(e) Any student currently enrolled in any qualified institution shall have to only meet the same requirements as students who are applying for a renewal award.

(5) By accepting a Mississippi Resident Tuition Assistance Grant, the student is attesting to the accuracy, completeness and correctness of information provided to demonstrate the student's eligibility. Falsification of such information shall result in the denial of any pending grant and revocation of any award currently held to the extent that no further payments shall be made. Any student knowingly making false statements in order to receive a grant shall be guilty of a misdemeanor punishable, upon conviction thereof, by a fine of up to Ten Thousand Dollars (\$10,000.00), a prison sentence of up to one (1) year in the county jail, or both, and shall be required to return all Mississippi Resident Tuition Assistance Grants wrongfully obtained.

(a) Make steady academic progress toward a certificate or degree, as outlined in the school Satisfactory Academic Progress Standards and certified by the institution's registrar.

(8) (a) The amount of the Mississippi Resident Tuition Assistance Grant awarded to any one (1) student, up to the maximum amount provided in subsection (3) of this section, shall be the difference of the student's cost of attendance at his accredited college of choice and the amount of federal aid such student may receive, not to supplant but to supplement the amount of any federal aid awarded to the student. Cost of attendance is the tuition and fees of the applicable institution plus an allowance for room and meals and books and materials.

(b) Payment of the Mississippi Resident Tuition Assistance Grant shall be made payable to the recipient and the educational institution and mailed directly to the institution, to be applied first to tuition.

(9) In order for an institution to remain eligible for its students to participate in the Mississippi Resident Tuition Assistance Grant Program, the institution shall comply with the following requirements:

(b) The institution is required to make refunds to the Mississippi Resident Tuition Assistance Grant Fund for any funds which have not been disbursed to the recipient, in the case of students who have received a grant but who terminate enrollment during the academic term, semester or quarter of the academic year if an institution's refund policies permit a student to receive a refund in such instance. The recipient shall be responsible for the refund of any funds which have been disbursed by the institution in such instance.

(c) If a student drops below full-time status but does not terminate all enrollment during the term, semester or quarter of the academic year no refund will be required for that term. However, that student is ineligible to receive the Mississippi Resident Tuition Assistance Grant during the following term, semester or quarter of the regular academic year.

(d) The board may conduct its own annual audits of any institution participating in the Mississippi Resident Tuition Assistance Grant Program. The board may suspend or revoke an institution's eligibility to receive future monies under the program if it finds that the institution has not complied with the provisions of this section. In determining a student's initial eligibility, the number of prior semesters enrolled will not be counted against the student.

(10) No student may receive a Mississippi Resident Tuition Assistance Grant for more than the equivalent semesters or quarters required to complete one (1) baccalaureate degree or one (1) certificate or associate degree program per institution.

(11) No student receiving a Mississippi Eminent Scholars Grant as provided in Section 37-106-31 shall be eligible to receive the Mississippi Resident Tuition Assistance Grant pursuant to this section unless he is eligible for such award after the Mississippi Eminent Scholars Grant has been considered by the board when conducting an assessment of the financial resources available to the student. In no case shall any student receive any combination of student financial aid that would exceed the cost of attendance, as defined in subsection (8)(a).

For purposes of this section, certificated shall mean, but not be limited to, all postsecondary vocational programs in eligible institutions approved by the board.

SECTION 1. Section 73-35-4.1, Mississippi Code of 1972, is amended as follows:

73-35-4.1. (1) (a) In connection with any real estate transaction, the size or area, in square footage or otherwise, of the subject property, if provided by any real estate licensee in accordance with paragraph (b)(i) and (ii), shall not be considered any warranty or guarantee of the size or area information, in square footage or otherwise, of the subject property.

(b) (i) If a real estate licensee provides any party to a real estate transaction with third-party information concerning the size or area, in square footage or otherwise, of the subject property involved in the transaction, the licensee shall identify the source of the information.

(ii) For the purposes of this section, "third-party information" means:

1. An appraisal or any measurement information prepared by a licensed appraiser;
2. A surveyor developer's plan prepared by a licensed surveyor;
3. A tax assessor's public record; or
4. A builder's plan used to construct or market the property.

(c) A real estate licensee has no duty to the seller or purchaser of real property to conduct an independent investigation of the size or area, in square footage or otherwise, of a subject property, or to independently verify the accuracy of any third-party information.

(d) A real estate licensee who has complied with the requirements of this section, as applicable, shall have no further duties to the seller or purchaser of real property regarding disclosed or undisclosed property size or area information, and shall not be subject to liability to any party for any damages sustained with regard to any conflicting measurements or opinions of size or area, including exemplary or punitive damages.

(b) The sole and exclusive civil remedy at common law or otherwise for a violation of this section by a real estate licensee shall be an action for actual damages suffered by the party as a result of such violation and shall not include exemplary or punitive damages.

(c) For any real estate transaction commenced after the effective date of this section, any civil action brought pursuant to this section shall be commenced within two (2) years after the date of transfer of the subject real property.

(d) In any civil action brought pursuant to this section, the prevailing party shall be allowed court costs and reasonable attorney fees to be set by the court and collected as costs of the action.

(e) A transfer of a possessory interest in real property subject to the provisions of this section may not be invalidated solely because of the failure of any person to comply with the provisions of this section.

(f) The provisions of this section shall apply to, regulate and determine the rights, duties, obligations and remedies, at common law or otherwise, of the seller marketing the seller's real property for sale through a real estate licensee, and of the purchaser of real property offered for sale through a real estate licensee, with respect to disclosure of third-party information concerning the subject real property's size or area, in square footage or otherwise, and this section hereby supplants and abrogates all common-law liability, rights, duties, obligations and remedies of all parties therefor.

(i) Failing to furnish voluntarily, at the time of signing, copies of all listings, contracts and agreements to all parties executing the same;

(j) Paying any rebate, profit or commission to any person other than a real estate broker or salesperson licensed under the provisions of this chapter;

(k) Inducing any party to a contract, sale or lease to break such contract for the purpose of substituting in lieu thereof a new contract, where such substitution is motivated by the personal gain of the licensee;

(l) Accepting a commission or valuable consideration as a real estate salesperson for the performance of any of the acts specified in this chapter from any person, except his employer who must be a licensed real estate broker;

(m) Failing to successfully pass the commission's background investigation for licensure or renewal as provided in Section 73-35-10; or

(n) Any act or conduct, whether of the same or a different character than hereinabove specified, which constitutes or demonstrates bad faith, incompetency or untrustworthiness, or dishonest, fraudulent or improper dealing. However, simple contact and/or communication with any mortgage broker or lender by a real estate licensee about any professional, including, but not limited to, an appraiser, home inspector, contractor, and/or attorney regarding a listing and/or a prospective or pending contract for the lease, sale and/or purchase of real estate shall not constitute conduct in violation of this section.

(2) No real estate broker shall practice law or give legal advice directly or indirectly unless said broker be a duly licensed attorney under the laws of this state. He shall not act as a public conveyancer nor give advice or opinions as to the legal effect of instruments nor give opinions concerning the validity of title to real estate; nor shall he prevent or discourage any party to a real estate transaction from employing the services of an attorney; nor shall a broker undertake to prepare documents fixing and defining the legal rights of parties to a transaction. However, when acting as a broker, he may use an earnest money contract form. A real estate broker shall not participate in attorney's fees, unless the broker is a duly licensed attorney under the laws of this state and performs legal services in addition to brokerage services.

(3) It is expressly provided that it is not the intent and purpose of the Mississippi Legislature to prevent a license from being issued to any person who is found to be of good reputation, is able to give bond, and who has lived in the State of Mississippi for the required period or is otherwise qualified under this chapter.

(4) In addition to the reasons specified in subsection (1) of this section, the commission shall be authorized to suspend the license of any licensee for being out of compliance with an order for support, as defined in Section 93-11-153. The procedure for suspension of a license for being out of compliance with an order for support, and the procedure for the reissuance or reinstatement of a license suspended for that purpose, and the payment of any fees for the reissuance or reinstatement of a license suspended for that purpose, shall be governed by Section 93-11-157 or 93-11-163, as the case may be. If there is any conflict between any provision of Section 93-11-157 or 93-11-163 and any provision of this chapter, the provisions of Section 93-11-157 or 93-11-163, as the case may be, shall control.

(5) Nothing in this chapter shall prevent an associate broker or salesperson from owning any lawfully constituted business organization, including, but not limited to, a corporation, limited liability company or limited liability partnership, for the purpose of receiving payments contemplated in this chapter. The business organization shall not be required to be licensed under this chapter and shall not engage in any other activity requiring a real estate license.

(6) The Mississippi Real Estate Commission shall not promulgate any rule or regulation, nor make any administrative or other interpretation, whereby any real estate licensee may be held responsible or subject to discipline or other actions by the commission relating to the provisions of this section or the information required to be disclosed by Sections 89-1-501 through 89-1-523 or delivery of information required to be disclosed by Sections 89-1-501 through 89-1-523.

SECTION 9. Sections 89-1-521 and 89-1-525, Mississippi Code of 1972, which provide for certain disclosures and penalties of licensed real estate brokers and salespersons, are repealed.

SECTION 10. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AMENDMENT NO. 1:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 19-5-22, Mississippi Code of 1972, is amended as follows:

19-5-22. (1) Fees for garbage or rubbish collection or disposal shall be assessed jointly and severally against the generator of the garbage or rubbish and against the owner of the property furnished the service. In addition to such fees, an additional amount not to exceed up to One Dollar (\$1.00) or ten percent (10%) per month, whichever is greater, on the current monthly bill may be assessed on the balance of any delinquent monthly fees. Any person who pays, as a part of a rental or lease agreement, an amount for garbage or rubbish collection or disposal services shall not be held liable upon the failure of the property owner to pay those fees.

(2) (a) Every generator assessed the fees authorized by Section 19-5-21 and the owner of the property occupied by that generator shall be jointly and severally liable for the fees.

(b) Subject to subsection (6) of this section, the fees shall be a lien upon the real property offered garbage or rubbish collection or disposal service.

(c) (i) The board of supervisors may assess the fees annually. If the fees are assessed annually, the fees for each calendar year shall be a lien upon the real property beginning on January 1 of the next immediately succeeding calendar year subject to subsection (6) of this section. The person or entity owing the fees, upon signing a form provided by the board of supervisors, may pay the fees in equal installments.

(ii) If fees are assessed on a basis other than annually, the fees shall become a lien upon the real property offered the service on the date that the fees become due and payable subject to subsection (6) of this section.

No real or personal property shall be sold to satisfy any lien imposed under this subsection (2).

(d) The county shall mail a notice of the lien, including the amount of unpaid fees and a description of the property subject to the lien, to the owner of the property.

(3) Liens created under subsection (2) may be discharged by filing with the * * * chancery clerk a receipt or acknowledgement, signed by the designated county official or billing and collection entity, that the lien has been paid or discharged.

(4) (a) The board of supervisors may notify the tax collector of any unpaid fees assessed under Section 19-5-21 within ninety (90) days after the fees are due. Before notifying the tax collector, the board of supervisors shall provide notice of the delinquency to the person who owes the delinquent fees and shall afford an opportunity for a hearing, that complies with the due process protections the board deems necessary, consistent with the Constitutions of the United States and the State of Mississippi. The board of supervisors shall establish procedures for the manner in which notice shall be given and the contents of the notice; however, each notice shall include the amount of fees and shall prescribe the procedure required for payment of the delinquent fees. The board of supervisors may designate a disinterested individual to serve as hearing officer. The board of supervisors shall continue to update the delinquency notice to the tax collector at least once per quarter of each year.

(b) Upon receipt of a delinquency notice, the tax collector shall not issue or renew a motor vehicle road and bridge privilege license for any motor vehicle owned by a person who is delinquent in the payment of fees unless those fees in addition to any other taxes or fees assessed against the motor vehicle are paid. Payment of all delinquent garbage fees shall be deemed a condition of receiving a motor vehicle road and privilege license tag.

(c) The tax collector may forward the motor vehicle road and privilege license tag renewal notices to the designated county official or entity that is responsible for the billing and collection of the county garbage fees. The designated county official or the billing and collection entity shall identify those license tags that shall not be issued due to delinquent garbage fees. The designated county official or the billing and collection entity shall stamp a message on the license tag renewal notices that the tag will not be renewed until delinquent garbage fees are paid. The designated county official or the billing and collection entity shall return the license tag notices to the tax collector before the first of the month.

(d) Any appeal from a decision of the board of supervisors under this section regarding payment of delinquent garbage fees may be taken as provided in Section 11-51-75.

(5) The board of supervisors may levy the garbage fees as a special assessment against the property in lieu of the lien authorized in this section. The board of supervisors shall certify to the tax collector the assessment due from the owner of the property. The tax collector shall enter the assessment upon the annual tax roll of the county and shall collect the assessment at the same time he collects the county ad valorem taxes on the property.

No real or personal property shall be sold to satisfy any assessment imposed under this subsection (5).

(6) Liens created under this statute shall be contained in the chancery clerk's office in a separate hard copy book format and/or a digital format and shall include all information necessary for the recording and indexing therein. The registry created herein shall be created on or before January 1, 2024.

SECTION 2. This act shall take effect and be in force from and after July 1, 2023.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

Course placement includes, but is not limited to, honors, International Baccalaureate, advanced placement, vocational, technical, and career pathway courses. Continuing the student's academic program from the previous school and promoting placement in academically and career challenging courses should be paramount when considering placement. This does not preclude the school in the receiving state from performing subsequent evaluations to ensure appropriate placement and continued enrollment of the student in the course(s).

B. Educational program placement. The receiving state school shall initially honor placement of the student in educational programs based on current educational assessments conducted at the school in the sending state or participation/placement in like programs in the sending state. Local education agency administrative officials shall waive specific courses required for graduation if similar coursework has been satisfactorily completed in another local education agency or shall provide reasonable justification for denial. Should a waiver not be granted to a student who would qualify to graduate from the sending school, the local education agency shall provide an alternative means of acquiring required coursework so that graduation may occur on time.

B. Exit exams. States shall accept: (i) exit or end-of-course exams required for graduation from the sending state, (ii) national norm-referenced achievement tests, or (iii) alternative testing, in lieu of testing requirements for graduation in the receiving state. In the event the above alternatives cannot be accommodated by the receiving state for a student transferring in his or her senior year, then the provisions of Article VII, subsection C shall apply.

C. Transfers during senior year. Should a military student transferring at the beginning or during his or her senior year be ineligible to graduate from the receiving local education agency after all alternatives have been considered, the sending and receiving local education agencies shall ensure the receipt of a diploma from the sending local education agency, if the student meets the graduation requirements of the sending local education agency. In the event that one (1) of the states in question is not a member of this compact, the member state shall use best efforts to facilitate the on-time graduation of the student in accordance with subsections A and B of this Article.

ARTICLE VIII

STATE COORDINATION

A member state that does not have a school district deemed to contain a high concentration of military children may appoint a superintendent from another school district to represent local education agencies on the State Council.

B. The State Council of each member state shall appoint or designate a military family education liaison to assist military families and the state in facilitating the implementation of this compact.

C. The Governor of each member state shall appoint or designate a compact commissioner responsible for the administration and management of the state's participation in the compact and who is empowered to establish statewide policy related to matters governed by this compact.

D. The compact commissioner and the military family education liaison designated herein shall be ex officio members of the State Council, unless either is already a full voting member of the State Council.

Members of the executive committee shall serve a one-year term. Members of the executive committee shall be entitled to one (1) vote each. The executive committee shall have the power to act on behalf of the Interstate Commission, with the exception of rule-making, during periods when the Interstate Commission is not in session. The executive committee shall oversee the day-to-day activities of the administration of the compact, including enforcement and compliance with the provisions of the compact, its bylaws and rules, and other such duties as deemed necessary. The U.S. Department of Defense shall serve as an ex officio, nonvoting member of the executive committee.

F. Establish bylaws and rules that provide for conditions and procedures under which the Interstate Commission shall make its information and official records available to the public for inspection or copying. The Interstate Commission may exempt from disclosure information or official records to the extent they would adversely affect personal privacy rights or proprietary interests.

G. Public notice shall be given by the Interstate Commission of all meetings, and all meetings shall be open to the public, except as set forth in the rules or as otherwise provided in the compact. The Interstate Commission and its committees may close a meeting, or portion thereof, when it determines by two-thirds (2/3) vote that an open meeting would be likely to:

1. Relate solely to the Interstate Commission's internal personnel practices and procedures;
 2. Disclose matters specifically exempted from disclosure by federal and state statute;
 3. Disclose trade secrets or commercial or financial information that is privileged or confidential;
 4. Involve accusing a person of a crime or formally censuring a person;
 5. Disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;
 6. Disclose investigative records compiled for law enforcement purposes;
- or
7. Specifically relate to the Interstate Commission's participation in a civil action or other legal proceeding.

H. For a meeting, or portion of a meeting, closed pursuant to the provisions of subsection G, the Interstate Commission's legal counsel or designee shall certify that the

meeting may be closed and shall reference each relevant exemptible provision. The Interstate Commission shall keep minutes, which shall fully and clearly describe all matters discussed in a meeting and shall provide a full and accurate summary of actions taken, and the reasons therefor, including a description of the views expressed and the record of a roll call vote. All documents considered in connection with an action shall be identified in such minutes. All minutes and documents of a closed meeting shall remain under seal, subject to release by a majority vote of the Interstate Commission.

I. The Interstate Commission shall collect standardized data concerning the educational transition of the children of military families under this compact as directed through its rules, which shall specify the data to be collected, the means of collection and data exchange, and reporting requirements. Such methods of data collection, exchange, and reporting shall, insofar as is reasonably possible, conform to current technology and coordinate its information functions with the appropriate custodian of records as identified in the bylaws and rules.

J. The Interstate Commission shall create a process that permits military officials, education officials, and parents to inform the Interstate Commission if and when there are alleged violations of the compact or its rules or when issues subject to the jurisdiction of the compact or its rules are not addressed by the state or local education agency. This subsection shall not be construed to create a private right of action against the Interstate Commission or any member state.

ARTICLE XI

ORGANIZATION AND OPERATION OF THE INTERSTATE COMMISSION

Section 11. A. The Interstate Commission shall, by a majority of the members present and voting, within twelve (12) months after the first Interstate Commission meeting, adopt bylaws to govern its conduct as may be necessary or appropriate to carry out the purposes of the compact, including, but not limited to:

1. Establishing the fiscal year of the Interstate Commission;
2. Establishing an executive committee and such other committees as may be necessary;
3. Providing for the establishment of committees and for governing any general or specific delegation of authority or function of the Interstate Commission;
4. Providing reasonable procedures for calling and conducting meetings of the Interstate Commission and ensuring reasonable notice of each such meetings;
5. Establishing the titles and responsibilities of the officers and staff of the Interstate Commission;
6. Providing a mechanism for concluding the operations of the Interstate Commission and the return of surplus funds that may exist upon the termination of the compact after the payment and reserving all of its debts and obligations; and

7. Providing "start-up" rules for initial administration of the compact.

B. The Interstate Commission shall, by a majority of the members, elect annually from among its members a chairperson, a vice chairperson and a treasurer, each of whom shall have the authority and duties as may be specified in the bylaws. The chairperson or, in the chairperson's absence or disability, the vice chairperson shall preside at all meetings of the Interstate Commission. The officers so elected shall serve without compensation or remuneration from the Interstate Commission provided that, subject to the availability of budgeted funds, the officers shall be reimbursed for ordinary and necessary costs and expenses incurred by them in the performance of their responsibilities as officers of the Interstate Commission.

C. Executive Committee, officers, and personnel.

1. The executive committee shall have such authority and duties as may be set forth in the bylaws, including, but not limited to: (a) managing the affairs of the Interstate Commission in a manner consistent with the bylaws and purposes of the Interstate Commission; (b) overseeing an organizational structure within and appropriate procedures for the Interstate Commission to provide for the creation of rules, operating procedures, and administrative and technical support functions; and (c) planning, implementing, and coordinating communications and activities with other state, federal, and local government organizations in order to advance the goals of the Interstate Commission.

2. The executive committee may, subject to the approval of the Interstate Commission, appoint or retain an executive director for such period, upon such terms and conditions, and for such compensation as the Interstate Commission may deem appropriate. The executive director shall serve as secretary to the Interstate Commission, but shall not be a member of the Interstate Commission. The executive director shall hire and supervise such other persons as may be authorized by the Interstate Commission.

D. The Interstate Commission's executive director and its employees shall be immune from suit and liability, either personally or in their official capacity, for a claim for damage to or loss of property or personal injury or other civil liability caused or arising out of or relating to an actual or alleged act, error, or omission that occurred, or that such person had a reasonable basis for believing occurred, within the scope of Interstate Commission employment, duties, or responsibilities, provided that such person shall not be protected from suit or liability for damage, loss, injury, or liability caused by the intentional or willful and wanton misconduct of such person.

1. The liability of the Interstate Commission's executive director and employees or the Interstate Commission representatives, acting within the scope of their employment or duties for acts, errors, or omissions occurring within such person's state, may not exceed the limits of liability set forth under the constitution and laws of that state for state officials, employees, and agents. The Interstate Commission is considered to be an instrumentality of the states for the purposes of any such action. Nothing in this subsection D shall be construed to protect such person from suit or liability for damage, loss, injury, or liability caused by the intentional or willful and wanton misconduct of such person.

2. The Interstate Commission shall defend the executive director and its employees and, subject to the approval of the Attorney General or other appropriate legal counsel of the member state represented by an Interstate Commission representative, shall defend such Interstate Commission representative in any civil action seeking to impose liability arising out of an actual or alleged act, error, or omission that occurred within the scope of Interstate Commission employment, duties, or responsibilities, or that the defendant had a reasonable basis for believing occurred within the scope of Interstate Commission employment, duties, or responsibilities provided that the actual or alleged

act, error, or omission did not result from intentional or willful and wanton misconduct on the part of such person.

3. To the extent not covered by the state involved, member state, or the Interstate Commission, the representatives or employees of the Interstate Commission shall be held harmless in the amount of a settlement or judgment, including attorney's fees and costs, obtained against such persons arising out of an actual or alleged act, error, or omission that occurred within the scope of Interstate Commission employment, duties, or responsibilities, or that such persons had a reasonable basis for believing occurred within the scope of Interstate Commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from intentional or willful and wanton misconduct on the part of such persons.

ARTICLE XII

RULE-MAKING FUNCTIONS OF THE INTERSTATE COMMISSION

Section 12. A. Rule-making authority. The Interstate Commission shall promulgate reasonable rules in order to effectively and efficiently achieve the purposes of this compact. Notwithstanding the foregoing, in the event the Interstate Commission exercises its rule-making authority in a manner that is beyond the scope of the purposes of this compact, or the powers granted hereunder, then such an action by the Interstate Commission shall be invalid and have no force or effect.

B. Rule-making procedure. Rules shall be made pursuant to a rule-making process that substantially conforms to the "Model State Administrative Procedure Act," of 1981 Act, Uniform Laws Annotated, Vol. 15, p. 1 (2000) as amended, as may be appropriate to the operations of the Interstate Commission.

C. Not later than thirty (30) days after a rule is promulgated, any person may file a petition for judicial review of the rule provided that the filing of such a petition shall not stay or otherwise prevent the rule from becoming effective unless the court finds that the petitioner has a substantial likelihood of success. The court shall give deference to the actions of the Interstate Commission consistent with applicable law and shall not find the rule to be unlawful if the rule represents a reasonable exercise of the Interstate Commission's authority.

D. If a majority of the Legislatures of the compacting states rejects a rule by enactment of a statute or resolution in the same manner used to adopt the compact, then such rule shall have no further force and effect in any compacting state.

ARTICLE XIII

OVERSIGHT, ENFORCEMENT, AND DISPUTE RESOLUTION

Section 13. A. Oversight.

1. The executive, legislative, and judicial branches of state government in each member state shall enforce this compact and shall take all actions necessary and appropriate to effectuate the compact's purposes and intent. The provisions of this compact and the rules promulgated hereunder shall have standing as statutory law;

2. All courts shall take judicial notice of the compact and the rules in any judicial or administrative proceeding in a member state pertaining to the subject matter of this compact which may affect the powers, responsibilities, or actions of the Interstate Commission; and

3. The Interstate Commission shall be entitled to receive all service of process in any such proceeding and shall have standing to intervene in the proceeding

for all purposes. Failure to provide service of process to the Interstate Commission shall render a judgment or order void as to the Interstate Commission, this compact, or promulgated rules.

B. Default, technical assistance, suspension, and termination.

If the Interstate Commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this compact, or the bylaws or promulgated rules, the Interstate Commission shall:

1. Provide written notice to the defaulting state and other member states of the nature of the default, the means of curing the default, and any action taken by the Interstate Commission. The Interstate Commission shall specify the conditions by which the defaulting state must cure its default;

2. Provide remedial training and specific technical assistance regarding the default;

3. If the defaulting state fails to cure the default, the defaulting state shall be terminated from the compact upon an affirmative vote of a majority of the member states, and all rights, privileges, and benefits conferred by this compact shall be terminated from the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of the default;

4. Suspension or termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the Interstate Commission to the Governor, the majority and minority leaders of the defaulting state's Legislature, and each of the member states;

5. The state which has been suspended or terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of suspension or termination, including obligations the performance of which extends beyond the effective date of suspension or termination;

6. The Interstate Commission shall not bear any costs relating to any state that has been found to be in default or which has been suspended or terminated from the compact, unless otherwise mutually agreed upon in writing between the Interstate Commission and the defaulting state; and

7. The defaulting state may appeal the action of the Interstate Commission by petitioning the United States District Court for the District of Columbia or the federal district where the Interstate Commission has its principal offices. The prevailing party shall be awarded all costs of such litigation including reasonable attorney's fees.

C. Dispute resolution.

1. The Interstate Commission shall attempt, upon the request of a member state, to resolve disputes that are subject to the compact and that may arise among member states and between member and nonmember states.

2. The Interstate Commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes as appropriate.

D. Enforcement.

1. The Interstate Commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this compact.

2. The Interstate Commission may by majority vote of the members initiate legal action in the United States District Court for the District of Columbia or, at the discretion of the Interstate Commission, in the federal district where the Interstate Commission has its principal offices to enforce compliance with the provisions of the compact, its promulgated rules and bylaws against a member state in default. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation including reasonable attorney's fees.

3. The remedies herein shall not be the exclusive remedies of the Interstate Commission. The Interstate Commission may avail itself of any other remedies available under state law or the regulation of a profession.

ARTICLE XIV

FINANCING OF THE INTERSTATE COMMISSION

Section 14. A. The Interstate Commission shall pay or provide for the payment of the reasonable expenses of its establishment, organization, and ongoing activities.

B. The Interstate Commission may levy on and collect an annual assessment from each member state to cover the cost of the operations and activities of the Interstate Commission and its staff, which must be in a total amount sufficient to cover the Interstate Commission's annual budget as approved each year. The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the Interstate Commission, which shall promulgate a rule binding upon all member states.

C. The Interstate Commission shall not incur obligations of any kind prior to securing the funds adequate to meet the same nor shall the Interstate Commission pledge the credit of any of the member states, except by and with the authority of the member state.

D. The Interstate Commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Interstate Commission shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the Interstate Commission shall be audited yearly by a certified or licensed public accountant and the report of the audit shall be included in and become part of the annual report of the Interstate Commission.

ARTICLE XV

MEMBER STATES, EFFECTIVE DATE, AND AMENDMENT

Section 15. A. Any state is eligible to become a member state.

B. The compact shall become effective and binding upon legislative enactment of the compact into law by no less than ten (10) of the states. The effective date shall be no earlier than December 1, 2008. Thereafter it shall become effective and binding as to any other member state upon enactment of the compact into law by that state. The Governors of nonmember states or their designees shall be invited to participate in the activities of the Interstate Commission on a nonvoting basis prior to adoption of the compact by all states.

C. The Interstate Commission may propose amendments to the compact for enactment by the member states. No amendment shall become effective and binding upon the Interstate Commission and the member states unless and until it is enacted into law by unanimous consent of the member states.

ARTICLE XVI

WITHDRAWAL AND DISSOLUTION

Section 16. A. Withdrawal.

1. Once effective, the compact shall continue in force and remain binding upon each and every member state, provided that a member state may withdraw from the compact specifically by repealing the statute which enacted the compact into law.

2. Withdrawal from this compact shall be by the enactment of a statute repealing the same, but shall not take effect until one (1) year after the effective date of such statute and until written notice of the withdrawal has been given by the withdrawing state to the Governor of each other member jurisdiction.

3. The withdrawing state shall immediately notify the chairperson of the Interstate Commission in writing upon the introduction of legislation repealing this compact in the withdrawing state. The Interstate Commission shall notify the other member states of the withdrawing state's intent to withdraw within sixty (60) days of its receipt thereof.

4. The withdrawing state is responsible for all assessments, obligations, and liabilities incurred through the effective date of withdrawal, including obligations the performance of which extends beyond the effective date of withdrawal.

5. Reinstatement following withdrawal of a member state shall occur upon the withdrawing state reenacting the compact or upon such later date as determined by the Interstate Commission.

B. Dissolution of compact.

1. This compact shall dissolve effective upon the date of the withdrawal or default of the member state that reduces the membership in the compact to one (1) member state.

2. Upon the dissolution of this compact, the compact becomes null and void and shall be of no further force or effect and the business and affairs of the Interstate Commission shall be concluded and surplus funds shall be distributed in accordance with the bylaws.

ARTICLE XVII

SEVERABILITY AND CONSTRUCTION

Section 17. A. The provisions of this compact shall be severable and if any phrase, clause, sentence, or provision is deemed unenforceable, the remaining provisions of the compact shall be enforceable.

B. The provisions of this compact shall be liberally construed to effectuate its purposes.

C. Nothing in this compact shall be construed to prohibit the applicability of other interstate compacts to which the states are members.

ARTICLE XVIII

BINDING EFFECT OF COMPACT AND OTHER LAWS

Section 18. A. Other laws.

1. Nothing herein prevents the enforcement of any other law of a member state that is not inconsistent with this compact.

2. All member states' laws conflicting with this compact are superseded to the extent of the conflict.

B. Binding effect of the compact.

1. All lawful actions of the Interstate Commission, including all rules and bylaws promulgated by the Interstate Commission, are binding upon the member states.

2. All agreements between the Interstate Commission and the member states are binding in accordance with their terms.

3. In the event any provision of this compact exceeds the constitutional limits imposed on the Legislature of any member state, such provision shall be ineffective to the extent of the conflict with the constitutional provision in question in that member state.

SECTION 5. Section 49-7-351, Mississippi Code of 1972, is amended as follows:

49-7-351. (1) The purpose of this section is to honor wounded veterans and active duty service members by providing hunting, fishing and other recreational opportunities for them in state wildlife management areas and wildlife refuges.

(2) As used in this section, the term:

(a) "Active duty" means full-time duty in the Armed Forces, Reserves or National Guard during wartime service as defined by the United States Congress.

(4) The designated areas or special seasons shall be open to a person who:

(a) Is an active duty member of the Armed Forces, National Guard or Reserves and has a combat-related physical injury as determined by the member's branch of service; or

(b) Is a veteran member of the Armed Forces, National Guard or Reserves who served on active duty during a period of war as defined by the United States Congress, and:

(i) Has a service-connected physical disability as determined by the United States Department of Veterans Affairs; or

(5) The department may allow one (1) person to accompany an eligible veteran or active duty service member who requires assistance to hunt, fish or participate in the recreational activity.

(6) The commission may adopt any rules and regulations deemed necessary to administer this section.

SECTION 6. Section 73-50-1, Mississippi Code of 1972, is amended as follows:

73-50-1. (1) This section shall be known as the "Military Family Freedom Act."

(2) As used in this section, the term:

(a) "License" means any license (other than a privilege license), certificate, registration or other evidence of qualification that an individual is required to obtain before he or she may engage in or represent himself or herself to be a member of a particular profession or occupation.

(b) "Occupational licensing board" means any state board, commission, department or other agency in Mississippi that is established for the primary purpose of regulating the entry of persons into, and/or the conduct of persons within, a particular profession or occupation, and which is authorized to issue licenses. For the purposes of this section, the State Department of Education shall be considered an occupational licensing board when issuing teacher licenses under Section 37-3-2.

(c) "Military" means the Armed Forces or Reserves of the United States, including the Army, Navy, Marine Corps, Coast Guard, Air Force, Space Force and the reserve components thereof, the National Guard of any state, the military reserves of any state, or the naval militia of any state.

(3) Notwithstanding any other provision of law, an occupational licensing board shall issue a license to an applicant who is a member of the military, or an applicant who is married to or is a dependent of a member of the military, if, upon application to an occupational licensing board, the applicant satisfies the following conditions:

(a) The applicant has been awarded a military occupational specialty, completed a military program of training, completed testing or equivalent training and experience, and performed in the occupational specialty; or

(b) The applicant holds a current and valid license in another state in an occupation with a similar scope of practice, as determined by the occupational licensing board in Mississippi and has held this license from the occupational licensing board in the other state for at least one (1) year; and

(c) The applicant has not committed any act in the other state that would have constituted grounds for refusal, suspension or revocation of a license to practice that occupation in Mississippi at the time the act was committed, the occupational licensing board in the other state holds the applicant in good standing, and the applicant does not have a disqualifying criminal record as determined by the occupational licensing board in Mississippi under Mississippi law; and

(d) The applicant did not surrender a license because of negligence or intentional misconduct related to the applicant's work in the occupation in another state; and

(e) The applicant does not have a complaint, allegation or investigation pending before an occupational licensing board or other board in another state that relates to unprofessional conduct or an alleged crime. If the applicant has a complaint, allegation or investigation pending, the occupational licensing board in Mississippi shall not issue or deny a license to the applicant until the complaint, allegation or investigation is resolved, or the applicant otherwise satisfies the criteria for licensure in Mississippi to the satisfaction of the occupational licensing board in Mississippi; and

(f) The applicant pays all applicable fees in Mississippi.

(4) Notwithstanding any other law, the occupational licensing board shall issue a license to an applicant who is a member of the military, or an applicant who is married to or is a dependent of a member of the military, upon application based on work experience in another state, if all the following apply:

(a) The applicant worked in a state that does not use a license to regulate a lawful occupation, but Mississippi uses a license to regulate a lawful occupation with a similar scope of practice, as determined by the occupational licensing board;

(b) The applicant worked for at least three (3) years in the lawful occupation;
and

(c) The applicant satisfies the provisions of paragraphs (c) through (f) of subsection (3) of this section.

(5) An occupational licensing board may require an applicant to pass a jurisprudential examination specific to relevant state laws in Mississippi that regulate the occupation if the issuance of a license in Mississippi requires an applicant to pass a jurisprudential examination specific to relevant state statutes and administrative rules in Mississippi that regulate the occupation.

(6) The occupational licensing board shall issue or deny the license to the applicant within one hundred twenty days (120) days after receiving an application.

If the application requires longer than two (2) weeks to process, the occupational licensing board shall issue a temporary practice permit within thirty (30) days after receiving the application if the applicant submits an affidavit, under penalties of perjury, affirming that he or she satisfies the provisions of subsection (3)(a) or subsection (3)(b) of this section and subsection (3)(c) through (e) and pays all applicable fees as required by subsection (3)(f), or satisfies the provisions of subsection (4)(a) through (c) and pays all applicable fees as required by subsection (3)(f).

The applicant may practice under the temporary permit until a license is granted, or until a notice to deny the license is issued, in accordance with rules adopted by the occupational licensing board. A temporary license will expire in three hundred sixty-five (365) days after its issuance if the applicant fails to satisfy the requirement for licensure in subsection (5), if applicable.

(7) (a) The applicant may appeal any of the following decisions of an occupational licensing board to a court of general jurisdiction:

(i) Denial of a license;

(ii) Determination of the occupation;

(iii) Determination of the similarity of the scope of practice of the license issued; or

(iv) Other determinations under this section.

(b) The court shall determine all questions of law, including the interpretation of a constitutional or statutory provision or a rule adopted by an occupational licensing board, without regard to any previous determination that may have been made on the question in any action before the occupational licensing board.

(8) An occupational licensing board shall prominently print the following on all license applications, any communication denying a license, and on the board's website: "Pursuant to the provisions of the Military Family Freedom Act, Mississippi shall recognize occupational licenses obtained from other states for military members and their families." An occupational licensing board shall prepare and place on the board's website an annual report detailing the number of applications submitted to the licensing board under this section during a calendar year and the actions taken by the board on the applications.

(9) An occupational licensing board shall adopt rules necessary to implement this section by January 1, 2021. In addition, an occupational licensing board shall make all reasonable efforts to issue a license to an applicant for a license under this section.

(10) Nothing in this section shall be construed to prohibit a military applicant, spouse or dependent from proceeding under the existing licensure requirements established by an occupational licensing board in Mississippi.

(11) Nothing in this chapter shall be construed to prevent Mississippi from entering into a licensing compact or reciprocity agreement with another state, foreign province or foreign country. A license issued under this section is valid only in Mississippi. It does not make the person eligible to work in another state under an interstate compact or reciprocity agreement unless otherwise provided in Mississippi law.

(12) Nothing in this section shall be construed to apply to the practice of law as regulated under Section 73-3-1 et seq.

(13) This section preempts any ordinances of any municipality, county and other political subdivisions of the State of Mississippi that regulate licenses.

SECTION 7. This act shall take effect and be in force from and after July 1, 2023, and shall stand repealed from and after June 30, 2023.

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) The following words shall have the meanings described in this act:

(a) "Law enforcement" means the law enforcement agency with the primary responsibility for investigating an alleged sexual assault.

(b) "Medical facility" means any doctor's office, hospital, medical clinic or nonprofit facility equipped to perform forensic medical examinations and prepare sexual assault evidence kits.

(c) "Reported kit" means a sexual assault evidence kit in which the survivor has consented to participate in the criminal justice process through reporting the crime to law enforcement.

(d) "Sexual assault" means rape, sexual assault, sexual battery or any other nonconsensual forcible sexual intercourse.

(e) "Sexual assault evidence collection kit" means a sexual assault or rape kit developed by the Mississippi chapter of the International Association of Forensic Nurses (IAFN) and approved by the Sexual Assault Evidence Accountability Task Force.

(f) "Sexual Assault Nurse Examiner" means a registered nurse or advanced practice nurse, with a minimum of one (1) year of experience in areas of practice that require advanced physical assessment skills, such as emergency, critical care and maternal child health, who has completed sexual assault nurse examiner (SANE) training consistent with IAFN SANE Education Guidelines that consists of both classroom and clinical components.

(g) "Unreported kit" means a sexual assault evidence kit in which the survivor consented to the evidence collection, but has not consented to participate in the criminal justice process by reporting the crime to law enforcement – meaning they are not seeking to have their kit tested.

(2) Sexual assault evidence collection kits shall be processed in the following manner:

(a) Any medical facility that conducts a medical forensic examination and/or prepares a sexual assault evidence collection kit shall immediately, but no longer than four (4) hours after the finalization of examination, contact the appropriate law enforcement agency to collect the kit. Until the kit is retrieved by law enforcement, the medical facility shall store the kit in a refrigerated manner in conformity with the Scientific Working Group for DNA Analysis Method.

(b) When a law enforcement agency is contacted to collect a sexual assault evidence kit, the law enforcement agency shall take possession of the kit from the medical facility within twenty four (24) hours. Upon taking physical possession of the sexual assault evidence collection kit, the law enforcement agency shall transport the kit in a manner that preserves the evidence in the kit. The agency shall: (i) store the kit in a secure, refrigerated location in the agency no more than two (2) hours after taking physical possession of the kit; or (ii) transport the kit directly to the Mississippi Forensics Laboratory.

(c) All kits must be delivered to the Mississippi Forensics Laboratory no later than seven (7) calendar days from the date the law enforcement agency took physical possession of the kit.

(d) A law enforcement agency that receives a sexual assault collection kit from a healthcare provider that relates to a report of a sexual assault that occurred outside the jurisdiction of that law enforcement agency shall have the sexual assault collection kit delivered to the law enforcement agency having jurisdiction within ten (10) days of learning that the other law enforcement agency has jurisdiction.

(3) (a) The Mississippi Forensics Laboratory shall test sexual assault evidence collection kits within sixty (60) days of receipt from a law enforcement agency. Forensic DNA testing shall be performed according to laboratory methods that determine the presence of DNA suitable for STR analysis. Any autosomal, CODIS eligible DNA profile shall be entered into the Combined DNA Index System (CODIS) or equivalency thereof and state or local DNA database. If the Mississippi Forensics Laboratory is unable to determine DNA present, other than the victim's DNA, in the sexual assault evidence collection kit, the laboratory should evaluate the case, when suitable, to determine if any other DNA results could be used for investigative purposes.

(b) When forensic laboratory testing does result in a DNA profile foreign to the victim, the Mississippi Forensics Laboratory should enter the foreign DNA profile into the Combined DNA Index System (CODIS) or equivalency thereof and any other required state or local DNA databases. The average completion rate for this analysis and classification should not exceed ninety (90) days.

(c) The Mississippi Forensics Laboratory is authorized to contract with other laboratories to ensure that each kit is tested and the information from such kit is entered into CODIS, when applicable, within the time frames required by this subsection.

SECTION 2. (1) Upon the request of a sexual assault victim or their designee, the law enforcement agency that is investigating the assault of such victim shall inform the victim of the location of the sexual assault evidence kit or other crime scene evidence from the victim's case and the status of the DNA testing of the sexual assault evidence kit or other crime scene evidence from the victim's case.

(2) The law enforcement agency shall respond to the victim's request as soon as possible, but no longer than seven (7) calendar days, with either an oral or written communication, or by email, if an email address is available.

(3) In addition to the rights provided in the "Mississippi Crime Victims' Bill of Rights," in Sections 99-43-1 through 99-43-101, a victim of sexual assault shall have:

(a) The right to be informed by the law enforcement agency handling the case whether a DNA profile of the assailant was obtained from the testing of the sexual assault evidence kit or other crime scene evidence from their case.

(b) The right to be informed whether the DNA profile of the assailant developed from the sexual assault evidence kit or other crime scene evidence has been entered into the Mississippi Forensics Laboratory's DNA identification system or CODIS.

(c) The right to be informed whether there is a match between the DNA profile of the assailant developed from the rape kit evidence or other crime scene evidence and a DNA profile contained in the Mississippi Forensics Laboratory's DNA identification system, provided that disclosure would not impede or compromise an ongoing investigation.

(4) If the law enforcement agency intends to destroy or dispose of the sexual assault evidence kit or any other crime scene evidence from an unsolved sexual assault case, the victim of the case shall be given written notification by the law enforcement agency of that intention within twenty (20) days. The victim shall be granted further preservation of the kit or its probative contents, upon their request.

(5) A law enforcement agency shall not destroy or dispose of the sexual assault evidence kit or any other crime scene evidence from an unsolved sexual assault case before twenty (20) years after the collection of the evidence of the crime or, if the victim was under eighteen (18) years of age at the time of the alleged offense, before the victim is forty (40) years of age.

(6) A sexual assault victim may designate a sexual assault victim advocate, or other support person of the victim's choosing, to act as a recipient of the above information required to be provided by this section.

(7) For the purpose of receiving notice under this section, the victim or the victim's designee may keep appropriate authorities informed of the name, address, telephone number, and email address of the person to whom the information should be provided, and any changes of the name, address, telephone number, and email address, if an email address is available.

(8) A defendant or person accused or convicted of a crime against the victim shall have no standing to object to any failure to comply with this section. The failure to provide a right or notice to a sexual assault victim under this section may not be used by a defendant to seek to have the conviction or sentence set aside.

(9) The sole civil or criminal remedy available to a sexual assault victim for a law enforcement agency's failure to fulfill its responsibilities under this section shall be standing to file a writ of mandamus to require compliance with subdivision with the requirements of this act.

SECTION 3. (1) The Mississippi Forensics Laboratory, in consultation with the Sexual Assault Evidence Accountability Task Force, and the Mississippi Department of Public Safety, shall conduct a study and issue a report by July 1, 2024, that examines the resources required to implement a rape kit tracking system in the state that shall:

(a) Be operated and managed by the Mississippi Department of Public Safety or Mississippi Forensic Laboratory for the purpose of tracking all rape kits collected for testing or analysis;

(b) Be accessible to sexual assault victims and other authorized users as determined by the Mississippi Department of Public Safety; and

SECTION 7. Section 99-49-1, Mississippi Code of 1972, is amended as follows:

99-49-1. (1) Legislative intent. The Legislature finds that:

(a) The value of properly preserved biological evidence has been enhanced by the discovery of modern DNA testing methods, which, coupled with a comprehensive system of DNA databases that store crime scene and offender profiles, allow law enforcement to improve its crime-solving potential;

(b) Tapping the potential of preserved biological evidence requires the proper identification, collection, preservation, storage, cataloguing and organization of such evidence;

(c) Law enforcement agencies indicate that "cold" case investigations are hindered by an inability to access biological evidence that was collected in connection with criminal investigations;

(d) Innocent people mistakenly convicted of the serious crimes for which biological evidence is probative cannot prove their innocence if such evidence is not accessible for testing in appropriate circumstances;

(e) It is well established that the failure to update policies regarding the preservation of evidence squanders valuable law enforcement resources, manpower hours and storage space; and

(f) Simple but crucial enhancements to protocols for properly preserving biological evidence can solve old crimes, enhance public safety and settle claims of innocence.

(2) Definitions. For the purposes of this section:

(a) "Biological evidence" means the contents of a sexual assault examination kit or any item that contains blood, semen, hair, saliva, skin tissue, fingernail scrapings, bone, bodily fluids or other identifiable biological material that was collected as part of the criminal investigation or may reasonably be used to incriminate or exculpate any person for the offense. This definition applies whether that material is catalogued separately, such as on a slide, swab or in a test tube, or is present on other evidence, including, but not limited to, clothing, ligatures, bedding or other household material, drinking cups, cigarettes or other items.

(b) "DNA" means deoxyribonucleic acid.

(c) "Custody" means persons currently incarcerated; civilly committed; on parole or probation; or subject to sex offender registration for the period of the registration or for the first five (5) years of the registration, whichever is the shorter period.

(d) "Profile" means * * * an autosomal, Y chromosome, or mitochondrial DNA profile generated from an individual.

(e) "State" refers to any governmental or public entity within Mississippi, including all private entities that perform such functions, and its officials or employees, including, but not limited to, law enforcement agencies, prosecutors' offices, courts, public hospitals, forensics laboratories, and any other entity or individual charged with the collection, storage or retrieval of biological evidence.

(3) Preservation of evidence procedures. (a) The state shall preserve all biological evidence:

(i) That is secured in relation to an investigation or prosecution of a crime for the period of time that the crime remains unsolved or as otherwise provided by law for that crime; or

(ii) That is secured in relation to an investigation or prosecution of a crime for the period of time that the person convicted of that crime remains in custody or as otherwise provided by law for that crime.

(b) This section applies to evidence that:

(i) Was in the possession of the state during the investigation and prosecution of the case; and

(ii) At the time of conviction was likely to contain biological material.

(c) The state shall not destroy biological evidence should one or more additional co-defendants, convicted of the same crime, remain in custody, and shall preserve the evidence for the period of time in which all co-defendants remain in custody or as otherwise provided by law for that crime.

(d) The state shall retain evidence in the amount and manner sufficient to develop a DNA profile from the biological material contained in or included on the evidence.

(e) Upon written request by the defendant, the state shall prepare an inventory of biological evidence that has been preserved in connection with the defendant's criminal case.

(f) The state may destroy evidence that includes biological material before the expiration of the time period as provided in Section 45-47-1 or as specified in paragraph (a) of this subsection if all of the following apply:

(i) No other provision of federal or state law requires the state to preserve the evidence.

(ii) The state sends certified delivery of notice of intent to destroy the evidence to:

1. All persons who remain in custody as a result of the criminal conviction, delinquency adjudication, or commitment related to evidence in question;
2. The attorney of record for each person in custody;
3. The Mississippi Office of Indigent Appeals;
4. The district attorney in the county of conviction; and
5. The Mississippi Attorney General.

(iii) No person who is notified under subparagraph (ii) of this paragraph (f) does either of the following within sixty (60) days after the date on which the person received the notice:

1. Files a motion for testing of evidence under * * * Chapter 39, Title 99, Mississippi Code of 1972; or
2. Submits a written request for retention of evidence to the state entity which provided notice of its intent to destroy evidence under subparagraph (ii) of this paragraph (f).

(g) If, after providing notice under paragraph (f)(ii) of this subsection of its intent to destroy evidence, the state receives a written request for retention of the evidence, the state shall retain the evidence while the person remains in custody.

(h) The state shall not be required to preserve physical evidence that is of such a size, bulk or physical character as to render retention impracticable. When such retention is impracticable, the state shall remove and preserve portions of the material evidence likely to contain biological evidence related to the offense, in a quantity sufficient to permit future DNA testing, before returning or disposing of the physical evidence.

(i) Should the state be called upon to produce biological evidence that could not be located and whose preservation was required under the provisions of this statute, the chief evidence custodian assigned to the entity charged with the preservation of the evidence shall provide an affidavit in which the custodian stipulates, under penalty of perjury, an accurate description of the efforts taken to locate that evidence and that the evidence could not be located.

(4) This section does not require the state to preserve the biological evidence that is obtained in performing the test required by Section 99-3-41 and is required to be destroyed under that section.

(5) Any evidence in a murder, manslaughter or felony sexual assault case in the possession of the state on July 1, 2009, whether biological or not, shall be preserved by the state consistent with the legislative intent expressed in subsection (1) and subject to compliance with subsection (3)(f).

(6) Remedies for noncompliance. If the court finds that biological evidence was destroyed in violation of the provisions of this section, it may impose appropriate sanctions and order appropriate remedies.

SECTION 8. This act shall take effect and be in force from and after July 1, 2023.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

SECTION 1. Section 43-15-13, Mississippi Code of 1972, is amended as follows:

43-15-13. (1) For purposes of this section, "children" means persons found within the state who are under the age of twenty-one (21) years, and who were placed in the custody of the Department of Child Protection Services by the youth court of the appropriate county. For purposes of this chapter, "commercial sexual exploitation" means any sexual act or crime of a sexual nature, which is committed against a child for financial or economic gain, to obtain a thing of value, for quid pro quo exchange of property or any other purpose.

(2) The Department of Child Protection Services shall establish a foster care placement program for children whose custody lies with the department, with the following objectives:

(a) Protecting and promoting the health, safety and welfare of children;

(b) Preventing the unnecessary separation of children from their families by identifying family problems, assisting families in resolving their problems and preventing the breakup of the family where the prevention of child removal is desirable and possible when the child can be cared for at home without endangering the child's health and safety;

(c) Remedying or assisting in the solution of problems that may result in the neglect, abuse, exploitation, commercial sexual exploitation, human trafficking or delinquency of children;

(d) Restoring to their families children who have been removed, by the provision of services to the child and the families when the child can be cared for at home without endangering the child's health and safety;

(f) Assuring safe and adequate care of children away from their homes, in cases where the child cannot be returned home or cannot be placed for adoption, including temporary or emergency placement with a relative or fictive kin pending youth court action on the case. At the time of placement, the department shall implement concurrent planning, as described in subsection (8) of this section, so that permanency may occur at the earliest opportunity. Consideration of possible failure or delay of reunification should be given, to the end that the placement made is the best available placement to provide permanency for the child; and

(g) Providing a family protection specialist or worker or team of such specialists or workers for a family and child throughout the implementation of their permanent living arrangement plan. Wherever feasible, the same family protection specialist or worker or team shall remain on the case until the child is no longer under the jurisdiction of the youth court.

(3) The Department of Child Protection Services shall administer a system of individualized plans, reviews and reports once every six (6) months for each child under its custody within the State of Mississippi, which document each child who has been adjudged a neglected, abandoned or abused child, including a child alleged to have experienced commercial sexual exploitation and/or human trafficking and whose custody was changed by court order as a result of that adjudication, and each public or private facility licensed by the department. The Department of Child Protection Services' administrative review shall be completed on each child within the first three (3) months and a relative placement, fictive kin placement, or foster care review once every six (6) months after the child's initial forty-eight-hour shelter hearing. That system shall be for the purpose of enhancing potential family life for the child by the development of individual plans to return the child to the child's natural parent or parents, or to refer the child to the appropriate court for termination of parental rights and placement in a permanent relative's

home, adoptive home or foster/adoptive home. The goal of the Department of Child Protection Services shall be to return the child to the child's natural parent(s) or refer the child to the appropriate court for termination of parental rights and placement in a permanent relative's home, adoptive home or foster/adoptive home within the time periods specified in this subsection or in subsection (4) of this section. In furthering this goal, the department shall establish policy and procedures designed to appropriately place children in permanent homes, and provide counseling services and other appropriate services to children who have been victims of commercial sexual exploitation or human trafficking. The policy shall include a system of reviews for all children in foster care, as follows: foster care counselors in the department shall make all possible contact with the child's natural parent(s), custodial parent(s) of all siblings of the child, and any interested relative for the first two (2) months following the child's entry into the foster care system, and provide care for victims of commercial sexual exploitation or human trafficking. For purposes of contacting custodial parent(s) of a sibling, siblings include those who are considered a sibling under state law, and those who would have been considered a sibling under state law, except for termination or disruption of parental rights. For any child who has been in foster care for fifteen (15) of the last twenty-two (22) months regardless of whether the foster care was continuous for all of those twenty-two (22) months, the department shall file a petition to terminate the parental rights of the child's parents. The time period starts to run from the date the court makes a finding of abuse and/or neglect, or commercial sexual exploitation or human trafficking, or sixty (60) days from when the child was removed from his or her home, whichever is earlier. The department can choose not to file a termination of parental rights petition if the following apply:

(a) The child is being cared for by a relative; and/or

(b) The department has documented compelling and extraordinary reasons why termination of parental rights would not be in the best interests of the child. Before granting or denying a request by the department for an extension of time for filing a termination of parental rights action, the court shall receive a written report on the progress which a parent of the child has made in treatment, to be made to the court in writing by a mental health/substance abuse therapist or counselor.

(4) In the case of any child who is placed in foster care on or after July 1, 1998, except in cases of aggravated circumstances prescribed in Section 43-21-603(7)(c), the child's natural parent(s) will have a reasonable time to be determined by the court, which shall not exceed a six-month period of time, in which to meet the service agreement with the department for the benefit of the child unless the department has documented extraordinary and compelling reasons for extending the time period in the best interest of the child. If this agreement has not been satisfactorily met, simultaneously the child will be referred to the appropriate court for termination of parental rights and placement in a permanent relative's home, adoptive home or a foster/adoptive home. For children under the age of three (3) years, termination of parental rights shall be initiated within six (6) months, unless the department has documented compelling and extraordinary circumstances, and placement in a permanent relative's home, adoptive home or foster/adoptive home within two (2) months. For children who have been abandoned under the provisions of Section 97-5-1, termination of parental rights shall be initiated within thirty (30) days and placement in an adoptive home shall be initiated without necessity for placement in a foster home. The department need not initiate termination of parental rights proceedings where the child has been placed in durable legal custody, durable legal relative guardianship, or long-term or formalized foster care by a court of competent jurisdiction.

(5) The foster care review once every six (6) months shall be conducted by the youth court or its designee(s), and/or by personnel within the Department of Child Protection Services or by a designee or designees of the department and may include others appointed by the department, and the review shall include at a minimum an evaluation of the child based on the following:

(a) The extent of the care and support provided by the parents or parent while the child is in temporary custody;

(b) The extent of communication with the child by parents, parent or guardian;

(c) The degree of compliance by the agency and the parents with the social service plan established;

(d) The methods of achieving the goal and the plan establishing a permanent home for the child;

(e) Social services offered and/or utilized to facilitate plans for establishing a permanent home for the child; and

(f) Relevant testimony and recommendations from the foster parent of the child, the grandparents of the child, the guardian ad litem of the child, when appointed, the Court-Appointed Special Advocate (CASA) of the child, representatives of any private care agency that has cared for the child, the family protection worker or family protection specialist assigned to the case, and any other relevant testimony pertaining to the case.

Each child's review plan once every six (6) months shall be filed with the court which awarded custody and shall be made available to natural parents or foster parents upon approval of the court. The court shall make a finding as to the degree of compliance by the agency and the parent(s) with the child's social service plan. The court also shall find that the child's health and safety are the paramount concern. In the interest of the child, the court shall, where appropriate, initiate proceedings on its own motion. The Department of Child Protection Services shall report to the Legislature as to the number of those children, the findings of the foster care review board and relevant statistical information in foster care in a semiannual report to the Legislature to be submitted to the Joint Oversight Committee of the Department of Child Protection Services. The report shall not refer to the specific name of any child in foster care.

(6) (a) The Department of Child Protection Services, with the cooperation and assistance of the State Department of Health, shall develop and implement a training program for foster care parents to indoctrinate them as to their proper responsibilities upon a child's entry into their foster care. The program shall provide a minimum of twelve (12) clock hours of training, which shall include training foster care parents about providing mental and physical support to children who have experienced commercial sexual exploitation or human trafficking. The foster care training program shall be satisfactorily completed by such foster care parents before or within ninety (90) days after child placement with the parent. Record of the foster care parent's training program participation shall be filed with the court as part of a child's foster care review plan once every six (6) months.

(b) (i) The court may waive foster care training for an appropriate relative placement.

(ii) A relative exempted from foster care training is not eligible for board payments, foster care payments, kinship care payments, therapeutic care payments, or any other monthly payments from the department to assist in the care of the child.

(7) When the Department of Child Protection Services is considering placement of a child in a foster home and when the department deems it to be in the best interest of the child, the department shall give first priority to placing the child in the home of one (1) of the child's relatives within the third degree, as computed by the civil law rule.

(a) In placing the child in a relative's home, the department may waive any rule, regulation or policy applicable to placement in foster care that would otherwise require the child to have a separate bed or bedroom or have a bedroom of a certain size, if placing the child in a relative's home would be in the best interest of the child and those requirements cannot be met in the relative's home.

(b) The court may waive foster care training for a relative only when appropriate.

(8) The Legislature recognizes that the best interests of the child require that the child be placed in the most permanent living arrangement as soon as is practicably possible. To achieve this goal, the Department of Child Protection Services is directed to conduct concurrent planning so that a permanent living arrangement may occur at the earliest opportunity. Permanent living arrangements may include prevention of placement of a child outside the home of the family when the child can be cared for at home without endangering the child's health or safety; reunification with the family, when safe and appropriate, if temporary placement is necessary; or movement of the child toward the most permanent living arrangement and permanent legal status. When a child is placed in foster care or relative care, the department shall first ensure and document that reasonable efforts, as defined in Section 43-21-105, were made to prevent or eliminate the need to remove the child from the child's home. The department's first priority shall be to make reasonable efforts to reunify the family when temporary placement of the child occurs or shall request a finding from the court that reasonable efforts are not appropriate or have been unsuccessful. A decision to place a child in foster care or relative care shall be made with consideration of the child's health, safety and best interests. At the time of placement, consideration should also be given so that if reunification fails or is delayed, the placement made is the best available placement to provide a permanent living arrangement for the child. The department shall adopt rules addressing concurrent planning for reunification and a permanent living arrangement. The department shall consider the following factors when determining appropriateness of concurrent planning:

(a) The likelihood of prompt reunification;

(b) The past history of the family;

(c) The barriers to reunification being addressed by the family;

(d) The level of cooperation of the family;

(e) The foster parents' willingness to work with the family to reunite;

(f) The willingness and ability of the foster family or relative placement to provide an adoptive home or long-term placement;

(g) The age of the child; and

(h) Placement of siblings.

(9) If the department has placed a child in foster care or relative care under a court order, the department may not change the child's placement unless the department specifically documents to the court that the current placement is unsafe or unsuitable or that another placement is in the child's best interests unless the new placement is in an adoptive home or other permanent placement. Except in emergency circumstances as determined by the department or where the court orders placement of the child under Section 43-21-303, the foster parents, grandparents or other relatives of the child shall be given an opportunity to contest the specific reasons documented by the department at least seventy-two (72) hours before any such departure, and the court may conduct a review of that placement unless the new placement is in an adoptive home or other permanent placement. When a child is returned to foster care or relative care, the former

foster parents or relative placement shall be given the prior right of return placement in order to eliminate additional trauma to the child.

(10) The Department of Child Protection Services shall provide the foster parents, grandparents or other relatives with at least a seventy-two-hour notice of departure for any child placed in their foster care or relative care, except in emergency circumstances as determined by the department or where the court orders placement of the child under Section 43-21-303. The parent/legal guardian, grandparents of the child, guardian ad litem and the court exercising jurisdiction shall be notified in writing when the child leaves foster care or relative care placement, regardless of whether the child's departure was planned or unplanned. The only exceptions to giving a written notice to the parent(s) are when a parent has voluntarily released the child for adoption or the parent's legal rights to the child have been terminated through the appropriate court with jurisdiction.

(11) The Department of Child Protection Services shall extend the following rights to persons who provide foster care and relative care:

(a) A clear understanding of their role while providing care and the roles of the birth parent(s) and the placement agency in respect to the child in care;

(b) Respect, consideration, trust and value as a family who is making an important contribution to the agency's objectives;

(c) Notification of benchmarks that will be required of the foster parent such as appointments, home visits with department personnel, visitations of the child at school and meetings between department personnel and the child's family;

(d) Advance notice of information regarding scheduled meetings other than meetings where the Department of Child Protection Services personnel or social workers are going to the foster parent's home for site visits, appointments and court hearings concerning the foster child;

(e) The opportunity to communicate with professionals who work with the foster child including therapists, physicians and teachers who work directly with the child;

(f) The opportunity to communicate and collaborate, without threat of reprisal, with a department representative when further educational services are needed to ensure the child's educational needs are met, including services such as an Individualized Educational Plan (IEP), tutoring, occupational therapy, speech therapy and after-school programs;

(g) The opportunity to attend all IEP meetings, along with the department worker, at the child's school as long as the child is in custody and receiving special educational services;

(h) The opportunity to communicate with the foster child's guardian ad litem;

(i) The opportunity to attend all youth court hearings involving a foster child occurring while that child is placed in their care without being a party to the youth court action, unless otherwise ordered by the youth court. Foster parents may attend all youth court hearings and have legal counsel attend and observe with them if the child's permanent plan is adoption by the foster parents, unless otherwise ordered by the youth court. Foster parents may communicate with the guardian ad litem in writing at any time. Foster parents may ask to be heard concerning the best interest of the child at any disposition or permanency hearing;

(j) When the dates of the permanency hearing and permanency review hearing have been set by the youth court, Child Protection Services shall give written

notice to all foster parents by email, text message or U.S. mail with a reasonable amount of time prior to the hearing;

(k) The opportunity to request from the youth court permission to communicate with the child's birth family, previous foster parents of the child, and prospective and finalized adoptive parents of the child, without the threat of reprisal. However, this right creates no obligation of the birth family, previous foster parents, or prospective and finalized adoptive parents to communicate in return;

(** *l) Involvement in all the agency's crucial decisions regarding the child as team members who have pertinent information based on their day-to-day knowledge of the child in care and involvement in case planning, foster care review, individual educational planning meetings, and medical appointments;

(m) The opportunity to participate in the planning of visitations between the child and the child's siblings, parents or former guardians or other biological family members which have been previously authorized by the youth court. Visitations shall be scheduled at a time and place meeting the needs of the child, the biological family, and the foster family. Recognizing that visitation with family members is an important right of children in foster care, foster parents shall be flexible and cooperative with regard to family visits but shall retain the right to reasonable advance notice of all scheduled visitations;

(n) The ability to communicate with department personnel or representatives twenty-four (24) hours a day, seven (7) days a week, for the purpose of aiding the foster parent;

(o) A comprehensive list of all resources available to the foster parent and child, including dental providers, medical providers, respite workers in the area, day cares, and methods for submitting reimbursements;

(** *p) Support from the family protection worker or the family protection specialist in efforts to do a better day-to-day job in caring for the child and in working to achieve the agency's objectives for the child and the birth family through provision of:

(i) A copy of the "Foster Child Information Form" and all other pertinent information about the child and the birth family, including medical, dental, behavioral health history, psychological information, educational status, cultural and family background, and other issues relevant to the child which are known to the department at the time the child is placed in foster care prior to the child's placement with a foster parent or parents. The department shall make reasonable efforts to gather and provide all additional current medical, dental, behavioral, educational and psychological information reasonably available from the child's service providers within fifteen (15) days of placement. When the department learns of such information after fifteen (15) days of placement, the department shall communicate such information to the foster parent as soon as practicable;

(ii) An explanation of the plan for placement of the child in the foster parent's home and the ongoing and timely communication of any necessary information which is relevant to the care of the child, including any changes in the case plan;

(** *iii) Help in using appropriate resources to meet the child's needs, including counseling or other services for victims of commercial sexual exploitation or human trafficking;

(** *iv) Direct interviews between the family protection worker or specialist and the child, previously discussed and understood by the foster parents;

(** *v) Information regarding whether the child experienced commercial sexual exploitation or human trafficking;

(vi) Information related to the Healthy, Hunger-Free Kids Act of 2010. Foster parents shall protect the confidentiality of the child by working directly with a designated school official to complete the application for free lunches.

(** *q) The opportunity to develop confidence in making day-to-day decisions in regard to the child;

(** *r) The opportunity to learn and grow in their vocation through planned education in caring for the child;

(** *s) The opportunity to be heard regarding agency practices that they may question;

(** *t) Information related to all costs eligible for reimbursement, including:

(i) Reimbursement for costs of the child's care in the form of a board payment based on the age of the child as prescribed in Section 43-15-17 unless the relative is exempt from foster care training and chooses to exercise the exemption; and

(** *ii) Reimbursement for property damages caused by children in the custody of the Department of Child Protection Services in an amount not to exceed Five Hundred Dollars (\$500.00), as evidenced by written documentation. The Department of Child Protection Services shall not incur liability for any damages as a result of providing this reimbursement.

(12) The Department of Child Protection Services shall require the following responsibilities from participating persons who provide foster care and relative care:

(a) Understanding the department's function in regard to the foster care and relative care program and related social service programs;

(b) Sharing with the department any information which may contribute to the care of children;

(c) Functioning within the established goals and objectives to improve the general welfare of the child;

(d) Recognizing the problems in home placement that will require professional advice and assistance and that such help should be utilized to its full potential;

(e) Recognizing that the family who cares for the child will be one of the primary resources for preparing a child for any future plans that are made, including return to birth parent(s), termination of parental rights or reinstitutionalization;

(f) Expressing their views of agency practices which relate to the child with the appropriate staff member;

(g) Understanding that all information shared with the persons who provide foster care or relative care about the child and his/her birth parent(s) must be held in the strictest of confidence;

(h) Cooperating with any plan to reunite the child with his birth family and work with the birth family to achieve this goal; and

(i) Attending dispositional review hearings and termination of parental rights hearings conducted by a court of competent jurisdiction, or providing their recommendations to the ** * guardian ad litem in writing.

(13) The department shall develop a grievance procedure for foster parents to raise any complaints or concerns regarding the provisions of Section 43-15-13(11) or (12).

(14) Nothing in this section shall be construed to create a private right of action or claim on the part of any individual, the department, or any child-placing agency.

H. B. No. 1115: Durable legal custody; clarify jurisdiction for.

Senator Wiggins offered the following COMMITTEE AMENDMENT NO. 1.

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 43-21-609, Mississippi Code of 1972, is amended as follows:

43-21-609. In neglect and abuse cases, the disposition order may include any of the following alternatives, giving precedence in the following sequence:

(a) Release the child without further action;

(b) Place the child in the custody of his parents, a relative or other person subject to any conditions and limitations as the court may prescribe. If the court finds that temporary relative placement, adoption or foster care placement is inappropriate, unavailable or otherwise not in the best interest of the child, durable legal custody may be granted by the court to any person subject to any limitations and conditions the court may prescribe; such durable legal custody will not take effect unless the child or children have been in the physical custody of the proposed durable custodians for at least six (6) months under the supervision of the Department of Human Services. After granting durable legal custody of a minor child, the youth court shall retain original and exclusive jurisdiction of all matters related to durable legal custody, including, but not limited to, petitions to modify the durable legal custody. The requirements of Section 43-21-613 as to disposition review hearings do not apply to those matters in which the court has granted durable legal custody. In such cases, the Department of Human Services shall be released from any oversight or monitoring responsibilities;

(c) (i) Grant durable legal relative guardianship to a relative or fictive kin licensed as a foster parent if the licensed relative foster parent or licensed fictive kin foster parent exercised physical custody of the child for at least six (6) months before the grant of durable legal relative guardianship and the Department of Child Protection Services had legal custody or exercised supervision of the child for at least six (6) months. In order to establish durable legal relative guardianship, the youth court must find the following:

1. That reunification has been determined to be inappropriate;

2. That the relative guardian or fictive kin guardian shows full commitment to the care, shelter, education, nurture, and reasonable medical care of the child; and

3. That the youth court consulted with any child twelve (12) years of age or older before granting durable legal relative guardianship.

(ii) The requirements of Section 43-21-613 as to disposition review hearings do not apply to a hearing concerning durable legal relative guardianship. However, the Department of Child Protection Services must conduct an annual review and recertification of the durable legal relative guardianship to determine whether it remains in the best interest of the child. If a material change in circumstances occurs adverse to the best interest of the child, the parent, relative guardian, fictive kin guardian, or Department of Child Protection Services may petition the court to review the durable legal relative guardianship;

(d) Order terms of treatment calculated to assist the child and the child's parent, guardian or custodian which are within the ability of the parent, guardian or custodian to perform;

(e) Order youth court personnel, the Department of Child Protection Services or child care agencies to assist the child and the child's parent, guardian or custodian to secure social or medical services to provide proper supervision and care of the child;

(f) Give legal custody of the child to any of the following but in no event to any state training school:

(i) The Department of Child Protection Services for appropriate placement; or

(ii) Any private or public organization, preferably community-based, able to assume the education, care and maintenance of the child, which has been found suitable by the court. Prior to assigning the custody of any child to any private institution or agency, the youth court through its designee shall first inspect the physical facilities to determine that they provide a reasonable standard of health and safety for the child;

(g) If the court makes a finding that custody is necessary as defined in Section 43-21-301(3)(b), and that the child, in the action pending before the youth court had not previously been taken into custody, the disposition order shall recite that the effect of the continuation of the child's residing within his or her own home would be contrary to the welfare of the child, that the placement of the child in foster care is in the best interests of the child, and unless the reasonable efforts requirement is bypassed under Section 43-21-603(7)(c), the order also must state:

(i) That reasonable efforts have been made to maintain the child within his or her own home, but that the circumstances warrant his or her removal, and there is no reasonable alternative to custody; or

(ii) The circumstances are of such an emergency nature that no reasonable efforts have been made to maintain the child within his or her own home, and there is no reasonable alternative to custody; or

(iii) If the court makes a finding in accordance with subparagraph (ii) of this paragraph, the court shall order that reasonable efforts be made towards the reunification of the child with his or her family; or

(h) If the court had, before the disposition hearing in the action pending before the court, taken the child into custody, the judge or referee shall determine, and the youth court order shall recite that reasonable efforts were made by the Department of Child Protection Services to finalize the child's permanency plan that was in effect on the date of the disposition hearing.

SECTION 2. Section 43-21-613, Mississippi Code of 1972, is amended as follows:

43-21-613. (1) If the youth court finds, after a hearing which complies with the sections governing adjudicatory hearings, that the terms of a delinquency or child in need of supervision disposition order, probation or parole have been violated, the youth court may, in its discretion, revoke the original disposition and make any disposition which it could have originally ordered. The hearing shall be initiated by the filing of a petition that complies with the sections governing petitions in this chapter and that includes a statement of the youth court's original disposition order, probation or parole, the alleged violation of that order, probation or parole, and the facts which show the violation of that order, probation or parole. Summons shall be served in the same manner as summons for an adjudicatory hearing.

(2) On motion of a child or a child's parent, guardian or custodian, the youth court may, in its discretion, conduct an informal hearing to review the disposition order. If the youth court finds a material change of circumstances relating to the disposition of the child, the youth court may modify the disposition order to any appropriate disposition of equal or greater precedence which the youth court could have originally ordered.

(3) (a) * * * All disposition orders for supervision, probation or placement of a child with an individual or an agency shall be reviewed by the youth court judge or referee at least annually to determine if continued placement, probation or supervision is in the best interest of the child or the public. For children who have been adjudicated abused or neglected, the youth court shall conduct a permanency hearing within twelve (12) months after the earlier of:

(i) An adjudication that the child has been abused or neglected; or

(ii) The date of the child's removal from the allegedly abusive or neglectful custodian/parent. Notice of such hearing shall be given in accordance with the provisions of Section 43-21-505(5). In conducting the hearing, the judge or referee shall require a written report and may require information or statements from the child's youth court counselor, parent, guardian or custodian, which includes, but is not limited to, an evaluation of the child's progress and recommendations for further supervision or treatment. The judge or referee shall, at the permanency hearing determine the future status of the child, including, but not limited to, whether the child should be returned to the parent(s) or placed with suitable relatives, placed for adoption, placed for the purpose of establishing durable legal custody or should, because of the child's special needs or circumstances, be continued in foster care on a permanent or long-term basis. If the child is in an out-of-state placement, the hearing shall determine whether the out-of-state placement continues to be appropriate and in the best interest of the child. At the permanency hearing the judge or referee shall determine, and the youth court order shall recite that reasonable efforts were made by the Department of Child Protection Services to finalize the child's permanency plan that was in effect on the date of the permanency hearing. The judge or referee may find that reasonable efforts to maintain the child within his home shall not be required in accordance with Section 43-21-603(7)(c), and that the youth court shall continue to conduct permanency hearings for a child who has been adjudicated abused or neglected, at least annually thereafter, for as long as the child remains in the custody of the Mississippi Department of Child Protection Services.

(b) The court may find that the filing of a termination of parental rights petition is not in the child's best interest if:

(i) The child is being cared for by a relative; and/or

(ii) The Department of Child Protection Services has documented compelling and extraordinary reasons why termination of parental rights would not be in the best interests of the child.

(c) The provisions of this subsection shall also apply to review of cases involving a dependent child; however, such reviews shall take place not less frequently

than once each one hundred eighty (180) days, or upon the request of the child's attorney, a parent's attorney, or a parent as deemed appropriate by the youth court in protecting the best interests of the child. A dependent child shall be ordered by the youth court judge or referee to be returned to the custody and home of the child's parent, guardian or custodian unless the judge or referee, upon such review, makes a written finding that the return of the child to the home would be contrary to the child's best interests.

(d) Reviews are not to be conducted unless explicitly ordered by the youth court concerning those cases in which the court has granted durable legal custody. In such cases, the Department of Child Protection Services shall be released from any oversight or monitoring responsibilities, and relieved of physical and legal custody and supervision of the child.

(4) The provisions of this section do not apply to proceedings concerning durable legal relative guardianship.

SECTION 3. This act shall take effect and be in force from and after July 1, 2023.

Senator DeBar called up the following entitled bill:

H. B. No. 1365: Assistant teacher salaries; prohibit school districts from using any state-funded increase to substitute the local contribution.

Senator DeBar offered the following COMMITTEE AMENDMENT NO. 1.

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 37-21-7, Mississippi Code of 1972, is amended as follows:

37-21-7. (1) This section shall be referred to as the "Mississippi Elementary Schools Assistant Teacher Program," the purpose of which shall be to provide an early childhood education program that assists in the instruction of basic skills. The State Board of Education is authorized, empowered and directed to implement a statewide system of

assistant teachers in kindergarten classes and in the first, second and third grades. The assistant teacher shall assist pupils in actual instruction under the strict supervision of a licensed teacher.

(2) (a) Except as otherwise authorized under subsection (7), each school district shall employ the total number of assistant teachers funded under subsection (6) of this section. The superintendent of each district shall assign the assistant teachers to the kindergarten, first-, second- and third-grade classes in the district in a manner that will promote the maximum efficiency, as determined by the superintendent, in the instruction of skills such as verbal and linguistic skills, logical and mathematical skills, and social skills.

(b) If a licensed teacher to whom an assistant teacher has been assigned is required to be absent from the classroom, the assistant teacher may assume responsibility for the classroom in lieu of a substitute teacher. However, no assistant teacher shall assume sole responsibility of the classroom for more than three (3) consecutive school days. Further, in no event shall any assistant teacher be assigned to serve as a substitute teacher for any teacher other than the licensed teacher to whom that assistant teacher has been assigned.

(3) Assistant teachers shall have, at a minimum, a high school diploma or a High School Equivalency Diploma equivalent, and shall show demonstrable proficiency in reading and writing skills. The State Department of Education shall develop a testing procedure for assistant teacher applicants to be used in all school districts in the state.

(4) (a) In order to receive funding, each school district shall:

(i) Submit a plan on the implementation of a reading improvement program to the State Department of Education; and

(ii) Develop a plan of educational accountability and assessment of performance, including pretests and posttests, for reading in Grades 1 through 6.

(b) Additionally, each school district shall:

(i) Provide annually a mandatory preservice orientation session, using an existing in-school service day, for administrators and teachers on the effective use of assistant teachers as part of a team in the classroom setting and on the role of assistant teachers, with emphasis on program goals;

(ii) Hold periodic workshops for administrators and teachers on the effective use and supervision of assistant teachers;

(iii) Provide training annually on specific instructional skills for assistant teachers;

(iv) Annually evaluate their program in accordance with their educational accountability and assessment of performance plan; and

(v) Designate the necessary personnel to supervise and report on their program.

(5) The State Department of Education shall:

(a) Develop and assist in the implementation of a statewide uniform training module, subject to the availability of funds specifically appropriated therefor by the Legislature, which shall be used in all school districts for training administrators, teachers and assistant teachers. The module shall provide for the consolidated training of each assistant teacher and teacher to whom the assistant teacher is assigned, working together as a team, and shall require further periodic training for administrators, teachers and assistant teachers regarding the role of assistant teachers;

(b) Annually evaluate the program on the district and state level. Subject to the availability of funds specifically appropriated therefor by the Legislature, the department shall develop: (i) uniform evaluation reports, to be performed by the principal or assistant principal, to collect data for the annual overall program evaluation conducted by the department; or (ii) a program evaluation model that, at a minimum, addresses process evaluation; and

(c) Promulgate rules, regulations and such other standards deemed necessary to effectuate the purposes of this section. Noncompliance with the provisions of this section and any rules, regulations or standards adopted by the department may result in a violation of compulsory accreditation standards as established by the State Board of Education and the Commission on School Accreditation.

(6) In addition to other funds allotted under the Minimum Education or Adequate Education Program, each school district shall be allotted sufficient funding for the purpose of employing assistant teachers. * * * No school district shall pay any assistant teacher less than the state minimum salary. No school district shall reduce the local supplement or amount paid to an individual assistant teacher by the school district below the state minimum salary contained in this section from the previous year in a year in which the state minimum salary is increased. Should any school district violate the provisions of this subsection (6), such school district's funding shall be reduced by twice the amount of such reduction when computing the district's allocation of Mississippi Adequate Education Program funds. Provided, however, that school districts are authorized to reduce the state minimum salary by a pro rata daily amount (a) where there has been a reduction in adequate education program allocations for such district in such year, or (b) where there has been a reduction in the amount of federal funds to such district compared to the amount received from the previous year. Nothing herein contained shall prohibit any school district from adopting or continuing a program or plan whereby assistant teachers are paid varying salaries according to classroom performance and other similar standards.

For assistant teachers, the minimum annual salary shall be as follows:

2022-2023 and Subsequent Years Minimum Salary \$17,000.00

In addition, for each one percent (1%) that the Sine Die General Fund Revenue Estimate Growth exceeds five percent (5%) in fiscal year 2006, as certified by the Legislative Budget Office to the State Board of Education and subject to the specific appropriation therefor by the Legislature, the State Board of Education shall revise the salary scale in the appropriate year to provide an additional one percent (1%) across-the-board increase in the base salaries for assistant teachers. The State Board of Education shall revise the salaries prescribed above for assistant teachers to conform to any adjustments made in prior fiscal years due to revenue growth over and above five percent (5%). The assistant teachers shall not be restricted to working only in the grades for which the funds were allotted, but may be assigned to other classes as provided in subsection (2)(a) of this section.

(7) (a) As an alternative to employing assistant teachers, any school district may use the allotment provided under subsection (6) of this section for the purpose of employing licensed teachers for kindergarten, first-, second- and third-grade classes;

however, no school district shall be authorized to use the allotment for assistant teachers for the purpose of employing licensed teachers unless the district has established that the employment of licensed teachers using such funds will reduce the teacher:student ratio in the kindergarten, first-, second- and third-grade classes. All state funds for assistant teachers shall be applied to reducing teacher:student ratio in Grades K-3.

It is the intent of the Legislature that no school district shall dismiss any assistant teacher for the purpose of using the assistant teacher allotment to employ licensed teachers. School districts may rely only upon normal attrition to reduce the number of assistant teachers employed in that district.

(b) Districts meeting the highest levels of accreditation standards, as defined by the State Board of Education, shall be exempted from the provisions of subsection (4) of this section.

SECTION 2. This act shall take effect and be in force from and after July 1, 2023.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 37-21-7, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT NO SCHOOL DISTRICT SHALL REDUCE THE LOCAL SUPPLEMENT OR PAY AN INDIVIDUAL ASSISTANT TEACHER LESS THAN THE STATE MINIMUM SALARY IN A YEAR IN WHICH THE STATE MINIMUM SALARY IS INCREASED; TO PROVIDE FOR A REDUCTION IN FUNDS FOR SCHOOL DISTRICTS THAT VIOLATE THE PROVISIONS OF THIS SECTION; TO PROVIDE THAT NO SCHOOL DISTRICT SHALL PAY ANY ASSISTANT TEACHER LESS THAN THE STATE MINIMUM SALARY UNLESS DONE SO BY A PRO RATA DAILY AMOUNT WHERE THERE HAS BEEN A REDUCTION IN ADEQUATE EDUCATION PROGRAM ALLOCATIONS FOR SUCH DISTRICT IN SUCH YEAR OR WHERE THERE HAS BEEN A REDUCTION IN THE AMOUNT OF FEDERAL FUNDS TO SUCH DISTRICT FROM THE PREVIOUS YEAR; AND FOR RELATED PURPOSES.

Senator Wiggins called up the following entitled bill:

H. B. No. 1342: Adoption procedures; regulate by creating a licensure authority.

Senator Wiggins offered the following COMMITTEE AMENDMENT NO. 1.

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 93-5-1, Mississippi Code of 1972, is amended as follows:

93-5-1. Divorces from the bonds of matrimony may be decreed to the injured party for any one or more of the following * * * thirteen (13) causes:

First. Natural impotency.

Second. Adultery, unless it should appear that it was committed by collusion of the parties for the purpose of procuring a divorce, or unless the parties cohabited after a knowledge by complainant of the adultery.

Third. Being sentenced to any penitentiary, and not pardoned before being sent there.

Fourth. * * * Continued * * * desertion for the space of one (1) year.

Fifth. Habitual drunkenness.

Sixth. Habitual and excessive use of opium, morphine or other like drug.

Seventh. Habitual cruel and inhuman treatment, including spousal domestic abuse.

Spousal domestic abuse may be established through the reliable testimony of a single credible witness, who may be the injured party, and includes, but is not limited to:

That the injured party's spouse attempted to cause, or purposely, knowingly or recklessly caused bodily injury to the injured party, or that the injured party's spouse attempted by physical menace to put the injured party in fear of imminent serious bodily harm; or

That the injured party's spouse engaged in a pattern of behavior against the injured party of threats or intimidation, emotional or verbal abuse, forced isolation, sexual extortion or sexual abuse, or stalking or aggravated stalking as defined in Section 97-3-107, if the pattern of behavior rises above the level of unkindness or rudeness or incompatibility or want of affection.

Eighth. Having mental illness or an intellectual disability at the time of marriage, if the party complaining did not know of that infirmity.

Ninth. Marriage to some other person at the time of the pretended marriage between the parties.

Tenth. Pregnancy of the wife by another person at the time of the marriage, if the husband did not know of the pregnancy.

Eleventh. Either party may have a divorce if they are related to each other within the degrees of kindred between whom marriage is prohibited by law.

Twelfth. Incurable mental illness. However, no divorce shall be granted upon this ground unless the party with mental illness has been under regular treatment for mental illness and causes thereof, confined in an institution for persons with mental illness for a period of at least three (3) years immediately preceding the commencement of the action. However, transfer of a party with mental illness to his or her home for treatment or a trial visit on prescription or recommendation of a licensed physician, which treatment or trial visit proves unsuccessful after a bona fide effort by the complaining party to effect a cure, upon the reconfinement of the party with mental illness in an institution for persons with mental illness, shall be regular treatment for mental illness and causes thereof, and the period of time so consumed in seeking to effect a cure or while on a trial visit home shall be added to the period of actual confinement in an institution for persons with mental illness in computing the required period of three (3) years confinement immediately preceding the beginning of the action. No divorce shall be granted because of mental illness until after a thorough examination of the person with mental illness by two (2) physicians who are recognized authorities on mental diseases. One (1) of those physicians shall be either the superintendent of a state psychiatric hospital or institution or a veterans hospital for persons with mental illness in which the patient is confined, or a

member of the medical staff of that hospital or institution who has had the patient in charge. Before incurable mental illness can be successfully proven as a ground for divorce, it shall be necessary that both of those physicians make affidavit that the patient is a person with mental illness at the time of the examination, and both affidavits shall be made a part of the permanent record of the divorce proceedings and shall create the prima facie presumption of incurable mental illness, such as would justify a divorce based on that ground. Service of process shall be made on the superintendent of the hospital or institution in which the defendant is a patient. If the patient is in a hospital or institution outside the state, process shall be served by publication, as in other cases of service by publication, together with the sending of a copy by registered mail to the superintendent of the hospital or institution. In addition, process shall be served upon the next blood relative and guardian, if any. If there is no legal guardian, the court shall appoint a guardian ad litem to represent the interest of the person with mental illness. The relative or guardian and superintendent of the hospital or institution shall be entitled to appear and be heard upon any and all issues. The status of the parties as to the support and maintenance of the person with mental illness shall not be altered in any way by the granting of the divorce.

However, in the discretion of the chancery court, and in those cases as the court may deem it necessary and proper, before any such decree is granted on the ground of incurable mental illness, the complainant, when ordered by the court, shall enter into bond, to be approved by the court, in such an amount as the court may think just and proper, conditioned for the care and keeping of the person with mental illness during the remainder of his or her natural life, unless the person with mental illness has a sufficient estate in his or her own right for that purpose.

Thirteenth. Upon application of either party, the court may grant a divorce when the court finds there has been an irretrievable breakdown of the marriage and that further attempts at reconciliation are impractical or futile and not in the best interests of the parties or family.

SECTION 2. This act shall take effect and be in force from and after July 1, 2023.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 93-5-1, MISSISSIPPI CODE OF 1972, TO DELETE THE REQUIREMENT OF WILLFUL AND OBSTINATE FROM THE GROUND OF DIVORCE FOR DESERTION; TO PROVIDE AN ADDITIONAL GROUND OF DIVORCE WHERE WHEN THE COURT FINDS THERE HAS BEEN AN IRRETRIEVABLE BREAKDOWN OF THE MARRIAGE AND THAT FURTHER ATTEMPTS AT RECONCILIATION ARE IMPRACTICAL OR FUTILE AND NOT IN THE BEST INTERESTS OF THE PARTIES OR FAMILY; AND FOR RELATED PURPOSES.

Committee Amendment No. 1 to H. B. No. 1342 was adopted.

YEAS AND NAYS On H. B. No. 1342. On motion of Senator Wiggins, the rules were suspended, the bill considered engrossed, read the third time and, the yeas and nays being taken, it passed as amended, title standing as stated, by the following vote:

H. B. No. 1149: Path to permanency; provide for children in Child Protection Services.

Senator Wiggins offered the following COMMITTEE AMENDMENT NO. 1.

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 43-21-201, Mississippi Code of 1972, is amended as follows:

43-21-201. (1) (a) Each party shall have the right to be represented by counsel at all stages of the proceedings including, but not limited to, detention, shelter, adjudicatory and disposition hearings and parole or probation revocation proceedings.

(b) In delinquency matters the court shall appoint legal defense counsel who is not also a guardian ad litem for the same child. If the party is a child, the child shall be represented by counsel at all critical stages: detention, adjudicatory and disposition hearings; parole or probation revocation proceedings; and post-disposition matters. If indigent, the child shall have the right to have counsel appointed for him by the youth court.

(c) A child who is alleged to have been abused or neglected shall be deemed to be a party to the proceedings under this chapter. The child shall be represented by an attorney at all stages of any proceedings held pursuant to this chapter. The court shall appoint an attorney to any child who is unrepresented.

(2) When a party first appears before the youth court, the judge shall ascertain whether he is represented by counsel and, if not, inform him of his rights including his right to counsel. If the court determines that a parent or guardian who is a party in an abuse, neglect or termination of parental rights proceeding is indigent, the youth court judge may appoint counsel to represent the indigent parent or guardian in the proceeding.

(3) An attorney appointed to represent a * * * child shall be required to complete annual juvenile justice training that is approved by the Mississippi Office of State Public Defender and the Mississippi Commission on Continuing Legal Education. An attorney appointed to represent a parent or guardian in an abuse, neglect or termination of parental rights proceeding shall be required to complete annual training that is approved by the Office of State Public Defender and the Mississippi Commission on Continuing Legal Education. The Mississippi Office of State Public Defender and the Mississippi Commission on Continuing Legal Education shall determine the amount of juvenile justice training and continuing education required to fulfill the requirements of this subsection. The State Public Defender shall maintain a roll of attorneys who have complied with the training requirements and shall enforce the provisions of this subsection. Should an attorney fail to complete the annual training requirement or fail to attend the required training within six (6) months of being appointed to a youth court case, the attorney shall be disqualified to serve and the youth court shall immediately terminate the representation and appoint another attorney. Attorneys appointed by a youth court to five (5) or fewer cases a year are exempt from the requirements of this subsection.

(4) The child's attorney shall owe the same duties of undivided loyalty, confidentiality and competent representation to the child or minor as is due an adult client pursuant to the Mississippi Rules of Professional Conduct.

(5) An attorney shall enter his appearance on behalf of a party in the proceeding by filing a written notice of appearance with the youth court, by filing a pleading, notice or motion signed by counsel or by appearing in open court and advising the youth court that he is representing a party. After counsel has entered his appearance, he shall be served with copies of all subsequent pleadings, motions and notices required to be served on the party he represents. An attorney who has entered his appearance shall not be permitted to withdraw from the case until a timely appeal, if any, has been decided, except by leave of the court then exercising jurisdiction of the cause after notice of his intended withdrawal is served by him on the party he represents.

(6) Each designee appointed by a youth court judge shall be subject to the Code of Judicial Conduct and shall govern himself or herself accordingly.

(7) The Department of Child Protection Services shall be a necessary party at all stages of the proceedings involving a child for whom the department has custody, including, but not limited to, shelter, adjudicatory, disposition and permanency hearings.

SECTION 2. Section 43-21-501, Mississippi Code of 1972, is amended as follows:

43-21-501. When a petition has been filed and the date of hearing has been set by the youth court, the judge or his designee shall order the clerk of the youth court to issue a summons to the following to appear personally at such hearing:

- (a) The child named in the petition;
- (b) The person or persons who have custody or control of the child;
- (c) The parent or guardian of the child if such parent or guardian does not have custody of the child; * * *
- (d) The Department of Child Protection Services; and
- (* * *e) Any other person whom the court deems necessary.

SECTION 3. Section 43-21-701, Mississippi Code of 1972, is amended as follows:

Vacancies on the commission shall be filled in the manner of the original appointment. Employees of the commission shall be reimbursed for the expenses necessarily incurred in the performance of their official duties in the same manner as other state employees. The commission may also employ any consultants it deems necessary, including consultants to compile any demographic data needed to accomplish the duties of the commission.

(7) The Governor's Office of Federal-State Programs shall support the Commission on a Uniform Youth Court System and shall act as agent for any funds made available to the commission for its use. In order to expedite the implementation of the Commission on a Uniform Youth Court System, any funds available to the Governor's Office of Federal-State Programs for the * * * 2023-2024 fiscal year may be expended for the purpose of defraying the expenses of the commission created herein.

(8) The commission may contract for suitable office space in accordance with the provisions of Section 29-5-2, Mississippi Code of 1972. In addition, the commission may utilize, with their consent, the services, equipment, personnel, information and resources of other state agencies; and may accept voluntary and uncompensated services, contract with individuals, public and private agencies, and request information, reports and data from any agency of the state, or any of its political subdivisions, to the extent authorized by law.

(9) In order to conduct and carry out its purposes, duties and related activities as provided for in this section and Section 43-21-703, the commission is authorized to apply for and accept gifts, grants, subsidies and other funds from persons, corporations, foundations, the United States government or other entities, provided that the receipt of such gifts, grants, subsidies and funds shall be reported and otherwise accounted for in the manner provided by law.

SECTION 4. Section 43-21-703, Mississippi Code of 1972, is amended as follows:

43-21-703. (1) The commission shall study the youth court system in Mississippi, and prepare a report including any proposed changes in the youth court system and/or its procedures. It shall submit the report to the Legislature, on or before October 1, * * * 2024, along with a report detailing any legislation which may be needed to implement the plan. In preparing the report, the commission shall evaluate the existing juvenile services in the state and may recommend changes in the organizational concepts, institutions, laws and resources.

(2) In formulating its report, the commission shall take into consideration the following:

(a) Whether a uniform statewide youth court system would be desirable;

(b) How best the service needs of the state could be met in relation to the taxing and resource capacity of various multi-county districts now existing or proposed;

(c) Whether counties in a given service area or district may develop district shelters, detention centers and diagnostic centers to serve a multi-county area; and

(d) What proposals or alternatives would update or modernize the system to provide staffing for all counties and citizens.

(3) The commission, in addition to recommending the plan described in this section, shall serve as a clearinghouse and information center for the collection, preparation, analysis and dissemination of information on the youth court system in Mississippi and shall conduct ongoing research relating to the improvement of the youth court system. Pursuant to its duties under this subsection, the commission may request the regular submission to it of such reports, information and statistics by the courts,

judges, prosecuting attorneys and agencies of this state which the commission deems necessary for the development of its reports.

SECTION 5. Section 93-15-107, Mississippi Code of 1972, is amended as follows:

93-15-107. (1) (a) Involuntary termination of parental rights proceedings are commenced upon the filing of a petition under this chapter. The petition may be filed by any interested person, or any agency, institution or person holding custody of the child. The simultaneous filing of a petition for adoption is not a prerequisite for filing a petition under this chapter.

(b) The proceeding shall be triable, either in term time or vacation, thirty (30) days after personal service of process to any necessary party or, for a necessary party whose address is unknown after diligent search, thirty (30) days after the date of the first publication of service of process by publication that complies with the Mississippi Rules of Civil Procedure.

(c) Necessary parties to a termination of parental rights action shall include the mother of the child, the legal father of the child, the putative father of the child when known, and any agency, institution or person holding custody of the child. The absence of a necessary party who has been properly served does not preclude the court from conducting the hearing or rendering a final judgment.

(d) A guardian ad litem shall be appointed to protect the best interest of the child, except that the court, in its discretion, may waive this requirement when a parent executes a written voluntary release to terminate parental rights. The guardian ad litem fees shall be determined and assessed in the discretion of the court.

(2) Voluntary termination of parental rights by written voluntary release is governed by Section 93-15-111.

(3) In all cases involving termination of parental rights, a minor parent shall be served with process as an adult.

(4) The court may waive service of process if an adoptive child was born in a foreign country, put up for adoption in the birth country, and has been legally admitted into this country.

(5) The clerk shall docket cases seeking relief under this chapter as priority cases. The assigned judge shall be immediately notified when a case is filed in order to provide for expedited proceedings.

SECTION 6. Section 93-17-3, Mississippi Code of 1972, is amended as follows:

93-17-3. (1) Except as otherwise provided in this section, a court of this state has jurisdiction over a proceeding for the adoption or readoption of a minor commenced under this chapter if:

(a) Immediately before commencement of the proceeding, the minor lived in this state with a parent, a guardian, a prospective adoptive parent or another person acting as parent, for at least six (6) consecutive months, excluding periods of temporary absence, or, in the case of a minor under six (6) months of age, lived in this state from soon after birth with any of those individuals and there is available in this state substantial evidence concerning the minor's present or future care;

(b) Immediately before commencement of the proceeding, the prospective adoptive parent lived in this state for at least six (6) consecutive months, excluding periods of temporary absence, and there is available in this state substantial evidence concerning the minor's present or future care;

(c) The agency that placed the minor for adoption is licensed in this state and it is in the best interest of the minor that a court of this state assume jurisdiction because:

(i) The minor and the minor's parents, or the minor and the prospective adoptive parent, have a significant connection with this state; and

(ii) There is available in this state substantial evidence concerning the minor's present or future care;

(d) The minor and the prospective adoptive parent or parents are physically present in this state and the minor has been abandoned or it is necessary in an emergency to protect the minor because the minor has been subjected to or threatened with mistreatment or abuse or is otherwise neglected, and the prospective adoptive parent or parents, if not residing in Mississippi, have completed and provided the court with a satisfactory Interstate Compact for Placement of Children (ICPC) home study and accompanying forms;

(e) It appears that no other state would have jurisdiction under prerequisites substantially in accordance with paragraphs (a) through (d), or another state has declined to exercise jurisdiction on the ground that this state is the more appropriate forum to hear a petition for adoption of the minor, and it is in the best interest of the minor that a court of this state assume jurisdiction; or

(f) The child has been adopted in a foreign country, the agency that placed the minor for adoption is licensed in this state, and it is in the best interest of the child to be readopted in a court of this state having jurisdiction.

(2) A court of this state may not exercise jurisdiction over a proceeding for adoption of a minor if, at the time the petition for adoption is filed, a proceeding concerning the custody or adoption of the minor is pending in a court of another state exercising jurisdiction substantially in conformity with the Uniform Child Custody Jurisdiction Act or this section unless the proceeding is stayed by the court of the other state.

(3) If a court of another state has issued a decree or order concerning the custody of a minor who may be the subject of a proceeding for adoption in this state, a court of this state may not exercise jurisdiction over a proceeding for adoption of the minor unless:

(a) The court of this state finds that the court of the state which issued the decree or order:

(i) Does not have continuing jurisdiction to modify the decree or order under jurisdictional prerequisites substantially in accordance with the Uniform Child Custody Jurisdiction Act or has declined to assume jurisdiction to modify the decree or order; or

(ii) Does not have jurisdiction over a proceeding for adoption substantially in conformity with subsection (1)(a) through (d) or has declined to assume jurisdiction over a proceeding for adoption; and

(b) The court of this state has jurisdiction over the proceeding.

(4) Any person may be adopted in accordance with the provisions of this chapter in term time or in vacation by an unmarried adult, by a married person whose spouse joins in the petition, by a married person whose spouse does not join in the petition because such spouse does not cohabit or reside with the petitioning spouse, and in any circumstances determined by the court that the adoption is in the best interest of the child. Only the consenting adult will be a legal parent of the child. In those adoption proceedings

where the chancery court has jurisdiction, the adoption shall be by sworn petition filed in the chancery court of the county in which the adopting petitioner or petitioners reside or in which the child to be adopted resides or was born, or was found when it was abandoned or deserted, or in which the home is located to which the child has been surrendered by a person authorized to do so. In those adoption proceedings where the county court sitting as a youth court has jurisdiction, the adoption shall be by sworn petition filed in that county court. The petition shall be accompanied by a doctor's or nurse practitioner's certificate showing the physical and mental condition of the child to be adopted and a sworn statement of all property, if any, owned by the child. In addition, the petition shall be accompanied by affidavits of the petitioner or petitioners stating the amount of the service fees charged by any adoption agencies or adoption facilitators used by the petitioner or petitioners and any other expenses paid by the petitioner or petitioners in the adoption process as of the time of filing the petition. If the doctor's or nurse practitioner's certificate indicates any abnormal mental or physical condition or defect, the condition or defect shall not, in the discretion of the chancellor or youth court judge, bar the adoption of the child if the adopting parent or parents file an affidavit stating full and complete knowledge of the condition or defect and stating a desire to adopt the child, notwithstanding the condition or defect. The court shall have the power to change the name of the child as a part of the adoption proceedings. The word "child" in this section shall be construed to refer to the person to be adopted, though an adult.

(5) No person may be placed in the home of or adopted by the prospective adopting parties before a court-ordered or voluntary home study is satisfactorily completed by a licensed adoption agency, a licensed, experienced social worker approved by the chancery court, a court-appointed guardian ad litem that has knowledge or training in conducting home studies if so directed by the court, or by the Department of * * * Child Protection Services on the prospective adoptive parties if required by Section 93-17-11.

(6) No person may be adopted by a person or persons who reside outside the State of Mississippi unless the provisions of the Interstate Compact for Placement of Children (Section 43-18-1 et seq.) have been complied with. In such cases Forms 100A, 100B (if applicable) and evidence of Interstate Compact for Placement of Children approval shall be added to the permanent adoption record file within one (1) month of the placement, and a minimum of two (2) post-placement reports conducted by a licensed child-placing agency shall be provided to the Mississippi Department of Child Protection Services Interstate Compact for Placement of Children office.

(7) No person may be adopted unless the provisions of the Indian Child Welfare Act (ICWA) have been complied with, if applicable. When applicable, proof of compliance shall be included in the court adoption file prior to finalization of the adoption. If not applicable, a written statement or paragraph in the petition for adoption shall be included in the adoption petition stating that the provisions of ICWA do not apply before finalization.

(8) The readoption of a child who has automatically acquired United States citizenship following an adoption in a foreign country and who possesses a Certificate of Citizenship in accordance with the Child Citizenship Act, CAA, Public Law 106-395, may be given full force and effect in a readoption proceeding conducted by a court of competent jurisdiction in this state by compliance with the Mississippi Registration of Foreign Adoptions Act, Article 9 of this chapter.

(9) For adult adoptees who consent to the adoption, a chancellor may waive any of the petition requirements and procedural requirements within subsections (4), (5), (6) and (7) of this section.

(10) For proceedings filed under this chapter, the chancery court has original exclusive jurisdiction over all adoption proceedings except when a county court sitting as a youth court has acquired jurisdiction of a child in an abuse or neglect proceeding. In

such case, the county court shall have original exclusive jurisdiction to hear a petition for adoption of that child pursuant to the procedures of this chapter.

(11) The clerk shall docket cases seeking relief under this chapter as priority cases. The assigned judge shall be immediately notified when a case is filed in order to provide for expedited proceedings.

SECTION 43. Section 43-15-117, Mississippi Code of 1972, is amended as follows:

43-15-117. (1) Except as provided in this article, no person, agency, firm, corporation, association or group children's home may engage in child placing, or solicit money or other assistance for child placing, without a valid license issued by the * * * department. No out-of-state child-placing agency that provides a full range of services, including, but not limited to, adoptions, foster family homes, adoption counseling services or financial aid, may operate in this state without a valid license issued by the * * * department. No child-placing agency shall advertise in the media markets in Mississippi seeking birth mothers or their children for adoption purposes unless the agency holds a valid and current license issued either by the * * * department or the authorized governmental licensing agency of another state that regulates child-placing agencies. Any child-placing agency, physician or attorney who advertises for child placing or adoption services in Mississippi shall be required by the * * * department to show their principal office location on all media advertising for adoption services.

(2) An attorney who provides legal services to a client in connection with proceedings for the adoption of a child by the client, who does not receive, accept or provide custody or care for the child for the purposes specified in Section 43-15-103(c), shall not be required to have a license under this article to provide those legal services.

(3) An attorney, physician or other person may assist a parent in identifying or locating a person interested in adopting the parent's child, or in identifying or locating a child to be adopted. However, no payment, charge, fee, reimbursement of expense, or exchange of value of any kind, or promise or agreement to make the same, may be made for that assistance.

(4) Nothing in this section precludes payment of reasonable fees for medical, legal or other lawful services rendered in connection with the care of a mother, delivery and care of a child including, but not limited to, the mother's living expenses, or counseling for the parents and/or the child, and for the legal proceedings related to lawful adoption

proceedings; and no provision of this section abrogates the right of procedures for independent adoption as provided by law.

(5) The *** department is specifically authorized to promulgate rules under the Administrative Procedures Law, Title 25, Chapter 43, Mississippi Code of 1972, to regulate fees charged by licensed child-placing agencies, if it determines that the practices of those licensed child-placing agencies demonstrates that the fees charged are excessive or that any of the agency's practices are deceptive or misleading; however, those rules regarding fees shall take into account the use of any sliding fee by an agency that uses a sliding fee procedure to permit prospective adoptive parents of varying income levels to utilize the services of those agencies or persons.

(6) The *** department shall promulgate rules under the Administrative Procedures Law, Title 25, Chapter 43, Mississippi Code of 1972, to require that all licensed child-placing agencies provide written disclosures to all prospective adoptive parents of any fees or other charges for each service performed by the agency or person, and file an annual report with the *** department that states the fees and charges for those services, and to require them to inform the *** department in writing thirty (30) days in advance of any proposed changes to the fees or charges for those services.

(7) The *** department is specifically authorized to disclose to prospective adoptive parents or other interested persons any fees charged by any licensed child-placing agency, attorney or counseling service or counselor for all legal and counseling services provided by that licensed child-placing agency, attorney or counseling service or counselor.

SECTION 44. Section 43-15-119, Mississippi Code of 1972, is amended as follows:

43-15-119. (1) If the *** department finds that a violation has occurred under this article or the rules and regulations of the *** department, it may:

(a) Deny, suspend or revoke a license or place the licensee on probation, if the *** department discovers that a licensee is not in compliance with the laws, standards or regulations governing its operation, and/or it finds evidence of aiding, abetting or permitting the commission of any illegal act; or

(b) Restrict or prohibit new admissions to the licensee's program or facility, if the *** department discovers that a licensee is not in compliance with the laws, standards or regulations governing its operation, and/or it finds evidence of aiding, abetting or permitting the commission of any illegal act.

(2) If placed on probation, the agency or licensee shall post a copy of the notice in a conspicuous place as directed by the *** department and with the agency's or individual's license, and the agency shall notify the custodians of each of the children in its care in writing of the agency's status and the basis for the probation.

SECTION 45. Section 43-15-121, Mississippi Code of 1972, is amended as follows:

43-15-121. In addition to, and notwithstanding, any other remedy provided by law, the *** department may, in a manner provided by law and upon the advice of the Attorney General who, except as otherwise authorized in Section 7-5-39, shall represent the *** department in the proceedings, maintain an action in the name of the state for injunction or other process against any person or entity to restrain or prevent the establishment, management or operation of a program or facility or performance of services in violation of this article or rules of the *** department.

43-15-201. (1) An emergency medical services provider, without a court order, shall take possession of a child who is seven (7) days old or younger if the child is voluntarily delivered to the provider by the child's parent and the parent did not express an intent to return for the child.

(2) The parent who surrenders the baby shall not be required to provide any information pertaining to his or her identity, nor shall the emergency medical services provider inquire as to same. If the identity of the parent is known to the emergency medical services provider, the emergency medical services provider shall keep the identity confidential.

(3) A female presenting herself to a hospital through the emergency room or otherwise, who is subsequently admitted for purposes of labor and delivery, does not give up the legal protections or anonymity guaranteed under this section. If the mother clearly expresses a desire to voluntarily surrender custody of the newborn after birth, the emergency medical services provider can take possession of the child, without further action by the mother, as if the child had been presented to the emergency medical services provider in the same manner outlined above in subsection (1) of this section.

(a) If the mother expresses a desire to remain anonymous, identifying information may be obtained for purposes of securing payment of labor and delivery costs only. If the birth mother is a minor, the hospital may use the identifying information to secure payment through Medicaid, but shall not notify the minor's parent or guardian without the minor's consent.

(b) The identity of the birth mother shall not be placed on the birth certificate or disclosed to the Department of * * * Child Protection Services.

(4) There is a presumption that by relinquishing a child in accordance with this section, the parent consents to the termination of his or her parental rights with respect to the child. As such, the parent waives the right to notification required by subsequent court proceedings.

(5) An emergency medical services provider who takes possession of a child under this section shall perform any act necessary to protect the physical health or safety of the child.

SECTION 48. Section 43-15-203, Mississippi Code of 1972, is amended as follows:

43-15-203. (2) The department shall assume the care, control and custody of the child immediately on receipt of notice pursuant to subsection (1). The department shall be responsible for all medical and other costs associated with the child and shall reimburse

the hospital for any costs incurred prior to the child being placed in the care of the department.

An emergency medical services provider does not include the offices, clinics, surgeries or treatment facilities of private physicians or dentists. No individual licensed healthcare provider, including physicians, dentists, nurses, physician assistants or other health professionals shall be deemed to be an emergency medical services provider under this article unless such individual voluntarily assumes responsibility for the custody of the child.

(1) After receiving a report, the youth court intake unit shall promptly make a preliminary inquiry to determine whether the interest of the child, other children in the same environment or the public requires the youth court to take further action. As part of the preliminary inquiry, the youth court intake unit may request or the youth court may order the Department of * * * Child Protection Services, the Department of Human Services - Division of Youth Services, any successor agency or any other qualified public employee to make an investigation or report concerning the child and any other children in the same environment, and present the findings thereof to the youth court intake unit. If the youth court intake unit receives a neglect or abuse report, the youth court intake unit shall immediately forward the complaint to the Department of * * * Child Protection

(2) If the child and his parent, guardian or custodian appear at the informal adjustment conference without counsel, the informal adjustment counselor shall, at the commencement of the conference, inform them of their right to counsel, the child's right to appointment of counsel and the right of the child to remain silent. If either the child or his parent, guardian or custodian indicates a desire to be represented by counsel, the informal adjustment counselor shall adjourn the conference to afford an opportunity to secure counsel.

(3) At the beginning of the informal adjustment conference, the informal adjustment counselor shall inform the child and his parent, guardian or custodian:

The informal adjustment agreement may be modified at any time upon the consent of all parties to the informal adjustment conference.

(6) The informal adjustment process shall not continue beyond a period of six (6) months from its commencement unless extended by the youth court for an additional period not to exceed six (6) months by court authorization prior to the expiration of the original six-month period. In no event shall the custody or supervision of a child which has been placed with the Department of * * * Human Services - Division of Youth Services or the Department of Child Protection Services be continued or extended except upon a written finding by the youth court judge or referee that reasonable efforts have been made to maintain the child within his own home, but that the circumstances warrant his removal and there is no reasonable alternative to custody, and that reasonable efforts will continue to be made towards reunification of the family.

SECTION 59. Section 43-21-603, Mississippi Code of 1972, is amended as follows:

43-21-603. (1) At the beginning of each disposition hearing, the judge shall inform the parties of the purpose of the hearing.

(2) All testimony shall be under oath unless waived by all parties and may be in narrative form. The court may consider any evidence that is material and relevant to the disposition of the cause, including hearsay and opinion evidence. At the conclusion of the evidence, the youth court shall give the parties an opportunity to present oral argument.

(3) If the child has been adjudicated a delinquent child, before entering a disposition order, the youth court should consider, among others, the following relevant factors:

(a) The nature of the offense;

- (b) The manner in which the offense was committed;
- (c) The nature and number of a child's prior adjudicated offenses;
- (d) The child's need for care and assistance;
- (e) The child's current medical history, including medication and diagnosis;
- (f) The child's mental health history, which may include, but not be limited to, the Massachusetts Youth Screening Instrument version 2 (MAYSI-2);
- (g) Copies of the child's cumulative record from the last school of record, including special education records, if applicable;
- (h) Recommendation from the school of record based on areas of remediation needed;
- (i) Disciplinary records from the school of record; and
- (j) Records of disciplinary actions outside of the school setting.

(4) If the child has been adjudicated a child in need of supervision, before entering a disposition order, the youth court should consider, among others, the following relevant factors:

- (a) The nature and history of the child's conduct;
- (b) The family and home situation; and
- (c) The child's need of care and assistance.

(5) If the child has been adjudicated a neglected child or an abused child, before entering a disposition order, the youth court shall consider, among others, the following relevant factors:

- (a) The child's physical and mental conditions;
- (b) The child's or family's need of assistance;
- (c) The manner in which the parent, guardian or custodian participated in, tolerated or condoned the abuse, neglect or abandonment of the child;

(6) After consideration of all the evidence and the relevant factors, the youth court shall enter a disposition order that shall not recite any of the facts or circumstances upon which the disposition is based, nor shall it recite that a child has been found guilty; but it shall recite that a child is found to be a delinquent child, a child in need of supervision, a neglected child or an abused child.

(7) If the youth court orders that the custody or supervision of a child who has been adjudicated abused or neglected be placed with the Department of * * * Child Protection

Services or any other person or public or private agency, other than the child's parent, guardian or custodian, the youth court shall find and the disposition order shall recite that:

(a) (i) Reasonable efforts have been made to maintain the child within his own home, but that the circumstances warrant his removal and there is no reasonable alternative to custody; or

(ii) The circumstances are of such an emergency nature that no reasonable efforts have been made to maintain the child within his own home, and that there is no reasonable alternative to custody; and

(b) That the effect of the continuation of the child's residence within his own home would be contrary to the welfare of the child and that the placement of the child in foster care is in the best interests of the child; or

(c) Reasonable efforts to maintain the child within his home shall not be required if the court determines that:

(i) The parent has subjected the child to aggravated circumstances, including, but not limited to, abandonment, torture, chronic abuse and sexual abuse; or

(ii) The parent has been convicted of murder of another child of that parent, voluntary manslaughter of another child of that parent, aided or abetted, attempted, conspired or solicited to commit that murder or voluntary manslaughter, or a felony assault that results in the serious bodily injury to the surviving child or another child of that parent; or

(iii) The parental rights of the parent to a sibling have been terminated involuntarily; and

(iv) That the effect of the continuation of the child's residence within his own home would be contrary to the welfare of the child and that placement of the child in foster care is in the best interests of the child.

Once the reasonable efforts requirement is bypassed, the court shall have a permanency hearing under Section 43-21-613 within thirty (30) days of the finding.

(8) Upon a written motion by a party, the youth court shall make written findings of fact and conclusions of law upon which it relies for the disposition order. If the disposition ordered by the youth court includes placing the child in the custody of a training school, an admission packet shall be prepared for the child that contains the following information:

(a) The child's current medical history, including medications and diagnosis;

(b) The child's mental health history;

(c) Copies of the child's cumulative record from the last school of record, including special education records, if reasonably available;

(d) Recommendation from the school of record based on areas of remediation needed;

(e) Disciplinary records from the school of record; and

(f) Records of disciplinary actions outside of the school setting, if reasonably available.

Only individuals who are permitted under the Health Insurance Portability and Accountability Act of 1996 (HIPAA) shall have access to a child's medical records which

are contained in an admission packet. The youth court shall provide the admission packet to the training school at or before the child's arrival at the training school. The admittance of any child to a training school shall take place between the hours of 8:00 a.m. and 3:00 p.m. on designated admission days.

(9) When a child in the jurisdiction of the Youth Court is committed to the custody of the Mississippi Department of * * * Child Protection Services and is believed to be in need of treatment for a mental or emotional disability or infirmity, the Department of * * * Child Protection Services shall file an affidavit alleging that the child is in need of mental health services with the Youth Court. The Youth Court shall refer the child to the appropriate community mental health center for evaluation pursuant to Section 41-21-67. If the prescreening evaluation recommends residential care, the Youth Court shall proceed with civil commitment pursuant to Sections 41-21-61 et seq., 43-21-315 and 43-21-611, and the Department of Mental Health, once commitment is ordered, shall provide appropriate care, treatment and services for at least as many adolescents as were provided services in fiscal year 2004 in its facilities.

(10) Any screening and assessment examinations ordered by the court may aid in dispositions related to delinquency, but no statements or admissions made during the course thereof may be admitted into evidence against the child on the issue of whether the child committed a delinquent act.

SECTION 60. Section 43-21-609, Mississippi Code of 1972, is amended as follows:

43-21-609. In neglect and abuse cases, the disposition order may include any of the following alternatives, giving precedence in the following sequence:

(a) Release the child without further action;

(b) Place the child in the custody of his parents, a relative or other person subject to any conditions and limitations as the court may prescribe. If the court finds that temporary relative placement, adoption or foster care placement is inappropriate, unavailable or otherwise not in the best interest of the child, durable legal custody may be granted by the court to any person subject to any limitations and conditions the court may prescribe; such durable legal custody will not take effect unless the child or children have been in the physical custody of the proposed durable custodians for at least six (6) months under the supervision of the Department of * * * Child Protection Services. The requirements of Section 43-21-613 as to disposition review hearings do not apply to those matters in which the court has granted durable legal custody. In such cases, the Department of * * * Child Protection Services shall be released from any oversight or monitoring responsibilities;

(c) (i) Grant durable legal relative guardianship to a relative or fictive kin licensed as a foster parent if the licensed relative foster parent or licensed fictive kin foster parent exercised physical custody of the child for at least six (6) months before the grant of durable legal relative guardianship and the Department of Child Protection Services had legal custody or exercised supervision of the child for at least six (6) months. In order to establish durable legal relative guardianship, the youth court must find the following:

1. That reunification has been determined to be inappropriate;

2. That the relative guardian or fictive kin guardian shows full commitment to the care, shelter, education, nurture, and reasonable medical care of the child; and

3. That the youth court consulted with any child twelve (12) years of age or older before granting durable legal relative guardianship.

(ii) The requirements of Section 43-21-613 as to disposition review hearings do not apply to a hearing concerning durable legal relative guardianship. However, the Department of Child Protection Services must conduct an annual review and recertification of the durable legal relative guardianship to determine whether it remains in the best interest of the child. If a material change in circumstances occurs adverse to the best interest of the child, the parent, relative guardian, fictive kin guardian, or Department of Child Protection Services may petition the court to review the durable legal relative guardianship;

(d) Order terms of treatment calculated to assist the child and the child's parent, guardian or custodian which are within the ability of the parent, guardian or custodian to perform;

(e) Order youth court personnel, the Department of Child Protection Services or child care agencies to assist the child and the child's parent, guardian or custodian to secure social or medical services to provide proper supervision and care of the child;

(f) Give legal custody of the child to any of the following but in no event to any state training school:

(i) The Department of Child Protection Services for appropriate placement; or

(ii) Any private or public organization, preferably community-based, able to assume the education, care and maintenance of the child, which has been found suitable by the court. Prior to assigning the custody of any child to any private institution or agency, the youth court through its designee shall first inspect the physical facilities to determine that they provide a reasonable standard of health and safety for the child;

(g) If the court makes a finding that custody is necessary as defined in Section 43-21-301(3)(b), and that the child, in the action pending before the youth court had not previously been taken into custody, the disposition order shall recite that the effect of the continuation of the child's residing within his or her own home would be contrary to the welfare of the child, that the placement of the child in foster care is in the best interests of the child, and unless the reasonable efforts requirement is bypassed under Section 43-21-603(7)(c), the order also must state:

(i) That reasonable efforts have been made to maintain the child within his or her own home, but that the circumstances warrant his or her removal, and there is no reasonable alternative to custody; or

(ii) The circumstances are of such an emergency nature that no reasonable efforts have been made to maintain the child within his or her own home, and there is no reasonable alternative to custody; or

SECTION 77. Section 93-5-23, Mississippi Code of 1972, is amended as follows:

93-5-23. When a divorce shall be decreed from the bonds of matrimony, the court may, in its discretion, having regard to the circumstances of the parties and the nature of the case, as may seem equitable and just, make all orders touching the care, custody and maintenance of the children of the marriage, and also touching the maintenance and alimony of the wife or the husband, or any allowance to be made to her or him, and shall, if need be, require bond, sureties or other guarantee for the payment of the sum so allowed. Orders touching on the custody of the children of the marriage shall be made in accordance with the provisions of Section 93-5-24. For the purposes of orders touching the maintenance and alimony of the wife or husband, "property" and "an asset of a spouse" shall not include any interest a party may have as an heir at law of a living person or any interest under a third-party will, nor shall any such interest be considered as an economic circumstance or other factor. The court may afterwards, on petition, change the decree, and make from time to time such new decrees as the case may require. However, where proof shows that both parents have separate incomes or estates, the court may require that each parent contribute to the support and maintenance of the children of the marriage in proportion to the relative financial ability of each. In the event a legally responsible parent has health insurance available to him or her through an employer or organization that may extend benefits to the dependents of such parent, any order of support issued against such parent may require him or her to exercise the option of additional coverage in favor of such children as he or she is legally responsible to support.

Whenever the court has ordered a party to make periodic payments for the maintenance or support of a child, but no bond, sureties or other guarantee has been required to secure such payments, and whenever such payments as have become due remain unpaid for a period of at least thirty (30) days, the court may, upon petition of the person to whom such payments are owing, or such person's legal representative, enter an order requiring that bond, sureties or other security be given by the person obligated to make such payments, the amount and sufficiency of which shall be approved by the court. The obligor shall, as in other civil actions, be served with process and shall be entitled to a hearing in such case.

At the discretion of the court, any person found in contempt for failure to pay child support and imprisoned therefor may be referred for placement in a state, county or municipal restitution, house arrest or restorative justice center or program, provided such person meets the qualifications prescribed in Section 99-37-19.

Whenever in any proceeding in the chancery court concerning the custody of a child a party alleges that the child whose custody is at issue has been the victim of sexual or physical abuse by the other party, the court may, on its own motion, grant a continuance in the custody proceeding only until such allegation has been investigated by the Department of * * * Child Protection Services. At the time of ordering such continuance, the court may direct the party and his attorney making such allegation of child abuse to report in writing and provide all evidence touching on the allegation of abuse to the Department of * * * Child Protection Services. The Department of * * * Child Protection Services shall investigate such allegation and take such action as it deems appropriate and as provided in such cases under the Youth Court Law (being Chapter 21 of Title 43, Mississippi Code of 1972) or under the laws establishing family courts (being Chapter 23 of Title 43, Mississippi Code of 1972).

If after investigation by the Department of * * * Child Protection Services or final disposition by the youth court or family court allegations of child abuse are found to be without foundation, the chancery court shall order the alleging party to pay all court costs and reasonable attorney's fees incurred by the defending party in responding to such allegation.

The court may investigate, hear and make a determination in a custody action when a charge of abuse and/or neglect arises in the course of a custody action as provided in Section 43-21-151, and in such cases the court shall appoint a guardian ad litem for the child as provided under Section 43-21-121, who shall be an attorney. Unless the chancery court's jurisdiction has been terminated, all disposition orders in such cases for placement with the Department of * * * Child Protection Services shall be reviewed by the court or designated authority at least annually to determine if continued placement with the department is in the best interest of the child or public.

The duty of support of a child terminates upon the emancipation of the child. The court may determine that emancipation has occurred pursuant to Section 93-11-65.

Custody and visitation upon military temporary duty, deployment or mobilization shall be governed by Section 93-5-34.

SECTION 78. Section 93-17-3, Mississippi Code of 1972, is amended as follows:

93-17-3. (1) Except as otherwise provided in this section, a court of this state has jurisdiction over a proceeding for the adoption or readoption of a minor commenced under this chapter if:

(a) Immediately before commencement of the proceeding, the minor lived in this state with a parent, a guardian, a prospective adoptive parent or another person acting as parent, for at least six (6) consecutive months, excluding periods of temporary absence, or, in the case of a minor under six (6) months of age, lived in this state from

soon after birth with any of those individuals and there is available in this state substantial evidence concerning the minor's present or future care;

(b) Immediately before commencement of the proceeding, the prospective adoptive parent lived in this state for at least six (6) consecutive months, excluding periods of temporary absence, and there is available in this state substantial evidence concerning the minor's present or future care;

(c) The agency that placed the minor for adoption is licensed in this state and it is in the best interest of the minor that a court of this state assume jurisdiction because:

(i) The minor and the minor's parents, or the minor and the prospective adoptive parent, have a significant connection with this state; and

(ii) There is available in this state substantial evidence concerning the minor's present or future care;

(d) The minor and the prospective adoptive parent or parents are physically present in this state and the minor has been abandoned or it is necessary in an emergency to protect the minor because the minor has been subjected to or threatened with mistreatment or abuse or is otherwise neglected, and the prospective adoptive parent or parents, if not residing in Mississippi, have completed and provided the court with a satisfactory Interstate Compact for Placement of Children (ICPC) home study and accompanying forms;

(e) It appears that no other state would have jurisdiction under prerequisites substantially in accordance with paragraphs (a) through (d), or another state has declined to exercise jurisdiction on the ground that this state is the more appropriate forum to hear a petition for adoption of the minor, and it is in the best interest of the minor that a court of this state assume jurisdiction; or

(f) The child has been adopted in a foreign country, the agency that placed the minor for adoption is licensed in this state, and it is in the best interest of the child to be readopted in a court of this state having jurisdiction.

(2) A court of this state may not exercise jurisdiction over a proceeding for adoption of a minor if, at the time the petition for adoption is filed, a proceeding concerning the custody or adoption of the minor is pending in a court of another state exercising jurisdiction substantially in conformity with the Uniform Child Custody Jurisdiction Act or this section unless the proceeding is stayed by the court of the other state.

(3) If a court of another state has issued a decree or order concerning the custody of a minor who may be the subject of a proceeding for adoption in this state, a court of this state may not exercise jurisdiction over a proceeding for adoption of the minor unless:

(a) The court of this state finds that the court of the state which issued the decree or order:

(i) Does not have continuing jurisdiction to modify the decree or order under jurisdictional prerequisites substantially in accordance with the Uniform Child Custody Jurisdiction Act or has declined to assume jurisdiction to modify the decree or order; or

(ii) Does not have jurisdiction over a proceeding for adoption substantially in conformity with subsection (1)(a) through (d) or has declined to assume jurisdiction over a proceeding for adoption; and

(b) The court of this state has jurisdiction over the proceeding.

(4) Any person may be adopted in accordance with the provisions of this chapter in term time or in vacation by an unmarried adult, by a married person whose spouse joins in the petition, by a married person whose spouse does not join in the petition because such spouse does not cohabit or reside with the petitioning spouse, and in any circumstances determined by the court that the adoption is in the best interest of the child. Only the consenting adult will be a legal parent of the child. The adoption shall be by sworn petition filed in the chancery court of the county in which the adopting petitioner or petitioners reside or in which the child to be adopted resides or was born, or was found when it was abandoned or deserted, or in which the home is located to which the child has been surrendered by a person authorized to so do. The petition shall be accompanied by a doctor's or nurse practitioner's certificate showing the physical and mental condition of the child to be adopted and a sworn statement of all property, if any, owned by the child. In addition, the petition shall be accompanied by affidavits of the petitioner or petitioners stating the amount of the service fees charged by any adoption agencies or adoption facilitators used by the petitioner or petitioners and any other expenses paid by the petitioner or petitioners in the adoption process as of the time of filing the petition. If the doctor's or nurse practitioner's certificate indicates any abnormal mental or physical condition or defect, the condition or defect shall not, in the discretion of the chancellor, bar the adoption of the child if the adopting parent or parents file an affidavit stating full and complete knowledge of the condition or defect and stating a desire to adopt the child, notwithstanding the condition or defect. The court shall have the power to change the name of the child as a part of the adoption proceedings. The word "child" in this section shall be construed to refer to the person to be adopted, though an adult.

(5) No person may be placed in the home of or adopted by the prospective adopting parties before a court-ordered or voluntary home study is satisfactorily completed by a licensed adoption agency, a licensed, experienced social worker approved by the chancery court, a court-appointed guardian ad litem that has knowledge or training in conducting home studies if so directed by the court, or by the Department of * * * Child Protection Services on the prospective adoptive parties if required by Section 93-17-11.

(6) No person may be adopted by a person or persons who reside outside the State of Mississippi unless the provisions of the Interstate Compact for Placement of Children (Section 43-18-1 et seq.) have been complied with. In such cases Forms 100A, 100B (if applicable) and evidence of Interstate Compact for Placement of Children approval shall be added to the permanent adoption record file within one (1) month of the placement, and a minimum of two (2) post-placement reports conducted by a licensed child-placing agency shall be provided to the Mississippi Department of Child Protection Services Interstate Compact for Placement of Children office.

(7) No person may be adopted unless the provisions of the Indian Child Welfare Act (ICWA) have been complied with, if applicable. When applicable, proof of compliance shall be included in the court adoption file prior to finalization of the adoption. If not applicable, a written statement or paragraph in the petition for adoption shall be included in the adoption petition stating that the provisions of ICWA do not apply before finalization.

(8) The readoption of a child who has automatically acquired United States citizenship following an adoption in a foreign country and who possesses a Certificate of Citizenship in accordance with the Child Citizenship Act, CAA, Public Law 106-395, may be given full force and effect in a readoption proceeding conducted by a court of competent jurisdiction in this state by compliance with the Mississippi Registration of Foreign Adoptions Act, Article 9 of this chapter.

(9) For adult adoptees who consent to the adoption, a chancellor may waive any of the petition requirements and procedural requirements within subsections (4), (5), (6) and (7) of this section.

SECTION 79. Section 93-17-5, Mississippi Code of 1972, is amended as follows:

93-17-5. (1) There shall be made parties to the proceeding by process or by the filing therein of a consent to the adoption proposed in the petition, which consent shall be duly sworn to or acknowledged and executed only by the following persons, but not before seventy-two (72) hours after the birth of the child:

(a) The parents, or parent, if only one (1) parent, though either be under the age of twenty-one (21) years;

(b) If both parents are dead, then any two (2) adult kin of the child within the third degree computed according to the civil law; if one of such kin is in possession of the child, he or she shall join in the petition or be made a party to the suit; or

(c) The guardian ad litem of an abandoned child, upon petition showing that the names of the parents of the child are unknown after diligent search and inquiry by the petitioners. In addition to the above, there shall be made parties to any proceeding to adopt a child, either by process or by the filing of a consent to the adoption proposed in the petition, the following:

(i) Those persons having physical custody of the child, except persons who are acting as foster parents as a result of placement with them by the Department of * * * Child Protection Services of the State of Mississippi.

(ii) Any person to whom custody of the child may have been awarded by a court of competent jurisdiction of the State of Mississippi.

(iii) The agent of the * * * Department of * * * Child Protection Services of the State of Mississippi that has placed a child in foster care, either by agreement or by court order.

(2) The consent may also be executed and filed by the duly authorized officer or representative of a home to whose care the child has been delivered. The child shall join the petition by the child's next friend.

(3) If consent is not filed, process shall be had upon the parties as provided by law for process in person or by publication, if they are nonresidents of the state or are not found therein after diligent search and inquiry, the court or chancellor in vacation may fix a date in termtime or in vacation to which process may be returnable and shall have power to proceed in termtime or vacation. In any event, if the child is more than fourteen (14) years of age, a consent to the adoption, sworn to or acknowledged by the child, shall also be required or personal service of process shall be had upon the child in the same manner and in the same effect as if the child were an adult.

SECTION 80. Section 93-17-8, Mississippi Code of 1972, is amended as follows:

93-17-8. (1) Whenever an adoption becomes a contested matter, whether after a hearing on a petition for determination of rights under Section 93-17-6 or otherwise, the court:

(a) Shall, on motion of any party or on its own motion, issue an order for immediate blood or tissue sampling in accordance with the provisions of Section 93-9-21 et seq., if paternity is at issue. The court shall order an expedited report of such testing and shall hold the hearing resolving this matter at the earliest time possible.

(b) Shall appoint a guardian ad litem to represent the child. Such guardian ad litem shall be an attorney, however his duties are as guardian ad litem and not as attorney for the child. The reasonable costs of the guardian ad litem shall be taxed as

costs of court. Neither the child nor anyone purporting to act on his behalf may waive the appointment of a guardian ad litem.

(c) Shall determine first whether or not the objecting parent is entitled to so object under the criteria of Section 93-17-7 and then shall determine the custody of the child in accord with the best interests of the child and the rights of the parties as established by the hearings and judgments.

(d) Shall schedule all hearings concerning the contested adoption as expeditiously as possible for prompt conclusion of the matter.

(2) In determining the custody of the child after a finding that the adoption will not be granted, the fact of the surrender of the child for adoption by a parent shall not be taken as any evidence of that parent's abandonment or desertion of the child or of that parent's unfitness as a parent.

(3) In contested adoptions arising through petitions for determination of rights where the prospective adopting parents were not parties to that proceeding, they need not be made parties to the contested adoption until there has been a ruling that the objecting parent is not entitled to enter a valid objection to the adoption. At that point the prospective adopting parents shall be made parties by joinder which shall show their suitability to be adopting parents as would a petition for adoption. The identity and suitability of the prospective adopting parents shall be made known to the court and the guardian ad litem, but shall not be made known to other parties to the proceeding unless the court determines that the interests of justice or the best interests of the child require it.

(4) No birth parent or alleged parent shall be permitted to contradict statements given in a proceeding for the adoption of their child in any other proceeding concerning that child or his ancestry.

(5) Appointment of a guardian ad litem is not required in any proceeding under this chapter except as provided in subsection (1)(b) above and except for the guardian ad litem needed for an abandoned child. It shall not be necessary for a guardian ad litem to be appointed where the chancery judge presiding in the adoption proceeding deems it unnecessary and no adoption agency is involved in the proceeding. No final decree of adoption heretofore granted shall be set aside or modified because a guardian ad litem was not appointed unless as the result of a direct appeal not now barred.

(6) The provisions of Chapter 15 of this Title 93, Mississippi Code of 1972, are not applicable to proceedings under this chapter except as specifically provided by reference herein.

(7) The court may order a child's birth father, identified as such in the proceedings, to reimburse the Department of * * * Child Protection Services, the foster parents, the adopting parents, the home, any other agency or person who has assumed liability for such child, all or part of the costs of the medical expenses incurred for the mother and the child in connection with the birth of the child, as well as reasonable support for the child after his birth.

SECTION 81. Section 93-17-11, Mississippi Code of 1972, is amended as follows:

93-17-11. At any time after the filing of the petition for adoption and completion of process thereon, and before the entering of a final decree, the court may, in its discretion, of its own motion or on motion of any party to the proceeding, require an investigation and report to the court to be made by any person, officer or home as the court may designate and direct concerning the child, and shall require in adoptions, other than those in which the petitioner or petitioners are a relative or stepparent of the child, that a home study be performed of the petitioner or petitioners by a licensed adoption agency or by the

Department of * * * Child Protection Services, at the petitioner's or petitioners' sole expense and at no cost to the state or county. The investigation and report shall give the material facts upon which the court may determine whether the child is a proper subject for adoption, whether the petitioner or petitioners are suitable parents for the child, whether the adoption is to its best interest, and any other facts or circumstances that may be material to the proposed adoption. The home study shall be considered by the court in determining whether the petitioner or petitioners are suitable parents for the child. The court, when an investigation and report are required by the court or by this section, shall stay the proceedings in the cause for such reasonable time as may be necessary or required in the opinion of the court for the completion of the investigation and report by the person, officer or home designated and authorized to make the same.

Upon the filing of that consent or the completion of the process and the filing of the investigation and report, if required by the court or by this section, and the presentation of such other evidence as may be desired by the court, if the court determines that it is to the best interests of the child that an interlocutory decree of adoption be entered, the court may thereupon enter an interlocutory decree upon such terms and conditions as may be determined by the court, in its discretion, but including therein that the complete care, custody and control of the child shall be vested in the petitioner or petitioners until further orders of the court and that during such time the child shall be and remain a ward of the court. If the court determines by decree at any time during the pendency of the proceeding that it is not to the best interests of the child that the adoption proceed, the petitioners shall be entitled to at least five (5) days' notice upon their attorneys of record and a hearing with the right of appeal as provided by law from a dismissal of the petition; however, the bond perfecting the appeal shall be filed within ten (10) days from the entry of the decree of dismissal and the bond shall be in such amount as the chancellor may determine and supersedeas may be granted by the chancellor or as otherwise provided by law for appeal from final decrees.

After the entry of the interlocutory decree and before entry of the final decree, the court may require such further and additional investigation and reports as it may deem proper. The rights of the parties filing the consent or served with process shall be subject to the decree but shall not be divested until entry of the final decree.

SECTION 82. Section 93-17-12, Mississippi Code of 1972, is amended as follows:

93-17-12. In any child custody matter hereafter filed in any chancery or county court in which temporary or permanent custody has already been placed with a parent or guardian and in all adoptions, the court shall impose a fee for any court-ordered home study performed by the Department of * * * Child Protection Services or any other entity. The fee shall be assessed upon either party or upon both parties in the court's discretion. The minimum fee imposed shall be not less than Three Hundred Fifty Dollars (\$350.00) for each household on which a home study is performed. The fee shall be paid directly to the Mississippi Department of * * * Child Protection Services prior to the home study being conducted by the department or to the entity if the study is performed by another entity. The judge may order the fee be paid by one or both of the parents or guardian. If the court determines that both parents or the guardian are unable to pay the fee, the judge shall waive the fee and the cost of the home study shall be defrayed by the Department of * * * Child Protection Services.

SECTION 83. Section 93-17-53, Mississippi Code of 1972, is amended as follows:

93-17-53. The purpose of Sections 93-17-51 through 93-17-67 is to supplement the Mississippi adoption law by making possible through public supplemental benefits the most appropriate adoption of each child certified by the * * * Department of * * * Child Protection Services as requiring a supplemental benefit to assure adoption.

SECTION 84. Section 93-17-57, Mississippi Code of 1972, is amended as follows:

93-17-57. The *** Department of *** Child Protection Services shall establish and administer an on-going program of supplemental benefits for adoption. Supplemental benefits and services for children under this program shall be provided out of such funds as may be appropriated to the *** Division of Medicaid *** for the medical services for children in foster care, or made available to the department from other sources.

SECTION 85. Section 93-17-59, Mississippi Code of 1972, is amended as follows:

93-17-59. Any child meeting criteria specified in Section 93-17-55 for whom the *** Department of *** Child Protection Services feels supplemental benefits are necessary to improve opportunities for adoption will be eligible for the program. The adoption agency shall document that reasonable efforts have been made to place the child in adoption without supplemental benefits through the use of adoption resource exchanges, recruitment and referral to appropriate specialized adoption agencies.

SECTION 86. Section 93-17-61, Mississippi Code of 1972, is amended as follows:

93-17-61. (1) When parents are found and approved for adoption of a child certified as eligible for supplemental benefits, and before the final decree of adoption is issued, there shall be executed a written agreement between the family entering into the adoption and the Department of *** Child Protection Services. In individual cases, supplemental benefits may commence with the adoptive placement or at the appropriate time after the adoption decree and will vary with the needs of the child as well as the availability of other resources to meet the child's needs. The supplemental benefits may be for special services only or for money payments as allowed under Section 43-13-115, *** and either for a limited period, for a long-term not exceeding the child's eighteenth birthday, or for any combination of the foregoing. The amount of the time-limited, long-term supplemental benefits may in no case exceed that which would be currently allowable for such child under the Mississippi Medicaid Law.

(2) When supplemental benefits last for more than one (1) year, the adoptive parents shall present an annual written certification that the child remains under the parents' care and that the child's need for supplemental benefits continues. Based on investigation by the agency and available funds, the agency may approve continued supplemental benefits. These benefits shall be extended so long as the parents remain legally responsible for and are providing support for the child. The agency shall continue paying benefits until a child reaches twenty-one (21) years of age if the child meets the criteria stated in Section 93-17-67(1) for continuation of Medicaid coverage.

(3) A child who is a resident of Mississippi when eligibility for supplemental benefits is certified shall remain eligible and receive supplemental benefits, if necessary for adoption, regardless of the domicile or residence of the adopting parents at the time of application for adoption, placement, legal decree of adoption or thereafter.

SECTION 87. Section 93-17-63, Mississippi Code of 1972, is amended as follows:

93-17-63. All records regarding such adoption shall be confidential. Anyone violating or releasing information of a confidential nature, as contemplated by Sections 93-17-51 through 93-17-67 without the approval of the court with jurisdiction or the *** Department of *** Child Protection Services unless such release is made pursuant to Sections 93-17-201 through 93-17-223 shall be guilty of a misdemeanor and subject to a fine not exceeding One Thousand Dollars (\$1,000.00) or imprisonment of six (6) months, or both.

(b) Providing medical and other necessary services for children, with state assistance, encounters special difficulties when the providing of services takes place in other states.

(2) The purposes of Sections 93-17-101 through 93-17-109 are to:

(b) Provide procedures for interstate children's adoption assistance payments, including medical payments.

SECTION 90. Section 93-17-103, Mississippi Code of 1972, is amended as follows:

93-17-103. (1) The Mississippi Department of * * * Child Protection Services is authorized to develop, participate in the development of, negotiate and enter into one or more interstate compacts on behalf of this state with other states to implement one or more of the purposes set forth in Sections 93-17-101 through 93-17-109. (1) A child with special needs resident in this state who is the subject of an adoption assistance agreement with another state and who has been determined eligible for Medicaid in that state shall be entitled to receive a medical assistance identification from this state upon filing with the Mississippi Department of * * * Child Protection Services a certified copy of the adoption assistance agreement obtained from the adoption assistance state which certifies to the eligibility of the child for Medicaid. 93-31-3. (1) (a) A parent or legal custodian of a child, by means of a properly executed power of attorney as provided in Section 93-31-5, may delegate to another willing person or persons as attorney-in-fact any of the powers regarding the care and custody of the child other than the following:

(i) The power to consent to marriage or adoption of the child;

(ii) The performance or inducement of an abortion on or for the child;

or

(iii) The termination of parental rights to the child.

(b) A delegation of powers under this section does not:

(i) Change or modify any parental or legal rights, obligations, or authority established by an existing court order;

(ii) Deprive any custodial or noncustodial parent or legal guardian of any parental or legal rights, obligations, or authority regarding the custody, visitation, or support of the child; or

(iii) Affect a court's ability to determine the best interests of a child.

(c) If both parents are living and neither parent's parental rights have been terminated, both parents must execute the power of attorney. If a noncustodial parent is absent or unknown, the custodial parent must complete the affidavit contemplated under Section 93-31-5 and attach it to the power of attorney.

(d) A power of attorney under this chapter must be facilitated by either a child welfare agency that is licensed to place children for adoption and that is operating under the Safe Families for Children model or another charitable organization that is operating under the Safe Families for Children model. (3) The parent or legal custodian of the child has the authority to revoke or withdraw the power of attorney authorized by this section at any time. Upon the termination, expiration, or revocation of the power of attorney, the child must be returned to the custody of the parent or legal custodian.

(4) Until the authority expires or is revoked or withdrawn by the parent or legal custodian, the attorney-in-fact shall exercise parental or legal authority on a continuous basis without compensation for the duration of the power of attorney.

(5) The execution of a power of attorney by a parent or legal custodian does not, in the absence of other evidence, constitute abandonment, desertion, abuse, neglect, or any evidence of unfitness as a parent unless the parent or legal custodian fails to take custody of the child or execute a new power of attorney after the one-year time limit, or after a longer time period as allowed for a serving parent, has elapsed. Nothing in this subsection prevents the Department of * * * Child Protection Services or law enforcement from investigating allegations of abuse, abandonment, desertion, neglect or other mistreatment of a child.

(6) When the custody of a child is transferred by a power of attorney under this chapter, the child is not considered to have been placed in foster care and the attorney-in-fact will not be subject to any of the requirements or licensing regulations for foster care or other regulations relating to out-of-home care for children and will not be subject to any statutes or regulations dealing with the licensing or regulation of foster care homes.

(b) A serving parent may delegate the powers designated in subsection (1) of this section for longer than one (1) year if on active-duty service or if scheduled to be

(8) (a) A power of attorney under this chapter must be filed in the youth court of the county where the minor child or children reside at the time the form is completed, and the clerk of the youth court will not impose or collect a filing fee. The filing is informational only, and no judicial intervention shall result at the time of filing.

(b) The power of attorney must be entered into the Mississippi Youth Court Information Delivery System (MYCIDS) under Section 43-21-351, and must be administratively reviewed by the youth court judge or referee, or a person designated by the youth court judge or referee, to ensure the safety of the child or children who are the subjects of the power of attorney one (1) year after the date of execution.

However, the board shall not in any event rent, lease or sell to any former owner more land than was taken from the former owner for the construction of the project, or one-quarter (1/4) mile of shore line, whichever is lesser. If this option is not exercised by the former owner within a period of thirty (30) days, the board shall accept the highest and best bid submitted.

Any bona fide, resident householder actually living or maintaining a residence on land taken by the district by condemnation shall have the right to repurchase his former

land from the board of directors for a price not exceeding the price paid for his land, plus any permanent improvements and plus the cost of condemnation.

(p) To do all other acts or things necessary, requisite, or convenient to the exercising of the powers, rights, privileges or functions conferred upon it by this article or any other law.

(q) To make such contracts in the issuance of bonds that may be necessary to ensure the marketability thereof.

Set-aside purchases for which competitive bids are required shall be made from the lowest and best minority business bidder; however, if no minority bid is available or if the minority bid is more than two percent (2%) higher than the lowest bid, then bids shall be accepted and awarded to the lowest and best bidder. However, the provisions in this paragraph shall not be construed to prohibit the rejection of a bid when only one (1) bid is received. Such rejection shall be placed in the minutes. Any rules and regulation changes related to personal and professional services contracts that the Public Procurement Review Board may propose shall be submitted to the Chairs of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the Chairs of the Appropriation Committees of the Senate and House of Representatives at least fifteen (15) days before the board votes on the proposed changes, and those rules and regulation changes, if adopted, shall be promulgated in accordance with the Mississippi Administrative Procedures Act;

(ii) From and after July 1, 2024, the Public Procurement Review Board shall promulgate rules and regulations that require the Department of Finance and Administration to conduct personal and professional services solicitations as provided in subparagraph (i) of this paragraph for those services in excess of Seventy-five Thousand Dollars (\$75,000.00) for the Department of Marine Resources, the Department of Wildlife, Fisheries and Parks, the Mississippi Emergency Management Agency and the Mississippi Development Authority, with assistance to be provided from these entities. Fisheries and Parks, the Mississippi Emergency Management Agency and the Mississippi Development Authority for those services in excess of Seventy-five Thousand Dollars (\$75,000.00). (h) Develop mandatory standards with respect to contractual services personnel that require invitations for public bid, requests for proposals, record keeping and financial responsibility of contractors. The Public Procurement Review Board shall, unless exempted under this paragraph (h) or under paragraph (i) or (o) of this subsection (2), require the agency involved to submit the procurement to a competitive procurement process, and may reserve the right to reject any or all resulting procurements;

(i) Prescribe certain circumstances by which agency heads may enter into contracts for personal and professional services without receiving prior approval from the Public Procurement Review Board. The Public Procurement Review Board may establish a preapproved list of providers of various personal and professional services for set prices with which state agencies may contract without bidding or prior approval from the board;

(i) Agency requirements may be fulfilled by procuring services performed incident to the state's own programs. The agency head shall determine in writing whether the price represents a fair market value for the services. When the procurements are made from other governmental entities, the private sector need not be solicited; however, these contracts shall still be submitted for approval to the Public Procurement Review Board.

(ii) Contracts between two (2) state agencies, both under Public Procurement Review Board purview, shall not require Public Procurement Review Board approval. However, the contracts shall still be entered into the enterprise resource planning system;

(j) Provide standards for the issuance of requests for proposals, the evaluation of proposals received, consideration of costs and quality of services proposed, contract negotiations, the administrative monitoring of contract performance by the agency and successful steps in terminating a contract;

(k) Present recommendations for governmental privatization and to evaluate privatization proposals submitted by any state agency;

(l) Authorize personal and professional service contracts to be effective for more than one (1) year provided a funding condition is included in any such multiple year contract, except the State Board of Education, which shall have the authority to enter into contractual agreements for student assessment for a period up to ten (10) years. The State Board of Education shall procure these services in accordance with the Public Procurement Review Board procurement regulations;

(m) Request the State Auditor to conduct a performance audit on any personal or professional service contract;

(n) Prepare an annual report to the Legislature concerning the issuance of personal and professional services contracts during the previous year, collecting any necessary information from state agencies in making such report;

(o) Develop and implement the following standards and procedures for the approval of any sole source contract for personal and professional services regardless of the value of the procurement:

(i) For the purposes of this paragraph (o), the term "sole source" means only one (1) source is available that can provide the required personal or professional service.

(ii) An agency that has been issued a binding, valid court order mandating that a particular source or provider must be used for the required service must include a copy of the applicable court order in all future sole source contract reviews for the particular personal or professional service referenced in the court order.

(iii) Any agency alleging to have a sole source for any personal or professional service, other than those exempted under paragraph (f) of this subsection (2) and subsection (8), shall publish on the procurement portal website established by Sections 25-53-151 and 27-104-165, for at least fourteen (14) days, the terms of the proposed contract for those services. In addition, the publication shall include, but is not limited to, the following information:

1. The personal or professional service offered in the contract;
2. An explanation of why the personal or professional service is the only one that can meet the needs of the agency;
3. An explanation of why the source is the only person or entity that can provide the required personal or professional service;
4. An explanation of why the amount to be expended for the personal or professional service is reasonable; and
5. The efforts that the agency went through to obtain the best possible price for the personal or professional service.

(iv) If any person or entity objects and proposes that the personal or professional service published under subparagraph (iii) of this paragraph (o) is not a sole source service and can be provided by another person or entity, then the objecting person or entity shall notify the Public Procurement Review Board and the agency that published the proposed sole source contract with a detailed explanation of why the personal or professional service is not a sole source service.

(v) 1. If the agency determines after review that the personal or professional service in the proposed sole source contract can be provided by another person or entity, then the agency must withdraw the sole source contract publication from the procurement portal website and submit the procurement of the personal or professional service to an advertised competitive bid or selection process.

2. If the agency determines after review that there is only one (1) source for the required personal or professional service, then the agency may appeal to the Public Procurement Review Board. The agency has the burden of proving that the personal or professional service is only provided by one (1) source.

3. If the Public Procurement Review Board has any reasonable doubt as to whether the personal or professional service can only be provided by one (1) source, then the agency must submit the procurement of the personal or

professional service to an advertised competitive bid or selection process. No action taken by the Public Procurement Review Board in this appeal process shall be valid unless approved by a majority of the members of the Public Procurement Review Board present and voting.

(vi) The Public Procurement Review Board shall prepare and submit a quarterly report to the House of Representatives and Senate Accountability, Efficiency and Transparency Committees that details the sole source contracts presented to the Public Procurement Review Board and the reasons that the Public Procurement Review Board approved or rejected each contract. These quarterly reports shall also include the documentation and memoranda required in subsection (4) of this section. An agency that submitted a sole source contract shall be prepared to explain the sole source contract to each committee by December 15 of each year upon request by the committee;

(p) Assess any fines and administrative penalties provided for in Sections 31-7-401 through 31-7-423.

(3) All submissions shall be made sufficiently in advance of each monthly meeting of the Public Procurement Review Board as prescribed by the Public Procurement Review Board. If the Public Procurement Review Board rejects any contract submitted for review or approval, the Public Procurement Review Board shall clearly set out the reasons for its action, including, but not limited to, the policy that the agency has violated in its submitted contract and any corrective actions that the agency may take to amend the contract to comply with the rules and regulations of the Public Procurement Review Board.

(4) All sole source contracts for personal and professional services awarded by state agencies, other than those exempted under Section 27-104-7(2)(f) and (8), whether approved by an agency head or the Public Procurement Review Board, shall contain in the procurement file a written determination for the approval, using a request form furnished by the Public Procurement Review Board. The written determination shall document the basis for the determination, including any market analysis conducted in order to ensure that the service required was practicably available from only one (1) source. A memorandum shall accompany the request form and address the following four (4) points:

(a) Explanation of why this service is the only service that can meet the needs of the purchasing agency;

(b) Explanation of why this vendor is the only practicably available source from which to obtain this service;

(c) Explanation of why the price is considered reasonable; and

(d) Description of the efforts that were made to conduct a noncompetitive negotiation to get the best possible price for the taxpayers.

(5) In conjunction with the State Personnel Board, the Public Procurement Review Board shall develop and promulgate rules and regulations to define the allowable legal relationship between contract employees and the contracting departments, agencies and institutions of state government under the jurisdiction of the State Personnel Board, in compliance with the applicable rules and regulations of the federal Internal Revenue Service (IRS) for federal employment tax purposes. Under these regulations, the usual common law rules are applicable to determine and require that such worker is an independent contractor and not an employee, requiring evidence of lawful behavioral control, lawful financial control and lawful relationship of the parties. Any state department, agency or institution shall only be authorized to contract for personnel services in compliance with those regulations.

(6) No member of the Public Procurement Review Board shall use his or her official authority or influence to coerce, by threat of discharge from employment, or otherwise, the purchase of commodities, the contracting for personal or professional services, or the contracting for public construction under this chapter.

(7) Notwithstanding any other laws or rules to the contrary, the provisions of subsection (2) of this section shall not be applicable to the Mississippi State Port Authority at Gulfport.

(8) Nothing in this section shall impair or limit the authority of the Board of Trustees of the Public Employees' Retirement System to enter into any personal or professional services contracts directly related to their constitutional obligation to manage the trust funds, including, but not limited to, actuarial, custodial banks, cash management, investment consultant and investment management contracts.

(9) Notwithstanding the exemption of personal and professional services contracts entered into by the Department of Human Services and personal and professional services contracts entered into by the Department of Child Protection Services from the provisions of this section under subsection (2)(f), before the Department of Human Services or the Department of Child Protection Services may enter into a personal or professional service contract, the department(s) shall give notice of the proposed personal or professional service contract to the Public Procurement Review Board for any recommendations by the board. Upon receipt of the notice, the board shall post the notice on its website and on the procurement portal website established by Sections 25-53-151 and 27-104-165. If the board does not respond to the department(s) within seven (7) calendar days after receiving the notice, the department(s) may enter the proposed personal or professional service contract. If the board responds to the department(s) within seven (7) calendar days, then the board has seven (7) calendar days from the date of its initial response to provide any additional recommendations. After the end of the second seven-day period, the department(s) may enter the proposed personal or professional service contract. The board is not authorized to disapprove any proposed personal or professional services contracts. This subsection shall stand repealed on July 1, 2022.

Any such rules and regulations shall provide for maintaining continuous internal audit covering the activities of such agency affecting its revenue and expenditures as required under Section 7-7-3(6)(d). Any rules and regulation changes related to personal and professional services contracts that the Public Procurement Review Board may propose shall be submitted to the Chairs of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the Chairs of the Appropriation Committees of the Senate and House of Representatives at least fifteen (15) days before the board votes on the proposed changes, and those rules and regulation changes, if adopted, shall be promulgated in accordance with the Mississippi Administrative Procedures Act; and

(xv) From and after July 1, 2024, the Public Procurement Review Board shall promulgate rules and regulations that require the Department of Finance and Administration to conduct personal and professional services solicitations as provided in subparagraph (i) of this paragraph for those services in excess of Seventy-five Thousand Dollars (\$75,000.00) for the Department of Marine Resources, the Department of Wildlife, Fisheries and Parks, the Mississippi Emergency Management Agency and the Mississippi Development Authority, with assistance to be provided from these entities. Any powers that have been conferred upon agencies in order to comply with the provisions of this section for personal and professional services solicitations shall be conferred upon the Department of Finance and Administration to conduct personal and professional services solicitations for the Department of Marine Resources, the Department of Wildlife, Fisheries and Parks, the Mississippi Emergency Management Agency and the Mississippi Development Authority for those services in excess of Seventy-five Thousand Dollars (\$75,000.00). The Department of Finance and Administration shall make any submissions that are required to be made by other agencies to the Public Procurement Review Board for the Department of Marine Resources, the Department of Wildlife, Fisheries and Parks, the Mississippi Emergency Management Agency and the Mississippi Development Authority.

The provisions of this subparagraph (xv) shall stand repealed on June 30, 2027.

(g) Approve all personal and professional services contracts involving the expenditures of funds in excess of Seventy-five Thousand Dollars (\$75,000.00), except as provided in paragraph (f) of this subsection (2) and in subsection (8);

(h) Develop mandatory standards with respect to contractual services personnel that require invitations for public bid, requests for proposals, record keeping and financial responsibility of contractors. The Public Procurement Review Board shall, unless exempted under this paragraph (h) or under paragraph (i) or (o) of this subsection (2), require the agency involved to submit the procurement to a competitive procurement process, and may reserve the right to reject any or all resulting procurements;

(i) Prescribe certain circumstances by which agency heads may enter into contracts for personal and professional services without receiving prior approval from the Public Procurement Review Board. The Public Procurement Review Board may establish a preapproved list of providers of various personal and professional services for set prices with which state agencies may contract without bidding or prior approval from the board;

(i) Agency requirements may be fulfilled by procuring services performed incident to the state's own programs. The agency head shall determine in writing whether the price represents a fair market value for the services. When the procurements are made from other governmental entities, the private sector need not be solicited; however, these contracts shall still be submitted for approval to the Public Procurement Review Board.

(ii) Contracts between two (2) state agencies, both under Public Procurement Review Board purview, shall not require Public Procurement Review Board approval. However, the contracts shall still be entered into the enterprise resource planning system;

(j) Provide standards for the issuance of requests for proposals, the evaluation of proposals received, consideration of costs and quality of services proposed, contract negotiations, the administrative monitoring of contract performance by the agency and successful steps in terminating a contract;

(k) Present recommendations for governmental privatization and to evaluate privatization proposals submitted by any state agency;

(l) Authorize personal and professional service contracts to be effective for more than one (1) year provided a funding condition is included in any such multiple year contract, except the State Board of Education, which shall have the authority to enter into contractual agreements for student assessment for a period up to ten (10) years. The State Board of Education shall procure these services in accordance with the Public Procurement Review Board procurement regulations;

(m) Request the State Auditor to conduct a performance audit on any personal or professional service contract;

(n) Prepare an annual report to the Legislature concerning the issuance of personal and professional services contracts during the previous year, collecting any necessary information from state agencies in making such report;

(o) Develop and implement the following standards and procedures for the approval of any sole source contract for personal and professional services regardless of the value of the procurement:

(i) For the purposes of this paragraph (o), the term "sole source" means only one (1) source is available that can provide the required personal or professional service.

(ii) An agency that has been issued a binding, valid court order mandating that a particular source or provider must be used for the required service must include a copy of the applicable court order in all future sole source contract reviews for the particular personal or professional service referenced in the court order.

(iii) Any agency alleging to have a sole source for any personal or professional service, other than those exempted under paragraph (f) of this subsection (2) and subsection (8), shall publish on the procurement portal website established by Sections 25-53-151 and 27-104-165, for at least fourteen (14) days, the terms of the proposed contract for those services. In addition, the publication shall include, but is not limited to, the following information:

1. The personal or professional service offered in the contract;
2. An explanation of why the personal or professional service is the only one that can meet the needs of the agency;
3. An explanation of why the source is the only person or entity that can provide the required personal or professional service;
4. An explanation of why the amount to be expended for the personal or professional service is reasonable; and
5. The efforts that the agency went through to obtain the best possible price for the personal or professional service.

(iv) If any person or entity objects and proposes that the personal or professional service published under subparagraph (iii) of this paragraph (o) is not a sole source service and can be provided by another person or entity, then the objecting person or entity shall notify the Public Procurement Review Board and the agency that published the proposed sole source contract with a detailed explanation of why the personal or professional service is not a sole source service.

(v) 1. If the agency determines after review that the personal or professional service in the proposed sole source contract can be provided by another person or entity, then the agency must withdraw the sole source contract publication from the procurement portal website and submit the procurement of the personal or professional service to an advertised competitive bid or selection process.

2. If the agency determines after review that there is only one (1) source for the required personal or professional service, then the agency may appeal to the Public Procurement Review Board. The agency has the burden of proving that the personal or professional service is only provided by one (1) source.

3. If the Public Procurement Review Board has any reasonable doubt as to whether the personal or professional service can only be provided by one (1) source, then the agency must submit the procurement of the personal or professional service to an advertised competitive bid or selection process. No action taken by the Public Procurement Review Board in this appeal process shall be valid unless approved by a majority of the members of the Public Procurement Review Board present and voting.

(vi) The Public Procurement Review Board shall prepare and submit a quarterly report to the House of Representatives and Senate Accountability, Efficiency and Transparency Committees that details the sole source contracts presented to the Public Procurement Review Board and the reasons that the Public Procurement Review Board approved or rejected each contract. These quarterly reports shall also include the documentation and memoranda required in subsection (4) of this section. An agency that

submitted a sole source contract shall be prepared to explain the sole source contract to each committee by December 15 of each year upon request by the committee;

(p) Assess any fines and administrative penalties provided for in Sections 31-7-401 through 31-7-423.

(3) All submissions shall be made sufficiently in advance of each monthly meeting of the Public Procurement Review Board as prescribed by the Public Procurement Review Board. If the Public Procurement Review Board rejects any contract submitted for review or approval, the Public Procurement Review Board shall clearly set out the reasons for its action, including, but not limited to, the policy that the agency has violated in its submitted contract and any corrective actions that the agency may take to amend the contract to comply with the rules and regulations of the Public Procurement Review Board.

(4) All sole source contracts for personal and professional services awarded by state agencies, other than those exempted under Section 27-104-7(2)(f) and (8), whether approved by an agency head or the Public Procurement Review Board, shall contain in the procurement file a written determination for the approval, using a request form furnished by the Public Procurement Review Board. The written determination shall document the basis for the determination, including any market analysis conducted in order to ensure that the service required was practicably available from only one (1) source. A memorandum shall accompany the request form and address the following four (4) points:

(a) Explanation of why this service is the only service that can meet the needs of the purchasing agency;

(b) Explanation of why this vendor is the only practicably available source from which to obtain this service;

(c) Explanation of why the price is considered reasonable; and

(d) Description of the efforts that were made to conduct a noncompetitive negotiation to get the best possible price for the taxpayers.

(5) In conjunction with the State Personnel Board, the Public Procurement Review Board shall develop and promulgate rules and regulations to define the allowable legal relationship between contract employees and the contracting departments, agencies and institutions of state government under the jurisdiction of the State Personnel Board, in compliance with the applicable rules and regulations of the federal Internal Revenue Service (IRS) for federal employment tax purposes. Under these regulations, the usual common law rules are applicable to determine and require that such worker is an independent contractor and not an employee, requiring evidence of lawful behavioral control, lawful financial control and lawful relationship of the parties. Any state department, agency or institution shall only be authorized to contract for personnel services in compliance with those regulations.

(6) No member of the Public Procurement Review Board shall use his or her official authority or influence to coerce, by threat of discharge from employment, or otherwise, the purchase of commodities, the contracting for personal or professional services, or the contracting for public construction under this chapter.

(7) Notwithstanding any other laws or rules to the contrary, the provisions of subsection (2) of this section shall not be applicable to the Mississippi State Port Authority at Gulfport.

(8) Nothing in this section shall impair or limit the authority of the Board of Trustees of the Public Employees' Retirement System to enter into any personal or professional services contracts directly related to their constitutional obligation to manage the trust

funds, including, but not limited to, actuarial, custodial banks, cash management, investment consultant and investment management contracts.

(9) Notwithstanding the exemption of personal and professional services contracts entered into by the Department of Human Services and personal and professional services contracts entered into by the Department of Child Protection Services from the provisions of this section under subsection (2)(f), before the Department of Human Services or the Department of Child Protection Services may enter into a personal or professional service contract, the department(s) shall give notice of the proposed personal or professional service contract to the Public Procurement Review Board for any recommendations by the board. Upon receipt of the notice, the board shall post the notice on its website and on the procurement portal website established by Sections 25-53-151 and 27-104-165. If the board does not respond to the department(s) within seven (7) calendar days after receiving the notice, the department(s) may enter the proposed personal or professional service contract. If the board responds to the department(s) within seven (7) calendar days, then the board has seven (7) calendar days from the date of its initial response to provide any additional recommendations. After the end of the second seven-day period, the department(s) may enter the proposed personal or professional service contract. The board is not authorized to disapprove any proposed personal or professional services contracts. This subsection shall stand repealed on July 1, 2022.

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 41-137-5, Mississippi Code of 1972, is amended as follows:

41-137-5. (1) No person shall be authorized to use medical cannabis in this state unless the person (a) has been diagnosed by a practitioner, with whom the person has a bona fide practitioner-patient relationship within his or her scope of practice, as having a debilitating medical condition for which the practitioner believes, in his or her professional opinion, that the person would likely receive medical or palliative benefit from the medical use of medical cannabis to treat or alleviate the person's debilitating medical condition or symptoms associated with the person's debilitating medical condition, (b) has received a written certification of that diagnosis from the practitioner, and (c) has been issued a registry identification card from the MDOH under Section 41-137-23. A person who has been diagnosed by a practitioner as specified in paragraph (a) of this subsection shall be a qualifying patient, and the practitioner who has diagnosed the patient shall document that diagnosis with a written certification. However, nothing herein shall require a practitioner to issue a written certification.

(2) A written certification shall:

(a) Affirm that it is made in the course of a bona fide practitioner-patient relationship;

(b) Remain current for twelve (12) months, unless the practitioner specifies a shorter period of time;

(c) Be issued only after an in-person assessment of the patient by a practitioner;

(d) Only be issued on behalf of a minor when the minor's parent or guardian is present and provides signed consent; and

(e) Be limited to the allowable amount of cannabis in a thirty-day period..

(3) No state agency, department, political subdivision or board shall require a practitioner to require a patient to submit to a drug test as a condition to receiving a certification for a registry identification card. However, a practitioner may require a drug test from a patient that is within his or her scope of practice.

(4) After a practitioner has issued a written certification to a qualifying patient, a practitioner may assist the patient in registering for a registry identification card with the Department of Health, in a manner provided by regulations of the Department of Health.

(** *5) After a qualifying patient receives a written certification from a practitioner, the patient shall be required to make a follow-up visit with the practitioner not less than six (6) months after the date of issuance of the certification for the practitioner to evaluate and determine the effectiveness of the patient's medical use of medical cannabis to treat or alleviate the patient's debilitating medical condition or symptoms associated with the patient's debilitating medical condition. Qualifying patients may make a follow-up visit with a different practitioner than the practitioner who originally issued their written certification, provided that such practitioner is otherwise registered and acting within their scope of practice and the provisions of this chapter.

(** *6) Before dispensing medical cannabis to a cardholder, the dispensary from which the cardholder is obtaining medical cannabis shall verify the identity of the cardholder and the authority of the cardholder to use medical cannabis as provided in

Section 41-137-39 and shall determine the maximum amount of medical cannabis that a cardholder is eligible to receive and the amount of medical cannabis that the cardholder has received from all dispensaries during a specified period of time using the statewide seed-to-sale tracking system under Section 41-137-11.

(**7) (a) A practitioner shall be registered to issue written certifications to qualifying patients by completing the required application process as set forth by the MDOH. The MDOH shall require a practitioner to complete a minimum of eight (8) hours of continuing education in medical cannabis in order to issue written certifications. After the first year of registration, these practitioners shall complete five (5) hours of continuing education in medical cannabis annually to maintain this registration.

(b) A practitioner shall not be required to have any additional qualifications to be authorized to certify a qualifying patient for a registry identification card, other than such requirements for practitioners as provided under the Mississippi Medical Cannabis Act.

(c) A practitioner shall not be required to be registered to certify patients with any state agency or board other than the MDOH.

(**8) Only physicians and doctors of osteopathic medicine may issue written certifications to registered qualifying patients who are minors.

(9) The requirements of this section shall not apply to a person who is authorized to purchase topical cannabis provided under Section 41-137-39(22), and such persons may possess and use such products without being in violation of this chapter.

SECTION 2. Section 41-137-23, Mississippi Code of 1972, is amended as follows:

41-137-23. (1) No later than one hundred twenty (120) days after February 2, 2022, the MDOH shall begin issuing registry identification cards to qualifying patients who submit the following:

(a) A written certification issued by a practitioner within ** six (6) months immediately preceding the date of the application;

(b) The application or renewal fee;

(c) The name, address, social security number, and date of birth of the qualifying patient;

(e) The name, address, social security number, and date of birth of the designated caregiver, or designated caregivers, chosen by the qualifying patient; and

(f) If more than one (1) designated caregiver is designated at any given time, documentation demonstrating that a greater number of designated caregivers is needed due to the patient's age or medical condition.

(2) If the qualifying patient is unable to submit the information required by subsection (1) of this section due to the person's age or medical condition, the person responsible for making medical decisions for the qualifying patient may do so on behalf of the qualifying patient.

(3) Except as provided in subsection (5) of this section, the MDOH shall:

(a) Verify the information contained in an application or renewal submitted under this section and approve or deny an application or renewal within thirty (30) days of receiving a completed application or renewal application; and

(b) Issue registry identification cards to a qualifying patient and his or her designated caregiver(s), if any, within five (5) days of approving the application or renewal. A designated caregiver must have a registry identification card for each of his or her qualifying patients.

(4) * * * (a) The MDOH shall require criminal background checks in order to carry out this section.

(b) The MDOH shall require that the prospective designated caregiver or caregiver's applicant apply for or authorize the division to obtain state and national criminal background checks to be conducted by the Mississippi Justice Information Center of the Department of Public Safety and the Federal Bureau of Investigation.

(c) Such criminal background checks shall conform to the applicable federal standards, and shall include the taking of fingerprints.

(d) The applicant shall authorize the release of such criminal background checks to the MDOH, and shall be responsible for the payment of any fee associated with the criminal background checks.

(e) Upon completion of such criminal background checks, the Mississippi Justice Information Center of the Department of Public Safety shall forward to the MDOH all information obtained concerning the applicant.

(5) The MDOH shall not issue a registry identification card to a qualifying patient who is younger than eighteen (18) years of age, unless:

(a) The qualifying patient's practitioner has explained the potential risks and benefits of the medical use of medical cannabis to the custodial parent or legal guardian with responsibility for health care decisions for the qualifying patient; and

(iv) Control the acquisition of the medical cannabis, the dosage and the frequency of the use of medical cannabis by the qualifying patient.

(6) If a designated caregiver is an entity licensed to provide health care services, residential care services or day care services, then:

(a) The MDOH may provide a single registry identification card to the entity, regardless of the number of registered qualifying patients the entity serves; and

(b) The MDOH may issue individual registry identification cards for employees of the entity that may transport medical cannabis.

(7) The MDOH shall provide an electronic or physical list of registered qualifying patients who have designated the entity as their caregiver. This list shall be updated with each additional designation.

(8) The MDOH may deny an application or renewal of a qualifying patient's registry identification card only if the applicant:

- (a) Did not provide the required information or materials;
- (b) Previously had a registry identification card revoked;
- (c) Provided false information; or
- (d) Failed to meet the other requirements of this chapter.

(9) The MDOH may deny an application or renewal for a designated caregiver chosen by a qualifying patient whose registry identification card was granted only if the applicant:

(10) The MDOH shall give written notice to the qualifying patient of the reason for denying a registry identification card to the qualifying patient or to the qualifying patient's designated caregiver.

(11) Denial of an application or renewal is considered a final MDOH action, subject to judicial review in accordance with Section 41-137-59.

The governing authorities of the municipality or the board of supervisors of the county, as applicable, shall provide a notice in accordance with the Open Meetings Act (Section 25-41-1 et seq.) of its intent of holding a vote regarding opting out of allowing the cultivation, processing, sale and/or distribution of medical cannabis and cannabis products, as applicable. The governing authorities of the municipality or the board of supervisors of the county, as applicable, may opt out of allowing one or more of the following: cultivation, processing, sale or distribution of medical cannabis and cannabis products. The governing authorities of a municipality, by a vote entered upon their minutes, may opt out of allowing the cultivation, processing, sale and/or distribution of medical cannabis and cannabis products, as applicable, in the municipality. The board of supervisors of a county, by a vote entered upon its minutes, may opt out of allowing the cultivation, processing, sale and/or distribution of medical cannabis and cannabis products, as applicable, in the unincorporated areas of the county.

(2) If the board of supervisors of a county or the governing authorities of a municipality do not opt out of allowing the cultivation, processing, sale and/or distribution of medical cannabis and cannabis products, as applicable, within ninety (90) days after February 2, 2022, then no vote by the board of supervisors or governing authorities, as applicable, may be held to so opt out, and the provisions of this chapter shall remain applicable and operative in the county or municipality, as applicable. If, on the other hand, a majority of the qualified electors participating in the election vote against allowing the cultivation, processing, sale and/or distribution of medical cannabis and cannabis products, as applicable, then it shall be illegal to cultivate, process, sell and/or distribute medical cannabis and cannabis products, as applicable, in the unincorporated areas of the county. In either case, no further election shall be held in the county under the provisions of this section for a period of two (2) years from the date of the prior election and then only upon the filing of a petition requesting same signed by at least twenty percent (20%) or fifteen hundred (1500), whichever number is the lesser, of the qualified electors of the county as provided in this section.

(4) (a) Upon presentation and filing of a proper petition requesting that the cultivation, processing, sale and/or distribution of medical cannabis and cannabis products, as applicable, be legal in the municipality signed by at least twenty percent (20%) or fifteen hundred (1500), whichever number is the lesser, of the qualified electors of the municipality, it shall be the duty of the governing authorities of the municipality to call an election at which there shall be submitted to the qualified electors of the municipality the question of whether or not the cultivation, processing, sale and/or distribution of medical cannabis and cannabis products, as applicable, shall be legal in the municipality as provided in this chapter. Such election shall be held and conducted on a date fixed by the order of the governing authorities of the municipality, which date shall not be more than sixty (60) days from the date of the filing of the petition. Notice thereof shall be given by publishing such notice once each week for at least three (3) consecutive weeks in some newspaper published in the municipality or if no newspaper be published therein, by such publication in a newspaper having a general circulation in the municipality involved. The election shall be held not earlier than fifteen (15) days from the first publication of such notice.

(b) The election shall be held and conducted as far as may be possible in the same manner as is provided by law for the holding of municipal elections. The ballots used at the election shall contain a brief statement of the proposition submitted and, on separate lines, the words "I vote FOR allowing the cultivation, processing, sale and/or distribution of medical cannabis and cannabis products, as applicable, in _____ [Name of Municipality] ()" or "I vote AGAINST allowing the cultivation, processing, sale and/or distribution of medical cannabis and cannabis products, as applicable, in _____

[Name of Municipality] ()" with appropriate boxes in which the voters may express their choice. All qualified electors may vote by marking the ballot with a cross (x) or check (✓) mark opposite the words of their choice.

(c) The election commissioners shall canvass and determine the results of the election and shall certify the same to the governing authorities which shall adopt and spread upon their minutes an order declaring such results. If, in such election, a majority of the qualified electors participating therein vote in favor of allowing the cultivation, processing, sale and/or distribution of medical cannabis and cannabis products, as applicable, this chapter shall be applicable and operative in such municipality and the cultivation, processing, sale, and/or distribution of medical cannabis and cannabis products, as applicable, therein shall be lawful to the extent and in the manner permitted in this chapter. If, on the other hand, a majority of the qualified electors participating in the election vote against allowing the cultivation, processing, sale and/or distribution of medical cannabis and cannabis products, as applicable, then it shall be illegal to cultivate, process, sell and/or distribute medical cannabis and cannabis products, as applicable, in the municipality. In either case, no further election shall be held in the municipality under the provisions of this section for a period of two (2) years from the date of the prior election and then only upon the filing of a petition requesting same signed by at least twenty percent (20%) or fifteen hundred (1500), whichever number is the lesser, of the qualified electors of the municipality as provided in this section.

(5) Regardless of whether a county or municipality opts out of allowing the cultivation, processing, sale and/or distribution of medical cannabis and cannabis products, cardholders, cannabis testing facilities, cannabis research facilities, cannabis transportation entities and cannabis disposal entities may possess medical cannabis in the municipality or county if done in accordance with this chapter.

(6) (a) If a municipality that has opted out under this section annexes a geographic area which contains a licensed entity operating under the provisions of this chapter, then the licensed entity may continue its operation in that municipality's newly annexed geographic area.

(b) If a licensed entity operating under the provisions of this chapter is located in a municipality that contracts its corporate boundaries thereby causing the geographic area in which the licensed entity is located to no longer be in the municipality and instead in an unincorporated area of a county that has opted out under this section, then the licensed entity may continue its operation in that area of the county.

(7) In any county or municipality in which real property is owned, leased or otherwise controlled by a waterway district or water management district created in Title 51, Mississippi Code of 1972, the decision of the county or municipality to opt out or opt in as provided in this section shall be binding on all real property in such district. The ordinances of a county or municipality related to the provisions of this chapter shall be applicable to all real property within the boundaries of the county or municipality in such district.

SECTION 1. Section 41-137-5, Mississippi Code of 1972, is amended as follows:

41-137-5. (1) No person shall be authorized to use medical cannabis in this state unless the person (a) has been diagnosed by a practitioner, with whom the person has a bona fide practitioner-patient relationship within his or her scope of practice, as having a debilitating medical condition for which the practitioner believes, in his or her professional opinion, that the person would likely receive medical or palliative benefit from the medical use of medical cannabis to treat or alleviate the person's debilitating medical condition or symptoms associated with the person's debilitating medical condition, (b) has received a written certification of that diagnosis from the practitioner, and (c) has been issued a registry identification card from the MDOH under Section 41-137-23. A person who has been diagnosed by a practitioner as specified in paragraph (a) of this subsection shall be a qualifying patient, and the practitioner who has diagnosed the patient shall document

(c) Be issued only after an in-person assessment of the patient by a practitioner;

(d) Only be issued on behalf of a minor when the minor's parent or guardian is present and provides signed consent; and

(e) Be limited to the allowable amount of cannabis in a thirty-day period..

(3) No state agency, department, political subdivision or board shall require a practitioner to require a patient to submit to a drug test as a condition to receiving a certification for a registry identification card. However, a practitioner may require a drug test from a patient that is within his or her scope of practice.

(4) After a practitioner has issued a written certification to a qualifying patient, a practitioner may assist the patient in registering for a registry identification card with the Department of Health, in a manner provided by regulations of the Department of Health.

(** *5) After a qualifying patient receives a written certification from a practitioner, the patient shall be required to make a follow-up visit with the practitioner not less than six (6) months after the date of issuance of the certification for the practitioner to evaluate and determine the effectiveness of the patient's medical use of medical cannabis to treat or alleviate the patient's debilitating medical condition or symptoms associated with the patient's debilitating medical condition. Qualifying patients may make a follow-up visit with a different practitioner than the practitioner who originally issued their written certification, provided that such practitioner is otherwise registered and acting within their scope of practice and the provisions of this chapter.

Such election shall be held and conducted on a date fixed by the order of the governing authorities of the municipality, which date shall not be more than sixty (60) days from the date of the filing of the petition. The election shall be held not earlier than fifteen (15) days from the first publication of such notice.

(b) The election shall be held and conducted as far as may be possible in the same manner as is provided by law for the holding of municipal elections. The ballots used at the election shall contain a brief statement of the proposition submitted and, on separate lines, the words "I vote FOR allowing the cultivation, processing, sale and/or distribution of medical cannabis and cannabis products, as applicable, in _____ [Name of Municipality] ()" or "I vote AGAINST allowing the cultivation, processing, sale and/or distribution of medical cannabis and cannabis products, as applicable, in _____ [Name of Municipality] ()" with appropriate boxes in which the voters may express their choice. All qualified electors may vote by marking the ballot with a cross (x) or check (✓) mark opposite the words of their choice.

(c) The election commissioners shall canvass and determine the results of the election and shall certify the same to the governing authorities which shall adopt and spread upon their minutes an order declaring such results. If, in such election, a majority of the qualified electors participating therein vote in favor of allowing the cultivation, processing, sale and/or distribution of medical cannabis and cannabis products, as applicable, this chapter shall be applicable and operative in such municipality and the cultivation, processing, sale, and/or distribution of medical cannabis and cannabis products, as applicable, therein shall be lawful to the extent and in the manner permitted in this chapter. In either case, no further election shall be held in the municipality under the provisions of this section for a period of two (2) years from the date of the prior election and then only upon the filing of a petition requesting same signed by at least twenty percent (20%) or fifteen hundred (1500), whichever number is the lesser, of the qualified electors of the municipality as provided in this section.

(6) (a) If a municipality that has opted out under this section annexes a geographic area which contains a licensed entity operating under the provisions of this chapter, then the licensed entity may continue its operation in that municipality's newly annexed geographic area.

(b) If a licensed entity operating under the provisions of this chapter is located in a municipality that contracts its corporate boundaries thereby causing the geographic area in which the licensed entity is located to no longer be in the municipality and instead in an unincorporated area of a county that has opted out under this section, then the licensed entity may continue its operation in that area of the county.

(7) In any county or municipality in which real property is owned, leased or otherwise controlled by a waterway district or water management district created in Title 51, Mississippi Code of 1972, the decision of the county or municipality to opt out or opt in as provided in this section shall be binding on all real property in such district. For the purpose of authorizing the establishment of mental illness and intellectual disability facilities and services in the State of Mississippi, the boards of supervisors of one or more counties are authorized to act singularly or as a group in the selection of a regional district by spreading upon their minutes by resolution such designation in conformity with this act.

SECTION 6. Section 41-19-33, Mississippi Code of 1972, is amended as follows:

41-19-33. (1) Each region so designated or established under Section 41-19-31 shall establish a regional commission to be composed of members appointed by the boards of supervisors of the various counties in the region. Each regional commission shall employ or contract with a certified public accountant for the purpose of managing the finances of the commission. The certified public accountant shall provide an annual audit to the commission in addition to his or her other duties. It shall be the duty of such regional commission to administer mental health/intellectual disability programs certified and required by the State Board of Mental Health and as specified in Section 41-4-1(2). In addition, once designated and established as provided hereinabove, a regional commission shall have the following authority and shall pursue and promote the following general purposes:

(a) To establish, own, lease, acquire, construct, build, operate and maintain mental illness, mental health, intellectual disability, alcoholism and general rehabilitative facilities and services designed to serve the needs of the people of the region so designated, provided that the services supplied by the regional commissions shall include those services determined by the Department of Mental Health to be necessary and may include, in addition to the above, services for persons with developmental and learning disabilities; for persons suffering from narcotic addiction and problems of drug abuse and drug dependence; and for the aging as designated and certified by the Department of Mental Health. Such regional mental health and intellectual disability commissions and

other community service providers shall, on or before July 1 of each year, submit an annual operational plan to the Department of Mental Health for approval or disapproval based on the minimum standards and minimum required services established by the department for certification and itemize the services as specified in Section 41-4-1(2), including financial statements. As part of the annual operation plan required by Section 41-4-7(h) submitted by any regional community mental health center or by any other reasonable certification deemed acceptable by the department, the community mental health center shall state those services specified in Section 41-4-1(2) that it will provide and also those services that it will not provide. If the department finds deficiencies in the plan of any regional commission or community service provider based on the minimum standards and minimum required services established for certification, the department shall give the regional commission or community service provider a six-month probationary period to bring its standards and services up to the established minimum standards and minimum required services. The regional commission or community service provider shall develop a sustainability business plan within thirty (30) days of being placed on probation, which shall be signed by all commissioners and shall include policies to address one or more of the following: the deficiencies in programmatic services, clinical service staff expectations, timely and appropriate billing, processes to obtain credentialing for staff, monthly reporting processes, third-party financial reporting and any other required documentation as determined by the department. After the six-month probationary period, if the department determines that the regional commission or community service provider still does not meet the minimum standards and minimum required services established for certification, the department may remove the certification of the commission or provider, and from and after July 1, 2011, the commission or provider shall be ineligible for state funds from Medicaid reimbursement or other funding sources for those services. After the six-month probationary period, the Department of Mental Health may identify an appropriate community service provider to provide any core services in that county that are not provided by a community mental health center. However, the department shall not offer reimbursement or other accommodations to a community service provider of core services that were not offered to the decertified community mental health center for the same or similar services.

(b) To provide facilities and services for the prevention of mental illness, mental disorders, developmental and learning disabilities, alcoholism, narcotic addiction, drug abuse, drug dependence and other related handicaps or problems (including the problems of the aging) among the people of the region so designated, and for the rehabilitation of persons suffering from such illnesses, disorders, handicaps or problems as designated and certified by the Department of Mental Health.

(c) To promote increased understanding of the problems of mental illness, intellectual disabilities, alcoholism, developmental and learning disabilities, narcotic addiction, drug abuse and drug dependence and other related problems (including the problems of the aging) by the people of the region, and also to promote increased understanding of the purposes and methods of the rehabilitation of persons suffering from such illnesses, disorders, handicaps or problems as designated and certified by the Department of Mental Health.

(d) To enter into contracts and to make such other arrangements as may be necessary, from time to time, with the United States government, the government of the State of Mississippi and such other agencies or governmental bodies as may be approved by and acceptable to the regional commission for the purpose of establishing, funding, constructing, operating and maintaining facilities and services for the care, treatment and rehabilitation of persons suffering from mental illness, an intellectual disability, alcoholism, developmental and learning disabilities, narcotic addiction, drug abuse, drug dependence and other illnesses, disorders, handicaps and problems (including the problems of the aging) as designated and certified by the Department of Mental Health.

(e) To enter into contracts and make such other arrangements as may be necessary with any and all private businesses, corporations, partnerships, proprietorships or other private agencies, whether organized for profit or otherwise, as may be approved by and acceptable to the regional commission for the purpose of establishing, funding, constructing, operating and maintaining facilities and services for the care, treatment and rehabilitation of persons suffering from mental illness, an intellectual disability, alcoholism, developmental and learning disabilities, narcotic addiction, drug abuse, drug dependence and other illnesses, disorders, handicaps and problems (including the problems of the aging) relating to minimum services established by the Department of Mental Health.

(f) To promote the general mental health of the people of the region.

(g) To pay the administrative costs of the operation of the regional commissions, including per diem for the members of the commission and its employees, attorney's fees, if and when such are required in the opinion of the commission, and such other expenses of the commission as may be necessary. The Department of Mental Health standards and audit rules shall determine what administrative cost figures shall consist of for the purposes of this paragraph. Each regional commission shall submit a cost report annually to the Department of Mental Health in accordance with guidelines promulgated by the department.

(h) To employ and compensate any personnel that may be necessary to effectively carry out the programs and services established under the provisions of the aforesaid act, provided such person meets the standards established by the Department of Mental Health.

(i) To acquire whatever hazard, casualty or workers' compensation insurance that may be necessary for any property, real or personal, owned, leased or rented by the commissions, or any employees or personnel hired by the commissions.

(k) To provide and finance within their own facilities, or through agreements or contracts with other local, state or federal agencies or institutions, nonprofit corporations, or political subdivisions or representatives thereof, programs and services for persons with mental illness, including treatment for alcoholics, and promulgating and administering of programs to combat drug abuse and programs for services for persons with an intellectual disability.

(l) To borrow money from private lending institutions in order to promote any of the foregoing purposes. A commission may pledge collateral, including real estate, to secure the repayment of money borrowed under the authority of this paragraph. Any such borrowing undertaken by a commission shall be on terms and conditions that are prudent in the sound judgment of the members of the commission, and the interest on any such loan shall not exceed the amount specified in Section 75-17-105. Any money borrowed, debts incurred or other obligations undertaken by a commission, regardless of whether borrowed, incurred or undertaken before or after March 15, 1995, shall be valid, binding and enforceable if it or they are borrowed, incurred or undertaken for any purpose specified in this section and otherwise conform to the requirements of this paragraph.

(m) To acquire, own and dispose of real and personal property. Any real and personal property paid for with state and/or county appropriated funds must have the written approval of the Department of Mental Health and/or the county board of supervisors, depending on the original source of funding, before being disposed of under this paragraph.

(n) To enter into managed care contracts and make such other arrangements as may be deemed necessary or appropriate by the regional commission in order to participate in any managed care program. Any such contract or arrangement affecting more than one (1) region must have prior written approval of the Department of Mental Health before being initiated and annually thereafter.

(o) To provide facilities and services on a discounted or capitated basis. Any such action when affecting more than one (1) region must have prior written approval of the Department of Mental Health before being initiated and annually thereafter.

(p) To enter into contracts, agreements or other arrangements with any person, payor, provider or other entity, under which the regional commission assumes financial risk for the provision or delivery of any services, when deemed to be necessary or appropriate by the regional commission. Any action under this paragraph affecting more than one (1) region must have prior written approval of the Department of Mental Health before being initiated and annually thereafter.

(q) To provide direct or indirect funding, grants, financial support and assistance for any health maintenance organization, preferred provider organization or other managed care entity or contractor, where such organization, entity or contractor is operated on a nonprofit basis. (r) To form, establish, operate, and/or be a member of or participant in, either individually or with one or more other regional commissions, any managed care entity as defined in Section 83-41-403(c). Any action under this paragraph affecting more than one (1) region must have prior written approval of the Department of Mental Health before being initiated and annually thereafter.

(v) To ensure that all available funds are used for the benefit of persons with mental illness, persons with an intellectual disability, substance abusers and persons with developmental disabilities with maximum efficiency and minimum administrative cost. At any time a regional commission, and/or other related organization whatever it may be, accumulates surplus funds in excess of one-half (1/2) of its annual operating budget, the entity must submit a plan to the Department of Mental Health stating the capital improvements or other projects that require such surplus accumulation. If the required plan is not submitted within forty-five (45) days of the end of the applicable fiscal year, the Department of Mental Health shall withhold all state appropriated funds from such regional commission until such time as the capital improvement plan is submitted. If the submitted capital improvement plan is not accepted by the department, the surplus funds shall be expended by the regional commission in the local mental health region on group homes for persons with mental illness, persons with an intellectual disability, substance abusers,

children or other mental health/intellectual disability services approved by the Department of Mental Health.

(w) Notwithstanding any other provision of law, to fingerprint and perform a criminal history record check on every employee or volunteer. Every employee or volunteer shall provide a valid current social security number and/or driver's license number that will be furnished to conduct the criminal history record check. If no disqualifying record is identified at the state level, fingerprints shall be forwarded to the Federal Bureau of Investigation for a national criminal history record check.

(x) Notwithstanding any other provisions of law, each regional commission shall have the authority to create and operate a primary care health clinic to treat (i) its patients; and (ii) its patients' family members related within the third degree; and (iii) its patients' household members or caregivers, subject to the following requirements:

(i) The regional commission may employ and compensate any personnel necessary and must satisfy applicable state and federal laws and regulations regarding the administration and operation of a primary care health clinic.

(ii) A Mississippi licensed physician must be employed or under agreement with the regional commission to provide medical direction and/or to carry out the physician responsibilities as described under applicable state and/or federal law and regulations.

(iii) The physician providing medical direction for the primary care clinic shall not be certified solely in psychiatry.

(iv) A sliding fee scale may be used by the regional commission when no other payer source is identified.

(v) The regional commission must ensure services will be available and accessible promptly and in a manner that preserves human dignity and assures continuity of care.

(vi) The regional commission must provide a semiannual report to the Chairmen of the Public Health Committees in both the House of Representatives and Senate. At a minimum, for each reporting period, these reports shall describe the number of patients provided primary care services, the types of services provided, and the payer source for the patients. Except for patient information and any other information that may be exempt from disclosure under the Health Information Portability and Accountability Act (HIPAA) and the Mississippi Public Records Act, the reports shall be considered public records.

(vii) The regional commission must employ or contract with a core clinical staff that is multidisciplinary and culturally and linguistically competent.

(viii) The regional commission must ensure that its physician as described in subparagraph (ii) of this paragraph (x) has admitting privileges at one or more local hospitals or has an agreement with a physician who has admitting privileges at one or more local hospitals to ensure continuity of care.

(ix) The regional commission must provide an independent financial audit report to the State Department of Mental Health and, except for patient information and any other information that may be exempt from disclosure under HIPAA and the Mississippi Public Records Act, the audit report shall be considered a public record.

For the purposes of this paragraph (x), the term "caregiver" means an individual who has the principal and primary responsibility for caring for a child or dependent adult, especially in the home setting.

(y) In general to take any action which will promote, either directly or indirectly, any and all of the foregoing purposes.

(z) All regional commissioners shall receive new orientation training and annual training with continuing education regarding the Mississippi mental health system and services as developed by the State Department of Mental Health. Training shall be provided at the expense of the department except for travel expenses which shall be paid by the regional commission.

(2) The types of services established by the State Department of Mental Health that must be provided by the regional mental health/intellectual disability centers for certification by the department, and the minimum levels and standards for those services established by the department, shall be provided by the regional mental health/intellectual disability centers to children when such services are appropriate for children, in the determination of the department.

(3) Each regional commission shall compile quarterly financial statements and status reports from each individual community health center. The compiled reports shall be submitted to the coordinator quarterly. The reports shall contain a:

- (a) Balance sheet;
- (b) Statement of operations;
- (c) Statement of cash flows; and

(d) Description of the status of individual community health center's actions taken to increase access to and availability of community mental health services.

SECTION 7. Section 41-19-35, Mississippi Code of 1972, is amended as follows:

41-19-35. Except as otherwise provided in this section, the board of supervisors of each participating county in the program shall appoint one (1) member to represent its county on the regional commission in its respective region for a term of four (4) years who shall serve at the will and pleasure of the appointing board of supervisors, who may be a clerk, sheriff or deputy. In addition, the chancery clerks of the counties in each region shall select a chancery clerk or a deputy clerk to serve as a nonvoting liaison to the commission, and the sheriffs of the counties in each region shall select a sheriff or a deputy sheriff to serve as a nonvoting liaison to the commission. Any compensation of such members shall be paid by the regional commission, in its discretion, from any funds available. Each member of the commission shall attend the orientation training for new commissioners and the annual training for all commissioners held by the Department of Mental Health. The Department of Mental Health shall notify the board of supervisors when a commissioner does not attend either the orientation training or annual training. Upon notice from the Department of Mental Health that a commissioner has failed to attend the required meetings, the appointing board of supervisors shall remove the commissioner, unless the department and the commission agree to an alternate arrangement to allow the commissioner to continue to serve until the next opportunity to attend the orientation meeting and/or the annual training.

SECTION 8. Section 41-21-67, Mississippi Code of 1972, is amended as follows:

41-21-67. (1) Whenever the affidavit provided for in Section 41-21-65 is filed with the chancery clerk, the clerk, upon direction of the chancellor of the court, shall issue a writ directed to the sheriff of the proper county to take into custody the person alleged to be in need of treatment and to take the person for pre-evaluation screening and treatment by the appropriate community mental health center established under Section 41-19-31. The community mental health center will be designated as the first point of entry for

pre-evaluation screening and treatment. If the community mental health center is unavailable, * * * a reputable licensed physician, psychologist, nurse practitioner * * * who has been certified by the Department of Mental Health to perform pre-evaluation screening may conduct the pre-evaluation screening and examination as set forth in Section 41-21-69. The * * * writ may provide where the person shall be held * * * for pre-evaluation * * * and examination. However, when the affidavit fails to set forth factual allegations and witnesses sufficient to support the need for treatment, the chancellor shall refuse to direct issuance of the writ. Reapplication may be made to the chancellor. If a pauper's affidavit is filed by an affiant who is a guardian or conservator of a person in need of treatment, the court shall determine if either the affiant or the person in need of treatment is a pauper and if * * * the affiant or the person in need of treatment is determined to be a pauper, the county of the residence of the respondent shall bear the costs of the commitment proceedings in court, unless funds for those purposes are made available by the state.

In any county in which a Crisis Intervention Team has been established under the provisions of Sections 41-21-131 through 41-21-143, the clerk, upon the direction of the chancellor, may require that the person be referred to the Crisis Intervention Team for appropriate psychiatric or other medical services before the issuance of the writ.

(2) Upon issuance of the writ, the chancellor shall immediately appoint and summon two (2) reputable, licensed physicians or one (1) reputable, licensed physician and either one (1) psychologist, nurse practitioner or physician assistant to conduct a physical and mental examination of the person at a place to be designated by the clerk or chancellor and to report their findings to the clerk or chancellor. However, any nurse practitioner or physician assistant conducting the examination shall be independent from, and not under the supervision of, the other physician conducting the examination. A nurse practitioner or psychiatric nurse practitioner conducting an examination under this chapter must be functioning within a collaborative or consultative relationship with a physician as required under Section 73-15-20(3). In all counties in which there is a county health officer, the county health officer, if available, may be one (1) of the physicians so appointed. If a licensed physician is not available to conduct the physical and mental examination within forty-eight (48) hours of the issuance of the writ, the court, in its discretion and upon good cause shown, may permit the examination to be conducted by the following: (a) two (2) nurse practitioners, one (1) of whom must be a psychiatric nurse practitioner; or (b) one (1) psychiatric nurse practitioner and one (1) psychologist or physician assistant. Neither of the physicians nor the psychologist, nurse practitioner or physician assistant selected shall be related to that person in any way, nor have any direct or indirect interest in the estate of that person nor shall any full-time staff of residential treatment facilities operated directly by the State Department of Mental Health serve as examiner.

(3) The clerk shall ascertain whether the respondent is represented by an attorney, and if it is determined that the respondent does not have an attorney, the clerk shall immediately notify the chancellor of that fact. If the chancellor determines that the respondent for any reason does not have the services of an attorney, the chancellor shall immediately appoint an attorney for the respondent at the time the examiners are appointed.

(4) If the chancellor determines that there is probable cause to believe that the respondent is mentally ill and that there is no reasonable alternative to detention, the chancellor may order that the respondent be retained as an emergency patient at any licensed medical facility for evaluation by a physician, nurse practitioner or physician assistant and that a peace officer transport the respondent to the specified facility. If the community mental health center serving the county has partnered with Crisis Intervention Teams under the provisions of Sections 41-21-131 through 41-21-143, the order may specify that the licensed medical facility be a designated single point of entry within the county or within * * * a county served by the community mental health center. If the person evaluating the respondent finds that the respondent is mentally ill and in need of

treatment, the chancellor may order that the respondent be retained at the licensed medical facility or any other available suitable location as the court may so designate pending an admission hearing. If necessary, the chancellor may order a peace officer or other person to transport the respondent to that facility or suitable location. Any respondent so retained may be given such treatment as is indicated by standard medical practice. However, the respondent shall not be held in a hospital operated directly by the State Department of Mental Health, and shall not be held in jail unless the court finds that there is no reasonable alternative.

The respondent's status as an indigent or pauper shall not constitute sufficient grounds for the court to find that there is no reasonable alternative for the respondent to be held in jail.

(5) (a) For indigent patients with no payor source or without payor coverage before a chancellor's determination concerning psychiatric treatment, the respondent's county of residence may bear the costs of prehearing placement or detention provided by a licensed medical facility pursuant to an agreed upon fee schedule with the licensed medical facility. In the absence of an agreed upon fee schedule, the respondent's county of residence may pay for the cost of placement or detention in an amount no greater than the applicable reimbursement rate based on the Mississippi Medicaid reimbursement rate or schedule, and the county shall not be liable for any costs that exceed the Mississippi Medicaid reimbursement rate or schedule.

(b) For indigent respondents with no payor source or without payor coverage where the chancellor has determined that the respondent is in need of psychiatric treatment and no State Department of Mental Health beds or community mental health center crisis stabilization beds are available, the respondent's county of residence shall bear the costs of treatment at an amount negotiated with the treatment facilities, but the county shall not be liable for any costs that exceed the Mississippi Medicaid reimbursement rate or schedule.

(c) This subsection (5) shall not take effect until July 1, 2026, and then only in counties where the Director of the Department of Mental Health certifies that there are sufficient facilities available at a reasonable cost and at a reasonable location.

(** *6) (a) Whenever a licensed psychologist, nurse practitioner or physician assistant who is certified to complete examinations for the purpose of commitment or a licensed physician has reason to believe that a person poses an immediate substantial likelihood of physical harm to himself or others or is gravely disabled and unable to care for himself by virtue of mental illness, as defined in Section 41-21-61(e), then the physician, psychologist, nurse practitioner or physician assistant may hold the person or may admit the person to and treat the person in a licensed medical facility, without a civil order or warrant for a period not to exceed seventy-two (72) hours. However, if the seventy-two-hour period begins or ends when the chancery clerk's office is closed, or within three (3) hours of closing, and the chancery clerk's office will be continuously closed for a time that exceeds seventy-two (72) hours, then the seventy-two-hour period is extended until the end of the next business day that the chancery clerk's office is open. The person may be held and treated as an emergency patient at any licensed medical facility, available regional mental health facility, or crisis intervention center. The physician or psychologist, nurse practitioner or physician assistant who holds the person shall certify in writing the reasons for the need for holding.

If a person is being held and treated in a licensed medical facility, and that person decides to continue treatment by voluntarily signing consent for admission and treatment, the seventy-two-hour hold may be discontinued without filing an affidavit for commitment. Any respondent so held may be given such treatment as indicated by standard medical practice. Persons acting in good faith in connection with the detention and reporting of a person believed to be mentally ill shall incur no liability, civil or criminal, for those acts.

(b) Whenever an individual is held for purposes of receiving treatment as prescribed under paragraph (a) of this subsection, and it is communicated to the mental health professional holding the individual that the individual resides or has visitation rights with a minor child, and if the individual is considered to be a danger to the minor child, the mental health professional shall notify the Department of Child Protection Services prior to discharge if the threat of harm continues to exist, as is required under Section 43-21-353.

This paragraph (b) shall be known and may be cited as the "Andrew Lloyd Law."

SECTION 9. Section 41-21-77, Mississippi Code of 1972, is amended as follows:

41-21-77. (1) If admission is ordered at a treatment facility, the sheriff, his or her deputy or any other person appointed or authorized by the court shall immediately deliver the respondent to the director of the appropriate facility. Neither the Board of Mental Health or its members, nor the Department of Mental Health or its related facilities, nor any employee of the Department of Mental Health or its related facilities, shall be appointed, authorized or ordered to deliver the respondent for treatment, and no person shall be so delivered or admitted until the director of the admitting institution determines that facilities and services are available. Persons who have been ordered committed and are awaiting admission may be given any such treatment in the facility by a licensed physician as is indicated by standard medical practice. Any county facility used for providing housing, maintenance and medical treatment for involuntarily committed persons pending their transportation and admission to a state treatment facility shall be certified by the State Department of Mental Health under the provisions of Section 41-4-7(kk). No person shall be delivered or admitted to any non-Department of Mental Health treatment facility unless the treatment facility is licensed and/or certified to provide the appropriate level of psychiatric care for persons with mental illness. It is the intent of this Legislature that county-owned hospitals work with regional community mental health/intellectual disability centers in providing care to local patients. The clerk shall provide the director of the admitting institution with a certified copy of the court order, a certified copy of the appointed examiners' certificates, a certified copy of the affidavit, and any other information available concerning the physical and mental condition of the respondent. Upon notification from the United States Veterans Administration or other agency of the United States government, that facilities are available and the respondent is eligible for care and treatment in those facilities, the court may enter an order for delivery of the respondent to or retention by the Veterans Administration or other agency of the United States government, and, in those cases the chief officer to whom the respondent is so delivered or by whom he is retained shall, with respect to the respondent, be vested with the same powers as the director of the Mississippi State Hospital at Whitfield, or the East Mississippi State Hospital at Meridian, with respect to retention and discharge of the respondent.

(2) (a) When admission to a treatment facility is ordered by the court, the chancery clerk shall make record of the admission. Each chancery clerk shall maintain a record of the number of persons ordered by the court to be admitted to a treatment facility, the number of hearings held by the court to determine whether a person should be admitted to a treatment facility and the number of affidavits filed to admit a person to a treatment facility under Section 41-21-61 etc.

(b) The chancery clerk shall maintain a record each time such clerk receives a denial for admission to a community mental health center crisis stabilization bed, the reason provided to the clerk for such denial, and the subsequent action taken by the clerk upon receiving the denial.

(c) Each chancery clerk shall provide the records required by paragraphs (a) and (b) of this subsection (2) to the Department of Mental Health within thirty (30) days of the end of each calendar quarter. Within sixty (60) days of receipt of the chancery clerk records, the Department of Mental Health shall provide a summary to the Chairpersons

of the Appropriations, Public Health and Judiciary A and B Committees for the Mississippi House of Representatives and the Mississippi Senate and the President of the Mississippi Association of Community Mental Health Centers.

SECTION 10. Section 41-4-7, Mississippi Code of 1972, is amended as follows:

41-4-7. The State Board of Mental Health shall have the following powers and duties:

(a) To appoint a full-time Executive Director of the Department of Mental Health, who shall be employed by the board and shall serve as executive secretary to the board. The first director shall be a duly licensed physician with special interest and competence in psychiatry, and shall possess a minimum of three (3) years' experience in clinical and administrative psychiatry. Subsequent directors shall possess at least a master's degree or its equivalent, and shall possess at least ten (10) years' administrative experience in the field of mental health. The salary of the executive director shall be determined by the board;

(b) To appoint a Medical Director for the Department of Mental Health. The medical director shall provide clinical oversight in the implementation of evidence-based and best practices; provide clinical leadership in the integration of mental health, intellectual disability and addiction services with community partners in the public and private sectors; and provide oversight regarding standards of care. The medical director shall serve at the will and pleasure of the board, and will undergo an annual review of job performance and future service to the department;

(c) To * * * establish and implement its state strategic plan;

(d) To develop a strategic plan for the development of services for persons with mental illness, persons with developmental disabilities and other clients of the public mental health system. Such strategic planning program shall require that the board, acting through the Strategic Planning and Best Practices Committee, perform the following functions respecting the delivery of services:

(i) Establish measures for determining the efficiency and effectiveness of the services specified in Section 41-4-1(2);

(ii) Conducting studies of community-based care in other jurisdictions to determine which services offered in these jurisdictions have the potential to provide the citizens of Mississippi with more effective and efficient community-based care;

(iii) Evaluating the efficiency and effectiveness of the services specified in Section 41-4-1(2);

(iv) Recommending to the Legislature by January 1, 2014, any necessary additions, deletions or other changes necessary to the services specified in Section 41-4-1(2);

For services other than those specified in Section 41-4-1(2), the committee shall recommend to the State Board of Mental Health a strategic plan that the board may adopt or modify;

They shall be comprehensive and available to triage and make appropriate clinical disposition, including the capability to access inpatient services or less restrictive alternatives, as needed, as determined by medical staff. Such facility shall have medical, nursing and behavioral services available on a twenty-four-hour-a-day basis. The board may provide for all or part of the costs of establishing and operating the holding centers in each district from such funds as may be appropriated to the board for such use, and may participate in any plan or agreement with

It is the intent of the Mississippi Legislature that such negotiations shall ensure that the financial interest of the persons with an intellectual disability served by Ellisville State School will be held paramount in the course of these negotiations. The Legislature also recognizes the importance of economic development to the citizens of the State of Mississippi and Jones County, and encourages fairness to the Economic Development Authority of Jones County. Any negotiations proposed which would result in the recommendation for exchange, lease or sale of lands owned by Ellisville State School must have the approval of the State Board of Mental Health. The State Board of Mental Health may and has the final authority as to whether or not these negotiations result in the exchange, lease or sale of the properties it currently holds in trust for persons with an intellectual disability served at Ellisville State School.

If the State Board of Mental Health authorizes the sale of lands owned by Ellisville State School, as provided for under this paragraph (ff), the monies derived from the sale shall be placed into a special fund that is created in the State Treasury to be known as the "Ellisville State School Client's Trust Fund." The principal of the trust fund shall remain inviolate and shall never be expended. The Legislature also recognizes the importance of economic development to the citizens of the State of Mississippi and Simpson County, and encourages fairness to the Economic Development Authority of Simpson County. Any negotiations proposed which would result in the recommendation for exchange, lease or sale of lands owned by Boswell Regional Center must have the approval of the State Board of Mental Health. The State Board of Mental Health may and has the final authority as to whether or not these negotiations result in the exchange, lease or sale of the properties it currently holds in trust for persons with an intellectual disability served at Boswell Regional Center. In any such exchange, lease or sale of such lands owned by Boswell Regional Center, title to all minerals, oil and gas on such lands shall be reserved, together with the right of ingress and egress to remove same, whether such provisions be included in the terms of any such exchange, lease or sale or not.

The principal of the trust fund shall remain inviolate and shall never be expended. Any earnings on the principal may be expended solely for the benefits of clients served at Boswell Regional Center. The State Treasurer shall invest the monies of the trust fund in any of the investments authorized for the Mississippi Prepaid Affordable College Tuition Program under Section 37-155-9, and those investments shall be subject to the limitations prescribed by Section 37-155-9. Unexpended amounts remaining in the trust fund at the end of a fiscal year shall not lapse into the State General Fund, and any earnings on amounts in the trust fund shall be deposited to the credit of the trust fund. The administration of Boswell Regional Center may use any earnings on the principal of the trust fund, upon appropriation by the Legislature, as needed for services or facilities by the clients of Boswell Regional Center. If the department finds deficiencies in any such county facility or its provider based on the minimum standards and minimum required services established for certification, the department shall give the county or its provider a six-month probationary period to bring its standards and services up to the established minimum standards and minimum required services. After the six-month probationary period, if the department determines that the county or its provider still does not meet the minimum standards and minimum required services, the department may remove the certification of the county or provider and require the county to contract with another county having a certified facility to hold those persons for that period of time pending transportation and admission to a

Such strategic planning program shall require that the board, acting through the Strategic Planning and Best Practices Committee, perform the following functions respecting the delivery of services:

(i) Establish measures for determining the efficiency and effectiveness of the services specified in Section 41-4-1(2);

(ii) Conducting studies of community-based care in other jurisdictions to determine which services offered in these jurisdictions have the potential to provide the citizens of Mississippi with more effective and efficient community-based care;

(iii) Evaluating the efficiency and effectiveness of the services specified in Section 41-4-1(2);

(iv) Recommending to the Legislature by January 1, 2014, any necessary additions, deletions or other changes necessary to the services specified in Section 41-4-1(2);

For services other than those specified in Section 41-4-1(2), the committee shall recommend to the State Board of Mental Health a strategic plan that the board may adopt or modify;

(h) To collect reasonable fees for its services; however, if it is determined that a person receiving services is unable to pay the total fee, the department shall collect * * * no more than the amount such person is able to pay;

(i) To certify, coordinate and establish minimum standards and establish minimum required services, as specified in Section 41-4-1(2), for regional mental health and intellectual disability commissions and other community service providers for community or regional programs and services in adult mental health, children and youth mental health, intellectual disabilities, alcoholism, drug misuse, developmental disabilities, compulsive gambling, addictive disorders and related programs throughout the state. The regional commission or community service provider shall develop a sustainability business plan within thirty (30) days of being placed on probation, which shall be signed by all commissioners and shall include policies to address one or more of the following: the deficiencies in programmatic services, clinical service staff expectations, timely and appropriate billing, processes to obtain credentialing for staff, monthly reporting processes, third-party financial reporting and any other required documentation as determined by the department. After the six-month probationary period, if the department determines that the regional commission or community service provider still does not meet the minimum standards and minimum required services established for certification, the department may remove the certification of the commission or provider and from and after July 1, 2011, the commission or provider shall be ineligible for state funds from Medicaid reimbursement or other funding sources for those services. However, the department shall not mandate a standard or service, or decertify a regional commission or community service provider for not meeting a standard or service, if the standard or service does not have funding appropriated by the Legislature or have a state, federal or local funding source identified by the department. No county shall be required to levy millage to provide a mandated standard or service above the minimum rate required by Section 41-19-39. After the six-month probationary period, the department may identify an appropriate community service provider to provide any core services in that county that are not provided by a community mental health center. However, the department shall not offer reimbursement or other accommodations to a community service provider of core services that were not offered to the decertified community mental health center for the same or similar services. In developing best practices, the board shall consider the cost and benefits associated with each practice with a goal of implementing only those practices that are cost-effective practices for service delivery. Such best practices shall be utilized by the board in establishing performance standards and evaluations of the community mental health centers' services required by paragraph (d) of this section;

Unexpended amounts remaining in the trust fund at the end of a fiscal year shall not lapse into the State General Fund, and any earnings on amounts in the trust fund shall be deposited to the credit of the trust fund. If the department finds deficiencies in any such county facility or its provider based on the minimum standards and minimum required services established for certification, the department shall give the county or its provider a six-month probationary period to bring its standards and services up to the established minimum standards and minimum required services. After the six-month probationary period, if the department determines that the county or its provider still does not meet the minimum standards and minimum required services, the department may remove the certification of the county or provider and require the county to contract with another county having a certified facility to hold those persons for that period of time pending transportation and admission to a state treatment facility. Any cost incurred by a county receiving an involuntarily committed person from a county with a decertified holding facility shall be reimbursed by the home county to the receiving county; and

The PEER committee may conduct random review of the records of any agency or clerks referenced in this subsection (1) to determine whether the duties of such agencies and clerks are being fulfilled in a timely manner. The PEER committee, based on its findings, if any, shall recommend measures to ensure that the duties are more effectively carried out in a timely manner.

(2) (a) All persons in charge of law enforcement agencies shall obtain, or cause to be obtained, fingerprints according to the fingerprint system of identification established by the Director of the Federal Bureau of Investigation, full face and profile photographs (if equipment is available) and other available identifying data, of each person arrested or taken into custody for an offense of a type designated in subsection (1) of this section, of all persons arrested or taken into custody as fugitives from justice and of all unidentified human corpses in their jurisdictions, but photographs need not be taken if it is known that photographs of the type listed, taken within the previous year, are on file. Any record taken in connection with any person arrested or taken into custody and subsequently

released without charge or cleared of the offense through court proceedings shall be purged from the files of the center and destroyed upon receipt by the center of a lawful expunction order. All persons in charge of law enforcement agencies shall submit to the center detailed descriptions of arrests or takings into custody which result in release without charge or subsequent exoneration from criminal liability within twenty-four (24) hours of the release or exoneration.

All law enforcement agencies shall utilize any live scan equipment provided by the center to ensure the most accurate collection of fingerprints. (4) All persons in charge of law enforcement agencies shall submit to the center detailed descriptions of arrest warrants and related identifying data immediately upon determination of the fact that the warrant cannot be served for the reasons stated. If the warrant is subsequently served or withdrawn, the law enforcement agency concerned must immediately notify the center of the service or withdrawal. Also, the agency concerned must annually, no later than January 31 of each year and at other times if requested by the center, confirm all arrest warrants which continue to be outstanding. Upon receipt of a lawful expunction order, the center shall purge and destroy files of all data relating to an offense when an individual is subsequently exonerated from criminal liability of that offense. The center shall not be liable for the failure to purge, destroy or expunge any records if an agency or court fails to forward to the center proper documentation ordering the action.

(5) All persons in charge of state correctional institutions shall obtain fingerprints, according to the fingerprint system of identification established by the Director of the Federal Bureau of Investigation or as otherwise directed by the center, and full face and profile photographs of all persons received on commitment to the institutions. The prints so taken shall be forwarded to the center, together with any other identifying data requested, within ten (10) days after the arrival at the institution of the person committed. At the time of release, the institution will again obtain fingerprints, as before, and forward them to the center within ten (10) days, along with any other related information requested by the center. The institution shall notify the center immediately upon the release of the person.

(6) All persons in charge of law enforcement agencies, all court clerks, all municipal justices where they have no clerks, all justice court judges and all persons in charge of state and county probation and parole offices, shall supply the center with the information described in subsections (4) and (10) of this section on the basis of the forms and instructions for the disposition form to be supplied by the center.

(7) All persons in charge of law enforcement agencies in this state shall furnish the center with any other identifying data required in accordance with guidelines established by the center. All law enforcement agencies and correctional institutions in this state having criminal identification files shall cooperate in providing the center with copies of the items in the files which will aid in establishing the nucleus of the state criminal identification file.

(8) All law enforcement agencies within the state shall report to the center, in a manner prescribed by the center, all persons wanted by and all vehicles and identifiable

property stolen from their jurisdictions. The report shall be made as soon as is practical after the investigating department or agency either ascertains that a vehicle or identifiable property has been stolen or obtains a warrant for an individual's arrest or determines that there are reasonable grounds to believe that the individual has committed a crime. The report shall be made within a reasonable time period following the reporting department's or agency's determination that it has grounds to believe that a vehicle or property was stolen or that the wanted person should be arrested.

(9) All law enforcement agencies in the state shall immediately notify the center if at any time after making a report as required by subsection (8) of this section it is determined by the reporting department or agency that a person is no longer wanted or that a vehicle or property stolen has been recovered. Furthermore, if the agency making the apprehension or recovery is not the one which made the original report, then it shall immediately notify the originating agency of the full particulars relating to the apprehension or recovery using methods prescribed by the center.

(10) All law enforcement agencies in the state and clerks of the various courts shall promptly report to the center all instances where records of convictions of criminals are ordered expunged by courts of this state as now provided by law. The center shall promptly expunge from the files of the center and destroy all records pertaining to any convictions that are ordered expunged by the courts of this state as provided by law.

(11) The center shall not be held liable for the failure to purge, destroy or expunge records if an agency or court fails to forward to the center proper documentation ordering the action.

(12) Any criminal justice department or agency making an expenditure in excess of Five Thousand Dollars (\$5,000.00) in any calendar year on software or programming upgrades concerning a computerized records management system or jail management system shall ensure that the new or upgraded system is formatted to Department of Justice approved XML format and that no impediments to data sharing with other agencies or departments exist in the software programming.

(13) (a) All law enforcement agencies within the state shall:

(ii) Use the system described by subparagraph (i) to submit to the center information and statistics concerning criminal offenses committed in the jurisdiction of the local law enforcement agency, in a manner prescribed by the center; and

(iii) Report the information as soon as is practicable after the investigating agency or department ascertains that a qualifying crime has been committed in its jurisdiction, once the state-level NIBRS Repository is available.

(b) No later than July 1, 2019, the department shall submit a report to the Legislature that identifies the number of local law enforcement agencies that have implemented the system described in this subsection (13).

(4) The application shall be completed, under oath, on a form promulgated by the Department of Public Safety and shall include only:

(i) Issue the license;

(ii) Deny the application based solely on the ground that the applicant fails to qualify under the criteria listed in subsections (2) and (3) of this section. If the Department of Public Safety denies the application, it shall notify the applicant in writing, stating the ground for denial, and the denial shall be subject to the appeal process set forth in subsection (7); or

(iii) Notify the applicant that the department is unable to make a determination regarding the issuance or denial of a license within the forty-five-day period prescribed by this subsection, and provide an estimate of the amount of time the department will need to make the determination.

(d) In the event a legible set of fingerprints, as determined by the Department of Public Safety and the Federal Bureau of Investigation, cannot be obtained after a minimum of two (2) attempts, the Department of Public Safety shall determine eligibility based upon a name check by the Mississippi Highway Safety Patrol and a Federal Bureau of Investigation name check conducted by the Mississippi Highway Safety Patrol at the request of the Department of Public Safety.

(7) (a) If the Department of Public Safety denies the issuance of a license, or suspends or revokes a license, the party aggrieved may appeal such denial, suspension or revocation to the Commissioner of Public Safety, or his authorized agent, within thirty (30) days after the aggrieved party receives written notice of such denial, suspension or revocation. The Commissioner of Public Safety, or his duly authorized agent, shall rule upon such appeal within thirty (30) days after the appeal is filed and failure to rule within this thirty-day period shall constitute sustaining such denial, suspension or revocation. Such review shall be conducted pursuant to such reasonable rules and regulations as the Commissioner of Public Safety may adopt.

(b) If the revocation, suspension or denial of issuance is sustained by the Commissioner of Public Safety, or his duly authorized agent pursuant to paragraph (a) of this subsection, the aggrieved party may file within ten (10) days after the rendition of such decision a petition in the circuit or county court of his residence for review of such decision. A hearing for review shall be held and shall proceed before the court without a jury upon the record made at the hearing before the Commissioner of Public Safety or his duly authorized agent. No such party shall be allowed to carry a stun gun, concealed pistol or revolver pursuant to the provisions of this section while any such appeal is pending.

(8) The Department of Public Safety shall maintain an automated listing of license holders and such information shall be available online, upon request, at all times, to all law enforcement agencies through the Mississippi Crime Information Center. However, the records of the department relating to applications for licenses to carry stun guns, concealed pistols or revolvers and records relating to license holders shall be exempt from the provisions of the Mississippi Public Records Act of 1983, and shall be released only upon order of a court having proper jurisdiction over a petition for release of the record or records.

(9) Within thirty (30) days after the changing of a permanent address, or within thirty (30) days after having a license lost or destroyed, the licensee shall notify the Department of Public Safety in writing of such change or loss. (10) In the event that a stun gun, concealed pistol or revolver license is lost or destroyed, the person to whom the license was issued shall comply with the provisions of subsection (9) of this section and may obtain a duplicate, or substitute thereof, upon payment of Fifteen Dollars (\$15.00) to the Department of Public Safety, and furnishing a notarized statement to the department that such license has been lost or destroyed.

(11) A license issued under this section shall be revoked if the licensee becomes ineligible under the criteria set forth in subsection (2) of this section.

(12) (a) Except as provided in subsection (25) of this section, no less than ninety (90) days prior to the expiration date of the license, the Department of Public Safety shall *** send to each licensee a written notice of the expiration and a renewal form prescribed by the department. The first renewal may be processed by mail "or other means as determined by the Department" and the subsequent renewal must be made in person. Thereafter every other renewal may be processed by mail to assure that the applicant must appear in person every ten (10) years for the purpose of obtaining a new photograph.

(i) Except as provided in this subsection, a renewal fee of Forty Dollars (\$40.00) shall also be submitted along with costs for processing the fingerprints;

(ii) Honorably retired law enforcement officers, disabled veterans, active duty members of the Armed Forces of the United States and law enforcement officers employed with a law enforcement agency of a municipality, county or state at the time of renewal, shall be exempt from the renewal fee; and

(iii) The renewal fee for a Mississippi resident aged sixty-five (65) years of age or older shall be Twenty Dollars (\$20.00).

(b) The Department of Public Safety shall forward the full set of fingerprints of the applicant to the appropriate agencies for state and federal processing. The license shall be renewed upon receipt of the completed renewal application and appropriate payment of fees.

(c) A licensee who fails to file a renewal application on or before its expiration date must renew his license by paying a late fee of Fifteen Dollars (\$15.00). No license shall be renewed six (6) months or more after its expiration date, and such license shall be deemed to be permanently expired. In addition to the places enumerated in this subsection, the carrying of a stun gun, concealed pistol or revolver may be disallowed in any place in the discretion of the person or entity exercising control over the physical location of such place by the placing of a written notice clearly readable at a distance of not less than ten (10) feet that the "carrying of a pistol or revolver is prohibited." No license issued pursuant to this section shall authorize the participants in a parade or demonstration for which a permit is required to carry a stun gun, concealed pistol or revolver.

(16) All fees collected by the Department of Public Safety pursuant to this section shall be deposited into a special fund hereby created in the State Treasury and shall be used for implementation and administration of this section. After the close of each fiscal year, the balance in this fund shall be certified to the Legislature and then may be used by the Department of Public Safety as directed by the Legislature.

(17) All funds received by a sheriff or police chief pursuant to the provisions of this section shall be deposited into the general fund of the county or municipality, as appropriate, and shall be budgeted to the sheriff's office or police department as appropriate.

(18) Nothing in this section shall be construed to require or allow the registration, documentation or providing of serial numbers with regard to any stun gun or firearm.

(19) Any person holding a valid unrevoked and unexpired license to carry stun guns, concealed pistols or revolvers issued in another state shall have such license recognized by this state to carry stun guns, concealed pistols or revolvers. The Department of Public Safety is authorized to enter into a reciprocal agreement with another state if that state requires a written agreement in order to recognize licenses to carry stun guns, concealed pistols or revolvers issued by this state.

(20) The provisions of this section shall be under the supervision of the Commissioner of Public Safety. The commissioner is authorized to promulgate reasonable rules and regulations to carry out the provisions of this section.

(21) For the purposes of this section, the term "stun gun" means a portable device or weapon from which an electric current, impulse, wave or beam may be directed, which current, impulse, wave or beam is designed to incapacitate temporarily, injure, momentarily stun, knock out, cause mental disorientation or paralyze.

(22) (a) From and after January 1, 2016, the Commissioner of Public Safety shall promulgate rules and regulations which provide that licenses authorized by this section for honorably retired law enforcement officers and honorably retired correctional officers from the Mississippi Department of Corrections shall (i) include the words "retired law enforcement officer" on the front of the license, and (ii) unless the licensee chooses to have this license combined with a driver's license or identification card under subsection (25) of this section, that the license itself have a red background to distinguish it from other licenses issued under this section.

(b) An honorably retired law enforcement officer and honorably retired correctional officer shall provide the following information to receive the license described in this section: (i) a letter, with the official letterhead of the agency or department from which such officer is retiring, which explains that such officer is honorably retired, and (ii) a letter with the official letterhead of the agency or department, which explains that such officer has completed a certified law enforcement training academy.

(25) An applicant for a license under this section shall have the option of, instead of being issued a separate card for the license, having the license appear as a notation on the individual's driver's license or identification card. If the applicant chooses this option, the license issued under this section shall have the same expiration date as the driver's license or identification card, and renewal shall take place at the same time and place as renewal of the driver's license or identification card. The Commissioner of Public Safety shall have the authority to promulgate rules and regulations which may be necessary to ensure the effectiveness of the concurrent application and renewal processes.

(2) Such owner's motor vehicle liability policy:

(b) The satisfaction by the insured of a judgment for such injury or damage shall not be a condition precedent to the right or duty of the insurance company to make payment on account of such injury or damage;

(c) The insurance company shall have the right to settle any claim covered by the policy, and if such settlement is made in good faith, the amount thereof shall be

deductible from the limits of liability specified in paragraph (b) of subsection (2) of this section; or

(d) The policy, the written application therefor, if any, and any rider or endorsement which does not conflict with the provisions of the chapter shall constitute the entire contract between the parties.

In cases of a bond with two (2) individual sureties, such real estate shall be scheduled and a description thereof shall appear in the bond approved by the clerk of the chancery court of the county or counties in which the real estate is located and also approved by the tax collector of the county or counties where the property is situated as being free from any delinquent tax liens. Such bond shall be conditioned for payments in amounts and under the same circumstances as would be required in a motor vehicle liability policy, and shall not be cancellable except after five (5) days' written notice is received by the department. However, cancellation shall not prevent recovery with respect to any right or cause of action arising prior to the date of cancellation. Such bond shall constitute a lien in favor of the state upon the real estate so scheduled of any surety, which lien shall exist in favor of any holder of a final judgment against the person who has filed such bond. Notice to that effect, which shall include a description of the real estate scheduled in the bond, shall be filed by the department in the office of the chancery clerk of the county where such real estate is situated. Such notice shall be accompanied by the statutory fee for the services of the chancery clerk in connection with the recordation of such notice, and the chancery clerk or his deputy, upon receipt of such notice, shall acknowledge and cause the same to be recorded in the lien records. Recordation shall constitute notice as provided by the statutes governing the recordation of liens on real estate.

(2) If a judgment rendered against the principal on such surety or real estate bond shall not be satisfied within sixty (60) days after it has become final, the judgment creditor may, for his own use and benefit and at his sole expense, bring an action or actions in the

name of the state against the persons who executed such bond, including an action or proceeding to foreclose any lien that may exist upon the real estate of a person who has executed such real estate bond, which foreclosure action shall be brought in like manner and subject to all the provisions of law applicable to an action to foreclose a mortgage on real estate.

The State Treasurer shall not accept any such deposit and issue a certificate therefor and the department shall not accept such certificate unless accompanied by evidence that there are no unsatisfied judgments of any character against the depositor in the county where the depositor resides.

(2) Such deposit shall be held by the State Treasurer to satisfy, in accordance with the provisions of this chapter, any execution on a judgment issued against * * * the person making the deposit, for damages, including damages for care and loss of services, because of bodily injury to or death of any person, or for damages because of injury to or destruction of property, including the loss of use thereof, resulting from the ownership, maintenance, use or operation of a motor vehicle after * * * the deposit was made. Money or securities so deposited shall not be subject to attachment or execution unless * * * the attachment or execution shall arise out of a suit for damages as aforesaid.

(3) Upon not less than five (5) days notice and a hearing pursuant to such notice, the department may upon reasonable grounds cancel a certificate of self-insurance. Failure to pay any judgment within thirty (30) days after such judgment shall have become final shall constitute a reasonable ground for the cancellation of a certificate of self-insurance.

SECTION 1. Section 27-19-31, Mississippi Code of 1972, is amended as follows:

27-19-31. (1) The Department of Revenue is authorized and directed to establish and maintain a vehicle registration renewal system whereby the license tag attached upon

a motor vehicle or trailer may be issued for five (5) years with the approval of the License Tag Commission, except for motor vehicles registered in excess of ten thousand (10,000) pounds gross vehicle weight, and motor vehicles in a fleet registered under Section 27-19-66, apportioned vehicles, rental and commercial trailers and buses, which shall be issued for a period of time determined by the Department of Revenue. During each intervening year of the period for which license tags are issued, the Department of Revenue shall issue up to two (2) license decals, in lieu of the license tags, the month and year in which the license tag expires shall be specified on one (1) of the decals so issued. Motor vehicles in a corporate fleet registered under Section 27-19-66, trailers in a fleet registered under Section 27-19-66.1, and apportioned vehicles shall not be issued decals specifying the month and year of expiration.

Any series of tags may be cancelled by the commissioner with the approval of the License Tag Commission and a new series of tags issued.

(2) (a) The license decals issued in lieu of the license tags shall indicate the month and the last two (2) figures of the year for which such license shall expire. The license decals shall be attached to the license tag of the motor vehicle or trailer, and when so attached shall be deemed to be the license tag for the ensuing registration year. The month and year decal shall be attached in an upright position in the lower right corner of the license tag. Decals specifying the month and year of expiration shall not be required to be attached to license tags on motor vehicles in a corporate fleet registered under Section 27-19-66, trailers in a fleet registered under Section 27-19-66.1, or apportioned vehicles.

Except as otherwise provided in this paragraph, the registration year shall be a period of one (1) year commencing on the first day of the month following the month in which the vehicle was acquired. Beginning October 1, 1982, original registrations of motor vehicles, except motor vehicles registered in excess of ten thousand (10,000) pounds gross vehicle weight, apportioned vehicles and buses, may be made and shall be prorated for a period of from six (6) to eleven (11) months according to regulations established by the Department of Revenue to reduce a disproportionate number of registrations for a particular month. Beginning July 1, 1995, original registrations and renewal registrations of motor vehicles in corporate fleets registered under Section 27-19-66, shall be prorated according to regulations established by the Department of Revenue so as to cause the registration of such fleet motor vehicles to coincide with the anniversary month for corporate fleets established by the Department of Revenue. Beginning July 1, 2011, original registrations and renewal registrations of trailers in trailer fleets registered under Section 27-19-66.1 shall be prorated according to regulations established by the Department of Revenue so as to cause the registration of such trailers to coincide with the anniversary month for trailer fleets established by the Department of Revenue. Where a vehicle is registered for a period less than twelve (12) months, the anniversary month shall be the month of the expiration of the original license tag.

Beginning July 1, 1996, original registrations and renewal registrations of motor vehicles in individual fleets registered under Section 27-19-66 shall be prorated according to regulations established by the Department of Revenue so as to cause the registration of such fleet motor vehicles to coincide with the anniversary month for individual fleets established by the county tax collector. Where a vehicle is registered for a period less than twelve (12) months, the anniversary month shall be the month of the expiration of the original license tag.

The Department of Revenue, with the approval of the License Tag Commission, shall so specify the area or areas on the license tag where the license decals shall be attached. The number of the license tag shall be written across its face, and the number of the tag shall represent the registration number; and upon all the tags for private passenger vehicles the word "MISSISSIPPI" shall be written across the top of the tag in capital letters sufficiently large to be easily read, but upon all other tags such word may be abbreviated. The number of the license tag shall not exceed seven (7) letters, numbers

or a combination of such letters and numbers. Also, on all tags sold and issued, an appropriate place will be provided thereon to place license decals indicating the expiration date of the tag. For the purposes of this section and Section 27-19-32, Mississippi Code of 1972, the term "decal," "decals" or "license decal" shall mean a tab, sticker or other similar device attached to a license tag which validates same for a stated period of time. One (1) license tag and up to two (2) license decals shall be furnished for all vehicles and shall be fastened immovably twelve (12) inches or more above the ground, at the rear of the vehicle under or over the rear light, with the number in upright position so that it will be plainly visible and legible at all times, and at night at a distance of sixty (60) feet. In the case of tractors or other motor vehicles drawing or pulling trailers, semitrailers or farm implements, the tag shall be fastened upon such vehicle twelve (12) inches or more above the ground, upon the front or back of such vehicle, with the number in an upright position. Such license plate, all characters and any legally affixed decals shall not be defaced, covered or obstructed from view by any object, decal, sticker, paint, marking or license plate bracket or holder. Any person who defaces, covers or obstructs any portion of a license tag with any sticker, decoration, paint, marking, license plate bracket or holder or any other thing or device, in such a manner that the characters and any legally affixed decals on the tag cannot be read, shall be guilty of a misdemeanor and, upon conviction, shall be punished by a fine of not more than Twenty-five Dollars (\$25.00). However, it shall not be unlawful for the county name to be partially or completely obstructed from view by any object, decal, sticker or license plate bracket or holder. Unless the license tag with current decals is fastened to the vehicle as herein provided, the said vehicle shall be regarded as operating without a license tag, and the owner or operator shall be liable for the penalties herein provided.

In addition to the above requirements, license tags for private passenger vehicles shall have a county designation thereon referencing the name of the county in which such vehicle is registered.

Law enforcement officers of this state shall remove from a motor vehicle or trailer any license tag and/or decals which are so defaced that proper identification cannot be reasonably made. The officer shall issue to the driver of such vehicle a tag permit which shall be valid for a period of five (5) days. Each person receiving such tag permit shall purchase, within five (5) days from the date of the issuance of the permit, a new tag and/or decals for the fee set forth in Section 27-19-37, Mississippi Code of 1972, for a substitute tag.

Any person who has a license tag or decals on a vehicle which may be so defaced that proper identification cannot be reasonably made may remove such and purchase another license tag and/or decals for the same fee required for a substitute tag. If any license tag shall deteriorate due to age so that identification cannot be reasonably made, the owner may surrender such tag to the issuing authority and be issued a new tag and like decals at no cost.

(b) Beginning January 1, 2024, an owner of a private carrier of passengers or motorcycle may choose a tag with a black background and a white pinstripe border. "Mississippi" shall be printed at the top, and the name of the county shall be printed at the bottom. The application and the additional fee of Thirty-eight Dollars and Twenty-five Cents (\$38.25), less Two Dollars (\$2.00) to be retained by the tax collector, shall be remitted to the department within seven (7) days of the date the application is made. The remaining Thirty-six Dollars and Twenty-five Cents (\$36.25) of the additional fee shall be deposited to the credit of the Law Enforcement Officers and Fire Fighters Death Benefits Trust Fund established in Section 45-2-1. In all other respects, tags issued under this paragraph (b) shall follow the guidelines for tags issued under paragraph (a) of this subsection.

(3) The Department of Revenue is authorized to promulgate appropriate rules and regulations to govern the use and display of license decals and to publish a summary thereof which shall be available to state officials and the public upon request.

The purchase of the license tag exceeding 80,000 gross vehicle weight is limited to the transport of products as provided for harvest permits as defined in Section 27-19-81(4). Such license tag shall be a "HP" license tag with weight allowance printed on the cab card only.

In addition to the above levied annual highway privilege tax on vehicles with a gross weight exceeding ten thousand (10,000) pounds, there is levied and shall be collected an additional privilege tax in the amount of One Thousand Eight Hundred Seventy-five Dollars (\$1,875.00) for each current or later year model vehicle based upon a licensed weight of eighty-four thousand (84,000) pounds. This additional privilege tax shall be reduced by the amount of One Hundred Seventy-five Dollars (\$175.00) for each year of age to a minimum of Fifty Dollars (\$50.00) and further reduced by the ratio of licensed weight to the maximum weight of eighty-four thousand (84,000) pounds. During the first year only, the privilege tax monies collected under the provisions of this paragraph shall be distributed to the various counties of the state on the basis of the ratio of the last year of annual ad valorem taxes collected by such counties on such vehicles to the total ad valorem taxes collected by all counties on such vehicles in the same year. In all subsequent years, the distribution to the counties shall be made on the basis of the ratio of the number of motor vehicles registered in excess of ten thousand (10,000) pounds, in each taxing district in each county, to the total number of such vehicles registered statewide. The counties shall then distribute these proceeds as they would if these collections were ad valorem taxes.

From the privilege tax monies collected under this section, Three Million Seven Hundred Thirty-two Thousand Four Hundred Three Dollars and Eleven Cents (\$3,732,403.11) shall be earmarked and set aside to be apportioned and paid to the counties of the state in the manner provided by Section 27-19-159, Mississippi Code of 1972. Any excess privilege tax monies collected under this section shall be deposited into the State Highway Fund for the construction, maintenance and reconstruction of highways and roads of the State of Mississippi or the payment of interest and principal on bonds authorized by the 1972 Regular Session of the Legislature for construction and reconstruction of highways.

No privilege license shall be issued for any period of time for less than One Dollar (\$1.00). Any person making application for the license tag under this section is required to sign an affidavit attesting to facts indicating the applicability of this section. Proof of

purchase of valid harvest permit for the vehicle must be presented at time of purchase of the license tag.

The annual highway privilege tax imposed on operators engaged exclusively in the transportation of household goods shall be the same as the tax imposed upon private commercial carriers by this section. In determining the amount of privilege taxes due under the provisions of this section, there shall be allowed a maximum tolerance of five hundred (500) pounds on all classes of carriers except carriers of liquefied compressed gases and in the case of carriers of liquefied compressed gases there shall be allowed a maximum tolerance of two thousand (2,000) pounds.

Any owner or operator who operates a motor vehicle on the public highways, with a license tag attached to it which was issued for another or different vehicle, shall be liable for the privilege tax on said vehicle for twelve (12) months plus a penalty thereon of twenty-five percent (25%).

Carriers of property duly registered and licensed in another state and being used to transport farm harvesting machinery or equipment to and from a particular county in this state may, upon adoption of a resolution by the board of supervisors of the county where such machinery or equipment is being exclusively used in harvesting farm crops within the county, be exempt from the taxes herein levied when the resolution is filed with the Department of Revenue. However, the exemption shall not exceed a period of forty (40) days for any annual period without a second resolution of approval by the board of supervisors who shall have the authority to extend the exemption not to exceed an additional period of twenty (20) days during any annual period.

A private commercial carrier of property hauling interstate may purchase a common and contract carrier of property license plate at the prescribed fee to allow the carrier to lease on a one-way basis per trip without qualifying with the Public Service Commission.

(2) Beginning January 1, 2024, an owner of a carrier of property whose gross vehicle weight does not exceed ten thousand (10,000) pounds may choose a license tag with a black background and a white pinstripe border. "Mississippi" shall be printed at the top, and the name of the county shall be printed at the bottom. The application and the additional fee of Thirty-eight Dollars and Twenty-five Cents (\$38.25), less Two Dollars (\$2.00) to be retained by the tax collector, shall be remitted to the department within seven (7) days of the date the application is made. The remaining Thirty-six Dollars and Twenty-five Cents (\$36.25) of the additional fee shall be deposited to the credit of the Law Enforcement Officers and Fire Fighters Death Benefits Trust Fund established in Section 45-2-1. In all other respects, tags issued under this subsection (2) shall follow the guidelines for tags issued under subsection (1) of this section.

SECTION 3. This act shall take effect and be in force from and after January 1, 2024, and shall stand repealed on December 31, 2023.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 27-19-31, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT AN OWNER OF A PRIVATE CARRIER OF PASSENGERS OR MOTORCYCLE MAY CHOOSE A REGULAR LICENSE TAG WITH A BLACK BACKGROUND AND A WHITE PINSTRIPE BORDER, WITH "MISSISSIPPI" PRINTED AT THE TOP AND THE NAME OF THE COUNTY PRINTED AT THE BOTTOM; TO PRESCRIBE AN ADDITIONAL FEE FOR THE ISSUANCE OF SUCH LICENSE TAG; TO PROVIDE FOR THE DISTRIBUTION OF THE ADDITIONAL FEE COLLECTED FROM THE ISSUANCE OF SUCH LICENSE TAG; TO AMEND SECTION 27-19-11, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT AN OWNER OF A CARRIER OF PROPERTY WHOSE GROSS VEHICLE WEIGHT DOES NOT EXCEED 10,000

AMENDMENT NO. 1:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) The provisions of this section shall apply to every section of this act that relates to the issuance of bonds unless otherwise provided in this act.

(2) As used in this act, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "State" means the State of Mississippi.

(b) "Commission" means the State Bond Commission.

(3) The principal of and interest on the bonds authorized under this act shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(4) The bonds authorized by this act shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(5) All bonds and interest coupons issued under the provisions of this act have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this act, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(6) The commission shall act as issuing agent for the bonds authorized under this act, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this act from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this act, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(7) The bonds issued under the provisions of this act are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(8) Upon the issuance and sale of bonds under the provisions of this act, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (1) of the applicable section of this act. The proceeds of such bonds shall be disbursed from the special fund under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(9) The bonds authorized under this act may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this act. Any resolution providing for the issuance of bonds under the provisions of this act shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(10) The bonds authorized under the authority of this act may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Title 31, Chapter 13, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(11) Any holder of bonds issued under the provisions of this act or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this act, or under such resolution, and may enforce and compel performance of all duties required by this act to be performed, in order to provide for the payment of bonds and interest thereon.

(12) All bonds issued under the provisions of this act shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(13) Bonds issued under the provisions of this act and income therefrom shall be exempt from all taxation in the State of Mississippi.

(14) The proceeds of the bonds issued under this act shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(15) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this act; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof. As used in this section, the "accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (a) the stated initial value of such bond, plus (b) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(16) This act shall be deemed to be full and complete authority for the exercise of the powers granted in this act that relate to the issuance of bonds, but this act shall not be deemed to repeal or to be in derogation of any existing law of this state that relates to the issuance of bonds.

SECTION 2. (1) (a) (i) A special fund, to be designated as the "2023 IHL Capital Improvements Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, with the approval of the Board of Trustees of State Institutions of Higher Learning on those projects related to the universities under its management and control to pay the costs of capital improvements, renovation and/or repair of existing facilities, furnishings and/or equipping facilities for public facilities as hereinafter described:

(b) (i) Amounts deposited into such special fund shall be disbursed to pay the costs of projects described in paragraph (a) of this subsection. If any monies in such special fund are not used within four (4) years after the date the proceeds of the bonds authorized under this section are deposited into the special fund, then the institution of higher learning for which any unused monies are allocated under paragraph (a) of this subsection shall provide an accounting of such unused monies to the commission. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(ii) Monies in the special fund may be used to reimburse reasonable actual and necessary costs incurred by the Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, in administering or providing assistance directly related to a project described in paragraph (a) of this subsection. An accounting of actual costs incurred for which reimbursement is sought shall be maintained for each project by the Department of Finance and Administration, Bureau of Building, Grounds and Real Property Management. Reimbursement of reasonable actual and necessary costs for a project shall not exceed two percent (2%) of the proceeds of bonds issued for such project. Monies authorized for a particular project may not be used to reimburse administrative costs for unrelated projects.

(c) The Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, is expressly authorized and empowered to receive and expend any local or other source funds in connection with the expenditure of funds provided for in this subsection. The expenditure of monies deposited into the special fund shall be under the direction of the Department of Finance and Administration, and such funds shall be paid by the State Treasurer upon warrants issued

by such department, which warrants shall be issued upon requisitions signed by the Executive Director of the Department of Finance and Administration, or his designee.

(d) Any amounts allocated to an institution of higher learning that are in excess of that needed to complete the projects at such institution of higher learning that are described in paragraph (a) of this subsection may be used for general repairs and renovations at the institution of higher learning.

(2) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (1) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this section, the department shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission is authorized to proceed under the provisions of Section 1(6) of this act. The total amount of bonds issued under this section shall not exceed Twenty-two Dollars (\$22.00). No bonds shall be issued under this section after July 1, 2027.

(b) Any investment earnings on amounts deposited into the special fund created in subsection (1) of this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(3) The provisions of Section 1 of this act shall apply to the issuance of bonds authorized under this section.

If any monies in such special fund are not used within four (4) years after the date the proceeds of the bonds authorized under this section are deposited into the special fund, then the institution of higher learning for which any unused monies are allocated under paragraph (a) of this subsection shall provide an accounting of such unused monies to the commission. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(ii) Monies in the special fund may be used to reimburse reasonable actual and necessary costs incurred by the Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, in administering or providing assistance directly related to a project described in paragraph (a) of this subsection. An accounting of actual costs incurred for which reimbursement is sought shall be maintained for each project by the Department of Finance and Administration, Bureau of Building, Grounds and Real Property Management. Reimbursement of reasonable actual and necessary costs for a project shall not exceed two percent (2%) of the proceeds of bonds issued for such project. Monies authorized for a particular project may not be used to reimburse administrative costs for unrelated projects.

(c) The Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, is expressly authorized and empowered to receive and expend any local or other source funds in connection with the expenditure of funds provided for in this subsection. The expenditure of monies deposited into the special fund shall be under the direction of the Department of Finance and Administration, and such funds shall be paid by the State Treasurer upon warrants issued by such department, which warrants shall be issued upon requisitions signed by the Executive Director of the Department of Finance and Administration, or his designee.

(d) Any amounts allocated to an institution of higher learning that are in excess of that needed to complete the projects at such institution of higher learning that are described in paragraph (a) of this subsection may be used for general repairs and renovations at the institution of higher learning.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this section, the Department of Finance and Administration shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed Eighty-six Million Three Hundred Seventy-five Thousand Dollars (\$86,375,000.00). No bonds shall be issued under this section after July 1, 2025.

(b) Any investment earnings on amounts deposited into the special fund created in subsection (2) of this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(4) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be

payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(5) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(6) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(7) The commission shall act as issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(8) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special funds created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(10) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall

become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(11) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Title 31, Chapter 13, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 7. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bonds means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) The Commission on Environmental Quality, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for the Water Pollution Control Revolving Fund established in Section 49-17-85, Mississippi Code of 1972. Upon the adoption of a resolution by the Commission on Environmental Quality declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the Commission on Environmental Quality shall deliver a certified copy of its resolution or resolutions to the commission; however, the Commission on Environmental Quality shall declare the necessity for the issuance of bonds only in the amount necessary to match projected federal funds available through the following federal fiscal year from the annual Clean Water State Revolving Fund (CWSRF) appropriations and from the supplemental Infrastructure Investment and Jobs Act (IIJA) appropriations. Upon receipt of such resolution, the commission, in its discretion, may act as the issuing agent,

prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed One Dollar (\$1.00).

(b) The proceeds of bonds issued pursuant to this subsection shall be deposited into the Water Pollution Control Revolving Fund created pursuant to Section 49-17-85, Mississippi Code of 1972.

(3) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this section. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(4) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(5) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(6) The commission shall act as the issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If the bonds are to be sold on sealed bids at public sale, notice of the sale of any such bonds shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(7) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. Interest and investment earnings on money in the Water Pollution Control Revolving Fund shall be utilized to pay the principal and

interest on such bonds as they become due. If the interest and investment earnings of the fund and any funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this section.

(8) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the Water Pollution Control Revolving Fund created in Section 49-17-85, Mississippi Code of 1972. After the transfer of the proceeds of any such sale or sales to the Water Pollution Control Revolving Fund, any investment earnings or interest earned on the proceeds of such bonds shall be deposited to the credit of the Water Pollution Control Revolving Fund and shall be used only for the purposes provided in Section 49-17-85, Mississippi Code of 1972. The proceeds of such bonds shall be disbursed solely upon the order of the Commission on Environmental Quality under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(9) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(10) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(11) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(12) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(13) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(14) The proceeds of the bonds issued under this section shall be used solely for the purposes therein provided, including the costs incident to the issuance and sale of such bonds.

(15) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(16) This section shall be deemed to be full and complete authority for the exercise of the powers therein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 8. Section 49-17-85, Mississippi Code of 1972, is amended as follows:

49-17-85. (1) There is established in the State Treasury a fund to be known as the "Water Pollution Control Revolving Fund," which shall be administered by the commission acting through the department. The revolving fund may receive bond proceeds and funds appropriated or otherwise made available by the Legislature in any manner and funds from any other source, public or private. The revolving fund shall be maintained in perpetuity for the purposes established in this section.

(2) There is established in the State Treasury a fund to be known as the "Water Pollution Control Hardship Grants Fund," which shall be administered by the commission acting through the department. The grants fund shall be maintained in perpetuity for the purposes established in this section. Any interest earned on monies in the grants fund shall be credited to that fund.

(3) The commission shall promulgate regulations for the administration of the revolving fund program, the hardship grants program and for related programs authorized under this section. The regulations shall be in accordance with the federal Water Quality Act of 1987, as amended, and regulations and guidance issued under that act. The commission may enter into capitalization grant agreements with the United States Environmental Protection Agency and may accept capitalization grant awards made under Title VI of the Water Quality Act of 1987, as amended.

(4) The commission shall establish a loan program which shall commence after October 1, 1988, to assist political subdivisions in the construction of water pollution control projects. Loans from the revolving fund may be made to political subdivisions as set forth in a loan agreement in amounts not exceeding one hundred percent (100%) of eligible project costs as established by the commission. Notwithstanding loan amount limitations set forth in Section 49-17-61, the commission may require local participation or funding from other sources, or otherwise limit the percentage of costs covered by loans from the revolving fund. The commission may establish a maximum amount for any loan in order to provide for broad and equitable participation in the program.

(5) The commission shall establish a hardship grants program for rural communities, which shall commence after July 1, 1997, to assist severely economically disadvantaged small rural political subdivisions in the construction of water pollution control projects. The commission may receive and administer state or federal funds, or both, appropriated for the operation of this grants program and may take all actions necessary to implement the program in accordance with the federal hardship grants program. The hardship grants program shall operate in conjunction with the revolving loan program administered under this section.

(6) The commission shall act for the state in all matters and with respect to all determinations under Title VI of the federal Water Quality Act of 1987, as amended, and the federal Omnibus Appropriations and Recision Act of 1996.

(7) Except as otherwise provided in this section, the revolving fund may be used only:

(a) To make loans on the condition that:

(i) The loans are made at or below market interest rates, at terms not to exceed the maximum time allowed by federal law after project completion; the interest rate and term may vary from time to time and from loan to loan at the discretion of the commission;

(ii) Periodic principal and interest payments will commence when required by the commission but not later than one (1) year after project completion and all loans will be fully amortized when required by the commission but not later than the maximum time allowed by federal law after project completion;

(iii) The recipient of a loan will establish a dedicated source of revenue for repayment of loans;

(b) To buy or refinance the debt obligation of political subdivisions at or below market rates, where the debt obligations were incurred after March 7, 1985, and where the projects were constructed in compliance with applicable federal and state regulations;

(c) To guarantee, or purchase insurance for, obligations of political subdivisions where the action would improve credit market access or reduce interest rates;

- (d) To provide loan guarantees for similar revolving funds established by municipalities or intermunicipal agencies;
- (e) To earn interest on fund accounts;
- (f) To establish nonpoint source pollution control management programs;
- (g) To establish estuary conservation and management programs;
- (h) For the reasonable costs of administering the revolving fund and conducting activities under this act, subject to the limitations established in Section 603(d)(7) of Title VI of the federal Clean Water Act, as amended, and subject to annual appropriation by the Legislature;
- (i) In connection with the issuance, sale and purchase of bonds under Section 31-25-1 et seq., related to the funding of projects, to provide security or a pledge of revenues for the repayment of the bonds; and
- (j) To pay the principal and interest on bonds issued pursuant to Section 11 of Chapter 580, Laws of 2007, Section 1 of Chapter 492, Laws of 2008, Section 47 of Chapter 557, Laws of 2009, Section 45 of Chapter 533, Laws of 2010, Section 3 of Chapter 480, Laws of 2011, Section 36 of Chapter 569, Laws of 2013, Section 9 of Chapter 452, Laws of 2018, Section 1 of Chapter 415, Laws of 2019, Section 16 of Chapter 492, Laws of 2020, * * * Section 137 of Chapter 480, Laws of 2021, and Section 7 of this act, as they become due; however, only interest and investment earnings on money in the fund may be utilized for this purpose.

(8) The hardship grants program shall be used only to provide hardship grants consistent with the federal hardship grants program for rural communities, regulations and guidance issued by the United States Environmental Protection Agency, subsections (3) and (5) of this section and regulations promulgated and guidance issued by the commission under this section.

(9) The commission shall establish by regulation a system of priorities and a priority list of projects eligible for funding with loans from the revolving fund.

(10) The commission may provide a loan from the revolving fund only with respect to a project if that project is on the priority list established by the commission.

(11) The revolving fund shall be credited with all payments of principal and interest derived from the fund uses described in subsection (7) of this section. However, notwithstanding any other provision of law to the contrary, all or any portion of payments of principal and interest derived from the fund uses described in subsection (7) of this section may be designated or pledged for repayment of a loan as provided in Section 31-25-28 in connection with a loan from the Mississippi Development Bank.

(12) The commission may establish and collect fees to defray the reasonable costs of administering the revolving fund if it determines that the administrative costs will exceed the limitations established in Section 603(d)(7) of Title VI of the federal Clean Water Act, as amended. The administration fees may be included in loan amounts to political subdivisions for the purpose of facilitating payment to the commission. The fees may not exceed five percent (5%) of the loan amount.

(13) Except as otherwise provided in this section, the commission may, on a case-by-case basis and to the extent allowed by federal law, renegotiate the payment of principal and interest on loans made under this section to the six (6) most southern counties of the state covered by the Presidential Declaration of Major Disaster for the State of Mississippi (FEMA-1604-DR) dated August 29, 2005, and to political subdivisions located in such counties; however, the interest on the loans shall not be forgiven for a period of more than twenty-four (24) months and the maturity of the loans shall not be extended for a period of more than forty-eight (48) months.

(14) The commission may, on a case-by-case basis and to the extent allowed by federal law, renegotiate the payment of principal and interest on loans made under this section to Hancock County as a result of coverage under the Presidential Declaration of Major Disaster for the State of Mississippi (FEMA-1604-DR) dated August 29, 2005, and to political subdivisions located in Hancock County.

SECTION 11. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bonds means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for the Mississippi Community Heritage Preservation Grant Fund created pursuant to Section 39-5-145, Mississippi Code of 1972. Upon the adoption of a resolution by the Department of Finance and Administration declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this section, the Department of Finance and Administration shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as the issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed One Dollar (\$1.00). No bonds authorized under this section shall be issued after July 1, 2027.

(b) The proceeds of bonds issued pursuant to this section shall be deposited into the Mississippi Community Heritage Preservation Grant Fund created pursuant to Section 39-5-145, Mississippi Code of 1972. Any investment earnings on bonds issued pursuant to this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(3) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this section. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(4) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(5) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(7) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this section.

(8) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the Mississippi Community Heritage Preservation Grant Fund created in Section 39-5-145, and the proceeds of such bonds shall be disbursed for the purposes provided in Section 39-5-145, Mississippi Code of 1972.

The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(11) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(12) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(13) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(14) The proceeds of the bonds issued under this section shall be used solely for the purposes therein provided, including the costs incident to the issuance and sale of such bonds.

(16) This section shall be deemed to be full and complete authority for the exercise of the powers therein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

(3) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(4) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(5) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(6) The commission shall act as the issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission shall sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If the bonds are to be sold on sealed bids at public sale, notice of the sale of any such bonds shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(7) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(8) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the ACE Fund created in Section 57-1-16. The proceeds of such bonds shall be disbursed solely upon the order of the Mississippi Development Authority under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(9) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(10) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(11) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(12) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(13) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(14) The proceeds of the bonds issued under this section shall be used solely for the purposes therein provided, including the costs incident to the issuance and sale of such bonds.

(15) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(16) This section shall be deemed to be full and complete authority for the exercise of the powers therein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 15. Section 6, Chapter 492, Laws of 2020, which authorizes the issuance of state general obligation bonds in the amount of Ten Million Dollars (\$10,000,000.00) for the ACE Fund created in Section 57-1-16, is repealed.

SECTION 16. There is created in the State Treasury a special fund designated as the "2023 ACE Fund Supplementary Fund." The fund shall be maintained by the State Treasurer as a separate and special fund, apart from the State General Fund. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited to the credit of the special fund. Monies deposited into the fund shall be used for supplementing the ACE Fund created in Section 57-1-16 to reimburse reasonable actual and necessary costs incurred by the Mississippi Development Authority for the administration of the various grant, loan and financial incentive programs it administers.

SECTION 17. Upon the effective date of this act, the State Fiscal Officer shall transfer the sum of Thirty-one Million Dollars (\$31,000,000.00) from the Capital Expense Fund to the 2023 ACE Fund Supplementary Fund created in Section 16 of this act.

Upon receipt of the certificate, the commission, in its discretion, may act as the issuing agent, prescribe the form of the bonds, advertise for and accept bids, issue and sell the bonds so authorized to be sold and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(ii) Monies in the special fund may be used to reimburse reasonable actual and necessary costs incurred by the Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, in administering or providing assistance directly related to a project described in paragraph (a) of this subsection. An accounting of actual costs incurred for which reimbursement is sought shall be maintained for each project by the Department of Finance and Administration, Bureau of Building, Grounds and Real Property Management. Reimbursement of reasonable actual and necessary costs for a project shall not exceed two percent (2%) of the proceeds of bonds issued for such project. Monies authorized for a particular project may not be used to reimburse administrative costs for unrelated projects.

(c) The Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, is expressly authorized and empowered to receive and expend any local or other source funds in connection with the expenditure of funds provided for in this subsection. The expenditure of monies deposited into the special fund shall be under the direction of the Department of Finance and Administration, and such funds shall be paid by the State Treasurer upon warrants issued by such department, which warrants shall be issued upon requisitions signed by the Executive Director of the Department of Finance and Administration, or his designee.

(d) Any amounts allocated to an institution of higher learning that are in excess of that needed to complete the projects at such institution of higher learning that are described in paragraph (a) of this subsection may be used for general repairs and renovations at the institution of higher learning.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this section, the Department of Finance and Administration shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things

necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed * * * Eighty-five Million Three Hundred Eighty Thousand Dollars (\$85,380,000.00). No bonds shall be issued under this section after July 1, 2023.

The fund shall be maintained for such period as determined by the State Bond Commission for the sole purpose of making additional loans as authorized by Section 57-75-11(hh). (3) The Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, is expressly authorized and empowered to receive and expend any local or other source funds in connection with the expenditure of funds provided for in this section. The expenditure of monies deposited into the special fund shall be under the direction of the Department of Finance and Administration, and such funds shall be paid by the State Treasurer upon warrants issued by such department, which warrants shall be issued upon requisitions signed by the Executive Director of the Department of Finance and Administration, or his designee.

Section 3. (1) (a) A special fund, to be designated as the "Pat Harrison Waterway District Lake Improvements Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts

(b) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, to:

(i) Assist the Pat Harrison Waterway District in paying the costs associated with construction of a lake in George County, Mississippi, (including, but not limited to, construction of dams, drainage structures and spillways related to such lake), and construction of facilities, buildings, day use areas, campsites, infrastructure, utilities, roads, boat ramps and parking for such lake; and

(ii) Assist the Pat Harrison Waterway District in paying expenses incurred by the district for administrative, management, legal, accounting, engineering and other costs associated with the implementation of this section. Funds provided to the Pat Harrison Waterway District under this subparagraph (ii) shall not exceed three percent (3%) of the amount of bond proceeds deposited into the special fund.

(2) Amounts deposited into such special fund shall be disbursed to pay the costs of the projects described in subsection (1) of this section. Promptly after the commission has certified, by resolution duly adopted, that the projects described in subsection (1) of this section shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this act, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(3) The Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, is expressly authorized and empowered to receive and expend any local or other source funds in connection with the expenditure of funds provided for in this section. The expenditure of monies deposited into the special fund shall be under the direction of the Department of Finance and Administration, and such funds shall be paid by the State Treasurer upon warrants issued by such department, which warrants shall be issued upon requisitions signed by the Executive Director of the Department of Finance and Administration, or his designee.

Section 4. (1) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in Sections 2 and 3 of this act. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this section, the Department of Finance and Administration shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as the issuing agent, prescribe the form of the bonds, determine the appropriate method for the sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this act shall not exceed * * * Fifteen Million Nine Hundred Six Thousand Three Hundred Seventy-three Dollars (\$15,906,373.00).

(2) The proceeds of the bonds issued pursuant to this act shall be deposited into the following special funds in not more than the following amounts:

(3) Any investment earnings on amounts deposited into the special funds created in Sections 2 and 3 of this act shall be used to pay debt service on bonds issued under this act, in accordance with the proceedings authorizing issuance of such bonds.

Section 5. The principal of and interest on the bonds authorized under this act shall be payable in the manner provided in this section. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or

rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

Section 6. The bonds authorized by this act shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

Section 7. All bonds and interest coupons issued under the provisions of this act have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this act, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

Section 8. The commission shall act as the issuing agent for the bonds authorized under this act, prescribe the form of the bonds, determine the appropriate method for the sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this act from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If the bonds are to be sold on sealed bids at public sale, notice of the sale of any such bond shall be published at least one (1) time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, to be selected by the commission.

The commission, when issuing any bonds under the authority of this act, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

Section 9. The bonds issued under the provisions of this act are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this section.

Section 10. Upon the issuance and sale of bonds under the provisions of this act, the commission shall transfer the proceeds of any such sale or sales to the special funds created in Sections 2 and 3 of this act in the amounts provided for in Section 4(2) of this act. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

Section 11. The bonds authorized under this act may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this act. Any resolution providing for the issuance of bonds under the provisions of this act shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

Section 12. The bonds authorized under the authority of this act may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

Section 13. Any holder of bonds issued under the provisions of this act or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this act, or under such resolution, and may enforce and compel performance of all duties required by this act to be performed, in order to provide for the payment of bonds and interest thereon.

Section 14. All bonds issued under the provisions of this act shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

Section 15. Bonds issued under the provisions of this act and income therefrom shall be exempt from all taxation in the State of Mississippi.

Section 16. The proceeds of the bonds issued under this act shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

Section 17. The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this act; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

Section 18. This act shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this act shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 31. Section 3, Chapter 580, Laws of 2007, which authorizes state general obligation bonds in the amount of Four Million Dollars (\$4,000,000.00) to be issued for the Grand Gulf Access Road Construction Fund, to be spent under the direction of the Mississippi Transportation Commission, is repealed.

SECTION 32. There is created in the State Treasury a special fund designated as the "2023 MDOT Road Construction Fund." The fund shall be maintained by the State Treasurer as a separate and special fund, apart from the State General Fund. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited to the credit of the special fund. Monies deposited into the fund shall be disbursed, in the discretion of the Mississippi Department of Transportation, to assist in paying the costs of the Grand Gulf Access Road Project.

SECTION 33. Upon the effective date of this act, the State Fiscal Officer shall transfer the sum of Four Million Dollars (\$4,000,000.00) from the Capital Expense Fund to the 2023 MDOT Road Construction Fund created in Section 32 of this act.

A taxpayer claiming a credit under this paragraph (a) may not claim a credit under paragraph (b) of this subsection for the adoption of the same child.

(b) There shall be allowed as a credit against the tax imposed by this chapter the amount of Five Thousand Dollars (\$5,000.00) for each dependent child legally adopted by a taxpayer under the laws of this state through the Mississippi Department of Child Protection Services during calendar year 2018 or during any calendar year thereafter. A taxpayer claiming a credit under this paragraph (b) may not claim a credit under paragraph (a) of this subsection for the adoption of the same child.

(2) The tax credit under this section may be claimed for the taxable year in which the adoption becomes final under the laws of this state. Any tax credit claimed under this section but not used in any taxable year may be carried forward for the five (5) succeeding tax years. A tax credit is allowed under this section for any child for which an exemption is claimed during the same taxable year under Section 27-7-21(e). For the purposes of this section, the term "qualified adoption expenses" means and has the same definition as that term has in 26 USCS 36C.

[From and after January 1, 2024, this section shall read as follows:]

27-7-22.32. There shall be allowed as a credit against the tax imposed by this chapter the amount of the qualified adoption expenses paid or incurred, not to exceed Two Thousand Five Hundred Dollars (\$2,500.00), for each dependent child legally adopted by a taxpayer under the laws of this state during calendar year 2006 or during any calendar year thereafter. The tax credit under this section may be claimed for the taxable year in which the adoption becomes final under the laws of this state. Any tax credit claimed under this section but not used in any taxable year may be carried forward for the three (3) succeeding tax years. A tax credit is allowed under this section for any child for which an exemption is claimed during the same taxable year under Section 27-7-21(e). For the purposes of this section, the term "qualified adoption expenses" means and has the same definition as that term has in 26 USCS 36C.

SECTION 35. Section 27-7-22.39, Mississippi Code of 1972, is brought forward as follows:

27-7-22.39. (1) As used in this section:

(a) "Low-income residents" means persons whose household income is less than one hundred fifty percent (150%) of the federal poverty level.

(b) "Qualifying charitable organization" means a charitable organization that is exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code or is a designated community action agency that receives community services block grant program monies pursuant to 42 USC 9901. The organization must spend at least fifty percent (50%) of its budget on services to residents of this state who receive temporary assistance for needy families benefits or low-income residents of this state and their households or to children who have a chronic illness or physical, intellectual, developmental or emotional disability who are residents of this state. A charitable organization that is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and that meets all other requirements of this paragraph except that it does not spend at least fifty percent (50%) of its overall budget in Mississippi may be a qualifying charitable organization if it spends at least fifty percent (50%) of its Mississippi budget on services to qualified individuals in Mississippi and it certifies to the department that one hundred percent (100%) of the voluntary cash contributions from the taxpayer will be spent on services to qualified individuals in Mississippi. Taxpayers choosing to make donations through an umbrella charitable organization that collects donations on behalf of member charities shall designate that the donation be directed to a member charitable organization that would qualify under this section on a stand-alone basis. Qualifying charitable organization does not include

any entity that provides, pays for or provides coverage of abortions or that financially supports any other entity that provides, pays for or provides coverage of abortions.

(c) "Qualifying foster care charitable organization" means a qualifying charitable organization that each operating year provides services to at least one hundred (100) qualified individuals in this state and spends at least fifty percent (50%) of its budget on services to qualified individuals in this state. A charitable organization that is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and that meets all other requirements of this paragraph except that it does not spend at least fifty percent (50%) of its overall budget in Mississippi may be a qualifying foster care charitable organization if it spends at least fifty percent (50%) of its Mississippi budget on services to qualified individuals in Mississippi and it certifies to the department that one hundred percent (100%) of the voluntary cash contributions from the taxpayer will be spent on services to qualified individuals in Mississippi. For the purposes of this paragraph, "qualified individual" means a child in a foster care placement program established by the Department of Child Protection Services, a child placed under the Safe Families for Children model, or a child at significant risk of entering a foster care placement program established by the Department of Child Protection Services.

(d) "Services" means:

(i) Cash assistance, medical care, child care, food, clothing, shelter, and job-placement services or any other assistance that is reasonably necessary to meet immediate basic needs and that is provided and used in this state;

(ii) Job-training or education services or funding for parents, foster parents or guardians; or (iii) Job-training or education services or funding provided as part of a foster care independent living program.

(2) Except as provided in subsections (3) and (4) of this section, a credit is allowed against the taxes imposed by this chapter for voluntary cash contributions by the taxpayer during the taxable year to a qualifying charitable organization, other than a qualifying foster care charitable organization, not to exceed:

(a) the lesser of Four Hundred Dollars (\$400.00) or the amount of the contribution in any taxable year for a single individual or a head of household.

(b) The lesser of Eight Hundred Dollars (\$800.00) or the amount of the contribution in any taxable year for a married couple filing a joint return.

(3) A separate credit is allowed against the taxes imposed by this chapter for voluntary cash contributions during the taxable year to a qualifying foster care charitable organization. A contribution to a qualifying foster care charitable organization does not qualify for, and shall not be included in, any credit amount under subsection (2) of this section. If the voluntary cash contribution by the taxpayer is to a qualifying foster care charitable organization, the credit shall not exceed:

(a) the lesser of Five Hundred Dollars (\$500.00) or the amount of the contribution in any taxable year for a single individual or a head of household.

(b) The lesser of One Thousand Dollars (\$1,000.00) or the amount of the contribution in any taxable year for a married couple filing a joint return.

(4) Subsections (2) and (3) of this section provide separate credits against taxes imposed by this chapter depending on the recipients of the contributions. A taxpayer, including a married couple filing a joint return, in the same taxable year, may either or both:

(a) Contribute to a qualifying charitable organization, other than a qualifying foster care charitable organization, and claim a credit under subsection (2) of this section.

(b) Contribute to a qualifying foster care charitable organization and claim a credit under subsection (3) of this section.

(5) A husband and wife who file separate returns for a taxable year in which they could have filed a joint return may each claim only one-half (1/2) of the tax credit that would have been allowed for a joint return.

(6) If the allowable tax credit exceeds the taxes otherwise due under this chapter on the claimant's income, or if there are no taxes due under this chapter, the taxpayer may carry forward the amount of the claim not used to offset the taxes under this chapter for not more than five (5) consecutive taxable years' income tax liability.

(7) The credit allowed by this section is in lieu of a deduction pursuant to Section 170 of the Internal Revenue Code and taken for state tax purposes.

(8) Taxpayers taking a credit authorized by this section shall provide the name of the qualifying charitable organization and the amount of the contribution to the department on forms provided by the department.

(9) A qualifying charitable organization shall provide the department with a written certification that it meets all criteria to be considered a qualifying charitable organization. The organization shall also notify the department of any changes that may affect the qualifications under this section.

(10) The charitable organization's written certification must be signed by an officer of the organization under penalty of perjury. The written certification shall include the following:

(a) Verification of the organization's status under Section 501(c)(3) of the Internal Revenue Code or verification that the organization is a designated community action agency that receives community services block grant program monies pursuant to 42 USC 9901.

(b) Financial data indicating the organization's budget for the organization's prior operating year and the amount of that budget spent on services to residents of this state who either:

(i) Receive temporary assistance for needy families benefits;

(ii) Are low-income residents of this state;

(iii) Are children who have a chronic illness or physical, intellectual, developmental or emotional disability; or

(iv) Are children in a foster care placement program established by the Department of Child Protection Services, children placed under the Safe Families for Children model or children at significant risk of entering a foster care placement program established by the Department of Child Protection Services.

(c) A statement that the organization plans to continue spending at least fifty percent (50%) of its budget on services to residents of this state who receive temporary assistance for needy families benefits, who are low-income residents of this state, who are children who have a chronic illness or physical, intellectual, developmental or emotional disability or who are children in a foster care placement program established by the Department of Child Protection Services, children placed under the Safe Families for Children model or children at significant risk of entering a foster care placement program established by the Department of Child Protection Services. A charitable organization that is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and that meets all other requirements for a qualifying charitable organization or qualifying foster care charitable organization except that it does not spend at least fifty percent (50%) of its overall budget in Mississippi shall submit a statement that it spends at least fifty percent (50%) of its Mississippi budget on services to qualified individuals in Mississippi and that one hundred percent (100%) of the voluntary cash contributions it receives from Mississippi taxpayers will be spent on services to qualified individuals in Mississippi.

(d) In the case of a foster care charitable organization, a statement that each operating year it provides services to at least one hundred (100) qualified individuals in this state.

(e) A statement that the organization does not provide, pay for or provide coverage of abortions and does not financially support any other entity that provides, pays for or provides coverage of abortions.

(f) Any other information that the department requires to administer this section.

(11) The department shall review each written certification and determine whether the organization meets all the criteria to be considered a qualifying charitable organization and notify the organization of its determination. The department may also periodically request recertification from the organization. The department shall compile and make available to the public a list of the qualifying charitable organizations.

(12) The aggregate amount of tax credits that may be awarded under this section in any calendar year shall not exceed Three Million Dollars (\$3,000,000.00). However, for calendar year 2021, and for each calendar year thereafter, the aggregate amount of

tax credits that may be awarded under this section in any calendar year shall not exceed One Million Dollars (\$1,000,000.00). In addition, any tax credits not awarded under this section before June 1, 2020, may be allocated during calendar year 2020 under Section 27-7-22.41 for contributions by taxpayers to eligible charitable organizations described in Section

27-7-22.41(1)(b)(ii) as provided under such section, notwithstanding any limitation on the percentage of tax credits that may be allocated for such contributions.

(13) A taxpayer shall apply for credits with the department on forms prescribed by the department. In the application the taxpayer shall certify to the department the dollar amount of the contributions made or to be made during the calendar year. Within thirty (30) days after the receipt of an application, the department shall allocate credits based on the dollar amount of contributions as certified in the application. However, if the department cannot allocate the full amount of credits certified in the application due to the limit on the aggregate amount of credits that may be awarded under this section in a calendar year, the department shall so notify the applicant within thirty (30) days with the amount of credits, if any, that may be allocated to the applicant in the calendar year. Once the department has allocated credits to a taxpayer, if the contribution for which a credit is allocated has not been made as of the date of the allocation, then the contribution must be made not later than sixty (60) days from the date of the allocation. If the contribution is not made within such time period, the allocation shall be cancelled and returned to the department for reallocation. Upon final documentation of the contributions, if the actual dollar amount of the contributions is lower than the amount estimated, the department shall adjust the tax credit allowed under this section.

(14) This section shall be repealed from and after January 1, 2025.

Except as otherwise provided in this section, a credit is allowed against the taxes imposed by Sections 27-7-5, 27-15-103, 27-15-109 and 27-15-123, for voluntary cash contributions made by a taxpayer during the taxable year to an eligible

charitable organization. From and after January 1, 2022, for a taxpayer that is not operating as a corporation, a credit is also allowed against ad valorem taxes assessed and levied on real property for voluntary cash contributions made by the taxpayer during the taxable year to an eligible charitable organization. The amount of credit that may be utilized by a taxpayer in a taxable year shall be limited to (i) an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for the taxes imposed by such sections of law and (ii) an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for ad valorem taxes assessed and levied on real property. Any tax credit claimed under this section but not used in any taxable year may be carried forward for five (5) consecutive years from the close of the tax year in which the credits were earned.

(8) (a) A taxpayer shall apply for credits with the department on forms prescribed by the department. In the application the taxpayer shall certify to the department the dollar amount of the contributions made or to be made during the calendar year. Within thirty (30) days after the receipt of an application, the department shall allocate credits based on the dollar amount of contributions as certified in the application. Once the department has allocated credits to a taxpayer, if the contribution for which a credit is allocated has not been made as of the

date of the allocation, then the contribution must be made not later than sixty (60) days from the date of the allocation. If the contribution is not made within such time period, the allocation shall be cancelled and returned to the department for reallocation. Upon final documentation of the contributions, if the actual dollar amount of the contributions is lower than the amount estimated, the department shall adjust the tax credit allowed under this section.

(b) A taxpayer who applied for a tax credit under this section during calendar year 2020, but who was unable to be awarded the credit due to the limit on the aggregate amount of credits authorized for calendar year 2020, shall be given priority for tax credits authorized to be allocated to taxpayers under this section by Section 27-7-22.39.

(c) For the purposes of using a tax credit against ad valorem taxes assessed and levied on real property, a taxpayer shall present to the appropriate tax collector the tax credit documentation provided to the taxpayer by the Department of Revenue, and the tax collector shall apply the tax credit against such ad valorem taxes. The tax collector shall forward the tax credit documentation to the Department of Revenue along with the amount of the tax credit applied against ad valorem taxes, and the department shall disburse funds to the tax collector for the amount of the tax credit applied against ad valorem taxes. Such payments by the Department of Revenue shall be made from current tax collections.

(9) The aggregate amount of tax credits that may be allocated by the department under this section during a calendar year shall not exceed Five Million Dollars (\$5,000,000.00), and not more than fifty percent (50%) of tax credits allocated during a calendar year may be allocated for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section. However, for calendar year 2021, the aggregate amount of tax credits that may be allocated by the department under this section during a calendar year shall not exceed Ten Million Dollars (\$10,000,000.00), for calendar year 2022, the aggregate amount of tax credits that may be allocated by the department under this section during a calendar year shall not exceed Sixteen Million Dollars (\$16,000,000.00), and for calendar year 2023, and for each calendar year thereafter, the aggregate amount of tax credits that may be allocated by the department under this section during a calendar year shall not exceed Eighteen Million Dollars (\$18,000,000.00). For calendar year 2021, and for each calendar year thereafter, fifty percent (50%) of the tax credits allocated during a calendar year shall be allocated for contributions to eligible charitable organizations described in subsection (1)(b)(i) of this section and fifty percent (50%) of the tax credits allocated during a calendar year shall be allocated for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section. For calendar year 2021, and for each calendar year thereafter, for credits allocated during a calendar year for contributions to eligible charitable organizations described in subsection (1)(b)(i) of this section, no more than twenty-five percent (25%) of such credits may be allocated for contributions to a single eligible charitable organization. Except as otherwise provided in this section, for calendar year 2021, and for each calendar year thereafter, for credits allocated during a calendar year for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section, no more than four and one-half percent (4-1/2%) of such credits may be allocated for contributions to a single eligible charitable organization.

SECTION 37. Section 27-7-22.43, Mississippi Code of 1972, is brought forward as follows:

27-7-22.43. (1) This section shall be known and may be cited as the "Pregnancy Resource Act."

(2) For the purposes of this section, the following words and phrases shall have the meanings ascribed in this section unless the context clearly indicates otherwise:

(a) "Department" means the Department of Revenue.

(b) "Eligible charitable organization" means an organization that is exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code and is a pregnancy resource center or crisis pregnancy center eligible to receive funding disbursed by the Choose Life Advisory Committee under Section 27-19-56.70, 27-19-56.277 and/or 27-19-56.412.

(3) (a) The tax credit authorized in this section shall be available only to a taxpayer who is a business enterprise engaged in commercial, industrial or professional activities and operating as a corporation, limited liability company, partnership or sole proprietorship. Except as otherwise provided in this section, a credit is allowed against the taxes imposed by Sections 27-7-5, 27-15-103, 27-15-109 and 27-15-123, for voluntary cash contributions made by a taxpayer during the taxable year to an eligible charitable organization. For a taxpayer that is not operating as a corporation, a credit is also allowed against ad valorem taxes assessed and levied on real property for voluntary cash contributions made by the taxpayer during the taxable year to an eligible charitable organization. The amount of credit that may be utilized by a taxpayer in a taxable year shall be limited to (i) an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for the taxes imposed by such sections of law and (ii) an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for ad valorem taxes assessed and levied on real property. Any tax credit claimed under this section but not used in any taxable year may be carried forward for five (5) consecutive years from the close of the tax year in which the credits were earned.

(b) A contribution for which a credit is claimed under this section may not be used as a deduction by the taxpayer for state income tax purposes.

(4) Taxpayers taking a credit authorized by this section shall provide the name of the eligible charitable organization and the amount of the contribution to the department on forms provided by the department.

(5) An eligible charitable organization shall provide the department with a written certification that it meets all criteria to be considered an eligible charitable organization. The organization shall also notify the department of any changes that may affect eligibility under this section.

(6) The eligible charitable organization's written certification must be signed by an officer of the organization under penalty of perjury. The written certification shall include the following:

(a) Verification of the organization's status under Section 501(c)(3) of the Internal Revenue Code;

(b) A statement that the organization does not provide, pay for or provide coverage of abortions and does not financially support any other entity that provides, pays for or provides coverage of abortions;

(c) Any other information that the department requires to administer this section.

(7) The department shall review each written certification and determine whether the organization meets all the criteria to be considered an eligible charitable organization and notify the organization of its determination. The department may also periodically request recertification from the organization. The department shall compile and make available to the public a list of eligible charitable organizations.

(8) Tax credits authorized by this section that are earned by a partnership, limited liability company, S corporation or other similar pass-through entity, shall be allocated among all partners, members or shareholders, respectively, either in proportion to their ownership interest in such entity or as the partners, members or shareholders mutually agree as provided in an executed document.

(9) (a) A taxpayer shall apply for credits with the department on forms prescribed by the department. In the application the taxpayer shall certify to the department the dollar amount of the contributions made or to be made during the calendar year. Within thirty (30) days after the receipt of an application, the department shall allocate credits based on the dollar amount of contributions as certified in the application. However, if the department cannot allocate the full amount of credits certified in the application due to the limit on the aggregate amount of credits that may be awarded under this section in a calendar year, the department shall so notify the applicant within thirty (30) days with the amount of credits, if any, that may be allocated to the applicant in the calendar year. Once the department has allocated credits to a taxpayer, if the contribution for which a credit is allocated has not been made as of the date of the allocation, then the contribution must be made not later than sixty (60) days from the date of the allocation. If the contribution is not made within such time period, the allocation shall be cancelled and returned to the department for reallocation. Upon

final documentation of the contributions, if the actual dollar amount of the contributions is lower than the amount estimated, the department shall adjust the tax credit allowed under this section.

(b) For the purposes of using a tax credit against ad valorem taxes assessed and levied on real property, a taxpayer shall present to the appropriate tax collector the tax credit documentation provided to the taxpayer by the Department of Revenue, and the tax collector shall apply the tax credit against such ad valorem taxes. The tax collector shall forward the tax credit documentation to the Department of Revenue along with the amount of the tax credit applied against ad valorem taxes, and the department shall disburse funds to the tax collector for the amount of the tax credit applied against ad valorem taxes. Such payments by the Department of Revenue shall be made from current tax collections.

(10) The aggregate amount of tax credits that may be allocated by the department under this section during a calendar year shall not exceed Three Million Five Hundred Thousand Dollars (\$3,500,000.00). For credits allocated during a calendar year for contributions to eligible charitable organizations, no more than fifty percent (50%) of such credits may be allocated for contributions to a single eligible charitable organization.

SECTION 39. Section 65-9-17, Mississippi Code of 1972, is amended as follows:

65-9-17. (1) When any county shall have met the requirements of this chapter and shall have become eligible for state aid, the State Aid Engineer, as soon as practicable, shall notify such county in writing of such eligibility and that its proportionate part of any state funds allocated to it for state aid may be utilized for construction in the manner provided by law, and such notice shall also be given in writing to the Department of Finance and Administration and to the State Treasurer.

(2) State aid funds shall be allocated to each county for use on state aid system roads or roads on the Local System Road Program in accordance with the provisions of Section 27-65-75.

(3) State aid funds may be credited to a county in advance of the normal accrual to finance certain state aid improvements, subject to the approval of the State Aid Engineer and subject further to the following limitations:

(a) That the maximum amount of state aid funds that may be advanced to any county shall not exceed ninety percent (90%) of the state aid funds estimated to accrue to such county during the remainder of the term of office of the board of supervisors of such county.

(b) That no advance credit of funds will be made to any county when the unobligated balance in the State Aid Road Fund is less than One Million Dollars (\$1,000,000.00).

(c) That such advance crediting of funds be effected by the State Aid Engineer at the time of the approval of the plans and specifications for the proposed improvements.

It is the intent of this provision to utilize to the fullest practicable extent the balance of state aid funds on hand at all times.

(4) State aid funds shall be available to such county to the following extent and in the following manner:

(a) On state aid projects, other than those on or off the federal aid secondary system to be partially financed with federal funds, state aid funds credited to such county in the State Aid Road Fund shall be available to cover the cost of such project. Upon the awarding of a contract for such state aid project, the board of supervisors of any county will, by an official order of the board, authorize the State Aid Engineer to set up the project fund for such project from that county's state aid fund in the State Treasury. The amount of the project fund will cover the estimated cost of the project, including the contractor's payments and any other costs authorized under this chapter to be paid from state aid funds. Withdrawals from the project fund will be made by requisitions prepared by the State Aid Engineer, based on estimates and other supporting statements and documents prepared or approved by the county engineer, such requisitions, accompanied by such estimates and statements, to be directed to the Department of Finance and Administration, which will issue warrants in payment thereof. Requisitions may be drawn to cover the final cost of the project accepted by the boards

of supervisors of the counties affected and the State Aid Engineer, even though such cost exceeds the aforesaid estimated project fund. Whenever, in the opinion of the State Aid Engineer, it should appear that any such estimate or statement of account has been improperly allowed or that any road construction project is not proceeding in accordance with the plans, specifications and standards set up therefor, then, in such event, due notice in writing shall be given the board of supervisors of such county and the contractor on such project, if any, stating the reason why such account should not have been allowed or why such project is not progressing satisfactorily; and if, within thirty (30) days from the date of such notice in writing, such error or default is not corrected to the satisfaction of the State Aid Engineer, all state aid funds theretofore allocated to such eligible county shall be immediately withdrawn and notice given the Department of Finance and Administration and the State Treasurer that such county has become ineligible therefor. Such county shall remain ineligible until it again becomes eligible by satisfying the State Aid Engineer as to its eligibility.

(b) On state aid projects on the federal aid secondary system which are to be partially financed with federal funds, state aid funds credited to such county in the State Aid Road Fund shall be available to cover the sponsor's share of the cost of such project. At the same time, the State Treasurer, on order from the board of supervisors, shall transfer an amount up to one hundred percent (100%) of such cost from the credit of such county in the State Aid Road Fund to the credit of such county in the State Highway Fund, earmarked for such project.

(c) State aid road funds credited to a county in the State Aid Road Fund shall also be available to cover the sponsor's cost of any other project of such county which is partially financed with federal funds available through federal "safer off-system" road funds and/or other federal road funds allocated to the counties as provided for in accordance with Section 65-9-29(2). On order from the board of supervisors of such county, the State Treasurer shall transfer an amount up to one hundred percent (100%) of such cost from the credit of such county in the State Aid Road Fund to the credit of such county in the State Highway Fund, earmarked for such project.

(d) Up to one-third (1/3) of state aid road funds credited to a county in the State Aid Road Fund may be available to match federal bridge replacement monies or other federal funds, or both, to construct, replace, inspect or post bridges and to conduct pavement management surveys on county roads which are not on the state aid system. To implement such projects, the State Treasurer shall, as requested in an order from the board of supervisors of the county, make transfers out of the credit of such county in the State Aid Road Fund.

(e) Up to twenty-five percent (25%) of the state aid road funds credited to a county in the State Aid Road Fund may be available for projects authorized under the Local System Road Program. Withdrawals from the fund for the Local System Road Program will be made by requisitions prepared by the State Aid Engineer, based on estimates and other supporting statements and documents prepared or approved by the county engineer; such requisitions, accompanied by such estimates and statements, to be directed to the Department of Finance and Administration, which will issue warrants in payment thereof. Requisitions may be drawn to cover the final cost of the local system road project accepted by the boards of supervisors of the counties affected and the State Aid Engineer even though such cost exceeds the aforesaid estimated project fund. Whenever, in the opinion of the State Aid Engineer, it should appear that any such estimate or statement of account has been improperly allowed or that any road construction project is not proceeding in accordance with the plans, specifications and standards set up therefor, then, in such event, due notice in writing shall be given the board of supervisors of such county and the contractor on such project, if any, stating the reason why such account should not have been allowed or why such project is not progressing satisfactorily; and if, within thirty (30) days from the date of such notice in writing, such error or default is not corrected to the satisfaction of the State Aid Engineer, all state aid funds theretofore allocated to such eligible county shall be immediately withdrawn and notice given the Department of Finance and Administration and the State Treasurer that such county has become ineligible therefor. Such county shall remain ineligible until it again becomes eligible by satisfying the State Aid Engineer as to its eligibility.

(5) The State Treasurer is hereby authorized to continue to receive and deposit all funds from the federal government made available by it, either by existing law or by any law which may be passed hereafter, to the credit of the State Highway Fund, and the Treasurer shall notify the commission of the amounts so received.

All accounts against the above-mentioned funds shall be certified to by the Executive Director of the Mississippi Department of Transportation, who shall request the Department of Finance and Administration to issue its warrant on the State Treasurer for the amount of the accounts; and the Treasurer shall pay same if sufficient funds are available, all in the manner prescribed herein or as may be required by law.

(6) The board of supervisors of each county is hereby authorized and empowered to pay funds into the State Treasury in the manner above set out, and to use and expend such funds for the purposes set out in this chapter. For the purpose of providing such funds, the board of supervisors is hereby authorized and empowered to use and expend any county road and bridge funds, including revenue received from any gasoline taxes paid to such county, or any funds available in the General Fund, or to issue road and bridge bonds of such county in any lawful amount in the manner and method and subject to the restrictions, limitations and conditions, and payable from the same sources of revenue, now provided by law.

(7) (a) In addition any other provisions of this section, funds deposited into the State Aid Road Fund under Section 27-67-31(g) shall be used under this chapter to prioritize the timely repair and replacement of deficient state aid system bridges. Each county shall be allocated a percentage of such funds as they become available, which percentage shall be based:

(i) One-half (1/2) on the proportion that the total number of state aid system bridges in the county bears to the total number of state aid system bridges in all counties of the state; and

(ii) One-half (1/2) on the proportion that the total square footage of deck area of all state aid system bridges in the county bears to the total square footage of deck area of all state aid system bridges in all counties of the state.

(b) For the purposes of this subsection, (i) the term "deficient bridge" means a bridge with a condition rating of fair or less for its deck, superstructure or substructure, as determined by National Bridge Inspection Standards and that is included on the latest annual bridge inventory prepared by the Office of State Aid Road Construction and (ii) the term "state aid system bridge" means a bridge that is included on the latest annual official bridge inventory prepared by the Office of State Aid Road Construction, excluding bridges on the local bridge system and the rural major collector system.

Such unanimous vote shall include a statement indicating the board's

The allowance shall be paid only to the extent of actual expenses incurred by the judge as itemized and certified by the judge to the Supreme Court in the amounts set forth in this subsection; however, the judge may expend sums in excess thereof from the compensation otherwise provided for his office. * * * Part of this expense or allowance * * * may be used to pay an official court reporter for services rendered to * * * the court.

* * *

* * * From and after July 1, * * * 2023, the office operating allowance under this subsection shall be * * * Fifteen Thousand Dollars (\$15,000.00) per annum.

The Administrative Office of Courts must approve the positions, job descriptions and salaries before the positions may be filled. The Administrative Office of Courts shall not approve any plan which does not first require the expenditure of the funds in the support staff fund for compensation of any of the support staff before expenditure is authorized of county funds for that purpose. Upon approval by the Administrative Office of Courts, the judge or judges may appoint the employees to the position or positions, and each employee so appointed will work at the will and pleasure of the judge or judges who appointed him but will be employees of the Administrative Office of Courts. The county in which a circuit judge or chancellor sits is authorized to provide funds from any available source to assist in defraying the actual expenses to maintain an office.

(* * *10) The Supreme Court, through the Administrative Office of Courts, shall submit to the Department of Finance and Administration the itemized and certified expenses for office operating allowances that are directed to the court pursuant to this section.
