#### REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

**H. B. No. 1108:** Income tax; authorize credit for certain railroad reconstruction/replacement expenditures.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) The following words and phrases shall have the meanings as defined in this section unless the context clearly indicates otherwise:

(a) "Eligible taxpayer" means any railroad that is classified by the United States Surface Transportation Board as a Class II or Class III railroad.

(b) "Eligible transferee" means any taxpayer having a liability for taxes under this chapter.

(c) "Qualified railroad reconstruction or replacement expenditures" means gross expenditures for maintenance, reconstruction or replacement of railroad infrastructure, including track, roadbed, bridges, industrial leads and sidings, and track-related structures owned or leased by a Class II or Class III railroad in Mississippi as of January 1, 2022.

(d) "Qualified new rail infrastructure expenditures" means gross expenditures for new construction of industrial leads, switches, spurs and sidings and extensions of existing sidings, for serving new customer locations or expansions in Mississippi, by a Class II or Class III railroad located in Mississippi.

(2) Subject to the provisions of this section, an eligible taxpayer making qualified railroad reconstruction or replacement expenditures shall be allowed a credit against the taxes imposed under this chapter. The credit shall be for an amount equal to the lesser of fifty percent (50%) of an eligible taxpayer's qualified railroad reconstruction or replacement expenditures for the taxable year or the product of Five Thousand Dollars (\$5,000.00) multiplied by the number of miles of railroad track owned or leased within the State of Mississippi by the eligible taxpayer as of the close of the taxable year. For qualified new rail infrastructure expenditures, the credit shall be for an amount equal to the lesser of fifty percent (50%) of an eligible taxpayer's qualified new rail infrastructure expenditures for the taxable year, capped at One Million Dollars (\$1,000,000.00) per new rail-served customer project. However, the tax credit shall not exceed the amount of tax imposed upon the taxpayer for the taxable year reduced by the sum of all other credits allowable to the taxpayer under this chapter, except credit for tax payments made by or on behalf of the taxpayer. Any tax credit claimed under this section but not used in any taxable year may be carried forward for five (5) consecutive years from the close of the taxable year in which the credit was earned. The aggregate amount of credits that may be claimed by all taxpayers claiming a credit under this section during a calendar year shall not exceed Eight Million Dollars (\$8,000,000.00). In addition, an eligible taxpayer may transfer by written agreement any unused tax credit to an eligible transferee at any time during the year in which the credit is earned and the five (5) years following the taxable year in which the qualified railroad reconstruction or replacement expenditures or the qualified new rail infrastructure expenditures are made. The eligible taxpayer and the eligible transferee must jointly file a copy of the written transfer agreement with the Department of Revenue within thirty (30) days of the transfer. The written agreement must contain the: (a) name, address, and taxpayer identification number of the parties to the transfer; (b) taxable year the eligible taxpayer incurred the qualified railroad reconstruction or replacement expenditures or the qualified new rail infrastructure expenditures; (c) amount of credit being transferred; and (d) taxable year or years for which the credit may be claimed by the eligible transferee.

This section shall stand repealed on January 1, 2024.

SECTION 2. Section 27-31-104, Mississippi Code of 1972, as amended by Senate Bill No. 2095, 2022 Regular Session, is amended as follows:

[Through June 30, \* \* \* 2025, this section shall read as follows:]

27-31-104. (1) (a) County boards of supervisors and municipal authorities are each hereby authorized and empowered to enter into an agreement with an enterprise granting, and pursuant to such agreement grant a fee-in-lieu of ad valorem taxes, including ad valorem taxes levied for school purposes, for the following:

(i) Projects totaling over Sixty Million Dollars (\$60,000,000.00) by any new enterprises enumerated in Section 27-31-101;

(ii) Projects by a private company (as such term is defined in Section 57-61-5) having a minimum capital investment of Sixty Million Dollars (\$60,000,000.00);

(iii) Projects by a qualified business (as such term is defined in Section 57-117-3) meeting minimum criteria established by the Mississippi Development Authority;

(iv) Projects, in addition to those projects referenced in Section 27-31-105, totaling over Sixty Million Dollars (\$60,000,000.00) by an existing enterprise that has been doing business in the county or municipality for twenty-four (24) months. For purposes of this subparagraph (iv), the term "existing enterprise" includes those enterprises enumerated in Section 27-31-101; or

(v) A private company (as such term is defined in Section 57-61-5) having a minimum capital investment of One Hundred Million Dollars (\$100,000,000.00) from any source or combination of sources, provided that a majority of the capital investment is from private sources, when such project is located within a geographic area for which a Presidential Disaster Declaration was issued on or after January 1, 2014.

County boards of supervisors and municipal authorities may not enter into an agreement with an enterprise that is a medical cannabis establishment, as defined in the Mississippi Medical Cannabis Act, granting, and pursuant to such agreement grant a fee-in-lieu of ad valorem taxes.

(b) A fee-in-lieu of ad valorem taxes granted in accordance with this section may include any or all tangible property, real or personal, including any leasehold interests therein but excluding automobiles and trucks operating on and over the highways of the State of Mississippi, used in connection with, or necessary to, the operation of any enterprise, private company or business described in paragraph (a) of this subsection (1), as applicable, whether or not such property is owned, leased, subleased, licensed or otherwise obtained by such enterprise, private company or business, as applicable, irrespective of the taxpayer to which any such leased property is assessed for ad valorem tax purposes. If a fee-in-lieu of ad valorem taxes is granted pursuant to this section with respect to any leasehold interest under a lease, sublease or license of tangible property used in connection with, or necessary to, the operation of an enterprise, private company or business described in paragraph (a) of this subsection (1), as applicable, the corresponding ownership interest of the owner, lessor and sublessor of such tangible property shall similarly and automatically be exempt and subject to the fee-in-lieu granted in accordance herewith without any action being required to be taken by such owner, lessor or sublessor.

(2) A county board of supervisors may enter into a fee-in-lieu agreement on behalf of the county and any county school district, and a municipality may enter into such a fee-in-lieu agreement on behalf of the municipality and any municipal school district located in the municipality; however, if the project is located outside the limits of a municipality but within the boundaries of the municipal school district, then the county board of supervisors may enter into such a fee-in-lieu agreement on behalf of the school district granting a fee-in-lieu of ad valorem taxes for school district purposes.

(3) Any grant of a fee-in-lieu of ad valorem taxes shall be evidenced by a written agreement negotiated by the enterprise and the county board of supervisors and/or municipal authority, as the case may be, and given final approval by the Mississippi Development Authority as satisfying the requirements of this section.

(4) The minimum sum allowable as a fee-in-lieu shall not be less than one-third (1/3), or one-tenth (1/10) if the project is also a project eligible for an ad valorem tax exemption under Section 27-31-46 and a fee-in-lieu agreement is entered into before July 1, 2023, of the ad valorem levy, including ad valorem taxes for school district purposes, and except as otherwise provided, the sum allowed shall be apportioned between the county or municipality, as appropriate, and the school districts in such amounts as may be determined by the county board of supervisors or municipal governing authority, as the case may be, however, except as otherwise provided in this section, from the sum allowed the apportionment to school districts shall not be less than the school districts' pro rata share based upon the proportion that the millage imposed for the school districts by the appropriate levying authority bears to the millage imposed by such levying authority for all other county or municipal purposes. Any fee-in-lieu agreement entered into under this

section shall become a binding obligation of the parties to the agreement, be effective upon its execution by the parties and approval by the Mississippi Development Authority and, except as otherwise provided in Section 17-25-23 or Section 57-75-33, or any other provision of law, continue in effect for a period not to exceed thirty (30) years commencing on the date that the fee-in-lieu granted thereunder begins in accordance with the agreement; however, no particular parcel of land, real property improvement or item of personal property shall be subject to a fee-in-lieu for a duration of more than ten (10) years. Any such agreement shall be binding, according to its terms, on future boards of supervisors of the county and/or governing authorities of a municipality, as the case may be, for the duration of the agreement.

(5) The fee-in-lieu may be a stated fraction or percentage of the ad valorem taxes otherwise payable or a stated dollar amount. If the fee is a fraction or percentage of the ad valorem tax levy, it shall be annually computed on all ad valorem taxes otherwise payable, including school taxes, as the same may vary from year to year based upon changes in the millage rate or assessed value and shall not be less than one-third (1/3) of that amount or one-tenth (1/10) of that amount if the project is also a project eligible for an ad valorem tax exemption under Section 27-31-46 and a fee-in-lieu agreement is entered into before July 1, 2023. If the fee is a stated dollar amount, said amount shall be the higher of the sum provided for fixed payment or (a) one-third (1/3) of the total of all ad valorem taxes otherwise payable as annually determined during each year of the fee-in-lieu or (b) if the project is also a project eligible for an ad valorem tax exemption under Section 27-31-46 and a fee-in-lieu agreement is entered into before July 1, 2023, one-tenth (1/10) of the total of all ad valorem taxes otherwise payable as annually determined during each year of the fee-in-lieu.

(6) Notwithstanding Section 27-31-111, the parties to a fee-in-lieu may agree on terms and conditions providing for the reduction, suspension, termination or reinstatement of a fee-in-lieu agreement or any fee-in-lieu period granted thereunder upon the cessation of operations by project for twelve (12) or more consecutive months or due to other conditions set forth in the agreement.

(7) For a project as defined in Section 57-75-5(f)(xxi) and located in a county that is a member of a regional economic development alliance created under Section 57-64-1 et seq., the members of the regional economic development alliance may divide the sum allowed as a fee-in-lieu in a manner as determined by the alliance agreement, and the boards of supervisors of the member counties may then apportion the sum allowed between school district purposes and all other county purposes.

(8) For a project as defined in Section 57-75-5(f)(xxvi), the board of supervisors of the county in which the project is located may negotiate with the school district in which the project is located and apportion to the school district an amount of the fee-in-lieu that is agreed upon in the negotiations different than the amount provided for in subsection (3) of this section.

(9) For a project as defined in Section 57-75-5(f)(xxviii), the annual amount of the fee-in-lieu apportioned to the county shall not be less than the amount necessary to pay the debt service on bonds issued by the county pursuant to Section 57-75-37(3)(c).

(10) Any fee-in-lieu of ad valorem taxes granted under this section before March 28, 2019, and consistent herewith, is hereby ratified, approved and confirmed.

[From and after July 1, \* \* \* 2025, this section shall read as follows:]

27-31-104. (1) (a) County boards of supervisors and municipal authorities are each hereby authorized and empowered to enter into an agreement with an enterprise granting, and pursuant to such agreement grant a fee-in-lieu of ad valorem taxes, including ad valorem taxes levied for school purposes, for the following:

(i) Projects totaling over Sixty Million Dollars (\$60,000,000.00) by any new enterprises enumerated in Section 27-31-101;

(ii) Projects by a private company (as such term is defined in Section 57-61-5, Mississippi Code of 1972) having a minimum capital investment of Sixty Million Dollars (\$60,000,000.00);

(iii) Projects, in addition to those projects referenced in Section 27-31-105, totaling over Sixty Million Dollars (\$60,000,000.00) by an existing enterprise that has been doing business in the county or municipality for twenty-four (24) months. For purposes of this subparagraph (iii), the term "existing enterprise" includes those enterprises enumerated in Section 27-31-101; or

(iv) A private company (as such term is defined in Section 57-61-5) having a minimum capital investment of One Hundred Million Dollars (\$100,000,000.00) from any source or combination of sources, provided that a majority of the capital investment is from private sources, when such project is located within a geographic area for which a Presidential Disaster Declaration was issued on or after January 1, 2014.

County boards of supervisors and municipal authorities may not enter into an agreement with an enterprise that is a medical cannabis establishment, as defined in the Mississippi Medical Cannabis Act, granting, and pursuant to such agreement grant a fee-in-lieu of ad valorem taxes.

(b) A fee-in-lieu of ad valorem taxes granted in accordance with this section may include any or all tangible property, real or personal, including any leasehold interests therein but excluding automobiles and trucks operating on and over the highways of the State of Mississippi, used in connection with, or necessary to, the operation of any enterprise, private company or business described in paragraph (a) of this subsection (1), as applicable, whether or not such property is owned, leased, subleased, licensed or otherwise obtained by such enterprise, private company or business, as applicable, irrespective of the taxpayer to which any such leased property is assessed for ad valorem tax purposes. If a fee-in-lieu of ad valorem taxes is granted pursuant to this section with respect to any leasehold interest under a lease, sublease or license of tangible property used in connection with, or necessary to, the operation of an enterprise, private company or business described in paragraph (a) of this subsection (1), as applicable, the corresponding ownership interest of the owner, lessor and sublessor of such tangible property shall similarly and automatically be exempt and subject to the fee-in-lieu granted in accordance herewith without any action being required to be taken by such owner, lessor or sublessor.

(2) A county board of supervisors may enter into a fee-in-lieu agreement on behalf of the county and any county school district, and a municipality may enter into such a fee-in-lieu agreement on behalf of the municipality and any municipal school district located in the municipality; however, if the project is located outside the limits of a municipality but within the boundaries of the municipal school district, then the county board of supervisors may enter into such a fee-in-lieu agreement on behalf of the school district granting a fee-in-lieu of ad valorem taxes for school district purposes.

(3) Any grant of a fee-in-lieu of ad valorem taxes shall be evidenced by a written agreement negotiated by the enterprise and the county board of supervisors and/or municipal authority, as the case may be, and given final approval by the Mississippi Development Authority as satisfying the requirements of this section.

(4) The minimum sum allowable as a fee-in-lieu shall not be less than one-third (1/3), or one-tenth (1/10) if the project is also a project eligible for an ad valorem tax exemption under Section 27-31-46 and a fee-in-lieu agreement is entered into before July 1, 2023, of the ad valorem levy, including ad valorem taxes for school district purposes, and except as otherwise provided, the sum allowed shall be apportioned between the

county or municipality, as appropriate, and the school districts in such amounts as may be determined by the county board of supervisors or municipal governing authority, as the case may be, however, except as otherwise provided in this section, from the sum allowed the apportionment to school districts shall not be less than the school districts' pro rata share based upon the proportion that the millage imposed for the school districts by the appropriate levying authority bears to the millage imposed by such levying authority for all other county or municipal purposes. Any fee-in-lieu agreement entered into under this section shall become a binding obligation of the parties to the agreement, be effective upon its execution by the parties and approval by the Mississippi Development Authority and, except as otherwise provided in Section 17-25-23 or Section 57-75-33, or any other provision of law, continue in effect for a period not to exceed thirty (30) years commencing on the date that the fee-in-lieu granted thereunder begins in accordance with the agreement; however, no particular parcel of land, real property improvement or item of personal property shall be subject to a fee-in-lieu for a duration of more than ten (10) years. Any such agreement shall be binding, according to its terms, on future boards of supervisors of the county and/or governing authorities of a municipality, as the case may be, for the duration of the agreement.

(5) The fee-in-lieu may be a stated fraction or percentage of the ad valorem taxes otherwise payable or a stated dollar amount. If the fee is a fraction or percentage of the ad valorem tax levy, it shall be annually computed on all ad valorem taxes otherwise payable, including school taxes, as the same may vary from year to year based upon changes in the millage rate or assessed value and shall not be less than one-third (1/3) of that amount or one-tenth (1/10) of that amount if the project is also a project eligible for an ad valorem tax exemption under Section 27-31-46 and a fee-in-lieu agreement is entered into before July 1, 2023. If the fee is a stated dollar amount, said amount shall be the higher of the sum provided for fixed payment or (a) one-third (1/3) of the total of all ad valorem taxes otherwise payable as annually determined during each year of the fee-in-lieu or (b) if the project is also a project eligible for an ad valorem tax exemption under Section 27-31-46 and a fee-in-lieu agreement is entered into before July 1, 2023, one-tenth (1/10) of the total of all ad valorem taxes otherwise payable as annually determined during each year of the fee-in-lieu.

(6) Notwithstanding Section 27-31-111, the parties to a fee-in-lieu may agree on terms and conditions providing for the reduction, suspension, termination or reinstatement of a fee-in-lieu agreement or any fee-in-lieu period granted thereunder upon the cessation of operations by project for twelve (12) or more consecutive months or due to other conditions set forth in the agreement.

(7) For a project as defined in Section 57-75-5(f)(xxi) and located in a county that is a member of a regional economic development alliance created under Section 57-64-1 et seq., the members of the regional economic development alliance may divide the sum allowed as a fee-in-lieu in a manner as determined by the alliance agreement, and the boards of supervisors of the member counties may then apportion the sum allowed between school district purposes and all other county purposes.

(8) For a project as defined in Section 57-75-5(f)(xxvi), the board of supervisors of the county in which the project is located may negotiate with the school district in which the project is located and apportion to the school district an amount of the fee-in-lieu that is agreed upon in the negotiations different than the amount provided for in subsection (3) of this section.

(9) For a project as defined in Section 57-75-5(f)(xxviii), the annual amount of the fee-in-lieu apportioned to the county shall not be less than the amount necessary to pay the annual debt service on bonds issued by the county pursuant to Section 57-75-37(3)(c).

(10) Any fee-in-lieu of ad valorem taxes granted under this section before March 28, 2019, and consistent herewith, is hereby ratified, approved and confirmed.

SECTION 3. A project that is eligible for an ad valorem tax exemption under Section 27-31-46, and for which initial construction begins on or after July 1, 2022, but not later than December 31, 2024, may be allowed an exemption from ad valorem taxation as provided in this section. For such a project, one-half (1/2) of the true value of property of the project that is subject to a fee-in-lieu of ad valorem taxes pursuant to an agreement under Section 27-31-104 may be exempted by a county board of supervisors and/or municipal governing authorities from ad valorem taxation for a period of ten (10) years from and after the date of the expiration of such fee-in-lieu of ad valorem taxes. Any exemption from ad valorem taxation allowed under this section must be authorized by a county board of supervisors and/or municipal governing authorities before July 1, 2023.

SECTION 4. (1) The board of supervisors of a county and/or the governing authorities of a municipality may provide partial ad valorem tax exemptions on land used for nonresidential purposes that is converted to a residential use as provided in this section.

(2) For nonresidential use property that is converted to residential use, the board of supervisors of a county and/or the governing authorities of a municipality may exempt the assessed value of the property in an amount equal to the difference between the assessed value of the property for residential use and the assessed value of the property for nonresidential use. The exemption authorized to be granted under this section shall end at such time as the property is occupied by a homeowner; however, if the property consists of a number of parcels upon which residences are being constructed, the exemption shall continue for each parcel until the residence constructed upon the parcel is occupied by a homeowner.

(3) Any request for an exemption under this section shall be in writing and contain such information about the property for which the exemption is being requested as the board of supervisors of the county or the governing authorities of the municipality may require. The granting of the exemption shall be recorded in the minutes of the board of supervisors of the county and the governing authorities of the municipality.

SECTION 5. Section 1 of this act shall be codified as a new section in Chapter 7, Title 27, Mississippi Code of 1972. Sections 3 and 4 of this act shall be codified as new sections in Chapter 31, Title 27, Mississippi Code of 1972.

SECTION 6. Nothing in this act shall affect or defeat any claim, assessment, appeal, suit, right or cause of action for taxes due or accrued under the income tax laws or ad valorem tax laws before the date on which this act becomes effective, whether such claims, assessments, appeals, suits or actions have been begun before the date on which this act becomes effective or are begun thereafter; and the provisions of the income tax laws and ad valorem tax laws are expressly continued in full force, effect and operation for the purpose of the assessment, collection and enrollment of liens for any taxes due or accrued and the execution of any warrant under such laws before the date on which this act becomes effective, and for the imposition of any penalties, forfeitures or claims for failure to comply with such laws.

SECTION 7. Section 1 of this act shall take effect and be in force from and after January 1, 2022, and the remaining sections of this act shall take effect and be in force from and after July 1, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

(a) "Alcoholic beverage" means any alcoholic liquid, including wines of more than five percent (5%) of alcohol by weight, capable of being consumed as a beverage by a human being, but shall not include light wine, light spirit product and beer, as defined in Section 67-3-3, Mississippi Code of 1972, but shall include native wines and native spirits. The words "alcoholic beverage" shall not include ethyl alcohol manufactured or distilled solely for fuel purposes or beer of an alcoholic content of more than eight percent (8%) by weight if the beer is legally manufactured in this state for sale in another state.

(b) "Alcohol" means the product of distillation of any fermented liquid, whatever the origin thereof, and includes synthetic ethyl alcohol, but does not include denatured alcohol or wood alcohol.

(c) "Distilled spirits" means any beverage containing more than six percent (6%) of alcohol by weight produced by distillation of fermented grain, starch, molasses or sugar, including dilutions and mixtures of these beverages.

(d) "Wine" or "vinous liquor" means any product obtained from the alcoholic fermentation of the juice of sound, ripe grapes, fruits, honey or berries and made in accordance with the revenue laws of the United States.

Hotels in towns or cities of more than twenty-five thousand (25,000) population are similarly defined except that they must have fifty (50) or more sleeping rooms. Any such establishment described in this paragraph with less than fifty (50) beds shall operate one or more regular dining rooms designed to be constantly frequented by customers each day. Except as otherwise provided in this paragraph, no place shall qualify as a restaurant under this chapter unless twenty-five percent (25%) or more of the revenue derived from such place shall be from the preparation, cooking and serving of meals and not from the sale of beverages, or unless the value of food given to and consumed by customers is equal to twenty-five percent (25%) or more of total revenue; or

(o) "Qualified resort area" means any area or locality outside of the limits of incorporated municipalities in this state commonly known and accepted as a place which regularly and customarily attracts tourists, vacationists and other transients because of its historical, scenic or recreational facilities or attractions, or because of other attributes which regularly and customarily appeal to and attract tourists, vacationists and other transients in substantial numbers; however, no area or locality shall so qualify as a resort area until it has been duly and properly approved as such by the department. Such waiver shall be in written form from the owner, the governing body, or the appropriate officer of the convent or monastery having the authority to execute such a waiver, and the waiver shall be filed with and verified by the department before becoming effective.

(i) The department may approve an area or locality outside of the limits of an incorporated municipality that is in the process of being developed as a qualified resort area if such area or locality, when developed, can reasonably be expected to meet the requisites of the definition of the term "qualified resort area." In such a case, the status of qualified resort area shall not take effect until completion of the development.

(ii) The term includes any state park which is declared a resort area by the department; however, such declaration may only be initiated in a written request for resort area status made to the department by the Executive Director of the Department of Wildlife, Fisheries and Parks, and no permit for the sale of any alcoholic beverage, as defined in this chapter, except an on-premises retailer's permit, shall be issued for a hotel, restaurant or bed and breakfast inn in such park.

(i) The department may issue a certificate of need for the new construction of a skilled nursing facility in Leake County, provided that the recipient of the certificate of need agrees in writing that the skilled nursing facility will not at any time participate in the Medicaid program (Section 43-13-101 et seq.) or admit or keep any patients in the skilled nursing facility who are participating in the Medicaid program. This written agreement by the recipient of the certificate of need shall be fully binding on any subsequent owner of the skilled nursing facility, if the ownership of the facility is transferred at any time after the issuance of the certificate of need. Agreement that the skilled nursing facility will not participate in the Medicaid program shall be a condition of the issuance of a certificate of need to any person under this paragraph (i), and if such skilled nursing facility at any time after the issuance of the certificate of need, regardless of the ownership of the facility, participates in the Medicaid program or admits or keeps any patients in the facility who are participating in the Medicaid program, the State Department of Health shall revoke the certificate of need, if it is still outstanding, and shall deny or revoke the license of the skilled nursing facility, at the time that the department determines, after a hearing complying with due process, that the facility has failed to comply with any of the conditions upon which the certificate of need was issued, as provided in this paragraph and in the written agreement by the recipient of the certificate of need. The provision of Section 41-7-193(1) regarding substantial compliance of the projection of need as reported in the current State Health Plan is waived for the purposes of this paragraph. The total number of nursing facility beds that may be authorized by any certificate of need issued under this paragraph (i) shall not exceed sixty (60) beds. If the skilled nursing facility authorized by the certificate of need issued under this paragraph is not constructed and fully operational within eighteen (18) months after July 1, 1994, the State Department of Health, after a hearing complying with due process, shall revoke the certificate of need, if it is still outstanding, and shall not issue a license for the skilled nursing facility at any time after the expiration of the eighteen-month period.

