REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 196: "Dignity for Incarcerated Women Act": create.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.

2. That the House and Senate adopt the following amendment:

   Amend by striking all after the enacting clause and inserting in lieu thereof the following:

   SECTION 1. Title. Sections 1 through 9 of this act may be cited as the "Dignity for Incarcerated Women Act."

   SECTION 2. Legislative findings and purpose. The Legislature of the State of Mississippi finds that:
   (a) The number of incarcerated women in the State of Mississippi has increased by a third (1/3) since 2001 and at one point in 2008 the rate had grown by forty-four percent (44%);
   (b) Nationally, the number of children under age eighteen (18) with a mother in prison more than doubled since 1991;
   (c) Children who grow up with parents in prison are six (6) to seven (7) times more likely to become incarcerated themselves;
   (d) Prisoners who maintain close contact with their family members while incarcerated have better post-release outcomes and lower recidivism rates;
   (e) Children of inmates who are able to visit their imprisoned parents have increased cognitive skills, improved academic self-esteem, greater self-control and change schools much less often;
   (f) To mitigate the collateral impact on families and children, the Department of Corrections should consider the location of family;
   (g) Nationally, approximately two thousand (2,000) women give birth while incarcerated each year;
   (h) Prenatal care significantly improves outcomes for pregnant women and infants;
(i) Participation in post-delivery mother-infant residency or nursery programs is associated with lower recidivism rates, reduced risk of babies entering foster care, and improved odds that mothers and their babies will remain together after the mother's period of incarceration;
(j) Use of restrictive housing and restraints on incarcerated pregnant women may be extremely dangerous to the health of mothers, fetuses and infants; and
(k) Nationally, eighty-six percent (86%) of women in prison were victims of sexual assault prior to entering the prison system.

SECTION 3. Definitions. (a) “Restraints” means any physical or mechanical device used to restrict or control the movement of a prisoner's body, limbs, or both.
(b) “Body cavity searches” means invasive searches on inmates, conducted by facility employees in search of contraband.
(c) “Flight risk” means an inmate who has shown the desire to escape the facility.
(d) “Restrictive housing” means any type of detention that involves:
   (i) Removal from the general inmate population, whether voluntary or involuntary; and
   (ii) Inability to leave a room or cell for the vast majority of the day.
(e) “Postpartum recovery” means the eight-week period, or longer as determined by the healthcare professional responsible for the health and safety of the prisoner.
(f) “Menstrual hygiene products” means products that women use during their menstrual cycle. This includes tampons, sanitary napkins and menstrual cups.
(g) “Indigent” means an inmate who has less than an average of Sixteen Dollars ($16.00) in her prison account.
(h) “Correctional facility employee” refers to anyone who is employed by the facility or the Department of Corrections.
(i) “State of undress” refers to a state where a female is partially or fully naked, either in the shower, toilet areas, a medical examination room or having a body cavity search conducted.

SECTION 4. Care for incarcerated women related to pregnancy and childbirth.
(1) Upon notification and/or diagnosis of an inmate's pregnancy, and for the duration of the pregnancy, and for thirty (30) days following the inmate's delivery, the Department of Corrections and/or a correctional facility employee shall not apply the following restraints on the pregnant inmate unless a correctional facility employee has a reasonable belief that the inmate will harm herself, the fetus, or any other person, or pose a substantial flight risk:

   (b) Handcuffs or other wrist restraints, except to restrain the inmate's wrists in front of her.
   (c) No restraints connected to other inmates.
(2) No restraints shall be used on any pregnant inmate while in labor or during delivery unless a correctional facility employee has a reasonable belief that the inmate will harm herself, the fetus, or any other person, or pose a substantial flight risk. In such case, the correctional facility employee ordering use of restraints on any female inmate while in labor or during delivery shall submit a written report to the warden of the facility within seventy-two (72) hours following the use of restraints, containing the justification for restraining the female inmate during labor and delivery.
(3) No facility employee of the Department of Corrections, other than a certified healthcare professional, shall conduct invasive body cavity searches of pregnant inmates unless the correctional facility employee has a reasonable belief that the female inmate is concealing contraband. In such case, the correctional facility employee shall submit a written report to the warden of the facility within seventy-two (72) hours following the invasive search, containing the justification for the invasive search and what contraband, if any was recovered.
(4) The Department of Corrections shall ensure that pregnant inmates be provided sufficient food and dietary supplements as ordered by a physician, physician...
staff member, or a facility nutritionist to meet general accepted prenatal nutritional guidelines for pregnant women.

(5) The Department of Corrections shall not place any pregnant inmate, or any female inmate who has given birth within the previous thirty (30) days, in restrictive housing unless a correctional facility employee has a reasonable belief that the inmate will harm herself, the fetus or any other person, or pose a substantial flight risk. In such case, the correctional facility employee authorizing the placement of the inmate in restrictive housing shall submit a written report to the warden of the facility within seventy-two (72) hours following the transfer, containing the justification for confining the female inmate in restrictive housing.

(6) The Department of Corrections shall not assign any pregnant inmate to any bed that is elevated more than three (3) feet from the floor of the facility.

(7) The warden of the facility shall compile a monthly summary of all written reports received pursuant to Section (4) subsections (2), (3) and (5) of this act and under Section 5 (1) of this act. The warden shall submit the summary to the Commissioner of the Department of Corrections each month.

SECTION 5. Inmate postpartum recovery. (1) No restraints shall be used on any female inmate who has given birth within the last thirty (30) days and is in postpartum recovery, unless the Department of Corrections has a reasonable belief that the female inmate will harm herself, her newborn, or any other person, or pose a substantial flight risk. In such case, the facility employee ordering use of restraints on any inmate while in postpartum recovery shall submit a written report to the warden of the facility within seventy-two (72) hours following the use of restraints, containing the justification for restraining the female inmate during postpartum recovery.

(b) Eliminating restrictions on the number of dependent children under the age of eighteen (18) that may be permitted visitation privileges.

Nothing in this section shall limit the ability of a male correctional officer from conducting inspections where a female may be in a state of undress if no female correctional officers are available.

(2) In such case that a male correctional officer deems it is appropriate to conduct an inspection or search while the female inmate is in a clear state of undress in an area such as the shower, the medical examination room, toilet areas or where a female
inmate is having a body cavity search, the male correctional officer shall submit a written report to the warden of the facility within seventy-two (72) hours following the inspection or search, containing the justification for a male correctional officer to inspect the female inmate while in a state of undress.

SECTION 8. Access to feminine hygiene products. The Department of Corrections shall ensure that sufficient personal hygiene products are available at each facility for all incarcerated women.

SECTION 9. Training and technical assistance. Rep. Huddleston called up the conference report on the following bill and moved that it be adopted:

S. B. No. 2313: Mississippi Intercollegiate Athletics Compensation Rights Act; allow athletes to be compensated for name, image and likeness.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2313: Mississippi Intercollegiate Athletics Compensation Rights Act; allow athletes to be compensated for name, image and likeness.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.

2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. This act shall be known and may be cited as the "Mississippi Intercollegiate Athletics Compensation Rights Act."

SECTION 2. (1) As used in this act, the following terms shall have the following meanings unless the context clearly indicates otherwise:

(a) "Compensation" means anything of value, monetary or otherwise, including, but not limited to, cash, gifts, in-kind items of value, social media compensation, payments for licensing or use of publicity rights, payments for other intellectual or intangible property rights under federal or state law, and any other form of payment or remuneration, except as excluded under this act.

For the purposes of this act, "compensation" shall not mean or include the following:

(i) Tuition, room, board, books, fees and personal expenses that a postsecondary educational institution provides a student-athlete in accordance with the rules of the athletic association or conference of which the postsecondary educational institution is a member;

(ii) Federal Pell Grants and other state and federal grants or scholarships unrelated to, and not awarded because of a student-athlete's participation in intercollegiate athletics or sports competition;

(iii) Any other financial aid, benefits or awards that a postsecondary educational institution provides a student-athlete in accordance with the rules of the athletic association or conference of which the postsecondary educational institution is a member; or

(iv) The payment of wages and benefits to a student-athlete for work actually performed (but not for athletic ability or participation in intercollegiate athletics) at a rate commensurate with the prevailing rate for similar work in the locality of the student-athlete's postsecondary educational institution.
(b) "Image" means a picture of the student-athlete.
(c) "Intercollegiate athletics program" means an intercollegiate
athletics program played at the collegiate level for which eligibility requirements for
participation by a student-athlete are established by a national association for the
promotion or regulation of collegiate athletics.
(d) "Likeness" means a physical, digital or other depiction or
representation of a student-athlete.
(e) "Name" means the first or last name, or the nickname, of a
student-athlete when used in a context that reasonably identifies the student-athlete with
particularity.
(f) "Name, Image and Likeness Agreement" means a contract or
similar arrangement between a student-athlete and a third-party licensee regarding the
commercial use of the name, image or likeness of the student-athlete.
(g) "Publicity right" means any right that is:
   (i) Licensed under a name, image, and likeness agreement; or
   (ii) Recognized under a federal or state law that permits
an individual to control and profit from the commercial use of the name, image or likeness
of the individual.
(h) "Postsecondary educational institution" means a public university
or community college or private university or college.
(i) "Social media compensation" means all forms of payment for
engagement on social media received by a student-athlete as a result of the use of that
student-athlete's name, image or likeness.
(j) "Student-athlete" means an individual who engages in, is eligible
to engage in, or may be eligible in the future to engage in, intercollegiate athletics program
at a postsecondary educational institution. If an individual is permanently ineligible to
participate in a particular intercollegiate sport, the individual is not a student-athlete for
purposes of that sport.
(k) "Third-party licensee" means any individual or entity that licenses
publicity rights or the use of name, image or likeness from any prospective or current
student-athlete or group of student-athletes. The term "third-party licensee" shall not
include any national association for the promotion or regulation of collegiate athletics,
athletics conference, or postsecondary educational institution.

SECTION 3. (1) Except as provided in Section 4 of this act, a student-athlete
may:
(a) Earn compensation, commensurate with market value, for the
use of the name, image, or likeness of the student-athlete while enrolled at a
postsecondary educational institution; and
(b) Obtain and retain a certified agent for any matter or activity
relating to such compensation.
(2) No student-athlete may earn compensation in exchange for the student-
athlete's athletic ability or participation in intercollegiate athletics or sports competition.
(3) Notwithstanding any other provision of applicable law or agreement to the
contrary, a student-athlete shall not be deemed an employee or independent contractor
of an association, a conference, or a postsecondary educational institution based on the
student-athlete's participation in an intercollegiate athletics program.

SECTION 4. (1) Except as provided for under this act, a postsecondary
educational institution shall not uphold any contract, rule, regulation, standard or other
requirement that prevents a student-athlete of that institution from earning compensation
as a result of the use of the student's name, image, or likeness. Any such contract, rule,
regulation standard or other requirement shall be void and unenforceable against the
postsecondary educational institution or the student-athlete. Compensation from the use
of a student-athlete's name, image, or likeness may not affect the student-athlete's
scholarship eligibility, grant-in-aid or other financial aid, awards or benefits, or the student-
athlete's intercollegiate athletic eligibility. Nothing in this act is intended to alter any state
and federal laws or regulations regarding the award of financial aid at postsecondary
educational institutions.
(2) Except as provided for in this act, an athletic association, conference or other group or organization with authority over intercollegiate athletic programs, including, but not limited to, the National Collegiate Athletic Association (NCAA) and the National Junior College Athletic Association (NJCAA), shall not prevent, or otherwise enforce a contract, rule, regulation, standard or other requirement that prevents, a student-athlete of a postsecondary educational institution from earning compensation as a result of the use of the student-athlete’s name, image or likeness.

(3) To protect the integrity of its educational mission and intercollegiate athletics program, a postsecondary educational institution may impose reasonable limitations on the dates and time that a student-athlete may participate in endorsement, promotional, social media or other activities related to the license or use of the student-athlete's name, image and likeness. Nothing in this act shall restrict a postsecondary educational institution from exercising its sole discretion to control the authorized use of its marks or logos or to determine a student-athlete's apparel, gear or other wearables during an intercollegiate athletics competition or institution-sponsored event. A student-athlete may not receive or enter into a contract for compensation for the use of his or her name, image or likeness in a way that also uses any registered or licensed marks, logos, verbiage or designs of a postsecondary institution, unless the institution has provided the student-athlete with written permission to do so prior to execution of the contract or receipt of compensation. If permission is granted, the postsecondary educational institution, by agreement of all parties, may be compensated for the use in a manner consistent with market rates. A postsecondary educational institution may also prohibit a student-athlete from wearing any item of clothing, shoes, or other gear or wearables with the name, logo or insignia of any entity during an intercollegiate athletics competition or institution-sponsored event.

(4) An athletic association, conference or other group or organization with authority over intercollegiate athletics programs, including, but not limited to, the National Collegiate Athletic Association and the National Junior College Athletic Association, shall not enforce a contract, rule, regulation, standard or other requirement that prevents a postsecondary educational institution from participating in an intercollegiate athletics program as a result of the compensation of a student-athlete for the use of the student-athlete's name, image or likeness.

(5) A postsecondary educational institution, athletic association, conference or other group or organization with authority over intercollegiate athletics programs, including, but not limited to, the National Collegiate Athletic Association and the National Junior College Athletic Association, shall not, directly or indirectly:

(a) Enter into, or offer to enter into, a name, image and likeness agreement with a prospective or current student-athlete; or

(b) Provide a prospective or current student-athlete or the student-athlete's family compensation in relation to the use of the student-athlete's name, image or likeness.

(3) The board shall not revoke, suspend or refuse to issue or renew any license or certificate, or fine, place on probation or otherwise discipline any person in a disciplinary matter except after a hearing of which the applicant or licensee or holder of the certificate affected shall be given at least twenty (20) days’ notice in writing, specifying the reason
or reasons for denying the applicant a license or certificate of registration, or in the case of any other disciplinary action, the offense or offenses of which the licensee or holder of a certificate of registration is charged. Such notice may be served by mailing a copy thereof by United States first-class certified mail, postage prepaid, to the last-known residence or business address of such applicant, licensee or holder of a certificate. All witnesses who shall be subpoenaed, and who shall appear in any proceedings before the board, shall receive the same fees and mileage as allowed by law.

(6) Where in any proceeding before the board any witness shall fail or refuse to attend upon subpoena issued by the board, shall refuse to testify, or shall refuse to produce any books and papers, the production of which is called for by the subpoena, the attendance of such witness and the giving of his testimony and the production of the books and papers shall be enforced by any court of competent jurisdiction of this state, in the same manner as are enforced for the attendance and testimony of witnesses in civil cases in the courts of this state.

(7) The board shall conduct the hearing in an orderly and continuous manner, granting continuances only when the ends of justice may be served. The board shall, within sixty (60) days after conclusion of the hearing, reduce its decision to writing and forward an attested true copy thereof to the last-known residence or business address of such applicant, licensee or holder of a certificate, by way of United States first-class certified mail, postage prepaid. Such applicant, licensee, holder of a certificate, or person aggrieved shall have the right of appeal from an adverse ruling, or order, or decision of the board to the Chancery Court of the First Judicial District of Hinds County, Mississippi, upon forwarding notice of appeal to the board within thirty (30) days after the decision of the board is mailed in the manner here contemplated. An appeal will not be allowed in the event notice of appeal, together with the appeal bond hereinafter required, shall not have been forwarded to the board within the thirty-day period. Appeal shall be to the Chancery Court of the First Judicial District of Hinds County, Mississippi. The appeal shall thereupon be heard in due course by the court which shall review the record and make its determination therein.

(8) The appellant shall, together with the notice of appeal, forward to and post with the board a satisfactory bond in the amount of Five Hundred Dollars ($500.00) for the payment of any costs which may be adjudged against him.

(9) In the event of an appeal, the court shall dispose of the appeal and enter its decision promptly. The hearing on the appeal may, in the discretion of the chancellor, be tried in vacation. If there is an appeal, such appeal may, in the discretion of and on motion to the chancery court, act as a supersedeas. However, any fine imposed by the board under the provisions of this chapter shall not take effect until after the time for appeal has expired, and an appeal of the imposition of such a fine shall act as a supersedeas.

(10) Any fine imposed by the board upon a licensee or holder of a certificate shall be in accordance with the following schedule:

(a) For the first violation, a fine of not less than Fifty Dollars ($50.00) nor more than One Hundred Dollars ($100.00) for each violation.

(b) For the second and each subsequent violation, a fine of not less than One Hundred Dollars ($100.00) nor more than Four Hundred Dollars ($400.00) for each violation.
The power and authority of the board to impose such fines under this section shall not be affected or diminished by any other proceeding, civil or criminal, concerning the same violation or violations.

(11) In addition to the reasons specified in subsection (2) of this section, the board shall be authorized to suspend the license of any licensee for being out of compliance with an order for support, as defined in Section 93-11-153. The procedure for suspension of a license for being out of compliance with an order for support, and the procedure for the reissuance or reinstatement of a license suspended for that purpose, shall be governed by Section 93-11-157 or 93-11-163, as the case may be. Actions taken by the board in suspending a license when required by Section 93-11-157 or 93-11-163 are not actions from which an appeal may be taken under this section. Any appeal of a license suspension that is required by Section 93-11-157 or 93-11-163 shall be taken in accordance with the appeal procedure specified in Section 93-11-157 or 93-11-163, as the case may be, rather than the procedure specified in this section. If there is any conflict between any provision of Section 93-11-157 or 93-11-163 and any provision of this chapter, the provisions of Section 93-11-157 or 93-11-163, as the case may be, shall control.

(c) Barbers, and nothing in this chapter shall affect the jurisdiction of the State Board of Barber Examiners.

(d) Persons engaged in the practice of hair braiding as defined in Section 73-7-71 who have completed the self-test part of the brochure on infection control techniques prepared by the State Department of Health and who keep the brochure and completed self-test available at the location at which the person is engaged in hair braiding.

Persons with a communicable disease or parasitic infection that is medically recognized to be a direct threat of transmission by the type of contact that practitioners have with clients are not to be permitted to practice in an establishment until their condition is no longer communicable under those circumstances. No work shall be performed on any patron having a visible disease unless the patron shall produce a certificate from a practicing physician stating that the patron is free from infectious, contagious or communicable disease. A cosmetologist's license does not authorize such person to treat or prescribe for an infectious, contagious or any other disease.

A home salon must have a solid wall to the ceiling with an outside entrance, or if a door exists between the salon and the remainder of the house, the door must be kept closed at all times while service is being rendered.

SECTION 23. Section 73-7-35, Mississippi Code of 1972, is reenacted and amended as follows:

73-7-35. (1) No person licensed pursuant to this chapter shall practice his or her profession except within the physical confines of a salon possessing and displaying a properly executed license issued pursuant to Section 73-7-17. However, this requirement shall not prevent a person from rendering his or her services to any person who may be confined to his or her home, a hospital, or other place as a result of illness, and cosmetologists shall be permitted to render their services to deceased persons away from their salons.

(2) No salon owner licensed pursuant to this chapter shall allow a cosmetologist, aesthetician, or manicurist to practice his/her profession in the salon without possessing a valid license issued pursuant to this chapter. No unlicensed person may practice his/her profession, including hair braiding, as defined by Section 73-7-71, and makeup artistry, as defined in Section 73-7-2, in a licensed salon.

SECTION 24. Section 73-7-37, Mississippi Code of 1972, is reenacted as follows:

73-7-37. (1) The violation of any of the provisions of this chapter, including the use of fraudulent statements to obtain any benefits or privileges under this chapter or practicing one (1) of these professions without a license, shall constitute a misdemeanor, punishable in any court of competent jurisdiction at the seat of government, and any person or firm convicted of the violation of any of the provisions of this chapter shall be fined not less than One Hundred Dollars ($100.00) nor more than Five Hundred Dollars
($500.00). The court shall not be authorized to suspend or suspend the execution of the fine required under this section.

(2) If any person, firm or corporation violates any of the provisions of this chapter, the secretary of the board, upon direction of a majority of the board and in the name of the board, acting through the Attorney General or an attorney employed by the board, shall apply in the Chancery Court of the First Judicial District of Hinds County, Mississippi, for an order enjoining such violation or for an order enforcing compliance with the provisions of this chapter. Upon the filing of a verified petition in the chancery court and after notice as provided under the Mississippi Rules of Civil Procedure, such court, if satisfied by the sworn petition, by affidavit or otherwise, that such person has violated any of the provisions of this chapter, may issue an injunction without notice or bond, enjoining such continued violation and such injunction shall remain in force and effect until a final hearing. If at such hearing it is established that such person has violated or is violating any of the provisions of this chapter, the court may enter a decree permanently enjoining such violation or enforcing compliance with this chapter. In addition, the court may enter a judgment against such person for attorney’s fees, court costs and the actual costs incurred by the board in investigating the actions of such person for which the board brought the suit for an injunction. In case of violation of any decree issued in compliance with this subsection, the court may punish the offender for contempt of court and the court shall proceed as in other cases.

(3) The proceedings in this section shall be in addition to and not in lieu of the other remedies and penalties provided in this chapter.

SECTION 25. Section 73-7-63, Mississippi Code of 1972, is amended as follows:

73-7-63. Sections 73-7-1 through 73-7-37, which create the State Board of Cosmetology and prescribe its duties and powers, shall stand repealed ** on July 1, ** 2024.

SECTION 26. Section 73-5-41, Mississippi Code of 1972, is amended as follows:

(c) Registered nurses.
(d) Cosmetologists, and nothing in this chapter shall affect the jurisdiction of the State Board of Cosmetology.
(e) Persons whose practice is limited to only makeup artistry, threading or applying or removing eyelash extensions.

(2) The provision of this section shall not be construed to authorize any of the persons exempted to shave, trim the beard, or cut the hair of any person, or perform any other act that constitutes barbering, for cosmetic purposes, with the exception of persons licensed by the State Board of Cosmetology or persons whose practice is limited to only makeup artistry, threading or applying or removing eyelash extensions.

SECTION 27. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2024: Depositories; revise bid process for selection by counties and municipalities.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.

2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 27-105-305, Mississippi Code of 1972, is amended as follows:

27-105-305. The board of supervisors at the regular December 1997 meeting, and annually thereafter or, in the discretion of the board of supervisors, * * * thereafter at such other interval of time as determined by the board of supervisors, but no less frequently than every four (4) years, shall give notice to all financial institutions in its county whose accounts are insured by the Federal Deposit Insurance Corporation (or any successor thereto), by publication, that bids will be received from financial institutions at the following January meeting, or some subsequent meeting, for the privilege of keeping the county funds, or any part thereof, which notice shall refer by name to this article and it shall not be necessary to incorporate in the notice the provisions of this article; and at the January meeting, or a subsequent meeting as may be designated in the notice, as the case may be, the board of supervisors shall receive such bids or proposals as the financial institutions may make for the privilege of keeping the county funds, or any part thereof. The bids or proposals shall designate the kind of security as authorized by law which the financial institutions propose to give as security for funds, and the board shall cause the county funds and all other funds in the hands of the county treasurer to be deposited in the qualified financial institution or qualified institutions proposing the best terms, taking into consideration all material aspects of the proposal, including, but not limited to, net earnings, account costs, costs of transfer of accounts from existing depositories, banking services provided and other service considerations, and meeting the requirements provided in Section 27-105-315, having in view the safety of such funds. However, if a bank submits a bid or offer to the board of supervisors to act as a depository for the county and the bid or offer, if accepted, would result in a contract in which a member of the board of supervisors would have a direct or indirect interest, the board of supervisors may elect to not open or consider any bids received and submit the matter to the State Treasurer. Upon receipt of the bids received from the board of supervisors, the State * * * Treasurer shall open and consider the bids received, select a depository or depositories, make all
decisions and take any action within the authority of the board of supervisors under this section relating to the selection of a depository or depositories, including:

(a) The selecting and opening of accounts;
(b) Approval of securities;
(c) The transfer and deposit of funds between depositories; and
(d) All other related functions.

If the board of supervisors elects to open and consider the bids or offers, it shall not open or consider any bid which, if accepted, would result in a contract in which a member of the board of supervisors would have a direct or indirect interest.

SECTION 2. Section 31-7-13, Mississippi Code of 1972, is amended as follows:

31-7-13. All agencies and governing authorities shall purchase their commodities and printing; contract for garbage collection or disposal; contract for solid waste collection or disposal; contract for sewage collection or disposal; contract for public construction; and contract for rentals as herein provided.

(a) Bidding procedure for purchases not over $5,000.00. Purchases which do not involve an expenditure of more than Five Thousand Dollars ($5,000.00), exclusive of freight or shipping charges, may be made without advertising or otherwise requesting competitive bids. However, nothing contained in this paragraph (a) shall be construed to prohibit any agency or governing authority from establishing procedures which require competitive bids on purchases of Five Thousand Dollars ($5,000.00) or less.

(b) Bidding procedure for purchases over $5,000.00 but not over $50,000.00. Purchases which involve an expenditure of more than Five Thousand Dollars ($5,000.00) but not more than Fifty Thousand Dollars ($50,000.00), exclusive of freight and shipping charges, may be made from the lowest and best bidder without publishing or posting advertisement for bids, provided at least two (2) competitive written bids have been obtained. Any state agency or community/junior college purchasing commodities or procuring construction pursuant to this paragraph (b) may authorize its purchasing agent, or his designee, to accept the lowest competitive written bid under Fifty Thousand Dollars ($50,000.00). Any governing authority purchasing commodities pursuant to this paragraph (b) may authorize its purchasing agent, or his designee, with regard to governing authorities other than counties, or its purchase clerk, or his designee, with regard to counties, to accept the lowest and best competitive written bid. Such authorization shall be made in writing by the governing authority and shall be maintained on file in the primary office of the agency and recorded in the official minutes of the governing authority, as appropriate. The purchasing agent or the purchase clerk, or ** * his designee, as the case may be, and not the governing authority, shall be liable for any penalties and/or damages as may be imposed by law for any act or omission of the purchasing agent or purchase clerk, or ** * his designee, constituting a violation of law in accepting any bid without approval by the governing authority. The term “competitive written bid” shall mean a bid submitted on a bid form furnished by the buying agency or governing authority and signed by authorized personnel representing the vendor, or a bid submitted on a vendor's letterhead or identifiable bid form and signed by authorized personnel representing the vendor. "Competitive" shall mean that the bids are developed based upon comparable identification of the needs and are developed independently and without knowledge of other bids or prospective bids. Any bid item for construction in excess of Five Thousand Dollars ($5,000.00) shall be broken down by components to provide detail of component description and pricing. These details shall be submitted with the written bids and become part of the bid evaluation criteria. Bids may be submitted by facsimile, electronic mail or other generally accepted method of information distribution. Bids submitted by electronic transmission shall not require the signature of the vendor's representative unless required by agencies or governing authorities.

(c) Bidding procedure for purchases over $50,000.00.

(i) Publication requirement.

1. Purchases which involve an expenditure of more than Fifty Thousand Dollars ($50,000.00), exclusive of freight and shipping charges, may be made from the lowest and best bidder after advertising for competitive bids once each week for two (2) consecutive weeks in a regular newspaper published in the county or municipality in which such agency or governing authority is located. However, all
American Recovery and Reinvestment Act projects in excess of Twenty-five Thousand Dollars ($25,000.00) shall be bid. All references to American Recovery and Reinvestment Act projects in this section shall not apply to programs identified in Division B of the American Recovery and Reinvestment Act.

2. Reverse auctions shall be the primary method for receiving bids during the bidding process. If a purchasing entity determines that a reverse auction is not in the best interest of the state, then that determination must be approved by the Public Procurement Review Board. The purchasing entity shall submit a detailed explanation of why a reverse auction would not be in the best interest of the state and present an alternative process to be approved by the Public Procurement Review Board. If the Public Procurement Review Board authorizes the purchasing entity to solicit bids with a method other than reverse auction, then the purchasing entity may designate the other methods by which the bids will be received, including, but not limited to, bids sealed in an envelope, bids received electronically in a secure system, or bids received by any other method that promotes open competition and has been approved by the Office of Purchasing and Travel. However, reverse auction shall not be used for any public contract for design or construction of public facilities, including buildings, roads and bridges and term contracts as provided in paragraph (n) of this section. The Public Procurement Review Board must approve any contract entered into by alternative process. The provisions of this item 2 shall not apply to the individual state institutions of higher learning.

3. The date as published for the bid opening shall not be less than seven (7) working days after the last published notice; however, if the purchase involves a construction project in which the estimated cost is in excess of Fifty Thousand Dollars ($50,000.00), such bids shall not be opened in less than fifteen (15) working days after the last notice is published and the notice for the purchase of such construction shall be published once each week for two (2) consecutive weeks. However, all American Recovery and Reinvestment Act projects in excess of Twenty-five Thousand Dollars ($25,000.00) shall be bid. For any projects in excess of Twenty-five Thousand Dollars ($25,000.00) under the American Recovery and Reinvestment Act, publication shall be made one (1) time and the bid opening for construction projects shall not be less than ten (10) working days after the date of the published notice. The notice of intention to let contracts or purchase equipment shall state the time and place at which bids shall be received, list the contracts to be made or types of equipment or supplies to be purchased, and, if all plans and/or specifications are not published, refer to the plans and/or specifications on file. If there is no newspaper published in the county or municipality, then such notice shall be given by posting same at the courthouse, or for municipalities at the city hall, and at two (2) other public places in the county or municipality, and also by publication once each week for two (2) consecutive weeks in some newspaper having a general circulation in the county or municipality in the above-provided manner. On the same date that the notice is submitted to the newspaper for publication, the agency or governing authority involved shall mail written notice to, or provide electronic notification to the main office of the Mississippi Procurement Technical Assistance Program under the Mississippi Development Authority that contains the same information as that in the published notice. Submissions received by the Mississippi Procurement Technical Assistance Program for projects funded by the American Recovery and Reinvestment Act shall be displayed on a separate and unique internet web page accessible to the public and maintained by the Mississippi Development Authority for the Mississippi Procurement Technical Assistance Program. Those American Recovery and Reinvestment Act related submissions shall be publicly posted within twenty-four (24) hours of receipt by the Mississippi Development Authority and the bid opening shall not occur until the submission has been posted for ten (10) consecutive days. The Department of Finance and Administration shall maintain information regarding contracts and other expenditures from the American Recovery and Reinvestment Act, on a unique internet web page accessible to the public. The Department of Finance and Administration shall promulgate rules regarding format, content and deadlines, unless otherwise specified by law, of the posting of award notices, contract execution and subsequent amendments, links to the contract documents, expenditures against the awarded contracts and general expenditures of funds from the American Recovery and
Reinvestment Act. Within one (1) working day of the contract award, the agency or governing authority shall post to the designated web page maintained by the Department of Finance and Administration, notice of the award, including the award recipient, the contract amount, and a brief summary of the contract in accordance with rules promulgated by the department. Within one (1) working day of the contract execution, the agency or governing authority shall post to the designated web page maintained by the Department of Finance and Administration a summary of the executed contract and make a copy of the appropriately redacted contract documents available for linking to the designated web page in accordance with the rules promulgated by the department. The information provided by the agency or governing authority shall be posted to the web page for the duration of the American Recovery and Reinvestment Act funding or until the project is completed, whichever is longer.

(ii) Bidding process amendment procedure. If all plans and/or specifications are published in the notification, then the plans and/or specifications may not be amended. If all plans and/or specifications are not published in the notification, then amendments to the plans/specifications, bid opening date, bid opening time and place may be made, provided that the agency or governing authority maintains a list of all prospective bidders who are known to have received a copy of the bid documents and all such prospective bidders are sent copies of all amendments. This notification of amendments may be made via mail, facsimile, electronic mail or other generally accepted method of information distribution. No addendum to bid specifications may be issued within two (2) working days of the time established for the receipt of bids unless such addendum also amends the bid opening to a date not less than five (5) working days after the date of the addendum.

(iii) Filing requirement. In all cases involving governing authorities, before the notice shall be published or posted, the plans or specifications for the construction or equipment being sought shall be filed with the clerk of the board of the governing authority. In addition to these requirements, a bid file shall be established which shall indicate those vendors to whom such solicitations and specifications were issued, and such file shall also contain such information as is pertinent to the bid.

(iv) Specification restrictions.

1. Specifications pertinent to such bidding shall be written so as not to exclude comparable equipment of domestic manufacture. However, if valid justification is presented, the Department of Finance and Administration or the board of a governing authority may approve a request for specific equipment necessary to perform a specific job. Further, such justification, when placed on the minutes of the board of a governing authority, may serve as authority for that governing authority to write specifications to require a specific item of equipment needed to perform a specific job. In addition to these requirements, from and after July 1, 1990, vendors of relocatable classrooms and the specifications for the purchase of such relocatable classrooms published by local school boards shall meet all pertinent regulations of the State Board of Education, including prior approval of such bid by the State Department of Education.

2. Specifications for construction projects may include an allowance for commodities, equipment, furniture, construction materials or systems in which prospective bidders are instructed to include in their bids specified amounts for such items so long as the allowance items are acquired by the vendor in a commercially reasonable manner and approved by the agency/governing authority. Such acquisitions shall not be made to circumvent the public purchasing laws.

(v) Electronic bids. Agencies and governing authorities shall provide a secure electronic interactive system for the submittal of bids requiring competitive bidding that shall be an additional bidding option for those bidders who choose to submit their bids electronically. The Department of Finance and Administration shall provide, by regulation, the standards that agencies must follow when receiving electronic bids. Agencies and governing authorities shall make the appropriate provisions necessary to accept electronic bids from those bidders who choose to submit their bids electronically for all purchases requiring competitive bidding under this section. Any special condition or requirement for the electronic bid submission shall be specified in the advertisement for bids required by this section. Agencies or governing authorities that are
currently without available high speed internet access shall be exempt from the requirement of this subparagraph (v) until such time that high speed internet access becomes available. Any county having a population of less than twenty thousand (20,000) shall be exempt from the provisions of this subparagraph (v). Any municipality having a population of less than ten thousand (10,000) shall be exempt from the provisions of this subparagraph (v). The provisions of this subparagraph (v) shall not require any bidder to submit bids electronically. When construction bids are submitted electronically, the requirement for including a certificate of responsibility, or a statement that the bid enclosed does not exceed Fifty Thousand Dollars ($50,000.00), on the exterior of the bid envelope as indicated in Section 31-3-21(1) and (2) shall be deemed in compliance with by including same as an attachment with the electronic bid submittal.

(d) Lowest and best bid decision procedure.

(i) Decision procedure. Purchases may be made from the lowest and best bidder. In determining the lowest and best bid, freight and shipping charges shall be included. Life-cycle costing, total cost bids, warranties, guaranteed buy-back provisions and other relevant provisions may be included in the best bid calculation. All best bid procedures for state agencies must be in compliance with regulations established by the Department of Finance and Administration. If any governing authority accepts a bid other than the lowest bid actually submitted, it shall place on its minutes detailed calculations and narrative summary showing that the accepted bid was determined to be the lowest and best bid, including the dollar amount of the accepted bid and the dollar amount of the lowest bid. No agency or governing authority shall accept a bid based on items not included in the specifications.

(ii) Decision procedure for Certified Purchasing Offices. In addition to the decision procedure set forth in subparagraph (i) of this paragraph (d), Certified Purchasing Offices may also use the following procedure: Purchases may be made from the bidder offering the best value. In determining the best value bid, freight and shipping charges shall be included. Life-cycle costing, total cost bids, warranties, guaranteed buy-back provisions, documented previous experience, training costs and other relevant provisions, including, but not limited to, a bidder having a local office and inventory located within the jurisdiction of the governing authority, may be included in the best value calculation. This provision shall authorize Certified Purchasing Offices to utilize a Request For Proposals (RFP) process when purchasing commodities. All best value procedures for state agencies must be in compliance with regulations established by the Department of Finance and Administration. No agency or governing authority shall accept a bid based on items or criteria not included in the specifications.

(iii) Decision procedure for Mississippi Landmarks. In addition to the decision procedure set forth in subparagraph (i) of this paragraph (d), where purchase involves renovation, restoration, or both, of the State Capitol Building or any other historical building designated for at least five (5) years as a Mississippi Landmark by the Board of Trustees of the Department of Archives and History under the authority of Sections 39-7-7 and 39-7-11, the agency or governing authority may use the following procedure: Purchases may be made from the lowest and best prequalified bidder. Prequalification of bidders shall be determined not less than fifteen (15) working days before the first published notice of bid opening. Prequalification criteria shall be limited to bidder’s knowledge and experience in historical restoration, preservation and renovation. In determining the lowest and best bid, freight and shipping charges shall be included. Life-cycle costing, total cost bids, warranties, guaranteed buy-back provisions and other relevant provisions may be included in the best bid calculation. All best bid and prequalification procedures for state agencies must be in compliance with regulations established by the Department of Finance and Administration. If any governing authority accepts a bid other than the lowest bid actually submitted, it shall place on its minutes detailed calculations and narrative summary showing that the accepted bid was determined to be the lowest and best bid, including the dollar amount of the accepted bid and the dollar amount of the lowest bid. No agency or governing authority shall accept a bid based on items not included in the specifications.

(iv) Construction project negotiations authority. If the lowest and best bid is not more than ten percent (10%) above the amount of funds allocated for a public construction or renovation project, then the agency or governing
authority shall be permitted to negotiate with the lowest bidder in order to enter into a contract for an amount not to exceed the funds allocated.

(e) Lease-purchase authorization. For the purposes of this section, the term "equipment" shall mean equipment, furniture and, if applicable, associated software and other applicable direct costs associated with the acquisition. Any lease-purchase of equipment which an agency is not required to lease-purchase under the master lease-purchase program pursuant to Section 31-7-10 and any lease-purchase of equipment which a governing authority elects to lease-purchase may be acquired by a lease-purchase agreement under this paragraph (e). Lease-purchase financing may also be obtained from the vendor or from a third-party source after having solicited and obtained at least two (2) written competitive bids, as defined in paragraph (b) of this section, for such financing without advertising for such bids. Solicitation for the bids for financing may occur before or after acceptance of bids for the purchase of such equipment or, where no such bids for purchase are required, at any time before the purchase thereof. No such lease-purchase agreement shall be for an annual rate of interest which is greater than the overall maximum interest rate to maturity on general obligation indebtedness permitted under Section 75-17-101, and the term of such lease-purchase agreement shall not exceed the useful life of equipment covered thereby as determined according to the upper limit of the asset depreciation range (ADR) guidelines for the Class Life Asset Depreciation Range System established by the Internal Revenue Service pursuant to the United States Internal Revenue Code and regulations thereunder as in effect on December 31, 1980, or comparable depreciation guidelines with respect to any equipment not covered by ADR guidelines. Any lease-purchase agreement entered into pursuant to this paragraph (e) may contain any of the terms and conditions which a master lease-purchase agreement may contain under the provisions of Section 31-7-10(5), and shall contain an annual allocation dependency clause substantially similar to that set forth in Section 31-7-10(8). Each agency or governing authority entering into a lease-purchase transaction pursuant to this paragraph (e) shall maintain with respect to each such lease-purchase transaction the same information as required to be maintained by the Department of Finance and Administration pursuant to Section 31-7-10(13). However, nothing contained in this section shall be construed to permit agencies to acquire items of equipment with a total acquisition cost in the aggregate of less than Ten Thousand Dollars ($10,000.00) by a single lease-purchase transaction. All equipment, and the purchase thereof by any lessor, acquired by lease-purchase under this paragraph and all lease-purchase payments with respect thereto shall be exempt from all Mississippi sales, use and ad valorem taxes. Interest paid on any lease-purchase agreement under this section shall be exempt from State of Mississippi income taxation.

(f) Alternate bid authorization. When necessary to ensure ready availability of commodities for public works and the timely completion of public projects, no more than two (2) alternate bids may be accepted by a governing authority for commodities. No purchases may be made through use of such alternate bids procedure unless the lowest and best bidder cannot deliver the commodities contained in his bid. In that event, purchases of such commodities may be made from one (1) of the bidders whose bid was accepted as an alternate.

(g) Construction contract change authorization. In the event a determination is made by an agency or governing authority after a construction contract is let that changes or modifications to the original contract are necessary or would better serve the purpose of the agency or the governing authority, such agency or governing authority may, in its discretion, order such changes pertaining to the construction that are necessary under the circumstances without the necessity of further public bids; provided that such change shall be made in a commercially reasonable manner and shall not be made to circumvent the public purchasing statutes. In addition to any other authorized person, the architect or engineer hired by an agency or governing authority with respect to any public construction contract shall have the authority, when granted by an agency or governing authority, to authorize changes or modifications to the original contract without the necessity of prior approval of the agency or governing authority when any such change or modification is less than one percent (1%) of the total contract amount. The agency or governing authority may limit the number, manner or frequency of such emergency changes or modifications.
(h) Petroleum purchase alternative. In addition to other methods of purchasing authorized in this chapter, when any agency or governing authority shall have a need for gas, diesel fuel, oils and/or other petroleum products in excess of the amount set forth in paragraph (a) of this section, such agency or governing authority may purchase the commodity after having solicited and obtained at least two (2) competitive written bids, as defined in paragraph (b) of this section. If two (2) competitive written bids are not obtained, the entity shall comply with the procedures set forth in paragraph (c) of this section. In the event any agency or governing authority shall have advertised for bids for the purchase of gas, diesel fuel, oils and other petroleum products and coal and no acceptable bids can be obtained, such agency or governing authority is authorized and directed to enter into any negotiations necessary to secure the lowest and best contract available for the purchase of such commodities.

(i) Road construction petroleum products price adjustment clause authorization. Any agency or governing authority authorized to enter into contracts for the construction, maintenance, surfacing or repair of highways, roads or streets, may include in its bid proposal and contract documents a price adjustment clause with relation to the cost to the contractor, including taxes, based upon an industry-wide cost index, of petroleum products including asphalt used in the performance or execution of the contract or in the production or manufacture of materials for use in such performance. Such industry-wide index shall be established and published monthly by the Mississippi Department of Transportation with a copy thereof to be mailed, upon request, to the clerks of the governing authority of each municipality and the clerks of each board of supervisors throughout the state. The price adjustment clause shall be based on the cost of such petroleum products only and shall not include any additional profit or overhead as part of the adjustment. The bid proposals or document contract shall contain the basis and methods of adjusting unit prices for the change in the cost of such petroleum products.

(j) State agency emergency purchase procedure. If the governing board or the executive head, or his designees, of any agency of the state shall determine that an emergency exists in regard to the purchase of any commodities or repair contracts, so that the delay incident to giving opportunity for competitive bidding would be detrimental to the interests of the state, then the head of such agency, or his designees, shall file with the Department of Finance and Administration (i) a statement explaining the conditions and circumstances of the emergency, which shall include a detailed description of the events leading up to the situation and the negative impact to the entity if the purchase is made following the statutory requirements set forth in paragraph (a), (b) or (c) of this section, and (ii) a certified copy of the appropriate minutes of the board of such agency requesting the emergency purchase, if applicable. Upon receipt of the statement and applicable board certification, the State Fiscal Officer, or his designees, may, in writing, authorize the purchase or repair without having to comply with competitive bidding requirements.

If the governing board or the executive head, or his designees, of any agency determines that an emergency exists in regard to the purchase of any commodities or repair contracts, so that the delay incident to giving opportunity for competitive bidding would threaten the health or safety of any person, or the preservation or protection of property, then the provisions in this section for competitive bidding shall not apply, and any officer or agent of the agency having general or specific authority for making the purchase or repair contract shall approve the bill presented for payment, and he shall certify in writing from whom the purchase was made, or with whom the repair contract was made.

Total purchases made under this paragraph (j) shall only be for the purpose of meeting needs created by the emergency situation. Following the emergency purchase, documentation of the purchase, including a description of the commodity purchased, the purchase price thereof and the nature of the emergency shall be filed with the Department of Finance and Administration. Any contract awarded pursuant to this paragraph (j) shall not exceed a term of one (1) year.

Purchases under the grant program established under Section 37-68-7 in response to COVID-19 and the directive that school districts create a distance learning plan and fulfill technology needs expeditiously shall be deemed an emergency purchase for purposes of this paragraph (j).
(k) Governing authority emergency purchase procedure. If the governing authority, or the governing authority acting through its designee, shall determine that an emergency exists in regard to the purchase of any commodities or repair contracts, so that the delay incident to giving opportunity for competitive bidding would be detrimental to the interest of the governing authority, then the provisions herein for competitive bidding shall not apply and any officer or agent of such governing authority having general or special authority therefor in making such purchase or repair shall approve the bill presented therefor, and he shall certify in writing thereon from whom such purchase was made, or with whom such a repair contract was made. At the board meeting next following the emergency purchase or repair contract, documentation of the purchase or repair contract, including a description of the commodity purchased, the price thereof and the nature of the emergency shall be presented to the board and shall be placed on the minutes of the board of such governing authority. Purchases under the grant program established under Section 37-68-7 in response to COVID-19 and the directive that school districts create a distance learning plan and fulfill technology needs expeditiously shall be deemed an emergency purchase for purposes of this paragraph (k).

(l) Hospital purchase, lease-purchase and lease authorization.

(i) The commissioners or board of trustees of any public hospital may contract with such lowest and best bidder for the purchase or lease-purchase of any commodity under a contract of purchase or lease-purchase agreement whose obligatory payment terms do not exceed five (5) years.

(ii) In addition to the authority granted in subparagraph (i) of this paragraph (l), the commissioners or board of trustees is authorized to enter into contracts for the lease of equipment or services, or both, which it considers necessary for the proper care of patients if, in its opinion, it is not financially feasible to purchase the necessary equipment or services. Any such contract for the lease of equipment or services executed by the commissioners or board shall not exceed a maximum of five (5) years’ duration and shall include a cancellation clause based on unavailability of funds. If such cancellation clause is exercised, there shall be no further liability on the part of the lessee. Any such contract for the lease of equipment or services executed on behalf of the commissioners or board that complies with the provisions of this subparagraph (ii) shall be excepted from the bid requirements set forth in this section.

(m) Exceptions from bidding requirements. Excepted from bid requirements are:

(i) Purchasing agreements approved by department. Purchasing agreements, contracts and maximum price regulations executed or approved by the Department of Finance and Administration.

