SECTION 1. Title. This chapter shall be known and may be cited as the Peer-to-Peer Car Sharing Program Act.

SECTION 2. Definitions. For purposes of this chapter, the following terms shall have the meanings defined herein unless the context clearly indicates otherwise:

(a) "Car Sharing Delivery Period" means the period of time during which a shared vehicle is being delivered to the location of the car sharing start time, if applicable, as documented by the governing car sharing program agreement.

(b) "Car Sharing Period" means the period of time that commences with the car sharing delivery period or, if there is no car sharing delivery period, the period of time that commences with the car sharing start time and in either case ends at the car sharing termination time.

(c) "Car Sharing Program Agreement" means the terms and conditions applicable to a shared vehicle owner and a shared vehicle driver that governs the use of a shared vehicle through a peer-to-peer car sharing program.

(d) "Car Sharing Start Time" means the time when the shared vehicle becomes subject to the control of the shared vehicle driver at or after the time the reservation of a shared vehicle is scheduled to begin as documented in the records of a peer–to–peer car sharing program.

(e) "Car Sharing Termination Time" means the earliest of the following events:

(i) The expiration of the agreed upon period of time established for the use of a shared vehicle according to the terms of the car sharing program agreement

if the shared vehicle is delivered to the location agreed upon in the car sharing program agreement;

(ii) When the shared vehicle is returned to a location as alternatively agreed upon by the shared vehicle owner and shared vehicle driver as communicated through a peer–to–peer car sharing program, which alternatively agreed upon location shall be incorporated into the car sharing program agreement; or

(iii) When the shared vehicle owner or the shared vehicle owner's authorized designee, takes possession and control of the shared vehicle.

(f) "Peer-to-Peer Car Sharing" means the authorized use of a vehicle by an individual other than the vehicle's owner through a peer–to–peer car sharing program. This term shall not be construed to mean rental car or rental activity.

(g) "Peer-to-Peer Car Sharing Program" means a business platform that connects vehicle owners with drivers to enable the sharing of vehicles for financial consideration. This term shall not mean rental car company. An individual or business entity lawfully engaging in a peer–to–peer car sharing program shall not be considered as any of the following:

(i) As a "rental company" as that term is defined in Section 27-19-40(4);

(ii) As being engaged in renting a motor vehicle to another within the meaning of Section 63-1-67;

(iii) As a "transportation network company" as that term is defined in Section 77-8-1; or

(iv) As being engaged in the business of renting motor vehicles under rental agreements within the meaning of Section 75-24-8.

(h) "Shared Vehicle" means a vehicle that is available for sharing through a peer-to-peer car sharing program.

(i) "Shared Vehicle Driver" means an individual who has been authorized to drive the shared vehicle by the shared vehicle owner under a car sharing program agreement.

(j) "Shared Vehicle Owner" means the registered owner, or a person or entity designated by the registered owner, of a vehicle made available for sharing to shared vehicle drivers through a peer-to-peer car sharing program. A shared vehicle owner shall not mean a person "renting a motor vehicle to another" as that activity is described in Section 63-1-67. A shared vehicle owner is not "engaged in the business of renting motor vehicles under rental agreements" within the meaning of Section 75-24-8.

SECTION 3. Insurance coverage during car sharing period.

(1) Except as provided in subsection (2) of this section, a peer-to-peer car sharing program shall assume liability of a shared vehicle owner for bodily injury or property damage to third parties, or uninsured and underinsured motorist losses, during the car

sharing period in an amount stated in the peer-to-peer car sharing program agreement, provided that the amount shall not be less than that set forth in Section 63-15-43.

(2) Notwithstanding the definition of "car sharing termination time" as set forth in this act, the assumption of liability under subsection (1) of this section shall not apply to any shared vehicle owner when:

(a) A shared vehicle owner makes an intentional or fraudulent material misrepresentation or omission to the peer-to-peer car sharing program before the car sharing period in which the loss occurred; or

(b) Acting in concert with a shared vehicle driver who fails to return the shared vehicle pursuant to the terms of the car sharing program agreement.

(3) Notwithstanding the definition of "car sharing termination time" as set forth in this act, the assumption of liability under subsection (1) of this section shall include any bodily injury or property damage losses by damaged third parties, or uninsured and underinsured motorist losses, as required by Sections 63-15-1 et seq.

(4) A peer-to-peer car sharing program shall ensure that, during each car sharing period, the shared vehicle owner and the shared vehicle driver are insured under a motor vehicle liability insurance policy that provides insurance coverage in amounts no less than the minimum amounts set forth in Section 63-15-43; and

(a) Recognizes that the shared vehicle insured under the policy is made available and used through a peer-to-peer car sharing program; or

(b) Does not exclude use of a shared vehicle by a shared vehicle driver.

(5) The insurance described under subsection (4) of this section may be satisfied by motor vehicle liability insurance maintained by:

(a) A shared vehicle owner;

(b) A shared vehicle driver;

(c) A peer-to-peer car sharing program; or

(d) Both a shared vehicle owner, a shared vehicle driver and a peer-to-peer car sharing program.

(6) The insurance described in subsection (5) of this section that is satisfying the insurance requirement of subsection (4) of this section shall be primary during each car sharing period, and in the event that a claim occurs in another state with

minimum financial responsibility limits higher than the minimum amounts set forth in Section 63-15-43, during the car sharing period, the coverage maintained under subsection (5) shall satisfy the difference in minimum coverage amounts, up to the applicable policy limits.

(7) The insurer, insurers or peer-to-peer car sharing program providing coverage under subsections (4) or (5) of this section shall assume primary liability for a claim when:

(a) A dispute exists as to who was in control of the shared motor vehicle at the time of the loss and the peer-to-peer car sharing program does not have available, did not retain or fails to provide the information required by Section 8 of this act; or

(b) A dispute exists as to whether the shared vehicle was returned to the alternatively agreed upon location.

(8) If insurance maintained by a shared vehicle owner or shared vehicle driver in accordance with subsection (5) of this section has lapsed or does not provide the required coverage, insurance maintained by a peer-to-peer car sharing program shall provide the coverage required by subsection (4) of this section beginning with the first dollar of a claim and have the duty to defend such claim except under circumstances as set forth in subsection (2) of this section.

(9) Coverage under an automobile insurance policy maintained by the peer-to-peer car sharing program shall not be dependent on another automobile insurer first denying a claim nor shall another automobile insurance policy be required to first deny a claim.

(10) Nothing in this act:

(a) Limits the liability of the peer-to-peer car sharing program for any act or omission of the peer-to-peer car sharing program itself that results in injury to any person as a result of the use of a shared vehicle through a peer-to-peer car sharing program; or

(b) Limits the ability of the peer-to-peer car sharing program to, by contract, seek indemnification from the shared vehicle owner or the shared vehicle driver for economic loss sustained by the peer-to-peer car sharing program resulting from a breach of the terms and conditions of the car sharing program agreement.

SECTION 4. Notification of Implications of Lien. At the time when a vehicle owner registers as a shared vehicle owner on a peer-to-peer car sharing program and before the time when the shared vehicle owner makes a shared vehicle available for car sharing on the peer-to-peer car sharing program, the peer-to-peer car sharing program shall notify the shared vehicle owner that, if the shared vehicle has a lien against it, the use of the shared vehicle through a peer-to-peer car sharing program, including use without physical damage coverage, may violate the terms of the contract with the lienholder.

SECTION 5. Exclusions in motor vehicle liability insurance policies. (1) An authorized insurer that writes motor vehicle liability insurance in the state may exclude any and all coverage and the duty to defend or indemnify for any claim afforded under a shared vehicle owner's motor vehicle liability insurance policy, including, but not limited to:

(a) Liability coverage for bodily injury and property damage;

(b) Uninsured and underinsured motorist coverage;

(c) Medical payments coverage;

(d) Comprehensive physical damage coverage; and

(e) Collision physical damage coverage.

(2) Nothing in this act:

(a) Invalidates or limits an exclusion contained in a motor vehicle liability insurance policy, including any insurance policy in use or approved for use that excludes coverage for motor vehicles made available for rent, sharing or hire or for any business use;

(b) Invalidates, limits or restricts an insurer's ability under existing law to underwrite any insurance policy; or

(c) Invalidates, limits or restricts an insurer's ability under existing law to cancel and nonrenew policies.

SECTION 6. Recordkeeping; use of vehicle in car sharing.

A peer-to-peer car sharing program shall collect and verify records pertaining to the use of a vehicle, including, but not limited to, times used, car sharing period pick-up and drop-off locations, fees paid by the shared vehicle driver and revenues received by the shared vehicle owner and provide that information upon request to the shared vehicle owner, the shared vehicle owner's insurer or the shared vehicle driver's insurer to facilitate a claim coverage investigation, settlement, negotiation or litigation. The peer-to-peer car sharing program shall retain the records for a time period not less than the three-year limitation under Section 15-1-49.

SECTION 7. Vicarious liability. A peer-to-peer car sharing program and a shared vehicle owner shall be exempt from vicarious liability consistent with 49 USC Section 30106 and under any state or local law that imposes liability solely based on vehicle ownership.

SECTION 8. Contribution against indemnification. A motor vehicle insurer that defends or indemnifies a claim against a shared vehicle that is excluded under the terms of its policy shall have the right to seek recovery against the motor vehicle insurer of the peer-to-peer car sharing program if the claim is: (a) Made against the shared vehicle owner or the shared vehicle driver for loss or injury that occurs during the car sharing period; and

(b) Excluded under the terms of its policy.

SECTION 9. Insurable interest. (1) Notwithstanding any other law, statute, rule or regulation to the contrary, a peer-to-peer car sharing program shall have an insurable interest in a shared vehicle during the car sharing period.

(2) Nothing in this section creates liability on a peer-to-peer car sharing program to maintain the coverage mandated by Section 3 of this act.

(3) A peer–to–peer car sharing program may own and maintain as the named insured one or more policies of motor vehicle liability insurance that provides coverage for:

(a) Liabilities assumed by the peer–to–peer car sharing program under a peer–to–peer car sharing program agreement;

(b) Any liability of the shared vehicle owner; or

(c) Damage or loss to the shared motor vehicle or any liability of the shared vehicle driver.

SECTION 10. Consumer protection disclosures. (1) Each car sharing program agreement made in the state shall disclose to the shared vehicle owner and the shared vehicle driver:

(a) Any right of the peer-to-peer car sharing program to seek indemnification from the shared vehicle owner or the shared vehicle driver for economic loss sustained by the peer-to-peer car sharing program resulting from a breach of the terms and conditions of the car sharing program agreement;

(b) That a motor vehicle liability insurance policy issued to the shared vehicle owner for the shared vehicle or to the shared vehicle driver does not provide a defense or indemnification for any claim asserted by the peer-to-peer car sharing program;

(c) That the peer-to-peer car sharing program's insurance coverage on the shared vehicle owner and the shared vehicle driver is in effect only during each car sharing period and that, for any use of the shared vehicle by the shared vehicle driver after the car sharing termination time, the shared vehicle driver and the shared vehicle owner may not have insurance coverage;

(d) The daily rate, fees, and if applicable, any insurance or protection package costs that are charged to the shared vehicle owner or the shared vehicle driver;

(e) That the shared vehicle owner's motor vehicle liability insurance may not provide coverage for a shared vehicle;

(f) An emergency telephone number to personnel capable of fielding roadside assistance and other customer service inquiries; and

(g) If there are conditions under which a shared vehicle driver must maintain a personal automobile insurance policy with certain applicable coverage limits on a primary basis in order to book a shared motor vehicle.

SECTION 11. Driver's license verification and data retention. (1) A peer-to-peer car sharing program may not enter into a peer-to-peer car sharing program agreement with a driver unless the driver who will operate the shared vehicle:

(a) Holds a driver's license issued under Section 63-1-5 that authorizes the driver to operate vehicles of the class of the shared vehicle; or

(b) Is a nonresident who:

(i) Has a driver's license issued by the state or country of the driver's residence that authorizes the driver in that state or country to drive vehicles of the class of the shared vehicle; and

(c) Otherwise is specifically authorized under Title 63, Chapter 1, Mississippi Code of 1972, to drive vehicles of the class of the shared vehicle.

(2) A peer-to-peer car sharing program shall keep a record of:

(a) The name and address of the shared vehicle driver;

(b) The number of the driver's license of the shared vehicle driver and each other person, if any, who will operate the shared vehicle; and

(c) The place of issuance of the driver's license.

SECTION 12. Responsibility for equipment. A peer-to-peer car sharing program shall have sole responsibility for any equipment, such as a GPS system or other special equipment that is put in or on the vehicle to monitor or facilitate the car sharing transaction, and shall agree to indemnify and hold harmless the vehicle owner for any damage to or theft of such equipment during the sharing period not caused by the vehicle owner. The peer-to-peer car sharing program has the right to seek indemnity from the shared vehicle driver for any loss or damage to such equipment that occurs during the sharing period.

SECTION 13. Automobile safety recalls. (1) At the time when a vehicle owner registers as a shared vehicle owner on a peer-to-peer car sharing program and before the time when the shared vehicle owner makes a shared vehicle available for car sharing on the peer-to-peer car sharing program, the peer-to-peer car sharing program shall:

(a) Verify that the shared vehicle does not have any safety recalls on the vehicle for which the repairs have not been made; and

(b) Notify the shared vehicle owner of the requirements under subsection (2) of this section.

(2) (a) If the shared vehicle owner has received an actual notice of a safety recall on the vehicle, a shared vehicle owner shall not make a vehicle available as a shared vehicle on a peer-to-peer car sharing program until the safety recall repair has been made.

(b) If a shared vehicle owner receives an actual notice of a safety recall on a shared vehicle while the shared vehicle is made available on the peer-to-peer car sharing program, the shared vehicle owner shall remove the shared vehicle as available on the peer-to-peer car sharing program, as soon as practicably possible after receiving the notice of the safety recall and until the safety recall repair has been made.

(c) If a shared vehicle owner receives an actual notice of a safety recall while the shared vehicle is being used in the possession of a shared vehicle driver, as soon as practicably possible after receiving the notice of the safety recall, the shared vehicle owner shall notify the peer-to-peer car sharing program about the safety recall so that the shared vehicle owner may address the safety recall repair.

SECTION 14. Regulations. The Commissioner of Insurance may promulgate rules and regulations that are necessary to administer and enforce the provisions of this act provided that such rules and regulations are not inconsistent with the provisions of this act.

SECTION 15. Section 27-19-40, Mississippi Code of 1972, is amended as follows:

27-19-40. (1) A motor vehicle dealer or automobile auction may apply to the State Tax Commission for special in-transit tags or plates, which when properly displayed shall authorize the motor vehicle dealer or automobile auction to operate a motor vehicle upon the highways of this state without paying the annual highway privilege tax upon such vehicle and without attaching any other license tag or plate to such vehicle, if:

(a) The movement of the motor vehicle is for the purpose of sale of such vehicle to another motor vehicle dealer or automobile auction;

(b) The motor vehicle is being moved from the place of business of one motor vehicle dealer or automobile auction to the place of business of another motor vehicle dealer or automobile auction; and

(c) The special in-transit tag or plate is displayed in plain view on the motor vehicle in the manner prescribed by the State Tax Commission.

(2) A motor vehicle dealer or automobile auction may apply for a temporary tag or plate to be used when a motor vehicle in this state is sold by the motor vehicle dealer or automobile auction to a nonresident of the State of Mississippi or when a motor vehicle is sold by a motor vehicle dealer or automobile auction to a Mississippi resident who may temporarily exit this state before obtaining a Mississippi tag or plate. Such tag or plate when properly displayed shall authorize the purchaser of such a motor vehicle to operate the motor vehicle upon the highways of this state. The temporary tag or plate shall be valid for a period of seven (7) full working days, exclusive of the date of purchase, after the date the motor vehicle is purchased; however, if the temporary tag or plate is issued to a nonresident of the State of Mississippi, the temporary tag or plate shall be valid for the number of days within which the nonresident is required to obtain a permanent motor vehicle license tag or plate by the laws of the nonresident's state of residence.

(3) The State Tax Commission shall issue such tags or plates to each motor vehicle dealer or automobile auction who applies for them upon payment of a fee in an amount equal to Two Dollars ($2.00) for each in-transit tag or plate and Five Dollars ($5.00) for each temporary tag or plate.

(4) Whenever a rental company acquires a vehicle from a dealer by sale or otherwise, the rental company may apply for a temporary tag or plate to be issued by the dealer. Such tag or plate, when properly displayed, authorizes the rental company to operate the motor vehicle upon the highways of this state. The temporary tag or plate is valid for a period of thirty (30) full working days, exclusive of the date of delivery. Any dealer issuing a temporary tag under this subsection may collect from the purchaser requesting the issuance of the temporary tag a fee of Five Dollars ($5.00). The penalties established under Section 27-19-63, are not applicable until after the expiration of the thirty-day period under this subsection. For the purposes of this subsection, the term "rental company" means any person or entity in the business of providing primarily motor vehicles to the public under a rental agreement for a rental period not to exceed thirty (30) days, provided that any person or business entity lawfully engaging in a peer-to-peer car sharing program under the Peer-to-Peer Car Sharing Program Act shall not be considered as a rental company.

(5) The tags or plates authorized pursuant to this section shall be designed by the State Tax Commission. The State Tax Commission shall adopt rules and regulations necessary to implement this section, including, but not limited to, rules and regulations

establishing procedures for issuing such tags or plates and for the use and display of such tags or plates. Each motor vehicle dealer or automobile auction who is issued tags or plates pursuant to this section shall keep such records as may be required by the State Tax Commission.

(6) Any motor vehicle dealer or automobile auction who uses a tag or plate issued pursuant to this section for a purpose that is not authorized by this section shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of One Thousand Dollars ($1,000.00), and the use of all tags or plates issued to such motor vehicle dealer or automobile auction pursuant to this section shall be suspended for a period of one (1) year.

(7) As used in this section, the terms "motor vehicle dealer" and "automobile auction" shall have the meanings ascribed to such terms in Section 27-19-303, Mississippi Code of 1972.

SECTION 16. Section 63-1-67, Mississippi Code of 1972, is amended as follows:

63-1-67. (1) No person shall rent a motor vehicle to any other person unless the latter person is then duly licensed under the provisions of this article, or, in the case of a nonresident, then duly licensed under the laws of the state or country of his residence except a nonresident whose home state or country does not require that an operator be licensed.

(2) No person shall rent a motor vehicle to another until he has inspected the license of the person to whom the vehicle is to be rented and compared and verified the signature thereon with the signature of such person written in his presence.

(3) Every person renting a motor vehicle to another shall keep a record of the registration number of the motor vehicle so rented, the name and address of the person to whom the vehicle is rented, the number of the license of said latter person and the date and place when and where said license was issued. (i) Whose parent, guardian or custodian or any person responsible for his care or support, neglects or refuses, when able so to do, to provide for him proper and necessary care or support, or education as required by law, or medical, surgical, or other care necessary for his well-being; however, a parent who withholds medical treatment from any child who in good faith is under treatment by spiritual means alone through prayer in accordance with the tenets and practices of a recognized church or religious denomination by a duly accredited practitioner thereof shall not, for that reason alone, be considered to be neglectful under any provision of this chapter; or

(iii) Who, for any reason, lacks the special care made necessary for him by reason of his mental condition, whether the mental condition is having mental illness or having an intellectual disability; or

However, physical discipline, including spanking, performed on a child by a parent, guardian or custodian in a reasonable manner shall not be deemed abuse under this section. "Abused child" also means a child who is or has been trafficked within the meaning of the Mississippi Human Trafficking Act by any person, without regard to the relationship of the person to the child.

(n) "Sexual abuse" means obscene or pornographic photographing, filming or depiction of children for commercial purposes, or the rape, molestation, incest, prostitution or other such forms of sexual exploitation of children under circumstances which indicate that the child's health or welfare is harmed or threatened.

(o) "A child in need of special care" means a child with any mental or physical illness that cannot be treated with the dispositional alternatives ordinarily available to the youth court.

(p) A "dependent child" means any child who is not a child in need of supervision, a delinquent child, an abused child or a neglected child, and which child has been voluntarily placed in the custody of the Department of Child Protection Services by his parent, guardian or custodian.

(q) "Custody" means the physical possession of the child by any person.

Reasonable efforts must be made in collaboration with the family and must address the individualized needs of the family which brought the child to the attention of the Department of Child Protection Services and may not consist of required services that are not related to the family's needs.

(hh) "Commercial sexual exploitation" means any sexual act or crime of a sexual nature, which is committed against a child for financial or economic gain, to obtain a thing of value for quid pro quo exchange of property or for any other purpose.

SECTION 2. Section 43-21-301, Mississippi Code of 1972, is amended as follows:

43-21-301. (1) No court other than the youth court shall issue an arrest warrant or custody order for a child in a matter in which the youth court has exclusive original jurisdiction but shall refer the matter to the youth court.

(2) Except as otherwise provided, no child in a matter in which the youth court has exclusive original jurisdiction shall be taken into custody by a law enforcement officer, the Department of Human Services, the Department of Child Protection Services, or any other person unless the judge or his designee has issued a custody order to take the child into custody.

(3) The judge or his designee may require a law enforcement officer, the Department of Human Services, the Department of Child Protection Services, or any suitable person to take a child into custody for a period not longer than forty-eight (48) hours, excluding Saturdays, Sundays, and statutory state holidays.

(a) Custody orders under this subsection may be issued if it appears that there is probable cause to believe that:

(i) The child is within the jurisdiction of the court;

(ii) Custody is necessary because of any of the following reasons: the child is in danger of a significant risk of harm, any person would be in danger of a significant risk of harm by the child, to ensure the child's attendance in court at such time as required, or a parent, guardian or custodian is not available to provide for the care and supervision of the child; and

(iii) There is no reasonable alternative to custody.

A finding of probable cause under this subsection (3)(a) shall not be based solely upon a positive drug test of a newborn or parent for marijuana or solely upon the status of a parent as a cardholder under the Mississippi Medical Cannabis Act; however, a finding of probable cause may be based upon an evidence-based finding of harm to the child or a parent's inability to provide for the care and supervision of the child due to the parent's use of marijuana. Probable cause for unlawful use of any controlled substance, except as otherwise provided in this subsection (3)(a) for marijuana, may be based: 1. upon a parent's positive drug test for unlawful use of a controlled substance only if the child is in danger of a significant risk of harm or the parent is unable to provide proper care or supervision of the child because of the unlawful use and there is no reasonable alternative to custody; and 2. upon a newborn's positive drug screen for a controlled substance that was used unlawfully only if the child is in danger of a significant risk of harm or the parent is unable to provide proper care or supervision of the child because of the unlawful use and there is no reasonable alternative to custody.

A child may not be considered "neglected" solely because the child's parent, guardian or custodian has failed to provide the child with food, clothing or shelter necessary to sustain the life or health of the child when the failure is caused primarily by financial inability, unless relief services have been offered and refused and the child is in imminent risk of harm.

(b) Custody orders under this subsection shall be written. In emergency cases, a judge or his designee may issue an oral custody order, but the order shall be reduced to writing within forty-eight (48) hours of its issuance.

(c) Each youth court judge shall develop and make available to law enforcement a list of designees who are available after hours, on weekends and on holidays.

(4) The judge or his designee may order, orally or in writing, the immediate release of any child in the custody of any person or agency. Except as otherwise provided in subsection (3) of this section, custody orders as provided by this chapter and authorizations of temporary custody may be written or oral, but, if oral, reduced to writing within forty-eight (48) hours, excluding Saturdays, Sundays and statutory state holidays. The written order shall:

(a) Specify the name and address of the child, or, if unknown, designate him or her by any name or description by which he or she can be identified with reasonable certainty;

(b) Specify the age of the child, or, if unknown, that he or she is believed to be of an age subject to the jurisdiction of the youth court;

(c) Except in cases where the child is alleged to be a delinquent child or a child in need of supervision, state that the effect of the continuation of the child's residing within his or her own home would be contrary to the welfare of the child, that the placement of the child in foster care is in the best interests of the child, and unless the reasonable efforts requirement is bypassed under Section 43-21-603(7)(c), also state that (i) reasonable efforts have been made to maintain the child within his or her own home, but that the circumstances warrant his removal and there is no reasonable alternative to custody; or (ii) the circumstances are of such an emergency nature that no reasonable efforts have been made to maintain the child within his own home, and that there is no reasonable alternative to custody. If the court makes a finding in accordance with (ii) of this paragraph, the court shall order that reasonable efforts be made toward the reunification of the child with his or her family;

(d) State that the child shall be brought immediately before the youth court or be taken to a place designated by the order to be held pending review of the order;

(e) State the date issued and the youth court by which the order is issued; and

(f) Be signed by the judge or his designee with the title of his office.

(5) The taking of a child into custody shall not be considered an arrest except for evidentiary purposes.

(6) (a) No child who has been accused or adjudicated of any offense that would not be a crime if committed by an adult shall be placed in an adult jail or lockup. An accused status offender shall not be held in secure detention longer than twenty-four (24) hours prior to and twenty-four (24) hours after an initial court appearance, excluding Saturdays, Sundays and statutory state holidays, except under the following circumstances: a status offender may be held in secure detention for violating a valid court order pursuant to the criteria as established by the federal Juvenile Justice and Delinquency Prevention Act of 2002, and any subsequent amendments thereto, and out-of-state runaways may be detained pending return to their home state.

(b) No accused or adjudicated juvenile offender, except for an accused or adjudicated juvenile offender in cases where jurisdiction is waived to the adult criminal court, shall be detained or placed into custody of any adult jail or lockup for a period in excess of six (6) hours.

(c) If any county violates the provisions of paragraph (a) or (b) of this subsection, the state agency authorized to allocate federal funds received pursuant to the Juvenile Justice and Delinquency Prevention Act of 1974, 88 Stat. 2750 (codified in scattered Sections of 5, 18, 42 USCS), shall withhold the county's share of such funds.

(d) Any county that does not have a facility in which to detain its juvenile offenders in compliance with the provisions of paragraphs (a) and (b) of this subsection may enter into a contractual agreement to detain or place into custody the juvenile offenders of that county with any county or municipality that does have such a facility, or with the State of Mississippi, or with any private entity that maintains a juvenile correctional facility.

(e) Notwithstanding the provisions of paragraphs (a), (b), (c) and (d) of this subsection, all counties shall be allowed a one-year grace period from March 27, 1993, to comply with the provisions of this subsection.

SECTION 3. Section 43-21-303, Mississippi Code of 1972, is amended as follows:

43-21-303. (1) No child in a matter in which the youth court has original exclusive jurisdiction shall be taken into custody by any person without a custody order except that:

(a) A law enforcement officer may take a child in custody if:

(i) Grounds exist for the arrest of an adult in identical circumstances; and

(ii) Such law enforcement officer has probable cause to believe that custody is necessary as defined in Section 43-21-301; and

(iii) Such law enforcement officer can find no reasonable alternative to custody; or

(b) A law enforcement officer or an agent of the Department of Child Protection Services or the Department of Human Services may take a child into immediate custody if:

(i) There is probable cause to believe that the child is in immediate danger of personal harm; however, probable cause shall not be based solely upon a positive drug test of a newborn or parent for marijuana or solely upon the status of a parent as a cardholder under the Mississippi Medical Cannabis Act, but a finding of probable cause may be based upon an evidence-based finding of harm to the child or a parent's inability to provide for the care and supervision of the child due to the parent's use of marijuana. Probable cause for unlawful use of any controlled substance, except as otherwise provided in this subparagraph (i) for marijuana, may be based: 1. upon a parent's positive drug test for unlawful use of a controlled substance only if the child is in danger of a significant risk of harm or the parent is unable to provide proper care or supervision of the child because of the unlawful use and there is no reasonable alternative to custody; and 2. upon a newborn's positive drug screen for a controlled substance that was used unlawfully only if the child is in danger of a significant risk of harm or the parent is unable to provide proper care or supervision of the child because of the unlawful use and there is no reasonable alternative to custody * * *.

A child may not be considered "neglected" solely because the child's parent, guardian or custodian has failed to provide the child with food, clothing or shelter necessary to sustain the life or health of the child when the failure is caused primarily by financial inability, unless relief services have been offered and refused and the child is in imminent risk of harm; and

(ii) There is probable cause to believe that immediate custody is necessary as set forth in Section 43-21-301(3); and

(iii) There is no reasonable alternative to custody; and

(c) Any other person may take a child into custody if grounds exist for the arrest of an adult in identical circumstances. Such other person shall immediately surrender custody of the child to the proper law enforcement officer who shall thereupon continue custody only as provided in subsection (1)(a) of this section.

(2) When it is necessary to take a child into custody, the least restrictive custody should be selected.

(3) Unless the child is immediately released, the person taking the child into custody shall immediately notify the judge or his designee. A person taking a child into custody shall also make continuing reasonable efforts to notify the child's parent, guardian or custodian and invite the parent, guardian or custodian to be present during any questioning.

(4) A child taken into custody shall not be held in custody for a period longer than reasonably necessary, but not to exceed twenty-four (24) hours, and shall be released to his parent, guardian or custodian unless the judge or his designee authorizes temporary custody.

SECTION 4. Section 93-15-103, Mississippi Code of 1972, is amended as follows:

93-15-103. For purposes of this chapter, unless a different meaning is plainly expressed by the context, the following definitions apply:

(a) "Abandonment" means any conduct by the parent, whether consisting of a single incident or actions over an extended period of time, that evinces a settled purpose to relinquish all parental claims and responsibilities to the child. Abandonment may be established by showing:

(i) For a child who is under three (3) years of age on the date that the petition for termination of parental rights was filed, that the parent has deliberately made no contact with the child for six (6) months;

(ii) For a child who is three (3) years of age or older on the date that the petition for termination of parental rights was filed, that the parent has deliberately made no contact with the child for at least one (1) year;

(iii) If the child is under six (6) years of age, that the parent has exposed the child in any highway, street, field, outhouse, or elsewhere with the intent to wholly abandon the child; or

(iv) If the parent gives possession of the child to an emergency medical services provider pursuant to Sections 43-15-201 et seq.

SECTION 5. Section 43-21-201, Mississippi Code of 1972, is amended as follows:

43-21-201. (1) (a) Each party shall have the right to be represented by counsel at all stages of the proceedings including, but not limited to, detention, shelter, adjudicatory and disposition hearings and parole or probation revocation proceedings.

(b) In delinquency matters the court shall appoint legal defense counsel who is not also a guardian ad litem for the same child. If the party is a child, the child shall be represented by counsel at all critical stages: detention, adjudicatory and disposition hearings; parole or probation revocation proceedings; and post-disposition matters. If indigent, the child shall have the right to have counsel appointed for him by the youth court.

(c) A child who is alleged to have been abused or neglected shall be deemed to be a party to the proceedings under this chapter. The child shall be represented by an attorney at all stages of any proceedings held pursuant to this chapter. The court shall appoint an attorney to any child who is unrepresented.

The guardian ad litem may serve a dual role as long as no conflict of interest is present. If a conflict of interest arises, the guardian ad litem shall inform the Youth Court of the conflict and the youth court shall retain the guardian ad litem to represent the best interest of the child and appoint an attorney to represent the child's preferences as required by Uniform Rule of Youth Court Practice 13(f).

(2) (a) When a party first appears before the youth court, the judge shall ascertain whether he is represented by counsel and, if not, inform him of his rights including his right to counsel. If the court determines that a parent or guardian who is a party in an abuse, neglect or termination of parental rights proceeding is indigent, the youth court judge * * * shall appoint counsel to represent the indigent custodial parent or guardian in the proceeding. The court may appoint counsel to represent a noncustodial parent if the court determines that the noncustodial parent is indigent and has demonstrated a significant custodial relationship with the child. All parents have the right to have appointed counsel in termination of parental rights hearings, and the court shall appoint counsel if the court makes a finding that the parent is indigent and counsel is requested by the parent. For purposes of this section, indigency must be determined pursuant to Section 25-32-9 and Rule 7.3 of the Mississippi Rules of Criminal Procedures.

(b) (i) The court shall order a financially able parent or custodian to pay all or part of reasonable attorney's fees and expenses for court-appointed representation after review by the court of an affidavit of financial means completed and verified by a parent or custodian and a determination by the court of an ability to pay.

(ii) All monies collected by the clerk under this paragraph must be retained by the clerk and deposited into a special fund to be known as the "Juvenile Court Representation Fund."

(iii) The court may direct that money from the fund be used in providing counsel for indigent parents or custodians at the trial level in dependency-neglect proceedings.

(iv) Upon a determination of indigency and a finding by the court that the fund does not have sufficient funds to pay reasonable attorney's fees and expenses incurred at the trial court level and that state funds have been exhausted, the court may order the county to pay the reasonable fees and expenses until the state provides funding for counsel.

(3) An attorney appointed to represent a child shall be required to complete annual juvenile justice training that is approved by the Mississippi Office of State Public Defender and the Mississippi Commission on Continuing Legal Education. An attorney appointed to represent a parent or guardian in an abuse, neglect or termination of parental rights proceeding shall be required to complete annual training that is approved by the Office of State Public Defender and the Mississippi Commission on Continuing Legal Education. The Mississippi Office of State Public Defender and the Mississippi Commission on Continuing Legal Education shall determine the amount of juvenile justice training and continuing education required to fulfill the requirements of this subsection. The State Public Defender shall maintain a roll of attorneys who have complied with the training requirements and shall enforce the provisions of this subsection. Should an attorney fail to complete the annual training requirement or fail to attend the required training within six (6) months of being appointed to a youth court case, the attorney shall be disqualified to serve and the youth court shall immediately terminate the representation and appoint another attorney. Attorneys appointed by a youth court to five (5) or fewer cases a year are exempt from the requirements of this subsection.

(4) Attorneys for all parties, including the child's attorney, shall owe the * * * duties of undivided loyalty, confidentiality and competent representation to the * * * party client pursuant to the Mississippi Rules of Professional Conduct.

(5) An attorney shall enter his appearance on behalf of a party in the proceeding by filing a written notice of appearance with the youth court, by filing a pleading, notice or motion signed by counsel or by appearing in open court and advising the youth court that he is representing a party. After counsel has entered his appearance, he shall be served with copies of all subsequent pleadings, motions and notices required to be served on the party he represents. An attorney who has entered his appearance shall not be permitted

to withdraw from the case until a timely appeal, if any, has been decided, except by leave of the court then exercising jurisdiction of the cause after notice of his intended withdrawal is served by him on the party he represents.

(6) Each designee appointed by a youth court judge shall be subject to the Code of Judicial Conduct and shall govern himself or herself accordingly.

(7) The Department of Child Protection Services shall be a necessary party at all stages of the proceedings involving a child for whom the department has custody, including, but not limited to, shelter, adjudicatory, disposition, permanency hearings and termination of parental rights.

SECTION 6. Section 93-15-107, Mississippi Code of 1972, is amended as follows:

93-15-107. (1) (a) Involuntary termination of parental rights proceedings are commenced upon the filing of a petition under this chapter. The petition may be filed by any interested person, or any agency, institution or person holding custody of the child. The simultaneous filing of a petition for adoption is not a prerequisite for filing a petition under this chapter.

(b) The proceeding shall be triable, either in term time or vacation, thirty (30) days after personal service of process to any necessary party or, for a necessary party whose address is unknown after diligent search, thirty (30) days after the date of the first publication of service of process by publication that complies with the Mississippi Rules of Civil Procedure.

(c) Necessary parties to a termination of parental rights action shall include the mother of the child, the legal father of the child, the putative father of the child when known, and any agency, institution or person holding custody of the child. If the child is twelve (12) years or older at the time of the hearing, a summons must be issued and served upon the minor child, together with a copy of the petition, not less than seven (7) days before the hearing. The minor child must be represented by an attorney throughout the proceedings. The court shall appoint an attorney for a minor child who is unrepresented so that the court has the benefit of knowing the child's stated interest. If the child is fourteen (14) years or older at the time of the hearing, the child's preferences regarding the termination of parental rights must be considered by the court. The absence of a necessary party who has been properly served does not preclude the court from conducting the hearing or rendering a final judgment.

(d) A guardian ad litem shall be appointed to protect the best interest of the child, except that the court, in its discretion, may waive this requirement when a parent executes a written voluntary release to terminate parental rights. The guardian ad litem fees shall be determined and assessed in the discretion of the court.

(e) The style of the case may not include the child's name when the child is not the party plaintiff or petitioner.

(2) Voluntary termination of parental rights by written voluntary release is governed by Section 93-15-111.

(3) In all cases involving termination of parental rights, a minor parent shall be served with process as an adult.

(4) The court may waive service of process if an adoptive child was born in a foreign country, put up for adoption in the birth country, and has been legally admitted into this country.

(5) The clerk shall docket cases seeking relief under this chapter as priority cases. The assigned judge shall be immediately notified when a case is filed in order to provide for expedited proceedings.

(6) (a) Once the petition for termination of parental rights is filed with the court of competent jurisdiction, the court shall hold a hearing on the petition within ninety (90) calendar days of the date the petition is filed absent extraordinary circumstances.

(b) For purposes of this subsection, the ninety (90) calendar-day time period commences when perfected service is made on the parents.

(c) For purposes of this subsection, extraordinary circumstances include:

(i) The Mississippi Supreme Court orders the suspension of in-person court proceedings; or

(ii) One (1) of the following has occurred:

1. The President of the United States has declared a national emergency; or

2. The Governor has declared a state of emergency or a statewide public health emergency; or

3. The best interests of the child are served and the court makes specific findings of such.

SECTION 7. Section 93-15-111, Mississippi Code of 1972, is amended as follows:

93-15-111. (1) The court * * * shall accept the parent's written voluntary release if it meets the following minimum requirements:

(a) Is signed under oath and dated at least seventy-two (72) hours after the birth of the child;

(b) States the parent's full name, the relationship of the parent to the child, and the parent's address;

(c) States the child's full name, date of birth, time of birth if known, and place of birth as indicated on the birth certificate;

(d) Identifies the governmental agency or home to which the child has been surrendered, if any;

(e) States the parent's consent to adoption of the child and waiver of service of process for any future adoption proceedings;

(f) Acknowledges that the termination of the parent's parental rights and that the subsequent adoption of the child may significantly affect, or even eliminate, the parent's right to inherit from the child under the laws of Descent and Distribution (Chapter 1, Title 91, Mississippi Code of 1972);

(g) Acknowledges that all provisions of the written voluntary release were entered into knowingly, intelligently, and voluntarily; and

(h) Acknowledges that the parent is entitled to consult an attorney regarding the parent's parental rights.

(2) The court's order accepting the parent's written voluntary release terminates all of the parent's parental rights to the child, including, but not limited to, the parental right to control or withhold consent to an adoption. * * * Further, the written voluntary release serves as a waiver of the parent's right to have a hearing on acceptance of the release.

SECTION 8. Section 43-21-151, Mississippi Code of 1972, is amended as follows:

43-21-151. (1) The youth court shall have exclusive original jurisdiction in all proceedings concerning a delinquent child, a child in need of supervision, a neglected child, an abused child or a dependent child except in the following circumstances:

(a) Any act attempted or committed by a child, which if committed by an adult would be punishable under state or federal law by life imprisonment or death, will be in the original jurisdiction of the circuit court;

(b) Any act attempted or committed by a child with the use of a deadly weapon, the carrying of which concealed is prohibited by Section 97-37-1, or a shotgun or a rifle, which would be a felony if committed by an adult, will be in the original jurisdiction of the circuit court; and

(c) When a charge of abuse or neglect of a child first arises in the course of a custody action between the parents of the child already pending in the chancery court and no notice of such abuse or neglect was provided prior to such chancery proceedings, the chancery court may proceed with the investigation, hearing and determination of such abuse or neglect charge as a part of its hearing and determination of the custody issue as between the parents, notwithstanding the other provisions of the Youth Court Law. The proceedings in chancery court on the abuse or neglect charge shall be confidential in the same manner as provided in youth court proceedings.

When a child is expelled from the public schools, the youth court shall be notified of the act of expulsion and the act or acts constituting the basis for expulsion.

(2) Jurisdiction of the child in the cause shall attach at the time of the offense or the allegations of abuse, neglect or exploitation, and shall continue thereafter for that offense or the allegations of abuse, neglect or exploitation until the child's twentieth birthday, unless sooner terminated by order of the youth court. The youth court shall not have jurisdiction over offenses committed by a child on or after his eighteenth birthday, nor have jurisdiction over allegations of abuse, neglect or exploitation committed against a child after the child's eighteenth birthday.

(3) No child who has not reached his thirteenth birthday shall be held criminally responsible or criminally prosecuted for a misdemeanor or felony; however, the parent, guardian or custodian of such child may be civilly liable for any criminal acts of such child. No child under the jurisdiction of the youth court shall be held criminally responsible or criminally prosecuted by any court for any act designated as a delinquent act, unless jurisdiction is transferred to another court under Section 43-21-157.

(4) The youth court shall also have jurisdiction of offenses committed by a child which have been transferred to the youth court by an order of a circuit court of this state having original jurisdiction of the offense, as provided by Section 43-21-159.

(5) The youth court shall regulate and approve the use of teen court as provided in Section 43-21-753.

(6) Nothing in this section shall prevent the circuit court from assuming jurisdiction over a youth who has committed an act of delinquency upon a youth court's ruling that a transfer is appropriate pursuant to Section 43-21-157.

SECTION 9. Section 93-17-3, Mississippi Code of 1972, is amended as follows:

93-17-3. (1) Except as otherwise provided in this section, a court of this state has jurisdiction over a proceeding for the adoption or readoption of a minor commenced under this chapter if:

(a) Immediately before commencement of the proceeding, the minor lived in this state with a parent, a guardian, a prospective adoptive parent or another person acting as parent, for at least six (6) consecutive months, excluding periods of temporary absence, or, in the case of a minor under six (6) months of age, lived in this state from soon after birth with any of those individuals and there is available in this state substantial evidence concerning the minor's present or future care;

(b) Immediately before commencement of the proceeding, the prospective adoptive parent lived in this state for at least six (6) consecutive months, excluding periods of temporary absence, and there is available in this state substantial evidence concerning the minor's present or future care;

(c) The agency that placed the minor for adoption is licensed in this state and it is in the best interest of the minor that a court of this state assume jurisdiction because:

(i) The minor and the minor's parents, or the minor and the prospective adoptive parent, have a significant connection with this state; and

(ii) There is available in this state substantial evidence concerning the minor's present or future care;

(d) The minor and the prospective adoptive parent or parents are physically present in this state and the minor has been abandoned or it is necessary in an emergency to protect the minor because the minor has been subjected to or threatened with mistreatment or abuse or is otherwise neglected, and the prospective adoptive parent or parents, if not residing in Mississippi, have completed and provided the court with a satisfactory Interstate Compact for Placement of Children (ICPC) home study and accompanying forms, unless the court determines that the home study is not necessary in the case of an adoption by a stepparent or a relative or in the case of an adoption in a foster-to-adopt placement;

(e) It appears that no other state would have jurisdiction under prerequisites substantially in accordance with paragraphs (a) through (d), or another state has declined to exercise jurisdiction on the ground that this state is the more appropriate forum to hear a petition for adoption of the minor, and it is in the best interest of the minor that a court of this state assume jurisdiction; or

(f) The child has been adopted in a foreign country, the agency that placed the minor for adoption is licensed in this state, and it is in the best interest of the child to be readopted in a court of this state having jurisdiction.

(2) A court of this state may not exercise jurisdiction over a proceeding for adoption of a minor if, at the time the petition for adoption is filed, a proceeding concerning the custody or adoption of the minor is pending in a court of another state exercising jurisdiction substantially in conformity with the Uniform Child Custody Jurisdiction Act or this section unless the proceeding is stayed by the court of the other state.

(3) If a court of another state has issued a decree or order concerning the custody of a minor who may be the subject of a proceeding for adoption in this state, a court of this state may not exercise jurisdiction over a proceeding for adoption of the minor unless:

(a) The court of this state finds that the court of the state which issued the decree or order:

(i) Does not have continuing jurisdiction to modify the decree or order under jurisdictional prerequisites substantially in accordance with the Uniform Child Custody Jurisdiction Act or has declined to assume jurisdiction to modify the decree or order; or

(ii) Does not have jurisdiction over a proceeding for adoption substantially in conformity with subsection (1)(a) through (d) or has declined to assume jurisdiction over a proceeding for adoption; and

(b) The court of this state has jurisdiction over the proceeding.

(4) Any person may be adopted in accordance with the provisions of this chapter in term time or in vacation by an unmarried adult, by a married person whose spouse joins in the petition, by a married person whose spouse does not join in the petition because such spouse does not cohabit or reside with the petitioning spouse, and in any circumstances determined by the court that the adoption is in the best interest of the child. Only the consenting adult will be a legal parent of the child. The adoption shall be by sworn petition filed in the chancery court of the county in which the adopting petitioner or petitioners reside or in which the child to be adopted resides or was born, or was found when it was abandoned or deserted, or in which the home is located to which the child has been surrendered by a person authorized to so do. The petition shall be accompanied by a doctor's or nurse practitioner's certificate showing the physical and mental condition of the child to be adopted and a sworn statement of all property, if any, owned by the child. In addition, the petition shall be accompanied by affidavits of the petitioner or petitioners stating the amount of the service fees charged by any adoption agencies or adoption facilitators used by the petitioner or petitioners and any other expenses paid by the petitioner or petitioners in the adoption process as of the time of filing the petition. If the doctor's or nurse practitioner's certificate indicates any abnormal mental or physical condition or defect, the condition or defect shall not, in the discretion of the chancellor, bar the adoption of the child if the adopting parent or parents file an affidavit stating full and complete knowledge of the condition or defect and stating a desire to adopt the child, notwithstanding the condition or defect. The court shall have the power to change the name of the child as a part of the adoption proceedings. The word "child" in this section shall be construed to refer to the person to be adopted, though an adult.

(5) No person may be placed in the home of or adopted by the prospective adopting parties before a court-ordered or voluntary home study is satisfactorily completed by a licensed adoption agency, a licensed, experienced social worker approved by the chancery court, a court-appointed guardian ad litem that has knowledge or training in conducting home studies if so directed by the court, or by the Department of Child Protection Services on the prospective adoptive parties if required by Section 93-17-11.

(6) No person may be adopted by a person or persons who reside outside the State of Mississippi unless the provisions of the Interstate Compact for Placement of Children (Section 43-18-1 et seq.) have been complied with. In such cases Forms 100A, 100B (if applicable) and evidence of Interstate Compact for Placement of Children approval shall be added to the permanent adoption record file within one (1) month of the placement, and a minimum of two (2) post-placement reports conducted by a licensed child-placing agency shall be provided to the Mississippi Department of Child Protection Services Interstate Compact for Placement of Children office.

(7) No person may be adopted unless the provisions of the Indian Child Welfare Act (ICWA) have been complied with, if applicable. When applicable, proof of compliance shall be included in the court adoption file prior to finalization of the adoption. If not applicable, a written statement or paragraph in the petition for adoption shall be included in the adoption petition stating that the provisions of ICWA do not apply before finalization.

(8) The readoption of a child who has automatically acquired United States citizenship following an adoption in a foreign country and who possesses a Certificate of Citizenship in accordance with the Child Citizenship Act, CAA, Public Law 106-395, may be given full force and effect in a readoption proceeding conducted by a court of competent jurisdiction in this state by compliance with the Mississippi Registration of Foreign Adoptions Act, Article 9 of this chapter.

(9) For adult adoptees who consent to the adoption, a chancellor may waive any of the petition requirements and procedural requirements within subsections (4), (5), (6) and (7) of this section.

(10) The clerk shall docket cases seeking relief under this chapter as priority cases. The assigned judge shall be immediately notified when a case is filed in order to provide for expedited proceedings.

(h) (i) The parent has been convicted of any of the following offenses against any child:

1. Rape of a child under Section 97-3-65;

(9) After completing the requirements in subsections (6) and (8) of this section, the owner of the manufactured home or mobile home, and the real property to which the manufactured home or mobile home has become affixed with a recorded and retired title, or the person authorized in the affidavit of severance, shall file a certified copy of the duly recorded affidavit of severance with the tax collector of the county where the manufactured home or mobile home is located for the issuance of a new certificate of title to the manufactured home or mobile home, accompanied by:

(10) Upon receipt of the items required in subsection (9) of this section, the tax collector of the county where the manufactured home or mobile home is located shall, for any manufactured home or mobile home for which a certificate of title would be required under Section 63-21-9, submit the completed application to the Department of Revenue for the issuance of a new certificate of title to the legal owner of the real property identified in the affidavit of severance.

(11) Upon receipt of an application containing the items required in subsection (10) of this section, the Department of Revenue shall issue a new certificate of title in the name of the legal owner(s) of the real property to which the manufactured home or mobile home was attached and, if applicable, shall list the lienholders, if any, in the order of their priority as shown in the abstract of title. The new certificate of title shall be delivered to the applicant or authorized representative, if any, at the address shown in the affidavit.

(12) Upon completing the requirements in subsection (10) of this section, the conveyance of and the perfection of a security interest in a manufactured home or mobile home shall be governed by the provisions of Chapter 21, Title 63, Mississippi Code of 1972, or Chapter 9, Title 75, Mississippi Code of 1972, as applicable.

(13) A manufactured home or mobile home shall be deemed real property for all purposes and shall be governed by the laws applicable thereto, upon the occurrence of all of the following events:

(a) An affidavit of affixation conforming to subsection (1) of this section has been duly recorded; and

(b) An application for retirement of the title to a manufactured home or mobile home conforming to subsection (3) of this section has been filed with the Department of Revenue.

When an application for retirement is filed with the Department of Revenue within sixty (60) days of recording the related affidavit of affixation in the official records of the chancery clerk in the county, or in the judicial district in counties having more than one (1) such district, in which the real property is located and the application is thereafter accepted by the department, the requirements of this section shall be deemed satisfied as of the date the affidavit of affixation is recorded.

(14) A manufactured home or mobile home whose title has been retired pursuant to this section shall be conveyed by deed or other real property contract and shall only be transferred or otherwise contracted together with the real property to which it is affixed, unless and until the procedures described in this section for severance or destruction and issuance of a new title are followed. The legal description in any such conveyance instrument may include a recitation that the real property includes a manufactured home or mobile home permanently affixed to the real property but such a recitation is not required.

(15) If the title has been retired under this section, for purposes of perfecting, realizing, and foreclosure of security interests, a separate security interest in the manufactured home or mobile home shall not exist, and the manufactured home or mobile home shall only be secured as part of the real property to which it is attached through a mortgage or deed of trust and such lien shall automatically attach as of the date of recording and must be foreclosed in the same manner as a mortgage on real property.

(16) Upon written request, the Department of Revenue shall provide written acknowledgment of compliance with the provisions of this section. Such written acknowledgment may be filed in the official records of the chancery clerk in the county, or in the judicial district in counties having more than one (1) such district, in which the real property is located.

(17) This section applies to the sale or transfer of manufactured homes or mobile homes occurring on or after January 1, 2019, or to any person who voluntarily elects to retire the title to the manufactured home or mobile home pursuant to this section.

(18) Recordation of the affidavit of affixation pursuant to subsections (1) and (2) of this section shall be prima facie evidence that the manufactured home or mobile home has become affixed to the real property as an improvement to real property and shall satisfy the requirements of 11 USC Section 1322(b)(2), or any successor statute, to the extent the manufactured home or mobile home constitutes the owner's principal residence.

7-11-11. The Secretary of State shall have charge of the swamp and the overflowed lands and indemnity lands in lieu thereof, the internal improvement lands, the

lands forfeited to the state for nonpayment of taxes after the time allowed by law for redemption shall have expired, the Public Trust Tidelands, and of all other public lands belonging to or under the control of the state. The regulation, sale and disposition of all such lands shall be made through the Secretary of State's office.

The Secretary of State shall sign all conveyances and leases of any and all state-owned lands and shall record same in a book kept in his office for such purposes.

SECTION 2. Section 29-1-107, Mississippi Code of 1972, is amended as follows:

29-1-107. (1) The Secretary of State, with the approval of the Governor, shall, as far as practicable, rent or lease all lands belonging to the state, except as otherwise provided by * * * this section, for a period of not exceeding one (1) year, and account for the rents therefrom in the same manner as money received from the sale of state lands, provided that no state land shall be rented or leased to individuals, corporations, partnerships, or association of persons for hunting or fishing purposes. Property belonging to the state in municipalities, even though it may have been subdivided into lots, blocks, divisions, or otherwise escheated or was sold to the state by such description, may likewise be leased or rented by the Secretary of State under the terms provided above for other state lands, and the rents accounted for in the same manner. The state shall have all the liens, rights and remedies accorded to landlords in Sections 89-7-1 through 89-7-125; said leases and rental contracts shall automatically terminate on the date provided in said leases or contracts. A person possessing a gaming license under the Mississippi Gaming Control Act or who wishes to apply for a gaming license under the Mississippi Gaming Control Act and who further uses or wishes to use Public Trust Tidelands as part of its proposed gaming project shall be required to obtain a tidelands lease from the Secretary of State notwithstanding any statute, law or other provision providing other authority to municipalities and counties or any other political subdivision to use the Public Trust Tidelands and such lease may be conditioned upon the gaming licensee or license applicant obtaining such other necessary and required approvals.

(2) (a) The Secretary of State, with the approval of the Governor, may rent or lease surface lands, tidelands or submerged lands owned or controlled by the State of Mississippi lying in or adjacent to the Mississippi Sound or Gulf of Mexico or streams emptying therein, for a period not exceeding forty (40) years for rental payable to the state annually. However, the term of any lease of State Public Trust Tidelands to a person possessing a license under the Mississippi Gaming Control Act shall be governed by the provisions of subsection (4) of this section.

(b) The lessee under such agreement may construct such necessary items for marking channels, docking, wharfing, mooring or fleeting vessels which shall be in aid of navigation and not obstructions thereto.

(c) A lessee of record may be given the option to renew for an additional period not to exceed twenty-five (25) years; however, the term of a renewal for a lease of State Public Trust Tidelands to a person possessing a gaming license under the Mississippi Gaming Control Act shall be governed by the provisions of subsection (4) of this section. The holder of a lease of Public Trust Tidelands, at the expiration thereof, shall have a prior right, exclusive of all other persons, to re-lease as may be agreed upon between the holder of the lease and the Secretary of State.

(d) Leases shall provide for review and rent adjustments at each fifth anniversary tied either to the All Urban Consumer Price Index-All Items (CPI) or to an appraisal which deducts the value of any improvements by the lessee which substantially enhance the value of the land. In the case where the initial rental was based on the value set by the ad valorem tax rolls, then the rent review and adjustment clause shall be likewise based on the value set by such tax rolls. In the event that the lessor and lessee cannot agree on a rental amount, the lease may be cancelled at the option of the lessor. The lessee shall, within thirty (30) days after execution of a sublease or assignment, file

a copy thereof, including the total consideration therefor, with the Secretary of State. This paragraph shall not apply to a lease of State Public Trust Tidelands or submerged lands to a person possessing a gaming license under the Mississippi Gaming Control Act who operates a gaming establishment on such tidelands or submerged lands or to a person who has or will apply for a gaming license under the Mississippi Gaming Control Act and to use Public Trust Tidelands or submerged lands as part of its proposed gaming project.

(e) The Secretary of State shall not grant a lease for gaming purposes whether directly or indirectly on Public Trust Tidelands on which the sand beach was constructed or which are adjacent to the sand beach, as defined in Section 29-15-1.

(3) Provided, however, the current occupants of Public Trust Tidelands that were developed after the determinable mean high-water line nearest the effective date of the Coastal Wetlands Protection Law shall pay an annual rental based on the fair market value as determined by the assessed valuation of the property. The holder of a lease of Public Trust Tidelands, at the expiration thereof, shall have a prior right, exclusive of all other persons, to re-lease as may be agreed upon between the holder of the lease and the Secretary of State.

(4) (a) This section shall apply to any person possessing a license under the Mississippi Gaming Control Act or who wishes to apply for a gaming license under the Mississippi Gaming Control Act and who operates or proposes to operate a gaming establishment in any of the three (3) most southern counties of the state. Any gaming licensee or proposed gaming licensee shall be required to obtain a lease from the Secretary of State to use any State Public Trust Tidelands notwithstanding any statute, law or other provision providing other authority to municipalities and counties or any other political subdivision to use the Public Trust Tidelands. To locate onshore and qualify to pay the in-lieu tidelands assessment, a gaming operation must have or show that it would have been qualified in all respects to obtain prior to August 29, 2005, a lease of Public Trust Tidelands from the State of Mississippi through the Secretary of State for a gaming operation.

(b) The following shall apply to all leases of State Public Trust Tidelands executed by such a licensee:

(i) Every lease executed after August 29, 2005, shall be for a period of thirty (30) years for rental payable to the state annually.

(ii) By operation of this section, any lease executed before August 29, 2005, may, at the option of the lessee, either remain at the term stated in the original execution of the lease or be converted to a thirty-year term lease, beginning on such date after August 29, 2005, that the lessee either resumes or begins permanent gaming activities as approved by the Mississippi Gaming Commission, and the lessee shall be required to comply with all other provisions of the lease. Should the lessee choose to operate in a structure that is not on State Public Trust Tidelands and that is on property contiguous to State Public Trust Tidelands leased by the State of Mississippi to the lessee, the lessee shall be required to comply with all other provisions of the lease with the State of Mississippi and shall be exempt from the assessment provided for in paragraph (c) of this subsection. Easements for and rights-of-way for public streets and highways shall not be construed to interrupt the contiguous nature of a parcel of property. In the event that a lessee does not elect either to remain bound by the original term of the lease with the State of Mississippi or to convert the lease to a thirty-year term, the Secretary of State may lease the State Public Trust Tidelands that are the subject of the lease to any other person or entity.

(iii) Leases shall provide for review and rent adjustments at each annual anniversary tied to the All Urban Consumer Price Index-All Items (CPI). In the case of the renewal of a lease after the expiration of the original thirty-year term under this subsection, each renewal shall be for a term of thirty (30) years. The base rate to

which the CPI shall apply for purposes of executing the subsequent lease shall be negotiated by the lessee with the Secretary of State.

(c) (i) Except as otherwise provided in this paragraph, any person possessing a license under the Mississippi Gaming Control Act who does not lease for a gaming site Public Trust Tidelands from the State * * * of Mississippi by and through the Secretary of State or a state port, and who operates a gaming establishment in any of the three (3) most southern counties of the state, shall pay an annual in-lieu tidelands assessment to the Public Trust Tidelands Assessments Fund (hereinafter referred to as "fund") created in Section 29-15-10, in the amount and manner provided for in this paragraph.

For calendar year 2006, the annual in-lieu tidelands assessment paid by the licensee to the fund shall be:

2. Four Hundred Fifty Thousand Dollars ($450,000.00), if the capital investment in the part of the structure in which licensed gaming activities are conducted is equal to or more than Fifty Million Dollars ($50,000,000.00) but less than Sixty Million Dollars ($60,000,000.00).

3. Five Hundred Thousand Dollars ($500,000.00), if the capital investment in the part of the structure in which licensed gaming activities are conducted is equal to or more than Sixty Million Dollars ($60,000,000.00) but less than Seventy-five Million Dollars ($75,000,000.00).

4. Six Hundred Thousand Dollars ($600,000.00), if the capital investment in the part of the structure in which licensed gaming activities are conducted is equal to or more than Seventy-five Million Dollars ($75,000,000.00) but less than One Hundred Million Dollars ($100,000,000.00).

5. Seven Hundred Thousand Dollars ($700,000.00), if the capital investment in the part of the structure in which licensed gaming activities are conducted is equal to or more than One Hundred Million Dollars ($100,000,000.00) but less than One Hundred Twenty-five Million Dollars ($125,000,000.00).

6. Seven Hundred Fifty Thousand Dollars ($750,000.00), if the capital investment in the part of the structure in which licensed gaming activities are conducted is equal to or more than One Hundred Twenty-five Million Dollars ($125,000,000.00).

For each calendar year thereafter, the Secretary of State shall review and adjust the value of the capital investment and the annual in-lieu tidelands assessment due. Such review and adjustment shall be tied to the CPI.

(ii) This paragraph shall not apply to a gaming licensee if the licensee conducts gaming in a structure that is located on property that is leased from the Mississippi State Port at Gulfport or any political subdivision of the state, or to a licensee who conducts gaming in a structure that is located on property that is leased to the licensee jointly by the State of Mississippi and the City of Biloxi; however, with regard to property owned by a political subdivision of the state, this exception shall only apply to property owned by the political subdivision on August 29, 2005, if legal gaming could have been conducted on such property on that date.

(iii) This paragraph shall not apply to a gaming licensee if the licensee conducts gaming in a structure that is located on property that is not leased from the State

of Mississippi, and/or a political subdivision of the State of Mississippi and is not on State Public Trust Tidelands, and if a gaming licensee conducted gaming on that property before August 29, 2005, and shall not apply to a gaming licensee if the licensee or a former licensee conducted gaming on * * * contiguous property through a lease with the State Port at Gulfport before August 29, 2005.

SECTION 12. Section 75-76-67, Mississippi Code of 1972, is amended as follows:

75-76-67. (1) Any person who the commission determines is qualified to receive a license or be found suitable under the provisions of this chapter, having due consideration for the proper protection of the health, safety, morals, good order and general welfare of the inhabitants of the State of Mississippi and the declared policy of this state, may be issued a state gaming license or found suitable. (c) In all other respects qualified to be licensed or found suitable consistent with the declared laws of the state.

(3) No person shall be granted a license or found suitable under the provisions of this chapter who has been convicted of a felony in any court of this state, another state, or the United States; and no person shall be granted a license or found suitable hereunder who has been convicted of a crime in any court of another state or the United States which, if committed in this state, would be a felony; and no person shall be granted a license or found suitable under the provisions of this chapter who has been convicted of a misdemeanor in any court of this state or of another state, when such conviction was for gambling, sale of alcoholic beverages to minors, prostitution, or procuring or inducing individuals to engage in prostitution.

(4) A license to operate a gaming establishment shall not be granted unless the applicant has satisfied the commission that:

(a) He has adequate business probity, competence and experience, in gaming or generally; * * *

(b) The proposed financing of the entire operation is:

No site approval issued by the commission prior to December 31, 2023, with an expiration date or term shall be extended beyond such term. The proposed licensee must republish and reapply for site approval upon the expiration of any such approval. (vi) An amenity unique to the licensee's market in order to encourage economic development and promote tourism; and

(5) An application to receive a license or be found suitable constitutes a request for a determination of the applicant's general character, integrity and ability to participate or engage in, or be associated with gaming. Any written or oral statement made in the course of an official proceeding of the commission or the executive director or any witness testifying under oath which is relevant to the purpose of the proceeding is absolutely privileged and does not impose liability for defamation or constitute a ground for recovery in any civil action.

(6) The commission may, in its discretion, grant a license to a corporation which has complied with the provisions of this chapter.

(9) The commission may, by regulation, limit the number of persons who may be financially interested and the nature of their interest in any corporation or other organization or association licensed under this chapter, and may establish such other qualifications of licenses as the commission, in its discretion, deems to be in the public interest and consistent with the declared policy of the state.

Each shipment shall constitute a separate offense.

(13) If any provision of this article, or its application to any person or circumstance, is determined by a court to be invalid or unconstitutional, the remaining provisions shall be construed in accordance with the intent of the Legislature to further limit rather than expand commerce in alcoholic beverages to protect the health, safety, and welfare of the state's residents, and to enhance strict regulatory control over taxation, distribution and sale of alcoholic beverages through the three-tier regulatory system imposed by this article upon all alcoholic beverages to curb relationships and practices calculated to stimulate sales and impair the state's policy favoring trade stability and the promotion of temperance.

Failure to file such statement shall constitute grounds for the * * * corporation to suspend the right of the distiller or distributor to sell to said * * * corporation until such time as said statement shall be filed.

SECTION 31. Section 67-1-51, Mississippi Code of 1972, is amended as follows:

All the disclosures shall be in writing and kept on file at the * * * department's office and shall be available to the public.

Every applicant must, when applying for a renewal of his permit, disclose any change in the ownership of the business or any change in the beneficiaries of the income from the business.

Any person who willfully fails to fully disclose the information required by this section, or who gives false information, shall be guilty of a misdemeanor and, upon conviction thereof, shall be fined a sum not to exceed Five Hundred Dollars ($500.00) or imprisoned for not more than one (1) year, or both, and the person or applicant shall never again be eligible for any permit pertaining to alcoholic beverages.

SECTION 35. Section 67-1-57, Mississippi Code of 1972, is amended as follows:

67-1-57. Before a permit is issued the department shall satisfy itself:

(a) That the applicant, if an individual, or if a partnership, each of the members of the partnership, or if a corporation, each of its principal officers and directors, or if a limited liability company, each member of the limited liability company, is of good moral character and, in addition, enjoys a reputation of being a peaceable, law-abiding citizen of the community in which he resides, and is generally fit for the trust to be reposed in him, is not less than twenty-one (21) years of age, and has not been convicted of a felony in any state or federal court.

(b) That, except in the case of an application for a solicitor's permit, the applicant is the true and actual owner of the business for which the permit is desired, and that he intends to carry on the business authorized for himself and not as the agent of any other person, and that he intends to superintend in person the management of the business or that he will designate a manager to manage the business for him. All managers must be approved by the department prior to completing any managerial tasks on behalf of the permittee and must possess all of the qualifications required of a permittee; however, a felony conviction, other than a crime of violence, does not automatically disqualify a person from being approved as a manager if the person was released from incarceration at least three (3) years prior to application for approval as a

manager. A felony conviction, other than a crime of violence, may be considered by the department in determining whether all other qualifications are met.

