We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. The following sum of money, or so much thereof as may be necessary, is hereby appropriated out of any money in the State General Fund not otherwise appropriated, to defray the expenses of the Mississippi Development Authority for the fiscal year beginning July 1, 2021, and ending June 30, 2022

\$ 21,620,702.00.

SECTION 2. The following sum, or so much thereof as may be necessary, is hereby appropriated out of any money in the State Treasury to the credit of the Mississippi Development Authority or the appropriate special fund for the purpose of defraying the expenses incurred in the operation of the various divisions of the authority for the fiscal year beginning July 1, 2021, and ending June 30, 2022 \$ 146,088,496.00.

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2023 do not exceed Fiscal Year 2022 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2022 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. If the State Personnel Board determines a special situation or circumstance exists and approves an action, then the agency and the State Personnel Board shall provide a monthly report of each action approved by the State Personnel Board to the chairmen of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the chairmen of the Appropriations Committees of the Senate and House of Representatives. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2022 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2022 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

Funds have been appropriated herein for the purpose of implementation and funding Project SEC2 of the Colonel Guy Groff State Variable Compensation Plan beginning January 1, 2022, and ending June 30, 2022. It shall be the agency's responsibility to make certain that each person, excluding executive directors, agency heads, and elected judges, shall receive no more than a 3% annual increase in salary which shall not exceed the market rate established by the State Personnel Board pursuant to the Colonel Guy Groff State Variable Compensation Plan for each classification.

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2953: Appropriation; Secretary of State.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. The following sum, or so much thereof as may be necessary, is hereby appropriated out of any money in the State General Fund not otherwise appropriated, for the support and maintenance of the Secretary of State for the fiscal year beginning July 1, 2021, and ending June 30, 2022

\$ 12,137,258.00.

SECTION 2. The following sum, or so much thereof as may be necessary, is hereby authorized for expenditure out of any special source funds which are collected by or otherwise become available for the purpose of defraying the expenses of the Secretary of State for the fiscal year beginning July 1, 2021, and ending June 30, 2022

\$ 15,673,069.00.

SECTION 3. Of the funds appropriated under the provisions of Section 1, the following positions are authorized:

AUTHORIZED POSITIONS:

Permanent:	Full Time	97
Part Time	0	
Time-Limited:	Full Time	13
Part Time	0	

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2023 do not exceed Fiscal Year 2022 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2022 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. If the State Personnel Board determines a special situation or circumstance exists and approves an action, then the agency and the State Personnel Board shall provide a monthly report of each action approved by the State Personnel Board to the chairmen of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the chairmen of the Appropriations Committees of the Senate and House of Representatives. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2022 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2022 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval

from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

Funds have been appropriated herein for the purpose of implementation and funding Project SEC2 of the Colonel Guy Groff State Variable Compensation Plan beginning January 1, 2022, and ending June 30, 2022. It shall be the agency's responsibility to make certain that each person, excluding executive directors, agency heads, and elected judges, shall receive no more than a 3% annual increase in salary which shall not exceed the market rate established by the State Personnel Board pursuant to the Colonel Guy Groff State Variable Compensation Plan for each classification.

SECTION 4. None of the funds appropriated by this act shall be expended for any purpose that is not actually required or necessary for performing any of the powers or duties of the Office of the Secretary of State that are authorized by the Mississippi Constitution of 1890, state or federal law, or rules or regulations that implement state or federal law.

SECTION 5. No part of the funds appropriated herein shall be used, either directly or indirectly, for the purpose of paying any clerk, stenographer, assistant, deputy, or other person who may be related by blood or marriage within the third degree, computed by the rules of the civil law, to the official employing or having the right of employment or selection thereof; and in the event of any such payment, then the official or person approving and making or receiving such payment shall be jointly and severally liable to return to the State of Mississippi and to pay into the State Treasury three (3) times any such amount so paid or received, to be recovered at suit of the Attorney General; provided that when the relationship is by affinity and the person through whom the relationship was established is dead, this provision shall not apply.

SECTION 6. Of the funds appropriated in Section 1, the Secretary of State may use funds appropriated for the purposes of defraying litigation expenses associated with the enforcement of the Mississippi Securities Act, the Regulation of Charitable Solicitations Act, and the administration of the Public Trust.

SECTION 7. In compliance with the "Mississippi Performance Budget and Strategic Planning Act of 1994," it is the intent of the Legislature that the funds provided herein shall be utilized in the most efficient and effective manner possible to achieve the intended mission of this agency. SECTION 2. The following sum, or so much thereof as may be necessary, is appropriated out of any money in the State Treasury to the credit of the Medical Care Fund created by Section 43-13-143, Mississippi Code of 1972, for the purpose of providing medical assistance under the Mississippi Medicaid Law for the fiscal year beginning July 1, 2021, and ending June 30, 2022

\$ 366,702,314.00.

SECTION 3. The following sum, or so much thereof as may be necessary, is appropriated out of any money in any special fund in the State Treasury to the credit of the Governor's Office - Division of Medicaid which is comprised of special source funds collected by or otherwise available to the Division, for the purpose of providing medical assistance under the Mississippi Medicaid Law and defraying the expenses of the administration of such law, for the fiscal year beginning July 1, 2021, and ending June 30, 2022

Prior period recovery of funds may be maintained and expended by the division when the recovery is received or finalized. Any recoveries due to audits or third party recoveries may be used to offset the cost of such audits and third party recoveries and as such, the division may escalate Contractual Services as needed for these purposes.

SECTION 4. The following sum, or so much thereof as may be necessary, is appropriated out of any money in the State Treasury to the credit of the Health Care Expendable Fund, for the purpose of defraying the expenses of the Governor's Office - Division of Medicaid for the fiscal year beginning July 1, 2021, and ending June 30, 2022

The above funds shall be allocated as follows:

It is the intention of the Legislature that funds may be shifted among the above allocated line items where needed at the discretion of the Executive Director of Governor's Office - Division of Medicaid.

SECTION 5. Of the funds appropriated under the provisions of this act, the following positions are authorized:

AUTHORIZED POSITIONS:

Permanent: Full Time 979

Part Time 9

Time-Limited: Full Time 23

Part Time 0

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2023 do not exceed Fiscal Year 2022 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2022 budget by the

Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. If the State Personnel Board determines a special situation or circumstance exists and approves an action, then the agency and the State Personnel Board shall provide a monthly report of each action approved by the State Personnel Board to the chairmen of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the chairmen of the Appropriations Committees of the Senate and House of Representatives. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2022 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2022 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

Funds have been appropriated herein for the purpose of implementation and funding Project SEC2 of the Colonel Guy Groff State Variable Compensation Plan beginning January 1, 2022, and ending June 30, 2022. It shall be the agency's responsibility to make certain that each person, excluding executive directors, agency heads, and elected judges, shall receive no more than a 3% annual increase in salary which shall not exceed the market rate established by the State Personnel Board pursuant to the Colonel Guy Groff State Variable Compensation Plan for each classification.

SECTION 6. It is the intention of the Legislature that the Governor's Office - Division of Medicaid shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2021. It is further the intention of the Legislature that the agency's budget request for Fiscal Year 2023 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2022 budget request process with the Children's Health Insurance Program (CHIP) being separated from the Medical Services Program and submitted as a separate program. In addition, the performance measures reported for the Medical Services Program shall include an unduplicated case count of individuals served by eligibility status, and the number and the costs of emergency room visits.

SECTION 7. In compliance with the "Mississippi Performance Budget and Strategic Planning Act of 1994," it is the intent of the Legislature that the funds provided herein shall be utilized in the most efficient and effective manner possible to achieve the

H. B. No. 109: State budget; enact and revise various provisions relating to.

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 109: Budget process; update various sections relating to.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 27-103-125, Mississippi Code of 1972, is amended as follows:

27-103-125. The proposed budget of each state agency shall show the amounts required for operating expenses separately from the amounts required for permanent improvements. The overall budget shall show, separately by each source, the estimated amount of general fund revenue and of special fund revenues of general fund agencies. The total proposed expenditures in Part 1 of the overall budget shall not exceed the amount of estimated revenues that will be available in the general and special funds for appropriation or use during the succeeding fiscal year, including any balances other than unencumbered balances in general funds that will be on hand in the general and special funds at the close of the then current fiscal year. The total proposed expenditures from the State General Fund in Part 1 of the overall budget shall not exceed ninety-eight percent (98%) of the amount of general fund revenue estimate for the succeeding fiscal year. * * * The general fund revenue estimate shall be the estimate jointly adopted by the Governor and the Joint Legislative Budget Committee. The Legislative Budget Office may

recommend additional taxes or sources of revenue if in its judgment those additional funds are necessary to adequately support the functions of the state government.

SECTION 2. Section 27-103-139, Mississippi Code of 1972, is amended as follows:

27-103-139. On or before November 15 preceding each regular session of the Legislature, except the first regular session of a new term of office, the Governor shall submit to the members of the Legislature, the Legislative Budget Office or the members-elect, as the case may be, and to the executive head of each state agency a balanced budget for the succeeding fiscal year. The budget submitted shall be prepared in a format that will include performance measurement data associated with the various programs operated by each agency. The total proposed expenditures in the balanced budget shall not exceed the amount of estimated revenues that will be available for appropriation or use during the succeeding fiscal year, including any balances other than unencumbered balances in general funds that will be on hand at the close of the then current fiscal year, as determined by the revenue estimate jointly adopted by the Governor and the Legislative Budget Committee. The total proposed expenditures from the State General Fund in the balanced budget shall not exceed ninety-eight percent (98%) of the amount of general fund revenue estimate for the succeeding fiscal year. * * * The general fund revenue estimate shall be the estimate jointly adopted by the Governor and the Joint Legislative Budget Committee.

The revenues used in preparing the balanced budget shall be only those revenues that will be available under the general laws of the state as they exist when the balanced budget is prepared, and shall not include any proposed revenues that would become available only after the enactment of new legislation. If the Governor has any recommendations for additional proposed expenditures or proposed revenues that are not included in his balanced budget, he shall submit those recommendations in a supplement that is separate from his balanced budget, and whenever the Governor recommends any such additional proposed expenditures, he also shall recommend proposed revenues that are sufficient to fund the additional proposed expenditures, providing specific details regarding the sources and the total amount of those proposed revenues.

The Governor may employ a budget officer for the purpose of receiving information from the State Fiscal Officer and preparing his recommendations on the budget. If the Governor determines that information received from the State Fiscal Officer is not sufficient to enable him to prepare his budget recommendations, he may request an appropriation from the Legislature to provide additional staff within the Governor's office for that purpose. At the first regular session after his election for Governor, the Governor shall submit any budget recommendations plus the required revenue source recommendations no later than January 31 of that year.

SECTION 3. Section 27-103-203, Mississippi Code of 1972, is amended as follows:

27-103-203. (1) There is created in the State Treasury a special fund, separate and apart from any other fund, to be designated the Working Cash-Stabilization Reserve Fund.

(2) The Working Cash-Stabilization Reserve Fund shall not be considered as a surplus or available funds when adopting a balanced budget as required by law. The State Treasurer shall invest all sums in the Working Cash-Stabilization Reserve Fund not needed for the purposes provided for in this section in certificates of deposit, repurchase agreements and other securities as authorized in Section 27-105-33(d) or Section 7-9-103, as the State Treasurer may determine to yield the highest market rate available. If the Ayers Settlement Fund is created under Section 37-101-27(5), the first Five Million Dollars (\$5,000,000.00) of interest earned on those sums each fiscal year shall be deposited into that fund until a total of Seventy Million Dollars (\$70,000,000.00) has been deposited into the fund. The interest, or the remaining interest if the Ayers Settlement Fund is created, that is earned on those sums shall be deposited in the Working Cash-Stabilization Reserve Fund until the balance of principal and interest in the fund reaches ten percent (10%) of the total General Fund appropriations for the current fiscal year, and all interest earned in excess of amounts necessary to maintain the ten percent (10%) fund

balance requirement shall be deposited by the State Treasurer into the State General Fund.

(3) The Working Cash-Stabilization Reserve Fund, except for Fifteen Million Dollars (\$15,000,000.00) and the amount of the interest and income earned on the principal of the Ayers Endowment Trust created by Section 37-101-27, shall be used by the State Treasurer for cash flow needs throughout the year when the Executive Director of the Department of Finance and Administration certifies that in his opinion there will be cash flow deficiencies in the State General Fund. No borrowing of monies from other special funds for such purposes as authorized by Section 31-17-101 et seq., shall be made as long as an unencumbered balance in excess of Fifteen Million Dollars (\$15,000,000.00) and the interest and income earned on the principal of the Ayers Endowment Trust created by Section 37-101-27 remains in the fund. The State Treasurer shall reimburse the fund for all sums borrowed for those purposes from General Fund revenues collected during the fiscal year in which those funds are used. The State Treasurer shall immediately notify the Legislative Budget Office and the State Department of Finance and Administration of each transfer into and out of the fund. Fifteen Million Dollars (\$15,000,000.00) in the Working Cash-Stabilization Reserve Fund shall remain available for exclusive use of the Ayers Endowment Trust created by Section 37-101-27. If the Ayers Settlement Fund is created under Section 37-101-27(5), beginning when a total of Fifty-five Million Dollars (\$55,000,000.00) has been deposited into the fund, for each annual deposit of interest to that fund under subsection (2) of this section, the Ayers Endowment Trust created under Section 37-101-27(1) shall be reduced by an equal amount annually until the Ayers Endowment Trust reaches Zero Dollars (\$0.00), at which time any requirements concerning the Ayers Endowment Trust in this section shall be null and void.

(4) The Working Cash-Stabilization Reserve Fund, except for Forty Million Dollars (\$40,000,000.00), shall also be used for the purpose of covering any projected deficits that may occur in the General Fund at the end of a fiscal year as a result of revenue shortfalls. If the Governor determines that a deficit in revenues from all sources may occur, it shall be the duty of the Executive Director of the Department of Finance and Administration to transfer such funds as necessary to the General Fund to alleviate the deficit in accordance with Sections 27-104-13 and 31-17-123; however, not more than Fifty Million Dollars (\$50,000,000.00) may be transferred from the fund for that purpose in any one (1) fiscal year * * *.

(5) The Working Cash-Stabilization Reserve Fund also shall be used to provide funds for the Disaster Assistance Trust Fund when those funds are immediately needed to provide for disaster assistance under Sections 33-15-301 through 33-15-317. Any transfer of funds from the Working Cash-Stabilization Reserve Fund to the Disaster Assistance Trust Fund shall be made in accordance with the provisions of subsection (5) of Section 33-15-307.

(6) The Department of Finance and Administration shall immediately send notice of any transfers made, or other action taken under authority of this section, to the Legislative Budget Office.

(7) Funds deposited in the Working Cash-Stabilization Reserve Fund shall be used only for the purposes specified in this section, and as long as the provisions of this section remain in effect, no other expenditure, appropriation or transfer of funds in the Working Cash-Stabilization Reserve Fund shall be made except by act of the Legislature making specific reference to the Working Cash-Stabilization Reserve Fund as the source of those funds.

(8) Any funds appropriated from the Working Cash-Stabilization Reserve Fund that are unexpended at the end of a fiscal year shall lapse into the Working Cash-Stabilization Reserve Fund.

SECTION 4. Section 27-103-211, Mississippi Code of 1972, is amended as follows:

27-103-211. The total sum appropriated by the Legislature from the State General Fund for any fiscal year shall not exceed ninety-eight percent (98%) of the general fund revenue estimate for that fiscal year developed by the Department of Revenue and the University Research Center and adopted by the Joint Legislative Budget Committee. The unencumbered balances in general funds that will be available and on

hand at the close of the fiscal year shall not include projected amounts required to be deposited into the Working Cash-Stabilization Reserve Fund under Section 27-103-203. * * *

SECTION 5. Section 27-103-213, Mississippi Code of 1972, is amended as follows:

27-103-213. (1) The unencumbered cash balance in the General Fund in the State Treasury at the close of each fiscal year shall be distributed to the Municipal Revolving Fund, the Working Cash-Stabilization Reserve Fund and the Capital Expense Fund in the manner provided in this section * * *.

(2) (a) At the end of each fiscal year, the Executive Director of the Department of Finance and Administration and the State Treasurer shall determine the extent of the unencumbered cash balance existing in the General Fund in the State Treasury.

(b) As used in this section, the term "unencumbered cash balance" or "unencumbered General Fund cash balance" means the amount in the State General Fund after deducting all appropriations and other expenditures. However, if the Legislature has authorized additional or deficit appropriations or transfers from the State General Fund for that fiscal year, those amounts shall be subtracted from the unencumbered cash balance in the General Fund before determining the amount available for distribution. The unencumbered General Fund cash balance shall not be determined until after August 31 of each year, and it shall not be made until the State Treasurer has received a certificate in writing from the Executive Director of the Department of Finance and Administration, with notification to the Legislative Budget Office, showing the amount of the unencumbered General Fund cash balance.

(3) If any unencumbered General Fund cash balance is available for distribution under this section, the distribution of those funds shall be made by the Executive Director of the Department of Finance and Administration in the following order:

(a) To the Municipal Revolving Fund, an amount equal to Seven Hundred Fifty Thousand Dollars (\$750,000.00); however, if the amount of the unencumbered General Fund cash balance is less than Seven Hundred Fifty Thousand Dollars (\$750,000.00), then the total amount of the unencumbered General Fund cash balance shall be distributed to the Municipal Revolving Fund.

(b) To the Working Cash-Stabilization Reserve Fund, fifty percent (50%) of the amount of the unencumbered General Fund cash balance after the distributions are made under paragraph (a), not to exceed ten percent (10%) of the General Fund appropriations for the fiscal year that the unencumbered General Fund cash balance represents. For the purposes of this paragraph (b), the appropriations for the fiscal year shall be the total amount contained in the actual appropriation bills passed by the Legislature.

(c) To the Capital Expense Fund, any remaining amount of the unencumbered General Fund cash balance after the distributions are made under paragraphs (a) and (b).

* * *

SECTION 6. Section 27-103-303, Mississippi Code of 1972, is amended as follows:

27-103-303. (1) There is created in the State Treasury a special fund, separate and apart from any other fund, to be designated the Capital Expense Fund.

(2) The Capital Expense Fund shall not be considered as a surplus or available funds when adopting a balanced budget as required by law. The State Treasurer shall invest all sums in the Capital Expense Fund not needed for the purposes provided for in this section in certificates of deposit, repurchase agreements and other securities as authorized in Section 27-105-33(d) or Section 7-9-103, as the State Treasurer may determine to yield the highest market rate available. Interest earned on this fund shall be deposited by the State Treasurer into the State General Fund.

(3) The Capital Expense Fund shall be used for capital expense needs, repair and renovation of state-owned properties and specific expenditures authorized by the Legislature. The Legislature shall designate those capital expense projects, repair and renovation projects and other authorized projects in an appropriation act passed by the Legislature, which shall direct the Director of the Department of Finance and Administration to administer the projects.

(4) In addition to the purposes specified in subsection (3) of this section, the Capital Expense Fund shall be used to provide funds for emergency repairs on state-owned buildings *** upon requisition of the Executive Director of the Department of Finance and Administration. Whenever the executive director determines that funds are immediately needed for emergency repairs on state-owned buildings ***, he or she shall requisition the funds needed from the Capital Expense Fund, which shall be subject to the limitations set forth in this subsection. At the same time he or she makes the requisition, the executive director shall notify the Lieutenant Governor, the Speaker of the House of Representatives, the respective Chairmen of the Senate Appropriations Committee, the Senate Finance Committee, the House Appropriations Committee and the House Ways and Means Committee and the Legislative Budget Office of his or her determination of the need for the funds, the amount that he or she has requisitioned and where the funds will be used. If the amount requisitioned is available in the Capital Expense Fund, is not allocated for any specific projects as authorized in subsection (3) of this section and is within the limitations set forth below in this subsection, then the executive director may escalate the budget of the Bureau of Building, Grounds and Real Property Management *** to use the full amount of the requisitioned funds for the emergency repairs *** and transfer that amount to the bureau *** for that purpose. If the amount requisitioned is more than the amount available in the Capital Expense Fund or above the limitations set forth below in this subsection, then the executive director may escalate the budget of the bureau *** to use the amount that is available within the limitations for the emergency repairs *** and transfer that amount to the bureau *** for that purpose. The maximum amount that may be transferred from the Capital Expense Fund to the bureau *** for any single emergency shall be One Million Dollars (\$1,000,000.00), and the maximum amount that may be transferred to the bureau *** for all emergencies during any fiscal year shall be Five Million Dollars (\$5,000,000.00).

When selling to consumers for on-premises consumption, a holder of a native wine retailer's permit may add to the native wine alcoholic beverages not produced on the premises, so long as the total volume of foreign beverage components does not exceed twenty percent (20%) of the mixed beverage. Hours of sale shall be the same as those authorized for on-premises permittees in the city or county in which the native wine retailer is located.

(f) Temporary retailer's permit. Except as otherwise provided in subsection (5) of this section, a temporary retailer's permit shall permit the purchase and resale of alcoholic beverages, including native wines and native spirits, during legal hours on the premises described in the temporary permit only.

(3) The Commissioner of Revenue and the Department of Revenue may discuss with and provide the Attorney General or his designated representative with information related to an offer to compromise and settle any doubtful claim under this section. Such discussions shall be subject to the confidentiality requirements of Sections 27-3-73, 27-7-83, 27-13-57 and/or 27-65-81, as the case may be.

However, information relating to possible tax liability to other states or the federal government may be furnished to the revenue departments of those states or the federal government when the states or federal government grant a like comity to Mississippi.

(2) The State Auditor and the employees of his office shall have the right to examine only such tax returns as are necessary for auditing the Department of Revenue, and the same prohibitions against disclosure which apply to the Department of Revenue shall apply to the State Auditor and his office.

(3) Officers and employees of the Mississippi Development Authority who execute a confidentiality agreement with the Department of Revenue shall be authorized to discuss and examine information to which this section applies at the offices of the Mississippi Department of Revenue. This disclosure is limited to information necessary to properly administer the programs under the jurisdiction of the Mississippi Development Authority. SECTION 1. Section 27-7-309, Mississippi Code of 1972, is amended as follows:

27-7-309. (1) (a) Except as otherwise provided in this subsection, every employer required to deduct and withhold from wages under this article shall, for each calendar quarter, on or before the fifteenth day of the month following the close of such calendar quarter, file a withholding return as prescribed by the commissioner and pay over to the commissioner the full amount required to be deducted and withheld from wages by such employer for the calendar quarter. Provided that the commissioner may, by regulation, provide that every such employer shall, on or before the fifteenth day of each month, pay over to the commissioner or a depository designated by the commissioner, the amount required to be deducted and withheld by such employer for the preceding month, if such amount is One Hundred Dollars (\$100.00) or more. Returns and payments placed in the mail must be postmarked by the due date in order to be timely filed, except when the due date falls on a weekend or holiday, returns and payments placed in the mail must be postmarked by the first working day following the due date in order to be considered timely filed.

* * *

(* * *b) The commissioner may promulgate rules and regulations to require or permit filing periods of any duration, in lieu of monthly or quarterly filing periods, for any taxpayer or group thereof.

(2) Notwithstanding any of the other provisions of this section, all transient employers and all employers engaged in any business which is seasonal shall make return and pay over to the commissioner on a monthly basis, the full amounts required to be deducted and withheld from the wages by such employer for the calendar month. Such returns and payments to the commissioner by such employers shall be made on or before the fifteenth day of the month following the month for which such amounts were deducted and withheld from the wages of his employees. The commissioner shall have the authority to issue reasonable rules and regulations designating or classifying those transient and seasonal employers.

(3) If the commissioner, in any case, has justifiable reason to believe that the collection of funds required to be withheld by any employer as provided herein is in jeopardy, he may require the employer to file a return and pay such amount required to be withheld at any time.

(4) Every employer who fails to withhold or pay to the commissioner any sums required by this article to be withheld and paid, shall be personally and individually liable therefor, except as provided in Section 27-7-307; and any sum or sums withheld in accordance with the provisions of this article shall be deemed to be held in trust for the State of Mississippi and shall be recorded by the employer in a ledger account so as to clearly indicate the amount of tax withheld and that the amount is the property of the State of Mississippi.

(5) Once an employer has become liable to a quarterly return of withholding, he must continue to file a quarterly report, even though no tax has been withheld, until such time as he notifies the commissioner, in writing, that he no longer has employees or that he is no longer liable for such quarterly returns.

(6) Once an employer has become liable to a monthly return of withholding, he must continue to file a monthly report, even though no tax has been withheld until such time as he notifies the commissioner, in writing, that he no longer has employees or that he is no longer liable for such monthly returns.

(7) Magnetic media reporting may be required in a manner to be determined by the commissioner.

SECTION 2. Section 27-65-33, Mississippi Code of 1972, is amended as follows:

27-65-33. (1) (a) Except as otherwise provided in this section, the taxes levied by this chapter shall be due and payable on or before the twentieth day of the month next

succeeding the month in which the tax accrues, except as otherwise provided. Returns and payments placed in the mail must be postmarked by the due date in order to be considered timely filed, except when the due date falls on a weekend or holiday, returns and payments placed in the mail must be postmarked by the first working day following the due date in order to be considered timely filed. The taxpayer shall make a return showing the gross proceeds of sales or the gross income of the business, and any and all allowable deductions, or exempt sales, and compute the tax due for the period covered.

(b) As compensation for collecting sales and use taxes, complying fully with the applicable statutes, filing returns and supplements thereto and paying all taxes by the twentieth of the month following the period covered, the taxpayer may discount and retain two percent (2%) of the liability on each return subject to the following limitations:

(i) The compensation or discount shall not apply to taxes levied under the provisions of Sections 27-65-19 and 27-65-21, or on charges for ginning cotton under Section 27-65-23.

(ii) The compensation or discount shall not apply to taxes collected by a county official or state agency.

(iii) The compensation or discount shall not exceed Fifty Dollars (\$50.00) per month, or Six Hundred Dollars (\$600.00) per calendar year, per business location on each state sales tax return, or on each use tax return.

(iv) The compensation or discount shall not apply to any wholesale tax, the rate of which is equal to or greater than the tax rate applicable to retail sales of the same property or service. The retailer of such items shall be entitled to the compensation based on the tax computed on retail sales before application of the credit for any tax paid to the wholesaler, jobber or other person.

(v) The compensation or discount allowed and taken for any filing period may be reassessed and collected when an audit of a taxpayer's records reveals a tax deficiency for that period.

(c) As compensation for collecting any tax imposed under the authority of a local and private law of the State of Mississippi which is collected and paid to the Department of Revenue in the same or similar manner that state sales taxes are collected and paid, complying fully with such applicable law, filing returns and supplements thereto and paying all taxes by the twentieth of the month following the period covered, the taxpayer may discount and retain two percent (2%) of the liability on each return subject to the following limitations:

(i) The compensation or discount shall not apply to taxes collected by a county official or state agency.

(ii) The compensation or discount shall not exceed Fifty Dollars (\$50.00) per month, or Six Hundred Dollars (\$600.00) per calendar year, per business location on each tax return.

(iii) The compensation or discount allowed and taken for any filing period may be reassessed and collected when an audit of a taxpayer's records reveals a tax deficiency for that period.

* * *

(* * *2) All returns shall be sworn to by the taxpayer, if made by an individual, or by the president, vice president, secretary or treasurer of a corporation, or authorized agent, if made on behalf of a corporation. If made on behalf of a partnership, joint venture, association, trust, estate, or in any other group or combination acting as a unit, any individual delegated by such firm shall swear to the return on behalf of the taxpayer. The commissioner may prescribe methods by which the taxpayer may swear to his return.

(* * *3) The commissioner may promulgate rules and regulations to require or permit filing periods of any duration, in lieu of monthly filing periods, for any taxpayer or group thereof.

(* * *4) The commissioner may require the execution and filing by the taxpayer with the commissioner of a good and solvent bond with some surety company authorized to do business in Mississippi as surety thereon in an amount double the aggregate tax liability by such taxpayer for any previous three-month period within the last calendar year or estimated three (3) months' tax liability. The bond is to be conditioned for the prompt payment of such taxes as may be due for each such return.

(** *5) The commissioner, for good cause, may grant such reasonable additional time within which to make any return required under the provisions of this chapter as he may deem proper, but the time for filing any return shall not be extended beyond the twentieth of the month next succeeding the regular due date of the return without the imposition of interest at the rate of one-half of one percent (1/2 of 1%) per month or fractional part of a month from the time the return was due until the tax is paid.

(** *6) For persistent, willful or recurring failure to make any return and pay the tax shown thereby to be due by the time specified, there shall be added to the amount of tax shown to be due ten percent (10%) damages, or interest at the rate of one-half of one percent (1/2 of 1%) per month, or both.

(** *7) Any taxpayer may, upon making application therefor, obtain from the commissioner an extension of time for the payment of taxes due on credit sales until collections thereon have been made. When such extension is granted, the taxpayer shall thereafter include in each monthly or quarterly report all collections made during the preceding month or quarter, and shall pay the taxes due thereon at the time of filing such report. Such permission may be revoked or denied at the discretion of the commissioner when, in his opinion, a total sales basis will best reflect the taxable income or expedite examination of the taxpayer's records.

(** *8) Any taxpayer reporting credit sales before collection thereof has been made may take credit on subsequent returns or reports for bad debts actually charged off, if such amounts charged off have previously been included in taxable gross income or taxable gross proceeds of sales, as the case may be, and the tax paid thereon. However, any amounts subsequently collected on accounts that have been charged off as bad debts shall be included in subsequent reports and the tax shall be paid thereon.

(** *9) In cases where an extension of time has been granted by the commissioner for payment of taxes due on credit sales and the taxpayer thereafter discontinues the business, such taxpayer shall be required to file with the commissioner within ten (10) days, or such further time as the commissioner may direct, from the date of the discontinuance of such business, a special report showing the amounts of any credit sales which have not been included in determining the measure of the tax previously paid and any other information with reference to credit sales as the commissioner may require. The commissioner shall thereupon investigate the facts with reference to credit sales and the condition of the accounts, and shall determine, from the best evidence available, the value of all open accounts, notes or other evidence of debt arising from credit sales. The value of all notes, open accounts and other evidence of debt, as thus determined by the commissioner, shall be used in determining the amount of the tax for which such taxpayer shall be liable. When the amount of the tax shall have been ascertained, the taxpayer shall be required to pay the same within ten (10) days or such further time as the commissioner may allow, notwithstanding the fact that such note or accounts may still remain uncollected.

SECTION 3. Section 27-67-17, Mississippi Code of 1972, is amended as follows:

27-67-17. (1) Except as otherwise provided in this section, the commissioner shall collect the tax imposed by this article, and every person subject to its provisions shall remit to the commissioner, on or before the twentieth day of each month, the amount of tax due by such person for the preceding calendar month. Returns and payments placed in the mail must be postmarked by the due date in order to be timely filed, except that when the due date falls on a weekend or holiday, returns and payments placed in the mail must be postmarked by the first working day following the due date in order to be considered timely filed. Every taxpayer shall file a return with his remittance, which return shall be prescribed by the commissioner and shall show for the calendar month preceding the tax payment date, the total sale or purchase price, or value of tangible personal property or specified digital products sold, used, stored or consumed by him for benefit received or service performed, and such other information as the commissioner may deem pertinent and necessary for determining the amount of tax due thereunder.

(2) The commissioner, in his discretion, may authorize in writing the filing of returns and the payment of tax on a quarterly basis by any person required or authorized to pay the tax imposed, such authority to be subject to revocation for good cause by the commissioner.

(3) In instances where it is impractical to file returns and pay the tax monthly or quarterly, the commissioner may authorize the filing of semiannual or annual returns.

* * *

(* * *4) The commissioner, in his discretion, may authorize the computation of the tax on the basis of a formula in lieu of direct accounting of specific properties in instances where such method will expedite, simplify or provide a more equitable means of determining liability under this article. All formulas shall be subject to revocation for good cause by the commissioner.

SECTION 4. Section 27-65-75, Mississippi Code of 1972, is amended as follows:

27-65-75. On or before the fifteenth day of each month, the revenue collected under the provisions of this chapter during the preceding month shall be paid and distributed as follows:

(1) (a) On or before August 15, 1992, and each succeeding month thereafter through July 15, 1993, eighteen percent (18%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3) and 27-65-21, on business activities within a municipal corporation shall be allocated for distribution to the municipality and paid to the municipal corporation. Except as otherwise provided in this paragraph (a), on or before August 15, 1993, and each succeeding month thereafter, eighteen and one-half percent (18-1/2%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3), 27-65-21 and 27-65-24, on business activities within a municipal corporation shall be allocated for distribution to the municipality and paid to the municipal corporation. However, in the event the State Auditor issues a certificate of noncompliance pursuant to Section 21-35-31, the Department of Revenue shall withhold ten percent (10%) of the allocations and payments to the municipality that would otherwise be payable to the municipality under this paragraph (a) until such time that the department receives written notice of the cancellation of a certificate of noncompliance from the State Auditor.

A municipal corporation, for the purpose of distributing the tax under this subsection, shall mean and include all incorporated cities, towns and villages.

Monies allocated for distribution and credited to a municipal corporation under this paragraph may be pledged as security for a loan if the distribution received by the municipal corporation is otherwise authorized or required by law to be pledged as security for such a loan.

In any county having a county seat that is not an incorporated municipality, the distribution provided under this subsection shall be made as though the county seat was an incorporated municipality; however, the distribution to the municipality shall be paid to the county treasury in which the municipality is located, and those funds shall be used for road, bridge and street construction or maintenance in the county.

(b) On or before August 15, 2006, and each succeeding month thereafter, eighteen and one-half percent (18-1/2%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3) and 27-65-21, on business activities on the campus of a state institution of higher learning or community or junior college whose campus is not located within the corporate limits of a municipality, shall be allocated for distribution to the state institution of higher learning or community or junior college and paid to the state institution of higher learning or community or junior college.

(c) On or before August 15, 2018, and each succeeding month thereafter until August 14, 2019, two percent (2%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3), 27-65-21 and 27-65-24, on business activities within the corporate limits of the City of Jackson, Mississippi, shall be deposited into the Capitol Complex Improvement District Project Fund created in Section 29-5-215. On or before August 15, 2019, and each succeeding month thereafter until August 14, 2020, four percent (4%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the

provisions of Sections 27-65-15, 27-65-19(3), 27-65-21 and 27-65-24, on business activities within the corporate limits of the City of Jackson, Mississippi, shall be deposited into the Capitol Complex Improvement District Project Fund created in Section 29-5-215. On or before August 15, 2020, and each succeeding month thereafter, six percent (6%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3), 27-65-21 and 27-65-24, on business activities within the corporate limits of the City of Jackson, Mississippi, shall be deposited into the Capitol Complex Improvement District Project Fund created in Section 29-5-215.

(d) (i) On or before the fifteenth day of the month that the diversion authorized by this section begins, and each succeeding month thereafter, eighteen and one-half percent (18-1/2%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3) and 27-65-21, on business activities within a redevelopment project area developed under a redevelopment plan adopted under the Tax Increment Financing Act (Section 21-45-1 et seq.) shall be allocated for distribution to the county in which the project area is located if:

1. The county:

a. Borders on the Mississippi Sound

and the State of Alabama, or

b. Is Harrison County, Mississippi,

and the project area is within a radius of two (2) miles from the intersection of Interstate 10 and Menge Avenue;

2. The county has issued bonds under Section 21-45-9 to finance all or a portion of a redevelopment project in the redevelopment project area;

3. Any debt service for the indebtedness incurred is outstanding; and

4. A development with a value of Ten Million Dollars (\$10,000,000.00) or more is, or will be, located in the redevelopment area.

(ii) Before any sales tax revenue may be allocated for distribution to a county under this paragraph, the county shall certify to the Department of Revenue that the requirements of this paragraph have been met, the amount of bonded indebtedness that has been incurred by the county for the redevelopment project and the expected date the indebtedness incurred by the county will be satisfied.

(iii) The diversion of sales tax revenue authorized by this paragraph shall begin the month following the month in which the Department of Revenue determines that the requirements of this paragraph have been met. The diversion shall end the month the indebtedness incurred by the county is satisfied. All revenue received by the county under this paragraph shall be deposited in the fund required to be created in the tax increment financing plan under Section 21-45-11 and be utilized solely to satisfy the indebtedness incurred by the county.

(2) On or before September 15, 1987, and each succeeding month thereafter, from the revenue collected under this chapter during the preceding month, One Million One Hundred Twenty-five Thousand Dollars (\$1,125,000.00) shall be allocated for distribution to municipal corporations as defined under subsection (1) of this section in the proportion that the number of gallons of gasoline and diesel fuel sold by distributors to consumers and retailers in each such municipality during the preceding fiscal year bears to the total gallons of gasoline and diesel fuel sold by distributors to consumers and retailers in municipalities statewide during the preceding fiscal year. The Department of Revenue shall require all distributors of gasoline and diesel fuel to report to the department monthly the total number of gallons of gasoline and diesel fuel sold by them to consumers and retailers in each municipality during the preceding month. The Department of Revenue shall have the authority to promulgate such rules and regulations as is necessary to determine the number of gallons of gasoline and diesel fuel sold by distributors to consumers and retailers in each municipality. In determining the percentage allocation of funds under this subsection for the fiscal year beginning July 1, 1987, and ending June 30, 1988, the Department of Revenue may consider gallons of

gasoline and diesel fuel sold for a period of less than one (1) fiscal year. For the purposes of this subsection, the term "fiscal year" means the fiscal year beginning July 1 of a year.

(3) On or before September 15, 1987, and on or before the fifteenth day of each succeeding month, until the date specified in Section 65-39-35, the proceeds derived from contractors' taxes levied under Section 27-65-21 on contracts for the construction or reconstruction of highways designated under the highway program created under Section 65-3-97 shall, except as otherwise provided in Section 31-17-127, be deposited into the State Treasury to the credit of the State Highway Fund to be used to fund that highway program. The Mississippi Department of Transportation shall provide to the Department of Revenue such information as is necessary to determine the amount of proceeds to be distributed under this subsection.

(4) On or before August 15, 1994, and on or before the fifteenth day of each succeeding month through July 15, 1999, from the proceeds of gasoline, diesel fuel or kerosene taxes as provided in Section 27-5-101(a)(ii)1, Four Million Dollars (\$4,000,000.00) shall be deposited in the State Treasury to the credit of a special fund designated as the "State Aid Road Fund," created by Section 65-9-17. On or before August 15, 1999, and on or before the fifteenth day of each succeeding month, from the total amount of the proceeds of gasoline, diesel fuel or kerosene taxes apportioned by Section 27-5-101(a)(ii)1, Four Million Dollars (\$4,000,000.00) or an amount equal to twenty-three and one-fourth percent (23-1/4%) of those funds, whichever is the greater amount, shall be deposited in the State Treasury to the credit of the "State Aid Road Fund," created by Section 65-9-17. Those funds shall be pledged to pay the principal of and interest on state aid road bonds heretofore issued under Sections 19-9-51 through 19-9-77, in lieu of and in substitution for the funds previously allocated to counties under this section. Those funds may not be pledged for the payment of any state aid road bonds issued after April 1, 1981; however, this prohibition against the pledging of any such funds for the payment of bonds shall not apply to any bonds for which intent to issue those bonds has been published for the first time, as provided by law before March 29, 1981. From the amount of taxes paid into the special fund under this subsection and subsection (9) of this section, there shall be first deducted and paid the amount necessary to pay the expenses of the Office of State Aid Road Construction, as authorized by the Legislature for all other general and special fund agencies. The remainder of the fund shall be allocated monthly to the several counties in accordance with the following formula:

(a) One-third (1/3) shall be allocated to all counties in equal shares;

(b) One-third (1/3) shall be allocated to counties based on the proportion that the total number of rural road miles in a county bears to the total number of rural road miles in all counties of the state; and

(c) One-third (1/3) shall be allocated to counties based on the proportion that the rural population of the county bears to the total rural population in all counties of the state, according to the latest federal decennial census.

For the purposes of this subsection, the term "gasoline, diesel fuel or kerosene taxes" means such taxes as defined in paragraph (f) of Section 27-5-101.

The amount of funds allocated to any county under this subsection for any fiscal year after fiscal year 1994 shall not be less than the amount allocated to the county for fiscal year 1994.

Any reference in the general laws of this state or the Mississippi Code of 1972 to Section 27-5-105 shall mean and be construed to refer and apply to subsection (4) of Section 27-65-75.

(5) One Million Six Hundred Sixty-six Thousand Six Hundred Sixty-six Dollars (\$1,666,666.00) each month shall be paid into the special fund known as the "State Public School Building Fund" created and existing under the provisions of Sections 37-47-1 through 37-47-67. Those payments into that fund are to be made on the last day of each succeeding month hereafter.

(6) An amount each month beginning August 15, 1983, through November 15, 1986, as specified in Section 6, Chapter 542, Laws of 1983, shall be paid into the special fund known as the Correctional Facilities Construction Fund created in Section 6, Chapter 542, Laws of 1983.

(7) On or before August 15, 1992, and each succeeding month thereafter through July 15, 2000, two and two hundred sixty-six one-thousandths percent (2.266%)

of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Section 27-65-17(2), shall be deposited by the department into the School Ad Valorem Tax Reduction Fund created under Section 37-61-35. On or before August 15, 2000, and each succeeding month thereafter, two and two hundred sixty-six one-thousandths percent (2.266%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Section 27-65-17(2), shall be deposited into the School Ad Valorem Tax Reduction Fund created under Section 37-61-35 until such time that the total amount deposited into the fund during a fiscal year equals Forty-two Million Dollars (\$42,000,000.00). Thereafter, the amounts diverted under this subsection (7) during the fiscal year in excess of Forty-two Million Dollars (\$42,000,000.00) shall be deposited into the Education Enhancement Fund created under Section 37-61-33 for appropriation by the Legislature as other education needs and shall not be subject to the percentage appropriation requirements set forth in Section 37-61-33.

(8) On or before August 15, 1992, and each succeeding month thereafter, nine and seventy-three one-thousandths percent (9.073%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Section 27-65-17(2), shall be deposited into the Education Enhancement Fund created under Section 37-61-33.

(9) On or before August 15, 1994, and each succeeding month thereafter, from the revenue collected under this chapter during the preceding month, Two Hundred Fifty Thousand Dollars (\$250,000.00) shall be paid into the State Aid Road Fund.

(10) On or before August 15, 1994, and each succeeding month thereafter through August 15, 1995, from the revenue collected under this chapter during the preceding month, Two Million Dollars (\$2,000,000.00) shall be deposited into the Motor Vehicle Ad Valorem Tax Reduction Fund established in Section 27-51-105.