(ii) Outside equipment repairs. Repairs to equipment, when such repairs are made by repair facilities in the private sector; however, engines, transmissions, rear axles and/or other such components shall not be included in this exemption when replaced as a complete unit instead of being repaired and the need for such total component replacement is known before disassembly of the component; however, invoices identifying the equipment, specific repairs made, parts identified by number and name, supplies used in such repairs, and the number of hours of labor and costs thereof shall be required for the payment for such repairs.

(iii) In-house equipment repairs. Purchases of parts for repairs to equipment, when such repairs are made by personnel of the agency or governing authority; however, entire assemblies, such as engines or transmissions, shall not be included in this exemption when the entire assembly is being replaced instead of being repaired.

minutes of the governing authority to include the listing of the item or items authorized to
be purchased and the maximum bid authorized to be paid for each item or items.

(vi) Intergovernmental sales and transfers. Purchases, sales, transfers or trades by governing authorities or state agencies when such purchases, sales, transfers or trades are made by a private treaty agreement or through means of negotiation, from any federal agency or authority, another governing authority or state agency of the State of Mississippi, or any state agency or governing authority of another state. Nothing in this section shall permit such purchases through public auction except as provided for in subparagraph (v) of this paragraph (m). It is the intent of this section to allow governmental entities to dispose of and/or purchase commodities from other governmental entities at a price that is agreed to by both parties. This shall allow for purchases and/or sales at prices which may be determined to be below the market value if the selling entity determines that the sale at below market value is in the best interest of the taxpayers of the state. Governing authorities shall place the terms of the agreement and any justification on the minutes, and state agencies shall obtain approval from the Department of Finance and Administration, prior to releasing or taking possession of the commodities.

(vii) Perishable supplies or food. Perishable supplies or food purchased for use in connection with hospitals, the school lunch programs, homemaking programs and for the feeding of county or municipal prisoners.

(viii) Single source items. Noncompetitive items available from one (1) source only. In connection with the purchase of noncompetitive items only available from one (1) source, a certification of the conditions and circumstances requiring the purchase shall be filed by the agency with the Department of Finance and Administration and by the governing authority with the board of the governing authority. Upon receipt of that certification the Department of Finance and Administration or the board of the governing authority, as the case may be, may, in writing, authorize the purchase, which authority shall be noted on the minutes of the body at the next regular meeting thereafter. In those situations, a governing authority is not required to obtain the approval of the Department of Finance and Administration. Following the purchase, the executive head of the state agency, or his designee, shall file with the Department of Finance and Administration, documentation of the purchase, including a description of the commodity purchased, the purchase price thereof and the source from whom it was purchased.

(ix) Waste disposal facility construction contracts. Construction of incinerators and other facilities for disposal of solid wastes in which products either generated therein, such as steam, or recovered therefrom, such as materials for recycling, are to be sold or otherwise disposed of; however, in constructing such facilities, a governing authority or agency shall publicly issue requests for proposals, advertised for in the same manner as provided herein for seeking bids for public construction projects, concerning the design, construction, ownership, operation and/or maintenance of such facilities, wherein such requests for proposals when issued shall contain terms and conditions relating to price, financial responsibility, technology, environmental compatibility, legal responsibilities and such other matters as are determined by the governing authority or agency to be appropriate for inclusion; and after responses to the request for proposals have been duly received, the governing authority or agency may select the most qualified proposal or proposals on the basis of price, technology and other relevant factors and from such proposals, but not limited to the terms thereof, negotiate and enter contracts with one or more of the persons or firms submitting proposals.

The bid proposal and contract documents utilizing a price adjustment clause shall contain the basis and method of adjusting unit prices for the change in the cost of such commodities, equipment and public construction.
(o) Purchase law violation prohibition and vendor penalty. No contract or purchase as herein authorized shall be made for the purpose of circumventing the provisions of this section requiring competitive bids, nor shall it be lawful for any person or concern to submit individual invoices for amounts within those authorized for a contract or purchase where the actual value of the contract or commodity purchased exceeds the authorized amount and the invoices therefor are split so as to appear to be authorized as purchases for which competitive bids are not required. (q) Fuel management system bidding procedure. Any governing authority or agency of the state shall, before contracting for the services and products of a fuel management or fuel access system, enter into negotiations with not fewer than two (2) sellers of fuel management or fuel access systems for competitive written bids to provide the services and products for the systems. In the event that the governing authority or agency cannot locate two (2) sellers of such systems or cannot obtain bids from two (2) sellers of such systems, it shall show proof that it made a diligent, good-faith effort to locate and negotiate with two (2) sellers of such systems. Any request for proposals when issued shall contain terms and conditions relating to price, financial responsibility, technology, legal responsibilities and other relevant factors as are determined by the governing authority or agency to be appropriate for inclusion; all factors determined relevant by the governing authority or agency or required by this paragraph (r) shall be duly included in the advertisement to elicit proposals. After responses to the request for proposals have been duly received, the governing authority or agency shall select the most qualified proposal or proposals on the basis of price, technology and other relevant factors and from such proposals, but not limited to the terms thereof, negotiate and enter into contracts with one or more of the persons or firms submitting proposals. If the governing authority or agency deems none of the proposals to be qualified or otherwise acceptable, the request for proposals process may be reinitiated. Notwithstanding any other provisions of this paragraph, where a county with at least thirty-five thousand (35,000) nor more than forty thousand (40,000) population, according to the 1990 federal decennial census, owns or operates a solid waste landfill, the governing authorities of any other county or municipality may contract with the governing authorities of the county owning or operating the landfill, pursuant to a resolution duly adopted and spread upon the minutes of each governing authority involved, for garbage or solid waste collection or disposal services through contract negotiations.
(s) Minority set-aside authorization. Notwithstanding any provision of this section to the contrary, any agency or governing authority, by order placed on its minutes, may, in its discretion, set aside not more than twenty percent (20%) of its anticipated annual expenditures for the purchase of commodities from minority businesses; however, all such set-aside purchases shall comply with all purchasing regulations promulgated by the Department of Finance and Administration and shall be subject to bid requirements under this section. Set-aside purchases for which competitive bids are required shall be made from the lowest and best minority business bidder. For the purposes of this paragraph, the term "minority business" means a business which is owned by a majority of persons who are United States citizens or permanent resident aliens (as defined by the Immigration and Naturalization Service) of the United States, and who are Asian, Black, Hispanic or Native American, according to the following definitions:

(u) Procurement of construction services by state institutions of higher learning. Contracts for privately financed construction of auxiliary facilities on the campus of a state institution of higher learning may be awarded by the Board of Trustees of State Institutions of Higher Learning to the lowest and best bidder, where sealed bids are solicited, or to the offeror whose proposal is determined to represent the best value to the citizens of the State of Mississippi, where requests for proposals are solicited.

(v) Insurability of bidders for public construction or other public contracts. In any solicitation for bids to perform public construction or other public contracts to which this section applies, including, but not limited to, contracts for repair and maintenance, for which the contract will require insurance coverage in an amount of not less than One Million Dollars ($1,000,000.00), bidders shall be permitted to either submit proof of current insurance coverage in the specified amount or demonstrate ability to obtain the required coverage amount of insurance if the contract is awarded to the bidder. Proof of insurance coverage shall be submitted within five (5) business days from bid acceptance.

(w) Purchase authorization clarification. Nothing in this section shall be construed as authorizing any purchase not authorized by law.

SECTION 3. In order for the county's financial records to fairly represent the financial condition of the county as of the date of the external audit, the clerk of the board of supervisors or, where applicable, the county administrator shall record into the county's accounting system the year-end adjusting accounting entries recommended by the county's external independent financial auditors selected by the Office of the State Auditor. If the clerk of the board of supervisors or, where applicable, the county administrator declines to make any year-end adjusting accounting entries recommended by the external financial auditors, the board of supervisors shall spread upon the board's minutes the reasons why the recommended year-end accounting entries were not entered into the county's accounting system and the impact that not including the recommended year-end accounting entries in the county's financial records will have regarding the fair representation of the financial condition of the county.
SECTION 4. This act shall take effect and be in force from and after July 1, 2021.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 27-105-305, MISSISSIPPI CODE OF 1972, TO PROVIDE COUNTY BOARDS OF SUPERVISORS THE DISCRETION TO DETERMINE THE INTERVAL OF TIME FOR PROVIDING NOTICE TO FINANCIAL INSTITUTIONS OF THE OPENING OF THE BIDDING PROCESS FOR SERVING AS DEPOSITORIES OF COUNTY FUNDS; TO CLARIFY THAT THE SELECTION OF DEPOSITORIES IS TO BE BASED UPON ALL RELEVANT FACTORS; TO AMEND SECTION 31-7-13, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT REVERSE AUCTIONS SHALL NOT BE USED FOR CERTAIN TERM CONTRACTS; TO REQUIRE THE CLERK OF THE BOARD OF SUPERVISORS TO ENTER THE RECOMMENDED YEAR-END ADJUSTING ACCOUNTING ENTRIES INTO THE COUNTY’S ACCOUNTING SYSTEM AND TO REQUIRE THE BOARD OF SUPERVISORS TO SPREAD THE REASON THAT ANY RECOMMENDED ENTRY WAS NOT ENTERED UPON ITS MINUTES IF THE CLERK OF THE BOARD OF SUPERVISES DECLINES TO MAKE THE ENTRY; AND FOR RELATED PURPOSES.

We, therefore, respectfully submit the following report and recommendation:

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2023 do not exceed Fiscal Year 2022 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2022 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. If the State Personnel Board determines a special situation or circumstance exists and approves an action, then the agency and the State Personnel Board shall provide a monthly report of each action approved by the State Personnel Board to the chairmen of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the chairmen of the Appropriations Committees of the Senate and House of Representatives. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2022 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal Services"
"Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2022 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service’s Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

Funds have been appropriated herein for the purpose of implementation and funding Project SEC2 of the Colonel Guy Groff State Variable Compensation Plan beginning January 1, 2022, and ending June 30, 2022. It shall be the agency's responsibility to make certain that each person, excluding executive directors, agency heads, and elected judges, shall receive no more than a 3% annual increase in salary which shall not exceed the market rate established by the State Personnel Board pursuant to the Colonel Guy Groff State Variable Compensation Plan for each classification.

SECTION 4. In compliance with the "Mississippi Performance Budget and Strategic Planning Act of 1994," it is the intent of the Legislature that the funds provided herein shall be utilized in the most efficient and effective manner possible to achieve the intended mission of this agency. Based on the funding authorized, this agency shall make every effort to attain the targeted performance measures provided below:

<table>

</tr>
</tbody>
</table>

A reporting of the degree to which the performance targets set above have been or are being achieved shall be provided in the agency’s budget request submitted to the Joint Legislative Budget Committee for Fiscal Year 2023.

SECTION 5. It is the intention of the Legislature that the State Fire Academy shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2021. It is further the intention of the Legislature that the agency’s budget request for Fiscal Year 2023 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2022 budget request process.

SECTION 6. It is the intention of the Legislature that whenever two (2) or more bids are received by this agency for the purchase of commodities or equipment, and whenever all things stated in such received bids are equal with respect to price, quality and service, the Mississippi Industries for the Blind shall be given preference. A similar preference shall be given to the Mississippi Industries for the Blind whenever purchases are made without competitive bids.

SECTION 7. It is the intention of the Legislature that the funds herein appropriated shall be expended in compliance with Section 27-104-25, Mississippi Code of 1972, that no state agency shall incur obligations or indebtedness in excess of their appropriation and that the responsible officers, either personally or upon their official bonds, shall be held responsible for actions contrary to this provision.

SECTION 8. The money herein appropriated shall be paid by the State Treasurer out of any money in the State Treasury to the credit of the proper fund or funds
as set forth in this act, upon warrants issued by the State Fiscal Officer; and the State Fiscal Officer shall issue his warrants upon requisitions signed by the proper person, officer or officers, in the manner provided by law.

SECTION 9. The following sum, or so much thereof as may be necessary, is reappropriated out of any money in the Capital Expense Fund not otherwise appropriated for the State Fire Academy for the purpose of reauthorizing the expenditure of Capital Expense Funds, as authorized in HB 1699, 2020 Regular Session to provide for Airport Rescue Crash Truck for the fiscal year beginning July 1, 2021, and ending June 30, 2022

Notwithstanding the amount reappropriated under the provisions of this section, in no event shall the amount expended exceed the unexpended balance as of June 30, 2021.

SECTION 10. Of the funds in Section 2, the following sum, or so much thereof as may be necessary, is appropriated out of any money in the State Treasury to the credit of the Capital Expense Fund, for the purpose of defraying the expenses of the State Fire Academy for the fiscal year beginning July 1, 2021, and ending June 30, 2022

$ 220,000.00.

Notwithstanding the amount reappropriated under the provisions of this section, in no event shall the amount expended exceed the unexpended balance as of June 30, 2021.

SECTION 11. This act shall take effect and be in force from and after July 1, 2021.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT MAKING AN APPROPRIATION FROM GENERAL FUND IN THE STATE TREASURY FOR THE PURPOSE OF DEFRAYING THE EXPENSES OF THE STATE FIRE ACADEMY FOR THE FISCAL YEAR 2022.

   $ 7,022,208.00.

   SECTION 3. Of the funds appropriated under the provisions of this act, the following positions are authorized:

   AUTHORIZED POSITIONS:

   With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2023 do not exceed Fiscal Year 2022 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2022 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. If the State Personnel Board determines a special situation or circumstance exists and approves an action, then the agency and the State Personnel Board shall provide a monthly report of each action approved by the State Personnel Board to the chairman of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the chairman of the Appropriations Committees of the Senate and House of Representatives. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2022 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2022 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.
Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service’s Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

Funds have been appropriated herein for the purpose of implementation and funding Project SEC2 of the Colonel Guy Groff State Variable Compensation Plan beginning January 1, 2022, and ending June 30, 2022. It shall be the agency’s responsibility to make certain that each person, excluding executive directors, agency heads, and elected judges, shall receive no more than a 3% annual increase in salary which shall not exceed the market rate established by the State Personnel Board pursuant to the Colonel Guy Groff State Variable Compensation Plan for each classification.

SECTION 4. It is the intention of the Legislature that the Office of the Attorney General shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2021. It is further the intention of the Legislature that the agency’s budget request for Fiscal Year 2023 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2022 budget request process.

SECTION 5. In compliance with the “Mississippi Performance Budget and Strategic Planning Act of 1994,” it is the intent of the Legislature that the funds provided herein shall be utilized in the most efficient and effective manner possible to achieve the intended mission of this agency. Based on the funding authorized, this agency shall make every effort to attain the targeted performance measures provided below:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. The following sum, or so much thereof as may be necessary, is appropriated out of any money in the State General Fund not otherwise appropriated, for the purpose of defraying the expenses of the Mississippi Authority for Educational Television for the fiscal year beginning July 1, 2021, and ending June 30, 2022 $ 3,986,808.00.

AUTHORIZED POSITIONS:

Permanent: Full Time 86
With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2023 do not exceed Fiscal Year 2022 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2022 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. If the State Personnel Board determines a special situation or circumstance exists and approves an action, then the agency and the State Personnel Board shall provide a monthly report of each action approved by the State Personnel Board to the chairmen of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the chairman of the Appropriations Committees of the Senate and House of Representatives. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2022 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2022 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

Funds have been appropriated herein for the purpose of implementation and funding Project SEC2 of the Colonel Guy Groff State Variable Compensation Plan beginning January 1, 2022, and ending June 30, 2022. It shall be the agency's responsibility to make certain that each person, excluding executive directors, agency heads, and elected judges, shall receive no more than a 3% annual increase in salary which shall not exceed the market rate established by the State Personnel Board pursuant to the Colonel Guy Groff State Variable Compensation Plan for each classification.

Funds appropriated herein shall first be used for the continuation of a full and complete broadcast schedule of educational and instructional, professional growth, and public service programs, with the production of new films and programs to be secondary thereto.

SECTION 4. It is the intention of the Legislature that the Mississippi Authority for Educational Television shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2021. It is further the intention of the Legislature that the agency's budget request for Fiscal Year 2023 shall be submitted to the Joint Legislative Budget Committee in a format and level
of detail comparable to the format and level of detail provided during the Fiscal Year 2022 budget request process.

SECTION 5. Of the funds appropriated under the provisions of Section 2, Two Million One Hundred Eighteen Thousand Nine Hundred Sixty-six Dollars ($2,118,966.00) shall be derived from the Education Enhancement Fund deposited pursuant to Sections 27-65-75 and 27-67-31, Mississippi Code of 1972.

SECTION 6. No part of the funds appropriated herein shall be transferred to, expended by, or used, directly or indirectly, for the benefit of any public relations, publicity or publication activities of any other state agency, department or officer, nor shall any personnel paid or equipment purchased with funds appropriated hereby be transferred or assigned to any other state agency, department or officer for public relations, publicity or publication activities of such office.

SECTION 7. It is the intention of the Legislature that the Mississippi Authority for Educational Television shall have the authority to expend funds in the Capital Equipment Replacement Revolving Fund, in accordance with Section 37-63-17, Mississippi Code of 1972, for the purpose of purchasing technical equipment for operating the educational radio and television facilities.

SECTION 8. In compliance with the "Mississippi Performance Budget and Strategic Planning Act of 1994," it is the intent of the Legislature that the funds provided herein shall be utilized in the most efficient and effective manner possible to achieve the intended mission of this agency.    With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2023 do not exceed Fiscal Year 2022 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2022 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. If the State Personnel Board determines a special situation or circumstance exists and approves an action, then the agency and the State Personnel Board shall provide a monthly report of each action approved by the State Personnel Board to the chairmen of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the chairmen of the Appropriations Committees of the Senate and House of Representatives.
It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2022 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2022 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

Funds have been appropriated herein for the purpose of implementation and funding Project SEC2 of the Colonel Guy Groff State Variable Compensation Plan beginning January 1, 2022, and ending June 30, 2022. It shall be the agency’s responsibility to make certain that each person, excluding executive directors, agency heads, and elected judges, shall receive no more than a 3% annual increase in salary which shall not exceed the market rate established by the State Personnel Board pursuant to the Colonel Guy Groff State Variable Compensation Plan for each classification.

Funds to be distributed to eligible public library systems under the Personnel Incentive Grants Program shall be paid quarterly in advance on or before September 30, December 31, March 31 and June 30.

SECTION 4. It is the intention of the Legislature that the Mississippi Library Commission shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2021. It is further the intention of the Legislature that the agency’s budget request for Fiscal Year 2023 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2022 budget request process.

SECTION 5. Of the funds appropriated under the provisions of Section 2, Four Hundred Ninety-three Thousand Eight Hundred Forty-seven Dollars ($493,847.00) shall be derived from the Education Enhancement Fund deposited pursuant to Sections 27-65-75 and 27-67-31, Mississippi Code of 1972.

SECTION 6. In compliance with the "Mississippi Performance Budget and Strategic Planning Act of 1994," it is the intent of the Legislature that the funds provided herein shall be utilized in the most efficient and effective manner possible to achieve the intended mission of this agency. Based on the funding authorized, this agency shall make every effort to attain the targeted performance measures provided below:

    With the funds herein appropriated, it shall be the agency’s responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2023 do not exceed Fiscal Year 2022 funds appropriated for that purpose unless
programs or positions are added to the agency's Fiscal Year 2022 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. If the State Personnel Board determines a special situation or circumstance exists and approves an action, then the agency and the State Personnel Board shall provide a monthly report of each action approved by the State Personnel Board to the chairmen of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the chairmen of the Appropriations Committees of the Senate and House of Representatives. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2022 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2022 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service’s Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

Funds have been appropriated herein for the purpose of implementation and funding Project SEC2 of the Colonel Guy Groff State Variable Compensation Plan beginning January 1, 2022, and ending June 30, 2022. It shall be the agency’s responsibility to make certain that each person, excluding executive directors, agency heads, and elected judges, shall receive no more than a 3% annual increase in salary which shall not exceed the market rate established by the State Personnel Board pursuant to the Colonel Guy Groff State Variable Compensation Plan for each classification.

SECTION 4. It is the intention of the Legislature that the State Forestry Commission shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2021. It is further the intention of the Legislature that the agency's budget request for Fiscal Year 2023 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2022 budget request process.

SECTION 5. In compliance with the "Mississippi Performance Budget and Strategic Planning Act of 1994," it is the intent of the Legislature that the funds provided herein shall be utilized in the most efficient and effective manner possible to achieve the intended mission of this agency. Based on the funding authorized, this agency shall make every effort to attain the targeted performance measures provided below:

SECTION 6. There is created in the State Treasury a fund designated as the Volunteer Fire Department Equipment Conversion Revolving Fund to be used by the State Forestry Commission to assist in the conversion of vehicles acquired by the State Forestry Commission through the Federal Excess Personal Property Program or by volunteer fire departments through other means to adapt them for use in the suppression of wildland fires. This assistance shall be in the form of fabrication of water tanks or other accessories necessary for the operation of fire suppression units, installation of piping and valves, painting or other similar or associated component work necessary to place fire suppression equipment into service. It is not for general vehicle maintenance or repair.

The Volunteer Fire Department Equipment Conversion Revolving Fund shall be funded by monies received from charges for work and services performed for volunteer fire departments by the State Forestry Commission. Monies collected from such charges shall be deposited into the Volunteer Fire Department Equipment Conversion Revolving Fund. The State Treasurer shall make disbursements therefrom for payment of materials, supplies and labor upon requisition of the Forestry Commission and upon the issuance of warrants therefor by the Department of Finance and Administration.

SECTION 7. There is created in the State Treasury a fund designated as the Camden State Forest Revolving Fund to be used by the State Forestry Commission to direct forest management activities on the Camden State Forest in Madison County, Mississippi. The forest management activities will include, but not be limited to, maintenance of property, timber sale activities and regeneration work.

The Camden State Forest Revolving Fund shall be funded by monies received from timber sales, leases, and any other source. Monies collected from these income sources shall be deposited into the Camden State Forest Revolving Fund. The State Treasurer shall make disbursements therefrom for payments of materials, supplies and labor upon requisition of the State Forestry Commission and upon the issuance of warrants therefor by the Department of Finance and Administration.

It is the intention of the Legislature that any revolving funds in excess of the budgeted amount needed for the necessary operation and maintenance of all properties under the direct supervision and management of the State Forestry Commission shall remain in the Camden State Forest Revolving Fund for use in future years.

SECTION 8. Of the funds appropriated in Section 2, it is the intention of the Legislature that Two Hundred Thousand Dollars ($200,000.00) shall be transferred to the Department of Agriculture and Commerce for the Beaver Control or Eradication Program during the Fiscal Year 2022.

SECTION 9. Any funds in the Salary, Wages and Fringe Benefits major object of expenditure may be used to purchase accumulated compensatory time within the funds available.

SECTION 10. It is the intention of the Legislature that whenever two (2) or more bids are received by this agency for the purchase of commodities or equipment, and
whenever all things stated in such received bids are equal with respect to price, quality and service, the Mississippi Industries for the Blind shall be given preference. A similar preference shall be given to the Mississippi Industries for the Blind whenever purchases are made without competitive bids.

SECTION 12. It is the intention of the Legislature that the funds herein appropriated shall be expended in compliance with Section 27-104-25, Mississippi Code of 1972, that no state agency shall incur obligations or indebtedness in excess of their appropriation and that the responsible officers, either personally or upon their official bonds, shall be held responsible for actions contrary to this provision.

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2023 do not exceed Fiscal Year 2022 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2022 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. If the State Personnel Board determines a special situation or circumstance exists and approves an action, then the agency and the State Personnel Board shall provide a monthly report of each action approved by the State Personnel Board to the chairmen of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the chairman of the Appropriations Committees of the Senate and House of Representatives. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2022 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2022 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

Funds have been appropriated herein for the purpose of implementation and funding Project SEC2 of the Colonel Guy Groff State Variable Compensation Plan beginning January 1, 2022, and ending June 30, 2022. It shall be the agency's responsibility to make certain that each person, excluding executive directors, agency heads, and elected judges, shall receive no more than a 3% annual increase in salary which shall not exceed the market rate established by the State Personnel Board pursuant to the Colonel Guy Groff State Variable Compensation Plan for each classification.
SECTION 3. It is the intention of the Legislature that the Tombigbee River Valley Water Management District shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2021. SECTION 4. It is the intention of the Legislature that whenever two (2) or more bids are received by this agency for the purchase of commodities or equipment, and whenever all things stated in such received bids are equal with respect to price, quality and service, the Mississippi Industries for the Blind shall be given preference. A similar preference shall be given to the Mississippi Industries for the Blind whenever purchases are made without competitive bids.

SECTION 5. All monies in possession of the district in excess of necessary operating funds shall be deposited with a bank or banks selected by the board of directors of the district. These funds shall be deposited in such bank or banks and in such manner that interest earned shall be at least equal to interest earnings on state funds deposited by the State Treasury.

SECTION 6. It is the intention of the Legislature that the funds herein appropriated shall be expended in compliance with Section 27-104-25, Mississippi Code of 1972, that no state agency shall incur obligations or indebtedness in excess of their appropriation and that the responsible officers, either personally or upon their official bonds, shall be held responsible for actions contrary to this provision.

SECTION 2. The following sum, or so much thereof as may be necessary, is appropriated out of any money in the special fund in the State Treasury to the credit of the Mississippi Gaming Commission, for the purpose of defraying the expenses of the commission for the fiscal year beginning July 1, 2021, and ending June 30, 2022 $ 1,019,813.00.

SECTION 3. Of the funds appropriated under the provisions of this act, the following positions are authorized:

AUTHORIZED POSITIONS:
With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2023 do not exceed Fiscal Year 2022 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2022 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. If the State Personnel Board determines a special situation or circumstance exists and approves an action, then the agency and the State Personnel Board shall provide a monthly report of each action approved by the State Personnel Board to the chairman of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the chairman of the Appropriations Committees of the Senate and House of Representatives. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2022 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2022 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service’s Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

Funds have been appropriated herein for the purpose of implementation and funding Project SEC2 of the Colonel Guy Groff State Variable Compensation Plan beginning January 1, 2022, and ending June 30, 2022. It shall be the agency’s responsibility to make certain that each person, excluding executive directors, agency heads, and elected judges, shall receive no more than a 3% annual increase in salary which shall not exceed the market rate established by the State Personnel Board pursuant to the Colonel Guy Groff State Variable Compensation Plan for each classification.

SECTION 4. Of the funds appropriated in Section 2, a portion shall be derived from the amount of forfeited property that is seized by the Gaming Commission, which shall be deposited into a special fund created by the Department of Finance and Administration and may be expended by the commission for the specific purpose of increasing law enforcement resources as outlined in Section 41-29-185, Mississippi Code 1972.

SECTION 5. Of the funds appropriated in Section 2, a portion shall be derived from the amount that is received by the Gaming Commission under the Gaming Control Act, which shall be deposited into a special fund created by the Department of Finance and Administration and may be expended by the commission for the purpose of
investigating, permitting, interagency fees, and providing fingerprint analysis by the Department of Public Safety.

SECTION 6. It is the intention of the Legislature that whenever two (2) or more bids are received by this agency for the purchase of commodities or equipment, and whenever all things stated in such received bids are equal with respect to price, quality and service, the Mississippi Industries for the Blind shall be given preference. A similar preference shall be given to the Mississippi Industries for the Blind whenever purchases are made without competitive bids.

SECTION 7. It is the intention of the Legislature that the Gaming Commission shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2021. It is further the intention of the Legislature that the agency's budget request for Fiscal Year 2023 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2022 budget request process.

SECTION 8. In compliance with the "Mississippi Performance Budget and Strategic Planning Act of 1994," it is the intent of the Legislature that the funds provided herein shall be utilized in the most efficient and effective manner possible to achieve the intended mission of this agency. Based on the funding authorized, this agency shall make every effort to attain the targeted performance measures provided below:

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.

2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. SECTION 2. The following sums, or so much thereof as may be necessary, are appropriated out of any money in the State General Fund, not otherwise appropriated, to the State Department of Agriculture and Commerce as follows:

(a) For the support of annual roundup shows for junior exhibitors of junior steers, junior breeding cattle, beef cattle, dairy cattle, hogs, sheep, and goats, for the fiscal year beginning July 1, 2021, and ending June 30, 2022 $54,066.00.

(b) To supplement the funds paid by the State Department of Agriculture and Commerce for livestock premiums at the State Fair, all livestock premiums to be paid on the American system of judging (1st, 2nd, 3rd, 4th, etc.) on all classes entered in the senior division for the fiscal year beginning July 1, 2021, and ending June 30, 2022 $18,565.00.

(c) For the county livestock shows in offering and paying prizes or awards to competitors in the approved county livestock shows of Mississippi, for the fiscal year beginning July 1, 2021, and ending June 30, 2022 $12,644.00.

Provided, however, that of the amount herein appropriated in paragraph (c), not more than One Thousand Dollars ($1,000.00) shall be expended or used in any one (1) county of the state during each fiscal year. Provided, further, that none of the monies herein appropriated in paragraph (c) shall be used in offering or paying prizes or awards for any livestock show that is not held where there are adequate barns, pens and other facilities available for such a show.

Provided, further, in paragraph (c) that the management of such shows shall be in the hands of a county livestock association, and such association shall guarantee a minimum amount of Five Hundred Dollars ($500.00) to be used in the paying of prizes, premiums or awards, and after said county show has been held and premiums paid, fifty percent (50%) of the amount, not exceeding One Thousand Dollars ($1,000.00), shall be paid upon requisition to the State Department of Agriculture and Commerce.

Provided, further, in paragraph (c) that in any county which has two (2) shows with proper facilities, and a contiguous county has no such fair and desires to participate in a fair to be held in an adjoining county, each of the two (2) fairs in one (1) county may receive an equal proportion of the funds hereby appropriated, provided, both shows shall not receive an aggregate sum of more than One Thousand Dollars ($1,000.00).

(d) For the purpose of offering awards and prizes to competitors in the five (5) district livestock shows, for the fiscal year beginning July 1, 2021, and ending June 30, 2022 $54,585.00.

(e) For the purpose of offering awards and prizes to competitors in the five (5) state dairy shows as provided in Section 69-5-101 et seq., Mississippi Code of 1972, for the fiscal year beginning July 1, 2021, and ending June 30, 2022 $7,066.00.

Provided, further, that no part of the money herein appropriated under the provisions of paragraphs (d) and (e) shall be used for any other purpose than to pay premium awards at said shows and state shows and expositions receiving legislative appropriation shall not conflict in dates in order that livestock exhibitors may make the circuit of shows. Provided, further, that none of the above-mentioned funds shall be paid to any district shows unless shows are held prior to roundup.

Not less than seventy-five percent (75%) of the funds herein appropriated under the provisions of paragraphs (d) and (e) shall be used in awarding prizes or premiums to 4-H Club members and Smith-Hughes School members and other boys and girls having entries in said shows.

All funds herein appropriated under the provisions of paragraphs (d) and (e) for the five (5) district livestock shows and the five (5) fall state dairy shows shall be distributed in such manner that the livestock exhibitors will each draw equal premium awards for comparable grades and placings at each of the said five (5) district spring shows and the five (5) fall state shows. The management of each district spring show and each state fall show shall submit to the State Department of Agriculture and Commerce, within fifteen (15) days after the close of each said show, a full report on the number of exhibitors at each said show, with the grades and placings of the different classes of livestock exhibited.

Provided, however, as a condition of expenditure of the funds appropriated in paragraphs (d) and (e), that the board of directors of any district livestock show may, in its discretion, choose to hold its show in the fall instead of the spring. If district shows are held in both spring and fall, then all funds herein appropriated for the five (5) district livestock shows shall be distributed in such a manner that the spring livestock exhibitors will each draw equal premium awards for comparable grades and placings at each district spring show, and the fall livestock exhibitors will each draw equal premium awards for comparable grades and placings at each district fall show.

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2023 do not exceed Fiscal Year 2022 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2022 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award
salary increases through reallocation or realignment. If the State Personnel Board
determines a special situation or circumstance exists and approves an action, then the
agency and the State Personnel Board shall provide a monthly report of each action
approved by the State Personnel Board to the chairman of the Accountability, Efficiency
and Transparency Committees of the Senate and House of Representatives and the
chairmen of the Appropriations Committees of the Senate and House of Representatives.
It shall be the responsibility of the agency head to ensure that no single personnel action
increases this projected annual cost and/or the Fiscal Year 2022 appropriations for
"Personal Services" when annualized, with the exception of escalated funds and the
award of benchmarks. If, at the time the agency takes any action to change "Personal
Services," the State Personnel Board determines that the agency has taken an action
which would cause the agency to exceed this projected annual cost or the Fiscal Year
2022 "Personal Services" appropriated level, when annualized, then only those actions
which reduce the projected annual cost and/or the appropriation requirement will be
processed by the State Personnel Board until such time as the requirements of this
 provision are met.

Any transfers or escalations shall be made in accordance with the terms,
conditions and procedures established by law or allowable under the terms set forth within
this act. The State Personnel Board shall not escalate positions without written approval
from the Department of Finance and Administration. The Department of Finance and
Administration shall not provide written approval to escalate any funds for salaries and/or
positions without proof of availability of new or additional funds above the appropriated
level.

No general funds authorized to be expended herein shall be used to replace
federal funds and/or other special funds which are being used for salaries authorized
under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal
Revenue Service’s Publication 15-A relating to the reporting of income paid to contract
employees, as interpreted by the Office of the State Auditor.

Funds have been appropriated herein for the purpose of implementation and
funding Project SEC2 of the Colonel Guy Groff State Variable Compensation Plan
beginning January 1, 2022, and ending June 30, 2022. It shall be the agency’s
responsibility to make certain that each person, excluding executive directors, agency
heads, and elected judges, shall receive no more than a 3% annual increase in salary
which shall not exceed the market rate established by the State Personnel Board pursuant
to the Colonel Guy Groff State Variable Compensation Plan for each classification.

SECTION 4. Of the funds appropriated in Section 1, it is the intention of the
Legislature that the Executive Director of Information Technology Services (ITS) shall
have authority to transfer an amount not to exceed Seven Hundred Fifty Thousand Dollars
($750,000.00) to the ITS Revolving Fund (3360900000). The purpose of this authority is
to provide operating cash to alleviate cash flow problems in the ITS Revolving Fund. Any
funds transferred during the fiscal year shall be transferred back to the State General
Fund before the end of the lapse period for the fiscal year.

SECTION 5. In addition to all other funds appropriated herein, the following
sum, or so much thereof as may be necessary, is appropriated out of any money in the
State General Fund, not otherwise appropriated, for the purpose of defraying the
expenses of the Wireless Communication Commission for the fiscal year beginning
July 1, 2021, and ending June 30, 2022.................

.........        10,446,099.00.

However, no more than two (2) members shall be appointed from each Supreme Court district.

There shall be a president of the board and such other officers as deemed necessary by the board elected by and from its membership, provided that the member elected as president shall have at least one (1) year of experience on the board. No temporary permit will be issued to an applicant from any other state to operate a beauty salon or school of cosmetology in this state unless in case of emergency.

SECTION 17. Section 73-7-23, Mississippi Code of 1972, is reenacted as follows:

73-7-23. (1) The board may, upon application, issue a license by reciprocity to any cosmetologist, esthetician or manicurist over the age of seventeen (17) years from any other state who has satisfactorily completed the required number of accredited hours in that state, provided the state board from which the applicant comes issues to cosmetologists, estheticians or manicurists, as the case may be, from the State of Mississippi a license under the same conditions. Applications must be accompanied by (a) proof satisfactory to the board that the required hours have been completed, and (b) the required reciprocity fee, which shall be paid to the board.

(2) An instructor from any other state may be qualified for a Mississippi instructor's license upon presenting a valid instructor's license and proof of a high school education or its equivalent, provided that the instructor (a) is not less than twenty-one (21) years of age, (b) has completed training equivalent to the State of Mississippi's training as provided in Section 73-7-15 or has three (3) years or more of experience as a licensed instructor prior to application, (c) can read, write and speak English, (d) has completed twelve (12) semester hours in college courses approved by the board, and (e) has completed a minimum of five (5) continuing education hours in Mississippi board laws, rules and regulations. Such application must be accompanied by two (2) recent passport photographs of the applicant. Applicants shall pay the required license fee.

(3) An applicant for a Mississippi instructor's license by reciprocity who has not completed the college courses requirement at the time of application may apply for a onetime temporary teaching permit, which shall be valid for six (6) months and shall be nonrenewable. Such application must be accompanied by proof of enrollment in college course(s), required permit fee, two (2) recent passport photographs of the applicant and other documentation as required for application for a Mississippi instructor's license by reciprocity. Upon proof of completion of college courses and payment of the required license fee, a Mississippi instructor's license shall be issued.

(4) The issuance of a license by reciprocity to a military-trained applicant or military spouse shall be subject to the provisions of Section 73-50-1.

SECTION 18. Section 73-7-25, Mississippi Code of 1972, is reenacted as follows:

73-7-25. Every demonstrator in the field of cosmetology shall, before making demonstrations in a salon or school, apply for and obtain a permit from the board. For such permit, which shall be for one (1) year, the required fee shall be paid to the board. This section shall be construed to apply to demonstrators in salons and schools.

SECTION 19. Section 73-7-27, Mississippi Code of 1972, is reenacted as follows:

73-7-27. (1) Any complaint may be filed with the board by a member or agent of the board or by any person charging any licensee of the board with the commission of any of the offenses enumerated in subsection (2) of this section. Such complaint shall be in writing, signed by the accuser or accusers, and verified under oath, and such
complaints shall be investigated as set forth in Section 73-7-7. If, after the investigation, the board through its administrative review agents determines that there is not substantial justification to believe that the accused licensee has committed any of the offenses enumerated, it may dismiss the complaint or may prepare a formal complaint proceeding against the licensee as hereinafter provided. When used with reference to any complaint filed against a licensee herein, the term "not substantial justification" means a complaint that is frivolous, groundless in fact or law, or vexatious, as determined by unanimous vote of the board. In the event of a dismissal, the person filing the accusation and the accused licensee shall be given written notice of the board's determination. If the board determines there is reasonable cause to believe the accused has committed any of those offenses, the secretary of the board shall give written notice of such determination to the accused licensee and set a day for a hearing as provided in subsection (3) of this section.

(2) The board shall have the power to revoke, suspend or refuse to issue or renew any license or certificate provided for in this chapter, and to fine, place on probation and/or otherwise discipline a student or licensee or holder of a certificate, upon proof that such person: (a) has not complied with or has violated any of the rules and regulations promulgated by the board; (b) has not complied with or has violated any of the sections of this chapter; (c) has committed fraud or dishonest conduct in the taking of the examination herein provided for; (d) has been convicted of a felony; (e) has committed grossly unprofessional or dishonest conduct; (f) is addicted to the excessive use of intoxicating liquors or to the use of drugs to such an extent as to render him or her unfit to practice in any of the practices or occupations set forth in this chapter; (g) has advertised by means of knowingly false or deceptive statements; or (h) has failed to display the license or certificate issued to him or her as provided for in this chapter; or (i) has been convicted of violating any of the provisions of this chapter. A conviction of violating any of the provisions of this chapter shall be grounds for automatic suspension of the license or certificate of such person.

(3) The board shall not revoke, suspend or refuse to issue or renew any license or certificate, or fine, place on probation or otherwise discipline any person in a disciplinary matter except after a hearing of which the applicant or licensee or holder of the certificate affected shall be given at least twenty (20) days' notice in writing, specifying the reason or reasons for denying the applicant a license or certificate of registration, or in the case of any other disciplinary action, the offense or offenses of which the licensee or holder of a certificate of registration is charged. Such notice may be served by mailing a copy thereof by United States first-class certified mail, postage prepaid, to the last-known residence or business address of such applicant, licensee or holder of a certificate. The hearing on such charges shall be at such time and place as the board may prescribe.

(4) At such hearings, all witnesses shall be sworn by a member of the board, and stenographic notes of the proceedings shall be taken. Any party to the proceedings desiring it shall be furnished with a copy of such stenographic notes upon payment to the board of such fees as it shall prescribe, not exceeding, however, the actual costs of transcription.

(5) The board is hereby authorized and empowered to issue subpoenas for the attendance of witnesses and the production of books and papers. The process issued by the board shall extend to all parts of the state and such process shall be served by any person designated by the board for such service. The person serving such process shall receive such compensation as may be allowed by the board, not to exceed the fee prescribed by law for similar services. All witnesses who shall be subpoenaed, and who shall appear in any proceedings before the board, shall receive the same fees and mileage as allowed by law.

(6) Where in any proceeding before the board any witness shall fail or refuse to attend upon subpoena issued by the board, shall refuse to testify, or shall refuse to produce any books and papers, the production of which is called for by the subpoena, the attendance of such witness and the giving of his testimony and the production of the books and papers shall be enforced by any court of competent jurisdiction of this state, in the same manner as are enforced for the attendance and testimony of witnesses in civil cases in the courts of this state.

(7) The board shall conduct the hearing in an orderly and continuous manner, granting continuances only when the ends of justice may be served. The board shall,
within sixty (60) days after conclusion of the hearing, reduce its decision to writing and forward an attested true copy thereof to the last-known residence or business address of such applicant, licensee or holder of a certificate, by way of United States first-class certified mail, postage prepaid. Such applicant, licensee, holder of a certificate, or person aggrieved shall have the right of appeal from an adverse ruling, or order, or decision of the board to the Chancery Court of the First Judicial District of Hinds County, Mississippi, upon forwarding notice of appeal to the board within thirty (30) days after the decision of the board is mailed in the manner here contemplated. An appeal will not be allowed in the event notice of appeal, together with the appeal bond hereinafter required, shall not have been forwarded to the board within the thirty-day period. Appeal shall be to the Chancery Court of the First Judicial District of Hinds County, Mississippi. The appeal shall thereupon be heard in due course by the court which shall review the record and make its determination thereon.

(8) The appellant shall, together with the notice of appeal, forward to and post with the board a satisfactory bond in the amount of Five Hundred Dollars ($500.00) for the payment of any costs which may be adjudged against him.

(9) In the event of an appeal, the court shall dispose of the appeal and enter its decision promptly. The hearing on the appeal may, in the discretion of the chancellor, be tried in vacation. If there is an appeal, such appeal may, in the discretion of and on motion to the chancery court, act as a supersedeas. However, any fine imposed by the board under the provisions of this chapter shall not take effect until after the time for appeal has expired, and an appeal of the imposition of such a fine shall act as a supersedeas.

(10) Any fine imposed by the board upon a licensee or holder of a certificate shall be in accordance with the following schedule:

(a) For the first violation, a fine of not less than Fifty Dollars ($50.00) nor more than One Hundred Dollars ($100.00) for each violation.

(b) For the second and each subsequent violation, a fine of not less than One Hundred Dollars ($100.00) nor more than Four Hundred Dollars ($400.00) for each violation.

The power and authority of the board to impose such fines under this section shall not be affected or diminished by any other proceeding, civil or criminal, concerning the same violation or violations.

(11) In addition to the reasons specified in subsection (2) of this section, the board shall be authorized to suspend the license of any licensee for being out of compliance with an order for support, as defined in Section 93-11-153. The procedure for suspension of a license for being out of compliance with an order for support, and the procedure for the reissuance or reinstatement of a license suspended for that purpose, and the payment of any fees for the reissuance or reinstatement of a license suspended for that purpose, shall be governed by Section 93-11-157 or 93-11-163, as the case may be. Actions taken by the board in suspending a license when required by Section 93-11-157 or 93-11-163 are not actions from which an appeal may be taken under this section. Any appeal of a license suspension that is required by Section 93-11-157 or 93-11-163 shall be taken in accordance with the appeal procedure specified in Section 93-11-157 or 93-11-163, as the case may be, rather than the procedure specified in this section. If there is any conflict between any provision of Section 93-11-157 or 93-11-163 and any provision of this chapter, the provisions of Section 93-11-157 or 93-11-163, as the case may be, shall control.

SECTION 20. Section 73-7-29, Mississippi Code of 1972, is reenacted as follows:

The State Board of Cosmetology may charge additional fees for services which the board deems appropriate to carry out its intent and purpose. These additional fees shall not exceed the cost of rendering the service. The board is fully authorized to make refunds of any deposits received by the board for services which are not rendered. Refunds will automatically be made on overpayment of fees. Refunds will be made on underpayments by written requests from applicants. If no request for refund is made within sixty (60) days, the fees will be forfeited.

SECTION 21. Section 73-7-31, Mississippi Code of 1972, is reenacted and amended as follows:

73-7-31. Nothing in this chapter shall apply to:

(a) Hairdressing, manicuring or facial treatments given in the home to members of family or friends for which no charge is made.
(b) Persons whose practice is limited to only performing makeup artistry, threading or applying or removing eyelash extensions; however, a person may perform a combination of not more than three (3) such practices and still be exempt from this chapter.
(c) Barbers, and nothing in this chapter shall affect the jurisdiction of the State Board of Barber Examiners.
(d) Persons engaged in the practice of hair braiding as defined in Section 73-7-71 who have completed the self-test part of the brochure on infection control techniques prepared by the State Department of Health and who keep the brochure and completed self-test available at the location at which the person is engaged in hair braiding.

SECTION 22. Section 73-7-33, Mississippi Code of 1972, is reenacted as follows:

73-7-33. In addition to the rules and regulations that may be prescribed and promulgated by the board under authority of this chapter, the following rules and regulations shall be observed:

Every establishment must be kept sanitary, including all utensils and equipment, must be well ventilated and properly lighted. Each salon must be provided with hot and cold running water. Electrical appliances must be properly installed and grounded.

Cosmetologists shall be allowed to wear any type of clothing or apparel while at work as long as such clothing or apparel is sanitary.

Cosmetologists shall be allowed to use any type of hair roller as long as they do so in a sanitary manner.

Persons with a communicable disease or parasitic infection that is medically recognized to be a direct threat of transmission by the type of contact that practitioners have with clients are not to be permitted to practice in an establishment until their condition is no longer communicable under those circumstances. No work shall be performed on any patron having a visible disease unless the patron shall produce a certificate from a practicing physician stating that the patron is free from infectious, contagious or communicable disease. A cosmetologist's license does not authorize such person to treat or prescribe for an infectious, contagious or any other disease.
A home salon must have a solid wall to the ceiling with an outside entrance, or if a door exists between the salon and the remainder of the house, the door must be kept closed at all times while service is being rendered.

