Any such rules and regulations shall provide for maintaining continuous internal audit covering the activities of such agency affecting its revenue and expenditures as required under Section 7-7-3(6)(d). Any rules and regulation changes related to personal and professional services contracts that the Public Procurement Review Board may propose shall be submitted to the Chairs of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the Chairs of the Appropriation Committees of the Senate and House of Representatives at least fifteen (15) days before the board votes on the proposed changes, and those rules and regulation changes, if adopted, shall be promulgated in accordance with the Mississippi Administrative Procedures Act; and

(xv) From and after July 1, 2024, the Public Procurement Review Board shall promulgate rules and regulations that require the Department of Finance and Administration to conduct personal and professional services solicitations as provided in subparagraph (i) of this paragraph for those services in excess of Seventy-five Thousand Dollars (\$75,000.00) for the Department of Marine Resources, the Department of Wildlife, Fisheries and Parks, the Mississippi Emergency Management Agency and the Mississippi Development Authority, with assistance to be provided from these entities. Any powers that have been conferred upon agencies in order to comply with the provisions of this section for personal and professional services solicitations shall be conferred upon the Department of Finance and Administration to conduct personal and professional services solicitations for the Department of Marine Resources, the Department of Wildlife, Fisheries and Parks, the Mississippi Emergency Management Agency and the Mississippi Development Authority for those services in excess of Seventy-five Thousand Dollars (\$75,000.00). The Department of Finance and Administration shall make any submissions that are required to be made by other agencies to the Public Procurement Review Board for the Department of Marine Resources, the Department of Wildlife, Fisheries and Parks, the Mississippi Emergency Management Agency and the Mississippi Development Authority.

The provisions of this subparagraph (xv) shall stand repealed on June 30, 2027.

(g) Approve all personal and professional services contracts involving the expenditures of funds in excess of Seventy-five Thousand Dollars (\$75,000.00), except as provided in paragraph (f) of this subsection (2) and in subsection (8);

(h) Develop mandatory standards with respect to contractual services personnel that require invitations for public bid, requests for proposals, record keeping and financial responsibility of contractors. The Public Procurement Review Board shall, unless exempted under this paragraph (h) or under paragraph (i) or (o) of this subsection (2), require the agency involved to submit the procurement to a competitive procurement process, and may reserve the right to reject any or all resulting procurements;

(i) Prescribe certain circumstances by which agency heads may enter into contracts for personal and professional services without receiving prior approval from the Public Procurement Review Board. The Public Procurement Review Board may establish a preapproved list of providers of various personal and professional services for set prices with which state agencies may contract without bidding or prior approval from the board;

(i) Agency requirements may be fulfilled by procuring services performed incident to the state's own programs. The agency head shall determine in writing whether the price represents a fair market value for the services. When the procurements are made from other governmental entities, the private sector need not be solicited; however, these contracts shall still be submitted for approval to the Public Procurement Review Board.

(ii) Contracts between two (2) state agencies, both under Public Procurement Review Board purview, shall not require Public Procurement Review Board approval. However, the contracts shall still be entered into the enterprise resource planning system;

(j) Provide standards for the issuance of requests for proposals, the evaluation of proposals received, consideration of costs and quality of services proposed, contract negotiations, the administrative monitoring of contract performance by the agency and successful steps in terminating a contract;

(k) Present recommendations for governmental privatization and to evaluate privatization proposals submitted by any state agency;

(l) Authorize personal and professional service contracts to be effective for more than one (1) year provided a funding condition is included in any such multiple year contract, except the State Board of Education, which shall have the authority to enter into contractual agreements for student assessment for a period up to ten (10) years. The State Board of Education shall procure these services in accordance with the Public Procurement Review Board procurement regulations;

(m) Request the State Auditor to conduct a performance audit on any personal or professional service contract;

(n) Prepare an annual report to the Legislature concerning the issuance of personal and professional services contracts during the previous year, collecting any necessary information from state agencies in making such report;

(o) Develop and implement the following standards and procedures for the approval of any sole source contract for personal and professional services regardless of the value of the procurement:

(i) For the purposes of this paragraph (o), the term "sole source" means only one (1) source is available that can provide the required personal or professional service.

(ii) An agency that has been issued a binding, valid court order mandating that a particular source or provider must be used for the required service must include a copy of the applicable court order in all future sole source contract reviews for the particular personal or professional service referenced in the court order.

(iii) Any agency alleging to have a sole source for any personal or professional service, other than those exempted under paragraph (f) of this subsection (2) and subsection (8), shall publish on the procurement portal website established by Sections 25-53-151 and 27-104-165, for at least fourteen (14) days, the terms of the proposed contract for those services. In addition, the publication shall include, but is not limited to, the following information:

1. The personal or professional service offered in the contract;
2. An explanation of why the personal or professional service is the only one that can meet the needs of the agency;
3. An explanation of why the source is the only person or entity that can provide the required personal or professional service;
4. An explanation of why the amount to be expended for the personal or professional service is reasonable; and
5. The efforts that the agency went through to obtain the best possible price for the personal or professional service.

(iv) If any person or entity objects and proposes that the personal or professional service published under subparagraph (iii) of this paragraph (o) is not a sole source service and can be provided by another person or entity, then the objecting person or entity shall notify the Public Procurement Review Board and the agency that published the proposed sole source contract with a detailed explanation of why the personal or professional service is not a sole source service.

(v) 1. If the agency determines after review that the personal or professional service in the proposed sole source contract can be provided by another person or entity, then the agency must withdraw the sole source contract publication from the procurement portal website and submit the procurement of the personal or professional service to an advertised competitive bid or selection process.

2. If the agency determines after review that there is only one (1) source for the required personal or professional service, then the agency may appeal to the Public Procurement Review Board. The agency has the burden of proving that the personal or professional service is only provided by one (1) source.

3. If the Public Procurement Review Board has any reasonable doubt as to whether the personal or professional service can only be provided by one (1) source, then the agency must submit the procurement of the personal or professional service to an advertised competitive bid or selection process. No action taken by the Public Procurement Review Board in this appeal process shall be valid unless approved by a majority of the members of the Public Procurement Review Board present and voting.

(vi) The Public Procurement Review Board shall prepare and submit a quarterly report to the House of Representatives and Senate Accountability, Efficiency and Transparency Committees that details the sole source contracts presented to the Public Procurement Review Board and the reasons that the Public Procurement Review Board approved or rejected each contract. These quarterly reports shall also include the documentation and memoranda required in subsection (4) of this section. An agency that

submitted a sole source contract shall be prepared to explain the sole source contract to each committee by December 15 of each year upon request by the committee;

(p) Assess any fines and administrative penalties provided for in Sections 31-7-401 through 31-7-423.

(3) All submissions shall be made sufficiently in advance of each monthly meeting of the Public Procurement Review Board as prescribed by the Public Procurement Review Board. If the Public Procurement Review Board rejects any contract submitted for review or approval, the Public Procurement Review Board shall clearly set out the reasons for its action, including, but not limited to, the policy that the agency has violated in its submitted contract and any corrective actions that the agency may take to amend the contract to comply with the rules and regulations of the Public Procurement Review Board.

(4) All sole source contracts for personal and professional services awarded by state agencies, other than those exempted under Section 27-104-7(2)(f) and (8), whether approved by an agency head or the Public Procurement Review Board, shall contain in the procurement file a written determination for the approval, using a request form furnished by the Public Procurement Review Board. The written determination shall document the basis for the determination, including any market analysis conducted in order to ensure that the service required was practicably available from only one (1) source. A memorandum shall accompany the request form and address the following four (4) points:

(a) Explanation of why this service is the only service that can meet the needs of the purchasing agency;

(b) Explanation of why this vendor is the only practicably available source from which to obtain this service;

(c) Explanation of why the price is considered reasonable; and

(d) Description of the efforts that were made to conduct a noncompetitive negotiation to get the best possible price for the taxpayers.

(5) In conjunction with the State Personnel Board, the Public Procurement Review Board shall develop and promulgate rules and regulations to define the allowable legal relationship between contract employees and the contracting departments, agencies and institutions of state government under the jurisdiction of the State Personnel Board, in compliance with the applicable rules and regulations of the federal Internal Revenue Service (IRS) for federal employment tax purposes. Under these regulations, the usual common law rules are applicable to determine and require that such worker is an independent contractor and not an employee, requiring evidence of lawful behavioral control, lawful financial control and lawful relationship of the parties. Any state department, agency or institution shall only be authorized to contract for personnel services in compliance with those regulations.

(6) No member of the Public Procurement Review Board shall use his or her official authority or influence to coerce, by threat of discharge from employment, or otherwise, the purchase of commodities, the contracting for personal or professional services, or the contracting for public construction under this chapter.

(7) Notwithstanding any other laws or rules to the contrary, the provisions of subsection (2) of this section shall not be applicable to the Mississippi State Port Authority at Gulfport.

(8) Nothing in this section shall impair or limit the authority of the Board of Trustees of the Public Employees' Retirement System to enter into any personal or professional services contracts directly related to their constitutional obligation to manage the trust

funds, including, but not limited to, actuarial, custodial banks, cash management, investment consultant and investment management contracts.

Nothing in this section shall impair or limit the authority of the State Treasurer to enter into any personal or professional services contracts involving the management of trust funds, including, but not limited to, actuarial, custodial banks, cash management, investment consultant and investment management contracts.

(9) Through December 31, 2024, the provisions of this section related to rental agreements or leasing of real property for the purpose of conducting agency business shall not apply to the Office of Workforce Development created in Section 37-153-7.

SECTION 5. Section 71-5-355, Mississippi Code of 1972, as amended by Senate Bill No. 2810, 2023 Regular Session, is amended as follows:

71-5-355. (1) As used in this section, the following words and phrases shall have the following meanings, unless the context clearly requires otherwise:

(a) "Tax year" means any period beginning on January 1 and ending on December 31 of a year.

(b) "Computation date" means June 30 of any calendar year immediately preceding the tax year during which the particular contribution rates are effective.

(c) "Effective date" means January 1 of the tax year.

(d) Except as hereinafter provided, "payroll" means the total of all wages paid for employment by an employer as defined in Section 71-5-11, subsection H, plus the total of all remuneration paid by such employer excluded from the definition of wages by Section 71-5-351. For the computation of modified rates, "payroll" means the total of all wages paid for employment by an employer as defined in Section 71-5-11, subsection H.

(e) For the computation of modified rates, "eligible employer" means an employer whose experience-rating record has been chargeable with benefits throughout the thirty-six (36) consecutive calendar-month period ending on the computation date, except that any employer who has not been subject to the Mississippi Employment Security Law for a period of time sufficient to meet the thirty-six (36) consecutive calendar-month requirement shall be an eligible employer if his or her experience-rating record has been chargeable throughout not less than the twelve (12) consecutive calendar-month period ending on the computation date. No employer shall be considered eligible for a contribution rate less than five and four-tenths percent (5.4%) with respect to any tax year, who has failed to file any two (2) quarterly reports within the qualifying period by September 30 following the computation date. No employer or employing unit shall be eligible for a contribution rate of less than five and four-tenths percent (5.4%) for the tax year in which the employing unit is found by the department to be in violation of Section 71-5-19(2) or (3) and for the next two (2) succeeding tax years. No representative of such employing unit who was a party to a violation as described in Section 71-5-19(2) or (3), if such representative was or is an employing unit in this state, shall be eligible for a contribution rate of less than five and four-tenths percent (5.4%) for the tax year in which such violation was detected by the department and for the next two (2) succeeding tax years.

(f) With respect to any tax year, "reserve ratio" means the ratio which the total amount available for the payment of benefits in the Unemployment Compensation Fund, excluding any amount which has been credited to the account of this state under Section 903 of the Social Security Act, as amended, and which has been appropriated for

the expenses of administration pursuant to Section 71-5-457 whether or not withdrawn from such account, on October 31 (close of business) of each calendar year bears to the aggregate of the taxable payrolls of all employers for the twelve (12) calendar months ending on June 30 next preceding.

(g) "Modified rates" means the rates of employer unemployment insurance contributions determined under the provisions of this chapter and the rates of newly subject employers, as provided in Section 71-5-353.

(h) For the computation of modified rates, "qualifying period" means a period of not less than the thirty-six (36) consecutive calendar months ending on the computation date throughout which an employer's experience-rating record has been chargeable with benefits; except that with respect to any eligible employer who has not been subject to this article for a period of time sufficient to meet the thirty-six (36) consecutive calendar-month requirement, "qualifying period" means the period ending on the computation date throughout which his or her experience-rating record has been chargeable with benefits, but in no event less than the twelve (12) consecutive calendar-month period ending on the computation date throughout which his or her experience-rating record has been so chargeable.

(i) The "exposure criterion" (EC) is defined as the cash balance of the Unemployment Compensation Fund which is available for the payment of benefits as of November 16 of each calendar year or the next working day if November 16 falls on a holiday or a weekend, divided by the total wages, exclusive of wages paid by all state agencies, all political subdivisions, reimbursable nonprofit corporations, and tax-exempt public service employment, for the twelve-month period ending June 30 immediately preceding such date. The EC shall be computed to four (4) decimal places and rounded up if any fraction remains. Notwithstanding any other provision contained herein, the date for determining the cash balance of the Unemployment Compensation Fund which is available for the payment of benefits for the calendar years 2020 and 2021 shall be December 31.

(j) The "cost rate criterion" (CRC) is defined as follows: Beginning with January 1974, the benefits paid for the twelve-month period ending December 1974 are summed and divided by the total wages for the twelve-month period ending on June 30, 1975. Similar ratios are computed by subtracting the earliest month's benefit payments and adding the benefits of the next month in the sequence and dividing each sum of twelve (12) months' benefits by the total wages for the twelve-month period ending on the June 30 which is nearest to the final month of the period used to compute the numerator. If December is the final month of the period used to compute the numerator, then the twelve-month period ending the following June 30 will be used for the denominator. Benefits and total wages used in the computation of the cost rate criterion shall exclude all benefits and total wages applicable to state agencies, political subdivisions, reimbursable nonprofit corporations, and tax-exempt PSE employment.

The CRC shall be computed as the average for the highest monthly value of the cost rate criterion computations during each of the economic cycles since the calendar year 1974 as defined by the National Bureau of Economic Research. The CRC shall be computed to four (4) decimal places and any remainder shall be rounded up.

The CRC shall be adjusted only through annual computations and additions of future economic cycles.

(k) "Size of fund index" (SOFI) is defined as the ratio of the exposure criterion (EC) to the cost rate criterion (CRC). The target size of fund index will be fixed at 1.0. If the insured unemployment rate (IUR) exceeds a four and five-tenths percent (4.5%) average for the most recent completed July to June period, the target SOFI will be .8 and will remain at that level until the computed SOFI (the average exposure criterion of the current year and the preceding year divided by the average cost rate criterion) equals

1.0 or the average IUR falls to four and five-tenths percent (4.5%) or less for any period July to June. However, if the IUR falls below two and five-tenths percent (2.5%) for any period July to June the target SOFI shall be 1.2 until such time as the computed SOFI is equal to or greater than 1.0 or the IUR is equal to or greater than two and five-tenths percent (2.5%), at which point the target SOFI shall return to 1.0.

(l) No employer's unemployment contribution general experience rate plus individual unemployment experience rate shall exceed five and four-tenths percent (5.4%). Accrual rules shall apply for purposes of computing contribution rates including associated functions.

(m) The term "general experience rate" has the same meaning as the minimum tax rate.

(2) Modified rates:

(a) For any tax year, when the reserve ratio on the preceding November 16, in the case of any tax year, equals or exceeds three percent (3%), the modified rates, as hereinafter prescribed, shall be in effect. In computation of this reserve ratio, any remainder shall be rounded down.

(b) Modified rates shall be determined for the tax year for each eligible employer on the basis of his or her experience-rating record in the following manner:

(i) The department shall maintain an experience-rating record for each employer. Nothing in this chapter shall be construed to grant any employer or individuals performing services for him or her any prior claim or rights to the amounts paid by the employer into the fund.

(ii) Benefits paid to an eligible individual shall be charged against the experience-rating record of his or her base period employers in the proportion to which the wages paid by each base period employer bears to the total wages paid to the individual by all the base period employers, provided that benefits shall not be charged to an employer's experience-rating record if the department finds that the individual:

1. Voluntarily left the employ of such employer without good cause attributable to the employer or to accept other work;

2. Was discharged by such employer for misconduct connected with his or her work;

3. Refused an offer of suitable work by such employer without good cause, and the department further finds that such benefits are based on wages for employment for such employer prior to such voluntary leaving, discharge or refusal of suitable work, as the case may be;

4. Had base period wages which included wages for previously uncovered services as defined in Section 71-5-511(e) to the extent that the Unemployment Compensation Fund is reimbursed for such benefits pursuant to Section 121 of Public Law 94-566;

5. Extended benefits paid under the provisions of Section 71-5-541 which are not reimbursable from federal funds shall be charged to the experience-rating record of base period employers;

6. Is still working for such employer on a regular part-time basis under the same employment conditions as hired. Provided, however, that benefits shall be charged against an employer if an eligible individual is paid benefits who is still working for such employer on a part-time "as-needed" basis;

7. Was hired to replace a United States serviceman or servicewoman called into active duty and was laid off upon the return to work by that serviceman or servicewoman, unless such employer is a state agency or other political subdivision or instrumentality of the state;

8. Was paid benefits during any week while in training with the approval of the department, under the provisions of Section 71-5-513B, or for any week while in training approved under Section 236(a)(1) of the Trade Act of 1974, under the provisions of Section 71-5-513C;

9. Is not required to serve the one-week waiting period as described in Section 71-5-505(2). In that event, only the benefits paid in lieu of the waiting period week may be noncharged; or

10. Was paid benefits as a result of a fraudulent claim, provided notification was made to the Mississippi Department of Employment Security in writing or by email by the employer, within ten (10) days of the mailing of the notice of claim filed to the employer's last-known address.

(iii) Notwithstanding any other provision contained herein, an employer shall not be noncharged when the department finds that the employer or the employer's agent of record was at fault for failing to respond timely or adequately to the request of the department for information relating to an unemployment claim that was subsequently determined to be improperly paid, unless the employer or the employer's agent of record shows good cause for having failed to respond timely or adequately to the request of the department for information. For purposes of this subparagraph "good cause" means an event that prevents the employer or employer's agent of record from timely responding, and includes a natural disaster, emergency or similar event, or an illness on the part of the employer, the employer's agent of record, or their staff charged with responding to such inquiries when there is no other individual who has the knowledge or ability to respond. Any agency error that resulted in a delay in, or the failure to deliver notice to, the employer or the employer's agent of record shall also be considered good cause for purposes of this subparagraph.

(iv) The department shall compute a benefit ratio for each eligible employer, which shall be the quotient obtained by dividing the total benefits charged to his or her experience-rating record during the period his or her experience-rating record has been chargeable, but not less than the twelve (12) consecutive calendar-month period nor more than the thirty-six (36) consecutive calendar-month period ending on the computation date, by his or her total taxable payroll for the same period on which all unemployment insurance contributions due have been paid on or before the September 30 immediately following the computation date. Such benefit ratio shall be computed to the tenth of a percent (.1%), rounding any remainder to the next higher tenth.

(v) 1. The unemployment insurance contribution rate for each eligible employer shall be the sum of two (2) rates: his or her individual experience rate in the range from zero percent (0%) to five and four-tenths percent (5.4%), plus a general experience rate. In no event shall the resulting unemployment insurance rate be in excess of five and four-tenths percent (5.4%), however, it is the intent of this section to provide the ability for employers to have a tax rate, the general experience rate plus the individual experience rate, of up to five and four-tenths percent (5.4%).

2. The employer's individual experience rate shall be equal to his or her benefit ratio as computed under paragraph (b)(iv) of this subsection (2).

3. The general experience rate shall be determined in the following manner: The department shall determine annually, for the thirty-six (36) consecutive calendar-month period ending on the computation date, the amount of

benefits which were not charged to the record of any employer and of benefits which were ineffectively charged to the employer's experience-rating record. For the purposes of this item 3, the term "ineffectively charged benefits" shall include:

a. The total of the amounts of benefits charged to the experience-rating records of all eligible employers which caused their benefit ratios to exceed five and four-tenths percent (5.4%);

b. The total of the amounts of benefits charged to the experience-rating records of all ineligible employers which would cause their benefit ratios to exceed five and four-tenths percent (5.4%) if they were eligible employers; and

c. The total of the amounts of benefits charged or chargeable to the experience-rating record of any employer who has discontinued his or her business or whose coverage has been terminated within such period; provided, that solely for the purposes of determining the amounts of ineffectively charged benefits as herein defined, a "benefit ratio" shall be computed for each ineligible employer, which shall be the quotient obtained by dividing the total benefits charged to his or her experience-rating record throughout the period ending on the computation date, during which his or her experience-rating record has been chargeable with benefits, by his or her total taxable payroll for the same period on which all unemployment insurance contributions due have been paid on or before the September 30 immediately following the computation date; and provided further, that such benefit ratio shall be computed to the tenth of one percent (.1%) and any remainder shall be rounded to the next higher tenth.

The ratio of the sum of these amounts (subsection (2)(b)(v)3a, b and c) to the taxable wages paid during the same period divided by all eligible employers whose benefit ratio did not exceed five and four-tenths percent (5.4%), computed to the next higher tenth of one percent (.1%), shall be the general experience rate; however, the general experience rate for rate year 2014 shall be two-tenths of one percent (.2%) and to that will be added the employer's individual experience rate for the total unemployment insurance rate.

4. a. Except as otherwise provided in this item 4, the general experience rate shall be adjusted by use of the size of fund index factor. This factor may be positive or negative, and shall be determined as follows: From the target SOFI, as defined in subsection (1)(k) of this section, subtract the simple average of the current and preceding years' exposure criterions divided by the cost rate criterion, as defined in subsection (1)(j) of this section. The result is then multiplied by the product of the CRC, as defined in subsection (1)(j) of this section, and total wages for the twelve-month period ending June 30 divided by the taxable wages for the twelve-month period ending June 30. This is the percentage positive or negative added to the general experience rate. The sum of the general experience rate and the trust fund adjustment factor shall be multiplied by fifty percent (50%) and this product shall be computed to one (1) decimal place, and rounded to the next higher tenth.

b. Notwithstanding the minimum rate provisions as set forth in subsection (1)(l) of this section, the general experience rate of all employers shall be reduced by seven one-hundredths of one percent (.07%) for calendar year 2013 only.

5. The general experience rate shall be zero percent (0%) unless the general experience ratio for any tax year as computed and adjusted on the basis of the trust fund adjustment factor and reduced by fifty percent (50%) is an amount equal to or greater than two-tenths of one percent (.2%), then the general experience rate shall be the computed general experience ratio and adjusted on the basis of the trust fund adjustment factor and reduced by fifty percent (50%); however, in no case shall the sum of the general experience plus the individual experience unemployment insurance rate exceed five and four-tenths percent (5.4%). For rate years subsequent to 2014,

Mississippi Workforce Enhancement Training contribution rate, and/or * * * Mississippi Office of Workforce Development contribution rate, and/or Mississippi Works contribution rate, when in effect, shall be added to the unemployment contribution rate, regardless of whether the addition of this contribution rate causes the total contribution rate for the employer to exceed five and four-tenths percent (5.4%).

6. The department shall include in its annual rate notice to employers a brief explanation of the elements of the general experience rate, and shall include in its regular publications an annual analysis of benefits not charged to the record of any employer, and of the benefit experience of employers by industry group whose benefit ratio exceeds four percent (4%), and of any other factors which may affect the size of the general experience rate.

7. Notwithstanding any other provision contained herein, the general experience rate for calendar year 2021 shall be zero percent (0%). Charges attributed to each employer's individual experience rate for the period March 8, 2020, through June 30, 2020, will not impact the employer's individual experience rate calculations for purposes of calculating the total unemployment insurance rate for 2021 and the two (2) subsequent tax rate years. Moreover, charges attributed to each employer's individual experience rate for the period July 1, 2020, through December 31, 2020, will not impact the employer's individual experience rate calculations for purposes of calculating the total unemployment insurance rate for 2022 and the two (2) subsequent tax rate years. Furthermore, noncharges as defined hereinabove caused by the COVID-19 pandemic will not be used for the purpose of calculating the general experience rate.

(vi) When any employing unit in any manner succeeds to or acquires the organization, trade, business or substantially all the assets thereof of an employer, excepting any assets retained by such employer incident to the liquidation of his or her obligations, whether or not such acquiring employing unit was an employer within the meaning of Section 71-5-11, subsection H, prior to such acquisition, and continues such organization, trade or business, the experience-rating and payroll records of the predecessor employer shall be transferred as of the date of acquisition to the successor employer for the purpose of rate determination.

(vii) When any employing unit succeeds to or acquires a distinct and severable portion of an organization, trade or business, the experience-rating and payroll records of such portion, if separately identifiable, shall be transferred to the successor upon:

1. The mutual consent of the predecessor and the successor;
2. Approval of the department;
3. Continued operation of the transferred portion by the successor after transfer; and
4. The execution and the filing with the department by the predecessor employer of a waiver relinquishing all rights to have the experience-rating and payroll records of the transferred portion used for the purpose of determining modified rates of contribution for such predecessor.

(viii) If the successor was an employer subject to this chapter prior to the date of acquisition, it shall continue to pay unemployment insurance contributions at the rate applicable to it from the date the acquisition occurred until the end of the then current tax year. If the successor was not an employer prior to the date of acquisition, it shall pay unemployment insurance contributions at the rate applicable to the predecessor or, if more than one (1) predecessor and the same rate is applicable to both, the rate applicable to the predecessor or predecessors, from the date the acquisition occurred

until the end of the then current tax year. If the successor was not an employer prior to the date the acquisition occurred and simultaneously acquires the businesses of two (2) or more employers to whom different rates of unemployment insurance contributions are applicable, it shall pay unemployment insurance contributions from the date of the acquisition until the end of the current tax year at a rate computed on the basis of the combined experience-rating and payroll records of the predecessors as of the computation date for such tax year. In all cases the rate of unemployment insurance contributions applicable to such successor for each succeeding tax year shall be computed on the basis of the combined experience-rating and payroll records of the successor and the predecessor or predecessors.

(ix) The department shall notify each employer quarterly of the benefits paid and charged to his or her experience-rating record; and such notification, in the absence of an application for redetermination filed within thirty (30) days after the date of such notice, shall be final, conclusive and binding upon the employer for all purposes. A redetermination, made after notice and opportunity for a fair hearing, by a hearing officer designated by the department who shall consider and decide these and related applications and protests; and the finding of fact in connection therewith may be introduced into any subsequent administrative or judicial proceedings involving the determination of the rate of unemployment insurance contributions of any employer for any tax year, and shall be entitled to the same finality as is provided in this subsection with respect to the findings of fact in proceedings to redetermine the contribution rate of an employer.

(x) The department shall notify each employer of his or her rate of contribution as determined for any tax year as soon as reasonably possible after September 1 of the preceding year. Such determination shall be final, conclusive and binding upon such employer unless, within thirty (30) days after the date of such notice to his or her last-known address, the employer files with the department an application for review and redetermination of his or her contribution rate, setting forth his or her reasons therefor. If the department grants such review, the employer shall be promptly notified thereof and shall be afforded an opportunity for a fair hearing by a hearing officer designated by the department who shall consider and decide these and related applications and protests; but no employer shall be allowed, in any proceeding involving his or her rate of unemployment insurance contributions or contribution liability, to contest the chargeability to his or her account of any benefits paid in accordance with a determination, redetermination or decision pursuant to Sections 71-5-515 through 71-5-533 except upon the ground that the services on the basis of which such benefits were found to be chargeable did not constitute services performed in employment for him or her, and then only in the event that he or she was not a party to such determination, redetermination, decision or to any other proceedings provided in this chapter in which the character of such services was determined. The employer shall be promptly notified of the denial of this application or of the redetermination, both of which shall become final unless, within ten (10) days after the date of notice thereof, there shall be an appeal to the department itself. Any such appeal shall be on the record before said designated hearing officer, and the decision of said department shall become final unless, within thirty (30) days after the date of notice thereof to the employer's last-known address, there shall be an appeal to the Circuit Court of the First Judicial District of Hinds County, Mississippi, in accordance with the provisions of law with respect to review of civil causes by certiorari.

(3) Notwithstanding any other provision of law, the following shall apply regarding assignment of rates and transfers of experience:

(a) (i) If an employer transfers its trade or business, or a portion thereof, to another employer and, at the time of the transfer, there is substantially common ownership, management or control of the two (2) employers, then the unemployment experience attributable to the transferred trade or business shall be transferred to the employer to whom such business is so transferred. The rates of both employers shall be

recalculated and made effective on January 1 of the year following the year the transfer occurred.

(ii) If, following a transfer of experience under subparagraph (i) of this paragraph (a), the department determines that a substantial purpose of the transfer of trade or business was to obtain a reduced liability of unemployment insurance contributions, then the experience-rating accounts of the employers involved shall be combined into a single account and a single rate assigned to such account.

(b) Whenever a person who is not an employer or an employing unit under this chapter at the time it acquires the trade or business of an employer, the unemployment experience of the acquired business shall not be transferred to such person if the department finds that such person acquired the business solely or primarily for the purpose of obtaining a lower rate of unemployment insurance contributions. Instead, such person shall be assigned the new employer rate under Section 71-5-353, unless assignment of the new employer rate results in an increase of less than two percent (2%), in which case such person would be assigned the new employer rate plus an additional two percent (2%) penalty for the rate year. In determining whether the business was acquired solely or primarily for the purpose of obtaining a lower rate of unemployment insurance contributions, the department shall use objective factors which may include the cost of acquiring the business, whether the person continued the business enterprise of the acquired business, how long such business enterprise was continued, or whether a substantial number of new employees were hired for performance of duties unrelated to the business activity conducted prior to acquisition.

(c) (i) If a person knowingly violates or attempts to violate paragraph (a) or (b) of this subsection or any other provision of this chapter related to determining the assignment of a contribution rate, or if a person knowingly advises another person in a way that results in a violation of such provision, the person shall be subject to the following penalties:

1. If the person is an employer, then such employer shall be assigned the highest rate assignable under this chapter for the rate year during which such violation or attempted violation occurred and the three (3) rate years immediately following this rate year. However, if the person's business is already at such highest rate for any year, or if the amount of increase in the person's rate would be less than two percent (2%) for such year, then the person's tax rate shall be increased by two percent (2%) for such year. The penalty rate will apply to the successor business as well as the related entity from which the employees were transferred in an effort to obtain a lower rate of unemployment insurance contributions.

2. If the person is not an employer, such person shall be subject to a civil money penalty of not more than Five Thousand Dollars (\$5,000.00). Each such transaction for which advice was given and each occurrence or reoccurrence after notification being given by the department shall be a separate offense and punishable by a separate penalty. Any such fine shall be deposited in the penalty and interest account established under Section 71-5-114.

(ii) For purposes of this paragraph (c), the term "knowingly" means having actual knowledge of or acting with deliberate ignorance or reckless disregard for the prohibition involved.

(iii) For purposes of this paragraph (c), the term "violates or attempts to violate" includes, but is not limited to, intent to evade, misrepresentation or willful nondisclosure.

(iv) In addition to the penalty imposed by subparagraph (i) of this paragraph (c), any violation of this subsection may be punishable by a fine of not more than Ten Thousand Dollars (\$10,000.00) or by imprisonment for not more than five (5)

years, or by both such fine and imprisonment. This subsection shall prohibit prosecution under any other criminal statute of this state.

(d) The department shall establish procedures to identify the transfer or acquisition of a business for purposes of this subsection.

(e) For purposes of this subsection:

(i) "Person" has the meaning given such term by Section 7701(a)(1) of the Internal Revenue Code of 1986; and

(ii) "Employing unit" has the meaning as set forth in Section 71-5-11.

(f) This subsection shall be interpreted and applied in such a manner as to meet the minimum requirements contained in any guidance or regulations issued by the United States Department of Labor.

SECTION 6. Section 71-5-453, Mississippi Code of 1972, is amended as follows:

71-5-453. The department shall be the treasurer and custodian of the fund, and shall administer such fund in accordance with the directions of the department, and shall issue its warrants upon it in accordance with such regulations as the department shall prescribe. The department shall maintain within the fund three (3) separate accounts: (a) a clearing account, (b) an unemployment trust fund account, and (c) a benefit payment account. All monies payable to the fund, upon receipt thereof by the department, shall be immediately deposited in the clearing account. Refunds payable pursuant to Section 71-5-383 may be paid from the clearing account by the department. Transfers pursuant to Section 71-5-114 of all interest, penalties and damages collected shall be made to the Special Employment Security Administration Fund as soon as practicable after the end of each calendar quarter. Workforce Enhancement Training contributions, * * * Mississippi Office of Workforce Development contributions and Mississippi Works contributions shall be deposited into the Workforce Investment and Training Holding Account as described in this section. All other monies in the clearing account shall be immediately deposited with the Secretary of the Treasury of the United States of America to the Unemployment Trust Fund account for the State of Mississippi, established and maintained pursuant to Section 904 of the Social Security Act, as amended, any provisions of law in this state relating to the deposit, administration, release or disbursement of monies in the possession or custody of this state to the contrary notwithstanding. The benefit account shall consist of all monies requisitioned from this state's account in the Unemployment Trust Fund. Except as herein otherwise provided, monies in the clearing and benefit accounts may be deposited by the department, in any bank or public depository in which general funds of the state may be deposited, but no public deposit insurance charge or premium shall be paid out of the fund. The department shall be liable for the faithful performance of its duties in connection with the Unemployment Compensation Fund under this chapter. A Workforce Investment and Training Holding Account shall be established by and maintained under the control of the Mississippi Department of Employment Security. Contributions collected pursuant to the provisions in this chapter for the Workforce Enhancement Training Fund, * * * Mississippi Office of Workforce Development Fund and the Mississippi Works Fund shall be transferred from the clearing account into the Workforce Investment and Training Holding Account on the same schedule and under the same conditions as funds transferred to the Unemployment Compensation Fund. Such funds shall remain on deposit in the holding account for a period of thirty (30) days. After such period, Workforce Enhancement Training contributions shall be transferred to the appropriate Mississippi Community College Board Treasury Account, with oversight provided by the Mississippi Office of Workforce Development, by the department. The * * * Mississippi Office of Workforce Development contributions shall be transferred to the * * * Mississippi Office of Workforce Development Treasury Account for the Mississippi Office of Workforce Development Fund. The Mississippi Works contributions shall be transferred to the Mississippi Department of

Employment Security Treasury Account for the Mississippi Works Fund. Such transfers shall occur within fifteen (15) days after the funds have resided in the Workforce Investment and Training Holding Account for thirty (30) days. One (1) such transfer shall be made monthly, but the department, in its discretion, may make additional transfers in any month. In the event such funds transferred are subsequently determined to be erroneously paid or collected, or if deposit of such funds is denied or rejected by the banking institution for any reason, or deposits are unable to clear drawer's account for any reason, the funds must be reimbursed by the recipient of such funds within thirty (30) days of mailing of notice by the department demanding such refund, unless funds are available in the Workforce Investment and Training Holding Account. In that event such amounts shall be immediately withdrawn from the Workforce Investment and Training Holding Account by the department and redeposited into the clearing account.

SECTION 7. Section 25-61-5, Mississippi Code of 1972, is amended as follows:

25-61-5. (1) (a) Except as otherwise provided by Sections 25-61-9, 25-61-11 * * *, 25-61-11.2 and 37-153-7, all public records are hereby declared to be public property, and any person shall have the right to inspect, copy or mechanically reproduce or obtain a reproduction of any public record of a public body in accordance with reasonable written procedures adopted by the public body concerning the cost, time, place and method of access, and public notice of the procedures shall be given by the public body, or, if a public body has not adopted written procedures, the right to inspect, copy or mechanically reproduce or obtain a reproduction of a public record of the public body shall be provided within one (1) working day after a written request for a public record is made. No public body shall adopt procedures which will authorize the public body to produce or deny production of a public record later than seven (7) working days from the date of the receipt of the request for the production of the record.

(b) If a public body is unable to produce a public record by the seventh working day after the request is made, the public body must provide a written explanation to the person making the request stating that the record requested will be produced and specifying with particularity why the records cannot be produced within the seven-day period. Unless there is mutual agreement of the parties, or the information requested is part of ongoing negotiations related to a request for competitive sealed proposals, in no event shall the date for the public body's production of the requested records be any later than fourteen (14) working days from the receipt by the public body of the original request. Production of competitive sealed proposals in accordance with requests made pursuant to this section shall be no later than seven (7) working days after the notice of intent to award is issued to the winning proposer. Persons making a request for production of competitive sealed proposals after the notice of intent to award is issued by the public body shall have a reasonable amount of time, but in no event less than seven (7) working days after the production of the competitive sealed proposals, to protest the procurement or intended award prior to contract execution. However, in any instance where a person has filed for a protective order for a competitive sealed proposal and the court has not ruled on the protective order within ninety (90) days of filing, then the public body may proceed with awarding the contract without production of competitive sealed proposals and the contract may be protested after execution.

(2) If any public record contains material which is not exempted under this chapter, the public agency shall redact the exempted material and make the nonexempted material available for examination. Such public agency shall be entitled to charge a reasonable fee for the redaction of any exempted material, not to exceed the agency's actual cost.

(3) Denial by a public body of a request for access to or copies of public records under this chapter shall be in writing and shall contain a statement of the specific exemption relied upon by the public body for the denial. Each public body shall maintain a file of all denials of requests for public records. Public bodies shall be required to preserve such denials on file for not less than three (3) years from the date such denials

are made. This file shall be made available for inspection or copying, or both, during regular office hours to any person upon written request.

(4) This section shall stand repealed on July 1, 2024.