(11) Notwithstanding any other provision of this section to the contrary, on or before February 15, 1995, and each succeeding month thereafter, the sales tax revenue collected during the preceding month under the provisions of Section 27-65-17(2) and the corresponding levy in Section 27-65-23 on the rental or lease of private carriers of passengers and light carriers of property as defined in Section 27-51-101 shall be deposited, without diversion, into the Motor Vehicle Ad Valorem Tax Reduction Fund established in Section 27-51-105.

(12) Notwithstanding any other provision of this section to the contrary, on or before August 15, 1995, and each succeeding month thereafter, the sales tax revenue collected during the preceding month under the provisions of Section 27-65-17(1) on retail sales of private carriers of passengers and light carriers of property, as defined in Section 27-51-101 and the corresponding levy in Section 27-65-23 on the rental or lease of these vehicles, shall be deposited, after diversion, into the Motor Vehicle Ad Valorem Tax Reduction Fund established in Section 27-51-105.

(13) On or before July 15, 1994, and on or before the fifteenth day of each succeeding month thereafter, that portion of the avails of the tax imposed in Section 27-65-22 that is derived from activities held on the Mississippi State Fairgrounds Complex shall be paid into a special fund that is created in the State Treasury and shall be expended upon legislative appropriation solely to defray the costs of repairs and renovation at the Trade Mart and Coliseum.

(14) On or before August 15, 1998, and each succeeding month thereafter through July 15, 2005, that portion of the avails of the tax imposed in Section 27-65-23 that is derived from sales by cotton compresses or cotton warehouses and that would otherwise be paid into the General Fund shall be deposited in an amount not to exceed Two Million Dollars (\$2,000,000.00) into the special fund created under Section 69-37-39. On or before August 15, 2007, and each succeeding month thereafter through July 15, 2010, that portion of the avails of the tax imposed in Section 27-65-23 that is derived from sales by cotton compresses or cotton warehouses and that would otherwise be paid into the General Fund shall be deposited in an amount not to exceed Two Million Dollars (\$2,000,000.00) into the special fund created under Section 69-37-39 until all debts or other obligations incurred by the Certified Cotton Growers Organization under the Mississippi Boll Weevil Management Act before January 1, 2007, are satisfied in full. On

or before August 15, 2010, and each succeeding month thereafter through July 15, 2011, fifty percent (50%) of that portion of the avails of the tax imposed in Section 27-65-23 that is derived from sales by cotton compresses or cotton warehouses and that would otherwise be paid into the General Fund shall be deposited into the special fund created under Section 69-37-39 until such time that the total amount deposited into the fund during a fiscal year equals One Million Dollars (\$1,000,000.00). On or before August 15, 2011, and each succeeding month thereafter, that portion of the avails of the tax imposed in Section 27-65-23 that is derived from sales by cotton compresses or cotton warehouses and that would otherwise be paid into the General Fund shall be deposited into the special fund created under Section 69-37-39 until such time that the total amount deposited into the fund during a fiscal year equals One Million Dollars (\$1,000,000.00).

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1197: Dual-phase design-build method of construction contracting; revise certain provisions of.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 31-7-13.1, Mississippi Code of 1972, is amended as follows:

31-7-13.1. (1) The method of contracting for construction described in this section shall be known as the " *** design-build method" of construction contracting. This method of construction contracting may be used *** on residential buildings, residential mixed-use developments, parking garages and other prescriptive type facilities. The design-build method of construction contracting may only be used when the Department of Finance and Administration or a governing authority has determined that it satisfies the public interest better than traditional design-bid or when the Legislature has specifically required or authorized the use of this method in the legislation authorizing a project. At a minimum, the determination must include a detailed explanation of why using the *** design-build method for a particular project satisfies the public need better than the traditional design-bid-build method based on the following criteria:

(a) The project provides a savings in time or cost over traditional methods; and

(b) The size and type of the project is suitable for design-build.

(2) For each proposed *** design-build project, either a *** fixed firm price or guaranteed maximum price contract must be adopted. *** Before solicitation of *** proposals, the agency or governing authority shall develop *** a scope of work statement

that provides prospective offerors with sufficient information regarding the requirements of the agency or governing authority. The scope of work statement must include, but is not limited to, the following information:

(a) *** Location and nature of proposed site(s) that include preliminary geotechnical information from borings as well as survey drawings that show topography, adjacent buildings and utilities;

(b) *** Any mandatory requirements such as minimum number and types of spaces, any minimum or maximum building area(s) or height(s), applicable energy codes and/or efficiency targets, applicable zoning regulations and any aesthetic or character defining standards;

(c) *** Any mandatory material and/or system performance requirements and/or specifications; and

(d) *** General budget parameters, schedule or delivery requirements, relevant criteria for evaluation of proposals, and any other information necessary to enable the design-builders to submit proposals that meet the needs of the agency or governing authority.

(3) The agency or governing authority shall cause to be published once a week, for at least two (2) consecutive weeks in a regular newspaper published in the county in which the project is to be located, or a newspaper with statewide circulation, a notice inviting proposals for the *** design-build construction project. On the same date that the notice is submitted to the newspaper for publication, the agency or governing authority involved shall post the notice on the Mississippi Procurement Portal or mail written notice to, or provide electronic notification to, the main office of the Mississippi Procurement Technical Assistance Program under the Mississippi Development Authority that contains the same information as that in the published notice. The proposals shall not be opened in less than fifteen (15) working days after the last notice is published. The notice must inform potential offerors of how to obtain the scope of work statement developed for the project, and the notice must contain such other information to describe adequately the general nature and scope of the project so as to promote full, equal and open competition.

(4) The agency or governing authority shall accept initial proposals only from entities able to provide an experienced and qualified design-build team that includes, at a minimum, an architectural or engineering firm licensed and registered in Mississippi and a contractor properly licensed and domiciled in Mississippi for the type of work required. ***

(5) *** Proposals that include criteria other than cost only shall be evaluated by an evaluation committee established by the procuring entity. The evaluation committee shall be composed of not less than three (3) people, at least one (1) of which shall be an architect or engineer licensed and registered in Mississippi. Selection criteria of the evaluation committee shall be limited to the following:

(a) The bidder's knowledge and experience in executing projects of similar size and complexity;

(b) The experience and qualifications of the proposed office and construction management personnel;

(c) The experience and qualifications of the subcontractors proposed;

(d) The experience and qualifications of the architect or engineer and consultants;

(e) Schedule control; and

(f) Cost factors.

Cost as an evaluation factor shall be given the highest criteria weighting and at least thirty-five percent (35%) out of the one hundred percent (100%) total weight of all the other evaluation factors.

(6) If the agency or governing authority accepts a proposal other than the *** proposal with the lowest costs that was actually submitted, the agency or governing authority shall enter on its minutes detailed calculations and a narrative summary showing why the accepted proposal was determined to provide the best value, and the agency or governing authority shall state specifically on its minutes the justification for its award.

(7) All facilities that are governed by this section shall be designed and constructed to comply with standards equal to or exceeding the minimum building code

standards employed by the state as required under Section 31-11-33 in force at the time of contracting. All private contractors or private entities contracting or performing under this section must comply at all times with all applicable laws, codes and other legal requirements pertaining to the project.

(8) * * * An agency or governing authority may not award a stipulated fee * * * to an offeror for preparation costs to submit a response to the request for proposals.

(9) This section shall not authorize the awarding of construction contracts according to any contracting method that does not require the contractor to satisfactorily perform, at a minimum, both any balance of design, using an independent professional licensed in Mississippi, and construction of the project for which the contract is awarded.

(10) The provisions of this section shall not affect any procurement by the Mississippi Transportation Commission.

(11) The provisions of this section shall not apply to procurement authorized in Section 59-5-37(3).

However, nothing contained in this paragraph (a) shall be construed to prohibit any agency or governing authority from establishing procedures which require competitive bids on purchases of Five Thousand Dollars (\$5,000.00) or less.

(b) Bidding procedure for purchases over \$5,000.00 but not over \$50,000.00. Purchases which involve an expenditure of more than Five Thousand Dollars (\$5,000.00) but not more than Fifty Thousand Dollars (\$50,000.00), exclusive of freight and shipping charges, may be made from the lowest and best bidder without publishing or posting advertisement for bids, provided at least two (2) competitive written bids have been obtained. Any state agency or community/junior college purchasing commodities or procuring construction pursuant to this paragraph (b) may authorize its purchasing agent, or his designee, to accept the lowest competitive written bid under Fifty Thousand Dollars (\$50,000.00). Any governing authority purchasing commodities pursuant to this paragraph (b) may authorize its purchasing agent, or his designee, with regard to governing authorities other than counties, or its purchase clerk, or his designee, with regard to counties, to accept the lowest and best competitive written bid. Such

authorization shall be made in writing by the governing authority and shall be maintained on file in the primary office of the agency and recorded in the official minutes of the governing authority, as appropriate. The purchasing agent or the purchase clerk, or their designee, as the case may be, and not the governing authority, shall be liable for any penalties and/or damages as may be imposed by law for any act or omission of the purchasing agent or purchase clerk, or their designee, constituting a violation of law in accepting any bid without approval by the governing authority. The term "competitive written bid" shall mean a bid submitted on a bid form furnished by the buying agency or governing authority and signed by authorized personnel representing the vendor, or a bid submitted on a vendor's letterhead or identifiable bid form and signed by authorized personnel representing the vendor. "Competitive" shall mean that the bids are developed based upon comparable identification of the needs and are developed independently and without knowledge of other bids or prospective bids. Any bid item for construction in excess of Five Thousand Dollars (\$5,000.00) shall be broken down by components to provide detail of component description and pricing. These details shall be submitted with the written bids and become part of the bid evaluation criteria. Bids may be submitted by facsimile, electronic mail or other generally accepted method of information distribution. Bids submitted by electronic transmission shall not require the signature of the vendor's representative unless required by agencies or governing authorities.

(c) Bidding procedure for purchases over \$50,000.00.

(i) Publication requirement.

1. Purchases which involve an expenditure of more than Fifty Thousand Dollars (\$50,000.00), exclusive of freight and shipping charges, may be made from the lowest and best bidder after advertising for competitive bids once each week for two (2) consecutive weeks in a regular newspaper published in the county or municipality in which such agency or governing authority is located. However, all American Recovery and Reinvestment Act projects in excess of Twenty-five Thousand Dollars (\$25,000.00) shall be bid. All references to American Recovery and Reinvestment Act projects in this section shall not apply to programs identified in Division B of the American Recovery and Reinvestment Act.

2. Reverse auctions shall be the primary method for receiving bids during the bidding process. If a purchasing entity determines that a reverse auction is not in the best interest of the state, then that determination must be approved by the Public Procurement Review Board. The purchasing entity shall submit a detailed explanation of why a reverse auction would not be in the best interest of the state and present an alternative process to be approved by the Public Procurement Review Board. If the Public Procurement Review Board authorizes the purchasing entity to solicit bids with a method other than reverse auction, then the purchasing entity may designate the other methods by which the bids will be received, including, but not limited to, bids sealed in an envelope, bids received electronically in a secure system, or bids received by any other method that promotes open competition and has been approved by the Office of Purchasing and Travel. However, reverse auction shall not be used for any public contract for design or construction of public facilities, including buildings, roads and bridges. The Public Procurement Review Board must approve any contract entered into by alternative process. The provisions of this item 2 shall not apply to the individual state institutions of higher learning.

3. The date as published for the bid opening shall not be less than seven (7) working days after the last published notice; however, if the purchase involves a construction project in which the estimated cost is in excess of Fifty Thousand Dollars (\$50,000.00), such bids shall not be opened in less than fifteen (15) working days after the last notice is published and the notice for the purchase of such construction shall be published once each week for two (2) consecutive weeks. However, all American Recovery and Reinvestment Act projects in excess of Twenty-five Thousand Dollars (\$25,000.00) shall be bid. For any projects in excess of Twenty-five Thousand Dollars (\$25,000.00) under the American Recovery and Reinvestment Act, publication shall be made one (1) time and the bid opening for construction projects shall not be less than ten (10) working days after the date of the published notice. The notice of intention to let contracts or purchase equipment shall state the time and place at which bids shall be received, list the contracts to be made or types of equipment or supplies to be

purchased, and, if all plans and/or specifications are not published, refer to the plans and/or specifications on file. If there is no newspaper published in the county or municipality, then such notice shall be given by posting same at the courthouse, or for municipalities at the city hall, and at two (2) other public places in the county or municipality, and also by publication once each week for two (2) consecutive weeks in some newspaper having a general circulation in the county or municipality in the above-provided manner. On the same date that the notice is submitted to the newspaper for publication, the agency or governing authority involved shall mail written notice to, or provide electronic notification to the main office of the Mississippi Procurement Technical Assistance Program under the Mississippi Development Authority that contains the same information as that in the published notice. Submissions received by the Mississippi Procurement Technical Assistance Program for projects funded by the American Recovery and Reinvestment Act shall be displayed on a separate and unique internet web page accessible to the public and maintained by the Mississippi Development Authority for the Mississippi Procurement Technical Assistance Program. Those American Recovery and Reinvestment Act related submissions shall be publicly posted within twenty-four (24) hours of receipt by the Mississippi Development Authority and the bid opening shall not occur until the submission has been posted for ten (10) consecutive days. The Department of Finance and Administration shall maintain information regarding contracts and other expenditures from the American Recovery and Reinvestment Act, on a unique internet web page accessible to the public. The Department of Finance and Administration shall promulgate rules regarding format, content and deadlines, unless otherwise specified by law, of the posting of award notices, contract execution and subsequent amendments, links to the contract documents, expenditures against the awarded contracts and general expenditures of funds from the American Recovery and Reinvestment Act. Within one (1) working day of the contract award, the agency or governing authority shall post to the designated web page maintained by the Department of Finance and Administration, notice of the award, including the award recipient, the contract amount, and a brief summary of the contract in accordance with rules promulgated by the department. Within one (1) working day of the contract execution, the agency or governing authority shall post to the designated web page maintained by the Department of Finance and Administration a summary of the executed contract and make a copy of the appropriately redacted contract documents available for linking to the designated web page in accordance with the rules promulgated by the department. The information provided by the agency or governing authority shall be posted to the web page for the duration of the American Recovery and Reinvestment Act funding or until the project is completed, whichever is longer.

(ii) Bidding process amendment procedure. If all plans and/or specifications are published in the notification, then the plans and/or specifications may not be amended. If all plans and/or specifications are not published in the notification, then amendments to the plans/specifications, bid opening date, bid opening time and place may be made, provided that the agency or governing authority maintains a list of all prospective bidders who are known to have received a copy of the bid documents and all such prospective bidders are sent copies of all amendments. This notification of amendments may be made via mail, facsimile, electronic mail or other generally accepted method of information distribution. No addendum to bid specifications may be issued within two (2) working days of the time established for the receipt of bids unless such addendum also amends the bid opening to a date not less than five (5) working days after the date of the addendum.

(iii) Filing requirement. In all cases involving governing authorities, before the notice shall be published or posted, the plans or specifications for the construction or equipment being sought shall be filed with the clerk of the board of the governing authority. In addition to these requirements, a bid file shall be established which shall indicate those vendors to whom such solicitations and specifications were issued, and such file shall also contain such information as is pertinent to the bid.

(iv) Specification restrictions.

1. Specifications pertinent to such bidding shall be written so as not to exclude comparable equipment of domestic manufacture. However, if valid justification is presented, the Department of Finance and Administration

or the board of a governing authority may approve a request for specific equipment necessary to perform a specific job. Further, such justification, when placed on the minutes of the board of a governing authority, may serve as authority for that governing authority to write specifications to require a specific item of equipment needed to perform a specific job. In addition to these requirements, from and after July 1, 1990, vendors of relocatable classrooms and the specifications for the purchase of such relocatable classrooms published by local school boards shall meet all pertinent regulations of the State Board of Education, including prior approval of such bid by the State Department of Education.

2. Specifications for construction projects may include an allowance for commodities, equipment, furniture, construction materials or systems in which prospective bidders are instructed to include in their bids specified amounts for such items so long as the allowance items are acquired by the vendor in a commercially reasonable manner and approved by the agency/governing authority. Such acquisitions shall not be made to circumvent the public purchasing laws.

(v) Electronic bids. Agencies and governing authorities shall provide a secure electronic interactive system for the submittal of bids requiring competitive bidding that shall be an additional bidding option for those bidders who choose to submit their bids electronically. The Department of Finance and Administration shall provide, by regulation, the standards that agencies must follow when receiving electronic bids. Agencies and governing authorities shall make the appropriate provisions necessary to accept electronic bids from those bidders who choose to submit their bids electronically for all purchases requiring competitive bidding under this section. Any special condition or requirement for the electronic bid submission shall be specified in the advertisement for bids required by this section. Agencies or governing authorities that are currently without available high speed internet access shall be exempt from the requirement of this subparagraph (v) until such time that high speed internet access becomes available. Any county having a population of less than twenty thousand (20,000) shall be exempt from the provisions of this subparagraph (v). Any municipality having a population of less than ten thousand (10,000) shall be exempt from the provisions of this subparagraph (v). The provisions of this subparagraph (v) shall not require any bidder to submit bids electronically. When construction bids are submitted electronically, the requirement for including a certificate of responsibility, or a statement that the bid enclosed does not exceed Fifty Thousand Dollars (\$50,000.00), on the exterior of the bid envelope as indicated in Section 31-3-21(1) and (2) shall be deemed in compliance with by including same as an attachment with the electronic bid submittal.

(d) Lowest and best bid decision procedure.

(i) Decision procedure. Purchases may be made from the lowest and best bidder. In determining the lowest and best bid, freight and shipping charges shall be included. Life-cycle costing, total cost bids, warranties, guaranteed buy-back provisions and other relevant provisions may be included in the best bid calculation. All best bid procedures for state agencies must be in compliance with regulations established by the Department of Finance and Administration. If any governing authority accepts a bid other than the lowest bid actually submitted, it shall place on its minutes detailed calculations and narrative summary showing that the accepted bid was determined to be the lowest and best bid, including the dollar amount of the accepted bid and the dollar amount of the lowest bid. No agency or governing authority shall accept a bid based on items not included in the specifications.

(ii) Decision procedure for Certified Purchasing Offices. In addition to the decision procedure set forth in subparagraph (i) of this paragraph (d), Certified Purchasing Offices may also use the following procedure: Purchases may be made from the bidder offering the best value. In determining the best value bid, freight and shipping charges shall be included. Life-cycle costing, total cost bids, warranties, guaranteed buy-back provisions, documented previous experience, training costs and other relevant provisions, including, but not limited to, a bidder having a local office and inventory located within the jurisdiction of the governing authority, may be included in the best value calculation. This provision shall authorize Certified Purchasing Offices to utilize a Request For Proposals (RFP) process when purchasing commodities. All best value procedures for state agencies must be in compliance with regulations established by the

Department of Finance and Administration. No agency or governing authority shall accept a bid based on items or criteria not included in the specifications.

(iii) Decision procedure for Mississippi Landmarks. In addition to the decision procedure set forth in subparagraph (i) of this paragraph (d), where purchase involves renovation, restoration, or both, of the State Capitol Building or any other historical building designated for at least five (5) years as a Mississippi Landmark by the Board of Trustees of the Department of Archives and History under the authority of Sections 39-7-7 and 39-7-11, the agency or governing authority may use the following procedure: Purchases may be made from the lowest and best prequalified bidder. Prequalification of bidders shall be determined not less than fifteen (15) working days before the first published notice of bid opening. Prequalification criteria shall be limited to bidder's knowledge and experience in historical restoration, preservation and renovation. In determining the lowest and best bid, freight and shipping charges shall be included. Life-cycle costing, total cost bids, warranties, guaranteed buy-back provisions and other relevant provisions may be included in the best bid calculation. All best bid and prequalification procedures for state agencies must be in compliance with regulations established by the Department of Finance and Administration. If any governing authority accepts a bid other than the lowest bid actually submitted, it shall place on its minutes detailed calculations and narrative summary showing that the accepted bid was determined to be the lowest and best bid, including the dollar amount of the accepted bid and the dollar amount of the lowest bid. No agency or governing authority shall accept a bid based on items not included in the specifications.

(iv) Construction project negotiations authority. If the lowest and best bid is not more than ten percent (10%) above the amount of funds allocated for a public construction or renovation project, then the agency or governing authority shall be permitted to negotiate with the lowest bidder in order to enter into a contract for an amount not to exceed the funds allocated.

(e) Lease-purchase authorization. For the purposes of this section, the term "equipment" shall mean equipment, furniture and, if applicable, associated software and other applicable direct costs associated with the acquisition. Any lease-purchase of equipment which an agency is not required to lease-purchase under the master lease-purchase program pursuant to Section 31-7-10 and any lease-purchase of equipment which a governing authority elects to lease-purchase may be acquired by a lease-purchase agreement under this paragraph (e). Lease-purchase financing may also be obtained from the vendor or from a third-party source after having solicited and obtained at least two (2) written competitive bids, as defined in paragraph (b) of this section, for such financing without advertising for such bids. Solicitation for the bids for financing may occur before or after acceptance of bids for the purchase of such equipment or, where no such bids for purchase are required, at any time before the purchase thereof. No such lease-purchase agreement shall be for an annual rate of interest which is greater than the overall maximum interest rate to maturity on general obligation indebtedness permitted under Section 75-17-101, and the term of such lease-purchase agreement shall not exceed the useful life of equipment covered thereby as determined according to the upper limit of the asset depreciation range (ADR) guidelines for the Class Life Asset Depreciation Range System established by the Internal Revenue Service pursuant to the United States Internal Revenue Code and regulations thereunder as in effect on December 31, 1980, or comparable depreciation guidelines with respect to any equipment not covered by ADR guidelines. Any lease-purchase agreement entered into pursuant to this paragraph (e) may contain any of the terms and conditions which a master lease-purchase agreement may contain under the provisions of Section 31-7-10(5), and shall contain an annual allocation dependency clause substantially similar to that set forth in Section 31-7-10(8). Each agency or governing authority entering into a lease-purchase transaction pursuant to this paragraph (e) shall maintain with respect to each such lease-purchase transaction the same information as required to be maintained by the Department of Finance and Administration pursuant to Section 31-7-10(13). However, nothing contained in this section shall be construed to permit agencies to acquire items of equipment with a total acquisition cost in the aggregate of less than Ten Thousand Dollars (\$10,000.00) by a single lease-purchase transaction. All equipment, and the purchase thereof by any lessor, acquired by lease-purchase under this paragraph and all lease-

purchase payments with respect thereto shall be exempt from all Mississippi sales, use and ad valorem taxes. Interest paid on any lease-purchase agreement under this section shall be exempt from State of Mississippi income taxation.

(f) Alternate bid authorization. When necessary to ensure ready availability of commodities for public works and the timely completion of public projects, no more than two (2) alternate bids may be accepted by a governing authority for commodities. No purchases may be made through use of such alternate bids procedure unless the lowest and best bidder cannot deliver the commodities contained in his bid. In that event, purchases of such commodities may be made from one (1) of the bidders whose bid was accepted as an alternate.

(g) Construction contract change authorization. In the event a determination is made by an agency or governing authority after a construction contract is let that changes or modifications to the original contract are necessary or would better serve the purpose of the agency or the governing authority, such agency or governing authority may, in its discretion, order such changes pertaining to the construction that are necessary under the circumstances without the necessity of further public bids; provided that such change shall be made in a commercially reasonable manner and shall not be made to circumvent the public purchasing statutes. In addition to any other authorized person, the architect or engineer hired by an agency or governing authority with respect to any public construction contract shall have the authority, when granted by an agency or governing authority, to authorize changes or modifications to the original contract without the necessity of prior approval of the agency or governing authority when any such change or modification is less than one percent (1%) of the total contract amount. The agency or governing authority may limit the number, manner or frequency of such emergency changes or modifications.

(h) Petroleum purchase alternative. In addition to other methods of purchasing authorized in this chapter, when any agency or governing authority shall have a need for gas, diesel fuel, oils and/or other petroleum products in excess of the amount set forth in paragraph (a) of this section, such agency or governing authority may purchase the commodity after having solicited and obtained at least two (2) competitive written bids, as defined in paragraph (b) of this section. If two (2) competitive written bids are not obtained, the entity shall comply with the procedures set forth in paragraph (c) of this section. In the event any agency or governing authority shall have advertised for bids for the purchase of gas, diesel fuel, oils and other petroleum products and coal and no acceptable bids can be obtained, such agency or governing authority is authorized and directed to enter into any negotiations necessary to secure the lowest and best contract available for the purchase of such commodities.

(i) Road construction petroleum products price adjustment clause authorization. Any agency or governing authority authorized to enter into contracts for the construction, maintenance, surfacing or repair of highways, roads or streets, may include in its bid proposal and contract documents a price adjustment clause with relation to the cost to the contractor, including taxes, based upon an industry-wide cost index, of petroleum products including asphalt used in the performance or execution of the contract or in the production or manufacture of materials for use in such performance. Such industry-wide index shall be established and published monthly by the Mississippi Department of Transportation with a copy thereof to be mailed, upon request, to the clerks of the governing authority of each municipality and the clerks of each board of supervisors throughout the state. The price adjustment clause shall be based on the cost of such petroleum products only and shall not include any additional profit or overhead as part of the adjustment. The bid proposals or document contract shall contain the basis and methods of adjusting unit prices for the change in the cost of such petroleum products.

(j) State agency emergency purchase procedure. If the governing board or the executive head, or his designees, of any agency of the state shall determine that an emergency exists in regard to the purchase of any commodities or repair contracts, so that the delay incident to giving opportunity for competitive bidding would be detrimental to the interests of the state, then the head of such agency, or his designees, shall file with the Department of Finance and Administration (i) a statement explaining the conditions and circumstances of the emergency, which shall include a detailed description of the events leading up to the situation and the negative impact to the entity if the

purchase is made following the statutory requirements set forth in paragraph (a), (b) or (c) of this section, and (ii) a certified copy of the appropriate minutes of the board of such agency requesting the emergency purchase, if applicable. Upon receipt of the statement and applicable board certification, the State Fiscal Officer, or his designees, may, in writing, authorize the purchase or repair without having to comply with competitive bidding requirements.

If the governing board or the executive head, or his designees, of any agency determines that an emergency exists in regard to the purchase of any commodities or repair contracts, so that the delay incident to giving opportunity for competitive bidding would threaten the health or safety of any person, or the preservation or protection of property, then the provisions in this section for competitive bidding shall not apply, and any officer or agent of the agency having general or specific authority for making the purchase or repair contract shall approve the bill presented for payment, and he shall certify in writing from whom the purchase was made, or with whom the repair contract was made.

Total purchases made under this paragraph (j) shall only be for the purpose of meeting needs created by the emergency situation. Following the emergency purchase, documentation of the purchase, including a description of the commodity purchased, the purchase price thereof and the nature of the emergency shall be filed with the Department of Finance and Administration. Any contract awarded pursuant to this paragraph (j) shall not exceed a term of one (1) year.

Purchases under the grant program established under Section 37-68-7 in response to COVID-19 and the directive that school districts create a distance learning plan and fulfill technology needs expeditiously shall be deemed an emergency purchase for purposes of this paragraph (j).

(k) Governing authority emergency purchase procedure. If the governing authority, or the governing authority acting through its designee, shall determine that an emergency exists in regard to the purchase of any commodities or repair contracts, so that the delay incident to giving opportunity for competitive bidding would be detrimental to the interest of the governing authority, then the provisions herein for competitive bidding shall not apply and any officer or agent of such governing authority having general or special authority therefor in making such purchase or repair shall approve the bill presented therefor, and he shall certify in writing thereon from whom such purchase was made, or with whom such a repair contract was made. At the board meeting next following the emergency purchase or repair contract, documentation of the purchase or repair contract, including a description of the commodity purchased, the price thereof and the nature of the emergency shall be presented to the board and shall be placed on the minutes of the board of such governing authority. Purchases under the grant program established under Section 37-68-7 in response to COVID-19 and the directive that school districts create a distance learning plan and fulfill technology needs expeditiously shall be deemed an emergency purchase for purposes of this paragraph (k).

(l) Hospital purchase, lease-purchase and lease authorization.

(i) The commissioners or board of trustees of any public hospital may contract with such lowest and best bidder for the purchase or lease-purchase of any commodity under a contract of purchase or lease-purchase agreement whose obligatory payment terms do not exceed five (5) years.

(ii) In addition to the authority granted in subparagraph (i) of this paragraph (l), the commissioners or board of trustees is authorized to enter into contracts for the lease of equipment or services, or both, which it considers necessary for the proper care of patients if, in its opinion, it is not financially feasible to purchase the necessary equipment or services. Any such contract for the lease of equipment or services executed by the commissioners or board shall not exceed a maximum of five (5) years' duration and shall include a cancellation clause based on unavailability of funds. If such cancellation clause is exercised, there shall be no further liability on the part of the lessee. Any such contract for the lease of equipment or services executed on behalf of the commissioners or board that complies with the provisions of this subparagraph (ii) shall be excepted from the bid requirements set forth in this section.

(m) Exceptions from bidding requirements. Excepted from bid requirements are:

(i) Purchasing agreements approved by department. Purchasing agreements, contracts and maximum price regulations executed or approved by the Department of Finance and Administration.

(ii) Outside equipment repairs. Repairs to equipment, when such repairs are made by repair facilities in the private sector; however, engines, transmissions, rear axles and/or other such components shall not be included in this exemption when replaced as a complete unit instead of being repaired and the need for such total component replacement is known before disassembly of the component; however, invoices identifying the equipment, specific repairs made, parts identified by number and name, supplies used in such repairs, and the number of hours of labor and costs therefor shall be required for the payment for such repairs.

(iii) In-house equipment repairs. Purchases of parts for repairs to equipment, when such repairs are made by personnel of the agency or governing authority; however, entire assemblies, such as engines or transmissions, shall not be included in this exemption when the entire assembly is being replaced instead of being repaired.

Any purchase by a governing authority under the exemption authorized by this subparagraph (v) shall require advance authorization spread upon the minutes of the governing authority to include the listing of the item or items authorized to be purchased and the maximum bid authorized to be paid for each item or items.

(vi) Intergovernmental sales and transfers. Purchases, sales, transfers or trades by governing authorities or state agencies when such purchases, sales, transfers or trades are made by a private treaty agreement or through means of negotiation, from any federal agency or authority, another governing authority or state agency of the State of Mississippi, or any state agency or governing authority of another state. Nothing in this section shall permit such purchases through public auction except as provided for in subparagraph (v) of this paragraph (m). It is the intent of this section to allow governmental entities to dispose of and/or purchase commodities from other governmental entities at a price that is agreed to by both parties. This shall allow for purchases and/or sales at prices which may be determined to be below the market value if the selling entity determines that the sale at below market value is in the best interest of the taxpayers of the state. Governing authorities shall place the terms of the agreement and any justification on the minutes, and state agencies shall obtain approval from the Department of Finance and Administration, prior to releasing or taking possession of the commodities.

(vii) Perishable supplies or food. Perishable supplies or food purchased for use in connection with hospitals, the school lunch programs, homemaking programs and for the feeding of county or municipal prisoners.

(viii) Single source items. Noncompetitive items available from one (1) source only. In connection with the purchase of noncompetitive items only available from one (1) source, a certification of the conditions and circumstances requiring the purchase shall be filed by the agency with the Department of Finance and Administration and by the governing authority with the board of the governing authority. Upon receipt of that certification the Department of Finance and Administration or the board of the governing authority, as the case may be, may, in writing, authorize the purchase, which authority shall be noted on the minutes of the body at the next regular meeting thereafter. In those situations, a governing authority is not required to obtain the approval of the Department of Finance and Administration. Following the purchase, the executive head of the state agency, or his designees, shall file with the Department of Finance and Administration, documentation of the purchase, including a description of the commodity purchased, the purchase price thereof and the source from whom it was purchased.

(ix) Waste disposal facility construction contracts. Construction of incinerators and other facilities for disposal of solid wastes in which products either generated therein, such as steam, or recovered therefrom, such as materials for recycling, are to be sold or otherwise disposed of; however, in constructing such facilities, a governing authority or agency shall publicly issue requests for proposals, advertised for in the same manner as provided herein for seeking bids for public construction projects, concerning the design, construction, ownership, operation and/or maintenance of such facilities, wherein such requests for proposals when issued shall contain terms and conditions relating to price, financial responsibility, technology, environmental compatibility, legal responsibilities and such other matters as are determined by the governing authority or agency to be appropriate for inclusion; and after responses to the request for proposals have been duly received, the governing authority or agency may select the most qualified proposal or proposals on the basis of price, technology and other relevant factors and from such proposals, but not limited to the terms thereof, negotiate and enter contracts with one or more of the persons or firms submitting proposals.

(x) Hospital group purchase contracts. Supplies, commodities and equipment purchased by hospitals through group purchase programs pursuant to Section 31-7-38.

Term contracts for a period exceeding twenty-four (24) months shall also be subject to ratification or cancellation by governing authority boards taking office subsequent to the governing authority board entering the contract.

(ii) Bid proposals and contracts may include price adjustment clauses with relation to the cost to the contractor based upon a nationally published industry-wide or nationally published and recognized cost index. The cost index used in a price adjustment clause shall be determined by the Department of Finance and Administration for the state agencies and by the governing board for governing authorities. The bid proposal and contract documents utilizing a price adjustment clause shall contain the basis and method of adjusting unit prices for the change in the cost of such commodities, equipment and public construction.

(o) Purchase law violation prohibition and vendor penalty. No contract or purchase as herein authorized shall be made for the purpose of circumventing the provisions of this section requiring competitive bids, nor shall it be lawful for any person or concern to submit individual invoices for amounts within those authorized for a contract or purchase where the actual value of the contract or commodity purchased exceeds the authorized amount and the invoices therefor are split so as to appear to be authorized as purchases for which competitive bids are not required. Submission of such invoices shall constitute a misdemeanor punishable by a fine of not less than Five Hundred Dollars (\$500.00) nor more than One Thousand Dollars (\$1,000.00), or by imprisonment for thirty (30) days in the county jail, or both such fine and imprisonment. In addition, the claim or claims submitted shall be forfeited.

When in response to a proper advertisement therefor, no bid firm as to price is submitted to an electric utility for power transformers, distribution transformers, power breakers, reclosers or other articles containing a petroleum product, the electric utility may accept the lowest and best bid therefor although the price is not firm.

(q) Fuel management system bidding procedure. Any governing authority or agency of the state shall, before contracting for the services and products of a fuel management or fuel access system, enter into negotiations with not fewer than two (2) sellers of fuel management or fuel access systems for competitive written bids to provide the services and products for the systems. In the event that the governing authority or agency cannot locate two (2) sellers of such systems or cannot obtain bids from two (2) sellers of such systems, it shall show proof that it made a diligent, good-faith effort to locate and negotiate with two (2) sellers of such systems. Such proof shall include, but not be limited to, publications of a request for proposals and letters soliciting negotiations and bids. For purposes of this paragraph (q), a fuel management or fuel access system is an automated system of acquiring fuel for vehicles as well as management reports detailing fuel use by vehicles and drivers, and the term "competitive written bid" shall have the meaning as defined in paragraph (b) of this section. Governing authorities and agencies shall be exempt from this process when contracting for the services and products of fuel management or fuel access systems under the terms of a state contract established by the Office of Purchasing and Travel.

(r) Solid waste contract proposal procedure. Before entering into any contract for garbage collection or disposal, contract for solid waste collection or disposal or contract for sewage collection or disposal, which involves an expenditure of more than Fifty Thousand Dollars (\$50,000.00), a governing authority or agency shall issue publicly a request for proposals concerning the specifications for such services which shall be advertised for in the same manner as provided in this section for seeking bids for purchases which involve an expenditure of more than the amount provided in paragraph (c) of this section. Any request for proposals when issued shall contain terms and conditions relating to price, financial responsibility, technology, legal responsibilities and other relevant factors as are determined by the governing authority or agency to be appropriate for inclusion; all factors determined relevant by the governing authority or agency or required by this paragraph (r) shall be duly included in the advertisement to elicit proposals. After responses to the request for proposals have been duly received, the governing authority or agency shall select the most qualified proposal or proposals on the basis of price, technology and other relevant factors and from such proposals, but not limited to the terms thereof, negotiate and enter into contracts with one or more of the persons or firms submitting proposals. If the governing authority or agency deems none of the proposals to be qualified or otherwise acceptable, the request for proposals process may be reinitiated. Notwithstanding any other provisions of this paragraph, where a county with at least thirty-five thousand (35,000) nor more than forty thousand (40,000) population, according to the 1990 federal decennial census, owns or operates a solid waste landfill, the governing authorities of any other county or municipality may contract with the governing authorities of the county owning or operating the landfill, pursuant to a resolution duly adopted and spread upon the minutes of each governing authority involved, for garbage or solid waste collection or disposal services through contract negotiations.

(s) Minority set-aside authorization. Notwithstanding any provision of this section to the contrary, any agency or governing authority, by order placed on its minutes, may, in its discretion, set aside not more than twenty percent (20%) of its anticipated annual expenditures for the purchase of commodities from minority businesses; however, all such set-aside purchases shall comply with all purchasing regulations promulgated by the Department of Finance and Administration and shall be subject to bid requirements under this section. Set-aside purchases for which competitive bids are required shall be made from the lowest and best minority business bidder. For the purposes of this paragraph, the term "minority business" means a business which is owned by a majority of persons who are United States citizens or permanent resident aliens (as defined by the Immigration and Naturalization Service) of the United States, and who are Asian, Black, Hispanic or Native American, according to the following definitions:

(i) "Asian" means persons having origins in any of the original people of the Far East, Southeast Asia, the Indian subcontinent, or the Pacific Islands.

(iv) "Native American" means persons having origins in any of the original people of North America, including American Indians, Eskimos and Aleuts.

(t) Construction punch list restriction. The architect, engineer or other representative designated by the agency or governing authority that is contracting for public construction or renovation may prepare and submit to the contractor only one (1) preliminary punch list of items that do not meet the contract requirements at the time of substantial completion and one (1) final list immediately before final completion and final payment.

(u) Procurement of construction services by state institutions of higher learning. Contracts for privately financed construction of auxiliary facilities on the campus of a state institution of higher learning may be awarded by the Board of Trustees

of State Institutions of Higher Learning to the lowest and best bidder, where sealed bids are solicited, or to the offeror whose proposal is determined to represent the best value to the citizens of the State of Mississippi, where requests for proposals are solicited.

(v) Insurability of bidders for public construction or other public contracts. In any solicitation for bids to perform public construction or other public contracts to which this section applies, including, but not limited to, contracts for repair and maintenance, for which the contract will require insurance coverage in an amount of not less than One Million Dollars (\$1,000,000.00), bidders shall be permitted to either submit proof of current insurance coverage in the specified amount or demonstrate ability to obtain the required coverage amount of insurance if the contract is awarded to the bidder. Proof of insurance coverage shall be submitted within five (5) business days from bid acceptance.

(w) Purchase authorization clarification. Nothing in this section shall be construed as authorizing any purchase not authorized by law.

SECTION 5. This act shall take effect and be in force from and after July 1, 2021.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 31-7-13.1, MISSISSIPPI CODE OF 1972, TO REVISE THE DUAL-PHASE DESIGN-BUILD METHOD OF CONSTRUCTION CONTRACTING; TO REMOVE THE REQUIREMENT FOR TWO PHASES OF DESIGN-BUILD CONSTRUCTION CONTRACTING; TO PROVIDE THAT DESIGN-BUILD CONSTRUCTION CONTRACTING MAY BE USED FOR RESIDENTIAL BUILDINGS, RESIDENTIAL-MIXED USED DEVELOPMENTS, PARKING GARAGES AND OTHER PRESCRIPTIVE TYPE FACILITIES; TO PROVIDE THAT THE DESIGN-BUILD METHOD OF CONSTRUCTION CONTRACTING MAY ONLY BE USED WHEN THE DEPARTMENT OF FINANCE AND ADMINISTRATION OR A GOVERNING AUTHORITY HAS DETERMINED THAT USING THE DESIGN-BUILD METHOD OF CONSTRUCTION CONTRACTING SATISFIES THE PUBLIC INTEREST BETTER THAN TRADITIONAL DESIGN BID OR WHEN THE LEGISLATURE HAS SPECIFICALLY REQUIRED OR AUTHORIZED THE USE OF THIS METHOD IN THE LEGISLATION AUTHORIZING A PROJECT; TO PROVIDE THAT INSTEAD OF THE DUAL-PHASE PROCEDURE FOR AWARDED A CONTRACT, FOR EACH PROPOSED DESIGN-BUILD PROJECT, EITHER A FIXED FIRM PRICE OR GUARANTEED MAXIMUM PRICE CONTRACT MUST BE ADOPTED; TO REVISE WHAT MUST BE INCLUDED IN THE WORK STATEMENT; TO PROVIDE THAT NOTICE SHALL ALSO BE POSTED ON THE MISSISSIPPI PROCUREMENT PORTAL; TO PROVIDE THAT PROPOSALS WHICH INCLUDE CRITERIA OTHER THAN COST ONLY SHALL BE EVALUATED BY AN EVALUATION COMMITTEE ESTABLISHED BY THE PROCURING ENTITY; TO PROVIDE THE MAKEUP OF THE EVALUATION COMMITTEE AND THE SELECTION CRITERIA THAT THE EVALUATION COMMITTEE SHALL CONSIDER WHEN EVALUATING SUBMITTED PROPOSALS; TO PROVIDE THAT AN AGENCY OR GOVERNING AUTHORITY MAY NOT AWARD A STIPULATED FEE TO AN OFFEROR FOR PREPARATION COSTS TO SUBMIT A RESPONSE TO THE REQUEST FOR PROPOSALS; TO AMEND SECTIONS 31-11-3, 61-3-15 AND 31-7-13, MISSISSIPPI CODE OF 1972, TO CONFORM TO THE PRECEDING SECTION; AND FOR RELATED PURPOSES.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2435: Alcoholic beverages; revise various provisions relating to distilleries.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 67-1-51, Mississippi Code of 1972, as amended by House Bill No. 1135, 2021 Regular Session, House Bill No. 1288, 2021 Regular Session, and Senate Bill No. 2606, 2021 Regular Session, is amended as follows:

67-1-51. (1) Permits which may be issued by the department shall be as follows:

(a) Manufacturer's permit. A manufacturer's permit shall permit the manufacture, importation in bulk, bottling and storage of alcoholic liquor and its distribution and sale to manufacturers holding permits under this chapter in this state and to persons outside the state who are authorized by law to purchase the same, and to sell as provided by this chapter.

