AMENDMENT NO. 1:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 27-103-125, Mississippi Code of 1972, is brought forward as follows:

27-103-125. The proposed budget of each state agency shall show the amounts required for operating expenses separately from the amounts required for permanent improvements. The overall budget shall show, separately by each source, the estimated amount of general fund revenue and of special fund revenues of general fund agencies. The total proposed expenditures in Part 1 of the overall budget shall not exceed the amount of estimated revenues that will be available in the general and special funds for appropriation or use during the succeeding fiscal year, including any balances other than unencumbered balances in general funds that will be on hand in the general and special funds at the close of the then current fiscal year. The total proposed expenditures from the State General Fund in Part 1 of the overall budget shall not exceed ninety-eight percent (98%) of the amount of general fund revenue estimate for the succeeding fiscal year. The general fund revenue estimate shall be the estimate jointly adopted by the Governor and the Joint Legislative Budget Committee. The Legislative Budget Office may recommend additional taxes or sources of revenue if in its judgment those additional funds are necessary to adequately support the functions of the state government.

SECTION 2. Section 27-103-139, Mississippi Code of 1972, is brought forward as follows:

27-103-139. On or before November 15 preceding each regular session of the Legislature, except the first regular session of a new term of office, the Governor shall submit to the members of the Legislature, the Legislative Budget Office or the members-elect, as the case may be, and to the executive head of each state agency a balanced budget for the succeeding fiscal year. The budget submitted shall be prepared in a format that will include performance measurement data associated with the various programs operated by each agency. The total proposed expenditures in the balanced budget shall not exceed the amount of estimated revenues that will be available for appropriation or use during the succeeding fiscal year, including any balances other than unencumbered balances in general funds that will be on hand at the close of the then current fiscal year, as determined by the revenue estimate jointly adopted by the Governor and the Legislative Budget Committee. The total proposed expenditures from the State General Fund in the balanced budget shall not exceed ninety-eight percent (98%) of the amount of general fund revenue estimate for the succeeding fiscal year. The general fund revenue estimate shall be the estimate jointly adopted by the Governor and the Joint Legislative Budget Committee.

The revenues used in preparing the balanced budget shall be only those revenues that will be available under the general laws of the state as they exist when the balanced budget is prepared, and shall not include any proposed revenues that would become available only after the enactment of new legislation. If the Governor has any

recommendations for additional proposed expenditures or proposed revenues that are not included in his balanced budget, he shall submit those recommendations in a supplement that is separate from his balanced budget, and whenever the Governor recommends any such additional proposed expenditures, he also shall recommend proposed revenues that are sufficient to fund the additional proposed expenditures, providing specific details regarding the sources and the total amount of those proposed revenues.

The Governor may employ a budget officer for the purpose of receiving information from the State Fiscal Officer and preparing his recommendations on the budget. If the Governor determines that information received from the State Fiscal Officer is not sufficient to enable him to prepare his budget recommendations, he may request an appropriation from the Legislature to provide additional staff within the Governor's office for that purpose. At the first regular session after his election for Governor, the Governor shall submit any budget recommendations plus the required revenue source recommendations no later than January 31 of that year.

SECTION 3. Section 27-103-203, Mississippi Code of 1972, is brought forward as follows:

27-103-203. (1) There is created in the State Treasury a special fund, separate and apart from any other fund, to be designated the Working Cash-Stabilization Reserve Fund.

(2) The Working Cash-Stabilization Reserve Fund shall not be considered as a surplus or available funds when adopting a balanced budget as required by law. The State Treasurer shall invest all sums in the Working Cash-Stabilization Reserve Fund not needed for the purposes provided for in this section in certificates of deposit, repurchase agreements and other securities as authorized in Section 27-105-33(d) or Section 7-9-103, as the State Treasurer may determine to yield the highest market rate available. If the Ayers Settlement Fund is created under Section 37-101-27(5), the first Five Million Dollars (\$5,000,000.00) of interest earned on those sums each fiscal year shall be deposited into that fund until a total of Seventy Million Dollars (\$70,000,000.00) has been deposited into the fund. The interest, or the remaining interest if the Ayers Settlement Fund is created, that is earned on those sums shall be deposited in the Working Cash-Stabilization Reserve Fund until the balance of principal and interest in the fund reaches ten percent (10%) of the total General Fund appropriations for the current fiscal year, and all interest earned in excess of amounts necessary to maintain the ten percent (10%) fund balance requirement shall be deposited by the State Treasurer into the State General Fund.

(3) The Working Cash-Stabilization Reserve Fund, except for Fifteen Million Dollars (\$15,000,000.00) and the amount of the interest and income earned on the principal of the Ayers Endowment Trust created by Section 37-101-27, shall be used by the State Treasurer for cash flow needs throughout the year when the Executive Director of the Department of Finance and Administration certifies that in his opinion there will be cash flow deficiencies in the State General Fund. No borrowing of monies from other special funds for such purposes as authorized by Section 31-17-101 et seq., shall be made as long as an unencumbered balance in excess of Fifteen Million Dollars (\$15,000,000.00) and the interest and income earned on the principal of the Ayers Endowment Trust created by Section 37-101-27 remains in the fund. The State Treasurer shall reimburse the fund for all sums borrowed for those purposes from General Fund revenues collected during the fiscal year in which those funds are used. The State Treasurer shall immediately notify the Legislative Budget Office and the State Department of Finance and Administration of each transfer into and out of the fund. Fifteen Million Dollars (\$15,000,000.00) in the Working Cash-Stabilization Reserve Fund shall remain available for exclusive use of the Ayers Endowment Trust created by Section 37-101-27. If the Ayers Settlement Fund is created under Section 37-101-27(5), beginning when a total of Fifty-five Million Dollars (\$55,000,000.00) has been deposited into the fund, for

each annual deposit of interest to that fund under subsection (2) of this section, the Ayers Endowment Trust created under Section 37-101-27(1) shall be reduced by an equal amount annually until the Ayers Endowment Trust reaches Zero Dollars (\$0.00), at which time any requirements concerning the Ayers Endowment Trust in this section shall be null and void.

(4) The Working Cash-Stabilization Reserve Fund, except for Forty Million Dollars (\$40,000,000.00), shall also be used for the purpose of covering any projected deficits that may occur in the General Fund at the end of a fiscal year as a result of revenue shortfalls. If the Governor determines that a deficit in revenues from all sources may occur, it shall be the duty of the Executive Director of the Department of Finance and Administration to transfer such funds as necessary to the General Fund to alleviate the deficit in accordance with Sections 27-104-13 and 31-17-123; however, not more than Fifty Million Dollars (\$50,000,000.00) may be transferred from the fund for that purpose in any one (1) fiscal year.

(5) The Working Cash-Stabilization Reserve Fund also shall be used to provide funds for the Disaster Assistance Trust Fund when those funds are immediately needed to provide for disaster assistance under Sections 33-15-301 through 33-15-317. Any transfer of funds from the Working Cash-Stabilization Reserve Fund to the Disaster Assistance Trust Fund shall be made in accordance with the provisions of subsection (5) of Section 33-15-307.

(6) The Department of Finance and Administration shall immediately send notice of any transfers made, or other action taken under authority of this section, to the Legislative Budget Office.

(7) Funds deposited in the Working Cash-Stabilization Reserve Fund shall be used only for the purposes specified in this section, and as long as the provisions of this section remain in effect, no other expenditure, appropriation or transfer of funds in the Working Cash-Stabilization Reserve Fund shall be made except by act of the Legislature making specific reference to the Working Cash-Stabilization Reserve Fund as the source of those funds.

(8) Any funds appropriated from the Working Cash-Stabilization Reserve Fund that are unexpended at the end of a fiscal year shall lapse into the Working Cash-Stabilization Reserve Fund.

SECTION 4. Section 27-103-211, Mississippi Code of 1972, is brought forward as follows:

27-103-211. The total sum appropriated by the Legislature from the State General Fund for any fiscal year shall not exceed ninety-eight percent (98%) of the general fund revenue estimate for that fiscal year developed by the Department of Revenue and the University Research Center and adopted by the Joint Legislative Budget Committee. The unencumbered balances in general funds that will be available and on hand at the close of the fiscal year shall not include projected amounts required to be deposited into the Working Cash-Stabilization Reserve Fund under Section 27-103-203.

SECTION 5. Section 27-103-213, Mississippi Code of 1972, is brought forward as follows:

27-103-213. (1) The unencumbered cash balance in the General Fund in the State Treasury at the close of each fiscal year shall be distributed to the Municipal Revolving Fund, the Working Cash-Stabilization Reserve Fund and the Capital Expense Fund in the manner provided in this section.

(2) (a) At the end of each fiscal year, the Executive Director of the Department of Finance and Administration and the State Treasurer shall determine the extent of the unencumbered cash balance existing in the General Fund in the State Treasury.

(b) As used in this section, the term "unencumbered cash balance" or "unencumbered General Fund cash balance" means the amount in the State General Fund after deducting all appropriations and other expenditures. However, if the Legislature has authorized additional or deficit appropriations or transfers from the State General Fund for that fiscal year, those amounts shall be subtracted from the unencumbered cash balance in the General Fund before determining the amount available for distribution. The unencumbered General Fund cash balance shall not be determined until after August 31 of each year, and it shall not be made until the State Treasurer has received a certificate in writing from the Executive Director of the Department of Finance and Administration, with notification to the Legislative Budget Office, showing the amount of the unencumbered General Fund cash balance.

(3) If any unencumbered General Fund cash balance is available for distribution under this section, the distribution of those funds shall be made by the Executive Director of the Department of Finance and Administration in the following order:

(a) To the Municipal Revolving Fund, an amount equal to Seven Hundred Fifty Thousand Dollars (\$750,000.00); however, if the amount of the unencumbered General Fund cash balance is less than Seven Hundred Fifty Thousand Dollars (\$750,000.00), then the total amount of the unencumbered General Fund cash balance shall be distributed to the Municipal Revolving Fund.

(b) To the Working Cash-Stabilization Reserve Fund, fifty percent (50%) of the amount of the unencumbered General Fund cash balance after the distributions are made under paragraph (a), not to exceed ten percent (10%) of the General Fund appropriations for the fiscal year that the unencumbered General Fund cash balance represents. For the purposes of this paragraph (b), the appropriations for the fiscal year shall be the total amount contained in the actual appropriation bills passed by the Legislature.

(c) To the Capital Expense Fund, any remaining amount of the unencumbered General Fund cash balance after the distributions are made under paragraphs (a) and (b).

SECTION 6. Section 27-103-303, Mississippi Code of 1972, is brought forward as follows:

27-103-303. (1) There is created in the State Treasury a special fund, separate and apart from any other fund, to be designated the Capital Expense Fund.

(2) The Capital Expense Fund shall not be considered as a surplus or available funds when adopting a balanced budget as required by law. The State Treasurer shall invest all sums in the Capital Expense Fund not needed for the purposes provided for in this section in certificates of deposit, repurchase agreements and other securities as authorized in Section 27-105-33(d) or Section 7-9-103, as the State Treasurer may determine to yield the highest market rate available. Interest earned on this fund shall be deposited by the State Treasurer into the State General Fund.

(3) The Capital Expense Fund shall be used for capital expense needs, repair and renovation of state-owned properties and specific expenditures authorized by the Legislature. The Legislature shall designate those capital expense projects, repair and renovation projects and other authorized projects in an appropriation act passed by the Legislature, which shall direct the Director of the Department of Finance and Administration to administer the projects.

(4) In addition to the purposes specified in subsection (3) of this section, the Capital Expense Fund shall be used to provide funds for emergency repairs on state-owned buildings upon requisition of the Executive Director of the Department of Finance and Administration. Whenever the executive director determines that funds are immediately needed for emergency repairs on state-owned buildings, he or she shall requisition the funds needed from the Capital Expense Fund, which shall be subject to the limitations set forth in this subsection. At the same time he or she makes the requisition, the executive director shall notify the Lieutenant Governor, the Speaker of the House of Representatives, the respective Chairmen of the Senate Appropriations Committee, the Senate Finance Committee, the House Appropriations Committee and the House Ways and Means Committee and the Legislative Budget Office of his or her determination of the need for the funds, the amount that he or she has requisitioned and where the funds will be used. If the amount requisitioned is available in the Capital Expense Fund, is not allocated for any specific projects as authorized in subsection (3) of this section and is within the limitations set forth below in this subsection, then the executive director may escalate the budget of the Bureau of Building, Grounds and Real Property Management to use the full amount of the requisitioned funds for the emergency repairs and transfer that amount to the bureau for that purpose. If the amount requisitioned is more than the amount available in the Capital Expense Fund or above the limitations set forth below in this subsection, then the executive director may escalate the budget of the bureau to use the amount that is available within the limitations for the emergency repairs and transfer that amount to the bureau for that purpose. The maximum amount that may be transferred from the Capital Expense Fund to the bureau for any single emergency shall be One Million Dollars (\$1,000,000.00), and the maximum amount that may be transferred to the bureau for all emergencies during any fiscal year shall be Five Million Dollars (\$5,000,000.00).

(5) Funds deposited in the Capital Expense Fund shall be used only for the purposes specified in this section, and as long as the provisions of this section remain in effect, no other expenditure, appropriation or transfer of funds in the Capital Expense Fund shall be made except by act of the Legislature making specific reference to the Capital Expense Fund as the source of those funds.

(6) Unexpended funds in the Capital Expense Fund at the end of a fiscal year shall not lapse into the State General Fund but shall remain in the fund for use under this section. Any funds appropriated from the Capital Expense Fund that are unexpended at the end of a fiscal year shall lapse into the Capital Expense Fund.

(2) Contracts executed by MDA with recipients of assistance under this chapter must include provisions requiring a performance report on the contracted activities, must account for the proper use of funds provided under the contract, and must include provisions for recovery of assistance if the assistance was based upon fraudulent information or the recipient of the assistance is not meeting the performance requirements established by MDA of the assistance. Recipients of assistance under this chapter must regularly report to MDA the status of the project on a schedule determined by MDA.

This term does not include probation or work release, and the one hundred eighty (180) consecutive days excludes credit for time served before sentencing.

(b) "Child support obligation" means the payment due on the current child support order, an arrears payment on a preexisting arrears balance, or interest on arrears.

(c) "Suspension" means a child support obligation being administratively set to Zero Dollars (\$0.00) for the period in which the person owing support is incarcerated or involuntarily institutionalized, and prevents the accrual of arrears during that period of incarceration.

(2) Child support obligations shall be suspended, by operation of law, for any period exceeding one hundred eighty (180) consecutive days in which the person ordered to pay support is incarcerated or involuntarily institutionalized, unless the person owing support has the means to pay support in accordance with the guidelines established in Sections 43-19-101 and 43-19-103 while incarcerated or involuntarily institutionalized.

(3) The child support obligation will resume the first day of the month following the expiration of sixty (60) days after the date the noncustodial parent is released from incarceration, and the noncustodial parent's child support order and obligation will become enforceable on that date. This section does not preclude a person owing support from seeking a modification of the child support order based on a change in circumstances or other appropriate reason.

(4) (a) The Department of Human Services enforcing a child support order under Title IV-D of the Social Security Act (42 USC Section 651 et seq.) may, upon written notice of the proposed adjustment to the obligor and the obligee, administratively adjust the arrears balance for an order for child support suspended under subsection (2) of this section if all of the following occur:

(i) The department verifies that arrears were accrued in violation of this section;

(ii) The department verifies that the person owing support has the means to pay the support; and

(iii) Neither the support obligor nor obligee objects in writing within thirty (30) days of receipt of the notice of proposed adjustment by the department.

(b) If either the support obligor or obligee objects to the administrative adjustment set forth in this subsection, the department shall file a petition with the court for a determination of the arrears balance.

(c) The department may perform this adjustment without regard to whether it was enforcing the child support order at the time the parent owing support qualified for relief under this section.

(5) This section does not prohibit the department or a party from petitioning a court for a determination of child support or arrears amounts.

(6) This section applies to every child support obligation in which the person who is ordered to pay is incarcerated for one hundred eighty (180) consecutive days after the enactment of this section.

SECTION 2. Section 93-11-65, Mississippi Code of 1972, is amended as follows:

93-11-65. (1) (a) In addition to the right to proceed under Section 93-5-23, Mississippi Code of 1972, and in addition to the remedy of habeas corpus in proper cases, and other existing remedies, the chancery court of the proper county shall have jurisdiction to entertain suits for the custody, care, support and maintenance of minor children and to hear and determine all such matters, and shall, if need be, require bond, sureties or other

guarantee to secure any order for periodic payments for the maintenance or support of a child. In the event a legally responsible parent has health insurance available to him or her through an employer or organization that may extend benefits to the dependents of such parent, any order of support issued against such parent may require him or her to exercise the option of additional coverage in favor of such children as he or she is legally responsible to support. Proceedings may be brought by or against a resident or nonresident of the State of Mississippi, whether or not having the actual custody of minor children, for the purpose of judicially determining the legal custody of a child. All actions herein authorized may be brought in the county where the child is actually residing, or in the county of the residence of the party who has actual custody, or of the residence of the defendant. Process shall be had upon the parties as provided by law for process in person or by publication, if they be nonresidents of the state or residents of another jurisdiction or are not found therein after diligent search and inquiry or are unknown after diligent search and inquiry; provided that the court or chancellor in vacation may fix a date in termtime or in vacation to which process may be returnable and shall have power to proceed in termtime or vacation. Provided, however, that if the court shall find that both parties are fit and proper persons to have custody of the children, and that either party is able to adequately provide for the care and maintenance of the children, the chancellor may consider the preference of a child of twelve (12) years of age or older as to the parent with whom the child would prefer to live in determining what would be in the best interest and welfare of the child. The chancellor shall place on the record the reason or reasons for which the award of custody was made and explain in detail why the wishes of any child were or were not honored.

(b) An order of child support shall specify the sum to be paid weekly or otherwise. In addition to providing for support and education, the order shall also provide for the support of the child prior to the making of the order for child support, and such other expenses as the court may deem proper.

(c) The court may require the payment to be made to the custodial parent, or to some person or corporation to be designated by the court as trustee, but if the child or custodial parent is receiving public assistance, the Department of Human Services shall be made the trustee.

(d) The noncustodial parent's liabilities for past education and necessary support and maintenance and other expenses are limited to a period of one (1) year next preceding the commencement of an action.

(2) Provided further, that where the proof shows that both parents have separate incomes or estates, the court may require that each parent contribute to the support and maintenance of the children in proportion to the relative financial ability of each.

(3) Except as otherwise provided in Section 1 of this act for persons who are incarcerated or involuntarily institutionalized, whenever the court has ordered a party to make periodic payments for the maintenance or support of a child, but no bond, sureties or other guarantee has been required to secure such payments, and whenever such payments as have become due remain unpaid for a period of at least thirty (30) days, the court may, upon petition of the person to whom such payments are owing, or such person's legal representative, enter an order requiring that bond, sureties or other security be given by the person obligated to make such payments, the amount and sufficiency of which shall be approved by the court. The obligor shall, as in other civil actions, be served with process and shall be entitled to a hearing in such case.

(4) When a charge of abuse or neglect of a child first arises in the course of a custody or maintenance action pending in the chancery court pursuant to this section, the chancery court may proceed with the investigation, hearing and determination of such abuse or neglect charge as a part of its hearing and determination of the custody or maintenance issue as between the parents, as provided in Section 43-21-151, notwithstanding the other provisions of the Youth Court Law. The proceedings in

chancery court on the abuse or neglect charge shall be confidential in the same manner as provided in youth court proceedings, and the chancery court shall appoint a guardian ad litem in such cases, as provided under Section 43-21-121 for youth court proceedings, who shall be an attorney. In determining whether any portion of a guardian ad litem's fee shall be assessed against any party or parties as a cost of court for reimbursement to the county, the court shall consider each party's individual ability to pay. Unless the chancery court's jurisdiction has been terminated, all disposition orders in such cases for placement with the Department of Human Services shall be reviewed by the court or designated authority at least annually to determine if continued placement with the department is in the best interest of the child or the public.

(5) Each party to a paternity or child support proceeding shall notify the other within five (5) days after any change of address. In addition, the noncustodial and custodial parent shall file and update, with the court and with the state case registry, information on that party's location and identity, including social security number, residential and mailing addresses, telephone numbers, photograph, driver's license number, and name, address and telephone number of the party's employer. This information shall be required upon entry of an order or within five (5) days of a change of address.

(6) In any case subsequently enforced by the Department of Human Services pursuant to Title IV-D of the Social Security Act, the court shall have continuing jurisdiction.