SECTION 8. This act shall take effect and be in force from and after July 1, 2023.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 71-5-353, MISSISSIPPI CODE OF 1972, TO CREATE THE MISSISSIPPI OFFICE OF WORKFORCE DEVELOPMENT FUND IN THE STATE TREASURY WHICH SHALL CONSIST OF FUNDS COLLECTED FROM THE OFFICE OF WORKFORCE DEVELOPMENT CONTRIBUTIONS AND ANY OTHER MONIES THAT MAY BE APPROPRIATED TO IT FROM THE LEGISLATURE; TO PROVIDE THAT THE STATE WORKFORCE INVESTMENT BOARD CONTRIBUTIONS THAT WERE BEING DEPOSITED INTO THE STATE WORKFORCE INVESTMENT BOARD BANK ACCOUNT SHALL NOW BE CONTRIBUTIONS FOR THE MISSISSIPPI OFFICE OF WORKFORCE DEVELOPMENT AND DEPOSITED INTO THE MISSISSIPPI OFFICE OF WORKFORCE DEVELOPMENT FUND; TO PROVIDE THAT ADMINISTRATIVE FEES COLLECTED FOR THE TRAINING PROVIDED USING THE MISSISSIPPI WORKFORCE ENHANCEMENT TRAINING AND MISSISSIPPI WORKS FUNDS MAY NOT BE MORE THAN FIVE PERCENT; TO PROVIDE THAT THE MISSISSIPPI DEPARTMENT OF EMPLOYMENT SECURITY SHALL BE THE FISCAL AGENT FOR ALL FUNDS APPROPRIATED TO IT FOR USE BY THE OFFICE OF WORKFORCE DEVELOPMENT; TO CREATE A NEW SECTION THAT ESTABLISHES THE MISSISSIPPI K-12 WORKFORCE DEVELOPMENT GRANT PROGRAM; TO PROVIDE THAT THE PURPOSE FOR THE GRANT PROGRAM SHALL BE FOR CONSTRUCTING, REMODELING, PURCHASING OR UPGRADING EQUIPMENT OR OTHERWISE PROVIDING SUPPORT TO CAREER TECHNICAL CENTERS AT THE K-12 EDUCATION LEVEL; TO PROVIDE HOW A SCHOOL MAY APPLY FOR A GRANT; TO PROVIDE THAT MAXIMUM AMOUNT OF FUNDS THAT MAY BE USED FOR ADMINISTERING THE PROGRAM; TO PROVIDE THE REPORTING REQUIREMENTS OF THE PROGRAM; TO AMEND SECTION 37-153-7, MISSISSIPPI CODE OF 1972, TO REVISE THE REPORTING REQUIREMENTS OF THE OFFICE OF WORKFORCE DEVELOPMENT; TO PROVIDE SPECIFIC POWERS AND DUTIES FOR THE OFFICE OF WORKFORCE DEVELOPMENT; TO PROVIDE TIME-LIMITED EXEMPTIONS FROM THE MISSISSIPPI PUBLIC RECORDS ACT FOR CERTAIN RECORDS AND CONFIDENTIAL CLIENT INFORMATION FROM THE MISSISSIPPI DEVELOPMENT AUTHORITY OR LOCAL ECONOMIC DEVELOPMENT ENTITIES HELD BY THE OFFICE OF WORKFORCE DEVELOPMENT; TO AMEND SECTIONS 71-5-355 AND 71-5-453, MISSISSIPPI CODE OF 1972, TO CONFORM TO THE PROVISIONS OF THIS ACT; TO AMEND SECTION 27-104-7, MISSISSIPPI CODE OF 1972, AS AMENDED BY HOUSE BILL NO. 249, HOUSE BILL NO. 540 AND SENATE BILL NO. 2810, 2023 REGULAR SESSION, TO CONFORM TO THE PROVISIONS OF THIS ACT; TO AMEND SECTION 25-61-5, MISSISSIPPI CODE OF 1972, TO CONFORM; AND FOR RELATED PURPOSES.

SECTION 1. Section 35-3-21, Mississippi Code of 1972, as amended by Senate Bill No. 2197, 2023 Regular Session, is amended as follows:

35-3-21. Two (2) or more counties may, upon resolution duly adopted by the board of supervisors of each of such counties, agree to establish one (1) veteran service office for all of such counties. When two (2) or more counties enter into such an agreement, each county shall pay such amount mutually agreed upon and duly adopted by resolution of the respective boards of supervisors.

County veteran service officers shall be (a) honorably discharged or honorably released veterans; (b) the surviving spouse or child of any such * * * veteran, living or deceased; or (c) any person employed as a county veteran service officer in any county of this state on March 30, 1990. From and after July 1, 1990, county veteran service officers shall be certified by the Mississippi State Veterans Affairs Board which, among any other criteria it may establish, shall require such officers to (a) attend one (1) of the annual training programs provided for such officers by the Mississippi State Veterans Affairs Board, (b) successfully complete a written examination each year on the duties and responsibilities of and assistance available to such officers and veterans, (c) have certification and be accredited according to 38 CFR Section 14.629 administered by the Mississippi State Veterans Affairs Board, and (d) follow the rules and regulations promulgated by the Mississippi State Veterans Affairs Board. County veteran service officers who annually receive and complete such instruction in a manner satisfactory to the Veterans Affairs Board and in accordance with this section shall be certified by the board. No county veteran service officer shall be entitled to receive any compensation for his services, to which he is otherwise entitled by law, unless he is annually certified by the board. Persons who cannot meet the accreditation standards of hours worked for county veteran service officers may be certified by the Mississippi State Veterans Affairs Board as Veterans Resource Advisors and be entitled to receive any compensation for his services as authorized by law.

County veteran service officers may be employed, in the discretion of the boards of supervisors, either full time or part time.

County veteran service officers shall be authorized and empowered to act for a veteran under a written power of attorney authorized by the veteran for the purpose of assisting with claims, benefits, and appeals in an administrative hearing before the United States Department of Veterans Affairs and any of its boards or departments, and shall be immune from legal action only for such actions except in cases of abuse, fraud or breach of fiduciary duty.

The boards of supervisors of the various counties are authorized and directed to provide necessary office space and communications connectivity for county veteran service officers.

The boards of supervisors of the various counties are further authorized and empowered to pay all necessary and actual expenses of county veteran service officers who attend a school of instruction within the State of Mississippi for such county veteran service officers.

Such expenditures may be made by the several counties acting alone, or in cooperation with other counties, and in cooperation with any federal or state agency carrying out such purposes.

In the event that the general revenues of the county levied under and within the limits of existing taxing statutes are not sufficient to pay the expenses authorized herein, the board of supervisors may, in its discretion, levy an additional tax not to exceed one (1) mill on all taxable property in the county to defray such expenses or any part thereof. Any tax levy made under authority of this chapter shall not be considered in refunding homestead exemption losses under Title 27, Chapter 33, Mississippi Code of 1972.

Approved continuing education hours earned in the final three (3) months of a licensee's renewal period, if in excess of the required minimum sixteen (16) hours, may be carried over and credited to the next renewal period. (b) "Governing body" means with respect to any public school district or public charter school, the local school board or charter school board, as applicable; with respect to any private school, the board or other governing body of the private school as provided in the charter, bylaws, or other governing documents of the school.

The department shall administer the program through the Office of Homeland Security. In consultation with the Mississippi Department of Education, the department shall establish the program and promulgate rules, regulations, and establish training requirements.

(4) The governing body of a school, in consultation with school administrators and the department, may establish a program under this act. The department or the governing

body of a school may discontinue a school's participation in the program at anytime. If the governing body of a school establishes a program under this act, the governing body of a school shall designate employees to participate in the training program developed by the department by which designated and trained school employees are authorized to carry concealed firearms for the protection of the students, employees and others on the campus of the school. The scope and purpose of each program shall include responding to an active shooter situation or other situation that would cause death or serious bodily harm on the school campus or in the immediate vicinity of the school campus. The school safety guardian's weapon shall always remain under his or her physical control on campus.

(5) A designated school safety guardian is immune from civil liability for any action taken by the school safety guardian if the action in question occurs during the reasonable exercise of and within the course and scope of the designated School Safety Guardian's official duties. School Safety Guardians are charged with these duties and must act in accordance with these duties to maintain their immunity. If a School Safety Guardian is found to have failed to carry out their official duties, the immunity described in this subsection shall be waived.

(6) School Safety Guardians shall be paid a monthly stipend in an amount not less than One Hundred Dollars (\$100.00), but not more than Five Hundred Dollars (\$500.00) by the school district, however, no funds received by school districts under the Elementary and Secondary Education Act (ESEA) shall be used to pay the stipends authorized under this subsection in accordance with the prohibition on the use of such funds as prescribed in Section 13401 of the Bipartisan Safer Communities Act, Public Law 117-159, 117th Congress of the United States, which amends the ESEA (20 USCS Section 7906 (Supp. 2022)).

(ii) Has an endorsement authorized by Section 97-37-7; and

(iii) Has current certification in CPR and First Aid.

(c) The department may establish a fee in an amount that is sufficient to cover the costs of the training program under this section to be paid to the training academy by the governing body of the school.

(d) The department shall adopt rules to administer this section, including a method to identify license holders who have completed a School Safety Guardian training certification course and setting a fee to be charged by the department for the issuance or reissuance of identification of the license holder as being certified.

(e) The department shall adopt rules and regulations that require review of the firearms training policies and procedures of school districts that authorized its employees to carry concealed firearms as part of a school safety program before the effective date of this act. Upon review of such rules and regulations, if the department determines that such district's policies and procedures conform to the department's training standards under the authority of this act, the department shall approve such district's policies and procedures and all employees of such school district that have completed the approved training shall receive all authority and protections provided by this act to carry concealed firearms as part of an approved school safety guardian program. However, if the department determines that such district's policies and procedures fail to conform to the department's training standards under the authority of this act, the employees of the district shall be required to comply with the requirements under this act to carry concealed firearms as part of an approved school safety guardian program.

(9) A person who is indicted or charged with a violation of criminal law while acting as a School Safety Guardian may assert as a defense, in addition to any other defense available, that, at the time of the action in question, the person was a certified School Safety Guardian, was then actually engaged in the performance of the person's duties as a School Safety Guardian, and had met the requirements of this section at the time of the action in question.

SECTION 3. Section 97-3-15, Mississippi Code of 1972, is amended as follows:

97-3-15. (1) The killing of a human being by the act, procurement or omission of another shall be justifiable in the following cases:

(a) When committed by public officers, or those acting by their aid and assistance, in obedience to any judgment of a competent court;

(c) When necessarily committed by public officers, or those acting by their command in their aid and assistance, in retaking any felon who has been rescued or has escaped;

(d) When necessarily committed by public officers, or those acting by their command in their aid and assistance, in arresting any felon fleeing from justice;

(e) When committed by any person in resisting any attempt unlawfully to kill such person or to commit any felony upon him, or upon or in any dwelling, in any occupied vehicle, in any place of business, in any place of employment or in the immediate premises thereof in which such person shall be;

(f) When committed in the lawful defense of one's own person or any other human being, where there shall be reasonable ground to apprehend a design to commit a felony or to do some great personal injury, and there shall be imminent danger of such design being accomplished;

(g) When necessarily committed in attempting by lawful ways and means to apprehend any person for any felony committed;

(h) When necessarily committed in lawfully suppressing any riot or in lawfully keeping and preserving the peace; * * *

(i) When necessarily committed in the performance of duty as a member of a church or place of worship security program as described in Section 45-9-171 * * *; and

(j) When necessarily committed in the performance of duty as a member of a School Safety Guardian Program as described in Section 45-9-181.

The public officer or person acting by or at the officer's command may act upon a reasonable apprehension of the surrounding circumstances; however, such officer or person shall not use excessive force or force that is greater than reasonably necessary in securing and detaining the offender, overcoming the offender's resistance, preventing the offender's escape, recapturing the offender if the offender escapes or in protecting himself or others from bodily harm.

(3) A person who uses defensive force shall be presumed to have reasonably feared imminent death or great bodily harm, or the commission of a felony upon him or another or upon his dwelling, or against a vehicle which he was occupying, or against his business or place of employment or the immediate premises of such business or place of employment, if the person against whom the defensive force was used, was in the process of unlawfully and forcibly entering, or had unlawfully and forcibly entered, a dwelling, occupied vehicle, business, place of employment or the immediate premises thereof or if that person had unlawfully removed or was attempting to unlawfully remove another against the other person's will from that dwelling, occupied vehicle, business, place of employment or the immediate premises thereof and the person who used defensive force knew or had reason to believe that the forcible entry or unlawful and forcible act was occurring or had occurred. (4) A person who is not the initial aggressor and is not engaged in unlawful activity shall have no duty to retreat before using deadly force under subsection (1)(e) or (f) of this section if the person is in a place where the person has a right to be, and no finder of fact shall be permitted to consider the person's failure to retreat as evidence that the person's use of force was unnecessary, excessive or unreasonable.

(5) (a) The presumptions contained in subsection (3) of this section shall apply in civil cases in which self-defense or defense of another is claimed as a defense.

(b) The court shall award reasonable attorney's fees, court costs, compensation for loss of income, and all expenses incurred by the defendant in defense of any civil action brought by a plaintiff if the court finds that the defendant acted in accordance with subsection (1)(e) or (f) of this section. MR. PRESIDENT AND MR. SPEAKER:

2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) This article shall be known and may be cited as the "American Rescue Plan Act (ARPA) Nurse/Allied Health Workforce Development and Retention Act." (2) As used in this article, "office" means the Office of Workforce Development established in Section 37-153-7.

SECTION 2. (1) The Mississippi Legislature finds that:

(b) Workforce shortages exist in the health care industry; and

(c) The availability of unprecedented federal funding to mitigate the impact of COVID-19 on the workforce and economy has created a unique opportunity for the office, working with community colleges, to provide education and training to help Mississippians find employment in the nursing, allied health and other health care fields, including paramedics.

(2) Therefore, the intent of the Mississippi Legislature is:

(a) To provide funding for outreach efforts to connect citizens seeking employment in nursing, allied health, and other health care fields, including paramedics, with the education and training required to obtain necessary skills for relevant employment in the state;

(b) To provide funding for new and increased capacity in existing nursing and allied health training programs, including accredited paramedic programs, or to help retain and graduate nursing and allied health students, including students in an accredited paramedic program, to include any required equipment or supplies, at community and junior colleges or through other entities facilitating healthcare-focused workforce training programs across the state;

(c) To provide funding for new and increased capacity in physician residency and fellowship programs in hospitals across the state; and

(d) To gauge the effectiveness of these programs by gathering data related to participation and wage and employment outcomes in order to replicate successful efforts in future workforce development programs.

SECTION 3. (1) There is established the Accelerate Mississippi Nursing/Allied Health Grant Program, which shall be directed by the office for the purpose of increasing capacity in nursing and allied health training programs, including accredited paramedic programs, job sectors which were severely impacted by the disruption to the economy and workforce caused by COVID-19.

(2) For purposes of this section, the following words shall have the meanings ascribed herein unless the context requires otherwise:

(a) "Grant program" means the program established in this section, which provides funding, as determined by the office, from federal COVID-19 relief funds to sustain and increase capacity in nursing and allied health education and training programs, including accredited paramedic programs, or to help retain and graduate nursing and allied health students, at community and junior colleges or other entities facilitating healthcare-focused training programs as determined by the office.

(b) "Recipient" means a community or junior college or other entities facilitating healthcare-focused training programs as determined by the office.

(c) "Trainee" means an individual receiving training or other services through the grant program under this article with the goal of becoming employed in the nursing or allied health field, including as a licensed paramedic.

(d) "COVID-19" means the Coronavirus Disease 2019.

(e) "Federal COVID-19 relief funds" means funds allocated to the State of Mississippi from the Coronavirus State Fiscal Recovery Fund in Section 9901 of the American Rescue Plan Act of 2021 (Public Law No. 117-2).

(f) "High-wage, high-demand industry" means those nursing or allied health jobs, including paramedics, paying above Mississippi's median annual income and prioritized by the office.

(g) "Eligible expenses" means a cost incurred by a recipient under this article, to include:

(i) Necessary equipment or other supplies to sustain or increase capacity in nursing or allied health training programs, including accredited paramedic programs;

(ii) Necessary infrastructure, including building renovation or construction, for increasing capacity in nursing or allied health training programs, including accredited paramedic programs;

(iii) Curricula or other academic or training materials to sustain or increase capacity in nursing or allied health training programs, including accredited paramedic programs;

(iv) Remote learning or other classroom technology to sustain or increase capacity in nursing or allied health training programs, including accredited paramedic programs;

(vi) Recruitment programs for nursing or allied health students and graduates, including those in accredited paramedic programs;

(vii) Other services aimed at helping retain and graduate current nursing and allied health students, including those in accredited paramedic programs.

(3) The Department of Employment Security shall serve as fiscal agent in administering the funds.

(4) Subject to appropriation by the Legislature, allocations to recipients shall be awarded by the office through an application process, which shall require the applicant to provide:

(a) A detailed explanation of the program the applicant intends to use awarded funds to create or expand, to include:

(i) A description of the nursing or allied health workforce shortage the program is intended to address, including specific information from hospitals, clinics, long-term care facilities or other health care providers in the region;

(ii) Any relevant waitlist or other information demonstrating high demand for graduates from the relevant nursing or allied health program;

SECTION 9. Section 49-15-27, Mississippi Code of 1972, is amended as follows:

49-15-27. The department is hereby granted full and complete authority to lease the bottoms within its jurisdiction upon the following terms and conditions:

(1) All areas within the department's jurisdiction, not designated * * * state-owned reefs by this chapter, * * * including natural reefs and all areas not within the boundaries of riparian property owners may be leased by the department.

(2) All individual lessees shall be residents of the State of Mississippi, or if a firm or corporation, such firm or corporation shall be organized under the laws of the State of Mississippi and owned by a resident of the State of Mississippi.

(3) No individual, corporation, partnership or association may lease less than one (1) acre nor more than * * * two thousand five hundred (2,500) acres total; however, in the case of an individual there shall * * * be counted towards such limitation any lands leased by a corporation, partnership or association in which such individual owns ten percent (10%) or less interest and, in the case of a corporation, partnership or association, there shall * * * be counted toward such limitation any lands leased by an individual stockholder, partner or associate thereof who owns ten percent (10%) or less interest in such corporation, partnership or association.

(4) Individuals, firms or corporations desiring to lease bottoms shall make application to the department in writing, describing the area to be leased. Applications must include a plat showing the proposed lease area and description of cultch material type and amount to be deployed on the leased area.

(5) * * * (a) Any person who qualifies and who desires to lease a part of the bottom or bed of any of the waters of this state as provided in this section shall present to the department a written application, and pay an application fee in the amount of Fifty Dollars (\$50.00). This application shall contain the name and address of the applicant and a reasonably definite description of the location and amount of land covered by water

desired by the applicant. Upon receipt of the application, the department shall then register the application with date and time stamped thereon, shall order an examination to determine whether the water bottoms applied for are leasable, and shall determine the acreage upon which the rental of the lease shall be fixed. If the area is found to be leasable, the department shall either make a lease with the applicant or issue a written notice declining the application with reasons for same within *** thirty (30) days *** of the date of the application. Such lease *** shall be for the area described in the application upon payment of the prorated annual rent in advance for the remainder of the calendar year.

(b) When applications are made by two (2) or more persons for the same water bottoms, the applicant or the heirs or transferors of a deceased applicant who files the first application has prior claim.

(c) The department shall require that the bottoms of water areas to be leased be as definable as possible, taking into consideration such factors as the shape of the body of water, and the condition of the bottom as to hardness or softness which would render it desirable or undesirable for the purpose of oyster cultivation.

(d) The provisions of this subsection shall apply only to the initial application for an oyster lease, and not to the renewal of a lease.

(e) The department may not execute a lease until the department has posted notice of the application for the lease on its website for thirty (30) consecutive days.

(f) Any person claiming ownership of or interest in the water bottoms to be leased may protest the issuance of the lease on the grounds that the protesting party owns the water bottoms, but only by delivering via certified mail notice of the protest in writing to the Secretary of State, and the lease applicant on or before the thirtieth day after notice of the application was posted. The notice of protest shall include all information and documentation that the protesting party believes is relevant to the question of ownership. The right to protest issuance of the lease pursuant to this section shall expire if a protest is not made on or before the ninetieth day after notice of the application was posted.

(g) If a protest is timely made, the Secretary of State shall review the claim to ownership of the contested water bottoms and issue a preliminary determination to the protesting party, and the lease applicant within ninety (90) days of receiving the notice of protest. Any applicant shall have the right to appeal any decision of the department related to such protest to the circuit court with proper venue.

(h) A lease applicant may withdraw a lease application and receive a full refund from the department of all application fees, by submitting a written request for withdrawal to the department within ninety (90) days after the department posts notice of the application on its website.

(6) Such leases shall be for an initial term of *** fifteen (15) years, with the *** lessee *** having the right of first renewal of the lease for an additional *** fifteen (15) years, and continue to renew at *** fifteen-year intervals, at the same ground rental rate so long as lessee actively cultivates and gathers oysters, and complies with the provisions of this chapter. No lease may be transferred without approval by the department of the transfer.

(7) The terms of every lease issued hereunder shall ensure the maximum cultivation and propagation of oysters. Throughout the term of every lease issued hereunder, each lessee shall add cultch and make other necessary efforts to ensure the maximum cultivation and propagation of oysters. The department shall promulgate regulations to set forth guidelines for lessees to follow to ensure the maximum cultivation and propagation of oysters under the lease. The lessee shall submit a written report with

supporting documentation to the department of efforts to cultivate and propagate oysters for the previous year. If the department finds a lessee is not making efforts to cultivate and propagate oysters, and the lessee fails to take remedial steps to address same, such lease shall be subject to termination as provided for hereunder.

(** *8) The department shall fix a ground rental rate at * * * Three Dollars (\$3.00) per acre per year. The annual rental payments shall be due by December 31 for the next calendar year.

(9) Any lessee who pays the rent on or after the first day of January shall pay the rent due plus an additional ten percent (10%) penalty. The failure of the lessee to pay the rent punctually on or before the first of each March, ipso facto and without demand or putting in default, terminates and cancels the lease and forfeits to the department all the works, improvements, betterments, and oysters on the leased water bottom. The department may at once enter on the water bottom and take possession thereof. Such water bottom shall then be open for lease in accordance with subsections (5) through (8) of this section. Ten (10) days thereafter the department shall enter the termination, cancellation, and forfeiture on its books and give public notice thereof by publication in one (1) local paper in the county where the formerly leased water bottoms are located. On or before the first day of each February, the department shall issue a written notice of delinquency by certified mail to each lessee who has not yet paid the rent. The department shall also publish notice of such delinquency on its website.

(* * *10) The department shall keep an accurate chart of the areas within its jurisdiction and shall mark on such chart those areas which are under lease. All leases shall be marked by appropriate poles, stakes or buoys of such material as will not injure watercraft, at the expense of the leaseholder. The department shall keep an accurate book, designated "Mississippi Oyster Farms" which shall contain copies of all leases. The department shall maintain a map of designated state-owned, leased areas, and areas available for lease on the department's website. If any lease be cancelled or expire, such fact shall be noted on the face of such lease. Lessees shall be "oyster farmers" for the purposes of any grants, aid, subsidies or other assistance from the federal government or other governmental or private agencies.

(* * *11) All funds derived from leasing shall be paid into the Seafood Fund under Section 49-15-17, for use by the department to further oyster production in this state, which includes plantings of oysters and cultch materials.

(* * *12) All leases made by the department under the authority of this section shall be subject to the paramount right of the state and any of its political subdivisions authorized by law, to promote and develop ports, harbors, channels, industrial or recreational projects, and all such leases shall contain a provision that in the event such authorized public body shall require the area so leased or any part thereof for such public purposes, that the lease shall be terminated on reasonable notice fixed by the department in such lease. On the termination of any lease, the lessees shall have the right to remove any oysters within the leased area within such time as may be fixed by the department and in accordance with such reasonable rules and regulations as the department may adopt.

Any person convicted of taking oysters from leased land or from waters that are not of a safe sanitary quality without a permit as provided in Section 49-15-37 shall, on the first offense, forfeit all equipment used, exclusive of any boat or boats; and be fined not to exceed Two Thousand Dollars (\$2,000.00) or sentenced not to exceed one (1) year in the county jail, or both. Subsequent convictions shall be punishable by forfeiture of all equipment, including any boat or boats; and a fine not to exceed Five Thousand Dollars (\$5,000.00) or not to exceed two (2) years in prison, or both such fine and imprisonment.

The department is enjoined to cooperate with the Jackson County Port Authority, the Harrison County Development Commission, the municipal port commission and other

port and harbor agencies, so that oyster beds shall not be planted in close proximity to navigable channels. The department or lessee shall have no right of action as against any such public body for damages accruing to any natural reef or leased reef by any necessary improvement of such channel in the interest of shipping, commerce, navigation or other purpose authorized by law.

(13) A lessee has the exclusive use of the water bottoms leased and all oysters and cultch grown or placed thereon. However, this exclusive right is subordinate to the rights and responsibilities of the state, any political subdivision of the state, the United States, or any agency or agent thereof, to take action in furtherance of coastal protection, conservation or restoration.

(14) In order to protect the health and safety of the residents of the State of Mississippi, the terms and conditions relating to the leasing of bottoms provided in this section shall be fully applicable to any lease executed by the Mississippi Department of Marine Resources prior to the passage of this act, and the department shall revise any lease issued prior to the passage of this act as necessary in order to comply with the provisions of this section.

SECTION 10. Section 49-15-29, Mississippi Code of 1972, is amended as follows:

49-15-29. (1) The * * * department shall assess and collect license fees and taxes as authorized under this chapter.

(2) All commercial licenses provided for under this chapter that relate to seafood shall be purchased from May 1 through April 30 at the fees provided in this chapter. The licenses shall expire on April 30 following the date of issuance.

(3) When an application for an original or renewal license of any kind authorized by this chapter is received by the * * * department, the * * * department shall determine whether the vessel or related equipment subject to that license is owned and operated in compliance with applicable federal and state laws. If the * * * department determines that a vessel or its owner is not in compliance with applicable federal and state laws, then no license shall be issued or renewed for the operation of that vessel for a period of one (1) year. All licenses shall be made available for purchase at any building which is regularly operated by the department * * * on the Mississippi Gulf Coast.

(4) The * * * department may authorize any person, other than a salaried employee of the state to issue any license under this chapter which the * * * department deems appropriate. The authorized person may collect and retain for issuance of the license the sum of One Dollar (\$1.00) in addition to the license fee provided in this chapter. The * * * department shall establish the qualifications of persons authorized to issue licenses under this section and shall also establish the procedure for the issuance of that license by the authorized person and the procedure for collection of license fees by and from the authorized person.

(5) The * * * department may design, establish, and administer a program to provide for the purchase, by electronic means, of any license, permit, registration or reservation issued by the * * * department. Any actual costs associated to provide these documents electronically may be added to the cost of the electronic program.

SECTION 11. Section 49-15-30, Mississippi Code of 1972, is amended as follows:

49-15-30. (1) The * * * department may promulgate rules and regulations for nonresident permits in order to promote reciprocal agreements with other states.

(2) Except as otherwise provided in Section 49-15-46, the * * * department shall provide that residents of other states bordering on the Gulf of Mexico who are applicants for a commercial fishing license of any type as provided for in this chapter shall pay the

same fee or fees that a resident of this state pays in this state for that license if the respective applicant's domicile state does not charge a greater fee or fees for a Mississippi resident than for a resident of any other state to engage in a like activity in the other state. If the applicant's domicile state does charge a greater fee or fees for residents of Mississippi than for a resident of the applicant's domicile state, then that applicant shall pay the same fee or fees that the applicant's domicile state charges residents of Mississippi.

(3) The *** department shall require a nonresident to purchase the same type and number of licenses and pay the same fees that are required of Mississippi residents to engage in like activity in the nonresident's state.

(4) (a) If an applicant applies for a nonresident commercial fishing license to engage in a certain activity and the applicant's state does not issue a nonresident commercial fishing license for that activity, then the *** department shall not issue such license to the applicant.

(b) If the applicant's domicile state has additional mandatory licensing requirements, the applicant must meet those requirements before receiving a nonresident commercial fishing license.

(5) Any nonresident who engages in the commercial taking of seafood within the territorial waters of Mississippi without having the required nonresident commercial license is guilty of a misdemeanor and shall be fined Five Thousand Dollars (\$5,000.00) and shall forfeit any equipment, gear or nets used in the offense.

SECTION 12. Section 49-15-31, Mississippi Code of 1972, is amended as follows:

49-15-31. (1) The *** department may construct, maintain and operate all patrol stations, camps and related facilities as may be deemed necessary by the *** department.

(2) If a regulatory agency of a foreign state establishes a station or checkpoint through which Mississippi residents must pass for license, permit or catch inspection, or otherwise, the department shall establish similar stations or checkpoints through which residents of the foreign states shall be required to pass.

SECTION 13. Section 49-15-34, Mississippi Code of 1972, is amended as follows:

49-15-34. (1) The *** department shall require all boats used under regulation of this chapter which are also used in waters of other states and required by those states to pay licenses or fees for the same purposes as licenses and fees are required under this chapter to purchase a license which reflects that the licensed boats are used inside and outside the territorial waters of Mississippi. Upon the issuance of that license, the licensed boat, if used exclusively for commercial fishing or charter boats which have been licensed and authorized by the United States Coast Guard under 46 CFR Sections 24-26 and 46 CFR Sections 175-187, shall be deemed to be in the business of interstate transportation, but this shall in no way affect the collection of other licenses and fees by the *** department which would otherwise be due under this chapter. The *** department shall assess and collect an annual license fee of Twenty Dollars (\$20.00) on each boat engaged in operations under this subsection.

(2) Notwithstanding the provisions of this chapter, the *** department shall establish a transport permit to land seafood in this state which is legally taken outside of the Mississippi territorial waters without obtaining a license under this chapter. The *** department by regulation shall require the registration of those landings. The *** department may establish a permit fee in an amount not to exceed the amount of the license fee established in Section 49-15-28(1). This subsection shall not be construed to supersede Section 49-15-71.

SECTION 14. Section 49-15-35, Mississippi Code of 1972, is amended as follows:

49-15-35. Upon the request of the boards of supervisors of the respective coastal counties, the * * * department may adopt ordinances prohibiting the taking and catching of menhaden within certain limits of the coast line of the county so requesting, but the * * * department shall not fix such limits except upon request of the board of supervisors, and such limit shall not exceed two (2) miles from the shore line, or two (2) miles from the corporate limit boundaries of any municipality bordering on the Mississippi Sound.

SECTION 15. Section 49-15-36, Mississippi Code of 1972, is amended as follows:

49-15-36. (1) The Department of Marine Resources shall have full jurisdiction and control of all * * * designated state-owned reefs and oyster bottoms of the State of Mississippi. In no event shall the department designate more than twenty percent (20%) of the permitted areas available as state-owned reefs.

(2) * * * State-owned reefs may be opened for harvest of oysters during the season on a rotating basis. If the department determines that a particular reef has been overharvested or that a high percentage of sublegal size oysters exist on a particular reef and that harvest could damage future oyster crops, the department may close designated reef areas and keep them closed during the season.

(3) The department shall promulgate regulations regarding the closing of oyster reefs to protect the public health. When that testing indicates the oysters on the closed reef are suitable for consumption, the reef shall be opened for the taking of oysters as soon as notice of that opening may be made to interested parties. The authority to open or close oyster reefs under this chapter shall be solely within the discretion of the department. The Gulf Coast Research Laboratory or other certified laboratory shall cooperate with the department and shall conduct necessary tests to determine the condition of oyster reefs at the request of the department. The department may limit the sale of oysters for human consumption.

(4) (a) The department may issue special permits for the purpose of catching oysters outside the open season or in areas not normally open to harvest to those nonprofit organizations that are tax exempt under Section 501(c) of the United States Internal Revenue Code and which have on file with the Department of Revenue a tax exemption letter issued by the United States Internal Revenue Service.

(b) The department shall promulgate rules and regulations governing the taking of oysters by the nonprofit organization and shall issue such regulations to all organizations upon request and at the issuance of the special permit.

(5) The department shall establish a reasonable period of time for depuration of oysters replanted from restricted waters. That period of time shall be consistent with the maintenance of the public health and may vary from time to time and from one reef to another in accordance with environmental conditions.

* * *

SECTION 16. Section 49-15-37, Mississippi Code of 1972, is amended as follows:

49-15-37. * * * The department may employ boats, crews and laborers * * * to cultivate the * * * state-owned reefs of the state, and * * * dredge the oysters in the Mississippi Sound from places where they are too thick, and * * * spread them on reefs where they are too thin, and * * * carry shells from the factories and spread them in places where the oyster beds can be improved and enlarged. The department may open state-owned reefs to the public for harvest. The department may purchase other materials as may be equally suitable for the propagation of oysters. The department in cultivating

the reefs, transplanting and spreading oysters and shells and other suitable materials, may expend any funds available for that purpose, as provided by Section 49-15-17(1)(e). In taking seed oysters, care shall be used to not injure or destroy the merchantable oysters on the reefs from which they are taken. The seed oysters shall be tonged from the "conner" or seed reefs, unless it is practicable and safe to dredge those oysters. The *** department may *** establish new bedding grounds at those places within the boundaries of the state as it may determine, on advice of the director, or on advice of technical governmental experts, or competent aquatic biologists. On existing *** state-owned reefs in which oysters exist and in waters not of a safe sanitary quality as determined by the department, the *** department shall prohibit any person, firm or corporation from taking oysters from those areas. The *** department shall from time to time remove the oysters from the areas and relay or replant them in an approved area for a period of time under Section 49-15-36 before they may be harvested. *** Any funds received from the sale of the oysters shall be used in a like manner as those funds received under Section 49-15-38.

The *** department may issue permits to persons to remove oysters by dredging or otherwise from water bottoms which are not of a safe sanitary quality for oysters for human consumption ***. These areas *** may be designated as seed grounds, and permits to persons shall be issued only for the purpose of transplanting oysters to privately leased Mississippi territorial waters. The *** department may permit the transplanting of these seed oysters by a duly authorized public agency.

The *** department may, upon *** determining the water bottom from which oysters are to be removed is not of a safe, sanitary quality for oyster production for human consumption and has been unsafe for a period of at least one (1) year immediately preceding certification, and upon complying with the following requirements, permit the dredging of oysters from restricted public areas and relaying the oysters to private leased grounds in the State of Mississippi:

(a) Permittee must hold valid lease of oyster bedding grounds in the State of Mississippi;

(b) Permittee must be bonded in compliance with the permit system established by the *** department;

(c) Permittee must fulfill all permit requirements as established by the *** department;

(d) Permittee shall not move oysters from one restricted area to another restricted area;

(e) Permittee shall move oysters only to an area leased by the *** department; and

(f) Permittee shall not move oysters from the restricted area without the presence of an employee of the department at all times, from the dredging of the oysters from the restricted areas to their deposit on private leased grounds or to an onshore, molluscan depuration facility.

Harvesting of oysters shall be permitted only during daylight hours and with the most efficient gear possible consistent with conservation requirements of not damaging the reefs. This shall include permission to use two (2) dredges per boat on restricted areas and on private leased grounds.

Any person obtaining a permit to remove oysters from seed grounds shall post a penal bond of One Hundred Dollars (\$100.00) per leased acre with the *** department

to be forfeited upon any violation of this section. The bond may be approved by the director of the department if the director finds the bond to be secured by sufficient property or sureties.

The *** department shall regulate the amount and time of taking of oysters from seed areas and shall supervise the removal, planting and harvesting of oysters from the areas. The time set for the taking of oysters from restricted seed areas for relaying or replanting and the time set for the taking of oysters from private leased grounds shall be separated by not less than a period of time determined under Section 49-15-36 during which neither activity may be allowed.

SECTION 17. Section 49-15-38, Mississippi Code of 1972, is amended as follows:

49-15-38. (1) (a) Unless otherwise permitted by the *** department, no oysters shall be taken from *** state-owned reefs *** unless culled *** , and all oysters less than three (3) inches from end to end, and all dead shells, shall be replaced, scattered and broadcast immediately on the *** reefs from which they are taken. It is unlawful for any captain or person in charge of any vessel, or any canner, packer, commission man, dealer or other person to purchase, sell or to have in that person's possession or under that person's control any oysters off the *** state-owned reefs or private bedding grounds not culled according to this section, or any oysters under the legal size. A ten percent (10%) tolerance shall be allowed in relation to any culling.

(b) The *** department may authorize the culling of oysters of a lesser measure. That authorization shall be in response to special circumstances or extreme natural conditions affecting the habitat, including, but not limited to, flooding. The department may establish checkpoints in any area within its jurisdiction to conduct inspections, collect fees and issue tags in the enforcement of this chapter and regulations adopted by the commission.

(2) The *** department shall acquire and replant shells, seed oysters and other materials, when funding is available, for the purpose of growing oysters.

(3) Any person, firm or corporation failing or refusing to pay the shell retention fee required under Section 49-15-46 to the department when called for by the department, is guilty of a misdemeanor and, upon conviction, shall be fined not more than One Hundred Dollars (\$100.00) for each barrel of shells for which they fail or refuse to tender the shell retention fee. In addition to the fine, the violator shall pay the reasonable value of the oyster shells and shall be ineligible to be licensed for any activity set forth in this chapter for a period of two (2) years from the date of conviction.

(4) The planting of oyster shells as provided under this chapter shall be under the direction and supervision of the executive director of the department. ***

SECTION 18. Section 49-15-40, Mississippi Code of 1972, is amended as follows:

49-15-40. *** The *** department may support projects in the nature of digging or constructing canals or ditches to bring additional water to existing oyster reefs or beds in need of that water, or for the purpose of creating or establishing new oyster reefs or beds. *** The *** department may also enter into interstate or intrastate efforts to support these projects and may seek and utilize aid from all federal, state and local sources in this endeavor. ***

SECTION 19. Section 49-15-44, Mississippi Code of 1972, is amended as follows:

49-15-44. The * * * department shall prohibit the sale or possession of illegal oysters. It is unlawful for any person, firm or corporation to possess or to engage in the sale of oysters not certified in this state, or to shuck or repack for sale any illegal oysters, unless that person, firm or corporation possesses a bill of sale, valid permit or affidavit of another state, properly dated, evidencing the legality of the sale or possession of the oysters in that state. Any person in possession of illegal oysters shall be subject to civil or criminal prosecution and shall be fined not less than One Hundred Dollars (\$100.00) or punished as provided in Section 49-15-63.

SECTION 20. Section 49-15-45, Mississippi Code of 1972, is amended as follows:

49-15-45. * * * Any municipality bounded by the Gulf of Mexico or Mississippi Sound, which has wholly or partly within its corporate limits, or in the waters adjacent thereto, a public oyster reef reserved for catching oysters exclusively by use of hand tongs, is hereby authorized to aid and cooperate with the * * * department in enforcing all laws regulating the catching, taking and transporting of oysters, including all of the provisions of this chapter, and all regulations and ordinances of such * * * department relating to such oyster reefs.

* * *

SECTION 21. Section 49-15-46, Mississippi Code of 1972, is amended as follows:

49-15-46. (1) Each vessel used to catch, take, carry or transport oysters from the reefs of the State of Mississippi, or engaged in transporting any oysters in any of the waters within the territorial jurisdiction of the State of Mississippi, for commercial use, shall annually, before beginning operations, be licensed by the department and pay the following license fee:

(a) Fifty Dollars (\$50.00) on each in-state vessel or boat used for tonging oysters or gathering oysters by hand;

(b) One Hundred Dollars (\$100.00) on each in-state vessel or boat used for dredging oysters;

(c) One Hundred Dollars (\$100.00) on each out-of-state vessel or boat used for tonging oysters or gathering oysters by hand, or the license fee charged by the out-of-state licensing entity to Mississippi vessels or boats for tonging or gathering oysters, whichever is greater; or

(d) Two Hundred Dollars (\$200.00) on each out-of-state vessel or boat used for dredging oysters, or the license fee charged by the out-of-state licensing entity to Mississippi vessels or boats for dredging oysters, whichever is greater.

(2) Each molluscan shellfish aquaculture operation shall annually, before beginning operations, be licensed by the department and pay the following license fee:

(a) Fifty Dollars (\$50.00) on each resident molluscan shellfish aquaculture operation; or

(b) One Hundred Dollars (\$100.00) on each nonresident molluscan shellfish aquaculture operation.

