A husband and wife living together shall receive but one (1) personal exemption in the amounts provided for in this subsection for each calendar year against their aggregate income.

(d) Head of family individuals. In the case of a head of family individual, a personal exemption of Eight Thousand Dollars (\$8,000.00) for the 1979 and 1980 calendar years * * *, Nine Thousand Five Hundred Dollars (\$9,500.00) for each calendar year thereafter through calendar year 2021, and Thirty-six Thousand Six Hundred Dollars (\$36,600.00) for each calendar year thereafter. The term "head of family" means an individual who is single, or married but not living with his spouse for the entire taxable year, who maintains a household which constitutes the principal place of abode of himself and one or more individuals who are dependents under the provisions of Section 152(a) of the Internal Revenue Code of 1954, as amended. The head of family individual shall be entitled to the additional dependent exemption as provided in subsection (e) of this section only to the extent of dependents in excess of the one (1) dependent needed to qualify as head of family.

(e) Additional exemption for dependents. In the case of any individual having a dependent, other than husband or wife, an additional personal exemption of One Thousand Five Hundred Dollars (\$1,500.00) for each such dependent, except as otherwise provided in subsection (d) of this section. (h) Husband and wife--claiming exemptions. In the case of husband and wife living together and filing combined returns, the personal and additional exemptions authorized and allowed by this section may be taken by either, or divided between them in any manner they may choose. In the case of a husband and wife filing separate returns, the personal and additional exemptions authorized and allowed by this section shall be divided equally between the spouses.

(i) Nonresidents. A nonresident individual shall be allowed the same personal and additional exemptions as are authorized for resident individuals in subsection (a) of this section; however, the nonresident individual is entitled only to that proportion of the personal and additional exemptions as his net income from sources within the State of Mississippi bears to his total or entire net income from all sources.

A nonresident individual who is married and whose spouse has income from independent sources must declare the joint income of himself and his spouse from sources within and without Mississippi and claim as a personal exemption that proportion of the authorized personal and additional exemptions which the total net income from Mississippi sources bears to the total net income of both spouses from all sources. If both spouses have income from sources within Mississippi and wish to file separate returns, their combined personal and additional exemptions shall be that proration of the exemption which their combined net income from Mississippi sources is of their total combined net income from all sources. The amount of the personal and additional exemptions so computed may be divided between them in any manner they choose.

In the case of married individuals where one (1) spouse is a resident and the other is a nonresident, the personal exemption of the resident individual shall be prorated on the same basis as if both were nonresidents having net income from within and without the State of Mississippi.

For the purpose of this subsection, the term "net income" means gross income less business expenses incurred in the taxpayer's regular trade or business and computed in accordance with the provisions of the Mississippi Income Tax Law.

(j) Part-year residents. An individual who is a resident of Mississippi for only a part of his taxable year by reason of either moving into the state or moving from the state shall be allowed the same personal and additional exemptions as authorized for resident individuals in subsection (a) of this section; the part-year resident shall prorate his exemption on the same basis as nonresidents having net income from within and without the state.

(n) Status. The status on the last day of the taxable year, except in the case of the head of family as provided in subsection (d) of this section, shall determine the right to the exemptions provided in this section; provided, that a taxpayer shall be entitled to such exemptions, otherwise allowable, if the husband or wife or dependent has died during the taxable year.

(o) Fiscal-year taxpayers. Individual taxpayers reporting on a fiscal year basis shall prorate their exemptions in a manner established by regulations promulgated by the commissioner.

(p) (i) On or before December 1, 2022, and on or before December 1 of each succeeding year, the Commissioner of Revenue shall calculate the amount of the

increases in the personal exemption for single individuals, the personal exemption for married individuals, and the personal exemption for head of family individuals, that will produce a reduction in revenue equal to the tax reduction growth amount calculated as provided in paragraph (ii) of this subsection (p). The commissioner shall increase each of the personal exemptions by the amount calculated in this paragraph (i), rounded down to the nearest One Thousand Dollars (\$1,000.00) increment, and the revised personal exemption amounts calculated by the commissioner shall be effective for the next calendar year. From and after January 1 of the next succeeding year after the date that the Commissioner of Revenue certifies that the reduction in revenue mandated by this paragraph (i) equals or exceeds the remaining revenue produced by the individual income tax, the individual income tax shall stand repealed as provided in Section 27-7-5.

(ii) On or before October 1, 2022, and on or before October 1 of each succeeding year, the Legislative Budget Office shall provide to the Commissioner of Revenue the following amounts:

3. The inflation factor, which shall be determined by dividing the CPI-U for the most recent full fiscal year by the CPI-U for the fiscal year immediately preceding the most recent full fiscal year. As used in this paragraph (ii), "CPI-U" means the United States Consumer Price Index for All Urban Consumers, South Region as defined and reported by the United States Department of Labor, Bureau of Labor Statistics;

4. The adjusted inflation factor, which is the lesser of 1.015 or the inflation factor determined under subparagraph 3 of this paragraph (ii); and

5. The tax reduction growth amount for the current fiscal year, which shall be determined by:

a. Multiplying the amount of the actual general fund revenue collected during the fiscal year immediately preceding the most recent full fiscal year by the adjusted inflation factor, and

b. Subtracting the amount determined under item a of this subparagraph 5 from the amount of the actual general fund revenue collected during the most recent full fiscal year.

(iii) For the purposes of paragraph (ii)1 of this subsection (p), the amount of the actual general fund revenue collected during Fiscal Year 2022 shall be reduced by the amount of income tax paid during the months of January through June of Fiscal Year 2022 for calendar year 2021 on amounts up to Thirty-seven Thousand Seven Hundred Dollars (\$37,700.00) for single individuals, Seventy-five Thousand Four Hundred Dollars (\$75,400.00) for married individuals, and Thirty-six Thousand Six Hundred Dollars (\$36,600.00) for head of family individuals.

(q) Notwithstanding any other provision of this section, with regard to the personal exemptions authorized under this section, a taxpayer may elect to have the taxpayer's individual income tax liability for any year after calendar year 2021 assessed with the personal exemptions authorized under this section as it existed on January 1, 2021, or with the personal exemptions authorized under this section, as amended by this act.

The Department of Revenue shall require all distributors of gasoline and diesel fuel to report to the department monthly the total number of gallons of gasoline and diesel fuel sold by them to consumers and retailers in each municipality during the preceding month. The Department of Revenue shall have the authority to promulgate such rules and regulations as is necessary to determine the number of gallons of gasoline and diesel fuel sold by distributors to consumers and retailers in each municipality. In determining the percentage allocation of funds under this subsection for the fiscal year beginning July 1, 1987, and ending June 30, 1988, the Department of Revenue may consider gallons of gasoline and diesel fuel sold for a period of less than one (1) fiscal year. For the purposes of this subsection, the term "fiscal year" means the fiscal year beginning July 1 of a year.

Those funds shall be pledged to pay the principal of and interest on state aid road bonds heretofore issued under Sections 19-9-51 through 19-9-77, in lieu of and in substitution for the funds previously allocated to counties under this section. Those funds may not be pledged for the payment of any state aid road bonds issued after April 1, 1981; however, this prohibition against the pledging of any such funds for the payment of bonds shall not apply to any bonds for which intent to issue those bonds has been published for the first time, as provided by law before March 29, 1981. From the amount of taxes paid into the special fund under this subsection and subsection (9) of this section, there shall be first deducted and paid the amount necessary to pay the expenses of the Office of State Aid Road Construction, as authorized by the Legislature for all other general and special fund agencies. The remainder of the fund shall be allocated monthly to the several counties in accordance with the following formula:

(a) One-third (1/3) shall be allocated to all counties in equal shares;

(b) One-third (1/3) shall be allocated to counties based on the proportion that the total number of rural road miles in a county bears to the total number of rural road miles in all counties of the state; and

(c) One-third (1/3) shall be allocated to counties based on the proportion that the rural population of the county bears to the total rural population in all counties of the state, according to the latest federal decennial census.

For the purposes of this subsection, the term "gasoline, diesel fuel or kerosene taxes" means such taxes as defined in paragraph (f) of Section 27-5-101.

The amount of funds allocated to any county under this subsection for any fiscal year after fiscal year 1994 shall not be less than the amount allocated to the county for fiscal year 1994.

(2) (a) Subject to the provisions of this section, the governing authorities of a municipality may impose upon all persons as a privilege for engaging or continuing in business or doing business within such municipality, a special sales tax at the rate of not

The date of the election shall be set in the resolution. Notice of the election shall be published once each week for at least three (3) consecutive weeks in a newspaper published or having a general circulation in the municipality, with the first publication of the notice to be made not less than twenty-one (21) days before the date fixed in the resolution for the election and the last publication to be made not more than seven (7) days before the election. If at least three-fifths (3/5) of the qualified electors who voted in the election voted in favor of the tax, the governing authorities shall adopt a resolution declaring the levy and collection of the tax provided in this section and shall set the first day of the second month following the date of such adoption as the effective date of the tax levy. A certified copy of this resolution, together with the result of the election, shall be furnished to the Department of Revenue not less than thirty (30) days before the effective date of the levy.

Any damages, penalties or interest collected for the nonpayment of taxes imposed under this section, or for noncompliance with the provisions of this section, shall be paid to the municipality on the same basis and in the same manner as the tax proceeds. Any overpayment of tax for any reason that has been disbursed to a municipality or any payment of the tax to a municipality in error may be adjusted by the Department of Revenue on any subsequent payment to the municipality pursuant to the provisions of the Mississippi Sales Tax Law. The Department of Revenue may, from time to time, make such rules and regulations not inconsistent with this section as may be deemed necessary to carry out the provisions of this section, and such rules and regulations shall have the full force and effect of law.

(6) If a municipality expands its corporate boundaries, the governing authorities of the municipality may not impose the special sales tax in the annexed area unless the tax is approved at an election conducted, as far as is practicable, in the manner provided in subsection (3) of this section, except that only qualified electors in the annexed area may vote in the election.

(7) (a) Any municipality that levies the special sales tax authorized under this section shall establish a commission as provided for in this section. Expenditures of the revenue from the tax authorized to be imposed pursuant to this section shall be made at the discretion of the governing authorities of the municipality if the expenditures comply with the master plan. The commission shall monitor the compliance of the municipality with the master plan.

(8) The governing authorities of any municipality that levies the special sales tax authorized under this section are authorized to incur debt, including bonds, notes or other evidences of indebtedness, for the purpose of paying the costs of road and street repair, reconstruction and resurfacing projects based on traffic patterns, need and usage, and to pay the costs of water, sewer and drainage projects in accordance with a master plan adopted by the commission established pursuant to subsection (7) of this section. Any bonds or notes issued to pay such costs may be secured by the proceeds of the special sales tax levied pursuant to this section or may be general obligations of the municipality and shall satisfy the requirements for the issuance of debt provided by Sections 21-33-313 through 21-33-323.

SECTION 24. Section 27-69-13, Mississippi Code of 1972, is amended as follows:

27-69-13. There is hereby imposed, levied and assessed, to be collected and paid as hereinafter provided in this chapter, an excise tax on each person or dealer in cigarettes, cigars, stogies, snuff, chewing tobacco, and smoking tobacco, or substitutes therefor, upon the sale, use, consumption, handling or distribution in the State of Mississippi, as follows:

(a) On cigarettes, the rate of tax shall be * * * Five and nine-tenths Cents (5.9¢) on each cigarette sold with a maximum length of one hundred twenty (120) millimeters; any cigarette in excess of this length shall be taxed as if it were two (2) or more cigarettes. Provided, however, if the federal tax rate on cigarettes in effect on June 1, 1985, is reduced, then the rate as provided herein shall be increased by the amount of the federal tax reduction. Such tax increase shall take effect on the first day of the month following the effective date of such reduction in the federal tax rate.

(b) On cigars, cheroots, stogies, snuff, chewing and smoking tobacco and all other tobacco products except cigarettes, the rate of tax shall be * * * twenty-five percent (25%) of the manufacturer's list price.

No stamp evidencing the tax herein levied on cigarettes shall be of a denomination of less than One Cent (1¢), and whenever the tax computed at the rates herein prescribed on cigarettes shall be a specified amount, plus a fractional part of One Cent (1¢), the package shall be stamped for the next full cent; however, the additional face value of stamps purchased to comply with taxes imposed by this section after June 1, 1985, shall be subject to a four percent (4%) discount or compensation to dealers for their services rather than the eight percent (8%) discount or compensation allowed by Section 27-69-31.

Every wholesaler shall purchase stamps as provided in this chapter, and affix the same to all packages of cigarettes handled by him as herein provided.

The above tax is levied upon the sale, use, gift, possession or consumption of tobacco within the State of Mississippi, and the impact of the tax levied by this chapter is hereby declared to be on the vendee, user, consumer or possessor of tobacco in this state; and when said tax is paid by any other person, such payment shall be considered as an advance payment and shall thereafter be added to the price of the tobacco and recovered from the ultimate consumer or user.

SECTION 25. Section 27-69-75, Mississippi Code of 1972, is amended as follows:

27-69-75. All taxes levied by this chapter shall be payable to the commissioner in cash, or by personal check, cashier's check, bank exchange, post office money order or express money order, and shall be deposited by the commissioner in the State Treasury on the same day collected. No remittance other than cash shall be a final discharge of liability for the tax herein assessed and levied, unless and until it has been paid in cash to the commissioner.

Except as otherwise provided in this section, all tobacco taxes collected, including tobacco license taxes, shall be deposited into the State Treasury to the credit of the General Fund. On or before September 15, 2021, and each succeeding month thereafter through February 15, 2022, tobacco taxes collected during the preceding month under the provisions of this chapter from the increases to tax rates under Section 27-69-13 and as a result of the amendment to Section 27-69-3, as provided in Senate Bill No. 2971, 2021 Regular Session, shall be deposited, without diversion, into the Budget Stabilization Fund created in Section 26 of this act.

Wholesalers who are entitled to purchase stamps at a discount, as provided by Section 27-69-31, may have consigned to them, without advance payment, such stamps, if and when such wholesaler shall give to the commissioner a good and sufficient bond executed by some surety company authorized to do business in this state, conditioned to secure the payment for the stamps so consigned. The commissioner shall require payment for such stamps not later than thirty (30) days from the date the stamps were consigned.

SECTION 26. There is hereby created in the State Treasury a special fund to be designated as the "Budget Stabilization Fund," which shall consist of funds made available by the Legislature in any manner and funds from any other source designated for deposit into such fund. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any investment earnings or interest earned on amounts in the fund shall be deposited to the credit of the fund. Monies in the fund shall only be appropriated by the Legislature to further the purposes of Sections 1 through 69 of this act.

SECTION 27. Section 27-70-5, Mississippi Code of 1972, is amended as follows:

27-70-5. (1) (a) In addition to the tax imposed under Section 27-69-13, and except as provided by subsection (2) of this section, there is imposed a tobacco equity tax in the amount of * * * Three and Nine One-Hundredths Cents (3.09¢) per cigarette on all cigarettes subject to the tax imposed under Section 27-69-13.

(b) On July 1 of each year, the tax prescribed by subsection (1) of this section shall increase by the greater of:

(i) Three percent (3%); or

(ii) The percentage increase in the most recent annual revised Consumer Price Index for all Urban Consumers, as published by the Federal Bureau of Labor Statistics of the United States Department of Labor.

(c) The revenue collected from the tax imposed by this section shall be deposited into the State General Fund.

(d) The cigarettes manufactured by any manufacturer which is a party to the tobacco settlement agreement shall be exempt from the imposition of the tobacco equity tax provided for herein.

(2) The tax imposed by this chapter does not apply to cigarettes that are sold, purchased or otherwise distributed in this state for sale outside of this state. A person may not transport or cause to be transported from this state such cigarettes for retail sale in another state without first affixing to the cigarettes the stamp required by the state in which the cigarettes are to be sold or by paying any other excise tax on the cigarettes imposed by the state in which the cigarettes are to be sold; however, a person shall not be required to affix a tax stamp of another state or pay the excise tax of another state prior to transporting the cigarettes out of this state if the other state prohibits that action or if the cigarettes are being sold to a wholesaler licensed by that state.

(3) The tax imposed by this chapter is in addition to any other privilege, license, fee, assessment or tax required or imposed by state law, including, but not limited to, the taxes levied by Section 27-69-13.

(4) The tax imposed by this chapter is imposed, levied and assessed on each distributor of cigarettes. The tax shall be due and payable on or before the fifteenth day of the month next succeeding the month in which the stamp is required to be affixed to the cigarettes under the Tobacco Tax Law. The distributor shall make a return showing the number of such cigarettes, the brand family, and the manufacturer. The return shall also include the quantity of cigarettes, by brand family, transported or caused to be transported outside of Mississippi in the preceding month as well as the name and address of the recipient of the cigarettes transported outside of Mississippi.

(5) The distributor is eligible for a credit if cigarettes for which the distributor had previously paid the tax under this chapter were returned to the distributor.

(1) A credit is allowed against the taxes imposed by this chapter to a taxpayer for allowing land owned by the taxpayer to be used as a natural area preserve, a wildlife refuge or habitat area, a wildlife management area, or for the purpose of providing public outdoor recreational opportunities, as authorized under Section 49-1-29, 49-5-71 or 49-5-155, subject to the following conditions and limitations:

(a) The land may not be under lease to the Mississippi Commission on Wildlife, Fisheries and Parks, and the commission must approve the land as being suitable for the uses described in this section.

(b) The amount of the tax credit allowed by this section shall be Five Dollars and Fifty Cents (\$5.50) per acre of land in each taxable year.

(c) In no event shall the amount of the tax credits allowed by this section for a taxable year exceed the taxpayer's liability for those taxes. Any unused credit amount shall be allowed to be carried forward for five (5) years from the close of the taxable year in which the land was approved for such a use. No such credit shall be allowed the taxpayer against prior years' tax liability.

(2) To claim a credit allowed by this section, the taxpayer shall provide any information required by the Mississippi Commission on Wildlife, Fisheries and Parks or the Mississippi Commissioner of Revenue. Every taxpayer claiming a credit under this section shall maintain and make available for inspection by the Mississippi Commission on Wildlife, Fisheries and Parks or the Mississippi Commissioner of Revenue any records that either entity considers necessary to determine and verify the amount of the credit to which the taxpayer is entitled. The burden of proving eligibility for a credit and the amount of the credit rests upon the taxpayer, and no credit may be allowed to a taxpayer that fails to maintain adequate records or to make them available for inspection.

(3) Upon approval of the Commission on Wildlife, Fisheries and Parks under subsection (1)(a), a taxpayer seeking to claim any tax credit provided for under this section must submit an application to the Mississippi Commissioner of Revenue for approval of the tax credit. The Mississippi Commissioner of Revenue shall promulgate the rules and forms on which the application is to be submitted. The Mississippi Commissioner of Revenue shall review the application and may approve such application upon determining that it meets the requirements of this section within sixty (60) days after receiving the application.

SECTION 35. Section 27-7-22.31, Mississippi Code of 1972, is brought forward as follows:

27-7-22.31. (1) As used in this section:

(a) "Certified historic structure" means a property located in Mississippi that has been:

(i) Listed individually on the National Register of Historic Places; or

(ii) Determined eligible for the National Register of Historic Places by the Secretary of the United States Department of the Interior and will be listed within thirty (30) months of claiming the credit authorized by this section; or

(iii) Property designated a Mississippi Landmark by the Department of Archives and History pursuant to Section 39-7-3 et seq.

(b) "Eligible property" means property located in Mississippi and offered or used for residential or business purposes; however, the term "eligible property" shall not include a single-family dwelling unless:

(i) A certificate evidencing the eligible credit has been issued to the taxpayer by the department prior to July 1, 2016, that applies to such dwelling; or

(ii) The dwelling is designated as a National Historic Landmark under the National Historic Landmarks Program.

(c) "Structure in a certified historic district" means a structure (and its structural components) located in Mississippi which:

(i) Is listed in the National Register of Historic Places; or

(ii) Has been determined eligible for the National Register of Historic Places by the Secretary of the United States Department of the Interior and will be listed within thirty (30) months of claiming the credit authorized by this section; or

(iii) Is located in a registered historic district listed on the National Register of Historic Places or located in a potential district that has been determined eligible for the National Register of Historic Places by the Secretary of the United States Department of the Interior and will be listed within thirty (30) months of claiming the credit authorized by this section, and is certified by the Secretary of the United States Department of the Interior as being of historic significance to the district; or

(iv) Is certified by the Mississippi Department of Archives and History as contributing to the historic significance of:

1. A certified historic district listed on the National Register of Historic Places; or

2. A potential district that has been determined eligible for the National Register of Historic Places by the Secretary of the United States Department of the Interior and will be listed within thirty (30) months of claiming the credit authorized by this section; or

3. A local district that has been certified by the United States Department of the Interior.

(d) "Department" means the Department of Archives and History.

(2) Any taxpayer incurring costs and expenses for the rehabilitation of eligible property, which is a certified historic structure or a structure in a certified historic district, shall be entitled to a credit against the taxes imposed pursuant to this chapter in an amount equal to twenty-five percent (25%) of the total costs and expenses of rehabilitation incurred after January 1, 2006, which shall include, but not be limited to, qualified rehabilitation expenditures as defined under Section 47(c)(2)(A) of the Internal Revenue Code of 1986, as amended, and the related regulations thereunder:

(a) If the costs and expenses associated with rehabilitation exceed:

(i) Five Thousand Dollars (\$5,000.00) in the case of an owner-occupied dwelling; or

(ii) Fifty percent (50%) of the total basis in the property in the case of all other properties; and

(b) The rehabilitation is consistent with the standards of the Secretary of the United States Department of the Interior as determined by the department.

(3) Any taxpayer eligible for the credit authorized by this section may claim the credit in phases if:

(a) There is a written set of architectural plans and specifications for all phases of the rehabilitation (written plans outlining and describing all phases of the rehabilitation shall be accepted as written plans and specifications);

(b) The written set of architectural plans and specifications are completed before the physical work on the rehabilitation begins; and

(c) It can reasonably be expected that all phases of the rehabilitation will be completed.

(4) (a) (i) If the amount of the tax credit established by this section exceeds the total state income tax liability for the year in which the rehabilitated property is placed in service, the amount that exceeds the total state income tax liability may be carried forward for the ten (10) succeeding tax years.

(ii) The taxpayer may elect to claim a refund in the amount of seventy-five percent (75%) of the excess credit in lieu of the ten-year carryforward. The election must be made in the year in which the rehabilitated property is placed in service. Refunds will be paid in equal installments over a two-year period and shall be made from current collections.

(iii) Refund requests shall be submitted to the Department of Revenue on forms prescribed by the department. Refunds shall be made from current tax collections.

(b) Not-for-profit entities, including, but not limited to, nonprofit corporations organized under Section 79-11-101 et seq. shall be ineligible for the credit authorized by this section. Credits granted to a partnership, a limited liability company taxed as a partnership or multiple owners of property shall be passed through to the partners, members or owners on a pro rata basis or pursuant to an executed agreement among the partners, members or owners documenting an alternative distribution method. Partners, members or other owners of a pass-through entity are not eligible to elect a refund of excess credit in lieu of a carryforward of the credit. However, a partnership or limited liability company taxed as a partnership may elect to claim a refund of excess credit at the entity level on a form prescribed by the Department of Revenue. Additionally, excess tax credits that are attributable to rehabilitated property that was placed in service by a pass-through entity prior to January 1, 2011, and that have previously been allocated to and are held by another pass-through entity prior to January 1, 2011, may be refunded to such other pass-through entity.

(5) (a) To claim the credit authorized pursuant to this section, the taxpayer shall apply to the department which shall determine the amount of eligible rehabilitation costs and expenses and whether the rehabilitation is consistent with the standards of the Secretary of the United States Department of the Interior. The department shall issue a certificate evidencing the eligible credit if the taxpayer is found to be eligible for the tax credit. The taxpayer shall attach the certificate to all income tax returns on which the credit is claimed. The department shall not issue certificates evidencing the eligible credit which, when combined with certificates of eligible credits issued prior to July 1, 2016, will result in credits being awarded in excess of Twelve Million Dollars (\$12,000,000.00) in any one (1) state fiscal year.

(b) The aggregate amount of tax credits that may be awarded under this section shall not exceed One Hundred Eighty Million Dollars (\$180,000,000.00). A taxpayer who was issued a certificate evidencing the eligible credit by the department prior to July 1, 2020, but who was unable to be awarded the credit due to the limit on the aggregate amount of credits authorized under this section prior to July 1, 2020:

(i) May be awarded the credit so long as the award does not cause the aggregate amount of tax credits awarded to exceed the amount authorized in this paragraph; and

(ii) Shall be given priority for tax credits awarded after July 1, 2020.

(6) (a) The credit received by a taxpayer pursuant to this section is subject to recapture if:

(i) The property is one that has been determined eligible for the National Register of Historic Places but is not listed on the National Register of Historic Places within thirty (30) months of claiming the credit authorized by this section;

(ii) The potential district in which the property is located is not listed on the National Register of Historic Places within thirty (30) months of claiming the credit authorized by this section; or

(iii) The rehabilitation of the property for which the credit was granted is abandoned.

(b) The taxpayer shall notify the department and the Department of Revenue if any of the situations that subject the credit to recapture occur.

(7) (a) The board of trustees of the department shall establish fees to be charged for the services performed by the department under this section and shall publish the fee schedule. The fees contained in the schedule shall be in amounts reasonably calculated to recover the costs incurred by the department for the administration of this section. Any taxpayer desiring to participate in the tax credits authorized by this section shall pay the appropriate fee as contained in the fee schedule to the department, which shall be used by the department, without appropriation, to offset the administrative costs of the department associated with its duties under this section.

(b) There is hereby created within the State Treasury a special fund into which shall be deposited all the fees collected by the department pursuant to this section. Money deposited into the fund shall not lapse at the end of any fiscal year and investment earnings on the proceeds in such special fund shall be deposited into such fund. Money from the fund shall be disbursed upon warrants issued by the State Fiscal Officer upon requisitions signed by the executive director of the department to assist the department in carrying out its duties under this section.

(8) This section shall only apply to taxpayers:

(a) Who have been issued a certificate evidencing the eligible credit before December 31, 2030; or

(b) Who, before December 31, 2030, have received a determination in writing from the Mississippi Department of Archives and History, in accordance with the department's Historic Preservation Certificate Application, Part 2, that the rehabilitation is consistent with the historic character of the property and that the property meets the United States Secretary of the Interior's Standards for Rehabilitation, or will meet the standards if certain specified conditions are met, and, who are issued a certificate evidencing the eligible credit on or after December 31, 2030.

SECTION 36. Section 27-7-22.32, Mississippi Code of 1972, is brought forward as follows:

[Through December 31, 2023, this section shall read as follows:]

27-7-22.32. (1) (a) There shall be allowed as a credit against the tax imposed by this chapter the amount of the qualified adoption expenses paid or incurred, not to exceed Two Thousand Five Hundred Dollars (\$2,500.00), for each dependent child legally adopted by a taxpayer under the laws of this state during calendar year 2006 or during any calendar year thereafter through calendar year 2017, and not to exceed Five Thousand Dollars (\$5,000.00) for each dependent child legally adopted by a taxpayer under the laws of this state during any calendar year thereafter. A taxpayer claiming a credit under this paragraph (a) may not claim a credit under paragraph (b) of this subsection for the adoption of the same child.

(b) There shall be allowed as a credit against the tax imposed by this chapter the amount of Five Thousand Dollars (\$5,000.00) for each dependent child legally adopted by a taxpayer under the laws of this state through the Mississippi Department of Child Protection Services during calendar year 2018 or during any calendar year

thereafter. A taxpayer claiming a credit under this paragraph (b) may not claim a credit under paragraph (a) of this subsection for the adoption of the same child.

(2) The tax credit under this section may be claimed for the taxable year in which the adoption becomes final under the laws of this state. Any tax credit claimed under this section but not used in any taxable year may be carried forward for the five (5) succeeding tax years. A tax credit is allowed under this section for any child for which an exemption is claimed during the same taxable year under Section 27-7-21(e). For the purposes of this section, the term "qualified adoption expenses" means and has the same definition as that term has in 26 USCS 36C.

[From and after January 1, 2024, this section shall read as follows:]

27-7-22.32. There shall be allowed as a credit against the tax imposed by this chapter the amount of the qualified adoption expenses paid or incurred, not to exceed Two Thousand Five Hundred Dollars (\$2,500.00), for each dependent child legally adopted by a taxpayer under the laws of this state during calendar year 2006 or during any calendar year thereafter. The tax credit under this section may be claimed for the taxable year in which the adoption becomes final under the laws of this state. Any tax credit claimed under this section but not used in any taxable year may be carried forward for the three (3) succeeding tax years. A tax credit is allowed under this section for any child for which an exemption is claimed during the same taxable year under Section 27-7-21(e). For the purposes of this section, the term "qualified adoption expenses" means and has the same definition as that term has in 26 USCS 36C.

SECTION 37. Section 27-7-22.33, Mississippi Code of 1972, is brought forward as follows:

27-7-22.33. (1) A taxpayer shall be allowed a credit against the income taxes imposed under this chapter in an amount equal to twenty-five percent (25%) of the premium costs paid during the taxable year for a qualified long-term care insurance policy as defined in Section 7702B of the Internal Revenue Code that offers coverage to either the individual, the individual's spouse, the individual's parent or parent-in-law, or the individual's dependent as defined in Section 152 of the Internal Revenue Code.

(2) No taxpayer shall be entitled to the credit with respect to the same expended amounts for qualified long-term care insurance which are claimed by another taxpayer.

(3) The credit allowed by this section shall not exceed Five Hundred Dollars (\$500.00) or the taxpayer's income tax liability, whichever is less, for each qualified long-term care insurance policy. Any unused tax credit shall not be allowed to be carried forward to apply to the taxpayer's succeeding year's tax liability.

(4) No credit shall be allowed under this section with respect to any premium for qualified long-term care insurance either deducted or subtracted by the taxpayer in arriving at his net taxable income under this section or with respect to any premiums for qualified long-term care insurance which were excluded from his net taxable income.

SECTION 38. Section 27-7-22.37, Mississippi Code of 1972, is brought forward as follows:

27-7-22.37. (1) There shall be allowed as a credit against the tax imposed by Section 27-7-5 the amount of the qualified prekindergarten program support contributions paid to approved providers, lead partners or collaboratives, not to exceed One Million Dollars (\$1,000,000.00), by any individual, corporation or other entity having taxable income under the laws of this state during calendar year 2013 or during any calendar year thereafter. In order to qualify for a tax credit, such contributions may support the local match requirement of approved providers, lead partners or collaboratives as is necessary to match state-appropriated funds, and any such providers, lead partners or collaboratives shall be approved by the State Department of Education.

(2) Any unused portion of the credit may be carried forward for three (3) tax years.

(3) Any prekindergarten program support contribution shall be verified by submission to the Mississippi Department of Revenue of a copy of the receipt provided to the donor taxpayer by the prekindergarten program recipient or such other written verification as may be required by the Department of Revenue.

(4) The maximum amount of donations accepted by the Department of Revenue in calendar year 2014 shall not exceed Eight Million Dollars (\$8,000,000.00), in calendar year 2015 shall not exceed Fifteen Million Dollars (\$15,000,000.00), and in

calendar year 2016 and calendar years thereafter shall not exceed Thirty-two Million Dollars (\$32,000,000.00), or what is appropriated by the Legislature to fund Chapter 493, Laws of 2013 each year.

(5) The Mississippi Department of Revenue shall promulgate rules necessary to effectuate the purposes of Chapter 493, Laws of 2013. Such rules shall include a means of informing the public of the existence of the prekindergarten support program and the application process for provider, lead partner and collaborative candidates.

SECTION 39. Section 27-7-22.39, Mississippi Code of 1972, is brought forward as follows:

27-7-22.39. (1) As used in this section:

(a) "Low-income residents" means persons whose household income is less than one hundred fifty percent (150%) of the federal poverty level.

(b) "Qualifying charitable organization" means a charitable organization that is exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code or is a designated community action agency that receives community services block grant program monies pursuant to 42 USC 9901. The organization must spend at least fifty percent (50%) of its budget on services to residents of this state who receive temporary assistance for needy families benefits or low-income residents of this state and their households or to children who have a chronic illness or physical, intellectual, developmental or emotional disability who are residents of this state. A charitable organization that is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and that meets all other requirements of this paragraph except that it does not spend at least fifty percent (50%) of its overall budget in Mississippi may be a qualifying charitable organization if it spends at least fifty percent (50%) of its Mississippi budget on services to qualified individuals in Mississippi and it certifies to the department that one hundred percent (100%) of the voluntary cash contributions from the taxpayer will be spent on services to qualified individuals in Mississippi. Taxpayers choosing to make donations through an umbrella charitable organization that collects donations on behalf of member charities shall designate that the donation be directed to a member charitable organization that would qualify under this section on a stand-alone basis. Qualifying charitable organization does not include any entity that provides, pays for or provides coverage of abortions or that financially supports any other entity that provides, pays for or provides coverage of abortions.

(c) "Qualifying foster care charitable organization" means a qualifying charitable organization that each operating year provides services to at least one hundred (100) qualified individuals in this state and spends at least fifty percent (50%) of its budget on services to qualified individuals in this state. A charitable organization that is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and that meets all other requirements of this paragraph except that it does not spend at least fifty percent (50%) of its overall budget in Mississippi may be a qualifying foster care charitable organization if it spends at least fifty percent (50%) of its Mississippi budget on services to qualified individuals in Mississippi and it certifies to the department that one hundred percent (100%) of the voluntary cash contributions from the taxpayer will be spent on services to qualified individuals in Mississippi. For the purposes of this paragraph, "qualified individual" means a child in a foster care placement program established by the Department of Child Protection Services, a child placed under the Safe Families for Children model, or a child at significant risk of entering a foster care placement program established by the Department of Child Protection Services.

(d) "Services" means:

(i) Cash assistance, medical care, child care, food, clothing, shelter, and job-placement services or any other assistance that is reasonably necessary to meet immediate basic needs and that is provided and used in this state;

(ii) Job-training or education services or funding for parents, foster parents or guardians; or

(iii) Job-training or education services or funding provided as part of a foster care independent living program.

(2) Except as provided in subsections (3) and (4) of this section, a credit is allowed against the taxes imposed by this chapter for voluntary cash contributions by the

taxpayer during the taxable year to a qualifying charitable organization, other than a qualifying foster care charitable organization, not to exceed:

(a) The lesser of Four Hundred Dollars (\$400.00) or the amount of the contribution in any taxable year for a single individual or a head of household.

(b) The lesser of Eight Hundred Dollars (\$800.00) or the amount of the contribution in any taxable year for a married couple filing a joint return.

(3) A separate credit is allowed against the taxes imposed by this chapter for voluntary cash contributions during the taxable year to a qualifying foster care charitable organization. A contribution to a qualifying foster care charitable organization does not qualify for, and shall not be included in, any credit amount under subsection (2) of this section. If the voluntary cash contribution by the taxpayer is to a qualifying foster care charitable organization, the credit shall not exceed:

(a) The lesser of Five Hundred Dollars (\$500.00) or the amount of the contribution in any taxable year for a single individual or a head of household.

(b) The lesser of One Thousand Dollars (\$1,000.00) or the amount of the contribution in any taxable year for a married couple filing a joint return.

(4) Subsections (2) and (3) of this section provide separate credits against taxes imposed by this chapter depending on the recipients of the contributions. A taxpayer, including a married couple filing a joint return, in the same taxable year, may either or both:

(a) Contribute to a qualifying charitable organization, other than a qualifying foster care charitable organization, and claim a credit under subsection (2) of this section.

(b) Contribute to a qualifying foster care charitable organization and claim a credit under subsection (3) of this section.

(5) A husband and wife who file separate returns for a taxable year in which they could have filed a joint return may each claim only one-half (1/2) of the tax credit that would have been allowed for a joint return.

(6) If the allowable tax credit exceeds the taxes otherwise due under this chapter on the claimant's income, or if there are no taxes due under this chapter, the taxpayer may carry forward the amount of the claim not used to offset the taxes under this chapter for not more than five (5) consecutive taxable years' income tax liability.

(7) The credit allowed by this section is in lieu of a deduction pursuant to Section 170 of the Internal Revenue Code and taken for state tax purposes.

(8) Taxpayers taking a credit authorized by this section shall provide the name of the qualifying charitable organization and the amount of the contribution to the department on forms provided by the department.

(9) A qualifying charitable organization shall provide the department with a written certification that it meets all criteria to be considered a qualifying charitable organization. The organization shall also notify the department of any changes that may affect the qualifications under this section.

(10) The charitable organization's written certification must be signed by an officer of the organization under penalty of perjury. The written certification shall include the following:

(a) Verification of the organization's status under Section 501(c)(3) of the Internal Revenue Code or verification that the organization is a designated community action agency that receives community services block grant program monies pursuant to 42 USC 9901.

(b) Financial data indicating the organization's budget for the organization's prior operating year and the amount of that budget spent on services to residents of this state who either:

(i) Receive temporary assistance for needy families benefits;

(ii) Are low-income residents of this state;

(iii) Are children who have a chronic illness or physical, intellectual, developmental or emotional disability; or

(iv) Are children in a foster care placement program established by the Department of Child Protection Services, children placed under the

Safe Families for Children model or children at significant risk of entering a foster care placement program established by the Department of Child Protection Services.

(c) A statement that the organization plans to continue spending at least fifty percent (50%) of its budget on services to residents of this state who receive temporary assistance for needy families benefits, who are low-income residents of this state, who are children who have a chronic illness or physical, intellectual, developmental or emotional disability or who are children in a foster care placement program established by the Department of Child Protection Services, children placed under the Safe Families for Children model or children at significant risk of entering a foster care placement program established by the Department of Child Protection Services. A charitable organization that is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and that meets all other requirements for a qualifying charitable organization or qualifying foster care charitable organization except that it does not spend at least fifty percent (50%) of its overall budget in Mississippi shall submit a statement that it spends at least fifty percent (50%) of its Mississippi budget on services to qualified individuals in Mississippi and that one hundred percent (100%) of the voluntary cash contributions it receives from Mississippi taxpayers will be spent on services to qualified individuals in Mississippi.

(d) In the case of a foster care charitable organization, a statement that each operating year it provides services to at least one hundred (100) qualified individuals in this state.

(e) A statement that the organization does not provide, pay for or provide coverage of abortions and does not financially support any other entity that provides, pays for or provides coverage of abortions.

(f) Any other information that the department requires to administer this section.

(11) The department shall review each written certification and determine whether the organization meets all the criteria to be considered a qualifying charitable organization and notify the organization of its determination. The department may also periodically request recertification from the organization. The department shall compile and make available to the public a list of the qualifying charitable organizations.

(12) The aggregate amount of tax credits that may be awarded under this section in any calendar year shall not exceed Three Million Dollars (\$3,000,000.00). However, for calendar year 2021, and for each calendar year thereafter, the aggregate amount of tax credits that may be awarded under this section in any calendar year shall not exceed One Million Dollars (\$1,000,000.00). In addition, any tax credits not awarded under this section before June 1, 2020, may be allocated during calendar year 2020 under Section 27-7-22.41 for contributions by taxpayers to eligible charitable organizations described in Section

27-7-22.41(1)(b)(ii) as provided under such section, notwithstanding any limitation on the percentage of tax credits that may be allocated for such contributions.

(13) A taxpayer shall apply for credits with the department on forms prescribed by the department. In the application the taxpayer shall certify to the department the dollar amount of the contributions made or to be made during the calendar year. Within thirty (30) days after the receipt of an application, the department shall allocate credits based on the dollar amount of contributions as certified in the application. However, if the department cannot allocate the full amount of credits certified in the application due to the limit on the aggregate amount of credits that may be awarded under this section in a calendar year, the department shall so notify the applicant within thirty (30) days with the amount of credits, if any, that may be allocated to the applicant in the calendar year. Once the department has allocated credits to a taxpayer, if the contribution for which a credit is allocated has not been made as of the date of the allocation, then the contribution must be made not later than sixty (60) days from the date of the allocation. If the contribution is not made within such time period, the allocation shall be cancelled and returned to the department for reallocation. Upon final documentation of the contributions, if the actual dollar amount of the contributions is lower than the amount estimated, the department shall adjust the tax credit allowed under this section.

(14) This section shall be repealed from and after January 1, 2025.

SECTION 40. Section 27-7-22.41, Mississippi Code of 1972, is brought forward as follows:

The amount of credit that may be utilized by a taxpayer in a taxable year shall be limited to an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for the taxes imposed by such sections of law. Once the department has allocated credits to a taxpayer, if the contribution for which a credit is allocated has not been made as of the date of the allocation, then the contribution must be made not later than sixty (60) days from the date of the allocation. If the contribution is not made within such time period, the allocation shall be cancelled and returned to the department for reallocation. Upon final documentation of the contributions, if the actual dollar amount of the contributions is lower than the amount estimated, the department shall adjust the tax credit allowed under this section.

For calendar year 2021, and for each calendar year thereafter, fifty percent (50%) of the tax credits allocated during a calendar year shall be allocated for contributions to eligible charitable organizations described in subsection (1)(b)(i) of this section and fifty percent (50%) of the tax credits allocated during a calendar year shall be allocated for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section. For calendar year 2021, and for each calendar year thereafter, for credits allocated during a calendar year for contributions to eligible charitable organizations described in subsection (1)(b)(i) of this section, no more than twenty-five percent (25%) of such credits may be allocated for contributions to a single eligible charitable organization. For calendar year 2021, and for each calendar year thereafter, for credits allocated during a calendar year for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section, no more than five percent (5%) of such credits may be allocated for contributions to a single eligible charitable organization.

[For businesses or industries that received or applied for incentive payments prior to July 1, 2005, this section shall read as follows:]

57-62-9. (1) Except as otherwise provided in this section, a qualified business or industry that meets the qualifications specified in this chapter may receive quarterly incentive payments for a period not to exceed ten (10) years from the Department of Revenue pursuant to the provisions of this chapter in an amount which shall be equal to the net benefit rate multiplied by the actual gross payroll of new direct jobs for a calendar quarter as verified by the Mississippi Department of Employment Security, but not to exceed the amount of money previously paid into the fund by the employer. A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)1 may elect the date upon which the ten-year period will begin. Such date may not be later than sixty (60) months after the date the business or industry applied for incentive payments.

(2) (a) A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)1 may apply to the MDA to receive incentive payments for an additional period not to exceed five (5) years beyond the expiration date of the initial ten-year period if:

(i) The qualified business or industry creates at least three thousand (3,000) new direct jobs within five (5) years after the date the business or industry commences commercial production;

(ii) Within five (5) years after the date the business or industry commences commercial production, the average annual wage of the jobs is at least one hundred fifty percent (150%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser. The criteria for the average annual wage requirement shall be based upon the state average annual wage or the average annual wage of the county whichever is appropriate, at the time of creation of the minimum number of jobs, and the threshold established at that time will remain constant for the duration of the additional period; and

(iii) The qualified business or industry meets and maintains the job and wage requirements of subparagraphs (i) and (ii) of this paragraph (a) for four (4) consecutive calendar quarters.

(b) A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)1 and qualified to receive incentive payments for the additional period provided in paragraph (a) of this subsection (2) may apply to the MDA to receive incentive payments for an additional period not to exceed ten (10) years beyond the expiration date of the additional period provided in paragraph (a) of this subsection (2) if:

(i) The qualified business or industry creates at least four thousand (4,000) new direct jobs after qualifying for the additional incentive period provided in paragraph (a) of this subsection (2) but before the expiration of the additional period. For purposes of determining whether the business or industry meets the minimum jobs requirement of this subparagraph (i), the number of jobs the business or industry created in order to meet the minimum jobs requirement of paragraph (a) of this subsection (2) shall be subtracted from the minimum jobs requirement of this subparagraph (i);

(ii) The average annual wage of the jobs is at least one hundred fifty percent (150%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser. The criteria for the average annual wage requirement shall be based upon the state average annual wage or the average annual

wage of the county whichever is appropriate, at the time of creation of the minimum number of jobs, and the threshold established at that time will remain constant for the duration of the additional period; and

(iii) The qualified business or industry meets and maintains the job and wage requirements of subparagraphs (i) and (ii) of this paragraph (b) for four (4) consecutive calendar quarters.

(3) In order to receive incentive payments, an establishment shall apply to the MDA. The application shall be on a form prescribed by the MDA and shall contain such information as may be required by the MDA to determine if the applicant is qualified.

(4) In order to qualify to receive such payments, the establishment applying shall be required to:

(a) Be engaged in a qualified business or industry;

(b) Provide an average salary, excluding benefits which are not subject to Mississippi income taxes, of at least one hundred twenty-five percent (125%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser. The criteria for this requirement shall be based upon the state average annual wage or the average annual wage of the county whichever is appropriate, at the time of application, and the threshold established upon application will remain constant for the duration of the project;

(c) The business or industry must create and maintain a minimum of ten (10) full-time jobs in counties that have an average unemployment rate over the previous twelve-month period which is at least one hundred fifty percent (150%) of the most recently published state unemployment rate, as determined by the Mississippi Department of Employment Security or in Tier Three counties as determined under Section 57-73-21. In all other counties, the business or industry must create and maintain a minimum of twenty-five (25) full-time jobs. The criteria for this requirement shall be based on the designation of the county at the time of the application. The threshold established upon the application will remain constant for the duration of the project. The business or industry must meet its job creation commitment within twenty-four (24) months of the application approval. However, if the qualified business or industry is applying for incentive payments for an additional period under subsection (2) of this section, the business or industry must comply with the applicable job and wage requirements of subsection (2) of this section.

(5) The MDA shall determine if the applicant is qualified to receive incentive payments. If the applicant is determined to be qualified by the MDA, the MDA shall conduct a cost/benefit analysis to determine the estimated net direct state benefits and the net benefit rate applicable for a period not to exceed ten (10) years and to estimate the amount of gross payroll for the period. If the applicant is determined to be qualified to receive incentive payments for an additional period under subsection (2) of this section, the MDA shall conduct a cost/benefit analysis to determine the estimated net direct state benefits and the net benefit rate applicable for the appropriate additional period and to estimate the amount of gross payroll for the additional period. In conducting such cost/benefit analysis, the MDA shall consider quantitative factors, such as the anticipated level of new tax revenues to the state along with the cost to the state of the qualified business or industry, and such other criteria as deemed appropriate by the MDA, including the adequacy of retirement benefits that the business or industry provides to individuals it employs in new direct jobs in this state. In no event shall incentive payments, cumulatively, exceed the estimated net direct state benefits. Once the qualified business or industry is approved by the MDA, an agreement shall be deemed to exist between the qualified business or industry and the State of Mississippi, requiring the continued incentive payment to be made as long as the qualified business or industry retains its eligibility.

(6) Upon approval of such an application, the MDA shall notify the Department of Revenue and shall provide it with a copy of the approved application and the estimated net direct state benefits. The Department of Revenue may require the qualified business or industry to submit such additional information as may be necessary to administer the provisions of this chapter. The qualified business or industry shall report to the

Department of Revenue periodically to show its continued eligibility for incentive payments. The qualified business or industry may be audited by the Department of Revenue to verify such eligibility. In addition, the State Auditor may conduct performance and compliance audits under this chapter according to Section 7-7-211(o) and may bill the oversight agency.

(7) If the qualified business or industry is located in an area that has been declared by the Governor to be a disaster area and as a result of the disaster the business or industry is unable to create or maintain the full-time jobs required by this section:

(a) The Commissioner of Revenue may extend the period of time that the business or industry may receive incentive payments for a period of time not to exceed two (2) years;

(b) The Commissioner of Revenue may waive the requirement that a certain number of jobs be maintained for a period of time not to exceed twenty-four (24) months; and

(c) The MDA may extend the period of time within which the jobs must be created for a period of time not to exceed twenty-four (24) months.

[For businesses or industries that received or applied for incentive payments from and after July 1, 2005, but prior to July 1, 2010, this section shall read as follows:]

57-62-9. (1) (a) Except as otherwise provided in this section, a qualified business or industry that meets the qualifications specified in this chapter may receive quarterly incentive payments for a period not to exceed ten (10) years from the Department of Revenue pursuant to the provisions of this chapter in an amount which shall be equal to the net benefit rate multiplied by the actual gross payroll of new direct jobs for a calendar quarter as verified by the Mississippi Department of Employment Security, but not to exceed:

(i) Ninety percent (90%) of the amount of money previously paid into the fund by the employer if the employer provides an average annual salary, excluding benefits which are not subject to Mississippi income taxes, of at least one hundred seventy-five percent (175%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser;

(ii) Eighty percent (80%) of the amount of money previously paid into the fund by the employer if the employer provides an average annual salary, excluding benefits which are not subject to Mississippi income taxes, of at least one hundred twenty-five percent (125%) but less than one hundred seventy-five percent (175%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser; or

(b) A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)1 may elect the date upon which the ten-year period will begin. Such date may not be later than sixty (60) months after the date the business or industry applied for incentive payments.

(2) (a) A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)1 may apply to the MDA to receive incentive payments for an additional period not to exceed five (5) years beyond the expiration date of the initial ten-year period if:

(i) The qualified business or industry creates at least three thousand (3,000) new direct jobs within five (5) years after the date the business or industry commences commercial production;

(ii) Within five (5) years after the date the business or industry commences commercial production, the average annual wage of the jobs is at least one hundred fifty percent (150%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser. The criteria for the average annual wage requirement shall be based upon the state average annual wage or the average annual wage of the county whichever is appropriate, at the time of creation of the minimum number of jobs, and the threshold established at that time will remain constant for the duration of the additional period; and

(iii) The qualified business or industry meets and maintains the job and wage requirements of subparagraphs (i) and (ii) of this paragraph (a) for four (4) consecutive calendar quarters.

(b) A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)1 and qualified to receive incentive payments for the additional period provided in paragraph (a) of this subsection (2) may apply to the MDA to receive incentive payments for an additional period not to exceed ten (10) years beyond the expiration date of the additional period provided in paragraph (a) of this subsection (2) if:

(i) The qualified business or industry creates at least four thousand (4,000) new direct jobs after qualifying for the additional incentive period provided in paragraph (a) of this subsection (2) but before the expiration of the additional period. For purposes of determining whether the business or industry meets the minimum jobs requirement of this subparagraph (i), the number of jobs the business or industry created in order to meet the minimum jobs requirement of paragraph (a) of this subsection (2) shall be subtracted from the minimum jobs requirement of this subparagraph (i);

(ii) The average annual wage of the jobs is at least one hundred fifty percent (150%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser. The criteria for the average annual wage requirement shall be based upon the state average annual wage or the average annual wage of the county whichever is appropriate, at the time of creation of the minimum number of jobs, and the threshold established at that time will remain constant for the duration of the additional period; and

(iii) The qualified business or industry meets and maintains the job and wage requirements of subparagraphs (i) and (ii) of this paragraph (b) for four (4) consecutive calendar quarters.

(3) In order to receive incentive payments, an establishment shall apply to the MDA. The application shall be on a form prescribed by the MDA and shall contain such information as may be required by the MDA to determine if the applicant is qualified.

(4) (a) In order to qualify to receive such payments, the establishment applying shall be required to meet the definition of the term "qualified business or industry";

(b) The criteria for the average annual salary requirement shall be based upon the state average annual wage or the average annual wage of the county whichever is appropriate, at the time of application, and the threshold established upon application will remain constant for the duration of the project;

(c) The business or industry must meet its job creation commitment within twenty-four (24) months of the application approval. However, if the qualified business or industry is applying for incentive payments for an additional period under subsection (2) of this section, the business or industry must comply with the applicable job and wage requirements of subsection (2) of this section.

(5) (a) The MDA shall determine if the applicant is qualified to receive incentive payments.

(b) If the applicant is determined to be qualified to receive incentive payments for an additional period under subsection (2) of this section, the MDA shall conduct a cost/benefit analysis to determine the estimated net direct state benefits and the net benefit rate applicable for the appropriate additional period and to estimate the amount of gross payroll for the additional period. In conducting such cost/benefit analysis, the MDA shall consider quantitative factors, such as the anticipated level of new tax

revenues to the state along with the cost to the state of the qualified business or industry, and such other criteria as deemed appropriate by the MDA, including the adequacy of retirement benefits that the business or industry provides to individuals it employs in new direct jobs in this state. In no event shall incentive payments, cumulatively, exceed the estimated net direct state benefits. Once the qualified business or industry is approved by the MDA, an agreement shall be deemed to exist between the qualified business or industry and the State of Mississippi, requiring the continued incentive payment to be made as long as the qualified business or industry retains its eligibility.

(6) Upon approval of such an application, the MDA shall notify the Department of Revenue and shall provide it with a copy of the approved application and the estimated net direct state benefits. The Department of Revenue may require the qualified business or industry to submit such additional information as may be necessary to administer the provisions of this chapter. The qualified business or industry shall report to the Department of Revenue periodically to show its continued eligibility for incentive payments. The qualified business or industry may be audited by the Department of Revenue to verify such eligibility. In addition, the State Auditor may conduct performance and compliance audits under this chapter according to Section 7-7-211(o) and may bill the oversight agency.

(7) If the qualified business or industry is located in an area that has been declared by the Governor to be a disaster area and as a result of the disaster the business or industry is unable to create or maintain the full-time jobs required by this section:

(a) The Commissioner of Revenue may extend the period of time that the business or industry may receive incentive payments for a period of time not to exceed two (2) years;

(b) The Commissioner of Revenue may waive the requirement that a certain number of jobs be maintained for a period of time not to exceed twenty-four (24) months; and

(c) The MDA may extend the period of time within which the jobs must be created for a period of time not to exceed twenty-four (24) months.

[For businesses or industries that apply for incentive payments from and after July 1, 2010, this section shall read as follows:]

57-62-9. (1) (a) Except as otherwise provided in this section, a qualified business or industry that meets the qualifications specified in this chapter may receive quarterly incentive payments for a period not to exceed ten (10) years from the Department of Revenue pursuant to the provisions of this chapter in an amount which shall be equal to ninety percent (90%) of the amount of actual income tax withheld for employees with new direct jobs, but in no event more than four percent (4%) of the total annual salary paid for new direct jobs during such period, excluding benefits which are not subject to Mississippi income taxes.

(b) A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)1 may elect the date upon which the ten-year period will begin. Such date may not be later than sixty (60) months after the date the business or industry applied for incentive payments.

(c) A qualified business or industry as defined in Section 57-62-5(a)(iii) may elect the date upon which the ten-year period will begin and may elect to begin receiving incentive payments as early as the second quarter after that date. Incentive payments will be calculated on all jobs above the existing number of jobs as of the date the MDA determines that the applicant is qualified to receive incentive payments. In the event that the qualified business or industry falls below the number of existing jobs at the time of determination that the applicant is qualified to receive the incentive payment, the incentive payment shall cease until the qualified business or industry once again exceeds that number. If after forty-eight (48) months, the qualified business or industry has failed to create at least three thousand (3,000) new direct jobs, incentive payments shall cease and the qualified business or industry shall not be qualified to receive further incentive payments.

(2) (a) A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)1 may apply to the MDA to receive incentive payments for an additional period not to exceed five (5) years beyond the expiration date of the initial ten-year period if:

(i) The qualified business or industry creates at least three thousand (3,000) new direct jobs within five (5) years after the date the business or industry commences commercial production;

(ii) Within five (5) years after the date the business or industry commences commercial production, the average annual wage of the jobs is at least one hundred fifty percent (150%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser. The criteria for the average annual wage requirement shall be based upon the state average annual wage or the average annual wage of the county whichever is appropriate, at the time of creation of the minimum number of jobs, and the threshold established at that time will remain constant for the duration of the additional period; and

(iii) The qualified business or industry meets and maintains the job and wage requirements of subparagraphs (i) and (ii) of this paragraph (a) for four (4) consecutive calendar quarters.

(b) A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)1 and qualified to receive incentive payments for the additional period provided in paragraph (a) of this subsection (2) may apply to the MDA to receive incentive payments for an additional period not to exceed ten (10) years beyond the expiration date of the additional period provided in paragraph (a) of this subsection (2) if:

(i) The qualified business or industry creates at least four thousand (4,000) new direct jobs after qualifying for the additional incentive period provided in paragraph (a) of this subsection (2) but before the expiration of the additional period. For purposes of determining whether the business or industry meets the minimum jobs requirement of this subparagraph (i), the number of jobs the business or industry created in order to meet the minimum jobs requirement of paragraph (a) of this subsection (2) shall be subtracted from the minimum jobs requirement of this subparagraph (i);

(ii) The average annual wage of the jobs is at least one hundred fifty percent (150%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser. The criteria for the average annual wage requirement shall be based upon the state average annual wage or the average annual wage of the county whichever is appropriate, at the time of creation of the minimum number of jobs, and the threshold established at that time will remain constant for the duration of the additional period; and

(iii) The qualified business or industry meets and maintains the job and wage requirements of subparagraphs (i) and (ii) of this paragraph (b) for four (4) consecutive calendar quarters.

(3) In order to receive incentive payments, an establishment shall apply to the MDA. The application shall be on a form prescribed by the MDA and shall contain such information as may be required by the MDA to determine if the applicant is qualified.

(4) (a) In order to qualify to receive such payments, the establishment applying shall be required to meet the definition of the term "qualified business or industry";

(b) The criteria for the average annual salary requirement shall be based upon the state average annual wage or the average annual wage of the county whichever is appropriate, at the time of application, and the threshold established upon application will remain constant for the duration of the project;

(c) Except as otherwise provided for a qualified business or industry as defined in Section 57-62-5(a)(iii), the business or industry must meet its job creation commitment within twenty-four (24) months of the application approval. However, if the qualified business or industry is applying for incentive payments for an additional period under subsection (2) of this section, the business or industry must comply with the applicable job and wage requirements of subsection (2) of this section.

(5) (a) The MDA shall determine if the applicant is qualified to receive incentive payments.

(b) If the applicant is determined to be qualified to receive incentive payments for an additional period under subsection (2) of this section, the MDA shall

conduct an analysis to estimate the amount of gross payroll for the appropriate additional period. Incentive payments, cumulatively, shall not exceed ninety percent (90%) of the amount of actual income tax withheld for employees with new direct jobs, but in no event more than four percent (4%) of the total annual salary paid for new direct jobs during the additional period, excluding benefits which are not subject to Mississippi income taxes. Once the qualified business or industry is approved by the MDA, an agreement shall be deemed to exist between the qualified business or industry and the State of Mississippi, requiring the continued incentive payment to be made as long as the qualified business or industry retains its eligibility.

(6) Upon approval of such an application, the MDA shall notify the Department of Revenue and shall provide it with a copy of the approved application and the minimum job and salary requirements. The Department of Revenue may require the qualified business or industry to submit such additional information as may be necessary to administer the provisions of this chapter. The qualified business or industry shall report to the Department of Revenue periodically to show its continued eligibility for incentive payments. The qualified business or industry may be audited by the Department of Revenue to verify such eligibility. In addition, the State Auditor may conduct performance and compliance audits under this chapter according to Section 7-7-211(o) and may bill the oversight agency.

(7) If the qualified business or industry is located in an area that has been declared by the Governor to be a disaster area and as a result of the disaster the business or industry is unable to create or maintain the full-time jobs required by this section:

(a) The Commissioner of Revenue may extend the period of time that the business or industry may receive incentive payments for a period of time not to exceed two (2) years;

(b) The Commissioner of Revenue may waive the requirement that a certain number of jobs be maintained for a period of time not to exceed twenty-four (24) months; and

(c) The MDA may extend the period of time within which the jobs must be created for a period of time not to exceed twenty-four (24) months.

The money in the fund shall be used for the purpose of making the incentive payments authorized under this chapter.

(2) The Mississippi Advantage Jobs Incentive Payment Fund shall be administered by the Department of Revenue, and monies in the fund, less three percent (3%) to be retained by the Department of Revenue to pay the reasonable and necessary expenses of the Department of Revenue in administering its duties under this chapter, shall be expended pursuant to the approved application. Amounts in the fund at the end of any fiscal year that are not necessary to make future incentive payments shall be paid into the General Fund.

(3) The liability of the State of Mississippi to make the incentive payments authorized under this chapter shall be limited to the balance contained in the fund.

SECTION 46. Section 57-62-13, Mississippi Code of 1972, is brought forward as follows:

57-62-13. (1) As soon as practicable after the end of a calendar quarter for which a qualified business or industry has qualified to receive an incentive payment, the qualified business or industry shall file a claim for the payment with the Department of Revenue and shall specify the actual number of new direct jobs created and maintained by the business or industry for the calendar quarter and the gross payroll thereof. The Department of Revenue shall verify the actual number of new direct jobs created and maintained by the business or industry and compliance with the average annual wage requirements for such business or industry under this chapter. If the qualified business or industry files a claim for an incentive payment during an additional incentive period provided under Section 57-62-9(2), the Department of Revenue shall verify the actual number of new direct jobs created and maintained by the business or industry and

compliance with the average annual wage requirements for such business or industry under this chapter. If the Department of Revenue is not able to provide such verification utilizing all available resources, the Department of Revenue may request such additional information from the business or industry as may be necessary.

(2) (a) Except as otherwise provided in this chapter, the business or industry must meet the salary and job requirements of this chapter for four (4) consecutive calendar quarters prior to payment of the first incentive payment. Except as otherwise provided in Section 57-62-9, if the business or industry does not maintain the salary or job requirements of this chapter at any other time during the ten-year period after the date the first payment was made, the incentive payments shall not be made and shall not be resumed until such time as the actual verified number of new direct jobs created and maintained by the business or industry equals or exceeds the requirements of this chapter for one (1) calendar quarter.

(b) If the business or industry is qualified to receive incentive payments for an additional period provided under Section 57-62-9(2), the business or industry must meet the wage and job requirements of Section 57-62-9(2), for four (4) consecutive calendar quarters prior to payment of the first incentive payment. If the business or industry does not maintain the wage or job requirements of Section 57-62-9(2), at any other time during the appropriate additional period after the date the first payment was made, the incentive payments shall not be made and shall not be resumed until such time as the actual verified number of new direct jobs created and maintained by the business or industry equals or exceeds the amounts specified in Section 57-62-9(2), for one (1) calendar quarter.

(3) An establishment that has qualified pursuant to this chapter may receive payments only in accordance with the provision under which it initially applied and was approved. If an establishment that is receiving incentive payments expands, it may apply for additional incentive payments based on the new gross payroll for new direct jobs anticipated from the expansion only, pursuant to this chapter.

(4) As soon as practicable after verification of the qualified business or industry meeting the requirements of this chapter and all rules and regulations, the Department of Finance and Administration, upon requisition of the Department of Revenue, shall issue a warrant drawn on the Mississippi Advantage Jobs Incentive Payment Fund to the establishment in the amount of the incentive payment as determined pursuant to subsection (1) of this section for the calendar quarter.

57-105-1. (1) As used in this section:

(a) "Adjusted purchase price" means the investment in the qualified community development entity for the qualified equity investment, substantially all of the proceeds of which are used to make qualified low-income community investments in Mississippi.

For the purposes of calculating the amount of qualified low-income community investments held by a qualified community development entity, an investment will be considered held by a qualified community development entity even if the investment has been sold or repaid; provided that the qualified community development entity reinvests an amount equal to the capital returned to or recovered by the qualified community development entity from the original investment, exclusive of any profits realized, in another qualified low-income community investment in Mississippi, including any federal Indian reservation located within the geographical boundary of Mississippi within twelve

(12) months of the receipt of such capital. A qualified community development entity will not be required to reinvest capital returned from the qualified low-income community investments after the sixth anniversary of the issuance of the qualified equity investment, the proceeds of which were used to make the qualified low-income community investment, and the qualified low-income community investment will be considered held by the qualified community development entity through the seventh anniversary of the qualified equity investment's issuance.

(b) "Applicable percentage" means:

(i) For any equity investment issued prior to July 1, 2008, four percent (4%) for each of the second through seventh credit allowance dates for purposes of the taxes imposed by Section 27-7-5 and one and one-third percent (1-1/3%) for each of the second through seventh credit allowance dates for purposes of the taxes imposed by Sections 27-15-103, 27-15-109 and 27-15-123.

(ii) For any equity investment issued from and after July 1, 2008, eight percent (8%) for each of the first through third credit allowance dates for purposes of the taxes imposed by Section 27-7-5 or the taxes imposed by Sections 27-15-103, 27-15-109 and 27-15-123.

(c) "Credit allowance date" means, with respect to any qualified equity investment:

(i) The later of:

1. The date upon which the qualified equity investment is initially made; or

2. The date upon which the Mississippi Development Authority issues a certificate under subsection (4) of this section; and

(ii) 1. For equity investments issued prior to July 1, 2008, each of the subsequent six (6) anniversary dates of the date upon which the investment is initially made; or

2. For equity investments issued from and after July 1, 2008, each of the subsequent two (2) anniversary dates of the date determined as provided for in subparagraph (i) of this paragraph.

(d) "Qualified community development entity" shall have the meaning ascribed to such term in Section 45D of the Internal Revenue Code of 1986, as amended, if the entity has entered into an Allocation Agreement with the Community Development Financial Institutions Fund of the United States Department of the Treasury with respect to credits authorized by Section 45D of the Internal Revenue Code of 1986, as amended.

(e) "Qualified active low-income community business" shall have the meaning ascribed to such term in Section 45D of the Internal Revenue Code of 1986, as amended.

(f) "Qualified equity investment" shall have the meaning ascribed to such term in Section 45D of the Internal Revenue Code of 1986, as amended. The investment does not have to be designated as a qualified equity investment by the Community Development Financial Institutions Fund of the United States Treasury to be considered a qualified equity investment under this section but otherwise must meet the definition under the Internal Revenue Code. In addition to meeting the definition in Section 45D of the Internal Revenue Code such investment must also:

(i) Have been acquired after January 1, 2007, at its original issuance solely in exchange for cash; and

(ii) Have been allocated by the Mississippi Development Authority.

For the purposes of this section, such investment shall be deemed a qualified equity investment on the later of the date such qualified equity investment is made or the date on which the Mississippi Development Authority issues a certificate under subsection (4) of this section allocating credits based on such investment.

(g) "Qualified low-income community investment" shall have the meaning ascribed to such term in Section 45D of the Internal Revenue Code of 1986, as amended; provided, however, that the maximum amount of qualified low-income community investments issued for a single qualified active low-income community business, on an aggregate basis with all of its affiliates, that may be included for purposes

of allocating any credits under this section shall not exceed Ten Million Dollars (\$10,000,000.00), in the aggregate, whether issued by one (1) or several qualified community development entities.

(2) A taxpayer that holds a qualified equity investment on the credit allowance date shall be entitled to a credit applicable against the taxes imposed by Sections 27-7-5, 27-15-103, 27-15-109 and 27-15-123 during the taxable year that includes the credit allowance date. The amount of the credit shall be equal to the applicable percentage of the adjusted purchase price paid to the qualified community development entity for the qualified equity investment. The amount of the credit that may be utilized in any one (1) tax year shall be limited to an amount not greater than the total tax liability of the taxpayer for the taxes imposed by the above-referenced sections. The credit shall not be refundable or transferable. Any unused portion of the credit may be carried forward for seven (7) taxable years beyond the credit allowance date on which the credit was earned. The maximum aggregate amount of qualified equity investments that may be allocated by the Mississippi Development Authority may not exceed an amount that would result in taxpayers claiming in any one (1) state fiscal year credits in excess of Fifteen Million Dollars (\$15,000,000.00), exclusive of credits that might be carried forward from previous taxable years; however, a maximum of one-third (1/3) of this amount may be allocated as credits for taxes imposed by Sections 27-15-103, 27-15-109 and 27-15-123. Any taxpayer claiming a credit under this section against the taxes imposed by Sections 27-7-5, 27-15-103, 27-15-109 and 27-15-123 shall not be required to pay any additional tax under Section 27-15-123 as a result of claiming such credit. The Mississippi Development Authority shall allocate credits within this limit as provided for in subsection (4) of this section.

(3) Tax credits authorized by this section that are earned by a partnership, limited liability company, S corporation or other similar pass-through entity, shall be allocated among all partners, members or shareholders, respectively, either in proportion to their ownership interest in such entity or as the partners, members or shareholders mutually agree as provided in an executed document. Such allocation shall be made each taxable year of such pass-through entity which contains a credit allowance date.

(4) The qualified community development entity shall apply for credits with the Mississippi Development Authority on forms prescribed by the Mississippi Development Authority. The qualified community development entity must pay an application fee of One Thousand Dollars (\$1,000.00) to the Mississippi Development Authority at the time the application is submitted. In the application the qualified community development entity shall certify to the Mississippi Development Authority the dollar amount of the qualified equity investments made or to be made in this state, including in any federal Indian reservation located within the state's geographical boundary, during the first twelve-month period following the initial credit allowance date. The Mississippi Development Authority shall allocate credits based on the dollar amount of qualified equity investments as certified in the application. Once the Mississippi Development Authority has allocated credits to a qualified community development entity, if the corresponding qualified equity investment has not been issued as of the date of such allocation, then the corresponding qualified equity investment must be issued not later than one hundred twenty (120) days from the date of such allocation. If the qualified equity investment is not issued within such time period, the allocation shall be cancelled and returned to the Mississippi Development Authority for reallocation. Upon final documentation of the qualified low-income community investments, if the actual dollar amount of the investments is lower than the amount estimated, the Mississippi Development Authority shall adjust the tax credit allowed under this section. The Department of Revenue may recapture all of the credit allowed under this section if:

(a) Any amount of federal tax credits available with respect to a qualified equity investment that is eligible for a tax credit under this section is recaptured under Section 45D of the Internal Revenue Code of 1986, as amended; or

(b) The qualified community development entity redeems or makes any principal repayment with respect to a qualified equity investment prior to the seventh anniversary of the issuance of the qualified equity investment; or

(c) The qualified community development entity fails to maintain at least eighty-five percent (85%) of the proceeds of the qualified equity investment in

qualified low-income community investments in Mississippi at any time prior to the seventh anniversary of the issuance of the qualified equity investment.

Any credits that are subject to recapture under this subsection shall be recaptured from the taxpayer that actually claimed the credit.

The Mississippi Development Authority shall not allocate any credits under this section after July 1, 2021.

(5) Each qualified community development entity that receives qualified equity investments to make qualified low-income community investments in Mississippi must annually report to the Mississippi Development Authority the North American Industry Classification System Code, the county, the dollars invested, the number of jobs assisted and the number of jobs assisted with wages over one hundred percent (100%) of the federal poverty level for a family of four (4) of each qualified low-income community investment.

(6) The Mississippi Development Authority shall file an annual report on all qualified low-income community investments with the Governor, the Clerk of the House of Representatives, the Secretary of the Senate and the Secretary of State describing the North American Industry Classification System Code, the county, the dollars invested, the number of jobs assisted and the number of jobs assisted with wages over one hundred percent (100%) of the federal poverty level for a family of four (4) of each qualified low-income community investment. The annual report will be posted on the Mississippi Development Authority's internet website.

Any financing arrangement authorized under this subsection shall further any purpose of the public entity and may include a term of up to fifty (50) years.

(d) Notwithstanding any other provision of law to the contrary and in order to facilitate the acquisition, renovation, construction, leasing, subleasing, management, operating and/or improvement of new or existing public property or facilities to further any purpose of a public entity, public entities are authorized to enter into financing arrangements in order to transfer public property or facilities to and/or from public benefit corporations, including, without limitation, sales, sale-leasebacks, leases and lease-leasebacks, provided such transfer is related to any New Markets Tax Credit transaction furthering any purpose of the public entity. Any such transfer under this paragraph (d) and the public property or facilities transferred in connection therewith shall

be exempted from any limitation or requirements with respect to leasing, acquiring, and/or constructing public property or facilities.

(e) With respect to a New Markets Tax Credit transaction, public entities and public benefit corporations are authorized to enter into financing arrangements with any governmental, nonprofit or for-profit entity in order to leverage funds not otherwise available to public entities for the acquisition, construction and/or renovation of properties transferred to such public benefit corporations. (g) Neither this subsection nor anything herein contained is or shall be construed as a restriction or limitation upon any powers which the public entity or public benefit corporation might otherwise have under any laws of this state, and this subsection is cumulative to any such powers. This subsection does and shall be construed to provide a complete additional and alternative method for the doing of the things authorized thereby and shall be regarded as supplemental and additional to powers conferred by other laws.

(8) The Mississippi Development Authority shall promulgate rules and regulations to implement the provisions of this section.