(7) In any subsequent child support enforcement action between the parties, upon sufficient showing that diligent effort has been made to ascertain the location of a party, due process requirements for notice and service of process shall be deemed to be met with respect to the party upon delivery of written notice to the most recent residential or employer address filed with the state case registry.

(8) (a) The duty of support of a child terminates upon the emancipation of the child. Unless otherwise provided for in the underlying child support judgment, emancipation shall occur when the child:

(i) Attains the age of twenty-one (21) years, or

(ii) Marries, or

(iii) Joins the military and serves on a full-time basis, or

(iv) Is convicted of a felony and is sentenced to incarceration of two (2) or more years for committing such felony; * * *

(b) Unless otherwise provided for in the underlying child support judgment, the court may determine that emancipation has occurred and no other support obligation exists when the child:

(i) Discontinues full-time enrollment in school having attained the age of eighteen (18) years, unless the child is disabled, or

(ii) Voluntarily moves from the home of the custodial parent or guardian, establishes independent living arrangements, obtains full-time employment and discontinues educational endeavors prior to attaining the age of twenty-one (21) years, or

(iii) Cohabits with another person without the approval of the parent obligated to pay support; * * *

(c) The duty of support of a child who is incarcerated but not emancipated shall be suspended for the period of the child's incarceration.

(9) A determination of emancipation does not terminate any obligation of the noncustodial parent to satisfy arrearage existing as of the date of emancipation; the total amount of periodic support due prior to the emancipation plus any periodic amounts ordered paid toward the arrearage shall continue to be owed until satisfaction of the arrearage in full, in addition to the right of the person for whom the obligation is owed to execute for collection as may be provided by law.

(10) Upon motion of a party requesting temporary child support pending a determination of parentage, temporary support shall be ordered if there is clear and convincing evidence of paternity on the basis of genetic tests or other evidence, unless the court makes written findings of fact on the record that the award of temporary support would be unjust or inappropriate in a particular case.

(11) Custody and visitation upon military temporary duty, deployment or mobilization shall be governed by Section 93-5-34.

SECTION 3. Section 93-11-71, Mississippi Code of 1972, is amended as follows:

93-11-71. (1) Except as otherwise provided in Section 1 of this act for persons who are incarcerated or involuntarily institutionalized, whenever a court orders any person to make periodic payments of a sum certain for the maintenance or support of a child, and whenever such payments as have become due remain unpaid for a period of at least thirty (30) days, a judgment by operation of law shall arise against the obligor in an amount equal to all payments that are then due and owing.

(a) A judgment arising under this section shall have the same effect and be fully enforceable as any other judgment entered in this state. A judicial or administrative action to enforce the judgment may be begun at any time; and

(b) Such judgments arising in other states by operation of law shall be given full faith and credit in this state.

(2) Any judgment arising under the provisions of this section shall operate as a lien upon all the property of the judgment debtor, both real and personal, which lien shall be perfected as to third parties without actual notice thereof only upon enrollment on the judgment roll. The department or attorney representing the party to whom support is owed shall furnish an abstract of the judgment for periodic payments for the maintenance and support of a child, along with sworn documentation of the delinquent child support, to the circuit clerk of the county where the judgment is rendered, and it shall be the duty of the circuit clerk to enroll the judgment on the judgment roll. Liens arising under the provisions of this section may be executed upon and enforced in the same manner and to the same extent as any other judgment.

(3) Notwithstanding the provisions in subsection (2) of this section, any judgment arising under the provisions of this section shall subject the following assets to interception or seizure without regard to the entry of the judgment on the judgment roll of the situs district or jurisdiction and such assets shall apply to all child support owed including all arrears:

(a) Periodic or lump-sum payments from a federal, state or local agency, including unemployment compensation, workers' compensation and other benefits;

(b) Winnings from lotteries and gaming winnings that are received in periodic payments made over a period in excess of thirty (30) days;

(c) Assets held in financial institutions;

(d) Settlements and awards resulting from civil actions;

(e) Public and private retirement funds, only to the extent that the obligor is qualified to receive and receives a lump-sum or periodic distribution from the funds;

(f) Lump-sum payments as defined in Section 93-11-101; and

(g) Unclaimed property as described in Section 89-12-1 et seq.

(4) Notwithstanding the provisions of subsections (1) and (2) of this section, upon disestablishment of paternity granted pursuant to Section 93-9-10 and a finding of clear and convincing evidence, including negative DNA testing that the obligor is not the biological father of the child or children for whom support has been ordered, the court shall disestablish paternity and may forgive any child support arrears of the obligor for the child or children determined by the court not to be the biological child or children of the obligor, if the court makes a written finding that, based on the totality of the circumstances, the forgiveness of the arrears is equitable under the circumstances.

(5) In any case in which a child receives assistance from block grants for Temporary Assistance for Needy Families (TANF), and the obligor owes past-due child support, the obligor, if not incapacitated, may be required by the court to participate in any work programs offered by any state agency.

(6) A parent who receives social security disability insurance payments who is liable for a child support arrearage and whose disability insurance benefits provide for the payment of past due disability insurance benefits for the support of the minor child or children for whom the parent owes a child support arrearage shall receive credit toward the arrearage for the payment or payments for the benefit of the minor child or children if the arrearage accrued after the date of disability onset as determined by the Social Security Administration.

SECTION 4. Section 93-5-23, Mississippi Code of 1972, is amended as follows:

93-5-23. When a divorce shall be decreed from the bonds of matrimony, the court may, in its discretion, having regard to the circumstances of the parties and the nature of the case, as may seem equitable and just, make all orders touching the care, custody and maintenance of the children of the marriage, and also touching the maintenance and alimony of the wife or the husband, or any allowance to be made to her or him, and shall, if need be, require bond, sureties or other guarantee for the payment of the sum so allowed. Orders touching on the custody of the children of the marriage shall be made in accordance with the provisions of Section 93-5-24. For the purposes of orders touching the maintenance and alimony of the wife or husband, "property" and "an asset of a spouse" shall not include any interest a party may have as an heir at law of a living person or any interest under a third-party will, nor shall any such interest be considered as an economic circumstance or other factor. The court may afterwards, on petition, change the decree, and make from time to time such new decrees as the case may require. However, where proof shows that both parents have separate incomes or estates, the court may require that each parent contribute to the support and maintenance of the children of the marriage in proportion to the relative financial ability of each. In the event a legally responsible parent has health insurance available to him or her through an employer or organization that may extend benefits to the dependents of such parent, any order of support issued against such parent may require him or her to exercise the option of additional coverage in favor of such children as he or she is legally responsible to support.

Except as otherwise provided in Section 1 of this act for persons who are incarcerated or involuntarily institutionalized, whenever the court has ordered a party to make periodic payments for the maintenance or support of a child, but no bond, sureties or other guarantee has been required to secure such payments, and whenever such payments as have become due remain unpaid for a period of at least thirty (30) days, the court may, upon petition of the person to whom such payments are owing, or such

person's legal representative, enter an order requiring that bond, sureties or other security be given by the person obligated to make such payments, the amount and sufficiency of which shall be approved by the court. The obligor shall, as in other civil actions, be served with process and shall be entitled to a hearing in such case.

At the discretion of the court, any person found in contempt for failure to pay child support and imprisoned therefor may be referred for placement in a state, county or municipal restitution, house arrest or restorative justice center or program, provided such person meets the qualifications prescribed in Section 99-37-19.

Whenever in any proceeding in the chancery court concerning the custody of a child a party alleges that the child whose custody is at issue has been the victim of sexual or physical abuse by the other party, the court may, on its own motion, grant a continuance in the custody proceeding only until such allegation has been investigated by the Department of Human Services. At the time of ordering such continuance, the court may direct the party and his attorney making such allegation of child abuse to report in writing and provide all evidence touching on the allegation of abuse to the Department of Human Services. The Department of Human Services shall investigate such allegation and take such action as it deems appropriate and as provided in such cases under the Youth Court Law (being Chapter 21 of Title 43, Mississippi Code of 1972) or under the laws establishing family courts (being Chapter 23 of Title 43, Mississippi Code of 1972).

If after investigation by the Department of Human Services or final disposition by the youth court or family court allegations of child abuse are found to be without foundation, the chancery court shall order the alleging party to pay all court costs and reasonable attorney's fees incurred by the defending party in responding to such allegation.

The court may investigate, hear and make a determination in a custody action when a charge of abuse and/or neglect arises in the course of a custody action as provided in Section 43-21-151, and in such cases the court shall appoint a guardian ad litem for the child as provided under Section 43-21-121, who shall be an attorney. Unless the chancery court's jurisdiction has been terminated, all disposition orders in such cases for placement with the Department of Human Services shall be reviewed by the court or designated authority at least annually to determine if continued placement with the department is in the best interest of the child or public.

The duty of support of a child terminates upon the emancipation of the child. The court may determine that emancipation has occurred pursuant to Section 93-11-65.

Custody and visitation upon military temporary duty, deployment or mobilization shall be governed by Section 93-5-34.

SECTION 5. Section 43-19-101, Mississippi Code of 1972, is amended as follows:

43-19-101. (1) The following child-support award guidelines shall be a rebuttable presumption in all judicial or administrative proceedings regarding the awarding or modifying of child-support awards in this state:

Number Of Children	Percentage Of Adjusted Gross Income
Due Support	That Should Be Awarded For Support
1	14%
2	20%
3	22%

4	24%
5 or more	26%

(2) The guidelines provided for in subsection (1) of this section apply unless the judicial or administrative body awarding or modifying the child-support award makes a written finding or specific finding on the record that the application of the guidelines would be unjust or inappropriate in a particular case as determined under the criteria specified in Section 43-19-103.

(3) The amount of "adjusted gross income" as that term is used in subsection (1) of this section shall be calculated as follows:

(a) Determine gross income from all potential sources that may reasonably be expected to be available to the absent parent including, but not limited to, the following: wages and salary income; income from self-employment; income from commissions; income from investments, including dividends, interest income and income on any trust account or property; absent parent's portion of any joint income of both parents; workers' compensation, disability, unemployment, annuity and retirement benefits, including an Individual Retirement Account (IRA); any other payments made by any person, private entity, federal or state government or any unit of local government; alimony; any income earned from an interest in or from inherited property; any other form of earned income; and gross income shall exclude any monetary benefits derived from a second household, such as income of the absent parent's current spouse;

(b) Subtract the following legally mandated deductions:

(i) Federal, state and local taxes. Contributions to the payment of taxes over and beyond the actual liability for the taxable year shall not be considered a mandatory deduction;

(ii) Social security contributions;

(iii) Retirement and disability contributions except any voluntary retirement and disability contributions;

(c) If the obligated parent is subject to an existing court order for another child or children, subtract the amount of that court-ordered support;

(d) If the absent parent is also the parent of another child or other children residing with him, then the court may subtract an amount that it deems appropriate to account for the needs of said child or children;

(e) Compute the total annual amount of adjusted gross income based on paragraphs (a) through (d) of this subsection, then divide this amount by twelve (12) to obtain the monthly amount of adjusted gross income.

Upon conclusion of the calculation of paragraphs (a) through (e) of this subsection, multiply the monthly amount of adjusted gross income by the appropriate percentage designated in subsection (1) of this section to arrive at the amount of the monthly child-support award.

(4) In cases in which the adjusted gross income as defined in this section is more than One Hundred Thousand Dollars (\$100,000.00) or less than Ten Thousand Dollars (\$10,000.00), the court shall make a written finding in the record as to whether or not the application of the guidelines established in this section is reasonable. The court shall take into account the basic subsistence needs of the obligated parent who has a limited ability to pay.

(5) (a) Imputation of income shall not be based upon a standard amount in lieu of fact-gathering. In the absence of specific sufficient evidence of past earnings and employment history to use as the measure of an obligated parent's ability to pay, the recommended child-support obligation amount should be based on available information about the specific circumstances of the obligated parent. This can include, but is not limited to, such factors as assets, residence, job skills, educational attainment, literacy, age, health, criminal record and other employment barriers, and record of seeking work, as well as the local job market, the availability of employers willing to hire the obligated parent, prevailing earnings level in the local community, and other relevant factors in the case.

(b) The court may not consider incarceration as intentional or voluntary unemployment, or underemployment when establishing or modifying a child support order.

(6) Unless extended or waived, the Department of Human Services shall review the appropriateness of these guidelines beginning January 1, 1994, and every four (4) years thereafter and report its findings to the Legislature no later than the first day of the regular legislative session of that year. The Legislature shall thereafter amend these guidelines when it finds that amendment is necessary to ensure that equitable support is being awarded in all cases involving the support of minor children.

(7) All orders involving support of minor children, as a matter of law, shall include reasonable medical support. Notice to the obligated parent's employer that medical support has been ordered shall be on a form as prescribed by the Department of Human Services. In any case in which the support of any child is involved, the court shall make the following findings either on the record or in the judgment:

(a) The availability to all parties of health insurance coverage for the child(ren);

(b) The cost of health insurance coverage to all parties.

The court shall then make appropriate provisions in the judgment for the provision of health insurance coverage for the child(ren) in the manner that is in the best interests of the child(ren). If the court requires the custodial parent to obtain the coverage then its cost shall be taken into account in establishing the child-support award. If the court determines that health insurance coverage is not available to any party or that it is not available to either party at a cost that is reasonable as compared to the income of the parties, then the court shall make specific findings as to such either on the record or in the judgment. In that event, the court shall make appropriate provisions in the judgment for the payment of medical expenses of the child(ren) in the absence of health insurance coverage.

SECTION 6. This act shall take effect and be in force from and after July 1, 2023, and shall stand repealed on June 30, 2023.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO CREATE NEW SECTION 43-19-36, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT CHILD SUPPORT OBLIGATIONS SHALL BE SUSPENDED BY OPERATION OF LAW FOR PERSONS ORDERED TO PAY CHILD SUPPORT WHO ARE INCARCERATED OR INVOLUNTARILY INSTITUTIONALIZED FOR MORE THAN 180 DAYS, WITH CERTAIN EXCEPTIONS; TO PROVIDE THAT THE CHILD SUPPORT OBLIGATION WILL RESUME 60 DAYS AFTER THE NONCUSTODIAL PARENT IS RELEASED FROM INCARCERATION, AND THE NONCUSTODIAL PARENT'S CHILD SUPPORT ORDER AND OBLIGATION WILL BECOME ENFORCEABLE ON THAT

DATE; TO AUTHORIZE THE DEPARTMENT OF HUMAN SERVICES WHEN ENFORCING A CHILD SUPPORT ORDER TO ADMINISTRATIVELY ADJUST THE ARREARS BALANCE FOR AN ORDER FOR CHILD SUPPORT THAT WAS SUSPENDED BECAUSE OF INCARCERATION OR INSTITUTIONALIZATION UNDER CERTAIN CONDITIONS; TO AMEND SECTIONS 93-11-65, 93-11-71 AND 93-5-23, MISSISSIPPI CODE OF 1972, TO CONFORM TO THE PRECEDING SECTION; TO AMEND SECTION 43-19-101, MISSISSIPPI CODE OF 1972, TO PROVIDE HOW INCARCERATION OF A PARENT SHOULD BE CONSIDERED FOR CHILD SUPPORT; AND FOR RELATED PURPOSES.

Senator Parker called up the following House Amendment to **S. B. No. 2371** and moved that the Senate decline to concur in the Amendment, and invite conference, and the motion prevailed.

AMENDMENT NO. 1:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 47-5-901, Mississippi Code of 1972, is amended as follows:

47-5-901. (1) (a) Any person committed, sentenced or otherwise placed under the custody of the Department of Corrections, on order of the sentencing court and subject to the other conditions of this subsection, may serve all or any part of his sentence in the county jail of the county wherein such person was convicted if the Commissioner of Corrections determines that physical space is not available for confinement of such person in the state correctional institutions. Such determination shall be promptly made by the Department of Corrections upon receipt of notice of the conviction of such person. The commissioner shall certify in writing that space is not available to the sheriff or other officer having custody of the person. Any person serving his sentence in a county jail shall be classified in accordance with Section 47-5-905.

(b) Any person committed, sentenced or otherwise placed under the custody of the Department of Corrections, on order of the sentencing court and subject to the other conditions of this subsection, may serve all or any part of his or her sentence in the county jail of the county wherein such person was convicted if the sheriff or president of the board of supervisors, requests such inmate or inmates. Upon such request, the department may allow such inmate or inmates to serve all or any part of such inmate's or inmates' sentence(s), as the case may be, in the county of conviction of the inmate or inmates or the county of request of a sheriff or board of supervisors outside the county of conviction. Such determination shall be promptly made by the Department of Corrections upon receipt of notice of the conviction of such person. Whenever a request is denied for an inmate or inmates, then the commissioner shall certify in writing to the sentencing court, sheriff, or president of the board of supervisors of a county, as the case may be, that such inmate or inmates does not qualify to serve the sentence or sentences in the county jail. Any person serving his sentence in a county jail shall be classified in accordance with Section 47-5-905.

(2) If state prisoners are housed in county jails due to a lack of capacity at state correctional institutions, the Department of Corrections shall determine the cost for food and medical attention for such prisoners. The cost of feeding and housing offenders confined in such county jails shall be based on actual costs or contract price per prisoner. In order to maximize the potential use of county jail space, the Department of Corrections is encouraged to negotiate a reasonable per day cost per prisoner, which in no event may exceed * * * Twenty-five Dollars (\$25.00) per day per offender, except as authorized in Section 47-5-909(2).

(3) (a) Upon vouchers submitted by the board of supervisors of any county housing persons due to lack of space at state institutions, the Department of Corrections shall pay to such county, out of any available funds, the actual cost of food, or contract price per prisoner, not to exceed * * * Twenty-five Dollars (\$25.00) per day per offender, except as authorized in Section 47-5-909(2), as determined under subsection (2) of this section for each day an offender is so confined beginning the day that the Department of Corrections receives a certified copy of the sentencing order or five (5) days after the sentencing order is sent, in writing, by such county to the department, whichever is earlier, and will terminate on the date on which the offender is released or otherwise removed from the custody of the county jail. The department, or its contracted medical provider, will pay to a provider of a medical service for any and all incarcerated persons from a correctional or detention facility an amount based upon negotiated fees as agreed to by the medical care service providers and the department and/or its contracted medical provider. In the absence of negotiated discounted fee schedule, medical care service providers will be paid by the department, or its contracted medical service provider, an amount no greater than the reimbursement rate applicable based on the Mississippi Medicaid reimbursement rate. The board of supervisors of any county shall not be liable for any cost associated with medical attention for prisoners who are pretrial detainees or for prisoners who have been convicted that exceeds the Mississippi Medicaid reimbursement rate or the reimbursement provided by the Department of Corrections, whichever is greater. This limitation applies to all medical care services, durable and nondurable goods, prescription drugs and medications. Such payment shall be placed in the county general fund and shall be expended only for food and medical attention for such persons.

(b) Upon vouchers submitted by the board of supervisors of any county housing offenders in county jails pending a probation or parole revocation hearing, the department shall pay the reimbursement costs provided in paragraph (a).

(c) If the probation or parole of an offender is revoked, the additional cost of housing the offender pending the revocation hearing shall be assessed as part of the offender's court cost and shall be remitted to the department.

(4) A person, on order of the sentencing court, may serve not more than twenty-four (24) months of his sentence in a county jail if the person is classified in accordance with Section 47-5-905 and the county jail is an approved county jail for housing state inmates under federal court order. The sheriff of the county shall have the right to petition the Commissioner of Corrections to remove the inmate from the county jail. The county shall be reimbursed in accordance with subsection (2) of this section.

(5) The Attorney General of the State of Mississippi shall defend the employees of the Department of Corrections and officials and employees of political subdivisions against any action brought by any person who was committed to a county jail under the provisions of this section.

(6) This section does not create in the Department of Corrections, or its employees or agents, any new liability, express or implied, nor shall it create in the Department of Corrections any administrative authority or responsibility for the construction, funding, administration or operation of county or other local jails or other places of confinement which are not staffed and operated on a full-time basis by the Department of Corrections.

The correctional system under the jurisdiction of the Department of Corrections shall include only those facilities fully staffed by the Department of Corrections and operated by it on a full-time basis.

(7) An offender returned to a county for post-conviction proceedings shall be subject to the provisions of Section 99-19-42 and the county shall not receive the per-day allotment for such offender after the time prescribed for returning the offender to the Department of Corrections as provided in Section 99-19-42.

SECTION 2. Section 47-5-909, Mississippi Code of 1972, is amended as follows:

47-5-909. (1) It is the policy of the Legislature that all inmates be removed from county jails as early as practicable. Sections 47-5-901 through 47-5-907 are temporary measures to help alleviate the immediate operating capacity limitations at correctional facilities and are not permanent measures to be included in the long-term operating capacity of the correctional system.

(2) Notwithstanding any other provision of law, to expedite the removal of inmates from county jails as early as practicable, absent a contract negotiated between the Department of Corrections and the county jail, the Department of Corrections shall pay county jails for housing state offenders out of any available funds as follows: Twenty-five Dollars (\$25.00) per day per offender for days one (1) through thirty (30), Thirty Dollars (\$30.00) per day per offender for days thirty-one (31) through sixty (60), and Thirty-four Dollars (\$34.00) per day per offender for days sixty-one (61) or greater when:

(a) An offender remains in the county jail after the Department of Corrections receives a certified copy of the sentencing order or five (5) days after the sentencing order is sent, in writing, by such county to the Department of Corrections, whichever is earlier.

(b) An offender remains in the county jail after being revoked from parole or probation or is sentenced to a technical violation center.

(3) The Department of Corrections is additionally responsible for all medical costs related to offenders housed at county jails under subsection (2) of this section.

SECTION 3. Section 99-19-42, Mississippi Code of 1972, is amended as follows:

99-19-42. Any offender in the custody of the Department of Corrections who is summoned to a county by court order for any post-conviction proceeding shall have such proceeding heard during the term of court in which the offender is returned to the custody of a county. If the offender's case is not heard during such term of court, the offender shall be returned to the facility of the Department of Corrections from which he was summoned. If the offender is not returned within one (1) week of the end of the term of court, the county housing the offender shall not receive the * * * Twenty-five Dollars (\$25.00) allowed under Section 47-5-901, except as authorized in Section 47-5-909(2), for housing state offenders after the one-week time period required for returning the offender to the Department of Corrections.

SECTION 4. Section 47-5-931, Mississippi Code of 1972, is brought forward as follows:

Any facility owned or leased by a county or counties for this purpose shall be designed, constructed, operated and maintained in accordance with American Correctional Association standards, and shall comply with all constitutional standards of the United States and the State of Mississippi, and with all court orders that

may now or hereinafter be applicable to the facility. If the Department of Corrections contracts with more than one (1) county to house state offenders in county correctional facilities, excluding a regional facility, then the first of such facilities shall be constructed in Sharkey County and the second of such facilities shall be constructed in Jefferson County.

After the expiration of the initial terms, all appointed members' terms shall be for a period of four (4) years from the expiration date of the previous term, and until such time as the member's successor is duly appointed and qualified.

(c) When appointing members to the Public Procurement Review Board, the Governor and Lieutenant Governor shall take into consideration persons who possess at least five (5) years of management experience in general business, health care or finance for an organization, corporation or other public or private entity. Any person, or any employee or owner of a company, who receives any grants, procurements or contracts that are subject to approval under this section shall not be appointed to the Public Procurement Review Board. Any person, or any employee or owner of a company, who is a principal of the source providing a personal or professional service shall not be appointed to the Public Procurement Review Board if the principal owns or controls a greater than five percent (5%) interest or has an ownership value of One Million Dollars (\$1,000,000.00) in the source's business, whichever is smaller. No member shall be an officer or employee of the State of Mississippi while serving as a voting member on the Public Procurement Review Board.

(d) Members of the Public Procurement Review Board shall be entitled to per diem as authorized by Section 25-3-69 and travel reimbursement as authorized by Section 25-3-41.

(e) The members of the Public Procurement Review Board shall elect a chair from among the membership, and he or she shall preside over the meetings of the board. The board shall annually elect a vice chair, who shall serve in the absence of the chair. No business shall be transacted, including adoption of rules of procedure, without the presence of a quorum of the board. Three (3) members shall be a quorum. No action shall be valid unless approved by a majority of the members present and voting, entered upon the minutes of the board and signed by the chair. Necessary clerical and administrative support for the board shall be provided by the Department of Finance and Administration. Minutes shall be kept of the proceedings of each meeting, copies of which shall be filed on a monthly basis with the chairs of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the chairs of the Appropriations Committees of the Senate and House of Representatives.

(2) The Public Procurement Review Board shall have the following powers and responsibilities:

(a) Approve all purchasing regulations governing the purchase or lease by any agency, as defined in Section 31-7-1, of commodities and equipment, except computer equipment acquired pursuant to Sections 25-53-1 through 25-53-29;

(b) Adopt regulations governing the approval of contracts let for the construction and maintenance of state buildings and other state facilities as well as related contracts for architectural and engineering services.

The provisions of this paragraph (b) shall not apply to such contracts involving buildings and other facilities of state institutions of higher learning which are self-administered as provided under this paragraph (b) or Section 37-101-15(m);

(c) Adopt regulations governing any lease or rental agreement by any state agency or department, including any state agency financed entirely by federal funds, for space outside the buildings under the jurisdiction of the Department of Finance and Administration. These regulations shall require each agency requesting to lease such space to provide the following information that shall be published by the Department of Finance and Administration on its website: the agency to lease the space; the terms of the lease; the approximate square feet to be leased; the use for the space; a description of a suitable space; the general location desired for the leased space; the contact information for a person from the agency; the deadline date for the agency to have received a lease proposal; any other specific terms or conditions of the agency; and any other information deemed appropriate by the Division of Real Property Management of the Department of Finance and Administration or the Public Procurement Review Board.

The information shall be provided sufficiently in advance of the time the space is needed to allow the Division of Real Property Management of the Department of Finance and Administration to review and preapprove the lease before the time for advertisement begins;

(d) Adopt, in its discretion, regulations to set aside at least five percent (5%) of anticipated annual expenditures for the purchase of commodities from minority businesses; however, all such set-aside purchases shall comply with all purchasing regulations promulgated by the department and shall be subject to all bid requirements. Set-aside purchases for which competitive bids are required shall be made from the lowest and best minority business bidder; however, if no minority bid is available or if the minority bid is more than two percent (2%) higher than the lowest bid, then bids shall be accepted and awarded to the lowest and best bidder. However, the provisions in this paragraph shall not be construed to prohibit the rejection of a bid when only one (1) bid is received. Such rejection shall be placed in the minutes. For the purposes of this paragraph, the term "minority business" means a business which is owned by a person who is a citizen or lawful permanent resident of the United States and who is:

(i) Black: having origins in any of the black racial groups of Africa;

(ii) Hispanic: of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin regardless of race;

(f) Promulgate rules and regulations governing the solicitation and selection of contractual services personnel, including personal and professional services contracts for any form of consulting, policy analysis, public relations, marketing, public affairs, legislative advocacy services or any other contract that the board deems appropriate for oversight, with the exception of any personal service contracts entered into by any agency that employs only nonstate service employees as defined in Section 25-9-107(c), any personal service contracts entered into for computer or information technology-related services governed by the Mississippi Department of Information Technology Services, any personal service contracts entered into by the individual state institutions of higher learning, any personal service contracts entered into by the Mississippi Department of Transportation, any personal service contracts entered into by the Department of Human Services through June 30, 2019, which the Executive Director of the Department of Human Services determines would be useful in establishing and operating the Department of Child Protection Services, any personal service contracts entered into by the Department of Child Protection Services through June 30, 2019, any contracts for entertainers and/or performers at the Mississippi State Fairgrounds entered into by the Mississippi Fair Commission, any contracts entered into by the Department of Finance and Administration when procuring aircraft maintenance, parts, equipment and/or services, any contract entered into by the Department of Public Safety for service on specialized equipment and/or software required for the operation at such specialized equipment for use by the Office of Forensics Laboratories, any personal or professional service contract entered into by the Mississippi Department of Health and/or the

Department of Revenue solely in connection with their respective responsibilities under the Mississippi Medical Cannabis Act from February 2, 2022, through June 30, 2023, any contract for attorney, accountant, actuary auditor, architect, engineer, anatomical pathologist, utility rate expert services, any personal service contracts approved by the Executive Director of the Department of Finance and Administration and entered into by the Coordinator of Mental Health Accessibility through June 30, 2022, any personal or professional services contract entered into by the State Department of Health in carrying out its responsibilities under the ARPA Rural Water Associations Infrastructure Grant Program through June 30, 2026, and any personal or professional services contract entered into by the Mississippi Department of Environmental Quality in carrying out its responsibilities under the Mississippi Municipality and County Water Infrastructure Grant Program Act of 2022, through June 30, 2026. Any such rules and regulations shall provide for maintaining continuous internal audit covering the activities of such agency affecting its revenue and expenditures as required under Section 7-7-3(6)(d). Any rules and regulation changes related to personal and professional services contracts that the Public Procurement Review Board may propose shall be submitted to the Chairs of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the Chairs of the Appropriation Committees of the Senate and House of Representatives at least fifteen (15) days before the board votes on the proposed changes, and those rules and regulation changes, if adopted, shall be promulgated in accordance with the Mississippi Administrative Procedures Act;

(g) Approve all personal and professional services contracts involving the expenditures of funds in excess of Seventy-five Thousand Dollars (\$75,000.00), except as provided in paragraph (f) of this subsection (2) and in subsection (8);

(h) Develop mandatory standards with respect to contractual services personnel that require invitations for public bid, requests for proposals, record keeping and financial responsibility of contractors. The Public Procurement Review Board shall, unless exempted under this paragraph (h) or under paragraph (i) or (o) of this subsection (2), require the agency involved to submit the procurement to a competitive procurement process, and may reserve the right to reject any or all resulting procurements;

(i) Prescribe certain circumstances by which agency heads may enter into contracts for personal and professional services without receiving prior approval from the Public Procurement Review Board. The Public Procurement Review Board may establish a preapproved list of providers of various personal and professional services for set prices with which state agencies may contract without bidding or prior approval from the board;

(i) Agency requirements may be fulfilled by procuring services performed incident to the state's own programs. The agency head shall determine in writing whether the price represents a fair market value for the services. When the procurements are made from other governmental entities, the private sector need not be solicited; however, these contracts shall still be submitted for approval to the Public Procurement Review Board.

(ii) Contracts between two (2) state agencies, both under Public Procurement Review Board purview, shall not require Public Procurement Review Board approval. However, the contracts shall still be entered into the enterprise resource planning system;

(j) Provide standards for the issuance of requests for proposals, the evaluation of proposals received, consideration of costs and quality of services proposed, contract negotiations, the administrative monitoring of contract performance by the agency and successful steps in terminating a contract;

(k) Present recommendations for governmental privatization and to evaluate privatization proposals submitted by any state agency;

(l) Authorize personal and professional service contracts to be effective for more than one (1) year provided a funding condition is included in any such multiple year contract, except the State Board of Education, which shall have the authority to enter into contractual agreements for student assessment for a period up to ten (10) years. The State Board of Education shall procure these services in accordance with the Public Procurement Review Board procurement regulations;

(m) Request the State Auditor to conduct a performance audit on any personal or professional service contract;

(n) Prepare an annual report to the Legislature concerning the issuance of personal and professional services contracts during the previous year, collecting any necessary information from state agencies in making such report;

(o) Develop and implement the following standards and procedures for the approval of any sole source contract for personal and professional services regardless of the value of the procurement:

(i) For the purposes of this paragraph (o), the term "sole source" means only one (1) source is available that can provide the required personal or professional service.

(ii) An agency that has been issued a binding, valid court order mandating that a particular source or provider must be used for the required service must include a copy of the applicable court order in all future sole source contract reviews for the particular personal or professional service referenced in the court order.

(iii) Any agency alleging to have a sole source for any personal or professional service, other than those exempted under paragraph (f) of this subsection (2) and subsection (8), shall publish on the procurement portal website established by Sections 25-53-151 and 27-104-165, for at least fourteen (14) days, the terms of the proposed contract for those services. In addition, the publication shall include, but is not limited to, the following information:

1. The personal or professional service offered in the contract;
2. An explanation of why the personal or professional service is the only one that can meet the needs of the agency;
3. An explanation of why the source is the only person or entity that can provide the required personal or professional service;
4. An explanation of why the amount to be expended for the personal or professional service is reasonable; and
5. The efforts that the agency went through to obtain the best possible price for the personal or professional service.

(iv) If any person or entity objects and proposes that the personal or professional service published under subparagraph (iii) of this paragraph (o) is not a sole source service and can be provided by another person or entity, then the objecting person or entity shall notify the Public Procurement Review Board and the agency that published the proposed sole source contract with a detailed explanation of why the personal or professional service is not a sole source service.

(v) 1. If the agency determines after review that the personal or professional service in the proposed sole source contract can be provided by another person or entity, then the agency must withdraw the sole source contract publication from

the procurement portal website and submit the procurement of the personal or professional service to an advertised competitive bid or selection process.

2. If the agency determines after review that there is only one (1) source for the required personal or professional service, then the agency may appeal to the Public Procurement Review Board. The agency has the burden of proving that the personal or professional service is only provided by one (1) source.

3. If the Public Procurement Review Board has any reasonable doubt as to whether the personal or professional service can only be provided by one (1) source, then the agency must submit the procurement of the personal or professional service to an advertised competitive bid or selection process. No action taken by the Public Procurement Review Board in this appeal process shall be valid unless approved by a majority of the members of the Public Procurement Review Board present and voting.

(vi) The Public Procurement Review Board shall prepare and submit a quarterly report to the House of Representatives and Senate Accountability, Efficiency and Transparency Committees that details the sole source contracts presented to the Public Procurement Review Board and the reasons that the Public Procurement Review Board approved or rejected each contract. These quarterly reports shall also include the documentation and memoranda required in subsection (4) of this section. An agency that submitted a sole source contract shall be prepared to explain the sole source contract to each committee by December 15 of each year upon request by the committee;

(p) Assess any fines and administrative penalties provided for in Sections 31-7-401 through 31-7-423.

(3) All submissions shall be made sufficiently in advance of each monthly meeting of the Public Procurement Review Board as prescribed by the Public Procurement Review Board. If the Public Procurement Review Board rejects any contract submitted for review or approval, the Public Procurement Review Board shall clearly set out the reasons for its action, including, but not limited to, the policy that the agency has violated in its submitted contract and any corrective actions that the agency may take to amend the contract to comply with the rules and regulations of the Public Procurement Review Board.

(4) All sole source contracts for personal and professional services awarded by state agencies, other than those exempted under Section 27-104-7(2)(f) and (8), whether approved by an agency head or the Public Procurement Review Board, shall contain in the procurement file a written determination for the approval, using a request form furnished by the Public Procurement Review Board. The written determination shall document the basis for the determination, including any market analysis conducted in order to ensure that the service required was practicably available from only one (1) source. A memorandum shall accompany the request form and address the following four (4) points:

(a) Explanation of why this service is the only service that can meet the needs of the purchasing agency;

(b) Explanation of why this vendor is the only practicably available source from which to obtain this service;

(c) Explanation of why the price is considered reasonable; and

(d) Description of the efforts that were made to conduct a noncompetitive negotiation to get the best possible price for the taxpayers.

(5) In conjunction with the State Personnel Board, the Public Procurement Review Board shall develop and promulgate rules and regulations to define the allowable legal

relationship between contract employees and the contracting departments, agencies and institutions of state government under the jurisdiction of the State Personnel Board, in compliance with the applicable rules and regulations of the federal Internal Revenue Service (IRS) for federal employment tax purposes. Under these regulations, the usual common law rules are applicable to determine and require that such worker is an independent contractor and not an employee, requiring evidence of lawful behavioral control, lawful financial control and lawful relationship of the parties. Any state department, agency or institution shall only be authorized to contract for personnel services in compliance with those regulations.

(6) No member of the Public Procurement Review Board shall use his or her official authority or influence to coerce, by threat of discharge from employment, or otherwise, the purchase of commodities, the contracting for personal or professional services, or the contracting for public construction under this chapter.

(7) Notwithstanding any other laws or rules to the contrary, the provisions of subsection (2) of this section shall not be applicable to the Mississippi State Port Authority at Gulfport.

(8) Nothing in this section shall impair or limit the authority of the Board of Trustees of the Public Employees' Retirement System to enter into any personal or professional services contracts directly related to their constitutional obligation to manage the trust funds, including, but not limited to, actuarial, custodial banks, cash management, investment consultant and investment management contracts.

(9) Notwithstanding the exemption of personal and professional services contracts entered into by the Department of Human Services and personal and professional services contracts entered into by the Department of Child Protection Services from the provisions of this section under subsection (2)(f), before the Department of Human Services or the Department of Child Protection Services may enter into a personal or professional service contract, the department(s) shall give notice of the proposed personal or professional service contract to the Public Procurement Review Board for any recommendations by the board. Upon receipt of the notice, the board shall post the notice on its website and on the procurement portal website established by Sections 25-53-151 and 27-104-165. If the board does not respond to the department(s) within seven (7) calendar days after receiving the notice, the department(s) may enter the proposed personal or professional service contract. If the board responds to the department(s) within seven (7) calendar days, then the board has seven (7) calendar days from the date of its initial response to provide any additional recommendations. After the end of the second seven-day period, the department(s) may enter the proposed personal or professional service contract. The board is not authorized to disapprove any proposed personal or professional services contracts. This subsection shall stand repealed on July 1, 2022.

(10) Through December 31, 2024, the provisions of this section related to rental agreements or leasing of real property for the purpose of conducting agency business shall not apply to the Office of Workforce Development created in Section 37-153-7.

SECTION 5. Section 71-5-355, Mississippi Code of 1972, is amended as follows:

71-5-355. (1) As used in this section, the following words and phrases shall have the following meanings, unless the context clearly requires otherwise:

(a) "Tax year" means any period beginning on January 1 and ending on December 31 of a year.

(b) "Computation date" means June 30 of any calendar year immediately preceding the tax year during which the particular contribution rates are effective.

(c) "Effective date" means January 1 of the tax year.

(d) Except as hereinafter provided, "payroll" means the total of all wages paid for employment by an employer as defined in Section 71-5-11, subsection H, plus the total of all remuneration paid by such employer excluded from the definition of wages by Section 71-5-351. For the computation of modified rates, "payroll" means the total of all wages paid for employment by an employer as defined in Section 71-5-11, subsection H.

(e) For the computation of modified rates, "eligible employer" means an employer whose experience-rating record has been chargeable with benefits throughout the thirty-six (36) consecutive calendar-month period ending on the computation date, except that any employer who has not been subject to the Mississippi Employment Security Law for a period of time sufficient to meet the thirty-six (36) consecutive calendar-month requirement shall be an eligible employer if his or her experience-rating record has been chargeable throughout not less than the twelve (12) consecutive calendar-month period ending on the computation date. No employer shall be considered eligible for a contribution rate less than five and four-tenths percent (5.4%) with respect to any tax year, who has failed to file any two (2) quarterly reports within the qualifying period by September 30 following the computation date. No employer or employing unit shall be eligible for a contribution rate of less than five and four-tenths percent (5.4%) for the tax year in which the employing unit is found by the department to be in violation of Section 71-5-19(2) or (3) and for the next two (2) succeeding tax years. No representative of such employing unit who was a party to a violation as described in Section 71-5-19(2) or (3), if such representative was or is an employing unit in this state, shall be eligible for a contribution rate of less than five and four-tenths percent (5.4%) for the tax year in which such violation was detected by the department and for the next two (2) succeeding tax years.

(f) With respect to any tax year, "reserve ratio" means the ratio which the total amount available for the payment of benefits in the Unemployment Compensation Fund, excluding any amount which has been credited to the account of this state under Section 903 of the Social Security Act, as amended, and which has been appropriated for the expenses of administration pursuant to Section 71-5-457 whether or not withdrawn from such account, on October 31 (close of business) of each calendar year bears to the aggregate of the taxable payrolls of all employers for the twelve (12) calendar months ending on June 30 next preceding.

(g) "Modified rates" means the rates of employer unemployment insurance contributions determined under the provisions of this chapter and the rates of newly subject employers, as provided in Section 71-5-353.

(h) For the computation of modified rates, "qualifying period" means a period of not less than the thirty-six (36) consecutive calendar months ending on the computation date throughout which an employer's experience-rating record has been chargeable with benefits; except that with respect to any eligible employer who has not been subject to this article for a period of time sufficient to meet the thirty-six (36) consecutive calendar-month requirement, "qualifying period" means the period ending on the computation date throughout which his or her experience-rating record has been chargeable with benefits, but in no event less than the twelve (12) consecutive calendar-month period ending on the computation date throughout which his or her experience-rating record has been so chargeable.

(i) The "exposure criterion" (EC) is defined as the cash balance of the Unemployment Compensation Fund which is available for the payment of benefits as of November 16 of each calendar year or the next working day if November 16 falls on a holiday or a weekend, divided by the total wages, exclusive of wages paid by all state agencies, all political subdivisions, reimbursable nonprofit corporations, and tax-exempt public service employment, for the twelve-month period ending June 30 immediately

preceding such date. The EC shall be computed to four (4) decimal places and rounded up if any fraction remains. Notwithstanding any other provision contained herein, the date for determining the cash balance of the Unemployment Compensation Fund which is available for the payment of benefits for the calendar years 2020 and 2021 shall be December 31.

