(c) Any other relevant conduct of the applicant.

(5) An athlete agent may apply to renew a registration by submitting an application for renewal in a form prescribed by the Secretary of State. An application filed under this section is a public record. The application for renewal must be signed by the applicant under penalty of perjury and must contain current information on all matters required in an original registration.

(6) An individual who has submitted an application for renewal of registration or licensure in another state, in lieu of submitting an application for renewal in the form prescribed pursuant to subsection (5), may file a copy of the application for renewal and a valid certificate of registration from the other state. The Secretary of State shall accept the application for renewal from the other state as an application for renewal in this state if the application to the other state:

(a) Was submitted in the other state within the last six (6) months and the applicant certifies the information contained in the application for renewal is current;

(b) Contains information substantially similar to or more comprehensive than that required in an application for renewal submitted in this state; and

(c) Was signed by the applicant under penalty of perjury.

(7) Except as provided in Section 33-1-39, a certificate of registration or a renewal of a registration is valid for two (2) years.

SECTION 12. Section 73-42-13, Mississippi Code of 1972, is brought forward as follows:

73-42-13. (1) After proper notice and an opportunity for a hearing, the Secretary of State may deny, suspend, revoke or refuse to renew a registration for conduct that would have justified denial of registration under Section 73-42-11(3) or for a violation of any provision of this chapter.

(2) (a) The Secretary of State shall appoint at least one (1) hearing officer for the purpose of holding hearings, compiling evidence and rendering decisions under this section and Section 73-42-11. The hearing officer shall fix the date for an adjudicatory hearing and notify the athlete agent involved. The hearing shall be held at a location to be designated by the hearing officer. Unless the time period is extended by the hearing officer, the hearing shall be held not less than fifteen (15) nor more than thirty (30) days after the mailing of notice to the athlete agent involved. At the conclusion of the hearing, the hearing officer shall make a recommendation regarding the registration of the athlete agent involved. The Secretary of State shall then take appropriate action by final order.

(b) Any athlete agent whose application for registration has been denied or not renewed, or whose registration has been revoked or suspended by the Secretary of State, within thirty (30) days after the date of such final order, shall have the right of a trial de novo on appeal to the circuit court of the county of residence of the athlete agent, the student-athlete, or the educational institution that issued an athletic scholarship to the student-athlete. If the secretary's final order is supported by substantial evidence and does not violate a state or federal law, then it shall be affirmed by the circuit court. Either party shall have the right of appeal to the Supreme Court as provided by law from any decision of the circuit court. No athlete agent shall be allowed to deliver services to a student-athlete domiciled or residing in Mississippi while any such appeal is pending.

(3) In addition to the reasons specified in subsection (1) of this section, the secretary shall be authorized to suspend the registration of any person for being out of compliance with an order for support, as defined in Section 93-11-153. The procedure for suspension of a registration for being out of compliance with an order for support, and the procedure for the reissuance or reinstatement of a registration suspended for that purpose, and the payment of any fees for the reissuance or reinstatement of a registration suspended for that purpose, shall be governed by Section 93-11-157 or 93-11-163, as the case may be. Actions taken by the secretary in suspending the registration of a person when required by Section 93-11-157 are not actions from which an appeal may be taken under this section. Any appeal of a registration suspension that is required by Section 93-11-157 or 93-11-163 shall be taken in accordance with the appeal procedure specified in Section 93-11-157 or 93-11-163, as the case may be, rather than the procedure specified in this section. If there is any conflict between any provision of Section 93-11-157 or 93-11-163 and any provision of this chapter, the provisions of Section 93-11-157 or 93-11-163, as the case may be, shall control.

(2) **BOTH YOU AND YOUR ATHLETE AGENT ARE REQUIRED TO TELL YOUR ATHLETIC DIRECTOR, IF YOU HAVE AN ATHLETIC DIRECTOR, WITHIN 72 HOURS AFTER ENTERING INTO AN AGENCY CONTRACT; AND**

(3) **YOU MAY CANCEL THIS CONTRACT WITHIN 14 DAYS AFTER SIGNING IT. CANCELLATION OF THE CONTRACT MAY NOT REINSTATE YOUR ELIGIBILITY.**

(4) An agency contract that does not conform to this section is voidable by the student-athlete.

(c) A representative of any of the individuals enumerated in paragraphs (a) and (b) of this subsection (1).

(2) Within seventy-two (72) hours after entering into an agency contract or before the next scheduled athletic event in which the student-athlete may participate, whichever occurs first, the athlete agent shall give notice of the existence of the agency contract to the athletic director of the educational institution at which the student-athlete is enrolled or at which the athlete agent has reasonable grounds to believe the student-athlete intends to enroll.

(3) Within seventy-two (72) hours after entering into an agency contract or before the next athletic event in which the student-athlete may participate, whichever occurs first, the student-athlete shall inform the athletic director of the educational institution at which the student-athlete is enrolled that he or she has entered into an agency contract.

73-42-23. (1) A student-athlete may cancel an agency contract by giving notice to the athlete agent of the cancellation within fourteen (14) days after the date the contract is signed.

(2) A student-athlete may not waive the right to cancel any agency contract.

(3) If a student-athlete cancels an agency contract, the student-athlete is not required to pay any consideration under the contract or to return any consideration received from the athlete agent to induce the student-athlete to enter into the contract.

(f) Fail to notify a student-athlete prior to the student-athlete's signing an agency contract for a particular sport that the signing by the student-athlete may make the student-athlete ineligible to participate as a student-athlete in that sport.

SECTION 20. Section 73-42-29, Mississippi Code of 1972, is brought forward as follows:

73-42-29. The commission of any act prohibited by Section 73-42-27 by an athlete agent is a felony punishable by a fine of not more than Ten Thousand Dollars (\$10,000.00) or by imprisonment \* \* \* for not more than two (2) years, or both.

SECTION 21. Section 73-42-31, Mississippi Code of 1972, is brought forward as follows:

73-42-31. (1) An educational institution has a right of action against an athlete agent or a former student-athlete for damages caused by a violation of this act. In an action under this section, the court may award to the prevailing party costs and reasonable attorney's fees.

(2) Damages of an educational institution under subsection (1) include losses and expenses incurred because, as a result of the activities of an athlete agent or former student-athlete, the educational institution was injured by a violation of this chapter or was penalized, disqualified or suspended from participation in athletics by a national association for the promotion and regulation of athletics, by an athletic conference, or by reasonable self-imposed disciplinary action taken to mitigate sanctions.

(3) A right of action under this section does not accrue until the educational institution discovers or by the exercise of reasonable diligence would have discovered the violation by the athlete agent or former student-athlete.

(4) Any liability of the athlete agent or the former student-athlete under this section is several and not joint.

(5) This chapter does not restrict rights, remedies or defenses of any person under law or equity.

SECTION 22. Section 73-42-33, Mississippi Code of 1972, is brought forward as follows:

73-42-33. The Secretary of State may assess a civil penalty against an athlete agent not to exceed Twenty-five Thousand Dollars (\$25,000.00) for a violation of this chapter.

SECTION 23. Section 73-42-34, Mississippi Code of 1972, is brought forward as follows:

73-42-34. (1) If the Secretary of State determines that a person has engaged in or is engaging in an act, practice, or course of business constituting a violation of this chapter or a rule adopted or order issued under this chapter, or that a person has materially aided or is materially aiding in an act, practice, or course of business constituting a violation of this chapter or a rule adopted or order issued under this chapter, then the secretary may:

(a) Issue an order directing the person to cease and desist from engaging in the act, practice, or course of business, or to take other action necessary or appropriate to comply with this chapter or any rule adopted or order issued under this chapter;

(b) Issue an order imposing an administrative penalty against an athlete agent who violated any provision of this chapter or any rule adopted or order issued under this chapter; and

(c) Take any other action authorized under the provisions of this chapter.

(2) An order issued under subsection (1) of this section is effective on the date of its issuance. Upon the order's issuance, the Secretary of State shall promptly serve each person subject to the order with a copy of the order and a notice that the order has been entered. The order must include a statement of any civil penalty or other administrative remedy to be imposed under subsection (1) of this section, a statement of the costs of investigation that the secretary will seek to recover, a statement of the reasons for the order, and a statement notifying the person of his or her right to a hearing under Section 73-42-13. If a person subject to the order does not request a hearing in writing within thirty (30) days of the date of the order and none is ordered by the hearing officer, then the order, including the imposition of a civil penalty or requirement for payment of the costs of investigation, shall become final as to that person by operation of law.

(3) In a final order, the secretary may charge the actual cost of an investigation or proceeding for a violation of this chapter or a rule adopted or order issued under this chapter.

(4) If a petition for judicial review of a final order is not filed in accordance with Section 73-42-37, or the petition is denied by the court, the secretary may file a certified copy of the final order with the clerk of a court in the jurisdiction where enforcement will be sought. The order so filed has the same effect as a judgment of the court and may be recorded, enforced, or satisfied in the same manner as a judgment of the court.

(5) If a person does not comply with an order issued under this section, the secretary may petition a court of competent jurisdiction to enforce the order and collect administrative civil penalties and costs imposed under the final order. The court may not require the secretary to post a bond in an action or proceeding under this section. If the court finds, after service and opportunity for hearing, that the person did not comply with the order, the court may adjudge the person in civil contempt of the order. The court may grant any relief the court determines is just and proper in the circumstances.

(6) Any person aggrieved by a final order of the secretary may obtain a review of the order in the circuit court of the county of residence of the athlete agent, the student-athlete, or the public or private college, university, community or junior college in the state that issued an athletic scholarship to the student-athlete, by filing within thirty (30) days after the entry of the order, a written petition praying that the order be modified or set aside, in whole or in part. A copy of the petition shall be served upon the secretary, and the secretary shall certify and file with the court a copy of the record and evidence upon which the order was entered. When these have been filed, the court has exclusive jurisdiction to affirm, modify, enforce or set aside the order, in whole or in part. The findings of the secretary as to the facts, if supported by competent material and substantial evidence, are conclusive. The beginning of proceedings under this subsection does not operate as a stay of the secretary's order, unless specifically ordered by the court.

73-42-35. In applying and construing this uniform act, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.

SECTION 25. Section 73-42-37, Mississippi Code of 1972, is brought forward as follows:

73-42-37. SECTION 26. Section 73-42-39, Mississippi Code of 1972, is brought forward as follows:

73-42-39. The Secretary of State may promulgate rules and regulations necessary to administer, carry out and enforce this chapter and to define terms whether or not used in this chapter, but those definitions may not be inconsistent with this chapter.

SECTION 27. This act shall take effect and be in force from and after July 1, 2022.

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 61-3-15, Mississippi Code of 1972, is amended as follows:

(a) To sue and be sued, to have a seal and to have perpetual succession.

(b) To purchase general liability insurance coverage, including errors and omissions insurance, for its officials and employees.

(c) To employ an executive director, secretary, technical experts, and such other officers, agents and employees, permanent and temporary, as it may require, and to determine their qualifications and duties, and to establish compensation and other employment benefits as may be advisable to attract and retain proficient personnel. (d) To execute such contracts and other instruments and take such other action as may be necessary or convenient to carry out the purposes of this chapter.

(e) To plan, establish, develop, construct, enlarge, improve, maintain, equip, operate, regulate and protect airports and air navigation facilities within this state and within any adjoining state, including the acquisition, lease, lease-purchase, construction, installation, equipment, maintenance and operation of such airports or buildings, equipment and other facilities or other property for the servicing of aircraft or for the comfort and accommodation of air travelers or for any other purpose deemed by the authority to be necessary to carry out its duties; to develop, operate, manage or own and maintain intermodal facilities to serve air and surface cargo and multimodal facilities to serve highway and rail passenger transportation needs to ensure interface and interaction between modes for cargo and passengers; to construct, improve, and maintain means of ingress and egress to airport properties from and over off-airport sites with approval of the city or county in which the off-airport site is located; to market, promote and advertise airport properties, goods and services; and to directly purchase and sell supplies, goods and commodities incident to the operation of its airport properties without having to make purchases thereof through the municipal governing authorities, and with the authority to utilize design-build and construction manager at-risk methods of construction in accordance with Sections 31-7-13.1 and 31-7-13.2. For all the previously stated purposes, an authority may, by purchase, gift, devise, lease, eminent domain proceedings or otherwise, acquire property, real or personal, or any interest therein, including easements in airport hazards or land outside the boundaries of an airport or airport site, as are necessary to permit the removal, elimination, obstruction-marking or obstruction-lighting of airport hazards, to prevent the establishment of airport hazards or to carry out its duties.

Funds can be combined with any other federal, institutional, or private scholarships to meet the student's full Cost of Attendance. (1) Inpatient hospital services.

(a) The division is authorized to implement an All Patient Refined Diagnosis Related Groups (APR-DRG) reimbursement methodology for inpatient hospital services.

(b) No service benefits or reimbursement limitations in this subsection (A)(1) shall apply to payments under an APR-DRG or Ambulatory Payment Classification (APC) model or a managed care program or similar model described in subsection (H) of this section unless specifically authorized by the division.

(2) Outpatient hospital services.

(a) Emergency services.

(b) Other outpatient hospital services. The division shall allow benefits for other medically necessary outpatient hospital services (such as chemotherapy, radiation, surgery and therapy), including outpatient services in a clinic or other facility that is not located inside the hospital, but that has been designated as an outpatient facility by the hospital, and that was in operation or under construction on July

In addition, the Medicare thirty-five-mile rule will apply to those hospital clinics not located inside the hospital that are constructed after July 1, 2009. Where the same services are reimbursed as clinic services, the division may revise the rate or methodology of outpatient reimbursement to maintain consistency, efficiency, economy and quality of care.

(c) The division is authorized to implement an Ambulatory Payment Classification (APC) methodology for outpatient hospital services. The division shall give rural hospitals that have fifty (50) or fewer licensed beds the option to not be reimbursed for outpatient hospital services using the APC methodology, but reimbursement for outpatient hospital services provided by those hospitals shall be based on one hundred one percent (101%) of the rate established under Medicare for outpatient hospital services. Those hospitals choosing to not be reimbursed under the APC methodology shall remain under cost-based reimbursement for a two-year period.

(d) No service benefits or reimbursement limitations in this subsection (A)(2) shall apply to payments under an APR-DRG or APC model or a managed care program or similar model described in subsection (H) of this section unless specifically authorized by the division.

(c) From and after July 1, 1997, all state-owned nursing facilities shall be reimbursed on a full reasonable cost basis.

(d) On or after January 1, 2015, the division shall update the case-mix payment system resource utilization grouper and classifications and fair rental reimbursement system. Any such case-mix add-on payment shall be supported by a determination of additional cost. The division shall also develop and implement as part of the fair rental reimbursement system for nursing facility beds, an Alzheimer's resident bed depreciation enhanced reimbursement system that will provide an incentive to encourage nursing facilities to convert or construct beds for residents with Alzheimer's or other related dementia.

(f) The division shall develop and implement an assessment process for long-term care services. The division may provide the assessment and related functions directly or through contract with the area agencies on aging.

The division shall apply for necessary federal waivers to assure that additional services providing alternatives to nursing facility care are made available to applicants for nursing facility care.

The division may include in its periodic screening and diagnostic program those discretionary services authorized under the federal regulations adopted to implement Title XIX of the federal Social Security Act, as amended. The division, in obtaining physical therapy services, occupational therapy services, and services for individuals with speech, hearing and language disorders, may enter into a cooperative agreement with the State Department of Education for the provision of those services to handicapped students by public school districts using state funds that are provided from the appropriation to the Department of Education to obtain federal matching funds through the division. The division, in obtaining medical and mental health assessments, treatment, care and services for children who are in, or at risk of being put in, the custody of the Mississippi Department of Human Services may enter into a cooperative agreement with the Mississippi Department of Human Services for the provision of those services using state funds that are provided from the appropriation to the Department of Human Services to obtain federal matching funds through the division.

The division shall establish a mandatory preferred drug list. Drugs not on the mandatory preferred drug list shall be made available by utilizing prior authorization procedures established by the division.

The division may seek to establish relationships with other states in order to lower acquisition costs of prescription drugs to include single-source and innovator multiple-source drugs or generic drugs. In addition, if allowed by federal law or regulation, the division may seek to establish relationships with and negotiate with other countries to facilitate the acquisition of prescription drugs to include single-source and innovator multiple-source drugs or generic drugs, if that will lower the acquisition costs of those prescription drugs.

The division shall increase the amount of the reimbursement rate for diagnostic and preventative dental services for each of the fiscal years 2022, 2023 and 2024 by five percent (5%) above the amount of the reimbursement rate for the previous fiscal year. It is the intent of the Legislature that the reimbursement rate revision for preventative dental services will be an incentive to increase the number of dentists who actively provide Medicaid services. This dental services reimbursement rate revision shall be known as the "James Russell Dumas Medicaid Dental Services Incentive Program."

The Medical Care Advisory Committee, assisted by the Division of Medicaid, shall annually determine the effect of this incentive by evaluating the number of dentists who are Medicaid providers, the number who and the degree to which they are actively billing Medicaid, the geographic trends of where dentists are offering what types of Medicaid services and other statistics pertinent to the goals of this legislative intent. This data shall annually be presented to the Chair of the Senate Medicaid Committee and the Chair of the House Medicaid Committee.

A maximum dollar amount of reimbursement for noninvasive ventilators or ventilation treatments properly ordered and being used in an appropriate care setting shall not be set by any health maintenance organization, coordinated care organization, provider-sponsored health plan, or other organization paid for services on a capitated basis by the division under any managed care program or coordinated care program implemented by the division under this section. Reimbursement by these organizations to durable medical equipment suppliers for home use of noninvasive and invasive ventilators shall be on a continuous monthly payment basis for the duration of medical need throughout a patient's valid prescription period.

(18) (a) Notwithstanding any other provision of this section to the contrary, as provided in the Medicaid state plan amendment or amendments as defined in Section 43-13-145(10), the division shall make additional reimbursement to hospitals that serve a disproportionate share of low-income patients and that meet the federal requirements for those payments as provided in Section 1923 of the federal Social Security Act and any applicable regulations. transfer program as provided in Section 1903 of the federal Social Security Act and any applicable regulations.

(b) (i) 1. The division may establish a Medicare Upper Payment Limits Program, as defined in Section 1902(a)(30) of the federal Social Security Act and any applicable federal regulations, or an allowable delivery system or provider payment initiative authorized under 42 CFR 438.6(c), for hospitals, nursing facilities \* \* \* and physicians employed or contracted by hospitals \* \* \*.

2. The hospital assessment shall be as provided in Section 43-13-145(4)(a), and the nursing facility and the emergency ambulance transportation assessments, if established, shall be based on Medicaid utilization or other appropriate method, as determined by the division, consistent with federal regulations. The assessments will remain in effect as long as the state participates in the Medicare Upper Payment Limits Program or other program(s) authorized under this subsection (A)(18)(b). In addition to the hospital assessment provided in Section 43-13-145(4)(a), hospitals with physicians participating in the Medicare Upper Payment Limits Program or other program(s) authorized under this subsection (A)(18)(b) shall be required to participate in an intergovernmental transfer or assessment, as determined by the division, for the purpose of financing the state portion of the physician UPL payments or other payment(s) authorized under this subsection (A)(18)(b).

(iii) Subject to approval by the Centers for Medicare and Medicaid Services (CMS) and the provisions of this subsection (A)(18)(b), the division shall make additional reimbursement to hospitals, nursing facilities, and emergency ambulance transportation providers for the Medicare Upper Payment Limits Program or other program(s) authorized under this subsection (A)(18)(b), and, if the program is established for physicians, shall make additional reimbursement for physicians, as defined in Section 1902(a)(30) of the federal Social Security Act and any applicable federal regulations, provided the assessment in this subsection (A)(18)(b) is in effect.

(iv) Notwithstanding any other provision of this article to the contrary, effective upon implementation of the Mississippi Hospital Access Program (MHAP) provided in subparagraph (c)(i) below, the hospital portion of the inpatient Upper Payment Limits Program shall transition into and be replaced by the MHAP program. However, the division is authorized to develop and implement an alternative fee-for-service Upper Payment Limits model in accordance with federal laws and regulations if necessary to preserve supplemental funding. Further, the division, in consultation with the hospital industry shall develop alternative models for distribution of medical claims and supplemental payments for inpatient and outpatient hospital services, and such models may include, but shall not be limited to the following: increasing rates for inpatient and outpatient services; creating a low-income utilization pool of funds to reimburse hospitals for the costs of uncompensated care, charity care and bad debts as permitted and approved pursuant to federal regulations and the Centers for Medicare and Medicaid Services; supplemental payments based upon Medicaid utilization, quality, service lines and/or costs of providing such services to Medicaid beneficiaries and to uninsured patients. The goals of such payment models shall be to ensure access to inpatient and outpatient care and to maximize any federal funds that are available to reimburse hospitals for services provided. Any such documents required to achieve the goals described in this paragraph shall be submitted to the Centers for Medicare and

Medicaid Services, with a proposed effective date of July 1, 2019, to the extent possible, but in no event shall the effective date of such payment models be later than July 1, 2020. The Chairmen of the Senate and House Medicaid Committees shall be provided a copy of the proposed payment model(s) prior to submission. Effective July 1, 2018, and until such time as any payment model(s) as described above become effective, the division, in consultation with the hospital industry, is authorized to implement a transitional program for inpatient and outpatient payments and/or supplemental payments (including, but not limited to, MHAP and directed payments), to redistribute available supplemental funds among hospital providers, provided that when compared to a hospital's prior year supplemental payments, supplemental payments made pursuant to any such transitional program shall not result in a decrease of more than five percent (5%) and shall not increase by more than the amount needed to maximize the distribution of the available funds.

(v) 1. To preserve and improve access to ambulance transportation provider services, the division shall seek CMS approval to make ambulance service access payments as set forth in this subsection (A)(18)(b) for all covered emergency ambulance services rendered on or after July 1, 2022, and shall make such ambulance service access payments for all covered services rendered on or after the effective date of CMS approval.

2. The division shall calculate the ambulance service access payment amount as the balance of the portion of the Medical Care Fund related to ambulance transportation service provider assessments plus any federal matching funds earned on the balance, up to, but not to exceed, the upper payment limit gap for all emergency ambulance service providers.

3. a. Except for ambulance services exempt from the assessment provided in this subparagraph, all ambulance transportation service providers shall be eligible for ambulance service access payments each state fiscal year as set forth in this subsection.

b. In addition to any other funds paid to ambulance transportation service providers for emergency medical services provided to Medicaid beneficiaries, each eligible ambulance transportation service provider shall receive ambulance service access payments each state fiscal year equal to the ambulance transportation service provider's upper payment limit gap. Subject to approval by the Centers for Medicare and Medicaid Services, ambulance service access payments shall be made no less than on a quarterly basis.

c. As used in this section, "upper payment limit gap" means the difference between the total amount which the ambulance transportation service provider received from Medicaid and the average amount which would the ambulance transportation service provider would have received from commercial insurers for those services reimbursed by Medicaid.

4. An ambulance service access payment shall not be used to offset any other payment by the division for emergency or nonemergency services to Medicaid beneficiaries.

(c) (i) Not later than December 1, 2015, the division shall, subject to approval by the Centers for Medicare and Medicaid Services (CMS), establish, implement and operate a Mississippi Hospital Access Program (MHAP) for the purpose of protecting patient access to hospital care through hospital inpatient reimbursement programs provided in this section designed to maintain total hospital reimbursement for inpatient services rendered by in-state hospitals and the out-of-state hospital that is authorized by federal law to submit intergovernmental transfers (IGTs) to the State of Mississippi and is classified as Level I trauma center located in a county contiguous to the state line at the maximum levels permissible under applicable federal statutes and regulations, at which

time the current inpatient Medicare Upper Payment Limits (UPL) Program for hospital inpatient services shall transition to the MHAP.

(ii) Subject to approval by the Centers for Medicare and Medicaid Services (CMS), the MHAP shall provide increased inpatient capitation (PMPM) payments to managed care entities contracting with the division pursuant to subsection (H) of this section to support availability of hospital services or such other payments permissible under federal law necessary to accomplish the intent of this subsection.

(b) If those contractors have not implemented a uniform credentialing process as described in subparagraph (a) by December 1, 2021, the division shall develop and implement, not later than July 1, 2022, a single, consolidated credentialing process by which all providers will be credentialed. Under the division's single, consolidated credentialing process, no such contractor shall require its providers to be separately credentialed by the contractor in order to receive reimbursement from the contractor, but those contractors shall recognize the credentialing of the providers by the division's credentialing process.

(c) The division shall require a uniform provider credentialing application that shall be used in the credentialing process that is established under subparagraph (a) or (b). If the contractor or division, as applicable, has not approved or denied the provider credentialing application within sixty (60) days of receipt of the completed application that includes all required information necessary for credentialing, then the contractor or division, upon receipt of a written request from the applicant and within five (5) business days of its receipt, shall issue a temporary provider credential/enrollment to the applicant if the applicant has a valid Mississippi professional or occupational license to provide the health care services to which the credential/enrollment would apply. Senator Fillingane called up the following entitled bill:

**H. B. No. 1479:** Mississippi Department of Corrections Commissioner; revise authority to inflict the death penalty.

Senator Fillingane offered the following COMMITTEE AMENDMENT NO. 1.

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 99-19-51, Mississippi Code of 1972, is amended as follows:

99-19-51. (1) At the discretion of the Commissioner, the Deputy Commissioner for Finance and Administration and the Deputy Commissioner for Institutions of the Mississippi Department of Corrections, the manner of inflicting the punishment of death shall be by \* \* \* one of the following: (a) intravenous \* \* \* injection of a substance or substances in a lethal quantity into the body; (b) nitrogen hypoxia; (c) electrocution or (d) firing squad, until death is pronounced by the county coroner where the execution takes place or by a licensed physician according to accepted standards of medical practice. \* \* \* Upon receipt of the warrant of execution from the Mississippi Supreme Court, the Commissioner of Corrections shall, within seven (7) days, provide written notice to the

condemned person of the manner of execution. It is the policy of the State of Mississippi that intravenous injection of a substance or substances in a lethal quantity into the body shall be the preferred method of execution.

\* \* \*

( \*\* \*2) The Commissioner of Corrections has the authority and discretion to select and obtain the substances and the means necessary to carry out an execution, and may adopt and promulgate rules and regulations as the Commissioner deems necessary to administer and implement the provisions of this section.

( \*\* \*3) (a) The Commissioner of Corrections shall select an execution team to assist the State Executioner and his deputies. \* \* \* The execution team shall consist of those persons, \* \* \* including all medical personnel, who provide direct support for the administration of lethal chemicals \* \* \* , those individuals involved in assisting in the execution in any capacity \* \* \* and those personnel assigned to specific duties related to an execution.

(b) For the purposes of this section, "supplier of lethal injection chemicals" means a supplier or suppliers of lethal injection chemicals located within the State of Mississippi.

(c) The identities of the State Executioner and his deputies, all members of the execution team, a supplier of lethal injection chemicals, and \* \* \* those witnesses listed in Section 99-19-55(2) who attend as members of the victim's family or designated by the condemned \* \* \* person shall at all times remain confidential, and the information is exempt from disclosure under the provisions of the Mississippi Public Records Act of 1983.

( \*\* \*4) Notwithstanding any provision of law to the contrary, any portion of any record of any kind that could identify a person as being a current or former State Executioner, his or her deputies, a member of an execution team \* \* \* , a current or former supplier of lethal injection chemicals, or those witnesses listed in Section 99-19-55(2) who attend as members of the victim's family or designated by the condemned \* \* \* person, shall at all times be confidential, exempt, and protected from disclosure, but the remainder of the record shall not be protected unless otherwise provided by law. A court shall preserve the secrecy of all confidential and exempt information described in this section by reasonable means, which may include granting protective orders, holding in-camera hearings, sealing the records of the action, and ordering any person involved in the litigation not to disclose such information without prior court approval.

( \*\* \*5) Notwithstanding any provision of law to the contrary, if the State Executioner, his or her deputies, a member of the execution team or supplier of lethal injection chemicals is licensed by a board or department, the licensing board or department shall not censure, reprimand, suspend, revoke, or take any other disciplinary action against the person's license because the person participated in a lawful execution. Any person or institution assisting with or participating in carrying out an execution in accordance with this statute shall be presumed to be acting in good faith. Any person or institution acting in good faith in connection with carrying out an execution shall be immune from any liability, civil or criminal, that might otherwise be incurred or imposed. The State Executioner and his deputies, and all members of the execution team perform their respective functions as official duties on behalf of the state or any agency of the state.

SECTION 2. Section 99-19-53, Mississippi Code of 1972, is amended as follows:

99-19-53. (1) The Governor shall appoint the State Executioner who shall serve at the pleasure of the Governor and until his successor shall have been duly appointed to replace him.

(2) The State Executioner, or his duly authorized representative, shall supervise and inflict the punishment of death as the same is hereby provided. All duties and necessary acts pertaining to the execution of a convict shall be performed by the Commissioner of Corrections except where such duties and actions are vested in the State Executioner. The State Executioner shall receive for his services in connection therewith compensation in the sum of Five Hundred Dollars (\$500.00) plus all actual and necessary expenses for each such execution, to be paid by the county where the crime was committed. The county of conviction shall likewise pay the fees of the attending physician or physicians in attendance. The State Executioner may appoint not more than two (2) deputies who shall be paid One Hundred Fifty Dollars (\$150.00) per execution and mileage as authorized by law, to be paid by the county where the crime was committed, to assist in the infliction of the punishment of death. The Executioner may appoint such other assistants as may be required; however, such assistants shall not be entitled to compensation or travel expenses. The State Executioner and his deputies may waive compensation, per diem or travel expenses.

(3) Any infliction of the punishment of death by administration of the required lethal substance or substances in the manner required by law shall not be construed to be the practice of medicine or nursing. Any pharmacist is authorized to dispense drugs to the State Executioner or the Commissioner of the Mississippi Department of Corrections without a prescription for the purpose of this chapter.

(4) The State Executioner shall be custodian of all equipment and supplies involved in the infliction of the death penalty. All expenses for the maintenance and protection of the property, together with operating expenses, which as a practical matter cannot be allocated to the county of conviction, shall be paid out of funds designated by law for that purpose or out of the general support fund of the Mississippi Department of Corrections.

(5) The State Executioner shall receive the per diem compensation authorized in Section 25-3-69 in addition to actual and necessary expenses, including mileage as authorized by law, for each day, not to exceed three (3) days each month, spent in maintaining the equipment and supplies involved in the infliction of the death penalty or preparing for an execution which does not occur. (2) When a person is sentenced to suffer death in the manner provided by law, it shall be the duty of the clerk of the court to deliver forthwith to the Commissioner of Corrections a warrant for the execution of the condemned person. It shall be the duty of

the commissioner forthwith to notify the State Executioner of the date of the execution and it shall be the duty of the said State Executioner, or any person deputized by him in writing, in the event of his physical disability, as hereinafter provided, to be present at such execution, to perform the same, and have general supervision over said execution. The Commissioner of Corrections shall also name to be present at the execution such \* \* \* members of the execution team deemed by him or her to be necessary to insure proper security. No other persons shall be permitted to witness the execution, except the commissioner may permit the condemned person to designate two (2) \* \* \* witnesses, if they so request and two (2) members of the victim's \* \* \* family as witnesses, if they so request. Provided further, that the Governor may \* \* \* designate two (2) additional persons of good and reputable character to witness an execution. No person shall be allowed to take photographs or other recordings of any type during the execution. The absence of the sheriff, or deputy, after due notice to attend, shall not delay the execution.

(3) \* \* \* The Commissioner of Corrections, or his duly authorized representative, and the physician or physicians or county coroner who witnessed such execution shall prepare and sign officially a certificate setting forth the time and place thereof and that such \* \* \* condemned person was then and there executed in conformity to the sentence of the court and the provisions of Sections 99-19-51 through 99-19-55, \* \* \* which certificate shall be filed with the clerk of the court where the conviction of the criminal was had, and the clerk shall subjoin the certificate to the record of the conviction and sentence.

(4) The body of the person so executed shall be released immediately by the State Executioner, or his duly authorized representative, to the relatives of the dead person, or to such friends as may claim the body. The Commissioner of the Mississippi Department of Corrections shall have sole charge of burial in the event the body is not claimed as aforesaid, and his discretion in the premises shall be final. (i) A photograph, videotape or similar likeness of the person receiving consideration or any person other than the seller who delivers the metal property to the purchaser in which the person's facial features are clearly visible and in which the metal property the person is selling or delivering is clearly visible.

Such records shall be maintained by the scrap metal dealer or purchaser for not less than two (2) years from the date of the purchase transaction, and such records shall be made available to any law enforcement officer during usual and customary business hours.

(3) The purchaser of metal property must hold the metal property separate and identifiable from other purchases for not less than three (3) business days from the date of purchase. The purchaser shall also photographically capture the metal property in the same form, without change, in which the metal property was acquired, and maintain the photograph for a period of not less than two (2) years. The time and date shall be digitally recorded on the photograph, and the identity of the person taking the photograph shall be recorded. The purchaser shall permit any law enforcement officer to make an inspection of the metal property during the holding period, and of all photographs of the metal property. Any photograph of metal property taken and maintained pursuant to this subsection shall be admissible in any civil or criminal proceeding.

(4) During the usual and customary business hours of a scrap metal dealer or other purchaser, a law enforcement officer, after proper identification as a law

enforcement officer, shall have the right to inspect all purchased metal property in the possession of the scrap metal dealer or purchaser.

(5) (a) Whenever a law enforcement officer has reasonable cause to believe that any item of metal property in the possession of a scrap metal dealer or other purchaser has been stolen, a law enforcement officer who has an affidavit from the alleged rightful owner of the property identifying the property with specificity, including any identifying markings, may issue and deliver a written hold notice to the scrap metal dealer or other purchaser. The hold notice shall specifically identify those items of metal property that are believed to have been stolen and that are subject to the hold notice. Upon receipt of the notice, the scrap metal dealer or other purchaser may not process or remove the metal property identified in the notice from the place of business of the scrap metal dealer or purchaser for fifteen (15) calendar days after receipt of the notice, unless sooner released by a law enforcement officer.

(b) No later than the expiration of the fifteen-day period, a law enforcement officer, after receiving additional substantive evidence beyond the initial affidavit, may issue and deliver a second written hold notice, which shall be an extended hold notice. The extended hold notice shall specifically identify those items of metal property that are believed to have been stolen and that are subject to the extended hold notice. Upon receipt of the extended hold notice, the scrap metal dealer or purchaser may not process or remove the items of metal property identified in the notice from the place of business of the scrap metal dealer or purchaser for fifteen (15) calendar days after receipt of the extended hold notice, unless sooner released by a law enforcement officer.

(c) At the expiration of the hold period or, if extended in accordance with this subsection, at the expiration of the extended hold period, the hold is automatically released, then the scrap metal dealer or purchaser may dispose of the metal property unless other disposition has been ordered by a court of competent jurisdiction.

(d) If the scrap metal dealer or other purchaser contests the identification or ownership of the metal property, the party other than the scrap metal dealer or other purchaser claiming ownership of any metal property in the possession of a scrap metal dealer or other purchaser, provided that a timely report of the theft of the metal property was made to the proper authorities, may bring a civil action in the circuit court of the county in which the scrap metal dealer or purchaser is located. The petition for the action shall include the means of identification of the metal property utilized by the petitioner to determine ownership of the metal property in the possession of the scrap metal dealer or other purchaser.

(e) When a lawful owner recovers stolen metal property from a scrap metal dealer or other purchaser who has complied with this section, and the person who sold the metal property to the scrap metal dealer or other purchaser is convicted of a violation of this section, or theft by receiving stolen property under Section 97-17-70, the court shall order the convicted person to make full restitution to the scrap metal dealer or other purchaser, including, without limitation, attorney's fees, court costs and other expenses.

(6) This section shall not apply to purchases of metal property from any of the following:

(a) A law enforcement officer acting in an official capacity;

(b) A trustee in bankruptcy, executor, administrator or receiver who has presented proof of such status to the scrap metal dealer;

(c) Any public official acting under a court order who has presented proof of such status to the scrap metal dealer;

(d) A sale on the execution, or by virtue of any process issued by a court, if proof thereof has been presented to the scrap metal dealer; or

(e) A manufacturing, industrial or other commercial vendor that generates or sells regulated metal property in the ordinary course of its business.

(7) It shall be unlawful for any person to give a false statement of ownership or to give a false or altered identification or vehicle tag number and receive money or other consideration from a scrap metal dealer or other purchaser in return for metal property.

(8) A scrap metal dealer or other purchaser shall not enter into any cash transactions in payment for the purchase of metal property. Payment shall be made by check issued to the seller of the metal, made payable to the name and address of the seller and mailed to the recorded address of the seller, or by electronic funds transfer. Payment shall not be made for a period of three (3) days after the purchase transaction.

(9) If a person acquiring metal property fails to maintain the records or to hold such materials for the period of time prescribed by this section, such failure shall be prima facie evidence that the person receiving the metal property received it knowing it to be stolen in violation of Section 97-17-70.

(10) It shall be unlawful for any person to transport or cause to be transported for himself or another from any point within this state to any point outside this state any metal property, unless the person or entity first reports to the sheriff of the county from which he departs this state transporting such materials the same information that a purchaser in this state would be required to obtain and keep in a record as set forth in subsection (2) of this section. In such a case the sheriff receiving the report shall keep the information in records maintained in his office as a public record available for inspection by any person at all reasonable times. This section shall not apply to a public utility, as that term is defined in Section 77-3-3, engaged in carrying on utility operations; to a railroad, as that term is defined in Section 77-9-5; to a communications service provider, whether wireless or wire line; to a scrap metal dealer; or to a person identified in subsection (6) as being exempt from the provisions of this section.

(11) It shall be unlawful for a scrap metal dealer or other purchaser to knowingly purchase or possess a metal beer keg, or a metal syrup tank generally used by the soft drink industry, whether damaged or undamaged, or any reasonably recognizable part thereof, on any premises that the dealer uses to buy, sell, store, shred, melt, cut or otherwise alter scrap metal. However, it shall not be unlawful to purchase or possess a metal syrup tank generally used by the soft drink industry if the scrap metal dealer or other purchaser obtains a bill of sale at the time of purchase from a seller if the seller is a manufacturer of such tanks, a soft drink company or a soft drink distributor.

(12) It shall be unlawful to sell to a scrap metal dealer any bronze vase and/or marker, memorial, statue, plaque, or other bronze object used at a cemetery or other location where deceased persons are interred or memorialized, or for any such dealer to purchase those objects, unless the source of the bronze is known and notice is provided to the municipal or county law enforcement agency where the dealer is located. The notice shall identify all names, letters, dates and symbols on the bronze and a photograph of the bronze shall be attached thereto. Written permission from the cemetery and the appropriate law enforcement agency must be received before any type of bronze described in this subsection may be purchased, processed, sold or melted.

(13) It shall be unlawful for any scrap metal dealer to purchase any manhole cover and other similar types of utility access covers, including storm drain covers, or any metal property clearly identified as belonging to a political subdivision of the state or a municipality, unless that metal property is purchased from the political subdivision, the municipal utility or the manufacturer of the metal. Any purchaser who purchases metal property in bulk shall be allowed twenty-four (24) hours to determine if any metal property

prohibited by this subsection is included in a bulk purchase. If such prohibited metal property is included in a bulk purchase, the purchaser shall notify law enforcement no later than twenty-four (24) hours after the purchase.

(14) It shall be unlawful for a scrap metal dealer or other purchaser to purchase metal property from a person younger than eighteen (18) years of age.

(15) Metal property may not be purchased, acquired or collected between the hours of 9:00 p.m. and 6:00 a.m.

(16) Except as provided in this subsection, any person willfully or knowingly violating the provisions of this section shall, upon conviction thereof, be deemed guilty of a misdemeanor, and shall be punished by a fine not to exceed One Thousand Dollars (\$1,000.00) per offense, unless the purchase transaction or transactions related to the violation, in addition to any costs which are, or would be, incurred in repairing or in the attempt to recover any property damaged in the theft of or removal of the metal property, are in aggregate an amount which exceeds One Thousand Dollars (\$1,000.00) but less than Five Thousand Dollars (\$5,000.00), in which case the person shall be guilty of a felony and shall be imprisoned in the custody of the Department of Corrections for a term not to exceed five (5) years, fined not more than Ten Thousand Dollars (\$10,000.00), or both. Any person found guilty of stealing metal property or receiving metal property, knowing it to be stolen in violation of Section 97-17-70, shall be ordered to make full restitution to the victim, including, without limitation, restitution for property damage that resulted from the theft of the property.

(17) If the purchase transaction or transactions related to the violation, in addition to any costs which are, or would be, incurred in repairing or in the attempt to recover any property damaged in the theft of or removal of the metal property, are in aggregate an amount which exceeds Five Thousand Dollars (\$5,000.00) but less than Twenty-five Thousand Dollars (\$25,000.00), the person shall be guilty of a felony and shall be imprisoned in the custody of the Department of Corrections for a term not to exceed ten (10) years, fined not more than Ten Thousand Dollars (\$10,000.00), or both.

(18) If the purchase transaction or transactions related to the violation, in addition to any costs which are, or would be, incurred in repairing or in the attempt to recover any property damaged in the theft of or removal of the metal property, are in aggregate an amount which exceeds Twenty-five Thousand Dollars (\$25,000.00), the person shall be guilty of a felony and shall be imprisoned in the custody of the Department of Corrections for a term not to exceed twenty (20) years, fined not more than Ten Thousand Dollars (\$10,000.00), or both.

(19) This section shall not be construed to repeal other criminal laws. Whenever conduct proscribed by any provision of this section is also proscribed by any other provision of law, the provision which carries the more serious penalty shall be applied.

(20) This section shall apply to all businesses regulated under this section without regard to the location within the State of Mississippi.

(21) This section shall not be construed to prohibit municipalities and counties from enacting and implementing ordinances, rules and regulations that impose stricter requirements relating to purchase transactions.

(22) This section shall be fully applicable to the requirements for the purchase, possession and sale of detached catalytic converters provided in Section 97-17-71.3, Mississippi Code of 1972.

SECTION 3. Section 97-17-71.1, Mississippi Code of 1972, is amended as follows:

97-17-71.1. (1) (a) From and after August 7, 2008, it shall be unlawful for any scrap metal dealer or any person who purchases scrap metal or detached catalytic converters, deals in scrap metal or detached catalytic converters, or otherwise engages in the scrap metal or detached catalytic converter business to fail to register with the Secretary of State. All registrations under this section shall expire two (2) years from the date of the registration or the renewal thereof.

(b) The Secretary of State may promulgate and adopt such rules and regulations as are reasonably necessary to carry out the provisions of this section and establish such registration and renewal fees as are adequate to cover the administrative costs associated with the registration program.

(c) The Secretary of State may deny, suspend, revoke or refuse to renew any registration following notice to the applicant or registrant in accordance with the promulgated rules and an opportunity for a hearing for any failure to comply with this section, or for other good cause.

(2) A violation of this section is a misdemeanor punishable by a fine of not less than Five Hundred Dollars (\$500.00) but not to exceed One Thousand Dollars (\$1,000.00) for the first offense. Any person who shall be guilty of any subsequent violations of this section requiring registration shall be guilty of a felony offense and shall be imprisoned in the custody of the Department of Corrections for a term not to exceed three (3) years, fined not more than Five Thousand Dollars (\$5,000.00), or both.

(3) (a) To register or renew registration, the registrant must declare, under penalty of perjury, whether such registrant has ever been convicted of a violation of Section 97-17-71 or convicted of a criminal offense of larceny, burglary or vandalism, where the offense involved metal property as defined in Section 97-17-71.

(b) (i) An applicant who has been convicted of a violation of Section 97-17-71, or who has a conviction for a criminal offense of larceny, burglary or vandalism where such offense involved metal property, shall be prohibited from registering under this section for five (5) years from the date of conviction.

(ii) Any false statement submitted to the Secretary of State for the purpose of unlawfully registering under this section shall be punished as perjury in the manner provided in Section 97-9-61, and a person so convicted shall be disqualified for life from registering as a scrap metal dealer under this section.

(4) The Secretary of State shall immediately report any suspected criminal violation accompanied by all relevant records to the Office of Attorney General and the appropriate district attorney for further proceedings.

(5) The Secretary of State shall have the authority to:

(a) Conduct and carry out criminal background history verification of the information provided by the applicant or registrant and to require the submission of information and forms from the applicant or registrant in order to accomplish the registration duties imposed by this section;

(b) Issue a cease and desist order, with a prior hearing, against the scrap metal or detached catalytic converter dealer or other purchaser alleged to be in violation of this section, directing the person or persons to cease and desist from further illegal activity;

(c) (i) Issue an order against any scrap metal or detached catalytic converter dealer or other purchaser for any violation of this section, imposing an administrative penalty up to a maximum of One Thousand Dollars (\$1,000.00) for each offense. Each violation shall be considered a separate offense in a single proceeding or

a series of related proceedings. Any administrative penalty, plus reimbursement for all costs and expenses incurred in the investigation of the violation and any administrative proceedings, shall be paid to the Secretary of State;

(ii) For the purpose of determining the amount or extent of a sanction, if any, to be imposed under paragraph (c)(i) of this subsection, the Secretary of State shall consider, among other factors, the frequency, persistence and willfulness of the conduct constituting a violation of this section or any rule or order hereunder; the number of persons adversely affected by the conduct; and the resources of the person committing the violation;

(d) Bring an action in chancery court to enjoin the acts or practices complained of to enforce compliance with this section or any rule promulgated or order entered hereunder. Upon a proper showing, a permanent or temporary injunction, restraining order, or writ of mandamus shall be granted and a receiver or conservator may be appointed for the defendant or the defendant's assets. In addition, upon a proper showing by the Secretary of State, the court may enter an order of rescission or restitution directed to any person who has engaged in any act constituting a violation of any provision of this section or any rule or order hereunder, or the court may impose a civil penalty up to a maximum of One Thousand Dollars (\$1,000.00) for each offense, provided that each violation shall be considered as a separate offense in a single proceeding or a series of related proceedings. The court may not require the Secretary of State to post a bond.

(6) Any person aggrieved by a final order of the Secretary of State may obtain a review of the order in the Chancery Court of the First Judicial District of Hinds County, Mississippi, by filing in the court, within thirty (30) days after the entry of the order, a written petition praying that the order be modified or set aside, in whole or in part. A copy of the petition shall be forthwith served upon the Secretary of State and thereupon the Secretary of State shall certify and file in court a copy of the filing and evidence upon which the order was entered. When these have been filed, the court has exclusive jurisdiction to affirm, modify, enforce or set aside the order, in whole or in part.

SECTION 4. This act shall take effect and be in force from and after July 1, 2022.

Senator Hopson called up the following entitled bill:

**H. B. No. 1353:** Budget process; bring forward various sections relating to.

Senator Hopson offered the following COMMITTEE AMENDMENT NO. 1.

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 27-103-125, Mississippi Code of 1972, is brought forward as follows:

27-103-125. The proposed budget of each state agency shall show the amounts required for operating expenses separately from the amounts required for permanent improvements. The overall budget shall show, separately by each source, the estimated amount of general fund revenue and of special fund revenues of general fund agencies. The total proposed expenditures in Part 1 of the overall budget shall not exceed the amount of estimated revenues that will be available in the general and special funds for appropriation or use during the succeeding fiscal year, including any balances other than unencumbered balances in general funds that will be on hand in the general and special funds at the close of the then current fiscal year. The total proposed expenditures from the State General Fund in Part 1 of the overall budget shall not exceed ninety-eight percent (98%) of the amount of general fund revenue estimate for the succeeding fiscal year. The general fund revenue estimate shall be the estimate jointly adopted by the Governor and the Joint Legislative Budget Committee. The Legislative Budget Office may recommend additional taxes or sources of revenue if in its judgment those additional funds are necessary to adequately support the functions of the state government.

SECTION 2. Section 27-103-139, Mississippi Code of 1972, is brought forward as follows:

27-103-139. On or before November 15 preceding each regular session of the Legislature, except the first regular session of a new term of office, the Governor shall submit to the members of the Legislature, the Legislative Budget Office or the members-elect, as the case may be, and to the executive head of each state agency a balanced budget for the succeeding fiscal year. The budget submitted shall be prepared in a format that will include performance measurement data associated with the various programs operated by each agency. The total proposed expenditures in the balanced budget shall not exceed the amount of estimated revenues that will be available for appropriation or use during the succeeding fiscal year, including any balances other than unencumbered balances in general funds that will be on hand at the close of the then current fiscal year, as determined by the revenue estimate jointly adopted by the Governor and the Legislative Budget Committee. The total proposed expenditures from the State General Fund in the balanced budget shall not exceed ninety-eight percent (98%) of the amount of general fund revenue estimate for the succeeding fiscal year. The general fund revenue estimate shall be the estimate jointly adopted by the Governor and the Joint Legislative Budget Committee.

The revenues used in preparing the balanced budget shall be only those revenues that will be available under the general laws of the state as they exist when the balanced budget is prepared, and shall not include any proposed revenues that would become available only after the enactment of new legislation. If the Governor has any recommendations for additional proposed expenditures or proposed revenues that are not included in his balanced budget, he shall submit those recommendations in a supplement that is separate from his balanced budget, and whenever the Governor recommends any such additional proposed expenditures, he also shall recommend proposed revenues that are sufficient to fund the additional proposed expenditures, providing specific details regarding the sources and the total amount of those proposed revenues.