(5) The State Treasurer shall remit the county's share of taxes collected pursuant to this article on or before the twentieth day of the month next succeeding the

month in which the collections were made, for division among the municipalities and taxing districts of the county. He shall accompany his remittance with a report to the county receiving the funds prepared by the commissioner showing from whom the tax was collected. Upon receipt of the funds, the board of supervisors of the county shall allocate the funds to the municipalities and to the various maintenance and bond and interest funds of the county, school districts, supervisors districts and road districts, as provided in this subsection.

(6) Except as provided in subsection (8) of this section, when there are any oil producing properties within the corporate limits of any municipality, then the municipality shall participate in the division of the tax returned to the county in which the municipality is located, in the proportion which the tax on production of oil from any properties located within the municipal corporate limits bears to the tax on the total production of oil in the county. In no event, however, shall the amount allocated to municipalities exceed one-third ($\frac{1}{3}$) of the tax produced in the municipality and returned to the county. Any amount received by any municipality as a result of the allocation provided for in this subsection shall be used only for such purposes as are authorized by law.

Upon receipt of the funds, the board of supervisors of the county shall allocate the funds to the municipalities and to the various maintenance and bond and interest funds of the county and school districts, as provided in this subsection.

(6) Except as provided in subsection (8) of this section, when there are any oil producing properties within the corporate limits of any municipality, then the municipality shall participate in the division of the tax returned to the county in which the municipality is located, in the proportion which the tax on production of oil from any properties located within the municipal corporate limits bears to the tax on the total production of oil in the county. The funds so allocated shall be used only for purposes as are authorized by law.

(8) Any amount above and exceeding Six Hundred Thousand Dollars (\$600,000.00) that is remitted to the county that is more than twenty percent (20%) of the taxes above and exceeding Six Hundred Thousand Dollars (\$600,000.00) collected on oil produced in the county, shall be utilized by the county for infrastructure repairs.

SECTION 62. Section 27-25-703, Mississippi Code of 1972, is brought forward as follows:

27-25-703. (1) (a) Except as otherwise provided in this section, there is hereby levied, to be collected as provided in this article, annual privilege taxes upon every person engaging or continuing within this state in the business of producing, or severing gas from below the soil or water for sale, transport, storage, profit or for commercial use. The amount of the tax shall be measured by the value of the gas produced and shall be levied and assessed at a rate of six percent (6%) of the value of the gas at the point of production, except as otherwise provided in subsection (4) of this section.

(b) (i) The tax shall be levied and assessed at the rate of one and three-tenths percent (1.3%) of the value of the gas at the point of production on gas produced from a horizontally drilled well or from any horizontally drilled recompletion well from which production commences from and after July 1, 2013, for a period of thirty (30) months beginning on the date of first sale of production or until payout of the well cost is achieved, whichever first occurs. Thereafter, the tax shall be levied and assessed as provided for in paragraph (a) of this subsection.

(ii) Payout of a horizontally drilled well or horizontally drilled recompletion well shall be deemed to have occurred the first day of the next month after gross revenues, less royalties and severance taxes, equal to the cost to drill and complete the well.

(iii) Each operator must apply by letter to the State Oil and Gas Board for the reduced rate provided in this paragraph (b), and shall provide the board with the status of payout on a semiannual basis of any horizontally drilled well or horizontally drilled recompletion well by signed affidavit executed by a company representative.

(iv) This paragraph (b) shall be repealed from and after July 1, 2023; however, any horizontally drilled well or horizontally drilled recompletion well from which production commences before July 1, 2023, shall be taxed as provided for in this paragraph (b) notwithstanding that the repeal of this paragraph (b) has become effective.

(2) The tax is levied upon the entire production in this state, regardless of the place of sale or to whom sold or by whom used, or the fact that the delivery may be made to points outside the state, but not levied upon that gas, lawfully injected into the earth for cycling, repressuring, lifting or enhancing the recovery of oil, nor upon gas lawfully vented or flared in connection with the production of oil, nor upon gas condensed into liquids on which the oil severance tax of six percent (6%) is paid; however, if any gas so injected

into the earth is sold for such purposes, then the gas so sold shall not be excluded in computing the tax. The tax shall accrue at the time the gas is produced or severed from the soil or water, and in its natural, unrefined or unmanufactured state.

(3) Natural gas and condensate produced from any wells for which drilling is commenced after March 15, 1987, and before July 1, 1990, shall be exempt from the tax levied under this section for a period of two (2) years beginning on the date of first sale of production from such wells.

(4) (a) Any well which begins commercial production of occluded natural gas from coal seams on or after March 20, 1990, and before July 1, 1993, shall be taxed at the rate of three and one-half percent (3-1/2%) of the gross value of the occluded natural gas from coal seams at the point of production for a period of five (5) years after such well begins production.

(b) Any well which begins commercial production of occluded natural gas from coal seams on or after July 1, 2004, and before July 1, 2007, shall be taxed at the rate of three percent (3%) of the gross value of the occluded natural gas from coal seams at the point of production for a period of five (5) years beginning on the date of the first sale of production from such well.

(5) (a) Natural gas produced from discovery wells for which drilling or re-entry commenced on or after April 1, 1994, but before July 1, 1999, shall be exempt from the tax levied under this section for a period of five (5) years beginning on the earlier of one (1) year from completion of the well or the date of first sale from such well, provided that the average monthly sales price of such gas does not exceed Three Dollars and Fifty Cents (\$3.50) per one thousand (1,000) cubic feet. The exemption for natural gas produced from discovery wells as described in this paragraph (a) shall be repealed from and after July 1, 2003, provided that any such production for which a permit was granted by the board before July 1, 2003, shall be exempt for an entire period of five (5) years, notwithstanding that the repeal of this provision has become effective. Natural gas produced from development wells or replacement wells drilled in connection with discovery wells for which drilling commenced on or after January 1, 1994, shall be assessed at a rate of three percent (3%) of the value thereof at the point of production for a period of three (3) years. The reduced rate of assessment of natural gas produced from development wells or replacement wells as described in this paragraph (a) shall be repealed from and after January 1, 2003, provided that any such production for which drilling commenced before January 1, 2003, shall be assessed at the reduced rate for an entire period of three (3) years, notwithstanding that the repeal of this provision has become effective.

(b) Natural gas produced from discovery wells for which drilling or re-entry commenced on or after July 1, 1999, shall be assessed at a rate of three percent (3%) of the value thereof at the point of production for a period of five (5) years beginning on the earlier of one (1) year from completion of the well or the date of first sale from such well, provided that the average monthly sales price of such gas does not exceed Two Dollars and Fifty Cents (\$2.50) per one thousand (1,000) cubic feet. The reduced rate of assessment of natural gas produced from discovery wells as described in this paragraph (b) shall be repealed from and after July 1, 2003, provided that any such production for which a permit was granted by the board before July 1, 2003, shall be assessed at the reduced rate for an entire period of five (5) years, notwithstanding that the repeal of this provision has become effective. Natural gas produced from development wells or replacement wells drilled in connection with discovery wells for which drilling commenced on or after July 1, 1999, shall be assessed at a rate of three percent (3%) of the value thereof at the point of production for a period of three (3) years. The reduced rate of assessment of natural gas produced from development wells or replacement wells as described in this paragraph (b) shall be repealed from and after January 1, 2003, provided that any such production for which drilling commenced before January 1, 2003, shall be assessed at the reduced rate for an entire period of three (3) years, notwithstanding that the repeal of this provision has become effective.

(6) (a) Gas produced from a development well for which drilling commenced on or after April 1, 1994, but before July 1, 1999, and for which three-dimensional seismic was utilized in connection with the drilling of such well, shall be assessed at a rate of three percent (3%) of the value of the gas at the point of production for a period of five (5) years,

provided that the average monthly sales price of such gas does not exceed Three Dollars and Fifty Cents (\$3.50) per one thousand (1,000) cubic feet. The reduced rate of assessment of gas produced from a development well as described in this subsection and for which three-dimensional seismic was utilized shall be repealed from and after July 1, 2003, provided that any such production for which a permit was granted by the board before July 1, 2003, shall be assessed at the reduced rate for an entire period of five (5) years, notwithstanding that the repeal of this provision has become effective.

(b) Gas produced from a development well for which drilling commenced on or after July 1, 1999, and for which three-dimensional seismic was utilized in connection with the drilling of such well, shall be assessed at a rate of three percent (3%) of the value of the gas at the point of production for a period of five (5) years, provided that the average monthly sales price of such gas does not exceed Two Dollars and Fifty Cents (\$2.50) per one thousand (1,000) cubic feet. The reduced rate of assessment of gas produced from a development well as described in this paragraph (b) and for which three-dimensional seismic was utilized shall be repealed from and after July 1, 2003, provided that any such production for which a permit was granted by the board before July 1, 2003, shall be assessed at the reduced rate for an entire period of five (5) years, notwithstanding that the repeal of this provision has become effective.

(7) (a) Natural gas produced before July 1, 1999, from a two-year inactive well as defined in Section 27-25-701 shall be exempt from the taxes levied under this section for a period of three (3) years beginning on the date of first sale of production from such well, provided that the average monthly sales price of such gas does not exceed Three Dollars and Fifty Cents (\$3.50) per one thousand (1,000) cubic feet. The exemption for natural gas produced from an inactive well as described in this subsection shall be repealed from and after July 1, 2003, provided that any such production which began before July 1, 2003, shall be exempt for an entire period of three (3) years, notwithstanding that the repeal of this provision has become effective.

(b) Natural gas produced on or after July 1, 1999, from a two-year inactive well as defined in Section 27-25-701 shall be exempt from the taxes levied under this section for a period of three (3) years beginning on the date of first sale of production from such well, provided that the average monthly sales price of such gas does not exceed Two Dollars and Fifty Cents (\$2.50) per one thousand (1,000) cubic feet. The exemption for natural gas produced from an inactive well as described in this paragraph (b) shall be repealed from and after July 1, 2003, provided that any such production which began before July 1, 2003, shall be exempt for an entire period of three (3) years, notwithstanding that the repeal of this provision has become effective.

(8) The State Oil and Gas Board shall have the exclusive authority to determine the qualification of wells defined in paragraphs (n) through (t) of Section 27-25-701.

SECTION 63. Section 27-25-705, Mississippi Code of 1972, is brought forward as follows:

[With regard to any county which is exempt from the provisions of Section 19-2-3, this section shall read as follows:]

27-25-705. (1) All taxes levied in this article and collected by the department shall be paid into the State Treasury on the same day in which the taxes are collected.

(2) Except as otherwise provided in this section, the commissioner shall apportion all the tax collections made pursuant to this article to the state and to the county in which the gas was produced, in the proportion of sixty-six and two-thirds percent (66-2/3%) to the state and thirty-three and one-third percent (33-1/3%) to the county.

(3) The commissioner shall apportion all the tax collections made pursuant to Section 27-25-703(1)(b) to the county in which the gas is produced.

(4) When the producer of gas subject to the tax levied in this article increases the price of the gas sold and such increase is subject to approval by a federal regulatory board or commission, and when the producer of the gas so requests, the State Treasurer is hereby authorized to hold the severance tax collected on the price increase in escrow until such time as the price increase or a portion thereof is finally granted or approved. The severance tax thus held in escrow shall be deposited by the State Treasurer to an account in a state depository to be invested in an interest-bearing account in the manner provided by law. When the price increase in question or a portion thereof is granted or approved, the commissioner shall compute the correct severance tax due on the increase

and certify the amount of tax thus computed. This amount and interest earned from the depository shall be distributed to the General Fund and to the county or counties proportionately as provided in this subsection. The balance, if any, of the tax and interest held in escrow on the price increase shall be returned to the taxpayer.

(5) The state's share of all gas severance taxes collected pursuant to this section shall be deposited as provided for in Section 27-25-506.

(6) The commissioner shall certify at the end of each month the apportionment to each county to the State Treasurer, who shall remit the county's share of the funds on or before the twentieth day of the month next succeeding the month in which the collections were made for division among the municipalities and taxing districts of the county. The commissioner shall submit a report to the State Treasurer for distribution to each county receiving the funds showing from whom the tax and interest, if any, were collected. Upon receipt of the funds, the board of supervisors of the county shall allocate the funds to the municipalities and to the various maintenance and bond and interest funds of the county, school districts, supervisors districts and road districts, as provided in this subsection.

When there are any gas producing properties within the corporate limits of any municipality, then the municipality shall participate in the division of the tax and interest, if any, returned to the county in which the municipality is located in the proportion which the tax on production of gas from properties located within the municipal corporate limits bears to the tax on total production of gas in the county. In no event, however, shall the amount allocated to the municipalities exceed one-third (1/3) of the tax and interest produced in the municipality and returned to the county. Any amount received by any municipality as a result of the allocation provided for in this subsection shall be used for such purposes as are authorized by law.

The balance remaining of any funds returned to the county after the allocation to municipalities shall be divided among the various maintenance and bond and interest funds of the county, school districts, supervisors districts and road districts, in the discretion of the board of supervisors, and the board shall make the division in consideration of the needs of the various taxing districts. The funds so allocated shall be used only for such purposes as are authorized by law.

[With regard to any county which is required to operate on a countywide system of road administration as described in Section 19-2-3, this section shall read as follows:]

(3) The commissioner shall apportion all the tax collections made pursuant to Section 27-25-703(1)(b) to the county in which the gas is produced.

(4) When the producer of gas subject to the tax levied in this article increases the price of the gas sold and the increase is subject to approval by a federal regulatory board or commission, and when the producer of the gas so requests, the State Treasurer is hereby authorized to hold the severance tax collected on the price increase in escrow until such time as the price increase or a portion thereof is finally granted or approved. The severance tax thus held in escrow shall be deposited by the State Treasurer to an account in a state depository to be invested in an interest-bearing account in the manner provided by law. When the price increase in question or a portion thereof is granted or approved, the commissioner shall compute the correct severance tax due on the increase and certify the amount of tax thus computed. This amount and interest earned from the depository shall be distributed to the General Fund and to the county or counties proportionately as provided in this subsection. The balance, if any, of the tax and interest held in escrow on the price increase shall be returned to the taxpayer.

(5) The state's share of all gas severance taxes collected pursuant to this section shall be deposited as provided for in Section 27-25-506.

(6) The commissioner shall certify at the end of each month the apportionment to each county to the State Treasurer, who shall remit the county's share of the funds on

or before the twentieth day of the month next succeeding the month in which the collections were made for division among the municipalities and taxing districts of the county. The commissioner shall submit a report to the State Treasurer for distribution to each county receiving the funds showing from whom the tax and interest, if any, were collected. Upon receipt of the funds, the board of supervisors of the county shall allocate the funds to the municipalities and to the various maintenance and bond and interest funds of the county and school districts, as provided in this subsection.

When there are any gas producing properties within the corporate limits of any municipality, then the municipality shall participate in the division of the tax and interest, if any, returned to the county in which the municipality is located in the proportion which the tax on production of gas from properties located within the municipal corporate limits bears to the tax on total production of gas in the county. In no event, however, shall the amount allocated to the municipalities exceed one-third (1/3) of the tax and interest produced in the municipality and returned to the county. Any amount received by any municipality as a result of the allocation provided for in this subsection shall be used for such purposes as are authorized by law.

The balance remaining of any funds returned to the county after the allocation to municipalities shall be divided among the various maintenance and bond and interest funds of the county and school districts, in the discretion of the board of supervisors, and the board shall make the division in consideration of the needs of the various taxing districts. The funds so allocated shall be used only for such purposes as are authorized by law.

Rep. Bain called up the conference report on the following bill and moved that it be adopted:

H. B. No. 196: "Dignity for Incarcerated Women Act"; create.

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 196: "Dignity for Incarcerated Women Act"; create.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Title. Sections 1 through 9 of this act may be cited as the "Dignity for Incarcerated Women Act."

SECTION 2. Legislative findings and purpose. The Legislature of the State of Mississippi finds that:

- (a) The number of incarcerated women in the State of Mississippi has increased by a third (1/3) since 2001 and at one point in 2008 the rate had grown by forty-four percent (44%);
- (b) Nationally, the number of children under age eighteen (18) with a mother in prison more than doubled since 1991;
- (c) Children who grow up with parents in prison are six (6) to seven (7) times more likely to become incarcerated themselves;
- (d) Prisoners who maintain close contact with their family members while incarcerated have better post-release outcomes and lower recidivism rates;
- (e) Children of inmates who are able to visit their imprisoned parents have increased cognitive skills, improved academic self-esteem, greater self-control and change schools much less often;
- (f) To mitigate the collateral impact on families and children, the Department of Corrections should consider the location of family;
- (g) Nationally, approximately two thousand (2,000) women give birth while incarcerated each year;
- (h) Prenatal care significantly improves outcomes for pregnant women and infants;

(i) Participation in post-delivery mother-infant residency or nursery programs is associated with lower recidivism rates, reduced risk of babies entering foster care, and improved odds that mothers and their babies will remain together after the mother's period of incarceration;

(j) Use of restrictive housing and restraints on incarcerated pregnant women may be extremely dangerous to the health of mothers, fetuses and infants; and

(k) Nationally, eighty-six percent (86%) of women in prison were victims of sexual assault prior to entering the prison system.

SECTION 3. Definitions. (a) "Restraints" means any physical or mechanical device used to restrict or control the movement of a prisoner's body, limbs, or both.

(b) "Body cavity searches" means invasive searches on inmates, conducted by facility employees in search of contraband.

(c) "Flight risk" means an inmate who has shown the desire to escape the facility.

(d) "Restrictive housing" means any type of detention that involves:

(i) Removal from the general inmate population, whether voluntary or involuntary; and

(ii) Inability to leave a room or cell for the vast majority of the day.

(e) "Postpartum recovery" means the eight-week period, or longer as determined by the healthcare professional responsible for the health and safety of the prisoner.

(f) "Menstrual hygiene products" means products that women use during their menstrual cycle. This includes tampons, sanitary napkins and menstrual cups.

(g) "Indigent" means an inmate who has less than an average of Sixteen Dollars (\$16.00) in her prison account.

(h) "Correctional facility employee" refers to anyone who is employed by the facility or the Department of Corrections.

(i) "State of undress" refers to a state where a female is partially or fully naked, either in the shower, toilet areas, a medical examination room or having a body cavity search conducted.

SECTION 4. Care for incarcerated women related to pregnancy and childbirth.

(1) Upon notification and/or diagnosis of an inmate's pregnancy, and for the duration of the pregnancy, and for thirty (30) days following the inmate's delivery, the Department of Corrections and/or a correctional facility employee shall not apply the following restraints on the pregnant inmate unless a correctional facility employee has a reasonable belief that the inmate will harm herself, the fetus, or any other person, or pose a substantial flight risk:

(a) Leg restraints.

(b) Handcuffs or other wrist restraints, except to restrain the inmate's wrists in front of her.

(c) No restraints connected to other inmates.

(2) No restraints shall be used on any pregnant inmate while in labor or during delivery unless a correctional facility employee has a reasonable belief that the inmate will harm herself, the fetus, or any other person, or pose a substantial flight risk. In such case, the correctional facility employee ordering use of restraints on any female inmate while in labor or during delivery shall submit a written report to the warden of the facility within seventy-two (72) hours following the use of restraints, containing the justification for restraining the female inmate during labor and delivery.

(3) No facility employee of the Department of Corrections, other than a certified healthcare professional, shall conduct invasive body cavity searches of pregnant inmates unless the correctional facility employee has a reasonable belief that the female inmate is concealing contraband. In such case, the correctional facility employee shall submit a written report to the warden of the facility within seventy-two (72) hours following the invasive search, containing the justification for the invasive search and what contraband, if any was recovered.

(4) The Department of Corrections shall ensure that pregnant inmates be provided sufficient food and dietary supplements as ordered by a physician, physician

staff member, or a facility nutritionist to meet general accepted prenatal nutritional guidelines for pregnant women.

(5) The Department of Corrections shall not place any pregnant inmate, or any female inmate who has given birth within the previous thirty (30) days, in restrictive housing unless a correctional facility employee has a reasonable belief that the inmate will harm herself, the fetus or any other person, or pose a substantial flight risk. In such case, the correctional facility employee authorizing the placement of the inmate in restrictive housing shall submit a written report to the warden of the facility within seventy-two (72) hours following the transfer, containing the justification for confining the female inmate in restrictive housing.

(6) The Department of Corrections shall not assign any pregnant inmate to any bed that is elevated more than three (3) feet from the floor of the facility.

(7) The warden of the facility shall compile a monthly summary of all written reports received pursuant to Section (4) subsections (2), (3) and (5) of this act and under Section 5 (1) of this act. The warden shall submit the summary to the Commissioner of the Department of Corrections each month.

SECTION 5. Inmate postpartum recovery. (1) No restraints shall be used on any female inmate who has given birth within the last thirty (30) days and is in postpartum recovery, unless the Department of Corrections has a reasonable belief that the female inmate will harm herself, her newborn, or any other person, or pose a substantial flight risk. In such case, the facility employee ordering use of restraints on any inmate while in postpartum recovery shall submit a written report to the warden of the facility within seventy-two (72) hours following the use of restraints, containing the justification for restraining the female inmate during postpartum recovery.

(2) Following the delivery of a newborn, by an inmate, the Department of Corrections shall permit the newborn to remain with the mother for seventy-two (72) hours unless the medical provider has a reasonable belief that remaining with the mother poses a health or safety risk to the newborn.

(3) During that time, the Department of Corrections shall make available the necessary nutritional and hygiene products, including diapers, to care for the newborn.

(4) If the female inmate qualifies as indigent, such products shall be provided without cost to the inmate.

SECTION 6. Family considerations in inmate placement and visitation. (1) To the greatest extent practicable, after accounting for security and capacity factors, the Department of Corrections shall place inmates who are parents of minor children within two hundred fifty (250) miles of their permanent address of record.

(2) The Department of Corrections shall promulgate regulations authorizing visitation of inmates who are parents of minor children with low or minimum security classifications by minor dependents, with the minimum following requirements:

(a) Opportunities for dependent children under the age of eighteen (18) to visit their incarcerated parent at least twice per week unless a correctional facility employee has a reasonable belief that the dependent child:

(i) May be harmed during visitation; or

(ii) Poses a security risk due to a gang affiliation, prior conviction or past violation of facility contraband policy.

(b) Eliminating restrictions on the number of dependent children under the age of eighteen (18) that may be permitted visitation privileges.

(c) Authorizing contact visits for inmates who are parents of minor children.

SECTION 7. Inspections by employees of the Department of Corrections. (1) To the greatest extent practicable, and consistent with safety and order, the Commissioner of the Department of Corrections shall issue regulations that limit inspections by male correctional officers where a female inmate is in a state of undress.

Nothing in this section shall limit the ability of a male correctional officer from conducting inspections where a female may be in a state of undress if no female correctional officers are available.

(2) In such case that a male correctional officer deems it is appropriate to conduct an inspection or search while the female inmate is in a clear state of undress in an area such as the shower, the medical examination room, toilet areas or where a female

inmate is having a body cavity search, the male correctional officer shall submit a written report to the warden of the facility within seventy-two (72) hours following the inspection or search, containing the justification for a male correctional officer to inspect the female inmate while in a state of undress.

SECTION 8. Access to feminine hygiene products. The Department of Corrections shall ensure that sufficient personal hygiene products are available at each facility for all incarcerated women.

SECTION 9. Training and technical assistance. (1) The Department of Corrections shall develop and provide to all correctional facility employees and correctional officers who have contact with pregnant inmates training related to the physical and mental health of pregnant inmates and fetuses, including the following:

- (a) General care of pregnant women;
- (b) The impact of restraints on pregnant inmates and fetuses;

(** *5) Except as provided in Section 33-1-39, the board may renew licenses biennially upon the payment of a fee to be established by the board, which shall be not more than * * * Five Hundred Fifty Dollars (\$550.00), plus any administrative costs for late payment.

Rep. Huddleston called up the conference report on the following bill and moved that it be adopted:

S. B. No. 2313: Mississippi Intercollegiate Athletics Compensation Rights Act; allow athletes to be compensated for name, image and likeness.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2313: Mississippi Intercollegiate Athletics Compensation Rights Act; allow athletes to be compensated for name, image and likeness.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. This act shall be known and may be cited as the "Mississippi Intercollegiate Athletics Compensation Rights Act."

SECTION 2. (1) As used in this act, the following terms shall have the following meanings unless the context clearly indicates otherwise:

(a) "Compensation" means anything of value, monetary or otherwise, including, but not limited to, cash, gifts, in-kind items of value, social media compensation, payments for licensing or use of publicity rights, payments for other intellectual or intangible property rights under federal or state law, and any other form of payment or remuneration, except as excluded under this act.

For the purposes of this act, "compensation" shall not mean or include the following:

(i) Tuition, room, board, books, fees and personal expenses that a postsecondary educational institution provides a student-athlete in accordance with the rules of the athletic association or conference of which the postsecondary educational institution is a member;

(ii) Federal Pell Grants and other state and federal grants or scholarships unrelated to, and not awarded because of a student-athlete's participation in intercollegiate athletics or sports competition;

(iii) Any other financial aid, benefits or awards that a postsecondary educational institution provides a student-athlete in accordance with the rules of the athletic association or conference of which the postsecondary educational institution is a member; or

(iv) The payment of wages and benefits to a student-athlete for work actually performed (but not for athletic ability or participation in intercollegiate athletics) at a rate commensurate with the prevailing rate for similar work in the locality of the student-athlete's postsecondary educational institution.

(b) "Image" means a picture of the student-athlete.

(c) "Intercollegiate athletics program" means an intercollegiate athletics program played at the collegiate level for which eligibility requirements for participation by a student-athlete are established by a national association for the promotion or regulation of collegiate athletics.

(d) "Likeness" means a physical, digital or other depiction or representation of a student-athlete.

(e) "Name" means the first or last name, or the nickname, of a student-athlete when used in a context that reasonably identifies the student-athlete with particularity.

(f) "Name, Image and Likeness Agreement" means a contract or similar arrangement between a student-athlete and a third-party licensee regarding the commercial use of the name, image or likeness of the student-athlete.

(g) "Publicity right" means any right that is:

(i) Licensed under a name, image, and likeness agreement; or

(ii) Recognized under a federal or state law that permits an individual to control and profit from the commercial use of the name, image or likeness of the individual.

(h) "Postsecondary educational institution" means a public university or community college or private university or college.

(i) "Social media compensation" means all forms of payment for engagement on social media received by a student-athlete as a result of the use of that student-athlete's name, image or likeness.

(j) "Student-athlete" means an individual who engages in, is eligible to engage in, or may be eligible in the future to engage in, intercollegiate athletics program at a postsecondary educational institution. If an individual is permanently ineligible to participate in a particular intercollegiate sport, the individual is not a student-athlete for purposes of that sport.

(k) "Third-party licensee" means any individual or entity that licenses publicity rights or the use of name, image or likeness from any prospective or current student-athlete or group of student-athletes. The term "third-party licensee" shall not include any national association for the promotion or regulation of collegiate athletics, athletics conference, or postsecondary educational institution.

SECTION 3. (1) Except as provided in Section 4 of this act, a student-athlete may:

(a) Earn compensation, commensurate with market value, for the use of the name, image, or likeness of the student-athlete while enrolled at a postsecondary educational institution; and

(b) Obtain and retain a certified agent for any matter or activity relating to such compensation.

(2) No student-athlete may earn compensation in exchange for the student-athlete's athletic ability or participation in intercollegiate athletics or sports competition.

(3) Notwithstanding any other provision of applicable law or agreement to the contrary, a student-athlete shall not be deemed an employee or independent contractor of an association, a conference, or a postsecondary educational institution based on the student-athlete's participation in an intercollegiate athletics program.

SECTION 4. (1) Except as provided for under this act, a postsecondary educational institution shall not uphold any contract, rule, regulation, standard or other requirement that prevents a student-athlete of that institution from earning compensation as a result of the use of the student's name, image, or likeness. Any such contract, rule, regulation standard or other requirement shall be void and unenforceable against the postsecondary educational institution or the student-athlete. Compensation from the use of a student-athlete's name, image, or likeness may not affect the student-athlete's scholarship eligibility, grant-in-aid or other financial aid, awards or benefits, or the student-athlete's intercollegiate athletic eligibility. Nothing in this act is intended to alter any state and federal laws or regulations regarding the award of financial aid at postsecondary educational institutions.

(2) Except as provided for in this act, an athletic association, conference or other group or organization with authority over intercollegiate athletic programs, including, but not limited to, the National Collegiate Athletic Association (NCAA) and the National Junior College Athletic Association (NJCAA), shall not prevent, or otherwise enforce a contract, rule, regulation, standard or other requirement that prevents, a student-athlete of a postsecondary educational institution from earning compensation as a result of the use of the student-athlete's name, image or likeness.

(3) To protect the integrity of its educational mission and intercollegiate athletics program, a postsecondary educational institution may impose reasonable limitations on the dates and time that a student-athlete may participate in endorsement, promotional, social media or other activities related to the license or use of the student-athlete's name, image and likeness. Nothing in this act shall restrict a postsecondary educational institution from exercising its sole discretion to control the authorized use of its marks or logos or to determine a student-athlete's apparel, gear or other wearables during an intercollegiate athletics competition or institution-sponsored event. A student-athlete may not receive or enter into a contract for compensation for the use of his or her name, image or likeness in a way that also uses any registered or licensed marks, logos, verbiage or designs of a postsecondary institution, unless the institution has provided the student-athlete with written permission to do so prior to execution of the contract or receipt of compensation. If permission is granted, the postsecondary educational institution, by agreement of all parties, may be compensated for the use in a manner consistent with market rates. A postsecondary educational institution may also prohibit a student-athlete from wearing any item of clothing, shoes, or other gear or wearables with the name, logo or insignia of any entity during an intercollegiate athletics competition or institution-sponsored event.

(4) An athletic association, conference or other group or organization with authority over intercollegiate athletics programs, including, but not limited to, the National Collegiate Athletic Association and the National Junior College Athletic Association, shall not enforce a contract, rule, regulation, standard or other requirement that prevents a postsecondary educational institution from participating in an intercollegiate athletics program as a result of the compensation of a student-athlete for the use of the student-athlete's name, image or likeness.

(5) A postsecondary educational institution, athletic association, conference or other group or organization with authority over intercollegiate athletics programs, including, but not limited to, the National Collegiate Athletic Association and the National Junior College Athletic Association, shall not, directly or indirectly:

(a) Enter into, or offer to enter into, a name, image and likeness agreement with a prospective or current student-athlete; or

(b) Provide a prospective or current student-athlete or the student-athlete's family compensation in relation to the use of the student-athlete's name, image or likeness.

(6) A postsecondary educational institution, athletic association, conference or other group or organization with authority over intercollegiate athletics programs, including, but not limited to, the National Collegiate Athletic Association and the National Junior College Athletic Association shall not prevent a student-athlete from obtaining professional representation in relation to name, image or likeness, or to secure a name, image and likeness agreement, including, but not limited to, representation provided by athlete agents or legal representation provided by attorneys. A student-athlete shall provide the postsecondary educational institution with written notice at least seven (7) days prior to entering into a representation agreement with any individual for the purpose of exploring or securing compensation for use of the student-athlete's name, image or likeness.

(7) Professional representation obtained by student-athletes must be from persons registered as athlete agents as provided in Section 73-42-1 et seq. of the Uniform Athlete Agent Act. Attorneys who provide legal representation to student-athletes must be licensed to practice law in the State of Mississippi and in good standing with The Mississippi Bar.

(8) Athlete agents representing student-athletes shall comply with the Uniform Athlete Agents Act, Section 73-42-1 et seq., Mississippi Code of 1972, and the federal

Sports Agent Responsibility and Trust Act in 15 USC Sections 7801-7807 in their relationships with student-athletes.

(9) A grant-in-aid, including cost of attendance, and other permissible financial aid, awards or benefits from the postsecondary educational institution in which a student-athlete is enrolled shall not be revoked, reduced, nor the terms and conditions altered, as a result of a student-athlete earning compensation or obtaining professional or legal representation pursuant to this act.

(10) Before any contract for compensation for the use of a student-athlete's name, image or likeness is executed, and before any compensation is provided to the student-athlete in advance of a contract, the student-athlete shall disclose the contract to a designated official of the postsecondary educational institution in which the student is enrolled in a manner prescribed by the institution.

(11) A third-party licensee may not enter into, or offer to enter into, a name, image and likeness agreement with a student-athlete or otherwise compensate a student-athlete for the use of the student-athlete's name, image and likeness rights if a provision of the name, image and likeness agreement or the use of the student-athlete's name, image and likeness rights conflicts with a provision of a contract, rule, regulation, standard or other requirement of the postsecondary educational institution unless such contract or use is expressly approved in writing by the postsecondary educational institution.

(12) No postsecondary educational institution, booster, third-party licensee or any other individual or entity shall provide a prospective or current student-athlete compensation or enter into a name, image and likeness agreement as an inducement for the student-athlete to attend or enroll in a specific institution or group of institutions. Compensation for a student-athlete's name, image, or likeness may not be conditioned on athletic performance or attendance at a particular postsecondary educational institution.

(13) No student-athlete shall enter into a name, image, and likeness agreement or receive compensation from a third-party licensee relating to the name, image or likeness of the student-athlete before the date on which the student-athlete enrolls at a postsecondary educational institution.

(14) No student-athlete shall enter into a name, image, and likeness agreement or receive compensation from a third-party licensee for the endorsement or promotion of gambling, sports betting, controlled substances, marijuana, tobacco or alcohol company, brand or products, alternative or electronic nicotine product or delivery system, performance-enhancing supplements, adult entertainment or any other product or service that is reasonably considered to be inconsistent with the values or mission of a postsecondary educational institution or that negatively impacts or reflects adversely on a postsecondary education institution or its athletic programs, including, without limitation, bringing about public disrepute, embarrassment, scandal, ridicule or otherwise negatively impacting the reputation or the moral or ethical standards of the postsecondary educational institution.

(15) A contract for the use of the a student-athlete's name, image, or likeness which is formed while the student-athlete is participating in an intercollegiate sport at a postsecondary educational institution may not extend beyond the student-athlete's participation in the sport at the institution.

(16) Nothing in this act shall be interpreted to modify any requirements or obligations imposed under Title IX of the Education Amendments of 1972 (20 USC 1681 et seq.).

SECTION 5. The following shall be codified as Section 93-19-17, Mississippi Code of 1972:

93-19-17. (1) All persons eighteen (18) years of age or older, if not otherwise disqualified, or prohibited by law, shall have the capacity to enter into binding contractual relationships affecting the use of their name, image or likeness while participating in intercollegiate sports as student-athletes. Nothing in this section shall be construed to affect any contracts entered into prior to the effective date of this act.

(2) In any legal action founded on a student-athlete name, image or likeness contract entered into by a person eighteen (18) years of age or older, the person may sue in his or her own name as an adult and be sued in his or her own name as an adult and be served with process as an adult.

(3) For purposes of this section:

(a) "Intercollegiate sport" means a sport played at the collegiate level for which eligibility requirements for participation by a student-athlete are established by a national association for the promotion or regulation of collegiate athletics; and

(b) "Student-athlete" means an individual who engages in, is eligible to engage in, or may be eligible in the future to engage in, any intercollegiate athletics program at a postsecondary educational institution. If an individual is permanently ineligible to participate in a particular intercollegiate sport, the individual is not a student-athlete for purposes of that sport.

The monies in the special fund shall be subject to all provisions of the state budget laws that are applicable to special fund agencies, and shall be disbursed by the State Treasurer only upon warrants issued by the State Fiscal Officer upon requisitions signed by the president of the board or another board member designated by the president, and countersigned by the secretary of the board. Any interest earned on this special fund shall be credited by the State Treasurer to the fund and shall not be paid into the State General Fund. Any unexpended monies remaining in the special fund at the end of a fiscal year shall not lapse into the State General Fund.

(2) The State Auditor shall audit the financial affairs of the board and the transactions involving the special fund at least once a year in the same manner as for other special fund agencies. In addition, the Governor, in his discretion, shall have the power from time to time to require an audit of the financial affairs of the board, the same to be made by the State Auditor upon request of the Governor. The Governor shall have the power to suspend any member of the board who shall be found in default in any account until such time as it shall be determined whether such default was a result of an act of dishonesty on the part of the member, and in the event it is found that such default is an act of dishonesty, misfeasance or nonfeasance on the part of the member, such member shall be immediately removed by the Governor from office.

SECTION 5. Section 73-7-7, Mississippi Code of 1972, is reenacted as follows:

(2) The board shall have authority to prescribe reasonable rules and regulations governing sanitation of schools of cosmetology and beauty salons for the guidance of persons licensed under this chapter in the operation of schools of cosmetology, or a beauty salon, and in the practice of cosmetology, esthetics, manicuring and pedicuring, and wigology. However, any and all rules and regulations relating to sanitation shall, before adoption by the board, have the written approval of the State Board of Health. When the board has reason to believe that any of the provisions of this chapter or of the rules and regulations of the board have been violated, either upon receipt of a written complaint alleging such violations or upon the board's own initiative, the board, or any of its authorized agents, shall investigate same and shall have authority to enter upon the premises of a school of cosmetology or salon at any time during the regular business hours of that school or salon to conduct the investigation. Such investigation may include, but not be limited to, conducting oral interviews with the complaining party, school or salon owner(s) and/or students of the school, and reviewing records of the school or salon pertinent to the complaint and related to an area subject to the authority of the board. Such investigation shall not include written interviews or surveys of school employees or students, and the privacy of patrons shall be respected by any person making such investigation.

SECTION 6. Section 73-7-9, Mississippi Code of 1972, is reenacted as follows:

73-7-9. No person required by this chapter to have a license shall conduct a beauty salon or school of cosmetology, or practice cosmetology, esthetics, manicuring and pedicuring, or practice as an instructor, unless such person has received a license or temporary permit therefor from the board. Students determined to have violated any of these rules or regulations prior to being licensed by the board shall be subject to the same discipline by the board as licensees. (a) The board may, in its discretion, issue to any student who has completed the prescribed hours in a licensed school and paid the required fee a temporary permit until such time as the next examination may be held, but such student shall be issued only one (1) temporary permit. Application for an examination and license shall be accompanied by two (2) passport photographs of the applicant. No temporary permit will be issued to an applicant from any other state to operate a beauty salon or school of cosmetology in this state unless in case of emergency.

(b) Applicants for the cosmetologist examination, after having satisfactorily passed the prescribed examination, shall be issued a cosmetology license which until June 30, 2001, shall be valid for one (1) year, and after July 1, 2001, shall be valid for two (2) years, and all those licenses shall be subject to renewal.

Only the cosmetologists, estheticians and manicurists registered on the appropriate list as actively practicing in the State of Mississippi shall be authorized to practice those professions. For the purpose of this section, any licensed cosmetologist, esthetician or manicurist who has actively practiced his or her profession for at least three (3) months of the immediately preceding license renewal period shall be considered inactive practice. No cosmetologist, esthetician, or manicurist shall be registered on the "inactive" list until the person has furnished a statement of intent to take such action to the board. A salon license that has been expired for over one (1) year is nonrenewable and requires a new application. Prior to the initial issuance of such license, the board shall inspect the premises to determine if same qualifies with the law, upon payment by the applicant of the required inspection fee.

(2) Each application or filing made under this section shall include the social security number(s) of the applicant in accordance with Section 93-11-64, Mississippi Code of 1972.

(2) Every person who has completed not less than three hundred fifty (350) hours of training in esthetics approved by the board in this or any other state prior to July

A grace period of sixty (60) days will be given in which to renew the license; and upon the expiration of the grace period of sixty (60) days, any applicant for the renewal of a license will be required to pay the required renewal fee and a delinquent fee in addition to the renewal fee. The fees may be paid by either personal or certified check, cash or money order, under such safeguards, rules and regulations as the board may prescribe. Checks returned to the board because of insufficient funds shall result in nonrenewal of the license, which will require the penalty fee for insufficient fund checks plus all other amounts due for renewal of the license before the license may be renewed. After one (1) year has passed from the expiration date of the license, a delinquent fee must be paid for each year up to three (3) years, after which the required examination must be taken. 73-7-23. (1) The board may, upon application, issue a license by reciprocity to any cosmetologist, esthetician or manicurist over the age of seventeen (17) years from any other state who has satisfactorily completed the required number of accredited hours in that state, provided the state board from which the applicant comes issues to cosmetologists, estheticians or manicurists, as the case may be, from the State of Mississippi a license under the same conditions. Applications must be accompanied by (a) proof satisfactory to the board that the required hours have been completed, and (b) the required reciprocity fee, which shall be paid to the board.

(2) An instructor from any other state may be qualified for a Mississippi instructor's license upon presenting a valid instructor's license and proof of a high school education or its equivalent, provided that the instructor (a) is not less than twenty-one (21) years of age, (b) has completed training equivalent to the State of Mississippi's training

Such application must be accompanied by proof of enrollment in college course(s), required permit fee, two (2) recent passport photographs of the applicant and other documentation as required for application for a Mississippi instructor's license by reciprocity. Upon proof of completion of college courses and payment of the required license fee, a Mississippi instructor's license shall be issued.

(4) The issuance of a license by reciprocity to a military-trained applicant or military spouse shall be subject to the provisions of Section 73-50-1.

SECTION 18. Section 73-7-25, Mississippi Code of 1972, is reenacted as follows:

73-7-25. Every demonstrator in the field of cosmetology shall, before making demonstrations in a salon or school, apply for and obtain a permit from the board. SECTION 19. Section 73-7-27, Mississippi Code of 1972, is reenacted as follows:

73-7-27. (1) Any complaint may be filed with the board by a member or agent of the board or by any person charging any licensee of the board with the commission of any of the offenses enumerated in subsection (2) of this section. Such complaint shall be in writing, signed by the accuser or accusers, and verified under oath, and such complaints shall be investigated as set forth in Section 73-7-7. If, after the investigation, the board through its administrative review agents determines that there is not substantial justification to believe that the accused licensee has committed any of the offenses enumerated, it may dismiss the complaint or may prepare a formal complaint proceeding against the licensee as hereinafter provided. When used with reference to any complaint filed against a licensee herein, the term "not substantial justification" means a complaint that is frivolous, groundless in fact or law, or vexatious, as determined by unanimous vote of the board. In the event of a dismissal, the person filing the accusation and the accused licensee shall be given written notice of the board's determination. If the board determines there is reasonable cause to believe the accused has committed any of those offenses, the secretary of the board shall give written notice of such determination to the accused licensee and set a day for a hearing as provided in subsection (3) of this section.

(2) The board shall have the power to revoke, suspend or refuse to issue or renew any license or certificate provided for in this chapter, and to fine, place on probation and/or otherwise discipline a student or licensee or holder of a certificate, upon proof that such person: (a) has not complied with or has violated any of the rules and regulations promulgated by the board; (b) has not complied with or has violated any of the sections of this chapter; (c) has committed fraud or dishonest conduct in the taking of the examination herein provided for; (d) has been convicted of a felony; (e) has committed grossly unprofessional or dishonest conduct; (f) is addicted to the excessive use of intoxicating liquors or to the use of drugs to such an extent as to render him or her unfit to practice in any of the practices or occupations set forth in this chapter; (g) has advertised by means of knowingly false or deceptive statements; or (h) has failed to display the license or certificate issued to him or her as provided for in this chapter; or (i) has been convicted of violating any of the provisions of this chapter. A conviction of violating any of the provisions of this chapter shall be grounds for automatic suspension of the license or certificate of such person.

(3) The board shall not revoke, suspend or refuse to issue or renew any license or certificate, or fine, place on probation or otherwise discipline any person in a disciplinary matter except after a hearing of which the applicant or licensee or holder of the certificate affected shall be given at least twenty (20) days' notice in writing, specifying the reason

or reasons for denying the applicant a license or certificate of registration, or in the case of any other disciplinary action, the offense or offenses of which the licensee or holder of a certificate of registration is charged. Such notice may be served by mailing a copy thereof by United States first-class certified mail, postage prepaid, to the last-known residence or business address of such applicant, licensee or holder of a certificate. The hearing on such charges shall be at such time and place as the board may prescribe.

(4) At such hearings, all witnesses shall be sworn by a member of the board, and stenographic notes of the proceedings shall be taken. Any party to the proceedings desiring it shall be furnished with a copy of such stenographic notes upon payment to the board of such fees as it shall prescribe, not exceeding, however, the actual costs of transcription.

(5) The board is hereby authorized and empowered to issue subpoenas for the attendance of witnesses and the production of books and papers. The process issued by the board shall extend to all parts of the state and such process shall be served by any person designated by the board for such service. The person serving such process shall receive such compensation as may be allowed by the board, not to exceed the fee prescribed by law for similar services. All witnesses who shall be subpoenaed, and who shall appear in any proceedings before the board, shall receive the same fees and mileage as allowed by law.

(6) Where in any proceeding before the board any witness shall fail or refuse to attend upon subpoena issued by the board, shall refuse to testify, or shall refuse to produce any books and papers, the production of which is called for by the subpoena, the attendance of such witness and the giving of his testimony and the production of the books and papers shall be enforced by any court of competent jurisdiction of this state, in the same manner as are enforced for the attendance and testimony of witnesses in civil cases in the courts of this state.

(7) The board shall conduct the hearing in an orderly and continuous manner, granting continuances only when the ends of justice may be served. The board shall, within sixty (60) days after conclusion of the hearing, reduce its decision to writing and forward an attested true copy thereof to the last-known residence or business address of such applicant, licensee or holder of a certificate, by way of United States first-class certified mail, postage prepaid. Such applicant, licensee, holder of a certificate, or person aggrieved shall have the right of appeal from an adverse ruling, or order, or decision of the board to the Chancery Court of the First Judicial District of Hinds County, Mississippi, upon forwarding notice of appeal to the board within thirty (30) days after the decision of the board is mailed in the manner here contemplated. An appeal will not be allowed in the event notice of appeal, together with the appeal bond hereinafter required, shall not have been forwarded to the board within the thirty-day period. Appeal shall be to the Chancery Court of the First Judicial District of Hinds County, Mississippi. The appeal shall thereupon be heard in due course by the court which shall review the record and make its determination thereon.

(8) The appellant shall, together with the notice of appeal, forward to and post with the board a satisfactory bond in the amount of Five Hundred Dollars (\$500.00) for the payment of any costs which may be adjudged against him.

(9) In the event of an appeal, the court shall dispose of the appeal and enter its decision promptly. The hearing on the appeal may, in the discretion of the chancellor, be tried in vacation. If there is an appeal, such appeal may, in the discretion of and on motion to the chancery court, act as a supersedeas. However, any fine imposed by the board under the provisions of this chapter shall not take effect until after the time for appeal has expired, and an appeal of the imposition of such a fine shall act as a supersedeas.

(10) Any fine imposed by the board upon a licensee or holder of a certificate shall be in accordance with the following schedule:

(a) For the first violation, a fine of not less than Fifty Dollars (\$50.00) nor more than One Hundred Dollars (\$100.00) for each violation.

(b) For the second and each subsequent violation, a fine of not less than One Hundred Dollars (\$100.00) nor more than Four Hundred Dollars (\$400.00) for each violation.

The power and authority of the board to impose such fines under this section shall not be affected or diminished by any other proceeding, civil or criminal, concerning the same violation or violations.

(11) In addition to the reasons specified in subsection (2) of this section, the board shall be authorized to suspend the license of any licensee for being out of compliance with an order for support, as defined in Section 93-11-153. The procedure for suspension of a license for being out of compliance with an order for support, and the procedure for the reissuance or reinstatement of a license suspended for that purpose, and the payment of any fees for the reissuance or reinstatement of a license suspended for that purpose, shall be governed by Section 93-11-157 or 93-11-163, as the case may be. Actions taken by the board in suspending a license when required by Section 93-11-157 or 93-11-163 are not actions from which an appeal may be taken under this section. Any appeal of a license suspension that is required by Section 93-11-157 or 93-11-163 shall be taken in accordance with the appeal procedure specified in Section 93-11-157 or 93-11-163, as the case may be, rather than the procedure specified in this section. If there is any conflict between any provision of Section 93-11-157 or 93-11-163 and any provision of this chapter, the provisions of Section 93-11-157 or 93-11-163, as the case may be, shall control.

(d) Persons engaged in the practice of hair braiding as defined in Section 73-7-71 who have completed the self-test part of the brochure on infection control techniques prepared by the State Department of Health and who keep the brochure and completed self-test available at the location at which the person is engaged in hair braiding.

No work shall be performed on any patron having a visible disease unless the patron shall produce a certificate from a practicing physician stating that the patron is free from infectious, contagious or communicable disease. 73-7-35. (1) No person licensed pursuant to this chapter shall practice his or her profession except within the physical confines of a salon possessing and displaying a properly executed license issued pursuant to Section 73-7-17. However, this requirement shall not prevent a person from rendering his or her services to any person who may be confined to his or her home, a hospital, or other place as a result of illness, and cosmetologists shall be permitted to render their services to deceased persons away from their salons.

(2) No salon owner licensed pursuant to this chapter shall allow a cosmetologist, esthetician, or manicurist to practice his/her profession in the salon without possessing a valid license issued pursuant to this chapter. No unlicensed person may practice his/her profession, including hair braiding, as defined by Section 73-7-71, and makeup artistry, as defined in Section 73-7-2, in a licensed salon.

SECTION 24. Section 73-7-37, Mississippi Code of 1972, is reenacted as follows:

73-7-37. (1) The violation of any of the provisions of this chapter, including the use of fraudulent statements to obtain any benefits or privileges under this chapter or practicing one (1) of these professions without a license, shall constitute a misdemeanor, punishable in any court of competent jurisdiction at the seat of government, and any person or firm convicted of the violation of any of the provisions of this chapter shall be fined not less than One Hundred Dollars (\$100.00) nor more than Five Hundred Dollars

(\$500.00). The court shall not be authorized to suspend or suspend the execution of the fine required under this section.

(2) If any person, firm or corporation violates any of the provisions of this chapter, the secretary of the board, upon direction of a majority of the board and in the name of the board, acting through the Attorney General or an attorney employed by the board, shall apply in the Chancery Court of the First Judicial District of Hinds County, Mississippi, for an order enjoining such violation or for an order enforcing compliance with the provisions of this chapter. Upon the filing of a verified petition in the chancery court and after notice as provided under the Mississippi Rules of Civil Procedure, such court, if satisfied by the sworn petition, by affidavit or otherwise, that such person has violated any of the provisions of this chapter, may issue an injunction without notice or bond, enjoining such continued violation and such injunction shall remain in force and effect until a final hearing. If at such hearing it is established that such person has violated or is violating any of the provisions of this chapter, the court may enter a decree permanently enjoining such violation or enforcing compliance with this chapter. In addition, the court may enter a judgment against such person for attorney's fees, court costs and the actual costs incurred by the board in investigating the actions of such person for which the board brought the suit for an injunction. In case of violation of any decree issued in compliance with this subsection, the court may punish the offender for contempt of court and the court shall proceed as in other cases.

(3) The proceedings in this section shall be in addition to and not in lieu of the other remedies and penalties provided in this chapter.

SECTION 25. Section 73-7-63, Mississippi Code of 1972, is amended as follows:

73-7-63. Sections 73-7-1 through 73-7-37, which create the State Board of Cosmetology and prescribe its duties and powers, shall stand repealed * * * on July 1, * * * 2024.

SECTION 26. Section 73-5-41, Mississippi Code of 1972, is amended as follows:

73-5-41. (1) The following persons are exempt from the provisions of this chapter, wholly in the proper discharge of their professional duties, to wit:

(d) Cosmetologists, and nothing in this chapter shall affect the jurisdiction of the State Board of Cosmetology.

(e) Persons whose practice is limited to only makeup artistry, threading or applying or removing eyelash extensions.

(2) The provision of this section shall not be construed to authorize any of the persons exempted to shave, trim the beard, or cut the hair of any person, or perform any other act that constitutes barbering, for cosmetic purposes, with the exception of persons licensed by the State Board of Cosmetology or persons whose practice is limited to only makeup artistry, threading or applying or removing eyelash extensions.

SECTION 27. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2024: Depositories; revise bid process for selection by counties and municipalities.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 27-105-305, Mississippi Code of 1972, is amended as follows:

27-105-305. The board of supervisors at the regular December 1997 meeting, and annually thereafter or, in the discretion of the board of supervisors, * * * thereafter at such other interval of time as determined by the board of supervisors, but no less frequently than every four (4) years, shall give notice to all financial institutions in its county whose accounts are insured by the Federal Deposit Insurance Corporation (or any successor thereto), by publication, that bids will be received from financial institutions at the following January meeting, or some subsequent meeting, for the privilege of keeping the county funds, or any part thereof, which notice shall refer by name to this article and it shall not be necessary to incorporate in the notice the provisions of this article; and at the January meeting, or a subsequent meeting as may be designated in the notice, as the case may be, the board of supervisors shall receive such bids or proposals as the financial institutions may make for the privilege of keeping the county funds, or any part thereof. The bids or proposals shall designate the kind of security as authorized by law which the financial institutions propose to give as security for funds, and the board shall cause the county funds and all other funds in the hands of the county treasurer to be deposited in the qualified financial institution or qualified institutions proposing the best terms, taking into consideration all material aspects of the proposal, including, but not limited to, net earnings, account costs, costs of transfer of accounts from existing depositories, banking services provided and other service considerations, and meeting the requirements provided in Section 27-105-315, having in view the safety of such funds. However, if a bank submits a bid or offer to the board of supervisors to act as a depository for the county and the bid or offer, if accepted, would result in a contract in which a member of the board of supervisors would have a direct or indirect interest, the board of supervisors may elect to not open or consider any bids received and submit the matter to the State Treasurer. Upon receipt of the bids received from the board of supervisors, the State * * * Treasurer shall open and consider the bids received, select a depository or depositories, make all

decisions and take any action within the authority of the board of supervisors under this section relating to the selection of a depository or depositories, including:

- (a) The selecting and opening of accounts;
- (b) Approval of securities;
- (c) The transfer and deposit of funds between depositories; and
- (d) All other related functions.

If the board of supervisors elects to open and consider the bids or offers, it shall not open or consider any bid which, if accepted, would result in a contract in which a member of the board of supervisors would have a direct or indirect interest.

SECTION 2. Section 31-7-13, Mississippi Code of 1972, is amended as follows:

31-7-13. All agencies and governing authorities shall purchase their commodities and printing; contract for garbage collection or disposal; contract for solid waste collection or disposal; contract for sewage collection or disposal; contract for public construction; and contract for rentals as herein provided.

(a) Bidding procedure for purchases not over \$5,000.00. Purchases which do not involve an expenditure of more than Five Thousand Dollars (\$5,000.00), exclusive of freight or shipping charges, may be made without advertising or otherwise requesting competitive bids. However, nothing contained in this paragraph (a) shall be construed to prohibit any agency or governing authority from establishing procedures which require competitive bids on purchases of Five Thousand Dollars (\$5,000.00) or less.

(b) Bidding procedure for purchases over \$5,000.00 but not over \$50,000.00. Purchases which involve an expenditure of more than Five Thousand Dollars (\$5,000.00) but not more than Fifty Thousand Dollars (\$50,000.00), exclusive of freight and shipping charges, may be made from the lowest and best bidder without publishing or posting advertisement for bids, provided at least two (2) competitive written bids have been obtained. Any state agency or community/junior college purchasing commodities or procuring construction pursuant to this paragraph (b) may authorize its purchasing agent, or his designee, to accept the lowest competitive written bid under Fifty Thousand Dollars (\$50,000.00). Any governing authority purchasing commodities pursuant to this paragraph (b) may authorize its purchasing agent, or his designee, with regard to governing authorities other than counties, or its purchase clerk, or his designee, with regard to counties, to accept the lowest and best competitive written bid. Such authorization shall be made in writing by the governing authority and shall be maintained on file in the primary office of the agency and recorded in the official minutes of the governing authority, as appropriate. The purchasing agent or the purchase clerk, or * * * his designee, as the case may be, and not the governing authority, shall be liable for any penalties and/or damages as may be imposed by law for any act or omission of the purchasing agent or purchase clerk, or * * * his designee, constituting a violation of law in accepting any bid without approval by the governing authority. The term "competitive written bid" shall mean a bid submitted on a bid form furnished by the buying agency or governing authority and signed by authorized personnel representing the vendor, or a bid submitted on a vendor's letterhead or identifiable bid form and signed by authorized personnel representing the vendor. "Competitive" shall mean that the bids are developed based upon comparable identification of the needs and are developed independently and without knowledge of other bids or prospective bids. Any bid item for construction in excess of Five Thousand Dollars (\$5,000.00) shall be broken down by components to provide detail of component description and pricing. These details shall be submitted with the written bids and become part of the bid evaluation criteria. Bids may be submitted by facsimile, electronic mail or other generally accepted method of information distribution. Bids submitted by electronic transmission shall not require the signature of the vendor's representative unless required by agencies or governing authorities.

(c) Bidding procedure for purchases over \$50,000.00.

(i) Publication requirement.

1. Purchases which involve an expenditure of more than Fifty Thousand Dollars (\$50,000.00), exclusive of freight and shipping charges, may be made from the lowest and best bidder after advertising for competitive bids once each week for two (2) consecutive weeks in a regular newspaper published in the county or municipality in which such agency or governing authority is located. However, all

American Recovery and Reinvestment Act projects in excess of Twenty-five Thousand Dollars (\$25,000.00) shall be bid. All references to American Recovery and Reinvestment Act projects in this section shall not apply to programs identified in Division B of the American Recovery and Reinvestment Act.

2. Reverse auctions shall be the primary method for receiving bids during the bidding process. If a purchasing entity determines that a reverse auction is not in the best interest of the state, then that determination must be approved by the Public Procurement Review Board. The purchasing entity shall submit a detailed explanation of why a reverse auction would not be in the best interest of the state and present an alternative process to be approved by the Public Procurement Review Board. If the Public Procurement Review Board authorizes the purchasing entity to solicit bids with a method other than reverse auction, then the purchasing entity may designate the other methods by which the bids will be received, including, but not limited to, bids sealed in an envelope, bids received electronically in a secure system, or bids received by any other method that promotes open competition and has been approved by the Office of Purchasing and Travel. However, reverse auction shall not be used for any public contract for design or construction of public facilities, including buildings, roads and bridges and term contracts as provided in paragraph (n) of this section. The Public Procurement Review Board must approve any contract entered into by alternative process. The provisions of this item 2 shall not apply to the individual state institutions of higher learning.

3. The date as published for the bid opening shall not be less than seven (7) working days after the last published notice; however, if the purchase involves a construction project in which the estimated cost is in excess of Fifty Thousand Dollars (\$50,000.00), such bids shall not be opened in less than fifteen (15) working days after the last notice is published and the notice for the purchase of such construction shall be published once each week for two (2) consecutive weeks. However, all American Recovery and Reinvestment Act projects in excess of Twenty-five Thousand Dollars (\$25,000.00) shall be bid. For any projects in excess of Twenty-five Thousand Dollars (\$25,000.00) under the American Recovery and Reinvestment Act, publication shall be made one (1) time and the bid opening for construction projects shall not be less than ten (10) working days after the date of the published notice. The notice of intention to let contracts or purchase equipment shall state the time and place at which bids shall be received, list the contracts to be made or types of equipment or supplies to be purchased, and, if all plans and/or specifications are not published, refer to the plans and/or specifications on file. If there is no newspaper published in the county or municipality, then such notice shall be given by posting same at the courthouse, or for municipalities at the city hall, and at two (2) other public places in the county or municipality, and also by publication once each week for two (2) consecutive weeks in some newspaper having a general circulation in the county or municipality in the above-provided manner. On the same date that the notice is submitted to the newspaper for publication, the agency or governing authority involved shall mail written notice to, or provide electronic notification to the main office of the Mississippi Procurement Technical Assistance Program under the Mississippi Development Authority that contains the same information as that in the published notice. Submissions received by the Mississippi Procurement Technical Assistance Program for projects funded by the American Recovery and Reinvestment Act shall be displayed on a separate and unique internet web page accessible to the public and maintained by the Mississippi Development Authority for the Mississippi Procurement Technical Assistance Program. Those American Recovery and Reinvestment Act related submissions shall be publicly posted within twenty-four (24) hours of receipt by the Mississippi Development Authority and the bid opening shall not occur until the submission has been posted for ten (10) consecutive days. The Department of Finance and Administration shall maintain information regarding contracts and other expenditures from the American Recovery and Reinvestment Act, on a unique internet web page accessible to the public. The Department of Finance and Administration shall promulgate rules regarding format, content and deadlines, unless otherwise specified by law, of the posting of award notices, contract execution and subsequent amendments, links to the contract documents, expenditures against the awarded contracts and general expenditures of funds from the American Recovery and

Reinvestment Act. Within one (1) working day of the contract award, the agency or governing authority shall post to the designated web page maintained by the Department of Finance and Administration, notice of the award, including the award recipient, the contract amount, and a brief summary of the contract in accordance with rules promulgated by the department. Within one (1) working day of the contract execution, the agency or governing authority shall post to the designated web page maintained by the Department of Finance and Administration a summary of the executed contract and make a copy of the appropriately redacted contract documents available for linking to the designated web page in accordance with the rules promulgated by the department. The information provided by the agency or governing authority shall be posted to the web page for the duration of the American Recovery and Reinvestment Act funding or until the project is completed, whichever is longer.

(ii) Bidding process amendment procedure. If all plans and/or specifications are published in the notification, then the plans and/or specifications may not be amended. If all plans and/or specifications are not published in the notification, then amendments to the plans/specifications, bid opening date, bid opening time and place may be made, provided that the agency or governing authority maintains a list of all prospective bidders who are known to have received a copy of the bid documents and all such prospective bidders are sent copies of all amendments. This notification of amendments may be made via mail, facsimile, electronic mail or other generally accepted method of information distribution. No addendum to bid specifications may be issued within two (2) working days of the time established for the receipt of bids unless such addendum also amends the bid opening to a date not less than five (5) working days after the date of the addendum.

(iii) Filing requirement. In all cases involving governing authorities, before the notice shall be published or posted, the plans or specifications for the construction or equipment being sought shall be filed with the clerk of the board of the governing authority. In addition to these requirements, a bid file shall be established which shall indicate those vendors to whom such solicitations and specifications were issued, and such file shall also contain such information as is pertinent to the bid.

(iv) Specification restrictions.

1. Specifications pertinent to such bidding shall be written so as not to exclude comparable equipment of domestic manufacture. However, if valid justification is presented, the Department of Finance and Administration or the board of a governing authority may approve a request for specific equipment necessary to perform a specific job. Further, such justification, when placed on the minutes of the board of a governing authority, may serve as authority for that governing authority to write specifications to require a specific item of equipment needed to perform a specific job. In addition to these requirements, from and after July 1, 1990, vendors of relocatable classrooms and the specifications for the purchase of such relocatable classrooms published by local school boards shall meet all pertinent regulations of the State Board of Education, including prior approval of such bid by the State Department of Education.

2. Specifications for construction projects may include an allowance for commodities, equipment, furniture, construction materials or systems in which prospective bidders are instructed to include in their bids specified amounts for such items so long as the allowance items are acquired by the vendor in a commercially reasonable manner and approved by the agency/governing authority. Such acquisitions shall not be made to circumvent the public purchasing laws.

(v) Electronic bids. Agencies and governing authorities shall provide a secure electronic interactive system for the submittal of bids requiring competitive bidding that shall be an additional bidding option for those bidders who choose to submit their bids electronically. The Department of Finance and Administration shall provide, by regulation, the standards that agencies must follow when receiving electronic bids. Agencies and governing authorities shall make the appropriate provisions necessary to accept electronic bids from those bidders who choose to submit their bids electronically for all purchases requiring competitive bidding under this section. Any special condition or requirement for the electronic bid submission shall be specified in the advertisement for bids required by this section. Agencies or governing authorities that are

currently without available high speed internet access shall be exempt from the requirement of this subparagraph (v) until such time that high speed internet access becomes available. Any county having a population of less than twenty thousand (20,000) shall be exempt from the provisions of this subparagraph (v). Any municipality having a population of less than ten thousand (10,000) shall be exempt from the provisions of this subparagraph (v). The provisions of this subparagraph (v) shall not require any bidder to submit bids electronically. When construction bids are submitted electronically, the requirement for including a certificate of responsibility, or a statement that the bid enclosed does not exceed Fifty Thousand Dollars (\$50,000.00), on the exterior of the bid envelope as indicated in Section 31-3-21(1) and (2) shall be deemed in compliance with by including same as an attachment with the electronic bid submittal.

(d) Lowest and best bid decision procedure.

(i) Decision procedure. Purchases may be made from the lowest and best bidder. In determining the lowest and best bid, freight and shipping charges shall be included. Life-cycle costing, total cost bids, warranties, guaranteed buy-back provisions and other relevant provisions may be included in the best bid calculation. All best bid procedures for state agencies must be in compliance with regulations established by the Department of Finance and Administration. If any governing authority accepts a bid other than the lowest bid actually submitted, it shall place on its minutes detailed calculations and narrative summary showing that the accepted bid was determined to be the lowest and best bid, including the dollar amount of the accepted bid and the dollar amount of the lowest bid. No agency or governing authority shall accept a bid based on items not included in the specifications.

(ii) Decision procedure for Certified Purchasing Offices. In addition to the decision procedure set forth in subparagraph (i) of this paragraph (d), Certified Purchasing Offices may also use the following procedure: Purchases may be made from the bidder offering the best value. In determining the best value bid, freight and shipping charges shall be included. Life-cycle costing, total cost bids, warranties, guaranteed buy-back provisions, documented previous experience, training costs and other relevant provisions, including, but not limited to, a bidder having a local office and inventory located within the jurisdiction of the governing authority, may be included in the best value calculation. This provision shall authorize Certified Purchasing Offices to utilize a Request For Proposals (RFP) process when purchasing commodities. All best value procedures for state agencies must be in compliance with regulations established by the Department of Finance and Administration. No agency or governing authority shall accept a bid based on items or criteria not included in the specifications.

(iii) Decision procedure for Mississippi Landmarks. In addition to the decision procedure set forth in subparagraph (i) of this paragraph (d), where purchase involves renovation, restoration, or both, of the State Capitol Building or any other historical building designated for at least five (5) years as a Mississippi Landmark by the Board of Trustees of the Department of Archives and History under the authority of Sections 39-7-7 and 39-7-11, the agency or governing authority may use the following procedure: Purchases may be made from the lowest and best prequalified bidder. Prequalification of bidders shall be determined not less than fifteen (15) working days before the first published notice of bid opening. Prequalification criteria shall be limited to bidder's knowledge and experience in historical restoration, preservation and renovation. In determining the lowest and best bid, freight and shipping charges shall be included. Life-cycle costing, total cost bids, warranties, guaranteed buy-back provisions and other relevant provisions may be included in the best bid calculation. All best bid and prequalification procedures for state agencies must be in compliance with regulations established by the Department of Finance and Administration. If any governing authority accepts a bid other than the lowest bid actually submitted, it shall place on its minutes detailed calculations and narrative summary showing that the accepted bid was determined to be the lowest and best bid, including the dollar amount of the accepted bid and the dollar amount of the lowest bid. No agency or governing authority shall accept a bid based on items not included in the specifications.

(iv) Construction project negotiations authority. If the lowest and best bid is not more than ten percent (10%) above the amount of funds allocated for a public construction or renovation project, then the agency or governing

authority shall be permitted to negotiate with the lowest bidder in order to enter into a contract for an amount not to exceed the funds allocated.

(e) Lease-purchase authorization. For the purposes of this section, the term "equipment" shall mean equipment, furniture and, if applicable, associated software and other applicable direct costs associated with the acquisition. Any lease-purchase of equipment which an agency is not required to lease-purchase under the master lease-purchase program pursuant to Section 31-7-10 and any lease-purchase of equipment which a governing authority elects to lease-purchase may be acquired by a lease-purchase agreement under this paragraph (e). Lease-purchase financing may also be obtained from the vendor or from a third-party source after having solicited and obtained at least two (2) written competitive bids, as defined in paragraph (b) of this section, for such financing without advertising for such bids. Solicitation for the bids for financing may occur before or after acceptance of bids for the purchase of such equipment or, where no such bids for purchase are required, at any time before the purchase thereof. No such lease-purchase agreement shall be for an annual rate of interest which is greater than the overall maximum interest rate to maturity on general obligation indebtedness permitted under Section 75-17-101, and the term of such lease-purchase agreement shall not exceed the useful life of equipment covered thereby as determined according to the upper limit of the asset depreciation range (ADR) guidelines for the Class Life Asset Depreciation Range System established by the Internal Revenue Service pursuant to the United States Internal Revenue Code and regulations thereunder as in effect on December 31, 1980, or comparable depreciation guidelines with respect to any equipment not covered by ADR guidelines. Any lease-purchase agreement entered into pursuant to this paragraph (e) may contain any of the terms and conditions which a master lease-purchase agreement may contain under the provisions of Section 31-7-10(5), and shall contain an annual allocation dependency clause substantially similar to that set forth in Section 31-7-10(8). Each agency or governing authority entering into a lease-purchase transaction pursuant to this paragraph (e) shall maintain with respect to each such lease-purchase transaction the same information as required to be maintained by the Department of Finance and Administration pursuant to Section 31-7-10(13). However, nothing contained in this section shall be construed to permit agencies to acquire items of equipment with a total acquisition cost in the aggregate of less than Ten Thousand Dollars (\$10,000.00) by a single lease-purchase transaction. All equipment, and the purchase thereof by any lessor, acquired by lease-purchase under this paragraph and all lease-purchase payments with respect thereto shall be exempt from all Mississippi sales, use and ad valorem taxes. Interest paid on any lease-purchase agreement under this section shall be exempt from State of Mississippi income taxation.

(f) Alternate bid authorization. When necessary to ensure ready availability of commodities for public works and the timely completion of public projects, no more than two (2) alternate bids may be accepted by a governing authority for commodities. No purchases may be made through use of such alternate bids procedure unless the lowest and best bidder cannot deliver the commodities contained in his bid. In that event, purchases of such commodities may be made from one (1) of the bidders whose bid was accepted as an alternate.

(g) Construction contract change authorization. In the event a determination is made by an agency or governing authority after a construction contract is let that changes or modifications to the original contract are necessary or would better serve the purpose of the agency or the governing authority, such agency or governing authority may, in its discretion, order such changes pertaining to the construction that are necessary under the circumstances without the necessity of further public bids; provided that such change shall be made in a commercially reasonable manner and shall not be made to circumvent the public purchasing statutes. In addition to any other authorized person, the architect or engineer hired by an agency or governing authority with respect to any public construction contract shall have the authority, when granted by an agency or governing authority, to authorize changes or modifications to the original contract without the necessity of prior approval of the agency or governing authority when any such change or modification is less than one percent (1%) of the total contract amount. The agency or governing authority may limit the number, manner or frequency of such emergency changes or modifications.

(h) Petroleum purchase alternative. In addition to other methods of purchasing authorized in this chapter, when any agency or governing authority shall have a need for gas, diesel fuel, oils and/or other petroleum products in excess of the amount set forth in paragraph (a) of this section, such agency or governing authority may purchase the commodity after having solicited and obtained at least two (2) competitive written bids, as defined in paragraph (b) of this section. If two (2) competitive written bids are not obtained, the entity shall comply with the procedures set forth in paragraph (c) of this section. In the event any agency or governing authority shall have advertised for bids for the purchase of gas, diesel fuel, oils and other petroleum products and coal and no acceptable bids can be obtained, such agency or governing authority is authorized and directed to enter into any negotiations necessary to secure the lowest and best contract available for the purchase of such commodities.

(i) Road construction petroleum products price adjustment clause authorization. Any agency or governing authority authorized to enter into contracts for the construction, maintenance, surfacing or repair of highways, roads or streets, may include in its bid proposal and contract documents a price adjustment clause with relation to the cost to the contractor, including taxes, based upon an industry-wide cost index, of petroleum products including asphalt used in the performance or execution of the contract or in the production or manufacture of materials for use in such performance. Such industry-wide index shall be established and published monthly by the Mississippi Department of Transportation with a copy thereof to be mailed, upon request, to the clerks of the governing authority of each municipality and the clerks of each board of supervisors throughout the state. The price adjustment clause shall be based on the cost of such petroleum products only and shall not include any additional profit or overhead as part of the adjustment. The bid proposals or document contract shall contain the basis and methods of adjusting unit prices for the change in the cost of such petroleum products.

(j) State agency emergency purchase procedure. If the governing board or the executive head, or his designees, of any agency of the state shall determine that an emergency exists in regard to the purchase of any commodities or repair contracts, so that the delay incident to giving opportunity for competitive bidding would be detrimental to the interests of the state, then the head of such agency, or his designees, shall file with the Department of Finance and Administration (i) a statement explaining the conditions and circumstances of the emergency, which shall include a detailed description of the events leading up to the situation and the negative impact to the entity if the purchase is made following the statutory requirements set forth in paragraph (a), (b) or (c) of this section, and (ii) a certified copy of the appropriate minutes of the board of such agency requesting the emergency purchase, if applicable. Upon receipt of the statement and applicable board certification, the State Fiscal Officer, or his designees, may, in writing, authorize the purchase or repair without having to comply with competitive bidding requirements.

If the governing board or the executive head, or his designees, of any agency determines that an emergency exists in regard to the purchase of any commodities or repair contracts, so that the delay incident to giving opportunity for competitive bidding would threaten the health or safety of any person, or the preservation or protection of property, then the provisions in this section for competitive bidding shall not apply, and any officer or agent of the agency having general or specific authority for making the purchase or repair contract shall approve the bill presented for payment, and he shall certify in writing from whom the purchase was made, or with whom the repair contract was made.

Total purchases made under this paragraph (j) shall only be for the purpose of meeting needs created by the emergency situation. Following the emergency purchase, documentation of the purchase, including a description of the commodity purchased, the purchase price thereof and the nature of the emergency shall be filed with the Department of Finance and Administration. Any contract awarded pursuant to this paragraph (j) shall not exceed a term of one (1) year.

Purchases under the grant program established under Section 37-68-7 in response to COVID-19 and the directive that school districts create a distance learning plan and fulfill technology needs expeditiously shall be deemed an emergency purchase for purposes of this paragraph (j).

(k) Governing authority emergency purchase procedure. If the governing authority, or the governing authority acting through its designee, shall determine that an emergency exists in regard to the purchase of any commodities or repair contracts, so that the delay incident to giving opportunity for competitive bidding would be detrimental to the interest of the governing authority, then the provisions herein for competitive bidding shall not apply and any officer or agent of such governing authority having general or special authority therefor in making such purchase or repair shall approve the bill presented therefor, and he shall certify in writing thereon from whom such purchase was made, or with whom such a repair contract was made. At the board meeting next following the emergency purchase or repair contract, documentation of the purchase or repair contract, including a description of the commodity purchased, the price thereof and the nature of the emergency shall be presented to the board and shall be placed on the minutes of the board of such governing authority. Purchases under the grant program established under Section 37-68-7 in response to COVID-19 and the directive that school districts create a distance learning plan and fulfill technology needs expeditiously shall be deemed an emergency purchase for purposes of this paragraph (k).

(l) Hospital purchase, lease-purchase and lease authorization.

(i) The commissioners or board of trustees of any public hospital may contract with such lowest and best bidder for the purchase or lease-purchase of any commodity under a contract of purchase or lease-purchase agreement whose obligatory payment terms do not exceed five (5) years.

(ii) In addition to the authority granted in subparagraph (i) of this paragraph (l), the commissioners or board of trustees is authorized to enter into contracts for the lease of equipment or services, or both, which it considers necessary for the proper care of patients if, in its opinion, it is not financially feasible to purchase the necessary equipment or services. Any such contract for the lease of equipment or services executed by the commissioners or board shall not exceed a maximum of five (5) years' duration and shall include a cancellation clause based on unavailability of funds. If such cancellation clause is exercised, there shall be no further liability on the part of the lessee. Any such contract for the lease of equipment or services executed on behalf of the commissioners or board that complies with the provisions of this subparagraph (ii) shall be excepted from the bid requirements set forth in this section.

(m) Exceptions from bidding requirements. Excepted from bid requirements are:

(i) Purchasing agreements approved by department. Purchasing agreements, contracts and maximum price regulations executed or approved by the Department of Finance and Administration.

Purchases, sales, transfers or trades by governing authorities or state agencies when such purchases, sales, transfers or trades are made by a private treaty agreement or through means of negotiation, from any federal agency or authority, another governing authority or state agency of the State of Mississippi, or any state agency or governing authority of another state. Nothing in this section shall permit such purchases through public auction except as provided for in subparagraph (v) of this paragraph (m). It is the intent of this section to allow governmental entities to dispose of and/or purchase commodities from other governmental entities at a price that is agreed to by both parties. This shall allow for purchases and/or sales at prices which may be determined to be below the market value if the selling entity determines that the sale at below market value is in the best interest of the taxpayers of the state. Governing authorities shall place the terms of the agreement and any justification on the minutes, and state agencies shall obtain approval from the Department of Finance and Administration, prior to releasing or taking possession of the commodities.

(vii) Perishable supplies or food. Perishable supplies or food purchased for use in connection with hospitals, the school lunch programs, homemaking programs and for the feeding of county or municipal prisoners.

Upon receipt of that certification the Department of Finance and Administration or the board of the governing authority, as the case may be, may, in writing, authorize the purchase, which authority shall be noted on the minutes of the body at the next regular meeting thereafter. In those situations, a governing authority is not required to obtain the approval of the Department of Finance and Administration. Following the purchase, the executive head of the state agency, or his designees, shall file with the Department of Finance and Administration, documentation of the purchase, including a description of the commodity purchased, the purchase price thereof and the source from whom it was purchased.

(ix) Waste disposal facility construction contracts. Construction of incinerators and other facilities for disposal of solid wastes in which products either generated therein, such as steam, or recovered therefrom, such as materials for recycling, are to be sold or otherwise disposed of; however, in constructing such facilities, a governing authority or agency shall publicly issue requests for proposals, advertised for in the same manner as provided herein for seeking bids for public construction projects, concerning the design, construction, ownership, operation and/or maintenance of such facilities, wherein such requests for proposals when issued shall contain terms and conditions relating to price, financial responsibility, technology, environmental compatibility, legal responsibilities and such other matters as are determined by the governing authority or agency to be appropriate for inclusion; and after responses to the request for proposals have been duly received, the governing authority or agency may select the most qualified proposal or proposals on the basis of price, technology and other relevant factors and from such proposals, but not limited to the terms thereof, negotiate and enter contracts with one or more of the persons or firms submitting proposals.

Set-aside purchases for which competitive bids are required shall be made from the lowest and best minority business bidder. For the purposes of this paragraph, the term "minority business" means a business which is owned by a majority of persons who are United States citizens or permanent resident aliens (as defined by the Immigration and Naturalization Service) of the United States, and who are Asian, Black, Hispanic or Native American, according to the following definitions:

(u) Procurement of construction services by state institutions of higher learning. Contracts for privately financed construction of auxiliary facilities on the campus of a state institution of higher learning may be awarded by the Board of Trustees of State Institutions of Higher Learning to the lowest and best bidder, where sealed bids are solicited, or to the offeror whose proposal is determined to represent the best value to the citizens of the State of Mississippi, where requests for proposals are solicited.

(v) Insurability of bidders for public construction or other public contracts. In any solicitation for bids to perform public construction or other public contracts to which this section applies, including, but not limited to, contracts for repair and maintenance, for which the contract will require insurance coverage in an amount of not less than One Million Dollars (\$1,000,000.00), bidders shall be permitted to either submit proof of current insurance coverage in the specified amount or demonstrate ability to obtain the required coverage amount of insurance if the contract is awarded to the bidder. Proof of insurance coverage shall be submitted within five (5) business days from bid acceptance.

(w) Purchase authorization clarification. Nothing in this section shall be construed as authorizing any purchase not authorized by law.

SECTION 3. In order for the county's financial records to fairly represent the financial condition of the county as of the date of the external audit, the clerk of the board of supervisors or, where applicable, the county administrator shall record into the county's accounting system the year-end adjusting accounting entries recommended by the county's external independent financial auditors selected by the Office of the State Auditor. If the clerk of the board of supervisors or, where applicable, the county administrator declines to make any year-end adjusting accounting entries recommended by the external financial auditors, the board of supervisors shall spread upon the board's minutes the reasons why the recommended year-end accounting entries were not entered into the county's accounting system and the impact that not including the recommended year-end accounting entries in the county's financial records will have regarding the fair representation of the financial condition of the county.

SECTION 4. This act shall take effect and be in force from and after July 1, 2021.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 27-105-305, MISSISSIPPI CODE OF 1972, TO PROVIDE COUNTY BOARDS OF SUPERVISORS THE DISCRETION TO DETERMINE THE INTERVAL OF TIME FOR PROVIDING NOTICE TO FINANCIAL INSTITUTIONS OF THE OPENING OF THE BIDDING PROCESS FOR SERVING AS DEPOSITORIES OF COUNTY FUNDS; TO CLARIFY THAT THE SELECTION OF DEPOSITORIES IS TO BE BASED UPON ALL RELEVANT FACTORS; TO AMEND SECTION 31-7-13, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT REVERSE AUCTIONS SHALL NOT BE USED FOR CERTAIN TERM CONTRACTS; TO REQUIRE THE CLERK OF THE BOARD OF SUPERVISORS TO ENTER THE RECOMMENDED YEAR-END ADJUSTING ACCOUNTING ENTRIES INTO THE COUNTY'S ACCOUNTING SYSTEM AND TO REQUIRE THE BOARD OF SUPERVISORS TO SPREAD THE REASON THAT ANY RECOMMENDED ENTRY WAS NOT ENTERED UPON ITS MINUTES IF THE CLERK OF THE BOARD OF SUPERVISORS DECLINES TO MAKE THE ENTRY; AND FOR RELATED PURPOSES.

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1380: Appropriation; Fire Academy.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. The following sum, or so much thereof as may be necessary, is appropriated out of any money in the State General Fund not otherwise appropriated, for the purpose of defraying the expenses of the State Fire Academy for the fiscal year beginning July 1, 2021, and ending June 30, 2022

\$ 5,098,824.00.

SECTION 2. The following sum, or so much thereof as may be necessary, is appropriated out of any money in the special fund in the State Treasury to the credit of the State Fire Academy which is comprised of special source funds collected by or otherwise available to the department, for the purpose of defraying the expenses of the department for the fiscal year beginning July 1, 2021, and ending June 30, 2022\$ 538,350.00.

SECTION 3. Of the funds appropriated under the provisions of Section 1, the following positions are authorized:

AUTHORIZED POSITIONS:

Permanent:	Full Time	63
Part Time	0	
Time-Limited:	Full Time	0
Part Time	0	

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2023 do not exceed Fiscal Year 2022 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2022 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. If the State Personnel Board determines a special situation or circumstance exists and approves an action, then the agency and the State Personnel Board shall provide a monthly report of each action approved by the State Personnel Board to the chairmen of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the chairmen of the Appropriations Committees of the Senate and House of Representatives. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2022 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal

Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2022 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

Funds have been appropriated herein for the purpose of implementation and funding Project SEC2 of the Colonel Guy Groff State Variable Compensation Plan beginning January 1, 2022, and ending June 30, 2022. It shall be the agency's responsibility to make certain that each person, excluding executive directors, agency heads, and elected judges, shall receive no more than a 3% annual increase in salary which shall not exceed the market rate established by the State Personnel Board pursuant to the Colonel Guy Groff State Variable Compensation Plan for each classification.

SECTION 4. In compliance with the "Mississippi Performance Budget and Strategic Planning Act of 1994," it is the intent of the Legislature that the funds provided herein shall be utilized in the most efficient and effective manner possible to achieve the intended mission of this agency. Based on the funding authorized, this agency shall make every effort to attain the targeted performance measures provided below:

Performance Measures	FY2022 Target
Training	
Number of Students Trained	16,000
Average Cost per Student Trained (\$)	346.22

A reporting of the degree to which the performance targets set above have been or are being achieved shall be provided in the agency's budget request submitted to the Joint Legislative Budget Committee for Fiscal Year 2023.

SECTION 5. It is the intention of the Legislature that the State Fire Academy shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2021. It is further the intention of the Legislature that the agency's budget request for Fiscal Year 2023 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2022 budget request process.

SECTION 6. It is the intention of the Legislature that whenever two (2) or more bids are received by this agency for the purchase of commodities or equipment, and whenever all things stated in such received bids are equal with respect to price, quality and service, the Mississippi Industries for the Blind shall be given preference. A similar preference shall be given to the Mississippi Industries for the Blind whenever purchases are made without competitive bids.

SECTION 7. It is the intention of the Legislature that the funds herein appropriated shall be expended in compliance with Section 27-104-25, Mississippi Code of 1972, that no state agency shall incur obligations or indebtedness in excess of their appropriation and that the responsible officers, either personally or upon their official bonds, shall be held responsible for actions contrary to this provision.

SECTION 8. The money herein appropriated shall be paid by the State Treasurer out of any money in the State Treasury to the credit of the proper fund or funds

as set forth in this act, upon warrants issued by the State Fiscal Officer; and the State Fiscal Officer shall issue his warrants upon requisitions signed by the proper person, officer or officers, in the manner provided by law.

SECTION 9. The following sum, or so much thereof as may be necessary, is reappropriated out of any money in the Capital Expense Fund not otherwise appropriated for the State Fire Academy for the purpose of reauthorizing the expenditure of Capital Expense Funds, as authorized in HB 1699, 2020 Regular Session to provide for Airport Rescue Crash Truck for the fiscal year beginning July 1, 2021, and ending June 30, 2022 \$ 84,500.00.

Notwithstanding the amount reappropriated under the provisions of this section, in no event shall the amount expended exceed the unexpended balance as of June 30, 2021.

SECTION 11. This act shall take effect and be in force from and after July 1, 2021.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1385: Appropriation; Attorney General.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. The following sum, or so much thereof as may be necessary, is appropriated out of any money in the State General Fund not otherwise appropriated, for the purpose of defraying the expenses of the Office of the Attorney General for the fiscal year beginning July 1, 2021, and ending June 30, 2022

\$ 25,428,540.00.

SECTION 2. The following sum, or so much thereof as may be necessary, is hereby appropriated out of any money in any special fund in the State Treasury to the credit of the Office of the Attorney General which is comprised of special source funds collected by or otherwise available to the office, for the purpose of defraying the expenses of the office for the fiscal year beginning July 1, 2021, and ending June 30, 2022

SECTION 3. Of the funds appropriated under the provisions of this act, the following positions are authorized:

AUTHORIZED POSITIONS:

Permanent:	Full Time	94
Part Time	0	
Time-Limited:	Full Time	243
Part Time	0	

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2023 do not exceed Fiscal Year 2022 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2022 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. If the State Personnel Board determines a special situation or circumstance exists and approves an action, then the agency and the State Personnel Board shall provide a monthly report of each action approved by the State Personnel Board to the chairmen of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the chairmen of the Appropriations Committees of the Senate and House of Representatives. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2022 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2022 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

Funds have been appropriated herein for the purpose of implementation and funding Project SEC2 of the Colonel Guy Groff State Variable Compensation Plan beginning January 1, 2022, and ending June 30, 2022. It shall be the agency's responsibility to make certain that each person, excluding executive directors, agency heads, and elected judges, shall receive no more than a 3% annual increase in salary which shall not exceed the market rate established by the State Personnel Board pursuant to the Colonel Guy Groff State Variable Compensation Plan for each classification.

SECTION 4. It is the intention of the Legislature that the Office of the Attorney General shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2021. It is further the intention of the Legislature that the agency's budget request for Fiscal Year 2023 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2022 budget request process.

SECTION 5. In compliance with the "Mississippi Performance Budget and Strategic Planning Act of 1994," it is the intent of the Legislature that the funds provided herein shall be utilized in the most efficient and effective manner possible to achieve the intended mission of this agency. With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2023 do not exceed Fiscal Year 2022 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2022 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. If the State Personnel Board determines a special situation or circumstance exists and approves an action, then the agency and the State Personnel Board shall provide a monthly report of each action approved by the State Personnel Board to the chairmen of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the chairmen of the Appropriations Committees of the Senate and House of Representatives. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2022 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2022 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

Funds have been appropriated herein for the purpose of implementation and funding Project SEC2 of the Colonel Guy Groff State Variable Compensation Plan beginning January 1, 2022, and ending June 30, 2022. It shall be the agency's responsibility to make certain that each person, excluding executive directors, agency heads, and elected judges, shall receive no more than a 3% annual increase in salary which shall not exceed the market rate established by the State Personnel Board pursuant to the Colonel Guy Groff State Variable Compensation Plan for each classification.

Funds appropriated herein shall first be used for the continuation of a full and complete broadcast schedule of educational and instructional, professional growth, and public service programs, with the production of new films and programs to be secondary thereto.

SECTION 4. It is the intention of the Legislature that the Mississippi Authority for Educational Television shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2021. It is further the intention of the Legislature that the agency's budget request for Fiscal Year 2023 shall be submitted to the Joint Legislative Budget Committee in a format and level

of detail comparable to the format and level of detail provided during the Fiscal Year 2022 budget request process.

SECTION 6. No part of the funds appropriated herein shall be transferred to, expended by, or used, directly or indirectly, for the benefit of any public relations, publicity or publication activities of any other state agency, department or officer, nor shall any personnel paid or equipment purchased with funds appropriated hereby be transferred or assigned to any other state agency, department or officer for public relations, publicity or publication activities of such office.

SECTION 7. It is the intention of the Legislature that the Mississippi Authority for Educational Television shall have the authority to expend funds in the Capital Equipment Replacement Revolving Fund, in accordance with Section 37-63-17, Mississippi Code of 1972, for the purpose of purchasing technical equipment for operating the educational radio and television facilities.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.

SECTION 3. Of the funds appropriated under the provisions of this act, the following positions are authorized:

AUTHORIZED POSITIONS:

Permanent:	Full Time	7
Part Time	1	
Time-Limited:	Full Time	0
Part Time	0	

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2023 do not exceed Fiscal Year 2022 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2022 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. If the State Personnel Board determines a special situation or circumstance exists and approves an action, then the agency and the State Personnel Board shall provide a monthly report of each action approved by the State Personnel Board to the chairmen of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the chairmen of the Appropriations Committees of the Senate and House of Representatives. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2022 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2022 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or

positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

Funds have been appropriated herein for the purpose of implementation and funding Project SEC2 of the Colonel Guy Groff State Variable Compensation Plan beginning January 1, 2022, and ending June 30, 2022. It shall be the agency's responsibility to make certain that each person, excluding executive directors, agency heads, and elected judges, shall receive no more than a 3% annual increase in salary which shall not exceed the market rate established by the State Personnel Board pursuant to the Colonel Guy Groff State Variable Compensation Plan for each classification.

SECTION 4. It is the intention of the Legislature that the Grand Gulf Military Monument Commission shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2021. It is further the intention of the Legislature that the agency's budget request for Fiscal Year 2023 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2022 budget request process.

SECTION 5. It shall be unlawful for any officer, employee or other person whatsoever to use or permit or authorize the use of any automobile or any other motor vehicle owned by the State of Mississippi or any department, agency or institution thereof for any purpose other than upon the official business of the State of Mississippi or any agency, department or institution thereof.

It is the intent of the Legislature that motor vehicles authorized to be owned and operated by this agency shall comply with Sections 25-1-77 through 25-1-93, Mississippi Code of 1972.

SECTION 6. Of the funds in Section 2, the following sum, or so much thereof as may be necessary, is appropriated out of any money in the State Treasury to the credit of the Capital Expense Fund, for the purpose of defraying the expenses of Grand Gulf Military Monument Commission for the fiscal year beginning July 1, 2021, and ending June 30, 2022 \$ 50,000.00.

SECTION 7. It is the intention of the Legislature that whenever two (2) or more bids are received by this agency for the purchase of commodities or equipment, and whenever all things stated in such received bids are equal with respect to price, quality and service, the Mississippi Industries for the Blind shall be given preference. A similar preference shall be given to the Mississippi Industries for the Blind whenever purchases are made without competitive bids.

SECTION 8. It is the intention of the Legislature that the funds herein appropriated shall be expended in compliance with Section 27-104-25, Mississippi Code of 1972, that no state agency shall incur obligations or indebtedness in excess of their appropriation and that the responsible officers, either personally or upon their official bonds, shall be held responsible for actions contrary to this provision.

SECTION 9. The money herein appropriated shall be paid by the State Treasurer out of any money in the State Treasury to the credit of the proper fund or funds as set forth in this act, upon warrants issued by the State Fiscal Officer; and the State Fiscal Officer shall issue his warrants upon requisitions signed by the proper person, officer or officers, in the manner provided by law.

SECTION 10. This act shall take effect and be in force from and after July 1, 2021.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2023 do not exceed Fiscal Year 2022 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2022 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. If the State Personnel Board determines a special situation or circumstance exists and approves an action, then the agency and the State Personnel Board shall provide a monthly report of each action approved by the State Personnel Board to the chairmen of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the chairmen of the Appropriations Committees of the Senate and House of Representatives. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2022 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

Funds have been appropriated herein for the purpose of implementation and funding Project SEC2 of the Colonel Guy Groff State Variable Compensation Plan beginning January 1, 2022, and ending June 30, 2022. It shall be the agency's responsibility to make certain that each person, excluding executive directors, agency heads, and elected judges, shall receive no more than a 3% annual increase in salary which shall not exceed the market rate established by the State Personnel Board pursuant to the Colonel Guy Groff State Variable Compensation Plan for each classification.

SECTION 4. It is the intention of the Legislature that the Public Utilities Staff shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2021. It is further the intention of the Legislature that the agency's budget request for Fiscal Year 2023 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2022 budget request process.

SECTION 5. It is the intention of the Legislature that whenever two (2) or more bids are received by this agency for the purchase of commodities or equipment, and whenever all things stated in such received bids are equal with respect to price, quality and service, the Mississippi Industries for the Blind shall be given preference. A similar preference shall be given to the Mississippi Industries for the Blind whenever purchases are made without competitive bids.

SECTION 6. It is the intention of the Legislature that the funds herein appropriated shall be expended in compliance with Section 27-104-25, Mississippi Code of 1972, that no state agency shall incur obligations or indebtedness in excess of their appropriation and that the responsible officers, either personally or upon their official bonds, shall be held responsible for actions contrary to this provision.

H. B. No. 1403: Appropriation; Forestry Commission.

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1403: Appropriation; Forestry Commission.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. The following sum, or so much thereof as may be necessary, is appropriated out of any money in the State General Fund not otherwise appropriated, for the support and maintenance of the State Forestry Commission for the fiscal year beginning July 1, 2021, and ending June 30, 2022

\$ 14,058,192.00.

SECTION 2. The following sum, or so much thereof as may be necessary, is appropriated out of any money in the special fund in the State Treasury to the credit of the State Forestry Commission which is comprised of special source funds collected by or otherwise available to the commission, for the support and maintenance of the commission for the fiscal year beginning July 1, 2021, and ending June 30, 2022

\$ 11,996,306.00.

Of the funds specified in this section, Two Hundred Fifty Thousand Dollars (\$250,000.00) shall be deposited in a fund created in the State Treasury called the "Forest Improvement Revolving Fund." Money in this fund shall be used by the State Forestry Commission to assist in the reforestation and growth improvement of the forests, woodlands, and publicly owned lands of the state, including sixteenth section lands, Camp Shelby, Columbia Training School and colleges and universities. Landowners who contract with the commission for such work shall pay to the commission its actual cost for conducting such work. Money received for this work by the commission shall be paid into the State Treasury, and the State Treasurer shall deposit such money in the "Forest Improvement Revolving Fund."

SECTION 3. Of the funds appropriated under the provisions of this act, the following positions are authorized:

AUTHORIZED POSITIONS:

Permanent:	Full Time	352
Part Time	0	
Time-Limited:	Full Time	7
Part Time	0	

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2023 do not exceed Fiscal Year 2022 funds appropriated for that purpose unless

programs or positions are added to the agency's Fiscal Year 2022 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. If the State Personnel Board determines a special situation or circumstance exists and approves an action, then the agency and the State Personnel Board shall provide a monthly report of each action approved by the State Personnel Board to the chairmen of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the chairmen of the Appropriations Committees of the Senate and House of Representatives. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2022 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2022 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

Funds have been appropriated herein for the purpose of implementation and funding Project SEC2 of the Colonel Guy Groff State Variable Compensation Plan beginning January 1, 2022, and ending June 30, 2022. It shall be the agency's responsibility to make certain that each person, excluding executive directors, agency heads, and elected judges, shall receive no more than a 3% annual increase in salary which shall not exceed the market rate established by the State Personnel Board pursuant to the Colonel Guy Groff State Variable Compensation Plan for each classification.

SECTION 4. It is the intention of the Legislature that the State Forestry Commission shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2021. It is further the intention of the Legislature that the agency's budget request for Fiscal Year 2023 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2022 budget request process.

SECTION 5. In compliance with the "Mississippi Performance Budget and Strategic Planning Act of 1994," it is the intent of the Legislature that the funds provided herein shall be utilized in the most efficient and effective manner possible to achieve the intended mission of this agency. Based on the funding authorized, this agency shall make every effort to attain the targeted performance measures provided below:

A reporting of the degree to which the performance targets set above have been or are being achieved shall be provided in the agency's budget request submitted to the Joint Legislative Budget Committee for Fiscal Year 2023.

SECTION 6. There is created in the State Treasury a fund designated as the Volunteer Fire Department Equipment Conversion Revolving Fund to be used by the State Forestry Commission to assist in the conversion of vehicles acquired by the State Forestry Commission through the Federal Excess Personal Property Program or by volunteer fire departments through other means to adapt them for use in the suppression of wildland fires. This assistance shall be in the form of fabrication of water tanks or other accessories necessary for the operation of fire suppression units, installation of piping and valves, painting or other similar or associated component work necessary to place fire suppression equipment into service. It is not for general vehicle maintenance or repair.

The Volunteer Fire Department Equipment Conversion Revolving Fund shall be funded by monies received from charges for work and services performed for volunteer fire departments by the State Forestry Commission. Monies collected from such charges shall be deposited into the Volunteer Fire Department Equipment Conversion Revolving Fund. The State Treasurer shall make disbursements therefrom for payment of materials, supplies and labor upon requisition of the Forestry Commission and upon the issuance of warrants therefor by the Department of Finance and Administration.

The amount of monies deposited into the Volunteer Fire Department Equipment Conversion Fund through this work shall not exceed Fifty Thousand Dollars (\$50,000.00). Funds in excess of Fifty Thousand Dollars (\$50,000.00) shall be placed in the State Forestry Commission's regular appropriated special funds. Monies in this revolving fund are to be considered special funds and shall be carried forward from one fiscal year to the next.

SECTION 7. There is created in the State Treasury a fund designated as the Camden State Forest Revolving Fund to be used by the State Forestry Commission to direct forest management activities on the Camden State Forest in Madison County, Mississippi. The forest management activities will include, but not be limited to, maintenance of property, timber sale activities and regeneration work.

The Camden State Forest Revolving Fund shall be funded by monies received from timber sales, leases, and any other source. Monies collected from these income sources shall be deposited into the Camden State Forest Revolving Fund. The State Treasurer shall make disbursements therefrom for payments of materials, supplies and labor upon requisition of the State Forestry Commission and upon the issuance of warrants therefor by the Department of Finance and Administration.

It is the intention of the Legislature that any revolving funds in excess of the budgeted amount needed for the necessary operation and maintenance of all properties under the direct supervision and management of the State Forestry Commission shall remain in the Camden State Forest Revolving Fund for use in future years.

SECTION 8. Of the funds appropriated in Section 2, it is the intention of the Legislature that Two Hundred Thousand Dollars (\$200,000.00) shall be transferred to the Department of Agriculture and Commerce for the Beaver Control or Eradication Program during the Fiscal Year 2022.

SECTION 9. Any funds in the Salary, Wages and Fringe Benefits major object of expenditure may be used to purchase accumulated compensatory time within the funds available.

SECTION 10. It is the intention of the Legislature that whenever two (2) or more bids are received by this agency for the purchase of commodities or equipment, and

whenever all things stated in such received bids are equal with respect to price, quality and service, the Mississippi Industries for the Blind shall be given preference. A similar preference shall be given to the Mississippi Industries for the Blind whenever purchases are made without competitive bids.

SECTION 11. Any person who was an employee of the Forestry Commission who was laid off during Fiscal Year 2006 shall be given first priority in any new employment by the commission.

SECTION 14. This act shall take effect and be in force from and after July 1, 2021.

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2023 do not exceed Fiscal Year 2022 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2022 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. None of the funds herein appropriated shall be used in violation of Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. S. B. No. 2954: Appropriation; Treasurer's Office.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2954: Appropriation; Treasurer's Office.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. The following sum of money, or so much thereof as may be necessary, is hereby appropriated out of any money in the special fund in the State Treasury to the credit of the State Treasurer's office which are collected by or otherwise become available, to defray the expenses of the Office of the State Treasurer for the fiscal year beginning July 1, 2021, and ending June 30, 2022 \$ 5,713,711.00.

SECTION 2. Of the funds appropriated in Section 1, the following positions are authorized:

AUTHORIZED POSITIONS:

Permanent:	Full Time	42
Part Time	0	
Time-Limited:	Full Time	0
Part Time	0	

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2023 do not exceed Fiscal Year 2022 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2022 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. If the State Personnel Board determines a special situation or circumstance exists and approves an action, then the agency and the State Personnel Board shall provide a monthly report of each action approved by the State Personnel Board to the chairmen of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the chairmen of the Appropriations Committees of the Senate and House of Representatives. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2022 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2022 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

Funds have been appropriated herein for the purpose of implementation and funding Project SEC2 of the Colonel Guy Groff State Variable Compensation Plan beginning January 1, 2022, and ending June 30, 2022. It shall be the agency's responsibility to make certain that each person, excluding executive directors, agency heads, and elected judges, shall receive no more than a 3% annual increase in salary which shall not exceed the market rate established by the State Personnel Board pursuant to the Colonel Guy Groff State Variable Compensation Plan for each classification.

SECTION 3. In addition to all other sums herein appropriated, the following sum, or so much thereof as may be necessary, is hereby appropriated out of any money in the State

Treasury to the credit of the Education Improvement Trust Fund No. 3219 for the purpose of investing funds for the fiscal year beginning July 1, 2021, and ending June 30, 2022

\$ 150,000.00.

SECTION 4. In addition to all other sums herein appropriated, the following sum, or so much thereof as may be necessary, is hereby appropriated out of any money in the State Treasury to the credit of the Mississippi Prepaid Affordable College Tuition Trust Fund for the purpose of paying all amounts due for prepaid tuition contracts of the Mississippi Prepaid Affordable College Tuition Program, for the fiscal year beginning July 1, 2021, and ending June 30, 2022 \$ 35,000,000.00.

It is the intention of the Legislature that the State Treasurer is hereby authorized to accept, budget and expend an amount not to exceed One Million Dollars (\$1,000,000.00) from any funds authorized for the Mississippi Prepaid Affordable College Tuition Program, for paying amounts due for prepaid tuition contracts of the Mississippi Prepaid Affordable College Tuition Program. Such funds shall be escalated in accordance with the rules and regulations of the Department of Finance and Administration in a manner consistent with the escalation of federal funds.

SECTION 5. No part of the funds appropriated herein shall be used in the payment of attorney's fees, nor shall any of said funds be used either directly or indirectly, for the purpose of paying any clerk, stenographer, assistant, deputy or other person who may be related by blood or marriage within the third degree, computed by the rules of the civil law, to the official employing or having the right of employment or selection thereof; and in the event of any such payment, then the official or person approving and making or receiving such payment shall be jointly and severally liable to return to the State of Mississippi and to pay into the State Treasury three (3) times any such amount so paid or received, to be recovered at suit of the Attorney General; provided that when the relationship is by affinity and the person through whom the relationship was established is dead, this provision shall not apply.

SECTION 6. It is the intention of the Legislature that the Office of the State Treasurer shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under the provisions of this act and that such records shall be in the same format and level of details as maintained for Fiscal Year 2021. It is further the intention of the Legislature that the budget request for Fiscal Year 2023 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2022 budget request process.

SECTION 7. It is the intention of the Legislature that whenever two (2) or more bids are received by this agency for the purchase of commodities or equipment, and whenever all things stated in such received bids are equal with respect to price, quality and service, the Mississippi Industries for the Blind shall be given preference. A similar preference shall be given to the Mississippi Industries for the Blind whenever purchases are made without competitive bids.

SECTION 8. Of the funds appropriated to the State Treasury under the provisions of Section 1, the following amounts shall be available for expenditure in the following program budgets:

(b) Mississippi Affordable College Savings
program \$ 177,860.00.

(c) Treasury Office - Support
programs \$ 3,267,827.00.

Further, no funds to the credit of the Mississippi Prepaid Affordable College Tuition Administrative Fund shall be expended for purposes related to any program other than the Mississippi Prepaid Affordable College Tuition program.

SECTION 9. The money herein appropriated shall be paid by the State Treasurer out of any money in the State Treasury to the credit of the proper fund or funds as set forth in this act, upon warrants issued by the State Fiscal Officer; and the State Fiscal Officer shall issue his warrants upon requisitions signed by the proper person, officer or officers in the manner provided by law.

SECTION 10. This act shall take effect and be in force from and after July 1, 2021.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

A grace period of sixty (60) days will be given in which to renew the license; and upon the expiration of the grace period of sixty (60) days, any applicant for the renewal of a license will be required to pay the required renewal fee and a delinquent fee in addition to the renewal fee. The fees may be paid by either personal or certified check, cash or money order, under such safeguards, rules and regulations as the board may prescribe. Checks returned to the board because of insufficient funds shall result in nonrenewal of the license, which will require the penalty fee for insufficient fund checks plus all other amounts due for renewal of the license before the license may be renewed. After one (1) year has passed from the expiration date of the license, a delinquent fee must be paid for each year up to three (3) years, after which the required examination must be taken. Applications must be accompanied by (a) proof satisfactory to the board that the required hours have been completed, and (b) the required reciprocity fee, which shall be paid to the board.

Such application must be accompanied by proof of enrollment in college course(s), required permit fee, two (2) recent passport photographs of the applicant and other documentation as required for application for a Mississippi instructor's license by reciprocity. Upon proof of completion of college courses and payment of the required license fee, a Mississippi instructor's license shall be issued.

Such complaint shall be in writing, signed by the accuser or accusers, and verified under oath, and such

complaints shall be investigated as set forth in Section 73-7-7. If, after the investigation, the board through its administrative review agents determines that there is not substantial justification to believe that the accused licensee has committed any of the offenses enumerated, it may dismiss the complaint or may prepare a formal complaint proceeding against the licensee as hereinafter provided. When used with reference to any complaint filed against a licensee herein, the term "not substantial justification" means a complaint that is frivolous, groundless in fact or law, or vexatious, as determined by unanimous vote of the board. In the event of a dismissal, the person filing the accusation and the accused licensee shall be given written notice of the board's determination. If the board determines there is reasonable cause to believe the accused has committed any of those offenses, the secretary of the board shall give written notice of such determination to the accused licensee and set a day for a hearing as provided in subsection (3) of this section.

(2) The board shall have the power to revoke, suspend or refuse to issue or renew any license or certificate provided for in this chapter, and to fine, place on probation and/or otherwise discipline a student or licensee or holder of a certificate, upon proof that such person: (a) has not complied with or has violated any of the rules and regulations promulgated by the board; (b) has not complied with or has violated any of the sections of this chapter; (c) has committed fraud or dishonest conduct in the taking of the examination herein provided for; (d) has been convicted of a felony; (e) has committed grossly unprofessional or dishonest conduct; (f) is addicted to the excessive use of intoxicating liquors or to the use of drugs to such an extent as to render him or her unfit to practice in any of the practices or occupations set forth in this chapter; (g) has advertised by means of knowingly false or deceptive statements; or (h) has failed to display the license or certificate issued to him or her as provided for in this chapter; or (i) has been convicted of violating any of the provisions of this chapter. A conviction of violating any of the provisions of this chapter shall be grounds for automatic suspension of the license or certificate of such person.

(3) The board shall not revoke, suspend or refuse to issue or renew any license or certificate, or fine, place on probation or otherwise discipline any person in a disciplinary matter except after a hearing of which the applicant or licensee or holder of the certificate affected shall be given at least twenty (20) days' notice in writing, specifying the reason or reasons for denying the applicant a license or certificate of registration, or in the case of any other disciplinary action, the offense or offenses of which the licensee or holder of a certificate of registration is charged. Such notice may be served by mailing a copy thereof by United States first-class certified mail, postage prepaid, to the last-known residence or business address of such applicant, licensee or holder of a certificate. The hearing on such charges shall be at such time and place as the board may prescribe.

(4) At such hearings, all witnesses shall be sworn by a member of the board, and stenographic notes of the proceedings shall be taken. Any party to the proceedings desiring it shall be furnished with a copy of such stenographic notes upon payment to the board of such fees as it shall prescribe, not exceeding, however, the actual costs of transcription.

(5) The board is hereby authorized and empowered to issue subpoenas for the attendance of witnesses and the production of books and papers. The process issued by the board shall extend to all parts of the state and such process shall be served by any person designated by the board for such service. The person serving such process shall receive such compensation as may be allowed by the board, not to exceed the fee prescribed by law for similar services. All witnesses who shall be subpoenaed, and who shall appear in any proceedings before the board, shall receive the same fees and mileage as allowed by law.

(6) Where in any proceeding before the board any witness shall fail or refuse to attend upon subpoena issued by the board, shall refuse to testify, or shall refuse to produce any books and papers, the production of which is called for by the subpoena, the attendance of such witness and the giving of his testimony and the production of the books and papers shall be enforced by any court of competent jurisdiction of this state, in the same manner as are enforced for the attendance and testimony of witnesses in civil cases in the courts of this state.

(7) The board shall conduct the hearing in an orderly and continuous manner, granting continuances only when the ends of justice may be served. The board shall,

within sixty (60) days after conclusion of the hearing, reduce its decision to writing and forward an attested true copy thereof to the last-known residence or business address of such applicant, licensee or holder of a certificate, by way of United States first-class certified mail, postage prepaid. Such applicant, licensee, holder of a certificate, or person aggrieved shall have the right of appeal from an adverse ruling, or order, or decision of the board to the Chancery Court of the First Judicial District of Hinds County, Mississippi, upon forwarding notice of appeal to the board within thirty (30) days after the decision of the board is mailed in the manner here contemplated. An appeal will not be allowed in the event notice of appeal, together with the appeal bond hereinafter required, shall not have been forwarded to the board within the thirty-day period. Appeal shall be to the Chancery Court of the First Judicial District of Hinds County, Mississippi. The appeal shall thereupon be heard in due course by the court which shall review the record and make its determination thereon.

(8) The appellant shall, together with the notice of appeal, forward to and post with the board a satisfactory bond in the amount of Five Hundred Dollars (\$500.00) for the payment of any costs which may be adjudged against him.

(9) In the event of an appeal, the court shall dispose of the appeal and enter its decision promptly. The hearing on the appeal may, in the discretion of the chancellor, be tried in vacation. If there is an appeal, such appeal may, in the discretion of and on motion to the chancery court, act as a supersedeas. However, any fine imposed by the board under the provisions of this chapter shall not take effect until after the time for appeal has expired, and an appeal of the imposition of such a fine shall act as a supersedeas.

(10) Any fine imposed by the board upon a licensee or holder of a certificate shall be in accordance with the following schedule:

(a) For the first violation, a fine of not less than Fifty Dollars (\$50.00) nor more than One Hundred Dollars (\$100.00) for each violation.

(b) For the second and each subsequent violation, a fine of not less than One Hundred Dollars (\$100.00) nor more than Four Hundred Dollars (\$400.00) for each violation.

The power and authority of the board to impose such fines under this section shall not be affected or diminished by any other proceeding, civil or criminal, concerning the same violation or violations.

(11) In addition to the reasons specified in subsection (2) of this section, the board shall be authorized to suspend the license of any licensee for being out of compliance with an order for support, as defined in Section 93-11-153. The procedure for suspension of a license for being out of compliance with an order for support, and the procedure for the reissuance or reinstatement of a license suspended for that purpose, and the payment of any fees for the reissuance or reinstatement of a license suspended for that purpose, shall be governed by Section 93-11-157 or 93-11-163, as the case may be. Actions taken by the board in suspending a license when required by Section 93-11-157 or 93-11-163 are not actions from which an appeal may be taken under this section. Any appeal of a license suspension that is required by Section 93-11-157 or 93-11-163 shall be taken in accordance with the appeal procedure specified in Section 93-11-157 or 93-11-163, as the case may be, rather than the procedure specified in this section. If there is any conflict between any provision of Section 93-11-157 or 93-11-163 and any provision of this chapter, the provisions of Section 93-11-157 or 93-11-163, as the case may be, shall control.

SECTION 22. Section 73-7-33, Mississippi Code of 1972, is reenacted as follows:

73-7-33. In addition to the rules and regulations that may be prescribed and promulgated by the board under authority of this chapter, the following rules and regulations shall be observed:

Every establishment must be kept sanitary, including all utensils and equipment, must be well ventilated and properly lighted. Each salon must be provided with hot and cold running water. Electrical appliances must be properly installed and grounded.

No work shall be performed on any patron having a visible disease unless the patron shall produce a certificate from a practicing physician stating that the patron is free from infectious, contagious or communicable disease. A cosmetologist's license does not authorize such person to treat or prescribe for an infectious, contagious or any other disease.

A home salon must have a solid wall to the ceiling with an outside entrance, or if a door exists between the salon and the remainder of the house, the door must be kept closed at all times while service is being rendered.

SECTION 23. Section 73-7-35, Mississippi Code of 1972, is reenacted as follows:

73-7-35. (1) No person licensed pursuant to this chapter shall practice his or her profession except within the physical confines of a salon possessing and displaying a properly executed license issued pursuant to Section 73-7-17. However, this requirement shall not prevent a person from rendering his or her services to any person who may be confined to his or her home, a hospital, or other place as a result of illness, and cosmetologists shall be permitted to render their services to deceased persons away from their salons.

(2) No salon owner licensed pursuant to this chapter shall allow a cosmetologist, esthetician, or manicurist to practice his/her profession in the salon without possessing a valid license issued pursuant to this chapter.

SECTION 24. Section 73-7-37, Mississippi Code of 1972, is reenacted as follows:

73-7-37. (1) The violation of any of the provisions of this chapter, including the use of fraudulent statements to obtain any benefits or privileges under this chapter or practicing one (1) of these professions without a license, shall constitute a misdemeanor, punishable in any court of competent jurisdiction at the seat of government, and any person or firm convicted of the violation of any of the provisions of this chapter shall be fined not less than One Hundred Dollars (\$100.00) nor more than Five Hundred Dollars (\$500.00). The court shall not be authorized to suspend or suspend the execution of the fine required under this section.

(2) If any person, firm or corporation violates any of the provisions of this chapter, the secretary of the board, upon direction of a majority of the board and in the name of the board, acting through the Attorney General or an attorney employed by the board, shall apply in the Chancery Court of the First Judicial District of Hinds County, Mississippi, for an order enjoining such violation or for an order enforcing compliance with the provisions of this chapter. Upon the filing of a verified petition in the chancery court and after notice as provided under the Mississippi Rules of Civil Procedure, such court, if satisfied by the sworn petition, by affidavit or otherwise, that such person has violated any of the provisions of this chapter, may issue an injunction without notice or bond, enjoining such continued violation and such injunction shall remain in force and effect until a final hearing. If at such hearing it is established that such person has violated or is violating any of the provisions of this chapter, the court may enter a decree permanently enjoining such violation or enforcing compliance with this chapter. In addition, the court may enter a judgment against such person for attorney's fees, court costs and the actual costs incurred by the board in investigating the actions of such person for which the board brought the suit for an injunction. In case of violation of any decree issued in compliance with this subsection, the court may punish the offender for contempt of court and the court shall proceed as in other cases.

(3) The proceedings in this section shall be in addition to and not in lieu of the other remedies and penalties provided in this chapter.

SECTION 25. Section 73-7-63, Mississippi Code of 1972, is amended as follows:

73-7-63. Sections 73-7-1 through 73-7-37, which create the State Board of Cosmetology and prescribe its duties and powers, shall stand repealed * * * on July 1, * * * 2024.

SECTION 26. Section 73-5-41, Mississippi Code of 1972, is amended as follows:

(c) Registered nurses.

(d) Cosmetologists, and nothing in this chapter shall affect the jurisdiction of the State Board of Cosmetology.

(e) Persons whose practice is limited to only makeup artistry, threading or applying or removing eyelash extensions.

SECTION 27. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

Rep. Rushing called up the conference report on the following bill and moved that it be adopted:

H. B. No. 359: Municipally-owned utilities; may use accounting system accommodation for uncollectible customer indebtedness.

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 359: Municipally-owned utilities; may use accounting system accommodation for uncollectible customer indebtedness.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) A municipality having a population of one hundred fifty thousand (150,000) as of the most recent decennial census or more may institute a program to address certain disputed or delinquent water and sewer customer accounts. The municipality must adopt rules and procedures to implement the program if instituted. Such rules may consider the customer's ability to pay the full amount of the disputed or delinquent claim. In order for the program to take effect, the mayor of the municipality, the Municipal Director of Public Works, and Executive Director of the Mississippi Public Utilities Staff shall mutually approve such rules and procedures by July 1, 2021. The rules and procedures shall include, but not be limited to, an itemized summary of the amount and number of all accounts judged to be disputed or delinquent. The municipality's authority to compromise doubtful claims is limited to the following cases:

(a) (i) Instances of error on the part of the municipality such as equipment failure, process failure or billing failure;

(ii) Instances of error on the part of the municipality due to unforeseen circumstance such as damage, extreme weather-related event, declared disaster or emergency, or mandatory evacuation, but only to the extent the customer did not receive the benefit of the water or sewer service; and

(b) Instances where the customer's ability to pay or the amount of the customer's overdue balance for water and sewer service can be reasonably adjudged to be uncollectible, in which case the municipality may utilize an installment payment agreement to allow the customer additional time to pay a prescribed portion of the outstanding balance, and as part of the installment payment plan, to offer the utilization by the municipality of accounting procedures to move the remaining balance as an uncollectible debt to a special municipal accounting category of uncollectible or inactive accounts as outlined in the program rules if the customer fulfills all terms of the installment plan. The prescribed portion must require some payment by the customer. The program must provide that the accounting adjustments under this paragraph (b) do not result in forgiveness of uncollectible debts.

(2) The municipality may set program parameters to take into account the principle of collateral estoppel as to its own prior service, billing or collection actions.

(3) Any utility that participates in the program shall provide by January 1, 2022, to the Governor, Lieutenant Governor, Speaker of the House of Representatives, and Mississippi Public Utilities Staff a report that details the utility's revenue collection, the number of accounts that have been adjudged uncollectable, the number of accounts that are participating in the installment payment plans, the number of accounts that are overdue, and the effect of the program on the utility's revenue collection. Such report shall also include the utility's plan to address any remaining disputed or delinquent claims that have not been resolved, to provide fair and accurate bills to all of its customers, and to reduce equipment failure, process failure, and billing failures in the future.

(4) For the purpose of this section, the Executive Director of the Mississippi Public Utilities Staff may enter into professional services contracts to ensure the success of the program. The municipally-owned utility shall reimburse the Mississippi Public Utilities Staff for such contracts, not to exceed Two Hundred Thousand Dollars (\$200,000.00) over the duration of the program.

(5) This section shall stand repealed on July 1, 2022.

SECTION 2. Section 31-19-27, Mississippi Code of 1972, is amended as follows:

31-19-27. A doubtful claim of the state, or of the county, city, town, village, or levee board is one for which judgment has been rendered and for the collection of which the ordinary process of law has been ineffectual; debts due by drainage districts or other

taxing districts or sinking funds to counties under the Rehabilitation Act of 1928, being Chapter 88 * * *, Laws of 1928, and Chapter 16 of the Acts of the Special Session of 1931; those debts due counties by drainage districts, which the Reconstruction Finance Corporation has heretofore refused to refinance; those debts due a municipal utility system as authorized under Section 1 of this act; debts due for sixteenth section township school fund loans made to churches, where the board of supervisors finds that the value of the security given therefor is insufficient or inadequate to pay or satisfy the principal and interest of said loan, and when the church repays the principal of said loan; and debts due by counties and townships to drainage districts for drainage district assessments or taxes levied and assessed upon sixteenth section lands.

SECTION 3. Section 31-19-29, Mississippi Code of 1972, is amended as follows:

31-19-29. The Governor, on the advice of the Attorney General or * * * the Commissioner of Revenue at the State Department of Revenue, may, upon application of the defendant or debtor proposing a compromise, settle and compromise any doubtful claim of the state, or of any county, city, town, or village, or of any levee board against such defendant or debtor, upon such terms as he may deem proper, the board of supervisors in the case of a county, and the municipal authorities in the case of a city, town or village, and the levee board in the case of a claim of a levee board, concurring therein. The Governor, upon application of a drainage district having obligations outstanding to a county under the provisions of Chapter 88, Laws of 1928, and Chapter 16, Laws of the Extraordinary Session of 1931, or obligations which the Reconstruction Finance Corporation has heretofore refused to refinance, may settle and compromise any claim, debt or obligation that said drainage district may owe any county in the State of Mississippi for money loaned said district under the provisions of said Chapter 88, Laws of 1928, or any other claim, debt or obligation that said drainage district may owe the county which the Reconstruction Finance Corporation has heretofore refused to finance, if the board of supervisors of said county concurs in the application of the drainage district. A municipality may compromise a debt owed for water and sewer service only as provided in Section 1 of this act. The Governor, upon application by the board of supervisors for any taxing districts of said county or sinking funds of said county under the control and supervision of said board of supervisors having obligations outstanding and due to said county under the provisions of Chapter 88, Laws of 1928, and Chapter 16, Laws of the Extraordinary Session of 1931, may settle and compromise any claim, debt, or obligation that said taxing districts or sinking funds may owe said county for money loaned said taxing districts or sinking funds under the provisions of said Chapter 88, Laws of 1928; and provided that the Governor, on the advice of the Attorney General, and upon application of a church owing a sixteenth section township school fund loan, may settle and compromise such debt or obligation if the board of supervisors of the said county concurs in the application of the said church. The Governor may, on the advice of the Attorney General, in like manner compromise and settle a claim of a drainage district for unpaid assessments or taxes upon sixteenth section lands upon application of the board of supervisors wherein such sixteenth section is situated, if the commissioners of the drainage district concur therein.

SECTION 4. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO ALLOW CERTAIN MUNICIPALITIES TO ADOPT RULES AND PROCEDURES AUTHORIZING ACCOUNTING SYSTEM ACCOMMODATION OF CERTAIN UNCOLLECTIBLE INDEBTEDNESS OWED BY A CUSTOMER FOR WATER AND SEWER SERVICES; TO AMEND SECTIONS 31-19-27 AND 31-19-29, MISSISSIPPI CODE OF 1972, DEALING WITH DOUBTFUL CLAIMS; AND FOR RELATED PURPOSES.

Rep. Bennett called up the conference report on the following bill and moved that it be adopted:

H. B. No. 754: Dyslexia education; revise provisions for determining student eligibility for IEP or 504 Plan.

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 754: Dyslexia education; revise provisions for determining student eligibility for IEP or 504 Plan.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. The following shall be codified as Section 37-173-16, Mississippi Code of 1972:

37-173-16. (1) Each local school district shall make an initial determination of whether a student diagnosed with dyslexia meets the eligibility criteria under the Individuals with Disabilities Education Act (IDEA) to have an Individualized Education Program developed and to receive services. If a student's diagnosis of dyslexia does not result in an IDEA eligibility determination then the district must proceed with their process for determining if the student is eligible for a 504 Plan under the Rehabilitation Act based on the presumption that proficiency in spelling, reading and writing are essential for the student to achieve appropriate educational progress. Each local school district shall develop interventions and strategies to address the needs of those students diagnosed with dyslexia which provide the necessary accommodations to enable the student to achieve appropriate educational progress. The interventions and strategies developed shall include, but not be limited to, the use of the 3-Tier Instructional Model and the utilization of provisions of the IDEA and 504 Plan to address those needs.

(2) The State Department of Education shall require public school districts to conduct four (4) hours of in-service training in dyslexia and related disorder awareness education every three (3) years for all licensed educators and paraprofessionals responsible for instruction. Standard 1 and Standard 2 of the International Dyslexia Association's "Knowledge and Practice Standards for Teachers of Reading" 2018 Edition shall be the minimum content used for the dyslexia training. Additional content of the trainings shall also include the indicators and characteristics, screening processes, evidence-based interventions and accommodations for students with dyslexia and other related disorders. The training, which may be provided through live in-person instruction, online course instruction or through a prerecorded video presentation, shall be delivered by an individual who holds a State Department of Education License No. 203 in Dyslexia Therapy and a national certificate as a Certified Academic Language Therapist.

SECTION 2. Section 37-173-9, Mississippi Code of 1972, is amended as follows:

37-173-9. (1) (a) The parent or legal guardian is not required to accept the offer of enrolling in another public school in lieu of requesting a Mississippi Dyslexia Therapy Scholarship to a nonpublic school. However, if the parent or legal guardian chooses the public school option, the student may continue attending a public school chosen by the parent or legal guardian until the student completes Grade 12.

(b) If the parent or legal guardian chooses a public school within the district, the school district shall provide transportation to the public school selected by the parent or legal guardian. However, if the parent or legal guardian chooses a public school in another district, the parent or legal guardian is responsible to provide transportation to the school of choice.

* * *

* * * These provisions do not prohibit a parent or legal guardian of a student diagnosed with dyslexia, at any time, from choosing the option of a Mississippi Dyslexia

Therapy Scholarship which would allow the student to attend another public school or nonpublic special purpose school.

(** *2) If the parent or legal guardian chooses the nonpublic school option and the student is accepted by the nonpublic school pending the availability of a space for the student, the parent or legal guardian of the student must notify the department thirty (30) days before the first scholarship payment and before entering the nonpublic school in order to be eligible for the scholarship when a space becomes available for the student in the nonpublic school.

(** *3) The parent or legal guardian of a student may choose, as an alternative, to enroll the student in and transport the student to a public school in an adjacent school district which has available space and has a program with dyslexia services that provide daily dyslexia therapy sessions delivered by a department licensed dyslexia therapist, and that school district shall accept the student and report the student for purposes of the district's funding under the Mississippi Adequate Education Program.

SECTION 3. This act shall take effect and be in force from and after July 1, 2021.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO CREATE NEW SECTION 37-173-16, MISSISSIPPI CODE OF 1972, TO PROVIDE THE STEPS SCHOOLS MUST TAKE FOR THE EDUCATION AND CARE OF STUDENTS WITH DYSLLEXIA AND OTHER RELATED DISORDERS; TO PROVIDE THAT THE DEPARTMENT OF EDUCATION SHALL REQUIRE SCHOOL DISTRICTS TO CONDUCT FOUR HOURS OF AWARENESS TRAINING FOR DYSLLEXIA AND OTHER RELATED DISORDERS TO ALL LICENSED EDUCATORS AND PARAPROFESSIONALS RESPONSIBLE FOR INSTRUCTION; TO PROVIDE THAT STANDARD 1 AND STANDARD 2 OF THE INTERNATIONAL DYSLLEXIA ASSOCIATION'S "KNOWLEDGE AND PRACTICE STANDARDS FOR TEACHERS OF READING" 2018 EDITION SHALL BE THE MINIMUM CONTENT USED FOR THE DYSLLEXIA TRAINING; TO AMEND SECTION 37-173-9, MISSISSIPPI CODE OF 1972, TO DELETE CERTAIN PROVISIONS RELATING TO SCHOOL'S DETERMINATION OF STUDENTS WITH DYSLLEXIA; AND FOR RELATED PURPOSES.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2267: Teacher license; allow reciprocity if teacher possesses standard license from other state.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 37-3-2, Mississippi Code of 1972, as amended by House Bill No. 1263, 2021 Regular Session, is amended as follows:

37-3-2. (1) There is established within the State Department of Education the Commission on Teacher and Administrator Education, Certification and Licensure and Development. It shall be the purpose and duty of the commission to make recommendations to the State Board of Education regarding standards for the certification and licensure and continuing professional development of those who teach or perform tasks of an educational nature in the public schools of Mississippi.

(2) (a) The commission shall be composed of fifteen (15) qualified members. The membership of the commission shall be composed of the following members to be appointed, three (3) from each of the four (4) congressional districts, as such districts existed on January 1, 2011, in accordance with the population calculations determined by the 2010 federal decennial census, including: four (4) classroom teachers; three (3) school administrators; one (1) representative of schools of education of public institutions of higher learning located within the state to be recommended by the Board of Trustees of State Institutions of Higher Learning; one (1) representative from the schools of education of independent institutions of higher learning to be recommended by the Board of the Mississippi Association of Independent Colleges; one (1) representative from public community and junior colleges located within the state to be recommended by the Mississippi Community College Board; one (1) local school board member; and four (4) laypersons. Three (3) members of the commission, at the sole discretion of the State Board of Education, shall be appointed from the state at large.

(b) All appointments shall be made by the State Board of Education after consultation with the State Superintendent of Public Education. The first appointments by the State Board of Education shall be made as follows: five (5) members shall be appointed for a term of one (1) year; five (5) members shall be appointed for a term of two (2) years; and five (5) members shall be appointed for a term of three (3) years. Thereafter, all members shall be appointed for a term of four (4) years.

(3) The State Board of Education when making appointments shall designate a chairman. The commission shall meet at least once every two (2) months or more often if needed. Members of the commission shall be compensated at a rate of per diem as authorized by Section 25-3-69 and be reimbursed for actual and necessary expenses as authorized by Section 25-3-41.

(4) (a) An appropriate staff member of the State Department of Education shall be designated and assigned by the State Superintendent of Public Education to serve as executive secretary and coordinator for the commission. No less than two (2) other appropriate staff members of the State Department of Education shall be designated and assigned by the State Superintendent of Public Education to serve on the staff of the commission.

(b) An Office of Educator Misconduct Evaluations shall be established within the State Department of Education to assist the commission in responding to infractions and violations, and in conducting hearings and enforcing the provisions of subsections (11), (12), (13), (14) and (15) of this section, and violations of the Mississippi Educator Code of Ethics.

(5) It shall be the duty of the commission to:

(a) Set standards and criteria, subject to the approval of the State Board of Education, for all educator preparation programs in the state;

(b) Recommend to the State Board of Education each year approval or disapproval of each educator preparation program in the state, subject to a process and schedule determined by the State Board of Education;

(c) Establish, subject to the approval of the State Board of Education, standards for initial teacher certification and licensure in all fields;

(d) Establish, subject to the approval of the State Board of Education, standards for the renewal of teacher licenses in all fields;

(e) Review and evaluate objective measures of teacher performance, such as test scores, which may form part of the licensure process, and to make recommendations for their use;

(f) Review all existing requirements for certification and licensure;

(g) Consult with groups whose work may be affected by the commission's decisions;

(h) Prepare reports from time to time on current practices and issues in the general area of teacher education and certification and licensure;

(i) Hold hearings concerning standards for teachers' and administrators' education and certification and licensure with approval of the State Board of Education;

(j) Hire expert consultants with approval of the State Board of Education;

(k) Set up ad hoc committees to advise on specific areas; and

(l) Perform such other functions as may fall within their general charge and which may be delegated to them by the State Board of Education.

(6) (a) Standard License - Approved Program Route. An educator entering the school system of Mississippi for the first time and meeting all requirements as established by the State Board of Education shall be granted a standard five-year license. Persons who possess two (2) years of classroom experience as an assistant teacher or who have taught for one (1) year in an accredited public or private school shall be allowed to fulfill student teaching requirements under the supervision of a qualified participating teacher approved by an accredited college of education. The local school district in which the assistant teacher is employed shall compensate such assistant teachers at the required salary level during the period of time such individual is completing student teaching requirements. Applicants for a standard license shall submit to the department:

(i) An application on a department form;

(ii) An official transcript of completion of a teacher education program approved by the department or a nationally accredited program, subject to the following: Licensure to teach in Mississippi prekindergarten through kindergarten classrooms shall require completion of a teacher education program or a Bachelor of Science degree with child development emphasis from a program accredited by the American Association of Family and Consumer Sciences (AAFCS) or by the National Association for Education of Young Children (NAEYC) or by the National Council for Accreditation of Teacher Education (NCATE). Licensure to teach in Mississippi kindergarten, for those applicants who have completed a teacher education program, and in Grade 1 through Grade 4 shall require the completion of an interdisciplinary program of studies. Licenses for Grades 4 through 8 shall require the completion of an interdisciplinary program of studies with two (2) or more areas of concentration. Licensure to teach in Mississippi Grades 7 through 12 shall require a major in an academic field other than education, or a combination of disciplines other than education. Students preparing to teach a subject shall complete a major in the respective subject discipline. All applicants for standard licensure shall demonstrate that such person's college preparation in those fields was in accordance with the standards set forth by the National Council for Accreditation of Teacher Education (NCATE) or the National Association of State Directors of Teacher Education and Certification (NASDTEC) or, for those applicants who have a Bachelor of Science degree with child development emphasis, the American Association of Family and Consumer Sciences (AAFCS). Effective July 1, 2016, for initial elementary education licensure, a teacher candidate must earn a passing score on a rigorous test of scientifically research-based reading instruction and intervention and data-based decision-making principles as approved by the State Board of Education;

(iii) A copy of test scores evidencing satisfactory completion of nationally administered examinations of achievement, such as the Educational Testing Service's teacher testing examinations;

(iv) Any other document required by the State Board of Education; and

(v) From and after July 1, 2020, no teacher candidate shall be licensed to teach in Mississippi who did not meet the following criteria for entrance into an approved teacher education program:

1. An ACT Score of twenty-one (21) (or SAT equivalent); or

2. Achieve a qualifying passing score on the Praxis Core Academic Skills for Educators examination as established by the State Board of Education; or

3. A minimum GPA of 3.0 on coursework prior to admission to an approved teacher education program.

(b) Standard License - Nontraditional Teaching Route. From and after July 1, 2020, no teacher candidate shall be licensed to teach in Mississippi under the alternate route who did not meet the following criteria:

(i) An ACT Score of twenty-one (21) (or SAT equivalent); or

(ii) Achieve a qualifying passing score on the Praxis Core Academic Skills for Educators examination as established by the State Board of Education; or

(iii) A minimum GPA of 3.0 on coursework prior to admission to an approved teacher education program.

Beginning July 1, 2020, an individual who has attained a passing score on the Praxis Core Academic Skills for Educators or an ACT Score of twenty-one (21) (or SAT equivalent) or a minimum GPA of 3.0 on coursework prior to admission to an approved teacher education program and a passing score on the Praxis Subject Assessment in the requested area of endorsement may apply for admission to the Teach Mississippi Institute (TMI) program to teach students in Grades 7 through 12 if the individual meets the requirements of this paragraph (b). The State Board of Education shall adopt rules requiring that teacher preparation institutions which provide the Teach Mississippi Institute (TMI) program for the preparation of nontraditional teachers shall meet the standards and comply with the provisions of this paragraph.

(i) The Teach Mississippi Institute (TMI) shall include an intensive eight-week, nine-semester-hour summer program or a curriculum of study in which the student matriculates in the fall or spring semester, which shall include, but not be limited to, instruction in education, effective teaching strategies, classroom management, state curriculum requirements, planning and instruction, instructional methods and pedagogy, using test results to improve instruction, and a one (1) semester three-hour supervised internship to be completed while the teacher is employed as a full-time teacher intern in a local school district. The TMI shall be implemented on a pilot program basis, with courses to be offered at up to four (4) locations in the state, with one (1) TMI site to be located in each of the three (3) Mississippi Supreme Court districts.

(ii) The school sponsoring the teacher intern shall enter into a written agreement with the institution providing the Teach Mississippi Institute (TMI) program, under terms and conditions as agreed upon by the contracting parties, providing that the school district shall provide teacher interns seeking a nontraditional provisional teaching license with a one-year classroom teaching experience. The teacher intern shall successfully complete the one (1) semester three-hour intensive internship in the school district during the semester immediately following successful completion of the TMI and prior to the end of the one-year classroom teaching experience.

(iii) Upon completion of the nine-semester-hour TMI or the fall or spring semester option, the individual shall submit his transcript to the commission for provisional licensure of the intern teacher, and the intern teacher shall be issued a provisional teaching license by the commission, which will allow the individual to legally serve as a teacher while the person completes a nontraditional teacher preparation internship program.

(iv) During the semester of internship in the school district, the teacher preparation institution shall monitor the performance of the intern teacher. The school district that employs the provisional teacher shall supervise the provisional

teacher during the teacher's intern year of employment under a nontraditional provisional license, and shall, in consultation with the teacher intern's mentor at the school district of employment, submit to the commission a comprehensive evaluation of the teacher's performance sixty (60) days prior to the expiration of the nontraditional provisional license. If the comprehensive evaluation establishes that the provisional teacher intern's performance fails to meet the standards of the approved nontraditional teacher preparation internship program, the individual shall not be approved for a standard license.

(v) An individual issued a provisional teaching license under this nontraditional route shall successfully complete, at a minimum, a one-year beginning teacher mentoring and induction program administered by the employing school district with the assistance of the State Department of Education.

(vi) Upon successful completion of the TMI and the internship provisional license period, applicants for a Standard License - Nontraditional Route shall submit to the commission a transcript of successful completion of the twelve (12) semester hours required in the internship program, and the employing school district shall submit to the commission a recommendation for standard licensure of the intern. If the school district recommends licensure, the applicant shall be issued a Standard License - Nontraditional Route which shall be valid for a five-year period and be renewable.

(vii) At the discretion of the teacher preparation institution, the individual shall be allowed to credit the twelve (12) semester hours earned in the nontraditional teacher internship program toward the graduate hours required for a Master of Arts in Teacher (MAT) Degree.

(viii) The local school district in which the nontraditional teacher intern or provisional licensee is employed shall compensate such teacher interns at Step 1 of the required salary level during the period of time such individual is completing teacher internship requirements and shall compensate such Standard License - Nontraditional Route teachers at Step 3 of the required salary level when they complete license requirements.

Implementation of the TMI program provided for under this paragraph (b) shall be contingent upon the availability of funds appropriated specifically for such purpose by the Legislature. Such implementation of the TMI program may not be deemed to prohibit the State Board of Education from developing and implementing additional alternative route teacher licensure programs, as deemed appropriate by the board. The emergency certification program in effect prior to July 1, 2002, shall remain in effect.

A Standard License - Approved Program Route shall be issued for a five-year period, and may be renewed. Recognizing teaching as a profession, a hiring preference shall be granted to persons holding a Standard License - Approved Program Route or Standard License - Nontraditional Teaching Route over persons holding any other license.

(c) Special License - Expert Citizen. In order to allow a school district to offer specialized or technical courses, the State Department of Education, in accordance with rules and regulations established by the State Board of Education, may grant a one-year expert citizen-teacher license to local business or other professional personnel to teach in a public school or nonpublic school accredited or approved by the state. Such person may begin teaching upon his employment by the local school board and licensure by the Mississippi Department of Education. The board shall adopt rules and regulations to administer the expert citizen-teacher license. A Special License - Expert Citizen may be renewed in accordance with the established rules and regulations of the State Department of Education.

(d) Special License - Nonrenewable. The State Board of Education is authorized to establish rules and regulations to allow those educators not meeting requirements in paragraph (a), (b) or (c) of this subsection (6) to be licensed for a period of not more than three (3) years, except by special approval of the State Board of Education.

(e) Nonlicensed Teaching Personnel. A nonlicensed person may teach for a maximum of three (3) periods per teaching day in a public school district or a nonpublic school accredited/approved by the state. Such person shall submit to the department a transcript or record of his education and experience which substantiates his

preparation for the subject to be taught and shall meet other qualifications specified by the commission and approved by the State Board of Education. In no case shall any local school board hire nonlicensed personnel as authorized under this paragraph in excess of five percent (5%) of the total number of licensed personnel in any single school.

(f) Special License - Transitional Bilingual Education. Beginning July 1, 2003, the commission shall grant special licenses to teachers of transitional bilingual education who possess such qualifications as are prescribed in this section. Teachers of transitional bilingual education shall be compensated by local school boards at not less than one (1) step on the regular salary schedule applicable to permanent teachers licensed under this section. The commission shall grant special licenses to teachers of transitional bilingual education who present the commission with satisfactory evidence that they (i) possess a speaking and reading ability in a language, other than English, in which bilingual education is offered and communicative skills in English; (ii) are in good health and sound moral character; (iii) possess a bachelor's degree or an associate's degree in teacher education from an accredited institution of higher education; (iv) meet such requirements as to courses of study, semester hours therein, experience and training as may be required by the commission; and (v) are legally present in the United States and possess legal authorization for employment. A teacher of transitional bilingual education serving under a special license shall be under an exemption from standard licensure if he achieves the requisite qualifications therefor. Two (2) years of service by a teacher of transitional bilingual education under such an exemption shall be credited to the teacher in acquiring a Standard Educator License. Nothing in this paragraph shall be deemed to prohibit a local school board from employing a teacher licensed in an appropriate field as approved by the State Department of Education to teach in a program in transitional bilingual education.

(g) In the event any school district meets the highest accreditation standards as defined by the State Board of Education in the accountability system, the State Board of Education, in its discretion, may exempt such school district from any restrictions in paragraph (e) relating to the employment of nonlicensed teaching personnel.

(h) Highly Qualified Teachers. Beginning July 1, 2006, any teacher from any state meeting the federal definition of highly qualified, as described in the No Child Left Behind Act, must be granted a standard five-year license by the State Department of Education.

(7) Administrator License. The State Board of Education is authorized to establish rules and regulations and to administer the licensure process of the school administrators in the State of Mississippi. There will be four (4) categories of administrator licensure with exceptions only through special approval of the State Board of Education.

(a) Administrator License - Nonpracticing. Those educators holding administrative endorsement but having no administrative experience or not serving in an administrative position on January 15, 1997.

(b) Administrator License - Entry Level. Those educators holding administrative endorsement and having met the department's qualifications to be eligible for employment in a Mississippi school district. Administrator License - Entry Level shall be issued for a five-year period and shall be nonrenewable.

(c) Standard Administrator License - Career Level. An administrator who has met all the requirements of the department for standard administrator licensure.

(d) Administrator License - Nontraditional Route. The board may establish a nontraditional route for licensing administrative personnel. Such nontraditional route for administrative licensure shall be available for persons holding, but not limited to, a master of business administration degree, a master of public administration degree, a master of public planning and policy degree or a doctor of jurisprudence degree from an accredited college or university, with five (5) years of administrative or supervisory experience. Successful completion of the requirements of alternate route licensure for administrators shall qualify the person for a standard administrator license.

Individuals seeking school administrator licensure under paragraph (b), (c) or (d) shall successfully complete a training program and an assessment process prescribed by the State Board of Education. All applicants for school administrator licensure shall

meet all requirements prescribed by the department under paragraph (b), (c) or (d), and the cost of the assessment process required shall be paid by the applicant.

(8) Reciprocity. * * * The department shall grant a standard five-year license to any individual who possesses a valid standard license from another state * * * within a period of twenty-one (21) days from the date of a completed application. The issuance of a license by reciprocity to a military-trained applicant, military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1 or 73-50-2, as applicable.

* * *

(9) Renewal and Reinstatement of Licenses. The State Board of Education is authorized to establish rules and regulations for the renewal and reinstatement of educator and administrator licenses. Effective May 15, 1997, the valid standard license held by an educator shall be extended five (5) years beyond the expiration date of the license in order to afford the educator adequate time to fulfill new renewal requirements established pursuant to this subsection. An educator completing a master of education, educational specialist or doctor of education degree in May 1997 for the purpose of upgrading the educator's license to a higher class shall be given this extension of five (5) years plus five (5) additional years for completion of a higher degree. For all license types with a current valid expiration date of June 30, 2021, the State Department of Education shall grant a one-year extension to June 30, 2022. Beginning July 1, 2022, and thereafter, applicants for licensure renewal shall meet all requirements in effect on the date that the complete application is received by the State Department of Education.

(10) All controversies involving the issuance, revocation, suspension or any change whatsoever in the licensure of an educator required to hold a license shall be initially heard in a hearing de novo, by the commission or by a subcommittee established by the commission and composed of commission members, or by a hearing officer retained and appointed by the commission, for the purpose of holding hearings. Any complaint seeking the denial of issuance, revocation or suspension of a license shall be by sworn affidavit filed with the Commission on Teacher and Administrator Education, Certification and Licensure and Development. The decision thereon by the commission, its subcommittee or hearing officer, shall be final, unless the aggrieved party shall appeal to the State Board of Education, within ten (10) days, of the decision of the commission, its subcommittee or hearing officer. An appeal to the State Board of Education shall be perfected upon filing a notice of the appeal and by the prepayment of the costs of the preparation of the record of proceedings by the commission, its subcommittee or hearing officer. An appeal shall be on the record previously made before the commission, its subcommittee or hearing officer, unless otherwise provided by rules and regulations adopted by the board. The decision of the commission, its subcommittee or hearing officer shall not be disturbed on appeal if supported by substantial evidence, was not arbitrary or capricious, within the authority of the commission, and did not violate some statutory or constitutional right. The State Board of Education in its authority may reverse, or remand with instructions, the decision of the commission, its subcommittee or hearing officer. The decision of the State Board of Education shall be final.

(11) (a) The State Board of Education, acting through the commission, may deny an application for any teacher or administrator license for one or more of the following:

(i) Lack of qualifications which are prescribed by law or regulations adopted by the State Board of Education;

(ii) The applicant has a physical, emotional or mental disability that renders the applicant unfit to perform the duties authorized by the license, as certified by a licensed psychologist or psychiatrist;

(iii) The applicant is actively addicted to or actively dependent on alcohol or other habit-forming drugs or is a habitual user of narcotics, barbiturates, amphetamines, hallucinogens or other drugs having similar effect, at the time of application for a license;

(iv) Fraud or deceit committed by the applicant in securing or attempting to secure such certification and license;

(v) Failing or refusing to furnish reasonable evidence of identification;

(vi) The applicant has been convicted, has pled guilty or entered a plea of nolo contendere to a felony, as defined by federal or state law. For purposes of this subparagraph (vi) of this paragraph (a), a "guilty plea" includes a plea of guilty, entry of a plea of nolo contendere, or entry of an order granting pretrial or judicial diversion;

(vii) The applicant or licensee is on probation or post-release supervision for a felony or conviction, as defined by federal or state law. However, this disqualification expires upon the end of the probationary or post-release supervision period.

(b) The State Board of Education, acting through the commission, shall deny an application for any teacher or administrator license, or immediately revoke the current teacher or administrator license, for one or more of the following:

(i) If the applicant or licensee has been convicted, has pled guilty or entered a plea of nolo contendere to a sex offense as defined by federal or state law. For purposes of this subparagraph (i) of this paragraph (b), a "guilty plea" includes a plea of guilty, entry of a plea of nolo contendere, or entry of an order granting pretrial or judicial diversion;

(ii) The applicant or licensee is on probation or post-release supervision for a sex offense conviction, as defined by federal or state law;

(iii) The license holder has fondled a student as described in Section 97-5-23, or had any type of sexual involvement with a student as described in Section 97-3-95; or

(iv) The license holder has failed to report sexual involvement of a school employee with a student as required by Section 97-5-24.

(12) The State Board of Education, acting through the commission, may revoke, suspend or refuse to renew any teacher or administrator license for specified periods of time or may place on probation, reprimand a licensee, or take other disciplinary action with regard to any license issued under this chapter for one or more of the following:

(a) Breach of contract or abandonment of employment may result in the suspension of the license for one (1) school year as provided in Section 37-9-57;

(b) Obtaining a license by fraudulent means shall result in immediate suspension and continued suspension for one (1) year after correction is made;

(c) Suspension or revocation of a certificate or license by another state shall result in immediate suspension or revocation and shall continue until records in the prior state have been cleared;

(d) The license holder has been convicted, has pled guilty or entered a plea of nolo contendere to a felony, as defined by federal or state law. For purposes of this paragraph, a "guilty plea" includes a plea of guilty, entry of a plea of nolo contendere, or entry of an order granting pretrial or judicial diversion;

(e) The license holder knowingly and willfully committing any of the acts affecting validity of mandatory uniform test results as provided in Section 37-16-4(1);

(f) The license holder has engaged in unethical conduct relating to an educator/student relationship as identified by the State Board of Education in its rules;

(g) The license holder served as superintendent or principal in a school district during the time preceding and/or that resulted in the Governor declaring a state of emergency and the State Board of Education appointing a conservator;

(h) The license holder submitted a false certification to the State Department of Education that a statewide test was administered in strict accordance with the Requirements of the Mississippi Statewide Assessment System; or

(i) The license holder has failed to comply with the Procedures for Reporting Infractions as promulgated by the commission and approved by the State Board of Education pursuant to subsection (15) of this section.

For purposes of this subsection, probation shall be defined as a length of time determined by the commission, its subcommittee or hearing officer, and based on the severity of the offense in which the license holder shall meet certain requirements as prescribed by the commission, its subcommittee or hearing officer. Failure to complete the requirements in the time specified shall result in immediate suspension of the license for one (1) year.

(13) (a) Dismissal or suspension of a licensed employee by a local school board pursuant to Section 37-9-59 may result in the suspension or revocation of a license for a length of time which shall be determined by the commission and based upon the severity of the offense.

(b) Any offense committed or attempted in any other state shall result in the same penalty as if committed or attempted in this state.

(c) A person may voluntarily surrender a license. The surrender of such license may result in the commission recommending any of the above penalties without the necessity of a hearing. However, any such license which has voluntarily been surrendered by a licensed employee may only be reinstated by a majority vote of all members of the commission present at the meeting called for such purpose.

(14) (a) A person whose license has been suspended or surrendered on any grounds except criminal grounds may petition for reinstatement of the license after one (1) year from the date of suspension or surrender, or after one-half (1/2) of the suspended or surrendered time has lapsed, whichever is greater. A person whose license has been suspended or revoked on any grounds or violations under subsection (12) of this section may be reinstated automatically or approved for a reinstatement hearing, upon submission of a written request to the commission. A license suspended, revoked or surrendered on criminal grounds may be reinstated upon petition to the commission filed after expiration of the sentence and parole or probationary period imposed upon conviction. A revoked, suspended or surrendered license may be reinstated upon satisfactory showing of evidence of rehabilitation. The commission shall require all who petition for reinstatement to furnish evidence satisfactory to the commission of good character, good mental, emotional and physical health and such other evidence as the commission may deem necessary to establish the petitioner's rehabilitation and fitness to perform the duties authorized by the license.

(b) A person whose license expires while under investigation by the Office of Educator Misconduct for an alleged violation may not be reinstated without a hearing before the commission if required based on the results of the investigation.

(15) Reporting procedures and hearing procedures for dealing with infractions under this section shall be promulgated by the commission, subject to the approval of the State Board of Education. The revocation or suspension of a license shall be effected at the time indicated on the notice of suspension or revocation. The commission shall immediately notify the superintendent of the school district or school board where the teacher or administrator is employed of any disciplinary action and also notify the teacher or administrator of such revocation or suspension and shall maintain records of action taken. The State Board of Education may reverse or remand with instructions any decision of the commission, its subcommittee or hearing officer regarding a petition for reinstatement of a license, and any such decision of the State Board of Education shall be final.

(16) An appeal from the action of the State Board of Education in denying an application, revoking or suspending a license or otherwise disciplining any person under the provisions of this section shall be filed in the Chancery Court of the First Judicial District of Hinds County, Mississippi, on the record made, including a verbatim transcript of the testimony at the hearing. The appeal shall be filed within thirty (30) days after notification of the action of the board is mailed or served and the proceedings in chancery court shall be conducted as other matters coming before the court. The appeal shall be perfected upon filing notice of the appeal and by the prepayment of all costs, including the cost of preparation of the record of the proceedings by the State Board of Education, and the filing of a bond in the sum of Two Hundred Dollars (\$200.00) conditioned that if the action of the board be affirmed by the chancery court, the applicant or license holder shall pay the costs of the appeal and the action of the chancery court.

(17) All such programs, rules, regulations, standards and criteria recommended or authorized by the commission shall become effective upon approval by the State Board of Education as designated by appropriate orders entered upon the minutes thereof.

(18) The granting of a license shall not be deemed a property right nor a guarantee of employment in any public school district. A license is a privilege indicating minimal eligibility for teaching in the public school districts of Mississippi. This section

shall in no way alter or abridge the authority of local school districts to require greater qualifications or standards of performance as a prerequisite of initial or continued employment in such districts.

(19) In addition to the reasons specified in subsections (12) and (13) of this section, the board shall be authorized to suspend the license of any licensee for being out of compliance with an order for support, as defined in Section 93-11-153. The procedure for suspension of a license for being out of compliance with an order for support, and the procedure for the reissuance or reinstatement of a license suspended for that purpose, and the payment of any fees for the reissuance or reinstatement of a license suspended for that purpose, shall be governed by Section 93-11-157 or 93-11-163, as the case may be. Actions taken by the board in suspending a license when required by Section 93-11-157 or 93-11-163 are not actions from which an appeal may be taken under this section. (c) May use its own employees or independent contractors who are at least twenty-one (21) years of age to deliver such alcoholic beverages, beer, light wine or light spirit product under this section, provided all delivery agents are trained and certified consistent with the training program submitted to the division as required by subsection (2)(d) of this section. If independent contractors are used, the delivery service permittee must enter into a contract with the retailer as required by subsection (2)(c) of this section;

(d) May facilitate orders by telephone, internet or other electronic means for the sale and delivery of alcoholic beverages, beer, light wine or light spirit product under this section. (e) May deliver only sealed containers of alcoholic beverages, beer, light wine or light spirit product to an individual in Mississippi;

(f) Shall obtain from the customer a confirmation that he or she is at least twenty-one (21) years of age at the time the order is placed;

(g) Shall place a stamp, print or label on the outside of the sealed package to indicate that the sealed package contains alcoholic beverages, beer, light wine or light spirit product;

(h) Shall require the recipient, at the time of delivery, to provide valid photo identification verifying he or she is at least twenty-one (21) years of age and to sign for the delivery;

(i) Shall possess identification scanning software technology or a state-of-the-art alternative at the point of delivery to verify the recipient is at least twenty-one (21) years of age and to collect the recipient's name and date of birth. Records relating to this verification shall be maintained for at least ninety (90) days and shall be subject to review by the division;

(j) Shall return all alcoholic beverages, beer, light wine or light spirit product to the retailer if the recipient is under the age of twenty-one (21) years, appears intoxicated, fails to provide proof of identification, fails or refuses to sign for delivery, fails to complete the identification verification process or declines to accept delivery, or if any circumstances in the delivery environment indicate illegal conduct, overconsumption of alcohol, or an otherwise unsafe environment for the consumption of alcohol;

(k) May not deliver any alcoholic beverage, beer, light wine or light spirit product to any person located within a jurisdiction that is dry for that product, as provided by the division's wet-dry map;

(l) May not deliver any alcoholic beverage, beer, light wine or light spirit product in a jurisdiction during times prohibited for lawful sale in that jurisdiction;

(m) May not deliver any alcoholic beverage, beer, light wine or light spirit product more than thirty (30) miles from the retailer's licensed premises;

(n) Shall permit the division to perform an audit of the licensee's records upon request and with sufficient notification; and

(o) Shall be deemed to have consented to the jurisdiction of the division or any law enforcement agency and the Mississippi courts concerning enforcement of this section and any related laws or rules.

(g) Shall be properly registered to conduct business in Mississippi.

(3) Nothing in this section shall be construed to require a technology services company to obtain a delivery service permit if the company does not employ or contract with delivery agents but merely provides software or a digital network application that connects consumers and licensed retailers for the delivery of alcoholic beverages from the licensed retailer. However, the act of connecting consumers to licensed retailers shall serve to grant jurisdiction to the State of Mississippi.

(4) The division may enforce the requirements of this section by the same administrative proceedings that apply to other alcoholic beverage licenses or permits, including, without limitation, any disciplinary action applicable to the package retailer's permittee, on-premises retailer's permittee, retail permittee for beer, light wine or light spirit product, or delivery service permittee resulting from any unlawful sale to a minor.

(5) The division may enforce the requirements of this section against the package retailer's permittee, on-premises retailer's permittee, retail permittee for beer, light wine or light spirit product, or delivery service permittee, and any employee or independent contractor of such permittee. If a package retailer permittee, an on-premises retailer's permittee, or a retail permittee for beer, light wine or light spirit product is also a delivery permittee, a violation of alcohol law by its employee or independent contractor during delivery will subject both the retailer permit and the delivery service permit to disciplinary action for the violation. Delivery to a minor shall be treated as furnishing to a minor and shall result in any applicable disciplinary action.

(6) Nothing in this section shall be construed to limit or otherwise diminish the ability of the division to enforce the provisions of Chapters 1 and 3, Title 67, Mississippi Code of 1972, with respect to the liability of any package retailer's permittee, on-premises retailer's permittee, retail permittee for beer, light wine or light spirit product, or delivery service permittee engaging in delivery activity authorized by this section.

(7) Nothing in this section shall be construed to authorize the direct shipment of alcoholic beverages, light wine, beer or light spirit product from any manufacturer or distributor holding a permit under this chapter, or under Title 67, Chapter 3, Mississippi Code of 1972, to consumers in this state.

SECTION 2. Section 67-1-51, Mississippi Code of 1972, as amended by House Bill No. 1288, 2021 Regular Session, and Senate Bill No. 2606, 2021 Regular Session, is amended as follows:

67-1-51. (1) Permits which may be issued by the department shall be as follows:

(a) Manufacturer's permit. A manufacturer's permit shall permit the manufacture, importation in bulk, bottling and storage of alcoholic liquor and its distribution and sale to manufacturers holding permits under this chapter in this state and to persons outside the state who are authorized by law to purchase the same, and to sell as provided by this chapter.

Manufacturer's permits shall be of the following classes:

Class 1. Distiller's and/or rectifier's permit, which shall authorize the holder thereof to operate a distillery for the production of distilled spirits by distillation or redistillation and/or to operate a rectifying plant for the purifying, refining, mixing, blending, flavoring or reducing in proof of distilled spirits and alcohol.

Class 2. Wine manufacturer's permit, which shall authorize the holder thereof to manufacture, import in bulk, bottle and store wine or vinous liquor.

Class 3. Native wine producer's permit, which shall authorize the holder thereof to produce, bottle, store and sell native wines.

Except as otherwise provided in this paragraph and Section 67-1-52, a package retailer's permit shall authorize the holder thereof to operate a store exclusively for the sale at retail in original sealed and unopened packages of alcoholic beverages, including native wines and native spirits, not to be consumed on the premises where sold. Alcoholic beverages shall not be sold by any retailer in any package or container containing less than fifty (50) milliliters by liquid measure. A package retailer's permit, with prior approval from the department, shall authorize the holder thereof to sample new product furnished by a manufacturer's representative or his employees at the permitted place of business so long as the sampling otherwise complies with this chapter and applicable department regulations. Such samples may not be provided to customers at the permitted place of business. In addition to the sale at retail of packages of alcoholic beverages, the holder of a package retailer's permit is authorized to sell at retail corkscrews, wine glasses, soft drinks, ice, juices, mixers and other beverages commonly used to mix with alcoholic beverages. Nonalcoholic beverages sold by the holder of a package retailer's permit shall not be consumed on the premises where sold.

(c) On-premises retailer's permit. Except as otherwise provided in subsection (5) of this section, an on-premises retailer's permit shall authorize the sale of alcoholic beverages, including native wines and native spirits, for consumption on the licensed premises only; however, a patron of the permit holder may remove one (1) bottle of wine from the licensed premises if: (i) the patron consumed a portion of the bottle of wine in the course of consuming a meal purchased on the licensed premises; (ii) the permit holder securely reseals the bottle; (iii) the bottle is placed in a bag that is secured in a manner so that it will be visibly apparent if the bag is opened; and (iv) a dated receipt for the wine and the meal is available. Additionally, as part of a carryout order, a permit holder may sell one (1) bottle of wine to be removed from the licensed premises for every two (2) entrees ordered. Such a permit shall be issued only to qualified hotels, restaurants and clubs, and to common carriers with adequate facilities for serving passengers. In resort areas, whether inside or outside of a municipality, the department, in its discretion, may issue on-premises retailer's permits to such establishments as it deems proper. An on-premises retailer's permit when issued to a common carrier shall authorize the sale and serving of alcoholic beverages aboard any licensed vehicle while moving through any county of the state; however, the sale of such alcoholic beverages shall not be permitted while such vehicle is stopped in a county that has not legalized such sales. If an on-premises retailer's permit is applied for by a common carrier operating solely in the water, such common carrier must, along with all other qualifications for a permit, (i) be certified to carry at least one hundred fifty (150) passengers and/or provide overnight accommodations for at least fifty (50) passengers and (ii) operate primarily in the waters within the State of Mississippi which lie adjacent to the State of Mississippi south of the three (3) most southern counties in the State of Mississippi and/or on the Mississippi River or navigable waters within any county bordering on the Mississippi River.

(d) Solicitor's permit. A solicitor's permit shall authorize the holder thereof to act as salesman for a manufacturer or wholesaler holding a proper permit, to solicit on behalf of his employer orders for alcoholic beverages, and to otherwise promote his employer's products in a legitimate manner. Such a permit shall authorize the representation of and employment by one (1) principal only. However, the permittee may also, in the discretion of the department, be issued additional permits to represent other principals. No such permittee shall buy or sell alcoholic beverages for his own account,

and no such beverage shall be brought into this state in pursuance of the exercise of such permit otherwise than through a permit issued to a wholesaler or manufacturer in the state.

(e) Native wine retailer's permit. Except as otherwise provided in subsection (5) of this section, a native wine retailer's permit shall be issued only to a holder of a Class 3 manufacturer's permit, and shall authorize the holder thereof to make retail sales of native wines to consumers for on-premises consumption or to consumers in originally sealed and unopened containers at an establishment located on the premises of or in the immediate vicinity of a native winery. When selling to consumers for on-premises consumption, a holder of a native wine retailer's permit may add to the native wine alcoholic beverages not produced on the premises, so long as the total volume of foreign beverage components does not exceed twenty percent (20%) of the mixed beverage. Hours of sale shall be the same as those authorized for on-premises permittees in the city or county in which the native wine retailer is located.

(f) Temporary retailer's permit. Except as otherwise provided in subsection (5) of this section, a temporary retailer's permit shall permit the purchase and resale of alcoholic beverages, including native wines and native spirits, during legal hours on the premises described in the temporary permit only.

Temporary retailer's permits shall be of the following classes:

Class 1. A temporary one-day permit may be issued to bona fide nonprofit civic or charitable organizations authorizing the sale of alcoholic beverages, including native wine and native spirit, for consumption on the premises described in the temporary permit only. Class 1 permits may be issued only to applicants demonstrating to the department, by a statement signed under penalty of perjury submitted ten (10) days prior to the proposed date or such other time as the department may determine, that they meet the qualifications of Sections 67-1-11, 67-1-37, 67-1-51(2) and (3), 67-1-55, 67-1-57 (excluding paragraph (e)) and 67-1-59. Class 1 permittees shall obtain all alcoholic beverages from package retailers located in the county in which the temporary permit is issued. Alcoholic beverages remaining in stock upon expiration of the temporary permit may be returned by the permittee to the package retailer for a refund of the purchase price upon consent of the package retailer or may be kept by the permittee exclusively for personal use and consumption, subject to all laws pertaining to the illegal sale and possession of alcoholic beverages. The department, following review of the statement provided by the applicant and the requirements of the applicable statutes and regulations, may issue the permit.

Class 2. A temporary permit, not to exceed seventy (70) days, may be issued to prospective permittees seeking to transfer a permit authorized in paragraph (c) of this subsection. A Class 2 permit may be issued only to applicants demonstrating to the department, by a statement signed under the penalty of perjury, that they meet the qualifications of Sections 67-1-5(l), (m), (n), (o), (p) or (q), 67-1-37, 67-1-51(2) and (3), 67-1-55, 67-1-57 and 67-1-59. The department, following a preliminary review of the statement provided by the applicant and the requirements of the applicable statutes and regulations, may issue the permit.

Class 2 temporary permittees must purchase their alcoholic beverages directly from the department or, with approval of the department, purchase the remaining stock of the previous permittee. If the proposed applicant of a Class 1 or Class 2 temporary permit falsifies information contained in the application or statement, the applicant shall never again be eligible for a retail alcohol beverage permit and shall be subject to prosecution for perjury.

Class 3. A temporary one-day permit may be issued to a retail establishment authorizing the complimentary distribution of wine, including native wine, to patrons of the retail establishment at an open house or promotional event, for consumption only on the premises described in the temporary permit. A Class 3 permit may be issued only to an applicant demonstrating to the department, by a statement signed under penalty of perjury submitted ten (10) days before the proposed date or such other time as the department may determine, that it meets the qualifications of Sections 67-1-11, 67-1-37, 67-1-51(2) and (3), 67-1-55, 67-1-57 (excluding paragraph (e)) and 67-1-59. A Class 3 permit holder shall obtain all alcoholic beverages from the holder(s) of a package retailer's permit located in the county in which the temporary permit is issued. Wine remaining in stock upon expiration of the temporary permit may be returned by the Class 3 temporary permit

holder to the package retailer for a refund of the purchase price, with consent of the package retailer, or may be kept by the Class 3 temporary permit holder exclusively for personal use and consumption, subject to all laws pertaining to the illegal sale and possession of alcoholic beverages. The department, following review of the statement provided by the applicant and the requirements of the applicable statutes and regulations, may issue the permit. No retailer may receive more than twelve (12) Class 3 temporary permits in a calendar year. A Class 3 temporary permit shall not be issued to a retail establishment that either holds a merchant permit issued under paragraph (l) of this subsection, or holds a permit issued under Chapter 3, Title 67, Mississippi Code of 1972, authorizing the holder to engage in the business of a retailer of light wine or beer.

(g) Caterer's permit. A caterer's permit shall permit the purchase of alcoholic beverages by a person engaging in business as a caterer and the resale of alcoholic beverages by such person in conjunction with such catering business. No person shall qualify as a caterer unless forty percent (40%) or more of the revenue derived from such catering business shall be from the serving of prepared food and not from the sale of alcoholic beverages and unless such person has obtained a permit for such business from the Department of Health. A caterer's permit shall not authorize the sale of alcoholic beverages on the premises of the person engaging in business as a caterer; however, the holder of an on-premises retailer's permit may hold a caterer's permit. When the holder of an on-premises retailer's permit or an affiliated entity of the holder also holds a caterer's permit, the caterer's permit shall not authorize the service of alcoholic beverages on a consistent, recurring basis at a separate, fixed location owned or operated by the caterer, on-premises retailer or affiliated entity and an on-premises retailer's permit shall be required for the separate location. All sales of alcoholic beverages by holders of a caterer's permit shall be made at the location being catered by the caterer, and, except as otherwise provided in subsection (5) of this section, such sales may be made only for consumption at the catered location. The location being catered may be anywhere within a county or judicial district that has voted to come out from under the dry laws or in which the sale and distribution of alcoholic beverages is otherwise authorized by law. Such sales shall be made pursuant to any other conditions and restrictions which apply to sales made by on-premises retail permittees. The holder of a caterer's permit or his employees shall remain at the catered location as long as alcoholic beverages are being sold pursuant to the permit issued under this paragraph (g), and the permittee shall have at the location the identification card issued by the Alcoholic Beverage Control Division of the department. No unsold alcoholic beverages may be left at the catered location by the permittee upon the conclusion of his business at that location. Appropriate law enforcement officers and Alcoholic Beverage Control Division personnel may enter a catered location on private property in order to enforce laws governing the sale or serving of alcoholic beverages.

If there is any conflict between any provision of Section 93-11-157 or Section 93-11-163 and any provision of this chapter, the provisions of Section 93-11-157 or Section 93-11-163, as the case may be, shall control.

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1296: Historic property income tax credit; revise certain provisions regarding.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 27-7-22.31, Mississippi Code of 1972, is amended as follows:

27-7-22.31. (1) As used in this section:

(a) "Certified historic structure" means a property located in Mississippi that has been:

(i) Listed individually on the National Register of Historic Places; or

(ii) Determined eligible for the National Register of Historic Places by the Secretary of the United States Department of the Interior and will be listed within thirty (30) months of claiming the rebate or credit authorized by this section; or

(iii) Property designated a Mississippi Landmark by the Department of Archives and History pursuant to Section 39-7-3 et seq.

(b) "Eligible property" means property located in Mississippi and offered or used for residential or business purposes * * *.

(c) "Structure in a certified historic district" means a structure (and its structural components) located in Mississippi which:

(i) Is listed in the National Register of Historic Places; or

(ii) Has been determined eligible for the National Register of Historic Places by the Secretary of the United States Department of the Interior and will be listed within thirty (30) months of claiming the rebate or credit authorized by this section; or

(iii) Is located in a registered historic district listed on the National Register of Historic Places or located in a potential district that has been determined eligible for the National Register of Historic Places by the Secretary of the United States Department of the Interior and will be listed within thirty (30) months of claiming the rebate or credit authorized by this section, and is certified by the Secretary of the United States Department of the Interior as being of historic significance to the district; or

(iv) Is certified by the Mississippi Department of Archives and History as contributing to the historic significance of:

1. A certified historic district listed on the National Register of Historic Places; or

2. A potential district that has been determined eligible for the National Register of Historic Places by the Secretary of the United States Department of the Interior and will be listed within thirty (30) months of claiming the rebate or credit authorized by this section; or

3. A local district that has been certified by the United States Department of the Interior.

(d) "Department" means the Department of Archives and History.

(2) Any taxpayer incurring costs and expenses for the rehabilitation of eligible property, which is a certified historic structure or a structure in a certified historic district, shall be entitled to a rebate or credit against the taxes imposed pursuant to this chapter in an amount equal to twenty-five percent (25%) of the total costs and expenses of rehabilitation incurred after January 1, 2006, which shall include, but not be limited to, qualified rehabilitation expenditures as defined under Section 47(c)(2)(A) of the Internal Revenue Code of 1986, as amended, and the related regulations thereunder:

(a) If the costs and expenses associated with rehabilitation exceed:

(i) Five Thousand Dollars (\$5,000.00) in the case of an owner-occupied dwelling; or

(ii) Fifty percent (50%) of the * * * adjusted basis in the property in the case of all other properties; and

(b) The rehabilitation is consistent with the standards of the Secretary of the United States Department of the Interior as determined by the department.

(3) Any taxpayer eligible for the rebate or credit authorized by this section may claim the rebate or credit in phases if:

(a) There is a written set of architectural plans and specifications for all phases of the rehabilitation (written plans outlining and describing all phases of the rehabilitation shall be accepted as written plans and specifications);

(b) The written set of architectural plans and specifications are completed before the physical work on the rehabilitation begins; and

(c) *** The project receives final certification by the department within sixty (60) months of the project start date certified in the first phase.

(4) (a) (i) If the amount of the tax credit established by this section exceeds the total state income tax liability for the credit year ***, the amount that exceeds the total state income tax liability may be carried forward for the ten (10) succeeding tax years.

(ii) In lieu of claiming a tax credit, the taxpayer may elect to claim a *** rebate in the amount of seventy-five percent (75%) of the *** amount that would be eligible to claim as a credit. The election must be made in the year in which the *** rebate is certified. ***

(iii) *** Rebate requests shall be submitted to the department *** on forms prescribed by the department. The department will then provide the taxpayer with a voucher for the approved amount. Within twelve (12) months of the issuance of the voucher by the department, the taxpayer may submit the voucher to the Department of Revenue to receive payment. *** Rebates shall be made from current tax collections.

(b) Not-for-profit entities, including, but not limited to, nonprofit corporations organized under Section 79-11-101 et seq. shall be ineligible for the rebate or credit authorized by this section. Credits granted to a partnership, a limited liability company taxed as a partnership or multiple owners of property shall be passed through to the partners, members or owners on a pro rata basis or pursuant to an executed agreement among the partners, members or owners documenting an alternative distribution method. Partners, members or other owners of a pass-through entity are not eligible to elect a refund of excess credit in lieu of a carryforward of the credit. However, a partnership or limited liability company taxed as a partnership may elect to claim a *** rebate at the entity level on a form prescribed by the department ***. Additionally, excess tax credits that are attributable to rehabilitated property that was placed in service by a pass-through entity prior to January 1, 2011, and that have previously been allocated to and are held by another pass-through entity prior to January 1, 2011, may be refunded to such other pass-through entity.

(5) (a) (i) To claim the rebate or credit authorized pursuant to this section, the taxpayer shall apply to the department which shall determine the amount of eligible rehabilitation costs and expenses and whether the rehabilitation is consistent with the standards of the Secretary of the United States Department of the Interior. The department shall issue a certificate evidencing the date of the rebate or credit and amount of eligible rebate or credit if the taxpayer is found to be eligible for the tax rebate or credit. The taxpayer shall attach the certificate to all income tax returns on which the credit is claimed. Except as otherwise provided in this paragraph (a), the department shall not issue certificates evidencing the eligible rebate or credit which *** will result in rebates or credits being awarded in excess of Twelve Million Dollars (\$12,000,000.00) in any one (1) *** calendar year for projects with total qualified rehabilitation costs and expenses of One Million Seven Hundred Fifty Thousand Dollars (\$1,750,000.00) or more. The department shall also not issue certificates evidencing the eligible rebate or credit which will result in rebates or credits being awarded in excess of Twelve Million Dollars (\$12,000,000.00) in any one (1) calendar year for projects with total qualified rehabilitation costs and expenses of less than One Million Seven Hundred Fifty Thousand Dollars (\$1,750,000.00).

(ii) If claiming a credit instead of a rebate, the taxpayer shall claim such credit on the income tax return for the tax year for which the credit is certified.

(b) The date of the rebate or credit shall be certified in the following order:

(i) The rebate or credit shall be certified based on the date of project completion.

(ii) If the eligible rebate or credit exceeds the available limit in the year in which the project is completed, the rebate or credit shall be certified based on the date the certification is issued by the department. The department shall issue the

certification in the first calendar year in which the requested rebate or credit would not exceed the calendar year limit.

(** *c) The aggregate amount of tax rebates or credits that may be awarded under this section shall not exceed One Hundred Eighty Million Dollars (\$180,000,000.00). ** *

(6) (a) The rebate or credit received by a taxpayer pursuant to this section is subject to recapture if:

(i) The property is one that has been determined eligible for the National Register of Historic Places but is not listed on the National Register of Historic Places within thirty (30) months of claiming the rebate or credit authorized by this section;

(ii) The potential district in which the property is located is not listed on the National Register of Historic Places within thirty (30) months of claiming the rebate or credit authorized by this section; or

(iii) ** * The project has not received final certification by the department within sixty (60) months of the project start date certified in the first phase.

(b) The taxpayer shall notify the department and the Department of Revenue if any of the situations that subject the credit to recapture occur.

(7) (a) The board of trustees of the department shall establish fees to be charged for the services performed by the department under this section and shall publish the fee schedule. The fees contained in the schedule shall be in amounts reasonably calculated to recover the costs incurred by the department for the administration of this section. Any taxpayer desiring to participate in the tax credits authorized by this section shall pay the appropriate fee as contained in the fee schedule to the department, which shall be used by the department, without appropriation, to offset the administrative costs of the department associated with its duties under this section.

(b) There is hereby created within the State Treasury a special fund into which shall be deposited all the fees collected by the department pursuant to this section. Money deposited into the fund shall not lapse at the end of any fiscal year and investment earnings on the proceeds in such special fund shall be deposited into such fund. Money from the fund shall be disbursed upon warrants issued by the State Fiscal Officer upon requisitions signed by the executive director of the department to assist the department in carrying out its duties under this section.

(8) This section shall only apply to taxpayers:

(a) Who have been issued a certificate evidencing the eligible credit before December 31, 2030; or

(b) Who, before December 31, 2030, have received a determination in writing from the Mississippi Department of Archives and History, in accordance with the department's Historic Preservation Certificate Application, Part 2, that the rehabilitation is consistent with the historic character of the property and that the property meets the United States Secretary of the Interior's Standards for Rehabilitation, or will meet the standards if certain specified conditions are met, and, who are issued a certificate evidencing the eligible credit on or after December 31, 2030.

SECTION 2. This act shall take effect and be in force from and after January 1, 2021.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 27-7-22.31, MISSISSIPPI CODE OF 1972, WHICH AUTHORIZES AN INCOME TAX CREDIT FOR COSTS AND EXPENSES INCURRED FOR THE REHABILITATION OF CERTAIN HISTORIC STRUCTURES, TO REMOVE THE PROVISION THAT EXCLUDES SINGLE-FAMILY DWELLINGS FROM THE DEFINITION OF THE TERM "ELIGIBLE PROPERTY"; TO REVISE THE PROVISIONS UNDER WHICH A TAXPAYER ELIGIBLE FOR A TAX CREDIT MAY CLAIM THE TAX CREDIT IN PHASES; TO REMOVE THE OPTION, IN LIEU OF THE TEN-YEAR CARRYFORWARD, OF A REFUND PAID OVER A TWO-YEAR PERIOD IN THE AMOUNT OF 75% OF THE EXCESS CREDIT; TO ALLOW THE OPTION, IN LIEU OF CLAIMING THE CREDIT, OF A REBATE OF 75% OF THE AMOUNT THAT WOULD BE ELIGIBLE TO CLAIM AS A CREDIT; TO PROVIDE THAT THE REBATE SHALL BE

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1356: Income tax and sales tax; revise deduction for depreciation, exempt sales of certain aircraft.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 27-7-17, Mississippi Code of 1972, is amended as follows:

27-7-17. In computing taxable income, there shall be allowed as deductions:

(1) Business deductions.

(a) Business expenses. All the ordinary and necessary expenses paid or incurred during the taxable year in carrying on any trade or business, including a reasonable allowance for salaries or other compensation for personal services actually rendered; nonreimbursable traveling expenses incident to current employment, including a reasonable amount expended for meals and lodging while away from home in the pursuit of a trade or business; and rentals or other payments required to be made as a condition of the continued use or possession, for purposes of the trade or business of property to which the taxpayer has not taken or is not taking title or in which he had no equity. Expense incurred in connection with earning and distributing nontaxable income is not an allowable deduction. Limitations on entertainment expenses shall conform to the provisions of the Internal Revenue Code of 1986.

(b) Interest. All interest paid or accrued during the taxable year on business indebtedness, except interest upon the indebtedness for the purchase of tax-free bonds, or any stocks, the dividends from which are nontaxable under the provisions of this article; provided, however, in the case of securities dealers, interest payments or accruals on loans, the proceeds of which are used to purchase tax-exempt securities, shall be deductible if income from otherwise tax-free securities is reported as income. Investment interest expense shall be limited to investment income. Interest expense incurred for the purchase of treasury stock, to pay dividends, or incurred as a result of an undercapitalized affiliated corporation may not be deducted unless an ordinary and necessary business purpose can be established to the satisfaction of the commissioner. For the purposes of this paragraph, the phrase "interest upon the indebtedness for the purchase of tax-free bonds" applies only to the indebtedness incurred for the purpose of directly purchasing tax-free bonds and does not apply to any other indebtedness incurred in the regular course of the taxpayer's business. Any corporation, association, organization or other entity taxable under Section 27-7-23(c) shall allocate interest expense as provided in Section 27-7-23(c)(3)(I).

(c) Taxes. Taxes paid or accrued within the taxable year, except state and federal income taxes, excise taxes based on or measured by net income, estate and inheritance taxes, gift taxes, cigar and cigarette taxes, gasoline taxes, and sales and use taxes unless incurred as an item of expense in a trade or business or in the production of taxable income. In the case of an individual, taxes permitted as an itemized deduction under the provisions of subsection (3)(a) of this section are to be claimed thereunder.

(d) Business losses.

(i) Losses sustained during the taxable year not compensated for by insurance or otherwise, if incurred in trade or business, or nonbusiness transactions entered into for profit.

(ii) Limitations on losses from passive activities and rental real estate shall conform to the provisions of the Internal Revenue Code of 1986.

(e) Bad debts. Losses from debts ascertained to be worthless and charged off during the taxable year, if sustained in the conduct of the regular trade or business of the taxpayer; provided, that such losses shall be allowed only when the taxpayer has reported as income, on the accrual basis, the amount of such debt or account.

(f) Depreciation. A reasonable allowance for exhaustion, wear and tear of property used in the trade or business, or rental property, and depreciation upon buildings based upon their reasonable value as of March 16, 1912, if acquired prior

thereto, and upon cost if acquired subsequent to that date. In the case of new or used aircraft, equipment, engines, or other parts and tools used for aviation, allowance for bonus depreciation conforms with the federal bonus depreciation rates and reasonable allowance for depreciation under this section is no less than one hundred percent (100%).