(j) The "cost rate criterion" (CRC) is defined as follows: Beginning with January 1974, the benefits paid for the twelve-month period ending December 1974 are summed and divided by the total wages for the twelve-month period ending on June 30, 1975. Similar ratios are computed by subtracting the earliest month's benefit payments and adding the benefits of the next month in the sequence and dividing each sum of twelve (12) months' benefits by the total wages for the twelve-month period ending on the June 30 which is nearest to the final month of the period used to compute the numerator. If December is the final month of the period used to compute the numerator, then the twelve-month period ending the following June 30 will be used for the denominator. Benefits and total wages used in the computation of the cost rate criterion shall exclude all benefits and total wages applicable to state agencies, political subdivisions, reimbursable nonprofit corporations, and tax-exempt PSE employment.

The CRC shall be computed as the average for the highest monthly value of the cost rate criterion computations during each of the economic cycles since the calendar year 1974 as defined by the National Bureau of Economic Research. The CRC shall be computed to four (4) decimal places and any remainder shall be rounded up.

The CRC shall be adjusted only through annual computations and additions of future economic cycles.

(k) "Size of fund index" (SOFI) is defined as the ratio of the exposure criterion (EC) to the cost rate criterion (CRC). The target size of fund index will be fixed at 1.0. If the insured unemployment rate (IUR) exceeds a four and five-tenths percent (4.5%) average for the most recent completed July to June period, the target SOFI will be .8 and will remain at that level until the computed SOFI (the average exposure criterion of the current year and the preceding year divided by the average cost rate criterion) equals 1.0 or the average IUR falls to four and five-tenths percent (4.5%) or less for any period July to June. However, if the IUR falls below two and five-tenths percent (2.5%) for any period July to June the target SOFI shall be 1.2 until such time as the computed SOFI is equal to or greater than 1.0 or the IUR is equal to or greater than two and five-tenths percent (2.5%), at which point the target SOFI shall return to 1.0.

(l) No employer's unemployment contribution general experience rate plus individual unemployment experience rate shall exceed five and four-tenths percent (5.4%). Accrual rules shall apply for purposes of computing contribution rates including associated functions.

(m) The term "general experience rate" has the same meaning as the minimum tax rate.

(2) Modified rates:

(a) For any tax year, when the reserve ratio on the preceding November 16, in the case of any tax year, equals or exceeds three percent (3%), the modified rates, as hereinafter prescribed, shall be in effect. In computation of this reserve ratio, any remainder shall be rounded down.

(b) Modified rates shall be determined for the tax year for each eligible employer on the basis of his or her experience-rating record in the following manner:

(i) The department shall maintain an experience-rating record for each employer. Nothing in this chapter shall be construed to grant any employer or

individuals performing services for him or her any prior claim or rights to the amounts paid by the employer into the fund.

(ii) Benefits paid to an eligible individual shall be charged against the experience-rating record of his or her base period employers in the proportion to which the wages paid by each base period employer bears to the total wages paid to the individual by all the base period employers, provided that benefits shall not be charged to an employer's experience-rating record if the department finds that the individual:

1. Voluntarily left the employ of such employer without good cause attributable to the employer or to accept other work;

2. Was discharged by such employer for misconduct connected with his or her work;

3. Refused an offer of suitable work by such employer without good cause, and the department further finds that such benefits are based on wages for employment for such employer prior to such voluntary leaving, discharge or refusal of suitable work, as the case may be;

4. Had base period wages which included wages for previously uncovered services as defined in Section 71-5-511(e) to the extent that the Unemployment Compensation Fund is reimbursed for such benefits pursuant to Section 121 of Public Law 94-566;

5. Extended benefits paid under the provisions of Section 71-5-541 which are not reimbursable from federal funds shall be charged to the experience-rating record of base period employers;

6. Is still working for such employer on a regular part-time basis under the same employment conditions as hired. Provided, however, that benefits shall be charged against an employer if an eligible individual is paid benefits who is still working for such employer on a part-time "as-needed" basis;

7. Was hired to replace a United States serviceman or servicewoman called into active duty and was laid off upon the return to work by that serviceman or servicewoman, unless such employer is a state agency or other political subdivision or instrumentality of the state;

8. Was paid benefits during any week while in training with the approval of the department, under the provisions of Section 71-5-513B, or for any week while in training approved under Section 236(a)(1) of the Trade Act of 1974, under the provisions of Section 71-5-513C;

9. Is not required to serve the one-week waiting period as described in Section 71-5-505(2). In that event, only the benefits paid in lieu of the waiting period week may be noncharged; or

10. Was paid benefits as a result of a fraudulent claim, provided notification was made to the Mississippi Department of Employment Security in writing or by email by the employer, within ten (10) days of the mailing of the notice of claim filed to the employer's last-known address.

(iii) Notwithstanding any other provision contained herein, an employer shall not be noncharged when the department finds that the employer or the employer's agent of record was at fault for failing to respond timely or adequately to the request of the department for information relating to an unemployment claim that was subsequently determined to be improperly paid, unless the employer or the employer's agent of record shows good cause for having failed to respond timely or adequately to the

request of the department for information. For purposes of this subparagraph "good cause" means an event that prevents the employer or employer's agent of record from timely responding, and includes a natural disaster, emergency or similar event, or an illness on the part of the employer, the employer's agent of record, or their staff charged with responding to such inquiries when there is no other individual who has the knowledge or ability to respond. Any agency error that resulted in a delay in, or the failure to deliver notice to, the employer or the employer's agent of record shall also be considered good cause for purposes of this subparagraph.

(iv) The department shall compute a benefit ratio for each eligible employer, which shall be the quotient obtained by dividing the total benefits charged to his or her experience-rating record during the period his or her experience-rating record has been chargeable, but not less than the twelve (12) consecutive calendar-month period nor more than the thirty-six (36) consecutive calendar-month period ending on the computation date, by his or her total taxable payroll for the same period on which all unemployment insurance contributions due have been paid on or before the September 30 immediately following the computation date. Such benefit ratio shall be computed to the tenth of a percent (.1%), rounding any remainder to the next higher tenth.

(v) 1. The unemployment insurance contribution rate for each eligible employer shall be the sum of two (2) rates: his or her individual experience rate in the range from zero percent (0%) to five and four-tenths percent (5.4%), plus a general experience rate. In no event shall the resulting unemployment insurance rate be in excess of five and four-tenths percent (5.4%), however, it is the intent of this section to provide the ability for employers to have a tax rate, the general experience rate plus the individual experience rate, of up to five and four-tenths percent (5.4%).

2. The employer's individual experience rate shall be equal to his or her benefit ratio as computed under paragraph (b)(iv) of this subsection (2).

3. The general experience rate shall be determined in the following manner: The department shall determine annually, for the thirty-six (36) consecutive calendar-month period ending on the computation date, the amount of benefits which were not charged to the record of any employer and of benefits which were ineffectively charged to the employer's experience-rating record. For the purposes of this item 3, the term "ineffectively charged benefits" shall include:

a. The total of the amounts of benefits charged to the experience-rating records of all eligible employers which caused their benefit ratios to exceed five and four-tenths percent (5.4%);

b. The total of the amounts of benefits charged to the experience-rating records of all ineligible employers which would cause their benefit ratios to exceed five and four-tenths percent (5.4%) if they were eligible employers; and

c. The total of the amounts of benefits charged or chargeable to the experience-rating record of any employer who has discontinued his or her business or whose coverage has been terminated within such period; provided, that solely for the purposes of determining the amounts of ineffectively charged benefits as herein defined, a "benefit ratio" shall be computed for each ineligible employer, which shall be the quotient obtained by dividing the total benefits charged to his or her experience-rating record throughout the period ending on the computation date, during which his or her experience-rating record has been chargeable with benefits, by his or her total taxable payroll for the same period on which all unemployment insurance contributions due have been paid on or before the September 30 immediately following the computation date; and provided further, that such benefit ratio shall be computed to the tenth of one percent (.1%) and any remainder shall be rounded to the next higher tenth.

The ratio of the sum of these amounts (subsection (2)(b)(v)3a, b and c) to the taxable wages paid during the same period divided by all eligible employers whose benefit ratio did not exceed five and four-tenths percent (5.4%), computed to the next higher tenth of one percent (.1%), shall be the general experience rate; however, the general experience rate for rate year 2014 shall be two tenths of one percent (.2%) and to that will be added the employer's individual experience rate for the total unemployment insurance rate.

4. a. Except as otherwise provided in this item 4, the general experience rate shall be adjusted by use of the size of fund index factor. This factor may be positive or negative, and shall be determined as follows: From the target SOFI, as defined in subsection (1)(k) of this section, subtract the simple average of the current and preceding years' exposure criteria divided by the cost rate criterion, as defined in subsection (1)(j) of this section. The result is then multiplied by the product of the CRC, as defined in subsection (1)(j) of this section, and total wages for the twelve-month period ending June 30 divided by the taxable wages for the twelve-month period ending June 30. This is the percentage positive or negative added to the general experience rate. The sum of the general experience rate and the trust fund adjustment factor shall be multiplied by fifty percent (50%) and this product shall be computed to one (1) decimal place, and rounded to the next higher tenth.

b. Notwithstanding the minimum rate provisions as set forth in subsection (1)(l) of this section, the general experience rate of all employers shall be reduced by seven one-hundredths of one percent (.07%) for calendar year 2013 only.

5. The general experience rate shall be zero percent (0%) unless the general experience ratio for any tax year as computed and adjusted on the basis of the trust fund adjustment factor and reduced by fifty percent (50%) is an amount equal to or greater than two-tenths of one percent (.2%), then the general experience rate shall be the computed general experience ratio and adjusted on the basis of the trust fund adjustment factor and reduced by fifty percent (50%); however, in no case shall the sum of the general experience plus the individual experience unemployment insurance rate exceed five and four-tenths percent (5.4%). For rate years subsequent to 2014, Mississippi Workforce Enhancement Training contribution rate, and/or * * * Mississippi K-12 Workforce Development Grant Program contribution rate, and/or Mississippi Works contribution rate, when in effect, shall be added to the unemployment contribution rate, regardless of whether the addition of this contribution rate causes the total contribution rate for the employer to exceed five and four-tenths percent (5.4%).

6. The department shall include in its annual rate notice to employers a brief explanation of the elements of the general experience rate, and shall include in its regular publications an annual analysis of benefits not charged to the record of any employer, and of the benefit experience of employers by industry group whose benefit ratio exceeds four percent (4%), and of any other factors which may affect the size of the general experience rate.

7. Notwithstanding any other provision contained herein, the general experience rate for calendar year 2021 shall be zero percent (0%). Charges attributed to each employer's individual experience rate for the period March 8, 2020, through June 30, 2020, will not impact the employer's individual experience rate calculations for purposes of calculating the total unemployment insurance rate for 2021 and the two (2) subsequent tax rate years. Moreover, charges attributed to each employer's individual experience rate for the period July 1, 2020, through December 31, 2020, will not impact the employer's individual experience rate calculations for purposes of calculating the total unemployment insurance rate for 2022 and the two (2) subsequent tax rate years.

(vi) When any employing unit in any manner succeeds to or acquires the organization, trade, business or substantially all the assets thereof of an employer,

excepting any assets retained by such employer incident to the liquidation of his or her obligations, whether or not such acquiring employing unit was an employer within the meaning of Section 71-5-11, subsection H, prior to such acquisition, and continues such organization, trade or business, the experience-rating and payroll records of the predecessor employer shall be transferred as of the date of acquisition to the successor employer for the purpose of rate determination.

(vii) When any employing unit succeeds to or acquires a distinct and severable portion of an organization, trade or business, the experience-rating and payroll records of such portion, if separately identifiable, shall be transferred to the successor upon:

1. The mutual consent of the predecessor and the successor;
2. Approval of the department;
3. Continued operation of the transferred portion by the successor after transfer; and
4. The execution and the filing with the department by the predecessor employer of a waiver relinquishing all rights to have the experience-rating and payroll records of the transferred portion used for the purpose of determining modified rates of contribution for such predecessor.

(viii) If the successor was an employer subject to this chapter prior to the date of acquisition, it shall continue to pay unemployment insurance contributions at the rate applicable to it from the date the acquisition occurred until the end of the then current tax year. If the successor was not an employer prior to the date of acquisition, it shall pay unemployment insurance contributions at the rate applicable to the predecessor or, if more than one (1) predecessor and the same rate is applicable to both, the rate applicable to the predecessor or predecessors, from the date the acquisition occurred until the end of the then current tax year. If the successor was not an employer prior to the date the acquisition occurred and simultaneously acquires the businesses of two (2) or more employers to whom different rates of unemployment insurance contributions are applicable, it shall pay unemployment insurance contributions from the date of the acquisition until the end of the current tax year at a rate computed on the basis of the combined experience-rating and payroll records of the predecessors as of the computation date for such tax year. In all cases the rate of unemployment insurance contributions applicable to such successor for each succeeding tax year shall be computed on the basis of the combined experience-rating and payroll records of the successor and the predecessor or predecessors.

(ix) The department shall notify each employer quarterly of the benefits paid and charged to his or her experience-rating record; and such notification, in the absence of an application for redetermination filed within thirty (30) days after the date of such notice, shall be final, conclusive and binding upon the employer for all purposes. A redetermination, made after notice and opportunity for a fair hearing, by a hearing officer designated by the department who shall consider and decide these and related applications and protests; and the finding of fact in connection therewith may be introduced into any subsequent administrative or judicial proceedings involving the determination of the rate of unemployment insurance contributions of any employer for any tax year, and shall be entitled to the same finality as is provided in this subsection with respect to the findings of fact in proceedings to redetermine the contribution rate of an employer.

(x) The department shall notify each employer of his or her rate of contribution as determined for any tax year as soon as reasonably possible after September 1 of the preceding year. Such determination shall be final, conclusive and binding upon such employer unless, within thirty (30) days after the date of such notice to

his or her last-known address, the employer files with the department an application for review and redetermination of his or her contribution rate, setting forth his or her reasons therefor. If the department grants such review, the employer shall be promptly notified thereof and shall be afforded an opportunity for a fair hearing by a hearing officer designated by the department who shall consider and decide these and related applications and protests; but no employer shall be allowed, in any proceeding involving his or her rate of unemployment insurance contributions or contribution liability, to contest the chargeability to his or her account of any benefits paid in accordance with a determination, redetermination or decision pursuant to Sections 71-5-515 through 71-5-533 except upon the ground that the services on the basis of which such benefits were found to be chargeable did not constitute services performed in employment for him or her, and then only in the event that he or she was not a party to such determination, redetermination, decision or to any other proceedings provided in this chapter in which the character of such services was determined. The employer shall be promptly notified of the denial of this application or of the redetermination, both of which shall become final unless, within ten (10) days after the date of notice thereof, there shall be an appeal to the department itself. Any such appeal shall be on the record before said designated hearing officer, and the decision of said department shall become final unless, within thirty (30) days after the date of notice thereof to the employer's last-known address, there shall be an appeal to the Circuit Court of the First Judicial District of Hinds County, Mississippi, in accordance with the provisions of law with respect to review of civil causes by certiorari.

(3) Notwithstanding any other provision of law, the following shall apply regarding assignment of rates and transfers of experience:

(a) (i) If an employer transfers its trade or business, or a portion thereof, to another employer and, at the time of the transfer, there is substantially common ownership, management or control of the two (2) employers, then the unemployment experience attributable to the transferred trade or business shall be transferred to the employer to whom such business is so transferred. The rates of both employers shall be recalculated and made effective on January 1 of the year following the year the transfer occurred.

(ii) If, following a transfer of experience under subparagraph (i) of this paragraph (a), the department determines that a substantial purpose of the transfer of trade or business was to obtain a reduced liability of unemployment insurance contributions, then the experience-rating accounts of the employers involved shall be combined into a single account and a single rate assigned to such account.

(b) Whenever a person who is not an employer or an employing unit under this chapter at the time it acquires the trade or business of an employer, the unemployment experience of the acquired business shall not be transferred to such person if the department finds that such person acquired the business solely or primarily for the purpose of obtaining a lower rate of unemployment insurance contributions. Instead, such person shall be assigned the new employer rate under Section 71-5-353, unless assignment of the new employer rate results in an increase of less than two percent (2%), in which case such person would be assigned the new employer rate plus an additional two percent (2%) penalty for the rate year. In determining whether the business was acquired solely or primarily for the purpose of obtaining a lower rate of unemployment insurance contributions, the department shall use objective factors which may include the cost of acquiring the business, whether the person continued the business enterprise of the acquired business, how long such business enterprise was continued, or whether a substantial number of new employees were hired for performance of duties unrelated to the business activity conducted prior to acquisition.

(c) (i) If a person knowingly violates or attempts to violate paragraph (a) or (b) of this subsection or any other provision of this chapter related to determining the assignment of a contribution rate, or if a person knowingly advises another person in a

way that results in a violation of such provision, the person shall be subject to the following penalties:

1. If the person is an employer, then such employer shall be assigned the highest rate assignable under this chapter for the rate year during which such violation or attempted violation occurred and the three (3) rate years immediately following this rate year. However, if the person's business is already at such highest rate for any year, or if the amount of increase in the person's rate would be less than two percent (2%) for such year, then the person's tax rate shall be increased by two percent (2%) for such year. The penalty rate will apply to the successor business as well as the related entity from which the employees were transferred in an effort to obtain a lower rate of unemployment insurance contributions.

2. If the person is not an employer, such person shall be subject to a civil money penalty of not more than Five Thousand Dollars (\$5,000.00). Each such transaction for which advice was given and each occurrence or reoccurrence after notification being given by the department shall be a separate offense and punishable by a separate penalty. Any such fine shall be deposited in the penalty and interest account established under Section 71-5-114.

(ii) For purposes of this paragraph (c), the term "knowingly" means having actual knowledge of or acting with deliberate ignorance or reckless disregard for the prohibition involved.

(iii) For purposes of this paragraph (c), the term "violates or attempts to violate" includes, but is not limited to, intent to evade, misrepresentation or willful nondisclosure.

(iv) In addition to the penalty imposed by subparagraph (i) of this paragraph (c), any violation of this subsection may be punishable by a fine of not more than Ten Thousand Dollars (\$10,000.00) or by imprisonment for not more than five (5) years, or by both such fine and imprisonment. This subsection shall prohibit prosecution under any other criminal statute of this state.

(d) The department shall establish procedures to identify the transfer or acquisition of a business for purposes of this subsection.

(e) For purposes of this subsection:

(i) "Person" has the meaning given such term by Section 7701(a)(1) of the Internal Revenue Code of 1986; and

(ii) "Employing unit" has the meaning as set forth in Section 71-5-11.

(f) This subsection shall be interpreted and applied in such a manner as to meet the minimum requirements contained in any guidance or regulations issued by the United States Department of Labor.