(3) The department may authorize the transfer of a vessel license to a different vessel provided that the owner of both vessels is the same titled owner.

(4) All oysters harvested in the State of Mississippi shall be tagged. Tags shall be issued by the department and shall bear the catcher's name, the date and origin of the catch, the shell stock dealer's name and permit number. The department shall number

all tags issued and shall maintain a record of those tags. The department, in its discretion, may adopt any regulations regarding the tagging of oysters and other shellfish.

(5) Each person catching or taking oysters from the waters of the State of Mississippi for personal use shall obtain a permit from the department and pay an annual recreational oyster permit fee of Ten Dollars (\$10.00). Oysters caught under a recreational permit shall not be offered for sale. The limits on the allowable catch of oysters for recreational purposes shall be three (3) sacks per week. The department shall issue tags of a distinguishing color to designate recreationally harvested oysters, which shall be tagged on the same day of harvest in the manner prescribed in subsection (4) of this section for commercially harvested oysters or by regulation of the department.

(6) The department shall assess and collect a shell retention fee for the shells taken from waters within the territorial jurisdiction of the State of Mississippi as follows:

(a) Commercial and recreational harvesters - Fifteen Cents (15¢) per sack paid to the department on the day of harvest;

(b) Initial oyster processor, dealer or factory first purchasing the oysters - Fifteen Cents (15¢) per sack paid to the department no later than the tenth day of the month following the purchase, on forms submitted by the department;

(c) Commercial harvesters transporting their catch out of the state - Fifty Cents (50¢) per sack paid to the department on the day of harvest, in addition to the fees paid in paragraph (a) of this subsection; and

(d) Commercial harvesters not selling their oysters to a Mississippi dealer - Fifteen Cents (15¢) per sack paid to the department on the day of harvest, in addition to fees paid in paragraph (a) of this subsection.

Funds received from the shell retention fee shall be paid into a special fund in the State Treasury to be appropriated by the Legislature for use by the department to further oyster production in this state, which includes plantings of oysters and/or cultch materials.

(7) During open seasons, oysters may be taken only by hands, tongs and dredges.

(8) Vessels licensed under Section 49-15-46 may keep in whole, for personal consumption up to thirty-six (36) blue crabs (portunidae family), per day. This exemption for personal consumption does not apply to fish or crabs that are otherwise illegal to possess or catch.

SECTION 22. Section 49-15-47, Mississippi Code of 1972, is amended as follows:

49-15-47. (1) It is unlawful for any person, firm or corporation to discharge solid or human waste from any vessel while the vessel is used to harvest or transport oysters in the marine waters of the state.

(2) Each vessel used to harvest or transport oysters is required to have an approved functional marine sanitation device (MSD), portable toilet or other sewage disposal receptacle designed to contain human sewage. The approved marine sanitation device (MSD), portable toilet or other sewage disposal receptacle shall:

(a) Be used only for the purpose intended.

(b) Be secured while on board and located to prevent contamination of shell stock by spillage or leakage.

(c) Be emptied only into an approved sewage disposal system.

(d) Be cleaned before being returned to the vessel.

(e) Not be cleaned with equipment used for washing or processing food.

(5) Upon issuance of a citation for a violation of this section, the vessel shall be removed from the oyster reef and any oysters on board the vessel shall be confiscated and disposed of by the department. The vessel shall not be permitted to harvest from any *** state-owned or private reefs until the vessel is properly equipped as determined by an inspection by the department.

SECTION 23. Section 49-15-39, Mississippi Code of 1972, which regulates tonging reefs and prescribes certain criminal penalties related to tonging reefs and Section 49-15-40.1, Mississippi Code of 1972, which authorizes the Mississippi Department of Marine Resources to conduct a pilot program for bottom land leasing for oyster production in waters adjacent to Hancock County, are hereby repealed.

SECTION 24. This act shall take effect and be in force from and after its passage.

AUTHORIZED HEADCOUNT:

Permanent:	7

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required for Personal Services for Fiscal Year 2025 do not exceed Fiscal Year 2024 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2024 budget by the Mississippi Legislature. The Legislature shall determine the agency's personal services appropriation, which the State Personnel Board shall publish. The agency's personal services appropriation may consist of restricted funds for approved vacancies for Fiscal Year 2024 that may not be utilized for active Fiscal Year 2023 Headcount. It shall be the agency's responsibility to ensure that the funds provided for vacancies are used to increase headcount and not for promotions, title changes, in-range salary adjustments or any other mechanism for increasing salaries for current employees. It is the Legislature's intention that no employee salary falls below the minimum salary established by the Mississippi State Personnel Board.

Additionally, the State Personnel Board shall determine and publish the projected annualized payroll costs based on current employees. It shall be the responsibility of the agency head to ensure that actual personnel expenditures for Fiscal Year 2024 do not exceed the data provided by the Legislative Budget Office. If the agency's Fiscal Year 2024 projected cost exceeds the annualized costs, no salary actions shall be processed by the State Personnel Board except for new hires determined to be essential for the agency.

Any transfers or escalations shall be made in accordance with the terms, conditions, and procedures established by law or allowable under the terms set forth within this act. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of the Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

SECTION 4. It is the intention of the Legislature that the Grand Gulf Military Monument Commission shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2023. It is further the intention of the Legislature that the agency's budget request for Fiscal Year 2025 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2024 budget request process.

SECTION 5. It shall be unlawful for any officer, employee or other person whatsoever to use or permit or authorize the use of any automobile or any other motor vehicle owned by the State of Mississippi or any department, agency or institution thereof for any purpose other than upon the official business of the State of Mississippi or any agency, department or institution thereof.

It is the intent of the Legislature that motor vehicles authorized to be owned and operated by this agency shall comply with Sections 25-1-77 through 25-1-93, Mississippi Code of 1972.

SECTION 6. Of the funds appropriated under the provisions of Section 2, Three Hundred Ninety Thousand Dollars (\$390,000.00), or so much thereof, shall be derived out of any money in the State Treasury to the credit of the Capital Expense Fund, as created in Section 27-103-303, Mississippi Code of 1972, and allocated in a manner as determined by the State Treasurer. These funds are provided for repairs, renovations to park facilities, road improvements, and the purchase of equipment.

SECTION 7. The following sum, or so much thereof as may be necessary, is reappropriated out of any money in the Capital Expense Fund, not otherwise appropriated for Grand Gulf Military Monument Commission for the purpose of reauthorizing the expenditure of Capital Expense Funds, as authorized in HB 1606, 2022 Regular Session, for the purpose of defraying the expenses of Grand Gulf Military Monument Commission for the fiscal year beginning July 1, 2023, and ending June 30, 2024
\$ 184,033.00.

Notwithstanding the amount reappropriated under this section, the amount that may be expended under the authority of this section shall not exceed the unexpended balance of the funds remaining as of June 30, 2023, from the amount authorized for the previous fiscal year. In addition, this reappropriation shall not change the purpose for which the funds were originally authorized.

SECTION 8. It is the intention of the Legislature that whenever two (2) or more bids are received by this agency for the purchase of commodities or equipment, and whenever all things stated in such received bids are equal with respect to price, quality and service, the Mississippi Industries for the Blind shall be given preference. A similar preference shall be given to the Mississippi Industries for the Blind whenever purchases are made without competitive bids.

SECTION 9. It is the intention of the Legislature that the funds herein appropriated shall be expended in compliance with Section 27-104-25, Mississippi Code of 1972, that no state agency shall incur obligations or indebtedness in excess of their appropriation and that the responsible officers, either personally or upon their official bonds, shall be held responsible for actions contrary to this provision.

SECTION 10. SECTION 11. This act shall take effect and be in force from and after July 1, 2023.

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required for Personal Services for Fiscal Year 2025 do not exceed Fiscal Year 2024 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2024 budget by the Mississippi Legislature. The Legislature shall determine the agency's personal services appropriation, which the State Personnel Board shall publish. The agency's personal services appropriation may consist of restricted funds for approved vacancies for Fiscal Year 2024 that may not be utilized for active Fiscal Year 2023 Headcount. It is the Legislature's intention that no employee salary falls below the minimum salary established by the Mississippi State Personnel Board.

Additionally, the State Personnel Board shall determine and publish the projected annualized payroll costs based on current employees. It shall be the responsibility of the agency head to ensure that actual personnel expenditures for Fiscal Year 2024 do not exceed the data provided by the Legislative Budget Office. None of the funds herein appropriated shall be used in violation of the Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required for Personal Services for Fiscal Year 2025 do not exceed Fiscal Year 2024 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2024 budget by the Mississippi Legislature. The Legislature shall determine the agency's personal services appropriation, which the State Personnel Board shall publish. The agency's personal services appropriation may consist of restricted funds for approved vacancies for Fiscal Year 2024 that may not be utilized for active Fiscal Year 2023 Headcount. It shall be the agency's responsibility to ensure that the funds provided for vacancies are used to increase headcount and not for promotions, title changes, in-range salary adjustments or any other mechanism for increasing salaries for current employees. It is the Legislature's intention that no employee salary falls below the minimum salary established by the Mississippi State Personnel Board.

Additionally, the State Personnel Board shall determine and publish the projected annualized payroll costs based on current employees. It shall be the responsibility of the agency head to ensure that actual personnel expenditures for Fiscal Year 2024 do not exceed the data provided by the Legislative Budget Office. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of the Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

AUTHORIZED HEADCOUNT:

The Legislature shall determine the agency's personal services appropriation, which the State Personnel Board shall publish. The agency's personal services appropriation may consist of restricted funds for approved vacancies for Fiscal Year 2024 that may not be utilized for active Fiscal Year 2023 Headcount. It shall be the agency's responsibility to ensure that the funds provided for vacancies are used to increase headcount and not for promotions, title changes, in-range salary adjustments or any other mechanism for increasing salaries for current employees. It is the Legislature's intention that no employee salary falls below the minimum salary established by the Mississippi State Personnel Board.

The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of the Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

SECTION 4. None of the funds appropriated by this act shall be expended for any purpose that is not actually required or necessary for performing any of the powers or duties of the Office of the Secretary of State that are authorized by the Mississippi Constitution of 1890, state or federal law, or rules or regulations that implement state or federal law.

SECTION 5. No part of the funds appropriated herein shall be used, either directly or indirectly, for the purpose of paying any clerk, stenographer, assistant, deputy, or other person who may be related by blood or marriage within the third degree, computed by the rules of the civil law, to the official employing or having the right of employment or selection thereof; and in the event of any such payment, then the official or person approving and making or receiving such payment shall be jointly and severally liable to return to the State of Mississippi and to pay into the State Treasury three (3) times any such amount so paid or received, to be recovered at suit of the Attorney General; provided that when the relationship is by affinity and the person through whom the relationship was established is dead, this provision shall not apply.

SECTION 6. Of the funds appropriated in Section 1 of this act, the Secretary of State may use funds appropriated for the purposes of defraying litigation expenses associated with the enforcement of the Mississippi Securities Act, the Regulation of Charitable Solicitations Act, and the administration of the Public Trust.

SECTION 7. In compliance with the "Mississippi Performance Budget and Strategic Planning Act of 1994," it is the intent of the Legislature that the funds provided herein shall be utilized in the most efficient and effective manner possible to achieve the intended mission of this agency. H. B. No. 535: Alcoholic beverages; revise definition of "qualified resort area" under the Local Option Alcoholic Beverage Control Law.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 67-1-5, Mississippi Code of 1972, is amended as follows:

67-1-5. For the purposes of this article and unless otherwise required by the context:

(a) "Alcoholic beverage" means any alcoholic liquid, including wines of more than five percent (5%) of alcohol by weight, capable of being consumed as a beverage by a human being, but shall not include light wine, light spirit product and beer, as defined in Section 67-3-3, Mississippi Code of 1972, but shall include native wines and native spirits. The words "alcoholic beverage" shall not include ethyl alcohol manufactured or distilled solely for fuel purposes or beer of an alcoholic content of more than eight percent (8%) by weight if the beer is legally manufactured in this state for sale in another state.

(b) "Alcohol" means the product of distillation of any fermented liquid, whatever the origin thereof, and includes synthetic ethyl alcohol, but does not include denatured alcohol or wood alcohol.

(c) "Distilled spirits" means any beverage containing more than six percent (6%) of alcohol by weight produced by distillation of fermented grain, starch, molasses or sugar, including dilutions and mixtures of these beverages.

(d) "Wine" or "vinous liquor" means any product obtained from the alcoholic fermentation of the juice of sound, ripe grapes, fruits, honey or berries and made in accordance with the revenue laws of the United States.

(i) "State Tax Commission," "commission" or "department" means the Department of Revenue of the State of Mississippi, which shall create a division in its organization to be known as the Alcoholic Beverage Control Division. Any reference to the commission or the department hereafter means the powers and duties of the Department of Revenue with reference to supervision of the Alcoholic Beverage Control Division.

(j) "Division" means the Alcoholic Beverage Control Division of the Department of Revenue.

(k) "Municipality" means any incorporated city or town of this state.

(l) "Hotel" means an establishment within a municipality, or within a qualified resort area approved as such by the department, where, in consideration of payment, food and lodging are habitually furnished to travelers and wherein are located at least twenty (20) adequately furnished and completely separate sleeping rooms with adequate facilities that persons usually apply for and receive as overnight accommodations. Hotels in towns or cities of more than twenty-five thousand (25,000) population are similarly defined except that they must have fifty (50) or more sleeping rooms. Any such establishment described in this paragraph with less than fifty (50) beds shall operate one or more regular dining rooms designed to be constantly frequented by customers each day. When used in this article, the word "hotel" shall also be construed to include any establishment that meets the definition of "bed and breakfast inn" as provided in this section.

(m) "Restaurant" means:

(i) A place which is regularly and in a bona fide manner used and kept open for the serving of meals to guests for compensation, which has suitable seating facilities for guests, and which has suitable kitchen facilities connected therewith for cooking an assortment of foods and meals commonly ordered at various hours of the day; the service of such food as sandwiches and salads only shall not be deemed in compliance with this requirement. Except as otherwise provided in this paragraph, no place shall qualify as a restaurant under this article unless twenty-five percent (25%) or more of the revenue derived from such place shall be from the preparation, cooking and serving of meals and not from the sale of beverages, or unless the value of food given to and consumed by customers is equal to twenty-five percent (25%) or more of total revenue; or

(ii) Any privately owned business located in a building in a historic district where the district is listed in the National Register of Historic Places, where the building has a total occupancy rating of not less than one thousand (1,000) and where the business regularly utilizes ten thousand (10,000) square feet or more in the building for live entertainment, including not only the stage, lobby or area where the audience sits and/or stands, but also any other portion of the building necessary for the operation of the business, including any kitchen area, bar area, storage area and office space, but excluding any area for parking. In addition to the other requirements of this subparagraph, the business must also serve food to guests for compensation within the building and derive the majority of its revenue from event-related fees, including, but not limited to, admission fees or ticket sales to live entertainment in the building, and from the rental of

(vi) No member, officer, agent or employee of which is paid, or directly or indirectly receives, in the form of a salary or other compensation any profit from the distribution or sale of alcoholic beverages to the club or to members or guests of the club beyond such salary or compensation as may be fixed and voted at a proper meeting by the board of directors or other governing body out of the general revenues of the club.

The department may, in its discretion, waive the five-year provision of this paragraph. In order to qualify under this paragraph, a club must file with the department, at the time of its application for a license under this article, two (2) copies of a list of the names and residences of its members and similarly file, within ten (10) days after the election of any additional member, his name and address. Each club applying for a license shall also file with the department at the time of the application a copy of its articles of association, charter of incorporation, bylaws or other instruments governing the business and affairs thereof.

(o) "Qualified resort area" means any area or locality outside of the limits of incorporated municipalities in this state commonly known and accepted as a place which regularly and customarily attracts tourists, vacationists and other transients because of its historical, scenic or recreational facilities or attractions, or because of other attributes which regularly and customarily appeal to and attract tourists, vacationists and other transients in substantial numbers; however, no area or locality shall so qualify as a resort area until it has been duly and properly approved as such by the department. The department may not approve an area as a qualified resort area after July 1, 2018, if any portion of such proposed area is located within two (2) miles of a convent or monastery that is located in a county traversed by Interstate 55 and U.S. Highway 98. A convent or monastery may waive such distance restrictions in favor of allowing approval by the department of an area as a qualified resort area. Such waiver shall be in written form from the owner, the governing body, or the appropriate officer of the convent or monastery having the authority to execute such a waiver, and the waiver shall be filed with and verified by the department before becoming effective.

(i) The department may approve an area or locality outside of the limits of an incorporated municipality that is in the process of being developed as a qualified resort area if such area or locality, when developed, can reasonably be expected to meet the requisites of the definition of the term "qualified resort area." In such a case, the status of qualified resort area shall not take effect until completion of the development.

(ii) The term includes any state park which is declared a resort area by the department; however, such declaration may only be initiated in a written request for resort area status made to the department by the Executive Director of the Department of Wildlife, Fisheries and Parks, and no permit for the sale of any alcoholic beverage, as defined in this article, except an on-premises retailer's permit, shall be issued for a hotel, restaurant or bed and breakfast inn in such park.

2. The clubhouse and associated golf course, tennis courts and related facilities and swimming pool and related facilities where the golf course, tennis courts and related facilities and swimming pool and related facilities are adjacent to one or more planned residential developments and the golf course and all such developments collectively include at least seven hundred fifty (750) acres and at least four hundred (400) residential units;

3. Any facility located on property that is a game reserve with restricted access that consists of at least three thousand (3,000) contiguous acres with no public roads and that offers as a service hunts for a fee to overnight guests of the facility;

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2842: Use tax; revise standards for municipality's eligibility to receive monies from special infrastructure assistance fund.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 27-67-35, Mississippi Code of 1972, is amended as follows:

27-67-35. (1) (a) There is hereby created a special fund in the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. The fund shall consist of monies deposited therein under Section 27-67-31(e) and monies from any other source designated for deposit into such fund. Monies in the fund shall be expended by the department * * * to provide funds to assist municipalities in this state in paying costs associated with (i) repair, maintenance and/or reconstruction of roads, streets and bridges in municipalities, and/or (ii) repair, maintenance and/or other improvements to water infrastructure and sewer infrastructure * * *, including storm water and drainage improvements. These monies shall not be used for salaries, benefits or any form of compensation for employees, or for contract employees, administrative costs, debt service, personal property or equipment (other than equipment to be permanently installed as part of a road or bridge), or for the construction or maintenance of public buildings or other structures that are not integral to the system of roads and bridges. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited to the credit of the fund.

(b) (i) Subject to the provisions of this paragraph (b) and Section 65-21-31, funds provided to municipalities under this subsection (1) shall be allocated and distributed to municipalities as follows:

1. Three Million Dollars (\$3,000,000.00) shall be allocated to all municipalities in equal shares, and

2. The remainder of the funds allocated as follows:

a. One-half (1/2) shall be allocated to municipalities based on the proportion that the population of a municipality according to the most recent federal decennial census bears to the total population of all municipalities in the state according to the most recent federal decennial census, and

b. One-half (1/2) shall be allocated to municipalities based on the proportion that the amount of sales tax revenue distributed to a municipality during the preceding fiscal year under Section 27-65-75(1)(a) bears to the total amount of sales tax revenue distributed to all municipalities during the preceding fiscal year under Section 27-65-75(1)(a). The department * * * shall distribute funds under this subsection (1) on a semiannual basis with distributions being made in the months of January and July.

(ii) In order to be eligible to receive the full amount of funds allocated for distribution to a municipality during a year under this subsection (1), the municipality must have expended an amount not less than the amount of base expenditures during the previous municipal fiscal year for the purposes described in paragraph (a) of this subsection (1). If a municipality fails to expend such required amount, then the amount of funds allocated for distribution to the municipality shall be reduced by the percentage by which the municipality failed to expend the amount of base expenditures. For the purposes of this subsection (1), "base expenditures" means the average annual

expenditures made by a municipality for purposes described in paragraph (a) of this subsection (1) for the *** two-year period beginning October 1, *** 2020, and ending September 30, *** 2022. *** Expenditure of grant proceeds, loan proceeds, or the proceeds of bonds issued by a municipality for the purposes described in paragraph (a) of this subsection (1) shall not be considered when calculating the base period. Beginning July 1, *** 2023, and each succeeding July 1 thereafter, the amount of the base expenditures shall be adjusted and compounded annually by increasing or decreasing such amount by a percentage amount that is equal to the lesser of one-half percent (0.5%) or to the United States inflation rate for the previous calendar year ending on December 31 as certified by the department *** and provided to the municipalities thereby within thirty (30) days of such certification. The United States inflation rate for a calendar year shall be the Consumer Price Index for the calendar year for urban consumers as calculated by the Bureau of Labor Statistics of the United States Department of Labor.

(c) The department *** and the *** Office of the State Auditor shall have all powers necessary to ensure the proper implementation of this subsection (1).

(2) (a) There is hereby created a special fund in the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. The fund shall consist of monies deposited therein under Section 27-67-31(f) and monies from any other source designated for deposit into such fund. Monies in the fund shall be expended by the department *** to provide funds to assist counties in this state in paying costs associated with the repair, maintenance and/or reconstruction of roads, streets and bridges in counties ***. These funds shall not be used for salaries, benefits or any form of compensation for employees, or for contract employees, administrative costs, debt service, personal property or equipment (other than equipment to be permanently installed as part of a road or bridge), or for the construction or maintenance of public buildings or other structures that are not integral to the system of roads and bridges. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited to the credit of the fund.

(b) (i) Subject to the provisions of this paragraph (b) and Section 65-21-31, funds provided to counties under this subsection (2) shall be allocated and distributed to counties in the following proportions:

1. One-third (1/3) shall be allocated to all counties in equal shares,

2. One-third (1/3) shall be allocated to counties based on the proportion that the total number of rural road miles in a county bears to the total number of rural road miles in all counties of the state, and

3. One-third (1/3) shall be allocated to counties based on the proportion that the rural population of a county bears to the total rural population in all counties of the state, according to the latest federal decennial census.

The department *** shall distribute funds under this subsection (2) on a semiannual basis with distributions being made in the months of January and July. Rural road miles and rural road population in the counties shall be determined in the same manner as they are determined for the purposes of the distribution formula in Section 65-9-3.

(ii) From and after July 1, 2020, of the funds allocated for distribution to a county during a year under this subsection (2), the maximum amount of such funds that may be distributed to the county during that year shall not exceed the amount of county funds expended by the county during the previous county fiscal year for purposes described in paragraph (a) of this subsection (2). Expenditure of the proceeds of bonds issued by a county to pay costs associated with the repair, maintenance and/or

reconstruction of roads, streets and bridges shall not be considered when determining the amount of county funds expended by the county during the previous county fiscal year.

(c) The department * * * and the * * * Office of the State Auditor shall have all powers necessary to ensure the proper implementation of this subsection (2).

SECTION 2. This act shall take effect and be in force from and after July 1, 2023.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2887: State Treasurer; modify certain provisions concerning the deposit and investment of excess state funds.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 27-105-33, Mississippi Code of 1972, is amended as follows:

27-105-33. It shall be the duty of the State Treasurer and the Executive Director of the Department of Finance and Administration on or about the tenth day of each month, and in their discretion at any other time, to analyze carefully the amount of cash in the General Fund of the state and in all special funds credited to any special purpose designated by the State Legislature or held to meet the budgets or appropriations for maintenance, improvements and services of the several institutions, boards, departments, commissions, agencies, persons or entities of the state, and to determine in their opinion when the cash in such funds is in excess of the amount required to meet the current needs and demands of no more than seven (7) business days on such funds and report their findings to the Governor. It shall be the duty of the State Treasurer to provide a cash flow model for forecasting revenues and expenditures on a bimonthly basis and providing technical assistance for its operation. The Department of Finance and Administration shall use the cash flow model furnished by the State Treasurer, in analyzing the amount of funds on deposit and available for investment.

The State Treasurer is hereby authorized, empowered and directed to invest all such excess general and special funds of the state in the following manner:

(a) Funds shall be allocated equally among all qualified state depositories which do not have demand accounts in excess of One Hundred Fifty Thousand Dollars (\$150,000.00) until each qualified depository willing to accept the same shall have on deposit or in security repurchase agreements or in other securities authorized in paragraph (d) of this section at interest the sum of Three Hundred Thousand Dollars (\$300,000.00). For the purposes of this subsection, no branch bank or branch office shall be counted as a separate depository.

(b) The balance, if any, of such excess general and special funds shall be offered to qualified depositories of the state on a pro rata basis as provided in Section 27-105-9. For the purposes of this subsection, the pro rata share of each depository shall be reduced by the amount of the average daily collected earning balance of demand deposits maintained by the State Treasurer pursuant to Section 27-105-9 during the preceding calendar year, and such reduction shall be allocated pro rata among other eligible depositories.

(c) Funds offered pursuant to paragraphs (a) and (b) above shall be invested for periods of up to one (1) year, and shall bear interest at an interest rate no less than that numerically equal to the bond equivalent yield on direct obligations of the United States Treasury of comparable maturity, as determined by the State Treasurer. In determining such rate, the State Treasurer shall consider the Legislature's desire to distribute funds equitably throughout the state to the maximum extent possible.

(d) To the extent that the State Treasurer shall find that general and special funds cannot be invested pursuant to paragraphs (a), (b) and (c) of this section for the stated maturity up to one (1) year, the Treasurer may invest such funds, together with any other funds required for current operation, as determined pursuant to this section, in the following:

(i) Time certificates of deposit or interest-bearing accounts with qualified state depositories. For those funds determined under prudent judgment of the State Treasurer to be made available for investment in time certificates of deposit, the rate of interest paid by the depositories shall be determined by rules and regulations adopted and promulgated by the State Treasurer which may include competitive bids. At the time of investment, the interest rate on such certificates of deposit under the provisions of this subparagraph shall be a rate not less than the bond equivalent yield on direct obligations of the United States Treasury with a similar length of maturity.

(ii) Direct United States Treasury obligations, the principal and interest of which are fully guaranteed by the government of the United States.

(iii) United States government agency, United States government instrumentality or United States government-sponsored enterprise obligations, the principal and interest of which are fully guaranteed by the government of the United States, such as the Government National Mortgage Association; or United States governmental agency, United States government instrumentality or United States government-sponsored enterprise obligations, the principal and interest of which are guaranteed by any United States government agency, United States government instrumentality or United States government-sponsored enterprise contained in a list promulgated by the State Treasurer.

(iv) Direct security repurchase agreements and reverse direct security repurchase agreements of any federal book entry of only those securities enumerated in subparagraphs (ii) and (iii) above. "Direct security repurchase agreement" means an agreement under which the state buys, holds for a specified time, and then sells back those securities and obligations enumerated in subparagraphs (ii) and (iii) above. "Reverse direct securities repurchase agreement" means an agreement under which the state sells and after a specified time buys back any of the securities and obligations enumerated in subparagraphs (ii) and (iii) above. * * * A qualified state depository shall be given preference for such agreements when possible.

(v) Bonds issued, assumed or guaranteed by the Country of Israel, provided that:

1. Investments in such instruments shall be denominated in United States currency;
2. Such bonds must be of investment grade as rated by at least one (1) nationally recognized statistical rating agency; and
3. The amount of funds invested in such bonds at any time shall not exceed Twenty Million Dollars (\$20,000,000.00).

(vi) Corporate bonds and taxable municipal bonds; or corporate short-term obligations of corporations or of wholly owned subsidiaries of corporations,

whose short-term obligations are rated A-1 or better by Standard and Poor's, rated P-1 or better by Moody's Investment Service, F-1 or better by Fitch Ratings, Ltd., or the equivalent of these ratings if assigned by another United States Securities and Exchange Commission designated Nationally Recognized Statistical Rating Organization.

(e) For the purposes of this section, direct obligations issued by the United States of America shall be deemed to include securities of, or other interests in, any open-end or closed-end management type investment company or investment trust registered under the provisions of 15 USCS Section 80(a)-1 et seq., provided that the portfolio of such investment company or investment trust is limited to direct obligations issued by the United States of America, United States government agencies, United States government instrumentalities or United States government-sponsored enterprises, and to repurchase agreements fully collateralized by direct obligations of the United States of America, United States government agencies, United States government instrumentalities or United States government-sponsored enterprises, and the investment company or investment trust takes delivery of such collateral for the repurchase agreement, either directly or through an authorized custodian. The State Treasurer and the Executive Director of the Department of Finance and Administration shall review and approve the investment companies and investment trusts in which funds invested under paragraph (d) of this section may be invested. The total dollar amount of funds invested in all open-end and closed-end management type investment companies and investment trusts at any one time shall not exceed twenty percent (20%) of the total dollar amount of funds invested under paragraph (d) of this section.

(f) Investments authorized by subparagraphs (ii) and (iii) of paragraph (d) shall mature on such date or dates as determined by the State Treasurer in the exercise of prudent judgment to generate a favorable return to the state and will allow the monies to be available for use at such time as the monies will be needed for state purposes. However, the maturity of securities purchased as enumerated in subparagraphs (ii) and (iii) shall not exceed ten (10) years from date of purchase. Special funds shall be considered those funds created constitutionally, statutorily or administratively which are not considered general funds. All funds invested for a period of thirty (30) days or longer under paragraph (d) shall bear a rate at least equal to the current established rate under paragraph (c) of this section.

(g) Any interest-bearing deposits or certificates of deposit shall not exceed at any time the amount insured by the Federal Deposit Insurance Corporation in any one (1) banking institution, the Federal Savings and Loan Insurance Corporation in any one (1) savings and loan association, or other deposit insurance corporation approved by the State Treasurer, unless the uninsured portion is collateralized by the pledge of securities in the manner provided by Section 27-105-5.

(h) Unless otherwise provided, income from investments authorized by the provisions of this subsection shall be credited to the State General Fund.

(i) Not more than Five Hundred Thousand Dollars (\$500,000.00) of funds may be invested with foreign financial institutions, and the State Treasurer may enter into price contracts for the purchase or exchange of foreign currency or other arrangements for currency exchange in an amount not to exceed Five Hundred Thousand Dollars (\$500,000.00) upon specific direction of the Department of Economic and Community Development. The State Treasurer shall promulgate all rules and regulations for applications, qualifications and any other necessary matters for foreign financial institutions.

Any liquidating agent of a depository in liquidation, voluntary or involuntary, shall redeem from the state any bonds and securities which have been pledged to secure state funds and such redemption shall be at the par value or market value thereof, whichever is greater; otherwise, The liquidating agent or receiver may pay off the state in full for its deposits and retrieve the pledged securities without regard to par or market value.

The State Treasurer and the Executive Director of the Department of Finance and Administration shall make monthly reports to the Legislative Budget Office containing a full and complete statement of all funds invested by virtue of the provisions of this section and the revenues derived therefrom and the expenses incurred therewith, together with all such other information as may seem to each of them as being pertinent to inform fully the Mississippi Legislature with reference thereto.

The State Treasurer shall not deposit any funds on demand deposit with any authorized depository, unless such depository has contracted for interest-bearing accounts or time certificates of deposit.

Notwithstanding the foregoing, any financial institution not meeting the prescribed ratio requirement set forth in Section 27-105-5 whose accounts are insured by the Federal Deposit Insurance Corporation, or any successor to that insurance corporation, may receive state funds in an amount not exceeding the amount which is insured by such insurance corporations and may qualify as a state depository to the extent of such insurance for this purpose only. The paid-in and earned capital funds of such financial institution shall not be included in the computations specified in Section 27-105-9(a) and (b).

SECTION 2. Section 27-104-7, Mississippi Code of 1972, as amended by House Bill No. 249, 2023 Regular Session, and House Bill No. 540, 2023 Regular Session, is amended as follows:

(v) One (1) member appointed by the Lieutenant Governor to serve for a term ending on June 30, 2020.

After the expiration of the initial terms, all appointed members' terms shall be for a period of four (4) years from the expiration date of the previous term, and until such time as the member's successor is duly appointed and qualified.

(c) When appointing members to the Public Procurement Review Board, the Governor and Lieutenant Governor shall take into consideration persons who possess at least five (5) years of management experience in general business, health care or finance for an organization, corporation or other public or private entity. Any person, or any employee or owner of a company, who receives any grants, procurements or contracts that are subject to approval under this section shall not be appointed to the Public Procurement Review Board. Any person, or any employee or owner of a company, who is a principal of the source providing a personal or professional service shall not be appointed to the Public Procurement Review Board if the principal owns or controls a greater than five percent (5%) interest or has an ownership value of One Million Dollars (\$1,000,000.00) in the source's business, whichever is smaller. No member shall be an officer or employee of the State of Mississippi while serving as a voting member on the Public Procurement Review Board.

(d) Members of the Public Procurement Review Board shall be entitled to per diem as authorized by Section 25-3-69 and travel reimbursement as authorized by Section 25-3-41.

(e) The members of the Public Procurement Review Board shall elect a chair from among the membership, and he or she shall preside over the meetings of the board. The board shall annually elect a vice chair, who shall serve in the absence of the chair. No business shall be transacted, including adoption of rules of procedure, without the presence of a quorum of the board. Three (3) members shall be a quorum. No action shall be valid unless approved by a majority of the members present and voting, entered upon the minutes of the board and signed by the chair. Necessary clerical and administrative support for the board shall be provided by the Department of Finance and Administration. Minutes shall be kept of the proceedings of each meeting, copies of which shall be filed on a monthly basis with the chairs of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the chairs of the Appropriations Committees of the Senate and House of Representatives.

(2) The Public Procurement Review Board shall have the following powers and responsibilities:

(a) Approve all purchasing regulations governing the purchase or lease by any agency, as defined in Section 31-7-1, of commodities and equipment, except computer equipment acquired pursuant to Sections 25-53-1 through 25-53-29;

(b) Adopt regulations governing the approval of contracts let for the construction and maintenance of state buildings and other state facilities as well as related contracts for architectural and engineering services.

The provisions of this paragraph (b) shall not apply to such contracts involving buildings and other facilities of state institutions of higher learning which are self-administered as provided under this paragraph (b) or Section 37-101-15(m);

(c) Adopt regulations governing any lease or rental agreement by any state agency or department, including any state agency financed entirely by federal funds, for space outside the buildings under the jurisdiction of the Department of Finance and Administration. These regulations shall require each agency requesting to lease such space to provide the following information that shall be published by the Department of Finance and Administration on its website: the agency to lease the space; the terms of the lease; the approximate square feet to be leased; the use for the space; a description of a suitable space; the general location desired for the leased space; the contact information for a person from the agency; the deadline date for the agency to have received a lease proposal; any other specific terms or conditions of the agency; and any other information deemed appropriate by the Division of Real Property Management of the Department of Finance and Administration or the Public Procurement Review Board. The information shall be provided sufficiently in advance of the time the space is needed

to allow the Division of Real Property Management of the Department of Finance and Administration to review and preapprove the lease before the time for advertisement begins;

(d) Adopt, in its discretion, regulations to set aside at least five percent (5%) of anticipated annual expenditures for the purchase of commodities from minority businesses; however, all such set-aside purchases shall comply with all purchasing regulations promulgated by the department and shall be subject to all bid requirements. Set-aside purchases for which competitive bids are required shall be made from the lowest and best minority business bidder; however, if no minority bid is available or if the minority bid is more than two percent (2%) higher than the lowest bid, then bids shall be accepted and awarded to the lowest and best bidder. However, the provisions in this paragraph shall not be construed to prohibit the rejection of a bid when only one (1) bid is received. Such rejection shall be placed in the minutes. For the purposes of this paragraph, the term "minority business" means a business which is owned by a person who is a citizen or lawful permanent resident of the United States and who is:

(i) Black: having origins in any of the black racial groups of Africa;

(xiv) Any personal or professional services contract entered into by the Mississippi Department of Environmental Quality in carrying out its responsibilities under the Mississippi Municipality and County Water Infrastructure Grant Program Act of 2022, through June 30, 2026.

Any such rules and regulations shall provide for maintaining continuous internal audit covering the activities of such agency affecting its revenue and expenditures as required under Section 7-7-3(6)(d). Any rules and regulation changes related to personal and professional services contracts that the Public Procurement Review Board may propose shall be submitted to the Chairs of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the Chairs of the Appropriation Committees of the Senate and House of Representatives at least fifteen (15) days before the board votes on the proposed changes, and those rules and regulation changes, if adopted, shall be promulgated in accordance with the Mississippi Administrative Procedures Act; and

(xv) From and after July 1, 2024, the Public Procurement Review Board shall promulgate rules and regulations that require the Department of Finance and Administration to conduct personal and professional services solicitations as provided in subparagraph (i) of this paragraph for those services in excess of Seventy-five Thousand Dollars (\$75,000.00) for the Department of Marine Resources, the Department of Wildlife, Fisheries and Parks, the Mississippi Emergency Management Agency and the Mississippi Development Authority, with assistance to be provided from these entities. Any powers that have been conferred upon agencies in order to comply with the provisions of this section for personal and professional services solicitations shall be conferred upon the Department of Finance and Administration to conduct personal and professional services solicitations for the Department of Marine Resources, the Department of Wildlife,

Fisheries and Parks, the Mississippi Emergency Management Agency and the Mississippi Development Authority for those services in excess of Seventy-five Thousand Dollars (\$75,000.00). The Department of Finance and Administration shall make any submissions that are required to be made by other agencies to the Public Procurement Review Board for the Department of Marine Resources, the Department of Wildlife, Fisheries and Parks, the Mississippi Emergency Management Agency and the Mississippi Development Authority.

The provisions of this subparagraph (xv) shall stand repealed on June 30, 2027.

(g) Approve all personal and professional services contracts involving the expenditures of funds in excess of Seventy-five Thousand Dollars (\$75,000.00), except as provided in paragraph (f) of this subsection (2) and in subsection (8);

(h) Develop mandatory standards with respect to contractual services personnel that require invitations for public bid, requests for proposals, record keeping and financial responsibility of contractors. The Public Procurement Review Board shall, unless exempted under this paragraph (h) or under paragraph (i) or (o) of this subsection (2), require the agency involved to submit the procurement to a competitive procurement process, and may reserve the right to reject any or all resulting procurements;

(i) Prescribe certain circumstances by which agency heads may enter into contracts for personal and professional services without receiving prior approval from the Public Procurement Review Board. The Public Procurement Review Board may establish a preapproved list of providers of various personal and professional services for set prices with which state agencies may contract without bidding or prior approval from the board;

(i) Agency requirements may be fulfilled by procuring services performed incident to the state's own programs. The agency head shall determine in writing whether the price represents a fair market value for the services. When the procurements are made from other governmental entities, the private sector need not be solicited; however, these contracts shall still be submitted for approval to the Public Procurement Review Board.

(ii) Contracts between two (2) state agencies, both under Public Procurement Review Board purview, shall not require Public Procurement Review Board approval. However, the contracts shall still be entered into the enterprise resource planning system;

(j) Provide standards for the issuance of requests for proposals, the evaluation of proposals received, consideration of costs and quality of services proposed, contract negotiations, the administrative monitoring of contract performance by the agency and successful steps in terminating a contract;

(k) Present recommendations for governmental privatization and to evaluate privatization proposals submitted by any state agency;

(l) Authorize personal and professional service contracts to be effective for more than one (1) year provided a funding condition is included in any such multiple year contract, except the State Board of Education, which shall have the authority to enter into contractual agreements for student assessment for a period up to ten (10) years. The State Board of Education shall procure these services in accordance with the Public Procurement Review Board procurement regulations;

(m) Request the State Auditor to conduct a performance audit on any personal or professional service contract;

(n) Prepare an annual report to the Legislature concerning the issuance of personal and professional services contracts during the previous year, collecting any necessary information from state agencies in making such report;

(o) Develop and implement the following standards and procedures for the approval of any sole source contract for personal and professional services regardless of the value of the procurement:

(i) For the purposes of this paragraph (o), the term "sole source" means only one (1) source is available that can provide the required personal or professional service.

(ii) An agency that has been issued a binding, valid court order mandating that a particular source or provider must be used for the required service must include a copy of the applicable court order in all future sole source contract reviews for the particular personal or professional service referenced in the court order.

(iii) Any agency alleging to have a sole source for any personal or professional service, other than those exempted under paragraph (f) of this subsection (2) and subsection (8), shall publish on the procurement portal website established by Sections 25-53-151 and 27-104-165, for at least fourteen (14) days, the terms of the proposed contract for those services. In addition, the publication shall include, but is not limited to, the following information:

1. The personal or professional service offered in the contract;
2. An explanation of why the personal or professional service is the only one that can meet the needs of the agency;
3. An explanation of why the source is the only person or entity that can provide the required personal or professional service;
4. An explanation of why the amount to be expended for the personal or professional service is reasonable; and
5. The efforts that the agency went through to obtain the best possible price for the personal or professional service.

(iv) If any person or entity objects and proposes that the personal or professional service published under subparagraph (iii) of this paragraph (o) is not a sole source service and can be provided by another person or entity, then the objecting person or entity shall notify the Public Procurement Review Board and the agency that published the proposed sole source contract with a detailed explanation of why the personal or professional service is not a sole source service.

(v) 1. If the agency determines after review that the personal or professional service in the proposed sole source contract can be provided by another person or entity, then the agency must withdraw the sole source contract publication from the procurement portal website and submit the procurement of the personal or professional service to an advertised competitive bid or selection process.

2. If the agency determines after review that there is only one (1) source for the required personal or professional service, then the agency may appeal to the Public Procurement Review Board. The agency has the burden of proving that the personal or professional service is only provided by one (1) source.

3. If the Public Procurement Review Board has any reasonable doubt as to whether the personal or professional service can only be provided by one (1) source, then the agency must submit the procurement of the personal or

professional service to an advertised competitive bid or selection process. No action taken by the Public Procurement Review Board in this appeal process shall be valid unless approved by a majority of the members of the Public Procurement Review Board present and voting.

(vi) The Public Procurement Review Board shall prepare and submit a quarterly report to the House of Representatives and Senate Accountability, Efficiency and Transparency Committees that details the sole source contracts presented to the Public Procurement Review Board and the reasons that the Public Procurement Review Board approved or rejected each contract. These quarterly reports shall also include the documentation and memoranda required in subsection (4) of this section. An agency that submitted a sole source contract shall be prepared to explain the sole source contract to each committee by December 15 of each year upon request by the committee;

(p) Assess any fines and administrative penalties provided for in Sections 31-7-401 through 31-7-423.

(3) All submissions shall be made sufficiently in advance of each monthly meeting of the Public Procurement Review Board as prescribed by the Public Procurement Review Board. If the Public Procurement Review Board rejects any contract submitted for review or approval, the Public Procurement Review Board shall clearly set out the reasons for its action, including, but not limited to, the policy that the agency has violated in its submitted contract and any corrective actions that the agency may take to amend the contract to comply with the rules and regulations of the Public Procurement Review Board.

(4) All sole source contracts for personal and professional services awarded by state agencies, other than those exempted under Section 27-104-7(2)(f) and (8), whether approved by an agency head or the Public Procurement Review Board, shall contain in the procurement file a written determination for the approval, using a request form furnished by the Public Procurement Review Board. The written determination shall document the basis for the determination, including any market analysis conducted in order to ensure that the service required was practicably available from only one (1) source. A memorandum shall accompany the request form and address the following four (4) points:

(a) Explanation of why this service is the only service that can meet the needs of the purchasing agency;

(b) Explanation of why this vendor is the only practicably available source from which to obtain this service;

(c) Explanation of why the price is considered reasonable; and

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) There is established the Mississippi Hospital Sustainability Grant Program which shall be administered by the State Department of Health.

(2) In order to strengthen, improve and preserve access to Mississippi hospital care services for all Mississippians and in recognition of the challenges incurred by Mississippi hospitals as a result of the COVID-19 pandemic, funds from the program shall be distributed, upon appropriation by the Legislature, to each hospital licensed by the State of Mississippi, except for hospitals operated by the United States Department of Veterans Affairs and hospitals operated by the State Department of Mental Health. Licensed specialty hospitals that are recognized as such by the State Department of Health, except for those excluded under this subsection, are eligible for grants under the program.

(3) The department shall distribute grants to each eligible hospital based upon the following formula:

(a) Each hospital that has fewer than one hundred (100) licensed beds and that is not classified as a critical access hospital that operates an emergency department shall be eligible to receive Six Hundred Twenty-five Thousand Dollars (\$625,000.00) to defray the costs of providing emergency department services.

(b) Each rural hospital that has fewer than one hundred (100) licensed beds and that is classified as a critical access hospital that operates an emergency department shall be eligible to receive Five Hundred Thousand Dollars (\$500,000.00) to defray the costs of providing emergency department services.

(c) Each hospital that operates an emergency department and that has more than one hundred (100) licensed beds shall be eligible to receive One Million Dollars (\$1,000,000.00).

(d) Each hospital with fewer than two hundred (200) licensed beds with the majority of such beds being dedicated to providing specialty services such as women's health services, long-term acute care, rehabilitation or psychiatric services shall be eligible to receive Five Hundred Thousand Dollars (\$500,000.00).

(e) Each rural hospital with fewer than one hundred (100) licensed beds with no emergency department shall be eligible to receive Three Hundred Thousand Dollars (\$300,000.00) to defray the costs of providing access to hospital care in rural communities.

(f) In addition to the funds provided in paragraphs (a) through (e) of this subsection, each small rural hospital with fifty (50) beds or less which operated an emergency department shall be eligible to receive Two Hundred Fifty Thousand Dollars (\$250,000.00) to defray the costs of providing access to hospital care in rural communities.

(g) In addition to the funds distributed in paragraphs (a) through (c) and (e) through (f) of this subsection, any remaining funds appropriated for the purposes of this grant program shall be distributed to hospitals receiving funds in paragraphs (a) through (c) and (e) through (f) of this subsection on a pro rata amount by dividing the total amount of the remaining funds by the number of licensed beds attributable to all licensed Mississippi hospitals except for licensed beds attributable to hospitals described in paragraph (d) of this subsection and for licensed beds attributable to hospitals operated by the United States Department of Veterans Affairs and hospitals operated by the State Department of Mental Health and determining a dollar amount for each bed, and then multiplying that dollar amount by the number of licensed beds of that hospital.

(4) The department shall adopt such reasonable rules as necessary for the administration of the program, but shall not place additional qualification requirements on hospitals other than the minimum requirements in this section.

(5) The Mississippi Hospital Association shall form a work group to review the delivery of hospital services in Mississippi and shall make recommendations regarding the changes needed to sustain access to hospital care to the Lieutenant Governor, Speaker of the House, Chairmen of the House and Senate Public Health Committees with copies to the Governor and the State Health Officer.

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 485: Sexual assault evidence kit; regulate the processing of.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.

2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) The following words shall have the meanings described in this act:

(a) "Law enforcement" means the law enforcement agency with the primary responsibility for investigating an alleged sexual assault.

(b) "Medical facility" means any state, local, tribal, community, free, nonprofit, academic, or private doctor's office, hospital, or medical clinic equipped to perform forensic medical examinations and prepare sexual assault evidence kits.

(c) "Reported kit" means a sexual assault evidence kit in which the survivor has consented to participate in the criminal justice process through reporting the crime to law enforcement.

(d) "Sexual assault" means rape as defined in Section 97-3-71, sexual battery as defined in Section 97-3-95 and sexual penetration as defined in Section 97-3-97.

(e) "Sexual assault evidence collection kit" means a sexual assault or rape kit developed by the Mississippi chapter of the International Association of Forensic Nurses (IAFN) and approved by the Sexual Assault Evidence Accountability Task Force.

(f) "Sexual Assault Nurse Examiner" means a registered nurse or advanced practice nurse, with a minimum of one (1) year of experience in areas of practice that require advanced physical assessment skills, such as emergency, critical care and maternal child health, who has completed sexual assault nurse examiner (SANE) training consistent with IAFN SANE Education Guidelines that consists of both classroom and clinical components.

(g) "Unreported kit" means a sexual assault evidence kit in which the survivor consented to the evidence collection, but has not consented to participate in the criminal justice process by reporting the crime to law enforcement – meaning they are not seeking to have their kit tested.

(2) Sexual assault evidence collection kits shall be processed in the following manner:

(a) Any medical facility that conducts a medical forensic examination and/or prepares a sexual assault evidence collection kit shall immediately, but no longer than four (4) hours after the finalization of examination, contact the appropriate law enforcement agency to collect the kit. Until the kit is retrieved by law enforcement, the medical facility shall store the kit in a refrigerated manner in conformity with the Scientific Working Group for DNA Analysis Method.

(b) When a law enforcement agency is contacted to collect a sexual assault evidence kit, the law enforcement agency shall take possession of the kit from the medical facility within twenty four (24) hours. Upon taking physical possession of the sexual assault evidence collection kit, the law enforcement agency shall transport the kit in a manner that preserves the evidence in the kit. The agency shall: (i) store the kit in a secure, refrigerated location in the agency no more than two (2) hours after taking physical possession of the kit; or (ii) transport the kit directly to the Mississippi Forensics Laboratory.

(c) All kits must be delivered to the Mississippi Forensics Laboratory no later than seven (7) calendar days from the date the law enforcement agency took physical possession of the kit.

(d) A law enforcement agency that receives a sexual assault collection kit from a healthcare provider that relates to a report of a sexual assault that occurred outside the jurisdiction of that law enforcement agency shall have the sexual assault collection kit delivered to the law enforcement agency having jurisdiction within ten (10) days of learning that the other law enforcement agency has jurisdiction.

(3) (a) The Mississippi Forensics Laboratory shall test sexual assault evidence collection kits within sixty (60) days of receipt from a law enforcement agency. Forensic DNA testing shall be performed according to laboratory methods that determine the presence of DNA suitable for STR analysis. Any autosomal, CODIS eligible DNA profile shall be entered into the Combined DNA Index System (CODIS) or equivalency thereof and state or local DNA database. If the Mississippi Forensics Laboratory is unable to determine DNA present, other than the victim's DNA, in the sexual assault evidence collection kit, the laboratory should evaluate the case, when suitable, to determine if any other DNA results could be used for investigative purposes.

(b) When forensic laboratory testing does result in a DNA profile foreign to the victim, the Mississippi Forensics Laboratory should enter the foreign DNA profile into the Combined DNA Index System (CODIS) or equivalency thereof and any other required state or local DNA databases. The average completion rate for this analysis and classification should not exceed ninety (90) days.

(c) The Mississippi Forensics Laboratory is authorized to contract with other laboratories to ensure that each kit is tested and the information from such kit is entered into CODIS, when applicable, within the time frames required by this subsection.

SECTION 2. (1) Upon the request of a sexual assault victim or their designee, the law enforcement agency that is investigating the assault of such victim shall inform the victim of the location of the sexual assault evidence kit or other crime scene evidence from the victim's case and the status of the DNA testing of the sexual assault evidence kit or other crime scene evidence from the victim's case.

(2) The law enforcement agency shall respond to the victim's request as soon as possible, but no longer than seven (7) calendar days, with either an oral or written communication, or by email, if an email address is available.

(3) In addition to the rights provided in the "Mississippi Crime Victims' Bill of Rights," in Sections 99-43-1 through 99-43-101, a victim of sexual assault shall have:

(a) The right to be informed by the law enforcement agency handling the case whether a DNA profile of the assailant was obtained from the testing of the sexual assault evidence kit or other crime scene evidence from their case.

(b) The right to be informed whether the DNA profile of the assailant developed from the sexual assault evidence kit or other crime scene evidence has been entered into the Mississippi Forensics Laboratory's DNA identification system or CODIS.

(c) The right to be informed whether there is a match between the DNA profile of the assailant developed from the rape kit evidence or other crime scene evidence and a DNA profile contained in the Mississippi Forensics Laboratory's DNA identification system, provided that disclosure would not impede or compromise an ongoing investigation.

(4) If the law enforcement agency intends to destroy or dispose of the sexual assault evidence kit or any other crime scene evidence from an unsolved sexual assault

case, the victim of the case shall be given written notification by the law enforcement agency of that intention within twenty (20) days. The victim shall be granted further preservation of the kit or its probative contents, upon their request.

(5) A law enforcement agency shall not destroy or dispose of the sexual assault evidence kit or any other crime scene evidence from an unsolved sexual assault case before twenty (20) years after the collection of the evidence of the crime or, if the victim was under eighteen (18) years of age at the time of the alleged offense, before the victim is forty (40) years of age.

(6) A sexual assault victim may designate a sexual assault victim advocate, or other support person of the victim's choosing, to act as a recipient of the above information required to be provided by this section.

(7) For the purpose of receiving notice under this section, the victim or the victim's designee may keep appropriate authorities informed of the name, address, telephone number, and email address of the person to whom the information should be provided, and any changes of the name, address, telephone number, and email address, if an email address is available.

(8) A defendant or person accused or convicted of a crime against the victim shall have no standing to object to any failure to comply with this section. The failure to provide a right or notice to a sexual assault victim under this section may not be used by a defendant to seek to have the conviction or sentence set aside.

(9) The sole civil or criminal remedy available to a sexual assault victim for a law enforcement agency's failure to fulfill its responsibilities under this section shall be standing to file a writ of mandamus to require compliance with subdivision with the requirements of this act.

SECTION 3. (1) The Mississippi Forensics Laboratory, in consultation with the Sexual Assault Evidence Accountability Task Force, and the Mississippi Department of Public Safety, shall conduct a study and issue a report by July 1, 2024, that examines the resources required to implement a rape kit tracking system in the state that shall:

(2) The Mississippi Department of Public Safety and Mississippi Forensic Laboratory shall issue a report of its findings and recommendations to the Legislature within twelve (12) months of the effective date of this section.

SECTION 5. Section 99-49-1, Mississippi Code of 1972, is amended as follows:

99-49-1. (1) Legislative intent. The Legislature finds that:

(a) The value of properly preserved biological evidence has been enhanced by the discovery of modern DNA testing methods, which, coupled with a comprehensive system of DNA databases that store crime scene and offender profiles, allow law enforcement to improve its crime-solving potential;

(b) Tapping the potential of preserved biological evidence requires the proper identification, collection, preservation, storage, cataloguing and organization of such evidence;

(c) Law enforcement agencies indicate that "cold" case investigations are hindered by an inability to access biological evidence that was collected in connection with criminal investigations;

(d) Innocent people mistakenly convicted of the serious crimes for which biological evidence is probative cannot prove their innocence if such evidence is not accessible for testing in appropriate circumstances;

(e) It is well established that the failure to update policies regarding the preservation of evidence squanders valuable law enforcement resources, manpower hours and storage space; and

(f) Simple but crucial enhancements to protocols for properly preserving biological evidence can solve old crimes, enhance public safety and settle claims of innocence.

(2) Definitions. For the purposes of this section:

(a) "Biological evidence" means the contents of a sexual assault examination kit or any item that contains blood, semen, hair, saliva, skin tissue, fingernail scrapings, bone, bodily fluids or other identifiable biological material that was collected as part of the criminal investigation or may reasonably be used to incriminate or exculpate any person for the offense. This definition applies whether that material is catalogued separately, such as on a slide, swab or in a test tube, or is present on other evidence, including, but not limited to, clothing, ligatures, bedding or other household material, drinking cups, cigarettes or other items.

(b) "DNA" means deoxyribonucleic acid.

(c) "Custody" means persons currently incarcerated; civilly committed; on parole or probation; or subject to sex offender registration for the period of the registration or for the first five (5) years of the registration, whichever is the shorter period.

(d) "Profile" means * * * an autosomal, Y chromosome, or mitochondrial DNA profile generated from an individual.

(e) "State" refers to any governmental or public entity within Mississippi, including all private entities that perform such functions, and its officials or employees, including, but not limited to, law enforcement agencies, prosecutors' offices, courts, public hospitals, forensics laboratories, and any other entity or individual charged with the collection, storage or retrieval of biological evidence.

(3) Preservation of evidence procedures. (a) The state shall preserve all biological evidence:

(i) That is secured in relation to an investigation or prosecution of a crime for the period of time that the crime remains unsolved or as otherwise provided by law for that crime; or

(ii) That is secured in relation to an investigation or prosecution of a crime for the period of time that the person convicted of that crime remains in custody or as otherwise provided by law for that crime.

(b) This section applies to evidence that:

(i) Was in the possession of the state during the investigation and prosecution of the case; and

(ii) At the time of conviction was likely to contain biological material.

(c) The state shall not destroy biological evidence should one or more additional co-defendants, convicted of the same crime, remain in custody, and shall preserve the evidence for the period of time in which all co-defendants remain in custody or as otherwise provided by law for that crime.

(d) The state shall retain evidence in the amount and manner sufficient to develop a DNA profile from the biological material contained in or included on the evidence.

(e) Upon written request by the defendant, the state shall prepare an inventory of biological evidence that has been preserved in connection with the defendant's criminal case.

(f) The state may destroy evidence that includes biological material before the expiration of the time period specified in paragraph (a) of this subsection if all of the following apply:

(i) No other provision of federal or state law requires the state to preserve the evidence.

(ii) The state sends certified delivery of notice of intent to destroy the evidence to:

1. All persons who remain in custody as a result of the criminal conviction, delinquency adjudication, or commitment related to evidence in question;

2. The attorney of record for each person in custody;

3. The Mississippi Office of Indigent Appeals;

4. The district attorney in the county of conviction; and

5. The Mississippi Attorney General.

(iii) No person who is notified under subparagraph (ii) of this paragraph (f) does either of the following within sixty (60) days after the date on which the person received the notice:

1. Files a motion for testing of evidence under * * * Chapter 39, Title 99, Mississippi Code of 1972; or

2. Submits a written request for retention of evidence to the state entity which provided notice of its intent to destroy evidence under subparagraph (ii) of this paragraph (f).

(g) If, after providing notice under paragraph (f)(ii) of this subsection of its intent to destroy evidence, the state receives a written request for retention of the evidence, the state shall retain the evidence while the person remains in custody.

(h) The state shall not be required to preserve physical evidence that is of such a size, bulk or physical character as to render retention impracticable. When such retention is impracticable, the state shall remove and preserve portions of the material evidence likely to contain biological evidence related to the offense, in a quantity sufficient to permit future DNA testing, before returning or disposing of the physical evidence.

(i) Should the state be called upon to produce biological evidence that could not be located and whose preservation was required under the provisions of this statute, the chief evidence custodian assigned to the entity charged with the preservation of the evidence shall provide an affidavit in which the custodian stipulates, under penalty of perjury, an accurate description of the efforts taken to locate that evidence and that the evidence could not be located.

(4) This section does not require the state to preserve the biological evidence that is obtained in performing the test required by Section 99-3-41 and is required to be destroyed under that section.

(5) Any evidence in a murder, manslaughter or felony sexual assault case in the possession of the state on July 1, 2009, whether biological or not, shall be preserved by

the state consistent with the legislative intent expressed in subsection (1) and subject to compliance with subsection (3)(f).

(6) Remedies for noncompliance. If the court finds that biological evidence was destroyed in violation of the provisions of this section, it may impose appropriate sanctions and order appropriate remedies.

SECTION 6. Section 4 of this act shall take effect and be in force from and after July 1, 2023. Sections 1, 2, 3 and 5 shall take effect and be in force from and after December 1, 2023.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO PROVIDE A PROCESS TO COLLECT AND PRESERVE SEXUAL ASSAULT EVIDENCE COLLECTION KITS; TO REQUIRE THE LAW ENFORCEMENT AGENCY TO IMMEDIATELY COLLECT AND STORE THE KIT IN COMPLIANCE WITH CERTAIN STANDARDS; TO REQUIRE THE LAW ENFORCEMENT AGENCY TO SEND THE KIT TO THE MISSISSIPPI FORENSICS LABORATORY WITHIN A CERTAIN NUMBER OF DAYS; TO REQUIRE THE FORENSICS LABORATORY TO PROCESS THE KIT AND ENTER CERTAIN DNA INFORMATION INTO THE APPROPRIATE FEDERAL, STATE AND LOCAL DATABASES; TO PROVIDE ADDITIONAL RIGHTS FOR SEXUAL ASSAULT VICTIMS; TO CREATE THE SEXUAL ASSAULT EVIDENCE ACCOUNTABILITY TASK FORCE TO CONDUCT A STUDY AND ISSUE A REPORT THAT EXAMINES THE RESOURCES REQUIRED TO IMPLEMENT A RAPE KIT TRACKING SYSTEM; TO AMEND SECTION 99-49-1, MISSISSIPPI CODE OF 1972, TO REVISE THE DEFINITION OF THE TERM "PROFILE"; TO CONFORM; AND FOR RELATED PURPOSES.

2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 63-16-3, Mississippi Code of 1972, is amended as follows:

63-16-3. (1) The Department of Public Safety, hereinafter referred to in this section as "department," in cooperation with the Commissioner of Insurance and the Department of Revenue, shall establish an accessible common carrier-based motor vehicle insurance verification system to verify the compliance of a motor vehicle with motor vehicle liability policy requirements under the Mississippi Motor Vehicle Safety-Responsibility Law.

(2) The department, in cooperation with the Department of Revenue if applicable, may contract with a private vendor or vendors to establish and maintain the system.

(3) The system must:

(b) Include appropriate provisions to secure its data against unauthorized access and to maintain a record of all requests and responses;

(c) Be accessible, without fee, to authorized personnel of the department, the courts, law enforcement personnel, and other entities authorized by the department under the provisions of Section 63-16-7;

(d) Be able to interface with existing department systems;

(e) Be able to be accessed by authorized users via a secure web browser;

(f) Not more often than every thirty (30) days, receive insurance information from insurers under specifications and standards set forth in paragraph (a) of this subsection or other data file formats as approved by the department to identify motor vehicle insurance policy information; however, no insurer shall be required to provide information in a format other than those set forth by the Insurance Industry Committee on Motor Vehicle Administration "Insurance Data Transfer Guide," as amended;

(g) Provide a means by which low-volume insurers that are unable to deploy an online interface with the system can report insurance policy data to the department or their designee for inclusion in the system;

(h) Provide a means to track separately or distinguish motor vehicles that are subject to a certificate of insurance under Section 63-15-39 or 63-15-41, a certificate of self-insurance under Section 63-15-53, a bond under Section 63-15-49, or a certificate of deposit of money or securities under Section 63-15-51;

(i) Distinguish motor vehicles that are exempt from the provisions of this chapter;

(j) Be available twenty-four (24) hours a day, seven (7) days a week, subject to reasonable allowances for scheduled maintenance or temporary system failures, to verify the insurance status of any motor vehicle in a manner prescribed by the department; and

(k) Be installed and operational not later than March 1, 2016, followed by an appropriate testing period of not less than six (6) months.

(4) Every insurer shall cooperate with the department and the Insurance Department in establishing and maintaining the system and shall provide motor vehicle liability policy status and information to verify liability coverage for a motor vehicle insured by that company that is registered in this state.

(5) Records and information gathered by or stored in the system are exempt from the Mississippi Public Records Act of 1983.

SECTION 2. The following shall be codified as Section 45-27-23, Mississippi Code of 1972:

45-27-23. (1) In order to facilitate the authorized interstate exchange of criminal history information for noncriminal justice purposes, including, but not limited to, background checks for the licensing and screening of employees and volunteers under the National Child Protection Act of 1993, as amended, and to implement the National Crime Prevention and Privacy Compact, 42 U.S.C. Section 14616, the Legislature approves and ratifies the compact. The director of the Mississippi Justice Information Center shall execute the compact on behalf of the state.

(2) The department is the repository of criminal history records for purposes of the compact and shall do all things necessary or incidental to carrying out the compact.

(3) The director of the Mississippi Justice Information Center, or the director's designee, is the state's compact officer and shall administer the compact within the state. The Mississippi Justice Information Center may establish procedures for the cooperative exchange of criminal history records between the state and federal government for use in noncriminal justice cases.

(4) The state's ratification of the compact remains in effect until legislation is enacted specifically renouncing the compact.

SECTION 3. Section 45-27-9, Mississippi Code of 1972, is amended as follows:

45-27-9. (1) All criminal justice agencies within the state shall submit to the center an arrest card that will transmit fingerprints, descriptions, photographs (when specifically requested), and other identifying data on persons who have been lawfully arrested or taken into custody in this state for all felonies and misdemeanors as described in Section 45-27-7(2)(a). It shall be the duty of all chiefs of police, sheriffs, district attorneys, courts, court clerks, judges, parole and probation officers, wardens or other persons in charge of correctional institutions in this state to furnish the center with all data required by the rules duly promulgated under the Administrative Procedures Act to carry out its responsibilities under this chapter, and the duty of courts and court clerks to submit a disposition form for every disposition. It shall be the duty of all criminal justice agencies within the state to supply the prosecutor and the proper court with the disposition form that is attached to the physical arrest card if fingerprints were taken manually or, if fingerprints were captured digitally, the disposition form generated by the electronic fingerprint device at the time of the arrest. The PEER committee may conduct random review of the records of any agency or clerks referenced in this subsection (1) to determine whether the duties of such agencies and clerks are being fulfilled in a timely manner. The PEER committee, based on its findings, if any, shall recommend measures to ensure that the duties are more effectively carried out in a timely manner.

(2) (a) All persons in charge of law enforcement agencies shall obtain, or cause to be obtained, fingerprints according to the fingerprint system of identification established by the Director of the Federal Bureau of Investigation, full face and profile photographs (if equipment is available) and other available identifying data, of each person arrested or taken into custody for an offense of a type designated in subsection (1) of this section, of all persons arrested or taken into custody as fugitives from justice and of all unidentified human corpses in their jurisdictions, but photographs need not be taken if it is known that photographs of the type listed, taken within the previous year, are on file. Any record taken in connection with any person arrested or taken into custody and subsequently released without charge or cleared of the offense through court proceedings shall be purged from the files of the center and destroyed upon receipt by the center of a lawful expunction order. All persons in charge of law enforcement agencies shall submit to the center detailed descriptions of arrests or takings into custody which result in release without charge or subsequent exoneration from criminal liability within twenty-four (24) hours of the release or exoneration.

(b) The center will work to secure grant funds to purchase live scan equipment to be utilized throughout the state. All law enforcement agencies shall utilize any live scan equipment provided by the center to ensure the most accurate collection of fingerprints. The center shall coordinate the use of the equipment with federal, state, county and municipal law enforcement agencies.

(3) Fingerprints and other identifying data required to be taken under subsection (2) shall be forwarded within twenty-four (24) hours after taking for filing and classification, but the period of twenty-four (24) hours may be extended to cover any intervening holiday or weekend. Photographs taken shall be forwarded at the discretion of the agency concerned, but, if not forwarded, the fingerprint record shall be marked "Photo Available" and the photographs shall be forwarded subsequently if the center so requests.

(4) All persons in charge of law enforcement agencies shall submit to the center detailed descriptions of arrest warrants and related identifying data immediately upon determination of the fact that the warrant cannot be served for the reasons stated. If the warrant is subsequently served or withdrawn, the law enforcement agency concerned must immediately notify the center of the service or withdrawal. Also, the agency concerned must annually, no later than January 31 of each year and at other times if

requested by the center, confirm all arrest warrants which continue to be outstanding. Upon receipt of a lawful expunction order, the center shall purge and destroy files of all data relating to an offense when an individual is subsequently exonerated from criminal liability of that offense. The center shall not be liable for the failure to purge, destroy or expunge any records if an agency or court fails to forward to the center proper documentation ordering the action.

(5) All persons in charge of state correctional institutions shall obtain fingerprints, according to the fingerprint system of identification established by the Director of the Federal Bureau of Investigation or as otherwise directed by the center, and full face and profile photographs of all persons received on commitment to the institutions. The prints so taken shall be forwarded to the center, together with any other identifying data requested, within ten (10) days after the arrival at the institution of the person committed. At the time of release, the institution will again obtain fingerprints, as before, and forward them to the center within ten (10) days, along with any other related information requested by the center. The institution shall notify the center immediately upon the release of the person.

(6) All persons in charge of law enforcement agencies, all court clerks, all municipal justices where they have no clerks, all justice court judges and all persons in charge of state and county probation and parole offices, shall supply the center with the information described in subsections (4) and (10) of this section on the basis of the forms and instructions for the disposition form to be supplied by the center.

(7) All persons in charge of law enforcement agencies in this state shall furnish the center with any other identifying data required in accordance with guidelines established by the center. All law enforcement agencies and correctional institutions in this state having criminal identification files shall cooperate in providing the center with copies of the items in the files which will aid in establishing the nucleus of the state criminal identification file.

(8) All law enforcement agencies within the state shall report to the center, in a manner prescribed by the center, all persons wanted by and all vehicles and identifiable property stolen from their jurisdictions. The report shall be made as soon as is practical after the investigating department or agency either ascertains that a vehicle or identifiable property has been stolen or obtains a warrant for an individual's arrest or determines that there are reasonable grounds to believe that the individual has committed a crime. The report shall be made within a reasonable time period following the reporting department's or agency's determination that it has grounds to believe that a vehicle or property was stolen or that the wanted person should be arrested.

(9) All law enforcement agencies in the state shall immediately notify the center if at any time after making a report as required by subsection (8) of this section it is determined by the reporting department or agency that a person is no longer wanted or that a vehicle or property stolen has been recovered. Furthermore, if the agency making the apprehension or recovery is not the one which made the original report, then it shall immediately notify the originating agency of the full particulars relating to the apprehension or recovery using methods prescribed by the center.

(10) All law enforcement agencies in the state and clerks of the various courts shall promptly report to the center all instances where records of convictions of criminals are ordered expunged by courts of this state as now provided by law. The center shall promptly expunge from the files of the center and destroy all records pertaining to any convictions that are ordered expunged by the courts of this state as provided by law.

(11) The center shall not be held liable for the failure to purge, destroy or expunge records if an agency or court fails to forward to the center proper documentation ordering the action.

(12) Any criminal justice department or agency making an expenditure in excess of Five Thousand Dollars (\$5,000.00) in any calendar year on software or programming upgrades concerning a computerized records management system or jail management system shall ensure that the new or upgraded system is formatted to Department of Justice approved XML format and that no impediments to data sharing with other agencies or departments exist in the software programming.

(13) (a) All law enforcement agencies within the state shall:

(i) Implement an incident-based reporting system within the agency or department that meets the reporting requirements of the National Incident-Based Reporting System (NIBRS) of the Uniform Crime Reporting Program of the Federal Bureau of Investigation;

(ii) Use the system described by subparagraph (i) to submit to the center information and statistics concerning criminal offenses committed in the jurisdiction of the local law enforcement agency, in a manner prescribed by the center; and

(iii) Report the information as soon as is practicable after the investigating agency or department ascertains that a qualifying crime has been committed in its jurisdiction, once the state-level NIBRS Repository is available.

(b) No later than * * * December 31, 2025, state and local law enforcement agencies shall be compliant with all regulations promulgated by the Department of Public Safety's Criminal Information Center (CIC), with consultation with the President of the Sheriffs Association and Mississippi Association of Chiefs of Police with regard to the National Incident-Based Reporting System (NIBRS) of the Uniform Crime Reporting Program of the Federal Bureau of Investigation.

SECTION 4. Section 63-1-16, Mississippi Code of 1972, is amended as follows:

Any person possessing a valid license issued pursuant to this section may carry a stun gun, concealed pistol or concealed revolver.

(b) The licensee must carry the license, together with valid identification, at all times in which the licensee is carrying a stun gun, concealed pistol or revolver and must display both the license and proper identification upon demand by a law enforcement officer. Honorably retired law enforcement officers, disabled veterans and active duty members of the Armed Forces of the United States, and law enforcement officers employed with a law enforcement agency of a municipality, county or state at the time of application for the license, shall be exempt from the payment of the license fee;

(d) A full set of fingerprints of the applicant administered by the Department of Public Safety; and

(e) A waiver authorizing the Department of Public Safety access to any records concerning commitments of the applicant to any of the treatment facilities or institutions referred to in subsection (2) of this section and permitting access to all the applicant's criminal records.

(6) (a) The Department of Public Safety, upon receipt of the items listed in subsection (5) of this section, shall forward the full set of fingerprints of the applicant to the appropriate agencies for state and federal processing.

(b) The Department of Public Safety shall forward a copy of the applicant's application to the sheriff of the applicant's county of residence and, if applicable, the police chief of the applicant's municipality of residence. The sheriff of the applicant's county of residence, and, if applicable, the police chief of the applicant's municipality of residence may, at his discretion, participate in the process by submitting a voluntary report to the Department of Public Safety containing any readily discoverable prior information that he feels may be pertinent to the licensing of any applicant. The reporting shall be made within thirty (30) days after the date he receives the copy of the application. Upon receipt of a response from a sheriff or police chief, such sheriff or police chief shall be reimbursed at a rate set by the department.

(c) The Department of Public Safety shall, within forty-five (45) days after the date of receipt of the items listed in subsection (5) of this section:

(i) Issue the license;

(ii) Deny the application based solely on the ground that the applicant fails to qualify under the criteria listed in subsections (2) and (3) of this section. If the Department of Public Safety denies the application, it shall notify the applicant in writing, stating the ground for denial, and the denial shall be subject to the appeal process set forth in subsection (7); or

(iii) Notify the applicant that the department is unable to make a determination regarding the issuance or denial of a license within the forty-five-day period prescribed by this subsection, and provide an estimate of the amount of time the department will need to make the determination.

(d) In the event a legible set of fingerprints, as determined by the Department of Public Safety and the Federal Bureau of Investigation, cannot be obtained after a minimum of two (2) attempts, the Department of Public Safety shall determine eligibility based upon a name check by the Mississippi Highway Safety Patrol and a Federal Bureau of Investigation name check conducted by the Mississippi Highway Safety Patrol at the request of the Department of Public Safety.

(7) (a) If the Department of Public Safety denies the issuance of a license, or suspends or revokes a license, the party aggrieved may appeal such denial, suspension or revocation to the Commissioner of Public Safety, or his authorized agent, within thirty (30) days after the aggrieved party receives written notice of such denial, suspension or revocation. The Commissioner of Public Safety, or his duly authorized agent, shall rule upon such appeal within thirty (30) days after the appeal is filed and failure to rule within

this thirty-day period shall constitute sustaining such denial, suspension or revocation. Such review shall be conducted pursuant to such reasonable rules and regulations as the Commissioner of Public Safety may adopt.

(b) If the revocation, suspension or denial of issuance is sustained by the Commissioner of Public Safety, or his duly authorized agent pursuant to paragraph (a) of this subsection, the aggrieved party may file within ten (10) days after the rendition of such decision a petition in the circuit or county court of his residence for review of such decision. A hearing for review shall be held and shall proceed before the court without a jury upon the record made at the hearing before the Commissioner of Public Safety or his duly authorized agent. No such party shall be allowed to carry a stun gun, concealed pistol or revolver pursuant to the provisions of this section while any such appeal is pending.

(8) The Department of Public Safety shall maintain an automated listing of license holders and such information shall be available online, upon request, at all times, to all law enforcement agencies through the Mississippi Crime Information Center. However, the records of the department relating to applications for licenses to carry stun guns, concealed pistols or revolvers and records relating to license holders shall be exempt from the provisions of the Mississippi Public Records Act of 1983, and shall be released only upon order of a court having proper jurisdiction over a petition for release of the record or records.

(9) Within thirty (30) days after the changing of a permanent address, or within thirty (30) days after having a license lost or destroyed, the licensee shall notify the Department of Public Safety in writing of such change or loss. Failure to notify the Department of Public Safety pursuant to the provisions of this subsection shall constitute a noncriminal violation with a penalty of Twenty-five Dollars (\$25.00) and shall be enforceable by a summons.

(10) In the event that a stun gun, concealed pistol or revolver license is lost or destroyed, the person to whom the license was issued shall comply with the provisions of subsection (9) of this section and may obtain a duplicate, or substitute thereof, upon payment of Fifteen Dollars (\$15.00) to the Department of Public Safety, and furnishing a notarized statement to the department that such license has been lost or destroyed.

(11) A license issued under this section shall be revoked if the licensee becomes ineligible under the criteria set forth in subsection (2) of this section.

(12) (a) Except as provided in subsection (25) of this section, no less than ninety (90) days prior to the expiration date of the license, the Department of Public Safety shall *** send to each licensee a written notice of the expiration and a renewal form prescribed by the department. The licensee must renew his license on or before the expiration date by filing with the department the renewal form, a notarized affidavit stating that the licensee remains qualified pursuant to the criteria specified in subsections (2) and (3) of this section if necessary, and a full set of fingerprints administered by the Department of Public Safety or the sheriff of the county of residence of the licensee. The first renewal may be processed by mail "or other means as determined by the Department" and the subsequent renewal must be made in person. Thereafter every other renewal may be processed by mail to assure that the applicant must appear in person every ten (10) years for the purpose of obtaining a new photograph.

(i) Except as provided in this subsection, a renewal fee of Forty Dollars (\$40.00) shall also be submitted along with costs for processing the fingerprints;

(ii) Honorably retired law enforcement officers, disabled veterans, active duty members of the Armed Forces of the United States and law enforcement officers employed with a law enforcement agency of a municipality, county or state at the time of renewal, shall be exempt from the renewal fee; and

(iii) The renewal fee for a Mississippi resident aged sixty-five (65) years of age or older shall be Twenty Dollars (\$20.00).

(b) The Department of Public Safety shall forward the full set of fingerprints of the applicant to the appropriate agencies for state and federal processing. The license shall be renewed upon receipt of the completed renewal application and appropriate payment of fees.

(c) A licensee who fails to file a renewal application on or before its expiration date must renew his license by paying a late fee of Fifteen Dollars (\$15.00). No license shall be renewed six (6) months or more after its expiration date, and such license shall be deemed to be permanently expired. A person whose license has been permanently expired may reapply for licensure; however, an application for licensure and fees pursuant to subsection (5) of this section must be submitted, and a background investigation shall be conducted pursuant to the provisions of this section.