SECTION 23. Section 73-7-35, Mississippi Code of 1972, is reenacted as follows:

73-7-35. (1) No person licensed pursuant to this chapter shall practice his or her profession except within the physical confines of a salon possessing and displaying a properly executed license issued pursuant to Section 73-7-17. However, this requirement shall not prevent a person from rendering his or her services to any person who may be confined to his or her home, a hospital, or other place as a result of illness, and cosmetologists shall be permitted to render their services to deceased persons away from their salons.

(2) No salon owner licensed pursuant to this chapter shall allow a cosmetologist, esthetician, or manicurist to practice his/her profession in the salon without possessing a valid license issued pursuant to this chapter.

SECTION 24. Section 73-7-37, Mississippi Code of 1972, is reenacted as follows:

73-7-37. (1) The violation of any of the provisions of this chapter, including the use of fraudulent statements to obtain any benefits or privileges under this chapter or practicing one (1) of these professions without a license, shall constitute a misdemeanor, punishable in any court of competent jurisdiction at the seat of government, and any person or firm convicted of the violation of any of the provisions of this chapter shall be fined not less than One Hundred Dollars ($100.00) nor more than Five Hundred Dollars ($500.00). The court shall not be authorized to suspend or suspend the execution of the fine required under this section.

(2) If any person, firm or corporation violates any of the provisions of this chapter, the secretary of the board, upon direction of a majority of the board and in the name of the board, acting through the Attorney General or an attorney employed by the board, shall apply in the Chancery Court of the First Judicial District of Hinds County, Mississippi, for an order enjoining such violation or for an order enforcing compliance with the provisions of this chapter. Upon the filing of a verified petition in the chancery court and after notice as provided under the Mississippi Rules of Civil Procedure, such court, if satisfied by the sworn petition, by affidavit or otherwise, that such person has violated any of the provisions of this chapter, may issue an injunction without notice or bond, enjoining such continued violation and such injunction shall remain in force and effect until a final hearing. If at such hearing it is established that such person has violated or is violating any of the provisions of this chapter, the court may enter a decree permanently enjoining such violation or enforcing compliance with this chapter. In addition, the court may enter a judgment against such person for attorney's fees, court costs and the actual costs incurred by the board in investigating the actions of such person for which the board brought the suit for an injunction. In case of violation of any decree issued in compliance with this subsection, the court may punish the offender for contempt of court and the court shall proceed as in other cases.

(3) The proceedings in this section shall be in addition to and not in lieu of the other remedies and penalties provided in this chapter.

SECTION 25. Section 73-7-63, Mississippi Code of 1972, is amended as follows:

73-7-63. Sections 73-7-1 through 73-7-37, which create the State Board of Cosmetology and prescribe its duties and powers, shall stand repealed * * * on July 1, * * * 2024.

SECTION 26. Section 73-5-41, Mississippi Code of 1972, is amended as follows:

(c) Registered nurses.
(d) Cosmetologists, and nothing in this chapter shall affect the jurisdiction of the State Board of Cosmetology.

(e) Persons whose practice is limited to only makeup artistry, threading or applying or removing eyelash extensions.

SECTION 27. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

(5) The department shall have authority to accept grants, loans or donations from the United States government or from any other sources for the purpose of matching funds in carrying out the provisions of this chapter.

(6) The department shall build a wheelchair ramp at the War Memorial Building which complies with all applicable federal laws, regulations and specifications regarding wheelchair ramps.

(7) The department shall review and preapprove all architectural or engineering service contracts entered into by any state agency, institution, commission, board or authority, regardless of the source of funding used to defray the costs of the construction or renovation project, for which services are to be obtained to ensure compliance with purchasing regulations and to confirm that the contracts are procured by a competitive qualification-based selection process except where such appointment is for an emergency project or for a continuation of a previous appointment for a directly related project. The provisions of this subsection (7) shall not apply to:

(c) Expenditures shall not include those amounts expended for janitorial, landscaping or administrative support, but shall include expenditures from both state and nonstate sources.

(d) Expenditures shall not include amounts expended by the department on behalf of state agencies, departments and institutions through the Department of Finance and Administration administered contracts, but shall include amounts transferred to the Department of Finance and Administration for support of such contracts.

(9) As an alternative to other methods of awarding contracts as prescribed by law, the department may elect to use the method of contracting for construction projects set out in Sections 31-7-13.1 and 31-7-13.2; however, the dual-phase design-build method of construction contracting authorized under Section 31-7-13.1 may be used only when the Legislature has specifically required or authorized the use of this method in the legislation authorizing a project.

(10) The department shall have the authority, for the purposes of carrying out the provisions of this chapter, and in addition to all other rights and powers granted by law, to create and maintain a list of suspended and debarred contractors and subcontractors. Consistent with this authority, the department may adopt regulations governing the suspension or debarment of contractors and subcontractors, which regulations shall be subject to the approval of the Public Procurement Review Board. REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 359: Municipally-owned utilities; may use accounting system accommodation for uncollectible customer indebtedness.
We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.

2. That the House and Senate adopt the following amendment:

   Amend by striking all after the enacting clause and inserting in lieu thereof the following:

   **SECTION 1.** (1) A municipality having a population of one hundred fifty thousand (150,000) as of the most recent decennial census or more may institute a program to address certain disputed or delinquent water and sewer customer accounts. The municipality must adopt rules and procedures to implement the program if instituted. Such rules may consider the customer's ability to pay the full amount of the disputed or delinquent claim. In order for the program to take effect, the mayor of the municipality, the Municipal Director of Public Works, and Executive Director of the Mississippi Public Utilities Staff shall mutually approve such rules and procedures by July 1, 2021. The rules and procedures shall include, but not be limited to, an itemized summary of the amount and number of all accounts judged to be disputed or delinquent. The municipality's authority to compromise doubtful claims is limited to the following cases:

   (a) (i) Instances of error on the part of the municipality such as equipment failure, process failure or billing failure;

   (ii) Instances of error on the part of the municipality due to unforeseen circumstance such as damage, extreme weather-related event, declared disaster or emergency, or mandatory evacuation, but only to the extent the customer did not receive the benefit of the water or sewer service; and

   (b) Instances where the customer's ability to pay or the amount of the customer's overdue balance for water and sewer service can be reasonably adjudged to be uncollectible, in which case the municipality may utilize an installment payment agreement to allow the customer additional time to pay a prescribed portion of the outstanding balance, and as part of the installment payment plan, to offer the utilization by the municipality of accounting procedures to move the remaining balance as an uncollectible debt to a special municipal accounting category of uncollectible or inactive accounts as outlined in the program rules if the customer fulfills all terms of the installment plan. The prescribed portion must require some payment by the customer. The program must provide that the accounting adjustments under this paragraph (b) do not result in forgiveness of uncollectible debts.

   (2) The municipality may set program parameters to take into account the principle of collateral estoppel as to its own prior service, billing or collection actions.

   (3) Any utility that participates in the program shall provide by January 1, 2022, to the Governor, Lieutenant Governor, Speaker of the House of Representatives, and Mississippi Public Utilities Staff a report that details the utility’s revenue collection, the number of accounts that have been adjudged uncollectable, the number of accounts that are participating in the installment payment plans, the number of accounts that are overdue, and the effect of the program on the utility’s revenue collection. Such report shall also include the utility’s plan to address any remaining disputed or delinquent claims that have not been resolved, to provide fair and accurate bills to all of its customers, and to reduce equipment failure, process failure, and billing failures in the future.

   (4) For the purpose of this section, the Executive Director of the Mississippi Public Utilities Staff may enter into professional services contracts to ensure the success of the program. The municipally-owned utility shall reimburse the Mississippi Public Utilities Staff for such contracts, not to exceed Two Hundred Thousand Dollars ($200,000.00) over the duration of the program.

   (5) This section shall stand repealed on July 1, 2022.

   **SECTION 2.** Section 31-19-27, Mississippi Code of 1972, is amended as follows:

   31-19-27. A doubtful claim of the state, or of the county, city, town, village, or levee board is one for which judgment has been rendered and for the collection of which the ordinary process of law has been ineffectual; debts due by drainage districts or other...
taxing districts or sinking funds to counties under the Rehabilitation Act of 1928, being Chapter 88 * * *, Laws of 1928, and Chapter 16 of the Acts of the Special Session of 1931; those debts due counties by drainage districts, which the Reconstruction Finance Corporation has heretofore refused to refinance; those debts due a municipal utility system as authorized under Section 1 of this act; debts due for sixteenth section township school fund loans made to churches, where the board of supervisors finds that the value of the security given therefor is insufficient or inadequate to pay or satisfy the principal and interest of said loan, and when the church repays the principal of said loan; and debts due by counties and townships to drainage districts for drainage district assessments or taxes levied and assessed upon sixteenth section lands.

SECTION 3. Section 31-19-29, Mississippi Code of 1972, is amended as follows:

31-19-29. The Governor, on the advice of the Attorney General or * * * the Commissioner of Revenue at the State Department of Revenue, may, upon application of the defendant or debtor proposing a compromise, settle and compromise any doubtful claim of the state, or of any county, city, town, or village, or of any levee board against such defendant or debtor, upon such terms as he may deem proper, the board of supervisors in the case of a county, and the municipal authorities in the case of a city, town or village, and the levee board in the case of a claim of a levee board, concurring therein. The Governor, upon application of a drainage district having obligations outstanding to a county under the provisions of Chapter 88, Laws of 1928, and Chapter 16, Laws of the Extraordinary Session of 1931, or obligations which the Reconstruction Finance Corporation has heretofore refused to refinance, may settle and compromise any claim, debt or obligation that said drainage district may owe any county in the State of Mississippi for money loaned said district under the provisions of said Chapter 88, Laws of 1928, or any other claim, debt or obligation that said drainage district may owe the county which the Reconstruction Finance Corporation has heretofore refused to finance, if the board of supervisors of said county concurs in the application of the drainage district. A municipality may compromise a debt owed for water and sewer service only as provided in Section 1 of this act. The Governor, upon application by the board of supervisors for any taxing districts of said county or sinking funds of said county under the control and supervision of said board of supervisors having obligations outstanding and due to said county under the provisions of Chapter 88, Laws of 1928, and Chapter 16, Laws of the Extraordinary Session of 1931, may settle and compromise any claim, debt, or obligation that said taxing districts or sinking funds may owe said county for money loaned said taxing districts or sinking funds under the provisions of said Chapter 88, Laws of 1928; and provided that the Governor, on the advice of the Attorney General, and upon application of a church owing a sixteenth section township school fund loan, may settle and compromise such debt or obligation if the board of supervisors of the said county concurs in the application of the said church. The Governor may, on the advice of the Attorney General, in like manner compromise and settle a claim of a drainage district for unpaid assessments or taxes upon sixteenth section lands upon application of the board of supervisors wherein such sixteenth section is situated, if the commissioners of the drainage district concur therein.

SECTION 4. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO ALLOW CERTAIN MUNICIPALITIES TO ADOPT RULES AND PROCEDURES AUTHORIZING ACCOUNTING SYSTEM ACCOMMODATION OF CERTAIN UNCOLLECTIBLE INDEBTEDNESS OWED BY A CUSTOMER FOR WATER AND SEWER SERVICES; TO AMEND SECTIONS 31-19-27 AND 31-19-29, MISSISSIPPI CODE OF 1972, DEALING WITH DOUBTFUL CLAIMS; AND FOR RELATED PURPOSES.

H. B. No.  754: Dyslexia education; revise provisions for determining student eligibility for IEP or 504 Plan.

REPORT OF CONFERENCE COMMITTEE
MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 754: Dyslexia education; revise provisions for determining student eligibility for IEP or 504 Plan.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.

2. That the House and Senate adopt the following amendment:

   Amend by striking all after the enacting clause and inserting in lieu thereof the following:

   SECTION 1. The following shall be codified as Section 37-173-16, Mississippi Code of 1972:

   37-173-16. (1) Each local school district shall make an initial determination of whether a student diagnosed with dyslexia meets the eligibility criteria under the Individuals with Disabilities Education Act (IDEA) to have an Individualized Education Program developed and to receive services. If a student's diagnosis of dyslexia does not result in an IDEA eligibility determination then the district must proceed with their process for determining if the student is eligible for a 504 Plan under the Rehabilitation Act based on the presumption that proficiency in spelling, reading and writing are essential for the student to achieve appropriate educational progress. Each local school district shall develop interventions and strategies to address the needs of those students diagnosed with dyslexia which provide the necessary accommodations to enable the student to achieve appropriate educational progress. The interventions and strategies developed shall include, but not be limited to, the use of the 3-Tier Instructional Model and the utilization of provisions of the IDEA and 504 Plan to address those needs.

   (2) The State Department of Education shall require public school districts to conduct four (4) hours of in-service training in dyslexia and related disorder awareness education every three (3) years for all licensed educators and paraprofessionals responsible for instruction. Standard 1 and Standard 2 of the International Dyslexia Association's "Knowledge and Practice Standards for Teachers of Reading" 2018 Edition shall be the minimum content used for the dyslexia training. Additional content of the trainings shall also include the indicators and characteristics, screening processes, evidence-based interventions and accommodations for students with dyslexia and other related disorders. The training, which may be provided through live in-person instruction, online course instruction or through a prerecorded video presentation, shall be delivered by an individual who holds a State Department of Education License No. 203 in Dyslexia Therapy and a national certificate as a Certified Academic Language Therapist.

   SECTION 2. Section 37-173-9, Mississippi Code of 1972, is amended as follows:

   37-173-9. (1) (a) The parent or legal guardian is not required to accept the offer of enrolling in another public school in lieu of requesting a Mississippi Dyslexia Therapy Scholarship to a nonpublic school. However, if the parent or legal guardian chooses the public school option, the student may continue attending a public school chosen by the parent or legal guardian until the student completes Grade 12.

   (b) If the parent or legal guardian chooses a public school within the district, the school district shall provide transportation to the public school selected by the parent or legal guardian. However, if the parent or legal guardian chooses a public school in another district, the parent or legal guardian is responsible to provide transportation to the school of choice.

   * * *

   * * * These provisions do not prohibit a parent or legal guardian of a student diagnosed with dyslexia, at any time, from choosing the option of a Mississippi Dyslexia
Therapy Scholarship which would allow the student to attend another public school or nonpublic special purpose school.

(* * *) 2) If the parent or legal guardian chooses the nonpublic school option and the student is accepted by the nonpublic school pending the availability of a space for the student, the parent or legal guardian of the student must notify the department thirty (30) days before the first scholarship payment and before entering the nonpublic school in order to be eligible for the scholarship when a space becomes available for the student in the nonpublic school.

(* * *) 3) The parent or legal guardian of a student may choose, as an alternative, to enroll the student in and transport the student to a public school in an adjacent school district which has available space and has a program with dyslexia services that provide daily dyslexia therapy sessions delivered by a department licensed dyslexia therapist, and that school district shall accept the student and report the student for purposes of the district's funding under the Mississippi Adequate Education Program.

SECTION 3. This act shall take effect and be in force from and after July 1, 2021.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO CREATE NEW SECTION 37-173-16, MISSISSIPPI CODE OF 1972, TO PROVIDE THE STEPS SCHOOLS MUST TAKE FOR THE EDUCATION AND CARE OF STUDENTS WITH DYSLEXIA AND OTHER RELATED DISORDERS; TO PROVIDE THAT THE DEPARTMENT OF EDUCATION SHALL REQUIRE SCHOOL DISTRICTS TO CONDUCT FOUR HOURS OF AWARENESS TRAINING FOR DYSLEXIA AND OTHER RELATED DISORDERS TO ALL LICENSED EDUCATORS AND PARAPROFESSIONALS RESPONSIBLE FOR INSTRUCTION; TO PROVIDE THAT STANDARD 1 AND STANDARD 2 OF THE INTERNATIONAL DYSLEXIA ASSOCIATION'S "KNOWLEDGE AND PRACTICE STANDARDS FOR TEACHERS OF READING" 2018 EDITION SHALL BE THE MINIMUM CONTENT USED FOR THE DYSLEXIA TRAINING; TO AMEND SECTION 37-173-9, MISSISSIPPI CODE OF 1972, TO DELETE CERTAIN PROVISIONS RELATING TO SCHOOL'S DETERMINATION OF STUDENTS WITH DYSLEXIA; AND FOR RELATED PURPOSES.

The emergency certification program in effect prior to July 1, 2002, shall remain in effect.

A Standard License - Approved Program Route shall be issued for a five-year period, and may be renewed. Any complaint seeking the denial of issuance, revocation or suspension of a license shall be by sworn affidavit filed with the Commission on Teacher and Administrator Education, Certification and Licensure Development. An appeal to the State Board of Education shall be perfected upon filing a notice of the appeal and the prepayment of the costs of the preparation of the record of proceedings by the commission, its subcommittee or hearing officer. An appeal shall be on the record previously made before the commission, its subcommittee or hearing officer, unless otherwise provided by rules and regulations adopted by the board. The decision of the commission, its subcommittee or hearing officer shall not be disturbed on appeal if supported by substantial evidence, was not arbitrary or capricious, within the authority of the commission, and did not violate some statutory or constitutional right. The State Board of Education in its authority may reverse, or remand with instructions, the decision of the commission, its subcommittee or hearing officer. The decision of the State Board of Education shall be final.

(b) Any offense committed or attempted in any other state shall result in the same penalty as if committed or attempted in this state.

(c) A person may voluntarily surrender a license. The surrender of such license may result in the commission recommending any of the above penalties without the necessity of a hearing. REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1135: Alcoholic beverages; create delivery service permit.

We, therefore, respectfully submit the following report and recommendation:
1. That the Senate recede from its Amendment No. 1.

2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) The holder of a delivery service permit under Section 67-1-51:

(a) May contract with the holder of a package retailer's permit or an on-premises retailer's permit under Section 67-1-51 or the holder of a beer, light wine and light spirit product retail permit under Section 67-3-19 for the purpose of intrastate delivery of alcoholic beverages or beer, light wine and light spirit product, as authorized to be sold under the respective permits;

(b) May deliver alcoholic beverages or beer, light wine and light spirit product without a delivery contract, if the permittee holds a package retailer's permit or an on-premises retailer's permit under Section 67-1-51 or a beer, light wine and light spirit product retail permit under Section 67-3-19, respectively;

(c) May use its own employees or independent contractors who are at least twenty-one (21) years of age to deliver such alcoholic beverages, beer, light wine or light spirit product under this section, provided all delivery agents are trained and certified consistent with the training program submitted to the division as required by subsection (2)(d) of this section. If independent contractors are used, the delivery service permittee must enter into a contract with the retailer as required by subsection (2)(c) of this section;

(d) May facilitate orders by telephone, internet or other electronic means for the sale and delivery of alcoholic beverages, beer, light wine or light spirit product under this section. The full amount of each order must be handled in a manner that gives the retail permittee control over the ultimate receipt of payment from the consumer. The retail permittee shall remain responsible for the proper remittance of all applicable taxes on the sale of the product;

(e) May deliver only sealed containers of alcoholic beverages, beer, light wine or light spirit product to an individual in Mississippi;

(f) Shall obtain from the customer a confirmation that he or she is at least twenty-one (21) years of age at the time the order is placed;

(g) Shall place a stamp, print or label on the outside of the sealed package to indicate that the sealed package contains alcoholic beverages, beer, light wine or light spirit product;

(h) Shall require the recipient, at the time of delivery, to provide valid photo identification verifying he or she is at least twenty-one (21) years of age and to sign for the delivery;

(i) Shall possess identification scanning software technology or a state-of-the-art alternative at the point of delivery to verify the recipient is at least twenty-one (21) years of age and to collect the recipient's name and date of birth. Records relating to this verification shall be maintained for at least ninety (90) days and shall be subject to review by the division;

(j) Shall return all alcoholic beverages, beer, light wine or light spirit product to the retailer if the recipient is under the age of twenty-one (21) years, appears intoxicated, fails to provide proof of identification, fails or refuses to sign for delivery, fails to complete the identification verification process or declines to accept delivery, or if any circumstances in the delivery environment indicate illegal conduct, overconsumption of alcohol, or an otherwise unsafe environment for the consumption of alcohol;

(k) May not deliver any alcoholic beverage, beer, light wine or light spirit product to any person located within a jurisdiction that is dry for that product, as provided by the division's wet-dry map;

(l) May not deliver any alcoholic beverage, beer, light wine or light spirit product in a jurisdiction during times prohibited for lawful sale in that jurisdiction;

(m) May not deliver any alcoholic beverage, beer, light wine or light spirit product more than thirty (30) miles from the retailer's licensed premises;
(n) Shall permit the division to perform an audit of the licensee's records upon request and with sufficient notification; and
(o) Shall be deemed to have consented to the jurisdiction of the division or any law enforcement agency and the Mississippi courts concerning enforcement of this section and any related laws or rules.

(2) In order to receive a delivery service permit, an applicant shall:
(a) File an application with the division;
(b) Pay the privilege license tax of Five Hundred Dollars ($500.00) as provided in Section 27-71-5;
(c) Provide to the division a sample contract that the applicant intends to enter into with a retailer for the delivery of alcoholic beverages, beer, light wine or light spirit product, unless the applicant is the retailer;
(d) Submit to the division an outline of an internal or external training and certification program for delivery service personnel that addresses topics such as identifying underage persons, intoxicated persons, and fake or altered identification;
(e) Provide an attestation that the applicant is at least twenty-one (21) years of age and has not been convicted of a felony in any state or federal courts;
(f) Shall provide proof of a general liability insurance policy in an amount not less than One Million Dollars ($1,000,000.00) per occurrence; and
(g) Shall be properly registered to conduct business in Mississippi.

(3) Nothing in this section shall be construed to require a technology services company to obtain a delivery service permit if the company does not employ or contract with delivery agents but merely provides software or a digital network application that connects consumers and licensed retailers for the delivery of alcoholic beverages from the licensed retailer. However, the act of connecting consumers to licensed retailers shall serve to grant jurisdiction to the State of Mississippi.

(4) The division may enforce the requirements of this section by the same administrative proceedings that apply to other alcoholic beverage licenses or permits, including, without limitation, any disciplinary action applicable to the package retailer's permittee, on-premises retailer's permittee, retail permittee for beer, light wine or light spirit product, or delivery service permittee resulting from any unlawful sale to a minor.

(5) The division may enforce the requirements of this section against the package retailer's permittee, on-premises retailer's permittee, retail permittee for beer, light wine or light spirit product, or delivery service permittee, and any employee or independent contractor of such permittee. If a package retailer permittee, an on-premises retailer's permittee, or a retail permittee for beer, light wine or light spirit product is also a delivery permittee, a violation of alcohol law by its employee or independent contractor during delivery will subject both the retailer permit and the delivery service permit to disciplinary action for the violation. Delivery to a minor shall be treated as furnishing to a minor and shall result in any applicable disciplinary action.

(6) Nothing in this section shall be construed to limit or otherwise diminish the ability of the division to enforce the provisions of Chapters 1 and 3, Title 67, Mississippi Code of 1972, with respect to the liability of any package retailer's permittee, on-premises retailer's permittee, retail permittee for beer, light wine or light spirit product, or delivery service permittee engaging in delivery activity authorized by this section.

