) of alcohol by weight, capable of being consumed as a beverage by a human being, but shall not include light wine, light spirit product and beer, as defined in Section 67-3-3, Mississippi Code of 1972, but shall include native wines and native spirits. The words "alcoholic beverage" shall not include ethyl alcohol manufactured or distilled solely for fuel purposes or beer of an alcoholic content of more than eight percent (8%) by weight if the beer is legally manufactured in this state for sale in another state.

(b) "Alcohol" means the product of distillation of any fermented liquid, whatever the origin thereof, and includes synthetic ethyl alcohol, but does not include denatured alcohol or wood alcohol.

(c) "Distilled spirits" means any beverage containing more than six percent (6%) of alcohol by weight produced by distillation of fermented grain, starch, molasses or sugar, including dilutions and mixtures of these beverages.

(d) "Wine" or "vinous liquor" means any product obtained from the alcoholic fermentation of the juice of sound, ripe grapes, fruits, honey or berries and made in accordance with the revenue laws of the United States.

(e) "Person" means and includes any individual, partnership, corporation, association or other legal entity whatsoever.

(f) "Manufacturer" means any person engaged in manufacturing, distilling, rectifying, blending or bottling any alcoholic beverage.

(h) "Retailer" means any person who sells, distributes, or offers for sale or distribution, any alcoholic beverage for use or consumption by the purchaser and not for resale.

(i) "State Tax Commission," "commission" or "department" means the Department of Revenue of the State of Mississippi, which shall create a division in its organization to be known as the Alcoholic Beverage Control Division. Any reference to the commission or the department hereafter means the powers and duties of the Department of Revenue with reference to supervision of the Alcoholic Beverage Control Division.

(j) "Division" means the Alcoholic Beverage Control Division of the Department of Revenue.

(k) "Municipality" means any incorporated city or town of this state.

(l) "Hotel" means an establishment within a municipality, or within a qualified resort area approved as such by the department, where, in consideration of payment, food and lodging are habitually furnished to travelers and wherein are located at least twenty (20) adequately furnished and completely separate sleeping rooms with adequate facilities that persons usually apply for and receive as overnight accommodations. Hotels in towns or cities of more than twenty-five thousand (25,000) population are similarly defined except that they must have fifty (50) or more sleeping rooms. Any such establishment described in this paragraph with less than fifty (50) beds shall operate one or more regular dining rooms designed to be constantly frequented by customers each day. When used in this chapter, the word "hotel" shall also be construed to include any establishment that meets the definition of "bed and breakfast inn" as provided in this section.

(m) "Restaurant" means:

(i) A place which is regularly and in a bona fide manner used and kept open for the serving of meals to guests for compensation, which has suitable seating facilities for guests, and which has suitable kitchen facilities connected therewith for cooking an assortment of foods and meals commonly ordered at various hours of the day; the service of such food as sandwiches and salads only shall not be deemed in compliance with this requirement. Except as otherwise provided in this paragraph, no place shall qualify as a restaurant under this chapter unless twenty-five percent (25%) or more of the revenue derived from such place shall be from the preparation, cooking and serving of meals and not from the sale of beverages, or unless the value of food given to and consumed by customers is equal to twenty-five percent (25%) or more of total revenue; or

(ii) Any privately owned business located in a building in a historic district where the district is listed in the National Register of Historic Places, where the building has a total occupancy rating of not less than one thousand (1,000) and where the business regularly utilizes ten thousand (10,000) square feet or more in the building for live entertainment, including not only the stage, lobby or area where the audience sits and/or stands, but also any other portion of the building necessary for the operation of the business, including any kitchen area, bar area, storage area and office space, but excluding any area for parking. In addition to the other requirements of this subparagraph, the business must also serve food to guests for compensation within the building and derive the majority of its revenue from event-related fees, including, but not limited to, admission fees or ticket sales to live entertainment in the building, and from the rental of all or part of the facilities of the business in the building to another party for a specific event or function.

(n) "Club" means an association or a corporation:

(i) Organized or created under the laws of this state for a period of five (5) years prior to July 1, 1966;

(vi) No member, officer, agent or employee of which is paid, or directly or indirectly receives, in the form of a salary or other compensation any profit from the distribution or sale of alcoholic beverages to the club or to members or guests of the club beyond such salary or compensation as may be fixed and voted at a proper meeting by the board of directors or other governing body out of the general revenues of the club.

The department may, in its discretion, waive the five-year provision of this paragraph. In order to qualify under this paragraph, a club must file with the department, at the time of its application for a license under this chapter, two (2) copies of a list of the names and residences of its members and similarly file, within ten (10) days after the election of any additional member, his name and address. Each club applying for a license shall also file with the department at the time of the application a copy of its articles of association, charter of incorporation, bylaws or other instruments governing the business and affairs thereof.

(o) "Qualified resort area" means any area or locality outside of the limits of incorporated municipalities in this state commonly known and accepted as a place which regularly and customarily attracts tourists, vacationists and other transients because of its historical, scenic or recreational facilities or attractions, or because of other attributes which regularly and customarily appeal to and attract tourists, vacationists and other transients in substantial numbers; however, no area or locality shall so qualify as a resort area until it has been duly and properly approved as such by the department. The department may not approve an area as a qualified resort area after July 1, 2018, if any portion of such proposed area is located within two (2) miles of a convent or monastery that is located in a county traversed by Interstate 55 and U.S. Highway 98. A convent or monastery may waive such distance restrictions in favor of allowing approval by the department of an area as a qualified resort area. Such waiver shall be in written form from the owner, the governing body, or the appropriate officer of the convent or monastery having the authority to execute such a waiver, and the waiver shall be filed with and verified by the department before becoming effective.

(i) The department may approve an area or locality outside of the limits of an incorporated municipality that is in the process of being developed as a qualified resort area if such area or locality, when developed, can reasonably be expected to meet the requisites of the definition of the term "qualified resort area." In such a case, the status of qualified resort area shall not take effect until completion of the development.

(ii) The term includes any state park which is declared a resort area by the department; however, such declaration may only be initiated in a written request for resort area status made to the department by the Executive Director of the Department of Wildlife, Fisheries and Parks, and no permit for the sale of any alcoholic beverage, as defined in this chapter, except an on-premises retailer's permit, shall be issued for a hotel, restaurant or bed and breakfast inn in such park.

(iii) The term includes:

1. The clubhouses associated with the state park golf courses at the Lefleur's Bluff State Park, the John Kyle State Park, the Percy Quin State Park and the Hugh White State Park;

2. The clubhouse and associated golf course, tennis courts and related facilities and swimming pool and related facilities where the golf course, tennis courts and related facilities and swimming pool and related facilities are adjacent to one or more planned residential developments and the golf course and all such developments collectively include at least seven hundred fifty (750) acres and at least four hundred (400) residential units;

(E) Notwithstanding any provision of this article, no new groups or categories of recipients and new types of care and services may be added without enabling legislation from the Mississippi Legislature, except that the division may authorize those changes without enabling legislation when the addition of recipients or services is ordered by a court of proper authority.

(F) The executive director shall keep the Governor advised on a timely basis of the funds available for expenditure and the projected expenditures. Notwithstanding any other provisions of this article, if current or projected expenditures of the division are reasonably anticipated to exceed the amount of funds appropriated to the division for any fiscal year, the Governor, after consultation with the executive director, shall take all appropriate measures to reduce costs, which may include, but are not limited to:

(b) Override the medical decisions of hospital physicians or staff regarding patients admitted to a hospital for an emergency medical condition as defined by 42 US Code Section 1395dd. This restriction (b) does not prohibit the retrospective review of the appropriateness of the determination that an emergency medical condition exists by chart review or coding algorithm, nor does it prohibit prior authorization for nonemergency hospital admissions;

(c) Pay providers at a rate that is less than the normal Medicaid reimbursement rate. It is the intent of the Legislature that all managed care entities described in this subsection (H), in collaboration with the division, develop and implement innovative payment models that incentivize improvements in health care quality, outcomes, or value, as determined by the division. Organizations participating in a managed care program or coordinated care program implemented by the division may not use any additional criteria that would result in denial of care that would be determined appropriate and, therefore, medically necessary under those levels of care guidelines.

(2) Notwithstanding any provision of this section, the recipients eligible for enrollment into a Medicaid Managed Care Program authorized under this subsection (H) may include only those categories of recipients eligible for participation in the Medicaid Managed Care Program as of January 1, 2021, the Children's Health Insurance Program (CHIP), and the CMS-approved Section 1115 demonstration waivers in operation as of January 1, 2021. Under that uniform credentialing process, a provider who meets the criteria for credentialing will be credentialed with all of those contractors and no such provider will have to be separately credentialed by any individual contractor in order to receive reimbursement from the contractor. Not later than December 2, 2021, those contractors shall submit a report to the Chairmen of the House and Senate Medicaid Committees on the status of the uniform credentialing process for providers that is required under this subparagraph (a).

(b) If those contractors have not implemented a uniform credentialing process as described in subparagraph (a) by December 1, 2021, the division shall develop and implement, not later than July 1, 2022, a single, consolidated credentialing process by which all providers will be credentialed. Under the division's single, consolidated credentialing process, no such contractor shall require its providers to be separately credentialed by the contractor in order to receive reimbursement from

the contractor, but those contractors shall recognize the credentialing of the providers by the division's credentialing process.

(c) The division shall require a uniform provider credentialing application that shall be used in the credentialing process that is established under subparagraph (a) or (b). If the contractor or division, as applicable, has not approved or denied the provider credentialing application within sixty (60) days of receipt of the completed application that includes all required information necessary for credentialing, then the contractor or division, upon receipt of a written request from the applicant and within five (5) business days of its receipt, shall issue a temporary provider credential/enrollment to the applicant if the applicant has a valid Mississippi professional or occupational license to provide the health care services to which the credential/enrollment would apply. The contractor or the division shall not issue a temporary credential/enrollment if the applicant has reported on the application a history of medical or other professional or occupational malpractice claims, a history of substance abuse or mental health issues, a criminal record, or a history of medical or other licensing board, state or federal disciplinary action, including any suspension from participation in a federal or state program. The contractor or division shall render a final decision regarding credentialing/enrollment of the provider within sixty (60) days from the date that the temporary provider credential/enrollment is issued to the applicant.

(d) If the contractor or division does not render a final decision regarding credentialing/enrollment of the provider within the time required in subparagraph (c), the provider shall be deemed to be credentialed by and enrolled with all of the contractors and eligible to receive reimbursement from the contractors.

(7) (a) Each contractor that is receiving capitated payments under a managed care delivery system established under this subsection (H) shall provide to each provider for whom the contractor has denied the coverage of a procedure that was ordered or requested by the provider for or on behalf of a patient, a letter that provides a detailed explanation of the reasons for the denial of coverage of the procedure and the name and the credentials of the person who denied the coverage. The letter shall be sent to the provider in electronic format.

(b) After a contractor that is receiving capitated payments under a managed care delivery system established under this subsection (H) has denied coverage for a claim submitted by a provider, the contractor shall issue to the provider within sixty (60) days a final ruling of denial of the claim that allows the provider to have a state fair hearing and/or agency appeal with the division. If a contractor does not issue a final ruling of denial within sixty (60) days as required by this subparagraph (b), the provider's claim shall be deemed to be automatically approved and the contractor shall pay the amount of the claim to the provider.

(c) After a contractor has issued a final ruling of denial of a claim submitted by a provider, the division shall conduct a state fair hearing and/or agency appeal on the matter of the disputed claim between the contractor and the provider within sixty (60) days, and shall render a decision on the matter within thirty (30) days after the date of the hearing and/or appeal.

Reimbursement by these organizations to durable medical equipment suppliers for home use of noninvasive and invasive ventilators shall be on a continuous monthly payment basis for the duration of medical need throughout a patient's valid prescription period.

(18) (a) Notwithstanding any other provision of this section to the contrary, as provided in the Medicaid state plan amendment or amendments as defined in Section 43-13-145(10), the division shall make additional reimbursement to hospitals that serve a disproportionate share of low-income patients and that meet the federal requirements for those payments as provided in Section 1923 of the federal Social Security Act and any applicable regulations. It is the intent of the Legislature that the division shall draw down all available federal funds allotted to the state for disproportionate share hospitals. However, from and after January 1, 1999, public hospitals participating in the Medicaid disproportionate share program may be required to participate in an intergovernmental transfer program as provided in Section 1903 of the federal Social Security Act and any applicable regulations.

(b) (i) 1. The division may establish a Medicare Upper Payment Limits Program, as defined in Section 1902(a)(30) of the federal Social Security Act and any applicable federal regulations, or an allowable delivery system or provider payment initiative authorized under 42 CFR 438.6(c), for hospitals, nursing facilities * * * and physicians employed or contracted by hospitals * * *.

2. The division shall establish a Medicaid Supplemental Payment Program, as permitted by the federal Social Security Act and a comparable allowable delivery system or provider payment initiative authorized under 42 CFR 438.6(c), for emergency ambulance transportation providers in accordance with this subsection (A)(18)(b).

(ii) The division shall assess each hospital, nursing facility, and emergency ambulance transportation provider for the sole purpose of financing the state portion of the Medicare Upper Payment Limits Program or other program(s) authorized under this subsection (A)(18)(b). The hospital assessment shall be as provided in Section 43-13-145(4)(a), and the nursing facility and the emergency ambulance transportation assessments, if established, shall be based on Medicaid utilization or other appropriate method, as determined by the division, consistent with federal regulations. The assessments will remain in effect as long as the state participates in the Medicare Upper Payment Limits Program or other program(s) authorized under this subsection (A)(18)(b). In addition to the hospital assessment provided in Section 43-13-145(4)(a), hospitals with physicians participating in the Medicare Upper Payment Limits Program or other program(s) authorized under this subsection (A)(18)(b) shall be required to participate in an intergovernmental transfer or assessment, as determined by the division, for the purpose of financing the state portion of the physician UPL payments or other payment(s) authorized under this subsection (A)(18)(b).

(iv) Notwithstanding any other provision of this article to the contrary, effective upon implementation of the Mississippi Hospital Access Program (MHAP) provided in subparagraph (c)(i) below, the hospital portion of the inpatient Upper Payment Limits Program shall transition into and be replaced by the MHAP program. However, the division is authorized to develop and implement an alternative fee-for-service Upper Payment Limits model in accordance with federal laws and regulations if necessary to preserve supplemental funding. Further, the division, in consultation with the hospital industry shall develop alternative models for distribution of medical claims and supplemental payments for inpatient and outpatient hospital services, and such models may include, but shall not be limited to the following: increasing rates for inpatient and outpatient services; creating a low-income utilization pool of funds to reimburse hospitals for the costs of uncompensated care, charity care and bad debts as permitted and approved pursuant to federal regulations and the Centers for Medicare and Medicaid Services; supplemental payments based upon Medicaid utilization, quality,

service lines and/or costs of providing such services to Medicaid beneficiaries and to uninsured patients. The goals of such payment models shall be to ensure access to inpatient and outpatient care and to maximize any federal funds that are available to reimburse hospitals for services provided. Any such documents required to achieve the goals described in this paragraph shall be submitted to the Centers for Medicare and Medicaid Services, with a proposed effective date of July 1, 2019, to the extent possible, but in no event shall the effective date of such payment models be later than July 1, 2020. The Chairmen of the Senate and House Medicaid Committees shall be provided a copy of the proposed payment model(s) prior to submission. Effective July 1, 2018, and until such time as any payment model(s) as described above become effective, the division, in consultation with the hospital industry, is authorized to implement a transitional program for inpatient and outpatient payments and/or supplemental payments (including, but not limited to, MHAP and directed payments), to redistribute available supplemental funds among hospital providers, provided that when compared to a hospital's prior year supplemental payments, supplemental payments made pursuant to any such transitional program shall not result in a decrease of more than five percent (5%) and shall not increase by more than the amount needed to maximize the distribution of the available funds.

(v) 1. To preserve and improve access to ambulance transportation provider services, the division shall seek CMS approval to make ambulance service access payments as set forth in this subsection (A)(18)(b) for all covered emergency ambulance services rendered on or after July 1, 2022, and shall make such ambulance service access payments for all covered services rendered on or after the effective date of CMS approval.

2. The division shall calculate the ambulance service access payment amount as the balance of the portion of the Medical Care Fund related to ambulance transportation service provider assessments plus any federal matching funds earned on the balance, up to, but not to exceed, the upper payment limit gap for all emergency ambulance service providers.

3. a. Except for ambulance services exempt from the assessment provided in this paragraph (18)(b), all ambulance transportation service providers shall be eligible for ambulance service access payments each state fiscal year as set forth in this paragraph (18)(b).

b. In addition to any other funds paid to ambulance transportation service providers for emergency medical services provided to Medicaid beneficiaries, each eligible ambulance transportation service provider shall receive ambulance service access payments each state fiscal year equal to the ambulance transportation service provider's upper payment limit gap. Subject to approval by the Centers for Medicare and Medicaid Services, ambulance service access payments shall be made no less than on a quarterly basis.

c. As used in this paragraph (18)(b)(v), the term "upper payment limit gap" means the difference between the total amount that the ambulance transportation service provider received from Medicaid and the average amount that the ambulance transportation service provider would have received from commercial insurers for those services reimbursed by Medicaid.

4. An ambulance service access payment shall not be used to offset any other payment by the division for emergency or nonemergency services to Medicaid beneficiaries.

(c) (i) Not later than December 1, 2015, the division shall, subject to approval by the Centers for Medicare and Medicaid Services (CMS), establish, implement and operate a Mississippi Hospital Access Program (MHAP) for the purpose of protecting patient access to hospital care through hospital inpatient reimbursement programs provided in this section designed to maintain total hospital reimbursement for inpatient services rendered by in-state hospitals and the out-of-state hospital that is authorized by federal law to submit intergovernmental transfers (IGTs) to the State of Mississippi and is classified as Level I trauma center located in a county contiguous to the state line at the maximum levels permissible under applicable federal statutes and regulations, at which time the current inpatient Medicare Upper Payment Limits (UPL) Program for hospital inpatient services shall transition to the MHAP.

(ii) Subject to approval by the Centers for Medicare and Medicaid Services (CMS), the MHAP shall provide increased inpatient capitation (PMPM) payments to managed care entities contracting with the division pursuant to subsection (H) of this section to support availability of hospital services or such other payments permissible under federal law necessary to accomplish the intent of this subsection.

(iii) The intent of this subparagraph (c) is that effective for all inpatient hospital Medicaid services during state fiscal year 2016, and so long as this provision shall remain in effect hereafter, the division shall to the fullest extent feasible replace the additional reimbursement for hospital inpatient services under the inpatient Medicare Upper Payment Limits (UPL) Program with additional reimbursement under the MHAP and other payment programs for inpatient and/or outpatient payments which may be developed under the authority of this paragraph.

(iv) The division shall assess each hospital as provided in Section 43-13-145(4)(a) for the purpose of financing the state portion of the MHAP, supplemental payments and such other purposes as specified in Section 43-13-145. The assessment will remain in effect as long as the MHAP and supplemental payments are in effect.

(a) Pay providers at a rate that is less than the Medicaid All Patient Refined Diagnosis Related Groups (APR-DRG) reimbursement rate;

(b) Override the medical decisions of hospital physicians or staff regarding patients admitted to a hospital for an emergency medical condition as defined by 42 US Code Section 1395dd. This restriction (b) does not prohibit the retrospective review of the appropriateness of the determination that an emergency medical condition exists by chart review or coding algorithm, nor does it prohibit prior authorization for nonemergency hospital admissions;

(c) Pay providers at a rate that is less than the normal Medicaid reimbursement rate. It is the intent of the Legislature that all managed care entities described in this subsection (H), in collaboration with the division, develop and

implement innovative payment models that incentivize improvements in health care quality, outcomes, or value, as determined by the division. Participation in the provider network of any managed care, coordinated care, provider-sponsored health plan, or similar contractor shall not be conditioned on the provider's agreement to accept such alternative payment models;

(d) Implement a prior authorization and utilization review program for medical services, transportation services and prescription drugs that is more stringent than the prior authorization processes used by the division in its administration of the Medicaid program. Not later than December 2, 2021, the contractors that are receiving capitated payments under a managed care delivery system established under this subsection (H) shall submit a report to the Chairmen of the House and Senate Medicaid Committees on the status of the prior authorization and utilization review program for medical services, transportation services and prescription drugs that is required to be implemented under this subparagraph (d);

(e) [Deleted]

(f) Implement a preferred drug list that is more stringent than the mandatory preferred drug list established by the division under subsection (A)(9) of this section;

(g) Implement a policy which denies beneficiaries with hemophilia access to the federally funded hemophilia treatment centers as part of the Medicaid Managed Care network of providers.

Each health maintenance organization, coordinated care organization, provider-sponsored health plan, or other organization paid for services on a capitated basis by the division under any managed care program or coordinated care program implemented by the division under this section shall use a clear set of level of care guidelines in the determination of medical necessity and in all utilization management practices, including the prior authorization process, concurrent reviews, retrospective reviews and payments, that are consistent with widely accepted professional standards of care. Organizations participating in a managed care program or coordinated care program implemented by the division may not use any additional criteria that would result in denial of care that would be determined appropriate and, therefore, medically necessary under those levels of care guidelines.

(2) Notwithstanding any provision of this section, the recipients eligible for enrollment into a Medicaid Managed Care Program authorized under this subsection (H) may include only those categories of recipients eligible for participation in the Medicaid Managed Care Program as of January 1, 2021, the Children's Health Insurance Program (CHIP), and the CMS-approved Section 1115 demonstration waivers in operation as of January 1, 2021. No expansion of Medicaid Managed Care Program contracts may be implemented by the division without enabling legislation from the Mississippi Legislature.

(3) (a) Any contractors receiving capitated payments under a managed care delivery system established in this section shall provide to the Legislature and the division statistical data to be shared with provider groups in order to improve patient access, appropriate utilization, cost savings and health outcomes not later than October 1 of each year. Additionally, each contractor shall disclose to the Chairmen of the Senate and House Medicaid Committees the administrative expenses costs for the prior calendar year, and the number of full-equivalent employees located in the State of Mississippi dedicated to the Medicaid and CHIP lines of business as of June 30 of the current year.

(b) The division and the contractors participating in the managed care program, a coordinated care program or a provider-sponsored health plan shall be subject to annual program reviews or audits performed by the Office of the State Auditor, the PEER Committee, the Department of Insurance and/or independent third parties.

(c) Those reviews shall include, but not be limited to, at least two (2) of the following items:

(i) The financial benefit to the State of Mississippi of the managed care program,

(ii) The difference between the premiums paid to the managed care contractors and the payments made by those contractors to health care providers,
(iii) Compliance with performance measures required under the contracts,
(iv) Administrative expense allocation methodologies,
(v) Whether nonprovider payments assigned as medical expenses are appropriate,
(vi) Capitated arrangements with related party subcontractors,
(vii) Reasonableness of corporate allocations,
(viii) Value-added benefits and the extent to which they are used,
(ix) The effectiveness of subcontractor oversight, including subcontractor review,
(x) Whether health care outcomes have been improved, and
(xi) The most common claim denial codes to determine the reasons for the denials.

The audit reports shall be considered public documents and shall be posted in their entirety on the division's website.

(4) All health maintenance organizations, coordinated care organizations, provider-sponsored health plans, or other organizations paid for services on a capitated basis by the division under any managed care program or coordinated care program implemented by the division under this section shall reimburse all providers in those organizations at rates no lower than those provided under this section for beneficiaries who are not participating in those programs.

(5) No health maintenance organization, coordinated care organization, provider-sponsored health plan, or other organization paid for services on a capitated basis by the division under any managed care program or coordinated care program implemented by the division under this section shall require its providers or beneficiaries to use any pharmacy that ships, mails or delivers prescription drugs or legend drugs or devices.

(6) (a) Not later than December 1, 2021, the contractors who are receiving capitated payments under a managed care delivery system established under this subsection (H) shall develop and implement a uniform credentialing process for providers. Under that uniform credentialing process, a provider who meets the criteria for credentialing will be credentialed with all of those contractors and no such provider will have to be separately credentialed by any individual contractor in order to receive reimbursement from the contractor. Not later than December 2, 2021, those contractors shall submit a report to the Chairmen of the House and Senate Medicaid Committees on the status of the uniform credentialing process for providers that is required under this subparagraph (a).

(b) If those contractors have not implemented a uniform credentialing process as described in subparagraph (a) by December 1, 2021, the division shall develop and implement, not later than July 1, 2022, a single, consolidated credentialing process by which all providers will be credentialed. Under the division's single, consolidated credentialing process, no such contractor shall require its providers to be separately credentialed by the contractor in order to receive reimbursement from the contractor, but those contractors shall recognize the credentialing of the providers by the division's credentialing process.

(c) The division shall require a uniform provider credentialing application that shall be used in the credentialing process that is established under subparagraph (a) or (b). If the contractor or division, as applicable, has not approved or denied the provider credentialing application within sixty (60) days of receipt of the completed application that includes all required information necessary for credentialing, then the contractor or division, upon receipt of a written request from the applicant and within five (5) business days of its receipt, shall issue a temporary provider

credential/enrollment to the applicant if the applicant has a valid Mississippi professional or occupational license to provide the health care services to which the credential/enrollment would apply. The contractor or the division shall not issue a temporary credential/enrollment if the applicant has reported on the application a history of medical or other professional or occupational malpractice claims, a history of substance abuse or mental health issues, a criminal record, or a history of medical or other licensing board, state or federal disciplinary action, including any suspension from participation in a federal or state program. The temporary credential/enrollment shall be effective upon issuance and shall remain in effect until the provider's credentialing/enrollment application is approved or denied by the contractor or division. The contractor or division shall render a final decision regarding credentialing/enrollment of the provider within sixty (60) days from the date that the temporary provider credential/enrollment is issued to the applicant.

(d) If the contractor or division does not render a final decision regarding credentialing/enrollment of the provider within the time required in subparagraph (c), the provider shall be deemed to be credentialed by and enrolled with all of the contractors and eligible to receive reimbursement from the contractors.

(7) (a) Each contractor that is receiving capitated payments under a managed care delivery system established under this subsection (H) shall provide to each provider for whom the contractor has denied the coverage of a procedure that was ordered or requested by the provider for or on behalf of a patient, a letter that provides a detailed explanation of the reasons for the denial of coverage of the procedure and the name and the credentials of the person who denied the coverage. The letter shall be sent to the provider in electronic format.

(b) After a contractor that is receiving capitated payments under a managed care delivery system established under this subsection (H) has denied coverage for a claim submitted by a provider, the contractor shall issue to the provider within sixty (60) days a final ruling of denial of the claim that allows the provider to have a state fair hearing and/or agency appeal with the division. If a contractor does not issue a final ruling of denial within sixty (60) days as required by this subparagraph (b), the provider's claim shall be deemed to be automatically approved and the contractor shall pay the amount of the claim to the provider.

(c) After a contractor has issued a final ruling of denial of a claim submitted by a provider, the division shall conduct a state fair hearing and/or agency appeal on the matter of the disputed claim between the contractor and the provider within sixty (60) days, and shall render a decision on the matter within thirty (30) days after the date of the hearing and/or appeal.

(8) It is the intention of the Legislature that the division evaluate the feasibility of using a single vendor to administer pharmacy benefits provided under a managed care delivery system established under this subsection (H). Providers of pharmacy benefits shall cooperate with the division in any transition to a carve-out of pharmacy benefits under managed care.

(9) *** The division shall evaluate the feasibility of using a single vendor to administer dental benefits provided under a managed care delivery system established in this subsection (H). Providers of dental benefits shall cooperate with the division in any transition to a carve-out of dental benefits under managed care.

(10) It is the intent of the Legislature that any contractor receiving capitated payments under a managed care delivery system established in this section shall implement innovative programs to improve the health and well-being of members diagnosed with prediabetes and diabetes.

(11) It is the intent of the Legislature that any contractors receiving capitated payments under a managed care delivery system established under this subsection (H) shall work with providers of Medicaid services to improve the utilization of long-acting reversible contraceptives (LARCs). Not later than December 1, 2021, any contractors receiving capitated payments under a managed care delivery system established under this subsection (H) shall provide to the Chairmen of the House and Senate Medicaid Committees and House and Senate Public Health Committees a report of LARC utilization for State Fiscal Years 2018 through 2020 as well as any programs, initiatives, or efforts made by the contractors and providers to increase LARC utilization.

This report shall be updated annually to include information for subsequent state fiscal years.

(12) The division is authorized to make not more than one (1) emergency extension of the contracts that are in effect on July 1, 2021, with contractors who are receiving capitated payments under a managed care delivery system established under this subsection (H), as provided in this paragraph (12). The maximum period of any such extension shall be one (1) year, and under any such extensions, the contractors shall be subject to all of the provisions of this subsection (H). The extended contracts shall be revised to incorporate any provisions of this subsection (H).

(I) [Deleted]

(J) There shall be no cuts in inpatient and outpatient hospital payments, or allowable days or volumes, as long as the hospital assessment provided in Section 43-13-145 is in effect. This subsection (J) shall not apply to decreases in payments that are a result of: reduced hospital admissions, audits or payments under the APR-DRG or APC models, or a managed care program or similar model described in subsection (H) of this section.

(K) In the negotiation and execution of such contracts involving services performed by actuarial firms, the Executive Director of the Division of Medicaid may negotiate a limitation on liability to the state of prospective contractors.

(L) The Division of Medicaid shall reimburse for services provided to eligible Medicaid beneficiaries by a licensed birthing center in a method and manner to be determined by the division in accordance with federal laws and federal regulations. The division shall seek any necessary waivers, make any required amendments to its State Plan or revise any contracts authorized under subsection (H) of this section as necessary to provide the services authorized under this subsection. As used in this subsection, the term "birthing centers" shall have the meaning as defined in Section 41-77-1(a), which is a publicly or privately owned facility, place or institution constructed, renovated, leased or otherwise established where nonemergency births are planned to occur away from the mother's usual residence following a documented period of prenatal care for a normal uncomplicated pregnancy which has been determined to be low risk through a formal risk-scoring examination.

(M) This section shall stand repealed on July 1, 2024.

SECTION 2. Section 43-13-121, Mississippi Code of 1972, is amended as follows:

43-13-121. (1) The division shall administer the Medicaid program under the provisions of this article, and may do the following:

(a) Adopt and promulgate reasonable rules, regulations and standards, with approval of the Governor, and in accordance with the Administrative Procedures Law, Section 25-43-1.101 et seq.:

(i) Establishing methods and procedures as may be necessary for the proper and efficient administration of this article;

(ii) Providing Medicaid to all qualified recipients under the provisions of this article as the division may determine and within the limits of appropriated funds;

(iii) Establishing reasonable fees, charges and rates for medical services and drugs; in doing so, the division shall fix all of those fees, charges and rates at the minimum levels absolutely necessary to provide the medical assistance authorized by this article, and shall not change any of those fees, charges or rates except as may be authorized in Section 43-13-117;

(iv) Providing for fair and impartial hearings;

(v) Providing safeguards for preserving the confidentiality of records; and

(vi) For detecting and processing fraudulent practices and abuses of the program;

(b) Receive and expend state, federal and other funds in accordance with court judgments or settlements and agreements between the State of Mississippi and the federal government, the rules and regulations promulgated by the division, with the approval of the Governor, and within the limitations and restrictions of this article and within the limits of funds available for that purpose;

(c) Subject to the limits imposed by this article and subject to the provisions of subsection (8) of this section, to submit a Medicaid plan to the United States Department of Health and Human Services for approval under the provisions of the federal Social Security Act, to act for the state in making negotiations relative to the submission and approval of that plan, to make such arrangements, not inconsistent with the law, as may be required by or under federal law to obtain and retain that approval and to secure for the state the benefits of the provisions of that law.

No agreements, specifically including the general plan for the operation of the Medicaid program in this state, shall be made by and between the division and the United States Department of Health and Human Services unless the Attorney General of the State of Mississippi has reviewed the agreements, specifically including the operational plan, and has certified in writing to the Governor and to the executive director of the division that the agreements, including the plan of operation, have been drawn strictly in accordance with the terms and requirements of this article;

(d) In accordance with the purposes and intent of this article and in compliance with its provisions, provide for aged persons otherwise eligible for the benefits provided under Title XVIII of the federal Social Security Act by expenditure of funds available for those purposes;

(e) To make reports to the United States Department of Health and Human Services as from time to time may be required by that federal department and to the Mississippi Legislature as provided in this section;

(f) Define and determine the scope, duration and amount of Medicaid that may be provided in accordance with this article and establish priorities therefor in conformity with this article;

(g) Cooperate and contract with other state agencies for the purpose of coordinating Medicaid provided under this article and eliminating duplication and inefficiency in the Medicaid program;

(h) Adopt and use an official seal of the division;

(i) Sue in its own name on behalf of the State of Mississippi and employ legal counsel on a contingency basis with the approval of the Attorney General;

(j) To recover any and all payments incorrectly made by the division to a recipient or provider from the recipient or provider receiving the payments. The division shall be authorized to collect any overpayments to providers sixty (60) days after the conclusion of any administrative appeal unless the matter is appealed to a court of proper jurisdiction and bond is posted. Any appeal filed after July 1, 2015, shall be to the Chancery Court of the First Judicial District of Hinds County, Mississippi, within sixty (60) days after the date that the division has notified the provider by certified mail sent to the proper address of the provider on file with the division and the provider has signed for the certified mail notice, or sixty (60) days after the date of the final decision if the provider does not sign for the certified mail notice. To recover those payments, the division may use the following methods, in addition to any other methods available to the division:

(i) The division shall report to the Department of Revenue the name of any current or former Medicaid recipient who has received medical services rendered during a period of established Medicaid ineligibility and who has not reimbursed the division for the related medical service payment(s). The Department of Revenue shall withhold from the state tax refund of the individual, and pay to the division, the amount of the payment(s) for medical services rendered to the ineligible individual that have not been reimbursed to the division for the related medical service payment(s).

(ii) The division shall report to the Department of Revenue the name of any Medicaid provider to whom payments were incorrectly made that the division has not been able to recover by other methods available to the division. The Department of Revenue shall withhold from the state tax refund of the provider, and pay to the division, the amount of the payments that were incorrectly made to the provider that have not been recovered by other available methods;

(k) To recover any and all payments by the division fraudulently obtained by a recipient or provider. Additionally, if recovery of any payments fraudulently obtained by a recipient or provider is made in any court, then, upon motion of the Governor, the judge of the court may award twice the payments recovered as damages;

(l) Have full, complete and plenary power and authority to conduct such investigations as it may deem necessary and requisite of alleged or suspected violations or abuses of the provisions of this article or of the regulations adopted under this article, including, but not limited to, fraudulent or unlawful act or deed by applicants for Medicaid or other benefits, or payments made to any person, firm or corporation under the terms, conditions and authority of this article, to suspend or disqualify any provider of services, applicant or recipient for gross abuse, fraudulent or unlawful acts for such periods, including permanently, and under such conditions as the division deems proper and just, including the imposition of a legal rate of interest on the amount improperly or incorrectly paid. Recipients who are found to have misused or abused Medicaid benefits may be locked into one (1) physician and/or one (1) pharmacy of the recipient's choice for a reasonable amount of time in order to educate and promote appropriate use of medical services, in accordance with federal regulations. If an administrative hearing becomes necessary, the division may, if the provider does not succeed in his or her defense, tax the costs of the administrative hearing, including the costs of the court reporter or stenographer and transcript, to the provider. The convictions of a recipient or a provider in a state or federal court for abuse, fraudulent or unlawful acts under this chapter shall constitute an automatic disqualification of the recipient or automatic disqualification of the provider from participation under the Medicaid program.

A conviction, for the purposes of this chapter, shall include a judgment entered on a plea of nolo contendere or a nonadjudicated guilty plea and shall have the same force as a judgment entered pursuant to a guilty plea or a conviction following trial. A certified copy of the judgment of the court of competent jurisdiction of the conviction shall constitute prima facie evidence of the conviction for disqualification purposes;

(m) Establish and provide such methods of administration as may be necessary for the proper and efficient operation of the Medicaid program, fully utilizing computer equipment as may be necessary to oversee and control all current expenditures for purposes of this article, and to closely monitor and supervise all recipient payments and vendors rendering services under this article. Notwithstanding any other provision of state law, the division is authorized to enter into a ten-year contract(s) with a vendor(s) to provide services described in this paragraph (m). Notwithstanding any provision of law to the contrary, the division is authorized to extend its Medicaid Management Information System, including all related components and services, and Decision Support System, including all related components and services, contracts in effect on June 30, 2020, for a period not to exceed two (2) years without complying with state procurement regulations;

(n) To cooperate and contract with the federal government for the purpose of providing Medicaid to Vietnamese and Cambodian refugees, under the provisions of Public Law 94-23 and Public Law 94-24, including any amendments to those laws, only to the extent that the Medicaid assistance and the administrative cost related thereto are one hundred percent (100%) reimbursable by the federal government. For the purposes of Section 43-13-117, persons receiving Medicaid under Public Law 94-23 and Public Law 94-24, including any amendments to those laws, shall not be considered a new group or category of recipient; and

(o) The division shall impose penalties upon Medicaid only, Title XIX participating long-term care facilities found to be in noncompliance with division and certification standards in accordance with federal and state regulations, including interest at the same rate calculated by the United States Department of Health and Human Services and/or the Centers for Medicare and Medicaid Services (CMS) under federal regulations.

(2) The division also shall exercise such additional powers and perform such other duties as may be conferred upon the division by act of the Legislature.

(3) The division, and the State Department of Health as the agency for licensure of health care facilities and certification and inspection for the Medicaid and/or Medicare programs, shall contract for or otherwise provide for the consolidation of on-site inspections of health care facilities that are necessitated by the respective programs and functions of the division and the department.

(4) The division and its hearing officers shall have power to preserve and enforce order during hearings; to issue subpoenas for, to administer oaths to and to compel the attendance and testimony of witnesses, or the production of books, papers,

documents and other evidence, or the taking of depositions before any designated individual competent to administer oaths; to examine witnesses; and to do all things conformable to law that may be necessary to enable them effectively to discharge the duties of their office. In compelling the attendance and testimony of witnesses, or the production of books, papers, documents and other evidence, or the taking of depositions, as authorized by this section, the division or its hearing officers may designate an individual employed by the division or some other suitable person to execute and return that process, whose action in executing and returning that process shall be as lawful as if done by the sheriff or some other proper officer authorized to execute and return process in the county where the witness may reside. In carrying out the investigatory powers under the provisions of this article, the executive director or other designated person or persons may examine, obtain, copy or reproduce the books, papers, documents, medical charts, prescriptions and other records relating to medical care and services furnished by the provider to a recipient or designated recipients of Medicaid services under investigation. In the absence of the voluntary submission of the books, papers, documents, medical charts, prescriptions and other records, the Governor, the executive director, or other designated person may issue and serve subpoenas instantly upon the provider, his or her agent, servant or employee for the production of the books, papers, documents, medical charts, prescriptions or other records during an audit or investigation of the provider. If any provider or his or her agent, servant or employee refuses to produce the records after being duly subpoenaed, the executive director may certify those facts and institute contempt proceedings in the manner, time and place as authorized by law for administrative proceedings. As an additional remedy, the division may recover all amounts paid to the provider covering the period of the audit or investigation, inclusive of a legal rate of interest and a reasonable attorney's fee and costs of court if suit becomes necessary. Division staff shall have immediate access to the provider's physical location, facilities, records, documents, books, and any other records relating to medical care and services rendered to recipients during regular business hours.

(5) If any person in proceedings before the division disobeys or resists any lawful order or process, or misbehaves during a hearing or so near the place thereof as to obstruct the hearing, or neglects to produce, after having been ordered to do so, any pertinent book, paper or document, or refuses to appear after having been subpoenaed, or upon appearing refuses to take the oath as a witness, or after having taken the oath refuses to be examined according to law, the executive director shall certify the facts to any court having jurisdiction in the place in which it is sitting, and the court shall thereupon, in a summary manner, hear the evidence as to the acts complained of, and if the evidence so warrants, punish that person in the same manner and to the same extent as for a contempt committed before the court, or commit that person upon the same condition as if the doing of the forbidden act had occurred with reference to the process of, or in the presence of, the court.

(6) In suspending or terminating any provider from participation in the Medicaid program, the division shall preclude the provider from submitting claims for payment, either personally or through any clinic, group, corporation or other association to the division or its fiscal agents for any services or supplies provided under the Medicaid program except for those services or supplies provided before the suspension or termination. No clinic, group, corporation or other association that is a provider of services shall submit claims for payment to the division or its fiscal agents for any services or supplies provided by a person within that organization who has been suspended or terminated from participation in the Medicaid program except for those services or supplies provided before the suspension or termination. When this provision is violated by a provider of services that is a clinic, group, corporation or other association, the division may suspend or terminate that organization from participation. Suspension may be applied by the division to all known affiliates of a provider, provided that each decision to include an affiliate is made on a case-by-case basis after giving due regard to all relevant facts and circumstances. The violation, failure or inadequacy of performance may be imputed to a person with whom the provider is affiliated where that conduct was accomplished within the course of his or her official duty or was effectuated by him or her with the knowledge or approval of that person.

(7) The division may deny or revoke enrollment in the Medicaid program to a provider if any of the following are found to be applicable to the provider, his or her agent, a managing employee or any person having an ownership interest equal to five percent (5%) or greater in the provider:

(a) Failure to truthfully or fully disclose any and all information required, or the concealment of any and all information required, on a claim, a provider application or a provider agreement, or the making of a false or misleading statement to the division relative to the Medicaid program.

(b) Previous or current exclusion, suspension, termination from or the involuntary withdrawing from participation in the Medicaid program, any other state's Medicaid program, Medicare or any other public or private health or health insurance program. If the division ascertains that a provider has been convicted of a felony under federal or state law for an offense that the division determines is detrimental to the best interest of the program or of Medicaid beneficiaries, the division may refuse to enter into an agreement with that provider, or may terminate or refuse to renew an existing agreement.

(c) Conviction under federal or state law of a criminal offense relating to the delivery of any goods, services or supplies, including the performance of management or administrative services relating to the delivery of the goods, services or supplies, under the Medicaid program, any other state's Medicaid program, Medicare or any other public or private health or health insurance program.

(d) Conviction under federal or state law of a criminal offense relating to the neglect or abuse of a patient in connection with the delivery of any goods, services or supplies.

(e) Conviction under federal or state law of a criminal offense relating to the unlawful manufacture, distribution, prescription or dispensing of a controlled substance.

(f) Conviction under federal or state law of a criminal offense relating to fraud, theft, embezzlement, breach of fiduciary responsibility or other financial misconduct.

(g) Conviction under federal or state law of a criminal offense punishable by imprisonment of a year or more that involves moral turpitude, or acts against the elderly, children or infirm.

(h) Conviction under federal or state law of a criminal offense in connection with the interference or obstruction of any investigation into any criminal offense listed in paragraphs (c) through (i) of this subsection.

(i) Sanction for a violation of federal or state laws or rules relative to the Medicaid program, any other state's Medicaid program, Medicare or any other public health care or health insurance program.

(j) Revocation of license or certification.

(k) Failure to pay recovery properly assessed or pursuant to an approved repayment schedule under the Medicaid program.

(l) Failure to meet any condition of enrollment.

(8) (a) As used in this subsection (8), the following terms shall be defined as provided in this paragraph, except as otherwise provided in this subsection:

(i) "Committees" means the Medicaid Committees of the House of Representatives and the Senate, and "committee" means either one of those committees.

(ii) "State Plan" means the agreement between the State of Mississippi and the federal government regarding the nature and scope of Mississippi's Medicaid Program.

(iii) "State Plan Amendment" means a change to the State Plan, which must be approved by the Centers for Medicare and Medicaid Services (CMS) before its implementation.

(b) Whenever the Division of Medicaid proposes a State Plan Amendment, the division shall give notice to the chairmen of the committees at least thirty (30) calendar days before the proposed State Plan Amendment is filed with CMS. The division shall furnish the chairmen with a concise summary of each proposed State Plan Amendment along with the notice, and shall furnish the chairmen with a copy of any

proposed State Plan Amendment upon request. The division also shall provide a summary and copy of any proposed State Plan Amendment to any other member of the Legislature upon request.

(c) If the chairman of either committee or both chairmen jointly object to the proposed State Plan Amendment or any part thereof, the chairman or chairmen shall notify the division and provide the reasons for their objection in writing not later than seven (7) calendar days after receipt of the notice from the division. The chairman or chairmen may make written recommendations to the division for changes to be made to a proposed State Plan Amendment.

(d) (i) The chairman of either committee or both chairman jointly may hold a committee meeting to review a proposed State Plan Amendment. If either chairman or both chairmen decide to hold a meeting, they shall notify the division of their intention in writing within seven (7) calendar days after receipt of the notice from the division, and shall set the date and time for the meeting in their notice to the division, which shall not be later than fourteen (14) calendar days after receipt of the notice from the division.

(ii) After the committee meeting, the committee or committees may object to the proposed State Plan Amendment or any part thereof. The committee or committees shall notify the division and the reasons for their objection in writing not later than seven (7) calendar days after the meeting. The committee or committees may make written recommendations to the division for changes to be made to a proposed State Plan Amendment.

(e) If both chairmen notify the division in writing within seven (7) calendar days after receipt of the notice from the division that they do not object to the proposed State Plan Amendment and will not be holding a meeting to review the proposed State Plan Amendment, the division may proceed to file the proposed State Plan Amendment with CMS.

(f) (i) If there are any objections to a proposed rate change or any part thereof from either or both of the chairmen or the committees, the division may withdraw the proposed State Plan Amendment, make any of the recommended changes to the proposed State Plan Amendment, or not make any changes to the proposed State Plan Amendment.

(ii) If the division does not make any changes to the proposed State Plan Amendment, it shall notify the chairmen of that fact in writing, and may proceed to file the State Plan Amendment with CMS.

(iii) If the division makes any changes to the proposed State Plan Amendment, the division shall notify the chairmen of its actions in writing, and may proceed to file the State Plan Amendment with CMS.

(g) Nothing in this subsection (8) shall be construed as giving the chairmen or the committees any authority to veto, nullify or revise any State Plan Amendment proposed by the division. The authority of the chairmen or the committees under this subsection shall be limited to reviewing, making objections to and making recommendations for changes to State Plan Amendments proposed by the division.

(ii) If the division does not make any changes to the proposed State Plan Amendment, it shall notify the chairmen of that fact in writing, and may proceed to file the proposed State Plan Amendment with CMS.

(iii) If the division makes any changes to the proposed State Plan Amendment, the division shall notify the chairmen of the changes in writing, and may proceed to file the proposed State Plan Amendment with CMS.

(d) Nothing in this subsection (8) shall be construed as giving the chairmen of the committees any authority to veto, nullify or revise any State Plan Amendment proposed by the division. The authority of the chairmen of the committees under this subsection shall be limited to reviewing, making objections to and making recommendations for suggested changes to State Plan Amendments proposed by the division.

SECTION 3. Section 43-13-139, Mississippi Code of 1972, is amended as follows:

43-13-139. Nothing contained in this article shall be construed to prevent the Governor, in his discretion, from discontinuing or limiting medical assistance to any

individuals who are classified or deemed to be within any optional group or optional category of recipients as prescribed under Title XIX of the federal Social Security Act or the implementing federal regulations. If the Congress or the United States Department of Health and Human Services ceases to provide federal matching funds for any group or category of recipients or any type of care and services, the division shall cease state funding for such group or category or such type of care and services, notwithstanding any provision of this article. If any state plan amendment submitted to comply with the provisions of Section 43-13-117 is disapproved by the United States Department of Health and Human Services, the division may operate under the state plan as previously approved by the United States Department of Health and Human Services in order to preserve federal matching funds. The division shall provide notice of the disapproval to the Chairmen of the House and Senate Medicaid Committees.

SECTION 4. Section 41-71-1, Mississippi Code of 1972, is amended as follows:

41-71-1. As used in this chapter, unless the context otherwise requires:

(a) "Home health agency" means a public or privately owned agency or organization, or a subdivision of such an agency or organization, properly authorized to conduct business in Mississippi, which is primarily engaged in providing to individuals, at the written direction of a licensed physician, nurse practitioner, physician assistant or clinical nurse specialist, in the individual's place of residence, skilled nursing services provided by or under the supervision of a registered nurse licensed to practice in Mississippi, and one or more of the following services or items:

- (i) Physical, occupational or speech therapy;

(a) To make rules and regulations whereby the Transportation Department shall change or relocate any and all highways herein or hereafter fixed as constituting a part of the state highway system, as may be deemed necessary or economical in the construction or maintenance thereof; to acquire by gift, purchase, condemnation or otherwise, land or other property whatsoever that may be necessary for a state highway system as herein provided, with full consideration to be given to the stimulation of local public and private investment when acquiring such property in the vicinity of Mississippi towns, cities and population centers;

(b) To enforce by mandamus, or other proper legal remedies, all legal rights or rights of action of the Mississippi Transportation Commission with other public bodies, corporations or persons;

(c) To make and publish rules, regulations and ordinances for the control of and the policing of the traffic on the state highways, and to prevent their abuse by any or all persons, natural or artificial, by trucks, tractors, trailers or any other heavy or destructive vehicles or machines, or by any other means whatsoever, by establishing weights of loads or of vehicles, types of tires, width of tire surfaces, length and width of vehicles, with reasonable variations to meet approximate weather conditions, and all other proper police and protective regulations, and to provide ample means for the enforcement of same. MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2820: Covid-19 Hospital Expanded Capacity Program; require Department of Health to establish and administer.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) The Mississippi Department of Health shall establish and administer the Covid-19 Hospital Expanded Capacity Program for the purpose of providing funds to hospitals that increased treatment capacity related to the COVID-19 pandemic. The program shall make grants to hospitals as a reimbursement for expenses incurred during the period beginning on March 3, 2021, through December 31, 2023, in the following manner:

(a) Funds shall first be expended for the reimbursement to hospitals for the creation of ICU beds at a maximum amount of Two Hundred Thousand Dollars (\$200,000.00) per bed. If the reimbursement for allowable expenditures submitted by all hospitals exceeds the amount of funds appropriated to this program, then the Department of Health shall allocate the reimbursement to each hospital per ICU bed created.

(b) After such reimbursement is made in paragraph (a) of this subsection, any remaining funds shall be used to reimburse hospitals for the creation of negative pressure beds at a maximum amount of Fifty Thousand dollars (\$50,000.00) per bed. If the reimbursement for allowable expenditures submitted by all hospitals exceeds the amount of funds appropriated to this program, then the Department of Health shall allocate the reimbursement to each hospital per negative pressure bed created.

(2) The Department of Health shall:

(a) Promulgate rules and regulations necessary to implement the purposes of this act.

(b) Require all applications for grants to be filed no later than December 31, 2023.

(c) Require recipients of funds under this program to certify that the reimbursement for the creation of the intensive care units or negative pressure room is for allowable expenditures under the American Rescue Plan Act (ARPA) of 2021, Public Law 117-2, which amends Title VI of the Social Security Act; and its implementing guidelines, guidance, rules, regulations and/or other criteria, as may be amended or supplemented from time to time, by the United States Department of the Treasury.

(d) Certify to the Department of Finance and Administration that each expenditure of the funds appropriated to the office under this act is in compliance with the guidelines, guidance, rules, regulations and/or other criteria, as may be amended from time to time, of the United States Department of the Treasury regarding the use of monies from the Coronavirus State Fiscal Recovery Fund in Section 9901 of ARPA.

(3) The department shall not:

(a) Reimburse hospitals for funds expended by the "Mississippi ICU Infrastructure Act," Sections 41-14-1 through 41-14-11.

(b) Reimburse hospitals for professional fees expended in the creation of the beds.

(4) The Department of Health may retain up to One Hundred Fifty Thousand Dollars (\$150,000.00) of the funds appropriated to the program established in this act to pay reasonable expenses incurred in the administration of the program.

(5) The department shall operate and administer the grant program from funds appropriated by the Legislature from the Coronavirus State Fiscal Recovery Funds.

(6) The Department of Health shall submit to the Joint Legislative Budget Committee before October 1 of each year an annual report containing, at a minimum, the number of submitted applications, the amount of grant funds awarded to each hospital for both ICU beds and negative pressure beds, and the number of ICU beds and negative pressure beds that were provided a reimbursement.

(7) This act shall stand repealed on July 1, 2026.

(c) Any change in the existing bed complement of any health care facility through the addition or conversion of any beds or the alteration, modernizing or refurbishing of any unit or department in which the beds may be located; however, if a health care facility has voluntarily delicensed some of its existing bed complement, it may later relicense some or all of its delicensed beds without the necessity of having to acquire a certificate of need. The State Department of Health shall maintain a record of the delicensing health care facility and its voluntarily delicensed beds and continue counting those beds as part of the state's total bed count for health care planning purposes. If a health care facility that has voluntarily delicensed some of its beds later desires to relicense some or all of its voluntarily delicensed beds, it shall notify the State Department of Health of its intent to increase the number of its licensed beds. The State Department of Health shall survey the health care facility within thirty (30) days of that notice and, if appropriate, issue the health care facility a new license reflecting the new contingent of beds. However, in no event may a health care facility that has voluntarily delicensed some of its beds be reissued a license to operate beds in excess of its bed count before the voluntary delicensure of some of its beds without seeking certificate of need approval;

This written agreement by the recipient of the certificate of need shall be a condition of the issuance of the certificate of need under this paragraph, and the agreement shall be fully binding on any subsequent owner of the nursing facility if the ownership of the nursing facility is transferred at any time after the issuance of the certificate of need. After this written agreement is executed, the Division of Medicaid and the State Department of Health shall not certify any of the beds in the nursing facility for participation in the Medicaid program. If the nursing facility violates the terms of the written agreement by admitting or keeping in the nursing facility on a regular or continuing basis any patients who are participating in the Medicaid program, the State Department of Health shall revoke the license of the nursing facility, at the time that the department determines, after a hearing complying with due process, that the nursing facility has violated the condition upon which the certificate of need was issued, as provided in this paragraph and in the written agreement. If the certificate of need authorized under this paragraph is not issued within twelve (12) months after July 1, 2001, the department shall deny the application for the certificate of need and shall not issue the certificate of need at any time after the twelve-month period, unless the issuance is contested. If the certificate of need is issued and substantial construction of the nursing facility beds has not commenced within eighteen (18) months after July 1, 2001, the State Department of Health, after a hearing complying with due process, shall revoke the certificate of need if it is still outstanding, and the department shall not issue a license for the nursing facility at any time after the eighteen-month period. However, if the issuance of the certificate of need is contested, the department shall require substantial construction of the nursing facility beds within six (6) months after final adjudication on the issuance of the certificate of need.

(n) The department may issue a certificate of need for the new construction, addition or conversion of skilled nursing facility beds in Madison County, provided that the recipient of the certificate of need agrees in writing that the skilled nursing facility will not at any time participate in the Medicaid program (Section 43-13-101 et seq.) or admit or keep any patients in the skilled nursing facility who are participating in the Medicaid program. This written agreement by the recipient of the certificate of need shall be fully binding on any subsequent owner of the skilled nursing facility, if the ownership of the facility is transferred at any time after the issuance of the certificate of need. Agreement that the skilled nursing facility will not participate in the Medicaid program shall be a condition of the issuance of a certificate of need to any person under this paragraph (n), and if such skilled nursing facility at any time after the issuance of the certificate of need, regardless of the ownership of the facility, participates in the Medicaid program or admits or keeps any patients in the facility who are participating in the Medicaid program, the State Department of Health shall revoke the certificate of need, if it is still outstanding, and shall deny or revoke the license of the skilled nursing facility, at the time that the department determines, after a hearing complying with due process, that the facility has failed to comply with any of the conditions upon which the certificate of need was issued, as provided in this paragraph and in the written agreement by the recipient of the certificate of need. The total number of nursing facility beds that may be authorized by any certificate of need issued under this paragraph (n) shall not exceed sixty (60) beds. If the certificate of need authorized under this paragraph is not issued within twelve (12) months after July 1, 1998, the department shall deny the application for the certificate of

need and shall not issue the certificate of need at any time after the twelve-month period, unless the issuance is contested. If the certificate of need is issued and substantial construction of the nursing facility beds has not commenced within eighteen (18) months after July 1, 1998, the State Department of Health, after a hearing complying with due process, shall revoke the certificate of need if it is still outstanding, and the department shall not issue a license for the nursing facility at any time after the eighteen-month period. However, if the issuance of the certificate of need is contested, the department shall require substantial construction of the nursing facility beds within six (6) months after final adjudication on the issuance of the certificate of need.

(o) The department may issue a certificate of need for the new construction, addition or conversion of skilled nursing facility beds in Leake County, provided that the recipient of the certificate of need agrees in writing that the skilled nursing facility will not at any time participate in the Medicaid program (Section 43-13-101 et seq.) or admit or keep any patients in the skilled nursing facility who are participating in the Medicaid program. This written agreement by the recipient of the certificate of need shall be fully binding on any subsequent owner of the skilled nursing facility, if the ownership of the facility is transferred at any time after the issuance of the certificate of need. Agreement that the skilled nursing facility will not participate in the Medicaid program shall be a condition of the issuance of a certificate of need to any person under this paragraph (o), and if such skilled nursing facility at any time after the issuance of the certificate of need, regardless of the ownership of the facility, participates in the Medicaid program or admits or keeps any patients in the facility who are participating in the Medicaid program, the State Department of Health shall revoke the certificate of need, if it is still outstanding, and shall deny or revoke the license of the skilled nursing facility, at the time that the department determines, after a hearing complying with due process, that the facility has failed to comply with any of the conditions upon which the certificate of need was issued, as provided in this paragraph and in the written agreement by the recipient of the certificate of need. The total number of nursing facility beds that may be authorized by any certificate of need issued under this paragraph (o) shall not exceed sixty (60) beds. If the certificate of need authorized under this paragraph is not issued within twelve (12) months after July 1, 2001, the department shall deny the application for the certificate of need and shall not issue the certificate of need at any time after the twelve-month period, unless the issuance is contested. If the certificate of need is issued and substantial construction of the nursing facility beds has not commenced within eighteen (18) months after July 1, 2001, the State Department of Health, after a hearing complying with due process, shall revoke the certificate of need if it is still outstanding, and the department shall not issue a license for the nursing facility at any time after the eighteen-month period. However, if the issuance of the certificate of need is contested, the department shall require substantial construction of the nursing facility beds within six (6) months after final adjudication on the issuance of the certificate of need.

This written agreement by the recipient of the certificate of need shall be fully binding on any subsequent owner of the skilled nursing facility, if the ownership of the facility is transferred at any time after the issuance of the certificate of need. Agreement that the skilled nursing facility will not participate in the Medicaid program shall be a condition of the issuance of a certificate of need to any person under this paragraph (p), and if such skilled nursing facility at any time after the issuance of the certificate of need, regardless of the ownership of the facility, participates in the Medicaid program or admits or keeps any patients in the facility who are participating in the Medicaid program, the State Department of Health shall revoke the certificate of need, if it is still outstanding, and shall deny or revoke the license of the skilled nursing facility, at the time that the department determines, after a hearing complying with due process, that the facility has failed to comply with any of the conditions upon which the certificate of need was issued, as provided in this paragraph and in the written agreement by the recipient of the certificate

of need. The provision of Section 41-7-193(1) regarding substantial compliance of the projection of need as reported in the current State Health Plan is waived for the purposes of this paragraph. If the certificate of need authorized under this paragraph is not issued within twelve (12) months after July 1, 1998, the department shall deny the application for the certificate of need and shall not issue the certificate of need at any time after the twelve-month period, unless the issuance is contested. If the certificate of need is issued and substantial construction of the nursing facility beds has not commenced within eighteen (18) months after July 1, 1998, the State Department of Health, after a hearing complying with due process, shall revoke the certificate of need if it is still outstanding, and the department shall not issue a license for the nursing facility at any time after the eighteen-month period. However, if the issuance of the certificate of need is contested, the department shall require substantial construction of the nursing facility beds within six (6) months after final adjudication on the issuance of the certificate of need.

(q) (i) Beginning on July 1, 1999, the State Department of Health shall issue certificates of need during each of the next four (4) fiscal years for the construction or expansion of nursing facility beds or the conversion of other beds to nursing facility beds in each county in the state having a need for fifty (50) or more additional nursing facility beds, as shown in the fiscal year 1999 State Health Plan, in the manner provided in this paragraph (q). The total number of nursing facility beds that may be authorized by any certificate of need authorized under this paragraph (q) shall not exceed sixty (60) beds.

(ii) Subject to the provisions of subparagraph (v), during each of the next four (4) fiscal years, the department shall issue six (6) certificates of need for new nursing facility beds, as follows: During fiscal years 2000, 2001 and 2002, one (1) certificate of need shall be issued for new nursing facility beds in the county in each of the four (4) Long-Term Care Planning Districts designated in the fiscal year 1999 State Health Plan that has the highest need in the district for those beds; and two (2) certificates of need shall be issued for new nursing facility beds in the two (2) counties from the state at large that have the highest need in the state for those beds, when considering the need on a statewide basis and without regard to the Long-Term Care Planning Districts in which the counties are located. During fiscal year 2003, one (1) certificate of need shall be issued for new nursing facility beds in any county having a need for fifty (50) or more additional nursing facility beds, as shown in the fiscal year 1999 State Health Plan, that has not received a certificate of need under this paragraph (q) during the three (3) previous fiscal years. During fiscal year 2000, in addition to the six (6) certificates of need authorized in this subparagraph, the department also shall issue a certificate of need for new nursing facility beds in Amite County and a certificate of need for new nursing facility beds in Carroll County.

(iii) Subject to the provisions of subparagraph (v), the certificate of need issued under subparagraph (ii) for nursing facility beds in each Long-Term Care Planning District during each fiscal year shall first be available for nursing facility beds in the county in the district having the highest need for those beds, as shown in the fiscal year 1999 State Health Plan. If there are no applications for a certificate of need for nursing facility beds in the county having the highest need for those beds by the date specified by the department, then the certificate of need shall be available for nursing facility beds in other counties in the district in descending order of the need for those beds, from the county with the second highest need to the county with the lowest need, until an application is received for nursing facility beds in an eligible county in the district.

(iv) Subject to the provisions of subparagraph (v), the certificate of need issued under subparagraph (ii) for nursing facility beds in the two (2) counties from the state at large during each fiscal year shall first be available for nursing facility beds in the two (2) counties that have the highest need in the state for those beds, as shown in the fiscal year 1999 State Health Plan, when considering the need on a statewide basis and without regard to the Long-Term Care Planning Districts in which the counties are located. If there are no applications for a certificate of need for nursing facility beds in either of the two (2) counties having the highest need for those beds on a statewide basis by the date specified by the department, then the certificate of need shall be available for nursing facility beds in other counties from the state at large in descending order of the need for those beds on a statewide basis, from the county with the second

highest need to the county with the lowest need, until an application is received for nursing facility beds in an eligible county from the state at large.

(v) If a certificate of need is authorized to be issued under this paragraph (q) for nursing facility beds in a county on the basis of the need in the Long-Term Care Planning District during any fiscal year of the four-year period, a certificate of need shall not also be available under this paragraph (q) for additional nursing facility beds in that county on the basis of the need in the state at large, and that county shall be excluded in determining which counties have the highest need for nursing facility beds in the state at large for that fiscal year. After a certificate of need has been issued under this paragraph (q) for nursing facility beds in a county during any fiscal year of the four-year period, a certificate of need shall not be available again under this paragraph (q) for additional nursing facility beds in that county during the four-year period, and that county shall be excluded in determining which counties have the highest need for nursing facility beds in succeeding fiscal years.

(vi) If more than one (1) application is made for a certificate of need for nursing home facility beds available under this paragraph (q), in Yalobusha, Newton or Tallahatchie County, and one (1) of the applicants is a county-owned hospital located in the county where the nursing facility beds are available, the department shall give priority to the county-owned hospital in granting the certificate of need if the following conditions are met:

1. The county-owned hospital fully meets all applicable criteria and standards required to obtain a certificate of need for the nursing facility beds; and

2. The county-owned hospital's qualifications for the certificate of need, as shown in its application and as determined by the department, are at least equal to the qualifications of the other applicants for the certificate of need.

(r) (i) Beginning on July 1, 1999, the State Department of Health shall issue certificates of need during each of the next two (2) fiscal years for the construction or expansion of nursing facility beds or the conversion of other beds to nursing facility beds in each of the four (4) Long-Term Care Planning Districts designated in the fiscal year 1999 State Health Plan, to provide care exclusively to patients with Alzheimer's disease.

(ii) Not more than twenty (20) beds may be authorized by any certificate of need issued under this paragraph (r), and not more than a total of sixty (60) beds may be authorized in any Long-Term Care Planning District by all certificates of need issued under this paragraph (r). However, the total number of beds that may be authorized by all certificates of need issued under this paragraph (r) during any fiscal year shall not exceed one hundred twenty (120) beds, and the total number of beds that may be authorized in any Long-Term Care Planning District during any fiscal year shall not exceed forty (40) beds. Of the certificates of need that are issued for each Long-Term Care Planning District during the next two (2) fiscal years, at least one (1) shall be issued for beds in the northern part of the district, at least one (1) shall be issued for beds in the central part of the district, and at least one (1) shall be issued for beds in the southern part of the district.

(iii) The State Department of Health, in consultation with the Department of Mental Health and the Division of Medicaid, shall develop and prescribe the staffing levels, space requirements and other standards and requirements that must be met with regard to the nursing facility beds authorized under this paragraph (r) to provide care exclusively to patients with Alzheimer's disease.

(s) The State Department of Health may issue a certificate of need to a nonprofit skilled nursing facility using the Green House model of skilled nursing care and located in Yazoo City, Yazoo County, Mississippi, for the construction, expansion or conversion of not more than nineteen (19) nursing facility beds. For purposes of this paragraph (s), the provisions of Section 41-7-193(1) requiring substantial compliance with the projection of need as reported in the current State Health Plan and the provisions of Section 41-7-197 requiring a formal certificate of need hearing process are waived. There shall be no prohibition or restrictions on participation in the Medicaid program for the person receiving the certificate of need authorized under this paragraph (s).

(t) The State Department of Health shall issue certificates of need to the owner of a nursing facility in operation at the time of Hurricane Katrina in Hancock County that was not operational on December 31, 2005, because of damage sustained from Hurricane Katrina to authorize the following: (i) the construction of a new nursing facility in Harrison County; (ii) the relocation of forty-nine (49) nursing facility beds from the Hancock County facility to the new Harrison County facility; (iii) the establishment of not more than twenty (20) non-Medicaid nursing facility beds at the Hancock County facility; and (iv) the establishment of not more than twenty (20) non-Medicaid beds at the new Harrison County facility. The certificates of need that authorize the non-Medicaid nursing facility beds under subparagraphs (iii) and (iv) of this paragraph (t) shall be subject to the following conditions: The owner of the Hancock County facility and the new Harrison County facility must agree in writing that no more than fifty (50) of the beds at the Hancock County facility and no more than forty-nine (49) of the beds at the Harrison County facility will be certified for participation in the Medicaid program, and that no claim will be submitted for Medicaid reimbursement for more than fifty (50) patients in the Hancock County facility in any month, or for more than forty-nine (49) patients in the Harrison County facility in any month, or for any patient in either facility who is in a bed that is not Medicaid-certified. This written agreement by the owner of the nursing facilities shall be a condition of the issuance of the certificates of need under this paragraph (t), and the agreement shall be fully binding on any later owner or owners of either facility if the ownership of either facility is transferred at any time after the certificates of need are issued. After this written agreement is executed, the Division of Medicaid and the State Department of Health shall not certify more than fifty (50) of the beds at the Hancock County facility or more than forty-nine (49) of the beds at the Harrison County facility for participation in the Medicaid program. If the Hancock County facility violates the terms of the written agreement by admitting or keeping in the facility on a regular or continuing basis more than fifty (50) patients who are participating in the Medicaid program, or if the Harrison County facility violates the terms of the written agreement by admitting or keeping in the facility on a regular or continuing basis more than forty-nine (49) patients who are participating in the Medicaid program, the State Department of Health shall revoke the license of the facility that is in violation of the agreement, at the time that the department determines, after a hearing complying with due process, that the facility has violated the agreement.

(u) The State Department of Health shall issue a certificate of need to a nonprofit venture for the establishment, construction and operation of a skilled nursing facility of not more than sixty (60) beds to provide skilled nursing care for ventilator dependent or otherwise medically dependent pediatric patients who require medical and nursing care or rehabilitation services to be located in a county in which an academic medical center and a children's hospital are located, and for any construction and for the acquisition of equipment related to those beds. The facility shall be authorized to keep such ventilator dependent or otherwise medically dependent pediatric patients beyond age twenty-one (21) in accordance with regulations of the State Board of Health. For purposes of this paragraph (u), the provisions of Section 41-7-193(1) requiring substantial compliance with the projection of need as reported in the current State Health Plan are waived, and the provisions of Section 41-7-197 requiring a formal certificate of need hearing process are waived. The beds authorized by this paragraph shall be counted as pediatric skilled nursing facility beds for health planning purposes under Section 41-7-171 et seq. There shall be no prohibition of or restrictions on participation in the Medicaid program for the person receiving the certificate of need authorized by this paragraph.

This written agreement by the recipient of the certificate of need shall be a condition of the issuance of the certificate of need under this paragraph, and the agreement shall be fully binding on any subsequent owner of the psychiatric residential treatment facility if the ownership of the facility is transferred at any time after the issuance of the certificate of need. After this written agreement is executed, the Division of Medicaid and the State Department of Health shall not certify more than fifteen (15) of the beds in the psychiatric residential treatment facility for participation in the Medicaid program. As a condition of issuance of the certificate of need under this paragraph, the facility shall give priority in admissions to the child/adolescent psychiatric residential treatment facility beds authorized under this paragraph to patients who otherwise would require out-of-state placement. The Division of Medicaid, in conjunction with the Department of Human Services, shall furnish the facility a list of all out-of-state patients on a quarterly basis. Furthermore, notice shall also be provided to the parent, custodial parent or guardian of each out-of-state patient notifying them of the priority status granted by this paragraph. Any such hospital must be in conformance with the federal regulations regarding such swing-bed concept at the time it submits its application for a certificate of need to the State Department of Health, except that such hospital may have more licensed beds or a higher average daily census (ADC) than the maximum number specified in federal regulations for participation in the swing-bed program. Any hospital meeting all federal requirements for participation in the swing-bed program which receives such certificate of need shall render services provided under the swing-bed concept to any patient eligible for Medicare (Title XVIII of the Social Security Act) who is certified by a physician to be in need of such services, and no such hospital shall permit any patient who is eligible for both Medicaid and Medicare or eligible only for Medicaid to stay in the swing beds of the hospital for more than thirty (30) days per admission unless the hospital receives prior approval for such patient from the Division of Medicaid, Office of the Governor. When any such hospital has a patient staying in the swing beds of the hospital and the hospital receives notice from a nursing home located within such radius that there is a vacant bed available for that patient, the hospital shall transfer the patient to the nursing home within a reasonable time after receipt of the notice. Any hospital which is subject to the requirements of the two (2) preceding sentences of this subsection may be suspended from participation in the swing-bed program for a reasonable period of time by the State Department of Health if the department, after a hearing complying with due process, determines that the hospital has failed to comply with any of those requirements.

For purposes of this subsection (8), the provisions of Section 41-7-193(1) requiring substantial compliance with the projection of need as reported in the current State Health Plan and the provisions of Section 41-7-197 requiring a formal certificate of need hearing process are waived. There shall be no prohibition or restrictions on participation in the Medicaid program for the person receiving the certificate of need authorized under this subsection (8).

(9) The Department of Health shall not grant approval for or issue a certificate of need to any person proposing the establishment of, or expansion of the currently approved territory of, or the contracting to establish a home office, subunit or branch office within the space operated as a health care facility as defined in Section 41-7-173(h)(i) through (viii) by a health care facility as defined in subparagraph (ix) of Section 41-7-173(h).

(10) Health care facilities owned and/or operated by the state or its agencies are exempt from the restraints in this section against issuance of a certificate of need if such addition or expansion consists of repairing or renovation necessary to comply with the state licensure law. This exception shall not apply to the new construction of any building by such state facility. This exception shall not apply to any health care facilities owned and/or operated by counties, municipalities, districts, unincorporated areas, other defined persons, or any combination thereof.

(12) The new construction, renovation or expansion of or addition to any veterans homes or domiciliaries for eligible veterans of the State of Mississippi as authorized under Section 35-1-19 shall not require the issuance of a certificate of need, notwithstanding any provision in Section 41-7-171 et seq. to the contrary.

(13) The repair or the rebuilding of an existing, operating health care facility that sustained significant damage from a natural disaster that occurred after April 15, 2014, in an area that is proclaimed a disaster area or subject to a state of emergency by the Governor or by the President of the United States shall be exempt from all of the requirements of the Mississippi Certificate of Need Law (Section 41-7-171 et seq.) and any and all rules and regulations promulgated under that law, subject to the following conditions:

(a) The repair or the rebuilding of any such damaged health care facility must be within one (1) mile of the pre-disaster location of the campus of the damaged health care facility, except that any temporary post-disaster health care facility operating location may be within five (5) miles of the pre-disaster location of the damaged health care facility;

(b) The repair or the rebuilding of the damaged health care facility (i) does not increase or change the complement of its bed capacity that it had before the Governor's or the President's proclamation, (ii) does not increase or change its levels and types of health care services that it provided before the Governor's or the President's proclamation, and (iii) does not rebuild in a different county; however, this paragraph does not restrict or prevent a health care facility from decreasing its bed capacity that it had before the Governor's or the President's proclamation, or from decreasing the levels of or decreasing or eliminating the types of health care services that it provided before the

Governor's or the President's proclamation, when the damaged health care facility is repaired or rebuilt;

(c) The exemption from Certificate of Need Law provided under this subsection (13) is valid for only five (5) years from the date of the Governor's or the President's proclamation. If actual construction has not begun within that five-year period, the exemption provided under this subsection is inapplicable; and

(d) The Division of Health Facilities Licensure and Certification of the State Department of Health shall provide the same oversight for the repair or the rebuilding of the damaged health care facility that it provides to all health care facility construction projects in the state.

For the purposes of this subsection (13), "significant damage" to a health care facility means damage to the health care facility requiring an expenditure of at least One Million Dollars (\$1,000,000.00).

The authorization for the transfer of those beds shall be exempt from the certificate of need review process.

(16) The State Department of Health shall issue any certificates of need necessary for Mississippi State University and a public or private health care provider to jointly acquire and operate a linear accelerator and a magnetic resonance imaging unit. Those certificates of need shall cover all capital expenditures related to the project between Mississippi State University and the health care provider, including, but not limited to, the acquisition of the linear accelerator, the magnetic resonance imaging unit and other radiological modalities; the offering of linear accelerator and magnetic resonance imaging services; and the cost of construction of facilities in which to locate these services. The linear accelerator and the magnetic resonance imaging unit shall be (a) located in the City of Starkville, Oktibbeha County, Mississippi; (b) operated jointly by Mississippi State University and the public or private health care provider selected by Mississippi State University through a request for proposals (RFP) process in which Mississippi State University selects, and the Board of Trustees of State Institutions of Higher Learning approves, the health care provider that makes the best overall proposal; (c) available to Mississippi State University for research purposes two-thirds (2/3) of the time that the linear accelerator and magnetic resonance imaging unit are operational; and (d) available to the public or private health care provider selected by Mississippi State University and approved by the Board of Trustees of State Institutions of Higher Learning one-third (1/3) of the time for clinical, diagnostic and treatment purposes. For purposes of this subsection, the provisions of Section 41-7-193(1) requiring substantial compliance with the projection of need as reported in the current State Health Plan are waived.

(17) The State Department of Health shall issue a certificate of need for the construction of an acute care hospital in Kemper County, not to exceed twenty-five (25) beds, which shall be named the "John C. Stennis Memorial Hospital." In issuing the certificate of need under this subsection, the department shall give priority to a hospital located in Lauderdale County that has two hundred fifteen (215) beds. For purposes of this subsection, the provisions of Section 41-7-193(1) requiring substantial compliance with the projection of need as reported in the current State Health Plan and the provisions of Section 41-7-197 requiring a formal certificate of need hearing process are waived. (18) The planning, design, construction, renovation, addition, furnishing and equipping of a clinical research unit at any health care facility defined in Section 41-7-173(h) that is under the direction and control of the University of Mississippi Medical Center and located in Jackson, Mississippi, and the addition of new beds or the conversion of beds from one (1) category to another in any such clinical research unit, shall not require the issuance of a certificate of need under Section 41-7-171 et seq., notwithstanding any provision in Section 41-7-171 et seq. to the contrary.

(19) [Repealed]

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 453: Mississippi Tourism Recovery Fund - Round 2 and Mississippi Destination Development Fund; create.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. The COVID-19 public health emergency has had a significant negative impact on Mississippi's tourism industry and its nonprofit museums. American Rescue Plan Act funds are specifically targeted toward assisting in the recovery of the tourism and hospitality sectors. The funds provided in this act are necessary expenditures related to COVID-19, the purpose of which is to publicize the resumption of tourism activities and steps taken to ensure a safe tourism experience and to support the travel and hospitality economy of Mississippi.

SECTION 2. (1) As used in this section, the following words and phrases shall have the meanings ascribed in this section unless the context clearly indicates otherwise:

(a) "Destination marketing organization" means:

(i) Special local governmental units created by local and private laws of the State of Mississippi for the purpose of tourism promotion, funded by

special local tax levies, and staffed with professionals engaged in out-of-state tourism marketing and tourism product development for municipalities, counties and/or regions; or

(ii) Publicly-funded local organizations that engage in out-of-state tourism marketing and tourism development for municipalities, counties and/or regions.

(b) "Marketing activities" means multimedia marketing and advertising, including digital media, broadcast media and printed media, including travel publications, production, travel market sector analysis, consumer travel sentiment, public relations, communication strategy, direct sales bookings, group tour bookings, tourism development and administrative costs to execute marketing activities related to the business disruption effects of the Coronavirus Disease 2019 as expressed in Section 1 of this act.

(2) (a) The Department of Finance and Administration shall establish a program for the purpose of providing funds to assist destination marketing organizations in paying costs for marketing activities as provided in this section. Monies disbursed by the Department of Finance and Administration under this section shall be disbursed in compliance with all requirements and/or conditions on funds appropriated from the Coronavirus State Fiscal Recovery Fund for the program established under this section. (ii) Not more than Twenty Million Five Hundred Seventy-two Thousand Four Hundred Forty-three Dollars (\$20,572,443.00) of such monies shall be allocated to destination marketing organizations based on the proportion that a destination marketing organization's contribution toward total tourism visitors in the state according to the 2019 Fiscal Year Visit Mississippi Visitors Profile Report bears to all destination marketing organizations' contributions toward total tourism visitors in the state according to the 2019 Fiscal Year Visit Mississippi Visitors Profile Report. However, a destination marketing organization shall not receive an amount less than Two Hundred Fifty Thousand Dollars (\$250,000.00) under this subparagraph (ii).

(b) Within fifteen (15) days after the effective date of this act, the Department of Finance and Administration shall distribute the funds allocated under paragraph (a) of this subsection (2) to eligible destination marketing organizations. Before receiving funds under this subsection (2), a destination marketing organization must certify to the Department of Finance and Administration that:

(c) Destination marketing organizations receiving funds under this subsection (2) shall keep and maintain records related to expenditures. Destination marketing organizations receiving funds under this subsection (2) shall also track impacts of their marketing activities through special levy tax receipts, hotel occupancy indicators, other tourism industry metrics, and analytics from marketing campaigns, as appropriate. Such destination marketing organizations shall provide semi-annual reports on expenditures and economic impacts of their marketing activities to the Department of Finance and Administration, the Governor, the Lieutenant Governor, the Speaker of the House of Representatives and the Department of Audit.

(d) Subject to applicable purchasing laws, destination marketing organizations will give preference, when available and practical, to Mississippi-based companies for any new contracts entered into for marketing activities.

(3) The Department of Finance and Administration and the Department of Audit shall have all powers necessary for the implementation of this section.

The purchaser of the personalized license tag may choose the combination of such letters or numbers, but no two (2) motor vehicles or trailers shall have the same combination of letters or numbers. In the event that the same combination of letters has been chosen by two (2) or more purchasers, the Department of Revenue shall assign a different number to each such purchaser which shall appear on the license tag following the combination of letters; however, this combination shall not exceed seven (7) letters and/or numbers. No combination of letters or numbers which comprise words or expressions that are considered obscene, slandering, insulting or vulgar in ordinary usage shall be permitted, with the Commissioner of Revenue having the responsibility of making this determination. If, however, such license plate is issued in error or otherwise and is determined by the commissioner to be obscene, slanderous, insulting, vulgar or offensive, the commissioner shall notify the owner that the license plate must be surrendered and that another personalized license plate may be selected by him and issued at no cost.

(b) As an alternative to the personalized license tag being of the same color as regular license tags, an owner of a motor vehicle or noncommercial trailer may choose a personalized tag with a black background and a white pinstripe border. "Mississippi" shall be printed at the top, and the name of the county shall be printed at the bottom. The application and the additional fee, less Two Dollars (\$2.00) to be retained by the tax collector, shall be remitted to the Department of Revenue within seven (7) days of the date the application is made. In all other respects, and except for the amount and distribution of the additional fee in subsection (4) of this section, tags issued under this paragraph (b) shall follow the guidelines for tags issued under paragraph (a) of this subsection.

(c) Should the vehicle or trailer owner not desire another personalized license plate, the fee for such plate shall be refunded. In the event the owner fails to surrender the license plate after receiving proper notification, the commissioner shall issue an order directing that the license plate be seized by agents of the Department of Revenue or any other duly authorized law enforcement personnel.

(2) For the purposes of this section the terms "motor vehicle" and "vehicle" include motorcycles.

(3) Application for the personalized license tags shall be made to the county tax collector on forms prescribed by the Department of Revenue. The application form shall contain space for the applicant to make five (5) different choices for the combination of the letters and numbers in the order in which the combination is desired by the applicant. The application and the additional fee, less five percent (5%) thereof to be retained by the tax collector, shall be remitted to the Department of Revenue within seven (7) days of the date the application is made. The portion of the additional fee retained by the tax collector shall be deposited into the county general fund.

(4) (a) Beginning with any registration year commencing on or after November 1, 1986, any person applying for a personalized license tag shall pay an additional fee which shall be in addition to all other taxes and fees. The additional fee paid shall be for a period of time to run concurrently with the vehicle's or trailer's established license tag year. The additional fee of Thirty Dollars (\$30.00) or, for alternative tags issued under subsection (1)(b) of this section, Fifty Dollars (\$50.00) is due and payable at the time the original application is made for a personalized tag and thereafter annually at the time of renewal registration as long as the owner retains the personalized tag. If the owner does not wish to retain the personalized tag, he must surrender it to the local county tax collector. The additional fee due at the time of renewal registration shall be collected by the county tax collector and remitted to the Department of Revenue on a monthly basis as prescribed by the department.

(b) The Department of Revenue shall deposit all taxes and fees into the State Treasury on the day collected. At the end of each month, the Department of Revenue shall certify the total fees collected under this section to the State Treasurer who shall distribute the fees as follows:

(i) For tags issued under subsection (1)(a) of this section, Sixteen Dollars and Twenty-five Cents (\$16.25) of each additional fee shall be deposited to the credit of the State General Fund, and the remainder of each such additional fee shall be deposited to the credit of the State Highway Fund to be expended solely for the repair, maintenance, construction or reconstruction of highways.

(ii) For alternative tags issued under subsection (1)(b) of this section, Thirty-six Dollars and Twenty-five Cents (\$36.25) of each additional fee shall be deposited to the credit of the Law Enforcement Officers and Fire Fighters Death Benefits Trust Fund established in Section 45-2-1 and the remainder of each such additional fee shall be deposited to the credit of the State Highway Fund to be expended solely for the repair, maintenance, construction or reconstruction of highways.

(5) A regular license tag must be properly displayed as required by law until replaced by a personalized license tag; and the regular license tag must be surrendered to the tax collector upon issuance of the personalized license tag. The tax collector shall issue up to two (2) license decals for the personalized license tag, which will expire the same month and year as the original license tag.

(6) The applicant shall receive a refund of the fee paid for a personalized license tag if the personalized license tag is not issued to him because the combination of letters and numbers requested to be placed thereon is not available for any reason.

(7) In the case of loss or theft of a personalized license tag, the owner may make application and affidavit for a replacement license tag as provided by Section 27-19-37. The fee for a replacement personalized license tag shall be Ten Dollars (\$10.00). The tax collector receiving such application and affidavit shall be entitled to retain and deposit into the county general fund five percent (5%) of the fee for such replacement license tag and the remainder shall be distributed in the same manner as funds from the sale of regular license tags.

(8) The owner of a personalized license tag may make application for a duplicate of such tag. The fee for such duplicate personalized license tag shall be Ten Dollars (\$10.00). The tax collector receiving the application shall be entitled to retain and deposit into the county general fund five percent (5%) of the fee for such duplicate personalized license tag and the remainder shall be distributed in the same manner as funds from the sale of regular license tags. A duplicate personalized license tag may not be fastened to the rear of a vehicle or trailer and may not be utilized as a replacement for

any personalized license tag issued pursuant to this section. Month decals and year decals shall not be issued for duplicate personalized license tags and month decals and year decals shall not be attached to duplicate personalized license tags.

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 451: Nonadmitted policy fee; delete repealer on.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 83-34-4, Mississippi Code of 1972, is amended as follows:

83-34-4. (1) Nonadmitted insurers shall not be assessable insurers of the association. All surplus lines insurance producers placing insurance through nonadmitted

insurers shall collect from the insured and remit to the association a nonadmitted policy fee on all premiums for all insurance written by such surplus lines insurance producer for a policy from a nonadmitted insurer for any and all risks in this state, except that policies or portions thereof that cover residential earthquake risks or residential flood risks that are not written through the National Flood Insurance Program shall be exempt from the nonadmitted policy fee. By procuring or selling insurance on property in this state from a nonadmitted insurer, each surplus lines insurance producer placing insurance through a nonadmitted insurer agrees to be bound by the provisions of this chapter and to collect and remit the nonadmitted policy fee provided for herein.

(2) The nonadmitted policy fee shall be a percentage of the total policy premium but the nonadmitted policy fee shall not be considered premium and is not subject to premium taxes or commissions. However, failure to pay the nonadmitted policy fee shall be treated the same as failure to pay premium. "Total policy premium" includes taxes and commissions.

(3) The nonadmitted policy fee percentage shall be three percent (3%).

(4) Within twenty (20) days of the end of the quarter, surplus lines insurance producers placing insurance through nonadmitted insurers shall remit directly to the association all nonadmitted policy fees collected in the preceding quarter. In addition to the nonadmitted policy fee provided for herein, surplus lines insurance producers placing insurance through nonadmitted insurers shall collect and remit excess deficit surcharges as provided by this chapter. Surplus lines insurance producers placing insurance through nonadmitted insurers may designate another surplus lines insurance producer that actually procured the insurance from the nonadmitted carrier to collect and remit the nonadmitted policy fees.

(5) Each insured in this state who directly procures or renews insurance with a nonadmitted insurer on properties, risks or exposures located or to be performed, in whole or in part, in this state, other than insurance procured through a surplus lines licensee, shall be subject to the nonadmitted policy fee which shall be paid by the insured according to the procedures provided for premium taxes in Section 83-21-17(5).

(6) Monies derived from the nonadmitted policy fee collected under this section shall not be considered public funds and may be used by the association, in addition to any uses provided for in Section 83-34-3(4), for education, public outreach, training of building officials and other programs targeted to reduce the number of policies within the association; however, beginning on July 1, 2018, and ending on June 30, 2019, before any fees are remitted to the association, One Million Five Hundred Thousand Dollars (\$1,500,000.00) shall be diverted and deposited into the Capital Expense Fund, and Four Million Five Hundred Thousand Dollars (\$4,500,000.00) shall be diverted and deposited into the Rural Fire Truck Fund or Supplementary Rural Fire Truck Fund. Further, beginning July 1, 2019, and ending on June 30, 2020, before any fees are remitted to the association, Three Million Five Hundred Thousand Dollars (\$3,500,000.00) shall be diverted and deposited into the Rural Fire Truck Fund or Supplementary Rural Fire Truck Fund. Further, beginning July 1, 2022, before any fees are remitted to the association but only if the association will receive at least sixty percent (60%) of the fees, Five Hundred Thousand Dollars (\$500,000.00) shall be diverted and deposited annually into the Mississippi First Responders Health and Safety Trust Fund created in Section 2 of this act. Further, beginning July 1, 2022, but only if the association will receive at least sixty percent (60%) of the fees and the Mississippi First Responders Health and Safety Trust Fund has received the diversion of Five Hundred Thousand Dollars (\$500,000.00), Three Million Five Hundred Thousand Dollars (\$3,500,000.00) shall be diverted and deposited annually into the Commissioner of Insurance Discretionary Fire Fund created in Section 3 of this act. Further, beginning July 1, 2022, after the association has received sixty percent (60%) of the fees and after all other diversions are made, fifty percent (50%) of any excess amount shall be remitted to the association and fifty percent (50%) of any excess amount shall be diverted and deposited annually into the Commissioner of Insurance Discretionary Fire Fund.

In the event the value of the association's Total Admitted Assets, as defined by the audited financial statement, is less than Two Hundred Fifty Million Dollars (\$250,000,000.00), the monies diverted and not remitted to the association under this

subsection (6) during that fiscal year and subsequent fiscal years shall immediately be diverted to the association and shall not be considered public funds.

(7) * * * The association may use excess funds to purchase reinsurance in an amount that may exceed the total premiums collected from policyholders.

SECTION 2. There is created in the State Treasury a special fund to be designated as the "Mississippi First Responders Health and Safety Trust Fund" to be administered by the Commissioner of Insurance, upon appropriation by the Legislature, to assist the state, municipalities, counties and fire protection districts with providing benefits required by the Mississippi First Responders Health and Safety Act. The commissioner shall notify the Chairmen of the House and Senate Insurance Committees in advance of any distributions made from this fund. This fund shall consist of monies provided to it through the provisions of Section 83-34-4(6), and any monies which may be appropriated to it by the Legislature. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned on amounts in the fund shall be deposited to the credit of the fund.

SECTION 3. There is created in the State Treasury a special fund to be designated as the "Commissioner of Insurance Discretionary Fire Fund" to be administered by the Commissioner of Insurance. Monies in the fund may be used by the commissioner only for the purpose of his or her discretion in requesting the State Fiscal Officer, and notifying the Legislative Budget Office of such, to transfer funds from this fund to the Rural Fire Truck Fund, the Supplementary Rural Fire Truck Fund, the Municipal Fire Protection Fund and/or the County Volunteer Fire Department Fund; however, the commissioner shall request the State Fiscal Officer to transfer at least One Million Five Hundred Thousand Dollars (\$1,500,000.00) annually to the Rural and Supplementary Rural Fire Truck Funds. This fund shall consist of monies provided to it through the provisions of Section 83-34-4(6), and any monies which may be appropriated to it by the Legislature. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned on amounts in the fund shall be deposited to the credit of the fund.

SECTION 4. This act shall take effect and be in force from and after July 1, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 83-34-4, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT MONIES DERIVED FROM THE NONADMITTED POLICY FEE SHALL NOT BE CONSIDERED PUBLIC FUNDS; TO PROVIDE, AS LONG AS THE ASSOCIATION WILL RECEIVE AT LEAST SIXTY PERCENT OF THE FEES, AN ANNUAL DIVERSION OF \$500,000.00 FROM THE NONADMITTED POLICY FEE TO THE FIRST RESPONDER HEALTH AND SAFETY TRUST FUND; TO PROVIDE, AS LONG AS THE ASSOCIATION WILL RECEIVE AT LEAST SIXTY PERCENT OF THE FEES, AN ANNUAL DIVERSION OF \$3,500,000.00 FROM THE NONADMITTED POLICY FEE TO THE COMMISSIONER OF INSURANCE DISCRETIONARY FIRE FUND; TO REMIT TO THE ASSOCIATION FIFTY PERCENT OF ANY AMOUNT REMAINING AFTER ANY DIVERSIONS OF THE NONADMITTED POLICY FEE AND FIFTY PERCENT TO THE COMMISSIONER OF INSURANCE DISCRETIONARY FIRE FUND; TO PROVIDE THAT IN THE EVENT THE VALUE OF THE ASSOCIATION'S TOTAL ADMITTED ASSETS, AS DEFINED BY THE AUDITED FINANCIAL STATEMENT, IS LESS THAN \$250,000,000.00, THE MONIES DIVERTED AND NOT REMITTED TO THE ASSOCIATION DURING THAT FISCAL YEAR AND SUBSEQUENT FISCAL YEARS SHALL IMMEDIATELY BE DIVERTED TO THE ASSOCIATION AND SHALL NOT BE CONSIDERED PUBLIC FUNDS; TO AUTHORIZE THE ASSOCIATION TO USE EXCESS FUNDS TO PURCHASE REINSURANCE IN AN AMOUNT THAT MAY EXCEED THE TOTAL PREMIUMS COLLECTED FROM POLICYHOLDERS; TO DELETE THE REPEALER ON THE NONADMITTED POLICY FEE; TO CREATE A NEW SECTION OF LAW TO CREATE A SPECIAL FUND TO BE DESIGNATED AS THE "MISSISSIPPI FIRST RESPONDERS HEALTH AND SAFETY TRUST FUND" TO BE ADMINISTERED BY THE COMMISSIONER OF INSURANCE TO ASSIST THE STATE, MUNICIPALITIES, COUNTIES AND FIRE PROTECTION DISTRICTS WITH

PROVIDING BENEFITS REQUIRED BY THE MISSISSIPPI FIRST RESPONDERS HEALTH AND SAFETY ACT; TO CREATE A NEW SECTION OF LAW TO CREATE A SPECIAL FUND TO BE DESIGNATED AS THE "COMMISSIONER OF INSURANCE DISCRETIONARY FIRE FUND" TO BE ADMINISTERED BY THE COMMISSIONER OF INSURANCE TO REQUEST THE STATE FISCAL OFFICER TO TRANSFER FUNDS FROM THIS FUND TO THE RURAL FIRE TRUCK FUND, THE SUPPLEMENTARY RURAL FIRE TRUCK FUND, THE MUNICIPAL FIRE PROTECTION FUND AND/OR THE COUNTY VOLUNTEER FIRE DEPARTMENT FUND; AND FOR RELATED PURPOSES.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2246: Search warrants; authorize issuance for sex offenses against children upon oral testimony.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 2.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) The provisions of this section shall only apply to search warrants issued in relation to computer crime investigations for sex offenses against children who are less than eighteen (18) years old involving a computer defined in Section 7-5-59(1)(a).

(3) The person who is requesting the warrant shall prepare a document to be known as a "duplicate original warrant" and shall read such duplicate original warrant verbatim to the issuing judge. The judge shall enter what is so read on a document to be known as the "original warrant." The issuing judge may direct that the warrant be modified.

The judge shall immediately sign the original warrant and enter on the face of the original warrant the exact time the warrant was ordered to be issued. The judge shall record by electronic means or a voice recording device the call after the caller informs the judge that the purpose of the call is to request a warrant. Following the call, the judge shall have the recording transcribed, shall certify the accuracy of the transcript and shall file a copy of the recording and transcript with the court.

(6) The contents of a warrant upon oral testimony shall be the same as the contents of a warrant upon affidavit.

(7) The person who executes the warrant shall enter the exact time of execution on the face of the duplicate original warrant.

S. B. No. 2430: Educational Facilities Revolving Loan Fund Program; create for purpose of improving educational facilities.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2430: State aid for construction of school facilities; bring forward sections relating to.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) There is established the Educational Facilities Revolving Loan Fund Program to be administered by the State Department of Education for the purpose of improving educational facilities in the State of Mississippi by assisting public schools in procuring funds for making certain capital improvements.

(2) There is created a special fund in the State Treasury designated as the "Educational Facilities Revolving Loan Fund," which shall consist of monies transferred from the State Public School Building Fund and other monies that the Legislature may make available. The revolving loan fund must be maintained in perpetuity for the purposes established in this section. Unexpended amounts remaining in the fund at the end of a fiscal year may not lapse into the State General Fund. Payments on the principal of and, when applicable, interest on loans procured from the fund and any interest earned on amounts in the fund must be deposited to the credit of the fund. Monies in the Educational Facilities Revolving Loan Fund may not be used or expended for any purpose except as authorized under this section.

(3) Of the funds deposited into the Educational Facilities Revolving Loan Fund, up to ninety-five percent (95%) must be made available for the purpose of making interest-free loans to qualified public school districts. The State Department of Education shall accept requests for loans under this subsection for the following purposes:

- (a) Repairs and renovations to existing school buildings and related facilities used in the operation of the schools of a public school district;
- (b) Construction of new facilities or repairs and renovations to existing school facilities for the purpose of establishing, improving or expanding prekindergarten programs in a public school district; and
- (c) Construction of new career and technical education facilities or repairs and renovations to existing school facilities for the purpose of upgrading or expanding a school district's career and technical education program.

(4) An educational entity that receives a loan from the Educational Facilities Revolving Loan Fund shall not use the funds for athletic facilities.

(5) Each fiscal year, the State Department of Education may set aside an amount not to exceed three percent (3%) of the balance of the Educational Facilities Revolving Loan Fund to cover the administrative and fiscal management costs associated with the fund.

(6) The State Department of Education shall accept and make determinations on applications for loans and shall disburse funds and receive repayments on approved loans. Before October 1, 2022, the department shall establish rules and regulations for the implementation and administration of the revolving loan program. The rules and regulations must include, at a minimum, provisions addressing the following:

(a) An application process by which public school districts may request a loan from the Educational Facilities Revolving Loan Fund, including the deadline by which the department must receive applications;

(b) The factors to be considered by the State Department of Education in determining whether an educational entity will be awarded the full or a partial amount of a loan requested. The maximum total amount of outstanding loans an applicant may receive in a fiscal year shall be limited to One Million Dollars (\$1,000,000.00). The maximum total amount of a loan an applicant may receive for a single project shall not exceed One Million Dollars (\$1,000,000.00) per fiscal year. A loan may not exceed one hundred percent (100%) of the cost of the project for which the loan is requested;

(c) The rates of interest on loans and terms of repayment. Approved loans under this program must be interest free and payable over a term of no more than ten (10) years commencing on the date the loan is received;

(d) A process by which the department determines if an entity receiving a loan is required to pledge monies for the repayment of the loan and sources of revenue that are acceptable whenever the department requires a pledge, which, for a school district receiving a loan, may not include Adequate Education Program funds;

(e) The actions that may be taken if an entity is in arrears on loan repayments, which may include, in the case of a school district, the withholding of future payments of Adequate Education Program funds to the district, the withholding of state funds due to the school or district;

(g) All other matters that the State Department of Education determines are necessary to establish and maintain the Educational Facilities Revolving Loan Fund Program as an accessible and perpetual source of funding for making facility improvements at all levels of education in the state.

(7) School districts may use funds from the Educational Facilities Revolving Loan Fund Program to pay the principal and interest of school district indebtedness represented by bonds or notes issued after July 1, 2017, but before July 1, 2022, for capital improvements. School districts shall be limited to a maximum loan amount of Five-hundred Thousand Dollars (\$500,000.00) per year from the Educational Facilities Revolving Loan Fund Program for this purpose.

(8) The State Department of Education shall promulgate such rules and regulations as may be necessary for participation in the Educational Facilities Revolving Loan Program by a public educational entity.

SECTION 2. Section 27-65-75, Mississippi Code of 1972, is amended as follows:

27-65-75. On or before the fifteenth day of each month, the revenue collected under the provisions of this chapter during the preceding month shall be paid and distributed as follows:

(1) (a) On or before August 15, 1992, and each succeeding month thereafter through July 15, 1993, eighteen percent (18%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3) and 27-65-21, on business activities within a municipal corporation shall be allocated for distribution to the municipality and paid to the municipal corporation. Except as otherwise provided in this

paragraph (a), on or before August 15, 1993, and each succeeding month thereafter, eighteen and one-half percent (18-1/2%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3), 27-65-21 and 27-65-24, on business activities within a municipal corporation shall be allocated for distribution to the municipality and paid to the municipal corporation. However, in the event the State Auditor issues a certificate of noncompliance pursuant to Section 21-35-31, the Department of Revenue shall withhold ten percent (10%) of the allocations and payments to the municipality that would otherwise be payable to the municipality under this paragraph (a) until such time that the department receives written notice of the cancellation of a certificate of noncompliance from the State Auditor.

A municipal corporation, for the purpose of distributing the tax under this subsection, shall mean and include all incorporated cities, towns and villages.

Monies allocated for distribution and credited to a municipal corporation under this paragraph may be pledged as security for a loan if the distribution received by the municipal corporation is otherwise authorized or required by law to be pledged as security for such a loan.

In any county having a county seat that is not an incorporated municipality, the distribution provided under this subsection shall be made as though the county seat was an incorporated municipality; however, the distribution to the municipality shall be paid to the county treasury in which the municipality is located, and those funds shall be used for road, bridge and street construction or maintenance in the county.

(b) On or before August 15, 2006, and each succeeding month thereafter, eighteen and one-half percent (18-1/2%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3) and 27-65-21, on business activities on the campus of a state institution of higher learning or community or junior college whose campus is not located within the corporate limits of a municipality, shall be allocated for distribution to the state institution of higher learning or community or junior college and paid to the state institution of higher learning or community or junior college.

On or before August 15, 2019, and each succeeding month thereafter until August 14, 2020, four percent (4%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3), 27-65-21 and 27-65-24, on business activities within the corporate limits of the City of Jackson, Mississippi, shall be deposited into the Capitol Complex Improvement District Project Fund created in Section 29-5-215. On or before August 15, 2020, and each succeeding month thereafter, six percent (6%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3), 27-65-21 and 27-65-24, on business activities within the corporate limits of the City of Jackson, Mississippi, shall be deposited into the Capitol Complex Improvement District Project Fund created in Section 29-5-215.

(d) (i) On or before the fifteenth day of the month that the diversion authorized by this section begins, and each succeeding month thereafter, eighteen and one-half percent (18-1/2%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3) and 27-65-21, on business activities within a redevelopment project area developed under a redevelopment plan adopted under the Tax Increment Financing Act (Section 21-45-1 et seq.) shall be allocated for distribution to the county in which the project area is located if:

1. The county:

a. Borders on the Mississippi Sound
and the State of Alabama, or

b. Is Harrison County, Mississippi,
and the project area is within a radius of two (2) miles from the intersection of Interstate
10 and Menge Avenue;

2. The county has issued bonds under Section
21-45-9 to finance all or a portion of a redevelopment project in the redevelopment project
area;

3. Any debt service for the indebtedness
incurred is outstanding; and

4. A development with a value of Ten Million
Dollars (\$10,000,000.00) or more is, or will be, located in the redevelopment area.

(ii) Before any sales tax revenue may be allocated for
distribution to a county under this paragraph, the county shall certify to the Department of
Revenue that the requirements of this paragraph have been met, the amount of bonded
indebtedness that has been incurred by the county for the redevelopment project and the
expected date the indebtedness incurred by the county will be satisfied.

(iii) The diversion of sales tax revenue authorized by this
paragraph shall begin the month following the month in which the Department of Revenue
determines that the requirements of this paragraph have been met. The diversion shall
end the month the indebtedness incurred by the county is satisfied. All revenue received
by the county under this paragraph shall be deposited in the fund required to be created
in the tax increment financing plan under Section 21-45-11 and be utilized solely to satisfy
the indebtedness incurred by the county.

(2) On or before September 15, 1987, and each succeeding month thereafter,
from the revenue collected under this chapter during the preceding month, One Million
One Hundred Twenty-five Thousand Dollars (\$1,125,000.00) shall be allocated for
distribution to municipal corporations as defined under subsection (1) of this section in the
proportion that the number of gallons of gasoline and diesel fuel sold by distributors to
consumers and retailers in each such municipality during the preceding fiscal year bears
to the total gallons of gasoline and diesel fuel sold by distributors to consumers and
retailers in municipalities statewide during the preceding fiscal year. The Department of
Revenue shall require all distributors of gasoline and diesel fuel to report to the
department monthly the total number of gallons of gasoline and diesel fuel sold by them
to consumers and retailers in each municipality during the preceding month. The
Department of Revenue shall have the authority to promulgate such rules and regulations
as is necessary to determine the number of gallons of gasoline and diesel fuel sold by
distributors to consumers and retailers in each municipality. In determining the
percentage allocation of funds under this subsection for the fiscal year beginning July 1,
1987, and ending June 30, 1988, the Department of Revenue may consider gallons of
gasoline and diesel fuel sold for a period of less than one (1) fiscal year. For the purposes
of this subsection, the term "fiscal year" means the fiscal year beginning July 1 of a year.

(3) On or before September 15, 1987, and on or before the fifteenth day of
each succeeding month, until the date specified in Section 65-39-35, the proceeds derived
from contractors' taxes levied under Section 27-65-21 on contracts for the construction or
reconstruction of highways designated under the highway program created under Section
65-3-97 shall, except as otherwise provided in Section 31-17-127, be deposited into the
State Treasury to the credit of the State Highway Fund to be used to fund that highway
program. The Mississippi Department of Transportation shall provide to the Department
of Revenue such information as is necessary to determine the amount of proceeds to be
distributed under this subsection.

(4) On or before August 15, 1994, and on or before the fifteenth day of each
succeeding month through July 15, 1999, from the proceeds of gasoline, diesel fuel or
kerosene taxes as provided in Section 27-5-101(a)(ii)1, Four Million Dollars
(\$4,000,000.00) shall be deposited in the State Treasury to the credit of a special fund
designated as the "State Aid Road Fund," created by Section 65-9-17. On or before
August 15, 1999, and on or before the fifteenth day of each succeeding month, from the
total amount of the proceeds of gasoline, diesel fuel or kerosene taxes apportioned by
Section 27-5-101(a)(ii)1, Four Million Dollars (\$4,000,000.00) or an amount equal to

twenty-three and one-fourth percent (23-1/4%) of those funds, whichever is the greater amount, shall be deposited in the State Treasury to the credit of the "State Aid Road Fund," created by Section 65-9-17. Those funds shall be pledged to pay the principal of and interest on state aid road bonds heretofore issued under Sections 19-9-51 through 19-9-77, in lieu of and in substitution for the funds previously allocated to counties under this section. Those funds may not be pledged for the payment of any state aid road bonds issued after April 1, 1981; however, this prohibition against the pledging of any such funds for the payment of bonds shall not apply to any bonds for which intent to issue those bonds has been published for the first time, as provided by law before March 29, 1981. From the amount of taxes paid into the special fund under this subsection and subsection (9) of this section, there shall be first deducted and paid the amount necessary to pay the expenses of the Office of State Aid Road Construction, as authorized by the Legislature for all other general and special fund agencies. The remainder of the fund shall be allocated monthly to the several counties in accordance with the following formula:

(a) One-third (1/3) shall be allocated to all counties in equal shares;

(b) One-third (1/3) shall be allocated to counties based on the proportion that the total number of rural road miles in a county bears to the total number of rural road miles in all counties of the state; and

(c) One-third (1/3) shall be allocated to counties based on the proportion that the rural population of the county bears to the total rural population in all counties of the state, according to the latest federal decennial census.

For the purposes of this subsection, the term "gasoline, diesel fuel or kerosene taxes" means such taxes as defined in paragraph (f) of Section 27-5-101.

The amount of funds allocated to any county under this subsection for any fiscal year after fiscal year 1994 shall not be less than the amount allocated to the county for fiscal year 1994.

Any reference in the general laws of this state or the Mississippi Code of 1972 to Section 27-5-105 shall mean and be construed to refer and apply to subsection (4) of Section 27-65-75.

(2) This section shall stand repealed on July 1, 2023.

SECTION 5. Section 37-47-13, Mississippi Code of 1972, is amended as follows:

Such surveys shall show existing facilities, desirable consolidations, the new construction and new facilities necessary and desirable for the efficient operation of the public schools of the school districts, proper compliance with state energy conservation standards, and the plan of tax reduction in the school districts by use of such funds in retiring any outstanding indebtedness for school facilities. The commission shall not approve any application for the use of funds of the said public school building fund from the school board of any school district until such time as an acceptable and reasonably satisfactory plan, looking particularly to efficiency through consolidations of school attendance centers, has been submitted by the school board.

Furthermore, the commission shall not approve any application for the use of funds of the public school building fund until such time as an acceptable plan has been submitted by the appropriate board which complies with improved design, heating, cooling, ventilation, lighting, insulation and architectural standards provided by the State of Mississippi to promote maximum energy conservation in new and existing public buildings.

All applications from school districts shall conform to the plan of the school board.

Before any funds to the credit of a school district shall be expended for capital improvements or the retirement of outstanding bonded indebtedness, the school board of such school district shall prepare and submit an application in such form as may be prescribed by the commission. There shall be included with such application a statement in which there is set forth the enrollment and average daily attendance in the schools of the district divided as to schools and grades, the number of teachers employed, the facilities in use, the facilities to be provided with the funds to be expended, the outstanding school indebtedness, and such other information as the commission may require. Such application and statement shall be submitted directly to the commission and approved or disapproved by it. The decision of the commission shall be final, unless an appeal to the chancery court shall be taken in the manner provided by law. In the event any application shall be disapproved by the commission, the school board submitting same shall be notified of such disapproval, which notice of disapproval shall be accompanied by a statement of the reason or reasons for such disapproval.

(2) This section shall stand repealed on July 1, 2023.

(1) Where the expenditure of any funds to which any school district may be entitled has been authorized, as provided in Section 37-47-17, such funds shall be withdrawn from the public school building fund by the commission and deposited in the school depository to the credit of the school district entitled thereto as a special fund to be known as the "Public School Building Fund" of the school district entitled thereto. Such money so deposited shall be paid out and expended in the same manner as may be now or hereafter provided by law for the expenditure of other school funds belonging to such district; however, where the contract for construction of a secondary vocational and technical training center shall have been entered into and awarded by the board of trustees of a junior college district as authorized by Section 37-47-29, the money so deposited in the public school building fund of the school district for which said facility is being constructed may be paid out and expended to pay a part of the cost of construction of such facility.

(2) This section shall stand repealed on July 1, 2023.

SECTION 9. Section 37-47-21, Mississippi Code of 1972, is amended as follows:

37-47-21. (1) All funds, if any, which may accumulate in the state public school building fund under the provisions of this chapter because school districts entitled thereto do not make application for the expenditure of same for the purposes authorized by this chapter at the time same are credited to such school district may be used as a revolving fund for the purpose of making loans or advances to other school districts as is provided in Section 37-47-25.

(2) This section shall stand repealed on July 1, 2023.

SECTION 10. Section 37-47-23, Mississippi Code of 1972, is amended as follows:

37-47-23. (1) When any school district holding certificates of credit shall desire to expend funds which have accumulated to its credit under the provisions of this chapter and the expenditure thereof has been approved by the commission but insufficient funds are available in the state public school building fund because of loans or advances having been made to other school districts, the commission shall forthwith transmit to the state bond commission its request for the issuance of state school bonds, as is otherwise provided in this chapter, in an amount sufficient to provide the funds to which the school district holding the certificate of credit is entitled, or such portion of such funds as such school district then desires to expend.

(2) This section shall stand repealed on July 1, 2023.

SECTION 11. Section 37-47-29, Mississippi Code of 1972, is amended as follows:

37-47-29. (1) All contracts for capital improvements by any school district which are financed in whole or in part with funds received from the state public school building fund pursuant to an application approved by the commission shall be awarded and entered into upon receipt of sealed bids or proposals after the time and place of letting such contracts and the manner of bidding has been duly advertised. The contract shall be let and awarded to the lowest and best bidder but the board of trustees or other governing body of the school district shall have the power to reject any and all bids. No such contract shall be finally awarded or entered into without the prior written approval of the commission. It is hereby expressly provided that in order to bid upon and be awarded contracts for the construction of school facilities under the provisions of this chapter, if such contract, subcontract or undertaking is less than Fifty Thousand Dollars (\$50,000.00), it shall not be necessary that the bidder obtain a certificate of responsibility from the Board of Public Contractors under the provisions of Chapter 3, Title 31, of the Mississippi Code of 1972, or otherwise be qualified under said chapter, and none of the provisions of said chapter shall be applicable to such contracts for the construction of school facilities under the provisions hereof. Notwithstanding the foregoing provisions of this section or any other provisions of law, the contract for construction of a secondary vocational and technical training center for exclusive use and operation by a county school district may be entered into and awarded by the board of trustees of a junior college district where a grant of federal funds by the Appalachian Commission has been made to the board of trustees of such junior college district to assist in financing construction of such secondary vocational and technical training facility for such county school district.

(2) This section shall stand repealed on July 1, 2023.

SECTION 12. This act shall take effect and be in force from and after July 1, 2022.

Rep. Barton called up the conference report #2 on the following bill and moved that it be adopted:

H. B. No. 1747: City of Clinton; authorize a tax on restaurants to promote tourism, parks and recreation.

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1747: City of Clinton; authorize a tax on restaurants to promote tourism, parks and recreation.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. As used in this act, the following terms have the meanings ascribed to them in this section unless the context clearly indicates otherwise:

(a) "City" means the City of Clinton, Mississippi.

(b) "Governing authorities" means the governing authorities of the City of Clinton, Mississippi.

(c) "Prepared food" means food prepared on the premises of a restaurant.

(d) "Restaurant" means all places within the corporate limits of the city where prepared food and beverages are sold for consumption, whether such food is consumed on the premises or not. The term "restaurant" does not include any school; hospital; convalescent or nursing home; and restaurant-like facility operated by or in connection with a school, hospital, medical clinic, convalescent or nursing home providing food for students, patients, visitors or their families.

SECTION 2. (1) For the purpose of providing funds to promote tourism and parks and recreation within the city, the governing authorities of the City of Clinton, Mississippi, in their discretion, may levy, assess and collect a tax from persons, firms or corporations specified in this subsection, a tax, which shall be in addition to all other taxes or assessments imposed. The tax shall be imposed upon every person, firm or corporation operating a restaurant in the City of Clinton, Mississippi, where prepared food and drink is sold to the public, at a rate not to exceed two percent (2%) of the gross proceeds of the sales of such restaurant or business.

(2) Persons, firms, corporations or other entities liable for the tax imposed under subsection (1) of this section shall add the amount of the tax to the sales price of the food and beverages and shall collect, insofar as practicable, the amount of the tax due from the person purchasing the food or beverages at the time of payment therefor.

SECTION 3. Before any tax authorized under this act may be imposed, the governing authorities shall adopt a resolution declaring their intention to levy the tax, setting forth the amount of the tax to be imposed, the date upon which the tax shall become effective and calling for an election to be held on the question. The date of the election shall be fixed in the resolution. Notice of the intention and the election shall be published once each week for at least three (3) consecutive weeks in a newspaper published or having a general circulation in the city, with the first publication of the notice to be made not less than twenty-one (21) days before the date fixed in the resolution for the election and the last publication to be made not more than seven (7) days before the election. At the election, all qualified electors of the city may vote, and the ballots used in the election shall have printed thereon a brief statement of the amount and purposes of the proposed tax levy and the words "FOR THE TAX" and, on a separate line, "AGAINST THE TAX" and the voters shall vote by placing a cross (X) or check (☐) opposite their choice on the proposition. When the results of the election shall have been canvassed and certified, the city may levy the tax if sixty percent (60%) of the qualified electors who vote in the election vote in favor of the tax. At least thirty (30) days before the effective date of the tax, the governing authorities shall furnish to the Department of Revenue a certified copy of the resolution evidencing the tax.

SECTION 4. (1) On or before the fifteenth day of the month preceding the date on which the city will begin to levy the tax authorized under Section 2 of this act, the governing authorities shall give written notification to the Commissioner of Revenue of the date on which the tax will become effective.

(2) The tax must be collected by and paid to the Department of Revenue in the same manner that state sales taxes are computed, collected and paid, and the full enforcement provisions and all other provisions of Chapter 65, Title 27, Mississippi Code of 1972, will apply as necessary for the implementation of this act.

(3) Except for any amount retained by the Department of Revenue under Section 27-3-58, Mississippi Code of 1972, the revenue from the special tax collected under this act must be paid to the city on or before the fifteenth day of the month following the month in which collected.

(4) Accounting for receipts and expenditures of the revenue from the tax shall be made separately from the accounting of receipts and expenditures of the general fund and any other funds of the city. The records reflecting the receipts and expenditures of the revenue from the tax shall be audited annually by an independent certified public accountant, and the accountant shall make a written report of his or her audit to the governing authorities. The audit shall be made and completed as soon as practicable after the close of the fiscal year, and expenses of the audit shall be paid from the funds derived pursuant to this act.

(5) The proceeds of the tax may not be considered by the city as general fund revenues but must be placed into a special fund apart from the city general fund and any other funds and expended by the city strictly for the purposes prescribed under Section 2 of this act.

SECTION 5. This act shall be repealed from and after July 1, 2026.

SECTION 6. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AUTHORIZE THE GOVERNING AUTHORITIES OF THE CITY OF CLINTON, MISSISSIPPI, TO LEVY A 2% TAX UPON THE GROSS PROCEEDS OF SALES OF RESTAURANTS FOR THE PURPOSE OF PROVIDING FUNDS TO PROMOTE TOURISM AND PARKS AND RECREATION WITHIN THE CITY; TO REQUIRE AN ELECTION BE HELD ON THE QUESTION OF WHETHER SUCH TAX MAY BE LEVIED; AND FOR RELATED PURPOSES.

S. B. No. 2422: Education Enhancement Fund; revise date of issuance and distribution of procurement cards or digital solutions for classroom supplies.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2422: Teacher procurement cards; revise deadlines to ensure teachers receive no later than September 1 of each year.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 31-7-9, Mississippi Code of 1972, is amended as follows:

31-7-9. (1) (a) The Office of Purchasing, Travel and Fleet Management shall adopt purchasing regulations governing the purchase by any agency of any commodity or commodities and establishing standards and specifications for a commodity or commodities and the maximum fair prices of a commodity or commodities, subject to the approval of the Public Procurement Review Board. It shall have the power to amend, add to or eliminate purchasing regulations. The adoption of, amendment, addition to or elimination of purchasing regulations shall be based upon a determination by the Office of Purchasing, Travel and Fleet Management with the approval of the Public Procurement Review Board, that such action is reasonable and practicable and advantageous to promote efficiency and economy in the purchase of commodities by the agencies of the state. Upon the adoption of any purchasing regulation, or an amendment, addition or elimination therein, copies of same shall be furnished to the State Auditor and to all agencies affected thereby. Thereafter, and except as otherwise may be provided in subsection (2) of this section, no agency of the state shall purchase any commodities covered by existing purchasing regulations unless such commodities be in conformity with the standards and specifications set forth in the purchasing regulations and unless the price thereof does not exceed the maximum fair price established by such purchasing regulations. The Office of Purchasing, Travel and Fleet Management shall furnish to any county or municipality or other local public agency of the state requesting same, copies of purchasing regulations adopted by the Office of Purchasing, Travel and Fleet Management and any amendments, changes or eliminations of same that may be made from time to time.

(b) The Office of Purchasing, Travel and Fleet Management may adopt purchasing regulations governing the use of credit cards, procurement cards and purchasing club membership cards to be used by state agencies, governing authorities of counties and municipalities, school districts and the Chickasawhay Natural Gas District. Use of the cards shall be in strict compliance with the regulations promulgated by the office. Any amounts due on the cards shall incur interest charges as set forth in Section 31-7-305 and shall not be considered debt.

(c) Pursuant to the provision of Section 37-61-33(3), the Office of Purchasing, Travel and Fleet Management of the Department of Finance and Administration is authorized to issue procurement cards or credentials for a digital solution to all public school district classroom teachers, full- or part-time gifted or special education teachers and other necessary direct support personnel at the beginning of the school year, but no later than August 1 of each year, for the purchase of instructional supplies using Educational Enhancement Funds. The cards will be issued in equal amounts per teacher determined by the total number of qualifying personnel and the then current state appropriation for classroom instructional supplies under the Education Enhancement Fund. All purchases shall be in accordance with state law and teachers are responsible for verification of capital asset requirements when pooling monies to purchase equipment. The cards will expire on a predetermined date at the end of each school year, but not before April 1 of each year. All unexpended amounts will be carried forward, to be combined with the following year's instructional supply fund allocation, and reallocated for

the following year. The Department of Finance and Administration is authorized to loan any start-up funds at the beginning of the school year to fund this procurement system for instructional supplies with loan repayment being made from sales tax receipts earmarked for the Education Enhancement Fund.

(d) In a sale of goods or services, the seller shall not impose a surcharge on a buyer who uses a state-issued credit card, procurement card, travel card, or fuel card. The Department of Finance and Administration shall have exclusive jurisdiction to enforce and adopt rules relating to this paragraph. Any rules adopted under this paragraph shall be consistent with federal laws and regulations governing credit card transactions described by this paragraph. This paragraph does not create a cause of action against an individual for a violation of this paragraph.

(2) The Office of Purchasing, Travel and Fleet Management shall adopt, subject to the approval of the Public Procurement Review Board, purchasing regulations governing the purchase of unmarked vehicles to be used by the Bureau of Narcotics and Department of Public Safety in official investigations pursuant to Section 25-1-87. Such regulations shall ensure that purchases of such vehicles shall be at a fair price and shall take into consideration the peculiar needs of the Bureau of Narcotics and Department of Public Safety in undercover operations.

(3) The Office of Purchasing, Travel and Fleet Management shall adopt, subject to the approval of the Public Procurement Review Board, regulations governing the certification process for certified purchasing offices, including the Mississippi Purchasing Certification Program, which shall be required of all purchasing agents at state agencies. Such regulations shall require entities desiring to be classified as certified purchasing offices to submit applications and applicable documents on an annual basis, and in the case of a state agency purchasing office, to have one hundred percent (100%) participation and completion by purchasing agents in the Mississippi Purchasing Certification Program, at which time the Office of Purchasing, Travel and Fleet Management may provide the governing entity with a certification valid for one (1) year from the date of issuance. The Office of Purchasing, Travel and Fleet Management shall set a fee in an amount that recovers its costs to administer the Mississippi Purchasing Certification Program, which shall be assessed to the participating state agencies.

(4) The Office of Purchasing, Travel and Fleet Management shall adopt purchasing regulations authorizing rural water associations to purchase at the state contract price afforded to agencies and governing authorities under this chapter.

SECTION 2. Section 37-61-33, Mississippi Code of 1972, is amended as follows:

37-61-33. (1) There is created within the State Treasury a special fund to be designated the "Education Enhancement Fund" into which shall be deposited all the revenues collected pursuant to Sections 27-65-75(7) and (8) and 27-67-31(a) and (b).

(2) Of the amount deposited into the Education Enhancement Fund, Sixteen Million Dollars (\$16,000,000.00) shall be appropriated each fiscal year to the State Department of Education to be distributed to all school districts. Such money shall be distributed to all school districts in the proportion that the average daily attendance of each school district bears to the average daily attendance of all school districts within the state for the following purposes:

(a) Purchasing, erecting, repairing, equipping, remodeling and enlarging school buildings and related facilities, including gymnasiums, auditoriums, lunchrooms, vocational training buildings, libraries, teachers' homes, school barns, transportation vehicles (which shall include new and used transportation vehicles) and garages for transportation vehicles, and purchasing land therefor.

(b) Establishing and equipping school athletic fields and necessary facilities connected therewith, and purchasing land therefor.

(c) Providing necessary water, light, heating, air-conditioning and sewerage facilities for school buildings, and purchasing land therefor.

(d) As a pledge to pay all or a portion of the debt service on debt issued by the school district under Sections 37-59-1 through 37-59-45, 37-59-101 through 37-59-115, 37-7-351 through 37-7-359, 37-41-89 through 37-41-99, 37-7-301, 37-7-302 and 37-41-81, or debt issued by boards of supervisors for agricultural high schools pursuant to Section 37-27-65, if such pledge is accomplished pursuant to a written

contract or resolution approved and spread upon the minutes of an official meeting of the district's school board or board of supervisors. The annual grant to such district in any subsequent year during the term of the resolution or contract shall not be reduced below an amount equal to the district's grant amount for the year in which the contract or resolution was adopted. The intent of this provision is to allow school districts to irrevocably pledge a certain, constant stream of revenue as security for long-term obligations issued under the code sections enumerated in this paragraph or as otherwise allowed by law. It is the intent of the Legislature that the provisions of this paragraph shall be cumulative and supplemental to any existing funding programs or other authority conferred upon school districts or school boards. Debt of a district secured by a pledge of sales tax revenue pursuant to this paragraph shall not be subject to any debt limitation contained in the foregoing enumerated code sections.

(3) The remainder of the money deposited into the Education Enhancement Fund shall be appropriated as follows:

(a) To the State Department of Education as follows:

(i) Sixteen and sixty-one one-hundredths percent (16.61%) to the cost of the adequate education program determined under Section 37-151-7; of the funds generated by the percentage set forth in this section for the support of the adequate education program, one and one hundred seventy-eight one-thousandths percent (1.178%) of the funds shall be appropriated to be used by the State Department of Education for the purchase of textbooks to be loaned under Sections 37-43-1 through 37-43-59 to approved nonpublic schools, as described in Section 37-43-1. The funds to be distributed to each nonpublic school shall be in the proportion that the average daily attendance of each nonpublic school bears to the total average daily attendance of all nonpublic schools;

(ii) Seven and ninety-seven one-hundredths percent (7.97%) to assist the funding of transportation operations and maintenance pursuant to Section 37-19-23; and

(iii) Nine and sixty-one one-hundredths percent (9.61%) for classroom supplies, instructional materials and equipment, including computers and computer software, to be distributed to all eligible teachers within the state through the use of procurement cards or a digital solution capable of tracking, paying and reporting purchases. Classroom supply funds shall not be expended for administrative purposes. On * * * a date to be determined by the State Department of Education, but not later than July 1 of each year, local school districts shall determine and submit to the State Department of Education the number of teachers eligible to receive an allocation for the current year. For purposes of this subparagraph, "teacher" means any employee of the school board of a school district, or the Mississippi School for the Arts, the Mississippi School for Math and Science, the Mississippi School for the Blind or the Mississippi School for the Deaf, who is required by law to obtain a teacher's license from the State Department of Education and who is assigned to an instructional area of work as defined by the department * * *, and shall include any full- or part-time gifted or special education teacher. It is the intent of the Legislature that all classroom teachers shall utilize these funds in a manner that addresses individual classroom needs and supports the overall goals of the school regarding supplies, instructional materials, equipment, computers or computer software under the provisions of this subparagraph, including the type, quantity and quality of such supplies, materials and equipment. Classroom supply funds allocated under this subparagraph shall supplement, not replace, other local and state funds available for the same purposes. The State Board of Education shall develop and promulgate rules and regulations for the administration of this subparagraph consistent with the above criteria, with particular emphasis on allowing the individual teachers to expend funds as they deem appropriate. * * * The local school board shall require each school to issue credentials for a digital solution selected by or procurement cards provided by the Department of Finance and Administration under the provisions of Section 31-7-9(1)(c) for the use of teachers and necessary support personnel in making instructional supply fund expenditures under this section, consistent with the regulations of the Mississippi Department of Finance and Administration pursuant to Section 31-7-9. Such credentials or procurement cards shall be * * * provided by the State Department of Education to local school districts on a date determined by the State Department of

Education, but not later than August 1 of each year. Local school districts shall issue such credentials or procurement cards to classroom teachers at the beginning of the school year, but no later than August 1 of each year, and shall be issued in equal amounts per teacher determined by the total number of qualifying personnel and the current state appropriation for classroom supplies with the Education Enhancement Fund. After initial cards are issued under the timeline prescribed by this section, the State Department of Education may issue cards to districts for any classroom teacher hired after July 1 under a timeline prescribed by the State Department of Education. Such credentials or cards will expire on a predetermined date at the end of each school year, but not before April 1 of each year. All unexpended amounts will be carried forward, combined with the following year's allocation of Education Enhancement Fund instructional supplies funds and reallocated for the following year;

(b) Twenty-two and nine one-hundredths percent (22.09%) to the Board of Trustees of State Institutions of Higher Learning for the purpose of supporting institutions of higher learning; and

(c) Fourteen and forty-one one-hundredths percent (14.41%) to the Mississippi Community College Board for the purpose of providing support to community and junior colleges.

(4) The amount remaining in the Education Enhancement Fund after funds are distributed as provided in subsections (2) and (3) of this section shall be appropriated for other educational needs.

(5) None of the funds appropriated pursuant to subsection (3)(a) of this section shall be used to reduce the state's General Fund appropriation for the categories listed in an amount below the following amounts:

(a) For subsection (3)(a)(ii) of this section, Thirty-six Million Seven Hundred Thousand Dollars (\$36,700,000.00);

(b) For the aggregate of minimum program allotments in the 1997 fiscal year, formerly provided for in Chapter 19, Title 37, Mississippi Code of 1972, as amended, excluding those funds for transportation as provided for in paragraph (a) of this subsection.

(6) Any funds appropriated from the Education Enhancement Fund that are unexpended at the end of a fiscal year shall lapse into the Education Enhancement Fund, except as otherwise provided in subsection (3)(a)(iii) of this section.

SECTION 3. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 31-7-9, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT THE PROCUREMENT CARD FOR CLASSROOM SUPPLIES USING EDUCATIONAL ENHANCEMENT FUNDS SHALL BE ISSUED TO TEACHERS ON AUGUST 1 OF EACH YEAR; TO PROVIDE THAT LOCAL SCHOOL BOARDS SHALL REQUIRE EACH SCHOOL TO ISSUE CREDENTIALS FOR A DIGITAL SOLUTION SELECTED OR PROCUREMENT CARDS FOR THE USE OF TEACHERS IN MAKING INSTRUCTIONAL SUPPLY FUND EXPENDITURES UNDER THE EDUCATIONAL ENHANCEMENT FUND; TO AMEND SECTION 37-61-33, MISSISSIPPI CODE OF 1972, TO AUTHORIZE THE DEPARTMENT OF FINANCE AND ADMINISTRATION TO DISTRIBUTE EDUCATION ENHANCEMENT FUNDS FOR CLASSROOM SUPPLIES TO ELIGIBLE TEACHERS THROUGH THE USE OF DIGITAL SOLUTIONS AND THEIR APPLICABLE CREDENTIALS; TO SET TIMELINES FOR THE ISSUANCE OF THESE SOLUTIONS; AND FOR RELATED PURPOSES.