(13) No license issued pursuant to this section shall authorize any person, except a law enforcement officer as defined in Section 45-6-3 with a distinct license authorized by the Department of Public Safety, to carry a stun gun, concealed pistol or revolver into any place of nuisance as defined in Section 95-3-1, Mississippi Code of 1972; any police, sheriff or highway patrol station; any detention facility, prison or jail; any courthouse; any courtroom, except that nothing in this section shall preclude a judge from carrying a concealed weapon or determining who will carry a concealed weapon in his courtroom; any polling place; any meeting place of the governing body of any governmental entity; any meeting of the Legislature or a committee thereof; any school, college or professional athletic event not related to firearms; any portion of an establishment, licensed to dispense alcoholic beverages for consumption on the premises, that is primarily devoted to dispensing alcoholic beverages; any portion of an establishment in which beer, light spirit product or light wine is consumed on the premises, that is primarily devoted to such purpose; any elementary or secondary school facility; any junior college, community college, college or university facility unless for the purpose of participating in any authorized firearms-related activity; inside the passenger terminal of any airport, except that no person shall be prohibited from carrying any legal firearm into the terminal if the firearm is encased for shipment, for purposes of checking such firearm as baggage to be lawfully transported on any aircraft; any church or other place of worship, except as provided in Section 45-9-171; or any place where the carrying of firearms is prohibited by federal law. In addition to the places enumerated in this subsection, the carrying of a stun gun, concealed pistol or revolver may be disallowed in any place in the discretion of the person or entity exercising control over the physical location of such place by the placing of a written notice clearly readable at a distance of not less than ten (10) feet that the "carrying of a pistol or revolver is prohibited." No license issued pursuant to this section shall authorize the participants in a parade or demonstration for which a permit is required to carry a stun gun, concealed pistol or revolver.

(14) A law enforcement officer as defined in Section 45-6-3, chiefs of police, sheriffs and persons licensed as professional bondsmen pursuant to Chapter 39, Title 83, Mississippi Code of 1972, shall be exempt from the licensing requirements of this section.

(a) The Commissioner of Public Safety shall promulgate rules and regulations to provide licenses to law enforcement officers as defined in Section 45-6-3 who choose to obtain a license under the provisions of this section, which shall include a distinction that the officer is an "active duty" law enforcement officer and an endorsement that such officer is authorized to carry in the locations listed in subsection (13). A law enforcement officer shall provide the following information to receive the license described in this subsection: (i) a letter, with the official letterhead of the agency or department for which the officer is employed at the time of application and (ii) a letter with the official letterhead of the agency or department, which explains that such officer has completed a certified law enforcement training academy.

(b) The licensing requirements of this section do not apply to the carrying by any person of a stun gun, pistol or revolver, knife, or other deadly weapon that is not concealed as defined in Section 97-37-1.

(15) Any person who knowingly submits a false answer to any question on an application for a license issued pursuant to this section, or who knowingly submits a false document when applying for a license issued pursuant to this section, shall, upon conviction, be guilty of a misdemeanor and shall be punished as provided in Section 99-19-31, Mississippi Code of 1972.

(16) All fees collected by the Department of Public Safety pursuant to this section shall be deposited into a special fund hereby created in the State Treasury and shall be used for implementation and administration of this section. After the close of each fiscal year, the balance in this fund shall be certified to the Legislature and then may be used by the Department of Public Safety as directed by the Legislature.

(17) All funds received by a sheriff or police chief pursuant to the provisions of this section shall be deposited into the general fund of the county or municipality, as appropriate, and shall be budgeted to the sheriff's office or police department as appropriate.

(18) Nothing in this section shall be construed to require or allow the registration, documentation or providing of serial numbers with regard to any stun gun or firearm.

(19) Any person holding a valid unrevoked and unexpired license to carry stun guns, concealed pistols or revolvers issued in another state shall have such license recognized by this state to carry stun guns, concealed pistols or revolvers. The Department of Public Safety is authorized to enter into a reciprocal agreement with another state if that state requires a written agreement in order to recognize licenses to carry stun guns, concealed pistols or revolvers issued by this state.

(20) The provisions of this section shall be under the supervision of the Commissioner of Public Safety. The commissioner is authorized to promulgate reasonable rules and regulations to carry out the provisions of this section.

(21) For the purposes of this section, the term "stun gun" means a portable device or weapon from which an electric current, impulse, wave or beam may be directed, which current, impulse, wave or beam is designed to incapacitate temporarily, injure, momentarily stun, knock out, cause mental disorientation or paralyze.

(22) (a) From and after January 1, 2016, the Commissioner of Public Safety shall promulgate rules and regulations which provide that licenses authorized by this section for honorably retired law enforcement officers and honorably retired correctional officers from the Mississippi Department of Corrections shall (i) include the words "retired law enforcement officer" on the front of the license, and (ii) unless the licensee chooses to have this license combined with a driver's license or identification card under subsection (25) of this section, that the license itself have a red background to distinguish it from other licenses issued under this section.

(b) An honorably retired law enforcement officer and honorably retired correctional officer shall provide the following information to receive the license described in this section: (i) a letter, with the official letterhead of the agency or department from which such officer is retiring, which explains that such officer is honorably retired, and (ii) a letter with the official letterhead of the agency or department, which explains that such officer has completed a certified law enforcement training academy.

(23) A disabled veteran who seeks to qualify for an exemption under this section shall be required to provide a veterans health services identification card issued by the

United States Department of Veterans Affairs indicating a service-connected disability, which shall be sufficient proof of such service-connected disability.

(24) A license under this section is not required for a loaded or unloaded pistol or revolver to be carried upon the person in a sheath, belt holster or shoulder holster or in a purse, handbag, satchel, other similar bag or briefcase or fully enclosed case if the person is not engaged in criminal activity other than a misdemeanor traffic offense, is not otherwise prohibited from possessing a pistol or revolver under state or federal law, and is not in a location prohibited under subsection (13) of this section. However, the medical use of medical cannabis by a cardholder who is a registered qualifying patient which is lawful under the provisions of the Mississippi Medical Cannabis Act and in compliance with rules and regulations adopted thereunder shall not disqualify a person under this subsection (24) solely because the person is prohibited from possessing a firearm under 18 USCS Section 922(g)(3) due to such medical use of medical cannabis.

(25) An applicant for a license under this section shall have the option of, instead of being issued a separate card for the license, having the license appear as a notation on the individual's driver's license or identification card. If the applicant chooses this option, the license issued under this section shall have the same expiration date as the driver's license or identification card, and renewal shall take place at the same time and place as renewal of the driver's license or identification card. The Commissioner of Public Safety shall have the authority to promulgate rules and regulations which may be necessary to ensure the effectiveness of the concurrent application and renewal processes.

SECTION 6. Section 63-16-15, Mississippi Code of 1972, which provides for the repeal of the Public Safety Verification and Enforcement Act (Sections 63-16-1 through 63-16-13, Mississippi Code of 1972), is repealed.

SECTION 7. This act shall take effect and be in force from and after July 1, 2023.

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2559: Transportation; extend repealer on harvest permit authorization and fees.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

AMEND on lines 137-138 by deleting the following language:

This subsection (4) shall stand repealed from and after July 1, * * * 2025.

FURTHER, AMEND by inserting the following new section after line 167 and renumber subsequent section(s) accordingly:

SECTION *. (1) There is created in the State Treasury a special fund to be known as the "Strategic Multi-Modal Investments Fund," into which shall be deposited nonfederal money appropriated by the Legislature or otherwise made available in any manner, and funds from any other source designated for deposit into such fund. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund and any interest earned or investment earnings on amounts in the fund shall be deposited into the fund. The expenditure of money deposited into the fund shall be under the direction of the Mississippi Department of Transportation, and such funds shall be paid by the Mississippi Department of Transportation upon warrants issued by the Department of Finance and Administration.

(2) For purposes of this act, unless the context requires otherwise, the following terms shall have the meanings ascribed herein:

(a) "Airport project" means the construction, reconstruction, or rehabilitation of runways, taxiways, aprons, hangars, passenger or freight terminals, cargo or freight storage facilities, aircraft and airfield equipment maintenance and storage buildings, on airport service and access roads, and related buildings and parking facilities, or the acquisition or instillation of equipment for the movement or safety or security of persons or freight, at public-use airports in Mississippi in order to increase the airport's capacity and/or to support additional freight activity at the airport.

(b) "Department" means the Mississippi Department of Transportation.

(c) "Fund" means the Strategic Multi-Modal Investments Fund.

(d) "Port project" means the repair, rehabilitation, construction, reconstruction, upgrading and improvement of port facilities, port intermodal facilities, and major marine terminal equipment for the loading and unloading of goods at any state, county or municipal port authorities in Mississippi in order to increase the capacity to support additional freight activity or to support additional customers at the port.

(e) "Rail project" means the reconstruction, replacement, or new construction of railroad infrastructure, including track, roadbed, switches, spurs, bridges, industrial leads and sidings, transloading facilities, grade separation projects, and track-related structures to support additional freight rail activity for serving new customer locations or expansions in Mississippi for a public benefit. A public benefit may include safety improvements, economic development, and operational efficiencies that reduce congestion and benefit surrounding communities.

(3) Money in the fund shall be utilized by the department, with the advice of the Strategic Multi-Modal Investments Advisory Board, to provide funding for necessary investments and repairs to airports, ports, and rail lines in this state, as determined by a majority vote of the Mississippi Transportation Commission. Eligible applicants for airport projects are public-use airports in the state that are on the National Plan of Integrated Airport Systems (NPIAS) maintained by the Federal Aviation Administration. Eligible applicants for port projects are state, county or municipal port authorities in Mississippi. Eligible applicants for rail projects are any freight rail operator or state, local or regional governmental entities operating a railroad. For rail projects, local units of government may be deemed eligible applicants if the application is related to a federal rail grant opportunity that requires local units of governments serve as eligible applicants as opposed to a freight rail owner or operator.

(4) The purpose of the fund is to increase the capacity for the movement of freight and increased economic activity at the airports, ports and railroads located in this state and to support long-term economic growth in the state. The department should prioritize projects leveraging federal funds for similar purposes or that provide a positive rate of return based on sound projections of increased economic activity and project readiness. The department shall ensure an equitable distribution of funds between types of recipients. The department shall also ensure an equitable share of funding for projects serving rural areas of the state. Money in the fund may be used to match other federal funding programs when allowable by those federal programs. However, before the expenditure of money in the fund, the department shall promulgate rules and regulations as authorized in subsection (3) of this section.

(5) (a) There is created the Strategic Multi-Modal Investments Advisory Board which shall consist of the following members:

(i) The President and Chief Executive Officer of the Mississippi Economic Council;

(ii) The President and Chief Executive Officer of the Mississippi Manufacturers Association;

(iii) The President of the Mississippi Farm Bureau Federation;

(iv) The Executive Director of the Mississippi Railroad Association;

(v) The Executive Director of the Ports Council;

(vi) The Executive Director of the Mississippi Airports Association;

and

(vii) The Executive Director of the Mississippi Economic Development Council.

(b) The board shall provide nonbinding advice to the Department of Transportation regarding the expenditure of money in the Strategic Multi-Modal Investments Fund.

(c) The Strategic Multi-Modal Investments Advisory Board shall elect from among its members a chairman of the board within ninety (90) days of the effective date of this act, and the board shall elect such other officers as it considers necessary from among its members.

(d) A majority of the members of the board shall constitute a quorum for the conduct of meetings and all actions of the board shall be by a majority vote. No compensation, per diem or mileage expense shall be provided to the board members.

(e) The department shall provide any necessary administrative support to the board.

(f) The board shall meet at least annually to conduct business.

(6) The department shall have all powers necessary to implement and administer the program established under this section to maximize all potential sources of funding, including state and federal, for projects covered by the program. Any available sources of funding may be combined to fund any project covered by the program. This includes Multi-Modal Transportation Improvement Program funds, which may be used in conjunction with Strategic Multi-Modal Investments Fund monies. Under no circumstances shall Strategic Multi-Modal Investments Fund monies be used to reimburse any amount that has been expended on the project prior to the award of such monies to the recipient.

(7) The department shall promulgate rules and regulations, in accordance with the Mississippi Administrative Procedures Law, necessary for the implementation of this section.

FURTHER, AMEND the title on line 3 by inserting the following after the semicolon:

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 698: Municipal water, wastewater and sewer services; require equity based billing based on use of.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 21-27-7, Mississippi Code of 1972, is amended as follows:

21-27-7. (1) (a) The governing authorities of municipalities shall have the power to erect, purchase, maintain and operate waterworks, and to regulate the same, and to prescribe the rates at which water shall be supplied to the * * * users. The rates at which water, wastewater, and sewer services shall be supplied shall be just and reasonable based on the actual cost to operate and maintain the systems, and rates may not be unreasonably preferential, prejudicial or discriminatory but shall be sufficient, equitable and consistent in application to each class of users. While a municipality may set different rates for different classifications of users, a municipality shall not discriminate in setting rates among members of the same classification. The municipal governing authorities shall make a finding on the minutes of the governing body establishing the rate based on the actual cost to operate and maintain the system. A municipality shall not charge a user a fee for services received which is less than the cost incurred by the municipality to provide such services.

(b) The governing authorities of a municipality shall establish and maintain rates and charges in equitable proportion to the use of the services and benefits rendered by the waterworks systems and water treatment facilities serving the municipal area. From time to time the governing authorities shall adjust such rates, to the end that the revenues therefrom will be sufficient at all times to pay the expenses of operating and

maintaining such works, facilities and systems and all of the municipality's obligations under any contract or bond resolution with respect thereto. The calculation of a user's bill shall be limited to the actual amount of volumetric usage, plus those fees reasonable and necessary for the cost of capital expenses, system operation and maintenance, and debt service.

(c) If a user's meter is tampered with, unreadable, or otherwise out-of-order, a municipality may render an estimated bill to that user for a period not to exceed six (6) months. In such circumstance, an estimated bill shall be based upon the prior average measured usage of the user or a similar user of the same classification.

(i) Only in the event a municipality with a population of one thousand (1,000) or less is unable to meet the requirement of billing based solely on volumetric usage, such municipality may bill based on a flat fee rate where such municipality has established flat fee billing as its usual and customary billing practice prior to the passage of this act, and where such municipality is actively billing based upon a flat fee rate as of the passage of this act. In such circumstances, flat fee billing may be utilized until such time as the municipality implements upgrades to its system to provide for

volumetric billing. In such circumstance, the municipality may set different flat fee rates for different classifications of users, but the municipality shall not discriminate in setting flat fee rates among members of the same classification, and the municipality shall not charge a user a fee for services received that is less than the cost incurred by the municipality to provide such services.

(ii) The governing authorities of the municipality shall make a finding annually on the minutes of the governing body establishing the rate based upon the actual cost to operate and maintain the system as determined under Generally Accepted Accounting Principles, and the municipality shall not charge a user a fee for services received that is less than the cost incurred by the municipality, or based on the assessed value of the property, to provide such services.

(d) Notice of any change in the rate or rate structure at which services are supplied shall be posted on all bills sent to users at least one (1) month prior to the effective date of the rate change. Notice shall also be posted to the municipality's online webpage or bill payment platform, if the municipality has an online webpage or bill payment platform.

(e) Nothing in this statute shall be construed as prohibiting a user or governing authority of any municipality from applying for and receiving any federally or privately subsidized payment assistance, grant or other funds.

(f) The governing authority of a municipality may provide for the calculation of a user's bill by a method other than volumetric usage only in exchange for consideration as part of, or in connection with, an incentive contract or other form of benefit or assistance related to the user's location, expansion, or maintenance of its commercial or industrial operation within the municipality, so long as such rate is equitable, fair, and non-discriminatory, and the municipality shall not charge such user a fee for services received that is less than the cost incurred by the municipality to provide such services.

(2) The governing authorities of municipalities shall have the power to acquire by purchase, donation or condemnation, in the name of the municipality, suitable grounds, within or without the corporate limits, upon which to erect waterworks, and also the right-of-way to and from such works and the right-of-way for laying water pipes within the corporate limits, and from such waterworks to the municipality, and to extend such right-of-way from time to time. The governing authorities shall have the power to contract with any person for the maintenance and operation of waterworks. * * * The authorities shall have the power to contract with any person for the erection and maintenance of waterworks for a term not exceeding twenty-five (25) years, fixing water rates in the

contract subject to municipal regulations. A contract for the erection or purchase of waterworks shall not, however, be entered into until submitted to a vote of the qualified electors and approved by a majority of those voting. A contract for maintenance under which the person who will perform such maintenance is wholly or partially responsible for fixing water rates shall not be entered into until submitted to a vote of the qualified electors and approved by a majority of those voting. It shall be unlawful for any municipally owned waterworks to supply water free of charge, or in any amount less than the fixed charges, to any person, firm or corporation, except as is expressly authorized by law.

SECTION 2. Section 21-27-189, Mississippi Code of 1972, is amended as follows:

21-27-189. A municipality, as defined in Section 21-27-163, is authorized and empowered, in the discretion of its governmental authorities, to exercise the following powers and authority within the area and territories comprising the metropolitan area of which it is a part:

(a) To operate and manage sewerage systems, sewage treatment facilities and sewage disposal systems and related facilities serving the metropolitan area in conformance with the metropolitan area plan.

(b) To construct, operate and maintain sewerage systems, sewage treatment facilities and sewage disposal systems in the manner and to the extent required by the metropolitan area plan.

(c) To accept and utilize grants and other funds from any source for waste treatment management purposes.

(d) To establish and maintain rates and charges in equitable proportion for the use of the services and benefits rendered of such sewerage systems, sewage treatment facilities and sewage disposal systems within the metropolitan area, and from time to time to adjust such rates, to the end that the revenues therefrom will be sufficient at all times to pay the expenses of operating and maintaining such works, facilities and systems and all of the municipality's obligations under any contract or bond resolution with respect thereto. The rates shall be just and reasonable, and rates may not be unreasonably preferential, prejudicial or discriminatory but shall be sufficient, equitable and consistent in application to each class of users. While the municipality may set different rates for different classifications of users, a municipality shall not discriminate in setting rates among members of the same classification. The governing authorities of the municipality shall make a finding on the minutes of the governing body establishing the rate based upon the actual cost to operate and maintain the system, and a municipality shall not charge a user a fee for services received which is less than the cost incurred by the municipality to provide such services.

(e) To incur short and long-term indebtedness under the provisions of Sections 21-27-161 through 21-27-191 or other applicable statutes.

(f) To adopt rules and regulations necessary to carry out the implementation of the metropolitan area plan and to assure the payment of each participating person or public agency of its proportionate share of treatment costs.

(g) To refuse to receive any waste from any public agency or subdivision thereof or any other person which does not comply with the provisions of the metropolitan area plan applicable to the particular area within which such public agency or subdivision thereof or any other person is located.

(h) To accept industrial waste for treatment and to require the pretreatment of same when within the opinion of the municipality such pretreatment is necessary.

(i) To adopt all necessary and reasonable rules and regulations to carry out and effectuate any waste treatment plan adopted for the metropolitan area.

(j) To require by ordinance or by contract with a public agency or other person that all waste within the metropolitan area be disposed of through sewerage systems, treatment facilities and sewage disposal systems which comprise a part of the metropolitan area plan, to the extent that the same may be available, but no public agency shall be precluded from constructing, operating and maintaining its own sewerage system if the same be a part of the metropolitan area plan.

SECTION 3. This act shall take effect and be in force from and after July 1, 2023.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTIONS 21-27-7 AND 21-27-189, MISSISSIPPI CODE OF 1972, TO ENSURE JUST, REASONABLE AND TRANSPARENT BILLING FOR MUNICIPAL WATER, WASTEWATER, AND SEWER SERVICES; AND FOR RELATED PURPOSES.

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 912: Firearm suppressors; authorizing manufacture and possession in Mississippi and prohibit enforcement of federal laws governing.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) As used in this section, the following words and phrases have the meanings ascribed in this subsection unless the context clearly requires otherwise:

(a) "Firearm" means any device designed, made or adapted to expel a projectile through a barrel by using the energy generated by an explosion or burning substance or any device readily convertible to that use. "Firearm" does not include a firearm that may have, as an integral part, a folding knife blade or other characteristics of illegal weapons which are:

(i) An antique or curio firearm manufactured before 1899; or

(ii) A replica of an antique or curio firearm manufactured before 1899, but only if the replica does not use rim fire or center fire ammunition.

(b) "Firearm suppressor" means any device designed, made or adapted to muffle the report of a firearm.

(c) "Generic and insignificant part" means an item that has manufacturing or consumer product applications other than inclusion in a firearm suppressor. The term includes a spring, screw, nut and pin.

(d) "Manufacture" includes forging, casting, machining or another process for working a material.

(2) A firearm suppressor is considered to be manufactured in this state if the item is manufactured:

(a) In this state from basic materials which shall include iron, steel, stainless steel, aluminum, titanium, or metal alloys which are either machined out of solid ingots or stamped out of sheets; and

(b) Without the inclusion of any part imported from another state other than a generic and insignificant part.

(3) A firearm suppressor is manufactured in this state if it is manufactured as described in subsection (2) of this section without regard to whether a firearm imported into this state from another state is attached to or used in conjunction with the suppressor.

(4) A firearm suppressor that is manufactured in this state and remains in this state is not subject to federal law or federal regulation, including registration, under the authority of the United States Congress to regulate interstate commerce.

(5) Basic material from which a firearm suppressor is manufactured in this state, including unmachined steel, is not a firearm suppressor and is not subject to federal regulation under the authority of the United States Congress to regulate interstate commerce as if it actually were a firearm suppressor.

(6) A firearm suppressor manufactured and sold in this state must have the words "Made in Mississippi" clearly stamped or etched on it.

(7) This section applies only to a firearm suppressor that is manufactured on or after July 1, 2023.

SECTION 2. (1) This section applies to:

(a) The State of Mississippi, including an agency, department, commission, bureau, board, office, council, court or other entity that is in any branch of state government and which is created by the constitution or a statute of this state;

(b) The governing body of a municipality, county, school district or other district;

(c) An officer, employee or body that is part of a municipality, county, school district or other district, including a sheriff, municipal police department, municipal attorney or county attorney; and

(d) A district attorney or other prosecuting attorney.

(2) (a) An entity described in subsection (1) of this section may not adopt a rule, regulation, order, ordinance or policy under which the entity enforces, or by consistent action allows the enforcement of, a federal statute, order, rule or regulation that purports to regulate a firearm suppressor, as defined in Section 1 of this act, if the rule, regulation, order, ordinance or policy imposes a prohibition, restriction or other regulation that does not exist under the laws of this state.

(b) An entity or person employed by or otherwise under the direction or control of an entity described in subsection (1) of this section may not enforce or attempt to enforce any federal statute, order, rule or regulation described under paragraph (a) of this subsection.

(3) (a) An entity described in subsection (1) of this section may not receive state funds if the entity adopts a rule, regulation, order, ordinance or policy under which the entity enforces a federal law described under subsection (2)(a) of this section or, by consistent action, allows the enforcement of a federal law described under subsection (2)(a) of this section.

(b) State funds for the entity must be denied for the fiscal year following the year in which a final judicial determination in an action brought under this section is made that the entity has violated subsection (2)(a) of this section.

SECTION 3. An alleged offense under Section 97-37-1, as it existed on June 30, 2023, of concealed carrying of a muffler or silencer for any firearm, or under Section

97-37-31, as it existed on June 30, 2023, of possession of a device that is used to muffle a firearm, may not be prosecuted on or after July 1, 2023. If on July 1, 2023, a criminal action is pending for an offense described in this section, the action is dismissed on that date. However, a final conviction for an offense described in this section which exists on July 1, 2023, is unaffected by this act.

SECTION 4. Section 11-1-67, Mississippi Code of 1972, is amended as follows:

11-1-67. (1) The authority to bring an action against any firearms or ammunition manufacturer, distributor or dealer duly licensed under federal law on behalf of any governmental entity created by or pursuant to an act of the Mississippi Legislature or the Mississippi Constitution of 1890, or any department, agency or authority thereof, for damages, abatement, injunctive relief or any other relief or remedy resulting from or relating to the lawful design, manufacture, distribution or sale of firearms, firearm components, * * * ammunition or ammunition components to the public, shall be exclusively reserved to the state. This section shall not prohibit a political subdivision from bringing an action against a firearm or ammunition manufacturer, distributor or dealer for breach of contract or warranty as to firearms or ammunition purchased by the political subdivision, or for injuries resulting from a firearm malfunction due to defects in materials or workmanship.

(2) "Political subdivision" and "governmental entity" shall have the meanings ascribed in Section 11-46-1.

SECTION 5. Section 97-37-1, Mississippi Code of 1972, is amended as follows:

97-37-1. (1) Except as otherwise provided in Section 45-9-101, any person who carries, concealed on or about one's person, any bowie knife, dirk knife, butcher knife, switchblade knife, metallic knuckles, blackjack, * * * pistol, revolver, or any rifle with a barrel of less than sixteen (16) inches in length, or any shotgun with a barrel of less than eighteen (18) inches in length, machine gun or any fully automatic firearm or deadly weapon, * * * or uses or attempts to use against another person any imitation firearm, shall, upon conviction, be punished as follows:

(b) By a fine of not less than One Hundred Dollars (\$100.00) nor more than Five Hundred Dollars (\$500.00), and imprisonment in the county jail for not less than thirty (30) days nor more than six (6) months, for the second conviction under this section.

(c) By confinement in the custody of the Department of Corrections for not less than one (1) year nor more than five (5) years, for the third or subsequent conviction under this section.

(d) By confinement in the custody of the Department of Corrections for not less than one (1) year nor more than ten (10) years for any person previously convicted of any felony who is convicted under this section.

(2) It shall not be a violation of this section for any person over the age of eighteen (18) years to carry a firearm or deadly weapon concealed within the confines of his own home or his place of business, or any real property associated with his home or business or within any motor vehicle.

(3) It shall not be a violation of this section for any person to carry a firearm or deadly weapon concealed if the possessor of the weapon is then engaged in a legitimate weapon-related sports activity or is going to or returning from such activity. For purposes

of this subsection, "legitimate weapon-related sports activity" means hunting, fishing, target shooting or any other legal activity which normally involves the use of a firearm or other weapon.

(4) For the purposes of this section, "concealed" means hidden or obscured from common observation and shall not include any weapon listed in subsection (1) of this section, including, but not limited to, a loaded or unloaded pistol carried upon the person in a sheath, belt holster or shoulder holster that is wholly or partially visible, or carried upon the person in a scabbard or case for carrying the weapon that is wholly or partially visible.

SECTION 6. Section 97-37-31, Mississippi Code of 1972, which creates the misdemeanor offense of making, manufacturing, selling or possessing a device that will muffle the report of a firearm by a person not authorized to do such under federal law, is repealed.

SECTION 7. (c) If the court finds that the offer of proof is sufficient, the court shall order a closed hearing in chambers, out of the presence of the jury, if any, and at such closed hearing allow the questioning of the complaining witness regarding the offer of proof made by the defendant.

(d) At the conclusion of the hearing, if the court finds that evidence proposed to be offered by the defendant regarding the sexual conduct of the complaining witness is relevant and otherwise admissible, the court may make an order stating what evidence

may be introduced by the defendant, and the nature of the questions to be permitted. The defendant may then offer evidence pursuant to the order of the court.

(2) As used in this section and Section 97-3-70, "complaining witness" means the alleged victim of the crime charged, the prosecution of which is subject to this section.

SECTION 5. Section 97-3-71, Mississippi Code of 1972, is amended as follows:

97-3-71. Every person who shall be convicted of an assault with intent * * * of forcible sexual penetration of any person shall be punished by imprisonment in the Penitentiary for life, or for such shorter time as may be fixed by the jury, or by the court upon the entry of a plea of guilty.

SECTION 1. The following shall be codified as Section 23-15-615, Mississippi Code of 1972:

23-15-615. The Secretary of State shall be authorized to audit election procedures of the 2023, 2024, 2026 and 2027 general elections in the counties of this state. The conduction of an audit shall not create excessive interference with the general duties and responsibilities of the Secretary of State, county registrar, and county election commission.

(a) The Secretary of State shall audit all eighty-two (82) counties by randomly selecting from each of the congressional districts during the 2023, 2024, 2026 and 2027 general elections, and randomly selecting no more than twenty-five percent (25%) of the total precincts or no more than five (5) precincts, whichever is less in each county. No county or precinct shall be selected for audit on the basis of race, geographical location or voting trends.

(i) If the Secretary of State finds any issues that could affect the outcome of an election or cause voters to be disenfranchised, then the Secretary of State, in partnership with the local county election officials, shall develop a plan to correct those issues, which shall include additional training.

(ii) The Secretary of State will have the discretion to randomly select the counties and precincts that will be audited, but must do so at least ninety (90) days before the election to be audited. No audit shall occur if the election is challenged as provided in Sections 23-15-927, 23-15-951 or 23-15-955. No audit shall occur until after a ballot box examination has occurred and the period to contest an election has expired, or if a runoff election occurs, the audit shall occur after the runoff election.

(b) In conducting a procedural audit, the Secretary of State shall audit the following:

(i) Procedures for testing of OMR equipment before counting ballots, including the ballots used for testing of OMR equipment, as required by Section 23-15-521;

(ii) Ballot accounting reports, seal logs, poll books, and receipt books as required to be kept by Section 23-15-519;

(c) By January 20, 2027, the Secretary of State shall provide a recommendation to the Mississippi Legislature on whether the procedures to be audited in paragraph (b) should be expanded or reduced.

(d) The Secretary of State shall develop a post-election audit manual which shall detail the policies and procedures for conducting post-election audits. The post-election audit manual shall not be altered less than ninety (90) days before an election in which the post-election audit manual shall be utilized in conducting a post-election audit.

(e) No later than one hundred twenty (120) days after the election that the Secretary of State is auditing, the Secretary of State shall compile a report of the procedural audits conducted and shall submit the report to the Governor, Lieutenant Governor, Speaker of the House of Representatives and Chairmen of the Senate and House Election Committees. Prior to submitting the report, the Secretary of State shall allow the local county election officials to review the report and provide comments that will be submitted along with the report. The report shall first list all counties audited alphabetically with any major finding which may affect the outcome of the election and whether any voters were disenfranchised, then list out a detailed report of any major or minor findings, along with recommended changes to both county and Secretary of State practices.

(4) A registered voter "fails to respond to the confirmation notice" if the voter, during a period beginning on the date the confirmation notice was sent and ending on the day after the date of the second general election for federal office that occurs after the date of the notice, fails to:

- (a) Respond to the confirmation notice; or
- (b) Update the elector's registration information.

A registered voter who votes at least once in any election in the registered voter's county or municipality of registration during the period beginning from the date of the delivery of the confirmation notice provided in this subsection (4) or who is active or reserve military or who serves on jury duty or responds to a summons for jury duty shall not be purged from the Statewide Elections Management System.

(5) The county registrar or county election commission shall move those registered voters who fail to respond to the confirmation notice as provided in subsection (4) of this section and who fail to vote as provided in subsection (4) of this section to purged status in the Statewide Elections Management System.

(6) No systematic list maintenance shall occur during the ninety (90) days immediately preceding a federal primary or general election which is limited to moving a voter to inactive status in subsection (2) of this section or purged status in subsection (5) of this section.

(7) The county registrar shall retain purged voter registration records after they are purged for a period that includes at least two (2) federal general elections and shall record the reason for the removal.

SECTION 6. Section 23-15-125, Mississippi Code of 1972, is amended as follows:

23-15-125. The pollbook of each voting precinct shall designate the voting precinct for which it is to be used, and shall be ruled in appropriate columns, with printed or written headings, as follows: date of registration; voter registration number; name of electors; date of birth; and a number of blank columns for the dates of elections. All qualified applicants who register with the registrar shall be entered in the Statewide Elections Management System. Only the names of those qualified applicants who register within thirty (30) days before an election shall appear on the pollbooks of the election; however, if the thirtieth day to register before an election falls on a Sunday or legal holiday, the registration applications submitted on the business day immediately following the legal holiday shall be accepted and entered in the Statewide Elections Management System for the purpose of enabling voters to vote in the next election. When county election commissioners determine that any elector is disqualified from voting, by reason of death, conviction of a disenfranchising crime, removal from the jurisdiction, failure to comply with the provisions of Section 23-15-152, or other legal cause, that fact shall be noted in the Statewide Elections Management System and the voter's name shall be * * * purged from the Statewide Elections Management System, the state's voter roll and the county's pollbooks. Nothing in this section shall preclude the use of electronic pollbooks.

SECTION 7. Section 23-15-15, Mississippi Code of 1972, is amended as follows:

23-15-15. (1) By January 1, 2025, the Secretary of State shall compare the entire Statewide Elections Management System to the Department of Public Safety Driver's License Database and follow the procedures outlined in subsections (2) through (8) of this section if a voter is flagged in the database as a potential noncitizen.

(2) Upon receiving a completed voter registration application, the registrar shall enter the applicant into the Statewide Elections Management System. * * * The registration application shall be compared with the Department of Public Safety driver's license and identification information. If such information indicates that a particular applicant is not a citizen of the United States, the Statewide Elections Management System shall notify the registrar, or his or her designee, that the applicant may not be a citizen of the United States.

(* * *) After receiving the notice from the Statewide Elections Management System as provided in subsections (1) and (2) of this section, the registrar, or his or her designee, shall:

(a) Enter the applicant's information into the United States Citizenship and Immigration Service's Systematic Alien Verification for Entitlements (SAVE) or its successor database for further inquiry; and

(b) If both the Department of Public Safety driver's license and identification information and the database in paragraph (a) of this subsection indicate that the applicant is not a citizen, send a notice by first-class mail to the applicant's mailing address provided on the voter registration application inquiring whether the individual is eligible to be registered to vote. The registrar may, in addition to first-class mail, contact the applicant by email or telephone.

(* * *) Any applicant who receives the notice under subsection (* * *) (b) of this section shall, within thirty (30) days of the receipt of such notice, provide proof of citizenship to the registrar or his or her designee.

(* * *) For purposes of this section, proof of citizenship includes, but is not limited to:

(a) The applicant's birth certificate or a legible photocopy of the birth certificate;

(b) A United States passport, or a legible photocopy of the pertinent pages of the passport, identifying the applicant and showing the passport number;

(c) The applicant's United States naturalization documentation, a legible photocopy of the naturalization documentation, or the number of the applicant's Certificate of Naturalization; except that any person who provides the number of the Certificate of Naturalization in lieu of the naturalization documentation shall not be deemed to have provided proof of citizenship until the number is verified with the United States Citizenship and Immigration Services in the Department of Homeland Security or its successor; or

(d) Any document or method of proof of citizenship established by the Federal Immigration Reform and Control Act of 1986, Public Law 99-603, compiled in 8 USC Section 1101 et seq.

(** *6) If the applicant provides proof of citizenship and meets all other qualifications provided by law, the registrar shall register the applicant to vote.

(** *7) If the applicant does not reply to the notice or provide proof of citizenship, the registrar of the county, or his or her designee, where the person registered to vote shall mark the applicant as "PENDING" in the Statewide Elections Management System until the next federal general election:

(a) A voter in pending status may cast an affidavit ballot. The affidavit ballot shall be considered if the voter provides the required documentation under subsection * * * (5) of this section to the registrar within five (5) days of casting the affidavit ballot.

(b) If the applicant fails to respond to the notice or cast an affidavit ballot and provide the proof described in subsection * * * (5) of this section by the next federal general election, the registrar shall mark the applicant as "REJECTED" in the Statewide Elections Management System.

(8) All documentation provided to show proof of citizenship as well as the Department of Public Safety database or relevant federal and state agency and county records shall be confidential and shall not be subject to inspection, examination, copying or reproduction under the Mississippi Public Records Act of 1983.

SECTION 8. Section 23-15-165, Mississippi Code of 1972, is amended as follows:

23-15-165. The system shall encompass software and hardware, at both the state and county level, software development training, conversion and support and maintenance for the system. This system shall be known as the "Statewide Elections Management System" and shall constitute the official record of registered voters in every county of the state.

(2) The Office of the Secretary of State shall develop and implement the Statewide Elections Management System so that the registrar and election commissioners of each county shall:

(b) Be notified automatically that a registered voter in its county has registered to vote in another county;

(c) Receive regular reports of death, changes of address and convictions for disenfranchising crimes that apply to voters registered in the county; * * *

(d) Retain all present functionality related to, but not limited to, the use of voter roll data and to implement such other functionality as the law requires to enhance the maintenance of accurate county voter records and related jury selection and redistricting programs * * *; and

(e) When evidence exists that a registered voter may not be a citizen of the United States as provided in Section 23-15-15, send notification to the registrar of the location where the person is registered to vote.

(3) As a part of the procurement and implementation of the system, the Office of the Secretary of State shall, with the assistance of the advisory committee, procure services necessary to convert current voter registration records in the counties into a standard, industry accepted file format that can be used on the Statewide Elections Management System. Thereafter, all official voter information shall be maintained on the Statewide Elections Management System. The standard industry accepted format of data was reviewed and approved by a majority of the advisory committee created in subsection (5) of this section after consultation with the Circuit Clerks Association and the format may not be changed without consulting the Circuit Clerks Association.

(d) Provide the registrar or his or her designee or other appropriate official, as the law may require, access to the system at all times, including the ability to download copies of the industry standard file, for all purposes related to their official duties, including, but not limited to, exclusive access for the purpose of printing all local pollbooks;

(e) Provide security and protection of all information in the system and monitor the system to ensure that unauthorized access is not allowed;

(g) Provide a procedure for phasing in or converting existing manual and computerized voter registration systems in counties to the Statewide Elections Management System.

(5) The Secretary of State established an advisory committee to assist in developing system specifications, procurement, implementation and maintenance of the Statewide Elections Management System. (6) (a) Social security numbers, telephone numbers, email addresses, and date of birth and age information in statewide, district, county and municipal voter registration files shall be exempt from and shall not be subject to inspection, examination, copying or reproduction under the Mississippi Public Records Act of 1983.

(b) Copies of statewide, district, county or municipal voter registration files, excluding social security numbers, telephone numbers, email addresses, and date of birth and age information, shall be provided to any person in accordance with the Mississippi Public Records Act of 1983 at a cost not to exceed the actual cost of production.

(3) (a) Acts and omissions of an officer in discharge of private security employment shall be deemed to be the acts and omissions of the person or entity who hires or enters into any independent contractual service agreement with an officer for the private security

(b) The person or entity, and the person's or entity's insurer, who hires or enters into any independent contractual service agreement with an officer for private security services shall:

(i) Hold harmless the employing jurisdiction and fully indemnify the employing jurisdiction for any expense or loss, including attorney's fees and any damage to the official vehicle, which results from any action taken against the employing jurisdiction arising out of the acts or omissions of the officer in discharge of private security services while wearing the official uniform or using the official weapon or vehicle; and

(ii) Name the employing jurisdiction as a named insured on its general liability and automobile liability policies for at least the amount of recovery provided for in Section 11-46-15 for any damage to the official vehicle.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2359: Tourism; Mississippi Main Street Revitalization Grant Program.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. This act shall be known and may be cited as the "Mississippi Main Street Revitalization Grant Program Act."

SECTION 2. The Mississippi Main Street Revitalization Grant Program Act will authorize the Legislature, as well as the Mississippi Development Authority through appropriations by the Legislature, to make grants available to selected Main Street Designated Community programs for projects leading to the

revitalization of Mississippi's downtowns.

SECTION 3. (1) For the purposes of this section:

(a) "Eligible recipient" means a Main Street Designated Community that is a good-standing member of the MMSA, has obtained Section 501(c)(3) tax-exempt status or Section 501(c)(6) tax-exempt status from the Internal Revenue Service and possesses matching funds to match twenty percent (20%) of the total project cost. A Main Street Designated Community will be ineligible for a grant under this section, if their community was a recipient of a grant under this section in the previous year.

(b) "Main Street Designated Community" means a local Main Street program that has achieved and maintained Designated Community status by the MMSA.

(c) "Matching funds" means cash funds that are either in the applicant's possession or proposed by a match partner and clearly identified in a support letter and are reserved for the proposed project. No state funds may be included in determining the amount of the match.

(d) "MMSA" means the Mississippi Main Street Association.

(2) The MMSA shall accept applications from eligible recipients, prioritize their applications and submit a list of suggested recipients to the Legislature no later than December of each year. Beginning with the 2024 Regular Session of the Legislature, and each Regular Session thereafter, the Legislature shall review the submitted list and determine the projects for which to award grants to eligible recipients through the Mississippi Development Authority in an appropriation bill. The MMSA will consider projects in relation to the following criteria:

- (a) The demonstration of local financial need;
- (b) Projects that demonstrate high local impact;
- (c) Projects that produce a high level of public benefit;
- (d) Projects that demonstrate best practices in

preservation;

- (e) Projects that will have local administration and implementation capacity;
- (f) The distribution of geographic size and location of the project;
- (g) Projects that will be completed on time; and

(h) Whether the community in which the project is located has not received funding under this section for the previous year.

(3) The Mississippi Development Authority shall provide grant funds to the Main Street Designated Communities under this section on a reimbursement basis, not to exceed Five Hundred Thousand Dollars (\$500,000.00) per community each year, and grantees shall not receive compensation for their required twenty percent (20%) local match. Main Street Designated Communities with a population of less than ten thousand (10,000), shall be required to have a local cash match of ten percent (10%) for the first One Hundred Thousand Dollars (\$100,000.00) requested, then will be required to have a local cash match of twenty percent (20%) for any amount over One Hundred Thousand Dollars (\$100,000.00).

(4) Eligible costs for the expenditure of grant funds include the acquisition of land and any improvements thereon, preservation of historic downtown structures and sites, and initiatives that will produce a revitalization to the economy of the historic downtown areas.

(5) Grants may be awarded for prospective purchases or for acquisitions of which the applicant has closed. In the latter

case, the applicant shall demonstrate:

(a) The closing occurred no more than twelve (12) months prior to the date of application for the grant; and

(b) The subject purchase was made to help preserve and revitalize the location and economy of a historic downtown community.

(6) Any eligible organization making an acquisition of downtown property or interest therein pursuant to this section shall grant to the Mississippi Department of Archives and History or other holder a perpetual easement placing reasonable restrictions on the use or development of the land. In cases where the easement is granted to a holder other than the Mississippi Department of Archives and History, all terms and conditions of the easement shall be reviewed by and found by the Mississippi Department of Archives and History to accomplish the perpetual preservation of the historic downtown property. Such other holder shall demonstrate to the department that it has the capacity and expertise to manage and enforce the terms of the easement.

(7) Grantees must adhere to Mississippi state procedures and guidelines relating to the implementation and financing of the approved project. Grantees must also submit any and all audit and financial statements as required by the State of Mississippi.

(8) Nothing in this section shall preclude the subsequent transfer or assignment by a state agency or other owner or holder of any property interest acquired pursuant to this section to the State of Mississippi, the county, city, town or municipality in which the land is located, for the purpose of further preserving, improving or maintaining the downtown property. The Mississippi Development Authority shall facilitate transfers and assignments of any such interests held by the department.

(9) There is created in the State Treasury a special fund to be known as the "Mississippi Main Street Revitalization Grant Program Fund," which shall consist of funds made available by the Legislature in any manner, funds received as grants, endowments or gifts from the federal government, its agencies and instrumentalities, and funds from any other source designated for deposit into such fund. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any investment earnings or interest earned on amounts in the fund shall be deposited to the credit of the fund. Monies in the fund shall be used by the Mississippi Development Authority, upon appropriation by the Legislature, for the purposes provided in this section.

(10) The Mississippi Development Authority shall administer the fund and establish guidelines for the expenditure of grant funds and reports relating to the expenditure of grant funds. The department may utilize no more than two percent (2%) of the amount of funds deposited into the Mississippi Main Street Revitalization Grant Fund for administrative expenses in carrying out its duties under this section.

(11) To carry out this act, the Mississippi Development Authority may enter into cooperative agreements with entities in the public and private sectors, including:

- (a) Colleges and universities;
- (b) Historical societies;
- (c) State and local agencies; and
- (d) Nonprofit organizations.

(12) To develop cooperative land-use strategies and conduct activities that facilitate the conservation of the historic, cultural, natural and scenic resources, the Mississippi Development Authority may require that recipients seek and secure technical assistance from the MMSA, to the extent that a recipient of technical assistance is engaged in the protection, interpretation or commemoration of historically significant property in the area in and around the historic downtown site. The MMSA will provide administrative support to local Main Street grantees to ensure proper grant administration and project implementation.

SECTION 4. This act shall take effect and be in force from
and after July 1, 2023.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO CREATE THE MISSISSIPPI MAIN STREET REVITALIZATION GRANT PROGRAM ACT; TO PROVIDE THAT THE MISSISSIPPI MAIN STREET ASSOCIATION SHALL ACCEPT APPLICATIONS FROM MAIN STREET PROGRAMS IN THIS STATE FOR DOWNTOWN REVITALIZATION PROJECTS; TO PROVIDE THAT THE MISSISSIPPI MAIN STREET ASSOCIATION SHALL PRIORITIZE SUCH APPLICATIONS AND SUBMIT A LIST OF SUGGESTED RECIPIENTS TO THE LEGISLATURE NO LATER THAN DECEMBER 1 OF EACH YEAR AND THAT THE LEGISLATURE SHALL REVIEW THE SUBMITTED LIST AND DETERMINE THE PROJECTS FOR WHICH TO AWARD GRANTS THROUGH THE MISSISSIPPI DEVELOPMENT AUTHORITY IN AN APPROPRIATIONS BILL; TO CREATE THE "MISSISSIPPI MAIN STREET REVITALIZATION GRANT PROGRAM FUND" AS A SPECIAL FUND IN THE STATE TREASURY FOR THE PURPOSE OF PROVIDING FUNDS FOR GRANTS UNDER THIS ACT; TO AUTHORIZE THE ISSUANCE OF STATE GENERAL OBLIGATION BONDS TO PROVIDE FUNDS FOR THE MISSISSIPPI MAIN STREET REVITALIZATION GRANT PROGRAM FUND; AND FOR RELATED PURPOSES.

SECTION 1. (1) As used in this section, the following terms shall have the meanings ascribed in this subsection unless the context clearly indicates otherwise:

(a) "Base investment" means the actual investment made and expended in Mississippi by a production company in connection with the production of a state-certified production in the state. The term "base investment" includes amounts expended in Mississippi by a production company as per diem and housing allowances in connection with the production of a state-certified production in the state. The term "base investment" shall not include payroll. However, in the case of a production company, or its owner, principal, member, production partner, independent contractor director or producer, or subsidiary company that (i) is designated and pre-qualified by the Mississippi Development Authority as Mississippi-based or a Mississippi resident; (ii) has filed income taxes in the State of Mississippi during each of the previous three (3) years; and (iii) has engaged in activities related to the production of at least two (2) series in Mississippi during the past ten (10) years, base investment may include payroll and fringes paid for any employee who is not a resident and whose wages are subject to the Mississippi Income Tax Withholding Law of 1968, if so requested by the production company. A production company must submit such a request to the Mississippi Development Authority at the time the company submits an application for approval as a state-certified production. In addition, if base investment includes payroll and fringes, and the payroll and fringes paid for an employee exceeds Three Million Dollars (\$3,000,000.00), then only the first Three Million Dollars (\$3,000,000.00) of such payroll and fringes may be included in base investment.

(b) "Employee" means an individual directly involved in the physical production and/or post-production of a series produced in the state and who is employed by a:

(i) Production company that is directly involved in the physical production and/or post-production of a series in the state;

(ii) Personal service corporation retained by a production company to provide persons used directly in the physical production and/or post-production of a series in the state; or

(iii) Payroll service or loan-out company that is retained by a production company to provide employees who work directly in the physical production and/or post-production of a series in the state.

(c) "Fringes" means costs paid by a production company for employee benefits that are not subject to state income tax. Fringes may include, but are not limited to, payments by an employer for unemployment insurance, Federal Insurance Contribution Act (FICA), workers' compensation insurance, pension and welfare benefits and health insurance premiums.

(d) "Series" means a nationally distributed connected set of television program episodes, consisting of not less than two (2) episodes made in Mississippi, in whole or in part, for viewing through: traditional television that is broadcast via cable, satellite or over-the-air aerial antenna systems; the digital distribution of television content as streaming media over the Internet through streaming platforms, which may be viewed on digital devices, such as a personal computer or handheld device; or through DVD release. The term "series" shall not include any production or work described in this paragraph (d) that contains any material or performance defined in Section 97-29-103.

(e) "Production company" means a company engaged in the business of producing series. The term "production company" shall not mean or include any company owned, affiliated, or controlled, in whole or in part, by any company or person which is in default on a loan made by the state or a loan guaranteed by the state, or any company or person who has ever declared bankruptcy under which an obligation of the company or person to pay or repay public funds or monies was discharged as a part of such bankruptcy.

(f) "Payroll" means salary, wages or other compensation including related benefits paid to employees upon which Mississippi income tax is due and has been withheld.

An application for approval as a state-certified production must be submitted to the Mississippi Development Authority before production of the project begins.

(2) (a) A production company that expends at least Fifty Thousand Dollars (\$50,000.00) in base investment, payroll and/or fringes, in the state shall be entitled to a rebate of a portion of the base investment made by the production company. Subject to the provisions of this section, the amount of the rebate shall be equal to twenty-five percent (25%) of the base investment made by the production company.

(b) In addition to the rebates authorized under paragraphs (a), (c) and (d) of this subsection, a production company may receive a rebate equal to twenty percent (20%) of payroll and fringes paid for any employee who is not a resident and whose wages are subject to the Mississippi Income Tax Withholding Law of 1968. However, if the payroll and fringes paid for an employee exceeds Three Million Dollars (\$3,000,000.00), then the rebate is authorized only for the first Three Million Dollars (\$3,000,000.00) of such payroll and fringes.

(c) In addition to the rebates authorized under paragraphs (a), (b) and (d) of this subsection, a production company may receive a rebate equal to thirty-five percent (35%) of payroll and fringes paid for any employee who is a resident and whose wages are subject to the Mississippi Income Tax Withholding Law of 1968. (f) If a series has physical production activities and/or post-production activities both inside and outside the state, then the production company shall be required to provide an itemized accounting for each employee regarding such activities inside and outside the state for the purposes of proration of eligible payroll based on the percentage of activities performed in the state.

(g) The total amount of rebates authorized in any fiscal year shall not exceed Ten Million Dollars (\$10,000,000.00) in the aggregate.

(2) A production company desiring a rebate under this section must submit a rebate request to the Department of Revenue upon completion of the project. The request must include a detailed accounting of the base investment made by the production company and any other information required by the Department of Revenue. Rebates made by the Department of Revenue under this section shall be made from current income tax collections.

SECTION 1. Section 47-5-901, Mississippi Code of 1972, is amended as follows:

47-5-901. (1) (a) Any person committed, sentenced or otherwise placed under the custody of the Department of Corrections, on order of the sentencing court and subject to the other conditions of this subsection, may serve all or any part of his sentence in the county jail of the county wherein such person was convicted if the Commissioner of Corrections determines that physical space is not available for confinement of such person in the state correctional institutions. Such determination shall be promptly made by the Department of Corrections upon receipt of notice of the conviction of such person. The commissioner shall certify in writing that space is not available to the sheriff or other officer having custody of the person. Any person serving his sentence in a county jail shall be classified in accordance with Section 47-5-905.

(b) Any person committed, sentenced or otherwise placed under the custody of the Department of Corrections, on order of the sentencing court and subject to the other conditions of this subsection, may serve all or any part of his or her sentence in

the county jail of the county wherein such person was convicted if the sheriff or president of the board of supervisors, requests such inmate or inmates. Upon such request, the department may allow such inmate or inmates to serve all or any part of such inmate's or inmates' sentence(s), as the case may be, in the county of conviction of the inmate or inmates or the county of request of a sheriff or board of supervisors outside the county of conviction. Such determination shall be promptly made by the Department of Corrections upon receipt of notice of the conviction of such person. Whenever a request is denied for an inmate or inmates, then the commissioner shall certify in writing to the sentencing court, sheriff, or president of the board of supervisors of a county, as the case may be, that such inmate or inmates does not qualify to serve the sentence or sentences in the county jail. Any person serving his sentence in a county jail shall be classified in accordance with Section 47-5-905.

(2) If state prisoners are housed in county jails due to a lack of capacity at state correctional institutions, the Department of Corrections shall determine the cost for food and medical attention for such prisoners. The cost of feeding and housing offenders confined in such county jails shall be based on actual costs or contract price per prisoner. In order to maximize the potential use of county jail space, the Department of Corrections is encouraged to negotiate a reasonable per day cost per prisoner, which in no event may exceed * * * Twenty-five Dollars (\$25.00) per day per offender, except as authorized in Section 47-5-909(2).

(3) (a) Upon vouchers submitted by the board of supervisors of any county housing persons due to lack of space at state institutions, the Department of Corrections shall pay to such county, out of any available funds, the actual cost of food, or contract price per prisoner, not to exceed * * * Twenty-five Dollars (\$25.00) per day per offender, except as authorized in Section 47-5-909(2), as determined under subsection (2) of this section for each day an offender is so confined beginning the day that the Department of Corrections receives a certified copy of the sentencing order or five (5) days after the sentencing order is sent, in writing, by such county to the department, whichever is earlier, and will terminate on the date on which the offender is released or otherwise removed from the custody of the county jail. The department, or its contracted medical provider, will pay to a provider of a medical service for any and all incarcerated persons from a correctional or detention facility an amount based upon negotiated fees as agreed to by the medical care service providers and the department and/or its contracted medical provider. In the absence of negotiated discounted fee schedule, medical care service providers will be paid by the department, or its contracted medical service provider, an amount no greater than the reimbursement rate applicable based on the Mississippi Medicaid reimbursement rate. The board of supervisors of any county shall not be liable for any cost associated with medical attention for prisoners who are pretrial detainees or for prisoners who have been convicted that exceeds the Mississippi Medicaid reimbursement rate or the reimbursement provided by the Department of Corrections, whichever is greater. This limitation applies to all medical care services, durable and nondurable goods, prescription drugs and medications. Such payment shall be placed in the county general fund and shall be expended only for food and medical attention for such persons.

(b) Upon vouchers submitted by the board of supervisors of any county housing offenders in county jails pending a probation or parole revocation hearing, the department shall pay the reimbursement costs provided in paragraph (a).

(c) If the probation or parole of an offender is revoked, the additional cost of housing the offender pending the revocation hearing shall be assessed as part of the offender's court cost and shall be remitted to the department.

(4) A person, on order of the sentencing court, may serve not more than twenty-four (24) months of his sentence in a county jail if the person is classified in accordance with Section 47-5-905 and the county jail is an approved county jail for housing state inmates under federal court order. The sheriff of the county shall have the right to petition the Commissioner of Corrections to remove the inmate from the county jail. The county shall be reimbursed in accordance with subsection (2) of this section.

(5) The Attorney General of the State of Mississippi shall defend the employees of the Department of Corrections and officials and employees of political subdivisions

against any action brought by any person who was committed to a county jail under the provisions of this section.

(6) This section does not create in the Department of Corrections, or its employees or agents, any new liability, express or implied, nor shall it create in the Department of Corrections any administrative authority or responsibility for the construction, funding, administration or operation of county or other local jails or other places of confinement which are not staffed and operated on a full-time basis by the Department of Corrections. The correctional system under the jurisdiction of the Department of Corrections shall include only those facilities fully staffed by the Department of Corrections and operated by it on a full-time basis.

(7) An offender returned to a county for post-conviction proceedings shall be subject to the provisions of Section 99-19-42 and the county shall not receive the per-day allotment for such offender after the time prescribed for returning the offender to the Department of Corrections as provided in Section 99-19-42.

SECTION 2. Section 47-5-909, Mississippi Code of 1972, is amended as follows:

47-5-909. (1) It is the policy of the Legislature that all inmates be removed from county jails as early as practicable. Sections 47-5-901 through 47-5-907 are temporary measures to help alleviate the immediate operating capacity limitations at correctional facilities and are not permanent measures to be included in the long-term operating capacity of the correctional system.

(2) Notwithstanding any other provision of law, to expedite the removal of inmates from county jails as early as practicable, absent a contract negotiated between the Department of Corrections and the county jail, the Department of Corrections shall pay county jails for housing state offenders out of any available funds as follows:

(a) Twenty-five Dollars (\$25.00) per day per offender for days one (1) through thirty (30);

(b) Thirty-two Dollars and Seventy-one Cents (\$32.71) per day per offender for days thirty-one (31) or greater when:

(i) An offender remains in the county jail after the Department of Corrections receives a certified copy of the sentencing order or five (5) days after the sentencing order is sent, in writing, by such county to the Department of Corrections, whichever is earlier; or

(ii) An offender remains in the county jail after being revoked from parole or probation or is sentenced to a technical violation center.

(3) The Department of Corrections is additionally responsible for all medical costs related to offenders housed at county jails under subsection (2) of this section.

SECTION 3. Section 99-19-42, Mississippi Code of 1972, is amended as follows:

99-19-42. Any offender in the custody of the Department of Corrections who is summoned to a county by court order for any post-conviction proceeding shall have such proceeding heard during the term of court in which the offender is returned to the custody of a county. If the offender's case is not heard during such term of court, the offender shall be returned to the facility of the Department of Corrections from which he was summoned. If the offender is not returned within one (1) week of the end of the term of court, the county housing the offender shall not receive the * * * Twenty-five Dollars (\$25.00) allowed under Section 47-5-901, except as authorized in Section 47-5-909(2), for housing state offenders after the one-week time period required for returning the offender to the Department of Corrections.

SECTION 4. This act shall take effect and be in force from and after July 1, 2023.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

With

regard to a high economic benefit project as defined in Section 65-4-5(1)(c)(xiii) for which the Mississippi Development Authority approved and allocated monies in the fund before January 1, 2016, for constructing or improving a highway or highway segment related to the high economic benefit project, the Mississippi Development Authority may reallocate such monies from the original highway or highway segment purpose and allocate the funds for constructing or improving another highway or highway segment provided that such highway or highway segment is located within three (3) miles of the high economic benefit project for which the Mississippi Development Authority originally allocated and approved the monies. (2) (a) There is created in the State Treasury a special fund to be designated as the "Mississippi Main Street Investment Grant Fund" which shall consist of funds from any source designated for deposit into the fund. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned on amounts in the fund shall be deposited to the credit of the fund. Monies in the fund shall be used by the MDA for the purposes authorized in subsection (3) of this section.

(b) Monies in the fund which are derived from the proceeds of general obligation bonds or provided by the Legislature may be used to reimburse reasonable actual and necessary costs incurred by the MDA in providing grants under this section through the use of proceeds of such general obligation bonds. An accounting of actual costs incurred for which reimbursement is sought shall be maintained for the program. Reimbursement of reasonable actual and necessary costs for assistance shall not exceed three percent (3%) of the proceeds of bonds issued for such assistance or the monies provided by the Legislature. Reimbursements made under this subsection shall satisfy any applicable federal tax law requirements.

(3) The MDA shall establish a program to make grants to a municipality to assist with maintaining and improving the viability of revitalization zones. The proceeds of a grant made to a municipality under this section may be used for maintaining and/or improving the viability of a revitalization zone through means deemed appropriate by the governing authorities of a municipality, including, but not limited to, making loans, grants and/or other forms of assistance to any person or public or private association or other entity for use for infrastructure projects, improvements to properties, signage and other purposes related to maintaining and/or improving the viability of the revitalization zone.

(b) The MDA shall review the application to confirm that the revitalization zone meets the requirements of this section. A revitalization zone may embrace two (2) or more separate parcels of real property, and such property may be publicly and/or privately owned. Each revitalization zone shall be of such size and form as to include all properties that, in the determination of the municipality and the MDA, constitute an integral part of the revitalization zone. If the MDA determines that the boundaries of the proposed revitalization zone exceed the area that is reasonably deemed to be integral to the revitalization zone, the MDA may reduce the boundaries of the proposed area. Upon the approval and selection of a municipal revitalization zone project, the MDA shall certify the revitalization zone.

(5) The MDA shall have all powers necessary to implement and administer the program established under this section, and the MDA shall promulgate rules and regulations, in accordance with the Mississippi Administrative Procedures Law, necessary for the implementation of this section.

The department shall document those transfers through a reconciliation with the Department of Finance and Administration.

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2538: Mississippi Regional Pre-Need Disaster Clean Up Act; create.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.

2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) This section shall be known and may be cited as the "Mississippi Regional Pre-Need Disaster Clean Up Act."

(2) For the purposes of this section, the following words and phrases shall have the meanings ascribed in this section unless the context clearly indicates otherwise:

(a) "Disaster-related" means arising out of a severe weather event or other emergency as declared by the Governor.

(b) "Pre-Need" means a contract entered into in advance of the need for the goods or services, such that the contracted entity is retained before the need for performance of the contract.

SECTION 2. It is the intent of the Mississippi Legislature that counties and municipalities be authorized to participate in regional pre-need contracts, negotiated in advance by the State after a public bidding process, for disaster-related solid waste collection, disposal, and monitoring, such that the citizens of those counties and municipalities will be quickly and adequately served while recovering from the disaster.

SECTION 3. Section 31-7-13, Mississippi Code of 1972, as amended by House Bill No. 249, 2023 Regular Session, is amended as follows:

31-7-13. All agencies and governing authorities shall purchase their commodities and printing; contract for garbage collection or disposal; contract for solid waste collection or disposal; contract for sewage collection or disposal; contract for public construction; and contract for rentals as herein provided.

(a) Bidding procedure for purchases not over \$5,000.00. Purchases which do not involve an expenditure of more than Five Thousand Dollars (\$5,000.00), exclusive of freight or shipping charges, may be made without advertising or otherwise requesting competitive bids. However, nothing contained in this paragraph (a) shall be construed to prohibit any agency or governing authority from establishing procedures which require competitive bids on purchases of Five Thousand Dollars (\$5,000.00) or less.

(b) Bidding procedure for purchases over \$5,000.00 but not over \$75,000.00. Purchases which involve an expenditure of more than Five Thousand Dollars (\$5,000.00) but not more than Seventy-five Thousand Dollars (\$75,000.00), exclusive of freight and shipping charges, may be made from the lowest and best bidder without publishing or posting advertisement for bids, provided at least two (2) competitive written bids have been obtained. Any state agency or community or junior college purchasing commodities or procuring construction pursuant to this paragraph (b) may authorize its purchasing agent, or his designee, to accept the lowest competitive written bid under Seventy-five Thousand Dollars (\$75,000.00). Any governing authority purchasing commodities pursuant to this paragraph (b) may authorize its purchasing agent, or his designee, with regard to governing authorities other than counties, or its purchase clerk, or his designee, with regard to counties, to accept the lowest and best competitive written bid. Such authorization shall be made in writing by the governing authority and shall be maintained on file in the primary office of the agency and recorded in the official minutes of the governing authority, as appropriate. The purchasing agent or the purchase clerk, or his designee, as the case may be, and not the governing authority, shall be liable for any penalties and/or damages as may be imposed by law for any act or omission of the purchasing agent or purchase clerk, or his designee, constituting a violation of law in accepting any bid without approval by the governing authority. The term "competitive

written bid" shall mean a bid submitted on a bid form furnished by the buying agency or governing authority and signed by authorized personnel representing the vendor, or a bid submitted on a vendor's letterhead or identifiable bid form and signed by authorized personnel representing the vendor. "Competitive" shall mean that the bids are developed based upon comparable identification of the needs and are developed independently and without knowledge of other bids or prospective bids. Any bid item for construction in excess of Five Thousand Dollars (\$5,000.00) shall be broken down by components to provide detail of component description and pricing. These details shall be submitted with the written bids and become part of the bid evaluation criteria. Bids may be submitted by facsimile, electronic mail or other generally accepted method of information distribution. Bids submitted by electronic transmission shall not require the signature of the vendor's representative unless required by agencies or governing authorities.

(c) Bidding procedure for purchases over \$75,000.00.

(i) Publication requirement.

1. Purchases which involve an expenditure of more than Seventy-five Thousand Dollars (\$75,000.00), exclusive of freight and shipping charges, may be made from the lowest and best bidder after advertising for competitive bids once each week for two (2) consecutive weeks in a regular newspaper published in the county or municipality in which such agency or governing authority is located. However, all American Recovery and Reinvestment Act projects in excess of Twenty-five Thousand Dollars (\$25,000.00) shall be bid. All references to American Recovery and Reinvestment Act projects in this section shall not apply to programs identified in Division B of the American Recovery and Reinvestment Act.

2. Reverse auctions shall be the primary method for receiving bids during the bidding process. If a purchasing entity determines that a reverse auction is not in the best interest of the state, then that determination must be approved by the Public Procurement Review Board. The purchasing entity shall submit a detailed explanation of why a reverse auction would not be in the best interest of the state and present an alternative process to be approved by the Public Procurement Review Board. If the Public Procurement Review Board authorizes the purchasing entity to solicit bids with a method other than reverse auction, then the purchasing entity may designate the other methods by which the bids will be received, including, but not limited to, bids sealed in an envelope, bids received electronically in a secure system, or bids received by any other method that promotes open competition and has been approved by the Office of Purchasing and Travel. However, reverse auction shall not be used for any public contract for design, construction, improvement, repair or remodeling of any public facilities, including the purchase of materials, supplies, equipment or goods for same and including buildings, roads and bridges. The Public Procurement Review Board must approve any contract entered into by alternative process. The provisions of this item 2 shall not apply to the individual state institutions of higher learning. The provisions of this item 2 requiring reverse auction as the primary method of receiving bids shall not apply to term contract purchases as provided in paragraph (n) of this section; however, a purchasing entity may, in its discretion, utilize reverse auction for such purchases. The provisions of this item 2 shall not apply to individual public schools, including public charter schools and public school districts, only when purchasing copyrighted educational supplemental materials and software as a service product. For such purchases, a local school board may authorize a purchasing entity in its jurisdiction to use a Request for Qualifications which promotes open competition and meets the requirements of the Office of Purchasing and Travel.

3. The date as published for the bid opening shall not be less than seven (7) working days after the last published notice; however, if the purchase involves a construction project in which the estimated cost is in excess of Seventy-five Thousand Dollars (\$75,000.00), such bids shall not be opened in less than fifteen (15) working days after the last notice is published and the notice for the purchase of such

construction shall be published once each week for two (2) consecutive weeks. However, all American Recovery and Reinvestment Act projects in excess of Twenty-five Thousand Dollars (\$25,000.00) shall be bid. For any projects in excess of Twenty-five Thousand Dollars (\$25,000.00) under the American Recovery and Reinvestment Act, publication shall be made one (1) time and the bid opening for construction projects shall not be less than ten (10) working days after the date of the published notice. The notice of intention to let contracts or purchase equipment shall state the time and place at which bids shall be received, list the contracts to be made or types of equipment or supplies to be purchased, and, if all plans and/or specifications are not published, refer to the plans and/or specifications on file. If there is no newspaper published in the county or municipality, then such notice shall be given by posting same at the courthouse, or for municipalities at the city hall, and at two (2) other public places in the county or municipality, and also by publication once each week for two (2) consecutive weeks in some newspaper having a general circulation in the county or municipality in the above-provided manner. On the same date that the notice is submitted to the newspaper for publication, the agency or governing authority involved shall mail written notice to, or provide electronic notification to the main office of the Mississippi Procurement Technical Assistance Program under the Mississippi Development Authority that contains the same information as that in the published notice. Submissions received by the Mississippi Procurement Technical Assistance Program for projects funded by the American Recovery and Reinvestment Act shall be displayed on a separate and unique Internet web page accessible to the public and maintained by the Mississippi Development Authority for the Mississippi Procurement Technical Assistance Program. Those American Recovery and Reinvestment Act related submissions shall be publicly posted within twenty-four (24) hours of receipt by the Mississippi Development Authority and the bid opening shall not occur until the submission has been posted for ten (10) consecutive days. The Department of Finance and Administration shall maintain information regarding contracts and other expenditures from the American Recovery and Reinvestment Act, on a unique Internet web page accessible to the public. The Department of Finance and Administration shall promulgate rules regarding format, content and deadlines, unless otherwise specified by law, of the posting of award notices, contract execution and subsequent amendments, links to the contract documents, expenditures against the awarded contracts and general expenditures of funds from the American Recovery and Reinvestment Act. Within one (1) working day of the contract award, the agency or governing authority shall post to the designated web page maintained by the Department of Finance and Administration, notice of the award, including the award recipient, the contract amount, and a brief summary of the contract in accordance with rules promulgated by the department. Within one (1) working day of the contract execution, the agency or governing authority shall post to the designated web page maintained by the Department of Finance and Administration a summary of the executed contract and make a copy of the appropriately redacted contract documents available for linking to the designated web page in accordance with the rules promulgated by the department. The information provided by the agency or governing authority shall be posted to the web page for the duration of the American Recovery and Reinvestment Act funding or until the project is completed, whichever is longer.

(ii) Bidding process amendment procedure. If all plans and/or specifications are published in the notification, then the plans and/or specifications may not be amended. If all plans and/or specifications are not published in the notification, then amendments to the plans/specifications, bid opening date, bid opening time and place may be made, provided that the agency or governing authority maintains a list of all prospective bidders who are known to have received a copy of the bid documents and all such prospective bidders are sent copies of all amendments. This notification of amendments may be made via mail, facsimile, electronic mail or other generally accepted method of information distribution. No addendum to bid specifications may be issued within two (2) working days of the time established for the receipt of bids unless such addendum also amends the bid opening to a date not less than five (5) working days after the date of the addendum.

(iii) Filing requirement. In all cases involving governing authorities, before the notice shall be published or posted, the plans or specifications for the construction or equipment being sought shall be filed with the clerk of the board of the governing authority. In addition to these requirements, a bid file shall be established which shall indicate those vendors to whom such solicitations and specifications were issued, and such file shall also contain such information as is pertinent to the bid.

(iv) Specification restrictions.

1. Specifications pertinent to such bidding shall be written so as not to exclude comparable equipment of domestic manufacture. However, if valid justification is presented, the Department of Finance and Administration or the board of a governing authority may approve a request for specific equipment necessary to perform a specific job. Further, such justification, when placed on the minutes of the board of a governing authority, may serve as authority for that governing authority to write specifications to require a specific item of equipment needed to perform a specific job. In addition to these requirements, from and after July 1, 1990, vendors of relocatable classrooms and the specifications for the purchase of such relocatable classrooms published by local school boards shall meet all pertinent regulations of the State Board of Education, including prior approval of such bid by the State Department of Education.

2. Specifications for construction projects may include an allowance for commodities, equipment, furniture, construction materials or systems in which prospective bidders are instructed to include in their bids specified amounts for such items so long as the allowance items are acquired by the vendor in a commercially reasonable manner and approved by the agency/governing authority. Such acquisitions shall not be made to circumvent the public purchasing laws.

(v) Electronic bids. Agencies and governing authorities shall provide a secure electronic interactive system for the submittal of bids requiring competitive bidding that shall be an additional bidding option for those bidders who choose to submit their bids electronically. The Department of Finance and Administration shall provide, by regulation, the standards that agencies must follow when receiving electronic bids. Agencies and governing authorities shall make the appropriate provisions necessary to accept electronic bids from those bidders who choose to submit their bids electronically for all purchases requiring competitive bidding under this section. Any special condition or requirement for the electronic bid submission shall be specified in the advertisement for bids required by this section. Agencies or governing authorities that are currently without available high speed Internet access shall be exempt from the requirement of this subparagraph (v) until such time that high speed Internet access becomes available. Any county having a population of less than twenty thousand (20,000) shall be exempt from the provisions of this subparagraph (v). Any municipality having a population of less than ten thousand (10,000) shall be exempt from the provisions of this subparagraph (v). The provisions of this subparagraph (v) shall not require any bidder to submit bids electronically. When construction bids are submitted electronically, the requirement for including a certificate of responsibility, or a statement that the bid enclosed does not exceed Fifty Thousand Dollars (\$50,000.00), on the exterior of the bid envelope as indicated in Section 31-3-21(1) and (2) shall be deemed in compliance with by including same as an attachment with the electronic bid submittal.

(d) Lowest and best bid decision procedure.

(i) Decision procedure. Purchases may be made from the lowest and best bidder. In determining the lowest and best bid, freight and shipping charges shall be included. Life-cycle costing, total cost bids, warranties, guaranteed buy-back provisions and other relevant provisions may be included in the best bid calculation. All best bid procedures for state agencies must be in compliance with regulations established by the Department of Finance and Administration. If any governing authority accepts a bid other than the lowest bid actually submitted, it shall place on its minutes detailed

calculations and narrative summary showing that the accepted bid was determined to be the lowest and best bid, including the dollar amount of the accepted bid and the dollar amount of the lowest bid. No agency or governing authority shall accept a bid based on items not included in the specifications.

(ii) Decision procedure for Certified Purchasing Offices. In addition to the decision procedure set forth in subparagraph (i) of this paragraph (d), Certified Purchasing Offices may also use the following procedure: Purchases may be made from the bidder offering the best value. In determining the best value bid, freight and shipping charges shall be included. Life-cycle costing, total cost bids, warranties, guaranteed buy-back provisions, documented previous experience, training costs and other relevant provisions, including, but not limited to, a bidder having a local office and inventory located within the jurisdiction of the governing authority, may be included in the best value calculation. This provision shall authorize Certified Purchasing Offices to utilize a Request For Proposals (RFP) process when purchasing commodities. All best value procedures for state agencies must be in compliance with regulations established by the Department of Finance and Administration. No agency or governing authority shall accept a bid based on items or criteria not included in the specifications.

(iii) Decision procedure for Mississippi Landmarks. In addition to the decision procedure set forth in subparagraph (i) of this paragraph (d), where purchase involves renovation, restoration, or both, of the State Capitol Building or any other historical building designated for at least five (5) years as a Mississippi Landmark by the Board of Trustees of the Department of Archives and History under the authority of Sections 39-7-7 and 39-7-11, the agency or governing authority may use the following procedure: Purchases may be made from the lowest and best prequalified bidder. Prequalification of bidders shall be determined not less than fifteen (15) working days before the first published notice of bid opening. Prequalification criteria shall be limited to bidder's knowledge and experience in historical restoration, preservation and renovation. In determining the lowest and best bid, freight and shipping charges shall be included. Life-cycle costing, total cost bids, warranties, guaranteed buy-back provisions and other relevant provisions may be included in the best bid calculation. All best bid and prequalification procedures for state agencies must be in compliance with regulations established by the Department of Finance and Administration. If any governing authority accepts a bid other than the lowest bid actually submitted, it shall place on its minutes detailed calculations and narrative summary showing that the accepted bid was determined to be the lowest and best bid, including the dollar amount of the accepted bid and the dollar amount of the lowest bid. No agency or governing authority shall accept a bid based on items not included in the specifications.

(iv) Construction project negotiations authority. If the lowest and best bid is not more than ten percent (10%) above the amount of funds allocated for a public construction or renovation project, then the agency or governing authority shall be permitted to negotiate with the lowest bidder in order to enter into a contract for an amount not to exceed the funds allocated.

(e) Lease-purchase authorization. For the purposes of this section, the term "equipment" shall mean equipment, furniture and, if applicable, associated software and other applicable direct costs associated with the acquisition. Any lease-purchase of equipment which an agency is not required to lease-purchase under the master lease-purchase program pursuant to Section 31-7-10 and any lease-purchase of equipment which a governing authority elects to lease-purchase may be acquired by a lease-purchase agreement under this paragraph (e). Lease-purchase financing may also be obtained from the vendor or from a third-party source after having solicited and obtained at least two (2) written competitive bids, as defined in paragraph (b) of this section, for such financing without advertising for such bids. Solicitation for the bids for financing may occur before or after acceptance of bids for the purchase of such equipment or, where no such bids for purchase are required, at any time before the purchase thereof. No such lease-purchase agreement shall be for an annual rate of interest which is greater

than the overall maximum interest rate to maturity on general obligation indebtedness permitted under Section 75-17-101, and the term of such lease-purchase agreement shall not exceed the useful life of equipment covered thereby as determined according to the upper limit of the asset depreciation range (ADR) guidelines for the Class Life Asset Depreciation Range System established by the Internal Revenue Service pursuant to the United States Internal Revenue Code and regulations thereunder as in effect on December 31, 1980, or comparable depreciation guidelines with respect to any equipment not covered by ADR guidelines. Any lease-purchase agreement entered into pursuant to this paragraph (e) may contain any of the terms and conditions which a master lease-purchase agreement may contain under the provisions of Section 31-7-10(5), and shall contain an annual allocation dependency clause substantially similar to that set forth in Section 31-7-10(8). Each agency or governing authority entering into a lease-purchase transaction pursuant to this paragraph (e) shall maintain with respect to each such lease-purchase transaction the same information as required to be maintained by the Department of Finance and Administration pursuant to Section 31-7-10(13). However, nothing contained in this section shall be construed to permit agencies to acquire items of equipment with a total acquisition cost in the aggregate of less than Ten Thousand Dollars (\$10,000.00) by a single lease-purchase transaction. All equipment, and the purchase thereof by any lessor, acquired by lease-purchase under this paragraph and all lease-purchase payments with respect thereto shall be exempt from all Mississippi sales, use and ad valorem taxes. Interest paid on any lease-purchase agreement under this section shall be exempt from State of Mississippi income taxation.

(f) Alternate bid authorization. When necessary to ensure ready availability of commodities for public works and the timely completion of public projects, no more than two (2) alternate bids may be accepted by a governing authority for commodities. No purchases may be made through use of such alternate bids procedure unless the lowest and best bidder cannot deliver the commodities contained in his bid. In that event, purchases of such commodities may be made from one (1) of the bidders whose bid was accepted as an alternate.

(g) Construction contract change authorization. In the event a determination is made by an agency or governing authority after a construction contract is let that changes or modifications to the original contract are necessary or would better serve the purpose of the agency or the governing authority, such agency or governing authority may, in its discretion, order such changes pertaining to the construction that are necessary under the circumstances without the necessity of further public bids; provided that such change shall be made in a commercially reasonable manner and shall not be made to circumvent the public purchasing statutes. In addition to any other authorized person, the architect or engineer hired by an agency or governing authority with respect to any public construction contract shall have the authority, when granted by an agency or governing authority, to authorize changes or modifications to the original contract without the necessity of prior approval of the agency or governing authority when any such change or modification is less than one percent (1%) of the total contract amount. The agency or governing authority may limit the number, manner or frequency of such emergency changes or modifications.

(h) Petroleum purchase alternative. In addition to other methods of purchasing authorized in this chapter, when any agency or governing authority shall have a need for gas, diesel fuel, oils and/or other petroleum products in excess of the amount set forth in paragraph (a) of this section, such agency or governing authority may purchase the commodity after having solicited and obtained at least two (2) competitive written bids, as defined in paragraph (b) of this section. If two (2) competitive written bids are not obtained, the entity shall comply with the procedures set forth in paragraph (c) of this section. In the event any agency or governing authority shall have advertised for bids for the purchase of gas, diesel fuel, oils and other petroleum products and coal and no acceptable bids can be obtained, such agency or governing authority is authorized and directed to enter into any negotiations necessary to secure the lowest and best contract available for the purchase of such commodities.

(i) Road construction petroleum products price adjustment clause authorization. Any agency or governing authority authorized to enter into contracts for the construction, maintenance, surfacing or repair of highways, roads or streets, may include in its bid proposal and contract documents a price adjustment clause with relation to the cost to the contractor, including taxes, based upon an industry-wide cost index, of petroleum products including asphalt used in the performance or execution of the contract or in the production or manufacture of materials for use in such performance. Such industry-wide index shall be established and published monthly by the Mississippi Department of Transportation with a copy thereof to be mailed, upon request, to the clerks of the governing authority of each municipality and the clerks of each board of supervisors throughout the state. The price adjustment clause shall be based on the cost of such petroleum products only and shall not include any additional profit or overhead as part of the adjustment. The bid proposals or document contract shall contain the basis and methods of adjusting unit prices for the change in the cost of such petroleum products.

(j) State agency emergency purchase procedure. If the governing board or the executive head, or his designees, of any agency of the state shall determine that an emergency exists in regard to the purchase of any commodities or repair contracts, so that the delay incident to giving opportunity for competitive bidding would be detrimental to the interests of the state, then the head of such agency, or his designees, shall file with the Department of Finance and Administration (i) a statement explaining the conditions and circumstances of the emergency, which shall include a detailed description of the events leading up to the situation and the negative impact to the entity if the purchase is made following the statutory requirements set forth in paragraph (a), (b) or (c) of this section, and (ii) a certified copy of the appropriate minutes of the board of such agency requesting the emergency purchase, if applicable. Upon receipt of the statement and applicable board certification, the State Fiscal Officer, or his designees, may, in writing, authorize the purchase or repair without having to comply with competitive bidding requirements.

If the governing board or the executive head, or his designees, of any agency determines that an emergency exists in regard to the purchase of any commodities or repair contracts, so that the delay incident to giving opportunity for competitive bidding would threaten the health or safety of any person, or the preservation or protection of property, then the provisions in this section for competitive bidding shall not apply, and any officer or agent of the agency having general or specific authority for making the purchase or repair contract shall approve the bill presented for payment, and he shall certify in writing from whom the purchase was made, or with whom the repair contract was made.

Total purchases made under this paragraph (j) shall only be for the purpose of meeting needs created by the emergency situation. Following the emergency purchase, documentation of the purchase, including a description of the commodity purchased, the purchase price thereof and the nature of the emergency shall be filed with the Department of Finance and Administration. Any contract awarded pursuant to this paragraph (j) shall not exceed a term of one (1) year.

Purchases under the grant program established under Section 37-68-7 in response to COVID-19 and the directive that school districts create a distance learning plan and fulfill technology needs expeditiously shall be deemed an emergency purchase for purposes of this paragraph (j).

(k) Governing authority emergency purchase procedure. If the governing authority, or the governing authority acting through its designee, shall determine that an emergency exists in regard to the purchase of any commodities or repair contracts, so that the delay incident to giving opportunity for competitive bidding would be detrimental to the interest of the governing authority, then the provisions herein for competitive bidding shall not apply and any officer or agent of such governing authority having general or

special authority therefor in making such purchase or repair shall approve the bill presented therefor, and he shall certify in writing thereon from whom such purchase was made, or with whom such a repair contract was made. At the board meeting next following the emergency purchase or repair contract, documentation of the purchase or repair contract, including a description of the commodity purchased, the price thereof and the nature of the emergency shall be presented to the board and shall be placed on the minutes of the board of such governing authority. Purchases under the grant program established under Section 37-68-7 in response to COVID-19 and the directive that school districts create a distance learning plan and fulfill technology needs expeditiously shall be deemed an emergency purchase for purposes of this paragraph (k).

(l) Hospital purchase, lease-purchase and lease authorization.

(i) The commissioners or board of trustees of any public hospital may contract with such lowest and best bidder for the purchase or lease-purchase of any commodity under a contract of purchase or lease-purchase agreement whose obligatory payment terms do not exceed five (5) years.

(ii) In addition to the authority granted in subparagraph (i) of this paragraph (l), the commissioners or board of trustees is authorized to enter into contracts for the lease of equipment or services, or both, which it considers necessary for the proper care of patients if, in its opinion, it is not financially feasible to purchase the necessary equipment or services. Any such contract for the lease of equipment or services executed by the commissioners or board shall not exceed a maximum of five (5) years' duration and shall include a cancellation clause based on unavailability of funds. If such cancellation clause is exercised, there shall be no further liability on the part of the lessee. Any such contract for the lease of equipment or services executed on behalf of the commissioners or board that complies with the provisions of this subparagraph (ii) shall be excepted from the bid requirements set forth in this section.

Nothing in this section shall permit such purchases through public auction except as provided for in subparagraph (v) of this paragraph (m). It is the intent of this section to allow governmental entities to dispose of and/or purchase commodities from other governmental entities at a price that is agreed to by both parties. This shall allow for purchases and/or sales at prices which may be determined to be below the market value if the selling entity determines that the sale at below market value is in the best interest of the taxpayers of the state. Governing authorities shall place the terms of the agreement and any justification on the minutes, and state agencies shall obtain approval from the Department of Finance and Administration, prior to releasing or taking possession of the commodities.

Upon receipt of that certification the Department of Finance and Administration or the board of the governing authority, as the case may be, may, in writing, authorize the purchase, which authority shall be noted on the minutes of the body at the next regular meeting thereafter. In those situations, a governing authority is not required to obtain the approval of the Department of Finance and Administration. This subparagraph shall stand repealed on June 30, 2026.

(n) Term contract authorization. All contracts for the purchase of:

(i) All contracts for the purchase of commodities, equipment and public construction (including, but not limited to, repair and maintenance), may be let for periods of not more than sixty (60) months in advance, subject to applicable statutory provisions prohibiting the letting of contracts during specified periods near the end of terms of office. Term contracts for a period exceeding twenty-four (24) months shall also be subject to ratification or cancellation by governing authority boards taking office subsequent to the governing authority board entering the contract.

(ii) Bid proposals and contracts may include price adjustment clauses with relation to the cost to the contractor based upon a nationally published industry-wide or nationally published and recognized cost index. The cost index used in a price adjustment clause shall be determined by the Department of Finance and Administration for the state agencies and by the governing board for governing authorities. The bid proposal and contract documents utilizing a price adjustment clause shall contain the basis and method of adjusting unit prices for the change in the cost of such commodities, equipment and public construction.

(o) Purchase law violation prohibition and vendor penalty. No contract or purchase as herein authorized shall be made for the purpose of circumventing the provisions of this section requiring competitive bids, nor shall it be lawful for any person or concern to submit individual invoices for amounts within those authorized for a contract or purchase where the actual value of the contract or commodity purchased exceeds the authorized amount and the invoices therefor are split so as to appear to be authorized as purchases for which competitive bids are not required. Submission of such invoices shall constitute a misdemeanor punishable by a fine of not less than Five Hundred Dollars (\$500.00) nor more than One Thousand Dollars (\$1,000.00), or by imprisonment for thirty (30) days in the county jail, or both such fine and imprisonment. In addition, the claim or claims submitted shall be forfeited.

(p) Electrical utility petroleum-based equipment purchase procedure. When in response to a proper advertisement therefor, no bid firm as to price is submitted to an electric utility for power transformers, distribution transformers, power breakers, reclosers or other articles containing a petroleum product, the electric utility may accept the lowest and best bid therefor although the price is not firm.

(q) Fuel management system bidding procedure. Any governing authority or agency of the state shall, before contracting for the services and products of a fuel management or fuel access system, enter into negotiations with not fewer than two (2) sellers of fuel management or fuel access systems for competitive written bids to provide the services and products for the systems. In the event that the governing authority or agency cannot locate two (2) sellers of such systems or cannot obtain bids from two (2) sellers of such systems, it shall show proof that it made a diligent, good-faith effort to locate and negotiate with two (2) sellers of such systems. Such proof shall include, but not be limited to, publications of a request for proposals and letters soliciting negotiations and bids. For purposes of this paragraph (q), a fuel management or fuel access system is an automated system of acquiring fuel for vehicles as well as management reports detailing fuel use by vehicles and drivers, and the term "competitive written bid" shall have the meaning as defined in paragraph (b) of this section. Governing authorities and agencies shall be exempt from this process when contracting for the services and products of fuel management or fuel access systems under the terms of a state contract established by the Office of Purchasing and Travel.

(r) Solid waste contract proposal procedure. Before entering into any contract for garbage collection or disposal, contract for solid waste collection or disposal or contract for sewage collection or disposal, which involves an expenditure of more than Seventy-five Thousand Dollars (\$75,000.00), a governing authority or agency shall issue publicly a request for proposals concerning the specifications for such services which shall be advertised for in the same manner as provided in this section for seeking bids for purchases which involve an expenditure of more than the amount provided in paragraph (c) of this section. Any request for proposals when issued shall contain terms and conditions relating to price, financial responsibility, technology, legal responsibilities and other relevant factors as are determined by the governing authority or agency to be appropriate for inclusion; all factors determined relevant by the governing authority or agency or required by this paragraph (r) shall be duly included in the advertisement to elicit proposals. After responses to the request for proposals have been duly received, the governing authority or agency shall select the most qualified proposal or proposals on the basis of price, technology and other relevant factors and from such proposals, but not limited to the terms thereof, negotiate and enter into contracts with one or more of the persons or firms submitting proposals. If the governing authority or agency deems none of the proposals to be qualified or otherwise acceptable, the request for proposals process may be reinitiated. Notwithstanding any other provisions of this paragraph, where a county with at least thirty-five thousand (35,000) nor more than forty thousand (40,000) population, according to the 1990 federal decennial census, owns or operates a solid waste landfill, the governing authorities of any other county or municipality may contract with the governing authorities of the county owning or operating the landfill, pursuant to a resolution duly adopted and spread upon the minutes of each governing authority involved, for garbage or solid waste collection or disposal services through contract negotiations.

(s) Minority set-aside authorization. Notwithstanding any provision of this section to the contrary, any agency or governing authority, by order placed on its minutes, may, in its discretion, set aside not more than twenty percent (20%) of its anticipated annual expenditures for the purchase of commodities from minority businesses; however, all such set-aside purchases shall comply with all purchasing regulations promulgated by the Department of Finance and Administration and shall be subject to bid requirements under this section. Set-aside purchases for which competitive bids are required shall be made from the lowest and best minority business bidder. For the purposes of this paragraph, the term "minority business" means a business which is owned by a majority of persons who are United States citizens or permanent resident aliens (as defined by the Immigration and Naturalization Service) of the United States, and who are Asian, Black, Hispanic or Native American, according to the following definitions:

(i) "Asian" means persons having origins in any of the original people of the Far East, Southeast Asia, the Indian subcontinent, or the Pacific Islands.

(ii) "Black" means persons having origins in any black racial group of Africa.

(iii) "Hispanic" means persons of Spanish or Portuguese culture with origins in Mexico, South or Central America, or the Caribbean Islands, regardless of race.

(iv) "Native American" means persons having origins in any of the original people of North America, including American Indians, Eskimos and Aleuts.

(t) Construction punch list restriction. The architect, engineer or other representative designated by the agency or governing authority that is contracting for public construction or renovation may prepare and submit to the contractor only one (1) preliminary punch list of items that do not meet the contract requirements at the time of substantial completion and one (1) final list immediately before final completion and final payment.

(u) Procurement of construction services by state institutions of higher learning. Contracts for privately financed construction of auxiliary facilities on the campus of a state institution of higher learning may be awarded by the Board of Trustees of State Institutions of Higher Learning to the lowest and best bidder, where sealed bids are solicited, or to the offeror whose proposal is determined to represent the best value to the citizens of the State of Mississippi, where requests for proposals are solicited.

(v) Insurability of bidders for public construction or other public contracts. In any solicitation for bids to perform public construction or other public contracts to which this section applies, including, but not limited to, contracts for repair and maintenance, for which the contract will require insurance coverage in an amount of not less than One Million Dollars (\$1,000,000.00), bidders shall be permitted to either submit proof of current insurance coverage in the specified amount or demonstrate ability to obtain the required coverage amount of insurance if the contract is awarded to the bidder. Proof of insurance coverage shall be submitted within five (5) business days from bid acceptance.

(w) Purchase authorization clarification. Nothing in this section shall be construed as authorizing any purchase not authorized by law.

(x) Mississippi Regional Pre-Need Disaster Clean Up Act. (i) The Department of Finance and Administration shall enter into nine (9) contracts for the pre-need purchase of labor, services, work, materials, equipment, supplies or other personal property for disaster-related solid waste collection, disposal or monitoring. One (1) contract shall be entered into for each of the nine (9) Mississippi Emergency Management Association districts:

1. Coahoma, DeSoto, Grenada, Panola, Quitman, Tallahatchie, Tate, Tunica and Yalobusha Counties;

2. Alcorn, Benton, Itawamba, Lafayette, Lee, Marshall, Pontotoc, Prentiss, Tippah, Tishomingo and Union Counties;

3. Attala, Bolivar, Carroll, Holmes, Humphreys, Leflore, Montgomery, Sunflower and Washington Counties;

4. Calhoun, Chickasaw, Choctaw, Clay, Lowndes, Monroe, Noxubee, Oktibbeha, Webster and Winston Counties;

5. Claiborne, Copiah, Hinds, Issaquena, Madison, Rankin, Sharkey, Simpson, Warren and Yazoo Counties;

6. Clarke, Jasper, Kemper, Lauderdale, Leake, Neshoba, Newton, Scott, and Smith Counties and the Mississippi Band of Choctaw Indians;

7. Adams, Amite, Franklin, Jefferson, Lawrence, Lincoln, Pike, Walthall and Wilkinson Counties;

8. Covington, Forrest, Greene, Jefferson Davis, Jones, Lamar, Marion, Perry and Wayne Counties; and

9. George, Hancock, Harrison, Jackson, Pearl River and Stone Counties.

Any such contract shall set forth the manner of awarding such a contract, the method of payment, and any other matter deemed necessary to carry out the purposes of the agreement. Such contract may be entered into only for a term of one (1) year, with an option for an additional one-year extension after the conclusion of the first year of the contract, and only after having solicited bids or proposals, as appropriate, which shall be publicly advertised by posting on a web page maintained by the Department of Finance and Administration through submission of such advertisement to the Mississippi Procurement Technical Assistance Program under the Mississippi Development Authority. The bid opening shall not occur until after the submission has been posted for at least ten (10) consecutive days. The state's share of expenditures for solid waste collection, disposal or monitoring under any contract shall be appropriated and paid in the manner set forth in the contract and in the same manner as for other solid waste collection, disposal, or monitoring expenses of the state. Any contract entered into under this paragraph shall not be subject to the provisions of Section 17-13-11.

(ii) Any board of supervisors of any county or any governing authority of any municipality may opt in to the benefits and services provided under the appropriate and relevant contract established in subparagraph (i) of this paragraph at the time of a disaster event in that county or municipality. At the time of opt in, the county or municipality shall assume responsibility for payment-in-full to the contractor for the disaster-related solid waste collection, disposal or monitoring services provided. Nothing in this subparagraph (ii) shall be construed as requiring a county or municipality to opt in to any such contract established in subparagraph (i) of this paragraph.

Senator Carter offered the following report of the Conference Committee on **H. B. No. 698** (version 2) and moved that the Report do be adopted:

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 698: Municipal water, wastewater and sewer services; require equity based billing based on use of.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 21-27-7, Mississippi Code of 1972, is amended as follows:

21-27-7. (1) (a) The governing authorities of municipalities shall have the power to erect, purchase, maintain and operate waterworks, and to regulate the same, and to prescribe the rates at which water shall be supplied to the * * * users. The rates at which water, wastewater, and sewer services shall be supplied shall be just and reasonable based on the actual cost to operate and maintain the systems, and rates may not be

unreasonably preferential, prejudicial or discriminatory but shall be sufficient, equitable and consistent in application to each class of users. While a municipality may set different rates for different classifications of users, a municipality shall not discriminate in setting rates among members of the same classification. The municipal governing authorities shall make a finding on the minutes of the governing body establishing the rate based on the actual cost to operate and maintain the system. A municipality shall not charge a user a fee for services received which is less than the cost incurred by the municipality to provide such services.

(b) The governing authorities of a municipality shall establish and maintain rates and charges in equitable proportion to the use of the services and benefits rendered by the waterworks systems and water treatment facilities serving the municipal area. From time to time the governing authorities shall adjust such rates, to the end that the revenues therefrom will be sufficient at all times to pay the expenses of operating and maintaining such works, facilities and systems and all of the municipality's obligations under any contract or bond resolution with respect thereto. The calculation of a user's bill shall be limited to the actual amount of volumetric usage, plus those fees reasonable and necessary for the cost of capital expenses, system operation and maintenance, and debt service.

(c) If a user's meter is tampered with, unreadable, or otherwise out-of-order, a municipality may render an estimated bill to that user for a period not to exceed six (6) months. In such circumstance, an estimated bill shall be based upon the prior average measured usage of the user or a similar user of the same classification.

(i) Only in the event a municipality is unable to meet the requirement of billing based solely on volumetric usage, such municipality may bill based on a flat fee rate where such municipality has established flat fee billing as its usual and customary billing practice prior to the passage of this act, and where such municipality is actively billing based upon a flat fee rate as of the passage of this act. In such circumstances, flat fee billing may be utilized until such time as the municipality implements upgrades to its system to provide for

volumetric billing. In such circumstance, the municipality may set different flat fee rates for different classifications of users, but the municipality shall not discriminate in setting flat fee rates among members of the same classification, and the municipality shall not charge a user a fee for services received that is less than the cost incurred by the municipality to provide such services.

(ii) The governing authorities of the municipality shall make a finding annually on the minutes of the governing body establishing the rate based upon the actual cost to operate and maintain the system as determined under Generally Accepted Accounting Principles, and the municipality shall not charge a user a fee for services received that is less than the cost incurred by the municipality, or based on the assessed value of the property, to provide such services.

(d) Notice of any change in the rate or rate structure at which services are supplied shall be posted on all bills sent to users at least one (1) month prior to the effective date of the rate change. Notice shall also be posted to the municipality's online webpage or bill payment platform, if the municipality has an online webpage or bill payment platform.

(e) Nothing in this statute shall be construed as prohibiting a user or governing authority of any municipality from applying for and receiving any federally or privately subsidized payment assistance, grant or other funds.

(f) The governing authority of a municipality may provide for the calculation of a user's bill by a method other than volumetric usage only in exchange for consideration as part of, or in connection with, an incentive contract or other form of benefit or assistance

related to the user's location, expansion, or maintenance of its commercial or industrial operation within the municipality, so long as such rate is equitable, fair, and non-discriminatory, and the municipality shall not charge such user a fee for services received that is less than the cost incurred by the municipality to provide such services.

(2) The governing authorities of municipalities shall have the power to acquire by purchase, donation or condemnation, in the name of the municipality, suitable grounds, within or without the corporate limits, upon which to erect waterworks, and also the right-of-way to and from such works and the right-of-way for laying water pipes within the corporate limits, and from such waterworks to the municipality, and to extend such right-of-way from time to time. The governing authorities shall have the power to contract with any person for the maintenance and operation of waterworks. * * * The authorities shall have the power to contract with any person for the erection and maintenance of waterworks for a term not exceeding twenty-five (25) years, fixing water rates in the contract subject to municipal regulations. A contract for the erection or purchase of waterworks shall not, however, be entered into until submitted to a vote of the qualified electors and approved by a majority of those voting. A contract for maintenance under which the person who will perform such maintenance is wholly or partially responsible for fixing water rates shall not be entered into until submitted to a vote of the qualified electors and approved by a majority of those voting. It shall be unlawful for any municipally owned waterworks to supply water free of charge, or in any amount less than the fixed charges, to any person, firm or corporation, except as is expressly authorized by law.

SECTION 2. Section 21-27-189, Mississippi Code of 1972, is amended as follows:

21-27-189. A municipality, as defined in Section 21-27-163, is authorized and empowered, in the discretion of its governmental authorities, to exercise the following powers and authority within the area and territories comprising the metropolitan area of which it is a part:

(a) To operate and manage sewerage systems, sewage treatment facilities and sewage disposal systems and related facilities serving the metropolitan area in conformance with the metropolitan area plan.

(b) To construct, operate and maintain sewerage systems, sewage treatment facilities and sewage disposal systems in the manner and to the extent required by the metropolitan area plan.

(c) To accept and utilize grants and other funds from any source for waste treatment management purposes.

(d) To establish and maintain rates and charges in equitable proportion for the use of the services and benefits rendered of such sewerage systems, sewage treatment facilities and sewage disposal systems within the metropolitan area, and from time to time to adjust such rates, to the end that the revenues therefrom will be sufficient at all times to pay the expenses of operating and maintaining such works, facilities and systems and all of the municipality's obligations under any contract or bond resolution with respect thereto. The rates shall be just and reasonable, and rates may not be unreasonably preferential, prejudicial or discriminatory but shall be sufficient, equitable and consistent in application to each class of users. While the municipality may set different rates for different classifications of users, a municipality shall not discriminate in setting rates among members of the same classification. The governing authorities of the municipality shall make a finding on the minutes of the governing body establishing the rate based upon the actual cost to operate and maintain the system, and a municipality shall not charge a user a fee for services received which is less than the cost incurred by the municipality to provide such services.

(e) To incur short and long-term indebtedness under the provisions of Sections 21-27-161 through 21-27-191 or other applicable statutes.

(f) To adopt rules and regulations necessary to carry out the implementation of the metropolitan area plan and to assure the payment of each participating person or public agency of its proportionate share of treatment costs.

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2842: Use tax; revise standards for municipality's eligibility to receive monies from special infrastructure assistance fund.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 27-67-35, Mississippi Code of 1972, is amended as follows:

27-67-35. (1) (a) There is hereby created a special fund in the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. The fund shall consist of monies deposited therein under Section 27-67-31(e) and monies from any other source designated for deposit into such fund. Monies in the fund shall be expended by the department * * * to provide funds to assist municipalities in this state in paying costs associated with (i) repair, maintenance and/or reconstruction of roads, streets and bridges

in municipalities, (ii) repair, maintenance and/or other improvements to water infrastructure and sewer infrastructure, including storm water and drainage improvements, and/or (iii) as a pledge to pay all or a portion of debt service on debt issued by a municipality for *** the purposes provided in this subsection (1)(a). These monies shall not be used for salaries, benefits or any form of compensation for employees, or for contract employees, administrative costs, debt service except as provided in this subsection (1)(a), personal property or equipment (other than equipment to be permanently installed as part of a road or bridge), or for the construction or maintenance of public buildings or other structures that are not integral to the system of roads and bridges. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited to the credit of the fund.

(b) (i) Subject to the provisions of this paragraph (b) and Section 65-21-31, funds provided to municipalities under this subsection (1) shall be allocated and distributed to municipalities as follows:

1. Three Million Dollars (\$3,000,000.00) shall be allocated to all municipalities in equal shares, and

2. The remainder of the funds allocated as follows:

a. One-half (1/2) shall be allocated to municipalities based on the proportion that the population of a municipality according to the most recent federal decennial census bears to the total population of all municipalities in the state according to the most recent federal decennial census, and

b. One-half (1/2) shall be allocated to municipalities based on the proportion that the amount of sales tax revenue distributed to a municipality during the preceding fiscal year under Section 27-65-75(1)(a) bears to the total amount of sales tax revenue distributed to all municipalities during the preceding fiscal year under Section 27-65-75(1)(a). The department *** shall distribute funds under this subsection (1) on a semiannual basis with distributions being made in the months of January and July.

(ii) In order to be eligible to receive the full amount of funds allocated for distribution to a municipality during a year under this subsection (1), the municipality must have expended an amount not less than the amount of base expenditures during the previous municipal fiscal year for the purposes described in paragraph (a) of this subsection (1). If a municipality fails to expend such required amount, then the amount of funds allocated for distribution to the municipality shall be reduced by the percentage by which the municipality failed to expend the amount of base expenditures. For the purposes of this subsection (1), "base expenditures" means the average annual expenditures made by a municipality for purposes described in paragraph (a) of this subsection (1) for the *** two-year period beginning October 1, *** 2020, and ending September 30, *** 2022. *** Expenditure of grant proceeds, loan proceeds, or the proceeds of bonds issued by a municipality for the purposes described in paragraph (a) of this subsection (1) shall not be considered when calculating the base period. Beginning July 1, *** 2023, and each succeeding July 1 thereafter, the amount of the base expenditures shall be adjusted and compounded annually by increasing or decreasing such amount by a percentage amount that is equal to the lesser of one-half percent (0.5%) or to the United States inflation rate for the previous calendar year ending on December 31 as certified by the department *** and provided to the municipalities thereby within thirty (30) days of such certification. The United States inflation rate for a calendar year shall be the Consumer Price Index for the calendar year for urban consumers as calculated by the Bureau of Labor Statistics of the United States Department of Labor.

(c) The department *** and the *** Office of the State Auditor shall have all powers necessary to ensure the proper implementation of this subsection (1).

(2) (a) There is hereby created a special fund in the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. The fund shall consist of monies deposited therein under Section 27-67-31(f) and monies from any other source designated for deposit into such fund. Monies in the fund shall be expended by the department * * * to provide funds to assist counties in this state in paying costs associated with (i) the repair, maintenance and/or reconstruction of roads, streets and bridges in counties, and/or (ii) as a pledge to pay all or a portion of debt service on debt issued by a county for * * * the purposes provided in this subsection (2)(a). These monies shall not be used for salaries, benefits or any form of compensation for employees, or for contract employees, administrative costs, debt service except as provided in this subsection (2)(a), personal property or equipment (other than equipment to be permanently installed as part of a road or bridge), or for the construction or maintenance of public buildings or other structures that are not integral to the system of roads and bridges. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited to the credit of the fund.

(b) (i) Subject to the provisions of this paragraph (b) and Section 65-21-31, funds provided to counties under this subsection (2) shall be allocated and distributed to counties in the following proportions:

1. One-third (1/3) shall be allocated to all counties in equal shares,

2. One-third (1/3) shall be allocated to counties based on the proportion that the total number of rural road miles in a county bears to the total number of rural road miles in all counties of the state, and

3. One-third (1/3) shall be allocated to counties based on the proportion that the rural population of a county bears to the total rural population in all counties of the state, according to the latest federal decennial census.

The department * * * shall distribute funds under this subsection (2) on a semiannual basis with distributions being made in the months of January and July. Rural road miles and rural road population in the counties shall be determined in the same manner as they are determined for the purposes of the distribution formula in Section 65-9-3.

(ii) From and after July 1, 2020, of the funds allocated for distribution to a county during a year under this subsection (2), the maximum amount of such funds that may be distributed to the county during that year shall not exceed the amount of county funds expended by the county during the previous county fiscal year for purposes described in paragraph (a) of this subsection (2). Expenditure of the proceeds of bonds issued by a county to pay costs associated with the repair, maintenance and/or reconstruction of roads, streets and bridges shall not be considered when determining the amount of county funds expended by the county during the previous county fiscal year.

(c) The department * * * and the * * * Office of the State Auditor shall have all powers necessary to ensure the proper implementation of this subsection (2).

SECTION 2. This act shall take effect and be in force from and after July 1, 2023.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 27-67-35, MISSISSIPPI CODE OF 1972, WHICH CREATES SPECIAL FUNDS IN THE STATE TREASURY TO BE USED TO PROVIDE

MONIES TO ASSIST MUNICIPALITIES AND COUNTIES IN PAYING COSTS ASSOCIATED WITH ROAD AND BRIDGE IMPROVEMENTS AND, FOR MUNICIPALITIES, WATER AND SEWER INFRASTRUCTURE IMPROVEMENTS, TO REQUIRE THAT THESE MONIES NOT BE USED FOR SALARIES, BENEFITS OR ANY FORM OF COMPENSATION FOR EMPLOYEES, OR FOR CONTRACT EMPLOYEES, ADMINISTRATIVE COSTS, DEBT SERVICE EXCEPT AS PROVIDED IN THE SECTION, PERSONAL PROPERTY OR EQUIPMENT EXCEPT EQUIPMENT PERMANENTLY INSTALLED AS PART OF A ROAD OR BRIDGE, OR FOR THE CONSTRUCTION OR MAINTENANCE OF PUBLIC BUILDINGS OR OTHER STRUCTURES THAT ARE NOT INTEGRAL TO THE SYSTEM OF ROADS AND BRIDGES; TO REVISE THE TIME PERIOD REFERENCED IN THE DEFINITION OF "BASE EXPENDITURES" THAT MUST BE MET BY A MUNICIPALITY IN ORDER TO BE ELIGIBLE TO RECEIVE THE FULL AMOUNT OF MONIES ALLOCATED FOR DISTRIBUTION FROM THE SPECIAL FUND; TO PROVIDE THAT THE AMOUNT OF BASE EXPENDITURES SHALL BE ADJUSTED AND COMPOUNDED ANNUALLY BY INCREASING OR DECREASING SUCH AMOUNT BY A PERCENTAGE THAT IS THE LESSER OF 0.5% OR THE UNITED STATES INFLATION RATE FOR THE PREVIOUS CALENDAR YEAR; AND FOR RELATED PURPOSES.

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1315: Pornographic media materials; regulate access to minors and require age verification.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. The following shall be codified as Section 37-11-81, Mississippi Code of 1972:

37-11-81. (1) The state, or any of its agencies, a school district, charter school, the Mississippi School of the Arts, the Mississippi School for Mathematics and Science, the Mississippi Virtual Public School, the Mississippi School for the Deaf or the Mississippi School for the Blind (hereafter, "the contracting party") may offer digital or online resources or databases to students in kindergarten through twelfth grade only if the vendor or other person or entity providing the resources verifies that all the resources will comply with the provisions of subsection (2) of this section.

(2) A vendor or other person or entity providing digital or online resources or databases under the authority of this section must have safety policies and technology protection measures that:

(a) Prohibit and prevent a person from sending, receiving, viewing or downloading materials that are:

(i) Child pornography;

(ii) Materials that depict or promote child sexual exploitation or trafficking;

(iii) Obscene materials, as defined in this act;

(iv) Inappropriate materials depicting or dealing with matters of sex, cruelty and violence in a manner likely to be injurious or harmful to a child; or

(v) Materials that are sexually oriented, as defined in Section 97-5-27(2); and

(b) Block, or otherwise prohibit and prevent, access to obscene materials, inappropriate materials, materials that are sexually oriented or materials that depict, describe or promote child pornography or child sexual exploitation.

(c) For the purposes of this act, material is obscene, if:

(i) To the average person, applying contemporary community standards, taken as a whole, it appeals to the prurient interest, that is, a lustful, erotic, shameful, or morbid interest in nudity, sex or excretion; and

(ii) The material taken as a whole lacks serious literary, artistic, political or scientific value; and

(iii) The material depicts or describes in a patently offensive way, sexual contact specifically defined in items 1 through 5 below:

1. Acts of sexual intercourse of any kind, normal or perverted, actual or simulated;

2. Acts of masturbation;

3. Acts involving excretory functions or lewd exhibition of the genitals;

4. Acts of bestiality or the fondling of sex organs of animals;

or

5. Sexual acts of flagellation, torture or other violence indicating a sadomasochistic sexual relationship.

(3) (a) The provisions of this section shall take precedence over any other provision of law to the contrary in a contract between the contracting party and a vendor or other person or entity providing digital or online resources or databases. Notwithstanding any other provision of law to the contrary, in a contract between the contracting party and a provider to the contrary, if a provider of digital or online resources or databases fails to comply with the requirements of this section, the contracting party shall withhold further payments, if any, to the provider pending verification of compliance.

(b) No Internet service provider, or its affiliates or subsidiaries, search engine, or cloud service provider shall be held to have violated the provisions of this act solely for providing services that do not constitute the direct provision of digital or online resources or databases to students in kindergarten through twelfth grade.

(c) The provisions of this section do not apply to the use of digital or online resources or databases by a student enrolled in a Mississippi institution of higher education or a Mississippi community or junior college, including dual-enrolled students.

(d) Upon a first uncured occurrence by a provider of digital or online resources or databases of noncompliance with subsection (2) of this section and failure to verify within thirty (30) days of receiving notice of the noncompliance from the contracting party that the provider is in compliance with this section, the contracting party shall consider the provider's noncompliance to be a breach of contract.

(e) Upon a second uncured occurrence by a provider of noncompliance with subsection (2) and failure to verify within thirty (30) days of receiving notice of the noncompliance from the contracting party that the provider is in compliance with the requirements of this section, the contracting party is entitled to a reduction in the amount of ten percent (10%) of the agreed upon price in the contract to be paid by the contracting party to the provider. The contracting party shall adjust any future payments due to the provider under the contract accordingly to effectuate the ten percent (10%) reduction. However, if the contract price has been paid in full, or if the balance owed on the contract price is equal to less than ten percent (10%) of the contract price, the provider must return to the contracting party such amount that is required to effectuate a ten percent (10%) reduction of the contract price.

(f) Upon a third uncured occurrence by a provider of noncompliance with subsection (2) and failure to verify within thirty (30) days of receiving notice of the noncompliance from the contracting party that the provider is in compliance with the requirements of this section, the contract must be considered terminated and the contracting party is entitled to a complete refund of the agreed upon price in the contract to be paid by the contracting party to the provider. The contracting party shall withhold any future payments that may be due to the provider, and the provider must return to the contracting party all amounts previously paid to the provider under the contract.

(4) The Attorney General may investigate compliance with this section. The contracting party must report to the Attorney General a provider's failure to comply with subsection (2) of this section no later than thirty (30) days after the contracting party learns of the provider's noncompliance. Such a report shall constitute a public record under the Mississippi Public Records Act.

SECTION 2. The following shall be codified as Section 39-3-25, Mississippi Code of 1972:

39-3-25. (1) The state, or any of its agencies, or a public library (hereafter, "the contracting party") may offer digital or online resources or databases to minors only if the vendor or other person or entity providing the resources verifies that all the resources will

comply with the provisions of subsection (2) of this section. For purposes of this section, the term "minor" means any person under the age of eighteen (18).

(2) A vendor or other person or entity providing digital or online resources or databases under the authority of this section must have safety policies and technology protection measures that:

(a) Prohibit and prevent a minor from sending, receiving, viewing or downloading materials that are:

(i) Child pornography;

(ii) Materials that depict or promote child sexual exploitation or trafficking;

(iii) Obscene materials, as defined in this act;

(iv) Inappropriate materials depicting or dealing with matters of sex, cruelty and violence in a manner likely to be injurious or harmful to a child; or

(v) Materials that are sexually oriented, as defined in Section 97-5-27(2); and

(b) Block, or otherwise prohibit and prevent, a minor from accessing obscene materials, inappropriate materials, materials that are sexually oriented or materials that depict, describe or promote child pornography or child sexual exploitation.

(3) (a) The provisions of this section take precedence over any provision in a contract between the contracting party and a vendor or other person or entity providing digital or online resources or databases to the contrary. Notwithstanding any provision in a contract between the contracting party and a provider to the contrary, if a provider of digital or online resources or databases fails to comply with the requirements of this section, the contracting party shall withhold further payments, if any, to the provider pending verification of compliance.

(b) No Internet service provider, or its affiliates or subsidiaries, search engine, or cloud service provider shall be held to have violated the provisions of this act solely for providing services that do not constitute the direct provision of digital or online resources or databases to minors.

(c) The provisions of this section do not apply to the use of digital or online resources or databases by a student enrolled in a Mississippi institution of higher education or a Mississippi community or junior college, including dual-enrolled students.

(d) Upon a first uncured occurrence by a provider of digital or online resources or databases of noncompliance with subsection (2) of this section and failure to verify within thirty (30) days of receiving notice of the noncompliance from the contracting party that the provider is in compliance with this section, the contracting party shall consider the provider's noncompliance to be a breach of contract.

(e) Upon a second uncured occurrence by a provider of noncompliance with subsection (2) and failure to verify within thirty (30) days of receiving notice of the noncompliance from the contracting party that the provider is in compliance with the requirements of this section, the contracting party is entitled to a reduction in the amount of ten percent (10%) of the agreed upon price in the contract to be paid by the contracting party to the provider. The contracting party shall adjust any future payments due to the provider under the contract accordingly to effectuate the ten percent (10%) reduction. However, if the contract price has been paid in full, or if the balance owed on the contract price is equal to less than ten percent (10%) of the contract price, the provider must return

to the contracting party such amount that is required to effectuate a ten percent (10%) reduction of the contract price.

(f) Upon a third uncured occurrence by a provider of noncompliance with subsection (2) and failure to verify within thirty (30) days of receiving notice of the noncompliance from the contracting party that the provider is in compliance with the requirements of this section, the contract must be considered terminated and the contracting party is entitled to a complete refund of the agreed upon price in the contract to be paid by the contracting party to the provider. The contracting party shall withhold any future payments that may be due to the provider, and the provider must return to the contracting party all amounts previously paid to the provider under the contract.

(4) Prior to withholding any payment for noncompliance under this act, any contracting party must provide to the database vendor:

(i) Written notice of the nature of the violation, including reasonable identification of the prohibited material and the manner of its access.

(ii) Thirty (30) days to present evidence that the acts alleged to constitute a violation are not a breach of the provider's obligation.

(iii) Thirty (30) days to cure any occurrence of noncompliance.

(iv) After having exhausted the administrative remedies referenced in subparagraphs (i) – (iii), the opportunity to tender the disputed contract funds into the registry of a court of competent jurisdiction and to seek a judicial determination of the rights under the contract.

(5) The Attorney General may investigate compliance with this section. The contracting party must report to the Attorney General a provider's failure to comply with subsection (2) of this section no later than thirty (30) days after the contracting party learns of the provider's noncompliance. Such a report shall constitute a public record under the Mississippi Public Records Act.

SECTION 3. If any section, paragraph, sentence, clause, phrase or any part of this act passed on or after the effective date of this act is declared to be unconstitutional or void, or if for any reason is declared to be invalid or of no effect, the remaining sections, paragraphs, sentences, clauses, phrases or parts of this act shall be in no manner affected thereby but shall remain in full force and effect.

Unless the contrary intent shall clearly appear in the particular act in question, each and every act passed hereafter shall be read and construed as though the provisions of the first paragraph of this section form an integral part thereof, whether expressly set out therein or not.

SECTION 4. This act shall take effect and be in force from and after July 1, 2023.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1390: Abstinance education; delete repealer on school board requirement to adopt a policy on abstinance-only or abstinance-plus.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 37-13-171, Mississippi Code of 1972, is amended as follows:

37-13-171. (1) The local school board of every public school district shall adopt a policy to implement abstinence-only or abstinence-plus education or sexual risk avoidance education into its curriculum * * *, which instruction in those subjects shall be implemented not later than the start of the * * * 2023-2024 school year or the local school board shall adopt the program which has been developed by the Mississippi Department of Human Services and the Mississippi Department of Health. The State Department of Education shall approve each district's curriculum for sex-related education and shall establish a protocol to be used by districts to provide continuity in teaching the approved curriculum in a manner that is age, grade and developmentally appropriate.

(2) Abstinence-only education shall remain the state standard for any sex-related education taught in the public schools. For purposes of this section, abstinence-only education includes any type of instruction or program which, at an appropriate age and grade:

(a) Teaches the social, psychological and health gains to be realized by abstaining from sexual activity, and the likely negative psychological and physical effects of not abstaining;

(b) Teaches the harmful consequences to the child, the child's parents and society that bearing children out of * * * marriage is likely to produce, including the health, educational, financial and other difficulties the child and his or her parents are likely to face, as well as the inappropriateness of the social and economic burden placed on others;

(c) Teaches that unwanted sexual advances are irresponsible and teaches how to reject sexual advances and how alcohol and drug use increases vulnerability to sexual advances;

(d) Teaches that abstinence from sexual activity before marriage, and fidelity within marriage, is the only certain way to avoid out-of- * * * marriage pregnancy, sexually transmitted diseases and related health problems. The instruction or program may include a discussion on condoms or contraceptives, but only if that discussion includes a factual presentation of the risks and failure rates of those contraceptives. In no case shall the instruction or program include any demonstration of how condoms or other contraceptives are applied;

(e) Teaches the current state law related to sexual conduct, including forcible rape, statutory rape, paternity establishment, child support and homosexual activity; and

(f) Teaches that a mutually faithful, monogamous relationship in the context of marriage is the only appropriate setting for sexual intercourse.

(3) A program or instruction on sex-related education need not include every component listed in subsection (2) of this section for abstinence-only education. However, no program or instruction under an abstinence-only curriculum may include anything that contradicts the excluded components. For purposes of this section, abstinence-plus education includes every component listed under subsection (2) of this section that is age and grade appropriate, in addition to any other programmatic or instructional component approved by the department, which shall not include instruction and demonstrations on the application and use of condoms. Abstinence-plus education may discuss other contraceptives, the nature, causes and effects of sexually transmitted diseases, or the prevention of sexually transmitted diseases, including HIV/AIDS, along with a factual presentation of the risks and failure rates.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2073: Age of majority; lower to 18 for securing loans and entering contracts for real property.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 93-19-13, Mississippi Code of 1972, is amended as follows:

93-19-13. (1) All persons eighteen (18) years of age or older, if not otherwise disqualified, or prohibited by law, shall have the capacity to enter into binding contractual relationships affecting personal property, mortgages, and real property. In addition, all persons eighteen (18) years of age or older shall have the capacity to enter into binding contractual relationships for the purpose of investing in mutual funds, stocks, bonds and any other publicly traded equities. Nothing in this section shall be construed to affect any contracts entered into prior to July 1, 1976.

(2) Any person who, upon attaining eighteen (18) years of age, but not having reached the age of majority, * * * if not otherwise disqualified or prohibited by law, shall have the capacity to enter into binding agreements to lease real property to be occupied by the person as the actual place of residence, and to secure the necessary utility services necessary to make such place of residence habitable, including, but not limited to, electricity, natural gas, propane, water, sewage, garbage disposal and Internet services.

(3) In any legal action founded on a contract entered into by a person eighteen (18) years of age or older, the said person may sue in his own name as an adult and be sued in his own name as an adult and be served with process as an adult.

SECTION 2. Section 1-3-27, Mississippi Code of 1972, is amended as follows:

1-3-27. The term "minor," when used in * * * statute, except as otherwise provided by law shall include any person, male or female, under twenty-one (21) years of age. If a statute refers to the ability to enter into a contract affecting personal property or real property, "minor" shall mean any person, male or female, under eighteen (18) years of age.

SECTION 3. Section 15-3-11, Mississippi Code of 1972, is amended as follows:

15-3-11. An action shall not be maintained whereby to charge any person upon any promise made after full age to pay any debt contracted during infancy, or upon any ratification after full age of any promise or contract made during infancy, unless such promise or ratification shall be made by some writing, signed by the person to be charged therewith. The full age of ratification shall be eighteen (18) years of age.

SECTION 4. Section 11-5-115, Mississippi Code of 1972, is amended as follows:

11-5-115. When a decree shall be made for the sale or conveyance of the real estate of an infant, such decree shall be binding on the infant unless he shall, within one year after attaining the age of * * * eighteen (18) years, show to the court good cause to the contrary; and it shall not be necessary to insert the saving in the decree, but the saving shall not extend to decrees for the sale of the property of deceased persons, authorizing sales by guardians, or enforcing deeds of trust or mortgages.

SECTION 5. Section 89-1-301, Mississippi Code of 1972, is amended as follows:

89-1-301. The provisions of Sections 89-1-301 through 89-1-329 shall apply only in the event that the President of the United States has declared that an emergency or major disaster exists in this state and shall apply only to persons or property directly damaged in an enemy attack, or a man-made, technological or natural disaster declared by the Governor in which Sections 89-1-301 through 89-1-329 * * * were specifically included as a relief measure for those counties covered by such disaster declaration. The provisions of Sections 89-1-301 through 89-1-329 shall apply to any mortgage or deed of trust on real property executed prior to the date of the disaster declaration by the Governor, and to any such instruments executed after the date of the disaster declaration by the Governor which renewed or extended any mortgage or deed of trust executed prior to the date of the disaster declaration by the Governor. When the mortgagee, or owner, or holder, or trustee, or other person having like power shall hereafter determine to foreclose a mortgage or deed of trust on real estate covered by the provisions of Sections 89-1-301 through 89-1-329, he may proceed by bill in chancery, and in the same manner as in proceedings to foreclose under existing statutes in cases where the mortgage or deed of trust contains no provisions for sale by a trustee or otherwise. Any stipulations in the mortgage or deed of trust as to the manner of foreclosure thereunder shall not preclude proceedings to foreclose any mortgage or deed of trust under the provisions of Sections 89-1-301 through 89-1-329. If any mortgagee, holder, owner, trustee, or other person shall attempt to foreclose otherwise than as herein provided, such proceedings may be enjoined by the mortgagor or owner in possessing of the mortgaged premises, or anyone claiming under the mortgagor, or anyone liable for the mortgage debt. Upon the filing of a sworn petition which affirmatively sets forth that neither the petitioner nor any other person owning an interest in the legal title to the mortgaged premises is able to pay the sums in arrears on the mortgaged debt, that no such person or persons have been able to secure a refinancing of the mortgaged debt up to the date of the filing of the petition, after diligent effort, and that because of the destruction of or damage to improvements on the mortgaged premises or because of economic conditions brought about by the effects of such an enemy attack or man-made, technological or natural disaster declared by the Governor, the mortgaged property has depreciated in value as a proximate result of said disaster in an amount in excess of fifteen percent (15%) of its fair market value prior to said disaster, the chancellor of any chancery court of competent jurisdiction shall issue a preliminary injunction enjoining any foreclosure proceedings which have been commenced. The chancellor shall likewise issue a preliminary injunction enjoining any foreclosure proceedings which have been commenced if a sworn petition shall be filed which affirmatively sets forth that as a direct and proximate result of said disaster the petitioner or any other person owning an interest in the legal title to the mortgaged premises is unable to pay the sums in arrears on the mortgage debt, that the petitioner or such other person or persons have not been able to secure the refinancing of the mortgage debt up to the date of the filing of the petition after diligent effort, and that the petitioner has actually sustained a loss in income derived from the mortgaged property, or is presently threatened with such loss as a proximate result of such disaster, in an amount in excess of fifteen percent (15%) of the average annual income from the mortgaged property for the three (3) years immediately prior to said disaster; provided, however, for mortgages or deeds of trust on real property leased or rented for residential purposes from the mortgagor to a third party or parties, the provisions of Sections 89-1-301 through 89-1-329 shall apply only if the mortgagor or landlord has made or is making a good-faith effort to rehabilitate the property to a reasonable standard of habitability.

Upon the issuance of any such preliminary injunction, the mortgagee may file a motion to dissolve said injunction, which motion shall be heard in termtime or in vacation, at a time to be fixed by the court not less than thirty (30) days from the date of the filing thereof. The mortgagor may implead any and all persons owning or claiming an interest in the legal title to said property and all persons who may be primarily or secondarily liable on the mortgaged indebtedness. Process shall be issued for all parties so impleaded in the manner now provided by law in suits to confirm titles and the cause shall be triable five (5) days after completion of service of process on all parties. The court may grant

such continuances as may be necessary for the completion of service of process on all parties.

Upon the hearing of the motion to dissolve, unless the petitioner shall prove all of the material allegations of his petition by a preponderance of the evidence, the preliminary injunction shall be dissolved. No injunction bond shall be required for the issuance of the preliminary injunction. If the court shall find the petition was filed solely for the purpose of hindering and delaying collection of the mortgaged debt and without reasonable grounds therefor, reasonable attorney's fees shall be allowed as in other cases upon dissolution of preliminary injunctions, but not otherwise.

If, upon hearing of the motion to dissolve, it shall be determined that said motion should not be granted, then the hearing shall continue in the same manner as provided for in Section 89-1-303, and the court shall enter its order granting the relief provided for by Sections 89-1-301 through 89-1-329 in the case of bills to foreclose. All the terms and provisions of Sections 89-1-301 through 89-1-329 relating to the proceedings had on, or to relief granted under, bills to foreclose shall be applicable.

Provided, however, if a deed of trust be foreclosed according to the provisions therein contained, and the sale be actually consummated without the mortgagor or his heirs or assigns availing themselves of the right to enjoin said sale as provided in Sections 89-1-301 through 89-1-329, the foreclosure and the title resting thereon, if otherwise regular, shall not be controverted on account of any of the provisions of Sections 89-1-301 through 89-1-329, and this limitation shall also apply to minors who are younger than eighteen (18) years of age, and all others under legal disability. The provisions of this section shall apply to advertisements for sales already published at the time of the disaster declaration by the Governor in which he specifically included the relief provided for in Sections 89-1-301 through 89-1-329, but in which the sale has not been made; provided that in such case the costs of the advertisement be tendered in cash with the bill for injunction.

SECTION 6. Section 93-19-1, Mississippi Code of 1972, is amended as follows:

93-19-1. The chancery court of the county in which a minor resides, or the chancery court of a county in which a resident minor owns real estate in matters pertaining to such real estate, may remove the disability of minority of such minor. In cases of married minors, the residence of the husband shall be the residence of the parties. The chancery court of a county in which a nonresident minor of the State of Mississippi owns real estate or any interest in real estate may remove the disability of minority of such minor as to such real estate, so as to enable said minor to do and perform all acts with reference to such real estate, to sell and convey, to mortgage, to lease, and to make deeds of trust and contracts, including promissory notes, concerning said real estate, or any interest therein which may be owned by such minor, as fully and effectively as if said minor were * * * eighteen (18) years of age. The jurisdiction thus exercised shall be that of a court of general equity jurisdiction, and all presumptions in favor of that adjudged shall be accorded at all times.

SECTION 7. Section 93-19-9, Mississippi Code of 1972, is amended as follows:

93-19-9. The decree may be for the partial removal of the disability of the minor so as to enable him to do some particular act proposed to be done and specified in the decree; or it may be general, and empower him to do all acts in reference to his property, and making contracts, and suing and being sued, and engaging in any profession or avocation, which he could do if he were * * * eighteen (18) years of age; and the decree made shall distinctly specify to what extent the disability of the minor is removed, and what character of acts he is empowered to perform notwithstanding his minority, and may impose such restrictions and qualifications as the court may adjudge proper.

SECTION 8. Section 91-20-3, Mississippi Code of 1972, is amended as follows:

91-20-3. In this chapter:

- (a) "Adult" means an individual who has attained the age of * * * eighteen (18) years.

SECTION 10. Section 15-1-17, Mississippi Code of 1972, is amended as follows:

15-1-17. The owner, mortgagee or other person interested in any land which has been sold or forfeited to the state for delinquent taxes may bring a suit or action to cancel the title of the state, or its patentees, or to recover said land from the state, or its patentees, on account of any defect, irregularity or illegality in the assessment, levy or sale of such land for delinquent taxes within two (2) years after the period of redemption shall have expired, and not thereafter. However, the limitations herein fixed shall not apply when the taxes on such land had been paid prior to the time it was sold for taxes.

If any person entitled to bring any such suit or action shall, at the time at which the cause of action accrues, be under the disability of infancy, or unsoundness of mind, he may bring the suit or action within the time in this section respectively limited after his disability shall be removed but the saving of persons under disability shall never extend longer than eighteen (18) years if the disability is infancy, or twenty-one (21) years if the disability is unsoundness of mind.

The completion of the limitation herein prescribed to bar any action shall defeat and extinguish all the right, title and interest, including the right of possession in and to such land, of any and all persons whatsoever, except the State of Mississippi and its patentees, and it shall vest in the state, and its patentees, a fee simple title to such lands.

SECTION 11. Section 93-3-11, Mississippi Code of 1972, which is the provision of law that removes the disability of minority for certain married persons solely with respect to homestead transactions, is repealed.

SECTION 12. This act shall take effect and be in force from and after July 1, 2023.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

75-24-5. (1) Unfair methods of competition affecting commerce and unfair or deceptive trade practices in or affecting commerce are prohibited. Action may be brought under Section 75-24-5(1) only under the provisions of Section 75-24-9.

(2) Without limiting the scope of subsection (1) of this section, the following unfair methods of competition and unfair or deceptive trade practices or acts in the conduct of any trade or commerce are hereby prohibited:

(a) Passing off goods or services as those of another;

(b) Misrepresentation of the source, sponsorship, approval, or certification of goods or services;

(c) Misrepresentation of affiliation, connection, or association with, or certification by another;

(d) Misrepresentation of designations of geographic origin in connection with goods or services;

(e) Representing that goods or services have sponsorship, approval, characteristics, ingredients, uses, benefits, or quantities that they do not have or that a

person has a sponsorship, approval, status, affiliation, or connection that he does not have;

(f) Representing that goods are original or new if they are reconditioned, reclaimed, used, or secondhand;

(g) Representing that goods or services are of a particular standard, quality, or grade, or that goods are of a particular style or model, if they are of another;

(h) Disparaging the goods, services, or business of another by false or misleading representation of fact;

(i) Advertising goods or services with intent not to sell them as advertised;

(j) Advertising goods or services with intent not to supply reasonably expectable public demand, unless the advertisement discloses a limitation of quantity;

(k) Misrepresentations of fact concerning the reasons for, existence of, or amounts of price reductions;

(l) Advertising by or on behalf of any licensed or regulated health care professional which does not specifically describe the license or qualifications of the licensed or regulated health care professional;

(m) Charging an increased premium for reinstating a motor vehicle insurance policy that was cancelled or suspended by the insured solely for the reason that he was transferred out of this state while serving in the United States Armed Forces or on active duty in the National Guard or United States Armed Forces Reserve. It is also an unfair practice for an insurer to charge an increased premium for a new motor vehicle insurance policy if the applicant for coverage or his covered dependents were previously insured with a different insurer and canceled that policy solely for the reason that he was transferred out of this state while serving in the United States Armed Forces or on active duty in the National Guard or United States Armed Forces Reserve. For purposes of determining premiums, an insurer shall consider such persons as having maintained continuous coverage. The provisions of this paragraph (m) shall apply only to such instances when the insured does not drive the vehicle during the period of cancellation or suspension of his policy * * *;

(n) Violating the provisions of Section 75-24-8; and

(5) A NEMT provider must meet all the requirements and standards set by the department for providing NEMT transportation services. NEMT providers are required to have on hand at a location in the state and be able to produce upon request the necessary documentation to prove compliance with the requirements and standards set by the department as provided in this section.

(6) The department is authorized to revoke the permit of, or impose fines on, any NEMT provider that is found to be not in compliance with the requirements and standards set by the department for providing NEMT transportation services.

(7) The department is authorized to bring actions for injunctions in the name of the department to enjoin and prohibit any person or entity from providing NEMT transportation service in the state without having a current, valid permit from the department except as otherwise provided in this section.

(8) An NEMT provider that is a Medicaid provider under contract with an NEMT transportation broker providing services for the Division of Medicaid shall not be required to have a permit from the department to provide NEMT transportation services if (a) the broker periodically inspects the transport drivers for the NEMT provider and the vehicles used by the transport drivers for compliance with the standards prescribed in subsection (4) of this section and any additional standards adopted by the department under subsection (3) of this section, and (b) the NEMT broker determines that the drivers and vehicles are in compliance with those standards and certifies such compliance with the department. The department shall not make its own inspection of any drivers and vehicles that have been certified by an NEMT broker as provided in this subsection. Any NEMT provider that is exempt from the permitting requirement under this subsection shall be required to register with the department.

(** *9) Any public entity or private entity in the business of providing nonemergency medical transportation services may continue to provide such services

(12) (a) An individual resident of this state who is at least twenty-one (21) years of age may purchase wine from a winery and have the purchase shipped into this state so long as it is shipped to a package retailer permittee in Mississippi; however, the permittee shall pay to the department all taxes, fees and surcharges on the wine that are imposed upon the sale of wine shipped by the department or its warehouse operator. No credit shall be provided to the permittee for any taxes paid to another state as a result of the transaction. Package retailers may charge a service fee for receiving and handling shipments from wineries on behalf of the purchasers. The department shall develop and provide forms to be completed by the package retailer permittees verifying the transaction. The completed forms shall be forwarded to the department within a period of time prescribed by the department.

(b) The purchaser of wine that is to be shipped to a package retailer's store shall be required to get the prior approval of the package retailer before any wine is shipped to the package retailer. A purchaser is limited to no more than ten (10) cases of wine per year to be shipped to a package retailer. A package retailer shall notify a purchaser of wine within two (2) days after receiving the shipment of wine. If the purchaser of the wine does not pick up or take the wine from the package retailer within thirty (30) days after being notified by the package retailer, the package retailer may sell the wine as part of his inventory.

(c) Shipments of wine into this state under this section shall be made by a duly licensed carrier. It shall be the duty of every common or contract carrier, and of every firm or corporation that shall bring, carry or transport wine from outside the state for delivery inside the state to package retailer permittees on behalf of consumers, to prepare and file with the department, on a schedule as determined by the department, of known wine shipments containing the name of the common or contract carrier, firm or corporation making the report, the period of time covered by said report, the name and permit number of the winery, the name and permit number of the package retailer permittee receiving such wine, the weight of the package delivered to each package retailer permittee, a unique tracking number, and the date of delivery. Reports received by the department shall be made available by the department to the public via the Mississippi Public Records Act process in the same manner as other state alcohol filings.

Upon the department's request, any records supporting the report shall be made available to the department within a reasonable time after the department makes a written

request for such records. Any records containing information relating to such reports shall be kept and preserved for a period of two (2) years, unless their destruction sooner is authorized, in writing, by the department, and shall be open and available to inspection by the department upon the department's written request. Reports shall also be made available to any law enforcement or regulatory body in the state in which the railroad company, express company, common or contract carrier making the report resides or does business.

Any common or contract carrier that willfully fails to make reports, as provided by this section or any of the rules and regulations of the department for the administration and enforcement of this section, is subject to a notification of violation. In the case of a continuing failure to make reports, the common or contract carrier is subject to possible license suspension and revocation at the department's discretion.

(d) A winery that ships wine under this section shall be deemed to have consented to the jurisdiction of the courts of this state, of the department, of any other state agency regarding the enforcement of this section, and of any related law, rules or regulations.

(e) Any person who makes, participates in, transports, imports or receives a shipment in violation of this section is guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of One Thousand Dollars (\$1,000.00) or imprisonment in the county jail for not more than six (6) months, or both. Each shipment shall constitute a separate offense.

(13) If any provision of this article, or its application to any person or circumstance, is determined by a court to be invalid or unconstitutional, the remaining provisions shall be construed in accordance with the intent of the Legislature to further limit rather than expand commerce in alcoholic beverages to protect the health, safety, and welfare of the state's residents, and to enhance strict regulatory control over taxation, distribution and sale of alcoholic beverages through the three-tier regulatory system imposed by this article upon all alcoholic beverages to curb relationships and practices calculated to stimulate sales and impair the state's policy favoring trade stability and the promotion of temperance.

SECTION 3. Section 67-1-77, Mississippi Code of 1972, is amended as follows:

address the negative economic impacts of COVID-19 on the tourism, travel, and hospitality industries as allowed by the American Rescue Plan Act of 2021 and subsequent guidance issued by the United States Department of Treasury.

SECTION 2. (1) As used in this section, the following words and phrases shall have the meanings ascribed in this section unless the context clearly indicates otherwise:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 9-1-36, Mississippi Code of 1972, is amended as follows:

9-1-36. (1) Each circuit judge and chancellor shall receive an office operating allowance for the expenses of operating the office of the judge, including retaining a law clerk, legal research, stenographic help, stationery, stamps, furniture, office equipment, telephone, office rent and other items and expenditures necessary and incident to maintaining the office of judge. The allowance shall be paid only to the extent of actual expenses incurred by the judge as itemized and certified by the judge to the Supreme Court in the amounts set forth in this subsection; however, the judge may expend sums in excess thereof from the compensation otherwise provided for his office. * * *

(2) In addition to the amounts provided for in subsection (1), there is * * * created a separate office allowance fund for the purpose of providing support staff to judges. This fund shall be managed by the Administrative Office of Courts.

(3) Each judge who desires to employ support staff after July 1, 1994, shall make application to the Administrative Office of Courts by submitting to the Administrative Office of Courts a proposed personnel plan setting forth what support staff is deemed necessary. Upon approval by the Administrative Office of Courts, the judge or judges may appoint the employees to the position or positions, and each employee so appointed will work at the will and pleasure of the judge or judges who appointed him but will be employees of the Administrative Office of Courts. Upon approval by the Administrative Office of Courts, the appointment of any support staff shall be evidenced by the entry of an order on the minutes of the court. When support staff is appointed jointly by two (2) or more judges, the order setting forth any appointment shall be entered on the minutes of each participating court.

(4) The Administrative Office of Courts shall develop and promulgate minimum qualifications for the certification of court administrators. Any court administrator appointed on or after October 1, 1996, shall be required to be certified by the Administrative Office of Courts.

(5) Support staff shall receive compensation pursuant to personnel policies established by the Administrative Office of Courts * * * in an amount of * * * One Hundred Thousand Dollars (\$100,000.00) per fiscal year per judge for whom all support staff is approved for the funding of support staff assigned to a judge or judges * * *.

* * *

The Administrative Office of Courts may approve expenditures from the fund for additional equipment for support staff appointed pursuant to this section in any year in which the allocation per judge is sufficient to meet the equipment expense after provision for the compensation of the support staff.

(6) For the purposes of this section, the following terms * * * have the meaning ascribed * * * in this subsection unless the context clearly requires otherwise:

(a) "Judges" means circuit judges and chancellors, or any combination thereof * * *.

(7) Title to all tangible property, excepting stamps, stationery and minor expendable office supplies, procured with funds authorized by this section, shall be and forever remain in the State of Mississippi to be used by the circuit judge or chancellor during the term of his office and thereafter by his successors.

(8) Any circuit judge or chancellor who did not have a primary office provided by the county on March 1, 1988, shall be allowed an additional * * * Seven Thousand Dollars (\$7,000.00) per annum to defray the actual expenses incurred by the judge or chancellor in maintaining an office; however, any circuit judge or chancellor who had a primary office provided by the county on March 1, 1988, and who vacated the office space after that date for a legitimate reason, as determined by the Department of Finance and Administration, shall be allowed the additional office expense allowance provided under this subsection. The county in which a circuit judge or chancellor sits is authorized to provide funds from any available source to assist in defraying the actual expenses to maintain an office.

(9) The Supreme Court, through the Administrative Office of Courts, shall submit to the Department of Finance and Administration the itemized and certified expenses for office operating allowances that are directed to the court pursuant to this section.

(10) The Supreme Court, through the Administrative Office of Courts, shall have the power to adopt rules and regulations regarding the administration of the office operating allowance authorized pursuant to this section.

SECTION 2. This act shall take effect and be in force from and after July 1, 2023.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. The following shall be codified as Section 37-106-85, Mississippi Code of 1972:

There is hereby created the Mississippi Dual Enrollment/Dual Credit Scholarship Program, to be administered by the Mississippi Postsecondary Education Financial Assistance Board established under Section 37-106-9. The board shall set the dates and deadlines for applying for funding for dual enrollment/dual credit courses of eligible Mississippi high school students under the provisions of Sections 37-106-85 through 37-106-93 and award scholarships to participating institutions for those who meet the eligibility requirements provided herein.

SECTION 3. The following shall be codified as Section
37-106-89, Mississippi Code of 1972:

37-106-89. As used in this act, the following terms shall have the meaning ascribed in this section, unless the context clearly requires otherwise:

(a) "Institution" means any postsecondary educational institution that is a public state-supported institution of higher learning, a public state-supported community or junior college, or any not-for-profit private institution of higher learning in the state. The term does not include proprietary colleges or universities.

(b) "Student" means a high school student in a public school or charter school program in Mississippi.

and the requirements established by the Mississippi Postsecondary Education Financial Assistance Board for participating institutions set forth in this subsection.

(b) Eligibility for funding shall be incorporated into the manual, which shall outline the specific criteria for initial and continued eligibility for participation for institutions, dual enrollment students and dual credit students, respectively. The academic officers of both the Mississippi Association of Community Colleges and the Board of Trustees of State Institutions of Higher Learning shall evaluate and approve the contents of the manual each year.

(c) The board shall administer the Dual Enrollment/Dual Credit Scholarship Program as outlined in the manual. Funds for the program shall be distributed by the board to the providing institution of higher education on behalf of each eligible student after the enrollment verification period. Funds shall not be distributed by the board directly to the student.

(d) Participation in the Mississippi Dual Enrollment/Dual Credit Scholarship Program is optional for all institutions defined in Section 37-106-89(a). However, in order to qualify for funding, all guidelines in the manual must be followed by each institution.

(e) All participating institutions shall be reimbursed at the rate of forty percent (40%) of the average community college credit hour tuition for the current academic year.

(f) Participating institutions may elect to exclude specific centers, branch campuses, collegiate academies and middle college's within their governance or purview from participating in the Mississippi Dual Enrollment/Dual Credit Scholarship Program.

(a) Students in Grades 11 and 12 who are residents of the State of Mississippi shall be eligible to participate in the program, provided they meet minimum eligibility criteria in the manual. Resident status for the purpose of receiving assistance under this chapter shall be determined in the same manner as resident status for tuition purposes in Sections 37-103-1 through 37-103-29, with the exception of Section 37-103-17;

(b) Each eligible student shall be qualified for funding under this act for up to six (6) dual enrollment/dual credit semester credit hours prior to high school graduation;

(c) All students who meet the eligibility requirements as outlined in the manual, regardless of participation method, whether online, at a participating institution's campus, at a high school campus, academic or career and technical education (CTE), shall meet the requirements for funding allocation to the participating institution;

(d) All Dual Enrollment/Dual Credit Scholarship Program student recipients shall be required to participate in an advising component related to the Mississippi Articulation and Transfer Tool (MATT) to ensure their understanding of course transferability. Credits earned with a final grade of C or above on the eligible student's college transcript in courses offered through the program, whether academic or career and technical, shall transfer to any postsecondary institution in Mississippi;

(e) Books, course materials, tools, supplies, lab fees, transportation costs and other applicable course fees shall be the responsibility of the student or high school district; and

(f) Middle college students shall be qualified for the Mississippi Dual Enrollment/Dual Credit Scholarship Program funding only if the institution complies with the requirements of the manual.

(3) To ensure appropriate articulation of college credits to other institutions, only the courses on the "Approved Academic Dual Credit Listing" shall be eligible for funding.

(4) Early college students are not eligible for the Mississippi Dual Enrollment/Dual Credit Scholarship Program funding.

SECTION 5. The following shall be codified as Section

37-106-93, Mississippi Code of 1972:

37-106-93. In addition to the criteria established in Section 37-106-91, the following program participation criteria must be adhered to:

(a) Future enrollment at the providing institution cannot be a requirement for a student to be eligible for Dual Enrollment/Dual Credit Scholarship Program funds;

(b) Community college career and technical education (CTE) courses approved in the manual shall be eligible for funding;

(c) The board shall promulgate rules as necessary to implement and administer this section;

(d) The board shall develop rules for ensuring that expenses of the scholarship program in each fiscal year do not exceed funding for the program in that fiscal year. For that purpose, and any other provision of this section to the contrary notwithstanding, the board may limit the acceptance of scholarship applications and may limit the award amount of scholarships;

(e) If the state appropriation is insufficient to fully fund all students eligible for participation in the program in a given year, those funds shall be prorated to the student's account at the eligible participating institution by an amount to be determined by the board. The student or school district will then be responsible for the remaining balance due for the course taken at the providing institution;

(f) The board may conduct its own annual audits of any institution participating in the Mississippi Dual Enrollment/Dual Credit Scholarship Program. The board may suspend or revoke an institution's eligibility to receive future funds under the program if it finds that the institution has not complied with the provisions of the manual and the requirements established in Section 37-106-91(1);

(g) The board may conduct its own annual audits of students participating in the Mississippi Dual Enrollment/Dual Credit Scholarship Program. The board may suspend or revoke a high school's eligibility to participate in the program if it finds the student or high school has not complied with the provisions of the manual and the requirements established in Section 37-106-91(2);

(h) The average community college credit hour tuition amount for the current academic year, as referenced in Section 37-106-91(1)(e), shall be provided annually by the Mississippi Community College Board to the executive director of the board;

(i) If a public institution chooses not to participate in the program, or if a public institution in the eligible student's region does not have a particular program the eligible student wants to enroll in but the program is available at another public institution, a student shall have the option of enrolling at a program at another participating public institution;

(j) Public school districts or charter schools and institutions participating in the program shall be permitted to enter into agreements under Section 37-15-38, which allow students to enroll and complete additional dual credit or dual enrollment courses, with the goal of increasing the number of students graduating from high school with an associate level degree or other nationally recognized credential. This act is intended to provide funding and structure for a minimum standardized dual enrollment/dual credit program across the state;

(k) To encourage more participation in the program, a final grade of C or above in a three (3) credit hour dual credit course, academic or career and technical, shall be weighted the same as a three (3) or above in an Advanced Placement course final examination in the Mississippi Statewide Accountability System. Only courses included in the approved dual credit course list referenced in the manual shall be weighted in the model; and

(l) There is established in the State Treasury a special fund to be designated the "Mississippi Dual Enrollment/Dual Credit Scholarship Program" into which shall be deposited those funds appropriated by the Legislature, and any other funds that may be made available, for the purpose of implementing the program established under this act. Money in the fund at the end of the fiscal year shall not lapse into the General Fund, and interest earned on any amounts deposited into the fund shall be credited to the special fund;

(m) The program requires specific appropriation by the Legislature.

SECTION 6. Sections 37-106-85, 37-106-87, 37-106-89, 37-106-91 and 37-106-93, Mississippi Code of 1972, shall stand repealed on July, 1, 2025.

SECTION 7. This act shall take effect and be in force from and after July 1, 2023.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO CREATE THE "MISSISSIPPI DUAL ENROLLMENT/DUAL CREDIT SCHOLARSHIP PROGRAM ACT OF 2023" TO BE ADMINISTERED BY THE POSTSECONDARY EDUCATION FINANCIAL ASSISTANCE BOARD; TO DEFINE TERMINOLOGY; TO REQUIRE THE BOARD TO SET THE DATES AND DEADLINES FOR APPLYING FOR FUNDING FOR DUAL ENROLLMENT/DUAL CREDIT COURSES OF ELIGIBLE MISSISSIPPI HIGH SCHOOL STUDENTS; TO PROVIDE FOR THE ELIGIBILITY AND PARTICIPATION IN THE PROGRAM BY POSTSECONDARY EDUCATIONAL INSTITUTIONS AND STUDENTS; TO PROVIDE THE RATE AT WHICH PARTICIPATING INSTITUTIONS WILL BE REIMBURSED FOR PARTICIPATING STUDENTS; TO EXCLUDE THE PARTICIPATION OF EARLY COLLEGE STUDENTS FROM PARTICIPATION IN THE PROGRAM; TO ESTABLISH A SPECIAL FUND IN THE STATE TREASURY TO BE DESIGNATED THE "MISSISSIPPI DUAL ENROLLMENT/DUAL CREDIT SCHOLARSHIP PROGRAM FUND" AND TO PROVIDE THAT ANY UNEXPENDED BALANCES APPROPRIATED BY THE LEGISLATURE REMAINING AVAILABLE AT THE END OF THE FISCAL YEAR SHALL NOT LAPSE INTO THE STATE GENERAL FUND; AND FOR RELATED PURPOSES.

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2612: Construction; bring forward code sections concerning local permitting and State Board of Contractors licensing.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 19-5-9, Mississippi Code of 1972, is amended as follows:

19-5-9. (1) The construction codes published by a nationally recognized code group which sets minimum standards and has the proper provisions to maintain up-to-date amendments are adopted as minimum standard guides for building, plumbing, electrical, gas, sanitary, and other related codes in Mississippi. Any county within the State of Mississippi, in the discretion of the board of supervisors, may adopt building codes, plumbing codes, electrical codes, sanitary codes, or other related codes dealing with general public health, safety or welfare, or a combination of the same, within but not exceeding the provisions of the construction codes published by nationally recognized code groups, by order or resolution in the manner prescribed in this section, but those codes so adopted shall apply only to the unincorporated areas of the county. However, those codes shall not apply to the erection, maintenance, repair or extension of farm buildings or farm structures, except as may be required under the terms of the "Flood Disaster Protection Act of 1973," and shall apply to a master planned community as defined in Section 19-5-10 only to the extent allowed in Section 19-5-10. The provisions of this section shall not be construed to authorize the adoption of any code which applies to the installation, repair or maintenance of electric wires, pipelines, apparatus, equipment or devices by or for a utility rendering public utility services, required by it to be utilized in the rendition of its duly authorized service to the public. Before any such code shall be adopted, it shall be either printed or typewritten and shall be presented in pamphlet form to the board of supervisors at a regular meeting. The order or resolution adopting the code shall not set out the code in full, but shall merely identify the same. The vote or passage of the order or resolution shall be the same as on any other order or resolution. After its adoption, the code or codes shall be certified to by the president and clerk of the board of supervisors and shall be filed as a permanent record in the office of the clerk who shall not be required to transcribe and record the same in the minute book as other orders and resolutions.

(2) If the board of supervisors of any county adopts or has adopted construction codes which do not have proper provisions to maintain up-to-date amendments, specifications in such codes for cements used in portland cement concrete shall be superseded by nationally recognized specifications referenced in any code adopted by the Mississippi Building Code Council.

(3) All provisions of this section shall apply to amendments and revisions of the codes mentioned in this section. The provisions of this section shall be in addition and supplemental to any existing laws authorizing the adoption, amendment or revision of county orders, resolutions or codes.

(4) Any code adopted under the provisions of this section shall not be in operation or force until sixty (60) days have elapsed from the adoption of same; however, any code adopted for the immediate preservation of the public health, safety and general welfare may be effective from and after its adoption by a unanimous vote of the members of the

board. Within five (5) days after the adoption or passage of an order or resolution adopting that code or codes the clerk of the board of supervisors shall publish in a legal newspaper published in the county the full text of the order or resolution adopting and approving the code, and the publication shall be inserted at least three (3) times, and shall be completed within thirty (30) days after the passage of the order or resolution.

(5) Any person or persons objecting to the code or codes may object in writing to the provisions of the code or codes within sixty (60) days after the passage of the order or resolution approving same, and if the board of supervisors adjudicates that ten percent (10%) or more of the qualified electors residing in the affected unincorporated areas of the county have objected in writing to the code or codes, then in such event the code shall be inoperative and not in effect unless adopted for the immediate preservation of the public health, safety and general welfare until approved by a special election called by the board of supervisors as other special elections are called and conducted by the election commissioners of the county as other special elections are conducted, the special election to be participated in by all the qualified electors of the county residing in the unincorporated areas of the county. If the voters approve the code or codes in the special election it shall be in force and in operation thereafter until amended or modified as provided in this section. If the majority of the qualified electors voting in the special election vote against the code or codes, then, in such event, the code or codes shall be void and of no force and effect, and no other code or codes dealing with that subject shall be adopted under the provisions of this section until at least two (2) years thereafter.

(6) After any such code shall take effect the board of supervisors is authorized to employ such directors and other personnel as the board, in its discretion, deems necessary and to expend general county funds or any other funds available to the board to fulfill the purposes of this section.

(7) For the purpose of promoting health, safety, morals or the general welfare of the community, the governing authority of any municipality, and, with respect to the unincorporated part of any county, the governing authority of any county, in its discretion, is empowered to regulate the height, number of stories and size of building and other structures, the percentage of lot that may be occupied, the size of the yards, courts and other open spaces, the density or population, and the location and use of buildings, structures and land for trade, industry, residence or other purposes, but no permits shall be required except as may be required under the terms of the "Flood Disaster Protection Act of 1973" for the erection, maintenance, repair or extension of farm buildings or farm structures outside the corporate limits of municipalities.

(8) The authority granted in this section is cumulative and supplemental to any other authority granted by law.

(9) Notwithstanding any provision of this section to the contrary, any code adopted by a county before or after April 12, 2001, is subject to the provisions of Section 41-26-14(10).

(10) Notwithstanding any provision of this section to the contrary, the Boards of Supervisors of Jackson, Harrison, Hancock, Stone and Pearl River Counties shall enforce the requirements imposed under Section 17-2-1 as provided in such section.

(11) Regardless of whether a county adopts or has adopted codes, as set forth in this section, each and every county in this state shall require permitting as a condition to construction within the unincorporated areas of the county * * *; provided, however, that each county with a population under twenty thousand five hundred (22,500) according to the most recent federal decennial census may opt out of requiring such permitting by a majority vote of the board of supervisors made before December 31, 2023. Such an opt out shall only be effective until July 1, 2028. If a county is eligible to opt out but does not do so, or if the county is not eligible to opt out, the required permits shall contain, on their face, in conspicuous print, (a) the contractor's material purchase certificate number to the