From and after July 1, 1999, there shall be no prohibition or restrictions on participation in the

Medicaid program (Section 43-13-101 et seq.) for the beds in the long-term care facilities that were authorized under this paragraph (j).

(k) The department may issue a certificate of need for the construction of a nursing facility at a continuing care retirement community in Lowndes County. The total number of beds that may be authorized under the authority of this paragraph (k) shall not exceed sixty (60) beds. From and after July 1, 2001, the prohibition on the facility participating in the Medicaid program (Section 43-13-101 et seq.) that was a condition of issuance of the certificate of need under this paragraph (k) shall be revised as follows: The nursing facility may participate in the Medicaid program from and after July 1, 2001, if the owner of the facility on July 1, 2001, agrees in writing that no more than thirty (30) of the beds at the facility will be certified for participation in the Medicaid program, and that no claim will be submitted for Medicaid reimbursement for more than thirty (30) patients in the facility in any month or for any patient in the facility who is in a bed that is not Medicaid-certified. This written agreement by the owner of the facility shall be a condition of licensure of the facility, and the agreement shall be fully binding on any subsequent owner of the facility if the ownership of the facility is transferred at any time after July 1, 2001. After this written agreement is executed, the Division of Medicaid and the State Department of Health shall not certify more than thirty (30) of the beds in the facility for participation in the Medicaid program. If the facility violates the terms of the written agreement by admitting or keeping in the facility on a regular or continuing basis more than thirty (30) patients who are participating in the Medicaid program, the State Department of Health shall revoke the license of the facility, at the time that the department determines, after a hearing complying with due process, that the facility has violated the written agreement.

(l) Provided that funds are specifically appropriated therefor by the Legislature, the department may issue a certificate of need to a rehabilitation hospital in Hinds County for the construction of a sixty-bed long-term care nursing facility dedicated to the care and treatment of persons with severe disabilities including persons with spinal cord and closed-head injuries and ventilator dependent patients. The provisions of Section 41-7-193(1) regarding substantial compliance with projection of need as reported in the current State Health Plan are waived for the purpose of this paragraph.

This written agreement by the recipient of the certificate of need shall be a condition of the issuance of the certificate of need under this paragraph, and the agreement shall be fully binding on any subsequent owner of the nursing facility if the ownership of the nursing facility is transferred at any time after the issuance of the certificate of need. After this written agreement is executed, the Division of Medicaid and the State Department of Health shall not certify any of the beds in the nursing facility for participation in the Medicaid program. If the nursing facility violates the terms of the written agreement by admitting or keeping in the nursing facility on a regular or continuing basis any patients who are participating in the Medicaid program, the State Department of Health shall revoke the license of the nursing facility, at the time that the department determines, after a hearing complying with due process, that the nursing facility has violated the condition upon which the certificate of need was issued, as provided in this paragraph and in the written agreement. If the certificate of need authorized under this paragraph is not issued within twelve (12) months after July 1, 2001, the department shall deny the application for the certificate of need and shall not issue the certificate of need at any time after the twelve-month period, unless the issuance is contested. If the certificate of need is issued and substantial construction of the nursing facility beds has not commenced within eighteen (18) months after July 1, 2001, the State Department of Health, after a hearing complying with due process, shall revoke the

certificate of need if it is still outstanding, and the department shall not issue a license for the nursing facility at any time after the eighteen-month period. However, if the issuance of the certificate of need is contested, the department shall require substantial construction of the nursing facility beds within six (6) months after final adjudication on the issuance of the certificate of need.

(n) The department may issue a certificate of need for the new construction, addition or conversion of skilled nursing facility beds in Madison County, provided that the recipient of the certificate of need agrees in writing that the skilled nursing facility will not at any time participate in the Medicaid program (Section 43-13-101 et seq.) or admit or keep any patients in the skilled nursing facility who are participating in the Medicaid program. This written agreement by the recipient of the certificate of need shall be fully binding on any subsequent owner of the skilled nursing facility, if the ownership of the facility is transferred at any time after the issuance of the certificate of need. Agreement that the skilled nursing facility will not participate in the Medicaid program shall be a condition of the issuance of a certificate of need to any person under this paragraph (n), and if such skilled nursing facility at any time after the issuance of the certificate of need, regardless of the ownership of the facility, participates in the Medicaid program or admits or keeps any patients in the facility who are participating in the Medicaid program, the State Department of Health shall revoke the certificate of need, if it is still outstanding, and shall deny or revoke the license of the skilled nursing facility, at the time that the department determines, after a hearing complying with due process, that the facility has failed to comply with any of the conditions upon which the certificate of need was issued, as provided in this paragraph and in the written agreement by the recipient of the certificate of need. The total number of nursing facility beds that may be authorized by any certificate of need issued under this paragraph (n) shall not exceed sixty (60) beds. If the certificate of need authorized under this paragraph is not issued within twelve (12) months after July 1, 1998, the department shall deny the application for the certificate of need and shall not issue the certificate of need at any time after the twelve-month period, unless the issuance is contested. If the certificate of need is issued and substantial construction of the nursing facility beds has not commenced within eighteen (18) months after July 1, 1998, the State Department of Health, after a hearing complying with due process, shall revoke the certificate of need if it is still outstanding, and the department shall not issue a license for the nursing facility at any time after the eighteen-month period. However, if the issuance of the certificate of need is contested, the department shall require substantial construction of the nursing facility beds within six (6) months after final adjudication on the issuance of the certificate of need.

(o) The department may issue a certificate of need for the new construction, addition or conversion of skilled nursing facility beds in Leake County, provided that the recipient of the certificate of need agrees in writing that the skilled nursing facility will not at any time participate in the Medicaid program (Section 43-13-101 et seq.) or admit or keep any patients in the skilled nursing facility who are participating in the Medicaid program. This written agreement by the recipient of the certificate of need shall be fully binding on any subsequent owner of the skilled nursing facility, if the ownership of the facility is transferred at any time after the issuance of the certificate of need. Agreement that the skilled nursing facility will not participate in the Medicaid program shall be a condition of the issuance of a certificate of need to any person under this paragraph (o), and if such skilled nursing facility at any time after the issuance of the certificate of need, regardless of the ownership of the facility, participates in the Medicaid program or admits or keeps any patients in the facility who are participating in the Medicaid program, the State Department of Health shall revoke the certificate of need, if it is still outstanding, and shall deny or revoke the license of the skilled nursing facility, at the time that the department determines, after a hearing complying with due process, that the facility has failed to comply with any of the conditions upon which the certificate of need was issued, as provided in this paragraph and in the written agreement by the recipient of the certificate of need. The total number of nursing facility beds that may be authorized by any certificate of need issued under this paragraph (o) shall not exceed sixty (60) beds. If the certificate of need authorized under this paragraph is not issued within twelve (12)

months after July 1, 2001, the department shall deny the application for the certificate of need and shall not issue the certificate of need at any time after the twelve-month period, unless the issuance is contested. If the certificate of need is issued and substantial construction of the nursing facility beds has not commenced within eighteen (18) months after July 1, 2001, the State Department of Health, after a hearing complying with due process, shall revoke the certificate of need if it is still outstanding, and the department shall not issue a license for the nursing facility at any time after the eighteen-month period. However, if the issuance of the certificate of need is contested, the department shall require substantial construction of the nursing facility beds within six (6) months after final adjudication on the issuance of the certificate of need.

(p) The department may issue a certificate of need for the construction of a municipally owned nursing facility within the Town of Belmont in Tishomingo County, not to exceed sixty (60) beds, provided that the recipient of the certificate of need agrees in writing that the skilled nursing facility will not at any time participate in the Medicaid program (Section 43-13-101 et seq.) or admit or keep any patients in the skilled nursing facility who are participating in the Medicaid program. This written agreement by the recipient of the certificate of need shall be fully binding on any subsequent owner of the skilled nursing facility, if the ownership of the facility is transferred at any time after the issuance of the certificate of need. Agreement that the skilled nursing facility will not participate in the Medicaid program shall be a condition of the issuance of a certificate of need to any person under this paragraph (p), and if such skilled nursing facility at any time after the issuance of the certificate of need, regardless of the ownership of the facility, participates in the Medicaid program or admits or keeps any patients in the facility who are participating in the Medicaid program, the State Department of Health shall revoke the certificate of need, if it is still outstanding, and shall deny or revoke the license of the skilled nursing facility, at the time that the department determines, after a hearing complying with due process, that the facility has failed to comply with any of the conditions upon which the certificate of need was issued, as provided in this paragraph and in the written agreement by the recipient of the certificate of need. The provision of Section 41-7-193(1) regarding substantial compliance of the projection of need as reported in the current State Health Plan is waived for the purposes of this paragraph. If the certificate of need authorized under this paragraph is not issued within twelve (12) months after July 1, 1998, the department shall deny the application for the certificate of need and shall not issue the certificate of need at any time after the twelve-month period, unless the issuance is contested. If the certificate of need is issued and substantial construction of the nursing facility beds has not commenced within eighteen (18) months after July 1, 1998, the State Department of Health, after a hearing complying with due process, shall revoke the certificate of need if it is still outstanding, and the department shall not issue a license for the nursing facility at any time after the eighteen-month period. However, if the issuance of the certificate of need is contested, the department shall require substantial construction of the nursing facility beds within six (6) months after final adjudication on the issuance of the certificate of need.

(q) (i) Beginning on July 1, 1999, the State Department of Health shall issue certificates of need during each of the next four (4) fiscal years for the construction or expansion of nursing facility beds or the conversion of other beds to nursing facility beds in each county in the state having a need for fifty (50) or more additional nursing facility beds, as shown in the fiscal year 1999 State Health Plan, in the manner provided in this paragraph (q). The total number of nursing facility beds that may be authorized by any certificate of need authorized under this paragraph (q) shall not exceed sixty (60) beds.

(ii) Subject to the provisions of subparagraph (v), during each of the next four (4) fiscal years, the department shall issue six (6) certificates of need for new nursing facility beds, as follows: During fiscal years 2000, 2001 and 2002, one (1) certificate of need shall be issued for new nursing facility beds in the county in each of the four (4) Long-Term Care Planning Districts designated in the fiscal year 1999 State Health Plan that has the highest need in the district for those beds; and two (2) certificates of need shall be issued for new nursing facility beds in the two (2) counties from the state at

large that have the highest need in the state for those beds, when considering the need on a statewide basis and without regard to the Long-Term Care Planning Districts in which the counties are located. During fiscal year 2003, one (1) certificate of need shall be issued for new nursing facility beds in any county having a need for fifty (50) or more additional nursing facility beds, as shown in the fiscal year 1999 State Health Plan, that has not received a certificate of need under this paragraph (q) during the three (3) previous fiscal years. During fiscal year 2000, in addition to the six (6) certificates of need authorized in this subparagraph, the department also shall issue a certificate of need for new nursing facility beds in Amite County and a certificate of need for new nursing facility beds in Carroll County.

(iii) Subject to the provisions of subparagraph (v), the certificate of need issued under subparagraph (ii) for nursing facility beds in each Long-Term Care Planning District during each fiscal year shall first be available for nursing facility beds in the county in the district having the highest need for those beds, as shown in the fiscal year 1999 State Health Plan. If there are no applications for a certificate of need for nursing facility beds in the county having the highest need for those beds by the date specified by the department, then the certificate of need shall be available for nursing facility beds in other counties in the district in descending order of the need for those beds, from the county with the second highest need to the county with the lowest need, until an application is received for nursing facility beds in an eligible county in the district.

(iv) Subject to the provisions of subparagraph (v), the certificate of need issued under subparagraph (ii) for nursing facility beds in the two (2) counties from the state at large during each fiscal year shall first be available for nursing facility beds in the two (2) counties that have the highest need in the state for those beds, as shown in the fiscal year 1999 State Health Plan, when considering the need on a statewide basis and without regard to the Long-Term Care Planning Districts in which the counties are located. If there are no applications for a certificate of need for nursing facility beds in either of the two (2) counties having the highest need for those beds on a statewide basis by the date specified by the department, then the certificate of need shall be available for nursing facility beds in other counties from the state at large in descending order of the need for those beds on a statewide basis, from the county with the second highest need to the county with the lowest need, until an application is received for nursing facility beds in an eligible county from the state at large.

(v) If a certificate of need is authorized to be issued under this paragraph (q) for nursing facility beds in a county on the basis of the need in the Long-Term Care Planning District during any fiscal year of the four-year period, a certificate of need shall not also be available under this paragraph (q) for additional nursing facility beds in that county on the basis of the need in the state at large, and that county shall be excluded in determining which counties have the highest need for nursing facility beds in the state at large for that fiscal year. After a certificate of need has been issued under this paragraph (q) for nursing facility beds in a county during any fiscal year of the four-year period, a certificate of need shall not be available again under this paragraph (q) for additional nursing facility beds in that county during the four-year period, and that county shall be excluded in determining which counties have the highest need for nursing facility beds in succeeding fiscal years.

(vi) If more than one (1) application is made for a certificate of need for nursing home facility beds available under this paragraph (q), in Yalobusha, Newton or Tallahatchie County, and one (1) of the applicants is a county-owned hospital located in the county where the nursing facility beds are available, the department shall give priority to the county-owned hospital in granting the certificate of need if the following conditions are met:

1. The county-owned hospital fully meets all applicable criteria and standards required to obtain a certificate of need for the nursing facility beds; and

2. The county-owned hospital's qualifications for the certificate of need, as shown in its application and as determined by the department, are at least equal to the qualifications of the other applicants for the certificate of need.

(r) (i) Beginning on July 1, 1999, the State Department of Health shall issue certificates of need during each of the next two (2) fiscal years for the construction or expansion of nursing facility beds or the conversion of other beds to nursing facility beds in each of the four (4) Long-Term Care Planning Districts designated in the fiscal year 1999 State Health Plan, to provide care exclusively to patients with Alzheimer's disease.

(ii) Not more than twenty (20) beds may be authorized by any certificate of need issued under this paragraph (r), and not more than a total of sixty (60) beds may be authorized in any Long-Term Care Planning District by all certificates of need issued under this paragraph (r). However, the total number of beds that may be authorized by all certificates of need issued under this paragraph (r) during any fiscal year shall not exceed one hundred twenty (120) beds, and the total number of beds that may be authorized in any Long-Term Care Planning District during any fiscal year shall not exceed forty (40) beds. Of the certificates of need that are issued for each Long-Term Care Planning District during the next two (2) fiscal years, at least one (1) shall be issued for beds in the northern part of the district, at least one (1) shall be issued for beds in the central part of the district, and at least one (1) shall be issued for beds in the southern part of the district.

(iii) The State Department of Health, in consultation with the Department of Mental Health and the Division of Medicaid, shall develop and prescribe the staffing levels, space requirements and other standards and requirements that must be met with regard to the nursing facility beds authorized under this paragraph (r) to provide care exclusively to patients with Alzheimer's disease.

(s) The State Department of Health may issue a certificate of need to a nonprofit skilled nursing facility using the Green House model of skilled nursing care and located in Yazoo City, Yazoo County, Mississippi, for the construction, expansion or conversion of not more than nineteen (19) nursing facility beds. For purposes of this paragraph (s), the provisions of Section 41-7-193(1) requiring substantial compliance with the projection of need as reported in the current State Health Plan and the provisions of Section 41-7-197 requiring a formal certificate of need hearing process are waived. There shall be no prohibition or restrictions on participation in the Medicaid program for the person receiving the certificate of need authorized under this paragraph (s).

(t) The State Department of Health shall issue certificates of need to the owner of a nursing facility in operation at the time of Hurricane Katrina in Hancock County that was not operational on December 31, 2005, because of damage sustained from Hurricane Katrina to authorize the following: (i) the construction of a new nursing facility in Harrison County; (ii) the relocation of forty-nine (49) nursing facility beds from the Hancock County facility to the new Harrison County facility; (iii) the establishment of not more than twenty (20) non-Medicaid nursing facility beds at the Hancock County facility; and (iv) the establishment of not more than twenty (20) non-Medicaid beds at the new Harrison County facility. The certificates of need that authorize the non-Medicaid nursing facility beds under subparagraphs (iii) and (iv) of this paragraph (t) shall be subject to the following conditions: The owner of the Hancock County facility and the new Harrison County facility must agree in writing that no more than fifty (50) of the beds at the Hancock County facility and no more than forty-nine (49) of the beds at the Harrison County facility will be certified for participation in the Medicaid program, and that no claim will be submitted for Medicaid reimbursement for more than fifty (50) patients in the Hancock County facility in any month, or for more than forty-nine (49) patients in the Harrison County facility in any month, or for any patient in either facility who is in a bed that is not Medicaid-certified. This written agreement by the owner of the nursing facilities shall be a condition of the issuance of the certificates of need under this paragraph (t), and the agreement shall be fully binding on any later owner or owners of either facility if the

ownership of either facility is transferred at any time after the certificates of need are issued. After this written agreement is executed, the Division of Medicaid and the State Department of Health shall not certify more than fifty (50) of the beds at the Hancock County facility or more than forty-nine (49) of the beds at the Harrison County facility for participation in the Medicaid program. If the Hancock County facility violates the terms of the written agreement by admitting or keeping in the facility on a regular or continuing basis more than fifty (50) patients who are participating in the Medicaid program, or if the Harrison County facility violates the terms of the written agreement by admitting or keeping in the facility on a regular or continuing basis more than forty-nine (49) patients who are participating in the Medicaid program, the State Department of Health shall revoke the license of the facility that is in violation of the agreement, at the time that the department determines, after a hearing complying with due process, that the facility has violated the agreement.

(u) The State Department of Health shall issue a certificate of need to a nonprofit venture for the establishment, construction and operation of a skilled nursing facility of not more than sixty (60) beds to provide skilled nursing care for ventilator dependent or otherwise medically dependent pediatric patients who require medical and nursing care or rehabilitation services to be located in a county in which an academic medical center and a children's hospital are located, and for any construction and for the acquisition of equipment related to those beds. The facility shall be authorized to keep such ventilator dependent or otherwise medically dependent pediatric patients beyond age twenty-one (21) in accordance with regulations of the State Board of Health. For purposes of this paragraph (u), the provisions of Section 41-7-193(1) requiring substantial compliance with the projection of need as reported in the current State Health Plan are waived, and the provisions of Section 41-7-197 requiring a formal certificate of need hearing process are waived. The beds authorized by this paragraph shall be counted as pediatric skilled nursing facility beds for health planning purposes under Section 41-7-171 et seq. There shall be no prohibition of or restrictions on participation in the Medicaid program for the person receiving the certificate of need authorized by this paragraph.

(3) The State Department of Health may grant approval for and issue certificates of need to any person proposing the new construction of, addition to, conversion of beds of or expansion of any health care facility defined in subparagraph (x) (psychiatric residential treatment facility) of Section 41-7-173(h). The total number of beds which may be authorized by such certificates of need shall not exceed three hundred thirty-four (334) beds for the entire state.

This written agreement by the recipient of the certificate of need shall be a condition of the issuance of the certificate of need under

this paragraph, and the agreement shall be fully binding on any subsequent owner of the psychiatric residential treatment facility if the ownership of the facility is transferred at any time after the issuance of the certificate of need. After this written agreement is executed, the Division of Medicaid and the State Department of Health shall not certify more than thirty (30) of the beds in the psychiatric residential treatment facility for participation in the Medicaid program for the use of any patients other than those who are participating only in the Medicaid program of another state. If the psychiatric residential treatment facility violates the terms of the written agreement by admitting or keeping in the facility on a regular or continuing basis more than thirty (30) patients who are participating in the Mississippi Medicaid program, the State Department of Health shall revoke the license of the facility, at the time that the department determines, after a hearing complying with due process, that the facility has violated the condition upon which the certificate of need was issued, as provided in this paragraph and in the written agreement.

This written agreement by the recipient of the certificate of need shall be a condition of the issuance of the certificate of need under this paragraph, and the agreement shall be fully binding on any subsequent owner of the psychiatric residential treatment facility if the ownership of the facility is transferred at any time after the issuance of the certificate of need. After this written agreement is executed, the Division of Medicaid and the State Department of Health shall not certify more than fifteen (15) of the beds in the psychiatric residential treatment facility for participation in the Medicaid program. If the psychiatric residential treatment facility violates the terms of the written agreement by admitting or keeping in the facility on a regular or continuing basis more than fifteen (15) patients who are participating in the Medicaid program, the State Department of Health shall revoke the license of the facility, at the time that the department determines, after a hearing complying with due process, that the facility has violated the condition upon which the certificate of need was issued, as provided in this paragraph and in the written agreement.

(e) Of the total number of beds authorized under this subsection (3) the department shall issue a certificate of need to a privately owned, nonprofit psychiatric residential treatment facility in Hinds County for an eight-bed expansion of the facility, provided that the facility agrees in writing that the facility shall give priority for the use of those eight (8) beds to Mississippi residents who are presently being treated in out-of-state facilities.

(f) The department shall issue a certificate of need to a one-hundred-thirty-four-bed specialty hospital located on twenty-nine and forty-four one-hundredths (29.44) commercial acres at 5900 Highway 39 North in Meridian (Lauderdale County), Mississippi, for the addition, construction or expansion of child/adolescent psychiatric residential treatment facility beds in Lauderdale County. As a condition of issuance of the certificate of need under this paragraph, the facility shall give priority in admissions to the child/adolescent psychiatric residential treatment facility beds authorized under this paragraph to patients who otherwise would require out-of-state placement. The Division of Medicaid, in conjunction with the Department of Human Services, shall furnish the facility a list of all out-of-state patients on a quarterly basis. Furthermore, notice shall also be provided to the parent, custodial parent or guardian of each out-of-state patient notifying them of the priority status granted by this paragraph. For purposes of this paragraph, the provisions of Section 41-7-193(1) requiring substantial compliance with the projection of need as reported in the current State Health Plan are waived. The total number of child/adolescent psychiatric residential treatment facility beds that may be authorized under the authority of this paragraph shall be sixty (60) beds. There shall be no prohibition or restrictions on participation in the Medicaid program (Section 43-13-101 et seq.) for the person(s) receiving the certificate(s) of need authorized under this paragraph (a) or for the beds converted pursuant to the authority of that certificate of need. In issuing any new certificate of need for any child/adolescent psychiatric or child/adolescent chemical dependency beds, either by new construction or conversion of beds of another category, the department shall give preference to beds which will be located in an area of the state which does not have such beds located in it, and to a location more than sixty-five (65) miles from existing beds. Upon receiving 2020 census data, the department may amend the State Health Plan regarding child/adolescent psychiatric and child/adolescent chemical dependency beds to reflect the need based on new census data.