Manufacturer's permits shall be of the following classes:

Class 1. Distiller's and/or rectifier's permit, which shall authorize the holder thereof to operate a distillery for the production of distilled spirits by distillation or redistillation and/or to operate a rectifying plant for the purifying, refining, mixing, blending, flavoring or reducing in proof of distilled spirits and alcohol.

Class 2. Wine manufacturer's permit, which shall authorize the holder thereof to manufacture, import in bulk, bottle and store wine or vinous liquor.

Class 3. Native wine producer's permit, which shall authorize the holder thereof to produce, bottle, store and sell native wines.

Class 4. Native spirit producer's permit, which shall authorize the holder thereof to produce, bottle, store and sell native spirits.

(b) Package retailer's permit. Except as otherwise provided in this paragraph and Section 67-1-52, a package retailer's permit shall authorize the holder thereof to operate a store exclusively for the sale at retail in original sealed and unopened packages of alcoholic beverages, including native wines and native spirits, not to be consumed on the premises where sold. Alcoholic beverages shall not be sold by any retailer in any package or container containing less than fifty (50) milliliters by liquid measure. A package retailer's permit, with prior approval from the department, shall authorize the holder thereof to sample new product furnished by a manufacturer's representative or his employees at the permitted place of business so long as the sampling otherwise complies with this chapter and applicable department regulations. Such samples may not be provided to customers at the permitted place of business. In addition to the sale at retail of packages of alcoholic beverages, the holder of a package retailer's permit is authorized to sell at retail corkscrews, wine glasses, soft drinks, ice, juices, mixers and other beverages commonly used to mix with alcoholic beverages. Nonalcoholic beverages sold by the holder of a package retailer's permit shall not be consumed on the premises where sold.

(c) On-premises retailer's permit. Except as otherwise provided in subsection (5) of this section, an on-premises retailer's permit shall authorize the sale of alcoholic beverages, including native wines and native spirits, for consumption on the licensed premises only; however, a patron of the permit holder may remove one (1) bottle of wine from the licensed premises if: (i) the patron consumed a portion of the bottle of wine in the course of consuming a meal purchased on the licensed premises; (ii) the permit holder securely reseals the bottle; (iii) the bottle is placed in a bag that is secured in a manner so that it will be visibly apparent if the bag is opened; and (iv) a dated receipt for the wine and the meal is available. Additionally, as part of a carryout order, a permit holder may sell one (1) bottle of wine to be removed from the licensed premises for every two (2) entrees ordered. Such a permit shall be issued only to qualified hotels, restaurants and clubs, and to common carriers with adequate facilities for serving passengers. In resort areas, whether inside or outside of a municipality, the department, in its discretion, may issue on-premises retailer's permits to such establishments as it deems proper. An on-premises retailer's permit when issued to a common carrier shall authorize the sale and serving of alcoholic beverages aboard any licensed vehicle while moving through any county of the state; however, the sale of such alcoholic beverages shall not be permitted while such vehicle is stopped in a county that has not legalized such sales. If an on-premises retailer's permit is applied for by a common carrier operating solely in the water, such common carrier must, along with all other qualifications for a permit, (i) be certified to carry at least one hundred fifty (150) passengers and/or provide overnight accommodations for at least fifty (50) passengers and (ii) operate primarily in the waters within the State of Mississippi which lie adjacent to the State of Mississippi south of the three (3) most southern counties in the State of Mississippi and/or on the Mississippi River or navigable waters within any county bordering on the Mississippi River.

(d) Solicitor's permit. A solicitor's permit shall authorize the holder thereof to act as salesman for a manufacturer or wholesaler holding a proper permit, to solicit on behalf of his employer orders for alcoholic beverages, and to otherwise promote his employer's products in a legitimate manner. Such a permit shall authorize the representation of and employment by one (1) principal only. However, the permittee may also, in the discretion of the department, be issued additional permits to represent other principals. No such permittee shall buy or sell alcoholic beverages for his own account, and no such beverage shall be brought into this state in pursuance of the exercise of such permit otherwise than through a permit issued to a wholesaler or manufacturer in the state.

(e) Native wine retailer's permit. Except as otherwise provided in subsection (5) of this section, a native wine retailer's permit shall be issued only to a holder of a Class 3 manufacturer's permit, and shall authorize the holder thereof to make retail sales of native wines to consumers for on-premises consumption or to consumers in originally sealed and unopened containers at an establishment located on the premises of or in the immediate vicinity of a native winery. When selling to consumers for on-premises consumption, a holder of a native wine retailer's permit may add to the native wine alcoholic beverages not produced on the premises, so long as the total volume of foreign beverage components does not exceed twenty percent (20%) of the mixed

beverage. Hours of sale shall be the same as those authorized for on-premises permittees in the city or county in which the native wine retailer is located.

(f) Temporary retailer's permit. Except as otherwise provided in subsection (5) of this section, a temporary retailer's permit shall permit the purchase and resale of alcoholic beverages, including native wines and native spirits, during legal hours on the premises described in the temporary permit only.

Temporary retailer's permits shall be of the following classes:

Class 1. A temporary one-day permit may be issued to bona fide nonprofit civic or charitable organizations authorizing the sale of alcoholic beverages, including native wine and native spirit, for consumption on the premises described in the temporary permit only. Class 1 permits may be issued only to applicants demonstrating to the department, by a statement signed under penalty of perjury submitted ten (10) days prior to the proposed date or such other time as the department may determine, that they meet the qualifications of Sections 67-1-11, 67-1-37, 67-1-51(2) and (3), 67-1-55, 67-1-57 (excluding paragraph (e)) and 67-1-59. Class 1 permittees shall obtain all alcoholic beverages from package retailers located in the county in which the temporary permit is issued. Alcoholic beverages remaining in stock upon expiration of the temporary permit may be returned by the permittee to the package retailer for a refund of the purchase price upon consent of the package retailer or may be kept by the permittee exclusively for personal use and consumption, subject to all laws pertaining to the illegal sale and possession of alcoholic beverages. The department, following review of the statement provided by the applicant and the requirements of the applicable statutes and regulations, may issue the permit.

Class 2. A temporary permit, not to exceed seventy (70) days, may be issued to prospective permittees seeking to transfer a permit authorized in paragraph (c) of this subsection. A Class 2 permit may be issued only to applicants demonstrating to the department, by a statement signed under the penalty of perjury, that they meet the qualifications of Sections 67-1-5(l), (m), (n), (o), (p) or (q), 67-1-37, 67-1-51(2) and (3), 67-1-55, 67-1-57 and 67-1-59. The department, following a preliminary review of the statement provided by the applicant and the requirements of the applicable statutes and regulations, may issue the permit.

Class 2 temporary permittees must purchase their alcoholic beverages directly from the department or, with approval of the department, purchase the remaining stock of the previous permittee. If the proposed applicant of a Class 1 or Class 2 temporary permit falsifies information contained in the application or statement, the applicant shall never again be eligible for a retail alcohol beverage permit and shall be subject to prosecution for perjury.

Class 3. A temporary one-day permit may be issued to a retail establishment authorizing the complimentary distribution of wine, including native wine, to patrons of the retail establishment at an open house or promotional event, for consumption only on the premises described in the temporary permit. A Class 3 permit may be issued only to an applicant demonstrating to the department, by a statement signed under penalty of perjury submitted ten (10) days before the proposed date or such other time as the department may determine, that it meets the qualifications of Sections 67-1-11, 67-1-37, 67-1-51(2) and (3), 67-1-55, 67-1-57 (excluding paragraph (e)) and 67-1-59. A Class 3 permit holder shall obtain all alcoholic beverages from the holder(s) of a package retailer's permit located in the county in which the temporary permit is issued. Wine remaining in stock upon expiration of the temporary permit may be returned by the Class 3 temporary permit holder to the package retailer for a refund of the purchase price, with consent of the package retailer, or may be kept by the Class 3 temporary permit holder exclusively for personal use and consumption, subject to all laws pertaining to the illegal sale and possession of alcoholic beverages. The department, following review of the statement provided by the applicant and the requirements of the applicable statutes and regulations, may issue the permit. No retailer may receive more than twelve (12) Class 3 temporary permits in a calendar year. A Class 3 temporary permit shall not be issued to a retail establishment that either holds a merchant permit issued under paragraph (l) of this subsection, or holds a permit issued under Chapter 3, Title 67, Mississippi Code of 1972, authorizing the holder to engage in the business of a retailer of light wine or beer.

(g) Caterer's permit. A caterer's permit shall permit the purchase of alcoholic beverages by a person engaging in business as a caterer and the resale of alcoholic beverages by such person in conjunction with such catering business. No person shall qualify as a caterer unless forty percent (40%) or more of the revenue derived from such catering business shall be from the serving of prepared food and not from the sale of alcoholic beverages and unless such person has obtained a permit for such business from the Department of Health. A caterer's permit shall not authorize the sale of alcoholic beverages on the premises of the person engaging in business as a caterer; however, the holder of an on-premises retailer's permit may hold a caterer's permit. When the holder of an on-premises retailer's permit or an affiliated entity of the holder also holds a caterer's permit, the caterer's permit shall not authorize the service of alcoholic beverages on a consistent, recurring basis at a separate, fixed location owned or operated by the caterer, on-premises retailer or affiliated entity and an on-premises retailer's permit shall be required for the separate location. All sales of alcoholic beverages by holders of a caterer's permit shall be made at the location being catered by the caterer, and, except as otherwise provided in subsection (5) of this section, such sales may be made only for consumption at the catered location. The location being catered may be anywhere within a county or judicial district that has voted to come out from under the dry laws or in which the sale and distribution of alcoholic beverages is otherwise authorized by law. Such sales shall be made pursuant to any other conditions and restrictions which apply to sales made by on-premises retail permittees. The holder of a caterer's permit or his employees shall remain at the catered location as long as alcoholic beverages are being sold pursuant to the permit issued under this paragraph (g), and the permittee shall have at the location the identification card issued by the Alcoholic Beverage Control Division of the department. No unsold alcoholic beverages may be left at the catered location by the permittee upon the conclusion of his business at that location. Appropriate law enforcement officers and Alcoholic Beverage Control Division personnel may enter a catered location on private property in order to enforce laws governing the sale or serving of alcoholic beverages.

(h) Research permit. A research permit shall authorize the holder thereof to operate a research facility for the professional research of alcoholic beverages. Such permit shall authorize the holder of the permit to import and purchase limited amounts of alcoholic beverages from the department or from importers, wineries and distillers of alcoholic beverages for professional research.

(i) Alcohol processing permit. An alcohol processing permit shall authorize the holder thereof to purchase, transport and possess alcoholic beverages for the exclusive use in cooking, processing or manufacturing products which contain alcoholic beverages as an integral ingredient. An alcohol processing permit shall not authorize the sale of alcoholic beverages on the premises of the person engaging in the business of cooking, processing or manufacturing products which contain alcoholic beverages. The amounts of alcoholic beverages allowed under an alcohol processing permit shall be set by the department.

(j) Hospitality cart permit. A hospitality cart permit shall authorize the sale of alcoholic beverages from a mobile cart on a golf course that is the holder of an on-premises retailer's permit. The alcoholic beverages sold from the cart must be consumed within the boundaries of the golf course.

(k) Special service permit. A special service permit shall authorize the holder to sell commercially sealed alcoholic beverages to the operator of a commercial or private aircraft for en route consumption only by passengers. A special service permit shall be issued only to a fixed-base operator who contracts with an airport facility to provide fueling and other associated services to commercial and private aircraft.

(l) Merchant permit. Except as otherwise provided in subsection (5) of this section, a merchant permit shall be issued only to the owner of a spa facility, an art studio or gallery, or a cooking school, and shall authorize the holder to serve complimentary by the glass wine only, including native wine, at the holder's spa facility, art studio or gallery, or cooking school. A merchant permit holder shall obtain all wine from the holder of a package retailer's permit.

(m) Temporary alcoholic beverages charitable auction permit. A temporary permit, not to exceed five (5) days, may be issued to a qualifying charitable

nonprofit organization that is exempt from taxation under Section 501(c)(3) or (4) of the Internal Revenue Code of 1986. The permit shall authorize the holder to sell alcoholic beverages for the limited purpose of raising funds for the organization during a live or silent auction that is conducted by the organization and that meets the following requirements: (i) the auction is conducted in an area of the state where the sale of alcoholic beverages is authorized; (ii) if the auction is conducted on the premises of an on-premises retailer's permit holder, then the alcoholic beverages to be auctioned must be stored separately from the alcoholic beverages sold, stored or served on the premises, must be removed from the premises immediately following the auction, and may not be consumed on the premises; (iii) the permit holder may not conduct more than two (2) auctions during a calendar year; (iv) the permit holder may not pay a commission or promotional fee to any person to arrange or conduct the auction.

(n) Event venue retailer's permit. An event venue retailer's permit shall authorize the holder thereof to purchase and resell alcoholic beverages, including native wines and native spirits, for consumption on the premises during legal hours during events held on the licensed premises if food is being served at the event by a caterer who is not affiliated with or related to the permittee. The caterer must serve at least three (3) entrees. The permit may only be issued for venues that can accommodate two hundred (200) persons or more. The number of persons a venue may accommodate shall be determined by the local fire department and such determination shall be provided in writing and submitted along with all other documents required to be provided for an on-premises retailer's permit. The permittee must derive the majority of its revenue from event-related fees, including, but not limited to, admission fees or ticket sales for live entertainment in the building. "Event-related fees" do not include alcohol, beer or light wine sales or any fee which may be construed to cover the cost of alcohol, beer or light wine. This determination shall be made on a per event basis. An event may not last longer than two (2) consecutive days per week.

(o) Temporary theatre permit. A temporary theatre permit, not to exceed five (5) days, may be issued to a charitable nonprofit organization that is exempt from taxation under Section 501(c)(3) or (4) of the Internal Revenue Code and owns or operates a theatre facility that features plays and other theatrical performances and productions. Except as otherwise provided in subsection (5) of this section, the permit shall authorize the holder to sell alcoholic beverages, including native wines and native spirits, to patrons of the theatre during performances and productions at the theatre facility for consumption during such performances and productions on the premises of the facility described in the permit. A temporary theatre permit holder shall obtain all alcoholic beverages from package retailers located in the county in which the permit is issued. Alcoholic beverages remaining in stock upon expiration of the temporary theatre permit may be returned by the permittee to the package retailer for a refund of the purchase price upon consent of the package retailer or may be kept by the permittee exclusively for personal use and consumption, subject to all laws pertaining to the illegal sale and possession of alcoholic beverages.

(p) Charter ship operator's permit. Subject to the provisions of this paragraph (p), a charter ship operator's permit shall authorize the holder thereof and its employees to serve, monitor, store and otherwise control the serving and availability of alcoholic beverages to customers of the permit holder during private charters under contract provided by the permit holder. A charter ship operator's permit shall authorize such action by the permit holder and its employees only as to alcoholic beverages brought onto the permit holder's ship by customers of the permit holder as part of such a private charter. All such alcoholic beverages must be removed from the charter ship at the conclusion of each private charter. A charter ship operator's permit shall not authorize the permit holder to sell, charge for or otherwise supply alcoholic beverages to customers, except as authorized in this paragraph (p). For the purposes of this paragraph (p), "charter ship operator" means a common carrier that (i) is certified to carry at least one hundred fifty (150) passengers and/or provide overnight accommodations for at least fifty (50) passengers, (ii) operates only in the waters within the State of Mississippi, which lie adjacent to the State of Mississippi south of the three (3) most southern counties in the State of Mississippi, and (iii) provides charters under contract for tours and trips in such waters.

(q) Distillery retailer's permit. The holder of a Class 1 manufacturer's permit may obtain a distillery retailer's permit. A distillery retailer's permit shall authorize the holder thereof to sell at retail alcoholic beverages to consumers for on-premises consumption, or to consumers by the sealed and unopened bottle from a retail location at the distillery for off-premises consumption. The holder may only sell product manufactured by the manufacturer at the distillery described in the permit. However, when selling to consumers for on-premises consumption, a holder of a distillery retailer's permit may add other beverages, alcoholic or not, so long as the total volume of other beverage components containing alcohol does not exceed twenty percent (20%). Hours of sale shall be the same as those authorized for on-premises permittees in the city or county in which the distillery retailer is located.

The holder shall not sell at retail more than ten percent (10%) of the alcoholic beverages produced annually at its distillery. The holder shall not make retail sales of more than two and twenty-five one-hundredths (2.25) liters, in the aggregate, of the alcoholic beverages produced at its distillery to any one (1) individual for consumption off the premises of the distillery within a twenty-four-hour period. The hours of sale shall be the same as those hours for package retailers under this chapter. The holder of a distillery retailer's permit is not required to purchase the alcoholic beverages authorized to be sold by this paragraph from the department's liquor distribution warehouse; however, if the holder does not purchase the alcoholic beverages from the department's liquor distribution warehouse, the holder shall pay to the department all taxes, fees and surcharges on the alcoholic beverages that are imposed upon the sale of alcoholic beverages shipped by the Alcoholic Beverage Control Division of the Department of Revenue. In addition to alcoholic beverages, the holder of a distillery retailer's permit may sell at retail promotional products from the same retail location, including shirts, hats, glasses, and other promotional products customarily sold by alcoholic beverage manufacturers.

(r) Festival Wine Permit. Any wine manufacturer or native wine producer permitted by Mississippi or any other state is eligible to obtain a Festival Wine Permit. This permit authorizes the entity to transport product manufactured by it to festivals held within the State of Mississippi and sell sealed, unopened bottles to festival participants. The holder of this permit may provide samples at no charge to participants. "Festival" means any event at which three (3) or more vendors are present at a location for the sale or distribution of goods. The holder of a Festival Wine Permit is not required to purchase the alcoholic beverages authorized to be sold by this paragraph from the department's liquor distribution warehouse. However, if the holder does not purchase the alcoholic beverages from the department's liquor distribution warehouse, the holder of this permit shall pay to the department all taxes, fees and surcharges on the alcoholic beverages sold at such festivals that are imposed upon the sale of alcoholic beverages shipped by the Alcoholic Beverage Control Division of the Department of Revenue. Additionally, the entity shall file all applicable reports and returns as prescribed by the department. This permit is issued per festival and provides authority to sell for two (2) consecutive days during the hours authorized for on-premises permittees' sales in that county or city. The holder of the permit shall be required to maintain all requirements set by Local Option Law for the service and sale of alcoholic beverages. This permit may be issued to entities participating in festivals at which a Class 1 temporary permit is in effect.

This paragraph (r) shall stand repealed from and after July 1, 2023.

(s) Charter vessel operator's permit. Subject to the provisions of this paragraph (s), a charter vessel operator's permit shall authorize the holder thereof and its employees to sell and serve alcoholic beverages to passengers of the permit holder during public tours, historical tours, ecological tours and sunset cruises provided by the permit holder. The permit shall authorize the holder to only sell alcoholic beverages, including native wines, to passengers of the charter vessel operator during public tours, historical tours, ecological tours and sunset cruises provided by the permit holder aboard the charter vessel operator for consumption during such tours and cruises on the premises of the charter vessel operator described in the permit. For the purposes of this paragraph (s), "charter vessel operator" means a common carrier that (i) is certified to carry at least forty-nine (49) passengers, (ii) operates only in the waters within the State of Mississippi, which lie south of Interstate-10 in the three (3) most southern counties in the State of Mississippi, and lie adjacent to the State of Mississippi south of the three (3) most southern counties

in the State of Mississippi, extending not further than one (1) mile south of such counties, and (iii) provides vessel services for tours and cruises in such waters as provided in this paragraph (s).

(** *t) Native spirit retailer's permit. Except as otherwise provided in subsection (5) of this section, a native spirit retailer's permit shall be issued only to a holder of a Class 4 manufacturer's permit, and shall authorize the holder thereof to make retail sales of native spirits to consumers for on-premises consumption or to consumers in originally sealed and unopened containers at an establishment located on the premises of or in the immediate vicinity of a native distillery. When selling to consumers for on-premises consumption, a holder of a native spirit retailer's permit may add to the native spirit alcoholic beverages not produced on the premises, so long as the total volume of foreign beverage components does not exceed twenty percent (20%) of the mixed beverage. Hours of sale shall be the same as those authorized for on-premises permittees in the city or county in which the native spirit retailer is located.

(u) Delivery service permit. Any individual, limited liability company, corporation or partnership registered to do business in this state is eligible to obtain a delivery service permit. Subject to the provisions of Section 1 of House Bill No. 1135, 2021 Regular Session, this permit authorizes the permittee, or its employee or an independent contractor acting on its behalf, to deliver alcoholic beverages, beer, light wine and light spirit product from a licensed retailer to a person in this state who is at least twenty-one (21) years of age for the individual's use and not for resale. This permit does not authorize the delivery of alcoholic beverages, beer, light wine or light spirit product to the premises of a location with a permit for the manufacture, distribution or retail sale of alcoholic beverages, beer, light wine or light spirit product. The holder of a package retailer's permit or an on-premises retailer's permit under Section 67-1-51 or of a beer, light wine and light spirit product permit under Section 67-3-19 is authorized to apply for a delivery service permit as a privilege separate from its existing retail permit.

(2) Except as otherwise provided in subsection (4) of this section, retail permittees may hold more than one (1) retail permit, at the discretion of the department.

(3) Except as otherwise provided in this subsection, no authority shall be granted to any person to manufacture, sell or store for sale any intoxicating liquor as specified in this chapter within four hundred (400) feet of any church, school, kindergarten or funeral home. However, within an area zoned commercial or business, such minimum distance shall be not less than one hundred (100) feet.

A church or funeral home may waive the distance restrictions imposed in this subsection in favor of allowing issuance by the department of a permit, pursuant to subsection (1) of this section, to authorize activity relating to the manufacturing, sale or storage of alcoholic beverages which would otherwise be prohibited under the minimum distance criterion. Such waiver shall be in written form from the owner, the governing body, or the appropriate officer of the church or funeral home having the authority to execute such a waiver, and the waiver shall be filed with and verified by the department before becoming effective.

The distance restrictions imposed in this subsection shall not apply to the sale or storage of alcoholic beverages at a bed and breakfast inn listed in the National Register of Historic Places or to the sale or storage of alcoholic beverages in a historic district that is listed in the National Register of Historic Places, is a qualified resort area and is located in a municipality having a population greater than one hundred thousand (100,000) according to the latest federal decennial census.

(4) No person, either individually or as a member of a firm, partnership, limited liability company or association, or as a stockholder, officer or director in a corporation, shall own or control any interest in more than one (1) package retailer's permit, nor shall such person's spouse, if living in the same household of such person, any relative of such person, if living in the same household of such person, or any other person living in the same household with such person own any interest in any other package retailer's permit.

(5) (a) In addition to any other authority granted under this section, the holder of a permit issued under subsection (1)(c), (e), (f), (g), (l), (n) and/or (o) of this section may sell or otherwise provide alcoholic beverages and/or wine to a patron of the permit holder in the manner authorized in the permit and the patron may remove an open glass, cup or other container of the alcoholic beverage and/or wine from the licensed premises and may

possess and consume the alcoholic beverage or wine outside of the licensed premises if: (i) the licensed premises is located within a leisure and recreation district created under Section 67-1-101 and (ii) the patron remains within the boundaries of the leisure and recreation district while in possession of the alcoholic beverage or wine.

(b) Nothing in this subsection shall be construed to allow a person to bring any alcoholic beverages into a permitted premises except to the extent otherwise authorized by this chapter.

SECTION 2. Section 67-1-41, Mississippi Code of 1972, as amended by Senate Bill No. 2606, 2021 Regular Session, is amended as follows:

67-1-41. (1) The department is hereby created a wholesale distributor and seller of alcoholic beverages, not including malt liquors, within the State of Mississippi. It is granted the right to import and sell alcoholic beverages at wholesale within the state, and no person who is granted the right to sell, distribute or receive alcoholic beverages at retail shall purchase any alcoholic beverages from any source other than the department except as authorized in subsections (4), (9) and (12) of this section. The department may establish warehouses, purchase alcoholic beverages in such quantities and from such sources as it may deem desirable and sell the alcoholic beverages to authorized permittees within the state including, at the discretion of the department, any retail distributors operating within any military post or qualified resort areas within the boundaries of the state, keeping a correct and accurate record of all such transactions and exercising such control over the distribution of alcoholic beverages as seem right and proper in keeping with the provisions or purposes of this chapter.

(2) No person for the purpose of sale shall manufacture, distill, brew, sell, possess, export, transport, distribute, warehouse, store, solicit, take orders for, bottle, rectify, blend, treat, mix or process any alcoholic beverage except in accordance with authority granted under this chapter, or as otherwise provided by law for native wines or native spirits.

(3) No alcoholic beverage intended for sale or resale shall be imported, shipped or brought into this state for delivery to any person other than as provided in this chapter, or as otherwise provided by law for native wines or native spirits.

(4) The department may promulgate rules and regulations which authorize on-premises retailers to purchase limited amounts of alcoholic beverages from package retailers and for package retailers to purchase limited amounts of alcoholic beverages from other package retailers. The department shall develop and provide forms to be completed by the on-premises retailers and the package retailers verifying the transaction. The completed forms shall be forwarded to the department within a period of time prescribed by the department.

(5) The department may promulgate rules which authorize the holder of a package retailer's permit to permit individual retail purchasers of packages of alcoholic beverages to return, for exchange, credit or refund, limited amounts of original sealed and unopened packages of alcoholic beverages purchased by the individual from the package retailer.

(6) The department shall maintain all forms to be completed by applicants necessary for licensure by the department at all district offices of the department.

(7) The department may promulgate rules which authorize the manufacturer of an alcoholic beverage or wine to import, transport and furnish or give a sample of alcoholic beverages or wines to the holders of package retailer's permits, on-premises retailer's permits, native wine or native spirit retailer's permits and temporary retailer's permits who have not previously purchased the brand of that manufacturer from the department. For each holder of the designated permits, the manufacturer may furnish not more than five hundred (500) milliliters of any brand of alcoholic beverage and not more than three (3) liters of any brand of wine.

(8) The department may promulgate rules disallowing open product sampling of alcoholic beverages or wines by the holders of package retailer's permits and permitting open product sampling of alcoholic beverages by the holders of on-premises retailer's permits. Permitted sample products shall be plainly identified "sample" and the actual sampling must occur in the presence of the manufacturer's representatives during the legal operating hours of on-premises retailers.

(9) The department may promulgate rules and regulations that authorize the holder of a research permit to import and purchase limited amounts of alcoholic beverages from importers, wineries and distillers of alcoholic beverages or from the department. The department shall develop and provide forms to be completed by the research permittee verifying each transaction. The completed forms shall be forwarded to the department within a period of time prescribed by the department. The records and inventory of alcoholic beverages shall be open to inspection at any time by the Director of the Alcoholic Beverage Control Division or any duly authorized agent.

(10) The department may promulgate rules facilitating a retailer's on-site pickup of * * * alcoholic beverages sold by the department or as authorized by the department, including, but not limited to, native wines and native spirits, so that those * * * alcoholic beverages may be delivered to the retailer at the * * * manufacturer's location instead of via shipment from the department's warehouse.

(11) [Through June 30, 2023] This section shall not apply to alcoholic beverages authorized to be sold by the holder of a distillery retailer's permit or a festival wine permit.

(11) [From and after July 1, 2023] This section shall not apply to alcoholic beverages authorized to be sold by the holder of a distillery retailer's permit.

(12) (a) An individual resident of this state who is at least twenty-one (21) years of age may purchase wine from a winery and have the purchase shipped into this state so long as it is shipped to a package retailer permittee in Mississippi; however, the permittee shall pay to the department all taxes, fees and surcharges on the wine that are imposed upon the sale of wine shipped by the department. No credit shall be provided to the permittee for any taxes paid to another state as a result of the transaction. Package retailers may charge a service fee for receiving and handling shipments from wineries on behalf of the purchasers. The department shall develop and provide forms to be completed by the package retailer permittees verifying the transaction. The completed forms shall be forwarded to the department within a period of time prescribed by the department.

(b) The purchaser of wine that is to be shipped to a package retailer's store shall be required to get the prior approval of the package retailer before any wine is shipped to the package retailer. A purchaser is limited to no more than ten (10) cases of wine per year to be shipped to a package retailer. A package retailer shall notify a purchaser of wine within two (2) days after receiving the shipment of wine. If the purchaser of the wine does not pick up or take the wine from the package retailer within thirty (30) days after being notified by the package retailer, the package retailer may sell the wine as part of his inventory.

(c) Shipments of wine into this state under this section shall be made by a duly licensed carrier. It shall be the duty of every common or contract carrier, and of every firm or corporation that shall bring, carry or transport wine from outside the state for delivery inside the state to package retailer permittees on behalf of consumers, to prepare and file with the department, on a schedule as determined by the department, of known wine shipments containing the name of the common or contract carrier, firm or corporation making the report, the period of time covered by said report, the name and permit number of the winery, the name and permit number of the package retailer permittee receiving such wine, the weight of the package delivered to each package retailer permittee, a unique tracking number, and the date of delivery. Reports received by the department shall be made available by the department to the public via the Mississippi Public Records Act process in the same manner as other state alcohol filings.

Upon the department's request, any records supporting the report shall be made available to the department within a reasonable time after the department makes a written request for such records. Any records containing information relating to such reports shall be kept and preserved for a period of two (2) years, unless their destruction sooner is authorized, in writing, by the department, and shall be open and available to inspection by the department upon the department's written request. Reports shall also be made available to any law enforcement or regulatory body in the state in which the railroad company, express company, common or contract carrier making the report resides or does business.

Any common or contract carrier that willfully fails to make reports, as provided by this section or any of the rules and regulations of the department for the administration and enforcement of this section, is subject to a notification of violation. In the case of a continuing failure to make reports, the common or contract carrier is subject to possible license suspension and revocation at the department's discretion.

(d) A winery that ships wine under this section shall be deemed to have consented to the jurisdiction of the courts of this state, of the department, of any other state agency regarding the enforcement of this section, and of any related law, rules or regulations.

(e) Any person who makes, participates in, transports, imports or receives a shipment in violation of this section is guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of One Thousand Dollars (\$1,000.00) or imprisonment in the county jail for not more than six (6) months, or both. Each shipment shall constitute a separate offense.

(13) If any provision of this chapter, or its application to any person or circumstance, is determined by a court to be invalid or unconstitutional, the remaining provisions shall be construed in accordance with the intent of the Legislature to further limit rather than expand commerce in alcoholic beverages to protect the health, safety, and welfare of the state's residents, and to enhance strict regulatory control over taxation, distribution and sale of alcoholic beverages through the three-tier regulatory system imposed by this chapter upon all alcoholic beverages to curb relationships and practices calculated to stimulate sales and impair the state's policy favoring trade stability and the promotion of temperance.

SECTION 3. Section 67-5-11, Mississippi Code of 1972, is amended as follows:

67-5-11. (1) Within the State of Mississippi, every native winery is authorized to make sales to the department or to consumers at the location of the native winery or its immediate vicinity. Every native winery is authorized to make sales to any producer, manufacturer, wholesaler, retailer or consumer located outside of the State of Mississippi who are authorized by law to purchase the same.

(2) With respect to native wines or distilled spirits sold by the department to retailers under Section 67-1-41, the native winery or distillery retailer may hold those wines or spirits for onsite pickup instead of shipping them to the department warehouse, at the option of the retailer and pursuant to any rules promulgated by the department.

2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. All residential contractors, in order to obtain a building permit in the State of Mississippi, shall possess a permit from the Department of Revenue issued under Section 27-65-27.

Notwithstanding the definitions of "residential builder" and "remodeler" in Section 73-59-1, for purposes of this section, a residential contractor is a person or entity contracting or offering to contract with an owner or possessor of residential real estate to construct a residence or appurtenant structure thereon, or to repair or renovate any portion of a residence or appurtenant structure thereon, regardless of the cost of the project, and regardless of whether all or part of the cost is expected to be paid as a benefit of a property and casualty insurance policy. A residential contractor is not a person building, repairing or renovating his or her own personal residence.

This section shall not apply to a residential contractor having a permanent place of business in the State of Mississippi or licensed under Section 31-3-1 et seq.

SECTION 2. All commercial contractors, in order to obtain a building permit in the State of Mississippi, shall possess a permit from the Department of Revenue issued under Section 27-65-27.

Notwithstanding the definition of "contractor" in Section 31-3-1, for purposes of this section, a commercial contractor is a person or entity contracting or offering to contract with an owner or possessor of commercial real estate to construct a building thereon, or to repair or renovate any portion of a building thereon, regardless of the cost of the project, and regardless of whether all or part of the cost is expected to be paid as a benefit of a property and casualty insurance policy.

This section shall not apply to a commercial contractor having a permanent place of business in the State of Mississippi or licensed under Section 31-3-1 et seq.

SECTION 3. Section 27-65-27, Mississippi Code of 1972, is amended as follows:

27-65-27. (1) Any person who engages, or who intends to engage, in any business or activity which will subject such person to a privilege tax imposed by this chapter, or which falls within the scope of Section 1 or Section 2 of this act, shall apply to the commissioner for a permit to engage in and to conduct any business or activity upon the condition that he shall pay the tax accruing to the State of Mississippi under the provisions of this chapter, and shall keep adequate records of such business or activity as required by this chapter. By making an application for a permit issued pursuant to this section, a person agrees, regardless of his presence in this state, to:

- (a) Be subject to the jurisdiction of this state for purposes of taxation;
- (b) Collect and remit all taxes levied under this chapter on the type of business or activity to be conducted by the applicant;
- (c) Be subject to all the provisions of this chapter.

(2) Upon receipt of the permit, the applicant shall be duly licensed under this chapter to engage in and conduct the business or activity. The permit shall continue in force so long as the person to whom it is issued shall continue in the same business at the same location, unless revoked by the commissioner for cause.

(3) The commissioner shall require of every person desiring to engage in business within this state who maintains no permanent place of business within this state, of every person desiring to engage in the business of making sales of mobile homes, a cash bond or an approved surety bond in an amount sufficient to cover twice the estimated tax liability for a period of three (3) months. However, the bond shall in no case be less than One Hundred Dollars (\$100.00) and the tax may be prepaid in lieu of filing bond if the amount is approved by the commissioner. This bond shall be filed with the commissioner prior to the issuance of a permit to do business and before any such person may engage in business within this state. Failure to comply with the provision will subject such person to the penalties provided by this chapter.

(4) The commissioner is authorized to deny the application for a permit or revoke the permit of any person who has failed or is failing to comply with any of the provisions of this chapter. The commissioner may also deny the application for a permit or revoke the permit of any person who has failed to satisfy all of the finally determined tax liabilities owed by that person. If the applicant or taxpayer is an entity, the commissioner may deny the application for a permit or revoke the permit if any partner, member, principal officer or director of such entity has failed to satisfy all of the finally determined tax liabilities owed by that partner, member, principal officer or director. Any denial or revocation of an entity's permit based on a partner, member, principal officer or director's finally determined tax liability shall only be authorized if the partner, member,

principal officer or director owns ten percent (10%) or more of the entity and is or will be exercising responsibility for fiscal management. In lieu of denying or revoking an entity's permit, the commissioner may accept an increased or additional bond from the entity to cover the additional risk involved with having an individual with a finally determined tax liability involved. As used in this subsection, "finally determined tax liabilities" means any state tax, fee, penalty and/or interest owed by a person to the Department of Revenue where the assessment of the liability has been made against that person as provided by law and such assessment is not subject to any further timely filed administrative or judicial review. Revocation of such permit, or engaging or continuing in business after such permit is revoked or engaging in business without a permit, shall subject the person to all the penalties imposed by this chapter.

(5) Any person liable for the tax who fails to obtain a permit from the commissioner, or who continues in business after such permit has been revoked, or who fails to make his returns for taxation as provided, or who fails to keep adequate records and invoices provided by this chapter, or who fails or refuses to permit inspection of such records, or who fails to pay any taxes due hereunder, shall forfeit his rights to do business in this state until he complies with all the provisions of this chapter and until he enters into a bond, with sureties, to be approved by the commissioner, in an amount not to exceed twice the amount of all taxes estimated to become due under this chapter by the person for any period of three (3) months, conditioned to comply with the provisions of this chapter, and pay all taxes legally due by him.

(6) If any person is engaged in or continuing in this state in any business or activity without obtaining a permit, or after the permit has been revoked, or without filing a required bond, or without keeping and allowing inspection of all records required by this chapter, or without making a return, or returns, and without paying all taxes due by him hereunder, it shall be the duty of the commissioner to proceed by injunction to prevent the continuance of the business. Any temporary injunction enjoining the continuance of the business shall be granted without notice by a judge or chancellor now authorized to grant injunctions.

SECTION 4. (1) Section 1 of this act shall be codified in Title 73, Chapter 59, Mississippi Code of 1972.

(2) Section 2 of this act shall be codified in Title 31, Chapter 3, Mississippi Code of 1972.

SECTION 5. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO CREATE A NEW SECTION IN TITLE 73, CHAPTER 59, MISSISSIPPI CODE OF 1972, TO REQUIRE THAT ALL RESIDENTIAL CONTRACTORS, IN ORDER TO OBTAIN A BUILDING PERMIT IN THIS STATE, POSSESS A PERMIT FROM THE DEPARTMENT OF REVENUE ISSUED UNDER SECTION 27-65-27; TO DEFINE "RESIDENTIAL CONTRACTOR" FOR PURPOSES OF THIS PERMIT REQUIREMENT; TO CREATE A NEW SECTION IN TITLE 31, CHAPTER 3, MISSISSIPPI CODE OF 1972, TO REQUIRE THAT ALL COMMERCIAL CONTRACTORS, IN ORDER TO OBTAIN A BUILDING PERMIT IN THIS STATE, POSSESS A PERMIT FROM THE DEPARTMENT OF REVENUE ISSUED UNDER SECTION 27-65-27; TO DEFINE "COMMERCIAL CONTRACTOR" FOR PURPOSES OF THIS PERMIT REQUIREMENT; TO AMEND SECTION 27-65-27, MISSISSIPPI CODE OF 1972, IN CONFORMITY TO THE ABOVE PROVISIONS; AND FOR RELATED PURPOSES.

H. B. No. 382: Chronic wasting disease; revise requirements for testing of white-tailed deer harvested within enclosures.

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 382: Chronic wasting disease; revise requirements for testing of white-tailed deer harvested within enclosures.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) (a) White-tailed deer harvested within any enclosure shall be tested for chronic wasting disease (CWD).

(b) The Commission on Wildlife, Fisheries and Parks shall promulgate rules and regulations requiring the annual submission of viable samples from harvested deer for chronic wasting disease testing. Rules promulgated under this paragraph shall require a minimum submission from inside a high-fenced enclosure representing at least one (1) deer per each two hundred (200) acres of land under fence.

(c) In addition to samples submitted from deer harvested within an enclosure, to the extent possible, enclosure owner/operators shall submit viable samples collected from any deer that dies inside an enclosure from causes other than being harvested by hunting, for chronic wasting disease testing. Samples collected from deer whose death occurred for reasons other than hunting shall count toward the total number of required samples.

(2) If chronic wasting disease is detected within an enclosure, as defined in Section 49-7-58.1, the commission shall not declare surrounding or adjoining properties within a five (5) mile radius of the enclosure a CWD Management Zone, until chronic wasting disease is positively detected within such radius on these surrounding or adjoining properties.

(3) Failure to submit samples pursuant to the rules and regulations promulgated by the commission shall be a violation of those regulations. A first violation of such regulations shall be punishable by a fine of Five Hundred Dollars (\$500.00). Each second or subsequent violation shall be punishable by a fine of One Thousand Dollars (\$1,000.00).

SECTION 2. Section 49-1-29, Mississippi Code of 1972, is amended as follows:

49-1-29. (1) The commission may promulgate rules and regulations, inaugurate studies and surveys, and establish any services it deems necessary to carry out wildlife laws. A violation of any rules or regulations promulgated by the commission shall constitute a misdemeanor and shall be punished as provided in Section 49-7-101.

(2) The executive director shall have authority with commission approval:

(a) To close or shorten the open season as prescribed by law in cases of urgent emergency on any species of game birds, game or fur-bearing animals, reptiles, fish or amphibians, in any locality, when it finds after investigation and public review that the action is reasonably necessary to secure the perpetuation of any species of game birds, game or fur-bearing animals, reptiles, fish or amphibians and to maintain an adequate supply in the affected area. The statutes shall continue in full force and effect, except as restricted and limited by the rules and regulations promulgated by the commission.

(b) To designate wildlife refuges, with the consent of the property owner or owners, in any localities it finds necessary to secure perpetuation of any species of game birds, game or fur-bearing animals, reptiles, fish or amphibians and to maintain an adequate supply for the purpose of providing a safe retreat where the animals may rest and replenish adjacent hunting, trapping or fishing grounds or waters, and to approve land suitable for such purposes as eligible for the income tax credit authorized under Section 27-7-22.22.

(c) To acquire and hold for the state by purchase, condemnation, lease, or agreement as authorized from time to time by the Legislature, and to receive by gifts or devise, lands or water suitable for fish habitats, game and bird habitats, state parks, access sites, wildlife refuges, or for public shooting, trapping or fishing grounds or waters, to provide areas on which any citizen may hunt, trap or fish under any special regulations as the commission may prescribe, and to approve lands suitable for such purposes as eligible for the income tax credit authorized under Section 27-7-22.22.

(d) To extend and consolidate lands or waters suitable for the above purposes by exchange of lands or waters under its jurisdiction.

(e) To capture, propagate, transport, sell or exchange any species of game birds, game or fur-bearing animals, reptiles, fish or amphibians needed for stocking or restocking any lands or waters of the state.

(g) To regulate the burning of rubbish, slashings and marshes or other areas it may find reasonably necessary to reduce the danger of destructive fires.

(h) To conduct research in improved wildlife and fisheries conservation methods and to disseminate information to the residents of the state through the schools, public media and other publications.

(i) To have exclusive charge and control of the propagation and distribution of wild birds, animals, reptiles, fish and amphibians, the conduct and control of hatcheries, biological stations and game and fur farms owned or acquired by the state; to expend for the protection, propagation or preservation of game birds, game or fur-bearing animals, reptiles, fish and amphibians all funds of the state acquired for this purpose arising from licenses, gifts or otherwise; and shall have charge of the enforcement of all wildlife laws.

(j) To grant permits and provide regulations for field trials and dog trainers.

(k) To prohibit and to regulate the taking of nongame gross fish, except minnows.

(l) To enter into agreements with landowners to trap and purchase quail on the premises of the landowner and to provide for the distribution of quail.

(m) To operate or lease to third persons concessions or other rights or privileges on lakes owned or leased by the department. Owners of land adjoining land owned or leased by the department shall have priority to the concessions or rights or privileges, if the owners meet the qualifications established by the commission.