(c) That the applicant for a package retailer's permit, if an individual, is a resident of the State of Mississippi. If the applicant is a partnership, each member of the partnership must be a resident of the state. If the applicant is a limited liability company, each member of the limited liability company must be a resident of the state. If the applicant is a corporation, the designated manager of the corporation must be a resident of the state.

(d) That the place for which the permit is to be issued is an appropriate one considering the character of the premises and the surrounding neighborhood.

(e) That the place for which the permit is to be issued is within the corporate limits of an incorporated municipality or qualified resort area or club which comes within the provisions of this article.

(f) That the applicant is not indebted to the state for any taxes, fees or payment of penalties imposed by any law of the State of Mississippi or by any rule or regulation of the * * * department.

(g) That the applicant is not in the habit of using alcoholic beverages to excess and is not physically or mentally incapacitated, and that the applicant has the ability to read and write the English language.

(h) That the * * * department does not believe and has no reason to believe that the applicant will sell or knowingly permit any agent, servant or employee to unlawfully sell liquor in a dry area or in any other manner contrary to law.

(i) That the applicant is not residentially domiciled with any person whose permit or license has been cancelled for cause within the twelve (12) months next preceding the date of the present application for a permit.

(j) That the * * * department has not, in the exercise of its discretion which is reserved and preserved to it, refused to grant permits under the restrictions of this section, as well as under any other pertinent provision of this article.

(k) That there are not sufficient legal reasons to deny a permit on the ground that the premises for which the permit is sought has previously been operated, used or frequented for any purpose or in any manner that is lewd, immoral or offensive to public decency. In the granting or withholding of any permit to sell alcoholic beverages at retail, the * * * department in forming its conclusions may give consideration to any recommendations made in writing by the district or county attorney or county, circuit or chancery judge of the county, or the sheriff of the county, or the mayor or chief of police of an incorporated city or town wherein the applicant proposes to conduct his business and to any recommendations made by representatives of the * * * department.

(l) That the applicant and the applicant's key employees, as determined by the * * * department, do not have a disqualifying criminal record. In order to obtain a criminal record history check, the applicant shall submit to the * * * department a set of fingerprints from any local law enforcement agency for each person for whom the records check is required. The * * * department shall forward the fingerprints to the * * * Department of Public Safety. If no disqualifying record is identified at the state level, the Department of Public Safety shall forward the fingerprints to the Federal Bureau of

Investigation for a national criminal history record check. Costs for processing the set or sets of fingerprints shall be borne by the applicant. The * * * department shall not deny employment to an employee of the applicant prior to the identification of a disqualifying record or other disqualifying information.

SECTION 36. Section 67-1-61, Mississippi Code of 1972, is amended as follows:

67-1-61. All permits issued by the * * * department shall expire twelve months from date of issuance, and no permit shall be issued for a period longer than one year. Each permit shall state a class to which it belongs, the name of the permittee, the address of the premises for which granted, and the date of its expiration. All permits issued shall at all times be prominently displayed on the premises for which issued.

SECTION 37. Section 67-1-63, Mississippi Code of 1972, is amended as follows:

67-1-63. (1) Any permittee may renew his permit at the expiration thereof for an additional term of one (1) year, provided he is then qualified to receive a permit and the premises for which the renewal is sought are suitable for such purposes. The renewal privilege herein provided for shall not be construed as a vested right. No "on-premises" retailer's permit shall be renewed at the expiration thereof for any "hotel" or "restaurant" under this article unless the * * * department is satisfied that the holder thereof is continuing to meet the requirements of a hotel or restaurant, as defined in Section 67-1-5.

(2) When an application for the renewal of a permit has been denied by the department for a reason other than for being incomplete, for failure to pay any applicable license privilege taxes or fees required for renewal or for failure to post a bond, cash or securities as required by Section 27-71-21, the permittee shall be allowed to continue to operate under the permit for which renewal was denied until the last of the following dates:

(a) The date on which the permit expires;

(b) The date on which the time period for filing an appeal of the denial of the renewal to the Board of Tax Appeals expires;

(c) If the denial is timely appealed to the Board of Tax Appeals and this appeal is later withdrawn, the date on which the withdrawal of appeal occurs; or

(d) If the denial is timely appealed to the Board of Tax Appeals and an order is entered by the Board of Tax Appeals affirming the denial of the renewal, the date on which the permittee receives notice of the decision of the Board of Tax Appeals affirming the denial. Refusal to accept delivery of such notice or the posting of the final decision of the Board of Tax Appeals at the permitted place of business shall constitute receipt of notice by the permittee of this decision.

(3) If the denial of an application for renewal of a permit is appealed to the Board of Tax Appeals and the board reverses the denial of the application for renewal, the department shall renew and issue the permit from its last expiration date.

(4) The issuance and/or renewal of a permit based on the decision of the Board of Tax Appeals shall not bar or estop the department from appealing this decision of the Board of Tax Appeals to chancery court under Section 67-1-39. Any subsequent renewal of this permit while an appeal by the department from the decision of the Board of Tax Appeals is pending shall be subject to the final decision of the court on this appeal. If in such an appeal by the department, a court enters a final decision and/or order reversing

the decision of the board and affirming the denial of the application for a permit or the application for renewal of a permit, the permit, even if subsequently renewed, shall be deemed denied and not authorize the permittee to sell alcoholic beverages under that permit after the date on which the decision and/or order of the court affirming the denial of the permit becomes final and not subject to any further appeal.

SECTION 38. Section 67-1-65, Mississippi Code of 1972, is amended as follows:

67-1-65. In any county having heretofore voted, or which hereafter votes, to come out from under the prohibition law, in which there is not located an incorporated municipality within such county, the * * * department may issue package retailer's permits in such county.

The * * * department shall not approve the transfer of the permit of any person against whom there is pending in the courts or before the * * * department any charge of keeping a disorderly house, or of violating this article or the laws against gambling in this state or against whom there is pending any proceedings for the revocation, suspension or cancellation of the permit.

SECTION 40. Section 67-1-69, Mississippi Code of 1972, is amended as follows:

67-1-69. No person holding any permit issued under the provisions of this article shall engage in any business or activity authorized by such permit unless such person shall qualify so to do by complying with all statutes of the United States of America, and all regulations issued pursuant thereto, which are applicable or shall pertain to such business or activity, and shall continue to be so qualified at all times while engaging in such business or activity. As a prerequisite to the issuance of any permit under this article, the applicant shall first obtain the required federal occupational stamp for the type of business for which the permit has been approved by the * * * department.

SECTION 41. Section 67-1-72, Mississippi Code of 1972, is amended as follows:

(2) Any applicant for approval as a manager of an establishment operating under a permit issued under this article or who holds the designation of an approved manager of an establishment operating under a permit issued under this article and who is aggrieved by an action of the department * * * to deny his application for approval as a manager or to revoke or suspend his designation as an approved manager shall be allowed to appeal to the Board of Tax Appeals from this action. This appeal is to be filed by the aggrieved person with the Executive Director of the Board of Tax Appeals, with a copy being sent to the department * * *, within fifteen (15) days from the date that person received notice of the action of the department being aggrieved. (3) Any applicant for approval of an area or locality as a qualified resort area under this article who is aggrieved by the decision of the department * * * to deny the qualified resort area as requested and any county or municipality wherein the proposed qualified resort area is located may appeal to the Board of Tax Appeals from such decision. This appeal is to be filed by the aggrieved applicant or by the affected county or municipality with the Executive Director of the Board of Tax Appeals, with a copy being sent to the department * * *, within fifteen (15) days from the date that the person or entity filing the appeal received notice of the decision of the department * * * to deny the qualified resort area. If an appeal is not filed within this fifteen-day period, the decision of the department * * * shall become final. The department * * * retains the authority to change at any time the decision aggrieved to in an appeal under this subsection. The inability of the department * * * to consider an application for the approval of an area or locality as a qualified resort area due to an incomplete application shall not constitute a denial of that application for purposes of this subsection.

(4) Any person, including any county or municipality in which the qualified resort area is located, who is aggrieved by the decision of the department * * * to revoke the approval of an area or locality as a qualified resort area may appeal to the Board of Tax Appeals from such decision. This appeal is to be filed by the aggrieved person with the Executive Director of the Board of Tax Appeals, with a copy being sent to the department * * *, within fifteen (15) days from the date that the person or entity filing the appeal received notice of the decision of the department to revoke approval of the qualified resort area. SECTION 50. Section 67-1-203, Mississippi Code of 1972, is amended as follows:

67-1-203. (1) The Department of Finance and Administration, using the monies available in the ABC Warehouse Construction Fund created in Section 67-1-211(1) and such other monies as the Legislature may make available, shall purchase land for and shall provide for the design and construction of a warehouse for the * * * corporation in the most expedient and cost-effective manner practicable as determined by the Executive Director of the Department of Finance and Administration.

(2) The Department of Finance and Administration shall select a suitable site for the warehouse within fifty (50) miles of the new state capitol building. In selecting a site, the Department of Finance and Administration shall consider the feasibility of selecting state-owned land by comparing the cost of preparing the state-owned land for construction to the cost of acquiring other land and preparing such other land for construction.

(3) The contract for design and construction shall provide that the operator shall be consulted so that the warehouse may, so far as possible, suit the preferences of the operator in furtherance of effective operations. The contract shall also provide that the design shall aim to fill demand for the next twenty-five (25) years.

(4) A contract for warehouse construction shall not be entered into unless the construction contractor has demonstrated:

(a) The qualifications, experience and management personnel necessary to carry out the terms of the contract;

(c) Shipping costs, where the contract encompasses shipping, shall be based on a set dollar amount per case of alcoholic beverages shipped from the warehouse to the permittee's premises;

(e) The * * * corporation shall develop quality and efficiency criteria for determining whether to renew a contract for warehouse and distribution operations;

(f) The obligation of the * * * corporation to proceed under the contract is conditioned upon the appropriation of funds by the Legislature and the receipt of state or federal funds. If the funds anticipated for the continuing time fulfillment of the agreement are, at any time, not forthcoming or insufficient, either through the failure of the federal government to provide funds or of the State of Mississippi to appropriate funds, or the discontinuance or material alteration of the program under which funds were provided, or if funds are not otherwise available to the * * * corporation, the * * * corporation shall have the right, upon ten (10) working days' written notice to the operator, to terminate this agreement without damage, penalty, cost or other expenses to the * * * corporation of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination;

(g) The state and the operator as parties to the contract and all terms of the contract shall be subject to and governed by the laws of the state at the time the contract is entered into, and any later amendments to such laws, through the duration of the contract; and

(h) The operator shall be required to comply with any duties, responsibilities, conditions or other provisions required by state law during the duration of the contract, regardless of whether such duties, responsibilities, conditions or other provisions were required by state law at the time the contract was entered into.

(4) The initial contract for operations shall terminate on the earlier of: (a) four (4) years from the date it commences; or (b) the last day of the use of the warehouse that is in service on July 1, 2022. The contract may be renewed for four (4) years, with another option to renew at the end of that four-year term. The * * * corporation shall issue requests for proposals before entering any subsequent contract. Requests for proposals shall be required whenever a contract is not renewed, but no less frequently than every twelve (12) years.

(5) The contract shall provide that all employees needed for operations shall be employees of the operator.

The liability insurance shall be issued by an insurance company with a rating of at least an A- according to AM Best standards. In determining the adequacy of such insurance, the Department of Finance and Administration shall determine whether:

(i) The insurance is adequate to protect the state from any and all actions by a third party against the operator or the state as a result of the contract;

(ii) The insurance is adequate to protect the state against any and all claims arising as a result of any occurrence during the term of the contract;

(iii) The insurance is adequate to assure the operator's ability to fulfill its contract with the state in all respects, and to assure that the operator is not limited in this ability because of financial liability which results from judgments; and

(iv) The insurance is adequate to satisfy such other requirements specified by the independent risk management/actuarial firm.

(b) The sovereign immunity of the state shall not apply to the operator. Neither the operator nor the operator's insurer may plead the defense of sovereign immunity in any action arising out of the performance of the contract.

(c) The operator shall post a performance bond to assure the operator's faithful performance of the specifications and conditions of the contract. The bond is required throughout the term of the contract. The terms and conditions must be approved by the * * * corporation and the Department of Finance and Administration, and such approval is a condition precedent to the contract taking effect.

(d) The operator shall defend any suit or claim brought against the state arising out of any act or omission in operations, and shall hold the state harmless from such claim or suit. The operator shall be solely responsible for the payment of any legal or other costs relative to any such claim or suit. The operator shall reimburse the state for any costs that it may incur as a result of such claim or suit immediately upon being submitted a statement therefor by the Attorney General.

Any suit brought or claim made arising out of any act or omission in operations shall be made or brought against the operator and not the state.

The Attorney General retains all rights and emoluments of his or her office which include direction and control over any litigation or claim involving the state.

The revenue derived from these fees shall be deposited by the department into a special fund, hereby created in the State Treasury, which is designated the "ABC Shipping Fund." The monies in this special fund shall be earmarked for use by the * * * corporation for any expenditure made to ship alcoholic beverages. Any net proceeds remaining in the special fund on August 1 of any fiscal year shall lapse into the State General Fund. SECTION 78. Section 67-1-7, Mississippi Code of 1972, is brought forward as follows:

67-1-7. (1) Except as otherwise provided in Section 67-9-1 for the transportation and possession of limited amounts of alcoholic beverages for the use of an alcohol processing permittee, and subject to all of the provisions and restrictions contained in this article, the manufacture, sale, distribution, and transportation of alcoholic beverages shall be lawful, subject to the restrictions hereinafter imposed, in those counties and municipalities of this state in which, at a local option election called and held for that purpose under the provisions of this article, a majority of the qualified electors voting in such election shall vote in favor thereof.

Beginning on April 16, 2021, except as otherwise provided in Section 67-1-51 for holders of a caterer's permit, the manufacture, sale and distribution of alcoholic beverages shall not be permissible or lawful in counties except in (a) incorporated municipalities located within such counties, (b) qualified resort areas within such counties approved as such by the department, or (c) clubs within such counties, whether within a municipality or not. However, any permits issued by the department between July 1, 2020, and April 15, 2021, for the manufacture, sale and distribution of alcoholic beverages, whether or not issued to permittees in such municipalities, qualified resort areas or clubs, shall be eligible for renewal on or after April 16, 2021.

The manufacture, sale, distribution and possession of native wines or native spirits shall be lawful in any location within any such county except those locations where the manufacture, sale or distribution is prohibited by law other than this section or by regulations of the department.

(2) Notwithstanding the foregoing, within any state park or any state park facility that has been declared a qualified resort area by the department, and within any qualified resort area as defined under Section 67-1-5(o)(iii), an on-premises retailer's permit may be issued for the qualified resort area, and the permittee may lawfully sell alcoholic beverages for consumption on his licensed premises regardless of whether or not the county or municipality in which the qualified resort area is located has voted in favor of coming out from under the dry law, and it shall be lawful to receive, store, sell, possess and consume alcoholic beverages on the licensed premises, and to sell, distribute and transport alcoholic beverages to the licensed premises. Moreover, the governing authorities of a municipality in which a qualified resort area defined under Section 67-1-5(o)(iii)5, 7, 21 or 46 is located, the Pearl River Valley Water Supply District Board which governs the qualified resort area defined under Section 67-1-5(o)(iii)8.a.A, the board of supervisors of the county in which the qualified resort area defined under Section 67-1-5(o)(iii)8.a.B and C is located, and the board of supervisors of the county in which the qualified resort area defined under Section 67-1-5(o)(iii)44 is located, may, by ordinance or resolution, provide that package retailer's permits may be issued in the

applicable qualified resort area, and that it shall be lawful to receive, store, sell, possess and distribute alcoholic beverages in accordance with such package retailer's permits.

SECTION 79. Section 67-1-39, Mississippi Code of 1972, is brought forward as follows:

67-1-39. Any appeal from an order of the Board of Tax Appeals regarding an action taken under this article shall be filed without supersedeas to the Chancery Court of the First Judicial District of Hinds County, Mississippi, if the appellant is the department, or to the county of the domicile of any other appellant. Any such appeal shall be based on the record made before the Board of Tax Appeals and shall be filed within thirty (30) days from the date of the order being appealed. There may be an appeal therefrom to the Supreme Court as in other cases provided, but it shall be without supersedeas on the order of the Board of Tax Appeals to them made and finally determined either by the chancery court or the Supreme Court. Actions taken by the department in suspending a permit when required by Section 93-11-157 or 93-11-163 are not actions resulting in an order from which an appeal may be taken under this section. Any appeal of a permit suspension that is required by Section 93-11-157 shall be taken in accordance with the appeal procedure specified in Section 93-11-157 or 93-11-163, as the case may be, rather than the procedure specified in this section.

SECTION 80. Section 67-1-51.1, Mississippi Code of 1972, is brought forward as follows:

67-1-51.1. (1) The holder of a delivery service permit under Section 67-1-51:

(a) May contract with the holder of a package retailer's permit or an on-premises retailer's permit under Section 67-1-51 or the holder of a beer, light wine and light spirit product retail permit under Section 67-3-19 for the purpose of intrastate delivery of alcoholic beverages or beer, light wine and light spirit product, as authorized to be sold under the respective permits;

(b) May deliver alcoholic beverages or beer, light wine and light spirit product without a delivery contract, if the permittee holds a package retailer's permit or an on-premises retailer's permit under Section 67-1-51 or a beer, light wine and light spirit product retail permit under Section 67-3-19, respectively;

(c) May use its own employees or independent contractors who are at least twenty-one (21) years of age to deliver such alcoholic beverages, beer, light wine or light spirit product under this section, provided all delivery agents are trained and certified consistent with the training program submitted to the division as required by subsection (2)(d) of this section. If independent contractors are used, the delivery service permittee must enter into a contract with the retailer as required by subsection (2)(c) of this section;

(d) May facilitate orders by telephone, Internet or other electronic means for the sale and delivery of alcoholic beverages, beer, light wine or light spirit product under this section. The full amount of each order must be handled in a manner that gives the retail permittee control over the ultimate receipt of payment from the consumer. The retail permittee shall remain responsible for the proper remittance of all applicable taxes on the sale of the product;

(e) May deliver only sealed containers of alcoholic beverages, beer, light wine or light spirit product to an individual in Mississippi;

(f) Shall obtain from the customer a confirmation that he or she is at least twenty-one (21) years of age at the time the order is placed;

(g) Shall place a stamp, print or label on the outside of the sealed package to indicate that the sealed package contains alcoholic beverages, beer, light wine or light spirit product;

(h) Shall require the recipient, at the time of delivery, to provide valid photo identification verifying he or she is at least twenty-one (21) years of age and to sign for the delivery;

(i) Shall possess identification scanning software technology or a state-of-the-art alternative at the point of delivery to verify the recipient is at least twenty-one (21) years of age and to collect the recipient's name and date of birth. Records relating to this verification shall be maintained for at least ninety (90) days and shall be subject to review by the division;

(j) Shall return all alcoholic beverages, beer, light wine or light spirit product to the retailer if the recipient is under the age of twenty-one (21) years, appears intoxicated, fails to provide proof of identification, fails or refuses to sign for delivery, fails to complete the identification verification process or declines to accept delivery, or if any circumstances in the delivery environment indicate illegal conduct, overconsumption of alcohol, or an otherwise unsafe environment for the consumption of alcohol;

(k) May not deliver any alcoholic beverage, beer, light wine or light spirit product to any person located within a jurisdiction that is dry for that product, as provided by the division's wet-dry map;

(l) May not deliver any alcoholic beverage, beer, light wine or light spirit product in a jurisdiction during times prohibited for lawful sale in that jurisdiction;

(m) May not deliver any alcoholic beverage, beer, light wine or light spirit product more than thirty (30) miles from the retailer's licensed premises;

(n) Shall permit the division to perform an audit of the licensee's records upon request and with sufficient notification; and

(o) Shall be deemed to have consented to the jurisdiction of the division or any law enforcement agency and the Mississippi courts concerning enforcement of this section and any related laws or rules.

(2) In order to receive a delivery service permit, an applicant shall:

(a) File an application with the division;

(b) Pay the privilege license tax of Five Hundred Dollars ($500.00) as provided in Section 27-71-5;

(c) Provide to the division a sample contract that the applicant intends to enter into with a retailer for the delivery of alcoholic beverages, beer, light wine or light spirit product, unless the applicant is the retailer;

(d) Submit to the division an outline of an internal or external training and certification program for delivery service personnel that addresses topics such as identifying underage persons, intoxicated persons, and fake or altered identification;

(e) Provide an attestation that the applicant is at least twenty-one (21) years of age and has not been convicted of a felony in any state or federal courts;

(f) Shall provide proof of a general liability insurance policy in an amount not less than One Million Dollars ($1,000,000.00) per occurrence; and

(g) Shall be properly registered to conduct business in Mississippi.

(3) Nothing in this section shall be construed to require a technology services company to obtain a delivery service permit if the company does not employ or contract with delivery agents but merely provides software or a digital network application that connects consumers and licensed retailers for the delivery of alcoholic beverages from the licensed retailer. However, the act of connecting consumers to licensed retailers shall serve to grant jurisdiction to the State of Mississippi.

(4) The division may enforce the requirements of this section by the same administrative proceedings that apply to other alcoholic beverage licenses or permits, including, without limitation, any disciplinary action applicable to the package retailer's permittee, on-premises retailer's permittee, retail permittee for beer, light wine or light spirit product, or delivery service permittee resulting from any unlawful sale to a minor.

(5) The division may enforce the requirements of this section against the package retailer's permittee, on-premises retailer's permittee, retail permittee for beer, light wine or light spirit product, or delivery service permittee, and any employee or independent contractor of such permittee. If a package retailer permittee, an on-premises retailer's permittee, or a retail permittee for beer, light wine or light spirit product is also a delivery permittee, a violation of alcohol law by its employee or independent contractor during delivery will subject both the retailer permit and the delivery service permit to disciplinary action for the violation. Delivery to a minor shall be treated as furnishing to a minor and shall result in any applicable disciplinary action.

(6) Nothing in this section shall be construed to limit or otherwise diminish the ability of the division to enforce the provisions of Chapters 1 and 3, Title 67, Mississippi Code of 1972, with respect to the liability of any package retailer's permittee, on-premises retailer's permittee, retail permittee for beer, light wine or light spirit product, or delivery service permittee engaging in delivery activity authorized by this section.

(7) Nothing in this section shall be construed to authorize the direct shipment of alcoholic beverages, light wine, beer or light spirit product from any manufacturer or distributor holding a permit under this article, or under Title 67, Chapter 3, Mississippi Code of 1972, to consumers in this state.

SECTION 81. Section 67-1-71, Mississippi Code of 1972, is brought forward as follows:

67-1-71. The department may revoke or suspend any permit issued by it for a violation by the permittee of any of the provisions of this article or of the regulations promulgated under it by the department.

Permits must be revoked or suspended for the following causes:

(a) Conviction of the permittee for the violation of any of the provisions of this article;

(b) Willful failure or refusal by any permittee to comply with any of the provisions of this article or of any rule or regulation adopted pursuant thereto;

(c) The making of any materially false statement in any application for a permit;

(d) Conviction of one or more of the clerks, agents or employees of the permittee, of any violation of this article upon the premises covered by such permit within a period of time as designated by the rules or regulations of the department;

(e) The possession on the premises of any retail permittee of any alcoholic beverages upon which the tax has not been paid;

(f) The willful failure of any permittee to keep the records or make the reports required by this article, or to allow an inspection of such records by any duly authorized person;

(g) The suspension or revocation of a permit issued to the permittee by the federal government, or conviction of violating any federal law relating to alcoholic beverages;

(h) The failure to furnish any bond required by Section 27-71-21 within fifteen (15) days after notice from the department; and

(i) The conducting of any form of illegal gambling on the premises of any permittee or on any premises connected therewith or the presence on any such premises of any gambling device with the knowledge of the permittee.

The provisions of paragraph (i) of this section shall not apply to gambling or the presence of any gambling devices, with knowledge of the permittee, on board a cruise vessel in the waters within the State of Mississippi, which lie adjacent to the State of Mississippi south of the three (3) most southern counties in the State of Mississippi, or on any vessel as defined in Section 27-109-1 whenever such vessel is on the Mississippi River or navigable waters within any county bordering on the Mississippi River. The department may, in its discretion, issue on-premises retailer's permits to a common carrier of the nature described in this paragraph.

The provisions of paragraph (i) of this section shall not apply to the operation of any game or lottery authorized by Chapter 115, Title 27.

No permit shall be suspended or revoked until after the permittee has been provided reasonable notice of the charges against him for which suspension or revocation is sought and the opportunity to a hearing before the Board of Tax Appeals to contest such charges and the suspension or revocation proposed. Opportunity to a hearing is provided without an actual hearing if the permittee, after receiving reasonable notice, including notice of his right to a hearing, fails to timely request a hearing. The permittee may also at any time waive his rights to reasonable notice and/or to the opportunity to a hearing by agreeing to a suspension or revocation offered by the department. Notwithstanding the requirement above that a permit may not be suspended without notice and opportunity to a hearing, sales of alcoholic beverages by a permittee under a permit for which the bond under Section 27-71-21 has been cancelled shall be suspended from and after issuance of the notice provided in paragraph (h) above and shall continue to be suspended until the bond is reinstated, a new bond is posted or sufficient cash or securities as provided under Section 27-71-21 are deposited with the State Treasurer for this permit.

In addition to the causes specified in this section and other provisions of this article, the department shall be authorized to suspend the permit of any permit holder for

being out of compliance with an order for support, as defined in Section 93-11-153. The procedure for suspension of a permit for being out of compliance with an order for support, and the procedure for the reissuance or reinstatement of a permit suspended for that purpose, and the payment of any fees for the reissuance or reinstatement of a permit suspended for that purpose, shall be governed by Section 93-11-157 or 93-11-163, as the case may be. If there is any conflict between any provision of Section 93-11-157 or 93-11-163 and any provision of this article, the provisions of Section 93-11-157 or 93-11-163, as the case may be, shall control.

SECTION 82. Section 67-1-73, Mississippi Code of 1972, is brought forward as follows:

67-1-73. Every manufacturer, including native wine or native spirit producers, within or without the state, and every other shipper of alcoholic beverages who sells any alcoholic beverage, including native wine or native spirit, within the state, shall, at the time of making such sale, file with the department a copy of the invoice of such sale showing in detail the kind of alcoholic beverage sold, the quantities of each, the size of the container and the weight of the contents, the alcoholic content, and the name and address of the person to whom sold.

Every person transporting alcoholic beverages, including native wine or native spirit, within this state to a point within this state, whether such transportation originates within or without this state, shall, within five (5) days after delivery of such shipment, furnish the department a copy of the bill of lading or receipt, showing the name or consignor or consignee, date, place received, destination, and quantity of alcoholic beverages delivered. Upon failure to comply with the provisions of this section, such person shall be deemed guilty of a misdemeanor and, upon conviction thereof, shall be fined in the sum of Fifty Dollars ($50.00) for each offense.

SECTION 83. Section 67-1-81, Mississippi Code of 1972, is brought forward as follows:

67-1-81. (1) (a) Any permittee or other person who shall sell, furnish, dispose of, give, or cause to be sold, furnished, disposed of, or given, any alcoholic beverage to any person under the age of twenty-one (21) years shall be guilty of a misdemeanor and shall be punished by a fine of not less than Five Hundred Dollars ($500.00) nor more than One Thousand Dollars ($1,000.00) for a first offense. For a second or subsequent offense, such permittee or other person shall be punished by a fine of not less than One Thousand Dollars ($1,000.00) nor more than Two Thousand Dollars ($2,000.00), or by imprisonment for not more than one (1) year, or by both such fine and imprisonment in the discretion of the court.

(b) (i) If a permittee, or any employee of a permittee, violates paragraph (a) of this subsection (1), then, in addition to any other penalty provided for by law, the commissioner may impose the following penalties against the permittee on whose premises the alcoholic beverages were sold, given or furnished:

1. For the first offense on the licensed premises, suspension of the permit for not more than one (1) week.

2. For a second offense occurring on the licensed premises within a twelve-month period, suspension of the permit for not more than two (2) weeks.

3. For a third offense occurring on the licensed premises within a twelve-month period, suspension of the permit for not more than three (3) weeks or revocation of the permit.

4. For a fourth or subsequent offense occurring on the licensed premises within a twelve-month period, revocation of the permit.

A violation of paragraph (a) of this subsection (1) shall be sufficient to impose the administrative penalties authorized under this paragraph (b), and any expunction of conviction shall have no effect on any administrative penalty imposed against a permittee under this paragraph (b).

(2) Any person under the age of twenty-one (21) years who purchases, receives, or has in his or her possession in any public place, any alcoholic beverages, shall be guilty of a misdemeanor and shall be punished by a fine of not less than Two Hundred Dollars ($200.00) nor more than Five Hundred Dollars ($500.00). Provided, that clearing or busing tables that have glasses or other containers that contain or did contain alcoholic beverages, or stocking, bagging or otherwise handling purchases of

alcoholic beverages shall not be deemed possession of alcoholic beverages for the purposes of this section. Provided further, that a person who is at least eighteen (18) years of age but under the age of twenty-one (21) years who waits on tables by taking orders for or delivering orders of alcoholic beverages shall not be deemed to unlawfully possess or furnish alcoholic beverages if in the scope of his employment by the holder of an on-premises retailer's permit. This exception shall not authorize a person under the age of twenty-one (21) to tend bar or act in the capacity of bartender. Any person under the age of twenty-one (21) who knowingly makes a false statement to the effect that he or she is twenty-one (21) years old or older or presents any document that indicates he or she is twenty-one (21) years of age or older for the purpose of purchasing alcoholic beverages from any person engaged in the sale of alcoholic beverages shall be guilty of a misdemeanor and shall be punished by a fine of not less than Two Hundred Dollars ($200.00) nor more than Five Hundred Dollars ($500.00), and a sentence to not more than thirty (30) days' community service.

(3) The term "community service" as used in this section shall mean work, projects or services for the benefit of the community assigned, supervised and recorded by appropriate public officials.

(4) If a person under the age of twenty-one (21) years is convicted or enters a plea of guilty of purchasing, receiving or having in his or her possession in any public place any alcoholic beverages in violation of subsection (2) of this section, the trial judge, in lieu of the penalties otherwise provided under subsection (2) of this section, shall suspend the minor's driver's license by taking and keeping it in the custody of the court for a period of time not to exceed ninety (90) days. The judge so ordering the suspension shall enter upon his docket "DEFENDANT'S DRIVER'S LICENSE SUSPENDED FOR ____ DAYS IN LIEU OF CONVICTION" and such action by the trial judge shall not constitute a conviction. During the period that the minor's driver's license is suspended, the trial judge shall suspend the imposition of any fines or penalties that may be imposed under subsection (2) of this section and may place the minor on probation subject to such conditions as the judge deems appropriate. If the minor violates any of the conditions of probation, then the trial judge shall return the driver's license to the minor and impose the fines, penalties or both, that he would have otherwise imposed, and such action shall constitute a conviction.

SECTION 84. Section 67-3-15, Mississippi Code of 1972, is brought forward as follows:

67-3-15. (1) Any person who shall brew or manufacture or sell any beer, light spirit product or light wine without first having secured a permit and/or license from the commissioner authorizing the brewing or manufacture or sale of such liquor, shall be guilty of a misdemeanor and, upon conviction thereof, be punished by a fine of not more than One Thousand Dollars ($1,000.00) or imprisonment in the county jail for not more than one (1) year, or both, in the discretion of the court. Any person so convicted may not apply for any permit or license issued by the commissioner until five (5) years have elapsed from the date of such conviction.

(2) This section shall not apply to beer authorized to be made pursuant to Section 67-3-11.

(3) Any light wine, light spirit product or beer found in possession of, or sold by, a person in violation of this section shall be seized and disposed of in the manner provided for in Section 67-1-18.

SECTION 85. Section 67-3-25, Mississippi Code of 1972, is brought forward as follows:

67-3-25. (1) Any permit issued authorizing the sale or delivery of light wines, light spirit products and/or beer for consumption shall be construed to authorize the sale or delivery of light wines, light spirit products and/or beer by the bottle, by the glass or by draught, and in or from the original package.

(2) The commissioner is authorized to establish, in his discretion, dates for the expiration of permits issued under this chapter.

(3) Except as otherwise provided in this section, permits shall be issued for twelve (12) months and shall be renewed annually on the first day of the month in which the permit expires. The commissioner may issue temporary permits for less than a full

year. All permits shall show the effective date and expiration date of the permit, the business location, individual or business name and mailing address of the permittee.

SECTION 86. Section 67-3-27, Mississippi Code of 1972, is brought forward as follows:

67-3-27. Before any person shall engage in the business of manufacturer, wholesaler, distributor or retailer of light wines, light spirit products or beer, he shall apply to the commissioner for a license to engage in such business, and shall pay to the commissioner the specific tax imposed by Section 27-71-303, for the privilege of engaging in such business. The commissioner upon receipt of such tax shall issue to such person a privilege license to engage in or continue in such business for a period of time not to exceed one (1) year. No such license shall be issued to the applicant unless such applicant shall have obtained from the commissioner a permit as required in Section 67-3-17. A brewpub shall obtain all necessary federal licenses and permits prior to obtaining any license under this chapter.

All privilege licenses issued under the provisions of this section shall be renewed annually on or before the first day of the month in which the current license expires.

SECTION 87. Section 67-3-29, Mississippi Code of 1972, is brought forward as follows:

67-3-29. (1) The commissioner, or a hearing officer or the board of review, as designated by the commissioner, after a show cause hearing, shall revoke or suspend any permit granted by authority of this chapter to any person who shall violate any of the provisions of this chapter or the revenue laws of this state relating to engaging in transporting, storing, selling, distributing, possessing, receiving or manufacturing of wines or beers, or any person who shall hereafter be convicted of the unlawful sale of intoxicating liquor, or any person who shall allow or permit any form of illegal gambling or immorality on the premises described in such permit. The commissioner shall not revoke or suspend a permit of a retailer for the sale of light wine, light spirit product or beer to a person under the age of twenty-one (21) years until there has been a conviction of the permit holder or an employee of the permit holder for such violation.

(2) If any person exercising any privilege taxable under the provisions of Chapter 71 of Title 27, Mississippi Code of 1972, shall willfully neglect or refuse to comply with the provisions of such chapter, or any rules or regulations promulgated by the commissioner under authority of such chapter, or the provisions of this chapter, including maintaining the qualifications of an applicant under Section 67-3-19, during the permit period, the commissioner shall be authorized to revoke or suspend the permit theretofore issued to the person. Any person whose permit shall have been revoked by the commissioner shall be thereafter prohibited from exercising any privilege under the provisions of Chapter 71 of Title 27, Mississippi Code of 1972, for a period of two (2) years from the date of the revocation. The commissioner may, however, for good cause shown, grant a new permit upon such conditions as the commissioner may prescribe. Any person whose permit shall have been suspended by the commissioner shall be prohibited from exercising any privilege under the provisions of Chapter 71 of Title 27, Mississippi Code of 1972, during the period of the suspension. Failure of the person to comply with the terms of the suspension shall be cause for revocation of his permit, in addition to the other penalties provided by law.

(3) In addition to the reasons specified in this section and other provisions of this chapter, the commissioner shall be authorized to suspend the permit of any permit holder for being out of compliance with an order for support, as defined in Section 93-11-153. The procedure for suspension of a permit for being out of compliance with an order for support, and the procedure for the reissuance or reinstatement of a permit suspended for that purpose, and the payment of any fees for the reissuance or reinstatement of a permit suspended for that purpose, shall be governed by Section 93-11-157 or Section 93-11-163, as the case may be. If there is any conflict between any provision of Section 93-11-157 or Section 93-11-163 and any provision of this chapter, the provisions of Section 93-11-157 or 93-11-163, as the case may be, shall control.

SECTION 88. Section 67-3-31, Mississippi Code of 1972, is brought forward as follows:

67-3-31. Proceedings for the revocation or suspension of any permit authorizing the sale of beer or wine at retail for a violation of any of the provisions of Section 67-3-53 may be brought in the circuit or county court of the county in which the licensed premises are located. Such proceedings shall be entitled in the name of the state and against the permittee and shall be instituted by filing a complaint with the clerk of the court. The complaint may be filed by the county prosecuting attorney of the county upon his own initiative or, then by the district attorney of the district in which the county is located, and it shall be mandatory upon the county prosecuting attorney, or district attorney, as the case may be, to file a complaint when requested to do so by a peace officer or any person as provided in this section. Any peace officer within his jurisdiction or any enforcement officer of the Alcoholic Beverage Control Division within the Department of Revenue who learns that a retail permittee within his jurisdiction has violated any of the provisions of such section shall file with the county prosecuting attorney of the county in which the licensed premises are located, or, then with the district attorney of the district in which such county is located, an affidavit specifying in detail the facts alleged to constitute such violation, and requesting that a complaint be filed against the permittee for the revocation or suspension of his permit. A like affidavit may be filed with the county prosecuting attorney, or district attorney, as the case may be, by any person who resides, and has for at least one (1) year prior thereto resided within the county in which the licensed premises are located requesting that a complaint be filed for the revocation or suspension of the permittee's permit. Promptly upon receiving any such affidavit the county prosecuting attorney, or district attorney, shall prepare a proper complaint, which shall be signed and sworn to by the person or persons filing the affidavit with him, and the county prosecuting attorney or district attorney shall file the complaint with the clerk of the circuit or county court.

SECTION 89. Section 67-3-33, Mississippi Code of 1972, is brought forward as follows:

67-3-33. Upon filing a complaint with the clerk of the court, the county prosecuting attorney or district attorney filing the same shall promptly move the court to set the complaint for hearing. The court shall set the complaint for hearing at an early date in term time or in vacation and such proceedings shall have precedence for trial over all civil actions. Upon a date for trial being set by the court, the county prosecuting attorney or district attorney shall serve or cause to be served upon the permittee in accordance with the Mississippi Rules of Civil Procedure a notice of the filing of said complaint, together with a copy of said complaint, and shall set forth in said notice the time and place of the hearing thereon. Said notice shall be served upon the permittee at least ten (10) days prior to the date set for hearing if personal service be made. If service be made by mail, such notice shall be deposited in the United States mail not less than twelve (12) days prior to the date set for hearing. A copy of said complaint and notice of hearing thereon shall also be mailed to the commissioner by the county prosecuting attorney or district attorney.

SECTION 90. Section 67-3-35, Mississippi Code of 1972, is brought forward as follows:

67-3-35. The complaint shall be heard by the court without a jury. If the court shall find upon the hearing that the offense or offenses charged in the complaint have been established by the evidence, the court shall order the revocation or suspension of the permit. If the court finds that the permittee has not previously violated the law in the operation of his licensed business, and that no permit or license held by him has previously been suspended or revoked, and if it appears to the satisfaction of the court that there is reasonable ground to expect that the permittee will not again commit the offense or offenses charged in the complaint and that to revoke the permit would be unduly severe, then the court may suspend the permit for such period of time as the court deems proper. However, if the permittee has previously had his permit suspended or revoked, it shall be mandatory upon the court upon a finding of guilty to revoke the said permit. The judgment of the court revoking or suspending such permit shall not be superseded or stayed during the pendency of an appeal therefrom. A certified copy of the final order or decree of the court shall be forwarded by the clerk of the court to the commissioner.

After the filing of a complaint with the clerk of the court for the revocation or suspension of a permit, the court in which the complaint is filed shall retain jurisdiction to hear and determine such complaint and to enter judgment revoking or suspending such permit. For the purpose of such hearing and as to the effect of the judgment of the court entered pursuant thereto, the permit shall be in full force and effect even though the permittee, after filing of such complaint, may have surrendered his permit, or such permit may have expired, or the rights of the permittee thereunder may have otherwise terminated. It is the purpose of this section to preclude the permittee from avoiding the effect of a judgment of revocation by a court by reason of conditions arising subsequent to the filing of a complaint.

SECTION 91. Section 67-3-37, Mississippi Code of 1972, is brought forward as follows:

67-3-37. It shall be the duty of the county prosecuting attorney or the district attorney, as the case may be, to file complaints as provided in Section 67-3-31 and to prosecute diligently and without delay all complaints filed by him.

It shall be the duty of all peace officers, within their jurisdiction, and all enforcement officers of the Alcoholic Beverage Control Division of the Department of Revenue to enforce the provisions of Section 67-3-53 and they shall frequently visit all licensed premises within their jurisdiction to determine whether such permittees are complying with the laws. They shall promptly investigate all complaints made to them by any citizen relative to any alleged violations of such section within their jurisdiction. When any peace officer or enforcement officer of the Alcoholic Beverage Control Division has knowledge of a violation of such section committed by a permittee within his jurisdiction, it shall be his duty forthwith to file an affidavit with the county prosecuting attorney or district attorney requesting that a complaint be filed for the revocation or suspension of the permit of the permittee.

SECTION 92. Section 67-3-39, Mississippi Code of 1972, is brought forward as follows:

67-3-39. However, when a complaint is filed with the court any proceedings which may then be pending before the commissioner against the same permittee on the same charges shall abate and no proceedings for the revocation or suspension of a permit for a violation of the provisions of Section 67-3-53 shall be filed with the commissioner when proceedings are pending before the court against the permittee on the same charges. The revocation or suspension of a permittee's state permit by the court or by the commissioner shall automatically revoke or suspend any municipal license or permit held by such person. The revocation or suspension of a permittee's permit shall be in addition to and not in lieu of or limitation of any other penalty imposed by law.

SECTION 93. Section 67-3-49, Mississippi Code of 1972, is brought forward as follows:

67-3-49. (1) Except as otherwise provided in this section, it shall be unlawful for any brewer or manufacturer or distributor or wholesale dealer of or in light wines, light spirit products and/or beer to manufacture or knowingly bring upon his premises or keep thereon any light spirit product of an alcoholic content of more than six percent (6%) by weight, any beer of an alcoholic content of more than eight percent (8%) by weight. Any person that shall add to or mix with any beer, light spirit product or light wine any alcoholic or other liquid, or any alcohol cube or cubes, or any other ingredient or ingredients that will increase or tend to increase the alcoholic content of such liquor, or any person that shall knowingly offer for sale any liquor so treated, shall be guilty of a misdemeanor and punished as hereinafter provided in this chapter. The commissioner shall take any action he considers necessary to ensure that light wine, light spirit product and/or beer manufactured at a brewpub complies with the provisions of this section.

(2) A brewer or manufacturer of light wine, light spirit product or beer may manufacture and keep upon his premises beer of an alcoholic content of more than eight percent (8%) by weight if the beer is manufactured for legal sale in another state.

Any person convicted of violating this section, or any rules or regulations promulgated by the commissioner with regard to the unlawful acts described in this section, shall forfeit his permit. Any person whose permit has been forfeited pursuant to this section shall not be eligible for a permit issued by the commissioner for a period of five (5) years after the date of such forfeiture. In addition, no permit shall be issued for the same location, for which an offender has forfeited a permit pursuant to this section, to a spouse, offspring or sibling of the offender when to do so would circumvent the purposes of this section. The commissioner may assess a retailer who violates this section the amount of excise taxes due on the unlawfully imported beer, light spirit product or light wine, together with a penalty in the amount of four (4) times the state excise taxes due or One Hundred Dollars ($100.00) per case, whichever is greater.

If all other applicable taxes are paid, this penalty will not apply to the following: sales to employees of the wholesaler; sales to nonprofit charitable and civic organizations for special fund-raising events provided that the beer, light spirit product or light wine is not resold; sales to affiliated member associations.

(2) The commissioner may assess the penalty by giving notice by mail, demanding payment within thirty (30) days from date of delivery of the notice.

The proceeds of all penalties shall be deposited by the commissioner with the other monies collected by him and shall be disposed of as provided by law.

A statement by a company that it is participating in a boycott of Israel, or that it has initiated a boycott in response to a request for a boycott of Israel or in compliance with, or in furtherance of, calls for a boycott of Israel, may be considered by the public fund to be evidence that a company is participating in a boycott of Israel. (b) "Company" means an organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, limited liability company, or other entity or business association, including all wholly owned subsidiaries, majority-owned subsidiaries, and parent companies, that exists for the purpose of making profit.

(c) "Expense" means all explicit costs associated with divesting of investments, including, but not limited to, trading costs, brokerage commissions, and any realized losses, and all implicit costs, including, but not limited to, lost opportunity costs resulting from the prohibition from making certain investments.

(d) "Investment" means a commitment or contribution of funds or property, whatever the source, a loan or other extension of credit, and the entry into or renewal of a contract for goods or services. The term "investment" does not include indirect beneficial ownership through index funds, commingled funds, limited partnerships, derivative instruments or the like.

(e) "Public fund" means the Public Employees' Retirement System and the Treasurer's office.

(f) "Scrutinized companies" means companies that boycott Israel or engage in a boycott of Israel.

SECTION 6. Section 27-117-9, Mississippi Code of 1972, is brought forward as follows:

27-117-9. Exception to investment prohibition.

Notwithstanding the provisions of Section 27-117-7, an investment may be made in a company engaged in a boycott of Israel, on a case by case basis, if:

(a) The investment was made before December 31, 2019, and the company has adopted, publicized and is implementing a formal plan to cease the boycott of Israel and to refrain from engaging in any new boycott of Israel; or

(b) The investor makes a determination that the investments are necessary in order to perform its functions.

SECTION 7. Section 27-117-11, Mississippi Code of 1972, is brought forward as follows:

27-117-11. Limitation of chapter due to fiduciary obligations. Nothing in this chapter shall be construed to require the Public Employees' Retirement System of Mississippi or the State Treasurer or their agents to take any action as described in this chapter unless it is determined, in good faith, that: the action described in this chapter is consistent with the fiduciary responsibilities of the Public Employees' Retirement System

of Mississippi or the State Treasurer or their agents; and there are appropriated funds of the state to absorb the expenses necessary to implement this chapter.

SECTION 8. Section 27-117-13, Mississippi Code of 1972, is brought forward as follows:

27-117-13. Indemnification of employees and officials for compliance with this chapter. Present, future and former board members, officers, employees and agents of the Public Employees' Retirement System and the Department of Finance and Administration, as well as present, future and former State Treasurers, officers and employees of the State Treasurer and agents retained by the State Treasurer, must be indemnified from the State General Fund and held harmless by the state from all claims, demands, suits, actions, damages, judgments, costs, charges and expenses, including court costs and attorney's fees, and against all liability, losses and damages of any nature whatsoever that these present, future or former board members, officers, employees, agents or contract investment managers shall or may at any time sustain by reason of any decision to restrict, reduce or eliminate investments pursuant to this chapter.

SECTION 9. Section 27-105-33, Mississippi Code of 1972, is amended as follows:

27-105-33. It shall be the duty of the State Treasurer and the Executive Director of the Department of Finance and Administration on or about the tenth day of each month, and in their discretion at any other time, to analyze carefully the amount of cash in the General Fund of the state and in all special funds credited to any special purpose designated by the State Legislature or held to meet the budgets or appropriations for maintenance, improvements and services of the several institutions, boards, departments, commissions, agencies, persons or entities of the state, and to determine in their opinion when the cash in such funds is in excess of the amount required to meet the current needs and demands of no more than seven (7) business days on such funds and report their findings to the Governor. It shall be the duty of the State Treasurer to provide a cash flow model for forecasting revenues and expenditures on a bimonthly basis and providing technical assistance for its operation. The Department of Finance and Administration shall use the cash flow model furnished by the State Treasurer, in analyzing the amount of funds on deposit and available for investment.

The State Treasurer is hereby authorized, empowered and directed to invest all such excess general and special funds of the state in the following manner:

(a) Funds shall be allocated equally among all qualified state depositories which do not have demand accounts in excess of One Hundred Fifty Thousand Dollars ($150,000.00) until each qualified depository willing to accept the same shall have on deposit or in security repurchase agreements or in other securities authorized in paragraph (d) of this section at interest the sum of Three Hundred Thousand Dollars ($300,000.00). For the purposes of this subsection, no branch bank or branch office shall be counted as a separate depository.

(b) The balance, if any, of such excess general and special funds shall be offered to qualified depositories of the state on a pro rata basis as provided in Section 27-105-9. For the purposes of this subsection, the pro rata share of each depository shall be reduced by the amount of the average daily collected earning balance of demand deposits maintained by the State Treasurer pursuant to Section 27-105-9 during the preceding calendar year, and such reduction shall be allocated pro rata among other eligible depositories.

(c) Funds offered pursuant to paragraphs (a) and (b) above shall be invested for periods of up to one (1) year, and shall bear interest at an interest rate no less than that numerically equal to the bond equivalent yield on direct obligations of the United States Treasury of comparable maturity, as determined by the State Treasurer. In

determining such rate, the State Treasurer shall consider the Legislature's desire to distribute funds equitably throughout the state to the maximum extent possible.

(d) To the extent that the State Treasurer shall find that general and special funds cannot be invested pursuant to paragraphs (a), (b) and (c) of this section for the stated maturity up to one (1) year, the Treasurer may invest such funds, together with any other funds required for current operation, as determined pursuant to this section, in the following:

(i) Time certificates of deposit or interest-bearing accounts with qualified state depositories. For those funds determined under prudent judgment of the State Treasurer to be made available for investment in time certificates of deposit, the rate of interest paid by the depositories shall be determined by rules and regulations adopted and promulgated by the State Treasurer which may include competitive bids. At the time of investment, the interest rate on such certificates of deposit under the provisions of this subparagraph shall be a rate not less than the bond equivalent yield on direct obligations of the United States Treasury with a similar length of maturity.

(ii) Direct United States Treasury obligations, the principal and interest of which are fully guaranteed by the government of the United States.

(iii) United States government agency, United States government instrumentality or United States government-sponsored enterprise obligations, the principal and interest of which are fully guaranteed by the government of the United States, such as the Government National Mortgage Association; or United States governmental agency, United States government instrumentality or United States government-sponsored enterprise obligations, the principal and interest of which are guaranteed by any United States government agency, United States government instrumentality or United States government-sponsored enterprise contained in a list promulgated by the State Treasurer.

(iv) Direct security repurchase agreements and reverse direct security repurchase agreements of any federal book entry of only those securities enumerated in subparagraphs (ii) and (iii) above. "Direct security repurchase agreement" means an agreement under which the state buys, holds for a specified time, and then sells back those securities and obligations enumerated in subparagraphs (ii) and (iii) above. "Reverse direct securities repurchase agreement" means an agreement under which the state sells and after a specified time buys back any of the securities and obligations enumerated in subparagraphs (ii) and (iii) above. A qualified state depository shall be given preference for such agreements when possible.

(v) Bonds issued, assumed or guaranteed by the Country of Israel, provided that:

1. Investments in such instruments shall be denominated in United States currency;

2. Such bonds must be of investment grade as rated by at least one (1) nationally recognized statistical rating agency; and

3. The amount of funds invested in such bonds at any time shall not exceed * * * Fifty Million Dollars ($50,000,000.00).

(vi) Corporate bonds and taxable municipal bonds; or corporate short-term obligations of corporations or of wholly owned subsidiaries of corporations, whose short-term obligations are rated A-1 or better by Standard and Poor's, rated P-1 or better by Moody's Investment Service, F-1 or better by Fitch Ratings, Ltd., or the equivalent of these ratings if assigned by another United States Securities and Exchange Commission designated Nationally Recognized Statistical Rating Organization.

(e) For the purposes of this section, direct obligations issued by the United States of America shall be deemed to include securities of, or other interests in, any open-end or closed-end management type investment company or investment trust registered under the provisions of 15 USCS Section 80(a)-1 et seq., provided that the portfolio of such investment company or investment trust is limited to direct obligations issued by the United States of America, United States government agencies, United States government instrumentalities or United States government-sponsored enterprises, and to repurchase agreements fully collateralized by direct obligations of the United States of America, United States government agencies, United States government instrumentalities or United States government-sponsored enterprises, and the investment company or investment trust takes delivery of such collateral for the repurchase agreement, either directly or through an authorized custodian. The State Treasurer and the Executive Director of the Department of Finance and Administration shall review and approve the investment companies and investment trusts in which funds invested under paragraph (d) of this section may be invested. The total dollar amount of funds invested in all open-end and closed-end management type investment companies and investment trusts at any one time shall not exceed twenty percent (20%) of the total dollar amount of funds invested under paragraph (d) of this section.

(f) Investments authorized by subparagraphs (ii) and (iii) of paragraph (d) shall mature on such date or dates as determined by the State Treasurer in the exercise of prudent judgment to generate a favorable return to the state and will allow the monies to be available for use at such time as the monies will be needed for state purposes. However, the maturity of securities purchased as enumerated in subparagraphs (ii) and (iii) shall not exceed ten (10) years from date of purchase. Special funds shall be considered those funds created constitutionally, statutorily or administratively which are not considered general funds. All funds invested for a period of thirty (30) days or longer under paragraph (d) shall bear a rate at least equal to the current established rate under paragraph (c) of this section.

(g) Any interest-bearing deposits or certificates of deposit shall not exceed at any time the amount insured by the Federal Deposit Insurance Corporation in any one (1) banking institution, the Federal Savings and Loan Insurance Corporation in any one (1) savings and loan association, or other deposit insurance corporation approved by the State Treasurer, unless the uninsured portion is collateralized by the pledge of securities in the manner provided by Section 27-105-5.

(h) Unless otherwise provided, income from investments authorized by the provisions of this subsection shall be credited to the State General Fund.

(i) Not more than Five Hundred Thousand Dollars ($500,000.00) of funds may be invested with foreign financial institutions, and the State Treasurer may enter into price contracts for the purchase or exchange of foreign currency or other arrangements for currency exchange in an amount not to exceed Five Hundred Thousand Dollars ($500,000.00) upon specific direction of the Department of Economic and Community Development. The State Treasurer shall promulgate all rules and regulations for applications, qualifications and any other necessary matters for foreign financial institutions.

Any liquidating agent of a depository in liquidation, voluntary or involuntary, shall redeem from the state any bonds and securities which have been pledged to secure state funds and such redemption shall be at the par value or market value thereof, whichever is greater; otherwise, The liquidating agent or receiver may pay off the state in full for its deposits and retrieve the pledged securities without regard to par or market value.

The State Treasurer and the Executive Director of the Department of Finance and Administration shall make monthly reports to the Legislative Budget Office containing a full and complete statement of all funds invested by virtue of the provisions of this section

and the revenues derived therefrom and the expenses incurred therewith, together with all such other information as may seem to each of them as being pertinent to inform fully the Mississippi Legislature with reference thereto.

The State Treasurer shall not deposit any funds on demand deposit with any authorized depository, unless such depository has contracted for interest-bearing accounts or time certificates of deposit.

Notwithstanding the foregoing, any financial institution not meeting the prescribed ratio requirement set forth in Section 27-105-5 whose accounts are insured by the Federal Deposit Insurance Corporation, or any successor to that insurance corporation, may receive state funds in an amount not exceeding the amount which is insured by such insurance corporations and may qualify as a state depository to the extent of such insurance for this purpose only. The paid-in and earned capital funds of such financial institution shall not be included in the computations specified in Section 27-105-9(a) and (b).

SECTION 10. This act shall take effect and be in force from and after July 1, 2024.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

Paragraph (y) of this subsection shall stand repealed from and after July 1, 2026.

(2) (a) There is imposed and shall be collected from each permittee, except a common carrier, solicitor, a temporary permittee or a delivery service permittee, by the department, an additional license tax equal to the amounts imposed under subsection (1) of this section for the privilege of doing business within any municipality or county in which the licensee is located.

(b) (i) In addition to the tax imposed in paragraph (a) of this subsection, there is imposed and shall be collected by the department from each permittee described in subsection (1)(g), (h), (i), (n) and (u) of this section, an additional license tax for the privilege of doing business within any municipality or county in which the licensee is located in the amount of Two Hundred Twenty-five Dollars ($225.00) on purchases exceeding Five Thousand Dollars ($5,000.00) and Two Hundred Twenty-five Dollars ($225.00) for each additional purchase of Five Thousand Dollars ($5,000.00), or fraction thereof.

(ii) In addition to the tax imposed in paragraph (a) of this subsection, there is imposed and shall be collected by the department from each permittee described in subsection (1)(o) and (s) of this section, an additional license tax for the privilege of doing business within any municipality or county in which the licensee is located in the amount of Two Hundred Fifty Dollars ($250.00) on purchases exceeding Five Thousand Dollars ($5,000.00) and Two Hundred Twenty-five Dollars ($225.00) for each additional purchase of Five Thousand Dollars ($5,000.00), or fraction thereof.

(iii) Any person who has paid the additional privilege license tax imposed by this paragraph, and whose permit is renewed, may add any unused fraction of Five Thousand Dollars ($5,000.00) purchases to the first Five Thousand Dollars ($5,000.00) purchases authorized by the renewal permit, and no additional license tax will be required until purchases exceed the sum of the two (2) figures.

(c) If the licensee is located within a municipality, the department shall pay the amount of additional license tax collected under this section to the municipality, and if outside a municipality the department shall pay the additional license tax to the county in which the licensee is located. Payments by the department to the respective local government subdivisions shall be made once each month for any collections during the preceding month.

(3) When an application for any permit, other than for renewal of a permit, has been rejected by the department, such decision shall be final. Appeal may be made in the manner provided by Section 67-1-39. Another application from an applicant who has been denied a permit shall not be reconsidered within a twelve-month period.

(4) The number of permits issued by the department shall not be restricted or limited on a population basis; however, the foregoing limitation shall not be construed to preclude the right of the department to refuse to issue a permit because of the undesirability of the proposed location.

(5) If any person shall engage or continue in any business which is taxable under this section without having paid the tax as provided in this section, the person shall be liable for the full amount of the tax plus a penalty thereon equal to the amount thereof, and, in addition, shall be punished by a fine of not more than One Thousand Dollars ($1,000.00), or by imprisonment in the county jail for a term of not more than six (6) months, or by both such fine and imprisonment, in the discretion of the court.

AMENDMENT NO. 1:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 37-159-1, Mississippi Code of 1972, is reenacted as follows:

37-159-1. Sections 37-159-1 through 37-159-19 shall be known and may be cited as the "Mississippi Critical Teacher Shortage Act of 1998."

SECTION 2. Section 37-159-5, Mississippi Code of 1972, is reenacted as follows:

37-159-5. The State Board of Education shall prescribe rules and regulations which, subject to available appropriations, allow for reimbursement to the state licensed teachers, from both in state and out of state, who enter into a contract for employment in a school district situated within a geographical area of the state where there exists a critical shortage of teachers, as designated by the State Board of Education, for the expense of moving when the employment necessitates the relocation of the teacher to a different geographical area than that in which the teacher resides before entering into such contract. In order to be eligible for the reimbursement, the teacher must apply to the local district and the district must obtain the prior approval from the department for reimbursement before the relocation occurs. If the reimbursement is approved, the department shall provide funds to the school district to reimburse the teacher an amount not to exceed One Thousand Dollars ($1,000.00) for the documented actual expenses

incurred in the course of relocating, including the expense of any professional moving company or persons employed to assist with the move, rented moving vehicles or equipment, mileage in the amount authorized for state employees under Section 25-3-41 if the teacher used his personal vehicle or vehicles for the move, meals and such other expenses associated with the relocation in accordance with the department's established rules and regulations. No teacher may be reimbursed for moving expenses under this section on more than one (1) occasion.

Nothing in this section shall be construed to require the actual residence to which the teacher relocates to be within the boundaries of the school district which has executed a contract for employment with the teacher or within the boundaries of the area designated by the State Board of Education as the critical teacher shortage area in order for the teacher to be eligible for reimbursement for his moving expenses. However, teachers must relocate within the boundaries of the State of Mississippi.

SECTION 3. Section 37-159-7, Mississippi Code of 1972, is reenacted as follows:

37-159-7. The school board of any school district situated within a geographical area of the state where there exists a critical shortage of teachers, as designated by the State Board of Education, in its discretion, may reimburse persons who interview for employment as a licensed teacher with the district for the mileage and other actual expenses incurred in the course of travel to and from the interview by such persons at the rate authorized for county and municipal employees under Section 25-3-41. Any reimbursement by a school board under this section shall be paid from funds other than adequate education program funds.

SECTION 4. Section 37-159-9, Mississippi Code of 1972, is reenacted as follows:

37-159-9. (1) There is established the University Assisted Teacher Recruitment and Retention Grant Program within the State Department of Education. The purposes of the program shall be to attract additional qualified teachers to those geographical areas of the state where there exists a critical shortage of teachers and to retain the qualified teachers already serving as licensed teachers in geographical critical teacher shortage areas by making available scholarships to persons working towards a Master of Education degree or an Educational Specialist degree at an institution of higher learning whose teacher education program is approved by the State Board of Education.

(2) Any institution of higher learning in the State of Mississippi which offers a Master of Education degree or an Educational Specialist degree may apply to the department for participation in the program. As part of the program, participating institutions shall collaborate with the Mississippi Teacher Center to identify, recruit and place teacher education graduates, from both within the state and out of state, in school districts situated within those areas of the state where there exists a critical shortage of teachers, as designated by the State Board of Education.

(3) The State Department of Education shall provide funds to participating institutions of higher learning for the purpose of awarding scholarships to qualified persons pursuing a Master of Education degree or an Educational Specialist degree at such institutions while rendering service to the state as a licensed teacher in a school district in a geographical area of the state where there exists a critical shortage of teachers, as approved by the State Board of Education. The financial scholarship shall be applied to the total cost for tuition, books, materials and fees at the institution in which the student is enrolled, not to exceed an amount equal to the highest total cost of tuition, books, materials and fees assessed by a state institution of higher learning during that school year. Teachers who relocate within Mississippi from out of state in order to participate in the program shall be classified as residents of the state for tuition purposes.

(4) Students awarded financial scholarships under the University Assisted Teacher Recruitment and Retention Grant Program may receive such awards for a maximum of

four (4) school years; however, the maximum number of awards which may be made shall not exceed the length of time required to complete the number of academic hours necessary to obtain a Master of Education degree or an Educational Specialist degree. Financial scholarships under the program shall not be based upon an applicant's eligibility for financial aid.

(5) Persons relocating to a geographical area of the state where there exists a critical shortage of teachers, as approved by the State Board of Education, to participate in the University Assisted Teacher Recruitment and Retention Grant Program shall be eligible for reimbursement for their moving expenses to the critical teacher shortage area from the State Board of Education. The State Board of Education shall promulgate rules and regulations necessary for the administration of the relocation expense reimbursement component of the University Assisted Teacher Recruitment and Retention Grant Program.

(6) Subject to the availability of funds, the State Board of Education may provide for professional development and support services as may be necessary for the retention of teachers participating in the program in those geographical areas of the state where there exists a critical shortage of teachers.

(7) Any person participating in the program who fails to complete a program of study that will enable that person to obtain a Master of Education degree or Educational Specialist degree shall become liable immediately to the State Board of Education for the sum of all awards made to that person under the program, plus interest accruing at the current Stafford Loan rate at the time the person abrogates his participation in the program.

(8) As a condition for participation in the program, a teacher shall agree to employment as a licensed teacher in a school district located in a geographical area of the state where there exists a critical shortage of teachers, as designated by the State Board of Education, for a period of not less than three (3) years, which shall include those years of service rendered while obtaining the Master of Education degree or Educational Specialist degree. However, for any person who obtained a Baccalaureate degree in education with a financial scholarship under the Critical Needs Teacher Scholarship Program and who entered the University Assisted Teacher Recruitment and Retention Grant Program before rendering service as a teacher, the period of employment for the purposes of this subsection shall be two (2) years, in addition to the employment commitment required under the Critical Needs Teacher Scholarship Program. Service rendered by a participant as a licensed teacher in a school district in a geographical critical teacher shortage area before that teacher becomes a participant in the program may not be considered to fulfill the employment commitment required under this subsection. Any person failing to comply with this employment commitment in any required school year shall immediately be in breach of contract and become liable immediately to the State Department of Education for the sum of all scholarships awarded and relocation expenses granted to that person, less one-third (1/3) of the amount of that sum for each year that service was rendered, or for those persons whose required period of employment is two (2) years, less one-half (1/2) of the amount of that sum for each year that service was rendered, plus interest accruing at the current Stafford Loan rate at the time the breach occurs, except in the case of a deferral for cause by the State Board of Education when there is no employment position immediately available upon the teacher's obtaining of the Master of Education degree or Educational Specialist degree. After the period of such deferral, the person shall begin or resume the required teaching duties or shall become liable to the board under this subsection. If a claim for repayment under this subsection is placed in the hands of an attorney for collection after default, then the obligor shall be liable for an additional amount equal to a reasonable attorney's fee.

(9) All funds received by the State Department of Education from the repayment of scholarship awards and relocation expenses by program participants shall be deposited in the Mississippi Critical Teacher Shortage Fund.

(10) The State Board of Education shall promulgate rules and regulations necessary for the proper administration of the University Assisted Teacher Recruitment and Retention Grant Program.

SECTION 5. Section 37-159-11, Mississippi Code of 1972, is reenacted as follows:

37-159-11. (1) There is established the Mississippi Employer-Assisted Housing Teacher Program, which shall be a special home loan program for eligible licensed teachers who render service to the state in a geographical area of the state where there exists a critical shortage of teachers, as designated by the State Board of Education. The home loan program shall be administered by the State Department of Education. The department may contract with one or more public or private entities to provide assistance in implementing and administering the program. The State Board of Education shall adopt rules and regulations regarding the implementation and administration of the program.

(2) Participation in the loan program shall be available to any licensed teacher who renders service in a geographical area of the state where there exists a critical shortage of teachers, as designated by the State Board of Education. Any person who receives a loan under the program shall be required to purchase a house and reside in a county in which the school district for which the teacher is rendering service, or any portion of the school district, is located. The maximum amount of a loan that may be made under the program to any person shall be Six Thousand Dollars ($6,000.00).

(3) Any loan made under the program to a person who actually renders service as a teacher in a geographical area of the state where there exists a critical shortage of teachers, as designated by the State Board of Education, shall be converted to an interest-free grant on the basis of one (1) year's service for one-third (1/3) of the amount of the loan. Any person who does not render three (3) years' service as a teacher in a geographical area of the state where there exists a critical shortage of teachers, as designated by the State Board of Education, shall be liable to the State Department of Education for one-third (1/3) of the amount of the loan for each year that he does not render such service, plus interest accruing at the current Stafford Loan rate at the time the person discontinues his service. If a claim for repayment under this subsection is placed in the hands of an attorney for collection, the obligor shall be liable for an additional amount equal to a reasonable attorney's fee.

(4) All funds received by the State Department of Education as repayment of loans by program participants shall be deposited in the Mississippi Critical Teacher Shortage Fund.

SECTION 6. Section 37-159-13, Mississippi Code of 1972, is reenacted as follows:

37-159-13. (1) There is established a pilot program to provide for the construction of rental housing units for teachers in the West Tallahatchie School District, which pilot program shall be administered by the State Department of Education. The department may contract with one or more public or private entities to provide assistance in implementing and administering the program. The State Board of Education shall adopt rules and regulations regarding the implementation and administration of the program.

(2) The West Tallahatchie School District shall receive proposals from developers for the construction of the rental housing units, and submit its recommendation to the State Department of Education about which developer should construct the units. The department shall make the final determination about the developer that will construct the units.

(3) After selection of the developer, the department shall loan the developer not more than Two Hundred Thousand Dollars ($200,000.00) for construction of the units. The interest rate on the loan shall be equal to one percent (1%) below the discount rate at the Federal Reserve Bank in the Federal Reserve district in which the school district is

located, and the loan shall be repaid in not more than fifteen (15) years, as determined by the department. All funds received by the department as repayment of the principal and interest of the loan shall be deposited in the Mississippi Critical Teacher Shortage Fund. If a claim against the developer for repayment is placed in the hands of an attorney for collection, the obligor shall be liable for an additional amount equal to a reasonable attorney's fee.

(4) The developer shall operate the rental housing units. For a period of ten (10) years or until such time as the loan to the developer is repaid, whichever is longer, the priority for residence in the units shall be given first to teachers employed by the school district, then to other licensed school district employees, and then to any other school district employees.

SECTION 7. Section 37-159-17, Mississippi Code of 1972, is reenacted as follows:

37-159-17. There is established in the State Treasury a special fund to be designated the "Mississippi Critical Teacher Shortage Fund," into which shall be deposited those funds appropriated by the Legislature, and any other funds that may be made available, for the purpose of implementing the programs established under Sections 37-159-5, 37-9-77, 37-3-91 and 37-159-9 through 37-159-13. Money in the fund at the end of a fiscal year shall not lapse into the General Fund, and interest earned on any amounts deposited into the fund shall be credited to the special fund.

SECTION 8. Section 37-159-19, Mississippi Code of 1972, is amended as follows:

37-159-19. Sections 37-159-1 through 37-159-17 shall stand repealed on July 1, * * * 2027.

SECTION 9. Section 37-106-36, Mississippi Code of 1972, is amended as follows:

(3) Persons who have received funds from other forgivable loan programs established for teachers under Mississippi law, or who are presently in default or delinquent on any federal, state, local or commercial qualifying educational loan, shall not be eligible for this program.

(4) Initial recipients shall be selected on a first-come, first-served basis of all eligible applicants, which shall be limited to only one hundred fifty (150) individuals receiving scholarship funds subject to the availability of funds. In the second and

subsequent years of an applicant's continued eligibility, priority consideration shall first be given to renewal applicants. In any given year only one hundred fifty (150) new applicants shall be eligible to receive funds under the program. The State Financial Aid Board shall develop rules for ensuring that expenses of the program in a fiscal year do not exceed funding for the program in that fiscal year. For that purpose, and any other provision of this section to the contrary notwithstanding, the State Financial Aid Board may limit the acceptance of applications and may limit the number of awards.

(5) Among first-time, first-year teacher recipients, priority consideration shall be given to persons who are teaching in a public school district designated as a geographical critical teacher shortage area by the State Board of Education.

(c) Six Thousand Dollars ($6,000.00) for the third year of teaching, provided the recipient continues to teach in the same public school district or another public school district designated a geographical shortage area by the State Board of Education.

(8) A first-year recipient who moves to another public school district shall be eligible to receive an award based on the amount allowed under the program in the new district where the teacher is employed.

(9) Awards shall be granted on a year-to-year basis, and recipients shall have no obligation to seek a future award.

(10) Awards shall be paid annually, after the expiration of the one-year teaching contract for which the award was granted, to the recipient's lender or loan service provider, and shall be applied to the outstanding balance. Monies paid on the recipient's behalf toward qualifying undergraduate educational loans prior to receiving payment of the award shall not be eligible for repayment through the program.

(11) During the teaching year for which the award is granted, a recipient must at all times keep the State Financial Aid Board informed of any changes to the recipient's current contact information and employment status.

(12) Recipients who fail to maintain a standard license or fail to fulfill the one-year teaching contract on which the award was based shall forfeit any right to the award.

(13) The State Financial Aid Board, in collaboration with the State Board of Education, shall track recipients of an award under this program through their fifth teaching year, unless the recipient shall leave teaching in a public school district at an earlier date. Data collected shall include recipients' undergraduate institution, school district, subject area/grade level in teaching and any other pertinent information necessary to determine the efficacy of the program in retaining teachers in their first three (3) years of teaching.

Winter and Jack Reed, Sr., Loan Repayment Program Fund," into which shall be deposited those funds appropriated by the Legislature, and any other funds that may be made available, for the purpose of implementing the loan repayment program established herein. Money in the fund at the end of the fiscal year shall not lapse into the General Fund, and interest earned on any amounts deposited into the fund shall be credited to the special fund.

(16) This section shall stand repealed on July 1, * * * 2028.

SECTION 10. This act shall take effect and be in force from and after July 1, 2024, and shall stand repealed on June 30, 2024.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

Any funds received from any public or private source for the purpose of promoting, constructing, monitoring or maintaining artificial reefs in the marine waters of the state or in federal waters adjacent to the marine waters of the state shall be credited to the account. Any unexpended funds remaining in the account at the end of the fiscal year shall not lapse into the Seafood Fund, but shall remain in the account. The department may expend any funds in the account, subject to appropriation by the Legislature, to accomplish the purpose of the account.

(c) There is established a special account to be known as the "Coastal Preserve Account" within the Seafood Fund. Any unexpended funds remaining in the account at the end of the fiscal year do not lapse into the Seafood Fund, but remain in the account. The department may expend any funds in the account, subject to appropriation by the Legislature, to accomplish the purposes of this account, including, but not limited to, providing funds for cobia stock enhancement programs.

(e) There is established a special account to be known as the "Oyster Production Preserve Account" within the Seafood Fund. Monies required to be deposited from oyster leasing and licensing payments under Section * * * 49-15-27, sack fees, * * * and any funds received from any public or private source for the purpose of oyster production and propagation in this state, which includes plantings of oysters and cultch materials, shall be credited to the account. Any unexpended funds remaining in the account at the end of the fiscal year shall not lapse into the Seafood Fund, but shall remain in the account. The department may expend any funds in the account, subject to specific appropriation by the Legislature, for the management, improvement and acquisition of permittable property for oyster production and propagation in the state, which includes plantings of oysters and cultch materials. The Department of Marine Resources shall develop an annual report to the Legislature which describes the annual expenditures from this fund for the purpose of furthering oyster production and propagation in this state to be included in the department's annual budget request to the Legislative Budget Office and to be transmitted to the Chairmen of the Senate and House Committees on Ports and Marine Resources.

(2) The fund shall be treated as a special trust fund and interest earned on the principal shall be credited to the fund.

(3) The department shall keep accurate reports of monies handled as a part of the permanent records of the department, and the State Treasurer shall furnish the department such forms as may be needed, and the department shall account for such forms in reports to the Treasurer.

SECTION 2. Section 49-15-27, Mississippi Code of 1972, is amended as follows:

49-15-27. The department is hereby granted full and complete authority to lease the bottoms within its jurisdiction upon the following terms and conditions:

(1) All areas within the department's jurisdiction, not designated state-owned reefs by this chapter, including natural reefs and all areas not within the boundaries of riparian property owners may be leased by the department.

(2) All individual lessees shall be residents of the State of Mississippi, or if a firm or corporation, such firm or corporation shall be organized under the laws of the State of Mississippi and owned by a resident of the State of Mississippi.

(3) No individual, corporation, partnership or association may lease less than one (1) acre nor more than two thousand five hundred (2,500) acres total; however, in the case of an individual there shall be counted towards such limitation any lands leased by a corporation, partnership or association in which such individual owns ten percent (10%) or less interest and, in the case of a corporation, partnership or association, there shall be counted toward such limitation any lands leased by an individual stockholder, partner or associate thereof who owns ten percent (10%) or less interest in such corporation, partnership or association.

(4) Individuals, firms or corporations desiring to lease bottoms shall make application to the department in writing, describing the area to be leased. Applications must include a plat showing the proposed lease area and description of cultch material type and amount to be deployed on the leased area.

(5) (a) Any person who qualifies and who desires to lease a part of the bottom or bed of any of the waters of this state as provided in this section shall present to the department a written application, and pay an application fee in the amount of Fifty Dollars ($50.00). This application shall contain the name and address of the applicant and a reasonably definite description of the location and amount of land covered by water desired by the applicant. The department has the authority to establish a system to determine qualifications of applicants. Upon receipt of the application, the department shall * * * determine the qualifications of the applicant. Applicants will be prioritized based upon their demonstrated level of experience in oyster cultivation and their financial stability. The department shall then order an examination to determine whether the water bottoms applied for are leasable * * *. If the applicant is found to be qualified and the area is found to be leasable, the department shall * * * determine the acreage upon which the rent shall be fixed and enter into a lease with the applicant * * *, who shall pay the prorated annual rent in advance for the remainder of the calendar year. If the applicant is not eligible for a lease, the department shall issue a written notice declining the application with specific reasons for same * * *. The department has the authority to lease an area to an applicant that has no experience in oyster cultivation as long as the applicant can demonstrate their financial stability and the area applied for has not been requested by another applicant with demonstrated experience. The department has the authority to reconfigure the lease areas from that requested by the applicant in the manner that promotes maximum utilization of the state's resources. In the event the area requested by the applicant has to be reconfigured, the applicant has the right to refuse the reconfigured area and withdraw their application and receive a refund of their application fee.

* * *

(* * *b) The department shall require that the bottoms of water areas to be leased be as definable as possible, taking into consideration such factors as the shape of the body of water, permitted areas, and the condition of the bottom as to hardness or softness which would render it desirable or undesirable for the purpose of oyster cultivation.

* * *

(* * *c) A lease applicant may withdraw a lease application and receive a full refund from the department of all application fees, by submitting a written request for withdrawal to the department within ninety (90) days after the department * * * received the application.

(6) Such leases shall be for an initial term of fifteen (15) years, with the lessee having the right of first renewal of the lease for an additional fifteen (15) years, and continue to renew at fifteen-year intervals, at the same ground rental rate so long as lessee actively cultivates and gathers oysters, and complies with the provisions of this chapter. No lease may be transferred without approval by the department of the transfer.

(7) The terms of every lease issued hereunder shall ensure the maximum cultivation and propagation of oysters. Throughout the term of every lease issued hereunder, each lessee shall add cultch and make other necessary efforts to ensure the maximum cultivation and propagation of oysters. The department shall promulgate regulations to set forth guidelines for lessees to follow to ensure the maximum cultivation and propagation of oysters under the lease. The lessee shall submit a written report with supporting documentation to the department of efforts to cultivate and propagate oysters

for the previous year. If the department finds a lessee is not making efforts to cultivate and propagate oysters, and the lessee fails to take remedial steps to address same, such lease shall be subject to termination as provided for hereunder.

(8) The department shall fix a ground rental rate at Three Dollars ($3.00) per acre per year. The annual rental payments shall be due by December 31 for the next calendar year.

(9) Any lessee who pays the rent on or after the first day of January shall pay the rent due plus an additional ten percent (10%) penalty. The failure of the lessee to pay the rent punctually on or before the first of each March, ipso facto and without demand or putting in default, terminates and cancels the lease and forfeits to the department all the works, improvements, betterments, and oysters on the leased water bottom. The department may at once enter on the water bottom and take possession thereof. Such water bottom shall then be open for lease in accordance with subsections (5) through (8) of this section. Ten (10) days thereafter the department shall enter the termination, cancellation, and forfeiture on its books and give public notice thereof by publication in one (1) local paper in the county where the formerly leased water bottoms are located. On or before the first day of each February, the department shall issue a written notice of delinquency by certified mail to each lessee who has not yet paid the rent. The department shall also publish notice of such delinquency on its website.

(10) The department shall keep an accurate chart of the areas within its jurisdiction and shall mark on such chart those areas which are under lease. All leases shall be marked by appropriate poles, stakes or buoys of such material as will not injure watercraft, at the expense of the leaseholder. The department shall keep an accurate book, designated "Mississippi Oyster Farms" which shall contain copies of all leases. The department shall maintain a map of designated state-owned, leased areas, and areas available for lease on the department's website. If any lease be cancelled or expire, such fact shall be noted on the face of such lease. Lessees shall be "oyster farmers" for the purposes of any grants, aid, subsidies or other assistance from the federal government or other governmental or private agencies.

(11) All funds derived from leasing shall be paid into the Seafood Fund under Section 49-15-17, for use by the department to further oyster production in this state, which includes plantings of oysters and cultch materials.

(12) All leases made by the department under the authority of this section shall be subject to the paramount right of the state and any of its political subdivisions authorized by law, to promote and develop ports, harbors, channels, industrial or recreational projects, and all such leases shall contain a provision that in the event such authorized public body shall require the area so leased or any part thereof for such public purposes, that the lease shall be terminated on reasonable notice fixed by the department in such lease. On the termination of any lease, the lessees shall have the right to remove any oysters within the leased area within such time as may be fixed by the department and in accordance with such reasonable rules and regulations as the department may adopt.

Any person convicted of taking oysters from leased land or from waters that are not of a safe sanitary quality without a permit as provided in Section 49-15-37 shall, on the first offense, forfeit all equipment used, exclusive of any boat or boats; and be fined not to exceed Two Thousand Dollars ($2,000.00) or sentenced not to exceed one (1) year in the county jail, or both. Subsequent convictions shall be punishable by forfeiture of all equipment, including any boat or boats; and a fine not to exceed Five Thousand Dollars ($5,000.00) or not to exceed two (2) years in prison, or both such fine and imprisonment.

The department is enjoined to cooperate with the Jackson County Port Authority, the Harrison County Development Commission, the municipal port commission and other port and harbor agencies, so that oyster beds shall not be planted in close proximity to navigable channels. The department or lessee shall have no right of action as against

any such public body for damages accruing to any natural reef or leased reef by any necessary improvement of such channel in the interest of shipping, commerce, navigation or other purpose authorized by law.

(13) A lessee has the exclusive use of the water bottoms leased and all oysters and cultch grown or placed thereon. However, this exclusive right is subordinate to the rights and responsibilities of the state, any political subdivision of the state, the United States, or any agency or agent thereof, to take action in furtherance of coastal protection, conservation or restoration.

(14) In order to protect the health and safety of the residents of the State of Mississippi, the terms and conditions relating to the leasing of bottoms provided in this section shall be fully applicable to any lease executed by the Mississippi Department of Marine Resources prior to April 17, 2023, and the department shall revise any lease issued prior to April 17, 2023, as necessary in order to comply with the provisions of this section.

SECTION 3. Section 49-15-37, Mississippi Code of 1972, is amended as follows:

49-15-37. The department may employ boats, crews and laborers to cultivate the state-owned reefs of the state, and dredge the oysters in the Mississippi Sound from places where they are too thick, and spread them on reefs where they are too thin, and carry shells from the factories and spread them in places where the oyster beds can be improved and enlarged. The department may open state-owned reefs to the public for harvest. The department may purchase other materials as may be equally suitable for the propagation of oysters. The department in cultivating the reefs, transplanting and spreading oysters and shells and other suitable materials, may expend any funds available for that purpose, as provided by Section 49-15-17(1)(e). In taking seed oysters, care shall be used to not injure or destroy the merchantable oysters on the reefs from which they are taken. The seed oysters shall be tonged from the "conner" or seed reefs, unless it is practicable and safe to dredge those oysters. The department may establish new bedding grounds at those places within the boundaries of the state as it may determine, on advice of the director, or on advice of technical governmental experts, or competent aquatic biologists. On existing state-owned reefs in which oysters exist and in waters not of a safe sanitary quality as determined by the department, the department shall prohibit any person, firm or corporation from taking oysters from those areas. The department shall from time to time remove the oysters from the areas and relay or replant them in an approved area for a period of time under Section 49-15-36 before they may be harvested. Any funds received from the sale of the oysters shall be used in a like manner as those funds received under Section * * * 49-15-17(1)(e).

The department may issue permits to persons to remove oysters by dredging or otherwise from water bottoms which are not of a safe sanitary quality for oysters for human consumption. These areas may be designated as seed grounds, and permits to persons shall be issued only for the purpose of transplanting oysters to privately leased Mississippi territorial waters. The department may permit the transplanting of these seed oysters by a duly authorized public agency.

The department may, upon determining the water bottom from which oysters are to be removed is not of a safe, sanitary quality for oyster production for human consumption and has been unsafe for a period of at least one (1) year immediately preceding certification, and upon complying with the following requirements, permit the dredging of oysters from restricted public areas and relaying the oysters to private leased grounds in the State of Mississippi:

(a) Permittee must hold valid lease of oyster bedding grounds in the State of Mississippi;

(b) Permittee must be bonded in compliance with the permit system established by the department;

(c) Permittee must fulfill all permit requirements as established by the department;

(d) Permittee shall not move oysters from one restricted area to another restricted area;

(e) Permittee shall move oysters only to an area leased by the department; and

(f) Permittee shall not move oysters from the restricted area without the presence of an employee of the department at all times, from the dredging of the oysters from the restricted areas to their deposit on private leased grounds or to an onshore, molluscan depuration facility.

Harvesting of oysters shall be permitted only during daylight hours and with the most efficient gear possible consistent with conservation requirements of not damaging the reefs. This shall include permission to use two (2) dredges per boat on restricted areas and on private leased grounds.

Any person obtaining a permit to remove oysters from seed grounds shall post a penal bond of One Hundred Dollars ($100.00) per leased acre with the department to be forfeited upon any violation of this section. The bond may be approved by the director of the department if the director finds the bond to be secured by sufficient property or sureties.

The department shall regulate the amount and time of taking of oysters from seed areas and shall supervise the removal, planting and harvesting of oysters from the areas. The time set for the taking of oysters from restricted seed areas for relaying or replanting and the time set for the taking of oysters from private leased grounds shall be separated by not less than a period of time determined under Section 49-15-36 during which neither activity may be allowed.

SECTION 4. Section 49-15-38, Mississippi Code of 1972, is amended as follows:

49-15-38. (1) (a) Unless otherwise permitted by the department, no oysters shall be taken from state-owned reefs unless culled, and all oysters less than three (3) inches from end to end, and all dead shells, shall be replaced, scattered and broadcast immediately on the reefs from which they are taken. It is unlawful for any captain or person in charge of any vessel, or any canner, packer, commission man, dealer or other person to purchase, sell or to have in that person's possession or under that person's control any oysters off the state-owned reefs or private bedding grounds not culled according to this section, or any oysters under the legal size. A ten percent (10%) tolerance shall be allowed in relation to any culling.

(b) The department may authorize the culling of oysters of a lesser measure. That authorization shall be in response to special circumstances or extreme natural conditions affecting the habitat, including, but not limited to, flooding. The department may establish checkpoints in any area within its jurisdiction to conduct inspections, collect fees and issue tags in the enforcement of this chapter and regulations adopted by the commission.

(2) The department shall acquire and replant shells, seed oysters and other materials, when funding is available, for the purpose of growing oysters.

(3) Any person, firm or corporation failing or refusing to pay the shell retention fee required under Section 49-15-46 to the department when called for by the department, is

guilty of a misdemeanor and, upon conviction, shall be fined not more than One Hundred Dollars ($100.00) for each * * * sack of shells for which they fail or refuse to tender the shell retention fee. In addition to the fine, the violator shall pay the reasonable value of the oyster shells and shall be ineligible to be licensed for any activity set forth in this chapter for a period of two (2) years from the date of conviction.

(4) The planting of oyster shells as provided under this chapter shall be under the direction and supervision of the executive director of the department.

SECTION 5. Section 49-15-46, Mississippi Code of 1972, is amended as follows:

49-15-46. (b) (i) Amounts deposited into such special fund shall be disbursed to pay the costs of projects described in paragraph (a) of this subsection. If any monies in such special fund are not used within four (4) years after the date the proceeds of the bonds authorized under this section are deposited into the special fund, then the institution of higher learning for which any unused monies are allocated under paragraph (a) of this subsection shall provide an accounting of such unused monies to the commission. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(ii) Monies in the special fund may be used to reimburse reasonable actual and necessary costs incurred by the Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, in administering or providing assistance directly related to a project described in paragraph (a) of this subsection. An accounting of actual costs incurred for which reimbursement is sought shall be maintained for each project by the Department of Finance and Administration, Bureau of Building, Grounds and Real Property Management. Reimbursement of reasonable actual and necessary costs for a project shall not exceed two percent (2%) of the proceeds of bonds issued for such project. Monies authorized for a particular project may not be used to reimburse administrative costs for unrelated projects.

(c) The Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, is expressly authorized and empowered to receive and expend any local or other source funds in connection with the expenditure of funds provided for in this subsection. The expenditure of monies deposited into the special fund shall be under the direction of the Department of Finance and Administration, and such funds shall be paid by the State Treasurer upon warrants issued by such department, which warrants shall be issued upon requisitions signed by the Executive Director of the Department of Finance and Administration, or his designee.

(d) Any amounts allocated to an institution of higher learning that are in excess of that needed to complete the projects at such institution of higher learning that are described in paragraph (a) of this subsection may be used for general repairs and renovations at the institution of higher learning.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the

Department of Finance and Administration declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this section, the Department of Finance and Administration shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed * * * Seventy-five Million Six Hundred Seventy-five Thousand Dollars ($75,675,000.00). No bonds shall be issued under this section after July 1, 2025.

(b) Any investment earnings on amounts deposited into the special fund created in subsection (2) of this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(4) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(5) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(6) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(7) The commission shall act as issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for

payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(8) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special funds created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(10) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(11) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Title 31, Chapter 13, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 2. There is created in the State Treasury a special fund designated as the "2024 IHL Capital Projects Fund." The fund shall be maintained by the State Treasurer as a separate and special fund, apart from the State General Fund.

Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited to the credit of the special fund. Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, with the approval of the Board of Trustees of State Institutions of Higher Learning on those projects related to the universities under its management and control, to pay the costs of capital improvements, renovation and/or repair of existing facilities, furnishings and/or equipping facilities for public facilities as hereinafter described:

(g) Evidences of indebtedness which are issued pursuant to this subsection shall not be deemed indebtedness of the county within the meaning specified in Section 19-9-5.

(h) In administering the provisions of this subsection, the Department of Finance and Administration shall have the following powers and duties:

(i) To supervise the use of all funds made available under this subsection;

(ii) To review and certify that the funds that are made available under this subsection are utilized as authorized under this subsection;

(iv) To maintain an accurate record of all funds made available to the county under this subsection; and

(v) To adopt and promulgate such rules and regulations as may be necessary or desirable for the purpose of implementing the provisions of this subsection.

(3) (a) For the purposes of providing for the payment of the principal of and interest on bonds issued under this section, there is created in the State Treasury a special fund to be known as the "Hinds County Courthouse Loan Fund Bond Sinking Fund." The bond sinking fund shall consist of monies deposited into the fund by the county for repayment of loans issued under this section, and such other amounts as may be paid into the bond sinking fund by appropriation or other authorization by the Legislature. Unexpended amounts remaining in the bond sinking fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the bond sinking fund shall be deposited into the bond sinking fund.

(b) At any time when the funds required to pay the principal of and interest on the bonds issued under this section are more than the amounts available in the bond sinking fund, the Legislature shall appropriate the balance of the amount necessary to

pay the principal of and interest on the bonds issued under this section from the State General Fund.

(c) The total amount of all payments deposited into the bond sinking fund until the maturity date of the bonds authorized under this section shall be in an amount sufficient to retire the bonds.

(4) (a) The Department of Finance and Administration, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration declaring the necessity for the issuance of any part or all of the bonds authorized by this section, the Department of Finance and Administration shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of the resolution, the commission, in its discretion, may act as the issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of the bonds. The total amount of bonds issued under this section shall not exceed Ten Million Dollars ($10,000,000.00).

(b) Any investment earnings on amounts deposited into the special fund created in subsection (2) of this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of the bonds.

(5) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. The bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as determined by resolution of the commission.

(6) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to the bonds may be executed by the facsimile signatures of those officers. Whenever any such bonds have been signed by the officials designated to sign the bonds who were in office at the time of the signing but who may have ceased to be those officers before the sale and delivery of the bonds, or who may not have been in office on the date that the bonds may bear, the signatures of those officers upon the bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing the bonds had remained in office until their delivery to the purchaser, or had been in office on the date the bonds may bear. However, notwithstanding anything in this section to the contrary, the bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(7) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(8) The commission shall act as the issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in the issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of the bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of the bonds. The commission may sell the bonds on sealed bids at public sale or may negotiate the sale

of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on the bonds so issued shall be payable semiannually or annually.

If the bonds are to be sold on sealed bids at public sale, notice of the sale of any such bonds shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(9) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof, the full faith and credit of the State of Mississippi is irrevocably pledged. The principal of and the interest on the bonds shall be payable primarily from the bond sinking fund created in subsection (3) of this section in the manner provided in that subsection. If the funds available in the bond sinking fund and any funds appropriated by the Legislature for those purposes are insufficient to pay the principal of and the interest on the bonds as they become due, then the amount of the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this section.

(10) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. The proceeds of the bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(11) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things that are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(12) The bonds authorized under this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(13) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under the resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest on the bonds.

(14) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities that may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(15) Bonds issued under the provisions of this section and income from the bonds shall be exempt from all taxation in the State of Mississippi.

(16) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(17) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the

department is authorized and directed to issue those warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of those bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(18) This section shall be deemed to be full and complete authority for the exercise of the powers granted in this section, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

25-61-5. (1) (a) Except as otherwise provided by Sections 25-61-9, 25-61-11, 25-61-11.2 and 37-153-7, all public records are hereby declared to be public property, and any person shall have the right to inspect, copy or mechanically reproduce or obtain a reproduction of any public record of a public body in accordance with reasonable written procedures adopted by the public body concerning the cost, time, place and method of access, and public notice of the procedures shall be given by the public body, or, if a public body has not adopted written procedures, the right to inspect, copy or mechanically reproduce or obtain a reproduction of a public record of the public body shall be provided within one (1) working day after a written request for a public record is made. No public body shall adopt procedures which will authorize the public body to produce or deny production of a public record later than seven (7) working days from the date of the receipt of the request for the production of the record.

(b) If a public body is unable to produce a public record by the seventh working day after the request is made, the public body must provide a written explanation to the person making the request stating that the record requested will be produced and specifying with particularity why the records cannot be produced within the seven-day period. The manufacturer may redact certain confidential commercial or financial information provided under subsection (3)(a) of this section. The cost of such seizure, forfeiture and destruction shall be borne by the person from whom the products are confiscated, except that no products may be seized from a consumer who has made a bona fide purchase of such product. The department may store and dispose of the seized products as appropriate, in accordance with federal, state, and local laws pertaining to storage and disposal of such products.

(8) If the property is an aircraft or part thereof and if there is any reasonable cause to believe that an instrument in the nature of a security device affects the property, inquiry of the Mississippi Department of Transportation shall be made as to what the records of the Federal Aviation Administration show as to who is the record owner of the property and who, if anyone, holds an instrument in the nature of a security device which affects the property.

(9) If the answer to an inquiry states that the record owner of the property is any person other than the person who was in possession of it when it was seized, or states that any person holds any lien, encumbrance, security interest, other interest in the nature of a security interest, mortgage or deed of trust that affects the property, the record owner and also any lienholder, secured party, other person who holds an interest in the property in the nature of a security interest, or holder of an encumbrance, mortgage or deed of trust that affects the property is to be named in the petition of forfeiture and is to be served with process in the same manner as in civil cases.

(10) If the owner of the property cannot be found and served with a copy of the petition of forfeiture, or if no person was in possession of the property subject to forfeiture at the time that it was seized and the owner of the property is unknown, there shall be filed with the clerk of the court in which the proceeding is pending an affidavit to such effect, whereupon the clerk of the court shall publish notice of the hearing addressed to "the Unknown Owner of _____," filling in the blank space with a reasonably detailed description of the property subject to forfeiture. Service by publication shall contain the other requisites prescribed in Section 11-33-41, and shall be served as provided in Section 11-33-37, for publication of notice for attachments at law.

(11) No proceedings instituted pursuant to the provisions of this section shall proceed to hearing unless the judge conducting the hearing is satisfied that this section has been complied with. Any answer received from an inquiry required by this section shall be introduced into evidence at the hearing.

(12) (a) An owner of a property that has been seized shall file an answer within thirty (30) days after the completion of service of process. If an answer is not filed, the court shall hear evidence that the property is subject to forfeiture and forfeit the property to the seizing law enforcement agency. If an answer is filed, a time for hearing on forfeiture shall be set within thirty (30) days of filing the answer or at the succeeding term of court if court would not be in session within thirty (30) days after filing the answer. The court may postpone the forfeiture hearing to a date past the time any criminal action is pending against the owner upon request of any party.

(b) If the owner of the property has filed an answer denying that the property is subject to forfeiture, then the burden is on the petitioner to prove that the property is subject to forfeiture. However, if an answer has not been filed by the owner of the property, the petition for forfeiture may be introduced into evidence and is prima facie evidence that the property is subject to forfeiture. The burden of proof placed upon the petitioner in regard to property forfeited under the provisions of this chapter shall be by a preponderance of the evidence.

(c) At the hearing any claimant of any right, title or interest in the property may prove his lien, encumbrance, security interest, other interest in the nature of a security interest, mortgage or deed of trust to be bona fide and created without knowledge or consent that the property was to be used so as to cause the property to be subject to forfeiture.

(d) If it is found that the property is subject to forfeiture, then the judge shall forfeit the property. However, if proof at the hearing discloses that the interest of any bona fide lienholder, secured party, other person holding an interest in the property in the nature of a security interest, or any holder of a bona fide encumbrance, mortgage or deed of trust is greater than or equal to the present value of the property, the court shall order the property released to him. If the interest is less than the present value of the property and if the proof shows that the property is subject to forfeiture, the court shall order the property forfeited.

(13) Unless otherwise provided herein, all personal property which is forfeited under this section shall be liquidated and, after deduction of court costs and the expense of liquidation, the proceeds shall be divided as follows:

(a) If only one (1) law enforcement agency participates in the underlying criminal case out of which the forfeiture arises, fifty percent (50%) of the proceeds shall be forwarded to the State Treasurer and deposited in the Victims of Human Trafficking and Commercial Sexual Exploitation Fund, and fifty percent (50%) shall be deposited and credited to the budget of the participating law enforcement agency.

(b) If more than one (1) law enforcement agency participates in the underlying criminal case out of which the forfeiture arises, fifty percent (50%) of the proceeds shall be forwarded to the State Treasurer and deposited in the Victims of Human Trafficking and Commercial Sexual Exploitation Fund, twenty-five percent (25%) of the proceeds shall be deposited and credited to the budget of the law enforcement agency whose officers initiated the criminal case and twenty-five percent (25%) shall be divided equitably between or among the other participating law enforcement agencies, and shall be deposited and credited to the budgets of the participating law enforcement agencies. In the event that the other participating law enforcement agencies cannot agree on the division of their twenty-five percent (25%), a petition shall be filed by any one of them in

the court in which the civil forfeiture case is brought and the court shall make an equitable division.

(14) All money forfeited under this section shall be divided, deposited and credited in the same manner as provided in subsection (13).

(15) All real estate forfeited under the provisions of this section shall be sold to the highest and best bidder at a public auction for cash, the auction to be conducted by the chief law enforcement officer of the initiating law enforcement agency, or his designee, at such place, on such notice and in accordance with the same procedure, as far as practicable, as is required in the case of sales of land under execution at law. The proceeds of the sale shall first be applied to the cost and expense in administering and conducting the sale, then to the satisfaction of all mortgages, deeds of trust, liens and encumbrances of record on the property. The remaining proceeds shall be divided, forwarded and deposited in the same manner as provided in subsection (13).

(16) (a) Any state, county or municipal law enforcement agency may maintain, repair, use and operate for official purposes all property described in subsection (1)(a)(i) of this section that has been forfeited to the agency if it is free from any interest of a bona fide lienholder, secured party or other party who holds an interest in the property in the nature of a security interest. The state, county or municipal law enforcement agency may purchase the interest of a bona fide lienholder, secured party or other party who holds an interest so that the property can be released for its use. If the property is a motor vehicle susceptible of titling under the Mississippi Motor Vehicle Title Law, the law enforcement agency shall be deemed to be the purchaser, and the certificate of title shall be issued to it as required by subsection (9) of this section.

(b) (i) If a vehicle is forfeited to or transferred to a sheriff's department, then the sheriff may transfer the vehicle to the county for official or governmental use as the board of supervisors may direct.

(ii) If a vehicle is forfeited to or transferred to a police department, then the police chief may transfer the vehicle to the municipality for official or governmental use as the governing authority of the municipality may direct.

(c) If a motor vehicle forfeited to a state, county or municipal law enforcement agency becomes obsolete or is no longer needed for official or governmental purposes, it may be disposed of in accordance with Section 19-7-5 or in the manner provided by law for disposing of municipal property.

(17) The forfeiture procedure set forth in this section is the sole remedy of any claimant, and no court shall have jurisdiction to interfere therewith by replevin, injunction, supersedeas or in any other manner.

Senator Harkins called up the following entitled bill:

H. B. No. 1983: Bonds; authorize issuance for various purposes.

Senator Harkins offered the following COMMITTEE AMENDMENT NO. 1.

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) The provisions of this section shall apply to every section of this act that relates to the issuance of bonds unless otherwise provided in this act.

(2) As used in this act, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "State" means the State of Mississippi.

(b) "Commission" means the State Bond Commission.

(3) The principal of and interest on the bonds authorized under this act shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(4) The bonds authorized by this act shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(5) All bonds and interest coupons issued under the provisions of this act have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this act, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(6) The commission shall act as issuing agent for the bonds authorized under this act, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this act from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this act, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(7) The bonds issued under the provisions of this act are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(8) Upon the issuance and sale of bonds under the provisions of this act, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (1) of the applicable section of this act. The proceeds of such bonds shall be disbursed from the special fund under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(9) The bonds authorized under this act may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this act. Any resolution providing for the issuance of bonds under the provisions of this act shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(10) The bonds authorized under the authority of this act may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Title 31, Chapter 13, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(11) Any holder of bonds issued under the provisions of this act or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this

act, or under such resolution, and may enforce and compel performance of all duties required by this act to be performed, in order to provide for the payment of bonds and interest thereon.

(12) All bonds issued under the provisions of this act shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(13) Bonds issued under the provisions of this act and income therefrom shall be exempt from all taxation in the State of Mississippi.

(14) The proceeds of the bonds issued under this act shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(15) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this act; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof. As used in this section, the "accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (a) the stated initial value of such bond, plus (b) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(16) This act shall be deemed to be full and complete authority for the exercise of the powers granted in this act that relate to the issuance of bonds, but this act shall not be deemed to repeal or to be in derogation of any existing law of this state that relates to the issuance of bonds.

SECTION 2. (1) (a) (i) A special fund, to be designated as the "2024 IHL Capital Improvements Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, with the approval of the Board of Trustees of State Institutions of Higher Learning on those projects related to the universities under its management and control to pay the costs of capital improvements, renovation and/or repair of existing facilities, furnishings and/or equipping facilities for public facilities as hereinafter described:

No bonds shall be issued under this section after July 1, 2028.

(b) Any investment earnings on amounts deposited into the special fund created in subsection (1) of this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(3) The provisions of Section 1 of this act shall apply to the issuance of bonds authorized under this section.

SECTION 5. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bonds means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) The Commission on Environmental Quality, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for the Water Pollution Control Revolving Fund established in Section 49-17-85, Mississippi Code of 1972. Upon the adoption of a resolution by the Commission on Environmental Quality declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the Commission on Environmental Quality shall deliver a certified copy of its resolution or resolutions to the commission; however, the Commission on Environmental Quality shall declare the necessity for the issuance of bonds only in the amount necessary to match projected federal funds available through the following federal fiscal year from the annual Clean Water State Revolving Fund (CWSRF) appropriations and from the supplemental Infrastructure Investment and Jobs Act (IIJA) appropriations. Upon receipt of such resolution, the commission, in its discretion, may act as the issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed Five Million Five Hundred Forty-one Thousand Dollars ($5,541,000.00); however, not more than One Million Two Hundred Eighty-four Thousand Dollars ($1,284,000.00) of such bonds may be issued to match the annual CWSRF appropriations and not more than Four Million Two Hundred Fifty-seven Thousand Dollars ($4,257,000.00) of such bonds may be issued to match the supplemental IIJA appropriations.

(b) The proceeds of bonds issued pursuant to this subsection shall be deposited into the Water Pollution Control Revolving Fund created pursuant to Section 49-17-85, Mississippi Code of 1972.

(3) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this section. Such bonds shall bear such date or

dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(4) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(5) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(6) The commission shall act as the issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If the bonds are to be sold on sealed bids at public sale, notice of the sale of any such bonds shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(7) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. Interest and investment earnings on money in the Water Pollution Control Revolving Fund shall be utilized to pay the principal and interest on such bonds as they become due. If the interest and investment earnings of the fund and any funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this section.

(8) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the Water Pollution Control Revolving Fund created in Section 49-17-85, Mississippi Code of 1972. After the transfer of the proceeds of any such sale or sales to the Water Pollution Control

Revolving Fund, any investment earnings or interest earned on the proceeds of such bonds shall be deposited to the credit of the Water Pollution Control Revolving Fund and shall be used only for the purposes provided in Section 49-17-85, Mississippi Code of 1972. The proceeds of such bonds shall be disbursed solely upon the order of the Commission on Environmental Quality under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(9) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(10) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(11) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(12) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(13) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(14) The proceeds of the bonds issued under this section shall be used solely for the purposes therein provided, including the costs incident to the issuance and sale of such bonds.

(15) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(16) This section shall be deemed to be full and complete authority for the exercise of the powers therein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 6. Section 49-17-85, Mississippi Code of 1972, is amended as follows:

49-17-85. (1) There is established in the State Treasury a fund to be known as the "Water Pollution Control Revolving Fund," which shall be administered by the commission acting through the department. The revolving fund may receive bond proceeds and funds appropriated or otherwise made available by the Legislature in any manner and funds from any other source, public or private. The revolving fund shall be maintained in perpetuity for the purposes established in this section.

(2) There is established in the State Treasury a fund to be known as the "Water Pollution Control Hardship Grants Fund," which shall be administered by the commission acting through the department. The grants fund shall be maintained in perpetuity for the purposes established in this section. Any interest earned on monies in the grants fund shall be credited to that fund.

(3) The commission shall promulgate regulations for the administration of the revolving fund program, the hardship grants program and for related programs authorized under this section. The regulations shall be in accordance with the federal Water Quality Act of 1987, as amended, and regulations and guidance issued under that act. The commission may enter into capitalization grant agreements with the United States Environmental Protection Agency and may accept capitalization grant awards made under Title VI of the Water Quality Act of 1987, as amended.

(4) The commission shall establish a loan program which shall commence after October 1, 1988, to assist political subdivisions in the construction of water pollution control projects. Loans from the revolving fund may be made to political subdivisions as set forth in a loan agreement in amounts not exceeding one hundred percent (100%) of eligible project costs as established by the commission. Notwithstanding loan amount limitations set forth in Section 49-17-61, the commission may require local participation or funding from other sources, or otherwise limit the percentage of costs covered by loans from the revolving fund. The commission may establish a maximum amount for any loan in order to provide for broad and equitable participation in the program.

(5) The commission shall establish a hardship grants program for rural communities, which shall commence after July 1, 1997, to assist severely economically disadvantaged small rural political subdivisions in the construction of water pollution control projects. The commission may receive and administer state or federal funds, or both, appropriated for the operation of this grants program and may take all actions necessary to implement the program in accordance with the federal hardship grants program. The hardship grants program shall operate in conjunction with the revolving loan program administered under this section.

(6) The commission shall act for the state in all matters and with respect to all determinations under Title VI of the federal Water Quality Act of 1987, as amended, and the federal Omnibus Appropriations and Recision Act of 1996.

(7) Except as otherwise provided in this section, the revolving fund may be used only:

(a) To make loans on the condition that:

(i) The loans are made at or below market interest rates, at terms not to exceed the maximum time allowed by federal law after project completion; the interest rate and term may vary from time to time and from loan to loan at the discretion of the commission;

(ii) Periodic principal and interest payments will commence when required by the commission but not later than one (1) year after project completion and all loans will be fully amortized when required by the commission but not later than the maximum time allowed by federal law after project completion;

(iii) The recipient of a loan will establish a dedicated source of revenue for repayment of loans;

(b) To buy or refinance the debt obligation of political subdivisions at or below market rates, where the debt obligations were incurred after March 7, 1985, and where the projects were constructed in compliance with applicable federal and state regulations;

(c) To guarantee, or purchase insurance for, obligations of political subdivisions where the action would improve credit market access or reduce interest rates;

(d) To provide loan guarantees for similar revolving funds established by municipalities or intermunicipal agencies;

(e) To earn interest on fund accounts;

(f) To establish nonpoint source pollution control management programs;

(g) To establish estuary conservation and management programs;

(h) For the reasonable costs of administering the revolving fund and conducting activities under this act, subject to the limitations established in Section 603(d)(7) of Title VI of the federal Clean Water Act, as amended, and subject to annual appropriation by the Legislature;

(i) In connection with the issuance, sale and purchase of bonds under Section 31-25-1 et seq., related to the funding of projects, to provide security or a pledge of revenues for the repayment of the bonds; and

(j) To pay the principal and interest on bonds issued pursuant to Section 11 of Chapter 580, Laws of 2007, Section 1 of Chapter 492, Laws of 2008, Section 47 of Chapter 557, Laws of 2009, Section 45 of Chapter 533, Laws of 2010, Section 3 of Chapter 480, Laws of 2011, Section 36 of Chapter 569, Laws of 2013, Section 9 of Chapter 452, Laws of 2018, Section 1 of Chapter 415, Laws of 2019, Section 16 of Chapter 492, Laws of 2020, * * * Section 137 of Chapter 480, Laws of 2021, and Section 5 of this act, as they become due; however, only interest and investment earnings on money in the fund may be utilized for this purpose.

(8) The hardship grants program shall be used only to provide hardship grants consistent with the federal hardship grants program for rural communities, regulations and guidance issued by the United States Environmental Protection Agency, subsections (3) and (5) of this section and regulations promulgated and guidance issued by the commission under this section.

(9) The commission shall establish by regulation a system of priorities and a priority list of projects eligible for funding with loans from the revolving fund.

(10) The commission may provide a loan from the revolving fund only with respect to a project if that project is on the priority list established by the commission.

(11) The revolving fund shall be credited with all payments of principal and interest derived from the fund uses described in subsection (7) of this section. However, notwithstanding any other provision of law to the contrary, all or any portion of payments of principal and interest derived from the fund uses described in subsection (7) of this section may be designated or pledged for repayment of a loan as provided in Section 31-25-28 in connection with a loan from the Mississippi Development Bank.

(12) The commission may establish and collect fees to defray the reasonable costs of administering the revolving fund if it determines that the administrative costs will exceed the limitations established in Section 603(d)(7) of Title VI of the federal Clean Water Act, as amended. The administration fees may be included in loan amounts to political subdivisions for the purpose of facilitating payment to the commission. The fees may not exceed five percent (5%) of the loan amount.

(13) Except as otherwise provided in this section, the commission may, on a case-by-case basis and to the extent allowed by federal law, renegotiate the payment of principal and interest on loans made under this section to the six (6) most southern counties of the state covered by the Presidential Declaration of Major Disaster for the State of Mississippi (FEMA-1604-DR) dated August 29, 2005, and to political subdivisions located in such counties; however, the interest on the loans shall not be forgiven for a period of more than twenty-four (24) months and the maturity of the loans shall not be extended for a period of more than forty-eight (48) months.

(14) The commission may, on a case-by-case basis and to the extent allowed by federal law, renegotiate the payment of principal and interest on loans made under this section to Hancock County as a result of coverage under the Presidential Declaration of Major Disaster for the State of Mississippi (FEMA-1604-DR) dated August 29, 2005, and to political subdivisions located in Hancock County.

SECTION 7. Section 18, Chapter 492, Laws of 2020, is amended as follows:

Section 18. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bonds means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) The Commission on Environmental Quality, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for the grant program authorized in Section 19 of this act. Upon the adoption of a resolution by the Commission on Environmental Quality, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the Commission on Environmental Quality shall deliver a certified copy of its resolution or resolutions to the commission.

Upon receipt of such resolution, the commission, in its discretion, may act as the issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed * * * Three Million Dollars ($3,000,000.00). No bonds authorized under this section shall be issued after July 1, * * * 2028.

(b) The proceeds of bonds issued pursuant to this section shall be deposited into the Mississippi Dam Safety Fund created pursuant to Section * * * 19 of this act. (3) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(4) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(5) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(6) The commission shall act as issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for

payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(7) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(8) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the Mississippi Dam Safety Fund created in Section * * * 19 of this act. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Environmental Quality under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(9) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(10) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(11) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(12) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(13) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(14) The proceeds of the bonds issued under this section shall be used solely for the purposes therein provided, including the costs incident to the issuance and sale of such bonds.

(15) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(16) This section shall be deemed to be full and complete authority for the exercise of the powers therein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

(b) (i) Amounts deposited into such special fund shall be disbursed to pay the costs of projects described in paragraph (a) of this subsection. If any monies in such special fund are not used within four (4) years after the date the proceeds of the bonds authorized under this section are deposited into the special fund, then the institution of higher learning for which any unused monies are allocated under paragraph (a) of this subsection shall provide an accounting of such unused monies to the commission. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(ii) Monies in the special fund may be used to reimburse reasonable actual and necessary costs incurred by the Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, in administering or providing assistance directly related to a project described in paragraph (a) of this subsection. An accounting of actual costs incurred for which reimbursement is sought shall be maintained for each project by the Department of Finance and Administration, Bureau of Building, Grounds and Real Property Management. Reimbursement of reasonable actual and necessary costs for a project shall not exceed two percent (2%) of the proceeds of bonds issued for such project.

Monies authorized for a particular project may not be used to reimburse administrative costs for unrelated projects.

(c) The Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, is expressly authorized and empowered to receive and expend any local or other source funds in connection with the expenditure of funds provided for in this subsection. The expenditure of monies deposited into the special fund shall be under the direction of the Department of Finance and Administration, and such funds shall be paid by the State Treasurer upon warrants issued by such department, which warrants shall be issued upon requisitions signed by the Executive Director of the Department of Finance and Administration, or his designee.

(d) Any amounts allocated to an institution of higher learning that are in excess of that needed to complete the projects at such institution of higher learning that are described in paragraph (a) of this subsection may be used for general repairs and renovations at the institution of higher learning.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this section, the Department of Finance and Administration shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed Eighty-six Million Seven Hundred Twenty-five Thousand Dollars ($86,725,000.00). No bonds shall be issued under this section after July 1, 2024.

(b) Any investment earnings on amounts deposited into the special fund created in subsection (2) of this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(4) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(5) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(6) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the

(7) The commission shall act as issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(8) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special funds created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(10) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

Senator Harkins offered the following COMMITTEE AMENDMENT NO. 1.

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) A person, firm, or corporation operating a refinery for the refining of oil, gas or petroleum products and owning oil, gas or petroleum products, whether produced within or without the state, which (a) are located at such a refinery prior to being refined, (b) are in the process of being refined at such refinery, or (c) have been refined at such refinery and are stored at such refinery, and which are subject to ad valorem taxes levied or hereafter levied by any county, municipality, levee district, school district or any other taxing authority of the state or a political subdivision thereof shall be allowed a tax credit for the amount of all ad valorem taxes payable by the person, firm or corporation that are attributable to such oil, gas or petroleum products. The tax credit may be applied against other ad valorem taxes payable on other taxable refinery property of such person, firm or corporation by the same county, municipality, levee district, school district or any other taxing authority of the state or a political subdivision thereof. However, the amount of credit that may be utilized during a taxable year cannot exceed the ad valorem tax liability of the person, firm or corporation on such other property for the taxable year. The tax credit provided by this section shall also extend to ad valorem taxes payable that are attributable to such oil, gas and petroleum products owned by any corporation controlled by or under common control with, or controlling such refiner; however, the tax credit shall not extend to those finished petroleum products no longer at the refinery incident to regular, normal and customary marketing operations held in temporary storage at marketing bulk plants outside refinery property, including storage facilities from which a finished product is marketed in the state and from which a finished product is shipped out of the state for marketing, or at retail service stations.

(2) The administration of the tax credit provided by this section will be performed by the tax assessor and/or tax collector of the county in which each refinery is located, and may include a credit applied by the tax assessor against the assessed value of other taxable property, or a credit applied by the tax collector against taxes on other taxable property which have been determined but not yet billed.

(3) Any amount of ad valorem taxes applied and used as a tax credit under Section 27-7-22.5, Mississippi Code of 1972, may not be applied and used as a tax credit under this section.

SECTION 2. Section 27-7-22.5, Mississippi Code of 1972, is amended as follows:

27-7-22.5. (1) (a) For any manufacturer, distributor, wholesale or retail merchant who pays to a county, municipality, school district, levee district or any other taxing authority of the state or a political subdivision thereof, ad valorem taxes imposed on commodities, raw materials, works-in-process, products, goods, wares and merchandise held for resale, a credit against the income taxes imposed under this chapter shall be allowed for the portion of the ad valorem taxes so paid in the amounts prescribed in subsection (2).

(b) (i) For any person, firm or corporation who pays to a county, municipality, school district, levee district or any other taxing authority of the state or a political subdivision thereof, ad valorem taxes imposed on rental equipment, a credit against the income taxes imposed under this chapter shall be allowed for the portion of the ad valorem taxes so paid in the amounts prescribed in subsection (2).

(ii) As used in this paragraph, "rental equipment" means any rental equipment or other rental items which are held for short-term rental to the public:

2. Under at-will or open-ended agreements; or

3. Under rental agreements with terms ordinarily of less than three hundred sixty-five (365) days; and

4. Is not subject to privilege taxes imposed in Chapter 19, Title 27, Mississippi Code of 1972.

(c) The tax credit allowed by this section may not be claimed by a taxpayer that is a medical cannabis establishment as defined in the Mississippi Medical Cannabis Act.

(2) The tax credit allowed by this section shall not exceed the amounts set forth in paragraphs (a) through (g) of this subsection; and may be claimed for each location where such commodities, raw material, works-in-process, products, goods, wares, merchandise and/or rental equipment are found and upon which the ad valorem taxes have been paid. Any tax credit claimed under this section but not used in any taxable year may be carried forward for five (5) consecutive years from the close of the tax year in which the credit was earned.

(a) For the 1994 taxable year, the tax credit for each location of the taxpayer shall not exceed the lesser of Two Thousand Dollars ($2,000.00) or the amount of income taxes due the State of Mississippi that are attributable to such location.

(b) For the 1995 taxable year, the tax credit for each location of the taxpayer shall not exceed the lesser of Three Thousand Dollars ($3,000.00) or the amount of income taxes due the State of Mississippi that are attributable to such location.

Senator Harkins called up the following entitled bill:

H. B. No. 1354: Alcoholic Beverage Control Division warehouse; increase amount of revenue bonds authorized for and bailment fee authorized for paying debt service on bonds.

Senator Johnson offered the following COMMITTEE AMENDMENT NO. 1.

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 7, Chapter 483, Laws of 2022, is amended as follows:

Section 7. Revenue bonds. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest

accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) Monies deposited into the ABC Warehouse Construction Fund created in Section 6(1) of this act shall be disbursed, in the discretion of the Department of Finance and Administration, to assist in paying the costs associated with land acquisition for, and the design, construction, furnishing and equipping of, a new warehouse for the Department of Revenue's Alcoholic Beverage Control Division.

(b) Amounts deposited into the ABC Warehouse Construction Fund created in Section 6(1) of this act shall be disbursed to pay the costs of the projects described in paragraph (a) of this subsection. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(3) For the purpose of providing for the payment of the principal of and interest upon bonds issued under this section, there is created a special bond sinking fund in the State Treasury. The special bond sinking fund shall consist of such amounts as may be paid into such fund under this act, by appropriation or by other authorization by the Legislature. Except as otherwise provided in this section, monies in the special bond sinking fund shall be used to pay the debt service requirements of the bonds issued under this section. If the special bond sinking fund has a balance below the minimum amount specified in the resolution providing for the issuance of the bonds, or below one and one-half (1-1/2) times the amount needed to pay the annual debt obligations related to the bonds issued under this section, whichever is the lesser amount, the Commissioner of Revenue shall transfer the deficit amount to the bond sinking fund from revenue derived from the twenty-seven and one-half percent (27-1/2%) markup provided for in Section 27-71-11. Unexpended amounts remaining in the special bond sinking fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the special bond sinking fund shall be deposited into such sinking fund. If the special bond sinking fund has a balance in excess of the amount needed to pay the debt service and meet the obligations related to the bonds issued under this section, as determined in the resolution providing for the issuance of the bonds, the excess monies shall be transferred to the State General Fund.

(4) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of revenue bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the revenue bonds authorized by this subsection, the Department of Finance and Administration shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as the issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed * * * Ninety-five Million Dollars ($95,000,000.00).

(b) Any investment earnings on amounts deposited into the ABC Warehouse Construction Fund created in Section 6(1) of this act shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(5) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(6) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds have been signed by the officials designated to sign the bonds who were in office at the time of such signing, but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(7) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(8) The commission shall act as issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(9) The bonds issued under the provisions of this section shall be revenue bonds of the state, the principal of and interest on which shall be payable solely from and shall

be secured by the special bond sinking fund created in subsection (3) of this section. The bonds shall never constitute an indebtedness of the state within the meaning of any state constitutional provision or statutory limitation, and shall never constitute or give rise to a pecuniary liability of the state, or a charge against its general credit or taxing powers, and such fact shall be plainly stated on the face of each such bond. The bonds shall not be considered when computing any limitation of indebtedness of the state. All bonds issued under the authority of this section and all interest coupons applicable thereto shall be construed to be negotiable instruments, despite the fact that they are payable solely from a specified source.

(10) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the ABC Warehouse Construction Fund created in Section 6(1) of this act. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(11) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(12) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Title 31, Chapter 13, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(13) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(14) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(15) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(16) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(17) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants. The Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section. The State Treasurer shall forward the necessary amount to the designated place

or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(18) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 2. Section 27-71-11, Mississippi Code of 1972, is amended as follows:

27-71-11. (1) The department shall from time to time by resolution request the State Bond Commission to provide sufficient funds required to maintain an adequate alcoholic beverage inventory. Said funds shall be provided under the provisions of Chapter 557, Laws of 1966.

(2) The department shall add to the cost of all alcoholic beverages a markup of twenty-seven and one-half percent (27-1/2%), inclusive of the three percent (3%) markup imposed by Section 27-71-7(2).

(3) In addition to other excise taxes and markups imposed in this section and in Section 27-71-7, the department shall add to the cost of all alcoholic beverages shipped a charge of Twenty-five Cents (25¢) per case, to be deposited into the ABC Warehouse Improvements Fund created in Section 67-1-211(2). However, any unobligated amounts above Ten Million Dollars ($10,000,000.00) remaining in the ABC Warehouse Improvements Fund at the end of a fiscal year shall be transferred to the State General Fund.

(4) Notwithstanding the contract for warehouse and distribution operations under Section 67-1-205, the department shall remain responsible for purchasing and selling alcoholic beverages. The department shall sell alcoholic beverages at uniform prices throughout the state. Pricing for all alcoholic beverages shall be set by the addition of the markup and taxes to the price at which the beverages were purchased by the department.

(5) A permittee's order shall qualify for shipping when it includes the minimum number of cases of alcoholic beverages as set by the department. The department shall place qualifying orders in a queue for shipment in the order in which the orders are made. An order of fewer than the minimum number of cases, and special orders, shall be added to the permittee's next qualified shipment. The department shall give sufficient notice of any change in the minimum number of cases for shipping and shall allow the opportunity for comment.

(6) The department shall set a per-case shipping fee to be charged to permittees. The department shall adjust the fee to match, as closely as possible, the shipping costs as defined in Section 67-1-201. The shipping fee charged under this subsection shall be deposited to the credit of the ABC Shipping Fund created in Section 27-71-29.

(7) The department shall charge manufacturers a bailment fee of * * * One Dollar and Twenty-five Cents ($1.25) per case of alcoholic beverages stored in the warehouse, to be deposited to the credit of the bond sinking fund created in Section 7(3) of Chapter 483, Laws of 2022.

SECTION 3. Section 67-1-203, Mississippi Code of 1972, is amended as follows:

67-1-203. Warehouse construction. (1) The Department of Finance and Administration, using the monies available in the ABC Warehouse Construction Fund created in Section 67-1-211(1) and such other monies as the Legislature may make available, shall purchase land for and shall provide for the design and construction of a warehouse for the division in the most expedient and cost-effective manner practicable as determined by the Executive Director of the Department of Finance and Administration.

(2) The Department of Finance and Administration shall select a suitable site for the warehouse within * * * seventy (70) miles of the new state capitol building. In selecting a site, the Department of Finance and Administration shall consider the feasibility of selecting state-owned land by comparing the cost of preparing the state-owned land for construction to the cost of acquiring other land and preparing such other land for construction.

(3) The contract for design and construction shall provide that the operator shall be consulted so that the warehouse may, so far as possible, suit the preferences of the operator in furtherance of effective operations. The contract shall also provide that the design shall aim to fill demand for the next twenty-five (25) years.

(4) A contract for warehouse construction shall not be entered into unless the construction contractor has demonstrated:

(a) The qualifications, experience and management personnel necessary to carry out the terms of the contract;

(b) The ability to comply with applicable federal and state laws; and

(c) The ability to expedite the design and construction of facilities comparable to the warehouse.

(5) A contract for warehouse construction shall be entered into not later than November 30, 2024.

SECTION 4. Section 67-1-205, Mississippi Code of 1972, is brought forward as follows:

67-1-205. Warehouse and distribution operations. (1) The department shall contract for warehouse and distribution operations. The shipping contract in effect on July 1, 2022, shall remain in effect until the expiration of its term.

(2) The department shall pay regular maintenance expenses and shall reimburse the operator for services performed under the contract out of monies appropriated by the Legislature.

(3) The contract shall include the following terms:

(a) The department shall pay the operator cost-plus on these operations at a set dollar amount per case of alcoholic beverages sold. Otherwise, the contract shall not alter the current cash flow of operations;

(b) The operator shall be allotted a monthly spending limit for occasional improvements. The state may, at any time, review the operator's spending. The operator shall obtain prior state approval for any spending over the monthly limit set in the contract. The contract shall allow the operator to pay out of pocket, in which case the state will reimburse the operator on a monthly basis out of monies in the ABC Warehouse Improvements Fund created in Section 67-1-211(2);

(c) Shipping costs, where the contract encompasses shipping, shall be based on a set dollar amount per case of alcoholic beverages shipped from the warehouse to the permittee's premises;

(d) The department and the operator may provide for the operator's software to interface with the department's TAP system in a manner allowing for information sharing in furtherance of efficient operations while also protecting the security of the TAP system;

(e) The department shall develop quality and efficiency criteria for determining whether to renew a contract for warehouse and distribution operations;

(f) The obligation of the department to proceed under the contract is conditioned upon the appropriation of funds by the Legislature and the receipt of state or federal funds. If the funds anticipated for the continuing time fulfillment of the agreement are, at any time, not forthcoming or insufficient, either through the failure of the federal government to provide funds or of the State of Mississippi to appropriate funds, or the discontinuance or material alteration of the program under which funds were provided, or if funds are not otherwise available to the department, the department shall have the right, upon ten (10) working days' written notice to the operator, to terminate this agreement without damage, penalty, cost or other expenses to the department of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination;

(g) The state and the operator as parties to the contract and all terms of the contract shall be subject to and governed by the laws of the state at the time the contract is entered into, and any later amendments to such laws, through the duration of the contract; and

(h) The operator shall be required to comply with any duties, responsibilities, conditions or other provisions required by state law during the duration of the contract, regardless of whether such duties, responsibilities, conditions or other provisions were required by state law at the time the contract was entered into.

(4) The initial contract for operations shall terminate on the earlier of: (a) four (4) years from the date it commences; or (b) the last day of the use of the warehouse that is in service on July 1, 2022. The contract may be renewed for four (4) years, with another option to renew at the end of that four-year term. The department shall issue requests for proposals before entering any subsequent contract. Requests for proposals shall be required whenever a contract is not renewed, but no less frequently than every twelve (12) years.

(5) The contract shall provide that all employees needed for operations shall be employees of the operator.

(6) A contract for warehouse and distribution operations shall not be entered into unless the operator has demonstrated:

(a) The qualifications, experience and management personnel necessary to carry out the terms of the contract; and

(b) The ability to comply with applicable federal and state laws.

(7) A contract for operations shall not be entered into unless the following requirements are met:

(a) In addition to fire and casualty insurance, the operator provides at least Ten Million Dollars ($10,000,000.00) of liability insurance. The liability insurance shall be issued by an insurance company with a rating of at least an A- according to AM Best standards. In determining the adequacy of such insurance, the Department of Finance and Administration shall determine whether:

(i) The insurance is adequate to protect the state from any and all actions by a third party against the operator or the state as a result of the contract;

(ii) The insurance is adequate to protect the state against any and all claims arising as a result of any occurrence during the term of the contract;

(iii) The insurance is adequate to assure the operator's ability to fulfill its contract with the state in all respects, and to assure that the operator is not limited in this ability because of financial liability which results from judgments; and

(iv) The insurance is adequate to satisfy such other requirements specified by the independent risk management/actuarial firm.

(b) The sovereign immunity of the state shall not apply to the operator. Neither the operator nor the operator's insurer may plead the defense of sovereign immunity in any action arising out of the performance of the contract.

(c) The operator shall post a performance bond to assure the operator's faithful performance of the specifications and conditions of the contract. The bond is required throughout the term of the contract. The terms and conditions must be approved by the department and the Department of Finance and Administration, and such approval is a condition precedent to the contract taking effect.

(d) The operator shall defend any suit or claim brought against the state arising out of any act or omission in operations, and shall hold the state harmless from such claim or suit. The operator shall be solely responsible for the payment of any legal or other costs relative to any such claim or suit. The operator shall reimburse the state for any costs that it may incur as a result of such claim or suit immediately upon being submitted a statement therefor by the Attorney General.

Any suit brought or claim made arising out of any act or omission in operations shall be made or brought against the operator and not the state.

The Attorney General retains all rights and emoluments of his or her office which include direction and control over any litigation or claim involving the state.

SECTION 5. This act shall take effect and be in force from and after its passage, and shall stand repealed the day before its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

Senator Johnson offered the following COMMITTEE AMENDMENT NO. 1.

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) As used in this section, the following words and phrases shall have the meanings as defined in this subsection unless the context clearly requires otherwise:

(a) "Applicable percentage" means seven percent (7%) for each of the first through seventh credit allowance dates for purposes of the taxes imposed by Section 27-7-5 or the taxes imposed by Sections 27-15-103, 27-15-109 and 27-15-123.

(b) "CDFI fund" means the Community Development Financial Institutions fund of the United States Department of the Treasury.

(c) "Credit allowance date" means, with respect to any qualified equity investment: (i) the later of: 1. the date on which the qualified equity investment is initially made; or 2. the date upon which the MDA issues a tax credit certificate under subsection (4) of this section; and (ii) each of the subsequent six (6) anniversary dates of the applicable date from subparagraph (i) of this paragraph.

(d) "MDA" means the Mississippi Development Authority.

(e) "Mississippi qualified community development entity" means a qualified community development entity that is or whose controlling entity is headquartered in the State of Mississippi.

(f) "Principal business operations" means the physical location where at least sixty percent (60%) of a qualified active low-income community business' employees work. An entity that has agreed to relocate employees or a Mississippi business that has agreed to hire employees using the proceeds of a qualified low-income community investment to establish principal business operations in Mississippi is deemed to have principal business operations in Mississippi if the entity satisfies the requirements of this paragraph within one hundred eighty (180) days of receiving the qualified low-income community investment or another date as agreed by the business and the MDA.

(g) "Purchase price" means the amount paid to the qualified community development entity for a qualified equity investment.

(h) "Qualified active low-income community business" shall have the meaning ascribed to such term in Section 45D of the Internal Revenue Code of 1986, as amended, provided such entity has its principal business operations within the state's geographical boundary. An entity is deemed a qualified active low-income community business for the duration of a qualified low-income community investment if the qualified community development entity reasonably expects, at the time it makes the qualified low-income community investment, that the entity will continue to satisfy the requirements for being a qualified active low-income community business throughout the entire period

of the qualified low-income community investment. A business that otherwise satisfies this definition but for being located in a low-income community, as defined in Section 45D of the Internal Revenue Code of 1986, as amended, and 26 CFR 1.45D-1, shall satisfy this definition if the business is located in a recovery zone.

(i) "Qualified community development entity" shall have the meaning ascribed to such term in Section 45D of the Internal Revenue Code of 1986, as amended, provided that:

(i) The entity, or an affiliate thereof, has previously entered into an allocation agreement with the CDFI fund with respect to credits authorized by Section 45D of the Internal Revenue Code of 1986, as amended;

(ii) Such allocation agreement includes the State of Mississippi within the service area set forth in the allocation agreement; and

(iii) Except for Mississippi qualified community development entities, the entity, together with affiliates:

1. Has made qualified low-income community investments under Section 57-105-1 et seq. of at least Thirty Million Dollars ($30,000,000.00) in Mississippi qualified active low-income community businesses;

2. Has made at least One Hundred Million Dollars ($100,000,000) of investments in businesses located in Mississippi; or

3. Has received at least four (4) original tax credit certificates from the MDA.

(j) "Qualified equity investment" means an equity investment in a qualified community development entity, if the equity investment:

(i) Is acquired after the effective date of this act at its original issuance solely in exchange for cash, and if not so acquired, was a qualified equity investment in the hands of a prior holder;

(ii) Has at least eighty-five percent (85%) of its cash purchase price used by the qualified community development entity to make qualified low-income community investments in qualified active low-income community businesses that have their principal business operations in the State of Mississippi; and

(iii) Is:

1. Designated by the qualified community development entity as a qualified equity investment under this section; and

2. At least fifty percent (50%) designated by the qualified community development entity as a qualified equity investment under Section 45D of the Internal Revenue Code of 1986, as amended.

(k) "Qualified low-income community investment" shall have the meaning ascribed to such term in Section 45D of the Internal Revenue Code of 1986, as amended; provided, however, that the maximum amount of qualified low-income community investments issued for a single qualified active low-income community business, on an aggregate basis with all of its affiliates, that may be included for purposes of complying with subsection (4)(d)(iii) of this section shall not exceed Ten Million Dollars ($10,000,000.00), in the aggregate, whether issued by one (1) or several qualified community development entities and exclusive of repaid or redeemed qualified low-income community investments in such business.

(l) "Recovery zone" means any county for which the Federal Emergency Management Agency of the United States Department of Homeland Security has made a determination that the county is eligible for both individual and public assistance under the declaration of major disaster for the State of Mississippi for the duration of the declaration. Follow-on investments in a qualified active low-income community business that was qualified by its location in a recovery zone at the time of the initial investment shall be considered qualified low-income community investments even if made after the end of the declaration, subject to the other provisions of this section.

(2) A person or entity that holds a qualified equity investment on the credit allowance date shall be entitled to a credit applicable against the taxes imposed by Sections 27-7-5, 27-15-103, 27-15-109 and 27-15-123 during the taxable year that includes the credit allowance date. The amount of the credit shall be equal to the applicable percentage for such taxable year of the purchase price paid to the qualified community development entity for the qualified equity investment. The amount of the credit that may be utilized in any one (1) tax year shall be limited to an amount not greater than the total tax liability of the claimant for the taxes imposed by the above-referenced sections. The credit shall not be refundable or transferable. Any unused portion of the credit may be carried forward for seven (7) taxable years beyond the credit allowance date on which the credit was earned. The maximum aggregate amount of qualified equity investments that may be allocated by the MDA under this section may not exceed an amount that would result in taxpayers claiming in any one (1) state fiscal year credits in excess of Twenty-one Million Dollars ($21,000,000.00), exclusive of the fiscal year cap on credits set forth in Section 57-105-1, and exclusive of credits that might be carried forward from previous taxable years; however, a maximum of Eighteen Million Dollars ($18,000,000.00) with respect to such allocations may be allocated as credits for taxes imposed by Sections 27-15-103, 27-15-109 and 27-15-123. Any person or entity claiming a credit under this section against the taxes imposed by Sections 27-7-5, 27-15-103, 27-15-109 and 27-15-123 shall not be required to pay any additional tax under Section 27-15-123 as a result of claiming such credit. The MDA shall allocate credits within this limit as provided for in subsection (4) of this section.

(3) Tax credits authorized by this section that are earned by a partnership, limited liability company, S corporation or other similar pass-through entity, shall be allocated among its partners, members or shareholders, respectively, either in proportion to their ownership interest in such entity or as the partners, members or shareholders mutually agree as provided in an executed document. Such allocation shall be made each taxable year of such pass-through entity which contains a credit allowance date. An allocation or pass-through of a credit is not considered a sale for the purposes of this section or any other state law.

(4) (a) For three (3) consecutive fiscal years beginning July 1, 2024, qualified community development entities shall apply to the MDA for an award of credits and related qualified equity investment authority on a form provided by the MDA that includes:

(i) The name, address, and tax identification number of the applicant, and evidence of the applicant's certification as a qualified community development entity by the CDFI fund;

(ii) A copy of the allocation agreement executed by the applicant or its controlling entity, and the CDFI fund;

(iii) A certificate executed by an executive officer of the applicant attesting that the allocation agreement remains in effect and has not been revoked or canceled by the CDFI fund;

(iv) A description of the proposed amount, structure, and purchaser of the equity investment;

(v) The amount of qualified equity investment authority sought which collectively may not exceed the applicant or its controlling entity's available qualified equity investment authority under Section 45D of the Internal Revenue Code of 1986, as amended multiplied by two (2);

(vi) Evidence of the applicant or its controlling entity's available qualified equity investment authority under Section 45D of the Internal Revenue Code of 1986, as amended;

(vii) A nonrefundable application fee of One Thousand Dollars ($1,000.00);

(viii) Except for Mississippi qualified community development entities, evidence that the applicant, on a collective basis with its affiliates, satisfies at least one (1) of the requirements of subsection (1)(i)(iii) of this section for the definition of qualified community development entity; and

(ix) Other information as required by the MDA pursuant to paragraph (c) of this subsection.

(b) The MDA shall set a date to accept applications not less than thirty (30) days but not more than forty-five (45) days after the CDFI fund announces allocation awards under a notice of funding availability that was published in the Federal Register. In the event that the CDFI fund is unable to publish a notice of funding of allocation awards because of a lack of award authority under Section 45D of the Internal Revenue Code of 1986, as amended, with respect to the fiscal year beginning July 1, 2026, the MDA shall set a date for accepting applications and waive the requirement that a qualified community development entity designate at least fifty percent (50%) of qualified equity investment authority awarded as a qualified equity investment under Section 45D of the Internal Revenue Code of 1986, as amended, provided that the MDA shall give a preference in the award of tax credits to qualified community development entities that apply with remaining allocation under Section 45D of the Internal Revenue Code of 1986, as amended.

(c) The MDA shall award credits and the related qualified equity investment authority, subject to the limitations set forth in subsection (2) of this section, fifty percent (50%) to applicants that agree to utilize qualified equity investment authority for loan funds. The MDA may require additional information in the application to delineate between types of applications. Within forty-five (45) days with respect to a loan fund application and ninety (90) days for all other applications, the MDA shall grant or deny the application in full or in part. If the MDA denies any part of the application, the MDA shall inform the applicant of the grounds for the denial. If the applicant provides the information required by the MDA or otherwise completes its application within fifteen (15) days of the notice of denial, the application is deemed complete as of the original date of submission. If the applicant fails to provide the requested information or complete its application within the fifteen-day period, the applicant must submit a new application. If requests for either allocation are not fully subscribed, the MDA shall reallocate such remaining allocation to the other allocation pool. Once the MDA has allocated credits to a qualified community development entity, the corresponding qualified equity investment must be issued and, if applicable, fifty percent (50%) of such qualified equity investment must be designated under Section 45D of the Internal Revenue Code of 1986, as amended, not later than one hundred twenty (120) days from the date of such allocation. If the qualified equity investment is not issued and, if applicable, such designation under Section 45D of the Internal Revenue Code of 1986, as amended, is not made within such time period, the allocation shall be cancelled and returned to the MDA for reallocation. If the actual dollar amount of qualified equity investment is lower than the amount awarded by the MDA, the MDA shall adjust the tax credit allowed under this section and reissue awards to other applicants that did not receive the awards requested pro rata. Qualified community

development entities shall provide the MDA evidence of qualified equity investments and designation under Section 45D of the Internal Revenue Code of 1986, as amended, if applicable, within one hundred thirty (130) days from the date of an allocation. An applicant certified an award under this paragraph may transfer all or a portion of its certified qualified equity investment authority to any affiliated qualified community development entity by sending written notice to the MDA endorsing the certificate. If there are credits for loan funds or nonloan funds available in any application round after MDA's initial award of credits, the MDA shall set a date to accept applications without reserving credits by type of applicant. If there are still remaining credits after this additional application round, the MDA shall set a date to accept applications from applicants that otherwise meet the requirements of this section except for subsection (1)(i)(iii) of this section. The MDA and such applicants shall otherwise comply with all other requirements of this section. Applicants that do meet the requirement of subsection (1)(i)(iii) of this section are eligible to apply under such additional application round.

(d) The Department of Revenue may recapture credits under this section if:

(i) Any amount of the federal tax credit available with respect to a qualified equity investment that is eligible for a credit under this section is recaptured under Section 45D of the Internal Revenue Code of 1986, as amended;

(ii) The qualified community development entity redeems a qualified equity investment prior to the seventh anniversary of the issuance of the qualified equity investment; or

(iii) The qualified community development entity fails to invest at least eighty-five percent (85%) of the cash purchase price of the qualified equity investment in qualified low-income community investments within twelve (12) months of the issuance of the qualified equity investment and maintain that level of investment until the seventh anniversary of the initial credit allowance date for the qualified equity investment.

A qualified community development entity shall notify the Department of Revenue of any of the events set forth in this paragraph (d) within five (5) days of actual knowledge of such event.

(e) For purposes of paragraph (d)(iii) of this subsection, an investment is considered maintained by a qualified community development entity even if the investment has been sold or repaid, provided that the qualified community development entity reinvests an amount equal to the capital returned to or recovered by the qualified community development entity from the original investment, exclusive of any profits realized, in another qualified low-income community investment in this state within twelve (12) months after the receipt of that capital. Periodic loan repayments received by a qualified community development entity from a qualified active low-income community business within a calendar year must be treated as maintained in qualified low-income community investments if a qualified community development entity reinvests the repayments in qualified low-income community investments by the end of the following calendar year.

(f) A qualified community development entity is not required to reinvest capital returned from qualified low-income community investments after the sixth anniversary of the issuance of the qualified equity investment, the proceeds of which were used to make the qualified low-income community investment, and the qualified low-income community investment is considered held by the qualified community development entity through the seventh anniversary of the qualified equity investment's issuance.

(g) The MDA shall provide notice to the qualified community development entity and the Department of Revenue of any proposed recapture of credits pursuant to this subsection. The notice must specify the conditions under which the deficiency

resulting in the proposed recapture occurred and state that the credits will be recaptured within ninety (90) days unless the qualified community development entity complies with the conditions identified in the notice. If the entity does not comply with the conditions identified in the notice within the ninety-day period, the Department of Revenue shall provide the entity from whom the credit is to be recaptured with a final order of recapture. Any credit for which a final recapture order has been issued must be recaptured by the Department of Revenue from the entity that claimed the credit on a tax return. The qualified equity investment authority of the recaptured credits must be returned to the MDA and must first be awarded pro rata to applicants that have received awards of qualified equity investment authority and complied with this subsection. If credits are recaptured under this section, any remaining credit is forfeited.

(h) The MDA shall not make awards of credits and related qualified equity investment authority after July 1, 2027.

(5) Each qualified community development entity that receives qualified equity investments to make qualified low-income community investments in Mississippi must annually report to the MDA the North American Industry Classification System Code, the county, the dollars invested, the number of jobs assisted and the number of jobs assisted with wages over one hundred percent (100%) of the federal poverty level for a family of four (4) of each qualified low-income community investment.

(6) The MDA shall file an annual report on all qualified low-income community investments with the Governor, the Clerk of the House of Representatives, the Secretary of the Senate and the Secretary of State describing the North American Industry Classification System Code, the county, the dollars invested, the number of jobs assisted and the number of jobs assisted with wages over one hundred percent (100%) of the federal poverty level for a family of four (4) of each qualified low-income community investment. The annual report will be posted on the MDA internet website.

(7) (a) The purpose of this subsection is to authorize the creation and establishment of public benefit corporations for financing arrangements regarding public property and facilities.

(b) As used in this subsection:

(i) "New Markets Tax Credit transaction" means any financing transaction which utilizes either this section or Section 45D of the Internal Revenue Code of 1986, as amended.

(ii) "Public benefit corporation" means a nonprofit corporation formed or designated by a public entity to carry out the purposes of this subsection.

(iii) "Public entity or public entities" includes utility districts, regional solid waste authorities, regional utility authorities, community hospitals, regional airport authorities, municipal airport authorities, community and junior colleges, educational building corporations established by or on behalf of the state institutions of higher learning, school districts, planning and development districts, county economic development districts, urban renewal agencies, any other regional or local economic development authority, agency or governmental entity, and any other regional or local industrial development authority, agency or governmental entity.

(iv) "Public property or facilities" means any property or facilities owned or leased by a public entity or public benefit corporation.

(c) Notwithstanding any other provision of law to the contrary, public entities are authorized pursuant to this subsection to create one or more public benefit corporations or designate an existing corporation as a public benefit corporation for the purpose of entering into financing agreements and engaging in New Markets Tax Credit

transactions, which shall include, without limitation, arrangements to plan, acquire, renovate, construct, lease, sublease, manage, operate and/or improve new or existing public property or facilities located within the boundaries or service area of the public entity. Any financing arrangement authorized under this subsection shall further any purpose of the public entity and may include a term of up to fifty (50) years.

(d) Notwithstanding any other provision of law to the contrary and in order to facilitate the acquisition, renovation, construction, leasing, subleasing, management, operating and/or improvement of new or existing public property or facilities to further any purpose of a public entity, public entities are authorized to enter into financing arrangements in order to transfer public property or facilities to and/or from public benefit corporations, including, without limitation, sales, sale-leasebacks, leases and lease-leasebacks, provided such transfer is related to any New Markets Tax Credit transaction furthering any purpose of the public entity. Any such transfer under this paragraph (d) and the public property or facilities transferred in connection therewith shall be exempted from any limitation or requirements with respect to leasing, acquiring, and/or constructing public property or facilities.

(e) With respect to a New Markets Tax Credit transaction, public entities and public benefit corporations are authorized to enter into financing arrangements with any governmental, nonprofit or for-profit entity in order to leverage funds not otherwise available to public entities for the acquisition, construction and/or renovation of properties transferred to such public benefit corporations. The use of any funds loaned by or contributed by a public benefit corporation or borrowed by or otherwise made available to a public benefit corporation in such financing arrangement shall be dedicated solely to (i) the development of new properties or facilities and/or the renovation of existing properties or facilities or operation of properties or facilities, and/or (ii) the payment of costs and expenditures related to any such financing arrangements, including, but not limited to, funding any reserves required in connection therewith, the repayment of any indebtedness incurred in connection therewith, and the payment of fees and expenses incurred in connection with the closing, administration, accounting and/or compliance with respect to the New Markets Tax Credit transaction.

(f) A public benefit corporation created pursuant to this subsection shall not be a political subdivision of the state but shall be a nonprofit corporation organized and governed under the provisions of the laws of this state and shall be a special purpose corporation established to facilitate New Markets Tax Credit transactions consistent with the requirements of this section.

(g) Neither this subsection nor anything herein contained is or shall be construed as a restriction or limitation upon any powers which the public entity or public benefit corporation might otherwise have under any laws of this state, and this subsection is cumulative to any such powers. This subsection does and shall be construed to provide a complete additional and alternative method for doing the things authorized thereby and shall be regarded as supplemental and additional to powers conferred by other laws.

(8) The MDA shall promulgate rules and regulations to implement the provisions of this section.

SECTION 2. Section 27-15-129, Mississippi Code of 1972, is amended as follows:

27-15-129. (1) The amount of premium tax payable pursuant to Sections 27-15-103, 27-15-109, 27-15-119 and 83-31-45, Mississippi Code of 1972, shall be reduced from the amount otherwise fixed in such sections if the payer files a sworn statement with the required annual report showing as of the beginning of the reporting period that at least the following amounts of the total admitted assets of the payer were invested and maintained in qualifying Mississippi investments as hereinafter defined in subsection (2) of this section over the period covered by such report:

Percentage of Total Admitted Assets in Qualifying Mississippi Investments	Percentage of Premium Tax Payable
1%	99%
2%	98%
3%	97%
4%	96%
5%	95%
6%	94%
7%	93%
8%	92%
9%	91%
10%	80%
15%	70%
20%	60%
25%	50%

(2) For the purpose of this section, "a qualifying Mississippi investment" is hereby defined as follows:

(a) Certificates of deposit issued by any bank or savings and loan association domiciled in this state;

(b) Bonds of this state or bonds of municipal, school, road or levee districts, or other political subdivisions of this state;

(c) Loans evidenced by notes and secured by deeds of trust on property located in this state;

(d) Real property located in this state;

(e) Policy loans to residents of Mississippi, or other loans to residents of this state, or to corporations domiciled in this state;

(f) Common or preferred stock, bonds and other evidences of indebtedness of corporations domiciled in this state; and

(g) Cash on deposit in any bank or savings and loan association domiciled in this state.

"A qualifying Mississippi investment" shall not include any investment for which a credit is allocated under Section 57-105-1 * * *, Section 57-115-1 et seq., and/or Section 1 of this act.

(3) If the credits, or any part thereof, authorized by the preceding provisions of this section shall be held by a court of final jurisdiction to be unconstitutional and void for any reason or to make the annual premium taxes levied by Sections 27-15-103, 27-15-109, 27-15-119 and 83-31-45, Mississippi Code of 1972, unlawfully discriminatory or otherwise invalid under the Fourteenth Amendment or the Commerce Clause of the Constitution of the United States or under any state or other federal constitutional provisions, it is hereby expressly declared that such fact shall in no way affect the validity of the annual premium taxes levied thereby, and that such provisions would have been enacted even though the Legislature had known this credit section would be held invalid.

(4) This section shall apply to taxes accruing and investments existing from and after July 1, 1985.

SECTION 3. Section 31-7-13, Mississippi Code of 1972, is amended as follows:

31-7-13. All agencies and governing authorities shall purchase their commodities and printing; contract for garbage collection or disposal; contract for solid waste collection or disposal; contract for sewage collection or disposal; contract for public construction; and contract for rentals as herein provided.

(a) Bidding procedure for purchases not over $5,000.00. Purchases which do not involve an expenditure of more than Five Thousand Dollars ($5,000.00), exclusive of freight or shipping charges, may be made without advertising or otherwise requesting competitive bids. However, nothing contained in this paragraph (a) shall be construed to prohibit any agency or governing authority from establishing procedures which require competitive bids on purchases of Five Thousand Dollars ($5,000.00) or less.

(b) Bidding procedure for purchases over $5,000.00 but not over $75,000.00. Purchases which involve an expenditure of more than Five Thousand Dollars ($5,000.00) but not more than Seventy-five Thousand Dollars ($75,000.00), exclusive of freight and shipping charges, may be made from the lowest and best bidder without publishing or posting advertisement for bids, provided at least two (2) competitive written bids have been obtained. Any state agency or community or junior college purchasing commodities or procuring construction pursuant to this paragraph (b) may authorize its purchasing agent, or his designee, to accept the lowest competitive written bid under Seventy-five Thousand Dollars ($75,000.00). Any governing authority purchasing commodities pursuant to this paragraph (b) may authorize its purchasing agent, or his designee, with regard to governing authorities other than counties, or its purchase clerk, or his designee, with regard to counties, to accept the lowest and best competitive written bid. Such authorization shall be made in writing by the governing authority and shall be maintained on file in the primary office of the agency and recorded in the official minutes of the governing authority, as appropriate. The purchasing agent or the purchase clerk, or his designee, as the case may be, and not the governing authority, shall be liable for any penalties and/or damages as may be imposed by law for any act or omission of the purchasing agent or purchase clerk, or his designee, constituting a violation of law in accepting any bid without approval by the governing authority. The term "competitive written bid" shall mean a bid submitted on a bid form furnished by the buying agency or governing authority and signed by authorized personnel representing the vendor, or a bid submitted on a vendor's letterhead or identifiable bid form and signed by authorized personnel representing the vendor. "Competitive" shall mean that the bids are developed based upon comparable identification of the needs and are developed independently and without knowledge of other bids or prospective bids. Any bid item for construction in excess of Five Thousand Dollars ($5,000.00) shall be broken down by components to provide detail of component description and pricing. These details shall be submitted with the written bids and become part of the bid evaluation criteria. Bids may be submitted by facsimile, electronic mail or other generally accepted method of information distribution. Bids submitted by electronic transmission shall not require the signature of the vendor's representative unless required by agencies or governing authorities.

(c) Bidding procedure for purchases over $75,000.00.

(i) Publication requirement.

1. Purchases which involve an expenditure of more than Seventy-five Thousand Dollars ($75,000.00), exclusive of freight and shipping charges, may be made from the lowest and best bidder after advertising for competitive bids once each week for two (2) consecutive weeks in a regular newspaper published in the county or municipality in which such agency or governing authority is located. However, all American Recovery and Reinvestment Act projects in excess of Twenty-five Thousand Dollars ($25,000.00) shall be bid. All references to American Recovery and Reinvestment Act projects in this section shall not apply to programs identified in Division B of the American Recovery and Reinvestment Act.

2. Reverse auctions shall be the primary method for receiving bids during the bidding process. If a purchasing entity determines that a reverse auction is not in the best interest of the state, then that determination must be approved by the Public Procurement Review Board. The purchasing entity shall submit a detailed explanation of why a reverse auction would not be in the best interest of the state and present an alternative process to be approved by the Public Procurement Review Board. If the Public Procurement Review Board authorizes the purchasing entity to solicit bids with a method other than reverse auction, then the purchasing entity may designate the other methods by which the bids will be received, including, but not limited to, bids sealed in an envelope, bids received electronically in a secure system, or bids received by any other method that promotes open competition and has been approved by the Office of Purchasing and Travel. However, reverse auction shall not be used for any public contract for design, construction, improvement, repair or remodeling of any public facilities, including the purchase of materials, supplies, equipment or goods for same and including buildings, roads and bridges. The Public Procurement Review Board must approve any contract entered into by alternative process. The provisions of this item 2 shall not apply to the individual state institutions of higher learning. The provisions of this item 2 requiring reverse auction as the primary method of receiving bids shall not apply to term contract purchases as provided in paragraph (n) of this section; however, a purchasing entity may, in its discretion, utilize reverse auction for such purchases. The provisions of this item 2 shall not apply to individual public schools, including public charter schools and public school districts, only when purchasing copyrighted educational supplemental materials and software as a service product. For such purchases, a local school board may authorize a purchasing entity in its jurisdiction to use a Request for Qualifications which promotes open competition and meets the requirements of the Office of Purchasing and Travel.

3. The date as published for the bid opening shall not be less than seven (7) working days after the last published notice; however, if the purchase involves a construction project in which the estimated cost is in excess of Seventy-five Thousand Dollars ($75,000.00), such bids shall not be opened in less than fifteen (15) working days after the last notice is published and the notice for the purchase of such construction shall be published once each week for two (2) consecutive weeks. However, all American Recovery and Reinvestment Act projects in excess of Twenty-five Thousand Dollars ($25,000.00) shall be bid. For any projects in excess of Twenty-five Thousand Dollars ($25,000.00) under the American Recovery and Reinvestment Act, publication shall be made one (1) time and the bid opening for construction projects shall not be less than ten (10) working days after the date of the published notice. The notice of intention to let contracts or purchase equipment shall state the time and place at which bids shall be received, list the contracts to be made or types of equipment or supplies to be purchased, and, if all plans and/or specifications are not published, refer to the plans and/or specifications on file. If there is no newspaper published in the county or municipality, then such notice shall be given by posting same at the courthouse, or for municipalities at the city hall, and at two (2) other public places in the county or municipality, and also by publication once each week for two (2) consecutive weeks in

some newspaper having a general circulation in the county or municipality in the above-provided manner. On the same date that the notice is submitted to the newspaper for publication, the agency or governing authority involved shall mail written notice to, or provide electronic notification to the main office of the Mississippi Procurement Technical Assistance Program under the Mississippi Development Authority that contains the same information as that in the published notice. Submissions received by the Mississippi Procurement Technical Assistance Program for projects funded by the American Recovery and Reinvestment Act shall be displayed on a separate and unique Internet web page accessible to the public and maintained by the Mississippi Development Authority for the Mississippi Procurement Technical Assistance Program. Those American Recovery and Reinvestment Act related submissions shall be publicly posted within twenty-four (24) hours of receipt by the Mississippi Development Authority and the bid opening shall not occur until the submission has been posted for ten (10) consecutive days. The Department of Finance and Administration shall maintain information regarding contracts and other expenditures from the American Recovery and Reinvestment Act, on a unique Internet web page accessible to the public. The Department of Finance and Administration shall promulgate rules regarding format, content and deadlines, unless otherwise specified by law, of the posting of award notices, contract execution and subsequent amendments, links to the contract documents, expenditures against the awarded contracts and general expenditures of funds from the American Recovery and Reinvestment Act. The information provided by the agency or governing authority shall be posted to the web page for the duration of the American Recovery and Reinvestment Act funding or until the project is completed, whichever is longer.

(ii) Bidding process amendment procedure. If all plans and/or specifications are published in the notification, then the plans and/or specifications may not be amended. If all plans and/or specifications are not published in the notification, then amendments to the plans/specifications, bid opening date, bid opening time and place may be made, provided that the agency or governing authority maintains a list of all prospective bidders who are known to have received a copy of the bid documents and all such prospective bidders are sent copies of all amendments. This notification of amendments may be made via mail, facsimile, electronic mail or other generally accepted method of information distribution. No addendum to bid specifications may be issued within two (2) working days of the time established for the receipt of bids unless such addendum also amends the bid opening to a date not less than five (5) working days after the date of the addendum.

(iii) Filing requirement. In all cases involving governing authorities, before the notice shall be published or posted, the plans or specifications for the construction or equipment being sought shall be filed with the clerk of the board of the governing authority. In addition to these requirements, a bid file shall be established which shall indicate those vendors to whom such solicitations and specifications were issued, and such file shall also contain such information as is pertinent to the bid.

(iv) Specification restrictions.

1. Specifications pertinent to such bidding shall be written so as not to exclude comparable equipment of domestic manufacture. However, if valid justification is presented, the Department of Finance and Administration or the board of a governing authority may approve a request for specific equipment necessary to perform

a specific job. Further, such justification, when placed on the minutes of the board of a governing authority, may serve as authority for that governing authority to write specifications to require a specific item of equipment needed to perform a specific job. In addition to these requirements, from and after July 1, 1990, vendors of relocatable classrooms and the specifications for the purchase of such relocatable classrooms published by local school boards shall meet all pertinent regulations of the State Board of Education, including prior approval of such bid by the State Department of Education.

2. Specifications for construction projects may include an allowance for commodities, equipment, furniture, construction materials or systems in which prospective bidders are instructed to include in their bids specified amounts for such items so long as the allowance items are acquired by the vendor in a commercially reasonable manner and approved by the agency/governing authority. Such acquisitions shall not be made to circumvent the public purchasing laws.

(v) Electronic bids. Agencies and governing authorities shall provide a secure electronic interactive system for the submittal of bids requiring competitive bidding that shall be an additional bidding option for those bidders who choose to submit their bids electronically. The Department of Finance and Administration shall provide, by regulation, the standards that agencies must follow when receiving electronic bids. Agencies and governing authorities shall make the appropriate provisions necessary to accept electronic bids from those bidders who choose to submit their bids electronically for all purchases requiring competitive bidding under this section. Any special condition or requirement for the electronic bid submission shall be specified in the advertisement for bids required by this section. Agencies or governing authorities that are currently without available high speed Internet access shall be exempt from the requirement of this subparagraph (v) until such time that high speed Internet access becomes available. Any county having a population of less than twenty thousand (20,000) shall be exempt from the provisions of this subparagraph (v). Any municipality having a population of less than ten thousand (10,000) shall be exempt from the provisions of this subparagraph (v). The provisions of this subparagraph (v) shall not require any bidder to submit bids electronically. When construction bids are submitted electronically, the requirement for including a certificate of responsibility, or a statement that the bid enclosed does not exceed Fifty Thousand Dollars ($50,000.00), on the exterior of the bid envelope as indicated in Section 31-3-21(1) and (2) shall be deemed in compliance with by including same as an attachment with the electronic bid submittal.

(d) Lowest and best bid decision procedure.

(i) Decision procedure. Purchases may be made from the lowest and best bidder. In determining the lowest and best bid, freight and shipping charges shall be included. Life-cycle costing, total cost bids, warranties, guaranteed buy-back provisions and other relevant provisions may be included in the best bid calculation. All best bid procedures for state agencies must be in compliance with regulations established by the Department of Finance and Administration. If any governing authority accepts a bid other than the lowest bid actually submitted, it shall place on its minutes detailed calculations and narrative summary showing that the accepted bid was determined to be the lowest and best bid, including the dollar amount of the accepted bid and the dollar amount of the lowest bid. No agency or governing authority shall accept a bid based on items not included in the specifications.

(ii) Decision procedure for Certified Purchasing Offices. In addition to the decision procedure set forth in subparagraph (i) of this paragraph (d), Certified Purchasing Offices may also use the following procedure: Purchases may be made from the bidder offering the best value. In determining the best value bid, freight and shipping charges shall be included. Life-cycle costing, total cost bids, warranties, guaranteed buy-back provisions, documented previous experience, training costs and other relevant provisions, including, but not limited to, a bidder having a local office and inventory located within the jurisdiction of the governing authority, may be included in the best value

calculation. This provision shall authorize Certified Purchasing Offices to utilize a Request For Proposals (RFP) process when purchasing commodities. All best value procedures for state agencies must be in compliance with regulations established by the Department of Finance and Administration. No agency or governing authority shall accept a bid based on items or criteria not included in the specifications.

(iii) Decision procedure for Mississippi Landmarks. In addition to the decision procedure set forth in subparagraph (i) of this paragraph (d), where purchase involves renovation, restoration, or both, of the State Capitol Building or any other historical building designated for at least five (5) years as a Mississippi Landmark by the Board of Trustees of the Department of Archives and History under the authority of Sections 39-7-7 and 39-7-11, the agency or governing authority may use the following procedure: Purchases may be made from the lowest and best prequalified bidder. Prequalification of bidders shall be determined not less than fifteen (15) working days before the first published notice of bid opening. Prequalification criteria shall be limited to bidder's knowledge and experience in historical restoration, preservation and renovation. In determining the lowest and best bid, freight and shipping charges shall be included. Life-cycle costing, total cost bids, warranties, guaranteed buy-back provisions and other relevant provisions may be included in the best bid calculation. All best bid and prequalification procedures for state agencies must be in compliance with regulations established by the Department of Finance and Administration. If any governing authority accepts a bid other than the lowest bid actually submitted, it shall place on its minutes detailed calculations and narrative summary showing that the accepted bid was determined to be the lowest and best bid, including the dollar amount of the accepted bid and the dollar amount of the lowest bid. No agency or governing authority shall accept a bid based on items not included in the specifications.

(iv) Construction project negotiations authority. If the lowest and best bid is not more than ten percent (10%) above the amount of funds allocated for a public construction or renovation project, then the agency or governing authority shall be permitted to negotiate with the lowest bidder in order to enter into a contract for an amount not to exceed the funds allocated.

(e) Lease-purchase authorization. For the purposes of this section, the term "equipment" shall mean equipment, furniture and, if applicable, associated software and other applicable direct costs associated with the acquisition. Any lease-purchase of equipment which an agency is not required to lease-purchase under the master lease-purchase program pursuant to Section 31-7-10 and any lease-purchase of equipment which a governing authority elects to lease-purchase may be acquired by a lease-purchase agreement under this paragraph (e). Lease-purchase financing may also be obtained from the vendor or from a third-party source after having solicited and obtained at least two (2) written competitive bids, as defined in paragraph (b) of this section, for such financing without advertising for such bids. Solicitation for the bids for financing may occur before or after acceptance of bids for the purchase of such equipment or, where no such bids for purchase are required, at any time before the purchase thereof. No such lease-purchase agreement shall be for an annual rate of interest which is greater than the overall maximum interest rate to maturity on general obligation indebtedness permitted under Section 75-17-101, and the term of such lease-purchase agreement shall not exceed the useful life of equipment covered thereby as determined according to the upper limit of the asset depreciation range (ADR) guidelines for the Class Life Asset Depreciation Range System established by the Internal Revenue Service pursuant to the United States Internal Revenue Code and regulations thereunder as in effect on December 31, 1980, or comparable depreciation guidelines with respect to any equipment not covered by ADR guidelines. Any lease-purchase agreement entered into pursuant to this paragraph (e) may contain any of the terms and conditions which a master lease-purchase agreement may contain under the provisions of Section 31-7-10(5), and shall contain an annual allocation dependency clause substantially similar to that set forth in Section 31-7-10(8). Each agency or governing authority entering into a lease-purchase transaction pursuant to this paragraph (e) shall maintain with respect to each such

lease-purchase transaction the same information as required to be maintained by the Department of Finance and Administration pursuant to Section 31-7-10(13). However, nothing contained in this section shall be construed to permit agencies to acquire items of equipment with a total acquisition cost in the aggregate of less than Ten Thousand Dollars ($10,000.00) by a single lease-purchase transaction. All equipment, and the purchase thereof by any lessor, acquired by lease-purchase under this paragraph and all lease-purchase payments with respect thereto shall be exempt from all Mississippi sales, use and ad valorem taxes. Interest paid on any lease-purchase agreement under this section shall be exempt from State of Mississippi income taxation.

(f) Alternate bid authorization. When necessary to ensure ready availability of commodities for public works and the timely completion of public projects, no more than two (2) alternate bids may be accepted by a governing authority for commodities. No purchases may be made through use of such alternate bids procedure unless the lowest and best bidder cannot deliver the commodities contained in his bid. In that event, purchases of such commodities may be made from one (1) of the bidders whose bid was accepted as an alternate.

(g) Construction contract change authorization. In the event a determination is made by an agency or governing authority after a construction contract is let that changes or modifications to the original contract are necessary or would better serve the purpose of the agency or the governing authority, such agency or governing authority may, in its discretion, order such changes pertaining to the construction that are necessary under the circumstances without the necessity of further public bids; provided that such change shall be made in a commercially reasonable manner and shall not be made to circumvent the public purchasing statutes. In addition to any other authorized person, the architect or engineer hired by an agency or governing authority with respect to any public construction contract shall have the authority, when granted by an agency or governing authority, to authorize changes or modifications to the original contract without the necessity of prior approval of the agency or governing authority when any such change or modification is less than one percent (1%) of the total contract amount. The agency or governing authority may limit the number, manner or frequency of such emergency changes or modifications.

(h) Petroleum purchase alternative. In addition to other methods of purchasing authorized in this chapter, when any agency or governing authority shall have a need for gas, diesel fuel, oils and/or other petroleum products in excess of the amount set forth in paragraph (a) of this section, such agency or governing authority may purchase the commodity after having solicited and obtained at least two (2) competitive written bids, as defined in paragraph (b) of this section. If two (2) competitive written bids are not obtained, the entity shall comply with the procedures set forth in paragraph (c) of this section. In the event any agency or governing authority shall have advertised for bids for the purchase of gas, diesel fuel, oils and other petroleum products and coal and no acceptable bids can be obtained, such agency or governing authority is authorized and directed to enter into any negotiations necessary to secure the lowest and best contract available for the purchase of such commodities.

(i) Road construction petroleum products price adjustment clause authorization. Any agency or governing authority authorized to enter into contracts for the construction, maintenance, surfacing or repair of highways, roads or streets, may include in its bid proposal and contract documents a price adjustment clause with relation to the cost to the contractor, including taxes, based upon an industry-wide cost index, of petroleum products including asphalt used in the performance or execution of the contract or in the production or manufacture of materials for use in such performance. Such industry-wide index shall be established and published monthly by the Mississippi Department of Transportation with a copy thereof to be mailed, upon request, to the clerks of the governing authority of each municipality and the clerks of each board of supervisors throughout the state. The price adjustment clause shall be based on the cost of such petroleum products only and shall not include any additional profit or overhead as part of

the adjustment. The bid proposals or document contract shall contain the basis and methods of adjusting unit prices for the change in the cost of such petroleum products.

(j) State agency emergency purchase procedure. If the governing board or the executive head, or his designees, of any agency of the state shall determine that an emergency exists in regard to the purchase of any commodities or repair contracts, so that the delay incident to giving opportunity for competitive bidding would be detrimental to the interests of the state, then the head of such agency, or his designees, shall file with the Department of Finance and Administration (i) a statement explaining the conditions and circumstances of the emergency, which shall include a detailed description of the events leading up to the situation and the negative impact to the entity if the purchase is made following the statutory requirements set forth in paragraph (a), (b) or (c) of this section, and (ii) a certified copy of the appropriate minutes of the board of such agency requesting the emergency purchase, if applicable. Upon receipt of the statement and applicable board certification, the State Fiscal Officer, or his designees, may, in writing, authorize the purchase or repair without having to comply with competitive bidding requirements.

If the governing board or the executive head, or his designees, of any agency determines that an emergency exists in regard to the purchase of any commodities or repair contracts, so that the delay incident to giving opportunity for competitive bidding would threaten the health or safety of any person, or the preservation or protection of property, then the provisions in this section for competitive bidding shall not apply, and any officer or agent of the agency having general or specific authority for making the purchase or repair contract shall approve the bill presented for payment, and he shall certify in writing from whom the purchase was made, or with whom the repair contract was made.

Total purchases made under this paragraph (j) shall only be for the purpose of meeting needs created by the emergency situation. Following the emergency purchase, documentation of the purchase, including a description of the commodity purchased, the purchase price thereof and the nature of the emergency shall be filed with the Department of Finance and Administration. Any contract awarded pursuant to this paragraph (j) shall not exceed a term of one (1) year.

Purchases under the grant program established under Section 37-68-7 in response to COVID-19 and the directive that school districts create a distance learning plan and fulfill technology needs expeditiously shall be deemed an emergency purchase for purposes of this paragraph (j).

(k) Governing authority emergency purchase procedure. If the governing authority, or the governing authority acting through its designee, shall determine that an emergency exists in regard to the purchase of any commodities or repair contracts, so that the delay incident to giving opportunity for competitive bidding would be detrimental to the interest of the governing authority, then the provisions herein for competitive bidding shall not apply and any officer or agent of such governing authority having general or special authority therefor in making such purchase or repair shall approve the bill presented therefor, and he shall certify in writing thereon from whom such purchase was made, or with whom such a repair contract was made. At the board meeting next following the emergency purchase or repair contract, documentation of the purchase or repair contract, including a description of the commodity purchased, the price thereof and the nature of the emergency shall be presented to the board and shall be placed on the minutes of the board of such governing authority. Purchases under the grant program established under Section 37-68-7 in response to COVID-19 and the directive that school districts create a distance learning plan and fulfill technology needs expeditiously shall be deemed an emergency purchase for purposes of this paragraph (k).

(ii) In addition to the authority granted in subparagraph (i) of this paragraph (l), the commissioners or board of trustees is authorized to enter into contracts for the lease of equipment or services, or both, which it considers necessary for the proper care of patients if, in its opinion, it is not financially feasible to purchase the necessary equipment or services. Any such contract for the lease of equipment or services executed by the commissioners or board shall not exceed a maximum of five (5) years' duration and shall include a cancellation clause based on unavailability of funds. If such cancellation clause is exercised, there shall be no further liability on the part of the lessee. Any such contract for the lease of equipment or services executed on behalf of the commissioners or board that complies with the provisions of this subparagraph (ii) shall be excepted from the bid requirements set forth in this section.

Nothing in this section shall permit such purchases through public auction except as provided for in subparagraph (v) of this paragraph (m). It is the intent of this section to allow governmental entities to dispose of and/or purchase commodities from other

governmental entities at a price that is agreed to by both parties. This shall allow for purchases and/or sales at prices which may be determined to be below the market value if the selling entity determines that the sale at below market value is in the best interest of the taxpayers of the state. Governing authorities shall place the terms of the agreement and any justification on the minutes, and state agencies shall obtain approval from the Department of Finance and Administration, prior to releasing or taking possession of the commodities.

Any request for proposals when issued shall contain terms and conditions relating to price, financial responsibility, technology, legal responsibilities and other relevant factors as are determined by the governing authority or agency to be appropriate for inclusion; all factors determined relevant by the governing authority or agency or required by this paragraph (r) shall be duly included in the advertisement to elicit proposals. After responses to the request for proposals have been duly received, the governing authority or agency shall select the most qualified proposal or proposals on the basis of price, technology and other relevant factors and from such proposals, but not limited to the terms thereof, negotiate and enter into contracts with one or more of the persons or firms submitting proposals. If the governing authority or agency deems none of the proposals to be qualified or otherwise acceptable, the request for proposals process may be reinitiated. Notwithstanding any other provisions of this paragraph, where a county with at least thirty-five thousand (35,000) nor more than forty thousand (40,000) population, according to the 1990 federal decennial census, owns or operates a solid waste landfill, the governing authorities of any other county or municipality may contract with the governing authorities of the county owning or operating the landfill, pursuant to a resolution duly adopted and spread upon the minutes of each governing authority involved, for garbage or solid waste collection or disposal services through contract negotiations.

(s) Minority set-aside authorization. Notwithstanding any provision of this section to the contrary, any agency or governing authority, by order placed on its minutes, may, in its discretion, set aside not more than twenty percent (20%) of its anticipated annual expenditures for the purchase of commodities from minority businesses; however, all such set-aside purchases shall comply with all purchasing regulations promulgated by the Department of Finance and Administration and shall be subject to bid requirements under this section. Set-aside purchases for which competitive bids are required shall be made from the lowest and best minority business bidder. For the purposes of this paragraph, the term "minority business" means a business which is owned by a majority of persons who are United States citizens or permanent resident aliens (as defined by the Immigration and Naturalization Service) of the United States, and who are Asian, Black, Hispanic or Native American, according to the following definitions:

(i) "Asian" means persons having origins in any of the original people of the Far East, Southeast Asia, the Indian subcontinent, or the Pacific Islands.

(ii) "Black" means persons having origins in any black racial group of Africa.

(iii) "Hispanic" means persons of Spanish or Portuguese culture with origins in Mexico, South or Central America, or the Caribbean Islands, regardless of race.

(iv) "Native American" means persons having origins in any of the original people of North America, including American Indians, Eskimos and Aleuts.

(t) Construction punch list restriction. The architect, engineer or other representative designated by the agency or governing authority that is contracting for public construction or renovation may prepare and submit to the contractor only one (1) preliminary punch list of items that do not meet the contract requirements at the time of substantial completion and one (1) final list immediately before final completion and final payment.

(u) Procurement of construction services by state institutions of higher learning. Contracts for privately financed construction of auxiliary facilities on the campus of a state institution of higher learning may be awarded by the Board of Trustees of State Institutions of Higher Learning to the lowest and best bidder, where sealed bids are solicited, or to the offeror whose proposal is determined to represent the best value to the citizens of the State of Mississippi, where requests for proposals are solicited.

(v) Insurability of bidders for public construction or other public contracts. In any solicitation for bids to perform public construction or other public contracts to which this section applies, including, but not limited to, contracts for repair and maintenance, for which the contract will require insurance coverage in an amount of not less than One Million Dollars ($1,000,000.00), bidders shall be permitted to either submit proof of current insurance coverage in the specified amount or demonstrate ability to obtain the required coverage amount of insurance if the contract is awarded to the bidder. Proof of insurance coverage shall be submitted within five (5) business days from bid acceptance.

(w) Purchase authorization clarification. Nothing in this section shall be construed as authorizing any purchase not authorized by law.

(x) Mississippi Regional Pre-Need Disaster Clean Up Act. (i) The Department of Finance and Administration shall enter into nine (9) contracts for the pre-need purchase of labor, services, work, materials, equipment, supplies or other personal property for disaster-related solid waste collection, disposal or monitoring. One (1) contract shall be entered into for each of the nine (9) Mississippi Emergency Management Association districts:

1. Coahoma, DeSoto, Grenada, Panola, Quitman, Tallahatchie, Tate, Tunica and Yalobusha Counties;

8. Covington, Forrest, Greene, Jefferson Davis, Jones, Lamar, Marion, Perry and Wayne Counties; and

9. George, Hancock, Harrison, Jackson, Pearl River and Stone Counties.

Any such contract shall set forth the manner of awarding such a contract, the method of payment, and any other matter deemed necessary to carry out the purposes of the agreement. Such contract may be entered into only for a term of one (1) year, with an option for an additional one-year extension after the conclusion of the first year of the contract, and only after having solicited bids or proposals, as appropriate, which shall be publicly advertised by posting on a web page maintained by the Department of Finance and Administration through submission of such advertisement to the Mississippi Procurement Technical Assistance Program under the Mississippi Development Authority. The bid opening shall not occur until after the submission has been posted for at least ten (10) consecutive days. The state's share of expenditures for solid waste collection, disposal or monitoring under any contract shall be appropriated and paid in the manner set forth in the contract and in the same manner as for other solid waste collection, disposal, or monitoring expenses of the state. Any contract entered into under this paragraph shall not be subject to the provisions of Section 17-13-11.

(ii) Any board of supervisors of any county or any governing authority of any municipality may opt in to the benefits and services provided under the appropriate and relevant contract established in subparagraph (i) of this paragraph at the time of a disaster event in that county or municipality. At the time of opt in, the county or municipality shall assume responsibility for payment in full to the contractor for the disaster-related solid waste collection, disposal or monitoring services provided. Nothing in this subparagraph (ii) shall be construed as requiring a county or municipality to opt in to any such contract established in subparagraph (i) of this paragraph.

SECTION 4. This act shall take effect and be in force from and after July 1, 2024, and shall stand repealed on June 30, 2024.

Senator Sparks offered the following COMMITTEE AMENDMENT NO. 1.

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 27-69-3, Mississippi Code of 1972, is amended as follows:

(b) "State Auditor" means the Auditor of Public Accounts of the State of Mississippi, or his legally appointed deputy, clerk or agent.

(c) "Commissioner" means the Commissioner of Revenue of the Department of Revenue, and his authorized agents and employees.

(d) "Person" means any individual, company, corporation, partnership, association, joint venture, estate, trust, or any other group, or combination acting as a unit, and the plural as well as the singular, unless the intention to give a more limited meaning is disclosed by the context.

(e) "Consumer" means a person who comes into possession of tobacco for the purpose of consuming it, giving it away, or disposing of it in any way by sale, barter or exchange.

(f) "Tobacco" means any cigarettes, cigars, cheroots, stogies, smoking tobacco (including granulated, plug cut, crimp cut, ready rubbed, and other kinds and forms of tobacco, or substitutes therefor, prepared in such manner as to be suitable for smoking in a pipe or cigarette) and including plug and twist chewing tobacco and snuff, when such "tobacco" is manufactured and prepared for sale or personal consumption. All words used herein shall be given the meaning as defined in the regulations of the Treasury Department of the United States of America. The term "tobacco" also includes heated tobacco products.

(g) "First sale" means and includes the first sale, or distribution of such tobacco in intrastate commerce, or the first use or consumption of such tobacco within this state.

(h) "Drop shipment" means and includes any delivery of tobacco received by any person within this state, when payment for such tobacco is made to the shipper, or seller by or through a person other than a consignee.

(i) "Distributor" includes every person, except retailers as defined herein, in the state who manufactures or produces tobacco or who ships, transports, or imports into this state, or in any manner acquires or possesses tobacco, and makes a first sale of the same in the state.

(j) "Wholesaler" includes dealers, whose principal business is that of a wholesale dealer or jobber, who is known to the retail trade as such, and whose place of business is located in Mississippi or in a state which affords reciprocity to wholesalers domiciled in Mississippi, who shall sell any taxable tobacco to retail dealers only for the purpose of resale.

(k) "Retailer" includes every person, other than a wholesale dealer, as defined above, whose principal business is that of selling merchandise at retail, who shall sell, or offer for sale tobacco to the consumer. The sale of tobacco in quantity lots by retailers to other retailers, transient vendors, or other persons, shall not be construed as wholesale and shall not qualify such retailer for a permit as a wholesaler.

(l) "Dealer" includes every person, firm, corporation or association of persons, except retailers as defined herein, who manufacture tobacco for distribution, for sale, for use or for consumption in the State of Mississippi.

The word "dealer" is further defined to mean any person, firm, corporation or association of persons, except retailers as defined herein, who imports tobacco from any state or foreign country for distribution, sale, use, or consumption in the State of Mississippi.

(m) "Distributing agent" includes every person in the state who acts as an agent of any person outside the State of Mississippi, by receiving tobacco in interstate commerce, and storing such tobacco in this state subject to distribution, or delivery upon order from the person outside the state to distributors, wholesalers, retailers and dealers.

(n) "Transient vendor" means and includes every person commonly and generally termed "peddlers" and every person acting for himself, or as an agent, employee, salesman, or in any capacity for another, whether as owner, bailee, or other custodian of tobacco, and going from person to person, dealer to dealer, house to house, or place to place, and selling or offering for sale at retail or wholesale tobacco, and every person who does not keep a regular place of business open at all times in regular hours, and every person who goes from person to person, dealer to dealer, house to house, or place to place, and sells or offers for sale tobacco which he carries with him, and who delivers the same at the time of, or immediately after the sale, or without returning to the

place of business operations (a permanent place of business within the state) between the taking of the order and the delivery of the tobacco, or

All persons who go from person to person, house to house, place to place, or dealer to dealer, soliciting orders by exhibiting samples, or taking orders, and thereafter making delivery of tobacco, or filling the order without carrying or sending the order to the permanent place of business, and thereafter making delivery of the tobacco pursuant to the terms of the order, or

All persons who go from person to person, place to place, house to house, or dealer to dealer, carrying samples and selling tobacco from samples, and afterwards making delivery without taking and sending an order therefor to a permanent place of business for the filling of the order, and delivery of the tobacco, or the exchange of tobacco having become damaged or unsalable, or the purchase by tobacco of advertising space, or

All persons who have in their possession, or under their control, any tobacco offered, or to be offered for sale or to be delivered, unless the sale or delivery thereof is to be made in pursuance of a bona fide order for the tobacco, to be sold or delivered, the order to be evidenced by an invoice or memorandum.

(o) "Contraband tobacco" means all tobacco found in the possession of any person whose permit to engage in dealing in tobacco has been revoked by the commissioner; and any cigarettes found in the possession of any person to which the proper tax stamps have not been affixed; and any cigarettes improperly stamped when found in the possession of any person; and all other tobacco upon which the excise tax has not been paid.

(p) "Sale" means an exchange for money or goods, giving away, or distributing any tobacco as defined in this chapter.

(q) "Forty-eight (48) hours" and "seventy-two (72) hours" means two (2) calendar days and three (3) calendar days, respectively, excluding Sundays and legal holidays.

(r) "Stamp" or "stamping," or the import of such word, when used in this chapter, means any manner of stamp or impression permitted by the commissioner that carries out the purposes of the chapter in clearly indicating upon the packages of cigarettes taxed the due payment of the tax and clearly identifying, by serial number or otherwise, the permittee who affixed the stamp to the particular package.

(s) "Manufacturer's list price" means the full sales price at which tobacco is sold or offered for sale by a manufacturer to the wholesaler or distributor in this state without any deduction for freight, trade discount, cash discounts, special discounts or deals, cash rebates, or any other reduction from the regular selling price. In the event freight charges on shipments to wholesalers or distributors are not paid by the manufacturer, then such freight charges required to be paid by the wholesalers and distributors shall be added to the amount paid to the manufacturer in order to determine "manufacturer's list price." In the case of a wholesaler or distributor whose place of business is located outside this state, the "manufacturer's list price" for tobacco sold in this state by such wholesaler or distributor shall in all cases be considered to be the same as that of a wholesaler or distributor located within this state.

(t) "Heated tobacco products" means a product containing tobacco that produces an inhalable aerosol by (i) heating the tobacco without combustion of the tobacco or (ii) heat generated from a combustion source that only or primarily heats rather than burns the tobacco.

SECTION 2. Section 27-69-13, Mississippi Code of 1972, is amended as follows:

27-69-13. There is hereby imposed, levied and assessed, to be collected and paid as hereinafter provided in this chapter, an excise tax on each person or dealer in cigarettes, cigars, stogies, snuff, chewing tobacco, and smoking tobacco, or substitutes therefor, upon the sale, use, consumption, handling or distribution in the State of Mississippi, as follows:

(a) On cigarettes, the rate of tax shall be Three and Four-tenths Cents (3.4¢) on each cigarette sold with a maximum length of one hundred twenty (120) millimeters; any cigarette in excess of this length shall be taxed as if it were two (2) or more cigarettes. Provided, however, if the federal tax rate on cigarettes in effect on June 1, 1985, is reduced, then the rate as provided herein shall be increased by the amount of the federal tax reduction. Such tax increase shall take effect on the first day of the month following the effective date of such reduction in the federal tax rate. Heated tobacco products shall not be taxed as cigarettes under this paragraph (a); however, this exclusion shall not affect heated tobacco products for any purposes related to Section 27-70-1 et seq.

(b) On cigars, cheroots, stogies, snuff, chewing and smoking tobacco and all other tobacco products except cigarettes and heated tobacco products, the rate of tax shall be fifteen percent (15%) of the manufacturer's list price.

(c) On heated tobacco products, the rate of tax shall be two and eight-tenth cents (2.8¢) on each disposable heated tobacco unit or stick sold to be used for consumption by insertion into a heated tobacco product heating system device.

No stamp evidencing the tax herein levied on cigarettes shall be of a denomination of less than One Cent (1¢), and whenever the tax computed at the rates herein prescribed on cigarettes shall be a specified amount, plus a fractional part of One Cent (1¢), the package shall be stamped for the next full cent; however, the additional face value of stamps purchased to comply with taxes imposed by this section after June 1, 1985, shall be subject to a four percent (4%) discount or compensation to dealers for their services rather than the eight percent (8%) discount or compensation allowed by Section 27-69-31.

Every wholesaler shall purchase stamps as provided in this chapter, and affix the same to all packages of cigarettes handled by him as herein provided.

The above tax is levied upon the sale, use, gift, possession or consumption of tobacco within the State of Mississippi, and the impact of the tax levied by this chapter is hereby declared to be on the vendee, user, consumer or possessor of tobacco in this state; and when said tax is paid by any other person, such payment shall be considered as an advance payment and shall thereafter be added to the price of the tobacco and recovered from the ultimate consumer or user.

SECTION 3. Section 27-69-27, Mississippi Code of 1972, is amended as follows:

27-69-27. The payment of the tax imposed by this chapter shall be evidenced by affixing stamps to each individual package of cigarettes usually sold to consumers, as distinguished from cartons or larger units which are composed of a number of individual packages.

Except as otherwise provided in this paragraph, the stamp shall be affixed within seventy-two (72) hours after the receipt of the cigarettes by the wholesaler, and within forty-eight (48) hours after receipt of the cigarettes by the retailer; provided, that in the case a dealer conducts a wholesale and retail business at one (1) place of business, stamps shall be affixed within forty-eight (48) hours after receipt of the cigarettes. However, the provisions of this paragraph shall not apply to tobacco at the point it is purchased at a sale under Section 27-69-56. The stamp must be so securely affixed as to require the continued application of water or of steam to remove it, or so that it cannot be otherwise removed without destruction or mutilation.

The excise tax imposed on cigars, smoking tobacco, chewing tobacco, snuff and all other tobacco products except cigarettes and heated tobacco products shall be computed by the application of the excise tax rate to the manufacturer's list price on all purchases of such tobacco. The excise tax shall be due and payable on or before the fifteenth day of the month next succeeding the month in which the tax accrues. The tax shall be filed with the commissioner on forms prescribed by the commissioner.

Provided, however, manufacturers or other wholesale distributors of tobacco, which are subject to the excise taxes imposed by Section 27-69-13 of this chapter for the privilege of selling or using such tobaccos within this state, who maintain "terminals" or warehouses in which such tobaccos are stored, and who sell only to licensed wholesale dealers within the state who are qualified to purchase and affix the stamps required, may maintain such "spot stocks," intended only for such sales, without affixing the stamps or filing returns and paying the tax.

Any person desiring to maintain such "terminal" or warehouse, shall make application to the commissioner and obtain a permit to maintain such stocks without affixing stamps thereto, for sale exclusively to out-of-state purchasers, or licensed wholesale dealers within this state, and the commissioner is hereby authorized to grant such permit upon the execution and filing with the commissioner, by the applicant, a bond with surety companies, authorized to do business in Mississippi, as surety thereon, and conditioned for the strict compliance by the applicant, with the following conditions under which said privilege may be granted.

The person maintaining such stock of untaxed tobacco shall supply to the commissioner monthly, or at such times as the commissioner may require, complete invoices of all tobaccos received, and shall also supply correct invoices of all tobaccos removed from such "terminal" or warehouse, said invoices to contain the correct name and address of all persons to whom such tobacco shall be delivered or consigned, whether within or without the State of Mississippi.

The penalty of such bond shall be determined by the commissioner, in an amount sufficient to protect the State of Mississippi from any loss of revenue which might occur by reason of the failure of principal to strictly adhere to the requirement that no tobacco would be sold from such stock within the State of Mississippi, except to licensed wholesale dealers.

SECTION 4. Nothing in this act shall affect or defeat any claim, assessment, appeal, suit, right or cause of action for taxes due or accrued under the tobacco tax laws before the date on which this act becomes effective, whether such claims, assessments, appeals, suits or actions have been begun before the date on which this act becomes effective or are begun thereafter; and the provisions of the tobacco tax laws are expressly continued in full force, effect and operation for the purpose of the assessment, collection and enrollment of liens for any taxes due or accrued and the execution of any warrant under such laws before the date on which this act becomes effective, and for the imposition of any penalties, forfeitures or claims for failure to comply with such laws.

SECTION 5. This act shall take effect and be in force from and after July 1, 2024, and shall stand repealed on June 29, 2024.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 27-69-3, MISSISSIPPI CODE OF 1972, TO DEFINE THE TERM "HEATED TOBACCO PRODUCT" UNDER THE TOBACCO TAX LAW; TO AMEND SECTION 27-69-13, MISSISSIPPI CODE OF 1972, TO LEVY AN EXCISE TAX ON HEATED TOBACCO PRODUCTS UNDER THE TOBACCO TAX LAW;

H. B. No. 1988: Children's Promise Act; increase amount of tax credits that may be allocated under, bring forward various tax credit sections of law.

Senator Harkins offered the following COMMITTEE AMENDMENT NO. 1.

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 27-7-22.41, Mississippi Code of 1972, is brought forward as follows:

27-7-22.41. (1) For the purposes of this section, the following words and phrases shall have the meanings ascribed in this section unless the context clearly indicates otherwise:

(a) "Department" means the Department of Revenue.

(b) "Eligible charitable organization" means an organization that is exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code and is:

(i) Licensed by or under contract with the Mississippi Department of Child Protection Services and provides services for:

1. The prevention and diversion of children from custody with the Department of Child Protection Services,

2. The safety, care and well-being of children in custody with the Department of Child Protection Services, or

3. The express purpose of creating permanency for children through adoption; or

(ii) Certified by the department as an educational services charitable organization that is accredited by a regional accrediting organization and provides services to:

1. Children in a foster care placement program established by the Department of Child Protection Services, children placed under the Safe Families for Children model, or children at significant risk of entering a foster care placement program established by the Department of Child Protection Services,

2. Children who have a chronic illness or physical, intellectual, developmental or emotional disability, or

3. Children eligible for free or reduced price meals programs under Section 37-11-7, or selected for participation in the Promise Neighborhoods Program sponsored by the U.S. Department of Education.

(2) (a) The tax credit authorized in this section shall be available only to a taxpayer who is a business enterprise engaged in commercial, industrial or professional activities and operating as a corporation, limited liability company, partnership or sole proprietorship. Except as otherwise provided in this section, a credit is allowed against the taxes imposed by Sections 27-7-5, 27-15-103, 27-15-109 and 27-15-123, for voluntary cash contributions made by a taxpayer during the taxable year to an eligible charitable organization. From and after January 1, 2022, for a taxpayer that is not operating as a corporation, a credit is also allowed against ad valorem taxes assessed and levied on real property for voluntary cash contributions made by the taxpayer during the taxable year to an eligible charitable organization. The amount of credit that may be utilized by a taxpayer in a taxable year shall be limited to (i) an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for the taxes imposed by such sections of law and (ii) an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for ad valorem taxes assessed and levied on real property. Any tax credit claimed under this section but not used in any taxable year may be carried forward for five (5) consecutive years from the close of the tax year in which the credits were earned.

(b) A contribution to an eligible charitable organization for which a credit is claimed under this section does not qualify for and shall not be included in any credit that may be claimed under Section 27-7-22.39.

(c) A contribution for which a credit is claimed under this section may not be used as a deduction by the taxpayer for state income tax purposes.

(3) Taxpayers taking a credit authorized by this section shall provide the name of the eligible charitable organization and the amount of the contribution to the department on forms provided by the department.

(4) An eligible charitable organization shall provide the department with a written certification that it meets all criteria to be considered an eligible charitable organization. An eligible charitable organization must also provide the department with written documented proof of its license and/or written contract with the Mississippi Department of Child Protection Services. The organization shall also notify the department of any changes that may affect eligibility under this section.

(5) The eligible charitable organization's written certification must be signed by an officer of the organization under penalty of perjury. The written certification shall include the following:

(a) Verification of the organization's status under Section 501(c)(3) of the Internal Revenue Code;

(b) A statement that the organization does not provide, pay for or provide coverage of abortions and does not financially support any other entity that provides, pays for or provides coverage of abortions;

(c) A statement that the funds generated from the tax credit shall be used for educational resources, staff and expenditures and/or other purposes described in this section.

(d) Any other information that the department requires to administer this section.

(6) The department shall review each written certification and determine whether the organization meets all the criteria to be considered an eligible charitable organization and notify the organization of its determination. The department may also periodically request recertification from the organization. The department shall compile and make available to the public a list of eligible charitable organizations.

(7) Tax credits authorized by this section that are earned by a partnership, limited liability company, S corporation or other similar pass-through entity, shall be allocated among all partners, members or shareholders, respectively, either in proportion to their ownership interest in such entity or as the partners, members or shareholders mutually agree as provided in an executed document.

(8) (a) A taxpayer shall apply for credits with the department on forms prescribed by the department. In the application the taxpayer shall certify to the department the dollar amount of the contributions made or to be made during the calendar year. Within thirty (30) days after the receipt of an application, the department shall allocate credits based on the dollar amount of contributions as certified in the application. However, if the department cannot allocate the full amount of credits certified in the application due to the limit on the aggregate amount of credits that may be awarded under this section in a calendar year, the department shall so notify the applicant within thirty (30) days with the amount of credits, if any, that may be allocated to the applicant in the calendar year. Once the department has allocated credits to a taxpayer, if the contribution for which a credit is allocated has not been made as of the date of the allocation, then the contribution must be made not later than sixty (60) days from the date of the allocation. If the contribution is not made within such time period, the allocation shall be cancelled and returned to the department for reallocation. Upon final documentation of the contributions, if the actual dollar amount of the contributions is lower than the amount estimated, the department shall adjust the tax credit allowed under this section.

(b) A taxpayer who applied for a tax credit under this section during calendar year 2020, but who was unable to be awarded the credit due to the limit on the aggregate amount of credits authorized for calendar year 2020, shall be given priority for tax credits authorized to be allocated to taxpayers under this section by Section 27-7-22.39.

(c) For the purposes of using a tax credit against ad valorem taxes assessed and levied on real property, a taxpayer shall present to the appropriate tax collector the tax credit documentation provided to the taxpayer by the Department of Revenue, and the tax collector shall apply the tax credit against such ad valorem taxes. The tax collector shall forward the tax credit documentation to the Department of Revenue along with the amount of the tax credit applied against ad valorem taxes, and the department shall disburse funds to the tax collector for the amount of the tax credit applied against ad valorem taxes. Such payments by the Department of Revenue shall be made from current tax collections.

(9) The aggregate amount of tax credits that may be allocated by the department under this section during a calendar year shall not exceed Five Million Dollars ($5,000,000.00), and not more than fifty percent (50%) of tax credits allocated during a calendar year may be allocated for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section. (4) Employers shall be certified as eligible for the tax credit by the local community or junior college that serves the employer and the department.

(5) The tax credits provided for in this section shall be in addition to all other tax credits heretofore granted by the laws of the state.

(6) A community/junior college may commit to provide employer-sponsored skills training programs for an employer for a multiple number of years, not to exceed five (5) years.

(7) The Mississippi Community College Board shall make a report to the Legislature by January 30 of each year summarizing the number of participants, the junior or community college through which the training was offered, and the type of training offered.