(7) Nothing in this section shall be construed to authorize the direct shipment of alcoholic beverages, light wine, beer or light spirit product from any manufacturer or distributor holding a permit under this chapter, or under Title 67, Chapter 3, Mississippi Code of 1972, to consumers in this state.

SECTION 2. Section 67-1-51, Mississippi Code of 1972, as amended by House Bill No. 1288, 2021 Regular Session, and Senate Bill No. 2606, 2021 Regular Session, is amended as follows:

Manufacturer's permits shall be of the following classes:

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1296: Historic property income tax credit; revise certain provisions regarding.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.

2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:
SECTION 1. Section 27-7-22.31, Mississippi Code of 1972, is amended as follows:

27-7-22.31. (1) As used in this section:
(a) "Certified historic structure" means a property located in Mississippi that has been:
(i) Listed individually on the National Register of Historic Places; or
(ii) Determined eligible for the National Register of Historic Places by the Secretary of the United States Department of the Interior and will be listed within thirty (30) months of claiming the rebate or credit authorized by this section; or
(iii) Property designated a Mississippi Landmark by the Department of Archives and History pursuant to Section 39-7-3 et seq.
(b) "Eligible property" means property located in Mississippi and offered or used for residential or business purposes * * *
(c) "Structure in a certified historic district" means a structure (and its structural components) located in Mississippi which:
(i) Is listed in the National Register of Historic Places; or
(ii) Has been determined eligible for the National Register of Historic Places by the Secretary of the United States Department of the Interior and will be listed within thirty (30) months of claiming the rebate or credit authorized by this section; or
(iii) Is located in a registered historic district listed on the National Register of Historic Places or located in a potential district that has been determined eligible for the National Register of Historic Places by the Secretary of the United States Department of the Interior and will be listed within thirty (30) months of claiming the rebate or credit authorized by this section, and is certified by the Secretary of the United States Department of the Interior as being of historic significance to the district; or
(iv) Is certified by the Mississippi Department of Archives and History as contributing to the historic significance of:
1. A certified historic district listed on the National Register of Historic Places; or
2. A potential district that has been determined eligible for the National Register of Historic Places by the Secretary of the United States Department of the Interior and will be listed within thirty (30) months of claiming the rebate or credit authorized by this section; or
3. A local district that has been certified by the United States Department of the Interior.
(d) "Department" means the Department of Archives and History.

(2) Any taxpayer incurring costs and expenses for the rehabilitation of eligible property, which is a certified historic structure or a structure in a certified historic district, shall be entitled to a rebate or credit against the taxes imposed pursuant to this chapter in an amount equal to twenty-five percent (25%) of the total costs and expenses of rehabilitation incurred after January 1, 2006, which shall include, but not be limited to, qualified rehabilitation expenditures as defined under Section 47(c)(2)(A) of the Internal Revenue Code of 1986, as amended, and the related regulations thereunder:
(a) If the costs and expenses associated with rehabilitation exceed:
(i) Five Thousand Dollars ($5,000.00) in the case of an owner-occupied dwelling; or
(ii) Fifty percent (50%) of the * * * adjusted basis in the property in the case of all other properties; and
(b) The rehabilitation is consistent with the standards of the Secretary of the United States Department of the Interior as determined by the department.
(3) Any taxpayer eligible for the rebate or credit authorized by this section may claim the rebate or credit in phases if:
(a) There is a written set of architectural plans and specifications for all phases of the rehabilitation (written plans outlining and describing all phases of the rehabilitation shall be accepted as written plans and specifications);
(b) The written set of architectural plans and specifications are completed before the physical work on the rehabilitation begins; and

(c) * * * The project receives final certification by the department within sixty (60) months of the project start date certified in the first phase.

(4) (a) (i) If the amount of the tax credit established by this section exceeds the total state income tax liability for the credit year * * *, the amount that exceeds the total state income tax liability may be carried forward for the ten (10) succeeding tax years.

(ii) In lieu of claiming a tax credit, the taxpayer may elect to claim a * * * rebate in the amount of seventy-five percent (75%) of the * * * amount that would be eligible to claim as a credit. The election must be made in the year in which the * * * rebate is certified. * * *

(iii) * * * Rebate requests shall be submitted to the department * * * on forms prescribed by the department. The department will then provide the taxpayer with a voucher for the approved amount. Within twelve (12) months of the issuance of the voucher by the department, the taxpayer may submit the voucher to the Department of Revenue to receive payment. * * * Rebates shall be made from current tax collections.

(b) Not-for-profit entities, including, but not limited to, nonprofit corporations organized under Section 79-11-101 et seq. shall be ineligible for the rebate or credit authorized by this section. Credits granted to a partnership, a limited liability company taxed as a partnership or multiple owners of property shall be passed through to the partners, members or owners on a pro rata basis or pursuant to an executed agreement among the partners, members or owners documenting an alternative distribution method. Partners, members or other owners of a pass-through entity are not eligible to elect a refund of excess credit in lieu of a carryforward of the credit. However, a partnership or limited liability company taxed as a partnership may elect to claim a * * * rebate at the entity level on a form prescribed by the department * * *. Additionally, excess tax credits that are attributable to rehabilitated property that was placed in service by a pass-through entity prior to January 1, 2011, and that have previously been allocated to and are held by another pass-through entity prior to January 1, 2011, may be refunded to such other pass-through entity.

(5) (a) (i) To claim the rebate or credit authorized pursuant to this section, the taxpayer shall apply to the department which shall determine the amount of eligible rehabilitation costs and expenses and whether the rehabilitation is consistent with the standards of the Secretary of the United States Department of the Interior. The department shall issue a certificate evidencing the date of the rebate or credit and amount of eligible rebate or credit if the taxpayer is found to be eligible for the tax rebate or credit. The taxpayer shall attach the certificate to all income tax returns on which the credit is claimed. Except as otherwise provided in this paragraph (a), the department shall not issue certificates evidencing the eligible rebate or credit which will result in rebates or credits being awarded in excess of Twelve Million Dollars ($12,000,000.00) in any one (1) * * * calendar year for projects with total qualified rehabilitation costs and expenses of One Million Seven Hundred Fifty Thousand Dollars ($1,750,000.00) or more. The department shall also not issue certificates evidencing the eligible rebate or credit which will result in rebates or credits being awarded in excess of Twelve Million Dollars ($12,000,000.00) in any one (1) calendar year for projects with total qualified rehabilitation costs and expenses of less than One Million Seven Hundred Fifty Thousand Dollars ($1,750,000.00).

(ii) If claiming a credit instead of a rebate, the taxpayer shall claim such credit on the income tax return for the tax year for which the credit is certified.

(b) The date of the rebate or credit shall be certified in the following order:

(i) The rebate or credit shall be certified based on the date of project completion.

(ii) If the eligible rebate or credit exceeds the available limit in the year in which the project is completed, the rebate or credit shall be certified based on the date the certification is issued by the department. The department shall issue the
certification in the first calendar year in which the requested rebate or credit would not exceed the calendar year limit.

(3) The aggregate amount of tax rebates or credits that may be awarded under this section shall not exceed One Hundred Eighty Million Dollars ($180,000,000.00).

(6) (a) The rebate or credit received by a taxpayer pursuant to this section is subject to recapture if:

(i) The property is one that has been determined eligible for the National Register of Historic Places but is not listed on the National Register of Historic Places within thirty (30) months of claiming the rebate or credit authorized by this section;

(ii) The potential district in which the property is located is not listed on the National Register of Historic Places within thirty (30) months of claiming the rebate or credit authorized by this section; or

(iii) The project has not received final certification by the department within sixty (60) months of the project start date certified in the first phase.

(b) The taxpayer shall notify the department and the Department of Revenue if any of the situations that subject the credit to recapture occur.

(7) (a) The board of trustees of the department shall establish fees to be charged for the services performed by the department under this section and shall publish the fee schedule. The fees contained in the schedule shall be in amounts reasonably calculated to recover the costs incurred by the department for the administration of this section. Any taxpayer desiring to participate in the tax credits authorized by this section shall pay the appropriate fee as contained in the fee schedule to the department, which shall be used by the department, without appropriation, to offset the administrative costs of the department associated with its duties under this section.

(b) There is hereby created within the State Treasury a special fund into which shall be deposited all the fees collected by the department pursuant to this section. Money deposited into the fund shall not lapse at the end of any fiscal year and investment earnings on the proceeds in such special fund shall be deposited into such fund. Money from the fund shall be disbursed upon warrants issued by the State Fiscal Officer upon requisitions signed by the executive director of the department to assist the department in carrying out its duties under this section.

(8) This section shall only apply to taxpayers:

(a) Who have been issued a certificate evidencing the eligible credit before December 31, 2030; or

(b) Who, before December 31, 2030, have received a determination in writing from the Mississippi Department of Archives and History, in accordance with the department's Historic Preservation Certificate Application, Part 2, that the rehabilitation is consistent with the historic character of the property and that the property meets the United States Secretary of the Interior's Standards for Rehabilitation, or will meet the standards if certain specified conditions are met, and, who are issued a certificate evidencing the eligible credit on or after December 31, 2030.

SECTION 2. This act shall take effect and be in force from and after January 1, 2021.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 27-7-22.31, MISSISSIPPI CODE OF 1972, WHICH AUTHORIZES AN INCOME TAX CREDIT FOR COSTS AND EXPENSES INCURRED FOR THE REHABILITATION OF CERTAIN HISTORIC STRUCTURES, TO REMOVE THE PROVISION THAT EXCLUDES SINGLE-FAMILY DWELLINGS FROM THE DEFINITION OF THE TERM "ELIGIBLE PROPERTY"; TO REVISE THE PROVISIONS UNDER WHICH A TAXPAYER ELIGIBLE FOR A TAX CREDIT MAY CLAIM THE TAX CREDIT IN PHASES; TO REMOVE THE OPTION, IN LIEU OF THE TEN-YEAR CARRYFORWARD, OF A REFUND PAID OVER A TWO-YEAR PERIOD IN THE AMOUNT OF 75% OF THE EXCESS CREDIT; TO ALLOW THE OPTION, IN LIEU OF CLAIMING THE CREDIT, OF A REBATE OF 75% OF THE AMOUNT THAT WOULD BE ELIGIBLE TO CLAIM AS A CREDIT; TO PROVIDE THAT THE REBATE SHALL BE

All the ordinary and necessary expenses paid or incurred during the taxable year in carrying on any trade or business, including a reasonable allowance for salaries or other compensation for personal services actually rendered; nonreimbursable traveling expenses incident to current employment, including a reasonable amount expended for meals and lodging while away from home in the pursuit of a trade or business; and rentals or other payments required to be made as a condition of the continued use or possession, for purposes of the trade or business of property to which the taxpayer has not taken or is not taking title or in which he had no equity. Expense incurred in connection with earning and distributing nontaxable income is not an allowable deduction. Limitations on entertainment expenses shall conform to the provisions of the Internal Revenue Code of 1986.

(b) Interest. All interest paid or accrued during the taxable year on business indebtedness, except interest upon the indebtedness for the purchase of tax-free bonds, or any stocks, the dividends from which are nontaxable under the provisions of this article; provided, however, in the case of securities dealers, interest payments or accruals on loans, the proceeds of which are used to purchase tax-exempt securities, shall be deductible if income from otherwise tax-free securities is reported as income. Investment interest expense shall be limited to investment income. Interest expense incurred for the purchase of treasury stock, to pay dividends, or incurred as a result of an undercapitalized affiliated corporation may not be deducted unless an ordinary and necessary business purpose can be established to the satisfaction of the commissioner. For the purposes of this paragraph, the phrase "interest upon the indebtedness for the purchase of tax-free bonds" applies only to the indebtedness incurred for the purpose of directly purchasing tax-free bonds and does not apply to any other indebtedness incurred in the regular course of the taxpayer's business. Any corporation, association, organization or other entity taxable under Section 27-7-23(c) shall allocate interest expense as provided in Section 27-7-23(c)(3)(i).

(c) Taxes. (e) Bad debts. Losses from debts ascertained to be worthless and charged off during the taxable year, if sustained in the conduct of the regular trade or business of the taxpayer; provided, that such losses shall be allowed only when the taxpayer has reported as income, on the accrual basis, the amount of such debt or account.

(f) Depreciation. A reasonable allowance for exhaustion, wear and tear of property used in the trade or business, or rental property, and depreciation upon buildings based upon their reasonable value as of March 16, 1912, if acquired prior

This deduction shall be allowed in an amount not to exceed twenty percent (20%) of the net income. Such contributions or gifts shall be allowable as deductions only if verified under rules and regulations prescribed by the commissioner, with the approval of the Governor. Contributions made in any form other than cash shall be allowed as a deduction, subject to the limitations herein provided, in an amount equal to the actual market value of the contributions at the time the contribution is actually made and consummated.

(k) Contributions to employee pension plans. Contributions made by an employer to a plan or a trust forming part of a pension plan, stock bonus plan, disability or death-benefit plan, or profit-sharing plan of such employer for the exclusive benefit of some or all of his, their, or its employees, or their beneficiaries, shall be deductible from his, their, or its income only to the extent that, and for the taxable year in which, the contribution is deductible for federal income tax purposes under the Internal Revenue Code of 1986 and any other provisions of similar purport in the Internal Revenue Laws of the United States, and the rules, regulations, rulings and determinations promulgated thereunder, provided that:

(i) The plan or trust be irrevocable.

(ii) The plan or trust constitute a part of a pension plan, stock bonus plan, disability or death-benefit plan, or profit-sharing plan for the exclusive benefit of some or all of the employer’s employees and/or officers, or their beneficiaries, for the purpose of distributing the corpus and income of the plan or trust to such employees and/or officers, or their beneficiaries.

(iii) No part of the corpus or income of the plan or trust can be used for purposes other than for the exclusive benefit of employees and/or officers, or their beneficiaries.

Contributions to all plans or to all trusts of real or personal property (or real and personal property combined) or to insured plans created under a retirement plan for which provision has been made under the laws of the United States of America, making such contributions deductible from income for federal income tax purposes, shall be deductible only to the same extent under the Income Tax Laws of the State of Mississippi.

(l) Net operating loss carrybacks and carryovers. A net operating loss for any taxable year ending after December 31, 1993, and taxable years thereafter, shall be a net operating loss carryback to each of the three (3) taxable years preceding the taxable year of the loss. If the net operating loss for any taxable year is not exhausted by carrybacks to the three (3) taxable years preceding the taxable year of the loss, then there shall be a net operating loss carryover to each of the fifteen (15) taxable years
following the taxable year of the loss beginning with any taxable year after December 31, 1991.

For any taxable year ending after December 31, 1997, the period for net operating loss carryback and net operating loss carryover shall be the same as those established by the Internal Revenue Code and the rules, regulations, rulings and determinations promulgated thereunder as in effect at the taxable year end or on December 31, 2000, whichever is earlier.

A net operating loss for any taxable year ending after December 31, 2001, and taxable years thereafter, shall be a net operating loss carryback to each of the two (2) taxable years preceding the taxable year of the loss. If the net operating loss for any taxable year is not exhausted by carrybacks to the two (2) taxable years preceding the taxable year of the loss, then there shall be a net operating loss carryover to each of the twenty (20) taxable years following the taxable year of the loss beginning with any taxable year after the taxable year of the loss.

The term "net operating loss," for the purposes of this paragraph, shall be the excess of the deductions allowed over the gross income; provided, however, the following deductions shall not be allowed in computing same:

(i) No net operating loss deduction shall be allowed.
(ii) No personal exemption deduction shall be allowed.
(iii) Allowable deductions which are not attributable to taxpayer's trade or business shall be allowed only to the extent of the amount of gross income not derived from such trade or business.

Any taxpayer entitled to a carryback period as provided by this paragraph may elect to relinquish the entire carryback period with respect to a net operating loss for any taxable year ending after December 31, 1991. The election shall be made in the manner prescribed by the Department of Revenue and shall be made by the due date, including extensions of time, for filing the taxpayer's return for the taxable year of the net operating loss for which the election is to be in effect. The election, once made for any taxable year, shall be irrevocable for that taxable year.

(m) Amortization of pollution or environmental control facilities. Allowance of deduction. Every taxpayer, at his election, shall be entitled to a deduction for pollution or environmental control facilities to the same extent as that allowed under the Internal Revenue Code and the rules, regulations, rulings and determinations promulgated thereunder.

(n) Dividend distributions - real estate investment trusts. "Real estate investment trust" (hereinafter referred to as REIT) shall have the meaning ascribed to such term in Section 856 of the federal Internal Revenue Code of 1986, as amended. A REIT is allowed a dividend distributed deduction if the dividend distributions meet the requirements of Section 857 or are otherwise deductible under Section 858 or 860, federal Internal Revenue Code of 1986, as amended. In addition:

(i) A dividend distributed deduction shall only be allowed for dividends paid by a publicly traded REIT. A qualified REIT subsidiary shall be allowed a dividend distributed deduction if its owner is a publicly traded REIT.
(ii) Income generated from real estate contributed or sold to a REIT by a shareholder or related party shall not give rise to a dividend distributed deduction, unless the shareholder or related party would have received the dividend distributed deduction under this chapter.
(iii) A holding corporation receiving a dividend from a REIT shall not be allowed the deduction in Section 27-7-15(4)(t).
(iv) Any REIT not allowed the dividend distributed deduction in the federal Internal Revenue Code of 1986, as amended, shall not be allowed a dividend distributed deduction under this chapter.

The commissioner is authorized to promulgate rules and regulations consistent with the provisions in Section 269 of the federal Internal Revenue Code of 1986, as amended, so as to prevent the evasion or avoidance of state income tax.

(o) Contributions to college savings trust fund accounts. Contributions or payments to a Mississippi Affordable College Savings Program account are deductible as provided under Section 37-155-113. Payments made under a prepaid
tuition contract entered into under the Mississippi Prepaid Affordable College Tuition Program are deductible as provided under Section 37-155-17.

(p) Contributions of human pharmaceutical products. To the extent that a "major supplier" as defined in Section 27-13-13(2)(d) contributes human pharmaceutical products in excess of Two Hundred Fifty Million Dollars ($250,000,000.00) as determined under Section 170 of the Internal Revenue Code, the charitable contribution limitation associated with those donations shall follow the federal limitation but cannot result in the Mississippi net income being reduced below zero.

(q) Contributions to ABLE trust fund accounts. Contributions or payments to a Mississippi Achieving a Better Life Experience (ABLE) Program account are deductible as provided under Section 43-28-13.

(2) Restrictions on the deductibility of certain intangible expenses and interest expenses with a related member.

(a) As used in this subsection (2):

(i) "Intangible expenses and costs" include:

1. Expenses, losses and costs for, related to, or in connection directly or indirectly with the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange or any other disposition of intangible property to the extent such amounts are allowed as deductions or costs in determining taxable income under this chapter;

2. Expenses or losses related to or incurred in connection directly or indirectly with factoring transactions or discounting transactions;

3. Royalty, patent, technical and copyright fees;

4. Licensing fees; and

5. Other similar expenses and costs.

(ii) "Intangible property" means patents, patent applications, trade names, trademarks, service marks, copyrights and similar types of intangible assets.

(iii) "Interest expenses and cost" means amounts directly or indirectly allowed as deductions for purposes of determining taxable income under this chapter to the extent such interest expenses and costs are directly or indirectly for, related to, or in connection with the direct or indirect acquisition, maintenance, management, ownership, sale, exchange or disposition of intangible property.

(iv) "Related member" means an entity or person that, with respect to the taxpayer during all or any portion of the taxable year, is a related entity, a component member as defined in the Internal Revenue Code, or is an entity or a person to or from whom there is attribution of stock ownership in accordance with Section 1563(e) of the Internal Revenue Code.

(v) "Related entity" means:

1. A stockholder who is an individual or a member of the stockholder's family, as defined in regulations prescribed by the commissioner, if the stockholder and the members of the stockholder's family own, directly, indirectly, beneficially or constructively, in the aggregate, at least fifty percent (50%) of the value of the taxpayer's outstanding stock;

2. A stockholder, or a stockholder's partnership, limited liability company, estate, trust or corporation, if the stockholder and the stockholder's partnerships, limited liability companies, estates, trusts and corporations own, directly, indirectly, beneficially or constructively, in the aggregate, at least fifty percent (50%) of the value of the taxpayer's outstanding stock;

3. A corporation, or a party related to the corporation in a manner that would require an attribution of stock from the corporation to the party or from the party to the corporation, if the taxpayer owns, directly, indirectly, beneficially or constructively, at least fifty percent (50%) of the value of the corporation's outstanding stock under regulation prescribed by the commissioner;

4. Any entity or person which would be a related member under this section if the taxpayer were considered a corporation for purposes of this section.

(b) In computing net income, a taxpayer shall add back otherwise deductible interest expenses and costs and intangible expenses and costs directly or
indirectly paid, accrued to or incurred, in connection directly or indirectly with one or more
direct or indirect transactions with one or more related members.

(c) The adjustments required by this subsection shall not apply to
such portion of interest expenses and costs and intangible expenses and costs that the
taxpayer can establish meets one (1) of the following:

(i) The related member directly or indirectly paid, accrued
or incurred such portion to a person during the same income year who is not a related
member; or

(ii) The transaction giving rise to the interest expenses and
costs or intangible expenses and costs between the taxpayer and related member was
done primarily for a valid business purpose other than the avoidance of taxes, and the
related member is not primarily engaged in the acquisition, use, maintenance or
management, ownership, sale, exchange or any other disposition of intangible property.

(d) Nothing in this subsection shall require a taxpayer to add to its
net income more than once any amount of interest expenses and costs or intangible
expenses and costs that the taxpayer pays, accrues or incurs to a related member.

(e) The commissioner may prescribe such regulations as necessary
or appropriate to carry out the purposes of this subsection, including, but not limited to,
clarifying definitions of terms, rules of stock attribution, factoring and discount
transactions.

(3) Individual nonbusiness deductions.

(a) The amount allowable for individual nonbusiness itemized
deductions for federal income tax purposes where the individual is eligible to elect, for the
taxable year, to itemize deductions on his federal return except the following:

In the case of a husband and wife living together, having separate incomes,
and filing combined returns, the standard deduction authorized may be divided in any
manner they choose. In the case of separate returns by a husband and wife, the standard
deduction shall not be allowed to either if the taxable income of one of the spouses is
determined without regard to the standard deduction.

(c) A nonresident individual shall be allowed the same individual
nonbusiness deductions as are authorized for resident individuals in paragraph (a) or (b)
of this subsection; however, the nonresident individual is entitled only to that proportion of
the individual nonbusiness deductions as his net income from sources within the State of
Mississippi bears to his total or entire net income from all sources.
(4) Nothing in this section shall permit the same item to be deducted more than once, either in fact or in effect.

SECTION 2. Nothing in this act shall affect or defeat any claim, assessment, appeal, suit, right or cause of action for taxes due or accrued under the income tax laws before the date on which this act becomes effective, whether such claims, assessments, appeals, suits or actions have been begun before the date on which this act becomes effective or are begun thereafter; and the provisions of the income tax laws are expressly continued in full force, effect and operation for the purpose of the assessment, collection and enrollment of liens for any taxes due or accrued and the execution of any warrant under such laws before the date on which this act becomes effective, and for the imposition of any penalties, forfeitures or claims for failure to comply with such laws.

**H. B. No. 104**: Board of Supervisors of Hancock County; revise salary of attorney hired to prosecute cases for county.

**REPORT OF CONFERENCE COMMITTEE**

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 104: Board of Supervisors of Hancock County; revise salary of attorney hired to prosecute cases for county.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.

2. That the House and Senate adopt the following amendment:

   Amend by striking all after the enacting clause and inserting in lieu thereof the following:

   **SECTION 1.** Section 19-3-49, Mississippi Code of 1972, is amended as follows:

   19-3-49. (1) In all counties of this state wherein there is no elected county prosecuting attorney, the boards of supervisors shall have the power and authority to employ a competent attorney to appear and prosecute in cases requiring the services of the county prosecuting attorney. The compensation paid to the person so employed shall be paid from the general fund of such county and shall not exceed, during any calendar year, the amount authorized by law to be paid as salary to the county prosecuting attorney in such county. The employment of a county prosecuting attorney as authorized by this section shall be pursuant to a contract which shall provide that the salary of such county prosecuting attorney shall not be reduced, increased or terminated for the period of the contract. Such contract shall be for the period of the remainder of the term of office of the board of supervisors which employs the county prosecuting attorney; however, the contract shall provide expressly or by reference to this section that the contract shall be abrogated upon the creation and filling of the office of elected county prosecuting attorney.

   (2) Notwithstanding any of the provisions of subsection (1) of this section to the contrary, the board of supervisors of Hancock County may pay the attorney hired to appear and prosecute cases requiring the services of a county prosecuting attorney an annual salary * * * in an amount not to exceed fifty percent (50%) of the annual salary of the full-time district attorney as provided in Section 25-3-35. The Legislature finds and declares that the annual salary authorized by this section is justified in Hancock County for the following reasons:

   (a) The addition of a justice court judge in January 2004 created a total of three (3) judges in the county and requires the attorney hired to appear and prosecute cases requiring the services of a county prosecuting attorney to spend additional time in court; and

   (b) The population of Hancock County increased from thirty-one thousand seven hundred sixty (31,760) in 1990, to forty-two thousand nine hundred sixty-seven (42,967) in 2000, which placed it in the top ten percent (10%) of the fastest growing
counties in the state. The population of Hancock County has continued to increase at one of the highest rates in the state through 2018; and

(c) There was a significant increase in the number of cases filed in justice court and cases appealed to a higher court; and

(d) The attorney hired to appear and prosecute cases requiring the services of a county prosecuting attorney is responsible for handling a large number of drug, alcohol and mental commitment proceedings, and the per capita rate of those proceedings in the county has far exceeded the typical rate in other Mississippi counties. Further, Hancock County created a county court in 2018 thus exacerbating the case load and expediency of those proceedings, requiring additional time and responsibilities of the county prosecutor.

SECTION 2. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 19-3-49, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT THE HANCOCK COUNTY BOARD OF SUPERVISORS, RATHER THAN PAYING THE ATTORNEY HIRED TO PROSECUTE CASES REQUIRING THE SERVICES OF A COUNTY PROSECUTING ATTORNEY AN ANNUAL SALARY OF FORTY-FIVE THOUSAND DOLLARS, MAY PAY SUCH ATTORNEY AN ANNUAL SALARY IN AN AMOUNT NOT TO EXCEED FIFTY PERCENT OF THE ANNUAL SALARY OF THE FULL-TIME DISTRICT ATTORNEY; AND FOR RELATED PURPOSES.

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 356: Child abuse reports; expand immunity for making to include persons participating in resulting investigations.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.

2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

**SECTION 1.** Section 43-21-355, Mississippi Code of 1972, is amended as follows:

43-21-355. Any attorney, physician, dentist, intern, resident, nurse, psychologist, social worker, family protection worker, family protection specialist, child caregiver, minister, law enforcement officer, school attendance officer, public school district employee, nonpublic school employee, licensed professional counselor or any other person participating in the making of a required report pursuant to Section 43-21-353 or participating in an investigation, evaluation or judicial proceeding resulting from the report shall be presumed to be acting in good faith. Any person or institution reporting or participating in an investigation, evaluation or judicial proceeding resulting from the report in good faith shall be immune from any liability, civil or criminal, that might otherwise be incurred or imposed.

**SECTION 2.** Section 43-15-51, Mississippi Code of 1972, is amended as follows:

43-15-51. (1) The district attorneys, the Department of Human Services or the Department of Child Protection Services may initiate formal cooperative agreements with the appropriate agencies to create multidisciplinary child protection teams in order to implement a coordinated multidisciplinary team approach to intervention in reports
involving alleged commercial sexual exploitation, human trafficking, or severe or potential
felony child physical or sexual abuse, exploitation, or maltreatment. The multidisciplinary
team also may be known as a child abuse task force. The purpose of the team or task
force shall be to assist in the evaluation and investigation of reports and to provide
consultation and coordination for agencies involved in child protection cases. The
agencies to be included as members of the multidisciplinary team are: the district
attorney's office, city and county law enforcement agencies, county attorneys, youth court
prosecutors, the Human Trafficking Coordinator or his or her designee and other agencies
as appropriate. The Department of Child Protection Services shall be included as a
member of the multidisciplinary team if the department does not initiate creation of the
team.

(2) Except as otherwise provided in Section 43-26-3, to implement the
multidisciplinary child abuse team, the team or task force must be authorized by court
order from the appropriate youth court. The court order will designate which agencies will
participate in the cooperative multidisciplinary team.

(3) (a) Teams created under this section may invite other persons to serve on
the team who have knowledge of and experience in child abuse and neglect and
commercial sexual exploitation and human trafficking matters. These persons may
include licensed mental and physical health practitioners and physicians, dentists,
representatives of the district attorney’s office and the Attorney General’s office, experts
in the assessment and treatment of substance abuse or sexual abuse, the victim
assistance coordinator of the district attorney’s office, staff members of a child advocacy
center, sexual assault nurse examiners and experts in providing services to commercial
sexual exploitation and human trafficking victims. For purposes of this paragraph, the
term "sexual assault nurse examiner” means a registered nurse who has received a
documented forty (40) hours of training as a sexual assault nurse examiner.

(b) (i) A child advocacy center means an agency that advocates on
behalf of children alleged to have been abused and assists in the coordination of the
investigation of child abuse by providing a location for forensic interviews and promoting
the coordination of services for children alleged to have been abused. A child advocacy
center provides services that include, but are not limited to, forensic medical
examinations, mental health and related support services, court advocacy, consultation,
training for social workers, law enforcement training, and child abuse multidisciplinary
teams, and staffing of multidisciplinary teams.

(ii) Child advocacy centers may provide a video-taped
forensic interview of the child in a child friendly environment or separate building. The
purpose of the video-taped forensic interview is to prevent further trauma to a child in the
investigation and prosecution of child physical and sexual abuse cases. Child advocacy
centers can also assist child victims by providing therapeutic counseling subsequent to
the interview by a qualified therapist. Child advocacy centers can also assist law
enforcement and prosecutors by acquainting child victim witnesses and their parents or
guardians to the courtroom through child court school programs.

(4) A team or task force created under this section shall review records on
cases referred to the team by the Department of Child Protection Services or law
enforcement or the district attorney’s office. The team shall meet at least monthly.

(5) No person shall disclose information obtained from a meeting of the
multidisciplinary team unless necessary to comply with the Department of Child Protection
Services regulations or conduct and proceeding in youth court or criminal court
proceedings or as authorized by a court of competent jurisdiction.

(6) A child advocacy center or a member of the multidisciplinary team is not
liable for civil damages while acting within the scope of official team duties if the center or
member, in good faith, refers a report of alleged child abuse for investigation, conducts
an investigation, makes an investigative judgment or disposition, or releases or uses
information for the purpose of protecting a child. The limitation of civil liability does not
apply if a child advocacy center or multidisciplinary team member is not acting in good
faith. The limitation of liability provided by this subsection for a child advocacy center or
member of the multidisciplinary team, shall only apply when the child advocacy center or
the member is acting on behalf of or within the scope of duties for the multidisciplinary
team as described in this section.
SECTION 3. This act shall take effect and be in force from and after July 1, 2021.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 43-21-355, MISSISSIPPI CODE OF 1972, TO EXPAND THE IMMUNITY FOR MAKING GOOD FAITH REPORTS OF CHILD ABUSE OR NEGLECT TO INCLUDE PERSONS WHO PARTICIPATE IN AN INVESTIGATION, EVALUATION OR JUDICIAL PROCEEDING RESULTING FROM THE REPORT; TO AMEND SECTION 43-15-51, MISSISSIPPI CODE OF 1972, TO PROVIDE A LIMITED IMMUNITY FROM CIVIL LIABILITY TO CHILD ADVOCACY CENTERS AND MULTIDISCIPLINARY TEAM MEMBERS; AND FOR RELATED PURPOSES.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.

2. That the House and Senate adopt the following amendment:

    Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2023 do not exceed Fiscal Year 2022 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2022 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. If the State Personnel Board determines a special situation or circumstance exists and approves an action, then the agency and the State Personnel Board shall provide a monthly report of each action approved by the State Personnel Board to the chairmen of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the chairmen of the Appropriations Committees of the Senate and House of Representatives.

It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2022 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2022 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.
No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service’s Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

Funds have been appropriated herein for the purpose of implementation and funding Project SEC2 of the Colonel Guy Groff State Variable Compensation Plan beginning January 1, 2022, and ending June 30, 2022. It shall be the agency’s responsibility to make certain that each person, excluding executive directors, agency heads, and elected judges, shall receive no more than a 3% annual increase in salary which shall not exceed the market rate established by the State Personnel Board pursuant to the Colonel Guy Groff State Variable Compensation Plan for each classification.

SECTION 4. It is the intention of the Legislature that the Mississippi Department of Insurance shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2021. It is further the intention of the Legislature that the agency’s budget request for Fiscal Year 2023 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2022 budget request process.

SECTION 5. In compliance with the “Mississippi Performance Budget and Strategic Planning Act of 1994,” it is the intent of the Legislature that the funds provided herein shall be utilized in the most efficient and effective manner possible to achieve the intended mission of this agency. Based on the funding authorized, this agency shall make every effort to attain the targeted performance measures provided below:

A similar preference shall be given to the Mississippi Industries for the Blind whenever purchases are made without competitive bids.

SECTION 10. Within the limits of the funds available to the Mississippi Insurance Department for such purpose, the Commissioner of Insurance for the Mississippi Insurance Department may grant a paid internship to students pursuing junior or senior undergraduate level year coursework toward a bachelor's degree in risk management insurance or graduate level coursework towards a master's degree in business administration. Those applicants deemed qualified by the Mississippi Department of Insurance shall receive funds that may be used to pay for tuition, books and related fees to pursue their degree. It is the intent of the Legislature that the paid internship program shall be used as incentive for risk management insurance careers at the Mississippi Insurance Department.

SECTION 11. Of the funds appropriated in Section 1, Two Hundred Fifty Thousand Dollars ($250,000.00) is provided for the State Fire Marshal's Office for fire safety prevention and services, including, but not limited to, fire protection supplies and materials, smoke alarms, and public service announcements providing fire prevention information.

SECTION 12. Of the funds appropriated under the provisions of Section 2, the following sum, or so much thereof as may be necessary, is appropriated out of any money in the State Treasury to the credit of the Propane Education and Research Program Fund, for the purpose of research and development of more cost effective uses of propane and on educational programs, safety programs, and market development of propane for the fiscal year beginning July 1, 2021, and ending June 30, 2022 $ 130,000.00.

Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. If the State Personnel Board determines a special situation or circumstance exists and approves an action, then the agency and the State Personnel Board shall provide a monthly report of each action approved by the State Personnel Board to the chairmen of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the chairmen of the Appropriations Committees of the Senate and House of Representatives. If, at the time the agency takes any action to change “Personal Services,” the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2022 “Personal Services” appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2023 do not exceed Fiscal Year 2022 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2022 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2022 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

Funds have been appropriated herein for the purpose of implementation and funding Project SEC2 of the Colonel Guy Groff State Variable Compensation Plan beginning January 1, 2022, and ending June 30, 2022. It shall be the agency's responsibility to make certain that each person, excluding executive directors, agency heads, and elected judges, shall receive no more than a 3% annual increase in salary which shall not exceed the market rate established by the State Personnel Board pursuant to the Colonel Guy Groff State Variable Compensation Plan for each classification.

SECTION 5. It is the intention of the Legislature that the Department of Rehabilitation Services shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2021. It is further the intention of the Legislature that the agency's budget request for Fiscal Year 2023 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2022 budget request process.

SECTION 6. SECTION 7. It is the intention of the Legislature that whenever two (2) or more bids are received by this agency for the purchase of commodities or equipment, and whenever all things stated in such received bids are equal with respect to price, quality and service, the Mississippi Industries for the Blind shall be given preference. A similar preference shall be given to the Mississippi Industries for the Blind whenever purchases are made without competitive bids.

SECTION 8. In compliance with the "Mississippi Performance Budget and Strategic Planning Act of 1994," it is the intent of the Legislature that the funds provided herein shall be utilized in the most efficient and effective manner possible to achieve the intended mission of this agency. REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2624: MS Real Estate Commission; require to establish pilot program using administrative hearing officers.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.

2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 73-35-23, Mississippi Code of 1972, is amended as follows:

73-35-23. (1) The commission is hereby authorized and directed to take legal action against any violator of this chapter. Upon complaint initiated by the commission or filed with it, the licensee or any other person charged with a violation of this chapter shall be given fifteen (15) days' notice of the hearing upon the charges filed, together with notice of the option of appearing before the commission or an administrative hearing officer as provided in subsection (6) of this section and a copy of the complaint. The applicant or licensee or other violator shall have an opportunity to be heard in person or by counsel, to offer testimony, and to examine witnesses appearing in connection with the complaint. Hearings shall be held at the offices of the Mississippi Real Estate Commission, or at the commission's sole discretion, at a place determined by the commission.

At such hearings, all witnesses shall be properly sworn and stenographic notes of the proceedings shall be taken and filed as a part of the record in the case. Any party to the proceedings shall be furnished with a copy of such stenographic notes upon payment to the commission of such fees as it shall prescribe, not exceeding, however, the actual cost to the commission. The clear and convincing standard of proof shall be used to examine factors during all hearings. The commission shall render a decision on any complaint and shall immediately notify the parties to the proceedings in writing of its ruling, order or decision.

(2) In addition to the authority granted to the commission as hereinabove set forth, the commission is hereby vested with the authority to bring injunctive proceedings in any appropriate forum against any violator or violators of this chapter, and all judges or courts now having the power to grant injunctions are specifically granted the power and jurisdiction to hear and dispose of such proceedings.

(3) The commission is hereby authorized and empowered to issue subpoenas for the attendance of witnesses and the production of books and papers. The process issued by the commission shall extend to all parts of the state, and such process shall be
served by any person designated by the commission for such service. The person serving such process may receive such compensation as may be allowed by the commission, not to exceed the fee prescribed by law for similar services. All witnesses who are subpoenaed and who appear in any proceedings before the commission may receive the same fees and mileage as allowed by law, and all such fees shall be taxed as part of the costs in the case.

(4) Where in any proceeding before the commission any witness shall fail or refuse to attend upon subpoena issued by the commission, shall refuse to testify, or shall refuse to produce any books and papers the production of which is called for by the subpoena, the attendance of such witness and the giving of his testimony and the production of the books and papers shall be enforced by any court of competent jurisdiction of this state in the same manner as the attendance and testimony of witnesses in civil cases are enforced in the courts of this state.

(5) The commission may obtain legal counsel privately to represent it in proceedings when legal counsel is required.

(6) The commission shall establish a pilot program whereby an administrative hearing option shall be established, which shall consist of administrative hearing officers designated by the Attorney General for the purpose of holding hearings, hearing evidence and rendering decisions on matters determined to be the subject of a hearing for a licensee or any other person charged with a violation of this chapter or affecting the license of any person coming under its jurisdiction, when the licensee or any other person charged with a violation of this chapter shall request, in writing, for the matter to be heard by the administrative hearing officer. Administrative hearing officers shall be staff attorneys employed by the Attorney General's office, but must not currently hold a license issued by the commission. The administrative hearing officers shall have the same powers and authority in conducting hearings and rendering decisions as granted to the commission in this section. Hearings before an administrative hearing officer shall be held in the City of Jackson, Mississippi, at a place, time and manner agreed upon by the commission and the hearing officer within the city. The clear and convincing standard of proof shall be used to examine factors during all hearings. Any right of appeal available to a licensee or applicant for a license availing itself to the provisions hereof shall be preserved as if the matter had been heard and decided by the commission. This subsection (6) shall stand repealed on July 1, 2024.

(7) Nothing in this section shall preclude the commission and licensee from entering into any agreed order resolving a complaint prior to the hearing.

SECTION 2. Section 73-35-25, Mississippi Code of 1972, is amended as follows:

73-35-25. (1) Any applicant or licensee or person aggrieved shall have the right of appeal from any adverse ruling or order or decision of the commission or administrative hearing officer to the circuit court of the county of residence of the applicant, licensee or person, or of the First Judicial District of Hinds County, within thirty (30) days from the service of notice of the action of the commission upon the parties in interest.

(2) Notice of appeals shall be filed in the office of the clerk of the court who shall issue a writ of certiorari directed to the commission commanding it, within thirty (30) days after service thereof, to certify to such court its entire record in the matter in which the appeal has been taken. The appeal shall thereupon be heard in due course by said court, without a jury, which shall review the record and make its determination of the cause between the parties.

(3) Any order, rule or decision of the commission or administrative hearing officer shall not take effect until after the time for appeal to * * * the court * * * has expired. * * * If an appeal is taken by a defendant, such appeal * * * shall act * * * as a supersedeas and the court shall dispose of * * * the appeal and enter its decision promptly. However, the commission may file a motion within ten (10) days of the date of the filing the notice of appeal and request the court to lift the supersedeas upon the commission's showing, by clear and convincing evidence, that immediate and irreparable harm will or may occur if the licensee or person aggrieved were to continue operating as a licensee.
(4) Any person taking an appeal shall post a satisfactory bond in the amount of Five Hundred Dollars ($500.00) for the payment of any costs which may be adjudged against him.

(5) Actions taken by the commission in suspending a license when required by Section 93-11-157 or 93-11-163 are not actions from which an appeal may be taken under this section. Any appeal of a license suspension that is required by Section 93-11-157 or 93-11-163 shall be taken in accordance with the appeal procedure specified in Section 93-11-157 or 93-11-163, as the case may be, rather than the procedure specified in this section.

SECTION 3. Section 73-35-21, Mississippi Code of 1972, is amended as follows:

73-35-21. (1) The commission may, upon its own motion and shall upon the verified complaint in writing of any person, hold a hearing pursuant to Section 73-35-23 for the refusal of license or for the suspension or revocation of a license previously issued, or for such other action as the commission deems appropriate. The commission shall have full power to refuse a license for cause or to revoke or suspend a license where it has been obtained by false or fraudulent representation, or where the licensee in performing or attempting to perform any of the acts mentioned herein, is deemed to be guilty of:

(a) Making any substantial misrepresentation in connection with a real estate transaction;

(b) Making any false promises of a character likely to influence, persuade or induce;

(c) Pursuing a continued and flagrant course of misrepresentation or making false promises through agents or salespersons or any medium of advertising or otherwise;

(d) Any misleading or untruthful advertising;

(e) Acting for more than one (1) party in a transaction or receiving compensation from more than one (1) party in a transaction, or both, without the knowledge of all parties for whom he acts;

(f) Failing, within a reasonable time, to account for or to remit any monies coming into his possession which belong to others, or commingling of monies belonging to others with his own funds. Every responsible broker procuring the execution of an earnest money contract or option or other contract who shall take or receive any cash or checks shall deposit, within a reasonable period of time, the sum or sums so received in a trust or escrow account in a bank or trust company pending the consummation or termination of the transaction. "Reasonable time" in this context means by the close of business of the next banking day;

(g) Entering a guilty plea or conviction in a court of competent jurisdiction of this state, or any other state or the United States of any felony;

(h) Displaying a "for sale" or "for rent" sign on any property without the owner's consent;

(i) Failing to furnish voluntarily, at the time of signing, copies of all listings, contracts and agreements to all parties executing the same;

(j) Paying any rebate, profit or commission to any person other than a real estate broker or salesperson licensed under the provisions of this chapter;

(k) Inducing any party to a contract, sale or lease to break such contract for the purpose of substituting in lieu thereof a new contract, where such substitution is motivated by the personal gain of the licensee;

(l) Accepting a commission or valuable consideration as a real estate salesperson for the performance of any of the acts specified in this chapter from any person, except his employer who must be a licensed real estate broker;

(m) Failing to successfully pass the commission's background investigation for licensure or renewal as provided in Section 73-35-10; or

(n) Any act or conduct, whether of the same or a different character than hereinabove specified, which constitutes or demonstrates bad faith, incompetency or untrustworthiness, or dishonest, fraudulent or improper dealing. However, simple contact and/or communication with any mortgage broker or lender by a real estate licensee about any professional, including, but not limited to, an appraiser, home
inspector, contractor, and/or attorney regarding a listing and/or a prospective or pending contract for the lease, sale and/or purchase of real estate shall not constitute conduct in violation of this section.

(2) No real estate broker shall practice law or give legal advice directly or indirectly unless such broker be a duly licensed attorney under the laws of this state. He shall not act as a public conveyancer nor give advice or opinions as to the legal effect of instruments nor give opinions concerning the validity of title to real estate; nor shall he prevent or discourage any party to a real estate transaction from employing the services of an attorney; nor shall a broker undertake to prepare documents fixing and defining the legal rights of parties to a transaction. However, when acting as a broker, he may use an earnest money contract form. A real estate broker shall not participate in attorney's fees, unless the broker is a duly licensed attorney under the laws of this state and performs legal services in addition to brokerage services.

(3) It is expressly provided that it is not the intent and purpose of the Mississippi Legislature to prevent a license to be issued to any person who is found to be of good reputation, is able to give bond, and who has lived in the State of Mississippi for the required period or is otherwise qualified under this chapter.

(4) In addition to the reasons specified in subsection (1) of this section, the commission shall be authorized to suspend the license of any licensee for being out of compliance with an order for support, as defined in Section 93-11-153. The procedure for suspension of a license for being out of compliance with an order for support, and the procedure for the reissuance or reinstatement of a license suspended for that purpose, and the payment of any fees for the reissuance or reinstatement of a license suspended for that purpose, shall be governed by Section 93-11-157 or 93-11-163, as the case may be. If there is any conflict between any provision of Section 93-11-157 or 93-11-163 and any provision of this chapter, the provisions of Section 93-11-157 or 93-11-163, as the case may be, shall control.

(5) Nothing in this chapter shall prevent an associate broker or salesperson from owning any lawfully constituted business organization, including, but not limited to, a corporation, limited liability company or limited liability partnership, for the purpose of receiving payments contemplated in this chapter. The business organization shall not be required to be licensed under this chapter and shall not engage in any other activity requiring a real estate license.

SECTION 4. This act shall take effect and be in force from and after July 1, 2021.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 73-35-23, MISSISSIPPI CODE OF 1972, TO REQUIRE THE REAL ESTATE COMMISSION TO ESTABLISH A PILOT PROGRAM ALLOWING ADMINISTRATIVE HEARINGS ON CERTAIN LICENSING MATTERS UNDER ITS JURISDICTION; TO PROVIDE THAT ADMINISTRATIVE HEARING OFFICERS SHALL BE STAFF ATTORNEYS EMPLOYED BY THE ATTORNEY GENERAL; TO AMEND SECTION 73-35-25, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT AN APPEAL TAKE A DEFENDANT FROM AN ADVERSE RULING OR ORDER OF THE MISSISSIPPI REAL ESTATE COMMISSION SHALL ACT AS A SUPERSEDEAS; TO AMEND SECTION 73-35-21, MISSISSIPPI CODE OF 1972, TO CONFORM TO THE PRECEDING AMENDMENT; AND FOR RELATED PURPOSES.

(b) (i) Amounts deposited into such special fund shall be disbursed to pay the costs of projects described in paragraph (a) of this subsection. If any monies in such special fund are not used within four (4) years after the date the proceeds of the bonds authorized under this section are deposited into the special fund, then the institution of higher learning for which any unused monies are allocated under paragraph (a) of this subsection shall provide an accounting of such unused monies to the commission. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.
(ii) Monies in the special fund may be used to reimburse reasonable actual and necessary costs incurred by the Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, in administering or providing assistance directly related to a project described in paragraph (a) of this subsection. An accounting of actual costs incurred for which reimbursement is sought shall be maintained for each project by the Department of Finance and Administration, Bureau of Building, Grounds and Real Property Management. Reimbursement of reasonable actual and necessary costs for a project shall not exceed two percent (2%) of the proceeds of bonds issued for such project. Monies authorized for a particular project may not be used to reimburse administrative costs for unrelated projects.

(c) The Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, is expressly authorized and empowered to receive and expend any local or other source funds in connection with the expenditure of funds provided for in this subsection. The expenditure of monies deposited into the special fund shall be under the direction of the Department of Finance and Administration, and such funds shall be paid by the State Treasurer upon warrants issued by such department, which warrants shall be issued upon requisitions signed by the Executive Director of the Department of Finance and Administration, or his designee.

(d) Any amounts allocated to an institution of higher learning that are in excess of that needed to complete the projects at such institution of higher learning that are described in paragraph (a) of this subsection may be used for general repairs and renovations at the institution of higher learning.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this section, the Department of Finance and Administration shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed Eighty-six Million Three Hundred Seventy-five Thousand Dollars ($86,375,000.00). No bonds shall be issued under this section after July 1, 2025.

(b) Any investment earnings on amounts deposited into the special fund created in subsection (2) of this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(4) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(5) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and
coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(6) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(7) The commission shall act as issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such prices as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(8) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special funds created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(10) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(11) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Title 31, Chapter 13, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties
required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 2. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated as the "2021 Community and Junior Colleges Capital Improvements Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited to the credit of the fund. Monies in the fund may not be used or expended for any purpose except as authorized under this act.

(ii) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, to pay the costs of acquisition of real property, construction of new facilities, equipping and furnishing facilities, including furniture and technology equipment and infrastructure, and addition to or renovation of existing facilities for community and junior college campuses as recommended by the Mississippi Community College Board. (b) Amounts deposited into such special fund shall be disbursed to pay the costs of projects described in paragraph (a) of this subsection. If any monies in such special fund are not used within four (4) years after the date the proceeds of the bonds authorized under this section are deposited into the special fund, then the community college or junior college for which any such monies are allocated under paragraph (a) of this subsection shall provide an accounting of such unused monies to the commission. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this section shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(c) The Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, is expressly authorized and empowered to receive and expend any local or other source funds in connection with the expenditure of funds provided for in this section. The expenditure of monies deposited into the special fund shall be under the direction of the Department of Finance and Administration, and such funds shall be paid by the State Treasurer upon warrants issued by such department, which warrants shall be issued upon requisitions signed by the Executive Director of the Department of Finance and Administration, or his designee.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this section, the Department of Finance and Administration shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed Thirty-five Million Dollars ($35,000,000.00). No bonds shall be issued under this section after July 1, 2025.

(b) Any investment earnings on amounts deposited into the special funds created in subsection (2) of this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(4) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(5) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office
on the date such bonds may bear, the signatures of such officers upon such bonds and
coupons shall nevertheless be valid and sufficient for all purposes and have the same
effect as if the person so officially signing such bonds had remained in office until their
delivery to the purchaser, or had been in office on the date such bonds may bear.
However, notwithstanding anything herein to the contrary, such bonds may be issued as
provided in the Registered Bond Act of the State of Mississippi.

(6) All bonds and interest coupons issued under the provisions of this section
have all the qualities and incidents of negotiable instruments under the provisions of the
Uniform Commercial Code, and in exercising the powers granted by this section, the
commission shall not be required to and need not comply with the provisions of the

(7) The commission shall act as issuing agent for the bonds authorized under

sell the bonds, pay all fees and costs incurred in such issuance and sale, and do any and
all other things necessary and advisable in connection with the issuance and sale of such
bonds. The commission is authorized and empowered to pay the costs that are incident
to the sale, issuance and delivery of the bonds authorized under this section from the
proceeds derived from the sale of such bonds. The commission may sell such bonds on

the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section,
may provide that bonds, at the option of the State of Mississippi, may be called in for
payment and redemption at the call price named therein and accrued interest on such
date or dates named therein.

(8) The bonds issued under the provisions of this section are general
obligations of the State of Mississippi, and for the payment thereof the full faith and credit
of the State of Mississippi is irrevocably pledged. If the funds appropriated by the

to taxpayers required by such statutes shall be published in a newspaper published or
having a general circulation in the City of Jackson, Mississippi.

section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 3. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

If any monies in such special fund are not used within four (4) years after the date the proceeds of the bonds authorized under this section are deposited into the special fund, then the agency or institution of higher learning for which any unused monies are allocated under paragraph (a) of this subsection shall provide an accounting of such unused monies to the commission. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(ii) Monies in the special fund may be used to reimburse reasonable actual and necessary costs incurred by the Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, in administering or providing assistance directly related to a project described in paragraph (a) of this subsection. An accounting of actual costs incurred for which reimbursement is sought shall be maintained for each project by the Department of Finance and Administration, Bureau of Building, Grounds and Real Property Management. Reimbursement of reasonable actual and necessary costs for a project shall not exceed two percent (2%) of the proceeds of bonds issued for such project. (c) The Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, is expressly authorized and empowered to receive and expend any local or other source funds in connection with the expenditure of funds provided for in this subsection. The expenditure of monies deposited into the special fund shall be under the direction of the Department of Finance and Administration, and such funds shall be paid by the State Treasurer upon warrants issued by such department, which warrants shall be issued upon requisitions signed by the Executive Director of the Department of Finance and Administration, or his designee.

(d) Any amounts allocated to an agency that are in excess of that needed to complete the projects at such agency that are described in paragraph (a) of this subsection may be used for general repairs and renovations at the agency.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of
Finance and Administration declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this section, the Department of Finance and Administration shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed Five Million Two Hundred Fifty Thousand Dollars ($5,250,000.00). No bonds shall be issued under this section after July 1, 2025.

Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(5) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(6) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually. If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for
payment and redemption at the call price named therein and accrued interest on such
date or dates named therein.

(8) The bonds issued under the provisions of this section are general
obligations of the State of Mississippi, and for the payment thereof the full faith and
credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the
Legislature are insufficient to pay the principal of and the interest on such bonds as they
become due, then the deficiency shall be paid by the State Treasurer from any funds in
the State Treasury not otherwise appropriated. All such bonds shall contain recitals on
their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section,
the commission shall transfer the proceeds of any such sale or sales to the special fund
created in subsection (2) of this section. The proceeds of such bonds shall be disbursed
solely upon the order of the Department of Finance and Administration under such
restrictions, if any, as may be contained in the resolution providing for the issuance of the
bonds.

(10) The bonds authorized under this section may be issued without any other
proceedings or the happening of any other conditions or things other than those

having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any
of the interest coupons pertaining thereto may, either at law or in equity, by suit, action,
mandamus or other proceeding, protect and enforce any and all rights granted under this
section, or under such resolution, and may enforce and compel performance of all duties
required by this section to be performed, in order to provide for the payment of bonds and
interest thereon.

(13) All bonds issued under the provisions of this section shall be legal
investments for trustees and other fiduciaries, and for savings banks, trust companies and
insurance companies organized under the laws of the State of Mississippi, and such
bonds shall be legal securities which may be deposited with and shall be received by all
public officers and bodies of this state and all municipalities and political subdivisions for
the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom
shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely
for the purposes herein provided, including the costs incident to the issuance and sale of
such bonds.

(16) The State Treasurer is authorized, without further process of law, to certify
to the Department of Finance and Administration the necessity for warrants, and the
Department of Finance and Administration is authorized and directed to issue such
warrants, in such amounts as may be necessary to pay when due the principal of,
premium, if any, and interest on, or the accreted value of, all bonds issued under this
section; and the State Treasurer shall forward the necessary amount to the designated
place or places of payment of such bonds in ample time to discharge such bonds, or the
interest thereon, on the due dates thereof.

(17) This section shall be deemed to be full and complete authority for the
exercise of the powers herein granted, but this section shall not be deemed to repeal or
to be in derogation of any existing law of this state.

In addition, all funds authorized and disbursed by the state will be spent equally with funds matched by the Chickasaw Inkana Foundation.

(b) Amounts deposited into such special fund shall be disbursed to pay the costs of the projects described in paragraph (a) of this subsection. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as the issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. Whenever any such bonds have been signed by the officials designated to sign the bonds who were in office at the time of such signing, but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office
on the date such bonds may bear, the signatures of such officers upon such bonds and
coupons shall nevertheless be valid and sufficient for all purposes and have the same
effect as if the person so officially signing such bonds had remained in office until their
delivery to the purchaser, or had been in office on the date such bonds may bear.
However, notwithstanding anything herein to the contrary, such bonds may be issued as
provided in the Registered Bond Act of the State of Mississippi.

this section, prescribe the form of the bonds, determine the appropriate method for sale
of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and

interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be
published at least one time, not less than ten (10) days before the date of sale, and shall
be so published in one or more newspapers published or having a general circulation in the
City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section,
may provide that bonds, at the option of the State of Mississippi, may be called in for
payment and redemption at the call price named therein and accrued interest on such
date or dates named therein.

(8) The bonds issued under the provisions of this section are general
obligations of the State of Mississippi, and for the payment thereof the full faith and credit
of the State of Mississippi is irrevocably pledged. If the funds appropriated by the
Legislature are insufficient to pay the principal of and the interest on such bonds as they
become due, then the deficiency shall be paid by the State Treasurer from any funds in
the State Treasury not otherwise appropriated. All such bonds shall contain recitals on
their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section,
the commission shall transfer the proceeds of any such sale or sales to the special fund
created in subsection (2) of this section. The proceeds of such bonds shall be disbursed
solely upon the order of the Department of Finance and Administration under such
restrictions, if any, as may be contained in the resolution providing for the issuance of the
bonds.

(10) The bonds authorized under this section may be issued without any other
proceedings or the happening of any other conditions or things other than those
proceedings, conditions and things which are specified or required by this section. Any
resolution providing for the issuance of bonds under the provisions of this section shall
become effective immediately upon its adoption by the commission, and any such
resolution may be adopted at any regular or special meeting of the commission by a
majority of its members.

(11) The bonds authorized under the authority of this section may be validated

manner and with the force and effect provided by Title 31, Chapter 13, Mississippi Code
of 1972, for the validation of county, municipal, school district and other bonds. The notice
to taxpayers required by such statutes shall be published in a newspaper published or
having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any
of the interest coupons pertaining thereto may, either at law or in equity, by suit, action,
mandamus or other proceeding, protect and enforce any and all rights granted under this
section, or under such resolution, and may enforce and compel performance of all duties
required by this section to be performed, in order to provide for the payment of bonds and
interest thereon.

(13) All bonds issued under the provisions of this section shall be legal
investments for trustees and other fiduciaries, and for savings banks, trust companies and
insurance companies organized under the laws of the State of Mississippi, and such
bonds shall be legal securities which may be deposited with and shall be received by all
public officers and bodies of this state and all municipalities and political subdivisions for
the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom
shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely
for the purposes herein provided, including the costs incident to the issuance and sale of
such bonds.

(16) The State Treasurer is authorized, without further process of law, to certify
to the Department of Finance and Administration the necessity for warrants. The
Department of Finance and Administration is authorized and directed to issue such
warrants, in such amounts as may be necessary to pay when due the principal of,
premium, if any, and interest on, or the accreted value of, all bonds issued under this
section. The State Treasurer shall forward the necessary amount to the designated place
or places of payment of such bonds in ample time to discharge such bonds, or the interest
thereon, on the due dates thereof.

(17) This section shall be deemed to be full and complete authority for the
exercise of the powers herein granted, but this section shall not be deemed to repeal or
to be in derogation of any existing law of this state.

SECTION 6. (1) As used in this section, the following words shall have the
meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bonds means, as of any date of
computation, an amount equal to the sum of (i) the stated initial value of such bond, plus

discretion, may act as the issuing agent, prescribe the form of the bonds, determine the
appropriate method for sale of the bonds, advertise for and accept bids or negotiate the
sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all
other things necessary and advisable in connection with the issuance and sale of such
bonds. The total amount of bonds issued under this section shall not exceed Five Million

(5) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(6) The commission shall act as issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate sale of the bonds, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

(7) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this section.

The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(11) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(16) This section shall be deemed to be full and complete authority for the exercise of the powers therein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated as the "2021 Lawrence County N.A. Sandifer Road Bridge Fund," is created within the State Treasury. (b) Amounts deposited into such special fund shall be disbursed to pay the costs of the projects described in paragraph (a) of this subsection. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(c) The Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, is expressly authorized and empowered to receive and expend any local or other source funds in connection with the expenditure of funds provided for in this subsection. The expenditure of monies deposited into the special fund shall be under the direction of the Department of Finance and Administration, and such funds shall be paid by the State Treasurer upon warrants issued by such department, which warrants shall be issued upon requisitions signed by the Executive Director of the Department of Finance and Administration, or his designee.

mandamus or other proceeding, protect and enforce any and all rights granted under this
section, or under such resolution, and may enforce and compel performance of all duties
required by this section to be performed, in order to provide for the payment of bonds and
interest thereon.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

(8) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(6) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized
under this section from the proceeds derived from the sale of such bonds. The
commission may sell such bonds on sealed bids at public sale or may negotiate the sale
of the bonds for such price as it may determine to be for the best interest of the State of
Mississippi. All interest accruing on such bonds so issued shall be payable semiannually
or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale of any
such bonds shall be published at least one time, not less than ten (10) days before the
date of sale, and shall be so published in one or more newspapers published or having a
general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section,
may provide that bonds, at the option of the State of Mississippi, may be called in for
payment and redemption at the call price named therein and accrued interest on such
date or dates named therein.

(8) The bonds issued under the provisions of this section are general
obligations of the State of Mississippi, and for the payment thereof the full faith and credit
of the State of Mississippi is irrevocably pledged. If the funds appropriated by the
Legislature are insufficient to pay the principal of and the interest on such bonds as they
become due, then the deficiency shall be paid by the State Treasurer from any funds in
the State Treasury not otherwise appropriated. All such bonds shall contain recitals on
their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section,
the commission shall transfer the proceeds of any such sale or sales to the special fund
created in subsection (2) of this section. The proceeds of such bonds shall be disbursed
solely upon the order of the Department of Finance and Administration under such
restrictions, if any, as may be contained in the resolution providing for the issuance of the
bonds.

(10) The bonds authorized under this section may be issued without any other
proceedings or the happening of any other conditions or things other than those
proceedings, conditions and things which are specified or required by this section. Any
resolution providing for the issuance of bonds under the provisions of this section shall
become effective immediately upon its adoption by the commission, and any such
resolution may be adopted at any regular or special meeting of the commission by a
majority of its members.

(11) The bonds authorized under the authority of this section may be validated
in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the
manner and with the force and effect provided by Title 31, Chapter 13, Mississippi Code
of 1972, for the validation of county, municipal, school district and other bonds. The notice
to taxpayers required by such statutes shall be published in a newspaper published or
having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any
of the interest coupons pertaining thereto may, either at law or in equity, by suit, action,
mandamus or other proceeding, protect and enforce any and all rights granted under this
section, or under such resolution, and may enforce and compel performance of all duties
required by this section to be performed, in order to provide for the payment of bonds and
interest thereon.

(13) All bonds issued under the provisions of this section shall be legal
investments for trustees and other fiduciaries, and for savings banks, trust companies and
insurance companies organized under the laws of the State of Mississippi, and such
bonds shall be legal securities which may be deposited with and shall be received by all
public officers and bodies of this state and all municipalities and political subdivisions for
the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom
shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely
for the purposes herein provided, including the costs incident to the issuance and sale of
such bonds.
(16) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accrued value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

Once the department has allocated credits to a taxpayer, if the contribution for which a credit is allocated has not been made as of the date of the allocation, then the contribution must be made not later than sixty (60) days from the date of the allocation. If the contribution is not made within such time period, the allocation shall be cancelled and returned to the department for reallocation. Upon final documentation of the contributions, if the actual dollar amount of the contributions is lower than the amount estimated, the department shall adjust the tax credit allowed under this section.

(b) A taxpayer who applied for a tax credit under this section during calendar year 2020, but who was unable to be awarded the credit due to the limit on the aggregate amount of credits authorized for calendar year 2020, shall be given priority for tax credits authorized to be allocated to taxpayers under this section by Section 27-7-22.39.

For calendar year 2022, and for each calendar year thereafter, of the amount of tax credits that may be allocated for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section, fifteen percent (15%) of the tax credits shall be available solely for allocation for contributions to eligible charitable organizations described in subsection (1)(b)(ii)2; however, any such tax credits not allocated before April 1 of a calendar year may be allocated for contributions to eligible charitable organizations described in subsection (1)(b)(ii)1 of this section. For calendar year 2021, and for each calendar year thereafter, for credits allocated during a calendar year for contributions to eligible charitable organizations described in subsection (1)(b)(i) of this section, no more than twenty-five percent (25%) of such credits may be allocated for contributions to a single eligible charitable organization. Except as otherwise provided in this section, for calendar year 2021, and for each calendar year thereafter, for credits allocated during a calendar year for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section, no more than five percent (5%) of such credits may be allocated for contributions to a single eligible charitable organization. However, for calendar year 2022, of the additional amount of tax credits authorized under this section, as amended by Senate Bill No. 2971, 2021 Regular Session, for allocation for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section, Two Million Dollars ($2,000,000.00) of the tax credits shall be available solely for allocation for contributions to Magnolia Speech School; however, any such tax credits not allocated before April 1, 2022, may be allocated for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated the "2021 LeFleur's Bluff State Park Improvements Fund," is created within the State Treasury. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, to assist in paying costs associated with construction and development of and upgrades and improvements to property, roadways, infrastructure, facilities and structures at LeFleur’s Bluff State Park, in Jackson, Mississippi, for the purpose of enhancing and developing the entrance to the Mississippi Children’s Museum and the Mississippi Museum of Natural Science, and areas and amenities related to the museums.

(b) Amounts deposited into such special fund shall be disbursed to pay the costs of the projects described in paragraph (a) of this subsection. The total amount of bonds issued under this section shall not exceed Two Million Five Hundred Thousand Dollars ($2,500,000.00). No bonds shall be issued under this section after July 1, 2025.

(b) Any investment earnings on amounts deposited into the special fund created in subsection (2) of this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(4) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. (5) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(6) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.
If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one (1) time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(8) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(10) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(11) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated as the "2021 Town of Bruce - Vardaman Street Fund," is created within the State Treasury. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form
of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(6) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(7) The commission shall act as issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or date named therein.

(8) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(10) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. (11) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such
warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

for the purposes herein provided, including the costs incident to the issuance and sale of

interest thereon, on the due dates thereof.

(17) This section shall be deemed to be full and complete authority for the
exercise of the powers herein granted, but this section shall not be deemed to repeal or
to be in derogation of any existing law of this state.

SECTION 57. (1) As used in this section, the following words shall have the
meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bond means, as of any date of
computation, an amount equal to the sum of (i) the stated initial value of such bond, plus
(ii) the interest accrued thereon from the issue date to the date of computation at the rate,
compounded semiannually, that is necessary to produce the approximate yield to maturity
shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated as the "2021 City of D'Iberville -
Mallet Road Fund," is created within the State Treasury. The fund shall be maintained by
the State Treasurer as a separate and special fund, separate and apart from the General
Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year
shall not lapse into the State General Fund, and any interest earned or investment
earnings on amounts in the fund shall be deposited into such fund.
(ii) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, to assist the City of D'Iberville, Mississippi, in paying costs associated with repairs, resurfacing, upgrades and improvements to Mallet Road in the City of D'Iberville.

(b) Amounts deposited into such special fund shall be disbursed to pay the costs of the projects described in paragraph (a) of this subsection. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed One Million Dollars ($1,000,000.00). No bonds shall be issued under this section after July 1, 2025.

(b) Any investment earnings on amounts deposited into the special fund created in subsection (2) of this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(4) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

issuance and sale of such bonds. The commission is authorized and empowered to pay
the costs that are incident to the sale, issuance and delivery of the bonds authorized under
this section from the proceeds derived from the sale of such bonds. The commission may
sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for
such price as it may determine to be for the best interest of the State of Mississippi. All
interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be
published at least one time, not less than ten (10) days before the date of sale, and shall

date or dates named therein.

(8) The bonds issued under the provisions of this section are general
obligations of the State of Mississippi, and for the payment thereof the full faith and credit
of the State of Mississippi is irrevocably pledged. If the funds appropriated by the

the State Treasury not otherwise appropriated. All such bonds shall contain recitals on
their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section,
the commission shall transfer the proceeds of any such sale or sales to the special fund
created in subsection (2) of this section. The proceeds of such bonds shall be disbursed
solely upon the order of the Department of Finance and Administration under such
restrictions, if any, as may be contained in the resolution providing for the issuance of the

resolution providing for the issuance of bonds under the provisions of this section shall
become effective immediately upon its adoption by the commission, and any such
resolution may be adopted at any regular or special meeting of the commission by a
majority of its members.

(11) The bonds authorized under the authority of this section may be validated
in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the
manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code
of 1972, for the validation of county, municipal, school district and other bonds. The notice
to taxpayers required by such statutes shall be published in a newspaper published or
having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any
of the interest coupons pertaining thereto may, either at law or in equity, by suit, action,
mandamus or other proceeding, protect and enforce any and all rights granted under this
section, or under such resolution, and may enforce and compel performance of all duties
required by this section to be performed, in order to provide for the payment of bonds and
interest thereon.

(13) All bonds issued under the provisions of this section shall be legal
investments for trustees and other fiduciaries, and for savings banks, trust companies and

public officers and bodies of this state and all municipalities and political subdivisions for
the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom
shall be exempt from all taxation in the State of Mississippi.
(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or be in derogation of any existing law of this state.