(n) To implement a beaver control program and to charge fees, upon the recommendation of the Beaver Control Advisory Board, to landowners participating in the beaver control program described in Section 49-7-201.

(o) To apply for, receive and expend any federal, state or local funds, contributions or funds from any other source for the purpose of beaver control or eradication.

(p) To require the department to divide the districts into zones if necessary, and periodically survey the districts or zones to obtain information that is necessary to properly determine the population and allowable harvest limits of wildlife within the district or zone.

(q) To *** grant wildlife personnel *** access to enter the *** enclosure and utilize *** the best collection methods available to obtain tissue samples for testing where CWD has been diagnosed within five (5) miles of the enclosure.

If CWD is detected within an enclosure, the commission shall not declare surrounding or adjoining properties within a five (5) mile radius of the enclosure, a CWD Management Zone, until chronic wasting disease is positively detected within such radius on these surrounding or adjoining properties.

SECTION 3. Section 49-7-58.1, Mississippi Code of 1972, is amended as follows:

49-7-58.1. (1) The owner of any enclosure containing white-tailed deer that prevents the free egress of white-tailed deer from the enclosed area shall notify and register with the Department of Wildlife, Fisheries and Parks. The person shall give his name, the location of the enclosure, the acreage within the enclosure, and whether any deer have been imported into the state and placed in the enclosure, and any other information required by the Commissioner on Wildlife, Fisheries and Parks.

(2) Persons who constructed an enclosure prior to July 1, 2003, shall have until January 1, 2004, to notify and provide the information required under this section. The person shall use acceptable hunting and wildlife management practices as may be determined by the department.

(3) The owner of such an enclosure shall comply with *** all rules and regulations promulgated by the Commission on Wildlife, Fisheries and Parks for the testing of white-tailed deer harvested within *** an enclosure, or whose death was due to causes other than hunting activity, as required by Section *** 1 of this act. If chronic wasting disease is diagnosed within the enclosure, the owner shall *** work with the commission to determine a solution for containing the disease within the enclosure; however, the commission shall not declare surrounding or adjoining properties within a five (5) mile radius of the enclosure a CWD Management Zone, until chronic wasting disease is positively detected within such radius on these surrounding or adjoining properties.

(4) *** Violations of this section *** shall be punishable as provided in Section *** 1 of this act.

SECTION 4. Section 49-7-58.2, Mississippi Code of 1972, is amended as follows:

49-7-58.2. (1) The Department of Wildlife, Fisheries and Parks shall develop and implement a program for inspecting, monitoring, testing and preventing chronic wasting disease. The Commission on Wildlife, Fisheries and Parks shall promulgate rules and regulations to effect the sampling of deer harvested, or dying from, nonhunting related causes, within an enclosure. If chronic wasting disease is diagnosed in white-tailed deer within an enclosure, the department is authorized to use methods authorized by the commission and enter the enclosure *** to determine a solution for containing the disease within the enclosure. If chronic wasting disease is diagnosed within five (5) miles of the enclosure, the department is authorized to enter the enclosure and utilize *** the best collection methods available to obtain tissue samples. If chronic wasting disease is detected within an enclosure, the commission shall not declare surrounding or adjoining properties within a five (5) mile radius of the enclosure a CWD Management Zone, until chronic wasting disease is positively detected within such radius on these surrounding or adjoining properties.

(2) If a live test for chronic wasting disease is developed, the department is authorized to conduct such tests on white-tailed deer within any enclosure.

SECTION 5. Section 49-7-58.5, Mississippi Code of 1972, which requires the chronic wasting disease (CWD) testing of white-tail deer harvested within any enclosure, and imposes Class II and Class I violation penalties for first and subsequent violations, is repealed.

H. B. No. 761: State Veterans Affairs Board; revise powers and duties relating to the operation of the State Veterans Homes.

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 761: State Veterans Affairs Board; revise powers and duties relating to the operation of the State Veterans Homes.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 35-1-7, Mississippi Code of 1972, is amended as follows:

35-1-7. (1) The duties of the State Veterans Affairs Board shall be to assist former and present members of the Armed Forces of the United States, and their dependents, in securing any benefits or privileges under any federal or state law or regulation to which they are entitled and to advise the Governor and Legislature on veterans affairs. Moreover, veterans or their dependents shall be given their choice of organizations to represent them in instances where a case is appealed, and the board shall lend its full cooperation in connection therewith.

(2) The board and its employees shall cooperate fully with all congressionally chartered veterans organizations within the state, including servicing the power of attorney of the congressionally chartered veterans organizations upon the request of the organizations to the State Veterans Affairs Board in the prosecution of all claims on behalf of veterans. However, all powers of attorney to the State Veterans Affairs Board shall be processed first, and thereafter, powers of attorney shall be processed for veterans organizations in the ratio that the membership of the organization bears to the total number of veterans residing in Mississippi.

(3) The State Veterans Affairs Board is designated as the "state approving agency" for the State of Mississippi. It shall be the duty of the State Veterans Affairs Board to inspect, approve and supervise schools, institutions and establishments for war orphan and veteran training as provided in Section 1771, Chapter 35, Title 38, United States Code, and in any subsequent acts passed by the Congress of the United States for the purpose of education and training of war orphans or former and present members of the Armed Forces of the United States. The State Veterans Affairs Board is authorized to employ the needed personnel to perform the duties as outlined in Section 1771, Chapter 35, Title 38, United States Code, and in any subsequent acts as enacted by the Congress of the United States, and to enter into contract with the Department of Veterans Affairs for salary and travel reimbursement for personnel employed for this purpose.

(4) The State Veterans Affairs Board shall operate all Mississippi state veterans homes when established as authorized by Sections 35-1-19 through 35-1-29.

(5) The powers of the State Veterans Affairs Board in relation to operating the State Veterans Homes shall specifically include, but not be limited to, the following authority:

(a) To expend, upon appropriation by the Legislature, any revenue generated by the State Veterans Homes in support of the State Veterans Homes;

(b) To enter into loan or scholarship agreements with employees or students to provide educational assistance where such student or employee agrees to work for a stipulated period of time for the board. Under this agreement the employee will agree to commit to up to three (3) years but no less than one (1) year, to be determined by the employment position and the amount of student debt; provided, however, no State General Fund monies shall be used for such purposes and the majority of funds for such purposes shall be provided through programs established by the Mississippi Department of Health, the United States Department of Health and Human Services, and the United States Department of Veterans Affairs; and

(c) To sell or otherwise dispose of any chattel property of the State Veterans Affairs Board used in operation of the State Veterans Homes where such disposition is consistent with the homes' purposes or where such property is deemed by the board or its designee to be surplus or otherwise unneeded. The State Veterans Affairs Board shall develop and submit an annual report to the Legislature on any such sale or disposition and shall ensure that the proceeds shall be used to defray the operation of the State Veterans Homes.

(6) The State Veterans Affairs Board is authorized to adopt such policies and to prescribe such rules and regulations as it may deem necessary for the proper administration of this chapter. However, such policies and regulations shall not be in conflict with any of the provisions of this chapter.

SECTION 2. Section 29-9-9, Mississippi Code of 1972, is amended as follows:

29-9-9. (7) The disposal of any alternative housing units purchased through the Mississippi Alternative Housing Pilot Program may be made by the Mississippi Emergency Management Agency as required by federal law to be in compliance with regulations of the federal articles of agreement and its awarded conditions, and upon approval of the Public Procurement Review Board.

(8) This section shall not be applicable to the State Veterans Homes in the event the State Veterans Affairs Board has contracted for property management services at the State Veterans Homes.

SECTION 3. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 35-1-7, MISSISSIPPI CODE OF 1972, TO REVISE THE POWERS AND DUTIES OF THE STATE VETERANS BOARD IN RELATION TO OPERATING THE STATE VETERANS HOMES; TO AUTHORIZE THE BOARD TO ESTABLISH PROGRAMS RELATING TO EMPLOYEE HIRING AND INCENTIVES AND PROPERTY DISPOSAL; TO AMEND SECTION 29-9-9, MISSISSIPPI CODE OF 1972, IN CONFORMITY THERETO; AND FOR RELATED PURPOSES.

S. B. No. 2261: Perpetual care cemeteries; authorize counties and cities to clean property of those not properly maintained and seek reimbursement.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2261: Perpetual cemetery law; revise notice and maintenance provisions for counties and municipalities.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 19-5-105, Mississippi Code of 1972, is amended as follows:

19-5-105. (1) To determine whether property or a parcel of land located within a county is in such a state of uncleanness as to be a menace to the public health, safety

and welfare of the community, the board of supervisors of any county is authorized and empowered to conduct a hearing on its own motion, or upon the receipt of a petition requesting the board of supervisors to act signed by a majority of the residents eighteen (18) years of age or older, residing upon any street or alley, within reasonable proximity of any property alleged to be in need of cleaning, or within seven hundred fifty (750) feet of the precise location of the alleged menace situated on any parcel of land which is located in a populated area or in a housing subdivision and alleged to be in need of cleaning.

Notice shall be provided to the property owner by:

(a) United States mail two (2) weeks before the date of the hearing mailed to the address of the subject property and to the address where the ad valorem tax notice for such property is sent by the office charged with collecting ad valorem tax; and

(b) Posting notice for at least two (2) weeks before the date of a hearing on the property or parcel of land alleged to be in need of cleaning and at the county courthouse or another place in the county where such notices are posted.

The notice required by this subsection (1) shall include language that informs the property owner that an adjudication at the hearing that the property or parcel of land is in need of cleaning will authorize the board of supervisors to reenter the property or parcel of land for a period of one (1) year after the hearing without any further hearing, if notice is posted on the property or parcel of land and at the county courthouse or another place in the county where such notices are generally posted at least seven (7) days before the property or parcel of land is reentered for cleaning. A copy of the required notice mailed and posted as required by this subsection (1) shall be recorded in the minutes of the board of supervisors in conjunction with the hearing required by this subsection.

If at such hearing the board of supervisors shall in its resolution adjudicate such parcel of land in its then condition to be a menace to the public health and safety of the community, the board of supervisors may, if the owner not do so himself, proceed to have the land cleaned by cutting weeds, filling cisterns, and removing rubbish, dilapidated fences, outside toilets, dilapidated buildings and other debris, and draining cesspools and standing water. Thereafter, the board of supervisors may at its next regular meeting by resolution adjudicate the actual cost of cleaning the land and may also impose a penalty not to exceed One Thousand Five Hundred Dollars (\$1,500.00) or fifty percent (50%) of the actual cost, whichever is more. The cost and any penalty shall become an assessment against the property. The "cost assessed against the property" means either the cost to the county of using its own employees to do the work or the cost to the county of any contract executed by the county to have the work done, and administrative costs and legal costs of the county.

A county may reenter the property or parcel of land to maintain cleanliness without further notice of hearing no more than six (6) times in any twelve-month period with respect to removing dilapidated buildings, dilapidated fences and outside toilets, and no more than twelve (12) times in any twenty-four-month period with respect to cutting grass and weeds and removing rubbish, personal property and other debris on the land. The expense of cleaning the property shall not exceed an aggregate amount of Twenty Thousand Dollars (\$20,000.00) per year, or the fair market value of the property subsequent to cleaning, whichever is less. The board of supervisors may assess the same penalty each time the property or land is cleaned as otherwise provided in this subsection (1).

The penalty provided * * * in this subsection (1) shall not be assessed against the State of Mississippi upon request for reimbursement under Section 29-1-145, nor shall a county clean a parcel owned by the State of Mississippi without first giving notice.

The assessment authorized by this subsection (1) shall be a lien against the property and may be enrolled in the office of the circuit clerk of the county as other judgments are enrolled, and the tax collector of the county shall, upon order of the board of supervisors, proceed to sell the land to satisfy the lien as now provided by law for the sale of lands for delinquent taxes. Furthermore, the property owner whose land has been sold pursuant to this subsection (1) shall have the same right of redemption as now provided by law for the sale of lands for delinquent taxes. All decisions rendered under

the provisions of this subsection may be appealed in the same manner as other appeals from county boards.

(2) (a) If private property or a parcel of land located within a county is a perpetual care cemetery subject to Section 41-43-1 et seq., the board of supervisors of the county may proceed pursuant to the same provisions of subsection (1) of this section used to determine whether a property is a public health menace to instead determine if the perpetual care cemetery and all structures on the cemetery are not being properly maintained and have become detrimental to the public health and welfare. A perpetual care cemetery that is "not being properly maintained and has become detrimental to the public health and welfare" means a perpetual care cemetery that shows signs of neglect, including, without limitation, the unchecked growth of vegetation, repeated and unchecked acts of vandalism, unusable entrances and exits, excess rubbish or debris, or the disintegration of grave markers or boundaries. Upon notice and opportunity to be heard as provided in subsection (1) of this section, the board of supervisors of the county may adjudicate the property or parcel of land in its then condition to be not properly maintained and detrimental to the public health and welfare, and if the owner does not do so itself, may proceed to clean the property or parcel of land as provided in subsection (1) of this section. When cleaning the property or parcel of land of a perpetual care cemetery pursuant to this subsection (2), the penalty or penalties provided in subsection (1) of this section shall not be assessed against owners of the perpetual care cemeteries.

(b) The board of supervisors of a county that cleans property or parcel of land of a perpetual care cemetery pursuant to this subsection (2) may make application to the Secretary of State for an order directing the trustee of the perpetual care cemetery trust fund to release accrued interest or principal of the trust fund sufficient to reimburse the county for only the actual cleanup costs incurred by the county. The application to the Secretary of State shall include a statement by the county that all of the requirements of this section have been met.

(c) If the Secretary of State is satisfied that the notice and hearing requirements of this section have been met, and that the application for an order directing the trustee to release accrued interest of the perpetual care cemetery trust fund does not threaten the ability of the trust fund to provide for the care and maintenance of the cemetery, the Secretary of State may order the trustee to release up to the total amount of accrued interest of the trust fund in an amount sufficient to reimburse the county for the actual costs of cleanup performed by the county.

(d) If the Secretary of State is satisfied that the notice and hearing requirements of this section have been met, but makes a determination that the accrued interest of the perpetual care cemetery trust fund is insufficient to reimburse the county for the actual costs of cleanup performed by the county, or that an order to release accrued interest would threaten the ability of the trust fund to provide for the care and maintenance of the cemetery, the Secretary of State may consider an order directing the trustee to reimburse the county from the principal of the trust fund. If the Secretary of State determines that an order to the trustee to release principal from the trust fund will not threaten the solvency of the trust fund, the Secretary of State may order the trustee to release principal of the trust fund in an amount sufficient to reimburse the county for the actual costs of cleanup performed by the county.

(i) The Secretary of State may not order the trustee to release an amount of more than fifteen percent (15%) of principal of the trust fund to reimburse the county for the actual costs of cleanup performed by the county.

(ii) The provisions of this section may be utilized no more than once in a four-year period.

SECTION 2. Section 21-19-11, Mississippi Code of 1972, is amended as follows:

21-19-11. (1) To determine whether property or parcel of land located within a municipality is in such a state of uncleanness as to be a menace to the public health, safety and welfare of the community, a governing authority of any municipality shall conduct a hearing, on its own motion, or upon the receipt of a petition signed by a majority of the residents residing within four hundred (400) feet of any property or parcel of land alleged to be in need of the cleaning. Notice shall be provided to the property owner by:

(a) United States mail two (2) weeks before the date of the hearing mailed to the address of the subject property, except where the land or structure(s) is apparently vacant, and to the address where the ad valorem tax notice for such property is sent by the office charged with collecting ad valorem tax; and

(b) Posting notice for at least two (2) weeks before the date of a hearing on the property or parcel of land alleged to be in need of cleaning and at city hall or another place in the municipality where such notices are posted.

Any notice required by this section shall include language that informs the property owner that an adjudication at the hearing that the property or parcel of land is in need of cleaning will authorize the municipality to reenter the property or parcel of land for a period of two (2) years after final adjudication without any further hearing if notice is posted on the property or parcel of land and at city hall or another place in the municipality where such notices are generally posted at least seven (7) days before the property or parcel of land is reentered for cleaning. A copy of the required notice mailed and posted as required by this section shall be recorded in the minutes of the governing authority in conjunction with the hearing required by this section.

If, at such hearing, the governing authority shall adjudicate the property or parcel of land in its then condition to be a menace to the public health, safety and welfare of the community, the governing authority, if the owner does not do so himself, shall proceed to clean the land, by the use of municipal employees or by contract, by cutting grass and weeds; filling cisterns; removing rubbish, abandoned or dilapidated fences, outside toilets, abandoned or dilapidated buildings, slabs, personal property, which removal of personal property shall not be subject to the provisions of Section 21-39-21, and other debris; and draining cesspools and standing water therefrom. The governing authority may by resolution adjudicate the actual cost of cleaning the property and may also impose a penalty not to exceed One Thousand Five Hundred Dollars (\$1,500.00) or fifty percent (50%) of the actual cost, whichever is more. The cost and any penalty may become a civil debt against the property owner, and/or, at the option of the governing authority, an assessment against the property. The "cost assessed against the property" means either the cost to the municipality of using its own employees to do the work or the cost to the municipality of any contract executed by the municipality to have the work done, and administrative costs and legal costs of the municipality. For subsequent cleaning within the one-year period after the date of the hearing at which the property or parcel of land was adjudicated in need of cleaning, upon seven (7) days' notice posted both on the property or parcel of land adjudicated in need of cleaning and at city hall or another place in the municipality where such notices are generally posted, and consistent with the municipality's adjudication as authorized in this subsection (1), a municipality may reenter the property or parcel of land to maintain cleanliness without further notice or hearing no more than six (6) times in any twelve-month period with respect to removing abandoned or dilapidated buildings, slabs, dilapidated fences and outside toilets, and no more than twelve (12) times in any twenty-four-month period with respect to cutting grass and weeds and removing rubbish, personal property and other debris on the land, and the expense of cleaning of the property, except as otherwise provided in this section for removal of hazardous substances, shall not exceed an aggregate amount of Twenty Thousand Dollars (\$20,000.00) per year, or the fair market value of the property subsequent to cleaning, whichever is more. The aggregate cost of removing hazardous substances will be the actual cost of such removal to the municipality and shall not be subject to the Twenty Thousand Dollars (\$20,000.00) limitation provided in this subsection. The governing authority may assess the same penalty for each time the property or land is cleaned as otherwise provided in this section. The penalty provided herein shall not be assessed against the State of Mississippi upon request for reimbursement under Section 29-1-145, nor shall a municipality clean a parcel owned by the State of Mississippi without first giving notice. Upon written authority from the Secretary of State's office, for state-owned properties, a municipality may forgo the notification process that is prescribed in this subsection and proceed to clean the properties and assess costs as prescribed in this subsection, except that penalties shall not be assessed against the State of Mississippi.

(2) When the fee or cost to clean property or a parcel of land that is one (1) acre or less does not exceed Two Hundred Fifty Dollars (\$250.00), excluding

administrative costs, and the property or parcel is located within a municipality having a population over one thousand five hundred (1,500), the governing authority of the municipality may authorize one or more of its employees to determine whether the property or parcel of land is in such a state of uncleanness as to be a menace to the public health, safety and welfare of the community and the determination made by the authorized municipal employee shall be set forth and recorded in the minutes of the governing authority. Notice of this determination shall be provided to the property owner by:

(a) United States mail seven (7) days before the date of cleaning of the property or parcel of land mailed to the address of the subject property, except where the land or structure(s) is apparently vacant, and to the address where the ad valorem tax notice for such property is sent by the office charged with collecting ad valorem tax; and

(b) Posting notice for at least seven (7) days before the cleaning of the property or parcel of land and at city hall or another place in the municipality where such notices are posted.

Any notice required by this subsection shall include language that informs the property owner that the appropriate municipal official has determined that the property or parcel of land is a menace to the public health, safety and welfare of the community and in need of cleaning and the municipality is authorized to enter the property for cleaning and that the municipality is further authorized to reenter the property or parcel of land for a period of two (2) years after this cleaning without any further hearing or action if notice is posted on the property or parcel of land and at city hall or another place in the municipality where such notices are generally posted at least seven (7) days before the property or parcel of land is reentered for cleaning. A copy of the required notice mailed and posted as required by this subsection shall be recorded in the minutes of the governing authority in conjunction with the determination made by the municipal employee in this subsection (2).

If an authorized municipal employee determines that the condition of property or parcel of land is a menace to the public health, safety and welfare of the community, the governing authority, if the owner does not do so himself, shall proceed to clean the land, by the use of municipal employees or by contract, by cutting grass and weeds; filling cisterns; removing rubbish, abandoned or dilapidated fences, outside toilets, abandoned or dilapidated buildings, slabs, personal property, which removal of personal property shall not be subject to the provisions of Section 21-39-21, and other debris; and draining cesspools and standing water therefrom. The governing authority shall by resolution adjudicate the actual cost of cleaning the property under this provision, provided the same does not exceed Two Hundred Fifty Dollars (\$250.00) and may also impose a penalty not to exceed One Hundred Dollars (\$100.00) or one hundred percent (100%) of the actual cost of cleaning the property, whichever is more. The cost and any penalty imposed may become a civil debt against the property owner, and/or, at the option of the governing authority, an assessment against the property. The "cost assessed against the property" means either the cost to the municipality of using its own employees to do the work or the cost to the municipality of any contract executed by the municipality to have the work done, and additionally may include administrative costs of the municipality not to exceed Fifty Dollars (\$50.00). For subsequent cleaning within the one-year period set forth in this subsection (2), upon seven (7) days' notice posted both on the property or parcel of land adjudicated in need of cleaning and at city hall or another place in the municipality where such notices are generally posted, and consistent with the municipal official's determination as authorized in this subsection (2), a municipality may reenter the property or parcel of land to maintain cleanliness without further notice or hearing under this subsection (2) no more than six (6) times in any twelve-month period with respect to removing abandoned or dilapidated buildings, slabs, dilapidated fences and outside toilets, and no more than twelve (12) times in any twenty-four-month period with respect to cutting grass and weeds and removing rubbish, personal property and other debris on the land, and the expense of cleaning of the property shall not exceed an aggregate amount of One Thousand Dollars (\$1,000.00) per year under this subsection (2). The governing authority may assess the same actual costs, administrative costs and penalty for each time the property or land is cleaned as otherwise provided in this subsection (2). The penalty provided herein shall not be assessed against the State of Mississippi upon

request for reimbursement under Section 29-1-145, nor shall a municipality clean a parcel owned by the State of Mississippi without first giving notice. Upon written authority from the Secretary of State's office, for state-owned properties, a municipality may forgo the notification process that is prescribed in this subsection and proceed to clean the properties and assess costs as prescribed in this subsection, except that penalties shall not be assessed against the State of Mississippi. A determination made by an appropriate municipal employee under this subsection (2) that the state or condition of property or a parcel of land is a menace to the public health, safety and welfare of the community shall not subsequently be used to replace a hearing if subsection (1) of this section is later utilized by a municipality when the prerequisites of this subsection (2) are not satisfied.

(3) If the governing authority declares, by resolution, that the cost and any penalty shall be collected as a civil debt, the governing authority may authorize the institution of a suit on open account against the owner of the property in a court of competent jurisdiction in the manner provided by law for the cost and any penalty, plus court costs, reasonable attorney's fees and interest from the date that the property was cleaned.

(4) (a) If the governing authority declares that the cost and any penalty shall be collected as an assessment against the property, then the assessment above provided for shall be a lien against the property and may be enrolled in the office of the chancery clerk of the county as other liens and encumbrances are enrolled, and the tax collector of the municipality shall, upon order of the board of governing authorities, proceed to sell the land to satisfy the lien as now provided by law for the sale of lands for delinquent municipal taxes. The lien against the property shall be an encumbrance upon the property and shall follow title of the property.

(b) (i) All assessments levied under the provisions of this section shall be included with municipal ad valorem taxes and payment shall be enforced in the same manner in which payment is enforced for municipal ad valorem taxes, and all statutes regulating the collection of other taxes in a municipality shall apply to the enforcement and collection of the assessments levied under the provisions of this section, including utilization of the procedures authorized under Sections 17-13-9(2) and 27-41-2.

(ii) All assessments levied under the provisions of this section shall become delinquent at the same time municipal ad valorem taxes become delinquent. Delinquencies shall be collected in the same manner and at the same time delinquent ad valorem taxes are collected and shall bear the same penalties as those provided for delinquent taxes. If the property is sold for the nonpayment of an assessment under this section, it shall be sold in the manner that property is sold for the nonpayment of delinquent ad valorem taxes. If the property is sold for delinquent ad valorem taxes, the assessment under this section shall be added to the delinquent tax and collected at the same time and in the same manner.

(5) All decisions rendered under the provisions of this section may be appealed in the same manner as other appeals from municipal boards or courts are taken. However, an appeal from a decision of a municipal officer or official shall be made to the governing authority and such appeal shall be in writing, state the basis for the appeal and be filed with the city clerk no later than seven (7) days from the latest date of notice required under this section.

(6) Nothing contained under this section shall prevent any municipality from enacting criminal penalties for failure to maintain property so as not to constitute a menace to public health, safety and welfare.

(7) (a) If private property or a parcel of land located within a municipality is a perpetual care cemetery subject to Section 41-43-1 et seq., the governing authority of the municipality may proceed pursuant to the same provisions of this section used to determine whether a property is a public health menace to instead determine if the perpetual care cemetery and all structures on the cemetery are not being properly maintained and have become detrimental to the public health and welfare. A perpetual care cemetery that is "not being properly maintained and has become detrimental to the public health and welfare" means a perpetual care cemetery that shows signs of neglect, including, without limitation, the unchecked growth of vegetation, repeated and unchecked acts of vandalism, unusable entrances and exits, excess rubbish or debris, or the disintegration of grave markers or boundaries. Upon notice and opportunity to be heard

as provided in subsection (1) of this section, the governing authority of the municipality may adjudicate the property or parcel of land in its then condition to be not properly maintained and detrimental to the public health and welfare, and if the owner does not do so itself, may proceed to clean the property or parcel of land as provided in subsection (1) of this section. When cleaning the property or parcel of land of a perpetual care cemetery pursuant to this subsection (7), the penalty or penalties provided in subsection (1) of this section shall not be assessed against owners of the perpetual care cemeteries.

(b) The governing authority of a municipality that cleans the property or parcel of land of a perpetual care cemetery pursuant to this subsection (7) may make application to the Secretary of State for an order directing the trustee of the perpetual care cemetery trust fund to release accrued interest or principal of the trust fund sufficient to reimburse the municipality for only the actual cleanup costs incurred by the municipality. The application to the Secretary of State shall include a statement by the municipality that all of the requirements of this section have been met.

(c) If the Secretary of State is satisfied that the notice and hearing requirements of this section have been met, and that the application for an order directing the trustee to release accrued interest of the perpetual care cemetery trust fund does not threaten the ability of the trust fund to provide for the care and maintenance of the cemetery, the Secretary of State may order the trustee to release accrued interest of the trust fund sufficient to reimburse the municipality for the actual costs of cleanup performed by the municipality.

(d) If the Secretary of State is satisfied that the notice and hearing requirements of this section have been met, but makes a determination that the accrued interest of the perpetual care cemetery trust fund is insufficient to reimburse the municipality for the actual costs of cleanup performed by the municipality, or that an order to release accrued interest would threaten the ability of the trust fund to provide for the care and maintenance of the cemetery, the Secretary of State may consider an order directing the trustee to reimburse the municipality from the principal of the trust fund. If the Secretary of State determines that an order to the trustee to release principal from the trust fund will not threaten the solvency of the trust fund, the Secretary of State may order the trustee to release principal of the trust fund in an amount sufficient to reimburse the municipality for the actual costs of cleanup performed by the municipality.

(i) The Secretary of State may not order the trustee to release an amount of more than fifteen percent (15%) of principal of the trust fund to reimburse the municipality for the actual costs of cleanup performed by the municipality.

(ii) The provisions of this section may be utilized no more than once in a four-year period.

SECTION 3. Section 41-43-57, Mississippi Code of 1972, is amended as follows:

41-43-57. (1) In exceptional circumstances only, a perpetual care owner can make an application to the Secretary of State for an order directing the trustee to release trust principal for the extended care, maintenance or improvements to the perpetual care cemetery for which interest funds are insufficient. Before issuing such an order, the Secretary of State shall satisfy himself that the request is for a major capital expenditure that will advance the perpetual care life of the cemetery without undue risk to the solvency of the perpetual care trust fund. Consistent with this section, this shall be the only instance in which a perpetual care trust corpus may be utilized for cemetery maintenance and improvements. In the consideration of the application, the Secretary of State may require the production of any records deemed necessary and relevant to the cemetery's application for a major capital expenditure.

(2) In addition the authority provided under subsection (1) of this section, subject to the provisions of Section 19-5-105(2) or 21-19-11(7), the board of supervisors of a county or the governing authority of a municipality also may make application to the Secretary of State for an order directing the trustee to release either accrued interest or principal of the trust fund for reimbursement to the county or municipality for the actual costs of cleanup performed by the county or municipality.

SECTION 4. This act shall take effect and be in force from and after July 1, 2021.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTIONS 19-5-105 AND 21-19-11, MISSISSIPPI CODE OF 1972, TO AUTHORIZE COUNTIES AND MUNICIPALITIES TO CLEAN PROPERTY OR PARCELS OF LAND OF PERPETUAL CARE CEMETERIES THAT ARE NOT BEING PROPERLY MAINTAINED AND HAVE BECOME DETRIMENTAL TO THE PUBLIC HEALTH AND WELFARE; TO PRESCRIBE NOTICE AND HEARING REQUIREMENTS AND AN ADJUDICATION BY THE COUNTY OR MUNICIPALITY BEFORE IT MAY CLEAN THE PROPERTY; TO AUTHORIZE THE COUNTY OR MUNICIPALITY TO MAKE APPLICATION TO THE SECRETARY OF STATE FOR AN ORDER DIRECTING THE TRUSTEE OF THE PERPETUAL CARE CEMETERY TRUST FUND TO RELEASE ACCRUED INTEREST OF PRINCIPAL OF THE TRUST FUND SUFFICIENT TO REIMBURSE THE COUNTY OR MUNICIPALITY FOR ONLY THE ACTUAL CLEANUP COSTS INCURRED; TO AUTHORIZE THE SECRETARY OF STATE TO ORDER THE TRUSTEE TO RELEASE ACCRUED INTEREST OF PRINCIPAL OF THE TRUST FUND NOT TO EXCEED A CERTAIN AMOUNT SUFFICIENT TO REIMBURSE THE COUNTY OR MUNICIPALITY FOR THE ACTUAL COSTS OF CLEANUP PERFORMED IF THE SECRETARY OF STATE MAKES CERTAIN DETERMINATIONS; TO AMEND SECTION 41-43-57, MISSISSIPPI CODE OF 1972, TO CONFORM TO THE PRECEDING PROVISIONS; AND FOR RELATED PURPOSES.

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 77-3-2, Mississippi Code of 1972, is amended as follows:

77-3-2. (1) The Legislature finds and determines that the rates, services and operations of public utilities as defined in this title are affected with the public interest and that the availability of an adequate and reliable service by such public utilities to the people, economy and government of the State of Mississippi is a matter of public policy. The Legislature hereby declares to be the policy of the State of Mississippi:

(a) To provide fair regulation of public utilities in the interest of the public;

(b) To promote the inherent advantage of regulated public utilities;

(c) To promote adequate, reliable and economical service to all citizens and residents of the state;

(d) To provide just and reasonable rates and charges for public utility services without unjust discrimination, undue preferences or advantages, or unfair or destructive competitive practices and consistent with long-term management and conservation of energy resources by avoiding wasteful, uneconomic and inefficient uses of energy;

(e) To encourage and promote harmony between public utilities, their users and the environment;

(f) To foster the continued service of public utilities on a well-planned and coordinated basis that is consistent with the level of service needed for the protection of public health and safety and for the promotion of the general welfare;

(g) To cooperate with other states and the federal government in promoting and coordinating interstate and intrastate public utility service and reliability;

(h) To encourage the continued study and research for new and innovative rate-making procedures which will protect the state, the public, the ratepayers and the utilities, and where possible reduce the costs of the rate-making process; and

(i) With respect to rate-regulated public utilities, to foster, encourage, enable and facilitate economic development in the State of Mississippi, * * * to support and augment economic development activities, * * * to expand deployment of existing and emerging technologies, including fiber-optic infrastructure which will foster a more reliable and resilient utility delivery system and provide customer access to enhanced services, to authorize and empower the Public Service Commission * * * in carrying out its statutory responsibilities, and to take every opportunity to advance the economic development of the state.

(2) To these ends, therefore, authority shall be vested in the Mississippi Public Service Commission to regulate public utilities in accordance with the provisions of this title.

(3) (a) The commission shall, in addition to its other powers and duties, be authorized and empowered, in its discretion, to consider and adopt a formula type rate of return evaluation rate which may include provision for the commission to:

(i) Periodically review and adjust, if required, the utility's level of revenues based upon the actual books and records of the utility which are periodically the subject of independent audits and regulatory audits;

(ii) Review the utility's performance in certain areas or categories which may be used by the commission in the manner selected by it which may include rate incentives or penalties so long as such are found to be fair and reasonable and result in a level of revenue which is fair and reasonable; and

(iii) Use such other provisions which may be permitted by this chapter.

(b) When a formula type rate of return evaluation rate with periodic revenue adjustments is adopted by the commission, each periodic revenue adjustment will be separately considered for the purpose of determining whether a hearing is required pursuant to Section 77-3-39(1), and no such hearing shall be required if the amount of any separate periodic adjustment to the level of revenues of the utility is not a "major change" as defined in Section 77-3-37(8).

(c) In administering any such formula type rate of return evaluation rate, the following procedures shall be observed by the commission:

(i) Each periodic evaluation shall be supported with a sworn filing by the utility incorporating the data specified in the formula rate adopted by the commission, and such data shall be verified by the commission; and

(ii) A hearing shall be required, as provided by law, to determine compliance with the formula rate plan and the accuracy of the data prior to any change in the level of revenues if the cumulative change in any calendar year exceeds the greater of Two Hundred Thousand Dollars (\$200,000.00) or four percent (4%) of the annual revenues of the utility.

(d) The requirements of paragraphs (a), (b) and (c) of this subsection and other applicable provisions of Title 77, Chapter 3, Article 1, Mississippi Code of 1972, which are observed by the commission in administering such rate, are hereby declared to be procedural but are not required to be included in the rate itself.

(4) It is the intention of the Legislature to validate, retroactively to its initial adoption by the commission, any formula type rate, including any revenue adjustments effected pursuant thereto, which has heretofore been adopted by the commission. For the purposes of the retroactive validation and the administration of any formula type rate heretofore adopted by the commission, should the provisions of Title 77, Chapter 3, Article 1, Mississippi Code of 1972, conflict with any provisions of such formula type rate, Title 77, Chapter 3, Article 1, Mississippi Code of 1972, shall be interpreted to prevail and the formula type rate shall hereafter be administered or revised to conform to Title 77, Chapter 3, Article 1, Mississippi Code of 1972; provided, however, such conflict, if any, shall not be held to invalidate the retroactive effect of this section upon such rate.

Nothing contained in this paragraph shall apply to retail services that are tarified by the commission.

SECTION 3. Section 77-3-44, Mississippi Code of 1972, is amended as follows:

77-3-44. (1) Any rate-regulated electric or natural gas public utility with certificated service area in Mississippi may undertake economic development activities, whether directly or indirectly, including activities such as providing capital, or investment in or acquisition and development of business or industrial sites and the necessary infrastructure or services needed to attract new or existing businesses or industry, to create or maintain employment opportunities, or expansion of fiber-optic infrastructure or otherwise to positively impact or in some manner promote the sale of electric energy or natural gas within its certificated service area. Any facilities developed, constructed or acquired in support of the activities described in this section, including fiber-optic

infrastructure for which a certificate of public convenience and necessity or other commission approval has been granted after July 1, 2015, as well as any capital investment in natural gas reserves made directly or indirectly by an electric or natural gas public utility to foster long-term stability in the cost of fuel, may be deemed used and useful in the provision of electric or natural gas service regardless of whether or not any end-use customers are taking service from said facilities or investment and otherwise recoverable through the utility's rates.

(2) (a) In addition, to further expand fiber-optic infrastructure in the state, any rate-regulated public utility of the type as defined in Section 77-3-3(d)(i) may grant permission to broadband service providers to use the electric delivery system, including without limitation the fiber-optic infrastructure, of the public utility to provide broadband services or other similar services as defined in Section 77-3-3(k) through (o). To the extent a rate-regulated electric public utility grants permission to any broadband service provider to use any part of the utility's electric delivery system, including, without limitation, its fiber optic infrastructure, it must grant such permission on a nonexclusive basis.

(b) The public utility shall not: (i) allow the use of its electric delivery system by a broadband operator to provide broadband services as defined above to diminish the reliability of the electric delivery system; (ii) require any person to purchase broadband services as a condition of receiving or continuing to receive electric service; or (iii) disconnect, or threaten to disconnect, electric service to any customer due to the customer's failure to pay for broadband services. Any complaint related to a public utility's permissive offer of use pursuant to this paragraph (b) shall be brought before and resolved by the Public Service Commission.

(c) In addition, to further expand fiber-optic infrastructure and economic development in the state, any public utility, including electric cooperatives, of the type as defined in Section 77-3-3(d)(i) may grant permission to a retail customer with a nonaggregated load greater than twenty (20) megawatts to construct, install, or maintain above or underground fiber-optic infrastructure on the public utility's existing right-of-way of its electric delivery system.

(d) In instances where a landowner has previously been compensated for the use of their land through a right-of-way instrument with a public utility, the use of the public utility's electric delivery system for the provision of broadband services to a broadband operator or use of the public utility's existing right-of-way on its electric delivery system by a retail customer to construct, install, or maintain above or underground fiber-optic infrastructure shall not be considered an additional burden on the real property upon which the public utility's electric delivery system is located and shall not require the public utility, the broadband operator or retail customer to obtain the consent of anyone having an interest in the real property upon which the public utility's electric delivery system is located.

(e) If a portion of a public utility's electric delivery system is used by a broadband operator for the provision of broadband services or a portion of a public utility's right-of-way is used by a retail customer to construct, install, or maintain above or underground fiber-optic infrastructure and the landowner of the real property on which such portion is located believes his property has been damaged by such use, the landowner may petition the circuit court of the county in which the property is situated for any damages to which the landowner may be entitled under this subsection:

(i) The petition allowed and damages recoverable under this subsection shall be the landowner's exclusive remedy, and the landowner shall not be entitled to assert any other theory, claims or causes of action nor recover any other damages, punitive damages, costs, attorneys' fees, or other relief.

(ii) The recoverable damages, if any, shall be recoverable only from the broadband operator or retail customer and not from the public utility.

(iii) The damages recoverable shall be an amount equal to the difference between 1. the fair market value of the landowner's interest in the real property immediately before the public utility's electric delivery system on the owner's property was first used by the broadband operator or retail customer for the provision of broadband services, and 2. the fair market value of the landowner's interest in the real property immediately after the public utility's electric delivery system on the landowner's property was first used by the broadband operator or retail customer for the provision of

broadband services. The before-and-after values must be established by the testimony of a qualified real estate appraiser. The damages, if any, shall be fixed and shall not be deemed to continue, accumulate, or accrue. The court shall, as part of its judgment, confirm the rights granted by the public utility to the broadband operator or retail customer and their respective successors and assigns for the placement or use of a broadband system on or as part of the electric delivery system. The judgment will have the same effect of a conveyance executed in due form of law and shall run with the land; and a certified copy of said judgment may be filed by the broadband operator retail customer in the land records of the county in which the subject property is located.

(iv) Evidence of past, current or future revenues or profits derived or to be derived by a broadband operator or retail customer from providing broadband services is not admissible for any purpose in any such proceeding.

(v) The landowner shall not be entitled to any damages or other relief relating to any broadband system or portion thereof that is located on the landowner's property or any fiber-optic infrastructure by the retail customer that is located on the landowner's property and is used or could be used by the electric public utility for its own operations.

(vi) The landowner shall not be entitled to any relief or damages if an easement has been granted to the broadband operator or retail customer, if the landowner has authorized the public utility to use or allow others to use its electric delivery system for the provision of broadband services, or if the landowner has authorized the public utility to use its existing right-of-way to construct, install, or maintain above or underground fiber-optic infrastructure.

(f) Nothing in this section shall affect, abrogate, or eliminate in any way any obligation of a rate-regulated, public utility or broadband operator to comply with any applicable safety and permitting requirements of any railroad company or any state governmental body or agency with respect to property that is held or controlled by such railroad company or state governmental body or agency, as the case may be, and in, on, over, or across which an easement is located.

(g) All costs paid by a rate-regulated public utility to acquire right-of-way shall be considered cost of service and recovered through rates, and all revenue collected by a rate-regulated public utility from third-party use of public utility right-of-way shall be credited back to customers in a comparable manner.

The Public Service Commission shall establish a mechanism for electric utility revenues deriving from the provision of competitive broadband services such that electric service customers receive an annual credit, adjusted annually, for any wholesale revenues derived from fiber optic infrastructure.

SECTION 4. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO PROVIDE FOR CERTAIN PARTICIPATION OF RATE-REGULATED ELECTRIC UTILITIES IN THE EXPANSION OF BROADBAND SERVICES IN THE STATE OF MISSISSIPPI; TO AMEND SECTION 77-3-2, MISSISSIPPI CODE OF 1972, TO DECLARE THAT IT IS THE POLICY OF THE STATE OF MISSISSIPPI TO SUPPORT EXPANSION OF EXISTING AND EMERGING TECHNOLOGIES TO FOSTER RELIABLE AND RESILIENT SERVICE AND CUSTOMER ACCESS TO ENHANCED SERVICES; TO AMEND SECTION 77-3-3, MISSISSIPPI CODE OF 1972, TO INCLUDE DEFINITIONS OF "BROADBAND SERVICE PROVIDER," "BROADBAND OPERATOR" AND "ELECTRIC DELIVERY SYSTEM"; TO AMEND SECTION 77-3-44, MISSISSIPPI CODE OF 1972, TO INCLUDE FIBER-OPTIC INFRASTRUCTURE AS AN ECONOMIC DEVELOPMENT ACTIVITY, TO ALLOW RATE-REGULATED ELECTRIC UTILITIES TO PERMIT BROADBAND PROVIDERS USE OF THE ELECTRIC DELIVERY SYSTEM TO PROVIDE BROADBAND SERVICES, TO REGULATE EASEMENTS, TO ALLOW CERTAIN ENTITIES TO CONSTRUCT FIBER-OPTIC INFRASTRUCTURE ON PUBLIC UTILITIES' EXISTING RIGHTS-OF-WAY; AND FOR RELATED PURPOSES.