The Governor may employ a budget officer for the purpose of receiving information from the State Fiscal Officer and preparing his recommendations on the budget. If the

Governor determines that information received from the State Fiscal Officer is not sufficient to enable him to prepare his budget recommendations, he may request an appropriation from the Legislature to provide additional staff within the Governor's office for that purpose. At the first regular session after his election for Governor, the Governor shall submit any budget recommendations plus the required revenue source recommendations no later than January 31 of that year.

SECTION 3. Section 27-103-203, Mississippi Code of 1972, is brought forward as follows:

27-103-203. (1) There is created in the State Treasury a special fund, separate and apart from any other fund, to be designated the Working Cash-Stabilization Reserve Fund.

(2) The Working Cash-Stabilization Reserve Fund shall not be considered as a surplus or available funds when adopting a balanced budget as required by law. The State Treasurer shall invest all sums in the Working Cash-Stabilization Reserve Fund not needed for the purposes provided for in this section in certificates of deposit, repurchase agreements and other securities as authorized in Section 27-105-33(d) or Section 7-9-103, as the State Treasurer may determine to yield the highest market rate available. If the Ayers Settlement Fund is created under Section 37-101-27(5), the first Five Million Dollars (\$5,000,000.00) of interest earned on those sums each fiscal year shall be deposited into that fund until a total of Seventy Million Dollars (\$70,000,000.00) has been deposited into the fund. The interest, or the remaining interest if the Ayers Settlement Fund is created, that is earned on those sums shall be deposited in the Working Cash-Stabilization Reserve Fund until the balance of principal and interest in the fund reaches ten percent (10%) of the total General Fund appropriations for the current fiscal year, and all interest earned in excess of amounts necessary to maintain the ten percent (10%) fund balance requirement shall be deposited by the State Treasurer into the State General Fund.

(3) The Working Cash-Stabilization Reserve Fund, except for Fifteen Million Dollars (\$15,000,000.00) and the amount of the interest and income earned on the principal of the Ayers Endowment Trust created by Section 37-101-27, shall be used by the State Treasurer for cash flow needs throughout the year when the Executive Director of the Department of Finance and Administration certifies that in his opinion there will be cash flow deficiencies in the State General Fund. No borrowing of monies from other special funds for such purposes as authorized by Section 31-17-101 et seq., shall be made as long as an unencumbered balance in excess of Fifteen Million Dollars (\$15,000,000.00) and the interest and income earned on the principal of the Ayers Endowment Trust created by Section 37-101-27 remains in the fund. The State Treasurer shall reimburse the fund for all sums borrowed for those purposes from General Fund revenues collected during the fiscal year in which those funds are used. The State Treasurer shall immediately notify the Legislative Budget Office and the State Department of Finance and Administration of each transfer into and out of the fund. Fifteen Million Dollars (\$15,000,000.00) in the Working Cash-Stabilization Reserve Fund shall remain available for exclusive use of the Ayers Endowment Trust created by Section 37-101-27. If the Ayers Settlement Fund is created under Section 37-101-27(5), beginning when a total of Fifty-five Million Dollars (\$55,000,000.00) has been deposited into the fund, for each annual deposit of interest to that fund under subsection (2) of this section, the Ayers Endowment Trust created under Section 37-101-27(1) shall be reduced by an equal amount annually until the Ayers Endowment Trust reaches Zero Dollars (\$0.00), at which time any requirements concerning the Ayers Endowment Trust in this section shall be null and void.

(4) The Working Cash-Stabilization Reserve Fund, except for Forty Million Dollars (\$40,000,000.00), shall also be used for the purpose of covering any projected deficits that may occur in the General Fund at the end of a fiscal year as a result of revenue shortfalls. If the Governor determines that a deficit in revenues from all sources may

occur, it shall be the duty of the Executive Director of the Department of Finance and Administration to transfer such funds as necessary to the General Fund to alleviate the deficit in accordance with Sections 27-104-13 and 31-17-123; however, not more than Fifty Million Dollars (\$50,000,000.00) may be transferred from the fund for that purpose in any one (1) fiscal year.

(5) The Working Cash-Stabilization Reserve Fund also shall be used to provide funds for the Disaster Assistance Trust Fund when those funds are immediately needed to provide for disaster assistance under Sections 33-15-301 through 33-15-317. Any transfer of funds from the Working Cash-Stabilization Reserve Fund to the Disaster Assistance Trust Fund shall be made in accordance with the provisions of subsection (5) of Section 33-15-307.

(6) The Department of Finance and Administration shall immediately send notice of any transfers made, or other action taken under authority of this section, to the Legislative Budget Office.

(7) Funds deposited in the Working Cash-Stabilization Reserve Fund shall be used only for the purposes specified in this section, and as long as the provisions of this section remain in effect, no other expenditure, appropriation or transfer of funds in the Working Cash-Stabilization Reserve Fund shall be made except by act of the Legislature making specific reference to the Working Cash-Stabilization Reserve Fund as the source of those funds.

(8) Any funds appropriated from the Working Cash-Stabilization Reserve Fund that are unexpended at the end of a fiscal year shall lapse into the Working Cash-Stabilization Reserve Fund.

SECTION 4. Section 27-103-211, Mississippi Code of 1972, is brought forward as follows:

27-103-211. The total sum appropriated by the Legislature from the State General Fund for any fiscal year shall not exceed ninety-eight percent (98%) of the general fund revenue estimate for that fiscal year developed by the Department of Revenue and the University Research Center and adopted by the Joint Legislative Budget Committee. The unencumbered balances in general funds that will be available and on hand at the close of the fiscal year shall not include projected amounts required to be deposited into the Working Cash-Stabilization Reserve Fund under Section 27-103-203.

SECTION 5. Section 27-103-213, Mississippi Code of 1972, is brought forward as follows:

27-103-213. (1) The unencumbered cash balance in the General Fund in the State Treasury at the close of each fiscal year shall be distributed to the Municipal Revolving Fund, the Working Cash-Stabilization Reserve Fund and the Capital Expense Fund in the manner provided in this section.

(2) (a) At the end of each fiscal year, the Executive Director of the Department of Finance and Administration and the State Treasurer shall determine the extent of the unencumbered cash balance existing in the General Fund in the State Treasury.

(b) As used in this section, the term "unencumbered cash balance" or "unencumbered General Fund cash balance" means the amount in the State General Fund after deducting all appropriations and other expenditures. However, if the Legislature has authorized additional or deficit appropriations or transfers from the State General Fund for that fiscal year, those amounts shall be subtracted from the unencumbered cash balance in the General Fund before determining the amount available for distribution. The unencumbered General Fund cash balance shall not be determined until after August 31 of each year, and it shall not be made until the State

Treasurer has received a certificate in writing from the Executive Director of the Department of Finance and Administration, with notification to the Legislative Budget Office, showing the amount of the unencumbered General Fund cash balance.

(3) If any unencumbered General Fund cash balance is available for distribution under this section, the distribution of those funds shall be made by the Executive Director of the Department of Finance and Administration in the following order:

(a) To the Municipal Revolving Fund, an amount equal to Seven Hundred Fifty Thousand Dollars (\$750,000.00); however, if the amount of the unencumbered General Fund cash balance is less than Seven Hundred Fifty Thousand Dollars (\$750,000.00), then the total amount of the unencumbered General Fund cash balance shall be distributed to the Municipal Revolving Fund.

(b) To the Working Cash-Stabilization Reserve Fund, fifty percent (50%) of the amount of the unencumbered General Fund cash balance after the distributions are made under paragraph (a), not to exceed ten percent (10%) of the General Fund appropriations for the fiscal year that the unencumbered General Fund cash balance represents. For the purposes of this paragraph (b), the appropriations for the fiscal year shall be the total amount contained in the actual appropriation bills passed by the Legislature.

(c) To the Capital Expense Fund, any remaining amount of the unencumbered General Fund cash balance after the distributions are made under paragraphs (a) and (b).

SECTION 6. Section 27-103-303, Mississippi Code of 1972, is brought forward as follows:

27-103-303. (1) There is created in the State Treasury a special fund, separate and apart from any other fund, to be designated the Capital Expense Fund.

(2) The Capital Expense Fund shall not be considered as a surplus or available funds when adopting a balanced budget as required by law. The State Treasurer shall invest all sums in the Capital Expense Fund not needed for the purposes provided for in this section in certificates of deposit, repurchase agreements and other securities as authorized in Section 27-105-33(d) or Section 7-9-103, as the State Treasurer may determine to yield the highest market rate available. Interest earned on this fund shall be deposited by the State Treasurer into the State General Fund.

(3) The Capital Expense Fund shall be used for capital expense needs, repair and renovation of state-owned properties and specific expenditures authorized by the Legislature. The Legislature shall designate those capital expense projects, repair and renovation projects and other authorized projects in an appropriation act passed by the Legislature, which shall direct the Director of the Department of Finance and Administration to administer the projects.

(4) In addition to the purposes specified in subsection (3) of this section, the Capital Expense Fund shall be used to provide funds for emergency repairs on state-owned buildings upon requisition of the Executive Director of the Department of Finance and Administration. Whenever the executive director determines that funds are immediately needed for emergency repairs on state-owned buildings, he or she shall requisition the funds needed from the Capital Expense Fund, which shall be subject to the limitations set forth in this subsection. At the same time he or she makes the requisition, the executive director shall notify the Lieutenant Governor, the Speaker of the House of Representatives, the respective Chairmen of the Senate Appropriations Committee, the Senate Finance Committee, the House Appropriations Committee and the House Ways and Means Committee and the Legislative Budget Office of his or her determination of the need for the funds, the amount that he or she has requisitioned and where the funds will

be used. If the amount requisitioned is available in the Capital Expense Fund, is not allocated for any specific projects as authorized in subsection (3) of this section and is within the limitations set forth below in this subsection, then the executive director may escalate the budget of the Bureau of Building, Grounds and Real Property Management to use the full amount of the requisitioned funds for the emergency repairs and transfer that amount to the bureau for that purpose. If the amount requisitioned is more than the amount available in the Capital Expense Fund or above the limitations set forth below in this subsection, then the executive director may escalate the budget of the bureau to use the amount that is available within the limitations for the emergency repairs and transfer that amount to the bureau for that purpose. The maximum amount that may be transferred from the Capital Expense Fund to the bureau for any single emergency shall be One Million Dollars (\$1,000,000.00), and the maximum amount that may be transferred to the bureau for all emergencies during any fiscal year shall be Five Million Dollars (\$5,000,000.00).

(5) Funds deposited in the Capital Expense Fund shall be used only for the purposes specified in this section, and as long as the provisions of this section remain in effect, no other expenditure, appropriation or transfer of funds in the Capital Expense Fund shall be made except by act of the Legislature making specific reference to the Capital Expense Fund as the source of those funds.

(6) Unexpended funds in the Capital Expense Fund at the end of a fiscal year shall not lapse into the State General Fund but shall remain in the fund for use under this section. Any funds appropriated from the Capital Expense Fund that are unexpended at the end of a fiscal year shall lapse into the Capital Expense Fund.

SECTION 7. (1) All funds received by or on behalf of the State of Mississippi through the Coronavirus Capital Projects Fund in Section 9901 of the American Rescue Plan Act of 2021 (Public Law No. 117-2) shall be deposited into the Coronavirus Capital Projects Fund created in subsection (2) of this section.

(2) There is created in the State Treasury a special fund to be designated as the "Coronavirus Capital Projects Fund." The special fund shall consist of funds required to be deposited into the special fund by subsection (1) of this section, funds appropriated or otherwise made available by the Legislature in any manner, and funds from any other source designated for deposit into the special fund. Monies in the fund shall only be spent upon appropriation by the Legislature and shall only be used as provided in the Coronavirus Capital Projects Fund in Section 9901 of the American Rescue Plan Act of 2021 (Public Law No. 117-2) or as authorized by federal rule or regulation or guidelines.

(3) Unexpended amounts remaining in the special fund at the end of a fiscal year shall not lapse into the State General Fund but shall remain in the Coronavirus Capital Projects Fund. Any investment earnings or interest earned on amounts in the special fund shall be deposited to the credit of the special fund.

SECTION 8. During fiscal year 2022, the State Fiscal Officer shall transfer to the General Fund out of the following enumerated funds, the amounts listed below from each fund:

FUND	FUND NUMBER	AMOUNT
Capital Expense Fund	6499C00000	\$1.00
Budget Contingency Fund	6117700000	\$1.00
TOTAL		\$2.00

SECTION 9. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

(c) To be eligible to receive monies under this chapter:

(i) A county or municipality must pledge to set aside or dedicate each year as matching funds, for a period not to extend over ten (10) years, local funds in an amount equal to or not less than one-tenth (1/10) of the amount of monies for which it is requesting distribution from the Rural Fire Truck Fund, which pledged monies may be derived from local ad valorem tax authorized by law or from any other funds available to the county or municipality, except for those funds received by municipalities or counties from the Municipal Fire Protection Fund or the County Volunteer Fire Department Fund, as defined in Sections 83-1-37 and 83-1-39.

Senator Hopson called up the following entitled bill:

**H. B. No. 1101:** Trip optimizer system; exempt youth services counselors from.

Senator Hill offered the following COMMITTEE AMENDMENT NO. 1.

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 25-3-41, Mississippi Code of 1972, is amended as follows:

25-3-41. (1) Subject to the provisions of subsection (10) of this section, when any officer or employee of the State of Mississippi, or any department, agency or institution thereof, after first being duly authorized, is required to travel in the performance of his official duties, the officer or employee shall receive as expenses for each mile actually and necessarily traveled, when the travel is done by a privately owned automobile or other privately owned motor vehicle, the mileage reimbursement rate allowable to federal employees for the use of a privately owned vehicle while on official travel.

(2) When any officer or employee of any county or municipality, or of any agency, board or commission thereof, after first being duly authorized, is required to travel in the performance of his official duties, the officer or employee shall receive as expenses Twenty Cents (20¢) for each mile actually and necessarily traveled, when the travel is done by a privately owned motor vehicle; provided, however, that the governing authorities of a county or municipality may, in their discretion, authorize an increase in the mileage reimbursement of officers and employees of the county or municipality, or of any agency, board or commission thereof, in an amount not to exceed the mileage reimbursement rate authorized for officers and employees of the State of Mississippi in subsection (1) of this section.

(3) Where two (2) or more officers or employees travel in one (1) privately owned motor vehicle, only one (1) travel expense allowance at the authorized rate per mile shall be allowed for any one (1) trip. When the travel is done by means of a public carrier or other means not involving a privately owned motor vehicle, then the officer or employee shall receive as travel expense the actual fare or other expenses incurred in such travel.

(4) In addition to the foregoing, a public officer or employee shall be reimbursed for other actual expenses such as meals, lodging and other necessary expenses incurred in the course of the travel, subject to limitations placed on meals for intrastate and interstate official travel by the Department of Finance and Administration, provided, that the Legislative Budget Office shall place any limitations for expenditures made on matters under the jurisdiction of the Legislature. The Department of Finance and Administration

shall set a maximum daily expenditure annually for such meals and shall notify officers and employees of changes to these allowances immediately upon approval of the changes. Travel by airline shall be at the tourist rate unless that space was unavailable. The officer or employee shall certify that tourist accommodations were not available if travel is performed in first-class airline accommodations. Itemized expense accounts shall be submitted by those officers or employees in such number as the department, agency or institution may require; but in any case one (1) copy shall be furnished by state departments, agencies or institutions to the Department of Finance and Administration for preaudit or postaudit. The Department of Finance and Administration shall promulgate and adopt reasonable rules and regulations which it deems necessary and requisite to effectuate economies for all expenses authorized and paid pursuant to this section. Requisitions shall be made on the State Fiscal Officer who shall issue his warrant on the State Treasurer. Provided, however, that the provisions of this section shall not include agencies financed entirely by federal funds and audited by federal auditors.

(5) Any officer or employee of a county or municipality, or any department, board or commission thereof, who is required to travel in the performance of his official duties, may receive funds before the travel, in the discretion of the administrative head of the county or municipal department, board or commission involved, for the purpose of paying necessary expenses incurred during the travel. Upon return from the travel, the officer or employee shall provide receipts of transportation, lodging, meals, fees and any other expenses incurred during the travel. Any portion of the funds advanced which is not expended during the travel shall be returned by the officer or employee. The Department of Audit shall adopt rules and regulations regarding advance payment of travel expenses and submission of receipts to ensure proper control and strict accountability for those payments and expenses.

(6) No state or federal funds received from any source by any arm or agency of the state shall be expended in traveling outside of the continental limits of the United States until the governing body or head of the agency makes a finding and determination that the travel would be extremely beneficial to the state agency and obtains a written concurrence thereof from the Governor, or his designee, and the Department of Finance and Administration. However, employees of state institutions of higher learning may expend funds for travel outside of the continental limits of the United States upon a written finding by the president or head of the institution that the travel would be extremely beneficial to the institution.

(7) Where any officer or employee of the State of Mississippi, or any department, agency or institution thereof, or of any county or municipality, or of any agency, board or commission thereof, is authorized to receive travel reimbursement under any other provision of law, the reimbursement may be paid under the provisions of this section or the other section, but not under both.

(8) When the Governor, Lieutenant Governor or Speaker of the House of Representatives appoints a person to a board, commission or other position that requires confirmation by the Senate, the person may receive reimbursement for mileage and other actual expenses incurred in the performance of official duties before the appointment is confirmed by the Senate, as reimbursement for those expenses is authorized under this section.

(9) (a) The Department of Finance and Administration may contract with one or more commercial travel agencies, after receiving competitive bids or proposals therefor, for that travel agency or agencies to provide necessary travel services for state officers and employees. Municipal and county officers and municipal and county employees may also participate in the state travel agency contract and utilize these travel services for official municipal or county travel. However, the administrative head of each state institution of higher learning may, in his discretion, contract with a commercial travel agency to provide necessary travel services for all academic officials and staff of the university in lieu of participation in the state travel agency contract. Any such decision by

a university to contract with a separate travel agency shall be approved by the Board of Trustees of State Institutions of Higher Learning and the Executive Director of the Department of Finance and Administration.

(b) Before executing a contract with one or more travel agencies, the Department of Finance and Administration shall advertise for competitive bids or proposals once a week for two (2) consecutive weeks in a regular newspaper having a general circulation throughout the State of Mississippi. If the department determines that it should not contract with any of the bidders initially submitting proposals, the department may reject all those bids, advertise as provided in this paragraph and receive new proposals before executing the contract or contracts. The contract or contracts may be for a period not greater than three (3) years, with an option for the travel agency or agencies to renew the contract or contracts on a one-year basis on the same terms as the original contract or contracts, for a maximum of two (2) renewals. After the travel agency or agencies have renewed the contract twice or have declined to renew the contract for the maximum number of times, the Department of Finance and Administration shall advertise for bids in the manner required by this paragraph and execute a new contract or contracts.

(c) Whenever any state officer or employee travels in the performance of his official duties by airline or other public carrier, he may have his travel arrangements handled by that travel agency or agencies. The amount paid for airline transportation for any state officer or employee, whether the travel was arranged by that travel agency or agencies or was arranged otherwise, shall not exceed the amount specified in the state contract established by the Department of Finance and Administration, Office of Purchasing and Travel, unless prior approval is obtained from the office.

(10) (a) For purposes of this subsection, the term "state agency" means any agency that is subject to oversight by the Bureau of Fleet Management of the Department of Finance and Administration under Section 25-1-77.

(b) Each state agency shall use a trip optimizer type system developed and administered by the Department of Finance and Administration in computing the optimum method and cost for travel by state officers and employees using a motor vehicle where the travel will exceed one hundred (100) miles per day and the officer or employee is not driving a state-owned or state-leased vehicle that has been dedicated or assigned to the officer or employee.

(c) The provisions of this subsection shall be used to determine the most cost-effective method of travel by motor vehicles, whether those vehicles are owned by the state agency, leased by the state agency, or owned by the officer or employee, and shall be applicable for purposes of determining the maximum authorized amount of any travel reimbursement for officers and employees of those agencies related to vehicle usage.

(d) The maximum authorized amount of travel reimbursement related to motor vehicle usage shall be the lowest cost option as determined by the trip optimizer type system. All travel claims submitted for reimbursement shall include the results of the trip optimizer type system indicating the lowest cost option for travel by the state officer or employee.

(e) In providing a calculation of rates, the trip optimizer type system shall account for the distance that an officer or employee must travel to pick up a rental or state fleet vehicle, and shall account for the long-term rate discounts offered through the state purchasing contract for vehicle rentals.

(f) (i) This subsection shall not apply to travel by state officials in motor vehicles driven by the official or in vehicles used for the transport of the official. The exemption in this paragraph (f) applies only to the state official and not to the staff or other

employees of the state official. As used in this paragraph (f), "state official" means statewide elected officials and the elected members of the Public Service Commission.

(ii) This subsection shall not apply to travel by youth services counselors.

SECTION 2. This act shall take effect and be in force from and after July 1, 2022, and shall stand repealed on June 29, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

27-53-5. (1) It shall be the duty of the owner of a manufactured home or mobile home, not later than seven (7) days, Saturdays, Sundays and legal holidays excluded, after the date of purchase or entry into the county where the manufactured home or mobile home is located, to register such manufactured home or mobile home with the tax collector of the county where the manufactured home or mobile home is located. The registration application for such manufactured home or mobile home shall contain the following information: name and address of owner, length and width of the manufactured home or mobile home, serial number or vehicle identification number (VIN) of manufactured home or mobile home, make of manufactured home or mobile home, date of purchase, present market value, and address where

At the time that an owner registers his manufactured home or mobile home, and before a registration certificate may be issued by the tax collector, the owner of the manufactured home or mobile home shall pay a registration fee of One Dollar (\$1.00) to the county tax collector and provide proof of payment of the previous year's taxes unless the manufactured home or mobile home was purchased from a licensed dealer. It is also the duty of the owner of the manufactured home or mobile home to reregister his manufactured home or mobile home with the tax collector within seven (7) days after the relocation of such manufactured home or mobile home from one (1) location in the county to another location in the county in order that there will always be on file with the tax collector the current address of such manufactured home or mobile home. In addition, if a manufactured home or mobile home is relocated from one (1) county to another county, then the owner of the manufactured home or mobile home, within twenty-one (21) days after such relocation, shall provide notice to the tax collector of the county from which the manufactured home or mobile home was relocated.

For purposes of this section, "utility" shall mean and include water, gas, electric and telephone services, including such utilities as are owned and operated by municipalities.

(3) No utility company shall connect, provide or transfer service without receiving and recording either (a) the number of the current registration certificate issued for the manufactured home or mobile home at the address where service will be connected, provided or transferred, or (b) instrument number or the book and page where the affidavit of affixation is recorded.

(4) It shall be the duty of every manufactured home or mobile home owner subject to the use tax levy in Section 27-67-5 to provide proof of payment of such tax prior to the time of registration. Senator Harkins called up the following entitled bill:

**H. B. No. 833:** Mississippi Motor Vehicle Commission Law; prohibit direct sales by manufacturers except as provided.

Senator Harkins offered the following COMMITTEE AMENDMENT NO. 1.

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 63-17-75, Mississippi Code of 1972, is amended as follows:

63-17-75. Within ninety (90) days after July 1, 1970, all persons who on July 1, 1970, are engaged in a business or occupation for which a license is required under the Mississippi Motor Vehicle Commission Law shall make application on forms prescribed by the commission for their respective licenses. All such persons shall be permitted, without a license, to continue to engage in the business or occupation for which a license is applied for until the license is either granted or, in case it is denied, until the applicant has exhausted or has had an opportunity to exhaust all of his remedies under Section 63-17-99. No person not engaged in a business or occupation requiring such a license on July 1, 1970, shall be permitted to engage in such business or occupation until he shall have first obtained a license to engage in such business or occupation.

Applications for licenses shall be verified by the oath or affirmation of the applicants and shall be on forms prescribed by the commission and furnished to such applicants. Applications shall contain such information as the commission deems necessary to enable it to fully determine the qualifications and eligibility of the several applicants to receive the license or licenses applied for. The commission shall require that there be set forth in each application information relating to the applicant's financial standing, the applicant's business integrity, whether the applicant has an established place of business and is primarily engaged in the pursuit, avocation or business for which a license or licenses is applied for, and whether the applicant is able to properly conduct the business for which a license or licenses is applied for, and such other pertinent information consistent with the safeguarding of the public interest and public welfare. Applications for license as a motor vehicle dealer shall, in addition to the foregoing, be accompanied by the filing with the commission of a bona fide contract or franchise then in effect between the applicant and a manufacturer, distributor or wholesaler of the new motor vehicle or vehicles proposed to be dealt in, unless such contract or franchise has already been filed with the commission in connection with a previous application made by such applicant, in which event the applicant shall, in lieu of again filing the contract or franchise, identify the contract or franchise by appropriate reference and file all revisions and additions, if any, which have been made to said contract or franchise. The applicant must furnish satisfactory evidence that he or it maintains adequate space in the building or structure wherein his or its established business is conducted for the display of new motor vehicles, or he will have such facilities within a reasonable time after receiving a license, and that he or it has or will have adequate facilities in said building or structure for the repair and servicing of motor vehicles and the storage of new parts and accessories for same. However, the failure to furnish the evidence called for in the preceding sentence shall not constitute sufficient cause for denying a license to any motor vehicle dealer who on July 1, 1970, was an enfranchised new motor vehicle dealer in this state of a manufacturer, distributor or wholesaler of new motor vehicles and who continued to be such a dealer from such date until application was made for a license as a motor vehicle dealer.

New applications for licenses as a new, used or wholesale motor vehicle dealer shall, in addition to the foregoing, be accompanied by the filing with the commission of a corporate surety bond in the penal sum of Twenty-five Thousand Dollars (\$25,000.00) on a bond form approved by the commission. However, an applicant for licenses at multiple

locations may choose to provide a corporate surety bond in the penal sum of One Hundred Thousand Dollars (\$100,000.00) covering all licensed locations of the same capacity in lieu of separate bonds for each location.

The bond shall be in effect upon the applicant being licensed and shall be conditioned upon his complying with the provisions of the Mississippi Motor Vehicle Commission Law. The bond shall be an indemnity for any loss sustained by any person by reason of the acts of the person bonded when those acts constitute grounds for the suspension or revocation of license. The bond shall be executed in the name of the State of Mississippi for the benefit of any aggrieved party. The aggregate liability of the surety for any claimants, regardless of the number of years this bond is in force or has been in effect, shall not exceed the amount of the bond. The proceeds of the bond shall be paid upon receipt by the commission of a final judgment from a Mississippi court of competent jurisdiction against the principal and in favor of an aggrieved party.

New, used and wholesale motor vehicle dealers shall be required to maintain motor vehicle liability insurance providing blanket coverage on vehicles operated on the public streets and highways of this state, including vehicles in dealership inventory unless the motor vehicle dealer's inventory does not have a motor. Evidence of liability insurance for business and inventory vehicles shall be filed with the application for license, and the application for license shall be denied if proof of liability insurance satisfactory to the Department of Revenue is not provided.

Except as expressly allowed by Section 63-17-109, no motor vehicle manufacturer, factory branch, distributor, distributor branch or subsidiary thereof, is eligible to directly through any parent, subsidiary or affiliated entity, whether or not such motor vehicle manufacturer, factory branch, distributor, distributor branch or subsidiary thereof has entered into a franchise with any person or entity in this state: (a) own any ownership interest in, operate or control any motor vehicle dealer or dealership in this state for the same type or classification of motor vehicle that it manufactures or distributes; (b) apply for a motor vehicle dealers license; or (c) be licensed as a new motor vehicle dealer in this state.

SECTION 2. Section 63-17-109, Mississippi Code of 1972, is amended as follows:

63-17-109. (1) In the event of a proposed sale or transfer of a dealership and the franchise agreement for the dealership contains a right of first refusal in favor of the manufacturer or distributor, notwithstanding the terms of the franchise agreement, the manufacturer or distributor shall be permitted to exercise a right of first refusal to acquire the dealership only if all of the following requirements are met:

(a) The manufacturer or distributor sends by certified mail, return receipt requested, or any other reliable means of communication, notice of its intent to exercise its right of first refusal within sixty (60) days of receipt of the executed contract for the proposed sale or transfer and completed application and related documents reasonably requested by the manufacturer or distributor. The manufacturer or distributor shall provide the application and notice of other requirements within fifteen (15) days of request. In no event shall the manufacturer or distributor exercise its right of first refusal more than one hundred twenty (120) days after receipt of the executed contract. The manufacturer or distributor and the applicant shall act in good faith to provide the required information in a timely and expeditious manner.

(b) The exercise of the right of first refusal will result in the motor vehicle dealer receiving consideration, terms and conditions that are either the same as or greater than that for which such dealer has contracted for in connection with the proposed transaction.

(2) The manufacturer's or distributor's right of first refusal shall not apply to a transaction involving one (1) of the following:

(a) A designated family member or members, including the spouse, child or grandchild, spouse of a child or grandchild, brother, sister or parent of the dealer-operator, or one or more motor vehicle dealer owners;

(b) A manager employed by the motor vehicle dealer in the dealership during the previous five (5) years that is otherwise qualified as a dealer-operator;

(c) A partnership or corporation controlled by any of the family members of the dealer-operator;

(d) A trust arrangement established or to be established for the purpose of allowing the new motor vehicle dealer to continue to qualify as such pursuant to the manufacturer's or distributor's standards, or provides for the succession of the franchise agreement to designated family members or qualified management in the event of the death or incapacity of the dealer-operator or its principal owner or owners.

(3) (a) The manufacturer or distributor shall pay the reasonable expenses, including attorneys' fees which do not exceed the usual, customary and reasonable fees charged for similar work done for other clients, incurred by the proposed owner prior to the exercise of the right of first refusal in negotiating and implementing the contract for the proposed sale of the dealership. The expenses and attorneys' fees shall be paid to the proposed new owner at the time of the closing of the sale at which the manufacturer or distributor exercises its right of first refusal.

(b) No payment of expenses and attorneys' fees shall be required if the person claiming reimbursement has not submitted or caused to be submitted an accounting of those expenses within thirty (30) days after the receipt of the manufacturer's or distributor's written request for the accounting. A manufacturer or distributor may request the accounting before exercising its right of first refusal.

(4) If the selling dealer discloses the manufacturer's right of first refusal to the proposed owner in writing, the motor vehicle dealer shall not have any liability to any person as a result of a manufacturer or distributor exercising its right of first refusal and the manufacturer or distributor shall assume the defense of the selling motor vehicle dealer for any claims by the proposed owner arising from the exercise of the right of first refusal.

(5) If the manufacturer or distributor does not exercise its right of first refusal within the time period set forth in subsection (1)(a), the manufacturer or distributor shall act upon the proposed sale of the franchise promptly and in good faith but in no event more than one hundred twenty (120) days after receipt of the completed application and related documents reasonably requested by the manufacturer or distributor.

(6) Neither Section 63-17-75 nor this section shall be construed to prohibit any of the following:

(a) The ownership, operation or control by a manufacturer, factory branch, distributor, distributor branch or subsidiary thereof, of a dealership for a temporary period (not to exceed one (1) year) during the transition from one (1) licensed motor vehicle dealer to another. The commission may extend the temporary ownership, operation or control period upon a showing of good cause by the manufacturer, factory branch, distributor, distributor branch, or subsidiary thereof.

(b) The ownership or control of a dealership by a manufacturer, factory branch, distributor, distributor branch or subsidiary thereof, while in a bona fide relationship with an independent person, other than a manufacturer, factory branch, distributor, distributor branch or an agent or affiliate thereof, who has made a significant, bona fide, unencumbered initial investment in the dealership that is subject to loss and

who can reasonably expect to acquire full ownership of the dealership within a reasonable period of time, and on reasonable terms and conditions.

(c) The ownership, operation or control of not more than seven (7) motor vehicle dealership locations within this state by a manufacturer that manufactures and sells only motor vehicles that are plug-in electric vehicles that do not rely on any nonelectric source of power in all modes of operation.

SECTION 3. This act shall take effect and be in force from and after July 1, 2022, and shall stand repealed on June 30, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 63-17-75, MISSISSIPPI CODE OF 1972, TO REVISE THE MISSISSIPPI MOTOR VEHICLE COMMISSION LAW TO PROHIBIT CERTAIN DIRECT SALES ACTIVITIES BY A MOTOR VEHICLE MANUFACTURER, FACTORY BRANCH, DISTRIBUTOR, DISTRIBUTOR BRANCH OR SUBSIDIARY THEREOF; TO AMEND SECTION 63-17-109, MISSISSIPPI CODE OF 1972, TO CLARIFY WHAT THE MISSISSIPPI MOTOR VEHICLE COMMISSION LAW DOES NOT PROHIBIT REGARDING A MOTOR VEHICLE MANUFACTURER, FACTORY BRANCH, DISTRIBUTOR, DISTRIBUTOR BRANCH OR SUBSIDIARY THEREOF; AND FOR RELATED PURPOSES.

Senator Sparks offered the following SUBSTITUTE FOR COMMITTEE AMENDMENT NO. 1.

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 63-17-75, Mississippi Code of 1972, is amended as follows:

63-17-75. Within ninety (90) days after July 1, 1970, all persons who on July 1, 1970, are engaged in a business or occupation for which a license is required under the Mississippi Motor Vehicle Commission Law shall make application on forms prescribed by the commission for their respective licenses. All such persons shall be permitted, without a license, to continue to engage in the business or occupation for which a license is applied for until the license is either granted or, in case it is denied, until the applicant has exhausted or has had an opportunity to exhaust all of his remedies under Section 63-17-99. No person not engaged in a business or occupation requiring such a license on July 1, 1970, shall be permitted to engage in such business or occupation until he shall have first obtained a license to engage in such business or occupation.

Applications for licenses shall be verified by the oath or affirmation of the applicants and shall be on forms prescribed by the commission and furnished to such applicants. Applications shall contain such information as the commission deems necessary to enable it to fully determine the qualifications and eligibility of the several applicants to receive the license or licenses applied for. The commission shall require that there be set forth in each application information relating to the applicant's financial standing, the applicant's business integrity, whether the applicant has an established place of business and is primarily engaged in the pursuit, avocation or business for which a license or licenses is applied for, and whether the applicant is able to properly conduct the business for which a license or licenses is applied for, and such other pertinent information consistent with the safeguarding of the public interest and public welfare. Applications for license as a motor vehicle dealer shall, in addition to the foregoing, be accompanied by the filing with

the commission of a bona fide contract or franchise then in effect between the applicant and a manufacturer, distributor or wholesaler of the new motor vehicle or vehicles proposed to be dealt in, unless such contract or franchise has already been filed with the commission in connection with a previous application made by such applicant, in which event the applicant shall, in lieu of again filing the contract or franchise, identify the contract or franchise by appropriate reference and file all revisions and additions, if any, which have been made to said contract or franchise. The applicant must furnish satisfactory evidence that he or it maintains adequate space in the building or structure wherein his or its established business is conducted for the display of new motor vehicles, or he will have such facilities within a reasonable time after receiving a license, and that he or it has or will have adequate facilities in said building or structure for the repair and servicing of motor vehicles and the storage of new parts and accessories for same. However, the failure to furnish the evidence called for in the preceding sentence shall not constitute sufficient cause for denying a license to any motor vehicle dealer who on July 1, 1970, was an enfranchised new motor vehicle dealer in this state of a manufacturer, distributor or wholesaler of new motor vehicles and who continued to be such a dealer from such date until application was made for a license as a motor vehicle dealer.

New applications for licenses as a new, used or wholesale motor vehicle dealer shall, in addition to the foregoing, be accompanied by the filing with the commission of a corporate surety bond in the penal sum of Twenty-five Thousand Dollars (\$25,000.00) on a bond form approved by the commission. However, an applicant for licenses at multiple locations may choose to provide a corporate surety bond in the penal sum of One Hundred Thousand Dollars (\$100,000.00) covering all licensed locations of the same capacity in lieu of separate bonds for each location.

The bond shall be in effect upon the applicant being licensed and shall be conditioned upon his complying with the provisions of the Mississippi Motor Vehicle Commission Law. The bond shall be an indemnity for any loss sustained by any person by reason of the acts of the person bonded when those acts constitute grounds for the suspension or revocation of license. The bond shall be executed in the name of the State of Mississippi for the benefit of any aggrieved party. The aggregate liability of the surety for any claimants, regardless of the number of years this bond is in force or has been in effect, shall not exceed the amount of the bond. The proceeds of the bond shall be paid upon receipt by the commission of a final judgment from a Mississippi court of competent jurisdiction against the principal and in favor of an aggrieved party.

New, used and wholesale motor vehicle dealers shall be required to maintain motor vehicle liability insurance providing blanket coverage on vehicles operated on the public streets and highways of this state, including vehicles in dealership inventory unless the motor vehicle dealer's inventory does not have a motor. Evidence of liability insurance for business and inventory vehicles shall be filed with the application for license, and the application for license shall be denied if proof of liability insurance satisfactory to the Department of Revenue is not provided.

Except as expressly allowed by Section 63-17-109, no motor vehicle manufacturer, factory branch, distributor, distributor branch or subsidiary thereof, is eligible to directly through any parent, subsidiary or affiliated entity, whether or not such motor vehicle manufacturer, factory branch, distributor, distributor branch or subsidiary thereof has entered into a franchise with any person or entity in this state: (a) own any ownership interest in, operate or control any motor vehicle dealer or dealership in this state for the same type or classification of motor vehicle that it manufactures or distributes; (b) apply for a motor vehicle dealers license; or (c) be licensed as a new motor vehicle dealer in this state.

SECTION 2. Section 63-17-109, Mississippi Code of 1972, is amended as follows:

(a) The manufacturer or distributor sends by certified mail, return receipt requested, or any other reliable means of communication, notice of its intent to exercise its right of first refusal within sixty (60) days of receipt of the executed contract for the proposed sale or transfer and completed application and related documents reasonably requested by the manufacturer or distributor. The manufacturer or distributor shall provide the application and notice of other requirements within fifteen (15) days of request. In no event shall the manufacturer or distributor exercise its right of first refusal more than one hundred twenty (120) days after receipt of the executed contract. The manufacturer or distributor and the applicant shall act in good faith to provide the required information in a timely and expeditious manner.

(b) The exercise of the right of first refusal will result in the motor vehicle dealer receiving consideration, terms and conditions that are either the same as or greater than that for which such dealer has contracted for in connection with the proposed transaction.

(2) The manufacturer's or distributor's right of first refusal shall not apply to a transaction involving one (1) of the following:

(a) A designated family member or members, including the spouse, child or grandchild, spouse of a child or grandchild, brother, sister or parent of the dealer-operator, or one or more motor vehicle dealer owners;

(b) A manager employed by the motor vehicle dealer in the dealership during the previous five (5) years that is otherwise qualified as a dealer-operator;

(c) A partnership or corporation controlled by any of the family members of the dealer-operator;

(d) A trust arrangement established or to be established for the purpose of allowing the new motor vehicle dealer to continue to qualify as such pursuant to the manufacturer's or distributor's standards, or provides for the succession of the franchise agreement to designated family members or qualified management in the event of the death or incapacity of the dealer-operator or its principal owner or owners.

(3) (a) The manufacturer or distributor shall pay the reasonable expenses, including attorneys' fees which do not exceed the usual, customary and reasonable fees charged for similar work done for other clients, incurred by the proposed owner prior to the exercise of the right of first refusal in negotiating and implementing the contract for the proposed sale of the dealership. The expenses and attorneys' fees shall be paid to the proposed new owner at the time of the closing of the sale at which the manufacturer or distributor exercises its right of first refusal.

(b) No payment of expenses and attorneys' fees shall be required if the person claiming reimbursement has not submitted or caused to be submitted an accounting of those expenses within thirty (30) days after the receipt of the manufacturer's or distributor's written request for the accounting. A manufacturer or distributor may request the accounting before exercising its right of first refusal.

(4) If the selling dealer discloses the manufacturer's right of first refusal to the proposed owner in writing, the motor vehicle dealer shall not have any liability to any person as a result of a manufacturer or distributor exercising its right of first refusal and the manufacturer or distributor shall assume the defense of the selling motor vehicle dealer for any claims by the proposed owner arising from the exercise of the right of first refusal.

(5) If the manufacturer or distributor does not exercise its right of first refusal within the time period set forth in subsection (1)(a), the manufacturer or distributor shall act upon the proposed sale of the franchise promptly and in good faith but in no event more than one hundred twenty (120) days after receipt of the completed application and related documents reasonably requested by the manufacturer or distributor.

(6) Neither Section 63-17-75 nor this section shall be construed to prohibit any of the following:

(a) The ownership, operation or control by a manufacturer, factory branch, distributor, distributor branch or subsidiary thereof, of a dealership for a temporary period (not to exceed one (1) year) during the transition from one (1) licensed motor vehicle dealer to another. (b) The ownership or control of a dealership by a manufacturer, factory branch, distributor, distributor branch or subsidiary thereof, while in a bona fide relationship with an independent person, other than a manufacturer, factory branch, distributor, distributor branch or an agent or affiliate thereof, who has made a significant, bona fide, unencumbered initial investment in the dealership that is subject to loss and who can reasonably expect to acquire full ownership of the dealership within a reasonable period of time, and on reasonable terms and conditions.

(c) The ownership, operation or control of not more than one (1) motor vehicle dealership location within this state by a manufacturer that manufactures and sells only motor vehicles that are plug-in electric vehicles that do not rely on any nonelectric source of power in all modes of operation, provided that the dealership has been continuously licensed since August 1, 2021, and provided that the ownership or controlling interest in the dealership is not transferred, sold or conveyed to another person required to be licensed under this title.

SECTION 3. This act shall take effect and be in force from and after July 1, 2022 and shall stand repealed on June 30, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

67-1-51. (1) Permits which may be issued by the department shall be as follows:

(a) Manufacturer's permit. A manufacturer's permit shall permit the manufacture, importation in bulk, bottling and storage of alcoholic liquor and its distribution and sale to manufacturers holding permits under this chapter in this state and to persons outside the state who are authorized by law to purchase the same, and to sell as provided by this chapter.

Manufacturer's permits shall be of the following classes:

Class 1. Distiller's and/or rectifier's permit, which shall authorize the holder thereof to operate a distillery for the production of distilled spirits by distillation or redistillation and/or to operate a rectifying plant for the purifying, refining, mixing, blending, flavoring or reducing in proof of distilled spirits and alcohol.

Class 2. Wine manufacturer's permit, which shall authorize the holder thereof to manufacture, import in bulk, bottle and store wine or vinous liquor.

Class 3. Native wine producer's permit, which shall authorize the holder thereof to produce, bottle, store and sell native wines.

Class 4. Native spirit producer's permit, which shall authorize the holder thereof to produce, bottle, store and sell native spirits.

(b) Package retailer's permit. Except as otherwise provided in this paragraph and Section 67-1-52, a package retailer's permit shall authorize the holder thereof to operate a store exclusively for the sale at retail in original sealed and unopened packages of alcoholic beverages, including native wines and native spirits, not to be consumed on the premises where sold. Alcoholic beverages shall not be sold by any retailer in any package or container containing less than fifty (50) milliliters by liquid measure. A package retailer's permit, with prior approval from the department, shall authorize the holder thereof to sample new product furnished by a manufacturer's representative or his employees at the permitted place of business so long as the sampling otherwise complies with this chapter and applicable department regulations. Such samples may not be provided to customers at the permitted place of business. In addition to the sale at retail of packages of alcoholic beverages, the holder of a package retailer's permit is authorized to sell at retail corkscrews, wine glasses, soft drinks, ice, juices, mixers and other beverages commonly used to mix with alcoholic beverages. Nonalcoholic beverages sold by the holder of a package retailer's permit shall not be consumed on the premises where sold.

(c) On-premises retailer's permit. Except as otherwise provided in subsection (5) of this section, an on-premises retailer's permit shall authorize the sale of alcoholic beverages, including native wines and native spirits, for consumption on the licensed premises only; however, a patron of the permit holder may remove one (1) bottle of wine from the licensed premises if: (i) the patron consumed a portion of the bottle of wine in the course of consuming a meal purchased on the licensed premises; (ii) the permit holder securely reseals the bottle; (iii) the bottle is placed in a bag that is secured in a manner so that it will be visibly apparent if the bag is opened; and (iv) a dated receipt for the wine and the meal is available. Additionally, as part of a carryout order, a permit holder may sell one (1) bottle of wine to be removed from the licensed premises for every two (2) entrees ordered. Such a permit shall be issued only to qualified hotels, restaurants and clubs, small craft breweries, microbreweries, and to common carriers with adequate facilities for serving passengers. In resort areas, whether inside or outside of a municipality, the department, in its discretion, may issue on-premises retailer's permits to such establishments as it deems proper. An on-premises retailer's permit when issued to a common carrier shall authorize the sale and serving of alcoholic beverages aboard any licensed vehicle while moving through any county of the state; however, the sale of such alcoholic beverages shall not be permitted while such vehicle is stopped in a county that has not legalized such sales. If an on-premises retailer's permit is applied for by a common carrier operating solely in the water, such common carrier must, along with all

other qualifications for a permit, (i) be certified to carry at least one hundred fifty (150) passengers and/or provide overnight accommodations for at least fifty (50) passengers and (ii) operate primarily in the waters within the State of Mississippi which lie adjacent to the State of Mississippi south of the three (3) most southern counties in the State of Mississippi and/or on the Mississippi River or navigable waters within any county bordering on the Mississippi River.

(d) Solicitor's permit. A solicitor's permit shall authorize the holder thereof to act as salesman for a manufacturer or wholesaler holding a proper permit, to solicit on behalf of his employer orders for alcoholic beverages, and to otherwise promote his employer's products in a legitimate manner. Such a permit shall authorize the representation of and employment by one (1) principal only. However, the permittee may also, in the discretion of the department, be issued additional permits to represent other principals. No such permittee shall buy or sell alcoholic beverages for his own account, and no such beverage shall be brought into this state in pursuance of the exercise of such permit otherwise than through a permit issued to a wholesaler or manufacturer in the state.

Except as otherwise provided in subsection (5) of this section, a native wine retailer's permit shall be issued only to a holder of a Class 3 manufacturer's permit, and shall authorize the holder thereof to make retail sales of native wines to consumers for on-premises consumption or to consumers in originally sealed and unopened containers at an establishment located on the premises of or in the immediate vicinity of a native winery. When selling to consumers for on-premises consumption, a holder of a native wine retailer's permit may add to the native wine alcoholic beverages not produced on the premises, so long as the total volume of foreign beverage components does not exceed twenty percent (20%) of the mixed beverage. Hours of sale shall be the same as those authorized for on-premises permittees in the city or county in which the native wine retailer is located.

(f) Temporary retailer's permit. Except as otherwise provided in subsection (5) of this section, a temporary retailer's permit shall permit the purchase and resale of alcoholic beverages, including native wines and native spirits, during legal hours on the premises described in the temporary permit only.

Class 1 permittees shall obtain all alcoholic beverages from package retailers located in the county in which the temporary permit is issued. Alcoholic beverages remaining in stock upon expiration of the temporary permit may be returned by the permittee to the package retailer for a refund of the purchase price upon consent of the package retailer or may be kept by the permittee exclusively for personal use and consumption, subject to all laws pertaining to the illegal sale and possession of alcoholic beverages. The department, following review of the statement provided by the applicant and the requirements of the applicable statutes and regulations, may issue the permit.

Class 2. A temporary permit, not to exceed seventy (70) days, may be issued to prospective permittees seeking to transfer a permit authorized in paragraph (c) of this subsection. A Class 2 permit may be issued only to applicants demonstrating to the department, by a statement signed under the penalty of perjury, that they meet the

The department, following a preliminary review of the statement provided by the applicant and the requirements of the applicable statutes and regulations, may issue the permit.

Class 2 temporary permittees must purchase their alcoholic beverages directly from the department or, with approval of the department, purchase the remaining stock of the previous permittee. If the proposed applicant of a Class 1 or Class 2 temporary permit falsifies information contained in the application or statement, the applicant shall never again be eligible for a retail alcohol beverage permit and shall be subject to prosecution for perjury.

Class 3. A temporary one-day permit may be issued to a retail establishment authorizing the complimentary distribution of wine, including native wine, to patrons of the retail establishment at an open house or promotional event, for consumption only on the premises described in the temporary permit. A Class 3 permit holder shall obtain all alcoholic beverages from the holder(s) of a package retailer's permit located in the county in which the temporary permit is issued. Wine remaining in stock upon expiration of the temporary permit may be returned by the Class 3 temporary permit holder to the package retailer for a refund of the purchase price, with consent of the package retailer, or may be kept by the Class 3 temporary permit holder exclusively for personal use and consumption, subject to all laws pertaining to the illegal sale and possession of alcoholic beverages. The department, following review of the statement provided by the applicant and the requirements of the applicable statutes and regulations, may issue the permit. A caterer's permit shall not authorize the sale of alcoholic beverages on the premises of the person engaging in business as a caterer; however, the holder of an on-premises retailer's permit may hold a caterer's permit. When the holder of an on-premises retailer's permit or an affiliated entity of the holder also holds a caterer's permit, the caterer's permit shall not authorize the service of alcoholic beverages on a consistent, recurring basis at a separate, fixed location owned or operated by the caterer, on-premises retailer or affiliated entity and an on-premises retailer's permit shall be required for the separate location. All sales of alcoholic beverages by holders of a caterer's permit shall be made at the location being catered by the caterer, and, except as otherwise provided in subsection (5) of this section, such sales may be made only for consumption at the catered location. The location being catered may be anywhere within a county or judicial district that has voted to come out from under the dry laws or in which the sale and distribution of alcoholic beverages is otherwise authorized by law. Such sales shall be made pursuant to any other conditions and restrictions which apply to sales made by on-premises retail permittees. The holder of a caterer's permit or his employees shall remain at the catered location as long as alcoholic beverages are being sold pursuant to the permit issued under this paragraph (g), and the permittee shall have at the location the identification card issued by the Alcoholic Beverage Control Division of the department. No unsold alcoholic beverages may be left at the catered location by the

Any unencumbered balance remaining in

the special fund account on June 30 of any fiscal year shall lapse into the State General Fund.

All privilege taxes imposed by this section shall be paid in advance of doing business. A new permittee whose privilege tax is determined by production volume will pay the tax for the first year in accordance with department regulations. Paragraph (y) of this subsection shall stand repealed from and after July 1, 2023.

(2) (a) There is imposed and shall be collected from each permittee, except a common carrier, solicitor, a temporary permittee or a delivery service permittee, by the department, an additional license tax equal to the amounts imposed under subsection (1) of this section for the privilege of doing business within any municipality or county in which the licensee is located.

(b) (i) In addition to the tax imposed in paragraph (a) of this subsection, there is imposed and shall be collected by the department from each permittee described in subsection (1)(g), (h), (i), (n) and (u) of this section, an additional license tax for the privilege of doing business within any municipality or county in which the licensee is located in the amount of Two Hundred Twenty-five Dollars (\$225.00) on purchases exceeding Five Thousand Dollars (\$5,000.00) and Two Hundred Twenty-five Dollars (\$225.00) for each additional purchase of Five Thousand Dollars (\$5,000.00), or fraction thereof.

(c) If the licensee is located within a municipality, the department shall pay the amount of additional license tax collected under this section to the municipality, and if outside a municipality the department shall pay the additional license tax to the county in which the licensee is located. Payments by the department to the respective local government subdivisions shall be made once each month for any collections during the preceding month.

(3) When an application for any permit, other than for renewal of a permit, has been rejected by the department, such decision shall be final. Appeal may be made in the manner provided by Section 67-1-39. Another application from an applicant who has been denied a permit shall not be reconsidered within a twelve-month period.

(4) The number of permits issued by the department shall not be restricted or limited on a population basis; however, the foregoing limitation shall not be construed to preclude the right of the department to refuse to issue a permit because of the undesirability of the proposed location.

(5) If any person shall engage or continue in any business which is taxable under this section without having paid the tax as provided in this section, the person shall be

liable for the full amount of the tax plus a penalty thereon equal to the amount thereof, and, in addition, shall be punished by a fine of not more than One Thousand Dollars (\$1,000.00), or by imprisonment in the county jail for a term of not more than six (6) months, or by both such fine and imprisonment, in the discretion of the court.

(6) It shall be unlawful for any person to consume alcoholic beverages on the premises of any hotel restaurant, restaurant, club or the interior of any public place defined in Chapter 1, Title 67, Mississippi Code of 1972, when the owner or manager thereof displays in several conspicuous places inside the establishment and at the entrances of establishment a sign containing the following language: NO ALCOHOLIC BEVERAGES ALLOWED.

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 27-7-22.7, Mississippi Code of 1972, is reenacted as follows:

(2) For any income taxpayer utilizing the port facilities at any port for the export of cargo that is loaded on a carrier calling at any such port, a credit against the taxes imposed pursuant to this chapter shall be allowed in the amounts provided in this section.

(3) Except as otherwise provided by subsection (5) of this section, the amount of the credit allowed pursuant to this section shall be the total of the following charges on export cargo paid by the corporation:

(4) The credit provided for in this section shall not exceed fifty percent (50%) of the amount of tax imposed upon the taxpayer for the taxable year reduced by the sum of all other credits allowable to such taxpayer under this chapter, except credit for tax payments made by or on behalf of the taxpayer. Any unused portion of the credit may be carried forward for the succeeding five (5) years. The maximum cumulative credit that may be claimed by a taxpayer pursuant to this section and for the period of time beginning on January 1, 1994, and ending on December 31, 2005, is limited to One Million Two Hundred Thousand Dollars (\$1,200,000.00).

(5) To obtain the credit provided for in this section, a taxpayer must provide to the Department of Revenue a statement from the governing authority of the port certifying the amount of charges paid by the taxpayer for which a credit is claimed and any other information required by the Department of Revenue.

(6) The purpose of the tax credit provided for in this section is to promote the increased use of ports and related facilities in this state, particularly by those taxpayers which would not otherwise use such ports and related facilities without the benefit of such tax credit, and increase the number of port related jobs and other economic development benefits associated with the increased use of such ports and related facilities. It is the intent of the Legislature that in determining whether or not such tax credit will be continued in future years, the attainment of the purposes set forth in this subsection must be demonstrated by the material contained in the reports prepared by the Mississippi Development Authority under Section 27-7-22.9.

SECTION 2. Section 27-7-22.9, Mississippi Code of 1972, is reenacted as follows:

27-7-22.9. The Mississippi Development Authority shall report annually to the Legislature regarding the impact of the credit granted in Section 27-7-22.7 on shipping

and economic growth. Each report shall show the overall annual increase on shipping at each port for the most recent year for which data is available and for each of the previous five (5) years. Each report shall estimate the number of jobs created or retained at each port and in businesses related to port activity at each port since January 1, 1994, as compared to the number of similar jobs created during the ten (10) years preceding January 1, 1994. The Mississippi Development Authority shall file a copy of the report with the Governor, the Secretary of the Senate, the Clerk of the House of Representatives and the Chairmen of the House Ways and Means Committee and the Senate Finance Committee of the Legislature on May 1 of each year. Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 19-5-9, Mississippi Code of 1972, is amended as follows:

19-5-9. (1) The construction codes published by a nationally recognized code group which sets minimum standards and has the proper provisions to maintain up-to-date amendments are adopted as minimum standard guides for building, plumbing, electrical, gas, sanitary, and other related codes in Mississippi. Any county within the State of Mississippi, in the discretion of the board of supervisors, may adopt building codes, plumbing codes, electrical codes, sanitary codes, or other related codes dealing with general public health, safety or welfare, or a combination of the same, within but not exceeding the provisions of the construction codes published by nationally recognized code groups, by order or resolution in the manner prescribed in this section, but those codes so adopted shall apply only to the unincorporated areas of the county. However, those codes shall not apply to the erection, maintenance, repair or extension of farm buildings or farm structures, except as may be required under the terms of the "Flood

Disaster Protection Act of 1973," and shall apply to a master planned community as defined in Section 19-5-10 only to the extent allowed in Section 19-5-10. The provisions of this section shall not be construed to authorize the adoption of any code which applies to the installation, repair or maintenance of electric wires, pipelines, apparatus, equipment or devices by or for a utility rendering public utility services, required by it to be utilized in the rendition of its duly authorized service to the public. Before any such code shall be adopted, it shall be either printed or typewritten and shall be presented in pamphlet form to the board of supervisors at a regular meeting. The order or resolution adopting the code shall not set out the code in full, but shall merely identify the same. The vote or passage of the order or resolution shall be the same as on any other order or resolution. After its adoption, the code or codes shall be certified to by the president and clerk of the board of supervisors and shall be filed as a permanent record in the office of the clerk who shall not be required to transcribe and record the same in the minute book as other orders and resolutions.

(2) If the board of supervisors of any county adopts or has adopted construction codes which do not have proper provisions to maintain up-to-date amendments, specifications in such codes for cements used in portland cement concrete shall be superseded by nationally recognized specifications referenced in any code adopted by the Mississippi Building Code Council.

(3) All provisions of this section shall apply to amendments and revisions of the codes mentioned in this section. The provisions of this section shall be in addition and supplemental to any existing laws authorizing the adoption, amendment or revision of county orders, resolutions or codes.

(4) Any code adopted under the provisions of this section shall not be in operation or force until sixty (60) days have elapsed from the adoption of same; however, any code adopted for the immediate preservation of the public health, safety and general welfare may be effective from and after its adoption by a unanimous vote of the members of the board. Within five (5) days after the adoption or passage of an order or resolution adopting that code or codes the clerk of the board of supervisors shall publish in a legal newspaper published in the county the full text of the order or resolution adopting and approving the code, and the publication shall be inserted at least three (3) times, and shall be completed within thirty (30) days after the passage of the order or resolution.

(5) Any person or persons objecting to the code or codes may object in writing to the provisions of the code or codes within sixty (60) days after the passage of the order or resolution approving same, and if the board of supervisors adjudicates that ten percent (10%) or more of the qualified electors residing in the affected unincorporated areas of the county have objected in writing to the code or codes, then in such event the code shall be inoperative and not in effect unless adopted for the immediate preservation of the public health, safety and general welfare until approved by a special election called by the board of supervisors as other special elections are called and conducted by the election commissioners of the county as other special elections are conducted, the special election to be participated in by all the qualified electors of the county residing in the unincorporated areas of the county. If the voters approve the code or codes in the special election it shall be in force and in operation thereafter until amended or modified as provided in this section. If the majority of the qualified electors voting in the special election vote against the code or codes, then, in such event, the code or codes shall be void and of no force and effect, and no other code or codes dealing with that subject shall be adopted under the provisions of this section until at least two (2) years thereafter.

(6) After any such code shall take effect the board of supervisors is authorized to employ such directors and other personnel as the board, in its discretion, deems necessary and to expend general county funds or any other funds available to the board to fulfill the purposes of this section.

(7) For the purpose of promoting health, safety, morals or the general welfare of the community, the governing authority of any municipality, and, with respect to the unincorporated part of any county, the governing authority of any county, in its discretion, is empowered to regulate the height, number of stories and size of building and other structures, the percentage of lot that may be occupied, the size of the yards, courts and other open spaces, the density or population, and the location and use of buildings, structures and land for trade, industry, residence or other purposes, but no permits shall be required except as may be required under the terms of the "Flood Disaster Protection Act of 1973" for the erection, maintenance, repair or extension of farm buildings or farm structures outside the corporate limits of municipalities.

(8) The authority granted in this section is cumulative and supplemental to any other authority granted by law.

(9) Notwithstanding any provision of this section to the contrary, any code adopted by a county before or after April 12, 2001, is subject to the provisions of Section 41-26-14(10).

(10) Notwithstanding any provision of this section to the contrary, the Boards of Supervisors of Jackson, Harrison, Hancock, Stone and Pearl River Counties shall enforce the requirements imposed under Section 17-2-1 as provided in such section.

(11) Regardless of whether a county adopts or has adopted codes, as set forth in this section, each and every county in this state shall require permitting as a condition to construction within the unincorporated areas of the county, and such permits shall contain, on their face, in conspicuous print, (a) the contractor's material purchase certificate number to the extent furnished by the Department of Revenue pursuant to Section 27-65-21(4) or the contractor's Taxpayer Identification Number as furnished by the Internal Revenue Service, and either a copy of such material purchase certificate furnished by the Department of Revenue pursuant to Section 27-65-21(4), or a copy of the contractor's W-9, as the case may be, shall be required to be provided to the county as part of the prime contractor's application for such permit, prior to the issuance of such permit, and (b) the contractor's license or certificate of responsibility number as required by either Section 31-3-14 et seq., 51-5-1 et seq. or 73-59-1 et seq.

SECTION 2. Section 21-19-25, Mississippi Code of 1972, is amended as follows:

21-19-25. (1) Any municipality within the State of Mississippi may, in the discretion of its governing authority, adopt building codes, plumbing codes, electrical codes, gas codes, sanitary codes, or any other codes dealing with general public health, safety or welfare, or a combination of the same, by ordinance, in the manner prescribed in this section. Before any such code shall be adopted, it shall be either printed or typewritten, and it shall be presented in pamphlet form to the governing authority of the municipality at a regular meeting. The ordinance adopting the code shall not set out the code in full, but shall merely identify the same. The vote on passage of the ordinance shall be the same as on any other ordinances. After its adoption, the code shall be certified to by the mayor and clerk of the municipality, and shall be filed as a permanent record in the office of the clerk, who shall not be required to transcribe and record the same in the ordinance book as other ordinances. It shall not be necessary that the ordinance adopting the code or the code itself be published in full, but notice of the adoption of the code shall be given by publication in some newspaper of the municipality for one (1) time, or if there be no such newspaper, by posting at three (3) or more public places within the corporate limits, a notice in substantially the following form:

Notice is given that the city (or town or village) of \_\_\_\_\_, on the (give date of ordinance adopting code), adopted (state type of code and other information serving to identify the same) code.

(2) If the governing authority of any municipality adopts or has adopted construction codes which do not have proper provisions to maintain up-to-date amendments, specifications in such codes for cements used in portland cement concrete shall be superseded by nationally recognized specifications referenced in any code adopted by the Mississippi Building Code Council.

(3) All the provisions of this section shall apply to amendments and revisions of the code mentioned in this section. Any code adopted in accordance with this section shall not be in force for one (1) month after its passage, unless the municipal authorities in the ordinance authorize to the contrary. The provisions of this section shall be in addition and supplemental to any existing laws authorizing the adoption, amendment or revision of municipal ordinances or codes.

(4) Notwithstanding any provision of this section to the contrary, any code adopted by a municipality before or after April 12, 2001, is subject to the provisions of Section 41-26-14(10).

(5) Notwithstanding any provision of this section to the contrary, the governing authorities of each municipality in Jackson, Harrison, Hancock, Stone and Pearl River Counties shall enforce the requirements imposed under Section 17-2-1 as provided in such section.

(6) Regardless of whether the governing authority of any municipality adopts or has adopted construction codes, as set forth in this section, each and every governing authority of any municipality shall require permitting as a condition to construction within the municipality's jurisdiction, and any and all such permits shall contain on their faces, in conspicuous print, (a) the contractor's material purchase certificate number to the extent one is furnished by the Department of Revenue pursuant to Section 27-65-21(4) or the contractor's Taxpayer Identification Number as furnished by the Internal Revenue Service, and either a copy of such material purchase certificate furnished by the Department of Revenue pursuant to Section 27-65-21(4), or a copy of the contractor's W-9, as the case may be, shall be required to be provided to the governing authority of such municipality as part of the contractor's application for such permit, prior to the issuance of such permit, and (b) the contractor's license or certificate of responsibility number as required by either Section 31-3-14 et seq., 51-5-1 et seq. or 73-59-1 et seq.

(7) The provisions of this section shall apply to all municipalities of this state, whether operating under the code charter, a special charter, commission form, or other form of government.

WHEREAS, the State of Mississippi has no official state song because "Go, Mississippi" was declared the official state song under House Concurrent Resolution No. 67 (1962 Regular Session) and was never enacted as a statute and codified as other official state emblems and designations; and

WHEREAS, the official state song of Mississippi should reference the rich music traditions of the state which are performed and celebrated by music lovers across the state, country and internationally; and

WHEREAS, the extensive history and diversity of the State of Mississippi require the designation of three official state songs that can be sung with pride and affection; and

WHEREAS, Jimmie Rodgers of Meridian, Mississippi, "The Father of Country Music," has had a profound impact on all of our lives and touched our souls with his simple but unique way with music. "Miss the Mississippi and You" by Jimmie Rodgers in 1932 meets the melodic and lyrical requirements for a state song, the words of which are as follows:

MISS THE MISSISSIPPI AND YOU

I'm growing tired of the big city lights

Tired of the glamour, tired of the size

I'm always dreaming of roaming once more

Back to my home on the old river shore

Days are dark and dreary everywhere I roam

How I long for Mississippi and you

Nothing seems to cheer me under heaven's door

How I miss the Mississippi and you

Roaming the wide world over

Always alone and blue, so blue

I am sad and weary, longing to go home

Yes, I miss the Mississippi and you

Mockingbirds are singing 'round the cabin door

While I dream of Mississippi and you

And my memories are bringing happy days of yore

I have spent in Mississippi with you

Roaming the wide world over

Always alone and blue, so blue

Longing for my homeland on that muddy water shore

Yes, I miss the Mississippi and you

The Mississippi and you

WHEREAS, "Cross Road Blues" (more commonly known as "Crossroads") is a blues song written and recorded by Mississippi Blues Artist Robert Johnson in 1936. Johnson performed it as a solo piece with his vocal and acoustic slide guitar in the Delta blues-style. The song has become part of the Robert Johnson mythology as referring to the place where he supposedly sold his soul to the Devil in exchange for his musical talents, although the lyrics do not contain any specific references to such events.

Renowned English Guitarist Eric Clapton with Cream popularized the song as "Crossroads" in the late 1960s. "Cross Road Blues" meets the melodic and lyrical requirements for a state song, the words of which are as follows:

## CROSSROADS

I went down to the crossroads, fell down on my knees.

I went down to the crossroads, fell down on my knees.

Asked the Lord above for mercy, "Save me if you please."

I went down to the crossroads, tried to flag a ride.

I went down to the crossroads, tried to flag a ride.

Nobody seemed to know me, everybody passed me by.

I'm going down to Rosedale, take my rider by the side.

I'm going down to Rosedale, take my rider by the side.

You can still barrel house, baby, on the riverside.

You can run, you can run, tell my friend-boy Willie Brown.

You can run, you can run, tell my friend-boy Willie Brown.

And I'm standing at the crossroads, believe I'm sinking down; and

WHEREAS, in 2021, a popular Mississippi singer and songwriter released a new anthem for the state titled "One Mississippi." In 2017, Steve Azar, who was born and reared in Greenville, Mississippi, was asked by Governor Phil Bryant to write the official Mississippi bicentennial song. "One Mississippi" was recorded at a new recording studio at the Mississippi Arts & Entertainment Experience Museum in Meridian. Azar's lyrics encompass all corners of the Magnolia State, the words of which are as follows:

## ONE MISSISSIPPI

Fertile fields of flat lands and hills raise

'bout anything, whatever a farmer can dream.

Slug burgers, shrimp boil, catfish fried up in oil.

Oh good gosh oh mighty, just to husk a hot tamale, now.

Now that's Mississippi.

America's music birthplace where rock and roll

was made out of our gospel and blues

and that pure country tune.

Oh authors and poets, so profoundly historic.

An imagination of a child let their

words run wild. Come on now.

Now that's Mississippi.

I say, one Mississippi there's a magnolia tree.

Two Mississippi where a mockingbird sings, out on its limb, whistling that sweet soulful  
hymn.

I say, three Mississippi to this land called home.

I'll breathe Mississippi 'til I'm dead and gone.

Just carry on. I'll carry on. Mississippi. Yeah.

We survived hurricanes, know them by name,

rose above a flood, built a wall of its own mud.

And come Sunday morning, we profess our faith,

we're near the cross and His amazing grace.

Oh yeah, now that's Mississippi.

I say, one Mississippi there's a magnolia tree.

Two Mississippi where a mockingbird sings, out on its limb, whistling that sweet soulful  
hymn.

I say, three Mississippi to this land called home.

I'll breathe Mississippi 'til I'm dead and gone.

Just carry on. I'll carry on. Mississippi.

Round here's where the Muppets grew up.

And potters and artists inspired all of us.

It's kudzu walls and fall football.

A Gulf Coast sunset and a Delta dawn.

It's simple nights, a smile on a face,

taking that peaceful drive down the Natchez Trace.

And our old man river, lavish lakes and streams.

Pines full of the wildest life and possibilities.

That's Mississippi.

Now Jackson is some kind of centerpiece on a

most celebrated table of hospitality.

And ain't it funny how the world has come to

count it seems, they're doing it everywhere,

it's just not one, two, three. No.

We're one Mississippi where there's a magnolia tree.

Two Mississippi while a mockingbird sings,

out on its limb, oh what a sweet soulful hymn.

I say, three Mississippi to this land called home.

I'll bleed Mississippi til I'm dead and gone.

Won't you carry on. Oh carry on. Mississippi. Mississippi.

NOW, THEREFORE,

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. The following are hereby designated the official state songs of the State of Mississippi:

(a) Traditional Country Song, "Miss the Mississippi and You" by Jimmie Rodgers;

(a) When a hospital refers an individual at or near death to a procurement organization, the organization shall make a reasonable search of the records of the Mississippi Department of Public Safety, the Mississippi Department of Wildlife, Fisheries and Parks and any donor registry that it knows exists for the geographical area in which the individual resides to ascertain whether the individual has made an anatomical gift.

(b) A procurement organization must be allowed reasonable access to information in the records of the Mississippi Department of Public Safety and the Mississippi Department of Wildlife, Fisheries and Parks to ascertain whether an individual at or near death is a donor.

(c) When a hospital refers an individual at or near death to a procurement organization, the organization may conduct any reasonable examination necessary to ensure the medical suitability of a part that is or could be the subject of an anatomical gift for transplantation, therapy, research, or education from a donor or a prospective donor. The procurement organization representative shall initiate the consent process with reasonable discretion and sensitivity to the family's circumstances, values and beliefs.

(d) Unless prohibited by law other than Sections 41-39-101 through 41-39-149, at any time after a donor's death, the person to which a part passes under Section 41-39-121 may conduct any reasonable examination necessary to ensure the medical suitability of the body or part for its intended purpose.

(g) Upon referral by a hospital under subsection (a), a procurement organization shall make a reasonable search for any person listed in Section 41-39-117 having priority to make an anatomical gift on behalf of a prospective donor. If a procurement organization receives information that an anatomical gift to any other person was made, amended, or revoked, it shall promptly advise the other person of all relevant information.

(h) Subject to Sections 41-39-121(i) and 41-39-143, the rights of the person to which a part passes under Section 41-39-121 are superior to the rights of all others with respect to the part. The person may accept or reject an anatomical gift in whole or in part. Subject to the terms of the document of gift and Sections 41-39-101 through 41-39-149, a person that accepts an anatomical gift of an entire body may allow embalming, burial or cremation, and use of remains in a funeral service. (i) Neither the physician who attends the decedent at death nor the physician who determines the time of the decedent's death may participate in the procedures for removing or transplanting a part from the decedent.

The donor registry shall reimburse the department for any costs associated with providing this information to the registry. If the department is not reimbursed according to this subsection, the department is absolved of all responsibility to collect and provide donor data to the registry.

( \*\* \*d) A donor registry must:

(1) Allow a donor or other person authorized under Section 41-39-107 to include on the donor registry a statement or symbol that the donor has made, amended, or revoked an anatomical gift;

(2) Be accessible to a procurement organization to allow it to obtain relevant information on the donor registry to determine, at or near death of the donor or a prospective donor, whether the donor or prospective donor has made, amended, or revoked an anatomical gift; and

(3) Be accessible for purposes of paragraphs (1) and (2) seven (7) days a week on a twenty-four-hour basis.

( \*\* \*e) Except as otherwise provided in subsection ( \*\* \*g), personally identifiable information on a donor registry about a donor or prospective donor may not be used or disclosed without the express consent of the donor, prospective donor, or person that

made the anatomical gift for any purpose other than to determine, at or near death of the donor or prospective donor, whether the donor or prospective donor has made, amended, or revoked an anatomical gift.

( \*\* \*f) This section does not prohibit any person from creating or maintaining a donor registry that is not established by or under contract with the state. Any such registry must comply with subsections ( \*\* \*d) and ( \*\* \*e).

( \*\* \*g) At the time that a person is renewing his or her driver's license, the Department of Public Safety shall ask the person if he or she would like to be a donor. If the answer is yes, the department shall inform the prospective donor that his or her decision to be a donor cannot be revoked, changed or contested after his or her death by the donor's next of kin or by any other person, and shall ask the person if he or she desires information about the person's decision to be a donor to be sent to another person or persons. If the answer is yes, the department shall obtain the name and mailing address of the person or persons designated by the prospective donor, and the donor registry shall send the information about the prospective donor's decision to the designated person or persons as requested.

(h) At the time that a person is applying to renew a hunting or fishing license online through the Mississippi Department of Wildlife, Fisheries and Parks' website, the website will include a question asking if the person would like to be a donor. If the answer is yes, the website application must inform the prospective donor that a decision to be a donor cannot be revoked, changed or contested after the donor's death by the donor's next of kin or by any other person. The application will include a question asking the applicant if the person desires information about the person's decision to be a donor to be sent to another person or persons. If the answer is yes, the online application must obtain the name and mailing address of the person or persons designated by the prospective donor, and the donor registry shall send the information about the prospective donor's decision to the designated person or persons as requested.

SECTION 7. Section 1 of this act shall be codified as a new section in Title 49, Chapter 7, Mississippi Code of 1972.

SECTION 8. This act shall take effect and be in force from and after July 1, 2022, and shall stand repealed on June 30, 2022.

(iii) For service of each process of every kind and nature issued from outside the county where it is to be served, the fees provided in subparagraphs (i) and (ii) of this paragraph, as applicable, shall be assessed.

(iv) When a complaining party has provided erroneous information to the clerk of the court relating to the service of process on the defendant or defendants and process cannot be served after diligent search and inquiry on oath thereof of the marshal or constable, as the case may be, charged with serving such process, the fees provided in subparagraphs (i) and (ii) of this paragraph, as applicable, shall be assessed.

(v) When process has been attempted in one (1) county but the defendant is not found, and process must be served on that defendant in another county, the clerk shall notify the complaining party that an additional fee or fees must be paid before the process can be delivered to the other county.

(b) After final judgment has been enrolled, further proceedings involving levy of execution on judgments, and attachment and garnishment proceedings shall be a new suit for which the marshal or constable shall be entitled to the following fee ..... \$ 45.00

(c) For conveying a person charged with a crime to jail, mileage reimbursement in an amount not to exceed the rate established under Section 25-3-41(2).

To be paid out of the county treasury on the allowance of the board of supervisors, when the state fails in the prosecution, or the person is convicted but is not able to pay the costs.

(d) For other service, the same fees allowed sheriffs for similar services.

(e) For service as a bailiff in any court in a civil case, to be paid by the county on allowance of the court on issuance of a warrant therefor, an amount equal to the amount provided under Section 19-25-31 for each day, or part thereof, for which he serves as bailiff when the court is in session.

(f) For serving all warrants and other process and attending all trials in state cases in which the state fails in the prosecution, to be paid out of the county treasury on the allowance of the board of supervisors without itemization, subject, however, to the condition that the marshal or constable must not have overcharged in the collection of fees for costs, contrary to the provisions of this section, annually.. \$2,500.00

(2) Marshals and constables shall be paid all uncollected fees levied under subsection (1) of this section in full from the first proceeds received by the court from the guilty party or from any other source of payment in connection with the case.

(3) In addition to the fees authorized to be paid to a constable under subsection (1) of this section, a constable may receive payments for collecting delinquent criminal fines in justice court pursuant to the provisions of Section 19-3-41(3).

SECTION 8. Section 41-61-59, Mississippi Code of 1972, is brought forward as follows:

41-61-59. (1) A person's death that affects the public interest as specified in subsection (2) of this section shall be promptly reported to the medical examiner by the physician in attendance, any hospital employee, any law enforcement officer having knowledge of the death, the embalmer or other funeral home employee, any emergency medical technician, any relative or any other person present. The appropriate medical examiner shall notify the municipal or state law enforcement agency or sheriff and take charge of the body. When the medical examiner has received notification under Section 41-39-15(6) that the deceased is medically suitable to be an organ and/or tissue donor, the medical examiner's authority over the body shall be subject to the provisions of Section 41-39-15(6). The appropriate medical examiner shall notify the Mississippi Bureau of Narcotics within twenty-four (24) hours of receipt of the body in cases of death as described in subsection (2)(m) or (n) of this section.

(2) A death affecting the public interest includes, but is not limited to, any of the following:

(a) Violent death, including homicidal, suicidal or accidental death.

(e) Death that has occurred unexpectedly or from an unexplained cause.

(f) Death of a person confined in a prison, jail or correctional institution.

(g) Death of a person where a physician was not in attendance within thirty-six (36) hours preceding death, or in prediagnosed terminal or bedfast cases, within thirty (30) days preceding death.

(h) Death of a person where the body is not claimed by a relative or a friend.

(i) Death of a person where the identity of the deceased is unknown.

(j) Death of a child under the age of two (2) years where death results from an unknown cause or where the circumstances surrounding the death indicate that sudden infant death syndrome may be the cause of death.

(k) Where a body is brought into this state for disposal and there is reason to believe either that the death was not investigated properly or that there is not an adequate certificate of death.

(l) Where a person is presented to a hospital emergency room unconscious and/or unresponsive, with cardiopulmonary resuscitative measures being performed, and dies within twenty-four (24) hours of admission without regaining consciousness or responsiveness, unless a physician was in attendance within thirty-six (36) hours preceding presentation to the hospital, or in cases in which the decedent had a prediagnosed terminal or bedfast condition, unless a physician was in attendance within thirty (30) days preceding presentation to the hospital.

(a) A medical examiner or his deputy shall receive One Hundred Seventy-five Dollars (\$175.00) for each completed report of investigation of death, plus the examiner's actual expenses. In addition to that fee, in cases where the cause of death was sudden infant death syndrome (SIDS) and the medical examiner provides a SIDS Death Scene Investigation report, the medical examiner shall receive for completing that report an additional Fifty Dollars (\$50.00), or an additional One Hundred Dollars (\$100.00)

if the medical examiner has received advanced training in child death investigations and presents to the county a certificate of completion of that advanced training. The State Medical Examiner shall develop and prescribe a uniform format and list of matters to be contained in SIDS/Child Death Scene Investigation reports, which shall be used by all county medical examiners and county medical examiner investigators in the state.

(b) The pathologist performing autopsies as provided in Section 41-61-65 shall receive One Thousand Dollars (\$1,000.00) per completed autopsy, plus mileage expenses to and from the site of the autopsy, and shall be reimbursed for any out-of-pocket expenses for third-party testing, not to exceed One Hundred Dollars (\$100.00) per autopsy.

(2) Any medical examiner, physician or pathologist who is subpoenaed for appearance and testimony before a grand jury, courtroom trial or deposition shall be entitled to an expert witness hourly fee to be set by the court and mileage expenses to and from the site of the testimony, and such amount shall be paid by the jurisdiction or party issuing the subpoena.

SECTION 10. This act shall take effect and be in force from and after July 1, 2022, and shall stand repealed on June 30, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

Senator Carter called up the following entitled bill:

**H. B. No. 1214:** Carbon dioxide geologic sequestration; revise laws regarding.

Senator Carter offered the following COMMITTEE AMENDMENT NO. 1.

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 53-11-3, Mississippi Code of 1972, is amended as follows:

53-11-3. (1) It is declared to be in the public interest for a public purpose and the policy of Mississippi that:

(a) The geologic sequestration of carbon dioxide will benefit the citizens of the state and the state's environment.

(b) Carbon dioxide is a valuable commodity to the citizens of the state.

(c) Geologic sequestration of carbon dioxide may allow for orderly withdrawal as appropriate or necessary, thereby allowing carbon dioxide to be available for commercial, industrial, or other uses, including the use of carbon dioxide for enhanced recovery of oil and gas.

(d) The state has substantial and valuable oil and gas reserves not producible by traditional recovery techniques, but which may be producible by enhanced recovery methods.

(e) The enhanced recovery of oil and gas by the injection of carbon dioxide into oil and gas reservoirs is a proven enhanced recovery method which results in additional production of oil and gas in the State of Mississippi and the sequestration of carbon dioxide.

(f) It is for the public benefit and in the public interest that the maximum amount of the state's oil and gas reserves be produced to the extent that it is economically and technologically feasible.

(g) It is for the public benefit and in the public interest that, to the extent that it is economically and technologically feasible, carbon dioxide be injected into and stored in oil and gas reservoirs and other geologic formations in a manner protective of waters of the state as defined in Section 49-17-5(f).

(h) Providing at the election of the operator for a current or former enhanced oil or gas recovery project to qualify as a geologic sequestration project for the incidental storage of carbon dioxide will encourage enhanced oil or gas recovery projects and geologic sequestration projects and will be beneficial to the citizens of this state and will serve the public interest.

(i) Geologic sequestration of carbon dioxide is an emerging industry that has the potential to provide jobs, investment, and other economic opportunities for the people of Mississippi, and is a valuable incentive for Mississippi to attract new industry.

(j) It is the public policy of Mississippi and the purpose of this chapter to provide for a coordinated statewide program related to the geologic sequestration of carbon dioxide in reservoirs defined in this chapter; to provide procedures, in a manner fair to all interests, for the cooperative management of surface and subsurface property interests to ensure the maximum use of natural resources; and to also fulfill the state's primary responsibility for assuring compliance with the federal Safe Drinking Water Act, including any amendments thereto related to the underground injection of carbon dioxide for geologic sequestration.

(k) It is for the public benefit and in the public interest to promote projects for the secure geologic storage of carbon dioxide.

(2) The board shall have jurisdiction and authority over all persons and property necessary to enforce effectively the provisions of this chapter relating to the geologic sequestration of carbon dioxide streams and subsequent withdrawal of stored carbon dioxide streams. The board, on behalf of the State of Mississippi, shall seek primacy from the U.S. Environmental Protection Agency for Class VI underground injection control wells. The board shall enforce the law pursuant to Section 49-17-1 et seq. and shall serve as the permitting agency for Class VI underground injection control wells; and is authorized to promulgate such rules and regulations as are necessary for the development and administration of the Class VI underground injection control well program consistent with federal statutes, rules and regulations pertaining to geologic sequestration of carbon dioxide streams and assessment of fees for the development and administration of the Class VI underground injection control well program. Underground formations or strata used for the geologic sequestration of carbon dioxide that are not included in the term "reservoir" as defined in this chapter shall also be subject to the jurisdiction of the board. The board has primacy for Class II underground injection control wells and will have jurisdiction and authority over Class II underground injection control wells converted to Class VI underground injection control wells and Class VI underground injection control wells within reservoirs as defined in this chapter. All rules, regulations and standards promulgated by the board shall be consistent with the requirements of federal statutes, rules and regulations related to Class VI underground injection control wells.

SECTION 2. Section 53-11-5, Mississippi Code of 1972, is amended as follows:

53-11-5. As used in this chapter, the following terms shall have the meanings ascribed unless the context clearly indicates otherwise:

(a) "Board" means the State Oil and Gas Board created by Section 53-1-5.

(b) "Carbon dioxide" means: (i) naturally occurring carbon dioxide; (ii) geologically sourced carbon dioxide; (iii) anthropogenic carbon dioxide; or (iv) carbon dioxide stream. The term includes phases of carbon dioxide, whether fluid, liquid or gaseous, stripped, segregated, or divided from any other fluid stream thereof.

(c) "Carbon dioxide stream" means carbon dioxide that has been captured from an emission source (e.g., a power plant), plus incidental associated substances derived from the source materials and the capture process, and any substances added to the stream to enable or improve the injection process. This paragraph (c) does not apply to any carbon dioxide stream that meets the definition of hazardous waste under federal environmental laws and regulations.

(d) "Class VI underground injection control wells" means wells that are not experimental in nature, that are used for geologic sequestration of a carbon dioxide stream, either alone or in combination with injection of carbon dioxide in other forms, and which inject beneath the lowermost formation containing an underground source of drinking water.

(e) "Department" means the Mississippi Department of Environmental Quality created by Section 49-2-4.

(f) "Enhanced oil or gas recovery project" means secondary recovery, pressure maintenance, repressuring operations, cycling operations, water-flooding operations, injection of carbon dioxide or other gaseous substances or any combination thereof, or any other form of effort calculated to increase the ultimate recovery of oil or gas or both from a reservoir.

(g) "Gas" has the same meaning as provided in Section 53-1-3(d).

(h) "Geologic sequestration" means the long-term containment of a gaseous, liquid, or supercritical carbon dioxide stream in subsurface geologic formations. For purposes of this chapter, "storage" and "sequestration" have the same meaning. This term does not apply to carbon dioxide capture or transport.

(i) "Geologic sequestration facility" means a facility that receives and contains or sequesters carbon dioxide, or has done so, including:

(i) The reservoir into which carbon dioxide is injected;

(ii) Sequestration wells, monitoring wells, underground equipment, and surface buildings and equipment utilized in geologic sequestration, owned by or under the control of the storage operator; and

(iii) Other property identified by the board as part of the facility.

The reservoir component of the geologic sequestration facility includes any necessary and reasonable buffer and subsurface monitoring zones designated by the board for the purpose of ensuring the safe and efficient operation of the geologic sequestration facility for the containment or sequestration of carbon dioxide and shall be chosen to protect against escape or migration of carbon dioxide. Nothing in this definition shall prevent orderly withdrawal of the contained carbon dioxide as appropriate or

necessary to allow carbon dioxide to be available for enhanced oil or gas recovery projects or other authorized commercial, and industrial uses.

(j) "Oil" has the same meaning as provided in Section 53-1-3(c).

(k) "Oil and gas reservoir" shall mean a pool or field as defined in Section 53-1-3(e) and (f).

(l) "Owner," except when used in the phrases "working owner" or "royalty owner," shall have its ordinary, accepted meaning.

(m) "Person" means any natural person, corporation, association, partnership, limited liability company, or other entity, receiver, executor, administrator, fiduciary or representative of any kind.

(n) "Reservoir" means oil and gas reservoirs and formations above and below oil and gas reservoirs suitable for or capable of being made suitable for the injection and storage of carbon dioxide therein, or any other geologic formation suitable for or capable of being made suitable for the injection and storage of carbon dioxide therein, but only those formations for which the boundaries have been or can be delineated as provided in this chapter.

(o) "Royalty owner" means any person who possesses an interest in production of oil, gas or other commercial minerals, but who is not a "working owner" as defined in this section.

(p) "Safe Drinking Water Act" means the Safe Drinking Water Act, as amended, Title 42, Chapter 6A, Subchapter XII (42 USCS Section 300(f) et seq.).

(q) "Sequestration" means geologic sequestration as used in this chapter and may include the incidental storage of carbon dioxide associated with enhanced oil recovery or gas recovery project operations.

(r) "State" means the State of Mississippi.

(s) "Storage operator" means the person authorized by the board to operate a geologic sequestration facility.

(t) "Underground source of drinking water" means an aquifer or portion of an aquifer that supplies any public water system or that contains a sufficient quantity of ground water to supply a public water system, and currently supplies drinking water for human consumption, or that contains fewer than ten thousand (10,000) milligrams per liter total dissolved solids and is not an exempted aquifer.

(u) "Working owner" means the person who has the right to drill into and produce from any pool of oil, gas or other commercial minerals, and to appropriate the production either for himself or for himself and another or others.

SECTION 3. Section 53-11-9, Mississippi Code of 1972, is amended as follows:

53-11-9. (1) The board may enter an order, after notice and hearing pursuant to the provisions of Sections 53-1-19 through 53-1-37, approving any proposed geologic sequestration of carbon dioxide. The board shall be authorized to issue an order upon finding the following:

(a) That the reservoir sought to be used as a reservoir for the injection, storage and withdrawal of carbon dioxide is suitable and feasible for such use and in the public interest;

(b) That a majority interest, as provided in this chapter, have consented to such use in writing, or in the event that a majority has not consented, for the purpose of a preliminary technical order under this subsection (1) that must subsequently meet the requirements of Section 53-11-11(3), upon a showing by the storage operator that it has made a good-faith effort to obtain such majority consent, and that all nonconsenting owners are or will be equitably compensated;

(c) That there is no reasonable risk that the use of the reservoir for the storage of carbon dioxide will injure or endanger other formations containing fresh water, oil, gas or other commercial mineral deposits;

(d) That there is no reasonable risk that the proposed storage will endanger human lives or cause a hazardous condition to property; and

(e) In the case of a reservoir that may contain oil, gas or other commercial minerals, that either:

(i) The reservoir has been substantially depleted of all volumes of reservoir oil, gas or other commercial minerals and the requirements of Sections 53-11-11 and 53-11-13 have been satisfied; or

(ii) The reservoir has a greater value or utility as a reservoir for carbon dioxide storage than for the production of the remaining volumes of reservoir oil, gas, condensate or other commercial mineral, if any, and the requirements of Sections 53-11-11 and 53-11-13 have been satisfied.

(2) Approval of a geologic sequestration facility by the board shall provide full and complete authority for the construction, equipping and operation of the geologic sequestration facility without need of further action or grant by any person.

( \* \* \*3) Neither injection nor an order of the board shall affect ownership of the carbon dioxide or inhibit the voluntary conveyance of title to the carbon dioxide by the owner. The board may issue any necessary order to protect the title of an owner to carbon dioxide injected into a geologic sequestration facility. The carbon dioxide shall not be subject to the right of any person other than the owner of the carbon dioxide to produce, take, reduce to possession, or otherwise interfere with or exercise any control thereover. The owner of the carbon dioxide shall have no right to gas, liquid hydrocarbons, salt or other commercial minerals in any stratum or portion thereof not determined by the board to constitute an approved sequestration reservoir which are not otherwise owned or leased by the owner.

SECTION 4. Section 53-11-11, Mississippi Code of 1972, is amended as follows:

53-11-11. (1) Upon application by an operator to unitize for a geologic sequestration facility in an oil or gas reservoir that is not unitized either under this chapter or by board order under the provisions of \* \* \* Section 53-3-103 or 53-3-155, after notice as provided in Section 53-3-115, the board shall hold a hearing to consider the operation of the reservoir for the storage of carbon dioxide to determine whether the predominant result of the injection operations will be the storage of carbon dioxide or will result in an increase in the ultimate recovery of oil or gas, or both, from the proposed geologic sequestration facility. After the hearing the board may:

(a) Determine from the evidence that the reservoir has more value as a geologic sequestration facility than as an enhanced oil or gas recovery project, and as a result, the board shall enter an order for the operation of the unit as a geologic sequestration facility upon making the additional findings set forth in Section 53-11-13.

(b) Determine from the evidence that the predominant result of the injection operations will be an increase in the ultimate recovery of oil or gas or both, and as a result,

the board shall not approve the application for a geologic sequestration facility. However, this shall not prevent the board, upon application of the operator, from approving operation of an existing enhanced oil or gas recovery project simultaneously as a geologic sequestration project, recognizing the incidental storage of carbon dioxide under the provisions set forth in Section 53-11-15(1)(d).

(2) Upon application by an operator to unitize for a geologic sequestration facility in any other nonoil, nongas or noncommercial mineral-bearing reservoir that needs to be unitized, after notice as provided, the board shall hold a hearing to consider the evidence, and shall enter an order for the operation of the reservoir as a geologic sequestration facility upon making the findings set forth in Sections 53-11-9(1) and 53-11-13.

(3) An order requiring unit operations of a geologic sequestration facility shall be effective only when the unit for the geologic sequestration facility and the agreements incorporating the pertinent provisions of Section 53-11-15 have been signed, ratified, adopted or approved in writing by a majority interest of the surface interest, on the basis of, and in proportion to, the surface acreage content of the unit area, and, if separately owned, a majority interest of all rights of the subsurface reservoir, on the basis of and in proportion to the surface acreage content of the unit area, and the board has made a finding to that effect, either in the order or in a supplemental order.

(4) If the board finds under Section 53-11-9(1)(e) that a reservoir has been substantially depleted of commercially recoverable quantities of oil or gas or other commercial minerals or that the reservoir has greater utility as a reservoir for carbon dioxide storage and that the remaining conditions of Section 53-11-9(1) have been satisfied; or if the board finds that a nonoil, nongas or noncommercial mineral-bearing reservoir satisfies the conditions of Section 53-11-9(1)(a) through (d) and all other conditions the board shall require have been satisfied, the board shall issue an order approving the reservoir for the injection and storage of carbon dioxide in connection with operation of a geologic sequestration facility. An order approving any geologic sequestration facility shall be effective only when the storage rights agreement has been signed, ratified, adopted or approved in writing by a majority interest of the surface interest, on the basis of, and in proportion to, the surface acreage content of the unit area under the terms of the order; and, if separately owned, a majority interest of all rights in the underground reservoir, on the basis of, and in proportion to, the surface acreage content of the unit area. If oil, gas or commercial minerals are expected to be produced and sold or used in connection with the geologic sequestration facility in a depleted oil, gas or commercial mineral-bearing reservoir, or such a reservoir that has greater utility as a geologic sequestration facility, then a majority interest of all working owners of such oil, gas or commercial minerals, on the basis of, and in proportion to, the surface acreage content of the unit area under the terms of the order, must also consent to the allocation of the production in writing before an order approving the geologic sequestration facility shall be effective.

(5) In the event the required percentages set forth in this section have not signed, ratified or approved the respective agreements within \* \* \* twenty-four (24) months from and after the date of the order, the order requiring unit operation shall be automatically revoked.

SECTION 5. Section 53-11-31, Mississippi Code of 1972, is amended as follows:

53-11-31. Any interested person, as defined in this section, adversely affected by any provision or section of this chapter within the jurisdiction of the board or by any rule, regulation or order made by the board thereunder, or by any act done or threatened thereunder, may obtain court review and seek relief by appeal to the Chancery Court of the First Judicial District of Hinds County, Mississippi, or the chancery court of the county in which the land involved, or any part thereof, is situated. The term "interested person" \* \* \* means all mineral and royalty owners, mineral lessees, if any, and the owners

of surface on which injection or reinjection wells and other surface equipment connected with a geologic sequestration facility is or will be situated. Any interested party may appeal to the chancery court of the county in which the land involved or any part thereof is situated, if appeal is demanded within thirty (30) days from the date that the rule, regulation or order of the board is filed for record in the office of the board.

The appeal may be taken by filing notice of the appeal with the board, whereupon the board shall, under its certificate, transmit to the court appealed to all documents and papers on file in the matter, together with a transcript of the record, which documents and papers together with said transcript of the record shall be transmitted to the clerk of the chancery court of the county to which the appeal is taken.

Except as otherwise provided in this section, the appeal otherwise shall be made in accordance with the provisions of Sections 53-1-39 and 53-1-41.

SECTION 6. This act shall take effect and be in force from and after July 1, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

Any tax levy made under authority of this chapter shall not be considered in refunding homestead exemption losses under Title 27, Chapter 33, Mississippi Code of 1972.

19-5-99. (1) Subject to the provisions of Section 19-9-111, the board of supervisors of any county in the State of Mississippi, in its discretion, by order duly entered on its minutes, may establish economic development districts comprising all of the county, or one or more supervisors districts of the county, or may establish such economic development districts in cooperation with one or more other counties or with municipalities or with other local and private economic development groups. The board of supervisors may do everything within its power to secure and further industrial development of the

county or counties or district, to advertise the natural resources and possibilities of the same, and to maintain and support the same.

All monies collected for the support and maintenance of such economic development district, in accordance with the tax levy provided in Section 19-9-111, shall be placed in the county treasury to the credit of the county or district economic development fund and shall be expended as other public funds are expended, and in which event the employees of such economic development district shall be employees of the county and considered as such. In addition to such funds provided by taxation, the board of supervisors of such county may accept gifts, gratuities and donations from municipalities in such districts and from any persons, firms or corporations desiring to make such donations. Such appropriation, gift or donation shall also be placed in the county treasury and be expended in the support and maintenance of such district.

At the option of such board of supervisors, or boards of supervisors if more than one (1) county is embraced in such economic development district, it may provide for the management of such economic development district by appointing not more than twenty-five (25) nor less than five (5) trustees, or if a multicounty district not more than five (5) trustees per participating county, who shall be qualified electors residing within such economic development district, to manage the affairs of such district, and in which event the funds made available by the county or counties for the support and maintenance of such economic development district may be expended by a majority vote of such trustees so appointed to manage such economic development district. Each trustee who is an officer of the economic development district shall qualify by giving bond, with sufficient surety, to be payable, conditioned and approved as provided by law, in a penalty equal to Fifty Thousand Dollars (\$50,000.00), the premiums on all such surety bonds being paid by such economic development district. If this option is exercised and such districts operated and maintained under this paragraph, then in such event the employees of such economic development district shall not be considered as employees of the county for state retirement or any other purposes.

All funds secured and expended under the provisions of this section shall be public funds and the Auditor of Public Accounts of the State of Mississippi shall audit the same as other public funds are now audited.

Notwithstanding any provision of this section to the contrary, the board of supervisors of a county having therein an economic development district established under this section or any other law and the governing authorities of any municipality located within the economic development district in such county may enter into a contract providing for the contribution of funds by the municipality or other local and private economic development groups to the economic development district and providing for the appointment by the municipal governing authorities or other local and private economic development groups of a number of trustees, as determined by the parties to the contract, to assist in the management of the district. In like manner, any economic or industrial development foundation or private economic development group may enter into a contract with the board of supervisors of the county or jointly with the board of supervisors of the county and municipal governing authorities providing for the contribution of funds by the economic or industrial development foundation or private economic development group to the economic development district and providing for the appointment by the officials or governing board of the foundation of a number of trustees, as determined by the parties to the contract, to assist in the management of the district.

(2) Any economic development district established under this section may, when suitable office space is not otherwise available, purchase and acquire title to real estate within the district and make any improvements thereon to provide the office space it considers necessary for efficient operation of such district. Provided, however, that no contract or agreement for the exclusive listing, sale or representation for sale of publicly owned property shall be entered into by such economic development districts with any real estate broker or brokers.

(3) (a) Any economic development district established under this section shall have the authority to acquire by gift, purchase or otherwise, and to own, hold, maintain, control and develop real estate situated within the county or counties comprising such district for the development, use and operation of industrial parks or other industrial development purposes. The district is further authorized and empowered to engage in works of internal improvement therefor including, but not limited to, construction or contracting for the construction of streets, roads, railroads, spur tracks, site improvements, water, sewerage, drainage, pollution control and other related facilities necessary or required for industrial development purposes or the development of industrial park complexes; to acquire, purchase, install, lease, construct, own, hold, equip, control, maintain, use, operate and repair other structures and facilities necessary and convenient for the planning, development, use, operation and maintenance of an industrial park or parks or for other industrial development purposes, including, but not limited to, utility installations, elevators, compressors, warehouses, buildings and air, rail and other transportation terminals and pollution control facilities.

(b) Contracts for the construction, improvement, equipping or furnishing of an industrial site and improvements thereon as authorized in this section shall be entered into upon the basis of public bidding under Section 31-7-1 et seq.

(4) For the development of such projects, the board of supervisors of any county that establishes an economic development district under this section or that establishes an economic development district in cooperation with one or more other counties, or municipalities or other local and private economic groups, may, upon receipt of a resolution duly adopted by the trustees of such district, issue, secure and manage its bonds in the manner prescribed by Sections 19-9-5, 19-9-7, 19-9-9, 19-9-11, 19-9-13, 19-9-15, 19-9-17, 19-9-19, 19-9-21, 19-9-23, 19-9-25 and 19-9-29. Such bonds shall be sold in accordance with the provisions of Section 31-19-25. The full faith, credit and resources of the county shall be irrevocably pledged for the payment of the principal of and interest on the bonds issued under this section. Any income derived from the sale or lease of the property authorized to be acquired under this section shall be applied in one or more of the following manners: (a) the retirement of bonds authorized to be issued under this section; (b) further improvement or development of such industrial parks or other related industrial development activities; or (c) payment into the general fund of the county to be used for any lawful purpose. Any amounts so paid into the general fund shall be included in the computation of total receipts and subject to the restrictions of Section 27-39-321. The board of supervisors may covenant with or for the benefit of the registered owners of any bonds issued under this section with respect to the application of any or all of such income and shall, by resolution adopted before or promptly after receipt of any such income, determine, in its discretion subject only to the restrictions set forth above and any covenants made to or for the benefit of any registered owners of bonds issued under this section, the manner in which such income shall be applied.

The bonds authorized by this section and the income therefrom shall be exempt from all taxation in the State of Mississippi; however, any lessee or purchaser shall not be exempt from ad valorem taxes on industrial sites and improvements thereon unless otherwise provided by the general laws of this state, and purchases required to establish the project and financed by bond proceeds shall not be exempt from taxation in the State of Mississippi.

(5) Economic development districts established under this section are authorized and empowered:

**H. B. No. 424:** Audiology and speech-language pathology interstate compact; create.

Senator Bryan offered the following COMMITTEE AMENDMENT NO. 1.

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. The Audiology and Speech-Language Pathology Interstate Compact is enacted into law and entered into by this state with any and all states legally joining in the Compact in accordance with its terms, in the form substantially as follows:

#### AUDIOLOGY AND SPEECH-LANGUAGE PATHOLOGY INTERSTATE COMPACT

##### SECTION 1.

##### PURPOSE

The purpose of this Compact is to facilitate interstate practice of audiology and speech-language pathology with the goal of improving public access to audiology and speech-language pathology services. The practice of audiology and speech-language pathology occurs in the state where the patient/client/student is located at the time of the patient/client/student encounter. The Compact preserves the regulatory authority of states to protect public health and safety through the current system of state licensure.

This Compact is designed to achieve the following objectives:

1. Increase public access to audiology and speech-language pathology services by providing for the mutual recognition of other member state licenses;
2. Enhance the states' ability to protect the public's health and safety;
3. Encourage the cooperation of member states in regulating multistate audiology and speech-language pathology practice;
4. Support spouses of relocating active duty military personnel;

5. Enhance the exchange of licensure, investigative and disciplinary information between member states;
6. Allow a remote state to hold a provider of services with a compact privilege in that state accountable to that state's practice standards; and
7. Allow for the use of telehealth technology to facilitate increased access to audiology and speech-language pathology services.

1. Take adverse action against an audiologist's or speech-language pathologist's privilege to practice within that member state.

2. Issue subpoenas for both hearings and investigations that require the attendance and testimony of witnesses as well as the production of evidence. Subpoenas issued by a licensing board in a member state for the attendance and testimony of witnesses or the production of evidence from another member state shall be enforced in the latter state by any court of competent jurisdiction, according to the practice and procedure of that court applicable to subpoenas issued in proceedings pending before it. The issuing authority shall pay any witness fees, travel expenses, mileage and other fees required by the service statutes of the state in which the witnesses or evidence are located.

3. Only the home state shall have the power to take adverse action against a audiologist's or speech-language pathologist's license issued by the home state.

B. For purposes of taking adverse action, the home state shall give the same priority and effect to reported conduct received from a member state as it would if the conduct had occurred within the home state. In so doing, the home state shall apply its own state laws to determine appropriate action.

C. The home state shall complete any pending investigations of an audiologist or speech-language pathologist who changes primary state of residence during the course of the investigations. The home state shall also have the authority to take appropriate action(s) and shall promptly report the conclusions of the investigations to the administrator of the data system. The administrator of the data system shall promptly notify the new home state of any adverse actions.

D. If otherwise permitted by state law, the member state may recover from the affected audiologist or speech-language pathologist the costs of investigations and disposition of cases resulting from any adverse action taken against that audiologist or speech-language pathologist.

E. The member state may take adverse action based on the factual findings of the remote state, provided that the member state follows the member state's own procedures for taking the adverse action.

F. Joint investigations.

1. In addition to the authority granted to a member state by its respective audiology or speech-language pathology practice act or other applicable state law, any member state may participate with other member states in joint investigations of licensees.

2. Member states shall share any investigative, litigation, or compliance materials in furtherance of any joint or individual investigation initiated under the Compact.

G. If adverse action is taken by the home state against an audiologist's or speech language pathologist's license, the audiologist's or speech-language pathologist's privilege to practice in all other member states shall be deactivated until all encumbrances have been removed from the state license. All home state disciplinary orders that impose

adverse action against an audiologist's or speech language pathologist's license shall include a statement that the audiologist's or speech-language pathologist's privilege to practice is deactivated in all member states during the pendency of the order.

H. If a member state takes adverse action against a licensee, it shall promptly notify the administrator of the data system. The administrator of the data system shall promptly notify the home state and any remote states in which the licensee has a privilege to practice of any adverse actions by the home state or remote states.

I. Nothing in this Compact shall override a member state's decision that participation in an alternative program may be used in lieu of adverse action.

C. Rules or amendments to the rules shall be adopted at a regular or special meeting of the Commission.

Public notice of any revisions shall be posted on the website of the Commission. The revision shall be subject to challenge by any person for a period of thirty (30) days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing and delivered to the Chair of the Commission prior to the end of the notice period. The division also shall provide a copy and summary of each proposed rate change to any other member of the Legislature upon request.

(3) (a) The committees may hold meetings to review a proposed rate change. If the committees decide to hold meetings, they shall notify the division of their intention in writing within seven (7) calendar days after receipt of the notice from the division under paragraph (2) of this subsection, and shall set the dates and times for the meetings in the notice to the division, which shall not be later than fourteen (14) calendar days after receipt of the notice from the division. The committees may hold public hearings on any proposed rate change as part of their meetings.

(b) After the committees have held their meetings, the committees may object to the proposed rate change or any part thereof. The committees shall notify the division of any objection and shall provide the division with the reasons for their objection in writing not later than seven (7) calendar days after the meeting. The committees may make written recommendations to the division for suggested changes to be made to a proposed rate change.

(c) If the committees do not hold meetings to review a proposed rate change, the proposed rate change will take effect on the date as scheduled by the division.

(4) (a) If there are any objections to a proposed rate change or any part thereof from the committees, the division may withdraw the proposed rate change, make any of the suggested changes to the proposed rate change that are recommended by the committees, or not make any changes to the proposed rate change.

(b) If the division does not make any changes to the proposed rate change, it shall notify the members of the committees of that fact in writing, and the proposed rate change shall take effect on the original date as scheduled by the division, or on such later date as specified by the division.

(c) If the division makes any changes to the proposed rate change, the division shall notify the committees of its actions in writing, and the revised proposed rate change shall take effect on the date as specified by the division.

(5) Nothing in this subsection (D) shall be construed as giving the committees any authority to veto, nullify or revise any rate change proposed by the division. The authority of the committees under this subsection shall be limited to reviewing, making objections to and making recommendations for suggested changes to rate changes proposed by the division.

(E) Notwithstanding any provision of this article, no new groups or categories of recipients and new types of care and services may be added without enabling legislation from the Mississippi Legislature, except that the division may authorize those changes without enabling legislation when the addition of recipients or services is ordered by a court of proper authority.

(F) The executive director shall keep the Governor advised on a timely basis of the funds available for expenditure and the projected expenditures. Notwithstanding any other provisions of this article, if current or projected expenditures of the division are reasonably anticipated to exceed the amount of funds appropriated to the division for any fiscal year, the Governor, after consultation with the executive director, shall take all appropriate measures to reduce costs, which may include, but are not limited to:

(1) Reducing or discontinuing any or all services that are deemed to be optional under Title XIX of the Social Security Act;

(2) Reducing reimbursement rates for any or all service types;

(3) Imposing additional assessments on health care providers; or

(4) Any additional cost-containment measures deemed appropriate by the Governor.

To the extent allowed under federal law, any reduction to services or reimbursement rates under this subsection (F) shall be accompanied by a reduction, to the fullest allowable amount, to the profit margin and administrative fee portions of capitated payments to organizations described in paragraph (1) of subsection (H).

Beginning in fiscal year 2010 and in fiscal years thereafter, when Medicaid expenditures are projected to exceed funds available for the fiscal year, the division shall submit the expected shortfall information to the PEER Committee not later than December 1 of the year in which the shortfall is projected to occur. PEER shall review the computations of the division and report its findings to the Legislative Budget Office not later than January 7 in any year.

(G) Notwithstanding any other provision of this article, it shall be the duty of each provider participating in the Medicaid program to keep and maintain books, documents and other records as prescribed by the Division of Medicaid in accordance with federal laws and regulations.

(H) (1) Notwithstanding any other provision of this article, the division is authorized to implement (a) a managed care program, (b) a coordinated care program, (c) a coordinated care organization program, (d) a health maintenance organization program, (e) a patient-centered medical home program, (f) an accountable care organization program, (g) provider-sponsored health plan, or (h) any combination of the above programs. As a condition for the approval of any program under this subsection (H)(1), the division shall require that no managed care program, coordinated care program, coordinated care organization program, health maintenance organization program, or provider-sponsored health plan may:

(a) Pay providers at a rate that is less than the Medicaid All Patient Refined Diagnosis Related Groups (APR-DRG) reimbursement rate;

(b) Override the medical decisions of hospital physicians or staff regarding patients admitted to a hospital for an emergency medical condition as defined by 42 US Code Section 1395dd. This restriction (b) does not prohibit the retrospective review of the appropriateness of the determination that an emergency medical condition exists by chart review or coding algorithm, nor does it prohibit prior authorization for nonemergency hospital admissions;

(c) Pay providers at a rate that is less than the normal Medicaid reimbursement rate. It is the intent of the Legislature that all managed care entities described in this subsection (H), in collaboration with the division, develop and implement innovative payment models that incentivize improvements in health care quality, outcomes, or value, as determined by the division. Participation in the provider network of any managed care, coordinated care, provider-sponsored health plan, or similar contractor shall not be conditioned on the provider's agreement to accept such alternative payment models;

(d) Implement a prior authorization and utilization review program for medical services, transportation services and prescription drugs that is more stringent than the prior authorization processes used by the division in its administration of the Medicaid program. Not later than December 2, 2021, the contractors that are receiving capitated payments under a managed care delivery system established under this subsection (H) shall submit a report to the Chairmen of the House and Senate Medicaid Committees on the status of the prior authorization and utilization review program for medical services, transportation services and prescription drugs that is required to be implemented under this subparagraph (d);

(e) [Deleted]

(f) Implement a preferred drug list that is more stringent than the mandatory preferred drug list established by the division under subsection (A)(9) of this section;

(g) Implement a policy which denies beneficiaries with hemophilia access to the federally funded hemophilia treatment centers as part of the Medicaid Managed Care network of providers.

Each health maintenance organization, coordinated care organization, provider-sponsored health plan, or other organization paid for services on a capitated basis by the division under any managed care program or coordinated care program implemented by the division under this section shall use a clear set of level of care guidelines in the determination of medical necessity and in all utilization management practices, including the prior authorization process, concurrent reviews, retrospective reviews and payments, that are consistent with widely accepted professional standards of care. Organizations participating in a managed care program or coordinated care program implemented by the division may not use any additional criteria that would result in denial of care that would be determined appropriate and, therefore, medically necessary under those levels of care guidelines.

(2) Notwithstanding any provision of this section, the recipients eligible for enrollment into a Medicaid Managed Care Program authorized under this subsection (H) may include only those categories of recipients eligible for participation in the Medicaid Managed Care Program as of January 1, 2021, the Children's Health Insurance Program (CHIP), and the CMS-approved Section 1115 demonstration waivers in operation as of January 1, 2021. No expansion of Medicaid Managed Care Program contracts may be implemented by the division without enabling legislation from the Mississippi Legislature.

(3) (a) Any contractors receiving capitated payments under a managed care delivery system established in this section shall provide to the Legislature and the division statistical data to be shared with provider groups in order to improve patient

access, appropriate utilization, cost savings and health outcomes not later than October 1 of each year. Additionally, each contractor shall disclose to the Chairmen of the Senate and House Medicaid Committees the administrative expenses costs for the prior calendar year, and the number of full-equivalent employees located in the State of Mississippi dedicated to the Medicaid and CHIP lines of business as of June 30 of the current year.

(b) The division and the contractors participating in the managed care program, a coordinated care program or a provider-sponsored health plan shall be subject to annual program reviews or audits performed by the Office of the State Auditor, the PEER Committee, the Department of Insurance and/or independent third parties.

(c) Those reviews shall include, but not be limited to, at least two (2) of the following items:

(i) The financial benefit to the State of Mississippi of the managed care program,

(ii) The difference between the premiums paid to the managed care contractors and the payments made by those contractors to health care providers,

(iii) Compliance with performance measures required under the contracts,

(iv) Administrative expense allocation methodologies,

(v) Whether nonprovider payments assigned as medical expenses are appropriate,

(vi) Capitated arrangements with related party subcontractors,

(vii) Reasonableness of corporate allocations,

(viii) Value-added benefits and the extent to which they are used,

(ix) The effectiveness of subcontractor oversight, including subcontractor review,

(x) Whether health care outcomes have been improved, and

(xi) The most common claim denial codes to determine the reasons for the denials.

The audit reports shall be considered public documents and shall be posted in their entirety on the division's website.

(4) All health maintenance organizations, coordinated care organizations, provider-sponsored health plans, or other organizations paid for services on a capitated basis by the division under any managed care program or coordinated care program implemented by the division under this section shall reimburse all providers in those organizations at rates no lower than those provided under this section for beneficiaries who are not participating in those programs.

(5) No health maintenance organization, coordinated care organization, provider-sponsored health plan, or other organization paid for services on a capitated basis by the division under any managed care program or coordinated care program implemented by the division under this section shall require its providers or beneficiaries to use any pharmacy that ships, mails or delivers prescription drugs or legend drugs or devices.

(6) (a) Not later than December 1, 2021, the contractors who are receiving capitated payments under a managed care delivery system established under this subsection (H) shall develop and implement a uniform credentialing process for providers. Under that uniform credentialing process, a provider who meets the criteria for credentialing will be credentialed with all of those contractors and no such provider will have to be separately credentialed by any individual contractor in order to receive reimbursement from the contractor. Not later than December 2, 2021, those contractors shall submit a report to the Chairmen of the House and Senate Medicaid Committees on the status of the uniform credentialing process for providers that is required under this subparagraph (a).

(b) If those contractors have not implemented a uniform credentialing process as described in subparagraph (a) by December 1, 2021, the division shall develop and implement, not later than July 1, 2022, a single, consolidated credentialing process by which all providers will be credentialed. Under the division's single, consolidated credentialing process, no such contractor shall require its providers to be separately credentialed by the contractor in order to receive reimbursement from the contractor, but those contractors shall recognize the credentialing of the providers by the division's credentialing process.

(c) The division shall require a uniform provider credentialing application that shall be used in the credentialing process that is established under subparagraph (a) or (b). If the contractor or division, as applicable, has not approved or denied the provider credentialing application within sixty (60) days of receipt of the completed application that includes all required information necessary for credentialing, then the contractor or division, upon receipt of a written request from the applicant and within five (5) business days of its receipt, shall issue a temporary provider credential/enrollment to the applicant if the applicant has a valid Mississippi professional or occupational license to provide the health care services to which the credential/enrollment would apply. The contractor or the division shall not issue a temporary credential/enrollment if the applicant has reported on the application a history of medical or other professional or occupational malpractice claims, a history of substance abuse or mental health issues, a criminal record, or a history of medical or other licensing board, state or federal disciplinary action, including any suspension from participation in a federal or state program. The temporary credential/enrollment shall be effective upon issuance and shall remain in effect until the provider's credentialing/enrollment application is approved or denied by the contractor or division. The contractor or division shall render a final decision regarding credentialing/enrollment of the provider within sixty (60) days from the date that the temporary provider credential/enrollment is issued to the applicant.

(d) If the contractor or division does not render a final decision regarding credentialing/enrollment of the provider within the time required in subparagraph (c), the provider shall be deemed to be credentialed by and enrolled with all of the contractors and eligible to receive reimbursement from the contractors.

(7) (a) Each contractor that is receiving capitated payments under a managed care delivery system established under this subsection (H) shall provide to each provider for whom the contractor has denied the coverage of a procedure that was ordered or requested by the provider for or on behalf of a patient, a letter that provides a detailed explanation of the reasons for the denial of coverage of the procedure and the name and the credentials of the person who denied the coverage. The letter shall be sent to the provider in electronic format.

(b) After a contractor that is receiving capitated payments under a managed care delivery system established under this subsection (H) has denied coverage for a claim submitted by a provider, the contractor shall issue to the provider within sixty (60) days a final ruling of denial of the claim that allows the provider to have a state fair hearing and/or agency appeal with the division. If a contractor does not issue a final ruling

of denial within sixty (60) days as required by this subparagraph (b), the provider's claim shall be deemed to be automatically approved and the contractor shall pay the amount of the claim to the provider.

(c) After a contractor has issued a final ruling of denial of a claim submitted by a provider, the division shall conduct a state fair hearing and/or agency appeal on the matter of the disputed claim between the contractor and the provider within sixty (60) days, and shall render a decision on the matter within thirty (30) days after the date of the hearing and/or appeal.

(8) It is the intention of the Legislature that the division evaluate the feasibility of using a single vendor to administer pharmacy benefits provided under a managed care delivery system established under this subsection (H). Providers of pharmacy benefits shall cooperate with the division in any transition to a carve-out of pharmacy benefits under managed care.

(9) It is the intention of the Legislature that the division evaluate the feasibility of using a single vendor to administer dental benefits provided under a managed care delivery system established in this subsection (H). Providers of dental benefits shall cooperate with the division in any transition to a carve-out of dental benefits under managed care.

(10) It is the intent of the Legislature that any contractor receiving capitated payments under a managed care delivery system established in this section shall implement innovative programs to improve the health and well-being of members diagnosed with prediabetes and diabetes.

(11) It is the intent of the Legislature that any contractors receiving capitated payments under a managed care delivery system established under this subsection (H) shall work with providers of Medicaid services to improve the utilization of long-acting reversible contraceptives (LARCs). Not later than December 1, 2021, any contractors receiving capitated payments under a managed care delivery system established under this subsection (H) shall provide to the Chairmen of the House and Senate Medicaid Committees and House and Senate Public Health Committees a report of LARC utilization for State Fiscal Years 2018 through 2020 as well as any programs, initiatives, or efforts made by the contractors and providers to increase LARC utilization. This report shall be updated annually to include information for subsequent state fiscal years.

(12) The division is authorized to make not more than one (1) emergency extension of the contracts that are in effect on July 1, 2021, with contractors who are receiving capitated payments under a managed care delivery system established under this subsection (H), as provided in this paragraph (12). The maximum period of any such extension shall be one (1) year, and under any such extensions, the contractors shall be subject to all of the provisions of this subsection (H). The extended contracts shall be revised to incorporate any provisions of this subsection (H).

(I) [Deleted]

(J) There shall be no cuts in inpatient and outpatient hospital payments, or allowable days or volumes, as long as the hospital assessment provided in Section 43-13-145 is in effect. This subsection (J) shall not apply to decreases in payments that are a result of: reduced hospital admissions, audits or payments under the APR-DRG or APC models, or a managed care program or similar model described in subsection (H) of this section.

(K) In the negotiation and execution of such contracts involving services performed by actuarial firms, the Executive Director of the Division of Medicaid may negotiate a limitation on liability to the state of prospective contractors.

(L) This section shall stand repealed on July 1, 2024.

SECTION 3. Section 43-13-121, Mississippi Code of 1972, is amended as follows:

43-13-121. (1) The division shall administer the Medicaid program under the provisions of this article, and may do the following:

(a) Subject to the provisions of subsection (8) of this section, adopt and promulgate reasonable rules, regulations and standards, with approval of the Governor, and in accordance with the Administrative Procedures Law, Section 25-43-1.101 et seq.:

(i) Establishing methods and procedures as may be necessary for the proper and efficient administration of this article;

(ii) Providing Medicaid to all qualified recipients under the provisions of this article as the division may determine and within the limits of appropriated funds;

(iii) Establishing reasonable fees, charges and rates for medical services and drugs; in doing so, the division shall fix all of those fees, charges and rates at the minimum levels absolutely necessary to provide the medical assistance authorized by this article, and shall not change any of those fees, charges or rates except as may be authorized in Section 43-13-117;

(iv) Providing for fair and impartial hearings;

(v) Providing safeguards for preserving the confidentiality of records;  
and

(vi) For detecting and processing fraudulent practices and abuses of the program;

(b) Receive and expend state, federal and other funds in accordance with court judgments or settlements and agreements between the State of Mississippi and the federal government, the rules and regulations promulgated by the division, with the approval of the Governor, and within the limitations and restrictions of this article and within the limits of funds available for that purpose;

(c) Subject to the limits imposed by this article and subject to the provisions of subsection (9) of this section, to submit a Medicaid plan to the United States Department of Health and Human Services for approval under the provisions of the federal Social Security Act, to act for the state in making negotiations relative to the submission and approval of that plan, to make such arrangements, not inconsistent with the law, as may be required by or under federal law to obtain and retain that approval and to secure for the state the benefits of the provisions of that law.

No agreements, specifically including the general plan for the operation of the Medicaid program in this state, shall be made by and between the division and the United States Department of Health and Human Services unless the Attorney General of the State of Mississippi has reviewed the agreements, specifically including the operational plan, and has certified in writing to the Governor and to the executive director of the division that the agreements, including the plan of operation, have been drawn strictly in accordance with the terms and requirements of this article;

(d) In accordance with the purposes and intent of this article and in compliance with its provisions, provide for aged persons otherwise eligible for the benefits provided under Title XVIII of the federal Social Security Act by expenditure of funds available for those purposes;

(e) To make reports to the United States Department of Health and Human Services as from time to time may be required by that federal department and to the Mississippi Legislature as provided in this section;

(f) Define and determine the scope, duration and amount of Medicaid that may be provided in accordance with this article and establish priorities therefor in conformity with this article;

(g) Cooperate and contract with other state agencies for the purpose of coordinating Medicaid provided under this article and eliminating duplication and inefficiency in the Medicaid program;

(h) Adopt and use an official seal of the division;

(i) Sue in its own name on behalf of the State of Mississippi and employ legal counsel on a contingency basis with the approval of the Attorney General;

(j) To recover any and all payments incorrectly made by the division to a recipient or provider from the recipient or provider receiving the payments. The division shall be authorized to collect any overpayments to providers sixty (60) days after the conclusion of any administrative appeal unless the matter is appealed to a court of proper jurisdiction and bond is posted. Any appeal filed after July 1, 2015, shall be to the Chancery Court of the First Judicial District of Hinds County, Mississippi, within sixty (60) days after the date that the division has notified the provider by certified mail sent to the proper address of the provider on file with the division and the provider has signed for the certified mail notice, or sixty (60) days after the date of the final decision if the provider does not sign for the certified mail notice. To recover those payments, the division may use the following methods, in addition to any other methods available to the division:

(i) The division shall report to the Department of Revenue the name of any current or former Medicaid recipient who has received medical services rendered during a period of established Medicaid ineligibility and who has not reimbursed the division for the related medical service payment(s). The Department of Revenue shall withhold from the state tax refund of the individual, and pay to the division, the amount of the payment(s) for medical services rendered to the ineligible individual that have not been reimbursed to the division for the related medical service payment(s).

(ii) The division shall report to the Department of Revenue the name of any Medicaid provider to whom payments were incorrectly made that the division has not been able to recover by other methods available to the division. The Department of Revenue shall withhold from the state tax refund of the provider, and pay to the division, the amount of the payments that were incorrectly made to the provider that have not been recovered by other available methods;

(k) To recover any and all payments by the division fraudulently obtained by a recipient or provider. Additionally, if recovery of any payments fraudulently obtained by a recipient or provider is made in any court, then, upon motion of the Governor, the judge of the court may award twice the payments recovered as damages;

(l) Have full, complete and plenary power and authority to conduct such investigations as it may deem necessary and requisite of alleged or suspected violations or abuses of the provisions of this article or of the regulations adopted under this article, including, but not limited to, fraudulent or unlawful act or deed by applicants for Medicaid or other benefits, or payments made to any person, firm or corporation under the terms, conditions and authority of this article, to suspend or disqualify any provider of services, applicant or recipient for gross abuse, fraudulent or unlawful acts for such periods, including permanently, and under such conditions as the division deems proper and just, including the imposition of a legal rate of interest on the amount improperly or incorrectly paid. Recipients who are found to have misused or abused Medicaid benefits may be

locked into one (1) physician and/or one (1) pharmacy of the recipient's choice for a reasonable amount of time in order to educate and promote appropriate use of medical services, in accordance with federal regulations. If an administrative hearing becomes necessary, the division may, if the provider does not succeed in his or her defense, tax the costs of the administrative hearing, including the costs of the court reporter or stenographer and transcript, to the provider. The convictions of a recipient or a provider in a state or federal court for abuse, fraudulent or unlawful acts under this chapter shall constitute an automatic disqualification of the recipient or automatic disqualification of the provider from participation under the Medicaid program.

A conviction, for the purposes of this chapter, shall include a judgment entered on a plea of nolo contendere or a nonadjudicated guilty plea and shall have the same force as a judgment entered pursuant to a guilty plea or a conviction following trial. A certified copy of the judgment of the court of competent jurisdiction of the conviction shall constitute prima facie evidence of the conviction for disqualification purposes;

(m) Establish and provide such methods of administration as may be necessary for the proper and efficient operation of the Medicaid program, fully utilizing computer equipment as may be necessary to oversee and control all current expenditures for purposes of this article, and to closely monitor and supervise all recipient payments and vendors rendering services under this article. Notwithstanding any other provision of state law, the division is authorized to enter into a ten-year contract(s) with a vendor(s) to provide services described in this paragraph (m). Notwithstanding any provision of law to the contrary, the division is authorized to extend its Medicaid Management Information System, including all related components and services, and Decision Support System, including all related components and services, contracts in effect on June 30, 2020, for a period not to exceed two (2) years without complying with state procurement regulations;

(n) To cooperate and contract with the federal government for the purpose of providing Medicaid to Vietnamese and Cambodian refugees, under the provisions of Public Law 94-23 and Public Law 94-24, including any amendments to those laws, only to the extent that the Medicaid assistance and the administrative cost related thereto are one hundred percent (100%) reimbursable by the federal government. For the purposes of Section 43-13-117, persons receiving Medicaid under Public Law 94-23 and Public Law 94-24, including any amendments to those laws, shall not be considered a new group or category of recipient; and

(o) The division shall impose penalties upon Medicaid only, Title XIX participating long-term care facilities found to be in noncompliance with division and certification standards in accordance with federal and state regulations, including interest at the same rate calculated by the United States Department of Health and Human Services and/or the Centers for Medicare and Medicaid Services (CMS) under federal regulations.

(2) The division also shall exercise such additional powers and perform such other duties as may be conferred upon the division by act of the Legislature.

(3) The division, and the State Department of Health as the agency for licensure of health care facilities and certification and inspection for the Medicaid and/or Medicare programs, shall contract for or otherwise provide for the consolidation of on-site inspections of health care facilities that are necessitated by the respective programs and functions of the division and the department.

(4) The division and its hearing officers shall have power to preserve and enforce order during hearings; to issue subpoenas for, to administer oaths to and to compel the attendance and testimony of witnesses, or the production of books, papers, documents and other evidence, or the taking of depositions before any designated individual competent to administer oaths; to examine witnesses; and to do all things conformable to law that may be necessary to enable them effectively to discharge the duties of their office.

In compelling the attendance and testimony of witnesses, or the production of books, papers, documents and other evidence, or the taking of depositions, as authorized by this section, the division or its hearing officers may designate an individual employed by the division or some other suitable person to execute and return that process, whose action in executing and returning that process shall be as lawful as if done by the sheriff or some other proper officer authorized to execute and return process in the county where the witness may reside. In carrying out the investigatory powers under the provisions of this article, the executive director or other designated person or persons may examine, obtain, copy or reproduce the books, papers, documents, medical charts, prescriptions and other records relating to medical care and services furnished by the provider to a recipient or designated recipients of Medicaid services under investigation. In the absence of the voluntary submission of the books, papers, documents, medical charts, prescriptions and other records, the Governor, the executive director, or other designated person may issue and serve subpoenas instantly upon the provider, his or her agent, servant or employee for the production of the books, papers, documents, medical charts, prescriptions or other records during an audit or investigation of the provider. If any provider or his or her agent, servant or employee refuses to produce the records after being duly subpoenaed, the executive director may certify those facts and institute contempt proceedings in the manner, time and place as authorized by law for administrative proceedings. As an additional remedy, the division may recover all amounts paid to the provider covering the period of the audit or investigation, inclusive of a legal rate of interest and a reasonable attorney's fee and costs of court if suit becomes necessary. Division staff shall have immediate access to the provider's physical location, facilities, records, documents, books, and any other records relating to medical care and services rendered to recipients during regular business hours.

(5) If any person in proceedings before the division disobeys or resists any lawful order or process, or misbehaves during a hearing or so near the place thereof as to obstruct the hearing, or neglects to produce, after having been ordered to do so, any pertinent book, paper or document, or refuses to appear after having been subpoenaed, or upon appearing refuses to take the oath as a witness, or after having taken the oath refuses to be examined according to law, the executive director shall certify the facts to any court having jurisdiction in the place in which it is sitting, and the court shall thereupon, in a summary manner, hear the evidence as to the acts complained of, and if the evidence so warrants, punish that person in the same manner and to the same extent as for a contempt committed before the court, or commit that person upon the same condition as if the doing of the forbidden act had occurred with reference to the process of, or in the presence of, the court.

(6) In suspending or terminating any provider from participation in the Medicaid program, the division shall preclude the provider from submitting claims for payment, either personally or through any clinic, group, corporation or other association to the division or its fiscal agents for any services or supplies provided under the Medicaid program except for those services or supplies provided before the suspension or termination. No clinic, group, corporation or other association that is a provider of services shall submit claims for payment to the division or its fiscal agents for any services or supplies provided by a person within that organization who has been suspended or terminated from participation in the Medicaid program except for those services or supplies provided before the suspension or termination. When this provision is violated by a provider of services that is a clinic, group, corporation or other association, the division may suspend or terminate that organization from participation. Suspension may be applied by the division to all known affiliates of a provider, provided that each decision to include an affiliate is made on a case-by-case basis after giving due regard to all relevant facts and circumstances. The violation, failure or inadequacy of performance may be imputed to a person with whom the provider is affiliated where that conduct was accomplished within the course of his or her official duty or was effectuated by him or her with the knowledge or approval of that person.

(7) The division may deny or revoke enrollment in the Medicaid program to a provider if any of the following are found to be applicable to the provider, his or her agent, a managing employee or any person having an ownership interest equal to five percent (5%) or greater in the provider:

(a) Failure to truthfully or fully disclose any and all information required, or the concealment of any and all information required, on a claim, a provider application or a provider agreement, or the making of a false or misleading statement to the division relative to the Medicaid program.

(b) Previous or current exclusion, suspension, termination from or the involuntary withdrawing from participation in the Medicaid program, any other state's Medicaid program, Medicare or any other public or private health or health insurance program. If the division ascertains that a provider has been convicted of a felony under federal or state law for an offense that the division determines is detrimental to the best interest of the program or of Medicaid beneficiaries, the division may refuse to enter into an agreement with that provider, or may terminate or refuse to renew an existing agreement.

(c) Conviction under federal or state law of a criminal offense relating to the delivery of any goods, services or supplies, including the performance of management or administrative services relating to the delivery of the goods, services or supplies, under the Medicaid program, any other state's Medicaid program, Medicare or any other public or private health or health insurance program.

(d) Conviction under federal or state law of a criminal offense relating to the neglect or abuse of a patient in connection with the delivery of any goods, services or supplies.

(e) Conviction under federal or state law of a criminal offense relating to the unlawful manufacture, distribution, prescription or dispensing of a controlled substance.

(f) Conviction under federal or state law of a criminal offense relating to fraud, theft, embezzlement, breach of fiduciary responsibility or other financial misconduct.

(g) Conviction under federal or state law of a criminal offense punishable by imprisonment of a year or more that involves moral turpitude, or acts against the elderly, children or infirm.

(h) Conviction under federal or state law of a criminal offense in connection with the interference or obstruction of any investigation into any criminal offense listed in paragraphs (c) through (i) of this subsection.

(i) Sanction for a violation of federal or state laws or rules relative to the Medicaid program, any other state's Medicaid program, Medicare or any other public health care or health insurance program.

(j) Revocation of license or certification.

(k) Failure to pay recovery properly assessed or pursuant to an approved repayment schedule under the Medicaid program.

(l) Failure to meet any condition of enrollment.

(8) (a) As used in this subsection, the following terms shall be defined as provided in this paragraph, except as otherwise provided in this subsection:

(i) "Committees" means the Medicaid Committees and the Appropriations Committees of the House of Representatives and the Senate. As used in paragraphs (c) and (d) of this subsection (8), the term "committees" means one (1) of the committees or two (2) or more of the committees jointly.

(ii) "Rule" has the meaning as defined in Section 25-43-1.102. For the purposes of this subsection (8), any reference to a proposed rule or the proposed adoption of a rule includes a proposed amendment or repeal of a rule.

(b) Whenever the Division of Medicaid proposes the adoption, amendment or repeal of a rule, the division shall give notice to the chairmen and other members of the committees at least thirty (30) calendar days before the proposed rule is filed under the Administrative Procedures Law. The division shall furnish each member of the committees with a copy and summary of each proposed rule along with the notice. The division also shall provide a copy and summary of each proposed rule to any other member of the Legislature upon request.

(c) (i) The committees may hold meetings to review a proposed rule. If the committees decide to hold meetings, they shall notify the division of their intention in writing within seven (7) calendar days after receipt of the notice from the division under paragraph (b) of this subsection, and shall set the dates and times for the meetings in the notice to the division, which shall not be later than fourteen (14) calendar days after receipt of the notice from the division. The committees may hold public hearings on any proposed rule as part of their meetings.

(ii) After the committees have held their meetings, the committees may object to the proposed rule or any part thereof. The committees shall notify the division of any objection and shall provide the division with the reasons for their objection in writing not later than seven (7) calendar days after the meeting. The committees may make written recommendations to the division for suggested changes to be made to a proposed rule.

(g) "Mississippi Medicaid Commission" or "Medicaid Commission," wherever they appear in the laws of the State of Mississippi, means the Division of Medicaid in the Office of the Governor.

43-13-109. The director, with the approval of the Governor and pursuant to the rules and regulations of the State Personnel Board, may adopt reasonable rules and regulations to provide for an open, competitive or qualifying examination for all employees of the division other than the director, part-time consultants and professional staff members.

SECTION 10. Section 43-13-111, Mississippi Code of 1972, is brought forward as follows:

43-13-111. Every state health agency, as defined in Section 43-13-105, shall obtain an appropriation of state funds from the State Legislature for all medical assistance programs rendered by the agency and shall organize its programs and budgets in such a manner as to secure maximum federal funding through the Division of Medicaid under Title XIX or Title XXI of the federal Social Security Act, as amended.

SECTION 11. Section 43-13-113, Mississippi Code of 1972, is amended as follows:

43-13-113. (1) The State Treasurer shall receive on behalf of the state, and execute all instruments incidental thereto, federal and other funds to be used for financing the medical assistance plan or program adopted pursuant to this article, and place all such funds in a special account to the credit of the Governor's Office-Division of Medicaid, which funds shall be expended by the division for the purposes and under the provisions of this article, and shall be paid out by the State Treasurer as funds appropriated to carry out the provisions of this article are paid out by him.

The division shall issue all checks or electronic transfers for administrative expenses, and for medical assistance under the provisions of this article. All such checks or electronic transfers shall be drawn upon funds made available to the division by the State Auditor, upon requisition of the director. It is the purpose of this section to provide that the State Auditor shall transfer, in lump sums, amounts to the division for

disbursement under the regulations which shall be made by the director with the approval of the Governor; however, the division, or its fiscal agent in behalf of the division, shall be authorized in maintaining separate accounts with a Mississippi bank to handle claim payments, refund recoveries and related Medicaid program financial transactions, to aggressively manage the float in these accounts while awaiting clearance of checks or electronic transfers and/or other disposition so as to accrue maximum interest advantage of the funds in the account, and to retain all earned interest on these funds to be applied to match federal funds for Medicaid program operations.

(2) The division is authorized to obtain a line of credit through the State Treasurer from the Working Cash-Stabilization Fund or any other special source funds maintained in the State Treasury in an amount not exceeding One Hundred Fifty Million Dollars (\$150,000,000.00) to fund shortfalls which, from time to time, may occur due to decreases in state matching fund cash flow. The length of indebtedness under this provision shall not carry past the end of the quarter following the loan origination. Loan proceeds shall be received by the State Treasurer and shall be placed in a Medicaid designated special fund account. Loan proceeds shall be expended only for health care services provided under the Medicaid program. The division may pledge as security for such interim financing future funds that will be received by the division. Any such loans shall be repaid from the first available funds received by the division in the manner of and subject to the same terms provided in this section.

In the event the State Treasurer makes a determination that special source funds are not sufficient to cover a line of credit for the Division of Medicaid, the division is authorized to obtain a line of credit, in an amount not exceeding One Hundred Fifty Million Dollars (\$150,000,000.00), from a commercial lender or a consortium of lenders. The length of indebtedness under this provision shall not carry past the end of the quarter following the loan origination. The division shall obtain a minimum of two (2) written quotes that shall be presented to the State Fiscal Officer and State Treasurer, who shall jointly select a lender. Loan proceeds shall be received by the State Treasurer and shall be placed in a Medicaid designated special fund account. Loan proceeds shall be expended only for health care services provided under the Medicaid program. The division may pledge as security for such interim financing future funds that will be received by the division. Any such loans shall be repaid from the first available funds received by the division in the manner of and subject to the same terms provided in this section.

(3) Disbursement of funds to providers shall be made as follows:

(a) All providers must submit all claims to the Division of Medicaid's fiscal agent no later than twelve (12) months from the date of service.

(b) The Division of Medicaid's fiscal agent must pay ninety percent (90%) of all clean claims within thirty (30) days of the date of receipt.

(c) The Division of Medicaid's fiscal agent must pay ninety-nine percent (99%) of all clean claims within ninety (90) days of the date of receipt.

(d) The Division of Medicaid's fiscal agent must pay all other claims within twelve (12) months of the date of receipt.

(e) If a claim is neither paid nor denied for valid and proper reasons by the end of the time periods as specified above, the Division of Medicaid's fiscal agent must pay the provider interest on the claim at the rate of one and one-half percent (1-1/2%) per month on the amount of such claim until it is finally settled or adjudicated.

(4) The date of receipt is the date the fiscal agent receives the claim as indicated by its date stamp on the claim or, for those claims filed electronically, the date of receipt is the date of transmission.

(5) The date of payment is the date of the check or, for those claims paid by electronic funds transfer, the date of the transfer.

(6) The above specified time limitations do not apply in the following circumstances:

(a) Retroactive adjustments paid to providers reimbursed under a retrospective payment system;

(b) If a claim for payment under Medicare has been filed in a timely manner, the fiscal agent may pay a Medicaid claim relating to the same services within six (6) months after it, or the provider, receives notice of the disposition of the Medicare claim;

(c) Claims from providers under investigation for fraud or abuse; and

(d) The Division of Medicaid and/or its fiscal agent may make payments at any time in accordance with a court order, to carry out hearing decisions or corrective actions taken to resolve a dispute, or to extend the benefits of a hearing decision, corrective action, or court order to others in the same situation as those directly affected by it.

(7) [Repealed.]

(8) If sufficient funds are appropriated therefor by the Legislature, the Division of Medicaid may contract with the Mississippi Dental Association, or an approved designee, to develop and operate a Donated Dental Services (DDS) program through which volunteer dentists will treat needy disabled, aged and medically-compromised individuals who are non-Medicaid eligible recipients.

SECTION 12. Section 43-13-116, Mississippi Code of 1972, is brought forward as follows:

43-13-116. (1) It shall be the duty of the Division of Medicaid to fully implement and carry out the administrative functions of determining the eligibility of those persons who qualify for medical assistance under Section 43-13-115.

(2) In determining Medicaid eligibility, the Division of Medicaid is authorized to enter into an agreement with the Secretary of the Department of Health and Human Services for the purpose of securing the transfer of eligibility information from the Social Security Administration on those individuals receiving supplemental security income benefits under the federal Social Security Act and any other information necessary in determining Medicaid eligibility. The Division of Medicaid is further empowered to enter into contractual arrangements with its fiscal agent or with the State Department of Human Services in securing electronic data processing support as may be necessary.

(3) Administrative hearings shall be available to any applicant who requests it because his or her claim of eligibility for services is denied or is not acted upon with reasonable promptness or by any recipient who requests it because he or she believes the agency has erroneously taken action to deny, reduce, or terminate benefits. The agency need not grant a hearing if the sole issue is a federal or state law requiring an automatic change adversely affecting some or all recipients. Eligibility determinations that are made by other agencies and certified to the Division of Medicaid pursuant to Section 43-13-115 are not subject to the administrative hearing procedures of the Division of Medicaid but are subject to the administrative hearing procedures of the agency that determined eligibility.

(a) A request may be made either for a local regional office hearing or a state office hearing when the local regional office has made the initial decision that the claimant seeks to appeal or when the regional office has not acted with reasonable

promptness in making a decision on a claim for eligibility or services. The only exception to requesting a local hearing is when the issue under appeal involves either (i) a disability or blindness denial, or termination, or (ii) a level of care denial or termination for a disabled child living at home. An appeal involving disability, blindness or level of care must be handled as a state level hearing. The decision from the local hearing may be appealed to the state office for a state hearing. A decision to deny, reduce or terminate benefits that is initially made at the state office may be appealed by requesting a state hearing.

(b) A request for a hearing, either state or local, must be made in writing by the claimant or claimant's legal representative. "Legal representative" includes the claimant's authorized representative, an attorney retained by the claimant or claimant's family to represent the claimant, a paralegal representative with a legal aid services, a parent of a minor child if the claimant is a child, a legal guardian or conservator or an individual with power of attorney for the claimant. The claimant may also be represented by anyone that he or she so designates but must give the designation to the Medicaid regional office or state office in writing, if the person is not the legal representative, legal guardian, or authorized representative.

(c) The claimant may make a request for a hearing in person at the regional office but an oral request must be put into written form. Regional office staff will determine from the claimant if a local or state hearing is requested and assist the claimant in completing and signing the appropriate form. Regional office staff may forward a state hearing request to the appropriate division in the state office or the claimant may mail the form to the address listed on the form. The claimant may make a written request for a hearing by letter. A simple statement requesting a hearing that is signed by the claimant or legal representative is sufficient; however, if possible, the claimant should state the reason for the request. The letter may be mailed to the regional office or it may be mailed to the state office. If the letter does not specify the type of hearing desired, local or state, Medicaid staff will attempt to contact the claimant to determine the level of hearing desired. If contact cannot be made within three (3) days of receipt of the request, the request will be assumed to be for a local hearing and scheduled accordingly. A hearing will not be scheduled until either a letter or the appropriate form is received by the regional or state office.

(d) When both members of a couple wish to appeal an action or inaction by the agency that affects both applications or cases similarly and arose from the same issue, one or both may file the request for hearing, both may present evidence at the hearing, and the agency's decision will be applicable to both. If both file a request for hearing, two (2) hearings will be registered but they will be conducted on the same day and in the same place, either consecutively or jointly, as the couple wishes. If they so desire, only one of the couple need attend the hearing.

(e) The procedure for administrative hearings shall be as follows:

(i) The claimant has thirty (30) days from the date the agency mails the appropriate notice to the claimant of its decision regarding eligibility, services, or benefits to request either a state or local hearing. This time period may be extended if the claimant can show good cause for not filing within thirty (30) days. Good cause includes, but may not be limited to, illness, failure to receive the notice, being out of state, or some other reasonable explanation. If good cause can be shown, a late request may be accepted provided the facts in the case remain the same. If a claimant's circumstances have changed or if good cause for filing a request beyond thirty (30) days is not shown, a hearing request will not be accepted. If the claimant wishes to have eligibility reconsidered, he or she may reapply.

(ii) If a claimant or representative requests a hearing in writing during the advance notice period before benefits are reduced or terminated, benefits must be continued or reinstated to the benefit level in effect before the effective date of the adverse action. Benefits will continue at the original level until the final hearing decision is

rendered. Any hearing requested after the advance notice period will not be accepted as a timely request in order for continuation of benefits to apply.

(iii) Upon receipt of a written request for a hearing, the request will be acknowledged in writing within twenty (20) days and a hearing scheduled. The claimant or representative will be given at least five (5) days' advance notice of the hearing date. The local and/or state level hearings will be held by telephone unless, at the hearing officer's discretion, it is determined that an in-person hearing is necessary. If a local hearing is requested, the regional office will notify the claimant or representative in writing of the time of the local hearing. If a state hearing is requested, the state office will notify the claimant or representative in writing of the time of the state hearing. If an in-person hearing is necessary, local hearings will be held at the regional office and state hearings will be held at the state office unless other arrangements are necessitated by the claimant's inability to travel.

(iv) All persons attending a hearing will attend for the purpose of giving information on behalf of the claimant or rendering the claimant assistance in some other way, or for the purpose of representing the Division of Medicaid.

(v) A state or local hearing request may be withdrawn at any time before the scheduled hearing, or after the hearing is held but before a decision is rendered. The withdrawal must be in writing and signed by the claimant or representative. A hearing request will be considered abandoned if the claimant or representative fails to appear at a scheduled hearing without good cause. If no one appears for a hearing, the appropriate office will notify the claimant in writing that the hearing is dismissed unless good cause is shown for not attending. The proposed agency action will be taken on the case following failure to appear for a hearing if the action has not already been effected.

(vi) The claimant or his representative has the following rights in connection with a local or state hearing:

(A) The right to examine at a reasonable time before the date of the hearing and during the hearing the content of the claimant's case record;

(B) The right to have legal representation at the hearing and to bring witnesses;

(C) The right to produce documentary evidence and establish all facts and circumstances concerning eligibility, services, or benefits;

(D) The right to present an argument without undue interference;

(E) The right to question or refute any testimony or evidence including an opportunity to confront and cross-examine adverse witnesses.

(vii) When a request for a local hearing is received by the regional office or if the regional office is notified by the state office that a local hearing has been requested, the Medicaid specialist supervisor in the regional office will review the case record, reexamine the action taken on the case, and determine if policy and procedures have been followed. If any adjustments or corrections should be made, the Medicaid specialist supervisor will ensure that corrective action is taken. If the request for hearing was timely made such that continuation of benefits applies, the Medicaid specialist supervisor will ensure that benefits continue at the level before the proposed adverse action that is the subject of the appeal. The Medicaid specialist supervisor will also ensure that all needed information, verification, and evidence is in the case record for the hearing.

(viii) When a state hearing is requested that appeals the action or inaction of a regional office, the regional office will prepare copies of the case record and

forward it to the appropriate division in the state office no later than five (5) days after receipt of the request for a state hearing. The original case record will remain in the regional office. Either the original case record in the regional office or the copy forwarded to the state office will be available for inspection by the claimant or claimant's representative a reasonable time before the date of the hearing.

(ix) The Medicaid specialist supervisor will serve as the hearing officer for a local hearing unless the Medicaid specialist supervisor actually participated in the eligibility, benefits, or services decision under appeal, in which case the Medicaid specialist supervisor must appoint a Medicaid specialist in the regional office who did not actually participate in the decision under appeal to serve as hearing officer. The local hearing will be an informal proceeding in which the claimant or representative may present new or additional information, may question the action taken on the client's case, and will hear an explanation from agency staff as to the regulations and requirements that were applied to claimant's case in making the decision.

(x) After the hearing, the hearing officer will prepare a written summary of the hearing procedure and file it with the case record. The hearing officer will consider the facts presented at the local hearing in reaching a decision. The claimant will be notified of the local hearing decision on the appropriate form that will state clearly the reason for the decision, the policy that governs the decision, the claimant's right to appeal the decision to the state office, and, if the original adverse action is upheld, the new effective date of the reduction or termination of benefits or services if continuation of benefits applied during the hearing process. The new effective date of the reduction or termination of benefits or services must be at the end of the fifteen-day advance notice period from the mailing date of the notice of hearing decision. The notice to claimant will be made part of the case record.

(xi) The claimant has the right to appeal a local hearing decision by requesting a state hearing in writing within fifteen (15) days of the mailing date of the notice of local hearing decision. The state hearing request should be made to the regional office. If benefits have been continued pending the local hearing process, then benefits will continue throughout the fifteen-day advance notice period for an adverse local hearing decision. If a state hearing is timely requested within the fifteen-day period, then benefits will continue pending the state hearing process. State hearings requested after the fifteen-day local hearing advance notice period will not be accepted unless the initial thirty-day period for filing a hearing request has not expired because the local hearing was held early, in which case a state hearing request will be accepted as timely within the number of days remaining of the unexpired initial thirty-day period in addition to the fifteen-day time period. Continuation of benefits during the state hearing process, however, will only apply if the state hearing request is received within the fifteen-day advance notice period.

(xii) When a request for a state hearing is received in the regional office, the request will be made part of the case record and the regional office will prepare the case record and forward it to the appropriate division in the state office within five (5) days of receipt of the state hearing request. A request for a state hearing received in the state office will be forwarded to the regional office for inclusion in the case record and the regional office will prepare the case record and forward it to the appropriate division in the state office within five (5) days of receipt of the state hearing request.

(xiii) Upon receipt of the hearing record, an impartial hearing officer will be assigned to hear the case either by the Executive Director of the Division of Medicaid or his or her designee. Hearing officers will be individuals with appropriate expertise employed by the division and who have not been involved in any way with the action or decision on appeal in the case. The hearing officer will review the case record and if the review shows that an error was made in the action of the agency or in the interpretation of policy, or that a change of policy has been made, the hearing officer will discuss these matters with the appropriate agency personnel and request that an

appropriate adjustment be made. Appropriate agency personnel will discuss the matter with the claimant and if the claimant is agreeable to the adjustment of the claim, then agency personnel will request in writing dismissal of the hearing and the reason therefor, to be placed in the case record. If the hearing is to go forward, it shall be scheduled by the hearing officer in the manner set forth in subparagraph (iii) of this paragraph (e).

(xiv) In conducting the hearing, the state hearing officer will inform those present of the following:

(A) That the hearing will be recorded on tape and that a transcript of the proceedings will be typed for the record;

(B) The action taken by the agency which prompted the appeal;

(C) An explanation of the claimant's rights during the hearing as outlined in subparagraph (vi) of this paragraph (e);

(D) That the purpose of the hearing is for the claimant to express dissatisfaction and present additional information or evidence;

(E) That the case record is available for review by the claimant or representative during the hearing;

(F) That the final hearing decision will be rendered by the Executive Director of the Division of Medicaid on the basis of facts presented at the hearing and the case record and that the claimant will be notified by letter of the final decision.

(xv) During the hearing, the claimant and/or representative will be allowed an opportunity to make a full statement concerning the appeal and will be assisted, if necessary, in disclosing all information on which the claim is based. All persons representing the claimant and those representing the Division of Medicaid will have the opportunity to state all facts pertinent to the appeal. The hearing officer may recess or continue the hearing for a reasonable time should additional information or facts be required or if some change in the claimant's circumstances occurs during the hearing process which impacts the appeal. When all information has been presented, the hearing officer will close the hearing and stop the recorder.

(xvi) Immediately following the hearing the hearing tape will be transcribed and a copy of the transcription forwarded to the regional office for filing in the case record. As soon as possible, the hearing officer shall review the evidence and record of the proceedings, testimony, exhibits, and other supporting documents, prepare a written summary of the facts as the hearing officer finds them, and prepare a written recommendation of action to be taken by the agency, citing appropriate policy and regulations that govern the recommendation. The decision cannot be based on any material, oral or written, not available to the claimant before or during the hearing. The hearing officer's recommendation will become part of the case record which will be submitted to the Executive Director of the Division of Medicaid for further review and decision.

(xvii) The Executive Director of the Division of Medicaid, upon review of the recommendation, proceedings and the record, may sustain the recommendation of the hearing officer, reject the same, or remand the matter to the hearing officer to take additional testimony and evidence, in which case, the hearing officer thereafter shall submit to the executive director a new recommendation. The executive director shall prepare a written decision summarizing the facts and identifying policies and regulations that support the decision, which shall be mailed to the claimant and the representative, with a copy to the regional office if appropriate, as soon as possible after submission of a

recommendation by the hearing officer. The decision notice will specify any action to be taken by the agency, specify any revised eligibility dates or, if continuation of benefits applies, will notify the claimant of the new effective date of reduction or termination of benefits or services, which will be fifteen (15) days from the mailing date of the notice of decision. The decision rendered by the Executive Director of the Division of Medicaid is final and binding. The claimant is entitled to seek judicial review in a court of proper jurisdiction.

(xviii) The Division of Medicaid must take final administrative action on a hearing, whether state or local, within ninety (90) days from the date of the initial request for a hearing.

(xix) A group hearing may be held for a number of claimants under the following circumstances:

(A) The Division of Medicaid may consolidate the cases and conduct a single group hearing when the only issue involved is one (1) of a single law or agency policy;

(B) The claimants may request a group hearing when there is one (1) issue of agency policy common to all of them.

In all group hearings, whether initiated by the Division of Medicaid or by the claimants, the policies governing fair hearings must be followed. Each claimant in a group hearing must be permitted to present his or her own case and be represented by his or her own representative, or to withdraw from the group hearing and have his or her appeal heard individually. As in individual hearings, the hearing will be conducted only on the issue being appealed, and each claimant will be expected to keep individual testimony within a reasonable time frame as a matter of consideration to the other claimants involved.

(xx) Any specific matter necessitating an administrative hearing not otherwise provided under this article or agency policy shall be afforded under the hearing procedures as outlined above. If the specific time frames of such a unique matter relating to requesting, granting, and concluding of the hearing is contrary to the time frames as set out in the hearing procedures above, the specific time frames will govern over the time frames as set out within these procedures.

(4) The Executive Director of the Division of Medicaid, with the approval of the Governor, shall be authorized to employ eligibility, technical, clerical and supportive staff as may be required in carrying out and fully implementing the determination of Medicaid eligibility, including conducting quality control reviews and the investigation of the improper receipt of medical assistance. Staffing needs will be set forth in the annual appropriation act for the division. Additional office space as needed in performing eligibility, quality control and investigative functions shall be obtained by the division.

SECTION 13. Section 43-13-117.1, Mississippi Code of 1972, is amended as follows:

43-13-117.1. It is the intent of the Legislature to expand access to Medicaid-funded home- and community-based services for eligible nursing facility residents who choose those services. The Executive Director of the Division of Medicaid is authorized to transfer funds allocated for nursing facility services for eligible residents to cover the cost of services available through the Independent Living Waiver, the Traumatic Brain Injury/Spinal Cord Injury Waiver, the Elderly and Disabled Waiver, and the Assisted Living Waiver programs when eligible residents choose those community services. The amount of funding transferred by the division shall be sufficient to cover the cost of home- and community-based waiver services for each eligible nursing facility \* \* \* resident who \* \* \* chooses those services. The number of nursing facility residents who return to the

community and home- and community-based waiver services shall not count against the total number of waiver slots for which the Legislature appropriates funding each year. Any funds remaining in the program when a former nursing facility resident ceases to participate in a home- and community-based waiver program under this provision shall be returned to nursing facility funding.

SECTION 14. Section 43-13-117.2, Mississippi Code of 1972, is brought forward as follows:

43-13-117.2. The Division of Medicaid is authorized and directed to study the feasibility of implementing a pilot program to provide chronic disease management of chronic obstructive pulmonary disease (COPD) using private sources of funding in an effort to reduce the financial and clinical burden of COPD illness upon the Medicaid program and the citizens of Mississippi. If a pilot program is deemed feasible, such a program shall be implemented and a report of findings and recommendations be prepared and provided to the Office of the Governor and the Chairmen of the House and Senate Public Health and Welfare Committees and the Chairman of the House Medicaid Committee in order to evaluate the effectiveness of the pilot program in reducing costs within the Medicaid program and in providing improved health and well-being of the affected patients.

SECTION 15. Section 43-13-117.4, Mississippi Code of 1972, is brought forward as follows:

43-13-117.4. Notwithstanding any other provision of Section 43-13-117, the division shall not authorize payment of part or all of the costs of care and services rendered by any entity that performs nontherapeutic abortions, maintains or operates a facility where nontherapeutic abortions are performed, or is affiliated with such an entity. For purposes of this provision, "nontherapeutic abortions" means abortions that are not qualified for federal matching funds under the Medicaid program, 42 USC Section 1396 et seq., and as amended hereafter, and "affiliated with" means having a legal relationship with another entity created or governed by one or more written instruments that demonstrates common control, ownership, franchisee status or management, or that grants a license or other authority to utilize the other entity's brand name, trademark, service mark or other registered identification mark.

SECTION 16. Section 43-13-117.5, Mississippi Code of 1972, is brought forward as follows:

43-13-117.5. The Division of Medicaid is authorized to reimburse for services provided to eligible Medicaid beneficiaries by a licensed freestanding psychiatric hospital in a method and manner to be determined by the division in accordance with federal law and federal regulations. The division may seek any necessary waivers, make any required amendments to its State Plan, or revise any contracts authorized under Section 43-13-117(H) as necessary to provide the services authorized under this section. As used in this section, the term "psychiatric hospital" shall have the meaning as defined in Section 41-7-173(h)(ii), which is an institution that is primarily engaged in providing to inpatients, by or under the supervision of a physician, psychiatric services for the diagnosis and treatment of persons with mental illness. It is the intent of the Legislature that the cost of providing services to individuals in a psychiatric hospital shall not exceed the cost of providing the same services to individuals in a hospital as defined by Section 41-7-173(h)(i).

SECTION 17. Section 43-13-118, Mississippi Code of 1972, is brought forward as follows:

43-13-118. It shall be the duty of each provider participating in the medical assistance program to keep and maintain books, documents, and other records as prescribed by the division of Medicaid in substantiation of its claim for services rendered

Medicaid recipients, and such books, documents, and other records shall be kept and maintained for a period of five (5) years or for whatever longer period as may be required or prescribed under federal or state statutes and shall be subject to audit by the division. The division shall be entitled to full recoupment of the amount it has paid any provider of medical service who has failed to keep or maintain records as required herein.

SECTION 18. Section 43-13-120, Mississippi Code of 1972, is brought forward as follows:

43-13-120. (1) Any person who is a Medicaid recipient and is receiving medical assistance for services provided in a long-term care facility under the provisions of Section 43-13-117 from the Division of Medicaid in the Office of the Governor, who dies intestate and leaves no known heirs, shall have deemed, through his acceptance of such medical assistance, the Division of Medicaid as his beneficiary to all such funds in an amount not to exceed Two Hundred Fifty Dollars (\$250.00) which are in his possession at the time of his death. Such funds, together with any accrued interest thereon, shall be reported by the long-term care facility to the State Treasurer in the manner provided in subsection (2).

(2) The report of such funds shall be verified, shall be on a form prescribed or approved by the Treasurer, and shall include (a) the name of the deceased person and his last known address prior to entering the long-term care facility; (b) the name and last known address of each person who may possess an interest in such funds; and (c) any other information which the Treasurer prescribes by regulation as necessary for the administration of this section. The report shall be filed with the Treasurer prior to November 1 of each year in which the long-term care facility has provided services to a person or persons having funds to which this section applies.

(3) Within one hundred twenty (120) days from November 1 of each year in which a report is made pursuant to subsection (2), the Treasurer shall cause notice to be published in a newspaper having general circulation in the county of this state in which is located the last known address of the person or persons named in the report who may possess an interest in such funds, or if no such person is named in the report, in the county in which is located the last known address of the deceased person prior to entering the long-term care facility. If no address is given in the report or if the address is outside of this state, the notice shall be published in a newspaper having general circulation in the county in which the facility is located. The notice shall contain (a) the name of the deceased person; (b) his last known address prior to entering the facility; (c) the name and last known address of each person named in the report who may possess an interest in such funds; and (d) a statement that any person possessing an interest in such funds must make a claim therefor to the Treasurer within ninety (90) days after such publication date or the funds will become the property of the State of Mississippi. In any year in which the Treasurer publishes a notice of abandoned property under Section 89-12-27, the Treasurer may combine the notice required by this section with the notice of abandoned property. The cost to the Treasurer of publishing the notice required by this section shall be paid by the Division of Medicaid.

(4) Each long-term care facility that makes a report of funds of a deceased person under this section shall pay over and deliver such funds, together with any accrued interest thereon, to the Treasurer not later than ten (10) days after notice of such funds has been published by the Treasurer as provided in subsection (3). If a claim to such funds is not made by any person having an interest therein within ninety (90) days of the published notice, the Treasurer shall place such funds in the special account in the State Treasury to the credit of the "Governor's Office - Division of Medicaid" to be expended by the Division of Medicaid for the purposes provided under Mississippi Medicaid Law.

(5) This section shall not be applicable to any Medicaid patient in a long-term care facility of a state institution listed in Section 41-7-73, who has a personal deposit fund as provided for in Section 41-7-90.

SECTION 19. Section 43-13-123, Mississippi Code of 1972, is brought forward as follows:

43-13-123. The determination of the method of providing payment of claims under this article shall be made by the division, with approval of the Governor, which methods may be:

(a) By contract with insurance companies licensed to do business in the State of Mississippi or with nonprofit hospital service corporations, medical or dental service corporations, authorized to do business in Mississippi to underwrite on an insured premium approach, such medical assistance benefits as may be available, and any carrier selected under the provisions of this article is expressly authorized and empowered to undertake the performance of the requirements of that contract.

(b) By contract with an insurance company licensed to do business in the State of Mississippi or with nonprofit hospital service, medical or dental service organizations, or other organizations including data processing companies, authorized to do business in Mississippi to act as fiscal agent.

The division shall obtain services to be provided under either of the above-described provisions in accordance with the Personal Service Contract Review Board Procurement Regulations.

The authorization of the foregoing methods shall not preclude other methods of providing payment of claims through direct operation of the program by the state or its agencies.

SECTION 20. Section 43-13-125, Mississippi Code of 1972, is brought forward as follows:

43-13-125. (1) If Medicaid is provided to a recipient under this article for injuries, disease or sickness caused under circumstances creating a cause of action in favor of the recipient against any person, firm, corporation, political subdivision or other state agency, then the division shall be entitled to recover the proceeds that may result from the exercise of any rights of recovery that the recipient may have against any such person, firm, corporation, political subdivision or other state agency, to the extent of the Division of Medicaid's interest on behalf of the recipient. The recipient shall execute and deliver instruments and papers to do whatever is necessary to secure those rights and shall do nothing after Medicaid is provided to prejudice the subrogation rights of the division. Court orders or agreements for reimbursement of Medicaid's interest shall direct those payments to the Division of Medicaid, which shall be authorized to endorse any and all, including, but not limited to, multipayee checks, drafts, money orders, or other negotiable instruments representing Medicaid payment recoveries that are received. In accordance with Section 43-13-305, endorsement of multipayee checks, drafts, money orders or other negotiable instruments by the Division of Medicaid shall be deemed endorsed by the recipient. All payments must be remitted to the division within sixty (60) days from the date of a settlement or the entry of a final judgment; failure to do so hereby authorizes the division to assert its rights under Sections 43-13-307 and 43-13-315, plus interest.

The division, with the approval of the Governor, may compromise or settle any such claim and execute a release of any claim it has by virtue of this section at the division's sole discretion. Nothing in this section shall be construed to require the Division of Medicaid to compromise any such claim.

(2) The acceptance of Medicaid under this article or the making of a claim under this article shall not affect the right of a recipient or his or her legal representative to recover Medicaid's interest as an element of damages in any action at law; however, a copy of the pleadings shall be certified to the division at the time of the institution of suit, and proof of that notice shall be filed of record in that action. The division may, at any

time before the trial on the facts, join in that action or may intervene in that action. Any amount recovered by a recipient or his or her legal representative shall be applied as follows:

(a) The reasonable costs of the collection, including attorney's fees, as approved and allowed by the court in which that action is pending, or in case of settlement without suit, by the legal representative of the division;

(b) The amount of Medicaid's interest on behalf of the recipient; or such amount as may be arrived at by the legal representative of the division and the recipient's attorney; and

(c) Any excess shall be awarded to the recipient.

(3) No compromise of any claim by the recipient or his or her legal representative shall be binding upon or affect the rights of the division against the third party unless the division, with the approval of the Governor, has entered into the compromise in writing. The recipient or his or her legal representative maintain the absolute duty to notify the division of the institution of legal proceedings, and the third party and his or her insurer maintain the absolute duty to notify the division of a proposed compromise for which the division has an interest. The aforementioned absolute duties may not be delegated or assigned by contract or otherwise. Any compromise effected by the recipient or his or her legal representative with the third party in the absence of advance notification to and approved by the division shall constitute conclusive evidence of the liability of the third party, and the division, in litigating its claim against the third party, shall be required only to prove the amount and correctness of its claim relating to the injury, disease or sickness. If the recipient or his or her legal representative fails to notify the division of the institution of legal proceedings against a third party for which the division has a cause of action, the facts relating to negligence and the liability of the third party, if judgment is rendered for the recipient, shall constitute conclusive evidence of liability in a subsequent action maintained by the division and only the amount and correctness of the division's claim relating to injuries, disease or sickness shall be tried before the court. The division shall be authorized in bringing that action against the third party and his or her insurer jointly or against the insurer alone.

(4) Nothing in this section shall be construed to diminish or otherwise restrict the subrogation rights of the Division of Medicaid against a third party for Medicaid provided by the Division of Medicaid to the recipient as a result of injuries, disease or sickness caused under circumstances creating a cause of action in favor of the recipient against such a third party.

(5) Any amounts recovered by the division under this section shall, by the division, be placed to the credit of the funds appropriated for benefits under this article proportionate to the amounts provided by the state and federal governments respectively.

SECTION 21. Section 43-13-126, Mississippi Code of 1972, is brought forward as follows:

43-13-126. As a condition of doing business in the state, health insurers, including self-insured plans, group health plans (as defined in Section 607(1) of the Employee Retirement Income Security Act of 1974), service benefit plans, managed care organizations, pharmacy benefit managers, or other parties that are by statute, contract, or agreement, legally responsible for payment of a claim for a health care item or service, are required to:

(a) Provide, with respect to individuals who are eligible for, or are provided, medical assistance under the state plan, upon the request of the Division of Medicaid, information to determine during what period the individual or their spouses or their dependents may be (or may have been) covered by a health insurer and the nature of the

coverage that is or was provided by the health insurer (including the name, address and identifying number of the plan) in a manner prescribed by the Secretary of the Department of Health and Human Services;

(b) Accept the Division of Medicaid's right of recovery and the assignment to the division of any right of an individual or other entity to payment from the party for an item or service for which payment has been made under the state plan;

(c) Respond to any inquiry by the Division of Medicaid regarding a claim for payment for any health care item or service that is submitted not later than three (3) years after the date of the provision of that health care item or service; and

(d) Agree not to deny a claim submitted by the Division of Medicaid solely on the basis of the date of submission of the claim, the type or format of the claim form, or a failure to present proper documentation at the point of sale that is the basis of the claim, if:

(i) The claim is submitted by the division within the three-year period beginning on the date on which the item or service was furnished; and

(ii) Any action by the division to enforce its rights with respect to the claim is begun within six (6) years of the division's submission of the claim.

SECTION 22. Section 43-13-127, Mississippi Code of 1972, is brought forward as follows:

43-13-127. (1) Within sixty (60) days after the end of each fiscal year and at each regular session of the Legislature, the division shall make and publish a report to the Governor and to the Legislature, showing for the period of time covered the following:

(a) The total number of recipients;

(b) The total amount paid for medical assistance and care under this article;

(c) The total number of applications;

(d) The number of applications approved;

(e) The number of applications denied;

(f) The amount expended for administration of the provisions of this article;

(g) The amount of money received from the federal government, if any;

(h) The amount of money recovered by reason of collections from third persons by reason of assignment or subrogation, and the disposition of the same;

(i) The actions and activities of the division in detecting and investigating suspected or alleged fraudulent practices, violations and abuses of the program; and

(j) Any recommendations it may have as to expanding, enlarging, limiting or restricting the eligibility of persons covered by this article or services provided by this article, to make more effective the basic purposes of this article; to eliminate or curtail fraudulent practices and inequities in the plan or administration thereof; and to continue to participate in receiving federal funds for the furnishing of medical assistance under Title XIX of the Social Security Act or other federal law.

(2) In addition to the reports required by subsection (1) of this section, the division shall submit a report each month to the Chairmen of the Public Health and Welfare

Committees of the Senate and the House of Representatives and to the Joint Legislative Budget Committee that contains the information specified in each paragraph of subsection (1) for the preceding month.

SECTION 23. Section 43-13-129, Mississippi Code of 1972, is brought forward as follows:

43-13-129. Any person making application for benefits under this article for himself or for another person, and any provider of services, who knowingly makes a false statement or false representation or fails to disclose a material fact to obtain or increase any benefit or payment under this article shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine not to exceed Five Hundred Dollars (\$500.00) or imprisoned not to exceed one (1) year, or by both such fine and imprisonment. Each false statement or false representation or failure to disclose a material fact shall constitute a separate offense. This section shall not prohibit prosecution under any other criminal statutes of this state or the United States.

SECTION 24. Section 43-13-131, Mississippi Code of 1972, is brought forward as follows:

43-13-131. Any person who shall, through intentional misrepresentation, fraud, deceit or unlawful design, either acting individually or in concert with others, influence any recipient to elect any particular provider of services, or any particular type of services, for the purposes and with the intent to obtain or increase any benefit or payment under this article shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine not exceeding Five Hundred Dollars (\$500.00) or imprisonment not exceeding one (1) year, or by both such fine and imprisonment. This section shall not prohibit prosecution under any other criminal statutes of this state or the United States.

SECTION 25. Section 43-13-133, Mississippi Code of 1972, is brought forward as follows:

43-13-133. It is the intent of the Legislature that all federal matching funds for medical assistance under Titles V, XVIII and XIX of the federal Social Security Act paid into any state health agency after the passage of this article shall be used exclusively to defray the cost of medical assistance expended under the terms of this article.

SECTION 26. Section 43-13-137, Mississippi Code of 1972, is brought forward as follows:

43-13-137. The division is an agency as defined under Section 25-43-3 and, therefore, must comply in all respects with the Administrative Procedures Law, Section 25-43-1 et seq.

SECTION 27. Section 43-13-143, Mississippi Code of 1972, is brought forward as follows:

43-13-143. There is created in the State Treasury a special fund to be known as the "Medical Care Fund," which shall be comprised of monies transferred by public or private health care providers, governing bodies of counties, municipalities, public or community hospitals and other political subdivisions of the state, individuals, corporations, associations and any other entities for the purpose of providing health care services. Any transfer made to the fund shall be paid to the State Treasurer for deposit into the fund, and all such transfers shall be considered as unconditional transfers to the fund. The monies in the Medical Care Fund shall be expended only for health care services, and may be expended only upon appropriation of the Legislature. All transfers of monies to the Division of Medicaid by health care providers and by governing bodies of counties, municipalities, public or community hospitals and other political subdivisions of the state shall be deposited into the fund. Unexpended monies remaining in the fund at the end of

a fiscal year shall not lapse into the State General Fund, and any interest earned on monies in the fund shall be deposited to the credit of the fund.

SECTION 28. Section 43-13-145, Mississippi Code of 1972, is brought forward as follows:

43-13-145. (1) (a) Upon each nursing facility licensed by the State of Mississippi, there is levied an assessment in an amount set by the division, equal to the maximum rate allowed by federal law or regulation, for each licensed and occupied bed of the facility.

(b) A nursing facility is exempt from the assessment levied under this subsection if the facility is operated under the direction and control of:

(i) The United States Veterans Administration or other agency or department of the United States government; or

(ii) The State Veterans Affairs Board.

(2) (a) Upon each intermediate care facility for individuals with intellectual disabilities licensed by the State of Mississippi, there is levied an assessment in an amount set by the division, equal to the maximum rate allowed by federal law or regulation, for each licensed and occupied bed of the facility.

(b) An intermediate care facility for individuals with intellectual disabilities is exempt from the assessment levied under this subsection if the facility is operated under the direction and control of:

(i) The United States Veterans Administration or other agency or department of the United States government;

(ii) The State Veterans Affairs Board; or

(iii) The University of Mississippi Medical Center.

(3) (a) Upon each psychiatric residential treatment facility licensed by the State of Mississippi, there is levied an assessment in an amount set by the division, equal to the maximum rate allowed by federal law or regulation, for each licensed and occupied bed of the facility.

(b) A psychiatric residential treatment facility is exempt from the assessment levied under this subsection if the facility is operated under the direction and control of:

(i) The United States Veterans Administration or other agency or department of the United States government;

(ii) The University of Mississippi Medical Center; or

(iii) A state agency or a state facility that either provides its own state match through intergovernmental transfer or certification of funds to the division.

(4) Hospital assessment.

(a) (i) Subject to and upon fulfillment of the requirements and conditions of paragraph (f) below, and notwithstanding any other provisions of this section, an annual assessment on each hospital licensed in the state is imposed on each non-Medicare hospital inpatient day as defined below at a rate that is determined by dividing the sum prescribed in this subparagraph (i), plus the nonfederal share necessary to maximize the Disproportionate Share Hospital (DSH) and Medicare Upper Payment Limits (UPL) Program payments and hospital access payments and such other supplemental

payments as may be developed pursuant to Section 43-13-117(A)(18), by the total number of non-Medicare hospital inpatient days as defined below for all licensed Mississippi hospitals, except as provided in paragraph (d) below. If the state-matching funds percentage for the Mississippi Medicaid program is sixteen percent (16%) or less, the sum used in the formula under this subparagraph (i) shall be Seventy-four Million Dollars (\$74,000,000.00). If the state-matching funds percentage for the Mississippi Medicaid program is twenty-four percent (24%) or higher, the sum used in the formula under this subparagraph (i) shall be One Hundred Four Million Dollars (\$104,000,000.00). If the state-matching funds percentage for the Mississippi Medicaid program is between sixteen percent (16%) and twenty-four percent (24%), the sum used in the formula under this subparagraph (i) shall be a pro rata amount determined as follows: the current state-matching funds percentage rate minus sixteen percent (16%) divided by eight percent (8%) multiplied by Thirty Million Dollars (\$30,000,000.00) and add that amount to Seventy-four Million Dollars (\$74,000,000.00). However, no assessment in a quarter under this subparagraph (i) may exceed the assessment in the previous quarter by more than Three Million Seven Hundred Fifty Thousand Dollars (\$3,750,000.00) (which would be Fifteen Million Dollars (\$15,000,000.00) on an annualized basis). The division shall publish the state-matching funds percentage rate applicable to the Mississippi Medicaid program on the tenth day of the first month of each quarter and the assessment determined under the formula prescribed above shall be applicable in the quarter following any adjustment in that state-matching funds percentage rate. The division shall notify each hospital licensed in the state as to any projected increases or decreases in the assessment determined under this subparagraph (i). However, if the Centers for Medicare and Medicaid Services (CMS) does not approve the provision in Section 43-13-117(39) requiring the division to reimburse crossover claims for inpatient hospital services and crossover claims covered under Medicare Part B for dually eligible beneficiaries in the same manner that was in effect on January 1, 2008, the sum that otherwise would have been used in the formula under this subparagraph (i) shall be reduced by Seven Million Dollars (\$7,000,000.00).

(ii) In addition to the assessment provided under subparagraph (i), an additional annual assessment on each hospital licensed in the state is imposed on each non-Medicare hospital inpatient day as defined below at a rate that is determined by dividing twenty-five percent (25%) of any provider reductions in the Medicaid program as authorized in Section 43-13-117(F) for that fiscal year up to the following maximum amount, plus the nonfederal share necessary to maximize the Disproportionate Share Hospital (DSH) and inpatient Medicare Upper Payment Limits (UPL) Program payments and inpatient hospital access payments, by the total number of non-Medicare hospital inpatient days as defined below for all licensed Mississippi hospitals: in fiscal year 2010, the maximum amount shall be Twenty-four Million Dollars (\$24,000,000.00); in fiscal year 2011, the maximum amount shall be Thirty-two Million Dollars (\$32,000,000.00); and in fiscal year 2012 and thereafter, the maximum amount shall be Forty Million Dollars (\$40,000,000.00). Any such deficit in the Medicaid program shall be reviewed by the PEER Committee as provided in Section 43-13-117(F).

(iii) In addition to the assessments provided in subparagraphs (i) and (ii), an additional annual assessment on each hospital licensed in the state is imposed pursuant to the provisions of Section 43-13-117(F) if the cost-containment measures described therein have been implemented and there are insufficient funds in the Health Care Trust Fund to reconcile any remaining deficit in any fiscal year. If the Governor institutes any other additional cost-containment measures on any program or programs authorized under the Medicaid program pursuant to Section 43-13-117(F), hospitals shall be responsible for twenty-five percent (25%) of any such additional imposed provider cuts, which shall be in the form of an additional assessment not to exceed the twenty-five percent (25%) of provider expenditure reductions. Such additional assessment shall be imposed on each non-Medicare hospital inpatient day in the same manner as assessments are imposed under subparagraphs (i) and (ii).

(b) Definitions.

(i) [Deleted]

(ii) For purposes of this subsection (4):

1. "Non-Medicare hospital inpatient day" means total hospital inpatient days including subcomponent days less Medicare inpatient days including subcomponent days from the hospital's most recent Medicare cost report for the second calendar year preceding the beginning of the state fiscal year, on file with CMS per the CMS HCRIS database, or cost report submitted to the Division if the HCRIS database is not available to the division, as of June 1 of each year.

a. Total hospital inpatient days shall be the sum of Worksheet S-3, Part 1, column 8 row 14, column 8 row 16, and column 8 row 17, excluding column 8 rows 5 and 6.

b. Hospital Medicare inpatient days shall be the sum of Worksheet S-3, Part 1, column 6 row 14, column 6 row 16.00, and column 6 row 17, excluding column 6 rows 5 and 6.

c. Inpatient days shall not include residential treatment or long-term care days.

2. "Subcomponent inpatient day" means the number of days of care charged to a beneficiary for inpatient hospital rehabilitation and psychiatric care services in units of full days. A day begins at midnight and ends twenty-four (24) hours later. A part of a day, including the day of admission and day on which a patient returns from leave of absence, counts as a full day. However, the day of discharge, death, or a day on which a patient begins a leave of absence is not counted as a day unless discharge or death occur on the day of admission. If admission and discharge or death occur on the same day, the day is considered a day of admission and counts as one (1) subcomponent inpatient day.

(c) The assessment provided in this subsection is intended to satisfy and not be in addition to the assessment and intergovernmental transfers provided in Section 43-13-117(A)(18). Nothing in this section shall be construed to authorize any state agency, division or department, or county, municipality or other local governmental unit to license for revenue, levy or impose any other tax, fee or assessment upon hospitals in this state not authorized by a specific statute.

(d) Hospitals operated by the United States Department of Veterans Affairs and state-operated facilities that provide only inpatient and outpatient psychiatric services shall not be subject to the hospital assessment provided in this subsection.

(e) Multihospital systems, closure, merger, change of ownership and new hospitals.

(i) If a hospital conducts, operates or maintains more than one (1) hospital licensed by the State Department of Health, the provider shall pay the hospital assessment for each hospital separately.

(ii) Notwithstanding any other provision in this section, if a hospital subject to this assessment operates or conducts business only for a portion of a fiscal year, the assessment for the state fiscal year shall be adjusted by multiplying the assessment by a fraction, the numerator of which is the number of days in the year during which the hospital operates, and the denominator of which is three hundred sixty-five (365). Immediately upon ceasing to operate, the hospital shall pay the assessment for the year as so adjusted (to the extent not previously paid).

(iii) The division shall determine the tax for new hospitals and hospitals that undergo a change of ownership in accordance with this section, using the best available information, as determined by the division.

(f) Applicability.

The hospital assessment imposed by this subsection shall not take effect and/or shall cease to be imposed if:

(i) The assessment is determined to be an impermissible tax under Title XIX of the Social Security Act; or

(ii) CMS revokes its approval of the division's 2009 Medicaid State Plan Amendment for the methodology for DSH payments to hospitals under Section 43-13-117(A)(18).

(5) Each health care facility that is subject to the provisions of this section shall keep and preserve such suitable books and records as may be necessary to determine the amount of assessment for which it is liable under this section. The books and records shall be kept and preserved for a period of not less than five (5) years, during which time those books and records shall be open for examination during business hours by the division, the Department of Revenue, the Office of the Attorney General and the State Department of Health.

(6) [Deleted]

(7) All assessments collected under this section shall be deposited in the Medical Care Fund created by Section 43-13-143.

(8) The assessment levied under this section shall be in addition to any other assessments, taxes or fees levied by law, and the assessment shall constitute a debt due the State of Mississippi from the time the assessment is due until it is paid.

(9) (a) If a health care facility that is liable for payment of an assessment levied by the division does not pay the assessment when it is due, the division shall give written notice to the health care facility demanding payment of the assessment within ten (10) days from the date of delivery of the notice. If the health care facility fails or refuses to pay the assessment after receiving the notice and demand from the division, the division shall withhold from any Medicaid reimbursement payments that are due to the health care facility the amount of the unpaid assessment and a penalty of ten percent (10%) of the amount of the assessment, plus the legal rate of interest until the assessment is paid in full. If the health care facility does not participate in the Medicaid program, the division shall turn over to the Office of the Attorney General the collection of the unpaid assessment by civil action. In any such civil action, the Office of the Attorney General shall collect the amount of the unpaid assessment and a penalty of ten percent (10%) of the amount of the assessment, plus the legal rate of interest until the assessment is paid in full.

(b) As an additional or alternative method for collecting unpaid assessments levied by the division, if a health care facility fails or refuses to pay the assessment after receiving notice and demand from the division, the division may file a notice of a tax lien with the chancery clerk of the county in which the health care facility is located, for the amount of the unpaid assessment and a penalty of ten percent (10%) of the amount of the assessment, plus the legal rate of interest until the assessment is paid in full. Immediately upon receipt of notice of the tax lien for the assessment, the chancery clerk shall forward the notice to the circuit clerk who shall enter the notice of the tax lien as a judgment upon the judgment roll and show in the appropriate columns the name of the health care facility as judgment debtor, the name of the division as judgment creditor, the amount of the unpaid assessment, and the date and time of enrollment. The judgment

shall be valid as against mortgagees, pledgees, entrusters, purchasers, judgment creditors and other persons from the time of filing with the clerk. The amount of the judgment shall be a debt due the State of Mississippi and remain a lien upon the tangible property of the health care facility until the judgment is satisfied. The judgment shall be the equivalent of any enrolled judgment of a court of record and shall serve as authority for the issuance of writs of execution, writs of attachment or other remedial writs.

(10) (a) To further the provisions of Section 43-13-117(A)(18), the Division of Medicaid shall submit to the Centers for Medicare and Medicaid Services (CMS) any documents regarding the hospital assessment established under subsection (4) of this section. In addition to defining the assessment established in subsection (4) of this section if necessary, the documents shall describe any supplement payment programs and/or payment methodologies as authorized in Section 43-13-117(A)(18) if necessary.

(b) All hospitals satisfying the minimum federal DSH eligibility requirements (Section 1923(d) of the Social Security Act) may, subject to OBRA 1993 payment limitations, receive a DSH payment. This DSH payment shall expend the balance of the federal DSH allotment and associated state share not utilized in DSH payments to state-owned institutions for treatment of mental diseases. The payment to each hospital shall be calculated by applying a uniform percentage to the uninsured costs of each eligible hospital, excluding state-owned institutions for treatment of mental diseases; however, that percentage for a state-owned teaching hospital located in Hinds County shall be multiplied by a factor of two (2).

(11) The division shall implement DSH and supplemental payment calculation methodologies that result in the maximization of available federal funds.

(12) The DSH payments shall be paid on or before December 31, March 31, and June 30 of each fiscal year, in increments of one-third (1/3) of the total calculated DSH amounts. Supplemental payments developed pursuant to Section 43-13-117(A)(18) shall be paid monthly.

(13) Payment.

(a) The hospital assessment as described in subsection (4) for the nonfederal share necessary to maximize the Medicare Upper Payments Limits (UPL) Program payments and hospital access payments and such other supplemental payments as may be developed pursuant to Section 43-13-117(A)(18) shall be assessed and collected monthly no later than the fifteenth calendar day of each month.

(b) The hospital assessment as described in subsection (4) for the nonfederal share necessary to maximize the Disproportionate Share Hospital (DSH) payments shall be assessed and collected on December 15, March 15 and June 15.

(c) The annual hospital assessment and any additional hospital assessment as described in subsection (4) shall be assessed and collected on September 15 and on the 15th of each month from December through June.

(14) If for any reason any part of the plan for annual DSH and supplemental payment programs to hospitals provided under subsection (10) of this section and/or developed pursuant to Section 43-13-117(A)(18) is not approved by CMS, the remainder of the plan shall remain in full force and effect.

(15) Nothing in this section shall prevent the Division of Medicaid from facilitating participation in Medicaid supplemental hospital payment programs by a hospital located in a county contiguous to the State of Mississippi that is also authorized by federal law to submit intergovernmental transfers (IGTs) to the State of Mississippi to fund the state share of the hospital's supplemental and/or MHAP payments.

(16) This section shall stand repealed on July 1, 2024.

(i) Defending himself or herself or another person from physical injury being threatened or caused by a domesticated or feral dog or cat.

Natural or other causes beyond the reasonable control of the person include, without limitation, acts of God, declarations of disaster, emergencies, acts of war, earthquakes, hurricanes, tornadoes, fires, floods or other natural disasters.

(5) The provisions of this section shall not be construed to:

(a) Apply to any animal other than a domesticated dog or cat.

(b) Create any civil or criminal liability on the part of the driver of a motor vehicle if the driver unintentionally injures or kills a domesticated dog or cat as a result of the domesticated dog or cat being accidentally hit by the vehicle.

(6) (a) Except as otherwise provided in Section 97-35-47 for the false reporting of a crime, a person, who in good faith and acting without malice, reports a suspected incident of simple cruelty to a domesticated dog or cat, or aggravated cruelty to a domesticated dog or cat, to a local animal control, protection or welfare organization, a local law enforcement agency, or the Mississippi Department of Public Safety, shall be immune from civil and criminal liability for reporting the incident.

(7) Other than an agency or department of a political subdivision that is charged with the control, protection or welfare of dogs or cats within the subdivision, any organization that has the purpose of protecting the welfare of, or preventing cruelty to, domesticated dogs or cats, shall register the organization with the sheriff of the county in which the organization operates a physical facility for the protection, welfare or shelter of dogs or cats, on or before the first day of October each year. The provisions of this subsection (7) shall apply to any organization that has the purpose of protecting the welfare of dogs or cats, or preventing cruelty to dogs or cats, regardless of whether the organization also protects animals other than domesticated dogs or cats.

(8) Nothing in this section shall limit the authority of a municipality or board of supervisors to adopt ordinances, rules, regulations or resolutions which may be, in whole or in part, more restrictive than the provisions of this section, and in those cases, the more restrictive ordinances, rules, regulations or resolutions will govern.

SECTION \*. Section 43-21-603, Mississippi Code of 1972, is amended as follows:

43-21-603. (1) At the beginning of each disposition hearing, the judge shall inform the parties of the purpose of the hearing.

(2) All testimony shall be under oath unless waived by all parties and may be in narrative form. The court may consider any evidence that is material and relevant to the disposition of the cause, including hearsay and opinion evidence. At the conclusion of the evidence, the youth court shall give the parties an opportunity to present oral argument.

(3) If the child has been adjudicated a delinquent child, before entering a disposition order, the youth court should consider, among others, the following relevant factors:

- (a) The nature of the offense;
- (b) The manner in which the offense was committed;
- (c) The nature and number of a child's prior adjudicated offenses;
- (d) The child's need for care and assistance;
- (e) The child's current medical history, including medication and diagnosis;
- (f) The child's mental health history, which may include, but not be limited to, the Massachusetts Youth Screening Instrument version 2 (MAYSI-2);
- (g) Copies of the child's cumulative record from the last school of record, including special education records, if applicable;
- (h) Recommendation from the school of record based on areas of remediation needed;
- (i) Disciplinary records from the school of record; and
- (j) Records of disciplinary actions outside of the school setting.

(4) If the child has been adjudicated a child in need of supervision, before entering a disposition order, the youth court should consider, among others, the following relevant factors:

- (a) The nature and history of the child's conduct;
- (b) The family and home situation; and
- (c) The child's need of care and assistance.

(5) If the child has been adjudicated a neglected child or an abused child, before entering a disposition order, the youth court shall consider, among others, the following relevant factors:

- (a) The child's physical and mental conditions;
- (b) The child's need of assistance;
- (c) The manner in which the parent, guardian or custodian participated in, tolerated or condoned the abuse, neglect or abandonment of the child;
- (d) The ability of a child's parent, guardian or custodian to provide proper supervision and care of a child; and
- (e) Relevant testimony and recommendations, where available, from the foster parent of the child, the grandparents of the child, the guardian ad litem of the child,

representatives of any private care agency that has cared for the child, the family protection worker or family protection specialist assigned to the case, and any other relevant testimony pertaining to the case.

(6) After consideration of all the evidence and the relevant factors, the youth court shall enter a disposition order that shall not recite any of the facts or circumstances upon which the disposition is based, nor shall it recite that a child has been found guilty; but it shall recite that a child is found to be a delinquent child, a child in need of supervision, a neglected child or an abused child.

(7) If the youth court orders that the custody or supervision of a child who has been adjudicated abused or neglected be placed with the Department of Human Services or any other person or public or private agency, other than the child's parent, guardian or custodian, the youth court shall find and the disposition order shall recite that:

(a) (i) Reasonable efforts have been made to maintain the child within his own home, but that the circumstances warrant his removal and there is no reasonable alternative to custody; or

(ii) The circumstances are of such an emergency nature that no reasonable efforts have been made to maintain the child within his own home, and that there is no reasonable alternative to custody; and

(b) That the effect of the continuation of the child's residence within his own home would be contrary to the welfare of the child and that the placement of the child in foster care is in the best interests of the child; or

(c) Reasonable efforts to maintain the child within his home shall not be required if the court determines that:

(i) The parent has subjected the child to aggravated circumstances, including, but not limited to, abandonment, torture, chronic abuse and sexual abuse; or

(ii) The parent has been convicted of murder of another child of that parent, voluntary manslaughter of another child of that parent, aided or abetted, attempted, conspired or solicited to commit that murder or voluntary manslaughter, or a felony assault that results in the serious bodily injury to the surviving child or another child of that parent; or

(iii) The parental rights of the parent to a sibling have been terminated involuntarily; and

(iv) That the effect of the continuation of the child's residence within his own home would be contrary to the welfare of the child and that placement of the child in foster care is in the best interests of the child.

Once the reasonable efforts requirement is bypassed, the court shall have a permanency hearing under Section 43-21-613 within thirty (30) days of the finding.

(8) Upon a written motion by a party, the youth court shall make written findings of fact and conclusions of law upon which it relies for the disposition order. If the disposition ordered by the youth court includes placing the child in the custody of a training school, an admission packet shall be prepared for the child that contains the following information:

(a) The child's current medical history, including medications and diagnosis;

(b) The child's mental health history;

- (c) Copies of the child's cumulative record from the last school of record, including special education records, if reasonably available;
- (d) Recommendation from the school of record based on areas of remediation needed;
- (e) Disciplinary records from the school of record; and
- (f) Records of disciplinary actions outside of the school setting, if reasonably available.

Only individuals who are permitted under the Health Insurance Portability and Accountability Act of 1996 (HIPAA) shall have access to a child's medical records which are contained in an admission packet. The youth court shall provide the admission packet to the training school at or before the child's arrival at the training school. The admittance of any child to a training school shall take place between the hours of 8:00 a.m. and 3:00 p.m. on designated admission days.

(9) When a child in the jurisdiction of the Youth Court is committed to the custody of the Mississippi Department of Human Services and is believed to be in need of treatment for a mental or emotional disability or infirmity, the Department of Human Services shall file an affidavit alleging that the child is in need of mental health services with the Youth Court. The Youth Court shall refer the child to the appropriate community mental health center for evaluation pursuant to Section 41-21-67. If the prescreening evaluation recommends residential care, the Youth Court shall proceed with civil commitment pursuant to Sections 41-21-61 et seq., 43-21-315 and 43-21-611, and the Department of Mental Health, once commitment is ordered, shall provide appropriate care, treatment and services for at least as many adolescents as were provided services in fiscal year 2004 in its facilities.

(10) Any screening and assessment examinations ordered by the court may aid in dispositions related to delinquency, but no statements or admissions made during the course thereof may be admitted into evidence against the child on the issue of whether the child committed a delinquent act.

(11) For a child adjudicated delinquent for an offense under Section 97-41-16, the youth court shall order a psychiatric evaluation and counseling or treatment pursuant to Section 97-41-16(3)(c).

FURTHER, AMEND the title after the semicolon on line 4 by inserting the following:

TO AMEND SECTION 97-41-16, MISSISSIPPI CODE OF 1972, TO RENAME THE SECTION "BUDDY'S LAW"; TO REQUIRE A CHILD ADJUDICATED DELINQUENT UNDER THIS SECTION TO RECEIVE A PSYCHIATRIC EVALUATION AND COUNSELING OR TREATMENT FOR A LENGTH OF TIME PRESCRIBED BY THE YOUTH COURT; TO AMEND SECTION 43-21-603, MISSISSIPPI CODE OF 1972, TO CONFORM;

Senator Wiggins called up the following entitled bill:

**H. B. No. 770:** Mississippi Equal Pay for Equal Work Act; create.

Senator Wiggins offered the following COMMITTEE AMENDMENT NO. 1.

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. This act shall be known and may be cited as "The Mississippi Equal Pay Act."

SECTION 2. (1) An employer, including the state or any of its political subdivisions, including public bodies, may not pay any of its employees at wage rates less than the rates paid to employees of another sex for equal work within the same establishment on jobs the performance of which requires equal skill, effort, education, experience, responsibility, and performance under similar working conditions, except where the payment is made pursuant to any of the following:

(a) A seniority system;

(b) A merit system;

(c) A system which measures earnings by quantity or quality of production;

or

(d) A differential based on any factor other than sex.

(2) Any employer who violates subsection (1) of this section is liable to the employee affected in an amount equal to the wages, and interest thereon, of which the employee is deprived by reason of the violation.

(3) An employee who files a claim against his or her employer for a violation of subsection (1) of this section must plead with particularity in demonstrating the following:

(a) The employee was paid less than someone for equal work despite possessing equal skill, effort, education, experience, and responsibility; and

(b) The applicable wage schedule at issue was or is not correlated to any conditions permissible under subsection (1) of this section.

(4) If an employee recovers an amount under subsection (2) of this section, and also files a complaint or brings an action pursuant to the Equal Pay Act of 1963 or Title VII of the Civil Rights Act of 1964, which results in an additional recovery for the same employer conduct for which recovery was had under subsection (2) of this section, the employee shall return to the employer the amount recovered under subsection (2) of this section, or the amount recovered under federal law, whichever is less.

(5) A civil action brought under this subsection may be commenced no later than two (2) years from the day the employee knew or should have known his or her employer was in violation of this section.

SECTION 3. Section 93-5-1, Mississippi Code of 1972, is amended as follows:

93-5-1. Divorces from the bonds of matrimony may be decreed to the injured party for any one or more of the following \* \* \* thirteen (13) causes:

First. Natural impotency.

Second. Adultery, unless it should appear that it was committed by collusion of the parties for the purpose of procuring a divorce, or unless the parties cohabited after a knowledge by complainant of the adultery.

Third. Being sentenced to any penitentiary, and not pardoned before being sent there.

Fourth. \* \* \* Continued \* \* \* desertion for the space of one (1) year.

Fifth. Habitual drunkenness.

Sixth. Habitual and excessive use of opium, morphine or other like drug.

Seventh. Habitual cruel and inhuman treatment, including spousal domestic abuse.

Spousal domestic abuse may be established through the reliable testimony of a single credible witness, who may be the injured party, and includes, but is not limited to:

That the injured party's spouse attempted to cause, or purposely, knowingly or recklessly caused bodily injury to the injured party, or that the injured party's spouse attempted by physical menace to put the injured party in fear of imminent serious bodily harm; or

That the injured party's spouse engaged in a pattern of behavior against the injured party of threats or intimidation, emotional or verbal abuse, forced isolation, sexual extortion or sexual abuse, or stalking or aggravated stalking as defined in Section

97-3-107, if the pattern of behavior rises above the level of unkindness or rudeness or incompatibility or want of affection.

Eighth. Having mental illness or an intellectual disability at the time of marriage, if the party complaining did not know of that infirmity.

Ninth. Marriage to some other person at the time of the pretended marriage between the parties.

Tenth. Pregnancy of the wife by another person at the time of the marriage, if the husband did not know of the pregnancy.

Eleventh. Either party may have a divorce if they are related to each other within the degrees of kindred between whom marriage is prohibited by law.

Twelfth. Incurable mental illness. However, no divorce shall be granted upon this ground unless the party with mental illness has been under regular treatment for mental illness and causes thereof, confined in an institution for persons with mental illness for a period of at least three (3) years immediately preceding the commencement of the action. However, transfer of a party with mental illness to his or her home for treatment or a trial visit on prescription or recommendation of a licensed physician, which treatment or trial visit proves unsuccessful after a bona fide effort by the complaining party to effect a cure, upon the reconfinement of the party with mental illness in an institution for persons with mental illness, shall be regular treatment for mental illness and causes thereof, and the period of time so consumed in seeking to effect a cure or while on a trial visit home shall be added to the period of actual confinement in an institution for persons with mental illness in computing the required period of three (3) years confinement immediately preceding the beginning of the action. No divorce shall be granted because of mental illness until after a thorough examination of the person with mental illness by two (2) physicians who are recognized authorities on mental diseases. One (1) of those physicians shall be either the superintendent of a state psychiatric hospital or institution or a veterans hospital for persons with mental illness in which the patient is confined, or a member of the medical staff of that hospital or institution who has had the patient in charge. Before incurable mental illness can be successfully proven as a ground for divorce, it shall be necessary that both of those physicians make affidavit that the patient is a person with mental illness at the time of the examination, and both affidavits shall be made a part of the permanent record of the divorce proceedings and shall create the prima facie presumption of incurable mental illness, such as would justify a divorce based on that ground. Service of process shall be made on the superintendent of the hospital or institution in which the defendant is a patient. If the patient is in a hospital or institution outside the state, process shall be served by publication, as in other cases of service by publication, together with the sending of a copy by registered mail to the superintendent of the hospital or institution. In addition, process shall be served upon the next blood relative and guardian, if any. If there is no legal guardian, the court shall appoint a guardian ad litem to represent the interest of the person with mental illness. The relative or guardian and superintendent of the hospital or institution shall be entitled to appear and be heard upon any and all issues. The status of the parties as to the support and maintenance of the person with mental illness shall not be altered in any way by the granting of the divorce.

However, in the discretion of the chancery court, and in those cases as the court may deem it necessary and proper, before any such decree is granted on the ground of incurable mental illness, the complainant, when ordered by the court, shall enter into bond, to be approved by the court, in such an amount as the court may think just and proper, conditioned for the care and keeping of the person with mental illness during the remainder of his or her natural life, unless the person with mental illness has a sufficient estate in his or her own right for that purpose.

Thirteenth. Upon application of either party, the court may grant a divorce when the court finds there has been an irretrievable breakdown of the marriage and that further attempts at reconciliation are impractical or futile and not in the best interests of the parties or family.

SECTION 4. This act shall take effect and be in force from and after July 1, 2022, and shall stand repealed on June 30, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO ENACT THE MISSISSIPPI EQUAL PAY ACT; TO PROHIBIT AN EMPLOYER FROM PAYING ANY OF ITS EMPLOYEES AT WAGE RATES LESS THAN THOSE PAID TO EMPLOYEES OF ANOTHER SEX FOR EQUAL WORK UNLESS A WAGE DIFFERENTIAL IS BASED UPON ONE OR MORE SPECIFIED FACTORS; TO PROVIDE A CAUSE OF ACTION AGAINST EMPLOYERS WHO VIOLATE THIS ACT; TO PROVIDE THAT EMPLOYEES WHO RECOVER UNDER THIS ACT AND ALSO RECOVER UNDER A FEDERAL CAUSE OF ACTION FOR THE SAME EMPLOYER CONDUCT SHALL RETURN THE SMALLER OF THE TWO AWARDS TO THE EMPLOYER; TO AMEND SECTION 93-5-1, MISSISSIPPI CODE OF 1972, TO DELETE THE REQUIREMENT OF WILLFUL AND OBSTINATE FROM THE GROUND OF DIVORCE FOR DESERTION; TO PROVIDE AN ADDITIONAL GROUND OF DIVORCE WHERE WHEN THE COURT FINDS THERE HAS BEEN AN IRRETRIEVABLE BREAKDOWN OF THE MARRIAGE AND THAT FURTHER ATTEMPTS AT RECONCILIATION ARE IMPRACTICAL OR FUTILE AND NOT IN THE BEST INTERESTS OF THE PARTIES OR FAMILY; AND FOR RELATED PURPOSES.

#### POINT OF ORDER

A point of order was raised by Senator Blackmon that Committee Amendment No. 1 is not germane.

#### RULING OF THE CHAIR

The Chair, President Hosemann presiding, ruled the point of order well-taken. The committee amendment adds provisions to the bill that revise the statutory grounds of divorce. These provisions do not relate to the subject matter of the bill regarding equal pay. Therefore, the amendment is not germane.

Senator Wiggins offered the following AMENDMENT NO. 2.

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. This act shall be known and may be cited as "The Mississippi Equal Pay Act."

SECTION 2. (1) An employer, including the state or any of its political subdivisions, including public bodies, may not pay any of its employees at wage rates less than the rates paid to employees of another sex for equal work within the same establishment on jobs the performance of which requires equal skill, effort, education, experience, responsibility, and performance under similar working conditions, except where the payment is made pursuant to any of the following:

- (a) A seniority system;
- (b) A merit system;
- (c) A system which measures earnings by quantity or quality of production;

or

- (d) A differential based on any factor other than sex.

(2) Any employer who violates subsection (1) of this section is liable to the employee affected in an amount equal to the wages, and interest thereon, of which the employee is deprived by reason of the violation.

(3) An employee who files a claim against his or her employer for a violation of subsection (1) of this section must plead with particularity in demonstrating the following:

(a) The employee was paid less than someone for equal work despite possessing equal skill, effort, education, experience, and responsibility; and

(b) The applicable wage schedule at issue was or is not correlated to any conditions permissible under subsection (1) of this section.

(4) If an employee recovers an amount under subsection (2) of this section, and also files a complaint or brings an action pursuant to the Equal Pay Act of 1963 or Title VII of the Civil Rights Act of 1964, which results in an additional recovery for the same employer conduct for which recovery was had under subsection (2) of this section, the employee shall return to the employer the amount recovered under subsection (2) of this section, or the amount recovered under federal law, whichever is less.

(5) A civil action brought under this subsection may be commenced no later than two (2) years from the day the employee knew or should have known his or her employer was in violation of this section.

SECTION 3. This act shall take effect and be in force from and after July 1, 2022, and shall stand repealed on June 30, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO ENACT THE MISSISSIPPI EQUAL PAY ACT; TO PROHIBIT AN EMPLOYER FROM PAYING ANY OF ITS EMPLOYEES AT WAGE RATES LESS THAN THOSE PAID TO EMPLOYEES OF ANOTHER SEX FOR EQUAL WORK UNLESS A WAGE DIFFERENTIAL IS BASED UPON ONE OR MORE SPECIFIED FACTORS; TO PROVIDE A CAUSE OF ACTION AGAINST EMPLOYERS WHO VIOLATE THIS ACT; TO PROVIDE THAT EMPLOYEES WHO RECOVER UNDER THIS ACT AND ALSO RECOVER UNDER A FEDERAL CAUSE OF ACTION FOR THE SAME EMPLOYER CONDUCT SHALL RETURN THE SMALLER OF THE TWO AWARDS TO THE EMPLOYER; AND FOR RELATED PURPOSES.

SECTION 2. Section 9-27-3, Mississippi Code of 1972, is amended as follows:

9-27-3. (1) The Legislature recognizes the critical need for judicial intervention to establish court processes and procedures that are more responsive to the needs of \* \* \* those individuals with mental illnesses whose conduct places them under the jurisdiction of the courts, while maintaining public safety and the integrity of the court process. It is the intent of the Legislature to facilitate local mental health treatment court alternatives adaptable to chancery, circuit, county and youth courts.

(2) The goals of the mental health treatment courts under this chapter include the following:

(a) Reduce the number of future criminal justice contacts among offenders with mental illnesses;

(b) Reduce the \* \* \* institutionalization of people with mental illnesses;

(g) Establish linkages \*\*\* between the court system and state and local agencies and programs that target people with mental illnesses in order to maximize the delivery of services; and

(h) To \*\*\* redirect prison-bound offenders and other individuals whose \*\*\* conduct is driven in part by mental illnesses to intensive supervision and clinical treatment available in the mental health treatment court.

SECTION 3. Section 9-27-5, Mississippi Code of 1972, is amended as follows:

A treatment provider shall make recommendations as to appropriate treatment services and support for individual participants of the mental health treatment court. Otherwise, a stenographic or longhand verbatim record shall be made. If a longhand verbatim record is made, the judge shall file a signed copy with the court.

(6) The contents of a warrant upon oral testimony shall be the same as the contents of a warrant upon affidavit.

Senator DeBar offered the following COMMITTEE AMENDMENT NO. 1.

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 37-23-31, Mississippi Code of 1972, is amended as follows:

37-23-31. (1) (a) When five (5) or more children under twenty-one (21) years of age who, because of \* \* \* significant developmental disabilities, complex communication needs, significant language or learning deficits or any combination of either, are unable to have their educational needs met appropriately in a regular or special education public school program \* \* \* within their local public school districts, a state-supported university or college shall be authorized and empowered, in its discretion, to provide a program of education, instruction and training to such children, provided that such program shall operate under rules, regulations, policies and standards adopted by the State Department of Education, as provided for in Section 37-23-33. The opinion of a parent or guardian in regard to the provision of an appropriate special education program in or by their respective local public school district shall be considered before a placement decision is finalized. Parents shall have any and all rights as provided in the Individuals with Disabilities Education Act, including, but not limited to, the right to equal participation in their child's Individualized Education Program (IEP), the right to require review of their child's IEP, and the right to appeal an IEP Committee decision immediately. The parent or guardian or local educational agency shall have the right to audio record the proceedings of individualized education program team meetings. The parent or guardian or local educational agency shall notify the members of the individualized education program team of his, her, or its intent to audio record a meeting at least twenty-four (24) hours prior to the meeting.

(b) Instructors, including speech-language pathologists, educational audiologists and special and early childhood educators are qualified and empowered to serve as the lead teacher for children enrolled within the state-supported university's or college's university-based program (UBP) through the IDEA-Part C and IDEA-Part B eligibility and placement process. When communication is a primary area of concern on the child's Individualized Family Service Plan (IFSP) or IEP, speech-language pathologists and educational audiologists, who undergo extensive college coursework in communication-based disorders impacting multiple areas of development, including cognition, may serve as the lead instructor.

(c) Due to the significance of the needs of the children served through the UBP, general education setting requirements may not be applicable. Justification for placement decisions is determined in conjunction with the LEA through each child's IEP for ages three (3) to twenty-one (21).

(2) Any state-supported university or college conducting a full-time medical teaching program acceptable to the State Board of Education may, at its discretion, enter

into such contracts or agreements with any private school or nonprofit corporation-supported institution, the Mississippi School for the Deaf, or any state-supported institution, providing the special education contemplated by this section for such services, provided the private school or institution offering such services shall have conducted a program of such services at standards acceptable to the State Department of Education for a period of at least one (1) year prior to the date at which the university or college proposes to enter into an agreement or contract for special educational services as described above.

SECTION 2. Section 37-23-33, Mississippi Code of 1972, is amended as follows:

37-23-33. (1) Such program of education, instruction and training as is provided in Section 37-23-31 shall be furnished in such manner as shall be provided by rules and regulations adopted by the State Board of Education, which for such purposes shall have the full power to adopt such rules, regulations, policies and standards as it may deem necessary to carry out the purpose of Sections 37-23-31 through 37-23-35, including the establishment of qualifications \* \* \* consistent with the requirements of subsection (2) of this section for any teachers employed under the provisions thereof. It is expressly provided, however, that no program of education, instruction and training shall be furnished except in a university or college supported by the State of Mississippi and only in cases where such university or college shall consent thereto and shall provide any classroom space, furniture and facilities which may be deemed necessary in carrying out the provisions of those sections.

(2) Speech-language pathologists, educational audiologists, and special and early childhood educators are qualified and authorized to serve as the lead teacher for children enrolled in a university or college-based program through the Part C and Part B eligibility and placement process. Whenever communication is a primary area of concern on a child's Individualized Family Service Plan (IFSP) or Individualized Education Program (IEP), a speech-language pathologist or educational audiologist may serve as the lead instructor with an educator serving as a related service provider as necessary to meet the educational needs of the child. Speech-language pathologists and educational audiologists must undergo extensive college coursework in communication-based disorders impacting multiple areas of development, including cognition. The content of the college coursework must include typical and atypical development for ages birth through death.

(3) The State Department of Education shall require that the program of education, instruction and training be designed to provide individualized appropriate special education and related services that enable a child to reach his or her appropriate and uniquely designed goals for success.

(4) A university or college-based program must submit all reports and data required by the State Department of Education on the same time schedule and in the same manner that same or similar reports and data must be submitted to the department by local educational agencies.

SECTION 3. Section 37-23-35, Mississippi Code of 1972, is amended as follows:

37-23-35. (1) When any children who are residents of the State of Mississippi and qualify under the provisions of Section 37-23-31, \* \* \* are provided a program of education, instruction and training within a school under the provisions of \* \* \* Section 37-23-31, the State Department of Education shall allocate one (1) teacher unit for each approved class. The allocation of funds for each teacher unit shall be based on the teacher's certification and shall be in accordance with \* \* \* Section 37-19-7. The department shall complete teacher unit approval for university or college-based programs at the same time teacher units are approved for local educational agencies. The university or college shall be eligible for state and federal funds for such programs on the same

basis as local school districts. The university or college shall be responsible for providing for the additional costs of the program.

(2) IDEA-Part B and preschool allocations for each program of education, instruction and training, as provided for in Section 37-23-31, shall be determined and calculated by the State Department of Education based on the number of students placed by the local public school district (LEA) in the university or college-based program. The State Department of Education shall inform each local public school district of the amount of such funds to be forwarded to the state-supported university or college. Only if the state-supported university or college charges the local public school district an amount in excess of the state and federal funds allocated for each special education student in the local public school district, would a collaborative agreement between the local public school district and the state-supported university or college be required.

(3) All state funds, including, but not limited to, transportation, extended school year and teacher unit allocations, including master's salary supplement, shall be distributed by the State Department of Education directly to the state-supported university or college. Teacher unit allocation and funding shall be based on the December 1 child count. The university based program (UBP) shall submit this information directly to the State Department of Education.

SECTION 4. This act shall take effect and be in force from and after July 1, 2022, and shall stand repealed on June 30, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

SECTION 1. For purposes of this act, the following words shall have the meanings ascribed herein unless the context requires otherwise:

(a) "Human trafficking" means the actions that constitute an offense under Section 97-3-54.1 or 97-3-54.3.

(b) "Venture" means any group of two (2) or more individuals associated in fact, whether or not a legal entity.

SECTION 2. (2) The occurrence of human trafficking on the property of one not engaged in or benefitting from such human trafficking shall not, in and of itself, subject the property owner to liability under this act.

(3) It is not a defense to liability under this act that a defendant has been acquitted or has not been prosecuted or convicted under Section 97-3-54.1 or Section 97-3-54.4, or has been convicted of a different offense or of a different type or class of offense, for the conduct that is alleged to give rise to liability under this act.

(4) The cause of action created by this section is in addition to any other remedy provided by common law or statute.

SECTION 3. (1) A claimant who prevails in a suit under this act may be awarded:

(a) Compensatory damages, including damages for mental anguish even if an injury other than mental anguish is not shown;

(b) Court costs; and

(c) Reasonable attorney's fees.

(2) In addition to an award under subsection (1) of this section, a claimant who prevails in a suit under this act may recover punitive damages subject to the provisions of Section 11-1-65.

SECTION 4. A person who engages in human trafficking or who willfully, intentionally and knowingly benefits from participating in a venture that trafficks another person and who is found liable under this act for any amount of damages proximately caused by the trafficking is jointly liable with any other defendant found liable under this act for the entire amount of damages proximately caused by the trafficking.

SECTION 5. Sections 1 through 5 of this act shall be liberally construed and applied to promote its underlying purpose to protect persons from human trafficking and provide adequate remedies to victims of human trafficking.

SECTION 6. Section 97-29-51, Mississippi Code of 1972, is amended as follows:

97-29-51. (1) (a) A person commits the misdemeanor of procuring the services of a prostitute if the person knowingly or intentionally pays, or offers or agrees to pay, money or other property to another person for having engaged in, or on the understanding that the other person will engage in, sexual intercourse or sexual conduct with the person or with any other person. "Sexual conduct" includes cunnilingus, fellatio, masturbation of another, anal intercourse or the causing of penetration to any extent and with any object or body part of the genital or anal opening of another.

(b) Upon conviction under this subsection, a person shall be punished by a fine not exceeding Two Hundred Dollars (\$200.00) or by confinement in the county jail for not more than six (6) months, or both. A second or subsequent violation of this section shall be a felony, punishable by a fine not exceeding One Thousand Dollars (\$1,000.00), or by imprisonment in the custody of the Department of Corrections for not more than two (2) years, or both.

(c) However, in all cases, if the person whose services are procured in violation of this subsection (1) is a minor under eighteen (18) years of age, the person convicted shall be guilty of a felony and shall, upon conviction, be punished by imprisonment for not less than five (5) years, nor more than thirty (30) years, or by a fine of not less than Fifty Thousand Dollars (\$50,000.00) nor more than Five Hundred Thousand Dollars (\$500,000.00), or both.

(d) Consent of a minor is not a defense to prosecution under this subsection (1).

(2) (a) A person commits the felony of promoting prostitution if the person:

(i) Knowingly or intentionally entices, compels, causes, induces, persuades, or encourages by promise, threat, violence, or by scheme or device, another person to become a prostitute, engage in conduct in violation of Section 97-29-49, regardless of whether the other person can be or is arrested for, charged with or convicted of the offense of prostitution;

(ii) Knowingly or intentionally solicits or offers or agrees to solicit, or receives or gives, or agrees to receive or give any money or thing of value for soliciting, or attempting to solicit, another person for the purpose of prostitution;

(iii) Knowingly induces, persuades, or encourages a person to come into or leave this state for the purpose of prostitution;

(iv) Having control over the use of a place or vehicle, knowingly or intentionally permits another person to use the place or vehicle for prostitution;

(vi) Conducts, directs, takes, or transports, or offers or agrees to take or transport, or aids or assists in transporting, any person to any vehicle, conveyance, place, structure, or building, or to any other person with knowledge or reasonable cause to know that the purpose of such directing, taking or transporting is prostitution.

(b) Upon conviction, a person shall be punished by a fine not exceeding Five Thousand Dollars (\$5,000.00) or by imprisonment in the custody of the Department of Corrections for not more than ten (10) years, or both. A second or subsequent violation shall be punished by a fine not exceeding Twenty Thousand Dollars (\$20,000.00) or by imprisonment in the custody of the Department of Corrections for up to twenty (20) years, or both.

(c) However, in all cases, if the person whose services are promoted in violation of this subsection (2) is a minor under eighteen (18) years of age, the person convicted shall be guilty of a felony and shall, upon conviction, be punished by imprisonment for not less than five (5) years, nor more than thirty (30) years, or by a fine of not less than Fifty Thousand Dollars (\$50,000.00) nor more than Five Hundred Thousand Dollars (\$500,000.00), or both. There is no requirement that the defendant have actual knowledge of the age of the person and consent of a minor is not a defense to prosecution under this section.

(3) If it is determined that a person suspected of or charged with promoting prostitution is a trafficked person, as defined by Section 97-3-54.4, that fact shall be considered a mitigating factor in any prosecution of that person for prostitution, and the person shall be referred to appropriate resources for assistance. If it is determined that a person suspected of or charged with promoting prostitution is a minor under eighteen (18) years of age who meets the definition of a trafficked person as defined in Section 97-3-54.4, the minor is immune from prosecution for promoting prostitution as a juvenile or adult and provisions of Section 97-3-54.1(4) shall be applicable.

(4) Any partnership, association, corporation or other entity violating any provision of subsection (2) against the promotion of prostitution shall, upon conviction, be punished by a fine not exceeding Fifty Thousand Dollars (\$50,000.00). If the person whose services are promoted is under eighteen (18) years of age, the partnership, association, corporation or other legal entity convicted shall be punished by a fine not exceeding One Million Dollars (\$1,000,000.00). There is no requirement that the defendant have knowledge of the age of the person. Consent of a minor is not a defense to prosecution under this section.

(5) Investigation and prosecution of a person, partnership, association, corporation or other entity under this section shall not preclude investigation or prosecution against that person, partnership, association, corporation or other entity for a violation of other applicable criminal laws, including, but not limited to, the Mississippi Human Trafficking Act, Section 97-3-54 et seq.

SECTION 7. Section 97-3-54.7, Mississippi Code of 1972, is amended as follows:

97-3-54.7. Forfeiture of assets and disposition of proceeds.

(1) In addition to any other civil or criminal penalties provided by law, any property used in the commission of a violation of this act shall be forfeited as provided herein.

(a) The following property shall be subject to forfeiture if used or intended for use as an instrumentality in or used in furtherance of a violation of this act:

- (i) Conveyances, including aircraft, vehicles or vessels;
  - (ii) Books, records, telecommunication equipment, or computers;
  - (iii) Money or weapons;
  - (iv) Everything of value furnished, or intended to be furnished, in exchange for an act in violation and all proceeds traceable to the exchange;
  - (v) Negotiable instruments and securities;
  - (vi) Any property, real or personal, directly or indirectly acquired or received in a violation or as an inducement to violate;

- (b) (i) No property used by any person as a common carrier in the transaction of business as a common carrier is subject to forfeiture under this section unless it appears that the owner or other person in charge of the property is a consenting party or privy to a violation of this act;
- (ii) No property is subject to forfeiture under this section by reason of any act or omission proved by the owner thereof to have been committed or omitted without his knowledge or consent; if the confiscating authority has reason to believe that the property is a leased or rented property, then the confiscating authority shall notify the owner of the property within five (5) days of the confiscation or within five (5) days of forming reason to believe that the property is a leased or rented property;
- (iii) Forfeiture of a property encumbered by a bona fide security interest is subject to the interest of the secured party if he neither had knowledge of nor consented to the act or omission.
- (2) No property shall be forfeited under the provisions of this section, to the extent of the interest of an owner, by reason of any act or omission established by him to have been committed or omitted without his knowledge or consent.
- (3) Seizure without process may be made if the seizure is incident to an arrest or a search under a search warrant or an inspection under an administrative inspection warrant.
- (4) (a) When any property is seized under this section, proceedings shall be instituted within a reasonable period of time from the date of seizure or the subject property shall be immediately returned to the party from whom seized.
- (b) A petition for forfeiture shall be filed by the Attorney General or a district attorney in the name of the State of Mississippi, the county, or the municipality, and may be filed in the county in which the seizure is made, the county in which the criminal prosecution is brought, or the county in which the owner of the seized property is found. Forfeiture proceedings may be brought in the circuit court or the county court if a county court exists in the county and the value of the seized property is within the jurisdictional limits of the county court as set forth in Section 9-9-21. A copy of the petition shall be served upon the following persons by service of process in the same manner as in civil cases:
- (i) The owner of the property, if address is known;

(ii) Any secured party who has registered his lien or filed a financing statement as provided by law, if the identity of the secured party can be ascertained by the entity filing the petition by making a good faith effort to ascertain the identity of the secured party;

(iii) Any other bona fide lienholder or secured party or other person holding an interest in the property in the nature of a security interest of whom the seizing law enforcement agency has actual knowledge; and

(iv) Any person in possession of property subject to forfeiture at the time that it was seized.

(5) If the property is a motor vehicle susceptible of titling under the Mississippi Motor Vehicle Title Law and if there is any reasonable cause to believe that the vehicle has been titled, inquiry of the Department of Revenue shall be made as to what the records of the Department of Revenue show as to who is the record owner of the vehicle and who, if anyone, holds any lien or security interest that affects the vehicle.

(6) If the property is a motor vehicle and is not titled in the State of Mississippi, then an attempt shall be made to ascertain the name and address of the person in whose name the vehicle is licensed, and if the vehicle is licensed in a state which has in effect a certificate of title law, inquiry of the appropriate agency of that state shall be made as to what the records of the agency show as to who is the record owner of the vehicle and who, if anyone, holds any lien, security interest or other instrument in the nature of a security device that affects the vehicle.

(7) If the property is of a nature that a financing statement is required by the laws of this state to be filed to perfect a security interest affecting the property and if there is any reasonable cause to believe that a financing statement covering the security interest has been filed under the laws of this state, inquiry of the appropriate office designated in Section 75-9-501, shall be made as to what the records show as to who is the record owner of the property and who, if anyone, has filed a financing statement affecting the property.

(8) If the property is an aircraft or part thereof and if there is any reasonable cause to believe that an instrument in the nature of a security device affects the property, inquiry of the Mississippi Department of Transportation shall be made as to what the records of the Federal Aviation Administration show as to who is the record owner of the property and who, if anyone, holds an instrument in the nature of a security device which affects the property.

(9) If the answer to an inquiry states that the record owner of the property is any person other than the person who was in possession of it when it was seized, or states that any person holds any lien, encumbrance, security interest, other interest in the nature of a security interest, mortgage or deed of trust that affects the property, the record owner and also any lienholder, secured party, other person who holds an interest in the property in the nature of a security interest, or holder of an encumbrance, mortgage or deed of trust that affects the property is to be named in the petition of forfeiture and is to be served with process in the same manner as in civil cases.

(10) If the owner of the property cannot be found and served with a copy of the petition of forfeiture, or if no person was in possession of the property subject to forfeiture at the time that it was seized and the owner of the property is unknown, there shall be filed with the clerk of the court in which the proceeding is pending an affidavit to such effect, whereupon the clerk of the court shall publish notice of the hearing addressed to "the Unknown Owner of \_\_\_\_\_," filling in the blank space with a reasonably detailed description of the property subject to forfeiture. Service by publication shall contain the other requisites prescribed in Section 11-33-41, and shall be served as provided in Section 11-33-37, for publication of notice for attachments at law.

(11) No proceedings instituted pursuant to the provisions of this section shall proceed to hearing unless the judge conducting the hearing is satisfied that this section has been complied with. Any answer received from an inquiry required by this section shall be introduced into evidence at the hearing.

(12) (a) An owner of a property that has been seized shall file an answer within thirty (30) days after the completion of service of process. If an answer is not filed, the court shall hear evidence that the property is subject to forfeiture and forfeit the property to the seizing law enforcement agency. If an answer is filed, a time for hearing on forfeiture shall be set within thirty (30) days of filing the answer or at the succeeding term of court if court would not be in session within thirty (30) days after filing the answer. The court may postpone the forfeiture hearing to a date past the time any criminal action is pending against the owner upon request of any party.

(b) If the owner of the property has filed an answer denying that the property is subject to forfeiture, then the burden is on the petitioner to prove that the property is subject to forfeiture. However, if an answer has not been filed by the owner of the property, the petition for forfeiture may be introduced into evidence and is prima facie evidence that the property is subject to forfeiture. The burden of proof placed upon the petitioner in regard to property forfeited under the provisions of this chapter shall be by a preponderance of the evidence.

(c) At the hearing any claimant of any right, title or interest in the property may prove his lien, encumbrance, security interest, other interest in the nature of a security interest, mortgage or deed of trust to be bona fide and created without knowledge or consent that the property was to be used so as to cause the property to be subject to forfeiture.

(d) If it is found that the property is subject to forfeiture, then the judge shall forfeit the property. However, if proof at the hearing discloses that the interest of any bona fide lienholder, secured party, other person holding an interest in the property in the nature of a security interest, or any holder of a bona fide encumbrance, mortgage or deed of trust is greater than or equal to the present value of the property, the court shall order the property released to him. If the interest is less than the present value of the property and if the proof shows that the property is subject to forfeiture, the court shall order the property forfeited.

(13) Unless otherwise provided herein, all personal property which is forfeited under this section shall be liquidated and, after deduction of court costs and the expense of liquidation, the proceeds shall be divided as follows:

(a) If only one (1) law enforcement agency participates in the underlying criminal case out of which the forfeiture arises, fifty percent (50%) of the proceeds shall be forwarded to the State Treasurer and deposited in the \* \* \* Victims of Human Trafficking and Commercial Sexual Exploitation Fund, and fifty percent (50%) shall be deposited and credited to the budget of the participating law enforcement agency.

(b) If more than one (1) law enforcement agency participates in the underlying criminal case out of which the forfeiture arises, fifty percent (50%) of the proceeds shall be forwarded to the State Treasurer and deposited in the \* \* \* Victims of Human Trafficking and Commercial Sexual Exploitation Fund, twenty-five percent (25%) of the proceeds shall be deposited and credited to the budget of the law enforcement agency whose officers initiated the criminal case and twenty-five percent (25%) shall be divided equitably between or among the other participating law enforcement agencies, and shall be deposited and credited to the budgets of the participating law enforcement agencies. In the event that the other participating law enforcement agencies cannot agree on the division of their twenty-five percent (25%), a petition shall be filed by any one of

them in the court in which the civil forfeiture case is brought and the court shall make an equitable division.

(14) All money forfeited under this section shall be divided, deposited and credited in the same manner as provided in subsection (13).

(15) All real estate forfeited under the provisions of this section shall be sold to the highest and best bidder at a public auction for cash, the auction to be conducted by the chief law enforcement officer of the initiating law enforcement agency, or his designee, at such place, on such notice and in accordance with the same procedure, as far as practicable, as is required in the case of sales of land under execution at law. The proceeds of the sale shall first be applied to the cost and expense in administering and conducting the sale, then to the satisfaction of all mortgages, deeds of trust, liens and encumbrances of record on the property. The remaining proceeds shall be divided, forwarded and deposited in the same manner as provided in subsection (13).

(16) (a) Any county or municipal law enforcement agency may maintain, repair, use and operate for official purposes all property described in subsection (1)(a)(i) of this section that has been forfeited to the agency if it is free from any interest of a bona fide lienholder, secured party or other party who holds an interest in the property in the nature of a security interest. The county or municipal law enforcement agency may purchase the interest of a bona fide lienholder, secured party or other party who holds an interest so that the property can be released for its use. If the property is a motor vehicle susceptible of titling under the Mississippi Motor Vehicle Title Law, the law enforcement agency shall be deemed to be the purchaser, and the certificate of title shall be issued to it as required by subsection (9) of this section.

(b) (i) If a vehicle is forfeited to or transferred to a sheriff's department, then the sheriff may transfer the vehicle to the county for official or governmental use as the board of supervisors may direct.

(ii) If a vehicle is forfeited to or transferred to a police department, then the police chief may transfer the vehicle to the municipality for official or governmental use as the governing authority of the municipality may direct.

(c) If a motor vehicle forfeited to a county or municipal law enforcement agency becomes obsolete or is no longer needed for official or governmental purposes, it may be disposed of in accordance with Section 19-7-5 or in the manner provided by law for disposing of municipal property.

(17) The forfeiture procedure set forth in this section is the sole remedy of any claimant, and no court shall have jurisdiction to interfere therewith by replevin, injunction, supersedeas or in any other manner.

SECTION 8. Section 97-3-54.9, Mississippi Code of 1972, is amended as follows:

Senator Wiggins called up the following House Amendment to **S. B. No. 2623** and moved that the Senate decline to concur in the Amendment, and invite conference, and the motion prevailed.

AMENDMENT NO. 1:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 41-21-67, Mississippi Code of 1972, is amended as follows:

41-21-67. (1) Whenever the affidavit provided for in Section 41-21-65 is filed with the chancery clerk, the clerk, upon direction of the chancellor of the court, shall issue a writ directed to the sheriff of the proper county to take into custody the person alleged to be in need of treatment and to take the person for pre-evaluation screening and treatment by the appropriate community mental health center established under Section 41-19-31. The community mental health center will be designated as the first point of entry for pre-evaluation screening and treatment. If the community mental health center is unavailable, any reputable licensed physician, psychologist, nurse practitioner or physician assistant, as allowed in the discretion of the court, may conduct the pre-evaluation screening and examination as set forth in Section 41-21-69. The order may provide where the person shall be held before being taken for pre-evaluation screening and treatment. However, when the affidavit fails to set forth factual allegations and witnesses sufficient to support the need for treatment, the chancellor shall refuse to direct issuance of the writ. Reapplication may be made to the chancellor. If a pauper's affidavit is filed by an affiant who is a guardian or conservator of a person in need of treatment, the court shall determine if either the affiant or the person in need of treatment is a pauper and if \* \* \* the affiant or the person in need of treatment is determined to be a pauper, the county of the residence of the respondent shall bear the costs of the commitment proceedings in court, unless funds for those purposes are made available by the state.

In any county in which a Crisis Intervention Team has been established under the provisions of Sections 41-21-131 through 41-21-143, the clerk, upon the direction of the chancellor, may require that the person be referred to the Crisis Intervention Team for appropriate psychiatric or other medical services before the issuance of the writ.

(2) Upon issuance of the writ, the chancellor shall immediately appoint and summon two (2) reputable, licensed physicians or one (1) reputable, licensed physician and either one (1) psychologist, nurse practitioner or physician assistant to conduct a physical and mental examination of the person at a place to be designated by the clerk or chancellor and to report their findings to the clerk or chancellor. However, any nurse practitioner or physician assistant conducting the examination shall be independent from, and not under the supervision of, the other physician conducting the examination. A nurse practitioner or psychiatric nurse practitioner conducting an examination under this chapter must be functioning within a collaborative or consultative relationship with a physician as required under Section 73-15-20(3). In all counties in which there is a county health officer, the county health officer, if available, may be one (1) of the physicians so appointed. If a licensed physician is not available to conduct the physical and mental examination within forty-eight (48) hours of the issuance of the writ, the court, in its discretion and upon good cause shown, may permit the examination to be conducted by the following: (a) two (2) nurse practitioners, one (1) of whom must be a psychiatric nurse practitioner; or (b) one (1) psychiatric nurse practitioner and one (1) psychologist or physician assistant. Neither of the physicians nor the psychologist, nurse practitioner or physician assistant selected shall be related to that person in any way, nor have any direct or indirect interest in the estate of that person nor shall any full-time staff of residential treatment facilities operated directly by the State Department of Mental Health serve as examiner.

(3) The clerk shall ascertain whether the respondent is represented by an attorney, and if it is determined that the respondent does not have an attorney, the clerk shall immediately notify the chancellor of that fact. If the chancellor determines that the respondent for any reason does not have the services of an attorney, the chancellor shall immediately appoint an attorney for the respondent at the time the examiners are appointed.

(4) (a) If the chancellor determines that there is probable cause to believe that the respondent is mentally ill and that there is no reasonable alternative to detention, the chancellor may order that the respondent be retained as an emergency patient at any licensed medical facility for evaluation by a physician, nurse practitioner or physician assistant and that a peace officer transport the respondent to the specified facility. If the community mental health center serving the county has partnered with Crisis Intervention Teams under the provisions of Sections 41-21-131 through 41-21-143, the order may specify that the licensed medical facility be a designated single point of entry within the county or within an adjacent county served by the community mental health center. If the person evaluating the respondent finds that the respondent is mentally ill and in need of treatment, the chancellor may order that the respondent be retained at the licensed medical facility or any other available suitable location as the court may so designate pending an admission hearing. If necessary, the chancellor may order a peace officer or other person to transport the respondent to that facility or suitable location. Any respondent so retained may be given such treatment as is indicated by standard medical practice. However, the respondent shall not be held in a hospital operated directly by the State Department of Mental Health, and shall not be held in jail unless the court finds that there is no reasonable alternative.

(b) For indigent patients with no payor source, the county of residence of the respondent may bear the costs of treatment or placement by paying a negotiated fee as agreed to by the medical care service providers. In the absence of a negotiated discounted fee schedule, medical care service providers will be paid by the county of residence an amount no greater than the reimbursement rate applicable based on the Mississippi Medicaid reimbursement rate, and the county will not be liable for any cost associated with medical attention or placement for a respondent that exceeds the Mississippi Medicaid reimbursement rate for all medical care services, durable and nondurable goods, prescription drugs and medications required for the respondent.

(5) (a) Whenever a licensed psychologist, nurse practitioner or physician assistant who is certified to complete examinations for the purpose of commitment or a licensed physician has reason to believe that a person poses an immediate substantial likelihood of physical harm to himself or others or is gravely disabled and unable to care for himself by virtue of mental illness, as defined in Section 41-21-61(e), then the physician, psychologist, nurse practitioner or physician assistant may hold the person or may admit the person to and treat the person in a licensed medical facility, without a civil order or warrant for a period not to exceed seventy-two (72) hours. However, if the seventy-two-hour period begins or ends when the chancery clerk's office is closed, or within three (3) hours of closing, and the chancery clerk's office will be continuously closed for a time that exceeds seventy-two (72) hours, then the seventy-two-hour period is extended until the end of the next business day that the chancery clerk's office is open. The person may be held and treated as an emergency patient at any licensed medical facility, available regional mental health facility, or crisis intervention center. The physician or psychologist, nurse practitioner or physician assistant who holds the person shall certify in writing the reasons for the need for holding.

If a person is being held and treated in a licensed medical facility, and that person decides to continue treatment by voluntarily signing consent for admission and treatment, the seventy-two-hour hold may be discontinued without filing an affidavit for commitment. Any respondent so held may be given such treatment as indicated by standard medical practice. Persons acting in good faith in connection with the detention and reporting of a person believed to be mentally ill shall incur no liability, civil or criminal, for those acts.

(b) Whenever an individual is held for purposes of receiving treatment as prescribed under paragraph (a) of this subsection, and it is communicated to the mental health professional holding the individual that the individual resides or has visitation rights with a minor child, and if the individual is considered to be a danger to the minor child, the mental health professional shall notify the Department of Child Protection Services prior to discharge if the threat of harm continues to exist, as is required under Section 43-21-353.

This paragraph (b) shall be known and may be cited as the "Andrew Lloyd Law."

SECTION 2. Section 41-21-73, Mississippi Code of 1972, is amended as follows:

41-21-73. (1) The hearing shall be conducted before the chancellor. However, the hearing may be held at the location where the respondent is being held. Within a reasonable period of time before the hearing, notice of same shall be provided the respondent and his attorney, which shall include: (a) notice of the date, time and place of the hearing; (b) a clear statement of the purpose of the hearing; (c) the possible consequences or outcome of the hearing; (d) the facts that have been alleged in support of the need for commitment; (e) the names, addresses and telephone numbers of the examiner(s); and (f) other witnesses expected to testify.

(2) The respondent must be present at the hearing unless the chancellor determines that the respondent is unable to attend and makes that determination and the reasons therefor part of the record. At the time of the hearing, the respondent shall not be so under the influence or suffering from the effects of drugs, medication or other treatment so as to be hampered in participating in the proceedings. The court, at the time of the hearing, shall be presented a record of all drugs, medication or other treatment that the respondent has received pending the hearing, unless the court determines that such a record would be impractical and documents the reasons for that determination.

(3) The respondent shall have the right to offer evidence, to be confronted with the witnesses against him and to cross-examine them and shall have the privilege against self-incrimination. The rules of evidence applicable in other judicial proceedings in this state shall be followed.

(4) If the court finds by clear and convincing evidence that the proposed patient is a person with mental illness or a person with an intellectual disability and, if after careful consideration of reasonable alternative dispositions, including, but not limited to, dismissal of the proceedings, the court finds that there is no suitable alternative to judicial commitment, the court shall commit the patient for treatment in the least restrictive treatment facility that can meet the patient's treatment needs. Treatment before admission to a state-operated facility shall be located as closely as possible to the patient's county of residence and the county of residence shall be responsible for that cost. Admissions to state-operated facilities shall be in compliance with the catchment areas established by the State Department of Mental Health. A nonresident of the state may be committed for treatment or confinement in the county where the person was found.

Alternatives to commitment to inpatient care may include, but shall not be limited to: voluntary or court-ordered outpatient commitment for treatment with specific reference to a treatment regimen, day treatment in a hospital, night treatment in a hospital, placement in the custody of a friend or relative, or the provision of home health services.

For persons committed as having mental illness or having an intellectual disability, the initial commitment shall not exceed three (3) months.

(5) No person shall be committed to a treatment facility whose primary problems are the physical disabilities associated with old age or birth defects of infancy.

(6) The court shall state the findings of fact and conclusions of law that constitute the basis for the order of commitment. The findings shall include a listing of less restrictive alternatives considered by the court and the reasons that each was found not suitable.

(7) A stenographic transcription shall be recorded by a stenographer or electronic recording device and retained by the court.

(8) Notwithstanding any other provision of law to the contrary, neither the State Board of Mental Health or its members, nor the State Department of Mental Health or its related facilities, nor any employee of the State Department of Mental Health or its related facilities, unless related to the respondent by blood or marriage, shall be assigned or adjudicated custody, guardianship, or conservatorship of the respondent.

(9) The county where a person in need of treatment is found is authorized to charge the county of the person's residence for the costs incurred while the person is confined in the county where such person was found subject to the provisions of Section 41-21-67 for medical treatment.

SECTION 3. This act shall take effect and be in force from and after July 1, 2022, and shall stand repealed on June 30, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 41-21-67, MISSISSIPPI CODE OF 1972, TO LIMIT THE FINANCIAL RESPONSIBILITY OF THE BOARD OF SUPERVISORS FOR PAYMENT OF TREATMENT COSTS NEEDED BY CERTAIN MENTALLY ILL COUNTY RESIDENTS UNDER ORDER OF COMMITMENT WHO ARE INDIGENT TO A NEGOTIATED DISCOUNTED FEE OR, IN THE ABSENCE OF A NEGOTIATED FEE SCHEDULE, TO THE MEDICAID REIMBURSEMENT RATE; TO AMEND SECTION 41-21-73, MISSISSIPPI CODE OF 1972, TO CONFORM; AND FOR RELATED PURPOSES.

Senator Wiggins called up the following House Amendment to **S. B. No. 2341** and moved that the Senate decline to concur in the Amendment, and invite conference, and the motion prevailed.

AMENDMENT NO. 1:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 93-11-65, Mississippi Code of 1972, is amended as follows:

93-11-65. (1) (a) In addition to the right to proceed under Section 93-5-23, Mississippi Code of 1972, and in addition to the remedy of habeas corpus in proper cases, and other existing remedies, the chancery court of the proper county shall have jurisdiction to entertain suits for the custody, care, support and maintenance of minor children and to hear and determine all such matters, and shall, if need be, require bond, sureties or other guarantee to secure any order for periodic payments for the maintenance or support of a child. \* \* \* If a legally responsible parent has health insurance available \* \* \* through an employer or organization that may extend benefits to the dependents of \* \* \* the parent, any order of support issued against \* \* \* the parent may require him or her to exercise the option of additional coverage in favor of \* \* \* any children \* \* \* he or she is legally responsible to support. Proceedings may be brought by or against a resident or nonresident of the State of Mississippi, whether or not having the actual custody of minor children, for the purpose of judicially determining the legal custody of a child. All actions herein authorized may be brought in the county where the child is actually residing, or in the county of the residence of the party who has actual custody, or of the residence of the defendant. Process shall be had upon the parties as provided by law for process in person or by publication, if they \* \* \* are nonresidents of the state or residents of another jurisdiction or are not found therein after diligent search and inquiry or are unknown after diligent search and inquiry; provided that the court or chancellor in vacation may fix a date in termtime or in vacation to which process may be returnable and shall have power to proceed in termtime or vacation. \* \* \* If the court \* \* \* finds that both parties are fit and proper persons to have custody of the children, and that either party is able to adequately provide for the care and maintenance of the children, the chancellor may consider the preference of a child of twelve (12) years of age or older as to the parent with whom the child would prefer to live in determining what would be in the best interest and welfare of the child. The chancellor shall place on the record the reason or reasons for which the award of custody was made and explain in detail why the wishes of any child were or were not honored.

(b) An order of child support shall specify the sum to be paid weekly or otherwise. In addition to providing for support and education, the order shall also provide for the support of the child prior to the making of the order for child support, and such other expenses as the court may deem proper.

(c) The court may require the payment to be made to the custodial parent, or to some person or corporation to be designated by the court as trustee, but if the child or custodial parent is receiving public assistance, the Department of Human Services shall be made the trustee.

(d) The noncustodial parent's liabilities for past education and necessary support and maintenance and other expenses are limited to a period of one (1) year next preceding the commencement of an action.

(2) \* \* \* Where the proof shows that both parents have separate incomes or estates, the court may require that each parent contribute to the support and maintenance of the children in proportion to the relative financial ability of each.

(3) Whenever the court has ordered a party to make periodic payments for the maintenance or support of a child, but no bond, sureties or other guarantee has been required to secure \* \* \* the payments, and whenever such payments as have become due remain unpaid for a period of at least thirty (30) days, the court may, upon petition of the person to whom such payments are owing, or such person's legal representative, enter an order requiring that bond, sureties or other security be given by the person obligated to make such payments, the amount and sufficiency of which shall be approved by the court. The obligor shall, as in other civil actions, be served with process and shall be entitled to a hearing in such case.

(4) When a charge of abuse or neglect of a child first arises in the course of a custody or maintenance action pending in the chancery court pursuant to this section, the chancery court may proceed with the investigation, hearing and determination of \* \* \* the abuse or neglect charge as a part of its hearing and determination of the custody or maintenance issue as between the parents, as provided in Section 43-21-151, notwithstanding the other provisions of the Youth Court Law. The proceedings in chancery court on the abuse or neglect charge shall be confidential in the same manner as provided in youth court proceedings, and the chancery court shall appoint a guardian ad litem in such cases, as provided under Section 43-21-121 for youth court proceedings, who shall be an attorney. In determining whether any portion of a guardian ad litem's fee shall be assessed against any party or parties as a cost of court for reimbursement to the county, the court shall consider each party's individual ability to pay. Unless the chancery court's jurisdiction has been terminated, all disposition orders in such cases for placement with the Department of Human Services shall be reviewed by the court or designated authority at least annually to determine if continued placement with the department is in the best interest of the child or the public.

(5) Each party to a paternity or child support proceeding shall notify the other within five (5) days after any change of address. In addition, the noncustodial and custodial parent shall file and update, with the court and with the state case registry, information on that party's location and identity, including social security number, residential and mailing addresses, telephone numbers, photograph, driver's license number, and name, address and telephone number of the party's employer. This information shall be required upon entry of an order or within five (5) days of a change of address.

(6) In any case subsequently enforced by the Department of Human Services pursuant to Title IV-D of the Social Security Act, the court shall have continuing jurisdiction.

(7) In any subsequent child support enforcement action between the parties, upon sufficient showing that diligent effort has been made to ascertain the location of a party, due process requirements for notice and service of process shall be deemed to be met with respect to the party upon delivery of written notice to the most recent residential or employer address filed with the state case registry.

(8) (a) The duty of support of a child terminates upon the emancipation of the child. Unless otherwise provided for in the underlying child support judgment, emancipation shall occur when the child:

- (i) Attains the age of twenty-one (21) years, or
- (ii) Marries, or
- (iii) Joins the military and serves on a full-time basis, or

(iv) Is convicted of a felony and is sentenced to incarceration of two (2) or more years for committing such felony; \* \* \*

(b) Unless otherwise provided for in the underlying child support judgment, the court may determine that emancipation has occurred and no other support obligation exists when the child:

(i) Discontinues full-time enrollment in school having attained the age of eighteen (18) years, unless the child is disabled, or

(ii) Voluntarily moves from the home of the custodial parent or guardian, establishes independent living arrangements, obtains full-time employment and discontinues educational endeavors prior to attaining the age of twenty-one (21) years, or

(iii) Cohabits with another person without the approval of the parent obligated to pay support; \* \* \*

(c) The duty of support of a child who is incarcerated but not emancipated shall be suspended for the period of the child's incarceration.

(9) (a) Notwithstanding the presumption of emancipation under subsection (8) of this section, support for an adult child who is incapable of self-support by reason of a physical or mental disability as determined by the Social Security Administration or the court; if the disability existed during the adult child's minority shall be presumed to continue past the child's anticipated age of majority;

(b) Under this subsection, the court may:

(i) Order that the duty to support a child continues past the anticipated age of majority if the minor child has a disability which was present during the child's minority that prevents the child from living independently unless the child is a long-term patient in a facility owned or operated by the State of Mississippi;

(ii) Order, modify or leave in place previous orders regarding custody, visitation, payment of medical expenses or any other matters regarding the health, maintenance, education and welfare of the child with a disability; and

(iii) Consider the adult child's receipt of and eligibility for public benefits and community services and resources in determining the award of support;

(c) The presumption of continued support created by this subsection (9) shall be rebuttable by the introduction of evidence that the adult child is capable of self-support.

(\* \* \*10) A determination of emancipation does not terminate any obligation of the noncustodial parent to satisfy arrearage existing as of the date of emancipation; the total amount of periodic support due prior to the emancipation plus any periodic amounts ordered paid toward the arrearage shall continue to be owed until satisfaction of the arrearage in full, in addition to the right of the person for whom the obligation is owed to execute for collection as may be provided by law.

(\* \* \*11) Upon motion of a party requesting temporary child support pending a determination of parentage, temporary support shall be ordered if there is clear and convincing evidence of paternity on the basis of genetic tests or other evidence, unless the court makes written findings of fact on the record that the award of temporary support would be unjust or inappropriate in a particular case.

(\* \* \*12) Custody and visitation upon military temporary duty, deployment or mobilization shall be governed by Section 93-5-34.

SECTION 2. This act shall take effect and be in force from and after July 1, 2022, and shall stand repealed on June 30, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 93-11-65, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT CHILD SUPPORT FOR A CHILD WITH A DISABILITY MAY CONTINUE PAST THE AGE OF MAJORITY; AND FOR RELATED PURPOSES.

Interest earnings or interest credits on deposit amounts in the Workforce Investment and Training Holding Account shall be retained in the account to pay the banking costs of the account. If after the period of twelve (12) months interest earnings less banking costs exceeds Ten Thousand Dollars (\$10,000.00), such excess amounts shall be transferred to the respective accounts within thirty (30) days following the end of each calendar year on the basis described in paragraph (b) of this subsection. Interest earnings and/or interest credits for the \*\*\* Accelerate Mississippi funds shall be used for the payment of banking costs and excess amounts shall be used in accordance with the rules and regulations of the State Workforce Investment Board expenditure policies.

The initial priority of these funds shall be for the benefit of existing businesses located within the state. Employers may request training for existing employees and/or newly hired employees from the Mississippi Office of Workforce Development. The office \*\*\* will be responsible for approving the training. A portion of the funds collected for the Mississippi Workforce Enhancement Training Fund shall be used for the development of performance measures to measure the effectiveness of the use of the Mississippi Workforce Enhancement Training Fund dollars. These performance measures shall be uniform for all training projects and shall be reported to the Governor, Lieutenant Governor, Speaker of the House, and members of the Legislature. Nothing in this section or elsewhere in law shall be interpreted as giving the Office of Workforce Development or State Workforce Investment Board authority to direct the Mississippi Community College Board or individual community or junior colleges on how to expend other funds, aside from funds appropriated to the Mississippi Workforce Enhancement Training Fund and Mississippi Works Fund, appropriated or received for workforce training. The Mississippi Office of Workforce Development, Mississippi Community College Board, individual community or junior colleges, State Workforce Investment Board and other agencies implementing or coordinating state-funded workforce development programs under state law shall cooperate with each other to promote effective workforce training in Mississippi, under the direction of the office. The Executive Director of the Office of Workforce Development shall give priority to the training of unemployed persons. \*\*\* Not more than Five Hundred Thousand Dollars (\$500,000.00) may be allocated annually for the training needs of any one (1) employer. The Mississippi Office of Workforce Development, in collaboration with the Mississippi Public Community College System and its partners, shall be the primary entity to facilitate training. \*\*\* Training conducted \*\*\* using these Mississippi Works funds may be subject to a minimal administrative fee to be paid from the Mississippi Works Fund as authorized by the Mississippi Office of Workforce Development. All costs associated with the administration of these funds shall be reimbursed to the Mississippi Department of Employment Security from the Mississippi Works Fund.

(iv) 1. The Department of Employment Security shall be the fiscal agent for the receipt and disbursement of all funds in the \*\*\* Accelerate Mississippi Administration Fund, subject to the administrative oversight of the Office of Workforce Development.

The Mississippi Works contribution shall be collected for calendar years in which the general experience ratio, adjusted on the basis of the trust fund adjustment factor and reduced by fifty percent (50%), results in a general experience rate of less than two-tenths percent (.2%). In all other years the Mississippi Works contribution shall not be in effect.

Employment Security bank account for clearing contribution collections out of funds in the Mississippi Workforce Investment and Training Fund Holding Account.

(c) Suspension of the Workforce Enhancement Training Fund contributions required pursuant to this chapter shall occur if the insured unemployment rate exceeds an average of five and five-tenths percent (5.5%) for the three (3) consecutive months immediately preceding the effective date of the new rate year following such occurrence and shall remain suspended throughout the duration of that rate year. Such suspension shall continue until such time as the three (3) consecutive months immediately preceding the effective date of the next rate year that has an insured unemployment rate of less than an average of four and five-tenths percent (4.5%). Upon such occurrence, reactivation shall be effective upon the first day of the rate year following the event that lifts suspension and shall be in effect for that year and shall continue until such time as a subsequent suspension event as described in this chapter occurs.

(d) Notwithstanding any other provision contained herein, contribution collections for the \*\*\* Accelerate Mississippi Administration Fund, Mississippi Works Fund and Mississippi Workforce Enhancement Training Fund shall not be suspended, under any circumstances, for tax rate year 2021, and the resulting contribution rate of twenty one-hundredths percent (.20%) shall be added to the employer's general and individual experience rate to obtain the total unemployment insurance rate for 2021.

(4) All collections due or accrued prior to any suspension of the Mississippi Workforce Enhancement Training Fund will be collected based upon the law at the time the contributions accrued, regardless of when they are actually collected.

SECTION 3. Section 71-5-355, Mississippi Code of 1972, is amended as follows:

71-5-355. (1) As used in this section, the following words and phrases shall have the following meanings, unless the context clearly requires otherwise:

(a) "Tax year" means any period beginning on January 1 and ending on December 31 of a year.

(b) "Computation date" means June 30 of any calendar year immediately preceding the tax year during which the particular contribution rates are effective.

(c) "Effective date" means January 1 of the tax year.

(d) Except as hereinafter provided, "payroll" means the total of all wages paid for employment by an employer as defined in Section 71-5-11, subsection H, plus the total of all remuneration paid by such employer excluded from the definition of wages by Section 71-5-351. For the computation of modified rates, "payroll" means the total of all wages paid for employment by an employer as defined in Section 71-5-11, subsection H.

(e) For the computation of modified rates, "eligible employer" means an employer whose experience-rating record has been chargeable with benefits throughout the thirty-six (36) consecutive calendar-month period ending on the computation date, except that any employer who has not been subject to the Mississippi Employment Security Law for a period of time sufficient to meet the thirty-six (36) consecutive calendar-month requirement shall be an eligible employer if his or her experience-rating record has been chargeable throughout not less than the twelve (12) consecutive calendar-month period ending on the computation date. No employer shall be considered eligible for a contribution rate less than five and four-tenths percent (5.4%) with respect to any tax year, who has failed to file any two (2) quarterly reports within the qualifying period by September 30 following the computation date. No employer or employing unit shall be eligible for a contribution rate of less than five and four-tenths percent (5.4%) for the tax year in which the employing unit is found by the department to be in violation of Section

71-5-19(2) or (3) and for the next two (2) succeeding tax years. No representative of such employing unit who was a party to a violation as described in Section 71-5-19(2) or (3), if such representative was or is an employing unit in this state, shall be eligible for a contribution rate of less than five and four-tenths percent (5.4%) for the tax year in which such violation was detected by the department and for the next two (2) succeeding tax years.

(f) With respect to any tax year, "reserve ratio" means the ratio which the total amount available for the payment of benefits in the Unemployment Compensation Fund, excluding any amount which has been credited to the account of this state under Section 903 of the Social Security Act, as amended, and which has been appropriated for the expenses of administration pursuant to Section 71-5-457 whether or not withdrawn from such account, on October 31 (close of business) of each calendar year bears to the aggregate of the taxable payrolls of all employers for the twelve (12) calendar months ending on June 30 next preceding.

(g) "Modified rates" means the rates of employer unemployment insurance contributions determined under the provisions of this chapter and the rates of newly subject employers, as provided in Section 71-5-353.

(h) For the computation of modified rates, "qualifying period" means a period of not less than the thirty-six (36) consecutive calendar months ending on the computation date throughout which an employer's experience-rating record has been chargeable with benefits; except that with respect to any eligible employer who has not been subject to this article for a period of time sufficient to meet the thirty-six (36) consecutive calendar-month requirement, "qualifying period" means the period ending on the computation date throughout which his or her experience-rating record has been chargeable with benefits, but in no event less than the twelve (12) consecutive calendar-month period ending on the computation date throughout which his or her experience-rating record has been so chargeable.

(i) The "exposure criterion" (EC) is defined as the cash balance of the Unemployment Compensation Fund which is available for the payment of benefits as of November 16 of each calendar year or the next working day if November 16 falls on a holiday or a weekend, divided by the total wages, exclusive of wages paid by all state agencies, all political subdivisions, reimbursable nonprofit corporations, and tax-exempt public service employment, for the twelve-month period ending June 30 immediately preceding such date. The EC shall be computed to four (4) decimal places and rounded up if any fraction remains. Notwithstanding any other provision contained herein, the date for determining the cash balance of the Unemployment Compensation Fund which is available for the payment of benefits for the calendar years 2020 and 2021 shall be December 31.

(j) The "cost rate criterion" (CRC) is defined as follows: Beginning with January 1974, the benefits paid for the twelve-month period ending December 1974 are summed and divided by the total wages for the twelve-month period ending on June 30, 1975. Similar ratios are computed by subtracting the earliest month's benefit payments and adding the benefits of the next month in the sequence and dividing each sum of twelve (12) months' benefits by the total wages for the twelve-month period ending on the June 30 which is nearest to the final month of the period used to compute the numerator. If December is the final month of the period used to compute the numerator, then the twelve-month period ending the following June 30 will be used for the denominator. Benefits and total wages used in the computation of the cost rate criterion shall exclude all benefits and total wages applicable to state agencies, political subdivisions, reimbursable nonprofit corporations, and tax-exempt PSE employment.

The CRC shall be computed as the average for the highest monthly value of the cost rate criterion computations during each of the economic cycles since the calendar

year 1974 as defined by the National Bureau of Economic Research. The CRC shall be computed to four (4) decimal places and any remainder shall be rounded up.

The CRC shall be adjusted only through annual computations and additions of future economic cycles.

(k) "Size of fund index" (SOFI) is defined as the ratio of the exposure criterion (EC) to the cost rate criterion (CRC). The target size of fund index will be fixed at 1.0. If the insured unemployment rate (IUR) exceeds a four and five-tenths percent (4.5%) average for the most recent completed July to June period, the target SOFI will be .8 and will remain at that level until the computed SOFI (the average exposure criterion of the current year and the preceding year divided by the average cost rate criterion) equals 1.0 or the average IUR falls to four and five-tenths percent (4.5%) or less for any period July to June. However, if the IUR falls below two and five-tenths percent (2.5%) for any period July to June the target SOFI shall be 1.2 until such time as the computed SOFI is equal to or greater than 1.0 or the IUR is equal to or greater than two and five-tenths percent (2.5%), at which point the target SOFI shall return to 1.0.

(l) No employer's unemployment contribution general experience rate plus individual unemployment experience rate shall exceed five and four-tenths percent (5.4%). Accrual rules shall apply for purposes of computing contribution rates including associated functions.

(m) The term "general experience rate" has the same meaning as the minimum tax rate.

(2) Modified rates:

(a) For any tax year, when the reserve ratio on the preceding November 16, in the case of any tax year, equals or exceeds three percent (3%), the modified rates, as hereinafter prescribed, shall be in effect. In computation of this reserve ratio, any remainder shall be rounded down.

(b) Modified rates shall be determined for the tax year for each eligible employer on the basis of his or her experience-rating record in the following manner:

(i) The department shall maintain an experience-rating record for each employer. Nothing in this chapter shall be construed to grant any employer or individuals performing services for him or her any prior claim or rights to the amounts paid by the employer into the fund.

(ii) Benefits paid to an eligible individual shall be charged against the experience-rating record of his or her base period employers in the proportion to which the wages paid by each base period employer bears to the total wages paid to the individual by all the base period employers, provided that benefits shall not be charged to an employer's experience-rating record if the department finds that the individual:

1. Voluntarily left the employ of such employer without good cause attributable to the employer or to accept other work;

2. Was discharged by such employer for misconduct connected with his or her work;

3. Refused an offer of suitable work by such employer without good cause, and the department further finds that such benefits are based on wages for employment for such employer prior to such voluntary leaving, discharge or refusal of suitable work, as the case may be;

4. Had base period wages which included wages for previously uncovered services as defined in Section 71-5-511(e) to the extent that the Unemployment Compensation Fund is reimbursed for such benefits pursuant to Section 121 of Public Law 94-566;

5. Extended benefits paid under the provisions of Section 71-5-541 which are not reimbursable from federal funds shall be charged to the experience-rating record of base period employers;

6. Is still working for such employer on a regular part-time basis under the same employment conditions as hired. Provided, however, that benefits shall be charged against an employer if an eligible individual is paid benefits who is still working for such employer on a part-time "as-needed" basis;

7. Was hired to replace a United States serviceman or servicewoman called into active duty and was laid off upon the return to work by that serviceman or servicewoman, unless such employer is a state agency or other political subdivision or instrumentality of the state;

8. Was paid benefits during any week while in training with the approval of the department, under the provisions of Section 71-5-513B, or for any week while in training approved under Section 236(a)(1) of the Trade Act of 1974, under the provisions of Section 71-5-513C;

9. Is not required to serve the one-week waiting period as described in Section 71-5-505(2). In that event, only the benefits paid in lieu of the waiting period week may be noncharged; or

10. Was paid benefits as a result of a fraudulent claim, provided notification was made to the Mississippi Department of Employment Security in writing or by email by the employer, within ten (10) days of the mailing of the notice of claim filed to the employer's last-known address.

(iii) Notwithstanding any other provision contained herein, an employer shall not be noncharged when the department finds that the employer or the employer's agent of record was at fault for failing to respond timely or adequately to the request of the department for information relating to an unemployment claim that was subsequently determined to be improperly paid, unless the employer or the employer's agent of record shows good cause for having failed to respond timely or adequately to the request of the department for information. For purposes of this subparagraph "good cause" means an event that prevents the employer or employer's agent of record from timely responding, and includes a natural disaster, emergency or similar event, or an illness on the part of the employer, the employer's agent of record, or their staff charged with responding to such inquiries when there is no other individual who has the knowledge or ability to respond. Any agency error that resulted in a delay in, or the failure to deliver notice to, the employer or the employer's agent of record shall also be considered good cause for purposes of this subparagraph.

(iv) The department shall compute a benefit ratio for each eligible employer, which shall be the quotient obtained by dividing the total benefits charged to his or her experience-rating record during the period his or her experience-rating record has been chargeable, but not less than the twelve (12) consecutive calendar-month period nor more than the thirty-six (36) consecutive calendar-month period ending on the computation date, by his or her total taxable payroll for the same period on which all unemployment insurance contributions due have been paid on or before the September 30 immediately following the computation date. Such benefit ratio shall be computed to the tenth of a percent (.1%), rounding any remainder to the next higher tenth.

(v) 1. The unemployment insurance contribution rate for each eligible employer shall be the sum of two (2) rates: his or her individual experience rate in the range from zero percent (0%) to five and four-tenths percent (5.4%), plus a general experience rate. In no event shall the resulting unemployment insurance rate be in excess of five and four-tenths percent (5.4%), however, it is the intent of this section to provide the ability for employers to have a tax rate, the general experience rate plus the individual experience rate, of up to five and four-tenths percent (5.4%).

2. The employer's individual experience rate shall be equal to his or her benefit ratio as computed under paragraph (b)(iv) of this subsection (2).

3. The general experience rate shall be determined in the following manner: The department shall determine annually, for the thirty-six (36) consecutive calendar-month period ending on the computation date, the amount of benefits which were not charged to the record of any employer and of benefits which were ineffectively charged to the employer's experience-rating record. For the purposes of this item 3, the term "ineffectively charged benefits" shall include:

a. The total of the amounts of benefits charged to the experience-rating records of all eligible employers which caused their benefit ratios to exceed five and four-tenths percent (5.4%);

b. The total of the amounts of benefits charged to the experience-rating records of all ineligible employers which would cause their benefit ratios to exceed five and four-tenths percent (5.4%) if they were eligible employers; and

c. The total of the amounts of benefits charged or chargeable to the experience-rating record of any employer who has discontinued his or her business or whose coverage has been terminated within such period; provided, that solely for the purposes of determining the amounts of ineffectively charged benefits as herein defined, a "benefit ratio" shall be computed for each ineligible employer, which shall be the quotient obtained by dividing the total benefits charged to his or her experience-rating record throughout the period ending on the computation date, during which his or her experience-rating record has been chargeable with benefits, by his or her total taxable payroll for the same period on which all unemployment insurance contributions due have been paid on or before the September 30 immediately following the computation date; and provided further, that such benefit ratio shall be computed to the tenth of one percent (.1%) and any remainder shall be rounded to the next higher tenth.

The ratio of the sum of these amounts (subsection (2)(b)(v)3a, b and c) to the taxable wages paid during the same period divided by all eligible employers whose benefit ratio did not exceed five and four-tenths percent (5.4%), computed to the next higher tenth of one percent (.1%), shall be the general experience rate; however, the general experience rate for rate year 2014 shall be two tenths of one percent (.2%) and to that will be added the employer's individual experience rate for the total unemployment insurance rate.

4. a. Except as otherwise provided in this item 4, the general experience rate shall be adjusted by use of the size of fund index factor. This factor may be positive or negative, and shall be determined as follows: From the target SOFI, as defined in subsection (1)(k) of this section, subtract the simple average of the current and preceding years' exposure criteria divided by the cost rate criterion, as defined in subsection (1)(j) of this section. The result is then multiplied by the product of the CRC, as defined in subsection (1)(j) of this section, and total wages for the twelve-month period ending June 30 divided by the taxable wages for the twelve-month period ending June 30. This is the percentage positive or negative added to the general experience rate. The sum of the general experience rate and the trust fund adjustment factor shall be multiplied

by fifty percent (50%) and this product shall be computed to one (1) decimal place, and rounded to the next higher tenth.

b. Notwithstanding the minimum rate provisions as set forth in subsection (1)(l) of this section, the general experience rate of all employers shall be reduced by seven one-hundredths of one percent (.07%) for calendar year 2013 only.

5. The general experience rate shall be zero percent (0%) unless the general experience ratio for any tax year as computed and adjusted on the basis of the trust fund adjustment factor and reduced by fifty percent (50%) is an amount equal to or greater than two-tenths of one percent (.2%), then the general experience rate shall be the computed general experience ratio and adjusted on the basis of the trust fund adjustment factor and reduced by fifty percent (50%); however, in no case shall the sum of the general experience plus the individual experience unemployment insurance rate exceed five and four-tenths percent (5.4%). For rate years subsequent to 2014, Mississippi Workforce Enhancement Training contribution rate, and/or State Workforce Investment contribution rate, and/or Mississippi Works contribution rate, when in effect, shall be added to the unemployment contribution rate, regardless of whether the addition of this contribution rate causes the total contribution rate for the employer to exceed five and four-tenths percent (5.4%).

6. The department shall include in its annual rate notice to employers a brief explanation of the elements of the general experience rate, and shall include in its regular publications an annual analysis of benefits not charged to the record of any employer, and of the benefit experience of employers by industry group whose benefit ratio exceeds four percent (4%), and of any other factors which may affect the size of the general experience rate.

7. Notwithstanding any other provision contained herein, the general experience rate for calendar year 2021 shall be zero percent (0%). Charges attributed to each employer's individual experience rate for the period March 8, 2020, through June 30, 2020, will not impact the employer's individual experience rate calculations for purposes of calculating the total unemployment insurance rate for 2021 and the two (2) subsequent tax rate years. Moreover, charges attributed to each employer's individual experience rate for the period July 1, 2020, through December 31, 2020, will not impact the employer's individual experience rate calculations for purposes of calculating the total unemployment insurance rate for 2022 and the two (2) subsequent tax rate years.

(vi) When any employing unit in any manner succeeds to or acquires the organization, trade, business or substantially all the assets thereof of an employer, excepting any assets retained by such employer incident to the liquidation of his or her obligations, whether or not such acquiring employing unit was an employer within the meaning of Section 71-5-11, subsection H, prior to such acquisition, and continues such organization, trade or business, the experience-rating and payroll records of the predecessor employer shall be transferred as of the date of acquisition to the successor employer for the purpose of rate determination.

(vii) When any employing unit succeeds to or acquires a distinct and severable portion of an organization, trade or business, the experience-rating and payroll records of such portion, if separately identifiable, shall be transferred to the successor upon:

1. The mutual consent of the predecessor and the successor;
2. Approval of the department;
3. Continued operation of the transferred portion by the successor after transfer; and

4. The execution and the filing with the department by the predecessor employer of a waiver relinquishing all rights to have the experience-rating and payroll records of the transferred portion used for the purpose of determining modified rates of contribution for such predecessor.

(viii) If the successor was an employer subject to this chapter prior to the date of acquisition, it shall continue to pay unemployment insurance contributions at the rate applicable to it from the date the acquisition occurred until the end of the then current tax year. If the successor was not an employer prior to the date of acquisition, it shall pay unemployment insurance contributions at the rate applicable to the predecessor or, if more than one (1) predecessor and the same rate is applicable to both, the rate applicable to the predecessor or predecessors, from the date the acquisition occurred until the end of the then current tax year. If the successor was not an employer prior to the date the acquisition occurred and simultaneously acquires the businesses of two (2) or more employers to whom different rates of unemployment insurance contributions are applicable, it shall pay unemployment insurance contributions from the date of the acquisition until the end of the current tax year at a rate computed on the basis of the combined experience-rating and payroll records of the predecessors as of the computation date for such tax year. In all cases the rate of unemployment insurance contributions applicable to such successor for each succeeding tax year shall be computed on the basis of the combined experience-rating and payroll records of the successor and the predecessor or predecessors.

(ix) The department shall notify each employer quarterly of the benefits paid and charged to his or her experience-rating record; and such notification, in the absence of an application for redetermination filed within thirty (30) days after the date of such notice, shall be final, conclusive and binding upon the employer for all purposes. A redetermination, made after notice and opportunity for a fair hearing, by a hearing officer designated by the department who shall consider and decide these and related applications and protests; and the finding of fact in connection therewith may be introduced into any subsequent administrative or judicial proceedings involving the determination of the rate of unemployment insurance contributions of any employer for any tax year, and shall be entitled to the same finality as is provided in this subsection with respect to the findings of fact in proceedings to redetermine the contribution rate of an employer.

(x) The department shall notify each employer of his or her rate of contribution as determined for any tax year as soon as reasonably possible after September 1 of the preceding year. Such determination shall be final, conclusive and binding upon such employer unless, within thirty (30) days after the date of such notice to his or her last-known address, the employer files with the department an application for review and redetermination of his or her contribution rate, setting forth his or her reasons therefor. If the department grants such review, the employer shall be promptly notified thereof and shall be afforded an opportunity for a fair hearing by a hearing officer designated by the department who shall consider and decide these and related applications and protests; but no employer shall be allowed, in any proceeding involving his or her rate of unemployment insurance contributions or contribution liability, to contest the chargeability to his or her account of any benefits paid in accordance with a determination, redetermination or decision pursuant to Sections 71-5-515 through 71-5-533 except upon the ground that the services on the basis of which such benefits were found to be chargeable did not constitute services performed in employment for him or her, and then only in the event that he or she was not a party to such determination, redetermination, decision or to any other proceedings provided in this chapter in which the character of such services was determined. The employer shall be promptly notified of the denial of this application or of the redetermination, both of which shall become final unless, within ten (10) days after the date of notice thereof, there shall be an appeal to the department itself. Any such appeal shall be on the record before said designated hearing officer, and the decision of said department shall become final unless, within thirty

(30) days after the date of notice thereof to the employer's last-known address, there shall be an appeal to the Circuit Court of the First Judicial District of Hinds County, Mississippi, in accordance with the provisions of law with respect to review of civil causes by certiorari.

(3) Notwithstanding any other provision of law, the following shall apply regarding assignment of rates and transfers of experience:

(a) (i) If an employer transfers its trade or business, or a portion thereof, to another employer and, at the time of the transfer, there is substantially common ownership, management or control of the two (2) employers, then the unemployment experience attributable to the transferred trade or business shall be transferred to the employer to whom such business is so transferred. The rates of both employers shall be recalculated and made effective on January 1 of the year following the year the transfer occurred.

(ii) If, following a transfer of experience under subparagraph (i) of this paragraph (a), the department determines that a substantial purpose of the transfer of trade or business was to obtain a reduced liability of unemployment insurance contributions, then the experience-rating accounts of the employers involved shall be combined into a single account and a single rate assigned to such account.

(b) Whenever a person who is not an employer or an employing unit under this chapter at the time it acquires the trade or business of an employer, the unemployment experience of the acquired business shall not be transferred to such person if the department finds that such person acquired the business solely or primarily for the purpose of obtaining a lower rate of unemployment insurance contributions. Instead, such person shall be assigned the new employer rate under Section 71-5-353, unless assignment of the new employer rate results in an increase of less than two percent (2%), in which case such person would be assigned the new employer rate plus an additional two percent (2%) penalty for the rate year. In determining whether the business was acquired solely or primarily for the purpose of obtaining a lower rate of unemployment insurance contributions, the department shall use objective factors which may include the cost of acquiring the business, whether the person continued the business enterprise of the acquired business, how long such business enterprise was continued, or whether a substantial number of new employees were hired for performance of duties unrelated to the business activity conducted prior to acquisition.

(c) (i) If a person knowingly violates or attempts to violate paragraph (a) or (b) of this subsection or any other provision of this chapter related to determining the assignment of a contribution rate, or if a person knowingly advises another person in a way that results in a violation of such provision, the person shall be subject to the following penalties:

1. If the person is an employer, then such employer shall be assigned the highest rate assignable under this chapter for the rate year during which such violation or attempted violation occurred and the three (3) rate years immediately following this rate year. However, if the person's business is already at such highest rate for any year, or if the amount of increase in the person's rate would be less than two percent (2%) for such year, then the person's tax rate shall be increased by two percent (2%) for such year. The penalty rate will apply to the successor business as well as the related entity from which the employees were transferred in an effort to obtain a lower rate of unemployment insurance contributions.

2. If the person is not an employer, such person shall be subject to a civil money penalty of not more than Five Thousand Dollars (\$5,000.00). Each such transaction for which advice was given and each occurrence or reoccurrence after notification being given by the department shall be a separate offense and punishable by a separate penalty. Any such fine shall be deposited in the penalty and interest account established under Section 71-5-114.

(ii) For purposes of this paragraph (c), the term "knowingly" means having actual knowledge of or acting with deliberate ignorance or reckless disregard for the prohibition involved.

(iii) For purposes of this paragraph (c), the term "violates or attempts to violate" includes, but is not limited to, intent to evade, misrepresentation or willful nondisclosure.

(iv) In addition to the penalty imposed by subparagraph (i) of this paragraph (c), any violation of this subsection may be punishable by a fine of not more than Ten Thousand Dollars (\$10,000.00) or by imprisonment for not more than five (5) years, or by both such fine and imprisonment. This subsection shall prohibit prosecution under any other criminal statute of this state.

(d) The department shall establish procedures to identify the transfer or acquisition of a business for purposes of this subsection.

(e) For purposes of this subsection:

(i) "Person" has the meaning given such term by Section 7701(a)(1) of the Internal Revenue Code of 1986; and

(ii) "Employing unit" has the meaning as set forth in Section 71-5-11.

(f) This subsection shall be interpreted and applied in such a manner as to meet the minimum requirements contained in any guidance or regulations issued by the United States Department of Labor.

SECTION 4. Section 71-5-453, Mississippi Code of 1972, is amended as follows:

71-5-453. The department shall be the treasurer and custodian of the fund, and shall administer such fund in accordance with the directions of the department, and shall issue its warrants upon it in accordance with such regulations as the department shall prescribe. The department shall maintain within the fund three (3) separate accounts: (a) a clearing account, (b) an unemployment trust fund account, and (c) a benefit payment account. All monies payable to the fund, upon receipt thereof by the department, shall be immediately deposited in the clearing account. Refunds payable pursuant to Section 71-5-383 may be paid from the clearing account by the department. Transfers pursuant to Section 71-5-114 of all interest, penalties and damages collected shall be made to the Special Employment Security Administration Fund as soon as practicable after the end of each calendar quarter. Workforce Enhancement Training contributions, \* \* \* Accelerate Mississippi contributions and Mississippi Works contributions shall be deposited into the Workforce Investment and Training Holding Account as described in this section. All other monies in the clearing account shall be immediately deposited with the Secretary of the Treasury of the United States of America to the Unemployment Trust Fund account for the State of Mississippi, established and maintained pursuant to Section 904 of the Social Security Act, as amended, any provisions of law in this state relating to the deposit, administration, release or disbursement of monies in the possession or custody of this state to the contrary notwithstanding. The benefit account shall consist of all monies requisitioned from this state's account in the Unemployment Trust Fund. Except as herein otherwise provided, monies in the clearing and benefit accounts may be deposited by the department, in any bank or public depository in which general funds of the state may be deposited, but no public deposit insurance charge or premium shall be paid out of the fund. The department shall be liable for the faithful performance of its duties in connection with the Unemployment Compensation Fund under this chapter. An Workforce Investment and Training Holding Account shall be established by and maintained under the control of the Mississippi Department of Employment Security. Contributions collected pursuant to the provisions in this chapter for the Workforce Enhancement Training

Fund, \* \* \* Accelerate Mississippi Administration Fund and the Mississippi Works Fund shall be transferred from the clearing account into the Workforce Investment and Training Holding Account on the same schedule and under the same conditions as funds transferred to the Unemployment Compensation Fund. Such funds shall remain on deposit in the holding account for a period of thirty (30) days. After such period, Workforce Enhancement Training contributions shall be transferred to the \* \* \* Mississippi Workforce Enhancement Training Fund, Accelerate Mississippi contributions shall be transferred to the Accelerate Mississippi Administration Fund, and Mississippi Works contributions shall be transferred to the Mississippi Works Fund. Such transfers shall occur within fifteen (15) days after the funds have resided in the Workforce Investment and Training Holding Account for thirty (30) days. One (1) such transfer shall be made monthly, but the department, in its discretion, may make additional transfers in any month. In the event such funds transferred are subsequently determined to be erroneously paid or collected, or if deposit of such funds is denied or rejected by the banking institution for any reason, or deposits are unable to clear drawer's account for any reason, the funds must be reimbursed by the recipient of such funds within thirty (30) days of mailing of notice by the department demanding such refund, unless funds are available in the Workforce Investment and Training Holding Account. In that event such amounts shall be immediately withdrawn from the Workforce Investment and Training Holding Account by the department and redeposited into the clearing account.

SECTION 5. Section 43-17-1, Mississippi Code of 1972, is amended as follows:

43-17-1. (1) The State of Mississippi hereby accepts all of the mandatory provisions and benefits, with the exception of those provisions under which the state may exercise its options, of Title I of an act passed by the Senate and House of Representatives of the United States of America, in Congress assembled, entitled: "The Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (Public Law 104-193)," and known as the Temporary Assistance to Needy Families (TANF) program.

(2) The Department of Human Services shall have all necessary authority to cooperate with the federal government in the administration of Public Law 104-193 and all subsequent federal amendments thereto, to administer any legislation pursuant thereto enacted by the State of Mississippi, and to administer the funds provided by the federal government and the State of Mississippi under the provisions of Section 43-17-1 et seq., for providing temporary assistance for needy families with minor children. The Department of Human Services shall have full authority to formulate state plans consistent with state law as necessary to administer and operate federal grant funds which provide temporary assistance for needy families with minor children under Title IV-A of the federal Social Security Act. The Department of Human Services shall identify in any state plan submitted to implement the TANF program those requirements or restrictions, including persons excluded from program participation which are required under federal law, and those program requirements or restrictions which the federal law authorizes but does not require.

(3) Any funds received by the State of Mississippi under the provisions of Public Law 104-193 shall be subject to appropriation by the Legislature and consistent with the terms and conditions required under such appropriation.

(4) The purpose of the Mississippi Temporary Assistance to Needy Families (TANF) program shall be to:

(a) Provide assistance to needy families so that children may be cared for in their own homes or in the homes of relatives when such care is beneficial and may be monitored on a random basis by the Department of Human Services or the State Department of Health;

(b) End the dependence of needy families on government benefits by promoting job preparation, work and marriage through, among other things, job placement, job training and job retention;

(2) If circumstances make it reasonable to dispense, in whole or in part, with a written affidavit, a judge who is authorized to issue search warrants may issue a warrant

based upon sworn testimony communicated by telephone or other appropriate means, including facsimile transmission.

(3) The person who is requesting the warrant shall prepare a document to be known as a "duplicate original warrant" and shall read such duplicate original warrant verbatim to the issuing judge. The judge shall enter what is so read on a document to be known as the "original warrant." The issuing judge may direct that the warrant be modified.

(4) If the judge is satisfied that the circumstances are such as to make it reasonable to dispense with a written affidavit and the grounds for the application exist or that there is probable cause to believe that they exist, the judge shall order the issuance of a warrant by directing the person requesting the warrant to sign the judge's name on the duplicate original warrant. The judge shall immediately sign the original warrant and enter on the face of the original warrant the exact time the warrant was ordered to be issued. Otherwise, a stenographic or longhand verbatim record shall be made. If a longhand verbatim record is made, the judge shall file a signed copy with the court.

(6) The contents of a warrant upon oral testimony shall be the same as the contents of a warrant upon affidavit.

(7) The person who executes the warrant shall enter the exact time of execution on the face of the duplicate original warrant.

SECTION 2. (1) In any municipality in which Highway 6 and Highway 7 intersect and in which a university is located, an application for a warrant or signature utilized by the judicial branch of state government for a violation of the Implied Consent Law shall not be denied legal effect or enforceability solely because it is in electronic form. Any such application, signature or record in electronic form shall have the full effect of law.

(2) If a provision of law for a violation of the Implied Consent Law requires the application for any warrant to be in writing, an electronic record shall satisfy such provision of law.

(3) If a provision of law for a violation of the Implied Consent Law requires a signature, an electronic signature satisfies such provision of law.

(4) Any application used to attach a digital signature to any warrant or affidavit for a violation of the Implied Consent Law must have security procedures in place that ensure the authenticity of the digital signature. The application must also be able to keep an electronic record of the warrant or affidavit, including the time and date of when the signature was attached. The application must also include encryption measures to ensure secure access of the application.

(5) Unless otherwise agreed to by a sender of a warrant application and the judge, an electronic record is received when:

(b) It is in a form capable of being processed by the system.

(6) In any instance where an affidavit is submitted to a judge electronically, the electronic signature of the affiant shall satisfy the constitutional requirement that the testimony of the affiant be made under oath, provided that such signature is made under penalty of perjury and in compliance with subsection (4) of this section. If the requirements of subsection (4) of this section are met, it shall not be necessary for the oath to be made orally for the affidavit to have legal effect.

(7) This section shall stand repealed from and after July 1, 2024.

SECTION 3. The clerk of the court with jurisdiction of any cause of action must issue a subpoena, signed but otherwise in blank, to a party who requests it. That party must complete it before service. An attorney also may issue and sign a subpoena if the attorney is authorized to practice law in the issuing court; and if the attorney has entered an appearance in the cause of action before issuing the subpoena.

SECTION 4. This act shall take effect and be in force from and after July 1, 2022, and shall stand repealed on June 30, 2022.

This written agreement by the recipient of the certificate of need shall be fully binding on any subsequent owner of the skilled nursing facility, if the ownership of the facility is transferred at any time after the issuance of the certificate of need. Agreement that the skilled nursing facility will not participate in the Medicaid program shall be a condition of the issuance of a certificate of need to any person under this paragraph (i), and if such skilled nursing facility at any time after the issuance of the certificate of need, regardless of the ownership of the facility, participates in the Medicaid program or admits or keeps any patients in the facility who are participating in the Medicaid program, the State Department of Health shall revoke the certificate of need, if it is still outstanding, and shall deny or revoke the license of the skilled nursing facility, at the time that the department determines, after a hearing complying with due process, that the facility has failed to comply with any of the conditions upon which the certificate of need was issued, as provided in this paragraph and in the written agreement by the recipient of the certificate of need. The provision of Section 41-7-193(1) regarding substantial compliance of the projection of need as reported in the current State Health Plan is waived for the purposes of this paragraph. The total number of nursing facility beds that may be authorized by any certificate of need issued under this paragraph (i) shall not exceed sixty (60) beds. If the skilled nursing facility authorized by the certificate of need issued under this paragraph is not constructed and fully operational within eighteen (18) months after July 1, 1994, the State Department of Health, after a hearing complying with due process, shall revoke the certificate of need, if it is still outstanding, and shall not issue a license for the skilled nursing facility at any time after the expiration of the eighteen-month period.

(j) The department may issue certificates of need to allow any existing freestanding long-term care facility in Tishomingo County and Hancock County that on July 1, 1995, is licensed with fewer than sixty (60) beds. For the purposes of this paragraph (j), the provisions of Section 41-7-193(1) requiring substantial compliance with the projection of need as reported in the current State Health Plan are waived. From and after July 1, 1999, there shall be no prohibition or restrictions on participation in the Medicaid program (Section 43-13-101 et seq.) for the beds in the long-term care facilities that were authorized under this paragraph (j).

(k) The department may issue a certificate of need for the construction of a nursing facility at a continuing care retirement community in Lowndes County. The total number of beds that may be authorized under the authority of this paragraph (k) shall not exceed sixty (60) beds. From and after July 1, 2001, the prohibition on the facility participating in the Medicaid program (Section 43-13-101 et seq.) that was a condition of issuance of the certificate of need under this paragraph (k) shall be revised as follows: The nursing facility may participate in the Medicaid program from and after July 1, 2001, if the owner of the facility on July 1, 2001, agrees in writing that no more than thirty (30) of the beds at the facility will be certified for participation in the Medicaid program, and that no claim will be submitted for Medicaid reimbursement for more than thirty (30) patients in the facility in any month or for any patient in the facility who is in a bed that is not Medicaid-certified. This written agreement by the owner of the facility shall be a condition of licensure of the facility, and the agreement shall be fully binding on any subsequent owner of the facility if the ownership of the facility is transferred at any time after July 1, 2001. After this written agreement is executed, the Division of Medicaid and the State Department of Health shall not certify more than thirty (30) of the beds in the facility for participation in the Medicaid program. If the facility violates the terms of the written agreement by admitting or keeping in the facility on a regular or continuing basis more than thirty (30) patients who are participating in the Medicaid program, the State

Department of Health shall revoke the license of the facility, at the time that the department determines, after a hearing complying with due process, that the facility has violated the written agreement.

(l) Provided that funds are specifically appropriated therefor by the Legislature, the department may issue a certificate of need to a rehabilitation hospital in Hinds County for the construction of a sixty-bed long-term care nursing facility dedicated to the care and treatment of persons with severe disabilities including persons with spinal cord and closed-head injuries and ventilator dependent patients. The provisions of Section 41-7-193(1) regarding substantial compliance with projection of need as reported in the current State Health Plan are waived for the purpose of this paragraph.

(m) The State Department of Health may issue a certificate of need to a county-owned hospital in the Second Judicial District of Panola County for the conversion of not more than seventy-two (72) hospital beds to nursing facility beds, provided that the recipient of the certificate of need agrees in writing that none of the beds at the nursing facility will be certified for participation in the Medicaid program (Section 43-13-101 et seq.), and that no claim will be submitted for Medicaid reimbursement in the nursing facility in any day or for any patient in the nursing facility. This written agreement by the recipient of the certificate of need shall be a condition of the issuance of the certificate of need under this paragraph, and the agreement shall be fully binding on any subsequent owner of the nursing facility if the ownership of the nursing facility is transferred at any time after the issuance of the certificate of need. After this written agreement is executed, the Division of Medicaid and the State Department of Health shall not certify any of the beds in the nursing facility for participation in the Medicaid program. If the nursing facility violates the terms of the written agreement by admitting or keeping in the nursing facility on a regular or continuing basis any patients who are participating in the Medicaid program, the State Department of Health shall revoke the license of the nursing facility, at the time that the department determines, after a hearing complying with due process, that the nursing facility has violated the condition upon which the certificate of need was issued, as provided in this paragraph and in the written agreement. If the certificate of need authorized under this paragraph is not issued within twelve (12) months after July 1, 2001, the department shall deny the application for the certificate of need and shall not issue the certificate of need at any time after the twelve-month period, unless the issuance is contested. If the certificate of need is issued and substantial construction of the nursing facility beds has not commenced within eighteen (18) months after July 1, 2001, the State Department of Health, after a hearing complying with due process, shall revoke the certificate of need if it is still outstanding, and the department shall not issue a license for the nursing facility at any time after the eighteen-month period. However, if the issuance of the certificate of need is contested, the department shall require substantial construction of the nursing facility beds within six (6) months after final adjudication on the issuance of the certificate of need.

(n) The department may issue a certificate of need for the new construction, addition or conversion of skilled nursing facility beds in Madison County, provided that the recipient of the certificate of need agrees in writing that the skilled nursing facility will not at any time participate in the Medicaid program (Section 43-13-101 et seq.) or admit or keep any patients in the skilled nursing facility who are participating in the Medicaid program. This written agreement by the recipient of the certificate of need shall be fully binding on any subsequent owner of the skilled nursing facility, if the ownership of the facility is transferred at any time after the issuance of the certificate of need. Agreement that the skilled nursing facility will not participate in the Medicaid program shall be a condition of the issuance of a certificate of need to any person under this paragraph (n), and if such skilled nursing facility at any time after the issuance of the certificate of need, regardless of the ownership of the facility, participates in the Medicaid program or admits or keeps any patients in the facility who are participating in the Medicaid program, the State Department of Health shall revoke the certificate of need, if it is still outstanding, and shall deny or revoke the license of the skilled nursing facility, at the time that the department determines, after a hearing complying with due process, that the facility has

failed to comply with any of the conditions upon which the certificate of need was issued, as provided in this paragraph and in the written agreement by the recipient of the certificate of need. The total number of nursing facility beds that may be authorized by any certificate of need issued under this paragraph (n) shall not exceed sixty (60) beds. If the certificate of need authorized under this paragraph is not issued within twelve (12) months after July 1, 1998, the department shall deny the application for the certificate of need and shall not issue the certificate of need at any time after the twelve-month period, unless the issuance is contested. If the certificate of need is issued and substantial construction of the nursing facility beds has not commenced within eighteen (18) months after July 1, 1998, the State Department of Health, after a hearing complying with due process, shall revoke the certificate of need if it is still outstanding, and the department shall not issue a license for the nursing facility at any time after the eighteen-month period. However, if the issuance of the certificate of need is contested, the department shall require substantial construction of the nursing facility beds within six (6) months after final adjudication on the issuance of the certificate of need.

(o) The department may issue a certificate of need for the new construction, addition or conversion of skilled nursing facility beds in Leake County, provided that the recipient of the certificate of need agrees in writing that the skilled nursing facility will not at any time participate in the Medicaid program (Section 43-13-101 et seq.) or admit or keep any patients in the skilled nursing facility who are participating in the Medicaid program. This written agreement by the recipient of the certificate of need shall be fully binding on any subsequent owner of the skilled nursing facility, if the ownership of the facility is transferred at any time after the issuance of the certificate of need. Agreement that the skilled nursing facility will not participate in the Medicaid program shall be a condition of the issuance of a certificate of need to any person under this paragraph (o), and if such skilled nursing facility at any time after the issuance of the certificate of need, regardless of the ownership of the facility, participates in the Medicaid program or admits or keeps any patients in the facility who are participating in the Medicaid program, the State Department of Health shall revoke the certificate of need, if it is still outstanding, and shall deny or revoke the license of the skilled nursing facility, at the time that the department determines, after a hearing complying with due process, that the facility has failed to comply with any of the conditions upon which the certificate of need was issued, as provided in this paragraph and in the written agreement by the recipient of the certificate of need. The total number of nursing facility beds that may be authorized by any certificate of need issued under this paragraph (o) shall not exceed sixty (60) beds. If the certificate of need authorized under this paragraph is not issued within twelve (12) months after July 1, 2001, the department shall deny the application for the certificate of need and shall not issue the certificate of need at any time after the twelve-month period, unless the issuance is contested. If the certificate of need is issued and substantial construction of the nursing facility beds has not commenced within eighteen (18) months after July 1, 2001, the State Department of Health, after a hearing complying with due process, shall revoke the certificate of need if it is still outstanding, and the department shall not issue a license for the nursing facility at any time after the eighteen-month period. However, if the issuance of the certificate of need is contested, the department shall require substantial construction of the nursing facility beds within six (6) months after final adjudication on the issuance of the certificate of need.

(p) The department may issue a certificate of need for the construction of a municipally owned nursing facility within the Town of Belmont in Tishomingo County, not to exceed sixty (60) beds, provided that the recipient of the certificate of need agrees in writing that the skilled nursing facility will not at any time participate in the Medicaid program (Section 43-13-101 et seq.) or admit or keep any patients in the skilled nursing facility who are participating in the Medicaid program. This written agreement by the recipient of the certificate of need shall be fully binding on any subsequent owner of the skilled nursing facility, if the ownership of the facility is transferred at any time after the issuance of the certificate of need. Agreement that the skilled nursing facility will not participate in the Medicaid program shall be a condition of the issuance of a certificate of need to any person under this paragraph (p), and if such skilled nursing facility at any time

after the issuance of the certificate of need, regardless of the ownership of the facility, participates in the Medicaid program or admits or keeps any patients in the facility who are participating in the Medicaid program, the State Department of Health shall revoke the certificate of need, if it is still outstanding, and shall deny or revoke the license of the skilled nursing facility, at the time that the department determines, after a hearing complying with due process, that the facility has failed to comply with any of the conditions upon which the certificate of need was issued, as provided in this paragraph and in the written agreement by the recipient of the certificate of need. The provision of Section 41-7-193(1) regarding substantial compliance of the projection of need as reported in the current State Health Plan is waived for the purposes of this paragraph. If the certificate of need authorized under this paragraph is not issued within twelve (12) months after July 1, 1998, the department shall deny the application for the certificate of need and shall not issue the certificate of need at any time after the twelve-month period, unless the issuance is contested. If the certificate of need is issued and substantial construction of the nursing facility beds has not commenced within eighteen (18) months after July 1, 1998, the State Department of Health, after a hearing complying with due process, shall revoke the certificate of need if it is still outstanding, and the department shall not issue a license for the nursing facility at any time after the eighteen-month period. However, if the issuance of the certificate of need is contested, the department shall require substantial construction of the nursing facility beds within six (6) months after final adjudication on the issuance of the certificate of need.

(q) (i) Beginning on July 1, 1999, the State Department of Health shall issue certificates of need during each of the next four (4) fiscal years for the construction or expansion of nursing facility beds or the conversion of other beds to nursing facility beds in each county in the state having a need for fifty (50) or more additional nursing facility beds, as shown in the fiscal year 1999 State Health Plan, in the manner provided in this paragraph (q). The total number of nursing facility beds that may be authorized by any certificate of need authorized under this paragraph (q) shall not exceed sixty (60) beds.

(ii) Subject to the provisions of subparagraph (v), during each of the next four (4) fiscal years, the department shall issue six (6) certificates of need for new nursing facility beds, as follows: During fiscal years 2000, 2001 and 2002, one (1) certificate of need shall be issued for new nursing facility beds in the county in each of the four (4) Long-Term Care Planning Districts designated in the fiscal year 1999 State Health Plan that has the highest need in the district for those beds; and two (2) certificates of need shall be issued for new nursing facility beds in the two (2) counties from the state at large that have the highest need in the state for those beds, when considering the need on a statewide basis and without regard to the Long-Term Care Planning Districts in which the counties are located. During fiscal year 2003, one (1) certificate of need shall be issued for new nursing facility beds in any county having a need for fifty (50) or more additional nursing facility beds, as shown in the fiscal year 1999 State Health Plan, that has not received a certificate of need under this paragraph (q) during the three (3) previous fiscal years. During fiscal year 2000, in addition to the six (6) certificates of need authorized in this subparagraph, the department also shall issue a certificate of need for new nursing facility beds in Amite County and a certificate of need for new nursing facility beds in Carroll County.

(iii) Subject to the provisions of subparagraph (v), the certificate of need issued under subparagraph (ii) for nursing facility beds in each Long-Term Care Planning District during each fiscal year shall first be available for nursing facility beds in the county in the district having the highest need for those beds, as shown in the fiscal year 1999 State Health Plan. If there are no applications for a certificate of need for nursing facility beds in the county having the highest need for those beds by the date specified by the department, then the certificate of need shall be available for nursing facility beds in other counties in the district in descending order of the need for those beds, from the county with the second highest need to the county with the lowest need, until an application is received for nursing facility beds in an eligible county in the district.

(iv) Subject to the provisions of subparagraph (v), the certificate of need issued under subparagraph (ii) for nursing facility beds in the two (2) counties from the state at large during each fiscal year shall first be available for nursing facility beds in the two (2) counties that have the highest need in the state for those beds, as shown in the fiscal year 1999 State Health Plan, when considering the need on a statewide basis and without regard to the Long-Term Care Planning Districts in which the counties are located. If there are no applications for a certificate of need for nursing facility beds in either of the two (2) counties having the highest need for those beds on a statewide basis by the date specified by the department, then the certificate of need shall be available for nursing facility beds in other counties from the state at large in descending order of the need for those beds on a statewide basis, from the county with the second highest need to the county with the lowest need, until an application is received for nursing facility beds in an eligible county from the state at large.

(v) If a certificate of need is authorized to be issued under this paragraph (q) for nursing facility beds in a county on the basis of the need in the Long-Term Care Planning District during any fiscal year of the four-year period, a certificate of need shall not also be available under this paragraph (q) for additional nursing facility beds in that county on the basis of the need in the state at large, and that county shall be excluded in determining which counties have the highest need for nursing facility beds in the state at large for that fiscal year. After a certificate of need has been issued under this paragraph (q) for nursing facility beds in a county during any fiscal year of the four-year period, a certificate of need shall not be available again under this paragraph (q) for additional nursing facility beds in that county during the four-year period, and that county shall be excluded in determining which counties have the highest need for nursing facility beds in succeeding fiscal years.

(vi) If more than one (1) application is made for a certificate of need for nursing home facility beds available under this paragraph (q), in Yalobusha, Newton or Tallahatchie County, and one (1) of the applicants is a county-owned hospital located in the county where the nursing facility beds are available, the department shall give priority to the county-owned hospital in granting the certificate of need if the following conditions are met:

1. The county-owned hospital fully meets all applicable criteria and standards required to obtain a certificate of need for the nursing facility beds; and
2. The county-owned hospital's qualifications for the certificate of need, as shown in its application and as determined by the department, are at least equal to the qualifications of the other applicants for the certificate of need.

(r) (i) Beginning on July 1, 1999, the State Department of Health shall issue certificates of need during each of the next two (2) fiscal years for the construction or expansion of nursing facility beds or the conversion of other beds to nursing facility beds in each of the four (4) Long-Term Care Planning Districts designated in the fiscal year 1999 State Health Plan, to provide care exclusively to patients with Alzheimer's disease.

(ii) Not more than twenty (20) beds may be authorized by any certificate of need issued under this paragraph (r), and not more than a total of sixty (60) beds may be authorized in any Long-Term Care Planning District by all certificates of need issued under this paragraph (r). However, the total number of beds that may be authorized by all certificates of need issued under this paragraph (r) during any fiscal year shall not exceed one hundred twenty (120) beds, and the total number of beds that may be authorized in any Long-Term Care Planning District during any fiscal year shall not exceed forty (40) beds. Of the certificates of need that are issued for each Long-Term Care Planning District during the next two (2) fiscal years, at least one (1) shall be issued for beds in the northern part of the district, at least one (1) shall be issued for beds in the central part of the district, and at least one (1) shall be issued for beds in the southern part of the district.

(iii) The State Department of Health, in consultation with the Department of Mental Health and the Division of Medicaid, shall develop and prescribe the staffing levels, space requirements and other standards and requirements that must be met with regard to the nursing facility beds authorized under this paragraph (r) to provide care exclusively to patients with Alzheimer's disease.

(s) The State Department of Health may issue a certificate of need to a nonprofit skilled nursing facility using the Green House model of skilled nursing care and located in Yazoo City, Yazoo County, Mississippi, for the construction, expansion or conversion of not more than nineteen (19) nursing facility beds. For purposes of this paragraph (s), the provisions of Section 41-7-193(1) requiring substantial compliance with the projection of need as reported in the current State Health Plan and the provisions of Section 41-7-197 requiring a formal certificate of need hearing process are waived. The certificates of need that authorize the non-Medicaid nursing facility beds under subparagraphs (iii) and (iv) of this paragraph (t) shall be subject to the following conditions: The owner of the Hancock County facility and the new Harrison County facility must agree in writing that no more than fifty (50) of the beds at the Hancock County facility and no more than forty-nine (49) of the beds at the Harrison County facility will be certified for participation in the Medicaid program, and that no claim will be submitted for Medicaid reimbursement for more than fifty (50) patients in the Hancock County facility in any month, or for more than forty-nine (49) patients in the Harrison County facility in any month, or for any patient in either facility who is in a bed that is not Medicaid-certified. This written agreement by the owner of the nursing facilities shall be a condition of the issuance of the certificates of need under this paragraph (t), and the agreement shall be fully binding on any later owner or owners of either facility if the ownership of either facility is transferred at any time after the certificates of need are issued. After this written agreement is executed, the Division of Medicaid and the State Department of Health shall not certify more than fifty (50) of the beds at the Hancock County facility or more than forty-nine (49) of the beds at the Harrison County facility for participation in the Medicaid program. If the Hancock County facility violates the terms of the written agreement by admitting or keeping in the facility on a regular or continuing basis more than fifty (50) patients who are participating in the Medicaid program, or if the Harrison County facility violates the terms of the written agreement by admitting or keeping in the facility on a regular or continuing basis more than forty-nine (49) patients who are participating in the Medicaid program, the State Department of Health shall revoke the license of the facility that is in violation of the agreement, at the time that the department determines, after a hearing complying with due process, that the facility has violated the agreement.

The facility shall be authorized to keep such ventilator dependent or otherwise medically dependent pediatric patients beyond

age twenty-one (21) in accordance with regulations of the State Board of Health. For purposes of this paragraph (u), the provisions of Section 41-7-193(1) requiring substantial compliance with the projection of need as reported in the current State Health Plan are waived, and the provisions of Section 41-7-197 requiring a formal certificate of need hearing process are waived. This written agreement by the recipient of the certificate of need shall be a condition of the issuance of the certificate of need under this paragraph, and the agreement shall be fully binding on any subsequent owner of the psychiatric residential treatment facility if the ownership of the facility is transferred at any time after the issuance of the certificate of need. After this written agreement is executed, the Division of Medicaid and the State Department of Health shall not certify more than thirty (30) of the beds in the psychiatric residential treatment facility for participation in the Medicaid program for the use of any patients other than those who are participating only in the Medicaid program of another state. If the psychiatric residential treatment facility violates the terms of the written agreement by admitting or keeping in the facility on a regular or continuing basis more than thirty (30) patients who are participating in the Mississippi Medicaid program, the State Department of Health shall revoke the license of the facility, at the time that the department determines, after a hearing complying with due process, that the facility has violated the condition upon which the certificate of need was issued, as provided in this paragraph and in the written agreement.

This written agreement by the recipient of the certificate of need shall be a condition of the issuance of the certificate of need under this paragraph, and the agreement shall be fully binding on any subsequent owner of the psychiatric residential treatment facility if the ownership of the facility is transferred at any time after the issuance of the certificate of need. After this written agreement is executed, the Division of Medicaid and the State Department of Health shall not certify more than fifteen (15) of the beds in the psychiatric residential treatment facility for participation in the Medicaid program. As a condition of issuance of the certificate of need under this paragraph, the facility shall give priority in admissions to the child/adolescent psychiatric residential treatment facility beds authorized under this paragraph to patients who otherwise would require out-of-state placement. The Division of Medicaid, in conjunction with the Department of Human Services, shall furnish the facility a list of all out-of-state patients on a quarterly basis. Furthermore, notice shall also be provided to the parent, custodial parent or guardian of each out-of-state patient notifying them of the priority status granted by this paragraph. For purposes of this subparagraph (iii), the provisions of Section 41-7-193(1) requiring substantial compliance with the projection of need as reported in the current State Health Plan are waived. The total number of beds that may be authorized under the authority of this subparagraph shall not exceed twenty (20) beds. There shall be no prohibition or restrictions on participation in the Medicaid program (Section 43-13-101 et seq.) for the person receiving the certificate of need authorized under this subparagraph or for the beds converted pursuant to the authority of that certificate of need.

If by January 1, 2002, there has been no significant commencement of construction of the beds authorized under this subparagraph (iii), or no significant action taken to convert existing beds to the beds authorized under this subparagraph, then the certificate of need that was previously issued under this subparagraph shall expire. If the previously issued certificate of need expires, the department may accept applications for issuance of another certificate of need for the beds authorized under this subparagraph, and may issue a certificate of need to authorize the construction, expansion or conversion of the beds authorized under this subparagraph.

(iv) The department shall issue a certificate of need to the Region 7 Mental Health/Retardation Commission for the construction or expansion of child/adolescent psychiatric beds or the conversion of other beds to child/adolescent psychiatric beds in any of the counties served by the commission. For purposes of this subparagraph (iv), the provisions of Section 41-7-193(1) requiring substantial compliance with the projection of need as reported in the current State Health Plan are waived. The total number of beds that may be authorized under the authority of this subparagraph shall not exceed twenty (20) beds. There shall be no prohibition or restrictions on participation in the Medicaid program (Section 43-13-101 et seq.) for the person receiving the

certificate of need authorized under this subparagraph or for the beds converted pursuant to the authority of that certificate of need.

(v) The department may issue a certificate of need to any county hospital located in Leflore County for the construction or expansion of adult psychiatric beds or the conversion of other beds to adult psychiatric beds, not to exceed twenty (20) beds, provided that the recipient of the certificate of need agrees in writing that the adult psychiatric beds will not at any time be certified for participation in the Medicaid program and that the hospital will not admit or keep any patients who are participating in the Medicaid program in any of such adult psychiatric beds. This written agreement by the recipient of the certificate of need shall be fully binding on any subsequent owner of the hospital if the ownership of the hospital is transferred at any time after the issuance of the certificate of need. Agreement that the adult psychiatric beds will not be certified for participation in the Medicaid program shall be a condition of the issuance of a certificate of need to any person under this subparagraph (v), and if such hospital at any time after the issuance of the certificate of need, regardless of the ownership of the hospital, has any of such adult psychiatric beds certified for participation in the Medicaid program or admits or keeps any Medicaid patients in such adult psychiatric beds, the State Department of Health shall revoke the certificate of need, if it is still outstanding, and shall deny or revoke the license of the hospital at the time that the department determines, after a hearing complying with due process, that the hospital has failed to comply with any of the conditions upon which the certificate of need was issued, as provided in this subparagraph and in the written agreement by the recipient of the certificate of need.

(vi) The department may issue a certificate or certificates of need for the expansion of child psychiatric beds or the conversion of other beds to child psychiatric beds at the University of Mississippi Medical Center. For purposes of this subparagraph (vi), the provisions of Section 41-7-193(1) requiring substantial compliance with the projection of need as reported in the current State Health Plan are waived. The total number of beds that may be authorized under the authority of this subparagraph shall not exceed fifteen (15) beds. There shall be no prohibition or restrictions on participation in the Medicaid program (Section 43-13-101 et seq.) for the hospital receiving the certificate of need authorized under this subparagraph or for the beds converted pursuant to the authority of that certificate of need.

(b) From and after July 1, 1990, no hospital, psychiatric hospital or chemical dependency hospital shall be authorized to add any child/adolescent psychiatric or child/adolescent chemical dependency beds or convert any beds of another category to child/adolescent psychiatric or child/adolescent chemical dependency beds without a certificate of need under the authority of subsection (1)(c) and subsection (4)(a) of this section.

(5) The department may issue a certificate of need to a county hospital in Winston County for the conversion of fifteen (15) acute care beds to geriatric psychiatric care beds.

(6) The State Department of Health shall issue a certificate of need to a Mississippi corporation qualified to manage a long-term care hospital as defined in Section 41-7-173(h)(xii) in Harrison County, not to exceed eighty (80) beds, including any necessary renovation or construction required for licensure and certification, provided that the recipient of the certificate of need agrees in writing that the long-term care hospital will not at any time participate in the Medicaid program (Section 43-13-101 et seq.) or admit or keep any patients in the long-term care hospital who are participating in the Medicaid program. This written agreement by the recipient of the certificate of need shall be fully binding on any subsequent owner of the long-term care hospital, if the ownership of the facility is transferred at any time after the issuance of the certificate of need. Agreement that the long-term care hospital will not participate in the Medicaid program shall be a condition of the issuance of a certificate of need to any person under this subsection (6), and if such long-term care hospital at any time after the issuance of the certificate of need, regardless of the ownership of the facility, participates in the Medicaid program or admits

or keeps any patients in the facility who are participating in the Medicaid program, the State Department of Health shall revoke the certificate of need, if it is still outstanding, and shall deny or revoke the license of the long-term care hospital, at the time that the department determines, after a hearing complying with due process, that the facility has failed to comply with any of the conditions upon which the certificate of need was issued, as provided in this subsection and in the written agreement by the recipient of the certificate of need. For purposes of this subsection, the provisions of Section 41-7-193(1) requiring substantial compliance with the projection of need as reported in the current State Health Plan are waived.

(7) The State Department of Health may issue a certificate of need to any hospital in the state to utilize a portion of its beds for the "swing-bed" concept. Any such hospital must be in conformance with the federal regulations regarding such swing-bed concept at the time it submits its application for a certificate of need to the State Department of Health, except that such hospital may have more licensed beds or a higher average daily census (ADC) than the maximum number specified in federal regulations for participation in the swing-bed program. Any hospital meeting all federal requirements for participation in the swing-bed program which receives such certificate of need shall render services provided under the swing-bed concept to any patient eligible for Medicare (Title XVIII of the Social Security Act) who is certified by a physician to be in need of such services, and no such hospital shall permit any patient who is eligible for both Medicaid and Medicare or eligible only for Medicaid to stay in the swing beds of the hospital for more than thirty (30) days per admission unless the hospital receives prior approval for such patient from the Division of Medicaid, Office of the Governor. Any hospital having more licensed beds or a higher average daily census (ADC) than the maximum number specified in federal regulations for participation in the swing-bed program which receives such certificate of need shall develop a procedure to ensure that before a patient is allowed to stay in the swing beds of the hospital, there are no vacant nursing home beds available for that patient located within a fifty-mile radius of the hospital. When any such hospital has a patient staying in the swing beds of the hospital and the hospital receives notice from a nursing home located within such radius that there is a vacant bed available for that patient, the hospital shall transfer the patient to the nursing home within a reasonable time after receipt of the notice. Any hospital which is subject to the requirements of the two (2) preceding sentences of this subsection may be suspended from participation in the swing-bed program for a reasonable period of time by the State Department of Health if the department, after a hearing complying with due process, determines that the hospital has failed to comply with any of those requirements.

(8) The Department of Health shall not grant approval for or issue a certificate of need to any person proposing the new construction of, addition to or expansion of a health care facility as defined in subparagraph (viii) of Section 41-7-173(h), except as hereinafter provided: The department may issue a certificate of need to a nonprofit corporation located in Madison County, Mississippi, for the construction, expansion or conversion of not more than twenty (20) beds in a community living program for developmentally disabled adults in a facility as defined in subparagraph (viii) of Section 41-7-173(h). For purposes of this subsection (8), the provisions of Section 41-7-193(1) requiring substantial compliance with the projection of need as reported in the current State Health Plan and the provisions of Section 41-7-197 requiring a formal certificate of need hearing process are waived. There shall be no prohibition or restrictions on participation in the Medicaid program for the person receiving the certificate of need authorized under this subsection (8).

(9) The Department of Health shall not grant approval for or issue a certificate of need to any person proposing the establishment of, or expansion of the currently approved territory of, or the contracting to establish a home office, subunit or branch office within the space operated as a health care facility as defined in Section 41-7-173(h)(i) through (viii) by a health care facility as defined in subparagraph (ix) of Section 41-7-173(h).

(10) Health care facilities owned and/or operated by the state or its agencies are exempt from the restraints in this section against issuance of a certificate of need if such addition or expansion consists of repairing or renovation necessary to comply with the state licensure law. This exception shall not apply to the new construction of any building by such state facility. This exception shall not apply to any health care facilities owned and/or operated by counties, municipalities, districts, unincorporated areas, other defined persons, or any combination thereof.

(11) The new construction, renovation or expansion of or addition to any health care facility defined in subparagraph (ii) (psychiatric hospital), subparagraph (iv) (skilled nursing facility), subparagraph (vi) (intermediate care facility), subparagraph (viii) (intermediate care facility for the mentally retarded) and subparagraph (x) (psychiatric residential treatment facility) of Section 41-7-173(h) which is owned by the State of Mississippi and under the direction and control of the State Department of Mental Health, and the addition of new beds or the conversion of beds from one category to another in any such defined health care facility which is owned by the State of Mississippi and under the direction and control of the State Department of Mental Health, shall not require the issuance of a certificate of need under Section 41-7-171 et seq., notwithstanding any provision in Section 41-7-171 et seq. to the contrary.

(12) The new construction, renovation or expansion of or addition to any veterans homes or domiciliaries for eligible veterans of the State of Mississippi as authorized under Section 35-1-19 shall not require the issuance of a certificate of need, notwithstanding any provision in Section 41-7-171 et seq. to the contrary.

(13) The repair or the rebuilding of an existing, operating health care facility that sustained significant damage from a natural disaster that occurred after April 15, 2014, in an area that is proclaimed a disaster area or subject to a state of emergency by the Governor or by the President of the United States shall be exempt from all of the requirements of the Mississippi Certificate of Need Law (Section 41-7-171 et seq.) and any and all rules and regulations promulgated under that law, subject to the following conditions:

(a) The repair or the rebuilding of any such damaged health care facility must be within one (1) mile of the pre-disaster location of the campus of the damaged health care facility, except that any temporary post-disaster health care facility operating location may be within five (5) miles of the pre-disaster location of the damaged health care facility;

(b) The repair or the rebuilding of the damaged health care facility (i) does not increase or change the complement of its bed capacity that it had before the Governor's or the President's proclamation, (ii) does not increase or change its levels and types of health care services that it provided before the Governor's or the President's proclamation, and (iii) does not rebuild in a different county; however, this paragraph does not restrict or prevent a health care facility from decreasing its bed capacity that it had before the Governor's or the President's proclamation, or from decreasing the levels of or decreasing or eliminating the types of health care services that it provided before the Governor's or the President's proclamation, when the damaged health care facility is repaired or rebuilt;

(c) The exemption from Certificate of Need Law provided under this subsection (13) is valid for only five (5) years from the date of the Governor's or the President's proclamation. If actual construction has not begun within that five-year period, the exemption provided under this subsection is inapplicable; and

(d) The Division of Health Facilities Licensure and Certification of the State Department of Health shall provide the same oversight for the repair or the rebuilding of the damaged health care facility that it provides to all health care facility construction projects in the state.

For the purposes of this subsection (13), "significant damage" to a health care facility means damage to the health care facility requiring an expenditure of at least One Million Dollars (\$1,000,000.00).

(14) The State Department of Health shall issue a certificate of need to any hospital which is currently licensed for two hundred fifty (250) or more acute care beds and is located in any general hospital service area not having a comprehensive cancer center, for the establishment and equipping of such a center which provides facilities and services for outpatient radiation oncology therapy, outpatient medical oncology therapy, and appropriate support services including the provision of radiation therapy services. The provisions of Section 41-7-193(1) regarding substantial compliance with the projection of need as reported in the current State Health Plan are waived for the purpose of this subsection.

(15) The State Department of Health may authorize the transfer of hospital beds, not to exceed sixty (60) beds, from the North Panola Community Hospital to the South Panola Community Hospital. The authorization for the transfer of those beds shall be exempt from the certificate of need review process.

(16) The State Department of Health shall issue any certificates of need necessary for Mississippi State University and a public or private health care provider to jointly acquire and operate a linear accelerator and a magnetic resonance imaging unit. Those certificates of need shall cover all capital expenditures related to the project between Mississippi State University and the health care provider, including, but not limited to, the acquisition of the linear accelerator, the magnetic resonance imaging unit and other radiological modalities; the offering of linear accelerator and magnetic resonance imaging services; and the cost of construction of facilities in which to locate these services. The linear accelerator and the magnetic resonance imaging unit shall be (a) located in the City of Starkville, Oktibbeha County, Mississippi; (b) operated jointly by Mississippi State University and the public or private health care provider selected by Mississippi State University through a request for proposals (RFP) process in which Mississippi State University selects, and the Board of Trustees of State Institutions of Higher Learning approves, the health care provider that makes the best overall proposal; (c) available to Mississippi State University for research purposes two-thirds (2/3) of the time that the linear accelerator and magnetic resonance imaging unit are operational; and (d) available to the public or private health care provider selected by Mississippi State University and approved by the Board of Trustees of State Institutions of Higher Learning one-third (1/3) of the time for clinical, diagnostic and treatment purposes. For purposes of this subsection, the provisions of Section 41-7-193(1) requiring substantial compliance with the projection of need as reported in the current State Health Plan are waived.

(17) The State Department of Health shall issue a certificate of need for the construction of an acute care hospital in Kemper County, not to exceed twenty-five (25) beds, which shall be named the "John C. Stennis Memorial Hospital." In issuing the certificate of need under this subsection, the department shall give priority to a hospital located in Lauderdale County that has two hundred fifteen (215) beds. For purposes of this subsection, the provisions of Section 41-7-193(1) requiring substantial compliance with the projection of need as reported in the current State Health Plan and the provisions of Section 41-7-197 requiring a formal certificate of need hearing process are waived. There shall be no prohibition or restrictions on participation in the Medicaid program (Section 43-13-101 et seq.) for the person or entity receiving the certificate of need authorized under this subsection or for the beds constructed under the authority of that certificate of need.

(18) The planning, design, construction, renovation, addition, furnishing and equipping of a clinical research unit at any health care facility defined in Section 41-7-173(h) that is under the direction and control of the University of Mississippi Medical Center and located in Jackson, Mississippi, and the addition of new beds or the

conversion of beds from one (1) category to another in any such clinical research unit, shall not require the issuance of a certificate of need under Section 41-7-171 et seq., notwithstanding any provision in Section 41-7-171 et seq. to the contrary.

(19) [Repealed]

(20) Nothing in this section or in any other provision of Section 41-7-171 et seq. shall prevent any nursing facility from designating an appropriate number of existing beds in the facility as beds for providing care exclusively to patients with Alzheimer's disease.

(21) Nothing in this section or any other provision of Section 41-7-171 et seq. shall prevent any health care facility from the new construction, renovation, conversion or expansion of new beds in the facility designated as intensive care units, negative pressure rooms, or isolation rooms pursuant to the provisions of Sections 41-14-1 through 41-14-11, or from expansions of hospital facilities that are funded or reimbursed by the grant program established under Section 1 of this act. For purposes of this subsection, the provisions of Section 41-7-193(1) requiring substantial compliance with the projection of need as reported in the current State Health Plan and the provisions of Section 41-7-197 requiring a formal certificate of need hearing process are waived.

SECTION 3. This act shall take effect and be in force from and after July 1, 2022, and shall stand repealed on June 30, 2022.

On or before November 15 preceding each regular session of the Legislature, except the first regular session of a new term of office, the Governor shall submit to the members of the Legislature, the Legislative Budget Office or the members-elect, as the case may be, and to the executive head of each state agency a balanced budget for the succeeding fiscal year. The budget submitted shall be prepared in a format that will include performance measurement data associated with the various programs operated by each agency. The total proposed expenditures in the balanced budget shall not exceed the amount of estimated revenues that will be available for appropriation or use during the succeeding fiscal year, including any balances other than unencumbered balances in general funds that will be on hand at the close of the then current fiscal year, as determined by the revenue estimate jointly adopted by the Governor and the Legislative Budget Committee. The total proposed expenditures from the State General Fund in the balanced budget shall not exceed ninety-eight percent (98%) of the amount of general fund revenue estimate for the succeeding fiscal year. The general fund revenue estimate shall be the estimate jointly adopted by the Governor and the Joint Legislative Budget Committee.

The revenues used in preparing the balanced budget shall be only those revenues that will be available under the general laws of the state as they exist when the balanced budget is prepared, and shall not include any proposed revenues that would become available only after the enactment of new legislation. If the Governor has any recommendations for additional proposed expenditures or proposed revenues that are not included in his balanced budget, he shall submit those recommendations in a supplement that is separate from his balanced budget, and whenever the Governor recommends any such additional proposed expenditures, he also shall recommend proposed revenues that are sufficient to fund the additional proposed expenditures,

providing specific details regarding the sources and the total amount of those proposed revenues.

The Governor may employ a budget officer for the purpose of receiving information from the State Fiscal Officer and preparing his recommendations on the budget. If the Governor determines that information received from the State Fiscal Officer is not sufficient to enable him to prepare his budget recommendations, he may request an appropriation from the Legislature to provide additional staff within the Governor's office for that purpose. At the first regular session after his election for Governor, the Governor shall submit any budget recommendations plus the required revenue source recommendations no later than January 31 of that year.

SECTION 3. Section 27-103-203, Mississippi Code of 1972, is brought forward as follows:

27-103-203. (1) There is created in the State Treasury a special fund, separate and apart from any other fund, to be designated the Working Cash-Stabilization Reserve Fund.

(2) The Working Cash-Stabilization Reserve Fund shall not be considered as a surplus or available funds when adopting a balanced budget as required by law. The State Treasurer shall invest all sums in the Working Cash-Stabilization Reserve Fund not needed for the purposes provided for in this section in certificates of deposit, repurchase agreements and other securities as authorized in Section 27-105-33(d) or Section 7-9-103, as the State Treasurer may determine to yield the highest market rate available. If the Ayers Settlement Fund is created under Section 37-101-27(5), the first Five Million Dollars (\$5,000,000.00) of interest earned on those sums each fiscal year shall be deposited into that fund until a total of Seventy Million Dollars (\$70,000,000.00) has been deposited into the fund. The interest, or the remaining interest if the Ayers Settlement Fund is created, that is earned on those sums shall be deposited in the Working Cash-Stabilization Reserve Fund until the balance of principal and interest in the fund reaches ten percent (10%) of the total General Fund appropriations for the current fiscal year, and all interest earned in excess of amounts necessary to maintain the ten percent (10%) fund balance requirement shall be deposited by the State Treasurer into the State General Fund.

(3) The Working Cash-Stabilization Reserve Fund, except for Fifteen Million Dollars (\$15,000,000.00) and the amount of the interest and income earned on the principal of the Ayers Endowment Trust created by Section 37-101-27, shall be used by the State Treasurer for cash flow needs throughout the year when the Executive Director of the Department of Finance and Administration certifies that in his opinion there will be cash flow deficiencies in the State General Fund. No borrowing of monies from other special funds for such purposes as authorized by Section 31-17-101 et seq., shall be made as long as an unencumbered balance in excess of Fifteen Million Dollars (\$15,000,000.00) and the interest and income earned on the principal of the Ayers Endowment Trust created by Section 37-101-27 remains in the fund. The State Treasurer shall reimburse the fund for all sums borrowed for those purposes from General Fund revenues collected during the fiscal year in which those funds are used. The State Treasurer shall immediately notify the Legislative Budget Office and the State Department of Finance and Administration of each transfer into and out of the fund. Fifteen Million Dollars (\$15,000,000.00) in the Working Cash-Stabilization Reserve Fund shall remain available for exclusive use of the Ayers Endowment Trust created by Section 37-101-27. If the Ayers Settlement Fund is created under Section 37-101-27(5), beginning when a total of Fifty-five Million Dollars (\$55,000,000.00) has been deposited into the fund, for each annual deposit of interest to that fund under subsection (2) of this section, the Ayers Endowment Trust created under Section 37-101-27(1) shall be reduced by an equal amount annually until the Ayers Endowment Trust reaches Zero Dollars (\$0.00), at which time any requirements concerning the Ayers Endowment Trust in this section shall be null and void.

(4) The Working Cash-Stabilization Reserve Fund, except for Forty Million Dollars (\$40,000,000.00), shall also be used for the purpose of covering any projected deficits that may occur in the General Fund at the end of a fiscal year as a result of revenue shortfalls. If the Governor determines that a deficit in revenues from all sources may occur, it shall be the duty of the Executive Director of the Department of Finance and Administration to transfer such funds as necessary to the General Fund to alleviate the deficit in accordance with Sections 27-104-13 and 31-17-123; however, not more than Fifty Million Dollars (\$50,000,000.00) may be transferred from the fund for that purpose in any one (1) fiscal year.

(5) The Working Cash-Stabilization Reserve Fund also shall be used to provide funds for the Disaster Assistance Trust Fund when those funds are immediately needed to provide for disaster assistance under Sections 33-15-301 through 33-15-317. Any transfer of funds from the Working Cash-Stabilization Reserve Fund to the Disaster Assistance Trust Fund shall be made in accordance with the provisions of subsection (5) of Section 33-15-307.

(6) The Department of Finance and Administration shall immediately send notice of any transfers made, or other action taken under authority of this section, to the Legislative Budget Office.

(7) Funds deposited in the Working Cash-Stabilization Reserve Fund shall be used only for the purposes specified in this section, and as long as the provisions of this section remain in effect, no other expenditure, appropriation or transfer of funds in the Working Cash-Stabilization Reserve Fund shall be made except by act of the Legislature making specific reference to the Working Cash-Stabilization Reserve Fund as the source of those funds.

(8) Any funds appropriated from the Working Cash-Stabilization Reserve Fund that are unexpended at the end of a fiscal year shall lapse into the Working Cash-Stabilization Reserve Fund.

SECTION 4. Section 27-103-211, Mississippi Code of 1972, is brought forward as follows:

27-103-211. The total sum appropriated by the Legislature from the State General Fund for any fiscal year shall not exceed ninety-eight percent (98%) of the general fund revenue estimate for that fiscal year developed by the Department of Revenue and the University Research Center and adopted by the Joint Legislative Budget Committee. The unencumbered balances in general funds that will be available and on hand at the close of the fiscal year shall not include projected amounts required to be deposited into the Working Cash-Stabilization Reserve Fund under Section 27-103-203.

SECTION 5. Section 27-103-213, Mississippi Code of 1972, is brought forward as follows:

27-103-213. (1) The unencumbered cash balance in the General Fund in the State Treasury at the close of each fiscal year shall be distributed to the Municipal Revolving Fund, the Working Cash-Stabilization Reserve Fund and the Capital Expense Fund in the manner provided in this section.

(2) (a) At the end of each fiscal year, the Executive Director of the Department of Finance and Administration and the State Treasurer shall determine the extent of the unencumbered cash balance existing in the General Fund in the State Treasury.

(b) As used in this section, the term "unencumbered cash balance" or "unencumbered General Fund cash balance" means the amount in the State General Fund after deducting all appropriations and other expenditures. However, if the

Legislature has authorized additional or deficit appropriations or transfers from the State General Fund for that fiscal year, those amounts shall be subtracted from the unencumbered cash balance in the General Fund before determining the amount available for distribution. The unencumbered General Fund cash balance shall not be determined until after August 31 of each year, and it shall not be made until the State Treasurer has received a certificate in writing from the Executive Director of the Department of Finance and Administration, with notification to the Legislative Budget Office, showing the amount of the unencumbered General Fund cash balance.

(3) If any unencumbered General Fund cash balance is available for distribution under this section, the distribution of those funds shall be made by the Executive Director of the Department of Finance and Administration in the following order:

(a) To the Municipal Revolving Fund, an amount equal to Seven Hundred Fifty Thousand Dollars (\$750,000.00); however, if the amount of the unencumbered General Fund cash balance is less than Seven Hundred Fifty Thousand Dollars (\$750,000.00), then the total amount of the unencumbered General Fund cash balance shall be distributed to the Municipal Revolving Fund.

(b) To the Working Cash-Stabilization Reserve Fund, fifty percent (50%) of the amount of the unencumbered General Fund cash balance after the distributions are made under paragraph (a), not to exceed ten percent (10%) of the General Fund appropriations for the fiscal year that the unencumbered General Fund cash balance represents. For the purposes of this paragraph (b), the appropriations for the fiscal year shall be the total amount contained in the actual appropriation bills passed by the Legislature.

(c) To the Capital Expense Fund, any remaining amount of the unencumbered General Fund cash balance after the distributions are made under paragraphs (a) and (b).

SECTION 6. Section 27-103-303, Mississippi Code of 1972, is brought forward as follows:

27-103-303. (1) There is created in the State Treasury a special fund, separate and apart from any other fund, to be designated the Capital Expense Fund.

(2) The Capital Expense Fund shall not be considered as a surplus or available funds when adopting a balanced budget as required by law. The State Treasurer shall invest all sums in the Capital Expense Fund not needed for the purposes provided for in this section in certificates of deposit, repurchase agreements and other securities as authorized in Section 27-105-33(d) or Section 7-9-103, as the State Treasurer may determine to yield the highest market rate available. Interest earned on this fund shall be deposited by the State Treasurer into the State General Fund.

(3) The Capital Expense Fund shall be used for capital expense needs, repair and renovation of state-owned properties and specific expenditures authorized by the Legislature. The Legislature shall designate those capital expense projects, repair and renovation projects and other authorized projects in an appropriation act passed by the Legislature, which shall direct the Director of the Department of Finance and Administration to administer the projects.

(4) In addition to the purposes specified in subsection (3) of this section, the Capital Expense Fund shall be used to provide funds for emergency repairs on state-owned buildings upon requisition of the Executive Director of the Department of Finance and Administration. Whenever the executive director determines that funds are immediately needed for emergency repairs on state-owned buildings, he or she shall requisition the funds needed from the Capital Expense Fund, which shall be subject to the limitations set forth in this subsection. At the same time he or she makes the requisition, the executive

director shall notify the Lieutenant Governor, the Speaker of the House of Representatives, the respective Chairmen of the Senate Appropriations Committee, the Senate Finance Committee, the House Appropriations Committee and the House Ways and Means Committee and the Legislative Budget Office of his or her determination of the need for the funds, the amount that he or she has requisitioned and where the funds will be used. If the amount requisitioned is available in the Capital Expense Fund, is not allocated for any specific projects as authorized in subsection (3) of this section and is within the limitations set forth below in this subsection, then the executive director may escalate the budget of the Bureau of Building, Grounds and Real Property Management to use the full amount of the requisitioned funds for the emergency repairs and transfer that amount to the bureau for that purpose. If the amount requisitioned is more than the amount available in the Capital Expense Fund or above the limitations set forth below in this subsection, then the executive director may escalate the budget of the bureau to use the amount that is available within the limitations for the emergency repairs and transfer that amount to the bureau for that purpose. The maximum amount that may be transferred from the Capital Expense Fund to the bureau for any single emergency shall be One Million Dollars (\$1,000,000.00), and the maximum amount that may be transferred to the bureau for all emergencies during any fiscal year shall be Five Million Dollars (\$5,000,000.00).

(5) Funds deposited in the Capital Expense Fund shall be used only for the purposes specified in this section, and as long as the provisions of this section remain in effect, no other expenditure, appropriation or transfer of funds in the Capital Expense Fund shall be made except by act of the Legislature making specific reference to the Capital Expense Fund as the source of those funds.

(6) Unexpended funds in the Capital Expense Fund at the end of a fiscal year shall not lapse into the State General Fund but shall remain in the fund for use under this section. Any funds appropriated from the Capital Expense Fund that are unexpended at the end of a fiscal year shall lapse into the Capital Expense Fund.

SECTION 7. Section 27-104-321, Mississippi Code of 1972, is brought forward as follows:

27-104-321. (1) All funds received by or on behalf of the State of Mississippi through the Coronavirus State Fiscal Recovery Fund in Section 9901 of the American Rescue Plan Act of 2021 (Public Law No. 117-2) shall be deposited into the Coronavirus State Fiscal Recovery Fund created in subsection (2) of this section.

(2) There is created in the State Treasury a special fund to be designated as the "Coronavirus State Fiscal Recovery Fund." The special fund shall consist of funds required to be deposited into the special fund by subsection (1) of this section, funds appropriated or otherwise made available by the Legislature in any manner, and funds from any other source designated for deposit

into the special fund. Monies in the fund shall only be spent upon appropriation by the Legislature and shall only be used as provided in the Coronavirus State Fiscal Recovery Fund in Section 9901 of the American Rescue Plan Act of 2021 (Public Law No. 117-2) or as authorized by federal rule or regulation or guidelines.

(3) Unexpended amounts remaining in the special fund at the end of a fiscal year shall not lapse into the State General Fund but shall remain in the Coronavirus State Fiscal Recovery Fund. Any investment earnings or interest earned on amounts in the special fund shall be deposited to the credit of the special fund.

SECTION 8. Section 27-71-29, Mississippi Code of 1972, is brought forward as follows:

27-71-29. All taxes levied by this article shall be paid to the Department of Revenue in cash or by personal check, cashier's check, bank exchange, post office money order or express money order and shall be deposited by the department in the State Treasury on the same day collected, but no remittances other than cash shall be a final discharge of liability for the tax herein imposed and levied unless and until it has been paid in cash to the department.

All taxes levied under Section 27-71-7(1) and received by the department under this article shall be paid into the General Fund, and the three percent (3%) levied under Section 27-71-7(2) and received by the department under this article shall be paid into the special fund in the State Treasury designated as the "Alcoholism Treatment and Rehabilitation Fund" as required by law. Any funds derived from the sale of alcoholic beverages in excess of inventory requirements shall be paid not less often than annually into the General Fund, except for fees charged by the department for the defraying of costs associated with shipping alcoholic beverages. The revenue derived from these fees shall be deposited by the department into a special fund, hereby created in the State Treasury, which is designated the "ABC Shipping Fund." The monies in this special fund shall be earmarked for use by the department for any expenditure made to ship alcoholic beverages. Any net proceeds remaining in the special fund on August 1 of any fiscal year shall lapse into the General Fund. "Net proceeds" in this section means the total of all fees collected by the department to defray the costs of shipping less the actual costs of shipping.

SECTION 9. (1) All funds received by or on behalf of the State of Mississippi through the Coronavirus Capital Projects Fund in Section 9901 of the American Rescue Plan Act of 2021 (Public Law No. 117-2) shall be deposited into the Coronavirus Capital Projects Fund created in subsection (2) of this section.

(2) There is created in the State Treasury a special fund to be designated as the "Coronavirus Capital Projects Fund." The special fund shall consist of funds required to be deposited into the special fund by subsection (1) of this section, funds appropriated or otherwise made available by the Legislature in any manner, and funds from any other source designated for deposit into the special fund. Monies in the fund shall only be spent upon appropriation by the Legislature and shall only be used as provided in the Coronavirus Capital Projects Fund in Section 9901 of the American Rescue Plan Act of 2021 (Public Law No. 117-2) or as authorized by federal rule or regulation or guidelines.

(3) Unexpended amounts remaining in the special fund at the end of a fiscal year shall not lapse into the State General Fund but shall remain in the Coronavirus Capital Projects Fund. Any investment earnings or interest earned on amounts in the special fund shall be deposited to the credit of the special fund.

After the expiration of the initial terms, all appointed members' terms shall be for a period of four (4) years from the expiration date of the previous term, and until such time as the member's successor is duly appointed and qualified.

(c) When appointing members to the Public Procurement Review Board, the Governor and Lieutenant Governor shall take into consideration persons who possess at least five (5) years of management experience in general business, health care or finance for an organization, corporation or other public or private entity. Any person, or any employee or owner of a company, who receives any grants, procurements or contracts that are subject to approval under this section shall not be appointed to the Public Procurement Review Board. Any person, or any employee or owner of a company, who is a principal of the source providing a personal or professional service shall not be appointed to the Public Procurement Review Board if the principal owns or controls a greater than five percent (5%) interest or has an ownership value of One Million Dollars (\$1,000,000.00) in the source's business, whichever is smaller. (e) The members of the Public Procurement Review Board shall elect a chair from among the membership, and he or she shall preside over the meetings of the board. The board shall annually elect a vice chair, who shall serve in the absence of the chair. No business shall be transacted, including adoption of rules of procedure, without the presence of a quorum of the board. Three (3) members shall be a quorum. (c) Adopt regulations governing any lease or rental agreement by any state agency or department, including any state agency financed entirely by federal funds, for space outside the buildings under the jurisdiction of the Department of Finance and Administration. (d) Adopt, in its discretion, regulations to set aside at least five percent (5%) of anticipated annual expenditures for the purchase of commodities from minority businesses; however, all such set-aside purchases shall comply with all purchasing regulations promulgated by the department and shall be subject to all bid requirements. Set-aside purchases for which competitive bids are required shall be made from the lowest and best minority business bidder; however, if no minority bid is available or if the minority bid is more than two percent (2%) higher than the lowest bid, then bids shall be

accepted and awarded to the lowest and best bidder. However, the provisions in this paragraph shall not be construed to prohibit the rejection of a bid when only one (1) bid is received. Such rejection shall be placed in the minutes. For the purposes of this paragraph, the term "minority business" means a business which is owned by a person who is a citizen or lawful permanent resident of the United States and who is:

(i) Black: having origins in any of the black racial groups of Africa;

(ii) Hispanic: of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin regardless of race;

(f) Promulgate rules and regulations governing the solicitation and selection of contractual services personnel, including personal and professional services contracts for any form of consulting, policy analysis, public relations, marketing, public affairs, legislative advocacy services or any other contract that the board deems appropriate for oversight, with the exception of any personal service contracts entered into by any agency that employs only nonstate service employees as defined in Section 25-9-107(c), any personal service contracts entered into for computer or information technology-related services governed by the Mississippi Department of Information Technology Services, any personal service contracts entered into by the individual state institutions of higher learning, any personal service contracts entered into by the Mississippi Department of Transportation, any personal service contracts entered into by the Department of Human Services through June 30, 2019, which the Executive Director of the Department of Human Services determines would be useful in establishing and operating the Department of Child Protection Services, any personal service contracts entered into by the Department of Child Protection Services through June 30, 2019, any contracts for entertainers and/or performers at the Mississippi State Fairgrounds entered into by the Mississippi Fair Commission, any contracts entered into by the Department of Finance and Administration when procuring aircraft maintenance, parts, equipment and/or services, any contract entered into by the Department of Public Safety for service on specialized equipment and/or software required for the operation at such specialized equipment for use by the Office of Forensics Laboratories, \* \* \* any contract for attorney, accountant, actuary auditor, architect, engineer, anatomical pathologist, utility rate expert services, \* \* \* any personal service contracts approved by the Executive Director of the Department of Finance and Administration and entered into by the Coordinator of Mental Health Accessibility through June 30, 2022, any personal or professional services contract entered into by the Department of Environmental Quality in carrying out its responsibilities under the ARPA Wastewater Infrastructure Grant Program through June 30, 2026, any personal or professional services contract entered into by the State Department of Health in carrying out its responsibilities under the ARPA Drinking Water Infrastructure Grant Program through June 30, 2026, and any personal or professional services contract entered into by the State Department of Health in carrying out its responsibilities under the ARPA Rural Water Associations Infrastructure Grant Program through June 30, 2026. Any such rules and regulations shall provide for maintaining continuous internal audit covering the activities of such agency affecting its revenue and expenditures as required

under Section 7-7-3(6)(d). Any rules and regulation changes related to personal and professional services contracts that the Public Procurement Review Board may propose shall be submitted to the Chairs of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the Chairs of the Appropriation Committees of the Senate and House of Representatives at least fifteen (15) days before the board votes on the proposed changes, and those rules and regulation changes, if adopted, shall be promulgated in accordance with the Mississippi Administrative Procedures Act;

(g) Approve all personal and professional services contracts involving the expenditures of funds in excess of Seventy-five Thousand Dollars (\$75,000.00), except as provided in paragraph (f) of this subsection (2) and in subsection (8);

(h) Develop mandatory standards with respect to contractual services personnel that require invitations for public bid, requests for proposals, record keeping and financial responsibility of contractors. The Public Procurement Review Board shall, unless exempted under this paragraph (h) or under paragraph (i) or (o) of this subsection (2), require the agency involved to submit the procurement to a competitive procurement process, and may reserve the right to reject any or all resulting procurements;

(i) Prescribe certain circumstances by which agency heads may enter into contracts for personal and professional services without receiving prior approval from the Public Procurement Review Board. The Public Procurement Review Board may establish a preapproved list of providers of various personal and professional services for set prices with which state agencies may contract without bidding or prior approval from the board;

(i) Agency requirements may be fulfilled by procuring services performed incident to the state's own programs. The agency head shall determine in writing whether the price represents a fair market value for the services. When the procurements are made from other governmental entities, the private sector need not be solicited; however, these contracts shall still be submitted for approval to the Public Procurement Review Board.

(ii) Contracts between two (2) state agencies, both under Public Procurement Review Board purview, shall not require Public Procurement Review Board approval. However, the contracts shall still be entered into the enterprise resource planning system;

(j) Provide standards for the issuance of requests for proposals, the evaluation of proposals received, consideration of costs and quality of services proposed, contract negotiations, the administrative monitoring of contract performance by the agency and successful steps in terminating a contract;

(k) Present recommendations for governmental privatization and to evaluate privatization proposals submitted by any state agency;

(l) Authorize personal and professional service contracts to be effective for more than one (1) year provided a funding condition is included in any such multiple year contract, except the State Board of Education, which shall have the authority to enter into contractual agreements for student assessment for a period up to ten (10) years. The State Board of Education shall procure these services in accordance with the Public Procurement Review Board procurement regulations;

(m) Request the State Auditor to conduct a performance audit on any personal or professional service contract;

(n) Prepare an annual report to the Legislature concerning the issuance of personal and professional services contracts during the previous year, collecting any necessary information from state agencies in making such report;

(o) Develop and implement the following standards and procedures for the approval of any sole source contract for personal and professional services regardless of the value of the procurement:

(i) For the purposes of this paragraph (o), the term "sole source" means only one (1) source is available that can provide the required personal or professional service.

(ii) An agency that has been issued a binding, valid court order mandating that a particular source or provider must be used for the required service must include a copy of the applicable court order in all future sole source contract reviews for the particular personal or professional service referenced in the court order.

(iii) Any agency alleging to have a sole source for any personal or professional service, other than those exempted under paragraph (f) of this subsection (2) and subsection (8), shall publish on the procurement portal website established by Sections 25-53-151 and 27-104-165, for at least fourteen (14) days, the terms of the proposed contract for those services. In addition, the publication shall include, but is not limited to, the following information:

1. The personal or professional service offered in the contract;
2. An explanation of why the personal or professional service is the only one that can meet the needs of the agency;
3. An explanation of why the source is the only person or entity that can provide the required personal or professional service;
4. An explanation of why the amount to be expended for the personal or professional service is reasonable; and
5. The efforts that the agency went through to obtain the best possible price for the personal or professional service.

(iv) If any person or entity objects and proposes that the personal or professional service published under subparagraph (iii) of this paragraph (o) is not a sole source service and can be provided by another person or entity, then the objecting person or entity shall notify the Public Procurement Review Board and the agency that published the proposed sole source contract with a detailed explanation of why the personal or professional service is not a sole source service.

(v) 1. If the agency determines after review that the personal or professional service in the proposed sole source contract can be provided by another person or entity, then the agency must withdraw the sole source contract publication from the procurement portal website and submit the procurement of the personal or professional service to an advertised competitive bid or selection process.

2. If the agency determines after review that there is only one (1) source for the required personal or professional service, then the agency may appeal to the Public Procurement Review Board. The agency has the burden of proving that the personal or professional service is only provided by one (1) source.

3. If the Public Procurement Review Board has any reasonable doubt as to whether the personal or professional service can only be provided by one (1) source, then the agency must submit the procurement of the personal or professional service to an advertised competitive bid or selection process. No action taken by the Public Procurement Review Board in this appeal process shall be valid

unless approved by a majority of the members of the Public Procurement Review Board present and voting.

(vi) The Public Procurement Review Board shall prepare and submit a quarterly report to the House of Representatives and Senate Accountability, Efficiency and Transparency Committees that details the sole source contracts presented to the Public Procurement Review Board and the reasons that the Public Procurement Review Board approved or rejected each contract. These quarterly reports shall also include the documentation and memoranda required in subsection (4) of this section. An agency that submitted a sole source contract shall be prepared to explain the sole source contract to each committee by December 15 of each year upon request by the committee;

(p) Assess any fines and administrative penalties provided for in Sections 31-7-401 through 31-7-423.

(3) All submissions shall be made sufficiently in advance of each monthly meeting of the Public Procurement Review Board as prescribed by the Public Procurement Review Board. If the Public Procurement Review Board rejects any contract submitted for review or approval, the Public Procurement Review Board shall clearly set out the reasons for its action, including, but not limited to, the policy that the agency has violated in its submitted contract and any corrective actions that the agency may take to amend the contract to comply with the rules and regulations of the Public Procurement Review Board.

(4) All sole source contracts for personal and professional services awarded by state agencies, other than those exempted under Section 27-104-7(2)(f) and (8), whether approved by an agency head or the Public Procurement Review Board, shall contain in the procurement file a written determination for the approval, using a request form furnished by the Public Procurement Review Board. The written determination shall document the basis for the determination, including any market analysis conducted in order to ensure that the service required was practicably available from only one (1) source. A memorandum shall accompany the request form and address the following four (4) points:

(a) Explanation of why this service is the only service that can meet the needs of the purchasing agency;

(b) Explanation of why this vendor is the only practicably available source from which to obtain this service;

(c) Explanation of why the price is considered reasonable; and

(d) Description of the efforts that were made to conduct a noncompetitive negotiation to get the best possible price for the taxpayers.

(5) In conjunction with the State Personnel Board, the Public Procurement Review Board shall develop and promulgate rules and regulations to define the allowable legal relationship between contract employees and the contracting departments, agencies and institutions of state government under the jurisdiction of the State Personnel Board, in compliance with the applicable rules and regulations of the federal Internal Revenue Service (IRS) for federal employment tax purposes. Under these regulations, the usual common law rules are applicable to determine and require that such worker is an independent contractor and not an employee, requiring evidence of lawful behavioral control, lawful financial control and lawful relationship of the parties. Any state department, agency or institution shall only be authorized to contract for personnel services in compliance with those regulations.

(6) No member of the Public Procurement Review Board shall use his or her official authority or influence to coerce, by threat of discharge from employment, or otherwise,

the purchase of commodities, the contracting for personal or professional services, or the contracting for public construction under this chapter.

(7) Notwithstanding any other laws or rules to the contrary, the provisions of subsection (2) of this section shall not be applicable to the Mississippi State Port Authority at Gulfport.

(8) Nothing in this section shall impair or limit the authority of the Board of Trustees of the Public Employees' Retirement System to enter into any personal or professional services contracts directly related to their constitutional obligation to manage the trust funds, including, but not limited to, actuarial, custodial banks, cash management, investment consultant and investment management contracts.

(9) Notwithstanding the exemption of personal and professional services contracts entered into by the Department of Human Services and personal and professional services contracts entered into by the Department of Child Protection Services from the provisions of this section under subsection (2)(f), before the Department of Human Services or the Department of Child Protection Services may enter into a personal or professional service contract, the department(s) shall give notice of the proposed personal or professional service contract to the Public Procurement Review Board for any recommendations by the board. Upon receipt of the notice, the board shall post the notice on its website and on the procurement portal website established by Sections 25-53-151 and 27-104-165. If the board does not respond to the department(s) within seven (7) calendar days after receiving the notice, the department(s) may enter the proposed personal or professional service contract. If the board responds to the department(s) within seven (7) calendar days, then the board has seven (7) calendar days from the date of its initial response to provide any additional recommendations. After the end of the second seven-day period, the department(s) may enter the proposed personal or professional service contract. The board is not authorized to disapprove any proposed personal or professional services contracts. This subsection shall stand repealed on July 1, 2022.

SECTION 5. This act shall take effect and be in force from and after July 1, 2022, and shall stand repealed on June 30, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:
