On or before August 15, 2020, and each succeeding month thereafter through August 15, 2022, six percent (6%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3), 27-65-21 and 27-65-24, on business activities within the corporate limits of the City of Jackson, Mississippi, shall be deposited into the Capitol Complex Improvement District Project Fund created in Section 29-5-215. On or before September 15, 2022, and each succeeding month thereafter, six and twenty-two one-hundredths percent (6-22/100%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3), 27-65-21 and 27-65-24, on business activities within the corporate limits of the City of Jackson, Mississippi, shall be deposited into the Capitol Complex Improvement District Project Fund created in Section 29-5-215.

(d) (i) On or before the fifteenth day of the month that the diversion authorized by this section begins, and each succeeding month thereafter, eighteen and one-half percent (18-1/2%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3) and 27-65-21, on business activities within a redevelopment project area developed under a redevelopment plan adopted under the Tax Increment Financing Act (Section 21-45-1 et seq.) shall be allocated for distribution to the county in which the project area is located if:

1. The county:

a. Borders on the Mississippi Sound and the State of Alabama, or

b. Is Harrison County, Mississippi, and the project area is within a radius of two (2) miles from the intersection of Interstate 10 and Menge Avenue;

2. The county has issued bonds under Section 21-45-9 to finance all or a portion of a redevelopment project in the redevelopment project area;

3. Any debt service for the indebtedness incurred is outstanding; and

4. A development with a value of Ten Million Dollars (\$10,000,000.00) or more is, or will be, located in the redevelopment area.

(ii) Before any sales tax revenue may be allocated for distribution to a county under this paragraph, the county shall certify to the Department of Revenue that the requirements of this paragraph have been met, the amount of bonded indebtedness that has been incurred by the county for the redevelopment project and the expected date the indebtedness incurred by the county will be satisfied.

(iii) The diversion of sales tax revenue authorized by this paragraph shall begin the month following the month in which the Department of Revenue determines that the requirements of this paragraph have been met. The diversion shall end the month the indebtedness incurred by the county is satisfied. All revenue received by the county under this paragraph shall be deposited in the fund required to be created in the tax increment financing plan under Section 21-45-11 and be utilized solely to satisfy the indebtedness incurred by the county.

(2) On or before September 15, 1987, and each succeeding month thereafter, from the revenue collected under this chapter during the preceding month, One Million One Hundred Twenty-five Thousand Dollars (\$1,125,000.00) shall be allocated for distribution to municipal corporations as defined under subsection (1) of this section in the proportion that the number of gallons of gasoline and diesel fuel sold by distributors to consumers and retailers in each such municipality during the preceding fiscal year bears to the total gallons of gasoline and diesel fuel sold by distributors to consumers and retailers in municipalities statewide during the preceding fiscal year. The Department of Revenue shall require all distributors of gasoline and diesel fuel to report to the department monthly the total number of gallons of gasoline and diesel fuel sold by them to consumers and retailers in each municipality during the preceding month. The Department of Revenue shall have the authority to promulgate such rules and regulations as is necessary to determine the number of gallons of gasoline and diesel fuel sold by distributors to consumers and retailers in each municipality. In determining the percentage allocation of funds under this subsection for the fiscal year beginning July 1, 1987, and ending June 30, 1988, the Department of Revenue may consider gallons of gasoline and diesel fuel sold for a period of less than one (1) fiscal year. For the purposes of this subsection, the term "fiscal year" means the fiscal year beginning July 1 of a year.

(3) On or before September 15, 1987, and on or before the fifteenth day of each succeeding month, until the date specified in Section 65-39-35, the proceeds derived from contractors' taxes levied under Section 27-65-21 on contracts for the construction or reconstruction of highways designated under the highway program created under Section 65-3-97 shall, except as otherwise provided in Section 31-17-127, be deposited into the State Treasury to the credit of the State Highway Fund to be used to fund that highway program. The Mississippi Department of Transportation shall provide to the Department of Revenue such information as is necessary to determine the amount of proceeds to be distributed under this subsection.

(4) On or before August 15, 1994, and on or before the fifteenth day of each succeeding month through July 15, 1999, from the proceeds of gasoline, diesel fuel or kerosene taxes as provided in Section 27-5-101(a)(ii)1, Four Million Dollars (\$4,000,000.00) shall be deposited in the State Treasury to the credit of a special fund designated as the "State Aid Road Fund," created by Section 65-9-17. On or before August 15, 1999, and on or before the fifteenth day of each succeeding month, from the total amount of the proceeds of gasoline, diesel fuel or kerosene taxes apportioned by Section 27-5-101(a)(ii)1, Four Million Dollars (\$4,000,000.00) or an amount equal to twenty-three and one-fourth percent (23-1/4%) of those funds, whichever is the greater amount, shall be deposited in the State Treasury to the credit of the "State Aid Road Fund," created by Section 65-9-17. Those funds shall be pledged to pay the principal of and interest on state aid road bonds heretofore issued under Sections 19-9-51 through 19-9-77, in lieu of and in substitution for the funds previously allocated to counties under this section. Those funds may not be pledged for the payment of any state aid road bonds issued after April 1, 1981; however, this prohibition against the pledging of any such funds for the payment of bonds shall not apply to any bonds for which intent to issue those bonds has been published for the first time, as provided by law before March 29, 1981. From the amount of taxes paid into the special fund under this subsection and subsection (9) of this section, there shall be first deducted and paid the amount necessary to pay the expenses of the Office of State Aid Road Construction, as authorized by the Legislature for all other general and special fund agencies. The remainder of the fund shall be allocated monthly to the several counties in accordance with the following formula:

(a) One-third (1/3) shall be allocated to all counties in equal shares;

(b) One-third (1/3) shall be allocated to counties based on the proportion that the total number of rural road miles in a county bears to the total number of rural road miles in all counties of the state; and

(c) One-third (1/3) shall be allocated to counties based on the proportion that the rural population of the county bears to the total rural population in all counties of the state, according to the latest federal decennial census.

For the purposes of this subsection, the term "gasoline, diesel fuel or kerosene taxes" means such taxes as defined in paragraph (f) of Section 27-5-101.

The amount of funds allocated to any county under this subsection for any fiscal year after fiscal year 1994 shall not be less than the amount allocated to the county for fiscal year 1994.

Any reference in the general laws of this state or the Mississippi Code of 1972 to Section 27-5-105 shall mean and be construed to refer and apply to subsection (4) of Section 27-65-75.

(5) One Million Six Hundred Sixty-six Thousand Six Hundred Sixty-six Dollars (\$1,666,666.00) each month shall be paid into the special fund known as the "State Public School Building Fund" created and existing under the provisions of Sections 37-47-1 through 37-47-67. The point of origin of shipment of gasoline transported into this state by pipelines shall be deemed to be that point in this state where such gasoline is withdrawn from the pipeline for storage or distribution, and adjustment to sixty (60) degrees Fahrenheit shall there be made. The tax levied herein shall accrue on blend stock at the time it is blended with gasoline. The blender shall pay to the commission the tax levied herein when blend stock is sold or delivered to persons who do not hold gasoline distributor permits. The blender shall report to the commission all sales and deliveries of blend stock to bonded distributors of gasoline. The bonded distributor of gasoline who purchases, receives or acquires blend stock from a blender in this state shall report blend stock and pay the tax levied herein.

The tax levied in this section shall be suspended for six (6) months from the effective date of this act. The Department of Revenue shall require all distributors of gasoline and diesel fuel to report to the department monthly the total number of gallons of gasoline and diesel fuel sold by them to consumers and retailers in each municipality during the preceding month. The Department of Revenue shall have the authority to promulgate such rules and regulations as is necessary to determine the number of gallons of gasoline and diesel fuel sold by distributors to consumers and retailers in each municipality. In determining the percentage allocation of funds under this subsection for the fiscal year beginning July 1, 1987, and ending June 30, 1988, the Department of Revenue may consider gallons of gasoline and diesel fuel sold for a period of less than one (1) fiscal year. For the purposes of this subsection, the term "fiscal year" means the fiscal year beginning July 1 of a year.

Those funds shall be pledged to pay the principal of and interest on state aid road bonds heretofore issued under Sections 19-9-51 through 19-9-77, in lieu of and in substitution for the funds previously allocated to counties under this section. Those funds may not be pledged for the payment of any state aid road bonds issued after April 1, 1981; however, this prohibition against the pledging of any such funds for the payment of bonds shall not apply to any bonds for which intent to issue those bonds has been published for the first time, as provided by law before March 29, 1981. From the amount of taxes paid into the special fund under this subsection and subsection (9) of this section, there shall be first deducted and paid the amount necessary to pay the expenses of the Office of State Aid Road Construction, as authorized by the Legislature for all other general and special fund agencies. The remainder of the fund shall be allocated monthly to the several counties in accordance with the following formula:

(a) One-third (1/3) shall be allocated to all counties in equal shares;

(c) One-third (1/3) shall be allocated to counties based on the proportion that the rural population of the county bears to the total rural population in all counties of the state, according to the latest federal decennial census.

For the purposes of this subsection, the term "gasoline, diesel fuel or kerosene taxes" means such taxes as defined in paragraph (f) of Section 27-5-101.

The amount of funds allocated to any county under this subsection for any fiscal year after fiscal year 1994 shall not be less than the amount allocated to the county for fiscal year 1994.

Any person in business as a distributor of gasoline or who acts as a distributor of gasoline, as defined in this article, shall pay for the privilege of engaging in such business or acting as such distributor an excise tax equal to Eighteen Cents (18¢) per gallon until the date specified in Section 65-39-35, and Fourteen and Four-tenths Cents (14.4¢) per gallon thereafter, on all gasoline and blend stock stored, sold, distributed, manufactured, refined, distilled, blended or compounded in this state or received in this state for sale, use on the highways, storage, distribution, or for any purpose.

Any person in business as a distributor of aviation gasoline, or who acts as a distributor of aviation gasoline, shall pay for the privilege of engaging in such business or acting as such distributor an excise tax equal to Six and Four-tenths Cents (6.4¢) per gallon on all aviation gasoline stored, sold, distributed, manufactured, refined, distilled, blended or compounded in this state or received in this state for sale, storage, distribution or for any purpose.

The excise taxes collected under this section shall be paid and distributed in accordance with Section 27-5-101.

The tax herein imposed and assessed shall be collected and paid to the State of Mississippi but once in respect to any gasoline. The basis for determining the tax liability shall be the correct invoiced gallons, adjusted to sixty (60) degrees Fahrenheit at the refinery or point of origin of shipment when such shipment is made by tank car or by motor carrier. The point of origin of shipment of gasoline transported into this state by pipelines shall be deemed to be that point in this state where such gasoline is withdrawn from the pipeline for storage or distribution, and adjustment to sixty (60) degrees Fahrenheit shall there be made. The basis for determining the tax liability on gasoline shipped into this state in barge cargoes and by pipeline shall be the actual number of gallons adjusted to sixty (60) degrees Fahrenheit unloaded into storage tanks or other containers in this state, such gallonage to be determined by measurement and/or gauge of storage tank or tanks or by any other method authorized by the commission. The tank or tanks into which barge cargoes of gasoline are discharged, or into which gasoline transported by pipeline is discharged, shall have correct gauge tables listing capacity, such gauge tables to be prepared by some recognized calibrating agency and to be approved by the commission.

The tax levied herein shall accrue at the time gasoline is withdrawn from a refinery in this state except when withdrawal is by pipeline, barge, ship or vessel. The refiner shall pay to the commission the tax levied herein when gasoline is sold or delivered to persons who do not hold gasoline distributor permits. The refiner shall report to the commission all sales and deliveries of gasoline to bonded distributors of gasoline. The bonded distributor of gasoline who purchases, receives or acquires gasoline from a refinery in this state shall report such gasoline and pay the tax levied herein.

Gasoline imported by common carrier shall be deemed to be received by the distributor of gasoline, and the tax levied herein shall accrue, when the car or tank truck containing such gasoline is unloaded by the carrier.

With respect to distributors or other persons who bring, ship, have transported, or have brought into this state gasoline by means other than through a common carrier, the tax accrues and the tax liability attaches on the distributor or other person for each gallon of gasoline brought into the state at the time when and at the point where such gasoline is brought into the state.

The tax levied herein shall accrue on blend stock at the time it is blended with gasoline. The blender shall pay to the commission the tax levied herein when blend stock is sold or delivered to persons who do not hold gasoline distributor permits. The blender shall report to the commission all sales and deliveries of blend stock to bonded distributors of gasoline. The bonded distributor of gasoline who purchases, receives or acquires blend stock from a blender in this state shall report blend stock and pay the tax levied herein.

The tax levied in this section shall be suspended for six (6) months from the effective date of this act. A retailer of gasoline or aviation gasoline taxed under this section may seek a refund from the distributor for any taxes paid to the distributor for gasoline or aviation gasoline for which the tax is suspended. The distributor may claim a refund for such taxes from the department pursuant to emergency regulations promulgated by the department.

(b) "Eligible transferee" means any taxpayer having a liability for taxes under this chapter.

However, the tax credit shall not exceed the amount of tax imposed upon the taxpayer for the taxable year reduced by the sum of all other credits allowable to the taxpayer under this chapter, except credit for tax payments made by or on behalf of the taxpayer. Any tax credit claimed under this section but not used in any taxable year may be carried forward for five (5) consecutive years from the close of the taxable year in which the credit was earned. The aggregate amount of credits that may be claimed by all taxpayers claiming a credit under this section during a calendar year shall not exceed Eight Million Dollars (\$8,000,000.00). In addition, an eligible taxpayer

may transfer by written agreement any unused tax credit to an eligible transferee at any time during the year in which the credit is earned and the five (5) years following the taxable year in which the qualified railroad reconstruction or replacement expenditures or the qualified new rail infrastructure expenditures are made. The eligible taxpayer and the eligible transferee must jointly file a copy of the written transfer agreement with the Department of Revenue within thirty (30) days of the transfer. The written agreement must contain the: (a) name, address, and taxpayer identification number of the parties to the transfer; (b) taxable year the eligible taxpayer incurred the qualified railroad reconstruction or replacement expenditures or the qualified new rail infrastructure expenditures; (c) amount of credit being transferred; and (d) taxable year or years for which the credit may be claimed by the eligible transferee.

All the ordinary and necessary expenses paid or incurred during the taxable year in carrying on any trade or business, including a reasonable allowance for salaries or other compensation for personal services actually rendered; nonreimbursable traveling expenses incident to current employment, including a reasonable amount expended for meals and lodging while away from home in the pursuit of a trade or business; and rentals or other payments required to be made as a condition of the continued use or possession, for purposes of the trade or business of property to which the taxpayer has not taken or is not taking title or in which he had no equity. Expense incurred in connection with earning and distributing nontaxable income is not an allowable deduction. Limitations on entertainment expenses shall conform to the provisions of the Internal Revenue Code of 1986.

(b) Interest. All interest paid or accrued during the taxable year on business indebtedness, except interest upon the indebtedness for the purchase of tax-free bonds, or any stocks, the dividends from which are nontaxable under the provisions of this article; provided, however, in the case of securities dealers, interest payments or accruals on loans, the proceeds of which are used to purchase tax-exempt securities, shall be deductible if income from otherwise tax-free securities is reported as income. Investment interest expense shall be limited to investment income. Interest expense incurred for the purchase of treasury stock, to pay dividends, or incurred as a result of an undercapitalized affiliated corporation may not be deducted unless an ordinary and necessary business purpose can be established to the satisfaction of the commissioner. For the purposes of this paragraph, the phrase "interest upon the indebtedness for the purchase of tax-free bonds" applies only to the indebtedness incurred for the purpose of directly purchasing

tax-free bonds and does not apply to any other indebtedness incurred in the regular course of the taxpayer's business. Any corporation, association, organization or other entity taxable under Section 27-7-23(c) shall allocate interest expense as provided in Section 27-7-23(c)(3)(I).

Taxes paid or accrued within the taxable year, except state and federal income taxes, excise taxes based on or measured by net income, estate and inheritance taxes, gift taxes, cigar and cigarette taxes, gasoline taxes, and sales and use taxes unless incurred as an item of expense in a trade or business or in the production of taxable income. In the case of an individual, taxes permitted as an itemized deduction under the provisions of subsection (3)(a) of this section are to be claimed thereunder.

(d) Business losses.

(i) Losses sustained during the taxable year not compensated for by insurance or otherwise, if incurred in trade or business, or nonbusiness transactions entered into for profit.

(ii) Limitations on losses from passive activities and rental real estate shall conform to the provisions of the Internal Revenue Code of 1986.

(e) Bad debts. Losses from debts ascertained to be worthless and charged off during the taxable year, if sustained in the conduct of the regular trade or business of the taxpayer; provided, that such losses shall be allowed only when the taxpayer has reported as income, on the accrual basis, the amount of such debt or account.

(f) Depreciation. A reasonable allowance for exhaustion, wear and tear of property used in the trade or business, or rental property, and depreciation upon buildings based upon their reasonable value as of March 16, 1912, if acquired prior thereto, and upon cost if acquired subsequent to that date. In the case of new or used aircraft, equipment, engines, or other parts and tools used for aviation, allowance for bonus depreciation conforms with the federal bonus depreciation rates and reasonable allowance for depreciation under this section is no less than one hundred percent (100%).

(g) Depletion. In the case of mines, oil and gas wells, other natural deposits and timber, a reasonable allowance for depletion and for depreciation of improvements, based upon cost, including cost of development, not otherwise deducted, or fair market value as of March 16, 1912, if acquired prior to that date, such allowance to be made upon regulations prescribed by the commissioner, with the approval of the Governor.

This deduction shall be allowed in an amount not to exceed twenty percent (20%) of the net income. Such contributions or gifts shall be allowable as deductions only if verified under rules and regulations prescribed by the commissioner, with the approval of the Governor. Contributions made in any form other than cash shall be allowed as a deduction, subject to the limitations herein provided, in an amount equal to the actual market value of the contributions at the time the contribution is actually made and consummated.

(i) Reserve funds - insurance companies. In the case of insurance companies the net additions required by law to be made within the taxable year to reserve funds when such reserve funds are maintained for the purpose of liquidating policies at maturity.

(j) Annuity income. The sums, other than dividends, paid within the taxpayer year on policy or annuity contracts when such income has been included in gross income.

(k) Contributions to employee pension plans. Contributions made by an employer to a plan or a trust forming part of a pension plan, stock bonus plan, disability or death-benefit plan, or profit-sharing plan of such employer for the exclusive benefit of some or all of his, their, or its employees, or their beneficiaries, shall be deductible from his, their, or its income only to the extent that, and for the taxable year in which, the contribution is deductible for federal income tax purposes under the Internal Revenue Code of 1986 and any other provisions of similar purport in the Internal Revenue Laws of the United States, and the rules, regulations, rulings and determinations promulgated thereunder, provided that:

(i) The plan or trust be irrevocable.

(ii) The plan or trust constitute a part of a pension plan, stock bonus plan, disability or death-benefit plan, or profit-sharing plan for the exclusive benefit of some or all of the employer's employees and/or officers, or their beneficiaries, for the purpose of distributing the corpus and income of the plan or trust to such employees and/or officers, or their beneficiaries.

(iii) No part of the corpus or income of the plan or trust can be used for purposes other than for the exclusive benefit of employees and/or officers, or their beneficiaries.

Contributions to all plans or to all trusts of real or personal property (or real and personal property combined) or to insured plans created under a retirement plan for which provision has been made under the laws of the United States of America, making such contributions deductible from income for federal income tax purposes, shall be deductible only to the same extent under the Income Tax Laws of the State of Mississippi.

(l) Net operating loss carrybacks and carryovers. A net operating loss for any taxable year ending after December 31, 1993, and taxable years thereafter, shall be a net operating loss carryback to each of the three (3) taxable years preceding the taxable year of the loss. If the net operating loss for any taxable year is not exhausted by carrybacks to the three (3) taxable years preceding the taxable year of the loss, then there shall be a net operating loss carryover to each of the fifteen (15) taxable years following the taxable year of the loss beginning with any taxable year after December 31, 1991.

For any taxable year ending after December 31, 1997, the period for net operating loss carrybacks and net operating loss carryovers shall be the same as those established by the Internal Revenue Code and the rules, regulations, rulings and determinations promulgated thereunder as in effect at the taxable year end or on December 31, 2000, whichever is earlier.

A net operating loss for any taxable year ending after December 31, 2001, and taxable years thereafter, shall be a net operating loss carryback to each of the two (2) taxable years preceding the taxable year of the loss. If the net operating loss for any taxable year is not exhausted by carrybacks to the two (2) taxable years preceding the taxable year of the loss, then there shall be a net operating loss carryover to each of the twenty (20) taxable years following the taxable year of the loss beginning with any taxable year after the taxable year of the loss.

The term "net operating loss," for the purposes of this paragraph, shall be the excess of the deductions allowed over the gross income; provided, however, the following deductions shall not be allowed in computing same:

(i) No net operating loss deduction shall be allowed.

(ii) No personal exemption deduction shall be allowed.

(iii) Allowable deductions which are not attributable to taxpayer's trade or business shall be allowed only to the extent of the amount of gross income not derived from such trade or business.

Any taxpayer entitled to a carryback period as provided by this paragraph may elect to relinquish the entire carryback period with respect to a net operating loss for any taxable year ending after December 31, 1991. The election shall be made in the manner prescribed by the Department of Revenue and shall be made by the due date, including extensions of time, for filing the taxpayer's return for the taxable year of the net operating loss for which the election is to be in effect. The election, once made for any taxable year, shall be irrevocable for that taxable year.

(m) Amortization of pollution or environmental control facilities. Allowance of deduction. Every taxpayer, at his election, shall be entitled to a deduction for pollution or environmental control facilities to the same extent as that allowed under the Internal Revenue Code and the rules, regulations, rulings and determinations promulgated thereunder.

(n) Dividend distributions - real estate investment trusts. "Real estate investment trust" (hereinafter referred to as REIT) shall have the meaning ascribed to such term in Section 856 of the federal Internal Revenue Code of 1986, as amended. A REIT is allowed a dividend distributed deduction if the dividend distributions meet the requirements of Section 857 or are otherwise deductible under Section 858 or 860, federal Internal Revenue Code of 1986, as amended. In addition:

(i) A dividend distributed deduction shall only be allowed for dividends paid by a publicly traded REIT. A qualified REIT subsidiary shall be allowed a dividend distributed deduction if its owner is a publicly traded REIT.

(ii) Income generated from real estate contributed or sold to a REIT by a shareholder or related party shall not give rise to a dividend distributed deduction, unless the shareholder or related party would have received the dividend distributed deduction under this chapter.

(iv) Any REIT not allowed the dividend distributed deduction in the federal Internal Revenue Code of 1986, as amended, shall not be allowed a dividend distributed deduction under this chapter.

associated with those donations shall follow the federal limitation but cannot result in the Mississippi net income being reduced below zero.

(q) Contributions to ABLE trust fund accounts. Contributions or payments to a Mississippi Achieving a Better Life Experience (ABLE) Program account are deductible as provided under Section 43-28-13.

(2) Restrictions on the deductibility of certain intangible expenses and interest expenses with a related member.

(a) As used in this subsection (2):

3. A corporation, or a party related to the corporation in a manner that would require an attribution of stock from the corporation to the party or from the party to the corporation, if the taxpayer owns, directly, indirectly, beneficially or constructively, at least fifty percent (50%) of the value of the corporation's outstanding stock under regulation prescribed by the commissioner;

For the purposes of this paragraph, the phrase "interest upon the indebtedness for the purchase of tax-free bonds" applies only to the indebtedness incurred for the purpose of directly purchasing tax-free bonds and does not apply to any other indebtedness incurred in the regular course of the taxpayer's business. (ii) Limitations on losses from passive activities and rental real estate shall conform to the provisions of the Internal Revenue Code of 1986.

(e) Bad debts. Losses from debts ascertained to be worthless and charged off during the taxable year, if sustained in the conduct of the regular trade or business of the taxpayer; provided, that such losses shall be allowed only when the taxpayer has reported as income, on the accrual basis, the amount of such debt or account.

(f) Depreciation. A reasonable allowance for exhaustion, wear and tear of property used in the trade or business, or rental property, and depreciation upon buildings based upon their reasonable value as of March 16, 1912, if acquired prior thereto, and upon cost if acquired subsequent to that date. This deduction shall be allowed in an amount not to exceed twenty percent (20%) of the net income. Such contributions or gifts shall be allowable as deductions only if verified under rules and regulations prescribed by the commissioner, with the approval of the Governor. Contributions made in any form other than cash shall be allowed as a deduction, subject to the limitations herein provided, in an amount equal to the actual market value of the contributions at the time the contribution is actually made and consummated.

(j) Annuity income. The sums, other than dividends, paid within the taxpayer year on policy or annuity contracts when such income has been included in gross income.

(k) Contributions to employee pension plans. Contributions made by an employer to a plan or a trust forming part of a pension plan, stock bonus plan, disability or death-benefit plan, or profit-sharing plan of such employer for the exclusive benefit of some or all of his, their, or its employees, or their beneficiaries, shall be deductible from his, their, or its income only to the extent that, and for the taxable year in which, the contribution is deductible for federal income tax purposes under the Internal Revenue Code of 1986 and any other provisions of similar purport in the Internal Revenue Laws of the United States, and the rules, regulations, rulings and determinations promulgated thereunder, provided that:

(i) The plan or trust be irrevocable.

(ii) The plan or trust constitute a part of a pension plan, stock bonus plan, disability or death-benefit plan, or profit-sharing plan for the exclusive benefit of some or all of the employer's employees and/or officers, or their beneficiaries, for the purpose of distributing the corpus and income of the plan or trust to such employees and/or officers, or their beneficiaries.

(l) Net operating loss carrybacks and carryovers. A net operating loss for any taxable year ending after December 31, 1993, and taxable years thereafter, shall be a net operating loss carryback to each of the three (3) taxable years preceding the taxable year of the loss. If the net operating loss for any taxable year is not exhausted by carrybacks to the three (3) taxable years preceding the taxable year of the loss, then there shall be a net operating loss carryover to each of the fifteen (15) taxable years following the taxable year of the loss beginning with any taxable year after December 31, 1991.

For any taxable year ending after December 31, 1997, the period for net operating loss carrybacks and net operating loss carryovers shall be the same as those established by the Internal Revenue Code and the rules, regulations, rulings and determinations promulgated thereunder as in effect at the taxable year end or on December 31, 2000, whichever is earlier.

A net operating loss for any taxable year ending after December 31, 2001, and taxable years thereafter, shall be a net operating loss carryback to each of the two (2) taxable years preceding the taxable year of the loss. If the net operating loss for any taxable year is not exhausted by carrybacks to the two (2) taxable years preceding the taxable year of the loss, then there shall be a net operating loss carryover to each of the twenty (20) taxable years following the taxable year of the loss beginning with any taxable year after the taxable year of the loss.

(ii) No personal exemption deduction shall be allowed.

The election shall be made in the manner prescribed by the Department of Revenue and shall be made by the due date, including extensions of time, for filing the taxpayer's return for the taxable year of the net operating loss for which the election is to be in effect. The election, once made for any taxable year, shall be irrevocable for that taxable year.

Every taxpayer, at his election, shall be entitled to a deduction for pollution or environmental control facilities to the same extent as that allowed under the Internal Revenue Code and the rules, regulations, rulings and determinations promulgated thereunder.

(n) Dividend distributions - real estate investment trusts. "Real estate investment trust" (hereinafter referred to as REIT) shall have the meaning ascribed to such term in Section 856 of the federal Internal Revenue Code of 1986, as amended. A REIT is allowed a dividend distributed deduction if the dividend distributions meet the requirements of Section 857 or are otherwise deductible under Section 858 or 860, federal Internal Revenue Code of 1986, as amended. In addition:

(i) A dividend distributed deduction shall only be allowed for dividends paid by a publicly traded REIT. A qualified REIT subsidiary shall be allowed a dividend distributed deduction if its owner is a publicly traded REIT.

(ii) Income generated from real estate contributed or sold to a REIT by a shareholder or related party shall not give rise to a dividend distributed deduction, unless the shareholder or related party would have received the dividend distributed deduction under this chapter.

(iv) Any REIT not allowed the dividend distributed deduction in the federal Internal Revenue Code of 1986, as amended, shall not be allowed a dividend distributed deduction under this chapter.

(q) Contributions to ABLE trust fund accounts. Contributions or payments to a Mississippi Achieving a Better Life Experience (ABLE) Program account are deductible as provided under Section 43-28-13.

(2) Restrictions on the deductibility of certain intangible expenses and interest expenses with a related member.

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bonds means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) The Commission on Environmental Quality, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for the Water Pollution Control Revolving Fund established in Section 49-17-85, Mississippi Code of 1972. Upon the adoption of a resolution by the Commission on Environmental Quality declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the Commission on Environmental Quality shall deliver a certified copy of its resolution or resolutions to the commission; however, the Commission on Environmental Quality shall declare the necessity for the issuance of bonds only in the amount necessary to match projected federal funds available through the following federal fiscal year from the annual Clean Water State Revolving Fund (CWSRF) appropriations and from the supplemental Infrastructure Investment and Jobs Act (IIJA) appropriations. Upon receipt of such resolution, the commission, in its discretion, may act as the issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed Four Million Four Hundred Ninety Thousand Dollars (\$4,490,000.00); however, not more than Two Million Eight Hundred Seventy Thousand Dollars (\$2,870,000.00) of such bonds may be issued to match the annual CWSRF appropriations and not more than One Million Six Hundred Twenty Thousand Dollars (\$1,620,000.00) of such bonds may be issued to match the supplemental IIJA appropriations.

(b) The proceeds of bonds issued pursuant to this subsection shall be deposited into the Water Pollution Control Revolving Fund created pursuant to Section 49-17-85, Mississippi Code of 1972.

(3) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this section. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(4) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same

effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(5) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(6) The commission shall act as the issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If the bonds are to be sold on sealed bids at public sale, notice of the sale of any such bonds shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(7) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. Interest and investment earnings on money in the Water Pollution Control Revolving Fund shall be utilized to pay the principal and interest on such bonds as they become due. If the interest and investment earnings of the fund and any funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this section.

(8) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the Water Pollution Control Revolving Fund created in Section 49-17-85, Mississippi Code of 1972. After the transfer of the proceeds of any such sale or sales to the Water Pollution Control Revolving Fund, any investment earnings or interest earned on the proceeds of such bonds shall be deposited to the credit of the Water Pollution Control Revolving Fund and shall be used only for the purposes provided in Section 49-17-85, Mississippi Code of 1972. The proceeds of such bonds shall be disbursed solely upon the order of the Commission on Environmental Quality under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(9) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall

become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(10) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(11) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(12) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(13) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(14) The proceeds of the bonds issued under this section shall be used solely for the purposes therein provided, including the costs incident to the issuance and sale of such bonds.

(15) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(16) This section shall be deemed to be full and complete authority for the exercise of the powers therein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 2. Section 49-17-85, Mississippi Code of 1972, is amended as follows:

(3) The commission shall promulgate regulations for the administration of the revolving fund program, the hardship grants program and for related programs authorized under this section. The regulations shall be in accordance with the federal Water Quality Act of 1987, as amended, and regulations and guidance issued under that act. The commission may enter into capitalization grant agreements with the United States Environmental Protection Agency and may accept capitalization grant awards made under Title VI of the Water Quality Act of 1987, as amended.

(4) The commission shall establish a loan program which shall commence after October 1, 1988, to assist political subdivisions in the construction of water pollution control projects. Loans from the revolving fund may be made to political subdivisions as set forth in a loan agreement in amounts not exceeding one hundred percent (100%) of eligible project costs as established by the commission. Notwithstanding loan amount limitations set forth in Section 49-17-61, the commission may require local participation or funding from other sources, or otherwise limit the percentage of costs covered by loans from the revolving fund. The commission may establish a maximum amount for any loan in order to provide for broad and equitable participation in the program.

(5) The commission shall establish a hardship grants program for rural communities, which shall commence after July 1, 1997, to assist severely economically disadvantaged small rural political subdivisions in the construction of water pollution control projects. The commission may receive and administer state or federal funds, or both, appropriated for the operation of this grants program and may take all actions necessary to implement the program in accordance with the federal hardship grants program. The hardship grants program shall operate in conjunction with the revolving loan program administered under this section.

(6) The commission shall act for the state in all matters and with respect to all determinations under Title VI of the federal Water Quality Act of 1987, as amended, and the federal Omnibus Appropriations and Recision Act of 1996.

(7) Except as otherwise provided in this section, the revolving fund may be used only:

(a) To make loans on the condition that:

(i) The loans are made at or below market interest rates, at terms not to exceed the maximum time allowed by federal law after project completion; the interest rate and term may vary from time to time and from loan to loan at the discretion of the commission;

(ii) Periodic principal and interest payments will commence when required by the commission but not later than one (1) year after project completion and all loans will be fully amortized when required by the commission but not later than the maximum time allowed by federal law after project completion;

(iii) The recipient of a loan will establish a dedicated source of revenue for repayment of loans;

(b) To buy or refinance the debt obligation of political subdivisions at or below market rates, where the debt obligations were incurred after March 7, 1985, and where the projects were constructed in compliance with applicable federal and state regulations;

(c) To guarantee, or purchase insurance for, obligations of political subdivisions where the action would improve credit market access or reduce interest rates;

(d) To provide loan guarantees for similar revolving funds established by municipalities or intermunicipal agencies;

(e) To earn interest on fund accounts;

(f) To establish nonpoint source pollution control management programs;

(g) To establish estuary conservation and management programs;

(h) For the reasonable costs of administering the revolving fund and conducting activities under this act, subject to the limitations established in Section 603(d)(7) of Title VI of the federal Clean Water Act, as amended, and subject to annual appropriation by the Legislature;

(i) In connection with the issuance, sale and purchase of bonds under Section 31-25-1 et seq., related to the funding of projects, to provide security or a pledge of revenues for the repayment of the bonds; and

(j) To pay the principal and interest on bonds issued pursuant to Section 11 of Chapter 580, Laws of 2007, Section 1 of Chapter 492, Laws of 2008, Section 47 of Chapter 557, Laws of 2009, Section 45 of Chapter 533, Laws of 2010, Section 3 of Chapter 480, Laws of 2011, Section 36 of Chapter 569, Laws of 2013, Section 9 of Chapter 452, Laws of 2018, Section 1 of Chapter 415, Laws of 2019, Section 16 of Chapter 492, Laws of 2020, \* \* \* Section 137 of Chapter 480, Laws of 2021, and Section 1 of this act, as they become due; however, only interest and investment earnings on money in the fund may be utilized for this purpose.

(8) The hardship grants program shall be used only to provide hardship grants consistent with the federal hardship grants program for rural communities, regulations and guidance issued by the United States Environmental Protection Agency, subsections (3) and (5) of this section and regulations promulgated and guidance issued by the commission under this section.

(9) The commission shall establish by regulation a system of priorities and a priority list of projects eligible for funding with loans from the revolving fund.

(10) The commission may provide a loan from the revolving fund only with respect to a project if that project is on the priority list established by the commission.

(11) The revolving fund shall be credited with all payments of principal and interest derived from the fund uses described in subsection (7) of this section. However, notwithstanding any other provision of law to the contrary, all or any portion of payments of principal and interest derived from the fund uses described in subsection (7) of this section may be designated or pledged for repayment of a loan as provided in Section 31-25-28 in connection with a loan from the Mississippi Development Bank.

(12) The commission may establish and collect fees to defray the reasonable costs of administering the revolving fund if it determines that the administrative costs will exceed the limitations established in Section 603(d)(7) of Title VI of the federal Clean Water Act, as amended. The administration fees may be included in loan amounts to political subdivisions for the purpose of facilitating payment to the commission. The fees may not exceed five percent (5%) of the loan amount.

(13) Except as otherwise provided in this section, the commission may, on a case-by-case basis and to the extent allowed by federal law, renegotiate the payment of principal and interest on loans made under this section to the six (6) most southern counties of the state covered by the Presidential Declaration of Major Disaster for the State of Mississippi (FEMA-1604-DR) dated August 29, 2005, and to political subdivisions located in such counties; however, the interest on the loans shall not be forgiven for a

period of more than twenty-four (24) months and the maturity of the loans shall not be extended for a period of more than forty-eight (48) months.

(14) The commission may, on a case-by-case basis and to the extent allowed by federal law, renegotiate the payment of principal and interest on loans made under this section to Hancock County as a result of coverage under the Presidential Declaration of Major Disaster for the State of Mississippi (FEMA-1604-DR) dated August 29, 2005, and to political subdivisions located in Hancock County.

SECTION 3. Section 27-7-22.41, Mississippi Code of 1972, is brought forward as follows:

27-7-22.41. (1) For the purposes of this section, the following words and phrases shall have the meanings ascribed in this section unless the context clearly indicates otherwise:

(a) "Department" means the Department of Revenue.

(b) "Eligible charitable organization" means an organization that is exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code and is:

(i) Licensed by or under contract with the Mississippi Department of Child Protection Services and provides services for:

1. The prevention and diversion of children from custody with the Department of Child Protection Services,

2. The safety, care and well-being of children in custody with the Department of Child Protection Services, or

3. The express purpose of creating permanency for children through adoption; or

(ii) Certified by the department as an educational services charitable organization and provides services to:

1. Children in a foster care placement program established by the Department of Child Protection Services, children placed under the Safe Families for Children model, or children at significant risk of entering a foster care placement program established by the Department of Child Protection Services,

2. Children who have a chronic illness or physical, intellectual, developmental or emotional disability, or

3. Children eligible for free or reduced price meals programs under Section 37-11-7, or selected for participation in the Promise Neighborhoods Program sponsored by the U.S. Department of Education.

(2) (a) The tax credit authorized in this section shall be available only to a taxpayer who is a business enterprise engaged in commercial, industrial or professional activities and operating as a corporation, limited liability company, partnership or sole proprietorship. Except as otherwise provided in this section, a credit is allowed against the taxes imposed by Sections 27-7-5, 27-15-103, 27-15-109 and 27-15-123, for voluntary cash contributions made by a taxpayer during the taxable year to an eligible charitable organization. From and after January 1, 2022, for a taxpayer that is not operating as a corporation, a credit is also allowed against ad valorem taxes assessed and levied on real property for voluntary cash contributions made by the taxpayer during the taxable year to an eligible charitable organization. The amount of credit that may be utilized by a taxpayer

in a taxable year shall be limited to (i) an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for the taxes imposed by such sections of law and (ii) an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for ad valorem taxes assessed and levied on real property. Any tax credit claimed under this section but not used in any taxable year may be carried forward for five (5) consecutive years from the close of the tax year in which the credits were earned.

(b) A contribution to an eligible charitable organization for which a credit is claimed under this section does not qualify for and shall not be included in any credit that may be claimed under Section 27-7-22.39.

(c) A contribution for which a credit is claimed under this section may not be used as a deduction by the taxpayer for state income tax purposes.

(3) Taxpayers taking a credit authorized by this section shall provide the name of the eligible charitable organization and the amount of the contribution to the department on forms provided by the department.

(4) An eligible charitable organization shall provide the department with a written certification that it meets all criteria to be considered an eligible charitable organization. An eligible charitable organization must also provide the department with written documented proof of its license and/or written contract with the Mississippi Department of Child Protection Services. The organization shall also notify the department of any changes that may affect eligibility under this section.

(5) The eligible charitable organization's written certification must be signed by an officer of the organization under penalty of perjury. The written certification shall include the following:

(a) Verification of the organization's status under Section 501(c)(3) of the Internal Revenue Code;

(b) A statement that the organization does not provide, pay for or provide coverage of abortions and does not financially support any other entity that provides, pays for or provides coverage of abortions;

(c) Any other information that the department requires to administer this section.

(6) The department shall review each written certification and determine whether the organization meets all the criteria to be considered an eligible charitable organization and notify the organization of its determination. The department may also periodically request recertification from the organization. The department shall compile and make available to the public a list of eligible charitable organizations.

(7) Tax credits authorized by this section that are earned by a partnership, limited liability company, S corporation or other similar pass-through entity, shall be allocated among all partners, members or shareholders, respectively, either in proportion to their ownership interest in such entity or as the partners, members or shareholders mutually agree as provided in an executed document.

(8) (a) A taxpayer shall apply for credits with the department on forms prescribed by the department. In the application the taxpayer shall certify to the department the dollar amount of the contributions made or to be made during the calendar year. Within thirty (30) days after the receipt of an application, the department shall allocate credits based on the dollar amount of contributions as certified in the application. However, if the department cannot allocate the full amount of credits certified in the application due to the limit on the aggregate amount of credits that may be awarded under this section in a calendar year, the department shall so notify the applicant within thirty (30) days with the

amount of credits, if any, that may be allocated to the applicant in the calendar year. Once the department has allocated credits to a taxpayer, if the contribution for which a credit is allocated has not been made as of the date of the allocation, then the contribution must be made not later than sixty (60) days from the date of the allocation. If the contribution is not made within such time period, the allocation shall be cancelled and returned to the department for reallocation. Upon final documentation of the contributions, if the actual dollar amount of the contributions is lower than the amount estimated, the department shall adjust the tax credit allowed under this section.

(b) A taxpayer who applied for a tax credit under this section during calendar year 2020, but who was unable to be awarded the credit due to the limit on the aggregate amount of credits authorized for calendar year 2020, shall be given priority for tax credits authorized to be allocated to taxpayers under this section by Section 27-7-22.39.

(c) For the purposes of using a tax credit against ad valorem taxes assessed and levied on real property, a taxpayer shall present to the appropriate tax collector the tax credit documentation provided to the taxpayer by the Department of Revenue, and the tax collector shall apply the tax credit against such ad valorem taxes. The tax collector shall forward the tax credit documentation to the Department of Revenue along with the amount of the tax credit applied against ad valorem taxes, and the department shall disburse funds to the tax collector for the amount of the tax credit applied against ad valorem taxes. Such payments by the Department of Revenue shall be made from current tax collections.

(9) The aggregate amount of tax credits that may be allocated by the department under this section during a calendar year shall not exceed Five Million Dollars (\$5,000,000.00), and not more than fifty percent (50%) of tax credits allocated during a calendar year may be allocated for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section. However, for calendar year 2021, the aggregate amount of tax credits that may be allocated by the department under this section during a calendar year shall not exceed Ten Million Dollars (\$10,000,000.00), and for calendar year 2022, and for each calendar year thereafter, the aggregate amount of tax credits that may be allocated by the department under this section during a calendar year shall not exceed Sixteen Million Dollars (\$16,000,000.00). For calendar year 2021, and for each calendar year thereafter, fifty percent (50%) of the tax credits allocated during a calendar year shall be allocated for contributions to eligible charitable organizations described in subsection (1)(b)(i) of this section and fifty percent (50%) of the tax credits allocated during a calendar year shall be allocated for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section. For calendar year 2022, and for each calendar year thereafter, of the amount of tax credits that may be allocated for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section, fifteen percent (15%) of the tax credits shall be available solely for allocation for contributions to eligible charitable organizations described in subsection (1)(b)(ii)2; however, any such tax credits not allocated before April 1 of a calendar year may be allocated for contributions to eligible charitable organizations described in subsection (1)(b)(ii)1 of this section. For calendar year 2021, and for each calendar year thereafter, for credits allocated during a calendar year for contributions to eligible charitable organizations described in subsection (1)(b)(i) of this section, no more than twenty-five percent (25%) of such credits may be allocated for contributions to a single eligible charitable organization. Except as otherwise provided in this section, for calendar year 2021, and for each calendar year thereafter, for credits allocated during a calendar year for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section, no more than five percent (5%) of such credits may be allocated for contributions to a single eligible charitable organization. However, for calendar year 2022, of the additional amount of tax credits authorized under this section, as amended by Chapter 480, Laws of 2021, for allocation for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section, Two Million Dollars (\$2,000,000.00) of the tax credits shall be available solely for allocation for contributions to Magnolia Speech School; however, any such tax credits not allocated before April 1,

2022, may be allocated for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section.

SECTION 4. This act shall take effect and be in force from and after July 1, 2022, and shall stand repealed on June 29, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AUTHORIZE THE ISSUANCE OF STATE GENERAL OBLIGATION BONDS IN THE AMOUNT OF \$4,490,000.00 TO PROVIDE MATCHING FUNDS FOR FEDERAL FUNDS FOR THE WATER POLLUTION CONTROL REVOLVING FUND; TO PROVIDE THAT NOT MORE THAN \$2,870,000.00 OF SUCH BONDS MAY BE ISSUED TO MATCH THE ANNUAL CLEAN WATER STATE REVOLVING FUND APPROPRIATIONS AND THAT NOT MORE THAN \$1,620,000.00 OF SUCH BONDS MAY BE ISSUED TO MATCH THE SUPPLEMENTAL INFRASTRUCTURE AND INVESTMENT JOBS ACT APPROPRIATIONS; TO AMEND SECTION 49-17-85, MISSISSIPPI CODE OF 1972, TO AUTHORIZE INTEREST AND INVESTMENT EARNINGS ON MONEY IN THE WATER POLLUTION CONTROL REVOLVING FUND TO BE UTILIZED TO PAY DEBT SERVICE ON THE BONDS AUTHORIZED TO BE ISSUED BY THIS ACT; TO BRING FORWARD SECTION 27-7-22.41, MISSISSIPPI CODE OF 1972, WHICH PROVIDES AN INCOME TAX CREDIT, INSURANCE PREMIUM TAX CREDIT AND AD VALOREM TAX CREDIT FOR CONTRIBUTIONS MADE BY CERTAIN TAXPAYERS TO CERTAIN ELIGIBLE CHARITABLE ORGANIZATIONS, FOR THE PURPOSES OF POSSIBLE AMENDMENT; AND FOR RELATED PURPOSES.

Senator Harkins called up the following entitled bill:

**H. B. No. 1663:** Bonds; authorize issuance for various purposes.

Senator Harkins offered the following COMMITTEE AMENDMENT NO. 1.

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) The provisions of this section shall apply to every section of this act that relates to the issuance of bonds unless otherwise provided in this act.

(2) As used in this act, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

- (a) "State" means the State of Mississippi.
- (b) "Commission" means the State Bond Commission.

(3) The principal of and interest on the bonds authorized under this act shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(4) The bonds authorized by this act shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(5) All bonds and interest coupons issued under the provisions of this act have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this act, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(6) The commission shall act as issuing agent for the bonds authorized under this act, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this act from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this act, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(7) The bonds issued under the provisions of this act are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(8) Upon the issuance and sale of bonds under the provisions of this act, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (1) of the applicable section of this act. The proceeds of such bonds shall be disbursed from the special fund under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(9) The bonds authorized under this act may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this act. Any resolution providing for the issuance of bonds under the provisions of this act shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(10) The bonds authorized under the authority of this act may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Title 31, Chapter 13, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(11) Any holder of bonds issued under the provisions of this act or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this act, or under such resolution, and may enforce and compel performance of all duties required by this act to be performed, in order to provide for the payment of bonds and interest thereon.

(12) All bonds issued under the provisions of this act shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(13) Bonds issued under the provisions of this act and income therefrom shall be exempt from all taxation in the State of Mississippi.

(14) The proceeds of the bonds issued under this act shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(15) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this act; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof. As used in this section, the "accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (a) the stated

initial value of such bond, plus (b) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(16) This act shall be deemed to be full and complete authority for the exercise of the powers granted in this act that relate to the issuance of bonds, but this act shall not be deemed to repeal or to be in derogation of any existing law of this state that relates to the issuance of bonds.

SECTION 2. (1) (a) (i) A special fund, to be designated as the "2022 IHL Capital Improvements Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, with the approval of the Board of Trustees of State Institutions of Higher Learning on those projects related to the universities under its management and control to pay the costs of capital improvements, renovation and/or repair of existing facilities, furnishings and/or equipping facilities for public facilities as hereinafter described:

(b) (i) Amounts deposited into such special fund shall be disbursed to pay the costs of projects described in paragraph (a) of this subsection. If any monies in such special fund are not used within four (4) years after the date the proceeds of the bonds authorized under this section are deposited into the special fund, then the institution of higher learning for which any unused monies are allocated under paragraph (a) of this subsection shall provide an accounting of such unused monies to the commission. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(ii) Monies in the special fund may be used to reimburse reasonable actual and necessary costs incurred by the Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, in administering or providing assistance directly related to a project described in paragraph (a) of this subsection. An accounting of actual costs incurred for which reimbursement is sought shall be maintained for each project by the Department of Finance and Administration, Bureau of Building, Grounds and Real Property Management. Reimbursement of reasonable actual and necessary costs for a project shall not exceed two percent (2%) of the proceeds of bonds issued for such project. Monies authorized for

a particular project may not be used to reimburse administrative costs for unrelated projects.

(c) The Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, is expressly authorized and empowered to receive and expend any local or other source funds in connection with the expenditure of funds provided for in this subsection. The expenditure of monies deposited into the special fund shall be under the direction of the Department of Finance and Administration, and such funds shall be paid by the State Treasurer upon warrants issued by such department, which warrants shall be issued upon requisitions signed by the Executive Director of the Department of Finance and Administration, or his designee.

(d) Any amounts allocated to an institution of higher learning that are in excess of that needed to complete the projects at such institution of higher learning that are described in paragraph (a) of this subsection may be used for general repairs and renovations at the institution of higher learning.

If any monies in such special fund are not used within four (4) years after the date the proceeds of the bonds authorized under this section are deposited into the special fund, then the institution of higher learning for which any unused monies are allocated under paragraph (a) of this subsection shall provide an accounting of such unused monies to the commission. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(ii) Monies in the special fund may be used to reimburse reasonable actual and necessary costs incurred by the Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, in administering or providing assistance directly related to a project described in paragraph (a) of this subsection. An accounting of actual costs incurred for which reimbursement is sought shall be maintained for each project by the Department of Finance and Administration, Bureau of Building, Grounds and Real Property Management. Reimbursement of reasonable actual and necessary costs for a project shall not exceed two percent (2%) of the proceeds of bonds issued for such project. Monies authorized for a particular project may not be used to reimburse administrative costs for unrelated projects.

(c) The Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, is expressly authorized and empowered to receive and expend any local or other source funds in connection with the expenditure of funds provided for in this subsection. The expenditure of monies deposited into the special fund shall be under the direction of the Department of Finance and Administration, and such funds shall be paid by the State Treasurer upon warrants issued by such department, which warrants shall be issued upon requisitions signed by the Executive Director of the Department of Finance and Administration, or his designee.

(d) Any amounts allocated to an institution of higher learning that are in excess of that needed to complete the projects at such institution of higher learning that are described in paragraph (a) of this subsection may be used for general repairs and renovations at the institution of higher learning.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this section, the Department of Finance and Administration shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act

as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed Eighty-six Million Three Hundred Seventy-five Thousand Dollars (\$86,375,000.00). No bonds shall be issued under this section after July 1, 2025.

(b) Any investment earnings on amounts deposited into the special fund created in subsection (2) of this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(4) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(5) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(6) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(7) The commission shall act as issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(8) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special funds created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(10) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(11) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Title 31, Chapter 13, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the

Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

(2) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for the Mississippi Community Heritage Preservation Grant Fund created pursuant to Section 39-5-145, Mississippi Code of 1972. Upon the adoption of a resolution by the Department of Finance and Administration declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this section, the Department of Finance and Administration shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as the issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed Five Million Dollars (\$5,000,000.00). No bonds authorized under this section shall be issued after July 1, 2026.

(b) The proceeds of bonds issued pursuant to this section shall be deposited into the Mississippi Community Heritage Preservation Grant Fund created pursuant to Section 39-5-145, Mississippi Code of 1972. Any investment earnings on bonds issued pursuant to this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(3) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this section. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(4) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(5) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(6) The commission shall act as issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate sale of the bonds, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this

section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(7) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this section.

(8) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the Mississippi Community Heritage Preservation Grant Fund created in Section 39-5-145, and the proceeds of such bonds shall be disbursed for the purposes provided in Section 39-5-145, Mississippi Code of 1972.

(9) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(10) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(11) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(12) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(13) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(14) The proceeds of the bonds issued under this section shall be used solely for the purposes therein provided, including the costs incident to the issuance and sale of such bonds.

(15) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(16) This section shall be deemed to be full and complete authority for the exercise of the powers therein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

(a) "Accreted value" of any bonds means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) The Commission on Environmental Quality, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for the Water Pollution Control Revolving Fund established in Section 49-17-85, Mississippi Code of 1972. Upon the adoption of a resolution by the Commission on Environmental Quality declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the Commission on Environmental Quality shall deliver a certified copy of its resolution or resolutions to the commission; however, the Commission on Environmental Quality shall declare the necessity for the issuance of bonds only in the amount necessary to match projected federal funds available through the following federal fiscal year from the annual Clean Water State Revolving Fund (CWSRF) appropriations and from the supplemental Infrastructure Investment and Jobs Act (IIJA) appropriations. Upon receipt of such resolution, the commission, in its discretion, may act as the issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized

to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed Four Million Four Hundred Ninety Thousand Dollars (\$4,490,000.00); however, not more than Two Million Eight Hundred Seventy Thousand Dollars (\$2,870,000.00) of such bonds may be issued to match the annual CWSRF appropriations and not more than One Million Six Hundred Twenty Thousand Dollars (\$1,620,000.00) of such bonds may be issued to match the supplemental IJA appropriations.

Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(4) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(5) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(6) The commission shall act as the issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If the bonds are to be sold on sealed bids at public sale, notice of the sale of any such bonds shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(7) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. Interest and investment earnings on money in the Water Pollution Control Revolving Fund shall be utilized to pay the principal and interest on such bonds as they become due. If the interest and investment earnings of the fund and any funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this section.

(8) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the Water Pollution Control Revolving Fund created in Section 49-17-85, Mississippi Code of 1972. After the transfer of the proceeds of any such sale or sales to the Water Pollution Control Revolving Fund, any investment earnings or interest earned on the proceeds of such bonds shall be deposited to the credit of the Water Pollution Control Revolving Fund and shall be used only for the purposes provided in Section 49-17-85, Mississippi Code of 1972. The proceeds of such bonds shall be disbursed solely upon the order of the Commission on Environmental Quality under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(9) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(10) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(11) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(12) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(13) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(14) The proceeds of the bonds issued under this section shall be used solely for the purposes therein provided, including the costs incident to the issuance and sale of such bonds.

(15) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(16) This section shall be deemed to be full and complete authority for the exercise of the powers therein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 9. Section 49-17-85, Mississippi Code of 1972, is amended as follows:

The hardship grants program shall operate in conjunction with the revolving loan program administered under this section.

(6) The commission shall act for the state in all matters and with respect to all determinations under Title VI of the federal Water Quality Act of 1987, as amended, and the federal Omnibus Appropriations and Recision Act of 1996.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) The Commission on Environmental Quality, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for the grant program authorized in Section 19 of

this act. Upon the adoption of a resolution by the Commission on Environmental Quality, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the Commission on Environmental Quality shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as the issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed \* \* \* Three Million Dollars (\$3,000,000.00). No bonds authorized under this section shall be issued after July 1, 2024.

The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(5) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(7) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(8) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the Mississippi Dam Safety Fund created in \* \* \* Section 19, Chapter 492, Laws of 2020. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Environmental Quality under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(11) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(16) This section shall be deemed to be full and complete authority for the exercise of the powers therein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

(2) (a) The Mississippi Development Authority, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for the program authorized in Section 57-1-221. Upon the adoption of a resolution by the Mississippi Development Authority, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the Mississippi Development Authority shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as the issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed \* \* \* Five Hundred Fourteen Million Dollars (\$514,000,000.00). No bonds authorized under this section shall be issued after July 1, 2025.

(b) The proceeds of bonds issued pursuant to this section shall be deposited into the Mississippi Industry Incentive Financing Revolving Fund created pursuant to Section 57-1-221. Any investment earnings on bonds issued pursuant to this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(3) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(4) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(5) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(6) The commission shall act as issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(7) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(8) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the Mississippi Industry Incentive Financing Revolving Fund created in Section 57-1-221. The proceeds of such bonds shall be disbursed solely upon the order of the Mississippi Development Authority under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(9) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(10) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(11) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(12) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(13) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(14) The proceeds of the bonds issued under this section shall be used solely for the purposes therein provided, including the costs incident to the issuance and sale of such bonds.

(15) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(16) This section shall be deemed to be full and complete authority for the exercise of the powers therein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 23. This act shall take effect and be in force from and after July 1, 2022, and shall stand repealed on June 29, 2022.

Senator Harkins called up the following entitled bill:

**H. B. No. 1665:** Pregnancy Resource Act; create.

Senator Fillingane offered the following COMMITTEE AMENDMENT NO. 1.

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) This section shall be known and may be cited as the "Pregnancy Resource Act."

(2) For the purposes of this section, the following words and phrases shall have the meanings ascribed in this section unless the context clearly indicates otherwise:

(a) "Department" means the Department of Revenue.

(b) "Eligible charitable organization" means an organization that is exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code and is a pregnancy resource center or crisis pregnancy center eligible to receive funding disbursed by the Choose Life Advisory Committee under Section 27-19-56.70, 27-19-56.277 and/or 27-19-56.412.

(3) (a) The tax credit authorized in this section shall be available only to a taxpayer who is a business enterprise engaged in commercial, industrial or professional activities and operating as a corporation, limited liability company, partnership or sole proprietorship. Except as otherwise provided in this section, a credit is allowed against the taxes imposed by Sections 27-7-5, 27-15-103, 27-15-109 and 27-15-123, for voluntary cash contributions made by a taxpayer during the taxable year to an eligible charitable organization. For a taxpayer that is not operating as a corporation, a credit is also allowed against ad valorem taxes assessed and levied on real property for voluntary cash contributions made by the taxpayer during the taxable year to an eligible charitable organization. The amount of credit that may be utilized by a taxpayer in a taxable year shall be limited to (i) an amount not to exceed fifty percent (50%) of the total tax liability of

the taxpayer for the taxes imposed by such sections of law and (ii) an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for ad valorem taxes assessed and levied on real property. Any tax credit claimed under this section but not used in any taxable year may be carried forward for five (5) consecutive years from the close of the tax year in which the credits were earned.

(b) A contribution for which a credit is claimed under this section may not be used as a deduction by the taxpayer for state income tax purposes.

(4) Taxpayers taking a credit authorized by this section shall provide the name of the eligible charitable organization and the amount of the contribution to the department on forms provided by the department.

(5) An eligible charitable organization shall provide the department with a written certification that it meets all criteria to be considered an eligible charitable organization. The organization shall also notify the department of any changes that may affect eligibility under this section.

(6) The eligible charitable organization's written certification must be signed by an officer of the organization under penalty of perjury. The written certification shall include the following:

(a) Verification of the organization's status under Section 501(c)(3) of the Internal Revenue Code;

(b) A statement that the organization does not provide, pay for or provide coverage of abortions and does not financially support any other entity that provides, pays for or provides coverage of abortions;

(c) Any other information that the department requires to administer this section.

(7) The department shall review each written certification and determine whether the organization meets all the criteria to be considered an eligible charitable organization and notify the organization of its determination. The department may also periodically request recertification from the organization. The department shall compile and make available to the public a list of eligible charitable organizations.

(8) Tax credits authorized by this section that are earned by a partnership, limited liability company, S corporation or other similar pass-through entity, shall be allocated among all partners, members or shareholders, respectively, either in proportion to their ownership interest in such entity or as the partners, members or shareholders mutually agree as provided in an executed document.

(9) (a) A taxpayer shall apply for credits with the department on forms prescribed by the department. In the application the taxpayer shall certify to the department the dollar amount of the contributions made or to be made during the calendar year. Within thirty (30) days after the receipt of an application, the department shall allocate credits based on the dollar amount of contributions as certified in the application. However, if the department cannot allocate the full amount of credits certified in the application due to the limit on the aggregate amount of credits that may be awarded under this section in a calendar year, the department shall so notify the applicant within thirty (30) days with the amount of credits, if any, that may be allocated to the applicant in the calendar year. Once the department has allocated credits to a taxpayer, if the contribution for which a credit is allocated has not been made as of the date of the allocation, then the contribution must be made not later than sixty (60) days from the date of the allocation. If the contribution is not made within such time period, the allocation shall be cancelled and returned to the department for reallocation. Upon final documentation of the contributions, if the actual

dollar amount of the contributions is lower than the amount estimated, the department shall adjust the tax credit allowed under this section.

(b) For the purposes of using a tax credit against ad valorem taxes assessed and levied on real property, a taxpayer shall present to the appropriate tax collector the tax credit documentation provided to the taxpayer by the Department of Revenue, and the tax collector shall apply the tax credit against such ad valorem taxes. The tax collector shall forward the tax credit documentation to the Department of Revenue along with the amount of the tax credit applied against ad valorem taxes, and the department shall disburse funds to the tax collector for the amount of the tax credit applied against ad valorem taxes. Such payments by the Department of Revenue shall be made from current tax collections.

(10) The aggregate amount of tax credits that may be allocated by the department under this section during a calendar year shall not exceed Three Million Five Hundred Thousand Dollars (\$3,500,000.00). For credits allocated during a calendar year for contributions to eligible charitable organizations, no more than fifty percent (50%) of such credits may be allocated for contributions to a single eligible charitable organization.

SECTION 2. Section 27-7-22.41, Mississippi Code of 1972, is brought forward as follows:

27-7-22.41. (1) For the purposes of this section, the following words and phrases shall have the meanings ascribed in this section unless the context clearly indicates otherwise:

(b) "Eligible charitable organization" means an organization that is exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code and is:

(i) Licensed by or under contract with the Mississippi Department of Child Protection Services and provides services for:

1. The prevention and diversion of children from custody with the Department of Child Protection Services,
2. The safety, care and well-being of children in custody with the Department of Child Protection Services, or
3. The express purpose of creating permanency for children through adoption; or

(ii) Certified by the department as an educational services charitable organization and provides services to:

1. Children in a foster care placement program established by the Department of Child Protection Services, children placed under the Safe Families for Children model, or children at significant risk of entering a foster care placement program established by the Department of Child Protection Services,
2. Children who have a chronic illness or physical, intellectual, developmental or emotional disability, or
3. Children eligible for free or reduced price meals programs under Section 37-11-7, or selected for participation in the Promise Neighborhoods Program sponsored by the U.S. Department of Education.

(2) (a) The tax credit authorized in this section shall be available only to a taxpayer who is a business enterprise engaged in commercial, industrial or professional activities and operating as a corporation, limited liability company, partnership or sole proprietorship. Except as otherwise provided in this section, a credit is allowed against the taxes imposed by Sections 27-7-5, 27-15-103, 27-15-109 and 27-15-123, for voluntary cash contributions made by a taxpayer during the taxable year to an eligible charitable organization. From and after January 1, 2022, for a taxpayer that is not operating as a corporation, a credit is also allowed against ad valorem taxes assessed and levied on real property for voluntary cash contributions made by the taxpayer during the taxable year to an eligible charitable organization. The amount of credit that may be utilized by a taxpayer in a taxable year shall be limited to (i) an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for the taxes imposed by such sections of law and (ii) an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for ad valorem taxes assessed and levied on real property. Any tax credit claimed under this section but not used in any taxable year may be carried forward for five (5) consecutive years from the close of the tax year in which the credits were earned.

(b) A contribution to an eligible charitable organization for which a credit is claimed under this section does not qualify for and shall not be included in any credit that may be claimed under Section 27-7-22.39.

(c) A contribution for which a credit is claimed under this section may not be used as a deduction by the taxpayer for state income tax purposes.

(3) Taxpayers taking a credit authorized by this section shall provide the name of the eligible charitable organization and the amount of the contribution to the department on forms provided by the department.

(4) An eligible charitable organization shall provide the department with a written certification that it meets all criteria to be considered an eligible charitable organization. An eligible charitable organization must also provide the department with written documented proof of its license and/or written contract with the Mississippi Department of Child Protection Services. The organization shall also notify the department of any changes that may affect eligibility under this section.

(5) The eligible charitable organization's written certification must be signed by an officer of the organization under penalty of perjury. The written certification shall include the following:

(a) Verification of the organization's status under Section 501(c)(3) of the Internal Revenue Code;

(b) A statement that the organization does not provide, pay for or provide coverage of abortions and does not financially support any other entity that provides, pays for or provides coverage of abortions;

(c) Any other information that the department requires to administer this section.

(6) The department shall review each written certification and determine whether the organization meets all the criteria to be considered an eligible charitable organization and notify the organization of its determination. The department may also periodically request recertification from the organization. The department shall compile and make available to the public a list of eligible charitable organizations.

(7) Tax credits authorized by this section that are earned by a partnership, limited liability company, S corporation or other similar pass-through entity, shall be allocated among all partners, members or shareholders, respectively, either in proportion to their

ownership interest in such entity or as the partners, members or shareholders mutually agree as provided in an executed document.

(8) (a) A taxpayer shall apply for credits with the department on forms prescribed by the department. In the application the taxpayer shall certify to the department the dollar amount of the contributions made or to be made during the calendar year. Within thirty (30) days after the receipt of an application, the department shall allocate credits based on the dollar amount of contributions as certified in the application. However, if the department cannot allocate the full amount of credits certified in the application due to the limit on the aggregate amount of credits that may be awarded under this section in a calendar year, the department shall so notify the applicant within thirty (30) days with the amount of credits, if any, that may be allocated to the applicant in the calendar year. Once the department has allocated credits to a taxpayer, if the contribution for which a credit is allocated has not been made as of the date of the allocation, then the contribution must be made not later than sixty (60) days from the date of the allocation. If the contribution is not made within such time period, the allocation shall be cancelled and returned to the department for reallocation. Upon final documentation of the contributions, if the actual dollar amount of the contributions is lower than the amount estimated, the department shall adjust the tax credit allowed under this section.

(b) A taxpayer who applied for a tax credit under this section during calendar year 2020, but who was unable to be awarded the credit due to the limit on the aggregate amount of credits authorized for calendar year 2020, shall be given priority for tax credits authorized to be allocated to taxpayers under this section by Section 27-7-22.39.

(c) For the purposes of using a tax credit against ad valorem taxes assessed and levied on real property, a taxpayer shall present to the appropriate tax collector the tax credit documentation provided to the taxpayer by the Department of Revenue, and the tax collector shall apply the tax credit against such ad valorem taxes. The tax collector shall forward the tax credit documentation to the Department of Revenue along with the amount of the tax credit applied against ad valorem taxes, and the department shall disburse funds to the tax collector for the amount of the tax credit applied against ad valorem taxes. Such payments by the Department of Revenue shall be made from current tax collections.

(9) The aggregate amount of tax credits that may be allocated by the department under this section during a calendar year shall not exceed Five Million Dollars (\$5,000,000.00), and not more than fifty percent (50%) of tax credits allocated during a calendar year may be allocated for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section. However, for calendar year 2021, the aggregate amount of tax credits that may be allocated by the department under this section during a calendar year shall not exceed Ten Million Dollars (\$10,000,000.00), and for calendar year 2022, and for each calendar year thereafter, the aggregate amount of tax credits that may be allocated by the department under this section during a calendar year shall not exceed Sixteen Million Dollars (\$16,000,000.00). For calendar year 2021, and for each calendar year thereafter, fifty percent (50%) of the tax credits allocated during a calendar year shall be allocated for contributions to eligible charitable organizations described in subsection (1)(b)(i) of this section and fifty percent (50%) of the tax credits allocated during a calendar year shall be allocated for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section. For calendar year 2022, and for each calendar year thereafter, of the amount of tax credits that may be allocated for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section, fifteen percent (15%) of the tax credits shall be available solely for allocation for contributions to eligible charitable organizations described in subsection (1)(b)(ii)2; however, any such tax credits not allocated before April 1 of a calendar year may be allocated for contributions to eligible charitable organizations described in subsection (1)(b)(ii)1 of this section. For calendar year 2021, and for each calendar year thereafter, for credits allocated during a calendar year for contributions to eligible charitable organizations described in subsection (1)(b)(i) of this section, no more than twenty-five

percent (25%) of such credits may be allocated for contributions to a single eligible charitable organization. Except as otherwise provided in this section, for calendar year 2021, and for each calendar year thereafter, for credits allocated during a calendar year for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section, no more than five percent (5%) of such credits may be allocated for contributions to a single eligible charitable organization. However, for calendar year 2022, of the additional amount of tax credits authorized under this section, as amended by Chapter 480, Laws of 2021, for allocation for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section, Two Million Dollars (\$2,000,000.00) of the tax credits shall be available solely for allocation for contributions to Magnolia Speech School; however, any such tax credits not allocated before April 1, 2022, may be allocated for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section.

SECTION 3. Nothing in this act shall affect or defeat any claim, assessment, appeal, suit, right or cause of action for taxes due or accrued under the income tax laws, insurance premium tax laws or ad valorem tax laws before the date on which this act becomes effective, whether such claims, assessments, appeals, suits or actions have been begun before the date on which this act becomes effective or are begun thereafter; and the provisions of the income tax laws, insurance premium tax laws and ad valorem tax laws are expressly continued in full force, effect and operation for the purpose of the assessment, collection and enrollment of liens for any taxes due or accrued and the execution of any warrant under such laws before the date on which this act becomes effective, and for the imposition of any penalties, forfeitures or claims for failure to comply with such laws.

SECTION 4. Section 27-7-17, Mississippi Code of 1972, as amended by Senate Bill No. 2095, 2022 Regular Session, and House Bill No. 1529, 2022 Regular Session, is amended as follows:

Through February 1, 2022, this section shall read as follows:

27-7-17. In computing taxable income, there shall be allowed as deductions:

(1) Business deductions.

(a) Business expenses. All the ordinary and necessary expenses paid or incurred during the taxable year in carrying on any trade or business, including a reasonable allowance for salaries or other compensation for personal services actually rendered; nonreimbursable traveling expenses incident to current employment, including a reasonable amount expended for meals and lodging while away from home in the pursuit of a trade or business; and rentals or other payments required to be made as a condition of the continued use or possession, for purposes of the trade or business of property to which the taxpayer has not taken or is not taking title or in which he had no equity. Expense incurred in connection with earning and distributing nontaxable income is not an allowable deduction. Limitations on entertainment expenses shall conform to the provisions of the Internal Revenue Code of 1986.

(b) Interest. All interest paid or accrued during the taxable year on business indebtedness, except interest upon the indebtedness for the purchase of tax-free bonds, or any stocks, the dividends from which are nontaxable under the provisions of this article; provided, however, in the case of securities dealers, interest payments or accruals on loans, the proceeds of which are used to purchase tax-exempt securities, shall be deductible if income from otherwise tax-free securities is reported as income. Investment interest expense shall be limited to investment income. Interest expense incurred for the purchase of treasury stock, to pay dividends, or incurred as a result of an undercapitalized affiliated corporation may not be deducted unless an ordinary and necessary business purpose can be established to the satisfaction of the commissioner. For the purposes of this paragraph, the phrase "interest upon the indebtedness for the purchase of tax-free

bonds" applies only to the indebtedness incurred for the purpose of directly purchasing tax-free bonds and does not apply to any other indebtedness incurred in the regular course of the taxpayer's business. Any corporation, association, organization or other entity taxable under Section 27-7-23(c) shall allocate interest expense as provided in Section 27-7-23(c)(3)(l).

(c) Taxes. Taxes paid or accrued within the taxable year, except state and federal income taxes, excise taxes based on or measured by net income, estate and inheritance taxes, gift taxes, cigar and cigarette taxes, gasoline taxes, and sales and use taxes unless incurred as an item of expense in a trade or business or in the production of taxable income. In the case of an individual, taxes permitted as an itemized deduction under the provisions of subsection (3)(a) of this section are to be claimed thereunder.

(d) Business losses.

(i) Losses sustained during the taxable year not compensated for by insurance or otherwise, if incurred in trade or business, or nonbusiness transactions entered into for profit.

(ii) Limitations on losses from passive activities and rental real estate shall conform to the provisions of the Internal Revenue Code of 1986.

Senator Harkins offered the following COMMITTEE AMENDMENT NO. 1.

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 27-7-22.41, Mississippi Code of 1972, is amended as follows:

27-7-22.41. (1) For the purposes of this section, the following words and phrases shall have the meanings ascribed in this section unless the context clearly indicates otherwise:

(a) "Department" means the Department of Revenue.

(b) "Eligible charitable organization" means an organization that is exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code and is:

(i) Licensed by or under contract with the Mississippi Department of Child Protection Services and provides services for:

1. The prevention and diversion of children from custody with the Department of Child Protection Services,
2. The safety, care and well-being of children in custody with the Department of Child Protection Services, or
3. The express purpose of creating permanency for children through adoption; or

(ii) Certified by the department as an educational services charitable organization that is accredited by a regional accrediting agency and provides services to:

1. Children in a foster care placement program established by the Department of Child Protection Services, children placed under the Safe Families for Children model, or children at significant risk of entering a foster care placement program established by the Department of Child Protection Services,
2. Children who have a chronic illness or physical, intellectual, developmental or emotional disability, or
3. Children eligible for free or reduced price meals programs under Section 37-11-7, or selected for participation in the Promise Neighborhoods Program sponsored by the U.S. Department of Education.

(2) (a) The tax credit authorized in this section shall be available only to a taxpayer who is a business enterprise engaged in commercial, industrial or professional activities and operating as a corporation, limited liability company, partnership or sole proprietorship. Except as otherwise provided in this section, a credit is allowed against the taxes imposed by Sections 27-7-5, 27-15-103, 27-15-109 and 27-15-123, for voluntary cash contributions made by a taxpayer during the taxable year to an eligible charitable organization. From and after January 1, 2022, for a taxpayer that is not operating as a corporation, a credit is also allowed against ad valorem taxes assessed and levied on real property for voluntary cash contributions made by the taxpayer during the taxable year to an eligible charitable organization. The amount of credit that may be utilized by a taxpayer in a taxable year shall be limited to (i) an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for the taxes imposed by such sections of law and (ii) an

amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for ad valorem taxes assessed and levied on real property. Any tax credit claimed under this section but not used in any taxable year may be carried forward for five (5) consecutive years from the close of the tax year in which the credits were earned.

(b) A contribution to an eligible charitable organization for which a credit is claimed under this section does not qualify for and shall not be included in any credit that may be claimed under Section 27-7-22.39.

(c) A contribution for which a credit is claimed under this section may not be used as a deduction by the taxpayer for state income tax purposes.

(3) Taxpayers taking a credit authorized by this section shall provide the name of the eligible charitable organization and the amount of the contribution to the department on forms provided by the department.

(4) An eligible charitable organization shall provide the department with a written certification that it meets all criteria to be considered an eligible charitable organization. An eligible charitable organization must also provide the department with written documented proof of its license and/or written contract with the Mississippi Department of Child Protection Services. The organization shall also notify the department of any changes that may affect eligibility under this section.

(5) The eligible charitable organization's written certification must be signed by an officer of the organization under penalty of perjury. The written certification shall include the following:

(a) Verification of the organization's status under Section 501(c)(3) of the Internal Revenue Code;

(b) A statement that the organization does not provide, pay for or provide coverage of abortions and does not financially support any other entity that provides, pays for or provides coverage of abortions;

(c) Any other information that the department requires to administer this section.

(6) The department shall review each written certification and determine whether the organization meets all the criteria to be considered an eligible charitable organization and notify the organization of its determination. The department may also periodically request recertification from the organization. The department shall compile and make available to the public a list of eligible charitable organizations.

(7) Tax credits authorized by this section that are earned by a partnership, limited liability company, S corporation or other similar pass-through entity, shall be allocated among all partners, members or shareholders, respectively, either in proportion to their ownership interest in such entity or as the partners, members or shareholders mutually agree as provided in an executed document.

(8) (a) A taxpayer shall apply for credits with the department on forms prescribed by the department. In the application the taxpayer shall certify to the department the dollar amount of the contributions made or to be made during the calendar year. Within thirty (30) days after the receipt of an application, the department shall allocate credits based on the dollar amount of contributions as certified in the application. However, if the department cannot allocate the full amount of credits certified in the application due to the limit on the aggregate amount of credits that may be awarded under this section in a calendar year, the department shall so notify the applicant within thirty (30) days with the amount of credits, if any, that may be allocated to the applicant in the calendar year. Once the department has allocated credits to a taxpayer, if the contribution for which a credit is

allocated has not been made as of the date of the allocation, then the contribution must be made not later than sixty (60) days from the date of the allocation. If the contribution is not made within such time period, the allocation shall be cancelled and returned to the department for reallocation. Upon final documentation of the contributions, if the actual dollar amount of the contributions is lower than the amount estimated, the department shall adjust the tax credit allowed under this section.

(b) A taxpayer who applied for a tax credit under this section during calendar year 2020, but who was unable to be awarded the credit due to the limit on the aggregate amount of credits authorized for calendar year 2020, shall be given priority for tax credits authorized to be allocated to taxpayers under this section by Section 27-7-22.39.

(c) For the purposes of using a tax credit against ad valorem taxes assessed and levied on real property, a taxpayer shall present to the appropriate tax collector the tax credit documentation provided to the taxpayer by the Department of Revenue, and the tax collector shall apply the tax credit against such ad valorem taxes. The tax collector shall forward the tax credit documentation to the Department of Revenue along with the amount of the tax credit applied against ad valorem taxes, and the department shall disburse funds to the tax collector for the amount of the tax credit applied against ad valorem taxes. Such payments by the Department of Revenue shall be made from current tax collections.

(9) The aggregate amount of tax credits that may be allocated by the department under this section during a calendar year shall not exceed Five Million Dollars (\$5,000,000.00), and not more than fifty percent (50%) of tax credits allocated during a calendar year may be allocated for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section. However, for calendar year 2021, the aggregate amount of tax credits that may be allocated by the department under this section during a calendar year shall not exceed Ten Million Dollars (\$10,000,000.00), and for calendar year 2022, and for each calendar year thereafter, the aggregate amount of tax credits that may be allocated by the department under this section during a calendar year shall not exceed \* \* \* Twenty Million Dollars (\$20,000,000.00). For calendar year 2021, and for each calendar year thereafter, fifty percent (50%) of the tax credits allocated during a calendar year shall be allocated for contributions to eligible charitable organizations described in subsection (1)(b)(i) of this section and fifty percent (50%) of the tax credits allocated during a calendar year shall be allocated for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section. \* \* \* For calendar year 2021, and for each calendar year thereafter, for credits allocated during a calendar year for contributions to eligible charitable organizations described in subsection (1)(b)(i) of this section, no more than twenty-five percent (25%) of such credits may be allocated for contributions to a single eligible charitable organization. Except as otherwise provided in this section, for calendar year 2021, and for each calendar year thereafter, for credits allocated during a calendar year for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section, no more than \* \* \* three and one-half percent (3-1/2%) of such credits may be allocated for contributions to a single eligible charitable organization. \* \* \*

SECTION 2. Section 27-7-17, Mississippi Code of 1972, as amended by Senate Bill No. 2095, 2022 Regular Session, and House Bill No. 1529, 2022 Regular Session, is amended as follows:

Through February 1, 2022, this section shall read as follows:

27-7-17. In computing taxable income, there shall be allowed as deductions:

(a) Business expenses. All the ordinary and necessary expenses paid or incurred during the taxable year in carrying on any trade or business, including a

reasonable allowance for salaries or other compensation for personal services actually rendered; nonreimbursable traveling expenses incident to current employment, including a reasonable amount expended for meals and lodging while away from home in the pursuit of a trade or business; and rentals or other payments required to be made as a condition of the continued use or possession, for purposes of the trade or business of property to which the taxpayer has not taken or is not taking title or in which he had no equity. Expense incurred in connection with earning and distributing nontaxable income is not an allowable deduction. Limitations on entertainment expenses shall conform to the provisions of the Internal Revenue Code of 1986.

(b) Interest. All interest paid or accrued during the taxable year on business indebtedness, except interest upon the indebtedness for the purchase of tax-free bonds, or any stocks, the dividends from which are nontaxable under the provisions of this article; provided, however, in the case of securities dealers, interest payments or accruals on loans, the proceeds of which are used to purchase tax-exempt securities, shall be deductible if income from otherwise tax-free securities is reported as income. Investment interest expense shall be limited to investment income. Interest expense incurred for the purchase of treasury stock, to pay dividends, or incurred as a result of an undercapitalized affiliated corporation may not be deducted unless an ordinary and necessary business purpose can be established to the satisfaction of the commissioner. For the purposes of this paragraph, the phrase "interest upon the indebtedness for the purchase of tax-free bonds" applies only to the indebtedness incurred for the purpose of directly purchasing tax-free bonds and does not apply to any other indebtedness incurred in the regular course of the taxpayer's business. Any corporation, association, organization or other entity taxable under Section 27-7-23(c) shall allocate interest expense as provided in Section 27-7-23(c)(3)(I).

(c) Taxes. Taxes paid or accrued within the taxable year, except state and federal income taxes, excise taxes based on or measured by net income, estate and inheritance taxes, gift taxes, cigar and cigarette taxes, gasoline taxes, and sales and use taxes unless incurred as an item of expense in a trade or business or in the production of taxable income. In the case of an individual, taxes permitted as an itemized deduction under the provisions of subsection (3)(a) of this section are to be claimed thereunder.

(d) Business losses.

(i) Losses sustained during the taxable year not compensated for by insurance or otherwise, if incurred in trade or business, or nonbusiness transactions entered into for profit.

(ii) Limitations on losses from passive activities and rental real estate shall conform to the provisions of the Internal Revenue Code of 1986.

(e) Bad debts. Losses from debts ascertained to be worthless and charged off during the taxable year, if sustained in the conduct of the regular trade or business of the taxpayer; provided, that such losses shall be allowed only when the taxpayer has reported as income, on the accrual basis, the amount of such debt or account.

(f) Depreciation. A reasonable allowance for exhaustion, wear and tear of property used in the trade or business, or rental property, and depreciation upon buildings based upon their reasonable value as of March 16, 1912, if acquired prior thereto, and upon cost if acquired subsequent to that date. In the case of new or used aircraft, equipment, engines, or other parts and tools used for aviation, allowance for bonus depreciation conforms with the federal bonus depreciation rates and reasonable allowance for depreciation under this section is no less than one hundred percent (100%).

(g) Depletion. In the case of mines, oil and gas wells, other natural deposits and timber, a reasonable allowance for depletion and for depreciation of improvements, based upon cost, including cost of development, not otherwise deducted, or fair market

value as of March 16, 1912, if acquired prior to that date, such allowance to be made upon regulations prescribed by the commissioner, with the approval of the Governor.

Except as otherwise provided in paragraph (p) of this subsection or subsection (3)(a) of this section for individuals, contributions or gifts made by corporations within the taxable year to corporations, organizations, associations or institutions, including Community Chest funds, foundations and trusts created solely and exclusively for religious, charitable, scientific or educational purposes, or for the prevention of cruelty to children or animals, no part of the net earnings of which inure to the benefit of any private stockholder or individual. This deduction shall be allowed in an amount not to exceed twenty percent (20%) of the net income. Such contributions or gifts shall be allowable as deductions only if verified under rules and regulations prescribed by the commissioner, with the approval of the Governor. Contributions made in any form other than cash shall be allowed as a deduction, subject to the limitations herein provided, in an amount equal to the actual market value of the contributions at the time the contribution is actually made and consummated.

(i) Reserve funds - insurance companies. In the case of insurance companies the net additions required by law to be made within the taxable year to reserve funds when such reserve funds are maintained for the purpose of liquidating policies at maturity.

(j) Annuity income. The sums, other than dividends, paid within the taxpayer year on policy or annuity contracts when such income has been included in gross income.

(k) Contributions to employee pension plans. Contributions made by an employer to a plan or a trust forming part of a pension plan, stock bonus plan, disability or death-benefit plan, or profit-sharing plan of such employer for the exclusive benefit of some or all of his, their, or its employees, or their beneficiaries, shall be deductible from his, their, or its income only to the extent that, and for the taxable year in which, the contribution is deductible for federal income tax purposes under the Internal Revenue Code of 1986 and any other provisions of similar purport in the Internal Revenue Laws of the United States, and the rules, regulations, rulings and determinations promulgated thereunder, provided that:

(i) The plan or trust be irrevocable.

(ii) The plan or trust constitute a part of a pension plan, stock bonus plan, disability or death-benefit plan, or profit-sharing plan for the exclusive benefit of some or all of the employer's employees and/or officers, or their beneficiaries, for the purpose of distributing the corpus and income of the plan or trust to such employees and/or officers, or their beneficiaries.

(iii) No part of the corpus or income of the plan or trust can be used for purposes other than for the exclusive benefit of employees and/or officers, or their beneficiaries.

Contributions to all plans or to all trusts of real or personal property (or real and personal property combined) or to insured plans created under a retirement plan for which provision has been made under the laws of the United States of America, making such contributions deductible from income for federal income tax purposes, shall be deductible only to the same extent under the Income Tax Laws of the State of Mississippi.

(l) Net operating loss carrybacks and carryovers. A net operating loss for any taxable year ending after December 31, 1993, and taxable years thereafter, shall be a net operating loss carryback to each of the three (3) taxable years preceding the taxable year of the loss. If the net operating loss for any taxable year is not exhausted by carrybacks to the three (3) taxable years preceding the taxable year of the loss, then there

shall be a net operating loss carryover to each of the fifteen (15) taxable years following the taxable year of the loss beginning with any taxable year after December 31, 1991.

For any taxable year ending after December 31, 1997, the period for net operating loss carrybacks and net operating loss carryovers shall be the same as those established by the Internal Revenue Code and the rules, regulations, rulings and determinations promulgated thereunder as in effect at the taxable year end or on December 31, 2000, whichever is earlier.

A net operating loss for any taxable year ending after December 31, 2001, and taxable years thereafter, shall be a net operating loss carryback to each of the two (2) taxable years preceding the taxable year of the loss. If the net operating loss for any taxable year is not exhausted by carrybacks to the two (2) taxable years preceding the taxable year of the loss, then there shall be a net operating loss carryover to each of the twenty (20) taxable years following the taxable year of the loss beginning with any taxable year after the taxable year of the loss.

The term "net operating loss," for the purposes of this paragraph, shall be the excess of the deductions allowed over the gross income; provided, however, the following deductions shall not be allowed in computing same:

(i) No net operating loss deduction shall be allowed.

(ii) No personal exemption deduction shall be allowed.

(iii) Allowable deductions which are not attributable to taxpayer's trade or business shall be allowed only to the extent of the amount of gross income not derived from such trade or business.

Any taxpayer entitled to a carryback period as provided by this paragraph may elect to relinquish the entire carryback period with respect to a net operating loss for any taxable year ending after December 31, 1991. The election shall be made in the manner prescribed by the Department of Revenue and shall be made by the due date, including extensions of time, for filing the taxpayer's return for the taxable year of the net operating loss for which the election is to be in effect. The election, once made for any taxable year, shall be irrevocable for that taxable year.

(m) Amortization of pollution or environmental control facilities. Allowance of deduction. Every taxpayer, at his election, shall be entitled to a deduction for pollution or environmental control facilities to the same extent as that allowed under the Internal Revenue Code and the rules, regulations, rulings and determinations promulgated thereunder.

(n) Dividend distributions - real estate investment trusts. "Real estate investment trust" (hereinafter referred to as REIT) shall have the meaning ascribed to such term in Section 856 of the federal Internal Revenue Code of 1986, as amended. A REIT is allowed a dividend distributed deduction if the dividend distributions meet the requirements of Section 857 or are otherwise deductible under Section 858 or 860, federal Internal Revenue Code of 1986, as amended. In addition:

(i) A dividend distributed deduction shall only be allowed for dividends paid by a publicly traded REIT. A qualified REIT subsidiary shall be allowed a dividend distributed deduction if its owner is a publicly traded REIT.

(ii) Income generated from real estate contributed or sold to a REIT by a shareholder or related party shall not give rise to a dividend distributed deduction, unless the shareholder or related party would have received the dividend distributed deduction under this chapter.

(iv) Any REIT not allowed the dividend distributed deduction in the federal Internal Revenue Code of 1986, as amended, shall not be allowed a dividend distributed deduction under this chapter.

The commissioner is authorized to promulgate rules and regulations consistent with the provisions in Section 269 of the federal Internal Revenue Code of 1986, as amended, so as to prevent the evasion or avoidance of state income tax.

Payments made under a prepaid tuition contract entered into under the Mississippi Prepaid Affordable College Tuition Program are deductible as provided under Section 37-155-17.

(p) Contributions of human pharmaceutical products. To the extent that a "major supplier" as defined in Section 27-13-13(2)(d) contributes human pharmaceutical products in excess of Two Hundred Fifty Million Dollars (\$250,000,000.00) as determined under Section 170 of the Internal Revenue Code, the charitable contribution limitation associated with those donations shall follow the federal limitation but cannot result in the Mississippi net income being reduced below zero.

(q) Contributions to ABLE trust fund accounts. Contributions or payments to a Mississippi Achieving a Better Life Experience (ABLE) Program account are deductible as provided under Section 43-28-13.

(2) Restrictions on the deductibility of certain intangible expenses and interest expenses with a related member.

(a) As used in this subsection (2):

(i) "Intangible expenses and costs" include:

1. Expenses, losses and costs for, related to, or in connection directly or indirectly with the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange or any other disposition of intangible property to the extent such amounts are allowed as deductions or costs in determining taxable income under this chapter;

2. Expenses or losses related to or incurred in connection directly or indirectly with factoring transactions or discounting transactions;

(iv) "Related member" means an entity or person that, with respect to the taxpayer during all or any portion of the taxable year, is a related entity, a component member as defined in the Internal Revenue Code, or is an entity or a person to or from whom there is attribution of stock ownership in accordance with Section 1563(e) of the Internal Revenue Code.

(v) "Related entity" means:

1. A stockholder who is an individual or a member of the stockholder's family, as defined in regulations prescribed by the commissioner, if the stockholder and the members of the stockholder's family own, directly, indirectly, beneficially or constructively, in the aggregate, at least fifty percent (50%) of the value of the taxpayer's outstanding stock;

2. A stockholder, or a stockholder's partnership, limited liability company, estate, trust or corporation, if the stockholder and the stockholder's partnerships, limited liability companies, estates, trusts and corporations own, directly, indirectly, beneficially or constructively, in the aggregate, at least fifty percent (50%) of the value of the taxpayer's outstanding stock;

3. A corporation, or a party related to the corporation in a manner that would require an attribution of stock from the corporation to the party or from the party to the corporation, if the taxpayer owns, directly, indirectly, beneficially or constructively, at least fifty percent (50%) of the value of the corporation's outstanding stock under regulation prescribed by the commissioner;

4. Any entity or person which would be a related member under this section if the taxpayer were considered a corporation for purposes of this section.

(b) In computing net income, a taxpayer shall add back otherwise deductible interest expenses and costs and intangible expenses and costs directly or indirectly paid, accrued to or incurred, in connection directly or indirectly with one or more direct or indirect transactions with one or more related members.

(c) The adjustments required by this subsection shall not apply to such portion of interest expenses and costs and intangible expenses and costs that the taxpayer can establish meets one (1) of the following:

(i) The related member directly or indirectly paid, accrued or incurred such portion to a person during the same income year who is not a related member; or

(ii) The transaction giving rise to the interest expenses and costs or intangible expenses and costs between the taxpayer and related member was done primarily for a valid business purpose other than the avoidance of taxes, and the related member is not primarily engaged in the acquisition, use, maintenance or management, ownership, sale, exchange or any other disposition of intangible property.

(d) Nothing in this subsection shall require a taxpayer to add to its net income more than once any amount of interest expenses and costs or intangible expenses and costs that the taxpayer pays, accrues or incurs to a related member.

(e) The commissioner may prescribe such regulations as necessary or appropriate to carry out the purposes of this subsection, including, but not limited to, clarifying definitions of terms, rules of stock attribution, factoring and discount transactions.

(3) Individual nonbusiness deductions.

(a) The amount allowable for individual nonbusiness itemized deductions for federal income tax purposes where the individual is eligible to elect, for the taxable year, to itemize deductions on his federal return except the following:

(ii) The deduction for gaming losses from gaming establishments;

(iii) The deduction for taxes collected by licensed gaming establishments pursuant to Section 27-7-901;

In the case of a husband and wife living together, having separate incomes, and filing combined returns, the standard deduction authorized may be divided in any manner they choose. In the case of separate returns by a husband and wife, the standard deduction shall not be allowed to either if the taxable income of one of the spouses is determined without regard to the standard deduction.

(c) A nonresident individual shall be allowed the same individual nonbusiness deductions as are authorized for resident individuals in paragraph (a) or (b) of this subsection; however, the nonresident individual is entitled only to that proportion of the individual nonbusiness deductions as his net income from sources within the State of Mississippi bears to his total or entire net income from all sources.

(4) Nothing in this section shall permit the same item to be deducted more than once, either in fact or in effect.

(5) Notwithstanding any other provision in Title 27, Mississippi Code of 1972, there shall be allowed an income tax deduction for otherwise deductible expenses if:

Expense incurred in connection with earning and distributing nontaxable income is not an allowable deduction. Limitations on entertainment expenses shall conform to the provisions of the Internal Revenue Code of 1986. There shall also be allowed a deduction for expenses as provided in Section 26 of Senate Bill No. 2095, 2022 Regular Session.

(b) Interest. All interest paid or accrued during the taxable year on business indebtedness, except interest upon the indebtedness for the purchase of tax-free bonds, or any stocks, the dividends from which are nontaxable under the provisions of this article; provided, however, in the case of securities dealers, interest payments or accruals on loans, the proceeds of which are used to purchase tax-exempt securities, shall be deductible if income from otherwise tax-free securities is reported as income. Investment interest expense shall be limited to investment income. Interest expense incurred for the purchase of treasury stock, to pay dividends, or incurred as a result of an undercapitalized affiliated corporation may not be deducted unless an ordinary and necessary business purpose can be established to the satisfaction of the commissioner. For the purposes of this paragraph, the phrase "interest upon the indebtedness for the purchase of tax-free bonds" applies only to the indebtedness incurred for the purpose of directly purchasing tax-free bonds and does not apply to any other indebtedness incurred in the regular course of the taxpayer's business. Any corporation, association, organization or other entity taxable under Section 27-7-23(c) shall allocate interest expense as provided in Section 27-7-23(c)(3)(l).

(c) Taxes. Taxes paid or accrued within the taxable year, except state and federal income taxes, excise taxes based on or measured by net income, estate and inheritance taxes, gift taxes, cigar and cigarette taxes, gasoline taxes, and sales and use taxes unless incurred as an item of expense in a trade or business or in the production of taxable income. In the case of an individual, taxes permitted as an itemized deduction under the provisions of subsection (3)(a) of this section are to be claimed thereunder.

(d) Business losses.

(i) Losses sustained during the taxable year not compensated for by insurance or otherwise, if incurred in trade or business, or nonbusiness transactions entered into for profit.

(ii) Limitations on losses from passive activities and rental real estate shall conform to the provisions of the Internal Revenue Code of 1986.

(e) Bad debts. Losses from debts ascertained to be worthless and charged off during the taxable year, if sustained in the conduct of the regular trade or business of the taxpayer; provided, that such losses shall be allowed only when the taxpayer has reported as income, on the accrual basis, the amount of such debt or account.

(f) Depreciation. A reasonable allowance for exhaustion, wear and tear of property used in the trade or business, or rental property, and depreciation upon buildings based upon their reasonable value as of March 16, 1912, if acquired prior thereto, and upon cost if acquired subsequent to that date. In the case of new or used aircraft, equipment, engines, or other parts and tools used for aviation, allowance for bonus depreciation conforms with the federal bonus depreciation rates and reasonable allowance for depreciation under this section is no less than one hundred percent (100%).

(g) Depletion. In the case of mines, oil and gas wells, other natural deposits and timber, a reasonable allowance for depletion and for depreciation of improvements, based upon cost, including cost of development, not otherwise deducted, or fair market value as of March 16, 1912, if acquired prior to that date, such allowance to be made upon regulations prescribed by the commissioner, with the approval of the Governor.

(h) Contributions or gifts. Except as otherwise provided in paragraph (p) of this subsection or subsection (3)(a) of this section for individuals, contributions or gifts made by corporations within the taxable year to corporations, organizations, associations or institutions, including Community Chest funds, foundations and trusts created solely and exclusively for religious, charitable, scientific or educational purposes, or for the prevention of cruelty to children or animals, no part of the net earnings of which inure to the benefit of any private stockholder or individual. This deduction shall be allowed in an amount not to exceed twenty percent (20%) of the net income. Such contributions or gifts shall be allowable as deductions only if verified under rules and regulations prescribed by the commissioner, with the approval of the Governor. Contributions made in any form other than cash shall be allowed as a deduction, subject to the limitations herein provided, in an amount equal to the actual market value of the contributions at the time the contribution is actually made and consummated.

(i) Reserve funds - insurance companies. In the case of insurance companies the net additions required by law to be made within the taxable year to reserve funds when such reserve funds are maintained for the purpose of liquidating policies at maturity.

(j) Annuity income. The sums, other than dividends, paid within the taxpayer year on policy or annuity contracts when such income has been included in gross income.

(k) Contributions to employee pension plans. Contributions made by an employer to a plan or a trust forming part of a pension plan, stock bonus plan, disability or death-benefit plan, or profit-sharing plan of such employer for the exclusive benefit of some or all of his, their, or its employees, or their beneficiaries, shall be deductible from his, their, or its income only to the extent that, and for the taxable year in which, the contribution is deductible for federal income tax purposes under the Internal Revenue Code of 1986 and any other provisions of similar purport in the Internal Revenue Laws of the United States, and the rules, regulations, rulings and determinations promulgated thereunder, provided that:

(i) The plan or trust be irrevocable.

(ii) The plan or trust constitute a part of a pension plan, stock bonus plan, disability or death-benefit plan, or profit-sharing plan for the exclusive benefit of

some or all of the employer's employees and/or officers, or their beneficiaries, for the purpose of distributing the corpus and income of the plan or trust to such employees and/or officers, or their beneficiaries.

(iii) No part of the corpus or income of the plan or trust can be used for purposes other than for the exclusive benefit of employees and/or officers, or their beneficiaries.

Contributions to all plans or to all trusts of real or personal property (or real and personal property combined) or to insured plans created under a retirement plan for which provision has been made under the laws of the United States of America, making such contributions deductible from income for federal income tax purposes, shall be deductible only to the same extent under the Income Tax Laws of the State of Mississippi.

(l) Net operating loss carrybacks and carryovers. A net operating loss for any taxable year ending after December 31, 1993, and taxable years thereafter, shall be a net operating loss carryback to each of the three (3) taxable years preceding the taxable year of the loss. If the net operating loss for any taxable year is not exhausted by carrybacks to the three (3) taxable years preceding the taxable year of the loss, then there shall be a net operating loss carryover to each of the fifteen (15) taxable years following the taxable year of the loss beginning with any taxable year after December 31, 1991.

For any taxable year ending after December 31, 1997, the period for net operating loss carrybacks and net operating loss carryovers shall be the same as those established by the Internal Revenue Code and the rules, regulations, rulings and determinations promulgated thereunder as in effect at the taxable year end or on December 31, 2000, whichever is earlier.

A net operating loss for any taxable year ending after December 31, 2001, and taxable years thereafter, shall be a net operating loss carryback to each of the two (2) taxable years preceding the taxable year of the loss. If the net operating loss for any taxable year is not exhausted by carrybacks to the two (2) taxable years preceding the taxable year of the loss, then there shall be a net operating loss carryover to each of the twenty (20) taxable years following the taxable year of the loss beginning with any taxable year after the taxable year of the loss.

The term "net operating loss," for the purposes of this paragraph, shall be the excess of the deductions allowed over the gross income; provided, however, the following deductions shall not be allowed in computing same:

(i) No net operating loss deduction shall be allowed.

(ii) No personal exemption deduction shall be allowed.

(iii) Allowable deductions which are not attributable to taxpayer's trade or business shall be allowed only to the extent of the amount of gross income not derived from such trade or business.

Any taxpayer entitled to a carryback period as provided by this paragraph may elect to relinquish the entire carryback period with respect to a net operating loss for any taxable year ending after December 31, 1991. The election shall be made in the manner prescribed by the Department of Revenue and shall be made by the due date, including extensions of time, for filing the taxpayer's return for the taxable year of the net operating loss for which the election is to be in effect. The election, once made for any taxable year, shall be irrevocable for that taxable year.

(m) Amortization of pollution or environmental control facilities. Allowance of deduction. Every taxpayer, at his election, shall be entitled to a deduction for pollution or environmental control facilities to the same extent as that allowed under the Internal

Revenue Code and the rules, regulations, rulings and determinations promulgated thereunder.

(n) Dividend distributions - real estate investment trusts. "Real estate investment trust" (hereinafter referred to as REIT) shall have the meaning ascribed to such term in Section 856 of the federal Internal Revenue Code of 1986, as amended. A REIT is allowed a dividend distributed deduction if the dividend distributions meet the requirements of Section 857 or are otherwise deductible under Section 858 or 860, federal Internal Revenue Code of 1986, as amended. In addition:

(i) A dividend distributed deduction shall only be allowed for dividends paid by a publicly traded REIT. A qualified REIT subsidiary shall be allowed a dividend distributed deduction if its owner is a publicly traded REIT.

(ii) Income generated from real estate contributed or sold to a REIT by a shareholder or related party shall not give rise to a dividend distributed deduction, unless the shareholder or related party would have received the dividend distributed deduction under this chapter.

(iii) A holding corporation receiving a dividend from a REIT shall not be allowed the deduction in Section 27-7-15(4)(t).

(iv) Any REIT not allowed the dividend distributed deduction in the federal Internal Revenue Code of 1986, as amended, shall not be allowed a dividend distributed deduction under this chapter.

The commissioner is authorized to promulgate rules and regulations consistent with the provisions in Section 269 of the federal Internal Revenue Code of 1986, as amended, so as to prevent the evasion or avoidance of state income tax.

(o) Contributions to college savings trust fund accounts. Contributions or payments to a Mississippi Affordable College Savings Program account are deductible as provided under Section 37-155-113. Payments made under a prepaid tuition contract entered into under the Mississippi Prepaid Affordable College Tuition Program are deductible as provided under Section 37-155-17.

(p) Contributions of human pharmaceutical products. To the extent that a "major supplier" as defined in Section 27-13-13(2)(d) contributes human pharmaceutical products in excess of Two Hundred Fifty Million Dollars (\$250,000,000.00) as determined under Section 170 of the Internal Revenue Code, the charitable contribution limitation associated with those donations shall follow the federal limitation but cannot result in the Mississippi net income being reduced below zero.

(q) Contributions to ABLE trust fund accounts. Contributions or payments to a Mississippi Achieving a Better Life Experience (ABLE) Program account are deductible as provided under Section 43-28-13.

(2) Restrictions on the deductibility of certain intangible expenses and interest expenses with a related member.

(a) As used in this subsection (2):

(i) "Intangible expenses and costs" include:

1. Expenses, losses and costs for, related to, or in connection directly or indirectly with the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange or any other disposition of intangible property to the extent such amounts are allowed as deductions or costs in determining taxable income under this chapter;

2. Expenses or losses related to or incurred in connection directly or indirectly with factoring transactions or discounting transactions;

3. Royalty, patent, technical and copyright fees;

2. A stockholder, or a stockholder's partnership, limited liability company, estate, trust or corporation, if the stockholder and the stockholder's partnerships, limited liability companies, estates, trusts and corporations own, directly, indirectly, beneficially or constructively, in the aggregate, at least fifty percent (50%) of the value of the taxpayer's outstanding stock;

3. A corporation, or a party related to the corporation in a manner that would require an attribution of stock from the corporation to the party or from the party to the corporation, if the taxpayer owns, directly, indirectly, beneficially or constructively, at least fifty percent (50%) of the value of the corporation's outstanding stock under regulation prescribed by the commissioner;

4. Any entity or person which would be a related member under this section if the taxpayer were considered a corporation for purposes of this section.

(b) In computing net income, a taxpayer shall add back otherwise deductible interest expenses and costs and intangible expenses and costs directly or indirectly paid, accrued to or incurred, in connection directly or indirectly with one or more direct or indirect transactions with one or more related members.

(c) The adjustments required by this subsection shall not apply to such portion of interest expenses and costs and intangible expenses and costs that the taxpayer can establish meets one (1) of the following:

(i) The related member directly or indirectly paid, accrued or incurred such portion to a person during the same income year who is not a related member; or

(ii) The transaction giving rise to the interest expenses and costs or intangible expenses and costs between the taxpayer and related member was done primarily for a valid business purpose other than the avoidance of taxes, and the related member is not primarily engaged in the acquisition, use, maintenance or management, ownership, sale, exchange or any other disposition of intangible property.

(d) Nothing in this subsection shall require a taxpayer to add to its net income more than once any amount of interest expenses and costs or intangible expenses and costs that the taxpayer pays, accrues or incurs to a related member.

(e) The commissioner may prescribe such regulations as necessary or appropriate to carry out the purposes of this subsection, including, but not limited to, clarifying definitions of terms, rules of stock attribution, factoring and discount transactions.

(3) Individual nonbusiness deductions.

(a) The amount allowable for individual nonbusiness itemized deductions for federal income tax purposes where the individual is eligible to elect, for the taxable year, to itemize deductions on his federal return except the following:

(4) Nothing in this section shall permit the same item to be deducted more than once, either in fact or in effect.

(5) Notwithstanding any other provision in Title 27, Mississippi Code of 1972, there shall be allowed an income tax deduction for otherwise deductible expenses if:

**H. B. No. 1691:** Income tax; revise certain provisions relating pass-through entities.

Senator Johnson offered the following COMMITTEE AMENDMENT NO. 1.

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) (a) For calendar year 2022, and for each calendar year thereafter, any partnership, S corporation or similar pass-through entity may elect to be taxed as an electing pass-through entity and pay the tax imposed under this chapter at the entity level. For the purposes of this section, the term "electing pass-through entity" means a partnership, S corporation or similar pass-through entity that has made an election pursuant to this section.

(b) A partnership, S corporation or similar pass-through entity desiring to be taxed as an electing pass-through entity shall submit the appropriate form to the Department of Revenue at any time during the tax year or on or before the fifteenth day of the third month following the close of that taxable year for which the entity elects to be taxed as an electing pass-through entity. This election shall be binding for that taxable year and all taxable years thereafter and shall not be revoked unless the electing pass-through entity submits the appropriate form to the department at any time during a subsequent taxable year or on or before the fifteenth day of the third month following the close of that taxable year for which the entity elects to no longer be taxed as an electing pass-through entity. Both the election to become an electing pass-through entity and the

revocation of that election shall be accomplished by a vote by or written consent of the members of the governing body of the entity as well as a vote by or written consent of the owners, members, partners or shareholders holding greater than fifty percent (50%) percent of the voting control of the entity, within the time prescribed in this subsection.

(c) Each owner, member, partner or shareholder of an electing pass-through entity shall report his or her pro rata or distributive share of the income of the electing pass-through entity but shall not be liable for the tax imposed under this chapter on such pro rata or distributive share of the income of the electing pass-through entity. Each owner, member, partner or shareholder of an electing pass-through entity shall be allowed a credit against the taxes imposed under this chapter in an amount equal to his or her pro rata or distributive share of tax paid by the electing pass-through entity with respect to the corresponding taxable year.

(2) The adjusted basis of the owners, members or partners of an electing pass-through entity in their ownership interests in the electing pass-through entity shall be calculated without regard to the election under this section.

SECTION 2. Section 27-7-25, Mississippi Code of 1972, is amended as follows:

27-7-25. (1) Individuals carrying on businesses in partnerships shall be liable for income tax only in their individual capacity, unless for federal purposes the partnership is taxable as a corporation. If so, then the partnership is also taxable as a corporation for state purposes and is subject to all of the corporate tax laws and regulations. The gross income of an individual partner shall be the gross income the partnership distributed on the same basis as net income or earnings may be distributed. If the preceding exception applies, then the partner will be treated as a shareholder in a corporation.

There shall be included in computing the net income of each partner his distributive share, whether distributed or not, of the net income of the partnership for the taxable year.

The net income of the partnership shall be computed in the same manner and on the same basis as provided for individuals, provided no personal exemption shall be granted and, provided further, that husband and wife partnerships shall not be recognized for the purpose of this article, unless it can be proven that husband and wife have each contributed capital out of their separate estates, and not by gift, from one to the other.

In the case of partnerships, each partner that would otherwise be required to include more than twelve (12) months of income in a single taxable year may elect to include such excess in income in one (1) year or ratably over a period of four (4) taxable years.

In the event the individual partners fail to report and pay the taxes imposed according to this section, then the partnership and the general partners shall be jointly and severally liable for said tax liability and shall be assessed accordingly. However, the partnership and/or general partner shall not be liable if the partnership withholds five percent (5%) of the net gain or profit of the partnership for the tax year and remits the same to the commissioner. Such amounts paid to the commissioner shall be deemed to be payments of estimated tax of the partners and shall be allocated pro rata to the partners' taxpayer accounts. The commissioner may allow, or require, block or composite filing by a partnership, or withholding on a nonresident partner.

Magnetic media reporting may be required in a manner to be determined by the commissioner.

Partnership returns shall be filed in such manner and at such time as prescribed by law.

(2) For a partnership that has made an election under Section 1 of this act to be taxed as an electing pass-through entity, the partnership shall pay income tax as provided for in Section 1 of this act.

SECTION 3. Section 27-7-5, Mississippi Code of 1972, is brought forward as follows:

27-7-5. (1) There is hereby assessed and levied, to be collected and paid as hereinafter provided, for the calendar year 1983 and fiscal years ending during the calendar year 1983 and all taxable years thereafter, upon the entire net income of every resident individual, corporation, association, trust or estate, in excess of the credits provided, a tax at the following rates:

(iv) For calendar year 2020, on the first Three Thousand Dollars (\$3,000.00) of taxable income there shall be no tax levied, and on the next Two Thousand Dollars (\$2,000.00) of taxable income, or any part thereof, the rate shall be three percent (3%);

(v) For calendar year 2021, on the first Four Thousand Dollars (\$4,000.00) of taxable income there shall be no tax levied, and on the next One Thousand Dollars (\$1,000.00) of taxable income, or any part thereof, the rate shall be three percent (3%);

(vi) For calendar year 2022 and all taxable years thereafter, there shall be no tax levied on the first Five Thousand Dollars (\$5,000.00) of taxable income;

(b) On taxable income in excess of Five Thousand Dollars (\$5,000.00) up to and including Ten Thousand Dollars (\$10,000.00), or any part thereof, the rate shall be four percent (4%); and

(c) On all taxable income in excess of Ten Thousand Dollars (\$10,000.00), the rate shall be five percent (5%).

(2) An S corporation, as defined in Section 27-8-3(1)(g), shall not be subject to the income tax imposed under this section.

(3) A like tax is hereby imposed to be assessed, collected and paid annually, except as hereinafter provided, at the rate specified in this section and as hereinafter provided, upon and with respect to the entire net income, from all property owned or sold, and from every business, trade or occupation carried on in this state by individuals, corporations, partnerships, trusts or estates, not residents of the State of Mississippi.

(4) In the case of taxpayers having a fiscal year beginning in a calendar year with a rate in effect that is different than the rate in effect for the next calendar year and ending in the next calendar year, the tax due for that taxable year shall be determined by:

SECTION 4. Section 27-7-15, Mississippi Code of 1972, is brought forward as follows:

27-7-15. (1) For the purposes of this article, except as otherwise provided, the term "gross income" means and includes the income of a taxpayer derived from salaries, wages, fees or compensation for service, of whatever kind and in whatever form paid, including income from governmental agencies and subdivisions thereof; or from professions, vocations, trades, businesses, commerce or sales, or renting or dealing in property, or reacquired property; also from annuities, interest, rents, dividends, securities, insurance premiums, reinsurance premiums, considerations for supplemental insurance contracts, or the transaction of any business carried on for gain or profit, or gains, or profits, and income derived from any source whatever and in whatever form paid. The amount of all such items of income shall be included in the gross income for the taxable year in which received by the taxpayer. The amount by which an eligible employee's salary is reduced pursuant to a salary reduction agreement authorized under Section 25-17-5 shall be excluded from the term "gross income" within the meaning of this article.

(2) In determining gross income for the purpose of this section, the following, under regulations prescribed by the commissioner, shall be applicable:

(a) Dealers in property. Federal rules, regulations and revenue procedures shall be followed with respect to installment sales unless a transaction results in the shifting of income from inside the state to outside the state.

(b) Casual sales of property.

(i) Prior to January 1, 2001, federal rules, regulations and revenue procedures shall be followed with respect to installment sales except they shall be applied and administered as if H.R. 3594, the Installment Tax Correction Act of 2000 of the 106th Congress, had not been enacted. This provision will generally affect taxpayers, reporting on the accrual method of accounting, entering into installment note agreements on or after December 17, 1999. Any gain or profit resulting from the casual sale of property will be recognized in the year of sale.

(ii) From and after January 1, 2001, federal rules, regulations and revenue procedures shall be followed with respect to installment sales except as provided in this subparagraph (ii). Gain or profit from the casual sale of property shall be recognized in the year of sale. When a taxpayer recognizes gain on the casual sale of property in which the gain is deferred for federal income tax purposes, a taxpayer may elect to defer the payment of tax resulting from the gain as allowed and to the extent provided under regulations prescribed by the commissioner. If the payment of the tax is made on a deferred basis, the tax shall be computed based on the applicable rate for the income

reported in the year the payment is made. Except as otherwise provided in subparagraph (iii) of this paragraph (b), deferring the payment of the tax shall not affect the liability for the tax. If at any time the installment note is sold, contributed, transferred or disposed of in any manner and for any purpose by the original note holder, or the original note holder is merged, liquidated, dissolved or withdrawn from this state, then all deferred tax payments under this section shall immediately become due and payable.

(iii) If the selling price of the property is reduced by any alteration in the terms of an installment note, including default by the purchaser, the gain to be recognized is recomputed based on the adjusted selling price in the same manner as for federal income tax purposes. The tax on this amount, less the previously paid tax on the recognized gain, is payable over the period of the remaining installments. If the tax on the previously recognized gain has been paid in full to this state, the return on which the payment was made may be amended for this purpose only. The statute of limitations in Section 27-7-49 shall not bar an amended return for this purpose.

(c) Reserves of insurance companies. In the case of insurance companies, any amounts in excess of the legally required reserves shall be included as gross income.

(d) Affiliated companies or persons. As regards sales, exchanges or payments for services from one to another of affiliated companies or persons or under other circumstances where the relation between the buyer and seller is such that gross proceeds from the sale or the value of the exchange or the payment for services are not indicative of the true value of the subject matter of the sale, exchange or payment for services, the commissioner shall prescribe uniform and equitable rules for determining the true value of the gross income, gross sales, exchanges or payment for services, or require consolidated returns of affiliates.

(e) Alimony and separate maintenance payments. The federal rules, regulations and revenue procedures in determining the deductibility and taxability of alimony payments shall be followed in this state.

(f) Reimbursement for expenses of moving. There shall be included in gross income (as compensation for services) any amount received or accrued, directly or indirectly, by an individual as a payment for or reimbursement of expenses of moving from one (1) residence to another residence which is attributable to employment or self-employment.

(4) The words "gross income" do not include the following items of income which shall be exempt from taxation under this article:

(b) The amount received by the insured as a return of premium or premiums paid by him under life insurance policies, endowment, or annuity contracts, either during the term or at maturity or upon surrender of the contract.

(c) The value of property acquired by gift, bequest, devise or descent, but the income from such property shall be included in the gross income.

(f) Income received by any religious denomination or by any institution or trust for moral or mental improvements, religious, Bible, tract, charitable, benevolent, fraternal, missionary, hospital, infirmary, educational, scientific, literary, library, patriotic, historical or cemetery purposes or for two (2) or more of such purposes, if such income be used exclusively for carrying out one or more of such purposes.

(g) Income received by a domestic corporation which is "taxable in another state" as this term is defined in this article, derived from business activity conducted outside this state. Domestic corporations taxable both within and without the state shall determine Mississippi income on the same basis as provided for foreign corporations under the provisions of this article.

The S corporation shall furnish, on or before the day on which such return is filed, to each person who was a shareholder during the year a copy of such information shown on the return as the commission may prescribe by regulation. (b) To be subject to personal jurisdiction in this state for purposes of the collection of income taxes, together with related interest and penalties, imposed on the shareholder by this state with respect to the income of the S corporation.

The agreement will be considered to be timely filed for a taxable period and for all subsequent taxable periods if it is filed at or before the time the annual return for such taxable period is required to be filed.

In the event the S corporation fails to obtain an agreement of a nonresident shareholder as provided in subsection (3)(a) of this section or in the event a nonresident shareholder of an S corporation fails to file a return and to make timely payments of all taxes imposed on the shareholder by this state as provided in subsection (4)(a) of this section, the S corporation shall make a payment to the state as provided in subsection (5) of this section.

Any such payment for a taxable period must be made at or before the time the annual return for such taxable period is required to be filed.

(2) To effectuate the provisions of this section, the parole officer or probation officer may utilize technology portals such as Skype, FaceTime or Google video chat, or any other technology portal that allows communication between the individual on parole or probation and the parole or probation officer, as applicable, to occur simultaneously in real time by voice and video in lieu of requiring a face-to-face in person meeting of such individual and the parole or probation officer, as applicable. For individuals who are self-employed, the provisions of this \* \* \* subsection shall only apply with the agreement of their supervising parole or probation officer.

(3) The Department of Corrections shall promulgate rules and regulations to implement the provisions of this section. The rules and regulations promulgated by the department shall include, but are not limited to, minimum standards and guidelines for the authorized technology and how it may be used as well as standards for determining the eligibility and suitability of an individual on parole or probation to meet his or her reporting requirements through the use of such technology. The eligibility and suitability standards shall include consideration of the severity of the individual's underlying criminal conviction and such individual's criminal history, supervision level, and past supervision history.

(4) This section shall not apply to offenders whose employers comply with the requirements of Section 1(1) of this act.

Of the remaining amount, Three Dollars (\$3.00) of each payment shall be deposited into the Crime Victims' Compensation Fund created in Section 99-41-29, and Two Dollars (\$2.00) shall be deposited into the Training Revolving Fund created pursuant to Section 47-7-51. When a person is convicted of a felony in this state, in addition to any other sentence it may impose, the court may, in its discretion, order the offender to pay a state assessment not to exceed the greater of One Thousand Dollars (\$1,000.00) or the maximum fine that may be imposed for the offense, into the Crime Victims' Compensation Fund created pursuant to Section 99-41-29.

Any federal funds made available to the department for training or for training facilities, equipment or services shall be deposited into the Correctional Training Revolving Fund created in Section 47-7-51. No offender shall be required to make this payment for a period of time longer than ten (10) years.

(2) The offender may be imprisoned until the payments are made if the offender is financially able to make the payments and the court in the county where the offender resides so finds, subject to the limitations hereinafter set out. The offender shall not be imprisoned if the offender is financially unable to make the payments and so states to the court in writing, under oath, and the court so finds.

(3) An offender's responsibilities under this section may be satisfied by an offender's employer under Section 1(2) of this act.

( \*\* \*4) This section shall stand repealed from and after June 30, \*\* \* 2026.

SECTION 4. This act shall take effect and be in force from and after July 1, 2022, and shall stand repealed on June 29, 2022.

(3) If the amount in the fund exceeds Twenty Million Dollars (\$20,000,000.00) at any time during a fiscal year when assessments are being collected, assessments shall continue until the end of such fiscal year without regard to the maximum amount authorized to be in the fund.

The election to opt-out shall be effective for only one (1) crop year. A producer who opts out of the fund shall not be eligible to receive any payment with respect to grain produced during such crop year for a contract loss or storage loss resulting from the failure of a first purchaser licensee.

(2) A producer who opts out of the fund has the obligation to notify any first purchaser licensee of the election to opt out of the fund and the licensee may require the producer to provide a copy of the form referenced in subsection (1) of this section.

Upon making such a determination, the commissioner shall issue a legal notice in a paper of general circulation once a week for two (2) consecutive weeks in the county in which the first purchaser licensee operates setting forth the name of the failed first purchaser licensee and details on how a producer may file a claim for a payment from the fund. The commissioner shall take any other action the commissioner deems to be appropriate to provide notice to affected producers.

SECTION 11. The following shall be codified as Section 75-46-21, Mississippi Code of 1972:

(a) A claim must be on a form prescribed by the commissioner;

(b) A claim must be submitted not later than ninety (90) days after the announcement made by the commissioner under Section 75-46-19 of this act;

(c) A copy of any written agreement for the sale of grain to the failed first purchaser licensee by the producer must be included with the submitted form;

(d) For filing of an affidavit under penalty of perjury

setting forth the terms and conditions of any oral contract for the sale of grain to the failed first purchaser licensee by the producer; and

(e) A copy of any warehouse receipt, scale ticket or other similar document showing the delivery of grain by the producer to the failed first purchaser licensee must be included with the claim.

(2) The commissioner may extend the time for filing a claim upon a finding that extenuating circumstances exist that warrant an extension.

SECTION 12. The following shall be codified as Section 75-46-23, Mississippi Code of 1972:

75-46-23. (1) All claims submitted to the commissioner shall be reviewed by commissioner or designees of the commissioner. The commissioner or the designees shall make a preliminary determination regarding the eligibility for payment from the fund. If the preliminary determination provides that less than the full amount of the claimed loss should be paid, the determination shall set forth an explanation of why the lesser amount, if any, should be paid. The preliminary determination shall be provided to the board for a final determination of eligibility for payment from the fund.

(2) The board or the commissioner may request from a claimant additional information it determines necessary to adjudicate the claim and may provide an opportunity for the claimant to provide oral testimony to the board or to a designee of the board.

(3) If a claim is not approved for the full amount, the board shall provide a written explanation to the claimant setting forth the basis for the final determination of the eligible amount of the claim.

(4) Within thirty (30) days of the receipt of the final determination in which a claim has been denied in whole or only partially approved, claimant may file with the board a request for reconsideration of the claim.

(5) A claimant that does not agree with the determination of the board issued after reconsideration of the final determination may seek review of the determination issued by the board after its reconsideration of the final determination by filing an appeal with the circuit court located in the county of the producer's residence. The circuit court shall render a decision based on the administrative record prepared by the commissioner without a trial by jury. The circuit court's decision may then be appealed to the Mississippi

Supreme Court. Any such appeal to circuit court or to the Supreme Court shall be in accordance with existing laws and regulations governing such appeals.

(6) (a) The department shall have subpoena power for witnesses to attend hearings and for production of documents for any and all proceedings under the department's jurisdiction. The subpoenas shall be enforced by the chancery court of the residence of the witness.

(b) The department shall have the authority to make application for administrative inspection warrants and administrative search warrants for any and all proceedings under the department's jurisdiction. A judge or any state court of record, or any justice court judge within his jurisdiction, and upon proper oath or affirmation showing probable cause, may issue warrants for the purpose of conducting administrative inspections for the department. For purposes of the issuance of administrative inspection or search warrants, probable cause exists upon showing a valid public interest in the effective enforcement of matters under the department's jurisdiction. An administrative search warrant shall issue only upon an affidavit of a person having knowledge or information of the facts alleged, sworn to before the judge or justice court judge and establishing that the grounds for the application exist or that there is probable cause to believe they exist. The judge shall issue a warrant identifying the area, premises, building or conveyance to be searched, the purpose of the search, and, if appropriate, the type of property to be searched. When authorized by an administrative inspection or search warrant issued, an officer or employee of the department, upon presenting the warrant and appropriate credentials to the owner, operator, or agent in charge, may enter the premises for the purpose of conducting an administrative inspection.

75-46-25. (1) Subject to Section 75-46-27, claims for storage losses shall be paid at one hundred percent (100%) of the amount of loss of the claimant less any amount received by the claimant from any other source. The value of the grain subject to the claim shall be the market price of the grain as determined by the board as of the date of failure of the first purchaser licensee. The board may adjust the value of the grain subject to the claim if there is sufficient evidence on a warehouse receipt, scale ticket or other similar document showing the quality of the grain.

(2) (a) Subject to Section 75-46-27, claims for contract losses shall be paid at one hundred percent (100%) of the amount of loss of the claimant less any amount received by the claimant from any other source including the sale of the grain to another entity. The board shall use the purchase price set forth in the contract for sale to determine the amount of loss and if purchase price is not clearly set forth in the contract, the board shall establish the price of grain to be used to determine the amount of the loss taking into account normal marketing practices in the area in which the first purchaser licensee conducted business.

(b) A claim for a contract loss shall not be approved by the board if the claimant engaged in conduct or practices that differ from generally accepted marketing practices within the grain industry to an extent the claimant's actions have substantially contributed to the claimant's loss.

(c) A failed first purchaser licensee may not file a

claim for payment from the fund for any loss associated with a grain warehouse owned in whole or in part by the licensee or an entity that is a grain dealer owned in whole or in part by the licensee.

(d) Payments from the fund shall be available for storage and contract losses incurred with respect to crops produced in the 2022 and subsequent crop years.

SECTION 14. The following shall be codified as Section 75-46-27, Mississippi Code of 1972:

75-46-27. If the total amount of eligible claims exceeds the amount of funds available to the board from the fund, the board shall make initial payments on a pro rata basis. Assessments subsequently collected and submitted to the fund shall not be used to make an additional payment for prior payments made at less than the full amount.

SECTION 15. The following shall be codified as Section 75-46-29, Mississippi Code of 1972:

75-46-29. The failure of a first purchaser licensee to timely collect and submit assessments required by Section 75-46-11 of this act shall be basis for the commissioner to revoke a license issued to the licensee under Sections 75-44-23 and 75-45-309.

SECTION 16. The following shall be codified as Section 75-46-31, Mississippi Code of 1972:

75-46-31. The commissioner shall establish a toll-free hotline and other information collection processes for the purposes of receiving information concerning the failure of a first purchaser licensee to make timely payments for the purchase of grain and information concerning any suspected fraudulent activity of a first purchaser licensee. Upon receipt of information from the hotline, the commissioner shall take such action as the commissioner determines to be appropriate including referral of the matter to the Attorney General. Information received through the hotline shall not be subject to disclosure to the public except as determined appropriate by the commissioner.

SECTION 17. The following shall be codified as Section 75-46-33, Mississippi Code of 1972:

75-46-33. All the board's books, records, accounts, and other papers shall be subject to inspection, copying and audit by the Office of the State Auditor at any time.

SECTION 18. The following shall be codified as Section 75-46-35, Mississippi Code of 1972:

75-46-35. The board may adopt any and all rules and regulations deemed necessary or desirable by the board to carry out the powers and duties of the board, including, but not limited to, the collection and receipt of assessments, the procedure for adjudicating the claims of loss by the producers, the refunding of assessment to producers and the subrogation of procedures' claims against a warehouse or dealer in return for payment from the trust fund.

SECTION 19. This act shall take effect and be in force from and after July 1, 2022, and shall stand repealed on June 30, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

Nothing in this article is intended to alter any state and federal laws or regulations regarding the award of financial aid at postsecondary educational institutions.

(2) Except as provided for in this article, an athletic association, conference or other group or organization with authority over intercollegiate athletic programs, including, but not limited to, the National Collegiate Athletic Association (NCAA) and the National Junior College Athletic Association (NJCAA), shall not prevent, or otherwise enforce a contract, rule, regulation, standard or other requirement that prevents, a student-athlete

of a postsecondary educational institution from earning compensation as a result of the use of the student-athlete's \*\*\* publicity rights.

(3) To protect the integrity of its educational mission and intercollegiate athletics program, a postsecondary educational institution may impose reasonable limitations on the dates and time that a student-athlete may participate in endorsement, promotional, social media or other activities related to the license or use of the student-athlete's \*\*\* publicity rights. Nothing in this article shall restrict a postsecondary educational institution from exercising its sole discretion to control the authorized use of its marks or logos or to determine a student-athlete's apparel, gear or other wearables during an intercollegiate athletics competition or institution-sponsored event. A student-athlete may not receive or enter into a contract for compensation for the use of his or her \*\*\* publicity rights in a way that also uses any registered or licensed marks, logos, verbiage or designs of a postsecondary institution, unless the institution has provided the student-athlete with written permission to do so prior to \*\*\* entering into the agreement or receipt of compensation. If permission is granted, the postsecondary educational institution, by agreement of all parties, may be compensated for the use in a manner consistent with market rates. A postsecondary educational institution may also prohibit a student-athlete from wearing any item of clothing, shoes, or other gear or wearables with the name, logo or insignia of any entity during an intercollegiate athletics competition or institution-sponsored event.

(4) An athletic association, conference or other group or organization with authority over intercollegiate athletics programs, including, but not limited to, the National Collegiate Athletic Association and the National Junior College Athletic Association, shall not enforce a contract, rule, regulation, standard or other requirement that prevents a postsecondary educational institution from participating in an intercollegiate athletics program, or otherwise penalize the postsecondary educational institution or its intercollegiate athletic program, as a result of activities permitted by this article, including, without limitation, the compensation of a student-athlete for the use of the student-athlete's \*\*\* publicity rights.

(5) (a) A postsecondary educational institution, athletic association, conference or other group or organization with authority over intercollegiate athletics programs, including, but not limited to, the National Collegiate Athletic Association and the National Junior College Athletic Association, shall not \*\*\*:

( \*\* \*i) Enter into, or offer to enter into, a name, image and likeness agreement with a \*\*\* student-athlete; or

( \*\* \*ii) Provide a \*\*\* student-athlete or the student-athlete's family compensation in relation to the use of the student-athlete's \*\*\* publicity rights.

(b) A postsecondary educational institution may facilitate opportunities for student-athletes to engage with third-parties interested in entering into name, image, and likeness agreements, and may communicate with third-parties interested in providing name, image, and likeness agreements to student-athletes.

(6) A postsecondary educational institution, athletic association, conference or other group or organization with authority over intercollegiate athletics programs, including, but not limited to, the National Collegiate Athletic Association and the National Junior College Athletic Association shall not prevent a student-athlete from obtaining professional representation in relation to \*\*\* publicity rights, or to secure a name, image and likeness agreement, including, but not limited to, representation provided by athlete agents or legal representation provided by attorneys. A student-athlete shall provide the postsecondary educational institution with written notice at least seven (7) days prior to entering into a representation agreement with any individual for the purpose of exploring or securing compensation for use of the student-athlete's \*\*\* publicity rights.

(7) Professional representation obtained by student-athletes must be from persons registered as athlete agents as provided in Section 73-42-1 et seq. of the Uniform Athlete Agent Act. Attorneys who provide legal representation to student-athletes must be licensed to practice law in the State of Mississippi and in good standing with The Mississippi Bar.

(8) Athlete agents representing student-athletes shall comply with the Uniform Athlete Agents Act, Section 73-42-1 et seq., Mississippi Code of 1972, and the federal Sports Agent Responsibility and Trust Act in 15 USC Sections 7801-7807 in their relationships with student-athletes.

(9) A grant-in-aid, including cost of attendance, and other permissible financial aid, awards or benefits from the postsecondary educational institution in which a student-athlete is enrolled shall not be revoked, reduced, nor the terms and conditions altered, as a result of a student-athlete earning compensation or obtaining professional or legal representation pursuant to this article.

(10) Before any \*\*\* agreement for compensation for the use of a student-athlete's \*\*\* publicity rights is \*\*\* entered into, and before any compensation is provided to the student-athlete in advance of \*\*\* an agreement, the student-athlete shall disclose the \*\*\* agreement to a designated official of the postsecondary educational institution in which the student-athlete is enrolled in a manner prescribed by the institution.

(11) A third-party \*\*\* may not enter into, or offer to enter into, a name, image and likeness agreement with a student-athlete or otherwise compensate a student-athlete for the use of the student-athlete's \*\*\* publicity rights if a provision of the name, image and likeness agreement or the use of the student-athlete's \*\*\* publicity rights conflicts with a provision of a contract, rule, regulation, standard or other requirement of the postsecondary educational institution unless such contract or use is expressly approved in writing by the postsecondary educational institution.

(12) No postsecondary educational institution, booster \*\*\* or third-party \*\*\* shall provide a \*\*\* student-athlete compensation or enter into a name, image and likeness agreement as an inducement for the student-athlete to attend or enroll in a specific institution or group of institutions. Compensation for a student-athlete's \*\*\* publicity rights may not be conditioned on athletic performance \* \* \* \* \*.

\* \* \*

(\*\*\*13) No student-athlete shall enter into a name, image, and likeness agreement or receive compensation from a third-party licensee for the endorsement or promotion of gambling, sports betting, controlled substances, marijuana, tobacco or alcohol \*\*\*, brand or products, alternative or electronic nicotine product or delivery system, performance-enhancing supplements, adult entertainment or any other product or service that is reasonably considered to be inconsistent with the values or mission of a postsecondary educational institution or that negatively impacts or reflects adversely on a postsecondary education institution or its athletic programs, including, without limitation, bringing about public disrepute, embarrassment, scandal, ridicule or otherwise negatively impacting the reputation or the moral or ethical standards of the postsecondary educational institution.

(\*\*\*14) \*\*\* An agreement for the use of \*\*\* a student-athlete's \*\*\* publicity rights which is formed while the student-athlete is participating in an intercollegiate sport at a postsecondary educational institution may not extend beyond the student-athlete's participation in the sport at the institution.

(\*\*\*15) Nothing in this article shall be interpreted to modify any requirements or obligations imposed under Title IX of the Education Amendments of 1972 (20 USC 1681 et seq.).

SECTION 5. Section 37-97-109, Mississippi Code of 1972, is brought forward as follows:

No postsecondary educational institution shall be subject to a claim for damages related to its adoption, implementation or enforcement of any contract, rule, regulation, standard or other requirement in compliance with this article. This article is not intended to and shall not waive or diminish any applicable defenses and immunities, including, without limitation, sovereign immunity applicable to postsecondary educational institutions.

(3) An agency contract resulting from conduct in violation of this section is void. The athlete agent shall return any consideration received under the contract to the individual or entity who tendered or paid the consideration.

(2) Except as otherwise provided in subsection (3), the Secretary of State shall issue a certificate of registration to an individual whose application has been accepted under Section 73-42-9(2).

(3) The Secretary of State may refuse to issue a certificate of registration if he determines that the applicant has engaged in conduct that has a significant adverse effect on the applicant's fitness to serve as an athlete agent. In making the determination, the Secretary of State may consider whether the applicant has:

(a) Been convicted of a crime in another state that, if committed in this state, would be a felony or other crime involving moral turpitude;

(b) Made a materially false, misleading, deceptive or fraudulent representation as an athlete agent or in the application;

(c) Engaged in conduct that would disqualify the applicant from serving in a fiduciary capacity;

(d) Engaged in conduct prohibited by Section 73-42-27;

(4) In making a determination under subsection (3), the Secretary of State shall consider:

(a) How recently the conduct occurred;

(b) The nature of the conduct and the context in which it occurred; and

(c) Any other relevant conduct of the applicant.

(5) An athlete agent may apply to renew a registration by submitting an application for renewal in a form prescribed by the Secretary of State. An application filed under this section is a public record. The application for renewal must be signed by the applicant under penalty of perjury and must contain current information on all matters required in an original registration.

(6) An individual who has submitted an application for renewal of registration or licensure in another state, in lieu of submitting an application for renewal in the form prescribed pursuant to subsection (5), may file a copy of the application for renewal and a valid certificate of registration from the other state. The Secretary of State shall accept the application for renewal from the other state as an application for renewal in this state if the application to the other state:

(a) Was submitted in the other state within the last six (6) months and the applicant certifies the information contained in the application for renewal is current;

(b) Contains information substantially similar to or more comprehensive than that required in an application for renewal submitted in this state; and

(c) Was signed by the applicant under penalty of perjury.

(7) Except as provided in Section 33-1-39, a certificate of registration or a renewal of a registration is valid for two (2) years.

SECTION 12. Section 73-42-13, Mississippi Code of 1972, is brought forward as follows:

73-42-13. (1) After proper notice and an opportunity for a hearing, the Secretary of State may deny, suspend, revoke or refuse to renew a registration for conduct that would have justified denial of registration under Section 73-42-11(3) or for a violation of any provision of this chapter.

(2) (a) The Secretary of State shall appoint at least one (1) hearing officer for the purpose of holding hearings, compiling evidence and rendering decisions under this section and Section 73-42-11. The hearing officer shall fix the date for an adjudicatory hearing and notify the athlete agent involved. The hearing shall be held at a location to be designated by the hearing officer. Unless the time period is extended by the hearing officer, the hearing shall be held not less than fifteen (15) nor more than thirty (30) days after the mailing of notice to the athlete agent involved. At the conclusion of the hearing, the hearing officer shall make a recommendation regarding the registration of the athlete agent involved. The Secretary of State shall then take appropriate action by final order.

(b) Any athlete agent whose application for registration has been denied or not renewed, or whose registration has been revoked or suspended by the Secretary of State, within thirty (30) days after the date of such final order, shall have the right of a trial de novo on appeal to the circuit court of the county of residence of the athlete agent, the student-athlete, or the educational institution that issued an athletic scholarship to the student-athlete. If the secretary's final order is supported by substantial evidence and does not violate a state or federal law, then it shall be affirmed by the circuit court. Either party shall have the right of appeal to the Supreme Court as provided by law from any decision of the circuit court. No athlete agent shall be allowed to deliver services to a student-athlete domiciled or residing in Mississippi while any such appeal is pending.

(3) In addition to the reasons specified in subsection (1) of this section, the secretary shall be authorized to suspend the registration of any person for being out of compliance with an order for support, as defined in Section 93-11-153. The procedure for suspension of a registration for being out of compliance with an order for support, and the procedure for the reissuance or reinstatement of a registration suspended for that purpose, and the payment of any fees for the reissuance or reinstatement of a registration suspended for that purpose, shall be governed by Section 93-11-157 or 93-11-163, as the case may be. Actions taken by the secretary in suspending the registration of a person when required by Section 93-11-157 are not actions from which an appeal may be taken under this section. Any appeal of a registration suspension that is required by Section 93-11-157 or 93-11-163 shall be taken in accordance with the appeal procedure specified

in Section 93-11-157 or 93-11-163, as the case may be, rather than the procedure specified in this section. If there is any conflict between any provision of Section 93-11-157 or 93-11-163 and any provision of this chapter, the provisions of Section 93-11-157 or 93-11-163, as the case may be, shall control.

(4) Any liability of the athlete agent or the former student-athlete under this section is several and not joint.

(5) This chapter does not restrict rights, remedies or defenses of any person under law or equity.

SECTION 22. Section 73-42-33, Mississippi Code of 1972, is brought forward as follows:

73-42-33. The Secretary of State may assess a civil penalty against an athlete agent not to exceed Twenty-five Thousand Dollars (\$25,000.00) for a violation of this chapter.

SECTION 23. Section 73-42-34, Mississippi Code of 1972, is brought forward as follows:

73-42-34. (1) If the Secretary of State determines that a person has engaged in or is engaging in an act, practice, or course of business constituting a violation of this chapter or a rule adopted or order issued under this chapter, or that a person has materially aided or is materially aiding in an act, practice, or course of business constituting a violation of this chapter or a rule adopted or order issued under this chapter, then the secretary may:

(a) Issue an order directing the person to cease and desist from engaging in the act, practice, or course of business, or to take other action necessary or appropriate to comply with this chapter or any rule adopted or order issued under this chapter;

(b) Issue an order imposing an administrative penalty against an athlete agent who violated any provision of this chapter or any rule adopted or order issued under this chapter; and

(c) Take any other action authorized under the provisions of this chapter.

(2) An order issued under subsection (1) of this section is effective on the date of its issuance. Upon the order's issuance, the Secretary of State shall promptly serve each person subject to the order with a copy of the order and a notice that the order has been entered. The order must include a statement of any civil penalty or other administrative remedy to be imposed under subsection (1) of this section, a statement of the costs of investigation that the secretary will seek to recover, a statement of the reasons for the order, and a statement notifying the person of his or her right to a hearing under Section 73-42-13. If a person subject to the order does not request a hearing in writing within thirty (30) days of the date of the order and none is ordered by the hearing officer, then the order, including the imposition of a civil penalty or requirement for payment of the costs of investigation, shall become final as to that person by operation of law.

(3) In a final order, the secretary may charge the actual cost of an investigation or proceeding for a violation of this chapter or a rule adopted or order issued under this chapter.

(4) If a petition for judicial review of a final order is not filed in accordance with Section 73-42-37, or the petition is denied by the court, the secretary may file a certified copy of the final order with the clerk of a court in the jurisdiction where enforcement will be sought. The order so filed has the same effect as a judgment of the court and may be recorded, enforced, or satisfied in the same manner as a judgment of the court.

(5) If a person does not comply with an order issued under this section, the secretary may petition a court of competent jurisdiction to enforce the order and collect administrative civil penalties and costs imposed under the final order. The court may not require the secretary to post a bond in an action or proceeding under this section. If the court finds, after service and opportunity for hearing, that the person did not comply with the order, the court may adjudge the person in civil contempt of the order. The court may grant any relief the court determines is just and proper in the circumstances.

(6) Any person aggrieved by a final order of the secretary may obtain a review of the order in the circuit court of the county of residence of the athlete agent, the student-athlete, or the public or private college, university, community or junior college in the state that issued an athletic scholarship to the student-athlete, by filing within thirty (30) days after the entry of the order, a written petition praying that the order be modified or set aside, in whole or in part. A copy of the petition shall be served upon the secretary, and the secretary shall certify and file with the court a copy of the record and evidence upon which the order was entered. When these have been filed, the court has exclusive jurisdiction to affirm, modify, enforce or set aside the order, in whole or in part. The findings of the secretary as to the facts, if supported by competent material and substantial evidence, are conclusive. The beginning of proceedings under this subsection does not operate as a stay of the secretary's order, unless specifically ordered by the court.

SECTION 24. Section 73-42-35, Mississippi Code of 1972, is brought forward as follows:

SECTION 27. This act shall take effect and be in force from and after July 1, 2022, and shall stand repealed on June 30, 2022.

SECTION 1. Section 37-101-15, Mississippi Code of 1972, is amended as follows:

37-101-15. (a) The Board of Trustees of State Institutions of Higher Learning shall succeed to and continue to exercise control of all records, books, papers, equipment, and supplies, and all lands, buildings, and other real and personal property belonging to or assigned to the use and benefit of the board of trustees formerly supervising and controlling the institutions of higher learning named in Section 37-101-1. The board shall have and exercise control of the use, distribution and disbursement of all funds, appropriations and taxes, now and hereafter in possession, levied and collected, received, or appropriated for the use, benefit, support, and maintenance or capital outlay expenditures of the institutions of higher learning, including the authorization of employees to sign vouchers for the disbursement of funds for the various institutions, except where otherwise specifically provided by law.

(b) The board shall have general supervision of the affairs of all the institutions of higher learning, including the departments and the schools thereof. The board shall have the power in its discretion to determine who shall be privileged to enter, to remain in, or to graduate therefrom. The board shall have general supervision of the conduct of libraries and laboratories, the care of dormitories, buildings, and grounds; the business methods and arrangement of accounts and records; the organization of the administrative plan of each institution; and all other matters incident to the proper functioning of the institutions. The board shall have the authority to establish minimum standards of achievement as a prerequisite for entrance into any of the institutions under its jurisdiction, which standards need not be uniform between the various institutions and which may be based upon such criteria as the board may establish.

(c) The board shall exercise all the powers and prerogatives conferred upon it under the laws establishing and providing for the operation of the several institutions herein specified. The board shall adopt such bylaws and regulations from time to time as it deems expedient for the proper supervision and control of the several institutions of higher learning, insofar as such bylaws and regulations are not repugnant to the Constitution and laws, and not inconsistent with the object for which these institutions were established. The board shall have power and authority to prescribe rules and regulations for policing the campuses and all buildings of the respective institutions, to authorize the arrest of all persons violating on any campus any criminal law of the state, and to have such law violators turned over to the civil authorities.

(d) For all institutions specified herein, the board shall provide a uniform system of recording and of accounting approved by the State Department of Audit. The board shall annually prepare, or cause to be prepared, a budget for each institution of higher learning for the succeeding year which must be prepared and in readiness for at least thirty (30) days before the convening of the regular session of the Legislature. All relationships and negotiations between the State Legislature and its various committees and the institutions named herein shall be carried on through the board of trustees. No official, employee or agent representing any of the separate institutions shall appear before the Legislature or any committee thereof except upon the written order of the board or upon the request of the Legislature or a committee thereof.

(e) For all institutions specified herein, the board shall prepare an annual report to the Legislature setting forth the disbursements of all monies appropriated to the respective institutions. Each report to the Legislature shall show how the money appropriated to the several institutions has been expended, beginning and ending with the fiscal years of the institutions, showing the name of each teacher, officer, and employee, and the salary paid

each, and an itemized statement of each and every item of receipts and expenditures. Each report must be balanced, and must begin with the former balance. If any property belonging to the state or the institution is used for profit, the reports shall show the expense incurred in managing the property and the amount received therefrom. The reports shall also show a summary of the gross receipts and gross disbursements for each year and shall show the money on hand at the beginning of the fiscal period of the institution next preceding each session of the Legislature and the necessary amount of expense to be incurred from said date to January 1 following. The board shall keep the annual expenditures of each institution herein mentioned within the income derived from legislative appropriations and other sources, but in case of emergency arising from acts of providence, epidemics, fire or storm with the written approval of the Governor and by written consent of a majority of the senators and of the representatives it may exceed the income. The board shall require a surety bond in a surety company authorized to do business in this state of every employee who is the custodian of funds belonging to one or more of the institutions mentioned herein, which bond shall be in a sum to be fixed by the board in an amount that will properly safeguard the said funds, the premium for which shall be paid out of the funds appropriated for said institutions.

(f) The board shall have the power and authority to elect the heads of the various institutions of higher learning and to contract with all deans, professors, and other members of the teaching staff, and all administrative employees of said institutions for a term not exceeding four (4) years. The board shall have the power and authority to terminate any such contract at any time for malfeasance, inefficiency, or contumacious conduct, but never for political reasons. It shall be the policy of the board to permit the executive head of each institution to nominate for election by the board all subordinate employees of the institution over which he presides. It shall be the policy of the board to elect all officials for a definite tenure of service and to reelect during the period of satisfactory service. The board shall have the power to make any adjustments it thinks necessary between the various departments and schools of any institution or between the different institutions.

(g) The board shall keep complete minutes and records of all proceedings which shall be open for inspection by any citizen of the state.

(h) The board shall have the power to enter into an energy performance contract, energy services contract, on a shared-savings, lease or lease-purchase basis, for energy efficiency services and/or equipment as prescribed in Section 31-7-14.

(i) The Board of Trustees of State Institutions of Higher Learning, for and on behalf of Jackson State University, is hereby authorized to convey by donation or otherwise easements across portions of certain real estate located in the City of Jackson, Hinds County, Mississippi, for right-of-way required for the Metro Parkway Project.

(j) In connection with any international contract between the board or one (1) of the state's institutions of higher learning and any party outside of the United States, the board or institution that is the party to the international contract is hereby authorized and empowered to include in the contract a provision for the resolution by arbitration of any controversy between the parties to the contract relating to such contract or the failure or refusal to perform any part of the contract. Such provision shall be valid, enforceable and irrevocable without regard to the justiciable character of the controversy. Provided, however, that in the event either party to such contract initiates litigation against the other with respect to the contract, the arbitration provision shall be deemed waived unless asserted as a defense on or before the responding party is required to answer such litigation.

(k) The Board of Trustees of State Institutions of Higher Learning ("board"), on behalf of any institution under its jurisdiction, shall purchase and maintain business property insurance and business personal property insurance on all university-owned buildings and/or contents as required by federal law and regulations of the Federal

Emergency Management Agency (FEMA) as is necessary for receiving public assistance or reimbursement for repair, reconstruction, replacement or other damage to those buildings and/or contents caused by the Hurricane Katrina Disaster of 2005 or subsequent disasters. The board is authorized to enter into agreements with the Department of Finance and Administration, local school districts, community/junior college districts, community hospitals and/or other state agencies to pool their liabilities to participate in a group business property and/or business personal property insurance program, subject to uniform rules and regulations as may be adopted by the Department of Finance and Administration.

(l) The Board of Trustees of State Institutions of Higher Learning, or its designee, may approve the payment or reimbursement of reasonable travel expenses incurred by candidates for open positions at the board's executive office or at any of the state institutions of higher learning, when the job candidate has incurred expenses in traveling to a job interview at the request of the board, the Commissioner of Higher Education or a state institution of higher learning administrator.

(ii) Additionally, the board is authorized to oversee, administer and approve contracts for the construction and maintenance of buildings and other facilities of the state institutions of higher learning, including related contracts for architectural and engineering services, which are funded in whole or in part by general obligation bonds of the State of Mississippi at institutions designated annually by the board as being capable to procure and administer all such contracts. Prior to the disbursement of funds, an agreement for each project between the institution and the Department of Finance and Administration shall be executed. The approval and execution of the agreement shall not be withheld by either party unless the withholding party provides a written, detailed explanation of the basis for withholding to the other party. The agreement shall stipulate the responsibilities of each party, applicable procurement regulations, documentation and reporting requirements, conditions prior to, and schedule of, disbursement of general obligation bond funds to the institution and provisions concerning handling any remaining general obligation bonds at the completion of the project. Such agreement shall not include provisions that constitute additional qualifications or criteria that act to invalidate the designation of an institution as capable of procuring and administering such project. Inclusion of any such provisions may be appealed to the Public Procurement Review Board. This subparagraph (ii) shall stand repealed from and after July 1, \*\*\* 2025.

## AMENDMENT NO. 1:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 27-7-22.40, Mississippi Code of 1972, is amended as follows:

27-7-22.40. (1) The following words and phrases shall have the meanings ascribed in this section unless the context clearly indicates:

(a) "Water transportation enterprise" means an

enterprise or establishment primarily engaged in providing inland water transportation of cargo on lakes, rivers and/or intracoastal waterways, except on the Great Lakes System.

(b) "Mississippi full-time job" means a job created in the State of Mississippi on or after January 1, 2019, and filled by a Mississippi resident who works at least thirty-five (35) hours per week.

(2) Subject to the provisions of this section, any water transportation enterprise is allowed a job tax credit for taxes imposed by this chapter equal to Two Thousand Dollars (\$2,000.00) annually for each Mississippi full-time job created for a period of five (5) years from the date the credit commences. A water transportation enterprise may not claim a tax credit for the reemployment of a person whose employment with the enterprise is terminated by the enterprise if the reemployment by the enterprise occurs within twelve (12) months from the date of the termination. The credit shall commence on the date selected by the enterprise. For the year in which the commencement date occurs, the credit will be determined based on the monthly average number of full-time employees employed by the water transportation enterprise in Mississippi full-time jobs subject to the Mississippi income tax withholding. For each year thereafter, the number of Mississippi full-time jobs shall be determined by comparing the monthly average number of full-time employees employed at the water transportation enterprise in Mississippi full-time jobs subject to the Mississippi income tax withholding for the taxable year with the corresponding period of the prior taxable year. The Department of Revenue shall adjust the credit allowed each year for employment fluctuations.

(3) The credit that may be used each year shall be limited to an amount not greater than the total state income tax liability of the water transportation enterprise. Any tax credit claimed under this section but not used in any taxable year may be carried forward for five (5) consecutive years from the close of the tax year in which the credits were earned.

(4) \*\*\* The sale, merger, acquisition, reorganization, bankruptcy or relocation from one (1) county to another county within the state of any water transportation enterprise may not create new eligibility in any succeeding business entity, but any unused job tax credit may be transferred and continued by any transferee of the water transportation enterprise. The Department of Revenue shall determine whether or not qualifying net increases or decreases have occurred or proper transfers of credit have been made and may require reports, promulgate regulations, and hold hearings as needed for substantiation and qualification.

(5) The credits allowed under this section shall not be used by any business enterprise or corporation other than the water transportation enterprise actually qualifying for the credits.

(6) The maximum aggregate amount of tax credits that may be claimed by all taxpayers claiming a credit under this section in a taxable year shall not exceed Two Million Dollars (\$2,000,000.00).

(7) Any water transportation enterprise that is eligible for the credit authorized in this section before January 1, \*\*\* 2026, shall be eligible for the credit authorized in this section, notwithstanding the repeal of this section, and shall be allowed to carry forward the credit after January 1, \*\*\* 2026, as provided for in subsection (3) of this section.

(8) This section shall be repealed from and after January 1, \*\*\* 2026.

SECTION 2. This act shall take effect and be in force from and after July 1, 2022, and shall stand repealed on June 30, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 27-7-22.40, MISSISSIPPI CODE OF 1972, WHICH AUTHORIZES AN INCOME TAX JOB CREDIT FOR ENTERPRISES THAT ARE PRIMARILY ENGAGED IN PROVIDING INLAND WATER TRANSPORTATION OF CARGO ON LAKES, RIVERS AND INTRACOASTAL WATERWAYS FOR EACH FULL-TIME EMPLOYEE EMPLOYED BY THE ENTERPRISE IN A MISSISSIPPI FULL-TIME JOB, TO EXTEND THE REPEALER ON THE CREDIT; AND FOR RELATED PURPOSES.

(l) The Hinds County Sheriff's Department handles more mental and drug and alcohol commitment cases than any other sheriff's department in the state;

(m) The Mississippi Department of Corrections maintains a restitution center within the county;

(n) The Mississippi Department of Corrections regularly houses as many as one hundred (100) state convicts within the Hinds County jail system; and

(o) The Hinds County Sheriff's Department is regularly asked to provide security services not only at the Fairgrounds and Memorial Stadium, but also for events at the Mississippi Museum of Art and Jackson City Auditorium.

(7) In addition to the salary provided for in subsection (1) of this section, the Board of Supervisors of Wilkinson County, in its discretion, may pay an annual supplement to the sheriff of the county in an amount not to exceed Ten Thousand Dollars (\$10,000.00). The Legislature finds and declares that the annual supplement authorized by this subsection is justified in such county because the Mississippi Department of Corrections contracts for the private incarceration of state inmates at a private correctional facility within the county.

(8) In addition to the salary provided for in subsection (1) of this section, the Board of Supervisors of Marshall County, in its discretion, may pay an annual supplement to the sheriff of the county in an amount not to exceed Ten Thousand Dollars (\$10,000.00). The Legislature finds and declares that the annual supplement authorized by this subsection is justified in such county because the Mississippi Department of Corrections contracts for the private incarceration of state inmates at a private correctional facility within the county.

(9) In addition to the salary provided in subsection (1) of this section, the Board of Supervisors of Greene County, in its discretion, may pay an annual supplement to the sheriff of the county in an amount not to exceed Ten Thousand Dollars (\$10,000.00). The Legislature finds and declares that the annual supplement authorized by this subsection is justified in such county for the following reasons:

(a) The Mississippi Department of Corrections operates and maintains the South Mississippi Correctional Facility within the county;

(b) In 1996, additional facilities to house another one thousand four hundred sixteen (1,416) male offenders were constructed at the South Mississippi Correctional Facility within the county; and

(c) The patrolling of the state properties located within the county has imposed additional duties on the sheriff justifying additional compensation.

(10) In addition to the salary provided in subsection (1) of this section, the board of supervisors of any county, in its discretion, may pay an annual supplement to the sheriff of the county in an amount not to exceed Ten Thousand Dollars (\$10,000.00). The amount of the supplement shall be spread on the minutes of the board. The annual supplement authorized in this subsection shall not be in addition to the annual supplements authorized in subsections (2) through (9).

(11) (a) The salaries provided in this section shall be payable monthly on the first day of each calendar month by chancery clerk's warrant drawn on the general fund of the county; however, the board of supervisors, by resolution duly adopted and entered on its minutes, may provide that such salaries shall be paid semimonthly on the first and fifteenth day of each month. If a pay date falls on a weekend or legal holiday, salary payments shall be made on the workday immediately preceding the weekend or legal holiday.

(b) At least Ten Dollars (\$10.00) from each fee collected and deposited into the county's general fund under the provisions of paragraphs (a), (c) and (g) of subsection

(1) of Section 25-7-19 shall be used for the sheriffs' salaries authorized in Section 25-3-25; as such Ten Dollar (\$10.00) amount was authorized during the 2007 Regular Session in Chapter 331, Laws of 2007, for the purpose of providing additional monies to the counties for sheriffs' salaries.

(12) (a) All sheriffs, each year, shall attend twenty (20) hours of continuing education courses in law enforcement. Such courses shall be approved by the Mississippi Board on Law Enforcement Officers Standards and Training. Such education courses may be provided by an accredited law enforcement academy or by the Mississippi Sheriffs' Association.

(b) The Mississippi Board on Law Enforcement Officers Standards and Training shall reimburse each county for the expenses incurred by sheriffs and deputy sheriffs for attendance at any approved training programs as required by this subsection.

SECTION 2. This act shall take effect and be in force from and after July 1, 2022, and shall stand repealed on June 30, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AMENDMENT NO. 1:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 67-1-41, Mississippi Code of 1972, is amended as follows:

67-1-41. (1) \*\*\* No person who is granted the right to sell, distribute or receive alcoholic beverages at retail shall purchase any alcoholic beverages from any source other than \*\*\* an authorized wholesaler except as authorized in subsections (4), (9) and (12) of this section. \*\*\* An authorized wholesaler may sell \*\*\* alcoholic beverages to authorized permittees within the state \*\*\* and to retail distributors operating within any military post \*\*\*, keeping a correct and accurate record of all such transactions \*\*\*.

(2) No person for the purpose of sale shall manufacture, distill, brew, sell, possess, export, transport, distribute, warehouse, store, solicit, take orders for, bottle, rectify, blend, treat, mix or process any alcoholic beverage except in accordance with authority granted under this chapter, or as otherwise provided by law for native wines or native spirits.

(3) No alcoholic beverage intended for sale or resale shall be imported, shipped or brought into this state for delivery to any person other than for delivery to a licensed wholesaler or as otherwise provided in this chapter, or as otherwise provided by law for native wines or native spirits.

(4) The department may promulgate rules and regulations which authorize on-premises retailers to purchase limited amounts of alcoholic beverages from package retailers and for package retailers to purchase limited amounts of alcoholic beverages from other package retailers. The department shall develop and provide forms to be completed by the on-premises retailers and the package retailers verifying the transaction. The completed forms shall be forwarded to the department within a period of time prescribed by the department.

(5) The department may promulgate rules which authorize the holder of a package retailer's permit to permit individual retail purchasers of packages of alcoholic beverages to return, for exchange, credit or refund, limited amounts of original sealed and unopened packages of alcoholic beverages purchased by the individual from the package retailer.

(6) The department shall maintain all forms to be completed by applicants necessary for licensure by the department at all district offices of the department.

(7) The department may promulgate rules which authorize the manufacturer of an alcoholic beverage or wine to import, transport and furnish or give a sample of alcoholic beverages or wines to the holders of package retailer's permits, on-premises retailer's permits, native wine or native spirit retailer's permits and temporary retailer's permits who have not previously purchased the brand of that manufacturer from the department. For each holder of the designated permits, the manufacturer may furnish not more than five hundred (500) milliliters of any brand of alcoholic beverage and not more than three (3) liters of any brand of wine.

(8) The department may promulgate rules disallowing open product sampling of alcoholic beverages or wines by the holders of package retailer's permits and permitting open product sampling of alcoholic beverages by the holders of on-premises retailer's permits. Permitted sample products shall be plainly identified "sample" and the actual sampling must occur in the presence of the manufacturer's representatives during the legal operating hours of on-premises retailers.

(9) The department may promulgate rules and regulations that authorize the holder of a research permit to import and purchase limited amounts of alcoholic beverages from importers, wineries \* \* \* , distillers of alcoholic beverages \* \* \* and from \* \* \* authorized wholesalers. The department shall develop and provide forms to be completed by the research permittee verifying each transaction. The completed forms shall be forwarded to the department within a period of time prescribed by the department. The records and inventory of alcoholic beverages shall be open to inspection at any time by the Director of the Alcoholic Beverage Control Division or any duly authorized agent.

(10) The department may promulgate rules facilitating a retailer's on-site pickup of alcoholic beverages sold by the department or as authorized by the department, including, but not limited to, native wines and native spirits, so that those alcoholic beverages may be delivered to the retailer at the manufacturer's location instead of via shipment from the department's warehouse.

(11) [Through June 30, 2023] This section shall not apply to alcoholic beverages authorized to be sold by the holder of a distillery retailer's permit or a festival wine permit.

(11) [From and after July 1, 2023] This section shall not apply to alcoholic beverages authorized to be sold by the holder of a distillery retailer's permit.

(12) (a) An individual resident of this state who is at least twenty-one (21) years of age may purchase wine from a winery and have the purchase shipped into this state so long as it is shipped to a package retailer permittee in Mississippi; however, the permittee shall pay to the department all taxes, fees and surcharges on the wine that are imposed upon the sale of wine shipped by the department. No credit shall be provided to the permittee for any taxes paid to another state as a result of the transaction. Package retailers may charge a service fee for receiving and handling shipments from wineries on behalf of the purchasers. The department shall develop and provide forms to be completed by the package retailer permittees verifying the transaction. The completed forms shall be forwarded to the department within a period of time prescribed by the department.

(b) The purchaser of wine that is to be shipped to a package retailer's store shall be required to get the prior approval of the package retailer before any wine is shipped to the package retailer. A purchaser is limited to no more than ten (10) cases of wine per year to be shipped to a package retailer. A package retailer shall notify a purchaser of wine within two (2) days after receiving the shipment of wine. If the purchaser of the wine does not pick up or take the wine from the package retailer within thirty (30)

days after being notified by the package retailer, the package retailer may sell the wine as part of his inventory.

(c) Shipments of wine into this state under this section shall be made by a duly licensed carrier. It shall be the duty of every common or contract carrier, and of every firm or corporation that shall bring, carry or transport wine from outside the state for delivery inside the state to package retailer permittees on behalf of consumers, to prepare and file with the department, on a schedule as determined by the department, of known wine shipments containing the name of the common or contract carrier, firm or corporation making the report, the period of time covered by said report, the name and permit number of the winery, the name and permit number of the package retailer permittee receiving such wine, the weight of the package delivered to each package retailer permittee, a unique tracking number, and the date of delivery. Reports received by the department shall be made available by the department to the public via the Mississippi Public Records Act process in the same manner as other state alcohol filings.

Upon the department's request, any records supporting the report shall be made available to the department within a reasonable time after the department makes a written request for such records. Any records containing information relating to such reports shall be kept and preserved for a period of two (2) years, unless their destruction sooner is authorized, in writing, by the department, and shall be open and available to inspection by the department upon the department's written request. Reports shall also be made available to any law enforcement or regulatory body in the state in which the railroad company, express company, common or contract carrier making the report resides or does business.

Any common or contract carrier that willfully fails to make reports, as provided by this section or any of the rules and regulations of the department for the administration and enforcement of this section, is subject to a notification of violation. In the case of a continuing failure to make reports, the common or contract carrier is subject to possible license suspension and revocation at the department's discretion.

(d) A winery that ships wine under this section shall be deemed to have consented to the jurisdiction of the courts of this state, of the department, of any other state agency regarding the enforcement of this section, and of any related law, rules or regulations.

(e) Any person who makes, participates in, transports, imports or receives a shipment in violation of this section is guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of One Thousand Dollars (\$1,000.00) or imprisonment in the county jail for not more than six (6) months, or both. Each shipment shall constitute a separate offense.

(13) If any provision of this chapter, or its application to any person or circumstance, is determined by a court to be invalid or unconstitutional, the remaining provisions shall be construed in accordance with the intent of the Legislature to further limit rather than expand commerce in alcoholic beverages to protect the health, safety, and welfare of the state's residents, and to enhance strict regulatory control over taxation, distribution and sale of alcoholic beverages through the three-tier regulatory system imposed by this chapter upon all alcoholic beverages to curb relationships and practices calculated to stimulate sales and impair the state's policy favoring trade stability and the promotion of temperance.

SECTION 2. The following shall be codified as Section 67-1-42, Mississippi Code of 1972:

67-1-42. (1) A retailer shall purchase all alcoholic beverages from an authorized wholesaler. Except as otherwise authorized, it shall be unlawful for any retailer to possess for purpose of sale, to sell, or to offer to sell any alcoholic beverages which were not

purchased from a wholesaler in this state who has a permit to sell and/or distribute such alcoholic beverages.

(2) It shall be unlawful for any wholesaler to possess for purpose of sale, to sell or to offer to sell any alcoholic beverages which were not purchased from a manufacturer authorized to sell alcoholic beverages in this state.

(3) Except as otherwise authorized, sales by wholesalers or manufacturers to persons who do not hold a permit are unlawful; and any wholesaler or manufacturer making such sales, or who sells any alcoholic beverages on which the tax provided by law has not been paid, shall, in addition to any other fines, penalties and forfeitures, be subject to a penalty of One Hundred Dollars (\$100.00) for each sale.

(4) It shall be the duty of every wholesaler of alcoholic beverages permitted under this chapter to file with the department, on or before the fifteenth day of each month, a report covering all sales of such alcoholic beverages during the preceding month. Such report shall show the names and post-office addresses for all persons to whom such alcoholic beverages have been sold or delivered and the quantities and invoice prices of the alcoholic beverages sold or delivered.

It shall be the duty of each retail dealer in such alcoholic beverages to procure from the wholesaler from whom such alcoholic beverages are purchased or acquired, invoices showing the quantity purchased or acquired, and the date of each delivery thereof. Such invoices shall be preserved by the retailer and shall be open for inspection by the department for a period of three (3) years.

(5) The wholesaler shall be allowed credit for tax paid on alcoholic beverages which are no longer marketable and which are destroyed by same when such destruction is witnessed by an agent of the department and when the amount of the excise tax exceeds One Hundred Dollars (\$100.00). No other loss will be allowed.

(6) If any person shall willfully evade the payment of any tax levied or imposed under this article, he shall be guilty of a felony, and, upon conviction, shall be punished by a fine of not more than One Thousand Dollars (\$1,000.00) or by imprisonment in the State Penitentiary for not less than one (1) year, nor more than ten (10) years, or by both such fine and imprisonment.

(7) It shall be unlawful for any person to transport from any point outside of this state to any point within this state, any alcoholic beverages except for delivery to a licensed wholesaler in this state; and except by common carrier. The commissioner may, however, upon application of a licensed wholesaler in this state, and under rules and regulations duly promulgated by him, issue a permit for the transportation by a licensed wholesaler of alcoholic beverages in trucks owned by such licensee, from without the state to the place of business of such licensee within the state, for distribution by said licensee. Such permit shall be granted for a specified period, not to exceed one (1) year.

(8) A wholesaler shall sell and deliver alcoholic beverages at uniform prices throughout the state; however, a wholesaler may provide volume or bulk price discounts provided that such discounts are made available to and provided to all retailers.

(9) No alcoholic beverages shall be delivered to a retailer other than alcoholic beverages that have been stored or warehoused for no less than forty-eight (48) hours at a premise in this state owned, rented or leased by a wholesaler.

(10) (a) No wholesaler may sell and no retailer may purchase alcoholic beverages except for cash or on terms requiring payment by the retailer in accordance with paragraph (b) of this subsection (10). A wholesaler who accepts a check or draft as payment from a retailer for the purchase of alcoholic beverages must deposit the check

or draft in the bank for payment or present the check or draft for payment within five (5) business days after it is received.

(b) On purchases made from the first through the fifteenth day of a month, payment must be made on or before the twenty-fifth day of that month. On purchases made on the sixteenth day through the last day of a month, payment must be made on or before the tenth day of the following month. An account is not delinquent if payment is received by the wholesaler not later than the fourth business day after the date payment is due under this paragraph (b).

(c) Each delivery of alcoholic beverages shall be accompanied by an invoice giving the date of purchase. If a retailer becomes delinquent in the payment of an account for alcoholic beverages, the wholesaler immediately shall report that fact in writing, including by electronic mail or facsimile transmission, to the department. A wholesaler may not sell any alcoholic beverages to a retailer who is delinquent until the delinquent account is paid in full and cleared from the records of the department, provided that sales to delinquent retailers can be made on a cash on delivery basis. An account becomes delinquent if it is not paid when it is required to be paid under paragraph (b) of this subsection (10).

(d) The department may not accept the voluntary cancellation or suspension of a permit or allow a permit to be renewed or transferred if the permit holder is delinquent in the payment of an account for alcoholic beverages under this subsection (10). A person whose permit is canceled by the department or whose permit has expired is not eligible to hold any other permit or license under this chapter until the person has cured any delinquency of the person under this section.

(e) It shall be unlawful for a wholesaler to accept a postdated check, a note or memorandum, or participate in a manner to assist a retailer in the violation of this subsection (10).

(f) Nothing in this subsection (10) shall require a wholesaler to make sales to a retailer on a credit basis. A wholesaler may at any time require that sales be made on a cash on delivery basis.

SECTION 3. Section 67-1-37, Mississippi Code of 1972, is amended as follows:

67-1-37. The Department of Revenue, under its duties and powers with respect to the Alcoholic Beverage Control Division therein, shall have the following powers, functions and duties:

(a) To issue or refuse to issue any permit provided for by this chapter, or to extend the permit or remit in whole or any part of the permit monies when the permit cannot be used due to a natural disaster or act of God.

(b) To revoke, suspend or cancel, for violation of or noncompliance with the provisions of this chapter, or the law governing the production and sale of native wines or native spirits, or any lawful rules and regulations of the department issued hereunder, or for other sufficient cause, any permit issued by it under the provisions of this chapter. The department shall also be authorized to suspend the permit of any permit holder for being out of compliance with an order for support, as defined in Section 93-11-153. The procedure for suspension of a permit for being out of compliance with an order for support, and the procedure for the reissuance or reinstatement of a permit suspended for that purpose, and the payment of any fees for the reissuance or reinstatement of a permit suspended for that purpose, shall be governed by Section 93-11-157 or Section 93-11-163, as the case may be. If there is any conflict between any provision of Section 93-11-157 or Section 93-11-163 and any provision of this chapter, the provisions of Section 93-11-157 or Section 93-11-163, as the case may be, shall control.

(c) To prescribe forms of permits and applications for permits and of all reports which it deems necessary in administering this chapter.

(d) To fix standards, not in conflict with those prescribed by any law of this state or of the United States, to secure the use of proper ingredients and methods of manufacture of alcoholic beverages.

(e) To issue rules regulating the advertising of alcoholic beverages in the state in any class of media and permitting advertising of the retail price of alcoholic beverages.

(f) To issue reasonable rules and regulations, not inconsistent with the federal laws or regulations, requiring informative labeling of all alcoholic beverages offered for sale within this state and providing for the standards of fill and shapes of retail containers of alcoholic beverages; however, such containers shall not contain less than fifty (50) milliliters by liquid measure.

(g) Subject to the provisions of subsection (3) of Section 67-1-51, to issue rules and regulations governing the issuance of retail permits for premises located near or around schools, colleges, universities, churches and other public institutions, and specifying the distances therefrom within which no such permit shall be issued. The Alcoholic Beverage Control Division shall not issue a package retailer's or on-premises retailer's permit for the sale or consumption of alcoholic beverages in or on the campus of any public school, community or junior college, college or university.

(h) To adopt and promulgate, repeal and amend, such rules, regulations, standards, requirements and orders, not inconsistent with this chapter or any law of this state or of the United States, as it deems necessary to control the manufacture, importation, transportation, distribution, delivery and sale of alcoholic liquor, whether intended for beverage or nonbeverage use in a manner not inconsistent with the provisions of this chapter or any other statute, including the native wine and native spirit laws.

(i) To call upon other administrative departments of the state, county and municipal governments, county and city police departments and upon prosecuting officers for such information and assistance as it may deem necessary in the performance of its duties.

(j) To prepare and submit to the Governor during the month of January of each year a detailed report of its official acts during the preceding fiscal year ending June 30, including such recommendations as it may see fit to make, and to transmit a like report to each member of the Legislature of this state upon the convening thereof at its next regular session.

(k) To inspect, or cause to be inspected, any premises where alcoholic liquors intended for sale are manufactured, stored, distributed or sold, and to examine or cause to be examined all books and records pertaining to the business conducted therein.

(l) To investigate the administration of laws in relation to alcoholic liquors in this and other states and any foreign countries, and to recommend from time to time to the Governor and through him to the Legislature of this state such amendments to this chapter, if any, as it may think desirable.

(m) To designate hours and days when alcoholic beverages may be sold in different localities in the state which permit such sale.

(n) To assign employees to posts of duty at locations where they will be most beneficial for the control of alcoholic beverages and to take any other action

concerning persons employed under this chapter as authorized by law and taken in accordance with the rules, regulations and procedures of the State Personnel Board.

(o) To enforce the provisions made unlawful by Chapter 3, Title 67 and Section 97-5-49.

(p) To delegate its authority under this chapter to the Alcoholic Beverage Control Division, its director or any other officer or employee of the department that it deems appropriate.

(q) To prescribe and charge a fee to defray the costs of shipping alcoholic beverages, provided that such fee is determined in a manner provided by the department by rules and/or regulations adopted in accordance with the Mississippi Administrative Procedures Law. This paragraph (q) shall stand repealed on January 1, 2023.

SECTION 4. Section 67-1-43, Mississippi Code of 1972, is amended as follows:

67-1-43. Any authorized retail \*\*\* permittee who shall purchase or receive intoxicating liquor from any source except from \*\*\* an authorized wholesaler, unless authorized by rules and regulations of the department promulgated under Section 67-1-41, shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not less than Five Hundred Dollars (\$500.00), nor more than Two Thousand Dollars (\$2,000.00), to which may be added imprisonment in the county jail for not more than six (6) months. Any authorization of such person to sell intoxicating beverages may be revoked as provided by law.

SECTION 5. Section 67-1-45, Mississippi Code of 1972, is amended as follows:

67-1-45. No manufacturer, rectifier or distiller of alcoholic beverages shall sell or attempt to sell any such alcoholic beverages, except malt liquor, within the State of Mississippi, except to \*\*\* an authorized wholesaler, or as provided in Section 67-1-41, or pursuant to Section 67-1-51. A producer of native wine or native spirit may sell native wines or native spirits, respectively, to \*\*\* an authorized wholesaler or to consumers at the location of the native winery or native distillery or its immediate vicinity. For the purposes of this section, "authorized wholesaler" does not include package retail permittees who resell alcoholic beverages at wholesale to other permittees. Such package retail permittees may only purchase alcoholic beverages as otherwise authorized by this chapter.

Any violation of this section by any manufacturer, rectifier or distiller shall be punished by a fine of not less than Five Hundred Dollars (\$500.00), and not more than Two Thousand Dollars (\$2,000.00), to which may be added imprisonment in the county jail not to exceed six (6) months.

SECTION 6. Section 67-1-47, Mississippi Code of 1972, is amended as follows:

67-1-47. All distillers or distributors having contracts with \*\*\* any authorized wholesaler for the sale of alcoholic beverages \*\*\* throughout the state, before making delivery of any merchandise to the \*\*\* wholesaler, shall register with the Secretary of State giving their name, address, name of all local agents and any other pertinent information which may be required by the Secretary of State and appointing an agent for the service of process within the State of Mississippi.

SECTION 7. Section 67-1-49, Mississippi Code of 1972, is amended as follows:

67-1-49. All distillers or distributors having contracts with the \*\*\* any authorized wholesaler for the sale of alcoholic beverages \* \* \* throughout the state, shall, on or before February 1st of each year, file a statement, under oath, with the \*\*\* Department of Revenue and with the Secretary of State, listing the names and addresses of each person,

firm or corporation in Mississippi to whom or which said distiller or distributor shall have paid or agreed to pay any fee, retainer, salary, or remuneration, during the preceding year, together with a statement of the purpose for such payment. Failure to file such statement shall constitute grounds for the commission to suspend the right of the distiller or distributor to sell to said commission until such time as said statement shall be filed.

SECTION 8. Section 67-1-51, Mississippi Code of 1972, is amended as follows:

67-1-51. (1) Permits which may be issued by the department shall be as follows:

(a) Manufacturer's permit. A manufacturer's permit shall permit the manufacture, importation in bulk, bottling and storage of alcoholic liquor and its distribution and sale to manufacturers holding permits under this chapter in this state and to persons outside the state who are authorized by law to purchase the same, and to sell as provided by this chapter.

Manufacturer's permits shall be of the following classes:

Class 1. Distiller's and/or rectifier's permit, which shall authorize the holder thereof to operate a distillery for the production of distilled spirits by distillation or redistillation and/or to operate a rectifying plant for the purifying, refining, mixing, blending, flavoring or reducing in proof of distilled spirits and alcohol.

Class 2. Wine manufacturer's permit, which shall authorize the holder thereof to manufacture, import in bulk, bottle and store wine or vinous liquor.

Class 3. Native wine producer's permit, which shall authorize the holder thereof to produce, bottle, store and sell native wines.

Class 4. Native spirit producer's permit, which shall authorize the holder thereof to produce, bottle, store and sell native spirits.

(b) Package retailer's permit. Except as otherwise provided in this paragraph and Section 67-1-52, a package retailer's permit shall authorize the holder thereof to operate a store exclusively for the sale at retail in original sealed and unopened packages of alcoholic beverages, including native wines and native spirits, not to be consumed on the premises where sold. Alcoholic beverages shall not be sold by any retailer in any package or container containing less than fifty (50) milliliters by liquid measure. A package retailer's permit, with prior approval from the department, shall authorize the holder thereof to sample new product furnished by a manufacturer's representative or his employees at the permitted place of business so long as the sampling otherwise complies with this chapter and applicable department regulations. Such samples may not be provided to customers at the permitted place of business. In addition to the sale at retail of packages of alcoholic beverages, the holder of a package retailer's permit is authorized to sell at retail corkscrews, wine glasses, soft drinks, ice, juices, mixers and other beverages commonly used to mix with alcoholic beverages. Nonalcoholic beverages sold by the holder of a package retailer's permit shall not be consumed on the premises where sold.

(3) When an application for any permit, other than for renewal of a permit, has been rejected by the department, such decision shall be final. (4) The number of permits issued by the department shall not be restricted or limited on a population basis; however, the foregoing limitation shall not be construed to preclude the right of the department to refuse to issue a permit because of the undesirability of the proposed location.

(5) If any person shall engage or continue in any business which is taxable under this section without having paid the tax as provided in this section, the person shall be liable for the full amount of the tax plus a penalty thereon equal to the amount thereof, and, in addition, shall be punished by a fine of not more than One Thousand Dollars (\$1,000.00), or by imprisonment in the county jail for a term of not more than six (6) months, or by both such fine and imprisonment, in the discretion of the court.

This tax shall be in addition to any and all taxes otherwise imposed under this title.

(3) The taxes imposed by this section shall be paid to the department monthly on or before the fifteenth day of the month following the month in which the sales were made by a wholesaler. Monthly report forms shall be furnished by the commissioner to the wholesalers.

SECTION 11. Section 27-71-9, Mississippi Code of 1972, is amended as follows:

27-71-9. The \*\*\* department may promulgate regulations authorizing persons holding on premises retailer's permits for common carriers, as provided herein, to file

Such tax shall not be less than an amount equivalent to the gross profit plus all taxes that would have been derived from the sale of a like quantity of alcoholic beverages by the \* \* \* wholesaler.

SECTION 12. Section 27-71-11, Mississippi Code of 1972, is amended as follows:

27-71-11. The \* \* \* department shall from time to time by resolution request the State Bond Commission to provide sufficient funds required to maintain an adequate alcoholic beverage inventory. Said funds shall be provided under the provisions of Chapter 557, Laws of 1966.

Through June 30, 2023, the department may take any action necessary to dispose of its inventory by allowing suppliers and/or other entities with products in the inventory to remove their products from the inventory.

This section shall stand repealed on July 1, 2023.

SECTION 13. Section 27-71-13, Mississippi Code of 1972, is amended as follows:

27-71-13. The \* \* \* department shall purchase directly from the manufacturer, except under the following conditions:

(a) Foreign brands which are not readily obtainable directly from the manufacturer.

(b) When the \* \* \* department can conclusively prove that unusual or extraordinary circumstances exist and the required or desired brands can be purchased at substantially lower prices from wholesalers or brokerage firms.

In all instances involving purchases, other than directly from the manufacturer, the \* \* \* department shall maintain full and complete records clearly reflecting the justification for such purchases. Said records shall include invoices, price lists, comparative prices, bills of lading and a certificate of justification signed by the director of the Alcoholic Beverage Control Division, as to the conditions requiring the purchase or purchases. All such records shall be retained for a period of three (3) years.

Such seal shall remain unbroken until the vehicle shall reach the place of business operated by the permittee. The operator of any vehicle transporting alcoholic beverages shall have in his possession an invoice issued by the \* \* \* wholesaler at the time of the wholesale sale covering the merchandise transported by the vehicle. The \* \* \* department is authorized to issue regulations controlling the transportation of alcoholic beverages.

When the restrictions imposed by this section and by the regulation of the \* \* \* department have not been violated, the person transporting alcoholic beverages through a county wherein the sale of alcoholic beverages is prohibited shall not be guilty of unlawful possession and such merchandise shall be immune from seizure.

SECTION 15. Section 27-71-17, Mississippi Code of 1972, is amended as follows:

27-71-17. It shall be unlawful for any person to counterfeit or reuse any label prescribed by the \*\*\* department and used to identify alcoholic beverages sold at wholesale by \*\*\* a wholesaler and, upon conviction, the person shall be punished by a fine of not more than Five Thousand Dollars (\$5,000.00), or by imprisonment in the State Penitentiary for not less than one (1) year, nor more than ten (10) years, or both.

SECTION 16. Section 27-71-21, Mississippi Code of 1972, is amended as follows:

27-71-21. Before any person shall engage in the business of manufacturing, wholesaling or retailing of alcoholic beverages, he may be required to enter into a bond payable to the State of Mississippi, conditioned that he will conduct said business strictly in accordance with the laws of the State of Mississippi, and that he will comply with the rules and regulations prescribed by the department, and pay all taxes due the State of Mississippi. The only securities allowable for this purpose are those which may legally be purchased by a bank or for trust funds, having a market value not less than that of the required bond. The department shall file notice with the Treasurer for any violation of the conditions of the cash or security deposit.

SECTION 17. Section 27-71-25, Mississippi Code of 1972, is amended as follows:

27-71-25. Any person engaged in the business of selling or distributing alcoholic beverages shall keep such records and make such reports with respect to the receipt, distribution and sale of alcoholic beverages as the \*\*\* department may require. 27-71-29. All taxes levied by this article shall be paid to the Department of Revenue in cash or by personal check, cashier's check, bank exchange, post office money order or express money order and shall be deposited by the department in the State Treasury on the same day collected, but no remittances other than cash shall be a final discharge of liability for the tax herein imposed and levied unless and until it has been paid in cash to the department.

All taxes levied under Section 27-71-7 \*\*\* and received by the department under this article shall be paid into the General Fund, \*\*\* except that sixteen and six hundred sixty-seven one-thousandths percent (16.667%) of the revenue derived from taxes levied under Section 27-71-7(2) shall be deposited into the Mental Health Programs Fund. \*\*\*

(2) There is levied and assessed an excise tax upon each case of native wine sold by a producer to any source to be collected from the producer in the amount provided for in Section 27-71-7. However, native wine produced in Mississippi for export and sale without this state and native wine produced in Mississippi and sold to the \* \* \* an authorized wholesaler shall not be subject to the excise tax, nor shall the tax accrue or be collected on native wines dispensed, as free samples in quantities of not more than six (6) ounces, in the tasting room of a native winery.

(3) The privilege tax imposed by subsection (1) of this section shall be collected in the same manner as presently provided by law for the collection of other alcoholic beverages. The excise tax imposed by subsection (2) of this section shall be reported monthly by the producer to the \* \* \* department on all sales made in Mississippi to consumers at the location of the native winery or its immediate vicinity, along with a statement of gallonage produced during that month, and the producer shall remit the tax due and owing with each report. The producer shall also include in the report a statement of gallonage sold and exported for sale outside this state.

(4) All taxes levied by and collected under this section shall be deposited in the General Fund.

SECTION 20. This act shall take effect and be in force from and after January 1, 2023.

Senator Fillingane called up the following House Amendment to **S. B. No. 2263** and moved that the Senate decline to concur in the Amendment, and invite conference, and the motion prevailed.

AMENDMENT NO. 1:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 93-17-3, Mississippi Code of 1972, is amended as follows:

93-17-3. (1) Except as otherwise provided in this section, a court of this state has jurisdiction over a proceeding for the adoption or readoption of a minor commenced under this chapter if:

(a) Immediately before commencement of the proceeding, the minor lived in this state with a parent, a guardian, a prospective adoptive parent or another person acting as parent, for at least six (6) consecutive months, excluding periods of temporary absence, or, in the case of a minor under six (6) months of age, lived in this state from soon after birth with any of those individuals and there is available in this state substantial evidence concerning the minor's present or future care;

(b) Immediately before commencement of the proceeding, the prospective adoptive parent lived in this state for at least six (6) consecutive months, excluding periods of temporary absence, and there is available in this state substantial evidence concerning the minor's present or future care;

(c) The agency that placed the minor for adoption is licensed in this state and it is in the best interest of the minor that a court of this state assume jurisdiction because:

(i) The minor and the minor's parents, or the minor and the prospective adoptive parent, have a significant connection with this state; and

(ii) There is available in this state substantial evidence concerning the minor's present or future care;

(d) The minor and the prospective adoptive parent or parents are physically present in this state and the minor has been abandoned or it is necessary in an emergency to protect the minor because the minor has been subjected to or threatened with mistreatment or abuse or is otherwise neglected, and the prospective adoptive parent or parents, if not residing in Mississippi, have completed and provided the court with a satisfactory Interstate Compact for Placement of Children (ICPC) home study and accompanying forms;

(e) It appears that no other state would have jurisdiction under prerequisites substantially in accordance with paragraphs (a) through (d), or another state has declined to exercise jurisdiction on the ground that this state is the more appropriate forum to hear a petition for adoption of the minor, and it is in the best interest of the minor that a court of this state assume jurisdiction; or

(f) The child has been adopted in a foreign country, the agency that placed the minor for adoption is licensed in this state, and it is in the best interest of the child to be readopted in a court of this state having jurisdiction.

(2) A court of this state may not exercise jurisdiction over a proceeding for adoption of a minor if, at the time the petition for adoption is filed, a proceeding concerning the custody or adoption of the minor is pending in a court of another state exercising jurisdiction substantially in conformity with the Uniform Child Custody Jurisdiction Act or this section unless the proceeding is stayed by the court of the other state.

(3) If a court of another state has issued a decree or order concerning the custody of a minor who may be the subject of a proceeding for adoption in this state, a court of this state may not exercise jurisdiction over a proceeding for adoption of the minor unless:

(a) The court of this state finds that the court of the state which issued the decree or order:

(i) Does not have continuing jurisdiction to modify the decree or order under jurisdictional prerequisites substantially in accordance with the Uniform Child Custody Jurisdiction Act or has declined to assume jurisdiction to modify the decree or order; or

(ii) Does not have jurisdiction over a proceeding for adoption substantially in conformity with subsection (1)(a) through (d) or has declined to assume jurisdiction over a proceeding for adoption; and

(b) The court of this state has jurisdiction over the proceeding.

(4) Any person may be adopted in accordance with the provisions of this chapter in term time or in vacation by an unmarried adult, by a married person whose spouse joins in the petition, by a married person whose spouse does not join in the petition because such spouse does not cohabit or reside with the petitioning spouse, and in any circumstances determined by the court that the adoption is in the best interest of the child. Only the consenting adult will be a legal parent of the child. The adoption shall be by sworn petition filed in the chancery court of the county in which the adopting petitioner or petitioners reside or in which the child to be adopted resides or was born, or was found when it was abandoned or deserted, or in which the home is located to which the child has been surrendered by a person authorized to so do. The petition shall be accompanied by a doctor's or nurse practitioner's certificate showing the physical and mental condition of the child to be adopted and a sworn statement of all property, if any, owned by the child. In addition, the petition shall be accompanied by affidavits of the petitioner or petitioners stating the amount of the service fees charged by any adoption agencies or adoption

facilitators used by the petitioner or petitioners and any other expenses paid by the petitioner or petitioners in the adoption process as of the time of filing the petition. If the doctor's or nurse practitioner's certificate indicates any abnormal mental or physical condition or defect, the condition or defect shall not, in the discretion of the chancellor, bar the adoption of the child if the adopting parent or parents file an affidavit stating full and complete knowledge of the condition or defect and stating a desire to adopt the child, notwithstanding the condition or defect. The court shall have the power to change the name of the child as a part of the adoption proceedings. The word "child" in this section shall be construed to refer to the person to be adopted, though an adult.

(5) Adoption by couples of the same gender is prohibited.

(6) No person may be placed in the home of or adopted by the prospective adopting parties before a court-ordered or voluntary home study is satisfactorily completed by a licensed adoption agency, a licensed, experienced social worker approved by the chancery court, a court-appointed guardian ad litem that has knowledge or training in conducting home studies if so directed by the court, or by the Department of Human Services on the prospective adoptive parties if required by Section 93-17-11.

(7) No person may be adopted by a person or persons who reside outside the State of Mississippi unless the provisions of the Interstate Compact for Placement of Children (Section 43-18-1 et seq.) have been complied with. In such cases Forms 100A, 100B (if applicable) and evidence of Interstate Compact for Placement of Children approval shall be added to the permanent adoption record file within one (1) month of the placement, and a minimum of two (2) post-placement reports conducted by a licensed child-placing agency shall be provided to the Mississippi Department of Child Protection Services Interstate Compact for Placement of Children office.

(8) No person may be adopted unless the provisions of the Indian Child Welfare Act (ICWA) have been complied with, if applicable. When applicable, proof of compliance shall be included in the court adoption file prior to finalization of the adoption. If not applicable, a written statement or paragraph in the petition for adoption shall be included in the adoption petition stating that the provisions of ICWA do not apply before finalization.

(9) The readoption of a child who has automatically acquired United States citizenship following an adoption in a foreign country and who possesses a Certificate of Citizenship in accordance with the Child Citizenship Act, CAA, Public Law 106-395, may be given full force and effect in a readoption proceeding conducted by a court of competent jurisdiction in this state by compliance with the Mississippi Registration of Foreign Adoptions Act, Article 9 of this chapter.

(10) For adult adoptees who consent to the adoption, a chancellor may waive any of the petition requirements and procedural requirements within subsections (4), (6), (7), and (8) of this section.

SECTION 2. This act shall take effect and be in force from and after July 1, 2022, and shall stand repealed on June 30, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AMENDMENT NO. 1:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 23-15-813, Mississippi Code of 1972, is amended as follows:

23-15-813. (a) In addition to any other penalty permitted by law, the \* \* \* Secretary of State shall \* \* \* assess a civil penalty against any candidate or political committee, as identified in Section 23-15-805(a), and any other political committee registered with the Secretary of State, who fails to file a campaign finance disclosure report as required under Sections 23-15-801 through 23-15-813, or Sections 23-17-47 through 23-17-53, or who shall file a report that fails to substantially comply with the requirements of Sections 23-15-801 through 23-15-813, or Sections 23-17-47 through 23-17-53, \* \* \* as follows:

(i) Within five (5) calendar days after any deadline for filing a report pursuant to Sections 23-15-801 through 23-15-813, or Sections 23-17-47 through 23-17-53, the Secretary of State shall compile a list of those candidates and political committees who have failed to file a report. \* \* \* The Secretary of State shall provide each candidate or political committee, who has failed to file a report, notice of the failure by first-class mail.

(ii) Beginning with the tenth calendar day after which any report is due, the \* \* \* Secretary of State shall assess the delinquent candidate and political committee a civil penalty of Fifty Dollars (\$50.00) for each day or part of any day until a valid report is delivered to the Secretary of State, up to a maximum of ten (10) days. In the discretion of the \* \* \* Secretary of State, the assessing of the fine may be waived, in whole or in part, if the \* \* \* Secretary of State determines that unforeseeable mitigating circumstances, such as the health of the candidate, interfered with the timely filing of a report. Failure of a candidate or political committee to receive notice of failure to file a report from the Secretary of State is not an unforeseeable mitigating circumstance, and failure to receive the notice shall not result in removal or reduction of any assessed civil penalty.

(iii) Filing of the required report and payment of the fine within ten (10) calendar days of notice by the Secretary of State that a required statement has not been filed constitutes compliance with Sections 23-15-801 through 23-15-813, or Sections 23-17-47 through 23-17-53.

(iv) Payment of the fine without filing the required report does not excuse or exempt any person from the filing requirements of Sections 23-15-801 through 23-15-813, and Sections 23-17-47 through 23-17-53.

(v) If any candidate or political committee is assessed a civil penalty, and the penalty is not subsequently waived by the \* \* \* Secretary of State, the candidate or political committee shall pay the fine to the \* \* \* Secretary of State within ninety (90) days of the date of the assessment of the fine. If, after one hundred twenty (120) days of the assessment of the fine the payment for the entire amount of the assessed fine has not been received by the \* \* \* Secretary of State, the \* \* \* Secretary of State shall notify the Attorney General of the delinquency, and the Attorney General shall file, where necessary, a suit to compel payment of the civil penalty.

(b) \* \* \* Within thirty (30) calendar days of the assessment of a fine by the Secretary of State, the candidate or political committee against whom the fine was assessed may appeal the decision of the Secretary of State to the Circuit Court for the First Judicial District of Hinds County in accordance with the applicable rules of the court.

Upon the adoption of any purchasing regulation, or an amendment, addition or elimination therein, copies of same shall be furnished to the State Auditor and to all agencies affected thereby. Thereafter, and except as otherwise may be provided in subsection (2) of this section, no agency of the state shall purchase any commodities covered by existing purchasing regulations unless such commodities be in conformity with the standards and specifications set forth in the purchasing regulations and unless the

price thereof does not exceed the maximum fair price established by such purchasing regulations. The Office of Purchasing, Travel and Fleet Management shall furnish to any county or municipality or other local public agency of the state requesting same, copies of purchasing regulations adopted by the Office of Purchasing, Travel and Fleet Management and any amendments, changes or eliminations of same that may be made from time to time.

(c) Pursuant to the provision of Section 37-61-33(3), the Office of Purchasing, Travel and Fleet Management of the Department of Finance and Administration, which by July 1 shall have received from the provider of procurement cards with whom it has contracted for such services, is authorized to issue procurement cards or credentials for a digital solution to all public school district classroom teachers, teachers employed by a university-based program, full- and part-time gifted and special education teachers and other necessary direct support personnel \* \* \* on August 1 before the beginning of the school year for the purchase of instructional supplies using Educational Enhancement Funds. The cards will be issued in equal amounts per teacher determined by the total number of qualifying personnel and the then current state appropriation for classroom instructional supplies under the Education Enhancement Fund. All purchases shall be in accordance with state law and teachers are responsible for verification of capital asset requirements when pooling monies to purchase equipment. All unexpended amounts remaining on procurement cards on December 31 shall expire on that date and returned to the fund for reallocation to STEM, arts and gifted teachers on January 31 of the second term of the school year. The Office of Purchasing, Travel and Fleet Management shall set a fee in an amount that recovers its costs to administer the Mississippi Purchasing Certification Program, which shall be assessed to the participating state agencies.

SECTION 2. Section 37-61-33, Mississippi Code of 1972, is amended as follows:

37-61-33. (1) There is created within the State Treasury a special fund to be designated the "Education Enhancement Fund" into which shall be deposited all the revenues collected pursuant to Sections 27-65-75(7) and (8) and 27-67-31(a) and (b).

(2) Of the amount deposited into the Education Enhancement Fund, Sixteen Million Dollars (\$16,000,000.00) shall be appropriated each fiscal year to the State Department of Education to be distributed to all school districts. Such money shall be distributed to all school districts in the proportion that the average daily attendance of each school district bears to the average daily attendance of all school districts within the state for the following purposes:

(a) Purchasing, erecting, repairing, equipping, remodeling and enlarging school buildings and related facilities, including gymnasiums, auditoriums, lunchrooms, vocational training buildings, libraries, teachers' homes, school barns, transportation vehicles (which shall include new and used transportation vehicles) and garages for transportation vehicles, and purchasing land therefor.

(b) Establishing and equipping school athletic fields and necessary facilities connected therewith, and purchasing land therefor.

(c) Providing necessary water, light, heating, air-conditioning and sewerage facilities for school buildings, and purchasing land therefor.

(d) As a pledge to pay all or a portion of the debt service on debt issued by the school district under Sections 37-59-1 through 37-59-45, 37-59-101 through 37-59-115, 37-7-351 through 37-7-359, 37-41-89 through 37-41-99, 37-7-301, 37-7-302 and 37-41-81, or debt issued by boards of supervisors for agricultural high schools pursuant to Section 37-27-65, if such pledge is accomplished pursuant to a written contract or resolution approved and spread upon the minutes of an official meeting of the district's school board or board of supervisors. The annual grant to such district in any subsequent year during the term of the resolution or contract shall not be reduced below an amount equal to the district's grant amount for the year in which the contract or resolution was adopted. The intent of this provision is to allow school districts to irrevocably pledge a certain, constant stream of revenue as security for long-term obligations issued under the code sections enumerated in this paragraph or as otherwise allowed by law. It is the intent of the Legislature that the provisions of this paragraph shall be cumulative and supplemental to any existing funding programs or other authority conferred upon school districts or school boards. Debt of a district secured by a pledge of sales tax revenue pursuant to this paragraph shall not be subject to any debt limitation contained in the foregoing enumerated code sections.

(3) The remainder of the money deposited into the Education Enhancement Fund shall be appropriated as follows:

(a) To the State Department of Education as follows:

(i) \* \* \* Twenty-six and twenty-two one-hundredths percent (26.22%) to the cost of the adequate education program determined under Section 37-151-7; of the funds generated by the percentage set forth in this section for the support of the adequate education program, one and one hundred seventy-eight one-thousandths percent (1.178%) of the funds shall be appropriated to be used by the State Department of Education for the purchase of textbooks to be loaned under Sections 37-43-1 through 37-43-59 to approved nonpublic schools, as described in Section 37-43-1. The funds to be distributed to each nonpublic school shall be in the proportion that the average daily attendance of each nonpublic school bears to the total average daily attendance of all nonpublic schools;

(ii) Seven and ninety-seven one-hundredths percent (7.97%) to assist the funding of transportation operations and maintenance pursuant to Section 37-19-23; and

(iii) \* \* \* Twenty-five Million Dollars (\$25,000,000.00) for classroom supplies, instructional materials and equipment, including computers and computer software, to be distributed to all eligible teachers within the state through the use of procurement cards or a digital solution capable of tracking, paying and reporting purchases. Classroom supply funds shall not be expended for administrative purposes. On or before \* \* \* June 15 of each year, local school districts shall determine and submit to the State Department of Education the number of teachers eligible to receive an allocation for the \* \* \* immediately subsequent school year. For purposes of this subparagraph, "teacher" means any employee of the school board of a school district, or the Mississippi School for the Arts, the Mississippi School for Math and Science, the Mississippi School for the Blind or the Mississippi School for the Deaf, who is required by law to obtain a teacher's license from the State Department of Education and who is assigned to an instructional area of work as defined by the department, and shall include any full- or part-time gifted or special education teacher and any teacher serving qualified students at a university-based program, but shall not include \* \* \* any other federally funded teacher. It is the intent of the Legislature that all classroom teachers shall utilize these funds in a manner that addresses individual classroom needs and supports the overall goals of the school regarding supplies, instructional materials, equipment, computers or computer software under the provisions of this subparagraph, including the type, quantity and quality of such supplies, materials and equipment. Classroom supply funds allocated under this subparagraph shall supplement, not replace, other local and state funds available for the same purposes. The State Board of Education shall develop and promulgate rules and regulations for the administration of this subparagraph consistent with the above criteria, with particular emphasis on allowing the individual teachers to expend funds as they deem appropriate. \* \* \* The local school board shall require each school to issue credentials for a digital solution selected by or procurement cards provided by the Department of Finance and Administration under the provisions of Section 31-7-9(1)(c) for the use of teachers, teacher employed by a university-based program, full- and part-time gifted and special education teachers and necessary support personnel in making instructional supply fund expenditures under this section, consistent with the regulations of the Mississippi Department of Finance and Administration pursuant to Section 31-7-9. \* \* \* The procurement cards, which shall have been provided to the Department of Finance and Administration from the vendor for such services by July 1, or credentials shall be issued \* \* \* on August 1 before the beginning of the school year and shall be issued in equal amounts per teacher determined by the total number of qualifying personnel and the current state appropriation for classroom supplies with the Education Enhancement Fund. All unexpended amounts remaining on procurement cards or in credentials on December 31 shall expire on that date and returned to the fund for reallocation to STEM, arts and gifted teachers on January 31 of the second term of the school year. \* \* \* Thereafter, the cards or credentials will expire on a predetermined date at the end of each school year. All unexpended amounts will be carried forward, combined

with the following year's allocation of Education Enhancement Fund instructional supplies funds and reallocated for the following year;

(b) Twenty-two and nine one-hundredths percent (22.09%) to the Board of Trustees of State Institutions of Higher Learning for the purpose of supporting institutions of higher learning; \* \* \*

(c) Fourteen and forty-one one-hundredths percent (14.41%) to the Mississippi Community College Board for the purpose of providing support to community and junior colleges \* \* \*; and

(d) One Million Two Hundred Thousand Dollars (\$1,200,000.00) to the University of Mississippi Medical Center for the establishment and administration of the Child Health and Developmental Promotion Fellowship within the Center for Advancement of Youth, for the purpose of providing post-graduate fellowships to individuals in various healthcare disciplines for training and education on serving children between zero (0) to six (6) years of age who are behaviorally and/or developmentally delayed.

(4) The amount remaining in the Education Enhancement Fund after funds are distributed as provided in subsections (2) and (3) of this section shall be appropriated for other educational needs.

(5) None of the funds appropriated pursuant to subsection (3)(a) of this section shall be used to reduce the state's General Fund appropriation for the categories listed in an amount below the following amounts:

(a) For subsection (3)(a)(ii) of this section, Thirty-six Million Seven Hundred Thousand Dollars (\$36,700,000.00);

(b) For the aggregate of minimum program allotments in the 1997 fiscal year, formerly provided for in Chapter 19, Title 37, Mississippi Code of 1972, as amended, excluding those funds for transportation as provided for in paragraph (a) of this subsection.

(6) Any funds appropriated from the Education Enhancement Fund that are unexpended at the end of a fiscal year shall lapse into the Education Enhancement Fund, except as otherwise provided in subsection (3)(a)(iii) of this section.

SECTION 3. This act shall take effect and be in force from and after July 1, 2022, and shall stand repealed on June 30, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

4. At least three (3) years of relevant teaching experience in the content area with performance-based evidence of educator effectiveness as determined by rules and regulations established by the State Board of Education; and

(v) Any other document required by the State Board of Education.

(b) Standard License - Nontraditional Teaching Route.

(i) From and after July 1, \*\*\* 2022, no teacher candidate shall be licensed to teach in Mississippi under the alternate route who did not meet the following criteria as established by the State Board of Education:

\*\*\*1. \*\*\* A qualifying passing ACT Score \*\*\* (or SAT equivalent); or

\*\*\*2. \*\*\* A qualifying passing score on the Praxis Core Academic Skills for Educators examination \*\*\*; or

\*\*\*3. A minimum GPA \*\*\* on coursework prior to admission to an approved teacher education program \*\*\*; and

4. From and after July 1, 2022, no teacher candidate shall be licensed to teach in Mississippi who did not meet the following criteria for demonstrating subject matter competency as approved by the State Board of Education:

a. A qualifying passing score on a content area assessment; or

b. An official score report evidencing an attempted content area assessment; and

c. Satisfactory completion of an approved teacher education program; and

d. At least three (3) years of relevant teaching experience in the content area with performance-based evidence of educator effectiveness as determined by rules and regulations established by the State Board of Education.

(ii) Beginning July 1, \*\*\* 2022, an individual who \*\*\* meets the requirements of this paragraph (b) may apply for admission to the Teach Mississippi Institute (TMI) program to teach students in Grades 7 through 12 \*\*\*. The State Board of Education shall adopt rules requiring that \*\*\* Educator Preparation Programs (EPPs) which provide the Teach Mississippi Institute (TMI) program for the preparation of

nontraditional teachers shall meet the standards and comply with the provisions of this paragraph.

\*\*\*1. The Teach Mississippi Institute (TMI) shall include \*\*\* nine-semester-hour summer program or a curriculum of study in which the student matriculates in the fall or spring semester, which shall include, but not be limited to, instruction in education, \*\*\* instruction in teaching strategies for students with disabilities, classroom management, state curriculum requirements, planning and instruction, instructional methods and pedagogy, using test results to improve instruction, and a \*\*\* two (2) semester \*\*\* six-hour supervised internship to be completed while the teacher is employed as a full-time teacher intern in a local school district. \*\*\* TMI courses \*\*\* may be offered at \*\*\* any EPP with a State Board of Education approved TMI program.

\*\*\*2. The school sponsoring the teacher intern shall enter into a written agreement with the \*\*\* EPP providing the Teach Mississippi Institute (TMI) program, under terms and conditions as agreed upon by the contracting parties, providing that the school district shall provide teacher interns seeking a nontraditional provisional teaching license with a one-year internship and classroom teaching experience. The teacher intern shall successfully complete the \*\*\* two (2) semester \*\*\* six-hour intensive internship in the school district during the \*\*\* year-long teaching experience.

\*\*\*3. Upon completion of the nine-semester-hour TMI or the fall or spring semester option, the individual shall submit his transcript to the commission for provisional licensure of the intern teacher, and the intern teacher shall be issued a provisional teaching license by the commission, which will allow the individual to legally serve as a teacher while the person completes a nontraditional teacher preparation internship program.

\*\*\*4. During the semesters of internship in the school district, the \*\*\* EPP and school district shall monitor the performance of the intern teacher. The school district that employs the provisional teacher shall supervise the provisional teacher during the teacher's intern year of employment under a nontraditional provisional license, and shall, in consultation with the teacher intern's mentor at the school district of employment, submit to the commission a comprehensive evaluation of the teacher's performance sixty (60) days prior to the expiration of the nontraditional provisional license. If the comprehensive evaluation establishes that the provisional teacher intern's performance fails to meet the standards of the approved nontraditional teacher preparation internship program, the individual shall not be approved for a standard license.

\*\*\*5. An individual issued a provisional teaching license under this nontraditional route shall successfully complete, at a minimum, a one-year beginning teacher mentoring and induction program administered by the employing school district with the assistance of the State Department of Education.

\*\*\*6. Upon successful completion of the TMI and the internship provisional license period, applicants for a Standard License - Nontraditional Route shall submit to the commission a transcript of successful completion of the \*\*\* fifteen (15) semester hours required in the internship program, and the employing school district shall submit to the commission a recommendation for standard licensure of the intern. If the school district recommends licensure, the applicant shall be issued a Standard License - Nontraditional Route which shall be valid for a five-year period and be renewable.

\*\*\*7. At the discretion of the \*\*\* EPP, the individual shall be allowed to credit the \*\*\* fifteen (15) semester hours earned in the nontraditional teacher internship program toward the graduate hours required for a Master of Arts in Teacher (MAT) Degree.

\* \* \*8. The local school district in which the nontraditional teacher intern or provisional licensee is employed shall compensate such teacher interns at Step 1 of the required salary level during the period of time such individual is completing teacher internship requirements and shall compensate such Standard License - Nontraditional Route teachers at Step 3 of the required salary level when they complete license requirements.

(iii) Implementation of the TMI program provided for under this paragraph (b) shall be contingent upon the availability of funds appropriated specifically for such purpose by the Legislature. Such implementation of the TMI program may not be deemed to prohibit the State Board of Education from developing and implementing additional alternative route teacher licensure programs, as deemed appropriate by the board. The emergency certification program in effect prior to July 1, 2002, shall remain in effect.

(iv) A Standard License - Approved Program Route shall be issued for a five-year period, and may be renewed. Recognizing teaching as a profession, a hiring preference shall be granted to persons holding a Standard License - Approved Program Route or Standard License - Nontraditional Teaching Route over persons holding any other license.

(c) Special License - Expert Citizen. In order to allow a school district to offer specialized or technical courses, the State Department of Education, in accordance with rules and regulations established by the State Board of Education, may grant a one-year expert citizen-teacher license to local business or other professional personnel to teach in a public school or nonpublic school accredited or approved by the state. Such person may begin teaching upon his employment by the local school board and licensure by the Mississippi Department of Education. The board shall adopt rules and regulations to administer the expert citizen-teacher license. A Special License - Expert Citizen may be renewed in accordance with the established rules and regulations of the State Department of Education.

(d) Special License - Nonrenewable. The State Board of Education is authorized to establish rules and regulations to allow those educators not meeting requirements in paragraph (a), (b) or (c) of this subsection (6) to be licensed for a period of not more than three (3) years, except by special approval of the State Board of Education.

(e) Nonlicensed Teaching Personnel. A nonlicensed person may teach for a maximum of three (3) periods per teaching day in a public school district or a nonpublic school accredited/approved by the state. Such person shall submit to the department a transcript or record of his education and experience which substantiates his preparation for the subject to be taught and shall meet other qualifications specified by the commission and approved by the State Board of Education. In no case shall any local school board hire nonlicensed personnel as authorized under this paragraph in excess of five percent (5%) of the total number of licensed personnel in any single school.

(f) Special License - Transitional Bilingual Education. Beginning July 1, 2003, the commission shall grant special licenses to teachers of transitional bilingual education who possess such qualifications as are prescribed in this section. Teachers of transitional bilingual education shall be compensated by local school boards at not less than one (1) step on the regular salary schedule applicable to permanent teachers licensed under this section. The commission shall grant special licenses to teachers of transitional bilingual education who present the commission with satisfactory evidence that they (i) possess a speaking and reading ability in a language, other than English, in which bilingual education is offered and communicative skills in English; (ii) are in good health and sound moral character; (iii) possess a bachelor's degree or an associate's degree in teacher education from an accredited institution of higher education; (iv) meet such requirements as to courses of study, semester hours therein, experience and training

as may be required by the commission; and (v) are legally present in the United States and possess legal authorization for employment. A teacher of transitional bilingual education serving under a special license shall be under an exemption from standard licensure if he achieves the requisite qualifications therefor. Two (2) years of service by a teacher of transitional bilingual education under such an exemption shall be credited to the teacher in acquiring a Standard Educator License. Nothing in this paragraph shall be deemed to prohibit a local school board from employing a teacher licensed in an appropriate field as approved by the State Department of Education to teach in a program in transitional bilingual education.

(g) In the event any school district meets the highest accreditation standards as defined by the State Board of Education in the accountability system, the State Board of Education, in its discretion, may exempt such school district from any restrictions in paragraph (e) relating to the employment of nonlicensed teaching personnel.

\* \* \*

(7) Administrator License. The State Board of Education is authorized to establish rules and regulations and to administer the licensure process of the school administrators in the State of Mississippi. There will be four (4) categories of administrator licensure with exceptions only through special approval of the State Board of Education.

(a) Administrator License - Nonpracticing. Those educators holding administrative endorsement but having no administrative experience or not serving in an administrative position on January 15, 1997.

(b) Administrator License - Entry Level. Those educators holding administrative endorsement and having met the department's qualifications to be eligible for employment in a Mississippi school district. Administrator License - Entry Level shall be issued for a five-year period and shall be nonrenewable.

(c) Standard Administrator License - Career Level. An administrator who has met all the requirements of the department for standard administrator licensure.

(d) Administrator License - Nontraditional Route. The board may establish a nontraditional route for licensing administrative personnel. Such nontraditional route for administrative licensure shall be available for persons holding, but not limited to, a master of business administration degree, a master of public administration degree, a master of public planning and policy degree or a doctor of jurisprudence degree from an accredited college or university, with five (5) years of administrative or supervisory experience. Successful completion of the requirements of alternate route licensure for administrators shall qualify the person for a standard administrator license.

Individuals seeking school administrator licensure under paragraph (b), (c) or (d) shall successfully complete a training program and an assessment process prescribed by the State Board of Education. All applicants for school administrator licensure shall meet all requirements prescribed by the department under paragraph (b), (c) or (d), and the cost of the assessment process required shall be paid by the applicant.

(8) Reciprocity. The department shall grant a standard five-year license to any individual who possesses a valid standard license from another state, or another country or political subdivision thereof, within a period of twenty-one (21) days from the date of a completed application. The issuance of a license by reciprocity to a military-trained applicant, military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1 or 73-50-2, as applicable.

(9) Renewal and Reinstatement of Licenses. The State Board of Education is authorized to establish rules and regulations for the renewal and reinstatement of educator and administrator licenses. Effective May 15, 1997, the valid standard license

held by an educator shall be extended five (5) years beyond the expiration date of the license in order to afford the educator adequate time to fulfill new renewal requirements established pursuant to this subsection. An educator completing a master of education, educational specialist or doctor of education degree in May 1997 for the purpose of upgrading the educator's license to a higher class shall be given this extension of five (5) years plus five (5) additional years for completion of a higher degree. For all license types with a current valid expiration date of June 30, 2021, the State Department of Education shall grant a one-year extension to June 30, 2022. Beginning July 1, 2022, and thereafter, applicants for licensure renewal shall meet all requirements in effect on the date that the complete application is received by the State Department of Education.

(10) All controversies involving the issuance, revocation, suspension or any change whatsoever in the licensure of an educator required to hold a license shall be initially heard in a hearing de novo, by the commission or by a subcommittee established by the commission and composed of commission members, or by a hearing officer retained and appointed by the commission, for the purpose of holding hearings. Any complaint seeking the denial of issuance, revocation or suspension of a license shall be by sworn affidavit filed with the Commission on Teacher and Administrator Education, Certification and Licensure and Development. The decision thereon by the commission, its subcommittee or hearing officer, shall be final, unless the aggrieved party shall appeal to the State Board of Education, within ten (10) days, of the decision of the commission, its subcommittee or hearing officer. An appeal to the State Board of Education shall be perfected upon filing a notice of the appeal and by the prepayment of the costs of the preparation of the record of proceedings by the commission, its subcommittee or hearing officer. An appeal shall be on the record previously made before the commission, its subcommittee or hearing officer, unless otherwise provided by rules and regulations adopted by the board. The decision of the commission, its subcommittee or hearing officer shall not be disturbed on appeal if supported by substantial evidence, was not arbitrary or capricious, within the authority of the commission, and did not violate some statutory or constitutional right. The State Board of Education in its authority may reverse, or remand with instructions, the decision of the commission, its subcommittee or hearing officer. The decision of the State Board of Education shall be final.

(11) (a) The State Board of Education, acting through the commission, may deny an application for any teacher or administrator license for one or more of the following:

(i) Lack of qualifications which are prescribed by law or regulations adopted by the State Board of Education;

(ii) The applicant has a physical, emotional or mental disability that renders the applicant unfit to perform the duties authorized by the license, as certified by a licensed psychologist or psychiatrist;

(iii) The applicant is actively addicted to or actively dependent on alcohol or other habit-forming drugs or is a habitual user of narcotics, barbiturates, amphetamines, hallucinogens or other drugs having similar effect, at the time of application for a license;

(iv) Fraud or deceit committed by the applicant in securing or attempting to secure such certification and license;

(v) Failing or refusing to furnish reasonable evidence of identification;

(vi) The applicant has been convicted, has pled guilty or entered a plea of nolo contendere to a felony, as defined by federal or state law. For purposes of this subparagraph (vi) of this paragraph (a), a "guilty plea" includes a plea of guilty, entry of a plea of nolo contendere, or entry of an order granting pretrial or judicial diversion;

(vii) The applicant or licensee is on probation or post-release supervision for a felony or conviction, as defined by federal or state law. However, this disqualification expires upon the end of the probationary or post-release supervision period.

(b) The State Board of Education, acting through the commission, shall deny an application for any teacher or administrator license, or immediately revoke the current teacher or administrator license, for one or more of the following:

(i) If the applicant or licensee has been convicted, has pled guilty or entered a plea of nolo contendere to a sex offense as defined by federal or state law. For purposes of this subparagraph (i) of this paragraph (b), a "guilty plea" includes a plea of guilty, entry of a plea of nolo contendere, or entry of an order granting pretrial or judicial diversion;

(ii) The applicant or licensee is on probation or post-release supervision for a sex offense conviction, as defined by federal or state law;

(iii) The license holder has fondled a student as described in Section 97-5-23, or had any type of sexual involvement with a student as described in Section 97-3-95; or

(12) The State Board of Education, acting through the commission, may revoke, suspend or refuse to renew any teacher or administrator license for specified periods of time or may place on probation, reprimand a licensee, or take other disciplinary action with regard to any license issued under this chapter for one or more of the following:

(a) Breach of contract or abandonment of employment may result in the suspension of the license for one (1) school year as provided in Section 37-9-57;

(b) Obtaining a license by fraudulent means shall result in immediate suspension and continued suspension for one (1) year after correction is made;

(c) Suspension or revocation of a certificate or license by another state shall result in immediate suspension or revocation and shall continue until records in the prior state have been cleared;

(d) The license holder has been convicted, has pled guilty or entered a plea of nolo contendere to a felony, as defined by federal or state law. For purposes of this paragraph, a "guilty plea" includes a plea of guilty, entry of a plea of nolo contendere, or entry of an order granting pretrial or judicial diversion;

(e) The license holder knowingly and willfully committing any of the acts affecting validity of mandatory uniform test results as provided in Section 37-16-4(1);

(f) The license holder has engaged in unethical conduct relating to an educator/student relationship as identified by the State Board of Education in its rules;

(g) The license holder served as superintendent or principal in a school district during the time preceding and/or that resulted in the Governor declaring a state of emergency and the State Board of Education appointing a conservator;

(h) The license holder submitted a false certification to the State Department of Education that a statewide test was administered in strict accordance with the Requirements of the Mississippi Statewide Assessment System; or

(i) The license holder has failed to comply with the Procedures for Reporting Infractions as promulgated by the commission and approved by the State Board of Education pursuant to subsection (15) of this section.

For purposes of this subsection, probation shall be defined as a length of time determined by the commission, its subcommittee or hearing officer, and based on the severity of the offense in which the license holder shall meet certain requirements as prescribed by the commission, its subcommittee or hearing officer. Failure to complete the requirements in the time specified shall result in immediate suspension of the license for one (1) year.

(13) (a) Dismissal or suspension of a licensed employee by a local school board pursuant to Section 37-9-59 may result in the suspension or revocation of a license for a length of time which shall be determined by the commission and based upon the severity of the offense.

(b) Any offense committed or attempted in any other state shall result in the same penalty as if committed or attempted in this state.

(c) A person may voluntarily surrender a license. The surrender of such license may result in the commission recommending any of the above penalties without the necessity of a hearing. However, any such license which has voluntarily been surrendered by a licensed employee may only be reinstated by a majority vote of all members of the commission present at the meeting called for such purpose.

(14) (a) A person whose license has been suspended or surrendered on any grounds except criminal grounds may petition for reinstatement of the license after one (1) year from the date of suspension or surrender, or after one-half (1/2) of the suspended or surrendered time has lapsed, whichever is greater. A person whose license has been suspended or revoked on any grounds or violations under subsection (12) of this section may be reinstated automatically or approved for a reinstatement hearing, upon submission of a written request to the commission. A license suspended, revoked or surrendered on criminal grounds may be reinstated upon petition to the commission filed after expiration of the sentence and parole or probationary period imposed upon conviction. A revoked, suspended or surrendered license may be reinstated upon satisfactory showing of evidence of rehabilitation. The commission shall require all who petition for reinstatement to furnish evidence satisfactory to the commission of good character, good mental, emotional and physical health and such other evidence as the commission may deem necessary to establish the petitioner's rehabilitation and fitness to perform the duties authorized by the license.

(b) A person whose license expires while under investigation by the Office of Educator Misconduct for an alleged violation may not be reinstated without a hearing before the commission if required based on the results of the investigation.

(15) Reporting procedures and hearing procedures for dealing with infractions under this section shall be promulgated by the commission, subject to the approval of the State Board of Education. The revocation or suspension of a license shall be effected at the time indicated on the notice of suspension or revocation. The commission shall immediately notify the superintendent of the school district or school board where the teacher or administrator is employed of any disciplinary action and also notify the teacher or administrator of such revocation or suspension and shall maintain records of action taken. The State Board of Education may reverse or remand with instructions any decision of the commission, its subcommittee or hearing officer regarding a petition for reinstatement of a license, and any such decision of the State Board of Education shall be final.

(16) An appeal from the action of the State Board of Education in denying an application, revoking or suspending a license or otherwise disciplining any person under

the provisions of this section shall be filed in the Chancery Court of the First Judicial District of Hinds County, Mississippi, on the record made, including a verbatim transcript of the testimony at the hearing. The appeal shall be filed within thirty (30) days after notification of the action of the board is mailed or served and the proceedings in chancery court shall be conducted as other matters coming before the court. The appeal shall be perfected upon filing notice of the appeal and by the prepayment of all costs, including the cost of preparation of the record of the proceedings by the State Board of Education, and the filing of a bond in the sum of Two Hundred Dollars (\$200.00) conditioned that if the action of the board be affirmed by the chancery court, the applicant or license holder shall pay the costs of the appeal and the action of the chancery court.

(17) All such programs, rules, regulations, standards and criteria recommended or authorized by the commission shall become effective upon approval by the State Board of Education as designated by appropriate orders entered upon the minutes thereof.

(18) The granting of a license shall not be deemed a property right nor a guarantee of employment in any public school district. A license is a privilege indicating minimal eligibility for teaching in the public school districts of Mississippi. This section shall in no way alter or abridge the authority of local school districts to require greater qualifications or standards of performance as a prerequisite of initial or continued employment in such districts.

(19) In addition to the reasons specified in subsections (12) and (13) of this section, the board shall be authorized to suspend the license of any licensee for being out of compliance with an order for support, as defined in Section 93-11-153. The procedure for suspension of a license for being out of compliance with an order for support, and the procedure for the reissuance or reinstatement of a license suspended for that purpose, and the payment of any fees for the reissuance or reinstatement of a license suspended for that purpose, shall be governed by Section 93-11-157 or 93-11-163, as the case may be. Actions taken by the board in suspending a license when required by Section 93-11-157 or 93-11-163 are not actions from which an appeal may be taken under this section. Any appeal of a license suspension that is required by Section 93-11-157 or 93-11-163 shall be taken in accordance with the appeal procedure specified in Section 93-11-157 or 93-11-163, as the case may be, rather than the procedure specified in this section. If there is any conflict between any provision of Section 93-11-157 or 93-11-163 and any provision of this chapter, the provisions of Section 93-11-157 or 93-11-163, as the case may be, shall control.

(20) The Department of Education shall grant and renew all licenses and certifications of teachers and administrators within twenty-one (21) days from the date of a completed application if the applicant has otherwise met all established requirements for the license or certification.

SECTION 2. This act shall take effect and be in force from and after July 1, 2022, and shall stand repealed on June 30, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

Senator DeBar called up the following House Amendment to **S. B. No. 2430** and moved that the Senate decline to concur in the Amendment, and invite conference, and the motion prevailed.

AMENDMENT NO. 1:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) There is established the Educational Facilities Revolving Loan Fund Program to be administered by the Department of Finance and Administration for the purpose of improving educational facilities in the State of Mississippi by assisting public schools and community and junior colleges in procuring funds for making certain capital improvements.

(2) (a) There is created a special fund in the State Treasury designated as the "Educational Facilities Revolving Loan Fund," which fund shall consist of such monies as provided in this subsection. The revolving loan fund must be maintained in perpetuity for the purposes established in this section. Unexpended amounts remaining in the fund at the end of a fiscal year may not lapse into the State General Fund. Payments on the principal of and, when applicable, interest on loans procured from the fund and any interest earned on amounts in the fund must be deposited to the credit of the fund. Monies

in the Educational Facilities Revolving Loan Fund may not be used or expended for any purpose except as authorized under this section.

(b) For fiscal year 2023, the Legislature shall appropriate, using any available state and federal, where allowable, monies, Two Hundred Million Dollars (\$200,000,000.00) to the Educational Facilities Revolving Loan Fund.

(3) Of the funds deposited into the Educational Facilities Revolving Loan Fund, up to eighty percent (80%) must be made available for the purpose of making loans to qualified school districts and the State Board of Education acting on behalf of the Mississippi School of the Arts, the Mississippi School for the Deaf, and/or the Mississippi School for the Blind. The Department of Finance and Administration shall accept requests for loans under this subsection for the following purposes:

(a) Repairs and renovations to existing school buildings and related facilities used in the operation of the schools of a public school district, the Mississippi School of the Arts, the Mississippi School for the Deaf, and the Mississippi School for the Blind.

(b) Construction of new facilities or repairs and renovations to existing school facilities for the purpose of establishing, improving or expanding prekindergarten programs in a public school district.

(c) Construction of new career and technical education facilities or repairs and renovations to existing school facilities for the purpose of upgrading or expanding a school district's career and technical education program.

(4) Of the funds deposited into the Educational Facilities Revolving Loan Fund, up to twenty percent (20%) must be made available for the purpose of making loans to qualified community and junior college districts. The Department of Finance and Administration shall accept requests for loans from public community and junior college districts for the purpose of funding projects for repairs and renovations to existing buildings and related facilities.

(5) Each fiscal year, the Department of Finance and Administration may set aside an amount not to exceed five percent (5%) of the balance of the Educational Facilities Revolving Loan Fund to cover the administrative and fiscal management costs associated with the fund.

(6) The Department of Finance and Administration shall accept and make determinations on applications for loans and shall disburse funds and receive repayments on approved loans. Before October 1, 2022, the department shall establish rules and regulations for the implementation and administration of the revolving loan program. The rules and regulations must include, at a minimum, provisions addressing the following:

(a) An application process by which public school districts, the State Board of Education acting on behalf of the Mississippi School of the Arts, the Mississippi School for the Deaf and the Mississippi School for the Blind and public community and junior college districts may request a loan from the Educational Facilities Revolving Loan Fund, including the deadline by which the department must receive applications;

(b) The factors to be considered in determining whether an educational entity will be awarded the full or a partial amount of a loan requested. The department shall establish the maximum amount that may be loaned to an entity for any single project and the maximum total amount of outstanding loans an entity may have if the entity

requests more than one (1) loan in the same or different fiscal years. A loan may not exceed one hundred percent (100%) of the cost of the project for which the loan is requested;

(c) Rates of interest on loans and terms of repayment. A loan made to a public school district, the State Board of Education acting on behalf of the Mississippi School of the Arts, the Mississippi School for the Deaf or the Mississippi School for the Blind, or a community or junior college district must be interest free and payable over a term of ten (10) years commencing on the date the loan is received.

(d) A process by which the department determines if an entity receiving a loan is required to pledge monies for the repayment of the loan and sources of revenue that are acceptable whenever the department requires a pledge, which, for a school district receiving a loan, may not include Adequate Education Program funds;

(e) The actions that may be taken if an entity is in arrears on loan repayments, which may include, in the case of a school district, the withholding of future payments of Adequate Education Program funds to the district, or in the case of the Mississippi School of the Arts, the Mississippi School for the Deaf, the Mississippi School for the Blind, or a community or junior college district, the withholding of state funds due to the school or district; and

(f) All other matters that the Department of Finance and Administration determines are necessary to establish and maintain the Educational Facilities Revolving Loan Fund Program as an accessible and perpetual source of funding for making facilities improvements at all levels of education in the state.

(7) The State Department of Education and the Mississippi Community College Board, each acting jointly with the Department of Finance and Administration, shall promulgate such rules and regulations as may be necessary for participation in the Educational Facilities Revolving Loan Program by a public educational entity.

SECTION 2. Section 37-47-1, Mississippi Code of 1972, is brought forward as follows:

37-47-1. The terms and provisions of this chapter shall be administered and executed by the state educational finance commission. For the purpose of this chapter, the term "commission" shall mean "state educational finance commission" except where the context clearly indicates otherwise.

SECTION 3. Section 37-47-3, Mississippi Code of 1972, is brought forward as follows:

37-47-3. The term "school district" as used in this chapter shall be defined as including all public school districts and public charter schools in this state and also all agricultural high schools not located on the campus of a junior college.

SECTION 4. Section 37-47-5, Mississippi Code of 1972, is brought forward as follows:

37-47-5. For the purposes of this chapter, the term "capital improvement" shall mean the cost of (1) erecting, repairing, equipping, remodeling and enlarging school buildings and related facilities, including, but not being limited to, gymnasiums, auditoriums, lunch rooms, vocational training buildings, libraries, teachers' homes, school barns, garages for transportation vehicles, and (2) providing necessary water, lights, heating, air conditioning and sewerage facilities for school buildings. Such term shall not

include the cost of the acquisition of land whereon to construct or establish any of the facilities named above.

SECTION 5. Section 37-47-7, Mississippi Code of 1972, is brought forward as follows:

37-47-7. There shall be, and there is hereby, created in the state treasury a special fund to be known as the "state public school building fund". The said fund shall consist of such amounts as may be paid into said fund by appropriation or other legislative authorization.

SECTION 6. Section 37-47-9, Mississippi Code of 1972, is brought forward as follows:

37-47-9. It is found and determined that the state should make an annual grant of Twenty-four Dollars (\$24.00) for each child in average daily attendance in the public schools of the various school districts of this state during each school year, and that such monies should be applied for the purpose of establishing and maintaining adequate physical facilities for the public school district and/or the payment of existing debt therefor.

The grant to which each public school is entitled under the provisions of this section shall be credited to the school district of which such school is part. If any change is made in the operation or boundaries of any such school district, equitable reallocations shall be made by the commission of all balances to the credit of such school district, and all debits charged against the districts affected by the change in the boundaries or system of operation. The obligation of the state to make remittance of the sums appropriated or otherwise provided to make the annual grants provided by this section shall be subordinate to the pledge made to secure the state school bonds authorized under this chapter and the sinking fund created for their retirement. The grants shall be computed annually as soon as practicable after the end of the school year, and shall be based on the average daily attendance for such school year in all of the public schools operated by each school district as determined by the State Department of Education.

SECTION 7. Section 37-47-11, Mississippi Code of 1972, is brought forward as follows:

37-47-11. The sums becoming due to any school district shall be disposed of in the following order of priority and for the following purposes and for no others:

(a) To discharge the principal and interest due the commission by reason of any advance or loan made to any such school district by the commission;

(b) To be applied by the school district, subject to the approval of the commission, to defray the cost of any capital improvement;

(c) To pay the principal and interest of school district indebtedness represented by bonds or notes issued before July 1, 1954, for capital improvements, provided that the capital improvements for which such bonds or notes were issued fulfill the rules and requirement for new capital improvements and district organization as provided by the commission, or for bonds or notes issued on or after July 1, 1954, for capital improvements which have been approved by the commission as provided in this chapter.

SECTION 8. Section 37-47-13, Mississippi Code of 1972, is brought forward as follows:

37-47-13. When the amounts of the annual grants to school districts have been computed as provided in Section 37-47-9, the commission shall credit each such school district with the amount of the annual grant to which it is entitled and shall issue to each

such school district a certificate of credit for the amount of such annual grant. All such certificates of credit shall be signed by the chairman of the commission and countersigned by the executive secretary thereof. Such certificates shall constitute an indebtedness of the State of Mississippi but shall be non-transferable and non-negotiable and shall bear no interest. All such certificates so issued shall be held and retained by the school district to which same are issued until the expenditure of the funds to the credit of such school district shall be approved by the commission as is otherwise provided in this chapter. Such certificates shall be surrendered to the commission at the time the funds to which the school district is entitled are withdrawn from the public school building fund and deposited to the credit of the school district entitled thereto.

SECTION 9. Section 37-47-15, Mississippi Code of 1972, is brought forward as follows:

37-47-15. No grants accruing to any school district shall be expended for any purpose unless such expenditure has been approved by the commission. In order to guide the commission in passing upon requests for the use of grants, the school boards of the respective school districts are directed to prepare a survey of necessary capital improvements and/or a plan for tax relief on school indebtedness within each school district. Such surveys shall show existing facilities, desirable consolidations, the new construction and new facilities necessary and desirable for the efficient operation of the public schools of the school districts, proper compliance with state energy conservation standards, and the plan of tax reduction in the school districts by use of such funds in retiring any outstanding indebtedness for school facilities. The commission shall not approve any application for the use of funds of the said public school building fund from the school board of any school district until such time as an acceptable and reasonably satisfactory plan, looking particularly to efficiency through consolidations of school attendance centers, has been submitted by the school board.

Furthermore, the commission shall not approve any application for the use of funds of the public school building fund until such time as an acceptable plan has been submitted by the appropriate board which complies with improved design, heating, cooling, ventilation, lighting, insulation and architectural standards provided by the State of Mississippi to promote maximum energy conservation in new and existing public buildings.

All applications from school districts shall conform to the plan of the school board.

SECTION 10. Section 37-47-17, Mississippi Code of 1972, is brought forward as follows:

37-47-17. Applications for the expenditure of funds to the credit of any school district in the state public school building fund shall originate with the school board of the school district entitled to such funds. Before any funds to the credit of a school district shall be expended for capital improvements or the retirement of outstanding bonded indebtedness, the school board of such school district shall prepare and submit an application in such form as may be prescribed by the commission. There shall be included with such application a statement in which there is set forth the enrollment and average daily attendance in the schools of the district divided as to schools and grades, the number of teachers employed, the facilities in use, the facilities to be provided with the funds to be expended, the outstanding school indebtedness, and such other information as the commission may require. Such application and statement shall be submitted directly to the commission and approved or disapproved by it. The decision of the commission shall be final, unless an appeal to the chancery court shall be taken in the manner provided by law. In the event any application shall be disapproved by the commission, the school board submitting same shall be notified of such disapproval, which notice of disapproval shall be accompanied by a statement of the reason or reasons for such disapproval.

The commission shall approve only those applications which are found to be proper under the provisions of this chapter and the applicable rules and regulations of the commission. When an application is approved for the expenditure of funds for capital improvements, the contract for the construction of such capital improvements shall be entered into and awarded by the school board of the school district in the manner provided in this chapter; however, the contract for construction of a secondary vocational and technical training center for exclusive use and operation by a school district may be entered into and awarded by the board of trustees of a junior college district where a grant of federal funds by the Appalachian Commission has been made to the board of trustees of such junior college district to assist in financing construction of such secondary vocational and technical training facility for such school district.

SECTION 11. Section 37-47-19, Mississippi Code of 1972, is brought forward as follows:

37-47-19. Where the expenditure of any funds to which any school district may be entitled has been authorized, as provided in Section 37-47-17, such funds shall be withdrawn from the public school building fund by the commission and deposited in the school depository to the credit of the school district entitled thereto as a special fund to be known as the "Public School Building Fund" of the school district entitled thereto. Such money so deposited shall be paid out and expended in the same manner as may be now or hereafter provided by law for the expenditure of other school funds belonging to such district; however, where the contract for construction of a secondary vocational and technical training center shall have been entered into and awarded by the board of trustees of a junior college district as authorized by Section 37-47-29, the money so deposited in the public school building fund of the school district for which said facility is being constructed may be paid out and expended to pay a part of the cost of construction of such facility.

SECTION 12. Section 37-47-21, Mississippi Code of 1972, is brought forward as follows:

37-47-21. All funds, if any, which may accumulate in the state public school building fund under the provisions of this chapter because school districts entitled thereto do not make application for the expenditure of same for the purposes authorized by this chapter at the time same are credited to such school district may be used as a revolving fund for the purpose of making loans or advances to other school districts as is provided in Section 37-47-25.

SECTION 13. Section 37-47-23, Mississippi Code of 1972, is brought forward as follows:

37-47-23. When any school district holding certificates of credit shall desire to expend funds which have accumulated to its credit under the provisions of this chapter and the expenditure thereof has been approved by the commission but insufficient funds are available in the state public school building fund because of loans or advances having been made to other school districts, the commission shall forthwith transmit to the state bond commission its request for the issuance of state school bonds, as is otherwise provided in this chapter, in an amount sufficient to provide the funds to which the school district holding the certificate of credit is entitled, or such portion of such funds as such school district then desires to expend.

SECTION 14. Section 37-47-25, Mississippi Code of 1972, is brought forward as follows:

37-47-25. Whenever the State Department of Education shall determine that any school district is in need of capital improvements to an extent in excess of that which may be financed by the credit then due such school district by the department, the department shall be empowered to advance or lend said school district such sums as in the opinion

of the department are necessary to be expended for capital improvements by said school district. Such loans or advances shall be evidenced by appropriate agreements, and shall be repayable in principal by the school district from the annual grants to which the school district shall become entitled and from such other funds as may be available. Such loans or advances shall not constitute a debt of the school district within the meaning of any provision or limitation of the Constitution or statutes of the State of Mississippi. The department shall not advance or lend to any school district any sum in excess of seventy-five percent (75%) of the estimated sum which will accrue to the said school district on account of grants to be made to the said school district within the twenty (20) years next following the date of the loan or advance. In determining the maximum allowable advance or loan, the department shall assume that the average daily attendance in the schools of the school district for the past preceding scholastic year as confirmed by the audit of average daily attendance made by the State Department of Audit will continue for the period during which the loan is to be repaid.

SECTION 15. Section 37-47-27, Mississippi Code of 1972, is amended as follows:

37-47-27. All capital improvements by any school district which are financed, in whole or in part, with funds received from the State Public School Building Fund pursuant to an application approved by the \* \* \* State Board of Education, shall be constructed by contract entered into and awarded by the board of trustees or other governing body of such school district. The awarding of such contract shall be in the sole province of such board of trustees or other governing body except as is herein provided. No such contract shall be entered into unless and until the site for the location of and the plans and specifications for the construction of the capital improvements shall have been approved by the \* \* \* State Board of Education. The \* \* \* State Board of Education shall not exclude from approval plans and specifications which involve the use of preengineered steel building systems. Plans and specifications for preengineered steel building systems, in order to be approved by the \* \* \* State Board of Education, must be submitted to and certified by an architect or professional engineer registered in the State of Mississippi and not an employee of the contractor, as meeting the minimum requirements of the local building, plumbing and electrical codes, the Southern Standard Building Code, Coastal Region Loading, the Metal Building Manufacturers Association, the American Institute of Steel Construction and the American Iron and Steel Institute, as to design, materials and construction.

SECTION 16. Section 37-47-29, Mississippi Code of 1972, is brought forward as follows:

37-47-29. All contracts for capital improvements by any school district which are financed in whole or in part with funds received from the state public school building fund pursuant to an application approved by the commission shall be awarded and entered into upon receipt of sealed bids or proposals after the time and place of letting such contracts and the manner of bidding has been duly advertised. The contract shall be let and awarded to the lowest and best bidder but the board of trustees or other governing body of the school district shall have the power to reject any and all bids. No such contract shall be finally awarded or entered into without the prior written approval of the commission. It is hereby expressly provided that in order to bid upon and be awarded contracts for the construction of school facilities under the provisions of this chapter, if such contract, subcontract or undertaking is less than Fifty Thousand Dollars (\$50,000.00), it shall not be necessary that the bidder obtain a certificate of responsibility from the Board of Public Contractors under the provisions of Chapter 3, Title 31, of the Mississippi Code of 1972, or otherwise be qualified under said chapter, and none of the provisions of said chapter shall be applicable to such contracts for the construction of school facilities under the provisions hereof. Notwithstanding the foregoing provisions of this section or any other provisions of law, the contract for construction of a secondary vocational and technical training center for exclusive use and operation by a county school district may be entered into and awarded by the board of trustees of a junior college district where a grant of federal funds by the Appalachian Commission has been made to the

board of trustees of such junior college district to assist in financing construction of such secondary vocational and technical training facility for such county school district.

SECTION 17. Section 37-47-31, Mississippi Code of 1972, is brought forward as follows:

37-47-31. The state bond commission now consisting of the governor, attorney general and treasurer of the State of Mississippi, each acting ex officio, is hereby continued in existence for the purpose of this chapter and with full power and authority to issue state school bonds to the extent, for the purposes, and in the manner and subject to the limitations set forth in this chapter.

SECTION 18. Section 37-47-33, Mississippi Code of 1972, is brought forward as follows:

37-47-33. For the purpose of (a) providing funds to enable the State Board of Education to make loans or advances to school districts as provided by Section 37-47-25, and for the purpose of (b) providing funds for the payment and redemption of certificates of credit issued to school districts under Section 37-47-23, when such funds are not otherwise available, or for the purpose of (c) providing funds in an amount not exceeding Twenty Million Dollars (\$20,000,000.00) for the payment of allocations of Mississippi Adequate Education Program funds to school districts for capital expenditures approved by the State Board of Education which have not been pledged for debt by the school district, when such funds are not otherwise available, or for any of such purposes, the State Bond Commission is authorized and empowered to issue state school bonds under the conditions prescribed in this chapter. The aggregate principal amount of such bonds outstanding at any one (1) time, after deducting the amount of the sinking fund provided for the retirement of bonds issued for such purposes, shall never exceed the sum of One Hundred Million Dollars (\$100,000,000.00). Within such limits, however, state school bonds may be issued from time to time under the conditions prescribed in this chapter. None of such bonds so issued shall have a maturity date later than July 1, 2021.

SECTION 19. Section 37-47-35, Mississippi Code of 1972, is brought forward as follows:

37-47-35. Before any state school bonds are issued as authorized by this chapter, the state educational finance commission shall transmit to the state bond commission a request for the issuance thereof in the form of a resolution adopted by said state educational finance commission. Said request shall embody the following:

(a) A schedule showing the aggregate of bonds issued pursuant to previous requests, the purposes for which the same were issued, the annual payments required to retire such bonds and the interest thereon, and the amount of sinking fund applicable to the retirement of such outstanding bonds;

(b) The amount of bonds sought to be issued, the purpose or purposes for which such bonds are to be issued, and the amount intended for each purpose;

(c) A schedule showing future annual principal requirements and estimated annual interest requirements on the bonds requested to be issued;

(d) The estimated amount of the advances which the commission intends to make within the then current fiscal year;

(e) The aggregate amount for which advances have been approved, but which await completion because the funds necessary to make the same are not available;

(f) The aggregate amount of certificates of credit issued to school districts which are to be paid or redeemed by the commission with the proceeds of such bonds and for which no funds are otherwise available.

SECTION 20. Section 37-47-37, Mississippi Code of 1972, is brought forward as follows:

37-47-37. If it shall appear to the satisfaction of the state bond commission from the request provided for in Section 37-47-35:

(a) That the estimate of the needs for the then current fiscal year as shown pursuant to the requirement of Section 37-47-35, requires bonds to be issued in the amount requested; and

(b) That the issue will be within the limitations prescribed by Section 37-47-33;

then it shall be the duty of the state bond commission to issue state school bonds in accordance with said request.

SECTION 21. Section 37-47-39, Mississippi Code of 1972, is brought forward as follows:

37-47-39. For the purpose of paying the principal of and interest upon all state school bonds issued under the authority of this chapter, there shall be and there is hereby pledged the full faith, credit, and taxing power of the State of Mississippi.

SECTION 22. Section 37-47-41, Mississippi Code of 1972, is brought forward as follows:

37-47-41. All state school bonds issued under the provisions of this chapter shall be signed by the governor, or by his facsimile signature, and attested by the secretary of state. The great seal of the State of Mississippi shall be affixed to or impressed upon each of them. Coupons attached to such bonds may bear only the facsimile signatures of both the governor and secretary of state. Subject to the provisions of this chapter the state bond commission shall have full discretion in providing for the issuance of such bonds and in fixing the terms and details thereof. Said state bond commission may provide for the issuance of such bonds in such form, either coupon or registered, with such registration privileges, and executed in such manner and payable in such medium and at such place or places, and containing such terms, covenants and provisions as the state bond commission may, by resolution or resolutions, provide. All or any part of the bonds issued under the authority of this chapter may be made optional for redemption prior to maturity in the discretion of the state bond commission, and in such case such bonds shall specify the manner in and premiums at which the bonds shall be so redeemable. Such bonds shall not be redeemable before maturity unless same expressly so provide.

SECTION 23. Section 37-47-43, Mississippi Code of 1972, is brought forward as follows:

37-47-43. All bonds issued under the authority of this chapter shall be lithographed or engraved and printed in two (2) or more colors to prevent counterfeiting. Such bonds shall be issued in denominations as shall be specified by the State Bond Commission. No bond shall bear more than one (1) rate of interest; each bond shall bear interest from its date to its stated maturity date at the interest rate specified in the bid; all bonds of the same maturity shall bear the same rate of interest from date to maturity; all interest accruing on such bonds so issued shall be payable semiannually or annually, except that the first interest coupon attached to any such bond may be for any period not exceeding one (1) year.

No interest payment shall be evidenced by more than one (1) coupon and neither cancelled nor supplemental coupons shall be permitted. The interest rate of any one (1) interest coupon shall not exceed eight percent (8%) except that the interest rate of any one (1) coupon issued after March 31, 1981, shall not exceed seven percent (7%).

SECTION 24. Section 37-47-45, Mississippi Code of 1972, is brought forward as follows:

37-47-45. All bonds issued under the authority of this chapter shall mature annually. None of such bonds shall have a final maturity date of more than twenty (20) years from the date of the issuance thereof, and in no event shall the final maturity date of any such bonds be later than July 1, 2004. In issuing such bonds, the state bond commission shall be authorized and empowered to provide maturities therefor in such amounts and at such times as the state bond commission shall deem appropriate, proper and feasible. No bonds shall be issued and sold under the provisions of this chapter for less than par and accrued interest.

SECTION 25. Section 37-47-47, Mississippi Code of 1972, is brought forward as follows:

37-47-47. All state school bonds issued under the provisions of this chapter shall be sold by the said state bond commission upon sealed competitive bids or proposals after advertisement therefor and publication of the notice of such sale in the manner provided by law.

The proceeds of the sale of all state school bonds shall be placed in the "State Public School Building Fund" and shall be expended only for the purposes authorized by this chapter. However, the premium, if any, received for any such bonds and the accrued interest paid thereon, if any, shall be placed in the sinking fund established for the payment of said bonds.

SECTION 26. Section 37-47-49, Mississippi Code of 1972, is brought forward as follows:

37-47-49. In anticipation of the issuance of any bonds authorized under the provisions of this chapter, the state bond commission may authorize and issue interim certificates payable to bearer or to the purchaser of the bonds. Such interim certificates may be in such form and may contain such terms, conditions, or provisions and such agreement or agreements relative to their discharge, either through payment or through the delivery of the bonds, as the commission, by resolution or resolutions, determines.

Notwithstanding the foregoing provisions of this section, bonds referred to hereinabove may be issued pursuant to the supplemental powers and authorizations conferred by the provisions of the Registered Bond Act, being Sections 31-21-1 through 31-21-7.

SECTION 27. Section 37-47-51, Mississippi Code of 1972, is brought forward as follows:

37-47-51. All bonds issued under the provisions of this chapter and all interim certificates issued under the provisions of this chapter, except those fully registered, shall be fully negotiable within the meaning and for all the purposes of the Uniform Commercial Code.

SECTION 28. Section 37-47-53, Mississippi Code of 1972, is brought forward as follows:

37-47-53. All bonds and interim certificates issued under the provisions of this chapter and all interest thereon and income therefrom shall be exempt from all taxation, except gift, transfer, and inheritance taxes.

SECTION 29. Section 37-47-55, Mississippi Code of 1972, is brought forward as follows:

37-47-55. The state treasurer shall keep a record in his office of the issuance of all bonds issued under the provisions of this chapter, and he shall execute a certificate to that effect on the back of each bond, which certificate may be signed by either the original or the facsimile signature of the state treasurer. The state treasurer shall also keep proper records relating to the sale and issuance of bonds under the provisions of this chapter, and the amounts received therefor and paid into the state treasury for the purposes provided in this chapter. He shall also keep a full and complete record of all registered bonds issued under the provisions of this chapter.

SECTION 30. Section 37-47-57, Mississippi Code of 1972, is brought forward as follows:

37-47-57. The state educational finance commission is hereby authorized and directed to pay, on approval of the governor, out of any funds derived from the issuance of state school bonds or otherwise in its hands and available for such purpose, any expense which may be incurred by the state bond commission or by the State of Mississippi or its officials in connection with the authorization and issuance of bonds and interim certificates under the provisions of this chapter, including the expense of preparing and delivering said bonds or interim certificates, legal fees, and all other expenses necessarily incurred in connection with the issuance, sale, and delivery of any such bonds and interim certificates.

SECTION 31. Section 37-47-59, Mississippi Code of 1972, is brought forward as follows:

37-47-59. All bonds issued under the authority of this chapter may, in the discretion of the state bond commission, be validated in the chancery court of Hinds County, Mississippi, in the manner and with the force and effect now or hereafter provided by Chapter 13, Title 31, of the Mississippi Code of 1972. In the event of such validation, the necessary papers shall be transmitted to the state bond attorney by the secretary of said state bond commission and the required notice shall be addressed to the taxpayers of the State of Mississippi and shall be published in a newspaper of general circulation published in the City of Jackson, Mississippi.

SECTION 32. Section 37-47-61, Mississippi Code of 1972, is brought forward as follows:

37-47-61. For the purpose of providing for the payment of the principal of and interest upon bonds issued under the provisions of this chapter according to the terms thereof, there shall be and there is hereby established in the state treasury a sinking fund for such payment. Said sinking fund shall consist of the premiums and accrued interest paid upon any such bonds so issued and of such other amount as shall be paid into such fund by appropriation or other authorization by the legislature. In cases where the loan or advance to a school district was made from the proceeds of bonds issued under the provisions of this chapter, the state educational finance commission shall annually pay into said sinking fund the amounts of annual grants to which any school district is entitled and which are used for the repayment of the principal of and interest upon a loan or grant made to such school district under the authority of Section 37-47-25. However, where the loan or advance was made from accumulations in the state public school building fund the amounts of the annual grants to which the school districts are entitled which are used for the repayment of principal of and interest upon such loan or grant shall be paid into the state public school building fund and not into the bond and interest sinking fund.

SECTION 33. Section 37-47-63, Mississippi Code of 1972, is brought forward as follows:

37-47-63. In consideration of the acceptance and purchase of the bonds authorized under the provisions of this chapter, by those who shall hold the same from time to time, this chapter shall be deemed and shall constitute a contract between the State of Mississippi and such holders and shall be irrevocable until such time as all bonds and interim certificates issued under the provisions of this chapter shall have been fully paid.

SECTION 34. Section 37-47-65, Mississippi Code of 1972, is brought forward as follows:

37-47-65. Nothing in this chapter shall be construed to prohibit a school district from issuing its bonds, negotiable notes, or certificates of indebtedness for the purposes, in the manner, to the extent, and subject to the limitations provided by Sections 37-59-1 through 37-59-45, or any other applicable sections, and the authority granted by this chapter shall be construed as being additional, supplemental, and cumulative thereto. The proceeds of the sale of any such bonds, negotiable notes, or certificates of indebtedness so issued by any such school district may be used for the purpose for which they were issued and may be expended in conjunction with funds provided by the state educational finance commission under the provisions of this chapter, or may be expended without such funds, if same be not available.

SECTION 35. Section 37-47-67, Mississippi Code of 1972, is brought forward as follows:

37-47-67. Any county board of education or board of trustees of any school district, including a municipal separate school district, which may be aggrieved by any final rule, regulation, or order of the state educational finance commission adopted under the provisions of this chapter shall have the right to appeal therefrom to the chancery court of the county in which the school district involved or any part thereof is located in like manner, within the same time, with like effect, and subject in all other respects to appeals from orders, rules, and regulations of the state educational finance commission as provided in Chapter 45 of this Title, the provisions of which are hereby made applicable in all respects to appeals from orders, rules, and regulations of the commission under the provisions of this chapter.

SECTION 36. Section 27-65-75, Mississippi Code of 1972, is brought forward as follows:

27-65-75. On or before the fifteenth day of each month, the revenue collected under the provisions of this chapter during the preceding month shall be paid and distributed as follows:

(1) (a) On or before August 15, 1992, and each succeeding month thereafter through July 15, 1993, eighteen percent (18%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3) and 27-65-21, on business activities within a municipal corporation shall be allocated for distribution to the municipality and paid to the municipal corporation. Except as otherwise provided in this paragraph (a), on or before August 15, 1993, and each succeeding month thereafter, eighteen and one-half percent (18-1/2%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3), 27-65-21 and 27-65-24, on business activities within a municipal corporation shall be allocated for distribution to the municipality and paid to the municipal corporation. However, in the event the State Auditor issues a certificate of noncompliance pursuant to Section 21-35-31, the

Department of Revenue shall withhold ten percent (10%) of the allocations and payments to the municipality that would otherwise be payable to the municipality under this paragraph (a) until such time that the department receives written notice of the cancellation of a certificate of noncompliance from the State Auditor.

A municipal corporation, for the purpose of distributing the tax under this subsection, shall mean and include all incorporated cities, towns and villages.

Monies allocated for distribution and credited to a municipal corporation under this paragraph may be pledged as security for a loan if the distribution received by the municipal corporation is otherwise authorized or required by law to be pledged as security for such a loan.

In any county having a county seat that is not an incorporated municipality, the distribution provided under this subsection shall be made as though the county seat was an incorporated municipality; however, the distribution to the municipality shall be paid to the county treasury in which the municipality is located, and those funds shall be used for road, bridge and street construction or maintenance in the county.

(b) On or before August 15, 2006, and each succeeding month thereafter, eighteen and one-half percent (18-1/2%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3) and 27-65-21, on business activities on the campus of a state institution of higher learning or community or junior college whose campus is not located within the corporate limits of a municipality, shall be allocated for distribution to the state institution of higher learning or community or junior college and paid to the state institution of higher learning or community or junior college.

(c) On or before August 15, 2018, and each succeeding month thereafter until August 14, 2019, two percent (2%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3), 27-65-21 and 27-65-24, on business activities within the corporate limits of the City of Jackson, Mississippi, shall be deposited into the Capitol Complex Improvement District Project Fund created in Section 29-5-215. On or before August 15, 2019, and each succeeding month thereafter until August 14, 2020, four percent (4%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3), 27-65-21 and 27-65-24, on business activities within the corporate limits of the City of Jackson, Mississippi, shall be deposited into the Capitol Complex Improvement District Project Fund created in Section 29-5-215. On or before August 15, 2020, and each succeeding month thereafter, six percent (6%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3), 27-65-21 and 27-65-24, on business activities within the corporate limits of the City of Jackson, Mississippi, shall be deposited into the Capitol Complex Improvement District Project Fund created in Section 29-5-215.

(d) (i) On or before the fifteenth day of the month that the diversion authorized by this section begins, and each succeeding month thereafter, eighteen and one-half percent (18-1/2%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3) and 27-65-21, on business activities within a redevelopment project area developed under a redevelopment plan adopted under the Tax Increment Financing Act (Section 21-45-1 et seq.) shall be allocated for distribution to the county in which the project area is located if:

1. The county:

a. Borders on the Mississippi Sound and the State of Alabama, or

b. Is Harrison County, Mississippi, and the project area is within a radius of two (2) miles from the intersection of Interstate 10 and Menge Avenue;

2. The county has issued bonds under Section 21-45-9 to finance all or a portion of a redevelopment project in the redevelopment project area;

3. Any debt service for the indebtedness incurred is outstanding; and

4. A development with a value of Ten Million Dollars (\$10,000,000.00) or more is, or will be, located in the redevelopment area.

(ii) Before any sales tax revenue may be allocated for distribution to a county under this paragraph, the county shall certify to the Department of Revenue that the requirements of this paragraph have been met, the amount of bonded indebtedness that has been incurred by the county for the redevelopment project and the expected date the indebtedness incurred by the county will be satisfied.

(iii) The diversion of sales tax revenue authorized by this paragraph shall begin the month following the month in which the Department of Revenue determines that the requirements of this paragraph have been met. The diversion shall end the month the indebtedness incurred by the county is satisfied. All revenue received by the county under this paragraph shall be deposited in the fund required to be created in the tax increment financing plan under Section 21-45-11 and be utilized solely to satisfy the indebtedness incurred by the county.

(2) On or before September 15, 1987, and each succeeding month thereafter, from the revenue collected under this chapter during the preceding month, One Million One Hundred Twenty-five Thousand Dollars (\$1,125,000.00) shall be allocated for distribution to municipal corporations as defined under subsection (1) of this section in the proportion that the number of gallons of gasoline and diesel fuel sold by distributors to consumers and retailers in each such municipality during the preceding fiscal year bears to the total gallons of gasoline and diesel fuel sold by distributors to consumers and retailers in municipalities statewide during the preceding fiscal year. The Department of Revenue shall require all distributors of gasoline and diesel fuel to report to the department monthly the total number of gallons of gasoline and diesel fuel sold by them to consumers and retailers in each municipality during the preceding month. The Department of Revenue shall have the authority to promulgate such rules and regulations as is necessary to determine the number of gallons of gasoline and diesel fuel sold by distributors to consumers and retailers in each municipality. In determining the percentage allocation of funds under this subsection for the fiscal year beginning July 1, 1987, and ending June 30, 1988, the Department of Revenue may consider gallons of gasoline and diesel fuel sold for a period of less than one (1) fiscal year. For the purposes of this subsection, the term "fiscal year" means the fiscal year beginning July 1 of a year.

(3) On or before September 15, 1987, and on or before the fifteenth day of each succeeding month, until the date specified in Section 65-39-35, the proceeds derived from contractors' taxes levied under Section 27-65-21 on contracts for the construction or reconstruction of highways designated under the highway program created under Section 65-3-97 shall, except as otherwise provided in Section 31-17-127, be deposited into the State Treasury to the credit of the State Highway Fund to be used to fund that highway program. The Mississippi Department of Transportation shall provide to the Department of Revenue such information as is necessary to determine the amount of proceeds to be distributed under this subsection.

(4) On or before August 15, 1994, and on or before the fifteenth day of each succeeding month through July 15, 1999, from the proceeds of gasoline, diesel fuel or kerosene taxes as provided in Section 27-5-101(a)(ii)1, Four Million Dollars (\$4,000,000.00) shall be deposited in the State Treasury to the credit of a special fund designated as the "State Aid Road Fund," created by Section 65-9-17. On or before August 15, 1999, and on or before the fifteenth day of each succeeding month, from the total amount of the proceeds of gasoline, diesel fuel or kerosene taxes apportioned by Section 27-5-101(a)(ii)1, Four Million Dollars (\$4,000,000.00) or an amount equal to twenty-three and one-fourth percent (23-1/4%) of those funds, whichever is the greater amount, shall be deposited in the State Treasury to the credit of the "State Aid Road Fund," created by Section 65-9-17. Those funds shall be pledged to pay the principal of and interest on state aid road bonds heretofore issued under Sections 19-9-51 through 19-9-77, in lieu of and in substitution for the funds previously allocated to counties under this section. Those funds may not be pledged for the payment of any state aid road bonds issued after April 1, 1981; however, this prohibition against the pledging of any such funds for the payment of bonds shall not apply to any bonds for which intent to issue those bonds has been published for the first time, as provided by law before March 29, 1981. From the amount of taxes paid into the special fund under this subsection and subsection (9) of this section, there shall be first deducted and paid the amount necessary to pay the expenses of the Office of State Aid Road Construction, as authorized by the Legislature for all other general and special fund agencies. The remainder of the fund shall be allocated monthly to the several counties in accordance with the following formula:

(a) One-third (1/3) shall be allocated to all counties in equal shares;

(b) One-third (1/3) shall be allocated to counties based on the proportion that the total number of rural road miles in a county bears to the total number of rural road miles in all counties of the state; and

(c) One-third (1/3) shall be allocated to counties based on the proportion that the rural population of the county bears to the total rural population in all counties of the state, according to the latest federal decennial census.

For the purposes of this subsection, the term "gasoline, diesel fuel or kerosene taxes" means such taxes as defined in paragraph (f) of Section 27-5-101.

The amount of funds allocated to any county under this subsection for any fiscal year after fiscal year 1994 shall not be less than the amount allocated to the county for fiscal year 1994.

Any reference in the general laws of this state or the Mississippi Code of 1972 to Section 27-5-105 shall mean and be construed to refer and apply to subsection (4) of Section 27-65-75.

(5) One Million Six Hundred Sixty-six Thousand Six Hundred Sixty-six Dollars (\$1,666,666.00) each month shall be paid into the special fund known as the "State Public School Building Fund" created and existing under the provisions of Sections 37-47-1 through 37-47-67. Those payments into that fund are to be made on the last day of each succeeding month hereafter.

(6) An amount each month beginning August 15, 1983, through November 15, 1986, as specified in Section 6, Chapter 542, Laws of 1983, shall be paid into the special fund known as the Correctional Facilities Construction Fund created in Section 6, Chapter 542, Laws of 1983.

(7) On or before August 15, 1992, and each succeeding month thereafter through July 15, 2000, two and two hundred sixty-six one-thousandths percent (2.266%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Section 27-65-17(2), shall be

deposited by the department into the School Ad Valorem Tax Reduction Fund created under Section 37-61-35. On or before August 15, 2000, and each succeeding month thereafter, two and two hundred sixty-six one-thousandths percent (2.266%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Section 27-65-17(2), shall be deposited into the School Ad Valorem Tax Reduction Fund created under Section 37-61-35 until such time that the total amount deposited into the fund during a fiscal year equals Forty-two Million Dollars (\$42,000,000.00). Thereafter, the amounts diverted under this subsection (7) during the fiscal year in excess of Forty-two Million Dollars (\$42,000,000.00) shall be deposited into the Education Enhancement Fund created under Section 37-61-33 for appropriation by the Legislature as other education needs and shall not be subject to the percentage appropriation requirements set forth in Section 37-61-33.

(8) On or before August 15, 1992, and each succeeding month thereafter, nine and seventy-three one-thousandths percent (9.073%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Section 27-65-17(2), shall be deposited into the Education Enhancement Fund created under Section 37-61-33.

(9) On or before August 15, 1994, and each succeeding month thereafter, from the revenue collected under this chapter during the preceding month, Two Hundred Fifty Thousand Dollars (\$250,000.00) shall be paid into the State Aid Road Fund.

(10) On or before August 15, 1994, and each succeeding month thereafter through August 15, 1995, from the revenue collected under this chapter during the preceding month, Two Million Dollars (\$2,000,000.00) shall be deposited into the Motor Vehicle Ad Valorem Tax Reduction Fund established in Section 27-51-105.

(11) Notwithstanding any other provision of this section to the contrary, on or before February 15, 1995, and each succeeding month thereafter, the sales tax revenue collected during the preceding month under the provisions of Section 27-65-17(2) and the corresponding levy in Section 27-65-23 on the rental or lease of private carriers of passengers and light carriers of property as defined in Section 27-51-101 shall be deposited, without diversion, into the Motor Vehicle Ad Valorem Tax Reduction Fund established in Section 27-51-105.

(12) Notwithstanding any other provision of this section to the contrary, on or before August 15, 1995, and each succeeding month thereafter, the sales tax revenue collected during the preceding month under the provisions of Section 27-65-17(1) on retail sales of private carriers of passengers and light carriers of property, as defined in Section 27-51-101 and the corresponding levy in Section 27-65-23 on the rental or lease of these vehicles, shall be deposited, after diversion, into the Motor Vehicle Ad Valorem Tax Reduction Fund established in Section 27-51-105.

(13) On or before July 15, 1994, and on or before the fifteenth day of each succeeding month thereafter, that portion of the avails of the tax imposed in Section 27-65-22 that is derived from activities held on the Mississippi State Fairgrounds Complex shall be paid into a special fund that is created in the State Treasury and shall be expended upon legislative appropriation solely to defray the costs of repairs and renovation at the Trade Mart and Coliseum.

(14) On or before August 15, 1998, and each succeeding month thereafter through July 15, 2005, that portion of the avails of the tax imposed in Section 27-65-23 that is derived from sales by cotton compresses or cotton warehouses and that would otherwise be paid into the General Fund shall be deposited in an amount not to exceed Two Million Dollars (\$2,000,000.00) into the special fund created under Section 69-37-39. On or before August 15, 2007, and each succeeding month thereafter through July 15, 2010, that portion of the avails of the tax imposed in Section 27-65-23 that is derived from sales by cotton compresses or cotton warehouses and that would otherwise be paid into the

General Fund shall be deposited in an amount not to exceed Two Million Dollars (\$2,000,000.00) into the special fund created under Section 69-37-39 until all debts or other obligations incurred by the Certified Cotton Growers Organization under the Mississippi Boll Weevil Management Act before January 1, 2007, are satisfied in full. On or before August 15, 2010, and each succeeding month thereafter through July 15, 2011, fifty percent (50%) of that portion of the avails of the tax imposed in Section 27-65-23 that is derived from sales by cotton compresses or cotton warehouses and that would otherwise be paid into the General Fund shall be deposited into the special fund created under Section 69-37-39 until such time that the total amount deposited into the fund during a fiscal year equals One Million Dollars (\$1,000,000.00). On or before August 15, 2011, and each succeeding month thereafter, that portion of the avails of the tax imposed in Section 27-65-23 that is derived from sales by cotton compresses or cotton warehouses and that would otherwise be paid into the General Fund shall be deposited into the special fund created under Section 69-37-39 until such time that the total amount deposited into the fund during a fiscal year equals One Million Dollars (\$1,000,000.00).

SECTION 37. Section 37-7-401, Mississippi Code of 1972, is brought forward as follows:

37-7-401. In all cases where the same shall be necessary, advantageous or desirable from the standpoint of transportation, the efficiency of operating schools, or other pertinent considerations, any school district which has been reconstituted, reorganized or created under the provisions of Article 1 of this chapter may, with the prior consent and approval of the State Board of Education, acquire land outside of the boundaries of said school district and thereon construct, erect and equip any needed school building or other school facility of such school district. Any available state public school building funds, or any available funds derived from bonds issued by the school district for such purpose, or any other funds which are available to said school district for such purpose, may be expended for the construction, erecting and equipping of such a school building or school facility, all, however, subject to the prior consent and approval of the State Board of Education. Any school building or school facility so constructed outside of the boundaries of the school district owning same shall be operated, managed and supervised by the school board of the school district owning same in the same manner as though the building or facility were located within the school district, and all the laws of this state concerning the operation of schools shall be fully applicable thereto, and the school board shall have the power to specify the grades which shall be taught therein.

SECTION 38. Section 37-7-409, Mississippi Code of 1972, is brought forward as follows:

37-7-409. (1) When any school districts shall be authorized to unite, join and cooperate in the construction, erecting and equipping of a joint school building or school facility or in the joint operation of a school erected, constructed and equipped entirely by one of such districts, any school district so authorized may, with the prior consent and approval of the State Board of Education, expend in the construction, erecting and equipping of such joint school building or the school building which is to be jointly operated any available state public school building funds, or any available funds derived from bonds issued by such school district for such purpose, or any other funds which are otherwise available to such school district for such purpose, as is set forth and stipulated in the agreement entered into between the school districts involved. Except as is herein specifically provided all provisions of law relative to the construction, erecting and equipping of school buildings, the acquisition of land therefor, and the expenditure of funds for such purposes, shall be fully applicable to any joint school building which has been or is to be constructed, erected and equipped or which is to be operated jointly pursuant to an agreement entered into under the provisions of Section 37-7-405.

(2) When a contract is made and entered into for the construction, erecting and equipping of joint school facilities or the joint operation of school facilities erected, constructed and equipped entirely by one of such districts, as provided in Section 37-7-405, and where such contract has been approved by the State Board of Education, then any funds which are available for the lawful operating and incidental expenses of a school district may be expended by such school district as provided and stipulated in the agreement entered into between the school districts involved (including, but not limited to, funds for payment of tuition, funds payable as a rental upon the use of the building and equipment, and funds for maintenance and incidental costs of operation). The levying authority for the school district, as defined in Section 37-57-1, upon receipt of a certified copy of an order adopted by the school board of the school district in the county requesting same, shall at the same time and in the same manner as other ad valorem taxes are levied, levy an annual tax in the amount fixed in such order as may be required to meet any monetary obligation incurred under such contract. Notwithstanding any statute to the contrary, such number of mills as is necessary to defray any such contractual obligation shall be levied. However, this provision shall in no way be construed to increase the number of mills now reimbursable under the homestead exemption laws of the State of Mississippi.

(3) Before levying any taxes under the provisions of this section, which levy would exceed the limitations otherwise provided for school purposes, the levying authority for the school district, as defined in Section 37-57-1, shall adopt a resolution declaring its intention so to do, stating the amount of millage to be levied and the purpose for which the proceeds are to be used, and the date upon which it proposes to make such levy. Such resolution shall be published once a week for not less than three (3) consecutive weeks, in at least one (1) newspaper having general circulation in the school district. The first publication of such resolution shall be made not less than twenty-one (21) days prior to the date fixed in such resolution for the levying of taxes, and the last publication shall be made not more than seven (7) days prior to such date. If within fifteen (15) days after the final publication of said resolution, a petition signed by the lesser of fifteen hundred (1500) or twenty percent (20%) of the qualified electors of said school district, requesting an election on the proposition of levying such additional taxes for school purposes is filed with the clerk of the board of supervisors or the clerk of the municipality, as the case may be, such levy shall not be made until an election shall be held to determine whether or not three-fifths (3/5) of qualified electors of said school district shall favor the additional levy for school purposes. If three-fifths (3/5) of the qualified electors of said school district voting in such election approves the levying of the additional taxes, then the levy shall be made within the manner, form and time as required by law. If no such petition is filed with the clerk as herein provided, then said levy shall be made by the levying authority in the manner, form and time as required by law. If an election is held under the provisions of

this section, said election shall be under the supervision of the county or municipal election commission, as the case may be, in the manner, form and time as required by law for conducting general elections in this state.

SECTION 39. Section 37-27-55, Mississippi Code of 1972, is brought forward as follows:

37-27-55. When any pupils shall attend any agricultural high school or junior college under the provisions of Section 37-27-51, such pupils shall be reported and accounted for the allocation of minimum education program funds and building funds just as though such pupils were attending the regular schools of the district in which they reside. For this purpose reports shall be made to the board of trustees of the school district involved by the agricultural high school or junior college of the number of children in average daily attendance, and the average daily attendance of such pupils shall thereupon be included in reports made to the county or school district under the provisions of Chapters 19 and 47 of this title. The allocation of minimum education program funds and state public school building funds shall be made for such children just as though such children were attending the regular schools of the district. However, all minimum education program funds which accrue to any district as a result of the pupils who are in attendance at such agricultural high school or junior college, except amounts allotted for transportation purposes, shall be paid by the board of trustees of the municipal separate school district or the county board of education, as the case may be, to the agricultural high school or junior college at which the pupils are in attendance, and shall be expended by said agricultural high school or junior college for the instruction of said pupils and for the purposes for which the funds were originally allotted. Funds allotted to the school district for building purposes under Chapter 47 of this title, shall, however, be retained by the school district entitled thereto. The term "school district" as used in Sections 37-27-51 through 37-27-59 shall be defined as including all public school districts in this state and also all agricultural high schools not located on the campus of a junior college.

SECTION 40. Section 37-131-7, Mississippi Code of 1972, is brought forward as follows:

37-131-7. When any pupils shall attend any demonstration or practice school under the provisions of Section 37-131-3, such children shall be reported and accounted for the allocation of minimum education program funds and state public school building funds just as though such children were attending the regular schools of the district in which they reside. For this purpose, reports shall be made to the school district involved by the demonstration or practice school of the number of pupils in average daily attendance, and the average daily attendance of such children shall thereupon be included in reports made to the State Board of Education and the State Educational Finance Commission by the county or school district under the provisions of Chapters 19 and 47 of this title.

Allocation of minimum education program funds shall be made by the State Board of Education for such children just as though such children were attending the regular schools of the district. All minimum education program funds, except funds allocated for transportation costs, which accrue to any district as a result of such children who are in attendance at a demonstration or practice school shall be paid by the board of trustees of the municipal separate school district or by the county board of education to the demonstration or practice school, and shall be used to defray the cost and expense of maintaining, operating and conducting such demonstration or practice school.

All state public school building funds which accrue as a result of such children in attendance at a demonstration or practice school shall be credited directly to such demonstration or practice school, and all of the provisions of Chapter 47 of this title shall be fully applicable thereto.

SECTION 41. This act shall take effect and be in force from and after July 1, 2022, and shall stand repealed on June 30, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

Senator DeBar called up the following House Amendment to **S. B. No. 2424** and moved that the Senate decline to concur in the Amendment, and invite conference, and the motion prevailed.

AMENDMENT NO. 1:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 37-9-39, Mississippi Code of 1972, is amended as follows:

37-9-39. (1) All school districts shall \*\*\* process a single monthly or a \*\*\* bimonthly payroll for \*\*\* employees, in the discretion of the local school board, consistent with the provisions of Section 37-157-103(1), except for December, when salaries or wages shall be paid by the last working day. Salaries or wages shall be paid at a minimum on a monthly basis. The standard contract for school district employees prescribed by the State Board of Education shall provide that school district employees shall earn a salary payable in equal monthly or bimonthly installments beginning in the first month of employment, regardless of the number of days worked in any particular month by the employee. Any employee failing to complete the contractual obligation of service, and who receives payment in excess of the \*\*\* installment for the period which such employee ceases employment with the school district, shall become liable immediately to the school board of the employing district for the sum of all amounts received in payment less the corresponding amount of any compensation paid for which service has been rendered, plus interest accruing at the current Stafford Loan rate at the time the person discontinues his or her service.

(2) Any school employee whose employment ends during a school term, regardless of the reason(s) the employment ended, shall be paid salary or wages only for that portion of the school term that employee actually worked. Nothing in this subsection (2) shall be construed to entitle any employee to payment of salary or wages when no work has been performed.

SECTION 2. Section 37-7-321, Mississippi Code of 1972, is amended as follows:

37-7-321. (1) The school board of any school district within the State of Mississippi, in its discretion, may employ one or more persons as security personnel and may designate such persons as peace officers in or on any property operated for school purposes by such board upon their taking such oath and making such bond as required of a constable of the county in which the school district is situated.

(2) Any person employed by a school board as a security guard or school resource officer or in any other position that has the powers of a peace officer must receive a minimum level of basic law enforcement training, as jointly determined and prescribed by the Board on Law Enforcement Officer Standards and Training and the State Board of Education, within two (2) years of the person's initial employment in such position. Upon the failure of any person employed in such position to receive the required training within the designated time, the person may not exercise the powers of a peace officer in or on the property of the school district.

(3) The school board is authorized and empowered, in its discretion, and subject to the approval of the Federal Communications Commission, to install and operate a noncommercial radio broadcasting and transmission station for educational and vocational educational purposes.

(4) If a law enforcement officer is duly appointed to be a peace officer by a school district under this section, the local school board may enter into an interlocal agreement with other law enforcement entities for the provision of equipment or traffic control duties, however, the duty to enforce traffic regulations and to enforce the laws of the state or municipality off of school property lies with the local police or sheriff's department which cannot withhold its services solely because of the lack of such an agreement.

(5) Any person employed as a security personnel or school resource officer may be designated to serve as school traffic control officer.

SECTION 3. Section 37-151-103, Mississippi Code of 1972, is amended as follows:

37-151-103. (1) Funds due each school district and charter school under the terms of this chapter from the Adequate Education Program Fund shall be paid in the following manner: Two (2) business days prior to the last working day of each month there shall be paid to each school district and charter school, by electronic funds transfer, one-twelfth (1/12) of the funds to which the district or charter school is entitled from funds appropriated for the Adequate Education Program Fund. However, in December those payments shall be made on December 15th or the next business day after that date. All school districts shall \* \* \* process a single monthly or a \* \* \* bimonthly payroll for \* \* \* employees, in the discretion of the local school board, with electronic settlement of payroll checks secured through direct deposit of net pay for all school district employees. In addition, the State Department of Education may pay school districts and charter schools from the common school fund and the Adequate Education Program Fund on a date earlier than provided for by this section if it is determined that it is in the best interest of school districts and charter schools to do so.

Provided, however, that if the cash balance in the State General Fund is not adequate on the due date to pay the amounts due to all school districts and charter

schools in the state as determined by the State Superintendent of Education, the State Fiscal Officer shall not transfer said funds payable to any school district or districts or charter schools until money is available to pay the amount due to all districts and charter schools.

(2) Notwithstanding any provision of this chapter or any other law requiring the number of children in average daily attendance or the average daily attendance of transported children to be determined on the basis of the preceding year, the State Board of Education is hereby authorized and empowered to make proper adjustments in allotments in cases where major changes in the number of children in average daily attendance or the average daily attendance of transported children occurs from one year to another as a result of changes or alterations in the boundaries of school districts, the sending of children from one county or district to another upon a contract basis, the termination or discontinuance of a contract for the sending of children from one county or district to another, a change in or relocation of attendance centers, or for any other reason which would result in a major decrease or increase in the number of children in average daily attendance or the average daily attendance of transported children during the current school year as compared with the preceding year.

(3) In the event of an inordinately large number of absentees in any school district or charter school as a result of epidemic, natural disaster, or any concerted activity discouraging school attendance, then in such event school attendance for the purposes of determining average daily attendance under the adequate education program shall be based upon the average daily attendance for the preceding school year for such school district or charter school.

(4) The State Department of Education shall hold school districts harmless for each school district's average daily attendance calculation for the 2020-2021 scholastic year. For purposes of determining average daily attendance for the 2020-2021 scholastic year, the State Department of Education shall use each school district's average daily attendance for the 2019-2020 scholastic year if it is greater than the school's average daily attendance for the 2020-2021 scholastic year.

SECTION 4. This act shall take effect and be in force from and after July 1, 2022, and shall stand repealed on June 30, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 37-9-39, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT SCHOOL DISTRICTS SHALL PROCESS A SINGLE MONTHLY OR BIMONTHLY PAYROLL FOR EMPLOYEES IN THE DISCRETION OF THE LOCAL SCHOOL BOARD; TO AMEND SECTION 37-151-103, MISSISSIPPI CODE OF 1972, TO REQUIRE ALL SCHOOL DISTRICTS TO PROCESS A SINGLE MONTHLY OR BIMONTHLY PAYROLL FOR ALL EMPLOYEES IN THE DISCRETION OF THE LOCAL SCHOOL BOARD; AND FOR RELATED PURPOSES.

Senator Harkins called up the following House Amendment to **S. B. No. 3164** and moved that the Senate decline to concur in the Amendment, and invite conference, and the motion prevailed.

AMENDMENT NO. 1:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) This act shall be known and may be cited as the "Mississippi Tax Freedom Act of 2022."

(2) The Legislature finds that:

(a) For fiscal year 2021, actual General Fund revenue collections of Six Billion Seven Hundred Forty-one Million Three Hundred Eighty-four Thousand Nine Hundred Seventy-five Dollars (\$6,741,384,975.00) exceeded the General Fund revenue collections estimate of Five Billion Six Hundred Ninety Million Seven Hundred Thousand Dollars (\$5,690,700,000.00) established by the Joint Legislative Budget Committee;

(b) The General Fund revenue collections estimate for fiscal year 2022 is Five Billion Nine Hundred Twenty-seven Million Dollars (\$5,927,000,000.00), with an estimate for the first half of fiscal year 2022 of Two Billion Eight Hundred Twenty-four Million Three Hundred Twenty-six Thousand One Hundred Dollars (\$2,824,326,100.00), and actual General Fund revenue collections through the first half of fiscal year 2022 are Three Billion Three Hundred Sixty-nine Million Five Hundred Eighty-three Thousand Seven Hundred Forty-eight Dollars (\$3,369,583,748.00), which significantly exceed estimated General Fund revenue collections for such period;

(c) As a result of such excess revenue collections during those fiscal years, there is more than a sufficient amount of General Fund revenue available to offset any loss of General Fund revenue during fiscal year 2023 due to changes to the state income tax law made by this act; and

(d) For Fiscal Year 2024, The Legislative Budget Report for Fiscal Year 2023 has provided an out year projection for Fiscal Year 2024 of Six Billion Seven Hundred Ninety-seven Million One Hundred Thirty-three Thousand Two Hundred Three Dollars (\$6,797,133,203.00) and this continued level of growth will allow for a sufficient amount of General Fund revenue to be available to offset any loss of General Fund revenue during fiscal year 2024 due to changes to the state income tax law and state sales tax law made by this act.

SECTION 2. Section 27-7-21, Mississippi Code of 1972, is amended as follows:

27-7-21. (a) Allowance of deductions. In the case of a resident individual, the exemptions provided by this section, as applicable to individuals, shall be allowed as deductions in computing taxable income.

A husband and wife living together shall receive but one (1) personal exemption in the

amounts provided for in this subsection for each calendar year against their aggregate income.

(d) Head of family individuals. In the case of a head of family individual, a personal exemption of Eight Thousand Dollars (\$8,000.00) for the 1979 and 1980 calendar years \* \* \*, Nine Thousand Five Hundred Dollars (\$9,500.00) for each calendar year thereafter through calendar year 2022, and Twenty-one Thousand Six Hundred Dollars (\$21,600.00) for each calendar year thereafter. The term "head of family" means an individual who is single, or married but not living with his spouse for the entire taxable year, who maintains a household which constitutes the principal place of abode of himself and one or more individuals who are dependents under the provisions of Section 152(a) of the Internal Revenue Code of 1954, as amended. The head of family individual shall be entitled to the additional dependent exemption as provided in subsection (e) of this section only to the extent of dependents in excess of the one (1) dependent needed to qualify as head of family.

(e) Additional exemption for dependents. In the case of any individual having a dependent, other than husband or wife, an additional personal exemption of One Thousand Five Hundred Dollars (\$1,500.00) for each such dependent, except as otherwise provided in subsection (d) of this section. The term "dependent" as used in this subsection shall mean any person or individual who qualifies as a dependent under the provisions of Section 152, Internal Revenue Code of 1954, as amended.

(g) Additional exemption for blindness of taxpayer or spouse. In the case of any taxpayer or the spouse of the taxpayer who is blind at the close of the taxable year, an additional exemption of One Thousand Five Hundred Dollars (\$1,500.00). For the purpose of this subsection, an individual is blind only if his central visual acuity does not exceed 20/200 in the better eye with correcting lenses, or if his visual acuity is greater than 20/200 but is accompanied by a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle no greater than twenty (20) degrees.

(h) Husband and wife--claiming exemptions. In the case of husband and wife living together and filing combined returns, the personal and additional exemptions authorized and allowed by this section may be taken by either, or divided between them in any manner they may choose. If the husband and wife fail to choose, the commissioner shall divide the exemptions between husband and wife in an equitable manner. In the case of a husband and wife filing separate returns, the personal and additional exemptions authorized and allowed by this section shall be divided equally between the spouses.

(i) Nonresidents. A nonresident individual shall be allowed the same personal and additional exemptions as are authorized for resident individuals in subsection (a) of this section; however, the nonresident individual is entitled only to that proportion of the personal and additional exemptions as his net income from sources within the State of Mississippi bears to his total or entire net income from all sources.

A nonresident individual who is married and whose spouse has income from independent sources must declare the joint income of himself and his spouse from sources within and without Mississippi and claim as a personal exemption that proportion of the authorized personal and additional exemptions which the total net income from Mississippi sources bears to the total net income of both spouses from all sources. If both spouses have income from sources within Mississippi and wish to file separate returns, their combined personal and additional exemptions shall be that proration of the exemption which their combined net income from Mississippi sources is of their total

combined net income from all sources. The amount of the personal and additional exemptions so computed may be divided between them in any manner they choose.

In the case of married individuals where one (1) spouse is a resident and the other is a nonresident, the personal exemption of the resident individual shall be prorated on the same basis as if both were nonresidents having net income from within and without the State of Mississippi.

For the purpose of this subsection, the term "net income" means gross income less business expenses incurred in the taxpayer's regular trade or business and computed in accordance with the provisions of the Mississippi Income Tax Law.

(j) Part-year residents. An individual who is a resident of Mississippi for only a part of his taxable year by reason of either moving into the state or moving from the state shall be allowed the same personal and additional exemptions as authorized for resident individuals in subsection (a) of this section; the part-year resident shall prorate his exemption on the same basis as nonresidents having net income from within and without the state.

(k) Estates. In the case of an estate, a specific exemption of Six Hundred Dollars (\$600.00).

(l) Trusts. In the case of a trust which, under its governing instrument, is required to distribute all of its income currently, a specific exemption of Three Hundred Dollars (\$300.00). In the case of all other trusts, a specific exemption of One Hundred Dollars (\$100.00).

(m) Corporations, foundations, joint ventures, associations. In the case of a corporation, foundation, joint venture or association taxable herein, there shall be allowed no specific exemption, except as provided under the Growth and Prosperity Act, Sections 57-113-1 through 57-113-7, and Sections 57-113-21 through 57-113-27.

(n) Status. The status on the last day of the taxable year, except in the case of the head of family as provided in subsection (d) of this section, shall determine the right to the exemptions provided in this section; provided, that a taxpayer shall be entitled to such exemptions, otherwise allowable, if the husband or wife or dependent has died during the taxable year.

(o) Fiscal-year taxpayers. Individual taxpayers reporting on a fiscal year basis shall prorate their exemptions in a manner established by regulations promulgated by the commissioner.

(p) (i) On or before December 1, 2024, and on or before December 1 of each succeeding year, the Commissioner of Revenue shall calculate the amount of the increases in the personal exemption for single individuals, the personal exemption for married individuals, and the personal exemption for head of family individuals, that will produce a reduction in revenue equal to the lesser of the tax reduction growth amount calculated as provided in paragraph (ii) of this subsection (p) or One Hundred Fifty Million Dollars (\$150,000,000.00). The commissioner shall increase each of the personal exemptions by the amount calculated in this paragraph (i), rounded down to the nearest One Thousand Dollars (\$1,000.00) increment, and the revised personal exemption amounts calculated by the commissioner shall be effective for the next calendar year. From and after January 1 of the next succeeding year after the date that the Commissioner of Revenue certifies that the reduction in revenue mandated by this paragraph (i) equals or exceeds the remaining revenue produced by the individual income tax, the individual income tax shall stand repealed as provided in Section 27-7-5.

(ii) On or before October 1, 2024, and on or before October 1 of each succeeding year, the Legislative Budget Office shall provide to the Commissioner of Revenue the following amounts:

1. The amount of the actual general fund revenue collected during the most recent full fiscal year, excluding any funds received from a nonrecurring revenue source;

2. The inflation factor, which shall be determined by dividing the CPI-U for the most recent full fiscal year by the CPI-U for the fiscal year 2023. As used in this paragraph (ii), "CPI-U" means the United States Consumer Price Index for All Urban Consumers, South Region as defined and reported by the United States Department of Labor, Bureau of Labor Statistics;

4. A development with a value of Ten Million Dollars (\$10,000,000.00) or more is, or will be, located in the redevelopment area.

(ii) Before any sales tax revenue may be allocated for distribution to a county under this paragraph, the county shall certify to the Department of Revenue that the requirements of this paragraph have been met, the amount of bonded indebtedness

that has been incurred by the county for the redevelopment project and the expected date the indebtedness incurred by the county will be satisfied.

(iii) The diversion of sales tax revenue authorized by this paragraph shall begin the month following the month in which the Department of Revenue determines that the requirements of this paragraph have been met. The diversion shall end the month the indebtedness incurred by the county is satisfied. All revenue received by the county under this paragraph shall be deposited in the fund required to be created in the tax increment financing plan under Section 21-45-11 and be utilized solely to satisfy the indebtedness incurred by the county.

(2) On or before September 15, 1987, and each succeeding month thereafter, from the revenue collected under this chapter during the preceding month, One Million One Hundred Twenty-five Thousand Dollars (\$1,125,000.00) shall be allocated for distribution to municipal corporations as defined under subsection (1) of this section in the proportion that the number of gallons of gasoline and diesel fuel sold by distributors to consumers and retailers in each such municipality during the preceding fiscal year bears to the total gallons of gasoline and diesel fuel sold by distributors to consumers and retailers in municipalities statewide during the preceding fiscal year. The Department of Revenue shall require all distributors of gasoline and diesel fuel to report to the department monthly the total number of gallons of gasoline and diesel fuel sold by them to consumers and retailers in each municipality during the preceding month. The Department of Revenue shall have the authority to promulgate such rules and regulations as is necessary to determine the number of gallons of gasoline and diesel fuel sold by distributors to consumers and retailers in each municipality. In determining the percentage allocation of funds under this subsection for the fiscal year beginning July 1, 1987, and ending June 30, 1988, the Department of Revenue may consider gallons of gasoline and diesel fuel sold for a period of less than one (1) fiscal year. For the purposes of this subsection, the term "fiscal year" means the fiscal year beginning July 1 of a year.

(3) On or before September 15, 1987, and on or before the fifteenth day of each succeeding month, until the date specified in Section 65-39-35, the proceeds derived from contractors' taxes levied under Section 27-65-21 on contracts for the construction or reconstruction of highways designated under the highway program created under Section 65-3-97 shall, except as otherwise provided in Section 31-17-127, be deposited into the State Treasury to the credit of the State Highway Fund to be used to fund that highway program. The Mississippi Department of Transportation shall provide to the Department of Revenue such information as is necessary to determine the amount of proceeds to be distributed under this subsection.

(4) On or before August 15, 1994, and on or before the fifteenth day of each succeeding month through July 15, 1999, from the proceeds of gasoline, diesel fuel or kerosene taxes as provided in Section 27-5-101(a)(ii)1, Four Million Dollars (\$4,000,000.00) shall be deposited in the State Treasury to the credit of a special fund designated as the "State Aid Road Fund," created by Section 65-9-17. On or before August 15, 1999, and on or before the fifteenth day of each succeeding month, from the total amount of the proceeds of gasoline, diesel fuel or kerosene taxes apportioned by Section 27-5-101(a)(ii)1, Four Million Dollars (\$4,000,000.00) or an amount equal to twenty-three and one-fourth percent (23-1/4%) of those funds, whichever is the greater amount, shall be deposited in the State Treasury to the credit of the "State Aid Road Fund," created by Section 65-9-17. Those funds shall be pledged to pay the principal of and interest on state aid road bonds heretofore issued under Sections 19-9-51 through 19-9-77, in lieu of and in substitution for the funds previously allocated to counties under this section. Those funds may not be pledged for the payment of any state aid road bonds issued after April 1, 1981; however, this prohibition against the pledging of any such funds for the payment of bonds shall not apply to any bonds for which intent to issue those bonds has been published for the first time, as provided by law before March 29, 1981. From the amount of taxes paid into the special fund under this subsection and subsection (9) of this section, there shall be first deducted and paid the amount necessary to pay the

expenses of the Office of State Aid Road Construction, as authorized by the Legislature for all other general and special fund agencies. The remainder of the fund shall be allocated monthly to the several counties in accordance with the following formula:

(a) One-third (1/3) shall be allocated to all counties in equal shares;

(b) One-third (1/3) shall be allocated to counties based on the proportion that the total number of rural road miles in a county bears to the total number of rural road miles in all counties of the state; and

(c) One-third (1/3) shall be allocated to counties based on the proportion that the rural population of the county bears to the total rural population in all counties of the state, according to the latest federal decennial census.

For the purposes of this subsection, the term "gasoline, diesel fuel or kerosene taxes" means such taxes as defined in paragraph (f) of Section 27-5-101.

The amount of funds allocated to any county under this subsection for any fiscal year after fiscal year 1994 shall not be less than the amount allocated to the county for fiscal year 1994.

Any reference in the general laws of this state or the Mississippi Code of 1972 to Section 27-5-105 shall mean and be construed to refer and apply to subsection (4) of Section 27-65-75.

(f) "Specified conservation purposes" mean the preservation of stream bank habitats and the stability of stream banks, or the protection of land necessary because of high biodiversity significance or high protection urgency due to the presence of exemplary natural communities or species of special concern, including threatened or endangered species.

(3) The credit provided for in this section shall be fifty percent (50%) of the allowable transaction costs involved in the donation for the tax year in which the allowable transaction costs occur. The aggregate amount of the credit provided in this section for allowable transaction costs shall not exceed the lesser of Ten Thousand Dollars (\$10,000.00) or the amount of tax imposed upon the taxpayer for the taxable year reduced by the sum of all other credits allowable to such taxpayer under this chapter, except credit for tax payments made by or on behalf of the taxpayer. SECTION 13. Section 27-7-22.22, Mississippi Code of 1972, is brought forward as follows:

27-7-22.22. (1) A credit is allowed against the taxes imposed by this chapter to a taxpayer for allowing land owned by the taxpayer to be used as a natural area preserve, a wildlife refuge or habitat area, a wildlife management area, or for the purpose of providing public outdoor recreational opportunities, as authorized under Section 49-1-29, 49-5-71 or 49-5-155, subject to the following conditions and limitations:

(a) The land may not be under lease to the Mississippi Commission on Wildlife, Fisheries and Parks, and the commission must approve the land as being suitable for the uses described in this section.

(b) The amount of the tax credit allowed by this section shall be Five Dollars and Fifty Cents (\$5.50) per acre of land in each taxable year.

(c) In no event shall the amount of the tax credits allowed by this section for a taxable year exceed the taxpayer's liability for those taxes. Any unused credit amount shall be allowed to be carried forward for five (5) years from the close of the taxable year in which the land was approved for such a use. No such credit shall be allowed the taxpayer against prior years' tax liability.

(2) To claim a credit allowed by this section, the taxpayer shall provide any information required by the Mississippi Commission on Wildlife, Fisheries and Parks or the Mississippi Commissioner of Revenue. Every taxpayer claiming a credit under this section shall maintain and make available for inspection by the Mississippi Commission on Wildlife, Fisheries and Parks or the Mississippi Commissioner of Revenue any records that either entity considers necessary to determine and verify the amount of the credit to which the taxpayer is entitled. The burden of proving eligibility for a credit and the amount of the credit rests upon the taxpayer, and no credit may be allowed to a taxpayer that fails to maintain adequate records or to make them available for inspection.

(3) Upon approval of the Commission on Wildlife, Fisheries and Parks under subsection (1)(a), a taxpayer seeking to claim any tax credit provided for under this section must submit an application to the Mississippi Commissioner of Revenue for approval of the tax credit. The Mississippi Commissioner of Revenue shall promulgate the rules and forms on which the application is to be submitted. The Mississippi Commissioner of Revenue shall review the application and may approve such application upon determining that it meets the requirements of this section within sixty (60) days after receiving the application.

SECTION 14. Section 27-7-22.31, Mississippi Code of 1972, is amended as follows:

(b) "Eligible property" means property located in Mississippi and offered or used for residential or business purposes.

(c) "Structure in a certified historic district" means a structure (and its structural components) located in Mississippi which:

(i) Is listed in the National Register of Historic Places; or

(ii) Has been determined eligible for the National Register of Historic Places by the Secretary of the United States Department of the Interior and will be listed within thirty (30) months of claiming the rebate or credit authorized by this section; or

(iii) Is located in a registered historic district listed on the National Register of Historic Places or located in a potential district that has been determined eligible for the National Register of Historic Places by the Secretary of the United States Department of the Interior and will be listed within thirty (30) months of claiming the rebate or credit authorized by this section, and is certified by the Secretary of the United States Department of the Interior as being of historic significance to the district; or

(iv) Is certified by the Mississippi Department of Archives and History as contributing to the historic significance of:

1. A certified historic district listed on the National Register of Historic Places; or

2. A potential district that has been determined eligible for the National Register of Historic Places by the Secretary of the United States Department of the Interior and will be listed within thirty (30) months of claiming the rebate or credit authorized by this section; or

3. A local district that has been certified by the United States Department of the Interior.

(d) "Department" means the Department of Archives and History.

(2) Any taxpayer incurring costs and expenses for the rehabilitation of eligible property, which is a certified historic structure or a structure in a certified historic district, shall be entitled to a rebate or credit against the taxes imposed pursuant to this chapter in an amount equal to twenty-five percent (25%) of the total costs and expenses of rehabilitation incurred after January 1, 2006, which shall include, but not be limited to, qualified rehabilitation expenditures as defined under Section 47(c)(2)(A) of the Internal Revenue Code of 1986, as amended, and the related regulations thereunder:

(a) If the costs and expenses associated with rehabilitation exceed:

(i) Five Thousand Dollars (\$5,000.00) in the case of an owner-occupied dwelling; or

(ii) Fifty percent (50%) of the adjusted basis in the property in the case of all other properties; and

(b) The rehabilitation is consistent with the standards of the Secretary of the United States Department of the Interior as determined by the department.

(3) Any taxpayer eligible for the rebate or credit authorized by this section may claim the rebate or credit in phases if:

(a) There is a written set of architectural plans and specifications for all phases of the rehabilitation (written plans outlining and describing all phases of the rehabilitation shall be accepted as written plans and specifications);

(b) The written set of architectural plans and specifications are completed before the physical work on the rehabilitation begins; and

(c) The project receives final certification by the department within sixty (60) months of the project start date certified in the first phase.

(4) (a) (i) If the amount of the tax credit established by this section exceeds the total state income tax liability for the credit year, the amount that exceeds the total state income tax liability may be carried forward for the ten (10) succeeding tax years.

(ii) In lieu of claiming a tax credit, the taxpayer may elect to claim a rebate in the amount of seventy-five percent (75%) of the amount that would be eligible to claim as a credit. The election must be made in the year in which the rebate is certified.

(iii) Rebate requests shall be submitted to the department on forms prescribed by the department. The department will then provide the taxpayer with a voucher for the approved amount. Within twelve (12) months of the issuance of the voucher by the department, the taxpayer may submit the voucher to the Department of Revenue to receive payment. Rebates shall be made from current tax collections.

(b) Not-for-profit entities, including, but not limited to, nonprofit corporations organized under Section 79-11-101 et seq., shall be ineligible for the rebate or credit authorized by this section. Credits granted to a partnership, a limited liability company taxed as a partnership or multiple owners of property shall be passed through to the partners, members or owners on a pro rata basis or pursuant to an executed agreement among the partners, members or owners documenting an alternative distribution method. Partners, members or other owners of a pass-through entity are not eligible to elect a refund of excess credit in lieu of a carryforward of the credit. However, a partnership or limited liability company taxed as a partnership may elect to claim a rebate at the entity level on a form prescribed by the department. Additionally, excess tax credits that are attributable to rehabilitated property that was placed in service by a pass-through entity prior to January 1, 2011, and that have previously been allocated to and are held by another pass-through entity prior to January 1, 2011, may be refunded to such other pass-through entity.

(5) (a) (i) To claim the rebate or credit authorized pursuant to this section, the taxpayer shall apply to the department which shall determine the amount of eligible rehabilitation costs and expenses and whether the rehabilitation is consistent with the standards of the Secretary of the United States Department of the Interior. The department shall issue a certificate evidencing the date of the rebate or credit and amount of eligible rebate or credit if the taxpayer is found to be eligible for the tax rebate or credit. The taxpayer shall attach the certificate to all income tax returns on which the credit is claimed. Except as otherwise provided in this paragraph (a), the department shall not issue certificates evidencing the eligible rebate or credit which will result in rebates or credits being awarded in excess of Twelve Million Dollars (\$12,000,000.00) in any one (1) calendar year for projects with total qualified rehabilitation costs and expenses of One Million Seven Hundred Fifty Thousand Dollars (\$1,750,000.00) or more. The department shall also not issue certificates evidencing the eligible rebate or credit which will result in rebates or credits being awarded in excess of Twelve Million Dollars (\$12,000,000.00) in

any one (1) calendar year for projects with total qualified rehabilitation costs and expenses of less than One Million Seven Hundred Fifty Thousand Dollars (\$1,750,000.00).

(ii) If claiming a credit instead of a rebate, the taxpayer shall claim such credit on the income tax return for the tax year for which the credit is certified.

(b) The date of the rebate or credit shall be certified in the following order:

(i) The rebate or credit shall be certified based on the date of project completion.

(ii) If the eligible rebate or credit exceeds the available limit in the year in which the project is completed, the rebate or credit shall be certified based on the date the certification is issued by the department. The department shall issue the certification in the first calendar year in which the requested rebate or credit would not exceed the calendar year limit.

(c) The aggregate amount of tax rebates \* \* \*, credits or grants that may be awarded under this section shall not exceed One Hundred Eighty Million Dollars (\$180,000,000.00).

(6) (a) The rebate \* \* \*, credit or grant received by a taxpayer pursuant to this section is subject to recapture if:

(i) The property is one that has been determined eligible for the National Register of Historic Places but is not listed on the National Register of Historic Places within thirty (30) months of claiming the rebate or credit authorized by this section;

(ii) The potential district in which the property is located is not listed on the National Register of Historic Places within thirty (30) months of claiming the rebate or credit authorized by this section; or

(iii) The project has not received final certification by the department within sixty (60) months of the project start date certified in the first phase.

(b) The taxpayer shall notify the department and the Department of Revenue if any of the situations that subject the credit to recapture occur.

(7) (a) The board of trustees of the department shall establish fees to be charged for the services performed by the department under this section and shall publish the fee schedule. The fees contained in the schedule shall be in amounts reasonably calculated to recover the costs incurred by the department for the administration of this section. Any taxpayer desiring to participate in the tax credits authorized by this section shall pay the appropriate fee as contained in the fee schedule to the department, which shall be used by the department, without appropriation, to offset the administrative costs of the department associated with its duties under this section.

(b) There is hereby created within the State Treasury a special fund into which shall be deposited all the fees collected by the department pursuant to this section. Money deposited into the fund shall not lapse at the end of any fiscal year and investment earnings on the proceeds in such special fund shall be deposited into such fund. Money from the fund shall be disbursed upon warrants issued by the State Fiscal Officer upon requisitions signed by the executive director of the department to assist the department in carrying out its duties under this section.

(8) This section shall only apply to taxpayers:

(a) Who have been issued a certificate evidencing the eligible credit before December 31, 2030; or

(b) Who, before December 31, 2030, have received a determination in writing from the Mississippi Department of Archives and History, in accordance with the department's Historic Preservation Certificate Application, Part 2, that the rehabilitation is consistent with the historic character of the property and that the property meets the United States Secretary of the Interior's Standards for Rehabilitation, or will meet the standards if certain specified conditions are met, and, who are issued a certificate evidencing the eligible credit on or after December 31, 2030.

(9) Notwithstanding any other provision of this section to the contrary, from and after January 1, 2023, if the amount of the credit or rebate that a taxpayer is eligible to receive or to use is less than the amount of credit or rebate that the taxpayer would have been eligible to receive or to use if the taxpayer's income tax liability had been calculated using any applicable income tax personal exemptions in Section 27-7-21(b), (c) and (d), as such exemptions existed before January 1, 2023, then the taxpayer shall receive a grant from the Department of Revenue equal to the difference between such two (2) amounts. Grants made by the Department of Revenue under this section shall be made from current tax collections.

SECTION 15. Section 27-7-22.32, Mississippi Code of 1972, is brought forward as follows:

[Through December 31, 2023, this section shall read as follows:]

27-7-22.32. A taxpayer claiming a credit under this paragraph (a) may not claim a credit under paragraph (b) of this subsection for the adoption of the same child.

(b) There shall be allowed as a credit against the tax imposed by this chapter the amount of Five Thousand Dollars (\$5,000.00) for each dependent child legally adopted by a taxpayer under the laws of this state through the Mississippi Department of Child Protection Services during calendar year 2018 or during any calendar year thereafter. A taxpayer claiming a credit under this paragraph (b) may not claim a credit under paragraph (a) of this subsection for the adoption of the same child.

(2) The tax credit under this section may be claimed for the taxable year in which the adoption becomes final under the laws of this state. Any tax credit claimed under this section but not used in any taxable year may be carried forward for the five (5) succeeding tax years. A tax credit is allowed under this section for any child for which an exemption is claimed during the same taxable year under Section 27-7-21(e). For the purposes of this section, the term "qualified adoption expenses" means and has the same definition as that term has in 26 USCS 36C.

The tax credit under this section may be claimed for the taxable year in which the adoption becomes final under the laws of this state. Any tax credit claimed under this section but not used in any taxable year may be carried forward for the three (3) succeeding tax years. A tax credit is allowed under this section for any

child for which an exemption is claimed during the same taxable year under Section 27-7-21(e). For the purposes of this section, the term "qualified adoption expenses" means and has the same definition as that term has in 26 USCS 36C.

(2) No taxpayer shall be entitled to the credit with respect to the same expended amounts for qualified long-term care insurance which are claimed by another taxpayer.

(3) The credit allowed by this section shall not exceed Five Hundred Dollars (\$500.00) or the taxpayer's income tax liability, whichever is less, for each qualified long-term care insurance policy. Any unused tax credit shall not be allowed to be carried forward to apply to the taxpayer's succeeding year's tax liability.

(4) No credit shall be allowed under this section with respect to any premium for qualified long-term care insurance either deducted or subtracted by the taxpayer in arriving at his net taxable income under this section or with respect to any premiums for qualified long-term care insurance which were excluded from his net taxable income.

SECTION 17. Section 27-7-22.37, Mississippi Code of 1972, is brought forward as follows:

27-7-22.37. In order to qualify for a tax credit, such contributions may support the local match requirement of approved providers, lead partners or collaboratives as is necessary to match state-appropriated funds, and any such providers, lead partners or collaboratives shall be approved by the State Department of Education.

(2) Any unused portion of the credit may be carried forward for three (3) tax years.

(3) Any prekindergarten program support contribution shall be verified by submission to the Mississippi Department of Revenue of a copy of the receipt provided to the donor taxpayer by the prekindergarten program recipient or such other written verification as may be required by the Department of Revenue.

(4) The maximum amount of donations accepted by the Department of Revenue in calendar year 2014 shall not exceed Eight Million Dollars (\$8,000,000.00), in calendar year 2015 shall not exceed Fifteen Million Dollars (\$15,000,000.00), and in calendar year 2016 and calendar years thereafter shall not exceed Thirty-two Million Dollars (\$32,000,000.00), or what is appropriated by the Legislature to fund Chapter 493, Laws of 2013 each year.

(5) The Mississippi Department of Revenue shall promulgate rules necessary to effectuate the purposes of Chapter 493, Laws of 2013. Such rules shall include a means of informing the public of the existence of the prekindergarten support program and the application process for provider, lead partner and collaborative candidates.

SECTION 18. Section 27-7-22.39, Mississippi Code of 1972, is brought forward as follows:

27-7-22.39. (1) As used in this section:

(a) "Low-income residents" means persons whose household income is less than one hundred fifty percent (150%) of the federal poverty level.

(b) "Qualifying charitable organization" means a charitable organization that is exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code or is a designated community action agency that receives community services block grant program monies pursuant to 42 USC 9901. The organization must spend at least fifty percent (50%) of its budget on services to residents of this state who receive temporary assistance for needy families benefits or low-income residents of this state and their households or to children who have a chronic illness or physical, intellectual, developmental or emotional disability who are residents of this state. A charitable organization that is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and that meets all other requirements of this paragraph except that it does not spend at least fifty percent (50%) of its overall budget in Mississippi may be a qualifying charitable organization if it spends at least fifty percent (50%) of its Mississippi budget on services to qualified individuals in Mississippi and it certifies to the department that one hundred percent (100%) of the voluntary cash contributions from the taxpayer will be spent on services to qualified individuals in Mississippi. Taxpayers choosing to make donations through an umbrella charitable organization that collects donations on behalf of member charities shall designate that the donation be directed to a member charitable organization that would qualify under this section on a stand-alone basis. Qualifying charitable organization does not include any entity that provides, pays for or provides coverage of abortions or that financially supports any other entity that provides, pays for or provides coverage of abortions.

(c) "Qualifying foster care charitable organization" means a qualifying charitable organization that each operating year provides services to at least one hundred (100) qualified individuals in this state and spends at least fifty percent (50%) of its budget on services to qualified individuals in this state. A charitable organization that is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and that meets all other requirements of this paragraph except that it does not spend at least fifty percent (50%) of its overall budget in Mississippi may be a qualifying foster care charitable organization if it spends at least fifty percent (50%) of its Mississippi budget on services to qualified individuals in Mississippi and it certifies to the department that one hundred percent (100%) of the voluntary cash contributions from the taxpayer will be spent on services to qualified individuals in Mississippi. For the purposes of this paragraph, "qualified individual" means a child in a foster care placement program established by the Department of Child Protection Services, a child placed under the Safe Families for Children model, or a child at significant risk of entering a foster care placement program established by the Department of Child Protection Services.

(d) "Services" means:

(i) Cash assistance, medical care, child care, food, clothing, shelter, and job-placement services or any other assistance that is reasonably necessary to meet immediate basic needs and that is provided and used in this state;

(ii) Job-training or education services or funding for parents, foster parents or guardians; or

(iii) Job-training or education services or funding provided as part of a foster care independent living program.

(2) Except as provided in subsections (3) and (4) of this section, a credit is allowed against the taxes imposed by this chapter for voluntary cash contributions by the taxpayer during the taxable year to a qualifying charitable organization, other than a qualifying foster care charitable organization, not to exceed:

(a) The lesser of Four Hundred Dollars (\$400.00) or the amount of the contribution in any taxable year for a single individual or a head of household.

(b) The lesser of Eight Hundred Dollars (\$800.00) or the amount of the contribution in any taxable year for a married couple filing a joint return.

(3) A separate credit is allowed against the taxes imposed by this chapter for voluntary cash contributions during the taxable year to a qualifying foster care charitable organization. A contribution to a qualifying foster care charitable organization does not qualify for, and shall not be included in, any credit amount under subsection (2) of this section. If the voluntary cash contribution by the taxpayer is to a qualifying foster care charitable organization, the credit shall not exceed:

(a) The lesser of Five Hundred Dollars (\$500.00) or the amount of the contribution in any taxable year for a single individual or a head of household.

(b) The lesser of One Thousand Dollars (\$1,000.00) or the amount of the contribution in any taxable year for a married couple filing a joint return.

(4) Subsections (2) and (3) of this section provide separate credits against taxes imposed by this chapter depending on the recipients of the contributions. A taxpayer, including a married couple filing a joint return, in the same taxable year, may either or both:

(a) Contribute to a qualifying charitable organization, other than a qualifying foster care charitable organization, and claim a credit under subsection (2) of this section.

(b) Contribute to a qualifying foster care charitable organization and claim a credit under subsection (3) of this section.

(5) A husband and wife who file separate returns for a taxable year in which they could have filed a joint return may each claim only one-half (1/2) of the tax credit that would have been allowed for a joint return.

(6) If the allowable tax credit exceeds the taxes otherwise due under this chapter on the claimant's income, or if there are no taxes due under this chapter, the taxpayer may carry forward the amount of the claim not used to offset the taxes under this chapter for not more than five (5) consecutive taxable years' income tax liability.

(7) The credit allowed by this section is in lieu of a deduction pursuant to Section 170 of the Internal Revenue Code and taken for state tax purposes.

(8) Taxpayers taking a credit authorized by this section shall provide the name of the qualifying charitable organization and the amount of the contribution to the department on forms provided by the department.

(9) A qualifying charitable organization shall provide the department with a written certification that it meets all criteria to be considered a qualifying charitable organization. The organization shall also notify the department of any changes that may affect the qualifications under this section.

(10) The charitable organization's written certification must be signed by an officer of the organization under penalty of perjury. The written certification shall include the following:

(iii) The qualified business or industry meets and maintains the job and wage requirements of subparagraphs (i) and (ii) of this paragraph (a) for four (4) consecutive calendar quarters.

(b) A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)1 and qualified to receive incentive payments for the additional period provided in paragraph (a) of this subsection (2) may apply to the MDA to receive incentive payments for an additional period not to exceed ten (10) years beyond the expiration date of the additional period provided in paragraph (a) of this subsection (2) if:

(i) The qualified business or industry creates at least four thousand (4,000) new direct jobs after qualifying for the additional incentive period provided in paragraph (a) of this subsection (2) but before the expiration of the additional period. For purposes of determining whether the business or industry meets the minimum jobs requirement of this subparagraph (i), the number of jobs the business or industry created in order to meet the minimum jobs requirement of paragraph (a) of this subsection (2) shall be subtracted from the minimum jobs requirement of this subparagraph (i);

(ii) The average annual wage of the jobs is at least one hundred fifty percent (150%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser. The criteria for the average annual wage requirement shall be based upon the state average annual wage or the average annual wage of the county whichever is appropriate, at the time of creation of the minimum number of jobs, and the threshold established at that time will remain constant for the duration of the additional period; and

(iii) The qualified business or industry meets and maintains the job and wage requirements of subparagraphs (i) and (ii) of this paragraph (b) for four (4) consecutive calendar quarters.

(3) In order to receive incentive payments, an establishment shall apply to the MDA. The application shall be on a form prescribed by the MDA and shall contain such information as may be required by the MDA to determine if the applicant is qualified.

(4) In order to qualify to receive such payments, the establishment applying shall be required to:

(a) Be engaged in a qualified business or industry;

(b) Provide an average salary, excluding benefits which are not subject to Mississippi income taxes, of at least one hundred twenty-five percent (125%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser. The criteria for this requirement shall be based upon the state average annual wage or the average annual wage of the county whichever is appropriate, at the time of application, and the threshold established upon application will remain constant for the duration of the project;

(c) The business or industry must create and maintain a minimum of ten (10) full-time jobs in counties that have an average unemployment rate over the previous twelve-month period which is at least one hundred fifty percent (150%) of the most recently published state unemployment rate, as determined by the Mississippi Department of Employment Security or in Tier Three counties as determined under Section 57-73-21. In all other counties, the business or industry must create and maintain a minimum of twenty-five (25) full-time jobs. The criteria for this requirement shall be based on the designation of the county at the time of the application. The threshold established upon the application will remain constant for the duration of the project. The business or industry must meet its job creation commitment within twenty-four (24) months of the application approval. However, if the qualified business or industry is applying for incentive payments for an additional period under subsection (2) of this section, the business or industry must comply with the applicable job and wage requirements of subsection (2) of this section.

(5) The MDA shall determine if the applicant is qualified to receive incentive payments. If the applicant is determined to be qualified by the MDA, the MDA shall conduct a cost/benefit analysis to determine the estimated net direct state benefits and the net benefit rate applicable for a period not to exceed ten (10) years and to estimate the amount of gross payroll for the period. If the applicant is determined to be qualified to receive incentive payments for an additional period under subsection (2) of this section, the MDA shall conduct a cost/benefit analysis to determine the estimated net direct state benefits and the net benefit rate applicable for the appropriate additional period and to estimate the amount of gross payroll for the additional period. In conducting such cost/benefit analysis, the MDA shall consider quantitative factors, such as the anticipated level of new tax revenues to the state along with the cost to the state of the qualified business or industry, and such other criteria as deemed appropriate by the MDA, including the adequacy of retirement benefits that the business or industry provides to individuals it employs in new direct jobs in this state. In no event shall incentive payments, cumulatively, exceed the estimated net direct state benefits. Once the qualified business or industry is approved by the MDA, an agreement shall be deemed to exist between the qualified business or industry and the State of Mississippi, requiring the continued incentive payment, together with any amount due pursuant to subsection (8) of this section, if applicable, to be made as long as the qualified business or industry retains its eligibility.

(6) Upon approval of such an application, the MDA shall notify the Department of Revenue and shall provide it with a copy of the approved application and the estimated net direct state benefits. The Department of Revenue may require the qualified business or industry to submit such additional information as may be necessary to administer the provisions of this chapter. The qualified business or industry shall report to the Department of Revenue periodically to show its continued eligibility for incentive payments. The qualified business or industry may be audited by the Department of Revenue to verify such eligibility. In addition, the State Auditor may conduct performance and compliance audits under this chapter according to Section 7-7-211(o) and may bill the oversight agency.

(7) If the qualified business or industry is located in an area that has been declared by the Governor to be a disaster area and as a result of the disaster the business or industry is unable to create or maintain the full-time jobs required by this section:

(a) The Commissioner of Revenue may extend the period of time that the business or industry may receive incentive payments for a period of time not to exceed two (2) years;

(b) The Commissioner of Revenue may waive the requirement that a certain number of jobs be maintained for a period of time not to exceed twenty-four (24) months; and

(c) The MDA may extend the period of time within which the jobs must be created for a period of time not to exceed twenty-four (24) months.

(8) Notwithstanding any other provision of this section to the contrary, from and after January 1, 2023, if the amount of the incentive payment that a qualified business or industry is eligible to receive under this chapter is less than the amount that the incentive payment would have been if the payment had been calculated using any applicable income tax personal exemptions in Section 27-7-21(b), (c) and (d), as such exemptions existed before January 1, 2023, then the qualified business or industry also shall receive a grant equal to the difference between such two (2) amounts. Further, the term "incentive payment," as such term is used in this chapter shall be deemed to not refer to or otherwise include any grant payment payable to a qualified business or industry pursuant to this subsection.

[For businesses or industries that received or applied for incentive payments from and after July 1, 2005, but prior to July 1, 2010, this section shall read as follows:]

57-62-9. (1) (a) Except as otherwise provided in this section, a qualified business or industry that meets the qualifications specified in this chapter may receive quarterly incentive payments for a period not to exceed ten (10) years from the Department of Revenue pursuant to the provisions of this chapter in an amount which shall be equal to the net benefit rate multiplied by the actual gross payroll of new direct jobs for a calendar quarter as verified by the Mississippi Department of Employment Security, but not to exceed:

(i) Ninety percent (90%) of the amount of money previously paid into the fund by the employer if the employer provides an average annual salary, excluding benefits which are not subject to Mississippi income taxes, of at least one hundred seventy-five percent (175%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser;

(ii) Eighty percent (80%) of the amount of money previously paid into the fund by the employer if the employer provides an average annual salary, excluding benefits which are not subject to Mississippi income taxes, of at least one hundred twenty-five percent (125%) but less than one hundred seventy-five percent (175%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser; or

(iii) Seventy percent (70%) of the amount of money previously paid into the fund by the employer if the employer provides an average annual salary, excluding benefits which are not subject to Mississippi income taxes, of less than one hundred twenty-five percent (125%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified

business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser.

(b) A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)1 may elect the date upon which the ten-year period will begin. Such date may not be later than sixty (60) months after the date the business or industry applied for incentive payments.

(2) (a) A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)1 may apply to the MDA to receive incentive payments for an additional period not to exceed five (5) years beyond the expiration date of the initial ten-year period if:

(i) The qualified business or industry creates at least three thousand (3,000) new direct jobs within five (5) years after the date the business or industry commences commercial production;

(ii) Within five (5) years after the date the business or industry commences commercial production, the average annual wage of the jobs is at least one hundred fifty percent (150%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser. The criteria for the average annual wage requirement shall be based upon the state average annual wage or the average annual wage of the county whichever is appropriate, at the time of creation of the minimum number of jobs, and the threshold established at that time will remain constant for the duration of the additional period; and

(iii) The qualified business or industry meets and maintains the job and wage requirements of subparagraphs (i) and (ii) of this paragraph (a) for four (4) consecutive calendar quarters.

(b) A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)1 and qualified to receive incentive payments for the additional period provided in paragraph (a) of this subsection (2) may apply to the MDA to receive incentive payments for an additional period not to exceed ten (10) years beyond the expiration date of the additional period provided in paragraph (a) of this subsection (2) if:

(i) The qualified business or industry creates at least four thousand (4,000) new direct jobs after qualifying for the additional incentive period provided in paragraph (a) of this subsection (2) but before the expiration of the additional period. For purposes of determining whether the business or industry meets the minimum jobs requirement of this subparagraph (i), the number of jobs the business or industry created in order to meet the minimum jobs requirement of paragraph (a) of this subsection (2) shall be subtracted from the minimum jobs requirement of this subparagraph (i);

(ii) The average annual wage of the jobs is at least one hundred fifty percent (150%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser. The criteria for the average annual wage requirement shall be based upon the state average annual wage or the average annual wage of the county whichever is appropriate, at the time of creation of the minimum number of jobs, and the threshold established at that time will remain constant for the duration of the additional period; and

(iii) The qualified business or industry meets and maintains the job and wage requirements of subparagraphs (i) and (ii) of this paragraph (b) for four (4) consecutive calendar quarters.

(3) In order to receive incentive payments, an establishment shall apply to the MDA. The application shall be on a form prescribed by the MDA and shall contain such information as may be required by the MDA to determine if the applicant is qualified.

(4) (a) In order to qualify to receive such payments, the establishment applying shall be required to meet the definition of the term "qualified business or industry";

(b) The criteria for the average annual salary requirement shall be based upon the state average annual wage or the average annual wage of the county whichever is appropriate, at the time of application, and the threshold established upon application will remain constant for the duration of the project;

(c) The business or industry must meet its job creation commitment within twenty-four (24) months of the application approval. However, if the qualified business or industry is applying for incentive payments for an additional period under subsection (2) of this section, the business or industry must comply with the applicable job and wage requirements of subsection (2) of this section.

(5) (a) The MDA shall determine if the applicant is qualified to receive incentive payments.

(b) If the applicant is determined to be qualified to receive incentive payments for an additional period under subsection (2) of this section, the MDA shall conduct a cost/benefit analysis to determine the estimated net direct state benefits and the net benefit rate applicable for the appropriate additional period and to estimate the amount of gross payroll for the additional period. In conducting such cost/benefit analysis, the MDA shall consider quantitative factors, such as the anticipated level of new tax revenues to the state along with the cost to the state of the qualified business or industry, and such other criteria as deemed appropriate by the MDA, including the adequacy of retirement benefits that the business or industry provides to individuals it employs in new direct jobs in this state. In no event shall incentive payments, cumulatively, exceed the estimated net direct state benefits. Once the qualified business or industry is approved by the MDA, an agreement shall be deemed to exist between the qualified business or industry and the State of Mississippi, requiring the continued incentive payment, together with any amount due pursuant to subsection (8) of this section, if applicable, to be made as long as the qualified business or industry retains its eligibility.

(6) Upon approval of such an application, the MDA shall notify the Department of Revenue and shall provide it with a copy of the approved application and the estimated net direct state benefits. The Department of Revenue may require the qualified business or industry to submit such additional information as may be necessary to administer the provisions of this chapter. The qualified business or industry shall report to the Department of Revenue periodically to show its continued eligibility for incentive payments. The qualified business or industry may be audited by the Department of Revenue to verify such eligibility. In addition, the State Auditor may conduct performance and compliance audits under this chapter according to Section 7-7-211(o) and may bill the oversight agency.

(7) If the qualified business or industry is located in an area that has been declared by the Governor to be a disaster area and as a result of the disaster the business or industry is unable to create or maintain the full-time jobs required by this section:

(a) The Commissioner of Revenue may extend the period of time that the business or industry may receive incentive payments for a period of time not to exceed two (2) years;

(b) The Commissioner of Revenue may waive the requirement that a certain number of jobs be maintained for a period of time not to exceed twenty-four (24) months; and

(c) The MDA may extend the period of time within which the jobs must be created for a period of time not to exceed twenty-four (24) months.

(8) Notwithstanding any other provision of this section to the contrary, from and after January 1, 2023, if the amount of the incentive payment that a qualified business or industry is eligible to receive under this chapter is less than the amount that the incentive payment would have been if the payment had been calculated using any applicable income tax personal exemptions in Section 27-7-21(b), (c) and (d), as such exemptions existed before January 1, 2023, then the qualified business or industry also shall receive a grant equal to the difference between such two (2) amounts. Further, the term "incentive payment", as such term is used in this chapter shall be deemed to not refer to or otherwise include any grant payment payable to a qualified business or industry pursuant to this subsection.

[For businesses or industries that apply for incentive payments from and after July 1, 2010, this section shall read as follows:]

57-62-9. (1) (a) Except as otherwise provided in this section, a qualified business or industry that meets the qualifications specified in this chapter may receive quarterly incentive payments for a period not to exceed ten (10) years from the Department of Revenue pursuant to the provisions of this chapter in an amount which shall be equal to ninety percent (90%) of the amount of actual income tax withheld for employees with new direct jobs, but in no event more than four percent (4%) of the total annual salary paid for new direct jobs during such period, excluding benefits which are not subject to Mississippi income taxes.

(b) A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)1 may elect the date upon which the ten-year period will begin. Such date may not be later than sixty (60) months after the date the business or industry applied for incentive payments.

(c) A qualified business or industry as defined in Section 57-62-5(a)(iii) may elect the date upon which the ten-year period will begin and may elect to begin receiving incentive payments as early as the second quarter after that date. Incentive payments will be calculated on all jobs above the existing number of jobs as of the date the MDA determines that the applicant is qualified to receive incentive payments. In the event that the qualified business or industry falls below the number of existing jobs at the time of determination that the applicant is qualified to receive the incentive payment, the incentive payment shall cease until the qualified business or industry once again exceeds that number. If after forty-eight (48) months, the qualified business or industry has failed to create at least three thousand (3,000) new direct jobs, incentive payments shall cease and the qualified business or industry shall not be qualified to receive further incentive payments.

(2) (a) A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)1 may apply to the MDA to receive incentive payments for an additional period not to exceed five (5) years beyond the expiration date of the initial ten-year period if:

(i) The qualified business or industry creates at least three thousand (3,000) new direct jobs within five (5) years after the date the business or industry commences commercial production;

(ii) Within five (5) years after the date the business or industry commences commercial production, the average annual wage of the jobs is at least one

hundred fifty percent (150%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser. The criteria for the average annual wage requirement shall be based upon the state average annual wage or the average annual wage of the county whichever is appropriate, at the time of creation of the minimum number of jobs, and the threshold established at that time will remain constant for the duration of the additional period; and

(iii) The qualified business or industry meets and maintains the job and wage requirements of subparagraphs (i) and (ii) of this paragraph (a) for four (4) consecutive calendar quarters.

(b) A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)1 and qualified to receive incentive payments for the additional period provided in paragraph (a) of this subsection (2) may apply to the MDA to receive incentive payments for an additional period not to exceed ten (10) years beyond the expiration date of the additional period provided in paragraph (a) of this subsection (2) if:

(i) The qualified business or industry creates at least four thousand (4,000) new direct jobs after qualifying for the additional incentive period provided in paragraph (a) of this subsection (2) but before the expiration of the additional period. For purposes of determining whether the business or industry meets the minimum jobs requirement of this subparagraph (i), the number of jobs the business or industry created in order to meet the minimum jobs requirement of paragraph (a) of this subsection (2) shall be subtracted from the minimum jobs requirement of this subparagraph (i);

(ii) The average annual wage of the jobs is at least one hundred fifty percent (150%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser. The criteria for the average annual wage requirement shall be based upon the state average annual wage or the average annual wage of the county whichever is appropriate, at the time of creation of the minimum number of jobs, and the threshold established at that time will remain constant for the duration of the additional period; and

(iii) The qualified business or industry meets and maintains the job and wage requirements of subparagraphs (i) and (ii) of this paragraph (b) for four (4) consecutive calendar quarters.

(3) In order to receive incentive payments, an establishment shall apply to the MDA. The application shall be on a form prescribed by the MDA and shall contain such information as may be required by the MDA to determine if the applicant is qualified.

(4) (a) In order to qualify to receive such payments, the establishment applying shall be required to meet the definition of the term "qualified business or industry";

(b) The criteria for the average annual salary requirement shall be based upon the state average annual wage or the average annual wage of the county whichever is appropriate, at the time of application, and the threshold established upon application will remain constant for the duration of the project;

(c) Except as otherwise provided for a qualified business or industry as defined in Section 57-62-5(a)(iii), the business or industry must meet its job creation commitment within twenty-four (24) months of the application approval. However, if the qualified business or industry is applying for incentive payments for an additional period under subsection (2) of this section, the business or industry must comply with the applicable job and wage requirements of subsection (2) of this section.

(5) (a) The MDA shall determine if the applicant is qualified to receive incentive payments.

(b) If the applicant is determined to be qualified to receive incentive payments for an additional period under subsection (2) of this section, the MDA shall conduct an analysis to estimate the amount of gross payroll for the appropriate additional period. Incentive payments, cumulatively, shall not exceed ninety percent (90%) of the amount of actual income tax withheld for employees with new direct jobs, but in no event more than four percent (4%) of the total annual salary paid for new direct jobs during the additional period, excluding benefits which are not subject to Mississippi income taxes. Once the qualified business or industry is approved by the MDA, an agreement shall be deemed to exist between the qualified business or industry and the State of Mississippi, requiring the continued incentive payment, together with any amount due pursuant to subsection (8) of this section, if applicable, to be made as long as the qualified business or industry retains its eligibility.

(6) Upon approval of such an application, the MDA shall notify the Department of Revenue and shall provide it with a copy of the approved application and the minimum job and salary requirements. The Department of Revenue may require the qualified business or industry to submit such additional information as may be necessary to administer the provisions of this chapter. The qualified business or industry shall report to the Department of Revenue periodically to show its continued eligibility for incentive payments. The qualified business or industry may be audited by the Department of Revenue to verify such eligibility. In addition, the State Auditor may conduct performance and compliance audits under this chapter according to Section 7-7-211(o) and may bill the oversight agency.

(7) If the qualified business or industry is located in an area that has been declared by the Governor to be a disaster area and as a result of the disaster the business or industry is unable to create or maintain the full-time jobs required by this section:

(a) The Commissioner of Revenue may extend the period of time that the business or industry may receive incentive payments for a period of time not to exceed two (2) years;

(b) The Commissioner of Revenue may waive the requirement that a certain number of jobs be maintained for a period of time not to exceed twenty-four (24) months; and

(c) The MDA may extend the period of time within which the jobs must be created for a period of time not to exceed twenty-four (24) months.

(8) Notwithstanding any other provision of this section to the contrary, from and after January 1, 2023, if the amount of the incentive payment that a qualified business or industry is eligible to receive under this chapter is less than the amount that the incentive payment would have been if the payment had been calculated using any applicable income tax personal exemptions in Section 27-7-21(b), (c) and (d), as such exemptions existed before January 1, 2023, then the qualified business or industry also shall receive a grant equal to the difference between such two (2) amounts. Further, the term "incentive payment", as such term is used in this chapter shall be deemed to not refer to or otherwise include any grant payment payable to a qualified business or industry pursuant to this subsection.

SECTION 24. Section 57-62-11, Mississippi Code of 1972, is amended as follows:

57-62-11. (1) There is created in the State Treasury a special fund to be known as the Mississippi Advantage Jobs Incentive Payment Fund, into which shall be deposited withholding tax revenue required to be deposited into such fund pursuant to Section

27-7-312 and any other monies designated for deposit therein. The money in the fund shall be used for the purpose of making the incentive payments and grants authorized under this chapter.

(2) The Mississippi Advantage Jobs Incentive Payment Fund shall be administered by the Department of Revenue, and monies in the fund, less three percent (3%) to be retained by the Department of Revenue to pay the reasonable and necessary expenses of the Department of Revenue in administering its duties under this chapter, shall be expended pursuant to the approved application. Amounts in the fund at the end of any fiscal year that are not necessary to make future incentive payments and grants shall be paid into the General Fund.

(3) The liability of the State of Mississippi to make the incentive payments and grants authorized under this chapter shall be limited to the balance contained in the fund.

SECTION 25. Section 57-62-13, Mississippi Code of 1972, is brought forward as follows:

57-62-13. (1) As soon as practicable after the end of a calendar quarter for which a qualified business or industry has qualified to receive an incentive payment, the qualified business or industry shall file a claim for the payment with the Department of Revenue and shall specify the actual number of new direct jobs created and maintained by the business or industry for the calendar quarter and the gross payroll thereof. The Department of Revenue shall verify the actual number of new direct jobs created and maintained by the business or industry and compliance with the average annual wage requirements for such business or industry under this chapter. If the qualified business or industry files a claim for an incentive payment during an additional incentive period provided under Section 57-62-9(2), the Department of Revenue shall verify the actual number of new direct jobs created and maintained by the business or industry and compliance with the average annual wage requirements for such business or industry under this chapter. If the Department of Revenue is not able to provide such verification utilizing all available resources, the Department of Revenue may request such additional information from the business or industry as may be necessary.

(2) (a) Except as otherwise provided in this chapter, the business or industry must meet the salary and job requirements of this chapter for four (4) consecutive calendar quarters prior to payment of the first incentive payment. Except as otherwise provided in Section 57-62-9, if the business or industry does not maintain the salary or job requirements of this chapter at any other time during the ten-year period after the date the first payment was made, the incentive payments shall not be made and shall not be resumed until such time as the actual verified number of new direct jobs created and maintained by the business or industry equals or exceeds the requirements of this chapter for one (1) calendar quarter.

(b) If the business or industry is qualified to receive incentive payments for an additional period provided under Section 57-62-9(2), the business or industry must meet the wage and job requirements of Section 57-62-9(2), for four (4) consecutive calendar quarters prior to payment of the first incentive payment. If the business or industry does not maintain the wage or job requirements of Section 57-62-9(2), at any other time during the appropriate additional period after the date the first payment was made, the incentive payments shall not be made and shall not be resumed until such time as the actual verified number of new direct jobs created and maintained by the business or industry equals or exceeds the amounts specified in Section 57-62-9(2), for one (1) calendar quarter.

(3) An establishment that has qualified pursuant to this chapter may receive payments only in accordance with the provision under which it initially applied and was approved. If an establishment that is receiving incentive payments expands, it may apply

for additional incentive payments based on the new gross payroll for new direct jobs anticipated from the expansion only, pursuant to this chapter.

(4) As soon as practicable after verification of the qualified business or industry meeting the requirements of this chapter and all rules and regulations, the Department of Finance and Administration, upon requisition of the Department of Revenue, shall issue a warrant drawn on the Mississippi Advantage Jobs Incentive Payment Fund to the establishment in the amount of the incentive payment as determined pursuant to subsection (1) of this section for the calendar quarter.

SECTION 26. Section 57-89-3, Mississippi Code of 1972, is brought forward as follows:

57-89-3. As used in this chapter, the following terms shall have the meanings ascribed in this section unless the context clearly indicates otherwise:

(a) "Base investment" means the actual investment made and expended in Mississippi by a motion picture production company in connection with the production of a state-certified production in the state. The term "base investment" includes amounts expended in Mississippi by a motion picture production company as per diem and housing allowances in connection with the production of a state-certified production in the state. The term "base investment" shall not include payroll. However, in the case of a motion picture production company, or its owner, principal, member, production partner, independent contractor director or producer, or subsidiary company that (i) is designated and pre-qualified by the Mississippi Development Authority as Mississippi-based or a Mississippi resident; (ii) has filed income taxes in the State of Mississippi during each of the previous three (3) years; and (iii) has engaged in activities related to the production of at least two (2) motion pictures in Mississippi during the past ten (10) years, base investment may include payroll and fringes paid for any employee who is not a resident and whose wages are subject to the Mississippi Income Tax Withholding Law of 1968, if so requested by the motion picture production company. A motion picture production company must submit such a request to the Mississippi Development Authority at the time the company submits an application for approval as a state-certified production. In addition, if base investment includes payroll and fringes, and the payroll and fringes paid for an employee exceeds Five Million Dollars (\$5,000,000.00), then only the first Five Million Dollars (\$5,000,000.00) of such payroll and fringes may be included in base investment.

(d) "Motion picture" means a nationally distributed feature-length film, video, DVD, television program or series, commercial, or computer or video game made in Mississippi, in whole or in part, for theatrical or DVD release or television viewing or as a television pilot or viewing through streaming video or internet delivery, or for playing on a video game console, personal computer or handheld device. The term "motion picture" shall not include the production of television coverage of news and athletic events, or a film, video, DVD, television program, series, or commercial that contains any material or performance defined in Section 97-29-103.

(e) "Motion picture production company" means a company engaged in the business of producing nationally distributed motion pictures, videos, DVDs, television programs or series, commercials, or computer or video games intended for a theatrical release, for television viewing or for playing on a video game console, personal computer or handheld device. The term "motion picture production company" includes a company engaged in the business of making such productions through the use of animation, interactive media, preproduction and post-production 3D applications, video game cinematics, virtual production, visual effects, and motion capture within the fields of feature film, television, commercials and games. The term "motion picture production company" shall not mean or include any company owned, affiliated, or controlled, in whole or in part, by any company or person which is in default on a loan made by the state or a loan guaranteed by the state, or any company or person who has ever declared bankruptcy under which an obligation of the company or person to pay or repay public funds or monies was discharged as a part of such bankruptcy.

(f) "Payroll" means salary, wages or other compensation including related benefits paid to employees upon which Mississippi income tax is due and has been withheld.

The credit shall not be refundable or transferable. Any unused portion of the credit may be carried forward for seven (7) taxable years beyond the credit allowance date on which the credit was earned. The maximum aggregate amount of qualified equity investments that may be allocated by the Mississippi Development Authority may not exceed an amount that would result in taxpayers claiming in any one (1) state fiscal year credits in excess of Fifteen Million Dollars (\$15,000,000.00), exclusive of credits that might be carried forward from previous taxable years; however, a maximum of one-third (1/3) of this amount may be allocated as credits for taxes imposed by Sections 27-15-103, 27-15-109 and 27-15-123. Any taxpayer claiming a credit under this section against the taxes imposed by Sections 27-7-5, 27-15-103, 27-15-109 and 27-15-123 shall not be required to pay any additional tax under Section 27-15-123 as a result of claiming such credit. The Mississippi Development Authority shall allocate credits within this limit as provided for in subsection (4) of this section.

(3) Tax credits authorized by this section that are earned by a partnership, limited liability company, S corporation or other similar pass-through entity, shall be allocated among all partners, members or shareholders, respectively, either in proportion to their ownership interest in such entity or as the partners, members or shareholders mutually agree as provided in an executed document. Such allocation shall be made each taxable year of such pass-through entity which contains a credit allowance date.

(4) The qualified community development entity shall apply for credits with the Mississippi Development Authority on forms prescribed by the Mississippi Development Authority. The qualified community development entity must pay an application fee of One Thousand Dollars (\$1,000.00) to the Mississippi Development Authority at the time the application is submitted. In the application the qualified community development entity shall certify to the Mississippi Development Authority the dollar amount of the qualified equity investments made or to be made in this state, including in any federal Indian reservation located within the state's geographical boundary, during the first twelve-month period following the initial credit allowance date. The Mississippi Development Authority shall allocate credits based on the dollar amount of qualified equity investments as certified in the application. Once the Mississippi Development Authority has allocated credits to a qualified community development entity, if the corresponding qualified equity investment has not been issued as of the date of such allocation, then the corresponding qualified equity investment must be issued not later than one hundred twenty (120) days from the date of such allocation. If the qualified equity investment is not issued within such time period, the allocation shall be cancelled and returned to the Mississippi Development Authority for reallocation. Upon final documentation of the qualified low-income community investments, if the actual dollar amount of the investments is lower than the amount estimated, the Mississippi Development Authority shall adjust the tax credit allowed under this section. The Department of Revenue may recapture all of the credit allowed under this section if:

(a) Any amount of federal tax credits available with respect to a qualified equity investment that is eligible for a tax credit under this section is recaptured under Section 45D of the Internal Revenue Code of 1986, as amended; or

(b) The qualified community development entity redeems or makes any principal repayment with respect to a qualified equity investment prior to the seventh anniversary of the issuance of the qualified equity investment; or

(c) The qualified community development entity fails to maintain at least eighty-five percent (85%) of the proceeds of the qualified equity investment in qualified low-income community investments in Mississippi at any time prior to the seventh anniversary of the issuance of the qualified equity investment.

Any credits that are subject to recapture under this subsection shall be recaptured from the taxpayer that actually claimed the credit.

The Mississippi Development Authority shall not allocate any credits under this section after July 1, 2024.

(5) Each qualified community development entity that receives qualified equity investments to make qualified low-income community investments in Mississippi must annually report to the Mississippi Development Authority the North American Industry Classification System Code, the county, the dollars invested, the number of jobs assisted and the number of jobs assisted with wages over one hundred percent (100%) of the federal poverty level for a family of four (4) of each qualified low-income community investment.

(6) The Mississippi Development Authority shall file an annual report on all qualified low-income community investments with the Governor, the Clerk of the House of Representatives, the Secretary of the Senate and the Secretary of State describing the North American Industry Classification System Code, the county, the dollars invested, the number of jobs assisted and the number of jobs assisted with wages over one hundred percent (100%) of the federal poverty level for a family of four (4) of each qualified low-income community investment. The annual report will be posted on the Mississippi Development Authority's Internet website.

(g) Neither this subsection nor anything herein contained is or shall be construed as a restriction or limitation upon any powers which the public entity or public benefit corporation might otherwise have under any laws of this state, and this subsection is cumulative to any such powers. This subsection does and shall be construed to provide a complete additional and alternative method for the doing of the things authorized thereby and shall be regarded as supplemental and additional to powers conferred by other laws.

(8) The Mississippi Development Authority shall promulgate rules and regulations to implement the provisions of this section.

SECTION 42. Section 27-25-705, Mississippi Code of 1972, is brought forward as follows:

[With regard to any county which is exempt from the provisions of Section 19-2-3, this section shall read as follows:]

27-25-705. (1) All taxes levied in this article and collected by the department shall be paid into the State Treasury on the same day in which the taxes are collected.

(2) Except as otherwise provided in this section, the commissioner shall apportion all the tax collections made pursuant to this article to the state and to the county in which the gas was produced, in the proportion of sixty-six and two-thirds percent (66-2/3%) to the state and thirty-three and one-third percent (33-1/3%) to the county.

(3) The commissioner shall apportion all the tax collections made pursuant to Section 27-25-703(1)(b) to the county in which the gas is produced.

(4) When the producer of gas subject to the tax levied in this article increases the price of the gas sold and such increase is subject to approval by a federal regulatory board or commission, and when the producer of the gas so requests, the State Treasurer is hereby authorized to hold the severance tax collected on the price increase in escrow until such time as the price increase or a portion thereof is finally granted or approved. The severance tax thus held in escrow shall be deposited by the State Treasurer to an account in a state depository to be invested in an interest-bearing account in the manner provided by law. When the price increase in question or a portion thereof is granted or approved, the commissioner shall compute the correct severance tax due on the increase and certify the amount of tax thus computed. This amount and interest earned from the depository shall be distributed to the General Fund and to the county or counties proportionately as provided in this subsection. The balance, if any, of the tax and interest held in escrow on the price increase shall be returned to the taxpayer.

(5) The state's share of all gas severance taxes collected pursuant to this section shall be deposited as provided for in Section 27-25-506.

(6) The commissioner shall certify at the end of each month the apportionment to each county to the State Treasurer, who shall remit the county's share of the funds on or before the twentieth day of the month next succeeding the month in which the collections were made for division among the municipalities and taxing districts of the county. The commissioner shall submit a report to the State Treasurer for distribution to each county receiving the funds showing from whom the tax and interest, if any, were collected. Upon receipt of the funds, the board of supervisors of the county shall allocate the funds to the municipalities and to the various maintenance and bond and interest funds of the county, school districts, supervisors districts and road districts, as provided in this subsection.

When there are any gas producing properties within the corporate limits of any municipality, then the municipality shall participate in the division of the tax and interest, if any, returned to the county in which the municipality is located in the proportion which the tax on production of gas from properties located within the municipal corporate limits bears to the tax on total production of gas in the county. In no event, however, shall the amount allocated to the municipalities exceed one-third (1/3) of the tax and interest produced in the municipality and returned to the county. Any amount received by any municipality as a result of the allocation provided for in this subsection shall be used for such purposes as are authorized by law.

The balance remaining of any funds returned to the county after the allocation to municipalities shall be divided among the various maintenance and bond and interest funds of the county, school districts, supervisors districts and road districts, in the discretion of the board of supervisors, and the board shall make the division in consideration of the needs of the various taxing districts. The funds so allocated shall be used only for such purposes as are authorized by law.

[With regard to any county which is required to operate on a countywide system of road administration as described in Section 19-2-3, this section shall read as follows:]

27-25-705. (1) All taxes herein levied in this article and collected by the department shall be paid into the State Treasury on the same day in which the taxes are collected.

(2) Except as otherwise provided in this section, the commissioner shall apportion all the tax collections made pursuant to this article to the state and to the county in which the gas was produced, in the proportion of sixty-six and two-thirds percent (66-2/3%) to the state and thirty-three and one-third percent (33-1/3%) to the county.

(3) The commissioner shall apportion all the tax collections made pursuant to Section 27-25-703(1)(b) to the county in which the gas is produced.

(4) When the producer of gas subject to the tax levied in this article increases the price of the gas sold and the increase is subject to approval by a federal regulatory board or commission, and when the producer of the gas so requests, the State Treasurer is hereby authorized to hold the severance tax collected on the price increase in escrow until such time as the price increase or a portion thereof is finally granted or approved. The severance tax thus held in escrow shall be deposited by the State Treasurer to an account in a state depository to be invested in an interest-bearing account in the manner provided by law. When the price increase in question or a portion thereof is granted or approved, the commissioner shall compute the correct severance tax due on the increase and certify the amount of tax thus computed. This amount and interest earned from the depository shall be distributed to the General Fund and to the county or counties proportionately as provided in this subsection. The balance, if any, of the tax and interest held in escrow on the price increase shall be returned to the taxpayer.

(5) The state's share of all gas severance taxes collected pursuant to this section shall be deposited as provided for in Section 27-25-506.

(6) The commissioner shall certify at the end of each month the apportionment to each county to the State Treasurer, who shall remit the county's share of the funds on or before the twentieth day of the month next succeeding the month in which the collections were made for division among the municipalities and taxing districts of the county. The commissioner shall submit a report to the State Treasurer for distribution to each county receiving the funds showing from whom the tax and interest, if any, were collected. Upon receipt of the funds, the board of supervisors of the county shall allocate the funds to the municipalities and to the various maintenance and bond and interest funds of the county and school districts, as provided in this subsection.

When there are any gas producing properties within the corporate limits of any municipality, then the municipality shall participate in the division of the tax and interest, if any, returned to the county in which the municipality is located in the proportion which the tax on production of gas from properties located within the municipal corporate limits bears to the tax on total production of gas in the county. In no event, however, shall the amount allocated to the municipalities exceed one-third (1/3) of the tax and interest produced in the municipality and returned to the county. Any amount received by any municipality as a result of the allocation provided for in this subsection shall be used for such purposes as are authorized by law.

The balance remaining of any funds returned to the county after the allocation to municipalities shall be divided among the various maintenance and bond and interest funds of the county and school districts, in the discretion of the board of supervisors, and the board shall make the division in consideration of the needs of the various taxing districts. The funds so allocated shall be used only for such purposes as are authorized by law.

h. Ancillary services; or

i. Digital products delivered electronically, including, but not limited to, software, music, video, reading materials or ring tones.

2. "Ancillary services" means services that are associated with or incidental to the provision of telecommunications services, including, but not limited to,

detailed telecommunications billing, directory assistance, vertical service and voice mail service.

a. "Conference bridging" means an ancillary service that links two (2) or more participants of an audio or video conference call and may include the provision of a telephone number. Conference bridging does not include the telecommunications services used to reach the conference bridge.

c. "Directory assistance" means an ancillary service of providing telephone number information and/or address information.

d. "Vertical service" means an ancillary service that is offered in connection with one or more telecommunications services, which offers advanced calling features that allow customers to identify callers and to manage multiple calls and call connections, including conference bridging services.

e. "Voice mail service" means an ancillary service that enables the customer to store, send or receive recorded messages. Voice mail service does not include any vertical services that the customer may be required to have in order to utilize the voice mail service.

a. Each level of taxing jurisdiction where the call originates and terminates in that jurisdiction, or

b. Each level of taxing jurisdiction where the call either originates or terminates and in which the service address is also located.

2. Except for the defined telecommunications services in item 3 of this subparagraph, a sale of telecommunications services sold on a basis other than a call-by-call basis, is sourced to the customer's place of primary use.

3. The sale of the following telecommunications services shall be sourced to each level of taxing jurisdiction as follows:

a. A sale of mobile telecommunications services other than air-to-ground radiotelephone service and prepaid calling service is sourced to the

customer's place of primary use as required by the Mobile Telecommunication Sourcing Act.

A. A home service provider shall be responsible for obtaining and maintaining the customer's place of primary use. The home service provider shall be entitled to rely on the applicable residential or business street address supplied by such customer, if the home service provider's reliance is in good faith; and the home service provider shall be held harmless from liability for any additional taxes based on a different determination of the place of primary use for taxes that are customarily passed on to the customer as a separate itemized charge. A home service provider shall be allowed to treat the address used for purposes of the tax levied by this chapter for any customer under a service contract in effect on August 1, 2002, as that customer's place of primary use for the remaining term of such service contract or agreement, excluding any extension or renewal of such service contract or agreement. Month-to-month services provided after the expiration of a contract shall be treated as an extension or renewal of such contract or agreement.

B. If the commissioner determines that the address used by a home service provider as a customer's place of primary use does not meet the definition of the term "place of primary use" as defined in subitem a.A. of this item 3, the commissioner shall give binding notice to the home service provider to change the place of primary use on a prospective basis from the date of notice of determination; however, the customer shall have the opportunity, prior to such notice of determination, to demonstrate that such address satisfies the definition.

C. The department has the right to collect any taxes due directly from the home service provider's customer that has failed to provide an address that meets the definition of the term "place of primary use" which resulted in a failure of tax otherwise due being remitted.

b. A sale of postpaid calling service is sourced to the origination point of the telecommunications signal as first identified by either:

A. The seller's telecommunications system; or

B. Information received by the seller from its service provider, where the system used to transport such signals is not that of the seller.

c. A sale of a prepaid calling service or prepaid wireless calling service shall be subject to the tax imposed by this paragraph if the sale takes place in this state. If the customer physically purchases a prepaid calling service or prepaid wireless calling service at the vendor's place of business, the sale is deemed to take place at the vendor's place of business. If the customer does not physically purchase the service at the vendor's place of business, the sale of a prepaid calling card or prepaid wireless calling card is deemed to take place at the first of the following locations that applies to the sale:

A. The customer's shipping address, if the sale involves a shipment;

b. Service where all customer termination points are located entirely within one (1) jurisdiction or levels of jurisdiction is sourced in such jurisdiction in which the customer channel termination points are located.

c. Service for segments of a channel between two (2) customer channel termination points located in different jurisdictions and which segments of a channel are separately charged is sourced fifty percent (50%) in each level of jurisdiction in which the customer channel termination points are located.

d. Service for segments of a channel located in more than one (1) jurisdiction or levels of jurisdiction and which segments are not separately billed is sourced in each jurisdiction based on the percentage determined by dividing the number of customer channel termination points in such jurisdiction by the total number of customer channel termination points.

5. A sale of ancillary services is sourced to the customer's place of primary use.

(vi) For purposes of subparagraph (v) of this paragraph (d):

1. "Air-to-ground radiotelephone service" means a radio service, as that term is defined in 47 CFR 22.99, in which common carriers are authorized to offer and provide radio telecommunications service for hire to subscribers in aircraft.

2. "Call-by-call basis" means any method of charging for telecommunications services where the price is measured by individual calls.

3. "Communications channel" means a physical or virtual path of communications over which signals are transmitted between or among customer channel termination points.

4. "Customer" means the person or entity that contracts with the seller of telecommunications services. If the end user of telecommunications services is not the contracting party, the end user of the telecommunications service is the customer of the telecommunications service. Customer does not include a reseller of telecommunications service or for mobile telecommunications service of a serving carrier under an agreement to serve the customer outside the home service provider's licensed service area.

5. "Customer channel termination point" means the location where the customer either inputs or receives the communications.

6. "End user" means the person who utilizes the telecommunications service. In the case of an entity, "end user" means the individual who utilizes the service on behalf of the entity.

9. "Place of primary use" means the street address representative of where the customer's use of the telecommunications service primarily occurs, which must be the residential street address or the primary business street address of the customer. In the case of mobile telecommunications services, the place of primary use must be within the licensed service area of the home service provider.

10. "Post-paid calling service" means the telecommunications service obtained by making a payment on a call-by-call basis either through the use of a credit card or payment mechanism such as a bank card, travel card, credit card or debit card, or by charge made to a telephone number which is not associated with the origination or termination of the telecommunications service. A post-paid calling service includes a telecommunications service, except a prepaid wireless calling service that would be a prepaid calling service except it is not exclusively a telecommunications service.

11. "Prepaid calling service" means the right to access exclusively telecommunications services, which must be paid for in advance and which enables the origination of calls using an access number or authorization code, whether manually or electronically dialed, and that is sold in predetermined units or dollars of which the number declines with use in a known amount.

12. "Prepaid wireless calling service" means a telecommunications service that provides the right to utilize mobile wireless service as well as other nontelecommunications services, including the download of digital products delivered electronically, content and ancillary service, which must be paid for in advance that is sold in predetermined units or dollars of which the number declines with use in a known amount.

13. "Private communication service" means a telecommunications service that entitles the customer to exclusive or priority use of a communications channel or group of channels between or among termination points, regardless of the manner in which such channel or channels are connected, and includes switching capacity, extension lines, stations and any other associated services that are provided in connection with the use of such channel or channels.

14. "Service address" means:

a. The location of the telecommunications equipment to which a customer's call is charged and from which the call originates or terminates, regardless of where the call is billed or paid.

b. If the location in subitem a of this item 14 is not known, the origination point of the signal of the telecommunications services first identified by either the seller's telecommunications system or in information received by the seller from its service provider, where the system used to transport such signals is not that of the seller.

c. If the location in subitems a and b of this item 14 are not known, the location of the customer's place of primary use.

(vii) 1. For purposes of this subparagraph (vii), "bundled transaction" means a transaction that consists of distinct and identifiable properties or services which are sold for a single nonitemized price but which are treated differently for tax purposes.

2. In the case of a bundled transaction that includes telecommunications services, ancillary services, Internet access, or audio or video programming services taxed under this chapter in which the price of the bundled transaction is attributable to properties or services that are taxable and nontaxable, the

portion of the price that is attributable to any nontaxable property or service shall be subject to the tax unless the provider can reasonably identify that portion from its books and records kept in the regular course of business.

3. In the case of a bundled transaction that includes telecommunications services, ancillary services, Internet access, audio or video programming services subject to tax under this chapter in which the price is attributable to properties or services that are subject to the tax but the tax revenue from the different properties or services are dedicated to different funds or purposes, the provider shall allocate the price among the properties or services:

a. By reasonably identifying the portion of the price attributable to each of the properties and services from its books and records kept in the regular course of business; or

b. Based on a reasonable allocation methodology approved by the department.

4. This subparagraph (vii) shall not create a right of action for a customer to require that the provider or the department, for purposes of determining the amount of tax applicable to a bundled transaction, allocate the price to the different portions of the transaction in order to minimize the amount of tax charged to the customer. A customer shall not be entitled to rely on the fact that a portion of the price is attributable to properties or services not subject to tax unless the provider elects, after receiving a written request from the customer in the form required by the provider, to provide verifiable data based upon the provider's books and records that are kept in the regular course of business that reasonably identifies the portion of the price attributable to the properties or services not subject to the tax.

(2) Persons making sales to consumers of electricity, current, power, natural gas, liquefied petroleum gas or other fuel for residential heating, lighting or other residential noncommercial or nonagricultural use or sales of potable water for residential, noncommercial or nonagricultural use shall indicate on each statement rendered to customers that such charges are exempt from sales taxes.

(3) There is hereby levied, assessed and shall be paid on transportation charges on shipments moving between points within this state when paid directly by the consumer, a tax equal to the rate applicable to the sale of the property being transported. Such tax shall be reported and paid directly to the Department of Revenue by the consumer.

(1) Upon every person engaging or continuing in any amusement business or activity, which shall include all manner and forms of entertainment and amusement, all forms of diversion, sport, recreation or pastime, shows, exhibitions, contests, displays, games or any other and all methods of obtaining admission charges, donations, contributions or monetary charges of any character, from the general public or a limited or selected number thereof, directly or indirectly in return for other than tangible property or specific personal or professional services, whether such amusement is held or conducted in a public or private building, hotel, tent, pavilion, lot or resort, enclosed or in the open, there is hereby levied, assessed and shall be collected a tax equal to seven percent (7%) of the gross income received as admission, except as otherwise provided herein. In lieu of the rate set forth above, there is hereby imposed, levied and assessed, to be collected as hereinafter provided, a tax of three percent (3%) of gross revenue derived from sales of admission to publicly owned enclosed coliseums and auditoriums (except admissions to athletic contests between colleges and universities). There is hereby imposed, levied and assessed a tax of seven percent (7%) of gross revenue derived from sales of admission to events conducted on property managed by the

Mississippi Veterans Memorial Stadium, which tax shall be administered in the manner prescribed in this chapter, subject, however, to the provisions of Sections 55-23-3 through 55-23-11.

(2) The operator of any place of amusement in this state shall collect the tax imposed by this section, in addition to the price charged for admission to any place of amusement, and under all circumstances the person conducting the amusement shall be liable for, and pay the tax imposed based upon the actual charge for such admission. Where permits are obtained for conducting temporary amusements by persons who are not the owners, lessees or custodians of the buildings, lots or places where the amusements are to be conducted, or where such temporary amusement is permitted by the owner, lessee or custodian of any place to be conducted without the procurement of a permit as required by this chapter, the tax imposed by this chapter shall be paid by the owner, lessee or custodian of such place where such temporary amusement is held or conducted, unless paid by the person conducting the amusement, and the applicant for such temporary permit shall furnish with the application therefor, the name and address of the owner, lessee or custodian of the premises upon which such amusement is to be conducted, and such owner, lessee or custodian shall be notified by the commission of the issuance of such permit, and of the joint liability for such tax.

(3) The tax imposed by this section shall not be levied or collected upon:

(a) Any admissions charged at any place of amusement operated by a religious, charitable or educational organization, or by a nonprofit civic club or fraternal organization (i) when the net proceeds of such admissions do not inure to any one or more individuals within such organization and are to be used solely for religious, charitable, educational or civic purposes; or (ii) when the entire net proceeds are used to defray the normal operating expenses of such organization, such as loan payments, maintenance costs, repairs and other operating expenses;

(b) Any admissions charged to hear gospel singing when promoted by a duly constituted local, bona fide nonprofit charitable or religious organization, irrespective of the fact that the performers and promoters are paid out of the proceeds of admissions collected, provided the program is composed entirely of gospel singing and not generally mixed with hillbilly or popular singing;

(c) Any admissions charged at any athletic games or contests between high schools or between grammar schools;

(d) Any admissions or tickets to or for baseball games between teams operated under a professional league franchise;