SECTION 137. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bonds means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) The Commission on Environmental Quality, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for the Water Pollution Control Revolving Fund established in Section 49-17-85, Mississippi Code of 1972. Upon the adoption of a resolution by the Commission on Environmental Quality declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the Commission on Environmental Quality shall deliver a certified copy of its resolution or resolutions to the commission; however, the Commission on Environmental Quality shall declare the necessity for the issuance of bonds only in the amount necessary to match projected federal funds available through the following federal fiscal year. Upon receipt of such resolution, the commission, in its discretion, may act as the issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed Two Million Eight Hundred Seventy Thousand Dollars (\$2,870,000.00).

(b) The proceeds of bonds issued pursuant to this subsection shall be deposited into the Water Pollution Control Revolving Fund created pursuant to Section 49-17-85, Mississippi Code of 1972.

(3) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this section. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(4) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and

coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(5) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(6) The commission shall act as the issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If the bonds are to be sold on sealed bids at public sale, notice of the sale of any such bonds shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(7) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. Interest and investment earnings on money in the Water Pollution Control Revolving Fund shall be utilized to pay the principal and interest on such bonds as they become due. If the interest and investment earnings of the fund and any funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this section.

(8) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the Water Pollution Control Revolving Fund created in Section 49-17-85, Mississippi Code of 1972. After the transfer of the proceeds of any such sale or sales to the Water Pollution Control Revolving Fund, any investment earnings or interest earned on the proceeds of such bonds shall be deposited to the credit of the Water Pollution Control Revolving Fund and shall be used only for the purposes provided in Section 49-17-85, Mississippi Code of 1972. The proceeds of such bonds shall be disbursed solely upon the order of the Commission on Environmental Quality under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(9) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(10) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the

manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(11) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(12) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(13) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(14) The proceeds of the bonds issued under this section shall be used solely for the purposes therein provided, including the costs incident to the issuance and sale of such bonds.

(15) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(16) This section shall be deemed to be full and complete authority for the exercise of the powers therein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 138. Section 49-17-85, Mississippi Code of 1972, is amended as follows:

49-17-85. (1) There is established in the State Treasury a fund to be known as the "Water Pollution Control Revolving Fund," which shall be administered by the commission acting through the department. The revolving fund may receive bond proceeds and funds appropriated or otherwise made available by the Legislature in any manner and funds from any other source, public or private. The revolving fund shall be maintained in perpetuity for the purposes established in this section.

(2) There is established in the State Treasury a fund to be known as the "Water Pollution Control Hardship Grants Fund," which shall be administered by the commission acting through the department. The grants fund shall be maintained in perpetuity for the purposes established in this section. Any interest earned on monies in the grants fund shall be credited to that fund.

(3) The commission shall promulgate regulations for the administration of the revolving fund program, the hardship grants program and for related programs authorized under this section. The regulations shall be in accordance with the federal Water Quality Act of 1987, as amended, and regulations and guidance issued under that act. The commission may enter into capitalization grant agreements with the United States Environmental Protection Agency and may accept capitalization grant awards made under Title VI of the Water Quality Act of 1987, as amended.

(4) The commission shall establish a loan program which shall commence after October 1, 1988, to assist political subdivisions in the construction of water pollution control projects. Loans from the revolving fund may be made to political subdivisions as set forth in a loan agreement in amounts not exceeding one hundred percent (100%) of eligible project costs as established by the commission. Notwithstanding loan amount limitations set forth in Section 49-17-61, the commission may require local participation or funding from other sources, or otherwise limit the percentage of costs covered by loans

from the revolving fund. The commission may establish a maximum amount for any loan in order to provide for broad and equitable participation in the program.

(5) The commission shall establish a hardship grants program for rural communities, which shall commence after July 1, 1997, to assist severely economically disadvantaged small rural political subdivisions in the construction of water pollution control projects. The commission may receive and administer state or federal funds, or both, appropriated for the operation of this grants program and may take all actions necessary to implement the program in accordance with the federal hardship grants program. The hardship grants program shall operate in conjunction with the revolving loan program administered under this section.

(6) The commission shall act for the state in all matters and with respect to all determinations under Title VI of the federal Water Quality Act of 1987, as amended, and the federal Omnibus Appropriations and Recision Act of 1996.

(7) Except as otherwise provided in this section, the revolving fund may be used only:

(a) To make loans on the condition that:

(i) The loans are made at or below market interest rates, at terms not to exceed the maximum time allowed by federal law after project completion; the interest rate and term may vary from time to time and from loan to loan at the discretion of the commission;

(ii) Periodic principal and interest payments will commence when required by the commission but not later than one (1) year after project completion and all loans will be fully amortized when required by the commission but not later than the maximum time allowed by federal law after project completion;

(iii) The recipient of a loan will establish a dedicated source of revenue for repayment of loans;

(b) To buy or refinance the debt obligation of political subdivisions at or below market rates, where the debt obligations were incurred after March 7, 1985, and where the projects were constructed in compliance with applicable federal and state regulations;

(c) To guarantee, or purchase insurance for, obligations of political subdivisions where the action would improve credit market access or reduce interest rates;

(d) To provide loan guarantees for similar revolving funds established by municipalities or intermunicipal agencies;

(e) To earn interest on fund accounts;

(f) To establish nonpoint source pollution control management programs;

(g) To establish estuary conservation and management programs;

(h) For the reasonable costs of administering the revolving fund and conducting activities under this act, subject to the limitations established in Section 603(d)(7) of Title VI of the federal Clean Water Act, as amended, and subject to annual appropriation by the Legislature;

(i) In connection with the issuance, sale and purchase of bonds under Section 31-25-1 et seq., related to the funding of projects, to provide security or a pledge of revenues for the repayment of the bonds; and

(j) To pay the principal and interest on bonds issued pursuant to Section 11 of Chapter 580, Laws of 2007, Section 1 of Chapter 492, Laws of 2008, Section 47 of Chapter 557, Laws of 2009, Section 45 of Chapter 533, Laws of 2010, Section 3 of Chapter 480, Laws of 2011, Section 36 of Chapter 569, Laws of 2013, Section 9 of Chapter 452, Laws of 2018, Section 1 of Chapter 415, Laws of 2019, * * * Section 16 of Chapter 492, Laws of 2020, and Section 137 of this act, as they become due; however, only interest and investment earnings on money in the fund may be utilized for this purpose.

(8) The hardship grants program shall be used only to provide hardship grants consistent with the federal hardship grants program for rural communities, regulations and guidance issued by the United States Environmental Protection Agency, subsections (3) and (5) of this section and regulations promulgated and guidance issued by the commission under this section.

(9) The commission shall establish by regulation a system of priorities and a priority list of projects eligible for funding with loans from the revolving fund.

(10) The commission may provide a loan from the revolving fund only with respect to a project if that project is on the priority list established by the commission.

(11) The revolving fund shall be credited with all payments of principal and interest derived from the fund uses described in subsection (7) of this section. However, notwithstanding any other provision of law to the contrary, all or any portion of payments of principal and interest derived from the fund uses described in subsection (7) of this section may be designated or pledged for repayment of a loan as provided in Section 31-25-28 in connection with a loan from the Mississippi Development Bank.

(12) The commission may establish and collect fees to defray the reasonable costs of administering the revolving fund if it determines that the administrative costs will exceed the limitations established in Section 603(d)(7) of Title VI of the federal Clean Water Act, as amended. The administration fees may be included in loan amounts to political subdivisions for the purpose of facilitating payment to the commission. The fees may not exceed five percent (5%) of the loan amount.

(13) Except as otherwise provided in this section, the commission may, on a case-by-case basis and to the extent allowed by federal law, renegotiate the payment of principal and interest on loans made under this section to the six (6) most southern counties of the state covered by the Presidential Declaration of Major Disaster for the State of Mississippi (FEMA-1604-DR) dated August 29, 2005, and to political subdivisions located in such counties; however, the interest on the loans shall not be forgiven for a period of more than twenty-four (24) months and the maturity of the loans shall not be extended for a period of more than forty-eight (48) months.

(14) The commission may, on a case-by-case basis and to the extent allowed by federal law, renegotiate the payment of principal and interest on loans made under this section to Hancock County as a result of coverage under the Presidential Declaration of Major Disaster for the State of Mississippi (FEMA-1604-DR) dated August 29, 2005, and to political subdivisions located in Hancock County.

Submitted by Rep. Zakiya Summers on the Motion to Recommit the Conference Report for SB 2799 to add instructions that would provide healthcare to adults up to age 64 with increases up to 138% of the federal poverty level.

I want you to look in your pocket or your purse or ask your deskmate for a nickel. I want you to look at that nickel. Now I want you to imagine that the gap between you and going to see a doctor or nurse because you were sick or your child was sick was only 5 cents.

That's what we are facing right now in the state of Mississippi.

Ladies and gentlemen, we have an opportunity to ensure that 300,000 to 400,000 people - constituents we represent, moms and pops, sons and daughters and babies, family members and church members back home who cannot afford insurance - are able to gain access to healthcare that is affordable.

So many people lost jobs and therefore health insurance due to COVID. Many of them are still dealing with these hardships.

We can go back to our districts with a strong message that our rural hospitals can be made whole and let our folks know that they don't have to worry about health costs and access because we have answered their calls and done what they have sent us here to do - to take care of them.

Last year, we accomplished something so big and so historical. We worked together to give the Magnolia State a new image by resurrecting a beautiful flag.

We can make history again and add another chapter to our legacy book by joining the other 38 states that are providing health coverage and deciding where to spend millions of dollars in new and increased funds that will help Mississippi fix our roads and bridges, create new jobs, and so much more.

So, I ask you to support this motion for the House and the Senate to work together to provide health care coverage options for those Mississippians in the crack plus billions of dollars to our state budget.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2799: Mississippi Medicaid Program; make technical amendments to reimbursements and administration.

We, therefore, respectfully submit the following report and recommendation:

2. That the Senate and House adopt the following amendment:

In addition, the Medicare thirty-five-mile rule will apply to those hospital clinics not located inside the hospital that are constructed after July 1, 2009. (b) From and after July 1, 1997, the division shall implement the integrated case-mix payment and quality monitoring system, which includes the fair rental system for property costs and in which recapture of depreciation is eliminated. The division may reduce the payment for hospital leave and therapeutic home leave days to the lower of the case-mix category as computed for the resident on leave using the assessment being utilized for payment at that point in time, or a case-mix score of 1.000 for nursing facilities, and shall compute case-mix scores of residents so that only services provided at the nursing facility are considered in calculating a facility's per diem.

(c) From and after July 1, 1997, all state-owned nursing facilities shall be reimbursed on a full reasonable cost basis.

(d) On or after January 1, 2015, the division shall update the case-mix payment system resource utilization grouper and classifications and fair rental reimbursement system. The division shall develop and implement a payment add-on to reimburse nursing facilities for ventilator-dependent resident services.

(e) The division shall develop and implement, not later than January 1, 2001, a case-mix payment add-on determined by time studies and other valid statistical data that will reimburse a nursing facility for the additional cost of caring for a resident who has a diagnosis of Alzheimer's or other related dementia and exhibits symptoms that require special care. Any such case-mix add-on payment shall be supported by a determination of additional cost. The division shall also develop and implement as part of the fair rental reimbursement system for nursing facility beds, an Alzheimer's resident bed depreciation enhanced reimbursement system that will provide an incentive to encourage nursing facilities to convert or construct beds for residents with Alzheimer's or other related dementia.

(D) *** (1) Notwithstanding any provision of this article, except as authorized in subsection (E) of this section and in Section 43-13-139, (a) the limitations on the quantity or frequency of use of, or the fees or charges for, any of the care or services available to recipients under this section; and (b) the payments or rates of reimbursement to providers rendering care or services authorized under this section to recipients shall not be increased, decreased or otherwise changed from the levels in effect on July 1, 2021, unless they are authorized by an amendment to this section by the Legislature.

(2) When any of the changes described in paragraph (1) of this subsection are authorized by an amendment to this section by the Legislature that is effective after July 1, 2021, the changes made in the later amendment shall not be further changed from the levels in effect on the effective date of the later amendment unless those changes are authorized by another amendment to this section by the Legislature.

(E) Notwithstanding any provision of this article, no new groups or categories of recipients and new types of care and services may be added without enabling

legislation from the Mississippi Legislature, except that the division may authorize those changes without enabling legislation when the addition of recipients or services is ordered by a court of proper authority.

(F) The executive director shall keep the Governor advised on a timely basis of the funds available for expenditure and the projected expenditures. Notwithstanding any other provisions of this article, if current or projected expenditures of the division are reasonably anticipated to exceed the amount of funds appropriated to the division for any fiscal year, the Governor, after consultation with the executive director, shall take all appropriate measures to reduce costs, which may include, but are not limited to:

- (1) Reducing or discontinuing any or all services that are deemed to be optional under Title XIX of the Social Security Act;
- (2) Reducing reimbursement rates for any or all service types;
- (3) Imposing additional assessments on health care providers; or
- (4) Any additional cost-containment measures deemed appropriate by the Governor.

To the extent allowed under federal law, any reduction to services or reimbursement rates under this subsection (F) shall be accompanied by a reduction, to the fullest allowable amount, to the profit margin and administrative fee portions of capitated payments to organizations described in paragraph (1) of this subsection (F).

Beginning in fiscal year 2010 and in fiscal years thereafter, when Medicaid expenditures are projected to exceed funds available for the fiscal year, the division shall submit the expected shortfall information to the PEER Committee not later than December 1 of the year in which the shortfall is projected to occur. PEER shall review the computations of the division and report its findings to the Legislative Budget Office not later than January 7 in any year.

(G) Notwithstanding any other provision of this article, it shall be the duty of each provider participating in the Medicaid program to keep and maintain books, documents and other records as prescribed by the Division of Medicaid in *** accordance with federal laws and regulations.

(H) (1) Notwithstanding any other provision of this article, the division is authorized to implement (a) a managed care program, (b) a coordinated care program, (c) a coordinated care organization program, (d) a health maintenance organization program, (e) a patient-centered medical home program, (f) an accountable care organization program, (g) provider-sponsored health plan, or (h) any combination of the above programs. *** As a condition for the approval of any program under this subsection (H)(1), the division shall require that no managed care program, coordinated care program, coordinated care organization program, health maintenance organization program, or provider-sponsored health plan may:

(a) Pay providers at a rate that is less than the Medicaid All Patient Refined Diagnosis Related Groups (APR-DRG) reimbursement rate;

(b) Override the medical decisions of hospital physicians or staff regarding patients admitted to a hospital for an emergency medical condition as defined by 42 US Code Section 1395dd. This restriction (b) does not prohibit the retrospective review of the appropriateness of the determination that an emergency medical condition exists by chart review or coding algorithm, nor does it prohibit prior authorization for nonemergency hospital admissions;

(c) Pay providers at a rate that is less than the normal Medicaid reimbursement rate. It is the intent of the Legislature that all managed care entities described in this subsection (H), in collaboration with the division, develop and implement innovative payment models that incentivize improvements in health care quality, outcomes, or value, as determined by the division. Participation in the provider network of any managed care, coordinated care, provider-sponsored health plan, or similar contractor shall not be conditioned on the provider's agreement to accept such alternative payment models;

(d) Implement a prior authorization and utilization review program for medical services, transportation services and prescription drugs that is more stringent than the prior authorization processes used by the division in its administration of the Medicaid program. Not later than December 2, 2021, the contractors that are receiving capitated payments under a managed care delivery system established under

this subsection (H) shall submit a report to the Chairmen of the House and Senate Medicaid Committees on the status of the prior authorization and utilization review program for medical services, transportation services and prescription drugs that is required to be implemented under this subparagraph (d);

(e) [Deleted]

(f) Implement a preferred drug list that is more stringent than the mandatory preferred drug list established by the division under subsection (A)(9) of this section;

(g) Implement a policy which denies beneficiaries with hemophilia access to the federally funded hemophilia treatment centers as part of the Medicaid Managed Care network of providers. * * *

Each health maintenance organization, coordinated care organization, provider-sponsored health plan, or other organization paid for services on a capitated basis by the division under any managed care program or coordinated care program implemented by the division under this section shall use a clear set of level of care guidelines in the determination of medical necessity and in all utilization management practices, including the prior authorization process, concurrent reviews, retrospective reviews and payments, that are consistent with widely accepted professional standards of care. Organizations participating in a managed care program or coordinated care program implemented by the division may not use any additional criteria that would result in denial of care that would be determined appropriate and, therefore, medically necessary under those levels of care guidelines.

(2) Notwithstanding any provision of this section, the recipients eligible for enrollment into a Medicaid managed care program authorized under this subsection (H) may include only those categories of recipients eligible for participation in the Medicaid managed care program as of January 1, 2021, and the Children's Health Insurance Program (CHIP), CMS approved Section 1115 demonstration waivers in operation as of January 1, 2021. No expansion of Medicaid managed care program contracts may be implemented by the division without enabling legislation from the Mississippi Legislature. * * *

* * *

(3) (a) Any contractors * * * receiving capitated payments under a managed care * * * delivery system established in this section shall provide to the Legislature and the division statistical data to be shared with provider groups in order to improve patient access, appropriate utilization, cost savings and health outcomes not later than October 1 of each year. Additionally, each contractor shall disclose to the Chairmen of the Senate and House Medicaid Committees the administrative expenses costs for the prior calendar year, and the number of full-equivalent employees located in the State of Mississippi dedicated to the Medicaid and CHIP lines of business as of June 30 of the current year.

(b) The division and the contractors participating in the managed care program, a coordinated care program or a provider-sponsored health plan shall be subject to annual program reviews or audits performed by the Office of the State Auditor, the PEER Committee, the Department of Insurance and/or * * * independent third * * * parties.

(c) Those * * * reviews shall * * * include, but not be limited to, at least two (2) of the following items * * *:

(i) The financial benefit to the State of Mississippi of the managed care program,

(ii) The difference between the premiums paid to the managed care contractors and the payments made by those contractors to health care providers, * * *

(iii) Compliance with performance measures required under the contracts,

(iv) Administrative expense allocation methodologies,

(v) Whether nonprovider payments assigned as medical expenses are appropriate,

subcontractors,

- (vi) Capitated arrangements with related party
- (vii) Reasonableness of corporate allocations,
- (viii) Value-added benefits and the extent to which they are used,
- (ix) The effectiveness of subcontractor oversight, including subcontractor review,
- (x) Whether * * * health care outcomes * * * have been improved, and
- (xi) The most common claim denial codes to determine the reasons for the denials.

* * * The audit reports shall be considered * * * public documents and shall be posted in * * * their entirety on the division's website.

(4) All health maintenance organizations, coordinated care organizations, provider-sponsored health plans, or other organizations paid for services on a capitated basis by the division under any managed care program or coordinated care program implemented by the division under this section shall reimburse all providers in those organizations at rates no lower than those provided under this section for beneficiaries who are not participating in those programs.

(5) No health maintenance organization, coordinated care organization, provider-sponsored health plan, or other organization paid for services on a capitated basis by the division under any managed care program or coordinated care program implemented by the division under this section shall require its providers or beneficiaries to use any pharmacy that ships, mails or delivers prescription drugs or legend drugs or devices.

(6) * * * (a) Not later than December 1, 2021, the contractors who are receiving capitated payments under a managed care delivery system established under this subsection (H) shall develop and implement a uniform credentialing process for providers. Under that uniform credentialing process, a provider who meets the criteria for credentialing will be credentialed with all of those contractors and no such provider will have to be separately credentialed by any individual contractor in order to receive reimbursement from the contractor. Not later than December 2, 2021, those contractors shall submit a report to the Chairmen of the House and Senate Medicaid Committees on the status of the uniform credentialing process for providers that is required under this subparagraph (a).

(b) If those contractors have not implemented a uniform credentialing process as described in subparagraph (a) by December 1, 2021, the division shall develop and implement, not later than July 1, 2022, a single, consolidated credentialing process by which all providers will be credentialed. Under the division's single, consolidated credentialing process, no such contractor shall require its providers to be separately credentialed by the * * * contractor in order to receive reimbursement from the * * * contractor, but those * * * contractors shall recognize the credentialing of the providers by the division's credentialing process.

(c) The division shall require a uniform provider credentialing application that shall be used in the credentialing process that is established under subparagraph (a) or (b). If the contractor or division, as applicable, has not approved or denied the provider credentialing application within sixty (60) days of receipt of the completed application that includes all required information necessary for credentialing, then the contractor or division, upon receipt of a written request from the applicant and within five (5) business days of its receipt, shall issue a temporary provider credential/enrollment to the applicant if the applicant has a valid Mississippi professional or occupational license to provide the health care services to which the credential/enrollment would apply. The contractor or the division shall not issue a temporary credential/enrollment if the applicant has reported on the application a history of medical or other professional or occupational malpractice claims, a history of substance abuse or mental health issues, a criminal record, or a history of medical or other licensing board, state or federal disciplinary action, including any suspension from participation in a federal or state program. The temporary credential/enrollment shall be effective upon issuance and shall remain in effect until the provider's credentialing/enrollment application

is approved or denied by the contractor or division. The contractor or division shall render a final decision regarding credentialing/enrollment of the provider within sixty (60) days from the date that the temporary provider credential/enrollment is issued to the applicant.

(d) If the contractor or division does not render a final decision regarding credentialing/enrollment of the provider within the time required in subparagraph (c), the provider shall be deemed to be credentialed by and enrolled with all of the contractors and eligible to receive reimbursement from the contractors.

(7) (a) Each contractor that is receiving capitated payments under a managed care delivery system established under this subsection (H) shall provide to each provider for whom the contractor has denied the coverage of a procedure that was ordered or requested by the provider for or on behalf of a patient, a letter that provides a detailed explanation of the reasons for the denial of coverage of the procedure and the name and the credentials of the person who denied the coverage. The letter shall be sent to the provider in electronic format.

(b) After a contractor that is receiving capitated payments under a managed care delivery system established under this subsection (H) has denied coverage for a claim submitted by a provider, the contractor shall issue to the provider within sixty (60) days a final ruling of denial of the claim that allows the provider to have a state fair hearing and/or agency appeal with the division. If a contractor does not issue a final ruling of denial within sixty (60) days as required by this subparagraph (b), the provider's claim shall be deemed to be automatically approved and the contractor shall pay the amount of the claim to the provider.

(c) After a contractor has issued a final ruling of denial of a claim submitted by a provider, the division shall conduct a state fair hearing and/or agency appeal on the matter of the disputed claim between the contractor and the provider within sixty (60) days, and shall render a decision on the matter within thirty (30) days after the date of the hearing and/or appeal.

(8) It is the intention of the Legislature that the division evaluate the feasibility of using a single vendor to administer pharmacy benefits provided under a managed care delivery system established under this subsection (H). Providers of pharmacy benefits shall cooperate with the division in any transition to a carve-out of pharmacy benefits under managed care.

(9) It is the intention of the Legislature that the division evaluate the feasibility of using a single vendor to administer dental benefits provided under a managed care delivery system established in this subsection (H). Providers of dental benefits shall cooperate with the division in any transition to a carve-out of dental benefits under managed care.

(10) It is the intent of the Legislature that any contractor receiving capitated payments under a managed care delivery system established in this section shall implement innovative programs to improve the health and well-being of members diagnosed with prediabetes and diabetes.

(11) It is the intent of the Legislature that any contractors receiving capitated payments under a managed care delivery system established under this subsection (H) shall work with providers of Medicaid services to improve the utilization of long-acting reversible contraceptives (LARCs). Not later than December 1, 2021, any contractors receiving capitated payments under a managed care delivery system established under this subsection (H) shall provide to the chairmen of the House and Senate Medicaid Committees and House and Senate Public Health committees a report of LARC utilization for State Fiscal Years 2018 through 2020 as well as any programs, initiatives, or efforts made by the contractors and providers to increase LARC utilization. This report shall be updated annually to include information for subsequent state fiscal years.

(12) The division is authorized to make not more than one (1) emergency extension of the contracts that are in effect on the effective date of this act with contractors who are receiving capitated payments under a managed care delivery system established under this subsection (H), as provided in this paragraph (12). The maximum period of any such extension shall be one (1) year, and under any such extensions, the contractors shall be subject to all of the provisions of this subsection (H).

The extended contracts shall be revised to incorporate any provisions of this subsection (H).

(I) [Deleted]

(J) There shall be no cuts in inpatient and outpatient hospital payments, or allowable days or volumes, as long as the hospital assessment provided in Section 43-13-145 is in effect. This subsection (J) shall not apply to decreases in payments that are a result of: reduced hospital admissions, audits or payments under the APR-DRG or APC models, or a managed care program or similar model described in subsection (H) of this section.

(K) In the negotiation and execution of such contracts involving services performed by actuarial firms, the Executive Director of the Division of Medicaid may negotiate a limitation on liability to the state of prospective contractors.

(** *L) This section shall stand repealed on July 1, ** * 2024.

SECTION 2. Section 43-13-145, Mississippi Code of 1972, is amended as follows:

43-13-145. (1) (a) Upon each nursing facility licensed by the State of Mississippi, there is levied an assessment in an amount set by the division, equal to the maximum rate allowed by federal law or regulation, for each licensed and occupied bed of the facility.

(b) A nursing facility is exempt from the assessment levied under this subsection if the facility is operated under the direction and control of:

- (i) The United States Veterans Administration or other agency or department of the United States government; or
- (ii) The State Veterans Affairs Board * * *.

* * *

(2) (a) Upon each intermediate care facility for individuals with intellectual disabilities licensed by the State of Mississippi, there is levied an assessment in an amount set by the division, equal to the maximum rate allowed by federal law or regulation, for each licensed and occupied bed of the facility.

(b) An intermediate care facility for individuals with intellectual disabilities is exempt from the assessment levied under this subsection if the facility is operated under the direction and control of:

- (i) The United States Veterans Administration or other agency or department of the United States government;
- (ii) The State Veterans Affairs Board; or
- (iii) The University of Mississippi Medical Center.

(3) (a) Upon each psychiatric residential treatment facility licensed by the State of Mississippi, there is levied an assessment in an amount set by the division, equal to the maximum rate allowed by federal law or regulation, for each licensed and occupied bed of the facility.

(b) A psychiatric residential treatment facility is exempt from the assessment levied under this subsection if the facility is operated under the direction and control of:

- (i) The United States Veterans Administration or other agency or department of the United States government;
- (ii) The University of Mississippi Medical Center; or
- (iii) A state agency or a state facility that either provides its own state match through intergovernmental transfer or certification of funds to the division.

(4) Hospital assessment.

(a) (i) Subject to and upon fulfillment of the requirements and conditions of paragraph (f) below, and notwithstanding any other provisions of this section, * * * an annual assessment on each hospital licensed in the state is imposed on each non-Medicare hospital inpatient day as defined below at a rate that is determined by dividing the sum prescribed in this subparagraph (i), plus the nonfederal share necessary to maximize the Disproportionate Share Hospital (DSH) and Medicare Upper Payment Limits (UPL) Program payments and hospital access payments and such other supplemental payments as may be developed pursuant to Section 43-13-117(A)(18), by the total number of non-Medicare hospital inpatient days as defined below for all licensed Mississippi hospitals, except as provided in paragraph (d) below. If the state-matching

funds percentage for the Mississippi Medicaid program is sixteen percent (16%) or less, the sum used in the formula under this subparagraph (i) shall be Seventy-four Million Dollars (\$74,000,000.00). If the state-matching funds percentage for the Mississippi Medicaid program is twenty-four percent (24%) or higher, the sum used in the formula under this subparagraph (i) shall be One Hundred Four Million Dollars (\$104,000,000.00). If the state-matching funds percentage for the Mississippi Medicaid program is between sixteen percent (16%) and twenty-four percent (24%), the sum used in the formula under this subparagraph (i) shall be a pro rata amount determined as follows: the current state-matching funds percentage rate minus sixteen percent (16%) divided by eight percent (8%) multiplied by Thirty Million Dollars (\$30,000,000.00) and add that amount to Seventy-four Million Dollars (\$74,000,000.00). However, no assessment in a quarter under this subparagraph (i) may exceed the assessment in the previous quarter by more than Three Million Seven Hundred Fifty Thousand Dollars (\$3,750,000.00) (which would be Fifteen Million Dollars (\$15,000,000.00) on an annualized basis). The division shall publish the state-matching funds percentage rate applicable to the Mississippi Medicaid program on the tenth day of the first month of each quarter and the assessment determined under the formula prescribed above shall be applicable in the quarter following any adjustment in that state-matching funds percentage rate. The division shall notify each hospital licensed in the state as to any projected increases or decreases in the assessment determined under this subparagraph (i). However, if the Centers for Medicare and Medicaid Services (CMS) does not approve the provision in Section 43-13-117(39) requiring the division to reimburse crossover claims for inpatient hospital services and crossover claims covered under Medicare Part B for dually eligible beneficiaries in the same manner that was in effect on January 1, 2008, the sum that otherwise would have been used in the formula under this subparagraph (i) shall be reduced by Seven Million Dollars (\$7,000,000.00).

(ii) In addition to the assessment provided under subparagraph (i), *** an additional annual assessment on each hospital licensed in the state is imposed on each non-Medicare hospital inpatient day as defined below at a rate that is determined by dividing twenty-five percent (25%) of any provider reductions in the Medicaid program as authorized in Section 43-13-117(F) for that fiscal year up to the following maximum amount, plus the nonfederal share necessary to maximize the Disproportionate Share Hospital (DSH) and inpatient Medicare Upper Payment Limits (UPL) Program payments and inpatient hospital access payments, by the total number of non-Medicare hospital inpatient days as defined below for all licensed Mississippi hospitals: in fiscal year 2010, the maximum amount shall be Twenty-four Million Dollars (\$24,000,000.00); in fiscal year 2011, the maximum amount shall be Thirty-two Million Dollars (\$32,000,000.00); and in fiscal year 2012 and thereafter, the maximum amount shall be Forty Million Dollars (\$40,000,000.00). Any such deficit in the Medicaid program shall be reviewed by the PEER Committee as provided in Section 43-13-117(F).

(iii) In addition to the assessments provided in subparagraphs (i) and (ii), *** an additional annual assessment on each hospital licensed in the state is imposed pursuant to the provisions of Section 43-13-117(F) if the cost-containment measures described therein have been implemented and there are insufficient funds in the Health Care Trust Fund to reconcile any remaining deficit in any fiscal year. If the Governor institutes any other additional cost-containment measures on any program or programs authorized under the Medicaid program pursuant to Section 43-13-117(F), hospitals shall be responsible for twenty-five percent (25%) of any such additional imposed provider cuts, which shall be in the form of an additional assessment not to exceed the twenty-five percent (25%) of provider expenditure reductions. Such additional assessment shall be imposed on each non-Medicare hospital inpatient day in the same manner as assessments are imposed under subparagraphs (i) and (ii).

(b) *** Definitions.

(i) *** [Deleted]

(ii) *** For purposes of this subsection (4):

1. "Non-Medicare hospital inpatient day" means

total hospital inpatient days including subcomponent days less Medicare inpatient days including subcomponent days from the hospital's most recent Medicare cost report for the second calendar year preceding the beginning of the state fiscal year, on file with CMS

per the CMS HCRIS database, or cost report submitted to the Division if the HCRIS database is not available to the division, as of June 1 of each year.

a. Total hospital inpatient days shall be the sum of Worksheet S-3, Part 1, column 8 row 14, column 8 row 16, and column 8 row 17, excluding column 8 rows 5 and 6.

b. Hospital Medicare inpatient days shall be the sum of Worksheet S-3, Part 1, column 6 row 14, column 6 row 16.00, and column 6 row 17, excluding column 6 rows 5 and 6.

c. Inpatient days shall not include residential treatment or long-term care days.

2. "Subcomponent inpatient day" means the number of days of care charged to a beneficiary for inpatient hospital rehabilitation and psychiatric care services in units of full days. A day begins at midnight and ends twenty-four (24) hours later. A part of a day, including the day of admission and day on which a patient returns from leave of absence, counts as a full day. However, the day of discharge, death, or a day on which a patient begins a leave of absence is not counted as a day unless discharge or death occur on the day of admission. If admission and discharge or death occur on the same day, the day is considered a day of admission and counts as one (1) subcomponent inpatient day.

(c) The assessment provided in this subsection is intended to satisfy and not be in addition to the assessment and intergovernmental transfers provided in Section 43-13-117(A)(18). Nothing in this section shall be construed to authorize any state agency, division or department, or county, municipality or other local governmental unit to license for revenue, levy or impose any other tax, fee or assessment upon hospitals in this state not authorized by a specific statute.

(d) Hospitals operated by the United States Department of Veterans Affairs and state-operated facilities that provide only inpatient and outpatient psychiatric services shall not be subject to the hospital assessment provided in this subsection.

(e) Multihospital systems, closure, merger, change of ownership and new hospitals.

(i) If a hospital conducts, operates or maintains more than one (1) hospital licensed by the State Department of Health, the provider shall pay the hospital assessment for each hospital separately.

(ii) Notwithstanding any other provision in this section, if a hospital subject to this assessment operates or conducts business only for a portion of a fiscal year, the assessment for the state fiscal year shall be adjusted by multiplying the assessment by a fraction, the numerator of which is the number of days in the year during which the hospital operates, and the denominator of which is three hundred sixty-five (365). Immediately upon ceasing to operate, the hospital shall pay the assessment for the year as so adjusted (to the extent not previously paid).

(iii) The division shall determine the tax for new hospitals and hospitals that undergo a change of ownership in accordance with this section, using the best available information, as determined by the division.

(f) Applicability.

The hospital assessment imposed by this subsection shall not take effect and/or shall cease to be imposed if:

(i) The assessment is determined to be an impermissible tax under Title XIX of the Social Security Act; or

(ii) CMS revokes its approval of the division's 2009 Medicaid State Plan Amendment for the methodology for DSH payments to hospitals under Section 43-13-117(A)(18).

* * *

(5) Each health care facility that is subject to the provisions of this section shall keep and preserve such suitable books and records as may be necessary to determine the amount of assessment for which it is liable under this section. The books and records shall be kept and preserved for a period of not less than five (5) years, during which time those books and records shall be open for examination during business hours by the division, the Department of Revenue, the Office of the Attorney General and the State Department of Health.

(6) * * * [Deleted]

(7) All assessments collected under this section shall be deposited in the Medical Care Fund created by Section 43-13-143.

(8) The assessment levied under this section shall be in addition to any other assessments, taxes or fees levied by law, and the assessment shall constitute a debt due the State of Mississippi from the time the assessment is due until it is paid.

(9) (a) If a health care facility that is liable for payment of an assessment levied by the division does not pay the assessment when it is due, the division shall give written notice to the health care facility * * * demanding payment of the assessment within ten (10) days from the date of delivery of the notice. If the health care facility fails or refuses to pay the assessment after receiving the notice and demand from the division, the division shall withhold from any Medicaid reimbursement payments that are due to the health care facility the amount of the unpaid assessment and a penalty of ten percent (10%) of the amount of the assessment, plus the legal rate of interest until the assessment is paid in full. If the health care facility does not participate in the Medicaid program, the division shall turn over to the Office of the Attorney General the collection of the unpaid assessment by civil action. In any such civil action, the Office of the Attorney General shall collect the amount of the unpaid assessment and a penalty of ten percent (10%) of the amount of the assessment, plus the legal rate of interest until the assessment is paid in full.

(b) As an additional or alternative method for collecting unpaid assessments levied by the division, if a health care facility fails or refuses to pay the assessment after receiving notice and demand from the division, the division may file a notice of a tax lien with the chancery clerk of the county in which the health care facility is located, for the amount of the unpaid assessment and a penalty of ten percent (10%) of the amount of the assessment, plus the legal rate of interest until the assessment is paid in full. Immediately upon receipt of notice of the tax lien for the assessment, the chancery clerk shall forward the notice to the circuit clerk who shall enter the notice of the tax lien as a judgment upon the judgment roll and show in the appropriate columns the name of the health care facility as judgment debtor, the name of the division as judgment creditor, the amount of the unpaid assessment, and the date and time of enrollment. The judgment shall be valid as against mortgagees, pledgees, entrusters, purchasers, judgment creditors and other persons from the time of filing with the clerk. The amount of the judgment shall be a debt due the State of Mississippi and remain a lien upon the tangible property of the health care facility until the judgment is satisfied. The judgment shall be the equivalent of any enrolled judgment of a court of record and shall serve as authority for the issuance of writs of execution, writs of attachment or other remedial writs.

(10) (a) To further the provisions of Section 43-13-117(A)(18), the Division of Medicaid shall submit to the Centers for Medicare and Medicaid Services (CMS) any documents regarding the hospital assessment established under subsection (4) of this section. In addition to defining the assessment established in subsection (4) of this section if necessary, the documents shall describe any supplement payment programs and/or payment methodologies as authorized in Section 43-13-117(A)(18) if necessary.

(b) All hospitals satisfying the minimum federal DSH eligibility requirements (Section 1923(d) of the Social Security Act) may, subject to OBRA 1993 payment limitations, receive a DSH payment. This DSH payment shall expend the balance of the federal DSH allotment and associated state share not utilized in DSH payments to state-owned institutions for treatment of mental diseases. The payment to each hospital shall be calculated by applying a uniform percentage to the uninsured costs of each eligible hospital, excluding state-owned institutions for treatment of mental diseases; however, that percentage for a state-owned teaching hospital located in Hinds County shall be multiplied by a factor of two (2).

(11) The division shall implement DSH and supplemental payment calculation methodologies that result in the maximization of available federal funds.

(12) The DSH payments shall be paid on or before December 31, March 31, and June 30 of each fiscal year, in increments of one-third (1/3) of the total calculated DSH amounts. Supplemental payments developed pursuant to Section 43-13-117(A)(18) shall be paid monthly.

(13) * * * Payment.

(a) The hospital assessment as described in subsection (4) for the nonfederal share necessary to maximize the Medicare Upper Payments Limits (UPL) Program payments and hospital access payments and such other supplemental payments as may be developed pursuant to Section 43-3-117(A)(18) shall be assessed and collected monthly no later than the fifteenth calendar day of each month.

(b) The hospital assessment as described in subsection (4) for the nonfederal share necessary to maximize the Disproportionate Share Hospital (DSH) payments shall be assessed and collected on December 15, March 15 and June 15.

(c) The annual hospital assessment and any additional hospital assessment as described in subsection (4) shall be assessed and collected on September 15 and on the 15th of each month from December through June.

(14) If for any reason any part of the plan for annual DSH and supplemental payment programs to hospitals provided under subsection (10) of this section and/or developed pursuant to Section 43-13-117(A)(18) is not approved by CMS, the remainder of the plan shall remain in full force and effect.

(15) Nothing in this section shall prevent the Division of Medicaid from facilitating participation in Medicaid supplemental hospital payment programs by a hospital located in a county contiguous to the State of Mississippi that is also authorized by federal law to submit intergovernmental transfers (IGTs) to the State of Mississippi to fund the state share of the hospital's supplemental and/or MHAP payments.

(16) * * * This section shall stand repealed on July 1, 2024.

SECTION 3. Section 41-75-5, Mississippi Code of 1972, is amended as follows:

41-75-5. No person as defined in Section 41-7-173, acting severally or jointly with any other person, shall establish, conduct, operate or maintain an ambulatory surgical facility or an abortion facility or a freestanding emergency room or a post-acute residential brain injury rehabilitation facility in this state without a license under this chapter.

* * *

SECTION 4. This act shall take effect and be in force from and after July 1, 2021.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 67-1-5, Mississippi Code of 1972, as amended by Senate Bill No. 2606, 2021 Regular Session, and House Bill No. 1091, 2021, Regular Session, is amended as follows:

(a) "Alcoholic beverage" means any alcoholic liquid, including wines of more than five percent (5%) of alcohol by weight, capable of being consumed as a beverage by a human being, but shall not include light wine, light spirit product and beer, as defined in Section 67-3-3, Mississippi Code of 1972, but shall include native wines and native spirits. The words "alcoholic beverage" shall not include ethyl alcohol manufactured or distilled solely for fuel purposes or beer of an alcoholic content of more than eight percent (8%) by weight if the beer is legally manufactured in this state for sale in another state.

(b) "Alcohol" means the product of distillation of any fermented liquid, whatever the origin thereof, and includes synthetic ethyl alcohol, but does not include denatured alcohol or wood alcohol.

(c) "Distilled spirits" means any beverage containing more than * * * six percent (6%) of alcohol by weight produced by distillation of fermented grain, starch, molasses or sugar, including dilutions and mixtures of these beverages.

(d) "Wine" or "vinous liquor" means any product obtained from the alcoholic fermentation of the juice of sound, ripe grapes, fruits, honey or berries and made in accordance with the revenue laws of the United States.

(i) "State Tax Commission," "commission" or "department" means the Department of Revenue of the State of Mississippi, which shall create a division in its organization to be known as the Alcoholic Beverage Control Division. Any reference to the commission or the department hereafter means the powers and duties of the Department of Revenue with reference to supervision of the Alcoholic Beverage Control Division.

Hotels in towns or cities of more than twenty-five thousand (25,000) population are similarly defined except that they must have fifty (50) or more sleeping rooms. Any such establishment described in this paragraph with less than fifty (50) beds shall operate one or more regular dining rooms designed to be constantly frequented by customers each day. When used in this chapter, the word "hotel" shall also be construed to include any establishment that meets the definition of "bed and breakfast inn" as provided in this section.

(m) "Restaurant" means:

(i) A place which is regularly and in a bona fide manner used and kept open for the serving of meals to guests for compensation, which has suitable seating facilities for guests, and which has suitable kitchen facilities connected therewith for cooking an assortment of foods and meals commonly ordered at various hours of the day; the service of such food as sandwiches and salads only shall not be deemed in compliance with this requirement. Except as otherwise provided in this paragraph, no place shall qualify as a restaurant under this chapter unless twenty-five percent (25%) or more of the revenue derived from such place shall be from the preparation, cooking and serving of meals and not from the sale of beverages, or unless the value of food given to and consumed by customers is equal to twenty-five percent (25%) or more of total revenue; or

The department may, in its discretion, waive the five-year provision of this paragraph. In order to qualify under this paragraph, a club must file with the department, at the time of its application for a license under this chapter, two (2) copies of a list of the names and residences of its members and similarly file, within ten (10) days after the election of any additional member, his name and address. Each club applying for a license shall also file with the department at the time of the application a copy of its articles of association, charter of incorporation, bylaws or other instruments governing the business and affairs thereof.

(o) "Qualified resort area" means any area or locality outside of the limits of incorporated municipalities in this state commonly known and accepted as a place which regularly and customarily attracts tourists, vacationists and other transients because of its historical, scenic or recreational facilities or attractions, or because of other attributes which regularly and customarily appeal to and attract tourists, vacationists and other transients in substantial numbers; however, no area or locality shall so qualify as a resort area until it has been duly and properly approved as such by the department. The department may not approve an area as a qualified resort area after July 1, 2018, if any portion of such proposed area is located within two (2) miles of a convent or monastery that is located in a county traversed by Interstate 55 and U.S. Highway 98. A convent or monastery may waive such distance restrictions in favor of allowing approval by the department of an area as a qualified resort area. Such waiver shall be in written form from the owner, the governing body, or the appropriate officer of the convent or monastery having the authority to execute such a waiver, and the waiver shall be filed with and verified by the department before becoming effective.

(i) The department may approve an area or locality outside of the limits of an incorporated municipality that is in the process of being developed as a qualified resort area if such area or locality, when developed, can reasonably be expected to meet the requisites of the definition of the term "qualified resort area." In such a case, the status of qualified resort area shall not take effect until completion of the development.

(ii) The term includes any state park which is declared a resort area by the department; however, such declaration may only be initiated in a written request for resort area status made to the department by the Executive Director of the Department of Wildlife, Fisheries and Parks, and no permit for the sale of any alcoholic beverage, as defined in this chapter, except an on-premises retailer's permit, shall be issued for a hotel, restaurant or bed and breakfast inn in such park.

(f) To arrest without warrant any person or persons committing or attempting to commit any misdemeanor, felony or breach of the peace within their presence or view, and to pursue and so arrest any person committing such an offense to and at any place in the State of Mississippi where he may go or be. Nothing herein shall be construed as granting the Mississippi Highway Safety Patrol general police powers.

(g) To aid and assist any law enforcement officer whose life or safety is in jeopardy. Additionally, officers of the Highway Safety Patrol may arrest without warrant any fugitive from justice who has escaped or who is using the highways of the state in an attempt to flee. With the approval of the commissioner or his designee, officers of the Highway Safety Patrol may assist other law enforcement agencies in manhunts for convicted felons who have escaped and/or for alleged felons where there is probable cause to believe that the person being sought committed the felony and a felony had actually been committed.

(h) To cooperate with the State Forest Service by reporting all forest fires.

(i) Upon request of the sheriff or his designee, or board of supervisors of any county or the chief of police or mayor of any municipality, and when so instructed by the commissioner or his designee, to respond to calls for assistance in a law enforcement incident; such request and action shall be noted and clearly reflected on the radio logs of both the Mississippi Highway Safety Patrol district substation and that of the requesting agency, entered on the local NCIC terminal, if available, and a request in writing shall follow within forty-eight (48) hours. (2) The Legislature declares that the primary law enforcement officer in any county in the State of Mississippi is the duly qualified and elected sheriff thereof, but for the purposes of this subsection there is hereby vested in the Department of Public Safety, in addition to the powers hereinabove mentioned and the other provisions of this section under the terms and limitations hereinafter mentioned and for the purpose of insuring domestic tranquility and for the purpose of preventing or suppressing, or both, crimes of violence, acts and conduct calculated to, or which may, provoke or lead to violence and/or incite riots, mobs, mob violence, a breach of the peace, and acts of intimidation or terror, the powers and duties to include the enforcement of all the laws of the State of Mississippi relating to such purposes, to investigate any violation of the laws of the State of Mississippi and to aid in the arrest and prosecution of persons charged with violating the laws of the State of Mississippi which relate to such purposes. Investigators of the Bureau of Investigation of the Department of Public Safety shall have general police powers to enforce all the laws of the State of Mississippi. All officers of the Department of Public Safety charged with the enforcement of the laws administered by that agency, for the purposes herein set forth, shall have full power to investigate, prevent, apprehend and arrest law violators anywhere in the state, and shall be vested with the power of general police officers in the performance of their duties. The officers of the Department of Public

Safety are authorized and empowered to carry and use firearms and other weapons deemed necessary in the discharge of their duties as such and are also empowered to serve warrants and subpoenas issued under the authority of the State of Mississippi. The Governor shall be authorized to offer and pay suitable rewards to persons aiding in the investigation, apprehension and conviction of persons charged with acts of violence, or threats of violence or intimidation or acts of terrorism. The additional powers herein granted to or vested in the Department of Public Safety or any of its officers or employees by this section, excepting investigating powers, and those powers of investigators who shall have general police power, being the investigators in the Bureau of Investigation of the Department of Public Safety, shall not be exercised by the Department of Public Safety, or any of its officers or employees, except upon authority and direction of the Governor or Acting Governor, by proclamation duly signed, in the following instances, to wit:

(a) When requested by the sheriff or board of supervisors of any county or the mayor of any municipality on the grounds that mob violence, crimes of violence, acts and conduct of terrorism, riots or acts of intimidation, or either, calculated to or which may provoke violence or incite riots, mobs, mob violence, violence, or lead to any breach of the peace, or either, and acts of intimidation or terror are anticipated, and when such acts or conduct in the opinion of the Governor or Acting Governor would provoke violence or any of the foregoing acts or conduct set out in this subsection, and the sheriff or mayor, as the case may be, lacks adequate police force to prevent or suppress the same.

(b) Acting upon evidence submitted to him by the Department of Public Safety, or other investigating agency authorized by the Governor or Acting Governor to make such investigations, because of the failure or refusal of the sheriff of any county or mayor of any municipality to take action or employ such means at his disposal, to prevent or suppress the acts, conduct or offenses provided for in subsection (1) of this section, the Governor or Acting Governor deems it necessary to invoke the powers and authority vested in the Department of Public Safety.

(c) The Governor or Acting Governor is hereby authorized and empowered to issue his proclamation invoking the powers and authority vested by this paragraph, as provided in paragraphs (a) and (b) of this subsection, and when the Governor or Acting Governor issues said proclamation in accordance herewith, said proclamation shall become effective upon the signing thereof and shall continue in full force and effect for a period of ninety (90) days, or for a shorter period if otherwise ordered by the Governor or Acting Governor. At the signing of the proclamation by the Governor or Acting Governor, the Department of Public Safety and its officers and employees shall thereupon be authorized to exercise the additional power and authority vested in them by this paragraph. The Governor and Acting Governor may issue additional proclamations for periods of ninety (90) days each under the authority of paragraphs (a) and (b) of this subsection (2).

(3) All proclamations issued by the Governor or Acting Governor shall be filed in the Office of the Secretary of State on the next succeeding business day.

(4) It is not the intention of this section to vest the wide powers and authority herein provided for, as general powers of the Department of Public Safety, and the same are not hereby so vested, but to limit these general powers to cases and incidents wherein it is deemed necessary to prevent or suppress the offenses and conditions herein mentioned in this and other subsections of this section, and under the terms and conditions hereinabove enumerated, it being the sense of the Legislature that the prime duties of the Department of Public Safety are to patrol the highways of this state and enforce the highway safety laws.

(5) Patrol officers shall have no interest in any costs in the prosecution of any case through any court; nor shall any patrol officer receive any fee as a witness in any court held in this state, whether a state or federal court.

(6) Provided, however, that the general police power vested by virtue of the terms of subsection (2) of this section is solely for the purposes set out in said subsection.

SECTION 19. Section 27-19-89, Mississippi Code of 1972, is amended as follows:

[Through June 30, 2023, this section shall read as follows:]

27-19-89. (a) If any nonresident owner or operator or other nonresident person eligible for a temporary permit as provided in Section 27-19-79, who has not elected to register and pay the annual privilege taxes prescribed, shall enter or go upon the public highways of the state and shall fail or refuse to obtain the permit required by Section 27-19-79, such person shall be liable, for the first such offense, for the full amount of the permit fee required, plus a penalty thereon of five hundred percent (500%). For the second and all subsequent offenses, such person who fails or refuses to obtain such permits shall be liable for the pro rata part of the annual tax for the balance of the tag year for the maximum legal gross weight of the vehicle plus a penalty thereon of twenty-five percent (25%). Any weight in excess of the maximum legal gross weight of the vehicle, or in excess of the maximum highway weight limit, shall be penalized according to subsection (c) of this section. In either case the excess weight shall be removed by the operator before the vehicle can be allowed to proceed. In order to constitute a "second or subsequent offense" under the provisions hereof, it shall not be necessary that the same or identical vehicle be involved, it being the declared purpose hereof to provide that such penalties shall run against the owner or operator rather than against the specified vehicle. It is further provided that, in order for such owner or operator to become liable for the penalties herein provided, it shall not be necessary to show that such owner or operator was guilty of willfulness, gross negligence or wantonness, but the offense shall be complete upon the failure or refusal to obtain the required permit.

(b) If any person who has registered his vehicle in Mississippi shall operate such vehicle upon the public highways, having a gross weight greater than the licensed gross weight of such vehicle, and shall fail or refuse to obtain a permit therefor as required by Section 27-19-79, or if any person shall operate any such registered vehicle upon the public highways in a higher classification than that for which it is registered, and shall fail or refuse to obtain a permit therefor as required by Section 27-19-79, then such person shall be liable for the pro rata part of the annual tax for the balance of the tag year for the legal gross weight of such vehicle and in the classification in which same is being operated, plus a penalty thereon of twenty-five percent (25%), after having been given credit for the unexpired part of the privilege tax paid, as provided in Section 27-19-75. In order that such owner or operator shall become liable for the penalties herein provided, it shall not be necessary to show that such owner or operator was guilty of willfulness, gross negligence or wantonness, but the offense shall be complete upon the failure or refusal to obtain the required permit.

(c) If any person shall operate upon a highway of this state a vehicle which has a greater vehicle gross weight than the maximum gross weight limit established by law for that highway and shall have failed to obtain an overload permit as required by Section 27-19-81, or if any person shall operate a vehicle with a greater load on any axle or axle grouping than allowed by law, then such person, owner or operator shall be assessed a penalty on such axle load weight or vehicle gross weight as exceeds the legal limit in accordance with the following schedule:

AMOUNT IN EXCESS OF LEGAL HIGHWAY WEIGHT LIMITS IN POUNDS		PENALTY
1 to 999		\$10.00 minimum penalty
1,000 to 1,999		1¢ per pound in excess of legal limit
2,000 to 2,999		2¢ per pound in excess of legal limit
3,000 to 3,999		3¢ per pound in excess of legal limit
4,000 to 4,999		4¢ per pound in excess of legal limit
5,000 to 5,999		5¢ per pound in excess of legal limit
6,000 to 6,999		6¢ per pound in excess of legal limit
7,000 to 7,999		7¢ per pound in excess of legal limit
8,000 to 8,999		8¢ per pound in excess of legal limit
9,000 to 9,999		9¢ per pound in excess of legal limit
10,000 to 10,999	10¢ per pound in excess of legal limit	
11,000 or more		11¢ per pound in excess of legal limit

Any vehicle in violation of the tolerance allowed pursuant to Section 63-5-33(3) shall be fined pursuant to this subsection (c) for all weight in excess of the legal highway gross weight limit authorized for such vehicle or for all weight in excess of the legal tandem

axle load weight limit of forty thousand (40,000) pounds and the legal single axle load limit of twenty thousand (20,000) pounds, whichever the case may be.

The penalty to be assessed for operations of a vehicle with a greater load on any axle or axle grouping than the legal axle load weight limits shall be one-half (1/2) the penalty for operation in excess of the legal gross weight limit.

In instances where both the legal highway gross weight limit and the legal axle load weight limit(s) are exceeded, the fine that shall be levied shall be either the penalty amount for the excess vehicle gross weight or the total of the penalty amounts of all overloaded axles, whichever is the larger amount.

Notwithstanding any other provisions of this section to the contrary, the fine assessed against the holder of a harvest permit for exceeding a gross vehicle weight of eighty-four thousand (84,000) pounds, but not exceeding a gross vehicle weight of ninety thousand (90,000) pounds, shall be Five Cents (5¢) per pound * * *. The fine for exceeding a gross vehicle weight of ninety thousand (90,000) pounds, but not exceeding a gross vehicle weight of one hundred thousand (100,000) pounds, shall be One Thousand Five Hundred Dollars (\$1,500.00). The fine for exceeding a gross vehicle weight of one hundred thousand (100,000) pounds shall be Two Thousand Five Hundred Dollars (\$2,500.00) for a first violation during any twelve-month period and Three Thousand Five Hundred Dollars (\$3,500.00) for a second violation during any twelve-month period. Any subsequent violation of exceeding a gross vehicle weight of one hundred thousand (100,000) pounds during any twelve-month period shall result in the suspension of the permit holder's harvest permit for thirty (30) days from the date of violation.

Notwithstanding any other provision of this subsection (c) to the contrary, upon an appeal to the Appeals Board of the * * * Commercial Transportation Enforcement Division of the Department of Public Safety by an owner or operator of a vehicle hauling without a harvest permit any of the products or materials described in subsection (3) of Section 63-5-33 and upon whom a penalty has been assessed under this subsection (c) for exceeding the legal weight limit(s) on a highway having a legal weight limit of eighty thousand (80,000) pounds or less, the appeals board shall reduce the penalty assessed against such owner/operator to an amount not to exceed ten percent (10%) of the amount which would otherwise be due without the reduction authorized under this paragraph. A reduction shall not be authorized under this paragraph if the gross weight of the vehicle for which an owner/operator has been charged with a violation of this section exceeds eighty-four thousand (84,000) pounds; and, in any event, no reduction shall be authorized under this paragraph unless a penalty assessed under this section is appealed to the appeals board and unless the board determines, based upon its records, that such owner/operator has not been granted a penalty reduction under this paragraph within a period of twelve (12) months immediately preceding the date of filing an appeal with the board for a penalty reduction under this paragraph.

(d) If any nonresident owner or operator who has not registered his vehicle and paid the annual privilege taxes prescribed shall operate his vehicle upon the highways of this state when such vehicle has a greater gross weight than permitted by law for the highway traveled upon, and for which such excess gross weight a permit was not or could not be procured from the transportation department as required by Section 27-19-81, such person shall be liable upon his second and all subsequent offenses for the pro rata part of the annual tax for the balance of the tag year for the legal gross weight of the vehicle, and in addition thereto the penalty fee on the excess weight as specified in subsection (c) of this section. In order that such owner or operator shall become liable for the penalties herein provided, it shall not be necessary that the same or identical vehicle be involved, it being the declared purpose hereof to provide that such penalties shall run against the owner or operator rather than against the specific vehicle.

(e) All fines and penalties imposed and collected by the Mississippi Department of * * * Public Safety for violations of the maximum legal vehicle weight limits authorized on the highways of this state shall be deposited into a special fund that is created in the State Treasury. Monies in the fund shall be allocated and distributed quarterly, beginning September 30, 1994, to each county of the state based on the amount of such fines and penalties imposed and collected in the county during the immediately preceding three (3) months. Monies distributed to the counties under this subsection shall be deposited in

each county's road and bridge fund and may be expended, upon approval of the board of supervisors, for any purpose for which county road and bridge fund monies lawfully may be expended.

[From and after July 1, 2023, this section shall read as follows:]

27-19-89. (a) If any nonresident owner or operator or other nonresident person eligible for a temporary permit as provided in Section 27-19-79, who has not elected to register and pay the annual privilege taxes prescribed, shall enter or go upon the public highways of the state and shall fail or refuse to obtain the permit required by Section 27-19-79, such person shall be liable, for the first such offense, for the full amount of the permit fee required, plus a penalty thereon of five hundred percent (500%). For the second and all subsequent offenses, such person who fails or refuses to obtain such permits shall be liable for the pro rata part of the annual tax for the balance of the tag year for the maximum legal gross weight of the vehicle plus a penalty thereon of twenty-five percent (25%). Any weight in excess of the maximum legal gross weight of the vehicle, or in excess of the maximum highway weight limit, shall be penalized according to subsection (c) of this section. In either case the excess weight shall be removed by the operator before the vehicle can be allowed to proceed. In order to constitute a "second or subsequent offense" under the provisions hereof, it shall not be necessary that the same or identical vehicle be involved, it being the declared purpose hereof to provide that such penalties shall run against the owner or operator rather than against the specified vehicle. It is further provided that, in order for such owner or operator to become liable for the penalties herein provided, it shall not be necessary to show that such owner or operator was guilty of willfulness, gross negligence or wantonness, but the offense shall be complete upon the failure or refusal to obtain the required permit.

(b) If any person who has registered his vehicle in Mississippi shall operate such vehicle upon the public highways, having a gross weight greater than the licensed gross weight of such vehicle, and shall fail or refuse to obtain a permit therefor as required by Section 27-19-79, or if any person shall operate any such registered vehicle upon the public highways in a higher classification than that for which it is registered, and shall fail or refuse to obtain a permit therefor as required by Section 27-19-79, then such person shall be liable for the pro rata part of the annual tax for the balance of the tag year for the legal gross weight of such vehicle and in the classification in which same is being operated, plus a penalty thereon of twenty-five percent (25%), after having been given credit for the unexpired part of the privilege tax paid, as provided in Section 27-19-75. In order that such owner or operator shall become liable for the penalties herein provided, it shall not be necessary to show that such owner or operator was guilty of willfulness, gross negligence or wantonness, but the offense shall be complete upon the failure or refusal to obtain the required permit.

(c) If any person shall operate upon a highway of this state a vehicle which has a greater vehicle gross weight than the maximum gross weight limit established by law for that highway and shall have failed to obtain an overload permit as required by Section 27-19-81, or if any person shall operate a vehicle with a greater load on any axle or axle grouping than allowed by law, then such person, owner or operator shall be assessed a penalty on such axle load weight or vehicle gross weight as exceeds the legal limit in accordance with the following schedule:

AMOUNT IN EXCESS OF LEGAL HIGHWAY WEIGHT LIMITS IN POUNDS		PENALTY
1 to 999		\$10.00 minimum penalty
1,000 to 1,999		1¢ per pound in excess of legal limit
2,000 to 2,999		2¢ per pound in excess of legal limit
3,000 to 3,999		3¢ per pound in excess of legal limit
4,000 to 4,999		4¢ per pound in excess of legal limit
5,000 to 5,999		5¢ per pound in excess of legal limit
6,000 to 6,999		6¢ per pound in excess of legal limit
7,000 to 7,999		7¢ per pound in excess of legal limit
8,000 to 8,999		8¢ per pound in excess of legal limit
9,000 to 9,999		9¢ per pound in excess of legal limit
10,000 to 10,999	10¢ per pound in excess of legal limit	

11,000 or more 11¢ per pound in excess of legal limit

Any vehicle in violation of the tolerance allowed pursuant to Section 63-5-33(3) shall be fined pursuant to this subsection (c) for all weight in excess of the legal highway gross weight limit authorized for such vehicle or for all weight in excess of the legal tandem axle load weight limit of forty thousand (40,000) pounds and the legal single axle load limit of twenty thousand (20,000) pounds, whichever the case may be.

The penalty to be assessed for operations of a vehicle with a greater load on any axle or axle grouping than the legal axle load weight limits shall be one-half (1/2) the penalty for operation in excess of the legal gross weight limit.

In instances where both the legal highway gross weight limit and the legal axle load weight limit(s) are exceeded, the fine that shall be levied shall be either the penalty amount for the excess vehicle gross weight or the total of the penalty amounts of all overloaded axles, whichever is the larger amount.

Notwithstanding any other provisions of this section to the contrary, the fine assessed against the holder of a harvest permit for exceeding a gross vehicle weight of * * * eighty-eight thousand (88,000) pounds * * * shall be broken down as follows:

WEIGHT IN POUNDS	PENALTY
88,001 to 89,999	5¢ per pound
90,000 to 90,999	\$ 500.00
91,000 to 91,999	\$1,000.00
92,000 to 100,000	\$1,500.00

For a weight of over one hundred thousand (100,000) pounds, the penalty shall be Two Thousand Five Hundred Dollars (\$2,500.00) for a first violation within any twelve-month period, Three Thousand Five Hundred Dollars (\$3,500.00) for a second violation within any twelve-month period, and the loss of the harvest permit for a period of thirty (30) days from the date of the violation for a third violation within any twelve-month period.

Notwithstanding any other provision of this subsection (c) to the contrary, upon an appeal to the Appeals Board of the Commercial Transportation Enforcement Division of the Department of Public Safety, by an owner or operator of a vehicle hauling without a harvest permit any of the products or materials described in subsection (3) of Section 63-5-33 and upon whom a penalty has been assessed under this subsection (c) for exceeding the legal weight limit(s) on a highway having a legal weight limit of eighty thousand (80,000) pounds or less, the appeals board shall reduce the penalty assessed against such owner/operator to an amount not to exceed ten percent (10%) of the amount which would otherwise be due without the reduction authorized under this paragraph. A reduction shall not be authorized under this paragraph if the gross weight of the vehicle for which an owner/operator has been charged with a violation of this section exceeds * * * eighty-eight thousand (88,000) pounds; and, in any event, no reduction shall be authorized under this paragraph unless a penalty assessed under this section is appealed to the appeals board and unless the board determines, based upon its records, that such owner/operator has not been granted a penalty reduction under this paragraph within a period of twelve (12) months immediately preceding the date of filing an appeal with the board for a penalty reduction under this paragraph.

(d) If any nonresident owner or operator who has not registered his vehicle and paid the annual privilege taxes prescribed shall operate his vehicle upon the highways of this state when such vehicle has a greater gross weight than permitted by law for the highway traveled upon, and for which such excess gross weight a permit was not or could not be procured from the transportation department as required by Section 27-19-81, such person shall be liable upon his second and all subsequent offenses for the pro rata part of the annual tax for the balance of the tag year for the legal gross weight of the vehicle, and in addition thereto the penalty fee on the excess weight as specified in subsection (c) of this section. In order that such owner or operator shall become liable for the penalties herein provided, it shall not be necessary that the same or identical vehicle be involved, it being the declared purpose hereof to provide that such penalties shall run against the owner or operator rather than against the specific vehicle.

(e) All fines and penalties imposed and collected by the Mississippi Department of Public Safety, for violations of the maximum legal vehicle weight limits authorized on the highways of this state shall be deposited into a special fund that is created in the State Treasury. Monies in the fund shall be allocated and distributed quarterly, beginning

September 30, 1994, to each county of the state based on the amount of such fines and penalties imposed and collected in the county during the immediately preceding three (3) months. Monies distributed to the counties under this subsection shall be deposited in each county's road and bridge fund and may be expended, upon approval of the board of supervisors, for any purpose for which county road and bridge fund monies lawfully may be expended.

SECTION 20. Section 19-11-27, Mississippi Code of 1972, is amended as follows:

19-11-27. No board of supervisors of any county shall expend from, or contract an obligation against, the budget estimates for road and bridge construction, maintenance and equipment, made and published by it during the last year of the term of office of such board, between the first day of October and the first day of the following January, a sum exceeding one-fourth (1/4) of such item of the budget made and published by it, except in cases of emergency. The clerk of any county is prohibited from issuing any warrant contrary to the provisions of this section. No board of supervisors nor any member thereof shall buy any machinery or equipment in the last six (6) months of their or his term unless or until he has been elected at the general election of that year. SECTION 21. Section 63-5-33, Mississippi Code of 1972, is amended as follows:

63-5-33. (1) Subject to the limitations imposed on wheel and axle loads by Section 63-5-27, and to the further limitations hereinafter specified, the total combined weight (vehicles plus load) on any group of axles of a vehicle or a combination of vehicles shall not exceed the value given in the following table (Table III) corresponding to the distance in feet between the extreme axles of the group, measured longitudinally to the nearest foot, on those highways or parts of highways designated by the Mississippi Transportation Commission as being capable of carrying the maximum load limits and, in addition thereto, such other highways or parts of highways found by the commission to be suitable to carry the maximum load limits from an engineering standpoint, and so designated as such by order of the commission entered upon its minutes and published once each week for three (3) consecutive weeks in a daily newspaper published in this state and having a general circulation therein. The maximum total combined weight carried on any group of two (2) or more consecutive axles shall be determined by the formula contained in the Federal Weight Law enacted January 4, 1975, as follows: $W=500(L/N-1+12N+36)$ where W=maximum weight in pounds carried on any group of two (2) or more axles computed to the nearest five hundred (500) pounds, L=distance in feet between the extremes of any group of two (2) or more consecutive axles, and N=number of axles in any group under consideration.

(2) Moreover, in addition to the per axle weight limitations specified by Section 63-5-27, two (2) consecutive sets of tandem axles may carry a gross load of thirty-four thousand (34,000) pounds each, providing that the overall distance between the first and last axles of such consecutive sets of tandem axles is thirty-six (36) feet or more, except that, until September 1, 1989, the axle distance for tank trailers, dump trailers and ocean transport container haulers may be thirty (30) feet or more. Such overall gross weight may not exceed eighty thousand (80,000) pounds, except as provided by this section.

(3) Notwithstanding the provisions of Section 63-5-27 and/or Section 63-5-29 to the contrary, vehicles hauling products in the manner set forth in this subsection, whether or not such vehicles are operating with a harvest permit, shall be allowed a gross weight of not to exceed forty thousand (40,000) pounds on any tandem. Vehicles operating without a harvest permit shall be allowed a tolerance not to exceed five percent (5%) above their authorized gross vehicle weight, tandem or axle weight; except that the maximum gross vehicle weight of any such vehicle shall not exceed eighty thousand (80,000) pounds plus a tolerance thereon of not more than two percent (2%). Vehicles operating without a harvest permit loading at a point of origin having scales available for weighing the vehicle shall not be eligible for any tolerance over the gross weight limit of eighty thousand (80,000) pounds. Vehicles operating with a harvest permit shall be allowed a tolerance not to exceed ten percent (10%) above their authorized gross vehicle weight, tandem or axle weight, but the maximum gross vehicle weight of any such vehicle shall not exceed * * * eighty-eight thousand (88,000) pounds. However, neither the increased weights in this subsection nor any tolerance shall be allowed on federal interstate highways or on other highways where a tolerance is specifically prohibited by the Transportation Commission, the county board of supervisors or the municipal governing authorities as provided for in Section 63-5-27. The tolerance allowed by this subsection shall only apply to the operation of vehicles from the point of loading to the point of unloading for processing, and to the operation of vehicles hauling sand, gravel, woodchips, wood shavings, sawdust, fill dirt, and agricultural products, and products for recycling or materials for the construction or repair of highways. The range of such operation shall not exceed a radius of one hundred (100) miles except where the products are being transported for processing within this state.

(4) Notwithstanding the provisions of Section 63-5-27 and/or Section 63-5-29 to the contrary, vehicles hauling prepackaged products, unloaded at a state port or to be loaded at a state port, which are containerized in such a manner as to make subdivision thereof impractical shall be allowed a gross weight of not to exceed forty thousand (40,000) pounds on any tandem, and a tolerance not to exceed ten percent (10%) above their authorized gross weight, tandem or axle weight; except that the maximum weight of any vehicle shall not exceed eighty thousand (80,000) pounds plus a tolerance thereon of not more than two percent (2%); however, neither the increased weights in this subsection nor any tolerance shall be allowed on federal interstate highways or on other highways where a tolerance is specifically prohibited by the Transportation Commission, the county board of supervisors or the municipal governing authorities as provided for in Section 63-5-27.

(5) (a) Vehicles for which a harvest permit has been issued pursuant to Section 27-19-81(4) shall be allowed a gross vehicle weight tolerance of ten percent (10%), not to exceed * * * eighty-eight thousand (88,000) pounds. However, the board of supervisors of any county and the governing authorities of any municipality may designate the roads, streets and highways under their respective jurisdiction on and along which vehicles for which a harvest permit has been issued may travel. This subsection shall not apply to the federal interstate system.

(b) Any owner or operator who has been issued a harvest permit and who wishes to operate a vehicle on the roads, streets or highways under the jurisdiction of a county or municipality at a gross vehicle weight greater than the weight allowed by law or greater than the maximum weight established for such roads, streets or highways by the board of supervisors or municipal governing authorities, shall notify, in writing, the board of supervisors or the governing authorities, as the case may be, before operating such vehicle on the roads, streets or highways of such county or municipality. In his notice, the permit holder shall identify the routes over which he intends to operate vehicles for which the permit has been issued and the dates or time period during which he will be

operating such vehicles. The board of supervisors or the governing authorities, as the case may be, shall have two (2) working days to respond in writing to the permit holder to notify the permit holder of the routes on and along which the permit holder may operate vehicles for which a harvest permit has been issued. Failure of the board of supervisors or the governing authorities timely to notify the permit holder and to designate the routes on and along which the permit holder may operate shall be considered as authorizing the permit holder to operate on any of the roads, streets or highways of the county or municipality in accordance with the authority granted to the permit holder by the harvest permit.

(c) Any time a timber deed is filed with the chancery clerk, the grantee, at that time, may make a written request of the board of supervisors of the county or the governing authorities of the municipality, as the case may be, for the purpose of providing to the grantee, within three (3) working days of the filing of the request, a designated and approved route over the roads, streets or highways under the jurisdiction of the county or city, as the case may be, that the grantee may travel for the purpose of transporting harvested timber. Upon providing such route designation, the county or city, as the case may be, shall also provide to the grantee a map designating the approved route. An approved route designation provided to a grantee under the provisions of this paragraph shall be valid for a period of six (6) months from its date of issue. The permit authorized to be issued under paragraph (b) of this subsection shall not be required for any person who obtains a permit issued under this paragraph.

(d) This subsection (5) shall stand repealed from and after July 1, 2022.

(6) Nothing in this section or subsections (1) through (4) of Section 63-5-27 shall be construed to deny the operation of any vehicle or combination of vehicles that could be lawfully operated upon the interstate highway system of this state on January 4, 1975.

(7) (a) Notwithstanding any provisions of Section 63-5-27 to the contrary, a vehicle that is operated by an engine fueled primarily by compressed or liquefied natural gas may exceed the gross vehicle weight limits by an amount, not to exceed a maximum of two thousand (2,000) pounds, that is equal to the difference between the weight of the vehicle attributable to the natural gas tank and fueling system carried by the vehicle and the weight of a comparable diesel tank and fueling system.

(b) The weight exception provided in this subsection shall apply to all interstate highways per the exemption expressly permitted by 23 USC Section 127.

SECTION 22. Section 65-1-46, Mississippi Code of 1972, is amended as follows:

[Through June 30, 2023, this section shall read as follows:]

65-1-46. (1) There is created an Appeals Board of the Mississippi Transportation Commission. If any person feels aggrieved by a penalty for excess weight assessed against him by an agent or employee of the Mississippi Department of Transportation pursuant to Section 27-19-89, he may apply to the appeals board. Beginning July 1, 2021, the Appeals Board shall be administratively located within the Commercial Transportation Enforcement Division of the Mississippi Department of Public Safety and shall receive appeals with respect to penalties for excess weight assessed by agents or employees of the Commercial Transportation Enforcement Division.

(2) The members serving on the appeals board on April 7, 1995, shall continue to serve until July 1, 1995. On July 1, 1995, the appeals board shall be reconstituted to be composed of five (5) qualified people. The initial appointments to the reconstituted board shall be made no later than June 30, 1995, for terms to begin July 1, 1995, as follows: One (1) member shall be appointed by the Governor for a term ending on June 30, 1996, one (1) member shall be appointed by the Lieutenant Governor for a term ending on June 30, 1997, one (1) member shall be appointed by the Attorney General for a term ending on June 30, 1998, one (1) member shall be appointed by the Chairman of the State Tax Commission for a term ending on June 30, 1999, and one (1) member shall be appointed by the Executive Director of the Mississippi Department of Transportation for a term ending on June 30, 2000. After the expiration of the initial terms of the members of the reconstituted board, all subsequent appointments shall be made for terms of four (4) years from the expiration date of the previous term. Any member serving on the

appeals board before July 1, 1995, may be reappointed to the reconstituted appeals board. Appointments to the board shall be with the advice and consent of the Senate; however, the advice and consent of the Senate shall not be required for the appointment of a person to the reconstituted appeals board for a term beginning on July 1, 1995, if such person was serving as a member of the appeals board on June 30, 1995, and such person received the advice and consent of the Senate for that appointment. The term of the member appointed by the Executive Director of the Mississippi Department of Transportation shall end on June 30, 2021, and the vacancy shall be filled by a member appointed by the Commissioner of Public Safety for a term ending on June 30, 2024, after which the position shall be for a four-year term.

(3) There shall be a chairman and vice chairman of the board who shall be elected by and from the membership of the board. Any member who fails to attend three (3) consecutive regular meetings of the board shall be subject to removal by a majority vote of the board. A majority of the members of the board shall constitute a quorum. The chairman, or a majority of the members of the board, may call meetings as may be required for the proper discharge of the board's duties. Members of the board, except a member who is an officer or employee of the Mississippi Department of Transportation or, beginning July 1, 2021, is an officer or employee of the Department of Public Safety, shall receive per diem in the amount authorized by Section 25-3-69, for each day spent in the actual discharge of their duties and shall be reimbursed for mileage and actual expenses incurred in the performance of their duties in accordance with the provisions of Section 25-3-41.

Application shall be made by petition in writing, within thirty (30) days after assessment of the penalty, for a hearing and a review of the amount of the assessment. At the hearing the appeals board shall try the issues presented according to the law and the facts and within guidelines set by the Transportation Commission or, beginning July 1, 2021, by the Department of Public Safety. Upon due consideration of all the facts relating to the assessment of the penalty, the appeals board, except as otherwise provided under this section or under Section 27-19-89, may require payment of the full amount of the assessment, may reduce the amount of the assessment or may dismiss imposition of the penalty entirely. The appeals board shall dismiss in its entirety the imposition of any penalty imposed against the holder of a harvest permit if the permittee proves to the appeals board, by clear and convincing evidence, that the average load transported by the permittee during the permittee's last five (5) haul days immediately preceding the day upon which the penalty appealed from was assessed did not exceed eighty thousand (80,000) pounds. The appeals board shall reduce the penalty assessed against the holder of a harvest permit to a maximum of Two Cents (2¢) per pound of overweight if the permittee proves to the appeals board, by clear and convincing evidence, that the average load transported by the permittee during the permittee's last five (5) haul days immediately preceding the day upon which the penalty appealed from was assessed exceeded seventy-nine thousand nine hundred ninety-nine (79,999) pounds but did not exceed eighty-four thousand (84,000) pounds. The board shall make such orders in the matter as appear to it just and lawful and shall furnish copies thereof to the petitioner. If the appeals board orders the payment of the penalty, the petitioner shall pay the penalty, damages and interest, if any, within ten (10) days after the order is issued unless there is an application for appeal from the decision of the board as provided in the succeeding paragraph. Interest shall accrue on the penalty at the rate of one percent (1%) per month, or part of a month, beginning immediately after the expiration of the ten-day period.

If any person feels aggrieved by the decision of the appeals board, he may appeal the decision to the Chancery Court of the First Judicial District of Hinds County.

GOVERNOR'S PARTIAL VETO MESSAGE FOR HOUSE BILL 1413

I am returning House Bill 1413: "AN ACT MAKING AN APPROPRIATION FROM SPECIAL FUNDS IN THE STATE TREASURY FOR THE PURPOSE OF DEFRAYING THE EXPENSES OF THE MISSISSIPPI DEPARTMENT OF TRANSPORTATION, FOR THE FISCAL YEAR 2022; AND FOR RELATED PURPOSES" partly approved and partly not approved pursuant to Article IV, Section 73 of the Mississippi Constitution as an "exercise of the authority endowed the office of the Governor by the people of Mississippi in our Constitution." Governor Reeves v. Representative Gunn and Representative White, 307 So.3d 436, 439-442 (Miss. 2020).

I am vetoing Section 24(2) (Lines 311-315) providing a \$4,500,000 appropriation to assist in paying costs for right-of-way acquisition, utility relocation, design and construction necessary to 4-lane that portion of Mississippi Highway 12 from the City of Durant in Holmes County, Mississippi, to the City of Kosciusko in Attala County, Mississippi.

Article IV, Section 73 of the Mississippi Constitution states: "The Governor may veto parts of any appropriation bill, and approve parts of the same, and the portions approved shall be law." The removal of this separate, distinct and complete appropriation does not affect any other appropriations in House Bill 1413. See Reeves, 307 So.3d at 442.

PART X**A. HOUSE RULES****THE SPEAKER AND SPEAKER PRO TEMPORE**

1. The Speaker, when elected, shall hold office for a term of four (4) years, or until the next regular session of the Legislature following an election for Governor and members of the Legislature, and shall take the chair on every legislative day precisely at the hour to which the House has adjourned at the last sitting, immediately call the members to order, cause the roll to be called finally, and, on the appearance of a quorum, cause the Journal of the proceedings of the last day's sitting to be read.

2. He shall preserve order and decorum, and, in case of disturbance or disorderly conduct in the galleries or in the lobby, may cause the same to be cleared, may speak to points of order in preference to other members, rising from his seat for that purpose.

3. He shall have general control, except as provided by rule or law, of the Hall of the House, and of the corridors and passages and the disposal of the unappropriated rooms in that part of the Capitol assigned to the use of the House, until further order.

4. He shall sign all acts, addresses, joint resolutions, writs, warrants and subpoenas of, or issued by order of, the House, and decide all questions of order, subject to an appeal by any member, on which appeal no member shall speak more than once unless by permission of the House. The Speaker may require points of order in writing and may take reasonable time to examine and study same before ruling thereon, during which period consideration of that particular subject matter may be suspended without prejudice and the House proceed to the next order of business.

5. He shall rise to put a question and shall put questions in this form: "All those in favor (of the question), say 'Aye'"; and after the affirmative voice is expressed, "All those opposed, say 'No'"; if he doubts, or if a count is required by at least one-tenth (1/10) of the members present, he shall call the roll in the manner prescribed in Rule 69 or take the vote using the electronic roll-call system in Rule 97.

6. He shall not be required to vote in ordinary legislative proceedings, except where his vote would be decisive, or where the House is engaged in voting by ballot; and in cases of a tie vote for, question shall be decided in the negative.

7. He shall have the right to name any member to perform the duties of the chair when the Speaker Pro Tempore shall be unable to do so, but such substitution shall not extend beyond one (1) legislative day; provided, however, that in the case of illness or unavoidable absence of both the Speaker and the Speaker Pro Tempore, he may make such appointment for a period not exceeding five (5) days, with the approval of the House at the time the same is made.

8. Upon the death of a member of the House, the Speaker or any member of the House designated by him shall incur such expenses as may be necessary for the purchase on behalf of the House a State Flag for use in connection with the funeral and burial of said member, which flag shall be presented to the family of said member.

9. No member or visitor shall visit in the Speaker's stand during the session of the House, except at the instance of the Speaker. The Speaker may call a member to preside when necessary or desirable to confer with a member or visitor.

10. All committees, except the Rules Committee and the Management Committee, shall be appointed by the Speaker unless otherwise specially directed by the House.

10A. (1) There is created in the House of Representatives the Office of Speaker Pro Tempore of the Mississippi House of Representatives (hereinafter Speaker Pro Tempore).

(2) The Speaker Pro Tempore shall be elected on the same day and in the same manner and method as may be designated for the election of the Speaker of the House of Representatives.

(3) The Speaker Pro Tempore shall serve a term of four (4) years, which term as Speaker Pro Tempore shall expire concurrently with the term being served by the Speaker Pro Tempore as a member of the House of Representatives. There is no limit on the number of times that a member may serve as Speaker Pro Tempore.

(4) Any vacancy in the Office of Speaker Pro Tempore occurring during a regular or special legislative session shall be filled by election of the House of Representatives within five (5) calendar days after the vacancy occurs. Any vacancy occurring during an interim between legislative sessions shall be filled within the first five (5) calendar days of the next succeeding regular or special session. The person so elected shall serve only the remainder of the unexpired term.

(5) The Speaker Pro Tempore shall have the following powers, duties and responsibilities:

(a) To serve as Speaker of the House of Representatives during the absence, illness or disability of the Speaker, thereby assuming all powers, duties, responsibilities and privileges conferred upon the Speaker by the Constitution, statute, law or rule;

(b) To become Speaker of the House of Representatives in the event of the death or resignation of the Speaker, thereby assuming all powers, duties, responsibilities and privileges conferred upon the Speaker by the Constitution, statute, law or rule. He or she shall serve as Speaker until the beginning of the next succeeding regular legislative session, at which time an election for Speaker shall be held under the same terms and conditions as a regular Speaker's election, except that the person elected as Speaker shall hold the office only for the remainder of the term. If the Speaker Pro Tempore becomes the Speaker of the House, a new Speaker Pro Tempore shall be elected;

(c) To preside over the House of Representatives when the Speaker is not presiding and to preside over the House when sitting as the Committee of the Whole unless the Speaker Pro Tempore moved that the House go into the Committee of the Whole;

(e) To serve as a member of the Rules Committee, having full powers of discussion, participation and voting;

17. Each assistant to the Sergeant at Arms of the House of Representatives shall be known as an Assistant Sergeant at Arms, and shall perform such duties as may be required of him by the Sergeant at Arms.

DECORUM AND DEBATE

18. When any member desires to speak, to make a motion, or deliver any matter to the House, he shall rise at his desk and respectfully address himself to "Mr. Speaker" and, on being recognized, may address the House from any place on the floor and shall confine himself to the question under debate and avoid personalities.

18A. Whenever a member is on the floor of the House while the House is in session, each male member of the House shall wear a coat and necktie, except when seated, and each female member of the House shall wear appropriate attire. No visitor or guest on the House floor shall be required to comply with this rule.

18B. Smoking shall not be permitted in any areas of the Capitol that are assigned to the House of Representatives and under the jurisdiction of the House Management Committee. As used in this rule, "smoking" means to inhale, exhale, burn, carry or otherwise possess any lighted cigarette, cigar, pipe or any other object or device of any form that contains lighted tobacco or any other smoking product. The Sergeant at Arms shall enforce the provisions of this rule.

18C. The regular floor proceedings of the House shall be telecast by high-speed wireless Internet transmission. Cameras used in making such telecasts may be allowed only to show a House member speaking at the podium and the Speaker or other officer presiding over the House while the House is convened. Reporters and technicians necessary to effectuate the telecasts may be admitted to the House chamber for this limited purpose; however, no camera, apparatus or procedure that would interfere with the proceedings of the House shall be used, and all telecasting shall be done from areas reserved or set aside for such activities by the Committee on Rules. No member or any other person shall use a phone, camera or other streaming device while in the House chamber to telecast, livestream or broadcast the regular floor proceedings of the House in any manner other than the telecast required by this rule, unless approved by the Committee on Rules.

19. No member shall call by name another member present in debate.
 20. If any member, in speaking, or otherwise, transgresses the Rules of the House, the Speaker shall, or any member may on point of order ask the Speaker to call the transgressor to order; and the member called to order shall immediately sit down, unless permitted on motion of another member to explain, and the House if appealed to, shall decide on the case without debate. If the decision be in favor of the member called to order, he shall be at liberty to proceed; if against him and the case requires it, he shall be liable to the censure of the House, or such other punishment as the House may deem proper.
 21. If a member is called to order for words spoken in debate, the member calling him to order shall indicate the words excepted to, and they shall be taken down in writing at the Clerk's desk and read aloud to the House; but he shall not be held to answer, nor be subject to the censure of the House therefor, if further debate on other business has intervened.
 22. When two (2) or more members seek recognition at the same time, the Speaker shall name the member who is first to speak.
 23. No member shall speak more than ten (10) minutes on any main question, or five (5) minutes on an amendment or any subsidiary question, without leave of the House, unless he or she is the mover, proposer, or introducer of the matter pending, in which case he or she shall be permitted to speak in reply, but not until every member choosing to speak has spoken. A member who has spoken once, but who has not consumed his or her whole time shall not be permitted to speak again on the same question until each member that desires to do so has spoken.
 24. After the motion to lay on the table, those in opposition to the motion shall be allowed five (5) minutes for discussion.
 25. While the Speaker is putting a question, or addressing the House, no member shall walk out of, or across or about the Hall or converse with another, nor when a member is speaking, pass between him and the Chair, or entertain private discourse. And during the session of the House, no member or other person shall remain at the Clerk's desk at any time. No member or others shall expectorate upon the floor of the House, and the Sergeant at Arms and doorkeepers are charged with the strict enforcement of this rule.
 26. No member shall vote on any question in the result of which he is pecuniarily interested, nor in any other case where he was not present when the question was put.
 27. Every member who shall be in the House when a question is put shall vote on one (1) side or the other unless the House shall, for special reasons, excuse him.
 28. No member shall absent himself from the service of the House, unless he shall have leave, or be sick, or unable to attend. Fifteen (15) members shall be authorized to compel the attendance of absent members and order a call of the House.
- ON MOTIONS, THEIR PRECEDENCE, ETC.**
29. A motion to adjourn shall always be in order except when operating under the previous question, but a motion to adjourn being lost, shall not be renewed until some business has intervened.
 30. Every motion made to the House and entertained by the Speaker shall be reduced to writing on the demand of any member, and may be entered on the Journal with the name of the member making the motion.
 31. When a motion has been made, the Speaker shall state it or (if it be in writing) cause it to be read aloud by the Clerk before being debated, and it shall then be in possession of the House, but may be withdrawn by unanimous consent at any time before a decision or amendment.

32. No dilatory motion shall be entertained by the Speaker.

33. When a question is under debate, no motion shall be received but:

- (1) To adjourn
- (2) To lay on the table
- (3) For the previous question
- (4) To lay on the table subject to call
- (5) To postpone to a day certain
- (6) To refer
- (7) To amend
- (8) To postpone indefinitely

which several motions shall have precedence in the foregoing order; and no motion to postpone to a day certain, to commit, or to postpone indefinitely, being decided, shall be again allowed on the same day at the same stage of the question.

34. A motion to postpone a question beyond the time at which it can be considered is equivalent to complete disapproval and should be treated as a motion to postpone indefinitely.

The motion to postpone indefinitely is debatable and opens the main question to debate.

A majority vote of the members voting is required for the adoption of the motion to postpone indefinitely. The adoption of a motion to postpone indefinitely shall be treated as a vote on the final passage of a measure and shall be subject to reconsideration as such.

35. No motion or proposition on a subject different from that under consideration shall be admitted under color of an amendment; nor shall any amendment be adopted changing the original purpose of the bill.

36. The adoption of an amendment to a section shall not preclude further amendments to that section. If a measure is being considered section by section or item by item, only amendments to the section or item under consideration shall be made. The Speaker shall, in recognizing members for the purpose of moving the adoption of amendments, endeavor to cause all amendments to Section 1 to be considered first, then all those to Section 2 and so on. After all sections have been considered separately, the whole measure shall be open for amendment.

An amendment to strike all after the enacting or resolving clause or to strike out the enacting or resolving clause of a measure shall, if carried, be considered as equivalent to rejection of the measure by the House, and the vote thereon shall be taken by a roll-call vote. Amendments to an amendment shall be voted on before substitute is taken up. Only one (1) amendment to the amendment is in order at one time; but as rapidly as one is disposed of by rejection or adoption, another is in order as long as any member desires to offer one. A substitute amendment may be offered to an amendment. An amendment to the substitute may be offered. No other amendment can be offered since the third degree has been reached. The vote shall be taken in the following order: the amendment to the amendment shall first be voted on; then the amendment to the substitute; then the substitute amendment and if the substitute is adopted, then the original amendment shall be regarded as automatically tabled.

An amendment to a pending question requires only a majority vote for its adoption, even though the question may require a vote greater than a majority, for adoption.

It is in order for a House bill with Senate amendments to be referred to the proper committee or committees.

On all questions, whether in committee or in the House, the last amendment, the most distant day or hour and the largest sum shall be put first.

SUSPENSION OF RULES

37. No rule shall be suspended except by the concurrence of two-thirds (2/3) of the members present.

38. All motions to suspend the rules shall embrace fully the object for which they are to be suspended.

39. A motion to suspend the rules shall be deemed a privileged motion, and shall take precedence of all other motions except the motion to adjourn, but it shall not be in order to make a motion to suspend the rules while the House is engaged in the consideration of other business.

40. On a motion to suspend the rules for reading a bill a third time, no debate shall be allowed unless the motion prevails.

41. An affirmative vote on a motion to suspend the rules for the purpose of taking up any particular bill, or resolution, shall not have the effect of precluding any motion or amendment in relation thereto which would have been in order if the bill or resolution had been brought before the House in the regular order.

42. A motion to suspend the rules for a particular purpose having been decided in the negative, it shall not be in order to renew the motion for the same purpose during the same day.

MOTION TO REFER

43. Bills, resolutions, petitions, memorials, reports, and other papers addressed to the House may be referred upon original reference at the pleasure of the House by suspension of the rules; provided, however, any bill, resolution, petition, memorial, report, or other paper being before the House after the original reference thereof may be referred to a standing or select committee by a majority vote of the members of the House present and voting.

44. The vote on a motion to refer to committee may not be reconsidered. A motion to recommit or commit to committee shall be considered a motion to refer.

45. Bills, resolutions, petitions, memorials, reports, and other papers addressed to the House may be presented by any member who shall state briefly to the House the contents thereof; and no such bill, resolution, petition, memorial, report or other paper addressed to the House shall be read in full to the House but shall be filed with the Clerk, attention called thereto, and referred to the proper committee, unless by a majority vote of those present in the House should desire the same read.

46. Any member upon recognition by the Speaker may object to the reading of any document before the House. After such objection, the question of reading shall be determined without debate by a majority vote of the members present, upon a brief statement of its substance by the Speaker.

47. When a bill, resolution, petition, memorial, report and other paper addressed to the House is offered, a motion made to refer any subject, and different committees are proposed, the question shall be taken in the following order:

- A standing committee
- A select committee
- Committee of the Whole

When more than one (1) standing committee is proposed, the last proposed shall be the first voted upon as an amendment to strike out and insert.

48. Bills, resolutions, petitions, memorials, reports, and other papers addressed to the House shall, upon introduction, be referred by the Speaker to the committee having

jurisdiction over the subject matter, and shall be considered by the House only after having been reported by such committee.

Provided, however, it shall be in order to consider a bill, resolution, petition, memorial, report, and other papers under the suspension of rules.

49. When a bill or concurrent resolution is originally referred to two (2) or more committees and favorably reported by them, the chairman of the first-named committee shall have the option of handling the bill or resolution on the floor.

Local and private bills may, in the discretion of the Speaker, be referred to two (2) or more committees, if, in the discretion of the Speaker, the nature and effect of said local and private bill shall require the consideration of another committee.

General bills written in such a way as to be local and private in nature shall be referred by the Speaker to the Committee on Local and Private Legislation and/or such other committee as permitted by the rules.

READING OF BILLS

50. After a bill has been read for the first time, if there is no objection, the rules shall be considered suspended and the bill placed on its second reading.

51. After a bill has been read the second time it shall be subject to amendment, but no discussion shall be allowed, or amendment adopted, until the bill shall have been referred to a committee with the proposed amendments thereto.

52. When a bill is up for final passage, and two (2) or more major amendments have been adopted, a motion to recommit shall be in order and have precedence over all other business. However, it shall be in order for the chairman of the first-named committee from which the bill was reported to the House or any member of the House designated by the chairman to make a motion to recommit without two (2) or more major amendments having been adopted.

53. Special order after the reading of the Journal of the preceding day shall be:

- (1) Senate messages.
- (2) Senate bills on the first and second reading and for the proper reference to the committees.
- (3) House bills on second reading.

REGULAR ORDER

54. The regular order shall be:

- (1) Report of select committees.
- (2) Report of standing committees in their order.
- (3) Introduction of bills and constitutional amendments.
- (4) Resolutions, petitions, memorials and other papers.
- (5) Introduction of guests and visitors.
- (6) Disposition of pending business on previous day, provided that nothing shall be considered under this section except propositions actually pending before the House at the time of adjournment on the previous day.
- (7) Consideration of conference reports.

When a conference report is called up, only three (3) courses are open: (a) agree, (b) disagree, or (c) recommit to the same or another conference committee with or without instructions. However, only two (2) motions for the three (3) courses are in order: (a) agree, or (b) recommit to the same or another conference committee with or without instructions. If both motions are offered, the motion to recommit shall take precedence.

A conference report must be acted on as a whole and dealt with in its entirety.

A conference report may not be amended except by a concurrent resolution.

When conference results in disagreement, conferees reporting such disagreement in writing are thereby discharged and new conferees may be appointed.

(8) Consideration of bills for concurrence.

When Senate amendments to a House bill are before the body, they shall be either concurred in or not concurred in their entirety and not separately. The motion that the House do not concur in Senate amendments but invite conference shall take precedence over the motion that the House do concur. The concurrence in amendments adopted by the other house shall require for adoption the same vote as was required for the original passage of the measure and shall be on roll call duly entered and recorded in the Journal of the House. However, if the Senate amendments would make the House bill a revenue bill under the Joint Rules or the Mississippi Constitution if the amendments were engrossed into the bill, then the vote on concurrence in the Senate amendments shall require the same vote as required for the final passage of a revenue bill.

(9) Consideration of motions to reconsider.

(10) Consideration and passage of bills and resolutions on the general calendar.

(11) The Rules Committee may report at any time.

ORDER OF BUSINESS

55. The order of business shall not be changed except by two-thirds (2/3) vote of those present and voting, and all questions relating to the priority shall be decided without debate.

COMMITTEE OF THE WHOLE

56. In all cases in forming a Committee of the Whole, which shall be done by a two-thirds (2/3) vote of the members present and voting, the Speaker shall leave his chair and the Speaker Pro Tempore shall preside. If the Speaker Pro Tempore is absent or if the Speaker Pro Tempore moved to go into the Committee of the Whole, the Speaker shall appoint a chairman to preside, who shall, in case of disturbance or disorderly conduct in the gallery or lobby, have the power to cause the same to be cleared, but the member making the motion to go into Committee of the Whole shall not be called to the chair.

57. Upon a bill being referred to the Committee of the Whole, the same shall first be read through by the Clerk, unless the committee shall otherwise order, and then read and debated by sections, leaving the title to be last considered. After report, the bill shall again be subject to debate and amendment before the question of engrossing it be taken.

58. The only motions permitted in Committee of the Whole are: to limit debate; to propose amendments; to recommend; to recess committee subject to the call of the chairman; to reconsider, provided said motion to reconsider may be called up immediately or at any time during the time the House is resolved into the Committee of the Whole for the consideration of the matter before the committee; and to rise.

59. The rules of the procedure in the House shall be observed in the Committee of the Whole so far as they may be applicable and in all committees, provided standing and select committees may exclude from their committee procedures those House Rules not compatible, in the opinion of said committee, with the proper function of said committee.

STANDING COMMITTEES

60. (1) The following shall be the standing committees of the House:

- (a) Rules Committee, as provided for in Rule 11 of these rules;
- (b) Management Committee, as provided for in Rule 11A of these rules;
- (c) Ethics Committee, as provided for in Rule 63A of these rules;

(2) No member shall serve on both the Committee on Ways and Means and the Committee on Appropriations. Each member who is not a member of the Committee on Ways and Means or the Committee on Appropriations shall serve on at least four (4) committees listed in this rule.

(3) The Committee on Appropriations and the Committee on Ways and Means each shall consist of thirty-three (33) members appointed by the Speaker, six (6) members from each congressional district as constituted on January 1, 2020, and nine (9) members from the state at large. Appointments from the congressional districts shall be made on the basis of seniority. For the purposes of this rule, "seniority" shall mean length of service, continuous or interrupted, in either the House of Representatives or the Senate. However, seniority among members having the same length of service shall be determined as follows: first, continuous, uninterrupted service in the House; second, continuous, uninterrupted

service in the House and Senate; third, interrupted service in the House; and fourth, interrupted service in the House and Senate.

(4) In order for a member to be eligible for the rights accorded by this subsection (4), a member shall submit a list of his or her committee preferences, setting forth at least ten (10) committees in order of preference with the most preferred being first on the list, to the Clerk of the House by 5:00 p.m. on the third calendar day of the first legislative session immediately following the year in which the members of the Legislature are elected. With regard to committee appointments, the following shall be followed by the Speaker of the House in making such appointments:

(a) Each member of the House who has served in the House for less than four (4) years, whether such service be continuous or interrupted, and who is not appointed to be a member of the Committee on Appropriations or the Committee on Ways and Means shall, as a matter of right, be appointed to serve on at least two (2) of the first seven (7) committees on such list, not to include Appropriations and Ways and Means; and

(b) Each member of the House who has served in the House for four (4) years or more, whether such service be continuous or interrupted, and who is not appointed to be a member of the Committee on Appropriations or the Committee on Ways and Means shall, as a matter of right, be appointed to serve on at least three (3) of the first seven (7) committees on such list, not to include Appropriations and Ways and Means.

(5) In making committee appointments, the Speaker shall give consideration to the preferences as expressed by the members on their lists as provided in subsection (4) of this rule, and to the seniority, abilities, and geographic location of the members.

61. The first member named on a committee shall be its chairman and the second member named shall be its vice chairman, except that the Vice Chairman of the Management Committee shall be elected as provided in Rule 11A. However, no member who serves as chairman or vice chairman of a standing committee shall serve as chairman or vice chairman of another standing committee, except that the Chairman of the Ethics Committee, the Vice Chairman of the Rules Committee and the Vice Chairman of the Management Committee may be the chairman of another standing committee. There shall be no further rank on committees, the remaining members being listed thereon in alphabetical order. Each committee shall, after its organization, immediately determine by a majority vote what shall constitute a sufficient quorum for it to proceed to business, which quorum shall be not less than a majority of the committee, and shall report that action to the Clerk of the House.

62. Bills, resolutions and other measures, at the discretion of the Speaker, may be referred to Judiciary en banc, in which event the Judiciary A Committee and the Judiciary B Committee shall sit as one (1) committee and be presided over by the Chairman of Judiciary A.

63. The chairman of each House committee shall keep a record of meetings and attendance and shall make with his report each time a statement showing the hour his committee met and the hour it adjourned, together with the names of all the members of the committee who were absent from the meeting, who had not been previously excused by him or by the Speaker to attend to other legislative duties.

ETHICS COMMITTEE

63A. As used in the context of this rule, the word "committee" shall mean the Committee on Ethics of the House of Representatives, and the phrase "majority of the committee" shall mean a majority of the members to which the committee is entitled.

The committee shall consist of eight (8) members, one (1) from each congressional district as constituted on January 1, 2020, one (1) member from the state at large appointed by the Speaker, and one (1) from each Supreme Court district, appointed by the Speaker.

The Speaker shall appoint from the members a chairman, vice chairman and secretary for the committee.

The chairman shall notify all members of the committee at least twenty-four (24) hours in advance of the date, time and place of a meeting. Whenever the chairman shall refuse to call a meeting, a majority of the committee may vote to call a meeting by giving two (2) days' written notice to the Speaker of the House setting forth the time and place for such meeting. Such notice shall be posted in the office of the Clerk of the House, and if such meeting is called while the Legislature is in session the notice shall be read to the House. Thereafter, the meeting shall be held at the time and place specified in such notice.

The committee shall conduct its investigations, hearings and meetings relating to a specific investigation or a specific member, officer or employee of the House in closed session, and the fact that such investigation is being conducted or to be conducted, or that hearings or such meetings are being held or are to be held shall be confidential information, unless the person subject to investigation advises the committee in writing that he elects that such hearing shall be held publicly. In the event of such an election, the committee shall furnish such person a public hearing. All other meetings of the committee shall be open to the public.

The committee shall receive complaints from any citizen against members, officers and employees of the House alleging improper or unethical conduct. Any such complaint must be in writing signed by the person filing the complaint and acknowledged by a notary public, and must set forth in detail the conduct in question and the section of the Code of Ethics, other House Rule, written policy of the House adopted by the Management Committee, statute, or of the Constitution violated. The person against whom the complaint has been brought shall be notified in writing and given a copy of the complaint. Within fifteen (15) days after receipt of the complaint, such person may file a written answer thereto with the committee. Upon receipt of the answer, by vote of a majority of the committee, the committee shall either dismiss the complaint within ten (10) days or proceed with a formal investigation, to include hearings, not less than ten (10) days nor more than thirty (30) days after notice in writing to the person so charged that the committee is proceeding with a formal investigation. Personal service of such notice shall be made by the Sergeant at Arms of the House of Representatives and a return made thereon to the committee. Failure of the person charged to file an answer shall not be deemed to be an admission or create an inference or presumption that the complaint is true, and such failure to file an answer shall not prohibit a majority of the committee from either proceeding with a formal investigation or dismissing the complaint.

A majority of the committee may, on its own, initiate a preliminary investigation of any suspected violation of the Code of Ethics, other House Rule, written policy of the House adopted by the Management Committee, statute, or Constitution by a member, officer or employee of the House. If it is determined by a majority of the committee that a violation of a rule or law may have occurred, the person in question shall be notified in writing of the conduct in question and the section of the Code of Ethics, other House Rule, written policy of the House adopted by the Management Committee, statute or Constitution violated. Within fifteen (15) days, such person may file a written answer thereto. Upon receipt of the answer, by vote of a majority of the committee, the committee shall either dismiss the charges within ten (10) days or proceed with a formal investigation, to include hearings, not less than ten (10) days nor more than thirty (30) days after notice in writing to the person so charged that the committee is proceeding with a formal investigation. Personal service of such notice shall be made by the Sergeant at Arms of the House of Representatives and a return made thereon to the committee. Failure of the person charged to file an answer shall not be deemed to be an admission or create an inference or presumption that the charge is true, and such failure to file an answer shall not prohibit a majority of the committee from either proceeding with a formal investigation or dismissing the charge.

In the event that the committee desires to review the statement of economic interest or any other statement filed with the Mississippi Ethics Commission by any member, officer or

employee of the House, the commission shall furnish a certified copy of the statement to the committee.

In the event that the committee shall elect to proceed with a formal investigation of the conduct of any member, officer or employee of the House, the committee may, in its discretion, employ independent counsel who shall not be employed by the House for any other purpose or in any other capacity during such investigation.

Such person shall be entitled to present evidence, cross-examine witnesses, face his accuser, and be represented by counsel.

The chairman may continue any hearing for reasonable cause, and upon the vote of a majority of the committee or upon the request of any person subject to investigation, the chairman shall issue subpoenas for the attendance and testimony of witnesses and the production of documentary evidence relating to any matter under formal investigation by the committee.

All testimony, documents, records, data, statements or information received by the committee in the course of any investigation shall be private and confidential, except in the case of public hearings or in a report to the House. The committee may release any confidential information, including a report thereon, regarding any member, officer or employee at the request of such member, officer or employee. No report shall be made to the House unless a majority of the committee has made a finding of unethical or improper conduct on the part of the person under investigation. No finding of unethical or improper conduct shall be valid unless signed by at least a majority of the committee. Any such report may include a minority report. No action shall be taken on any finding of improper or unethical conduct nor shall such finding or report containing such finding be made public sooner than seven (7) days after a copy of the finding is sent by certified mail to the member, officer or employee under investigation.

The committee may meet with a committee of the Senate to hold investigations or hearings involving employees of the two (2) houses jointly or employees of the Legislative Reference Bureau, the Joint Legislative Committee on Performance Evaluation and Expenditure Review, the Joint Legislative Budget Committee and any other joint committee created by the Legislature; provided, however, no action may be taken at a joint meeting unless it is approved by a majority of the committee.

In the event that a member of the committee shall be under investigation, such member shall be temporarily replaced on the committee in a like manner as the member's original appointment.

The committee, upon the written request of a member, officer or employee of the House, shall issue opinions in writing with regard to real or hypothetical situations pertaining to legislative ethics or decorum. When a request made under this paragraph has stated all the facts to govern the opinion and an opinion has been prepared and issued with reference to the request, there shall be no liability, civil or criminal, accruing to or against the person requesting the opinion who, in good faith, follows the direction of the opinion and acts in accordance with the opinion, unless a court of competent jurisdiction, after a full hearing, judicially declares that the opinion is manifestly wrong and without substantial support. No opinion shall be considered or issued if the opinion is requested after suit is filed, prosecution begun, or a complaint has been filed with the committee under this rule. All requests for opinions and all opinions issued under this paragraph shall be confidential and the committee shall not publicly disclose any opinion issued or the fact that an opinion has been requested or issued unless the person requesting the opinion gives his or her written permission to the committee. However, opinions of the committee, with such deletions and changes as are necessary to protect the identity of the person involved or seeking them, may be published and distributed to all the members of the House.

Any member of the committee breaching the confidentiality of materials and events as set forth in this rule shall, by a majority vote of the committee, be removed immediately from

the committee and replaced by another member of the House in a like manner as the member's original appointment.

Any officer or employee of the House shall be subject to the same restriction of confidentiality as a member of the committee, and a breach of this restriction shall be grounds for dismissal of any officer or employee.

The committee may adopt rules of procedure for the orderly conduct of its affairs, investigations, hearings and meetings, which rules are not inconsistent with this rule.

The committee shall continue to exist and have authority and power to function after the sine die adjournment of the Legislature, and shall so continue until the expiration of the then current term of office of the members of the committee.

CODE OF ETHICS

63B. In addition to the other rules of the House of Representatives, and in supplement thereto, the following Code of Ethics is established as a standard of conduct for members.

(1) No member, officer or employee of the House shall:

(a) Accept employment or engage in any business or professional activity which will require him to disclose confidential information which he has gained by reason of his official position or authority;

(b) Improperly disclose confidential information acquired by him in the course of his official duties nor use such information to further his personal interests;

(c) Use or attempt to use his official position to secure unwarranted privileges or exemptions for himself or others;

(d) Use for private gain any information not available to the public at large and acquired by him solely by virtue of his position, and no information described in this subsection shall be disclosed by a member to others for purposes of their use for private gain.

(2) Each member of the House shall file the statement of economic interest or any other statement required to be filed by the Mississippi Ethics Commission which shall be signed under oath as to the accuracy and completeness of the information set forth to the best knowledge of the person submitting such statement.

Required statements hereunder shall be filed with the Mississippi Ethics Commission with such information as is required by law. In the event of any substantial change occurring after the time required for filing as to matters covered in this section, a supplemental statement shall be filed within thirty (30) days thereafter reflecting such new information.

(3) Any member who shall undertake to represent or to intervene for any person for compensation before any state agency shall file a statement with the Ethics Committee within thirty (30) days after undertaking that representation. Such statement shall identify the person represented and the nature of the business involved; however, this provision shall not apply: (a) where such representation involves only the uncontested or routine actions of administrative officers or employees of the state in issuing or renewing a license, charter, certificate or similar document, and (b) where such representation is before the Mississippi Workers' Compensation Commission.

(4) In addition to the filings required herein, copies of the statements required to be filed under this rule shall be filed with the Secretary of State. Such statements shall be open to the general public and shall be filed at the same time as filings required hereinabove.

64. Appropriation and revenue bills shall, at regular sessions of the Legislature, have precedence over all other business and no such bill shall be passed during the last five (5) days of the session.

65. It shall be the duty of the Committee on Engrossed and Enrolled Bills to examine all engrossed and enrolled bills, correct all mistakes therein, and report the bills to the House and this report shall be in order at any time.

THE PREVIOUS QUESTION

66. There shall be a motion for the previous question, which being ordered by a majority of members voting, if a quorum be present, shall have the effect to cut off all debate and bring the House to a direct vote upon the immediate question, or questions, on which it has been asked and ordered, except that each side shall be allowed ten (10) minutes on the main question and five (5) minutes on any subsidiary question for debate, the affirmative closing the debate. The previous question may be asked and ordered upon a single motion, a series of motions allowable under the rules, or an amendment or amendments, or may be made to embrace all authorized motions or amendments and include the bill to its recommitment, passage or rejection. It shall be in order after the previous question shall have been ordered on its passage, for the Speaker to entertain and submit a motion without debate to recommit, with or without instruction, to a standing or select committee. Provided, however, a motion to reconsider the vote whereby an amendment has been adopted or rejected shall not be in order after the previous question has been ordered.

67. If the previous question is lost, the motion may not be renewed until a subsequent vote has been taken on any matter.

68. All incidental questions of order arising after a motion is made for the previous question, and pending such motion, shall be decided, whether an appeal or otherwise, without debate.

ON CALLS OF THE ROLL

69. Upon every roll call where the vote is not taken using the electronic roll-call system in Rule 97, the names of the members shall be called alphabetically by surname, except when two (2) or more have the same surname, in which case the name of the county shall be added; and if there are two (2) such members from the same county, the name and initials shall be called, and after the roll has been once called, the Clerk shall call in their alphabetical order the names of those not voting; and thereafter the Speaker shall not entertain a request to record a vote or announce a pair; and the yeas and nays on any question shall be entered on the Journal, at the request of one-tenth (1/10) of the members present; and the yeas and nays shall be entered on the Journal on the final passage of every bill.

ABSENCE OF QUORUM

70. In the absence of a quorum, fifteen (15) members, including the Speaker, if there is one, shall be authorized to compel the attendance of absent members, and in all calls of the House the doors shall be closed, the names of the members shall be called by the Clerk, and the absentees noted; and those for whom no sufficient excuse is made may, by order of a majority of those present, be sent for and arrested, wherever they may be found, by officers appointed by the Sergeant at Arms for that purpose, and their attendance secured and retained; and the House shall determine upon what condition they shall be discharged. Members who voluntarily appear shall, unless the House otherwise direct, be immediately admitted to the Hall of the House, and they shall report their names to the Clerk to be entered upon the Journal as present.

71. On the demand of any member, or at the suggestion of the Speaker, the names of members sufficient to make a quorum in the Hall of the House who do not vote shall be

noted by the Clerk and recorded in the Journal, and reported to the Speaker with the names of the members voting and be counted and announced in determining the presence of a quorum to do business.

72. Whenever a quorum fails to vote on any question and a quorum is not present and objection is made for that cause, unless the House shall adjourn there shall be a call of the House, and the Sergeant at Arms shall forthwith proceed to bring absent members, and the yeas and nays on the pending question shall at the same time be considered as ordered.

The Clerk shall call the roll, and each member as he answers to his name may vote on the pending question, and, after the roll call is completed, each member arrested shall be brought by the Sergeant at Arms before the House, whereupon he shall be noted as present, discharged from arrest, and given an opportunity to vote and his vote shall be recorded. If those voting on the question and those who are present and decline to vote shall together make a majority of the House, the Speaker shall declare that a quorum is constituted, and the pending question shall be decided as the majority of those voting shall appear; and thereupon further proceedings under the call shall be considered as dispensed with. At any time after the roll call has been completed, the Speaker may entertain a motion to adjourn, if seconded by a majority of those present, to be ascertained by actual count by the Speaker; and if the House adjourns, all proceedings under this section shall be vacated.

DIVISION OF QUESTION

73. On demand of any member, before the question is put, a question shall be divided if it include propositions so distinct in substance, that one being taken away, a substantive proposition shall remain.

74. (1) Questions of privilege shall be:

First, those affecting the rights of the House collectively, its safety, dignity and the integrity of its proceedings.

Second, the rights, reputation and conduct of members individually in their representative capacity only.

(2) No member shall speak more than ten (10) minutes on any question of privilege.

HOURS OF MEETING AND ADJOURNMENT

75. Two o'clock in the afternoon on each legislative day shall be the standing hour to which the House adjourns, unless otherwise ordered by a majority of the members present and voting.

76. The hour at which every motion to adjourn is made shall be entered on the Journal.

77. It shall be the duty of the Rules Committee to prescribe a schedule for regular meetings of standing committees.

78. Every bill or resolution, when favorably reported by the proper committee, shall be made available for viewing on the members' computers and shall be reproduced with sufficient copies so that copies thereof may be placed on the desk of every member who requests to have a copy, before any such bill or resolution is placed on final passage. No bill or resolution shall be considered by the House unless it is available for viewing on the members' computers and all members who request to have a copy of the bill or resolution have been furnished copies thereof, except by unanimous consent. When a bill or resolution is being considered by the House, all amendments offered have been disposed of, and two (2) or more major amendments have been adopted, any member may move that the bill be engrossed. If such motion is adopted by a majority of those present and voting, further consideration of such bill or resolution shall be suspended until the bill or

resolution has been engrossed and the engrossed bill or resolution is available for viewing on the members' computers and all members present who request to have a copy have been furnished copies of the engrossed bill or resolution. When the engrossed bill or resolution is available for viewing on the members' computers and all members who request to have a copy have been furnished copies of the engrossed bill or resolution, the bill or resolution shall then become pending business of the House as soon as the main question then under consideration has been disposed of. The committee or any member proposing a substitute or an amendment which is, in effect, a substitute for an entire bill or resolution, shall provide the substitute or amendment to the Clerk to make it available for viewing on the members' computers and provide copies of the substitute or amendment to all members who request a copy before the same shall be voted on for consideration or adoption, except on suspension of the rules.

79. When a bill, memorial or resolution has been finally rejected in the House, it shall not again be introduced or considered during the same session without notice of three (3) days and leave of two-thirds (2/3) of the members present and voting, and a bill so offered for reintroduction shall be regarded as the same, if it deals substantially with the same subject matter.

SPECIAL ORDER

80. Special orders of the day not disposed of on the day assigned, shall stand for every succeeding day, until disposed of.

81. (1) A motion to postpone to a day certain shall require a majority of those present and voting for its adoption, but a motion to postpone to a time certain shall be deemed, and treated as, a motion to set as a special order. (2) A motion to set a special order may be amended as to time. It is debatable only as to the question of setting the special order and does not open up the main question to debate. (3) A motion to set a special order shall require a two-thirds (2/3) vote of those members present and voting. (4) When special orders that have been made at different times come into conflict, the one that was first made takes precedence over all special orders made afterwards, although the latter were made for an earlier hour.

CALENDARS

82. Bills reported by committees shall be given a serial number by the Clerk and shall be placed on the calendar in the order in which reported by the committee and shall be called for consideration in that order. Bills on the calendar may only be called up by the chairman of the first-named committee from which the bill was reported to the House, or any member of the House designated by the chairman. When a bill is called for consideration in the order in which placed on the calendar and is not considered by the House, it shall go to the heel of the calendar, unless a majority of the members present allow the bill to retain its place on the calendar. Separate calendars shall be kept for the bills reported by the Committees on Ways and Means, Appropriations, Rules, and Local and Private Legislation.

83. Any committee or individual member of the House may apply to the Committee on Rules to set a time for the taking up, ahead of its regular place on the calendar, of any measure favorably reported by the committee to which the measure has been referred. The Committee on Rules may grant such request by a majority vote. The Committee on Rules may designate a day of each legislative week as a noncontroversial bill day. When such a day be designated, all bills appearing on the calendar shall be considered in their regular order provided, however, that should ten percent (10%) of the membership object to any measure on the noncontroversial calendar stating that it is of a controversial nature, that measure shall go to the heel of the General House Calendar.

84. The calendar shall be made up from day to day.

MINORITY REPORT

85. Bills adversely reported by the committees shall not be placed on the calendar at all unless accompanied by a minority report signed by one or more members who were present at the committee meeting at which the bill was reported. Minority reports must be filed within three (3) legislative days after the bill has been reported by the committee; a minority report shall be placed on the calendar at the heel of favorably reported bills and shall not be considered until all favorably reported bills are disposed of, except on a suspension of the rules on a two-thirds (2/3) vote of those elected to the House and on roll call, whereupon, the House may proceed immediately to the consideration thereof.

86. Matters affecting the public interest and regarded as of immediate necessity may be advanced on the calendar by the Rules Committee, and such matters may also be advanced on the calendar by a vote of a majority of the members elected to the House of Representatives.

RULES

87. The permanent Rules of the House may not be changed or amended except by three (3) days' notice by a motion entered in writing and placed on the Journal and by a vote of three-fifths (3/5) of those present and voting, except that no rule shall be changed or amended unless at least a majority of the elected members of the House of Representatives vote for said change or amendment.

Provided, however, the rules, or a rule, may be amended or changed by a resolution referred to the Rules Committee, reported favorably, and adopted by a majority of the elected members of the House of Representatives, and such resolutions, once reported, shall not be amended except by a three-fifths (3/5) vote of the elected members of the House of Representatives.

A motion to reconsider the vote whereby a rule has been adopted or failed shall not be in order at any time.

88. The current Rules of the House of Representatives of the United States shall govern in all cases to which they are applicable and in which they are not inconsistent with the foregoing rules, the Joint Rules of the Senate and the House of Representatives, and the Constitution of the State of Mississippi.

89. No person shall be entitled to enter upon the Floor of the House except: Members, their spouses, former members of the Legislature, unless said former member is a registered lobbyist, officers and employees of the House; members, officers and employees of the Senate; members of the news media who have proper credentials issued by the Rules Committee; ministers invited by the Speaker or the Clerk; and such others as the Committee on Rules may designate.

Doors between the lobby and the cloak room, and the door between the lobby and the Hall of the House shall be kept closed. Visitors invited and personally accompanied by members are permitted in the lobby. The Speaker is charged with the enforcement of this rule, and it shall be the duty of any member, officer or employee of the House to inform the Speaker of any violation of this rule. This rule is applicable from one (1) hour before the House convenes each day until the House adjourns each day.

90. Privilege of reports from Committee on Rules, and limitations thereon.

It shall always be in order to call up for consideration a report from the Committee on Rules and, pending the consideration thereof, the Speaker may entertain one (1) motion that the House adjourn; but after the result is announced, he shall not entertain any other dilatory motion until the report has been fully disposed of.

91. No committee, except the Committee on Rules, shall sit during the sitting of the House, without special leave.

INTRODUCTION OF BILLS

92. Each member, who desires to introduce a bill shall place same in box in front of the Clerk's desk at any hour to suit his convenience, and the Clerk is instructed to take these out at each session when the order for introduction of bills and constitutional amendments is reached, and read their titles, and after the expiration of not less than one (1) legislative day, the Speaker shall refer them to the proper committees; provided, however, that this shall not prevent the immediate references of said bills or constitutional amendments under a suspension of the rules.

93. All bills and resolutions must be typewritten or printed. Bills and resolutions must be introduced in original form (not carbon, photocopy or facsimile) and should be free from interlineations, corrections and strikeouts, whether with ink, pencil or typewriter. Amendments proposed by members or by committees must not be written into a bill or resolution until such amendments shall be adopted by the House.

94. In addition to any other time provided by law or by rule, members of the House may file bills or resolutions with the Clerk of the House at any time during the period between sessions of the Legislature. Such prefiled bills shall be numbered by the Clerk of the House and referred by the Speaker to the appropriate standing committee of the House for study. Such prefiled bills shall be introduced in the order filed on the first day of the next succeeding regular session of the Legislature, or special session if included within the Governor's call, and referred to committee in the regular order of business of the House.

WITHDRAW FROM COMMITTEE

95. (1) Except as otherwise provided in this rule, every House bill, resolution or measure referred to any committee, and not reported therefrom with a recommendation by the twenty-seventh day of a ninety-day session and by the sixty-second day of a one-hundred-twenty-five-day session, and every Senate bill, resolution or measure referred to any committee, and not reported therefrom by the fifty-fifth day of a ninety-day session and by the ninetieth day of a one-hundred-twenty-five-day session, may be withdrawn from the committee on a motion made in writing, which motion must be read by the Clerk immediately upon its introduction, setting forth the reasons why the bill should be withdrawn from the committee, by a vote of two-thirds (2/3) of the members present and voting. It may then be taken up and considered by the Committee of the Whole House in accordance with the procedure set forth in House Rule 56, or, by a two-thirds (2/3) vote of those present and voting it may be recommitted to a standing committee. During extraordinary or special sessions of the Legislature, any bill, including an appropriation or revenue bill, may be withdrawn from committee after three (3) days from the date of reference. A motion to withdraw a bill from a committee shall not be voted upon by the House on the day which the motion is made, except upon suspension of the rules by a two-thirds (2/3) vote of those present and voting.

(2) Any House appropriation bill or revenue bill referred to the House Appropriations Committee or the House Ways and Means Committee and not reported therefrom with a recommendation within ten (10) legislative days after referral may be withdrawn from the committee in accordance with the procedure set forth in subsection (1) of this rule if the motion for withdrawal is made by the fiftieth day of a ninety-day session and by the eighty-fifth day of a one-hundred-twenty-five-day session.

(3) Any Senate appropriation bill or revenue bill referred to the House Appropriations Committee or the House Ways and Means Committee and not reported therefrom with a recommendation within ten (10) legislative days after referral may be withdrawn from the committee in accordance with the procedure set forth in subsection (1) of this rule if the motion for withdrawal is made by the seventieth day of a ninety-day session and by the one-hundred-fifth day of a one-hundred-twenty-five-day session

(4) Any House resolution or House concurrent resolution that is referred after the twenty-ninth day of a ninety-day session or after the sixty-fourth day of a one-hundred-twenty-five-day session, and any Senate concurrent resolution that is referred to a House committee after the fifty-seventh day of a ninety-day session or after the ninety-second day of a one-hundred-twenty-five-day session, and not reported therefrom with a recommendation within ten (10) legislative days after referral may be withdrawn from the committee in accordance with the procedure set forth in subsection (1) of this rule.

(5) For the purposes of this rule, the term "revenue bill" shall include only those bills whose primary purpose is to increase or decrease taxes or to authorize the issuance of bonds or the borrowing of money. Bills which are primarily for regulatory purposes which have revenue provisions included shall not be considered as revenue bills for the purposes of this rule.

(6) If the Legislature shortens a ninety-day regular session or a one-hundred-twenty-five-day regular session by moving the deadlines for processing legislation that are set forth in Joint Rule 40 to dates earlier than the dates otherwise set for those sessions, the dates set forth in this subsection (6) shall apply to the motion for withdrawing a bill from committee. A general bill, resolution or measure that has not been reported from the committee to which it has been referred may be withdrawn from the committee after the second day before the deadline for the committee to report the bill, resolution or measure. An appropriation or revenue bill that has not been reported from the House Appropriations Committee or the House Ways and Means Committee, as the case may be, within ten (10) legislative days after referral, may be withdrawn from the applicable committee if the motion for withdrawal is made by the day before the deadline for original House floor action on the bill. A House resolution or House concurrent resolution that is referred after the deadline for committees to report House general bills, and any Senate concurrent resolution that is referred to a House committee after the deadline for House committees to report Senate general bills, and not reported therefrom with a recommendation within ten (10) legislative days after referral may be withdrawn from the committee in accordance with the procedure set forth in subsection (1) of this rule. All other provisions of this rule regarding the procedure to follow and the associated vote requirements for withdrawing bills from committee shall apply.

BILLS SHALL LIE ON TABLE ONE DAY

96. Every bill or resolution requiring the signature of the Governor, all resolutions proposing amendments to the Constitution, and all reports of committees except the report of the Committee on Rules, shall lie on the table one (1) day before being considered except by suspension of the rules.

ROLL CALLS

97. When taking the yeas and nays on any question to be voted upon, the electrical roll-call system may be used, and, when so used, shall have the same force and effect as a roll call taken as otherwise provided in the Rules of the House.

When the House is ready to vote upon any question requiring a roll call and the vote is to be taken by the electrical roll-call system, the Speaker shall announce:

"The question is on the passage of (designating the matter to be voted upon). All those in favor (of such question) vote 'Aye'; all those opposed vote 'No.' The House will now vote."

When sufficient time has been allowed the members to vote, the Speaker shall announce one or more times: "Have all voted?" And after a short pause, the Speaker shall direct the Clerk to lock the machine and record the vote.

The Clerk shall immediately start the vote-recording equipment and, when the vote is completely recorded, shall advise the Speaker of the result, and the Speaker shall

announce the result to the House. The Clerk shall enter upon the Journal the result in the manner provided by the Rules of the House.

After the voting machine has been locked, but prior to the display of the tabulated vote on the electric voting board of the result of a roll call, any member may request to (1) change his or her vote, or (2) vote. After the vote has been tabulated and displayed on the electric voting board, a member with unanimous consent may change his or her vote on the measure, except that no such change of vote shall be permitted where such vote would alter the final vote on the measure.

No member shall vote for another member, nor shall any person not a member cast a vote for a member. In addition to such penalties as may be prescribed by law, any member who shall vote or attempt to vote for another member may be punished in such a manner as the House may determine. If a person not a member shall vote or attempt to vote for any member, he or she shall be barred from the Floor of the House for the remainder of the session and may be punished further in such manner as the House may deem proper, in addition to such punishment as may be prescribed by law.

98. Neither the Speaker nor the House exercises jurisdiction over pairs, and the only cognizance of them taken by the rules is the provision for the announcement and publication.

99. No member shall be permitted to give an oral explanation of his vote but may reduce his explanation to writing in not more than one hundred (100) words, and upon filing with the Clerk, this explanation shall be spread on the Journal.

MOTION TO RECONSIDER

100. Any member voting on any measure, shall be privileged to enter a motion to reconsider the vote whereby the measure is disposed of, at any time within the period prescribed by the rules of this House.

101. A motion to reconsider having been properly made and entered in the Journal shall become the property of the House and may be called up only by the chairman of the first-named committee from which the measure was reported to the House, or any member of the House designated by the chairman.

When a measure requires more than a majority vote for passage, it may still be reconsidered by a majority vote.

102. When a bill is read the third time in regular order, and not under suspension of the rules, it shall be considered engrossed and the House on the next or any succeeding legislative day may proceed to a vote on its final passage in the same manner as if the rules had been suspended for its consideration.

PASSAGE OVER VETO

103. (1) Upon return of a bill without the approval of the Governor accompanied by the Governor's objections to the bill, the House shall proceed to reconsider the bill by either an immediate vote on the motion for passage, the Governor's veto notwithstanding, or by referral to the committee which originally recommended the bill. The manner of reconsideration shall be determined, upon proper motion, by majority vote of those present. If the bill is reconsidered by referral to the committee of origin, the committee shall report, with written recommendations, to the full House not more than three (3) legislative days from the referral of the bill in question; however, in the first year of a term, the committee shall report to the full House not more than three (3) legislative days from the date that the members of the committee are appointed. At the time of the report of such committee, only two (2) courses shall be open:

- (a) Allow Governor's veto to stand.

(b) Override Governor's veto.

The motion for the first course is a motion to allow the Governor's veto to stand, and the motion for the second course is a motion for passage, the Governor's veto notwithstanding. Such a motion, while not mandatory, shall be in order at any time on the same legislative day that the report of the committee is made, but shall not be in order thereafter. However, if the committee does not report to the full House by the end of the third legislative day from the referral of the bill to committee, or by the end of the third legislative day from the date that the members of the committee are appointed in the first year of a term, then it shall be in order for any member of the House to make a motion for either of the two (2) courses on the fourth legislative day from referral or the appointment of the committee members, as the case may be, but not thereafter.

(2) Upon calling up a bill for reconsideration and passage, the Governor's veto notwithstanding, the question before the House is not of reconsideration but that of overriding the Governor's veto.

(3) A two-thirds (2/3) vote of those members present and voting, a quorum being present, is required to pass a bill over a Governor's veto.

(4) A motion to reconsider the vote by which a vetoed bill is passed or rejected is not in order.

104. The Rules Committee shall set aside space to accommodate representatives of the press, radio and television media wishing to report proceedings and such representatives shall be admitted to such area under such regulations as the Rules Committee may from time to time prescribe. The supervision of such portion of the floor shall be fixed in the Committee on Rules.

(a) The correspondents shall abide by such rules and regulations as may be adopted by the Rules Committee.

(b) The press table allotted to representatives of the news media shall be for their exclusive use and persons not holding correspondents' cards shall not be entitled to admission thereto.

OPEN MEETINGS

104A. All official meetings of any standing, interim or special committee of the House of Representatives, but not including conference committees, unless otherwise provided by this rule or the Constitution of the United States or the State of Mississippi, are declared to be public meetings and shall be open to the public at all times unless declared an executive session as provided herein. Any such House committee may enter into executive session for the transaction of public business; provided, however, all meetings of any such committee shall commence as an open meeting, and an affirmative vote of a majority of all members present shall be required to declare an executive session. The procedure to be followed by such committee in declaring an executive session shall be as follows: Any member shall have the right to require a closed determination upon the issue of whether or not to declare an executive session. Such member, by motion, shall require the meeting to be closed for a preliminary determination of the necessity for executive session. No other business shall be transacted until the discussion of the nature of the matter requiring executive session has been completed and a vote taken on the issue. The total vote on the question of entering into an executive session shall be recorded and spread upon the minutes of such committee. Any such vote whereby executive session is declared shall be applicable only to that particular meeting.

Any such House committee may make and enforce reasonable rules and regulations for the conduct of persons attending its meetings.

Minutes shall be kept of all House committees, in open or executive session, and shall consist of a written record of attendance and final actions taken at such meetings. Such minutes shall be open to public inspection during regular business hours within a reasonable time after adjournment.

During a regular or special session of the Legislature, notice of meetings of all House committees, other than conference committees, shall be given by announcement on the loudspeaker during sessions of the House or by posting on a bulletin board provided for that purpose.

When not in session, the meeting times and places of all House committees shall be kept by the Clerk of the House of Representatives and shall be available at all times during regular working hours to the public and news media.

ELECTION CONTEST

104B. The procedure for handling the contest of the election, other than a primary election, of a member of the Mississippi House of Representatives shall be as follows:

(1) Anyone desiring to contest the election, other than a primary election, of a member returned as elected to the Mississippi House of Representatives shall file with the Clerk of the House of Representatives, within thirty (30) days after a regular general election or ten (10) days after a special election to fill a vacancy, a sworn petition stating particularly the grounds upon which the election is contested. A copy of the petition shall be served on the member whose election is being contested. Any allegations concerning the election, or any grounds for the contest contained in the petition, shall be stated and averred in the same manner in which circumstances constituting fraud are required to be stated with particularity when pleading special matters under the Mississippi Rules of Civil Procedure.

(2) Upon the timely filing of the petition, the Speaker of the House of Representatives shall appoint a special committee to resolve the election contest. Any special committee appointed by the Speaker under this subsection (2) shall be composed of the chairman, who shall be appointed from the state at large, and one (1) member of the House of Representatives from each congressional district as constituted on January 1, 2020. In making the committee appointments, the Speaker shall give consideration to the seniority, abilities and geographic location of the members. Within fifteen (15) days after the Speaker's appointment of the special committee, the committee shall meet to organize and review the petition.

(3) (a) Either party to such an election contest may obtain discovery regarding any matter, not privileged, which is relevant to the particular grounds stated in the petition or any response thereto, and he may use any method of discovery that is authorized under the Mississippi Rules of Civil Procedure.

(b) Either party shall have the right of full examination of ballot boxes in accordance with Section 23-15-911, Mississippi Code of 1972.

(c) All forms of discovery shall be completed within twenty (20) days before the convening of a regular session on the Tuesday after the first Monday in January, except that in the case of a special election to fill a vacancy, discovery shall be completed within thirty (30) days after the special election.

(d) The special committee shall have exclusive jurisdiction over the determination of whether the filing of the petition and discovery related thereto have been timely made. If the filing of the petition or the discovery related thereto is not made timely, the election contest shall be void, and the contest and any rights related thereto shall expire by operation of law.

(4) On the first day of the regular session next occurring after the election being contested, the person who was certified by the appropriate election officials as the duly

elected member of the Mississippi House of Representatives from the district in question shall be administered the oath of office by the Secretary of State as required by the Constitution, along with all other members present, and he shall not be requested to stand aside if he has been so certified. In the case of a special election contest, the oath shall be administered by the Speaker as in the case of administering the oath after any special election in which no contest has been filed. The seating and swearing in of a member who has been certified by the appropriate election officials before the special committee has concluded its deliberations shall be conditional and not permanent. The conditional seating and swearing in of the member shall vest in the member all the rights, privileges, and emoluments of the office, but without prejudice to the contest filed by the petitioner.

(5) The special committee appointed by the Speaker shall meet on the first day of the regular session next occurring after the election being contested, except that in the case of a special election to fill a vacancy, the special committee shall meet within five (5) days of the completion of discovery. The work of the special committee shall be a matter of the highest priority for the House, and any conflicts in scheduling meetings of the committee shall be resolved in favor of expediting the committee's work. The special committee shall have the power to investigate all facts concerning the election or qualifications of any member or petitioner, but shall not place itself in the position of investigating matters not alleged in the petition or any response thereto. It also shall have the power to issue subpoenas and compel the attendance of witnesses and the production of such documents or papers as may be required. The special committee shall have the authority to enforce any subpoena issued by the committee and to enforce compliance with the time limitations set forth in this rule, with the assistance of the State Attorney General or his designee.

(6) After the committee concludes its deliberations, it shall report a resolution recommending one (1) of the following courses of action to the House: (a) to seat permanently the House member who was certified and sworn in under subsection (4) of this rule, failure of which shall vacate the seat for the House district in question held by that person; (b) to seat permanently the petitioner in the election contest, passage of which will vacate the seat for that House district and the petitioner shall be sworn in for that seat; or (c) to declare the office of representative for that House district as vacant. The House shall consider the recommendation of the committee, and it shall adopt one (1) of the courses of action specified in this subsection (6), which must be adopted by a majority vote of House members present and voting.

(7) For purposes of this rule, "day" means a calendar day and includes any legal holiday.

(8) Section 55, Mississippi Constitution of 1890, which requires a two-thirds (2/3) vote of the members present to expel a seated member, shall not apply to any votes taken with regard to an election contest of a member of the House of Representatives.

(9) If the House determines that the person conditionally sworn in under subsection (4) of this rule is not qualified as a member of the Mississippi House of Representatives, any vote cast in the interim shall stand and any compensation and expenses paid shall be retained by that person. If the petitioner prevails on the merits of his contest, he shall receive the regular compensation and expenses of a member of the House, retroactive to the beginning of the session, or in the case of a special election, retroactive to the date upon which the House member conditionally sworn in was seated.

(10) Under the inherent authority of the House to create procedures and rules for the governing of its internal affairs, if any provision of this rule conflicts with any provision of Sections 23-15-955 and 23-15-957, Mississippi Code of 1972, the provisions of this rule shall prevail.

CONSTITUTIONAL PROVISIONS

105. Neither house shall, without the consent of the other, adjourn for more than three (3) days, nor to any other place than that in which the two (2) houses shall be sitting. (Art. 4, Sec. 57, Constitution).

106. No law shall be revived or amended by reference to its title only, but the section or sections, as amended or revived, shall be inserted at length. (Art. 4, Sec. 61, Constitution).

107. No appropriation bill shall be passed by the Legislature which does not fix definitely the maximum sum thereby authorized to be drawn from the Treasury. (Art. 4, Sec. 63, Constitution).

108. All votes on the final passage of any measure shall be subject to reconsideration for at least one (1) whole legislative day, and no motion to reconsider such vote shall be disposed of adversely on the day on which the original vote was taken, except on the last day of the session. (Art. 4, Sec. 65, Constitution).

109. No new bill shall be introduced into either house of the Legislature during the last three (3) days of the session. (Art. 4, Sec. 67, Constitution).

110. No law granting a gratuity or donation in favor of any person or object shall be enacted except by the concurrence of two-thirds (2/3) of the members-elect of each branch of the Legislature, nor by any vote for a sectarian purpose or use. (Art. 4, Sec. 66, Constitution).

111. General appropriation bills shall contain only the appropriations to defray the ordinary expenses of the executive, legislative and judicial departments of the government; to pay interest on state bonds and to support the common schools. All other appropriations shall be made by separate bills, each embracing but one (1) subject. Legislation shall not be engrafted on appropriation bills, but the same may prescribe the conditions on which the money may be drawn, and for what purposes paid. (Art. 4, Sec. 69, Constitution).

112. No revenue bill, or any bill providing for assessments of property for taxation, shall become a law except by a vote of at least three-fifths (3/5) of the members of each house present and voting. (Art. 4, Sec. 70, Constitution).

113. Every bill introduced into the Legislature shall have a title, and the title ought to indicate clearly the subject matter or matters of the proposed legislation. Each committee to which a bill may be referred shall express, in writing, its judgment of the sufficiency of the title of the bill, and this, too, whether the recommendation be that the bill do pass or do not pass. (Art. 4, Sec. 71, Constitution).

114. No bill shall become a law until it shall have been referred to a committee of each house and returned therefrom with a recommendation in writing. (Art. 4, Sec. 74, Constitution).

115. No bill passed after the adoption of this Constitution to make appropriations of money out of the State Treasury shall continue in force more than two (2) months after the expiration of the fiscal year ending after the meeting of the Legislature at its next regular session; nor shall such bill be passed except by the votes of a majority of all the members elected to each house of the Legislature. (Art. 4, Sec. 64, Constitution).

116. There shall be appointed in each house of the Legislature a standing committee on Local and Private Legislation; the House committee to consist of seven (7) Representatives, and the Senate committee of five (5) Senators. No local or private bill shall be passed in either house until it shall have been referred to said committee thereof, and shall have been reported back with a recommendation in writing that it do pass, stating affirmatively the reasons therefor, and why the end to be accomplished should not be reached by a general law, or by a proceeding in court; or if the recommendation of the committee be that the bill do not pass, then it shall not pass the house to which it is so reported unless it be voted by a majority of all the members elected thereto. If a bill is passed in conformity to the

requirements hereof, other than such as are prohibited in the next section, the courts shall not, because of its local, special, or private nature, refuse to enforce it. (Art. 4, Sec. 89, Constitution).

B. JOINT CONVENTION

1. The Senate and the House may meet in joint convention by concurrent resolution duly adopted by both houses. Such resolution shall state the day, hour and location of such joint convention and the order of business for which it is called.

2. All joint conventions of the two (2) houses shall be in the hall of the House of Representatives, unless another location is specified in the concurrent resolution, and in elections the members shall vote viva voce, and in all cases a majority of the votes of those present and voting shall be requisite to constitute an election.

Only senators and members of the House of Representatives shall be permitted on the floor of the House during joint meetings except for the newspaper, radio, and television reporters and necessary Senate and House personnel and others as may be directed by the President of the Senate and Speaker of the House of Representatives respectively. During joint meetings, preference to gallery seats shall be given to elected state officials and families of the legislators.

3. When the two (2) houses have met in joint convention, the Speaker of the House shall call the joint convention to order and shall then turn the gavel over to the President of the Senate who shall preside, and all questions of order shall be decided by the latter, subject to an appeal to the joint convention as one (1) body. In the absence of the President of the Senate, the Speaker shall preside and perform all the duties herein provided for.

4. A call of either house may be had in joint convention by majority vote of the House for which the call is desired.

5. In a joint convention a member shall not speak longer than five (5) minutes. Any extension of time shall be specific.

6. A motion to adjourn, or to postpone the business of a joint convention shall be decided on a majority vote of those present and voting, acting as one (1) body. Upon demand of one-tenth (1/10) of the combined membership, the yeas and nays shall be taken on any matter under consideration by the joint convention, and such yeas and nays shall be entered upon the journals of both houses.

7. Upon questions arising during a joint convention, requiring the separate decision of either or both houses, the decision of the House shall be first made, then the decision of the Senate. A question for call of either house shall not come within the scope of this rule.

8. On all questions of order or parliamentary procedure not in conflict with these joint rules, the rules of the House of Representatives of the State of Mississippi, insofar as applicable, shall be the authority.

BILLS AND RESOLUTIONS

9. The style of all laws shall be: "BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:" which shall be typed immediately preceding Section 1 of a bill. No other enacting word, such as "Be it further enacted," shall be used in any bill.

9A. (1) In a bill or other measure proposing an amendment to a code section or other provision of law, or in a resolution proposing an amendment to a constitutional provision, a change to an existing code section, other provision of law or constitutional provision shall be indicated as follows:

(a) New language that is being added shall be underlined.

(b) Existing language that is being deleted shall be denoted by the insertion of three (3) asterisk symbols; however, the text of the deleted language shall be available on the official website of the Mississippi State Legislature, by means of displaying all of the deleted language within a document pursuant to the selection of that display option by the user.

(2) The provisions of this rule shall not apply to handwritten amendments that are proposed or adopted by members while the bill, measure or resolution is under consideration by either house.

10. While bills, resolutions and messages are on their passage between the two (2) houses, they shall be under the signature of the Secretary or Clerk, respectively, as the case may be.

11. When a bill or resolution which shall have passed one (1) house has been postponed to a day so distant that it will not be taken up again at the current session, indefinitely postponed, or rejected, by a vote of the other house, information thereof shall be given by message immediately to the house in which the same shall have passed.

12. When a bill or resolution, which has passed one (1) house is rejected in the other, by a vote of that house, it shall not again be introduced during the same session, except on three (3) days' notice and on two-thirds (2/3) vote of members present and voting in the house in which it was rejected.

13. Each house shall transmit to the other all papers on which any bill or resolution may be founded.

14. Each house shall have the liberty of ordering the printing of bills, messages and reports, without the consent of the other.

15. Bills or resolutions transmitted to either the Senate or House by the other before the constitutional time has expired for entering a motion to reconsider may be recalled by message upon proper entering of a motion to reconsider.

16. Whenever any message, bill, resolution, report or document shall be ordered to be printed by the Senate or House, for use of both houses, it shall be the duty of the Secretary of the Senate or Clerk of the House, as the case may be, immediately to report the fact of the passage of that order to the other branch of the Legislature together with the number so ordered to be printed. Payment thereof shall be made from the contingent funds of each house in the proportion ordered by each house.

17. No new bill shall be introduced into either house during the last three (3) days of the session.

18. All general bills modifying, adding, deleting or repealing language, or a repealer on language, providing for the levying of taxes, borrowing of money, issuing bonds, notes, or other evidence of debt, providing for fees or imposing the issuance of licenses, of whatever kind by the state or any subdivisions thereof, or the exemption of property from state taxes or taxes of any subdivisions thereof, shall be considered as revenue bills, and no revenue bills, or conference committee report thereon, or concurrence in amendments adopted by the other house shall be passed or adopted by either the Senate or the House except by a vote of at least three-fifths (3/5) of the members of the Senate and House, respectively, present and voting.

19. Appropriation and revenue bills shall have precedence in each house, over all other business, and no such bill shall be passed during the last five (5) days of a regular session.

20. Every bill and concurrent resolution, the purpose or effect of which is to expend any state funds or enable the spending of any state funds or to increase or decrease the revenue of the state, either directly or indirectly, shall have attached to it at the time of its being reported by any committee of either house of the Legislature a brief explanatory statement or note which shall include a reliable estimate of the anticipated change in state expenditures or revenues under its provisions. These statements or notes shall be known as fiscal notes. They shall be attached to the original of each proposed bill or resolution but shall be separate therefrom, shall be clearly designated as a fiscal note, and shall not constitute a part of the law proposed by the bill or resolution.

The author of each bill or any committee considering same shall present a copy of the bill or resolution, with his or her request for a fiscal note, to either the Legislative Budget Office, the Department of Finance and Administration, the Department of Revenue, the State Auditor, the state agency with which the bill or resolution is concerned, the state agency having jurisdiction over the subject of the bill or resolution, the Joint Committee on Performance Evaluation and Expenditure Review, or the Legislative Reference Bureau. The fiscal note shall be prepared by the commission or agency and furnished to the author of the bill or committee considering same within seven (7) days after the request is made. If the author of, or committee considering, the bill disagrees with the findings of the agency or agencies, then the author or committee may also attach and furnish a fiscal note, based upon his, her or its information, research, study and belief which shall then be incorporated in and become a part of the fiscal note. If the appropriate agency does not furnish a fiscal note, after seven (7) days' request, then the author or committee may furnish the fiscal note, based upon his, her or its information, research, study and belief. If, after careful investigation, it is determined that no dollar estimate is possible, the note shall contain a statement to that effect, setting forth the reasons why no dollar estimate can be given. No comment or opinion shall be included in the fiscal note with regard to the merit, or lack thereof, of the measure for which the note is prepared.

Whenever the author of any measure or the committee considering same is of the opinion that no fiscal note is necessary and the measure is considered by either house of the Legislature without a fiscal note, any member of either house may thereafter request a fiscal note be obtained, and in such case the matter shall be decided by majority vote of those present and voting in the house of which he or she is a member.

This rule shall not apply to general appropriation bills, conference reports and local and private bills.

20A. (1) For the purpose of this rule:

(a) "State support funds" means funds in the State General Fund and all state support special funds, which are funds in the Budget Contingency Fund, the Education Enhancement Fund, the Health Care Expendable Fund, the Tobacco Control Program Fund, and any other special funds that the Joint Legislative Budget Committee (JLBC) determines to be state support special funds.

(b) "House" means either house of the Legislature, unless it is clear from the context that it is referring to the House of Representatives.

(2) (a) When an amendment is offered to an appropriation bill on the floor of either house that would increase the amount of state support funds authorized for expenditure by the state agency, official or program being funded in that appropriation bill, the amendment must also include a reduction in the amount of state support funds for one (1) or more other state agencies, officials or programs by a total amount that equals the amount of the increase in the amendment.

(b) The other appropriation bill or bills in which the reductions are to be made do not have to be designated by bill number or line numbers in the amendment if they are

described sufficiently enough to be identified, but the amounts by which they are to be reduced must be specific for each bill in which the reduction is to be made.

(c) The reductions required to be made by this rule must be made in an appropriation bill or bills that are still in the house or in an appropriation bill or bills from the other house that will be considered in the house later in the session. After a bill has passed in the house and been released to the other house, none of the reductions required by this rule may be made in that bill.

(3) If such an amendment is adopted, the amendment shall be considered to be an amendment to the other bill or bills in which the reductions are to be made as well as to the bill in which the increase is made. Therefore, no additional vote shall be required on the amendment making the reductions in the bill or bills when that bill or bills are under consideration by the house. The manner by which the reduction is made shall be a separate amendment to the bill that is designated as an amendment by the house, rather than an amendment by the Appropriations Committee or by an individual member.

(4) (a) When a bill in which the reduction is to be made comes before the house for consideration, the reduction shall be made to the total sum of state support funds authorized to be expended in the bill before the bill is voted on by the house.

(b) If a bill in which the reduction is to be made has already been considered by the house, the reduction shall be made to the total sum of state support funds authorized to be expended in the bill before the bill is released to the other house.

(5) No appropriation bill that authorizes the expenditure of any state support funds for the next fiscal year may be released to the other house until all of the appropriation bills originating in the house or all of the appropriation bills originating in the other house, as the case may be, that authorize the expenditure of any state support funds for the next fiscal year have been passed by the house.

(6) If any statute or rule of either house of the Legislature conflicts with the provisions of this rule, the provisions of this rule shall supersede the conflicting statute or rule to the extent of the conflict.

CONFERENCE

21. When a bill or resolution is returned by either house to the other with amendments, and the house where the bill or resolution originated declined to concur in the amendments, a conference, by a majority vote of those present and voting, may be requested. Such action shall be transmitted by message in which shall be included the names of the conferees on the part of the requesting house. Upon receipt of such message, the other house may, in like manner, grant such conference notifying the requesting house by message and stating the names of the conferees.

22. A conference committee shall consist of three (3) members of the House and three (3) members of the Senate to be appointed by the Speaker of the House and the President of the Senate respectively.

23. Conference committees shall meet as soon as practicable and proceed to confer on the differences between the two (2) houses, seeking to resolve such differences. The conference committee shall report in writing. Such report shall be signed by a majority of the conference committee members appointed from the House and a majority of the conference committee members appointed from the Senate. The report shall be submitted to both houses, and six (6) copies of each report shall be prepared.

23A. (1) All official meetings of any conference committee on a bill or on a resolution proposing a constitutional amendment shall be open to the public at all times, unless

declared an executive session in accordance with the provisions of Section 25-41-7, Mississippi Code of 1972.

(2) The chairman of each Senate and House committee to which such a measure is first referred shall designate one (1), two (2) or three (3) rooms in which official meetings of the conference committees pertaining to such measures shall be held. For the first session of a new term, the designation of the rooms shall be announced within three (3) legislative days after adoption of these joint rules. For all other sessions, the designation of the rooms shall be announced not later than the third legislative day of each session. Copies of a list of these rooms shall be available in the respective offices of the committee chairmen. This announcement shall constitute notice of the place of the official meetings of conference committees, and notice that the time of each meeting shall not be announced individually. If a conference committee meets in a location other than a designated room, a written notice giving the location of the meeting shall be placed in a conspicuous place in one (1) of the designated rooms.

(3) Proper decorum during any official meeting of a conference committee requires that the committee's deliberation be directly related to the committee's primary purpose of resolving the differences between the two (2) houses that pertain to a specific measure. Therefore, the following shall not be allowed during any official meeting of a conference committee:

(a) The use of a cell phone by a conferee or other person in the room in which the conference committee meeting is being conducted;

(b) Any oral, written or electronic communication between a conferee and another person who is not a legislator or legislative staff member, except that a conferee may request that any person at the meeting meet with the conferee outside the room, and any conferee may request a person who is not a member of the conference committee, upon approval of a majority of the members of the committee present, to address the committee in the room.

(4) If any statute or rule of either house of the Legislature conflicts with the provisions of this rule, the provisions of this rule shall supersede the conflicting statute or rule to the extent of the conflict.

24. Only matters in disagreement between the two (2) houses are subject to consideration by conference committee. However, when one (1) house strikes out of a bill all after the enacting clause and inserts new text as an amendment thereto, the conferees may disregard the text of the original bill and of the amendment and may exercise wide discretion in the incorporation of germane new text.

25. When a conference report is considered by the house of origin and it contains an amendment by the other house which adds code sections not included in the bill as passed the house of origin, a point of order that the conference report is not in order shall be sustained and the bill shall be returned to conference.

When a conference report is considered and it contains code sections not included in the bill as passed the house of origin or in an amendment by the other house, a point of order that the conference report is not in order shall be sustained in either house and the bill shall be returned to conference.

26. In the event of the failure of either house to adopt the conference report, or to concur in amendments, the bill or resolution under such consideration shall be lost.

27. All conference reports, and concurrence in amendments adopted by the other house shall require for adoption the same vote as is required for the passage of the bill,

resolution or measure under consideration, and shall be on roll call duly entered and recorded in the journal of the house voting thereon.

28. No bill making an appropriation from, or authorizing the expenditure of money from, any special fund in the State Treasury shall be passed except by the votes of a majority of all the members elected to each house of the Legislature.

29. A motion to reconsider the vote whereby a conference report is adopted or rejected is in order in either house from the time of such adoption or rejection in one (1) house until the end of the session of the next legislative day after notice of disposition by rejection, recommitment to the same conference committee or appointment of a new conference committee by the other house. The provisions of this rule shall supersede any Senate or House rule which may be in conflict herewith.

ENROLLED BILLS

30. When a bill or resolution shall have passed both houses it shall be enrolled, and the Secretary of the Senate or the Clerk of the House of Representatives, as the case may be, shall certify on the margin of the enrolled bill the fact that it originated in his or her house. The enrolled bill may be examined by the Joint Committee on Enrolled Bills, and carefully compared by the committee with the engrossed bill and all typographical errors, if any, corrected; and the committee shall forthwith report in writing to each house, and the report shall be entered in the journals of both houses. The reports shall be signed by the chairman or acting chairman of the Enrolled Bills Committee on the part of each house.

31. After the Committee on Enrolled Bills has reported a bill or resolution duly enrolled, it shall be signed by the Speaker of the House of Representatives and by the President of the Senate during the legislative session in which the bill or resolution was passed.

32. After a bill shall have been signed by the Speaker of the House and the President of the Senate, it shall be presented by the Secretary of the Senate or Clerk of the House, as the case may be, to the Governor for his or her approval. The Secretary or Clerk shall report the day of presentation to the Governor, which time shall be carefully entered on the journals of each house.

33. All Senate and House concurrent resolutions and memorials, which are not to be presented to the Governor, shall be enrolled, signed and delivered to the Secretary of State.

JOINT COMMITTEES

34. The following joint committees shall be appointed:

(a) Committee on Executive Contingent Fund, to consist of five (5) senators and five (5) representatives.

(b) Committee on State Library, to consist of five (5) senators and five (5) representatives.

(c) Committee on Enrolled Bills, to consist of five (5) senators and five (5) representatives.

(d) Committee to Investigate State Offices or Departments, nine (9) on the part of the Senate and nine (9) on the part of the House; the committee shall meet and apportion the labor of such investigation amongst subcommittees and shall report the result of each investigation to the two (2) houses.

(e) A chairman and vice chairman for the Senate members on each of the above committees shall be appointed by the President of the Senate and a chairman and vice chairman for the House members on each committee shall be appointed by the Speaker. A chairman and vice chairman for each of the above committees shall be elected by the respective committees in joint session; however, both the chairman and the vice chairman shall not come from the same house.

MESSAGES

35. When a message shall be sent from one (1) house to the other, such message shall be delivered to the Secretary of the Senate or the Clerk of the House, respectively, as the case may be. A receipt shall be signed for each message so delivered.

LIQUOR AND FIREARMS PROHIBITED

36. No spirituous or malt liquors, or wines, shall be offered for sale, exhibited, or kept within the Capitol building, or in any room connected therewith, or on the public grounds adjacent thereto. It shall be the duty of the Sergeant-at-Arms under the supervision of the respective presiding officers to enforce the foregoing provisions; and any officer, or employee of either house, who shall in any manner violate or connive at the violation of this rule, shall be dismissed from office and service.

37. No member of the Senate or the House or other person, except an official duly authorized by law, shall carry or have on his or her person, concealed in whole or in part, any firearm while in the Capitol, except upon permission granted by a majority vote of the Senate or the House. Any member of the Senate or the House or other person violating this rule shall be subject to such penalty as may be imposed by the Senate or the House, as the case may be, first taking jurisdiction thereof.

LOCAL AND PRIVATE LEGISLATION

38. In addition to observing the injunctions and prohibitions set out in the Constitution of the State of Mississippi, the Senate and the House Committees on Local and Private Legislation shall observe and adhere to the following additional rules and requirements in the consideration of local and private Senate and House bills:

(a) Require that local and private bills, originating in either the Senate or the House, and granting power to any governing authority to perform any official act shall be accompanied by an order or resolution setting out the reasons therefor, duly certified as being a part of the official minutes of that authority. In the event more than one (1) official authority is involved, such certified order or resolution shall be made for each of them.

(b) Require that any bill providing for the transfer of funds shall be accompanied by a certified order or resolution as provided in paragraph (a) of this rule. Such order or resolution shall state whether or not funds proposed to be transferred are pledged for the payment of any outstanding bonds or notes for which there is not already a sufficient surplus accumulated.

(c) Require that any such bills providing for the payment of any claims shall be accompanied by a certified order or resolution as provided in paragraph (a) of this rule, setting out the name of claimants, the nature, amount and reasons for justification of the claim and that with proper authority such claim would be paid.

(d) Require that there shall accompany any bill proposing the issuance of bonds, a certificate from the governing authorities stating that the issuance of such proposed bonds, when added to the present bonded indebtedness of such county, or subdivision thereof, municipality or district, will not exceed any limitation now imposed by law.

JOINT MEETING OF APPROPRIATIONS SUBCOMMITTEES

39. When the chairmen of the Senate and House Appropriations Committees consider it desirable and possible, their subcommittees may meet jointly to hear testimony and question the heads of a department or agency on their budgetary needs for the next fiscal year.

The deletion from a bill of the features which made it a revenue bill shall render the bill a general bill for deadline purposes.

**Conference reports on all bills must be filed with the Secretary/Clerk no later than the time of adjournment on the day prior to being called up and considered. Appropriation bills which actually appropriate money and are recommitted for further conference are excluded from the requirement that the subsequent conference report be filed and lay on table one (1) day before being considered; however, original action must be taken on all appropriation conference reports by 2:00 p.m. on the 84th/112th# day and subsequent reports must be filed no later than 6:00 p.m.

+Committee reports and conference reports that are subject to being filed on these deadlines must be filed with the Secretary/Clerk no later than 8:00 p.m.

#When the Speaker of the House and the Lieutenant Governor have jointly set a date and time to reconvene the Legislature as provided in this resolution, these deadlines shall be adjusted to later dates in seven-day periods which shall be counted in a manner to ensure that each of the deadlines occurs on the same day of the week as the original date for the deadline, with the first deadline occurring no more than fourteen (14) days from the date and time that the Legislature reconvenes.

Whenever the word "day" appears in this rule, it shall mean calendar day.

The above schedule shall not be deviated from except by the passage of a concurrent resolution adopted by a vote of two-thirds (2/3) of the membership of the House and Senate present and voting.

**C. CONSTITUTIONAL PROVISIONS
AFFECTING
THE LEGISLATURE AND LEGISLATION****RULES OF PROCEDURE**

Section 54. A majority of each house shall constitute a quorum to do business; but a less number may adjourn from day to day and compel the attendance of absent members in such manner and under such penalties as each shall provide.

Section 55. Each house may determine rules of its own proceedings, punish its members for disorderly behavior, and, with the concurrence of two-thirds (2/3) of the members present, expel a member; but no member, unless expelled for theft, bribery or corruption, shall be expelled the second time for the same offense. Both houses shall, from time to time, publish journals of their proceedings, except such parts as may, in their opinion, require secrecy; and the yeas and nays on any question shall be entered on the Journal, at the request of one-tenth (1/10) of the members present; and the yeas and nays shall be entered on the Journal on the final passage of every bill.

Section 56. The style of the laws of the State shall be: "Be it enacted by the Legislature of the State of Mississippi."

Section 57. Neither house shall, without the consent of the other, adjourn for more than three (3) days, nor to any other place than that in which the two (2) houses shall be sitting.

The doors of each house, when in session, or in Committee of the Whole, shall be kept open, except in cases which may require secrecy; and each house may punish, by fine and imprisonment any person not a member, who shall be guilty of disrespect to the house by any disorderly or contemptuous behavior in its presence, or who shall in any way disturb its deliberations during the session; but such imprisonment shall not extend beyond the final adjournment of that session.

Section 59. Bills may originate in either house, and be amended or rejected in the other, and every bill shall be read by its title on three (3) different days in each house, unless two-thirds (2/3) of the house where the same is pending shall dispense with the rules; and every bill shall be read in full immediately before the vote on its final passage upon the demand of any member; and every bill, having passed both houses, shall be signed by the President of the Senate and the Speaker of the House of Representatives during the legislative session.

Section 60. No bill shall be so amended in its passage through either house as to change its original purpose; and no law shall be passed except by bill; but orders, votes, and resolutions of both houses, affecting the prerogatives and duties thereof, or relating to adjournment, to amendments to the Constitution, to the investigation of public officers, and the like, shall not require the signature of the Governor; and such resolutions, orders and votes may empower legislative committees to administer oaths, to send for persons and papers, and generally make legislative investigations effective.

Section 61. No law shall be revived or amended by reference to its title only, but the section or sections, as amended or revived, shall be inserted at length.

Section 62. No amendment to bills by one (1) house shall be concurred in by the other, except by a vote of the majority thereof, taken by yeas and nays and the names of those voting for and against recorded upon the journals; and reports of committees of conference shall in like manner be adopted in each house.

Section 63. No appropriation bill shall be passed by the Legislature which does not fix definitely the maximum sum thereby authorized to be drawn from the Treasury.

Section 64. No bill passed after the adoption of this Constitution to make appropriations of money out of the State Treasury shall continue in force more than two (2) months after the expiration of the fiscal year ending after the meeting of the Legislature at its next regular session; nor shall such bill be passed except by the votes of a majority of all members elected to each house of the Legislature.

Section 65. All votes on the final passage of any measure shall be subject to reconsideration for at least one (1) whole legislative day, and no motion to reconsider such vote shall be disposed of adversely on the day on which the original vote was taken, except on the last day of the session.

Section 66. No law granting a donation or gratuity in favor of any person or object shall be enacted except by the concurrence of two-thirds (2/3) of the members-elect of each branch of the Legislature, nor by any vote for a sectarian purpose or use.

Section 67. No new bill shall be introduced into either house of the Legislature during the last three (3) days of the session.

Section 68. Appropriation and revenue bills shall, at regular sessions of the Legislature, have precedence in both houses over all other business, and no such bills shall be passed during the last five (5) days of the session.

Section 69. General appropriation bills shall contain only the appropriations to defray the ordinary expenses of the executive, legislative and judicial departments of the government; to pay interest on state bonds and to support the common schools. All other appropriations shall be made by separate bills, each embracing but one (1) subject. Legislation shall not be engrafted on appropriation bills, but the same may prescribe the conditions on which the money may be drawn, and for what purposes paid.

Section 70. No revenue bill, or any bill providing for assessment of property for taxation, shall become a law except by a vote of at least three-fifths (3/5) of the members of each house present and voting.

Section 71. Every bill introduced into the Legislature shall have a title, and the title ought to indicate clearly the subject-matter or matters of the proposed legislation. Each committee to which a bill may be referred shall express, in writing, its judgment of the sufficiency of the title of the bill and this, too, whether recommendation be that the bill do pass or do not pass.

Section 72. Every bill which shall pass both houses shall be presented to the Governor of the state. If he shall approve, he shall sign it; but if he does not approve, he shall return it, with his objections, to the house in which it originated, which shall enter the objections at large upon its Journal, and proceed to reconsider it. If after such reconsideration, two-thirds (2/3) of that house shall agree to pass the bill, it shall be sent, with the objections, to the other house, by which, likewise, it shall be reconsidered; and if approved by two-thirds (2/3) of that house, it shall become a law; but in all such cases the votes of both houses shall be determined by yeas and nays, and the names of the persons voting for and against the bill shall be entered on the Journal of each house respectively. If any bill shall not be returned by the Governor within five (5) days (Sundays excepted) after it has been presented to him, it shall become law in like manner as if he had signed it, unless the Legislature, by adjournment, prevented its return, in which case such bill shall be a law unless the Governor shall veto it within fifteen (15) days (Sundays excepted) after it is presented to him, and such bill shall be returned to the Legislature, with his objections, within three (3) days after the beginning of the next session of the Legislature.

Section 73. The Governor may veto parts of any appropriation bill and approve parts of the same, and the portions approved shall be law.

Section 74. No bill shall become a law until it shall have been referred to a committee of each house and returned therefrom with a recommendation in writing.

Section 75. No law of a general nature, unless therein otherwise provided, shall be enforced until sixty (60) days after its passage.

Section 76. In all elections by the Legislature, members shall vote viva voce, and the votes shall be entered on the journals.

Section 77. The Governor shall issue writs of election to fill such vacancies as may occur in either house of the Legislature, and the persons thereupon chosen shall hold their seats for the unexpired term.

Section 129. The Lieutenant Governor shall, by virtue of his office, be President of the Senate. In Committee of the Whole he may debate all questions, and where there is an equal division in the Senate, or on a joint vote of both houses, he shall give the casting vote.

Section 139. The Legislature may empower the Governor to remove and appoint officers, in any county or counties or municipal corporations, under such regulations as may be prescribed by law.

Section 253. The Legislature may, by a two-thirds (2/3) vote of both houses, of all members elected, restore the right of suffrage to any person disqualified by reason of crime; but the reasons therefor shall be spread upon the journals, and the vote shall be by yeas and nays.

INJUNCTIONS

Section 78. It shall be the duty of the Legislature to regulate by law the cases in which deductions shall be made from salaries of public officers for neglect of official duty, and the amount of said deductions.

Section 79. The Legislature shall provide by law for the sale of all delinquent tax lands. The courts shall apply the same liberal principles in favor of such titles as in sale by execution. The right of redemption from all sales of real estate, for the nonpayment of taxes or special assessments, of any and every character whatsoever, shall exist, on conditions to be prescribed by law, in favor of owners and persons interested in such real estate, for a period of not less than two (2) years.

Section 80. Provisions shall be made by general laws to prevent the abuse by cities, towns, and other municipal corporations of their powers of assessment, taxation, borrowing money, and contracting debts.

Section 81. The Legislature shall never authorize the permanent obstruction of any of the navigable waters of the state, but may provide for the removal of such obstructions as now exist, whenever the public welfare demands. This section shall not prevent the construction, under proper authority, of drawbridges for railroads, or other roads nor the construction of booms and chutes for logs, nor the construction, operation and maintenance of facilities incident to the exploration, production or transportation of oil, gas or other minerals, nor the construction, operation and maintenance of bridges and causeways in such manner as not to prevent the safe passage of vessels or logs under regulations to be provided by law.

Section 82. The Legislature shall fix the amount of the penalty of all official bonds, and may, as far as practicable, provide that the whole or a part of the security required for the faithful discharge of official duty shall be made by some guaranty company or companies.

Section 87. No special or local law shall be enacted for the benefit of individuals or corporations, in cases which are or can be provided for by the general law, or where the relief sought can be given by any court of this state; nor shall the operation of any general law be suspended by the Legislature for the benefit of any individual or private corporation or association, and in all cases where a general law can be made applicable, and would be advantageous, no special law shall be enacted.

Section 88. The Legislature shall pass general laws, under which local and private interests shall be provided for and protected, and under which cities and towns may be chartered and their charters amended, and under which corporations may be created, organized, and their acts of incorporation altered; and all such laws shall be subject to repeal or amendment.

Section 89. There shall be appointed in each house of the Legislature a standing committee on Local and Private Legislation; the House committee to consist of seven (7) representatives and the Senate committee of five (5) senators. No local or private bill shall be passed by either house until it shall have been referred to said committee thereof and shall have been reported back with a recommendation in writing that it do pass, stating affirmatively the reasons therefor, and why the end to be accomplished should not be reached by general law, or by a proceeding in court; or if the recommendation of the committee be that the bill do not pass, then it shall not pass the house to which it is so reported unless it be voted for by a majority of all the members elected thereto. If a bill is passed in conformity to the requirements hereof, other than such as prohibited in the next section, the courts shall not, because of its local, special or private nature refuse to enforce it.

Section 90. The Legislature shall not pass local, private or special laws in any of the following enumerated cases, but such matters shall be provided for only by general laws, viz:

- (a) Granting divorces;

CONSTITUTIONAL PROHIBITIONS

Section 91. The Legislature shall not enact any law for one or more counties, not applicable to all the counties in the state, increasing the uniform charge for the registration of deeds, or regulating costs and charges and fees of officers.

Section 92. The Legislature shall not authorize payment to any person of the salary of a deceased officer beyond the date of his death.

Section 93. The Legislature shall not retire any officer on pay, or part pay, or make any grant to such retiring officer.

Section 94. The Legislature shall never create by law any distinction between the rights of men and women to acquire, own, enjoy and dispose of property of all kinds, or their power to contract in reference thereto. Married women are hereby fully emancipated from

all disability on account of coverture. But this shall not prevent the Legislature from regulating contracts between husband and wife; nor shall the Legislature be prevented from regulating the sale of homesteads.

Section 95. Lands belonging to, or under the control of the state, shall never be donated directly or indirectly, to private corporations or individuals, or to railroad companies. Nor shall such land be sold to corporations or associations for a less price than that for which it is subject to sale to individuals. This, however, shall not prevent the Legislature from granting a right-of-way, not exceeding one hundred (100) feet in width, as a mere easement to railroads across state lands, and the Legislature shall never dispose of the land covered by said right-of-way so long as such easement exists.

Section 96. The Legislature shall never grant extra compensation, fees or allowances to any public officer, agent, servant or contractor, after service rendered or contract made, nor authorize payment, or part payment of any claim, under any contract not authorized by law; but appropriations may be made for expenditures in repelling invasion, preventing or suppressing insurrections.

Section 99. The Legislature shall not elect any other than its own officers and State Librarian.

Section 100. No obligation or liability of any person, association or corporation held or owned by this state, or levee board, or any county, city or town thereof, shall ever be remitted, released or postponed, or in any way diminished by the Legislature, nor shall such liability or obligation be extinguished except by payment thereof into the proper treasury; nor shall such liability or obligation be exchanged or transferred except upon payment of its face value; but this shall not be construed to prevent the Legislature from providing by general law for compromise of doubtful claims.
