27-7-5. (1) (a) Except as otherwise provided in this section, there is hereby assessed and levied, to be collected and paid as hereinafter provided, for the calendar year 1983 and fiscal years ending during the calendar year 1983 and all taxable years thereafter, upon the entire net income of every resident individual, corporation, association, trust or estate, in excess of the credits provided, a tax at the following rates:

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1691: Income tax; revise certain provisions relating pass-through entities.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) (a) For calendar year 2022, and for each calendar year thereafter, any partnership, S corporation or similar pass-through entity may elect to be taxed as an electing pass-through entity and pay the tax imposed under this chapter at the entity level. For the purposes of this section, the term "electing pass-through entity" means a partnership, S corporation or similar pass-through entity that has made an election pursuant to this section.

(b) A partnership, S corporation or similar pass-through entity desiring to be taxed as an electing pass-through entity shall submit the appropriate form to the Department of Revenue at any time during the tax year or on or before the fifteenth day of the third month following the close of that taxable year for which the entity elects to be taxed as an electing pass-through entity. This election shall be binding for that taxable year and all taxable years thereafter and shall not be revoked unless the electing pass-through entity submits the appropriate form to the department at any time during a subsequent taxable year or on or before the fifteenth day of the third month following the close of that taxable year for which the entity elects to no longer be taxed as an electing pass-through entity. Both the election to become an electing pass-through entity and the revocation of that election shall be accomplished by a vote by or written consent of the members of the governing body of the entity as well as a vote by or written consent of the owners, members, partners or shareholders holding greater than fifty percent (50%) percent of the voting control of the entity, within the time prescribed in this subsection.

(c) Each owner, member, partner or shareholder of an electing pass-through entity shall report his or her pro rata or distributive share of the income of the electing pass-through entity but shall not be liable for the tax imposed under this chapter on such pro rata or distributive share of the income of the electing pass-through entity. Each owner, member, partner or shareholder of an electing pass-through entity shall be allowed a credit against the taxes imposed under this chapter in an amount equal to his or her pro rata or distributive share of tax paid by the electing pass-through entity with respect to the corresponding taxable year.

(2) The adjusted basis of the owners, members or partners of an electing pass-through entity in their ownership interests in the electing pass-through entity shall be calculated without regard to the election under this section.

SECTION 2. Section 27-7-25, Mississippi Code of 1972, is amended as follows:

27-7-25. (1) Individuals carrying on businesses in partnerships shall be liable for income tax only in their individual capacity, unless for federal purposes the partnership is taxable as a corporation. If so, then the partnership is also taxable as a corporation for state purposes and is subject to all of the corporate tax laws and regulations. The gross income of an individual partner shall be the gross income the partnership distributed on the same basis as net income or earnings may be distributed. If the preceding exception applies, then the partner will be treated as a shareholder in a corporation.

There shall be included in computing the net income of each partner his distributive share, whether distributed or not, of the net income of the partnership for the taxable year.

The net income of the partnership shall be computed in the same manner and on the same basis as provided for individuals, provided no personal exemption shall be granted and, provided further, that husband and wife partnerships shall not be recognized for the purpose of this article, unless it can be proven that husband and wife have each contributed capital out of their separate estates, and not by gift, from one to the other.

In the case of partnerships, each partner that would otherwise be required to include more than twelve (12) months of income in a single taxable year may elect to include such excess in income in one (1) year or ratably over a period of four (4) taxable years.

In the event the individual partners fail to report and pay the taxes imposed according to this section, then the partnership and the general partners shall be jointly and severally liable for said tax liability and shall be assessed accordingly. However, the partnership and/or general partner shall not be liable if the partnership withholds five percent (5%) of the net gain or profit of the partnership for the tax year and remits the same to the commissioner. Such amounts paid to the commissioner shall be deemed to be payments of estimated tax of the partners and shall be allocated pro rata to the partners' taxpayer accounts. The commissioner may allow, or require, block or composite filing by a partnership, or withholding on a nonresident partner.

Magnetic media reporting may be required in a manner to be determined by the commissioner.

Partnership returns shall be filed in such manner and at such time as prescribed by law.

(2) For a partnership that has made an election under Section 1 of this act to be taxed as an electing pass-through entity, the partnership shall pay income tax as provided for in Section 1 of this act.

SECTION 3. Section 27-8-7, Mississippi Code of 1972, is amended as follows:

27-8-7. (1) An S corporation shall not be subject to the tax imposed by Section 27-7-5; however, for an S corporation that has made an election under Section 1 of this act to be taxed as an electing pass-through entity, the S corporation shall be subject to and pay such tax as provided for in Section 1 of this act.

(2) For purposes of Section 27-7-15, each shareholder's pro rata share of the S corporation's income attributable to the state, and each resident shareholder's pro rata share of the S corporation's income not attributable to the state, shall be taken into account by the shareholder in the manner provided in Section 1366 of the Code.

(3) For purposes of determining the amounts taken into account by the shareholders of an S corporation under subsection (2) of this section, the amount of any

tax imposed on the S corporation under the Code shall not reduce the S corporation's income attributable to the state and income not attributable to the state.

SECTION 4. Section 1 of this act shall be codified as a new section in Chapter 7, Title 27, Mississippi Code of 1972.

SECTION 5. This act shall take effect and be in force from and after January 1, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO ALLOW PARTNERSHIPS, S CORPORATIONS OR SIMILAR PASS-THROUGH ENTITIES TO ELECT TO BE TAXED AS AN ELECTING PASS-THROUGH ENTITIES FOR STATE INCOME TAX PURPOSES AND PAY INCOME TAX AT THE ENTITY LEVEL; TO PROVIDE THE MANNER BY WHICH A PARTNERSHIP, S CORPORATION OR SIMILAR PASS-THROUGH ENTITY MAY ELECT TO BE TAXED AS AN ELECTING PASS-THROUGH ENTITY; TO PROVIDE THAT EACH OWNER, MEMBER, PARTNER OR SHAREHOLDER OF AN ELECTING PASS-THROUGH ENTITY SHALL REPORT HIS OR HER PRO RATA OR DISTRIBUTIVE SHARE OF THE INCOME OF THE ELECTING PASS-THROUGH ENTITY BUT SHALL NOT BE LIABLE FOR INCOME TAX IMPOSED ON SUCH PRO RATA OR DISTRIBUTIVE SHARE; TO PROVIDE THAT EACH OWNER, MEMBER, PARTNER OR SHAREHOLDER OF AN ELECTING PASS-THROUGH ENTITY SHALL BE ALLOWED A CREDIT AGAINST INCOME TAXES IN AN AMOUNT EQUAL TO HIS OR HER PRO RATA OR DISTRIBUTIVE SHARE OF INCOME TAX PAID BY THE ELECTING PASS-THROUGH ENTITY WITH RESPECT TO THE CORRESPONDING TAXABLE YEAR; TO AMEND SECTION 27-7-25, MISSISSIPPI CODE OF 1972, TO CONFORM TO THE PROVISIONS OF THIS ACT; AND FOR RELATED PURPOSES.

The portion of the additional fee retained by the tax collector shall be deposited into the county general fund.

(3) Any person applying for a distinctive license tag under this section shall pay an additional fee in the amount of Fifty Dollars (\$50.00) for each distinctive license tag applied for under this section, which shall be in addition to all other taxes and fees. The additional fee paid shall be for a period of time to run concurrently with the vehicle's established license tag year. The additional fee is due and payable at the time the original application is made for a distinctive license tag under this section and thereafter annually at the time of renewal registration as long as the owner retains the distinctive license tag. If the owner does not wish to retain the distinctive license tag, he must surrender it to the local county tax collector.

(4) The Department of Revenue shall deposit all fees into the State Treasury on the day collected. At the end of each month, the Department of Revenue shall certify to the State Treasurer the total fees collected under this section from the issuance of the distinctive license tags issued under this section. (5) A regular license tag must be properly displayed as required by law until replaced by a distinctive license tag under this section. The regular license tag must be surrendered to the tax collector upon issuance of the distinctive license tag under this section. The tax collector shall issue up to two (2) license decals for each distinctive license tag issued under this section, which will expire the same month and year as the regular license tag.

(6) In the case of loss or theft of a distinctive license tag issued under this section, the owner may make application and affidavit for a replacement distinctive license tag as provided by Section 27-19-37. The fee for a replacement distinctive license tag shall be Ten Dollars (\$10.00). The tax collector receiving such application and affidavit shall be entitled to retain and deposit into the county general fund five percent (5%) of the fee for such replacement license tag, and the remainder shall be distributed in the same manner as funds from the sale of regular distinctive license tags issued under this section.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2770: Income tax; extend repealer on job tax credit for certain water transportation enterprises.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 27-7-22.40, Mississippi Code of 1972, is amended as follows:

27-7-22.40. (1) The following words and phrases shall have the meanings ascribed in this section unless the context clearly indicates:

(a) "Water transportation enterprise" means an enterprise or establishment primarily engaged in providing inland water transportation of cargo on lakes, rivers and/or intracoastal waterways, except on the Great Lakes System.

(b) "Mississippi full-time job" means a job created in the State of Mississippi on or after January 1, 2019, and filled by a Mississippi resident who works at least thirty-five (35) hours per week.

(2) Subject to the provisions of this section, any water transportation enterprise is allowed a job tax credit for taxes imposed by this chapter equal to Two Thousand Dollars (\$2,000.00) annually for each Mississippi full-time job created for a period of five (5) years from the date the credit commences. A water transportation enterprise may not claim a tax credit for the reemployment of a person whose employment with the enterprise is terminated by the enterprise if the reemployment by the enterprise occurs within twelve (12) months from the date of the termination. The credit shall commence on the date selected by the enterprise. For the year in which the commencement date occurs, the credit will be determined based on the monthly average number of full-time employees employed by the water transportation enterprise in Mississippi full-time jobs subject to the Mississippi income tax withholding. For each year thereafter, the number of Mississippi full-time jobs shall be determined by comparing the monthly average number of full-time employees employed at the water transportation enterprise in Mississippi full-time jobs subject to the Mississippi income tax withholding for the taxable year with the corresponding period of the prior taxable year. The Department of Revenue shall adjust the credit allowed each year for employment fluctuations.

(3) The credit that may be used each year shall be limited to an amount not greater than the total state income tax liability of the water transportation enterprise. Any tax credit claimed under this section but not used in any taxable year may be carried forward for five (5) consecutive years from the close of the tax year in which the credits were earned.

(4) \* \* \* The sale, merger, acquisition, reorganization, bankruptcy or relocation from one (1) county to another county within the state of any water transportation enterprise may not create new eligibility in any succeeding business entity, but any unused job tax credit may be transferred and continued by any transferee of the water transportation enterprise. The Department of Revenue shall determine whether or not qualifying net increases or decreases have occurred or proper transfers of credit have been made and may require reports, promulgate regulations, and hold hearings as needed for substantiation and qualification.

(5) The credits allowed under this section shall not be used by any business enterprise or corporation other than the water transportation enterprise actually qualifying for the credits.

(6) The maximum aggregate amount of tax credits that may be claimed by all taxpayers claiming a credit under this section in a taxable year shall not exceed Two Million Dollars (\$2,000,000.00).

(7) Any water transportation enterprise that is eligible for the credit authorized in this section before January 1, \* \* \* 2026, shall be eligible for the credit authorized in this section, notwithstanding the repeal of this section, and shall be allowed to carry forward the credit after January 1, \* \* \* 2026, as provided for in subsection (3) of this section.

(8) This section shall be repealed from and after January 1, \* \* \* 2026.

SECTION 2. This act shall take effect and be in force from and after July 1, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 27-7-22.40, MISSISSIPPI CODE OF 1972, WHICH AUTHORIZES AN INCOME TAX JOB CREDIT FOR ENTERPRISES THAT ARE PRIMARILY ENGAGED IN PROVIDING INLAND WATER TRANSPORTATION OF CARGO ON LAKES, RIVERS AND INTRACOASTAL WATERWAYS FOR EACH FULL-TIME EMPLOYEE EMPLOYED BY THE ENTERPRISE IN A MISSISSIPPI FULL-TIME JOB, TO EXTEND THE REPEALER ON THE CREDIT; AND FOR RELATED PURPOSES.

## REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1408: Sheriffs' salaries; increase.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 25-3-25, Mississippi Code of 1972, is amended as follows:

25-3-25. (1) Except as otherwise provided in subsections (2) through (9), the salaries of sheriffs of the various counties are fixed as full compensation for their services.

The annual salary for each sheriff shall be based upon the total population of his county according to the latest federal decennial census in the following categories and for the following amounts; however, no sheriff shall be paid less than the salary authorized under this section to be paid the sheriff based upon the population of the county according to the most recent federal decennial census:

(a) For counties with a total population of more than one hundred thousand (100,000), a salary of \* \* \* One Hundred Four Thousand Dollars (\$104,000.00).

(b) For counties with a total population of more than forty-five thousand (45,000) and not more than one hundred thousand (100,000), a salary of \* \* \* Ninety-five Thousand Dollars (\$95,000.00).

(c) For counties with a total population of more than thirty-four thousand (34,000) and not more than forty-five thousand (45,000), a salary of \* \* \* Ninety Thousand Dollars (\$90,000.00).

(d) For counties with a total population of more than fifteen thousand (15,000) and not more than thirty-four thousand (34,000), a salary of \* \* \* Eighty-five Thousand Dollars (\$85,000.00).

(e) For counties with a total population of not more than fifteen thousand (15,000), a salary of \* \* \* Eighty Thousand Dollars (\$80,000.00).

(2) In addition to the salary provided for in subsection (1) of this section, the Board of Supervisors of Leflore County, in its discretion, may pay an annual supplement to the sheriff of the county in an amount not to exceed Ten Thousand Dollars (\$10,000.00). The Legislature finds and declares that the annual supplement authorized by this subsection is justified in such county for the following reasons:

(a) The Mississippi Department of Corrections operates and maintains a restitution center within the county;

(b) The Mississippi Department of Corrections operates and maintains a community work center within the county;

(c) There is a resident circuit court judge in the county whose office is located at the Leflore County Courthouse;

(d) There is a resident chancery court judge in the county whose office is located at the Leflore County Courthouse;

(e) The Magistrate for the Fourth Circuit Court District is located in the county and maintains his office at the Leflore County Courthouse;

(f) The Region VI Mental Health-Mental Retardation Center, which serves a multicounty area, calls upon the sheriff to provide security for out-of-town mental patients, as well as patients from within the county;

(g) The increased activity of the Child Support Division of the Department of Human Services in enforcing in the courts parental obligations has imposed additional duties on the sheriff; and

(h) The dispatchers of the enhanced E-911 system in place in Leflore County have been placed under the direction and control of the sheriff.

(3) In addition to the salary provided for in subsection (1) of this section, the Board of Supervisors of Rankin County, in its discretion, may pay an annual supplement to the sheriff of the county in an amount not to exceed Ten Thousand Dollars (\$10,000.00). The Legislature finds and declares that the annual supplement authorized by this subsection is justified in such county for the following reasons:

(a) The Mississippi Department of Corrections operates and maintains the Central Mississippi Correctional Facility within the county;

(b) The State Hospital is operated and maintained within the county at Whitfield;

(c) Hudspeth Regional Center, a facility maintained for the care and treatment of persons with an intellectual disability, is located within the county;

(d) The Mississippi Law Enforcement Officers Training Academy is operated and maintained within the county;

(e) The State Fire Academy is operated and maintained within the county;

(f) The Pearl River Valley Water Supply District, ordinarily known as the "Reservoir District," is located within the county;

(g) The Jackson-Medgar Wiley Evers International Airport is located within the county;

(h) The patrolling of the state properties located within the county has imposed additional duties on the sheriff; and

(i) The sheriff, in addition to providing security to the nearly one hundred thousand (100,000) residents of the county, has the duty to investigate, solve and assist in the prosecution of any misdemeanor or felony committed upon any state property located in Rankin County.

(4) In addition to the salary provided for in subsection (1) of this section, the Board of Supervisors of Neshoba County shall pay an annual supplement to the sheriff of the county an amount equal to Ten Thousand Dollars (\$10,000.00).

(5) In addition to the salary provided for in subsection (1) of this section, the Board of Supervisors of Tunica County, in its discretion, may pay an annual supplement to the sheriff of the county an amount equal to Ten Thousand Dollars (\$10,000.00), payable beginning April 1, 1997.

(6) In addition to the salary provided for in subsection (1) of this section, the Board of Supervisors of Hinds County shall pay an annual supplement to the sheriff of the county in an amount equal to Fifteen Thousand Dollars (\$15,000.00). The Legislature finds and declares that the annual supplement authorized by this subsection is justified in such county for the following reasons:

(a) Hinds County has the greatest population of any county, two hundred fifty-four thousand four hundred forty-one (254,441) by the 1990 census, being almost one hundred thousand (100,000) more than the next most populous county;

(b) Hinds County is home to the State Capitol and the seat of all state government offices;

(c) Hinds County is the third largest county in geographic area, containing eight hundred seventy-five (875) square miles;

(d) Hinds County is comprised of two (2) judicial districts, each having a courthouse and county office buildings;

(e) There are four (4) resident circuit judges, four (4) resident chancery judges, and three (3) resident county judges in Hinds County, the most of any county, with the sheriff acting as chief executive officer and provider of bailiff services for all;

(f) The main offices for the clerk and most of the judges and magistrates for the United States District Court for the Southern District of Mississippi are located within the county;

(g) The state's only urban university, Jackson State University, is located within the county;

(h) The University of Mississippi Medical Center, combining the medical school, dental school, nursing school and hospital, is located within the county;

(i) Mississippi Veterans Memorial Stadium, the state's largest sports arena, is located within the county;

(j) The Mississippi State Fairgrounds, including the Coliseum and Trade Mart, are located within the county;

(k) Hinds County has the largest criminal population in the state, such that the Hinds County Sheriff's Department operates the largest county jail system in the state, housing almost one thousand (1,000) inmates in three (3) separate detention facilities;

(l) The Hinds County Sheriff's Department handles more mental and drug and alcohol commitment cases than any other sheriff's department in the state;

(m) The Mississippi Department of Corrections maintains a restitution center within the county;

(n) The Mississippi Department of Corrections regularly houses as many as one hundred (100) state convicts within the Hinds County jail system; and

(o) The Hinds County Sheriff's Department is regularly asked to provide security services not only at the Fairgrounds and Memorial Stadium, but also for events at the Mississippi Museum of Art and Jackson City Auditorium.

(7) In addition to the salary provided for in subsection (1) of this section, the Board of Supervisors of Wilkinson County, in its discretion, may pay an annual supplement to the sheriff of the county in an amount not to exceed Ten Thousand Dollars (\$10,000.00). The Legislature finds and declares that the annual supplement authorized by this subsection is justified in such county because the Mississippi Department of Corrections contracts for the private incarceration of state inmates at a private correctional facility within the county.

(8) In addition to the salary provided for in subsection (1) of this section, the Board of Supervisors of Marshall County, in its discretion, may pay an annual supplement to the sheriff of the county in an amount not to exceed Ten Thousand Dollars (\$10,000.00). The Legislature finds and declares that the annual supplement authorized by this subsection

is justified in such county because the Mississippi Department of Corrections contracts for the private incarceration of state inmates at a private correctional facility within the county.

(9) In addition to the salary provided in subsection (1) of this section, the Board of Supervisors of Greene County, in its discretion, may pay an annual supplement to the sheriff of the county in an amount not to exceed Ten Thousand Dollars (\$10,000.00). The Legislature finds and declares that the annual supplement authorized by this subsection is justified in such county for the following reasons:

(a) The Mississippi Department of Corrections operates and maintains the South Mississippi Correctional Facility within the county;

(b) In 1996, additional facilities to house another one thousand four hundred sixteen (1,416) male offenders were constructed at the South Mississippi Correctional Facility within the county; and

(c) The patrolling of the state properties located within the county has imposed additional duties on the sheriff justifying additional compensation.

(10) In addition to the salary provided in subsection (1) of this section, the board of supervisors of any county, in its discretion, may pay an annual supplement to the sheriff of the county in an amount not to exceed Ten Thousand Dollars (\$10,000.00). The amount of the supplement shall be spread on the minutes of the board. The annual supplement authorized in this subsection shall not be in addition to the annual supplements authorized in subsections (2) through (9).

(11) In addition to the salary provided in subsection (1) and the supplements authorized in subsections (2) through (10), the board of supervisors of any county, in its discretion, may pay an annual supplement in an amount not to exceed Five Thousand Dollars (\$5,000.00) to the sheriff of any county in which a juvenile detention center is located. The amount of the supplement shall be spread on the minutes of the board.

( \*\* \*12) (a) The salaries provided in this section shall be payable monthly on the first day of each calendar month by chancery clerk's warrant drawn on the general fund of the county; however, the board of supervisors, by resolution duly adopted and entered on its minutes, may provide that such salaries shall be paid semimonthly on the first and fifteenth day of each month. (iii) In the event that the annual number of full-time jobs maintained by the enterprise falls below the minimum annual number of full-time jobs required by the authority pursuant to a written agreement between the authority and the enterprise for two (2) consecutive years, the franchise tax fee-in-lieu for the project shall be suspended until the first tax year during which the annual number of full-time jobs maintained by the enterprise reaches the minimum annual number of full-time jobs required by the authority pursuant to a written agreement between the authority and the enterprise.

(iv) The enterprise shall be entitled to utilize a single sales apportionment factor in the calculation of its liability for franchise tax imposed by this chapter which is attributable to the project for any year for which it files a Mississippi franchise tax return. The enterprise shall be entitled to continue to utilize such single sales apportionment factor notwithstanding a suspension of the franchise tax fee-in-lieu pursuant to subparagraph (iii) of this paragraph.

(4) An approved business enterprise as defined in the Growth and Prosperity Act shall not be subject to the tax levied by this section on the value of capital used, invested or employed by the approved business enterprise in a growth and prosperity county or supervisors district as provided in the Growth and Prosperity Act.

(5) A business enterprise operating a project as defined in Section 57-64-33, in a county that is a member of a regional economic development alliance created under the Regional Economic Development Act shall not be subject to the tax levied by this section on the value of capital used, invested or employed by the business enterprise in such a county as provided in Section 57-64-33.

(6) The tax levied by this chapter and paid by a business enterprise located in a redevelopment project area under Sections 57-91-1 through 57-91-11 shall be deposited into the Redevelopment Project Incentive Fund created in Section 57-91-9.

(7) A business enterprise as defined in Section 57-113-1 or 57-113-21 that is exempt from certain state taxes under Section 57-113-5 or 57-113-25 shall not be subject to the tax levied by this section on the value of capital used, invested or employed by the business enterprise.

(8) A taxpayer who is eligible to apply as a credit against the tax levied by this chapter a tax credit awarded by the Mississippi Development Authority in accordance with the Mississippi Flexible Tax Incentive Act may apply the tax credit in the amount available for such purpose, or such lesser amount determined by the taxpayer, pursuant to the Mississippi Flexible Tax Incentive Act. The credit applied for a tax-reporting period shall be reflected on the form of the return in the manner prescribed by the commissioner.

SECTION 15. Section 27-65-93, Mississippi Code of 1972, is amended as follows:

27-65-93. (1) The commissioner shall, from time to time, promulgate rules and regulations, not inconsistent with the provisions of the sales tax law, for making returns and for the ascertainment, assessment and collection of the tax imposed by the sales tax law as he may deem necessary to enforce its provisions; and, upon request, he shall furnish any taxpayer with a copy of the rules and regulations.

(2) All forms, necessary for the enforcement of the sales tax law, shall be prescribed, printed and furnished by the commissioner.

(3) The commissioner may adopt rules and regulations providing for the issuance of permits to manufacturers, utilities, construction contractors, companies receiving bond financing through the Mississippi Business Finance Corporation or the Mississippi Development Authority, and other taxpayers as determined by the commissioner, and the commissioner shall adopt rules and regulations providing for the issuance of a permit to any qualified business or industry, which is certified as such by the Mississippi Development Authority pursuant to the Mississippi Flexible Tax Incentive Act and awarded any mFlex tax incentive amount for such qualified business's or industry's qualified economic development project, certified as such by the Mississippi Development Authority pursuant to the Mississippi Flexible Tax Incentive Act, to purchase tangible personal property taxed under Section 27-65-17, items taxed under Section 27-65-18, items taxed under Section 27-65-19, services taxed under Section 27-65-23, items taxed under Section 27-65-24, and items taxed under Section 27-65-26 without the payment to the vendor of the tax imposed by the sales and use tax laws, and providing for persons to

report and pay the tax directly to the commissioner in instances where the commissioner determines that these provisions will facilitate and expedite the collection of the tax at the proper rates which may be due on purchases by the permittee. Under the provisions of this chapter, the vendor is relieved of collecting and remitting the taxes specified hereunder and the person holding the permit shall become liable for such taxes instead of the seller. The full enforcement provisions of the sales tax law shall apply in the collection of the tax from the permittee.

SECTION 16. Section 27-67-17, Mississippi Code of 1972, is amended as follows:

27-67-17. (1) Except as otherwise provided in this section, the commissioner shall collect the tax imposed by this article, and every person subject to its provisions shall remit to the commissioner, on or before the twentieth day of each month, the amount of tax due by such person for the preceding calendar month. Returns and payments placed in the mail must be postmarked by the due date in order to be timely filed, except that when the due date falls on a weekend or holiday, returns and payments placed in the mail must be postmarked by the first working day following the due date in order to be considered timely filed. Every taxpayer shall file a return with his remittance, which return shall be prescribed by the commissioner and shall show for the calendar month preceding the tax payment date, the total sale or purchase price, or value of tangible personal property or specified digital products sold, used, stored or consumed by him for benefit received or service performed, and such other information as the commissioner may deem pertinent and necessary for determining the amount of tax due thereunder.

(2) The commissioner, in his discretion, may authorize in writing the filing of returns and the payment of tax on a quarterly basis by any person required or authorized to pay the tax imposed, such authority to be subject to revocation for good cause by the commissioner.

(3) In instances where it is impractical to file returns and pay the tax monthly or quarterly, the commissioner may authorize the filing of semiannual or annual returns.

(4) The commissioner, in his discretion, may authorize the computation of the tax on the basis of a formula in lieu of direct accounting of specific properties in instances where such method will expedite, simplify or provide a more equitable means of determining liability under this article. All formulas shall be subject to revocation for good cause by the commissioner.

(5) A taxpayer who is eligible to apply as a credit against the tax levied by this chapter a tax credit awarded by the Mississippi Development Authority in accordance with the Mississippi Flexible Tax Incentive Act may apply the tax credit in the amount available for such purpose, or such lesser amount determined by the taxpayer, pursuant to the Mississippi Flexible Tax Incentive Act. The credit applied for a tax-reporting period shall be reflected on the form of the return in the manner prescribed by the commissioner.

SECTION 17. Section 57-1-14, Mississippi Code of 1972, is amended as follows:

57-1-14. (1) Except as otherwise provided in subsection (3) of this section, any records of the Mississippi Development Authority which contain client information concerning development projects shall be exempt from the provisions of the Mississippi Public Records Act of 1983 for a period of two (2) years after receipt of the information by the department. Confidential client information as described in this section shall not include the information which must be disclosed by the certified applicant related to a qualified economic development project in the annual report described in Section 57-1-759.

(2) Except as otherwise provided in subsection (3) of this section, confidential client information in public records held by the department shall be exempt from the provisions of the Mississippi Public Records Act of 1983 during the period of review and negotiation

on a project proposal and for a period of thirty (30) days after approval, disapproval or abandonment of the proposal not to exceed one (1) year by the department in writing.

(3) Any breakouts or subcategories of the total qualified investment amounts reported pursuant to Sections 3(d), 7(2)(a) and 7(2)(b) of this act, and information reported pursuant to Sections 3(g), 3(h), 3(j), 7(2)(f), 7(2)(g), 7(2)(h) and 7(2)(i) of this act shall not be subject to any disclosure under the Mississippi Public Records Act of 1983. In addition, any information and documentation, including without limitation, copies of any certifications, together with any amendments thereto, made by the Mississippi Development Authority, and copies of any mFlex agreements, together with any amendments thereto, approved and executed by the Mississippi Development Authority, pursuant to the Mississippi Flexible Tax Incentive Act, which are (a) provided by the authority to the Governor, Lieutenant Governor and/or Speaker of the House of Representatives pursuant to Section 4(7) or Section 7(11) of this act; (b) provided by the authority to the University Research Center division of the Mississippi Institutions of Higher Learning pursuant to Section 8(5) of this act; and (c) provided by the University Research Center division of the Mississippi Institutions of Higher Learning to the Governor, Lieutenant Governor, Speaker of the House of Representatives and/or the authority, shall not be subject to any disclosure under the Mississippi Public Records Act of 1983.

SECTION 18. Section 27-7-22, Mississippi Code of 1972, is amended as follows:

27-7-22. (1) For any qualified business, as defined in Section 57-51-5, which is located in a county, or portion thereof, designated as an enterprise zone pursuant to Title 57, Chapter 51, Mississippi Code of 1972, there shall be allowed as a credit against the tax imposed by this chapter, an amount equal to One Thousand Dollars (\$1,000.00) per net full-time employee as determined by the average annual employment of the business reported to the Employment Security Commission. Such credit shall be allowed annually to each qualified business for a period not to exceed ten (10) years. If the amount allowable as a credit exceeds the tax imposed by this chapter, the amount of such excess shall not be refundable or carried forward to any other taxable year.

For the purpose of determining the credit allowed to a qualified business which is an existing trade or business having expanded its buildings and facilities, the number of net full-time employees shall be the difference between the average annual employment of such business before and after such expansion.

If the Mississippi Enterprise Zone Act is repealed, any qualified business which had been granted a tax credit under this subsection prior to the date of such repeal shall be entitled to such tax credit until the period for which it was granted expires.

(2) For any qualified business, as defined in Section 57-54-5, there shall be allowed as a credit against the tax imposed by this chapter, an amount equal to One Thousand Dollars (\$1,000.00) per net full-time employee as determined by the average annual employment of the business reported to the Employment Security Commission. Such credit shall be allowed annually to each qualified business for a period not to exceed ten (10) years. If the amount allowable as a credit exceeds the tax imposed by this chapter, the amount of such excess shall not be refundable or carried forward to any other taxable year.

For the purpose of determining the credit allowed to a qualified business which is an existing trade or business having expanded its buildings and facilities, the number of net full-time employees shall be the difference between the average annual employment of such business before and after such expansion.

If the Mississippi Advanced Technology Initiative Act is repealed, any qualified business which had been granted a tax credit under this subsection prior to the date of

such repeal shall be entitled to such tax credit until the period for which it was granted expires.

(3) For any qualified company, certified as such by the Mississippi Board of Economic Development under Section 57-53-1, there shall be allowed as a credit against the tax imposed by this chapter, an amount equal to One Thousand Dollars (\$1,000.00) per net full-time employee in this state, provided there is a minimum of seventy-five (75) net full-time employees, as determined by the average annual employment of the company in this state reported to the Employment Security Commission. Such credit shall be allowed annually to each qualified company for a period not to exceed ten (10) years. If the amount allowable as a credit exceeds the tax imposed by this chapter, the amount of such excess shall not be refundable or carried forward to any other taxable year.

For the purpose of determining the credit allowed to a qualified company which has expanded its existing buildings and facilities, the number of net full-time employees shall be the difference between the average annual employment of such company before and after such expansion.

(4) For any qualified business or industry which is certified as such by the Mississippi Board of Economic Development pursuant to the Mississippi Flexible Tax Incentive Act and awarded any mFlex tax incentive amount for such qualified business's or industry's qualified economic development project, there shall be allowed as a credit against the tax imposed by this chapter, an amount prescribed by, and subject to, the Mississippi Flexible Tax Incentive Act.

SECTION 19. From and after January 1, 2023, if the amount of any mFlex tax incentive or other incentive that a qualified business or other entity is eligible to receive under the Mississippi Flexible Tax Incentive Act is less than the amount of the mFlex tax incentive or other incentive that the qualified business or other entity would have been eligible to receive or to use if the mFlex tax incentive or other incentive had been calculated using any applicable income tax rates in Section 27-7-5, Mississippi Code of 1972, that were in effect before January 1, 2023, then the qualified business or other entity shall receive a grant from the Mississippi Development Authority equal to the difference between such two amounts.

SECTION 20. Section 57-62-9, Mississippi Code of 1972, is amended as follows:

[For businesses or industries that received or applied for incentive payments prior to July 1, 2005, this section shall read as follows:]

57-62-9. (1) Except as otherwise provided in this section, a qualified business or industry that meets the qualifications specified in this chapter may receive quarterly incentive payments for a period not to exceed ten (10) years from the Department of Revenue pursuant to the provisions of this chapter in an amount which shall be equal to the net benefit rate multiplied by the actual gross payroll of new direct jobs for a calendar quarter as verified by the Mississippi Department of Employment Security, but not to exceed the amount of money previously paid into the fund by the employer. A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)1 may elect the date upon which the ten-year period will begin. Such date may not be later than sixty (60) months after the date the business or industry applied for incentive payments.

(2) (a) A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)1 may apply to the MDA to receive incentive payments for an additional period not to exceed five (5) years beyond the expiration date of the initial ten-year period if:

(i) The qualified business or industry creates at least three thousand (3,000) new direct jobs within five (5) years after the date the business or industry commences commercial production;

(ii) Within five (5) years after the date the business or industry commences commercial production, the average annual wage of the jobs is at least one hundred fifty percent (150%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser. The criteria for the average annual wage requirement shall be based upon the state average annual wage or the average annual wage of the county whichever is appropriate, at the time of creation of the minimum number of jobs, and the threshold established at that time will remain constant for the duration of the additional period; and

(iii) The qualified business or industry meets and maintains the job and wage requirements of subparagraphs (i) and (ii) of this paragraph (a) for four (4) consecutive calendar quarters.

(b) A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)<sup>1</sup> and qualified to receive incentive payments for the additional period provided in paragraph (a) of this subsection (2) may apply to the MDA to receive incentive payments for an additional period not to exceed ten (10) years beyond the expiration date of the additional period provided in paragraph (a) of this subsection (2) if:

(i) The qualified business or industry creates at least four thousand (4,000) new direct jobs after qualifying for the additional incentive period provided in paragraph (a) of this subsection (2) but before the expiration of the additional period. For purposes of determining whether the business or industry meets the minimum jobs requirement of this subparagraph (i), the number of jobs the business or industry created in order to meet the minimum jobs requirement of paragraph (a) of this subsection (2) shall be subtracted from the minimum jobs requirement of this subparagraph (i);

(ii) The average annual wage of the jobs is at least one hundred fifty percent (150%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser. The criteria for the average annual wage requirement shall be based upon the state average annual wage or the average annual wage of the county whichever is appropriate, at the time of creation of the minimum number of jobs, and the threshold established at that time will remain constant for the duration of the additional period; and

(iii) The qualified business or industry meets and maintains the job and wage requirements of subparagraphs (i) and (ii) of this paragraph (b) for four (4) consecutive calendar quarters.

(3) In order to receive incentive payments, an establishment shall apply to the MDA. The application shall be on a form prescribed by the MDA and shall contain such information as may be required by the MDA to determine if the applicant is qualified.

(4) In order to qualify to receive such payments, the establishment applying shall be required to:

(a) Be engaged in a qualified business or industry;

(b) Provide an average salary, excluding benefits which are not subject to Mississippi income taxes, of at least one hundred twenty-five percent (125%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser. The criteria for this requirement shall be based upon the state average annual

wage or the average annual wage of the county whichever is appropriate, at the time of application, and the threshold established upon application will remain constant for the duration of the project;

(c) The business or industry must create and maintain a minimum of ten (10) full-time jobs in counties that have an average unemployment rate over the previous twelve-month period which is at least one hundred fifty percent (150%) of the most recently published state unemployment rate, as determined by the Mississippi Department of Employment Security or in Tier Three counties as determined under Section 57-73-21. In all other counties, the business or industry must create and maintain a minimum of twenty-five (25) full-time jobs. The criteria for this requirement shall be based on the designation of the county at the time of the application. The threshold established upon the application will remain constant for the duration of the project. The business or industry must meet its job creation commitment within twenty-four (24) months of the application approval. However, if the qualified business or industry is applying for incentive payments for an additional period under subsection (2) of this section, the business or industry must comply with the applicable job and wage requirements of subsection (2) of this section.

(5) The MDA shall determine if the applicant is qualified to receive incentive payments. If the applicant is determined to be qualified by the MDA, the MDA shall conduct a cost/benefit analysis to determine the estimated net direct state benefits and the net benefit rate applicable for a period not to exceed ten (10) years and to estimate the amount of gross payroll for the period. If the applicant is determined to be qualified to receive incentive payments for an additional period under subsection (2) of this section, the MDA shall conduct a cost/benefit analysis to determine the estimated net direct state benefits and the net benefit rate applicable for the appropriate additional period and to estimate the amount of gross payroll for the additional period. In conducting such cost/benefit analysis, the MDA shall consider quantitative factors, such as the anticipated level of new tax revenues to the state along with the cost to the state of the qualified business or industry, and such other criteria as deemed appropriate by the MDA, including the adequacy of retirement benefits that the business or industry provides to individuals it employs in new direct jobs in this state. In no event shall incentive payments, cumulatively, exceed the estimated net direct state benefits. Once the qualified business or industry is approved by the MDA, an agreement shall be deemed to exist between the qualified business or industry and the State of Mississippi, requiring the continued incentive payment, together with any amount due pursuant to subsection (8) of this section, if applicable, to be made as long as the qualified business or industry retains its eligibility.

(6) Upon approval of such an application, the MDA shall notify the Department of Revenue and shall provide it with a copy of the approved application and the estimated net direct state benefits. The Department of Revenue may require the qualified business or industry to submit such additional information as may be necessary to administer the provisions of this chapter. The qualified business or industry shall report to the Department of Revenue periodically to show its continued eligibility for incentive payments. The qualified business or industry may be audited by the Department of Revenue to verify such eligibility. In addition, the State Auditor may conduct performance and compliance audits under this chapter according to Section 7-7-211(o) and may bill the oversight agency.

(7) If the qualified business or industry is located in an area that has been declared by the Governor to be a disaster area and as a result of the disaster the business or industry is unable to create or maintain the full-time jobs required by this section:

(a) The Commissioner of Revenue may extend the period of time that the business or industry may receive incentive payments for a period of time not to exceed two (2) years;

(b) The Commissioner of Revenue may waive the requirement that a certain number of jobs be maintained for a period of time not to exceed twenty-four (24) months; and

(c) The MDA may extend the period of time within which the jobs must be created for a period of time not to exceed twenty-four (24) months.

(8) Notwithstanding any other provision of this section to the contrary, from and after January 1, 2023, if the amount of the incentive payment that a qualified business or industry is eligible to receive under this chapter is less than the amount that the incentive payment would have been if the payment had been calculated using any applicable income tax rates in Section 27-7-5 that were in effect before January 1, 2023, then the qualified business or industry also shall receive a grant equal to the difference between such two (2) amounts. Further, the term "incentive payment," as such term is used in this chapter shall be deemed to not refer to or otherwise include any grant payment payable to a qualified business or industry pursuant to this subsection.

[For businesses or industries that received or applied for incentive payments from and after July 1, 2005, but prior to July 1, 2010, this section shall read as follows:]

57-62-9. (1) (a) Except as otherwise provided in this section, a qualified business or industry that meets the qualifications specified in this chapter may receive quarterly incentive payments for a period not to exceed ten (10) years from the Department of Revenue pursuant to the provisions of this chapter in an amount which shall be equal to the net benefit rate multiplied by the actual gross payroll of new direct jobs for a calendar quarter as verified by the Mississippi Department of Employment Security, but not to exceed:

(i) Ninety percent (90%) of the amount of money previously paid into the fund by the employer if the employer provides an average annual salary, excluding benefits which are not subject to Mississippi income taxes, of at least one hundred seventy-five percent (175%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser;

(ii) Eighty percent (80%) of the amount of money previously paid into the fund by the employer if the employer provides an average annual salary, excluding benefits which are not subject to Mississippi income taxes, of at least one hundred twenty-five percent (125%) but less than one hundred seventy-five percent (175%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser; or

(iii) Seventy percent (70%) of the amount of money previously paid into the fund by the employer if the employer provides an average annual salary, excluding benefits which are not subject to Mississippi income taxes, of less than one hundred twenty-five percent (125%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser.

(b) A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)1 may elect the date upon which the ten-year period will begin. Such date may not be later than sixty (60) months after the date the business or industry applied for incentive payments.

(2) (a) A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)1 may apply to the MDA to receive incentive payments for an additional period not to exceed five (5) years beyond the expiration date of the initial ten-year period if:

(i) The qualified business or industry creates at least three thousand (3,000) new direct jobs within five (5) years after the date the business or industry commences commercial production;

(ii) Within five (5) years after the date the business or industry commences commercial production, the average annual wage of the jobs is at least one hundred fifty percent (150%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser. The criteria for the average annual wage requirement shall be based upon the state average annual wage or the average annual wage of the county whichever is appropriate, at the time of creation of the minimum number of jobs, and the threshold established at that time will remain constant for the duration of the additional period; and

(iii) The qualified business or industry meets and maintains the job and wage requirements of subparagraphs (i) and (ii) of this paragraph (a) for four (4) consecutive calendar quarters.

(b) A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)1 and qualified to receive incentive payments for the additional period provided in paragraph (a) of this subsection (2) may apply to the MDA to receive incentive payments for an additional period not to exceed ten (10) years beyond the expiration date of the additional period provided in paragraph (a) of this subsection (2) if:

(i) The qualified business or industry creates at least four thousand (4,000) new direct jobs after qualifying for the additional incentive period provided in paragraph (a) of this subsection (2) but before the expiration of the additional period. For purposes of determining whether the business or industry meets the minimum jobs requirement of this subparagraph (i), the number of jobs the business or industry created in order to meet the minimum jobs requirement of paragraph (a) of this subsection (2) shall be subtracted from the minimum jobs requirement of this subparagraph (i);

(ii) The average annual wage of the jobs is at least one hundred fifty percent (150%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser. The criteria for the average annual wage requirement shall be based upon the state average annual wage or the average annual wage of the county whichever is appropriate, at the time of creation of the minimum number of jobs, and the threshold established at that time will remain constant for the duration of the additional period; and

(iii) The qualified business or industry meets and maintains the job and wage requirements of subparagraphs (i) and (ii) of this paragraph (b) for four (4) consecutive calendar quarters.

(3) In order to receive incentive payments, an establishment shall apply to the MDA. The application shall be on a form prescribed by the MDA and shall contain such information as may be required by the MDA to determine if the applicant is qualified.

(4) (a) In order to qualify to receive such payments, the establishment applying shall be required to meet the definition of the term "qualified business or industry";

(b) The criteria for the average annual salary requirement shall be based upon the state average annual wage or the average annual wage of the county whichever is appropriate, at the time of application, and the threshold established upon application will remain constant for the duration of the project;

(c) The business or industry must meet its job creation commitment within twenty-four (24) months of the application approval. However, if the qualified business or industry is applying for incentive payments for an additional period under subsection (2) of this section, the business or industry must comply with the applicable job and wage requirements of subsection (2) of this section.

(5) (a) The MDA shall determine if the applicant is qualified to receive incentive payments.

(b) If the applicant is determined to be qualified to receive incentive payments for an additional period under subsection (2) of this section, the MDA shall conduct a cost/benefit analysis to determine the estimated net direct state benefits and the net benefit rate applicable for the appropriate additional period and to estimate the amount of gross payroll for the additional period. In conducting such cost/benefit analysis, the MDA shall consider quantitative factors, such as the anticipated level of new tax revenues to the state along with the cost to the state of the qualified business or industry, and such other criteria as deemed appropriate by the MDA, including the adequacy of retirement benefits that the business or industry provides to individuals it employs in new direct jobs in this state. In no event shall incentive payments, cumulatively, exceed the estimated net direct state benefits. Once the qualified business or industry is approved by the MDA, an agreement shall be deemed to exist between the qualified business or industry and the State of Mississippi, requiring the continued incentive payment, together with any amount due pursuant to subsection (8) of this section, if applicable, to be made as long as the qualified business or industry retains its eligibility.

(6) Upon approval of such an application, the MDA shall notify the Department of Revenue and shall provide it with a copy of the approved application and the estimated net direct state benefits. The Department of Revenue may require the qualified business or industry to submit such additional information as may be necessary to administer the provisions of this chapter. The qualified business or industry shall report to the Department of Revenue periodically to show its continued eligibility for incentive payments. The qualified business or industry may be audited by the Department of Revenue to verify such eligibility. In addition, the State Auditor may conduct performance and compliance audits under this chapter according to Section 7-7-211(o) and may bill the oversight agency.

(7) If the qualified business or industry is located in an area that has been declared by the Governor to be a disaster area and as a result of the disaster the business or industry is unable to create or maintain the full-time jobs required by this section:

(a) The Commissioner of Revenue may extend the period of time that the business or industry may receive incentive payments for a period of time not to exceed two (2) years;

(b) The Commissioner of Revenue may waive the requirement that a certain number of jobs be maintained for a period of time not to exceed twenty-four (24) months; and

(c) The MDA may extend the period of time within which the jobs must be created for a period of time not to exceed twenty-four (24) months.

(8) Notwithstanding any other provision of this section to the contrary, from and after January 1, 2023, if the amount of the incentive payment that a qualified business or industry is eligible to receive under this chapter is less than the amount that the incentive

payment would have been if the payment had been calculated using any applicable income tax rates in Section 27-7-5 that were in effect before January 1, 2023, then the qualified business or industry also shall receive a grant equal to the difference between such two (2) amounts. Further, the term "incentive payment", as such term is used in this chapter shall be deemed to not refer to or otherwise include any grant payment payable to a qualified business or industry pursuant to this subsection.

[For businesses or industries that apply for incentive payments from and after July 1, 2010, this section shall read as follows:]

57-62-9. (1) (a) Except as otherwise provided in this section, a qualified business or industry that meets the qualifications specified in this chapter may receive quarterly incentive payments for a period not to exceed ten (10) years from the Department of Revenue pursuant to the provisions of this chapter in an amount which shall be equal to ninety percent (90%) of the amount of actual income tax withheld for employees with new direct jobs, but in no event more than four percent (4%) of the total annual salary paid for new direct jobs during such period, excluding benefits which are not subject to Mississippi income taxes.

(b) A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)1 may elect the date upon which the ten-year period will begin. Such date may not be later than sixty (60) months after the date the business or industry applied for incentive payments.

(c) A qualified business or industry as defined in Section 57-62-5(a)(iii) may elect the date upon which the ten-year period will begin and may elect to begin receiving incentive payments as early as the second quarter after that date. Incentive payments will be calculated on all jobs above the existing number of jobs as of the date the MDA determines that the applicant is qualified to receive incentive payments. In the event that the qualified business or industry falls below the number of existing jobs at the time of determination that the applicant is qualified to receive the incentive payment, the incentive payment shall cease until the qualified business or industry once again exceeds that number. If after forty-eight (48) months, the qualified business or industry has failed to create at least three thousand (3,000) new direct jobs, incentive payments shall cease and the qualified business or industry shall not be qualified to receive further incentive payments.

(2) (a) A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)1 may apply to the MDA to receive incentive payments for an additional period not to exceed five (5) years beyond the expiration date of the initial ten-year period if:

(i) The qualified business or industry creates at least three thousand (3,000) new direct jobs within five (5) years after the date the business or industry commences commercial production;

(ii) Within five (5) years after the date the business or industry commences commercial production, the average annual wage of the jobs is at least one hundred fifty percent (150%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser. The criteria for the average annual wage requirement shall be based upon the state average annual wage or the average annual wage of the county whichever is appropriate, at the time of creation of the minimum number of jobs, and the threshold established at that time will remain constant for the duration of the additional period; and

(iii) The qualified business or industry meets and maintains the job and wage requirements of subparagraphs (i) and (ii) of this paragraph (a) for four (4) consecutive calendar quarters.

(b) A qualified business or industry that is a project as defined in Section 57-75-5(f)(iv)1 and qualified to receive incentive payments for the additional period provided in paragraph (a) of this subsection (2) may apply to the MDA to receive incentive payments for an additional period not to exceed ten (10) years beyond the expiration date of the additional period provided in paragraph (a) of this subsection (2) if:

(i) The qualified business or industry creates at least four thousand (4,000) new direct jobs after qualifying for the additional incentive period provided in paragraph (a) of this subsection (2) but before the expiration of the additional period. For purposes of determining whether the business or industry meets the minimum jobs requirement of this subparagraph (i), the number of jobs the business or industry created in order to meet the minimum jobs requirement of paragraph (a) of this subsection (2) shall be subtracted from the minimum jobs requirement of this subparagraph (i);

(ii) The average annual wage of the jobs is at least one hundred fifty percent (150%) of the most recently published state average annual wage or the most recently published average annual wage of the county in which the qualified business or industry is located as determined by the Mississippi Department of Employment Security, whichever is the lesser. The criteria for the average annual wage requirement shall be based upon the state average annual wage or the average annual wage of the county whichever is appropriate, at the time of creation of the minimum number of jobs, and the threshold established at that time will remain constant for the duration of the additional period; and

(iii) The qualified business or industry meets and maintains the job and wage requirements of subparagraphs (i) and (ii) of this paragraph (b) for four (4) consecutive calendar quarters.

(3) In order to receive incentive payments, an establishment shall apply to the MDA. The application shall be on a form prescribed by the MDA and shall contain such information as may be required by the MDA to determine if the applicant is qualified.

(4) (a) In order to qualify to receive such payments, the establishment applying shall be required to meet the definition of the term "qualified business or industry";

(b) The criteria for the average annual salary requirement shall be based upon the state average annual wage or the average annual wage of the county whichever is appropriate, at the time of application, and the threshold established upon application will remain constant for the duration of the project;

(c) Except as otherwise provided for a qualified business or industry as defined in Section 57-62-5(a)(iii), the business or industry must meet its job creation commitment within twenty-four (24) months of the application approval. However, if the qualified business or industry is applying for incentive payments for an additional period under subsection (2) of this section, the business or industry must comply with the applicable job and wage requirements of subsection (2) of this section.

(5) (a) The MDA shall determine if the applicant is qualified to receive incentive payments.

(b) If the applicant is determined to be qualified to receive incentive payments for an additional period under subsection (2) of this section, the MDA shall conduct an analysis to estimate the amount of gross payroll for the appropriate additional period. Incentive payments, cumulatively, shall not exceed ninety percent (90%) of the amount of actual income tax withheld for employees with new direct jobs, but in no event

more than four percent (4%) of the total annual salary paid for new direct jobs during the additional period, excluding benefits which are not subject to Mississippi income taxes. Once the qualified business or industry is approved by the MDA, an agreement shall be deemed to exist between the qualified business or industry and the State of Mississippi, requiring the continued incentive payment, together with any amount due pursuant to subsection (8) of this section, if applicable, to be made as long as the qualified business or industry retains its eligibility.

(6) Upon approval of such an application, the MDA shall notify the Department of Revenue and shall provide it with a copy of the approved application and the minimum job and salary requirements. The Department of Revenue may require the qualified business or industry to submit such additional information as may be necessary to administer the provisions of this chapter. The qualified business or industry shall report to the Department of Revenue periodically to show its continued eligibility for incentive payments. The qualified business or industry may be audited by the Department of Revenue to verify such eligibility. In addition, the State Auditor may conduct performance and compliance audits under this chapter according to Section 7-7-211(o) and may bill the oversight agency.

(7) If the qualified business or industry is located in an area that has been declared by the Governor to be a disaster area and as a result of the disaster the business or industry is unable to create or maintain the full-time jobs required by this section:

(a) The Commissioner of Revenue may extend the period of time that the business or industry may receive incentive payments for a period of time not to exceed two (2) years;

(b) The Commissioner of Revenue may waive the requirement that a certain number of jobs be maintained for a period of time not to exceed twenty-four (24) months; and

(c) The MDA may extend the period of time within which the jobs must be created for a period of time not to exceed twenty-four (24) months.

(8) Notwithstanding any other provision of this section to the contrary, from and after January 1, 2023, if the amount of the incentive payment that a qualified business or industry is eligible to receive under this chapter is less than the amount that the incentive payment would have been if the payment had been calculated using any applicable income tax rates in Section 27-7-5 that were in effect before January 1, 2023, then the qualified business or industry also shall receive a grant equal to the difference between such two (2) amounts. Further, the term "incentive payment", as such term is used in this chapter shall be deemed to not refer to or otherwise include any grant payment payable to a qualified business or industry pursuant to this subsection.

SECTION 21. Section 57-62-11, Mississippi Code of 1972, is amended as follows:

57-62-11. (1) There is created in the State Treasury a special fund to be known as the Mississippi Advantage Jobs Incentive Payment Fund, into which shall be deposited withholding tax revenue required to be deposited into such fund pursuant to Section 27-7-312 and any other monies designated for deposit therein. The money in the fund shall be used for the purpose of making the incentive payments and grants authorized under this chapter.

(2) The Mississippi Advantage Jobs Incentive Payment Fund shall be administered by the Department of Revenue, and monies in the fund, less three percent (3%) to be retained by the Department of Revenue to pay the reasonable and necessary expenses of the Department of Revenue in administering its duties under this chapter, shall be expended pursuant to the approved application. Amounts in the fund at the end of any

fiscal year that are not necessary to make future incentive payments and grants shall be paid into the General Fund.

(3) The liability of the State of Mississippi to make the incentive payments and grants authorized under this chapter shall be limited to the balance contained in the fund.

A qualified business or industry may elect the date upon which the incentive rebate period will begin. Such date may not be later than sixty (60) months after the date the business or industry applied for incentive payments; however, in the case of a qualified business or industry described in Section 57-99-1(a)(ii), such date may not be later than seventy-two (72) months after the date the business or industry applied for incentive payments, or for a qualified business or industry described in Section 57-99-1(a)(iv), such date may not be later than the date that is sixty (60) months after the earlier of:

The qualified business or industry shall report to the Department of Revenue periodically to show its continued eligibility for incentive payments. The qualified business or industry may be audited by the Department of Revenue to verify such eligibility.

(5) Notwithstanding any other provision of Sections 57-99-1 through 57-99-9 to the contrary, from and after January 1, 2023, if the amount of the incentive payments that a qualified business or industry is eligible to receive under Sections 57-99-1 through 57-99-9 is less than the amount that the incentive payments would have been if the payments had been calculated using any applicable income tax rates in Section 27-7-5 that were in effect before January 1, 2023, then the qualified business or industry also shall receive a grant equal to the difference between such two (2) amounts. ## REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1035: Velvet hunting season; authorize Commission on Wildlife, Fisheries and Parks to establish.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) The Mississippi Commission on Wildlife, Fisheries and Parks shall establish and regulate special hunts during velvet hunting season, outside of the regular open season on deer. Velvet hunting season shall begin on September 10, and end no later than September 20, and shall be for no less than three (3) consecutive days in length, and for no more than five (5) consecutive days in length, and only hunting with bow and arrow or crossbows shall be allowed during such season. The special season shall be open on private lands and any Wildlife Management Areas as deemed appropriate by the department. Only bucks that meet the antler criteria for the respective deer management unit may be harvested. There shall be mandatory reporting of the harvested animal.

(2) The commission shall establish a special hunting permit for velvet hunting season. Such special hunting permit for velvet hunting season shall be authorized for a time period beginning on September 10, and ending no later than September 20, and shall be valid for no less than three (3) consecutive days in length, and for no more than five (5) consecutive days in length. The commission shall, set the cost of permits.

SECTION 2. Section 49-7-31, Mississippi Code of 1972, is amended as follows:

49-7-31. (1) The open season on deer shall be as follows:

(a) With bow and arrow: October 1 through the Friday prior to Thanksgiving.

(b) With guns and with dogs: from the Saturday prior to Thanksgiving through December 1.

(c) With primitive weapons and without dogs: December 2 through December 15.

(d) With guns and without dogs: December 16 through December 23. However, the commission may allow hunting statewide or in specific areas with any legal weapon which it may designate without dogs after the end of the last season for hunting deer with guns and with dogs, but the season with legal designated weapons and without dogs shall not extend beyond January 31.

(e) The commission shall establish an extended season with primitive weapons and bow and arrow without dogs from February 1 through February 15 for the area south of U.S. Highway 84 and east of Mississippi Highway 35 only for legal bucks. Any antlered deer taken in this area during any open season under this section must be a legal buck as defined in this paragraph. For purposes of this paragraph, the term "legal buck" means a deer with antlers of four (4) points or more with a minimum inside spread of ten (10) inches or a minimum main beam length of thirteen (13) inches. The commission may regulate the taking of deer with antlers of four (4) points or less under this paragraph for the proper management of antlered deer. The commission may delay the opening date and change the length of bow and arrow season in paragraph (a) in this area.

(f) With guns and with dogs: December 24 through a date fixed by the commission that will provide a total of thirty-nine (39) days of hunting deer with guns and with dogs when added to the number of days provided for hunting deer with guns and with dogs in paragraph (b).

(g) When the open season on deer ends on a Friday, the commission shall have the authority to extend the season until thirty (30) minutes after sunset on the following Sunday.

(2) The commission may set and regulate the deer seasons on wildlife management areas which it administers.

(3) (a) The commission may allow the harvesting of antlerless deer in the districts or zones upon the recommendation of the executive director based upon good and substantial quantitative data and research evaluations that demonstrate that the harvesting is necessary to properly manage the herd.

(b) The commission, only upon the recommendation of the executive director, may allow the harvesting of antlerless deer during the deer season with guns and with dogs by a majority vote of the commission.

(c) Nothing in this subsection prohibits the harvesting of either-sex deer by landowners or leaseholders on private lands under the deer management assistance program prescribed or approved by the executive director.

(4) The commission may provide a special permit for the harvesting of deer when they are depredating and destroying crops. The department shall supervise the harvesting and provide for the salvaging of the meat of the animals. The commission may authorize the department to assist any farmer in this state, who sustains crop damage by wildlife, in eradication of the problem wildlife.

(5) (a) During any open season on deer with primitive weapons after November 30, a person may use any legal weapon of choice on private lands only, if the person is:

- (i) The title owner of the land;
- (ii) The lessee of the hunting rights on the land;
- (iii) A member of a hunting club leasing the hunting rights on the land;

or

- (iv) A guest of a person specified in subparagraph (i), (ii) or (iii).

(b) If the person is required to have a hunting license, the person must have a primitive weapon license, Sportsman's License or a Lifetime Sportsman's License.

(6) The commission shall establish and regulate special hunts during velvet hunting season, outside of the regular open season on deer, as provided in Section 1 of this act.

SECTION 3. This act shall take effect and be in force from and after July 1, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2336: State and School Employees Health Insurance Management Board; extend repealer on premium payment authority.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 25-15-15, Mississippi Code of 1972, is amended as follows:

25-15-15. (1) The board is authorized to determine the manner in which premiums and contributions by the state agencies, local school districts, colleges, universities, community/junior colleges and public libraries shall be collected to provide the self-insured health insurance program for employees as provided under this article. The state shall provide fifty percent (50%) of the cost of the above life insurance plan for all active full-time employees. The state shall provide one hundred percent (100%) of the cost of the health insurance plan for active full-time employees initially employed before January 1, 2006, except as otherwise provided in this section. For active full-time employees initially employed on or after January 1, 2006, the state shall provide one hundred percent (100%) of the cost of a basic level of health insurance, except as otherwise provided in this section, and the employees may pay additional amounts to purchase additional benefits or levels of coverage offered under the plan. The board, if determined to be necessary, may assess active full-time employees a portion of the active employee premium in an amount not to exceed Twenty Dollars (\$20.00) per month, notwithstanding any language in this section to the contrary. All active full-time employees shall be given the opportunity to purchase coverage for their eligible dependents with the premiums for such dependent coverage, as well as the employee's fifty percent (50%) share for his life insurance coverage, to be deductible from the employee's salary by the agency, department or institution head, which deductions, together with the fifty percent (50%) share of such life insurance premiums of such employing agency, department or institution head from funds appropriated to or authorized to be expended by the employing agency, department or institution head, shall be deposited directly into a depository bank or special fund in the State Treasury, as determined by the board. These funds and interest earned on these funds may be used for the disbursement of claims and shall be exempt from the appropriation process.

(2) The state shall provide annually, by line item in the Mississippi Library Commission appropriation bill, such funds to pay one hundred percent (100%) of the cost of health insurance under the State and School Employees Health Insurance Plan, or any lesser percentage of the cost that is not assessed to the employees by the board, for full-time library staff members in each public library in Mississippi initially employed before January 1, 2006. For full-time library staff members initially employed on or after January 1, 2006, the state shall provide one hundred percent (100%) of the cost of a basic level of health insurance under the State and School Employees Health Insurance Plan, or any lesser percentage of the cost that is not assessed to the employees by the board, and the employees may pay additional amounts to purchase additional benefits or levels of coverage offered under the plan. The commission shall allot to each public library a sufficient amount of those funds appropriated to pay the costs of insurance for eligible employees. Any funds so appropriated by line item which are not expended during the fiscal year for which such funds were appropriated shall be carried forward for the same purposes during the next succeeding fiscal year. If any premiums for the health insurance and/or late charges and interest penalties are not paid by a public library in a timely

manner, as defined by the board, the Mississippi Library Commission, upon notice by the board, shall immediately withhold all subsequent disbursements of funds to that public library.

(3) The state shall annually provide one hundred percent (100%) of the cost of the health insurance plan, or any lesser percentage of the cost that is not assessed to the employees by the board, for public school district employees who work no less than twenty (20) hours during each week and regular nonstudent school bus drivers, if such employees and school bus drivers were initially employed before January 1, 2006. For such employees and school bus drivers initially employed on or after January 1, 2006, the state shall provide one hundred percent (100%) of the cost of a basic level of health insurance under the State and School Employees Health Insurance Plan, or any lesser percentage of the cost that is not assessed to the employees by the board, and the employees may pay additional amounts to purchase additional benefits or levels of coverage offered under the plan. Where federal funding is allowable to defray, in full or in part, the cost of participation in the program by district employees who work no less than twenty (20) hours during the week and regular nonstudent bus drivers, whose salaries are paid, in full or in part, by federal funds, the allowance under this section shall be reduced to the extent of such federal funding. Where the use of federal funds is allowable but not available, it is the intent of the Legislature that school districts contribute the cost of participation for such employees from local funds, except that parent fees for child nutrition programs shall not be increased to cover such cost.

(4) The state shall provide annually, by line item in the community/junior college appropriation bill, such funds to pay one hundred percent (100%) of the cost of the health insurance plan, or any lesser percentage of the cost that is not assessed to the employees by the board, for community/junior college district employees initially employed before January 1, 2006, who work no less than twenty (20) hours during each week. For such employees initially employed on or after January 1, 2006, the state shall provide one hundred percent (100%) of the cost of a basic level of health insurance under the State and School Employees Health Insurance Plan, or any lesser percentage of the cost that is not assessed to the employees by the board, and the employees may pay additional amounts to purchase additional benefits or levels of coverage offered under the plan.

(5) When the use of federal funding is allowable to defray, in full or in part, the cost of participation in the insurance plan by community/junior college district employees who work no less than twenty (20) hours during each week, whose salaries are paid, in full or in part, by federal funds, the allowance under this section shall be reduced to the extent of the federal funding. Where the use of federal funds is allowable but not available, it is the intent of the Legislature that community/junior college districts contribute the cost of participation for such employees from local funds.

(6) Any community/junior college district may contribute to the cost of coverage for any district employee from local community/junior college district funds, and any public school district may contribute to the cost of coverage for any district employee from nonminimum program funds. Any part of the cost of such coverage for participating employees of public school districts and public community/junior college districts that is not paid by the state shall be paid by the participating employees, which shall be deducted from the salaries of the employees in a manner determined by the board.

(7) Any funds appropriated for the cost of insurance by line item in the community/junior colleges appropriation bill which are not expended during the fiscal year for which such funds were appropriated shall be carried forward for the same purposes during the next succeeding fiscal year.

(8) The board may establish and enforce late charges and interest penalties or other penalties for the purpose of requiring the prompt payment of all premiums for life and health insurance permitted under this chapter. All funds in excess of the amount needed for disbursement of claims shall be deposited in a special fund in the State

Treasury to be known as the State and School Employees Insurance Fund. The State Treasurer shall invest all funds in the State and School Employees Insurance Fund and all interest earned shall be credited to the State and School Employees Insurance Fund. Such funds shall be placed with one or more depositories of the state and invested on the first day such funds are available for investment in certificates of deposit, repurchase agreements or in United States Treasury bills or as otherwise authorized by law for the investment of Public Employees' Retirement System funds, as long as such investment is made from competitive offering and at the highest and best market rate obtainable consistent with any available investment alternatives; however, such investments shall not be made in shares of stock, common or preferred, or in any other investments which would mature more than one (1) year from the date of investment. The board shall have the authority to draw from this fund periodically such funds as are necessary to operate the self-insurance plan or to pay to the insurance carrier the cost of operation of this plan, it being the purpose to limit the amount of participation by the state to fifty percent (50%) of the cost of the life insurance program and not to limit the contracting for additional benefits where the cost will be paid in full by the employee. The state shall not share in the cost of coverage for retired employees.

(9) The board shall also provide for the creation of an Insurance Reserve Fund and funds therein shall be invested by the State Treasurer with all interest earned credited to the State and School Employees Insurance Fund.

(10) Any retired employee electing to purchase retired life and health insurance will have the full cost of such insurance deducted monthly from his State of Mississippi retirement plan check or direct billed for the cost of the premium if the retirement check is insufficient to pay for the premium. If the board determines actuarially that the premium paid by the participating retirees adversely affects the overall cost of the plan to the state, then the board may impose a premium surcharge, not to exceed fifteen percent (15%), upon such participating retired employees who are under the age for Medicare eligibility and who were initially employed before January 1, 2006. For participating retired employees who are under the age for Medicare eligibility and who were initially employed on or after January 1, 2006, the board may impose a premium surcharge in an amount the board determines actuarially to cover the full cost of insurance.

\* \* \*

( \* \* \*11) This section shall stand repealed on July 1, \* \* \* 2026.

SECTION 2. This act shall take effect and be in force from and after July 1, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 25-15-15, MISSISSIPPI CODE OF 1972, TO REMOVE THE PROHIBITION ON THE HEALTH INSURANCE MANAGEMENT BOARD FOR IMPOSING A SURCHARGE BASED ON THE USE OR NONUSE OF TOBACCO-RELATED PRODUCTS, AND TO EXTEND THE REPEALER ON THE AUTHORITY OF THE BOARD TO COLLECT PREMIUM PAYMENTS FROM PARTICIPANTS IN THE PLAN; AND FOR RELATED PURPOSES.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2690: Mississippi Intercollegiate Athletics Compensation Act and the Mississippi Uniform Agents act; bring forward sections.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 37-97-103, Mississippi Code of 1972, is amended as follows:

37-97-103. (1) As used in this article, the following terms shall have the following meanings unless the context clearly indicates otherwise:

(a) "Compensation" means anything of value, monetary or otherwise, including, but not limited to, cash, gifts, in-kind items of value, social media compensation, payments for licensing or use of publicity rights, payments for other intellectual or intangible property rights under federal or state law, and any other form of payment or remuneration, except as excluded under this article.

For the purposes of this article, "compensation" shall not mean or include the following:

(i) Tuition, room, board, books, fees and personal expenses that a postsecondary educational institution provides a student-athlete in accordance with the rules of the athletic association or conference of which the postsecondary educational institution is a member;

(ii) Federal Pell Grants and other state and federal grants or scholarships unrelated to, and not awarded because of a student-athlete's participation in intercollegiate athletics or sports competition;

(iii) Any other financial aid, benefits or awards that a postsecondary educational institution provides a student-athlete in accordance with the rules of the athletic association or conference of which the postsecondary educational institution is a member; or

(iv) The payment of wages and benefits to a student-athlete for work actually performed \* \* \* for services unrelated to a student-athlete's publicity rights or other intellectual or intangible property rights of a student-athlete under federal or state law.

(b) "Image" means a picture of the student-athlete.

(c) "Intercollegiate athletics program" means an intercollegiate athletics program played at the collegiate level for which eligibility requirements for participation by

a student-athlete are established by a national association for the promotion or regulation of collegiate athletics.

(d) "Likeness" means a physical, digital or other depiction or representation of a student-athlete.

(e) "Name" means the first or last name, or the nickname, of a student-athlete when used in a context that reasonably identifies the student-athlete with particularity.

(f) "Name, Image and Likeness Agreement" means a contract or \*\*\* other arrangement between a student-athlete and a third-party \*\*\* regarding the \*\*\* use of the \*\*\* publicity of the student-athlete.

(g) "Publicity right" means any right \*\*\*:

(i) \*\*\* Associated with the name, image, \*\*\* likeness \*\*\*, publicity, reputation, fame or personal following of a student-athlete; or

(ii) Recognized under a federal or state law \*\*\* as permitting an individual to control and profit from the \*\*\* use of the name, image \*\*\*, likeness, publicity, reputation, fame or personal following of the individual.

(h) "Postsecondary educational institution" means a public university or community college or private university or college.

(i) "Social media compensation" means all forms of payment for engagement on social media received by a student-athlete as a result of the use of that student-athlete's \*\*\* publicity rights.

(j) "Student-athlete" means an individual who engages in, is eligible to engage in, or may be eligible in the future to engage in, intercollegiate athletics program at a postsecondary educational institution, including, without limitation, prospective student-athletes of an intercollegiate athletics program. If an individual is permanently ineligible to participate in a particular intercollegiate sport, the individual is not a student-athlete for purposes of that sport.

(k) "Third party \*\*\*" means any individual or entity or group of the same, acting independently or collectively, that \*\*\* enters into an agreement for the publicity rights \*\*\* of a student-athlete or group of student-athletes. The term "third party \*\*\*" shall not include any national association for the promotion or regulation of collegiate athletics, athletics conference, or postsecondary educational institution.

SECTION 2. Section 37-97-105, Mississippi Code of 1972, is amended as follows:

37-97-105. (1) Except as provided in Section 37-97-107, a student-athlete may:

(a) Earn compensation, \*\*\* for the use of \*\*\* publicity rights of the student-athlete \*\*\*; and

(b) Obtain and retain a certified agent for any matter or activity relating to such compensation.

(2) No student-athlete may earn compensation in exchange for the student-athlete's athletic ability or participation in intercollegiate athletics or sports competition.

(3) Notwithstanding any other provision of applicable law or agreement to the contrary, a student-athlete shall not be deemed an employee or independent contractor

of an association, a conference, or a postsecondary educational institution based on the student-athlete's participation in an intercollegiate athletics program.

SECTION 3. Section 37-97-107, Mississippi Code of 1972, is amended as follows:

37-97-107. (1) Except as provided for under this article, a postsecondary educational institution shall not uphold any contract, rule, regulation, standard or other requirement that prevents a student-athlete of that institution from earning compensation \*\*\* for the use of the student's \*\*\* publicity rights. Any such contract, rule, regulation standard or other requirement shall be void and unenforceable against the postsecondary educational institution or the student-athlete. Compensation from the use of a student-athlete's \*\*\* publicity rights may not affect the student-athlete's scholarship eligibility, grant-in-aid or other financial aid, awards or benefits, or the student-athlete's intercollegiate athletic eligibility. Nothing in this article is intended to alter any state and federal laws or regulations regarding the award of financial aid at postsecondary educational institutions.

(2) Except as provided for in this article, an athletic association, conference or other group or organization with authority over intercollegiate athletic programs, including, but not limited to, the National Collegiate Athletic Association (NCAA) and the National Junior College Athletic Association (NJCAA), shall not prevent, or otherwise enforce a contract, rule, regulation, standard or other requirement that prevents, a student-athlete of a postsecondary educational institution from earning compensation as a result of the use of the student-athlete's \*\*\* publicity rights.

(3) To protect the integrity of its educational mission and intercollegiate athletics program, a postsecondary educational institution may impose reasonable limitations on the dates and time that a student-athlete may participate in endorsement, promotional, social media or other activities related to the license or use of the student-athlete's \*\*\* publicity rights. Nothing in this article shall restrict a postsecondary educational institution from exercising its sole discretion to control the authorized use of its marks or logos or to determine a student-athlete's apparel, gear or other wearables during an intercollegiate athletics competition or institution-sponsored event. A student-athlete may not receive or enter into a contract for compensation for the use of his or her \*\*\* publicity rights in a way that also uses any registered or licensed marks, logos, verbiage or designs of a postsecondary institution, unless the institution has provided the student-athlete with written permission to do so prior to \*\*\* entering into the agreement or receipt of compensation. If permission is granted, the postsecondary educational institution, by agreement of all parties, may be compensated for the use in a manner consistent with market rates. A postsecondary educational institution may also prohibit a student-athlete from wearing any item of clothing, shoes, or other gear or wearables with the name, logo or insignia of any entity during an intercollegiate athletics competition or institution-sponsored event.

(4) An athletic association, conference or other group or organization with authority over intercollegiate athletics programs, including, but not limited to, the National Collegiate Athletic Association and the National Junior College Athletic Association, shall not enforce a contract, rule, regulation, standard or other requirement that prevents a postsecondary educational institution from participating in an intercollegiate athletics program, or otherwise penalize the postsecondary educational institution or its intercollegiate athletic program, as a result of activities permitted by this article, including, without limitation, the compensation of a student-athlete for the use of the student-athlete's \*\*\* publicity rights.

(5) (a) A postsecondary educational institution, athletic association, conference or other group or organization with authority over intercollegiate athletics programs, including, but not limited to, the National Collegiate Athletic Association and the National Junior College Athletic Association, shall not \*\*\*:

( \*\* \*) Enter into, or offer to enter into, a name, image and likeness agreement with a \*\* \* student-athlete; or

( \*\* \*) Provide a \*\* \* student-athlete or the student-athlete's family compensation in relation to the use of the student-athlete's \*\* \* publicity rights.

(b) A postsecondary educational institution may facilitate opportunities for student-athletes to engage with third parties interested in entering into name, image, and likeness agreements, and may communicate with third parties interested in providing name, image, and likeness agreements to student-athletes.

(6) A postsecondary educational institution, athletic association, conference or other group or organization with authority over intercollegiate athletics programs, including, but not limited to, the National Collegiate Athletic Association and the National Junior College Athletic Association shall not prevent a student-athlete from obtaining professional representation in relation to \*\* \* publicity rights, or to secure a name, image and likeness agreement, including, but not limited to, representation provided by athlete agents or legal representation provided by attorneys. A student-athlete shall provide the postsecondary educational institution with written notice at least seven (7) days prior to entering into a representation agreement with any individual for the purpose of exploring or securing compensation for use of the student-athlete's \*\* \* publicity rights.

(7) Professional representation obtained by student-athletes must be from persons registered as athlete agents as provided in Section 73-42-1 et seq. of the Uniform Athlete Agent Act. Attorneys who provide legal representation to student-athletes must be licensed to practice law in the State of Mississippi and in good standing with The Mississippi Bar.

(8) Athlete agents representing student-athletes shall comply with the Uniform Athlete Agents Act, Section 73-42-1 et seq., Mississippi Code of 1972, and the federal Sports Agent Responsibility and Trust Act in 15 USC Sections 7801-7807 in their relationships with student-athletes.

(9) A grant-in-aid, including cost of attendance, and other permissible financial aid, awards or benefits from the postsecondary educational institution in which a student-athlete is enrolled shall not be revoked, reduced, nor the terms and conditions altered, as a result of a student-athlete earning compensation or obtaining professional or legal representation pursuant to this article.

(10) Before any \*\* \* agreement for compensation for the use of a student-athlete's \*\* \* publicity rights is \*\* \* entered into, and before any compensation is provided to the student-athlete in advance of \*\* \* an agreement, the student-athlete shall disclose the \*\* \* agreement to a designated official of the postsecondary educational institution in which the student-athlete is enrolled in a manner prescribed by the institution.

(11) A third-party \*\* \* may not enter into, or offer to enter into, a name, image and likeness agreement with a student-athlete or otherwise compensate a student-athlete for the use of the student-athlete's \*\* \* publicity rights if a provision of the name, image and likeness agreement or the use of the student-athlete's \*\* \* publicity rights conflicts with a provision of a contract, rule, regulation, standard or other requirement of the postsecondary educational institution unless such contract or use is expressly approved in writing by the postsecondary educational institution.

(12) No postsecondary educational institution, booster \*\* \* or third-party \*\* \* shall provide a \*\* \* student-athlete compensation or enter into a name, image and likeness agreement as an inducement for the student-athlete to attend or enroll in a specific institution or group of institutions. Compensation for a student-athlete's \*\* \* publicity rights may not be conditioned on athletic performance or attendance \*\* \*.

\* \* \*

( \*\* \*13) No student-athlete shall enter into a name, image, and likeness agreement or receive compensation from a third-party licensee for the endorsement or promotion of gambling, sports betting, controlled substances, marijuana, tobacco or alcohol \*\* \*, brand or products, alternative or electronic nicotine product or delivery system, performance-enhancing supplements, adult entertainment or any other product or service that is reasonably considered to be inconsistent with the values or mission of a postsecondary educational institution or that negatively impacts or reflects adversely on a postsecondary education institution or its athletic programs, including, without limitation, bringing about public disrepute, embarrassment, scandal, ridicule or otherwise negatively impacting the reputation or the moral or ethical standards of the postsecondary educational institution.

( \*\* \*14) \*\* \* An agreement for the use of \*\* \* a student-athlete's \*\* \* publicity rights which is formed while the student-athlete is participating in an intercollegiate sport at a postsecondary educational institution may not extend beyond the student-athlete's participation in the sport at the institution.

( \*\* \*15) Nothing in this article shall be interpreted to modify any requirements or obligations imposed under Title IX of the Education Amendments of 1972 (20 USC 1681 et seq.).

SECTION 4. Section 73-42-19, Mississippi Code of 1972, is amended as follows:

73-42-19. (1) An agency contract must be in a record, signed by the parties.

(2) An agency contract must state or contain:

(a) The amount and method of calculating the consideration to be paid by the student-athlete for services to be provided by the athlete agent under the contract and any other consideration or anything of value that the athlete agent has received or will receive from any other source for entering into the contract or for providing the services;

(b) The name of any person not listed in the application for registration or renewal who will be compensated because the student-athlete signed the agency contract;

(c) A description of any expenses that the student-athlete agrees to reimburse;

(d) A description of the services to be provided to the student-athlete;

(e) The duration of the contract; and

(f) The date of execution.

(3) An agency contract must contain, in close proximity to the signature of the student-athlete, a conspicuous notice in boldface type in capital letters stating:

WARNING TO STUDENT-ATHLETE

IF YOU SIGN THIS CONTRACT:

(1) YOU MAY LOSE YOUR ELIGIBILITY TO COMPETE AS A STUDENT-ATHLETE IN YOUR SPORT UNLESS THIS CONTRACT IS SERVING AS A NAME, IMAGE AND LIKENESS AGREEMENT PURSUANT TO SECTION 37-97-103;

(2) BOTH YOU AND YOUR ATHLETE AGENT ARE REQUIRED TO TELL YOUR ATHLETIC DIRECTOR, IF YOU HAVE AN ATHLETIC DIRECTOR, WITHIN 72 HOURS AFTER ENTERING INTO AN AGENCY CONTRACT; AND

(3) YOU MAY CANCEL THIS CONTRACT WITHIN 14 DAYS AFTER SIGNING IT. CANCELLATION OF THE CONTRACT MAY NOT REINSTATE YOUR ELIGIBILITY.

(4) An agency contract that does not conform to this section is voidable by the student-athlete.

(5) The athlete agent shall give a copy of the signed agency contract to the student-athlete at the time of signing.

SECTION 5. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 37-97-103, MISSISSIPPI CODE OF 1972, TO CLARIFY THE DEFINITIONS OF CERTAIN TERMINOLOGY RELATED TO NAME, IMAGE AND LIKENESS AGREEMENTS FOR STUDENT-ATHLETES; TO AMEND SECTION 37-97-105, MISSISSIPPI CODE OF 1972, TO CLARIFY THE ABILITY OF A STUDENT-ATHLETE TO EARN COMPENSATION FOR THE USE OF HIS OR HER PUBLICITY RIGHTS; TO AMEND SECTION 37-97-107, MISSISSIPPI CODE OF 1972, TO CLARIFY THE AUTHORITY OF POSTSECONDARY EDUCATIONAL INSTITUTIONS REGARDING RESTRICTIONS ON COMPENSATION FOR THE USE OF A STUDENT-ATHLETE'S PUBLICITY RIGHTS; TO FURTHER RESTRICT ASSOCIATIONS OR ORGANIZATIONS WITH AUTHORITY OVER INTERCOLLEGIATE ATHLETIC PROGRAMS FROM PENALIZING A POSTSECONDARY EDUCATIONAL INSTITUTION OR ITS INTERCOLLEGIATE ATHLETIC PROGRAM FOR COMPLIANCE WITH PROVISIONS OF THE MISSISSIPPI INTERCOLLEGIATE ATHLETICS COMPENSATION RIGHTS ACT; TO PERMIT POSTSECONDARY EDUCATIONAL INSTITUTIONS TO FACILITATE OPPORTUNITIES FOR STUDENT-ATHLETES TO ENGAGE THIRD PARTIES INTERESTED IN ENTERING INTO NAME, IMAGE AND LIKENESS AGREEMENTS; TO REMOVE THE PROHIBITION ON A STUDENT-ATHLETE ENTERING INTO A NAME, IMAGE AND LIKENESS AGREEMENT BEFORE ENROLLING AT A POSTSECONDARY EDUCATIONAL INSTITUTION; TO AMEND SECTION 73-42-19, MISSISSIPPI CODE OF 1972, TO REVISE THE REQUIRED WARNING TO STUDENT-ATHLETES IN AN AGENCY CONTRACT TO CONFORM TO THE PROVISIONS OF THIS ACT; AND FOR RELATED PURPOSES.

#### REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1408: Sheriffs' salaries; increase.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 25-3-25, Mississippi Code of 1972, is amended as follows:

25-3-25. (1) Except as otherwise provided in subsections (2) through (9), the salaries of sheriffs of the various counties are fixed as full compensation for their services.

The annual salary for each sheriff shall be based upon the total population of his county according to the latest federal decennial census in the following categories and for the following amounts; however, no sheriff shall be paid less than the salary authorized under this section to be paid the sheriff based upon the population of the county according to the most recent federal decennial census:

(a) For counties with a total population of more than one hundred thousand (100,000), a salary of \* \* \* One Hundred Four Thousand Dollars (\$104,000.00).

(b) For counties with a total population of more than \* \* \* forty-four thousand (44,000) and not more than one hundred thousand (100,000), a salary of \* \* \* Ninety-five Thousand Dollars (\$95,000.00).

(c) For counties with a total population of more than \* \* \* thirty thousand (30,000) and not more than \* \* \* forty-four thousand (44,000), a salary of \* \* \* Ninety Thousand Dollars (\$90,000.00).

(d) For counties with a total population of more than \*\*\* twelve thousand five hundred (12,500) and not more than \*\*\* thirty thousand (30,000), a salary of \*\*\* Eighty-five Thousand Dollars (\$85,000.00).

(e) For counties with a total population of not more than \*\*\* twelve thousand five hundred (12,500), a salary of \*\*\* Eighty Thousand Dollars (\$80,000.00).

(2) In addition to the salary provided for in subsection (1) of this section, the Board of Supervisors of Leflore County, in its discretion, may pay an annual supplement to the sheriff of the county in an amount not to exceed Ten Thousand Dollars (\$10,000.00). The Legislature finds and declares that the annual supplement authorized by this subsection is justified in such county for the following reasons:

(a) The Mississippi Department of Corrections operates and maintains a restitution center within the county;

(b) The Mississippi Department of Corrections operates and maintains a community work center within the county;

(c) There is a resident circuit court judge in the county whose office is located at the Leflore County Courthouse;

(d) There is a resident chancery court judge in the county whose office is located at the Leflore County Courthouse;

(e) The Magistrate for the Fourth Circuit Court District is located in the county and maintains his office at the Leflore County Courthouse;

(f) The Region VI Mental Health-Mental Retardation Center, which serves a multicounty area, calls upon the sheriff to provide security for out-of-town mental patients, as well as patients from within the county;

(g) The increased activity of the Child Support Division of the Department of Human Services in enforcing in the courts parental obligations has imposed additional duties on the sheriff; and

(h) The dispatchers of the enhanced E-911 system in place in Leflore County have been placed under the direction and control of the sheriff.

(3) In addition to the salary provided for in subsection (1) of this section, the Board of Supervisors of Rankin County, in its discretion, may pay an annual supplement to the sheriff of the county in an amount not to exceed Ten Thousand Dollars (\$10,000.00). The Legislature finds and declares that the annual supplement authorized by this subsection is justified in such county for the following reasons:

(a) The Mississippi Department of Corrections operates and maintains the Central Mississippi Correctional Facility within the county;

(b) The State Hospital is operated and maintained within the county at Whitfield;

(c) Hudspeth Regional Center, a facility maintained for the care and treatment of persons with an intellectual disability, is located within the county;

(d) The Mississippi Law Enforcement Officers Training Academy is operated and maintained within the county;

(e) The State Fire Academy is operated and maintained within the county;

(f) The Pearl River Valley Water Supply District, ordinarily known as the "Reservoir District," is located within the county;

(g) The Jackson-Medgar Wiley Evers International Airport is located within the county;

(h) The patrolling of the state properties located within the county has imposed additional duties on the sheriff; and

(i) The sheriff, in addition to providing security to the nearly one hundred thousand (100,000) residents of the county, has the duty to investigate, solve and assist in the prosecution of any misdemeanor or felony committed upon any state property located in Rankin County.

(4) In addition to the salary provided for in subsection (1) of this section, the Board of Supervisors of Neshoba County shall pay an annual supplement to the sheriff of the county an amount equal to Ten Thousand Dollars (\$10,000.00).

(5) In addition to the salary provided for in subsection (1) of this section, the Board of Supervisors of Tunica County, in its discretion, may pay an annual supplement to the sheriff of the county an amount equal to Ten Thousand Dollars (\$10,000.00), payable beginning April 1, 1997.

(6) In addition to the salary provided for in subsection (1) of this section, the Board of Supervisors of Hinds County shall pay an annual supplement to the sheriff of the county in an amount equal to Fifteen Thousand Dollars (\$15,000.00). The Legislature finds and declares that the annual supplement authorized by this subsection is justified in such county for the following reasons:

(a) Hinds County has the greatest population of any county, two hundred fifty-four thousand four hundred forty-one (254,441) by the 1990 census, being almost one hundred thousand (100,000) more than the next most populous county;

(b) Hinds County is home to the State Capitol and the seat of all state government offices;

(c) Hinds County is the third largest county in geographic area, containing eight hundred seventy-five (875) square miles;

(d) Hinds County is comprised of two (2) judicial districts, each having a courthouse and county office buildings;

(e) There are four (4) resident circuit judges, four (4) resident chancery judges, and three (3) resident county judges in Hinds County, the most of any county, with the sheriff acting as chief executive officer and provider of bailiff services for all;

(f) The main offices for the clerk and most of the judges and magistrates for the United States District Court for the Southern District of Mississippi are located within the county;

(g) The state's only urban university, Jackson State University, is located within the county;

(h) The University of Mississippi Medical Center, combining the medical school, dental school, nursing school and hospital, is located within the county;

(i) Mississippi Veterans Memorial Stadium, the state's largest sports arena, is located within the county;

(j) The Mississippi State Fairgrounds, including the Coliseum and Trade Mart, are located within the county;

(k) Hinds County has the largest criminal population in the state, such that the Hinds County Sheriff's Department operates the largest county jail system in the state, housing almost one thousand (1,000) inmates in three (3) separate detention facilities;

(l) The Hinds County Sheriff's Department handles more mental and drug and alcohol commitment cases than any other sheriff's department in the state;

(m) The Mississippi Department of Corrections maintains a restitution center within the county;

(n) The Mississippi Department of Corrections regularly houses as many as one hundred (100) state convicts within the Hinds County jail system; and

(o) The Hinds County Sheriff's Department is regularly asked to provide security services not only at the Fairgrounds and Memorial Stadium, but also for events at the Mississippi Museum of Art and Jackson City Auditorium.

(7) In addition to the salary provided for in subsection (1) of this section, the Board of Supervisors of Wilkinson County, in its discretion, may pay an annual supplement to the sheriff of the county in an amount not to exceed Ten Thousand Dollars (\$10,000.00). The Legislature finds and declares that the annual supplement authorized by this subsection is justified in such county because the Mississippi Department of Corrections contracts for the private incarceration of state inmates at a private correctional facility within the county.

(8) In addition to the salary provided for in subsection (1) of this section, the Board of Supervisors of Marshall County, in its discretion, may pay an annual supplement to the sheriff of the county in an amount not to exceed Ten Thousand Dollars (\$10,000.00). The Legislature finds and declares that the annual supplement authorized by this subsection is justified in such county because the Mississippi Department of Corrections contracts for the private incarceration of state inmates at a private correctional facility within the county.

(9) In addition to the salary provided in subsection (1) of this section, the Board of Supervisors of Greene County, in its discretion, may pay an annual supplement to the sheriff of the county in an amount not to exceed Ten Thousand Dollars (\$10,000.00). The Legislature finds and declares that the annual supplement authorized by this subsection is justified in such county for the following reasons:

(a) The Mississippi Department of Corrections operates and maintains the South Mississippi Correctional Facility within the county;

(b) In 1996, additional facilities to house another one thousand four hundred sixteen (1,416) male offenders were constructed at the South Mississippi Correctional Facility within the county; and

(c) The patrolling of the state properties located within the county has imposed additional duties on the sheriff justifying additional compensation.

(10) In addition to the salary provided in subsection (1) of this section, the board of supervisors of any county, in its discretion, may pay an annual supplement to the sheriff of the county in an amount not to exceed Ten Thousand Dollars (\$10,000.00). The amount of the supplement shall be spread on the minutes of the board. The annual supplement authorized in this subsection shall not be in addition to the annual supplements authorized in subsections (2) through (9).

(11) In addition to the salary provided in subsection (1) and the supplements authorized in subsections (2) through (10), the board of supervisors of any county, in its discretion, may pay an annual supplement in an amount not to exceed Five Thousand Dollars (\$5,000.00) to the sheriff of any county in which a juvenile detention center is located. The amount of the supplement shall be spread on the minutes of the board.

( \* \* \*12) (a) The salaries provided in this section shall be payable monthly on the first day of each calendar month by chancery clerk's warrant drawn on the general fund of the county; however, the board of supervisors, by resolution duly adopted and entered on its minutes, may provide that such salaries shall be paid semimonthly on the first and fifteenth day of each month. If a pay date falls on a weekend or legal holiday, salary payments shall be made on the workday immediately preceding the weekend or legal holiday.

(b) At least Ten Dollars (\$10.00) from each fee collected and deposited into the county's general fund under the provisions of paragraphs (a), (c) and (g) of subsection (1) of Section 25-7-19 shall be used for the sheriffs' salaries authorized in Section 25-3-25; as such Ten Dollar (\$10.00) amount was authorized during the 2007 Regular Session in Chapter 331, Laws of 2007, for the purpose of providing additional monies to the counties for sheriffs' salaries.

( \* \* \*13) (a) All sheriffs, each year, shall attend twenty (20) hours of continuing education courses in law enforcement. Such courses shall be approved by the Mississippi Board on Law Enforcement Officers Standards and Training. Such education courses may be provided by an accredited law enforcement academy or by the Mississippi Sheriffs' Association.

(b) The Mississippi Board on Law Enforcement Officers Standards and Training shall reimburse each county for the expenses incurred by sheriffs and deputy sheriffs for attendance at any approved training programs as required by this subsection.

SECTION 2. Section 23-15-153, Mississippi Code of 1972, is amended as follows:

23-15-153. (1) At least during the following times, the election commissioners shall meet at the office of the registrar or the office of the election commissioners to carefully revise the county voter roll as electronically maintained by the Statewide Elections Management System and remove from the roll the names of all voters who have requested to be purged from the voter roll, died, received an adjudication of non compos mentis, been convicted of a disenfranchising crime, or otherwise become disqualified as electors for any cause, and shall register the names of all persons who have duly applied to be registered but have been illegally denied registration:

Except for the names of those voters who are duly qualified to vote in the election, no name shall be permitted to remain in the Statewide Elections Management System; however, no name shall be purged from the Statewide Elections Management System

based on a change in the residence of an elector except in accordance with procedures provided for by the National Voter Registration Act of 1993. Except as otherwise provided by Section 23-15-573, no person shall vote at any election whose name is not in the county voter roll electronically maintained by the Statewide Elections Management System.

(2) Except as provided in this section, and subject to the following annual limitations, the election commissioners shall be entitled to receive a per diem in the amount of \* \* \* One Hundred Ten Dollars (\$110.00), to be paid from the county general fund, for every day or period of no less than five (5) hours accumulated over two (2) or more days actually employed in the performance of their duties in the conduct of an election or actually employed in the performance of their duties for the necessary time spent in the revision of the county voter roll as electronically maintained by the Statewide Elections Management System as required in subsection (1) of this section:

SECTION 4. (1) (a) There is created in the State Treasury a special fund to be designated the "Mississippi Outdoor Stewardship Trust Fund." The special fund shall consist of monies appropriated by the Legislature. Monies shall be accounted for in such a manner to be termed unobligated funds or obligated funds. Unexpended amounts remaining in the special fund at the end of a fiscal year shall not lapse into the State General Fund, and any investment earnings or interest earned on amounts in the special fund shall be deposited to the credit of the special fund; however, any unobligated monies in excess of Twenty Million Dollars (\$20,000,000.00), excluding federal funds, remaining in the special fund at the end of a fiscal year that have not been appropriated shall lapse into the State General Fund. Monies in the special fund may be used upon selection by the board. The board and the Department of Finance and Administration may use not more than two percent (2%) of monies in the special fund to defray the board's expenses in carrying out its duties under this act.

(b) Subject to the provisions of this act, monies in the special fund may be used and expended by the board to provide funds for grants to counties, municipalities, state agencies and nongovernmental entities for:

(i) Improvement of state park outdoor recreation features and trails;

(ii) Acquisition and improvement of parks and trails by counties and municipalities, if such parks and trails lie within the jurisdiction of such counties and municipalities;

(iii) Restoration or enhancement projects to create or improve access to public waters and lands for public outdoor recreation, conservation education, or the safe use and enjoyment of permanently protected conservation land;

(iv) Restoration or enhancement on privately owned working agricultural lands and forests that support conservation of soil, water, habitat of fish and wildlife resources;

(v) Restoration or enhancement of wetlands, native forests, native grasslands and other unique habitats important for Mississippi's fish and wildlife; and

(vi) Acquisition of critical areas for the provision or protection of clean water, wildlife, hunting, fishing, military installation buffering or natural resource-based outdoor recreation. Real property may only be acquired under this subparagraph (vi) when the property:

1. Is, at the time of acquisition, being leased by the state as a wildlife management area;

2. Adjoins or is in close proximity to state or federal wildlife management areas or state parks, or would provide better public access to such areas;

3. Is identified in a wildlife action plan developed by a state agency;

4. Constitutes riparian lands, and its acquisition is for the purpose of protecting any drinking water supply; or

5. Surrounds a military base or military installation.

Acquisition of land under this subparagraph (vi) may not be made through the exercise of any power of eminent domain or any condemnation proceeding.

(c) Unless otherwise authorized by the board, a county, municipality, state agency or nongovernmental entity receiving funds for a project under this section must expend the funds for the project within two (2) years after receipt of the funds in order to be eligible to apply for additional funds for the project under this section. If a county, municipality, state agency or nongovernmental entity receiving funds for a project does not expend the funds within two (2) years after receipt of the funds, then the county, municipality, state agency or nongovernmental entity must provide an accounting of such unused funds and the reason for failure to expend the funds. If the board determines that the project will not be completed in a timely manner, the county, municipality, state agency or nongovernmental entity must then return any unexpended funds.

(d) Monies in the special fund may not be used, expended or transferred for any other purpose other than authorized in this act.

(2) (a) The board shall accept applications from counties, municipalities, state agencies and nongovernmental entities for project proposals eligible for funding under this section. The board shall evaluate the proposals received in accordance with this act.

(b) A county, municipality, state agency or nongovernmental entity desiring assistance under this section must submit a complete application to the board. The

application must include a description of the purpose for which assistance is requested, the type and amount of assistance requested and any other information required by the board.

(c) The board shall require annual independent audits of all expenditures from the special fund and present those findings to the Governor, Lieutenant Governor, Speaker of the House, Chairs of the Senate and House Appropriations Committees, Chairs of the Senate Finance and House Ways and Means Committees and Chairs of the Senate and House Wildlife, Fisheries and Parks Committees.

(d) To be eligible for funding, any nongovernmental entity applicant must submit its most recent audit, disclose any audit deficiencies in the previous five (5) years, submit its certificate of good standing from the Mississippi Secretary of State, and submit a current list of its board members for purposes of conflicts of interest.

(e) For funds to be spent on private land, the applicant must show demonstrably that the project will benefit the public.

(f) Projects that acquire property shall not be considered for approval until after July 1, 2024.

(3) The board, at its first meeting of each calendar year, shall prepare a list of priorities and criteria to guide the selection of projects. The board shall give increased priority to projects:

(a) Supporting the public recreation and conservation efforts of state agencies, counties and municipalities;

(b) Leveraging or matching other nonfederal or federal funds available for similar purposes;

(c) Supporting and promoting recreation in the form of archery, boating, hiking, camping, fishing, hunting, running, jogging, biking, walking, shooting or similar outdoor activities;

(d) Contributing to the improvement of the quality and quantity of surface water and groundwater; or

(e) Contributing to the conservation of soil, water, and fish and wildlife resources on privately owned working agricultural lands or forests.

(4) Upon approval of the total list of projects by the board, the list of projects shall be submitted to the Lieutenant Governor, Speaker of the House, Chairs of the Senate and House Appropriations Committees, Chairs of the Senate Finance and House Ways and Means Committees and Chairs of the Senate and House Wildlife, Fisheries and Parks Committees. If federal funds or guidelines become available and are certified by the Executive Director of the Department of Finance and Administration or the Executive Director of the Mississippi Outdoor Stewardship Fund, the board shall be authorized to expend funds from the Mississippi Outdoor Stewardship Trust Fund and shall notify the Lieutenant Governor, Speaker of the House, Chairs of the Senate and House Appropriations Committees, Chairs of the Senate Finance and House Ways and Means Committees, Chairs of the Senate and House Wildlife, Fisheries and Parks Committees, and Legislative Budget Office of such expenditures prior to their distribution to certain projects approved by the board.

SECTION 5. This act shall take effect and be in force from and after July 1, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO ENACT THE MISSISSIPPI OUTDOOR STEWARDSHIP ACT; TO ESTABLISH THE BOARD OF TRUSTEES OF THE MISSISSIPPI OUTDOOR STEWARDSHIP TRUST FUND; TO SPECIFY THE MEMBERSHIP OF THE BOARD; TO CREATE THE MISSISSIPPI OUTDOOR STEWARDSHIP TRUST FUND AS A SPECIAL FUND IN THE STATE TREASURY; TO PROVIDE THAT MONIES IN THE SPECIAL FUND MAY BE USED AND EXPENDED BY THE BOARD TO PROVIDE FUNDS FOR GRANTS TO COUNTIES, MUNICIPALITIES, STATE AGENCIES AND NONGOVERNMENTAL ENTITIES FOR VARIOUS OUTDOOR STEWARDSHIP PURPOSES; TO PROVIDE REQUIREMENTS FOR APPLICATIONS FROM COUNTIES, MUNICIPALITIES, STATE AGENCIES AND NONGOVERNMENTAL ENTITIES FOR PROJECT PROPOSALS ELIGIBLE FOR FUNDING; TO DIRECT THE BOARD TO REQUIRE ANNUAL INDEPENDENT AUDITS OF ALL EXPENDITURES FROM THE SPECIAL FUND AND TO PRESENT THOSE FINDINGS TO THE GOVERNOR AND THE LEGISLATURE; TO DIRECT THE BOARD TO ESTABLISH CRITERIA FOR GUIDING ITS SELECTION OF PROJECTS FOR FUNDING; TO REQUIRE THAT THE LIST OF PROJECTS APPROVED BY THE BOARD BE SUBMITTED TO THE LEGISLATURE; TO REQUIRE THE BOARD, BEFORE DISTRIBUTING FUNDS FROM THE MISSISSIPPI OUTDOOR STEWARDSHIP TRUST FUND TO APPROVED PROJECTS, TO NOTIFY THE LEGISLATURE OF SUCH EXPENDITURES; AND FOR RELATED PURPOSES.

#### REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 936: Hospice care services for terminally ill inmates; authorize MDOC to provide for those confined in facilities under MDOC jurisdiction.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. The Department of Corrections is authorized to provide for hospice care services for inmates who are confined in facilities under the jurisdiction of the department and who are terminally ill as defined in Section 41-85-3. The department may have those hospice care services provided by properly qualified employees of the department or may contract for the providing of the hospice care services. If the department provides the hospice care services with department employees, the department is not required to have a license under the Mississippi Hospice Law.

SECTION 2. Section 41-85-5, Mississippi Code of 1972, is amended as follows:

41-85-5. (1) It is unlawful for a person to operate or maintain a hospice, use the title "hospice," or represent that the person provides a hospice program of care, without first obtaining a license therefor from the department.

(2) The license shall be displayed in a conspicuous place inside the hospice program office; shall be valid only in the possession of the person to which it is issued; shall not be subject to sale, assignment or other transfer, voluntary or involuntary; and shall not be valid for any hospice other than the hospice for which originally issued.

(3) Services provided by a hospital, nursing home or other health care facility or health care provider shall not be considered to constitute a hospice program of care unless such facility, provider or care giver establishes a freestanding or distinct hospice unit, staff, facility and services to provide hospice home care, homelike inpatient hospice

care, or outpatient hospice care under the separate and distinct administrative authority of a hospice program.

(4) A license for a hospice program shall not be issued if the hospice is to be located in an area in violation of any local zoning ordinances or regulations.

(5) The Department of Corrections may provide hospice care services to inmates confined in facilities under the jurisdiction of the department as authorized under Section 1 of this act without a license issued under this chapter.

SECTION 3. Section 43-11-1, Mississippi Code of 1972, is amended as follows:

43-11-1. When used in this chapter, the following words shall have the following meaning:

(a) "Institutions for the aged or infirm" means a place either governmental or private that provides group living arrangements for four (4) or more persons who are unrelated to the operator and who are being provided food, shelter and personal care, whether any such place is organized or operated for profit or not. The term "institution for the aged or infirm" includes nursing homes, pediatric skilled nursing facilities, psychiatric residential treatment facilities, convalescent homes, homes for the aged \* \* \*, adult foster care facilities \* \* \* and special care facilities for paroled inmates, provided that these institutions fall within the scope of the definitions set forth above. The term "institution for the aged or infirm" does not include hospitals, clinics or mental institutions devoted primarily to providing medical service, and does not include any private residence in which the owner of the residence is providing personal care services to disabled or homeless veterans under an agreement with, and in compliance with the standards prescribed by, the United States Department of Veterans Affairs, if the owner of the residence also provided personal care services to disabled or homeless veterans at any time during calendar year 2008.

(b) "Person" means any individual, firm, partnership, corporation, company, association or joint-stock association, or any licensee herein or the legal successor thereof.

(c) "Personal care" means assistance rendered by personnel of the home to aged or infirm residents in performing one or more of the activities of daily living, which includes, but is not limited to, the bathing, walking, excretory functions, feeding, personal grooming and dressing of such residents.

(d) "Psychiatric residential treatment facility" means any nonhospital establishment with permanent facilities which provides a twenty-four-hour program of care by qualified therapists, including, but not limited to, duly licensed mental health professionals, psychiatrists, psychologists, psychotherapists and licensed certified social workers, for emotionally disturbed children and adolescents referred to such facility by a court, local school district or by the Department of Human Services, who are not in an acute phase of illness requiring the services of a psychiatric hospital, and are in need of such restorative treatment services. For purposes of this paragraph, the term "emotionally disturbed" means a condition exhibiting one or more of the following characteristics over a long period of time and to a marked degree, which adversely affects educational performance:

1. An inability to learn which cannot be explained by intellectual, sensory or health factors;
2. An inability to build or maintain satisfactory relationships with peers and teachers;

3. Inappropriate types of behavior or feelings under normal circumstances;

4. A general pervasive mood of unhappiness or depression; or

5. A tendency to develop physical symptoms or fears associated with personal or school problems. An establishment furnishing primarily domiciliary care is not within this definition.

(e) "Pediatric skilled nursing facility" means an institution or a distinct part of an institution that is primarily engaged in providing to inpatients skilled nursing care and related services for persons under twenty-one (21) years of age who require medical or nursing care or rehabilitation services for the rehabilitation of injured, disabled or sick persons.

(f) "Licensing agency" means the State Department of Health.

(g) "Medical records" mean, without restriction, those medical histories, records, reports, summaries, diagnoses and prognoses, records of treatment and medication ordered and given, notes, entries, x-rays and other written or graphic data prepared, kept, made or maintained in institutions for the aged or infirm that pertain to residency in, or services rendered to residents of, an institution for the aged or infirm.

(h) "Adult foster care facility" means a home setting for vulnerable adults in the community who are unable to live independently due to physical, emotional, developmental or mental impairments, or in need of emergency and continuing protective social services for purposes of preventing further abuse or neglect and for safeguarding and enhancing the welfare of the abused or neglected vulnerable adult. Adult foster care programs shall be designed to meet the needs of vulnerable adults with impairments through individual plans of care, which provide a variety of health, social and related support services in a protective setting, enabling participants to live in the community. Adult foster care programs may be (i) traditional, where the foster care provider lives in the residence and is the primary caregiver to clients in the home; (ii) corporate, where the foster care home is operated by a corporation with shift staff delivering services to clients; or (iii) shelter, where the foster care home accepts clients on an emergency short-term basis for up to thirty (30) days.

(i) "Special care facilities for paroled inmates" means long-term care and skilled nursing facilities licensed as special care facilities for medically frail paroled inmates, formed to ease the burden of prison overcrowding and provide compassionate release and medical parole initiatives while impacting economic outcomes for the Mississippi prison system. The facilities shall meet all Mississippi Department of Health and federal Center for Medicaid Services (CMS) requirements and shall be regulated by both agencies; provided, however, such regulations shall not be as restrictive as those required for personal care homes and other institutions devoted primarily to providing medical services. The facilities will offer physical, occupational and speech therapy, nursing services, wound care, a dedicated COVID services unit, individualized patient centered plans of care, social services, spiritual services, physical activities, transportation, medication, durable medical equipment, personalized meal plans by a licensed dietician and security services. There may be up to three (3) facilities located in each Supreme Court district, to be designated by the Chairman of the State Parole Board or his designee.

SECTION 4. Section 43-11-13, Mississippi Code of 1972, is amended as follows:

43-11-13. (1) The licensing agency shall adopt, amend, promulgate and enforce such rules, regulations and standards, including classifications, with respect to all institutions for the aged or infirm to be licensed under this chapter as may be designed to further the accomplishment of the purpose of this chapter in promoting adequate care of

individuals in those institutions in the interest of public health, safety and welfare. Those rules, regulations and standards shall be adopted and promulgated by the licensing agency and shall be recorded and indexed in a book to be maintained by the licensing agency in its main office in the State of Mississippi, entitled "Rules, Regulations and Minimum Standards for Institutions for the Aged or Infirm" and the book shall be open and available to all institutions for the aged or infirm and the public generally at all reasonable times. Upon the adoption of those rules, regulations and standards, the licensing agency shall mail copies thereof to all those institutions in the state that have filed with the agency their names and addresses for this purpose, but the failure to mail the same or the failure of the institutions to receive the same shall in no way affect the validity thereof. The rules, regulations and standards may be amended by the licensing agency, from time to time, as necessary to promote the health, safety and welfare of persons living in those institutions.

(2) The licensee shall keep posted in a conspicuous place on the licensed premises all current rules, regulations and minimum standards applicable to fire protection measures as adopted by the licensing agency. The licensee shall furnish to the licensing agency at least once each six (6) months a certificate of approval and inspection by state or local fire authorities. Failure to comply with state laws and/or municipal ordinances and current rules, regulations and minimum standards as adopted by the licensing agency, relative to fire prevention measures, shall be prima facie evidence for revocation of license.

(3) The State Board of Health shall promulgate rules and regulations restricting the storage, quantity and classes of drugs allowed in personal care homes and adult foster care facilities. Residents requiring administration of Schedule II Narcotics as defined in the Uniform Controlled Substances Law may be admitted to a personal care home. Schedule drugs may only be allowed in a personal care home if they are administered or stored utilizing proper procedures under the direct supervision of a licensed physician or nurse.

(4) (a) Notwithstanding any determination by the licensing agency that skilled nursing services would be appropriate for a resident of a personal care home, that resident, the resident's guardian or the legally recognized responsible party for the resident may consent in writing for the resident to continue to reside in the personal care home, if approved in writing by a licensed physician. However, no personal care home shall allow more than two (2) residents, or ten percent (10%) of the total number of residents in the facility, whichever is greater, to remain in the personal care home under the provisions of this subsection (4). This consent shall be deemed to be appropriately informed consent as described in the regulations promulgated by the licensing agency. After that written consent has been obtained, the resident shall have the right to continue to reside in the personal care home for as long as the resident meets the other conditions for residing in the personal care home. A copy of the written consent and the physician's approval shall be forwarded by the personal care home to the licensing agency.

(b) The State Board of Health shall promulgate rules and regulations restricting the handling of a resident's personal deposits by the director of a personal care home. Any funds given or provided for the purpose of supplying extra comforts, conveniences or services to any resident in any personal care home, and any funds otherwise received and held from, for or on behalf of any such resident, shall be deposited by the director or other proper officer of the personal care home to the credit of that resident in an account that shall be known as the Resident's Personal Deposit Fund. No more than one (1) month's charge for the care, support, maintenance and medical attention of the resident shall be applied from the account at any one time. After the death, discharge or transfer of any resident for whose benefit any such fund has been provided, any unexpended balance remaining in his personal deposit fund shall be applied for the payment of care, cost of support, maintenance and medical attention that is accrued. If any unexpended balance remains in that resident's personal deposit fund after complete reimbursement has been made for payment of care, support, maintenance and medical

attention, and the director or other proper officer of the personal care home has been or shall be unable to locate the person or persons entitled to the unexpended balance, the director or other proper officer may, after the lapse of one (1) year from the date of that death, discharge or transfer, deposit the unexpended balance to the credit of the personal care home's operating fund.

(c) The State Board of Health shall promulgate rules and regulations requiring personal care homes to maintain records relating to health condition, medicine dispensed and administered, and any reaction to that medicine. The director of the personal care home shall be responsible for explaining the availability of those records to the family of the resident at any time upon reasonable request.

(5) The State Board of Health and the Mississippi Department of Corrections shall jointly issue rules and regulations for the operation of the special care facilities for paroled inmates.

( \*\* \*6) (a) For the purposes of this subsection ( \*\* \*6):

(i) "Licensed entity" means a hospital, nursing home, personal care home, home health agency, hospice or adult foster care facility;

(ii) "Covered entity" means a licensed entity or a health care professional staffing agency;

(iii) "Employee" means any individual employed by a covered entity, and also includes any individual who by contract provides to the patients, residents or clients being served by the covered entity direct, hands-on, medical patient care in a patient's, resident's or client's room or in treatment or recovery rooms. The term "employee" does not include health care professional/vocational technical students performing clinical training in a licensed entity under contracts between their schools and the licensed entity, and does not include students at high schools located in Mississippi who observe the treatment and care of patients in a licensed entity as part of the requirements of an allied-health course taught in the high school, if:

1. The student is under the supervision of a licensed health care provider; and
2. The student has signed an affidavit that is on file at the student's school stating that he or she has not been convicted of or pleaded guilty or nolo contendere to a felony listed in paragraph (d) of this subsection ( \*\* \*6), or that any such conviction or plea was reversed on appeal or a pardon was granted for the conviction or plea. Before any student may sign such an affidavit, the student's school shall provide information to the student explaining what a felony is and the nature of the felonies listed in paragraph (d) of this subsection ( \*\* \*6).

However, the health care professional/vocational technical academic program in which the student is enrolled may require the student to obtain criminal history record checks. In such incidences, paragraph (a)(iii)1 and 2 of this subsection ( \*\* \*6) does not preclude the licensing entity from processing submitted fingerprints of students from healthcare-related professional/vocational technical programs who, as part of their program of study, conduct observations and provide clinical care and services in a covered entity.

(b) Under regulations promulgated by the State Board of Health, the licensing agency shall require to be performed a criminal history record check on (i) every new employee of a covered entity who provides direct patient care or services and who is employed on or after July 1, 2003, and (ii) every employee of a covered entity employed before July 1, 2003, who has a documented disciplinary action by his or her present employer. In addition, the licensing agency shall require the covered entity to perform a

disciplinary check with the professional licensing agency of each employee, if any, to determine if any disciplinary action has been taken against the employee by that agency.

Except as otherwise provided in paragraph (c) of this subsection ( \*\* \*6), no such employee hired on or after July 1, 2003, shall be permitted to provide direct patient care until the results of the criminal history record check have revealed no disqualifying record or the employee has been granted a waiver. In order to determine the employee applicant's suitability for employment, the applicant shall be fingerprinted. Fingerprints shall be submitted to the licensing agency from scanning, with the results processed through the Department of Public Safety's Criminal Information Center. The fingerprints shall then be forwarded by the Department of Public Safety to the Federal Bureau of Investigation for a national criminal history record check. The licensing agency shall notify the covered entity of the results of an employee applicant's criminal history record check. If the criminal history record check discloses a felony conviction, guilty plea or plea of nolo contendere to a felony of possession or sale of drugs, murder, manslaughter, armed robbery, rape, sexual battery, sex offense listed in Section 45-33-23(h), child abuse, arson, grand larceny, burglary, gratification of lust or aggravated assault, or felonious abuse and/or battery of a vulnerable adult that has not been reversed on appeal or for which a pardon has not been granted, the employee applicant shall not be eligible to be employed by the covered entity.

(c) Any such new employee applicant may, however, be employed on a temporary basis pending the results of the criminal history record check, but any employment contract with the new employee shall be voidable if the new employee receives a disqualifying criminal history record check and no waiver is granted as provided in this subsection ( \*\* \*6).

(d) Under regulations promulgated by the State Board of Health, the licensing agency shall require every employee of a covered entity employed before July 1, 2003, to sign an affidavit stating that he or she has not been convicted of or pleaded guilty or nolo contendere to a felony of possession or sale of drugs, murder, manslaughter, armed robbery, rape, sexual battery, any sex offense listed in Section 45-33-23(h), child abuse, arson, grand larceny, burglary, gratification of lust, aggravated assault, or felonious abuse and/or battery of a vulnerable adult, or that any such conviction or plea was reversed on appeal or a pardon was granted for the conviction or plea. No such employee of a covered entity hired before July 1, 2003, shall be permitted to provide direct patient care until the employee has signed the affidavit required by this paragraph (d). All such existing employees of covered entities must sign the affidavit required by this paragraph (d) within six (6) months of the final adoption of the regulations promulgated by the State Board of Health. If a person signs the affidavit required by this paragraph (d), and it is later determined that the person actually had been convicted of or pleaded guilty or nolo contendere to any of the offenses listed in this paragraph (d) and the conviction or plea has not been reversed on appeal or a pardon has not been granted for the conviction or plea, the person is guilty of perjury. If the offense that the person was convicted of or pleaded guilty or nolo contendere to was a violent offense, the person, upon a conviction of perjury under this paragraph, shall be punished as provided in Section 97-9-61. If the offense that the person was convicted of or pleaded guilty or nolo contendere to was a nonviolent offense, the person, upon a conviction of perjury under this paragraph, shall be punished by a fine of not more than Five Hundred Dollars (\$500.00), or by imprisonment in the county jail for not more than six (6) months, or by both such fine and imprisonment.

(e) The covered entity may, in its discretion, allow any employee who is unable to sign the affidavit required by paragraph (d) of this subsection ( \*\* \*6) or any employee applicant aggrieved by an employment decision under this subsection ( \*\* \*6) to appear before the covered entity's hiring officer, or his or her designee, to show mitigating circumstances that may exist and allow the employee or employee applicant to be employed by the covered entity. The covered entity, upon report and recommendation of the hiring officer, may grant waivers for those mitigating circumstances, which shall

include, but not be limited to: (i) age at which the crime was committed; (ii) circumstances surrounding the crime; (iii) length of time since the conviction and criminal history since the conviction; (iv) work history; (v) current employment and character references; and (vi) other evidence demonstrating the ability of the individual to perform the employment responsibilities competently and that the individual does not pose a threat to the health or safety of the patients of the covered entity.

(f) The licensing agency may charge the covered entity submitting the fingerprints a fee not to exceed Fifty Dollars (\$50.00), which covered entity may, in its discretion, charge the same fee, or a portion thereof, to the employee applicant. Any increase in the fee charged by the licensing agency under this paragraph shall be in accordance with the provisions of Section 41-3-65. Any costs incurred by a covered entity implementing this subsection ( \*\* \*6) shall be reimbursed as an allowable cost under Section 43-13-116.

(g) If the results of an employee applicant's criminal history record check reveals no disqualifying event, then the covered entity shall, within two (2) weeks of the notification of no disqualifying event, provide the employee applicant with a notarized letter signed by the chief executive officer of the covered entity, or his or her authorized designee, confirming the employee applicant's suitability for employment based on his or her criminal history record check. An employee applicant may use that letter for a period of two (2) years from the date of the letter to seek employment with any covered entity without the necessity of an additional criminal history record check. Any covered entity presented with the letter may rely on the letter with respect to an employee applicant's criminal background and is not required for a period of two (2) years from the date of the letter to conduct or have conducted a criminal history record check as required in this subsection ( \*\* \*6).

(h) The licensing agency, the covered entity, and their agents, officers, employees, attorneys and representatives, shall be presumed to be acting in good faith for any employment decision or action taken under this subsection ( \*\* \*6). The presumption of good faith may be overcome by a preponderance of the evidence in any civil action. No licensing agency, covered entity, nor their agents, officers, employees, attorneys and representatives shall be held liable in any employment decision or action based in whole or in part on compliance with or attempts to comply with the requirements of this subsection ( \*\* \*6).

(i) The licensing agency shall promulgate regulations to implement this subsection ( \*\* \*6).

(j) The provisions of this subsection ( \*\* \*6) shall not apply to:

(i) Applicants and employees of the University of Mississippi Medical Center for whom criminal history record checks and fingerprinting are obtained in accordance with Section 37-115-41; or

(ii) Health care professional/vocational technical students for whom criminal history record checks and fingerprinting are obtained in accordance with Section 37-29-232.

( \*\* \*7) The State Board of Health shall promulgate rules, regulations and standards regarding the operation of adult foster care facilities.

SECTION 5. Section 47-5-28, Mississippi Code of 1972, is amended as follows:

47-5-28. The commissioner shall have the following powers and duties:

(a) To implement and administer laws and policy relating to corrections and coordinate the efforts of the department with those of the federal government and other

state departments and agencies, county governments, municipal governments, and private agencies concerned with providing offender services;

(b) To establish standards, in cooperation with other state agencies having responsibility as provided by law, provide technical assistance, and exercise the requisite supervision as it relates to correctional programs over all state-supported adult correctional facilities and community-based programs;

(c) To promulgate and publish such rules, regulations and policies of the department as are needed for the efficient government and maintenance of all facilities and programs in accord insofar as possible with currently accepted standards of adult offender care and treatment;

(d) To provide the Parole Board with suitable and sufficient office space and support resources and staff necessary to \* \* \* conduct Parole Board business under the guidance of the Chairman of the Parole Board;

(e) To contract for transitional reentry center beds that will be used as noncorrections housing for offenders released from the department on parole, probation or post-release supervision but do not have appropriate housing available upon release. At least one hundred (100) but no more than eight hundred (800) transitional reentry center beds contracted by the department and chosen by the Parole Board shall be available for the Parole Board to place parolees without appropriate housing;

(f) To designate deputy commissioners while performing their officially assigned duties relating to the custody, control, transportation, recapture or arrest of any offender within the jurisdiction of the department or any offender of any jail, penitentiary, public workhouse or overnight lockup of the state or any political subdivision thereof not within the jurisdiction of the department, to the status of peace officers anywhere in the state in any matter relating to the custody, control, transportation or recapture of such offender, and shall have the status of law enforcement officers and peace officers as contemplated by Sections 45-6-3, 97-3-7 and 97-3-19.

For the purpose of administration and enforcement of this chapter, deputy commissioners of the Mississippi Department of Corrections, who are certified by the Mississippi Board on Law Enforcement Officer Standards and Training, have the powers of a law enforcement officer of this state. Such powers shall include to make arrests and to serve and execute search warrants and other valid legal process anywhere within the State of Mississippi while performing their officially assigned duties relating to the custody, control, transportation, recapture or arrest of any offender within the jurisdiction of the department or any offender of any jail, penitentiary, public workhouse or overnight lockup of the state or any political subdivision thereof not within the jurisdiction of the department in any matter relating to the custody, control, transportation or recapture of such offender \* \* \*;

(g) To make an annual report to the Governor and the Legislature reflecting the activities of the department and make recommendations for improvement of the services to be performed by the department;

(h) To cooperate fully with periodic independent internal investigations of the department and to file the report with the Governor and the Legislature;

(i) To make personnel actions for a period of one (1) year beginning July 1, 2016, that are exempt from State Personnel Board rules, regulations and procedures in order to give the commissioner flexibility in making an orderly, effective and timely reorganization and realignment of the department; \* \* \*

(j) To contract with licensed special care facilities for paroled inmates to provide authorized medical services and support services for medically frail inmates who

have been paroled and who have voluntarily submitted to the Department of Corrections an address to one of the licensed care facilities to receive such services; and

( \* \* \*k) To perform such other duties necessary to effectively and efficiently carry out the purposes of the department as may be directed by the Governor.

SECTION 6. Section 47-7-4, Mississippi Code of 1972, is amended as follows:

47-7-4. (1) The commissioner and the medical director of the department may place an offender who has served not less than one (1) year of his or her sentence, except an offender convicted of a sex crime, on conditional medical release. However, a nonviolent offender who is bedridden may be placed on conditional medical release regardless of the time served on his or her sentence. Upon the release of a nonviolent offender who is bedridden, the state shall not be responsible or liable for any medical costs that may be incurred if such costs are acquired after the offender is no longer incarcerated due to his or her placement on conditional medical release. The commissioner shall not place an offender on conditional medical release unless the medical director of the department certifies to the commissioner that (a) the offender is suffering from a significant permanent physical medical condition with no possibility of recovery; (b) that his or her further incarceration will serve no rehabilitative purposes; and (c) that the state would incur unreasonable expenses as a result of his or her continued incarceration. Any offender placed on conditional medical release shall be supervised by the Division of Community Corrections of the department for the remainder of his or her sentence. An offender's conditional medical release may be revoked and the offender returned and placed in actual custody of the department if the offender violates an order or condition of his or her conditional medical release. REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 918: Alcoholic beverages; authorize issuance of food truck permit.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 67-1-51, Mississippi Code of 1972, is amended as follows:

67-1-51. (1) Permits which may be issued by the department shall be as follows:

(a) Manufacturer's permit. A manufacturer's permit shall permit the manufacture, importation in bulk, bottling and storage of alcoholic liquor and its distribution and sale to manufacturers holding permits under this chapter in this state and to persons outside the state who are authorized by law to purchase the same, and to sell as provided by this chapter.

Manufacturer's permits shall be of the following classes:

Class 1. Distiller's and/or rectifier's permit, which shall authorize the holder thereof to operate a distillery for the production of distilled spirits by distillation or redistillation and/or to operate a rectifying plant for the purifying, refining, mixing, blending, flavoring or reducing in proof of distilled spirits and alcohol.

Class 2. Wine manufacturer's permit, which shall authorize the holder thereof to manufacture, import in bulk, bottle and store wine or vinous liquor.

Class 3. Native wine producer's permit, which shall authorize the holder thereof to produce, bottle, store and sell native wines.

Class 4. Native spirit producer's permit, which shall authorize the holder thereof to produce, bottle, store and sell native spirits.

(b) Package retailer's permit. Except as otherwise provided in this paragraph and Section 67-1-52, a package retailer's permit shall authorize the holder thereof to operate a store exclusively for the sale at retail in original sealed and unopened packages of alcoholic beverages, including native wines and native spirits, not to be consumed on the premises where sold. Alcoholic beverages shall not be sold by any retailer in any package or container containing less than fifty (50) milliliters by liquid measure. A package retailer's permit, with prior approval from the department, shall authorize the holder thereof to sample new product furnished by a manufacturer's representative or his employees at the permitted place of business so long as the sampling otherwise complies with this chapter and applicable department regulations. Such samples may not be provided to customers at the permitted place of business. In addition to the sale at retail of packages of alcoholic beverages, the holder of a package retailer's permit is authorized to sell at retail corkscrews, wine glasses, soft drinks, ice, juices, mixers and other beverages commonly used to mix with alcoholic beverages. Nonalcoholic beverages sold by the holder of a package retailer's permit shall not be consumed on the premises where sold.

(c) On-premises retailer's permit. Except as otherwise provided in subsection (5) of this section, an on-premises retailer's permit shall authorize the sale of alcoholic beverages, including native wines and native spirits, for consumption on the licensed premises only; however, a patron of the permit holder may remove one (1) bottle of wine from the licensed premises if: (i) the patron consumed a portion of the bottle of wine in the course of consuming a meal purchased on the licensed premises; (ii) the permit holder securely reseals the bottle; (iii) the bottle is placed in a bag that is secured in a manner so that it will be visibly apparent if the bag is opened; and (iv) a dated receipt for the wine and the meal is available. Additionally, as part of a carryout order, a permit holder may sell one (1) bottle of wine to be removed from the licensed premises for every two (2) entrees ordered. Such a permit shall be issued only to qualified hotels, restaurants and clubs, small craft breweries, microbreweries, and to common carriers with adequate

facilities for serving passengers. In resort areas, whether inside or outside of a municipality, the department, in its discretion, may issue on-premises retailer's permits to such establishments as it deems proper. An on-premises retailer's permit when issued to a common carrier shall authorize the sale and serving of alcoholic beverages aboard any licensed vehicle while moving through any county of the state; however, the sale of such alcoholic beverages shall not be permitted while such vehicle is stopped in a county that has not legalized such sales. If an on-premises retailer's permit is applied for by a common carrier operating solely in the water, such common carrier must, along with all other qualifications for a permit, (i) be certified to carry at least one hundred fifty (150) passengers and/or provide overnight accommodations for at least fifty (50) passengers and (ii) operate primarily in the waters within the State of Mississippi which lie adjacent to the State of Mississippi south of the three (3) most southern counties in the State of Mississippi and/or on the Mississippi River or navigable waters within any county bordering on the Mississippi River.

(d) Solicitor's permit. A solicitor's permit shall authorize the holder thereof to act as salesman for a manufacturer or wholesaler holding a proper permit, to solicit on behalf of his employer orders for alcoholic beverages, and to otherwise promote his employer's products in a legitimate manner. Such a permit shall authorize the representation of and employment by one (1) principal only. However, the permittee may also, in the discretion of the department, be issued additional permits to represent other principals. No such permittee shall buy or sell alcoholic beverages for his own account, and no such beverage shall be brought into this state in pursuance of the exercise of such permit otherwise than through a permit issued to a wholesaler or manufacturer in the state.

(e) Native wine retailer's permit. Except as otherwise provided in subsection (5) of this section, a native wine retailer's permit shall be issued only to a holder of a Class 3 manufacturer's permit, and shall authorize the holder thereof to make retail sales of native wines to consumers for on-premises consumption or to consumers in originally sealed and unopened containers at an establishment located on the premises of or in the immediate vicinity of a native winery. When selling to consumers for on-premises consumption, a holder of a native wine retailer's permit may add to the native wine alcoholic beverages not produced on the premises, so long as the total volume of foreign beverage components does not exceed twenty percent (20%) of the mixed beverage. Hours of sale shall be the same as those authorized for on-premises permittees in the city or county in which the native wine retailer is located.

(f) Temporary retailer's permit. Except as otherwise provided in subsection (5) of this section, a temporary retailer's permit shall permit the purchase and resale of alcoholic beverages, including native wines and native spirits, during legal hours on the premises described in the temporary permit only.

Temporary retailer's permits shall be of the following classes:

Class 1. A temporary one-day permit may be issued to bona fide nonprofit civic or charitable organizations authorizing the sale of alcoholic beverages, including native wine and native spirit, for consumption on the premises described in the temporary permit only. Class 1 permits may be issued only to applicants demonstrating to the department, by a statement signed under penalty of perjury submitted ten (10) days prior to the proposed date or such other time as the department may determine, that they meet the qualifications of Sections 67-1-11, 67-1-37, 67-1-51(2) and (3), 67-1-55, 67-1-57 (excluding paragraph (e)) and 67-1-59. Class 1 permittees shall obtain all alcoholic beverages from package retailers located in the county in which the temporary permit is issued. Alcoholic beverages remaining in stock upon expiration of the temporary permit may be returned by the permittee to the package retailer for a refund of the purchase price upon consent of the package retailer or may be kept by the permittee exclusively for personal use and consumption, subject to all laws pertaining to the illegal sale and possession of alcoholic beverages. The department, following review of the statement provided by the applicant and the requirements of the applicable statutes and regulations, may issue the permit.

Class 2. A temporary permit, not to exceed seventy (70) days, may be issued to prospective permittees seeking to transfer a permit authorized in paragraph (c) of this subsection. A Class 2 permit may be issued only to applicants demonstrating to the department, by a statement signed under the penalty of perjury, that they meet the qualifications of Sections 67-1-5(l), (m), (n), (o), (p) or (q), 67-1-37, 67-1-51(2) and (3), 67-1-55, 67-1-57 and 67-1-59. The department, following a preliminary review of the statement provided by the applicant and the requirements of the applicable statutes and regulations, may issue the permit.

Class 2 temporary permittees must purchase their alcoholic beverages directly from the department or, with approval of the department, purchase the remaining stock of the previous permittee. If the proposed applicant of a Class 1 or Class 2 temporary permit falsifies information contained in the application or statement, the applicant shall never again be eligible for a retail alcohol beverage permit and shall be subject to prosecution for perjury.

Class 3. A temporary one-day permit may be issued to a retail establishment authorizing the complimentary distribution of wine, including native wine, to patrons of the retail establishment at an open house or promotional event, for consumption only on the premises described in the temporary permit. A Class 3 permit may be issued only to an applicant demonstrating to the department, by a statement signed under penalty of perjury submitted ten (10) days before the proposed date or such other time as the department may determine, that it meets the qualifications of Sections 67-1-11, 67-1-37, 67-1-51(2) and (3), 67-1-55, 67-1-57 (excluding paragraph (e)) and 67-1-59. A Class 3 permit holder shall obtain all alcoholic beverages from the holder(s) of a package retailer's permit located in the county in which the temporary permit is issued. Wine remaining in stock upon expiration of the temporary permit may be returned by the Class 3 temporary permit holder to the package retailer for a refund of the purchase price, with consent of the package retailer, or may be kept by the Class 3 temporary permit holder exclusively for personal use and consumption, subject to all laws pertaining to the illegal sale and possession of alcoholic beverages. The department, following review of the statement provided by the applicant and the requirements of the applicable statutes and regulations, may issue the permit. No retailer may receive more than twelve (12) Class 3 temporary permits in a calendar year. A Class 3 temporary permit shall not be issued to a retail establishment that either holds a merchant permit issued under paragraph (l) of this subsection, or holds a permit issued under Chapter 3, Title 67, Mississippi Code of 1972, authorizing the holder to engage in the business of a retailer of light wine or beer.

(g) Caterer's permit. A caterer's permit shall permit the purchase of alcoholic beverages by a person engaging in business as a caterer and the resale of alcoholic beverages by such person in conjunction with such catering business. No person shall qualify as a caterer unless forty percent (40%) or more of the revenue derived from such catering business shall be from the serving of prepared food and not from the sale of alcoholic beverages and unless such person has obtained a permit for such business from the Department of Health. A caterer's permit shall not authorize the sale of alcoholic beverages on the premises of the person engaging in business as a caterer; however, the holder of an on-premises retailer's permit may hold a caterer's permit. When the holder of an on-premises retailer's permit or an affiliated entity of the holder also holds a caterer's permit, the caterer's permit shall not authorize the service of alcoholic beverages on a consistent, recurring basis at a separate, fixed location owned or operated by the caterer, on-premises retailer or affiliated entity and an on-premises retailer's permit shall be required for the separate location. All sales of alcoholic beverages by holders of a caterer's permit shall be made at the location being catered by the caterer, and, except as otherwise provided in subsection (5) of this section, such sales may be made only for consumption at the catered location. The location being catered may be anywhere within a county or judicial district that has voted to come out from under the dry laws or in which the sale and distribution of alcoholic beverages is otherwise authorized by law. Such sales shall be made pursuant to any other conditions and restrictions which apply to sales

made by on-premises retail permittees. The holder of a caterer's permit or his employees shall remain at the catered location as long as alcoholic beverages are being sold pursuant to the permit issued under this paragraph (g), and the permittee shall have at the location the identification card issued by the Alcoholic Beverage Control Division of the department. No unsold alcoholic beverages may be left at the catered location by the permittee upon the conclusion of his business at that location. Appropriate law enforcement officers and Alcoholic Beverage Control Division personnel may enter a catered location on private property in order to enforce laws governing the sale or serving of alcoholic beverages.

(h) Research permit. A research permit shall authorize the holder thereof to operate a research facility for the professional research of alcoholic beverages. Such permit shall authorize the holder of the permit to import and purchase limited amounts of alcoholic beverages from the department or from importers, wineries and distillers of alcoholic beverages for professional research.

(i) Alcohol processing permit. An alcohol processing permit shall authorize the holder thereof to purchase, transport and possess alcoholic beverages for the exclusive use in cooking, processing or manufacturing products which contain alcoholic beverages as an integral ingredient. An alcohol processing permit shall not authorize the sale of alcoholic beverages on the premises of the person engaging in the business of cooking, processing or manufacturing products which contain alcoholic beverages. The amounts of alcoholic beverages allowed under an alcohol processing permit shall be set by the department.

(j) Hospitality cart permit. A hospitality cart permit shall authorize the sale of alcoholic beverages from a mobile cart on a golf course that is the holder of an on-premises retailer's permit. The alcoholic beverages sold from the cart must be consumed within the boundaries of the golf course.

(k) Special service permit. A special service permit shall authorize the holder to sell commercially sealed alcoholic beverages to the operator of a commercial or private aircraft for en route consumption only by passengers. A special service permit shall be issued only to a fixed-base operator who contracts with an airport facility to provide fueling and other associated services to commercial and private aircraft.

(l) Merchant permit. Except as otherwise provided in subsection (5) of this section, a merchant permit shall be issued only to the owner of a spa facility, an art studio or gallery, or a cooking school, and shall authorize the holder to serve complimentary by the glass wine only, including native wine, at the holder's spa facility, art studio or gallery, or cooking school. A merchant permit holder shall obtain all wine from the holder of a package retailer's permit.

(m) Temporary alcoholic beverages charitable auction permit. A temporary permit, not to exceed five (5) days, may be issued to a qualifying charitable nonprofit organization that is exempt from taxation under Section 501(c)(3) or (4) of the Internal Revenue Code of 1986. The permit shall authorize the holder to sell alcoholic beverages for the limited purpose of raising funds for the organization during a live or silent auction that is conducted by the organization and that meets the following requirements: (i) the auction is conducted in an area of the state where the sale of alcoholic beverages is authorized; (ii) if the auction is conducted on the premises of an on-premises retailer's permit holder, then the alcoholic beverages to be auctioned must be stored separately from the alcoholic beverages sold, stored or served on the premises, must be removed from the premises immediately following the auction, and may not be consumed on the premises; (iii) the permit holder may not conduct more than two (2) auctions during a calendar year; (iv) the permit holder may not pay a commission or promotional fee to any person to arrange or conduct the auction.

(n) Event venue retailer's permit. An event venue retailer's permit shall authorize the holder thereof to purchase and resell alcoholic beverages, including native wines and native spirits, for consumption on the premises during legal hours during events held on the licensed premises if food is being served at the event by a caterer who is not affiliated with or related to the permittee. The caterer must serve at least three (3) entrees. The permit may only be issued for venues that can accommodate two hundred (200) persons or more. The number of persons a venue may accommodate shall be determined by the local fire department and such determination shall be provided in writing and submitted along with all other documents required to be provided for an on-premises retailer's permit. The permittee must derive the majority of its revenue from event-related fees, including, but not limited to, admission fees or ticket sales for live entertainment in the building. "Event-related fees" do not include alcohol, beer or light wine sales or any fee which may be construed to cover the cost of alcohol, beer or light wine. This determination shall be made on a per event basis. An event may not last longer than two (2) consecutive days per week.

(o) Temporary theatre permit. A temporary theatre permit, not to exceed five (5) days, may be issued to a charitable nonprofit organization that is exempt from taxation under Section 501(c)(3) or (4) of the Internal Revenue Code and owns or operates a theatre facility that features plays and other theatrical performances and productions. Except as otherwise provided in subsection (5) of this section, the permit shall authorize the holder to sell alcoholic beverages, including native wines and native spirits, to patrons of the theatre during performances and productions at the theatre facility for consumption during such performances and productions on the premises of the facility described in the permit. A temporary theatre permit holder shall obtain all alcoholic beverages from package retailers located in the county in which the permit is issued. Alcoholic beverages remaining in stock upon expiration of the temporary theatre permit may be returned by the permittee to the package retailer for a refund of the purchase price upon consent of the package retailer or may be kept by the permittee exclusively for personal use and consumption, subject to all laws pertaining to the illegal sale and possession of alcoholic beverages.

(p) Charter ship operator's permit. Subject to the provisions of this paragraph (p), a charter ship operator's permit shall authorize the holder thereof and its employees to serve, monitor, store and otherwise control the serving and availability of alcoholic beverages to customers of the permit holder during private charters under contract provided by the permit holder. A charter ship operator's permit shall authorize such action by the permit holder and its employees only as to alcoholic beverages brought onto the permit holder's ship by customers of the permit holder as part of such a private charter. All such alcoholic beverages must be removed from the charter ship at the conclusion of each private charter. A charter ship operator's permit shall not authorize the permit holder to sell, charge for or otherwise supply alcoholic beverages to customers, except as authorized in this paragraph (p). For the purposes of this paragraph (p), "charter ship operator" means a common carrier that (i) is certified to carry at least one hundred fifty (150) passengers and/or provide overnight accommodations for at least fifty (50) passengers, (ii) operates only in the waters within the State of Mississippi, which lie adjacent to the State of Mississippi south of the three (3) most southern counties in the State of Mississippi, and (iii) provides charters under contract for tours and trips in such waters.

(q) Distillery retailer's permit. The holder of a Class 1 manufacturer's permit may obtain a distillery retailer's permit. A distillery retailer's permit shall authorize the holder thereof to sell at retail alcoholic beverages to consumers for on-premises consumption, or to consumers by the sealed and unopened bottle from a retail location at the distillery for off-premises consumption. The holder may only sell product manufactured by the manufacturer at the distillery described in the permit. However, when selling to consumers for on-premises consumption, a holder of a distillery retailer's permit may add other beverages, alcoholic or not, so long as the total volume of other beverage components containing alcohol does not exceed twenty percent (20%). Hours

of sale shall be the same as those authorized for on-premises permittees in the city or county in which the distillery retailer is located.

The holder shall not sell at retail more than ten percent (10%) of the alcoholic beverages produced annually at its distillery. The holder shall not make retail sales of more than two and twenty-five one-hundredths (2.25) liters, in the aggregate, of the alcoholic beverages produced at its distillery to any one (1) individual for consumption off the premises of the distillery within a twenty-four-hour period. The hours of sale shall be the same as those hours for package retailers under this chapter. The holder of a distillery retailer's permit is not required to purchase the alcoholic beverages authorized to be sold by this paragraph from the department's liquor distribution warehouse; however, if the holder does not purchase the alcoholic beverages from the department's liquor distribution warehouse, the holder shall pay to the department all taxes, fees and surcharges on the alcoholic beverages that are imposed upon the sale of alcoholic beverages shipped by the Alcoholic Beverage Control Division of the Department of Revenue. In addition to alcoholic beverages, the holder of a distillery retailer's permit may sell at retail promotional products from the same retail location, including shirts, hats, glasses, and other promotional products customarily sold by alcoholic beverage manufacturers.

(r) Festival Wine Permit. Any wine manufacturer or native wine producer permitted by Mississippi or any other state is eligible to obtain a Festival Wine Permit. This permit authorizes the entity to transport product manufactured by it to festivals held within the State of Mississippi and sell sealed, unopened bottles to festival participants. The holder of this permit may provide samples at no charge to participants. "Festival" means any event at which three (3) or more vendors are present at a location for the sale or distribution of goods. The holder of a Festival Wine Permit is not required to purchase the alcoholic beverages authorized to be sold by this paragraph from the department's liquor distribution warehouse. However, if the holder does not purchase the alcoholic beverages from the department's liquor distribution warehouse, the holder of this permit shall pay to the department all taxes, fees and surcharges on the alcoholic beverages sold at such festivals that are imposed upon the sale of alcoholic beverages shipped by the Alcoholic Beverage Control Division of the Department of Revenue. Additionally, the entity shall file all applicable reports and returns as prescribed by the department. This permit is issued per festival and provides authority to sell for two (2) consecutive days during the hours authorized for on-premises permittees' sales in that county or city. The holder of the permit shall be required to maintain all requirements set by Local Option Law for the service and sale of alcoholic beverages. This permit may be issued to entities participating in festivals at which a Class 1 temporary permit is in effect.

This paragraph (r) shall stand repealed from and after July 1, 2023.

(s) Charter vessel operator's permit. Subject to the provisions of this paragraph (s), a charter vessel operator's permit shall authorize the holder thereof and its employees to sell and serve alcoholic beverages to passengers of the permit holder during public tours, historical tours, ecological tours and sunset cruises provided by the permit holder. The permit shall authorize the holder to only sell alcoholic beverages, including native wines, to passengers of the charter vessel operator during public tours, historical tours, ecological tours and sunset cruises provided by the permit holder aboard the charter vessel operator for consumption during such tours and cruises on the premises of the charter vessel operator described in the permit. For the purposes of this paragraph (s), "charter vessel operator" means a common carrier that (i) is certified to carry at least forty-nine (49) passengers, (ii) operates only in the waters within the State of Mississippi, which lie south of Interstate 10 in the three (3) most southern counties in the State of Mississippi, and lie adjacent to the State of Mississippi south of the three (3) most southern counties in the State of Mississippi, extending not further than one (1) mile south of such counties, and (iii) provides vessel services for tours and cruises in such waters as provided in this paragraph (s).

(t) Native spirit retailer's permit. Except as otherwise provided in subsection (5) of this section, a native spirit retailer's permit shall be issued only to a holder of a Class 4 manufacturer's permit, and shall authorize the holder thereof to make retail sales of native spirits to consumers for on-premises consumption or to consumers in originally sealed and unopened containers at an establishment located on the premises of or in the immediate vicinity of a native distillery. When selling to consumers for on-premises consumption, a holder of a native spirit retailer's permit may add to the native spirit alcoholic beverages not produced on the premises, so long as the total volume of foreign beverage components does not exceed twenty percent (20%) of the mixed beverage. Hours of sale shall be the same as those authorized for on-premises permittees in the city or county in which the native spirit retailer is located.

(u) Delivery service permit. Any individual, limited liability company, corporation or partnership registered to do business in this state is eligible to obtain a delivery service permit. Subject to the provisions of Section 67-1-51.1, this permit authorizes the permittee, or its employee or an independent contractor acting on its behalf, to deliver alcoholic beverages, beer, light wine and light spirit product from a licensed retailer to a person in this state who is at least twenty-one (21) years of age for the individual's use and not for resale. This permit does not authorize the delivery of alcoholic beverages, beer, light wine or light spirit product to the premises of a location with a permit for the manufacture, distribution or retail sale of alcoholic beverages, beer, light wine or light spirit product. The holder of a package retailer's permit or an on-premises retailer's permit under Section 67-1-51 or of a beer, light wine and light spirit product permit under Section 67-3-19 is authorized to apply for a delivery service permit as a privilege separate from its existing retail permit.

(v) Food truck permit. A food truck permit shall authorize the holder of an on-premises retailer's permit to use a food truck to sell alcoholic beverages off its premises to guests who must consume the beverages in open containers. For the purposes of this paragraph (v), "food truck" means a fully encased food service establishment on a motor vehicle or on a trailer that a motor vehicle pulls to transport, and from which a vendor, standing within the frame of the establishment, prepares, cooks, sells and serves food for immediate human consumption. The term "food truck" does not include a food cart that is not motorized. Food trucks shall maintain such distance requirements from schools, churches, kindergartens and funeral homes as are required for on-premises retailer's permittees under this chapter, and all sales must be made within a valid leisure and recreation district established under Section 67-1-101. Food trucks cannot sell or serve alcoholic beverages unless also offering food prepared and cooked within the food truck, and permittees must maintain a twenty-five percent (25%) food sale revenue requirement based on the food sold from the food truck alone. The hours allowed for sale shall be the same as those for on-premises retailer's permittees in the location. This permit will not be required for the holder of a caterer's permit issued under this chapter to cater an event as allowed by law. Permittees must provide notice of not less than forty-eight (48) hours to the department of each location at which alcoholic beverages will be sold.

(2) Except as otherwise provided in subsection (4) of this section, retail permittees may hold more than one (1) retail permit, at the discretion of the department.

(3) (a) Except as otherwise provided in this subsection, no authority shall be granted to any person to manufacture, sell or store for sale any intoxicating liquor as specified in this chapter within four hundred (400) feet of any church, school, kindergarten or funeral home. However, within an area zoned commercial or business, such minimum distance shall be not less than one hundred (100) feet.

(b) A church or funeral home may waive the distance restrictions imposed in this subsection in favor of allowing issuance by the department of a permit, pursuant to subsection (1) of this section, to authorize activity relating to the manufacturing, sale or storage of alcoholic beverages which would otherwise be prohibited under the minimum distance criterion. Such waiver shall be in written form from the owner, the governing

H. B. No. 1162: Income tax; extend repealer on tax credit for certain charges for using certain port and airport facilities.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 27-7-22.7, Mississippi Code of 1972, is reenacted as follows:

27-7-22.7. (1) As used in this section, the term "port" means a state, county or municipal port or harbor established pursuant to Sections 59-5-1 through 59-5-69, Sections 59-7-1 through 59-7-519, Sections 59-9-1 through 59-9-85 or Sections 59-11-1 through 59-11-7.

(2) For any income taxpayer utilizing the port facilities at any port for the export of cargo that is loaded on a carrier calling at any such port, a credit against the taxes imposed pursuant to this chapter shall be allowed in the amounts provided in this section.

(3) Except as otherwise provided by subsection (5) of this section, the amount of the credit allowed pursuant to this section shall be the total of the following charges on export cargo paid by the corporation:

- (c) Wharfage.

(4) The credit provided for in this section shall not exceed fifty percent (50%) of the amount of tax imposed upon the taxpayer for the taxable year reduced by the sum of all other credits allowable to such taxpayer under this chapter, except credit for tax payments made by or on behalf of the taxpayer. Any unused portion of the credit may be carried forward for the succeeding five (5) years. The maximum cumulative credit that may be claimed by a taxpayer pursuant to this section and for the period of time beginning on January 1, 1994, and ending on December 31, 2005, is limited to One Million Two Hundred Thousand Dollars (\$1,200,000.00).

(5) To obtain the credit provided for in this section, a taxpayer must provide to the Department of Revenue a statement from the governing authority of the port certifying the amount of charges paid by the taxpayer for which a credit is claimed and any other information required by the Department of Revenue.

(6) The purpose of the tax credit provided for in this section is to promote the increased use of ports and related facilities in this state, particularly by those taxpayers which would not otherwise use such ports and related facilities without the benefit of such tax credit, and increase the number of port related jobs and other economic development benefits associated with the increased use of such ports and related facilities. It is the intent of the Legislature that in determining whether or not such tax credit will be continued in future years, the attainment of the purposes set forth in this subsection must be demonstrated by the material contained in the reports prepared by the Mississippi Development Authority under Section 27-7-22.9.

SECTION 2. Section 27-7-22.9, Mississippi Code of 1972, is reenacted as follows:

and economic growth. Each report shall show the overall annual increase on shipping at each port for the most recent year for which data is available and for each of the previous five (5) years. Each report shall estimate the number of jobs created or retained at each port and in businesses related to port activity at each port since January 1, 1994, as compared to the number of similar jobs created during the ten (10) years preceding January 1, 1994. The Mississippi Development Authority shall file a copy of the report with the Governor, the Secretary of the Senate, the Clerk of the House of Representatives and the Chairmen of the House Ways and Means Committee and the Senate Finance Committee of the Legislature on May 1 of each year. (2) Subject to the provisions of this section, for any income taxpayer utilizing the facilities at any airport for the export or import of cargo that is unloaded from a carrier at any such airport, a credit against the taxes imposed pursuant to this chapter shall be allowed in the amounts provided in this section. (5) To obtain the credit provided for in this section, a taxpayer must provide to the Department of Revenue a statement from the governing authority of the airport certifying the amount of charges paid by the taxpayer for which a credit is claimed and any other information required by the Department of Revenue.

If an owner is a joint owner with right of survivorship who is the last surviving joint owner, the beneficiary designation is effective.

(3) A designated beneficiary takes the motor vehicle subject to all encumbrances, assignments, contracts, liens and other interests to which the vehicle is subject at the owner's or last surviving owner's death, as applicable. The transfer to the designated beneficiary does not affect the ability of a lienholder to pursue an existing means of debt collection permitted under the laws of this state.

(4) The transfer to the designated beneficiary upon death is not a taxable event, regardless of the designated beneficiary's relationship to the deceased owner of the motor vehicle.

SECTION 6. (1) The owner of a motor vehicle may designate a sole beneficiary to whom the owner's interest in the vehicle transfers on the owner's death as provided by Sections 1 through 5 of this act, by submitting an application for title with the designation. To be effective, the designation must state that the transfer of an interest in the vehicle to the designated beneficiary is to occur at the transferor's death.

(2) The legal name of a beneficiary designated under this section must be included on the title.

(3) The department shall transfer title of a motor vehicle to a beneficiary designated under this section for the vehicle if the beneficiary submits:

(a) An application for title not later than the 180th day after the date of the owner's death or, if the vehicle is owned by joint owners, the last surviving owner's death, as applicable; and

(b) Satisfactory proof of the death of the owner or owners, as applicable.

(4) A beneficiary designation may be changed or revoked by submitting a new application for title.

(5) A beneficiary designation or a change or revocation of a beneficiary designation made on an application for title of a motor vehicle that has not been submitted to the department before the death of a vehicle's owner or owners who made, changed, or revoked the designation, as applicable, is invalid.

(6) The Department of Revenue may adopt rules to administer this section.

SECTION 7. This act shall take effect and be in force from and after July 1, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

#### REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1479: Mississippi Department of Corrections Commissioner; revise authority to inflict the death penalty.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.

2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 99-19-51, Mississippi Code of 1972, is amended as follows:

99-19-51. (1) At the discretion of the Commissioner, the Deputy Commissioner for Finance and Administration and the Deputy Commissioner for Institutions of the Mississippi Department of Corrections, the manner of inflicting the punishment of death shall be by \*\*\* one of the following: (a) intravenous \*\*\* injection of a substance or substances in a lethal quantity into the body; (b) nitrogen hypoxia; (c) electrocution or (d) firing squad, until death is pronounced by the county coroner where the execution takes place or by a licensed physician according to accepted standards of medical practice. \*\*\* Upon receipt of the warrant of execution from the Mississippi Supreme Court, the Commissioner of Corrections shall, within seven (7) days, provide written notice to the condemned person of the manner of execution. It is the policy of the State of Mississippi that intravenous injection of a substance or substances in a lethal quantity into the body shall be the preferred method of execution.

\*\*\*

( \*\* \*2) The Commissioner of Corrections has the authority and discretion to select and obtain the substances and the means necessary to carry out an execution, and may adopt and promulgate rules and regulations as the Commissioner deems necessary to administer and implement the provisions of this section.

( \*\* \*3) (a) The Commissioner of Corrections shall select an execution team to assist the State Executioner and his deputies. \*\*\* The execution team shall consist of those persons, \*\*\* including all medical personnel, who provide direct support for the administration of lethal chemicals \*\*\* , those individuals involved in assisting in the execution in any capacity \*\*\* and those personnel assigned to specific duties related to an execution.

(b) For the purposes of this section, "supplier of lethal injection chemicals" means a supplier or suppliers of lethal injection chemicals located within the State of Mississippi.

(c) The identities of the State Executioner and his deputies, all members of the execution team, a supplier of lethal injection chemicals, and \*\*\* those witnesses listed in Section 99-19-55(2) who attend as members of the victim's family or designated by the condemned \*\*\* person shall at all times remain confidential, and the information is exempt from disclosure under the provisions of the Mississippi Public Records Act of 1983.

( \*\* \*4) Notwithstanding any provision of law to the contrary, any portion of any record of any kind that could identify a person as being a current or former State Executioner, his or her deputies, a member of an execution team \*\*\* , a current or former supplier of lethal injection chemicals, or those witnesses listed in Section 99-19-55(2) who attend as members of the victim's family or designated by the condemned \*\*\* person, shall at all times be confidential, exempt, and protected from disclosure, but the remainder of the record shall not be protected unless otherwise provided by law. A court shall preserve the secrecy of all confidential and exempt information described in this section by reasonable means, which may include granting protective orders, holding in-camera hearings, sealing the records of the action, and ordering any person involved in the litigation not to disclose such information without prior court approval.

( \*\* \*5) Notwithstanding any provision of law to the contrary, if the State Executioner, his or her deputies, a member of the execution team or supplier of lethal injection chemicals is licensed by a board or department, the licensing board or department shall not censure, reprimand, suspend, revoke, or take any other disciplinary action against the person's license because the person participated in a lawful execution. Any person or institution assisting with or participating in carrying out an execution in accordance with this statute shall be presumed to be acting in good faith. Any person or institution acting in good faith in connection with carrying out an execution shall be immune from any liability, civil or criminal, that might otherwise be incurred or imposed. The State Executioner and his deputies, and all members of the execution team perform their respective functions as official duties on behalf of the state or any agency of the state.

SECTION 2. Section 99-19-53, Mississippi Code of 1972, is amended as follows:

99-19-53. (1) The Governor shall appoint the State Executioner who shall serve at the pleasure of the Governor and until his successor shall have been duly appointed to replace him.

(2) The State Executioner, or his duly authorized representative, shall supervise and inflict the punishment of death as the same is hereby provided. All duties and necessary acts pertaining to the execution of a convict shall be performed by the Commissioner of Corrections except where such duties and actions are vested in the State Executioner. The State Executioner shall receive for his services in connection therewith compensation in the sum of Five Hundred Dollars (\$500.00) plus all actual and necessary expenses for each such execution, to be paid by the county where the crime was committed. The county of conviction shall likewise pay the fees of the attending physician or physicians in attendance. The State Executioner may appoint not more than two (2) deputies who shall be paid One Hundred Fifty Dollars (\$150.00) per execution and mileage as authorized by law, to be paid by the county where the crime was committed, to assist in the infliction of the punishment of death. The Executioner may appoint such other assistants as may be required; however, such assistants shall not be entitled to compensation or travel expenses. The State Executioner and his deputies may waive compensation, per diem or travel expenses.

(3) Any infliction of the punishment of death by administration of the required lethal substance or substances in the manner required by law shall not be construed to be the practice of medicine or nursing. Any pharmacist is authorized to dispense drugs to the State Executioner or the Commissioner of the Mississippi Department of Corrections without a prescription for the purpose of this chapter.

(4) The State Executioner shall be custodian of all equipment and supplies involved in the infliction of the death penalty. All expenses for the maintenance and protection of the property, together with operating expenses, which as a practical matter cannot be allocated to the county of conviction, shall be paid out of funds designated by law for that purpose or out of the general support fund of the Mississippi Department of Corrections.

(5) The State Executioner shall receive the per diem compensation authorized in Section 25-3-69 in addition to actual and necessary expenses, including mileage as authorized by law, for each day, not to exceed three (3) days each month, spent in maintaining the equipment and supplies involved in the infliction of the death penalty or preparing for an execution which does not occur. Such payments shall be paid out of funds designated by law for that purpose or out of the general support fund of the Mississippi Department of Corrections.

All female persons convicted of a capital offense wherein the death sentence has been imposed shall be immediately committed to the Department of Corrections and housed in an appropriate facility designated by the Commissioner of the Mississippi Department of Corrections. Upon final affirmance of the conviction, the punishment shall be imposed in the manner provided by law. The State Executioner or his duly authorized deputy shall supervise and perform such execution.

(2) When a person is sentenced to suffer death in the manner provided by law, it shall be the duty of the clerk of the court to deliver forthwith to the Commissioner of Corrections a warrant for the execution of the condemned person. It shall be the duty of the commissioner forthwith to notify the State Executioner of the date of the execution and it shall be the duty of the said State Executioner, or any person deputized by him in writing, in the event of his physical disability, as hereinafter provided, to be present at such execution, to perform the same, and have general supervision over said execution. In addition to the above designated persons, the Commissioner of Corrections shall secure the presence at such execution of the sheriff, or his deputy, of the county of conviction, at least one (1) but not more than two (2) physicians or the county coroner where the execution takes place, and bona fide members of the press, not to exceed eight (8) in number, and at the request of the condemned, such ministers of the gospel, not exceeding two (2), as said condemned person shall name. The Commissioner of Corrections shall also name to be present at the execution such \* \* \* members of the execution team deemed by him or her to be necessary to insure proper security. No other persons shall be permitted to witness the execution, except the commissioner may permit the condemned person to designate two (2) \* \* \* witnesses, if they so request and two (2) members of the victim's \* \* \* family as witnesses, if they so request. Provided further, that the Governor may \* \* \* designate two (2) additional persons of good and reputable character to witness an execution. No person shall be allowed to take photographs or other recordings of any type during the execution. The absence of the sheriff, or deputy, after due notice to attend, shall not delay the execution.

(3) \* \* \* The Commissioner of Corrections, or his duly authorized representative, and the physician or physicians or county coroner who witnessed such execution shall prepare and sign officially a certificate setting forth the time and place thereof and that such \* \* \* condemned person was then and there executed in conformity to the sentence of the court and the provisions of Sections 99-19-51 through 99-19-55, \* \* \* which certificate shall be filed with the clerk of the court where the conviction of the criminal was had, and the clerk shall subjoin the certificate to the record of the conviction and sentence.

(4) The body of the person so executed shall be released immediately by the State Executioner, or his duly authorized representative, to the relatives of the dead person, or to such friends as may claim the body. REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2076: Derelict vessels; provide certain requirements for the removal of.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 49-27-71, Mississippi Code of 1972, is amended as follows:

49-27-71. (1) Definitions. As used in the section, the following words and phrases have the following meanings unless the context clearly indicates otherwise:

\* \* \*

(a) "Abandoned vessel" means a vessel left unattended for four (4) or more weeks after a hurricane, tropical storm or other natural event resulting in a declaration of emergency by the Governor, or, in the absence of a hurricane, tropical storm or other natural event resulting in a declaration of emergency by the Governor, any of the following:

(i) A vessel left unattended that is moored, anchored, or otherwise in the waters of the state or on public property for a period of more than ten (10) days.

(ii) A vessel that is moored, anchored, or otherwise on or attached to private property for a period of more than ten (10) days without the consent of the owner or lessee of the property or of the public trust tidelands.

Upon notification from the owner of the vessel outlining the circumstances following a hurricane, tropical storm or other natural event, the department may grant an exception to the time frames indicated above.

(b) "Department" means the Mississippi Department of Marine Resources.

(c) "Derelict vessel" means a vessel in the waters of the State of Mississippi that satisfies any of the following:

(i) Is aground without the ability to extricate itself absent mechanical assistance;

(ii) Is sunk or otherwise resting on the bottom of the waterway;

(iii) Is abandoned;

(iv) Is wrecked, junked, or in a substantially dismantled condition upon any waters of this state:

1. A vessel is "wrecked" if it is sunken or sinking; or remaining after a marine casualty, including, but not limited to, a boating accident, extreme weather, or fire.

2. A vessel is "junked" if it has been substantially stripped of vessel components, if vessel components have substantially degraded or been destroyed, or if the vessel has been discarded by the owner or operator. Attaching an outboard motor to a vessel that is otherwise junked will not cause the vessel to no longer be junked if such motor is not an effective means of propulsion.

3. A vessel is "substantially dismantled" if at least two (2) of the three (3) following vessel systems or components are missing, compromised, incomplete, inoperable, or broken:

(A) The steering system;

(B) The propulsion system; or

(C) The exterior hull integrity.

Attaching an outboard motor to a vessel that is otherwise substantially dismantled will not cause the vessel to no longer be substantially dismantled if such motor is not an effective means of propulsion;

(v) Docked, grounded, or beached upon the property of another without the consent of the owner of the property;

(vi) Is obstructing a waterway or within one hundred (100) yards of the boundaries of any state, county or municipal port;

(vii) Is endangering life or property;

(viii) Has broken loose or is in danger of breaking loose from its anchor, mooring, or ties; or

(iv) A vessel that is otherwise not seaworthy.

(d) "Documented vessel" means a vessel documented under 46 USC, Chapter 121.

(e) "Effective means of propulsion" means a vessel, other than a barge, that is equipped with:

(i) A functioning motor, controls, and steering system; or

(ii) Rigging and sails that are present and in good working order, and a functioning steering system.

A vessel does not have an effective means of propulsion for safe navigation within seventy-two (72) hours after the vessel owner or operator received telephonic notice, in-person notice recorded on an agency-approved body camera, or written notice, which may be provided by facsimile, electronic mail, or other electronic means, stating such from a representative of the department, and the vessel owner or operator is unable to provide a receipt, proof of purchase, or other documentation of having ordered necessary parts for vessel repair. The department may adopt regulations to implement this paragraph.

(f) "Floating building or structure" means a floating entity, with or without accommodations built thereon, which is not primarily used as a means of transportation on water but which serves purposes or provides services typically associated with a structure or other improvement to real property. The term includes, but is not limited to, an entity used as a residence, place of business or office with public access; a hotel or motel; a restaurant or lounge; a clubhouse; a meeting facility; a storage or parking facility; or a mining platform, dredge, dragline, or similar facility or entity represented as such. Incidental movement upon water or resting partially or entirely on the bottom does not, in and of itself, preclude an entity from classification as a floating structure.

(g) "Gross negligence" means conduct so reckless or wanting in care that it constitutes a conscious disregard or indifference to the safety of the property to such conduct.

(h) "Moored" means a vessel that is anchored or affixed in some other way to the public trust tidelands, to leased tidelands, to private land, or within the riparian zone of a private or public landowner or leaseholder.

(i) "Registered" means a vessel documented under Section 59-21-5, Mississippi Code of 1972.

(j) "Unseaworthy" means a vessel that is not fit or safe for any normal perils of the sea or has no effective means of propulsion.

(k) "Vessel" means every description of watercraft, other than a seaplane, capable of being used as a means of transportation on the water. For the purposes of this section, vessels powered only by hand, foot, oars or paddles, are included. For the purposes of this section, floatable buildings and structures, whether or not they are used for navigation, are included.

(l) "Waters of the state" means any waters located within Harrison, Hancock and Jackson Counties under the jurisdiction of the Mississippi Department of Marine Resources as established pursuant to Section 49-15-23, Mississippi Code of 1972.

(m) "Willful misconduct" means conduct evidencing carelessness or negligence of such a degree or recurrence as to manifest culpability, wrongful intent, or evil design or to show an intentional and substantial disregard of the interests of the vessel owner.

(2) Jurisdiction. (a) (i) In the waters of Harrison, Hancock and Jackson Counties, a person \* \* \*, firm, corporation or other entity may not leave derelict or at risk of being derelict, any vessel on the coastal wetlands, marine waters, or on public or privately owned lands without the owner's permission.

(ii) The Department of Marine Resources has the authority to remove derelict vessels, whether located on private or public property.

(iii) Vessels located in ports and harbors are subject to the provisions outlined in Title 50, Mississippi Code of 1972, Ports, Harbors, Landings and Watercraft.

(iv) Subparagraph (i) of this paragraph (a) does not apply to vessels located in marinas, garages or repair shops for repairs, improvements or other work with knowledge of the owner and for which the costs for such services have been unpaid.

(v) Vessels deemed to be derelict pursuant to this chapter are exempt from the salvage provisions in Section 89-17-1 et seq., Mississippi Code of 1972.

(b) (i) In all other waters of the State of Mississippi, a person, firm, corporation or other entity may not leave derelict or at risk of being derelict, any vessel in the wetlands, public waters or waterways or on public or privately owned lands without the owner's permission.

(ii) Subparagraph (i) of this paragraph (b) does not apply to vessels located in public or private marinas, garages or repair shops for repairs, improvements or other work with knowledge of the owner and for which the costs for such services have been unpaid.

(iii) Vessels deemed to be derelict pursuant to this chapter are exempt from the salvage provisions of Section 89-17-1 et seq., Mississippi Code of 1972.

(3) Penalties. Violations of this act will be subject to the penalties as provided in Section 49-15-63.

( \*\* \*4) Standing. \*\* \* A party with standing may initiate the derelict vessel procedures in this section. For purpose of this section, the following parties have standing:

(a) The owner of the property where the vessel came to rest or to which the vessel was made fast;

(b) Any harbormaster, police department, municipality or agent of the state that agrees to accept or process a derelict vessel; or

(c) Any professional marine salvager when the salvager is engaged by a person with standing.

(5) Landowner permission may be revoked at any time. The landowner must provide the department sufficient proof that the vessel owner has been notified of the revocation of landowner's permission or proof that the landowner cannot locate the owner of the vessel.

When a vessel that is not otherwise leased to another party is moored upon public trust tidelands for a period of thirty (30) days or longer, permission must be granted by the Secretary of State's Office.

( \*\* \*6) Notice. Any party with standing, or his or her representative, may initiate the notice process by filing an application with the department to remove the derelict vessel \*\* \*. Upon receipt and review of the application, \*\* \* the department may initiate the following notice process:

(a) A department officer \*\* \* is authorized to board any vessel that has been reported to the department as being derelict or at risk of being derelict to determine the condition of the vessel and in an attempt to establish ownership of the vessel.

(b) A department officer shall post notice, which must comply with the following requirements:

(i) Be posted on the vessel in a prominent location, visible to an approaching person;

(ii) Require the vessel owner to submit a plan for removal to the department within seven (7) days of the notice; and

( \* \* \*iii) \* \* \* Include a space for the owner of the vessel to respond.

(c) If the registered owner responds with a signature in the space or otherwise provides a written response to the department requesting an extension of time, then the registered owner will have an additional five (5) days to \* \* \* submit the plan for removal.

(d) \* \* \* The department will notify the respondent of the approval or denial of the removal plan within seven (7) business days.

(e) If the respondent fails to comply with the approved removal plan and fails to submit a satisfactory reason as to why the vessel cannot be moved as planned, the department may present the removal plan and evidence of the owner's noncompliance to the chancery court.

(f) Upon presentation of the required evidence, the chancery court will issue an order allowing the department or its representative to remove the vessel from its current location and make whatever disposition is deemed appropriate, including, but not limited to, immediate disposal, storage pending disposal, use for official purposes, transfer to another state agency or other disposition.

(g) If the vessel is located in an area of coastal wetlands where emergent vegetation is present or where the vessel is embedded in the ground, a wetlands permit may be required prior to removal.

(h) Any party who acts in good faith and without malicious intent in the processing, storing or moving any derelict vessel pursuant to this section is immune from liability for damages to the vessel.

(7) Determining ownership. (a) Upon receipt of an application for the removal of a derelict vessel where no removal plan has been submitted by the owner, the department must attempt to contact the registered owner of the vessel and any lien holders of record by other available means.

(b) The department must inquire of the Mississippi Department of Wildlife, Fisheries and Parks (MDWFP) as to the status of the vessel in regard to the Mississippi Boating Law of 1960, Section 59-21-1 et seq., or the United States Coast Guard as to the status of the vessel in regard to documentation under 46 USC, Chapter 121.

(c) The inquiry must provide the description of the vessel, including the vessel registration number.

(d) The MDWFP is required to provide the requested information to the department within two (2) business days.

(e) The registered owner of a vessel must comply with Section 59-21-21 to change ownership. In the event a vessel owner fails to notify the MDWFP of a transfer of ownership and supply the new owner's contact information, the owner of the vessel according to MDWFP records is presumed to be the person to whom the vessel is registered.

(f) If there is no registered owner found, the department must make publication on the department's website and in a newspaper with general circulation for three (3) weeks, describing the vessel and the location.

( \*\* \*8) Derelict vessel removal. (a) After the initial notice period described in subsection ( \*\* \*6) has lapsed \*\* \* and the department can show proof of inquiries to ascertain the vessel ownership under subsection (7) of this section, the department may obtain an order from the chancery court for the derelict vessel to be removed from its current location.

(b) \*\* \* The chancery court order may authorize the department to make whatever disposition is deemed appropriate, including, but not limited to, immediate disposal of the vessel, storage pending disposal, use for official purposes, transfer to another state agency or other disposition.

(c) \*\* \* If the vessel is located in an area of coastal wetlands where emergent vegetation is present or where the vessel is embedded in the ground, a wetlands permit may be required prior to removal.

(d) Any person who acts in good faith and without malicious intent in the processing, \*\* \* storing or \*\* \* moving of any derelict vessel pursuant to this section is immune from civil liability for damage to the vessel.

( \*\* \*9) Emergency removal. Any derelict vessel that is obstructing a waterway, is within any designated navigation channel or within one hundred (100) yards of the boundaries of any state, county or municipal port may be declared a hazard to navigation and subject to immediate relocation, removal \*\* \* disposal, or other disposition by the department or other party with standing.

(a) Any derelict vessel that is leaking any hazardous substances, chemicals or fuels will be reported to the Mississippi Department of Environmental Quality (MDEQ) and may be declared an environmental hazard and subject to immediate relocation, removal \*\* \* disposal \*\* \* or other disposition by MDEQ, the department or other party with standing.

(b) The \*\* \* registered owner of a vessel removed in accordance with this subsection \*\* \* (9) is liable for the costs associated with the relocation, removal, salvage \*\* \* storage or disposal of the vessel and any damages to the flora and fauna within the affected area.

(c) Any funds derived from salvage or sale of a vessel pursuant to this section will be used to offset the costs to the department associated with the removal, salvage, storage or disposal of the vessel.

(d) Any funds derived from damages to the flora and fauna will be deposited into the Coastal Resource Management Fund if the Department of Marine Resources initiates the action.

\*\* \* (e) Any party who relocates or removes a vessel under this section is not liable for damages resulting from relocation or removal unless the damage results from gross negligence or willful misconduct.

( \*\* \*10) Cost recovery. (a) \*\* \* The department may seek full cost recovery from the registered owner of the derelict vessel for any expense incurred as a result of, or incidental to, removing the vessel. The registered owner of the vessel is liable for the costs of removal, storage, disposal, and restoration of affected lands \*\* \*, attorneys' fees, and all court costs \*\* \*.

(b) The owner of the vessel is also liable for \*\*\* an administrative penalty of Five Hundred Dollars (\$500.00) per day. \*\*\* The penalty for emergency removal of vessels under subsection (9) of this section may be imposed by the Executive Director of the Department of Marine Resources upon the recommendation of the Advisory Commission on Marine Resources, under Section 49-15-401 et seq. The fines for removal of all other vessels may be imposed by the chancery court.

(c) Expenses incurred, including, but not limited to, fines, court costs, vessel removal, storage, disposal, restoration of affected lands, and attorneys' fees for derelict vessels will be imposed by the chancery court as outlined in subsection (11) of this section.

(d) If the registered owner should fail to pay fines imposed by the department in accordance with paragraph (b) of this subsection, an enforcement action will be filed with the chancery court which may result in the court issuing an order, including, but not limited to, the collection of fines, court costs, and/or any legal avenue the court finds appropriate to collect such funds.

(e) All proceeds from any activity initiated by the Department of Marine Resources related to the disposition of a vessel under this chapter will go into the Derelict Vessel Fund, a special fund within the Seafood Fund. However, any fines imposed for the damage to coastal wetlands will be placed in the Coastal Resource Management Fund.

( \*\* \*11) Court process. (a) The chancery court of the county in which the vessel is located has jurisdiction over all matters concerning derelict vessels under this section, including injunctions and demands for damages. If the vessel is allowed to float and/or is otherwise moved to another county after notice has been provided under subsection (6) of this section, the county in which the vessel was first provided notice shall have continuing jurisdiction.

(b) If there is no response to the publication attempts under subsection (7)(e) of this section, the chancery court will issue an order to the department allowing the department to take possession of the vessel and make such use or disposition of the vessel as deemed appropriate under the circumstances. If the department determines that the vessel may be used for official purposes or otherwise sold, the MDWFP will issue a vessel registration number or a hull identification number to the department after proof of publication has been submitted.

( \*\* \*c) The chancery court may, in its discretion, order damages up to Five Hundred Dollars (\$500.00) per day for every day the vessel was left abandoned or derelict, beginning on the day \*\*\* notice was posted on the vessel. \*\*\*

( \*\* \*d) If the department or a party with standing desires to require the registered owner to remove the vessel, then he or she may apply to the chancery court for a writ of mandatory injunction ordering the registered owner to remove the vessel. The chancery court must allow a reasonable time for removal and restoration of the affected lands. The chancery court may order further damages not to exceed Five Hundred Dollars (\$500.00) per day for each day that the violation exists beyond the date set by the court in an injunction for the removal of the vessel and restoration of the affected lands.

( \*\* \*e) Any court-ordered reimbursed costs or damages in excess of the actual costs of removal and restoration initiated by the Department of Marine Resources must be deposited in a special fund in the State Treasury known as the "Derelict Vessel Fund" \*\*\* within the Seafood Fund. Any funds deposited in the fund must be used to cover the administrative costs and removal costs incurred by the department for the removal of vessels. Any remaining funds must be used to cover the costs of removing additional derelict vessels. However, any fines imposed for the damage to coastal wetlands will be placed in the Coastal Resource Management Fund.

( \*\* \*12) Department authorities. (a) The department is authorized to enter into contracts with individuals, firms and corporations, or agreements with other state agencies for the removal and/or temporary storage of vessels prior to removal. The salvage value, if any, of the vessel may be used to offset the costs of the removal of the vessel and the restoration of the affected area. The department may enter into noncompetitive contracts or agreements with any state or federal entity for the removal of vessels.

(b) The \*\* \* department may \*\* \* enter into interstate or intrastate \*\* \* agreements toward this end, and may seek and utilize aid from all federal, state, and local sources in this endeavor.

(c) The Department of Marine Resources shall adopt rules and regulations necessary and appropriate to carry out this section for actions falling within its jurisdiction.

(d) The department may promulgate regulations to establish a derelict vessel prevention program to address vessels at risk of becoming derelict. Such program may, but is not required to, include:

(i) Removal, relocation, and destruction of vessels declared a public nuisance due to the lack of proper marine sanitation, derelict or at risk of becoming derelict, or lost or abandoned.

(ii) Creation of a vessel turn-in program allowing the owner of a vessel determined by the department to be at risk of becoming derelict, to turn the vessel and vessel title over to the department to be destroyed without penalty.

(iii) Providing for removal and destruction or other disposition of an abandoned vessel for which an owner cannot be identified or the owner of which is deceased and no heir is interested in acquiring the vessel.

(iv) Purchase of anchor line, anchors, and other equipment necessary for securing vessels at risk of becoming derelict.

(v) Creating or acquiring moorings designated for securing vessels at risk of becoming derelict.

( \*\* \*e) The State of Mississippi, the Commission on Marine Resources, the Department of Marine Resources, and their employees and representatives shall not be liable for any damages resulting from the removal, towing, storage, sale or disposal of any vessel \*\* \* that is derelict or hazardous under this section.

(f) The department or any party with standing does not incur liability for any resulting damage to the vessel or any damage the vessel may cause to any property or person during the time frame between posting notice and vessel removal. If any damages occur during the period of time between notice and removal of the vessel, the registered vessel owner, according to MDWFP records, is presumed liable for all damages.

SECTION 2. This act shall take effect and be in force from and after July 1, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 49-27-71, MISSISSIPPI CODE OF 1972, TO DEFINE CERTAIN TERMS RELATING TO DERELICT VESSELS; TO PROVIDE FOR JURISDICTION IN ACTIONS TO REMOVE DERELICT VESSELS; TO PROVIDE CERTAIN REQUIREMENTS FOR THE REMOVAL OF DERELICT VESSELS; TO PROVIDE CERTAIN REQUIREMENTS FOR THE NOTICE PROCESS FOR THE

REMOVAL OF DERELICT VESSELS; TO PROVIDE FOR THE PROCESS FOR DETERMINING OWNERSHIP OF DERELICT VESSELS; TO PROVIDE FOR RECOVERY OF COSTS ASSOCIATED WITH REMOVING DERELICT VESSELS; TO AUTHORIZE CERTAIN POWERS AND DUTIES OF THE DEPARTMENT OF MARINE RESOURCES; AND FOR RELATED PURPOSES.

#### REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2158: Mississippi Groundwater Protection Trust Fund; authorize payment of administrative costs.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.

2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 49-17-405, Mississippi Code of 1972, is amended as follows:

49-17-405. (1) There is hereby created the Mississippi Groundwater Protection Trust Fund, hereinafter referred to as the "fund" to be administered by the Executive Director of the Department of \* \* \* Environmental Quality. The commission shall adopt regulations for administering this fund.

(2) The commission shall expend or utilize monies up to One Million Dollars (\$1,000,000.00) annually in the fund by an annual appropriation approved by the Legislature to supplement all reasonable direct and indirect costs associated with the development and administration of the Underground Storage Tank (UST) Program if the annual tank regulatory fee in Section 49-17-421 does not adequately cover the costs associated with Sections 49-17-401 through 49-17-435. All reasonable direct and indirect costs associated with development and administration of the UST Program, including, but not limited to, the reasonable costs of the following activities as they relate to the UST Program:

- (a) Preparing generally applicable regulations or guidance regarding the UST Program or its implementation or enforcement;
- (b) Administering the UST Program, including the supporting and tracking of UST owners/operators and associated UST systems, compliance with UST regulations, the fund, UST-certified contractors, tank fees and related data entry;
- (c) Implementing and enforcing the terms of the UST regulations; and
- (d) Investigation, assessment and rehabilitation of contamination sites with restoration or replacement of potable water supplies.

At no time shall an annual fund appropriation result in more than supplemental funding for the current annual cost of administering the UST Program.

(3) Whenever in the executive director's determination a release of motor fuels at an active site may pose a threat to the environment or the public health, safety or welfare, the department shall obligate monies available in the fund to provide for:

- (a) Investigation and assessment of contamination sites;
- (b) Restoration or replacement of potable water supplies;
- (c) Rehabilitation of contamination sites, which may consist of cleanup of affected soil, groundwater and inland surface waters, using cost-effective alternatives that are technologically feasible and reliable, and that provide adequate protection of the public health, safety and welfare and minimize environmental damage, in accordance with the site selection and clean-up criteria established by the commission, except that nothing herein shall be construed to authorize the commission to obligate funds for payment of costs which may be associated with, but are not integral to, site rehabilitation, such as the cost for retrofitting or replacing underground storage tanks.

(\* \* \*4) Whenever the commission has expended funds from the fund created by Sections 49-17-401 through 49-17-433, the owner of the underground storage tank shall not be liable to the department for such costs if the owner was in substantial compliance on the date on which the discharge of the motor fuels which necessitates the cleanup was reported to the department. Otherwise owners are responsible for reimbursement and

the reimbursed monies shall go back into the fund. In such circumstances the commission is authorized to take any necessary action to recover these monies from responsible owners.

( \*\* \*5) Any provisions of this section and chapter regarding liability for the costs of cleanup, removal, remediation or abatement of any pollution, hazardous waste or solid waste shall be limited as provided in Section 49-17-42 and rules adopted thereto.

SECTION 2. Section 49-17-407, Mississippi Code of 1972, is amended as follows:

49-17-407. (1) (a) An environmental protection fee of Four-tenths of One Cent (4/10 of 1¢) per gallon is hereby levied upon any bonded distributor, as defined by Sections 49-17-401 through 49-17-433, who sells or delivers motor fuels to a retailer or user in this state.

(b) Every person, other than a bonded distributor, who shall purchase or acquire motor fuels within this state on which the environmental protection fee has not accrued, shall be liable for the environmental protection fee.

(c) The environmental protection fee shall be imposed only one (1) time on motor fuels sold in the state.

(d) The environmental protection fee shall be collected by the Department of Revenue and shall be designated separately from the excise taxes on fuels.

(e) Any person liable for the environmental protection fee shall be subject to the same requirements and penalties as distributors under the provisions of the Mississippi Special Fuel Tax Law.

(f) Any person liable for the environmental protection fee shall file a report and remit any fees due at the same time provided for filing reports under Section 27-55-523, on forms prescribed by the Department of Revenue.

(g) The Department of Revenue is hereby authorized and empowered to promulgate all rules and regulations necessary for the administration of the environmental protection fee.

(2) (a) On or before the fifteenth day of each month the environmental protection fees collected during the previous month shall be deposited into the Mississippi Groundwater Protection Trust Fund established in Section 49-17-405. When the unobligated balance in the fund reaches or exceeds Ten Million Dollars (\$10,000,000.00), the administrator of the fund shall notify in writing the Department of Revenue no later than the twenty-fifth day of the month to revise the distribution of the environmental protection fee and the Department of Revenue shall deposit the fee into the State Highway Fund. Such distribution shall become effective on the last day of the month succeeding the month in which such notice was given. All environmental protection fees accrued shall be reported and paid.

(b) When the fund balance is reduced below Six Million Dollars (\$6,000,000.00), the fee shall again be deposited into the Mississippi Groundwater Protection Trust Fund until such time as the fund shall reach or exceed Ten Million Dollars (\$10,000,000.00). The administrator of the fund shall notify, no later than the twenty-fifth day of the month, the Department of Revenue to deposit the environmental protection fee into the Mississippi Groundwater Protection Trust Fund and such distribution shall become effective on the first day of the second month succeeding the month in which the notice to deposit the fee into the fund was given.

(3) This fund shall be used for the purposes set forth in Sections 49-17-401 through 49-17-435 and for no other governmental purposes, nor shall any portion hereof ever be

available to borrow from by any branch of government; it being the intent of the Legislature that this fund and its increments shall remain intact and inviolate. Any interest earned on monies in this fund shall remain in this fund.

(4) Monies held in the fund established under Sections 49-17-401 through 49-17-435 shall be used for supplemental funding of the Underground Storage Tank (UST) Program as described in Section 49-17-405 and only at an active site and shall be disbursed in accordance with the commission requirements and as follows:

(a) Payments shall be made to any third party who brings a third-party claim against any owner of an underground storage tank and the commission as trustee of the Mississippi Groundwater Protection Trust Fund and who obtains a final judgment in such action which is valid and enforceable in this state against such parties. Payment shall be paid to the third party upon filing by such party an application with the department attaching the original or a certified copy of the final judgment.

(b) Payments shall be made in reasonable amounts to approved response action contractors and other parties involved in the site study and cleanup. Payment shall be made to the party incurring the costs by filing of a sworn application with the department indicating the fair and reasonable value of the costs of site rehabilitation, subject to the regulations and limitations as set by the department.

(5) Payments from the fund are limited as follows:

(a) For cleanup purposes, a maximum of One Million Five Hundred Thousand Dollars (\$1,500,000.00) may be disbursed from the fund for any one (1) site, per confirmed release occurrence.

(b) For third-party judgments, a maximum of One Million Dollars (\$1,000,000.00) may be disbursed from the fund for any one (1) site, per confirmed release occurrence.

(c) Nothing in Sections 49-17-401 through 49-17-435 shall establish or create any liability or responsibility on the part of the department or the State of Mississippi to pay any cleanup costs or third-party claims if the fund created herein is insufficient to do so.

(6) Monies held in the fund established under Sections 49-17-401 through 49-17-435 shall not be used for purchases of equipment needed to assist in cleanup operations.

(7) Nothing in Sections 49-17-401 through 49-17-435 shall serve to limit any recovery against an owner of an underground storage tank in excess of the fund payment limits established under this section.

(8) Substantial compliance shall in no way be construed to be an absolute defense to civil liability.

SECTION 3. Section 49-17-421, Mississippi Code of 1972, is amended as follows:

49-17-421. (1) After receiving the annual report and recommendation of the Underground Storage Tank (UST) Advisory Council, the commission may assess and collect an annual tank regulatory fee in an amount sufficient to administer Sections 49-17-401 through 49-17-435, but not to exceed Two Hundred Dollars (\$200.00) per tank. The fee, as set by the commission, shall be assessed per tank per year and shall be collected from the owner of each underground storage tank available for use in Mississippi on July 1, 1988, or brought into use or available for use after that date, as provided in the Mississippi Underground Storage Tank Act of 1988 (Sections 49-17-401 through

49-17-435). The fee assessed under this section is a debt due by the owner of each tank in use in Mississippi on July 1, 1988, or brought into use after that date.

(2) The commission shall establish the amount of the tank regulatory fee to cover the costs of the Underground Storage Tank Program. The fee for each state fiscal year shall be set by order of the commission, which shall include:

(a) A receipt of the report and recommendations of the UST Advisory Council, and

(b) A public notice to allow the public a period of at least thirty (30) days to provide comments regarding the underground storage tank fee report and recommendation, or to request a public hearing in accordance with Section 49-17-29(4)(a).

The department may conduct a public hearing on the tank regulatory fee when a significant level of public interest exists or when warranted by other factors. Notwithstanding the provisions of this subsection (2), the commission may proceed with entry of the order if the UST Advisory Council fails to submit its report in a timely manner.

The tank regulatory fee shall be due July 1 of each year, and if any part of the fee is not paid within thirty (30) days after the due date, a penalty of fifty percent (50%) of the amount due shall accrue at once and be added to the fee, unless the owner of the underground storage tank demonstrates to the commission that the failure to make timely payment was unavoidable due to financial hardship or otherwise beyond the control of the owner.

Monies collected under this section shall be deposited in a special fund which is created in the State Treasury. Unexpended amounts remaining in the special fund at the end of the fiscal year shall not lapse into the General Fund and any interest earned on amounts in the special fund shall be credited to the special fund by the Treasurer. The fund may receive monies from any available public or private source, including, but not limited to, the fund, collection of fees, interest, grants, taxes, public or private donations and judicial actions. Monies in this special fund shall be expended by annual appropriation approved by the Legislature to administer Sections 49-17-401 through 49-17-435.

SECTION 4. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) This section shall be known and may be cited as the "Pregnancy Resource Act."

(2) For the purposes of this section, the following words and phrases shall have the meanings ascribed in this section unless the context clearly indicates otherwise:

(a) "Department" means the Department of Revenue.

(b) "Eligible charitable organization" means an organization that is exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code and is a pregnancy resource center or crisis pregnancy center eligible to receive funding disbursed by the Choose Life Advisory Committee under Section 27-19-56.70, 27-19-56.277 and/or 27-19-56.412.

(3) (a) The tax credit authorized in this section shall be available only to a taxpayer who is a business enterprise engaged in commercial, industrial or professional activities and operating as a corporation, limited liability company, partnership or sole proprietorship. Except as otherwise provided in this section, a credit is allowed against the taxes imposed by Sections 27-7-5, 27-15-103, 27-15-109 and 27-15-123, for voluntary cash contributions made by a taxpayer during the taxable year to an eligible charitable organization. For a taxpayer that is not operating as a corporation, a credit is also allowed against ad valorem taxes assessed and levied on real property for voluntary cash contributions made by the taxpayer during the taxable year to an eligible charitable organization. The amount of credit that may be utilized by a taxpayer in a taxable year shall be limited to (i) an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for the taxes imposed by such sections of law and (ii) an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for ad valorem taxes assessed and levied on real property. Any tax credit claimed under this section but not used in any taxable year may be carried forward for five (5) consecutive years from the close of the tax year in which the credits were earned.

(b) A contribution for which a credit is claimed under this section may not be used as a deduction by the taxpayer for state income tax purposes.

(4) Taxpayers taking a credit authorized by this section shall provide the name of the eligible charitable organization and the amount of the contribution to the department on forms provided by the department.

(5) An eligible charitable organization shall provide the department with a written certification that it meets all criteria to be considered an eligible charitable organization.

The organization shall also notify the department of any changes that may affect eligibility under this section.

(6) The eligible charitable organization's written certification must be signed by an officer of the organization under penalty of perjury. The written certification shall include the following:

(a) Verification of the organization's status under Section 501(c)(3) of the Internal Revenue Code;

(b) A statement that the organization does not provide, pay for or provide coverage of abortions and does not financially support any other entity that provides, pays for or provides coverage of abortions;

(c) Any other information that the department requires to administer this section.

(7) The department shall review each written certification and determine whether the organization meets all the criteria to be considered an eligible charitable organization and notify the organization of its determination. The department may also periodically request recertification from the organization. The department shall compile and make available to the public a list of eligible charitable organizations.

(8) Tax credits authorized by this section that are earned by a partnership, limited liability company, S corporation or other similar pass-through entity, shall be allocated among all partners, members or shareholders, respectively, either in proportion to their ownership interest in such entity or as the partners, members or shareholders mutually agree as provided in an executed document.

(9) (a) A taxpayer shall apply for credits with the department on forms prescribed by the department. In the application the taxpayer shall certify to the department the dollar amount of the contributions made or to be made during the calendar year. Within thirty (30) days after the receipt of an application, the department shall allocate credits based on the dollar amount of contributions as certified in the application. However, if the department cannot allocate the full amount of credits certified in the application due to the limit on the aggregate amount of credits that may be awarded under this section in a calendar year, the department shall so notify the applicant within thirty (30) days with the amount of credits, if any, that may be allocated to the applicant in the calendar year. Once the department has allocated credits to a taxpayer, if the contribution for which a credit is allocated has not been made as of the date of the allocation, then the contribution must be made not later than sixty (60) days from the date of the allocation. If the contribution is not made within such time period, the allocation shall be cancelled and returned to the department for reallocation. Upon final documentation of the contributions, if the actual dollar amount of the contributions is lower than the amount estimated, the department shall adjust the tax credit allowed under this section.

(b) For the purposes of using a tax credit against ad valorem taxes assessed and levied on real property, a taxpayer shall present to the appropriate tax collector the tax credit documentation provided to the taxpayer by the Department of Revenue, and the tax collector shall apply the tax credit against such ad valorem taxes. The tax collector shall forward the tax credit documentation to the Department of Revenue along with the amount of the tax credit applied against ad valorem taxes, and the department shall disburse funds to the tax collector for the amount of the tax credit applied against ad valorem taxes. Such payments by the Department of Revenue shall be made from current tax collections.

(10) The aggregate amount of tax credits that may be allocated by the department under this section during a calendar year shall not exceed Three Million Five Hundred Thousand Dollars (\$3,500,000.00). For credits allocated during a calendar year for

contributions to eligible charitable organizations, no more than fifty percent (50%) of such credits may be allocated for contributions to a single eligible charitable organization.

allocated has not been made as of the date of the allocation, then the contribution must be made not later than sixty (60) days from the date of the allocation. If the contribution is not made within such time period, the allocation shall be cancelled and returned to the department for reallocation. Upon final documentation of the contributions, if the actual dollar amount of the contributions is lower than the amount estimated, the department shall adjust the tax credit allowed under this section.

(b) A taxpayer who applied for a tax credit under this section during calendar year 2020, but who was unable to be awarded the credit due to the limit on the aggregate amount of credits authorized for calendar year 2020, shall be given priority for tax credits authorized to be allocated to taxpayers under this section by Section 27-7-22.39.

(c) For the purposes of using a tax credit against ad valorem taxes assessed and levied on real property, a taxpayer shall present to the appropriate tax collector the tax credit documentation provided to the taxpayer by the Department of Revenue, and the tax collector shall apply the tax credit against such ad valorem taxes. The credit shall be for an amount equal to Twenty Dollars (\$20.00) for each verified donation. However, the tax credit shall not exceed the amount of tax imposed upon the taxpayer for the taxable year reduced by the sum of all other credits allowable to the taxpayer under this chapter, except credit for tax payments made by or on behalf of the taxpayer. The maximum aggregate amount of tax credits that may be claimed by all taxpayers claiming a credit under this section in a taxable year shall not exceed One Hundred Thousand Dollars (\$100,000.00). The department shall annually calculate and publish a percentage by which the tax credit authorized by this section shall be reduced so the maximum aggregate amount of tax credits claimed by all taxpayers claiming a credit in a taxable year does not exceed One Hundred Thousand Dollars (\$100,000.00).

Investment interest expense shall be limited to investment income. Interest expense incurred for the purchase of treasury stock, to pay dividends, or incurred as a result of an undercapitalized affiliated corporation may not be deducted unless an ordinary and necessary business purpose can be established to the satisfaction of the commissioner. For the purposes of this paragraph, the phrase "interest upon the indebtedness for the purchase of tax-free

bonds" applies only to the indebtedness incurred for the purpose of directly purchasing tax-free bonds and does not apply to any other indebtedness incurred in the regular course of the taxpayer's business. (f) Depreciation. A reasonable allowance for exhaustion, wear and tear of property used in the trade or business, or rental property, and depreciation upon buildings based upon their reasonable value as of March 16, 1912, if acquired prior thereto, and upon cost if acquired subsequent to that date. In the case of new or used aircraft, equipment, engines, or other parts and tools used for aviation, allowance for bonus depreciation conforms with the federal bonus depreciation rates and reasonable allowance for depreciation under this section is no less than one hundred percent (100%).

(g) Depletion. In the case of mines, oil and gas wells, other natural deposits and timber, a reasonable allowance for depletion and for depreciation of improvements, based upon cost, including cost of development, not otherwise deducted, or fair market value as of March 16, 1912, if acquired prior to that date, such allowance to be made upon regulations prescribed by the commissioner, with the approval of the Governor.

Such contributions or gifts shall be allowable as deductions only if verified under rules and regulations prescribed by the commissioner, with the approval of the Governor. Contributions made in any form other than cash shall be allowed as a deduction, subject to the limitations herein provided, in an amount equal to the actual market value of the contributions at the time the contribution is actually made and consummated.

(j) Annuity income. The sums, other than dividends, paid within the taxpayer year on policy or annuity contracts when such income has been included in gross income.

(k) Contributions to employee pension plans. Contributions made by an employer to a plan or a trust forming part of a pension plan, stock bonus plan, disability or death-benefit plan, or profit-sharing plan of such employer for the exclusive benefit of some or all of his, their, or its employees, or their beneficiaries, shall be deductible from his, their, or its income only to the extent that, and for the taxable year in which, the contribution is deductible for federal income tax purposes under the Internal Revenue Code of 1986 and any other provisions of similar purport in the Internal Revenue Laws of the United States, and the rules, regulations, rulings and determinations promulgated thereunder, provided that:

A net operating loss for any taxable year ending after December 31, 1993, and taxable years thereafter, shall be a net operating loss carryback to each of the three (3) taxable years preceding the taxable year of the loss. If the net operating loss for any taxable year is not exhausted by carrybacks to the three (3) taxable years preceding the taxable year of the loss, then there shall be a net operating loss carryover to each of the fifteen (15) taxable years following the taxable year of the loss beginning with any taxable year after December 31, 1991.

For any taxable year ending after December 31, 1997, the period for net operating loss carrybacks and net operating loss carryovers shall be the same as those established by the Internal Revenue Code and the rules, regulations, rulings and determinations promulgated thereunder as in effect at the taxable year end or on December 31, 2000, whichever is earlier.

A net operating loss for any taxable year ending after December 31, 2001, and taxable years thereafter, shall be a net operating loss carryback to each of the two (2) taxable years preceding the taxable year of the loss. If the net operating loss for any taxable year is not exhausted by carrybacks to the two (2) taxable years preceding the taxable year of the loss, then there shall be a net operating loss carryover to each of the twenty (20) taxable years following the taxable year of the loss beginning with any taxable year after the taxable year of the loss.

The election shall be made in the manner prescribed by the Department of Revenue and shall be made by the due date, including extensions of time, for filing the taxpayer's return for the taxable year of the net operating loss for which the election is to be in effect. The election, once made for any taxable year, shall be irrevocable for that taxable year.

Every taxpayer, at his election, shall be entitled to a deduction for pollution or environmental control facilities to the same extent as that allowed under the Internal Revenue Code and the rules, regulations, rulings and determinations promulgated thereunder.

(n) Dividend distributions - real estate investment trusts. "Real estate investment trust" (hereinafter referred to as REIT) shall have the meaning ascribed to such term in Section 856 of the federal Internal Revenue Code of 1986, as amended. A REIT is allowed a dividend distributed deduction if the dividend distributions meet the requirements of Section 857 or are otherwise deductible under Section 858 or 860, federal Internal Revenue Code of 1986, as amended. In addition:

(i) A dividend distributed deduction shall only be allowed for dividends paid by a publicly traded REIT. A qualified REIT subsidiary shall be allowed a dividend distributed deduction if its owner is a publicly traded REIT.

(ii) Income generated from real estate contributed or sold to a REIT by a shareholder or related party shall not give rise to a dividend distributed deduction, unless the shareholder or related party would have received the dividend distributed deduction under this chapter.

associated with those donations shall follow the federal limitation but cannot result in the Mississippi net income being reduced below zero.

(q) Contributions to ABLE trust fund accounts. Contributions or payments to a Mississippi Achieving a Better Life Experience (ABLE) Program account are deductible as provided under Section 43-28-13.

(2) Restrictions on the deductibility of certain intangible expenses and interest expenses with a related member.

(c) A nonresident individual shall be allowed the same individual nonbusiness deductions as are authorized for resident individuals in paragraph (a) or (b) of this subsection; however, the nonresident individual is entitled only to that proportion of the individual nonbusiness deductions as his net income from sources within the State of Mississippi bears to his total or entire net income from all sources.

(b) Such deductible expenses shall be allowed as deductions for federal income tax purposes.

[From and after February 2, 2022, this section shall read as follows:]

27-7-17. In computing taxable income, there shall be allowed as deductions:

(1) Business deductions.

(a) Business expenses. All the ordinary and necessary expenses paid or incurred during the taxable year in carrying on any trade or business, including a reasonable allowance for salaries or other compensation for personal services actually rendered; nonreimbursable traveling expenses incident to current employment, including a reasonable amount expended for meals and lodging while away from home in the pursuit of a trade or business; and rentals or other payments required to be made as a

condition of the continued use or possession, for purposes of the trade or business of property to which the taxpayer has not taken or is not taking title or in which he had no equity. Expense incurred in connection with earning and distributing nontaxable income is not an allowable deduction. Limitations on entertainment expenses shall conform to the provisions of the Internal Revenue Code of 1986. There shall also be allowed a deduction for expenses as provided in Section 26 of Senate Bill No. 2095, 2022 Regular Session.

(b) Interest. All interest paid or accrued during the taxable year on business indebtedness, except interest upon the indebtedness for the purchase of tax-free bonds, or any stocks, the dividends from which are nontaxable under the provisions of this article; provided, however, in the case of securities dealers, interest payments or accruals on loans, the proceeds of which are used to purchase tax-exempt securities, shall be deductible if income from otherwise tax-free securities is reported as income. Investment interest expense shall be limited to investment income. Interest expense incurred for the purchase of treasury stock, to pay dividends, or incurred as a result of an undercapitalized affiliated corporation may not be deducted unless an ordinary and necessary business purpose can be established to the satisfaction of the commissioner. For the purposes of this paragraph, the phrase "interest upon the indebtedness for the purchase of tax-free bonds" applies only to the indebtedness incurred for the purpose of directly purchasing tax-free bonds and does not apply to any other indebtedness incurred in the regular course of the taxpayer's business. Any corporation, association, organization or other entity taxable under Section 27-7-23(c) shall allocate interest expense as provided in Section 27-7-23(c)(3)(l).

(c) Taxes. Taxes paid or accrued within the taxable year, except state and federal income taxes, excise taxes based on or measured by net income, estate and inheritance taxes, gift taxes, cigar and cigarette taxes, gasoline taxes, and sales and use taxes unless incurred as an item of expense in a trade or business or in the production of taxable income. In the case of an individual, taxes permitted as an itemized deduction under the provisions of subsection (3)(a) of this section are to be claimed thereunder.

(d) Business losses.

(i) Losses sustained during the taxable year not compensated for by insurance or otherwise, if incurred in trade or business, or nonbusiness transactions entered into for profit.

(ii) Limitations on losses from passive activities and rental real estate shall conform to the provisions of the Internal Revenue Code of 1986.

(e) Bad debts. Losses from debts ascertained to be worthless and charged off during the taxable year, if sustained in the conduct of the regular trade or business of the taxpayer; provided, that such losses shall be allowed only when the taxpayer has reported as income, on the accrual basis, the amount of such debt or account.

(f) Depreciation. A reasonable allowance for exhaustion, wear and tear of property used in the trade or business, or rental property, and depreciation upon buildings based upon their reasonable value as of March 16, 1912, if acquired prior thereto, and upon cost if acquired subsequent to that date. In the case of new or used aircraft, equipment, engines, or other parts and tools used for aviation, allowance for bonus depreciation conforms with the federal bonus depreciation rates and reasonable allowance for depreciation under this section is no less than one hundred percent (100%).

(g) Depletion. In the case of mines, oil and gas wells, other natural deposits and timber, a reasonable allowance for depletion and for depreciation of improvements, based upon cost, including cost of development, not otherwise deducted, or fair market value as of March 16, 1912, if acquired prior to that date, such allowance to be made upon regulations prescribed by the commissioner, with the approval of the Governor.

(h) Contributions or gifts. Except as otherwise provided in paragraph (p) of this subsection or subsection (3)(a) of this section for individuals, contributions or gifts made by corporations within the taxable year to corporations, organizations, associations or institutions, including Community Chest funds, foundations and trusts created solely and exclusively for religious, charitable, scientific or educational purposes, or for the prevention of cruelty to children or animals, no part of the net earnings of which inure to the benefit of any private stockholder or individual. This deduction shall be allowed in an amount not to exceed twenty percent (20%) of the net income. Such contributions or gifts shall be allowable as deductions only if verified under rules and regulations prescribed by the commissioner, with the approval of the Governor. Contributions made in any form other than cash shall be allowed as a deduction, subject to the limitations herein provided, in an amount equal to the actual market value of the contributions at the time the contribution is actually made and consummated.

(i) Reserve funds - insurance companies. In the case of insurance companies the net additions required by law to be made within the taxable year to reserve funds when such reserve funds are maintained for the purpose of liquidating policies at maturity.

(j) Annuity income. The sums, other than dividends, paid within the taxpayer year on policy or annuity contracts when such income has been included in gross income.

(k) Contributions to employee pension plans. Contributions made by an employer to a plan or a trust forming part of a pension plan, stock bonus plan, disability or death-benefit plan, or profit-sharing plan of such employer for the exclusive benefit of some or all of his, their, or its employees, or their beneficiaries, shall be deductible from his, their, or its income only to the extent that, and for the taxable year in which, the contribution is deductible for federal income tax purposes under the Internal Revenue Code of 1986 and any other provisions of similar purport in the Internal Revenue Laws of the United States, and the rules, regulations, rulings and determinations promulgated thereunder, provided that:

(i) The plan or trust be irrevocable.

(ii) The plan or trust constitute a part of a pension plan, stock bonus plan, disability or death-benefit plan, or profit-sharing plan for the exclusive benefit of some or all of the employer's employees and/or officers, or their beneficiaries, for the purpose of distributing the corpus and income of the plan or trust to such employees and/or officers, or their beneficiaries.

(iii) No part of the corpus or income of the plan or trust can be used for purposes other than for the exclusive benefit of employees and/or officers, or their beneficiaries.

Contributions to all plans or to all trusts of real or personal property (or real and personal property combined) or to insured plans created under a retirement plan for which provision has been made under the laws of the United States of America, making such contributions deductible from income for federal income tax purposes, shall be deductible only to the same extent under the Income Tax Laws of the State of Mississippi.

(l) Net operating loss carrybacks and carryovers. A net operating loss for any taxable year ending after December 31, 1993, and taxable years thereafter, shall be a net operating loss carryback to each of the three (3) taxable years preceding the taxable year of the loss. If the net operating loss for any taxable year is not exhausted by carrybacks to the three (3) taxable years preceding the taxable year of the loss, then there shall be a net operating loss carryover to each of the fifteen (15) taxable years following the taxable year of the loss beginning with any taxable year after December 31, 1991.

For any taxable year ending after December 31, 1997, the period for net operating loss carrybacks and net operating loss carryovers shall be the same as those established by the Internal Revenue Code and the rules, regulations, rulings and determinations promulgated thereunder as in effect at the taxable year end or on December 31, 2000, whichever is earlier.

A net operating loss for any taxable year ending after December 31, 2001, and taxable years thereafter, shall be a net operating loss carryback to each of the two (2) taxable years preceding the taxable year of the loss. If the net operating loss for any taxable year is not exhausted by carrybacks to the two (2) taxable years preceding the taxable year of the loss, then there shall be a net operating loss carryover to each of the twenty (20) taxable years following the taxable year of the loss beginning with any taxable year after the taxable year of the loss.

The term "net operating loss," for the purposes of this paragraph, shall be the excess of the deductions allowed over the gross income; provided, however, the following deductions shall not be allowed in computing same:

(i) No net operating loss deduction shall be allowed.

(ii) No personal exemption deduction shall be allowed.

(iii) Allowable deductions which are not attributable to taxpayer's trade or business shall be allowed only to the extent of the amount of gross income not derived from such trade or business.

Any taxpayer entitled to a carryback period as provided by this paragraph may elect to relinquish the entire carryback period with respect to a net operating loss for any taxable year ending after December 31, 1991. The election shall be made in the manner prescribed by the Department of Revenue and shall be made by the due date, including extensions of time, for filing the taxpayer's return for the taxable year of the net operating loss for which the election is to be in effect. The election, once made for any taxable year, shall be irrevocable for that taxable year.

(m) Amortization of pollution or environmental control facilities. Allowance of deduction. Every taxpayer, at his election, shall be entitled to a deduction for pollution or environmental control facilities to the same extent as that allowed under the Internal Revenue Code and the rules, regulations, rulings and determinations promulgated thereunder.

(n) Dividend distributions - real estate investment trusts. "Real estate investment trust" (hereinafter referred to as REIT) shall have the meaning ascribed to such term in Section 856 of the federal Internal Revenue Code of 1986, as amended. A REIT is allowed a dividend distributed deduction if the dividend distributions meet the requirements of Section 857 or are otherwise deductible under Section 858 or 860, federal Internal Revenue Code of 1986, as amended. In addition:

(i) A dividend distributed deduction shall only be allowed for dividends paid by a publicly traded REIT. A qualified REIT subsidiary shall be allowed a dividend distributed deduction if its owner is a publicly traded REIT.

(ii) Income generated from real estate contributed or sold to a REIT by a shareholder or related party shall not give rise to a dividend distributed deduction, unless the shareholder or related party would have received the dividend distributed deduction under this chapter.

(iii) A holding corporation receiving a dividend from a REIT shall not be allowed the deduction in Section 27-7-15(4)(t).

(iv) Any REIT not allowed the dividend distributed deduction in the federal Internal Revenue Code of 1986, as amended, shall not be allowed a dividend distributed deduction under this chapter.

The commissioner is authorized to promulgate rules and regulations consistent with the provisions in Section 269 of the federal Internal Revenue Code of 1986, as amended, so as to prevent the evasion or avoidance of state income tax.

(o) Contributions to college savings trust fund accounts. Contributions or payments to a Mississippi Affordable College Savings Program account are deductible as provided under Section 37-155-113. Payments made under a prepaid tuition contract entered into under the Mississippi Prepaid Affordable College Tuition Program are deductible as provided under Section 37-155-17.

(p) Contributions of human pharmaceutical products. To the extent that a "major supplier" as defined in Section 27-13-13(2)(d) contributes human pharmaceutical products in excess of Two Hundred Fifty Million Dollars (\$250,000,000.00) as determined under Section 170 of the Internal Revenue Code, the charitable contribution limitation associated with those donations shall follow the federal limitation but cannot result in the Mississippi net income being reduced below zero.

(q) Contributions to ABLE trust fund accounts. Contributions or payments to a Mississippi Achieving a Better Life Experience (ABLE) Program account are deductible as provided under Section 43-28-13.

(2) Restrictions on the deductibility of certain intangible expenses and interest expenses with a related member.

(a) As used in this subsection (2):

(i) "Intangible expenses and costs" include:

1. Expenses, losses and costs for, related to, or in connection directly or indirectly with the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange or any other disposition of intangible property to the extent such amounts are allowed as deductions or costs in determining taxable income under this chapter;

2. Expenses or losses related to or incurred in connection directly or indirectly with factoring transactions or discounting transactions;

(v) "Related entity" means:

1. A stockholder who is an individual or a member of the stockholder's family, as defined in regulations prescribed by the commissioner, if the stockholder and the members of the stockholder's family own, directly, indirectly, beneficially or constructively, in the aggregate, at least fifty percent (50%) of the value of the taxpayer's outstanding stock;

2. A stockholder, or a stockholder's partnership, limited liability company, estate, trust or corporation, if the stockholder and the stockholder's partnerships, limited liability companies, estates, trusts and corporations own, directly, indirectly, beneficially or constructively, in the aggregate, at least fifty percent (50%) of the value of the taxpayer's outstanding stock;

3. A corporation, or a party related to the corporation in a manner that would require an attribution of stock from the corporation to the party or from the party to the corporation, if the taxpayer owns, directly, indirectly, beneficially or constructively, at least fifty percent (50%) of the value of the corporation's outstanding stock under regulation prescribed by the commissioner;

4. Any entity or person which would be a related member under this section if the taxpayer were considered a corporation for purposes of this section.

(b) In computing net income, a taxpayer shall add back otherwise deductible interest expenses and costs and intangible expenses and costs directly or indirectly paid, accrued to or incurred, in connection directly or indirectly with one or more direct or indirect transactions with one or more related members.

(c) The adjustments required by this subsection shall not apply to such portion of interest expenses and costs and intangible expenses and costs that the taxpayer can establish meets one (1) of the following:

(i) The related member directly or indirectly paid, accrued or incurred such portion to a person during the same income year who is not a related member; or

(ii) The transaction giving rise to the interest expenses and costs or intangible expenses and costs between the taxpayer and related member was done primarily for a valid business purpose other than the avoidance of taxes, and the related member is not primarily engaged in the acquisition, use, maintenance or management, ownership, sale, exchange or any other disposition of intangible property.

(d) Nothing in this subsection shall require a taxpayer to add to its net income more than once any amount of interest expenses and costs or intangible expenses and costs that the taxpayer pays, accrues or incurs to a related member.

(e) The commissioner may prescribe such regulations as necessary or appropriate to carry out the purposes of this subsection, including, but not limited to, clarifying definitions of terms, rules of stock attribution, factoring and discount transactions.

(3) Individual nonbusiness deductions.

(a) The amount allowable for individual nonbusiness itemized deductions for federal income tax purposes where the individual is eligible to elect, for the taxable year, to itemize deductions on his federal return except the following:

In the case of a husband and wife living together, having separate incomes, and filing combined returns, the standard deduction authorized may be divided in any manner they choose. In the case of separate returns by a husband and wife, the standard deduction shall not be allowed to either if the taxable income of one of the spouses is determined without regard to the standard deduction.

(c) A nonresident individual shall be allowed the same individual nonbusiness deductions as are authorized for resident individuals in paragraph (a) or (b) of this subsection; however, the nonresident individual is entitled only to that proportion of the individual nonbusiness deductions as his net income from sources within the State of Mississippi bears to his total or entire net income from all sources.

(4) Nothing in this section shall permit the same item to be deducted more than once, either in fact or in effect.

(5) Notwithstanding any other provision in Title 27, Mississippi Code of 1972, there shall be allowed an income tax deduction for otherwise deductible expenses if:

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1101: Trip optimizer system; exempt youth services counselors from.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 25-3-41, Mississippi Code of 1972, is amended as follows:

25-3-41. (1) Subject to the provisions of subsection (10) of this section, when any officer or employee of the State of Mississippi, or any department, agency or institution thereof, after first being duly authorized, is required to travel in the performance of his official duties, the officer or employee shall receive as expenses for each mile actually and necessarily traveled, when the travel is done by a privately owned automobile or other privately owned motor vehicle, the mileage reimbursement rate allowable to federal employees for the use of a privately owned vehicle while on official travel.

(2) When any officer or employee of any county or municipality, or of any agency, board or commission thereof, after first being duly authorized, is required to travel in the performance of his official duties, the officer or employee shall receive as expenses

Twenty Cents (20¢) for each mile actually and necessarily traveled, when the travel is done by a privately owned motor vehicle; provided, however, that the governing authorities of a county or municipality may, in their discretion, authorize an increase in the mileage reimbursement of officers and employees of the county or municipality, or of any agency, board or commission thereof, in an amount not to exceed the mileage reimbursement rate authorized for officers and employees of the State of Mississippi in subsection (1) of this section.

(3) Where two (2) or more officers or employees travel in one (1) privately owned motor vehicle, only one (1) travel expense allowance at the authorized rate per mile shall be allowed for any one (1) trip. When the travel is done by means of a public carrier or other means not involving a privately owned motor vehicle, then the officer or employee shall receive as travel expense the actual fare or other expenses incurred in such travel.

(4) In addition to the foregoing, a public officer or employee shall be reimbursed for other actual expenses such as meals, lodging and other necessary expenses incurred in the course of the travel, subject to limitations placed on meals for intrastate and interstate official travel by the Department of Finance and Administration, provided, that the Legislative Budget Office shall place any limitations for expenditures made on matters under the jurisdiction of the Legislature. The Department of Finance and Administration shall set a maximum daily expenditure annually for such meals and shall notify officers and employees of changes to these allowances immediately upon approval of the changes. Travel by airline shall be at the tourist rate unless that space was unavailable. The officer or employee shall certify that tourist accommodations were not available if travel is performed in first class airline accommodations. Itemized expense accounts shall be submitted by those officers or employees in such number as the department, agency or institution may require; but in any case one (1) copy shall be furnished by state departments, agencies or institutions to the Department of Finance and Administration for preaudit or postaudit. The Department of Finance and Administration shall promulgate and adopt reasonable rules and regulations which it deems necessary and requisite to effectuate economies for all expenses authorized and paid pursuant to this section. Requisitions shall be made on the State Fiscal Officer who shall issue his warrant on the State Treasurer. Provided, however, that the provisions of this section shall not include agencies financed entirely by federal funds and audited by federal auditors.

(5) Any officer or employee of a county or municipality, or any department, board or commission thereof, who is required to travel in the performance of his official duties, may receive funds before the travel, in the discretion of the administrative head of the county or municipal department, board or commission involved, for the purpose of paying necessary expenses incurred during the travel. Upon return from the travel, the officer or employee shall provide receipts of transportation, lodging, meals, fees and any other expenses incurred during the travel. Any portion of the funds advanced which is not expended during the travel shall be returned by the officer or employee. The Department of Audit shall adopt rules and regulations regarding advance payment of travel expenses and submission of receipts to ensure proper control and strict accountability for those payments and expenses.

(6) No state or federal funds received from any source by any arm or agency of the state shall be expended in traveling outside of the continental limits of the United States until the governing body or head of the agency makes a finding and determination that the travel would be extremely beneficial to the state agency and obtains a written concurrence thereof from the Governor, or his designee, and the Department of Finance and Administration. However, employees of state institutions of higher learning may expend funds for travel outside of the continental limits of the United States upon a written finding by the president or head of the institution that the travel would be extremely beneficial to the institution.

(7) Where any officer or employee of the State of Mississippi, or any department, agency or institution thereof, or of any county or municipality, or of any agency, board or

commission thereof, is authorized to receive travel reimbursement under any other provision of law, the reimbursement may be paid under the provisions of this section or the other section, but not under both.

(8) When the Governor, Lieutenant Governor or Speaker of the House of Representatives appoints a person to a board, commission or other position that requires confirmation by the Senate, the person may receive reimbursement for mileage and other actual expenses incurred in the performance of official duties before the appointment is confirmed by the Senate, as reimbursement for those expenses is authorized under this section.

(9) (a) The Department of Finance and Administration may contract with one or more commercial travel agencies, after receiving competitive bids or proposals therefor, for that travel agency or agencies to provide necessary travel services for state officers and employees. Municipal and county officers and municipal and county employees may also participate in the state travel agency contract and utilize these travel services for official municipal or county travel. However, the administrative head of each state institution of higher learning may, in his discretion, contract with a commercial travel agency to provide necessary travel services for all academic officials and staff of the university in lieu of participation in the state travel agency contract. Any such decision by a university to contract with a separate travel agency shall be approved by the Board of Trustees of State Institutions of Higher Learning and the Executive Director of the Department of Finance and Administration.

(b) Before executing a contract with one or more travel agencies, the Department of Finance and Administration shall advertise for competitive bids or proposals once a week for two (2) consecutive weeks in a regular newspaper having a general circulation throughout the State of Mississippi. If the department determines that it should not contract with any of the bidders initially submitting proposals, the department may reject all those bids, advertise as provided in this paragraph and receive new proposals before executing the contract or contracts. The contract or contracts may be for a period not greater than three (3) years, with an option for the travel agency or agencies to renew the contract or contracts on a one-year basis on the same terms as the original contract or contracts, for a maximum of two (2) renewals. After the travel agency or agencies have renewed the contract twice or have declined to renew the contract for the maximum number of times, the Department of Finance and Administration shall advertise for bids in the manner required by this paragraph and execute a new contract or contracts.

(c) Whenever any state officer or employee travels in the performance of his official duties by airline or other public carrier, he may have his travel arrangements handled by that travel agency or agencies. The amount paid for airline transportation for any state officer or employee, whether the travel was arranged by that travel agency or agencies or was arranged otherwise, shall not exceed the amount specified in the state contract established by the Department of Finance and Administration, Office of Purchasing and Travel, unless prior approval is obtained from the office.

(10) (a) For purposes of this subsection, the term "state agency" means any agency that is subject to oversight by the Bureau of Fleet Management of the Department of Finance and Administration under Section 25-1-77.

(b) Each state agency shall use a trip optimizer type system developed and administered by the Department of Finance and Administration in computing the optimum method and cost for travel by state officers and employees using a motor vehicle where the travel will exceed one hundred (100) miles per day and the officer or employee is not driving a state-owned or state-leased vehicle that has been dedicated or assigned to the officer or employee.

(c) The provisions of this subsection shall be used to determine the most cost-effective method of travel by motor vehicles, whether those vehicles are owned by the state agency, leased by the state agency, or owned by the officer or employee, and shall be applicable for purposes of determining the maximum authorized amount of any travel reimbursement for officers and employees of those agencies related to vehicle usage.

(d) The maximum authorized amount of travel reimbursement related to motor vehicle usage shall be the lowest cost option as determined by the trip optimizer type system. All travel claims submitted for reimbursement shall include the results of the trip optimizer type system indicating the lowest cost option for travel by the state officer or employee.

(e) In providing a calculation of rates, the trip optimizer type system shall account for the distance that an officer or employee must travel to pick up a rental or state fleet vehicle, and shall account for the long-term rate discounts offered through the state purchasing contract for vehicle rentals.

(f) This subsection shall not apply to travel by state officials in motor vehicles driven by the official or in vehicles used for the transport of the official. The exemption in this paragraph (f) applies only to the state official and not to the staff or other employees of the state official. As used in this paragraph (f), "state official" means statewide elected officials and the elected members of the Public Service Commission.

(g) The provisions of this subsection shall not be applicable to any state agency for the period beginning on the effective date of this act through June 30, 2024.

SECTION 2. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 25-3-41, MISSISSIPPI CODE OF 1972, TO PROVIDE FOR A MORATORIUM ON THE APPLICATION OF THE TRIP OPTIMIZER SYSTEM REQUIREMENTS FOR TRAVEL TO ANY STATE AGENCY; AND FOR RELATED PURPOSES.

SECTION 8. Section 4, Chapter 87, Laws of 2021, appropriation to the Mississippi Department of Mental Health, is amended as follows:

Section 4. Of the funds appropriated under the provisions of Sections 1 and 2 of this act, the following positions are authorized:

AUTHORIZED POSITIONS:

Permanent:	Full Time .....	6,351
	Part Time .....	19
Time-Limited:	Full Time .....	460
	Part Time .....	9

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2023 do not exceed Fiscal Year 2022 funds appropriated for that purpose unless

programs or positions are added to the agency's Fiscal Year 2022 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. If the State Personnel Board determines a special situation or circumstance exists and approves an action, then the agency and the State Personnel Board shall provide a monthly report of each action approved by the State Personnel Board to the chairmen of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the chairmen of the Appropriations Committees of the Senate and House of Representatives. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2022 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2022 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

Funds have been appropriated herein for the purpose of implementation and funding Project SEC2 of the Colonel Guy Groff State Variable Compensation Plan beginning January 1, 2022, and ending June 30, 2022. It shall be the agency's responsibility to make certain that each person, excluding executive directors, agency heads, and elected judges, shall receive no more than a 3% annual increase in salary which shall not exceed the market rate established by the State Personnel Board pursuant to the Colonel Guy Groff State Variable Compensation Plan for each classification.

The Department of Mental Health (DMH) is authorized to grant temporary COVID-19 adjustments to the compensation for employees in the following occupational title: Nurse Licensed Practical I, II and III; Nurse I, II, III and IV; Nurse Manager; Nurse Administrator; Nurse Chief; and for those employees who function as a nurse and are already classified in their new nurse titles as part of Project SEC2. - (h) For the computation of modified rates, "qualifying period" means a period of not less than the thirty-six (36) consecutive calendar months ending on the computation date throughout which an employer's experience-rating record has been chargeable with benefits; except that with respect to any eligible employer who has not been subject to this article for a period of time sufficient to meet the thirty-six (36) consecutive calendar-month requirement, "qualifying period" means the period ending on the computation date throughout which his or her experience-rating record has been chargeable with benefits, but in no event less than the twelve (12) consecutive calendar-month period ending on the computation date throughout which his or her experience-rating record has been so chargeable.

(i) The "exposure criterion" (EC) is defined as the cash balance of the Unemployment Compensation Fund which is available for the payment of benefits as of November 16 of each calendar year or the next working day if November 16 falls on a holiday or a weekend, divided by the total wages, exclusive of wages paid by all state agencies, all political subdivisions, reimbursable nonprofit corporations, and tax-exempt public service employment, for the twelve-month period ending June 30 immediately preceding such date. The EC shall be computed to four (4) decimal places and rounded up if any fraction remains. Notwithstanding any other provision contained herein, the date for determining the cash balance of the Unemployment Compensation Fund which is available for the payment of benefits for the calendar years 2020 and 2021 shall be December 31.

(j) The "cost rate criterion" (CRC) is defined as follows: Beginning with January 1974, the benefits paid for the twelve-month period ending December 1974 are summed and divided by the total wages for the twelve-month period ending on June 30, 1975. Similar ratios are computed by subtracting the earliest month's benefit payments and adding the benefits of the next month in the sequence and dividing each sum of twelve (12) months' benefits by the total wages for the twelve-month period ending on the June 30 which is nearest to the final month of the period used to compute the numerator. If December is the final month of the period used to compute the numerator, then the twelve-month period ending the following June 30 will be used for the denominator. Benefits and total wages used in the computation of the cost rate criterion shall exclude all benefits and total wages applicable to state agencies, political subdivisions, reimbursable nonprofit corporations, and tax-exempt PSE employment.

The CRC shall be computed as the average for the highest monthly value of the cost rate criterion computations during each of the economic cycles since the calendar year 1974 as defined by the National Bureau of Economic Research. The CRC shall be computed to four (4) decimal places and any remainder shall be rounded up.

The CRC shall be adjusted only through annual computations and additions of future economic cycles.

(k) "Size of fund index" (SOFI) is defined as the ratio of the exposure criterion (EC) to the cost rate criterion (CRC). The target size of fund index will be fixed at 1.0. If the insured unemployment rate (IUR) exceeds a four and five-tenths percent (4.5%) average for the most recent completed July to June period, the target SOFI will be .8 and will remain at that level until the computed SOFI (the average exposure criterion of the current year and the preceding year divided by the average cost rate criterion) equals 1.0 or the average IUR falls to four and five-tenths percent (4.5%) or less for any period July to June. However, if the IUR falls below two and five-tenths percent (2.5%) for any period July to June the target SOFI shall be 1.2 until such time as the computed SOFI is equal to or greater than 1.0 or the IUR is equal to or greater than two and five-tenths percent (2.5%), at which point the target SOFI shall return to 1.0.

(l) No employer's unemployment contribution general experience rate plus individual unemployment experience rate shall exceed five and four-tenths percent (5.4%). Accrual rules shall apply for purposes of computing contribution rates including associated functions.

(m) The term "general experience rate" has the same meaning as the minimum tax rate.

(2) Modified rates:

(a) For any tax year, when the reserve ratio on the preceding November 16, in the case of any tax year, equals or exceeds three percent (3%), the modified rates, as hereinafter prescribed, shall be in effect. In computation of this reserve ratio, any remainder shall be rounded down.

(b) Modified rates shall be determined for the tax year for each eligible employer on the basis of his or her experience-rating record in the following manner:

(i) The department shall maintain an experience-rating record for each employer. Nothing in this chapter shall be construed to grant any employer or individuals performing services for him or her any prior claim or rights to the amounts paid by the employer into the fund.

(ii) Benefits paid to an eligible individual shall be charged against the experience-rating record of his or her base period employers in the proportion to which the wages paid by each base period employer bears to the total wages paid to the individual by all the base period employers, provided that benefits shall not be charged to an employer's experience-rating record if the department finds that the individual:

1. Voluntarily left the employ of such employer without good cause attributable to the employer or to accept other work;

2. Was discharged by such employer for misconduct connected with his or her work;

3. Refused an offer of suitable work by such employer without good cause, and the department further finds that such benefits are based on wages for employment for such employer prior to such voluntary leaving, discharge or refusal of suitable work, as the case may be;

4. Had base period wages which included wages for previously uncovered services as defined in Section 71-5-511(e) to the extent that the Unemployment Compensation Fund is reimbursed for such benefits pursuant to Section 121 of Public Law 94-566;

5. Extended benefits paid under the provisions of Section 71-5-541 which are not reimbursable from federal funds shall be charged to the experience-rating record of base period employers;

6. Is still working for such employer on a regular part-time basis under the same employment conditions as hired. Provided, however, that benefits shall be charged against an employer if an eligible individual is paid benefits who is still working for such employer on a part-time "as-needed" basis;

7. Was hired to replace a United States serviceman or servicewoman called into active duty and was laid off upon the return to work by that serviceman or servicewoman, unless such employer is a state agency or other political subdivision or instrumentality of the state;

8. Was paid benefits during any week while in training with the approval of the department, under the provisions of Section 71-5-513B, or for any week while in training approved under Section 236(a)(1) of the Trade Act of 1974, under the provisions of Section 71-5-513C;

9. Is not required to serve the one-week waiting period as described in Section 71-5-505(2). In that event, only the benefits paid in lieu of the waiting period week may be noncharged; or

10. Was paid benefits as a result of a fraudulent claim, provided notification was made to the Mississippi Department of Employment Security in writing or by email by the employer, within ten (10) days of the mailing of the notice of claim filed to the employer's last-known address.

(iii) Notwithstanding any other provision contained herein, an employer shall not be noncharged when the department finds that the employer or the

employer's agent of record was at fault for failing to respond timely or adequately to the request of the department for information relating to an unemployment claim that was subsequently determined to be improperly paid, unless the employer or the employer's agent of record shows good cause for having failed to respond timely or adequately to the request of the department for information. For purposes of this subparagraph "good cause" means an event that prevents the employer or employer's agent of record from timely responding, and includes a natural disaster, emergency or similar event, or an illness on the part of the employer, the employer's agent of record, or their staff charged with responding to such inquiries when there is no other individual who has the knowledge or ability to respond. Any agency error that resulted in a delay in, or the failure to deliver notice to, the employer or the employer's agent of record shall also be considered good cause for purposes of this subparagraph.

(iv) The department shall compute a benefit ratio for each eligible employer, which shall be the quotient obtained by dividing the total benefits charged to his or her experience-rating record during the period his or her experience-rating record has been chargeable, but not less than the twelve (12) consecutive calendar-month period nor more than the thirty-six (36) consecutive calendar-month period ending on the computation date, by his or her total taxable payroll for the same period on which all unemployment insurance contributions due have been paid on or before the September 30 immediately following the computation date. Such benefit ratio shall be computed to the tenth of a percent (.1%), rounding any remainder to the next higher tenth.

(v) 1. The unemployment insurance contribution rate for each eligible employer shall be the sum of two (2) rates: his or her individual experience rate in the range from zero percent (0%) to five and four-tenths percent (5.4%), plus a general experience rate. In no event shall the resulting unemployment insurance rate be in excess of five and four-tenths percent (5.4%), however, it is the intent of this section to provide the ability for employers to have a tax rate, the general experience rate plus the individual experience rate, of up to five and four-tenths percent (5.4%).

2. The employer's individual experience rate shall be equal to his or her benefit ratio as computed under paragraph (b)(iv) of this subsection (2).

3. The general experience rate shall be determined in the following manner: The department shall determine annually, for the thirty-six (36) consecutive calendar-month period ending on the computation date, the amount of benefits which were not charged to the record of any employer and of benefits which were ineffectively charged to the employer's experience-rating record. For the purposes of this item 3, the term "ineffectively charged benefits" shall include:

a. The total of the amounts of benefits charged to the experience-rating records of all eligible employers which caused their benefit ratios to exceed five and four-tenths percent (5.4%);

b. The total of the amounts of benefits charged to the experience-rating records of all ineligible employers which would cause their benefit ratios to exceed five and four-tenths percent (5.4%) if they were eligible employers; and

c. The total of the amounts of benefits charged or chargeable to the experience-rating record of any employer who has discontinued his or her business or whose coverage has been terminated within such period; provided, that solely for the purposes of determining the amounts of ineffectively charged benefits as herein defined, a "benefit ratio" shall be computed for each ineligible employer, which shall be the quotient obtained by dividing the total benefits charged to his or her experience-rating record throughout the period ending on the computation date, during which his or her experience-rating record has been chargeable with benefits, by his or her total taxable payroll for the same period on which all unemployment insurance contributions due have been paid on or before the September 30 immediately following the computation date; and provided further, that such benefit ratio shall be computed to

the tenth of one percent (.1%) and any remainder shall be rounded to the next higher tenth.

The ratio of the sum of these amounts (subsection (2)(b)(v)3a, b and c) to the taxable wages paid during the same period divided by all eligible employers whose benefit ratio did not exceed five and four-tenths percent (5.4%), computed to the next higher tenth of one percent (.1%), shall be the general experience rate; however, the general experience rate for rate year 2014 shall be two tenths of one percent (.2%) and to that will be added the employer's individual experience rate for the total unemployment insurance rate.

4. a. Except as otherwise provided in this item 4, the general experience rate shall be adjusted by use of the size of fund index factor. This factor may be positive or negative, and shall be determined as follows: From the target SOFI, as defined in subsection (1)(k) of this section, subtract the simple average of the current and preceding years' exposure criterions divided by the cost rate criterion, as defined in subsection (1)(j) of this section. The result is then multiplied by the product of the CRC, as defined in subsection (1)(j) of this section, and total wages for the twelve-month period ending June 30 divided by the taxable wages for the twelve-month period ending June 30. This is the percentage positive or negative added to the general experience rate. The sum of the general experience rate and the trust fund adjustment factor shall be multiplied by fifty percent (50%) and this product shall be computed to one (1) decimal place, and rounded to the next higher tenth.

b. Notwithstanding the minimum rate provisions as set forth in subsection (1)(l) of this section, the general experience rate of all employers shall be reduced by seven one-hundredths of one percent (.07%) for calendar year 2013 only.

5. The general experience rate shall be zero percent (0%) unless the general experience ratio for any tax year as computed and adjusted on the basis of the trust fund adjustment factor and reduced by fifty percent (50%) is an amount equal to or greater than two-tenths of one percent (.2%), then the general experience rate shall be the computed general experience ratio and adjusted on the basis of the trust fund adjustment factor and reduced by fifty percent (50%); however, in no case shall the sum of the general experience plus the individual experience unemployment insurance rate exceed five and four-tenths percent (5.4%). For rate years subsequent to 2014, Mississippi Workforce Enhancement Training contribution rate, and/or State Workforce Investment contribution rate, and/or Mississippi Works contribution rate, when in effect, shall be added to the unemployment contribution rate, regardless of whether the addition of this contribution rate causes the total contribution rate for the employer to exceed five and four-tenths percent (5.4%).

6. The department shall include in its annual rate notice to employers a brief explanation of the elements of the general experience rate, and shall include in its regular publications an annual analysis of benefits not charged to the record of any employer, and of the benefit experience of employers by industry group whose benefit ratio exceeds four percent (4%), and of any other factors which may affect the size of the general experience rate.

7. Notwithstanding any other provision contained herein, the general experience rate for calendar year 2021 shall be zero percent (0%). Charges attributed to each employer's individual experience rate for the period March 8, 2020, through June 30, 2020, will not impact the employer's individual experience rate calculations for purposes of calculating the total unemployment insurance rate for 2021 and the two (2) subsequent tax rate years. Moreover, charges attributed to each employer's individual experience rate for the period July 1, 2020, through December 31, 2020, will not impact the employer's individual experience rate calculations for purposes

of calculating the total unemployment insurance rate for 2022 and the two (2) subsequent tax rate years.

(vi) When any employing unit in any manner succeeds to or acquires the organization, trade, business or substantially all the assets thereof of an employer, excepting any assets retained by such employer incident to the liquidation of his or her obligations, whether or not such acquiring employing unit was an employer within the meaning of Section 71-5-11, subsection H, prior to such acquisition, and continues such organization, trade or business, the experience-rating and payroll records of the predecessor employer shall be transferred as of the date of acquisition to the successor employer for the purpose of rate determination.

(vii) When any employing unit succeeds to or acquires a distinct and severable portion of an organization, trade or business, the experience-rating and payroll records of such portion, if separately identifiable, shall be transferred to the successor upon:

1. The mutual consent of the predecessor and the  
successor;

2. Approval of the department;

3. Continued operation of the transferred portion by the  
successor after transfer; and

4. The execution and the filing with the department by the predecessor employer of a waiver relinquishing all rights to have the experience-rating and payroll records of the transferred portion used for the purpose of determining modified rates of contribution for such predecessor.

(viii) If the successor was an employer subject to this chapter prior to the date of acquisition, it shall continue to pay unemployment insurance contributions at the rate applicable to it from the date the acquisition occurred until the end of the then current tax year. If the successor was not an employer prior to the date of acquisition, it shall pay unemployment insurance contributions at the rate applicable to the predecessor or, if more than one (1) predecessor and the same rate is applicable to both, the rate applicable to the predecessor or predecessors, from the date the acquisition occurred until the end of the then current tax year. If the successor was not an employer prior to the date the acquisition occurred and simultaneously acquires the businesses of two (2) or more employers to whom different rates of unemployment insurance contributions are applicable, it shall pay unemployment insurance contributions from the date of the acquisition until the end of the current tax year at a rate computed on the basis of the combined experience-rating and payroll records of the predecessors as of the computation date for such tax year. In all cases the rate of unemployment insurance contributions applicable to such successor for each succeeding tax year shall be computed on the basis of the combined experience-rating and payroll records of the successor and the predecessor or predecessors.

(ix) The department shall notify each employer quarterly of the benefits paid and charged to his or her experience-rating record; and such notification, in the absence of an application for redetermination filed within thirty (30) days after the date of such notice, shall be final, conclusive and binding upon the employer for all purposes. A redetermination, made after notice and opportunity for a fair hearing, by a hearing officer designated by the department who shall consider and decide these and related applications and protests; and the finding of fact in connection therewith may be introduced into any subsequent administrative or judicial proceedings involving the determination of the rate of unemployment insurance contributions of any employer for any tax year, and shall be entitled to the same finality as is provided in this subsection with respect to the findings of fact in proceedings to redetermine the contribution rate of an employer.

(x) The department shall notify each employer of his or her rate of contribution as determined for any tax year as soon as reasonably possible after September 1 of the preceding year. Such determination shall be final, conclusive and binding upon such employer unless, within thirty (30) days after the date of such notice to his or her last-known address, the employer files with the department an application for review and redetermination of his or her contribution rate, setting forth his or her reasons therefor. If the department grants such review, the employer shall be promptly notified thereof and shall be afforded an opportunity for a fair hearing by a hearing officer designated by the department who shall consider and decide these and related applications and protests; but no employer shall be allowed, in any proceeding involving his or her rate of unemployment insurance contributions or contribution liability, to contest the chargeability to his or her account of any benefits paid in accordance with a determination, redetermination or decision pursuant to Sections 71-5-515 through 71-5-533 except upon the ground that the services on the basis of which such benefits were found to be chargeable did not constitute services performed in employment for him or her, and then only in the event that he or she was not a party to such determination, redetermination, decision or to any other proceedings provided in this chapter in which the character of such services was determined. The employer shall be promptly notified of the denial of this application or of the redetermination, both of which shall become final unless, within ten (10) days after the date of notice thereof, there shall be an appeal to the department itself. Any such appeal shall be on the record before said designated hearing officer, and the decision of said department shall become final unless, within thirty (30) days after the date of notice thereof to the employer's last-known address, there shall be an appeal to the Circuit Court of the First Judicial District of Hinds County, Mississippi, in accordance with the provisions of law with respect to review of civil causes by certiorari.

(3) Notwithstanding any other provision of law, the following shall apply regarding assignment of rates and transfers of experience:

(a) (i) If an employer transfers its trade or business, or a portion thereof, to another employer and, at the time of the transfer, there is substantially common ownership, management or control of the two (2) employers, then the unemployment experience attributable to the transferred trade or business shall be transferred to the employer to whom such business is so transferred. The rates of both employers shall be recalculated and made effective on January 1 of the year following the year the transfer occurred.

(ii) If, following a transfer of experience under subparagraph (i) of this paragraph (a), the department determines that a substantial purpose of the transfer of trade or business was to obtain a reduced liability of unemployment insurance contributions, then the experience-rating accounts of the employers involved shall be combined into a single account and a single rate assigned to such account.

(b) Whenever a person who is not an employer or an employing unit under this chapter at the time it acquires the trade or business of an employer, the unemployment experience of the acquired business shall not be transferred to such person if the department finds that such person acquired the business solely or primarily for the purpose of obtaining a lower rate of unemployment insurance contributions. Instead, such person shall be assigned the new employer rate under Section 71-5-353, unless assignment of the new employer rate results in an increase of less than two percent (2%), in which case such person would be assigned the new employer rate plus an additional two percent (2%) penalty for the rate year. In determining whether the business was acquired solely or primarily for the purpose of obtaining a lower rate of unemployment insurance contributions, the department shall use objective factors which may include the cost of acquiring the business, whether the person continued the business enterprise of the acquired business, how long such business enterprise was continued, or whether a substantial number of new employees were hired for performance of duties unrelated to the business activity conducted prior to acquisition.

(c) (i) If a person knowingly violates or attempts to violate paragraph (a) or (b) of this subsection or any other provision of this chapter related to determining the assignment of a contribution rate, or if a person knowingly advises another person in a way that results in a violation of such provision, the person shall be subject to the following penalties:

1. If the person is an employer, then such employer shall be assigned the highest rate assignable under this chapter for the rate year during which such violation or attempted violation occurred and the three (3) rate years immediately following this rate year. However, if the person's business is already at such highest rate for any year, or if the amount of increase in the person's rate would be less than two percent (2%) for such year, then the person's tax rate shall be increased by two percent (2%) for such year. The penalty rate will apply to the successor business as well as the related entity from which the employees were transferred in an effort to obtain a lower rate of unemployment insurance contributions.

2. If the person is not an employer, such person shall be subject to a civil money penalty of not more than Five Thousand Dollars (\$5,000.00). Each such transaction for which advice was given and each occurrence or reoccurrence after notification being given by the department shall be a separate offense and punishable by a separate penalty. Any such fine shall be deposited in the penalty and interest account established under Section 71-5-114.

(ii) For purposes of this paragraph (c), the term "knowingly" means having actual knowledge of or acting with deliberate ignorance or reckless disregard for the prohibition involved.

(iii) For purposes of this paragraph (c), the term "violates or attempts to violate" includes, but is not limited to, intent to evade, misrepresentation or willful nondisclosure.

(iv) In addition to the penalty imposed by subparagraph (i) of this paragraph (c), any violation of this subsection may be punishable by a fine of not more than Ten Thousand Dollars (\$10,000.00) or by imprisonment for not more than five (5) years, or by both such fine and imprisonment. This subsection shall prohibit prosecution under any other criminal statute of this state.

(d) The department shall establish procedures to identify the transfer or acquisition of a business for purposes of this subsection.

(e) For purposes of this subsection:

(i) "Person" has the meaning given such term by Section 7701(a)(1) of the Internal Revenue Code of 1986; and

(ii) "Employing unit" has the meaning as set forth in Section 71-5-11.

(f) This subsection shall be interpreted and applied in such a manner as to meet the minimum requirements contained in any guidance or regulations issued by the United States Department of Labor.

SECTION 10. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 29, CHAPTER 102, LAWS OF 2021, TO REVISE THE APPROPRIATION TO THE DEPARTMENT OF FINANCE AND ADMINISTRATION FOR FISCAL YEAR 2022 TO CLARIFY AND CORRECT NAMES AND PURPOSES OF VARIOUS PROJECTS FUNDED FROM THE CAPITAL EXPENSE FUND; TO AMEND SECTION 20, CHAPTER 100, LAWS OF 2021, TO REVISE THE APPROPRIATION TO THE MISSISSIPPI DEVELOPMENT AUTHORITY FOR FISCAL YEAR 2022 TO CLARIFY THE NAME OF A RECIPIENT OF FUNDS FROM THE GULF COAST RESTORATION FUND; TO AMEND SECTION 11, CHAPTER 82, LAWS OF 2021, TO REVISE THE APPROPRIATION TO THE MISSISSIPPI NATIONAL GUARD FOR FISCAL YEAR 2022 TO AUTHORIZE THE ADJUTANT GENERAL TO TRANSFER CAPITAL EXPENSE FUNDS WITHIN THE MILITARY DEPARTMENT TO FACILITATE FEDERAL GRANT MATCHING REQUIREMENTS; TO AMEND SECTION 2, CHAPTER 51, LAWS OF 2021, TO REVISE THE APPROPRIATION TO THE STATE DEPARTMENT OF AGRICULTURE AND COMMERCE FOR FISCAL YEAR 2022 TO CORRECT THE NAME OF AN EVENT FOR WHICH THE DEPARTMENT MAY PROVIDE FINANCIAL SUPPORT; TO AMEND SECTION 8, CHAPTER 46, LAWS OF 2021, TO REVISE THE APPROPRIATION TO THE STATE TREASURER'S OFFICE FOR FISCAL YEAR 2022 TO CHANGE THE AMOUNT THAT IS AVAILABLE IN THE SUPPORT PROGRAMS BUDGET; TO AMEND SECTION 45-1-19, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT ACCRUED PERSONAL, MEDICAL AND COMPENSATORY LEAVE BALANCES EARNED BY EMPLOYEES OF THE CAPITOL POLICE SHALL BE TRANSFERRED FROM THE DEPARTMENT OF FINANCE AND ADMINISTRATION TO THE DEPARTMENT OF PUBLIC SAFETY; TO AMEND SECTION 25, CHAPTER 101, LAWS OF 2021, TO REVISE THE APPROPRIATION TO THE MISSISSIPPI DEPARTMENT OF TRANSPORTATION FOR FISCAL YEAR 2022 TO REMOVE CERTAIN HIGHWAYS DESIGNATED FOR GENERAL IMPROVEMENTS, WIDENING AND/OR OVERLAY; TO AMEND SECTION 4, CHAPTER 87, LAWS OF 2021, TO REVISE THE FISCAL YEAR 2022 APPROPRIATION TO THE DEPARTMENT OF MENTAL HEALTH TO AUTHORIZE THE DEPARTMENT TO GRANT TEMPORARY COVID-19 ADJUSTMENTS TO THE COMPENSATION FOR CERTAIN EMPLOYEES FOR FISCAL YEAR 2022; TO AMEND SECTION 71-5-355, MISSISSIPPI CODE OF 1972, TO DESIGNATE DECEMBER 31 AS THE DATE FOR CALCULATING THE EXPOSURE CRITERION FOR CALENDAR YEARS 2020 AND 2021; AND FOR RELATED PURPOSES.

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 770: Mississippi Equal Pay for Equal Work Act; create.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. The provisions of this act shall be known and may be cited as the "Mississippi Equal Pay for Equal Work Act".

SECTION 2. For the purposes of this act, the following words and phrases shall have the meanings as defined in this section unless the context clearly indicates otherwise:

(a) "Employee" means any individual who is employed to work forty (40) or more hours a week and who is employed by an employer, including individuals employed by the state or any of its political subdivisions or instrumentalities of subdivisions.

(b) "Employer" means any person who employs five (5) or more employees.

(c) "Wage" means and includes all compensation paid by an employer or his or her agent for the performance of service by an employee, including the cash value of all compensation paid in any medium other than cash.

(d) "Rate" with reference to wages means the basis of compensation for services by an employee for an employer and includes compensation based on time spent in the performance of such services, on the number of operations accomplished, or on the quality produced or handled.

(e) "Unpaid wages" means the difference between the wages actually paid to an employee and the wages required to be paid to an employee as provided in this act.

(f) "Skill" means and shall be measured by factors such as experience, ability, education and training that are required to perform a job.

(g) "Effort" means the amount of physical or mental exertion needed to perform a job.

(h) "Responsibility" means the degree of accountability required to perform the job.

(i) "Working Conditions" means and includes the following two (2) factors:

(i) The physical surroundings of a job including, but not limited to, temperature, fumes and ventilation; and

(ii) The hazards of the job.

SECTION 3. (1) No employer may pay an employee a wage at a rate less than the rate at which an employee of the opposite sex in the same establishment is paid for equal work on a job, the performance of which requires equal skill, education, effort and responsibility, and which is performed under similar working conditions, except where payment is made pursuant to differential based on:

(a) A seniority system;

(b) A merit system;

(c) A system which measures earnings by quantity or quality of production;

or

(d) Any other factor other than sex. "Any other factor other than sex" shall include, but not be limited to, the following factors:

(i) The salary history or continuity of employment history demonstrated by the employee as compared to employees of the opposite sex in the same establishment;

(ii) The extent to which there was competition with other employers for the employee's services as compared to employees of the opposite sex in the same establishment; and

(iii) The extent to which the employee attempted to negotiate for higher wages as compared to employees of the opposite sex in the same establishment.

(2) (a) The provisions of this act may be enforced by private action in a civil suit in the circuit court in the county in Mississippi where the cause of action occurred pursuant to the Mississippi Rules of Civil Procedure.

(b) If an employer is found to have violated the provisions of subsection (1) of this section, the employee shall be awarded reasonable attorney's fees, prejudgment interest, back pay and costs of the action.

(3) An employer who is paying a wage differential in violation of this act shall not, in order to comply with this act, reduce the wage rate of any employee.

(4) No employer may discharge, discriminate or in any way retaliate against any employee by reason of any action taken by the employee to invoke or assist in any manner the enforcement of this act.

SECTION 4. (1) A civil action brought under this act may be commenced no later than two (2) years from the day the employee knew or should have known his or her employer was in violation of this act.

(2) If an employee brings a claim under the Equal Pay Act of 1963, a separate action may not be maintained under this act. If an employee brings a claim under this act, then later initiates a claim under the Equal Pay Act of 1963, the action brought under this act shall be dismissed with prejudice. An employee who seeks relief under this act must first waive any right to relief under the Equal Pay Act of 1963.

(3) (a) For any action under this act, published precedents of the United States Supreme Court, the United States Court of Appeals for the Fifth Circuit and federal district

courts embracing the circuit court in which any action under this act is pending, deciding cases under the Equal Pay Act of 1963, after which this act is patterned, shall be considered mandatory authority and shall be followed by the circuit court in which the action is pending, until there is a contrary ruling interpreting this act by the Mississippi Supreme Court or the Mississippi Court of Appeals.

(b) If any section, paragraph, sentence, clause, phrase or any part of this act passed is declared to be unconstitutional or void, or if for any reason is declared to be invalid or of no effect, the remaining sections, paragraphs, sentences, clauses, phrases or parts thereof shall be in no manner affected thereby but shall remain in full force and effect.

SECTION 5. This act shall take effect and be in force from and after July 1, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO CREATE THE MISSISSIPPI EQUAL PAY ACT; TO PROVIDE DEFINITIONS FOR "EMPLOYEE", "EMPLOYER", "WAGE", "RATE", AND "UNPAID WAGES"; TO PROVIDE THAT NO EMPLOYER SHALL PAY AN EMPLOYEE A WAGE AT A RATE LESS THAN THE RATE AT WHICH AN EMPLOYEE OF THE OPPOSITE SEX IN THE SAME ESTABLISHMENT IS PAID FOR EQUAL WORK ON A JOB, THE PERFORMANCE OF WHICH REQUIRES EQUAL SKILL, EFFORT AND RESPONSIBILITY, AND WHICH IS PERFORMED UNDER SIMILAR WORKING CONDITIONS; TO PROVIDE REMEDIES; TO PROVIDE THE TIME IN WHICH A CIVIL ACTION MUST BE FILED; AND FOR RELATED PURPOSES.

(2) (a) Notice of a typographical or other minor error in a document affecting the title to real property may be given by recording an affidavit containing a statement of scrivener's error. If an affidavit is conspicuously identified as an affidavit of scrivener's error, the chancery clerk shall index the affidavit in the general index under the names of the original parties to the document if they are identified in the affidavit, and in the sectional index as provided in the indexing instructions of the affidavit. Notice of the corrective information provided by the affiant is effective upon recordation. An affidavit under this paragraph (a) may be prepared only by an attorney licensed to practice law in this state \* \* \*.

(b) \* \* \* The affidavit of scrivener's error shall be executed and acknowledged by the affiant and verified upon oath or affirmation before a notarial officer, and shall be recordable in the land records in the office of the chancery clerk in the county where the real estate is situated. The affidavit shall recite: (i) the name and Mississippi bar number of the affiant attorney, (ii) the instrument containing clerical error, and (iii) a statement that the affiant is in good standing with The Mississippi Bar, is licensed to practice law in the State of Mississippi, and that his or her license is active at the time of verification or affirmation. Any affidavit of scrivener's error recorded that is not executed by an attorney licensed to practice law in the State of Mississippi, and who prepared any document in the chain of title to the subject real property, regardless of the date of recording shall be void.

(c) \* \* \* The chancery clerk shall make a marginal notation on the document to which the affidavit refers.

(3) Where title to homestead property is in the titled spouse, the nontitled spouse, in lieu of joining the titled spouse in executing a conveyance, mortgage, deed of trust or other encumbrance upon a homestead, may file an affidavit of nonhomestead verified upon oath or affirmation that either: (a) the nontitled spouse, together with the titled spouse, freely and voluntarily abandoned the old homestead and secured and currently together occupy a new homestead residence; or (b) the nontitled spouse freely and voluntarily separated from the titled spouse with no intent to return to the titled spouse or to reside with the titled spouse, either temporarily or permanently, on the titled spouse's homestead, and the nontitled spouse currently maintains and occupies a separate residence.

(4) A person who knowingly makes or causes to be made a false statement in an affidavit is guilty of perjury and liable for the actual damages suffered or incurred by any person as a result or consequence of the making of or reliance upon the false affidavit. The court may award punitive damages, costs and attorney's fees.

(5) From and after July 1, 2021, an affidavit recorded under this section must include a description of the real property covered by the affidavit.

(6) Any affidavit so recorded, or a certified copy thereof, shall be admissible as evidence in any action involving the document to which it relates or the title to the real property affected by the document and shall be prima facie evidence of the facts stated therein and the marketability of the title to real property.

The immunity provided in this act shall apply only to safety assessment services if, such services: (i) occurred during the emergency or within ninety (90) days following the end of the period for the emergency, unless extended by an executive order; and (ii) if the architect or engineer was acting as a reasonably prudent person would have acted under the same or similar circumstances during a period of declared emergency, to include any other loss of any other nature related to the registered architect's or professional engineer's acts, errors or omissions in the performance of any architectural or engineering services for any structure, building or facility during the declared period of emergency.

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1510: Elections; revise procedures regarding voter roll maintenance.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 23-15-15, Mississippi Code of 1972, is amended as follows:

23-15-15. \* \* \* (1) Upon receiving a completed voter registration application, the registrar shall enter the applicant into the Statewide Elections Management System. Said registration application shall be compared with the Department of Public Safety driver's license and identification information. If such information indicates that a particular applicant is not a citizen of the United States, the Statewide Elections Management System shall notify the registrar, or his or her designee, that the applicant may not be a citizen of the United States.

(2) After receiving the notice from the Statewide Elections Management System as provided in subsection (1) of this section, the registrar, or his or her designee, shall:

(a) Enter the applicant's information into the United States Citizenship and Immigration Service's Systematic Alien Verification for Entitlements (SAVE) or its successor database for further inquiry; and

(b) If both the Department of Public Safety driver's license and identification information and the database in paragraph (a) of this subsection indicate that the applicant is not a citizen, send a notice by first-class mail to the applicant's mailing address provided on the voter registration application inquiring whether the individual is eligible to be registered to vote. The registrar may, in addition to first-class mail, contact the applicant by email or telephone.

(3) Any applicant who receives the notice under subsection (2)(b) of this section shall, within thirty (30) days of the receipt of such notice, provide proof of citizenship to the registrar or his or her designee.

(4) For purposes of this section, proof of citizenship includes, but is not limited to:

(a) The applicant's birth certificate or a legible photocopy of the birth certificate;

(b) A United States passport, or a legible photocopy of the pertinent pages of the passport, identifying the applicant and showing the passport number;

(c) The applicant's United States naturalization documentation, a legible photocopy of the naturalization documentation, or the number of the applicant's Certificate of Naturalization; except that any person who provides the number of the Certificate of Naturalization in lieu of the naturalization documentation shall not be deemed to have provided proof of citizenship until the number is verified with the United States Citizenship and Immigration Services in the Department of Homeland Security or its successor; or

(d) Any document or method of proof of citizenship established by the Federal Immigration Reform and Control Act of 1986, Public Law 99-603, compiled in 8 USC Section 1101 et seq.

(5) If the applicant provides proof of citizenship and meets all other qualifications provided by law, the registrar shall register the applicant to vote.

(6) If the applicant does not reply to the notice or provide proof of citizenship, the registrar of the county, or his or her designee, where the person registered to vote shall mark the applicant as "PENDING" in the Statewide Elections Management System until the next federal general election:

(a) A voter in pending status may cast an affidavit ballot. The affidavit ballot shall be considered if the voter provides the required documentation under subsection (4) of this section to the registrar within five (5) days of casting the affidavit ballot.

(b) If the applicant fails to respond to the notice or cast an affidavit ballot and provide the proof described in subsection (4) of this section by the next federal general election, the registrar shall mark the applicant as "REJECTED" in the Statewide Election Management System.

SECTION 2. Section 23-15-5, Mississippi Code of 1972, is amended as follows:

23-15-5. (1) There is created in the State Treasury a special fund to be known as the Elections Support Fund. Monies derived from annual report fees imposed upon limited liability companies under Section 79-29-1203 shall be deposited into the Elections Support Fund. Unexpended amounts remaining in the fund at the end of the fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be disbursed as provided in subsection (2) of this section. The expenditure of monies in the fund shall be under the direction of the Secretary of State as provided by subsection (2) of this section, and such funds shall be paid by the State Treasurer upon warrants issued by the Department of Finance and Administration.

(2) (a) Monies in the fund shall be used as follows:

(i) \* \* \* Seventy percent (70%) of the monies in the special fund shall be distributed annually to the counties, upon appropriation of the Legislature, based on the proportion that the population of a county bears to the total population in all counties of the state population according to the most recent information from the United States

Census Bureau, and held in a separate fund solely for the purpose of acquiring, upgrading, maintaining or repairing voting equipment, systems and supplies, hiring temporary technical support, conducting elections using such voting equipment or systems, employing such personnel to conduct an election, and training election officials; and

(ii) The remaining \* \* \* thirty percent (30%) of the monies in the special fund shall be deposited in the State General Fund.

(b) The Secretary of State shall create standard training guidelines to assist counties in training election officials with the funds authorized under subsection (2)(a)(ii) of this section. Any criteria established by the Secretary of State for the purposes of this section shall be used in addition to any other training or coursework prescribed by the Secretary of State to train circuit clerks, poll managers and any other election officials participating in county elections.

(c) Notwithstanding any other provision of law, no monies from the Elections Support Fund shall be used by the Secretary of State or any person associated with the Office of the Secretary of State to provide or otherwise support expert testimony in any manner for any hearing, trial or election contest.

(3) From and after July 1, 2017, none of the monies deposited in the Elections Support Fund may be used to reimburse or otherwise defray any costs that the Office of the Secretary of State may incur in administering the fund.

(4) From and after July 1, 2016, no state agency shall charge another state agency a fee, assessment, rent or other charge for services or resources received by authority of this section.

SECTION 3. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 23-15-15, MISSISSIPPI CODE OF 1972, TO REQUIRE THE REGISTRAR UPON RECEIVING A COMPLETED VOTER REGISTRATION APPLICATION TO ENTER AN APPLICANT INTO THE STATEWIDE ELECTIONS MANAGEMENT SYSTEM; TO PROVIDE THAT THE REGISTRATION APPLICATION SHALL BE COMPARED WITH THE DEPARTMENT OF PUBLIC SAFETY DRIVER'S LICENSE AND IDENTIFICATION INFORMATION; TO REQUIRE THE STATEWIDE ELECTIONS MANAGEMENT SYSTEM TO NOTIFY THE REGISTRAR IF SUCH INFORMATION REFLECTS THAT THE APPLICANT IS NOT A CITIZEN OF THE UNITED STATES; TO REQUIRE THE REGISTRAR TO NOTIFY CERTAIN APPLICANTS; TO REQUIRE AN APPLICANT WHO RECEIVES NOTICE UNDER THIS SECTION TO PROVIDE PROOF OF CITIZENSHIP TO THE REGISTRAR; TO PROVIDE THE DOCUMENTATION THAT MAY BE SUBMITTED AS PROOF OF CITIZENSHIP; TO REQUIRE THE REGISTRAR TO MARK THE APPLICANT AS REJECTED WHERE THE APPLICANT FAILS TO RESPOND TO THE NOTICE OR TO PROVIDE PROOF OF CITIZENSHIP WITHIN A CERTAIN PERIOD OF TIME; TO ESTABLISH AN APPEAL PROCEDURE; TO AMEND SECTION 23-15-5, MISSISSIPPI CODE OF 1972, TO REVISE THE MONIES THAT ARE DEPOSITED INTO THE ELECTIONS SUPPORT FUND; AND FOR RELATED PURPOSES.

## REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2245: Voyeurism; revise sentencing.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 97-29-61, Mississippi Code of 1972, is amended as follows:

97-29-61. (1) (a) Any person who enters upon real property, whether the original entry is legal or not, and thereafter pries or peeps through a window or other opening in a dwelling or other building structure for the lewd, licentious and indecent purpose of spying upon the occupants thereof, shall be guilty of a felonious trespass.

(b) Any person who looks through a window, hole or opening, or otherwise views by means of any instrumentality, including, but not limited to, a periscope, telescope, binoculars, drones, camera, motion-picture camera, camcorder or mobile phone, into the interior of a bedroom, bathroom, changing room, fitting room, dressing room, spa, massage room or therapy room or tanning booth, or the interior of any other

area in which the occupant has a reasonable expectation of privacy, with the intent to invade the privacy of a person or persons inside and without the consent or knowledge of every person present, for the lewd, licentious and indecent purpose of spying upon the occupant or occupants thereof, shall be guilty of a felony.

(2) (a) Except as provided in paragraph (b) of this subsection, a person who \* \* \* is over the age of \* \* \* eighteen (18) at the time of the offense \* \* \* and is convicted of a violation of subsection (1) of this section shall be imprisoned in the custody of the Department of Corrections not more than five (5) years.

(b) When one or more occupants spied upon is a child under sixteen (16) years of age, a person who was over the age of twenty-one (21) at the time of the offense who is convicted of a violation of subsection (1) of this section shall be imprisoned in the custody of the Department of Corrections not more than ten (10) years.

SECTION 2. (1) This section shall be known and may be cited as "Buddy's Law."

(2) When a child is adjudicated delinquent of an offense involving the intentional torturing, mutilating, maiming, burning, starving to death, crushing, disfiguring, drowning, suffocating or impaling of a domesticated dog or cat as described in Section 97-14-16, the youth court shall order that the child adjudicated delinquent receives a psychiatric evaluation and counseling or treatment for a length of time as prescribed by the youth court. The cost of any evaluation, counseling and treatment shall be paid by the offender's parent or guardian, or by the state if the offender is a ward of the state, upon order of the youth court, up to a maximum amount that is no more than the jurisdictional limit of the sentencing court. The youth court shall hold the offender's parent or guardian in contempt under Section 43-21-509 if the parent or guardian willfully does not follow the recommended treatment for the offender.

(3) The Legislature does recognize that animal abuse by a child often leads to further criminal activity by the child as he or she ages. This activity is sometimes homicidal; however, it is the Legislature's intent that a mental health evaluation under this section is only required in extreme situations as prescribed in Section 97-14-16. Further, it is the intent of the Legislature that a minor offense of abuse of a cat or dog by a child shall not require a mental health evaluation unless the judge, after a hearing, shall determine if the evaluation is necessary.

SECTION 3. This act shall take effect and be in force from and after July 1, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 97-29-61, MISSISSIPPI CODE OF 1972, TO REVISE SENTENCING OPTIONS FOR THE CRIME OF VOYEURISM; TO ENACT "BUDDY'S LAW"; TO REQUIRE A CHILD ADJUDICATED DELINQUENT OF CERTAIN OFFENSES AGAINST A DOMESTICATED DOG OR CAT TO RECEIVE A PSYCHIATRIC EVALUATION AND COUNSELING OR TREATMENT FOR A LENGTH OF TIME PRESCRIBED BY THE YOUTH COURT;

## POINT OF ORDER

Senator Barnett raised a point of order that Section 2 of the Conference Report is not germane to the bill.

## RULING OF THE CHAIR

The Chair, President Hosemann presiding, ruled the point of order not well-taken. Joint Rule 24 states that when one house strikes out of a bill all after the enacting clause and inserts new text as an amendment thereto, the conferees may disregard the text of the original bill and of the amendment and may exercise wide discretion in the incorporation of germane new text.

YEAS AND NAYS. The yeas and nays being taken, the Report of Conference Committee on **S. B. No. 2245** was adopted:

Yeas--Barrett, Blackmon, Blackwell, Blount, Boyd, Branning, Bryan, Carter, Caughman, Chassaniol, Chism, DeBar, DeLano, England, Fillingane, Harkins, Hill, Hopson, Johnson, Kirby, McCaughn, McDaniel, McLendon, McMahan, Michel, Moran, Parker, Parks, Polk, Seymour, Sojourner, Sparks, Suber, Tate, Thompson, Turner-Ford, Whaley, Wiggins, Williams, Younger. Absent and those not voting----None.

Unanimous consent was granted to add Senators Blackwell and McLendon as co-authors of **S. B. No. 2245**.

Senator Barnett entered a motion to reconsider the vote whereby the Conference Report on **S. B. No. 2245** was adopted by the Senate.

Senator Fillingane offered the following report of the Conference Committee on **S. B. No. 2246**:

## REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2246: Search warrants; authorize issuance for sex offenses against children upon oral testimony.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) The provisions of this section shall only apply to search warrants issued in relation to computer crime investigations for sex offenses against children who are less than eighteen (18) years old involving a computer defined in Section 7-5-59(1)(a).

(2) If circumstances make it reasonable to dispense, in whole or in part, with a written affidavit, a judge who is authorized to issue search warrants may issue a warrant based upon sworn testimony communicated by telephone or other appropriate means, including facsimile transmission.

(3) The person who is requesting the warrant shall prepare a document to be known as a "duplicate original warrant" and shall read such duplicate original warrant verbatim to the issuing judge. The judge shall enter what is so read on a document to be known as the "original warrant." The issuing judge may direct that the warrant be modified.

(4) If the judge is satisfied that the circumstances are such as to make it reasonable to dispense with a written affidavit and the grounds for the application exist or that there is probable cause to believe that they exist, the judge shall order the issuance of a warrant by directing the person requesting the warrant to sign the judge's name on the duplicate original warrant. The judge shall immediately sign the original warrant and enter on the face of the original warrant the exact time the warrant was ordered to be issued. The finding of probable cause for a warrant upon oral testimony may be based on the same kind of evidence as is sufficient for a warrant upon affidavit.

(5) When a telephone caller informs the judge that the purpose of the telephone call is to request a warrant, the judge shall immediately place under oath each person whose testimony forms a basis of the application and each person applying for the warrant. If a voice recording device is available, the judge shall record by means of such device all of the call after the caller informs the judge that the purpose of the call is to request a warrant. Otherwise, a stenographic or longhand verbatim record shall be made. If a voice recording device is used or a stenographic record made, the judge shall have the record transcribed, shall certify the accuracy of the transcription, and shall file a copy of the original record and the transcription with the court. If a longhand verbatim record is made, the judge shall file a signed copy with the court.

(6) The contents of a warrant upon oral testimony shall be the same as the contents of a warrant upon affidavit.

(7) The person who executes the warrant shall enter the exact time of execution on the face of the duplicate original warrant.

SECTION 2. (1) In any municipality in which Highway 6 and Highway 7 intersect and in which a university is located, an application for a warrant or signature utilized by the judicial branch of state government for a violation of the Implied Consent Law shall not be denied legal effect or enforceability solely because it is in electronic form. Any such application, signature or record in electronic form shall have the full effect of law.

(2) If a provision of law for a violation of the Implied Consent Law requires the application for any warrant to be in writing, an electronic record shall satisfy such provision of law.

(3) If a provision of law for a violation of the Implied Consent Law requires a signature, an electronic signature satisfies such provision of law.

(4) Any application used to attach a digital signature to any warrant or affidavit for a violation of the Implied Consent Law must have security procedures in place that ensure the authenticity of the digital signature. The application must also be able to keep an electronic record of the warrant or affidavit, including the time and date of when the signature was attached. The application must also include encryption measures to ensure secure access of the application.

(5) Unless otherwise agreed to by a sender of a warrant application and the judge, an electronic record is received when:

(a) The record enters an information-processing system that the local court rules have designated and approved for the purpose of receiving electronic applications for warrants and from which the recipient is able to retrieve the electronic record; and

(b) It is in a form capable of being processed by the system.

(6) In any instance where an affidavit is submitted to a judge electronically, the electronic signature of the affiant shall satisfy the constitutional requirement that the testimony of the affiant be made under oath, provided that such signature is made under penalty of perjury and in compliance with subsection (4) of this section. If the requirements of subsection (4) of this section are met, it shall not be necessary for the oath to be made orally for the affidavit to have legal effect.

(7) This section shall stand repealed from and after July 1, 2024.

SECTION 3. This act shall take effect and be in force from and after July 1, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AUTHORIZE THE ISSUANCE OF SEARCH WARRANTS UPON ORAL TESTIMONY FOR INVESTIGATION OF SEX OFFENSES AGAINST CHILDREN INVOLVING A COMPUTER; TO PRESCRIBE A PROCEDURE FOR THE ISSUANCE OF THE WARRANTS; TO AUTHORIZE THE USE OF ELECTRONIC SIGNATURES FOR WARRANT APPLICATIONS FOR A VIOLATION OF THE IMPLIED CONSENT LAW IN A CERTAIN MUNICIPALITY; AND FOR RELATED PURPOSES.

POINT OF ORDER

A point of order was raised by Senator Turner-Ford that Section 2 of the Conference Report adds additional language, and as a result it is not properly before the Senate.

RULING OF THE CHAIR

The Chair, President Hosemann presiding, ruled the point of order well-taken. The Conference Report inserts language that does not relate to the subject matter of the original bill or the amendment, and therefore is not germane.

Senator Fillingane moved that the Conference Committee Report on **S. B. No. 2246** be recommitted for further conference and the motion prevailed.

Senator Fillingane offered the following report of the Conference Committee on **S. B. No. 2263** and moved that the Report do be adopted:

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2263: Adult adoptions; authorize chancellor to waive procedural requirements.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 93-17-3, Mississippi Code of 1972, is amended as follows:

93-17-3. (1) Except as otherwise provided in this section, a court of this state has jurisdiction over a proceeding for the adoption or readoption of a minor commenced under this chapter if:

(a) Immediately before commencement of the proceeding, the minor lived in this state with a parent, a guardian, a prospective adoptive parent or another person acting as parent, for at least six (6) consecutive months, excluding periods of temporary absence, or, in the case of a minor under six (6) months of age, lived in this state from soon after birth with any of those individuals and there is available in this state substantial evidence concerning the minor's present or future care;

(b) Immediately before commencement of the proceeding, the prospective adoptive parent lived in this state for at least six (6) consecutive months, excluding periods of temporary absence, and there is available in this state substantial evidence concerning the minor's present or future care;

(c) The agency that placed the minor for adoption is licensed in this state and it is in the best interest of the minor that a court of this state assume jurisdiction because:

(i) The minor and the minor's parents, or the minor and the prospective adoptive parent, have a significant connection with this state; and

(ii) There is available in this state substantial evidence concerning the minor's present or future care;

(d) The minor and the prospective adoptive parent or parents are physically present in this state and the minor has been abandoned or it is necessary in an emergency to protect the minor because the minor has been subjected to or threatened with mistreatment or abuse or is otherwise neglected, and the prospective adoptive parent or parents, if not residing in Mississippi, have completed and provided the court with a satisfactory Interstate Compact for Placement of Children (ICPC) home study and accompanying forms;

(e) It appears that no other state would have jurisdiction under prerequisites substantially in accordance with paragraphs (a) through (d), or another state has declined to exercise jurisdiction on the ground that this state is the more appropriate forum to hear a petition for adoption of the minor, and it is in the best interest of the minor that a court of this state assume jurisdiction; or

(f) The child has been adopted in a foreign country, the agency that placed the minor for adoption is licensed in this state, and it is in the best interest of the child to be readopted in a court of this state having jurisdiction.

(2) A court of this state may not exercise jurisdiction over a proceeding for adoption of a minor if, at the time the petition for adoption is filed, a proceeding concerning the custody or adoption of the minor is pending in a court of another state exercising jurisdiction substantially in conformity with the Uniform Child Custody Jurisdiction Act or this section unless the proceeding is stayed by the court of the other state.

(3) If a court of another state has issued a decree or order concerning the custody of a minor who may be the subject of a proceeding for adoption in this state, a court of this state may not exercise jurisdiction over a proceeding for adoption of the minor unless:

(a) The court of this state finds that the court of the state which issued the decree or order:

(i) Does not have continuing jurisdiction to modify the decree or order under jurisdictional prerequisites substantially in accordance with the Uniform Child Custody Jurisdiction Act or has declined to assume jurisdiction to modify the decree or order; or

(ii) Does not have jurisdiction over a proceeding for adoption substantially in conformity with subsection (1)(a) through (d) or has declined to assume jurisdiction over a proceeding for adoption; and

(b) The court of this state has jurisdiction over the proceeding.

(4) Any person may be adopted in accordance with the provisions of this chapter in term time or in vacation by an unmarried adult, by a married person whose spouse joins in the petition, by a married person whose spouse does not join in the petition because such spouse does not cohabit or reside with the petitioning spouse, and in any circumstances determined by the court that the adoption is in the best interest of the child. Only the consenting adult will be a legal parent of the child. The adoption shall be by sworn petition filed in the chancery court of the county in which the adopting petitioner or petitioners reside or in which the child to be adopted resides or was born, or was found when it was abandoned or deserted, or in which the home is located to which the child has been surrendered by a person authorized to so do. The petition shall be accompanied by a doctor's or nurse practitioner's certificate showing the physical and mental condition of the child to be adopted and a sworn statement of all property, if any, owned by the child. In addition, the petition shall be accompanied by affidavits of the petitioner or petitioners stating the amount of the service fees charged by any adoption agencies or adoption

facilitators used by the petitioner or petitioners and any other expenses paid by the petitioner or petitioners in the adoption process as of the time of filing the petition. If the doctor's or nurse practitioner's certificate indicates any abnormal mental or physical condition or defect, the condition or defect shall not, in the discretion of the chancellor, bar the adoption of the child if the adopting parent or parents file an affidavit stating full and complete knowledge of the condition or defect and stating a desire to adopt the child, notwithstanding the condition or defect. The court shall have the power to change the name of the child as a part of the adoption proceedings. The word "child" in this section shall be construed to refer to the person to be adopted, though an adult.

\* \* \*

( \* \* \*5) No person may be placed in the home of or adopted by the prospective adopting parties before a court-ordered or voluntary home study is satisfactorily completed by a licensed adoption agency, a licensed, experienced social worker approved by the chancery court, a court-appointed guardian ad litem that has knowledge or training in conducting home studies if so directed by the court, or by the Department of Human Services on the prospective adoptive parties if required by Section 93-17-11.

( \* \* \*6) No person may be adopted by a person or persons who reside outside the State of Mississippi unless the provisions of the Interstate Compact for Placement of Children (Section 43-18-1 et seq.) have been complied with. In such cases Forms 100A, 100B (if applicable) and evidence of Interstate Compact for Placement of Children approval shall be added to the permanent adoption record file within one (1) month of the placement, and a minimum of two (2) post-placement reports conducted by a licensed child-placing agency shall be provided to the Mississippi Department of Child Protection Services Interstate Compact for Placement of Children office.

( \* \* \*7) No person may be adopted unless the provisions of the Indian Child Welfare Act (ICWA) have been complied with, if applicable. When applicable, proof of compliance shall be included in the court adoption file prior to finalization of the adoption. If not applicable, a written statement or paragraph in the petition for adoption shall be included in the adoption petition stating that the provisions of ICWA do not apply before finalization.

( \* \* \*8) The readoption of a child who has automatically acquired United States citizenship following an adoption in a foreign country and who possesses a Certificate of Citizenship in accordance with the Child Citizenship Act, CAA, Public Law 106-395, may be given full force and effect in a readoption proceeding conducted by a court of competent jurisdiction in this state by compliance with the Mississippi Registration of Foreign Adoptions Act, Article 9 of this chapter.

(9) For adult adoptees who consent to the adoption, a chancellor may waive any of the petition requirements and procedural requirements within subsections (4), (5), (6) and (7) of this section.

SECTION 2. For purposes of this act, the following words shall have the meanings ascribed herein unless the context otherwise requires:

(a) "Change of name petition" means a petition to change the legal name of an individual.

(b) "Offender" means any physically incarcerated person convicted of a crime or offense under the laws and ordinances of the state and its political subdivisions or the laws and regulations of the federal government.

SECTION 3. (1) (a) No offender shall have standing to file a change of name petition with the chancery court;

- (b) No chancellor shall grant a change of name petition for an offender; and
- (c) No chancery clerk shall file a change of name petition for an offender.

(2) A chancellor may change the name of an offender if:

- (a) A district attorney files a change of name petition on behalf of an offender;
- (b) A sheriff of a county in which a person is incarcerated files a change of name petition on behalf of an offender;
- (c) The Commissioner of the Mississippi Department of Corrections, or his or her designee, files a change of name petition on behalf of an offender; or
- (d) A Mississippi Department of Corrections Chaplain files a change of name petition on behalf of an offender.

SECTION 4. This act shall take effect and be in force from and after July 1, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 93-17-3, MISSISSIPPI CODE OF 1972, TO AUTHORIZE THE CHANCELLOR TO WAIVE PROCEDURAL REQUIREMENTS FOR ADULT ADOPTEES WHO CONSENT TO THE ADOPTION; TO CONFORM TO FEDERAL LAW BY DELETING THE PROHIBITION AGAINST COUPLES OF THE SAME GENDER ADOPTING; TO PROHIBIT PHYSICALLY INCARCERATED OFFENDERS FROM REQUESTING A NAME CHANGE; TO DEFINE TERMS; TO PROVIDE CERTAIN EXCEPTIONS; AND FOR RELATED PURPOSES.

S. B. No. 2321: Human trafficking; create civil cause of action for engaging in or benefitting from.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. For purposes of this act, the following words shall have the meanings ascribed herein unless the context requires otherwise:

SECTION 2. (1) A defendant who engages in human trafficking or who willfully, intentionally and knowingly benefits from participating in a venture that trafficks another

person is liable to the person trafficked, as provided by this act, for damages proximately caused by the trafficking of that person by the defendant or venture.

(2) The occurrence of human trafficking on the property of one not engaged in or benefitting from such human trafficking shall not, in and of itself, subject the property owner to liability under this act.

(3) It is not a defense to liability under this act that a defendant has been acquitted or has not been prosecuted or convicted under Section 97-3-54.1 or Section 97-3-54.4, or has been convicted of a different offense or of a different type or class of offense, for the conduct that is alleged to give rise to liability under this act.

(4) The cause of action created by this section is in addition to any other remedy provided by common law or statute.

(5) An action under this act shall be filed within:

(a) Three (3) years after the cause of action accrued; or

(b) Three (3) years after the claimant reaches the age of majority if at the time the cause of action accrued the claimant was a minor.

SECTION 3. A claimant who prevails in a suit under this act may be awarded:

(a) Compensatory damages;

(b) Court costs; and

(c) Reasonable attorneys' fees.

SECTION 4. A person who engages in human trafficking or who willfully, intentionally and knowingly benefits from participating in a venture that trafficks another person and who is found liable under this act for any amount of damages proximately caused by the trafficking is jointly liable with any other defendant found liable under this act for the entire amount of damages proximately caused by the trafficking.

SECTION 5. Sections 1 through 5 of this act shall be liberally construed and applied to promote its underlying purpose to protect persons from human trafficking and provide adequate remedies to victims of human trafficking.

SECTION 6. Section 97-29-51, Mississippi Code of 1972, is amended as follows:

97-29-51. (1) (a) A person commits the misdemeanor of procuring the services of a prostitute if the person knowingly or intentionally pays, or offers or agrees to pay, money or other property to another person for having engaged in, or on the understanding that the other person will engage in, sexual intercourse or sexual conduct with the person or with any other person. "Sexual conduct" includes cunnilingus, fellatio, masturbation of another, anal intercourse or the causing of penetration to any extent and with any object or body part of the genital or anal opening of another.

(b) Upon conviction under this subsection, a person shall be punished by a fine not exceeding Two Hundred Dollars (\$200.00) or by confinement in the county jail for not more than six (6) months, or both. A second or subsequent violation of this section shall be a felony, punishable by a fine not exceeding One Thousand Dollars (\$1,000.00), or by imprisonment in the custody of the Department of Corrections for not more than two (2) years, or both.

(c) However, in all cases, if the person whose services are procured in violation of this subsection (1) is a minor under eighteen (18) years of age, the person

convicted shall be guilty of a felony and shall, upon conviction, be punished by imprisonment for not less than five (5) years, nor more than thirty (30) years, or by a fine of not less than Fifty Thousand Dollars (\$50,000.00) nor more than Five Hundred Thousand Dollars (\$500,000.00), or both.

(d) Consent of a minor is not a defense to prosecution under this subsection (1).

(2) (a) A person commits the felony of promoting prostitution if the person:

(i) Knowingly or intentionally entices, compels, causes, induces, persuades, or encourages by promise, threat, violence, or by scheme or device, another person to become a prostitute, engage in conduct in violation of Section 97-29-49, regardless of whether the other person can be or is arrested for, charged with or convicted of the offense of prostitution;

(ii) Knowingly or intentionally solicits or offers or agrees to solicit, or receives or gives, or agrees to receive or give any money or thing of value for soliciting, or attempting to solicit, another person for the purpose of prostitution;

(iii) Knowingly induces, persuades, or encourages a person to come into or leave this state for the purpose of prostitution;

(iv) Having control over the use of a place or vehicle, knowingly or intentionally permits another person to use the place or vehicle for prostitution;

(v) Accepts, receives, levies or appropriates money or other property of value from a prostitute, without lawful consideration, with knowledge or reasonable cause to know it was earned, in whole or in part, from prostitution; or

(vi) Conducts, directs, takes, or transports, or offers or agrees to take or transport, or aids or assists in transporting, any person to any vehicle, conveyance, place, structure, or building, or to any other person with knowledge or reasonable cause to know that the purpose of such directing, taking or transporting is prostitution.

(b) Upon conviction, a person shall be punished by a fine not exceeding Five Thousand Dollars (\$5,000.00) or by imprisonment in the custody of the Department of Corrections for not more than ten (10) years, or both. A second or subsequent violation shall be punished by a fine not exceeding Twenty Thousand Dollars (\$20,000.00) or by imprisonment in the custody of the Department of Corrections for up to twenty (20) years, or both.

(c) However, in all cases, if the person whose services are promoted in violation of this subsection (2) is a minor under eighteen (18) years of age, the person convicted shall be guilty of a felony and shall, upon conviction, be punished by imprisonment for not less than five (5) years, nor more than thirty (30) years, or by a fine of not less than Fifty Thousand Dollars (\$50,000.00) nor more than Five Hundred Thousand Dollars (\$500,000.00), or both. There is no requirement that the defendant have actual knowledge of the age of the person and consent of a minor is not a defense to prosecution under this section.

(3) If it is determined that a person suspected of or charged with promoting prostitution is a trafficked person, as defined by Section 97-3-54.4, that fact shall be considered a mitigating factor in any prosecution of that person for prostitution, and the person shall be referred to appropriate resources for assistance. If it is determined that a person suspected of or charged with promoting prostitution is a minor under eighteen (18) years of age who meets the definition of a trafficked person as defined in Section 97-3-54.4, the minor is immune from prosecution for promoting prostitution as a juvenile or adult and provisions of Section 97-3-54.1(4) shall be applicable.

(4) Any partnership, association, corporation or other entity violating any provision of subsection (2) against the promotion of prostitution shall, upon conviction, be punished by a fine not exceeding Fifty Thousand Dollars (\$50,000.00). If the person whose services are promoted is under eighteen (18) years of age, the partnership, association, corporation or other legal entity convicted shall be punished by a fine not exceeding One Million Dollars (\$1,000,000.00). There is no requirement that the defendant have knowledge of the age of the person. Consent of a minor is not a defense to prosecution under this section.

(5) Investigation and prosecution of a person, partnership, association, corporation or other entity under this section shall not preclude investigation or prosecution against that person, partnership, association, corporation or other entity for a violation of other applicable criminal laws, including, but not limited to, the Mississippi Human Trafficking Act, Section 97-3-54 et seq.

SECTION 7. Section 97-3-54.7, Mississippi Code of 1972, is amended as follows:

97-3-54.7. Forfeiture of assets and disposition of proceeds.

(1) In addition to any other civil or criminal penalties provided by law, any property used in the commission of a violation of this act shall be forfeited as provided herein.

(a) The following property shall be subject to forfeiture if used or intended for use as an instrumentality in or used in furtherance of a violation of this act:

(i) Conveyances, including aircraft, vehicles or vessels;

(ii) Books, records, telecommunication equipment, or computers;

(iii) Money or weapons;

(iv) Everything of value furnished, or intended to be furnished, in exchange for an act in violation and all proceeds traceable to the exchange;

(v) Negotiable instruments and securities;

(vi) Any property, real or personal, directly or indirectly acquired or received in a violation or as an inducement to violate;

(vii) Any property traceable to proceeds from a violation; and

(viii) Any real property, including any right, title and interest in the whole of or any part of any lot or tract of land used in furtherance of a violation of this act.

(b) (i) No property used by any person as a common carrier in the transaction of business as a common carrier is subject to forfeiture under this section unless it appears that the owner or other person in charge of the property is a consenting party or privy to a violation of this act;

(ii) No property is subject to forfeiture under this section by reason of any act or omission proved by the owner thereof to have been committed or omitted without his knowledge or consent; if the confiscating authority has reason to believe that the property is a leased or rented property, then the confiscating authority shall notify the owner of the property within five (5) days of the confiscation or within five (5) days of forming reason to believe that the property is a leased or rented property;

(iii) Forfeiture of a property encumbered by a bona fide security interest is subject to the interest of the secured party if he neither had knowledge of nor consented to the act or omission.

(2) No property shall be forfeited under the provisions of this section, to the extent of the interest of an owner, by reason of any act or omission established by him to have been committed or omitted without his knowledge or consent.

(3) Seizure without process may be made if the seizure is incident to an arrest or a search under a search warrant or an inspection under an administrative inspection warrant.

(4) (a) When any property is seized under this section, proceedings shall be instituted within a reasonable period of time from the date of seizure or the subject property shall be immediately returned to the party from whom seized.

(b) A petition for forfeiture shall be filed by the Attorney General or a district attorney in the name of the State of Mississippi, the county, or the municipality, and may be filed in the county in which the seizure is made, the county in which the criminal prosecution is brought, or the county in which the owner of the seized property is found. Forfeiture proceedings may be brought in the circuit court or the county court if a county court exists in the county and the value of the seized property is within the jurisdictional limits of the county court as set forth in Section 9-9-21. A copy of the petition shall be served upon the following persons by service of process in the same manner as in civil cases:

(i) The owner of the property, if address is known;

(ii) Any secured party who has registered his lien or filed a financing statement as provided by law, if the identity of the secured party can be ascertained by the entity filing the petition by making a good faith effort to ascertain the identity of the secured party;

(iii) Any other bona fide lienholder or secured party or other person holding an interest in the property in the nature of a security interest of whom the seizing law enforcement agency has actual knowledge; and

(iv) Any person in possession of property subject to forfeiture at the time that it was seized.

(5) If the property is a motor vehicle susceptible of titling under the Mississippi Motor Vehicle Title Law and if there is any reasonable cause to believe that the vehicle has been titled, inquiry of the Department of Revenue shall be made as to what the records of the Department of Revenue show as to who is the record owner of the vehicle and who, if anyone, holds any lien or security interest that affects the vehicle.

(6) If the property is a motor vehicle and is not titled in the State of Mississippi, then an attempt shall be made to ascertain the name and address of the person in whose name the vehicle is licensed, and if the vehicle is licensed in a state which has in effect a certificate of title law, inquiry of the appropriate agency of that state shall be made as to what the records of the agency show as to who is the record owner of the vehicle and who, if anyone, holds any lien, security interest or other instrument in the nature of a security device that affects the vehicle.

(7) If the property is of a nature that a financing statement is required by the laws of this state to be filed to perfect a security interest affecting the property and if there is any reasonable cause to believe that a financing statement covering the security interest has been filed under the laws of this state, inquiry of the appropriate office designated in Section 75-9-501, shall be made as to what the records show as to who is the record

owner of the property and who, if anyone, has filed a financing statement affecting the property.

(8) If the property is an aircraft or part thereof and if there is any reasonable cause to believe that an instrument in the nature of a security device affects the property, inquiry of the Mississippi Department of Transportation shall be made as to what the records of the Federal Aviation Administration show as to who is the record owner of the property and who, if anyone, holds an instrument in the nature of a security device which affects the property.

(9) If the answer to an inquiry states that the record owner of the property is any person other than the person who was in possession of it when it was seized, or states that any person holds any lien, encumbrance, security interest, other interest in the nature of a security interest, mortgage or deed of trust that affects the property, the record owner and also any lienholder, secured party, other person who holds an interest in the property in the nature of a security interest, or holder of an encumbrance, mortgage or deed of trust that affects the property is to be named in the petition of forfeiture and is to be served with process in the same manner as in civil cases.

(10) If the owner of the property cannot be found and served with a copy of the petition of forfeiture, or if no person was in possession of the property subject to forfeiture at the time that it was seized and the owner of the property is unknown, there shall be filed with the clerk of the court in which the proceeding is pending an affidavit to such effect, whereupon the clerk of the court shall publish notice of the hearing addressed to "the Unknown Owner of \_\_\_\_\_," filling in the blank space with a reasonably detailed description of the property subject to forfeiture. Service by publication shall contain the other requisites prescribed in Section 11-33-41, and shall be served as provided in Section 11-33-37, for publication of notice for attachments at law.

(11) No proceedings instituted pursuant to the provisions of this section shall proceed to hearing unless the judge conducting the hearing is satisfied that this section has been complied with. Any answer received from an inquiry required by this section shall be introduced into evidence at the hearing.

(12) (a) An owner of a property that has been seized shall file an answer within thirty (30) days after the completion of service of process. If an answer is not filed, the court shall hear evidence that the property is subject to forfeiture and forfeit the property to the seizing law enforcement agency. If an answer is filed, a time for hearing on forfeiture shall be set within thirty (30) days of filing the answer or at the succeeding term of court if court would not be in session within thirty (30) days after filing the answer. The court may postpone the forfeiture hearing to a date past the time any criminal action is pending against the owner upon request of any party.

(b) If the owner of the property has filed an answer denying that the property is subject to forfeiture, then the burden is on the petitioner to prove that the property is subject to forfeiture. However, if an answer has not been filed by the owner of the property, the petition for forfeiture may be introduced into evidence and is prima facie evidence that the property is subject to forfeiture. The burden of proof placed upon the petitioner in regard to property forfeited under the provisions of this chapter shall be by a preponderance of the evidence.

(c) At the hearing any claimant of any right, title or interest in the property may prove his lien, encumbrance, security interest, other interest in the nature of a security interest, mortgage or deed of trust to be bona fide and created without knowledge or consent that the property was to be used so as to cause the property to be subject to forfeiture.

(d) If it is found that the property is subject to forfeiture, then the judge shall forfeit the property. However, if proof at the hearing discloses that the interest of any bona

fide lienholder, secured party, other person holding an interest in the property in the nature of a security interest, or any holder of a bona fide encumbrance, mortgage or deed of trust is greater than or equal to the present value of the property, the court shall order the property released to him. If the interest is less than the present value of the property and if the proof shows that the property is subject to forfeiture, the court shall order the property forfeited.

(13) Unless otherwise provided herein, all personal property which is forfeited under this section shall be liquidated and, after deduction of court costs and the expense of liquidation, the proceeds shall be divided as follows:

(a) If only one (1) law enforcement agency participates in the underlying criminal case out of which the forfeiture arises, fifty percent (50%) of the proceeds shall be forwarded to the State Treasurer and deposited in the \* \* \* Victims of Human Trafficking and Commercial Sexual Exploitation Fund, and fifty percent (50%) shall be deposited and credited to the budget of the participating law enforcement agency.

(b) If more than one (1) law enforcement agency participates in the underlying criminal case out of which the forfeiture arises, fifty percent (50%) of the proceeds shall be forwarded to the State Treasurer and deposited in the \* \* \* Victims of Human Trafficking and Commercial Sexual Exploitation Fund, twenty-five percent (25%) of the proceeds shall be deposited and credited to the budget of the law enforcement agency whose officers initiated the criminal case and twenty-five percent (25%) shall be divided equitably between or among the other participating law enforcement agencies, and shall be deposited and credited to the budgets of the participating law enforcement agencies. In the event that the other participating law enforcement agencies cannot agree on the division of their twenty-five percent (25%), a petition shall be filed by any one of them in the court in which the civil forfeiture case is brought and the court shall make an equitable division.

(14) All money forfeited under this section shall be divided, deposited and credited in the same manner as provided in subsection (13).

(15) All real estate forfeited under the provisions of this section shall be sold to the highest and best bidder at a public auction for cash, the auction to be conducted by the chief law enforcement officer of the initiating law enforcement agency, or his designee, at such place, on such notice and in accordance with the same procedure, as far as practicable, as is required in the case of sales of land under execution at law. The proceeds of the sale shall first be applied to the cost and expense in administering and conducting the sale, then to the satisfaction of all mortgages, deeds of trust, liens and encumbrances of record on the property. The remaining proceeds shall be divided, forwarded and deposited in the same manner as provided in subsection (13).

(16) (a) Any county or municipal law enforcement agency may maintain, repair, use and operate for official purposes all property described in subsection (1)(a)(i) of this section that has been forfeited to the agency if it is free from any interest of a bona fide lienholder, secured party or other party who holds an interest in the property in the nature of a security interest. The county or municipal law enforcement agency may purchase the interest of a bona fide lienholder, secured party or other party who holds an interest so that the property can be released for its use. If the property is a motor vehicle susceptible of titling under the Mississippi Motor Vehicle Title Law, the law enforcement agency shall be deemed to be the purchaser, and the certificate of title shall be issued to it as required by subsection (9) of this section.

(b) (i) If a vehicle is forfeited to or transferred to a sheriff's department, then the sheriff may transfer the vehicle to the county for official or governmental use as the board of supervisors may direct.

(ii) If a vehicle is forfeited to or transferred to a police department, then the police chief may transfer the vehicle to the municipality for official or governmental use as the governing authority of the municipality may direct.

(c) If a motor vehicle forfeited to a county or municipal law enforcement agency becomes obsolete or is no longer needed for official or governmental purposes, it may be disposed of in accordance with Section 19-7-5 or in the manner provided by law for disposing of municipal property.

(17) The forfeiture procedure set forth in this section is the sole remedy of any claimant, and no court shall have jurisdiction to interfere therewith by replevin, injunction, supersedeas or in any other manner.

SECTION 8. Section 97-3-54.9, Mississippi Code of 1972, is amended as follows:

97-3-54.9. Statewide Human Trafficking Coordinator; duties.

(1) There is created the position of statewide human trafficking coordinator within the Mississippi Bureau of Investigation of the Department of Public Safety office. The duties of the coordinator shall be as follows:

S. B. No. 2335: State Fire Academy; remove limitation on the number of Emergency Medical Responder students trained per year.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 45-11-7, Mississippi Code of 1972, is amended as follows:

45-11-7. (1) There is hereby created a State Fire Academy for the training and education of persons engaged in municipal, county and industrial fire protection. The Commissioner of Insurance shall appoint an Executive Director of the State Fire Academy who, along with his employees, shall be designated as a division of the Insurance Department. The executive director shall serve at the pleasure of the Commissioner of Insurance. The State Fire Academy shall be under the supervision and direction of the Executive Director of the State Fire Academy. State Fire Academy training programs for fire personnel shall be conducted at the academy with seminars to be conducted in other sections of the state as and when the State Fire Academy Advisory Board considers it necessary and advisable.

The Commissioner of Insurance may establish and charge reasonable fees for the training programs and other services provided by the academy. A record of all funds received pursuant to this paragraph shall be maintained as is required for other monies pursuant to Section 45-11-5.

The Executive Director of the State Fire Academy is authorized and empowered to purchase, operate and maintain mobile firefighting equipment as he may find necessary and proper for the operation of the academy subject to approval of the Commissioner of Insurance. The equipment may be utilized wherever training sessions may be held at the discretion of the State Fire Academy Advisory Board.

(2) The Commissioner of Insurance shall be authorized to undertake appropriate action to accomplish and fulfill the purposes of the State Fire Academy, including the hiring of instructors and personnel, the lease and purchase of appropriate training equipment and to lease, purchase or construct suitable premises and quarters for conducting annual school and seminars, as the State Fire Academy Advisory Board may deem necessary

and required for such purposes. Any contract entered into under and by virtue of the provisions of this section shall first be submitted to and approved by the Public Procurement Review Board, and construction pursuant to the contract shall be under the supervision of the Governor's Office of General Services.

(3) Vouchers for operating expense for the State Fire Academy shall be signed by the Executive Director of the State Fire Academy and payment thereof shall be made from such funds to be derived from a special allocation from the State Fire Academy Fund as provided in Section 45-11-5.

(4) The State Fire Academy is hereby officially designated as the agency of this state to conduct training for fire personnel on a statewide basis in which members of all duly constituted fire departments may participate. This subsection shall not be construed to affect the authority of any fire department to conduct training for its own personnel.

(5) Each state agency, private agency or federal agency which provides training for the fire service shall coordinate such efforts with the State Fire Academy to prevent duplication of cost and to \* \* \* ensure standardization of training.

(6) The State Fire Academy shall present an appropriate certificate signifying the successful completion of its prescribed courses.

(7) National firefighter standards approved by the Mississippi Fire Personnel Minimum Standards and Certification Board shall be used as the basis for classroom instruction at the fire academy.

(8) The Commissioner of Insurance, Executive Director of the State Fire Academy, and the Mississippi Fire Personnel Minimum Standards and Certification Board shall coordinate all state programs related to fire department operations.

(9) The Commissioner of Insurance is hereby authorized and empowered to establish standard guidelines for the use of, and accountability for, municipal and county fire protection funds distributed pursuant to the provisions of Sections 83-1-37 and 83-1-39, Mississippi Code of 1972. Such guidelines shall include requirements for the establishment of record keeping and reports to the Commissioner of Insurance by municipalities and counties relating to the receipt and expenditure of fire protection funds, the training of fire department personnel and the submission to the Commissioner of Insurance of other data reasonably related to local fire protection responsibilities which the Commissioner of Insurance deems necessary for the performance of the duties of the State Fire Academy Advisory Board.

(10) In order that the Commissioner of Insurance may more effectively execute the duties imposed upon him by subsection (9) of this section, there is hereby created within the State Fire Academy a Division of Fire Services Development. The division shall be staffed by a Fire Services Development Coordinator, appointed by the executive director of the academy from his current staff and by such other personnel as deemed by the Commissioner of Insurance. The division shall work with municipal and county fire coordinators to ensure effective implementation of guidelines established pursuant to subsection (9) of this section and shall serve in an advisory capacity for all aspects of fire service improvement. The Fire Service Coordinator shall annually notify the Department of Finance and Administration of those municipalities and counties which are not eligible to receive a portion of fire protection fund distributions because of failure to comply with requirements imposed in Sections 83-1-37 and 83-1-39 as a prerequisite to receipt of such funds.

(11) There is created in the State Treasury a separate account to be known as the "State Fire Academy Construction Fund." The State Treasurer shall transfer on July 1, 1997, the sum of Six Hundred Seventy-five Thousand Dollars (\$675,000.00) and on July 1, 1998, the sum of Six Hundred Seventy-five Thousand Dollars (\$675,000.00) from the

State Fire Academy Fund 3502 into the separate account created in this subsection. Monies in such account shall be expended solely, upon legislative appropriations, to defray expenses related to the construction of capital improvements project known as "Fire Safety and Education Building" and parking areas at the State Fire Academy by the Bureau of Building, Grounds and Real Property Management of the Office of General Services and to pay any indebtedness incurred to accomplish such construction. Funds not used after the completion of this capital improvements project shall be transferred back into State Fund 3502.

(12) From and after July 1, 2016, the expenses of this agency shall be defrayed by appropriation from the State General Fund and all user charges and fees authorized under this section shall be deposited into the State General Fund as authorized by law.

(13) From and after July 1, 2016, no state agency shall charge another state agency a fee, assessment, rent or other charge for services or resources received by authority of this section.

(14) The State Fire Academy is designated as an authorized training program for Emergency Medical Response and Emergency Medical Technician, and is authorized to provide initial and national continued competency program training, including Emergency Medical Responder, Emergency Medical Technician-Basic and Emergency Medical Technician-Advanced. The State Fire Academy shall be limited to a total of one hundred twenty (120) students per year for \* \* \* Emergency Medical Technician-Basic and Emergency Medical Technician-Advanced training; however, no limitation shall apply to the number of Emergency Medical Responder students. The training program established by the State Fire Academy shall meet or exceed the requirements of the most current training program national standard curriculum as developed by the United States Department of Transportation, National Highway Traffic Safety Administration, and shall also meet the minimum testing and certification requirements established by the State Board of Health. Successful graduates of the State Fire Academy Emergency Medical Response and Emergency Medical Technician training shall be eligible for certification by the State Board of Health for the training level achieved, provided that their training meets or exceeds the minimum testing and certification requirements established by the State Board of Health for these respective skills, and such certification may be obtained in coordination with the State Board of Health pursuant to Chapters 59 and 60, Title 41, Mississippi Code of 1972.

SECTION 2. Section 83-1-37, Mississippi Code of 1972, is amended as follows:

83-1-37. (1) The Department of Revenue shall pay for credit to a fund known as the "Municipal Fire Protection Fund," the sum of Four Million Eight Hundred Fifty Thousand Dollars (\$4,850,000.00) annually out of the insurance premium tax collected annually from the taxes levied on the gross premiums on fire insurance policies written on properties in this state, under Sections 27-15-103 through 27-15-127. The State Treasurer shall credit this amount to the Municipal Fire Protection Fund. This fund shall be set aside and earmarked for payment to municipalities in this state, as hereinafter provided.

(2) Using 1990 as a base year, the Department of Revenue shall pay over annually to the State Treasurer, for credit to the "Municipal Fire Protection Fund," an amount representing one-half of ten percent (1/2 of 10%) of any growth after 1990 of the insurance premium tax collected annually from the taxes levied on the gross premium on fire insurance policies written on properties in this state, under Sections 27-15-103 through 27-15-127.

(3) The fund hereby created and denominated "Municipal Fire Protection Fund" shall be apportioned and paid over by the Department of Insurance to the incorporated municipalities certified as eligible to participate in the fund by the Commissioner of Insurance, and shall be distributed \* \* \* in the following manner annually: each

municipality shall be paid Six Thousand Dollars (\$6,000.00), with the remainder of the monies to be paid on a population basis, to be determined by the most recent federal census \* \* \*. Municipalities receiving these funds shall earmark such monies for fire protection services.

\* \* \*

( \* \* \*4) The amount paid under subsections (1) and (2) of this section to a municipality shall be used and expended in accordance with the guidelines established by the Commissioner of Insurance authorized by Section 45-11-7, \* \* \* for the training of municipal personnel as needed for the adoption of and compliance with the minimum building codes as established and promulgated by the Mississippi Building Codes Council, \* \* \* for windstorm mitigation programs as approved by the Commissioner of Insurance, and for emergency medical service training and equipment as provided by municipal fire protection services. A municipality may provide reasonable remuneration to municipal volunteer firefighters in accordance with the guidelines established by the Commissioner of Insurance authorized by Section 45-11-7.

( \* \* \*5) Each municipality shall levy a tax of not less than one-fourth (1/4) mill on all property of the municipality or appropriate the avails of not less than one-fourth (1/4) mill from the municipality's general fund for fire protection purposes. Municipalities may allow such millage to be collected by the county. Each municipality shall annually provide the Commissioner of Insurance and the State Fire Coordinator on a form provided by the State Fire Coordinator a report stating whether the municipality is levied the one-fourth (1/4) mill hereby required or in lieu thereof is allowing such millage to be collected by the county.

(6) The Commissioner of Insurance may promulgate rules and regulations to establish guidelines for the use of fire rebate funds.

SECTION 3. Section 83-1-39, Mississippi Code of 1972, is amended as follows:

83-1-39. (1) The Department of Revenue shall pay over to the State Treasurer, to be credited to a fund entitled "County Volunteer Fire Department Fund," the sum of Four Million Eight Hundred Fifty Thousand Dollars (\$4,850,000.00) annually out of the insurance premium tax in addition to the amount collected by it under the provisions of Section 27-15-103 et seq. Such funds, hereinafter referred to as insurance rebate monies, are hereby earmarked for payment to the various counties of the state and shall be paid over to the counties by the Department of Insurance in the following manner: each county shall be paid Thirty Thousand Dollars (\$30,000.00), with the remainder of the monies to be paid on the basis of the population of each county as it compares to the population of participating counties, not counting residents of any municipality. Such insurance rebate monies shall only be distributed to those counties which are in compliance with subsections (5) and (6) of this section. \* \* \*

(2) Using 1990 as a base year, the Department of Revenue shall pay to the State Treasurer, to be credited to the "County Volunteer Fire Department Fund," an amount representing one-half of ten percent (1/2 of 10%) of any growth after 1990 of the insurance premium tax collected annually from the taxes levied on the gross premium on fire insurance policies written on properties in this state, in addition to the amount collected by it under Section 27-15-103 et seq.

(3) Insurance rebate monies shall be expended by the board of supervisors for fire protection purposes of each county for the following categories:

(a) For training expenses, including emergency medical services training;

(b) Purchase of equipment, purchase of fire trucks, repair and refurbishing of fire trucks and firefighting equipment, for emergency medical services equipment, and

(c) Purchase of insurance on county-owned firefighting or emergency medical services equipment;

(d) Fire protection service contracts, including, but not limited to, municipalities, legal fire protection districts, and nonprofit corporations providing or coordinating fire service or emergency medical services in or out of the county;

(e) Appropriations to legal fire protection districts located in counties subject to all restrictions applicable to the use of insurance rebate monies; \* \* \*

(f) Training of any county personnel as needed for the adoption of and compliance with the codes established and promulgated by the Mississippi Building Codes Council or for windstorm mitigation programs as approved by the Commissioner of Insurance \* \* \*;

(g) Any county-owned equipment or other property, at the option of the board of supervisors, may be used by any legally created fire department \* \* \*;

(h) At the option of the board of supervisors, a county may provide reasonable remuneration to volunteer firefighters in accordance with the guidelines established by the Commissioner of Insurance authorized by Section 45-11-7; or

(i) For any use allowed in accordance with the guidelines as established by the Commissioner of Insurance.

(4) Insurance rebate monies not expended in a given fiscal year for fire protection purposes shall be placed in a special fund with a written plan approved by the Commissioner of Insurance for disposition and expenditure of such monies. After the contracts for fire protection services have been approved and accepted by the board of supervisors, the monies shall be released to be expended in such manner as provided by this section.

(5) No county shall receive payments pursuant to this section after July 1, 1988, unless such county:

(a) Designates a county fire service coordinator who is responsible for seeing that standard guidelines established by the Commissioner of Insurance pursuant to Section 45-11-7(9), Mississippi Code of 1972, are followed. The county fire coordinator must demonstrate that he possesses fire-related knowledge and experience;

(b) Designates one (1) member of the sheriff's department to be the county fire investigator and, from and after July 1, 2008, requires the designated member of the sheriff's department to attend the State Fire Academy to be trained in arson investigation; however, in the event of a loss of the county fire investigator due to illness, death, resignation, discharge or other legitimate cause, notice shall be immediately given to the Commissioner of Insurance and the county may continue to receive payments on an interim basis for a period not to exceed one (1) year;

(c) Adheres to the standard guidelines established by the Commissioner of Insurance pursuant to Section 45-11-7(9); and

(d) Counties shall levy a tax of not less than one-fourth (1/4) mill on all property of the county or appropriate avails of not less than one-fourth (1/4) mill from the county's general fund for fire protection purposes. Municipalities making a written declaration to the county that they fund and provide their own fire services shall be

exempted from this levy. This levy shall be used for fire protection purposes which include, but are not limited to, contracting with any provider of fire protection services.

(6) (a) No funds shall be paid by the county to any provider of fire protection services except in accordance with a written contract entered into in accordance with guidelines established by the Commissioner of Insurance and properly approved by the board of supervisors and Commissioner of Insurance. No county shall distribute funds to any fire service provider which has not met the reporting requirements required by the Commissioner of Insurance. At such time that a fire protection services provider, particularly a county volunteer fire department, a municipality or a fire protection district, has fulfilled the obligations of the written contract and has met the reporting requirements provided for in this subsection and the board of supervisors has received the insurance rebate monies, the board of supervisors shall disburse the appropriate amount to the fire protection services provider within a reasonable time, not to exceed six (6) weeks, from the time such requirements are met. Insurance rebate monies used for the purposes of contracting shall be expended by the fire service provider for capital construction, training expenses, purchase of firefighting equipment, including payments on any loans made for the purpose of purchasing firefighting equipment, \* \* \* purchase of insurance for any fire equipment owned or operated by the provider, and for training and equipment of emergency medical services as provided by fire protection services.

(b) If the Commissioner of Insurance believes that a county is using the funds in a manner not consistent with subsections (5) and (6) of this section, the commissioner shall request the State Auditor to conduct an investigation pursuant to Section 7-7-211(e).

(7) The board of supervisors of any county may contribute funds directly to any provider of fire protection services serving such county. Such contributions must be used for fire protection purposes as may be reasonably established by the Commissioner of Insurance.

(8) Any municipal, county or local water association or other utility district supplying water may, upon adoption of a resolution authorizing such action, contribute free of charge to a volunteer fire department or fire protection district serving such local government, political subdivision or utility district such water as is necessary for firefighting or training activities of such volunteer fire department or fire protection district.

(9) The board of supervisors of any county may, in its discretion, grade, gravel, shell and/or maintain real property of a county volunteer fire department, including roads or driveways thereof, as necessary for the effective and safe operation of such county volunteer fire department. Any action taken by the board of supervisors under the authority of this subsection shall be spread upon the minutes of the board of supervisors when the work is authorized.

(10) For the purpose of this section, "fire protection district" means a district organized under Section 19-5-151 et seq., or pursuant to any other code section or by any local and private act authorizing the establishment of a fire protection district, unless the context clearly requires otherwise.

(11) The Commissioner of Insurance may promulgate rules and regulations to establish guidelines for the use of fire rebate funds.

SECTION 4. This act shall take effect and be in force from and after July 1, 2022.

The name of any person who pays the required fee and files the required statement after 5:00 p.m. on the date of the qualifying deadline shall not be placed on the primary election ballot or the general election ballot.

The funds may be used or disbursed by the executive committee receiving same to pay all necessary traveling or other necessary expenses of the members of the executive committee incurred in discharging their duties as committee members, and of their secretary and may pay the secretary such salary as may be reasonable. The Secretary of State shall deposit any qualifying fees received from candidates into the Elections Support Fund established in Section 23-15-5.

(7) (a) Upon receipt of the proper fee and all necessary information, the proper executive committee or the Secretary of State, whichever is applicable, shall then determine at the time of the qualifying deadline, unless otherwise provided by law, whether each candidate is a qualified elector of the state, state district, county or county district which they seek to serve, and whether each candidate meets all other qualifications to hold the office he or she is seeking or presents absolute proof that he or she will, subject to no contingencies, meet all qualifications on or before the date of the general or special election at which he or she could be elected to office. The proper executive committee or the Secretary of State, whichever is applicable, shall determine whether the candidate has taken the steps necessary to qualify for more than one (1) office at the election. The executive committee shall mail notice to the candidate at least three (3) business days before the hearing to the address provided by the candidate on the qualifying forms, and the committee shall attempt to contact the candidate by telephone, email and facsimile if the candidate provided this information on the forms. If the candidate fails to appear at the hearing or to prove that he or she meets all qualifications to hold the office subject to no contingencies, then the name of that candidate shall not be placed upon the ballot.

(c) If the proper executive committee or the Secretary of State, whichever is applicable, determines that the candidate has taken the steps necessary to qualify for more than one (1) office at the election, the action required by Section 23-15-905, shall be taken.

(d) Where there is but one (1) candidate for each office contested at the primary election, the proper executive committee or the Secretary of State, whichever is applicable, when the time has expired within which the names of candidates shall be furnished shall declare such candidates the nominees.

(8) No candidate may qualify by filing the information required by this section by using the internet.

We, therefore, respectfully submit the following report and recommendation:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 9-1-43, Mississippi Code of 1972, is amended as follows:

9-1-43. (1) After making deductions for employer contributions paid by the chancery or circuit clerk to the Public Employees' Retirement System under Sections 25-11-106.1 and 25-11-123(f)(4), employee salaries and related salary expenses, and expenses allowed as deductions by Schedule C of the Internal Revenue Code, no office of the chancery clerk or circuit clerk of any county in the state shall receive fees as compensation for the chancery clerk's or circuit clerk's services in excess of \* \* \* Ninety-nine Thousand Five Hundred Dollars (\$99,500.00). All such fees received by the office of chancery or circuit clerks that are in excess of the salary limitation shall be deposited by such clerk into the county general fund on or before April 15 for the preceding calendar year. If the chancery clerk or circuit clerk serves less than one (1) year, then he shall not receive as compensation any fees in excess of that portion of the salary limitation that can be attributed to his time in office on a pro rata basis. Upon leaving office, income earned by any clerk in his last full year of office but not received until after his last full year of office shall not be included in determining the salary limitation of the successor clerk. There shall be exempted from the provisions of this subsection any monies or commissions from private or governmental sources which: (a) are to be held by the chancery or circuit clerk in a trust or custodial capacity as prescribed in subsections (4) and (5); or (b) are received as compensation for services performed upon order of a court or board of supervisors which are not required of the chancery clerk or circuit clerk by statute.

(2) It shall be unlawful for any chancery clerk or circuit clerk to use fees in excess of \* \* \* Ninety-nine Thousand Five Hundred Dollars (\$99,500.00), to pay the salaries or actual or necessary expenses of employees who are related to such clerk by blood or marriage within the first degree of kinship according to the civil law method of computing kinship as provided in Sections 1-3-71 and 1-3-73. However, the prohibition of this subsection shall not apply to any individual who was an employee of the clerk's office prior to the date his or her relative was elected as chancery or circuit clerk. The spouse and/or any children of the chancery clerk or circuit clerk employed in the office of the chancery clerk may be paid a salary; however, the combined annual salaries of the clerk, spouse and any child of the clerk may not exceed an amount equal to the salary limitation.

(3) The chancery clerk and the circuit clerk shall be liable on their official bond for the proper deposit and accounting of all monies received by his office. The State Auditor shall promulgate uniform accounting methods for the accounting of all sources of income by the offices of the chancery and circuit clerk.

(4) There is created in the county depository of each county a clearing account to be designated as the "chancery court clerk clearing account," into which shall be deposited: (a) all such monies as the clerk of the chancery court shall receive from any person complying with any writ of garnishment, attachment, execution or other like process authorized by law for the enforcement of child support, spousal support or any other judgment; (b) any portion of any fees required by law to be collected in civil cases which are to pay for the service of process or writs in another county; and (c) any other money as shall be deposited with the court which by its nature is not, at the time of its deposit, public monies, but which is to be held by the court in a trust or custodial capacity in a case or proceeding before the court. The clerk of the chancery court shall account for all monies deposited in and disbursed from such account and shall be authorized and empowered to draw and issue checks on such account at such times, in such amounts and to such persons as shall be proper and in accordance with law.

The following monies paid to the chancery clerk shall be subject to the salary limitation prescribed under subsection (1): (a) all fees required by law to be collected for the filing, recording or abstracting of any bill, petition, pleading or decree in any civil case in chancery; (b) all fees collected for land recordings, charters, notary bonds, certification of decrees and copies of any documents; (c) all land redemption and mineral documentary stamp commissions; and (d) any other monies or commissions from private or governmental sources for statutory functions which are not to be held by the court in a trust capacity. Such fees as shall exceed the salary limitations shall be maintained in a bank account in the county depository and accounted for separately from those monies paid into the chancery court clerk clearing account.

(5) There is created in the county depository in each county a clearing account to be designated as the "circuit court clerk civil clearing account," into which shall be deposited: (a) all such monies and fees as the clerk of the circuit court shall receive from any person complying with any writ of garnishment, attachment, execution or any other like process authorized by law for the enforcement of a judgment; (b) any portion of any fees required by law or court order to be collected in civil cases; (c) all fees collected for the issuance of marriage licenses; and (d) any other money as shall be deposited with the court which by its nature is not, at the time of its deposit, public monies but which is to be held by the court in a trust or custodial capacity in a case or proceeding before the court.

There is created in the county depository in each county a clearing account to be designated as the "circuit court clerk criminal clearing account," into which shall be deposited: (a) all such monies as are received in criminal cases in the circuit court pursuant to any order requiring payment as restitution to the victims of criminal offenses; (b) any portion of any fees and fines required by law or court order to be collected in criminal cases; and (c) all cash bonds as shall be deposited with the court. The clerk of the circuit court shall account for all monies deposited in and disbursed from such account and shall be authorized and empowered to draw and issue checks on such account, at such times, in such amounts and to such persons as shall be proper and in accordance with law; however, such monies as are forfeited in criminal cases shall be paid by the clerk of the circuit court to the clerk of the board of supervisors for deposit in the general fund of the county.

The following monies paid to the circuit clerk shall be subject to the salary limitation prescribed under subsection (1): (a) all fees required by law to be collected for the filing, recording or abstracting of any bill, petition, pleading or decree in any civil action in circuit court; (b) copies of any documents; and (c) any other monies or commissions from private or governmental sources for statutory functions which are not to be held by the court in a trust capacity.

(6) The chancery clerk and the circuit clerk shall establish and maintain a cash journal for recording cash receipts from private or government sources for furnishing copies of any papers of record or on file, or for rendering services as a notary public, or other fees wherein the total fee for the transaction is Ten Dollars (\$10.00) or less. The cash journal entry shall include the date, amount and type of transaction, and the clerk shall not be required to issue a receipt to the person receiving such services. The State Auditor shall not take exception to the furnishing of copies or the rendering of services as a notary by any clerk free of charge.

In any county having two (2) judicial districts, whenever the chancery clerk serves as deputy to the circuit clerk in one (1) judicial district and the circuit clerk serves as deputy to the chancery clerk in the other judicial district, the chancery clerk may maintain a cash journal, separate from the cash journal maintained for chancery clerk receipts, for recording the cash receipts paid to him as deputy circuit clerk, and the circuit clerk may maintain a cash journal, separate from the cash journal maintained for circuit clerk receipts, for recording the cash receipts paid to him as deputy chancery clerk. The cash receipts collected by the chancery clerk in his capacity as deputy circuit clerk and the cash receipts collected by the circuit clerk in his capacity as deputy chancery clerk shall be subject to the salary limitation prescribed under subsection (1).

(7) Any clerk who knowingly shall fail to deposit funds or otherwise violate the provisions of this section shall be guilty of a misdemeanor in office and, upon conviction thereof, shall be fined in an amount not to exceed double the amount that he failed to deposit, or imprisoned for not to exceed six (6) months in the county jail, or be punished by both such fine and imprisonment.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2371: Purchasing law; revise threshold for bid requirement and clarify use of reverse auction.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 31-7-13, Mississippi Code of 1972, as amended by Senate Bill No. 2806 and Senate Bill No. 2818, 2022 Regular Session, is amended as follows:

31-7-13. All agencies and governing authorities shall purchase their commodities and printing; contract for garbage collection or disposal; contract for solid waste collection or disposal; contract for sewage collection or disposal; contract for public construction; and contract for rentals as herein provided.

(a) Bidding procedure for purchases not over \$5,000.00. Purchases which do not involve an expenditure of more than Five Thousand Dollars (\$5,000.00), exclusive of freight or shipping charges, may be made without advertising or otherwise requesting competitive bids. However, nothing contained in this paragraph (a) shall be construed to prohibit any agency or governing authority from establishing procedures which require competitive bids on purchases of Five Thousand Dollars (\$5,000.00) or less.

(b) Bidding procedure for purchases over \$5,000.00 but not over \* \* \* \$75,000.00. Purchases which involve an expenditure of more than Five Thousand Dollars (\$5,000.00) but not more than \* \* \* Seventy-five Thousand Dollars (\$75,000.00), exclusive of freight and shipping charges, may be made from the lowest and best bidder without publishing or posting advertisement for bids, provided at least two (2) competitive written bids have been obtained. Any state agency or community/junior college purchasing commodities or procuring construction pursuant to this paragraph (b) may authorize its purchasing agent, or his designee, to accept the lowest competitive written bid under \* \* \* Seventy-five Thousand Dollars (\$75,000.00). Any governing authority purchasing commodities pursuant to this paragraph (b) may authorize its purchasing agent, or his designee, with regard to governing authorities other than counties, or its purchase clerk, or his designee, with regard to counties, to accept the lowest and best competitive written bid. Such authorization shall be made in writing by the governing authority and shall be maintained on file in the primary office of the agency and recorded in the official minutes

of the governing authority, as appropriate. The purchasing agent or the purchase clerk, or his designee, as the case may be, and not the governing authority, shall be liable for any penalties and/or damages as may be imposed by law for any act or omission of the purchasing agent or purchase clerk, or his designee, constituting a violation of law in accepting any bid without approval by the governing authority. The term "competitive written bid" shall mean a bid submitted on a bid form furnished by the buying agency or governing authority and signed by authorized personnel representing the vendor, or a bid submitted on a vendor's letterhead or identifiable bid form and signed by authorized personnel representing the vendor. "Competitive" shall mean that the bids are developed based upon comparable identification of the needs and are developed independently and without knowledge of other bids or prospective bids. Any bid item for construction in excess of Five Thousand Dollars (\$5,000.00) shall be broken down by components to provide detail of component description and pricing. These details shall be submitted with the written bids and become part of the bid evaluation criteria. Bids may be submitted by facsimile, electronic mail or other generally accepted method of information distribution. Bids submitted by electronic transmission shall not require the signature of the vendor's representative unless required by agencies or governing authorities.

(c) Bidding procedure for purchases over \* \* \* \$75,000.00.

(i) Publication requirement.

1. Purchases which involve an expenditure of more than \* \* \* Seventy-five Thousand Dollars (\$75,000.00), exclusive of freight and shipping charges, may be made from the lowest and best bidder after advertising for competitive bids once each week for two (2) consecutive weeks in a regular newspaper published in the county or municipality in which such agency or governing authority is located. However, all American Recovery and Reinvestment Act projects in excess of Twenty-five Thousand Dollars (\$25,000.00) shall be bid. All references to American Recovery and Reinvestment Act projects in this section shall not apply to programs identified in Division B of the American Recovery and Reinvestment Act.

2. Reverse auctions shall be the primary method for receiving bids during the bidding process. If a purchasing entity determines that a reverse auction is not in the best interest of the state, then that determination must be approved by the Public Procurement Review Board. The purchasing entity shall submit a detailed explanation of why a reverse auction would not be in the best interest of the state and present an alternative process to be approved by the Public Procurement Review Board. If the Public Procurement Review Board authorizes the purchasing entity to solicit bids with a method other than reverse auction, then the purchasing entity may designate the other methods by which the bids will be received, including, but not limited to, bids sealed in an envelope, bids received electronically in a secure system, or bids received by any other method that promotes open competition and has been approved by the Office of Purchasing and Travel. However, reverse auction shall not be used for any public contract for design, construction, improvement, repair or remodeling of any public facilities, including the purchase of materials, supplies, equipment or goods for same and including buildings, roads and bridges \* \* \*. The Public Procurement Review Board must approve any contract entered into by alternative process. The provisions of this item 2 shall not apply to the individual state institutions of higher learning. The provisions of this item 2 requiring reverse auction as the primary method of receiving bids shall not apply to term contract purchases as provided in paragraph (n) of this section; however, a purchasing entity may, in its discretion, utilize reverse auction for such purchases. The provisions of this item 2 shall apply to individual public schools, including public charter schools and public school districts, only when purchasing copyrighted educational supplemental materials and software as a service product. For such purchases, a local school board may authorize a purchasing entity in its jurisdiction to use a Request for Qualifications which promotes open competition and meets the requirements of the Office of Purchasing and Travel.

3. The date as published for the bid opening shall not be less than seven (7) working days after the last published notice; however, if the purchase involves a construction project in which the estimated cost is in excess of \* \* \* Seventy-five Thousand Dollars (\$75,000.00), such bids shall not be opened in less than fifteen (15) working days after the last notice is published and the notice for the purchase of such construction shall be published once each week for two (2) consecutive weeks. However, all American Recovery and Reinvestment Act projects in excess of Twenty-five Thousand Dollars (\$25,000.00) shall be bid. For any projects in excess of Twenty-five Thousand Dollars (\$25,000.00) under the American Recovery and Reinvestment Act, publication shall be made one (1) time and the bid opening for construction projects shall not be less than ten (10) working days after the date of the published notice. The notice of intention to let contracts or purchase equipment shall state the time and place at which bids shall be received, list the contracts to be made or types of equipment or supplies to be purchased, and, if all plans and/or specifications are not published, refer to the plans and/or specifications on file. If there is no newspaper published in the county or municipality, then such notice shall be given by posting same at the courthouse, or for municipalities at the city hall, and at two (2) other public places in the county or municipality, and also by publication once each week for two (2) consecutive weeks in some newspaper having a general circulation in the county or municipality in the above-provided manner. On the same date that the notice is submitted to the newspaper for publication, the agency or governing authority involved shall mail written notice to, or provide electronic notification to the main office of the Mississippi Procurement Technical Assistance Program under the Mississippi Development Authority that contains the same information as that in the published notice. Submissions received by the Mississippi Procurement Technical Assistance Program for projects funded by the American Recovery and Reinvestment Act shall be displayed on a separate and unique Internet web page accessible to the public and maintained by the Mississippi Development Authority for the Mississippi Procurement Technical Assistance Program. Those American Recovery and Reinvestment Act related submissions shall be publicly posted within twenty-four (24) hours of receipt by the Mississippi Development Authority and the bid opening shall not occur until the submission has been posted for ten (10) consecutive days. The Department of Finance and Administration shall maintain information regarding contracts and other expenditures from the American Recovery and Reinvestment Act, on a unique Internet web page accessible to the public. The Department of Finance and Administration shall promulgate rules regarding format, content and deadlines, unless otherwise specified by law, of the posting of award notices, contract execution and subsequent amendments, links to the contract documents, expenditures against the awarded contracts and general expenditures of funds from the American Recovery and Reinvestment Act. Within one (1) working day of the contract award, the agency or governing authority shall post to the designated web page maintained by the Department of Finance and Administration, notice of the award, including the award recipient, the contract amount, and a brief summary of the contract in accordance with rules promulgated by the department. Within one (1) working day of the contract execution, the agency or governing authority shall post to the designated web page maintained by the Department of Finance and Administration a summary of the executed contract and make a copy of the appropriately redacted contract documents available for linking to the designated web page in accordance with the rules promulgated by the department. The information provided by the agency or governing authority shall be posted to the web page for the duration of the American Recovery and Reinvestment Act funding or until the project is completed, whichever is longer.

(ii) Bidding process amendment procedure. If all plans and/or specifications are published in the notification, then the plans and/or specifications may not be amended. If all plans and/or specifications are not published in the notification, then amendments to the plans/specifications, bid opening date, bid opening time and place may be made, provided that the agency or governing authority maintains a list of all prospective bidders who are known to have received a copy of the bid documents and all such prospective bidders are sent copies of all amendments. This notification of amendments may be made via mail, facsimile, electronic mail or other generally accepted

method of information distribution. No addendum to bid specifications may be issued within two (2) working days of the time established for the receipt of bids unless such addendum also amends the bid opening to a date not less than five (5) working days after the date of the addendum.

(iii) Filing requirement. In all cases involving governing authorities, before the notice shall be published or posted, the plans or specifications for the construction or equipment being sought shall be filed with the clerk of the board of the governing authority. In addition to these requirements, a bid file shall be established which shall indicate those vendors to whom such solicitations and specifications were issued, and such file shall also contain such information as is pertinent to the bid.

(iv) Specification restrictions.

1. Specifications pertinent to such bidding shall be written so as not to exclude comparable equipment of domestic manufacture. However, if valid justification is presented, the Department of Finance and Administration or the board of a governing authority may approve a request for specific equipment necessary to perform a specific job. Further, such justification, when placed on the minutes of the board of a governing authority, may serve as authority for that governing authority to write specifications to require a specific item of equipment needed to perform a specific job. In addition to these requirements, from and after July 1, 1990, vendors of relocatable classrooms and the specifications for the purchase of such relocatable classrooms published by local school boards shall meet all pertinent regulations of the State Board of Education, including prior approval of such bid by the State Department of Education.

2. Specifications for construction projects may include an allowance for commodities, equipment, furniture, construction materials or systems in which prospective bidders are instructed to include in their bids specified amounts for such items so long as the allowance items are acquired by the vendor in a commercially reasonable manner and approved by the agency/governing authority. Such acquisitions shall not be made to circumvent the public purchasing laws.

(v) Electronic bids. Agencies and governing authorities shall provide a secure electronic interactive system for the submittal of bids requiring competitive bidding that shall be an additional bidding option for those bidders who choose to submit their bids electronically. The Department of Finance and Administration shall provide, by regulation, the standards that agencies must follow when receiving electronic bids. Agencies and governing authorities shall make the appropriate provisions necessary to accept electronic bids from those bidders who choose to submit their bids electronically for all purchases requiring competitive bidding under this section. Any special condition or requirement for the electronic bid submission shall be specified in the advertisement for bids required by this section. Agencies or governing authorities that are currently without available high speed Internet access shall be exempt from the requirement of this subparagraph (v) until such time that high speed Internet access becomes available. Any county having a population of less than twenty thousand (20,000) shall be exempt from the provisions of this subparagraph (v). Any municipality having a population of less than ten thousand (10,000) shall be exempt from the provisions of this subparagraph (v). The provisions of this subparagraph (v) shall not require any bidder to submit bids electronically. When construction bids are submitted electronically, the requirement for including a certificate of responsibility, or a statement that the bid enclosed does not exceed Fifty Thousand Dollars (\$50,000.00), on the exterior of the bid envelope as indicated in Section 31-3-21(1) and (2) shall be deemed in compliance with by including same as an attachment with the electronic bid submittal.

(d) Lowest and best bid decision procedure.

(i) Decision procedure. Purchases may be made from the lowest and best bidder. In determining the lowest and best bid, freight and shipping charges

shall be included. Life-cycle costing, total cost bids, warranties, guaranteed buy-back provisions and other relevant provisions may be included in the best bid calculation. All best bid procedures for state agencies must be in compliance with regulations established by the Department of Finance and Administration. If any governing authority accepts a bid other than the lowest bid actually submitted, it shall place on its minutes detailed calculations and narrative summary showing that the accepted bid was determined to be the lowest and best bid, including the dollar amount of the accepted bid and the dollar amount of the lowest bid. No agency or governing authority shall accept a bid based on items not included in the specifications.

(ii) Decision procedure for Certified Purchasing Offices. In addition to the decision procedure set forth in subparagraph (i) of this paragraph (d), Certified Purchasing Offices may also use the following procedure: Purchases may be made from the bidder offering the best value. In determining the best value bid, freight and shipping charges shall be included. Life-cycle costing, total cost bids, warranties, guaranteed buy-back provisions, documented previous experience, training costs and other relevant provisions, including, but not limited to, a bidder having a local office and inventory located within the jurisdiction of the governing authority, may be included in the best value calculation. This provision shall authorize Certified Purchasing Offices to utilize a Request For Proposals (RFP) process when purchasing commodities. All best value procedures for state agencies must be in compliance with regulations established by the Department of Finance and Administration. No agency or governing authority shall accept a bid based on items or criteria not included in the specifications.

(iii) Decision procedure for Mississippi Landmarks. In addition to the decision procedure set forth in subparagraph (i) of this paragraph (d), where purchase involves renovation, restoration, or both, of the State Capitol Building or any other historical building designated for at least five (5) years as a Mississippi Landmark by the Board of Trustees of the Department of Archives and History under the authority of Sections 39-7-7 and 39-7-11, the agency or governing authority may use the following procedure: Purchases may be made from the lowest and best prequalified bidder. Prequalification of bidders shall be determined not less than fifteen (15) working days before the first published notice of bid opening. Prequalification criteria shall be limited to bidder's knowledge and experience in historical restoration, preservation and renovation. In determining the lowest and best bid, freight and shipping charges shall be included. Life-cycle costing, total cost bids, warranties, guaranteed buy-back provisions and other relevant provisions may be included in the best bid calculation. All best bid and prequalification procedures for state agencies must be in compliance with regulations established by the Department of Finance and Administration. If any governing authority accepts a bid other than the lowest bid actually submitted, it shall place on its minutes detailed calculations and narrative summary showing that the accepted bid was determined to be the lowest and best bid, including the dollar amount of the accepted bid and the dollar amount of the lowest bid. No agency or governing authority shall accept a bid based on items not included in the specifications.

(iv) Construction project negotiations authority. If the lowest and best bid is not more than ten percent (10%) above the amount of funds allocated for a public construction or renovation project, then the agency or governing authority shall be permitted to negotiate with the lowest bidder in order to enter into a contract for an amount not to exceed the funds allocated.

(e) Lease-purchase authorization. For the purposes of this section, the term "equipment" shall mean equipment, furniture and, if applicable, associated software and other applicable direct costs associated with the acquisition. Any lease-purchase of equipment which an agency is not required to lease-purchase under the master lease-purchase program pursuant to Section 31-7-10 and any lease-purchase of equipment which a governing authority elects to lease-purchase may be acquired by a lease-purchase agreement under this paragraph (e). Lease-purchase financing may also be obtained from the vendor or from a third-party source after having solicited and

obtained at least two (2) written competitive bids, as defined in paragraph (b) of this section, for such financing without advertising for such bids. Solicitation for the bids for financing may occur before or after acceptance of bids for the purchase of such equipment or, where no such bids for purchase are required, at any time before the purchase thereof. No such lease-purchase agreement shall be for an annual rate of interest which is greater than the overall maximum interest rate to maturity on general obligation indebtedness permitted under Section 75-17-101, and the term of such lease-purchase agreement shall not exceed the useful life of equipment covered thereby as determined according to the upper limit of the asset depreciation range (ADR) guidelines for the Class Life Asset Depreciation Range System established by the Internal Revenue Service pursuant to the United States Internal Revenue Code and regulations thereunder as in effect on December 31, 1980, or comparable depreciation guidelines with respect to any equipment not covered by ADR guidelines. Any lease-purchase agreement entered into pursuant to this paragraph (e) may contain any of the terms and conditions which a master lease-purchase agreement may contain under the provisions of Section 31-7-10(5), and shall contain an annual allocation dependency clause substantially similar to that set forth in Section 31-7-10(8). Each agency or governing authority entering into a lease-purchase transaction pursuant to this paragraph (e) shall maintain with respect to each such lease-purchase transaction the same information as required to be maintained by the Department of Finance and Administration pursuant to Section 31-7-10(13). However, nothing contained in this section shall be construed to permit agencies to acquire items of equipment with a total acquisition cost in the aggregate of less than Ten Thousand Dollars (\$10,000.00) by a single lease-purchase transaction. All equipment, and the purchase thereof by any lessor, acquired by lease-purchase under this paragraph and all lease-purchase payments with respect thereto shall be exempt from all Mississippi sales, use and ad valorem taxes. Interest paid on any lease-purchase agreement under this section shall be exempt from State of Mississippi income taxation.

(f) Alternate bid authorization. When necessary to ensure ready availability of commodities for public works and the timely completion of public projects, no more than two (2) alternate bids may be accepted by a governing authority for commodities. No purchases may be made through use of such alternate bids procedure unless the lowest and best bidder cannot deliver the commodities contained in his bid. In that event, purchases of such commodities may be made from one (1) of the bidders whose bid was accepted as an alternate.

(g) Construction contract change authorization. In the event a determination is made by an agency or governing authority after a construction contract is let that changes or modifications to the original contract are necessary or would better serve the purpose of the agency or the governing authority, such agency or governing authority may, in its discretion, order such changes pertaining to the construction that are necessary under the circumstances without the necessity of further public bids; provided that such change shall be made in a commercially reasonable manner and shall not be made to circumvent the public purchasing statutes. In addition to any other authorized person, the architect or engineer hired by an agency or governing authority with respect to any public construction contract shall have the authority, when granted by an agency or governing authority, to authorize changes or modifications to the original contract without the necessity of prior approval of the agency or governing authority when any such change or modification is less than one percent (1%) of the total contract amount. The agency or governing authority may limit the number, manner or frequency of such emergency changes or modifications.

(h) Petroleum purchase alternative. In addition to other methods of purchasing authorized in this chapter, when any agency or governing authority shall have a need for gas, diesel fuel, oils and/or other petroleum products in excess of the amount set forth in paragraph (a) of this section, such agency or governing authority may purchase the commodity after having solicited and obtained at least two (2) competitive written bids, as defined in paragraph (b) of this section. If two (2) competitive written bids are not obtained, the entity shall comply with the procedures set forth in paragraph (c) of this

section. In the event any agency or governing authority shall have advertised for bids for the purchase of gas, diesel fuel, oils and other petroleum products and coal and no acceptable bids can be obtained, such agency or governing authority is authorized and directed to enter into any negotiations necessary to secure the lowest and best contract available for the purchase of such commodities.

(i) Road construction petroleum products price adjustment clause authorization. Any agency or governing authority authorized to enter into contracts for the construction, maintenance, surfacing or repair of highways, roads or streets, may include in its bid proposal and contract documents a price adjustment clause with relation to the cost to the contractor, including taxes, based upon an industry-wide cost index, of petroleum products including asphalt used in the performance or execution of the contract or in the production or manufacture of materials for use in such performance. Such industry-wide index shall be established and published monthly by the Mississippi Department of Transportation with a copy thereof to be mailed, upon request, to the clerks of the governing authority of each municipality and the clerks of each board of supervisors throughout the state. The price adjustment clause shall be based on the cost of such petroleum products only and shall not include any additional profit or overhead as part of the adjustment. The bid proposals or document contract shall contain the basis and methods of adjusting unit prices for the change in the cost of such petroleum products.

(j) State agency emergency purchase procedure. If the governing board or the executive head, or his designees, of any agency of the state shall determine that an emergency exists in regard to the purchase of any commodities or repair contracts, so that the delay incident to giving opportunity for competitive bidding would be detrimental to the interests of the state, then the head of such agency, or his designees, shall file with the Department of Finance and Administration (i) a statement explaining the conditions and circumstances of the emergency, which shall include a detailed description of the events leading up to the situation and the negative impact to the entity if the purchase is made following the statutory requirements set forth in paragraph (a), (b) or (c) of this section, and (ii) a certified copy of the appropriate minutes of the board of such agency requesting the emergency purchase, if applicable. Upon receipt of the statement and applicable board certification, the State Fiscal Officer, or his designees, may, in writing, authorize the purchase or repair without having to comply with competitive bidding requirements.

If the governing board or the executive head, or his designees, of any agency determines that an emergency exists in regard to the purchase of any commodities or repair contracts, so that the delay incident to giving opportunity for competitive bidding would threaten the health or safety of any person, or the preservation or protection of property, then the provisions in this section for competitive bidding shall not apply, and any officer or agent of the agency having general or specific authority for making the purchase or repair contract shall approve the bill presented for payment, and he shall certify in writing from whom the purchase was made, or with whom the repair contract was made.

Total purchases made under this paragraph (j) shall only be for the purpose of meeting needs created by the emergency situation. Following the emergency purchase, documentation of the purchase, including a description of the commodity purchased, the purchase price thereof and the nature of the emergency shall be filed with the Department of Finance and Administration. Any contract awarded pursuant to this paragraph (j) shall not exceed a term of one (1) year.

Purchases under the grant program established under Section 37-68-7 in response to COVID-19 and the directive that school districts create a distance learning plan and fulfill technology needs expeditiously shall be deemed an emergency purchase for purposes of this paragraph (j).

(k) Governing authority emergency purchase procedure. If the governing authority, or the governing authority acting through its designee, shall determine that an emergency exists in regard to the purchase of any commodities or repair contracts, so that the delay incident to giving opportunity for competitive bidding would be detrimental to the interest of the governing authority, then the provisions herein for competitive bidding shall not apply and any officer or agent of such governing authority having general or special authority therefor in making such purchase or repair shall approve the bill presented therefor, and he shall certify in writing thereon from whom such purchase was made, or with whom such a repair contract was made. At the board meeting next following the emergency purchase or repair contract, documentation of the purchase or repair contract, including a description of the commodity purchased, the price thereof and the nature of the emergency shall be presented to the board and shall be placed on the minutes of the board of such governing authority. Purchases under the grant program established under Section 37-68-7 in response to COVID-19 and the directive that school districts create a distance learning plan and fulfill technology needs expeditiously shall be deemed an emergency purchase for purposes of this paragraph (k).

(l) Hospital purchase, lease-purchase and lease authorization.

(i) The commissioners or board of trustees of any public hospital may contract with such lowest and best bidder for the purchase or lease-purchase of any commodity under a contract of purchase or lease-purchase agreement whose obligatory payment terms do not exceed five (5) years.

(ii) In addition to the authority granted in subparagraph (i) of this paragraph (l), the commissioners or board of trustees is authorized to enter into contracts for the lease of equipment or services, or both, which it considers necessary for the proper care of patients if, in its opinion, it is not financially feasible to purchase the necessary equipment or services. Any such contract for the lease of equipment or services executed by the commissioners or board shall not exceed a maximum of five (5) years' duration and shall include a cancellation clause based on unavailability of funds. If such cancellation clause is exercised, there shall be no further liability on the part of the lessee. Any such contract for the lease of equipment or services executed on behalf of the commissioners or board that complies with the provisions of this subparagraph (ii) shall be excepted from the bid requirements set forth in this section.

(m) Exceptions from bidding requirements. Excepted from bid requirements are:

(i) Purchasing agreements approved by department. Purchasing agreements, contracts and maximum price regulations executed or approved by the Department of Finance and Administration.

(ii) Outside equipment repairs. Repairs to equipment, when such repairs are made by repair facilities in the private sector; however, engines, transmissions, rear axles and/or other such components shall not be included in this exemption when replaced as a complete unit instead of being repaired and the need for such total component replacement is known before disassembly of the component; however, invoices identifying the equipment, specific repairs made, parts identified by number and name, supplies used in such repairs, and the number of hours of labor and costs therefor shall be required for the payment for such repairs.

(iii) In-house equipment repairs. Purchases of parts for repairs to equipment, when such repairs are made by personnel of the agency or governing authority; however, entire assemblies, such as engines or transmissions, shall not be included in this exemption when the entire assembly is being replaced instead of being repaired.

(iv) Raw gravel or dirt. Raw unprocessed deposits of gravel or fill dirt which are to be removed and transported by the purchaser.

(v) Governmental equipment auctions. Motor vehicles or other equipment purchased from a federal agency or authority, another governing authority or state agency of the State of Mississippi, or any governing authority or state agency of another state at a public auction held for the purpose of disposing of such vehicles or other equipment. Any purchase by a governing authority under the exemption authorized by this subparagraph (v) shall require advance authorization spread upon the minutes of the governing authority to include the listing of the item or items authorized to be purchased and the maximum bid authorized to be paid for each item or items.

(vi) Intergovernmental sales and transfers. Purchases, sales, transfers or trades by governing authorities or state agencies when such purchases, sales, transfers or trades are made by a private treaty agreement or through means of negotiation, from any federal agency or authority, another governing authority or state agency of the State of Mississippi, or any state agency or governing authority of another state. Nothing in this section shall permit such purchases through public auction except as provided for in subparagraph (v) of this paragraph (m). It is the intent of this section to allow governmental entities to dispose of and/or purchase commodities from other governmental entities at a price that is agreed to by both parties. This shall allow for purchases and/or sales at prices which may be determined to be below the market value if the selling entity determines that the sale at below market value is in the best interest of the taxpayers of the state. Governing authorities shall place the terms of the agreement and any justification on the minutes, and state agencies shall obtain approval from the Department of Finance and Administration, prior to releasing or taking possession of the commodities.

(vii) Perishable supplies or food. Perishable supplies or food purchased for use in connection with hospitals, the school lunch programs, homemaking programs and for the feeding of county or municipal prisoners.

(viii) Single-source items. Noncompetitive items available from one (1) source only. In connection with the purchase of noncompetitive items only available from one (1) source, a certification of the conditions and circumstances requiring the purchase shall be filed by the agency with the Department of Finance and Administration and by the governing authority with the board of the governing authority. Upon receipt of that certification the Department of Finance and Administration or the board of the governing authority, as the case may be, may, in writing, authorize the purchase, which authority shall be noted on the minutes of the body at the next regular meeting thereafter. In those situations, a governing authority is not required to obtain the approval of the Department of Finance and Administration. Following the purchase, the executive head of the state agency, or his designees, shall file with the Department of Finance and Administration, documentation of the purchase, including a description of the commodity purchased, the purchase price thereof and the source from whom it was purchased.

(ix) Waste disposal facility construction contracts. On request of Senator Polk, unanimous consent was granted to make the following correction in **S. B. No. 2371**:

Unanimous Consent of the House is requested to make the following changes to the conference report for S.B. 2371:

On line 124, insert "not" after the word "shall".

So this sentence will read: "The provisions of this item 2 shall not apply to individual public schools, including public charter schools and public school districts, only when purchasing copyrighted educational supplemental materials and software as a service product."

This is just a typographical error on the conference report for Senate Bill 2371.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. The following shall be codified as Section 89-8-31, Mississippi Code of 1972:

89—8-31. A landlord may commence proceedings to evict a tenant:

(a) For breach of the rental agreement or for violation of this chapter pursuant to Section 89-8-13; or

(b) For failing to vacate after the expiration of the rental agreement pursuant to Sections 89-8-17 and 89-8-19.

SECTION 2. The following shall be codified as Section 89-8-33, Mississippi Code of 1972:

89-8-33. To commence an eviction under Section 89-8-31, the landlord shall file:

(a) A sworn affidavit or complaint, based upon the terms of the rental agreement, that:

(i) States the facts requiring the removal of the tenant;

(ii) Identifies the address of the dwelling unit and, if applicable, the amount of rent and any additional fees owed; and

(b) (i) A copy of the written notice of breach delivered to the tenant pursuant to Section 89-8-13; or

(ii) A copy of the written notice to terminate the tenancy delivered to the tenant pursuant to Sections 89-8-17 and 89-8-19.

SECTION 3. The following shall be codified as Section 89-8-35, Mississippi Code of 1972:

89-8-35. (1) Upon the filing of the sworn affidavit or complaint, a summons shall be issued for service upon the person in possession of the identified premises or claiming possession thereof. The summons shall command such person to immediately vacate the premises or to show cause before the judge, on a day to be named in the summons, why possession of the premises should not be delivered to the applicant.

(2) In addition to the information required by subsection (1) of this section and the applicable Mississippi Rules of Court, the summons shall state:

"You are being sued for eviction. At the eviction hearing, the judge will determine if the landlord is entitled to possession of your rental unit.

If the landlord is granted possession of the rental unit, then you will have at least seven (7) days from the date of the judgment to move out, unless a shorter or longer period of time for vacating the premises is ordered because of an emergency or other compelling circumstances.

If the landlord seeks possession based on nonpayment of rent, you do not have to move out if you pay all the sums owed to the landlord either before the eviction hearing or, afterwards, by the court-ordered move-out date.

If you move out by the date ordered by the court, leaving personal property behind, then the landlord may dispose of such abandoned property without further notice.

If you do not move out by the date and time ordered by the court, the landlord can have you removed by law enforcement, after which you will have seventy-two (72) hours to remove your belongings.

After seventy-two (72) hours, the landlord may remove any personal property remaining on the premises to the curb, an area designated for garbage or some other location agreed to by you and the landlord. You may still retrieve your personal property, but the landlord will have no obligation to preserve the personal property upon removal."

(3) Service of summons shall be pursuant to applicable Mississippi Rules of Court.

SECTION 4. The following shall be codified as Section 89-8-37, Mississippi Code of 1972:

89-8-37. (1) In eviction actions, the court shall grant a default judgment to the landlord where:

- (a) The landlord complies with Section 89-8-33;
- (b) Issuance and service of summons is proper;
- (c) The tenant fails to appear; and
- (d) The landlord is otherwise entitled to a judgment under law.

(2) In eviction actions, the court shall grant judgment to the landlord where:

- (a) The landlord complies with Section 89-8-33;
- (b) The judge finds that the tenant failed to present a valid defense or counterclaim; and
- (c) The landlord is otherwise entitled to a judgment under law.

(3) In eviction actions, judgments granted by the court shall be signed and executed on the same business day that the judgment is granted.

SECTION 5. The following shall be codified as Section 89-8-39, Mississippi Code of 1972:

89-8-39. (1) If a judgment of possession is granted to the landlord, either after a hearing or by default judgment, then the judge shall order the tenant to vacate the premises in seven (7) days from the date of the judgment, unless the court finds that a shorter or longer period of time is justified because of an emergency or other compelling

circumstances. Circumstances that justify setting the move-out date less than seven (7) days from the date of the judgment, include, but are not limited to:

- (a) The tenant has committed a substantial violation of the rental agreement or of this chapter that materially affects health or safety; or
- (b) The tenant poses an immediate and significant risk of damage to the premises or of harm or injury to persons on the premises.

Prior to the court-ordered move-out date, the tenant shall have the same access to the premises as previously allowed under the terms of the rental agreement. If the tenant moves out by the date ordered by the court, leaving personal property behind, then the landlord may dispose of such abandoned property without further notice.

(2) After the court-ordered move-out date, the landlord may request a warrant for removal. Upon such request and the payment of applicable fees, the judge shall, except as otherwise prohibited under subsection (4) of this section, immediately issue a warrant to the sheriff or any constable of the county in which the premises, or some part thereof, are situated, immediately commanding the sheriff or constable to remove all persons from the premises, and to put the landlord into full possession thereof.

(3) After the warrant for removal has been executed, the landlord shall allow the tenant reasonable access to the premises for seventy-two (72) hours to enable the tenant to remove the tenant's personal property, including any manufactured home. If the tenant moves out within seventy-two (72) hours of the execution of the warrant of removal, leaving personal property behind, then the landlord may dispose of such abandoned property without further notice. After said seventy-two (72) hours, the landlord may remove any property remaining on the premises to the curb, an area designated for garbage or some other location agreed to by the tenant and the landlord.

(4) (a) In cases in which the possession judgment is based solely on the tenant's nonpayment of rent, the judge shall not issue a warrant for removal if:

- (i) By the court-ordered move-out date, the tenant has paid in full all unpaid rent and other sums awarded to landlord in the judgment; or
- (ii) After such date, the landlord has accepted payment of such amounts.

(b) A landlord has an obligation of good faith to accept full payment of all sums owed pursuant to the money judgment entered if so tendered on or before the court-ordered move-out date.

SECTION 6. The following shall be codified as Section 89-8-41, Mississippi Code of 1972:

89-8-41. (1) The court may, at the request of either party, adjourn a hearing under this chapter from time to time.

(2) A single adjournment shall not exceed ten (10) days, except by consent of both the landlord and tenant. When an adjournment is granted, the court may issue subpoenas and attachments to compel the attendance of witnesses.

(3) In hearings for the removal of the tenant from the premises under this chapter, no adjournment shall extend the entire hearing beyond thirty (30) days from the date the eviction action was filed.

89-8-43. Appeals from final judgments under this chapter shall be pursuant to applicable Mississippi Rules of Court.

SECTION 8. The following shall be codified as Section 89-8-45, Mississippi Code of 1972:

89-8-45. SECTION 9. Section 89-8-11, Mississippi Code of 1972, is amended as follows:

89-8-11. (1) A landlord may, from time to time, adopt written rules or regulations, however described, concerning the tenant's use and occupancy of the premises. They are enforceable against the tenant only if:

(a) Their purpose is to promote the convenience, safety or welfare of the tenants in the premises, preserve the landlord's property from abuse, or make a fair distribution of services and facilities provided for the tenants generally;

(b) They are reasonably related to the purpose for which they are adopted;

(c) They apply to all tenants in the premises in a fair manner;

(e) They are not for the purpose of evading the obligations of the landlord.

(2) A rule or regulation adopted or amended after the tenant enters into the rental agreement is enforceable against the tenant if reasonable notice of its adoption or amendment is given to the tenant and it does not work a substantial modification of the rental agreement.

(3) The nonbreaching party may deliver a notice to the party in breach in writing, or by email or text message if the breaching party has agreed in writing to be notified by

email or text message, specifying the acts and omissions constituting the breach and that the rental agreement will terminate upon a date not less than fourteen (14) days after receipt of the notice if the breach is not remedied within a reasonable time not in excess of fourteen (14) days; and the rental agreement shall terminate and the tenant shall surrender possession as provided in the notice subject to the following:

(a) If the breach is remediable by repairs, the payment of damages, or otherwise, and the breaching party adequately remedies the breach before the date specified in the notice, the rental agreement shall not terminate;

(b) In the absence of a showing of due care by the breaching party, if substantially the same act or omission which constituted a prior noncompliance of which notice was given recurs within six (6) months, the nonbreaching party may terminate the rental agreement upon at least fourteen (14) days' notice in writing, or by email or text message if the breaching party has agreed in writing to be notified by email or text message, specifying the breach and the date of termination of the rental agreement;

- (b) Issuance and service of summons is proper;
- (c) The tenant fails to appear; and
- (d) The landlord is otherwise entitled to a judgment under law.

(2) In eviction actions, the court shall grant judgment to the landlord where:

- (a) The landlord complies with Section 89-7-29;
- (b) The judge finds that the tenant failed to present a valid defense or counterclaim; and
- (c) The landlord is otherwise entitled to a judgment under law.

(3) In eviction actions, judgments granted by the court shall be signed and executed on the same business day that the judgment is granted.

SECTION 17. Section 89-7-35, Mississippi Code of 1972, is amended as follows:

89-7-35. (1) \* \* \* If a judgment of possession is granted to the landlord, either after a hearing or by default judgment, then the judge shall order the tenant to vacate the premises in seven (7) days from the date of the judgment, unless the court finds that a

shorter or longer period of time is justified because of an emergency or other compelling circumstances.

(2) \*\*\* Prior to the court-ordered move-out date, the tenant shall have the same access to the premises as previously allowed under the terms of the rental agreement. Unless the judge has made some other finding regarding property at the premises, the tenant may remove its property during this time. If the tenant has vacated the premises by the court-ordered move-out date, then the landlord may dispose of any property, not addressed by the court, which the tenant leaves behind without further notice to the tenant.

(3) After the court-ordered move-out date, the landlord may request a warrant for removal. Upon such request and the payment of applicable fees, the judge shall, except as otherwise prohibited under subsection (5) of this section, immediately issue a warrant to the sheriff or any constable of the county in which the premises, or some part thereof, are situated, immediately commanding the sheriff or constable to remove all persons from the premises, and to put the landlord into full possession thereof.

(4) Unless the judge has made some other finding regarding property at the premises, the landlord shall allow the tenant reasonable access to the premises for seventy-two (72) hours after the warrant for removal has been executed to enable the tenant to remove the tenant's property, including any manufactured home. All property the tenant leaves on the premises seventy-two (72) hours after the execution of the warrant for removal shall be deemed abandoned and may be disposed of by the landlord without further notice or obligation to the tenant.

(5) In cases in which the possession judgment is based solely on the tenant's nonpayment of rent, the judge shall not issue a warrant for removal, on or before the court-ordered move-out date, if the tenant has paid in full all unpaid rent and other sums owed pursuant to the judgment. A landlord has an obligation of good faith to accept full payment of all sums owed pursuant to the money judgment entered if so tendered on or before the court-ordered move-out date.

SECTION 18. Section 89-7-37, Mississippi Code of 1972, is amended as follows:

89-7-37. The \*\*\* tenant in possession of \*\*\* the premises, or any person claiming possession thereof, may, at or before the time appointed in the summons for showing cause, file an affidavit with \*\*\* the court, denying the facts upon which the summons was issued; and the matters thus controverted may be tried \*\*\*.

SECTION 19. Section 89-7-39, Mississippi Code of 1972, is amended as follows:

89-7-39. The court may, at the request of either party, adjourn \*\*\* a hearing from time to time \*\*\*. A single adjournment shall not \*\*\* exceed ten (10) days, except by consent of both the landlord and tenant. When an adjournment is granted, the court, \*\*\* may issue subpoenas and attachments to compel the attendance of witnesses. However, in hearings for eviction, no adjournment shall extend the entire hearing beyond forty-five (45) days from the date the eviction action was filed.

SECTION 20. Section 89-7-43, Mississippi Code of 1972, is amended as follows:

89-7-43. \*\*\* If a judgment of possession is not granted to the landlord, the judge shall assess costs against the landlord and issue execution therefor.

SECTION 21. Section 89-7-47, Mississippi Code of 1972, is amended as follows:

89-7-47. The \*\*\* judge before whom proceedings shall be had against a tenant holding over, shall keep a full record of \*\*\* the proceedings, and shall carefully preserve

all papers in the cause \* \* \*. Appeals from final judgements under this chapter shall be pursuant to applicable Mississippi Rules of Court.

SECTION 22. Section 89-8-3, Mississippi Code of 1972, is amended as follows:

89-8-3. (1) This chapter shall apply to, regulate and determine rights, obligations and remedies under any rental agreement entered into after July 1, 1991, wherever made, for a dwelling unit located within this state. \* \* \* Any rights, obligations, or remedies at law or in equity not prohibited by this chapter remain available to residential landlords and tenants.

(2) The following arrangements are not governed by this chapter:

(a) Residence at an institution, public or private, if incidental to detention or the provision of medical, geriatric, educational, counseling, religious or similar service;

(b) Occupancy under a contract of sale of a dwelling unit or the property of which it is a part, if the occupant is the purchaser or a person who succeeds to \* \* \* the purchaser's interest;

(c) Occupancy by a member of a fraternal or social organization in the portion of a structure operated for the benefit of the organization;

(d) Transient occupancy in a hotel, motel or lodgings;

(e) Occupancy by an owner of a condominium unit or a holder of a proprietary lease in a cooperative; or

(f) Occupancy under a rental agreement covering premises used by the occupant primarily for agricultural purposes or when the occupant is performing agricultural labor for the owner and \* \* \* the premises are rented for less than fair rental value.

SECTION 23. Section 89-8-7, Mississippi Code of 1972, is amended as follows:

(2) For purposes of giving any notice required under this chapter, notice given to the agent of the landlord is equivalent to giving notice to the landlord. (4) The cost of repairs made by a tenant pursuant to this section may be offset against future rent.

(5) No provision of this section shall be construed to grant a lien against the real property.

SECTION 26. Section 89-8-17, Mississippi Code of 1972, is amended as follows:

89-8-17. (1) A rental agreement that fixes a definite term expires on the date stated in the rental agreement.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2536: Offender registry; create registry of individuals whose crimes involve public funds.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. For purposes of Sections 1 through 6 of this act, unless the context requires otherwise, the following terms shall have the meanings ascribed herein:

(a) "Conviction" means a judgment entered by a Mississippi court upon a plea of guilty, a plea of nolo contendere, or a finding of guilt by a jury or the court, notwithstanding any pending appeal or habeas corpus proceeding arising from the judgment. "Conviction" includes a disposition of pretrial diversion or nonadjudication under Section 99-15-26.

(b) "Department" means the Department of Public Safety.

(c) "Offender" means a person convicted of a registrable offense.

(d) "Registrable offense" means a crime chargeable under Sections 97-7-10, 97-11-25 through 97-11-31, 97-15-3, 97-15-5, 97-11-11, 97-11-13, 97-11-53, 97-13-1, 97-13-3, or any crime that involves the embezzlement or misappropriation of public funds as determined by the circuit court in its sentencing order upon conviction.

(e) "Registrant" means a person who is registered in compliance with this act.

SECTION 2. (1) The department shall post a publicly accessible registry online of all offenders by July 1, 2023.

(2) (a) The list must include the offender's full legal name, any aliases by which the offender is or has been known, including any online or internet identifiers and the offender's date of birth.

(b) The list shall not include the offender's social security number, driver's license number, any other state or federal identification number, physical address or telephone numbers.

(3) (a) If the offender is not convicted of another registrable offense while listed and if all fines, penalties and restitution have been paid, the department shall remove the offender's information from the list after either five (5) years from the date of the offender's conviction or five (5) years from the date of an offender's release from physical incarceration, whichever is later.

(b) Notwithstanding paragraph (a) of this subsection, a person who has served any sentence imposed and paid all fines, penalties and any restitution ordered may petition the department to be removed from the list after the satisfaction of the conditions of this paragraph (b). Upon receipt and confirmation of a true and correct petition, the department shall remove the offender from the registry.

SECTION 3. (1) The department shall maintain the registry on the internet, which shall contain a disclaimer informing the public that:

(a) The information contained on the website is obtained from public records and the department does not guarantee the website's accuracy or completeness;

(b) The list only includes persons convicted in Mississippi state courts of a limited list of crimes. Persons who are convicted in any federal court, or who are convicted of a crime other than a registrable offense will not appear on the registry.

(2) The department and any individual or entity acting at the request or upon the direction of the department are immune from civil liability for damages arising from reporting information under this act and will be presumed to have acted in good faith in performing its duties under this act.

SECTION 4. Upon the entry of the order sentencing the offender to probation or parole or upon the date of release of the offender from the physical custody of the responsible agency, the responsible agency shall forward the department a copy of the conviction, sentencing order, name, sex and date of birth of the offender convicted of a registrable offense under this act.

SECTION 5. An offender required to register on the basis of a conviction entered shall register with the responsible agency within thirty (30) business days of the date of judgment unless the offender is immediately confined or committed, in which case the offender shall register before release in accordance with the procedures established by the department. The responsible agency shall immediately forward the registration information to the department.

SECTION 6. The department shall promulgate rules in accordance with the Mississippi Administrative Procedures Law, Title 25, Chapter 43, Mississippi Code of 1972, to effectuate the purposes of this act.

SECTION 7. Section 25-1-113, Mississippi Code of 1972, is amended as follows:

25-1-113. (1) From and after July 1, 2013, the state and any county, municipality or any other political subdivision shall not employ a person who has been convicted or pled guilty in any court of this state, another state, or in federal court of any felony in which public funds were unlawfully taken, obtained or misappropriated in the abuse or misuse of the person's office or employment or money coming into the person's hands by virtue of the person's office or employment.

(2) From and after July 1, 2014, the state and any county, municipality or any other political subdivision shall not employ or continue to employ a person who has been convicted or pled guilty in any court of this state, another state, or in federal court of any felony in which public funds were unlawfully taken, obtained or misappropriated in the abuse or misuse of the person's office or employment or money coming into the person's hands by virtue of the person's office or employment.

(3) From and after July 1, 2023, the state and any county, municipality or any other political subdivision shall not hire any person who appears on the registry created in Sections 1 through 6 of this act for any position in accounting, or in a treasury or registrar office, or in any office where monies are collected or received directly from rate or fee payers.

SECTION 8. Section 99-19-71, Mississippi Code of 1972, is amended as follows:

99-19-71. (1) Any person who has been convicted of a misdemeanor that is not a traffic violation, and who is a first offender, may petition the justice, county, circuit or municipal court in which the conviction was had for an order to expunge any such conviction from all public records.

(2) (a) Except as otherwise provided in this subsection, a person who has been convicted of a felony and who has paid all criminal fines and costs of court imposed in the sentence of conviction may petition the court in which the conviction was had for an order to expunge one (1) conviction from all public records five (5) years after the successful completion of all terms and conditions of the sentence for the conviction upon a hearing as determined in the discretion of the court; however, a person is not eligible to expunge a felony classified as:

- (i) A crime of violence as provided in Section 97-3-2;
- (ii) Arson, first degree as provided in Sections 97-17-1 and 97-17-3;
- (iii) Trafficking in controlled substances as provided in Section 41-29-139;
- (iv) A third, fourth or subsequent offense DUI as provided in Section 63-11-30(2)(c) and (2)(d);

- (vi) Failure to register as a sex offender as provided in Section 45-33-33;
- (vii) Voyeurism as provided in Section 97-29-61;
- (viii) Witness intimidation as provided in Section 97-9-113;
- (ix) Abuse, neglect or exploitation of a vulnerable person as provided in Section 43-47-19; or
- (x) Embezzlement as provided in Sections 97-11-25 and 97-23-19.

A person is eligible for only one (1) felony expunction under this paragraph. For the purposes of this section, the terms "one (1) conviction" and "one (1) felony expunction" mean and include all convictions that arose from a common nucleus of operative facts as determined in the discretion of the court.

(b) The petitioner shall give ten (10) days' written notice to the district attorney before any hearing on the petition. In all cases, the court wherein the petition is filed may grant the petition if the court determines, on the record or in writing, that the applicant is rehabilitated from the offense which is the subject of the petition. In those cases where the court denies the petition, the findings of the court in this respect shall be identified specifically and not generally.

(3) Upon entering an order of expunction under this section, a nonpublic record thereof shall be retained by the Mississippi Criminal Information Center solely for the purpose of determining whether, in subsequent proceedings, the person is a first offender. The order of expunction shall not preclude a district attorney's office from retaining a nonpublic record thereof for law enforcement purposes only. The existence of an order of expunction shall not preclude an employer from asking a prospective employee if the employee has had an order of expunction entered on his behalf. The effect of the expunction order shall be to restore the person, in the contemplation of the law, including those law regulating qualified electors, to the status he occupied before any arrest or indictment for which convicted. No person as to whom an expunction order has been entered shall be held thereafter under any provision of law to be guilty of perjury or to have otherwise given a false statement by reason of his failure to recite or acknowledge such arrest, indictment or conviction in response to any inquiry made of him for any purpose other than the purpose of determining, in any subsequent proceedings under this section, whether the person is a first offender. A person as to whom an order has been

entered, upon request, shall be required to advise the court, in camera, of the previous conviction and expunction in any legal proceeding wherein the person has been called as a prospective juror. The court shall thereafter and before the selection of the jury advise the attorneys representing the parties of the previous conviction and expunction.

(4) If a person has a disenfranchising conviction expunged under this section and has no other conviction that would otherwise disenfranchise the person, the county registrar shall enter the person's name into the Statewide Elections Management System if the person:

- (a) Submits a voter registration application; and
- (b) Provides proof of the expungement.

( \*\* \*5) Upon petition therefor, a justice, county, circuit or municipal court shall expunge the record of any case in which an arrest was made, the person arrested was released and the case was dismissed or the charges were dropped or there was no disposition of such case, or the person was found not guilty at trial.

( \*\* \*6) No public official is eligible for expunction under this section for any conviction related to his official duties.

SECTION 9. This act shall take effect and be in force from and after July 1, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO CREATE A PUBLIC REGISTRY OF OFFENDERS WHOSE CRIMES INVOLVED THE EMBEZZLEMENT OR MISAPPROPRIATION OF PUBLIC FUNDS; TO DEFINE TERMS; TO DIRECT THE DEPARTMENT OF PUBLIC SAFETY TO CREATE A REGISTRY OF OFFENDERS; TO REQUIRE RESPONSIBLE AGENCIES TO FORWARD CERTAIN INFORMATION TO THE DEPARTMENT; TO REQUIRE OFFENDERS TO REPORT TO THE DEPARTMENT WITHIN A PRESCRIBED TIMEFRAME; TO AUTHORIZE THE DEPARTMENT TO PROMULGATE RULES FOR THE IMPLEMENTATION OF THE ACT; TO AMEND SECTION 25-1-113, MISSISSIPPI CODE OF 1972, TO PROHIBIT LOCAL GOVERNMENTS FROM HIRING PERSONS ON THE REGISTRY FOR CERTAIN POSITIONS; AN ACT TO AMEND SECTION 99-19-71, MISSISSIPPI CODE OF 1972, TO CLARIFY THE EFFECT OF EXPUNGEMENT PROCEDURES IN RELATION TO QUALIFIED ELECTORS; AND FOR RELATED PURPOSES.

(11) It shall be unlawful for a scrap metal dealer or other purchaser to knowingly purchase or possess a metal beer keg, or a metal syrup tank generally used by the soft drink industry, whether damaged or undamaged, or any reasonably recognizable part thereof, on any premises that the dealer uses to buy, sell, store, shred, melt, cut or otherwise alter scrap metal. However, it shall not be unlawful to purchase or possess a metal syrup tank generally used by the soft drink industry if the scrap metal dealer or other purchaser obtains a bill of sale at the time of purchase from a seller if the seller is a manufacturer of such tanks, a soft drink company or a soft drink distributor.

(12) It shall be unlawful to sell to a scrap metal dealer any bronze vase and/or marker, memorial, statue, plaque, or other bronze object used at a cemetery or other location where deceased persons are interred or memorialized, or for any such dealer to purchase those objects, unless the source of the bronze is known and notice is provided to the municipal or county law enforcement agency where the dealer is located. The notice shall identify all names, letters, dates and symbols on the bronze and a photograph of the bronze shall be attached thereto. Written permission from the cemetery and the appropriate law enforcement agency must be received before any type of bronze described in this subsection may be purchased, processed, sold or melted.

(13) (a) It shall be unlawful for any scrap metal dealer to purchase any manhole cover and other similar types of utility access covers, including storm drain covers, or any metal property clearly identified as belonging to a political subdivision of the state or a municipality, unless that metal property is purchased from the political subdivision, the municipal utility or the manufacturer of the metal. Any purchaser who purchases metal property in bulk shall be allowed twenty-four (24) hours to determine if any metal property prohibited by this subsection is included in a bulk purchase. If such prohibited metal property is included in a bulk purchase, the purchaser shall notify law enforcement no later than twenty-four (24) hours after the purchase.

(b) It shall be unlawful for a person to sell, or any scrap metal dealer to purchase, any copper telecommunication wire in any form or any metal property clearly identified as belonging to a telecommunications company, unless that metal property is purchased from (i) an electrician or contractor to whom either a license has been issued by a municipality or county in this state or a current certificate of responsibility has been issued by the State Board of Public Contractors; or (ii) a person who holds a demolition permit issued by a municipality or county in this state. It shall be unlawful for a person to sell, or a scrap metal dealer to purchase, copper telecommunication wire that has been burned to remove the insulation, unless the seller provides certification, on a form as issued by the Secretary of State and signed by a firefighter who is currently in compliance with the certification requirements of the Mississippi Fire Personnel Minimum Standards and Certification Board or a certified law enforcement officer, that the source of the copper telecommunication wire was from a building destroyed by fire.

(14) It shall be unlawful for a scrap metal dealer or other purchaser to purchase metal property from a person younger than eighteen (18) years of age.

(15) Metal property may not be purchased, acquired or collected between the hours of 9:00 p.m. and 6:00 a.m.

(16) Except as provided in this subsection, any person willfully or knowingly violating the provisions of this \* \* \* act shall, upon conviction thereof, be deemed guilty of a misdemeanor, and shall be punished by a fine not to exceed One Thousand Dollars

(\$1,000.00) per offense, unless the purchase transaction or transactions related to the violation, in addition to any costs which are, or would be, incurred in repairing or in the attempt to recover any property damaged in the theft of or removal of the metal property, including replacement costs of the metal property, are in aggregate an amount which exceeds One Thousand Dollars (\$1,000.00) but less than Five Thousand Dollars (\$5,000.00), in which case the person shall be guilty of a felony and shall be imprisoned in the custody of the Department of Corrections for a term not to exceed five (5) years, fined not more than Ten Thousand Dollars (\$10,000.00), or both. Any person found guilty of stealing metal property or receiving metal property, knowing it to be stolen in violation of Section 97-17-70, shall be ordered to make full restitution to the victim, including, without limitation, restitution for property damage that resulted from the theft of the property.

(17) If the purchase transaction or transactions related to the violation, in addition to any costs which are, or would be, incurred in repairing or in the attempt to recover any property damaged in the theft of or removal of the metal property, including replacement costs of the metal property, are in aggregate an amount which exceeds Five Thousand Dollars (\$5,000.00) but less than Twenty-five Thousand Dollars (\$25,000.00), the person shall be guilty of a felony and shall be imprisoned in the custody of the Department of Corrections for a term not less than one (1) year, but not to exceed ten (10) years, fined not more than \* \* \* Fifteen Thousand Dollars (\$15,000.00), or both.

(18) If the purchase transaction or transactions related to the violation, in addition to any costs which are, or would be, incurred in repairing or in the attempt to recover any property damaged in the theft of or removal of the metal property, including replacement costs of the metal property, are in aggregate an amount which exceeds Twenty-five Thousand Dollars (\$25,000.00), the person shall be guilty of a felony and shall be imprisoned in the custody of the Department of Corrections for a term not less than three (3) years, but not to exceed twenty (20) years, fined not more than \* \* \* Twenty Thousand Dollars (\$20,000.00), or both.

(19) This section shall not be construed to repeal other criminal laws. Whenever conduct proscribed by any provision of this section is also proscribed by any other provision of law, the provision which carries the more serious penalty shall be applied.

(20) This section shall apply to all businesses regulated under this section without regard to the location within the State of Mississippi.

(21) This \* \* \* act shall take precedence over any and all local ordinances governing purchase transactions of metal property. If any municipal or county ordinance, rule or regulation conflicts with the provisions of this act, the provisions of this act shall preempt the municipal or county ordinance, rule or regulation.

(22) This section shall be fully applicable to the requirements for the purchase and sale of detached catalytic converters provided in Section 97-17-71.3, Mississippi Code of 1972.

SECTION 2. Section 97-17-71.1, Mississippi Code of 1972, is amended as follows:

97-17-71.1. (1) (a) From and after August 7, 2008, it shall be unlawful for any scrap metal dealer or any person who purchases scrap metal, deals in scrap metal, or otherwise engages in the scrap metal business to fail to register with the Secretary of State. All registrations under this section shall expire two (2) years from the date of the registration or the renewal thereof.

(b) The Secretary of State may promulgate and adopt such rules and regulations as are reasonably necessary to carry out the provisions of this section and establish such registration and renewal fees as are adequate to cover the administrative costs associated with the registration program.

(c) The Secretary of State may deny, suspend, revoke or refuse to renew any registration following notice to the applicant or registrant in accordance with the promulgated rules and an opportunity for a hearing for any failure to comply with this section, or for other good cause.

(2) A violation of this section is a misdemeanor punishable by a fine of not less than Five Hundred Dollars (\$500.00) but not to exceed One Thousand Dollars (\$1,000.00) for the first offense. Any person who shall be guilty of any subsequent violations of this section requiring registration shall be guilty of a felony offense and shall be imprisoned in the custody of the Department of Corrections for a term not to exceed three (3) years, fined not more than Five Thousand Dollars (\$5,000.00), or both.

(3) (a) To register or renew registration, the registrant must declare, under penalty of perjury, whether such registrant has ever been convicted of \* \* \* any felony offense, or any misdemeanor offense involving fraud, dishonesty, or deceit within five (5) years preceding the date of application. If the registrant is a business entity, the registrant shall make the same declarations on behalf of every owner of the business who participates in the operation or management of the business.

(b) (i) An applicant who has been convicted of an \* \* \* offense as described in paragraph (a) of this subsection may be prohibited from registering under this section for five (5) years from the date of conviction.

(ii) Any false statement submitted to the Secretary of State for the purpose of unlawfully registering under this section shall be punished as perjury in the manner provided in Section 97-9-61, and a person so convicted shall be disqualified for life from registering as a scrap metal dealer under this section.

(4) The Secretary of State shall immediately report any suspected criminal violation accompanied by all relevant records to the Office of Attorney General and the appropriate district attorney for further proceedings.

(5) It is unlawful for a person to make or cause to be made, in a record or statement that is used or obtained in an examination, action, proceeding, or filed under this chapter, a statement that, at the time and in light of the circumstances under which it is made, is false or misleading in a material respect, or, in connection with the statement, to omit to state a material fact necessary to make the statement made, in light of the circumstances under which it was made, not false or misleading.

(\* \* \*6) The Secretary of State shall have the authority to:

(a) Conduct and carry out criminal background history verification of the information provided by the applicant or registrant and to require the submission of information and forms from the applicant or registrant in order to accomplish the registration duties imposed by this section;

(b) Require or permit a person to testify, file a statement, or produce a record, under oath or otherwise, as to all the facts and circumstances concerning a matter to be investigated or about which an action or proceeding is to be instituted;

(\* \* \*c) Issue a cease and desist order, with a prior hearing, against the scrap metal dealer or other purchaser alleged to be in violation of this section, directing the person or persons to cease and desist from further illegal activity. When an immediate cease and desist order is issued, the Secretary of State shall hold an administrative hearing on the alleged violations within fifteen (15) business days;

(\* \* \*d) (i) Issue an order against any scrap metal dealer or other purchaser for any violation of this section, imposing an administrative penalty up to a maximum of

One Thousand Dollars (\$1,000.00) for each offense. Each violation shall be considered a separate offense in a single proceeding or a series of related proceedings. Any administrative penalty, plus reimbursement for all costs and expenses incurred in the investigation of the violation and any administrative proceedings, shall be paid to the Secretary of State;

(ii) For the purpose of determining the amount or extent of a sanction, if any, to be imposed under paragraph (c)(i) of this subsection, the Secretary of State shall consider, among other factors, the frequency, persistence and willfulness of the conduct constituting a violation of this section or any rule or order hereunder; the number of persons adversely affected by the conduct; and the resources of the person committing the violation;

( \*\* \*e) Bring an action in chancery court to enjoin the acts or practices complained of to enforce compliance with this section or any rule promulgated or order entered hereunder. Upon a proper showing, a permanent or temporary injunction, restraining order, or writ of mandamus shall be granted and a receiver or conservator may be appointed for the defendant or the defendant's assets. In addition, upon a proper showing by the Secretary of State, the court may enter an order of rescission or restitution directed to any person who has engaged in any act constituting a violation of any provision of this section or any rule or order hereunder, or the court may impose a civil penalty up to a maximum of One Thousand Dollars (\$1,000.00) for each offense, provided that each violation shall be considered as a separate offense in a single proceeding or a series of related proceedings. The court may not require the Secretary of State to post a bond.

( \*\* \*7) Any person aggrieved by a final order of the Secretary of State may obtain a review of the order in the Chancery Court of the First Judicial District of Hinds County, Mississippi, by filing in the court, within thirty (30) days after the entry of the order, a written petition praying that the order be modified or set aside, in whole or in part. A copy of the petition shall be forthwith served upon the Secretary of State and thereupon the Secretary of State shall certify and file in court a copy of the filing and evidence upon which the order was entered. When these have been filed, the court has exclusive jurisdiction to affirm, modify, enforce or set aside the order, in whole or in part.

SECTION 3. Section 97-17-71.2, Mississippi Code of 1972, is amended as follows:

97-17-71.2. (1) It is an offense for a scrap metal dealer \* \* \* to pay cash to a person who presents an air conditioner evaporator coil or condenser, in whole or in part, for sale as scrap \* \* \*.

(2) Scrap metal described in subsection (1) may only be sold for scrap by an authorized agent, representative or employee of one (1) of the following:

(b) A company meeting all local or municipal requirements to obtain a permit from that jurisdiction to repair, replace and install HVAC units containing copper evaporator coils or condensers;

(c) Where the jurisdiction does not require a permit to repair, replace and install HVAC units containing copper evaporator coils or condensers, by a company holding a privilege license indicating the business as that of an HVAC installer or repairer; or

(d) A company holding a privilege license indicating the business as that of an HVAC installer or repairer.

(3) The person offering an air conditioner evaporator coil or condenser for sale as scrap on behalf of a company listed in subsection (2) shall have in the person's possession documentation that the company for whom it is being sold is a company described in subsection (2), and that the person selling the evaporator coil or condenser is an authorized agent, representative or employee of that company.

(4) Payment for scrap metal described in subsection (1) must be made by check or money order, \* \* \* and the name of the company or the individual meeting the requirements of subsection (2) of this section must be the payee on the check.

(5) (a) A violation of this section is a misdemeanor punishable by a fine not to exceed One Thousand Dollars (\$1,000.00) per offense.

(b) Nothing in this section shall be construed to preclude a person violating this section from also being prosecuted for any other applicable criminal offense.

(6) Any purchase of any air conditioner evaporator coil or condenser, as described in this section, in whole or in part, is subject to the record keeping requirements required by this section.

SECTION 4. The following shall be codified as Section 97-17-71.3, Mississippi Code of 1972:

97-17-71.3. (1) It is unlawful for any person to purchase or otherwise acquire, a used, detached catalytic converter, or any nonferrous part thereof, unless all of the following apply:

(a) The purchaser is registered as a scrap metal dealer under Section 97-17-71;

(b) The sale, transfer, purchase or acquisition occurs at the fixed business address of a scrap metal dealer that is a party to the transaction. 3. The make and model of the vehicle from which the catalytic converter was removed;

4. The vehicle identification number of the vehicle from which the catalytic converter was removed; and

5. A copy of the driver's license or nondriver identification card of the seller of the catalytic converter.

(e) Before each purchase or acquisition of a used, detached catalytic converter or part thereof, the scrap metal dealer, including an agent, employee, or representative thereof, shall retain the necessary records and information to comply with this act.

(2) It is unlawful for a seller of a used, detached catalytic converter, or any nonferrous part of a catalytic converter, to provide any false, fraudulent, altered or counterfeit information or documentation as required by this section.

(3) Each catalytic converter that is purchased, possessed, obtained, transported or otherwise acquired in violation of this section is a separate violation of this section.

(4) A person who violates this section is guilty of a misdemeanor or a felony for subsequent violations as specifically prescribed under Sections 97-17-71 and 97-17-71.1, Mississippi Code of 1972.

(5) For purposes of this section, a used, detached catalytic converter does not include a catalytic converter that has been tested, certified and labeled for reuse in accordance with applicable U.S. Environmental Protection Agency Clean Air Act regulations.

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 37-101-15, Mississippi Code of 1972, as amended by House Bill No. 475, 2022 Regular Session, is amended as follows:

37-101-15. (a) The Board of Trustees of State Institutions of Higher Learning shall succeed to and continue to exercise control of all records, books, papers, equipment, and supplies, and all lands, buildings, and other real and personal property belonging to or assigned to the use and benefit of the board of trustees formerly supervising and controlling the institutions of higher learning named in Section 37-101-1. The board shall have and exercise control of the use, distribution and disbursement of all funds, appropriations and taxes, now and hereafter in possession, levied and collected, received, or appropriated for the use, benefit, support, and maintenance or capital outlay expenditures of the institutions of higher learning, including the authorization of employees to sign vouchers for the disbursement of funds for the various institutions, except where otherwise specifically provided by law.

(b) The board shall have general supervision of the affairs of all the institutions of higher learning, including the departments and the schools thereof. The board shall have the power in its discretion to determine who shall be privileged to enter, to remain in, or to graduate therefrom. The board shall have general supervision of the conduct of libraries and laboratories, the care of dormitories, buildings, and grounds; the business methods and arrangement of accounts and records; the organization of the administrative plan of each institution; and all other matters incident to the proper functioning of the institutions. The board shall have the authority to establish minimum standards of achievement as a prerequisite for entrance into any of the institutions under its jurisdiction, which standards need not be uniform between the various institutions and which may be based upon such criteria as the board may establish.

(c) The board shall exercise all the powers and prerogatives conferred upon it under the laws establishing and providing for the operation of the several institutions herein specified. The board shall adopt such bylaws and regulations from time to time as it deems expedient for the proper supervision and control of the several institutions of higher learning, insofar as such bylaws and regulations are not repugnant to the Constitution and laws, and not inconsistent with the object for which these institutions were established. The board shall have power and authority to prescribe rules and regulations for policing the campuses and all buildings of the respective institutions, to authorize the arrest of all persons violating on any campus any criminal law of the state, and to have such law violators turned over to the civil authorities.

(d) For all institutions specified herein, the board shall provide a uniform system of recording and of accounting approved by the State Department of Audit. The board shall annually prepare, or cause to be prepared, a budget for each institution of higher learning for the succeeding year which must be prepared and in readiness for at least thirty (30) days before the convening of the regular session of the Legislature. All relationships and negotiations between the State Legislature and its various committees and the institutions named herein shall be carried on through the board of trustees. No official, employee or agent representing any of the separate institutions shall appear before the Legislature or

any committee thereof except upon the written order of the board or upon the request of the Legislature or a committee thereof.

(e) For all institutions specified herein, the board shall prepare an annual report to the Legislature setting forth the disbursements of all monies appropriated to the respective institutions. Each report to the Legislature shall show how the money appropriated to the several institutions has been expended, beginning and ending with the fiscal years of the institutions, showing the name of each teacher, officer, and employee, and the salary paid each, and an itemized statement of each and every item of receipts and expenditures. Each report must be balanced, and must begin with the former balance. If any property belonging to the state or the institution is used for profit, the reports shall show the expense incurred in managing the property and the amount received therefrom. The reports shall also show a summary of the gross receipts and gross disbursements for each year and shall show the money on hand at the beginning of the fiscal period of the institution next preceding each session of the Legislature and the necessary amount of expense to be incurred from said date to January 1 following. The board shall keep the annual expenditures of each institution herein mentioned within the income derived from legislative appropriations and other sources, but in case of emergency arising from acts of providence, epidemics, fire or storm with the written approval of the Governor and by written consent of a majority of the senators and of the representatives it may exceed the income. The board shall require a surety bond in a surety company authorized to do business in this state of every employee who is the custodian of funds belonging to one or more of the institutions mentioned herein, which bond shall be in a sum to be fixed by the board in an amount that will properly safeguard the said funds, the premium for which shall be paid out of the funds appropriated for said institutions.

(f) The board shall have the power and authority to elect the heads of the various institutions of higher learning and to contract with all deans, professors, and other members of the teaching staff, and all administrative employees of said institutions for a term not exceeding four (4) years. The board shall have the power and authority to terminate any such contract at any time for malfeasance, inefficiency, or contumacious conduct, but never for political reasons. It shall be the policy of the board to permit the executive head of each institution to nominate for election by the board all subordinate employees of the institution over which he presides. It shall be the policy of the board to elect all officials for a definite tenure of service and to reelect during the period of satisfactory service. The board shall have the power to make any adjustments it thinks necessary between the various departments and schools of any institution or between the different institutions.

(g) The board shall keep complete minutes and records of all proceedings which shall be open for inspection by any citizen of the state.

(h) The board shall have the power to enter into an energy performance contract, energy services contract, on a shared-savings, lease or lease-purchase basis, for energy efficiency services and/or equipment as prescribed in Section 31-7-14.

(i) The Board of Trustees of State Institutions of Higher Learning, for and on behalf of Jackson State University, is hereby authorized to convey by donation or otherwise easements across portions of certain real estate located in the City of Jackson, Hinds County, Mississippi, for right-of-way required for the Metro Parkway Project.

(j) In connection with any international contract between the board or one (1) of the state's institutions of higher learning and any party outside of the United States, the board or institution that is the party to the international contract is hereby authorized and empowered to include in the contract a provision for the resolution by arbitration of any controversy between the parties to the contract relating to such contract or the failure or refusal to perform any part of the contract. Such provision shall be valid, enforceable and irrevocable without regard to the justiciable character of the controversy. Provided, however, that in the event either party to such contract initiates litigation against the other

with respect to the contract, the arbitration provision shall be deemed waived unless asserted as a defense on or before the responding party is required to answer such litigation.

(k) The Board of Trustees of State Institutions of Higher Learning ("board"), on behalf of any institution under its jurisdiction, shall purchase and maintain business property insurance and business personal property insurance on all university-owned buildings and/or contents as required by federal law and regulations of the Federal Emergency Management Agency (FEMA) as is necessary for receiving public assistance or reimbursement for repair, reconstruction, replacement or other damage to those buildings and/or contents caused by the Hurricane Katrina Disaster of 2005 or subsequent disasters. The board is authorized to expend funds from any available source for the purpose of obtaining and maintaining that property insurance. We, therefore, respectfully submit the following report and recommendation:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 71-5-353, Mississippi Code of 1972, is amended as follows:

71-5-353. (1) (a) Each employer shall pay unemployment insurance contributions equal to five and four-tenths percent (5.4%) of taxable wages paid by him each calendar year, except as may be otherwise provided in Section 71-5-361 and except that each newly subject employer shall pay unemployment insurance contributions at the rate of one percent (1%) of taxable wages, for his first year of liability, one and one-tenth percent (1.1%) of taxable wages for his second year of liability, and one and two-tenths percent (1.2%) of taxable wages for his third and subsequent years of liability unless the employer's experience-rating record has been chargeable throughout at least the twelve (12) consecutive calendar months ending on the most recent computation date at the time

the rate for a year is determined; thereafter the employer's contribution rate shall be determined in accordance with the provisions of Section 71-5-355.

(b) Notwithstanding the newly subject employer contribution rate provided for in paragraph (a) of this subsection, the contribution rate of all newly subject employers shall be reduced by seven one-hundredths of one percent (.07%) for calendar year 2013 only. The contribution rate of all newly subject employers shall be reduced by three one-hundredths of one percent (.03%) for calendar year 2014 only. For purposes of this chapter, "newly subject employers" means employers whose unemployment insurance experience-rating record has not been chargeable throughout at least the twelve (12) consecutive calendar months ending on the most recent computation date at the time the contribution rate for a year is determined.

(2) (a) (i) There is hereby created in the Treasury of the State of Mississippi special funds to be known as the "Mississippi Workforce Enhancement Training Fund" and the "Mississippi Works Fund" which consist of funds collected pursuant to subsection (3) of this section.

(ii) Funds collected shall initially be deposited into the Mississippi Department of Employment Security bank account for clearing contribution collections and subsequently appropriate amounts shall be transferred to the Mississippi Workforce Investment and Training Fund Holding Account described in Section 71-5-453. In the event any employer pays an amount insufficient to cover the total contributions due, the amounts due shall be satisfied in the following order:

1. Unemployment contributions;
2. Mississippi Workforce Enhancement Training contributions, State Workforce Investment contributions and the Mississippi Works contributions, known collectively as the Mississippi Workforce Investment and Training contributions, on a pro rata basis;
3. Interest and damages; then
4. Legal and processing costs.

The amount of unemployment insurance contributions due for any period will be the amount due according to the actual computations unless the employer is participating in the MLPP. In that event, the amount due is the MLPP amount computed by the department.

Cost of collection and administration of the Mississippi Workforce Enhancement Training contribution, the State Workforce Investment contribution and the Mississippi Works contribution shall be allocated based on a plan approved by the United States Department of Labor (USDOL). The Mississippi Community College Board shall pay the cost of collecting the Mississippi Workforce Enhancement Training contributions, the State Workforce Investment Board shall pay the cost of collecting the State Workforce Investment contributions and the Mississippi Department of Employment Security shall pay the cost of collecting the Mississippi Works contributions. Payments shall be made semiannually with the cost allocated to each based on a USDOL approved plan on a pro rata basis, for periods ending in June and December of each year. Payment shall be made by each organization to the department no later than sixty (60) days after the billing date. Cost shall be allocated under the USDOL's approved plan and in the same ratio as each contribution type represents to the total authorized by subparagraph (ii)2 of this paragraph to be collected for the period.

(b) Mississippi Workforce Enhancement Training contributions and State Workforce Investment contributions shall be distributed as follows:

(i) For calendar year 2014, ninety-four and seventy-five one-hundredths percent (94.75%) shall be distributed to the Mississippi Workforce Enhancement Training Fund and the remainder shall be distributed to the State Workforce Investment Board bank account;

(ii) For calendar years subsequent to calendar year 2014, ninety-three and seventy-five one-hundredths percent (93.75%) shall be distributed to the Mississippi Workforce Enhancement Training Fund and the remainder shall be distributed to the State Workforce Investment Board bank account;

(iii) Workforce Enhancement Training contributions and State Workforce Investment contributions for calendar years 2014 and 2015 shall be distributed as provided in subparagraphs (i) and (ii) of this paragraph regardless of when the contributions were collected.

After such period, the Mississippi Workforce Enhancement Training contributions shall be transferred to the Mississippi Community College Board Treasury Account, with oversight provided by the Mississippi Office of Workforce Development, the State Workforce Investment contributions and the Mississippi Works contributions shall be transferred to the Mississippi Department of Employment Security Mississippi Works Treasury Account in the same ratio as each contribution type represents to the total authorized by paragraph (a)(ii)2 of this subsection to be collected for the period and within the time frame determined by the department; however, except in cases of extraordinary circumstances, these funds shall be transferred within fifteen (15) days. Interest earnings or interest credits on deposit amounts in the Workforce Investment and Training Holding Account shall be retained in the account to pay the banking costs of the account. If after the period of twelve (12) months interest earnings less banking costs exceeds Ten Thousand Dollars (\$10,000.00), such excess amounts shall be transferred to the respective accounts within thirty (30) days following the end of each calendar year on the basis described in paragraph (b) of this subsection. Interest earnings and/or interest credits for the State Workforce Investments funds shall be used for the payment of banking costs and excess amounts shall be used in accordance with the rules and regulations of the State Workforce Investment Board expenditure policies.

(d) All enforcement procedures for the collection of delinquent unemployment contributions contained in Sections 71-5-363 through 71-5-383 shall be applicable in all respects for collections of delinquent unemployment insurance contributions designated for the Unemployment Compensation Fund, the Mississippi Workforce Enhancement Training Fund, the State Workforce Investment Board Fund and the Mississippi Works Fund.

employees and/or newly hired employees from the Mississippi Office of Workforce Development. The office, in consultation with the Mississippi Community College Board, will be responsible for approving the training. A portion of the funds collected for the Mississippi Workforce Enhancement Training Fund shall be used for the development of performance measures to measure the effectiveness of the use of the Mississippi Workforce Enhancement Training Fund dollars. These performance measures shall be uniform for all training projects and shall be reported to the Governor, Lieutenant Governor, Speaker of the House, and members of the Legislature. Nothing in this section or elsewhere in law shall be interpreted as giving the Office of Workforce Development or State Workforce Investment Board authority to direct the Mississippi Community College Board or individual community or junior colleges on how to expend other funds, aside from funds appropriated to the Mississippi Workforce Enhancement Training Fund and Mississippi Works Fund, appropriated or received for workforce training. The Mississippi Office of Workforce Development, Mississippi Community College Board, individual community or junior colleges, State Workforce Investment Board and other agencies implementing or coordinating state-funded workforce development programs under state law shall cooperate with each other to promote effective workforce training in Mississippi, under the direction of the office. (c) Suspension of the Workforce Enhancement Training Fund contributions required pursuant to this chapter shall occur if the insured unemployment rate exceeds an average of five and five-tenths percent (5.5%) for the three (3) consecutive months immediately preceding the effective date of the new rate year following such occurrence and shall remain suspended throughout the duration of that rate year. Such suspension shall continue until such time as the three (3) consecutive months immediately preceding the effective date of the next rate year that has an insured unemployment rate of less than an average of four and five-tenths percent (4.5%). Upon such occurrence, reactivation shall be effective upon the first day of the rate year following the event that lifts suspension and shall be in effect for that year and shall continue until such time as a subsequent suspension event as described in this chapter occurs.

(d) Notwithstanding any other provision contained herein, contribution collections for the State Workforce Investment Fund, Mississippi Works Fund and Mississippi Workforce Enhancement Training Fund shall not be suspended, under any circumstances, for tax rate year 2021, and the resulting contribution rate of twenty one-hundredths percent (.20%) shall be added to the employer's general and individual experience rate to obtain the total unemployment insurance rate for 2021.

(4) All collections due or accrued prior to any suspension of the Mississippi Workforce Enhancement Training Fund will be collected based upon the law at the time the contributions accrued, regardless of when they are actually collected.

SECTION 2. Section 71-5-355, Mississippi Code of 1972, is amended as follows:

71-5-355. (1) As used in this section, the following words and phrases shall have the following meanings, unless the context clearly requires otherwise:

(a) "Tax year" means any period beginning on January 1 and ending on December 31 of a year.

(b) "Computation date" means June 30 of any calendar year immediately preceding the tax year during which the particular contribution rates are effective.

(c) "Effective date" means January 1 of the tax year.

(d) Except as hereinafter provided, "payroll" means the total of all wages paid for employment by an employer as defined in Section 71-5-11, subsection H, plus the total of all remuneration paid by such employer excluded from the definition of wages by Section 71-5-351. For the computation of modified rates, "payroll" means the total of all wages paid for employment by an employer as defined in Section 71-5-11, subsection H.

(e) For the computation of modified rates, "eligible employer" means an employer whose experience-rating record has been chargeable with benefits throughout the thirty-six (36) consecutive calendar-month period ending on the computation date,

except that any employer who has not been subject to the Mississippi Employment Security Law for a period of time sufficient to meet the thirty-six (36) consecutive calendar-month requirement shall be an eligible employer if his or her experience-rating record has been chargeable throughout not less than the twelve (12) consecutive calendar-month period ending on the computation date. No employer shall be considered eligible for a contribution rate less than five and four-tenths percent (5.4%) with respect to any tax year, who has failed to file any two (2) quarterly reports within the qualifying period by September 30 following the computation date. No employer or employing unit shall be eligible for a contribution rate of less than five and four-tenths percent (5.4%) for the tax year in which the employing unit is found by the department to be in violation of Section 71-5-19(2) or (3) and for the next two (2) succeeding tax years. No representative of such employing unit who was a party to a violation as described in Section 71-5-19(2) or (3), if such representative was or is an employing unit in this state, shall be eligible for a contribution rate of less than five and four-tenths percent (5.4%) for the tax year in which such violation was detected by the department and for the next two (2) succeeding tax years.

(f) With respect to any tax year, "reserve ratio" means the ratio which the total amount available for the payment of benefits in the Unemployment Compensation Fund, excluding any amount which has been credited to the account of this state under Section 903 of the Social Security Act, as amended, and which has been appropriated for the expenses of administration pursuant to Section 71-5-457 whether or not withdrawn from such account, on October 31 (close of business) of each calendar year bears to the aggregate of the taxable payrolls of all employers for the twelve (12) calendar months ending on June 30 next preceding.

(g) "Modified rates" means the rates of employer unemployment insurance contributions determined under the provisions of this chapter and the rates of newly subject employers, as provided in Section 71-5-353.

(h) For the computation of modified rates, "qualifying period" means a period of not less than the thirty-six (36) consecutive calendar months ending on the computation date throughout which an employer's experience-rating record has been chargeable with benefits; except that with respect to any eligible employer who has not been subject to this article for a period of time sufficient to meet the thirty-six (36) consecutive calendar-month requirement, "qualifying period" means the period ending on the computation date throughout which his or her experience-rating record has been chargeable with benefits, but in no event less than the twelve (12) consecutive calendar-month period ending on the computation date throughout which his or her experience-rating record has been so chargeable.

(i) The "exposure criterion" (EC) is defined as the cash balance of the Unemployment Compensation Fund which is available for the payment of benefits as of November 16 of each calendar year or the next working day if November 16 falls on a holiday or a weekend, divided by the total wages, exclusive of wages paid by all state agencies, all political subdivisions, reimbursable nonprofit corporations, and tax-exempt public service employment, for the twelve-month period ending June 30 immediately preceding such date. The EC shall be computed to four (4) decimal places and rounded up if any fraction remains. Notwithstanding any other provision contained herein, the date for determining the cash balance of the Unemployment Compensation Fund which is available for the payment of benefits for the calendar years 2020 and 2021 shall be December 31.

(j) The "cost rate criterion" (CRC) is defined as follows: Beginning with January 1974, the benefits paid for the twelve-month period ending December 1974 are summed and divided by the total wages for the twelve-month period ending on June 30, 1975. Similar ratios are computed by subtracting the earliest month's benefit payments and adding the benefits of the next month in the sequence and dividing each sum of twelve

(12) months' benefits by the total wages for the twelve-month period ending on the June 30 which is nearest to the final month of the period used to compute the numerator. If December is the final month of the period used to compute the numerator, then the twelve-month period ending the following June 30 will be used for the denominator. Benefits and total wages used in the computation of the cost rate criterion shall exclude all benefits and total wages applicable to state agencies, political subdivisions, reimbursable nonprofit corporations, and tax-exempt PSE employment.

The CRC shall be computed as the average for the highest monthly value of the cost rate criterion computations during each of the economic cycles since the calendar year 1974 as defined by the National Bureau of Economic Research. The CRC shall be computed to four (4) decimal places and any remainder shall be rounded up.

The CRC shall be adjusted only through annual computations and additions of future economic cycles.

(k) "Size of fund index" (SOFI) is defined as the ratio of the exposure criterion (EC) to the cost rate criterion (CRC). The target size of fund index will be fixed at 1.0. If the insured unemployment rate (IUR) exceeds a four and five-tenths percent (4.5%) average for the most recent completed July to June period, the target SOFI will be .8 and will remain at that level until the computed SOFI (the average exposure criterion of the current year and the preceding year divided by the average cost rate criterion) equals 1.0 or the average IUR falls to four and five-tenths percent (4.5%) or less for any period July to June. However, if the IUR falls below two and five-tenths percent (2.5%) for any period July to June the target SOFI shall be 1.2 until such time as the computed SOFI is equal to or greater than 1.0 or the IUR is equal to or greater than two and five-tenths percent (2.5%), at which point the target SOFI shall return to 1.0.

(l) No employer's unemployment contribution general experience rate plus individual unemployment experience rate shall exceed five and four-tenths percent (5.4%). Accrual rules shall apply for purposes of computing contribution rates including associated functions.

(m) The term "general experience rate" has the same meaning as the minimum tax rate.

(2) Modified rates:

(a) For any tax year, when the reserve ratio on the preceding November 16, in the case of any tax year, equals or exceeds three percent (3%), the modified rates, as hereinafter prescribed, shall be in effect. In computation of this reserve ratio, any remainder shall be rounded down.

(b) Modified rates shall be determined for the tax year for each eligible employer on the basis of his or her experience-rating record in the following manner:

(i) The department shall maintain an experience-rating record for each employer. Nothing in this chapter shall be construed to grant any employer or individuals performing services for him or her any prior claim or rights to the amounts paid by the employer into the fund.

(ii) Benefits paid to an eligible individual shall be charged against the experience-rating record of his or her base period employers in the proportion to which the wages paid by each base period employer bears to the total wages paid to the individual by all the base period employers, provided that benefits shall not be charged to an employer's experience-rating record if the department finds that the individual:

1. Voluntarily left the employ of such employer without good cause attributable to the employer or to accept other work;

2. Was discharged by such employer for misconduct connected with his or her work;

3. Refused an offer of suitable work by such employer without good cause, and the department further finds that such benefits are based on wages for employment for such employer prior to such voluntary leaving, discharge or refusal of suitable work, as the case may be;

4. Had base period wages which included wages for previously uncovered services as defined in Section 71-5-511(e) to the extent that the Unemployment Compensation Fund is reimbursed for such benefits pursuant to Section 121 of Public Law 94-566;

5. Extended benefits paid under the provisions of Section 71-5-541 which are not reimbursable from federal funds shall be charged to the experience-rating record of base period employers;

6. Is still working for such employer on a regular part-time basis under the same employment conditions as hired. Provided, however, that benefits shall be charged against an employer if an eligible individual is paid benefits who is still working for such employer on a part-time "as-needed" basis;

7. Was hired to replace a United States serviceman or servicewoman called into active duty and was laid off upon the return to work by that serviceman or servicewoman, unless such employer is a state agency or other political subdivision or instrumentality of the state;

8. Was paid benefits during any week while in training with the approval of the department, under the provisions of Section 71-5-513B, or for any week while in training approved under Section 236(a)(1) of the Trade Act of 1974, under the provisions of Section 71-5-513C;

9. Is not required to serve the one-week waiting period as described in Section 71-5-505(2). In that event, only the benefits paid in lieu of the waiting period week may be noncharged; or

10. Was paid benefits as a result of a fraudulent claim, provided notification was made to the Mississippi Department of Employment Security in writing or by email by the employer, within ten (10) days of the mailing of the notice of claim filed to the employer's last-known address.

(iii) Notwithstanding any other provision contained herein, an employer shall not be noncharged when the department finds that the employer or the employer's agent of record was at fault for failing to respond timely or adequately to the request of the department for information relating to an unemployment claim that was subsequently determined to be improperly paid, unless the employer or the employer's agent of record shows good cause for having failed to respond timely or adequately to the request of the department for information. For purposes of this subparagraph "good cause" means an event that prevents the employer or employer's agent of record from timely responding, and includes a natural disaster, emergency or similar event, or an illness on the part of the employer, the employer's agent of record, or their staff charged with responding to such inquiries when there is no other individual who has the knowledge or ability to respond. Any agency error that resulted in a delay in, or the failure to deliver notice to, the employer or the employer's agent of record shall also be considered good cause for purposes of this subparagraph.

(iv) The department shall compute a benefit ratio for each eligible employer, which shall be the quotient obtained by dividing the total benefits charged to

his or her experience-rating record during the period his or her experience-rating record has been chargeable, but not less than the twelve (12) consecutive calendar-month period nor more than the thirty-six (36) consecutive calendar-month period ending on the computation date, by his or her total taxable payroll for the same period on which all unemployment insurance contributions due have been paid on or before the September 30 immediately following the computation date. Such benefit ratio shall be computed to the tenth of a percent (.1%), rounding any remainder to the next higher tenth.

(v) 1. The unemployment insurance contribution rate for each eligible employer shall be the sum of two (2) rates: his or her individual experience rate in the range from zero percent (0%) to five and four-tenths percent (5.4%), plus a general experience rate. In no event shall the resulting unemployment insurance rate be in excess of five and four-tenths percent (5.4%), however, it is the intent of this section to provide the ability for employers to have a tax rate, the general experience rate plus the individual experience rate, of up to five and four-tenths percent (5.4%).

2. The employer's individual experience rate shall be equal to his or her benefit ratio as computed under paragraph (b)(iv) of this subsection (2).

3. The general experience rate shall be determined in the following manner: The department shall determine annually, for the thirty-six (36) consecutive calendar-month period ending on the computation date, the amount of benefits which were not charged to the record of any employer and of benefits which were ineffectively charged to the employer's experience-rating record. For the purposes of this item 3, the term "ineffectively charged benefits" shall include:

a. The total of the amounts of benefits charged to the experience-rating records of all eligible employers which caused their benefit ratios to exceed five and four-tenths percent (5.4%);

b. The total of the amounts of benefits charged to the experience-rating records of all ineligible employers which would cause their benefit ratios to exceed five and four-tenths percent (5.4%) if they were eligible employers; and

c. The total of the amounts of benefits charged or chargeable to the experience-rating record of any employer who has discontinued his or her business or whose coverage has been terminated within such period; provided, that solely for the purposes of determining the amounts of ineffectively charged benefits as herein defined, a "benefit ratio" shall be computed for each ineligible employer, which shall be the quotient obtained by dividing the total benefits charged to his or her experience-rating record throughout the period ending on the computation date, during which his or her experience-rating record has been chargeable with benefits, by his or her total taxable payroll for the same period on which all unemployment insurance contributions due have been paid on or before the September 30 immediately following the computation date; and provided further, that such benefit ratio shall be computed to the tenth of one percent (.1%) and any remainder shall be rounded to the next higher tenth.

The ratio of the sum of these amounts (subsection (2)(b)(v)3a, b and c) to the taxable wages paid during the same period divided by all eligible employers whose benefit ratio did not exceed five and four-tenths percent (5.4%), computed to the next higher tenth of one percent (.1%), shall be the general experience rate; however, the general experience rate for rate year 2014 shall be two tenths of one percent (.2%) and to that will be added the employer's individual experience rate for the total unemployment insurance rate.

4. a. Except as otherwise provided in this item 4, the general experience rate shall be adjusted by use of the size of fund index factor. This factor may be positive or negative, and shall be determined as follows: From the target SOFI, as

defined in subsection (1)(k) of this section, subtract the simple average of the current and preceding years' exposure criteria divided by the cost rate criterion, as defined in subsection (1)(j) of this section. The result is then multiplied by the product of the CRC, as defined in subsection (1)(j) of this section, and total wages for the twelve-month period ending June 30 divided by the taxable wages for the twelve-month period ending June 30. This is the percentage positive or negative added to the general experience rate. The sum of the general experience rate and the trust fund adjustment factor shall be multiplied by fifty percent (50%) and this product shall be computed to one (1) decimal place, and rounded to the next higher tenth.

b. Notwithstanding the minimum rate provisions as set forth in subsection (1)(l) of this section, the general experience rate of all employers shall be reduced by seven one-hundredths of one percent (.07%) for calendar year 2013 only.

5. The general experience rate shall be zero percent (0%) unless the general experience ratio for any tax year as computed and adjusted on the basis of the trust fund adjustment factor and reduced by fifty percent (50%) is an amount equal to or greater than two-tenths of one percent (.2%), then the general experience rate shall be the computed general experience ratio and adjusted on the basis of the trust fund adjustment factor and reduced by fifty percent (50%); however, in no case shall the sum of the general experience plus the individual experience unemployment insurance rate exceed five and four-tenths percent (5.4%). For rate years subsequent to 2014, Mississippi Workforce Enhancement Training contribution rate, and/or State Workforce Investment contribution rate, and/or Mississippi Works contribution rate, when in effect, shall be added to the unemployment contribution rate, regardless of whether the addition of this contribution rate causes the total contribution rate for the employer to exceed five and four-tenths percent (5.4%).

6. The department shall include in its annual rate notice to employers a brief explanation of the elements of the general experience rate, and shall include in its regular publications an annual analysis of benefits not charged to the record of any employer, and of the benefit experience of employers by industry group whose benefit ratio exceeds four percent (4%), and of any other factors which may affect the size of the general experience rate.

7. Notwithstanding any other provision contained herein, the general experience rate for calendar year 2021 shall be zero percent (0%). Charges attributed to each employer's individual experience rate for the period March 8, 2020, through June 30, 2020, will not impact the employer's individual experience rate calculations for purposes of calculating the total unemployment insurance rate for 2021 and the two (2) subsequent tax rate years. Moreover, charges attributed to each employer's individual experience rate for the period July 1, 2020, through December 31, 2020, will not impact the employer's individual experience rate calculations for purposes of calculating the total unemployment insurance rate for 2022 and the two (2) subsequent tax rate years.

(vi) When any employing unit in any manner succeeds to or acquires the organization, trade, business or substantially all the assets thereof of an employer, excepting any assets retained by such employer incident to the liquidation of his or her obligations, whether or not such acquiring employing unit was an employer within the meaning of Section 71-5-11, subsection H, prior to such acquisition, and continues such organization, trade or business, the experience-rating and payroll records of the predecessor employer shall be transferred as of the date of acquisition to the successor employer for the purpose of rate determination.

(vii) When any employing unit succeeds to or acquires a distinct and severable portion of an organization, trade or business, the experience-rating and payroll records of such portion, if separately identifiable, shall be transferred to the successor upon:

1. The mutual consent of the predecessor and the successor;
2. Approval of the department;
3. Continued operation of the transferred portion by the successor after transfer; and
4. The execution and the filing with the department by the predecessor employer of a waiver relinquishing all rights to have the experience-rating and payroll records of the transferred portion used for the purpose of determining modified rates of contribution for such predecessor.

(viii) If the successor was an employer subject to this chapter prior to the date of acquisition, it shall continue to pay unemployment insurance contributions at the rate applicable to it from the date the acquisition occurred until the end of the then current tax year. If the successor was not an employer prior to the date of acquisition, it shall pay unemployment insurance contributions at the rate applicable to the predecessor or, if more than one (1) predecessor and the same rate is applicable to both, the rate applicable to the predecessor or predecessors, from the date the acquisition occurred until the end of the then current tax year. If the successor was not an employer prior to the date the acquisition occurred and simultaneously acquires the businesses of two (2) or more employers to whom different rates of unemployment insurance contributions are applicable, it shall pay unemployment insurance contributions from the date of the acquisition until the end of the current tax year at a rate computed on the basis of the combined experience-rating and payroll records of the predecessors as of the computation date for such tax year. In all cases the rate of unemployment insurance contributions applicable to such successor for each succeeding tax year shall be computed on the basis of the combined experience-rating and payroll records of the successor and the predecessor or predecessors.

(ix) The department shall notify each employer quarterly of the benefits paid and charged to his or her experience-rating record; and such notification, in the absence of an application for redetermination filed within thirty (30) days after the date of such notice, shall be final, conclusive and binding upon the employer for all purposes. A redetermination, made after notice and opportunity for a fair hearing, by a hearing officer designated by the department who shall consider and decide these and related applications and protests; and the finding of fact in connection therewith may be introduced into any subsequent administrative or judicial proceedings involving the determination of the rate of unemployment insurance contributions of any employer for any tax year, and shall be entitled to the same finality as is provided in this subsection with respect to the findings of fact in proceedings to redetermine the contribution rate of an employer.

(x) The department shall notify each employer of his or her rate of contribution as determined for any tax year as soon as reasonably possible after September 1 of the preceding year. Such determination shall be final, conclusive and binding upon such employer unless, within thirty (30) days after the date of such notice to his or her last-known address, the employer files with the department an application for review and redetermination of his or her contribution rate, setting forth his or her reasons therefor. If the department grants such review, the employer shall be promptly notified thereof and shall be afforded an opportunity for a fair hearing by a hearing officer designated by the department who shall consider and decide these and related applications and protests; but no employer shall be allowed, in any proceeding involving his or her rate of unemployment insurance contributions or contribution liability, to contest the chargeability to his or her account of any benefits paid in accordance with a determination, redetermination or decision pursuant to Sections 71-5-515 through 71-5-533 except upon the ground that the services on the basis of which such benefits were found to be chargeable did not constitute services performed in employment for him

or her, and then only in the event that he or she was not a party to such determination, redetermination, decision or to any other proceedings provided in this chapter in which the character of such services was determined. The employer shall be promptly notified of the denial of this application or of the redetermination, both of which shall become final unless, within ten (10) days after the date of notice thereof, there shall be an appeal to the department itself. Any such appeal shall be on the record before said designated hearing officer, and the decision of said department shall become final unless, within thirty (30) days after the date of notice thereof to the employer's last-known address, there shall be an appeal to the Circuit Court of the First Judicial District of Hinds County, Mississippi, in accordance with the provisions of law with respect to review of civil causes by certiorari.

(3) Notwithstanding any other provision of law, the following shall apply regarding assignment of rates and transfers of experience:

(a) (i) If an employer transfers its trade or business, or a portion thereof, to another employer and, at the time of the transfer, there is substantially common ownership, management or control of the two (2) employers, then the unemployment experience attributable to the transferred trade or business shall be transferred to the employer to whom such business is so transferred. The rates of both employers shall be recalculated and made effective on January 1 of the year following the year the transfer occurred.

(ii) If, following a transfer of experience under subparagraph (i) of this paragraph (a), the department determines that a substantial purpose of the transfer of trade or business was to obtain a reduced liability of unemployment insurance contributions, then the experience-rating accounts of the employers involved shall be combined into a single account and a single rate assigned to such account.

(b) Whenever a person who is not an employer or an employing unit under this chapter at the time it acquires the trade or business of an employer, the unemployment experience of the acquired business shall not be transferred to such person if the department finds that such person acquired the business solely or primarily for the purpose of obtaining a lower rate of unemployment insurance contributions. Instead, such person shall be assigned the new employer rate under Section 71-5-353, unless assignment of the new employer rate results in an increase of less than two percent (2%), in which case such person would be assigned the new employer rate plus an additional two percent (2%) penalty for the rate year. In determining whether the business was acquired solely or primarily for the purpose of obtaining a lower rate of unemployment insurance contributions, the department shall use objective factors which may include the cost of acquiring the business, whether the person continued the business enterprise of the acquired business, how long such business enterprise was continued, or whether a substantial number of new employees were hired for performance of duties unrelated to the business activity conducted prior to acquisition.

(c) (i) If a person knowingly violates or attempts to violate paragraph (a) or (b) of this subsection or any other provision of this chapter related to determining the assignment of a contribution rate, or if a person knowingly advises another person in a way that results in a violation of such provision, the person shall be subject to the following penalties:

1. If the person is an employer, then such employer shall be assigned the highest rate assignable under this chapter for the rate year during which such violation or attempted violation occurred and the three (3) rate years immediately following this rate year. However, if the person's business is already at such highest rate for any year, or if the amount of increase in the person's rate would be less than two percent (2%) for such year, then the person's tax rate shall be increased by two percent (2%) for such year. The penalty rate will apply to the successor business as well as the related entity from which the employees were transferred in an effort to obtain a lower rate of unemployment insurance contributions.

2. If the person is not an employer, such person shall be subject to a civil money penalty of not more than Five Thousand Dollars (\$5,000.00). Each such transaction for which advice was given and each occurrence or reoccurrence after notification being given by the department shall be a separate offense and punishable by a separate penalty. Any such fine shall be deposited in the penalty and interest account established under Section 71-5-114.

(ii) For purposes of this paragraph (c), the term "knowingly" means having actual knowledge of or acting with deliberate ignorance or reckless disregard for the prohibition involved.

(iii) For purposes of this paragraph (c), the term "violates or attempts to violate" includes, but is not limited to, intent to evade, misrepresentation or willful nondisclosure.

(iv) In addition to the penalty imposed by subparagraph (i) of this paragraph (c), any violation of this subsection may be punishable by a fine of not more than Ten Thousand Dollars (\$10,000.00) or by imprisonment for not more than five (5) years, or by both such fine and imprisonment. This subsection shall prohibit prosecution under any other criminal statute of this state.

(d) The department shall establish procedures to identify the transfer or acquisition of a business for purposes of this subsection.

(e) For purposes of this subsection:

(i) "Person" has the meaning given such term by Section 7701(a)(1) of the Internal Revenue Code of 1986; and

(ii) "Employing unit" has the meaning as set forth in Section 71-5-11.

(f) This subsection shall be interpreted and applied in such a manner as to meet the minimum requirements contained in any guidance or regulations issued by the United States Department of Labor.

SECTION 3. Section 43-17-1, Mississippi Code of 1972, is amended as follows:

43-17-1. (1) The State of Mississippi hereby accepts all of the mandatory provisions and benefits, with the exception of those provisions under which the state may exercise its options, of Title I of an act passed by the Senate and House of Representatives of the United States of America, in Congress assembled, entitled: "The Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (Public Law 104-193)," and known as the Temporary Assistance to Needy Families (TANF) program.

(2) The Department of Human Services shall have all necessary authority to cooperate with the federal government in the administration of Public Law 104-193 and all subsequent federal amendments thereto, to administer any legislation pursuant thereto enacted by the State of Mississippi, and to administer the funds provided by the federal government and the State of Mississippi under the provisions of Section 43-17-1 et seq., for providing temporary assistance for needy families with minor children. The Department of Human Services shall have full authority to formulate state plans consistent with state law as necessary to administer and operate federal grant funds which provide temporary assistance for needy families with minor children under Title IV-A of the federal Social Security Act. The Department of Human Services shall identify in any state plan submitted to implement the TANF program those requirements or restrictions, including persons excluded from program participation which are required under federal law, and those program requirements or restrictions which the federal law authorizes but does not require.

(3) Any funds received by the State of Mississippi under the provisions of Public Law 104-193 shall be subject to appropriation by the Legislature and consistent with the terms and conditions required under such appropriation.

(4) The purpose of the Mississippi Temporary Assistance to Needy Families (TANF) program shall be to:

(a) Provide assistance to needy families so that children may be cared for in their own homes or in the homes of relatives when such care is beneficial and may be monitored on a random basis by the Department of Human Services or the State Department of Health;

(b) End the dependence of needy families on government benefits by promoting job preparation, work and marriage through, among other things, job placement, job training and job retention;

(c) Prevent and reduce the incidence of out-of-wedlock pregnancies and establish annual numerical goals for preventing and reducing the incidence of these pregnancies;

(d) Encourage the formation and maintenance of two-parent families; and

(e) Prevent program fraud and abuse.

(5) The Department of Human Services shall develop outcome and output indicators for each program established under the authority of this section. These measures shall provide legislators and administrators with information which measures the success or failure of the department in implementing the programs implemented under the authority of this section. The department shall annually report to the Legislature the outputs and outcomes of these programs, with the first report due by December 15, 1997. Such reports shall include recommendations for making programs more effective or efficient which can be effected in accordance with federal law.

(6) Assistance may be granted under this chapter to any dependent child and a caretaker relative who are living in a suitable family home meeting the standards of care and health and work requirements fixed by the laws of this state, and the rules and regulations of the State Department of Human Services.

(7) The Department of Human Services shall collaborate with the Office of Workforce Development on TANF programs related to job placement, job training and job retention.

SECTION 4. Section 47-5-541, Mississippi Code of 1972, is amended as follows:

47-5-541. (1) The corporation shall be governed by a board of directors. The board of directors of the nonprofit corporation shall be composed of the following eleven (11) members who shall be appointed by the Governor with the advice and consent of the Senate: one (1) representative of the manufacturing industry, one (1) representative of the agriculture industry, one (1) representative of the banking and finance industry, one (1) representative of the labor industry, one (1) representative from the marketing industry and six (6) members from the state at large. In addition, the State Commissioner of Corrections and the President of Mississippi Delta Community College shall be ex officio members of the board of directors with full voting privileges. In making initial appointments, three (3) members shall be appointed for a term of two (2) years; four (4) members shall be appointed for a term of three (3) years; and four (4) members shall be appointed for a term of four (4) years; to be designated by the Governor at the time of appointment; and all succeeding terms shall be for four (4) years from the expiration date of the previous term. Initial appointments shall be made within thirty (30) days after

passage of Sections 47-5-531 through 47-5-575. Any vacancy shall be filled by the Governor, with the advice and consent of the Senate. The officers of the corporation shall consist of a chairman, vice chairman and a secretary-treasurer. The officers shall be selected by the members of the board. However, the Commissioner of Corrections and the President of Mississippi Delta Community College shall not be eligible to serve as an officer of the corporation.

(2) The board of directors shall select and employ a chief executive officer of the corporation who shall serve at the pleasure of the board. The board shall set the compensation of the chief executive officer. The chief executive officer shall be responsible for the general business and entire operations of the corporation, and shall be responsible for operating the corporation in compliance with the bylaws of the corporation and in compliance with any provision of law. The board shall be authorized and empowered to do only those acts provided by law and by the bylaws of the corporation. #### REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2735: Freestanding emergency room; revise definition to include rural emergency hospital.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 41-75-1, Mississippi Code of 1972, is amended as follows:

41-75-1. For the purpose of this chapter:

(a) "Ambulatory surgical facility" means a publicly or privately owned institution that is primarily organized, constructed, renovated or otherwise established for the purpose of providing elective surgical treatment of "outpatients" whose recovery, under normal and routine circumstances, will not require "inpatient" care. The facility defined in this paragraph does not include the offices of private physicians or dentists, whether practicing individually or in groups, but does include organizations or facilities primarily engaged in that outpatient surgery, whether using the name "ambulatory surgical facility" or a similar or different name. That organization or facility, if in any manner considered to be operated or owned by a hospital or a hospital holding, leasing or management company, either for profit or not for profit, is required to comply with all licensing agency ambulatory surgical licensure standards governing a "hospital affiliated" facility as adopted under Section 41-9-1 et seq., provided that the organization or facility does not intend to seek federal certification as an ambulatory surgical facility as provided for at 42 CFR, Parts 405 and 416. If the organization or facility is to be operated or owned by a hospital or a hospital holding, leasing or management company and intends to seek federal certification as an ambulatory facility, then the facility is considered to be "freestanding" and must comply with all licensing agency ambulatory surgical licensure standards governing a "freestanding" facility.

If the organization or facility is to be owned or operated by an entity or person other than a hospital or hospital holding, leasing or management company, then the organization or facility must comply with all licensing agency ambulatory surgical facility standards governing a "freestanding" facility.

(b) "Hospital affiliated" ambulatory surgical facility means a separate and distinct organized unit of a hospital or a building owned, leased, rented or utilized by a hospital and located in the same county in which the hospital is located, for the primary purpose of performing ambulatory surgery procedures. The facility is not required to be separately licensed under this chapter and may operate under the hospital's license in compliance with all applicable requirements of Section 41-9-1 et seq.

(c) "Freestanding" ambulatory surgical facility means a separate and distinct facility or a separate and distinct organized unit of a hospital owned, leased, rented or utilized by a hospital or other persons for the primary purpose of performing ambulatory surgery procedures. The facility must be separately licensed as defined in this section and must comply with all licensing standards promulgated by the licensing agency under this chapter regarding a "freestanding" ambulatory surgical facility. Further, the facility must be a separate, identifiable entity and must be physically, administratively and financially independent and distinct from other operations of any other health facility, and shall maintain a separate organized medical and administrative staff. Furthermore, once licensed as a "freestanding" ambulatory surgical facility, the facility shall not become a component of any other health facility without securing a certificate of need to do that.

(d) "Ambulatory surgery" means surgical procedures that are more complex than office procedures performed under local anesthesia, but less complex than major procedures requiring prolonged postoperative monitoring and hospital care to ensure safe recovery and desirable results. General anesthesia is used in most cases. The patient must arrive at the facility and expect to be discharged on the same day. Ambulatory surgery shall only be performed by physicians or dentists licensed to practice in the State of Mississippi.

(e) "Abortion" means the use or prescription of any instrument, medicine, drug or any other substances or device to terminate the pregnancy of a woman known to be pregnant with an intention other than to increase the probability of a live birth, to preserve the life or health of the child after live birth or to remove a dead fetus. Abortion procedures after the first trimester shall only be performed at a Level I abortion facility or an ambulatory surgical facility or hospital licensed to perform that service.

(f) "Abortion facility" means a facility operating substantially for the purpose of performing abortions and is a separate identifiable legal entity from any other health care facility. Abortions shall only be performed by physicians licensed to practice in the State of Mississippi. All physicians associated with the abortion facility must have admitting privileges at a local hospital and staff privileges to replace local hospital on-staff physicians. All physicians associated with an abortion facility must be board certified or eligible in obstetrics and gynecology, and a staff member trained in CPR shall always be present at the abortion facility when it is open. The term "abortion facility" includes physicians' offices that are used substantially for the purpose of performing abortions. An abortion facility operates substantially for the purpose of performing abortions if any of the following conditions are met:

(i) The abortion facility is a provider for performing ten (10) or more abortion procedures per calendar month during any month of a calendar year, or one hundred (100) or more in a calendar year.

(ii) The abortion facility, if operating less than twenty (20) days per calendar month, is a provider for performing ten (10) or more abortion procedures, or performing a number of abortion procedures that would be equivalent to ten (10) procedures per month, if the facility were operating twenty (20) or more days per calendar month, in any month of a calendar year.

(iii) The abortion facility holds itself out to the public as an abortion provider by advertising by any public means, such as newspaper, telephone directory, magazine or electronic media, that it performs abortions.

(iv) The facility applies to the licensing agency for licensure as an abortion facility.

(g) "Licensing agency" means the State Department of Health.

(h) "Operating" an abortion facility means that the facility is open for any period of time during a day and has on site at the facility or on call a physician licensed to practice in the State of Mississippi available to provide abortions.

An abortion facility may apply to be licensed as a Level I facility or a Level II facility by the licensing agency. Level II abortion facilities shall be required to meet minimum standards for abortion facilities as established by the licensing agency. Level I abortion facilities shall be required to meet minimum standards for abortion facilities and minimum standards for ambulatory surgical facilities as established by the licensing agency.

Any abortion facility that begins operation after June 30, 1996, shall not be located within one thousand five hundred (1,500) feet from the property on which any church, school or kindergarten is located. An abortion facility shall not be in violation of this paragraph if it is in compliance with this paragraph on the date it begins operation and the property on which a church, school or kindergarten is located within one thousand five hundred (1,500) feet from the facility.

(i) "Freestanding emergency room" is a facility open twenty-four (24) hours a day for the treatment of urgent and emergent medical conditions which is not located on a hospital campus. In order to be eligible for licensure under this chapter, the freestanding emergency room shall be located at least fifteen (15) miles from the nearest

hospital-based emergency room in any rural community where the federal CMMS had previously designated a rural hospital as a critical access hospital and that designation has been revoked.

(j) "Post-acute residential brain injury rehabilitation facility" is a facility containing no more than twelve (12) beds providing medically directed long-term but nonacute rehabilitation to patients who have acquired brain injury. In order to be eligible for licensure under this chapter, the post-acute residential brain injury rehabilitation facility shall be located at least twenty-five (25) miles from the nearest acute care rehabilitation hospital and at least five (5) miles from the boundaries of any municipality having a population of ten thousand (10,000) or more, according to the most recent federal decennial census, at the time that facility is established.

(k) "Pilot freestanding emergency room" is a facility open twenty-four (24) hours a day for the treatment of urgent and emergent medical conditions that is not located on a hospital campus. In order to be eligible for licensure under this chapter, the pilot freestanding emergency room shall be located at least fifteen (15) miles from the nearest hospital-based emergency room in a county without emergency hospital care that is open twenty-four (24) hours a day.

SECTION 2. Section 41-75-13, Mississippi Code of 1972, is amended as follows:

41-75-13. (1) The licensing agency shall adopt, amend, promulgate and enforce rules, regulations and standards, including classifications, with respect to ambulatory surgical facilities and abortion facilities, freestanding emergency rooms and post-acute residential brain injury rehabilitation facilities licensed, or which may be licensed, to further the accomplishment of the purpose of this chapter in protecting and promoting the health, safety and welfare of the public by ensuring adequate care of individuals receiving services from such facilities. The licensing agency also shall adopt, amend, promulgate and enforce rules, regulations and standards with respect to the enforcement of the informed consent requirements of Sections 41-41-31 through 41-41-39 at abortion facilities. Such rules, regulations and standards for freestanding emergency rooms shall include a patient transfer policy under which the freestanding emergency room enters into an agreement with a general hospital for a protocol for patient transfers. Such rules, regulations and standards shall be adopted and promulgated by the licensing agency in accordance with the provisions of Section 25-43-1 et seq., and shall be recorded and indexed in a book to be maintained by the licensing agency in its main office in the State of Mississippi, entitled "Rules and Regulations for Operation of Ambulatory Surgical Facilities and Abortion Facilities, Freestanding Emergency Room Facilities and Post-Acute Residential Brain Injury Rehabilitation Facilities." The book shall be open and available to all ambulatory surgical facilities and abortion facilities, freestanding emergency rooms and post-acute residential brain injury rehabilitation facilities and the public during regular business hours.

(2) The licensing agency shall not issue licenses for more than five (5) pilot freestanding emergency rooms. The licensing agency shall adopt criteria for determining which applicants will have priority for receiving a license if there are more than five (5) applications for pilot freestanding emergency room licenses.

SECTION 3. This act shall take effect and be in force from and after July 1, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 41-75-1, MISSISSIPPI CODE OF 1972, TO CREATE A DEFINITION FOR PILOT FREESTANDING EMERGENCY ROOMS FOR THE PURPOSE OF LICENSURE; TO AMEND SECTION 41-75-13, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT THE STATE DEPARTMENT OF HEALTH SHALL NOT

#### REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 881: University-based programs of education for children with developmental disabilities; revise certain provisions.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 37-23-31, Mississippi Code of 1972, is amended as follows:

37-23-31. (1) (a) When five (5) or more children under twenty-one (21) years of age who, because of \*\*\* significant developmental disabilities, complex communication needs, significant language or learning deficits or any combination of either, are unable to have their educational needs met appropriately in a regular or special education public school program \*\*\* within their local public school districts, a state-supported university or college shall be authorized and empowered, in its discretion, to provide a program of education, instruction and training to such children, provided that such program shall operate under rules, regulations, policies and standards adopted by the State Department of Education, as provided for in Section 37-23-33. The opinion of a parent or guardian in regard to the provision of an appropriate special education program in or by their respective local public school district shall be considered before a placement decision is finalized. Parents of students enrolled in a local education agency (LEA) shall have any and all rights as provided in the Individuals with Disabilities Education Act, including, but not limited to, the right to equal participation in their child's Individualized Education Program (IEP), the right to require review of their child's IEP, and the right to appeal an IEP Committee decision immediately. The parent or guardian or local educational agency shall have the right to audio record the proceedings of individualized education program team meetings. The parent or guardian or local educational agency shall notify the members of the individualized education program team of his, her, or its intent to audio record a meeting at least twenty-four (24) hours prior to the meeting.

(b) Instructors, including speech-language pathologists, educational audiologists and special and early childhood educators are qualified and empowered to serve as the lead teacher for children enrolled within the state-supported university's or college's university-based program (UBP) through the IDEA-Part C and IDEA-Part B eligibility and placement process upon completing instructional licensure requirements for the purposes of funding MAEP special education teacher units.

(c) Due to the significance of the needs of the children served through the UBP, general education setting requirements may not be applicable as the least restrictive environment. Students enrolled in a UBP by a LEA shall meet all state educational requirements, including participation in statewide assessments. Justification for placement decisions is determined in conjunction with the LEA through each child's IEP for ages three (3) to twenty-one (21). The UBP shall submit to the local education agency and the parents of the student in the program a progress report each semester on all IEP goals and objectives. The UBP and local education agency shall confer annually to develop the IEP for each student enrolled in the UBP.

(2) Any state-supported university or college conducting a full-time medical teaching program acceptable to the State Board of Education may, at its discretion, enter into such contracts or agreements with any private school or nonprofit corporation-supported institution, the Mississippi School for the Deaf, or any state-supported institution, providing the special education contemplated by this section for such services, provided the private school or institution offering such services shall have conducted a program of such services at standards acceptable to the State Department of Education for a period of at least one (1) year prior to the date at which the university or college proposes to enter into an agreement or contract for special educational services as described above.

SECTION 2. Section 37-23-33, Mississippi Code of 1972, is amended as follows:

37-23-33. (1) Such program of education, instruction and training as is provided for in Section 37-23-31 shall be furnished in such manner as shall be provided by rules and regulations adopted by the State Board of Education, which for such purposes shall have the full power to adopt such rules, regulations, policies and standards as it may deem necessary to carry out the purpose of Sections 37-23-31 through 37-23-35, including the establishment of qualifications \*\*\* consistent with the requirements of subsection (2) of this section for any teachers employed under the provisions thereof. It

is expressly provided, however, that no program of education, instruction and training shall be furnished except in a university or college supported by the State of Mississippi and only in cases where such university or college shall consent thereto and shall provide any classroom space, furniture and facilities which may be deemed necessary in carrying out the provisions of those sections.

(2) Speech-language pathologists, educational audiologists, and special and early childhood educators are qualified and authorized to serve as the lead teacher for children enrolled in a university or college-based program through the IDEA-Part C and IDEA-Part B eligibility and placement process. Whenever communication is a primary area of concern on a child's Individualized Family Service Plan (IFSP) or Individualized Education Program (IEP), a speech-language pathologist or educational audiologist may serve as the lead instructor with an educator serving as a related service provider as necessary to meet the educational needs of the child. Speech-language pathologists and educational audiologists must undergo extensive college coursework in communication-based disorders impacting multiple areas of development, including cognition. The content of the college coursework must include typical and atypical development for ages birth through death. In addition to completing the college coursework, these instructional providers must meet all instructional licensure requirements as set forth by the State Department of Education for the purpose of funding MAEP special education teacher units.

(3) The State Department of Education through its general supervision responsibilities set forth by the Office of Special Education Programs at the United States Department of Education, shall require that the program of education, instruction and training be designed to provide individualized appropriate special education and related services that enable a child to reach his or her appropriate and uniquely designed goals for success.

(4) A university- or college-based program must submit all reports and data required by the State Department of Education on the same or similar time schedule and in the same or similar manner that same or similar reports and data must be submitted to the department by local educational agencies.

SECTION 3. Section 37-23-35, Mississippi Code of 1972, is amended as follows:

37-23-35. (1) When any children who are residents of the State of Mississippi and qualify under the provisions of Section 37-23-31, \* \* \* are provided a program of education, instruction and training within a school under the provisions of \* \* \* Section 37-23-31, the State Department of Education shall allocate one (1) teacher unit for each approved class. The allocation of funds for each teacher unit shall be based on the teacher's certification and shall be in accordance with \* \* \* Section 37-19-7. The department shall complete provisional teacher unit approval for university or college-based programs at the same time teacher units are approved for local educational agencies. The university or college shall be eligible for state and federal funds for such programs \* \* \* in accordance with IDEA. The university or college shall be responsible for providing for the additional costs of the program.

(2) IDEA-Part B and preschool allocations for each LEA shall be determined and calculated by the State Department of Education with notification provided to the UBP of the total amount of funds being distributed to the LEA. The LEA and UBP shall enter into a collaborative agreement that describes the services provided and the funds required for such services.

(3) State funds for transportation, extended school year and teacher unit allocations, including National Board Certification/Speech-Language Pathology Supplements, shall be distributed by the State Department of Education directly to the state-supported university or college for students placed either through the Individualized

Education Program (IEP) process or who are parentally placed. The university based program (UBP) shall submit this information directly to the State Department of Education.

SECTION 4. This act shall take effect and be in force from and after July 1, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 37-23-31, MISSISSIPPI CODE OF 1972, TO AUTHORIZE STUDENTS WITH SIGNIFICANT DEVELOPMENTAL DISABILITIES, COMPLEX COMMUNICATION NEEDS, SIGNIFICANT LANGUAGE OR LEARNING DEFICITS, WHO ARE UNABLE TO SUFFICIENTLY HAVE THEIR EDUCATIONAL NEEDS MET WITHIN THEIR PUBLIC SCHOOL'S REGULAR OR SPECIAL EDUCATION PROGRAM, TO RECEIVE EDUCATIONAL INSTRUCTION, TRAINING AND SPECIAL EDUCATION SERVICES FROM A STATE-SUPPORTED UNIVERSITY OR COLLEGE AUTHORIZED BY THE STATE DEPARTMENT OF EDUCATION TO PROVIDE SUCH INSTRUCTION AND TRAINING; TO AUTHORIZE QUALIFIED INSTRUCTORS WHO HOLD THE APPROPRIATE LICENSURE ENDORSEMENTS TO SERVE AS THE LEAD TEACHER FOR CHILDREN ENROLLED WITHIN THE UNIVERSITY BASED PROGRAM (UBP) THROUGH THE IDEA-PART C AND IDEA-PART B ELIGIBILITY AND PLACEMENT PROCESS; TO PROVIDE THAT THE JUSTIFICATION FOR THE PLACEMENT OF EXCEPTIONAL STUDENTS AGES 3 TO 21 IS DETERMINED IN CONJUNCTION WITH THE LOCAL EDUCATION AGENCY THROUGH THE STUDENT'S IEP; TO AMEND SECTION 37-23-33, MISSISSIPPI CODE OF 1972, TO AUTHORIZE SPEECH-LANGUAGE PATHOLOGISTS, EDUCATIONAL AUDIOLOGISTS AND SPECIAL AND EARLY CHILDHOOD EDUCATORS WHO MEET CERTAIN QUALIFICATIONS TO SERVE AS A LEAD TEACHER IN A UNIVERSITY-BASED PROGRAM; TO REQUIRE UNIVERSITY-BASED PROGRAMS TO SUBMIT REPORTS TO THE STATE DEPARTMENT OF EDUCATION AT THE SAME TIME THAT SUCH REPORTS ARE SUBMITTED BY LOCAL EDUCATION AGENCIES; TO AMEND SECTION 37-23-35, MISSISSIPPI CODE OF 1972, TO REQUIRE IDEA-PART B AND PRESCHOOL ALLOCATIONS FOR EACH LOCAL EDUCATION AGENCY TO BE CALCULATED BY THE STATE DEPARTMENT OF EDUCATION; TO REQUIRE A COLLABORATIVE AGREEMENT BETWEEN THE LOCAL EDUCATION AGENCY AND THE UBP; TO REQUIRE THE DEPARTMENT TO DISTRIBUTE ALL NECESSARY STATE FUNDS DIRECTLY TO THE STATE-SUPPORTED UNIVERSITY OR COLLEGE; AND FOR RELATED PURPOSES.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2887: School Boards; allow to purchase electric vehicles for student transportation.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 37-41-81, Mississippi Code of 1972, is amended as follows:

37-41-81. The local school boards of this state are hereby authorized and empowered to purchase, own and operate, under such rules and regulations as may be prescribed by the State Board of Education, motor vehicles, electric vehicles and other equipment for the transportation of children to and from the public schools of the respective counties and school districts, and to provide for the servicing, repair, care and maintenance of such county or district-owned motor vehicles and to employ drivers for the operation thereof, and to establish, erect and equip school bus shops or garages, and purchase land therefor, all under such rules and regulations as may be prescribed by the State Board of Education.

SECTION 2. Section 37-41-83, Mississippi Code of 1972, is brought forward as follows:

37-41-83. The school boards are authorized and empowered to expend the necessary amounts from the available transportation funds of the school district for the purchase of such transportation equipment, the servicing, repair and maintenance thereof and for the payment of the salaries of persons employed to drive or operate such transportation equipment, and to establish, erect and equip school bus shops or garages, and purchase land therefor.

SECTION 3. Section 37-41-85, Mississippi Code of 1972, is brought forward as follows:

37-41-85. No school board shall purchase any school bus or pupil transportation service vehicle as authorized by Section 37-41-81 except in the manner prescribed in Section 37-41-101. No school bus shall be purchased or otherwise acquired which does not conform to the specifications provided by the State Board of Education.

SECTION 4. Section 37-41-101, Mississippi Code of 1972, is brought forward as follows:

37-41-101. (1) The State Board of Education is hereby authorized, empowered and directed to advertise for and receive sealed bids and proposals for sale of school bus bodies and school buses sold as complete units to the school boards of school districts in this state. The State Board of Education shall approve persons, firms, corporations or associations authorized to sell school bus bodies and school buses sold as complete units, and shall establish prices relative thereto based upon the lowest and best bids, which school districts may not exceed in purchasing such equipment. In determining the lowest and best bids received for such equipment, there shall be included as part of the total cost thereof any transportation or freight charges which will be incurred. The State Board of Education may permit all such bidders to sell said equipment provided that the bidders agree to sell the equipment at prices established based upon the lowest and best bid and in compliance with rules and regulations relative thereto promulgated by the state board. Persons, firms, corporations or associations permitted to sell school bus bodies and school buses sold as complete units shall be limited to those actually submitting bids for consideration by the State Board of Education. The State Board of Education shall reserve the right to reject any and all bids submitted.

(2) School boards may purchase school bus bodies and school buses sold as complete units without additional advertisement for bids, provided that the prices for such equipment do not exceed the maximum allowable prices established under the provisions of subsection (1) of this section, and that said purchases are in compliance with the conditions specified therein. All such purchases shall be subject to the approval of the State Department of Education, which shall verify compliance with the applicable specifications, rules and regulations promulgated by the State Board of Education.

(3) In addition to the method of purchasing authorized under this section, school boards are hereby authorized to advertise for and accept the lowest and best bid received for the purchase of school bus chassis and/or pupil transportation service vehicles. Provided, however, that local school governing boards may purchase school bus chassis and/or pupil transportation service vehicles from any motor vehicle dealer domiciled within the county of such governing board, whose bid does not exceed a sum equal to three percent (3%) greater than the price or cost which the dealer pays the manufacturer, as evidenced by the factory invoice for such vehicles. In the event said county does not have an authorized motor vehicle dealer, said board may, in like manner, receive and accept bids from motor vehicle dealers in any adjoining county. No purchase of school bus chassis or service vehicles under the provisions of this subsection shall be valid unless the purchase is made according to statutory bidding and licensing requirements. All purchases under provisions of this subsection shall be subject to the approval of the State Department of Education, which shall verify compliance with the applicable specifications, rules and regulations promulgated by the State Board of Education.

(4) Upon application to and approval by the State Department of Education, school governing boards are hereby authorized to purchase used school buses and used pupil transportation service vehicles, provided that said vehicles meet applicable specifications and the purchase price does not exceed their fair market value. Said fair market value shall be determined by an appraisal by three (3) experienced and impartial citizens, the selection of whom shall be mutually agreed upon by the parties thereto. Said appraisers may be subject to approval by the State Department of Education. Maximum regard for pupil safety and adequate protection of health shall be primary requirements which shall be observed by local school governing boards in purchasing used school buses. The State Department of Education may inspect or have inspected any used school bus prior to purchase to determine whether said bus meets requirements of law and regulations of the state board.

(5) In the event the school board shall have determined that school buses or pupil transportation service vehicles are no longer needed for the transportation of pupils in such school district, such equipment may be sold to another school district without the necessity of advertising for bids. The school district proposing to sell the buses or service

vehicles and the school district proposing to purchase such equipment shall agree upon a fair and reasonable price therefor. The agreement shall be spread upon the minutes of the boards of the respective school districts and shall be subject to the prior approval of the State Department of Education, which shall verify compliance with applicable specifications, rules and regulations of the State Board of Education.

SECTION 5. This act shall take effect and be in force from and after July 1, 2022.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 37-41-81, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT SCHOOL BOARDS MAY PURCHASE, OWN AND OPERATE ELECTRIC VEHICLES FOR THE TRANSPORTATION OF CHILDREN TO AND FROM PUBLIC SCHOOLS; TO BRING FORWARD SECTIONS 37-41-83, 37-41-85 AND 37-41-101, MISSISSIPPI CODE OF 1972, WHICH ALLOW FOR THE PURCHASE OF SCHOOL TRANSPORTATION VEHICLES AND EQUIPMENT, FOR THE PURPOSE OF POSSIBLE AMENDMENT; AND FOR RELATED PURPOSES.

## REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1029: Mississippi Broadband Accessibility Act; create.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. This act shall be known and may be cited as the "Broadband Expansion and Accessibility of Mississippi (BEAM) Act."

SECTION 2. As used in this act:

(a) "Applicant" means an eligible broadband service provider that has authorization to do business in this state and has demonstrated that it has the technical, financial and managerial resources and experience to provide broadband services in the state to retail end users.

(b) "Broadband service" means a mass-market retail service by wire, cable, fiber, or radio provided to customers in the State of Mississippi that provides the capability to transmit data to, and receive data from, all or substantially all Internet endpoints, at speeds of at least one hundred (100) megabits per second downstream and twenty (20) megabits per second upstream, and including, but not limited to, any capabilities that are incidental to and enable the operation of communications service, but excluding dial-up Internet access service.

(c) "Office" means the Office of Broadband Expansion and Accessibility of Mississippi (BEAM) within the Department of Finance and Administration created in Section 3 of this act.

(d) "Deployed" means, with respect to availability of broadband service at a location, when the person or entity has access regardless of whether a person or entity subscribes to the broadband service at the location.

(e) "Eligible broadband service provider" means any company, firm, corporation, limited liability company, partnership or association (i) that has been providing broadband service to at least one hundred (100) residences and businesses in Mississippi for at least three (3) consecutive years; (ii) is an electric power association's broadband affiliate operating pursuant to Section 77-17-1 et seq.; or (iii) that has demonstrated financial, technical, and operational capability in building and operating a broadband network.

(f) "Eligible project" means a discrete and specific project located in an unserved or underserved area of the state seeking to provide broadband services to residences, businesses, and community institutions not currently available for service in accordance with the applicable federal guidelines.

(g) "Shapefile" means a digital storage format containing geospatial or location-based data and attribute information regarding the availability of broadband Internet access service, and that can be viewed, edited, and mapped in geographic information system software.

SECTION 3. There is created an Office of Broadband Expansion and Accessibility of Mississippi (BEAM) within the Department of Finance and Administration for the purpose of making determinations and awards from applications for projects to provide broadband service in unserved or underserved areas using the Broadband Expansion

and Accessibility of Mississippi (BEAM) Fund created pursuant to this act. The Executive Director of the Department of Finance and Administration shall hire a Director of BEAM to administer the office.

SECTION 4. (1) The Office of Broadband Expansion and Accessibility of Mississippi (BEAM) shall serve as the state broadband office to review applications and make determinations and awards for projects to provide broadband access in unserved or underserved areas using the BEAM Fund created pursuant to this act.

(2) It shall be the duty and responsibility of BEAM to:

(a) Coordinate all broadband expansion and accessibility efforts on behalf of the state to ensure an effective and efficient use of broadband grant funds;

(b) Develop the plan and application for federal grant programs and for sub-grantees to receive funds from said federal grants;

(c) Develop rules and procedures, if necessary and in accordance with the Administrative Procedures Act, to implement a competitive statewide broadband grant program;

(d) Coordinate all information provided by broadband service providers, including all broadband mapping efforts for the state. All information provided by a broadband service provider pursuant to this act shall be presumed to be confidential, proprietary, and subject to exemption from disclosure under state and federal law and shall not be subject to disclosure except in the form of a map where information that could be used to determine provider-specific information about the network of the broadband service providers is not disclosed. Such provider-specific information shall not be released to any person without written permission of the submitting broadband service provider. In no instance shall a broadband service provider be required to provide any data beyond that which it is required to provide to the Federal Communications Commission pursuant to 47 USC Section 641 et seq.; and

(e) Apply for and receive federal grants or funds, including, but not limited to, Coronavirus Capital Projects Fund established by Section 604 of the Social Security Act, as added by Section 9901 of the American Rescue Plan Act of 2021, and the Broadband Equity, Access and Deployment Program established by the Infrastructure Investment and Jobs Act of 2021, and all other federal broadband grant programs and any state support grant programs.

(3) To effectuate the purposes of this act, any department, division, board, bureau, committee, institution or agency of the state, or any political subdivision thereof, shall, at the request of the Director of BEAM, provide the assistance, information and data needed to enable BEAM to carry out its duties.

(4) There is created within the State Treasury the "Broadband Expansion and Accessibility of Mississippi (BEAM) Fund" for the purposes of the expansion and accessibility of broadband in unserved and underserved areas. The fund shall consist of all monies designated, accepted or appropriated by the State of Mississippi for broadband deployment; all monies received from the federal government awarded to or allocated by the state for broadband deployment; and donations, gifts and monies received from any other source, including transfers from other funds or accounts. Disbursements from the fund shall be made by the Department of Finance and Administration upon appropriation by the Legislature in accordance with the provisions of this act. All unexpended and unencumbered monies in the fund at the end of the fiscal year shall remain in the fund. Monies in the fund shall be invested by the State Treasurer in the same manner as monies in the State General Fund and interest earned on the investment of these monies shall be credited to the fund.

SECTION 5. In making determinations and awards, the Office of Broadband Expansion and Accessibility of Mississippi (BEAM) shall consider the following:

(a) Funds for the grant programs shall only be used by applicants for projects that exclusively extend broadband service into unserved or underserved areas in this state; and

(b) Funds from federal broadband grant programs shall be spent in accordance with federal laws, rules, regulations and guidance, and federal laws, rules, regulations and guidance shall supersede in any instance where this act conflicts.

SECTION 6. The criteria for determining the awarding of funds shall include the following:

(a) The applicant's experience and financial wherewithal to deploy, operate and manage the proposed project and broadband service offerings, including evidence of the applicant's successful operations of broadband services to retail end users;

(b) The readiness to build, operate and maintain the project;

(c) Projects that will deploy broadband service to the most unserved or underserved areas;

(d) The scalability of the proposed project network to support the deployment of higher broadband speeds over time;

(e) The likelihood that the unserved or underserved area will not be served with broadband service without such state or federal grant funding;

(f) The applicant's ability to demonstrate the community's support for the project and a collaborated plan to leverage broadband services for community needs and economic development, such as rural development, education, tourism, new investment, or business attraction or retention;

(g) A preference for those applications seeking to deploy and provide broadband services to areas in which there is currently no fixed terrestrial Internet access service available;

(h) No discrimination or preference to applications on the basis of the type of technology proposed by any applicant to be used to provide broadband services so long as the technology proposed meets the federal guidelines;

(i) The size and scope of the unserved or underserved area to be deployed;  
and

(j) The broadband service speed thresholds proposed in the application and the scalability of the broadband service network infrastructure proposed to be deployed to provide broadband service to households and businesses.

SECTION 7. In accordance with federal laws, rules, regulations and guidance, the Office of Broadband Expansion and Accessibility of Mississippi (BEAM) shall establish and publish on its website its criteria for competitively scoring applications.

SECTION 8. (1) An applicant for funding under this act shall provide the following information at a minimum on the application:

(a) The location of the project by use of a shapefile;

(b) The type and amount of broadband infrastructure to be deployed for the project, including the amount the applicant intends to invest in the project from private funds;

(c) Evidence regarding the unserved or underserved nature of the community in which the project is to be located;

(d) The number of households that will have access to broadband service as a result of the project, or whose Internet access service will be upgraded to broadband service as a result of the project;

(e) The significant community institutions that will benefit from the proposed project;

(f) Evidence of community support for the project with a narrative on the impact that the investment will have on community and economic development efforts in the area;

(g) The total cost of the project and a detailed budget and schedule for the project, including the submission of a business plan that provides for the use of funds provided under this act. Funds shall not be used to support the operational expenses of the network or to subsidize any other service provided by the applicant; and

(h) The broadband service provider's experience and financial capabilities.

(2) After scoring and considering all applications, the Office of Broadband Expansion and Accessibility of Mississippi (BEAM) shall make its preliminary determinations. Within thirty (30) days after the preliminary determinations have been made, BEAM shall publish on its website the applications, the proposed geographic broadband service area illustrated by a shapefile, and the proposed broadband service speeds for each application that receives a preliminary determination.

(3) Within thirty (30) days from the date the preliminary determinations are published on BEAM's website, BEAM shall accept comments or objections concerning each application and investigate each of them as appropriate. BEAM shall consider all comments and objections received and the investigative findings in determining whether an applicant is eligible for a final determination and award.

(4) BEAM shall not make a final determination and award to an applicant if verifiable information is made available that shows the proposed project includes an area where broadband services currently are deployed, or where construction of a network to deploy broadband service is underway by a provider other than the applicant, and the construction is scheduled to be completed within one (1) year after the date of the application.

(5) An applicant's or challenging party's trade secrets, financial information and proprietary information submitted under this act as part of an application or challenge are exempt from disclosure under the Mississippi Public Records Act, Section 25-61-1 et seq.

(6) Any contractor deploying broadband infrastructure for a project that has been awarded grant monies by BEAM is encouraged to use Mississippi employment to the fullest extent possible.

SECTION 9. (1) Before the distribution of any grant monies from the BEAM Fund, BEAM shall notify the Lieutenant Governor, the Speaker of the House of Representatives and the Legislative Budget Office of the planned distribution.

(2) BEAM may employ the services of such persons as the Director of BEAM considers necessary for the purposes of consultation or investigation and fix the salaries

of or contract for the services of such legal, professional, technical and operational personnel and consultants, subject to applicable provisions of the State Personnel Board. Additional legal assistance may be retained in accordance with this subsection (2) only with the approval of the Attorney General.

(3) BEAM shall provide to the Legislature an annual detailed report on the status and details of all projects considered and approved under this act no later than December 15 of each year.

SECTION 10. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO CREATE THE BROADBAND EXPANSION AND ACCESSIBILITY OF MISSISSIPPI (BEAM) ACT; TO DEFINE TERMS USED IN THE ACT; TO CREATE THE OFFICE OF BROADBAND EXPANSION AND ACCESSIBILITY OF MISSISSIPPI WITHIN THE DEPARTMENT OF FINANCE AND ADMINISTRATION; TO DESIGNATE THE OFFICE AS THE STATE BROADBAND OFFICE TO REVIEW APPLICATIONS FOR FUNDING BROADBAND INFRASTRUCTURE PROJECTS USING FEDERAL AND STATE FUNDS; TO PROVIDE THAT THE OFFICE SHALL CONSIDER CERTAIN FACTORS IN MAKING ITS DETERMINATIONS AND AWARDS; TO REQUIRE THE OFFICE TO ESTABLISH AND PUBLISH ON ITS WEBSITE ITS CRITERIA FOR COMPETITIVELY SCORING APPLICATIONS; TO REQUIRE AN APPLICANT TO PROVIDE CERTAIN INFORMATION AT A MINIMUM ON THE APPLICATION; TO REQUIRE THE OFFICE TO MAKE PRELIMINARY DETERMINATIONS, FINAL DETERMINATIONS AND AWARDS AFTER CERTAIN INVESTIGATIONS; TO REQUIRE THE OFFICE TO ACCEPT COMMENTS AND OBJECTIONS CONCERNING EACH PRELIMINARY DETERMINATION AND INVESTIGATE THEM AS APPROPRIATE; AND FOR RELATED PURPOSES.

## EXPLANATION

H.B. 606-Statement of vote by Senator Wiggins

I voted "present" on the conference report vote along with a number of other Senators. My concerns have always been about the accountability of state funds, issues raised by the Senate debate before and after re-commitment. This is one of the highest responsibilities I have as a long serving Appropriations member. Changes made upon recommitting did make things better. But, I also understand other states have benefitted from the drawdown of funds for conservation which is a worthy state interest. The bill did pass and by voting present I helped in assuring that.

Senator Blackwell offered the following report of the Conference Committee on **H. B. No. 657** (version 2) and moved that the Report do be adopted:

## REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 657: Medicaid; delete freeze on provider reimbursement rates and provide for prior review of certain actions by the division.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.

2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 43-13-117, Mississippi Code of 1972, is amended as follows:

[Through June 30, 2022, this section shall read as follows:]

(A) Medicaid as authorized by this article shall include payment of part or all of the costs, at the discretion of the division, with approval of the Governor and the Centers for Medicare and Medicaid Services, of the following types of care and services rendered to eligible applicants who have been determined to be eligible for that care and services, within the limits of state appropriations and federal matching funds:

(1) Inpatient hospital services.

(a) The division is authorized to implement an All Patient Refined Diagnosis Related Groups (APR-DRG) reimbursement methodology for inpatient hospital services.

(b) No service benefits or reimbursement limitations in this subsection (A)(1) shall apply to payments under an APR-DRG or Ambulatory Payment Classification (APC) model or a managed care program or similar model described in subsection (H) of this section unless specifically authorized by the division.

(a) Emergency services.

(b) Other outpatient hospital services. The division shall allow benefits for other medically necessary outpatient hospital services (such as chemotherapy, radiation, surgery and therapy), including outpatient services in a clinic or other facility that is not located inside the hospital, but that has been designated as an outpatient facility by the hospital, and that was in operation or under construction on July 1, 2009, provided that the costs and charges associated with the operation of the hospital clinic are included in the hospital's cost report. In addition, the Medicare thirty-five-mile rule will apply to those hospital clinics not located inside the hospital that are constructed after July 1, 2009. Where the same services are reimbursed as clinic services, the division may revise the rate or methodology of outpatient reimbursement to maintain consistency, efficiency, economy and quality of care.

(c) The division is authorized to implement an Ambulatory Payment Classification (APC) methodology for outpatient hospital services. The division shall give rural hospitals that have fifty (50) or fewer licensed beds the option to not be reimbursed for outpatient hospital services using the APC methodology, but reimbursement for outpatient hospital services provided by those hospitals shall be based on one hundred one percent (101%) of the rate established under Medicare for outpatient hospital services. Those hospitals choosing to not be reimbursed under the APC methodology shall remain under cost-based reimbursement for a two-year period.

(d) No service benefits or reimbursement limitations in this subsection (A)(2) shall apply to payments under an APR-DRG or APC model or a managed care program or similar model described in subsection (H) of this section unless specifically authorized by the division.

Any such case-mix add-on payment shall be supported by a determination of additional cost. The division shall also develop and implement as part of the fair rental reimbursement system for nursing facility beds, an Alzheimer's resident bed depreciation enhanced reimbursement system that will provide an incentive to encourage nursing facilities to convert or construct beds for residents with Alzheimer's or other related dementia.

(f) The division shall develop and implement an assessment process for long-term care services. The division may provide the assessment and related functions directly or through contract with the area agencies on aging.

The division shall apply for necessary federal waivers to assure that additional services providing alternatives to nursing facility care are made available to applicants for nursing facility care.

The division, in obtaining physical therapy services, occupational therapy services, and services for individuals with speech, hearing and language disorders, may enter into a cooperative agreement with the State Department of Education for the provision of those services to handicapped students by public school districts using state funds that are provided from the appropriation to the Department of Education to obtain federal matching funds through the division. The division, in obtaining medical and mental health assessments, treatment, care and services for children who are in, or at risk of being put in, the custody of the Mississippi Department of Human Services may enter into a cooperative agreement with the Mississippi Department of

The division shall increase the amount of the reimbursement rate for diagnostic and preventative dental services for each of the fiscal years 2022, 2023 and 2024 by five percent (5%) above the amount of the reimbursement rate for the previous fiscal year. It is the intent of the Legislature that the reimbursement rate revision for preventative dental services will be an incentive to increase the number of dentists who actively provide

Medicaid services. This dental services reimbursement rate revision shall be known as the "James Russell Dumas Medicaid Dental Services Incentive Program."

The Medical Care Advisory Committee, assisted by the Division of Medicaid, shall annually determine the effect of this incentive by evaluating the number of dentists who are Medicaid providers, the number who and the degree to which they are actively billing Medicaid, the geographic trends of where dentists are offering what types of Medicaid services and other statistics pertinent to the goals of this legislative intent. This data shall annually be presented to the Chair of the Senate Medicaid Committee and the Chair of the House Medicaid Committee.

(18) (a) Notwithstanding any other provision of this section to the contrary, as provided in the Medicaid state plan amendment or amendments as defined in Section 43-13-145(10), the division shall make additional reimbursement to hospitals that serve a disproportionate share of low-income patients and that meet the federal requirements for those payments as provided in Section 1923 of the federal Social Security Act and any applicable regulations. It is the intent of the Legislature that the division shall draw down all available federal funds allotted to the state for disproportionate share hospitals. However, from and after January 1, 1999, public hospitals participating in the Medicaid disproportionate share program may be required to participate in an intergovernmental transfer program as provided in Section 1903 of the federal Social Security Act and any applicable regulations.

(b) (i) The division may establish a Medicare Upper Payment Limits Program, as defined in Section 1902(a)(30) of the federal Social Security Act and any applicable federal regulations, or an allowable delivery system or provider payment initiative authorized under 42 CFR 438.6(c), for hospitals, nursing facilities, physicians employed or contracted by hospitals, and emergency ambulance transportation providers.

(ii) The division shall assess each hospital, nursing facility, and emergency ambulance transportation provider for the sole purpose of financing the state portion of the Medicare Upper Payment Limits Program or other program(s) authorized under this subsection (A)(18)(b). The hospital assessment shall be as provided in Section 43-13-145(4)(a), and the nursing facility and the emergency ambulance transportation assessments, if established, shall be based on Medicaid utilization or other appropriate method, as determined by the division, consistent with federal regulations. The assessments will remain in effect as long as the state participates in the Medicare Upper Payment Limits Program or other program(s) authorized under this subsection (A)(18)(b). In addition to the hospital assessment provided in Section 43-13-145(4)(a), hospitals with physicians participating in the Medicare Upper Payment Limits Program or other program(s) authorized under this subsection (A)(18)(b) shall be required to participate in an intergovernmental transfer or assessment, as determined by the division, for the purpose of financing the state portion of the physician UPL payments or other payment(s) authorized under this subsection (A)(18)(b).

However, the division is authorized to develop and implement an alternative fee-for-service Upper Payment Limits model in accordance with federal laws and regulations if necessary to preserve supplemental funding. Further, the division, in consultation with the hospital industry shall develop alternative models for distribution of medical claims and supplemental payments for inpatient and outpatient hospital services, and such models may include, but shall not be limited to the following: increasing rates for inpatient and outpatient services; creating a low-income utilization pool of funds to reimburse hospitals for the costs of uncompensated care, charity care and bad debts as permitted and approved pursuant to federal regulations and the Centers for Medicare and Medicaid Services; supplemental payments based upon Medicaid utilization, quality, service lines and/or costs of providing such services to Medicaid beneficiaries and to uninsured patients. The goals of such payment models shall be to ensure access to inpatient and outpatient care and to maximize any federal funds that are available to reimburse hospitals for services provided. Any such documents required to achieve the goals described in this paragraph shall be submitted to the Centers for Medicare and Medicaid Services, with a proposed effective date of July 1, 2019, to the extent possible, but in no event shall the effective date of such payment models be later than July 1, 2020. The Chairmen of the Senate and House Medicaid Committees shall be provided a copy of the proposed payment model(s) prior to submission. Effective July 1, 2018, and until such time as any payment model(s) as described above become effective, the division, in consultation with the hospital industry, is authorized to implement a transitional program for inpatient and outpatient payments and/or supplemental payments (including, but not limited to, MHAP and directed payments), to redistribute available supplemental funds among hospital providers, provided that when compared to a hospital's prior year supplemental payments, supplemental payments made pursuant to any such transitional program shall not result in a decrease of more than five percent (5%) and shall not increase by more than the amount needed to maximize the distribution of the available funds.

(c) (i) Not later than December 1, 2015, the division shall, subject to approval by the Centers for Medicare and Medicaid Services (CMS), establish, implement and operate a Mississippi Hospital Access Program (MHAP) for the purpose of protecting patient access to hospital care through hospital inpatient reimbursement programs provided in this section designed to maintain total hospital reimbursement for inpatient services rendered by in-state hospitals and the out-of-state hospital that is authorized by federal law to submit intergovernmental transfers (IGTs) to the State of Mississippi and is classified as Level I trauma center located in a county contiguous to the state line at the maximum levels permissible under applicable federal statutes and regulations, at which time the current inpatient Medicare Upper Payment Limits (UPL) Program for hospital inpatient services shall transition to the MHAP.

(ii) Subject to approval by the Centers for Medicare and Medicaid Services (CMS), the MHAP shall provide increased inpatient capitation (PMPM) payments to managed care entities contracting with the division pursuant to subsection (H) of this section to support availability of hospital services or such other payments permissible under federal law necessary to accomplish the intent of this subsection.

(iii) The intent of this subparagraph (c) is that effective for all inpatient hospital Medicaid services during state fiscal year 2016, and so long as this provision shall remain in effect hereafter, the division shall to the fullest extent feasible replace the additional reimbursement for hospital inpatient services under the inpatient Medicare Upper Payment Limits (UPL) Program with additional reimbursement under the MHAP and other payment programs for inpatient and/or outpatient payments which may be developed under the authority of this paragraph.

(iv) The division shall assess each hospital as provided in Section 43-13-145(4)(a) for the purpose of financing the state portion of the MHAP, supplemental payments and such other purposes as specified in Section 43-13-145. The assessment will remain in effect as long as the MHAP and supplemental payments are in effect.

(19) (a) Perinatal risk management services. The State Department of Health shall certify annually in writing to the executive director of the division the dollar amount of state early intervention funds available that will be utilized as a certified match for Medicaid matching funds. Those funds then shall be used to provide expanded targeted case management services for Medicaid eligible children with special needs who are eligible for the state's early intervention system. Qualifications for persons providing service coordination shall be determined by the State Department of Health and the Division of Medicaid.

(20) Home- and community-based services for physically disabled approved services as allowed by a waiver from the United States Department of Health and Human Services for home- and community-based services for physically disabled people using state funds that are provided from the appropriation to the State Department of Rehabilitation Services and used to match federal funds under a cooperative agreement between the division and the department, provided that funds for these services are specifically appropriated to the Department of Rehabilitation Services.

(21) Nurse practitioner services. Services furnished by a registered nurse who is licensed and certified by the Mississippi Board of Nursing as a nurse practitioner, including, but not limited to, nurse anesthetists, nurse midwives, family nurse practitioners, family planning nurse practitioners, pediatric nurse practitioners, obstetrics-gynecology nurse practitioners and neonatal nurse practitioners, under regulations adopted by the division. Reimbursement for those services shall not exceed ninety percent (90%) of the reimbursement rate for comparable services rendered by a physician. The division shall recognize federally qualified health centers (FQHCs), rural health clinics (RHCs) and community mental health centers (CMHCs) as both an originating and distant site provider for the purposes of telehealth reimbursement. The division is further authorized and directed to reimburse FQHCs, RHCs and CMHCs

for both distant site and originating site services when such services are appropriately provided by the same organization.

(23) Inpatient psychiatric services.

(a) Inpatient psychiatric services to be determined by the division for recipients under age twenty-one (21) that are provided under the direction of a physician in an inpatient program in a licensed acute care psychiatric facility or in a licensed psychiatric residential treatment facility, before the recipient reaches age twenty-one (21) or, if the recipient was receiving the services immediately before he or she reached age twenty-one (21), before the earlier of the date he or she no longer requires the services or the date he or she reaches age twenty-two (22), as provided by federal regulations. This restriction (b) does not prohibit the retrospective review of the appropriateness of the determination that an emergency medical condition exists by chart review or coding algorithm, nor does it prohibit prior authorization for nonemergency hospital admissions;

(c) Pay providers at a rate that is less than the normal Medicaid reimbursement rate. It is the intent of the Legislature that all managed care entities described in this subsection (H), in collaboration with the division, develop and implement innovative payment models that incentivize improvements in health care quality, outcomes, or value, as determined by the division. Organizations participating in a managed care program or coordinated care program implemented by the division may not use any additional criteria that would result in denial of care that would be determined appropriate and, therefore, medically necessary under those levels of care guidelines.

(2) Notwithstanding any provision of this section, the recipients eligible for enrollment into a Medicaid Managed Care Program authorized under this subsection (H) may include only those categories of recipients eligible for participation in the Medicaid Managed Care Program as of January 1, 2021, the Children's Health Insurance Program (CHIP), and the CMS-approved Section 1115 demonstration waivers in operation as of January 1, 2021. Not later than December 2, 2021, those contractors shall submit a report to the Chairmen of the House and Senate Medicaid Committees on the status of the uniform credentialing process for providers that is required under this subparagraph (a).

(b) If those contractors have not implemented a uniform credentialing process as described in subparagraph (a) by December 1, 2021, the division shall develop and implement, not later than July 1, 2022, a single, consolidated credentialing process by which all providers will be credentialed. Under the division's single, consolidated credentialing process, no such contractor shall require its providers to be separately credentialed by the contractor in order to receive reimbursement from the contractor, but those contractors shall recognize the credentialing of the providers by the division's credentialing process.

(c) The division shall require a uniform provider credentialing application that shall be used in the credentialing process that is established under subparagraph (a) or (b). If the contractor or division, as applicable, has not approved or denied the provider credentialing application within sixty (60) days of receipt of the completed application that includes all required information necessary for credentialing, then the contractor or division, upon receipt of a written request from the applicant and within five (5) business days of its receipt, shall issue a temporary provider credential/enrollment to the applicant if the applicant has a valid Mississippi professional or occupational license to provide the health care services to which the credential/enrollment would apply. The contractor or division shall render

a final decision regarding credentialing/enrollment of the provider within sixty (60) days from the date that the temporary provider credential/enrollment is issued to the applicant.

(d) If the contractor or division does not render a final decision regarding credentialing/enrollment of the provider within the time required in subparagraph (c), the provider shall be deemed to be credentialed by and enrolled with all of the contractors and eligible to receive reimbursement from the contractors.

The letter shall be sent to the provider in electronic format.

(b) After a contractor that is receiving capitated payments under a managed care delivery system established under this subsection (H) has denied coverage for a claim submitted by a provider, the contractor shall issue to the provider within sixty (60) days a final ruling of denial of the claim that allows the provider to have a state fair hearing and/or agency appeal with the division. If a contractor does not issue a final ruling of denial within sixty (60) days as required by this subparagraph (b), the provider's claim shall be deemed to be automatically approved and the contractor shall pay the amount of the claim to the provider.

The division is authorized to develop and implement a program of payment for additional pharmacist services as determined by the division.

All claims for drugs for dually eligible Medicare/Medicaid beneficiaries that are paid for by Medicare must be submitted to Medicare for payment before they may be processed by the division's online payment system.

The division shall develop a pharmacy policy in which drugs in tamper-resistant packaging that are prescribed for a resident of a nursing facility but are not dispensed to the resident shall be returned to the pharmacy and not billed to Medicaid, in accordance with guidelines of the State Board of Pharmacy.

The division shall develop and implement a method or methods by which the division will provide on a regular basis to Medicaid providers who are authorized to prescribe drugs, information about the costs to the Medicaid program of single-source drugs and innovator multiple-source drugs, and information about other drugs that may be prescribed as alternatives to those single-source drugs and innovator multiple-source drugs and the costs to the Medicaid program of those alternative drugs.

Notwithstanding any law or regulation, information obtained or maintained by the division regarding the prescription drug program, including trade secrets and manufacturer or labeler pricing, is confidential and not subject to disclosure except to other state agencies.

The division shall increase the amount of the reimbursement rate for restorative dental services for each of the fiscal years 2023, 2024 and 2025 by five percent (5%) above the amount of the reimbursement rate for the previous fiscal year. It is the intent of the Legislature that the reimbursement rate revision for preventative dental services will be an incentive to increase the number of dentists who actively provide Medicaid services. This dental services reimbursement rate revision shall be known as the "James Russell Dumas Medicaid Dental Services Incentive Program."

The Medical Care Advisory Committee, assisted by the Division of Medicaid, shall annually determine the effect of this incentive by evaluating the number of dentists who are Medicaid providers, the number who and the degree to which they are actively billing Medicaid, the geographic trends of where dentists are offering what types of Medicaid services and other statistics pertinent to the goals of this legislative intent. This data shall annually be presented to the Chair of the Senate Medicaid Committee and the Chair of the House Medicaid Committee.

The division shall include dental services as a necessary component of overall health services provided to children who are eligible for services.

A maximum dollar amount of reimbursement for noninvasive ventilators or ventilation treatments properly ordered and being used in an appropriate care setting shall not be set by any health maintenance organization, coordinated care organization, provider-sponsored health plan, or other organization paid for services on a capitated basis by the division under any managed care program or coordinated care program implemented by the division under this section. Reimbursement by these organizations to durable medical equipment suppliers for home use of noninvasive and invasive ventilators shall be on a continuous monthly payment basis for the duration of medical need throughout a patient's valid prescription period.

It is the intent of the Legislature that the division shall draw down all available federal funds allotted to the state for disproportionate share hospitals. However, from and after January 1, 1999, public hospitals participating in the Medicaid disproportionate share program may be required to participate in an intergovernmental transfer program as provided in Section 1903 of the federal Social Security Act and any applicable regulations.

(b) (i) 1. The division may establish a Medicare Upper Payment Limits Program, as defined in Section 1902(a)(30) of the federal Social Security Act and any applicable federal regulations, or an allowable delivery system or provider payment initiative authorized under 42 CFR 438.6(c), for hospitals, nursing facilities \* \* \* and physicians employed or contracted by hospitals \* \* \*.

2. The division shall establish a Medicaid Supplemental Payment Program, as permitted by the federal Social Security Act and a comparable allowable delivery system or provider payment initiative authorized under 42 CFR 438.6(c), for emergency ambulance transportation providers in accordance with this subsection (A)(18)(b).

(ii) The division shall assess each hospital, nursing facility, and emergency ambulance transportation provider for the sole purpose of financing the state portion of the Medicare Upper Payment Limits Program or other program(s) authorized under this subsection (A)(18)(b). The hospital assessment shall be as provided in Section 43-13-145(4)(a), and the nursing facility and the emergency ambulance transportation assessments, if established, shall be based on Medicaid utilization or other appropriate method, as determined by the division, consistent with federal regulations. The assessments will remain in effect as long as the state participates in the Medicare Upper Payment Limits Program or other program(s) authorized under this subsection (A)(18)(b). In addition to the hospital assessment provided in Section 43-13-145(4)(a), hospitals with physicians participating in the Medicare Upper Payment Limits Program or other program(s) authorized under this subsection (A)(18)(b) shall be required to participate in an intergovernmental transfer or assessment, as determined by the division, for the purpose of financing the state portion of the physician UPL payments or other payment(s) authorized under this subsection (A)(18)(b).

(iv) Notwithstanding any other provision of this article to the contrary, effective upon implementation of the Mississippi Hospital Access Program (MHAP) provided in subparagraph (c)(i) below, the hospital portion of the inpatient Upper Payment Limits Program shall transition into and be replaced by the MHAP program. However, the division is authorized to develop and implement an alternative fee-for-service Upper Payment Limits model in accordance with federal laws and regulations if necessary to preserve supplemental funding. Further, the division, in consultation with the hospital industry shall develop alternative models for distribution of medical claims and supplemental payments for inpatient and outpatient hospital services, and such models may include, but shall not be limited to the following: increasing rates for inpatient and outpatient services; creating a low-income utilization pool of funds to reimburse hospitals for the costs of uncompensated care, charity care and bad debts as permitted and approved pursuant to federal regulations and the Centers for Medicare and Medicaid Services; supplemental payments based upon Medicaid utilization, quality, service lines and/or costs of providing such services to Medicaid beneficiaries and to uninsured patients. The goals of such payment models shall be to ensure access to inpatient and outpatient care and to maximize any federal funds that are available to reimburse hospitals for services provided. Any such documents required to achieve the goals described in this paragraph shall be submitted to the Centers for Medicare and Medicaid Services, with a proposed effective date of July 1, 2019, to the extent possible, but in no event shall the effective date of such payment models be later than July 1, 2020. The Chairmen of the Senate and House Medicaid Committees shall be provided a copy

of the proposed payment model(s) prior to submission. Effective July 1, 2018, and until such time as any payment model(s) as described above become effective, the division, in consultation with the hospital industry, is authorized to implement a transitional program for inpatient and outpatient payments and/or supplemental payments (including, but not limited to, MHAP and directed payments), to redistribute available supplemental funds among hospital providers, provided that when compared to a hospital's prior year supplemental payments, supplemental payments made pursuant to any such transitional program shall not result in a decrease of more than five percent (5%) and shall not increase by more than the amount needed to maximize the distribution of the available funds.

(v) 1. To preserve and improve access to ambulance transportation provider services, the division shall seek CMS approval to make ambulance service access payments as set forth in this subsection (A)(18)(b) for all covered emergency ambulance services rendered on or after July 1, 2022, and shall make such ambulance service access payments for all covered services rendered on or after the effective date of CMS approval.

2. The division shall calculate the ambulance service access payment amount as the balance of the portion of the Medical Care Fund related to ambulance transportation service provider assessments plus any federal matching funds earned on the balance, up to, but not to exceed, the upper payment limit gap for all emergency ambulance service providers.

3. a. Except for ambulance services exempt from the assessment provided in this paragraph (18)(b), all ambulance transportation service providers shall be eligible for ambulance service access payments each state fiscal year as set forth in this paragraph (18)(b).

b. In addition to any other funds paid to ambulance transportation service providers for emergency medical services provided to Medicaid beneficiaries, each eligible ambulance transportation service provider shall receive ambulance service access payments each state fiscal year equal to the ambulance transportation service provider's upper payment limit gap. Subject to approval by the Centers for Medicare and Medicaid Services, ambulance service access payments shall be made no less than on a quarterly basis.

c. As used in this paragraph (18)(b)(v), the term "upper payment limit gap" means the difference between the total amount that the ambulance transportation service provider received from Medicaid and the average amount that the ambulance transportation service provider would have received from commercial insurers for those services reimbursed by Medicaid.

(ii) Subject to approval by the Centers for Medicare and Medicaid Services (CMS), the MHAP shall provide increased inpatient capitation (PMPM) payments to managed care entities contracting with the division pursuant to subsection (H) of this section to support availability of hospital services or such other payments permissible under federal law necessary to accomplish the intent of this subsection.

(iii) The intent of this subparagraph (c) is that effective for all inpatient hospital Medicaid services during state fiscal year 2016, and so long as this provision shall remain in effect hereafter, the division shall to the fullest extent feasible replace the additional reimbursement for hospital inpatient services under the inpatient Medicare Upper Payment Limits (UPL) Program with additional reimbursement under the MHAP and other payment programs for inpatient and/or outpatient payments which may be developed under the authority of this paragraph.

(iv) The division shall assess each hospital as provided in Section 43-13-145(4)(a) for the purpose of financing the state portion of the MHAP, supplemental payments and such other purposes as specified in Section 43-13-145. determined by the division, of savings achieved according to the performance measures and reduction of costs required of that program. Federally qualified health centers may participate in the emergency room redirection program, and the division may pay those centers a percentage of any savings to the Medicaid program achieved by the centers' accepting patient referrals through the program, as provided in this subsection (C).

(D) (1) \* \* \* As used in this subsection (D), the following terms shall be defined as provided in this paragraph, except as otherwise provided in this subsection:

(a) "Committees" means the Medicaid Committees of the House of Representatives and the Senate, and "committee" means either one of those committees.

(b) "Rate change" means an increase, decrease or other change in the payments or rates of reimbursement, or a change in any payment methodology that results in an increase, decrease or other change in the payments or rates of reimbursement, to any Medicaid provider that render any services authorized to be provided to Medicaid recipients under this article.

(2) \* \* \* Whenever the Division of Medicaid proposes a rate change, the division shall give notice to the chairmen of the committees at least thirty (30) calendar days before the proposed rate change is scheduled to take effect. The division shall furnish the chairmen with a concise summary of each proposed rate change along with the notice, and shall furnish the chairmen with a copy of any proposed rate change upon request. The division also shall provide a summary and copy of any proposed rate change to any other member of the Legislature upon request.

(3) If the chairman of either committee or both chairmen jointly object to the proposed rate change or any part thereof, the chairman or chairmen shall notify the division and provide the reasons for their objection in writing not later than seven (7) calendar days after receipt of the notice from the division. The chairman or chairmen may make written recommendations to the division for changes to be made to a proposed rate change.

(4) (a) The chairman of either committee or both chairman jointly may hold a committee meeting to review a proposed rate change. If either chairman or both chairmen decide to hold a meeting, they shall notify the division of their intention in writing within seven (7) calendar days after receipt of the notice from the division, and shall set the date and time for the meeting in their notice to the division, which shall not be later than fourteen (14) calendar days after receipt of the notice from the division.

(b) After the committee meeting, the committee or committees may object to the proposed rate change or any part thereof. The committee or committees shall notify the division and the reasons for their objection in writing not later than seven (7) calendar days after the meeting. The committee or committees may make written recommendations to the division for changes to be made to a proposed rate change.

(5) If both chairmen notify the division in writing within seven (7) calendar days after receipt of the notice from the division that they do not object to the proposed rate change and will not be holding a meeting to review the proposed rate change, the proposed rate change will take effect on the original date as scheduled by the division or on such other date as specified by the division.

(6) (a) If there are any objections to a proposed rate change or any part thereof from either or both of the chairmen or the committees, the division may withdraw the proposed rate change, make any of the recommended changes to the proposed rate change, or not make any changes to the proposed rate change.

(b) If the division does not make any changes to the proposed rate change, it shall notify the chairmen of that fact in writing, and the proposed rate change

shall take effect on the original date as scheduled by the division or on such other date as specified by the division.

(c) If the division makes any changes to the proposed rate change, the division shall notify the chairmen of its actions in writing, and the revised proposed rate change shall take effect on the date as specified by the division.

(7) Nothing in this subsection (D) shall be construed as giving the chairmen or the committees any authority to veto, nullify or revise any rate change proposed by the division. The authority of the chairmen or the committees under this subsection shall be limited to reviewing, making objections to and making recommendations for changes to rate changes proposed by the division.

(E) Notwithstanding any provision of this article, no new groups or categories of recipients and new types of care and services may be added without enabling legislation from the Mississippi Legislature, except that the division may authorize those changes without enabling legislation when the addition of recipients or services is ordered by a court of proper authority.

(F) The executive director shall keep the Governor advised on a timely basis of the funds available for expenditure and the projected expenditures. Notwithstanding any other provisions of this article, if current or projected expenditures of the division are reasonably anticipated to exceed the amount of funds appropriated to the division for any fiscal year, the Governor, after consultation with the executive director, shall take all appropriate measures to reduce costs, which may include, but are not limited to:

(1) Reducing or discontinuing any or all services that are deemed to be optional under Title XIX of the Social Security Act;

(2) Reducing reimbursement rates for any or all service types;

(3) Imposing additional assessments on health care providers; or

(4) Any additional cost-containment measures deemed appropriate by the Governor.

To the extent allowed under federal law, any reduction to services or reimbursement rates under this subsection (F) shall be accompanied by a reduction, to the fullest allowable amount, to the profit margin and administrative fee portions of capitated payments to organizations described in paragraph (1) of subsection (H).

Beginning in fiscal year 2010 and in fiscal years thereafter, when Medicaid expenditures are projected to exceed funds available for the fiscal year, the division shall submit the expected shortfall information to the PEER Committee not later than December 1 of the year in which the shortfall is projected to occur. PEER shall review the computations of the division and report its findings to the Legislative Budget Office not later than January 7 in any year.

(G) Notwithstanding any other provision of this article, it shall be the duty of each provider participating in the Medicaid program to keep and maintain books, documents and other records as prescribed by the Division of Medicaid in accordance with federal laws and regulations.

(H) (1) Notwithstanding any other provision of this article, the division is authorized to implement (a) a managed care program, (b) a coordinated care program, (c) a coordinated care organization program, (d) a health maintenance organization program, (e) a patient-centered medical home program, (f) an accountable care organization program, (g) provider-sponsored health plan, or (h) any combination of the above programs. As a condition for the approval of any program under this subsection (H)(1),

the division shall require that no managed care program, coordinated care program, coordinated care organization program, health maintenance organization program, or provider-sponsored health plan may:

(a) Pay providers at a rate that is less than the Medicaid All Patient Refined Diagnosis Related Groups (APR-DRG) reimbursement rate;

(b) Override the medical decisions of hospital physicians or staff regarding patients admitted to a hospital for an emergency medical condition as defined by 42 US Code Section 1395dd. This restriction (b) does not prohibit the retrospective review of the appropriateness of the determination that an emergency medical condition exists by chart review or coding algorithm, nor does it prohibit prior authorization for nonemergency hospital admissions;

(c) Pay providers at a rate that is less than the normal Medicaid reimbursement rate. It is the intent of the Legislature that all managed care entities described in this subsection (H), in collaboration with the division, develop and implement innovative payment models that incentivize improvements in health care quality, outcomes, or value, as determined by the division. Participation in the provider network of any managed care, coordinated care, provider-sponsored health plan, or similar contractor shall not be conditioned on the provider's agreement to accept such alternative payment models;

(d) Implement a prior authorization and utilization review program for medical services, transportation services and prescription drugs that is more stringent than the prior authorization processes used by the division in its administration of the Medicaid program. Not later than December 2, 2021, the contractors that are receiving capitated payments under a managed care delivery system established under this subsection (H) shall submit a report to the Chairmen of the House and Senate Medicaid Committees on the status of the prior authorization and utilization review program for medical services, transportation services and prescription drugs that is required to be implemented under this subparagraph (d);

(e) [Deleted]

(f) Implement a preferred drug list that is more stringent than the mandatory preferred drug list established by the division under subsection (A)(9) of this section;

(g) Implement a policy which denies beneficiaries with hemophilia access to the federally funded hemophilia treatment centers as part of the Medicaid Managed Care network of providers.

Each health maintenance organization, coordinated care organization, provider-sponsored health plan, or other organization paid for services on a capitated basis by the division under any managed care program or coordinated care program implemented by the division under this section shall use a clear set of level of care guidelines in the determination of medical necessity and in all utilization management practices, including the prior authorization process, concurrent reviews, retrospective reviews and payments, that are consistent with widely accepted professional standards of care. Organizations participating in a managed care program or coordinated care program implemented by the division may not use any additional criteria that would result in denial of care that would be determined appropriate and, therefore, medically necessary under those levels of care guidelines.

(2) Notwithstanding any provision of this section, the recipients eligible for enrollment into a Medicaid Managed Care Program authorized under this subsection (H) may include only those categories of recipients eligible for participation in the Medicaid Managed Care Program as of January 1, 2021, the Children's Health Insurance Program

(CHIP), and the CMS-approved Section 1115 demonstration waivers in operation as of January 1, 2021. No expansion of Medicaid Managed Care Program contracts may be implemented by the division without enabling legislation from the Mississippi Legislature.

(3) (a) Any contractors receiving capitated payments under a managed care delivery system established in this section shall provide to the Legislature and the division statistical data to be shared with provider groups in order to improve patient access, appropriate utilization, cost savings and health outcomes not later than October 1 of each year. Additionally, each contractor shall disclose to the Chairmen of the Senate and House Medicaid Committees the administrative expenses costs for the prior calendar year, and the number of full-equivalent employees located in the State of Mississippi dedicated to the Medicaid and CHIP lines of business as of June 30 of the current year.

(b) The division and the contractors participating in the managed care program, a coordinated care program or a provider-sponsored health plan shall be subject to annual program reviews or audits performed by the Office of the State Auditor, the PEER Committee, the Department of Insurance and/or independent third parties.

(c) Those reviews shall include, but not be limited to, at least two (2) of the following items:

(i) The financial benefit to the State of Mississippi of the managed care program,

(ii) The difference between the premiums paid to the managed care contractors and the payments made by those contractors to health care providers,

(iii) Compliance with performance measures required under the contracts,

(iv) Administrative expense allocation methodologies,

(v) Whether nonprovider payments assigned as medical expenses are appropriate,

(vi) Capitated arrangements with related party subcontractors,

(vii) Reasonableness of corporate allocations,

(viii) Value-added benefits and the extent to which they are used,

(ix) The effectiveness of subcontractor oversight, including subcontractor review,

(x) Whether health care outcomes have been improved, and

(xi) The most common claim denial codes to determine the reasons for the denials.

The audit reports shall be considered public documents and shall be posted in their entirety on the division's website.

(4) All health maintenance organizations, coordinated care organizations, provider-sponsored health plans, or other organizations paid for services on a capitated basis by the division under any managed care program or coordinated care program implemented by the division under this section shall reimburse all providers in those organizations at rates no lower than those provided under this section for beneficiaries who are not participating in those programs.

(5) No health maintenance organization, coordinated care organization, provider-sponsored health plan, or other organization paid for services on a capitated basis by the division under any managed care program or coordinated care program implemented by the division under this section shall require its providers or beneficiaries to use any pharmacy that ships, mails or delivers prescription drugs or legend drugs or devices.

(6) (a) Not later than December 1, 2021, the contractors who are receiving capitated payments under a managed care delivery system established under this subsection (H) shall develop and implement a uniform credentialing process for providers. Under that uniform credentialing process, a provider who meets the criteria for credentialing will be credentialed with all of those contractors and no such provider will have to be separately credentialed by any individual contractor in order to receive reimbursement from the contractor. Not later than December 2, 2021, those contractors shall submit a report to the Chairmen of the House and Senate Medicaid Committees on the status of the uniform credentialing process for providers that is required under this subparagraph (a).

(b) If those contractors have not implemented a uniform credentialing process as described in subparagraph (a) by December 1, 2021, the division shall develop and implement, not later than July 1, 2022, a single, consolidated credentialing process by which all providers will be credentialed. Under the division's single, consolidated credentialing process, no such contractor shall require its providers to be separately credentialed by the contractor in order to receive reimbursement from the contractor, but those contractors shall recognize the credentialing of the providers by the division's credentialing process.

(c) The division shall require a uniform provider credentialing application that shall be used in the credentialing process that is established under subparagraph (a) or (b). If the contractor or division, as applicable, has not approved or denied the provider credentialing application within sixty (60) days of receipt of the completed application that includes all required information necessary for credentialing, then the contractor or division, upon receipt of a written request from the applicant and within five (5) business days of its receipt, shall issue a temporary provider credential/enrollment to the applicant if the applicant has a valid Mississippi professional or occupational license to provide the health care services to which the credential/enrollment would apply. The contractor or the division shall not issue a temporary credential/enrollment if the applicant has reported on the application a history of medical or other professional or occupational malpractice claims, a history of substance abuse or mental health issues, a criminal record, or a history of medical or other licensing board, state or federal disciplinary action, including any suspension from participation in a federal or state program. The temporary credential/enrollment shall be effective upon issuance and shall remain in effect until the provider's credentialing/enrollment application is approved or denied by the contractor or division. The contractor or division shall render a final decision regarding credentialing/enrollment of the provider within sixty (60) days from the date that the temporary provider credential/enrollment is issued to the applicant.

(d) If the contractor or division does not render a final decision regarding credentialing/enrollment of the provider within the time required in subparagraph (c), the provider shall be deemed to be credentialed by and enrolled with all of the contractors and eligible to receive reimbursement from the contractors.

(7) (a) Each contractor that is receiving capitated payments under a managed care delivery system established under this subsection (H) shall provide to each provider for whom the contractor has denied the coverage of a procedure that was ordered or requested by the provider for or on behalf of a patient, a letter that provides a detailed explanation of the reasons for the denial of coverage of the procedure and the name and

the credentials of the person who denied the coverage. The letter shall be sent to the provider in electronic format.

(b) After a contractor that is receiving capitated payments under a managed care delivery system established under this subsection (H) has denied coverage for a claim submitted by a provider, the contractor shall issue to the provider within sixty (60) days a final ruling of denial of the claim that allows the provider to have a state fair hearing and/or agency appeal with the division. If a contractor does not issue a final ruling of denial within sixty (60) days as required by this subparagraph (b), the provider's claim shall be deemed to be automatically approved and the contractor shall pay the amount of the claim to the provider.

(c) After a contractor has issued a final ruling of denial of a claim submitted by a provider, the division shall conduct a state fair hearing and/or agency appeal on the matter of the disputed claim between the contractor and the provider within sixty (60) days, and shall render a decision on the matter within thirty (30) days after the date of the hearing and/or appeal.

(8) It is the intention of the Legislature that the division evaluate the feasibility of using a single vendor to administer pharmacy benefits provided under a managed care delivery system established under this subsection (H). Providers of pharmacy benefits shall cooperate with the division in any transition to a carve-out of pharmacy benefits under managed care.

(9) \* \* \* The division shall evaluate the feasibility of using a single vendor to administer dental benefits provided under a managed care delivery system established in this subsection (H). Providers of dental benefits shall cooperate with the division in any transition to a carve-out of dental benefits under managed care.

(10) It is the intent of the Legislature that any contractor receiving capitated payments under a managed care delivery system established in this section shall implement innovative programs to improve the health and well-being of members diagnosed with prediabetes and diabetes.

(11) It is the intent of the Legislature that any contractors receiving capitated payments under a managed care delivery system established under this subsection (H) shall work with providers of Medicaid services to improve the utilization of long-acting reversible contraceptives (LARCs). Not later than December 1, 2021, any contractors receiving capitated payments under a managed care delivery system established under this subsection (H) shall provide to the Chairmen of the House and Senate Medicaid Committees and House and Senate Public Health Committees a report of LARC utilization for State Fiscal Years 2018 through 2020 as well as any programs, initiatives, or efforts made by the contractors and providers to increase LARC utilization. This report shall be updated annually to include information for subsequent state fiscal years.

(12) The division is authorized to make not more than one (1) emergency extension of the contracts that are in effect on July 1, 2021, with contractors who are receiving capitated payments under a managed care delivery system established under this subsection (H), as provided in this paragraph (12). The maximum period of any such extension shall be one (1) year, and under any such extensions, the contractors shall be subject to all of the provisions of this subsection (H). The extended contracts shall be revised to incorporate any provisions of this subsection (H).

(l) [Deleted]

(J) There shall be no cuts in inpatient and outpatient hospital payments, or allowable days or volumes, as long as the hospital assessment provided in Section 43-13-145 is in effect. This subsection (J) shall not apply to decreases in payments that are a result of: reduced hospital admissions, audits or payments under the APR-DRG or

APC models, or a managed care program or similar model described in subsection (H) of this section.

(K) In the negotiation and execution of such contracts involving services performed by actuarial firms, the Executive Director of the Division of Medicaid may negotiate a limitation on liability to the state of prospective contractors.

(L) The Division of Medicaid shall reimburse for services provided to eligible Medicaid beneficiaries by a licensed birthing center in a method and manner to be determined by the division in accordance with federal laws and federal regulations. The division shall seek any necessary waivers, make any required amendments to its State Plan or revise any contracts authorized under subsection (H) of this section as necessary to provide the services authorized under this subsection. As used in this subsection, the term "birthing centers" shall have the meaning as defined in Section 41-77-1(a), which is a publicly or privately owned facility, place or institution constructed, renovated, leased or otherwise established where nonemergency births are planned to occur away from the mother's usual residence following a documented period of prenatal care for a normal uncomplicated pregnancy which has been determined to be low risk through a formal risk-scoring examination.

(M) This section shall stand repealed on July 1, 2024.

SECTION 2. Section 43-13-121, Mississippi Code of 1972, is amended as follows:

43-13-121. (1) The division shall administer the Medicaid program under the provisions of this article, and may do the following:

(a) Adopt and promulgate reasonable rules, regulations and standards, with approval of the Governor, and in accordance with the Administrative Procedures Law, Section 25-43-1.101 et seq.:

(i) Establishing methods and procedures as may be necessary for the proper and efficient administration of this article;

(ii) Providing Medicaid to all qualified recipients under the provisions of this article as the division may determine and within the limits of appropriated funds;

(iii) Establishing reasonable fees, charges and rates for medical services and drugs; in doing so, the division shall fix all of those fees, charges and rates at the minimum levels absolutely necessary to provide the medical assistance authorized by this article, and shall not change any of those fees, charges or rates except as may be authorized in Section 43-13-117;

(iv) Providing for fair and impartial hearings;

(v) Providing safeguards for preserving the confidentiality of records;

and

(vi) For detecting and processing fraudulent practices and abuses of the program;

(b) Receive and expend state, federal and other funds in accordance with court judgments or settlements and agreements between the State of Mississippi and the federal government, the rules and regulations promulgated by the division, with the approval of the Governor, and within the limitations and restrictions of this article and within the limits of funds available for that purpose;

(c) Subject to the limits imposed by this article and subject to the provisions of subsection (8) of this section, to submit a Medicaid plan to the United States

Department of Health and Human Services for approval under the provisions of the federal Social Security Act, to act for the state in making negotiations relative to the submission and approval of that plan, to make such arrangements, not inconsistent with the law, as may be required by or under federal law to obtain and retain that approval and to secure for the state the benefits of the provisions of that law.

No agreements, specifically including the general plan for the operation of the Medicaid program in this state, shall be made by and between the division and the United States Department of Health and Human Services unless the Attorney General of the State of Mississippi has reviewed the agreements, specifically including the operational plan, and has certified in writing to the Governor and to the executive director of the division that the agreements, including the plan of operation, have been drawn strictly in accordance with the terms and requirements of this article;

(d) In accordance with the purposes and intent of this article and in compliance with its provisions, provide for aged persons otherwise eligible for the benefits provided under Title XVIII of the federal Social Security Act by expenditure of funds available for those purposes;

(e) To make reports to the United States Department of Health and Human Services as from time to time may be required by that federal department and to the Mississippi Legislature as provided in this section;

(f) Define and determine the scope, duration and amount of Medicaid that may be provided in accordance with this article and establish priorities therefor in conformity with this article;

(g) Cooperate and contract with other state agencies for the purpose of coordinating Medicaid provided under this article and eliminating duplication and inefficiency in the Medicaid program;

(h) Adopt and use an official seal of the division;

(i) Sue in its own name on behalf of the State of Mississippi and employ legal counsel on a contingency basis with the approval of the Attorney General;

(j) To recover any and all payments incorrectly made by the division to a recipient or provider from the recipient or provider receiving the payments. The division shall be authorized to collect any overpayments to providers sixty (60) days after the conclusion of any administrative appeal unless the matter is appealed to a court of proper jurisdiction and bond is posted. Any appeal filed after July 1, 2015, shall be to the Chancery Court of the First Judicial District of Hinds County, Mississippi, within sixty (60) days after the date that the division has notified the provider by certified mail sent to the proper address of the provider on file with the division and the provider has signed for the certified mail notice, or sixty (60) days after the date of the final decision if the provider does not sign for the certified mail notice. To recover those payments, the division may use the following methods, in addition to any other methods available to the division:

(i) The division shall report to the Department of Revenue the name of any current or former Medicaid recipient who has received medical services rendered during a period of established Medicaid ineligibility and who has not reimbursed the division for the related medical service payment(s). The Department of Revenue shall withhold from the state tax refund of the individual, and pay to the division, the amount of the payment(s) for medical services rendered to the ineligible individual that have not been reimbursed to the division for the related medical service payment(s).

(ii) The division shall report to the Department of Revenue the name of any Medicaid provider to whom payments were incorrectly made that the division has not been able to recover by other methods available to the division. The Department of

Revenue shall withhold from the state tax refund of the provider, and pay to the division, the amount of the payments that were incorrectly made to the provider that have not been recovered by other available methods;

(k) To recover any and all payments by the division fraudulently obtained by a recipient or provider. Additionally, if recovery of any payments fraudulently obtained by a recipient or provider is made in any court, then, upon motion of the Governor, the judge of the court may award twice the payments recovered as damages;

(l) Have full, complete and plenary power and authority to conduct such investigations as it may deem necessary and requisite of alleged or suspected violations or abuses of the provisions of this article or of the regulations adopted under this article, including, but not limited to, fraudulent or unlawful act or deed by applicants for Medicaid or other benefits, or payments made to any person, firm or corporation under the terms, conditions and authority of this article, to suspend or disqualify any provider of services, applicant or recipient for gross abuse, fraudulent or unlawful acts for such periods, including permanently, and under such conditions as the division deems proper and just, including the imposition of a legal rate of interest on the amount improperly or incorrectly paid. Recipients who are found to have misused or abused Medicaid benefits may be locked into one (1) physician and/or one (1) pharmacy of the recipient's choice for a reasonable amount of time in order to educate and promote appropriate use of medical services, in accordance with federal regulations. If an administrative hearing becomes necessary, the division may, if the provider does not succeed in his or her defense, tax the costs of the administrative hearing, including the costs of the court reporter or stenographer and transcript, to the provider. The convictions of a recipient or a provider in a state or federal court for abuse, fraudulent or unlawful acts under this chapter shall constitute an automatic disqualification of the recipient or automatic disqualification of the provider from participation under the Medicaid program.

A conviction, for the purposes of this chapter, shall include a judgment entered on a plea of nolo contendere or a nonadjudicated guilty plea and shall have the same force as a judgment entered pursuant to a guilty plea or a conviction following trial. A certified copy of the judgment of the court of competent jurisdiction of the conviction shall constitute prima facie evidence of the conviction for disqualification purposes;

(m) Establish and provide such methods of administration as may be necessary for the proper and efficient operation of the Medicaid program, fully utilizing computer equipment as may be necessary to oversee and control all current expenditures for purposes of this article, and to closely monitor and supervise all recipient payments and vendors rendering services under this article. Notwithstanding any other provision of state law, the division is authorized to enter into a ten-year contract(s) with a vendor(s) to provide services described in this paragraph (m). Notwithstanding any provision of law to the contrary, the division is authorized to extend its Medicaid Management Information System, including all related components and services, and Decision Support System, including all related components and services, contracts in effect on June 30, 2020, for a period not to exceed two (2) years without complying with state procurement regulations;

(n) To cooperate and contract with the federal government for the purpose of providing Medicaid to Vietnamese and Cambodian refugees, under the provisions of Public Law 94-23 and Public Law 94-24, including any amendments to those laws, only to the extent that the Medicaid assistance and the administrative cost related thereto are one hundred percent (100%) reimbursable by the federal government. For the purposes of Section 43-13-117, persons receiving Medicaid under Public Law 94-23 and Public Law 94-24, including any amendments to those laws, shall not be considered a new group or category of recipient; and

(o) The division shall impose penalties upon Medicaid only, Title XIX participating long-term care facilities found to be in noncompliance with division and certification standards in accordance with federal and state regulations, including interest

at the same rate calculated by the United States Department of Health and Human Services and/or the Centers for Medicare and Medicaid Services (CMS) under federal regulations.

(2) The division also shall exercise such additional powers and perform such other duties as may be conferred upon the division by act of the Legislature.

(3) The division, and the State Department of Health as the agency for licensure of health care facilities and certification and inspection for the Medicaid and/or Medicare programs, shall contract for or otherwise provide for the consolidation of on-site inspections of health care facilities that are necessitated by the respective programs and functions of the division and the department.

(4) The division and its hearing officers shall have power to preserve and enforce order during hearings; to issue subpoenas for, to administer oaths to and to compel the attendance and testimony of witnesses, or the production of books, papers, documents and other evidence, or the taking of depositions before any designated individual competent to administer oaths; to examine witnesses; and to do all things conformable to law that may be necessary to enable them effectively to discharge the duties of their office. In compelling the attendance and testimony of witnesses, or the production of books, papers, documents and other evidence, or the taking of depositions, as authorized by this section, the division or its hearing officers may designate an individual employed by the division or some other suitable person to execute and return that process, whose action in executing and returning that process shall be as lawful as if done by the sheriff or some other proper officer authorized to execute and return process in the county where the witness may reside. In carrying out the investigatory powers under the provisions of this article, the executive director or other designated person or persons may examine, obtain, copy or reproduce the books, papers, documents, medical charts, prescriptions and other records relating to medical care and services furnished by the provider to a recipient or designated recipients of Medicaid services under investigation. In the absence of the voluntary submission of the books, papers, documents, medical charts, prescriptions and other records, the Governor, the executive director, or other designated person may issue and serve subpoenas instantly upon the provider, his or her agent, servant or employee for the production of the books, papers, documents, medical charts, prescriptions or other records during an audit or investigation of the provider. If any provider or his or her agent, servant or employee refuses to produce the records after being duly subpoenaed, the executive director may certify those facts and institute contempt proceedings in the manner, time and place as authorized by law for administrative proceedings. As an additional remedy, the division may recover all amounts paid to the provider covering the period of the audit or investigation, inclusive of a legal rate of interest and a reasonable attorney's fee and costs of court if suit becomes necessary. Division staff shall have immediate access to the provider's physical location, facilities, records, documents, books, and any other records relating to medical care and services rendered to recipients during regular business hours.

(5) If any person in proceedings before the division disobeys or resists any lawful order or process, or misbehaves during a hearing or so near the place thereof as to obstruct the hearing, or neglects to produce, after having been ordered to do so, any pertinent book, paper or document, or refuses to appear after having been subpoenaed, or upon appearing refuses to take the oath as a witness, or after having taken the oath refuses to be examined according to law, the executive director shall certify the facts to any court having jurisdiction in the place in which it is sitting, and the court shall thereupon, in a summary manner, hear the evidence as to the acts complained of, and if the evidence so warrants, punish that person in the same manner and to the same extent as for a contempt committed before the court, or commit that person upon the same condition as if the doing of the forbidden act had occurred with reference to the process of, or in the presence of, the court.

(6) In suspending or terminating any provider from participation in the Medicaid program, the division shall preclude the provider from submitting claims for payment, either personally or through any clinic, group, corporation or other association to the division or its fiscal agents for any services or supplies provided under the Medicaid program except for those services or supplies provided before the suspension or termination. No clinic, group, corporation or other association that is a provider of services shall submit claims for payment to the division or its fiscal agents for any services or supplies provided by a person within that organization who has been suspended or terminated from participation in the Medicaid program except for those services or supplies provided before the suspension or termination. When this provision is violated by a provider of services that is a clinic, group, corporation or other association, the division may suspend or terminate that organization from participation. Suspension may be applied by the division to all known affiliates of a provider, provided that each decision to include an affiliate is made on a case-by-case basis after giving due regard to all relevant facts and circumstances. The violation, failure or inadequacy of performance may be imputed to a person with whom the provider is affiliated where that conduct was accomplished within the course of his or her official duty or was effectuated by him or her with the knowledge or approval of that person.

(7) The division may deny or revoke enrollment in the Medicaid program to a provider if any of the following are found to be applicable to the provider, his or her agent, a managing employee or any person having an ownership interest equal to five percent (5%) or greater in the provider:

(a) Failure to truthfully or fully disclose any and all information required, or the concealment of any and all information required, on a claim, a provider application or a provider agreement, or the making of a false or misleading statement to the division relative to the Medicaid program.

(b) Previous or current exclusion, suspension, termination from or the involuntary withdrawing from participation in the Medicaid program, any other state's Medicaid program, Medicare or any other public or private health or health insurance program. If the division ascertains that a provider has been convicted of a felony under federal or state law for an offense that the division determines is detrimental to the best interest of the program or of Medicaid beneficiaries, the division may refuse to enter into an agreement with that provider, or may terminate or refuse to renew an existing agreement.

(c) Conviction under federal or state law of a criminal offense relating to the delivery of any goods, services or supplies, including the performance of management or administrative services relating to the delivery of the goods, services or supplies, under the Medicaid program, any other state's Medicaid program, Medicare or any other public or private health or health insurance program.

(d) Conviction under federal or state law of a criminal offense relating to the neglect or abuse of a patient in connection with the delivery of any goods, services or supplies.

(e) Conviction under federal or state law of a criminal offense relating to the unlawful manufacture, distribution, prescription or dispensing of a controlled substance.

(f) Conviction under federal or state law of a criminal offense relating to fraud, theft, embezzlement, breach of fiduciary responsibility or other financial misconduct.

(g) Conviction under federal or state law of a criminal offense punishable by imprisonment of a year or more that involves moral turpitude, or acts against the elderly, children or infirm.