SECTION 6. Section 71-5-453, Mississippi Code of 1972, is amended as follows:

71-5-453. The department shall be the treasurer and custodian of the fund, and shall administer such fund in accordance with the directions of the department, and shall issue its warrants upon it in accordance with such regulations as the department shall prescribe. The department shall maintain within the fund three (3) separate accounts: (a) a clearing account, (b) an unemployment trust fund account, and (c) a benefit payment account. All monies payable to the fund, upon receipt thereof by the department, shall be immediately deposited in the clearing account. Refunds payable pursuant to Section 71-5-383 may be paid from the clearing account by the department. Transfers pursuant to Section 71-5-114 of all interest, penalties and damages collected shall be made to the

Special Employment Security Administration Fund as soon as practicable after the end of each calendar quarter. Workforce Enhancement Training contributions, * * * Mississippi K-12 Workforce Development Grant Program contributions and Mississippi Works contributions shall be deposited into the Workforce Investment and Training Holding Account as described in this section. All other monies in the clearing account shall be immediately deposited with the Secretary of the Treasury of the United States of America to the Unemployment Trust Fund account for the State of Mississippi, established and maintained pursuant to Section 904 of the Social Security Act, as amended, any provisions of law in this state relating to the deposit, administration, release or disbursement of monies in the possession or custody of this state to the contrary notwithstanding. The benefit account shall consist of all monies requisitioned from this state's account in the Unemployment Trust Fund. Except as herein otherwise provided, monies in the clearing and benefit accounts may be deposited by the department, in any bank or public depository in which general funds of the state may be deposited, but no public deposit insurance charge or premium shall be paid out of the fund. The department shall be liable for the faithful performance of its duties in connection with the Unemployment Compensation Fund under this chapter. A Workforce Investment and Training Holding Account shall be established by and maintained under the control of the Mississippi Department of Employment Security. Contributions collected pursuant to the provisions in this chapter for the Workforce Enhancement Training Fund, * * * Mississippi K-12 Workforce Development Grant Program Fund and the Mississippi Works Fund shall be transferred from the clearing account into the Workforce Investment and Training Holding Account on the same schedule and under the same conditions as funds transferred to the Unemployment Compensation Fund. Such funds shall remain on deposit in the holding account for a period of thirty (30) days. After such period, Workforce Enhancement Training contributions shall be transferred to the appropriate Mississippi Community College Board Treasury Account, with oversight provided by the Mississippi Office of Workforce Development, by the department. The * * * Mississippi K-12 Workforce Development Grant program contributions shall be transferred to the * * * Mississippi K-12 Workforce Development Grant Program Treasury Account for the Mississippi K-12 Workforce Development Grant Program Fund. The Mississippi Works contributions shall be transferred to the Mississippi Department of Employment Security Treasury Account for the Mississippi Works Fund. Such transfers shall occur within fifteen (15) days after the funds have resided in the Workforce Investment and Training Holding Account for thirty (30) days. One (1) such transfer shall be made monthly, but the department, in its discretion, may make additional transfers in any month. In the event such funds transferred are subsequently determined to be erroneously paid or collected, or if deposit of such funds is denied or rejected by the banking institution for any reason, or deposits are unable to clear drawer's account for any reason, the funds must be reimbursed by the recipient of such funds within thirty (30) days of mailing of notice by the department demanding such refund, unless funds are available in the Workforce Investment and Training Holding Account. In that event such amounts shall be immediately withdrawn from the Workforce Investment and Training Holding Account by the department and redeposited into the clearing account.

SECTION 7. Section 25-61-5, Mississippi Code of 1972, is amended as follows:

25-61-5. (1) (a) Except as otherwise provided by Sections 25-61-9, 25-61-11 * * *, 25-61-11.2 and 37-153-7, all public records are hereby declared to be public property, and any person shall have the right to inspect, copy or mechanically reproduce or obtain a reproduction of any public record of a public body in accordance with reasonable written procedures adopted by the public body concerning the cost, time, place and method of access, and public notice of the procedures shall be given by the public body, or, if a public body has not adopted written procedures, the right to inspect, copy or mechanically reproduce or obtain a reproduction of a public record of the public body shall be provided within one (1) working day after a written request for a public record is made. No public body shall adopt procedures which will authorize the public body to produce or deny production of a public record later than seven (7) working days from the date of the receipt of the request for the production of the record.

(b) If a public body is unable to produce a public record by the seventh working day after the request is made, the public body must provide a written explanation to the person making the request stating that the record requested will be produced and specifying with particularity why the records cannot be produced within the seven-day period. Unless there is mutual agreement of the parties, or the information requested is part of ongoing negotiations related to a request for competitive sealed proposals, in no event shall the date for the public body's production of the requested records be any later than fourteen (14) working days from the receipt by the public body of the original request. Production of competitive sealed proposals in accordance with requests made pursuant to this section shall be no later than seven (7) working days after the notice of intent to award is issued to the winning proposer. Persons making a request for production of competitive sealed proposals after the notice of intent to award is issued by the public body shall have a reasonable amount of time, but in no event less than seven (7) working days after the production of the competitive sealed proposals, to protest the procurement or intended award prior to contract execution. However, in any instance where a person has filed for a protective order for a competitive sealed proposal and the court has not ruled on the protective order within ninety (90) days of filing, then the public body may proceed with awarding the contract without production of competitive sealed proposals and the contract may be protested after execution.

(2) If any public record contains material which is not exempted under this chapter, the public agency shall redact the exempted material and make the nonexempted material available for examination. Such public agency shall be entitled to charge a reasonable fee for the redaction of any exempted material, not to exceed the agency's actual cost.

(3) Denial by a public body of a request for access to or copies of public records under this chapter shall be in writing and shall contain a statement of the specific exemption relied upon by the public body for the denial. Each public body shall maintain a file of all denials of requests for public records. Public bodies shall be required to preserve such denials on file for not less than three (3) years from the date such denials are made. This file shall be made available for inspection or copying, or both, during regular office hours to any person upon written request.

(4) This section shall stand repealed on July 1, 2024.

SECTION 8. This act shall take effect and be in force from and after July 1, 2023, and shall stand repealed on June 30, 2023.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 71-5-353, MISSISSIPPI CODE OF 1972, TO CREATE THE MISSISSIPPI K-12 WORKFORCE DEVELOPMENT GRANT PROGRAM FUND IN THE STATE TREASURY WHICH SHALL CONSIST OF FUNDS COLLECTED FROM THE MISSISSIPPI K-12 WORKFORCE DEVELOPMENT GRANT PROGRAM CONTRIBUTIONS AND ANY OTHER MONIES THAT MAY BE APPROPRIATED TO IT FROM THE LEGISLATURE; TO PROVIDE THAT THE STATE WORKFORCE INVESTMENT BOARD CONTRIBUTIONS THAT WERE BEING DEPOSITED INTO THE STATE WORKFORCE INVESTMENT BOARD BANK ACCOUNT SHALL NOW BE CONTRIBUTIONS FOR THE MISSISSIPPI K-12 WORKFORCE DEVELOPMENT GRANT PROGRAM AND DEPOSITED INTO THE MISSISSIPPI K-12 WORKFORCE DEVELOPMENT GRANT PROGRAM FUND; TO PROVIDE THAT ADMINISTRATIVE FEE COLLECTED FOR THE TRAINING PROVIDED USING THE MISSISSIPPI WORKFORCE ENHANCEMENT TRAINING AND MISSISSIPPI WORKS FUNDS MAY NOT BE MORE THAN FIVE PERCENT; TO PROVIDE THAT THE MISSISSIPPI DEPARTMENT OF EMPLOYMENT SECURITY SHALL BE THE FISCAL AGENT FOR ALL FUNDS APPROPRIATED TO IT FOR USE BY THE OFFICE OF WORKFORCE

Senator Wiggins called up the following House Amendment to **S. B. No. 2376** and moved that the Senate do concur in the Amendment:

AMENDMENT NO. 2:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 43-21-261, Mississippi Code of 1972, is amended as follows:

43-21-261. (1) Except as otherwise provided in this section, records involving children shall not be disclosed, other than to necessary staff or officials of the youth court, a guardian ad litem appointed to a child by the court, or a Court-Appointed Special Advocate (CASA) volunteer who may be assigned in an abuse and neglect case, except pursuant to an order of the youth court specifying the person or persons to whom the records may be disclosed, the extent of the records which may be disclosed and the purpose of the disclosure. Such court orders for disclosure shall be limited to those instances in which the youth court concludes, in its discretion, that disclosure is required for the best interests of the child, the public safety, the functioning of the youth court, or to identify a person who knowingly made a false allegation of child abuse or neglect, and then only to the following persons:

- (a) The judge of another youth court or member of another youth court staff;
- (b) The court of the parties in a child custody or adoption cause in another court;
- (c) A judge of any other court or members of another court staff, including the chancery court that ordered a forensic interview;
- (d) Representatives of a public or private agency providing supervision or having custody of the child under order of the youth court;

(e) Any person engaged in a bona fide research purpose, provided that no information identifying the subject of the records shall be made available to the researcher unless it is absolutely essential to the research purpose and the judge gives prior written approval, and the child, through his or her representative, gives permission to release the information;

(f) The Mississippi Department of Employment Security, or its duly authorized representatives, for the purpose of a child's enrollment into the Job Corps Training Program as authorized by Title IV of the Comprehensive Employment Training Act of 1973 (29 USCS Section 923 et seq.). However, no records, reports, investigations or information derived therefrom pertaining to child abuse or neglect shall be disclosed;

(g) Any person pursuant to a finding by a judge of the youth court of compelling circumstances affecting the health, safety or well-being of a child and that such disclosure is in the best interests of the child or an adult who was formerly the subject of a youth court delinquency proceeding;

(h) A person who was the subject of a knowingly made false allegation of child abuse or neglect which has resulted in a conviction of a perpetrator in accordance with Section 97-35-47 or which allegation was referred by the Department of Child Protection Services to a prosecutor or law enforcement official in accordance with the provisions of Section 43-21-353(4).

Law enforcement agencies may disclose information to the public concerning the taking of a child into custody for the commission of a delinquent act without the necessity of an order from the youth court. The information released shall not identify the child or his address unless the information involves a child convicted as an adult.

(2) Any records involving children which are disclosed under an order of the youth court or pursuant to the terms of this section and the contents thereof shall be kept confidential by the person or agency to whom the record is disclosed unless otherwise provided in the order. Any further disclosure of any records involving children shall be made only under an order of the youth court as provided in this section.

(3) Upon request, the parent, guardian or custodian of the child who is the subject of a youth court cause or any attorney for such parent, guardian or custodian, shall have the right to inspect any record, report or investigation relevant to a matter to be heard by a youth court, except that the identity of the reporter shall not be released, nor the name of any other person where the person or agency making the information available finds that disclosure of the information would be likely to endanger the life or safety of such person. The attorney for the parent, guardian or custodian of the child, upon request, shall be provided a copy of any record, report or investigation relevant to a matter to be heard by a youth court, but the identity of the reporter must be redacted and the name of any other person must also be redacted if the person or agency making the information available finds that disclosure of the information would be likely to endanger the life, safety or well-being of the person. A record provided to the attorney under this section must remain in the attorney's control and the attorney may not provide copies or access to another person or entity without prior consent of a court with appropriate jurisdiction.

(4) Upon request, the child who is the subject of a youth court cause shall have the right to have his counsel inspect and copy any record, report or investigation which is filed with the youth court or which is to be considered by the youth court at a hearing.

(5) (a) The youth court prosecutor or prosecutors, the county attorney, the district attorney, the youth court defender or defenders, or any attorney representing a child shall have the right to inspect and copy any law enforcement record involving children.

(b) The Department of Child Protection Services shall disclose to a county prosecuting attorney or district attorney any and all records resulting from an investigation

into suspected child abuse or neglect when the case has been referred by the Department of Child Protection Services to the county prosecuting attorney or district attorney for criminal prosecution.

(c) Agency records made confidential under the provisions of this section may be disclosed to a court of competent jurisdiction.

(d) Records involving children shall be disclosed to the Division of Victim Compensation of the Office of the Attorney General upon the division's request without order of the youth court for purposes of determination of eligibility for victim compensation benefits.

(6) Information concerning an investigation into a report of child abuse or child neglect may be disclosed by the Department of Child Protection Services without order of the youth court to any attorney, physician, dentist, intern, resident, nurse, psychologist, social worker, family protection worker, family protection specialist, child caregiver, minister, law enforcement officer, or a public or private school employee making that report pursuant to Section 43-21-353(1) if the reporter has a continuing professional relationship with the child and a need for such information in order to protect or treat the child.

(7) Information concerning an investigation into a report of child abuse or child neglect may be disclosed without further order of the youth court to any interagency child abuse task force established in any county or municipality by order of the youth court of that county or municipality.

(8) Names and addresses of juveniles twice adjudicated as delinquent for an act which would be a felony if committed by an adult or for the unlawful possession of a firearm shall not be held confidential and shall be made available to the public.

(9) Names and addresses of juveniles adjudicated as delinquent for murder, manslaughter, burglary, arson, armed robbery, aggravated assault, any sex offense as defined in Section 45-33-23, for any violation of Section 41-29-139(a)(1) or for any violation of Section 63-11-30, shall not be held confidential and shall be made available to the public.

(10) The judges of the circuit and county courts, and presentence investigators for the circuit courts, as provided in Section 47-7-9, shall have the right to inspect any youth court records of a person convicted of a crime for sentencing purposes only.

(11) The victim of an offense committed by a child who is the subject of a youth court cause shall have the right to be informed of the child's disposition by the youth court.

(** *f) Notwithstanding any provision of this chapter to the contrary, the granting of any credits against the insurance premium tax shall not affect the insurance premium tax receipts distributed pursuant to Sections 83-1-37, 83-1-39, 83-34-39, 45-11-5 and 21-29-233, which shall take priority over all other distributions of premium tax receipts and shall be calculated based upon gross insurance premium tax liability before the application of the tax credits.

(** *g) A participating investor claiming a credit under this chapter is not required to pay any additional retaliatory tax under Section 27-15-123 levied as a result of claiming the credit.

(** *h) A participating investor is not required to reduce the amount of tax pursuant to the state premium tax liability included by the participating investor in connection with ratemaking for any insurance contract written in this state because of a reduction in the participating investor's tax liability based on the tax credit allowed under this chapter.

(** *i) If the taxes paid by a participating investor with respect to its state premium tax liability constitute a credit against any other tax that is imposed by this state, the participating investor's credit against the other tax shall not be reduced by virtue of the reduction in the participating investor's tax liability based on the tax credit allowed under this chapter.

(** *j) Final decertification of a Mississippi small business investment company under this chapter prior to such Mississippi small business investment company meeting the requirements of Section 57-115-7(1)(a)(ii), shall result in the disallowance and the recapture of all of the credits allocated to its participating investors under this chapter. Once a Mississippi small business investment company has satisfied the requirements of Section 57-115-7(1)(a)(ii), any subsequent decertification shall not cause the disallowance or recapture of any credits allocated to its participating investors under this chapter.

(** *k) The credits allowed under this chapter are not transferable; however, a participating investor may transfer credits to an affiliated insurance company provided it gives prior written notice of such transfer to the MDA and the Department of Revenue.

(4) (a) (i) Through January 1, 2018, the aggregate amount of investment tax credits that may be allocated to all participating investors of Mississippi small business investment companies under this section shall not exceed Fifty Million Dollars (\$50,000,000.00), and no Mississippi small business investment company, on an aggregate basis with its affiliates, may file credit allocation claims that exceed Fifty Million Dollars (\$50,000,000.00).

(ii) The Fifty Million Dollars (\$50,000,000.00) aggregate amount of investment tax credits allocated in this paragraph (a) shall be divided into a primary tax credit pool which may be applied for by certified primary Mississippi small business investment companies and a secondary tax credit pool which may be applied for by certified secondary Mississippi small business investment companies. The secondary tax credit pool shall be Three Million Five Hundred Thousand Dollars (\$3,500,000.00) of the total Fifty Million Dollars (\$50,000,000.00) aggregate amount of investment tax credits. Secondary Mississippi small business investment companies may not apply for more than One Million Seven Hundred Fifty Thousand Dollars (\$1,750,000.00) worth of credits on a single application. A certified secondary Mississippi small business investment company may apply for additional tax credit allocation from the secondary tax credit pool, if the credits are available, after fifty percent (50%) of its previously allocated credits are used in qualified investments.

(iii) If there are any tax credits remaining available for allocation in the secondary tax credit pool on August 1, 2013, those available tax credits shall revert to the primary tax credit pool and be made available to primary Mississippi small business investment companies according to rules and regulations promulgated by the MDA. Prior to August 1, 2013, primary Mississippi small business investment companies, including any wholly owned subsidiary company, shall be prohibited from making application to the MDA to be additionally certified as a secondary Mississippi small business investment company for purposes of the tax credits allocated in this paragraph (a) and prohibited from applying for any tax credit allocation from the secondary tax credit pool. A certified primary Mississippi small business investment company may have ownership equity in a certified secondary Mississippi small business investment company, but the equity interest owned by the certified primary Mississippi small business investment company shall not exceed forty percent (40%).

(b) (i) From and after July 1, 2018, through January 1, 2023, an additional aggregate amount of investment tax credits may be allocated to all participating investors of Mississippi small business investment companies under this section. The amount so allocated shall not exceed Forty-five Million Dollars (\$45,000,000.00), and no Mississippi small business investment company, on an aggregate basis with its affiliates, may file credit allocation claims on the additional aggregate amount of tax credits that exceed Forty-five Million Dollars (\$45,000,000.00).

(ii) The Forty-five Million Dollars (\$45,000,000.00) aggregate amount of investment tax credits allocated in this paragraph (b) shall be divided into a primary tax credit pool which may be applied for by certified primary Mississippi small business investment companies and a secondary tax credit pool which may be applied for by certified secondary Mississippi small business investment companies. The secondary tax credit pool shall be Three Million Five Hundred Thousand Dollars (\$3,500,000.00) of the total Forty-five Million Dollars (\$45,000,000.00) aggregate amount of investment tax credits. Secondary Mississippi small business investment companies may not apply for more than One Million Seven Hundred Fifty Thousand Dollars (\$1,750,000.00) worth of credits on a single application. A certified secondary Mississippi small business investment company may apply for additional tax credit allocation from the secondary tax credit pool, if the credits are available, after fifty percent (50%) of its previously allocated credits are used in qualified investments.

(iii) If there are any tax credits remaining available for allocation in the secondary tax credit pool on August 1, 2019, those available tax credits shall revert to the primary tax credit pool and be made available to primary Mississippi small business investment companies according to rules and regulations promulgated by the MDA. Prior to August 1, 2022, primary Mississippi small business investment companies, including any wholly owned subsidiary company, shall be prohibited from making application to the MDA to be additionally certified as a secondary Mississippi small business investment company for purposes of the tax credits allocated in this paragraph (b) and prohibited from applying for any tax credit allocation from the secondary tax credit pool. A certified primary

Mississippi small business investment company may have ownership equity in a certified secondary Mississippi small business investment company, but the equity interest owned by the certified primary Mississippi small business investment company shall not exceed forty percent (40%).

(c) (i) From and after July 1, 2023, an additional aggregate amount of investment tax credits may be allocated to all participating investors of Mississippi small business investment companies under this section. The amount so allocated shall not exceed Forty-five Million Dollars (\$45,000,000.00), and no Mississippi small business investment company, on an aggregate basis with its affiliates, may file credit allocation claims on the additional aggregate amount of tax credits that exceed Forty-five Million Dollars (\$45,000,000.00).

(ii) The Forty-five Million Dollars (\$45,000,000.00) aggregate amount of investment tax credits allocated in this paragraph (c) shall be divided into a primary tax credit pool which may be applied for by certified primary Mississippi small business investment companies and a secondary tax credit pool which may be applied for by certified secondary Mississippi small business investment companies. The secondary tax credit pool shall be Three Million Five Hundred Thousand Dollars (\$3,500,000.00) of the total Forty-five Million Dollars (\$45,000,000.00) aggregate amount of investment tax credits. Secondary Mississippi small business investment companies may not apply for more than One Million Seven Hundred Fifty Thousand Dollars (\$1,750,000.00) worth of credits on a single application. A certified secondary Mississippi small business investment company may apply for additional tax credit allocation from the secondary tax credit pool, if the credits are available, after fifty percent (50%) of its previously allocated credits are used in qualified investments.

(iii) If there are any tax credits remaining available for allocation in the secondary tax credit pool on August 1, 2024, those available tax credits shall revert to the primary tax credit pool and be made available to primary Mississippi small business investment companies according to rules and regulations promulgated by the MDA. Prior to August 1, 2027, primary Mississippi small business investment companies, including any wholly owned subsidiary company, shall be prohibited from making application to the MDA to be additionally certified as a secondary Mississippi small business investment company for purposes of the tax credits allocated in this paragraph (c) and prohibited from applying for any tax credit allocation from the secondary tax credit pool. A certified primary Mississippi small business investment company may have ownership equity in a certified secondary Mississippi small business investment company, but the equity interest owned by the certified primary Mississippi small business investment company shall not exceed forty percent (40%).

(** *d) Credits must be allocated to investors in the order that the credit allocation claims are filed with the MDA.

(** *e) Any credit allocation claims filed with the MDA before the initial credit allocation claim filing date will be deemed to have been filed on the initial credit allocation claim filing date. The MDA will set the initial credit allocation claim filing date to be not less than one hundred twenty (120) days and not more than one hundred fifty (150) days after the date the MDA begins accepting applications for certification. Credit allocation claims filed on the same day with the MDA must be treated as having been filed contemporaneously.

(** *f) If two (2) or more Mississippi small business investment companies file credit allocation claims with the MDA on behalf of their respective participating investors on the same day and the aggregate amount of credit allocation claims exceeds the aggregate limit of credits authorized under this subsection (4) or the lesser amount of credits that remain unallocated on that day, then the credits shall be allocated among the participating investors who filed on that day on a pro rata basis with respect to the amounts claimed. The pro rata allocation for any one (1) participating investor is the product

obtained by multiplying a fraction, the numerator of which is the amount of the credit allocation claim filed on behalf of a participating investor and the denominator of which is the total of all credit allocation claims filed on behalf of all participating investors on that day, by the aggregate limit of credits authorized under this subsection (4) or the lesser amount of credits that remain unallocated on that day.

(**g) Within ten (10) business days after the MDA receives a credit allocation claim filed by a Mississippi small business investment company on behalf of one or more of its participating investors, the MDA may notify the Mississippi small business investment company of the amount of credits allocated to each of the participating investors of that Mississippi small business investment company. In the event a Mississippi small business investment company does not receive an investment of designated capital from each participating investor required to earn the amount of credits allocated to the participating investor within ten (10) business days of the Mississippi small business investment company's receipt of notice of allocation, then it shall notify the MDA on or before the next business day, and the credits allocated to the participating investor of the Mississippi small business investment company will be forfeited. The MDA may then reallocate those forfeited credits among the participating investors of the other Mississippi small business investment companies on a pro rata basis with respect to the credit allocation claims filed on behalf of the participating investors. The MDA may levy a fine of not more than Fifty Thousand Dollars (\$50,000.00) on any participating investor that does not invest the full amount of designated capital required to fund the credits allocated to it by the MDA in accordance with the credit allocation claim filed on its behalf.

(**h) No participating investor, on an aggregate basis with its affiliates, may file an allocation claim for more than twenty-five percent (25%) of the maximum amount of investment tax credits authorized under this subsection (4), regardless of whether the claim is made in connection with one or more Mississippi small business investment companies.

SECTION 2. This act shall take effect and be in force from and after July 1, 2023.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

Senator Harkins called up the following entitled bill:

H. B. No. 1668: Income tax; revise certain provisions regarding pass-through entities.

Senator Harkins offered the following AMENDMENT NO. 1.

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 27-7-26, Mississippi Code of 1972, is amended as follows:

27-7-26. (1) (a) For calendar year 2022, and for each calendar year thereafter, any partnership, S corporation or similar pass-through entity may elect to be taxed as an electing pass-through entity and pay the tax imposed under this chapter at the entity level. For the purposes of this section, the term "electing pass-through entity" means a partnership, S corporation or similar pass-through entity that has made an election pursuant to this section.

(b) A partnership, S corporation or similar pass-through entity desiring to be taxed as an electing pass-through entity shall submit the appropriate form to the department * * * at any time during the tax year * * * for which the entity elects to be taxed as an electing pass-through entity, or by the due date of the return for that tax year, or by the date such return is filed, whichever is latest. This election shall be binding for that taxable year and all taxable years thereafter and shall not be revoked unless the electing pass-through entity submits the appropriate form to the department at any time during a subsequent taxable year * * * for which the entity elects to no longer be taxed as an electing pass-through entity, or by the due date of the return for that tax year, or by the date such return is filed, whichever is latest. Both the election to become an electing pass-through entity and the revocation of that election shall be accomplished by a vote satisfying such threshold required for taking official action as may be specified within the entity's governing documents, within the time prescribed in this subsection. If the entity's governing documents do not contain any such provisions governing the approval of official actions, such election shall be accomplished by * * * a vote by or written consent of the owners, members, partners or shareholders holding greater than fifty percent (50%) of the voting control of the entity, and also, if the entity has a governing body, by a vote by or written consent of the members of the governing body, within the time prescribed in this subsection.

(c) Each owner, member, partner or shareholder of an electing pass-through entity shall report his or her pro rata or distributive share of the income of the electing pass-through entity * * *, and such share shall be used in computing the taxpayer's gross income tax liability. Each owner, member, partner or shareholder of an electing pass-through entity shall be allowed a credit against the taxes imposed under this chapter in an amount equal to his or her pro rata or distributive share of tax paid by the electing pass-through entity with respect to the corresponding taxable year. Any additional income tax credits generated by the electing pass-through entity shall pass through to the owners, members, partners or shareholders on a pro-rata basis and may be claimed on the returns of those taxpayers. In the event an owner's, member's, partner's or shareholder's aggregate credits shall exceed his or her income tax liability,

such excess shall be carried forward as an overpayment or refunded at the election of such person. Any carryforward limitations applicable to credits generated by the electing pass-through entity, other than the credit provided by this section for income taxes paid by the electing pass-through entity, shall apply at the owner, member, partner or shareholder level.

(2) The adjusted basis of the owners, members or partners of an electing pass-through entity in their ownership interests in the electing pass-through entity shall be calculated without regard to the election under this section.

SECTION 2. This act shall take effect and be in force from and after January 1, 2023, and shall be applicable to any income tax returns the original due date of which are on or after such date.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 27-7-26, MISSISSIPPI CODE OF 1972, TO REVISE THE METHOD BY WHICH A PARTNERSHIP, S CORPORATION OR SIMILAR PASS-THROUGH ENTITY MAY ELECT TO BECOME AN ELECTING PASS-THROUGH ENTITY FOR INCOME TAX PURPOSES, AND BY WHICH SUCH ELECTION MAY BE REVOKED; TO INCLUDE EACH OWNER'S, MEMBER'S, PARTNER'S OR SHAREHOLDER'S PRO RATA OR DISTRIBUTIVE SHARE OF THE ELECTING PASS-THROUGH ENTITY'S INCOME IN THE COMPUTATION OF SUCH INDIVIDUAL TAXPAYER'S INCOME TAX LIABILITY; TO PROVIDE THAT THE INDIVIDUAL TAXPAYER'S CREDIT SHALL BE EQUAL TO HIS OR HER PRO RATA OR DISTRIBUTIVE SHARE OF TAX DUE BEFORE APPLICATION OF ANY ENTITY-LEVEL CREDITS BY THE ELECTING PASS-THROUGH ENTITY; TO PROVIDE THAT ANY ADDITIONAL INCOME TAX CREDITS GENERATED BY AN ELECTING PASS-THROUGH ENTITY SHALL PASS THROUGH TO THE OWNERS, MEMBERS, PARTNERS OR SHAREHOLDERS ON A PRO-RATA BASIS AND MAY BE CLAIMED ON THE RETURNS OF THOSE TAXPAYERS; TO PROVIDE THAT IF AN OWNER'S, MEMBER'S, PARTNER'S OR SHAREHOLDER'S AGGREGATE INCOME TAX CREDITS EXCEED HIS OR HER INCOME TAX LIABILITY, SUCH EXCESS SHALL BE CARRIED FORWARD AS AN OVERPAYMENT OR REFUNDED AT THE ELECTION OF SUCH PERSON; TO PROVIDE THAT ANY CARRYFORWARD LIMITATIONS APPLICABLE TO CREDITS GENERATED BY THE PASS-THROUGH ENTITY, OTHER THAN THE CREDIT PROVIDED BY THIS SECTION FOR INCOME TAXES PAID BY THE PASS-THROUGH ENTITY, SHALL APPLY AT THE OWNER, MEMBER, PARTNER OR SHAREHOLDER LEVEL; AND FOR RELATED PURPOSES.

Amendment No. 1 to H. B. No. 1668 was adopted.

H. B. No. 1733: Income tax; revise deduction for depreciation for certain expenditures and property.

Senator Harkins offered the following COMMITTEE AMENDMENT NO. 1.

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) This section shall be known and may be cited as the "Mississippi Full Expensing Tax Reform Act of 2023."

(2) The purpose of this section is to reform Mississippi's tax code to incentivize greater supply chain investment, job creation, wage growth and economic well-being within Mississippi, and to make Mississippi's tax code more competitive by allowing first-year full cost recovery for certain business investments.

(3) As used in this section, the following terms shall have the meanings ascribed unless the context clearly indicates otherwise:

(a) "Internal Revenue Code" or "IRC" means Title 26 of the United States Code.

(b) "Research and development experimental expenditures" has the meaning in IRC Section 174, as it existed on January 1, 2021.

(c) "Qualified property" has the meaning in IRC Section 168(k), as it existed on January 1, 2021, and applies to property placed in service after December 31, 2022.

(d) "Qualified improvement property" has the meaning in IRC Section 168(e)(6), as it existed on January 1, 2021, and applies to property placed in service after December 31, 2022.

(e) "Full expensing" and "one hundred percent (100%) bonus depreciation" are methods for taxpayers to recover their costs for certain expenditures in research and experimentation and depreciable business assets by immediately deducting the full cost of such expenditures from taxable income in the tax year in which the cost is incurred or the property is placed in service.

(4) Regarding research and development experimental expenditures:

(a) For purposes of computing income tax for tax years beginning after December 31, 2022, a taxpayer may treat research or experimental expenditures paid or incurred by the taxpayer during the tax year in connection with the taxpayer's trade or business as expenses that are not chargeable to the capital account. Expenditures so treated shall be allowed as an immediate deduction. Such expenditures shall remain allowable as a full and immediate expense deduction in the year in which the expenses are incurred, notwithstanding any changes to the Internal Revenue Code related to the depreciation of such research or experimental expenditures.

(b) A taxpayer may alternatively treat the depreciation of such research or experimental expenditures in accordance with the schedule provided in IRC Section 174.

(c) A taxpayer may make an election for any tax year if made not later than the time prescribed by law for filing the return for the tax year, including extensions thereof.

The method elected by the taxpayer, whether to take a full and immediate deduction for the expenditures or to depreciate the expenditures in accordance with IRC Section 174, is irrevocable unless the Commissioner of Revenue specifically allows a change in the method.

(d) The total amount of expenditures fully and immediately expensed and of expenditures depreciated on a schedule may not exceed one hundred percent (100%) of the cost of the property.

(5) Regarding qualified property and qualified improvement property:

(a) For purposes of computing income tax for tax years beginning after December 31, 2022, expenditures for business assets that are qualified property or qualified improvement property shall be eligible for one hundred percent (100%) bonus depreciation and may be deducted as an expense incurred by the taxpayer during the tax year during which the property is placed in service, notwithstanding any changes to federal law related to cost recovery beginning on January 1, 2023, or on any other date.

(b) A taxpayer may alternatively treat the depreciation of such business assets in accordance with the schedule provided in IRC Section 168.

(c) A taxpayer may make an election whether to take a bonus depreciation deduction for such expenditures or to depreciate the expenditures in accordance with IRC Section 168. The election may be made for any tax year if made not later than the time prescribed by law for filing the return for the tax year, including extensions thereof. The method elected by the taxpayer is irrevocable unless the Commissioner of Revenue specifically allows a change in the method.

(d) For tax years beginning after December 31, 2022, Mississippi shall conform to the full expensing provisions of IRC Section 179.

(e) The total amount of expenditures fully and immediately expensed and of expenditures depreciated on a schedule may not exceed one hundred percent (100%) of the cost of the property.

(6) The Department of Revenue shall, within ninety (90) days of the effective date of this act, develop rules for the implementation of this section.

For any taxable year ending after December 31, 1997, the period for net operating loss carrybacks and net operating loss carryovers shall be the same as those established by the Internal Revenue Code and the rules, regulations, rulings and determinations promulgated thereunder as in effect at the taxable year end or on December 31, 2000, whichever is earlier.

A net operating loss for any taxable year ending after December 31, 2001, and taxable years thereafter, shall be a net operating loss carryback to each of the two (2) taxable years preceding the taxable year of the loss. For the purposes of this paragraph, the phrase "interest upon the indebtedness for the purchase of tax-free bonds" applies only to the indebtedness incurred for the purpose of directly purchasing tax-free bonds and does not apply to any other indebtedness incurred in the regular course of the taxpayer's business. Any corporation, association, organization or other entity taxable under Section 27-7-23(c) shall allocate interest expense as provided in Section 27-7-23(c)(3)(l).

Section 3. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bonds means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) The Mississippi Development Authority, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for the program authorized in Section 57-1-16. Upon the adoption of a resolution by the Mississippi Development Authority declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the Mississippi Development Authority shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as the issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed * * * Twenty-nine Million Dollars (\$29,000,000.00). No bonds authorized under this section shall be issued after July 1, 2023.

(b) The proceeds of bonds issued pursuant to this section shall be deposited into the ACE Fund created pursuant to Section 57-1-16. Any investment earnings on bonds issued pursuant to this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(3) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(4) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(5) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(6) The commission shall act as the issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale

of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission shall sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If the bonds are to be sold on sealed bids at public sale, notice of the sale of any such bonds shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(7) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(8) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the ACE Fund created in Section 57-1-16. The proceeds of such bonds shall be disbursed solely upon the order of the Mississippi Development Authority under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(9) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(10) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(11) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(12) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(13) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(14) The proceeds of the bonds issued under this section shall be used solely for the purposes therein provided, including the costs incident to the issuance and sale of such bonds.

(15) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(16) This section shall be deemed to be full and complete authority for the exercise of the powers therein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

(b) (i) Amounts deposited into such special fund shall be disbursed to pay the costs of projects described in paragraph (a) of this subsection. If any monies in such special fund are not used within four (4) years after the date the proceeds of the bonds authorized under this section are deposited into the special fund, then the institution of higher learning for which any unused monies are allocated under paragraph (a) of this subsection shall provide an accounting of such unused monies to the commission. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(ii) Monies in the special fund may be used to reimburse reasonable actual and necessary costs incurred by the Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, in administering or providing assistance directly related to a project described in paragraph (a) of this subsection. An accounting of actual costs incurred for which reimbursement is sought shall be maintained for each project by the Department of Finance and Administration, Bureau of Building, Grounds and Real Property Management. Reimbursement of reasonable actual and necessary costs for a project shall not exceed two percent (2%) of the proceeds of bonds issued for such project. Monies authorized for a particular project may not be used to reimburse administrative costs for unrelated projects.

(c) The Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, is expressly authorized and empowered to receive and expend any local or other source funds in connection with the expenditure of funds provided for in this subsection. The expenditure of monies deposited into the special fund shall be under the direction of the Department of Finance and Administration, and such funds shall be paid by the State Treasurer upon warrants issued by such department, which warrants shall be issued upon requisitions signed by the Executive Director of the Department of Finance and Administration, or his designee.

(d) Any amounts allocated to an institution of higher learning that are in excess of that needed to complete the projects at such institution of higher learning that are described in paragraph (a) of this subsection may be used for general repairs and renovations at the institution of higher learning.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this section, the Department of Finance and Administration shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed * * * Seventy-six Million Seven Hundred Twenty-five Thousand Dollars (\$76,725,000.00). No bonds shall be issued under this section after July 1, 2024.

(b) Any investment earnings on amounts deposited into the special fund created in subsection (2) of this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(4) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(5) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not

have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(6) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(7) The commission shall act as issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(8) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special funds created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(10) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(11) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Title 31, Chapter 13, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under

this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. (13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

27-7-22.43. (1) This section shall be known and may be cited as the "Pregnancy Resource Act."

(2) For the purposes of this section, the following words and phrases shall have the meanings ascribed in this section unless the context clearly indicates otherwise:

(a) "Department" means the Department of Revenue.

(b) "Eligible charitable organization" means an organization that is exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code and is a pregnancy resource center or crisis pregnancy center eligible to receive funding disbursed by the Choose Life Advisory Committee under Section 27-19-56.70, 27-19-56.277 and/or 27-19-56.412.

(3) (a) The tax credit authorized in this section shall be available only to a taxpayer who is a business enterprise engaged in commercial, industrial or professional activities and operating as a corporation, limited liability company, partnership or sole proprietorship. Except as otherwise provided in this section, a credit is allowed against the taxes imposed by Sections 27-7-5, 27-15-103, 27-15-109 and 27-15-123, for voluntary cash contributions made by a taxpayer during the taxable year to an eligible charitable organization. For calendar year 2022, for a taxpayer that is not operating as a corporation, a credit is also allowed against ad valorem taxes assessed and levied on real property for voluntary cash contributions made by the taxpayer during the taxable year to an eligible charitable organization. From and after January 1, 2023, a credit is also allowed against ad valorem taxes assessed and levied on real property for voluntary cash contributions made by a taxpayer during the taxable year to an eligible charitable organization. The amount of credit that may be utilized by a taxpayer in a taxable year shall be limited to (i) an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for the taxes imposed by such sections of law and (ii) an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for ad valorem taxes assessed and levied on real property. Any tax credit claimed under this section but not used in any taxable year may

be carried forward for five (5) consecutive years from the close of the tax year in which the credits were earned.

(b) A contribution for which a credit is claimed under this section may not be used as a deduction by the taxpayer for state income tax purposes.

(4) Taxpayers taking a credit authorized by this section shall provide the name of the eligible charitable organization and the amount of the contribution to the department on forms provided by the department.

(5) An eligible charitable organization shall provide the department with a written certification that it meets all criteria to be considered an eligible charitable organization. The organization shall also notify the department of any changes that may affect eligibility under this section.

(6) The eligible charitable organization's written certification must be signed by an officer of the organization under penalty of perjury. The written certification shall include the following:

(a) Verification of the organization's status under Section 501(c)(3) of the Internal Revenue Code;

(b) A statement that the organization does not provide, pay for or provide coverage of abortions and does not financially support any other entity that provides, pays for or provides coverage of abortions;

(c) Any other information that the department requires to administer this section.

(7) The department shall review each written certification and determine whether the organization meets all the criteria to be considered an eligible charitable organization and notify the organization of its determination. The department may also periodically request recertification from the organization. The department shall compile and make available to the public a list of eligible charitable organizations.

(8) Tax credits authorized by this section that are earned by a partnership, limited liability company, S corporation or other similar pass-through entity, shall be allocated among all partners, members or shareholders, respectively, either in proportion to their ownership interest in such entity or as the partners, members or shareholders mutually agree as provided in an executed document.

(9) (a) A taxpayer shall apply for credits with the department on forms prescribed by the department. In the application the taxpayer shall certify to the department the dollar amount of the contributions made or to be made during the calendar year. Within thirty (30) days after the receipt of an application, the department shall allocate credits based on the dollar amount of contributions as certified in the application. However, if the department cannot allocate the full amount of credits certified in the application due to the limit on the aggregate amount of credits that may be awarded under this section in a calendar year, the department shall so notify the applicant within thirty (30) days with the amount of credits, if any, that may be allocated to the applicant in the calendar year. Once the department has allocated credits to a taxpayer, if the contribution for which a credit is allocated has not been made as of the date of the allocation, then the contribution must be made not later than sixty (60) days from the date of the allocation. If the contribution is not made within such time period, the allocation shall be cancelled and returned to the department for reallocation. Upon final documentation of the contributions, if the actual dollar amount of the contributions is lower than the amount estimated, the department shall adjust the tax credit allowed under this section.

(b) For the purposes of using a tax credit against ad valorem taxes assessed and levied on real property, a taxpayer shall present to the appropriate tax collector the tax credit documentation provided to the taxpayer by the Department of Revenue, and the tax collector shall apply the tax credit against such ad valorem taxes. The tax collector shall forward the tax credit documentation to the Department of Revenue along with the amount of the tax credit applied against ad valorem taxes, and the department shall disburse funds to the tax collector for the amount of the tax credit applied against ad valorem taxes. Such payments by the Department of Revenue shall be made from current tax collections.

(10) The aggregate amount of tax credits that may be allocated by the department under this section during a calendar year shall not exceed Three Million Five Hundred Thousand Dollars (\$3,500,000.00). However, for calendar year 2023, and for each calendar year thereafter, the aggregate amount of tax credits that may be allocated by the department under this section during a calendar year shall not exceed Ten Million Dollars (\$10,000,000.00). For credits allocated during a calendar year for contributions to eligible charitable organizations, no more than fifty percent (50%) of such credits may be allocated for contributions to a single eligible charitable organization.

Any tax credit claimed under this section but not used in any taxable year may be carried forward for the five (5) succeeding tax years. A tax credit is allowed under this section for any child for which an exemption is claimed during the same taxable year under Section 27-7-21(e). SECTION 3. Section 27-7-22.39, Mississippi Code of 1972, is amended as follows:

27-7-22.39. (1) As used in this section:

(a) "Low-income residents" means persons whose household income is less than one hundred fifty percent (150%) of the federal poverty level.

(b) "Qualifying charitable organization" means a charitable organization that is exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code or is a designated community action agency that receives community services block grant program monies pursuant to 42 USC 9901. The organization must spend at least fifty percent (50%) of its budget on services to residents of this state who receive temporary assistance for needy families benefits or low-income residents of this state and their households or to children who have a chronic illness or physical, intellectual, developmental or emotional disability who are residents of this state. A charitable organization that is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and that meets all other requirements of this paragraph except that it does not spend at least fifty percent (50%) of its overall budget in Mississippi may be a qualifying charitable organization if it spends at least fifty percent (50%) of its Mississippi budget on services to qualified individuals in Mississippi and it certifies to the department that one hundred percent (100%) of the voluntary cash contributions from the taxpayer will be spent on services to qualified individuals in Mississippi. Taxpayers choosing to make donations through an umbrella charitable organization that collects donations on behalf of member charities shall designate that the donation be directed to a member charitable organization that would qualify under this section on a stand-alone basis. Qualifying charitable organization does not include any entity that provides, pays for or provides coverage of abortions or that financially supports any other entity that provides, pays for or provides coverage of abortions.

(c) "Qualifying foster care charitable organization" means a qualifying charitable organization that each operating year provides services to at least one hundred (100) qualified individuals in this state and spends at least fifty percent (50%) of its budget on services to qualified individuals in this state. A charitable organization that is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and that meets all other requirements of this paragraph except that it does not spend at least fifty percent (50%) of its overall budget in Mississippi may be a qualifying foster care charitable organization if it spends at least fifty percent (50%) of its Mississippi budget on services to qualified individuals in Mississippi and it certifies to the department that one hundred percent (100%) of the voluntary cash contributions from the taxpayer will be spent on services to qualified individuals in Mississippi. For the purposes of this paragraph, "qualified individual" means a child in a foster care placement program established by the Department of Child Protection Services, a child placed under the Safe Families for Children model, or a child at significant risk of entering a foster care placement program established by the Department of Child Protection Services.

(d) "Services" means:

(i) Cash assistance, medical care, child care, food, clothing, shelter, and job-placement services or any other assistance that is reasonably necessary to meet immediate basic needs and that is provided and used in this state;

(ii) Job-training or education services or funding for parents, foster parents or guardians; or
(iii) Job-training or education services or funding provided as part of a foster care independent living program.

(2) (a) Except as provided in subsections (3) and (4) of this section, a credit is allowed against the taxes imposed by this chapter for voluntary cash contributions by the taxpayer during the taxable year to a qualifying charitable organization, other than a qualifying foster care charitable organization, through calendar year 2022, not to exceed:

(* * *i) the lesser of Four Hundred Dollars (\$400.00) or the amount of the contribution in any taxable year for a single individual or a head of household.

(** *ii) The lesser of Eight Hundred Dollars (\$800.00) or the amount of the contribution in any taxable year for a married couple filing a joint return.

(b) Except as provided in subsections (3) and (4) of this section, from and after January 1, 2023, a credit is allowed against the taxes imposed by this chapter for voluntary cash contributions by the individual taxpayer during the taxable year to a qualifying charitable organization, other than a qualifying foster care charitable organization. A credit is also allowed against ad valorem taxes assessed and levied on real property for voluntary cash contributions made by the individual taxpayer during the taxable year to a qualifying charitable organization, other than a qualifying foster care charitable organization. The amount of credit that may be utilized by a taxpayer in a taxable year shall be limited to (i) an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for the taxes imposed by this chapter, and (ii) an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for ad valorem taxes assessed and levied on real property. Any tax credit claimed under this paragraph but not used in any taxable year may be carried forward for five (5) consecutive years from the close of the tax year in which the credits were earned.

(3) (a) A separate credit is allowed against the taxes imposed by this chapter for voluntary cash contributions during the taxable year to a qualifying foster care charitable organization. A contribution to a qualifying foster care charitable organization does not qualify for, and shall not be included in, any credit amount under subsection (2) of this section. If the voluntary cash contribution by the taxpayer is to a qualifying foster care charitable organization, through calendar year 2022, the credit shall not exceed:

(** *i) the lesser of Five Hundred Dollars (\$500.00) or the amount of the contribution in any taxable year for a single individual or a head of household.

(** *ii) The lesser of One Thousand Dollars (\$1,000.00) or the amount of the contribution in any taxable year for a married couple filing a joint return.

(b) From and after January 1, 2023, a separate credit is allowed against the taxes imposed by this chapter for voluntary cash contributions during the taxable year to a qualifying foster care charitable organization. A credit is also allowed against ad valorem taxes assessed and levied on real property for voluntary cash contributions made by the individual taxpayer during the taxable year to a qualifying foster care charitable organization. The amount of credit that may be utilized by a taxpayer in a taxable year shall be limited to (i) an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for the taxes imposed by this chapter, and (ii) an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for ad valorem taxes assessed and levied on real property. Any tax credit claimed under this paragraph but not used in any taxable year may be carried forward for five (5) consecutive years from the close of the tax year in which the credits were earned.

(4) Subsections (2) and (3) of this section provide separate credits against taxes imposed by this chapter depending on the recipients of the contributions. A taxpayer, including a married couple filing a joint return, in the same taxable year, may either or both:

(a) Contribute to a qualifying charitable organization, other than a qualifying foster care charitable organization, and claim a credit under subsection (2) of this section.

(b) Contribute to a qualifying foster care charitable organization and claim a credit under subsection (3) of this section.

(5) A husband and wife who file separate returns for a taxable year in which they could have filed a joint return may each claim only one-half (1/2) of the tax credit that would have been allowed for a joint return.

(6) Except as otherwise provided in subsections (2) and (3) of this section, if the allowable tax credit exceeds the taxes otherwise due under this chapter on the claimant's income, or if there are no taxes due under this chapter, the taxpayer may carry forward the amount of the claim not used to offset the taxes under this chapter for not more than five (5) consecutive taxable years' income tax liability.

(7) The credit allowed by this section is in lieu of a deduction pursuant to Section 170 of the Internal Revenue Code and taken for state tax purposes.

(8) Taxpayers taking a credit authorized by this section shall provide the name of the qualifying charitable organization and the amount of the contribution to the department on forms provided by the department.

(9) A qualifying charitable organization shall provide the department with a written certification that it meets all criteria to be considered a qualifying charitable organization. The organization shall also notify the department of any changes that may affect the qualifications under this section.

(10) The charitable organization's written certification must be signed by an officer of the organization under penalty of perjury. The written certification shall include the following:

(a) Verification of the organization's status under Section 501(c)(3) of the Internal Revenue Code or verification that the organization is a designated community action agency that receives community services block grant program monies pursuant to 42 USC 9901.

(b) Financial data indicating the organization's budget for the organization's prior operating year and the amount of that budget spent on services to residents of this state who either:

(i) Receive temporary assistance for needy families benefits;

(ii) Are low-income residents of this state;

(iii) Are children who have a chronic illness or physical, intellectual, developmental or emotional disability; or

(iv) Are children in a foster care placement program established by the Department of Child Protection Services, children placed under the Safe Families for Children model or children at significant risk of entering a foster care placement program established by the Department of Child Protection Services.

(c) A statement that the organization plans to continue spending at least fifty percent (50%) of its budget on services to residents of this state who receive temporary assistance for needy families benefits, who are low-income residents of this state, who are children who have a chronic illness or physical, intellectual, developmental or emotional disability or who are children in a foster care placement program established by the Department of Child Protection Services, children placed under the Safe Families for Children model or children at significant risk of entering a foster care placement program established by the Department of Child Protection Services. A charitable organization that is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and that meets all other requirements for a qualifying charitable organization or qualifying foster care charitable organization except that it does not spend at least fifty percent (50%) of its overall budget in Mississippi shall submit a statement that it spends at least fifty percent (50%) of its Mississippi budget on services to qualified individuals in Mississippi and that one hundred percent (100%) of the voluntary cash contributions it receives from Mississippi taxpayers will be spent on services to qualified individuals in Mississippi.

(e) A statement that the organization does not provide, pay for or provide coverage of abortions and does not financially support any other entity that provides, pays for or provides coverage of abortions.

(f) Any other information that the department requires to administer this section.

(11) The department shall review each written certification and determine whether the organization meets all the criteria to be considered a qualifying charitable organization and notify the organization of its determination. The department may also periodically request recertification from the organization. The department shall compile and make available to the public a list of the qualifying charitable organizations.

(12) The aggregate amount of tax credits that may be awarded under this section in any calendar year shall not exceed Three Million Dollars (\$3,000,000.00). However, for calendar year 2021, and for each calendar year thereafter, the aggregate amount of tax credits that may be awarded under this section in any calendar year shall not exceed One Million Dollars (\$1,000,000.00). In addition, any tax credits not awarded under this section before June 1, 2020, may be allocated during calendar year 2020 under Section 27-7-22.41 for contributions by taxpayers to eligible charitable organizations described in Section 27-7-22.41(1)(b)(ii) as provided under such section, notwithstanding any limitation on the percentage of tax credits that may be allocated for such contributions.

(13) A taxpayer shall apply for credits with the department on forms prescribed by the department. In the application the taxpayer shall certify to the department the dollar amount of the contributions made or to be made during the calendar year. Within thirty (30) days after the receipt of an application, the department shall allocate credits based on the dollar amount of contributions as certified in the application. However, if the department cannot allocate the full amount of credits certified in the application due to the limit on the aggregate amount of credits that may be awarded under this section in a calendar year, the department shall so notify the applicant within thirty (30) days with the amount of credits, if any, that may be allocated to the applicant in the calendar year. Once the department has allocated credits to a taxpayer, if the contribution for which a credit is allocated has not been made as of the date of the allocation, then the contribution must be made not later than sixty (60) days from the date of the allocation. If the contribution is not made within such time period, the allocation shall be cancelled and returned to the department for reallocation. Upon final documentation of the contributions, if the actual dollar amount of the contributions is lower than the amount estimated, the department shall adjust the tax credit allowed under this section.

(14) This section shall be repealed from and after January 1, 2025.

Once the department has allocated credits to a taxpayer, if the contribution for which a credit is allocated has not been made as of the date of the allocation, then the contribution must be made not later than sixty (60) days from the date of the allocation. If the contribution is not made within such time period, the allocation shall be cancelled and returned to the department for reallocation. Upon final documentation of the contributions, if the actual dollar amount of the contributions is lower than the amount estimated, the department shall adjust the tax credit allowed under this subsection.

(ii) For the purposes of using a tax credit against ad valorem taxes assessed and levied on real property, a taxpayer shall present to the appropriate tax collector the tax credit documentation provided to the taxpayer by the Department of Revenue, and the tax collector shall apply the tax credit against such ad valorem taxes. The tax collector shall forward the tax credit documentation to the Department of Revenue along with the amount of the tax credit applied against ad valorem taxes, and the department shall disburse funds to the tax collector for the amount of the tax credit applied against ad valorem taxes. The new enterprises enumerated in this paragraph (a) do not include medical cannabis establishments as defined in the Mississippi Medical Cannabis Act.

(b) An exemption from ad valorem taxes granted under this section may include any or all tangible property, real or personal, including any leasehold interests therein but excluding automobiles and trucks operating on and over the highways of the State of Mississippi, used in connection with, or necessary to, the operation of an enterprise enumerated in paragraph (a) of this subsection (3), whether or not such property is owned, leased, subleased, licensed or otherwise obtained by such enterprise, irrespective of the taxpayer to which any such leased property is assessed for ad valorem tax purposes. If an exemption is granted pursuant to this section with respect to any leasehold interest under a lease, sublease or license of tangible property used in connection with, or necessary to, the operation of an enterprise enumerated in paragraph (a) of this subsection (3), the corresponding ownership interest of the owner, lessor and sublessor of such tangible property shall similarly and automatically be exempt without any action being required to be taken by such owner, lessor or sublessor.

(4) Any exemption from ad valorem taxes granted under this section before March 28, 2019, and consistent herewith, is hereby ratified, approved and confirmed.

SECTION 2. Section 51-7-29, Mississippi Code of 1972, is amended as follows:

51-7-29. For the purposes of this chapter, including but not limited to the construction and maintenance of works of improvement, expenses of the board of commissioners, assessment of benefits, and for repayment of bonds and interest as provided herein, the commissioners of a master water management district shall have authority to assess the lands of the district in proportion to the benefits accruing to * * * such lands; provided, however, that for the purpose of providing funds with which to clean out, restore, repair and rehabilitate the whole or any part of the drainage system of * * * a district or for the purpose of cooperating with the United States or any agency thereof in such works, there may be imposed a uniform assessment by the commissioners of such master water management district or, upon resolution of * * * the commissioners, by the commissioners of a drainage or subdrainage district on each acre of unsubdivided land lying within the master district and a uniform assessment by lot on subdivided land lying within the master district and the records required in this chapter shall show the amount of the assessment in lieu of the amount of benefits accruing to each tract. Taxes levied hereunder are hereby declared to be taxes for maintenance purposes and shall not diminish in any manner the amount of assessed benefits in any such district which is otherwise available for the payment of any outstanding bonds of such district.

The assessments provided for in this section may be made even though evidences of indebtedness have been issued or validated or both prior thereto, but the lien of the holders of any such indebtedness shall not be impaired thereby. No assessments shall be made against lands owned by the State of Mississippi or any political subdivision thereof, or lands owned by the United States of America or any agency thereof. Such assessment shall be made in such manner as to clearly show the name of the owner and the description of the lands against which the assessment is made. When the assessment has been made, the assessment roll shall be filed with the chancery clerk and notice of such assessment shall be given in the same manner that notice is given for other purposes as provided in section 51-7-11. Such notice of assessment shall include the date which the chancellor has set for hearing of any protest of such assessment. Such protest shall affect only the assessment against the person or persons making the protest. The court on * * * such date, or within thirty (30) days thereafter, shall pass upon the assessment roll; and he or she shall have the authority to approve the roll, order its revision, or modify same, within his or her discretion. After * * * the roll has been approved by the court, copies thereof certified by the secretary of the board of commissioners shall be transmitted to the boards of supervisors and the tax collectors of the counties within which the lands of * * * the master water management district are located, and the * * * boards of supervisors * * * may make the levy for taxes upon the * * * lands on * * * the assessment roll on such percentage basis as is requested by the board of commissioners. If any landowners or the board of commissioners are aggrieved at any assessment approved by the chancellor, they shall have the right of appeal from the order of the chancellor as provided for under section 51-7-23, but such appeal shall not stay the collection of any tax levied on such assessment. The tax collectors of the respective counties in which such lands are located shall collect the taxes at the regular times provided by law for the collection of real estate taxes, and shall remit such collections to the secretary of * * * the district within thirty (30) days after expiration of the time provided for payment thereof. All provisions of law for the sale of land for delinquent ad valorem taxes shall be applicable in effecting collection of any delinquent taxes which may be due under provisions of this chapter, and suit may be maintained against any delinquent taxpayer hereunder in the manner provided by law. All liabilities and penalties pertaining to responsibilities and duties of the tax collector generally shall be applicable hereunder.

At any time within three (3) years after the completion of construction of improvements for which assessment has been made under the provisions hereof, or within six (6) months after the effective date of this section, whichever is later, any landowner or group of landowners upon whose lands the original assessment or benefits were improperly or erroneously made may file an action in the chancery court of proper jurisdiction requesting modification or removal of such assessments. Upon a hearing being had on such action the chancellor shall make such findings of fact as the evidence adduced may require and may either confirm the assessments as originally made or may order such changes therein as may be required so that the total cost of the works as constructed may be borne by those lands in the district actually benefited thereby in proportion to the benefits actually conferred thereon by such improvements except as otherwise provided in this section. Such order may be made even though evidences of indebtedness have been issued and validated prior thereto, but the lien of the holders of any such indebtedness shall not be impaired thereby.

SECTION 3. Section 51-7-23, Mississippi Code of 1972, is amended as follows:

51-7-23. Subject to the board of supervisors making the levy for taxes as requested by the board of commissioners, as set out under Section 51-7-29, any order of the chancery court in connection with a master water management district shall have the force of a judgment. Any owner of real property within the district or the board of commissioners may appeal from any such order to the supreme court within twenty (20) days after * * * the order has been made; but if no appeal is taken within that time, such order shall be deemed conclusive and binding.

SECTION 4. This act shall take effect and be in force from and after July 1, 2023.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AMENDMENT NO. 1:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) For the purposes of this section, the following words and phrases shall have the meanings ascribed in this section unless the context clearly indicates otherwise:

(a) "sUAS" means a small unmanned aircraft system, also called a drone, including the unmanned aircraft itself and any additional support equipment, control stations, data links, telemetry, communications and navigation equipment or any other equipment necessary to operate the unmanned aircraft.

(b) "Domestic manufacturer" means a manufacturing company incorporated and headquartered in the United States of America and whose majority ownership is comprised of American citizens and which manufactures drones at a facility in the United States of America. If such company is owned by another entity, that entity must also be an American company.

(c) "Domestic sUAS company" means a company which provides maintenance, repair, and other technical services for small unmanned aircraft systems, including drones, which is incorporated, headquartered and primarily provides such services in the United States of America.

(d) "Collision avoidance system" means a system of hardware or software designed to mitigate collision risk for drones.

(2) Beginning March 1, 2024, all small unmanned aircraft systems and drones purchased by the State of Mississippi or any agency or political subdivision thereof shall be purchased exclusively from a domestic manufacturer and shall possess collision avoidance systems. All maintenance, repair and other technical services on drones owned by the State of Mississippi or any agency or political subdivision thereof shall be performed by a domestic sUAS company. All infrastructure inspection services requiring the use of sUAS and contracted for on behalf of the State shall be performed using domestically manufactured sUAS.

(3) In public procurement under Title 31, Chapter 7, domestic manufacturers operating within the State of Mississippi shall be granted a twenty percent (20%) bid preference over non-Mississippi manufacturers and domestic sUAS companies shall be granted a twenty percent (20%) bid preference over non-Mississippi companies. Additionally, all agencies and public entities must solicit a minimum of one (1) bid from a Mississippi-based small unmanned aircraft system manufacturer.

(4) An agency may not purchase or operate a small unmanned aircraft system manufactured in the People's Republic of China. For purposes of this section, the term "manufactured" includes a small unmanned aircraft system that is assembled in a country other than the People's Republic of China but which is comprised of more than a negligible amount of parts, software, components or raw materials originating in the People's Republic of China.

(5) The provisions of this section shall not apply to a state institution of higher learning with a federally designated research center when such institution is conducting research regarding sUAS and related matters.

SECTION 2. Section 1 of this act shall be codified in Title 31, Chapter 7, Mississippi Code of 1972.

SECTION 3. This act shall take effect and be in force from and after July 1, 2023.

(2) (a) The notice must be of conspicuous size and duration in the visual component of an advertisement; the audio portion of an advertisement must plainly include substantially the same message. The notice must be in the languages used in the advertisement.

(b) In lieu of the disclaimer required in paragraph (a) of this subsection, the advertiser may conspicuously state in both the visual and audio components of the advertisement that the person is licensed only in the specific states in which the person is licensed to practice law.

(l) Advertising by or on behalf of any licensed or regulated health care professional which does not specifically describe the license or qualifications of the licensed or regulated health care professional;

(m) Charging an increased premium for reinstating a motor vehicle insurance policy that was cancelled or suspended by the insured solely for the reason that he was transferred out of this state while serving in the United States Armed Forces or on active duty in the National Guard or United States Armed Forces Reserve. It is also an unfair practice for an insurer to charge an increased premium for a new motor vehicle insurance policy if the applicant for coverage or his covered dependents were previously insured with a different insurer and canceled that policy solely for the reason that he was transferred out of this state while serving in the United States Armed Forces or on active duty in the National Guard or United States Armed Forces Reserve. For purposes of determining premiums, an insurer shall consider such persons as having maintained continuous coverage. The provisions of this paragraph (m) shall apply only to such instances when the insured does not drive the vehicle during the period of cancellation or suspension of his policy * * *;

(n) Failure of an out-of-state attorney to comply with the notice provisions of Section 73-3-38.

(a) Deny, suspend or revoke a license or place the licensee on probation, if the division discovers that a licensee is not in compliance with the laws, standards or regulations governing its operation, and/or it finds evidence of aiding, abetting or permitting the commission of any illegal act; or

(b) Restrict or prohibit new admissions to the licensee's program or facility, if the division discovers that a licensee is not in compliance with the laws, standards or regulations governing its operation, and/or it finds evidence of aiding, abetting or permitting the commission of any illegal act.

(2) If placed on probation, the agency or licensee shall post a copy of the notice in a conspicuous place as directed by the division and with the agency's or individual's license, and the agency shall notify the custodians of each of the children in its care in writing of the agency's status and the basis for the probation.

(3) In the event that the licensed agency is an adoption agency or other person or entity licensed to perform adoption services in this state, then the division may enlist the board to determine whether or not the licensed adoption agency or other person or entity licensed to perform adoption services in this state is in violation of the rules and regulations of this article and may enlist the board to respond in accordance with the action listed above.

SECTION 12. Section 43-15-123, Mississippi Code of 1972, is amended as follows:

43-15-123. (1) Any person, agency, association, corporation, institution, society or other organization violating * * * any provisions of this article, other than a provision regarding adoption, shall be guilty of illegal placement of children and shall be punished by a fine not to exceed Five Thousand Dollars (\$5,000.00) or by imprisonment not more than five (5) years, or both such fine and imprisonment.

(2) Any person, agency, association, corporation, institution, society or other organization violating the provisions of this article regarding adoption and/or adoption services shall be guilty of illegal placement of children and shall be punished by a fine not to exceed Fifty Thousand Dollars (\$50,000.00) or by imprisonment not more than five (5) years, or both such fine and imprisonment.

SECTION 13. Section 43-15-125, Mississippi Code of 1972, is amended as follows:

43-15-125. The Department of Human Services and/or its officers, employees, attorneys and representatives and/or the board shall not be held civilly liable for any findings, recommendations or actions taken pursuant to this article.

SECTION 14. Section 49-7-27, Mississippi Code of 1972, is amended as follows:

49-7-27. (1) The commission may revoke any hunting, trapping, or fishing privileges, license or deny any person the right to secure such license if the person has been convicted of the violation of any of the provisions of this chapter or any regulation thereunder. The revocation of the privilege, license or refusal to grant license shall be for a period of one (1) year. However, before the revocation of the privilege or license shall become effective, the executive director shall send by registered mail notice to the person or licensee, who shall have the right to a hearing or representation before the commission at the next regular meeting or a special meeting. The notice shall set out fully the ground or complaint upon which revocation of, or refusal to grant, the privilege or license is sought.

(2) Any person who is convicted for a second time during any period of twelve (12) consecutive months for violation of any of the laws with respect to game, fish or nongame fish or animals shall forfeit his privilege and any license or licenses issued to him by the commission and the commission shall not issue the person any license for a period of one (1) year from the date of forfeiture.

(3) Failure of any person to surrender his license or licenses upon demand made by the commission or by its representatives at the direction of the commission shall be a misdemeanor and shall be punishable as such.

(4) Any violator whose privilege or license has been revoked, who shall, during the period of revocation, be apprehended for hunting or fishing, shall have imposed upon him a mandatory jail term of not less than thirty (30) days nor more than six (6) months.

(5) The commission * * * shall suspend any license issued to any person under this chapter for being out of compliance with an order for support, as defined in Section 93-11-153. The procedure for suspension of a license for being out of compliance with an order for support, and the procedure for the reissuance or reinstatement of a license suspended for that purpose, and the payment of any fees for the reissuance or reinstatement of a license suspended for that purpose, shall be governed by Section 93-11-157 or 93-11-163, as the case may be. If there is any conflict between any provision of Section 93-11-157 or 93-11-163 and any provision of this chapter, the provisions of Section 93-11-157 or 93-11-163, as the case may be, shall control.

(6) If a person is found guilty or pleads guilty or nolo contendere to a violation of Section 49-7-95, and then appeals, the commission shall suspend or revoke the hunting privileges of that person pending the determination of his appeal.

(7) (a) If a person does not comply with a summons or a citation or does not pay a fine, fee or assessment for violating a wildlife law or regulation, the commission shall revoke the fishing, hunting, or trapping privileges of that person. When a person does not comply or fails to pay, the clerk of the court shall notify the person in writing by first class mail that if the person does not comply or pay within ten (10) days from the date of mailing, the court will notify the commission and the commission will revoke the fishing, hunting or trapping privileges of that person. The cost of notice may be added to other court costs. If the person does not comply or pay as required, the court clerk shall immediately mail a copy of the court record and a copy of the notice to the commission. After receiving notice from the court, the commission shall revoke the fishing, hunting or trapping privileges of that person.

(b) A person whose fishing, hunting or trapping privileges have been revoked under this subsection shall remain revoked until the person can show proof that all obligations of the court have been met.

(c) A person shall pay a Twenty-five Dollar (\$25.00) fee to have his privileges reinstated. The fee shall be paid to the department.

SECTION 15. Section 93-11-155, Mississippi Code of 1972, is amended as follows:

93-11-155. (1) In the manner and form prescribed by the division, all licensing entities shall provide to the division, on at least a quarterly basis, information on licensees for use in the establishment, enforcement and collection of child support obligations including, but not limited to: name, address, social security number, sex, date of birth, employer's name and address, type of license, effective date of the license, expiration date of the license, and active or inactive license status. Whenever technologically feasible, the department and licensing entities shall seek to reach agreements to provide the information required by this section by way of electronic data media, including, but not limited to, on-line access and records on magnetic/optical disk or tape. In lieu of providing the licensing information to the division as outlined above and in the discretion of the licensing entity, the division shall provide the identity of the individual who is delinquent in support payments to the licensing entity who will then match that information with their records and provide the division with all necessary information for those individuals licensed by that entity.

(2) Any * * * party to whom support is due either with or without the assistance of a licensed attorney, may submit to the division the name and record of accounting showing an arrearage of an individual who is out of compliance with an order for support which is not being enforced by the division under Title IV-D, and the division shall submit

the name of such individual to the licensing entities who will match the name with their records in the same manner as provided in subsection (1) to provide the party or his or her attorney with necessary information regarding licensees. The party or attorney applying for such information shall pay a fee not to exceed Twenty-five Dollars (\$25.00) for such service.

SECTION 16. Section 93-11-157, Mississippi Code of 1972, is brought forward as follows:

93-11-157. (1) The division shall review the information received under Section 93-11-155 and any other information available to the division, and shall determine if a licensee is out of compliance with an order for support. If a licensee is out of compliance with the order for support, the division shall notify the licensee by first class mail that ninety (90) days after the licensee receives the notice of being out of compliance with the order, the licensing entity will be notified to immediately suspend the licensee's license unless the licensee pays the arrearage owing, according to the accounting records of the Mississippi Department of Human Services or the attorney representing the party to whom support is due, as the case may be, or enters into a stipulated agreement and agreed judgment establishing a schedule for the payment of the arrearage. The licensee shall be presumed to have received the notice five (5) days after it is deposited in the mail.

(2) Upon receiving the notice provided in subsection (1) of this section the licensee may:

(a) Request a review with the division; however, the issues the licensee may raise at the review are limited to whether the licensee is the person required to pay under the order for support and whether the licensee is out of compliance with the order for support; or

(b) Request to participate in negotiations with the division for the purpose of establishing a payment schedule for the arrearage.

(3) The division director or the designees of the division director may and, upon request of a licensee, shall negotiate with a licensee to establish a payment schedule for the arrearage. Payments made under the payment schedule shall be in addition to the licensee's ongoing obligation under the latest entered periodic order for support.

(4) Should the division and the licensee reach an agreement on a payment schedule for the arrearage, the division director may submit to the court a stipulated agreement and agreed judgment containing the payment schedule which, upon the court's approval, is enforceable as any order of the court. If the court does not approve the stipulated agreement and agreed judgment, the court may require a hearing on a case-by-case basis for the judicial review of the payment schedule agreement.

(5) If the licensee and the division do not reach an agreement on a payment schedule for the arrearage, the licensee may move the court to establish a payment schedule. However, this action does not stay the license suspension.

(6) The notice given to a licensee that the licensee's license will be suspended in ninety (90) days must clearly state the remedies and procedures that are available to a licensee under this section.

(7) If at the end of the ninety (90) days the licensee has an arrearage according to the accounting records of the Mississippi Department of Human Services or the attorney representing the party to whom support is due, as the case may be, and the licensee has not entered into a stipulated agreement and agreed judgment establishing a payment schedule for the arrearage, the division shall immediately notify all applicable licensing entities in writing to suspend the licensee's license, and the licensing entities shall immediately suspend the license and shall within three (3) business days notify the

licensee and the licensee's employer, where known, of the license suspension and the date of such suspension by certified mail return receipt requested. Within forty-eight (48) hours of receipt of a request in writing delivered personally, by mail or by electronic means, the department shall furnish to the licensee, licensee's attorney or other authorized representative a copy of the department's accounting records of the licensee's payment history. A licensing entity shall immediately reinstate the suspended license upon the division's notification of the licensing entities in writing that the licensee no longer has an arrearage or that the licensee has entered into a stipulated agreement and agreed judgment.

(8) Within thirty (30) days after a licensing entity suspends the licensee's license at the direction of the division under subsection (7) of this section, the licensee may appeal the license suspension to the chancery court of the county in which the licensee resides or to the Chancery Court of the First Judicial District of Hinds County, Mississippi, upon giving bond with sufficient sureties in the amount of Two Hundred Dollars (\$200.00), approved by the clerk of the chancery court and conditioned to pay any costs that may be adjudged against the licensee. Notice of appeal shall be filed in the office of the clerk of the chancery court. If there is an appeal, the appeal may, in the discretion of and on motion to the chancery court, act as a supersedeas of the license suspension. The department shall be the appellee in the appeal, and the licensing entity shall not be a party in the appeal. The chancery court shall dispose of the appeal and enter its decision within thirty (30) days of the filing of the appeal. The hearing on the appeal may, in the discretion of the chancellor, be tried in vacation. The decision of the chancery court may be appealed to the Supreme Court in the manner provided by the rules of the Supreme Court. In the discretion of and on motion to the chancery court, no person shall be allowed to practice any business, occupation or profession or take any other action under the authority of any license the suspension of which has been affirmed by the chancery court while an appeal to the Supreme Court from the decision of the chancery court is pending.

(9) If a licensee who has entered a stipulated agreement and agreed judgment for the payment of an arrearage under this section subsequently is out of compliance with an order for support, the division shall immediately notify the licensing entity to suspend the licensee's license, and the licensing entity shall immediately suspend the license without a hearing and shall within three (3) business days notify the licensee in writing of the license suspension. In the case of a license suspension under the provisions of this subsection, the procedures provided for under subsections (1) and (2) of this section are not required; however, the appeal provisions of subsection (8) of this section still apply. After suspension of the license, if the licensee subsequently enters into a stipulated agreement and agreed judgment or the licensee otherwise informs the division of compliance with the order for support, the division shall within seven (7) days notify in writing the licensing entity that the licensee is in compliance. Upon receipt of that notice from the division, a licensing entity shall immediately reinstate the license of the licensee and shall within three (3) business days notify the licensee of the reinstatement.

(10) Nothing in this section prohibits a licensee from filing a motion for the modification of an order for support or for any other applicable relief. However, no such action shall stay the license suspension procedure, except as may be allowed under subsection (8) of this section.

(11) If a license is suspended under the provisions of this section, the licensing entity is not required to refund any fees paid by a licensee in connection with obtaining or renewing a license.

(12) The requirement of a licensing entity to suspend a license under this section does not affect the power of the licensing entity to deny, suspend, revoke or terminate a license for any other reason.

(13) The procedure for suspension of a license for being out of compliance with an order for support, and the procedure for the reissuance or reinstatement of a license

suspended for that purpose, shall be governed by this section and not by the general licensing and disciplinary provisions applicable to a licensing entity. Actions taken by a licensing entity in suspending a license when required by this section are not actions from which an appeal may be taken under the general licensing and disciplinary provisions applicable to the licensing entity. Any appeal of a license suspension that is required by this section shall be taken in accordance with the appeal procedure specified in subsection (8) of this section rather than any procedure specified in the general licensing and disciplinary provisions applicable to the licensing entity. If there is any conflict between any provision of this section and any provision of the general licensing and disciplinary provisions applicable to a licensing entity, the provisions of this section shall control.

(14) No license shall be suspended under this section until ninety (90) days after July 1, 1996. This ninety-day period shall be a one-time amnesty period in which any person who may be subject to license suspension under this article may comply with an order of support in order to avoid the suspension of any license.

(15) Any individual who fails to comply with a subpoena or warrant relating to paternity or child support proceedings after receiving appropriate notice may be subject to suspension or withholding of issuance of a license under this section.

SECTION 17. This act shall take effect and be in force from and after July 1, 2023.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

SECTION 1. Section 37-6-13, Mississippi Code of 1972, is amended as follows:

37-6-13. (1) Each person serving as a member of the school board of any school district shall receive per diem in the amount of * * * One Hundred Twelve Dollars (\$112.00) for no more than thirty-six (36) meetings of the school board during any one (1) fiscal year or, in his or her discretion, irrevocably may choose to receive as compensation for his or her services an annual salary * * *, subject to the following provisions:

(a) For a person serving as a member of the school board of a school district with less than five thousand (5,000) students enrolled in the school district, the person shall receive an annual salary of Four Thousand Dollars (\$4,000.00);

(b) For a person serving as a member of the school board of a school district with at least five thousand (5,000) students but less than ten thousand (10,000) students enrolled in the school district, the person shall receive an annual salary of not less than Four Thousand Dollars (\$4,000.00) but not more than Five Thousand Dollars (\$5,000.00); and

(c) For a person serving as a member of the school board of a school district with greater than ten thousand (10,000) students enrolled in the school district, the person shall receive an annual salary of not less than Four Thousand Dollars (\$4,000.00) but not more than Six Thousand Dollars (\$6,000.00). This choice shall remain in force for all successive terms or periods of service of that member. The receipt of the compensation shall not entitle any member of a school board to receive or be eligible for any state employee group insurance, retirement or other fringe benefits. Each member shall be reimbursed for the necessary expenses and mileage in attending meetings of the school board. In addition to the foregoing, all members may be reimbursed for mileage and actual expenses incurred in the further performance of their duties, including attendance at any mandatory school board training session or at regional and national education meetings, when such mileage and other expenses are authorized by the board prior to the date on which they occur. Detailed vouchers shall be submitted for reimbursement for all expenses authorized by this section. Such reimbursement shall be in accordance with Section 25-3-41.

For purposes of this subsection, consideration may be given only to meetings of which public notice is required.

(b) Before February 1 of each year, the president of each local school board shall submit a report to the State Board of Education containing the names of any members of the school board who missed twenty percent (20%) or more of the school board meetings during the preceding calendar year.

AN ACT TO AMEND SECTION 37-6-13, MISSISSIPPI CODE OF 1972, TO INCREASE THE COMPENSATION OF SCHOOL BOARD MEMBERS BASED ON THE SCHOOL DISTRICTS' ENROLLMENT; AND FOR RELATED PURPOSES.

Senator DeBar called up the following House Amendment to **S. B. No. 2812** and moved that the Senate decline to concur in the Amendment, and invite conference, and the motion prevailed.

AMENDMENT NO. 1:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 37-17-13, Mississippi Code of 1972, is amended as follows:

37-17-13. (1) Whenever the Governor declares a state of emergency in a school district in response to a certification by the State Board of Education and the Commission on School Accreditation made under Section 37-17-6(12)(b), the State Board of Education, in addition to any actions taken under Section 37-17-6, may abolish the school district and assume control and administration of the schools formerly constituting the district, and appoint an interim superintendent to carry out this purpose under the direction of the State Board of Education. In such case, the State Board of Education shall have all powers which were held by the previously existing school board, and the previously existing superintendent of schools or county superintendent of education, including, but not limited to, those enumerated in Section 37-7-301, and the authority to request tax levies from the appropriate governing authorities for the support of the schools and to receive and expend the tax funds as provided by Section 37-57-1 et seq. and Section 37-57-105 et seq.

(2) When a school district is abolished under this section, loans from the School District Emergency Assistance Fund may be made by the State Board of Education for the use and benefit of the schools formerly constituting the district in accordance with the procedures set forth in Section 37-17-6(15) for such loans to the district. The abolition of a school district under this section shall not impair or release the property of that school district from liability for the payment of the loan indebtedness, and it shall be the duty of the appropriate governing authorities to levy taxes on the property of the district so abolished from year to year according to the terms of the indebtedness until same shall be fully paid.

(3) After a school district is abolished under this section, at such time as the State Board of Education determines that the impairments have been substantially corrected after a period of maintaining a "C" accountability rating for five (5) consecutive years, unless the State Board of Education determines that the district is eligible to return to local control in less than the five-year period, the State Board of Education shall reconstitute, reorganize or change or alter the boundaries of the previously existing district; however, no partition or assignment of territory formerly included in the abolished district to one or more other school districts may be made by the State Board of Education without the consent of the school board of the school district to which such territory is to be transferred, such consent to be spread upon its minutes. At that time, the State Board of Education, in appropriate cases, shall notify the appropriate governing authority or authorities of its action and request them to provide for the election or appointment of school board members in the manner provided by law. In the event the applicable statute provides that vacancies in an all-elected membership of the school board will be filled by appointment by the remaining members of the school board and no members of the school board remain in office, the Governor shall call a special election to fill the vacancies. In such situations, the Governor will set the date of the special election and the election will be conducted by the county election commission. The State Board of Education shall also request the governing authority or authorities to provide for the appointment of a superintendent or superintendents to govern the reconstituted, reorganized or changed district or districts, which such appointed position shall apply in all school districts including those school districts in which the position of superintendent was previously an elected office. A board member or superintendent in office at the time the Governor declares a state of emergency in a school district to be abolished shall not be eligible to serve in that office for the school district reconstituted, reorganized or changed after the Governor declares that an emergency no longer exists.

(4) As an alternative to the procedure set forth in subsection (3), in the event a local school board is abolished by the State Board of Education pursuant to this section, after the State Board of Education determines that the impairments are being substantially corrected and the responsibility of the district transformation in such district upon the conclusion of the final scholastic year in which a district has maintained a "C" accountability rating for five (5) consecutive years, unless the State Board of Education determines that the district is eligible to return to local control in less than the five-year period, the State Board of Education may appoint a new five-member board for the administration of the school district and shall notify the local county board of supervisors and/or municipal governing authority of such appointment, spreading the names of the new school board members on its minutes. The new local school board members shall be residents of the school district. The new local school board members appointed by the State Board of Education may serve in an advisory capacity to the interim superintendent for its first year of service and thereafter shall have full responsibility to administer the school district. Thirty (30) days prior to the end of the first year of office as an advisory board, each member shall draw lots to determine when the members shall rotate off the board as follows: one (1) member shall serve a one-year term of office; one (1) member shall serve a two-year term of office; one (1) member shall serve a three-year term of office; one (1) member shall serve a four-year term of office; and one (1) member shall serve a five-year term of office. At that time, the State Board of Education shall notify the appropriate board of supervisors or municipal governing authority of this action and request them to provide for the election or appointment of school board members at the

end of the terms of office in the manner provided by law, in order for the local residents of the school district to select a new school board on a phased-in basis. In such situations, the Governor will set the date of any necessary special election which shall be conducted by the county election commission. The State Board of Education shall also request the new school board to provide for the appointment of a superintendent to govern the reconstituted or reorganized school district, including those school districts in which the position of superintendent was previously an elected office. A board member or superintendent in office at the time the Governor declares a state of emergency in a school district shall not be eligible to serve in the office of school board member or superintendent for the school district reconstituted or reorganized following the district transformation period.

This subsection (4) shall stand repealed from and after July 1, * * * 2026.

(5) Notwithstanding any other law to the contrary, the minimum terms imposed under this section shall not be reduced or suspended nor shall such person be eligible for probation or parole before the expiration of the minimum term of incarceration.

The provisions of this subsection (5) shall not apply if the sentencing judge determines that the interests of justice would not be served by imposition of the proscribed mandatory portions of the sentence. In determining whether to apply the departure from the sentence proscribed, the court shall consider:

(a) The defendant's age at the time of the crime and the hallmark characteristics of youth, including immaturity, impetuosity, and the failure to appreciate risks and consequences.

(b) The defendant's family and home environment in which the defendant was raised, and that children generally have no control over their family and home environment.

(2) In reviewing a sentence pursuant to paragraph (1) of this statute, the Supreme Court shall determine if there is unjustified sentence disparity. To determine disparity the Supreme Court shall consider all evidence presented by the parties including statistical evidence or aggregate data and compare the sentence in the case being reviewed with the sentence imposed on all convicted of the same crime taking into consideration a defendant's role in the crime, the defendant's criminal history, the defendant's social history including defendant's age, race, color, religion, sex, national origin or economic status. The Supreme Court shall also consider whether the defendant's exercise of constitutional rights, particularly the right to a trial by jury, resulted in sentencing disparity.

(3) If the court determines that there is an unjustified sentence disparity the court shall remand the matter to the sentencing court for resentencing.

Section 3. Confidential informants shall be at least eighteen (18) years of age, and notified of their right to contact an attorney, and one or both parents if under the age of twenty-one (21), and all notifications shall happen at least twenty-four (24) hours before they agree to serve. SECTION 5. The Legislature finds that:

(a) Domestic violence is a serious issue that causes substantial damage to victims and children as well as to the community. 9-23-107. (1) The Administrative Office of Courts shall develop uniform standards for operation of a domestic abuse court. Any domestic abuse court shall operate pursuant to those standards. Such standards shall, at a minimum, include provisions for:
