Those applicants deemed qualified shall receive funds that may be used to pay for tuition, books and related fees to pursue their degree. It is the intent of the Legislature that the paid internship program (hereinafter referred to as the "program") shall be used as an incentive for students to develop job-related skills and to encourage careers as rehabilitation specialists or benefits programs specialists at the Mississippi Department of Rehabilitation Services.

Participants shall not accrue personal or major medical leave while they are in the program.

(c) The Mississippi Department of Rehabilitation Services shall have the authority to cancel any contract made between it and any program participant upon such cause being deemed sufficient by the Executive Director of the Mississippi Department of Rehabilitation Services.

The recipient also shall not be liable for repayment for any money earned during the required summer hours. This money shall be considered earned by the recipient at the federal minimum wage rate.

(b) All paid internship compensation received by the recipient while in school shall be considered earned conditioned upon the fulfillment of the terms and obligations of the paid internship contract and this section. However, no recipient of the paid internship shall accrue personal or major medical leave while the recipient is pursuing junior or senior undergraduate-level year coursework toward a bachelor's degree in a program that qualifies the individual to qualify to become a rehabilitation specialist or a benefit program specialist within the Mississippi Department of Rehabilitation Services. The recipient shall not be liable for liquidated damages.

(c) If the recipient does not work as a rehabilitation specialist or a benefit program specialist at the Mississippi Department of Rehabilitation Services for the period required under subsection (2)(d) of this section, the recipient shall be liable for repayment on demand of the remaining portion of the compensation that the recipient was paid while in the program which has not been unconditionally earned, with interest accruing at ten percent (10%) per annum from the recipient's date of graduation or the date that the recipient last worked at the Mississippi Department of Rehabilitation Services, whichever is the later date.

(2) The Office of Workforce Development is authorized to enter into a memorandum of agreement with any public or nonpublic school which provides secondary education to students enrolled therein, for the purpose of allowing students who are at least seventeen (17) years of age to be eligible for enrollment in any accredited paramedic training program without any cost to the students, through dual-credit or dual-enrollment class offerings through an accredited entity authorized by the office to provide such trainings for purposes of the program. The court shall appoint an attorney for any minor child who is unrepresented, so the court has the benefit of knowing the child's stated interest. If the child is fourteen (14) years or older at the time of the hearing, the child's

preferences, if any, regarding the termination of parental rights shall be considered by the court. The absence of a necessary party who has been properly served does not preclude the court from conducting the hearing or rendering a final judgment.

(d) A guardian ad litem shall be appointed to protect the best interest of the child, except that the court, in its discretion, may waive this requirement when a parent executes a written voluntary release to terminate parental rights. The guardian ad litem fees shall be determined and assessed in the discretion of the court.

(e) The style of the case shall not include the child's name when the child is not the party plaintiff or petitioner.

(2) Voluntary termination of parental rights by written voluntary release is governed by Section 93-15-111.

(3) In all cases involving termination of parental rights, a minor parent shall be served with process as an adult.

(4) The court may waive service of process if an adoptive child was born in a foreign country, put up for adoption in the birth country, and has been legally admitted into this country.

(5) The clerk shall docket cases seeking relief under this chapter as priority cases. The assigned judge shall be immediately notified when a case is filed in order to provide for expedited proceedings.

(6) (a) Once the petition for termination of parental rights is filed with the court of competent jurisdiction, the court shall hold a hearing on the petition within ninety (90) calendar days of the date the petition is filed absent extraordinary circumstances.

(b) For purposes of this subsection, the ninety-calendar-day time period will commence when perfected service is made on the parents.

(c) For purposes of this subsection, extraordinary circumstances include:

(i) The Mississippi Supreme Court orders the suspension of in-person court proceedings; or

(ii) One (1) of the following has occurred:

1. The President of the United States has declared a national emergency; or

2. The Governor has declared a state of emergency or a statewide public health emergency; or

(iii) If the best interest of the child is served and the chancellor makes specific findings of such.

SECTION 3. Section 93-15-111, Mississippi Code of 1972, is amended as follows:

93-15-111. (1) The court * * * shall accept the parent's written voluntary release if it meets the following minimum requirements:

(a) Is signed under oath and dated at least seventy-two (72) hours after the birth of the child;

(b) States the parent's full name, the relationship of the parent to the child, and the parent's address;

(c) States the child's full name, date of birth, time of birth if known, and place of birth as indicated on the birth certificate;

(d) Identifies the governmental agency or home to which the child has been surrendered, if any;

(e) States the parent's consent to adoption of the child and waiver of service of process for any future adoption proceedings;

(f) Acknowledges that the termination of the parent's parental rights and that the subsequent adoption of the child may significantly affect, or even eliminate, the parent's right to inherit from the child under the laws of Descent and Distribution (Chapter 1, Title 91, Mississippi Code of 1972);

(g) Acknowledges that all provisions of the written voluntary release were entered into knowingly, intelligently, and voluntarily; and

(h) Acknowledges that the parent is entitled to consult an attorney regarding the parent's parental rights.

(2) The court's order accepting the parent's written voluntary release terminates all of the parent's parental rights to the child, including, but not limited to, the parental right to control or withhold consent to an adoption. * * * The written voluntary release

shall serve as a waiver of the parent's right to have a hearing on acceptance of the release.

SECTION 4. Section 43-21-201, Mississippi Code of 1972, is amended as follows:

43-21-201. (1) (a) Each party shall have the right to be represented by counsel at all stages of the proceedings including, but not limited to, detention, shelter, adjudicatory and disposition hearings and parole or probation revocation proceedings.

(b) In delinquency matters the court shall appoint legal defense counsel who is not also a guardian ad litem for the same child. If the party is a child, the child shall be represented by counsel at all critical stages: detention, adjudicatory and disposition hearings; parole or probation revocation proceedings; and post-disposition matters. If indigent, the child shall have the right to have counsel appointed for him by the youth court.

(c) A child who is alleged to have been abused or neglected shall be deemed to be a party to the proceedings under this chapter. The child shall be represented by an attorney at all stages of any proceedings held pursuant to this chapter. The court shall appoint an attorney to any child who is unrepresented.

The guardian ad litem may serve a dual role as long as no conflict of interest is present. If a conflict of interest arises, the guardian ad litem shall inform the youth court of the conflict, and the youth court shall retain the guardian ad litem to represent the best interest of the child and appoint an attorney to represent the child's preferences as required by Uniform Rule of Youth Court Practice 13(f).

(2) (a) When a party first appears before the youth court, the judge shall ascertain whether he is represented by counsel and, if not, inform him of his rights including his right to counsel. If the court determines that a custodial parent or guardian who is a party in an abuse, neglect or termination of parental rights proceeding is indigent, the youth court judge * * * shall appoint counsel to represent the indigent parent or guardian in the proceeding. The court may appoint counsel to represent a noncustodial parent if the court determines that the noncustodial parent is indigent and has demonstrated a significant custodial relationship with the child. All parents have the right to be appointed counsel in termination of parental rights hearings, and the court shall appoint counsel if the court makes a finding that the parent is indigent and counsel is requested by the parent. For purposes of this section, indigency shall be determined pursuant to Section 25-32-9 and Rule 7.3 of the Mississippi Rules of Criminal Procedure.

(b) (i) The court shall order a financially able parent or custodian to pay all or part of reasonable attorney's fees and expenses for court-appointed representation after review by the court of an affidavit of financial means completed and verified by a parent or custodian and a determination by the court of an ability to pay.

(ii) All monies collected by the clerk under this paragraph must be retained by the clerk and deposited into a special fund to be known as the "Juvenile Court Representation Fund."

(iii) The Administrative Office of Courts may direct that money from the fund be used in providing counsel for indigent parents or custodians at the trial level in dependency-neglect proceedings.

(iv) Upon a determination of indigency and a finding by the court that the fund does not have sufficient funds to pay reasonable attorney's fees and expenses incurred at the trial court level and that state funds have been exhausted, the court may order the county to pay the reasonable fees and expenses until the state provides funding for counsel.

(v) A special fund, to be designated as the "Juvenile Court Representation Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Monies in the fund shall be disbursed by the Administrative Office of Courts as provided in this section. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(3) An attorney appointed to represent a child shall be required to complete annual juvenile justice training that is approved by the Mississippi Office of State Public Defender and the Mississippi Commission on Continuing Legal Education. An attorney appointed to represent a parent or guardian in an abuse, neglect or termination of parental rights proceeding shall be required to complete annual training that is approved by the Office of State Public Defender and the Mississippi Commission on Continuing Legal Education. The Mississippi Office of State Public Defender and the Mississippi Commission on Continuing Legal Education shall determine the amount of juvenile justice training and continuing education required to fulfill the requirements of this subsection. The State Public Defender shall maintain a roll of attorneys who have complied with the training requirements and shall enforce the provisions of this subsection. Should an attorney fail to complete the annual training requirement or fail to attend the required training within six (6) months of being appointed to a youth court case, the attorney shall be disqualified to serve, and the youth court shall immediately terminate the representation and appoint another attorney. Attorneys appointed by a youth court to five (5) or fewer cases a year are exempt from the requirements of this subsection.

(4) Attorney's for all parties, including the child's attorney, shall owe the * * * duties of undivided loyalty, confidentiality and competent representation to the * * * party client pursuant to the Mississippi Rules of Professional Conduct.

(5) An attorney shall enter his appearance on behalf of a party in the proceeding by filing a written notice of appearance with the youth court, by filing a pleading, notice or motion signed by counsel or by appearing in open court and advising the youth court that he is representing a party. After counsel has entered his appearance, he shall be served with copies of all subsequent pleadings, motions and notices required to be served on the party he represents. An attorney who has entered his appearance shall not be permitted to withdraw from the case until a timely appeal, if any, has been decided, except by leave of the court then exercising jurisdiction of the cause after notice of his intended withdrawal is served by him on the party he represents.

(6) Each designee appointed by a youth court judge shall be subject to the Code of Judicial Conduct and shall govern himself or herself accordingly.

(7) The Department of Child Protection Services shall be a necessary party at all stages of the proceedings involving a child for whom the department has custody, including, but not limited to, detention, shelter, adjudicatory, disposition, permanency * * *, termination of parental rights and adoption hearings.

(8) The Department of Child Protection Services shall have the right to hire agency counsel to represent the department and be represented by counsel from the Attorney General's Office at all stages of the proceedings involving a child for whom the department has custody of or may be awarded custody of, including, but not limited to, detention shelter, adjudicatory disposition, permanency, termination of parental rights and adoption hearings.

(hh) "Commercial sexual exploitation" means any sexual act or crime of a sexual nature, which is committed against a child for financial or economic gain, to obtain a thing of value for quid pro quo exchange of property or for any other purpose.

SECTION 6. Section 43-21-151, Mississippi Code of 1972, is amended as follows:

43-21-151. (1) The youth court shall have exclusive original jurisdiction in all proceedings concerning a delinquent child, a child in need of supervision, a neglected child, an abused child or a dependent child except in the following circumstances:

(a) Any act attempted or committed by a child, which if committed by an adult would be punishable under state or federal law by life imprisonment or death, will be in the original jurisdiction of the circuit court;

(b) Any act attempted or committed by a child with the use of a deadly weapon, the carrying of which concealed is prohibited by Section 97-37-1, or a shotgun or a rifle, which would be a felony if committed by an adult, will be in the original jurisdiction of the circuit court; and

(c) When a charge of abuse or neglect of a child first arises in the course of a custody action between the parents of the child already pending in the chancery court and no notice of such abuse was provided prior to such chancery proceedings, the chancery court may proceed with the investigation, hearing and determination of such abuse or neglect charge as a part of its hearing and determination of the custody issue as between the parents, notwithstanding the other provisions of the Youth Court Law. The proceedings in chancery court on the abuse or neglect charge shall be confidential in the same manner as provided in youth court proceedings.

When a child is expelled from the public schools, the youth court shall be notified of the act of expulsion and the act or acts constituting the basis for expulsion.

(2) Jurisdiction of the child in the cause shall attach at the time of the offense, or at the time of the allegation of abuse, neglect or exploitation, and shall continue thereafter for that offense or the allegations of abuse, neglect or exploitation until the child's twentieth birthday, unless sooner terminated by order of the youth court. The youth court shall not have jurisdiction over offenses committed by a child on or after his eighteenth birthday, nor have jurisdiction of abuse, neglect, or exploitation committed against a child after their eighteenth birthday.

(3) No child who has not reached his thirteenth birthday shall be held criminally responsible or criminally prosecuted for a misdemeanor or felony; however, the parent, guardian or custodian of such child may be civilly liable for any criminal acts of such child. No child under the jurisdiction of the youth court shall be held criminally responsible or criminally prosecuted by any court for any act designated as a delinquent act, unless jurisdiction is transferred to another court under Section 43-21-157.

(4) The youth court shall also have jurisdiction of offenses committed by a child which have been transferred to the youth court by an order of a circuit court of this state having original jurisdiction of the offense, as provided by Section 43-21-159.

(5) The youth court shall regulate and approve the use of teen court as provided in Section 43-21-753.

(6) Nothing in this section shall prevent the circuit court from assuming jurisdiction over a youth who has committed an act of delinquency upon a youth court's ruling that a transfer is appropriate pursuant to Section 43-21-157.

SECTION 7. The following shall be codified as a new section within Title 93, Chapter 15, Mississippi Code of 1972:

93-15-__. Compelling and extraordinary reasons why termination of parental rights would not be in the child's best interests may include, but are not limited to:

(a) When a child is being cared for by a relative and that relative, who is otherwise an appropriate, safe and loving placement for the child, is unwilling to participate in termination of parental rights proceedings;

(b) Guardianship is available;

(c) When the natural parent(s) are incarcerated but subject to be released within a reasonable time and could be given an opportunity to work a service plan toward possible reunification;

(d) When a natural parent is terminally ill and unable to care or provide for the child;

(e) The absence of the parent is due to the parent's admission or commitment to any institution or health facility or due to active service in State or Federal armed forces;

(f) A child twelve (12) years or older objects to the termination of parental rights;

(g) The child is placed in a residential treatment facility and adoption is unlikely or undesirable or the child is not in an adoptive placement or it is likely the child will age out of the Department of Child Protection Services' custody rather than be adopted;

(h) For compliance with the Indian Child Welfare Act;

(i) The Mississippi Department of Child Protection Services has not provided services within the timeframes indicated in the case plan and there is evidence that the family may achieve reunification within six (6) months or there is a finding that reasonable efforts were not made.

SECTION 8. Section 43-21-613, Mississippi Code of 1972, is amended as follows:

43-21-613. (1) If the youth court finds, after a hearing which complies with the sections governing adjudicatory hearings, that the terms of a delinquency or child in need of supervision disposition order, probation or parole have been violated, the youth court may, in its discretion, revoke the original disposition and make any disposition which it could have originally ordered. The hearing shall be initiated by the filing of a petition that complies with the sections governing petitions in this chapter and that includes a statement of the youth court's original disposition order, probation or parole, the alleged violation of that order, probation or parole, and the facts which show the violation of that order, probation or parole. Summons shall be served in the same manner as summons for an adjudicatory hearing.

(2) On motion of a child or a child's parent, guardian or custodian, the youth court may, in its discretion, conduct an informal hearing to review the disposition order. If the youth court finds a material change of circumstances relating to the disposition of the child, the youth court may modify the disposition order to any appropriate disposition of equal or greater precedence which the youth court could have originally ordered.

(3) (a) All disposition orders for supervision, probation or placement of a child with an individual or an agency shall be reviewed by the youth court judge or referee at least annually to determine if continued placement, probation or supervision is in the best interest of the child or the public. For children who have been adjudicated abused or neglected, except for those children for which a different timeframe is provided under Section 43-21-603(7), the youth court shall conduct a permanency hearing within * * * one hundred twenty (120) days or every sixty (60) days for children under three (3) years of age after the earlier of:

(i) An adjudication that the child has been abused or neglected; or

(ii) The date of the child's removal from the allegedly abusive or neglectful custodian/parent. Notice of such hearing shall be given in accordance with the provisions of Section 43-21-505(5). In conducting the hearing, the judge or referee shall require a written report and may require information or statements from the child's youth court counselor, parent, guardian or custodian, which includes, but is not limited to, an evaluation of the child's progress and recommendations for further supervision or treatment. The judge or referee shall, at the permanency hearing determine the future status of the child, including, but not limited to, whether the child should be returned to

the parent(s) or placed with suitable relatives, placed for adoption, placed for the purpose of establishing durable legal custody or should, because of the child's special needs or circumstances, be continued in foster care on a permanent or long-term basis. If the child is in an out-of-state placement, the hearing shall determine whether the out-of-state placement continues to be appropriate and in the best interest of the child. At the permanency hearing the judge or referee shall determine, and the youth court order shall recite that reasonable efforts were made by the Department of Child Protection Services to finalize the child's permanency plan that was in effect on the date of the permanency hearing. The judge or referee may find that reasonable efforts to maintain the child within his home shall not be required in accordance with Section 43-21-603(7)(c), and that the youth court shall continue to conduct permanency hearings for a child who has been adjudicated abused or neglected, at least annually thereafter, for as long as the child remains in the custody of the Mississippi Department of Child Protection Services.

(b) The court may find that the filing of a termination of parental rights petition is not in the child's best interest if:

(i) The child is being cared for by a relative; and/or

(ii) The Department of Child Protection Services has documented compelling and extraordinary reasons why termination of parental rights would not be in the best interests of the child.

(c) The provisions of this subsection shall also apply to review of cases involving a dependent child; however, such reviews shall take place not less frequently than once each one hundred eighty (180) days, or upon the request of the child's attorney, a parent's attorney, or a parent as deemed appropriate by the youth court in protecting the best interests of the child. A dependent child shall be ordered by the youth court judge or referee to be returned to the custody and home of the child's parent, guardian or custodian unless the judge or referee, upon such review, makes a written finding that the return of the child to the home would be contrary to the child's best interests.

(d) Reviews are not to be conducted unless explicitly ordered by the youth court concerning those cases in which the court has granted durable legal custody. In such cases, the Department of Child Protection Services shall be released from any oversight or monitoring responsibilities, and relieved of physical and legal custody and supervision of the child.

(4) The provisions of this section do not apply to proceedings concerning durable legal relative guardianship.

SECTION 9. Section 93-15-121, Mississippi Code of 1972, is amended as follows:

93-15-121. Any of the following, if established by clear and convincing evidence, may be grounds for termination of the parent's parental rights if reunification between the parent and child is not desirable toward obtaining a satisfactory permanency outcome:

(a) The parent has been medically diagnosed by a qualified mental health professional with a severe mental illness or deficiency that is unlikely to change in a reasonable period of time and which, based upon expert testimony or an established pattern of behavior, * * * prevents the parent, despite reasonable accommodations, from providing minimally acceptable care for the child;

(b) The parent has been medically diagnosed by a qualified health professional with an extreme physical incapacitation that is unlikely to change in a reasonable period of time and which, based upon expert testimony or an established pattern of behavior, prevents the parent, despite reasonable accommodations, from providing minimally acceptable care for the child;

(c) The parent is suffering from habitual alcoholism or other drug addiction and has failed to successfully complete alcohol or drug treatment;

(d) The parent is unwilling to provide reasonably necessary food, clothing, shelter, or medical care for the child; reasonably necessary medical care does not include recommended or optional vaccinations against childhood or any other disease;

(e) The parent has failed to exercise reasonable visitation or communication with the child;

(f) The parent's abusive or neglectful conduct has caused, at least in part, an extreme and deep-seated antipathy by the child toward the parent, or some other substantial erosion of the relationship between the parent and the child;

(g) The parent has committed an abusive act for which reasonable efforts to maintain the children in the home would not be required under Section 43-21-603, or a series of physically, mentally, or emotionally abusive incidents, against the child or another child, whether related by consanguinity or affinity or not, making future contacts between the parent and child undesirable; or

(h) (i) The parent has been convicted of any of the following offenses against any child:

1. Rape of a child under Section 97-3-65;
2. Sexual battery of a child under Section 97-3-95(c);
3. Touching a child for lustful purposes under Section 97-5-23;
4. Exploitation of a child under Sections 97-5-31 through 97-5-37;
5. Felonious abuse or battery of a child under Section 97-5-39(2);
6. Carnal knowledge of a step or adopted child or a child of a cohabitating partner under Section 97-5-41; or
7. Human trafficking of a child under Section 97-3-54.1; or

(ii) The parent has been convicted of:

1. Murder or voluntary manslaughter of another child of the parent;
2. Aiding, abetting, attempting, conspiring or soliciting to commit murder or voluntary manslaughter of the child or another child of the parent; or
3. A felony assault that results in the serious bodily injury to the child or another child of the parent.

SECTION 10. Section 97-5-39, Mississippi Code of 1972, is amended as follows:

97-5-39. (1) (a) Except as otherwise provided in this section, any parent, guardian or other person who intentionally, knowingly or recklessly commits any act or omits the performance of any duty, which act or omission contributes to or tends to contribute to the neglect or delinquency of any child or which act or omission results in the abuse of any child, as defined in Section 43-21-105(m) of the Youth Court Law, or who knowingly aids any child in escaping or absenting himself from the guardianship or custody of any person, agency or institution, or knowingly harbors or conceals, or aids in harboring or concealing, any child who has absented himself without permission from the guardianship or custody of any person, agency or institution to which the child shall have been committed by the youth court shall be guilty of a misdemeanor, and upon conviction shall be punished by a fine not to exceed One Thousand Dollars ($1,000.00), or by imprisonment not to exceed one (1) year in jail, or by both such fine and imprisonment.

(b) For the purpose of this section, a child is a person who has not reached his eighteenth birthday. A child who has not reached his eighteenth birthday and is on active duty for a branch of the armed services, or who is married, is not considered a child for the purposes of this statute.

(c) If a child commits one (1) of the proscribed acts in subsection (2)(a), (b) or (c) of this section upon another child, then original jurisdiction of all such offenses shall be in youth court.

(d) If the * * * parent has failed to provide the child with food, clothing, or shelter necessary to sustain the life or health of the child, excluding failure caused by financial inability unless relief services have been offered and refused and the child is in imminent risk of harm, or the parent is unwilling to provide reasonably necessary medical care, though that medical care does not include recommended or optional vaccinations against childhood or any other disease, the person may be sentenced to imprisonment in custody of the Department of Corrections for not more than five (5) years or to payment of a fine of not more than Five Thousand Dollars ($5,000.00), or both.

(e) A parent, legal guardian or other person who knowingly permits the continuing physical or sexual abuse of a child is guilty of neglect of a child and may be sentenced to imprisonment in the custody of the Department of Corrections for not more than ten (10) years or to payment of a fine of not more than Ten Thousand Dollars ($10,000.00), or both.

(2) Any person shall be guilty of felonious child abuse in the following circumstances:

(ii) Disfigure or scar any child;

(iii) Whip, strike or otherwise abuse any child;

(d) Any person, upon conviction under paragraph (a) or (c) of this subsection, shall be sentenced by the court to imprisonment in the custody of the Department of Corrections for a term of not less than five (5) years and up to life, as determined by the court. Any person, upon conviction under paragraph (b) of this subsection shall be sentenced by the court to imprisonment in the custody of the Department of Corrections for a term of not less than two (2) years nor more than ten (10) years, as determined by the court. For any second or subsequent conviction under this subsection (2), the person shall be sentenced to imprisonment for life.

(e) For the purposes of this subsection (2), "bodily harm" means any bodily injury to a child and includes, but is not limited to, bruising, bleeding, lacerations, soft tissue swelling, and external or internal swelling of any body organ.

(g) For purposes of this subsection (2), "torture" means any act, omission, or intentional neglect committed by an individual upon a child within his custody or physical control, whereby unnecessary or unjustifiable physical or mental pain or suffering is caused or permitted, regardless of whether serious physical injury results. Child torture involves treatment that is intentionally cruel, inhumane, and degrading, including, but not limited to: intentionally starving a child; forcing a child to sit in urine or feces; binding or restraining a child; repeatedly physically injuring a child; exposing the child to extreme temperatures without adequate clothing or shelter; locking a child in closets or other small spaces; and forcing a child into stress positions or exercise resulting in prolonged suffering.

(* * *h) Nothing contained in paragraph (c) of this subsection shall preclude a parent or guardian from disciplining a child of that parent or guardian, or shall preclude a person in loco parentis to a child from disciplining that child, if done in a reasonable manner, and reasonable corporal punishment or reasonable discipline as to

that parent or guardian's child or child to whom a person stands in loco parentis shall be a defense to any violation charged under paragraph (c) of this subsection.

(* * *i) Reasonable discipline and reasonable corporal punishment shall not be a defense to acts described in paragraphs (a) and (b) of this subsection or if a child suffers serious bodily harm as a result of any act prohibited under paragraph (c) of this subsection.

(3) Nothing contained in this section shall prevent proceedings against the parent, guardian or other person under any statute of this state or any municipal ordinance defining any act as a crime or misdemeanor. Nothing in the provisions of this section shall preclude any person from having a right to trial by jury when charged with having violated the provisions of this section.

(4) (a) A parent, legal guardian or caretaker who endangers a child's person or health by knowingly causing or permitting the child to be present where any person is selling, manufacturing or possessing immediate precursors or chemical substances with intent to manufacture, sell or possess a controlled substance as prohibited under Section 41-29-139 or 41-29-313, is guilty of child endangerment and may be sentenced to imprisonment for not more than ten (10) years or to payment of a fine of not more than Ten Thousand Dollars ($10,000.00), or both.

(b) If the endangerment results in substantial harm to the child's physical, mental or emotional health, the person may be sentenced to imprisonment for not more than twenty (20) years or to payment of a fine of not more than Twenty Thousand Dollars ($20,000.00), or both.

(5) Nothing contained in this section shall prevent proceedings against the parent, guardian or other person under any statute of this state or any municipal ordinance defining any act as a crime or misdemeanor. Nothing in the provisions of this section shall preclude any person from having a right to trial by jury when charged with having violated the provisions of this section.

(6) After consultation with the Department of Child Protection Services, a regional mental health center or an appropriate professional person, a judge may suspend imposition or execution of a sentence provided in subsections (1) and (2) of this section and in lieu thereof require treatment over a specified period of time at any approved public or private treatment facility. A person may be eligible for treatment in lieu of criminal penalties no more than one (1) time.

(7) In any proceeding resulting from a report made pursuant to Section 43-21-353 of the Youth Court Law, the testimony of the physician making the report regarding the child's injuries or condition or cause thereof shall not be excluded on the ground that the physician's testimony violates the physician-patient privilege or similar privilege or rule against disclosure. The physician's report shall not be considered as evidence unless introduced as an exhibit to his testimony.

(8) Any criminal prosecution arising from a violation of this section shall be tried in the circuit, county, justice or municipal court having jurisdiction; provided, however, that nothing herein shall abridge or dilute the contempt powers of the youth court.

SECTION 11. Section 43-21-651, Mississippi Code of 1972, is amended as follows:

43-21-651. (1) (a) The court to which appeals may be taken from final orders or decrees of the youth court shall be the Supreme Court of Mississippi pursuant to the Rules of Appellate Procedure. Final Orders in youth court include orders that grant durable legal custody or durable legal relative guardianship, transfer jurisdiction over the minor child to another court, such as for an adoption, or otherwise terminate the jurisdiction of the youth court over the minor child. All factual findings, legal determinations, and adjudication of issues by the youth court prior to the time the final order is entered are preserved for appellate review and any common law to the contrary is expressly abrogated. Any matters adjudicated by the youth court through interim orders such as adjudication/disposition orders, or permanency review orders, may be only appealed through the interlocutory appeal process provided by the Rules of Appellate Procedure.

(b) The rule of construction that statutes in derogation of the common law are to be strictly construed shall have no application to this subsection.

(* * *2) In any case wherein an appeal is desired, written notice of intention to appeal shall be filed with the youth court clerk within the time, and costs in the youth court and the filing fee in the Supreme Court shall be paid, as is otherwise required for appeals to the Supreme Court. If the appellant shall make affidavit that he is unable to pay such costs and filing fee, he shall have an appeal without prepayment of court costs and filing fee. Only the initials of the child shall appear on the record on appeal.

(* * *3) The pendency of an appeal shall not suspend the order or decree of the youth court regarding a child, nor shall it discharge the child from the custody of that court or of the person, institution or agency to whose care such child shall have been committed, unless the youth court or Supreme Court shall so order. If appellant desires to appeal with supersedeas, the matter first shall be presented to the youth court. If refused, the youth court shall forthwith issue a written order stating the reasons for the denial, which order shall be subject to review by the Supreme Court. If the Supreme Court does not dismiss the proceedings and discharge the child, it shall affirm or modify or reverse the order of the youth court and remand the child to the jurisdiction of the youth court for placement and supervision in accordance with its order, and thereafter the child shall be and remain under the jurisdiction of the youth court in the same manner as if the youth court had made the order without an appeal having been taken.

(* * *4) Appeals from the youth court shall be preference cases in the Supreme Court.

SECTION 12. Section 43-21-351, Mississippi Code of 1972, is amended as follows:

43-21-351. (1) Any person or agency having knowledge that a child residing or being within the county is within the jurisdiction of the youth court may make a written report to the intake unit alleging facts sufficient to establish the jurisdiction of the youth court. The report shall bear a permanent number that will be assigned by the court in accordance with the standards established by the Administrative Office of Courts pursuant to Section 9-21-9(d), and shall be preserved until destroyed on order of the court.

(2) There shall be in each youth court of the state an intake officer who shall be responsible for the accurate and timely entering of all intake and case information into the Mississippi Youth Court Information Delivery System (MYCIDS) for the Department of Human Services - Division of Youth Services, truancy matters, and the Department of Child Protection Services. It shall be the responsibility of the youth court judge or referee of each county to ensure that the intake officer is carrying out the responsibility of this section.

(3) Each intake officer shall receive, at a minimum, six (6) hours of annual training on MYCIDS provided by the Mississippi Judicial College. The required training under this subsection shall be in addition to technical training provided by the Mississippi Supreme Court MYCIDS Information Technology Department.

(4) The Mississippi Judicial College, in conjunction with the Administrative Office of Courts, shall develop training materials on MYCIDS:

(a) To ensure the accurate and timely entrance of all intake and case information throughout the state by intake officers;

(b) To ensure that youth court judges are equipped to oversee the functions of each intake officer.

SECTION 13. Section 43-21-801, Mississippi Code of 1972, is amended as follows:

43-21-801. (1) There is established the Youth Court Support Program. The purpose of the program shall be to ensure that all youth courts have sufficient support funds to carry on the business of the youth court. The Administrative Office of Courts shall establish a formula consistent with this section for providing state support payable from the Youth Court Support Fund for the support of the youth courts.

(a) (i) Each regular youth court referee is eligible for youth court support funds so long as the senior chancellor does not elect to employ a youth court administrator as set forth in paragraph (b); a municipal youth court judge is also eligible. The Administrative Office of Courts shall direct any funds to the appropriate county or municipality. The funds shall be utilized to compensate an intake officer who shall be responsible for ensuring that all intake and case information for the Department of

Human Services - Division of Youth Services, truancy matters, and the Department of Child Protection Services is entered into the Mississippi Youth Court Information Delivery System (MYCIDS) in an accurate and timely manner. If the court already has an intake officer responsible for entering all cases of the Department of Human Services - Division of Youth Services, truancy matters, and the Department of Child Protection Services into MYCIDS, the regular youth court referee or municipal court judge may certify to the Administrative Office of Courts that such a person is already on staff. In such a case, each regular youth court referee or municipal youth court judge shall have the sole individual discretion to appropriate those funds as expense monies to assist in hiring secretarial staff and acquiring materials and equipment incidental to carrying on the business of the court within the private practice of law of the referee or judge, or may direct the use of those funds through the county or municipal budget for court support supplies or services. The regular youth court referee and municipal youth court judge shall be accountable for assuring through private, county or municipal employees the proper preparation and filing of all necessary tracking and other documentation attendant to the administration of the youth court.

(ii) Title to all tangible property, excepting stamps, stationery and minor expendable office supplies, procured with funds authorized by this section, shall be and forever remain in the county or municipality to be used by the judge or referee during the term of his office and thereafter by his successors.

(b) (i) When permitted by the Administrative Office of Courts and as funds are available, the senior chancellor for Chancery Districts One, Two, Three, Four, Six, Seven, Nine, Ten, Thirteen, Fourteen, Fifteen and Eighteen may appoint a youth court administrator for the district whose responsibility will be to perform all reporting, tracking and other duties of a court administrator for all youth courts in the district that are under the chancery court system. Any chancery district listed in this paragraph in which a chancellor appoints a referee or special master to hear any youth court matter is ineligible for funding under this paragraph (b). The Administrative Office of Courts may allocate to an eligible chancery district a sum not to exceed Thirty Thousand Dollars ($30,000.00) per year for the salary, fringe benefits and equipment of the youth court administrator, and an additional sum not to exceed One Thousand Nine Hundred Dollars ($1,900.00) for the administrator's travel expenses.

(ii) The appointment of a youth court administrator shall be evidenced by the entry of an order on the minutes of the court. The person appointed shall serve at the will and pleasure of the senior chancellor but shall be an employee of the Administrative Office of Courts.

(iii) The Administrative Office of Courts must approve the position, job description and salary before the position can be filled. The Administrative Office of Courts shall not approve any plan that does not first require the expenditure of the funds from the Youth Court Support Fund before expenditure of county funds is authorized for that purpose.

(iv) Title to any tangible property procured with funds authorized under this paragraph shall be and forever remain in the State of Mississippi.

(c) (i) Each county court is eligible for youth court support funds. The funds shall be utilized to provide compensation to an intake officer who shall be responsible for ensuring that all intake and case information for the Department of Human Services - Division of Youth Services, truancy matters, and the Department of Child Protection Services is entered into the Mississippi Youth Court Information Delivery System (MYCIDS) in an accurate and timely manner. If the county court already has an intake officer or other staff person responsible for entering all cases of the Department of Human Services - Division of Youth Services, truancy matters and the Department of Child Protection Services into MYCIDS, the senior county court judge may certify that such a person is already on staff. In such a case, the senior county court judge shall have discretion to direct the expenditure of those funds in hiring other support staff to carry on the business of the court.

(ii) For the purposes of this paragraph, "support staff" means court administrators, law clerks, legal research assistants, secretaries, resource administrators or case managers appointed by a youth court judge, or any combination thereof, but shall not mean school attendance officers.

(iii) The appointment of support staff shall be evidenced by the entry of an order on the minutes of the court. The support staff so appointed shall serve at the will and pleasure of the senior county court judge but shall be an employee of the county.

(iv) The Administrative Office of Courts must approve the positions, job descriptions and salaries before the positions may be filled. The Administrative Office of Courts shall not approve any plan that does not first require the expenditure of funds from the Youth Court Support Fund before expenditure of county funds is authorized for that purpose.

(v) The Administrative Office of Courts may approve expenditure from the fund for additional equipment for support staff appointed pursuant to this paragraph if the additional expenditure falls within the formula. Title to any tangible property procured with funds authorized under this paragraph shall be and forever remain in the county to be used by the youth court and support staff.

(2) (a) (i) The formula developed by the Administrative Office of Courts for providing youth court support funds shall be devised so as to distribute appropriated funds proportional to caseload and other appropriate factors as set forth in regulations promulgated by the Administrative Office of Courts. The formula will determine a reasonable maximum amount per judge or referee per annum that will not be exceeded in allocating funds under this section.

(ii) The formula shall be reviewed by the Administrative Office of Courts every two (2) years to ensure that the youth court support funds provided herein are proportional to each youth court's caseload and other specified factors.

(iii) The Administrative Office of Courts shall have wide latitude in the first two-year cycle to implement a formula designed to maximize caseload data collection.

(b) Application to receive funds under this section shall be submitted in accordance with procedures established by the Administrative Office of Courts.

(c) Approval of the use of any of the youth court support funds distributed under this section shall be made by the Administrative Office of Courts in accordance with procedures established by the Administrative Office of Courts.

(3) (a) There is created in the State Treasury a special fund to be designated as the "Youth Court Support Fund," which shall consist of funds appropriated or otherwise made available by the Legislature in any manner and funds from any other source designated for deposit into such fund. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any investment earnings or interest earned on amounts in the fund shall be deposited to the credit of the fund. Monies in the fund shall be distributed to the youth courts by the Administrative Office of Courts for the purposes described in this section.

(b) (i) During the regular legislative session held in calendar year 2007, the Legislature may appropriate an amount not to exceed Two Million Five Hundred Thousand Dollars ($2,500,000.00) to the Youth Court Support Fund.

(ii) During each regular legislative session subsequent to the 2007 Regular Session, the Legislature shall appropriate Two Million Five Hundred Thousand Dollars ($2,500,000.00) to the Youth Court Support Fund.

(c) No youth court judge or youth court referee shall be eligible to receive funding from the Youth Court Support Fund who has not received annual continuing education in the field of juvenile justice in an amount to conform with the requirements of the Rules and Regulations for Mandatory Continuing Judicial Education promulgated by the Supreme Court or received at least one (1) hour of annual continuing education concerning oversight of youth court intake officers and MYCIDS. The Administrative Office of Courts shall maintain records of all referees and youth court judges regarding such training and shall not disburse funds to any county or municipality for the budget of a youth court judge or referee who is not in compliance with the judicial training requirements.

(4) Any recipient of funds from the Youth Court Support Fund shall not be eligible for continuing disbursement of funds if the recipient is not in compliance with the terms, conditions and reporting requirements set forth in the procedures promulgated by the Administrative Office of Courts.

SECTION 14. Section 43-21-301, Mississippi Code of 1972, is amended as follows:

43-21-301. (1) No court other than the youth court shall issue an arrest warrant or custody order for a child in a matter in which the youth court has exclusive original jurisdiction but shall refer the matter to the youth court.

(2) Except as otherwise provided, no child in a matter in which the youth court has exclusive original jurisdiction shall be taken into custody by a law enforcement officer, the Department of Human Services, the Department of Child Protection Services, or any other person unless the judge or his designee has issued a custody order to take the child into custody.

(3) The judge or his designee may require a law enforcement officer, the Department of Human Services, the Department of Child Protection Services, or any suitable person to take a child into custody for a period not longer than forty-eight (48) hours, excluding Saturdays, Sundays, and statutory state holidays.

(a) Custody orders under this subsection may be issued if it appears that there is probable cause to believe that:

(i) The child is within the jurisdiction of the court;

(ii) Custody is necessary because of any of the following reasons: the child is in danger of a significant risk of harm, any person would be in danger of a significant risk of harm by the child, to ensure the child's attendance in court at such time as required, or a parent, guardian or custodian is not available to provide for the care and supervision of the child; and

(iii) There is no reasonable alternative to custody.

A finding of probable cause under this subsection (3)(a) shall not be based solely upon a positive drug test of a newborn or parent for marijuana or solely upon the status of a parent as a cardholder under the Mississippi Medical Cannabis Act; however, a finding of probable cause may be based upon an evidence-based finding of harm to the child or a parent's inability to provide for the care and supervision of the child due to the parent's use of marijuana. Probable cause for unlawful use of any controlled substance, except as otherwise provided in this subsection (3)(a) for marijuana, may be based: 1. upon a parent's positive drug test for unlawful use of a controlled substance only if the child is in danger of a significant risk of harm or the parent is unable to provide proper care or supervision of the child because of the unlawful use and there is no reasonable alternative to custody; and 2. upon a newborn's positive drug screen for a controlled substance that was used unlawfully only if the child is in danger of a significant risk of harm or the parent is unable to provide proper care or supervision of the child because of the unlawful use and there is no reasonable alternative to custody.

A child shall not be considered "neglected" solely because the child's parent, guardian or custodian has failed to provide the child with food, clothing, or shelter necessary to sustain the life or health of the child when the failure is caused primarily by financial inability, unless relief services had been offered and refused and the child is in imminent risk of harm.

(b) Custody orders under this subsection shall be written. In emergency cases, a judge or his designee may issue an oral custody order, but the order shall be reduced to writing within forty-eight (48) hours of its issuance.

(c) Each youth court judge shall develop and make available to law enforcement a list of designees who are available after hours, on weekends and on holidays.

(4) The judge or his designee may order, orally or in writing, the immediate release of any child in the custody of any person or agency. Except as otherwise provided in subsection (3) of this section, custody orders as provided by this chapter and authorizations of temporary custody may be written or oral, but, if oral, reduced to writing within forty-eight (48) hours, excluding Saturdays, Sundays and statutory state holidays. The written order shall:

(a) Specify the name and address of the child, or, if unknown, designate him or her by any name or description by which he or she can be identified with reasonable certainty;

(b) Specify the age of the child, or, if unknown, that he or she is believed to be of an age subject to the jurisdiction of the youth court;

(c) Except in cases where the child is alleged to be a delinquent child or a child in need of supervision, state that the effect of the continuation of the child's residing within his or her own home would be contrary to the welfare of the child, that the placement of the child in foster care is in the best interests of the child, and unless the reasonable efforts requirement is bypassed under Section 43-21-603(7)(c), also state that (i) reasonable efforts have been made to maintain the child within his or her own home, but that the circumstances warrant his removal and there is no reasonable alternative to custody; or (ii) the circumstances are of such an emergency nature that no reasonable efforts have been made to maintain the child within his own home, and that there is no reasonable alternative to custody. If the court makes a finding in accordance with (ii) of this paragraph, the court shall order that reasonable efforts be made toward the reunification of the child with his or her family;

(d) State that the child shall be brought immediately before the youth court or be taken to a place designated by the order to be held pending review of the order;

(e) State the date issued and the youth court by which the order is issued; and

(f) Be signed by the judge or his designee with the title of his office.

(5) The taking of a child into custody shall not be considered an arrest except for evidentiary purposes.

(6) (a) No child who has been accused or adjudicated of any offense that would not be a crime if committed by an adult shall be placed in an adult jail or lockup. An accused status offender shall not be held in secure detention longer than twenty-four (24) hours prior to and twenty-four (24) hours after an initial court appearance, excluding Saturdays, Sundays and statutory state holidays, except under the following circumstances: a status offender may be held in secure detention for violating a valid court order pursuant to the criteria as established by the federal Juvenile Justice and Delinquency Prevention Act of 2002, and any subsequent amendments thereto, and out-of-state runaways may be detained pending return to their home state.

(b) No accused or adjudicated juvenile offender, except for an accused or adjudicated juvenile offender in cases where jurisdiction is waived to the adult criminal court, shall be detained or placed into custody of any adult jail or lockup for a period in excess of six (6) hours.

(c) If any county violates the provisions of paragraph (a) or (b) of this subsection, the state agency authorized to allocate federal funds received pursuant to the Juvenile Justice and Delinquency Prevention Act of 1974, 88 Stat. 2750 (codified in scattered Sections of 5, 18, 42 USCS), shall withhold the county's share of such funds.

(d) Any county that does not have a facility in which to detain its juvenile offenders in compliance with the provisions of paragraphs (a) and (b) of this subsection may enter into a contractual agreement to detain or place into custody the juvenile offenders of that county with any county or municipality that does have such a facility, or with the State of Mississippi, or with any private entity that maintains a juvenile correctional facility.

(e) Notwithstanding the provisions of paragraphs (a), (b), (c) and (d) of this subsection, all counties shall be allowed a one-year grace period from March 27, 1993, to comply with the provisions of this subsection.

SECTION 15. Section 43-21-303, Mississippi Code of 1972, is amended as follows:

43-21-303. (1) No child in a matter in which the youth court has original exclusive jurisdiction shall be taken into custody by any person without a custody order except that:

(a) A law enforcement officer may take a child in custody if:

(i) Grounds exist for the arrest of an adult in identical circumstances; and

(ii) Such law enforcement officer has probable cause to believe that custody is necessary as defined in Section 43-21-301; and

(iii) Such law enforcement officer can find no reasonable alternative to custody; or

(b) A law enforcement officer or an agent of the Department of Child Protection Services or the Department of Human Services may take a child into immediate custody if:

(i) There is probable cause to believe that the child is in immediate danger of personal harm; however, probable cause shall not be based solely upon a positive drug test of a newborn or parent for marijuana or solely upon the status of a parent as a cardholder under the Mississippi Medical Cannabis Act, but a finding of probable cause may be based upon an evidence-based finding of harm to the child or a parent's inability to provide for the care and supervision of the child due to the parent's use of marijuana. Probable cause for unlawful use of any controlled substance, except as otherwise provided in this subparagraph (i) for marijuana, may be based: 1. upon a parent's positive drug test for unlawful use of a controlled substance only if the child is in danger of a significant risk of harm or the parent is unable to provide proper care or supervision of the child because of the unlawful use and there is no reasonable alternative to custody; and 2. upon a newborn's positive drug screen for a controlled substance that was used unlawfully only if the child is in danger of a significant risk of harm or the parent is unable to provide proper care or supervision of the child because of the unlawful use and there is no reasonable alternative to custody.

A child shall not be considered "neglected" solely because the child's parent, guardian or custodian has failed to provide the child with food, clothing, or shelter necessary to sustain the life or health of the child when the failure is caused primarily by financial inability, unless relief services had been offered and refused and the child is in imminent risk of harm; and

(ii) There is probable cause to believe that immediate custody is necessary as set forth in Section 43-21-301(3); and

(iii) There is no reasonable alternative to custody; and

(c) Any other person may take a child into custody if grounds exist for the arrest of an adult in identical circumstances. Such other person shall immediately surrender custody of the child to the proper law enforcement officer who shall thereupon continue custody only as provided in * * * paragraph (a) of this subsection.

(2) When it is necessary to take a child into custody, the least restrictive custody should be selected.

(3) Unless the child is immediately released, the person taking the child into custody shall immediately notify the judge or his designee. A person taking a child into custody shall also make continuing reasonable efforts to notify the child's parent, guardian or custodian and invite the parent, guardian or custodian to be present during any questioning.

(4) A child taken into custody shall not be held in custody for a period longer than reasonably necessary, but not to exceed twenty-four (24) hours, and shall be released to his parent, guardian or custodian unless the judge or his designee authorizes temporary custody.

SECTION 16. Section 93-17-3, Mississippi Code of 1972, is amended as follows:

93-17-3. (1) Except as otherwise provided in this section, a court of this state has jurisdiction over a proceeding for the adoption or readoption of a minor commenced under this chapter if:

(a) Immediately before commencement of the proceeding, the minor lived in this state with a parent, a guardian, a prospective adoptive parent or another person acting as parent, for at least six (6) consecutive months, excluding periods of temporary absence, or, in the case of a minor under six (6) months of age, lived in this state from soon after birth with any of those individuals and there is available in this state substantial evidence concerning the minor's present or future care;

(b) Immediately before commencement of the proceeding, the prospective adoptive parent lived in this state for at least six (6) consecutive months, excluding periods of temporary absence, and there is available in this state substantial evidence concerning the minor's present or future care;

(c) The agency that placed the minor for adoption is licensed in this state and it is in the best interest of the minor that a court of this state assume jurisdiction because:

(i) The minor and the minor's parents, or the minor and the prospective adoptive parent, have a significant connection with this state; and

(ii) There is available in this state substantial evidence concerning the minor's present or future care;

(d) The minor and the prospective adoptive parent or parents are physically present in this state and the minor has been abandoned or it is necessary in an emergency to protect the minor because the minor has been subjected to or threatened with mistreatment or abuse or is otherwise neglected, and the prospective adoptive parent or parents, if not residing in Mississippi, have completed and provided the court with a satisfactory Interstate Compact for Placement of Children (ICPC) home study and accompanying forms, unless the court determines that the home study is not necessary in the case of an adoption by a stepparent or a relative or in the case of an adoption in a foster-to-adopt placement;

(e) It appears that no other state would have jurisdiction under prerequisites substantially in accordance with paragraphs (a) through (d), or another state has declined to exercise jurisdiction on the ground that this state is the more appropriate forum to hear a petition for adoption of the minor, and it is in the best interest of the minor that a court of this state assume jurisdiction; or

(f) The child has been adopted in a foreign country, the agency that placed the minor for adoption is licensed in this state, and it is in the best interest of the child to be readopted in a court of this state having jurisdiction.

(2) A court of this state may not exercise jurisdiction over a proceeding for adoption of a minor if, at the time the petition for adoption is filed, a proceeding concerning the custody or adoption of the minor is pending in a court of another state exercising jurisdiction substantially in conformity with the Uniform Child Custody Jurisdiction Act or this section unless the proceeding is stayed by the court of the other state.

(3) If a court of another state has issued a decree or order concerning the custody of a minor who may be the subject of a proceeding for adoption in this state, a court of this state may not exercise jurisdiction over a proceeding for adoption of the minor unless:

(a) The court of this state finds that the court of the state which issued the decree or order:

(i) Does not have continuing jurisdiction to modify the decree or order under jurisdictional prerequisites substantially in accordance with the Uniform Child Custody Jurisdiction Act or has declined to assume jurisdiction to modify the decree or order; or

(ii) Does not have jurisdiction over a proceeding for adoption substantially in conformity with subsection (1)(a) through (d) or has declined to assume jurisdiction over a proceeding for adoption; and

(b) The court of this state has jurisdiction over the proceeding.

The purpose of the program shall be to ensure that all youth courts have sufficient support funds to carry on the business of the youth court. The Administrative Office of Courts shall establish a formula consistent with this section for providing state support payable from the Youth Court Support Fund for the support of the youth courts.

(a) (i) Each regular youth court referee is eligible for youth court support funds so long as the senior chancellor does not elect to employ a youth court administrator as set forth in paragraph (b); a municipal youth court judge is also eligible. The Administrative Office of Courts shall direct any funds to the appropriate county or municipality. The funds shall be utilized to compensate an intake officer who shall be responsible for ensuring that all intake and case information for the Department of Human Services - Division of Youth Services, truancy matters, and the Department of Child Protection Services is entered into the Mississippi Youth Court Information Delivery System (MYCIDS) in an accurate and timely manner. If the court already has an intake officer responsible for entering all cases of the Department of Human Services - Division of Youth Services, truancy matters, and the Department of Child Protection Services into MYCIDS, the regular youth court referee or municipal court judge may certify to the Administrative Office of Courts that such a person is already on staff. In such a case, each regular youth court referee or municipal youth court judge shall have the sole individual discretion to appropriate those funds as expense monies to assist in hiring secretarial staff and acquiring materials and equipment incidental to carrying on the business of the court within the private practice of law of the referee or judge, or may direct the use of those funds through the county or municipal budget for court support supplies or services. The regular youth court referee and municipal youth court judge shall be accountable for assuring through private, county or municipal employees the proper preparation and filing of all necessary tracking and other documentation attendant to the administration of the youth court.

Any chancery district listed in this paragraph in which a chancellor appoints a referee or special master to hear any youth court matter is ineligible for funding under this paragraph (b). The Administrative Office of Courts may allocate to an eligible chancery district a sum not to exceed Thirty Thousand Dollars ($30,000.00) per year for the salary, fringe benefits and equipment of the youth court administrator, and an additional sum not to exceed One Thousand Nine Hundred Dollars ($1,900.00) for the administrator's travel expenses.

(ii) The appointment of a youth court administrator shall be evidenced by the entry of an order on the minutes of the court. The person appointed shall serve at the will and pleasure of the senior chancellor but shall be an employee of the Administrative Office of Courts.

(iii) The Administrative Office of Courts must approve the position, job description and salary before the position can be filled. The Administrative Office of Courts shall not approve any plan that does not first require the expenditure of the funds from the Youth Court Support Fund before expenditure of county funds is authorized for that purpose.

If the county court already has an intake officer or other staff person responsible for entering all cases of the Department of Human Services - Division of Youth Services, truancy matters and the Department of Child Protection Services into MYCIDS, the senior county court judge may certify that such a person is already on staff. In such a case, the senior county court judge shall have discretion to direct the expenditure of those funds in hiring other support staff to carry on the business of the court.

(ii) For the purposes of this paragraph, "support staff" means court administrators, law clerks, legal research assistants, secretaries, resource administrators or case managers appointed by a youth court judge, or any combination thereof, but shall not mean school attendance officers.

The Administrative Office of Courts shall not approve any plan that does not first require the expenditure of funds from the Youth Court Support Fund before expenditure of county funds is authorized for that purpose.

Title to any tangible property procured with funds authorized under this paragraph shall be and forever remain in the county to be used by the youth court and support staff.

(2) (a) (i) The formula developed by the Administrative Office of Courts for providing youth court support funds shall be devised so as to distribute appropriated funds proportional to caseload and other appropriate factors as set forth in regulations promulgated by the Administrative Office of Courts. The formula will determine a reasonable maximum amount per judge or referee per annum that will not be exceeded in allocating funds under this section.

(ii) The formula shall be reviewed by the Administrative Office of Courts every two (2) years to ensure that the youth court support funds provided herein are proportional to each youth court's caseload and other specified factors.

Monies in the fund shall be distributed to the youth courts by the Administrative Office of Courts for the purposes described in this section.

(b) (i) During the regular legislative session held in calendar year 2007, the Legislature may appropriate an amount not to exceed Two Million Five Hundred Thousand Dollars ($2,500,000.00) to the Youth Court Support Fund.

(ii) During each regular legislative session subsequent to the 2007 Regular Session, the Legislature shall appropriate Two Million Five Hundred Thousand Dollars ($2,500,000.00) to the Youth Court Support Fund.

(c) No youth court judge or youth court referee shall be eligible to receive funding from the Youth Court Support Fund who has not received annual continuing education in the field of juvenile justice in an amount to conform with the requirements of the Rules and Regulations for Mandatory Continuing Judicial Education promulgated by the Supreme Court. The Administrative Office of Courts shall maintain records of all referees and youth court judges regarding such training and shall not disburse funds to any county or municipality for the budget of a youth court judge or referee who is not in compliance with the judicial training requirements.

(4) Any recipient of funds from the Youth Court Support Fund shall not be eligible for continuing disbursement of funds if the recipient is not in compliance with the terms, conditions and reporting requirements set forth in the procedures promulgated by the Administrative Office of Courts.

(5) The provisions of this section shall stand repealed on July 1, 2026.

(3) The provisions of this section shall stand repealed on July 1, 2026.

SECTION 8. Section 93-31-3, Mississippi Code of 1972, is amended as follows:

93-31-3. (1) (a) A parent or legal custodian of a child, by means of a properly executed power of attorney as provided in Section 93-31-5, may delegate to another

willing person or persons as attorney-in-fact any of the powers regarding the care and custody of the child other than the following:

(i) The power to consent to marriage or adoption of the child;

(ii) The performance or inducement of an abortion on or for the child; or

(iii) The termination of parental rights to the child.

(b) A delegation of powers under this section does not:

(i) Change or modify any parental or legal rights, obligations, or authority established by an existing court order;

(ii) Deprive any custodial or noncustodial parent or legal guardian of any parental or legal rights, obligations, or authority regarding the custody, visitation, or support of the child; or

(iii) Affect a court's ability to determine the best interests of a child.

(c) If both parents are living and neither parent's parental rights have been terminated, both parents must execute the power of attorney. If a noncustodial parent is absent or unknown, the custodial parent must complete the affidavit contemplated under Section 93-31-5 and attach it to the power of attorney.

(d) A power of attorney under this chapter must be facilitated by either a child welfare agency that is licensed to place children for adoption and that is operating under the Safe Families for Children model or another charitable organization that is operating under the Safe Families for Children model. (3) The parent or legal custodian of the child has the authority to revoke or withdraw the power of attorney authorized by this section at any time. Upon the termination, expiration, or revocation of the power of attorney, the child must be returned to the custody of the parent or legal custodian.

(4) Until the authority expires or is revoked or withdrawn by the parent or legal custodian, the attorney-in-fact shall exercise parental or legal authority on a continuous basis without compensation for the duration of the power of attorney.

(5) The execution of a power of attorney by a parent or legal custodian does not, in the absence of other evidence, constitute abandonment, desertion, abuse, neglect, or any evidence of unfitness as a parent unless the parent or legal custodian fails to take custody of the child or execute a new power of attorney after the one-year time limit, or after a longer time period as allowed for a serving parent, has elapsed. Nothing in this subsection prevents the Department of Child Protection Services or law enforcement from

investigating allegations of abuse, abandonment, desertion, neglect or other mistreatment of a child.

(6) When the custody of a child is transferred by a power of attorney under this chapter, the child is not considered to have been placed in foster care and the attorney-in-fact will not be subject to any of the requirements or licensing regulations for foster care or other regulations relating to out-of-home care for children and will not be subject to any statutes or regulations dealing with the licensing or regulation of foster care homes.

(7) (a) "Serving parent" means a parent who is a member of the Armed Forces of the United States, including any reserve component thereof, or the National Oceanic and Atmospheric Administration Commissioned Officer Corps or the Public Health Service of the United States Department of Health and Human Services detailed by proper authority for duty with the Armed Forces of the United States, or who is required to enter or serve in the active military service of the United States under a call or order of the President of the United States or to serve on state active duty.

(b) A serving parent may delegate the powers designated in subsection (1) of this section for longer than one (1) year if on active-duty service or if scheduled to be on active-duty service. The term of delegation, however, may not exceed the term of active-duty service plus thirty (30) days.

(8) (a) A power of attorney under this chapter must be filed in the youth court of the county where the minor child or children reside at the time the form is completed, and the clerk of the youth court will not impose or collect a filing fee. The filing is informational only, and no judicial intervention shall result at the time of filing.

(b) The power of attorney must be entered into the Mississippi Youth Court Information Delivery System (MYCIDS) under Section 43-21-351, and must be administratively reviewed by the youth court judge or referee, or a person designated by the youth court judge or referee, to ensure the safety of the child or children who are the subjects of the power of attorney one (1) year after the date of execution.

(9) The provisions of this section shall stand repealed on July 1, 2026.

SECTION 9. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

If one (1) of the recommending practitioners is not the patient's primary care practitioner, the recommending practitioner shall review the records of a diagnosing practitioner. The requirement that the two (2) practitioners be from separate medical practices does not apply if the patient is homebound or if the patient had a registry identification card before the age of eighteen (18).

(17) Except as otherwise provided in this section, a medical cannabis establishment shall not allow an individual who is younger than twenty-one (21) years old to enter the premises of the establishment unless the individual possesses a registry identification card and is accompanied by his or her legal guardian.

(18) A medical cannabis establishment shall only purchase, grow, cultivate, and use cannabis that is grown and cultivated in this state. Any medical cannabis that is grown and cultivated in this state shall not be transported outside of this state.

(19) Employees of all medical cannabis establishments shall apply for a work permit with the MDOH and MDOR, as applicable, before beginning employment with any establishment. The licensing agency for the respective medical cannabis establishment may issue work permits to these individuals. These licensing agencies shall maintain a work registry of all applicants and work permits issued. Work permits shall be the property of the employee and shall not be transferable to other employees.

A cannabis cultivation facility shall not cultivate and a cannabis dispensary shall not sell, transfer or provide for consumption plant growth regulator cannabis.

(21) A medical cannabis dispensary shall only make sales to cardholders inside the dispensary. A medical cannabis dispensary shall not sell or otherwise convey medical cannabis to a cardholder through the means of a drive-through, curbside delivery or other delivery outside the premises of the dispensary. Any topical cannabis product that is purchased by a dispensary from a licensed processor, and that is not ingested by the liver, may be sold to a cardholder or any person over the age of twenty-one (21) years old who is not a cardholder. Such products shall be placed in an area of the dispensary that does not require access with a registry identification card.

(22) Any and all contracts or agreements entered into by the MDOH and MDOR for information technology software, hardware, and/or services for the purpose of implementing and/or operating under the Mississippi Medical Cannabis Act shall include language reasonably limiting the ability of the vendor to escalate the ongoing cost of such software, hardware, and/or services during the term of the contract, including any amendments and/or extensions.

(23) The MDOR and MDOH shall not share the name, address or personal data of a registry identification cardholder to any federal government entity.

SECTION 2. Section 41-137-47, Mississippi Code of 1972, is amended as follows:

41-137-47. (1) * * * The licensing agency is authorized to investigate, either on the basis of complaints filed with it or on its own initiative through compliance visits, reviews or audits, instances of suspected violations of any nature, including, but not limited to:

(a) Performing the duties and requirements set forth for licensees within the relevant statute and regulations;

(b) The providing of false information on an application or renewal for a license, incident to a hearing, or otherwise;

(c) The conviction of a licensee of a felony;

(d) The misappropriation of funds; and

(e) The inversion or diversion of medical cannabis or medical cannabis products, or of any other matter reflecting unfavorably upon the holder of a license under the act.

(2) On the basis of information developed during such an investigation, the licensing agency may exercise any number of compliance actions including:

(a) To revoke, suspend or refuse to renew any license issued by the licensing agency;

(b) Deny an application for a license; or

(c) Reprimand, fine and/or take any other actions in relation to a license, as the licensing agency may deem proper under the circumstances.

(3) The licensing agency may deny the application of any applicant who fails to meet the qualifications for obtaining such license under this chapter or any rules and regulations under this chapter.

(4) Whenever the results of such an investigation are filed, the licensee may request an administrative hearing on the matter. If a licensee or applicant wishes to appeal the licensing agency's decision, the licensee or applicant shall file its administrative appeal within twenty (20) days of receipt of the initial notice.

If such a hearing is requested, the licensing agency shall set a day for a hearing and shall notify the licensee that on the day fixed for hearing he or she may appear so that an administrative hearing may take place. The licensing agency shall then conduct a hearing on the record pursuant to the licensing agency's rules and regulations governing such hearings, at which time the burden shall be on the licensee or applicant to prove that the agency's decision was:

(a) Unsupported by substantial evidence;

(b) Arbitrary or capricious;

(c) Beyond the power of the administrative agency to make; or

(d) Violated some statutory or constitutional right of the aggrieved party.

If the licensee or applicant fails to appeal the initial notice within the prescribed time, the decision becomes final and cannot be further appealed.

(5) In cases where violations of this chapter have been substantiated, the licensing agency may assess a monetary penalty or recoupment of costs for those reasonable costs that are expended by the licensing agency in the investigation and conduct of a proceeding for the compliance issue that is the subject matter of the hearing, including, but not limited to, the costs of process service, court reporters, expert witnesses and investigations. The licensing agency shall determine the amount of investigative fees and costs owed by a licensee based on an itemized accounting after the investigation has been officially completed and a final determination or action has been determined. Upon final determination or action, the licensing agency shall give to the licensee an itemized

accounting of the investigative fees and costs incurred. The licensing agency may recommend denial of, or refusal to take final action to approve the renewal of a licensee unless all investigative fees and costs have been paid in full by the licensee.

(* * *6) The licensing agency shall provide its initial notice of suspension, revocation, fine or other sanction by personal delivery or mailing by certified mail, signature required, to the medical cannabis establishment at the address on the registration certificate. A suspension shall not be for a longer period than six (6) months. The licensing agency shall provide its initial notice of denial by personal delivery, mailing by certified mail, signature required, or by electronic mail to the applicant at the physical or electronic address listed in its application.

(* * *7) A medical cannabis establishment may continue to possess and cultivate cannabis as otherwise authorized to do so under its license during a suspension, but it may not dispense, transfer or sell cannabis.

(* * *8) The MDOH shall immediately revoke the registry identification card of any cardholder who sells or otherwise transfers medical cannabis to a person or other entity, and the cardholder shall be disqualified from further participation in the medical cannabis program under this chapter.

(* * *9) Except as otherwise provided in subsection (* * *8) of this section, the MDOH may revoke the registry identification card of any cardholder who knowingly commits a violation of this chapter.

(* * *10) The hearing decision of the agency on a denial, revocation, suspension or fine is a final decision of the applicable agency subject to judicial review in accordance with Section 41-137-59.

(* * *11) No license issued by the MDOH or MDOR shall be transferred by the license holder to any other person or entity except with the written consent of the applicable licensing agency.

(* * *12) Any ongoing investigation by a licensing agency under this section shall be considered confidential and exempt from disclosure under the Mississippi Public Records Act of 1983, Sections 25-61-1 through 25-61-17.

2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 63-21-16, Mississippi Code of 1972, is amended as follows:

63-21-16. (1) All designated agents appointed by the department * * * under Section 63-21-13 * * * may electronically transmit to the department * * * information entered by them on applications for a certificate of title given in connection with the sale or transfer of a motor vehicle, manufactured home or mobile home or a loan for which the owner's motor vehicle, manufactured home or mobile home is pledged to that institution as collateral for the loan. The format and the data required to be transmitted shall be established by the department * * *. Transmission of data shall meet minimum criteria and edits established by the department * * * equal to any edit presently existing in the statewide title registration system, or as may be established, to which the county tax collectors shall also conform. All data transmitted must successfully pass edits established by the department * * *, including lienholder name, mailing address and lienholder account number assigned to a lienholder by the department * * * to identify the lienholder, for the purpose of causing the data to appear in the certificate of title for which the application is made.

(2) It shall be the responsibility of the designated agent to verify all data before it is electronically transmitted. It shall also be the responsibility of the designated agent to ensure that the required certification of designated agent and the certification of statement of facts that are contained on the application for certificate of title appear above the signatures of both the owner and the authorized representative of the designated agent. Data which cannot be transmitted because of error shall be corrected by the designated agent when the statewide title registration system indicates that the data is erroneous or is not valid for the purposes of titling the motor vehicle, manufactured home or mobile home or for transfer of the data.

(3) When an institution has agreed to loan money for the purchase of a motor vehicle, manufactured home or mobile home, the institution shall complete an application for certificate of title or require the borrower to provide to the institution the copy of the application for certificate of title contained in the application packet which is designated "Lienholder's Copy" according to provisions of the Motor Vehicle and Manufactured Housing Title Law, which the owner will receive from the county tax collector or any designated agent upon completion of the application for title and registration process.

(4) An application for certificate of title originating from a designated agent shall be entered on the statewide title registration system by the originating lending institution when the transaction is for the purpose of perfecting the institution's interest in a vehicle, manufactured home or mobile home currently owned or purchased by the applicant, in connection with application for certificate of title or the purchase of a license tag or both.

(5) When an institution in this state adds a second lien on a certificate of title in possession of a first lienholder institution in this state, the second lienholder institution seeking to be shown on the certificate of title shall:

(a) Prepare the application for certificate of title in accordance with the requirements of Sections 63-21-15 and 63-21-45(1)(c);

(b) Obtain all required signatures; and

(c) Forward the completed application for certificate of title to the first lienholder together with any necessary remittance advice, a check for the title fee payable to the department * * * and a cover letter to the first lienholder requesting that the first lienholder attach the certificate of title to the required documents sent by the second lienholder and then forward the application, certificate of title and required documents to the department * * *.

(6) Upon receipt of the application for certificate of title from the second lienholder institution to record the second lien, the first lienholder institution shall compare the data contained in the application for certificate of title to the information contained in the original certificate of title. If the first lienholder institution is satisfied as to the ownership, accuracy and order of priority of liens as shown in the application, it shall enter the data contained on the application for certificate of title prepared by the second lienholder on the statewide title registration system, including the designated agent number of the second lienholder. After entering the data from the application for certificate of title, the first lienholder institution shall immediately forward the application for certificate of title with the certificate of title attached to the application, the remittance advice and the second lienholder's check for the title fee to the department * * * within three (3) working days.

(7) In an assignment of lien pursuant to Section 63-21-47, the assignee shall receive the notice of assignment along with the current title attached and with the assignors interest open. The assignee lienholder shall prepare an application for certificate of title according to the notice of assignment, showing the assignee institution as the lienholder, and then shall electronically transmit the data to the department * * *. The completed application shall be forwarded to the department * * * within three (3) working days.

(8) The department * * *, upon receipt of applications for certificate of title, shall verify the data by accessing it on the statewide title registration system by the title application control number appearing on the application for title. After receiving verification that is satisfactory to the department * * * that the data necessary for the issuance of a new certificate of title exists, the department * * * shall issue a new certificate of title that records the interests of all the parties named in the application for certificate of title.

(9) Designated agents shall be connected to the statewide title registration system for the purpose of electronic transfer of applications for certificate of title data in the order of priority established by the department * * *.

(10) If a participating designated agent fails to comply with the provisions of this section or the rules adopted by the department * * * to implement this section, the department * * * may impose a penalty of Twenty-five Dollars ($25.00) for each instance of noncompliance. Any penalty imposed under this section not paid within thirty (30) days after a notice is given shall be subject to collection from the bond of the designated agent that is required to be provided under the provisions of Section 63-21-13(3). The penalty provided shall also be assessable, due and collectible from any licensed motor vehicle dealer or manufactured home or mobile home dealer for failure to accept an application for certificate of title for each and every vehicle, manufactured home or mobile home he sells to a consumer. These penalties shall be cumulative, supplemental and in addition to the penalties provided by any other law.

(11) This section shall apply to all designated agents appointed by the department * * * under Section 63-21-13, that choose to electronically transmit information on applications for certificates of title to the department * * *. This section shall not apply to other designated agents.

(12) Notwithstanding the foregoing, the department * * * shall not issue a certificate of title to a manufactured home or mobile home with respect to which title has been retired to real property under Section 63-21-30 unless with respect to the same manufactured

home or mobile home title has been severed from real property pursuant to Section 63-21-30.

(13) Notwithstanding any requirement in this chapter that a lien on a motor vehicle or manufactured home shall be noted on the face of the certificate of title, if there are one or more liens or encumbrances on the motor vehicle or manufactured home, the department * * * may electronically transmit the lien to the first lienholder and notify the first lienholder of any additional liens. Subsequent lien satisfactions may be electronically transmitted to the department * * * and shall include the name and address of the person satisfying the lien. When electronic transmission of liens and lien satisfactions is used, a certificate of title need not be issued until the last lien is satisfied and a clear certificate of title is issued to the owner of the motor vehicle or manufactured home. When a motor vehicle is subject to an electronic lien, the certificate of title for the motor vehicle shall be considered to be physically held by the lienholder for purposes of compliance with state or federal odometer disclosure requirements. A duly certified copy of the department * * *'s electronic record of the lien shall be admissible in any civil, criminal, or administrative proceeding in this state as evidence of the existence of the lien.

(14) Any lienholder with a federal Employer Identification Number (EIN) must electronically transmit the satisfaction and release and discharge of a lien on a motor vehicle to the department not later than fourteen (14) days after the date of satisfaction of the lien. The failure of any such lienholder to comply with the requirements of this subsection shall be a violation of this chapter. Any such lienholder who knowingly and willfully fails to transmit the satisfaction and release and discharge of a lien on a motor vehicle within fourteen (14) days after the date of the satisfaction of the lien shall be in violation of this section, and subject to a civil penalty of up to Two Hundred Fifty Dollars ($250.00) per violation, which shall be in addition to any other penalty provided in this chapter. In addition, the lienholder shall be liable for any attorney's fees, legal fees and/or other fees and costs incurred by a person in any action necessary to discharge and/or release a lien or otherwise affecting a lien for which the lienholder failed to transmit the required information.

(15) Notwithstanding any other provision of this chapter to the contrary, if a lien on a motor vehicle is older than eight (8) years from the date the lien was placed on the motor vehicle, the lien shall be recorded by the department in the automated statewide motor vehicle registration system as having been satisfied and released and discharged, unless annually recertified by the lienholder by utilizing the format and transmitting the data required by the department.

SECTION 2. Section 63-21-18, Mississippi Code of 1972, is amended as follows:

63-21-18. The Mississippi Department of Information Technology Services shall provide equipment for the operation and maintenance of the automated statewide motor vehicle, manufactured housing and mobile home registration system by the * * * department.

The automated statewide motor vehicle, manufactured housing and mobile home registration system shall provide for computer terminals and printers, as authorized by the * * * Department of Information Technology Services, to be located in the quantity necessary in each county seat tax collector's office and any other office in which more than fifty percent (50%) of the motor vehicle registrations in the county are made.

All county tax collectors shall participate in such system as it applies to Chapter 19, Title 27; Chapter 51, Title 27; Chapter 21, Title 63; Mississippi Code of 1972, in accordance with rules and regulations promulgated by the * * * department. Such rules and regulations shall provide that counties which have an existing computer system designed to produce registration data may elect to use such existing system to communicate title/registration data to the * * * department through the computer furnished by the state as hereinabove provided in this section. If the * * * department finds and

determines that a county has failed to successfully establish or update title/registration data into the statewide vehicle, manufactured housing and mobile home title/registration system, either through use of equipment supplied by the * * * department or through the interfacing between the network system and county computer equipment, the * * * department shall thereafter cause to be withheld the county's homestead exemption reimbursement monies, except for school districts and municipalities, until such time as the county has complied with this provision. Such monies as are withheld from a county for failure to comply with this provision shall be placed into a special escrow account to be established in the State Treasury. Once the county achieves compliance by successfully establishing or updating title/registration data into the statewide vehicle, manufactured housing and mobile home title/registration system, then the * * * department shall cause to be released to the county all funds held in escrow on the county's behalf during the period of noncompliance. All interest earned shall accrue to the benefit of the county on any funds placed in an escrow account. Any cost involved in interfacing between existing county computer systems and the state-provided computer shall be paid by the county.

The computer terminals and printers placed in each county tax collector's office may be utilized to provide additional computer functions as authorized by the * * * Department of Information Technology Services.

The State Fiscal Officer shall issue his warrants to the State Treasurer for the expenditures for the implementation and maintenance of the system upon requisitions signed by the * * * Commissioner of Revenue, as authorized by the Legislature.

It is the intent of the Legislature that the operation of the statewide motor vehicle, manufactured housing and mobile home title registration system shall be the responsibility of the * * * department.

The * * * department shall provide for the transfer of motor vehicle, manufactured housing and mobile home title and lien registration information to the * * * department by electronic means from banks and other lending institutions as provided in Section 63-21-18. The * * * Department of Information Technology Services shall cooperate with the * * * department in implementing the provisions of Section 63-21-18, and shall provide the * * * department with whatever assistance the * * * department needs to carry out the provisions of Section 63-21-18.

A used motor vehicle parts dealer or scrap metal processor must utilize the department's automated statewide motor vehicle registration system for the purpose of complying with the requirements of Section 63-21-39(1)(a).

SECTION 3. Section 63-21-39, Mississippi Code of 1972, is amended as follows:

63-21-39. (1) (a) An owner who scraps, dismantles or destroys a vehicle and a person who purchases a vehicle as scrap or to be dismantled or destroyed shall indicate same on the back of the certificate of title and shall immediately cause the certificate of title and any other documents required by the department * * * to be mailed or delivered to the department * * * for cancellation. A certificate of title of the vehicle shall not again be issued except upon application containing the information the department * * * requires, accompanied by a certificate of inspection in the form and content specified in Section 63-21-15(5) and proof of payment of a fee as provided in subsection (2) of this section. Before a used motor vehicle parts dealer or scrap metal processor may purchase or receive a motor vehicle from the owner or authorized agent of the owner of the motor vehicle for the purpose of scrapping, dismantling or destroying the motor vehicle, the used motor vehicle parts dealer or scrap metal processor must verify under Section 63-21-18 the absence of any lien on the motor vehicle. If a lien exists on the motor vehicle, the used motor vehicle parts dealer or scrap metal processor may not purchase or receive the motor vehicle for the purpose of scrapping, dismantling or destroying the vehicle, and

may not purchase or receive the motor vehicle for such purposes during any time for which a lien exists on the motor vehicle.

(b) Notwithstanding any other provision of this chapter to the contrary, if the owner or authorized agent of the owner has not obtained a title in his or her name for the vehicle to be transferred, has lost the title for the vehicle to be transferred, or has returned the title to the department * * * in accordance with paragraph (a) of this subsection, he or she may sign a statement swearing that, in addition to the foregoing conditions, the vehicle is at least ten (10) model years old. The statement described in this paragraph may be used only to transfer such a vehicle to a licensed used motor vehicle parts dealer or scrap metal processor. The department shall promulgate a form for the statement which shall include, but not be limited to:

(i) A statement that the vehicle shall never be titled again; it must be dismantled or scrapped;

(ii) A description of the vehicle including the year, make, model and vehicle identification number;

(iii) The name, address, and driver's license number, nondriver identification card number or tribal identification card number of the owner;

(iv) A certification that the owner:

1. Never obtained a title to the vehicle in his or her name; or

2. Was issued a title for the vehicle, but the title was lost or stolen;

(v) A certification that the vehicle:

1. Is at least ten (10) model years old; and

2. Is not subject to any security interest or lien;

(vi) An acknowledgment that the owner and buyer of the vehicle realizes this form will be filed with the department and that:

1. It is a misdemeanor, punishable by a fine of not more than One Thousand Dollars ($1,000.00) or imprisonment for not more than six (6) months, or both, for conviction of a first offense of knowingly falsifying any information on this statement; and

2. It is a felony, punishable by a fine of not less than One Thousand Dollars ($1,000.00) nor more than Five Thousand Dollars ($5,000.00) or imprisonment for not less than one (1) year nor more than five (5) years, or both, for conviction of a second or subsequent offense of knowingly falsifying any information on this statement;

(vii) The owner's signature and the date of the transaction;

(viii) The name and address of the business acquiring the vehicle;

(ix) The National Motor Vehicle Title Information System identification number; and

(x) The business agent's signature and date along with a printed name and title if the agent is signing on behalf of a corporation.

(c) Until such time as the department makes available an Internet-based system, the used motor vehicle parts dealer or scrap metal processor shall mail or otherwise deliver the statement required under paragraph (b) of this subsection (1) to the department * * * within three (3) business days of the completion of the transaction, requesting that the department cancel the Mississippi certificate of title and registration. Once the department develops an Internet-based system, the used motor vehicle parts dealer or scrap metal processor shall utilize such system and within two (2) business days electronically submit the information contained in the statement using that system.

(d) Within two (2) business days of each day's close of business, the used motor vehicle parts dealer or scrap metal processor who purchases or receives motor vehicles for scrap or for parts shall deliver in a format approved by the department, by electronic means once developed and made available by the department, a list of all such vehicles purchased that day for scrap or for parts. That list shall contain the following information:

(i) The name, address and contact information for the reporting entity;

(ii) The vehicle identification numbers of such vehicles;

(iii) The dates such vehicles were obtained;

(e) (i) For purposes of this subsection, the term "motor vehicle" shall not include a vehicle which has been crushed or flattened by mechanical means such that it is no longer the motor vehicle as described by the certificate of title, or such that the vehicle identification number is no longer visible or accessible.

(ii) In cases in which crushed or flattened vehicles are purchased or received, the purchasing or receiving used motor vehicle parts dealer or scrap metal processor shall verify that the seller has reported the vehicles in accordance with this subsection. Such verification may be in the form of a certification from the seller or a contract between the seller and the purchasing or receiving used motor vehicle parts dealer or scrap metal processor attesting to the seller's compliance with the reporting requirements of this subsection. Such verification must clearly identify the seller by a government issued photograph identification card or employer identification number, and the verification and copy of the identification card or number shall be maintained by the purchasing or receiving used motor vehicle parts dealer or scrap metal processor for a period of not less than two (2) years.

(f) The information obtained by the department in accordance with paragraph (d) of this subsection (1) shall be reported to the National Motor Vehicle Title Information System, in a format that will satisfy the requirement for reporting this

information, in accordance with rules adopted by the United States Department of Justice in 28 CFR 25.56.

(g) Until such time as the department develops and makes available the internet-based system described in paragraph (d) of this subsection, the used motor vehicle parts dealer or scrap metal processor who purchases or receives motor vehicles for scrap or for parts shall deliver the information required by paragraph (d) to the National Motor Vehicle Title Information System through any data consolidator approved by such system, within forty-eight (48) hours of the day the vehicle was purchased or acquired by such used motor vehicle parts dealer or scrap metal processor which shall satisfy the requirements of paragraph (d).

(h) The information obtained by the department in accordance with paragraph (d) of this subsection (1) shall be made available only to law enforcement agencies and for purposes of canceling certificates of title. (i) All records required under the provisions of this subsection shall be maintained for a period of two (2) years by the reporting entity and shall include a scanned or photocopied copy of the seller's or seller's representative's driver's license or state-issued identification card or other valid form of identification.

(j) A person who knowingly and willfully violates this subsection (1), or any person who knowingly and willfully falsifies or assists another person in falsifying the statement or information required under paragraph (b) or (d) of this subsection, or any person who knowingly and willfully sells a vehicle upon which there is an unsatisfied lien or security interest, or who purchases a vehicle without complying with either paragraph (a) or (b) of this subsection and who knowingly and willfully destroys or dismantles a vehicle upon which he knows that there is an unsatisfied lien or security interest shall:

(i) Be guilty of a misdemeanor, punishable by a fine not more than One Thousand Dollars ($1,000.00) or imprisonment for not more than six (6) months, or both, for conviction of a first offense; or

(ii) Upon conviction of a second or subsequent offense, a felony, punishable by imprisonment for not less than one (1) year nor more than five (5) years or a fine of not less than One Thousand Dollars ($1,000.00) nor more than Five Thousand Dollars ($5,000.00), or both.

In addition, the court may order each person convicted to pay restitution to any party suffering monetary loss in the amount of such loss. No part of any sentence imposed by the court shall be suspended unless such restitution has been paid in full.

(k) A person who knowingly and willfully fails to deliver the title as required under paragraph (a) of this subsection, or the statement required under paragraph (b) of this subsection to the department * * * within seventy-two (72) hours of the completion of the transaction, or who, until such time as the department develops and makes available the Internet-based system described in paragraph (d), fails to deliver the information required by paragraph (d) to the National Motor Vehicle Title Information System through any data consolidator approved by such system, within two (2) business days of the day the vehicle was purchased or acquired by such used motor vehicle parts dealer or scrap metal processor shall be in violation of this section, and subject to a civil penalty of up to One Thousand Dollars ($1,000.00) per violation. Actions to impose this penalty may be brought by any local or state law enforcement agency, district attorney, or by the Attorney General, in any court of competent jurisdiction. One-half (1/2) of the monies generated from such civil penalties shall be deposited in a special fund created in the State Treasury for use by the * * * department's Title Bureau, and one-half (1/2) of the monies generated from such civil penalties shall be deposited in the general fund of the municipality if the

suit was brought in a municipal court, or in the general fund of the county if the suit was brought in the court of a county.

(2) For the purpose of requesting a branded title on a vehicle with a salvage certificate of title, every owner of a vehicle that has been issued a salvage certificate of title in this state or any other state which has been restored in this state to its operating condition which existed prior to the event which caused the salvage certificate of title to be issued shall make application to the department * * *, accompanied by a certificate of inspection issued by the Department of Public Safety in the form and content specified in Section 63-21-15(5) and the payment of a fee of Seventy-five Dollars ($75.00) for each motor vehicle for which a certificate of inspection is issued. In addition, the Department of Public Safety may charge such a person a fee in the amount of Twenty-five Dollars ($25.00) for performing any vehicle identification number verification required by federal law or regulation for the vehicle for which the person is applying for a title. All such monies shall be collected by the Department of Public Safety and paid to the State Treasurer for deposit in a special fund that is hereby created in the State Treasury to be known as the "Salvage Certificate of Title Fund." Monies in the special fund may be expended by the Department of Public Safety, upon appropriation by the Legislature. The department * * * shall establish by regulation the minimum requirements by which a vehicle which has been issued a salvage certificate of title may be issued a branded title.

(3) Before a branded title may be issued for a vehicle for which a salvage certificate of title has been issued, the applicant shall submit, by hand delivery or mail, such documents and information to the Department of Public Safety as the department may require for the purpose of determining if the vehicle complies with the requirements of this section and all applicable regulations promulgated by the Commissioner of Public Safety and the department * * *. The Department of Public Safety also may require that an applicant bring a vehicle for which application for a branded title is being made to a Highway Patrol facility for a visual inspection whenever the department deems that a visual inspection is necessary or advisable. Nothing in this section shall be construed to prohibit inspectors of the Mississippi Highway Patrol from conducting on-site inspections and investigations of motor vehicle rebuilders or motor vehicle repair businesses to determine if such businesses are in compliance with all applicable laws relating to the motor vehicle title laws of this state and regulations promulgated by the Commissioner of Public Safety and the department * * *.

SECTION 4. This act shall take effect and be in force from and after January 1, 2025.

SECTION 2. Section 37-159-5, Mississippi Code of 1972, is reenacted as follows:

37-159-5. The State Board of Education shall prescribe rules and regulations which, subject to available appropriations, allow for reimbursement to the state licensed teachers, from both in state and out of state, who enter into a contract for employment in a school district situated within a geographical area of the state where there exists a critical shortage of teachers, as designated by the State Board of Education, for the expense of moving when the employment necessitates the relocation of the teacher to a different geographical area than that in which the teacher resides before entering into such contract. In order to be eligible for the reimbursement, the teacher must apply to the local district and the district must obtain the prior approval from the department for reimbursement before the relocation occurs. If the reimbursement is approved, the department shall provide funds to the school district to reimburse the teacher an amount not to exceed One Thousand Dollars ($1,000.00) for the documented actual expenses incurred in the course of relocating, including the expense of any professional moving company or persons employed to assist with the move, rented moving vehicles or equipment, mileage in the amount authorized for state employees under Section 25-3-41 if the teacher used his personal vehicle or vehicles for the move, meals and such other expenses associated with the relocation in accordance with the department's established rules and regulations. No teacher may be reimbursed for moving expenses under this section on more than one (1) occasion.

Nothing in this section shall be construed to require the actual residence to which the teacher relocates to be within the boundaries of the school district which has executed a contract for employment with the teacher or within the boundaries of the area designated by the State Board of Education as the critical teacher shortage area in order for the teacher to be eligible for reimbursement for his moving expenses. However, teachers must relocate within the boundaries of the State of Mississippi.

SECTION 3. Section 37-159-7, Mississippi Code of 1972, is reenacted as follows:

37-159-7. The school board of any school district situated within a geographical area of the state where there exists a critical shortage of teachers, as designated by the State Board of Education, in its discretion, may reimburse persons who interview for employment as a licensed teacher with the district for the mileage and other actual expenses incurred in the course of travel to and from the interview by such persons at the rate authorized for county and municipal employees under Section 25-3-41. Any reimbursement by a school board under this section shall be paid from funds other than adequate education program funds.

SECTION 4. Section 37-159-9, Mississippi Code of 1972, is reenacted as follows:

37-159-9. (1) There is established the University Assisted Teacher Recruitment and Retention Grant Program within the State Department of Education. The purposes of the program shall be to attract additional qualified teachers to those geographical areas of the state where there exists a critical shortage of teachers and to retain the qualified teachers already serving as licensed teachers in geographical critical teacher shortage areas by making available scholarships to persons working towards a Master of Education degree or an Educational Specialist degree at an institution of higher learning whose teacher education program is approved by the State Board of Education.

(2) Any institution of higher learning in the State of Mississippi which offers a Master of Education degree or an Educational Specialist degree may apply to the department for participation in the program. As part of the program, participating institutions shall collaborate with the Mississippi Teacher Center to identify, recruit and place teacher education graduates, from both within the state and out of state, in school districts situated within those areas of the state where there exists a critical shortage of teachers, as designated by the State Board of Education.

(3) The State Department of Education shall provide funds to participating institutions of higher learning for the purpose of awarding scholarships to qualified persons pursuing a Master of Education degree or an Educational Specialist degree at such institutions while rendering service to the state as a licensed teacher in a school district in a geographical area of the state where there exists a critical shortage of teachers, as approved by the State Board of Education. The financial scholarship shall be applied to the total cost for tuition, books, materials and fees at the institution in which the student is enrolled, not to exceed an amount equal to the highest total cost of tuition, books, materials and fees assessed by a state institution of higher learning during that school year. Teachers who relocate within Mississippi from out of state in order to participate in the program shall be classified as residents of the state for tuition purposes.

(4) Students awarded financial scholarships under the University Assisted Teacher Recruitment and Retention Grant Program may receive such awards for a maximum of four (4) school years; however, the maximum number of awards which may be made shall not exceed the length of time required to complete the number of academic hours necessary to obtain a Master of Education degree or an Educational Specialist degree. Financial scholarships under the program shall not be based upon an applicant's eligibility for financial aid.

(5) Persons relocating to a geographical area of the state where there exists a critical shortage of teachers, as approved by the State Board of Education, to participate in the University Assisted Teacher Recruitment and Retention Grant Program shall be eligible for reimbursement for their moving expenses to the critical teacher shortage area from the State Board of Education. The State Board of Education shall promulgate rules and regulations necessary for the administration of the relocation expense reimbursement component of the University Assisted Teacher Recruitment and Retention Grant Program.

(6) Subject to the availability of funds, the State Board of Education may provide for professional development and support services as may be necessary for the retention

of teachers participating in the program in those geographical areas of the state where there exists a critical shortage of teachers.

(7) Any person participating in the program who fails to complete a program of study that will enable that person to obtain a Master of Education degree or Educational Specialist degree shall become liable immediately to the State Board of Education for the sum of all awards made to that person under the program, plus interest accruing at the current Stafford Loan rate at the time the person abrogates his participation in the program.

(8) As a condition for participation in the program, a teacher shall agree to employment as a licensed teacher in a school district located in a geographical area of the state where there exists a critical shortage of teachers, as designated by the State Board of Education, for a period of not less than three (3) years, which shall include those years of service rendered while obtaining the Master of Education degree or Educational Specialist degree. However, for any person who obtained a Baccalaureate degree in education with a financial scholarship under the Critical Needs Teacher Scholarship Program and who entered the University Assisted Teacher Recruitment and Retention Grant Program before rendering service as a teacher, the period of employment for the purposes of this subsection shall be two (2) years, in addition to the employment commitment required under the Critical Needs Teacher Scholarship Program. Service rendered by a participant as a licensed teacher in a school district in a geographical critical teacher shortage area before that teacher becomes a participant in the program may not be considered to fulfill the employment commitment required under this subsection. Any person failing to comply with this employment commitment in any required school year shall immediately be in breach of contract and become liable immediately to the State Department of Education for the sum of all scholarships awarded and relocation expenses granted to that person, less one-third (1/3) of the amount of that sum for each year that service was rendered, or for those persons whose required period of employment is two (2) years, less one-half (1/2) of the amount of that sum for each year that service was rendered, plus interest accruing at the current Stafford Loan rate at the time the breach occurs, except in the case of a deferral for cause by the State Board of Education when there is no employment position immediately available upon the teacher's obtaining of the Master of Education degree or Educational Specialist degree. After the period of such deferral, the person shall begin or resume the required teaching duties or shall become liable to the board under this subsection. If a claim for repayment under this subsection is placed in the hands of an attorney for collection after default, then the obligor shall be liable for an additional amount equal to a reasonable attorney's fee.

(9) All funds received by the State Department of Education from the repayment of scholarship awards and relocation expenses by program participants shall be deposited in the Mississippi Critical Teacher Shortage Fund.

(10) The State Board of Education shall promulgate rules and regulations necessary for the proper administration of the University Assisted Teacher Recruitment and Retention Grant Program.

SECTION 5. Section 37-159-11, Mississippi Code of 1972, is reenacted as follows:

37-159-11. (1) There is established the Mississippi Employer-Assisted Housing Teacher Program, which shall be a special home loan program for eligible licensed teachers who render service to the state in a geographical area of the state where there exists a critical shortage of teachers, as designated by the State Board of Education. The home loan program shall be administered by the State Department of Education. The department may contract with one or more public or private entities to provide assistance in implementing and administering the program. The State Board of Education shall adopt rules and regulations regarding the implementation and administration of the program.

(2) Participation in the loan program shall be available to any licensed teacher who renders service in a geographical area of the state where there exists a critical shortage of teachers, as designated by the State Board of Education. Any person who receives a loan under the program shall be required to purchase a house and reside in a county in which the school district for which the teacher is rendering service, or any portion of the school district, is located. The maximum amount of a loan that may be made under the program to any person shall be Six Thousand Dollars ($6,000.00).

(3) Any loan made under the program to a person who actually renders service as a teacher in a geographical area of the state where there exists a critical shortage of teachers, as designated by the State Board of Education, shall be converted to an interest-free grant on the basis of one (1) year's service for one-third (1/3) of the amount of the loan. Any person who does not render three (3) years' service as a teacher in a geographical area of the state where there exists a critical shortage of teachers, as designated by the State Board of Education, shall be liable to the State Department of Education for one-third (1/3) of the amount of the loan for each year that he does not render such service, plus interest accruing at the current Stafford Loan rate at the time the person discontinues his service. If a claim for repayment under this subsection is placed in the hands of an attorney for collection, the obligor shall be liable for an additional amount equal to a reasonable attorney's fee.

(4) All funds received by the State Department of Education as repayment of loans by program participants shall be deposited in the Mississippi Critical Teacher Shortage Fund.

SECTION 6. Section 37-159-13, Mississippi Code of 1972, is reenacted as follows:

37-159-13. (1) There is established a pilot program to provide for the construction of rental housing units for teachers in the West Tallahatchie School District, which pilot program shall be administered by the State Department of Education. The department may contract with one or more public or private entities to provide assistance in implementing and administering the program. The State Board of Education shall adopt rules and regulations regarding the implementation and administration of the program.

(2) The West Tallahatchie School District shall receive proposals from developers for the construction of the rental housing units, and submit its recommendation to the State Department of Education about which developer should construct the units. The department shall make the final determination about the developer that will construct the units.

(3) After selection of the developer, the department shall loan the developer not more than Two Hundred Thousand Dollars ($200,000.00) for construction of the units. The interest rate on the loan shall be equal to one percent (1%) below the discount rate at the Federal Reserve Bank in the Federal Reserve district in which the school district is located, and the loan shall be repaid in not more than fifteen (15) years, as determined by the department. All funds received by the department as repayment of the principal and interest of the loan shall be deposited in the Mississippi Critical Teacher Shortage Fund. If a claim against the developer for repayment is placed in the hands of an attorney for collection, the obligor shall be liable for an additional amount equal to a reasonable attorney's fee.

(4) The developer shall operate the rental housing units. For a period of ten (10) years or until such time as the loan to the developer is repaid, whichever is longer, the priority for residence in the units shall be given first to teachers employed by the school district, then to other licensed school district employees, and then to any other school district employees.

SECTION 7. Section 37-159-17, Mississippi Code of 1972, is reenacted as follows:

37-159-17. There is established in the State Treasury a special fund to be designated the "Mississippi Critical Teacher Shortage Fund," into which shall be deposited those funds appropriated by the Legislature, and any other funds that may be made available, for the purpose of implementing the programs established under Sections 37-159-5, 37-9-77, 37-3-91 and 37-159-9 through 37-159-13. Money in the fund at the end of a fiscal year shall not lapse into the General Fund, and interest earned on any amounts deposited into the fund shall be credited to the special fund.

(* * *5) Initial recipients shall be selected on a first-come, first-served basis of all eligible applicants, * * * subject to the availability of funds. In the second and * * * third years of an applicant's continued eligibility, priority consideration shall first be given to renewal applicants. * * * The State Financial Aid Board shall develop rules for ensuring that expenses of the program in a fiscal year do not exceed funding for the program in that fiscal year. Money in the fund at the end of the fiscal year shall not lapse into the General Fund, and interest earned on any amounts deposited into the fund shall be credited to the special fund.

(* * *17) This section shall stand repealed on July 1, * * * 2028.

SECTION 10. The following shall be codified as Section

25-11-126, Mississippi Code of 1972:

25-11-126. (1) Any person who has at least thirty (30) years of creditable service, who was employed as a public school teacher at the time of his or her retirement, has been retired at least ninety (90) days and is receiving a retirement allowance, and holds a standard teaching license in Mississippi, may be employed as a teacher in a public school district after retirement, and choose to continue receiving the retirement allowance under this article during his or her employment as a teacher after retirement in addition to receiving the salary authorized under this section, along with the local contribution of the school district in which the retiree is employed, at the discretion of the school district. Any teacher who has retired with at least twenty-five (25) years of creditable service as of July 1, 2024, may also participate in this program if the teacher otherwise qualifies under this act.

(2) A retired teacher may only be hired to teach in a school district designated by the Department of Education as having critical shortages and/or critical subject-area shortages, and shall hold the related standard teaching license and/or endorsements to teach in the subject area. The base compensation authorized for returning retired teachers under Section 37-19-7 shall not be graduated annually in the same manner as teachers who are employed by a school district under traditional employment guidelines, but shall remain static for the entirety of his or her eligible teaching period as a retired teacher.

(3) (a) A retired teacher may be employed as a teacher, continue receiving his or her retirement allowance and be a contributing member of the system without accruing additional retirement benefits for a total of five (5) years, which may be performed consecutively or intermittently. This method is designed specifically to provide funding for the system to actuarially offset any pension liability created by this act. Each school district hiring retired teachers under the authority of this section, shall make a direct payment to PERS, which shall serve as pension liability participation assessment. The pension liability participation assessment and the retired teacher's salary for returning to work shall be determined as follows:

(i) A school district shall rely on the salary schedule in Section 37-19-7 in considering the salary for a retired teacher; provided, however, that the school district may allocate up to one hundred and twenty-five percent (125%) of the amount provided under the salary schedule comparable to the teacher's years of service and license type as salary and assessment under the program.

(ii) After determining the retired teacher's compensation, the school district may pay no more than fifty percent (50%) of the retired teacher's compensation as salary to the retired teacher; and

(iii) The remaining fifty percent (50%) of the

retired teacher's compensation as salary shall be paid by the school district to PERS as a pension liability participation assessment.

(b) If a retired teacher, reemployed under the authority of this section, works in a school district for any portion of a scholastic year less than a full contractual term of traditional teachers, the time worked by the retired teacher shall constitute one (1) of the five (5) years of post retirement teaching eligibility. A retired teacher, under the authority of this section, shall be entitled to work in any applicable school district and shall not be obligated to remain in any one (1) school district for the entirety of his or her post retirement teaching eligibility, but shall be cumulative in nature so as not to exceed five (5) years. The salary authorized under Section 37-19-7 for retired teachers shall be prorated for any period worked by the retired teacher that is less than one (1) full academic year.

(c) The State Department of Education shall transfer to the system the Mississippi Adequate Education Program funds of local school districts that on or after July 1, 2024, hire retired members as teachers under this section and other funds that otherwise would have been payable to the districts if the districts had not taken advantage of this section. The crediting of assets and financing shall follow the provisions of Section

25-11-123.

(d) Local educational agencies shall transfer to the system Mississippi Adequate Education Program funds of local school districts that on or after July 1, 2024, hire retired members as teachers under this section and other funds that otherwise would have been payable to the districts if the districts had not taken advantage of this section. The crediting of assets and financing must follow the provisions of Section

25-11-123.

(4) Under the authority of this section, school districts may employ retired teachers based on criteria established by the department of education for critical teacher shortage areas and critical subject-matter areas. A school district that is not within a critical teacher shortage area may employ teachers for critical subject-matter areas.

(5) A person may be hired under this section subject to the following conditions:

(a) The retired member holds any teacher's professional license or certificate as may be required in Section 37-3-2, and holds the related standard teaching license and/or endorsements to teach in the applicable subject area;

(b) The superintendent of the employing school district certifies in writing to the State Department of Education that the retired member has the requisite experience, training and expertise for the position to be filled;

(c) The superintendent of the school district certifies or the principal of the school certifies that there was no preexisting arrangement for the person to be hired;

(d) The person had a satisfactory performance review for the most recent period before retirement; and

(e) The person is hired to teach in a critical subject-matter area or in a critical teacher shortage area.

(6) The State Superintendent of Public Education shall report the persons who are employed under this section to the Executive Director of the Public Employees' Retirement System.

(7) The department of education shall promulgate regulations that prescribe a salary schedule that reflects the provisions of this act. Each school district shall create a policy, approved by the local school board, related to the hiring of retired teachers and including, but not limited to, the hiring of full- and part-time retired teacher employees under this section and Section 25-11-127.

(8) Any retired teacher who returns to work in accordance with this section shall not be eligible to return to work under the provisions of Section 25-11-127.

SECTION 11. Section 37-19-7, Mississippi Code of 1972, is amended as follows:

37-19-7. (1) The allowance in the Mississippi Adequate Education Program for teachers' salaries in each public school district shall be determined and paid in accordance with the scale for teachers' salaries as provided in this subsection. For teachers holding the following types of licenses or the equivalent as determined by the State Board of Education, and the following number of years of teaching experience, the scale shall be as follows:

2024-2025 AND SUBSEQUENT SCHOOL YEARS MINIMUM SALARY SCHEDULE

The school district, with assistance from the Department of Education, shall consider the teacher's years of service and license type and determine the corresponding salary for the retired teacher. After determining the retired teacher's corresponding salary, the school district may allocate up to one hundred twenty-five percent (125%) of the amount provided under the salary schedule for such teacher, as applicable, as salary and assessment under the program.

After determining the retired teacher's salary, the school district may pay no more than fifty percent (50%) of the retired teacher's compensation as salary to the retired teacher. The remaining fifty percent (50%) of the retired teacher's compensation as salary shall be paid by the school district to PERS as a pension liability participation assessment.

It is the intent of the Legislature that any state funds made available for salaries of licensed personnel in excess of the funds paid for such salaries for the 1986-1987 school year shall be paid to licensed personnel pursuant to a personnel appraisal and compensation system implemented by the State Board of Education. The State Board of Education shall have the authority to adopt and amend rules and regulations as are necessary to establish, administer and maintain the system.

All teachers employed on a full-time basis shall be paid a minimum salary in accordance with the above scale. However, no school district shall receive any funds under this section for any school year during which the local supplement paid to any individual teacher shall have been reduced to a sum less than that paid to that individual teacher for performing the same duties from local supplement during the immediately preceding school year. The amount actually spent for the purposes of group health and/or life insurance shall be considered as a part of the aggregate amount of local supplement but shall not be considered a part of the amount of individual local supplement.

The level of professional training of each teacher to be used in establishing the salary allotment for the teachers for each year shall be determined by the type of valid teacher's license issued to those teachers on or before October 1 of the current school year. However, school districts are authorized, in their discretion, to negotiate the salary levels applicable to licensed employees who are receiving retirement benefits from the retirement system of another state, and the annual experience increment provided above in Section 37-19-7 shall not be applicable to any such retired certificated employee.

(2) (a) The following employees shall receive an annual salary supplement in the amount of Six Thousand Dollars ($6,000.00), plus fringe benefits, in addition to any other compensation to which the employee may be entitled:

(i) Any licensed teacher or retired teacher employed by a school district under the authority of Section 25-11-126 who has met the requirements and acquired a Master Teacher certificate from the National Board for Professional Teaching Standards and who is employed by a local school board or the State Board of Education as a teacher and not as an administrator. Such teacher shall submit documentation to the State Department of Education that the certificate was received prior to October 15 in order to be eligible for the full salary supplement in the current school year, or the teacher shall submit such documentation to the State Department of Education prior to February 15 in order to be eligible for a prorated salary supplement beginning with the second term of the school year.

(ii) A licensed nurse who has met the requirements and acquired a certificate from the National Board for Certification of School Nurses, Inc., and who is employed by a local school board or the State Board of Education as a school nurse and not as an administrator. The licensed school nurse shall submit documentation to the State Department of Education that the certificate was received before October 15 in order to be eligible for the full salary supplement in the current school year, or the licensed school nurse shall submit the documentation to the State Department of Education before February 15 in order to be eligible for a prorated salary supplement beginning with the second term of the school year.

(iii) Any licensed school counselor who has met the requirements and acquired a National Certified School Counselor (NCSC) endorsement from the National Board of Certified Counselors and who is employed by a local school board or the State Board of Education as a counselor and not as an administrator. Such licensed school counselor shall submit documentation to the State Department of Education that the endorsement was received prior to October 15 in order to be eligible for the full salary supplement in the current school year, or the licensed school counselor shall submit such documentation to the State Department of Education prior to February 15 in order to be eligible for a prorated salary supplement beginning with the second term of the school year. However, any school counselor who started the National Board for Professional Teaching Standards process for school counselors between June 1, 2003, and June 30, 2004, and completes the requirements and acquires the Master Teacher certificate shall be entitled to the master teacher supplement, and those counselors who complete the process shall be entitled to a one-time reimbursement for the actual cost of the process as outlined in paragraph (b) of this subsection.

(iv) Any licensed speech-language pathologist and audiologist who has met the requirements and acquired a Certificate of Clinical Competence from the American Speech-Language-Hearing Association and any certified academic language therapist (CALT) who has met the certification requirements of the Academic Language Therapy Association and who is employed by a local school board. The licensed speech-language pathologist and audiologist and certified academic language therapist shall submit documentation to the State Department of Education that the certificate or endorsement was received before October 15 in order to be eligible for the full salary supplement in the current school year, or the licensed speech-language pathologist and audiologist and certified academic language therapist shall submit the documentation to the State Department of Education before February 15 in order to be eligible for a prorated salary supplement beginning with the second term of the school year.

(v) Any licensed athletic trainer who has met the requirements and acquired Board Certification for the Athletic Trainer from the Board of Certification, Inc., and who is employed by a local school board or the State Board of Education as an athletic trainer and not as an administrator. The licensed athletic trainer shall submit documentation to the State Department of Education that the certificate was received before October 15 in order to be eligible for the full salary supplement in the current school year, or the licensed athletic trainer shall submit the documentation to the State Department of Education before February 15 in order to be eligible for a prorated salary supplement beginning with the second term of the school year.

(b) An employee shall be reimbursed for the actual cost of completing each component of acquiring the certificate or endorsement, excluding any costs incurred for postgraduate courses, not to exceed Five Hundred Dollars ($500.00) for each component, not to exceed four (4) components, for a teacher, school counselor or speech-language pathologist and audiologist, regardless of whether or not the process resulted in the award of the certificate or endorsement. A local school district or any private individual or entity may pay the cost of completing the process of acquiring the certificate or endorsement for any employee of the school district described under paragraph (a), and the State Department of Education shall reimburse the school district for such cost, regardless of whether or not the process resulted in the award of the certificate or endorsement. If a private individual or entity has paid the cost of completing the process of acquiring the certificate or endorsement for an employee, the local school district may agree to directly reimburse the individual or entity for such cost on behalf of the employee.

(c) All salary supplements, fringe benefits and process reimbursement authorized under this subsection shall be paid directly by the State Department of Education to the local school district and shall be in addition to its adequate education program allotments and not a part thereof in accordance with regulations promulgated by the State Board of Education. Local school districts shall not reduce the local supplement paid to any employee receiving such salary supplement, and the employee shall receive any local supplement to which employees with similar training and experience otherwise are entitled. However, an educational employee shall receive the salary supplement in the amount of Six Thousand Dollars ($6,000.00) for only one (1) of the qualifying certifications authorized under paragraph (a) of this subsection. No school district shall provide more than one (1) annual salary supplement under the provisions of this subsection to any one (1) individual employee holding multiple qualifying national certifications.

(d) If an employee for whom such cost has been paid, in full or in part, by a local school district or private individual or entity fails to complete the certification or endorsement process, the employee shall be liable to the school district or individual or entity for all amounts paid by the school district or individual or entity on behalf of that employee toward his or her certificate or endorsement.

(3) The following employees shall receive an annual salary supplement in the amount of Four Thousand Dollars ($4,000.00), plus fringe benefits, in addition to any other compensation to which the employee may be entitled:

Effective July 1, 2016, if funds are available for that purpose, any licensed teacher or retired teacher employed by a local school district under the authority of Section 25-11-126 who has met the requirements and acquired a Master Teacher Certificate from the National Board for Professional Teaching Standards and who is employed in a public school district located in one (1) of the following counties: Claiborne, Adams, Jefferson, Wilkinson, Amite, Bolivar, Coahoma, Leflore, Quitman, Sharkey, Issaquena, Sunflower, Washington, Holmes, Yazoo and Tallahatchie. The salary supplement awarded under the provisions of this subsection (3) shall be in addition to the salary supplement awarded under the provisions of subsection (2) of this section.

Teachers who meet the qualifications for a salary supplement under this subsection (3) who are assigned for less than one (1) full year or less than full time for the school year shall receive the salary supplement in a prorated manner, with the portion of the teacher's assignment to the critical geographic area to be determined as of June 15th of the school year.

(4) (a) This section shall be known and may be cited as the "Mississippi Performance-Based Pay (MPBP)" plan. In addition to the minimum base pay described in this section, only after full funding of MAEP and if funds are available for that purpose, the State of Mississippi may provide monies from state funds to school districts for the purposes of rewarding licensed teachers, administrators and nonlicensed personnel at individual schools showing improvement in student test scores. The MPBP plan shall be developed by the State Department of Education based on the following criteria:

(i) It is the express intent of this legislation that the MPBP plan shall utilize only existing standards of accreditation and assessment as established by the State Board of Education.

(ii) To ensure that all of Mississippi's teachers, administrators and nonlicensed personnel at all schools have equal access to the monies set aside in this section, the MPBP program shall be designed to calculate each school's performance as determined by the school's increase in scores from the prior school year. The MPBP program shall be based on a standardized scores rating where all levels of schools can be judged in a statistically fair and reasonable way upon implementation. At the end of each year, after all student achievement scores have been standardized, the State Department of Education shall implement the MPBP plan.

(iii) To ensure all teachers cooperate in the spirit of teamwork, individual schools shall submit a plan to the local school district to be approved before the beginning of each school year beginning July 1, 2008. The plan shall include, but not be limited to, how all teachers, regardless of subject area, and administrators will be responsible for improving student achievement for their individual school.

(b) The State Board of Education shall develop the processes and procedures for designating schools eligible to participate in the MPBP. State assessment results, growth in student achievement at individual schools and other measures deemed appropriate in designating successful student achievement shall be used in establishing MPBP criteria.

(5) (a) If funds are available for that purpose, each school in Mississippi shall have mentor teachers, as defined by Sections 37-9-201 through 37-9-213, who shall receive additional base compensation provided for by the State Legislature in the amount of One Thousand Dollars ($1,000.00) per each beginning teacher that is being mentored. The additional state compensation shall be limited to those mentor teachers that provide mentoring services to beginning teachers. For the purposes of such funding, a beginning

teacher shall be defined as any teacher in any school in Mississippi that has less than one (1) year of classroom experience teaching in a public school. For the purposes of such funding, no full-time academic teacher shall mentor more than two (2) beginning teachers.

(b) To be eligible for this state funding, the individual school must have a classroom management program approved by the local school board.

(6) Effective with the 2014-2015 school year, the school districts participating in the Pilot Performance-Based Compensation System pursuant to Section 37-19-9 may award additional teacher and administrator pay based thereon.

SECTION 12. Section 25-11-123, Mississippi Code of 1972, is amended as follows:

25-11-123. All of the assets of the system shall be credited according to the purpose for which they are held to one (1) of four (4) reserves; namely, the annuity savings account, the annuity reserve, the employer's accumulation account, and the expense account.

(a) Annuity savings account. In the annuity savings account shall be accumulated the contributions made by members to provide for their annuities, including interest thereon which shall be posted monthly. Credits to and charges against the annuity savings account shall be made as follows:

(1) Beginning July 1, 2010, except as otherwise provided in Section 25-11-126, the employer shall cause to be deducted from the salary of each member on each and every payroll of the employer for each and every payroll period nine percent (9%) of earned compensation as defined in Section 25-11-103. Future contributions shall be fixed biennially by the board on the basis of the liabilities of the retirement system for the various allowances and benefits as shown by actuarial valuation; however, any member earning at a rate less than Sixteen Dollars and Sixty-seven Cents ($16.67) per month, or Two Hundred Dollars ($200.00) per year, shall contribute not less than One Dollar ($1.00) per month, or Twelve Dollars ($12.00) per year.

(2) The deductions provided in paragraph (1) of this subsection shall be made notwithstanding that the minimum compensation provided by law for any member is reduced by the deduction. Every member shall be deemed to consent and agree to the deductions made and provided for in paragraph (1) of this subsection and shall receipt for his full salary or compensation, and payment of salary or compensation less the deduction shall be a full and complete discharge and acquittance of all claims and demands whatsoever for the services rendered by the person during the period covered by the payment, except as to the benefits provided under Articles 1 and 3. The board shall provide by rules for the methods of collection of contributions from members and the employer. The board shall have full authority to require the production of evidence necessary to verify the correctness of amounts contributed.

(b) Annuity reserve. The annuity reserve shall be the account representing the actuarial value of all annuities in force, and to it shall be charged all annuities and all benefits in lieu of annuities, payable as provided in this article. If a beneficiary retired on account of disability is restored to active service with a compensation not less than his average final compensation at the time of his last retirement, the remainder of his contributions shall be transferred from the annuity reserve to the annuity savings account and credited to his individual account therein, and the balance of his annuity reserve shall be transferred to the employer's accumulation account.

(c) Employer's accumulation account. The employer's accumulation account shall represent the accumulation of all reserves for the payment of all retirement allowances and other benefits payable from contributions made by the employer, and against this account shall be charged all retirement allowances and other benefits on

account of members. Credits to and charges against the employer's accumulation account shall be made as follows:

(1) On account of each member there shall be paid monthly into the employer's accumulation account by the employers for the preceding fiscal year an amount equal to a certain percentage of the total earned compensation, as defined in Section 25-11-103, of each member. The percentage rate of those contributions shall be fixed biennially by the board on the basis of the liabilities of the retirement system for the various allowances and benefits as shown by actuarial valuation. Beginning January 1, 1990, the rate shall be fixed at nine and three-fourths percent (9-3/4%). The board shall reduce the employer's contribution rate by one percent (1%) from and after July 1 of the year following the year in which the board determines and the board's actuary certifies that the employer's contribution rate can be reduced by that amount without causing the unfunded accrued actuarial liability amortization period for the retirement system to exceed twenty (20) years. Political subdivisions joining Article 3 of the Public Employees' Retirement System after July 1, 1968, may adjust the employer's contributions by agreement with the Board of Trustees of the Public Employees' Retirement System to provide service credits for any period before execution of the agreement based upon an actuarial determination of employer's contribution rates.

(2) On the basis of regular interest and of such mortality and other tables as are adopted by the board of trustees, the actuary engaged by the board to make each valuation required by this article during the period over which the accrued liability contribution is payable, immediately after making that valuation, shall determine the uniform and constant percentage of the earnable compensation of each member which, if contributed by the employer on the basis of compensation of the member throughout his entire period of membership service, would be sufficient to provide for the payment of any retirement allowance payable on his account for that service. The percentage rate so determined shall be known as the "normal contribution rate." After the accrued liability contribution has ceased to be payable, the normal contribution rate shall be the percentage rate of the salary of all members obtained by deducting from the total liabilities on account of membership service the amount in the employer's accumulation account, and dividing the remainder by one percent (1%) of the present value of the prospective future salaries of all members as computed on the basis of the mortality and service tables adopted by the board of trustees and regular interest. The normal rate of contributions shall be determined by the actuary after each valuation.

(3) The total amount payable in each year to the employer's accumulation account shall not be less than the sum of the percentage rate known as the "normal contribution rate" and the "accrued liability contribution rate" of the total compensation earnable by all members during the preceding year, provided that the payment by the employer shall be sufficient, when combined with the amounts in the account, to provide the allowances and other benefits chargeable to this account during the year then current.

(4) The accrued liability contribution shall be discontinued as soon as the accumulated balance in the employer's accumulation account shall equal the present value, computed on the basis of the normal contribution rate then in force, or the prospective normal contributions to be received on account of all persons who are at that time members.

(5) All allowances and benefits in lieu thereof, with the exception of those payable on account of members who receive no prior service credit, payable from contributions of the employer, shall be paid from the employer's accumulation account.

(6) Upon the retirement of a member, an amount equal to his retirement allowance shall be transferred from the employer's accumulation account to the annuity reserve.

(7) The employer's accumulation account shall be credited with any assets authorized by law to be credited to the account.

(d) Expense account. The expense account shall be the account to which the expenses of the administration of the system shall be charged, exclusive of amounts payable as retirement allowances and as other benefits provided herein. The Legislature shall make annual appropriations in amounts sufficient to administer the system, which shall be credited to this account. There shall be transferred to the State Treasury from this account, not less than once per month, an amount sufficient for payment of the estimated expenses of the system for the succeeding thirty (30) days. Any interest earned on the expense account shall accrue to the benefit of the system. However, notwithstanding the provisions of Sections 25-11-15(10) and 25-11-105(f)(v)5, all expenses of the administration of the system shall be paid from the interest earnings, provided the interest earnings are in excess of the actuarial interest assumption as determined by the board, and provided the present cost of the administrative expense fee of two percent (2%) of the contributions reported by the political subdivisions and instrumentalities shall be reduced to one percent (1%) from and after July 1, 1983, through June 30, 1984, and shall be eliminated thereafter.

(e) Collection of contributions. The employer shall cause to be deducted on each and every payroll of a member for each and every payroll period, beginning subsequent to January 31, 1953, the contributions payable by the member as provided in Articles 1 and 3.

The employer shall make deductions from salaries of employees as provided in Articles 1 and 3 and shall transmit monthly, or at such time as the board of trustees designates, the amount specified to be deducted to the Executive Director of the Public Employees' Retirement System. The executive director, after making a record of all those receipts, shall deposit such amounts as provided by law.

(f) (1) Upon the basis of each actuarial valuation provided herein, the board of trustees shall biennially determine the normal contribution rate and the accrued liability contribution rate as provided in this section. The sum of these two (2) rates shall be known as the "employer's contribution rate." Beginning on earned compensation effective January 1, 1990, the rate computed as provided in this section shall be nine and three-fourths percent (9-3/4%). The board shall reduce the employer's contribution rate by one percent (1%) from and after July 1 of the year following the year in which the board determines and the board's actuary certifies that the employer's contribution rate can be reduced by that amount without causing the unfunded accrued actuarial liability amortization period for the retirement system to exceed twenty (20) years. The percentage rate of those contributions shall be fixed biennially by the board on the basis of the liabilities of the retirement system for the various allowances and benefits as shown by actuarial valuation.

(2) The amount payable by the employer on account of normal and accrued liability contributions shall be determined by applying the employer's contribution rate to the amount of compensation earned by employees who are members of the system. Monthly, or at such time as the board of trustees designates, each department or agency shall compute the amount of the employer's contribution payable, with respect to the salaries of its employees who are members of the system, and shall cause that amount to be paid to the board of trustees from the personal service allotment of the amount appropriated for the operation of the department or agency, or from funds otherwise available to the agency, for the payment of salaries to its employees.

(3) Except as otherwise provided in Section 25-11-106:

(i) Constables shall pay employer and employee contributions on their net fee income as well as the employee contributions on all direct treasury or county payroll income.

(ii) The county shall be responsible for the employer contribution on all direct treasury or county payroll income of constables.

(4) Except as otherwise provided in Section 25-11-106.1, chancery and circuit clerks shall be responsible for both the employer and employee share of contributions on the proportionate share of net income attributable to fees, as well as the employee share of net income attributable to direct treasury or county payroll income, and the employing county shall be responsible for the employer contributions on the net income attributable to direct treasury or county payroll income.

(5) Once each year, under procedures established by the system, each employer shall submit to the Public Employees' Retirement System a copy of their report to Social Security of all employees' earnings.

(6) The board shall provide by rules for the methods of collection of contributions of employers and members. The amounts determined due by an agency to the various funds as specified in Articles 1 and 3 are made obligations of the agency to the board and shall be paid as provided herein. Failure to deduct those contributions shall not relieve the employee and employer from liability thereof. Delinquent employee contributions and any accrued interest shall be the obligation of the employee and delinquent employer contributions and any accrued interest shall be the obligation of the employer. The employer may, in its discretion, elect to pay any or all of the interest on delinquent employee contributions. From and after July 1, 1996, under rules and regulations established by the board, all employers are authorized and shall transfer all funds due to the Public Employees' Retirement System electronically and shall transmit any wage or other reports by computerized reporting systems.

SECTION 13. Section 25-11-127, Mississippi Code of 1972, is amended as follows:

25-11-127. (1) (a) No person who is being paid a retirement allowance or a pension after retirement under this article shall be employed or paid for any service by the State of Mississippi, including services as an employee, contract worker, contractual employee or independent contractor, until the retired person has been retired for not less than ninety (90) consecutive days from his or her effective date of retirement. After the person has been retired for not less than ninety (90) consecutive days from his or her effective date of retirement or such later date as established by the board, he or she may be reemployed while being paid a retirement allowance under the terms and conditions provided in this section or in Section 25-11-126.

(b) No retiree of this retirement system who is reemployed or is reelected to office after retirement shall continue to draw retirement benefits while so reemployed, except as provided in this section or in Section 25-11-126.

(c) No person employed or elected under the exceptions provided for in this section shall become a member under Article 3 of the retirement system.

(2) Except as otherwise provided in Section 25-11-126, any person who has been retired under the provisions of Article 3 and who is later reemployed in service covered by this article shall cease to receive benefits under this article and shall again become a contributing member of the retirement system. When the person retires again, if the reemployment exceeds six (6) months, the person shall have his or her benefit recomputed, including service after again becoming a member, provided that the total retirement allowance paid to the retired member in his or her previous retirement shall be deducted from the member's retirement reserve and taken into consideration in recalculating the retirement allowance under a new option selected.

(3) The board shall have the right to prescribe rules and regulations for carrying out the provisions of this section.

(4) The provisions of this section shall not be construed to prohibit any retiree, regardless of age, from being employed and drawing a retirement allowance either:

(a) For a period of time not to exceed one-half (1/2) of the normal working days for the position in any fiscal year during which the retiree will receive no more than one-half (1/2) of the salary in effect for the position at the time of employment, or

(b) For a period of time in any fiscal year sufficient in length to permit a retiree to earn not in excess of twenty-five percent (25%) of retiree's average compensation.

To determine the normal working days for a position under paragraph (a) of this subsection, the employer shall determine the required number of working days for the position on a full-time basis and the equivalent number of hours representing the full-time position. The retiree then may work up to one-half (1/2) of the required number of working days or up to one-half (1/2) of the equivalent number of hours and receive up to one-half (1/2) of the salary for the position. In the case of employment with multiple employers, the limitation shall equal one-half (1/2) of the number of days or hours for a single full-time position.

Notice shall be given in writing to the executive director, setting forth the facts upon which the employment is being made, and the notice shall be given within five (5) days from the date of employment and also from the date of termination of the employment.

(5) Except as otherwise provided in subsection (6) of this section, the employer of any person who is receiving a retirement allowance and who is employed in service covered by subsection (4) of this section as an employee or a contractual employee shall pay to the board the full amount of the employer's contribution on the amount of compensation received by the retiree for his or her employment in accordance with regulations prescribed by the board. The retiree shall not receive any additional creditable service in the retirement system as a result of the payment of the employer's contribution. This subsection does not apply to persons who are receiving a retirement allowance and who contract with an employer to provide services as a true independent contractor, as defined by the board through regulation.

(6) (a) A member may retire and continue in municipal or county elective office provided that the member has reached the age and/or service requirement that will not result in a prohibited in-service distribution as defined by the Internal Revenue Service, or a retiree may be elected to a municipal or county office, provided that the person:

(i) Files annually, in writing, in the office of the employer and the office of the executive director of the system before the person takes office or as soon as possible after retirement, a waiver of all salary or compensation and elects to receive in lieu of that salary or compensation a retirement allowance as provided in this section, in which event no salary or compensation shall thereafter be due or payable for those services; however, any such officer or employee may receive, in addition to the retirement allowance, office expense allowance, mileage or travel expense authorized by any statute of the State of Mississippi; or

(ii) Elects to receive compensation for that elective office in an amount not to exceed twenty-five percent (25%) of the retiree's average compensation. In order to receive compensation as allowed in this subparagraph, the retiree shall file annually, in writing, in the office of the employer and the office of the executive director of the system, an election to receive, in addition to a retirement allowance, compensation as allowed in this subparagraph.

(b) The municipality or county in which the retired person holds elective office shall pay to the board the amount of the employer's contributions on the full amount of the regular compensation for the elective office that the retired person holds.

(c) As used in this subsection, the term "compensation" does not include office expense allowance, mileage or travel expense authorized by a statute of the State of Mississippi.

(7) Any retired teacher who returns to work in accordance with this section shall not be eligible to return to work under the provisions of Section 25-11-126.

SECTION 14. Section 37-41-27, Mississippi Code of 1972, is amended as follows:

37-41-27. (1) The local school boards, subject to rules and regulations promulgated by the State Board of Education, may permit the use of publicly owned school buses for the transportation of participating students, teachers, coaches and sponsors in connection with athletic events, events of boys' and girls' clubs, events of Future Farmers of America or 4-H Clubs and special events in connection with the schools which the boards may consider a part of the educational program. The local school boards, subject to rules and regulations promulgated by the State Board of Education, may permit the use of publicly owned school buses for the transportation of citizens for grand jury and other jury functions upon order of the court or as considered necessary by the school board during natural or man-made emergencies, hurricanes, tornadoes, floods and other acts of God. The local school boards, subject to rules and regulations promulgated by the State Board of Education, may permit the use of publicly owned school buses for the transportation of citizens attending an air show or historic commemorative event held on a military base or military park located in the school district; provided that such determination shall be made upon the minutes of the school board and shall include an agreement with the military base or military park that it will indemnify and hold the school district harmless in any action regarding such transportation.

(2) (a) Local school boards may regularly permit the use of motor vehicles other than school buses when the transportation is for trips to and from school sites or * * * for school-related functions and activities; however, motor vehicles other than school buses may not be used for customary transportation between a student's residence and such sites.

(b) When the transportation of students is provided, as authorized in this subsection, in a vehicle other than a school bus that is owned, operated, rented, contracted, or leased by a school district or charter school, the following provisions shall apply:

(i) The vehicle must be a passenger car or multipurpose passenger vehicle or truck, as defined in 49 CFR Part 571, designed to transport fewer than * * * sixteen (16) students and which does not require a commercial driver's license with passenger endorsement. Students must be transported in designated seating positions and must use the occupant crash protection system provided by the manufacturer unless the student's physical condition prohibits such use.

(ii) An authorized vehicle may not be driven by a student on a public right-of-way. An authorized vehicle may be driven by a student on school or private property as part of the student's educational curriculum if no other student is in the vehicle.

(iii) The driver of an authorized vehicle transporting students must maintain a valid driver's license and must comply with the requirements of the school district's locally adopted safe driver plan, which includes review of driving records for disqualifying violations.

(iv) The local school board must adopt a policy that addresses procedures and liability for trips under this paragraph, including a provision that school buses are to be used whenever practical and specifying consequences for violation of the policy.

SECTION 15. This act shall take effect and be in force from and after July 1, 2024.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1408: Residential roofing contractors; revise requirements under Insurance Benefits Roofing Repair Consumer Protection Act.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.

2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 75-24-305, Mississippi Code of 1972, is amended as follows:

75-24-305. As used in Sections 75-24-301 through 75-24-311:

(a) "Emergency services" means services performed with the express permission of the insured and that are immediately necessary for:

(i) The preservation of the residential real estate; or

(ii) The health of the insured, owner or possessor.

"Emergency services" does not include inspection of the residential roof system or an estimation of the repair costs.

(b) "Insured" means an insured whose name appears on the face of the property and casualty insurance policy that provides coverage for the residential roof system to be repaired.

(c) "Residential roofing contractor" means a person or entity contracting or offering to contract with an insured, owner or possessor of a residential roof system to repair or replace a roof system on residential real estate, or any portion thereof, where all or part of the cost is expected to be paid as a benefit of a property and casualty insurance policy.

(d) "Residential" means a new or existing dwelling constructed for habitation by one (1) to four (4) families, including a detached garage.

(e) "Insurance benefits residential roof system repair contract" means a written contract with an insured to repair a roof system, or any part thereof, on residential real estate, or provide goods and services in connection with such repair, that is to be paid in whole, or in part, under a property and casualty insurance policy.

(f) "Roof system" means roof coverings, roof sheathing, roof weatherproofing, roof framing, roof ventilation system, and insulation.

SECTION 2. Section 75-24-307, Mississippi Code of 1972, is amended as follows:

75-24-307. (1) Before signing an insurance benefits residential roof system repair contract with an insured, a residential roofing contractor shall furnish to the insured:

(a) The following statement in at least * * * 12-point boldface type that is attached to the contract:

"You may cancel this insurance benefits residential roof system repair contract at any time within three (3) business days after you have received written notice from your insurance company that all or any part of your claim, or all or part of the services and

goods to be provided by this contract, is not a covered loss under your insurance policy. A notice of cancellation form is provided to you with this contract. To cancel this contract under these circumstances, sign and date, and then mail or deliver the attached Notice of Cancellation, or another similar written notice of cancellation, to the contractor within three (3) business days after you have received such written notice from your insurance company. If you cancel, any payments made under this residential roofing system repair contract, except for emergency services and repairs subsequently approved for payment by the insurance company and already performed by the contractor, will be returned to you within ten (10) business days following receipt by the contractor of your cancellation notice."; and

(b) Duplicate copies of a completed form captioned "NOTICE OF CANCELLATION" that is attached to the contract, is easily detachable, and contains the following in at least * * * 12-point boldface type:

"NOTICE OF CANCELLATION

(Name and address of contractor - to be entered by contractor)

(Date of contract - to be entered by contractor)

(Address of residential real estate to be repaired - to be entered by contractor)

I have been notified by my insurance company that all or any part of my claim, or the services and goods to be provided in the residential roofing system repair contract, is not a covered loss under the insurance policy.

I HEREBY CANCEL THIS TRANSACTION

Please return my prior payments within ten (10) days.

_____ _____

INSURED'S SIGNATURE DATE"

(2) (a) In circumstances in which payment may be made from the proceeds of a property and casualty insurance policy, a residential roofing contractor shall not require any payment from an insured until the three-day cancellation period has expired.

(b) Prior to a contract being executed for repairs made by a residential roofing contractor that are separate or additional to those repairs covered under the policy of insurance, the residential roofing contractor shall include a statement identifying those aspects of the repair or replacement which are separate from or additional to the repair or replacement of the damage to the roof system caused by a covered peril and explaining that payment of those excess or additional items are the insured's responsibility. This subsection does not limit an insured from communicating with the insurer about the estimated replacement cost of the repairs or replacement of the damaged roof system.

(3) Until the claim has been filed by the insured, a residential roofing contractor shall not represent or negotiate, or offer or advertise to represent or negotiate, on behalf of an owner or possessor of residential real estate on any insurance claim in connection with the repair or replacement of a roof system. This subsection does not prohibit an insured from including the residential roofing contractor in the insured's communications with the insurer about the damages to the roof system or the estimated replacement cost of the repairs or replacement of the damaged roof system at any point in the process. This subsection does not apply to a public adjuster licensed under Sections 83-17-501 through 83-17-527.

(4) (a) A residential roofing contractor shall not contract for, agree to, or receive anything of value from an attorney or other person acting in concert with an attorney for referring claims to the attorney or in connection with any claim for which the residential roofing contractor has performed or intends to perform services. A residential roofing contractor may not create a business relationship between an insured and an attorney or obligate an insured to hire a specified attorney.

(b) A residential roofing contractor shall not advertise or otherwise promise or offer to pay, or pay, or rebate all or any portion of an insured's insurance deductible as an inducement to enter into the residential roofing contract.

(5) A post-loss assignment by a named insured of rights or benefits to a residential roofing contractor under a property and casualty insurance policy insuring residential real estate shall authorize a residential roofing contractor only to be named as a co-payee for the payment of benefits under a property and casualty insurance policy covering residential real estate. The assignment shall include all of the following:

(a) An itemized description of the work to be performed;

(b) An itemized description of the materials, labor and fees for the work to be performed;

(c) A total itemized amount to be paid for the work to be performed;

(d) A statement that the residential roofing contractor has made no assurances that the claimed loss will be covered fully by an insurance contract; and

(e) The following notice in capitalized fourteen-point type:

"You are agreeing to give up certain rights you have under your insurance policy. Please read and understand this document before signing. The itemized description of the work to be done shown in this assignment form has not been agreed to by the insurer. The insurer has the right to pay only for the cost to repair or replace damaged property caused by a covered peril."

(6) A copy of the executed assignment shall be provided to the insurer of the residential real estate no later than five (5) business days after the execution date of the assignment.

(7) The assignment shall not impair the interest of a mortgagee listed on the declarations page of the property and casualty insurance policy that is the subject of the assignment.

(8) An assignment shall not prevent or inhibit an insurer from communication with the named insured or mortgagee listed on the declarations page of the property and casualty insurance policy that is the subject of the assignment.

(9) A residential roofing contractor shall comply with all

applicable building codes when replacing, repairing, constructing or reconstructing a roof system.

(10) Pursuant to the terms of the insured's contract, nothing in this section shall be construed to prohibit a residential roofing contractor from:

(a) Providing an insured an estimate for repair, replacement, construction or reconstruction of the insured's property and any such estimate may be submitted to the insured's insurance company;

(b) Conferring with an insurance company's representative about damage to an insured's property; or

(c) Discussing repair or replacement options with an insurance company's representative or the insured about options for the repair or replacement of the damage.

SECTION 3. Section 75-24-311, Mississippi Code of 1972, is amended as follows:

75-24-311. (1) Any residential roofing contractor in violation of Sections 75-24-301 through 75-24-311 shall be subject to the civil and criminal penalties and remedies under Sections 75-24-19, 75-24-20 and 75-24-23, and may be liable under a private right of action of the consumer.

(2) A violation of Sections 75-24-301 through 75-24-311 by a residential roofing contractor is an unfair and deceptive act or practice as defined by the Mississippi Consumer Protection Law, Section 75-24-1 et seq.

(3) Sections 75-24-301 through 75-24-311 do not prohibit an insured that is harmed by a deceptive trade practice from commencing a civil action against a residential roofing contractor.

SECTION 4. This act shall take effect and be in force from and after July 1, 2024.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 75-24-305, MISSISSIPPI CODE OF 1972, TO REVISE THE DEFINITION OF THE TERM "ROOF SYSTEM" UNDER THE INSURANCE BENEFITS ROOFING REPAIR CONSUMER PROTECTION ACT; TO AMEND SECTION 75-24-307, MISSISSIPPI CODE OF 1972, TO PROHIBIT A RESIDENTIAL ROOFING CONTRACTOR FROM REQUIRING PAYMENT UNTIL THE EXPIRATION OF THE CANCELLATION PERIOD; TO PROHIBIT A RESIDENTIAL ROOFING CONTRACTOR FROM REPRESENTING A PROPERTY OWNER ON INSURANCE CLAIMS AND FROM RECEIVING PAYMENT FROM AN ATTORNEY FOR CLAIM REFERRALS; TO PRESCRIBE CERTAIN REQUIREMENTS FOR A POST-LOSS ASSIGNMENT BY AN INSURED TO A RESIDENTIAL ROOFING CONTRACTOR; TO AMEND SECTION 75-24-311, MISSISSIPPI CODE OF 1972, TO CONFORM; AND FOR RELATED PURPOSES.

C. If a majority of the legislatures of the member states rejects a rule, by enactment of a statute or resolution in the same manner used to adopt the compact within four (4) years of the date of adoption of the rule, then such rule shall have no further force and effect in any member state.

D. Rules or amendments to the rules shall be adopted or ratified at a regular or special meeting of the Commission in accordance with commission rules and bylaws.

A. The Commission shall provide for facilitating the exchange of information to administer and implement the provisions of this compact in accordance with the rules of the Commission, consistent with generally accepted data protection principles and federal and state law.

B. Nothing in this compact shall be deemed or construed to alter, limit or inhibit the power of a member state to control and maintain ownership of its licensee information or alter, limit or inhibit the laws or regulations governing licensee information in the member state.

ARTICLE X

A. Oversight

1. The executive and judicial branches of state government in each member state shall enforce this compact and take all actions necessary and appropriate to effectuate the compact's purposes and intent, provided that as applied in the State of Mississippi, the compact shall only be binding if consistent with Mississippi law. The provisions of this compact shall have standing as statutory law, provided that as applied in the State of Mississippi, the compact shall only be binding if consistent with Mississippi law.

2. Venue is proper and judicial proceedings by or against the Commission shall be brought solely and exclusively in a court of competent jurisdiction where the principal office of the Commission is located. The Commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings. Nothing herein shall affect or limit the selection or propriety of venue in any action against a licensee for professional malpractice, misconduct or any such similar matter.

3. All courts and all administrative agencies shall take judicial notice of the compact, the rules of the Commission, and any information provided to a member state pursuant thereto in any judicial or quasi-judicial proceeding in a member state pertaining to the subject matter of this compact, or which may affect the powers, responsibilities or actions of the Commission.

4. The Commission shall be entitled to receive service of process in any proceeding regarding the enforcement or interpretation of the compact and shall have standing to intervene in such a proceeding for all purposes. Failure to provide the Commission service of process shall render a judgment or order void as to the Commission, this compact or promulgated rules.

B. Default, Technical Assistance and Termination

1. If the Commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this compact or the promulgated rules, the Commission shall:

a. Provide written notice to the defaulting state and other member states of the nature of the default, the proposed means of curing the default or any other action to be taken by the Commission; and

b. Provide remedial training and specific technical assistance regarding the default.

2. If a state in default fails to cure the default, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the Commissioners of the member states, and all rights, privileges and benefits conferred on that state by this compact may be terminated on the effective date of termination.

3. Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the Commission to the Governor, the majority and minority leaders of the defaulting state's Legislature, the state licensing authority and each of the member states.

4. A state that has been terminated is responsible for all assessments, obligations and liabilities incurred through the effective date of termination.

5. The Commission shall not bear any costs related to a state that is found to be in default or that has been terminated from the compact, unless agreed upon in writing between the Commission and the defaulting state.

6. The defaulting state may appeal the action of the Commission by petitioning the United States District Court for the District of Columbia or the federal district where the Commission has its principal offices.

C. Dispute Resolution

1. Upon request by a member state, the Commission shall attempt to resolve disputes related to the compact that arise among member states and between member and nonmember states.

2. The Commission shall promulgate a rule providing for nonbinding alternative dispute resolution for disputes as appropriate.

D. Enforcement

1. The Commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this compact.

2. By majority vote, the Commission may initiate legal action in a court of competent jurisdiction to enforce compliance with the provisions of the compact and its promulgated rules and bylaws. The relief sought may include injunctive relief.

ARTICLE XI

EFFECTUATION, WITHDRAWAL, AND AMENDMENT

A. The compact shall come into effect on the date on which the compact statute is enacted into law in the tenth member state.

1. On or after the effective date of the compact, the Commission shall convene and review the enactment of each of the charter member states to determine if the statute enacted by each such charter member state is materially different from

the model compact statute.

2. A charter member state whose enactment is found to be materially different from the model compact statute shall be entitled to the default process set forth in Article X.

3. Member states enacting the compact subsequent to the charter member states shall be subject to the process set forth in Article VII.C.20 to determine if their enactments are materially different from the model compact statute and whether they qualify for participation in the compact.

B. If any member state is later found to be in default, or is terminated or withdraws from the compact, the Commission shall remain in existence and the compact shall remain in effect even if the number of member states should be less than ten (10).

C. Any state that joins the compact after the Commission's initial adoption of the rules and bylaws shall be subject to the rules and bylaws as they exist on the date on which the compact becomes law in that state, provided that as applied in the State of Mississippi, the compact shall only be binding if consistent with Mississippi law. Any rule that has been previously adopted by the Commission shall have the full force and effect of law on the day the compact becomes law in that state, provided that as applied in the State of Mississippi, the compact shall only be binding if consistent with Mississippi law, as the rules and bylaws may be amended as provided in this compact.

D. Any member state may withdraw from this compact by enacting a statute repealing the same. A member state's withdrawal shall not take effect until six (6) months after enactment of the repealing statute.

E. This compact may be amended by the member states. No amendment to this compact shall become effective and binding upon any other member state until it is enacted into the laws of all member states.

ARTICLE XII

CONSTRUCTION AND SEVERABILITY

The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any member state or a state seeking membership in the compact, contrary to Mississippi law, or of the United States or the applicability thereof to any other government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any member state, or as applicable in the State of Mississippi, with Mississippi law, the compact shall remain in full force and effect as to the remaining member states and in full force and effect as to the member state affected as to all severable matters.

ARTICLE XIII

CONSISTENT EFFECT AND CONFLICT WITH OTHER STATE LAWS

A. Nothing herein shall prevent or inhibit the enforcement of Mississippi law that is not inconsistent with the compact.

B. Any laws, statutes, regulations or other legal requirements in a member state in conflict with the compact are superseded to the extent of the conflict, provided that as applied in the State of Mississippi, the compact shall only be binding if consistent with Mississippi law.

C. All permissible agreements between the Commission and the member states are binding in accordance with their terms, provided that as applied in the State of Mississippi, the agreements shall only be binding if consistent with Mississippi law.

SECTION 2. This act shall take effect and be in force from and after July 1, 2024.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

SECTION 12. Section 43-21-121, Mississippi Code of 1972, is brought forward as follows:

43-21-121. (1) The youth court shall appoint a guardian ad litem for the child:

(a) When a child has no parent, guardian or custodian;

(b) When the youth court cannot acquire personal jurisdiction over a parent, a guardian or a custodian;

(c) When the parent is a minor or a person of unsound mind;

(d) When the parent is indifferent to the interest of the child or if the interests of the child and the parent, considered in the context of the cause, appear to conflict;

(e) In every case involving an abused or neglected child which results in a judicial proceeding; or

(f) In any other instance where the youth court finds appointment of a guardian ad litem to be in the best interest of the child.

(2) The guardian ad litem shall be appointed by the court when custody is ordered or at the first judicial hearing regarding the case, whichever occurs first.

(3) In addition to all other duties required by law, a guardian ad litem shall have the duty to protect the interest of a child for whom he has been appointed guardian ad litem. The guardian ad litem shall investigate, make recommendations to the court or enter reports as necessary to hold paramount the child's best interest. The guardian ad litem is not an adversary party and the court shall ensure that guardians ad litem perform their duties properly and in the best interest of their wards. The guardian ad litem shall be a competent person who has no adverse interest to the minor. The court shall ensure that the guardian ad litem is adequately instructed on the proper performance of his duties.

(4) The court, including a county court serving as a youth court, may appoint either a suitable attorney or a suitable layman as guardian ad litem. In cases where the court appoints a layman as guardian ad litem, the court shall also appoint an attorney to represent the child. From and after January 1, 1999, in order to be eligible for an appointment as a guardian ad litem, such attorney or layperson must have received child

protection and juvenile justice training provided by or approved by the Mississippi Judicial College within the year immediately preceding such appointment. The Mississippi Judicial College shall determine the amount of child protection and juvenile justice training which shall be satisfactory to fulfill the requirements of this section. The Administrative Office of Courts shall maintain a roll of all attorneys and laymen eligible to be appointed as a guardian ad litem under this section and shall enforce the provisions of this subsection.

(5) Upon appointment of a guardian ad litem, the youth court shall continue any pending proceedings for a reasonable time to allow the guardian ad litem to familiarize himself with the matter, consult with counsel and prepare his participation in the cause. The youth court shall issue an order of assignment that grants the guardian ad litem authority to review all relevant documents concerning the minor child and to interview all parties and witnesses involved in proceedings concerning the minor child for whom the guardian ad litem is appointed.

(6) Upon order of the youth court, the guardian ad litem shall be paid a reasonable fee as determined by the youth court judge or referee out of the county general fund as provided under Section 43-21-123. To be eligible for such fee, the guardian ad litem shall submit an accounting of the time spent in performance of his duties to the court.

(7) (a) The court, in its sound discretion, may appoint a volunteer trained layperson to assist children subject to the provisions of this section in addition to the appointment of a guardian ad litem. If the court utilizes his or her discretion as prescribed under this subsection, a volunteer Court-Appointed Special Advocate (CASA) shall be appointed from a program that supervises the volunteer and meets all state and national CASA standards to advocate for the best interests of children in abuse and neglect proceedings. To accomplish the assignment of a CASA volunteer, the court shall issue an order of assignment that shall grant the CASA volunteer the authority, equal to that of the guardian ad litem, to review all relevant documents and to interview all parties and witnesses involved in the proceeding in which he or she is appointed. Except as otherwise ordered by the court, the assignment of a CASA volunteer for a child shall include subsequent proceedings through permanent placement of the child.

SECTION 2. Of the funds approved for expenditure under the provisions of Section 1, the following positions are authorized:

AUTHORIZED HEADCOUNT:

The Legislature shall determine the agency's personal services appropriation, which the State Personnel Board shall publish. The agency's personal services appropriation may consist of restricted funds for approved vacancies for Fiscal Year 2025 that may be utilized to fill vacant Fiscal Year 2024 headcount. It shall be the agency's responsibility

to ensure that the funds provided for vacancies are used to increase headcount and not for promotions, title changes, in-range salary adjustments or any other mechanism for increasing salaries for current employees. It is the Legislature's intention that no employee salary falls below the minimum salary established by the Mississippi State Personnel Board.

It shall be the responsibility of the agency head to ensure that actual personnel expenditures for Fiscal Year 2025 do not exceed the data provided by the Legislative Budget Office. Any transfers or escalations shall be made in accordance with the terms, conditions, and procedures established by law or allowable under the terms set forth within this act. No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of the Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

SECTION 3. It is the intention of the Legislature that the State Board of Registration for Professional Engineers and Land Surveyors shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2024. It is further the intention of the Legislature that the agency's budget request for Fiscal Year 2026 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2025 budget request process.

SECTION 4. It is the intention of the Legislature that whenever two (2) or more bids are received by this agency for the purchase of commodities or equipment, and whenever all things stated in such received bids are equal with respect to price, quality and service, the Mississippi Industries for the Blind shall be given preference. A similar preference shall be given to the Mississippi Industries for the Blind whenever purchases are made without competitive bids.

SECTION 5. Of the funds provided herein, Four Hundred Thousand Dollars ($400,000.00) shall be provided in grants for ABET-accredited engineering programs and Board-approved surveying programs of any college or university in the State of Mississippi, after application to and subject to approval by the Board. The Board will develop guidelines for application, award, and disbursement of these grants. The Board will issue a written report to the Governor, Lieutenant Governor, and the chairs of the House and Senate Appropriations Committees as to how the grants were awarded not later than August 1, 2025.

SECTION 6. It is the intention of the Legislature that the funds herein appropriated shall be expended in compliance with Section 27-104-25, Mississippi Code of 1972, that no state agency shall incur obligations or indebtedness in excess of their appropriation and that the responsible officers, either personally or upon their official bonds, shall be held responsible for actions contrary to this provision.

SECTION 7. The money herein appropriated shall be paid by the State Treasurer out of any money in the State Treasury to the credit of the proper fund or funds as set forth in this act, upon warrants issued by the State Fiscal Officer; and the State Fiscal Officer shall issue his warrants upon requisitions signed by the proper person, officer or officers, in the manner provided by law.

SECTION 8. This act shall take effect and be in force from and after July 1, 2024.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

(a) To establish, own, lease, acquire, construct, build, operate and maintain mental illness, mental health, intellectual disability, alcoholism and general rehabilitative facilities and services designed to serve the needs of the people of the region so designated, provided that the services supplied by the regional commissions shall include those services determined by the Department of Mental Health to be necessary and may include, in addition to the above, services for persons with developmental and learning disabilities; for persons suffering from narcotic addiction and problems of drug abuse and drug dependence; and for the aging as designated and certified by the Department of Mental Health. Such regional mental health and intellectual disability commissions and other community service providers shall, on or before July 1 of each year, submit an annual operational plan to the Department of Mental Health for approval or disapproval based on the minimum standards and minimum required services established by the department for certification and itemize the services as specified in Section 41-4-1(2), including financial statements. As part of the annual operation plan required by Section 41-4-7(h) submitted by any regional community mental health center or by any other reasonable certification deemed acceptable by the department, the community mental health center shall state those services specified in Section 41-4-1(2) that it will provide and also those services that it will not provide. If the department finds deficiencies in the plan of any regional commission or community service provider based on the minimum standards and minimum required services established for certification, the department shall give the regional commission or community service provider a six-month probationary period to bring its standards and services up to the established minimum standards and minimum required services. The regional commission or community service provider shall develop a sustainability business plan within thirty (30) days of being placed on probation, which shall be signed by all commissioners and shall include policies to address one or more of the following: the deficiencies in programmatic services, clinical service staff expectations, timely and appropriate billing, processes to obtain credentialing for staff, monthly reporting processes, third-party financial reporting and any other required documentation as determined by the department. After the six-month probationary period, if the department determines that the regional commission or community service provider still does not meet the minimum standards and minimum required services established for certification, the department may remove the certification of the commission or provider, and from and after July 1, 2011, the commission or provider shall be ineligible for state funds from Medicaid reimbursement or other funding sources for those services. After the six-month probationary period, the Department of Mental Health may identify an appropriate community service provider to provide any core services in that county that are not provided by a community mental health center. However, the department shall not offer reimbursement or other accommodations to a community service provider of core services that were not offered to the decertified community mental health center for the same or similar services.

(b) To provide facilities and services for the prevention of mental illness, mental disorders, developmental and learning disabilities, alcoholism, narcotic addiction, drug abuse, drug dependence and other related handicaps or problems (including the problems of the aging) among the people of the region so designated, and for the rehabilitation of persons suffering from such illnesses, disorders, handicaps or problems as designated and certified by the Department of Mental Health.

(c) To promote increased understanding of the problems of mental illness, intellectual disabilities, alcoholism, developmental and learning disabilities, narcotic addiction, drug abuse and drug dependence and other related problems (including the problems of the aging) by the people of the region, and also to promote increased understanding of the purposes and methods of the rehabilitation of persons suffering from such illnesses, disorders, handicaps or problems as designated and certified by the Department of Mental Health.

(d) To enter into contracts and to make such other arrangements as may be necessary, from time to time, with the United States government, the government of the State of Mississippi and such other agencies or governmental bodies as may be approved by and acceptable to the regional commission for the purpose of establishing, funding, constructing, operating and maintaining facilities and services for the care, treatment and rehabilitation of persons suffering from mental illness, an intellectual disability, alcoholism, developmental and learning disabilities, narcotic addiction, drug abuse, drug dependence and other illnesses, disorders, handicaps and problems (including the problems of the aging) as designated and certified by the Department of Mental Health.

(e) To enter into contracts and make such other arrangements as may be necessary with any and all private businesses, corporations, partnerships, proprietorships or other private agencies, whether organized for profit or otherwise, as may be approved by and acceptable to the regional commission for the purpose of establishing, funding, constructing, operating and maintaining facilities and services for the care, treatment and rehabilitation of persons suffering from mental illness, an intellectual disability, alcoholism, developmental and learning disabilities, narcotic addiction, drug abuse, drug dependence and other illnesses, disorders, handicaps and problems (including the problems of the aging) relating to minimum services established by the Department of Mental Health.

(f) To promote the general mental health of the people of the region.

(g) To pay the administrative costs of the operation of the regional commissions, including per diem for the members of the commission and its employees, attorney's fees, if and when such are required in the opinion of the commission, and such other expenses of the commission as may be necessary. The Department of Mental Health standards and audit rules shall determine what administrative cost figures shall consist of for the purposes of this paragraph. Each regional commission shall submit a cost report annually to the Department of Mental Health in accordance with guidelines promulgated by the department.

(j) To acquire professional liability insurance on all employees as may be deemed necessary and proper by the commission, and to pay, out of the funds of the commission, all premiums due and payable on account thereof.

(k) To provide and finance within their own facilities, or through agreements or contracts with other local, state or federal agencies or institutions, nonprofit corporations, or political subdivisions or representatives thereof, programs and services for persons with mental illness, including treatment for alcoholics, and promulgating and administering of programs to combat drug abuse and programs for services for persons with an intellectual disability.

(l) To borrow money from private lending institutions in order to promote any of the foregoing purposes. A commission may pledge collateral, including real estate, to secure the repayment of money borrowed under the authority of this paragraph. Any such borrowing undertaken by a commission shall be on terms and conditions that are prudent in the sound judgment of the members of the commission, and the interest on any such loan shall not exceed the amount specified in Section 75-17-105. Any money borrowed, debts incurred or other obligations undertaken by a commission, regardless of whether borrowed, incurred or undertaken before or after March 15, 1995, shall be valid, binding and enforceable if it or they are borrowed, incurred or undertaken for any purpose specified in this section and otherwise conform to the requirements of this paragraph.

(m) To acquire, own and dispose of real and personal property. (n) To enter into managed care contracts and make such other arrangements as may be deemed necessary or appropriate by the regional commission in order to participate in any managed care program. Any such contract or arrangement affecting more than one (1) region must have prior written approval of the Department of Mental Health before being initiated and annually thereafter.

Any action under this paragraph affecting more than one (1) region must have prior written approval of the Department of Mental Health before being initiated and annually thereafter.

(v) To ensure that all available funds are used for the benefit of persons with mental illness, persons with an intellectual disability, substance abusers and persons with developmental disabilities with maximum efficiency and minimum administrative cost. At any time a regional commission, and/or other related organization whatever it may be, accumulates surplus funds in excess of one-half (1/2) of its annual operating budget, the entity must submit a plan to the Department of Mental Health stating the capital improvements or other projects that require such surplus accumulation. If the required plan is not submitted within forty-five (45) days of the end of the applicable fiscal year, the Department of Mental Health shall withhold all state appropriated funds from such regional commission until such time as the capital improvement plan is submitted. If the submitted capital improvement plan is not accepted by the department, the surplus funds shall be expended by the regional commission in the local mental health region on group homes for persons with mental illness, persons with an intellectual disability, substance abusers, children or other mental health/intellectual disability services approved by the Department of Mental Health.

(w) Notwithstanding any other provision of law, to fingerprint and perform a criminal history record check on every employee or volunteer. Every employee or volunteer shall provide a valid current social security number and/or driver's license number that will be furnished to conduct the criminal history record check. If no disqualifying record is identified at the state level, fingerprints shall be forwarded to the Federal Bureau of Investigation for a national criminal history record check.

(x) Notwithstanding any other provisions of law, each regional commission shall have the authority to create and operate a primary care health clinic to treat (i) its patients; and (ii) its patients' family members related within the third degree; and (iii) its patients' household members or caregivers, subject to the following requirements:

(i) The regional commission may employ and compensate any personnel necessary and must satisfy applicable state and federal laws and regulations regarding the administration and operation of a primary care health clinic.

(ii) A Mississippi licensed physician must be employed or under agreement with the regional commission to provide medical direction and/or to carry out the physician responsibilities as described under applicable state and/or federal law and regulations.

(iii) The physician providing medical direction for the primary care clinic shall not be certified solely in psychiatry.

(v) The regional commission must ensure services will be available and accessible promptly and in a manner that preserves human dignity and assures continuity of care.

(vi) The regional commission must provide a semiannual report to the Chairmen of the Public Health Committees in both the House of Representatives and Senate. At a minimum, for each reporting period, these reports shall describe the number of patients provided primary care services, the types of services provided, and the payer source for the patients. Except for patient information and any other information that may be exempt from disclosure under the Health Information Portability and Accountability Act (HIPAA) and the Mississippi Public Records Act, the reports shall be considered public records.

(vii) The regional commission must employ or contract with a core clinical staff that is multidisciplinary and culturally and linguistically competent.

(viii) The regional commission must ensure that its physician as described in subparagraph (ii) of this paragraph (x) has admitting privileges at one or more local hospitals or has an agreement with a physician who has admitting privileges at one or more local hospitals to ensure continuity of care.

(ix) The regional commission must provide an independent financial audit report to the State Department of Mental Health and, except for patient information and any other information that may be exempt from disclosure under HIPAA and the Mississippi Public Records Act, the audit report shall be considered a public record.

For the purposes of this paragraph (x), the term "caregiver" means an individual who has the principal and primary responsibility for caring for a child or dependent adult, especially in the home setting.

(y) In general to take any action which will promote, either directly or indirectly, any and all of the foregoing purposes.

(z) All regional commissioners shall receive new orientation training and annual training with continuing education regarding the Mississippi mental health system and services as developed by the State Department of Mental Health. Training shall be provided at the expense of the department except for travel expenses which shall be paid by the regional commission.

(aa) To establish a community mental health center to provide mental health services in its region.

(2) The types of services established by the State Department of Mental Health that must be provided by the regional mental health/intellectual disability centers for certification by the department, and the minimum levels and standards for those services established by the department, shall be provided by the regional mental health/intellectual disability centers to children when such services are appropriate for children, in the determination of the department.

(3) Each regional commission shall compile quarterly financial statements and status reports from each individual community health center. The compiled reports shall be submitted to the coordinator quarterly. The reports shall contain a:

(a) Balance sheet;

(b) Statement of operations;

(c) Statement of cash flows; and

(d) Description of the status of individual community health center's actions taken to increase access to and availability of community mental health services.

(4) (a) The community mental health center shall submit a written quarterly report to the board of supervisors of each county in its region. The report shall include the following information for the prior quarter:

(i) The number of occupancy percentages reported by the crisis stabilization unit in the region;

(ii) The number of individuals held in jail after the commitment process has been initiated and the number of individuals the community mental health center provided treatment to while they were in jail, as required by Section 41-21-67;

(iii) The number of pre-affidavit screenings conducted;

(iv) The number of individuals diverted to a lesser restrictive alternative from commitment;

(v) The number of crisis stabilization unit denials and the reason for denial;

(vi) Summary report of Medicaid claims, including denials; and

(vii) Cash balance as of the date of the end of the quarter.

(b) The community mental health center shall provide the Department of Mental Health, local sheriffs and chancery court judges with a copy of the community mental health center's report each quarter.

SECTION 2. Section 41-21-65, Mississippi Code of 1972, as amended by House Bill No. 1088, 2024 Regular Session, is amended as follows:

41-21-65. (1) It is the intention of the Legislature that the filing of an affidavit under this section be a simple, inexpensive, uniform, and streamlined process for the purpose of facilitating and expediting the care of individuals in need of treatment.

(2) The Uniform Civil Commitment Affidavit developed by the Department of Mental Health under this section must be provided by the clerk of the chancery court to any party or affiant seeking a civil commitment under this section, and must be utilized in all counties to commence civil commitment proceedings under this section. The affidavit must be made available to the public on the website of the Mississippi Department of Mental Health.

(3) The Department of Mental Health, in consultation with the Mississippi Chancery Clerks Association, the Mississippi Conference of Chancery Court Judges and the Mississippi Association of Community Mental Health Centers, must develop a written guide setting out the steps in the commitment process no later than January 1, 2020. The guide shall be designated as the "Uniform Civil Commitment Guide" and must include, but not be limited to, the following:

(a) Steps in the civil commitment process from affidavit to commitment, written in easily understandable layman's terms;

(b) A schedule of fees and assessments that will be charged to commence a commitment proceeding under this section;

(c) Eligibility requirements and instructions for filing a pauper's affidavit; and

(d) A statement on the front cover of the guide advising that persons wishing to pursue a civil commitment under this section are not required to retain an attorney for any portion of the commitment process.

(4) Immediately upon availability, but no later than January 1, 2020, the Uniform Civil Commitment Guide must be provided by the clerk of the chancery court to any party or affiant seeking a civil commitment under this section and also must be made available to the public on the website of the Mississippi Department of Mental Health.

(5) If any person is alleged to be in need of treatment, any relative of the person, or any interested person, may make affidavit of that fact and shall file the Uniform Civil Commitment Affidavit with the clerk of the chancery court of the county in which the person alleged to be in need of treatment resides, but the chancellor or duly appointed special master may, in his or her discretion, hear the matter in the county in which the person may be found or the circuit judge may hear such matter as provided in Section 41-21-63. Prior to filing an affidavit for commitment of an individual, the relative or interested person shall be connected with the community mental health center for a pre-affidavit screening as set forth in Section 41-21-67. The pre-affidavit screening is mandatory and must be completed before any affidavit for commitment is filed, except as otherwise provided in Section 41-21-67(2). The affidavit shall set forth the name and address of the proposed patient's nearest relatives and whether the proposed patient resides or has visitation rights with any minor children, if known, and the reasons for the affidavit. The affidavit must contain factual descriptions of the proposed patient's recent behavior, including a description of the behavior, where it occurred, and over what period of time it occurred, if known. The affidavit shall state specifically that a less restrictive alternative treatment was considered and specify why treatment less restrictive than involuntary commitment is not appropriate. Each factual allegation may be supported by observations of witnesses and the pre-affidavit screener named in the affidavit. The Department of Mental Health, in consultation with the Mississippi Chancery Clerks' Association, shall develop a simple, one-page affidavit form for the use of affiants as provided in this section. The affidavit also must state whether the affiant has * * * received notice of the pre-affidavit screening from a community mental health center * * * determining whether the alleged acts by the proposed respondent warrant civil commitment in lieu of other less-restrictive treatment options. No chancery clerk shall require an affiant to retain an attorney for the filing of an affidavit under this section.

(6) The chancery clerk may charge a total filing fee for all services equal to the amount set out in Section 25-7-9(o), and the appropriate state and county assessments as required by law which include, but are not limited to, assessments for the Judicial Operation Fund (Section 25-7-9(3)(b)); the Electronic Court System Fund (Section 25-7-9(3)(a)); the Civil Legal Assistance Fund (Section 25-7-9(1)(k)); the Court Education and Training Fund (Section 37-26-3); State Court Constituent's Fund (Section 37-26-9(4)); and reasonable court reporter's fee. Costs incidental to the court proceedings as set forth in Section 41-21-79 may not be included in the assessments permitted by this subsection. The total of the fees and assessments permitted by this subsection may not exceed One Hundred Fifty Dollars ($150.00).

(7) The prohibition against charging the affiant other fees, expenses, or costs shall not preclude the imposition of monetary criminal penalties under Section 41-21-107 or any other criminal statute, or the imposition by the chancellor of monetary penalties for contempt if the affiant is found to have filed an intentionally false affidavit or filed the affidavit in bad faith for a malicious purpose.

(8) Nothing in this section shall be construed so as to conflict with Section 41-21-63.

(9) The Department of Mental Health shall provide annual training to chancery and circuit court clerks to inform them about statutory procedures for civil commitments.

SECTION 3. Section 41-21-67, Mississippi Code of 1972, as amended by House Bill No. 1088, 2024 Regular Session, is amended as follows:

41-21-67. (1) (a) Prior to filing an affidavit for commitment of an individual, the relative or interested person shall be connected with the community mental health center in the county of financial responsibility or the county where the proposed patient is present for conduct of preliminary investigation to determine the need to file an affidavit for involuntary commitment. If the community mental health center is unavailable, any reputable licensed physician, psychologist, nurse practitioner or physician assistant, as allowed in the discretion of the court, may conduct the pre-affidavit screening and examination as set forth in Section 41-21-69. The pre-affidavit screening shall be completed within twenty-four (24) hours of the community mental health center being notified. The community mental health center shall provide the pre-affidavit screening report to the chancery clerk for the county in which the petition is to be filed upon completion. The community mental health center shall appoint a screener to conduct an investigation. The prospective petitioner may not be the pre-affidavit screener. The investigation must include:

(i) An interview with the proposed patient and other individuals who appear to have knowledge of the condition of the proposed patient, if practicable. In-person interviews with the proposed patient are preferred. If the proposed patient is not interviewed, specific reasons must be documented;

(ii) Identification and investigation of specific alleged conduct that is the basis for application;

(iii) Identification, exploration, and listing of the specific reasons for rejecting or recommending alternatives to involuntary commitment; and

(iv) In the case of a commitment based on mental illness, information relevant to treatment.

(b) In conducting the investigation required by this subsection, the screener shall have access to all relevant medical records of proposed patients currently in treatment facilities, state-operated treatment programs, or community-based treatment programs. Data collected pursuant to this paragraph shall be considered private data on individuals. The pre-affidavit screening report is not admissible as evidence in court except by agreement of counsel or as permitted by the rules of court and is not admissible in any court proceedings unrelated to the commitment proceedings.

(c) When the pre-affidavit screener recommends commitment, a written report shall be sent to the chancery clerk for the county in which the petition is to be filed. The statement of facts contained in the written report must meet the requirements of Section 41-21-65(5), specifically certifying that a less restrictive alternative treatment was considered and specifying why treatment less restrictive than involuntary commitment is not appropriate.

(d) The pre-affidavit screener shall refuse to support the filing of an affidavit if the investigation does not disclose evidence sufficient to support commitment. Notice of the pre-affidavit screener's decision shall be provided to the prospective petitioner and the court. If a commitment is not recommended, the pre-affidavit screener shall provide the prospective petitioner with connection to other alternative services and resources available and offered, if appropriate.

(e) If the interested person wishes to proceed with a petition contrary to the recommendation of the pre-affidavit screener, application may be made directly to the chancellor, who shall determine whether or not to proceed with the petition. Notice of the chancellor's determination shall be provided to the interested party.

(* * *2) * * * After a pre-affidavit screener has attempted to complete an in-person screening, if a person is actively violent or refuses to participate in the pre-affidavit screening and the screening cannot be completed, then upon recommendation of the

community mental health center, the affidavit may be filed and a writ issued for a sheriff to intervene. The pre-affidavit screener shall document why the pre-affidavit screening could not be completed. After completing the pre-affidavit screening required by subsection (1) of this section, receiving the written report from the pre-affidavit screener, and upon filing of an affidavit of commitment, the clerk, upon direction of the chancellor of the court, shall issue a writ directed to the sheriff of the proper county to take into custody the person alleged to be in need of treatment and to take the person for * * * physical and mental examination and treatment by the appropriate community mental health center established under Section 41-19-31. Except as otherwise provided in Section 41-21-63, the community mental health center will be designated as the first point of entry for * * * pre-affidavit screening and treatment. * * * The * * * writ may provide where the person shall be held before being taken for * * * examination and treatment, which shall include any licensed medical facility or crisis stabilization unit. * * * Reapplication may be made to the chancellor. If a pauper's affidavit is filed by an affiant who is a guardian or conservator of a person in need of treatment, the court shall determine if either the affiant or the person in need of treatment is a pauper and if * * * the affiant or the person in need of treatment is determined to be a pauper, the county of the residence of the respondent shall bear the costs of commitment, unless funds for those purposes are made available by the state.

* * *

(* * *3) (a) Upon * * * receiving the pre-affidavit screening and filing of an affidavit of commitment, the chancellor shall immediately appoint and summon two (2) reputable, licensed physicians or one (1) reputable, licensed physician and either one (1) psychologist, nurse practitioner or physician assistant to conduct a physical and mental examination of the person at a place to be designated by the clerk or chancellor and to report their findings to the clerk or chancellor. However, if the pre-affidavit screening recommends against commitment, the chancellor may refuse to appoint two (2) physicians to conduct a physical and mental examination. However, any nurse practitioner or physician assistant conducting the examination shall be independent from, and not under the supervision of, the other physician conducting the examination. A nurse practitioner or psychiatric nurse practitioner conducting an examination under this chapter must be functioning within a collaborative or consultative relationship with a physician as required under Section 73-15-20(3). In all counties in which there is a county health officer, the county health officer, if available, may be one (1) of the physicians so appointed. If a licensed physician is not available to conduct the physical and mental examination within forty-eight (48) hours of the * * * pre-affidavit screening, the court, in its discretion and upon good cause shown, may permit the examination to be conducted by the following: (a) two (2) nurse practitioners, one (1) of whom must be a psychiatric nurse practitioner; or (b) one (1) psychiatric nurse practitioner and one (1) psychologist or physician assistant. Neither of the physicians nor the psychologist, nurse practitioner or physician assistant selected shall be related to that person in any way, nor have any direct or indirect interest in the estate of that person nor shall any full-time staff of residential treatment facilities operated directly by the State Department of Mental Health serve as examiner.

(b) Any health care practitioner who conducts a physical and mental examination of a person as provided under paragraph (a) of this subsection may sign the certificate required for establishing a guardianship or conservatorship for the person and take care of other related requirements as otherwise provided by law, at the time of conducting the physical and mental examinations.

(* * *4) The clerk shall ascertain whether the respondent is represented by an attorney, and if it is determined that the respondent does not have an attorney, the clerk shall immediately notify the chancellor of that fact. If the chancellor determines that the respondent for any reason does not have the services of an attorney, the chancellor shall immediately appoint an attorney for the respondent at the time the examiners are appointed.

(* * *5) (a) If the chancellor determines that there is probable cause to believe that the respondent * * * has a mental illness and that there is no reasonable alternative to detention, the chancellor may order that the respondent be retained as an emergency patient at any licensed medical facility, crisis stabilization unit, or any other available suitable location for evaluation by a physician, nurse practitioner or physician assistant and that a peace officer transport the respondent to the specified facility, unit or location. If the community mental health center serving the county has partnered with Crisis Intervention Teams under the provisions of Sections 41-21-131 through 41-21-143, the order may specify that the licensed medical facility be a designated single point of entry within the county or within an adjacent county served by the community mental health center. If the person evaluating the respondent finds that the respondent * * * has a mental illness and in need of treatment, the chancellor may order that the respondent be retained at the licensed medical facility, crisis stabilization unit, or any other available suitable location as the court may so designate pending an admission hearing. If necessary, the chancellor may order a peace officer or other person to transport the respondent to that facility, or unit or suitable location. Any respondent so retained may be given such treatment as is indicated by standard medical practice. However, the respondent shall not be held in a hospital operated directly by the State Department of Mental Health * * *.

(b) A jail or other detention center may not be used for custody unless the community mental health center has explored and exhausted the availability of other appropriate facilities, such as the crisis stabilization unit, the local hospital and any Department of Mental Health certified location; the chancellor specifically authorizes it; and the respondent is actively violent. The county of residence of any such person shall pay the cost of such interim treatment. The community mental health center shall provide documentation of the person's violent behavior and that no other appropriate facilities are available to the chancellor. Under these circumstances, no person may remain in a jail for longer than twenty-four (24) hours unless the community mental health center requests an additional twenty-four (24) hours from the chancellor. The community mental health center shall provide treatment during this timeframe pending placement at an appropriate facility.

For the purposes of this subsection (5), "actively violent" means that the behavior presents an immediate and serious danger to the safety of the individual or another, the individual has inflicted or attempted to inflict serious bodily harm on another, or has acted in such a way as to create a substantial risk of serious bodily harm to another, or has engaged in extreme destruction of property; and that there is a reasonable probability that this conduct will be repeated.

The provisions of this paragraph (b) shall not be construed to include jails that are designated as holding facilities under the requirement provided by Section 41-21-77.

(* * *6) (a) Whenever a licensed psychologist, nurse practitioner or physician assistant who is certified to complete examinations for the purpose of commitment or a licensed physician has reason to believe that a person poses an immediate substantial likelihood of physical harm to himself or others or is gravely disabled and unable to care for himself by virtue of mental illness, as defined in Section 41-21-61(e), then the physician, psychologist, nurse practitioner or physician assistant may hold the person or may admit the person to and treat the person in a licensed medical facility, without a civil order or warrant for a period not to exceed seventy-two (72) hours. However, if the seventy-two-hour period begins or ends when the chancery clerk's office is closed, or within three (3) hours of closing, and the chancery clerk's office will be continuously closed for a time that exceeds seventy-two (72) hours, then the seventy-two-hour period is extended until the end of the next business day that the chancery clerk's office is open. The person may be held and treated as an emergency patient at any licensed medical facility, available regional mental health facility, or crisis * * * stabilization unit. The

physician or psychologist, nurse practitioner or physician assistant who holds the person shall certify in writing the reasons for the need for holding.

If a person is being held and treated in a licensed medical facility, and that person decides to continue treatment by voluntarily signing consent for admission and treatment, the seventy-two-hour hold may be discontinued without filing an affidavit for commitment. Any respondent so held may be given such treatment as indicated by standard medical practice. Persons acting in good faith in connection with the detention and reporting of a person believed to * * * have a mental illness shall incur no liability, civil or criminal, for those acts.

(b) Whenever an individual is held for purposes of receiving treatment as prescribed under paragraph (a) of this subsection, and it is communicated to the mental health professional holding the individual that the individual resides or has visitation rights with a minor child, and if the individual is considered to be a danger to the minor child, the mental health professional shall notify the Department of Child Protection Services prior to discharge if the threat of harm continues to exist, as is required under Section 43-21-353.

This paragraph (b) shall be known and may be cited as the "Andrew Lloyd Law."

SECTION 4. Section 41-21-140, Mississippi Code of 1972, is amended as follows:

41-21-140. A law enforcement officer shall transport the * * * person who is in crisis to the appropriate health care facility in the county or outside of the county at the request of the crisis intervention team or mobile crisis response team.

SECTION 5. Section 41-19-43, Mississippi Code of 1972, is amended as follows:

41-19-43. Whenever it is necessary to commit and transport any eligible patient to a regional mental health or intellectual disability facility for treatment or care, the chancery clerk and sheriff shall be entitled to expenses as provided for by the laws of Mississippi for commitment and transportation to state mental institutions and transportation in the county or outside of the county to a community mental health center or other appropriate facility.

SECTION 6. Section 41-21-71, Mississippi Code of 1972, as amended by House Bill No. 1088, 2024 Regular Session, is amended as follows:

41-21-71. If, as a result of the examination, the appointed examiners certify that the person is not in need of treatment, the chancellor * * *, clerk or circuit judge as applicable shall dismiss the affidavit without the need for a further hearing. Except as otherwise provided in Section 41-21-63, if the chancellor or chancery clerk finds, based upon the appointed examiners' certificates and any other relevant evidence, that the respondent is in need of treatment and the certificates are filed with the chancery clerk within forty-eight (48) hours after the order for examination, or extension of that time as provided in Section 41-21-69, the clerk shall immediately set the matter for a hearing. The hearing shall be set within * * * three (3) days of the filing of the certificates unless an extension is requested by the respondent's attorney. REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2232: Newton Municipal School District; require election of board of trustees by population of the school district.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.

2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 37-7-203, Mississippi Code of 1972, is amended as follows:

37-7-203. (1) Except as otherwise provided in subsections (3) * * *, (4) and (5) of this section, the boards of trustees of all municipal separate school districts created under this chapter, either with or without added territory, shall consist of five (5) members, each to be chosen for a term of five (5) years, but so chosen that the term of office of one (1) member shall expire each year. In the event the added territory of a municipal separate school district furnishes fifteen percent (15%) or more of the pupils enrolled in the schools of such district, then at least one (1) member of the board of trustees of such school district shall be a resident of the added territory outside the corporate limits. In the event the added territory of a municipal separate school district furnishes thirty percent (30%) or more of the pupils enrolled in the schools of such district, then not more than two (2) members of the board of trustees of such school district shall be residents of the added territory outside the corporate limits. In the event the added territory of a municipal separate school district in a county in which Mississippi Highways 8 and 15 intersect furnishes thirty percent (30%) or more of the pupils enrolled in the schools of such district, then the five (5) members of the board of trustees of such school district shall be elected at large from such school district for a term of five (5) years each except that the two (2) elected trustees presently serving on such board shall continue to serve for their respective terms of office. The three (3) appointed trustees presently serving on such board shall continue to serve until their successors are elected in March of 1975 in the manner provided for in Section 37-7-215. At such election, one (1) trustee shall be elected for a term of two (2) years, one (1) for a term of three (3) years and one (1) for a term of five (5) years. Subsequent terms for each successor trustee shall be for five (5) years. In the event one (1) of two (2) municipal separate school districts located in any county with two (2) judicial districts, District 1 being comprised of Supervisors Districts 1, 2, 4 and 5, and District 2 being comprised of Supervisors District 3, with added territory embraces three (3) full supervisors districts of a county, one (1) trustee shall be elected from each of the three (3) supervisors districts outside the corporate limits of the municipality. In the further event that the territory of a municipal separate school district located in any county with two (2) judicial districts, District 1 being comprised of Supervisors Districts 1, 2, 4 and 5, and District 2 being comprised of Supervisors District 3, with added territory embraces four (4) full supervisors districts in the county, and in any county in which a municipal separate school district embraces the entire county in which Highways 14 and 15 intersect, one (1) trustee shall be elected from each supervisors district.

Except as otherwise provided herein, the trustees of such a municipal separate school district shall be elected by a majority of the governing authorities of the municipality at the first meeting of the governing authorities held in the month of February of each year, and the term of office of the member so elected shall commence on the first Saturday of March following. In the case of a member of the board of trustees who is required to come from the added territory outside the corporate limits as is above provided, such member of the board of trustees shall be elected by the qualified electors of the school district residing in such added territory outside the corporate limits at the same time and in the same manner as is otherwise provided in this article for the election of trustees of school districts other than municipal separate school districts.

In the event that a portion of a county school district is reconstituted, in the manner provided by law, into a municipal separate school district with added territory and in the event that the trustees to be elected from the added territory are requested to be elected from separate election districts within the added territory, instead of elected at large, by the Attorney General of the United States as a result of and pursuant to preclearance under Section 5 of the Voting Rights Act of 1965, as amended and extended, and in the event the added territory of a municipal separate school district of a municipality furnishes thirty percent (30%) or more of the pupils enrolled in the schools of such district, then two (2) members of the board of trustees shall be residents of the added territory outside the corporate limits of such municipality and shall be elected from special trustee election districts by the qualified electors thereof as herein provided. The board of trustees of the school district shall apportion the added territory into two (2) special trustee election districts as nearly as possible according to population and other factors heretofore pronounced by the courts. The board of trustees of the school district shall thereafter publish the same in a newspaper of general circulation within that school district for at least two (2) consecutive weeks; and after having given notice of publication and recording the same upon the minutes of the board of trustees of the school district, the new district lines shall thereafter be effective. Any person elected from the new trustee election districts constituted herein shall be elected in the manner provided for in Section 37-7-215 for a term of five (5) years. Any vacancy in the office of a trustee elected from such trustee election district, whether occasioned by redistricting or by other cause, shall be filled by appointment of the governing authorities of the municipality, provided that the person so appointed shall serve only until the next general election following his appointment, at which time a person shall be elected for the remainder of the unexpired term in the manner provided in Section 37-7-215.

In any county organizing a countywide municipal separate school district after January 1, 1965, the trustees thereof to be elected from outside the municipality, such trustees shall be elected by the board of supervisors of such county, and the superintendent of such school district shall have authority to pay out and distribute the funds of the district. In the event a municipal separate school district should occupy territory in a county other than that in which the municipality is located and fifteen percent (15%) or more of the pupils enrolled in the schools of such district shall come from the territory of the district in the county other than that in which the municipality is located, the territory of such county in which the municipality is not located shall be entitled to one (1) member on the board of trustees of such school district. The trustee shall be a resident of the territory of that part of the district lying in the county in which the municipality is not located and shall be elected by the qualified electors of the territory of such county at the same time and in the same manner as is provided for the election of trustees of school districts other than municipal separate school districts having territory in two (2) or more counties.

All vacancies shall be filled for the unexpired terms by appointment of the governing authorities of the municipality; except that in the case of the trustees coming from the added territory outside the corporate limits, the person so appointed shall serve only until the next general election following his appointment, at which time a person shall be elected for the remainder of the unexpired term in the manner otherwise provided herein.

No person who is a member of such governing body, or who is an employee of the municipality, or who is a member of the county board of education, or who is a trustee of any public, private or sectarian school or college located in the county, inclusive of the municipal separate school district, or who is a teacher in or a trustee of the school district, shall be eligible for appointment to the board of trustees.

(2) In counties of less than fifteen thousand (15,000) people having a municipal separate school district with added territory which embraces all the territory of a county, one or more trustees of the school district shall be nominated from each supervisors district upon petition of fifty (50) qualified electors of that supervisors district, or twenty percent (20%) of the qualified electors of such district, whichever number shall be smaller.

One (1) trustee must be elected from each supervisors district of the county. In such counties embraced entirely by a municipal separate school district, there shall be no county board of education after the formation of such district, and the county superintendent of education shall act as superintendent of schools of the district and shall be appointed by the board of trustees of that district, and the provisions of subsection (1) of this section and the first paragraph of Section 37-7-211 shall not apply to such districts.

(3) In municipalities designated as having a mayor-council form of government under Chapter 8, Title 21, Mississippi Code of 1972, and having a population in excess of one hundred thousand (100,000) according to the 2000 federal decennial census, the boards of trustees of the municipal separate school district located in the municipality may, if authorized by ordinance of the municipal governing authority, consist of seven (7) members residing in each of the seven (7) wards in the municipality, to be appointed by the mayor and confirmed by the city council as follows: (a) each board member shall reside in the ward from which he is appointed; (b) members serving on March 31, 2010, shall continue to serve until a new term commences and new members shall be selected from wards not currently represented on the board; (c) one (1) of the two (2) additional appointments shall serve a term of five (5) years and one (1) for a term of four (4) years, with all subsequent appointments for a five-year term; and (d) each new appointment shall be made by the mayor and confirmed by the city council of the municipality at the first meeting of the governing authorities held in the month of June following March 31, 2010, and thereafter each year, and the term of office of each member so selected shall commence on the first Saturday of July following.

(4) (a) Beginning in 2017, in any municipal separate school district that is traversed by the Escatawpa River and in which Interstate Highway 10 and Mississippi Highway 63 intersect, the board of trustees of the municipal separate school district shall consist of five (5) members, each to be elected for a term of four (4) years in the manner provided in this subsection. Within forty-five (45) days after July 1, 2017, the municipal governing authority shall apportion the municipal separate school district, including any added territory outside the corporate limits, into five (5) special trustee election districts as nearly equal as possible according to population, incumbency and other factors pronounced by the courts before August 8, 2017. The municipal governing authority shall place upon its minutes the boundaries determined for the new five (5) trustee election districts and shall publish the same in a newspaper of general circulation within the school district for at least three (3) consecutive weeks. After having given notice of publication and recording the same upon the minutes of the municipal governing authority, the new district lines shall be effective.

(b) On the first Tuesday after the first Monday in November 2017, and every four (4) years thereafter, an election shall be held in the municipal separate school district for local school board members from trustee election districts 1, 3 and 5 in the same manner and at the same time as the general municipal election is held and conducted, for the purpose of electing the board of trustees of the municipal separate school district. All members of the board of trustees elected pursuant to this paragraph (b) shall take office on the first Monday of January immediately following the date of their election. However, in order to provide for an orderly transition, the term of each member of the board of trustees serving on July 1, 2017, which otherwise would expire after the first Monday in July 2018, shall expire on the first Monday of January 2018. If no individual qualifies for the elective office of school district trustee, the trustee for that specific trustee district shall be filled by appointment of the municipal governing authority; however, the person so appointed to fill the vacancy may serve only until the first Monday in January 2019, at which time the trustee elected pursuant to this subsection shall take office for the remainder of the unexpired initial term.

From and after January 1, 2018, any vacancy on the board of trustees shall be filled by appointment by the remaining members of the board of trustees within sixty (60) days after the vacancy occurs. The appointee must be selected from the qualified electors of the trustee election district in which the vacancy occurs. The appointee shall serve until

the first Monday of January succeeding the next general municipal election, at which election a member from that trustee election district shall be elected for a full term.

(c) On the first Tuesday after the first Monday in November 2018, and every four (4) years thereafter, an election shall be held in the municipal separate school district for local school board members from trustee election districts 2 and 4 in the same manner and at the same time as the Congressional mid-term election is held and conducted, for the purpose of electing the board of trustees of the municipal separate school district. All members of the board of trustees elected pursuant to this paragraph (c) shall take office on the first Monday of January immediately following the date of their election. However, in order to provide for an orderly transition, the term of each member of the board of trustees serving on July 1, 2018, which otherwise would expire after the first Monday in July 2018, shall expire on the first Monday of January 2019. If no individual qualifies for the elective office of school district trustee, the trustee for that specific trustee district shall be filled by appointment of the municipal governing authority; however, the person so appointed to fill the vacancy may serve only until the first Monday in January 2020, at which time the trustee elected pursuant to this subsection shall take office for the remainder of the unexpired initial term.

From and after July 1, 2020, any vacancy on the board of trustees shall be filled by appointment by the remaining members of the board of trustees within sixty (60) days after the vacancy occurs. The appointee must be selected from the qualified electors of the trustee election district in which the vacancy occurs. The appointee shall serve until the first Monday of July succeeding the next general municipal election, at which election a member from that trustee election district shall be elected for a full term.

(5) (a) Beginning in 2024, in any municipal separate school district in which Interstate Highway 20 and Mississippi Highway 15 intersect, the board of trustees of the municipal separate school district shall consist of five (5) members, each to be elected for a term of four (4) years in the manner provided in this subsection. Within forty-five (45) days after July 1, 2024, the municipal governing authority shall apportion the municipal separate school district, including any added territory outside the corporate limits, into five (5) special trustee election districts as nearly equal as possible according to population, incumbency and other factors pronounced by the courts before January 1, 2024. The municipal governing authority shall place upon its minutes the boundaries determined for the new five (5) trustee election districts and shall publish the same in a newspaper of general circulation within the school district for at least three (3) consecutive weeks. After having given notice of publication and recording the same upon the minutes of the municipal governing authority, the new district lines shall be effective. Candidates for such positions shall file the intent to be a candidate not later than 5:00 p.m. on September 1, 2024, and shall qualify as otherwise provided by law.

(b) On the first Tuesday after the first Monday in November 2024, an election shall be held in the municipal separate school district for local school board members in the same manner and at the same time as the presidential election is held and conducted, for the purpose of electing the board of trustees of the municipal separate school district. All members of the board of trustees elected pursuant to this paragraph (b) shall take office on the first Monday of January immediately following the date of their election, and may serve until the first Monday in January 2028, at which time the trustee elected pursuant to paragraph (c) of this subsection shall take office. If no individual qualifies for the elective office of school district trustee, the trustee for that specific trustee district shall be filled by appointment of the municipal governing authority; however, the person so appointed to fill the vacancy may serve only until the first Monday in January 2028, at which time the trustee elected pursuant to paragraph (c) of this subsection shall take office.

From and after January 1, 2028, any vacancy on the board of trustees shall be filled by appointment by the remaining members of the board of trustees within sixty (60) days after the vacancy occurs. The appointee must be selected from the qualified electors

of the trustee election district in which the vacancy occurs. The appointee shall serve until the first Monday of January succeeding the next general election, at which election a member from that trustee election district shall be elected for the remainder of the unexpired term.

(c) On the first Tuesday after the first Monday in November 2027, and every four (4) years thereafter, an election shall be held in the municipal separate school district for local school board members in the same manner and at the same time as the general elections are held and conducted in accordance with Section 23-15-193, for the purpose of electing the board of trustees of the municipal separate school district. All members of the board of trustees elected pursuant to this paragraph (c) shall take office on the first Monday of January immediately following the date of their election.

SECTION 2. This act shall take effect and be in force from and after July 1, 2024.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2408: Identification cards and driver's licenses; require to have 988 Crisis Lifeline information.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.

2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 37-101-15, Mississippi Code of 1972, is amended as follows:

37-101-15. (a) The Board of Trustees of State Institutions of Higher Learning shall succeed to and continue to exercise control of all records, books, papers, equipment, and supplies, and all lands, buildings, and other real and personal property belonging to or assigned to the use and benefit of the board of trustees formerly supervising and controlling the institutions of higher learning named in Section 37-101-1. The board shall have and exercise control of the use, distribution and disbursement of all funds, appropriations and taxes, now and hereafter in possession, levied and collected, received, or appropriated for the use, benefit, support, and maintenance or capital outlay expenditures of the institutions of higher learning, including the authorization of employees to sign vouchers for the disbursement of funds for the various institutions, except where otherwise specifically provided by law.

(b) The board shall have general supervision of the affairs of all the institutions of higher learning, including the departments and the schools thereof. The board shall have the power in its discretion to determine who shall be privileged to enter, to remain in, or to graduate therefrom. The board shall have general supervision of the conduct of libraries and laboratories, the care of dormitories, buildings, and grounds; the business methods and arrangement of accounts and records; the organization of the administrative plan of each institution; and all other matters incident to the proper functioning of the institutions. The board shall have the authority to establish minimum standards of achievement as a prerequisite for entrance into any of the institutions under its jurisdiction, which standards need not be uniform between the various institutions and which may be based upon such criteria as the board may establish.

(c) The board shall exercise all the powers and prerogatives conferred upon it under the laws establishing and providing for the operation of the several institutions herein specified. The board shall adopt such bylaws and regulations from time to time as it deems expedient for the proper supervision and control of the several institutions of higher learning, insofar as such bylaws and regulations are not repugnant to the Constitution and laws, and not inconsistent with the object for which these institutions were established. The board shall have power and authority to prescribe rules and regulations for policing the campuses and all buildings of the respective institutions, to authorize the arrest of all persons violating on any campus any criminal law of the state, and to have such law violators turned over to the civil authorities.

(d) For all institutions specified herein, the board shall provide a uniform system of recording and of accounting approved by the State Department of Audit. The board shall annually prepare, or cause to be prepared, a budget for each institution of higher learning for the succeeding year which must be prepared and in readiness for at least thirty (30) days before the convening of the regular session of the Legislature. All relationships and negotiations between the State Legislature and its various committees and the institutions

named herein shall be carried on through the board of trustees. No official, employee or agent representing any of the separate institutions shall appear before the Legislature or any committee thereof except upon the written order of the board or upon the request of the Legislature or a committee thereof.

(e) For all institutions specified herein, the board shall prepare an annual report to the Legislature setting forth the disbursements of all monies appropriated to the respective institutions. Each report to the Legislature shall show how the money appropriated to the several institutions has been expended, beginning and ending with the fiscal years of the institutions, showing the name of each teacher, officer, and employee, and the salary paid each, and an itemized statement of each and every item of receipts and expenditures. Each report must be balanced, and must begin with the former balance. If any property belonging to the state or the institution is used for profit, the reports shall show the expense incurred in managing the property and the amount received therefrom. The reports shall also show a summary of the gross receipts and gross disbursements for each year and shall show the money on hand at the beginning of the fiscal period of the institution next preceding each session of the Legislature and the necessary amount of expense to be incurred from said date to January 1 following. The board shall keep the annual expenditures of each institution herein mentioned within the income derived from legislative appropriations and other sources, but in case of emergency arising from acts of providence, epidemics, fire or storm with the written approval of the Governor and by written consent of a majority of the senators and of the representatives it may exceed the income. The board shall require a surety bond in a surety company authorized to do business in this state of every employee who is the custodian of funds belonging to one or more of the institutions mentioned herein, which bond shall be in a sum to be fixed by the board in an amount that will properly safeguard the said funds, the premium for which shall be paid out of the funds appropriated for said institutions.

(f) The board shall have the power and authority to elect the heads of the various institutions of higher learning and to contract with all deans, professors, and other members of the teaching staff, and all administrative employees of said institutions for a term not exceeding four (4) years. The board shall have the power and authority to terminate any such contract at any time for malfeasance, inefficiency, or contumacious conduct, but never for political reasons. It shall be the policy of the board to permit the executive head of each institution to nominate for election by the board all subordinate employees of the institution over which he presides. It shall be the policy of the board to elect all officials for a definite tenure of service and to reelect during the period of satisfactory service. The board shall have the power to make any adjustments it thinks necessary between the various departments and schools of any institution or between the different institutions.

(g) The board shall keep complete minutes and records of all proceedings which shall be open for inspection by any citizen of the state.

(h) The board shall have the power to enter into an energy performance contract, energy services contract, on a shared-savings, lease or lease-purchase basis, for energy efficiency services and/or equipment as prescribed in Section 31-7-14.

(i) The Board of Trustees of State Institutions of Higher Learning, for and on behalf of Jackson State University, is hereby authorized to convey by donation or otherwise easements across portions of certain real estate located in the City of Jackson, Hinds County, Mississippi, for right-of-way required for the Metro Parkway Project.

(j) In connection with any international contract between the board or one (1) of the state's institutions of higher learning and any party outside of the United States, the board or institution that is the party to the international contract is hereby authorized and empowered to include in the contract a provision for the resolution by arbitration of any controversy between the parties to the contract relating to such contract or the failure or refusal to perform any part of the contract. Such provision shall be valid, enforceable and

irrevocable without regard to the justiciable character of the controversy. Provided, however, that in the event either party to such contract initiates litigation against the other with respect to the contract, the arbitration provision shall be deemed waived unless asserted as a defense on or before the responding party is required to answer such litigation.

(k) The Board of Trustees of State Institutions of Higher Learning ("board"), on behalf of any institution under its jurisdiction, shall purchase and maintain business property insurance and business personal property insurance on all university-owned buildings and/or contents as required by federal law and regulations of the Federal Emergency Management Agency (FEMA) as is necessary for receiving public assistance or reimbursement for repair, reconstruction, replacement or other damage to those buildings and/or contents caused by the Hurricane Katrina Disaster of 2005 or subsequent disasters. The board is authorized to expend funds from any available source for the purpose of obtaining and maintaining that property insurance. The board is authorized to enter into agreements with the Department of Finance and Administration, local school districts, community/junior college districts, community hospitals and/or other state agencies to pool their liabilities to participate in a group business property and/or business personal property insurance program, subject to uniform rules and regulations as may be adopted by the Department of Finance and Administration.

(l) The Board of Trustees of State Institutions of Higher Learning, or its designee, may approve the payment or reimbursement of reasonable travel expenses incurred by candidates for open positions at the board's executive office or at any of the state institutions of higher learning, when the job candidate has incurred expenses in traveling to a job interview at the request of the board, the Commissioner of Higher Education or a state institution of higher learning administrator.

(m) (i) The Board of Trustees of State Institutions of Higher Learning is authorized to administer and approve contracts for the construction and maintenance of buildings and other facilities of the state institutions of higher learning, including related contracts for architectural and engineering services, which are paid for with self-generated funds.

(ii) Additionally, the board is authorized to oversee, administer and approve contracts for the construction and maintenance of buildings and other facilities of the state institutions of higher learning, including related contracts for architectural and engineering services, which are funded in whole or in part by general obligation bonds of the State of Mississippi at institutions designated annually by the board as being capable to procure and administer all such contracts. Prior to the disbursement of funds, an agreement for each project between the institution and the Department of Finance and Administration shall be executed. The approval and execution of the agreement shall not be withheld by either party unless the withholding party provides a written, detailed explanation of the basis for withholding to the other party. The agreement shall stipulate the responsibilities of each party, applicable procurement regulations, documentation and reporting requirements, conditions prior to, and schedule of, disbursement of general obligation bond funds to the institution and provisions concerning handling any remaining general obligation bonds at the completion of the project. Such agreement shall not include provisions that constitute additional qualifications or criteria that act to invalidate the designation of an institution as capable of procuring and administering such project. Inclusion of any such provisions may be appealed to the Public Procurement Review Board. This paragraph (ii) shall stand repealed from and after July 1, 2025.

(n) The Board of Trustees of State Institutions of Higher Learning ("board") shall require all on-campus faculty and staff employed by, and all students attending, any of the state institutions of higher learning identified in Section 37-101-1 to be issued an identification badge in physical or electronic format. Any identification card issued or renewed pursuant to this section, whether physical or in an electronic format, shall include the words "Crisis Lifeline - Dial or Text 988, or chat 988lifeline.org" or like language for formatting purposes.

SECTION 2. This act shall take effect and be in force from and after July 1, 2024.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 37-101-15, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT THE BOARD OF TRUSTEES OF STATE INSTITUTIONS OF HIGHER LEARNING SHALL REQUIRE ALL ON-CAMPUS FACULTY, STAFF AND STUDENTS ATTENDING ANY STATE INSTITUTION TO BE ISSUED AN IDENTIFICATION BADGE, WHICH INCLUDES 988 CRISIS LIFELINE CONTACT INFORMATION; AND FOR RELATED PURPOSES.

We, therefore, respectfully submit the following report and recommendation:

(b) "Stamp" means the state wild turkey stamp, either in its physical or electronic form, furnished by the commission. A stamp is a specialized permit required for hunting wild turkeys, with proceeds directly dispersed into the conservation, management, protection or scientific research of wild turkeys.

The holder of a resident or nonresident lifetime sportsman license shall be exempt from paying the fee. Each stamp shall be valid through the final day of the spring wild turkey season following its purchase. After its expiration, another stamp must be procured in order to hunt or take wild turkeys in a future open wild turkey season.

(4) The commission may make the procurement of harvest tags dependent upon the purchase of a stamp.

(5) The commission shall determine the form of the stamp. The commission shall furnish physical stamps to bonded agents for issuance or sale in the same manner as other types of licenses or shall cause the electronic stamp to accrue to the purchaser's benefit when purchased from an automated point-of-sale source.

(6) Any person violating any of the provisions of this section shall be guilty of a misdemeanor and, upon conviction, shall be fined not less than Twenty-five Dollars ($25.00) nor more than One Hundred Dollars ($100.00) as prescribed in Section 49-7-101.

(7) All revenue from the proceeds of stamps shall be deposited into the Fisheries and Wildlife Fund created in Section 49-5-21 and shall be used and expended only for the following objectives:

(c) Funding scientific research, as conducted by qualified professionals, into the ecology or management of wild turkeys, their habitats or their predators; and

(d) Increasing access to publicly available turkey hunting opportunities.

(8) Proceeds from stamps may be used as matching funds or fiscal leverage to secure grants or other financial awards which are deemed to align with the objectives in subsection (7) of this section. No such proceeds shall be expended for administrative salaries.

(9) The commission may enter into agreements with other state, federal or nongovernmental entities to execute the objectives in subsection (7) of this section.

SECTION 2. Section 1 of this act shall be codified as a new section in Title 49, Chapter 7, Mississippi Code of 1972.

SECTION 3. This act shall take effect and be in force from and after July 1, 2024.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

All such appointments to offices made in vacation shall be reported to the Senate within ten (10) days after the commencement of the session of that body for its advice and consent to the appointment, and the vacancy shall not be filled if caused by the Senate's refusal to confirm any appointment or nomination, or if it * * * does not occur during the last five (5) days of the session, by the appointment of the Governor in the vacation of the Senate, without its concurrence. Any appointment in vacation to which the Senate shall refuse to consent shall be thereby annulled from that date, but the acts of the appointee prior thereto shall not be affected thereby.

(2) The Secretary of State shall be the records repository for all appointments to boards, commissions, executive directors and agency directors. Appointing authorities shall notify the Secretary of State prior to submitting the appointment to the Senate. The Secretary of State shall send a list of the required appointments to boards, commissions, executive directors and agency directors whose terms are expiring or have been vacated prior to the next legislative session to the appointing authorities by December 15 preceding the legislative session. The Secretary of State shall also compile and issue a report to the Governor, Lieutenant Governor and Speaker of the House annually, detailing the number of official meetings each board and commission has held in the previous years.

[From and after January 1, 2028, this section shall read as follows:]

7-1-35. (1) Unless otherwise provided by law, all appointments to agencies, boards, commissions, director or executive director positions whose term is expiring shall serve until his or her successor is appointed and qualified, but in no event shall he or she serve past the July 1 occurring after the end of his term, unless he shall be reappointed by the Governor or other appointing authority.

(2) The Secretary of State shall be the records repository for all appointments to boards, commissions, executive directors and agency directors. Appointing authorities shall notify the Secretary of State prior to submitting the appointment to the Senate. The Secretary of State shall send a list of the required appointments to boards, commissions, executive directors and agency directors whose terms are expiring or have been vacated prior to the next legislative session to the appointing authorities by December 15 preceding the legislative session. This provision is not applicable to meetings where a designee has attended in place of the agency, board or commission member if the attendance by a designee is authorized by law.

(c) To establish and implement its state strategic plan;

(d) To develop a strategic plan for the development of services for persons with mental illness, persons with developmental disabilities and other clients of the public mental health system. Such strategic planning program shall require that the board, acting through the Strategic Planning and Best Practices Committee, perform the following functions respecting the delivery of services:

(i) Establish measures for determining the efficiency and effectiveness of the services specified in Section 41-4-1(2);

(ii) Conducting studies of community-based care in other jurisdictions to determine which services offered in these jurisdictions have the potential to provide the citizens of Mississippi with more effective and efficient community-based care;

(iii) Evaluating the efficiency and effectiveness of the services specified in Section 41-4-1(2);

(iv) Recommending to the Legislature by January 1, 2014, any necessary additions, deletions or other changes necessary to the services specified in Section 41-4-1(2);

For services other than those specified in Section 41-4-1(2), the committee shall recommend to the State Board of Mental Health a strategic plan that the board may adopt or modify;

(i) To certify, coordinate and establish minimum standards and establish minimum required services, as specified in Section 41-4-1(2), for regional mental health and intellectual disability commissions and other community service providers for community or regional programs and services in adult mental health, children and youth mental health, intellectual disabilities, alcoholism, drug misuse, developmental disabilities, compulsive gambling, addictive disorders and related programs throughout the state. Such regional mental health and intellectual disability commissions and other community service providers shall, on or before July 1 of each year, submit an annual operational plan to the State Department of Mental Health for approval or disapproval based on the minimum standards and minimum required services established by the department for certification and itemize the services specified in Section 41-4-1(2), including financial statements. If the department finds deficiencies in the plan of any regional commission or community service provider based on the minimum standards and minimum required services established for certification, the department shall give the regional commission or community service provider a six-month probationary period to bring its standards and services up to the established minimum standards and minimum required services. The regional commission or community service provider shall develop a sustainability business plan within thirty (30) days of being placed on probation, which shall be signed by all commissioners and shall include policies to address one or more of the following: the deficiencies in programmatic services, clinical service staff expectations, timely and appropriate billing, processes to obtain credentialing for staff, monthly reporting processes, third-party financial reporting and any other required documentation as determined by the department. After the six-month probationary period, if the department determines that the regional commission or community service provider still does not meet the minimum standards and minimum required services established for certification, the department may remove the certification of the commission or provider and from and after July 1, 2011, the commission or provider shall be ineligible for state funds from Medicaid reimbursement or other funding sources for those services. However, the department shall not mandate a standard or service, or decertify a regional commission or community service provider for not meeting a standard or service, if the standard or service does not have funding appropriated by the Legislature or have a state, federal or local funding source identified by the department. No county shall be required

After the six-month probationary period, the department may identify an appropriate community service provider to provide any core services in that county that are not provided by a community mental health center. However, the department shall not offer reimbursement or other accommodations to a community service provider of core services that were not offered to the decertified community mental health center for the same or similar services. To carry out this responsibility, the board shall require the department to establish a division responsible for developing best practices based on a comprehensive analysis of the mental health environment to determine what the best practices for each service are. In developing best practices, the board shall consider the cost and benefits associated with each practice with a goal of implementing only those practices that are cost-effective practices for service delivery. Such best practices shall be utilized by the board in establishing performance standards and evaluations of the community mental health centers' services required by paragraph (d) of this section;

(q) To establish mental health holding centers for the purpose of providing short-term emergency mental health treatment, places for holding persons awaiting commitment proceedings or awaiting placement in a state mental health facility following commitment, and for diverting placement in a state mental health facility. These mental health holding facilities shall be readily accessible, available statewide, and be in compliance with emergency services' minimum standards. They shall be comprehensive and available to triage and make appropriate clinical disposition, including the capability to access inpatient services or less restrictive alternatives, as needed, as determined by medical staff. Such facility shall have medical, nursing and behavioral services available on a twenty-four-hour-a-day basis. The board may provide for all or part of the costs of establishing and operating the holding centers in each district from such funds as may be

Persons already professionally licensed by another state board or agency are not required to be certified/licensed under this section by the Department of Mental Health. The department shall not use professional titles in its certification/licensure process for which there is an independent licensing procedure. Such certification/licensure shall be valid only in the state mental health system, in programs funded and/or certified by the Department of Mental Health, and/or in programs certified/licensed by the State Department of Health that are operated by the state mental health system serving persons with mental illness, an intellectual disability, a developmental disability or addictions, and shall not be transferable;

Any negotiations proposed which would result in the recommendation for exchange, lease or sale of lands owned by Boswell Regional Center must have the approval of the State Board of Mental Health. The State Board of Mental Health may and has the final authority as to whether or not these negotiations result in the exchange, lease or sale of the properties it currently holds in trust for persons with an intellectual disability served at Boswell Regional Center. In any such exchange, lease or sale of such lands owned by Boswell Regional Center, title to all minerals, oil and gas on such lands shall be reserved, together with the right of ingress and egress to remove same, whether such provisions be included in the terms of any such exchange, lease or sale or not.

The State Treasurer shall invest the monies of the trust fund in any of the investments authorized for the Mississippi Prepaid Affordable College Tuition Program under Section 37-155-9, and those investments shall be subject to the limitations prescribed by Section 37-155-9. Unexpended amounts remaining in the trust fund at the end of a fiscal year shall not lapse into the State General Fund, and any earnings on amounts in the trust fund shall be deposited to the credit of the trust fund. The administration of Boswell Regional Center may use any earnings on the principal of the trust fund, upon appropriation by the Legislature, as needed for services or facilities by the clients of Boswell Regional Center. Provided, however, as a condition of expenditure of the funds appropriated in paragraphs (d) and (e) of this section, that the board of directors of any district livestock show may, in its discretion, choose to hold its show in the fall instead of the spring. If district shows are held in both spring and fall, then all funds herein appropriated for the five (5) district livestock shows shall be distributed in such a manner that the spring livestock exhibitors will each draw equal premium awards for comparable grades and placings at each district spring show, and the fall livestock exhibitors will each draw equal premium awards for comparable grades and placings at each district fall show.

A similar preference shall be given to the Mississippi Industries for the Blind whenever purchases are made without competitive bids.

SECTION 5. The Mississippi Department of Agriculture and Commerce is authorized to accept and expend any grant, donation, or contribution from any individual, public, or private organization, or government entity for purposes of defraying the operational costs of the department. Such grants, donations, or contributions shall be received and expended under the rules and regulations of the Department of Finance and Administration in a manner consistent with the escalation of federal funds not to exceed One Million Dollars ($1,000,000.00).

The Commissioner of Agriculture shall notify, in writing, the Lieutenant Governor, the Speaker of the House of Representatives, the Chairman of the Senate Appropriations Committee, the Chairman of the House Appropriations A Committee, and the Legislative Budget Office of any escalation. We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.

2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 67-1-81, Mississippi Code of 1972, is amended as follows:

67-1-81. (1) (a) Any permittee or other person who shall sell, furnish, dispose of, give, or cause to be sold, furnished, disposed of, or given, any alcoholic beverage to any person under the age of twenty-one (21) years shall be guilty of a misdemeanor and shall be punished by a fine of not less than Five Hundred Dollars ($500.00) nor more than One Thousand Dollars ($1,000.00) for a first offense. For a second or subsequent offense, such permittee or other person shall be punished by a fine of not less than One Thousand Dollars ($1,000.00) nor more than Two Thousand Dollars ($2,000.00), or by imprisonment for not more than one (1) year, or by both such fine and imprisonment in the discretion of the court.

(b) (i) If a permittee, or any employee of a permittee, violates paragraph (a) of this subsection (1), then, in addition to any other penalty provided for by law, the commissioner may impose the following penalties against the permittee on whose premises the alcoholic beverages were sold, given or furnished:

1. For the first offense on the licensed premises, suspension of the permit for not more than one (1) week.

2. For a second offense occurring on the licensed premises within a twelve-month period, suspension of the permit for not more than two (2) weeks.

3. For a third offense occurring on the licensed premises within a twelve-month period, suspension of the permit for not more than three (3) weeks or revocation of the permit.

4. For a fourth or subsequent offense occurring on the licensed premises within a twelve-month period, revocation of the permit.

After a third or subsequent offense, the commissioner also may require that the permittee have and use an independent, third-party age-verification app on the licensed premises for the purpose of determining whether a person to whom alcoholic beverages are sold, furnished, given or caused to be sold on the licensed premises is twenty-one (21) years of age or older. The app used must have at least an eighty-five percent (85%) accuracy rating according to national standards. The commissioner may promulgate rules and regulations for determining the length of time a permittee shall be required to use the app.

A violation of paragraph (a) of this subsection (1) shall be sufficient to impose the administrative penalties and any other requirement authorized under this paragraph (b), and any expunction of conviction shall have no effect on any administrative penalty or other requirement imposed against a permittee under this paragraph (b).

(2) Any person under the age of twenty-one (21) years who purchases, receives, or has in his or her possession in any public place, any alcoholic beverages, shall be guilty of a misdemeanor and shall be punished by a fine of not less than Two Hundred Dollars ($200.00) nor more than Five Hundred Dollars ($500.00). Provided, that clearing or busing tables that have glasses or other containers that contain or did contain alcoholic beverages, or stocking, bagging or otherwise handling purchases of alcoholic beverages shall not be deemed possession of alcoholic beverages for the purposes of this section.

Provided further, that a person who is at least eighteen (18) years of age but under the age of twenty-one (21) years who waits on tables by taking orders for or delivering orders of alcoholic beverages shall not be deemed to unlawfully possess or furnish alcoholic beverages if in the scope of his employment by the holder of an on-premises retailer's permit. This exception shall not authorize a person under the age of twenty-one (21) to tend bar or act in the capacity of bartender. Any person under the age of twenty-one (21) who knowingly makes a false statement to the effect that he or she is twenty-one (21) years old or older or presents any document that indicates he or she is twenty-one (21) years of age or older for the purpose of purchasing alcoholic beverages from any person engaged in the sale of alcoholic beverages shall be guilty of a misdemeanor and shall be punished by a fine of not less than Two Hundred Dollars ($200.00) nor more than Five Hundred Dollars ($500.00), and a sentence to not more than thirty (30) days' community service.

(3) The term "community service" as used in this section shall mean work, projects or services for the benefit of the community assigned, supervised and recorded by appropriate public officials.

(4) If a person under the age of twenty-one (21) years is convicted or enters a plea of guilty of purchasing, receiving or having in his or her possession in any public place any alcoholic beverages in violation of subsection (2) of this section, the trial judge, in lieu of the penalties otherwise provided under subsection (2) of this section, shall suspend the minor's driver's license by taking and keeping it in the custody of the court for a period of time not to exceed ninety (90) days. The judge so ordering the suspension shall enter upon his docket "DEFENDANT'S DRIVER'S LICENSE SUSPENDED FOR ____ DAYS IN LIEU OF CONVICTION" and such action by the trial judge shall not constitute a conviction. During the period that the minor's driver's license is suspended, the trial judge shall suspend the imposition of any fines or penalties that may be imposed under subsection (2) of this section and may place the minor on probation subject to such conditions as the judge deems appropriate. If the minor violates any of the conditions of probation, then the trial judge shall return the driver's license to the minor and impose the fines, penalties or both, that he would have otherwise imposed, and such action shall constitute a conviction.

SECTION 2. This act shall take effect and be in force from and after July 1, 2024.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 67-1-81, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT, IN ADDITION TO OTHER PENALTIES AUTHORIZED AGAINST A PERMITTEE UNDER THE LOCAL OPTION ALCOHOLIC BEVERAGE CONTROL LAW FOR THE UNLAWFUL SALE, FURNISHING, GIVING OR CAUSING TO BE SOLD OF ALCOHOLIC BEVERAGES TO PERSONS UNDER THE AGE OF 21, THE COMMISSIONER OF REVENUE MAY REQUIRE, AFTER A THIRD OR SUBSEQUENT OFFENSE, THAT THE PERMITTEE HAVE AND USE AN INDEPENDENT, THIRD-PARTY AGE-VERIFICATION APP ON THE LICENSED PREMISES FOR THE PURPOSE OF DETERMINING WHETHER A PERSON TO WHOM ALCOHOLIC BEVERAGES ARE SOLD, FURNISHED, GIVEN OR CAUSED TO BE SOLD IS 21 YEARS OF AGE OR OLDER; TO AUTHORIZE THE COMMISSIONER TO PROMULGATE RULES AND REGULATIONS; AND FOR RELATED PURPOSES.

Any unencumbered balance remaining in the special fund account on June 30 of any fiscal year shall lapse into the State General Fund.

All privilege taxes imposed by this section shall be paid in advance of doing business. A new permittee whose privilege tax is determined by production volume will pay the tax for the first year in accordance with department regulations. The additional privilege tax imposed for an on-premises retailer's permit based upon purchases shall be due and payable on demand.

Paragraph (y) of this subsection shall stand repealed from and after July 1, 2026.

(2) (a) There is imposed and shall be collected from each permittee, except a common carrier, solicitor, a temporary permittee, holder of a direct shipper's permit or a delivery service permittee, by the department, an additional license tax equal to the amounts imposed under subsection (1) of this section for the privilege of doing business within any municipality or county in which the licensee is located.

(b) (i) In addition to the tax imposed in paragraph (a) of this subsection, there is imposed and shall be collected by the department from each permittee described in subsection (1)(g), (h), (i), (n) and (u) of this section, an additional license tax for the privilege of doing business within any municipality or county in which the licensee is located in the amount of Two Hundred Twenty-five Dollars ($225.00) on purchases exceeding Five Thousand Dollars ($5,000.00) and Two Hundred Twenty-five Dollars ($225.00) for each additional purchase of Five Thousand Dollars ($5,000.00), or fraction thereof.

(ii) In addition to the tax imposed in paragraph (a) of this subsection, there is imposed and shall be collected by the department from each permittee described in subsection (1)(o) and (s) of this section, an additional license tax for the privilege of doing business within any municipality or county in which the licensee is located in the amount of Two Hundred Fifty Dollars ($250.00) on purchases exceeding Five Thousand Dollars ($5,000.00) and Two Hundred Twenty-five Dollars ($225.00) for each additional purchase of Five Thousand Dollars ($5,000.00), or fraction thereof.

(iii) Any person who has paid the additional privilege license tax imposed by this paragraph, and whose permit is renewed, may add any unused fraction of Five Thousand Dollars ($5,000.00) purchases to the first Five Thousand Dollars ($5,000.00) purchases authorized by the renewal permit, and no additional license tax will be required until purchases exceed the sum of the two (2) figures.

(c) If the licensee is located within a municipality, the department shall pay the amount of additional license tax collected under this section to the municipality, and if outside a municipality the department shall pay the additional license tax to the county in which the licensee is located. Payments by the department to the respective local government subdivisions shall be made once each month for any collections during the preceding month.

(3) When an application for any permit, other than for renewal of a permit, has been rejected by the department, such decision shall be final. Appeal may be made in the manner provided by Section 67-1-39. Another application from an applicant who has been denied a permit shall not be reconsidered within a twelve-month period.

(4) The number of permits issued by the department shall not be restricted or limited on a population basis; however, the foregoing limitation shall not be construed to preclude the right of the department to refuse to issue a permit because of the undesirability of the proposed location.

(5) If any person shall engage or continue in any business which is taxable under this section without having paid the tax as provided in this section, the person shall be liable for the full amount of the tax plus a penalty thereon equal to the amount thereof, and, in addition, shall be punished by a fine of not more than One Thousand Dollars ($1,000.00), or by imprisonment in the county jail for a term of not more than six (6) months, or by both such fine and imprisonment, in the discretion of the court.

(6) It shall be unlawful for any person to consume alcoholic beverages on the premises of any hotel restaurant, restaurant, club or the interior of any public place

defined in Chapter 1, Title 67, Mississippi Code of 1972, when the owner or manager thereof displays in several conspicuous places inside the establishment and at the entrances of establishment a sign containing the following language: NO ALCOHOLIC BEVERAGES ALLOWED.

SECTION 15. Section 27-71-7, Mississippi Code of 1972, is amended as follows:

The proceeds of the markup shall be collected by the division from each purchaser at the time of purchase.

(b) Until June 30, 1987, the revenue derived from this three percent (3%) markup shall be deposited by the division in the State Treasury to the credit of the "Alcoholism Treatment and Rehabilitation Fund," a special fund which is hereby created in the State Treasury, and shall be used by the Division of Alcohol and Drug Abuse of the State Department of Mental Health and public or private centers or organizations solely for funding of treatment and rehabilitation programs for alcoholics and alcohol abusers which are sponsored by the division or public or private centers or organizations in such amounts as the Legislature may appropriate to the division for use by the division or public or private centers or organizations for such programs. Any tax revenue in the fund which is not encumbered at the end of the fiscal year shall lapse to the General Fund. It is the intent of the Legislature that the State Department of Mental Health shall continue to seek funds from other sources and shall use the funds appropriated for the purposes of this section and Section 27-71-29 to match all federal funds which may be available for alcoholism treatment and rehabilitation.

From and after July 1, 1987, the revenue derived from this three percent (3%) markup shall be deposited by the division in the State Treasury to the credit of the "Mental Health Programs Fund," a special fund which is hereby created in the State Treasury and shall be used by the State Department of Mental Health for the service programs of the department. Any revenue in the "Alcoholism Treatment and Rehabilitation Fund" which is not encumbered at the end of Fiscal Year 1987 shall be deposited to the credit of the "Mental Health Programs Fund."

(3) There is levied and assessed upon the holder of a direct shipper's permit, a tax in the amount of eighteen percent (18%) of the sales price of each sale and shipment of wine made to a resident in this state. The holder of a direct shipper's permit shall file a monthly report with the department along with a copy of the invoice for each sale and shipment of wine and remit any taxes due; however, no report shall be required for months in which no sales or shipments were made into this state. The report, together with copies of the invoices and the payment of all taxes, shall be filed with the department not later than the twentieth day of the month following the month in which the shipment was made. Permittees who fail to timely file and pay taxes as required by this subsection shall pay a late fee in the amount of Five Hundred Dollars ($500.00), and the department shall suspend the direct shipper's permit until all outstanding taxes are paid in full, for a first offense. Upon a second offense, the department shall revoke the direct shipper's permit.

27-71-15. Except as otherwise provided in Section 67-9-1 for the transportation of limited amounts of alcoholic beverages for the use of an alcohol processing permittee, and in Sections 1 through 12 of this act for the sale and shipment of wine by the holder of a direct shipper's permit, if transportation requires passage through a county which has not authorized the sale of alcoholic beverages, such transportation shall be by a sealed vehicle. Such seal shall remain unbroken until the vehicle shall reach the place of business operated by the permittee. The operator of any vehicle transporting

alcoholic beverages shall have in his possession an invoice issued by the * * * department at the time of the wholesale sale covering the merchandise transported by the vehicle. The * * * department is authorized to issue regulations controlling the transportation of alcoholic beverages.

When the restrictions imposed by this section and by the regulation of the * * * department have not been violated, the person transporting alcoholic beverages through a county wherein the sale of alcoholic beverages is prohibited shall not be guilty of unlawful possession and such merchandise shall be immune from seizure.

SECTION 17. Section 27-71-29, Mississippi Code of 1972, is amended as follows:

All taxes levied under Section 27-71-7(1) and received by the department under this article shall be paid into the General Fund, and the three percent (3%) levied under Section 27-71-7(2) and received by the department under this article shall be paid into the special fund in the State Treasury designated as the "Alcoholism Treatment and Rehabilitation Fund" as required by law. Any funds derived from the sale of alcoholic beverages in excess of inventory requirements shall be paid not less often than annually into the General Fund, except for a portion of the twenty-seven and one-half percent (27-1/2%) markup provided for in Section 27-71-11, as specified in subsection (2) of this section, and except for fees charged by the department for the defraying of costs associated with shipping alcoholic beverages. The revenue derived from these fees shall be deposited by the department into a special fund, hereby created in the State Treasury, which is designated the "ABC Shipping Fund." The monies in this special fund shall be earmarked for use by the department for any expenditure made to ship alcoholic beverages. Any net proceeds remaining in the special fund on August 1 of any fiscal year shall lapse into the General Fund. "Net proceeds" in this section means the total of all fees collected by the department to defray the costs of shipping less the actual costs of shipping.

(2) If the special bond sinking fund created in Section 7(3) of Chapter 483, Laws of 2022 has a balance below the minimum amount specified in the resolution providing for the issuance of the bonds, or below one and one-half (1-1/2) times the amount needed to pay the annual debt obligations related to the bonds issued under Section 7 of Chapter 483, Laws of 2022, whichever is the lesser amount, the Commissioner of Revenue shall transfer the deficit amount to the bond sinking fund from revenue derived from the twenty-seven and one-half percent (27-1/2%) markup provided for in Section 27-71-11.

(3) All taxes levied under Section 27-71-7(3) and received by the department under this article shall be paid into the General Fund, except for an amount equivalent to the three percent (3%) levied under Section 27-71-7(2), which shall be paid into the special fund in the State Treasury designated as the "Mental Health Programs Fund" as required by law.

SECTION 18. Section 67-1-41, Mississippi Code of 1972, is amended as follows:

67-1-41. (1) The department is hereby created a wholesale distributor and seller of alcoholic beverages, not including malt liquors, within the State of Mississippi. It is granted the right to import and sell alcoholic beverages at wholesale within the state, and no person who is granted the right to sell, distribute or receive alcoholic beverages at retail shall purchase any alcoholic beverages from any source other than the department, except as authorized in subsections (4), (9) and (12) of this section and Sections 1 through 12 of this act. The department may establish warehouses, and the department may purchase alcoholic beverages in such quantities and from such sources as it may deem desirable and sell the alcoholic beverages to authorized permittees within the state including, at the discretion of the department, any retail distributors operating within any military post or qualified resort areas within the boundaries of the state, keeping a correct and accurate record of all such transactions and exercising such

control over the distribution of alcoholic beverages as seem right and proper in keeping with the provisions or purposes of this article.

(2) No person for the purpose of sale shall manufacture, distill, brew, sell, possess, export, transport, distribute, warehouse, store, solicit, take orders for, bottle, rectify, blend, treat, mix or process any alcoholic beverage except in accordance with authority granted under this article, or as otherwise provided by law for native wines or native spirits.

(3) No alcoholic beverage intended for sale or resale shall be imported, shipped or brought into this state for delivery to any person other than as provided in this article, or as otherwise provided by law for native wines or native spirits.

(4) The department may promulgate rules and regulations which authorize on-premises retailers to purchase limited amounts of alcoholic beverages from package retailers and for package retailers to purchase limited amounts of alcoholic beverages from other package retailers. The department shall develop and provide forms to be completed by the on-premises retailers and the package retailers verifying the transaction. The completed forms shall be forwarded to the department within a period of time prescribed by the department.

(5) The department may promulgate rules which authorize the holder of a package retailer's permit to permit individual retail purchasers of packages of alcoholic beverages to return, for exchange, credit or refund, limited amounts of original sealed and unopened packages of alcoholic beverages purchased by the individual from the package retailer.

(6) The department shall maintain all forms to be completed by applicants necessary for licensure by the department at all district offices of the department.

(7) The department may promulgate rules which authorize the manufacturer of an alcoholic beverage or wine to import, transport and furnish or give a sample of alcoholic beverages or wines to the holders of package retailer's permits, on-premises retailer's permits, native wine or native spirit retailer's permits and temporary retailer's permits who have not previously purchased the brand of that manufacturer from the department. For each holder of the designated permits, the manufacturer may furnish not more than five hundred (500) milliliters of any brand of alcoholic beverage and not more than three (3) liters of any brand of wine.

(8) The department may promulgate rules disallowing open product sampling of alcoholic beverages or wines by the holders of package retailer's permits and permitting open product sampling of alcoholic beverages by the holders of on-premises retailer's permits. Permitted sample products shall be plainly identified "sample" and the actual sampling must occur in the presence of the manufacturer's representatives during the legal operating hours of on-premises retailers.

(9) The department may promulgate rules and regulations that authorize the holder of a research permit to import and purchase limited amounts of alcoholic beverages from importers, wineries and distillers of alcoholic beverages or from the department. The department shall develop and provide forms to be completed by the research permittee verifying each transaction. The completed forms shall be forwarded to the department within a period of time prescribed by the department. The records and inventory of alcoholic beverages shall be open to inspection at any time by the Director of the Alcoholic Beverage Control Division or any duly authorized agent.

(10) The department may promulgate rules facilitating a retailer's on-site pickup of alcoholic beverages sold by the department or as authorized by the department, including, but not limited to, native wines and native spirits, so that those alcoholic beverages may be delivered to the retailer at the manufacturer's location instead of via shipment from the department's warehouse.

(11) [Through June 30, 2026] This section shall not apply to alcoholic beverages authorized to be sold by the holder of a distillery retailer's permit or a festival wine permit.

(11) [From and after July 1, 2026] This section shall not apply to alcoholic beverages authorized to be sold by the holder of a distillery retailer's permit.

(12) (a) An individual resident of this state who is at least twenty-one (21) years of age may purchase wine from a winery and have the purchase shipped into this state so long as it is shipped to a package retailer permittee in Mississippi; however, the

permittee shall pay to the department all taxes, fees and surcharges on the wine that are imposed upon the sale of wine shipped by the department or its warehouse operator. No credit shall be provided to the permittee for any taxes paid to another state as a result of the transaction. Package retailers may charge a service fee for receiving and handling shipments from wineries on behalf of the purchasers. The department shall develop and provide forms to be completed by the package retailer permittees verifying the transaction. The completed forms shall be forwarded to the department within a period of time prescribed by the department.

(b) The purchaser of wine that is to be shipped to a package retailer's store shall be required to get the prior approval of the package retailer before any wine is shipped to the package retailer. A purchaser is limited to no more than ten (10) cases of wine per year to be shipped to a package retailer. A package retailer shall notify a purchaser of wine within two (2) days after receiving the shipment of wine. If the purchaser of the wine does not pick up or take the wine from the package retailer within thirty (30) days after being notified by the package retailer, the package retailer may sell the wine as part of his inventory.

(c) Shipments of wine into this state under this section shall be made by a duly licensed carrier. It shall be the duty of every common or contract carrier, and of every firm or corporation that shall bring, carry or transport wine from outside the state for delivery inside the state to package retailer permittees on behalf of consumers, to prepare and file with the department, on a schedule as determined by the department, of known wine shipments containing the name of the common or contract carrier, firm or corporation making the report, the period of time covered by said report, the name and permit number of the winery, the name and permit number of the package retailer permittee receiving such wine, the weight of the package delivered to each package retailer permittee, a unique tracking number, and the date of delivery. Reports received by the department shall be made available by the department to the public via the Mississippi Public Records Act process in the same manner as other state alcohol filings.

Upon the department's request, any records supporting the report shall be made available to the department within a reasonable time after the department makes a written request for such records. Any records containing information relating to such reports shall be kept and preserved for a period of two (2) years, unless their destruction sooner is authorized, in writing, by the department, and shall be open and available to inspection by the department upon the department's written request. Reports shall also be made available to any law enforcement or regulatory body in the state in which the railroad company, express company, common or contract carrier making the report resides or does business.

Any common or contract carrier that willfully fails to make reports, as provided by this section or any of the rules and regulations of the department for the administration and enforcement of this section, is subject to a notification of violation. In the case of a continuing failure to make reports, the common or contract carrier is subject to possible license suspension and revocation at the department's discretion.

(d) A winery that ships wine under this section shall be deemed to have consented to the jurisdiction of the courts of this state, of the department, of any other state agency regarding the enforcement of this section, and of any related law, rules or regulations.

(e) Any person who makes, participates in, transports, imports or receives a shipment in violation of this section is guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of One Thousand Dollars ($1,000.00) or imprisonment in the county jail for not more than six (6) months, or both. Each shipment shall constitute a separate offense.

(13) If any provision of this article, or its application to any person or circumstance, is determined by a court to be invalid or unconstitutional, the remaining provisions shall be construed in accordance with the intent of the Legislature to further limit rather than expand commerce in alcoholic beverages to protect the health, safety, and welfare of the state's residents, and to enhance strict regulatory control over taxation, distribution and sale of alcoholic beverages through the three-tier regulatory system imposed by this article upon all alcoholic beverages to curb relationships and

practices calculated to stimulate sales and impair the state's policy favoring trade stability and the promotion of temperance.

SECTION 19. Section 67-1-45, Mississippi Code of 1972, is amended as follows:

67-1-45. No manufacturer, rectifier or distiller of alcoholic beverages shall sell or attempt to sell any such alcoholic beverages, except malt liquor, within the State of Mississippi, except to the department, or as provided in Section 67-1-41, or pursuant to Section 67-1-51. A producer of native wine or native spirit may sell native wines or native spirits, respectively, to the department or to consumers at the location of the native winery or native distillery or its immediate vicinity. Any violation of this section by any manufacturer, rectifier or distiller shall be punished by a fine of not less than Five Hundred Dollars ($500.00), and not more than Two Thousand Dollars ($2,000.00), to which may be added imprisonment in the county jail not to exceed six (6) months.

SECTION 20. Section 67-1-51, Mississippi Code of 1972, as amended by House Bill 1525, 2024 Regular Session, and Senate Bill No. 2567, 2024 Regular Session, is amended as follows:

Alcoholic beverages shall not be sold by any retailer in any package or container containing less than fifty (50) milliliters by liquid measure. A package retailer's permit, with prior approval from the department, shall authorize the holder thereof to sample new product furnished by a manufacturer's representative or his employees at the permitted place of business so long as the sampling otherwise complies with this article and applicable department regulations. Such samples may not be provided to customers at the permitted place of business. In addition to the sale at retail of packages of alcoholic beverages, the holder of a package retailer's permit is authorized to sell at retail corkscrews, wine glasses, soft drinks, ice, juices, mixers, other beverages commonly used to mix with alcoholic beverages, and fruits and foods that have been submerged in alcohol and are commonly referred to as edibles. (c) On-premises retailer's permit. Except as otherwise provided in subsection (5) of this section, an on-premises retailer's permit shall authorize the sale of alcoholic beverages, including native wines and native spirits, for consumption on the licensed premises only; however, a patron of the permit holder may remove one (1) bottle of wine from the licensed premises if: (i) the patron consumed a portion of the bottle of wine in the course of consuming a meal purchased on the licensed premises; (ii) the permit holder securely reseals the bottle; (iii) the bottle is placed in a bag that is

Such a sale will be considered to be made on the permitted premises. An on-premises retailer's permit shall be issued only to qualified hotels, restaurants and clubs, small craft breweries, microbreweries, and to common carriers with adequate facilities for serving passengers. In resort areas, however, whether inside or outside of a municipality, the department, in its discretion, may issue on-premises retailer's permits to any establishments located therein as it deems proper. An on-premises retailer's permit when issued to a common carrier shall authorize the sale and serving of alcoholic beverages aboard any licensed vehicle while moving through any county of the state; however, the sale of such alcoholic beverages shall not be permitted while such vehicle is stopped in a county that has not legalized such sales. Class 2. A temporary permit, not to exceed seventy (70) days, may be issued to prospective permittees seeking to transfer a permit authorized in paragraph (c) of this subsection. A Class 2 permit may be issued only to applicants demonstrating to the department, by a statement signed under the penalty of perjury, that they meet the qualifications of Sections 67-1-5(l), (m), (n), (o), (p) or (q), 67-1-37, 67-1-51(2) and (3), 67-1-55, 67-1-57 and 67-1-59. Class 3. A temporary one-day permit may be issued to a retail establishment authorizing the complimentary distribution of wine, including native wine, to patrons of the retail establishment at an open house or promotional event, for consumption only on the premises described in the temporary permit. A Class 3 permit may be issued only to an applicant demonstrating to the department, by a statement signed under penalty of perjury submitted ten (10) days before the proposed date or such other time as the department may determine, that it meets the qualifications of Sections 67-1-11, 67-1-37, 67-1-51(2) and (3), 67-1-55, 67-1-57 (excluding paragraph (e)) and 67-1-59. A Class 3 permit holder shall obtain all alcoholic beverages from the holder(s) of a package retailer's permit located in the county in which the temporary permit is issued. Wine remaining in stock upon expiration of the temporary permit may be returned by the Class 3 temporary permit holder to the package retailer for a refund of the purchase price, with consent of the package retailer, or may be kept by the Class 3 temporary permit holder exclusively for personal use and consumption, subject to all laws pertaining to the illegal sale and possession of alcoholic beverages. The department, following review of the statement provided by the applicant and the requirements of the applicable statutes and regulations, may issue the permit. No retailer may receive more than twelve (12) Class 3 temporary permits in a calendar year. A Class 3 temporary permit shall not be issued to a retail establishment that either holds a merchant permit issued under paragraph (l) of this subsection, or holds a permit issued under Chapter 3, Title 67, Mississippi Code of 1972, authorizing the holder to engage in the business of a retailer of light wine or beer.