(ii) The department may issue a certificate of need for the conversion of existing beds in a county hospital in Choctaw County from acute care beds to child/adolescent chemical dependency beds. For purposes of this subparagraph (ii), the provisions of Section 41-7-193(1) requiring substantial compliance with the projection of need as reported in the current State Health Plan are waived. The total number of beds that may be authorized under authority of this subparagraph shall not exceed twenty (20) beds. There shall be no prohibition or restrictions on participation in the Medicaid program (Section 43-13-101 et seq.) for the hospital receiving the certificate of need authorized under this subparagraph or for the beds converted pursuant to the authority of that certificate of need.

(iii) The department may issue a certificate or certificates of need for the construction or expansion of child/adolescent psychiatric beds or the conversion of other beds to child/adolescent psychiatric beds in Warren County. For purposes of this subparagraph (iii), the provisions of Section 41-7-193(1) requiring substantial compliance with the projection of need as reported in the current State Health Plan are waived. The total number of beds that may be authorized under the authority of this subparagraph shall not exceed twenty (20) beds. There shall be no prohibition or restrictions on participation

in the Medicaid program (Section 43-13-101 et seq.) for the person receiving the certificate of need authorized under this subparagraph or for the beds converted pursuant to the authority of that certificate of need.

If by January 1, 2002, there has been no significant commencement of construction of the beds authorized under this subparagraph (iii), or no significant action taken to convert existing beds to the beds authorized under this subparagraph, then the certificate of need that was previously issued under this subparagraph shall expire. If the previously issued certificate of need expires, the department may accept applications for issuance of another certificate of need for the beds authorized under this subparagraph, and may issue a certificate of need to authorize the construction, expansion or conversion of the beds authorized under this subparagraph.

(iv) The department shall issue a certificate of need to the Region 7 Mental Health/Retardation Commission for the construction or expansion of child/adolescent psychiatric beds or the conversion of other beds to child/adolescent psychiatric beds in any of the counties served by the commission. For purposes of this subparagraph (iv), the provisions of Section 41-7-193(1) requiring substantial compliance with the projection of need as reported in the current State Health Plan are waived. The total number of beds that may be authorized under the authority of this subparagraph shall not exceed twenty (20) beds. There shall be no prohibition or restrictions on participation in the Medicaid program (Section 43-13-101 et seq.) for the person receiving the certificate of need authorized under this subparagraph or for the beds converted pursuant to the authority of that certificate of need.

(v) The department may issue a certificate of need to any county hospital located in Leflore County for the construction or expansion of adult psychiatric beds or the conversion of other beds to adult psychiatric beds, not to exceed twenty (20) beds, provided that the recipient of the certificate of need agrees in writing that the adult psychiatric beds will not at any time be certified for participation in the Medicaid program and that the hospital will not admit or keep any patients who are participating in the Medicaid program in any of such adult psychiatric beds. This written agreement by the recipient of the certificate of need shall be fully binding on any subsequent owner of the hospital if the ownership of the hospital is transferred at any time after the issuance of the certificate of need. Agreement that the adult psychiatric beds will not be certified for participation in the Medicaid program shall be a condition of the issuance of a certificate of need to any person under this subparagraph (v), and if such hospital at any time after the issuance of the certificate of need, regardless of the ownership of the hospital, has any of such adult psychiatric beds certified for participation in the Medicaid program or admits or keeps any Medicaid patients in such adult psychiatric beds, the State Department of Health shall revoke the certificate of need, if it is still outstanding, and shall deny or revoke the license of the hospital at the time that the department determines, after a hearing complying with due process, that the hospital has failed to comply with any of the conditions upon which the certificate of need was issued, as provided in this subparagraph and in the written agreement by the recipient of the certificate of need.

(vi) The department may issue a certificate or certificates of need for the expansion of child psychiatric beds or the conversion of other beds to child psychiatric beds at the University of Mississippi Medical Center. (b) From and after July 1, 1990, no hospital, psychiatric hospital or chemical dependency hospital shall be authorized to add any child/adolescent psychiatric or

child/adolescent chemical dependency beds or convert any beds of another category to child/adolescent psychiatric or child/adolescent chemical dependency beds without a certificate of need under the authority of subsection (1)(c) and subsection (4)(a) of this section.

(5) The department may issue a certificate of need to a county hospital in Winston County for the conversion of fifteen (15) acute care beds to geriatric psychiatric care beds.

(6) The State Department of Health shall issue a certificate of need to a Mississippi corporation qualified to manage a long-term care hospital as defined in Section 41-7-173(h)(xii) in Harrison County, not to exceed eighty (80) beds, including any necessary renovation or construction required for licensure and certification, provided that the recipient of the certificate of need agrees in writing that the long-term care hospital will not at any time participate in the Medicaid program (Section 43-13-101 et seq.) or admit or keep any patients in the long-term care hospital who are participating in the Medicaid program. This written agreement by the recipient of the certificate of need shall be fully binding on any subsequent owner of the long-term care hospital, if the ownership of the facility is transferred at any time after the issuance of the certificate of need. Agreement that the long-term care hospital will not participate in the Medicaid program shall be a condition of the issuance of a certificate of need to any person under this subsection (6), and if such long-term care hospital at any time after the issuance of the certificate of need, regardless of the ownership of the facility, participates in the Medicaid program or admits or keeps any patients in the facility who are participating in the Medicaid program, the State Department of Health shall revoke the certificate of need, if it is still outstanding, and shall deny or revoke the license of the long-term care hospital, at the time that the department determines, after a hearing complying with due process, that the facility has failed to comply with any of the conditions upon which the certificate of need was issued, as provided in this subsection and in the written agreement by the recipient of the certificate of need. For purposes of this subsection, the provisions of Section 41-7-193(1) requiring substantial compliance with the projection of need as reported in the current State Health Plan are waived.

(7) The State Department of Health may issue a certificate of need to any hospital in the state to utilize a portion of its beds for the "swing-bed" concept. Any such hospital must be in conformance with the federal regulations regarding such swing-bed concept at the time it submits its application for a certificate of need to the State Department of Health, except that such hospital may have more licensed beds or a higher average daily census (ADC) than the maximum number specified in federal regulations for participation in the swing-bed program. Any hospital meeting all federal requirements for participation in the swing-bed program which receives such certificate of need shall render services provided under the swing-bed concept to any patient eligible for Medicare (Title XVIII of the Social Security Act) who is certified by a physician to be in need of such services, and no such hospital shall permit any patient who is eligible for both Medicaid and Medicare or eligible only for Medicaid to stay in the swing beds of the hospital for more than thirty (30) days per admission unless the hospital receives prior approval for such patient from the Division of Medicaid, Office of the Governor. Any hospital having more licensed beds or a higher average daily census (ADC) than the maximum number specified in federal regulations for participation in the swing-bed program which receives such certificate of need shall develop a procedure to ensure that before a patient is allowed to stay in the swing beds of the hospital, there are no vacant nursing home beds available for that patient located within a fifty-mile radius of the hospital. When any such hospital has a patient staying in the swing beds of the hospital and the hospital receives notice from a nursing home located within such radius that there is a vacant bed available for that patient, the hospital shall transfer the patient to the nursing home within a reasonable time after receipt of the notice. Any hospital which is subject to the requirements of the two (2) preceding sentences of this subsection may be suspended from participation in the swing-bed program for a reasonable period of time by the State Department of Health if the department, after a hearing complying with due process, determines that the hospital has failed to comply with any of those requirements.

(8) The Department of Health shall not grant approval for or issue a certificate of need to any person proposing the new construction of, addition to or expansion of a health care facility as defined in subparagraph (viii) of Section 41-7-173(h), except as hereinafter provided: The department may issue a certificate of need to a nonprofit corporation located in Madison County, Mississippi, for the construction, expansion or conversion of not more than twenty (20) beds in a community living program for developmentally disabled adults in a facility as defined in subparagraph (viii) of Section 41-7-173(h). For purposes of this subsection (8), the provisions of Section 41-7-193(1) requiring substantial compliance with the projection of need as reported in the current State Health Plan and the provisions of Section 41-7-197 requiring a formal certificate of need hearing process are waived. There shall be no prohibition or restrictions on participation in the Medicaid program for the person receiving the certificate of need authorized under this subsection (8).

(9) The Department of Health shall not grant approval for or issue a certificate of need to any person proposing the establishment of, or expansion of the currently approved territory of, or the contracting to establish a home office, subunit or branch office within the space operated as a health care facility as defined in Section 41-7-173(h)(i) through (viii) by a health care facility as defined in subparagraph (ix) of Section 41-7-173(h).

(10) Health care facilities owned and/or operated by the state or its agencies are exempt from the restraints in this section against issuance of a certificate of need if such addition or expansion consists of repairing or renovation necessary to comply with the state licensure law. This exception shall not apply to the new construction of any building by such state facility. This exception shall not apply to any health care facilities owned and/or operated by counties, municipalities, districts, unincorporated areas, other defined persons, or any combination thereof.

(11) The new construction, renovation or expansion of or addition to any health care facility defined in subparagraph (ii) (psychiatric hospital), subparagraph (iv) (skilled nursing facility), subparagraph (vi) (intermediate care facility), subparagraph (viii) (intermediate care facility for the mentally retarded) and subparagraph (x) (psychiatric residential treatment facility) of Section 41-7-173(h) which is owned by the State of Mississippi and under the direction and control of the State Department of Mental Health, and the addition of new beds or the conversion of beds from one category to another in any such defined health care facility which is owned by the State of Mississippi and under the direction and control of the State Department of Mental Health, shall not require the issuance of a certificate of need under Section 41-7-171 et seq., notwithstanding any provision in Section 41-7-171 et seq. to the contrary.

(12) The new construction, renovation or expansion of or addition to any veterans homes or domiciliaries for eligible veterans of the State of Mississippi as authorized under Section 35-1-19 shall not require the issuance of a certificate of need, notwithstanding any provision in Section 41-7-171 et seq. to the contrary.

(13) The repair or the rebuilding of an existing, operating health care facility that sustained significant damage from a natural disaster that occurred after April 15, 2014, in an area that is proclaimed a disaster area or subject to a state of emergency by the Governor or by the President of the United States shall be exempt from all of the requirements of the Mississippi Certificate of Need Law (Section 41-7-171 et seq.) and any and all rules and regulations promulgated under that law, subject to the following conditions:

(a) The repair or the rebuilding of any such damaged health care facility must be within one (1) mile of the pre-disaster location of the campus of the damaged health care facility, except that any temporary post-disaster health care facility operating

location may be within five (5) miles of the pre-disaster location of the damaged health care facility;

(b) The repair or the rebuilding of the damaged health care facility (i) does not increase or change the complement of its bed capacity that it had before the Governor's or the President's proclamation, (ii) does not increase or change its levels and types of health care services that it provided before the Governor's or the President's proclamation, and (iii) does not rebuild in a different county; however, this paragraph does not restrict or prevent a health care facility from decreasing its bed capacity that it had before the Governor's or the President's proclamation, or from decreasing the levels of or decreasing or eliminating the types of health care services that it provided before the Governor's or the President's proclamation, when the damaged health care facility is repaired or rebuilt;

(c) The exemption from Certificate of Need Law provided under this subsection (13) is valid for only five (5) years from the date of the Governor's or the President's proclamation. If actual construction has not begun within that five-year period, the exemption provided under this subsection is inapplicable; and

(d) The Division of Health Facilities Licensure and Certification of the State Department of Health shall provide the same oversight for the repair or the rebuilding of the damaged health care facility that it provides to all health care facility construction projects in the state.

For the purposes of this subsection (13), "significant damage" to a health care facility means damage to the health care facility requiring an expenditure of at least One Million Dollars (\$1,000,000.00).

(14) The State Department of Health shall issue a certificate of need to any hospital which is currently licensed for two hundred fifty (250) or more acute care beds and is located in any general hospital service area not having a comprehensive cancer center, for the establishment and equipping of such a center which provides facilities and services for outpatient radiation oncology therapy, outpatient medical oncology therapy, and appropriate support services including the provision of radiation therapy services. The provisions of Section 41-7-193(1) regarding substantial compliance with the projection of need as reported in the current State Health Plan are waived for the purpose of this subsection.

(15) The State Department of Health may authorize the transfer of hospital beds, not to exceed sixty (60) beds, from the North Panola Community Hospital to the South Panola Community Hospital. The authorization for the transfer of those beds shall be exempt from the certificate of need review process.

(16) The State Department of Health shall issue any certificates of need necessary for Mississippi State University and a public or private health care provider to jointly acquire and operate a linear accelerator and a magnetic resonance imaging unit. Those certificates of need shall cover all capital expenditures related to the project between Mississippi State University and the health care provider, including, but not limited to, the acquisition of the linear accelerator, the magnetic resonance imaging unit and other radiological modalities; the offering of linear accelerator and magnetic resonance imaging services; and the cost of construction of facilities in which to locate these services. The linear accelerator and the magnetic resonance imaging unit shall be (a) located in the City of Starkville, Oktibbeha County, Mississippi; (b) operated jointly by Mississippi State University and the public or private health care provider selected by Mississippi State University through a request for proposals (RFP) process in which Mississippi State University selects, and the Board of Trustees of State Institutions of Higher Learning approves, the health care provider that makes the best overall proposal; (c) available to Mississippi State University for research purposes two-thirds (2/3) of the time that the linear accelerator and magnetic resonance imaging unit are operational; and (d) available

to the public or private health care provider selected by Mississippi State University and approved by the Board of Trustees of State Institutions of Higher Learning one-third (1/3) of the time for clinical, diagnostic and treatment purposes. For purposes of this subsection, the provisions of Section 41-7-193(1) requiring substantial compliance with the projection of need as reported in the current State Health Plan are waived.

(17) The State Department of Health shall issue a certificate of need for the construction of an acute care hospital in Kemper County, not to exceed twenty-five (25) beds, which shall be named the "John C. Stennis Memorial Hospital." In issuing the certificate of need under this subsection, the department shall give priority to a hospital located in Lauderdale County that has two hundred fifteen (215) beds. For purposes of this subsection, the provisions of Section 41-7-193(1) requiring substantial compliance with the projection of need as reported in the current State Health Plan and the provisions of Section 41-7-197 requiring a formal certificate of need hearing process are waived. There shall be no prohibition or restrictions on participation in the Medicaid program (Section 43-13-101 et seq.) for the person or entity receiving the certificate of need authorized under this subsection or for the beds constructed under the authority of that certificate of need.

(18) The planning, design, construction, renovation, addition, furnishing and equipping of a clinical research unit at any health care facility defined in Section 41-7-173(h) that is under the direction and control of the University of Mississippi Medical Center and located in Jackson, Mississippi, and the addition of new beds or the conversion of beds from one (1) category to another in any such clinical research unit, shall not require the issuance of a certificate of need under Section 41-7-171 et seq., notwithstanding any provision in Section 41-7-171 et seq. to the contrary.

(19) [Repealed]

(20) Nothing in this section or in any other provision of Section 41-7-171 et seq. shall prevent any nursing facility from designating an appropriate number of existing beds in the facility as beds for providing care exclusively to patients with Alzheimer's disease.

(21) Nothing in this section or any other provision of Section 41-7-171 et seq. shall prevent any health care facility from the new construction, renovation, conversion or expansion of new beds in the facility designated as intensive care units, negative pressure rooms, or isolation rooms pursuant to the provisions of Sections 41-14-1 through 41-14-11, or Section 1 of this act. For purposes of this subsection, the provisions of Section 41-7-193(1) requiring substantial compliance with the projection of need as reported in the current State Health Plan and the provisions of Section 41-7-197 requiring a formal certificate of need hearing process are waived.

H. B. No. 1313: "Fostering Access and Inspiring True Hope (FAITH) Scholarship Program Act"; create to provide postsecondary financial assistance to foster children.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) This section shall be known and may be cited as the "State Representative Bill Kinkade Fostering Access and Inspiring True Hope (FAITH) Scholarship Program."

(2) As used in this section, the following terms shall have the meaning ascribed in this subsection, unless context of use clearly requires otherwise:

(a) "Approved postsecondary educational institution" means any public state-supported institution of higher learning, community or junior college, or any not-for-profit private institution of higher learning in the state. The term does not include proprietary colleges or universities.

(b) "Board" means the Mississippi Postsecondary Education Financial Assistance Board established in Section 37-106-9, which is authorized and empowered to administer the provisions of Title 37, Chapter 106, Mississippi Code of 1972.

(c) "Director" means the individual designated by the Board of Trustees of State Institutions of Higher Learning to administer the provisions of the various financial assistance programs by promulgating the necessary rules and regulations for their effective administration.

(d) "Department" means the Mississippi Department of Child Protection Services.

(e) "Eligible student" means:

(i) Any individual who is younger than twenty-five (25) years of age who was placed in the legal custody of the Mississippi Department of Child Protection Services by a youth court or through other legal means and who was in the legal custody of the department at any time on or after attaining thirteen (13) years of age;

(ii) Any individual who is younger than twenty-five (25) years of age who was placed in a qualified residential child care agency by a parent, legal guardian, court of competent jurisdiction, or other person or entity acting in the best interest of the individual and who did reside in a qualified residential child care agency at any time on or after attaining thirteen (13) years of age; or

(iii) Any individual who is younger than twenty-five (25) years of age who was adopted from the department's legal custody or adopted while residing at a qualified residential child care agency as described in paragraph (f) of this subsection at any time on or after attaining thirteen (13) years of age.

(f) "Qualified residential child care agency" means an entity that provides a home for children and was licensed by the Mississippi Department of Child Protection Services at the time that the scholarship applicant was housed by the agency.

(g) "Scholarship" means the State Representative Bill Kinkade Fostering Access and Inspiring True Hope (FAITH) Scholarship.

(3) The Mississippi Postsecondary Education Financial Assistance Board, with the assistance of the Mississippi Department Child Protection Services shall develop and administer the Kinkade FAITH Scholarship Program for eligible students. Commencing with the 2023-2024 academic year, the board shall approve scholarships to eligible students who meet the general requirements set forth in subsection (8) of this section. Scholarships shall be used to pay up to the cost of attendance at any approved postsecondary educational institution, provided that payments to any not-for-profit private institution of higher learning shall not exceed the average cost of attendance required by all of the public state-supported institutions of higher learning.

(4) Payments up to the cost of attendance are considered program scholarships.

(5) The Kinkade FAITH Scholarship Program shall include a mentor service administered by the department as a support system for scholarship recipients. This service shall include mentors who shall be compensated by the department, as employees or contractors, to help participants adapt to independent living, academics and other college or university activities.

(6) (a) Initial recipients shall be selected from all eligible students based on rules promulgated by the board. In the second and subsequent years of the program, priority consideration shall first be given to renewal applicants.

(b) The board shall develop rules for ensuring that expenses of the scholarship program in a fiscal year do not exceed funding for the program in that fiscal year. For that purpose, and any other provision of this section to the contrary notwithstanding, the board may limit the acceptance of scholarship applications and may limit the award of scholarships.

(7) The program shall pay up to the student's cost of attendance for up to five (5) years, except as otherwise provided in subsection (10) of this section. In no event shall the cost of attendance be paid pursuant to this section for more than seventy-two (72) credit hours at a community college or one hundred forty-four (144) credit hours at a four-year college. The program shall only pay up to cost of attendance for courses leading

to an undergraduate credential or degree. Scholarship funds may be disbursed only if sufficient funding for the scholarship program is available.

(8) To participate in the program, a scholarship applicant shall satisfy the following general eligibility requirements:

(a) Be an eligible student as defined in subsection (2)(e) of this section;

(b) Be accepted for enrollment in a degree or certificate program at an approved postsecondary educational institution; and

(c) Have completed and submitted to the United States Department of Education a Free Application for Federal Student Aid (FAFSA) before each year in which he or she receives a scholarship. He or she shall have applied for all federal student financial assistance, including Educational and Training Vouchers.

(9) To receive a renewal scholarship, a student shall satisfy the following continuing eligibility requirements:

(a) Make satisfactory academic progress toward the completion of a degree or certificate as determined by rules promulgated by the board and maintain a 2.0 cumulative GPA for consecutive or nonconsecutive semesters of enrollment; and

(b) Remain in good standing with the policies established by the approved postsecondary educational institution.

(10) The age limitation under subsection (2)(e) of this section shall be extended by the total number of years during which the student was on active duty status in the United States Armed Forces. The number of months served on active duty status in the United States Armed Forces shall be rounded up to the next higher year to determine the maximum length of eligibility extension allowed.

(11) The scholarship will include any costs associated with room and board during institutional holidays at approved postsecondary educational institutions where such accommodations are available.

(12) Funds can be combined with any other federal, institutional, or private scholarships to meet the student's full cost of attendance. No other gift aid should be reduced or supplanted by the Kinkade FAITH scholarship. However, in no case shall the FAITH scholarship be combined with other gift aid to exceed cost of attendance.

(13) The board shall promulgate rules as necessary to implement and administer this section.

(14) Nothing in this section shall be construed to:

(a) Guarantee acceptance of or entrance into any approved postsecondary educational institution for an eligible student;

(b) Limit the participation of an eligible student in any other program of financial assistance for postsecondary education;

(c) Require any approved postsecondary educational institution to waive costs or fees relating to room and board; or

(d) Restrict any approved postsecondary educational institution, the Mississippi Postsecondary Education Financial Assistance Board, or the Department of Child Protection Services from accessing other sources of financial assistance, except loans, that may be available to an eligible student.

SECTION 2. (1) There is established in the State Treasury a special fund to be designated as the "Kinkade Fostering Access and Inspiring True Hope (FAITH) Scholarship Program Fund." The special fund shall consist of funds appropriated or otherwise made available by the Legislature in any manner, and funds from any other source designated for deposit into the special fund. Monies in the fund shall only be spent upon appropriation by the Legislature to the Mississippi Postsecondary Education Financial Assistance Board and shall only be used by the Board for the purpose of implementing the scholarship program established in Section 1 of this act.

(2) Unexpended amounts remaining in the special fund at the end of a fiscal year shall not lapse into the State General Fund but shall remain in the Kinkade FAITH Scholarship Program Fund. Any investment earnings or interest earned on amounts in the special fund shall be deposited to the credit of the special fund.

SECTION 3. Section 93-19-13, Mississippi Code of 1972, is amended as follows:

93-19-13. The application and the additional fee imposed under subsection (3) of this section, less three percent (3%) thereof to be retained by the tax collector, shall be remitted to the State Tax Commission on a monthly basis as prescribed by the commission. (4) The State Tax Commission shall deposit all fees collected under this section into the State Treasury on the day collected. At the end of each month, the State Tax Commission shall certify to the State Treasurer the total fees collected under this section from the issuance of distinctive license tags. The State Treasurer shall distribute an amount equal to Seven Dollars (\$7.00) of the additional fees collected for each such distinctive license tag issued under this section to the State General Fund, and the remainder of such additional fees collected shall be distributed by the State Treasurer to the credit of the special fund created in Section 7-9-70.

A person may obtain a replica tag from the Department of Revenue and the additional fee for the tag shall be the cost of the replica tag and any applicable shipping or delivery charge or other related charge incurred by the department.

SECTION 22. Section 27-19-48, Mississippi Code of 1972, is amended as follows:

27-19-48. (1) (a) Owners of motor vehicles and noncommercial trailers who are residents of this state, upon complying with the laws relating to registration and licensing of motor vehicles and trailers, and upon payment of the road and bridge privilege taxes, ad valorem taxes and registration fees as prescribed by law for private carriers of passengers, pickup trucks, other noncommercial motor vehicles and trailers, and upon payment of an additional fee in the amount provided in subsection (4)(a) of this section, shall be issued a personalized license tag of the same color as regular license tags to consist of the name of the county and not more than seven (7) letters of the alphabet or seven (7) numbers in lieu of the license tag numbering system prescribed by law. The purchaser of the personalized license tag may choose the combination of such letters or numbers, but no two (2) motor vehicles or trailers shall have the same combination of letters or numbers. In the event that the same combination of letters has been chosen by two (2) or more purchasers, the Department of Revenue shall assign a different number to each such purchaser which shall appear on the license tag following the combination of letters; however, this combination shall not exceed seven (7) letters and/or numbers. The combination of letters and/or numbers written across the license tag shall be sufficiently large to be easily read but shall not be less than three (3) inches in height. No combination of letters or numbers which comprise words or expressions that are considered obscene, slandering, insulting or vulgar in ordinary usage shall be permitted, with the Commissioner of Revenue having the responsibility of making this determination. If, however, such license plate is issued in error or otherwise and is determined by the commissioner to be obscene, slanderous, insulting, vulgar or offensive, the commissioner shall notify the owner that the license plate must be surrendered and that another personalized license plate may be selected by him and issued at no cost.

(b) As an alternative to the personalized license tag being of the same color as regular license tags, an owner of a motor vehicle or noncommercial trailer may choose a personalized tag with a black background and a white pinstripe border. "Mississippi" shall be printed at the top, and the name of the county shall be printed at the bottom. The application and the additional fee, less Two Dollars (\$2.00) to be retained by the tax collector, shall be remitted to the Department of Revenue within seven (7) days of the date the application is made. In all other respects, and except for the amount and distribution of the additional fee in subsection (4) of this section, tags issued under this paragraph (b) shall follow the guidelines for tags issued under paragraph (a) of this subsection.

(c) Should the vehicle or trailer owner not desire another personalized license plate, the fee for such plate shall be refunded. In the event the owner fails to surrender the license plate after receiving proper notification, the commissioner shall issue an order directing that the license plate be seized by agents of the Department of Revenue or any other duly authorized law enforcement personnel.

(2) For the purposes of this section the terms "motor vehicle" and "vehicle" include motorcycles.

(3) Application for the personalized license tags shall be made to the county tax collector on forms prescribed by the Department of Revenue. The application form shall contain space for the applicant to make five (5) different choices for the combination of the letters and numbers in the order in which the combination is desired by the applicant. The application and the additional fee, less five percent (5%) thereof to be retained by the tax collector, shall be remitted to the Department of Revenue within seven (7) days of the date the application is made. The portion of the additional fee retained by the tax collector shall be deposited into the county general fund.

(4) (a) Beginning with any registration year commencing on or after November 1, 1986, any person applying for a personalized license tag shall pay an additional fee which shall be in addition to all other taxes and fees. The additional fee paid shall be for a period of time to run concurrently with the vehicle's or trailer's established license tag year. The additional fee of Thirty Dollars (\$30.00) or, for alternative tags issued under subsection (1)(b) of this section, Fifty Dollars (\$50.00) is due and payable at the time the original application is made for a personalized tag and thereafter annually at the time of renewal registration as long as the owner retains the personalized tag. If the owner does not wish to retain the personalized tag, he must surrender it to the local county tax collector. The additional fee due at the time of renewal registration shall be collected by the county tax collector and remitted to the Department of Revenue on a monthly basis as prescribed by the department.

(b) The Department of Revenue shall deposit all taxes and fees into the State Treasury on the day collected. At the end of each month, the Department of Revenue shall certify the total fees collected under this section to the State Treasurer who shall distribute the fees as follows:

(i) For tags issued under subsection (1)(a) of this section, Sixteen Dollars and Twenty-five Cents (\$16.25) of each additional fee shall be deposited to the credit of the State General Fund, and the remainder of each such additional fee shall be deposited to the credit of the State Highway Fund to be expended solely for the repair, maintenance, construction or reconstruction of highways.

(ii) For alternative tags issued under subsection (1)(b) of this section, Thirty-six Dollars and Twenty-five Cents (\$36.25) of each additional fee shall be deposited to the credit of the Law Enforcement Officers and Fire Fighters Death Benefits Trust Fund established in Section 45-2-1 and the remainder of each such additional fee shall be

deposited to the credit of the State Highway Fund to be expended solely for the repair, maintenance, construction or reconstruction of highways.

(5) A regular license tag must be properly displayed as required by law until replaced by a personalized license tag; and the regular license tag must be surrendered to the tax collector upon issuance of the personalized license tag. The tax collector shall issue up to two (2) license decals for the personalized license tag, which will expire the same month and year as the original license tag.

(6) The applicant shall receive a refund of the fee paid for a personalized license tag if the personalized license tag is not issued to him because the combination of letters and numbers requested to be placed thereon is not available for any reason.

(7) In the case of loss or theft of a personalized license tag, the owner may make application and affidavit for a replacement license tag as provided by Section 27-19-37. The fee for a replacement personalized license tag shall be Ten Dollars (\$10.00). The tax collector receiving such application and affidavit shall be entitled to retain and deposit into the county general fund five percent (5%) of the fee for such replacement license tag and the remainder shall be distributed in the same manner as funds from the sale of regular license tags.

(8) The owner of a personalized license tag may make application for a duplicate of such tag. The fee for such duplicate personalized license tag shall be Ten Dollars (\$10.00). The tax collector receiving the application shall be entitled to retain and deposit into the county general fund five percent (5%) of the fee for such duplicate personalized license tag and the remainder shall be distributed in the same manner as funds from the sale of regular license tags. A duplicate personalized license tag may not be fastened to the rear of a vehicle or trailer and may not be utilized as a replacement for any personalized license tag issued pursuant to this section. Month decals and year decals shall not be issued for duplicate personalized license tags and month decals and year decals shall not be attached to duplicate personalized license tags.

SECTION 23. This act shall take effect and be in force from and after July 1, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1747: City of Clinton; authorize a tax on restaurants to promote tourism, parks and recreation.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. As used in this act, the following terms have the meanings ascribed to them in this section unless the context clearly indicates otherwise:

(a) "City" means the City of Clinton, Mississippi.

(b) "Governing authorities" means the governing authorities of the City of Clinton, Mississippi.

(c) "Prepared food" means food prepared on the premises of a restaurant.

(d) "Restaurant" means all places within the corporate limits of the city where prepared food and beverages are sold for consumption, whether such food is consumed on the premises or not. The term "restaurant" does not include any school; hospital; convalescent or nursing home; and restaurant-like facility operated by or in connection with a school, hospital, medical clinic, convalescent or nursing home providing food for students, patients, visitors or their families.

SECTION 2. (1) For the purpose of providing funds to promote tourism and parks and recreation within the city, the governing authorities of the City of Clinton, Mississippi, in their discretion, may levy, assess and collect a tax from persons, firms or corporations specified in this subsection, a tax, which shall be in addition to all other taxes or assessments imposed. The tax shall be imposed upon every person, firm or corporation operating a restaurant in the City of Clinton, Mississippi, where prepared food and drink is sold to the public, at a rate not to exceed two percent (2%) of the gross proceeds of the sales of such restaurant or business.

(2) Persons, firms, corporations or other entities liable for the tax imposed under subsection (1) of this section shall add the amount of the tax to the sales price of the food and beverages and shall collect, insofar as practicable, the amount of the tax due from the person purchasing the food or beverages at the time of payment therefor.

SECTION 3. Before any tax authorized under this act may be imposed, the governing authorities shall adopt a resolution declaring their intention to levy the tax, setting forth the amount of the tax to be imposed, the date upon which the tax shall become effective and calling for an election to be held on the question. The date of the election shall be fixed in the resolution. Notice of the intention and the election shall be published once each week for at least three (3) consecutive weeks in a newspaper published or having a general circulation in the city, with the first publication of the notice to be made not less than twenty-one (21) days before the date fixed in the resolution for the election and the last publication to be made not more than seven (7) days before the election. At the election, all qualified electors of the city may vote, and the ballots used in the election shall have printed thereon a brief statement of the amount and purposes of the proposed tax levy and the words "FOR THE TAX" and, on a separate line, "AGAINST THE TAX" and the voters shall vote by placing a cross (X) or check () opposite their choice on the proposition. When the results of the election shall have been canvassed and certified, the city may levy the tax if sixty percent (60%) of the qualified electors who vote in the election vote in favor of the tax. At least thirty (30) days before the effective date of the tax, the governing authorities shall furnish to the Department of Revenue a certified copy of the resolution evidencing the tax.

SECTION 4. (1) On or before the fifteenth day of the month preceding the date on which the city will begin to levy the tax authorized under Section 2 of this act, the governing authorities shall give written notification to the Commissioner of Revenue of the date on which the tax will become effective.

(2) The tax must be collected by and paid to the Department of Revenue in the same manner that state sales taxes are computed, collected and paid, and the full enforcement provisions and all other provisions of Chapter 65, Title 27, Mississippi Code of 1972, will apply as necessary for the implementation of this act.

(3) Except for any amount retained by the Department of Revenue under Section 27-3-58, Mississippi Code of 1972, the revenue from the special tax collected under this act must be paid to the city on or before the fifteenth day of the month following the month in which collected.

(4) Accounting for receipts and expenditures of the revenue from the tax shall be made separately from the accounting of receipts and expenditures of the general fund and any other funds of the city. The records reflecting the receipts and expenditures of the revenue from the tax shall be audited annually by an independent certified public accountant, and the accountant shall make a written report of his or her audit to the governing authorities. The audit shall be made and completed as soon as practicable after the close of the fiscal year, and expenses of the audit shall be paid from the funds derived pursuant to this act.

(5) The proceeds of the tax may not be considered by the city as general fund revenues but must be placed into a special fund apart from the city general fund and any other funds and expended by the city strictly for the purposes prescribed under Section 2 of this act.

SECTION 5. This act shall be repealed from and after July 1, 2026.

SECTION 6. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AUTHORIZE THE GOVERNING AUTHORITIES OF THE CITY OF CLINTON, MISSISSIPPI, TO LEVY A 2% TAX UPON THE GROSS PROCEEDS OF SALES OF RESTAURANTS FOR THE PURPOSE OF PROVIDING FUNDS TO PROMOTE TOURISM AND PARKS AND RECREATION WITHIN THE CITY; TO REQUIRE AN ELECTION BE HELD ON THE QUESTION OF WHETHER SUCH TAX MAY BE LEVIED; AND FOR RELATED PURPOSES.

2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. The provisions of this act shall be known and may be cited as the "American Rescue Plan Act (ARPA) Workforce Development and Retention Act." Under this act, the Legislature creates the Accelerate Mississippi Workforce Development Program and the Mississippi Health Sciences Training Infrastructure Grant Program.

SECTION 2. (1) The Mississippi Legislature finds the following:

(a) The public health crisis related to COVID-19 resulted in a general disruption in the Mississippi economy and workforce, particularly in the healthcare industry;

(b) Workforce shortages exist in a number of high-wage, high-demand Mississippi industries, including, but not limited to, the field of nursing; and

(c) The availability of unprecedented federal funding to mitigate the impact of COVID-19 on the workforce and economy has created a unique opportunity for the Office of Workforce Development, working with community colleges, institutions of higher learning, employers, and others, to provide education and training for Mississippians seeking employment in healthcare and other fields.

(2) Therefore, the intent of the Mississippi Legislature is:

(a) To provide funding for outreach and other efforts to connect citizens seeking employment in nursing and other high-wage, high-demand fields with the education and training required to obtain necessary skills for relevant employment in the state;

(b) To provide funding for new and increased capacity in new and existing relevant workforce development and training programs, particularly programs related to nursing and healthcare, to include any required equipment or supplies, at community and junior colleges and institutions of higher learning across the state; and

(c) To gauge the effectiveness of these programs by gathering data related to participation and wage and employment outcomes in order to replicate successful efforts in future workforce development programs.

SECTION 3. As used in this act, the following words have the meanings ascribed unless the context requires otherwise:

(1) There is established the Accelerate Mississippi Workforce Development Program, which shall be directed by the office for the purpose of providing education and training to citizens seeking employment in high-wage, high-demand industries in the state, including, but not limited to, the nursing and healthcare fields, which were impacted by the disruption to the economy and workforce caused by COVID-19. This program shall be subject to the availability of funds appropriated by the Legislature using Coronavirus State Fiscal Recovery Funds made available under ARPA or any other funds appropriated by the Legislature.

(2) As used in this section, the following words have the meanings ascribed unless the context requires otherwise:

(a) "Recipient" means a community college, institution of higher learning, or trainee recipient of grant funding under this section.

(b) "Trainee" means an individual receiving training or other services through programs under this act with the goal of becoming employed in a high-wage, high-demand industry.

(c) "High-wage, high-demand industry" means those industries paying above Mississippi's median annual income and prioritized by the office and the four (4) local workforce areas.

(d) "Eligible expenses" means a cost incurred by a recipient, pursuant to this act, to include:

(i) Necessary equipment or other supplies;

(ii) Curricula or other academic or training materials;

(iii) Remote learning or other classroom technology;

(iv) Stipends for teaching staff or faculty for workforce development programs;

(v) Trainee support, including tuition expenses and childcare or transportation assistance;

(a) A detailed explanation of the program the applicant intends to use awarded funds to create or expand, including:

(i) A description of the high-wage, high-demand field or workforce shortage area the program is intended to address;

(ii) The number of trainees who will be served by the program; and

(iii) The average wage rate for trainees receiving employment after completing the program;

(b) A proposed budget on how awarded funds will be expended, including a plan to consistently report expenditures to the office throughout the funding commitment;

(c) A plan to provide data on participation and outcomes of the program, including a plan to report outcomes to the office throughout the funding commitment; and

(d) Other relevant information as determined appropriate by the office.

(5) Applicants agreeing to commit a portion of their federal COVID-19 relief funds, if they received federal COVID-19 relief funds directly, or other state, federal or private funds as supplemental matching funds to offset the total cost of the approved program will be prioritized for approval.

(6) The office shall:

(a) Inform each recipient of its portion of the funds appropriated to the grant program;

(b) Develop regulations and procedures to govern the administration of the grant program;

(6) The contents of a warrant upon oral testimony shall be the same as the contents of a warrant upon affidavit.

(7) The person who executes the warrant shall enter the exact time of execution on the face of the duplicate original warrant.

#### REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2422: Teacher procurement cards; revise deadlines to ensure teachers receive no later than September 1 of each year.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 31-7-9, Mississippi Code of 1972, is amended as follows:

31-7-9. (1) (a) The Office of Purchasing, Travel and Fleet Management shall adopt purchasing regulations governing the purchase by any agency of any commodity or commodities and establishing standards and specifications for a commodity or commodities and the maximum fair prices of a commodity or commodities, subject to the approval of the Public Procurement Review Board. It shall have the power to amend, add to or eliminate purchasing regulations. The adoption of, amendment, addition to or elimination of purchasing regulations shall be based upon a determination by the Office of Purchasing, Travel and Fleet Management with the approval of the Public Procurement Review Board, that such action is reasonable and practicable and advantageous to promote efficiency and economy in the purchase of commodities by the agencies of the state. Upon the adoption of any purchasing regulation, or an amendment, addition or elimination therein, copies of same shall be furnished to the State Auditor and to all agencies affected thereby. Thereafter, and except as otherwise may be provided in subsection (2) of this section, no agency of the state shall purchase any commodities covered by existing purchasing regulations unless such commodities be in conformity with the standards and specifications set forth in the purchasing regulations and unless the price thereof does not exceed the maximum fair price established by such purchasing regulations. The Office of Purchasing, Travel and Fleet Management shall furnish to any county or municipality or other local public agency of the state requesting same, copies of purchasing regulations adopted by the Office of Purchasing, Travel and Fleet Management and any amendments, changes or eliminations of same that may be made from time to time.

(b) The Office of Purchasing, Travel and Fleet Management may adopt purchasing regulations governing the use of credit cards, procurement cards and purchasing club membership cards to be used by state agencies, governing authorities of counties and municipalities, school districts and the Chickasawhay Natural Gas District. Use of the cards shall be in strict compliance with the regulations promulgated by the office. Any amounts due on the cards shall incur interest charges as set forth in Section 31-7-305 and shall not be considered debt.

(c) Pursuant to the provision of Section 37-61-33(3), the Office of Purchasing, Travel and Fleet Management of the Department of Finance and Administration is authorized to issue procurement cards or credentials for a digital solution to all public school district classroom teachers, full- or part-time gifted or special education teachers and other necessary direct support personnel at the beginning of the school year, but no later than August 1 of each year, for the purchase of instructional supplies using Educational Enhancement Funds. The cards will be issued in equal amounts per teacher determined by the total number of qualifying personnel and the then current state appropriation for classroom instructional supplies under the Education Enhancement Fund. All purchases shall be in accordance with state law and teachers are responsible for verification of capital asset requirements when pooling monies to purchase equipment. The cards will expire on a predetermined date at the end of each school year, but not before April 1 of each year. All unexpended amounts will be carried forward, to be combined with the following year's instructional supply fund allocation, and reallocated for the following year. The Department of Finance and Administration is authorized to loan any start-up funds at the beginning of the school year to fund this procurement system for instructional supplies with loan repayment being made from sales tax receipts earmarked for the Education Enhancement Fund.

(d) In a sale of goods or services, the seller shall not impose a surcharge on a buyer who uses a state-issued credit card, procurement card, travel card, or fuel card. The Department of Finance and Administration shall have exclusive jurisdiction to enforce and adopt rules relating to this paragraph. Any rules adopted under this paragraph shall be consistent with federal laws and regulations governing credit card transactions described by this paragraph. This paragraph does not create a cause of action against an individual for a violation of this paragraph.

(2) The Office of Purchasing, Travel and Fleet Management shall adopt, subject to the approval of the Public Procurement Review Board, purchasing regulations governing the purchase of unmarked vehicles to be used by the Bureau of Narcotics and Department of Public Safety in official investigations pursuant to Section 25-1-87. Such regulations shall ensure that purchases of such vehicles shall be at a fair price and shall take into consideration the peculiar needs of the Bureau of Narcotics and Department of Public Safety in undercover operations.

(3) The Office of Purchasing, Travel and Fleet Management shall adopt, subject to the approval of the Public Procurement Review Board, regulations governing the certification process for certified purchasing offices, including the Mississippi Purchasing Certification Program, which shall be required of all purchasing agents at state agencies. Such regulations shall require entities desiring to be classified as certified purchasing offices to submit applications and applicable documents on an annual basis, and in the case of a state agency purchasing office, to have one hundred percent (100%) participation and completion by purchasing agents in the Mississippi Purchasing Certification Program, at which time the Office of Purchasing, Travel and Fleet Management may provide the governing entity with a certification valid for one (1) year from the date of issuance. The Office of Purchasing, Travel and Fleet Management shall set a fee in an amount that recovers its costs to administer the Mississippi Purchasing Certification Program, which shall be assessed to the participating state agencies.

(4) The Office of Purchasing, Travel and Fleet Management shall adopt purchasing regulations authorizing rural water associations to purchase at the state contract price afforded to agencies and governing authorities under this chapter.

SECTION 2. Section 37-61-33, Mississippi Code of 1972, is amended as follows:

37-61-33. (1) There is created within the State Treasury a special fund to be designated the "Education Enhancement Fund" into which shall be deposited all the revenues collected pursuant to Sections 27-65-75(7) and (8) and 27-67-31(a) and (b).

(2) Of the amount deposited into the Education Enhancement Fund, Sixteen Million Dollars (\$16,000,000.00) shall be appropriated each fiscal year to the State Department of Education to be distributed to all school districts. Such money shall be distributed to all school districts in the proportion that the average daily attendance of each school district bears to the average daily attendance of all school districts within the state for the following purposes:

(a) Purchasing, erecting, repairing, equipping, remodeling and enlarging school buildings and related facilities, including gymnasiums, auditoriums, lunchrooms, vocational training buildings, libraries, teachers' homes, school barns, transportation vehicles (which shall include new and used transportation vehicles) and garages for transportation vehicles, and purchasing land therefor.

(b) Establishing and equipping school athletic fields and necessary facilities connected therewith, and purchasing land therefor.

(c) Providing necessary water, light, heating, air-conditioning and sewerage facilities for school buildings, and purchasing land therefor.

(d) As a pledge to pay all or a portion of the debt service on debt issued by the school district under Sections 37-59-1 through 37-59-45, 37-59-101 through 37-59-115, 37-7-351 through 37-7-359, 37-41-89 through 37-41-99, 37-7-301, 37-7-302 and 37-41-81, or debt issued by boards of supervisors for agricultural high schools pursuant to Section 37-27-65, if such pledge is accomplished pursuant to a written contract or resolution approved and spread upon the minutes of an official meeting of the district's school board or board of supervisors. The annual grant to such district in any subsequent year during the term of the resolution or contract shall not be reduced below an amount equal to the district's grant amount for the year in which the contract or resolution was adopted. The intent of this provision is to allow school districts to irrevocably pledge a certain, constant stream of revenue as security for long-term obligations issued under the code sections enumerated in this paragraph or as otherwise allowed by law. It is the intent of the Legislature that the provisions of this paragraph shall be cumulative and supplemental to any existing funding programs or other authority conferred upon school districts or school boards. Debt of a district secured by a pledge of sales tax revenue pursuant to this paragraph shall not be subject to any debt limitation contained in the foregoing enumerated code sections.

(3) The remainder of the money deposited into the Education Enhancement Fund shall be appropriated as follows:

(a) To the State Department of Education as follows:

(i) Sixteen and sixty-one one-hundredths percent (16.61%) to the cost of the adequate education program determined under Section 37-151-7; of the funds generated by the percentage set forth in this section for the support of the adequate education program, one and one hundred seventy-eight one-thousandths percent (1.178%) of the funds shall be appropriated to be used by the State Department of Education for the purchase of textbooks to be loaned under Sections 37-43-1 through 37-43-59 to approved nonpublic schools, as described in Section 37-43-1. The funds to be distributed to each nonpublic school shall be in the proportion that the average daily attendance of each nonpublic school bears to the total average daily attendance of all nonpublic schools;

(ii) Seven and ninety-seven one-hundredths percent (7.97%) to assist the funding of transportation operations and maintenance pursuant to Section 37-19-23; and

(iii) Nine and sixty-one one-hundredths percent (9.61%) for classroom supplies, instructional materials and equipment, including computers and computer software, to be distributed to all eligible teachers within the state through the use of procurement cards or a digital solution capable of tracking, paying and reporting purchases. Classroom supply funds shall not be expended for administrative purposes. On \* \* \* a date to be determined by the State Department of Education, but not later than July 1 of each year, local school districts shall determine and submit to the State Department of Education the number of teachers eligible to receive an allocation for the current year. For purposes of this subparagraph, "teacher" means any employee of the school board of a school district, or the Mississippi School for the Arts, the Mississippi School for Math and Science, the Mississippi School for the Blind or the Mississippi School for the Deaf, who is required by law to obtain a teacher's license from the State Department of Education and who is assigned to an instructional area of work as defined by the department \* \* \*, and shall include any full- or part-time gifted or special education teacher. It is the intent of the Legislature that all classroom teachers shall utilize these funds in a manner that addresses individual classroom needs and supports the overall goals of the school regarding supplies, instructional materials, equipment, computers or computer software under the provisions of this subparagraph, including the type, quantity and quality of such supplies, materials and equipment. Classroom supply funds allocated under this subparagraph shall supplement, not replace, other local and state funds available for the same purposes. The State Board of Education shall develop and

promulgate rules and regulations for the administration of this subparagraph consistent with the above criteria, with particular emphasis on allowing the individual teachers to expend funds as they deem appropriate. \* \* \* The local school board shall require each school to issue credentials for a digital solution selected by or procurement cards provided by the Department of Finance and Administration under the provisions of Section 31-7-9(1)(c) for the use of teachers and necessary support personnel in making instructional supply fund expenditures under this section, consistent with the regulations of the Mississippi Department of Finance and Administration pursuant to Section 31-7-9. Such credentials or procurement cards shall be \* \* \* provided by the State Department of Education to local school districts on a date determined by the State Department of Education, but not later than August 1 of each year. Local school districts shall issue such credentials or procurement cards to classroom teachers at the beginning of the school year, but no later than August 1 of each year, and shall be issued in equal amounts per teacher determined by the total number of qualifying personnel and the current state appropriation for classroom supplies with the Education Enhancement Fund. After initial cards are issued under the timeline prescribed by this section, the State Department of Education may issue cards to districts for any classroom teacher hired after July 1 under a timeline prescribed by the State Department of Education. Such credentials or cards will expire on a predetermined date at the end of each school year, but not before April 1 of each year. All unexpended amounts will be carried forward, combined with the following year's allocation of Education Enhancement Fund instructional supplies funds and reallocated for the following year;

(b) Twenty-two and nine one-hundredths percent (22.09%) to the Board of Trustees of State Institutions of Higher Learning for the purpose of supporting institutions of higher learning; and

(c) Fourteen and forty-one one-hundredths percent (14.41%) to the Mississippi Community College Board for the purpose of providing support to community and junior colleges.

(4) The amount remaining in the Education Enhancement Fund after funds are distributed as provided in subsections (2) and (3) of this section shall be appropriated for other educational needs.

(5) None of the funds appropriated pursuant to subsection (3)(a) of this section shall be used to reduce the state's General Fund appropriation for the categories listed in an amount below the following amounts:

(a) For subsection (3)(a)(ii) of this section, Thirty-six Million Seven Hundred Thousand Dollars (\$36,700,000.00);

(b) For the aggregate of minimum program allotments in the 1997 fiscal year, formerly provided for in Chapter 19, Title 37, Mississippi Code of 1972, as amended, excluding those funds for transportation as provided for in paragraph (a) of this subsection.

(6) Any funds appropriated from the Education Enhancement Fund that are unexpended at the end of a fiscal year shall lapse into the Education Enhancement Fund, except as otherwise provided in subsection (3)(a)(iii) of this section.

SECTION 3. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 31-7-9, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT THE PROCUREMENT CARD FOR CLASSROOM SUPPLIES USING

EDUCATIONAL ENHANCEMENT FUNDS SHALL BE ISSUED TO TEACHERS ON AUGUST 1 OF EACH YEAR; TO PROVIDE THAT LOCAL SCHOOL BOARDS SHALL REQUIRE EACH SCHOOL TO ISSUE CREDENTIALS FOR A DIGITAL SOLUTION SELECTED OR PROCUREMENT CARDS FOR THE USE OF TEACHERS IN MAKING INSTRUCTIONAL SUPPLY FUND EXPENDITURES UNDER THE EDUCATIONAL ENHANCEMENT FUND; TO AMEND SECTION 37-61-33, MISSISSIPPI CODE OF 1972, TO AUTHORIZE THE DEPARTMENT OF FINANCE AND ADMINISTRATION TO DISTRIBUTE EDUCATION ENHANCEMENT FUNDS FOR CLASSROOM SUPPLIES TO ELIGIBLE TEACHERS THROUGH THE USE OF DIGITAL SOLUTIONS AND THEIR APPLICABLE CREDENTIALS; TO SET TIMELINES FOR THE ISSUANCE OF THESE SOLUTIONS; AND FOR RELATED PURPOSES.

#### REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2430: State aid for construction of school facilities; bring forward sections relating to.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) There is established the Educational Facilities Revolving Loan Fund Program to be administered by the State Department of Education for the purpose of improving educational facilities in the State of Mississippi by assisting public schools in procuring funds for making certain capital improvements.

(2) There is created a special fund in the State Treasury designated as the "Educational Facilities Revolving Loan Fund," which shall consist of monies transferred from the State Public School Building Fund and other monies that the Legislature may make available. The revolving loan fund must be maintained in perpetuity for the purposes established in this section. Unexpended amounts remaining in the fund at the end of a fiscal year may not lapse into the State General Fund. Payments on the principal of and, when applicable, interest on loans procured from the fund and any interest earned on amounts in the fund must be deposited to the credit of the fund. Monies in the Educational Facilities Revolving Loan Fund may not be used or expended for any purpose except as authorized under this section.

(3) Of the funds deposited into the Educational Facilities Revolving Loan Fund, up to ninety-five percent (95%) must be made available for the purpose of making interest-free loans to qualified public school districts. The State Department of Education shall accept requests for loans under this subsection for the following purposes:

(a) Repairs and renovations to existing school buildings and related facilities used in the operation of the schools of a public school district;

(b) Construction of new facilities or repairs and renovations to existing school facilities for the purpose of establishing, improving or expanding prekindergarten programs in a public school district; and

(c) Construction of new career and technical education facilities or repairs and renovations to existing school facilities for the purpose of upgrading or expanding a school district's career and technical education program.

(4) An educational entity that receives a loan from the Educational Facilities Revolving Loan Fund shall not use the funds for athletic facilities.

(5) Each fiscal year, the State Department of Education may set aside an amount not to exceed three percent (3%) of the balance of the Educational Facilities Revolving Loan Fund to cover the administrative and fiscal management costs associated with the fund.

(6) The State Department of Education shall accept and make determinations on applications for loans and shall disburse funds and receive repayments on approved loans. Before October 1, 2022, the department shall establish rules and regulations for the implementation and administration of the revolving loan program. The rules and regulations must include, at a minimum, provisions addressing the following:

(a) An application process by which public school districts may request a loan from the Educational Facilities Revolving Loan Fund, including the deadline by which the department must receive applications;

(b) The factors to be considered by the State Department of Education in determining whether an educational entity will be awarded the full or a partial amount of

a loan requested. The maximum total amount of outstanding loans an applicant may receive in a fiscal year shall be limited to One Million Dollars (\$1,000,000.00). The maximum total amount of a loan an applicant may receive for a single project shall not exceed One Million Dollars (\$1,000,000.00) per fiscal year. A loan may not exceed one hundred percent (100%) of the cost of the project for which the loan is requested;

(c) The rates of interest on loans and terms of repayment. Approved loans under this program must be interest free and payable over a term of no more than ten (10) years commencing on the date the loan is received;

(d) A process by which the department determines if an entity receiving a loan is required to pledge monies for the repayment of the loan and sources of revenue that are acceptable whenever the department requires a pledge, which, for a school district receiving a loan, may not include Adequate Education Program funds;

(e) The actions that may be taken if an entity is in arrears on loan repayments, which may include, in the case of a school district, the withholding of future payments of Adequate Education Program funds to the district, the withholding of state funds due to the school or district;

(f) Applicants demonstrating emergency or other critical infrastructure needs, as defined by the State Department of Education, shall receive first priority in receiving loans from the fund; and

(g) All other matters that the State Department of Education determines are necessary to establish and maintain the Educational Facilities Revolving Loan Fund Program as an accessible and perpetual source of funding for making facility improvements at all levels of education in the state.

(7) School districts may use funds from the Educational Facilities Revolving Loan Fund Program to pay the principal and interest of school district indebtedness represented by bonds or notes issued after July 1, 2017, but before July 1, 2022, for capital improvements. School districts shall be limited to a maximum loan amount of Five-hundred Thousand Dollars (\$500,000.00) per year from the Educational Facilities Revolving Loan Fund Program for this purpose.

(8) The State Department of Education shall promulgate such rules and regulations as may be necessary for participation in the Educational Facilities Revolving Loan Program by a public educational entity.

SECTION 2. Section 27-65-75, Mississippi Code of 1972, is amended as follows:

27-65-75. On or before the fifteenth day of each month, the revenue collected under the provisions of this chapter during the preceding month shall be paid and distributed as follows:

(1) (a) On or before August 15, 1992, and each succeeding month thereafter through July 15, 1993, eighteen percent (18%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3) and 27-65-21, on business activities within a municipal corporation shall be allocated for distribution to the municipality and paid to the municipal corporation. Except as otherwise provided in this paragraph (a), on or before August 15, 1993, and each succeeding month thereafter, eighteen and one-half percent (18-1/2%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3), 27-65-21 and 27-65-24, on business activities within a municipal corporation shall be allocated for distribution to the

municipality and paid to the municipal corporation. However, in the event the State Auditor issues a certificate of noncompliance pursuant to Section 21-35-31, the Department of Revenue shall withhold ten percent (10%) of the allocations and payments to the municipality that would otherwise be payable to the municipality under this paragraph (a) until such time that the department receives written notice of the cancellation of a certificate of noncompliance from the State Auditor.

A municipal corporation, for the purpose of distributing the tax under this subsection, shall mean and include all incorporated cities, towns and villages.

Monies allocated for distribution and credited to a municipal corporation under this paragraph may be pledged as security for a loan if the distribution received by the municipal corporation is otherwise authorized or required by law to be pledged as security for such a loan.

In any county having a county seat that is not an incorporated municipality, the distribution provided under this subsection shall be made as though the county seat was an incorporated municipality; however, the distribution to the municipality shall be paid to the county treasury in which the municipality is located, and those funds shall be used for road, bridge and street construction or maintenance in the county.

(b) On or before August 15, 2006, and each succeeding month thereafter, eighteen and one-half percent (18-1/2%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3) and 27-65-21, on business activities on the campus of a state institution of higher learning or community or junior college whose campus is not located within the corporate limits of a municipality, shall be allocated for distribution to the state institution of higher learning or community or junior college and paid to the state institution of higher learning or community or junior college.

On or before August 15, 2019, and each succeeding month thereafter until August 14, 2020, four percent (4%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3), 27-65-21 and 27-65-24, on business activities within the corporate limits of the City of Jackson, Mississippi, shall be deposited into the Capitol Complex Improvement District Project Fund created in Section 29-5-215. On or before August 15, 2020, and each succeeding month thereafter, six percent (6%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3), 27-65-21 and 27-65-24, on business activities within the corporate limits of the City of Jackson, Mississippi, shall be deposited into the Capitol Complex Improvement District Project Fund created in Section 29-5-215.

(d) (i) On or before the fifteenth day of the month that the diversion authorized by this section begins, and each succeeding month thereafter, eighteen and one-half percent (18-1/2%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3) and 27-65-21, on business activities within a redevelopment project area developed under a redevelopment plan adopted under the Tax Increment Financing Act (Section 21-45-1 et seq.) shall be allocated for distribution to the county in which the project area is located if:

1. The county:

a. Borders on the Mississippi Sound and the State of Alabama, or

b. Is Harrison County, Mississippi, and the project area is within a radius of two (2) miles from the intersection of Interstate 10 and Menge Avenue;

2. The county has issued bonds under Section 21-45-9 to finance all or a portion of a redevelopment project in the redevelopment project area;

3. Any debt service for the indebtedness incurred is outstanding; and

4. A development with a value of Ten Million Dollars (\$10,000,000.00) or more is, or will be, located in the redevelopment area.

(ii) Before any sales tax revenue may be allocated for distribution to a county under this paragraph, the county shall certify to the Department of Revenue that the requirements of this paragraph have been met, the amount of bonded indebtedness that has been incurred by the county for the redevelopment project and the expected date the indebtedness incurred by the county will be satisfied.

(iii) The diversion of sales tax revenue authorized by this paragraph shall begin the month following the month in which the Department of Revenue determines that the requirements of this paragraph have been met. The diversion shall end the month the indebtedness incurred by the county is satisfied. All revenue received by the county under this paragraph shall be deposited in the fund required to be created in the tax increment financing plan under Section 21-45-11 and be utilized solely to satisfy the indebtedness incurred by the county.

(2) On or before September 15, 1987, and each succeeding month thereafter, from the revenue collected under this chapter during the preceding month, One Million One Hundred Twenty-five Thousand Dollars (\$1,125,000.00) shall be allocated for distribution to municipal corporations as defined under subsection (1) of this section in the proportion that the number of gallons of gasoline and diesel fuel sold by distributors to consumers and retailers in each such municipality during the preceding fiscal year bears to the total gallons of gasoline and diesel fuel sold by distributors to consumers and retailers in municipalities statewide during the preceding fiscal year. The Department of Revenue shall require all distributors of gasoline and diesel fuel to report to the department monthly the total number of gallons of gasoline and diesel fuel sold by them to consumers and retailers in each municipality during the preceding month. The Department of Revenue shall have the authority to promulgate such rules and regulations as is necessary to determine the number of gallons of gasoline and diesel fuel sold by distributors to consumers and retailers in each municipality. In determining the percentage allocation of funds under this subsection for the fiscal year beginning July 1, 1987, and ending June 30, 1988, the Department of Revenue may consider gallons of gasoline and diesel fuel sold for a period of less than one (1) fiscal year. For the purposes of this subsection, the term "fiscal year" means the fiscal year beginning July 1 of a year.

(3) On or before September 15, 1987, and on or before the fifteenth day of each succeeding month, until the date specified in Section 65-39-35, the proceeds derived from contractors' taxes levied under Section 27-65-21 on contracts for the construction or reconstruction of highways designated under the highway program created under Section 65-3-97 shall, except as otherwise provided in Section 31-17-127, be deposited into the State Treasury to the credit of the State Highway Fund to be used to fund that highway program. The Mississippi Department of Transportation shall provide to the Department of Revenue such information as is necessary to determine the amount of proceeds to be distributed under this subsection.

(4) On or before August 15, 1994, and on or before the fifteenth day of each succeeding month through July 15, 1999, from the proceeds of gasoline, diesel fuel or kerosene taxes as provided in Section 27-5-101(a)(ii)1, Four Million Dollars (\$4,000,000.00) shall be deposited in the State Treasury to the credit of a special fund designated as the "State Aid Road Fund," created by Section 65-9-17. On or before August 15, 1999, and on or before the fifteenth day of each succeeding month, from the total amount of the proceeds of gasoline, diesel fuel or kerosene taxes apportioned by Section 27-5-101(a)(ii)1, Four Million Dollars (\$4,000,000.00) or an amount equal to twenty-three and one-fourth percent (23-1/4%) of those funds, whichever is the greater amount, shall be deposited in the State Treasury to the credit of the "State Aid Road Fund," created by Section 65-9-17. Those funds shall be pledged to pay the principal of and interest on state aid road bonds heretofore issued under Sections 19-9-51 through 19-9-77, in lieu of and in substitution for the funds previously allocated to counties under this section. Those funds may not be pledged for the payment of any state aid road bonds issued after April 1, 1981; however, this prohibition against the pledging of any such funds for the payment of bonds shall not apply to any bonds for which intent to issue those bonds has been published for the first time, as provided by law before March 29, 1981. From the amount of taxes paid into the special fund under this subsection and subsection (9) of this section, there shall be first deducted and paid the amount necessary to pay the expenses of the Office of State Aid Road Construction, as authorized by the Legislature for all other general and special fund agencies. The remainder of the fund shall be allocated monthly to the several counties in accordance with the following formula:

(a) One-third (1/3) shall be allocated to all counties in equal shares;

(b) One-third (1/3) shall be allocated to counties based on the proportion that the total number of rural road miles in a county bears to the total number of rural road miles in all counties of the state; and

(c) One-third (1/3) shall be allocated to counties based on the proportion that the rural population of the county bears to the total rural population in all counties of the state, according to the latest federal decennial census.

For the purposes of this subsection, the term "gasoline, diesel fuel or kerosene taxes" means such taxes as defined in paragraph (f) of Section 27-5-101.

The amount of funds allocated to any county under this subsection for any fiscal year after fiscal year 1994 shall not be less than the amount allocated to the county for fiscal year 1994.

Such surveys shall show existing facilities, desirable consolidations, the new construction and new facilities necessary and desirable for the efficient operation of the public schools of the school districts, proper compliance with state energy conservation standards, and the plan of tax reduction in the school districts by use of such funds in retiring any outstanding indebtedness for school facilities. The commission shall not approve any application for the use of funds of the said public school building fund from the school board of any school district until such time as an acceptable and reasonably satisfactory plan, looking particularly to efficiency through consolidations of school attendance centers, has been submitted by the school board.

Furthermore, the commission shall not approve any application for the use of funds of the public school building fund until such time as an acceptable plan has been submitted by the appropriate board which complies with improved design, heating, cooling, ventilation, lighting, insulation and architectural standards provided by the State of Mississippi to promote maximum energy conservation in new and existing public buildings.

All applications from school districts shall conform to the plan of the school board.

Such application and statement shall be submitted directly to the commission and approved or disapproved by it. The decision of the commission shall be final, unless an appeal to the chancery court shall be taken in the manner provided by law. In the event any application shall be disapproved by the commission, the school board submitting same shall be notified of such disapproval, which notice of disapproval shall be accompanied by a statement of the reason or reasons for such disapproval.

When an application is approved for the expenditure of funds for capital improvements, the contract for the construction of such capital improvements shall be entered into and awarded by the school board of the school district in the manner provided in this chapter; however, the contract for construction of a secondary vocational and technical training center for exclusive use and operation by a school district may be entered into and awarded by the board of trustees of a junior college district where a grant of federal funds by the Appalachian Commission has been made to the board of trustees of such junior college district to assist in financing construction of such secondary vocational and technical training facility for such school district.

(2) This section shall stand repealed on July 1, 2023.

Such money so deposited shall be paid out and expended in the same manner as may be now or hereafter provided by law for the expenditure of other school funds belonging to such district; however, where the contract for construction of a secondary vocational and technical training center shall have been entered into and awarded by the board of trustees of a junior college district as authorized by Section 37-47-29, the money so deposited in the public school building fund of the school district for which said facility is being constructed may be paid out and expended to pay a part of the cost of construction of such facility.

#### REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2844: Alcoholic Beverage Control Division; authorize construction of new warehouse and contracting for operations.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Definitions. In addition to the definitions provided in Section 67-1-5, which apply to this article, the following terms as used in this article shall have the following meanings unless otherwise required by the context:

(a) "Commissioner" means the Commissioner of Revenue.

(b) "Construction contractor" means an entity contracting with the department to design and construct a warehouse under this article.

(c) "Occasional improvements" means items of maintenance, repairs, upgrades or other improvements for the warehouse or its equipment that are not performed on a monthly basis.

(d) "Regular maintenance" means monthly overhead expenses, including, but not limited to, utilities, cleaning services and lawn care.

(e) "Shipping costs" means the cost to the department per case of alcoholic beverages delivered from the warehouse to the permittee's premises.

(f) "State" means the State of Mississippi.

(g) "Warehouse" or "new warehouse" means a liquor distribution warehouse constructed under this article.

(h) "Warehouse operator" or "operator" means an entity contracting with the department to perform warehouse and distribution operations.

(i) "Warehouse and distribution operations" or "operations" means services provided to or on behalf of the state for the management of the warehouse and the distribution of alcoholic beverages. "Warehouse and distribution operations" or "operations" may include shipping; however, nothing herein shall preclude the department from entering into separate contracts for operations and for shipping.

SECTION 2. Warehouse construction. (1) The Department of Finance and Administration, using the monies available in the ABC Warehouse Construction Fund created in Section 6(1) of this act and such other monies as the Legislature may make available, shall purchase land for and shall provide for the design and construction of a warehouse for the division in the most expedient and cost-effective manner practicable as determined by the Executive Director of the Department of Finance and Administration.

(2) The Department of Finance and Administration shall select a suitable site for the warehouse within fifty (50) miles of the new state capitol building. In selecting a site, the Department of Finance and Administration shall consider the feasibility of selecting state-owned land by comparing the cost of preparing the state-owned land for construction to the cost of acquiring other land and preparing such other land for construction.

(3) The contract for design and construction shall provide that the operator shall be consulted so that the warehouse may, so far as possible, suit the preferences of the operator in furtherance of effective operations. The contract shall also provide that the design shall aim to fill demand for the next twenty-five (25) years.

(4) A contract for warehouse construction shall not be entered into unless the construction contractor has demonstrated:

(a) The qualifications, experience and management personnel necessary to carry out the terms of the contract;

(b) The ability to comply with applicable federal and state laws; and

(c) The ability to expedite the design and construction of facilities comparable to the warehouse.

SECTION 3. Warehouse and distribution operations. (1) The department shall contract for warehouse and distribution operations. The shipping contract in effect on July 1, 2022, shall remain in effect until the expiration of its term.

(2) The department shall pay regular maintenance expenses and shall reimburse the operator for services performed under the contract out of monies appropriated by the Legislature.

(3) The contract shall include the following terms:

(a) The department shall pay the operator cost-plus on these operations at a set dollar amount per case of alcoholic beverages sold. Otherwise, the contract shall not alter the current cash flow of operations;

(b) The operator shall be allotted a monthly spending limit for occasional improvements. The state may, at any time, review the operator's spending. The operator shall obtain prior state approval for any spending over the monthly limit set in the contract. The contract shall allow the operator to pay out of pocket, in which case the state will reimburse the operator on a monthly basis out of monies in the ABC Warehouse Improvements Fund created in Section 6(2) of this act;

(c) Shipping costs, where the contract encompasses shipping, shall be based on a set dollar amount per case of alcoholic beverages shipped from the warehouse to the permittee's premises;

(d) The department and the operator may provide for the operator's software to interface with the department's TAP system in a manner allowing for information sharing in furtherance of efficient operations while also protecting the security of the TAP system;

(e) The department shall develop quality and efficiency criteria for determining whether to renew a contract for warehouse and distribution operations;

(f) The obligation of the department to proceed under the contract is conditioned upon the appropriation of funds by the Legislature and the receipt of state or federal funds. If the funds anticipated for the continuing time fulfillment of the agreement are, at any time, not forthcoming or insufficient, either through the failure of the federal government to provide funds or of the State of Mississippi to appropriate funds, or the discontinuance or material alteration of the program under which funds were provided, or if funds are not otherwise available to the department, the department shall have the right, upon ten (10) working days' written notice to the operator, to terminate this agreement without damage, penalty, cost or other expenses to the department of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination;

(g) The state and the operator as parties to the contract and all terms of the contract shall be subject to and governed by the laws of the state at the time the contract is entered into, and any later amendments to such laws, through the duration of the contract; and

(h) The operator shall be required to comply with any duties, responsibilities, conditions or other provisions required by state law during the duration of the contract, regardless of whether such duties, responsibilities, conditions or other provisions were required by state law at the time the contract was entered into.

(4) The initial contract for operations shall terminate on the earlier of: (a) four (4) years from the date it commences; or (b) the last day of the use of the warehouse that is in service on July 1, 2022. The contract may be renewed for four (4) years, with another option to renew at the end of that four-year term. The department shall issue requests for proposals before entering any subsequent contract. Requests for proposals shall be required whenever a contract is not renewed, but no less frequently than every twelve (12) years.

(5) The contract shall provide that all employees needed for operations shall be employees of the operator.

(6) A contract for warehouse and distribution operations shall not be entered into unless the operator has demonstrated:

(a) The qualifications, experience and management personnel necessary to carry out the terms of the contract; and

(b) The ability to comply with applicable federal and state laws.

(7) A contract for operations shall not be entered into unless the following requirements are met:

(a) In addition to fire and casualty insurance, the operator provides at least Ten Million Dollars (\$10,000,000.00) of liability insurance. The liability insurance shall be issued by an insurance company with a rating of at least an A- according to AM Best standards. In determining the adequacy of such insurance, the Department of Finance and Administration shall determine whether:

(i) The insurance is adequate to protect the state from any and all actions by a third party against the operator or the state as a result of the contract;

(ii) The insurance is adequate to protect the state against any and all claims arising as a result of any occurrence during the term of the contract;

(iii) The insurance is adequate to assure the operator's ability to fulfill its contract with the state in all respects, and to assure that the operator is not limited in this ability because of financial liability which results from judgments; and

(iv) The insurance is adequate to satisfy such other requirements specified by the independent risk management/actuarial firm.

(b) The sovereign immunity of the state shall not apply to the operator. Neither the operator nor the operator's insurer may plead the defense of sovereign immunity in any action arising out of the performance of the contract.

(c) The operator shall post a performance bond to assure the operator's faithful performance of the specifications and conditions of the contract. The bond is required throughout the term of the contract. The terms and conditions must be approved by the department and the Department of Finance and Administration, and such approval is a condition precedent to the contract taking effect.

(d) The operator shall defend any suit or claim brought against the state arising out of any act or omission in operations, and shall hold the state harmless from such claim or suit. The operator shall be solely responsible for the payment of any legal or other costs relative to any such claim or suit. The operator shall reimburse the state for any costs that it may incur as a result of such claim or suit immediately upon being submitted a statement therefor by the Attorney General.

Any suit brought or claim made arising out of any act or omission in operations shall be made or brought against the operator and not the state.

The Attorney General retains all rights and emoluments of his or her office which include direction and control over any litigation or claim involving the state.

SECTION 4. Resumption of control by state upon contract termination. A plan shall be developed and certified by the commissioner which demonstrates the method by which the state would resume control of the warehouse upon termination of the contract

for operations. The plan shall be submitted for review and comment to the Governor, the Lieutenant Governor, the Speaker of the House, the Chairmen of the Senate Finance Committee and the House Ways and Means Committee, and the Joint Legislative Committee on Performance Evaluation and Expenditure Review.

SECTION 5. Contract compliance officer. (1) The commissioner shall designate an employee of the department as a contract compliance officer within the department who shall monitor the contract between the state and the operator for warehouse and distribution operations, and shall assure operator compliance with its performance work statement.

(2) The contract compliance officer shall be responsible for monitoring all aspects of the warehouse. The officer shall be provided an on-site work area, shall be on site on a daily basis, and shall have access to all areas of the warehouse and staff at all times. The operator shall provide any and all data, reports and other materials that the contract compliance officer determines are necessary to carry out monitoring responsibilities under this section.

(3) The contract compliance officer shall report at least annually, or as requested, to the Governor and the Legislature.

SECTION 6. Special funds. (1) A special fund, to be designated the "ABC Warehouse Construction Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Monies in this special fund shall be used to assist the Department of Finance and Administration in paying the costs associated with land acquisition for, and the design, construction, furnishing and equipping of, a new warehouse for its Alcoholic Beverage Control Division. In addition, monies in this special fund shall be used to pay the costs of relocating inventory to the new warehouse from the warehouse that is in service on July 1, 2022. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings or interest earned on amounts in the fund shall be deposited to the credit of the fund.

(2) A special fund, to be designated the "ABC Warehouse Improvements Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Monies in this special fund shall be used to assist the Department of Revenue in paying the costs associated with occasional improvements. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings or interest earned on amounts in the fund shall be deposited to the credit of the fund.

SECTION 7. Revenue bonds. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) Monies deposited into the ABC Warehouse Construction Fund created in Section 6(1) of this act shall be disbursed, in the discretion of the Department of Finance and Administration, to assist the Department of Revenue in paying the costs associated

with land acquisition for, and the design, construction, furnishing and equipping of, a new warehouse for its Alcoholic Beverage Control Division.

(b) Amounts deposited into the ABC Warehouse Construction Fund created in Section 6(1) of this act shall be disbursed to pay the costs of the projects described in paragraph (a) of this subsection. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(3) For the purpose of providing for the payment of the principal of and interest upon bonds issued under this section, there is created a special bond sinking fund in the State Treasury. The special bond sinking fund shall consist of such amounts as may be paid into such fund under this act, by appropriation or by other authorization by the Legislature. Except as otherwise provided in this section, monies in the special bond sinking fund shall be used to pay the debt service requirements of the bonds issued under this section. If the special bond sinking fund has a balance below the minimum amount specified in the resolution providing for the issuance of the bonds, or below one and one-half (1-1/2) times the amount needed to pay the annual debt obligations related to the bonds issued under this section, whichever is the lesser amount, the Commissioner of Revenue shall transfer the deficit amount to the bond sinking fund from revenue derived from the twenty-seven and one-half percent (27-1/2%) markup provided for in Section 27-71-11. Unexpended amounts remaining in the special bond sinking fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the special bond sinking fund shall be deposited into such sinking fund. If the special bond sinking fund has a balance in excess of the amount needed to pay the debt service and meet the obligations related to the bonds issued under this section, as determined in the resolution providing for the issuance of the bonds, the excess monies shall be transferred to the State General Fund.

(4) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of revenue bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the revenue bonds authorized by this subsection, the Department of Finance and Administration shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as the issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed Fifty-five Million Dollars (\$55,000,000.00).

(b) Any investment earnings on amounts deposited into the ABC Warehouse Construction Fund created in Section 6(1) of this act shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(5) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without

premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(6) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds have been signed by the officials designated to sign the bonds who were in office at the time of such signing, but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(7) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(8) The commission shall act as issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(9) The bonds issued under the provisions of this section shall be revenue bonds of the state, the principal of and interest on which shall be payable solely from and shall be secured by the special bond sinking fund created in subsection (3) of this section. The bonds shall never constitute an indebtedness of the state within the meaning of any state constitutional provision or statutory limitation, and shall never constitute or give rise to a pecuniary liability of the state, or a charge against its general credit or taxing powers, and such fact shall be plainly stated on the face of each such bond. The bonds shall not be considered when computing any limitation of indebtedness of the state. All bonds issued under the authority of this section and all interest coupons applicable thereto shall be construed to be negotiable instruments, despite the fact that they are payable solely from a specified source.

(10) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the ABC Warehouse

Construction Fund created in Section 6(1) of this act. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(11) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(12) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Title 31, Chapter 13, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(13) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(14) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(15) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(16) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(17) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants. The Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section. The State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(18) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 8. Section 27-71-11, Mississippi Code of 1972, is amended as follows:

27-71-11. (1) The \* \* \* department shall from time to time by resolution request the State Bond Commission to provide sufficient funds required to maintain an adequate

alcoholic beverage inventory. Said funds shall be provided under the provisions of Chapter 557, Laws of 1966.

(2) The \* \* \* department shall add to the cost of all alcoholic beverages a markup of twenty-seven and one-half percent (27-1/2%), inclusive of the three percent (3%) markup imposed by Section 27-71-7(2).

(3) In addition to other excise taxes and markups imposed in this section and in Section 27-71-7, the department shall add to the cost of all alcoholic beverages shipped a charge of Twenty-five Cents (25¢) per case, to be deposited into the ABC Warehouse Improvements Fund created in Section 6(2) of this act. However, any unobligated amounts above Ten Million Dollars (\$10,000,000.00) remaining in the ABC Warehouse Improvements Fund at the end of a fiscal year shall be transferred to the State General Fund.

(4) Notwithstanding the contract for warehouse and distribution operations under Section 3 of this act, the department shall remain responsible for purchasing and selling alcoholic beverages. The \* \* \* department shall sell alcoholic beverages at uniform prices throughout the state. Pricing for all alcoholic beverages shall be set by the addition of the markup and taxes to the price at which the beverages were purchased by the department.

(5) A permittee's order shall qualify for shipping when it includes the minimum number of cases of alcoholic beverages as set by the department. The department shall place qualifying orders in a queue for shipment in the order in which the orders are made. An order of fewer than the minimum number of cases, and special orders, shall be added to the permittee's next qualified shipment. The department shall give sufficient notice of any change in the minimum number of cases for shipping and shall allow the opportunity for comment.

(6) The department shall set a per-case shipping fee to be charged to permittees. The department shall adjust the fee to match, as closely as possible, the shipping costs as defined in Section 1 of this act. The shipping fee charged under this subsection shall be deposited to the credit of the ABC Shipping Fund created in Section 27-71-29.

(7) The department shall charge manufacturers a bailment fee of One Dollar (\$1.00) per case of alcoholic beverages stored in the warehouse, to be deposited to the credit of the bond sinking fund created in Section 7(3) of this act.

SECTION 9. Section 27-71-29, Mississippi Code of 1972, is amended as follows:

27-71-29. (1) All taxes levied by this article shall be paid to the Department of Revenue in cash or by personal check, cashier's check, bank exchange, post office money order or express money order and shall be deposited by the department in the State Treasury on the same day collected, but no remittances other than cash shall be a final discharge of liability for the tax herein imposed and levied unless and until it has been paid in cash to the department.

All taxes levied under Section 27-71-7(1) and received by the department under this article shall be paid into the General Fund, and the three percent (3%) levied under Section 27-71-7(2) and received by the department under this article shall be paid into the special fund in the State Treasury designated as the "Alcoholism Treatment and Rehabilitation Fund" as required by law. Any funds derived from the sale of alcoholic beverages in excess of inventory requirements shall be paid not less often than annually into the General Fund, except for a portion of the twenty-seven and one-half percent (27-1/2%) markup provided for in Section 27-71-11, as specified in subsection (2) of this section, and except for fees charged by the department for the defraying of costs associated with shipping alcoholic beverages. The revenue derived from these fees shall be deposited by the department into a special fund, hereby created in the State Treasury, which is designated the "ABC Shipping Fund." The monies in this special fund shall be

earmarked for use by the department for any expenditure made to ship alcoholic beverages. Any net proceeds remaining in the special fund on August 1 of any fiscal year shall lapse into the General Fund. "Net proceeds" in this section means the total of all fees collected by the department to defray the costs of shipping less the actual costs of shipping.

(2) If the special bond sinking fund created in Section 7(3) of this act has a balance below the minimum amount specified in the resolution providing for the issuance of the bonds, or below one and one-half (1-1/2) times the amount needed to pay the annual debt obligations related to the bonds issued under Section 7 of this act, whichever is the lesser amount, the Commissioner of Revenue shall transfer the deficit amount to the bond sinking fund from revenue derived from the twenty-seven and one-half percent (27-1/2%) markup provided for in Section 27-71-11.

SECTION 10. Section 27-65-5, Mississippi Code of 1972, is amended as follows:

27-65-5. "Wholesaler," "jobber" or "distributor" means a person doing a regularly organized wholesale or jobbing business, known to the trade as such, and selling to licensed retail dealers or other wholesalers for resale in the regular course of business. This classification has no bearing on rates of tax due under this chapter, each sale or part of sales being taxable or exempt depending upon the class in which it falls.

"Wholesale sales" shall apply to:

(1) A sale of tangible personal property taxable under \* \* \* Section 27-65-17 \* \* \* for resale in the regular line of business, when made in good faith to a retailer regularly selling or renting that property and when the dealer is licensed under Section 27-65-27 of this chapter if located in this state.

A sale of a service taxable under Section 27-65-23 for resale in the regular line of business, when made to a regular dealer in that service and when the dealer is licensed under Section 27-65-27 of this chapter if located in this state, or a charge for custom processing rendered upon merchandise for resale or rental by a dealer licensed under Section 27-65-27.

A sale of telecommunications services taxable under Section 27-65-19 for resale in the regular course of business, when made to a regular telecommunications provider of the service and the provider is the holder of a permit issued under Section 27-65-27 and is located in this state or is providing telecommunications services in this state.

A sale of specified digital product taxable under Section 27-65-26 for resale in the regular course of business, when made to a regular dealer of specified digital products and the dealer is the holder of a permit issued under Section 27-65-27 and is located in this state.

"Wholesale sale" shall not include a transaction whereby property is delivered to, and collection for the transaction is made from, a person that will consume the property rather than resell it even though the billing is to a retailer.

However, when a taxpayer sells merchandise and has paid a rate equal to the retail rate of tax on the purchase price to a wholesaler, the taxpayer may take credit for the tax paid to the wholesaler from the tax due on the sale of the merchandise specifically included in his return to the commissioner.

(2) A sale of tangible personal property (except sand or gravel when sold by the producer thereof) or service which is to become a component part of a structure or improvement erected, constructed, repaired, or made only when the sale is made to a contractor taxable under Section 27-65-21 of this chapter on the contract in which the

component materials are to be used; and only when the contractor holds a material purchase certificate as required by Section 27-65-21 of this chapter.

(3) A sale of boxes, crates, cartons, cans, bottles and other packaging materials to a retailer or retail custom processor for use as a container to accompany goods or services sold by the retailer or custom processor where possession thereof will pass to the customer at the time of sale of the goods or services contained therein.

(4) The value of soft drinks and syrup withdrawn from the business by a manufacturer for sale at retail and food or drink withdrawn by a manufacturer or wholesaler to be sold through full service vending machines for human consumption.

The quantity of property or services sold or the price at which sold is immaterial in determining whether or not a sale is at wholesale. Sales may be classed as wholesale, or exempt, only if evidenced by proper and adequate records and invoices to substantiate the wholesale rate or exemption from the tax on each individual sale.

The substantiation of the wholesale sales must be by an invoice clearly indicating the date, the name and address of the vendor and vendee, the items sold and the price thereof. Such proof of wholesale sales shall be filed in chronological order and thus preserved for a period of three (3) years from the date of sale. These records shall be subject to inspection by the commissioner and his agents, at their discretion, for the verification of returns filed by either the wholesaler or his customers.

The substantiation of an exempt sale must be by an invoice containing the same information as required for the wholesale sales. This requirement shall apply equally to a retailer making wholesale or exempt sales.

Any failure to comply with all the above requirements shall subject the violator to the retail rate of tax on all such violations.

SECTION 11. Section 27-65-25, Mississippi Code of 1972, is amended as follows:

27-65-25. Upon every person engaging or continuing within this state in the business of selling alcoholic beverages at retail, the sales of which are legal under the provisions of Chapter 1 of Title 67, Mississippi Code of 1972, there is hereby levied, assessed and shall be collected a tax equal to seven percent (7%) of the gross proceeds of the retail sales of the business. \* \* \*

Hotels in towns or cities of more than twenty-five thousand (25,000) population are similarly defined except that they must have fifty (50) or more sleeping rooms. Any such establishment described in this paragraph with less than fifty (50) beds shall operate one or more regular dining rooms designed to be constantly frequented by customers each day. When used in this chapter, the word "hotel" shall also be construed to include any establishment that meets the definition of "bed and breakfast inn" as provided in this section.

Except as otherwise provided in this paragraph, no place shall qualify as a restaurant under this chapter unless twenty-five percent (25%) or more of the revenue derived from such place shall be from the preparation, cooking and serving of meals and not from the sale of beverages, or unless the value of food given to and consumed by customers is equal to twenty-five percent (25%) or more of total revenue; or

The department may, in its discretion, waive the five-year provision of this paragraph. In order to qualify under this paragraph, a club must file with the department, at the time of its application for a license under this chapter, two (2) copies of a list of the names and residences of its members and similarly file, within ten (10) days after the election of any additional member, his name and address. (o) "Qualified resort area" means any area or locality outside of the limits of incorporated municipalities in this state commonly known and accepted as a place which regularly and customarily attracts tourists, vacationists and other transients because of its historical, scenic or recreational facilities or attractions, or because of other attributes which regularly and customarily appeal to and attract tourists, vacationists and other transients in substantial numbers; however, no area or locality shall so qualify as a resort area until it has been duly and properly approved as such by the department. The department may not approve an area as a qualified resort area after July 1, 2018, if any portion of such proposed area is located within two (2) miles of a convent or monastery that is located in a county traversed by Interstate 55 and U.S. Highway 98. A convent or monastery may waive such distance restrictions in favor of allowing approval by the department of an area as a qualified resort area. Such waiver shall be in written form

from the owner, the governing body, or the appropriate officer of the convent or monastery having the authority to execute such a waiver, and the waiver shall be filed with and verified by the department before becoming effective.

(i) The department may approve an area or locality outside of the limits of an incorporated municipality that is in the process of being developed as a qualified resort area if such area or locality, when developed, can reasonably be expected to meet the requisites of the definition of the term "qualified resort area." (ii) The term includes any state park which is declared a resort area by the department; however, such declaration may only be initiated in a written request for resort area status made to the department by the Executive Director of the Department of Wildlife, Fisheries and Parks, and no permit for the sale of any alcoholic beverage, as defined in this chapter, except an on-premises retailer's permit, shall be issued for a hotel, restaurant or bed and breakfast inn in such park.

(c) Shipments of wine into this state under this section shall be made by a duly licensed carrier. It shall be the duty of every common or contract carrier, and of every firm or corporation that shall bring, carry or transport wine from outside the state for delivery inside the state to package retailer permittees on behalf of consumers, to prepare and file with the department, on a schedule as determined by the department, of known wine shipments containing the name of the common or contract carrier, firm or corporation making the report, the period of time covered by said report, the name and permit number of the winery, the name and permit number of the package retailer permittee receiving such wine, the weight of the package delivered to each package retailer permittee, a unique tracking number, and the date of delivery. Reports received by the department shall be made available by the department to the public via the Mississippi Public Records Act process in the same manner as other state alcohol filings.

Upon the department's request, any records supporting the report shall be made available to the department within a reasonable time after the department makes a written request for such records. Any records containing information relating to such reports shall be kept and preserved for a period of two (2) years, unless their destruction sooner is authorized, in writing, by the department, and shall be open and available to inspection by the department upon the department's written request. Reports shall also be made available to any law enforcement or regulatory body in the state in which the railroad company, express company, common or contract carrier making the report resides or does business.

Each shipment shall constitute a separate offense.

(13) If any provision of this chapter, or its application to any person or circumstance, is determined by a court to be invalid or unconstitutional, the remaining provisions shall be construed in accordance with the intent of the Legislature to further limit rather than expand commerce in alcoholic beverages to protect the health, safety, and welfare of the state's residents, and to enhance strict regulatory control over taxation, distribution and sale of alcoholic beverages through the three-tier regulatory system imposed by this chapter upon all alcoholic beverages to curb relationships and practices calculated to stimulate sales and impair the state's policy favoring trade stability and the promotion of temperance.

SECTION 16. Section 67-1-43, Mississippi Code of 1972, is amended as follows:

67-1-43. Any authorized retail distributor who shall purchase or receive \* \* \* alcoholic beverages from any source except from the department or its warehouse operator, unless authorized by rules and regulations of the department promulgated under Section 67-1-41, shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not less than Five Hundred Dollars (\$500.00), nor more than Two Thousand Dollars (\$2,000.00), to which may be added imprisonment in the county jail for

Alcoholic beverages shall not be sold by any retailer in any package or container containing less than fifty (50) milliliters by liquid measure. A package retailer's permit, with prior approval from the department, shall authorize the holder thereof to sample new product furnished by a manufacturer's representative or his employees at the permitted place of business so long as the sampling otherwise complies with this chapter and applicable department regulations. Such samples may not be provided to customers at the permitted place of business. In addition to the sale at retail of packages of alcoholic beverages, the holder of a package retailer's permit is authorized to sell at retail corkscrews, wine glasses, soft drinks, ice, juices, mixers and other beverages commonly used to mix with alcoholic beverages. Nonalcoholic beverages sold by the holder of a package retailer's permit shall not be consumed on the premises where sold.

Additionally, as part of a carryout order, a permit holder may sell one (1) bottle of wine to be removed from the licensed premises for every two (2) entrees ordered. Such a permit shall be issued only to qualified hotels, restaurants and clubs, small craft breweries, microbreweries, and to common carriers with adequate

An on-premises retailer's permit when issued to a common carrier shall authorize the sale and serving of alcoholic beverages aboard any licensed vehicle while moving through any county of the state; however, the sale of such alcoholic beverages shall not be permitted while such vehicle is stopped in a county that has not legalized such sales. If an on-premises retailer's permit is applied for by a common carrier operating solely in the water, such common carrier must, along with all other qualifications for a permit, (i) be certified to carry at least one hundred fifty (150) passengers and/or provide overnight accommodations for at least fifty (50) passengers and (ii) operate primarily in the waters within the State of Mississippi which lie adjacent to the State of Mississippi south of the three (3) most southern counties in the State of Mississippi and/or on the Mississippi River or navigable waters within any county bordering on the Mississippi River.

(d) Solicitor's permit. A solicitor's permit shall authorize the holder thereof to act as salesman for a manufacturer or wholesaler holding a proper permit, to solicit on behalf of his employer orders for alcoholic beverages, and to otherwise promote his employer's products in a legitimate manner. Such a permit shall authorize the representation of and employment by one (1) principal only. However, the permittee may also, in the discretion of the department, be issued additional permits to represent other principals. No such permittee shall buy or sell alcoholic beverages for his own account, and no such beverage shall be brought into this state in pursuance of the exercise of such permit otherwise than through a permit issued to a wholesaler or manufacturer in the state.

(e) Native wine retailer's permit. Except as otherwise provided in subsection (5) of this section, a native wine retailer's permit shall be issued only to a holder of a Class 3 manufacturer's permit, and shall authorize the holder thereof to make retail sales of native wines to consumers for on-premises consumption or to consumers in originally sealed and unopened containers at an establishment located on the premises of or in the immediate vicinity of a native winery. When selling to consumers for on-premises consumption, a holder of a native wine retailer's permit may add to the native wine alcoholic beverages not produced on the premises, so long as the total volume of foreign beverage components does not exceed twenty percent (20%) of the mixed beverage. Hours of sale shall be the same as those authorized for on-premises permittees in the city or county in which the native wine retailer is located.

(f) Temporary retailer's permit. Except as otherwise provided in subsection (5) of this section, a temporary retailer's permit shall permit the purchase and resale of alcoholic beverages, including native wines and native spirits, during legal hours on the premises described in the temporary permit only.

Alcoholic beverages remaining in stock upon expiration of the temporary permit may be returned by the permittee to the package retailer for a refund of the purchase price upon consent of the package retailer or may be kept by the permittee exclusively for personal use and consumption, subject to all laws pertaining to the illegal sale and possession of alcoholic beverages. The department, following review of the statement provided by the applicant and the requirements of the applicable statutes and regulations, may issue the permit.

Class 2. A temporary permit, not to exceed seventy (70) days, may be issued to prospective permittees seeking to transfer a permit authorized in paragraph (c) of this subsection. A Class 2 permit may be issued only to applicants demonstrating to the department, by a statement signed under the penalty of perjury, that they meet the qualifications of Sections 67-1-5(l), (m), (n), (o), (p) or (q), 67-1-37, 67-1-51(2) and (3), 67-1-55, 67-1-57 and 67-1-59. Class 2 temporary permittees must purchase their alcoholic beverages directly from the department or, with approval of the department, purchase the remaining stock of the previous permittee. If the proposed applicant of a Class 1 or Class 2 temporary permit falsifies information contained in the application or statement, the applicant shall never again be eligible for a retail alcohol beverage permit and shall be subject to prosecution for perjury.

Class 3. A temporary one-day permit may be issued to a retail establishment authorizing the complimentary distribution of wine, including native wine, to patrons of the retail establishment at an open house or promotional event, for consumption only on the premises described in the temporary permit. A temporary theatre permit holder shall obtain all alcoholic beverages from package retailers located in the county in which the permit is issued. Alcoholic beverages remaining in stock upon expiration of the temporary theatre permit may be returned by the permittee to the package retailer for a refund of the purchase price upon consent of the package retailer or may be kept by the permittee exclusively for personal use and consumption, subject to all laws pertaining to the illegal sale and possession of alcoholic beverages.

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 451: Nonadmitted policy fee; delete repealer on.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 83-34-4, Mississippi Code of 1972, is amended as follows:

83-34-4. (1) Nonadmitted insurers shall not be assessable insurers of the association. All surplus lines insurance producers placing insurance through nonadmitted insurers shall collect from the insured and remit to the association a nonadmitted policy fee on all premiums for all insurance written by such surplus lines insurance producer for a policy from a nonadmitted insurer for any and all risks in this state, except that policies or portions thereof that cover residential earthquake risks or residential flood risks that are not written through the National Flood Insurance Program shall be exempt from the nonadmitted policy fee. By procuring or selling insurance on property in this state from a nonadmitted insurer, each surplus lines insurance producer placing insurance through a nonadmitted insurer agrees to be bound by the provisions of this chapter and to collect and remit the nonadmitted policy fee provided for herein.

(2) The nonadmitted policy fee shall be a percentage of the total policy premium but the nonadmitted policy fee shall not be considered premium and is not subject to premium taxes or commissions. However, failure to pay the nonadmitted policy fee shall be treated the same as failure to pay premium. "Total policy premium" includes taxes and commissions.

(3) The nonadmitted policy fee percentage shall be three percent (3%).

(4) Within twenty (20) days of the end of the quarter, surplus lines insurance producers placing insurance through nonadmitted insurers shall remit directly to the association all nonadmitted policy fees collected in the preceding quarter. In addition to the nonadmitted policy fee provided for herein, surplus lines insurance producers placing insurance through nonadmitted insurers shall collect and remit excess deficit surcharges as provided by this chapter. Surplus lines insurance producers placing insurance through nonadmitted insurers may designate another surplus lines insurance producer that actually procured the insurance from the nonadmitted carrier to collect and remit the nonadmitted policy fees.

(5) Each insured in this state who directly procures or renews insurance with a nonadmitted insurer on properties, risks or exposures located or to be performed, in whole

or in part, in this state, other than insurance procured through a surplus lines licensee, shall be subject to the nonadmitted policy fee which shall be paid by the insured according to the procedures provided for premium taxes in Section 83-21-17(5).

(6) Monies derived from the nonadmitted policy fee collected under this section shall not be considered public funds and may be used by the association, in addition to any uses provided for in Section 83-34-3(4), for education, public outreach, training of building officials and other programs targeted to reduce the number of policies within the association; however, beginning on July 1, 2018, and ending on June 30, 2019, before any fees are remitted to the association, One Million Five Hundred Thousand Dollars (\$1,500,000.00) shall be diverted and deposited into the Capital Expense Fund, and Four Million Five Hundred Thousand Dollars (\$4,500,000.00) shall be diverted and deposited into the Rural Fire Truck Fund or Supplementary Rural Fire Truck Fund. Further, beginning July 1, 2019, and ending on June 30, 2020, before any fees are remitted to the association, Three Million Five Hundred Thousand Dollars (\$3,500,000.00) shall be diverted and deposited into the Rural Fire Truck Fund or Supplementary Rural Fire Truck Fund. Further, beginning July 1, 2022, before any fees are remitted to the association but only if the association will receive at least sixty percent (60%) of the fees, Five Hundred Thousand Dollars (\$500,000.00) shall be diverted and deposited annually into the Mississippi First Responders Health and Safety Trust Fund created in Section 2 of this act. Further, beginning July 1, 2022, but only if the association will receive at least sixty percent (60%) of the fees and the Mississippi First Responders Health and Safety Trust Fund has received the diversion of Five Hundred Thousand Dollars (\$500,000.00), Three Million Five Hundred Thousand Dollars (\$3,500,000.00) shall be diverted and deposited annually into the Annual Fire Fund created in Section 3 of this act. Further, beginning July 1, 2022, after the association has received sixty percent (60%) of the fees and after all other diversions are made, fifty percent (50%) of any excess amount shall be remitted to the association and fifty percent (50%) of any excess amount shall be diverted and deposited annually into the Annual Fire Fund.

In the event the value of the association's Total Admitted Assets, as defined by the audited financial statement, is less than Two Hundred Fifty Million Dollars (\$250,000,000.00), the monies diverted and not remitted to the association under this subsection (6) during that fiscal year and subsequent fiscal years shall immediately be diverted to the association and shall not be considered public funds.

(7) \* \* \* The association may use excess funds to purchase reinsurance in an amount that may exceed the total premiums collected from policyholders.

SECTION 2. There is created in the State Treasury a special fund to be designated as the "Mississippi First Responders Health and Safety Trust Fund" to be administered by the Commissioner of Insurance, upon appropriation by the Legislature, to assist the state, municipalities, counties and fire protection districts with providing benefits required by the Mississippi First Responders Health and Safety Act. The commissioner shall notify the Chairmen of the House and Senate Insurance Committees in advance of any distributions made from this fund. This fund shall consist of monies provided to it through the provisions of Section 83-34-4(6), and any monies which may be appropriated to it by the Legislature. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned on amounts in the fund shall be deposited to the credit of the fund.

SECTION 3. There is created in the State Treasury a special fund to be designated as the "Annual Fire Fund" to be administered by the Commissioner of Insurance. Monies in the fund, upon appropriation by the Legislature, may be used by the commissioner only for the purpose of his or her discretion in requesting the State Fiscal Officer, and notifying the Legislative Budget Office of such, to transfer funds from this fund to the Rural Fire Truck Fund, the Supplementary Rural Fire Truck Fund, the Municipal Fire Protection Fund and/or the County Volunteer Fire Department Fund; however, the commissioner shall request the State Fiscal Officer to transfer at least One Million Five Hundred Thousand

Dollars (\$1,500,000.00) annually to the Rural and Supplementary Rural Fire Truck Funds. This fund shall consist of monies provided to it through the provisions of Section 83-34-4(6), and any monies which may be appropriated to it by the Legislature. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned on amounts in the fund shall be deposited to the credit of the fund.

SECTION 4. This act shall take effect and be in force from and after July 1, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 83-34-4, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT MONIES DERIVED FROM THE NONADMITTED POLICY FEE SHALL NOT BE CONSIDERED PUBLIC FUNDS; TO PROVIDE, AS LONG AS THE ASSOCIATION WILL RECEIVE AT LEAST SIXTY PERCENT OF THE FEES, AN ANNUAL DIVERSION OF \$500,000.00 FROM THE NONADMITTED POLICY FEE TO THE FIRST RESPONDER HEALTH AND SAFETY TRUST FUND; TO PROVIDE, AS LONG AS THE ASSOCIATION WILL RECEIVE AT LEAST SIXTY PERCENT OF THE FEES, AN ANNUAL DIVERSION OF \$3,500,000.00 FROM THE NONADMITTED POLICY FEE TO THE ANNUAL FIRE FUND; TO REMIT TO THE ASSOCIATION FIFTY PERCENT OF ANY AMOUNT REMAINING AFTER ANY DIVERSIONS OF THE NONADMITTED POLICY FEE AND FIFTY PERCENT TO THE ANNUAL FIRE FUND; TO PROVIDE THAT IN THE EVENT THE VALUE OF THE ASSOCIATION'S TOTAL ADMITTED ASSETS, AS DEFINED BY THE AUDITED FINANCIAL STATEMENT, IS LESS THAN \$250,000,000.00, THE MONIES DIVERTED AND NOT REMITTED TO THE ASSOCIATION DURING THAT FISCAL YEAR AND SUBSEQUENT FISCAL YEARS SHALL IMMEDIATELY BE DIVERTED TO THE ASSOCIATION AND SHALL NOT BE CONSIDERED PUBLIC FUNDS; TO AUTHORIZE THE ASSOCIATION TO USE EXCESS FUNDS TO PURCHASE REINSURANCE IN AN AMOUNT THAT MAY EXCEED THE TOTAL PREMIUMS COLLECTED FROM POLICYHOLDERS; TO DELETE THE REPEALER ON THE NONADMITTED POLICY FEE; TO CREATE A NEW SECTION OF LAW TO CREATE A SPECIAL FUND TO BE DESIGNATED AS THE "MISSISSIPPI FIRST RESPONDERS HEALTH AND SAFETY TRUST FUND" TO BE ADMINISTERED BY THE COMMISSIONER OF INSURANCE TO ASSIST THE STATE, MUNICIPALITIES, COUNTIES AND FIRE PROTECTION DISTRICTS WITH PROVIDING BENEFITS REQUIRED BY THE MISSISSIPPI FIRST RESPONDERS HEALTH AND SAFETY ACT; TO CREATE A NEW SECTION OF LAW TO CREATE A SPECIAL FUND TO BE DESIGNATED AS THE "ANNUAL FIRE FUND" TO BE ADMINISTERED BY THE COMMISSIONER OF INSURANCE TO REQUEST THE STATE FISCAL OFFICER TO TRANSFER FUNDS FROM THIS FUND TO THE RURAL FIRE TRUCK FUND, THE SUPPLEMENTARY RURAL FIRE TRUCK FUND, THE MUNICIPAL FIRE PROTECTION FUND AND/OR THE COUNTY VOLUNTEER FIRE DEPARTMENT FUND; AND FOR RELATED PURPOSES.

(7) The department shall have all powers necessary to implement and administer the program. Of the funds appropriated to the department for the program, not more than five percent (5%) may be used by the department to cover the department's costs of administering the program.

(8) In carrying out its responsibilities under the program, for any contract under the purview of the Public Procurement Review Board (PPRB), the department shall be exempt from any requirement that the PPRB approve any personal or professional services contracts or pre-approve any solicitation of such contracts. After the expiration of the initial terms, all appointed members' terms shall be for a period of four (4) years from the expiration date of the previous term, and until such time as the member's successor is duly appointed and qualified.

(c) When appointing members to the Public Procurement Review Board, the Governor and Lieutenant Governor shall take into consideration persons who possess at least five (5) years of management experience in general business, health care or finance for an organization, corporation or other public or private entity. Any person, or any employee or owner of a company, who receives any grants, procurements or contracts that are subject to approval under this section shall not be appointed to the Public Procurement Review Board. Any person, or any employee or owner of a company, who is a principal of the source providing a personal or professional service shall not be appointed to the Public Procurement Review Board if the principal owns or controls a greater than five percent (5%) interest or has an ownership value of One Million Dollars (\$1,000,000.00) in the source's business, whichever is smaller. No member shall be an officer or employee of the State of Mississippi while serving as a voting member on the Public Procurement Review Board.

(d) Members of the Public Procurement Review Board shall be entitled to per diem as authorized by Section 25-3-69 and travel reimbursement as authorized by Section 25-3-41.

(e) The members of the Public Procurement Review Board shall elect a chair from among the membership, and he or she shall preside over the meetings of the board. The board shall annually elect a vice chair, who shall serve in the absence of the chair. No business shall be transacted, including adoption of rules of procedure, without the presence of a quorum of the board. Three (3) members shall be a quorum. No action shall be valid unless approved by a majority of the members present and voting, entered upon the minutes of the board and signed by the chair. Necessary clerical and administrative support for the board shall be provided by the Department of Finance and Administration. Minutes shall be kept of the proceedings of each meeting, copies of which shall be filed on a monthly basis with the chairs of the Accountability, Efficiency and

Transparency Committees of the Senate and House of Representatives and the chairs of the Appropriations Committees of the Senate and House of Representatives.

(2) The Public Procurement Review Board shall have the following powers and responsibilities:

(a) Approve all purchasing regulations governing the purchase or lease by any agency, as defined in Section 31-7-1, of commodities and equipment, except computer equipment acquired pursuant to Sections 25-53-1 through 25-53-29;

(b) Adopt regulations governing the approval of contracts let for the construction and maintenance of state buildings and other state facilities as well as related contracts for architectural and engineering services.

The provisions of this paragraph (b) shall not apply to such contracts involving buildings and other facilities of state institutions of higher learning which are self-administered as provided under this paragraph (b) or Section 37-101-15(m);

(c) Adopt regulations governing any lease or rental agreement by any state agency or department, including any state agency financed entirely by federal funds, for space outside the buildings under the jurisdiction of the Department of Finance and Administration. These regulations shall require each agency requesting to lease such space to provide the following information that shall be published by the Department of Finance and Administration on its website: the agency to lease the space; the terms of the lease; the approximate square feet to be leased; the use for the space; a description of a suitable space; the general location desired for the leased space; the contact information for a person from the agency; the deadline date for the agency to have received a lease proposal; any other specific terms or conditions of the agency; and any other information deemed appropriate by the Division of Real Property Management of the Department of Finance and Administration or the Public Procurement Review Board. The information shall be provided sufficiently in advance of the time the space is needed to allow the Division of Real Property Management of the Department of Finance and Administration to review and preapprove the lease before the time for advertisement begins;

(d) Adopt, in its discretion, regulations to set aside at least five percent (5%) of anticipated annual expenditures for the purchase of commodities from minority businesses; however, all such set-aside purchases shall comply with all purchasing regulations promulgated by the department and shall be subject to all bid requirements. Set-aside purchases for which competitive bids are required shall be made from the lowest and best minority business bidder; however, if no minority bid is available or if the minority bid is more than two percent (2%) higher than the lowest bid, then bids shall be accepted and awarded to the lowest and best bidder. However, the provisions in this paragraph shall not be construed to prohibit the rejection of a bid when only one (1) bid is received. Such rejection shall be placed in the minutes. For the purposes of this paragraph, the term "minority business" means a business which is owned by a person who is a citizen or lawful permanent resident of the United States and who is:

(i) Black: having origins in any of the black racial groups of Africa;

(ii) Hispanic: of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin regardless of race;

(iii) Asian-American: having origins in any of the original people of the Far East, Southeast Asia, the Indian subcontinent, or the Pacific Islands;

(f) Promulgate rules and regulations governing the solicitation and selection of contractual services personnel, including personal and professional services contracts for any form of consulting, policy analysis, public relations, marketing, public affairs, legislative advocacy services or any other contract that the board deems appropriate for oversight, with the exception of any personal service contracts entered into by any agency that employs only nonstate service employees as defined in Section 25-9-107(c), any personal service contracts entered into for computer or information technology-related services governed by the Mississippi Department of Information Technology Services, any personal service contracts entered into by the individual state institutions of higher learning, any personal service contracts entered into by the Mississippi Department of Transportation, any personal service contracts entered into by the Department of Human Services through June 30, 2019, which the Executive Director of the Department of Human Services determines would be useful in establishing and operating the Department of Child Protection Services, any personal service contracts entered into by the Department of Child Protection Services through June 30, 2019, any contracts for entertainers and/or performers at the Mississippi State Fairgrounds entered into by the Mississippi Fair Commission, any contracts entered into by the Department of Finance and Administration when procuring aircraft maintenance, parts, equipment and/or services, any contract entered into by the Department of Public Safety for service on specialized equipment and/or software required for the operation at such specialized equipment for use by the Office of Forensics Laboratories, \* \* \* any personal or professional service contract entered into by the Mississippi Department of Health and/or the Department of Revenue solely in connection with their respective responsibilities under the Mississippi Medical Cannabis Act from February 2, 2022, through June 30, 2023, any contract for attorney, accountant, actuary auditor, architect, engineer, anatomical pathologist, utility rate expert services, \* \* \* any personal service contracts approved by the Executive Director of the Department of Finance and Administration and entered into by the Coordinator of Mental Health Accessibility through June 30, 2022, and any personal or professional services contract entered into by the State Department of Health in carrying out its responsibilities under the ARPA Rural Water Associations Infrastructure Grant Program through June 30, 2026. Any such rules and regulations shall provide for maintaining continuous internal audit covering the activities of such agency affecting its revenue and expenditures as required under Section 7-7-3(6)(d). Any rules and regulation changes related to personal and professional services contracts that the Public Procurement Review Board may propose shall be submitted to the Chairs of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the Chairs of the Appropriation Committees of the Senate and House of Representatives at least fifteen (15) days before the board votes on the proposed changes, and those rules and regulation changes, if adopted, shall be promulgated in accordance with the Mississippi Administrative Procedures Act;

(g) Approve all personal and professional services contracts involving the expenditures of funds in excess of Seventy-five Thousand Dollars (\$75,000.00), except as provided in paragraph (f) of this subsection (2) and in subsection (8);

(h) Develop mandatory standards with respect to contractual services personnel that require invitations for public bid, requests for proposals, record keeping and financial responsibility of contractors. The Public Procurement Review Board shall, unless exempted under this paragraph (h) or under paragraph (i) or (o) of this subsection (2), require the agency involved to submit the procurement to a competitive procurement process, and may reserve the right to reject any or all resulting procurements;

(i) Prescribe certain circumstances by which agency heads may enter into contracts for personal and professional services without receiving prior approval from the Public Procurement Review Board. The Public Procurement Review Board may establish a preapproved list of providers of various personal and professional services for set prices with which state agencies may contract without bidding or prior approval from the board;

(i) Agency requirements may be fulfilled by procuring services performed incident to the state's own programs. The agency head shall determine in writing whether the price represents a fair market value for the services. When the procurements are made from other governmental entities, the private sector need not be solicited; however, these contracts shall still be submitted for approval to the Public Procurement Review Board.

(ii) Contracts between two (2) state agencies, both under Public Procurement Review Board purview, shall not require Public Procurement Review Board approval. However, the contracts shall still be entered into the enterprise resource planning system;

(j) Provide standards for the issuance of requests for proposals, the evaluation of proposals received, consideration of costs and quality of services proposed, contract negotiations, the administrative monitoring of contract performance by the agency and successful steps in terminating a contract;

(k) Present recommendations for governmental privatization and to evaluate privatization proposals submitted by any state agency;

(l) Authorize personal and professional service contracts to be effective for more than one (1) year provided a funding condition is included in any such multiple year contract, except the State Board of Education, which shall have the authority to enter into contractual agreements for student assessment for a period up to ten (10) years. The State Board of Education shall procure these services in accordance with the Public Procurement Review Board procurement regulations;

(m) Request the State Auditor to conduct a performance audit on any personal or professional service contract;

(n) Prepare an annual report to the Legislature concerning the issuance of personal and professional services contracts during the previous year, collecting any necessary information from state agencies in making such report;

(o) Develop and implement the following standards and procedures for the approval of any sole source contract for personal and professional services regardless of the value of the procurement:

(i) For the purposes of this paragraph (o), the term "sole source" means only one (1) source is available that can provide the required personal or professional service.

(ii) An agency that has been issued a binding, valid court order mandating that a particular source or provider must be used for the required service must include a copy of the applicable court order in all future sole source contract reviews for the particular personal or professional service referenced in the court order.

(iii) Any agency alleging to have a sole source for any personal or professional service, other than those exempted under paragraph (f) of this subsection (2) and subsection (8), shall publish on the procurement portal website established by Sections 25-53-151 and 27-104-165, for at least fourteen (14) days, the terms of the

proposed contract for those services. In addition, the publication shall include, but is not limited to, the following information:

1. The personal or professional service offered in the contract;
2. An explanation of why the personal or professional service is the only one that can meet the needs of the agency;
3. An explanation of why the source is the only person or entity that can provide the required personal or professional service;
4. An explanation of why the amount to be expended for the personal or professional service is reasonable; and
5. The efforts that the agency went through to obtain the best possible price for the personal or professional service.

(iv) If any person or entity objects and proposes that the personal or professional service published under subparagraph (iii) of this paragraph (o) is not a sole source service and can be provided by another person or entity, then the objecting person or entity shall notify the Public Procurement Review Board and the agency that published the proposed sole source contract with a detailed explanation of why the personal or professional service is not a sole source service.

(v) 1. If the agency determines after review that the personal or professional service in the proposed sole source contract can be provided by another person or entity, then the agency must withdraw the sole source contract publication from the procurement portal website and submit the procurement of the personal or professional service to an advertised competitive bid or selection process.

2. If the agency determines after review that there is only one (1) source for the required personal or professional service, then the agency may appeal to the Public Procurement Review Board. The agency has the burden of proving that the personal or professional service is only provided by one (1) source.

3. If the Public Procurement Review Board has any reasonable doubt as to whether the personal or professional service can only be provided by one (1) source, then the agency must submit the procurement of the personal or professional service to an advertised competitive bid or selection process. No action taken by the Public Procurement Review Board in this appeal process shall be valid unless approved by a majority of the members of the Public Procurement Review Board present and voting.

(vi) The Public Procurement Review Board shall prepare and submit a quarterly report to the House of Representatives and Senate Accountability, Efficiency and Transparency Committees that details the sole source contracts presented to the Public Procurement Review Board and the reasons that the Public Procurement Review Board approved or rejected each contract. These quarterly reports shall also include the documentation and memoranda required in subsection (4) of this section. An agency that submitted a sole source contract shall be prepared to explain the sole source contract to each committee by December 15 of each year upon request by the committee;

(p) Assess any fines and administrative penalties provided for in Sections 31-7-401 through 31-7-423.

(3) All submissions shall be made sufficiently in advance of each monthly meeting of the Public Procurement Review Board as prescribed by the Public Procurement Review Board. If the Public Procurement Review Board rejects any contract submitted for review or approval, the Public Procurement Review Board shall clearly set out the reasons for its

action, including, but not limited to, the policy that the agency has violated in its submitted contract and any corrective actions that the agency may take to amend the contract to comply with the rules and regulations of the Public Procurement Review Board.

(4) All sole source contracts for personal and professional services awarded by state agencies, other than those exempted under Section 27-104-7(2)(f) and (8), whether approved by an agency head or the Public Procurement Review Board, shall contain in the procurement file a written determination for the approval, using a request form furnished by the Public Procurement Review Board. The written determination shall document the basis for the determination, including any market analysis conducted in order to ensure that the service required was practicably available from only one (1) source. A memorandum shall accompany the request form and address the following four (4) points:

(a) Explanation of why this service is the only service that can meet the needs of the purchasing agency;

(b) Explanation of why this vendor is the only practicably available source from which to obtain this service;

(c) Explanation of why the price is considered reasonable; and

(d) Description of the efforts that were made to conduct a noncompetitive negotiation to get the best possible price for the taxpayers.

(5) In conjunction with the State Personnel Board, the Public Procurement Review Board shall develop and promulgate rules and regulations to define the allowable legal relationship between contract employees and the contracting departments, agencies and institutions of state government under the jurisdiction of the State Personnel Board, in compliance with the applicable rules and regulations of the federal Internal Revenue Service (IRS) for federal employment tax purposes. Under these regulations, the usual common law rules are applicable to determine and require that such worker is an independent contractor and not an employee, requiring evidence of lawful behavioral control, lawful financial control and lawful relationship of the parties. Any state department, agency or institution shall only be authorized to contract for personnel services in compliance with those regulations.

(6) No member of the Public Procurement Review Board shall use his or her official authority or influence to coerce, by threat of discharge from employment, or otherwise, the purchase of commodities, the contracting for personal or professional services, or the contracting for public construction under this chapter.

(7) Notwithstanding any other laws or rules to the contrary, the provisions of subsection (2) of this section shall not be applicable to the Mississippi State Port Authority at Gulfport.

(8) Nothing in this section shall impair or limit the authority of the Board of Trustees of the Public Employees' Retirement System to enter into any personal or professional services contracts directly related to their constitutional obligation to manage the trust funds, including, but not limited to, actuarial, custodial banks, cash management, investment consultant and investment management contracts.

(9) Notwithstanding the exemption of personal and professional services contracts entered into by the Department of Human Services and personal and professional services contracts entered into by the Department of Child Protection Services from the provisions of this section under subsection (2)(f), before the Department of Human Services or the Department of Child Protection Services may enter into a personal or professional service contract, the department(s) shall give notice of the proposed personal or professional service contract to the Public Procurement Review Board for any

recommendations by the board. Upon receipt of the notice, the board shall post the notice on its website and on the procurement portal website established by Sections 25-53-151 and 27-104-165. If the board does not respond to the department(s) within seven (7) calendar days after receiving the notice, the department(s) may enter the proposed personal or professional service contract. If the board responds to the department(s) within seven (7) calendar days, then the board has seven (7) calendar days from the date of its initial response to provide any additional recommendations. After the end of the second seven-day period, the department(s) may enter the proposed personal or professional service contract. The board is not authorized to disapprove any proposed personal or professional services contracts. This subsection shall stand repealed on July 1, 2022.

SECTION 3. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO PROVIDE THAT THE STATE DEPARTMENT OF HEALTH SHALL ESTABLISH A GRANT PROGRAM TO BE KNOWN AS THE ARPA RURAL WATER ASSOCIATIONS INFRASTRUCTURE GRANT PROGRAM TO ASSIST RURAL WATER ASSOCIATIONS IN THE CONSTRUCTION OF ELIGIBLE DRINKING WATER INFRASTRUCTURE PROJECTS UNDER THE AMERICAN RESCUE PLAN ACT (ARPA); TO PROVIDE THAT THE PROGRAM SHALL BE FUNDED FROM APPROPRIATIONS FROM THE CORONAVIRUS STATE FISCAL RECOVERY FUND; TO PROVIDE THAT UPON THE APPROVAL OF AN APPLICATION FOR A GRANT UNDER THE PROGRAM, THE DEPARTMENT SHALL ENTER INTO A PROJECT GRANT AGREEMENT WITH EACH GRANTEE TO ESTABLISH THE TERMS OF THE GRANT FOR THE PROJECT, INCLUDING THE AMOUNT OF THE GRANT; TO PROVIDE THAT ANY PERSONAL OR PROFESSIONAL SERVICES CONTRACTS ENTERED INTO BY THE DEPARTMENT IN CARRYING OUT ITS RESPONSIBILITIES UNDER THE GRANT PROGRAM SHALL BE EXEMPT FROM REVIEW AND APPROVAL BY THE PUBLIC PROCUREMENT REVIEW BOARD; TO AMEND SECTION 27-104-7, MISSISSIPPI CODE OF 1972, TO CONFORM TO THE PRECEDING PROVISION; AND FOR RELATED PURPOSES.

**MR. SPEAKER AND MR. PRESIDENT:**

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. The following sum, or so much of it as may be necessary, is appropriated out of any money in the Coronavirus State Fiscal Recovery Fund not otherwise appropriated, to the State Department of Health for the purpose of funding the ARPA Rural Water Associations Infrastructure Grant Program established under House Bill No. 1421, 2022 Regular Session, for the period beginning upon the passage of this act and ending

June 30, 2023 ..... \$ 300,000,000.00.

SECTION 2. (1) As used in this section and Section 3 of this act, the term "department" means the State Department of Health.

(2) The department shall not disburse any funds appropriated under this act to any recipient without first: (a) making an individualized determination that the reimbursement sought is, in the department's independent judgment, for necessary expenditures eligible under Section 602 of the federal Social Security Act as added by Section 9901 of the federal American Rescue Plan Act of 2021 (ARPA) and its implementing guidelines, guidance, rules, regulations and/or other criteria, as may be amended or supplemented from time to time, by the United States Department of the Treasury; and (b) determining that the recipient has not received and will not receive reimbursement for the expense in question from any source of funds, including insurance proceeds, other than those funds provided under Section 602 of the federal Social Security Act as added by Section 9901 of ARPA. In addition, the department shall ensure that all funds appropriated under this act are disbursed in compliance with the Single Audit Act (31 USC Sections 7501-7507) and the related provisions of the Uniform Guidance, 2 CFR Section 200.303 regarding internal controls, Sections 200.330 through 200.332 regarding sub-recipient monitoring and management, and subpart F regarding audit requirements.

SECTION 3. (1) As a condition of receiving and expending the funds appropriated to the department under this act, the department shall certify to the Department of Finance and Administration that each expenditure of the funds appropriated to the department under this act complies with the guidelines, guidance, rules, regulations and/or other criteria, as may be amended from time to time, of the United States Department of the Treasury regarding the use of monies from the Coronavirus State Fiscal Recovery Fund established by the American Rescue Plan Act of 2021.

(2) If the Office of Inspector General of the United States Department of the Treasury, or the Office of Inspector General of any other federal agency having oversight over the use of monies from the Coronavirus State Fiscal Recovery Fund established by the American Rescue Plan Act of 2021 (a) determines that the department or recipient has expended or otherwise used any of the funds appropriated to the department under this act for any purpose that is not in compliance with the guidelines, guidance, rules, regulations and/or other criteria, as may be amended from time to time, of the United States Department of the Treasury regarding the use of monies from the Coronavirus State Fiscal Recovery Fund established by the American Rescue Plan Act of 2021, and (b) the State of Mississippi is required to repay the federal government for any of those funds that the Office of the Inspector General determined were expended or otherwise used improperly by the department or recipient, then the department or recipient that expended or otherwise used those funds improperly shall be required to pay the amount of those funds to the State of Mississippi for repayment to the federal government.

POINT OF ORDER

A point of order was raised by Senator Hickman that Section 2 is not germane.

RULING OF THE CHAIR

The Chair, President Hosemann presiding, ruled the point of order not well-taken. Joint Rule 24 states that when one house strikes out of a bill all after the enacting clause and inserts new text as an amendment thereto, the conferees may disregard the text of the original bill and of the amendment and may exercise wide discretion in the incorporation of germane new text.

POINT OF ORDER

A point of order was raised by Senator Hickman that Section 2 violates Section 69 of the Constitution which says you cannot have two appropriations in one bill.

RULING OF THE CHAIR

The Chair, President Hosemann presiding, ruled the point of order not well-taken. The Chair does not rule on constitutional matters.

POINT OF ORDER

A point of order was raised by Senator Turner-Ford that the Conference Committee Report was in violation of Joint Rule 25.

RULING OF THE CHAIR

The Chair, President Hosemann presiding, ruled the point of order not well-taken. Joint Rule 25 prohibits adding code sections to a conference report which were not included in the bill as passed the house of origin or in the amendment by the other house. There is no violation because this conference report does not add any code sections.

Senator Polk moved that the Conference Committee Report on **S. B. No. 3064** (version 2) be recommitted for further conference and the motion prevailed.

Senator Hopson moved that the rules be suspended to move to calendar item 12, **H. B. No. 1599**, and the motion prevailed.

Senator Hopson offered the following report of the Conference Committee on **H. B. No. 1599** (version 3) and moved that the Report do be adopted:

Funds shall be obligated to a grantee upon the execution of a grant agreement between the department and the approved applicant. Funds shall be made available to a grantee when the department obtains the necessary support for reimbursement. The department is authorized to conduct additional rounds of grants as needed; however, in the first round no more than forty percent (40%) of the total funds appropriated for each grant program may be awarded by the department, and the remaining funds may be awarded in the second or subsequent rounds which shall occur no later than six (6) months from the previous round. (b) The use of funds allocated under this program shall be subject to audit by the United States Department of the Treasury's Office of Inspector General and the Mississippi Office of the State Auditor. Each person receiving funds under these programs found to be fully or partially noncompliant with the requirements in this act shall return to the state all or a portion of the funds received.

(13) The department shall submit to the Lieutenant Governor, Speaker of the House, House and Senate Appropriations Chairmen, and the Legislative Budget Office quarterly reports and annual reports that are due by the dates established in the Compliance and Reporting Guidance by the United States Department of Treasury. (14) Grant funds shall be available under this act through December 31, 2026, or on the date of the fund expenditure deadline provided by the federal government, whichever occurs later. Each grant recipient shall certify for any project for which a grant is awarded that if the project is not completed by December 31, 2026, and the United States Congress does not enact an extension of the deadline on the availability of ARPA Funds, then the grant recipient will complete the project through other funds.

(15) The Mississippi Department of Environmental Quality may retain an amount not to exceed five percent (5%) of the total funds allocated to the program to defray administrative costs.

(16) The department shall be exempt from provisions of the Public Procurement Review Board for any requirements of personal or professional service contracts or the pre-approval of the solicitation for such contracts used in the execution of its responsibilities under this act. This subsection shall stand repealed on January 1, 2026.

(17) The provisions of this section shall stand repealed on January 1, 2027.

After the expiration of the initial terms, all appointed members' terms shall be for a period of four (4) years from the expiration date of the previous term, and until such time as the member's successor is duly appointed and qualified.

(c) When appointing members to the Public Procurement Review Board, the Governor and Lieutenant Governor shall take into consideration persons who possess at least five (5) years of management experience in general business, health care or finance for an organization, corporation or other public or private entity. Any person, or any employee or owner of a company, who receives any grants, procurements or contracts that are subject to approval under this section shall not be appointed to the Public Procurement Review Board. Any person, or any employee or owner of a company, who is a principal of the source providing a personal or professional service shall not be appointed to the Public Procurement Review Board if the principal owns or controls a greater than five percent (5%) interest or has an ownership value of One Million Dollars (\$1,000,000.00) in the source's business, whichever is smaller. No member shall be an officer or employee of the State of Mississippi while serving as a voting member on the Public Procurement Review Board.

(d) Members of the Public Procurement Review Board shall be entitled to per diem as authorized by Section 25-3-69 and travel reimbursement as authorized by Section 25-3-41.

(e) The members of the Public Procurement Review Board shall elect a chair from among the membership, and he or she shall preside over the meetings of the board. The board shall annually elect a vice chair, who shall serve in the absence of the chair. No business shall be transacted, including adoption of rules of procedure, without the presence of a quorum of the board. Three (3) members shall be a quorum. No action shall be valid unless approved by a majority of the members present and voting, entered upon the minutes of the board and signed by the chair. Necessary clerical and administrative support for the board shall be provided by the Department of Finance and Administration. Minutes shall be kept of the proceedings of each meeting, copies of which shall be filed on a monthly basis with the chairs of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the chairs of the Appropriations Committees of the Senate and House of Representatives.

(2) The Public Procurement Review Board shall have the following powers and responsibilities:

(b) Adopt regulations governing the approval of contracts let for the construction and maintenance of state buildings and other state facilities as well as related contracts for architectural and engineering services.

(c) Adopt regulations governing any lease or rental agreement by any state agency or department, including any state agency financed entirely by federal funds, for space outside the buildings under the jurisdiction of the Department of Finance and Administration. These regulations shall require each agency requesting to lease such space to provide the following information that shall be published by the Department of Finance and Administration on its website: the agency to lease the space; the terms of the lease; the approximate square feet to be leased; the use for the space; a description of a suitable space; the general location desired for the leased space; the contact information for a person from the agency; the deadline date for the agency to have received a lease proposal; any other specific terms or conditions of the agency; and any other information deemed appropriate by the Division of Real Property Management of the Department of Finance and Administration or the Public Procurement Review Board. The information shall be provided sufficiently in advance of the time the space is needed to allow the Division of Real Property Management of the Department of Finance and Administration to review and preapprove the lease before the time for advertisement begins;

(d) Adopt, in its discretion, regulations to set aside at least five percent (5%) of anticipated annual expenditures for the purchase of commodities from minority businesses; however, all such set-aside purchases shall comply with all purchasing regulations promulgated by the department and shall be subject to all bid requirements. Set-aside purchases for which competitive bids are required shall be made from the lowest and best minority business bidder; however, if no minority bid is available or if the minority bid is more than two percent (2%) higher than the lowest bid, then bids shall be accepted and awarded to the lowest and best bidder. However, the provisions in this paragraph shall not be construed to prohibit the rejection of a bid when only one (1) bid is received. Such rejection shall be placed in the minutes. For the purposes of this paragraph, the term "minority business" means a business which is owned by a person who is a citizen or lawful permanent resident of the United States and who is:

(i) Black: having origins in any of the black racial groups of Africa;

(ii) Hispanic: of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin regardless of race;

(f) Promulgate rules and regulations governing the solicitation and selection of contractual services personnel, including personal and professional services contracts

for any form of consulting, policy analysis, public relations, marketing, public affairs, legislative advocacy services or any other contract that the board deems appropriate for oversight, with the exception of any personal service contracts entered into by any agency that employs only nonstate service employees as defined in Section 25-9-107(c), any personal service contracts entered into for computer or information technology-related services governed by the Mississippi Department of Information Technology Services, any personal service contracts entered into by the individual state institutions of higher learning, any personal service contracts entered into by the Mississippi Department of Transportation, any personal service contracts entered into by the Department of Human Services through June 30, 2019, which the Executive Director of the Department of Human Services determines would be useful in establishing and operating the Department of Child Protection Services, any personal service contracts entered into by the Department of Child Protection Services through June 30, 2019, any contracts for entertainers and/or performers at the Mississippi State Fairgrounds entered into by the Mississippi Fair Commission, any contracts entered into by the Department of Finance and Administration when procuring aircraft maintenance, parts, equipment and/or services, any contract entered into by the Department of Public Safety for service on specialized equipment and/or software required for the operation at such specialized equipment for use by the Office of Forensics Laboratories, \* \* \* any personal or professional service contract entered into by the Mississippi Department of Health and/or the Department of Revenue solely in connection with their respective responsibilities under the Mississippi Medical Cannabis Act from February 2, 2022, through June 30, 2023, any contract for attorney, accountant, actuary auditor, architect, engineer, anatomical pathologist, utility rate expert services, \* \* \* any personal service contracts approved by the Executive Director of the Department of Finance and Administration and entered into by the Coordinator of Mental Health Accessibility through June 30, 2022, any personal or professional services contract entered into by the State Department of Health in carrying out its responsibilities under the ARPA Rural Water Associations Infrastructure Grant Program through June 30, 2026, and any personal or professional services contract entered into by the Mississippi Department of Environmental Quality in carrying out its responsibilities under the Mississippi Municipality and County Water Infrastructure Grant Program Act of 2022, through June 30, 2026. Any such rules and regulations shall provide for maintaining continuous internal audit covering the activities of such agency affecting its revenue and expenditures as required under Section 7-7-3(6)(d). Any rules and regulation changes related to personal and professional services contracts that the Public Procurement Review Board may propose shall be submitted to the Chairs of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the Chairs of the Appropriation Committees of the Senate and House of Representatives at least fifteen (15) days before the board votes on the proposed changes, and those rules and regulation changes, if adopted, shall be promulgated in accordance with the Mississippi Administrative Procedures Act;

(g) Approve all personal and professional services contracts involving the expenditures of funds in excess of Seventy-five Thousand Dollars (\$75,000.00), except as provided in paragraph (f) of this subsection (2) and in subsection (8);

(h) Develop mandatory standards with respect to contractual services personnel that require invitations for public bid, requests for proposals, record keeping and financial responsibility of contractors. The Public Procurement Review Board shall, unless exempted under this paragraph (h) or under paragraph (i) or (o) of this subsection (2), require the agency involved to submit the procurement to a competitive procurement process, and may reserve the right to reject any or all resulting procurements;

(i) Prescribe certain circumstances by which agency heads may enter into contracts for personal and professional services without receiving prior approval from the Public Procurement Review Board. The Public Procurement Review Board may establish a preapproved list of providers of various personal and professional services for set prices with which state agencies may contract without bidding or prior approval from the board;

(i) Agency requirements may be fulfilled by procuring services performed incident to the state's own programs. The agency head shall determine in writing whether the price represents a fair market value for the services. When the procurements are made from other governmental entities, the private sector need not be solicited; however, these contracts shall still be submitted for approval to the Public Procurement Review Board.

(ii) Contracts between two (2) state agencies, both under Public Procurement Review Board purview, shall not require Public Procurement Review Board approval. However, the contracts shall still be entered into the enterprise resource planning system;

(j) Provide standards for the issuance of requests for proposals, the evaluation of proposals received, consideration of costs and quality of services proposed, contract negotiations, the administrative monitoring of contract performance by the agency and successful steps in terminating a contract;

(k) Present recommendations for governmental privatization and to evaluate privatization proposals submitted by any state agency;

(l) Authorize personal and professional service contracts to be effective for more than one (1) year provided a funding condition is included in any such multiple year contract, except the State Board of Education, which shall have the authority to enter into contractual agreements for student assessment for a period up to ten (10) years. The State Board of Education shall procure these services in accordance with the Public Procurement Review Board procurement regulations;

(m) Request the State Auditor to conduct a performance audit on any personal or professional service contract;

(n) Prepare an annual report to the Legislature concerning the issuance of personal and professional services contracts during the previous year, collecting any necessary information from state agencies in making such report;

(o) Develop and implement the following standards and procedures for the approval of any sole source contract for personal and professional services regardless of the value of the procurement:

(i) For the purposes of this paragraph (o), the term "sole source" means only one (1) source is available that can provide the required personal or professional service.

(ii) An agency that has been issued a binding, valid court order mandating that a particular source or provider must be used for the required service must include a copy of the applicable court order in all future sole source contract reviews for the particular personal or professional service referenced in the court order.

(iii) Any agency alleging to have a sole source for any personal or professional service, other than those exempted under paragraph (f) of this subsection (2) and subsection (8), shall publish on the procurement portal website established by Sections 25-53-151 and 27-104-165, for at least fourteen (14) days, the terms of the proposed contract for those services. In addition, the publication shall include, but is not limited to, the following information:

3. An explanation of why the source is the only person or entity that can provide the required personal or professional service;

4. An explanation of why the amount to be expended for the personal or professional service is reasonable; and

5. The efforts that the agency went through to obtain the best possible price for the personal or professional service.

(iv) If any person or entity objects and proposes that the personal or professional service published under subparagraph (iii) of this paragraph (o) is not a sole source service and can be provided by another person or entity, then the objecting person or entity shall notify the Public Procurement Review Board and the agency that published the proposed sole source contract with a detailed explanation of why the personal or professional service is not a sole source service.

(v) 1. If the agency determines after review that the personal or professional service in the proposed sole source contract can be provided by another person or entity, then the agency must withdraw the sole source contract publication from the procurement portal website and submit the procurement of the personal or professional service to an advertised competitive bid or selection process.

2. If the agency determines after review that there is only one (1) source for the required personal or professional service, then the agency may appeal to the Public Procurement Review Board. The agency has the burden of proving that the personal or professional service is only provided by one (1) source.

3. If the Public Procurement Review Board has any reasonable doubt as to whether the personal or professional service can only be provided by one (1) source, then the agency must submit the procurement of the personal or professional service to an advertised competitive bid or selection process. No action taken by the Public Procurement Review Board in this appeal process shall be valid unless approved by a majority of the members of the Public Procurement Review Board present and voting.

(vi) The Public Procurement Review Board shall prepare and submit a quarterly report to the House of Representatives and Senate Accountability, Efficiency and Transparency Committees that details the sole source contracts presented to the Public Procurement Review Board and the reasons that the Public Procurement Review Board approved or rejected each contract. These quarterly reports shall also include the documentation and memoranda required in subsection (4) of this section. An agency that submitted a sole source contract shall be prepared to explain the sole source contract to each committee by December 15 of each year upon request by the committee;

(p) Assess any fines and administrative penalties provided for in Sections 31-7-401 through 31-7-423.

(3) All submissions shall be made sufficiently in advance of each monthly meeting of the Public Procurement Review Board as prescribed by the Public Procurement Review Board. If the Public Procurement Review Board rejects any contract submitted for review or approval, the Public Procurement Review Board shall clearly set out the reasons for its action, including, but not limited to, the policy that the agency has violated in its submitted contract and any corrective actions that the agency may take to amend the contract to comply with the rules and regulations of the Public Procurement Review Board.

(4) All sole source contracts for personal and professional services awarded by state agencies, other than those exempted under Section 27-104-7(2)(f) and (8), whether approved by an agency head or the Public Procurement Review Board, shall contain in the procurement file a written determination for the approval, using a request form

furnished by the Public Procurement Review Board. The written determination shall document the basis for the determination, including any market analysis conducted in order to ensure that the service required was practicably available from only one (1) source. A memorandum shall accompany the request form and address the following four (4) points:

- (a) Explanation of why this service is the only service that can meet the needs of the purchasing agency;
- (b) Explanation of why this vendor is the only practicably available source from which to obtain this service;
- (c) Explanation of why the price is considered reasonable; and
- (d) Description of the efforts that were made to conduct a noncompetitive negotiation to get the best possible price for the taxpayers.

(5) In conjunction with the State Personnel Board, the Public Procurement Review Board shall develop and promulgate rules and regulations to define the allowable legal relationship between contract employees and the contracting departments, agencies and institutions of state government under the jurisdiction of the State Personnel Board, in compliance with the applicable rules and regulations of the federal Internal Revenue Service (IRS) for federal employment tax purposes. Under these regulations, the usual common law rules are applicable to determine and require that such worker is an independent contractor and not an employee, requiring evidence of lawful behavioral control, lawful financial control and lawful relationship of the parties. Any state department, agency or institution shall only be authorized to contract for personnel services in compliance with those regulations.

(6) No member of the Public Procurement Review Board shall use his or her official authority or influence to coerce, by threat of discharge from employment, or otherwise, the purchase of commodities, the contracting for personal or professional services, or the contracting for public construction under this chapter.

(7) Notwithstanding any other laws or rules to the contrary, the provisions of subsection (2) of this section shall not be applicable to the Mississippi State Port Authority at Gulfport.

(8) Nothing in this section shall impair or limit the authority of the Board of Trustees of the Public Employees' Retirement System to enter into any personal or professional services contracts directly related to their constitutional obligation to manage the trust funds, including, but not limited to, actuarial, custodial banks, cash management, investment consultant and investment management contracts.

(9) Notwithstanding the exemption of personal and professional services contracts entered into by the Department of Human Services and personal and professional services contracts entered into by the Department of Child Protection Services from the provisions of this section under subsection (2)(f), before the Department of Human Services or the Department of Child Protection Services may enter into a personal or professional service contract, the department(s) shall give notice of the proposed personal or professional service contract to the Public Procurement Review Board for any recommendations by the board. Upon receipt of the notice, the board shall post the notice on its website and on the procurement portal website established by Sections 25-53-151 and 27-104-165. If the board does not respond to the department(s) within seven (7) calendar days after receiving the notice, the department(s) may enter the proposed personal or professional service contract. If the board responds to the department(s) within seven (7) calendar days, then the board has seven (7) calendar days from the date of its initial response to provide any additional recommendations. After the end of the second seven-day period, the department(s) may enter the proposed personal or

professional service contract. The board is not authorized to disapprove any proposed personal or professional services contracts. This subsection shall stand repealed on July 1, 2022.

SECTION 4. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

An accounting of actual costs incurred for which reimbursement is sought shall be maintained for the program. Reimbursement of reasonable actual and necessary costs for assistance shall not exceed three percent (3%) of the proceeds of bonds issued for such assistance. Reimbursements made under this subsection shall satisfy any applicable federal tax law requirements.

(3) The MDA shall establish a program to make grants to \* \* \* a municipality to assist with maintaining and improving the viability of revitalization zones.