(g) Depletion. In the case of mines, oil and gas wells, other natural deposits and timber, a reasonable allowance for depletion and for depreciation of improvements, based upon cost, including cost of development, not otherwise deducted, or fair market value as of March 16, 1912, if acquired prior to that date, such allowance to be made upon regulations prescribed by the commissioner, with the approval of the Governor.

(h) Contributions or gifts. Except as otherwise provided in paragraph (p) of this subsection or subsection (3)(a) of this section for individuals, contributions or gifts made by corporations within the taxable year to corporations, organizations, associations or institutions, including Community Chest funds, foundations and trusts created solely and exclusively for religious, charitable, scientific or educational purposes, or for the prevention of cruelty to children or animals, no part of the net earnings of which inure to the benefit of any private stockholder or individual. This deduction shall be allowed in an amount not to exceed twenty percent (20%) of the net income. Such contributions or gifts shall be allowable as deductions only if verified under rules and regulations prescribed by the commissioner, with the approval of the Governor. Contributions made in any form other than cash shall be allowed as a deduction, subject to the limitations herein provided, in an amount equal to the actual market value of the contributions at the time the contribution is actually made and consummated.

(i) Reserve funds - insurance companies. In the case of insurance companies the net additions required by law to be made within the taxable year to reserve funds when such reserve funds are maintained for the purpose of liquidating policies at maturity.

(j) Annuity income. The sums, other than dividends, paid within the taxpayer year on policy or annuity contracts when such income has been included in gross income.

(k) Contributions to employee pension plans. Contributions made by an employer to a plan or a trust forming part of a pension plan, stock bonus plan, disability or death-benefit plan, or profit-sharing plan of such employer for the exclusive benefit of some or all of his, their, or its employees, or their beneficiaries, shall be deductible from his, their, or its income only to the extent that, and for the taxable year in which, the contribution is deductible for federal income tax purposes under the Internal Revenue Code of 1986 and any other provisions of similar purport in the Internal Revenue Laws of the United States, and the rules, regulations, rulings and determinations promulgated thereunder, provided that:

(i) The plan or trust be irrevocable.

(ii) The plan or trust constitute a part of a pension plan, stock bonus plan, disability or death-benefit plan, or profit-sharing plan for the exclusive benefit of some or all of the employer's employees and/or officers, or their beneficiaries, for the purpose of distributing the corpus and income of the plan or trust to such employees and/or officers, or their beneficiaries.

(iii) No part of the corpus or income of the plan or trust can be used for purposes other than for the exclusive benefit of employees and/or officers, or their beneficiaries.

Contributions to all plans or to all trusts of real or personal property (or real and personal property combined) or to insured plans created under a retirement plan for which provision has been made under the laws of the United States of America, making such contributions deductible from income for federal income tax purposes, shall be deductible only to the same extent under the Income Tax Laws of the State of Mississippi.

(l) Net operating loss carrybacks and carryovers. A net operating loss for any taxable year ending after December 31, 1993, and taxable years thereafter, shall be a net operating loss carryback to each of the three (3) taxable years preceding the taxable year of the loss. If the net operating loss for any taxable year is not exhausted by carrybacks to the three (3) taxable years preceding the taxable year of the loss, then there shall be a net operating loss carryover to each of the fifteen (15) taxable years

following the taxable year of the loss beginning with any taxable year after December 31, 1991.

For any taxable year ending after December 31, 1997, the period for net operating loss carrybacks and net operating loss carryovers shall be the same as those established by the Internal Revenue Code and the rules, regulations, rulings and determinations promulgated thereunder as in effect at the taxable year end or on December 31, 2000, whichever is earlier.

A net operating loss for any taxable year ending after December 31, 2001, and taxable years thereafter, shall be a net operating loss carryback to each of the two (2) taxable years preceding the taxable year of the loss. If the net operating loss for any taxable year is not exhausted by carrybacks to the two (2) taxable years preceding the taxable year of the loss, then there shall be a net operating loss carryover to each of the twenty (20) taxable years following the taxable year of the loss beginning with any taxable year after the taxable year of the loss.

The term "net operating loss," for the purposes of this paragraph, shall be the excess of the deductions allowed over the gross income; provided, however, the following deductions shall not be allowed in computing same:

- (i) No net operating loss deduction shall be allowed.
- (ii) No personal exemption deduction shall be allowed.
- (iii) Allowable deductions which are not attributable to

taxpayer's trade or business shall be allowed only to the extent of the amount of gross income not derived from such trade or business.

Any taxpayer entitled to a carryback period as provided by this paragraph may elect to relinquish the entire carryback period with respect to a net operating loss for any taxable year ending after December 31, 1991. The election shall be made in the manner prescribed by the Department of Revenue and shall be made by the due date, including extensions of time, for filing the taxpayer's return for the taxable year of the net operating loss for which the election is to be in effect. The election, once made for any taxable year, shall be irrevocable for that taxable year.

(m) Amortization of pollution or environmental control facilities. Allowance of deduction. Every taxpayer, at his election, shall be entitled to a deduction for pollution or environmental control facilities to the same extent as that allowed under the Internal Revenue Code and the rules, regulations, rulings and determinations promulgated thereunder.

(n) Dividend distributions - real estate investment trusts. "Real estate investment trust" (hereinafter referred to as REIT) shall have the meaning ascribed to such term in Section 856 of the federal Internal Revenue Code of 1986, as amended. A REIT is allowed a dividend distributed deduction if the dividend distributions meet the requirements of Section 857 or are otherwise deductible under Section 858 or 860, federal Internal Revenue Code of 1986, as amended. In addition:

(i) A dividend distributed deduction shall only be allowed for dividends paid by a publicly traded REIT. A qualified REIT subsidiary shall be allowed a dividend distributed deduction if its owner is a publicly traded REIT.

(ii) Income generated from real estate contributed or sold to a REIT by a shareholder or related party shall not give rise to a dividend distributed deduction, unless the shareholder or related party would have received the dividend distributed deduction under this chapter.

(iii) A holding corporation receiving a dividend from a REIT shall not be allowed the deduction in Section 27-7-15(4)(t).

(iv) Any REIT not allowed the dividend distributed deduction in the federal Internal Revenue Code of 1986, as amended, shall not be allowed a dividend distributed deduction under this chapter.

The commissioner is authorized to promulgate rules and regulations consistent with the provisions in Section 269 of the federal Internal Revenue Code of 1986, as amended, so as to prevent the evasion or avoidance of state income tax.

(o) Contributions to college savings trust fund accounts. Contributions or payments to a Mississippi Affordable College Savings Program account are deductible as provided under Section 37-155-113. Payments made under a prepaid

tuition contract entered into under the Mississippi Prepaid Affordable College Tuition Program are deductible as provided under Section 37-155-17.

(p) Contributions of human pharmaceutical products. To the extent that a "major supplier" as defined in Section 27-13-13(2)(d) contributes human pharmaceutical products in excess of Two Hundred Fifty Million Dollars (\$250,000,000.00) as determined under Section 170 of the Internal Revenue Code, the charitable contribution limitation associated with those donations shall follow the federal limitation but cannot result in the Mississippi net income being reduced below zero.

(q) Contributions to ABLE trust fund accounts. Contributions or payments to a Mississippi Achieving a Better Life Experience (ABLE) Program account are deductible as provided under Section 43-28-13.

(2) Restrictions on the deductibility of certain intangible expenses and interest expenses with a related member.

(a) As used in this subsection (2):

(i) "Intangible expenses and costs" include:

1. Expenses, losses and costs for, related to, or in connection directly or indirectly with the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange or any other disposition of intangible property to the extent such amounts are allowed as deductions or costs in determining taxable income under this chapter;

2. Expenses or losses related to or incurred in connection directly or indirectly with factoring transactions or discounting transactions;

A stockholder who is an individual or a member of the stockholder's family, as defined in regulations prescribed by the commissioner, if the stockholder and the members of the stockholder's family own, directly, indirectly, beneficially or constructively, in the aggregate, at least fifty percent (50%) of the value of the taxpayer's outstanding stock;

2. A stockholder, or a stockholder's partnership, limited liability company, estate, trust or corporation, if the stockholder and the stockholder's partnerships, limited liability companies, estates, trusts and corporations own, directly, indirectly, beneficially or constructively, in the aggregate, at least fifty percent (50%) of the value of the taxpayer's outstanding stock;

3. A corporation, or a party related to the corporation in a manner that would require an attribution of stock from the corporation to the party or from the party to the corporation, if the taxpayer owns, directly, indirectly, beneficially or constructively, at least fifty percent (50%) of the value of the corporation's outstanding stock under regulation prescribed by the commissioner;

4. Any entity or person which would be a related member under this section if the taxpayer were considered a corporation for purposes of this section.

(ii) The transaction giving rise to the interest expenses and costs or intangible expenses and costs between the taxpayer and related member was done primarily for a valid business purpose other than the avoidance of taxes, and the related member is not primarily engaged in the acquisition, use, maintenance or management, ownership, sale, exchange or any other disposition of intangible property.

(d) Nothing in this subsection shall require a taxpayer to add to its net income more than once any amount of interest expenses and costs or intangible expenses and costs that the taxpayer pays, accrues or incurs to a related member.

(e) The commissioner may prescribe such regulations as necessary or appropriate to carry out the purposes of this subsection, including, but not limited to, clarifying definitions of terms, rules of stock attribution, factoring and discount transactions.

(3) Individual nonbusiness deductions.

(a) The amount allowable for individual nonbusiness itemized deductions for federal income tax purposes where the individual is eligible to elect, for the taxable year, to itemize deductions on his federal return except the following:

(i) The deduction for state income taxes paid or other taxes allowed for federal purposes in lieu of state income taxes paid;

(ii) The deduction for gaming losses from gaming establishments;

(iii) The deduction for taxes collected by licensed gaming establishments pursuant to Section 27-7-901;

In the case of a husband and wife living together, having separate incomes, and filing combined returns, the standard deduction authorized may be divided in any manner they choose. In the case of separate returns by a husband and wife, the standard deduction shall not be allowed to either if the taxable income of one of the spouses is determined without regard to the standard deduction.

(4) Nothing in this section shall permit the same item to be deducted more than once, either in fact or in effect.

SECTION 2. Nothing in this act shall affect or defeat any claim, assessment, appeal, suit, right or cause of action for taxes due or accrued under the income tax laws before the date on which this act becomes effective, whether such claims, assessments, appeals, suits or actions have been begun before the date on which this act becomes effective or are begun thereafter; and the provisions of the income tax laws are expressly continued in full force, effect and operation for the purpose of the assessment, collection and enrollment of liens for any taxes due or accrued and the execution of any warrant under such laws before the date on which this act becomes effective, and for the imposition of any penalties, forfeitures or claims for failure to comply with such laws.

H. B. No. 104: Board of Supervisors of Hancock County; revise salary of attorney hired to prosecute cases for county.

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 104: Board of Supervisors of Hancock County; revise salary of attorney hired to prosecute cases for county.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 19-3-49, Mississippi Code of 1972, is amended as follows:

19-3-49. (1) In all counties of this state wherein there is no elected county prosecuting attorney, the boards of supervisors shall have the power and authority to employ a competent attorney to appear and prosecute in cases requiring the services of the county prosecuting attorney. The compensation paid to the person so employed shall be paid from the general fund of such county and shall not exceed, during any calendar year, the amount authorized by law to be paid as salary to the county prosecuting attorney in such county. The employment of a county prosecuting attorney as authorized by this section shall be pursuant to a contract which shall provide that the salary of such county prosecuting attorney shall not be reduced, increased or terminated for the period of the contract. Such contract shall be for the period of the remainder of the term of office of the board of supervisors which employs the county prosecuting attorney; however, the contract shall provide expressly or by reference to this section that the contract shall be abrogated upon the creation and filling of the office of elected county prosecuting attorney.

(2) Notwithstanding any of the provisions of subsection (1) of this section to the contrary, the board of supervisors of Hancock County may pay the attorney hired to appear and prosecute cases requiring the services of a county prosecuting attorney an annual salary * * * in an amount not to exceed fifty percent (50%) of the annual salary of the full-time district attorney as provided in Section 25-3-35. The Legislature finds and declares that the annual salary authorized by this section is justified in Hancock County for the following reasons:

(a) The addition of a justice court judge in January 2004 created a total of three (3) judges in the county and requires the attorney hired to appear and prosecute cases requiring the services of a county prosecuting attorney to spend additional time in court; and

(b) The population of Hancock County increased from thirty-one thousand seven hundred sixty (31,760) in 1990, to forty-two thousand nine hundred sixty-seven (42,967) in 2000, which placed it in the top ten percent (10%) of the fastest growing

counties in the state. The population of Hancock County has continued to increase at one of the highest rates in the state through 2018; and

(c) There was a significant increase in the number of cases filed in justice court and cases appealed to a higher court; and

(d) The attorney hired to appear and prosecute cases requiring the services of a county prosecuting attorney is responsible for handling a large number of drug, alcohol and mental commitment proceedings, and the per capita rate of those proceedings in the county has far exceeded the typical rate in other Mississippi counties. Further, Hancock County created a county court in 2018 thus exacerbating the case load and expediency of those proceedings, requiring additional time and responsibilities of the county prosecutor.

SECTION 2. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 356: Child abuse reports; expand immunity for making to include persons participating in resulting investigations.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 43-21-355, Mississippi Code of 1972, is amended as follows:

43-21-355. Any attorney, physician, dentist, intern, resident, nurse, psychologist, social worker, family protection worker, family protection specialist, child caregiver, minister, law enforcement officer, school attendance officer, public school district employee, nonpublic school employee, licensed professional counselor or any other person participating in the making of a required report pursuant to Section 43-21-353 or participating in * * * an investigation, evaluation or judicial proceeding resulting * * * from the report shall be presumed to be acting in good faith. Any person or institution reporting or participating in an investigation, evaluation or judicial proceeding resulting from the report in good faith shall be immune from any liability, civil or criminal, that might otherwise be incurred or imposed.

SECTION 2. Section 43-15-51, Mississippi Code of 1972, is amended as follows:

43-15-51. (1) The district attorneys, the Department of Human Services or the Department of Child Protection Services may initiate formal cooperative agreements with the appropriate agencies to create multidisciplinary child protection teams in order to implement a coordinated multidisciplinary team approach to intervention in reports

involving alleged commercial sexual exploitation, human trafficking, or severe or potential felony child physical or sexual abuse, exploitation, or maltreatment. The multidisciplinary team also may be known as a child abuse task force. The purpose of the team or task force shall be to assist in the evaluation and investigation of reports and to provide consultation and coordination for agencies involved in child protection cases. The agencies to be included as members of the multidisciplinary team are: the district attorney's office, city and county law enforcement agencies, county attorneys, youth court prosecutors, the Human Trafficking Coordinator or his or her designee and other agencies as appropriate. The Department of Child Protection Services shall be included as a member of the multidisciplinary team if the department does not initiate creation of the team.

(2) Except as otherwise provided in Section 43-26-3, to implement the multidisciplinary child abuse team, the team or task force must be authorized by court order from the appropriate youth court. The court order will designate which agencies will participate in the cooperative multidisciplinary team.

(3) (a) Teams created under this section may invite other persons to serve on the team who have knowledge of and experience in child abuse and neglect and commercial sexual exploitation and human trafficking matters. These persons may include licensed mental and physical health practitioners and physicians, dentists, representatives of the district attorney's office and the Attorney General's office, experts in the assessment and treatment of substance abuse or sexual abuse, the victim assistance coordinator of the district attorney's office, staff members of a child advocacy center, sexual assault nurse examiners and experts in providing services to commercial sexual exploitation and human trafficking victims. For purposes of this paragraph, the term "sexual assault nurse examiner" means a registered nurse who has received a documented forty (40) hours of training as a sexual assault nurse examiner.

(b) (i) A child advocacy center means an agency that advocates on behalf of children alleged to have been abused and assists in the coordination of the investigation of child abuse by providing a location for forensic interviews and promoting the coordination of services for children alleged to have been abused. A child advocacy center provides services that include, but are not limited to, forensic medical examinations, mental health and related support services, court advocacy, consultation, training for social workers, law enforcement training, and child abuse multidisciplinary teams, and staffing of multidisciplinary teams.

(ii) Child advocacy centers may provide a video-taped forensic interview of the child in a child friendly environment or separate building. The purpose of the video-taped forensic interview is to prevent further trauma to a child in the investigation and prosecution of child physical and sexual abuse cases. Child advocacy centers can also assist child victims by providing therapeutic counseling subsequent to the interview by a qualified therapist. Child advocacy centers can also assist law enforcement and prosecutors by acquainting child victim witnesses and their parents or guardians to the courtroom through child court school programs.

(4) A team or task force created under this section shall review records on cases referred to the team by the Department of Child Protection Services or law enforcement or the district attorney's office. The team shall meet at least monthly.

(5) No person shall disclose information obtained from a meeting of the multidisciplinary team unless necessary to comply with the Department of Child Protection Services regulations or conduct and proceeding in youth court or criminal court proceedings or as authorized by a court of competent jurisdiction.

(6) A child advocacy center or a member of the multidisciplinary team is not liable for civil damages while acting within the scope of official team duties if the center or member, in good faith, refers a report of alleged child abuse for investigation, conducts an investigation, makes an investigative judgment or disposition, or releases or uses information for the purpose of protecting a child. The limitation of civil liability does not apply if a child advocacy center or multidisciplinary team member is not acting in good faith. The limitation of liability provided by this subsection for a child advocacy center or member of the multidisciplinary team, shall only apply when the child advocacy center or the member is acting on behalf of or within the scope of duties for the multidisciplinary team as described in this section.

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1379: Appropriation; Insurance, Department of.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. The following sum, or so much thereof as may be necessary, is appropriated out of any money in the State General Fund not otherwise appropriated, for the purpose of defraying the expenses of the Mississippi Department of Insurance for the fiscal year beginning July 1, 2021, and ending June 30, 2022

\$ 11,792,846.00.

SECTION 2. The following sum, or so much thereof as may be necessary, is appropriated out of any money in any special fund in the State Treasury to the credit of the Mississippi Department of Insurance which is comprised of special source funds collected by or otherwise available to the department, for the support of the various offices of the department for the fiscal year beginning July 1, 2021, and ending June 30, 2022 \$ 180,000.00.

SECTION 3. Of the funds appropriated under the provisions of this act, the following positions are authorized:

AUTHORIZED POSITIONS:

Permanent:	Full Time	141
Part Time	0	
Time-Limited:	Full Time	0
Part Time	0	

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2023 do not exceed Fiscal Year 2022 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2022 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. If the State Personnel Board determines a special situation or circumstance exists and approves an action, then the agency and the State Personnel Board shall provide a monthly report of each action approved by the State Personnel Board to the chairmen of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the chairmen of the Appropriations Committees of the Senate and House of Representatives. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2022 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2022 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

Funds have been appropriated herein for the purpose of implementation and funding Project SEC2 of the Colonel Guy Groff State Variable Compensation Plan beginning January 1, 2022, and ending June 30, 2022. It shall be the agency's responsibility to make certain that each person, excluding executive directors, agency heads, and elected judges, shall receive no more than a 3% annual increase in salary which shall not exceed the market rate established by the State Personnel Board pursuant to the Colonel Guy Groff State Variable Compensation Plan for each classification.

SECTION 4. It is the intention of the Legislature that the Mississippi Department of Insurance shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2021. It is further the intention of the Legislature that the agency's budget request for Fiscal Year 2023 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2022 budget request process.

SECTION 5. In compliance with the "Mississippi Performance Budget and Strategic Planning Act of 1994," it is the intent of the Legislature that the funds provided herein shall be utilized in the most efficient and effective manner possible to achieve the intended mission of this agency. Based on the funding authorized, this agency shall make every effort to attain the targeted performance measures provided below:

H. B. No. 1399: Appropriation; Rehabilitation Services, Department of.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. The following sum, or so much thereof as may be necessary, is appropriated out of any money in the State General Fund not otherwise appropriated, to the Department of Rehabilitation Services for the fiscal year beginning July 1, 2021, and ending June 30, 2022 \$ 24,893,879.00.

SECTION 2. The following sum, or so much thereof as may be necessary, is appropriated out of any money in any special fund in the State Treasury to the credit of the Department of Rehabilitation Services which is comprised of special source funds collected by or otherwise available to the department for the support of the various offices of the department, for the purpose of defraying the expenses of the department for the fiscal year beginning July 1, 2021, and ending June 30, 2022 \$ 214,350,624.00.

SECTION 3. Of the funds appropriated under the provisions of Section 2, Three Million Six Hundred Eighty-one Thousand Eight Hundred Two Dollars (\$3,681,802.00) shall be derived from the Health Care Expendable Fund created in Section 43-13-407, Mississippi Code of 1972. The above funds shall be allocated as follows:

Independent Living Program which	
includes the State Attendant	
Care Program	\$ 854,903.00.
Deaf and hard of hearing	\$ 44,309.00.

SECTION 4. Of the funds appropriated under the provisions of Sections 1, 2 and 3, the following positions are authorized:

AUTHORIZED POSITIONS:		
Permanent:	Full Time	960
Part Time	8	
Time-Limited:	Full Time	205
Part Time	1	

The Office of Vocational Rehabilitation for the Blind shall remain accredited by using not more than Five Hundred Dollars (\$500.00) of the funds appropriated along with matching funds for payment of fees to an accreditation agency recommended by the Rehabilitation Services Administration.

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2023 do not exceed Fiscal Year 2022 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2022 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. If the State Personnel Board determines a special situation or circumstance exists and approves an action, then the agency and the State Personnel Board shall provide a monthly report of each action approved by the State Personnel Board to the chairmen of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the chairmen of the Appropriations Committees of the Senate and House of Representatives. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2022 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2022 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

Funds have been appropriated herein for the purpose of implementation and funding Project SEC2 of the Colonel Guy Groff State Variable Compensation Plan beginning January 1, 2022, and ending June 30, 2022. It shall be the agency's responsibility to make certain that each person, excluding executive directors, agency heads, and elected judges, shall receive no more than a 3% annual increase in salary which shall not exceed the market rate established by the State Personnel Board pursuant to the Colonel Guy Groff State Variable Compensation Plan for each classification.

SECTION 5. It is the intention of the Legislature that the Department of Rehabilitation Services shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2021. It is further the intention of the Legislature that the agency's budget request for Fiscal Year 2023 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2022 budget request process.

SECTION 6. Of the funds appropriated herein, the Mississippi Department of Rehabilitation Services through the Office of Vocational Rehabilitation for the Blind is authorized to expend an amount not to exceed One Hundred Thousand Dollars (\$100,000.00) for the National Federation for the Blind (NFB) News line service to allow blind and visually impaired persons to access newspapers through toll-free telephone calls.

SECTION 7. It is the intention of the Legislature that whenever two (2) or more bids are received by this agency for the purchase of commodities or equipment, and whenever all things stated in such received bids are equal with respect to price, quality and service, the Mississippi Industries for the Blind shall be given preference. A similar preference shall be given to the Mississippi Industries for the Blind whenever purchases are made without competitive bids.

SECTION 8. In compliance with the "Mississippi Performance Budget and Strategic Planning Act of 1994," it is the intent of the Legislature that the funds provided herein shall be utilized in the most efficient and effective manner possible to achieve the intended mission of this agency. Based on the funding authorized, this agency shall make every effort to attain the targeted performance measures provided below:

S. B. No. 2624: MS Real Estate Commission; require to establish pilot program using administrative hearing officers.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2624: MS Real Estate Commission; require to establish pilot program using administrative hearing officers.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 73-35-23, Mississippi Code of 1972, is amended as follows:

73-35-23. (1) The commission is hereby authorized and directed to take legal action against any violator of this chapter. Upon complaint initiated by the commission or filed with it, the licensee or any other person charged with a violation of this chapter shall be given fifteen (15) days' notice of the hearing upon the charges filed, together with notice of the option of appearing before the commission or an administrative hearing officer as provided in subsection (6) of this section and a copy of the complaint. The applicant or licensee or other violator shall have an opportunity to be heard in person or by counsel, to offer testimony, and to examine witnesses appearing in connection with the complaint. Hearings shall be held at the offices of the Mississippi Real Estate Commission, or at the commission's sole discretion, at a place determined by the commission.

At such hearings, all witnesses shall be properly sworn and stenographic notes of the proceedings shall be taken and filed as a part of the record in the case. Any party to the proceedings shall be furnished with a copy of such stenographic notes upon payment to the commission of such fees as it shall prescribe, not exceeding, however, the actual cost to the commission. The clear and convincing standard of proof shall be used to examine factors during all hearings. The commission shall render a decision on any complaint and shall immediately notify the parties to the proceedings in writing of its ruling, order or decision.

(2) In addition to the authority granted to the commission as hereinabove set forth, the commission is hereby vested with the authority to bring injunctive proceedings in any appropriate forum against any violator or violators of this chapter, and all judges or courts now having the power to grant injunctions are specifically granted the power and jurisdiction to hear and dispose of such proceedings.

(3) The commission is hereby authorized and empowered to issue subpoenas for the attendance of witnesses and the production of books and papers. The process issued by the commission shall extend to all parts of the state, and such process shall be

served by any person designated by the commission for such service. The person serving such process may receive such compensation as may be allowed by the commission, not to exceed the fee prescribed by law for similar services. All witnesses who are subpoenaed and who appear in any proceedings before the commission may receive the same fees and mileage as allowed by law, and all such fees shall be taxed as part of the costs in the case.

(4) Where in any proceeding before the commission any witness shall fail or refuse to attend upon subpoena issued by the commission, shall refuse to testify, or shall refuse to produce any books and papers the production of which is called for by the subpoena, the attendance of such witness and the giving of his testimony and the production of the books and papers shall be enforced by any court of competent jurisdiction of this state in the same manner as the attendance and testimony of witnesses in civil cases are enforced in the courts of this state.

(5) The commission may obtain legal counsel privately to represent it in proceedings when legal counsel is required.

(6) The commission shall establish a pilot program whereby an administrative hearing option shall be established, which shall consist of administrative hearing officers designated by the Attorney General for the purpose of holding hearings, hearing evidence and rendering decisions on matters determined to be the subject of a hearing for a licensee or any other person charged with a violation of this chapter or affecting the license of any person coming under its jurisdiction, when the licensee or any other person charged with a violation of this chapter shall request, in writing, for the matter to be heard by the administrative hearing officer. Administrative hearing officers shall be staff attorneys employed by the Attorney General's office, but must not currently hold a license issued by the commission. The administrative hearing officers shall have the same powers and authority in conducting hearings and rendering decisions as granted to the commission in this section. Hearings before an administrative hearing officer shall be held in the City of Jackson, Mississippi, at a place, time and manner agreed upon by the commission and the hearing officer within the city. The clear and convincing standard of proof shall be used to examine factors during all hearings. Any right of appeal available to a licensee or applicant for a license availing itself to the provisions hereof shall be preserved as if the matter had been heard and decided by the commission. This subsection (6) shall stand repealed on July 1, 2024.

(7) Nothing in this section shall preclude the commission and licensee from entering into any agreed order resolving a complaint prior to the hearing.

SECTION 2. Section 73-35-25, Mississippi Code of 1972, is amended as follows:

73-35-25. (1) Any applicant or licensee or person aggrieved shall have the right of appeal from any adverse ruling or order or decision of the commission or administrative hearing officer to the circuit court of the county of residence of the applicant, licensee or person, or of the First Judicial District of Hinds County, within thirty (30) days from the service of notice of the action of the commission upon the parties in interest.

(2) Notice of appeals shall be filed in the office of the clerk of the court who shall issue a writ of certiorari directed to the commission commanding it, within thirty (30) days after service thereof, to certify to such court its entire record in the matter in which the appeal has been taken. The appeal shall thereupon be heard in due course by said court, without a jury, which shall review the record and make its determination of the cause between the parties.

(3) Any order, rule or decision of the commission or administrative hearing officer shall not take effect until after the time for appeal to *** the court *** has expired. *** If an appeal is taken by a defendant, such appeal *** shall act *** as a supersedeas and the court shall dispose of *** the appeal and enter its decision promptly. However, the commission may file a motion within ten (10) days of the date of the filing the notice of appeal and request the court to lift the supersedeas upon the commission's showing, by clear and convincing evidence, that immediate and irreparable harm will or may occur if the licensee or person aggrieved were to continue operating as a licensee.

(4) Any person taking an appeal shall post a satisfactory bond in the amount of Five Hundred Dollars (\$500.00) for the payment of any costs which may be adjudged against him.

(5) Actions taken by the commission in suspending a license when required by Section 93-11-157 or 93-11-163 are not actions from which an appeal may be taken under this section. Any appeal of a license suspension that is required by Section 93-11-157 or 93-11-163 shall be taken in accordance with the appeal procedure specified in Section 93-11-157 or 93-11-163, as the case may be, rather than the procedure specified in this section.

SECTION 3. Section 73-35-21, Mississippi Code of 1972, is amended as follows:

73-35-21. (1) The commission may, upon its own motion and shall upon the verified complaint in writing of any person, hold a hearing pursuant to Section 73-35-23 for the refusal of license or for the suspension or revocation of a license previously issued, or for such other action as the commission deems appropriate. The commission shall have full power to refuse a license for cause or to revoke or suspend a license where it has been obtained by false or fraudulent representation, or where the licensee in performing or attempting to perform any of the acts mentioned herein, is deemed to be guilty of:

(a) Making any substantial misrepresentation in connection with a real estate transaction;

(b) Making any false promises of a character likely to influence, persuade or induce;

(c) Pursuing a continued and flagrant course of misrepresentation or making false promises through agents or salespersons or any medium of advertising or otherwise;

(d) Any misleading or untruthful advertising;

(e) Acting for more than one (1) party in a transaction or receiving compensation from more than one (1) party in a transaction, or both, without the knowledge of all parties for whom he acts;

(f) Failing, within a reasonable time, to account for or to remit any monies coming into his possession which belong to others, or commingling of monies belonging to others with his own funds. Every responsible broker procuring the execution of an earnest money contract or option or other contract who shall take or receive any cash or checks shall deposit, within a reasonable period of time, the sum or sums so received in a trust or escrow account in a bank or trust company pending the consummation or termination of the transaction. "Reasonable time" in this context means by the close of business of the next banking day;

(g) Entering a guilty plea or conviction in a court of competent jurisdiction of this state, or any other state or the United States of any felony;

(h) Displaying a "for sale" or "for rent" sign on any property without the owner's consent;

(i) Failing to furnish voluntarily, at the time of signing, copies of all listings, contracts and agreements to all parties executing the same;

(j) Paying any rebate, profit or commission to any person other than a real estate broker or salesperson licensed under the provisions of this chapter;

(k) Inducing any party to a contract, sale or lease to break such contract for the purpose of substituting in lieu thereof a new contract, where such substitution is motivated by the personal gain of the licensee;

(l) Accepting a commission or valuable consideration as a real estate salesperson for the performance of any of the acts specified in this chapter from any person, except his employer who must be a licensed real estate broker;

(m) Failing to successfully pass the commission's background investigation for licensure or renewal as provided in Section 73-35-10; or

(n) Any act or conduct, whether of the same or a different character than hereinabove specified, which constitutes or demonstrates bad faith, incompetency or untrustworthiness, or dishonest, fraudulent or improper dealing. However, simple contact and/or communication with any mortgage broker or lender by a real estate licensee about any professional, including, but not limited to, an appraiser, home

inspector, contractor, and/or attorney regarding a listing and/or a prospective or pending contract for the lease, sale and/or purchase of real estate shall not constitute conduct in violation of this section.

(2) No real estate broker shall practice law or give legal advice directly or indirectly unless said broker be a duly licensed attorney under the laws of this state. He shall not act as a public conveyancer nor give advice or opinions as to the legal effect of instruments nor give opinions concerning the validity of title to real estate; nor shall he prevent or discourage any party to a real estate transaction from employing the services of an attorney; nor shall a broker undertake to prepare documents fixing and defining the legal rights of parties to a transaction. However, when acting as a broker, he may use an earnest money contract form. A real estate broker shall not participate in attorney's fees, unless the broker is a duly licensed attorney under the laws of this state and performs legal services in addition to brokerage services.

(3) It is expressly provided that it is not the intent and purpose of the Mississippi Legislature to prevent a license from being issued to any person who is found to be of good reputation, is able to give bond, and who has lived in the State of Mississippi for the required period or is otherwise qualified under this chapter.

(4) In addition to the reasons specified in subsection (1) of this section, the commission shall be authorized to suspend the license of any licensee for being out of compliance with an order for support, as defined in Section 93-11-153. The procedure for suspension of a license for being out of compliance with an order for support, and the procedure for the reissuance or reinstatement of a license suspended for that purpose, and the payment of any fees for the reissuance or reinstatement of a license suspended for that purpose, shall be governed by Section 93-11-157 or 93-11-163, as the case may be. If there is any conflict between any provision of Section 93-11-157 or 93-11-163 and any provision of this chapter, the provisions of Section 93-11-157 or 93-11-163, as the case may be, shall control.

(5) Nothing in this chapter shall prevent an associate broker or salesperson from owning any lawfully constituted business organization, including, but not limited to, a corporation, limited liability company or limited liability partnership, for the purpose of receiving payments contemplated in this chapter. The business organization shall not be required to be licensed under this chapter and shall not engage in any other activity requiring a real estate license.

SECTION 4. This act shall take effect and be in force from and after July 1, 2021.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 73-35-23, MISSISSIPPI CODE OF 1972, TO REQUIRE THE REAL ESTATE COMMISSION TO ESTABLISH A PILOT PROGRAM ALLOWING ADMINISTRATIVE HEARINGS ON CERTAIN LICENSING MATTERS UNDER ITS JURISDICTION; TO PROVIDE THAT ADMINISTRATIVE HEARING OFFICERS SHALL BE STAFF ATTORNEYS EMPLOYED BY THE ATTORNEY GENERAL; TO AMEND SECTION 73-35-25, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT AN APPEAL TAKE A DEFENDANT FROM AN ADVERSE RULING OR ORDER OF THE MISSISSIPPI REAL ESTATE COMMISSION SHALL ACT AS A SUPERSEDEAS; TO AMEND SECTION 73-35-21, MISSISSIPPI CODE OF 1972, TO CONFORM TO THE PRECEDING AMENDMENT; AND FOR RELATED PURPOSES.

(b) (i) Amounts deposited into such special fund shall be disbursed to pay the costs of projects described in paragraph (a) of this subsection. If any monies in such special fund are not used within four (4) years after the date the proceeds of the bonds authorized under this section are deposited into the special fund, then the institution of higher learning for which any unused monies are allocated under paragraph (a) of this subsection shall provide an accounting of such unused monies to the commission. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(ii) Monies in the special fund may be used to reimburse reasonable actual and necessary costs incurred by the Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, in administering or providing assistance directly related to a project described in paragraph (a) of this subsection. An accounting of actual costs incurred for which reimbursement is sought shall be maintained for each project by the Department of Finance and Administration, Bureau of Building, Grounds and Real Property Management. Reimbursement of reasonable actual and necessary costs for a project shall not exceed two percent (2%) of the proceeds of bonds issued for such project. Monies authorized for a particular project may not be used to reimburse administrative costs for unrelated projects.

(c) The Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, is expressly authorized and empowered to receive and expend any local or other source funds in connection with the expenditure of funds provided for in this subsection. The expenditure of monies deposited into the special fund shall be under the direction of the Department of Finance and Administration, and such funds shall be paid by the State Treasurer upon warrants issued by such department, which warrants shall be issued upon requisitions signed by the Executive Director of the Department of Finance and Administration, or his designee.

(d) Any amounts allocated to an institution of higher learning that are in excess of that needed to complete the projects at such institution of higher learning that are described in paragraph (a) of this subsection may be used for general repairs and renovations at the institution of higher learning.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this section, the Department of Finance and Administration shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed Eighty-six Million Three Hundred Seventy-five Thousand Dollars (\$86,375,000.00). No bonds shall be issued under this section after July 1, 2025.

(b) Any investment earnings on amounts deposited into the special fund created in subsection (2) of this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(4) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(5) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and

coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(6) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(7) The commission shall act as issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(8) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special funds created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(10) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(11) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Title 31, Chapter 13, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties

required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 2. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated as the "2021 Community and Junior Colleges Capital Improvements Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed Thirty-five Million Dollars (\$35,000,000.00). No bonds shall be issued under this section after July 1, 2025.

on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.
