(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated as the "2021 City of Gautier Amphitheater/Museum Fund," is created within the State Treasury. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(8) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(11) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 110. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated as the "2021 Greenwood Cemetery Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, to assist the Greenwood Cemetery Association in paying costs associated with repairs to Greenwood Cemetery in Jackson, Mississippi.

(b) Amounts deposited into such special fund shall be disbursed to pay the costs of the projects described in paragraph (a) of this subsection. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with

the proceedings authorizing the issuance of such bonds and as directed by the commission.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(6) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated as the "2021 Town of Tylertown Building Fund," is created within the State Treasury. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. SECTION 134. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated the "2021 Camp Kamassa Construction Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, to assist the Mississippi's Toughest Kids Foundation in paying the costs associated with:

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as the issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(6) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

Voting Present--Hill. Total--1.

Senator McDaniel requested that the following explanation be placed in the journal.

EXPLANATION

Pursuant to Senate Rule 117, please find below a brief written statement stating how I would have voted on **SB 2971**:

Mississippi's bonding indebtedness is far too high. It is inexcusable to continue adding debt to future generations. Emergency borrowing for critical infrastructure is occasionally understandable. Borrowing for nonessential pork projects, however, is not acceptable. I would have voted NO.

Senator Sojourner requested that the following explanation be placed in the journal.

EXPLANATION

In accordance with Senate Rule 117, please find below a written statement stating how I would have voted on **SB 2971**:

Mississippi's bonding indebtedness is at record levels. It is inexcusable to further add such a large debt level to our future generations. If we were to make such borrowing it should only be done occasionally for critical infrastructure. Borrowing for nonessential projects is not acceptable. I would have voted NO.

(a) Manufacturer's permit. A manufacturer's permit shall permit the manufacture, importation in bulk, bottling and storage of alcoholic liquor and its distribution and sale to manufacturers holding permits under this chapter in this state and to persons outside the state who are authorized by law to purchase the same, and to sell as provided by this chapter.

Manufacturer's permits shall be of the following classes:

Class 1. Distiller's and/or rectifier's permit, which shall authorize the holder thereof to operate a distillery for the production of distilled spirits by distillation or redistillation and/or to operate a rectifying plant for the purifying, refining, mixing, blending, flavoring or reducing in proof of distilled spirits and alcohol.

Alcoholic beverages shall not be sold by any retailer in any package or container containing less than fifty (50) milliliters by liquid measure. A package retailer's permit, with prior approval from the department, shall authorize the holder thereof to sample new product furnished by a manufacturer's representative or his employees at the permitted place of business so long as the sampling otherwise complies with this chapter and applicable department regulations. Such samples may not be provided to customers at the permitted place of business. In addition to the sale at retail of packages of alcoholic beverages, the holder of a package retailer's permit is authorized to sell at retail corkscrews, wine glasses, soft drinks, ice, juices, mixers and other beverages commonly used to mix with alcoholic beverages. Nonalcoholic beverages sold by the holder of a package retailer's permit shall not be consumed on the premises where sold.

(c) On-premises retailer's permit. Except as otherwise provided in subsection (5) of this section, an on-premises retailer's permit shall authorize the sale of alcoholic beverages, including native wines and native spirits, for consumption on the licensed premises only; however, a patron of the permit holder may remove one (1) bottle of wine from the licensed premises if: (i) the patron consumed a portion of the bottle of wine in the course of consuming a meal purchased on the licensed premises; (ii) the permit holder securely reseals the bottle; (iii) the bottle is placed in a bag that is secured in a manner so that it will be visibly apparent if the bag is opened; and (iv) a dated receipt for the wine and the meal is available. Additionally, as part of a carryout order, a permit holder may sell one (1) bottle of wine to be removed from the licensed

Such a permit shall be issued only to qualified hotels, restaurants and clubs, small craft breweries, microbreweries, and to common carriers with adequate facilities for serving passengers. In resort areas, whether inside or outside of a municipality, the department, in its discretion, may issue on-premises retailer's permits to such establishments as it deems proper. An on-premises retailer's permit when issued to a common carrier shall authorize the sale and serving of alcoholic beverages aboard any licensed vehicle while moving through any county of the state; however, the sale of such alcoholic beverages shall not be permitted while such vehicle is stopped in a county that has not legalized such sales. If an on-premises retailer's permit is applied for by a common carrier operating solely in the water, such common carrier must, along with all other qualifications for a permit, (i) be certified to carry at least one hundred fifty (150) passengers and/or provide overnight accommodations for at least fifty (50) passengers and (ii) operate primarily in the waters within the State of Mississippi which lie adjacent to the State of Mississippi south of the three (3) most southern counties in the State of Mississippi and/or on the Mississippi River or navigable waters within any county bordering on the Mississippi River.

(d) Solicitor's permit. A solicitor's permit shall authorize the holder thereof to act as salesman for a manufacturer or wholesaler holding a proper permit, to solicit on behalf of his employer orders for alcoholic beverages, and to otherwise promote his employer's products in a legitimate manner. Such a permit shall authorize the representation of and employment by one (1) principal only. However, the permittee may also, in the discretion of the department, be issued additional permits to represent other principals. No such permittee shall buy or sell alcoholic beverages for his own account, and no such beverage shall be brought into this state in pursuance of the exercise of such permit otherwise than through a permit issued to a wholesaler or manufacturer in the state.

(e) Native wine retailer's permit. Except as otherwise provided in subsection (5) of this section, a native wine retailer's permit shall be issued only to a holder of a Class 3 manufacturer's permit, and shall authorize the holder thereof to make retail sales of native wines to consumers for on-premises consumption or to consumers in originally sealed and unopened containers at an establishment located on the premises of or in the immediate vicinity of a native winery. When selling to consumers for on-premises consumption, a holder of a native wine retailer's permit may add to the native wine alcoholic beverages not produced on the premises, so long as the total volume of foreign beverage components does not exceed twenty percent (20%) of the mixed beverage. Hours of sale shall be the same as those authorized for on-premises permittees in the city or county in which the native wine retailer is located.

(f) Temporary retailer's permit. Except as otherwise provided in subsection (5) of this section, a temporary retailer's permit shall permit the purchase and resale of alcoholic beverages, including native wines and native spirits, during legal hours on the premises described in the temporary permit only.

Temporary retailer's permits shall be of the following classes:

Class 1 permittees shall obtain all alcoholic beverages from package retailers located in the county in which the temporary permit is issued. Alcoholic beverages remaining in stock upon expiration of the temporary permit may be returned by the permittee to the package retailer for a refund of the purchase price upon consent of the package retailer or may be kept by the permittee exclusively for personal use and consumption, subject to all laws pertaining to the illegal sale and possession of alcoholic beverages. The department, following review of the statement provided by the applicant and the requirements of the applicable statutes and regulations, may issue the permit.

Class 2. A temporary permit, not to exceed seventy (70) days, may be issued to prospective permittees seeking to transfer a permit authorized in paragraph (c) of this subsection. A Class 2 permit may be issued only to applicants demonstrating to the department, by a statement signed under the penalty of perjury, that they meet the qualifications of Sections 67-1-5(l), (m), (n), (o), (p) or (q), 67-1-37, 67-1-51(2) and (3), 67-1-55, 67-1-57 and 67-1-59. The department, following a preliminary review of the statement provided by the applicant and the requirements of the applicable statutes and regulations, may issue the permit.

Class 2 temporary permittees must purchase their alcoholic beverages directly from the department or, with approval of the department, purchase the remaining stock of the previous permittee. If the proposed applicant of a Class 1 or Class 2 temporary permit falsifies information contained in the application or statement, the applicant shall never again be eligible for a retail alcohol beverage permit and shall be subject to prosecution for perjury.

Class 3. A temporary one-day permit may be issued to a retail establishment authorizing the complimentary distribution of wine, including native wine, to patrons of the retail establishment at an open house or promotional event, for consumption only on the premises described in the temporary permit. A Class 3 permit may be issued only to an applicant demonstrating to the department, by a statement signed under penalty of perjury submitted ten (10) days before the proposed date or such other time as the department may determine, that it meets the qualifications of Sections 67-1-11, 67-1-37, 67-1-51(2) and (3), 67-1-55, 67-1-57 (excluding paragraph (e)) and 67-1-59. A Class 3 permit holder shall obtain all alcoholic beverages from the holder(s) of a package retailer's permit located in the county in which the temporary permit is issued. Wine remaining in stock upon expiration of the temporary permit may be returned by the Class 3 temporary permit holder to the package retailer for a refund of the purchase price, with consent of the package retailer, or may be kept by the Class 3 temporary permit holder exclusively for personal use and consumption, subject to all laws pertaining to the illegal sale and possession of alcoholic beverages. The department, following review of the statement provided by the applicant and the requirements of the applicable statutes and regulations, may issue the permit. No retailer may receive more than twelve (12) Class 3 temporary permits in a calendar year. A Class 3 temporary permit shall not be issued to a retail establishment that either holds a merchant permit issued under paragraph (l) of this subsection, or holds a permit issued under Chapter 3, Title 67, Mississippi Code of 1972, authorizing the holder to engage in the business of a retailer of light wine or beer.

A caterer's permit shall not authorize the sale of alcoholic beverages on the premises of the person engaging in business as a caterer; however, the holder of an on-premises retailer's permit may hold a caterer's permit. When the holder of an on-premises retailer's permit or an affiliated entity of the holder also holds a caterer's permit, the caterer's permit shall not authorize the service of alcoholic beverages on a consistent, recurring basis at a separate, fixed location owned or operated by the caterer, on-premises retailer or affiliated entity and an on-premises retailer's permit shall be required for the separate location. All sales of alcoholic beverages by holders of a caterer's permit shall be made at the location being catered by the caterer, and, except as otherwise provided in subsection (5) of this section, such sales may be made only for consumption at the catered location. The location being catered may be anywhere within a county or judicial district that has voted to come out from under the dry laws or in which the sale and distribution of alcoholic beverages is otherwise authorized by law. Such sales shall be made pursuant to any other conditions and restrictions which apply to sales made by on-premises retail permittees. The holder of a caterer's permit or his employees shall remain at the catered location as long as alcoholic beverages are being sold pursuant to the permit

issued under this paragraph (g), and the permittee shall have at the location the identification card issued by the Alcoholic Beverage Control Division of the department. No unsold alcoholic beverages may be left at the catered location by the permittee upon the conclusion of his business at that location. Appropriate law enforcement officers and Alcoholic Beverage Control Division personnel may enter a catered location on private property in order to enforce laws governing the sale or serving of alcoholic beverages.

(n) Event venue retailer's permit. An event venue retailer's permit shall authorize the holder thereof to purchase and resell alcoholic beverages, including native wines and native spirits, for consumption on the premises during legal hours during events held on the licensed premises if food is being served at the event by a caterer who is not affiliated with or related to the permittee. The caterer must serve at least three (3) entrees. The permit may only be issued for venues that can accommodate two hundred (200) persons or more. The number of persons a venue may accommodate shall be determined by the local fire department and such determination shall be provided in writing and submitted along with all other documents required to be provided for an on-premises retailer's permit. The permittee must derive the majority of its revenue from event-related fees, including, but not limited to, admission fees or ticket

sales for live entertainment in the building. "Event-related fees" do not include alcohol, beer or light wine sales or any fee which may be construed to cover the cost of alcohol, beer or light wine. This determination shall be made on a per event basis. An event may not last longer than two (2) consecutive days per week.

A temporary theatre permit holder shall obtain all alcoholic beverages from package retailers located in the county in which the permit is issued. Alcoholic beverages remaining in stock upon expiration of the temporary theatre permit may be returned by the permittee to the package retailer for a refund of the purchase price upon consent of the package retailer or may be kept by the permittee exclusively for personal use and consumption, subject to all laws pertaining to the illegal sale and possession of alcoholic beverages.

Subject to the provisions of this paragraph (p), a charter ship operator's permit shall authorize the holder thereof and its employees to serve, monitor, store and otherwise control the serving and availability of alcoholic beverages to customers of the permit holder during private charters under contract provided by the permit holder. A charter ship operator's permit shall authorize such action by the permit holder and its employees only as to alcoholic beverages brought onto the permit holder's ship by customers of the permit holder as part of such a private charter. All such alcoholic beverages must be removed from the charter ship at the conclusion of each private charter. (3) The Commissioner of Revenue and the Department of Revenue may discuss with and provide the Attorney General or his designated representative with information related to an offer to compromise and settle any doubtful claim under this section. Such discussions shall be subject to the confidentiality requirements of Sections 27-3-73, 27-7-83, 27-13-57 and/or 27-65-81, as the case may be.

(4) The Commissioner of Revenue shall have all powers necessary to implement and administer this section, and shall promulgate rules and regulations, in accordance with the Mississippi Administrative Procedures Law, necessary for the implementation of this section.

MR. SPEAKER AND MR. PRESIDENT:

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 27-7-309, Mississippi Code of 1972, is amended as follows:

27-7-309. (1) (a) Except as otherwise provided in this subsection, every employer required to deduct and withhold from wages under this article shall, for each calendar quarter, on or before the fifteenth day of the month following the close of such calendar quarter, file a withholding return as prescribed by the commissioner and pay over to the commissioner the full amount required to be deducted and withheld from wages by such employer for the calendar quarter. Provided that the commissioner may, by regulation, provide that every such employer shall, on or before the fifteenth day of each month, pay over to the commissioner or a depository designated by the commissioner, the amount required to be deducted and withheld by such employer for the preceding month, if such amount is One Hundred Dollars (\$100.00) or more. Returns and payments placed in the mail must be postmarked by the due date in order to be timely filed, except when the due date falls on a weekend or holiday, returns and payments placed in the mail must be postmarked by the first working day following the due date in order to be considered timely filed.

* * *

(* * *b) The commissioner may promulgate rules and regulations to require or permit filing periods of any duration, in lieu of monthly or quarterly filing periods, for any taxpayer or group thereof.

(2) Notwithstanding any of the other provisions of this section, all transient employers and all employers engaged in any business which is seasonal shall make return and pay over to the commissioner on a monthly basis, the full amounts required to

be deducted and withheld from the wages by such employer for the calendar month. Such returns and payments to the commissioner by such employers shall be made on or before the fifteenth day of the month following the month for which such amounts were deducted and withheld from the wages of his employees. The commissioner shall have the authority to issue reasonable rules and regulations designating or classifying those transient and seasonal employers.

(3) If the commissioner, in any case, has justifiable reason to believe that the collection of funds required to be withheld by any employer as provided herein is in jeopardy, he may require the employer to file a return and pay such amount required to be withheld at any time.

(4) Every employer who fails to withhold or pay to the commissioner any sums required by this article to be withheld and paid, shall be personally and individually liable therefor, except as provided in Section 27-7-307; and any sum or sums withheld in accordance with the provisions of this article shall be deemed to be held in trust for the State of Mississippi and shall be recorded by the employer in a ledger account so as to clearly indicate the amount of tax withheld and that the amount is the property of the State of Mississippi.

(5) Once an employer has become liable to a quarterly return of withholding, he must continue to file a quarterly report, even though no tax has been withheld, until such time as he notifies the commissioner, in writing, that he no longer has employees or that he is no longer liable for such quarterly returns.

(6) Once an employer has become liable to a monthly return of withholding, he must continue to file a monthly report, even though no tax has been withheld until such time as he notifies the commissioner, in writing, that he no longer has employees or that he is no longer liable for such monthly returns.

(7) Magnetic media reporting may be required in a manner to be determined by the commissioner.

SECTION 2. Section 27-65-33, Mississippi Code of 1972, is amended as follows:

27-65-33. (1) (a) Except as otherwise provided in this section, the taxes levied by this chapter shall be due and payable on or before the twentieth day of the month next succeeding the month in which the tax accrues, except as otherwise provided. Returns and payments placed in the mail must be postmarked by the due date in order to be considered timely filed, except when the due date falls on a weekend or holiday, returns and payments placed in the mail must be postmarked by the first working day following the due date in order to be considered timely filed. The taxpayer shall make a return showing the gross proceeds of sales or the gross income of the business, and any and all allowable deductions, or exempt sales, and compute the tax due for the period covered.

(b) As compensation for collecting sales and use taxes, complying fully with the applicable statutes, filing returns and supplements thereto and paying all taxes by the twentieth of the month following the period covered, the taxpayer may discount and retain two percent (2%) of the liability on each return subject to the following limitations:

(i) The compensation or discount shall not apply to taxes levied under the provisions of Sections 27-65-19 and 27-65-21, or on charges for ginning cotton under Section 27-65-23.

(ii) The compensation or discount shall not apply to taxes collected by a county official or state agency.

(iii) The compensation or discount shall not exceed Fifty Dollars (\$50.00) per month, or Six Hundred Dollars (\$600.00) per calendar year, per business location on each state sales tax return, or on each use tax return.

(iv) The compensation or discount shall not apply to any wholesale tax, the rate of which is equal to or greater than the tax rate applicable to retail sales of the same property or service. The retailer of such items shall be entitled to the compensation based on the tax computed on retail sales before application of the credit for any tax paid to the wholesaler, jobber or other person.

(v) The compensation or discount allowed and taken for any filing period may be reassessed and collected when an audit of a taxpayer's records reveals a tax deficiency for that period.

(c) As compensation for collecting any tax imposed under the authority of a local and private law of the State of Mississippi which is collected and paid to the Department of Revenue in the same or similar manner that state sales taxes are collected and paid, complying fully with such applicable law, filing returns and supplements thereto and paying all taxes by the twentieth of the month following the period covered, the taxpayer may discount and retain two percent (2%) of the liability on each return subject to the following limitations:

(i) The compensation or discount shall not apply to taxes collected by a county official or state agency.

(ii) The compensation or discount shall not exceed Fifty Dollars (\$50.00) per month, or Six Hundred Dollars (\$600.00) per calendar year, per business location on each tax return.

(iii) The compensation or discount allowed and taken for any filing period may be reassessed and collected when an audit of a taxpayer's records reveals a tax deficiency for that period.

* * *

(* * *2) All returns shall be sworn to by the taxpayer, if made by an individual, or by the president, vice president, secretary or treasurer of a corporation, or authorized agent, if made on behalf of a corporation. If made on behalf of a partnership, joint venture, association, trust, estate, or in any other group or combination acting as a unit, any individual delegated by such firm shall swear to the return on behalf of the taxpayer. The commissioner may prescribe methods by which the taxpayer may swear to his return.

(* * *3) The commissioner may promulgate rules and regulations to require or permit filing periods of any duration, in lieu of monthly filing periods, for any taxpayer or group thereof.

(* * *4) The commissioner may require the execution and filing by the taxpayer with the commissioner of a good and solvent bond with some surety company authorized to do business in Mississippi as surety thereon in an amount double the aggregate tax liability by such taxpayer for any previous three-month period within the last calendar year or estimated three (3) months' tax liability. The bond is to be conditioned for the prompt payment of such taxes as may be due for each such return.

(* * *5) The commissioner, for good cause, may grant such reasonable additional time within which to make any return required under the provisions of this chapter as he may deem proper, but the time for filing any return shall not be extended beyond the twentieth of the month next succeeding the regular due date of the return without the imposition of interest at the rate of one-half of one percent (1/2 of 1%) per month or fractional part of a month from the time the return was due until the tax is paid.

(** *6) For persistent, willful or recurring failure to make any return and pay the tax shown thereby to be due by the time specified, there shall be added to the amount of tax shown to be due ten percent (10%) damages, or interest at the rate of one-half of one percent (1/2 of 1%) per month, or both.

(** *7) Any taxpayer may, upon making application therefor, obtain from the commissioner an extension of time for the payment of taxes due on credit sales until collections thereon have been made. When such extension is granted, the taxpayer shall thereafter include in each monthly or quarterly report all collections made during the preceding month or quarter, and shall pay the taxes due thereon at the time of filing such report. Such permission may be revoked or denied at the discretion of the commissioner when, in his opinion, a total sales basis will best reflect the taxable income or expedite examination of the taxpayer's records.

(** *8) Any taxpayer reporting credit sales before collection thereof has been made may take credit on subsequent returns or reports for bad debts actually charged off, if such amounts charged off have previously been included in taxable gross income or taxable gross proceeds of sales, as the case may be, and the tax paid thereon. However, any amounts subsequently collected on accounts that have been charged off as bad debts shall be included in subsequent reports and the tax shall be paid thereon.

(** *9) In cases where an extension of time has been granted by the commissioner for payment of taxes due on credit sales and the taxpayer thereafter discontinues the business, such taxpayer shall be required to file with the commissioner within ten (10) days, or such further time as the commissioner may direct, from the date of the discontinuance of such business, a special report showing the amounts of any credit sales which have not been included in determining the measure of the tax previously paid and any other information with reference to credit sales as the commissioner may require. The commissioner shall thereupon investigate the facts with reference to credit sales and the condition of the accounts, and shall determine, from the best evidence available, the value of all open accounts, notes or other evidence of debt arising from credit sales. The value of all notes, open accounts and other evidence of debt, as thus determined by the commissioner, shall be used in determining the amount of the tax for which such taxpayer shall be liable. When the amount of the tax shall have been ascertained, the taxpayer shall be required to pay the same within ten (10) days or such further time as the commissioner may allow, notwithstanding the fact that such note or accounts may still remain uncollected.

SECTION 3. Section 27-67-17, Mississippi Code of 1972, is amended as follows:

27-67-17. (1) Except as otherwise provided in this section, the commissioner shall collect the tax imposed by this article, and every person subject to its provisions shall remit to the commissioner, on or before the twentieth day of each month, the amount of tax due by such person for the preceding calendar month. Returns and payments placed in the mail must be postmarked by the due date in order to be timely filed, except that when the due date falls on a weekend or holiday, returns and payments placed in the mail must be postmarked by the first working day following the due date in order to be considered timely filed. Every taxpayer shall file a return with his remittance, which return shall be prescribed by the commissioner and shall show for the calendar month preceding the tax payment date, the total sale or purchase price, or value of tangible personal property or specified digital products sold, used, stored or consumed by him for benefit received or service performed, and such other information as the commissioner may deem pertinent and necessary for determining the amount of tax due thereunder.

(2) The commissioner, in his discretion, may authorize in writing the filing of returns and the payment of tax on a quarterly basis by any person required or authorized to pay the tax imposed, such authority to be subject to revocation for good cause by the commissioner.

(3) In instances where it is impractical to file returns and pay the tax monthly or quarterly, the commissioner may authorize the filing of semiannual or annual returns.

* * *

(* * *4) The commissioner, in his discretion, may authorize the computation of the tax on the basis of a formula in lieu of direct accounting of specific properties in instances where such method will expedite, simplify or provide a more equitable means of determining liability under this article. All formulas shall be subject to revocation for good cause by the commissioner.

SECTION 4. Section 27-65-75, Mississippi Code of 1972, is amended as follows:

27-65-75. On or before the fifteenth day of each month, the revenue collected under the provisions of this chapter during the preceding month shall be paid and distributed as follows:

(1) (a) On or before August 15, 1992, and each succeeding month thereafter through July 15, 1993, eighteen percent (18%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3) and 27-65-21, on business activities within a municipal corporation shall be allocated for distribution to the municipality and paid to the municipal corporation. Except as otherwise provided in this paragraph (a), on or before August 15, 1993, and each succeeding month thereafter, eighteen and one-half percent (18-1/2%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3), 27-65-21 and 27-65-24, on business activities within a municipal corporation shall be allocated for distribution to the municipality and paid to the municipal corporation. However, in the event the State Auditor issues a certificate of noncompliance pursuant to Section 21-35-31, the Department of Revenue shall withhold ten percent (10%) of the allocations and payments to the municipality that would otherwise be payable to the municipality under this paragraph (a) until such time that the department receives written notice of the cancellation of a certificate of noncompliance from the State Auditor.

A municipal corporation, for the purpose of distributing the tax under this subsection, shall mean and include all incorporated cities, towns and villages.

Monies allocated for distribution and credited to a municipal corporation under this paragraph may be pledged as security for a loan if the distribution received by the municipal corporation is otherwise authorized or required by law to be pledged as security for such a loan.

In any county having a county seat that is not an incorporated municipality, the distribution provided under this subsection shall be made as though the county seat was an incorporated municipality; however, the distribution to the municipality shall be paid to the county treasury in which the municipality is located, and those funds shall be used for road, bridge and street construction or maintenance in the county.

(b) On or before August 15, 2006, and each succeeding month thereafter, eighteen and one-half percent (18-1/2%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3) and 27-65-21, on business activities on the campus of a state institution of higher learning or community or junior college whose campus is not located within the corporate limits of a municipality, shall be allocated for distribution to the state institution of higher learning or community or junior college and paid to the state institution of higher learning or community or junior college.

(c) On or before August 15, 2018, and each succeeding month thereafter until August 14, 2019, two percent (2%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3), 27-65-21 and 27-65-24, on business activities within the corporate limits of the City of Jackson, Mississippi, shall be deposited into the Capitol Complex Improvement District Project Fund created in Section 29-5-215. On or before August 15, 2019, and each succeeding month thereafter until August 14, 2020, four percent (4%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3), 27-65-21 and 27-65-24, on business activities within the corporate limits of the City of Jackson, Mississippi, shall be deposited into the Capitol Complex Improvement District Project Fund created in Section 29-5-215. On or before August 15, 2020, and each succeeding month thereafter, six percent (6%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3), 27-65-21 and 27-65-24, on business activities within the corporate limits of the City of Jackson, Mississippi, shall be deposited into the Capitol Complex Improvement District Project Fund created in Section 29-5-215.

(d) (i) On or before the fifteenth day of the month that the diversion authorized by this section begins, and each succeeding month thereafter, eighteen and one-half percent (18-1/2%) of the total sales tax revenue collected during the preceding month under the provisions of this chapter, except that collected under the provisions of Sections 27-65-15, 27-65-19(3) and 27-65-21, on business activities within a redevelopment project area developed under a redevelopment plan adopted under the Tax Increment Financing Act (Section 21-45-1 et seq.) shall be allocated for distribution to the county in which the project area is located if:

1. The county:

a. Borders on the Mississippi Sound and the State of Alabama, or

b. Is Harrison County, Mississippi, and the project area is within a radius of two (2) miles from the intersection of Interstate 10 and Menge Avenue;

2. The county has issued bonds under Section 21-45-9 to finance all or a portion of a redevelopment project in the redevelopment project area;

3. Any debt service for the indebtedness incurred is outstanding; and

4. A development with a value of Ten Million Dollars (\$10,000,000.00) or more is, or will be, located in the redevelopment area.

(ii) Before any sales tax revenue may be allocated for distribution to a county under this paragraph, the county shall certify to the Department of Revenue that the requirements of this paragraph have been met, the amount of bonded indebtedness that has been incurred by the county for the redevelopment project and the expected date the indebtedness incurred by the county will be satisfied.

(iii) The diversion of sales tax revenue authorized by this paragraph shall begin the month following the month in which the Department of Revenue determines that the requirements of this paragraph have been met. The diversion shall end the month the indebtedness incurred by the county is satisfied. All revenue received by the county under this paragraph shall be deposited in the fund required to be created in the tax increment financing plan under Section 21-45-11 and be utilized solely to satisfy the indebtedness incurred by the county.

(2) On or before September 15, 1987, and each succeeding month thereafter, from the revenue collected under this chapter during the preceding month, One Million One Hundred Twenty-five Thousand Dollars (\$1,125,000.00) shall be allocated for distribution to municipal corporations as defined under subsection (1) of this section in the proportion that the number of gallons of gasoline and diesel fuel sold by distributors to consumers and retailers in each such municipality during the preceding fiscal year bears to the total gallons of gasoline and diesel fuel sold by distributors to consumers and retailers in municipalities statewide during the preceding fiscal year. The Department of Revenue shall require all distributors of gasoline and diesel fuel to report to the department monthly the total number of gallons of gasoline and diesel fuel sold by them to consumers and retailers in each municipality during the preceding month. The Department of Revenue shall have the authority to promulgate such rules and regulations as is necessary to determine the number of gallons of gasoline and diesel fuel sold by distributors to consumers and retailers in each municipality. In determining the percentage allocation of funds under this subsection for the fiscal year beginning July 1, 1987, and ending June 30, 1988, the Department of Revenue may consider gallons of gasoline and diesel fuel sold for a period of less than one (1) fiscal year. For the purposes of this subsection, the term "fiscal year" means the fiscal year beginning July 1 of a year.

(3) On or before September 15, 1987, and on or before the fifteenth day of each succeeding month, until the date specified in Section 65-39-35, the proceeds derived from contractors' taxes levied under Section 27-65-21 on contracts for the construction or reconstruction of highways designated under the highway program created under Section 65-3-97 shall, except as otherwise provided in Section 31-17-127, be deposited into the State Treasury to the credit of the State Highway Fund to be used to fund that highway program. The Mississippi Department of Transportation shall provide to the Department of Revenue such information as is necessary to determine the amount of proceeds to be distributed under this subsection.

(4) On or before August 15, 1994, and on or before the fifteenth day of each succeeding month through July 15, 1999, from the proceeds of gasoline, diesel fuel or kerosene taxes as provided in Section 27-5-101(a)(ii)1, Four Million Dollars (\$4,000,000.00) shall be deposited in the State Treasury to the credit of a special fund designated as the "State Aid Road Fund," created by Section 65-9-17. On or before August 15, 1999, and on or before the fifteenth day of each succeeding month, from the total amount of the proceeds of gasoline, diesel fuel or kerosene taxes apportioned by Section 27-5-101(a)(ii)1, Four Million Dollars (\$4,000,000.00) or an amount equal to twenty-three and one-fourth percent (23-1/4%) of those funds, whichever is the greater amount, shall be deposited in the State Treasury to the credit of the "State Aid Road Fund," created by Section 65-9-17. Those funds shall be pledged to pay the principal of and interest on state aid road bonds heretofore issued under Sections 19-9-51 through 19-9-77, in lieu of and in substitution for the funds previously allocated to counties under this section. Those funds may not be pledged for the payment of any state aid road bonds issued after April 1, 1981; however, this prohibition against the pledging of any such funds for the payment of bonds shall not apply to any bonds for which intent to issue those bonds has been published for the first time, as provided by law before March 29, 1981. From the amount of taxes paid into the special fund under this subsection and subsection (9) of this section, there shall be first deducted and paid the amount necessary to pay the expenses of the Office of State Aid Road Construction, as authorized by the Legislature for all other general and special fund agencies. The remainder of the fund shall be allocated monthly to the several counties in accordance with the following formula:

(a) One-third (1/3) shall be allocated to all counties in equal shares;

(b) One-third (1/3) shall be allocated to counties based on the proportion that the total number of rural road miles in a county bears to the total number of rural road miles in all counties of the state; and

(c) One-third (1/3) shall be allocated to counties based on the proportion that the rural population of the county bears to the total rural population in all counties of the state, according to the latest federal decennial census.

For the purposes of this subsection, the term "gasoline, diesel fuel or kerosene taxes" means such taxes as defined in paragraph (f) of Section 27-5-101.

The amount of funds allocated to any county under this subsection for any fiscal year after fiscal year 1994 shall not be less than the amount allocated to the county for fiscal year 1994.

Any reference in the general laws of this state or the Mississippi Code of 1972 to Section 27-5-105 shall mean and be construed to refer and apply to subsection (4) of Section 27-65-75.

(5) One Million Six Hundred Sixty-six Thousand Six Hundred Sixty-six Dollars (\$1,666,666.00) each month shall be paid into the special fund known as the "State Public School Building Fund" created and existing under the provisions of Sections 37-47-1 through 37-47-67. Thereafter, the amounts diverted under this subsection (7) during the fiscal year in excess of Forty-two Million Dollars (\$42,000,000.00) shall be deposited into the Education Enhancement Fund created under Section 37-61-33 for appropriation by the Legislature as other education needs and shall not be subject to the percentage appropriation requirements set forth in Section 37-61-33.

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1197: Dual-phase design-build method of construction contracting; revise certain provisions of.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 31-7-13.1, Mississippi Code of 1972, is amended as follows:

31-7-13.1. (1) The method of contracting for construction described in this section shall be known as the " * * * design-build method" of construction contracting. This method of construction contracting may be used * * * on residential buildings, residential mixed-use developments, parking garages and other prescriptive type facilities. The design-build method of construction contracting may only be used when the Department of Finance and Administration or a governing authority has determined that it satisfies the public interest better than traditional design-bid or when the Legislature has specifically required or authorized the use of this method in the legislation authorizing a project. At a minimum, the determination must include a detailed explanation of why using the * * * design-build method for a particular project satisfies the public need better than the traditional design-bid-build method based on the following criteria:

(a) The project provides a savings in time or cost over traditional methods;
and

(b) The size and type of the project is suitable for design-build.

(2) For each proposed * * * design-build project, either a * * * fixed firm price or guaranteed maximum price contract must be adopted. * * * Before solicitation of * * *

proposals, the agency or governing authority shall develop * * * a scope of work statement that provides prospective offerors with sufficient information regarding the requirements of the agency or governing authority. The scope of work statement must include, but is not limited to, the following information:

(a) * * * Location and nature of proposed site(s) that include preliminary geotechnical information from borings as well as survey drawings that show topography, adjacent buildings and utilities;

(b) * * * Any mandatory requirements such as minimum number and types of spaces, any minimum or maximum building area(s) or height(s), applicable energy codes and/or efficiency targets, applicable zoning regulations and any aesthetic or character defining standards;

(c) * * * Any mandatory material and/or system performance requirements and/or specifications; and

(d) * * * General budget parameters, schedule or delivery requirements, relevant criteria for evaluation of proposals, and any other information necessary to enable the design-builders to submit proposals that meet the needs of the agency or governing authority.

(3) The agency or governing authority shall cause to be published once a week, for at least two (2) consecutive weeks in a regular newspaper published in the county in which the project is to be located, or a newspaper with statewide circulation, a notice inviting proposals for the * * * design-build construction project. On the same date that the notice is submitted to the newspaper for publication, the agency or governing authority involved shall post the notice on the Mississippi Procurement Portal or mail written notice to, or provide electronic notification to, the main office of the Mississippi Procurement Technical Assistance Program under the Mississippi Development Authority that contains the same information as that in the published notice. The proposals shall not be opened in less than fifteen (15) working days after the last notice is published. The notice must inform potential offerors of how to obtain the scope of work statement developed for the project, and the notice must contain such other information to describe adequately the general nature and scope of the project so as to promote full, equal and open competition.

(4) The agency or governing authority shall accept initial proposals only from entities able to provide an experienced and qualified design-build team that includes, at a minimum, an architectural or engineering firm licensed and registered in Mississippi and a contractor properly licensed and domiciled in Mississippi for the type of work required. * * *

(5) * * * Proposals that include criteria other than cost only shall be evaluated by an evaluation committee established by the procuring entity. The evaluation committee shall be composed of not less than three (3) people, at least one (1) of which shall be an architect or engineer licensed and registered in Mississippi. Selection criteria of the evaluation committee shall be limited to the following:

(a) The bidder's knowledge and experience in executing projects of similar size and complexity;

(b) The experience and qualifications of the proposed office and construction management personnel;

(c) The experience and qualifications of the subcontractors proposed;

(d) The experience and qualifications of the architect or engineer and consultants;

(e) Schedule control; and

SECTION 4. Section 31-7-13, Mississippi Code of 1972, is amended as follows:

31-7-13. All agencies and governing authorities shall purchase their commodities and printing; contract for garbage collection or disposal; contract for solid waste collection or disposal; contract for sewage collection or disposal; contract for public construction; and contract for rentals as herein provided.

(a) Bidding procedure for purchases not over \$5,000.00. Purchases which do not involve an expenditure of more than Five Thousand Dollars (\$5,000.00), exclusive of freight or shipping charges, may be made without advertising or otherwise requesting competitive bids. However, nothing contained in this paragraph (a) shall be construed to prohibit any agency or governing authority from establishing procedures which require competitive bids on purchases of Five Thousand Dollars (\$5,000.00) or less.

(b) Bidding procedure for purchases over \$5,000.00 but not over \$50,000.00. Purchases which involve an expenditure of more than Five Thousand Dollars (\$5,000.00) but not more than Fifty Thousand Dollars (\$50,000.00), exclusive of freight and shipping charges, may be made from the lowest and best bidder without publishing or posting advertisement for bids, provided at least two (2) competitive written bids have been obtained. Any state agency or community/junior college purchasing commodities or procuring construction pursuant to this paragraph (b) may authorize its purchasing agent, or his designee, to accept the lowest competitive written bid under Fifty Thousand Dollars (\$50,000.00). Any governing authority purchasing commodities pursuant to this paragraph (b) may authorize its purchasing agent, or his designee, with regard to governing authorities other than counties, or its purchase clerk, or his designee, with regard to counties, to accept the lowest and best competitive written bid. Such authorization shall be made in writing by the governing authority and shall be maintained on file in the primary office of the agency and recorded in the official minutes of the governing authority, as appropriate. The purchasing agent or the purchase clerk, or their designee, as the case may be, and not the governing authority, shall be liable for any penalties and/or damages as may be imposed by law for any act or omission of the purchasing agent or purchase clerk, or their designee, constituting a violation of law in accepting any bid without approval by the governing authority. The term "competitive written bid" shall mean a bid submitted on a bid form furnished by the buying agency or governing authority and signed by authorized personnel representing the vendor, or a bid submitted on a vendor's letterhead or identifiable bid form and signed by authorized personnel representing the vendor. "Competitive" shall mean that the bids are developed based upon comparable identification of the needs and are developed independently and without knowledge of other bids or prospective bids. Any bid item for construction in excess of Five Thousand Dollars (\$5,000.00) shall be broken down by components to provide detail of component description and pricing. These details shall be submitted with the written bids and become part of the bid evaluation criteria. Bids may be submitted by facsimile, electronic mail or other generally accepted method of information distribution. Bids submitted by electronic transmission shall not require the signature of the vendor's representative unless required by agencies or governing authorities.

(c) Bidding procedure for purchases over \$50,000.00.

(i) Publication requirement.

1. Purchases which involve an expenditure of more than Fifty Thousand Dollars (\$50,000.00), exclusive of freight and shipping charges, may be made from the lowest and best bidder after advertising for competitive bids once each week for two (2) consecutive weeks in a regular newspaper published in the county or municipality in which such agency or governing authority is located. However, all American Recovery and Reinvestment Act projects in excess of Twenty-five Thousand Dollars (\$25,000.00) shall be bid. All references to American Recovery and Reinvestment Act projects in this section shall not apply to programs identified in Division B of the American Recovery and Reinvestment Act.

2. Reverse auctions shall be the primary method for receiving bids during the bidding process. If a purchasing entity determines that a reverse auction is not in the best interest of the state, then that determination must be approved by the Public Procurement Review Board. The purchasing entity shall submit a detailed explanation of why a reverse auction would not be in the best interest of the state and present an alternative process to be approved by the Public Procurement Review Board.

If the Public Procurement Review Board authorizes the purchasing entity to solicit bids with a method other than reverse auction, then the purchasing entity may designate the other methods by which the bids will be received, including, but not limited to, bids sealed in an envelope, bids received electronically in a secure system, or bids received by any other method that promotes open competition and has been approved by the Office of Purchasing and Travel. However, reverse auction shall not be used for any public contract for design or construction of public facilities, including buildings, roads and bridges. The Public Procurement Review Board must approve any contract entered into by alternative process. The provisions of this item 2 shall not apply to the individual state institutions of higher learning.

3. The date as published for the bid opening shall not be less than seven (7) working days after the last published notice; however, if the purchase involves a construction project in which the estimated cost is in excess of Fifty Thousand Dollars (\$50,000.00), such bids shall not be opened in less than fifteen (15) working days after the last notice is published and the notice for the purchase of such construction shall be published once each week for two (2) consecutive weeks. However, all American Recovery and Reinvestment Act projects in excess of Twenty-five Thousand Dollars (\$25,000.00) shall be bid. For any projects in excess of Twenty-five Thousand Dollars (\$25,000.00) under the American Recovery and Reinvestment Act, publication shall be made one (1) time and the bid opening for construction projects shall not be less than ten (10) working days after the date of the published notice. The notice of intention to let contracts or purchase equipment shall state the time and place at which bids shall be received, list the contracts to be made or types of equipment or supplies to be purchased, and, if all plans and/or specifications are not published, refer to the plans and/or specifications on file. If there is no newspaper published in the county or municipality, then such notice shall be given by posting same at the courthouse, or for municipalities at the city hall, and at two (2) other public places in the county or municipality, and also by publication once each week for two (2) consecutive weeks in some newspaper having a general circulation in the county or municipality in the above-provided manner. On the same date that the notice is submitted to the newspaper for publication, the agency or governing authority involved shall mail written notice to, or provide electronic notification to the main office of the Mississippi Procurement Technical Assistance Program under the Mississippi Development Authority that contains the same information as that in the published notice. Submissions received by the Mississippi Procurement Technical Assistance Program for projects funded by the American Recovery and Reinvestment Act shall be displayed on a separate and unique internet web page accessible to the public and maintained by the Mississippi Development Authority for the Mississippi Procurement Technical Assistance Program. Those American Recovery and Reinvestment Act related submissions shall be publicly posted within twenty-four (24) hours of receipt by the Mississippi Development Authority and the bid opening shall not occur until the submission has been posted for ten (10) consecutive days. The Department of Finance and Administration shall maintain information regarding contracts and other expenditures from the American Recovery and Reinvestment Act, on a unique internet web page accessible to the public. The Department of Finance and Administration shall promulgate rules regarding format, content and deadlines, unless otherwise specified by law, of the posting of award notices, contract execution and subsequent amendments, links to the contract documents, expenditures against the awarded contracts and general expenditures of funds from the American Recovery and Reinvestment Act. Within one (1) working day of the contract award, the agency or governing authority shall post to the designated web page maintained by the Department of Finance and Administration, notice of the award, including the award recipient, the contract amount, and a brief summary of the contract in accordance with rules promulgated by the department. Within one (1) working day of the contract execution, the agency or governing authority shall post to the designated web page maintained by the Department of Finance and Administration a summary of the executed contract and make a copy of the appropriately redacted contract documents available for linking to the designated web page in accordance with the rules promulgated by the department. The information provided by the agency or governing

authority shall be posted to the web page for the duration of the American Recovery and Reinvestment Act funding or until the project is completed, whichever is longer.

(ii) Bidding process amendment procedure. If all plans and/or specifications are published in the notification, then the plans and/or specifications may not be amended. If all plans and/or specifications are not published in the notification, then amendments to the plans/specifications, bid opening date, bid opening time and place may be made, provided that the agency or governing authority maintains a list of all prospective bidders who are known to have received a copy of the bid documents and all such prospective bidders are sent copies of all amendments. This notification of amendments may be made via mail, facsimile, electronic mail or other generally accepted method of information distribution. No addendum to bid specifications may be issued within two (2) working days of the time established for the receipt of bids unless such addendum also amends the bid opening to a date not less than five (5) working days after the date of the addendum.

(iii) Filing requirement. In all cases involving governing authorities, before the notice shall be published or posted, the plans or specifications for the construction or equipment being sought shall be filed with the clerk of the board of the governing authority. In addition to these requirements, a bid file shall be established which shall indicate those vendors to whom such solicitations and specifications were issued, and such file shall also contain such information as is pertinent to the bid.

(iv) Specification restrictions.

1. Specifications pertinent to such bidding shall be written so as not to exclude comparable equipment of domestic manufacture. However, if valid justification is presented, the Department of Finance and Administration or the board of a governing authority may approve a request for specific equipment necessary to perform a specific job. Further, such justification, when placed on the minutes of the board of a governing authority, may serve as authority for that governing authority to write specifications to require a specific item of equipment needed to perform a specific job. In addition to these requirements, from and after July 1, 1990, vendors of relocatable classrooms and the specifications for the purchase of such relocatable classrooms published by local school boards shall meet all pertinent regulations of the State Board of Education, including prior approval of such bid by the State Department of Education.

2. Specifications for construction projects may include an allowance for commodities, equipment, furniture, construction materials or systems in which prospective bidders are instructed to include in their bids specified amounts for such items so long as the allowance items are acquired by the vendor in a commercially reasonable manner and approved by the agency/governing authority. Such acquisitions shall not be made to circumvent the public purchasing laws.

(v) Electronic bids. Agencies and governing authorities shall provide a secure electronic interactive system for the submittal of bids requiring competitive bidding that shall be an additional bidding option for those bidders who choose to submit their bids electronically. The Department of Finance and Administration shall provide, by regulation, the standards that agencies must follow when receiving electronic bids. Agencies and governing authorities shall make the appropriate provisions necessary to accept electronic bids from those bidders who choose to submit their bids electronically for all purchases requiring competitive bidding under this section. Any special condition or requirement for the electronic bid submission shall be specified in the advertisement for bids required by this section. Agencies or governing authorities that are currently without available high speed internet access shall be exempt from the requirement of this subparagraph (v) until such time that high speed internet access becomes available. Any county having a population of less than twenty thousand (20,000) shall be exempt from the provisions of this subparagraph (v). Any municipality having a population of less than ten thousand (10,000) shall be exempt from the provisions of this subparagraph (v). The

provisions of this subparagraph (v) shall not require any bidder to submit bids electronically. When construction bids are submitted electronically, the requirement for including a certificate of responsibility, or a statement that the bid enclosed does not exceed Fifty Thousand Dollars (\$50,000.00), on the exterior of the bid envelope as indicated in Section 31-3-21(1) and (2) shall be deemed in compliance with by including same as an attachment with the electronic bid submittal.

(d) Lowest and best bid decision procedure.

(i) Decision procedure. Purchases may be made from the lowest and best bidder. In determining the lowest and best bid, freight and shipping charges shall be included. Life-cycle costing, total cost bids, warranties, guaranteed buy-back provisions and other relevant provisions may be included in the best bid calculation. All best bid procedures for state agencies must be in compliance with regulations established by the Department of Finance and Administration. If any governing authority accepts a bid other than the lowest bid actually submitted, it shall place on its minutes detailed calculations and narrative summary showing that the accepted bid was determined to be the lowest and best bid, including the dollar amount of the accepted bid and the dollar amount of the lowest bid. No agency or governing authority shall accept a bid based on items not included in the specifications.

(ii) Decision procedure for Certified Purchasing Offices. In addition to the decision procedure set forth in subparagraph (i) of this paragraph (d), Certified Purchasing Offices may also use the following procedure: Purchases may be made from the bidder offering the best value. In determining the best value bid, freight and shipping charges shall be included. Life-cycle costing, total cost bids, warranties, guaranteed buy-back provisions, documented previous experience, training costs and other relevant provisions, including, but not limited to, a bidder having a local office and inventory located within the jurisdiction of the governing authority, may be included in the best value calculation. This provision shall authorize Certified Purchasing Offices to utilize a Request For Proposals (RFP) process when purchasing commodities. All best value procedures for state agencies must be in compliance with regulations established by the Department of Finance and Administration. No agency or governing authority shall accept a bid based on items or criteria not included in the specifications.

(iii) Decision procedure for Mississippi Landmarks. In addition to the decision procedure set forth in subparagraph (i) of this paragraph (d), where purchase involves renovation, restoration, or both, of the State Capitol Building or any other historical building designated for at least five (5) years as a Mississippi Landmark by the Board of Trustees of the Department of Archives and History under the authority of Sections 39-7-7 and 39-7-11, the agency or governing authority may use the following procedure: Purchases may be made from the lowest and best prequalified bidder. Prequalification of bidders shall be determined not less than fifteen (15) working days before the first published notice of bid opening. Prequalification criteria shall be limited to bidder's knowledge and experience in historical restoration, preservation and renovation. In determining the lowest and best bid, freight and shipping charges shall be included. Life-cycle costing, total cost bids, warranties, guaranteed buy-back provisions and other relevant provisions may be included in the best bid calculation. All best bid and prequalification procedures for state agencies must be in compliance with regulations established by the Department of Finance and Administration. If any governing authority accepts a bid other than the lowest bid actually submitted, it shall place on its minutes detailed calculations and narrative summary showing that the accepted bid was determined to be the lowest and best bid, including the dollar amount of the accepted bid and the dollar amount of the lowest bid. No agency or governing authority shall accept a bid based on items not included in the specifications.

(iv) Construction project negotiations authority. If the lowest and best bid is not more than ten percent (10%) above the amount of funds allocated for a public construction or renovation project, then the agency or governing authority shall be

permitted to negotiate with the lowest bidder in order to enter into a contract for an amount not to exceed the funds allocated.

(e) Lease-purchase authorization. For the purposes of this section, the term "equipment" shall mean equipment, furniture and, if applicable, associated software and other applicable direct costs associated with the acquisition. Any lease-purchase of equipment which an agency is not required to lease-purchase under the master lease-purchase program pursuant to Section 31-7-10 and any lease-purchase of equipment which a governing authority elects to lease-purchase may be acquired by a lease-purchase agreement under this paragraph (e). Lease-purchase financing may also be obtained from the vendor or from a third-party source after having solicited and obtained at least two (2) written competitive bids, as defined in paragraph (b) of this section, for such financing without advertising for such bids. Solicitation for the bids for financing may occur before or after acceptance of bids for the purchase of such equipment or, where no such bids for purchase are required, at any time before the purchase thereof. No such lease-purchase agreement shall be for an annual rate of interest which is greater than the overall maximum interest rate to maturity on general obligation indebtedness permitted under Section 75-17-101, and the term of such lease-purchase agreement shall not exceed the useful life of equipment covered thereby as determined according to the upper limit of the asset depreciation range (ADR) guidelines for the Class Life Asset Depreciation Range System established by the Internal Revenue Service pursuant to the United States Internal Revenue Code and regulations thereunder as in effect on December 31, 1980, or comparable depreciation guidelines with respect to any equipment not covered by ADR guidelines. Any lease-purchase agreement entered into pursuant to this paragraph (e) may contain any of the terms and conditions which a master lease-purchase agreement may contain under the provisions of Section 31-7-10(5), and shall contain an annual allocation dependency clause substantially similar to that set forth in Section 31-7-10(8). Each agency or governing authority entering into a lease-purchase transaction pursuant to this paragraph (e) shall maintain with respect to each such lease-purchase transaction the same information as required to be maintained by the Department of Finance and Administration pursuant to Section 31-7-10(13). However, nothing contained in this section shall be construed to permit agencies to acquire items of equipment with a total acquisition cost in the aggregate of less than Ten Thousand Dollars (\$10,000.00) by a single lease-purchase transaction. All equipment, and the purchase thereof by any lessor, acquired by lease-purchase under this paragraph and all lease-purchase payments with respect thereto shall be exempt from all Mississippi sales, use and ad valorem taxes. Interest paid on any lease-purchase agreement under this section shall be exempt from State of Mississippi income taxation.

(f) Alternate bid authorization. When necessary to ensure ready availability of commodities for public works and the timely completion of public projects, no more than two (2) alternate bids may be accepted by a governing authority for commodities. No purchases may be made through use of such alternate bids procedure unless the lowest and best bidder cannot deliver the commodities contained in his bid. In that event, purchases of such commodities may be made from one (1) of the bidders whose bid was accepted as an alternate.

(g) Construction contract change authorization. In the event a determination is made by an agency or governing authority after a construction contract is let that changes or modifications to the original contract are necessary or would better serve the purpose of the agency or the governing authority, such agency or governing authority may, in its discretion, order such changes pertaining to the construction that are necessary under the circumstances without the necessity of further public bids; provided that such change shall be made in a commercially reasonable manner and shall not be made to circumvent the public purchasing statutes. In addition to any other authorized person, the architect or engineer hired by an agency or governing authority with respect to any public construction contract shall have the authority, when granted by an agency or governing authority, to authorize changes or modifications to the original contract without the necessity of prior approval of the agency or governing authority when any such

change or modification is less than one percent (1%) of the total contract amount. The agency or governing authority may limit the number, manner or frequency of such emergency changes or modifications.

(h) Petroleum purchase alternative. In addition to other methods of purchasing authorized in this chapter, when any agency or governing authority shall have a need for gas, diesel fuel, oils and/or other petroleum products in excess of the amount set forth in paragraph (a) of this section, such agency or governing authority may purchase the commodity after having solicited and obtained at least two (2) competitive written bids, as defined in paragraph (b) of this section. If two (2) competitive written bids are not obtained, the entity shall comply with the procedures set forth in paragraph (c) of this section. In the event any agency or governing authority shall have advertised for bids for the purchase of gas, diesel fuel, oils and other petroleum products and coal and no acceptable bids can be obtained, such agency or governing authority is authorized and directed to enter into any negotiations necessary to secure the lowest and best contract available for the purchase of such commodities.

(i) Road construction petroleum products price adjustment clause authorization. Any agency or governing authority authorized to enter into contracts for the construction, maintenance, surfacing or repair of highways, roads or streets, may include in its bid proposal and contract documents a price adjustment clause with relation to the cost to the contractor, including taxes, based upon an industry-wide cost index, of petroleum products including asphalt used in the performance or execution of the contract or in the production or manufacture of materials for use in such performance. Such industry-wide index shall be established and published monthly by the Mississippi Department of Transportation with a copy thereof to be mailed, upon request, to the clerks of the governing authority of each municipality and the clerks of each board of supervisors throughout the state. The price adjustment clause shall be based on the cost of such petroleum products only and shall not include any additional profit or overhead as part of the adjustment. The bid proposals or document contract shall contain the basis and methods of adjusting unit prices for the change in the cost of such petroleum products.

(j) State agency emergency purchase procedure. If the governing board or the executive head, or his designees, of any agency of the state shall determine that an emergency exists in regard to the purchase of any commodities or repair contracts, so that the delay incident to giving opportunity for competitive bidding would be detrimental to the interests of the state, then the head of such agency, or his designees, shall file with the Department of Finance and Administration (i) a statement explaining the conditions and circumstances of the emergency, which shall include a detailed description of the events leading up to the situation and the negative impact to the entity if the purchase is made following the statutory requirements set forth in paragraph (a), (b) or (c) of this section, and (ii) a certified copy of the appropriate minutes of the board of such agency requesting the emergency purchase, if applicable. Upon receipt of the statement and applicable board certification, the State Fiscal Officer, or his designees, may, in writing, authorize the purchase or repair without having to comply with competitive bidding requirements.

If the governing board or the executive head, or his designees, of any agency determines that an emergency exists in regard to the purchase of any commodities or repair contracts, so that the delay incident to giving opportunity for competitive bidding would threaten the health or safety of any person, or the preservation or protection of property, then the provisions in this section for competitive bidding shall not apply, and any officer or agent of the agency having general or specific authority for making the purchase or repair contract shall approve the bill presented for payment, and he shall certify in writing from whom the purchase was made, or with whom the repair contract was made.

Total purchases made under this paragraph (j) shall only be for the purpose of meeting needs created by the emergency situation. Following the emergency purchase,

documentation of the purchase, including a description of the commodity purchased, the purchase price thereof and the nature of the emergency shall be filed with the Department of Finance and Administration. Any contract awarded pursuant to this paragraph (j) shall not exceed a term of one (1) year.

Purchases under the grant program established under Section 37-68-7 in response to COVID-19 and the directive that school districts create a distance learning plan and fulfill technology needs expeditiously shall be deemed an emergency purchase for purposes of this paragraph (j).

(k) Governing authority emergency purchase procedure. If the governing authority, or the governing authority acting through its designee, shall determine that an emergency exists in regard to the purchase of any commodities or repair contracts, so that the delay incident to giving opportunity for competitive bidding would be detrimental to the interest of the governing authority, then the provisions herein for competitive bidding shall not apply and any officer or agent of such governing authority having general or special authority therefor in making such purchase or repair shall approve the bill presented therefor, and he shall certify in writing thereon from whom such purchase was made, or with whom such a repair contract was made. At the board meeting next following the emergency purchase or repair contract, documentation of the purchase or repair contract, including a description of the commodity purchased, the price thereof and the nature of the emergency shall be presented to the board and shall be placed on the minutes of the board of such governing authority. Purchases under the grant program established under Section 37-68-7 in response to COVID-19 and the directive that school districts create a distance learning plan and fulfill technology needs expeditiously shall be deemed an emergency purchase for purposes of this paragraph (k).

(l) Hospital purchase, lease-purchase and lease authorization.

(i) The commissioners or board of trustees of any public hospital may contract with such lowest and best bidder for the purchase or lease-purchase of any commodity under a contract of purchase or lease-purchase agreement whose obligatory payment terms do not exceed five (5) years.

(ii) In addition to the authority granted in subparagraph (i) of this paragraph (l), the commissioners or board of trustees is authorized to enter into contracts for the lease of equipment or services, or both, which it considers necessary for the proper care of patients if, in its opinion, it is not financially feasible to purchase the necessary equipment or services. Any such contract for the lease of equipment or services executed by the commissioners or board shall not exceed a maximum of five (5) years' duration and shall include a cancellation clause based on unavailability of funds. If such cancellation clause is exercised, there shall be no further liability on the part of the lessee. Any such contract for the lease of equipment or services executed on behalf of the commissioners or board that complies with the provisions of this subparagraph (ii) shall be excepted from the bid requirements set forth in this section.

(m) Exceptions from bidding requirements. Excepted from bid requirements are:

(i) Purchasing agreements approved by department. Purchasing agreements, contracts and maximum price regulations executed or approved by the Department of Finance and Administration.

(ii) Outside equipment repairs. Repairs to equipment, when such repairs are made by repair facilities in the private sector; however, engines, transmissions, rear axles and/or other such components shall not be included in this exemption when replaced as a complete unit instead of being repaired and the need for such total component replacement is known before disassembly of the component; however, invoices identifying the equipment, specific repairs made, parts identified by number and

name, supplies used in such repairs, and the number of hours of labor and costs therefor shall be required for the payment for such repairs.

Purchases, sales, transfers or trades by governing authorities or state agencies when such purchases, sales, transfers or trades are made by a private treaty agreement or through means of negotiation, from any federal agency or authority, another governing authority or state agency of the State of Mississippi, or any state agency or governing authority of another state. Nothing in this section shall permit such purchases through public auction except as provided for in subparagraph (v) of this paragraph (m). It is the intent of this section to allow governmental entities to dispose of and/or purchase commodities from other governmental entities at a price that is agreed to by both parties. This shall allow for purchases and/or sales at prices which may be determined to be below the market value if the selling entity determines that the sale at below market value is in the best interest of the taxpayers of the state. Governing authorities shall place the terms of the agreement and any justification on the minutes, and state agencies shall obtain approval from the Department of Finance and Administration, prior to releasing or taking possession of the commodities.

(vii) Perishable supplies or food. Perishable supplies or food purchased for use in connection with hospitals, the school lunch programs, homemaking programs and for the feeding of county or municipal prisoners.

Upon receipt of that certification the Department of Finance and Administration or the board of the governing authority, as the case may be, may, in writing, authorize the purchase, which authority shall be noted on the minutes of the body at the next regular meeting thereafter. In those situations, a governing authority is not required to obtain the approval of the Department of Finance and Administration. Following the purchase, the executive head of the state agency, or his designees, shall file with the Department of Finance and Administration, documentation of the purchase, including a description of the commodity purchased, the purchase price thereof and the source from whom it was purchased.

(ix) Waste disposal facility construction contracts. Construction of incinerators and other facilities for disposal of solid wastes in which products either generated therein, such as steam, or recovered therefrom, such as materials for recycling, are to be sold or otherwise disposed of; however, in constructing such facilities, a

Submission of such invoices shall constitute a misdemeanor punishable by a fine of not less than Five Hundred Dollars (\$500.00) nor more than One Thousand Dollars (\$1,000.00), or by imprisonment for thirty

Such proof shall include, but not be limited to, publications of a request for proposals and letters soliciting negotiations and bids. For purposes of this paragraph (q), a fuel management or fuel access system is an automated system of acquiring fuel for vehicles as well as management reports detailing fuel use by vehicles and drivers, and the term "competitive written bid" shall have the meaning as defined in paragraph (b) of this section. Governing authorities and agencies shall be exempt from this process when contracting for the services and products of fuel management or fuel access systems under the terms of a state contract established by the Office of Purchasing and Travel.

(r) Solid waste contract proposal procedure. Before entering into any contract for garbage collection or disposal, contract for solid waste collection or disposal or contract for sewage collection or disposal, which involves an expenditure of more than Fifty Thousand Dollars (\$50,000.00), a governing authority or agency shall issue publicly a request for proposals concerning the specifications for such services which shall be advertised for in the same manner as provided in this section for seeking bids for purchases which involve an expenditure of more than the amount provided in paragraph (c) of this section. under this section. Set-aside purchases for which competitive bids are required shall be made from the lowest and best minority business bidder. For the purposes of this paragraph, the term "minority business" means a business which is owned by a majority of persons who are United States citizens or permanent resident aliens (as defined by the Immigration and Naturalization Service) of the United States, and who are Asian, Black, Hispanic or Native American, according to the following definitions:

(u) Procurement of construction services by state institutions of higher learning. Contracts for privately financed construction of auxiliary facilities on the campus of a state institution of higher learning may be awarded by the Board of Trustees of State Institutions of Higher Learning to the lowest and best bidder, where sealed bids are solicited, or to the offeror whose proposal is determined to represent the best value to the citizens of the State of Mississippi, where requests for proposals are solicited.

(v) Insurability of bidders for public construction or other public contracts. In any solicitation for bids to perform public construction or other public contracts to which this section applies, including, but not limited to, contracts for repair and maintenance, for which the contract will require insurance coverage in an amount of not less than One Million Dollars (\$1,000,000.00), bidders shall be permitted to either submit proof of current insurance coverage in the specified amount or demonstrate ability to obtain the required coverage amount of insurance if the contract is awarded to the bidder. Proof of insurance coverage shall be submitted within five (5) business days from bid acceptance.

(w) Purchase authorization clarification. Nothing in this section shall be construed as authorizing any purchase not authorized by law.

SECTION 5. This act shall take effect and be in force from and after July 1, 2021.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2874: Residential and commercial contractors; require sales tax permit from Department of Revenue for pulling building permit.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. All residential contractors, in order to obtain a building permit in the State of Mississippi, shall possess a permit from the Department of Revenue issued under Section 27-65-27.

Notwithstanding the definitions of "residential builder" and "remodeler" in Section 73-59-1, for purposes of this section, a residential contractor is a person or entity contracting or offering to contract with an owner or possessor of residential real estate to construct a residence or appurtenant structure thereon, or to repair or renovate any portion of a residence or appurtenant structure thereon, regardless of the cost of the project, and regardless of whether all or part of the cost is expected to be paid as a benefit of a property and casualty insurance policy. A residential contractor is not a person building, repairing or renovating his or her own personal residence.

This section shall not apply to a residential contractor having a permanent place of business in the State of Mississippi or licensed under Section 31-3-1 et seq.

SECTION 2. All commercial contractors, in order to obtain a building permit in the State of Mississippi, shall possess a permit from the Department of Revenue issued under Section 27-65-27.

Notwithstanding the definition of "contractor" in Section 31-3-1, for purposes of this section, a commercial contractor is a person or entity contracting or offering to contract with an owner or possessor of commercial real estate to construct a building thereon, or to repair or renovate any portion of a building thereon, regardless of the cost of the project, and regardless of whether all or part of the cost is expected to be paid as a benefit of a property and casualty insurance policy.

This section shall not apply to a commercial contractor having a permanent place of business in the State of Mississippi or licensed under Section 31-3-1 et seq.

SECTION 3. Section 27-65-27, Mississippi Code of 1972, is amended as follows:

27-65-27. (1) Any person who engages, or who intends to engage, in any business or activity which will subject such person to a privilege tax imposed by this chapter, or which falls within the scope of Section 1 or Section 2 of this act, shall apply to the commissioner for a permit to engage in and to conduct any business or activity upon the condition that he shall pay the tax accruing to the State of Mississippi under the provisions of this chapter, and shall keep adequate records of such business or activity as required by this chapter. By making an application for a permit issued pursuant to this section, a person agrees, regardless of his presence in this state, to:

- (a) Be subject to the jurisdiction of this state for purposes of taxation;
- (b) Collect and remit all taxes levied under this chapter on the type of business or activity to be conducted by the applicant;
- (c) Be subject to all the provisions of this chapter.

(2) Upon receipt of the permit, the applicant shall be duly licensed under this chapter to engage in and conduct the business or activity. The permit shall continue in force so long as the person to whom it is issued shall continue in the same business at the same location, unless revoked by the commissioner for cause.

(3) The commissioner shall require of every person desiring to engage in business within this state who maintains no permanent place of business within this state, of every person desiring to engage in the business of making sales of mobile homes, a cash bond or an approved surety bond in an amount sufficient to cover twice the estimated tax liability for a period of three (3) months. However, the bond shall in no case be less than One Hundred Dollars (\$100.00) and the tax may be prepaid in lieu of filing bond if the amount is approved by the commissioner. This bond shall be filed with the commissioner prior to the issuance of a permit to do business and before any such person may engage in business within this state. Failure to comply with the provision will subject such person to the penalties provided by this chapter.

(4) The commissioner is authorized to deny the application for a permit or revoke the permit of any person who has failed or is failing to comply with any of the provisions of this chapter. The commissioner may also deny the application for a permit or revoke the permit of any person who has failed to satisfy all of the finally determined tax liabilities owed by that person. If the applicant or taxpayer is an entity, the commissioner may deny the application for a permit or revoke the permit if any partner, member, principal officer or director of such entity has failed to satisfy all of the finally determined tax liabilities owed by that partner, member, principal officer or director. Any denial or revocation of an entity's permit based on a partner, member, principal officer or director's finally determined tax liability shall only be authorized if the partner, member, principal officer or director owns ten percent (10%) or more of the entity and is or will be exercising responsibility for fiscal management. In lieu of denying or revoking an entity's permit, the commissioner may accept an increased or additional bond from the entity to cover the additional risk involved with having an individual with a finally determined tax liability involved. As used in this subsection, "finally determined tax liabilities" means any state tax, fee, penalty and/or interest owed by a person to the Department of Revenue where the assessment of the liability has been made against that person as provided by law and such assessment is not subject to any further timely filed administrative or judicial review. Revocation of such permit, or engaging or continuing in business after such permit is revoked or engaging in business without a permit, shall subject the person to all the penalties imposed by this chapter.

(5) Any person liable for the tax who fails to obtain a permit from the commissioner, or who continues in business after such permit has been revoked, or who fails to make his returns for taxation as provided, or who fails to keep adequate records and invoices provided by this chapter, or who fails or refuses to permit inspection of such records, or who fails to pay any taxes due hereunder, shall forfeit his rights to do business in this state until he complies with all the provisions of this chapter and until he enters into a bond, with sureties, to be approved by the commissioner, in an amount not to exceed twice the amount of all taxes estimated to become due under this chapter by the person for any period of three (3) months, conditioned to comply with the provisions of this chapter, and pay all taxes legally due by him.

(6) If any person is engaged in or continuing in this state in any business or activity without obtaining a permit, or after the permit has been revoked, or without filing a required bond, or without keeping and allowing inspection of all records required by this chapter, or without making a return, or returns, and without paying all taxes due by him hereunder, it shall be the duty of the commissioner to proceed by injunction to prevent the continuance of the business. Any temporary injunction enjoining the continuance of the business shall be granted without notice by a judge or chancellor now authorized to grant injunctions.

SECTION 4. (1) Section 1 of this act shall be codified in Title 73, Chapter 59, Mississippi Code of 1972.

(2) Section 2 of this act shall be codified in Title 31, Chapter 3, Mississippi Code of 1972.

SECTION 5. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO CREATE A NEW SECTION IN TITLE 73, CHAPTER 59, MISSISSIPPI CODE OF 1972, TO REQUIRE THAT ALL RESIDENTIAL CONTRACTORS, IN ORDER TO OBTAIN A BUILDING PERMIT IN THIS STATE, POSSESS A PERMIT FROM THE DEPARTMENT OF REVENUE ISSUED UNDER SECTION 27-65-27; TO DEFINE "RESIDENTIAL CONTRACTOR" FOR PURPOSES OF THIS PERMIT REQUIREMENT; TO CREATE A NEW SECTION IN TITLE 31, CHAPTER 3, MISSISSIPPI CODE OF 1972, TO REQUIRE THAT ALL COMMERCIAL CONTRACTORS, IN ORDER TO OBTAIN A BUILDING PERMIT IN THIS STATE, POSSESS A PERMIT FROM THE DEPARTMENT OF REVENUE ISSUED UNDER SECTION 27-65-27; TO DEFINE "COMMERCIAL CONTRACTOR" FOR PURPOSES OF THIS PERMIT REQUIREMENT; TO AMEND SECTION 27-65-27, MISSISSIPPI CODE OF 1972, IN CONFORMITY TO THE ABOVE PROVISIONS; AND FOR RELATED PURPOSES.

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 109: Budget process; update various sections relating to.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.

2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 27-103-125, Mississippi Code of 1972, is amended as follows:

27-103-125. The proposed budget of each state agency shall show the amounts required for operating expenses separately from the amounts required for permanent improvements. The overall budget shall show, separately by each source, the estimated amount of general fund revenue and of special fund revenues of general fund agencies. The total proposed expenditures in Part 1 of the overall budget shall not exceed the amount of estimated revenues that will be available in the general and special funds for appropriation or use during the succeeding fiscal year, including any balances other than unencumbered balances in general funds that will be on hand in the general and special funds at the close of the then current fiscal year. The total proposed expenditures from the State General Fund in Part 1 of the overall budget shall not exceed ninety-eight percent (98%) of the amount of general fund revenue estimate for the succeeding fiscal year. * * * The general fund revenue estimate shall be the estimate jointly adopted by the Governor and the Joint Legislative Budget Committee. The Legislative Budget Office may recommend additional taxes or sources of revenue if in its judgment those additional funds are necessary to adequately support the functions of the state government.

SECTION 2. Section 27-103-139, Mississippi Code of 1972, is amended as follows:

27-103-139. On or before November 15 preceding each regular session of the Legislature, except the first regular session of a new term of office, the Governor shall submit to the members of the Legislature, the Legislative Budget Office or the members-elect, as the case may be, and to the executive head of each state agency a balanced budget for the succeeding fiscal year. The budget submitted shall be prepared in a format that will include performance measurement data associated with the various programs operated by each agency. The total proposed expenditures in the balanced budget shall not exceed the amount of estimated revenues that will be available for appropriation or use during the succeeding fiscal year, including any balances other than unencumbered balances in general funds that will be on hand at the close of the then current fiscal year, as determined by the revenue estimate jointly adopted by the Governor and the Legislative Budget Committee. The total proposed expenditures from the State General Fund in the balanced budget shall not exceed ninety-eight percent (98%) of the amount of general fund revenue estimate for the succeeding fiscal year. * * * The general fund revenue estimate shall be the estimate jointly adopted by the Governor and the Joint Legislative Budget Committee.

The revenues used in preparing the balanced budget shall be only those revenues that will be available under the general laws of the state as they exist when the balanced budget is prepared, and shall not include any proposed revenues that would become available only after the enactment of new legislation. If the Governor has any recommendations for additional proposed expenditures or proposed revenues that are not included in his balanced budget, he shall submit those recommendations in a supplement that is separate from his balanced budget, and whenever the Governor recommends any such additional proposed expenditures, he also shall recommend proposed revenues that are sufficient to fund the additional proposed expenditures, providing specific details regarding the sources and the total amount of those proposed revenues.

The Governor may employ a budget officer for the purpose of receiving information from the State Fiscal Officer and preparing his recommendations on the budget. If the Governor determines that information received from the State Fiscal Officer is not sufficient to enable him to prepare his budget recommendations, he may request an appropriation from the Legislature to provide additional staff within the Governor's office for that purpose. At the first regular session after his election for Governor, the Governor shall submit any budget recommendations plus the required revenue source recommendations no later than January 31 of that year.

SECTION 3. Section 27-103-203, Mississippi Code of 1972, is amended as follows:

27-103-203. (1) There is created in the State Treasury a special fund, separate and apart from any other fund, to be designated the Working Cash-Stabilization Reserve Fund.

(2) The Working Cash-Stabilization Reserve Fund shall not be considered as a surplus or available funds when adopting a balanced budget as required by law. The State Treasurer shall invest all sums in the Working Cash-Stabilization Reserve Fund not needed for the purposes provided for in this section in certificates of deposit, repurchase agreements and other securities as authorized in Section 27-105-33(d) or Section 7-9-103, as the State Treasurer may determine to yield the highest market rate available. If the Ayers Settlement Fund is created under Section 37-101-27(5), the first Five Million Dollars (\$5,000,000.00) of interest earned on those sums each fiscal year shall be deposited into that fund until a total of Seventy Million Dollars (\$70,000,000.00) has been deposited into the fund. The interest, or the remaining interest if the Ayers Settlement Fund is created, that is earned on those sums shall be deposited in the Working Cash-Stabilization Reserve Fund until the balance of principal and interest in the fund reaches ten percent (10%) of the total General Fund appropriations for the current fiscal year, and all interest earned in excess of amounts necessary to maintain the ten percent (10%) fund balance requirement shall be deposited by the State Treasurer into the State General Fund.

(3) The Working Cash-Stabilization Reserve Fund, except for Fifteen Million Dollars (\$15,000,000.00) and the amount of the interest and income earned on the principal of the Ayers Endowment Trust created by Section 37-101-27, shall be used by the State Treasurer for cash flow needs throughout the year when the Executive Director of the Department of Finance and Administration certifies that in his opinion there will be cash flow deficiencies in the State General Fund. No borrowing of monies from other special funds for such purposes as authorized by Section 31-17-101 et seq., shall be made as long as an unencumbered balance in excess of Fifteen Million Dollars (\$15,000,000.00) and the interest and income earned on the principal of the Ayers Endowment Trust created by Section 37-101-27 remains in the fund. The State Treasurer shall reimburse the fund for all sums borrowed for those purposes from General Fund revenues collected during the fiscal year in which those funds are used. The State Treasurer shall immediately notify the Legislative Budget Office and the State Department of Finance and Administration of each transfer into and out of the fund. Fifteen Million Dollars (\$15,000,000.00) in the Working Cash-Stabilization Reserve Fund shall remain available for exclusive use of the Ayers Endowment Trust created by Section 37-101-27. If the Ayers Settlement Fund is created under Section 37-101-27(5), beginning when a total of Fifty-five Million Dollars (\$55,000,000.00) has been deposited into the fund, for each annual deposit of interest to that fund under subsection (2) of this section, the Ayers Endowment Trust created under Section 37-101-27(1) shall be reduced by an equal amount annually until the Ayers Endowment Trust reaches Zero Dollars (\$0.00), at which time any requirements concerning the Ayers Endowment Trust in this section shall be null and void.

(4) The Working Cash-Stabilization Reserve Fund, except for Forty Million Dollars (\$40,000,000.00), shall also be used for the purpose of covering any projected deficits

that may occur in the General Fund at the end of a fiscal year as a result of revenue shortfalls. If the Governor determines that a deficit in revenues from all sources may occur, it shall be the duty of the Executive Director of the Department of Finance and Administration to transfer such funds as necessary to the General Fund to alleviate the deficit in accordance with Sections 27-104-13 and 31-17-123; however, not more than Fifty Million Dollars (\$50,000,000.00) may be transferred from the fund for that purpose in any one (1) fiscal year * * *.

(5) The Working Cash-Stabilization Reserve Fund also shall be used to provide funds for the Disaster Assistance Trust Fund when those funds are immediately needed to provide for disaster assistance under Sections 33-15-301 through 33-15-317. Any transfer of funds from the Working Cash-Stabilization Reserve Fund to the Disaster Assistance Trust Fund shall be made in accordance with the provisions of subsection (5) of Section 33-15-307.

(6) The Department of Finance and Administration shall immediately send notice of any transfers made, or other action taken under authority of this section, to the Legislative Budget Office.

(7) Funds deposited in the Working Cash-Stabilization Reserve Fund shall be used only for the purposes specified in this section, and as long as the provisions of this section remain in effect, no other expenditure, appropriation or transfer of funds in the Working Cash-Stabilization Reserve Fund shall be made except by act of the Legislature making specific reference to the Working Cash-Stabilization Reserve Fund as the source of those funds.

(8) Any funds appropriated from the Working Cash-Stabilization Reserve Fund that are unexpended at the end of a fiscal year shall lapse into the Working Cash-Stabilization Reserve Fund.

SECTION 4. Section 27-103-211, Mississippi Code of 1972, is amended as follows:

27-103-211. The total sum appropriated by the Legislature from the State General Fund for any fiscal year shall not exceed ninety-eight percent (98%) of the general fund revenue estimate for that fiscal year developed by the Department of Revenue and the University Research Center and adopted by the Joint Legislative Budget Committee. The unencumbered balances in general funds that will be available and on hand at the close of the fiscal year shall not include projected amounts required to be deposited into the Working Cash-Stabilization Reserve Fund under Section 27-103-203. * * *

SECTION 5. Section 27-103-213, Mississippi Code of 1972, is amended as follows:

27-103-213. (1) The unencumbered cash balance in the General Fund in the State Treasury at the close of each fiscal year shall be distributed to the Municipal Revolving Fund, the Working Cash-Stabilization Reserve Fund and the Capital Expense Fund in the manner provided in this section * * *.

(2) (a) At the end of each fiscal year, the Executive Director of the Department of Finance and Administration and the State Treasurer shall determine the extent of the unencumbered cash balance existing in the General Fund in the State Treasury.

(b) As used in this section, the term "unencumbered cash balance" or "unencumbered General Fund cash balance" means the amount in the State General Fund after deducting all appropriations and other expenditures. However, if the Legislature has authorized additional or deficit appropriations or transfers from the State General Fund for that fiscal year, those amounts shall be subtracted from the unencumbered cash balance in the General Fund before determining the amount

available for distribution. The unencumbered General Fund cash balance shall not be determined until after August 31 of each year, and it shall not be made until the State Treasurer has received a certificate in writing from the Executive Director of the Department of Finance and Administration, with notification to the Legislative Budget Office, showing the amount of the unencumbered General Fund cash balance.

(3) If any unencumbered General Fund cash balance is available for distribution under this section, the distribution of those funds shall be made by the Executive Director of the Department of Finance and Administration in the following order:

(a) To the Municipal Revolving Fund, an amount equal to Seven Hundred Fifty Thousand Dollars (\$750,000.00); however, if the amount of the unencumbered General Fund cash balance is less than Seven Hundred Fifty Thousand Dollars (\$750,000.00), then the total amount of the unencumbered General Fund cash balance shall be distributed to the Municipal Revolving Fund.

(b) To the Working Cash-Stabilization Reserve Fund, fifty percent (50%) of the amount of the unencumbered General Fund cash balance after the distributions are made under paragraph (a), not to exceed ten percent (10%) of the General Fund appropriations for the fiscal year that the unencumbered General Fund cash balance represents. For the purposes of this paragraph (b), the appropriations for the fiscal year shall be the total amount contained in the actual appropriation bills passed by the Legislature.

(c) To the Capital Expense Fund, any remaining amount of the unencumbered General Fund cash balance after the distributions are made under paragraphs (a) and (b).

* * *

SECTION 6. Section 27-103-303, Mississippi Code of 1972, is amended as follows:

27-103-303. (1) There is created in the State Treasury a special fund, separate and apart from any other fund, to be designated the Capital Expense Fund.

(2) The Capital Expense Fund shall not be considered as a surplus or available funds when adopting a balanced budget as required by law. The State Treasurer shall invest all sums in the Capital Expense Fund not needed for the purposes provided for in this section in certificates of deposit, repurchase agreements and other securities as authorized in Section 27-105-33(d) or Section 7-9-103, as the State Treasurer may determine to yield the highest market rate available. Interest earned on this fund shall be deposited by the State Treasurer into the State General Fund.

(3) The Capital Expense Fund shall be used for capital expense needs, repair and renovation of state-owned properties and specific expenditures authorized by the Legislature. The Legislature shall designate those capital expense projects, repair and renovation projects and other authorized projects in an appropriation act passed by the Legislature, which shall direct the Director of the Department of Finance and Administration to administer the projects.

(4) In addition to the purposes specified in subsection (3) of this section, the Capital Expense Fund shall be used to provide funds for emergency repairs on state-owned buildings * * * upon requisition of the Executive Director of the Department of Finance and Administration. Whenever the executive director determines that funds are immediately needed for emergency repairs on state-owned buildings * * *, he or she shall requisition the funds needed from the Capital Expense Fund, which shall be subject to the limitations set forth in this subsection. At the same time he or she makes the requisition, the executive director shall notify the Lieutenant Governor, the Speaker of the House of

Representatives, the respective Chairmen of the Senate Appropriations Committee, the Senate Finance Committee, the House Appropriations Committee and the House Ways and Means Committee and the Legislative Budget Office of his or her determination of the need for the funds, the amount that he or she has requisitioned and where the funds will be used. If the amount requisitioned is available in the Capital Expense Fund, is not allocated for any specific projects as authorized in subsection (3) of this section and is within the limitations set forth below in this subsection, then the executive director may escalate the budget of the Bureau of Building, Grounds and Real Property Management * * * to use the full amount of the requisitioned funds for the emergency repairs * * * and transfer that amount to the bureau * * * for that purpose. If the amount requisitioned is more than the amount available in the Capital Expense Fund or above the limitations set forth below in this subsection, then the executive director may escalate the budget of the bureau * * * to use the amount that is available within the limitations for the emergency repairs * * * and transfer that amount to the bureau * * * for that purpose. The maximum amount that may be transferred from the Capital Expense Fund to the bureau * * * for any single emergency shall be One Million Dollars (\$1,000,000.00), and the maximum amount that may be transferred to the bureau * * * for all emergencies during any fiscal year shall be Five Million Dollars (\$5,000,000.00).

(5) Funds deposited in the Capital Expense Fund shall be used only for the purposes specified in this section, and as long as the provisions of this section remain in effect, no other expenditure, appropriation or transfer of funds in the Capital Expense Fund shall be made except by act of the Legislature making specific reference to the Capital Expense Fund as the source of those funds.

(6) Unexpended funds in the Capital Expense Fund at the end of a fiscal year shall not lapse into the State General Fund but shall remain in the fund for use under this section. Any funds appropriated from the Capital Expense Fund that are unexpended at the end of a fiscal year shall lapse into the Capital Expense Fund.

SECTION 7. Section 1 of Chapter 43, Laws of 2020, is amended as follows:

Section 1. The following sum, or so much thereof as may be necessary, is hereby appropriated out of any money in the State General Fund not otherwise appropriated, for the aid and support of the public community and junior colleges for the fiscal year beginning July 1, 2020, and ending June 30, 2021

..... * * * \$142,948,318.00.

SECTION 8. Section 8 of Chapter 43, Laws of 2020, is amended as follows:

Section 8. The following sum, or so much thereof as may be necessary, is hereby appropriated out of any money in the State General Fund not otherwise appropriated, for the aid of the public community and junior colleges, to fund life and health insurance, for all employees of the public community and junior colleges for the fiscal year beginning July 1, 2020, and ending

June 30, 2021 * * * \$24,254,533.00.

The funds allocated in this section shall only be used to participate in the State and School Employees' Life and Health Insurance Plan. Any funds appropriated in this section which are not expended during the fiscal year shall be carried forward for the same purposes during the next succeeding fiscal year.

SECTION 9. Section 16 of Chapter 78, Laws of 2020, which appropriates a certain amount from the Capital Expense Fund to the Division of Medicaid, is repealed.

SECTION 10. There is created in the State Treasury a special fund to be designated as the "MDA Site Development Grant Program Fund," which shall consist of

funds made available by the Legislature in any manner and funds from any other source designated for deposit into the fund. Monies in the fund shall be used by the Mississippi Development Authority, upon appropriation by the Legislature, to make grants to assist eligible entities under the Mississippi Site Development Grant Program as provided in Section 57-1-701. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any investment earnings or interest earned on amounts in the fund shall be deposited to the credit of the fund.

SECTION 11. Not later than thirty (30) days after the effective date of this act, the State Fiscal Officer shall transfer the full balance in the Mississippi Development Authority Job Training Grant Fund into the Capital Expense Fund.

SECTION 12. Not later than thirty (30) days after the effective date of this act, the State Fiscal Officer shall transfer the full balance in the State Public School Education Technology Fund into the Capital Expense Fund.

SECTION 13. Section 57-1-451, Mississippi Code of 1972, which creates the Mississippi Development Authority Job Training Grant Fund, is repealed thirty (30) days after the effective date of this act.

SECTION 14. (1) There is created in the State Treasury a special fund to be designated as the "DEQ Water, Land and Air Contamination Projects Fund," which shall consist of funds transferred from the Attorney General Contingent Fund under the provisions of subsection (2) of this section, any other funds made available by the Legislature in any manner and funds from any other source designated for deposit into the fund. Monies in the fund shall be used by the Mississippi Department of Environmental Quality, upon appropriation by the Legislature, for the purpose of assessment, remediation, operation and maintenance, cost-sharing, oversight and administration of water, land and air contamination projects within the State of Mississippi pursuant to the 2020 settlement in the case of The State of Mississippi ex rel. Lynn Fitch, Attorney General vs. EnPro, Inc., et.al.; Cause No. CV-2017-19-JMY2. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any investment earnings or interest earned on amounts in the fund shall be deposited to the credit of the fund.

(2) During fiscal year 2022, the State Fiscal Officer shall transfer the sum of One Million Dollars (\$1,000,000.00) from the Attorney General Contingent Fund to the DEQ Water, Land and Air Contamination Projects Fund created in subsection (1) of this section.

SECTION 15. (1) It is the intent of the Legislature that the agencies listed in subsection (2) of this section shall have the authority to expend funds from any source that may become available to the agency in fiscal year 2022 in accordance with the rules and regulations of the Department of Finance and Administration in a manner consistent with the escalation of federal funds for the purpose of implementation and funding Project SEC2 of the Colonel Guy Groff State Variable Compensation Plan beginning January 1, 2022 and ending June 30, 2022. It shall be the agency's responsibility to make certain that each person, excluding executive directors, agency heads, and elected judges, shall receive no more than a three percent (3%) annual increase in salary which shall not exceed the market rate established by the State Personnel Board pursuant to the Colonel Guy Groff State Variable Compensation Plan for each classification.

(2) Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this section. The agencies listed are authorized to escalate other special funds for the limited purpose provided in this section in an amount not to exceed the following:

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 761: State Veterans Affairs Board; revise powers and duties relating to the operation of the State Veterans Homes.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 35-1-7, Mississippi Code of 1972, is amended as follows:

35-1-7. (1) The duties of the State Veterans Affairs Board shall be to assist former and present members of the Armed Forces of the United States, and their dependents, in securing any benefits or privileges under any federal or state law or regulation to which they are entitled and to advise the Governor and Legislature on veterans affairs. Moreover, veterans or their dependents shall be given their choice of organizations to represent them in instances where a case is appealed, and the board shall lend its full cooperation in connection therewith.

(2) The board and its employees shall cooperate fully with all congressionally chartered veterans organizations within the state, including servicing the power of attorney of the congressionally chartered veterans organizations upon the request of the organizations to the State Veterans Affairs Board in the prosecution of all claims on behalf of veterans. However, all powers of attorney to the State Veterans Affairs Board shall be processed first, and thereafter, powers of attorney shall be processed for veterans organizations in the ratio that the membership of the organization bears to the total number of veterans residing in Mississippi.

(3) The State Veterans Affairs Board is designated as the "state approving agency" for the State of Mississippi. It shall be the duty of the State Veterans Affairs Board to inspect, approve and supervise schools, institutions and establishments for war orphan and veteran training as provided in Section 1771, Chapter 35, Title 38, United States Code, and in any subsequent acts passed by the Congress of the United States for the purpose of education and training of war orphans or former and present members of the Armed Forces of the United States. The State Veterans Affairs Board is authorized to employ the needed personnel to perform the duties as outlined in Section 1771, Chapter 35, Title 38, United States Code, and in any subsequent acts as enacted by the Congress of the United States, and to enter into contract with the Department of Veterans Affairs for salary and travel reimbursement for personnel employed for this purpose.

(4) The State Veterans Affairs Board shall operate all Mississippi state veterans homes when established as authorized by Sections 35-1-19 through 35-1-29.

(5) The powers of the State Veterans Affairs Board in relation to operating the State Veterans Homes shall specifically include, but not be limited to, the following authority:

(a) To expend, upon appropriation by the Legislature, any revenue generated by the State Veterans Homes in support of the State Veterans Homes;

(b) To enter into loan or scholarship agreements with employees or students to provide educational assistance where such student or employee agrees to work for a stipulated period of time for the board. Under this agreement the employee will agree to commit to up to three (3) years but no less than one (1) year, to be determined by the employment position and the amount of student debt; provided, however, no State General Fund monies shall be used for such purposes and the majority of funds for such purposes shall be provided through programs established by the Mississippi Department of Health, the United States Department of Health and Human Services, and the United States Department of Veterans Affairs; and

(c) To sell or otherwise dispose of any chattel property of the State Veterans Affairs Board used in operation of the State Veterans Homes where such disposition is consistent with the homes' purposes or where such property is deemed by the board or its designee to be surplus or otherwise unneeded. The State Veterans Affairs Board shall develop and submit an annual report to the Legislature on any such sale or disposition and shall ensure that the proceeds shall be used to defray the operation of the State Veterans Homes.

(6) The State Veterans Affairs Board is authorized to adopt such policies and to prescribe such rules and regulations as it may deem necessary for the proper administration of this chapter. However, such policies and regulations shall not be in conflict with any of the provisions of this chapter.

SECTION 2. Section 29-9-9, Mississippi Code of 1972, is amended as follows:

29-9-9. (1) Whenever any vehicle, equipment, office furniture, office fixture or any other personal property which has been acquired or is owned by any institution, department or agency of the State of Mississippi becomes obsolete or is no longer needed or required for the use of such institution, department or agency, the same may be: (a) sold for cash, transferred, traded or exchanged for other property, furniture, equipment, fixture or vehicle needed by said institution, department or agency after having first obtained the written approval of the Governor's Office of General Services and the State Auditor or approval by the Legislative Budget Office if utilized under the jurisdiction of the Legislature; or (b) donated to any institution, department or agency of the State of Mississippi, or any political subdivision or local governing authority of the state. The singular shall include the plural. Transfers, trades, exchanges or donations made pursuant to this subsection may be made to any political subdivision or local governing authority of the State of Mississippi.

(2) The proceeds of all cash sales made, as authorized in this section, shall be paid over into the support and maintenance or contingent fund of the institution, department or agency as it deems best.

(3) The head of each state institution, department or agency shall be responsible and liable personally and on his official bond, in the amount of the value shown on the state inventory, for the disposal of any property contrary to the provisions of this section.

(4) The Office of General Services, on the approval of the Public Procurement Review Board, is hereby authorized and empowered to make reasonable rules and regulations and to require such information as may be necessary to carry out the purpose and provisions of this section.

(5) Any violation of the provisions hereof by any elected head of any institution, department, commission or agency of the State of Mississippi, or any appointee or employee of any institution, department, agency or commission coming under the provisions of this section, shall constitute a misdemeanor and, upon conviction therefor, shall be punished by a fine of not exceeding One Thousand Dollars (\$1,000.00) in addition to personal and official liability, as hereinabove provided.

(6) The disposal of any unneeded personal property at the project described in Section 57-75-5(f)(vi), may be made in accordance with the provisions of the Mississippi Major Economic Impact Act by the Mississippi Major Economic Impact Authority, under such rules and regulations as may be adopted by such authority.

H. B. No. 929: Reentry for offenders; bring forward certain sections relating to.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

SECTION 1. (1) This act shall be known as the "Reentry Court Act of 2021."

(3) The Senior Circuit Court Judge of the First, Second, Seventh, and Fifteenth Circuit Court Districts may establish a pilot reentry division in the district. Any person placed in the reentry court shall be counted in determining funding allocations to the court from the Administrative Office of Courts.

(4) Participation in the workforce development sentencing program as authorized by the provisions of this section shall be subject to certain provisions. The court may recommend that a defendant convicted of one or more felony offenses in this state or any other state or federal court participate in the workforce development sentencing program if all of the following criteria are satisfied:

(g) Other criminal proceedings alleging commission of a crime of violence as listed in Section 97-3-2, except house burglary under Section 97-17-23(1), shall not be pending against the defendant; and

(h) The crime before the court shall not be a charge of any crime that resulted in the death of a person.

(5) Upon a determination that the defendant meets the eligibility and suitability criteria provided for in subsection (4) of this section, the court shall advise the defendant that he may be eligible for enrollment in the workforce development sentencing program.

(6) Prior to sentence, the court shall contact the Department of Corrections Reentry Services to determine if there is adequate capacity for enrollment or if bed space is available.

(7) In offering a defendant the opportunity to request the program, the court shall advise the defendant of the following:

(a) If the defendant is eligible to participate in the workforce development sentencing program, the defendant shall waive the right to a trial. The defendant shall enter a plea of guilty to the charge with the stipulation that the defendant shall be sentenced to custody of the Department of Corrections to participate in the Offender Rehabilitation and Workforce Development Program, and, after successful completion of that program, the court shall suspend the remainder of his or her sentence and place him or her on probation under the intensive supervision of the reentry division of court.

(b) The court may impose any conditions reasonably related to the rehabilitation of the defendant, including ordering the defendant to participate and complete a substance abuse treatment program.

(d) Notwithstanding any provision of law to the contrary, any offender sentenced under this section shall not be eligible for parole pursuant to Section 47-7-3, nor earn "good time" pursuant to Section 47-5-138, 47-5-138.1, 47-5-139 or 47-5-142 while in the program.

(8) The defendant shall agree to participation in the workforce development sentencing program.

(9) The judge shall consider the following factors in determining whether workforce development sentencing is in the interest of justice and of benefit to the defendant and the community:

(a) The nature of the crime charged and the circumstances surrounding the crime;

(b) Any special characteristics or circumstances of the defendant;

(c) Whether there is a probability that the defendant will cooperate with and benefit from the workforce development sentencing program;

(d) Whether the available workforce development sentencing program is appropriate to meet the needs of the defendant;

- (e) The impact of the defendant's sentencing upon the community;
- (f) Recommendations, if any, of the district attorney;
- (g) Recommendations, if any, of the involved law enforcement agency;
- (h) Recommendations, if any, of the victim;

- (k) Any other circumstances reasonably related to the defendant's case.

(10) If the judge determines that the defendant shall be enrolled in the workforce development sentencing program, the court shall accept the defendant's guilty plea and sentence the defendant to the custody of the Department of Corrections for a term of years subject to participation in the Offender Rehabilitation and Workforce Development Program under the terms and conditions of the workforce development sentencing program.

(11) If the judge determines that the defendant is not qualified for enrollment, the judge shall state for the record the reasons for that determination.

(12) If the defendant successfully completes the Offender Rehabilitation and Workforce Development Program and successfully completes all other requirements of the workforce development sentencing program, the court, notwithstanding any provision of Section 47-7-33 or 47-7-47 to the contrary, shall suspend the remainder of his sentence and place the person on probation for not more than three (3) years under the intensive supervision of the reentry division of court. If the defendant fails to complete the program, the court shall order the defendant to serve all or part of the remainder of the sentence. The Department of Corrections shall not grant any "good time credits" for the time served prior to the resentencing nor shall the time in the program be used to calculate a parole eligibility date.

(13) If the defendant violates any condition of his reentry probation, the court may revoke the probation and order the defendant to serve all or part of the sentence previously imposed and suspended, unless the violation is a technical violation and then the court may impose a sentence of not more than ninety (90) days to be served at the Technical Violation Center. The term of the revocation for a technical violation shall begin on the date the court orders the revocation. Upon completion of the imposed sentence for the technical revocation, the defendant shall return to active supervised probation for a period equal to the remainder of the original period of probation subject to any additional conditions imposed by the court.

(14) This section shall stand repealed on July 1, 2024.

SECTION 2. The Joint Legislative Committee on Performance Evaluation and Expenditure Review shall conduct a review of all reentry court programs active after three (3) years and produce a report to the Legislature on their effectiveness by December 1, 2024. The PEER Committee may seek the assistance of the Administrative Office of Courts or any other criminal justice experts it deems necessary during its review.

SECTION 3. The Department of Corrections is authorized to provide for hospice care services for inmates who are confined in facilities under the jurisdiction of the department and who are terminally ill as defined in Section 41-85-3. The department may have those hospice care services provided by properly qualified employees of the

department or may contract for the providing of the hospice care services. If the department provides the hospice care services with department employees, the department is not required to have a license under the Mississippi Hospice Law.

SECTION 4. Section 41-85-5, Mississippi Code of 1972, is amended as follows:

41-85-5. (1) It is unlawful for a person to operate or maintain a hospice, use the title "hospice," or represent that the person provides a hospice program of care, without first obtaining a license therefor from the department.

(2) The license shall be displayed in a conspicuous place inside the hospice program office; shall be valid only in the possession of the person to which it is issued; shall not be subject to sale, assignment or other transfer, voluntary or involuntary; and shall not be valid for any hospice other than the hospice for which originally issued.

(3) Services provided by a hospital, nursing home or other health care facility or health care provider shall not be considered to constitute a hospice program of care unless such facility, provider or care giver establishes a freestanding or distinct hospice unit, staff, facility and services to provide hospice home care, homelike inpatient hospice care, or outpatient hospice care under the separate and distinct administrative authority of a hospice program.

(4) A license for a hospice program shall not be issued if the hospice is to be located in an area in violation of any local zoning ordinances or regulations.

(5) The Department of Corrections may provide hospice care services to inmates confined in facilities under the jurisdiction of the department as authorized under Section 3 of this act without a license issued under this chapter.

SECTION 5. Section 43-11-1, Mississippi Code of 1972, is amended as follows:

43-11-1. When used in this chapter, the following words shall have the following meaning:

(a) "Institutions for the aged or infirm" means a place either governmental or private that provides group living arrangements for four (4) or more persons who are unrelated to the operator and who are being provided food, shelter and personal care, whether any such place is organized or operated for profit or not. The term "institution for the aged or infirm" includes nursing homes, pediatric skilled nursing facilities, psychiatric residential treatment facilities, convalescent homes, homes for the aged * * *, adult foster care facilities * * * and special care facilities for paroled inmates, provided that these institutions fall within the scope of the definitions set forth above. The term "institution for the aged or infirm" does not include hospitals, clinics or mental institutions devoted primarily to providing medical service, and does not include any private residence in which the owner of the residence is providing personal care services to disabled or homeless veterans under an agreement with, and in compliance with the standards prescribed by, the United States Department of Veterans Affairs, if the owner of the residence also provided personal care services to disabled or homeless veterans at any time during calendar year 2008.

(b) "Person" means any individual, firm, partnership, corporation, company, association or joint-stock association, or any licensee herein or the legal successor thereof.

(c) "Personal care" means assistance rendered by personnel of the home to aged or infirm residents in performing one or more of the activities of daily living, which includes, but is not limited to, the bathing, walking, excretory functions, feeding, personal grooming and dressing of such residents.

(d) "Psychiatric residential treatment facility" means any nonhospital establishment with permanent facilities which provides a twenty-four-hour program of care by qualified therapists, including, but not limited to, duly licensed mental health professionals, psychiatrists, psychologists, psychotherapists and licensed certified social workers, for emotionally disturbed children and adolescents referred to such facility by a court, local school district or by the Department of Human Services, who are not in an acute phase of illness requiring the services of a psychiatric hospital, and are in need of such restorative treatment services. For purposes of this paragraph, the term "emotionally disturbed" means a condition exhibiting one or more of the following characteristics over a long period of time and to a marked degree, which adversely affects educational performance:

1. An inability to learn which cannot be explained by intellectual, sensory or health factors;
2. An inability to build or maintain satisfactory relationships with peers and teachers;
3. Inappropriate types of behavior or feelings under normal circumstances;
4. A general pervasive mood of unhappiness or depression; or
5. A tendency to develop physical symptoms or fears associated with personal or school problems. An establishment furnishing primarily domiciliary care is not within this definition.

(e) "Pediatric skilled nursing facility" means an institution or a distinct part of an institution that is primarily engaged in providing to inpatients skilled nursing care and related services for persons under twenty-one (21) years of age who require medical or nursing care or rehabilitation services for the rehabilitation of injured, disabled or sick persons.

(f) "Licensing agency" means the State Department of Health.

(g) "Medical records" mean, without restriction, those medical histories, records, reports, summaries, diagnoses and prognoses, records of treatment and medication ordered and given, notes, entries, x-rays and other written or graphic data prepared, kept, made or maintained in institutions for the aged or infirm that pertain to residency in, or services rendered to residents of, an institution for the aged or infirm.

(h) "Adult foster care facility" means a home setting for vulnerable adults in the community who are unable to live independently due to physical, emotional, developmental or mental impairments, or in need of emergency and continuing protective social services for purposes of preventing further abuse or neglect and for safeguarding and enhancing the welfare of the abused or neglected vulnerable adult. Adult foster care programs shall be designed to meet the needs of vulnerable adults with impairments through individual plans of care, which provide a variety of health, social and related support services in a protective setting, enabling participants to live in the community. Adult foster care programs may be (i) traditional, where the foster care provider lives in the residence and is the primary caregiver to clients in the home; (ii) corporate, where the foster care home is operated by a corporation with shift staff delivering services to clients; or (iii) shelter, where the foster care home accepts clients on an emergency short-term basis for up to thirty (30) days.

(i) "Special care facilities for paroled inmates" means long-term care and skilled nursing facilities licensed as special care facilities for medically frail paroled inmates, formed to ease the burden of prison overcrowding and provide compassionate release and medical parole initiatives while impacting economic outcomes for the

Mississippi Prison System. The facilities shall meet all Mississippi Department of Health and federal Center for Medicaid Services (CMS) requirements and shall be regulated by both agencies; provided, however, such regulations shall not be as restrictive as those required for personal care homes and other institutions devoted primarily to providing medical services. The facilities will offer physical, occupational and speech therapy, nursing services, wound care, a dedicated COVID services unit, individualized patient centered plans of care, social services, spiritual services, physical activities, transportation, medication, durable medical equipment, personalized meal plans by a licensed dietician and security services. There may be up to three (3) facilities located in each Public Service Commission district, to be designated by the Chairman of the State Parole Board or his designee.

SECTION 6. Section 43-11-13, Mississippi Code of 1972, is amended as follows:

43-11-13. (1) The licensing agency shall adopt, amend, promulgate and enforce such rules, regulations and standards, including classifications, with respect to all institutions for the aged or infirm to be licensed under this chapter as may be designed to further the accomplishment of the purpose of this chapter in promoting adequate care of individuals in those institutions in the interest of public health, safety and welfare. Those rules, regulations and standards shall be adopted and promulgated by the licensing agency and shall be recorded and indexed in a book to be maintained by the licensing agency in its main office in the State of Mississippi, entitled "Rules, Regulations and Minimum Standards for Institutions for the Aged or Infirm" and the book shall be open and available to all institutions for the aged or infirm and the public generally at all reasonable times. Upon the adoption of those rules, regulations and standards, the licensing agency shall mail copies thereof to all those institutions in the state that have filed with the agency their names and addresses for this purpose, but the failure to mail the same or the failure of the institutions to receive the same shall in no way affect the validity thereof. The rules, regulations and standards may be amended by the licensing agency, from time to time, as necessary to promote the health, safety and welfare of persons living in those institutions.

(2) The licensee shall keep posted in a conspicuous place on the licensed premises all current rules, regulations and minimum standards applicable to fire protection measures as adopted by the licensing agency. The licensee shall furnish to the licensing agency at least once each six (6) months a certificate of approval and inspection by state or local fire authorities. Failure to comply with state laws and/or municipal ordinances and current rules, regulations and minimum standards as adopted by the licensing agency, relative to fire prevention measures, shall be prima facie evidence for revocation of license.

(3) The State Board of Health shall promulgate rules and regulations restricting the storage, quantity and classes of drugs allowed in personal care homes and adult foster care facilities. Residents requiring administration of Schedule II Narcotics as defined in the Uniform Controlled Substances Law may be admitted to a personal care home. Schedule drugs may only be allowed in a personal care home if they are administered or stored utilizing proper procedures under the direct supervision of a licensed physician or nurse.

(4) (a) Notwithstanding any determination by the licensing agency that skilled nursing services would be appropriate for a resident of a personal care home, that resident, the resident's guardian or the legally recognized responsible party for the resident may consent in writing for the resident to continue to reside in the personal care home, if approved in writing by a licensed physician. However, no personal care home shall allow more than two (2) residents, or ten percent (10%) of the total number of residents in the facility, whichever is greater, to remain in the personal care home under the provisions of this subsection (4). This consent shall be deemed to be appropriately informed consent as described in the regulations promulgated by the licensing agency. After that written consent has been obtained, the resident shall have the right to continue

to reside in the personal care home for as long as the resident meets the other conditions for residing in the personal care home. A copy of the written consent and the physician's approval shall be forwarded by the personal care home to the licensing agency.

(b) The State Board of Health shall promulgate rules and regulations restricting the handling of a resident's personal deposits by the director of a personal care home. Any funds given or provided for the purpose of supplying extra comforts, conveniences or services to any resident in any personal care home, and any funds otherwise received and held from, for or on behalf of any such resident, shall be deposited by the director or other proper officer of the personal care home to the credit of that resident in an account that shall be known as the Resident's Personal Deposit Fund. No more than one (1) month's charge for the care, support, maintenance and medical attention of the resident shall be applied from the account at any one time. After the death, discharge or transfer of any resident for whose benefit any such fund has been provided, any unexpended balance remaining in his personal deposit fund shall be applied for the payment of care, cost of support, maintenance and medical attention that is accrued. If any unexpended balance remains in that resident's personal deposit fund after complete reimbursement has been made for payment of care, support, maintenance and medical attention, and the director or other proper officer of the personal care home has been or shall be unable to locate the person or persons entitled to the unexpended balance, the director or other proper officer may, after the lapse of one (1) year from the date of that death, discharge or transfer, deposit the unexpended balance to the credit of the personal care home's operating fund.

(c) The State Board of Health shall promulgate rules and regulations requiring personal care homes to maintain records relating to health condition, medicine dispensed and administered, and any reaction to that medicine. The director of the personal care home shall be responsible for explaining the availability of those records to the family of the resident at any time upon reasonable request.

(5) The State Board of Health and the Mississippi Department of Corrections shall jointly issue rules and regulations for the operation of the special care facilities for paroled inmates.

(* * *6) (a) For the purposes of this subsection (* * *6):

(i) "Licensed entity" means a hospital, nursing home, personal care home, home health agency, hospice or adult foster care facility;

(ii) "Covered entity" means a licensed entity or a health care professional staffing agency;

(iii) "Employee" means any individual employed by a covered entity, and also includes any individual who by contract provides to the patients, residents or clients being served by the covered entity direct, hands-on, medical patient care in a patient's, resident's or client's room or in treatment or recovery rooms. The term "employee" does not include health care professional/vocational technical students performing clinical training in a licensed entity under contracts between their schools and the licensed entity, and does not include students at high schools located in Mississippi who observe the treatment and care of patients in a licensed entity as part of the requirements of an allied-health course taught in the high school, if:

1. The student is under the supervision of a licensed health care provider; and

2. The student has signed an affidavit that is on file at the student's school stating that he or she has not been convicted of or pleaded guilty or nolo contendere to a felony listed in paragraph (d) of this subsection (* * *6), or that any such conviction or plea was reversed on appeal or a pardon was granted for the conviction or

plea. Before any student may sign such an affidavit, the student's school shall provide information to the student explaining what a felony is and the nature of the felonies listed in paragraph (d) of this subsection (* * *6).

However, the health care professional/vocational technical academic program in which the student is enrolled may require the student to obtain criminal history record checks. In such incidences, paragraph (a)(iii)1 and 2 of this subsection (* * *6) does not preclude the licensing entity from processing submitted fingerprints of students from healthcare-related professional/vocational technical programs who, as part of their program of study, conduct observations and provide clinical care and services in a covered entity.

(b) Under regulations promulgated by the State Board of Health, the licensing agency shall require to be performed a criminal history record check on (i) every new employee of a covered entity who provides direct patient care or services and who is employed on or after July 1, 2003, and (ii) every employee of a covered entity employed before July 1, 2003, who has a documented disciplinary action by his or her present employer. In addition, the licensing agency shall require the covered entity to perform a disciplinary check with the professional licensing agency of each employee, if any, to determine if any disciplinary action has been taken against the employee by that agency.

Except as otherwise provided in paragraph (c) of this subsection (* * *6), no such employee hired on or after July 1, 2003, shall be permitted to provide direct patient care until the results of the criminal history record check have revealed no disqualifying record or the employee has been granted a waiver. In order to determine the employee applicant's suitability for employment, the applicant shall be fingerprinted. Fingerprints shall be submitted to the licensing agency from scanning, with the results processed through the Department of Public Safety's Criminal Information Center. The fingerprints shall then be forwarded by the Department of Public Safety to the Federal Bureau of Investigation for a national criminal history record check. The licensing agency shall notify the covered entity of the results of an employee applicant's criminal history record check. If the criminal history record check discloses a felony conviction, guilty plea or plea of nolo contendere to a felony of possession or sale of drugs, murder, manslaughter, armed robbery, rape, sexual battery, sex offense listed in Section 45-33-23(h), child abuse, arson, grand larceny, burglary, gratification of lust or aggravated assault, or felonious abuse and/or battery of a vulnerable adult that has not been reversed on appeal or for which a pardon has not been granted, the employee applicant shall not be eligible to be employed by the covered entity.

(c) Any such new employee applicant may, however, be employed on a temporary basis pending the results of the criminal history record check, but any employment contract with the new employee shall be voidable if the new employee receives a disqualifying criminal history record check and no waiver is granted as provided in this subsection (* * *6).

(d) Under regulations promulgated by the State Board of Health, the licensing agency shall require every employee of a covered entity employed before July 1, 2003, to sign an affidavit stating that he or she has not been convicted of or pleaded guilty or nolo contendere to a felony of possession or sale of drugs, murder, manslaughter, armed robbery, rape, sexual battery, any sex offense listed in Section 45-33-23(h), child abuse, arson, grand larceny, burglary, gratification of lust, aggravated assault, or felonious abuse and/or battery of a vulnerable adult, or that any such conviction or plea was reversed on appeal or a pardon was granted for the conviction or plea. No such employee of a covered entity hired before July 1, 2003, shall be permitted to provide direct patient care until the employee has signed the affidavit required by this paragraph (d). All such existing employees of covered entities must sign the affidavit required by this paragraph (d) within six (6) months of the final adoption of the regulations promulgated by the State Board of Health. If a person signs the affidavit required by this paragraph (d), and it is later determined that the person actually had been convicted of or pleaded guilty or nolo

contendere to any of the offenses listed in this paragraph (d) and the conviction or plea has not been reversed on appeal or a pardon has not been granted for the conviction or plea, the person is guilty of perjury. If the offense that the person was convicted of or pleaded guilty or nolo contendere to was a violent offense, the person, upon a conviction of perjury under this paragraph, shall be punished as provided in Section 97-9-61. If the offense that the person was convicted of or pleaded guilty or nolo contendere to was a nonviolent offense, the person, upon a conviction of perjury under this paragraph, shall be punished by a fine of not more than Five Hundred Dollars (\$500.00), or by imprisonment in the county jail for not more than six (6) months, or by both such fine and imprisonment.

(e) The covered entity may, in its discretion, allow any employee who is unable to sign the affidavit required by paragraph (d) of this subsection (** *6) or any employee applicant aggrieved by an employment decision under this subsection (** *6) to appear before the covered entity's hiring officer, or his or her designee, to show mitigating circumstances that may exist and allow the employee or employee applicant to be employed by the covered entity. The covered entity, upon report and recommendation of the hiring officer, may grant waivers for those mitigating circumstances, which shall include, but not be limited to: (i) age at which the crime was committed; (ii) circumstances surrounding the crime; (iii) length of time since the conviction and criminal history since the conviction; (iv) work history; (v) current employment and character references; and (vi) other evidence demonstrating the ability of the individual to perform the employment responsibilities competently and that the individual does not pose a threat to the health or safety of the patients of the covered entity.

(f) The licensing agency may charge the covered entity submitting the fingerprints a fee not to exceed Fifty Dollars (\$50.00), which covered entity may, in its discretion, charge the same fee, or a portion thereof, to the employee applicant. Any increase in the fee charged by the licensing agency under this paragraph shall be in accordance with the provisions of Section 41-3-65. Any costs incurred by a covered entity implementing this subsection (** *6) shall be reimbursed as an allowable cost under Section 43-13-116.

(g) If the results of an employee applicant's criminal history record check reveals no disqualifying event, then the covered entity shall, within two (2) weeks of the notification of no disqualifying event, provide the employee applicant with a notarized letter signed by the chief executive officer of the covered entity, or his or her authorized designee, confirming the employee applicant's suitability for employment based on his or her criminal history record check. An employee applicant may use that letter for a period of two (2) years from the date of the letter to seek employment with any covered entity without the necessity of an additional criminal history record check. Any covered entity presented with the letter may rely on the letter with respect to an employee applicant's criminal background and is not required for a period of two (2) years from the date of the letter to conduct or have conducted a criminal history record check as required in this subsection (** *6).

(h) The licensing agency, the covered entity, and their agents, officers, employees, attorneys and representatives, shall be presumed to be acting in good faith for any employment decision or action taken under this subsection (** *6). The presumption of good faith may be overcome by a preponderance of the evidence in any civil action. No licensing agency, covered entity, nor their agents, officers, employees, attorneys and representatives shall be held liable in any employment decision or action based in whole or in part on compliance with or attempts to comply with the requirements of this subsection (** *6).

(i) The licensing agency shall promulgate regulations to implement this subsection (** *6).

(j) The provisions of this subsection (** *6) shall not apply to:

(i) Applicants and employees of the University of Mississippi Medical Center for whom criminal history record checks and fingerprinting are obtained in accordance with Section 37-115-41; or

(ii) Health care professional/vocational technical students for whom criminal history record checks and fingerprinting are obtained in accordance with Section 37-29-232.

(** *7) The State Board of Health shall promulgate rules, regulations and standards regarding the operation of adult foster care facilities.

SECTION 7. Section 47-5-28, Mississippi Code of 1972, is amended as follows:

47-5-28. The commissioner shall have the following powers and duties:

(a) To implement and administer laws and policy relating to corrections and coordinate the efforts of the department with those of the federal government and other state departments and agencies, county governments, municipal governments, and private agencies concerned with providing offender services;

(b) To establish standards, in cooperation with other state agencies having responsibility as provided by law, provide technical assistance, and exercise the requisite supervision as it relates to correctional programs over all state-supported adult correctional facilities and community-based programs;

(c) To promulgate and publish such rules, regulations and policies of the department as are needed for the efficient government and maintenance of all facilities and programs in accord insofar as possible with currently accepted standards of adult offender care and treatment;

(d) To provide the Parole Board with suitable and sufficient office space and support resources and staff necessary to * * * conduct Parole Board business under the guidance of the Chairman of the Parole Board;

(e) To contract for transitional reentry center beds that will be used as noncorrections housing for offenders released from the department on parole, probation or post-release supervision but do not have appropriate housing available upon release. At least one hundred (100) but no more than eight hundred (800) transitional reentry center beds contracted by the department and chosen by the Parole Board shall be available for the Parole Board to place parolees without appropriate housing;

(f) To designate deputy commissioners while performing their officially assigned duties relating to the custody, control, transportation, recapture or arrest of any offender within the jurisdiction of the department or any offender of any jail, penitentiary, public workhouse or overnight lockup of the state or any political subdivision thereof not within the jurisdiction of the department, to the status of peace officers anywhere in the state in any matter relating to the custody, control, transportation or recapture of such offender, and shall have the status of law enforcement officers and peace officers as contemplated by Sections 45-6-3, 97-3-7 and 97-3-19.

For the purpose of administration and enforcement of this chapter, deputy commissioners of the Mississippi Department of Corrections, who are certified by the Mississippi Board on Law Enforcement Officer Standards and Training, have the powers of a law enforcement officer of this state. Such powers shall include to make arrests and to serve and execute search warrants and other valid legal process anywhere within the State of Mississippi while performing their officially assigned duties relating to the custody, control, transportation, recapture or arrest of any offender within the jurisdiction of the department or any offender of any jail, penitentiary, public workhouse or overnight lockup

of the state or any political subdivision thereof not within the jurisdiction of the department in any matter relating to the custody, control, transportation or recapture of such offender * * *;

(g) To make an annual report to the Governor and the Legislature reflecting the activities of the department and make recommendations for improvement of the services to be performed by the department;

(h) To cooperate fully with periodic independent internal investigations of the department and to file the report with the Governor and the Legislature;

(i) To make personnel actions for a period of one (1) year beginning July 1, 2016, that are exempt from State Personnel Board rules, regulations and procedures in order to give the commissioner flexibility in making an orderly, effective and timely reorganization and realignment of the department; * * *

(j) To contract with licensed special care facilities for paroled inmates to provide authorized medical services and support services for medically frail inmates who have been paroled and committed to the custody of such facility; and

(* * *k) To perform such other duties necessary to effectively and efficiently carry out the purposes of the department as may be directed by the Governor.

SECTION 8. Section 47-7-4, Mississippi Code of 1972, is amended as follows:

47-7-4. (1) The commissioner and the medical director of the department may place an offender who has served not less than one (1) year of his or her sentence, except an offender convicted of a sex crime, on conditional medical release. However, a nonviolent offender who is bedridden may be placed on conditional medical release regardless of the time served on his or her sentence. Upon the release of a nonviolent offender who is bedridden, the state shall not be responsible or liable for any medical costs that may be incurred if such costs are acquired after the offender is no longer incarcerated due to his or her placement on conditional medical release. The commissioner shall not place an offender on conditional medical release unless the medical director of the department certifies to the commissioner that (a) the offender is suffering from a significant permanent physical medical condition with no possibility of recovery; (b) that his or her further incarceration will serve no rehabilitative purposes; and (c) that the state would incur unreasonable expenses as a result of his or her continued incarceration. Any offender placed on conditional medical release shall be supervised by the Division of Community Corrections of the department for the remainder of his or her sentence. An offender's conditional medical release may be revoked and the offender returned and placed in actual custody of the department if the offender violates an order or condition of his or her conditional medical release. An offender who is no longer bedridden shall be returned and placed in the actual custody of the department.

(2) (a) The State Parole Board may grant a medical parole and referral to licensed special care facilities for paroled inmates for an inmate determined to be "medically frail" as defined in this subsection.

(b) For purposes of this subsection (2), the term "medically frail" means an individual who is a minimal threat to society as a result of his or her medical condition, whose ability to perform activities of daily living is significantly impaired, and who may have limited mobility as the result of one or more of the following conditions from which the individual is not expected to recover:

(i) A disabling mental disorder, including dementia, Alzheimer's or a similar degenerative brain disorder;

(ii) A serious and complex medical condition; or

(iii) A physical disability.

(c) The following conditions apply to a parole granted under this subsection (2):

(i) An inmate who has been sentenced to capital punishment is not eligible;

(ii) An inmate who has been convicted as a criminal sex offender is not eligible;

(iii) An inmate does not pose a public safety risk as determined by the State Parole Board;

(iv) If the prisoner is incapacitated, an individual legally entitled to agree to the inmate's placement agrees to the inmate's placement in a licensed special care facility for paroled inmates or in a medical facility where medical care and treatment are determined to be appropriate for the parolee by the State Parole Board;

(v) An inmate shall agree to the release of his or her medical records that are directly relevant to the condition or conditions rendering the inmate medically frail to the prosecutor of the county from which the inmate was committed before the State Parole Board determines whether or not to grant parole under this subsection;

(vi) If the inmate is granted parole under this subsection (2), the inmate shall agree to the quarterly release of his or her medical records that are directly relevant to the condition or conditions rendering the inmate medically frail at the request of the prosecutor of the county from which the inmate was committed;

(vii) The parolee shall adhere to the terms of his or her parole for the length of his or her parole term, and the parole shall be for a term not less than the time necessary to reach the prisoner's earliest release date;

(viii) A parolee who violates the terms of his or her parole or is determined not to be eligible for parole under this subsection (2) may be transferred to a setting more appropriate for the medical needs of the parolee;

(ix) The Department of Corrections or the State Parole Board shall not retain authority over the medical treatment plan for the inmate granted parole under this subsection (2);

(x) The department and the State Parole Board shall ensure that the placement and terms and conditions of parole granted under this subsection (2) do not violate any other state or federal regulations;

(xi) A medical facility utilized by the department to facilitate parole under this subsection (2) shall be operated in a manner that ensures the safety of the residents of the facility.

(d) The Mississippi Department of Corrections may enter into contracts to facilitate the placement of paroled inmates under this subsection (2). The Mississippi Department of Corrections shall appoint a specialist in the appropriate field of medicine, who is not employed by the department, to evaluate the condition of the inmate considered for parole under this subsection (2) and to report on that condition to the department and the State Parole Board. The State Parole Board shall determine whether the inmate is medically frail in consultation with the Mississippi Department of Mental Health.

SECTION 9. The following shall be codified as Section 43-13-117.6, Mississippi Code of 1972:

43-13-117.6. (1) The Division of Medicaid may apply to the federal Center for Medicaid Services (CMS) for necessary waivers to provide federal funding under the Medicaid program for providing reimbursement for authorized services to medically frail inmates who qualify for nursing home-level care and who the state deems are not public safety risks, provided through a Special Care Facility for Paroled Inmates licensed by the State Department of Health under contract with the Mississippi Department of Corrections, as specifically authorized under this act.

(2) The program for paroled inmates shall be funded from monies that are appropriated or otherwise made available to the division specifically to cover the cost of the paroled inmate program and shall not be a part of the division's regular appropriation for the operation of the federal-state Medicaid program. This program shall be a separate program within the Division of Medicaid as the administering agent.

SECTION 10. This act shall take effect and be in force from and after July 1, 2021.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2798: Broadband services; provide for the participation of rate-regulated electric utilities in the expansion of.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 77-3-2, Mississippi Code of 1972, is amended as follows:

77-3-2. (1) The Legislature finds and determines that the rates, services and operations of public utilities as defined in this title are affected with the public interest and that the availability of an adequate and reliable service by such public utilities to the people, economy and government of the State of Mississippi is a matter of public policy. The Legislature hereby declares to be the policy of the State of Mississippi:

- (a) To provide fair regulation of public utilities in the interest of the public;

(b) To promote the inherent advantage of regulated public utilities;

(c) To promote adequate, reliable and economical service to all citizens and residents of the state;

(d) To provide just and reasonable rates and charges for public utility services without unjust discrimination, undue preferences or advantages, or unfair or destructive competitive practices and consistent with long-term management and conservation of energy resources by avoiding wasteful, uneconomic and inefficient uses of energy;

(e) To encourage and promote harmony between public utilities, their users and the environment;

(f) To foster the continued service of public utilities on a well-planned and coordinated basis that is consistent with the level of service needed for the protection of public health and safety and for the promotion of the general welfare;

(g) To cooperate with other states and the federal government in promoting and coordinating interstate and intrastate public utility service and reliability;

(h) To encourage the continued study and research for new and innovative rate-making procedures which will protect the state, the public, the ratepayers and the utilities, and where possible reduce the costs of the rate-making process; and

(i) With respect to rate-regulated public utilities, to foster, encourage, enable and facilitate economic development in the State of Mississippi, * * * to support and augment economic development activities, * * * to expand deployment of existing and emerging technologies, including fiber-optic infrastructure which will foster a more reliable and resilient utility delivery system and provide customer access to enhanced services, to authorize and empower the Public Service Commission * * * in carrying out its statutory responsibilities, and to take every opportunity to advance the economic development of the state.

(2) To these ends, therefore, authority shall be vested in the Mississippi Public Service Commission to regulate public utilities in accordance with the provisions of this title.

(3) (a) The commission shall, in addition to its other powers and duties, be authorized and empowered, in its discretion, to consider and adopt a formula type rate of return evaluation rate which may include provision for the commission to:

(i) Periodically review and adjust, if required, the utility's level of revenues based upon the actual books and records of the utility which are periodically the subject of independent audits and regulatory audits;

(ii) Review the utility's performance in certain areas or categories which may be used by the commission in the manner selected by it which may include rate incentives or penalties so long as such are found to be fair and reasonable and result in a level of revenue which is fair and reasonable; and

(iii) Use such other provisions which may be permitted by this chapter.

(b) When a formula type rate of return evaluation rate with periodic revenue adjustments is adopted by the commission, each periodic revenue adjustment will be separately considered for the purpose of determining whether a hearing is required pursuant to Section 77-3-39(1), and no such hearing shall be required if the amount of

any separate periodic adjustment to the level of revenues of the utility is not a "major change" as defined in Section 77-3-37(8).

(c) In administering any such formula type rate of return evaluation rate, the following procedures shall be observed by the commission:

(i) Each periodic evaluation shall be supported with a sworn filing by the utility incorporating the data specified in the formula rate adopted by the commission, and such data shall be verified by the commission; and

(ii) A hearing shall be required, as provided by law, to determine compliance with the formula rate plan and the accuracy of the data prior to any change in the level of revenues if the cumulative change in any calendar year exceeds the greater of Two Hundred Thousand Dollars (\$200,000.00) or four percent (4%) of the annual revenues of the utility.

(d) The requirements of paragraphs (a), (b) and (c) of this subsection and other applicable provisions of Title 77, Chapter 3, Article 1, Mississippi Code of 1972, which are observed by the commission in administering such rate, are hereby declared to be procedural but are not required to be included in the rate itself.

(4) It is the intention of the Legislature to validate, retroactively to its initial adoption by the commission, any formula type rate, including any revenue adjustments effected pursuant thereto, which has heretofore been adopted by the commission. For the purposes of the retroactive validation and the administration of any formula type rate heretofore adopted by the commission, should the provisions of Title 77, Chapter 3, Article 1, Mississippi Code of 1972, conflict with any provisions of such formula type rate, Title 77, Chapter 3, Article 1, Mississippi Code of 1972, shall be interpreted to prevail and the formula type rate shall hereafter be administered or revised to conform to Title 77, Chapter 3, Article 1, Mississippi Code of 1972; provided, however, such conflict, if any, shall not be held to invalidate the retroactive effect of this section upon such rate.

SECTION 3. Section 77-3-44, Mississippi Code of 1972, is amended as follows:

77-3-44. (1) Any rate-regulated electric or natural gas public utility with certificated service area in Mississippi may undertake economic development activities, whether directly or indirectly, including activities such as providing capital, or investment in or acquisition and development of business or industrial sites and the necessary infrastructure or services needed to attract new or existing businesses or industry, to create or maintain employment opportunities, or expansion of fiber-optic infrastructure or otherwise to positively impact or in some manner promote the sale of electric energy or natural gas within its certificated service area. Any facilities developed, constructed or acquired in support of the activities described in this section, including fiber-optic infrastructure for which a certificate of public convenience and necessity or other commission approval has been granted after July 1, 2015, as well as any capital investment in natural gas reserves made directly or indirectly by an electric or natural gas public utility to foster long-term stability in the cost of fuel, may be deemed used and useful in the provision of electric or natural gas service regardless of whether or not any end-use customers are taking service from said facilities or investment and otherwise recoverable through the utility's rates.

(2) (a) In addition, to further expand fiber-optic infrastructure in the state, any rate-regulated public utility of the type as defined in Section 77-3-3(d)(i) may grant permission to broadband service providers to use the electric delivery system, including without limitation the fiber-optic infrastructure, of the public utility to provide broadband services or other similar services as defined in Section 77-3-3(k) through (o). To the extent a rate-regulated electric public utility grants permission to any broadband service provider to use any part of the utility's electric delivery system, including, without limitation, its fiber optic infrastructure, it must grant such permission on a nonexclusive basis.

(b) The public utility shall not: (i) allow the use of its electric delivery system by a broadband operator to provide broadband services as defined above to diminish the reliability of the electric delivery system; (ii) require any person to purchase broadband services as a condition of receiving or continuing to receive electric service; or (iii) disconnect, or threaten to disconnect, electric service to any customer due to the customer's failure to pay for broadband services. Any complaint related to a public utility's permissive offer of use pursuant to this paragraph (b) shall be brought before and resolved by the Public Service Commission.

(c) In addition, to further expand fiber-optic infrastructure and economic development in the state, any public utility, including electric cooperatives, of the type as defined in Section 77-3-3(d)(i) may grant permission to a retail customer with a nonaggregated load greater than twenty (20) megawatts to construct, install, or maintain

above or underground fiber-optic infrastructure on the public utility's existing right-of-way of its electric delivery system.

(d) In instances where a landowner has previously been compensated for the use of their land through a right-of-way instrument with a public utility, the use of the public utility's electric delivery system for the provision of broadband services to a broadband operator or use of the public utility's existing right-of-way on its electric delivery system by a retail customer to construct, install, or maintain above or underground fiber-optic infrastructure shall not be considered an additional burden on the real property upon which the public utility's electric delivery system is located and shall not require the public utility, the broadband operator or retail customer to obtain the consent of anyone having an interest in the real property upon which the public utility's electric delivery system is located.

(e) If a portion of a public utility's electric delivery system is used by a broadband operator for the provision of broadband services or a portion of a public utility's right-of-way is used by a retail customer to construct, install, or maintain above or underground fiber-optic infrastructure and the landowner of the real property on which such portion is located believes his property has been damaged by such use, the landowner may petition the circuit court of the county in which the property is situated for any damages to which the landowner may be entitled under this subsection:

(i) The petition allowed and damages recoverable under this subsection shall be the landowner's exclusive remedy, and the landowner shall not be entitled to assert any other theory, claims or causes of action nor recover any other damages, punitive damages, costs, attorneys' fees, or other relief.

(ii) The recoverable damages, if any, shall be recoverable only from the broadband operator or retail customer and not from the public utility.

(iii) The damages recoverable shall be an amount equal to the difference between 1. the fair market value of the landowner's interest in the real property immediately before the public utility's electric delivery system on the owner's property was first used by the broadband operator or retail customer for the provision of broadband services, and 2. the fair market value of the landowner's interest in the real property immediately after the public utility's electric delivery system on the landowner's property was first used by the broadband operator or retail customer for the provision of broadband services. The before-and-after values must be established by the testimony of a qualified real estate appraiser. The damages, if any, shall be fixed and shall not be deemed to continue, accumulate, or accrue. The court shall, as part of its judgment, confirm the rights granted by the public utility to the broadband operator or retail customer and their respective successors and assigns for the placement or use of a broadband system on or as part of the electric delivery system. The judgment will have the same effect of a conveyance executed in due form of law and shall run with the land; and a certified copy of said judgment may be filed by the broadband operator retail customer in the land records of the county in which the subject property is located.

(iv) Evidence of past, current or future revenues or profits derived or to be derived by a broadband operator or retail customer from providing broadband services is not admissible for any purpose in any such proceeding.

(v) The landowner shall not be entitled to any damages or other relief relating to any broadband system or portion thereof that is located on the landowner's property or any fiber-optic infrastructure by the retail customer that is located on the landowner's property and is used or could be used by the electric public utility for its own operations.

(vi) The landowner shall not be entitled to any relief or damages if an easement has been granted to the broadband operator or retail customer, if the landowner

has authorized the public utility to use or allow others to use its electric delivery system for the provision of broadband services, or if the landowner has authorized the public utility to use its existing right-of-way to construct, install, or maintain above or underground fiber-optic infrastructure.

(f) Nothing in this section shall affect, abrogate, or eliminate in any way any obligation of a rate-regulated, public utility or broadband operator to comply with any applicable safety and permitting requirements of any railroad company or any state governmental body or agency with respect to property that is held or controlled by such railroad company or state governmental body or agency, as the case may be, and in, on, over, or across which an easement is located.

(g) All costs paid by a rate-regulated public utility to acquire right-of-way shall be considered cost of service and recovered through rates, and all revenue collected by a rate-regulated public utility from third-party use of public utility right-of-way shall be credited back to customers in a comparable manner.

The Public Service Commission shall establish a mechanism for electric utility revenues deriving from the provision of competitive broadband services such that electric service customers receive an annual credit, adjusted annually, for any wholesale revenues derived from fiber optic infrastructure.

SECTION 4. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO PROVIDE FOR CERTAIN PARTICIPATION OF RATE-REGULATED ELECTRIC UTILITIES IN THE EXPANSION OF BROADBAND SERVICES IN THE STATE OF MISSISSIPPI; TO AMEND SECTION 77-3-2, MISSISSIPPI CODE OF 1972, TO DECLARE THAT IT IS THE POLICY OF THE STATE OF MISSISSIPPI TO SUPPORT EXPANSION OF EXISTING AND EMERGING TECHNOLOGIES TO FOSTER RELIABLE AND RESILIENT SERVICE AND CUSTOMER ACCESS TO ENHANCED SERVICES; TO AMEND SECTION 77-3-3, MISSISSIPPI CODE OF 1972, TO INCLUDE DEFINITIONS OF "BROADBAND SERVICE PROVIDER," "BROADBAND OPERATOR" AND "ELECTRIC DELIVERY SYSTEM"; TO AMEND SECTION 77-3-44, MISSISSIPPI CODE OF 1972, TO INCLUDE FIBER-OPTIC INFRASTRUCTURE AS AN ECONOMIC DEVELOPMENT ACTIVITY, TO ALLOW RATE-REGULATED ELECTRIC UTILITIES TO PERMIT BROADBAND PROVIDERS USE OF THE ELECTRIC DELIVERY SYSTEM TO PROVIDE BROADBAND SERVICES, TO REGULATE EASEMENTS, TO ALLOW CERTAIN ENTITIES TO CONSTRUCT FIBER-OPTIC INFRASTRUCTURE ON PUBLIC UTILITIES' EXISTING RIGHTS-OF-WAY; AND FOR RELATED PURPOSES.

A member shall *** receive compensation or per diem in addition to his salary ***. Each member shall keep such hours and workdays as required of full-time state employees under Section 25-1-98. Individuals shall be appointed to serve on the board without reference to their political affiliations. Each board member, including the chairman, may be reimbursed for actual and necessary expenses as authorized by Section 25-3-41. Each member of the board shall complete annual training developed based on guidance from the National Institute of Corrections, the Association of Paroling Authorities International, or the American Probation and Parole Association. Each first-time appointee of the board shall, within sixty (60) days of appointment, or as soon as practical, complete training for first-time Parole Board members developed in consideration of information from the National Institute of Corrections, the Association of Paroling Authorities International, or the American Probation and Parole Association.

(3) The board shall have exclusive responsibility for the granting of parole as provided by Sections 47-7-3 and 47-7-17 and shall have exclusive authority for revocation of the same. The board shall have exclusive responsibility for investigating clemency recommendations upon request of the Governor.

(4) The board, its members and staff, shall be immune from civil liability for any official acts taken in good faith and in exercise of the board's legitimate governmental authority.

(5) The budget of the board shall be funded through a separate line item within the general appropriation bill for the support and maintenance of the department. Employees of the department which are employed by or assigned to the board shall work under the guidance and supervision of the board. There shall be an executive secretary to the board who shall be responsible for all administrative and general accounting duties related to the board. The executive secretary shall keep and preserve all records and papers pertaining to the board.

(6) The board shall have no authority or responsibility for supervision of offenders granted a release for any reason, including, but not limited to, probation, parole or executive clemency or other offenders requiring the same through interstate compact agreements. The supervision shall be provided exclusively by the staff of the Division of Community Corrections of the department.

(7) (a) The Parole Board is authorized to select and place offenders in an electronic monitoring program under the conditions and criteria imposed by the Parole Board. The conditions, restrictions and requirements of Section 47-7-17 and Sections 47-5-1001 through 47-5-1015 shall apply to the Parole Board and any offender placed in an electronic monitoring program by the Parole Board.

(b) Any offender placed in an electronic monitoring program under this subsection shall pay the program fee provided in Section 47-5-1013. The program fees shall be deposited in the special fund created in Section 47-5-1007.

(c) The department shall have absolute immunity from liability for any injury resulting from a determination by the Parole Board that an offender be placed in an electronic monitoring program.

(8) (a) The Parole Board shall maintain a central registry of paroled inmates. The Parole Board shall place the following information on the registry: name, address, photograph, crime for which paroled, the date of the end of parole or flat-time date and other information deemed necessary. The Parole Board shall immediately remove information on a parolee at the end of his parole or flat-time date.

(b) When a person is placed on parole, the Parole Board shall inform the parolee of the duty to report to the parole officer any change in address ten (10) days before changing address.

(c) The Parole Board shall utilize an internet website or other electronic means to release or publish the information.

(d) Records maintained on the registry shall be open to law enforcement agencies and the public and shall be available no later than July 1, 2003.

(9) An affirmative vote of at least four (4) members of the Parole Board shall be required to grant parole to an inmate convicted of capital murder or a sex crime.

(10) This section shall stand repealed on July 1, 2022.

SECTION 6. Section 47-7-15, Mississippi Code of 1972, is amended as follows:

47-7-15. The board shall adopt an official seal of which the courts shall take judicial notice. Decisions of the board shall be made by majority vote, except as provided in Section 47-7-5(9).

The board shall keep a record of its acts and shall notify each institution of its decisions relating to the persons who are or have been confined therein. At the close of each fiscal year the board shall submit to the Governor and to the Legislature a report with statistical and other data of its work.

SECTION 7. Section 47-7-17, Mississippi Code of 1972, is amended as follows:

47-7-17. (1) Within one (1) year after his admission and at such intervals thereafter as it may determine, the board shall secure and consider all pertinent information regarding each offender, except any under sentence of death or otherwise ineligible for parole, including the circumstances of his offense, his previous social history, his previous criminal record, including any records of law enforcement agencies or of a youth court regarding that offender's juvenile criminal history, his conduct, employment and attitude while in the custody of the department, the case plan created to prepare the offender for parole, and the reports of such physical and mental examinations as have been made. The board shall furnish at least three (3) months' written notice to each such offender of the date on which he is eligible for parole.

*** (2) Except as provided in Section 47-7-18, the board *** shall require a parole-eligible offender to have a hearing as required in this chapter before the board and to be interviewed. The hearing shall be held no later than thirty (30) days prior to the month of eligibility. No application for parole of a person convicted of a capital offense shall be considered by the board unless and until notice of the filing of such application shall have been published at least once a week for two (2) weeks in a newspaper published in or having general circulation in the county in which the crime was committed. The board shall, within thirty (30) days prior to the scheduled hearing, also give notice of the filing of the application for parole to the victim of the offense for which the prisoner is incarcerated and being considered for parole or, in case the offense be homicide, a designee of the immediate family of the victim, provided the victim or designated family member has furnished in writing a current address to the board for such purpose. The victim or designated family member shall be provided an opportunity to be heard by the board before the board makes a decision regarding release on parole. The board shall consider whether any restitution ordered has been paid in full. Parole release shall, at the hearing, be ordered only for the best interest of society, not as an award of clemency; it shall not be considered to be a reduction of sentence or pardon. An offender shall be placed on parole only when arrangements have been made for his proper employment or for his maintenance and care, and when the board believes that he is able and willing to fulfill the obligations of a law-abiding citizen. When the board determines that the offender will need transitional housing upon release in order to improve the likelihood of *** the offender becoming a law-abiding citizen, the board may parole the offender with the condition that the inmate spends no more than six (6) months in a transitional reentry center. At least fifteen (15) days prior to the release of an offender on parole, the director of records of the department shall give the written notice which is required pursuant to Section 47-5-177. Every offender while on parole shall remain in the legal custody of the department from which he was released and shall be amenable to the orders of the board. Upon determination by the board that an offender is eligible for release by parole, notice shall also be given within at least fifteen (15) days before release, by the board to the victim of the offense or the victim's family member, as indicated above, regarding the date when the offender's release shall occur, provided a current address of the victim or the victim's family member has been furnished in writing to the board for such purpose.

(3) Failure to provide notice to the victim or the victim's family member of the filing of the application for parole or of any decision made by the board regarding parole shall not

constitute grounds for vacating an otherwise lawful parole determination nor shall it create any right or liability, civilly or criminally, against the board or any member thereof.

(4) A letter of protest against granting an offender parole shall not be treated as the conclusive and only reason for not granting parole.

(5) The board may adopt such other rules not inconsistent with law as it may deem proper or necessary with respect to the eligibility of offenders for parole, the conduct of

parole hearings, or conditions to be imposed upon parolees, including a condition that the parolee submit, as provided in Section 47-5-601 to any type of breath, saliva or urine chemical analysis test, the purpose of which is to detect the possible presence of alcohol or a substance prohibited or controlled by any law of the State of Mississippi or the United States. The board shall have the authority to adopt rules related to the placement of certain offenders on unsupervised parole and for the operation of transitional reentry centers. However, in no case shall an offender be placed on unsupervised parole before he has served a minimum of fifty percent (50%) of the period of supervised parole.

SECTION 8. Section 47-7-18, Mississippi Code of 1972, is amended as follows:

47-7-18 (1) * * * No inmate convicted of a sex offense as defined by Section 45-33-23(h), a crime of violence as defined by Section 97-3-2, or both, nor an inmate who is eligible for geriatric parole shall be released on parole without a hearing before the Parole Board as required by Section 47-7-17. All other inmates eligible for parole pursuant to Section 47-7-3 * * * shall be released from incarceration to parole supervision on the inmate's parole eligibility date, without a hearing before the board, if:

(a) The inmate has met the requirements of the parole case plan established pursuant to Section 47-7-3.1;

(b) A victim of the offense has not requested the board conduct a hearing;

(c) The inmate has not received a serious or major violation report within the past six (6) months;

(d) The inmate has agreed to the conditions of supervision; and

(e) The inmate has a discharge plan approved by the board.

(2) At least thirty (30) days prior to an inmate's parole eligibility date, the department shall notify the board in writing of the inmate's compliance or noncompliance with the case plan. If an inmate fails to meet a requirement of the case plan, prior to the parole eligibility date, he or she shall have a hearing before the board to determine if completion of the case plan can occur while in the community.

(3) Any inmate for whom there is insufficient information for the department to determine compliance with the case plan shall have a hearing with the board.

(4) A hearing shall be held with the board if requested by the victim following notification of the inmate's parole release date pursuant to Section 47-7-17.

(5) A hearing shall be held by the board if a law enforcement official from the community to which the inmate will return contacts the board or the department and requests a hearing to consider information relevant to public safety risks posed by the inmate if paroled at the initial parole eligibility date. The law enforcement official shall submit an explanation documenting these concerns for the board to consider.

(6) If a parole hearing is held, the board may determine the inmate has sufficiently complied with the case plan or that the incomplete case plan is not the fault of the inmate and that granting parole is not incompatible with public safety, the board may then parole the inmate with appropriate conditions. If the board determines that the inmate has sufficiently complied with the case plan but the discharge plan indicates that the inmate does not have appropriate housing immediately upon release, the board may parole the inmate to a transitional reentry center with the condition that the inmate spends no more than six (6) months in the center. If the board determines that the inmate has not substantively complied with the requirement(s) of the case plan it may deny parole. If the board denies parole, the board may schedule a subsequent parole hearing and, if a new date is scheduled, the board shall identify the corrective action the inmate will need to

take in order to be granted parole. Any inmate not released at the time of the inmate's initial parole date shall have a parole hearing at least every year.

SECTION 9. This act shall take effect and be in force from and after July 1, 2021.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT ENTITLED THE "MISSISSIPPI EARNED PAROLE ELIGIBILITY ACT"; TO AMEND SECTION 47-7-3, MISSISSIPPI CODE OF 1972, TO PRESCRIBE CONDITIONS FOR PAROLE ELIGIBILITY AND TO PROVIDE LIMITATIONS ON INMATE ELIGIBILITY TO PETITION THE SENTENCING COURT FOR PAROLE ELIGIBILITY IF THE INMATE IS SERVING A SENTENCE FOR A CRIME OF VIOLENCE OR NONVIOLENCE; TO AMEND SECTION 47-7-3.1, MISSISSIPPI CODE OF 1972, TO PROVIDE FOR INMATE CASE PLANNING AND TO PRESCRIBE DATES FOR THE MISSISSIPPI DEPARTMENT OF CORRECTIONS TO COMPLETE CASE PLANS FOR PAROLE-ELIGIBLE INMATES TO ENSURE THAT THE PLAN IS ACHIEVABLE; TO AMEND SECTION 47-7-3.2, MISSISSIPPI CODE OF 1972, TO PROVIDE A MINIMUM TIME THAT OFFENDERS CONVICTED OF A CRIME OF VIOLENCE MUST SERVE BEFORE RELEASE AND A MINIMUM PERCENTAGE OF OTHER SENTENCES THAT OTHER OFFENDERS MUST SERVE BEFORE RELEASE; TO AMEND SECTION 47-7-5, MISSISSIPPI CODE OF 1972, TO REMOVE PROHIBITION AGAINST COMPENSATION OR PER DIEM OF THE MISSISSIPPI PAROLE BOARD, ITS REQUIREMENTS, AND THE MINIMUM VOTE REQUIRED TO GRANT PAROLE TO AN INMATE CONVICTED OF CAPITAL MURDER OR SEX OFFENSE; TO AMEND SECTION 47-7-15, MISSISSIPPI CODE OF 1972, IN CONFORMITY; TO AMEND SECTION 47-7-17, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT THE VICTIM OR DESIGNATED FAMILY MEMBER SHALL BE PROVIDED AN OPPORTUNITY TO BE HEARD BY THE PAROLE BOARD PRIOR TO A PAROLE DECISION; TO AMEND SECTION 47-7-18, MISSISSIPPI CODE OF 1972, TO REQUIRE CERTAIN PAROLE HEARINGS FOR SEX OFFENDERS; AND FOR RELATED PURPOSES.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2261: Perpetual cemetery law; revise notice and maintenance provisions for counties and municipalities.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 19-5-105, Mississippi Code of 1972, is amended as follows:

19-5-105. (1) To determine whether property or a parcel of land located within a county is in such a state of uncleanness as to be a menace to the public health, safety and welfare of the community, the board of supervisors of any county is authorized and empowered to conduct a hearing on its own motion, or upon the receipt of a petition requesting the board of supervisors to act signed by a majority of the residents eighteen (18) years of age or older, residing upon any street or alley, within reasonable proximity of any property alleged to be in need of cleaning, or within seven hundred fifty (750) feet of the precise location of the alleged menace situated on any parcel of land which is located in a populated area or in a housing subdivision and alleged to be in need of cleaning.

Notice shall be provided to the property owner by:

(a) United States mail two (2) weeks before the date of the hearing mailed to the address of the subject property and to the address where the ad valorem tax notice for such property is sent by the office charged with collecting ad valorem tax; and

(b) Posting notice for at least two (2) weeks before the date of a hearing on the property or parcel of land alleged to be in need of cleaning and at the county courthouse or another place in the county where such notices are posted.

The notice required by this subsection (1) shall include language that informs the property owner that an adjudication at the hearing that the property or parcel of land is in need of cleaning will authorize the board of supervisors to reenter the property or parcel of land for a period of one (1) year after the hearing without any further hearing, if notice is posted on the property or parcel of land and at the county courthouse or another place in the county where such notices are generally posted at least seven (7) days before the property or parcel of land is reentered for cleaning. A copy of the required notice mailed and posted as required by this subsection (1) shall be recorded in the minutes of the board of supervisors in conjunction with the hearing required by this subsection.

If at such hearing the board of supervisors shall in its resolution adjudicate such parcel of land in its then condition to be a menace to the public health and safety of the community, the board of supervisors may, if the owner not do so himself, proceed to have the land cleaned by cutting weeds, filling cisterns, and removing rubbish, dilapidated fences, outside toilets, dilapidated buildings and other debris, and draining cesspools and standing water. Thereafter, the board of supervisors may at its next regular meeting by resolution adjudicate the actual cost of cleaning the land and may also impose a penalty not to exceed One Thousand Five Hundred Dollars (\$1,500.00) or fifty percent (50%) of the actual cost, whichever is more. The cost and any penalty shall become an

assessment against the property. The "cost assessed against the property" means either the cost to the county of using its own employees to do the work or the cost to the county of any contract executed by the county to have the work done, and administrative costs and legal costs of the county.

A county may reenter the property or parcel of land to maintain cleanliness without further notice of hearing no more than six (6) times in any twelve-month period with respect to removing dilapidated buildings, dilapidated fences and outside toilets, and no more than twelve (12) times in any twenty-four-month period with respect to cutting grass and weeds and removing rubbish, personal property and other debris on the land. The expense of cleaning the property shall not exceed an aggregate amount of Twenty Thousand Dollars (\$20,000.00) per year, or the fair market value of the property subsequent to cleaning, whichever is less. The board of supervisors may assess the same penalty each time the property or land is cleaned as otherwise provided in this subsection (1).

The penalty provided * * * in this subsection (1) shall not be assessed against the State of Mississippi upon request for reimbursement under Section 29-1-145, nor shall a county clean a parcel owned by the State of Mississippi without first giving notice.

The assessment authorized by this subsection (1) shall be a lien against the property and may be enrolled in the office of the circuit clerk of the county as other judgments are enrolled, and the tax collector of the county shall, upon order of the board of supervisors, proceed to sell the land to satisfy the lien as now provided by law for the sale of lands for delinquent taxes. Furthermore, the property owner whose land has been sold pursuant to this subsection (1) shall have the same right of redemption as now provided by law for the sale of lands for delinquent taxes. All decisions rendered under the provisions of this subsection may be appealed in the same manner as other appeals from county boards.

(2) (a) If private property or a parcel of land located within a county is a perpetual care cemetery subject to Section 41-43-1 et seq., the board of supervisors of the county may proceed pursuant to the same provisions of subsection (1) of this section used to determine whether a property is a public health menace to instead determine if the perpetual care cemetery and all structures on the cemetery are not being properly maintained and have become detrimental to the public health and welfare. A perpetual care cemetery that is "not being properly maintained and has become detrimental to the public health and welfare" means a perpetual care cemetery that shows signs of neglect, including, without limitation, the unchecked growth of vegetation, repeated and unchecked acts of vandalism, unusable entrances and exits, excess rubbish or debris, or the disintegration of grave markers or boundaries. Upon notice and opportunity to be heard as provided in subsection (1) of this section, the board of supervisors of the county may adjudicate the property or parcel of land in its then condition to be not properly maintained and detrimental to the public health and welfare, and if the owner does not do so itself, may proceed to clean the property or parcel of land as provided in subsection (1) of this section. When cleaning the property or parcel of land of a perpetual care cemetery pursuant to this subsection (2), the penalty or penalties provided in subsection (1) of this section shall not be assessed against owners of the perpetual care cemeteries.

(b) The board of supervisors of a county that cleans property or parcel of land of a perpetual care cemetery pursuant to this subsection (2) may make application to the Secretary of State for an order directing the trustee of the perpetual care cemetery trust fund to release accrued interest or principal of the trust fund sufficient to reimburse the county for only the actual cleanup costs incurred by the county. The application to the Secretary of State shall include a statement by the county that all of the requirements of this section have been met.

(c) If the Secretary of State is satisfied that the notice and hearing requirements of this section have been met, and that the application for an order directing

the trustee to release accrued interest of the perpetual care cemetery trust fund does not threaten the ability of the trust fund to provide for the care and maintenance of the cemetery, the Secretary of State may order the trustee to release up to the total amount of accrued interest of the trust fund in an amount sufficient to reimburse the county for the actual costs of cleanup performed by the county.

(d) If the Secretary of State is satisfied that the notice and hearing requirements of this section have been met, but makes a determination that the accrued interest of the perpetual care cemetery trust fund is insufficient to reimburse the county for the actual costs of cleanup performed by the county, or that an order to release accrued interest would threaten the ability of the trust fund to provide for the care and maintenance of the cemetery, the Secretary of State may consider an order directing the trustee to reimburse the county from the principal of the trust fund. If the Secretary of State determines that an order to the trustee to release principal from the trust fund will not threaten the solvency of the trust fund, the Secretary of State may order the trustee to release principal of the trust fund in an amount sufficient to reimburse the county for the actual costs of cleanup performed by the county.

(i) The Secretary of State may not order the trustee to release an amount of more than fifteen percent (15%) of principal of the trust fund to reimburse the county for the actual costs of cleanup performed by the county.

(ii) The provisions of this section may be utilized no more than once in a four-year period.

SECTION 2. Section 21-19-11, Mississippi Code of 1972, is amended as follows:

21-19-11. (1) To determine whether property or parcel of land located within a municipality is in such a state of uncleanness as to be a menace to the public health, safety and welfare of the community, a governing authority of any municipality shall conduct a hearing, on its own motion, or upon the receipt of a petition signed by a majority of the residents residing within four hundred (400) feet of any property or parcel of land alleged to be in need of the cleaning. Notice shall be provided to the property owner by:

(a) United States mail two (2) weeks before the date of the hearing mailed to the address of the subject property, except where the land or structure(s) is apparently vacant, and to the address where the ad valorem tax notice for such property is sent by the office charged with collecting ad valorem tax; and

(b) Posting notice for at least two (2) weeks before the date of a hearing on the property or parcel of land alleged to be in need of cleaning and at city hall or another place in the municipality where such notices are posted.

Any notice required by this section shall include language that informs the property owner that an adjudication at the hearing that the property or parcel of land is in need of cleaning will authorize the municipality to reenter the property or parcel of land for a period of two (2) years after final adjudication without any further hearing if notice is posted on the property or parcel of land and at city hall or another place in the municipality where such notices are generally posted at least seven (7) days before the property or parcel of land is reentered for cleaning. A copy of the required notice mailed and posted as required by this section shall be recorded in the minutes of the governing authority in conjunction with the hearing required by this section.

If, at such hearing, the governing authority shall adjudicate the property or parcel of land in its then condition to be a menace to the public health, safety and welfare of the community, the governing authority, if the owner does not do so himself, shall proceed to clean the land, by the use of municipal employees or by contract, by cutting grass and weeds; filling cisterns; removing rubbish, abandoned or dilapidated fences, outside toilets, abandoned or dilapidated buildings, slabs, personal property, which removal of personal

property shall not be subject to the provisions of Section 21-39-21, and other debris; and draining cesspools and standing water therefrom. The governing authority may by resolution adjudicate the actual cost of cleaning the property and may also impose a penalty not to exceed One Thousand Five Hundred Dollars (\$1,500.00) or fifty percent (50%) of the actual cost, whichever is more. The cost and any penalty may become a civil debt against the property owner, and/or, at the option of the governing authority, an assessment against the property. The "cost assessed against the property" means either the cost to the municipality of using its own employees to do the work or the cost to the municipality of any contract executed by the municipality to have the work done, and administrative costs and legal costs of the municipality. For subsequent cleaning within the one-year period after the date of the hearing at which the property or parcel of land was adjudicated in need of cleaning, upon seven (7) days' notice posted both on the property or parcel of land adjudicated in need of cleaning and at city hall or another place in the municipality where such notices are generally posted, and consistent with the municipality's adjudication as authorized in this subsection (1), a municipality may reenter the property or parcel of land to maintain cleanliness without further notice or hearing no more than six (6) times in any twelve-month period with respect to removing abandoned or dilapidated buildings, slabs, dilapidated fences and outside toilets, and no more than twelve (12) times in any twenty-four-month period with respect to cutting grass and weeds and removing rubbish, personal property and other debris on the land, and the expense of cleaning of the property, except as otherwise provided in this section for removal of hazardous substances, shall not exceed an aggregate amount of Twenty Thousand Dollars (\$20,000.00) per year, or the fair market value of the property subsequent to cleaning, whichever is more. The aggregate cost of removing hazardous substances will be the actual cost of such removal to the municipality and shall not be subject to the Twenty Thousand Dollars (\$20,000.00) limitation provided in this subsection. The governing authority may assess the same penalty for each time the property or land is cleaned as otherwise provided in this section. The penalty provided herein shall not be assessed against the State of Mississippi upon request for reimbursement under Section 29-1-145, nor shall a municipality clean a parcel owned by the State of Mississippi without first giving notice. Upon written authority from the Secretary of State's office, for state-owned properties, a municipality may forgo the notification process that is prescribed in this subsection and proceed to clean the properties and assess costs as prescribed in this subsection, except that penalties shall not be assessed against the State of Mississippi.

(2) When the fee or cost to clean property or a parcel of land that is one (1) acre or less does not exceed Two Hundred Fifty Dollars (\$250.00), excluding administrative costs, and the property or parcel is located within a municipality having a population over one thousand five hundred (1,500), the governing authority of the municipality may authorize one or more of its employees to determine whether the property or parcel of land is in such a state of uncleanness as to be a menace to the public health, safety and welfare of the community and the determination made by the authorized municipal employee shall be set forth and recorded in the minutes of the governing authority. Notice of this determination shall be provided to the property owner by:

(a) United States mail seven (7) days before the date of cleaning of the property or parcel of land mailed to the address of the subject property, except where the land or structure(s) is apparently vacant, and to the address where the ad valorem tax notice for such property is sent by the office charged with collecting ad valorem tax; and

(b) Posting notice for at least seven (7) days before the cleaning of the property or parcel of land and at city hall or another place in the municipality where such notices are posted.

Any notice required by this subsection shall include language that informs the property owner that the appropriate municipal official has determined that the property or parcel of land is a menace to the public health, safety and welfare of the community and in need of cleaning and the municipality is authorized to enter the property for cleaning

and that the municipality is further authorized to reenter the property or parcel of land for a period of two (2) years after this cleaning without any further hearing or action if notice is posted on the property or parcel of land and at city hall or another place in the municipality where such notices are generally posted at least seven (7) days before the property or parcel of land is reentered for cleaning. A copy of the required notice mailed and posted as required by this subsection shall be recorded in the minutes of the governing authority in conjunction with the determination made by the municipal employee in this subsection (2).

If an authorized municipal employee determines that the condition of property or parcel of land is a menace to the public health, safety and welfare of the community, the governing authority, if the owner does not do so himself, shall proceed to clean the land, by the use of municipal employees or by contract, by cutting grass and weeds; filling cisterns; removing rubbish, abandoned or dilapidated fences, outside toilets, abandoned or dilapidated buildings, slabs, personal property, which removal of personal property shall not be subject to the provisions of Section 21-39-21, and other debris; and draining cesspools and standing water therefrom. The governing authority shall by resolution adjudicate the actual cost of cleaning the property under this provision, provided the same does not exceed Two Hundred Fifty Dollars (\$250.00) and may also impose a penalty not to exceed One Hundred Dollars (\$100.00) or one hundred percent (100%) of the actual cost of cleaning the property, whichever is more. The cost and any penalty imposed may become a civil debt against the property owner, and/or, at the option of the governing authority, an assessment against the property. The "cost assessed against the property" means either the cost to the municipality of using its own employees to do the work or the cost to the municipality of any contract executed by the municipality to have the work done, and additionally may include administrative costs of the municipality not to exceed Fifty Dollars (\$50.00). For subsequent cleaning within the one-year period set forth in this subsection (2), upon seven (7) days' notice posted both on the property or parcel of land adjudicated in need of cleaning and at city hall or another place in the municipality where such notices are generally posted, and consistent with the municipal official's determination as authorized in this subsection (2), a municipality may reenter the property or parcel of land to maintain cleanliness without further notice or hearing under this subsection (2) no more than six (6) times in any twelve-month period with respect to removing abandoned or dilapidated buildings, slabs, dilapidated fences and outside toilets, and no more than twelve (12) times in any twenty-four-month period with respect to cutting grass and weeds and removing rubbish, personal property and other debris on the land, and the expense of cleaning of the property shall not exceed an aggregate amount of One Thousand Dollars (\$1,000.00) per year under this subsection (2). The governing authority may assess the same actual costs, administrative costs and penalty for each time the property or land is cleaned as otherwise provided in this subsection (2). The penalty provided herein shall not be assessed against the State of Mississippi upon request for reimbursement under Section 29-1-145, nor shall a municipality clean a parcel owned by the State of Mississippi without first giving notice. Upon written authority from the Secretary of State's office, for state-owned properties, a municipality may forgo the notification process that is prescribed in this subsection and proceed to clean the properties and assess costs as prescribed in this subsection, except that penalties shall not be assessed against the State of Mississippi. A determination made by an appropriate municipal employee under this subsection (2) that the state or condition of property or a parcel of land is a menace to the public health, safety and welfare of the community shall not subsequently be used to replace a hearing if subsection (1) of this section is later utilized by a municipality when the prerequisites of this subsection (2) are not satisfied.

(3) If the governing authority declares, by resolution, that the cost and any penalty shall be collected as a civil debt, the governing authority may authorize the institution of a suit on open account against the owner of the property in a court of competent jurisdiction in the manner provided by law for the cost and any penalty, plus court costs, reasonable attorney's fees and interest from the date that the property was cleaned.

(4) (a) If the governing authority declares that the cost and any penalty shall be collected as an assessment against the property, then the assessment above provided for shall be a lien against the property and may be enrolled in the office of the chancery clerk of the county as other liens and encumbrances are enrolled, and the tax collector of the municipality shall, upon order of the board of governing authorities, proceed to sell the land to satisfy the lien as now provided by law for the sale of lands for delinquent municipal taxes. The lien against the property shall be an encumbrance upon the property and shall follow title of the property.

(b) (i) All assessments levied under the provisions of this section shall be included with municipal ad valorem taxes and payment shall be enforced in the same manner in which payment is enforced for municipal ad valorem taxes, and all statutes regulating the collection of other taxes in a municipality shall apply to the enforcement and collection of the assessments levied under the provisions of this section, including utilization of the procedures authorized under Sections 17-13-9(2) and 27-41-2.

(ii) All assessments levied under the provisions of this section shall become delinquent at the same time municipal ad valorem taxes become delinquent. Delinquencies shall be collected in the same manner and at the same time delinquent ad valorem taxes are collected and shall bear the same penalties as those provided for delinquent taxes. If the property is sold for the nonpayment of an assessment under this section, it shall be sold in the manner that property is sold for the nonpayment of delinquent ad valorem taxes. If the property is sold for delinquent ad valorem taxes, the assessment under this section shall be added to the delinquent tax and collected at the same time and in the same manner.

(5) All decisions rendered under the provisions of this section may be appealed in the same manner as other appeals from municipal boards or courts are taken. However, an appeal from a decision of a municipal officer or official shall be made to the governing authority and such appeal shall be in writing, state the basis for the appeal and be filed with the city clerk no later than seven (7) days from the latest date of notice required under this section.

(6) Nothing contained under this section shall prevent any municipality from enacting criminal penalties for failure to maintain property so as not to constitute a menace to public health, safety and welfare.

(7) (a) If private property or a parcel of land located within a municipality is a perpetual care cemetery subject to Section 41-43-1 et seq., the governing authority of the municipality may proceed pursuant to the same provisions of this section used to determine whether a property is a public health menace to instead determine if the perpetual care cemetery and all structures on the cemetery are not being properly maintained and have become detrimental to the public health and welfare. A perpetual care cemetery that is "not being properly maintained and has become detrimental to the public health and welfare" means a perpetual care cemetery that shows signs of neglect, including, without limitation, the unchecked growth of vegetation, repeated and unchecked acts of vandalism, unusable entrances and exits, excess rubbish or debris, or the disintegration of grave markers or boundaries. Upon notice and opportunity to be heard as provided in subsection (1) of this section, the governing authority of the municipality may adjudicate the property or parcel of land in its then condition to be not properly maintained and detrimental to the public health and welfare, and if the owner does not do so itself, may proceed to clean the property or parcel of land as provided in subsection (1) of this section. When cleaning the property or parcel of land of a perpetual care cemetery pursuant to this subsection (7), the penalty or penalties provided in subsection (1) of this section shall not be assessed against owners of the perpetual care cemeteries.

(b) The governing authority of a municipality that cleans the property or parcel of land of a perpetual care cemetery pursuant to this subsection (7) may make application to the Secretary of State for an order directing the trustee of the perpetual care

cemetery trust fund to release accrued interest or principal of the trust fund sufficient to reimburse the municipality for only the actual cleanup costs incurred by the municipality. The application to the Secretary of State shall include a statement by the municipality that all of the requirements of this section have been met.

(c) If the Secretary of State is satisfied that the notice and hearing requirements of this section have been met, and that the application for an order directing the trustee to release accrued interest of the perpetual care cemetery trust fund does not threaten the ability of the trust fund to provide for the care and maintenance of the cemetery, the Secretary of State may order the trustee to release accrued interest of the trust fund sufficient to reimburse the municipality for the actual costs of cleanup performed by the municipality.

(d) If the Secretary of State is satisfied that the notice and hearing requirements of this section have been met, but makes a determination that the accrued interest of the perpetual care cemetery trust fund is insufficient to reimburse the municipality for the actual costs of cleanup performed by the municipality, or that an order to release accrued interest would threaten the ability of the trust fund to provide for the care and maintenance of the cemetery, the Secretary of State may consider an order directing the trustee to reimburse the municipality from the principal of the trust fund. If the Secretary of State determines that an order to the trustee to release principal from the trust fund will not threaten the solvency of the trust fund, the Secretary of State may order the trustee to release principal of the trust fund in an amount sufficient to reimburse the municipality for the actual costs of cleanup performed by the municipality.

(i) The Secretary of State may not order the trustee to release an amount of more than fifteen percent (15%) of principal of the trust fund to reimburse the municipality for the actual costs of cleanup performed by the municipality.

(ii) The provisions of this section may be utilized no more than once in a four-year period.

SECTION 3. Section 41-43-57, Mississippi Code of 1972, is amended as follows:

41-43-57. (1) In exceptional circumstances only, a perpetual care owner can make an application to the Secretary of State for an order directing the trustee to release trust principal for the extended care, maintenance or improvements to the perpetual care cemetery for which interest funds are insufficient. Before issuing such an order, the Secretary of State shall satisfy himself that the request is for a major capital expenditure that will advance the perpetual care life of the cemetery without undue risk to the solvency of the perpetual care trust fund. Consistent with this section, this shall be the only instance in which a perpetual care trust corpus may be utilized for cemetery maintenance and improvements. In the consideration of the application, the Secretary of State may require the production of any records deemed necessary and relevant to the cemetery's application for a major capital expenditure.

(2) In addition the authority provided under subsection (1) of this section, subject to the provisions of Section 19-5-105(2) or 21-19-11(7), the board of supervisors of a county or the governing authority of a municipality also may make application to the Secretary of State for an order directing the trustee to release either accrued interest or principal of the trust fund for reimbursement to the county or municipality for the actual costs of cleanup performed by the county or municipality.

SECTION 4. This act shall take effect and be in force from and after July 1, 2021.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTIONS 19-5-105 AND 21-19-11, MISSISSIPPI CODE OF 1972, TO AUTHORIZE COUNTIES AND MUNICIPALITIES TO CLEAN PROPERTY OR PARCELS OF LAND OF PERPETUAL CARE CEMETERIES THAT ARE NOT BEING PROPERLY MAINTAINED AND HAVE BECOME DETRIMENTAL TO THE PUBLIC HEALTH AND WELFARE; TO PRESCRIBE NOTICE AND HEARING REQUIREMENTS AND AN ADJUDICATION BY THE COUNTY OR MUNICIPALITY BEFORE IT MAY CLEAN THE PROPERTY; TO AUTHORIZE THE COUNTY OR MUNICIPALITY TO MAKE APPLICATION TO THE SECRETARY OF STATE FOR AN ORDER DIRECTING THE TRUSTEE OF THE PERPETUAL CARE CEMETERY TRUST FUND TO RELEASE ACCRUED INTEREST OF PRINCIPAL OF THE TRUST FUND SUFFICIENT TO REIMBURSE THE COUNTY OR MUNICIPALITY FOR ONLY THE ACTUAL CLEANUP COSTS INCURRED; TO AUTHORIZE THE SECRETARY OF STATE TO ORDER THE TRUSTEE TO RELEASE ACCRUED INTEREST OF PRINCIPAL OF THE TRUST FUND NOT TO EXCEED A CERTAIN AMOUNT SUFFICIENT TO REIMBURSE THE COUNTY OR MUNICIPALITY FOR THE ACTUAL COSTS OF CLEANUP PERFORMED IF THE SECRETARY OF STATE MAKES CERTAIN DETERMINATIONS; TO AMEND SECTION 41-43-57, MISSISSIPPI CODE OF 1972, TO CONFORM TO THE PRECEDING PROVISIONS; AND FOR RELATED PURPOSES.

SECTION 137. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bonds means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded

semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) The Commission on Environmental Quality, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for the Water Pollution Control Revolving Fund established in Section 49-17-85, Mississippi Code of 1972. Upon the adoption of a resolution by the Commission on Environmental Quality declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the Commission on Environmental Quality shall deliver a certified copy of its resolution or resolutions to the commission; however, the Commission on Environmental Quality shall declare the necessity for the issuance of bonds only in the amount necessary to match projected federal funds available through the following federal fiscal year. Upon receipt of such resolution, the commission, in its discretion, may act as the issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed Two Million Eight Hundred Seventy Thousand Dollars (\$2,870,000.00).

(b) The proceeds of bonds issued pursuant to this subsection shall be deposited into the Water Pollution Control Revolving Fund created pursuant to Section 49-17-85, Mississippi Code of 1972.

(3) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this section. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(4) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(5) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(6) The commission shall act as the issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If the bonds are to be sold on sealed bids at public sale, notice of the sale of any such bonds shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(7) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. Interest and investment earnings on money in the Water Pollution Control Revolving Fund shall be utilized to pay the principal and interest on such bonds as they become due. If the interest and investment earnings of the fund and any funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this section.

(8) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the Water Pollution Control Revolving Fund created in Section 49-17-85, Mississippi Code of 1972. After the transfer of the proceeds of any such sale or sales to the Water Pollution Control Revolving Fund, any investment earnings or interest earned on the proceeds of such bonds shall be deposited to the credit of the Water Pollution Control Revolving Fund and shall be used only for the purposes provided in Section 49-17-85, Mississippi Code of 1972. The proceeds of such bonds shall be disbursed solely upon the order of the Commission on Environmental Quality under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(9) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(10) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(11) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(12) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(13) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(14) The proceeds of the bonds issued under this section shall be used solely for the purposes therein provided, including the costs incident to the issuance and sale of such bonds.

(16) This section shall be deemed to be full and complete authority for the exercise of the powers therein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 138. Section 49-17-85, Mississippi Code of 1972, is amended as follows:

49-17-85. The revolving fund shall be maintained in perpetuity for the purposes established in this section.

(2) There is established in the State Treasury a fund to be known as the "Water Pollution Control Hardship Grants Fund," which shall be administered by the commission acting through the department. The grants fund shall be maintained in perpetuity for the purposes established in this section. Any interest earned on monies in the grants fund shall be credited to that fund.

(3) The commission shall promulgate regulations for the administration of the revolving fund program, the hardship grants program and for related programs authorized under this section. The regulations shall be in accordance with the federal Water Quality Act of 1987, as amended, and regulations and guidance issued under that act. (4) The commission shall establish a loan program which shall commence after October 1, 1988, to assist political subdivisions in the construction of water pollution control projects. Loans from the revolving fund may be made to political subdivisions as set forth in a loan agreement in amounts not exceeding one hundred percent (100%) of eligible project costs as established by the commission. Notwithstanding loan amount limitations set forth in Section 49-17-61, the commission may require local participation or funding from other sources, or otherwise limit the percentage of costs covered by loans from the revolving fund. The commission may establish a maximum amount for any loan in order to provide for broad and equitable participation in the program.

(5) The commission shall establish a hardship grants program for rural communities, which shall commence after July 1, 1997, to assist severely economically disadvantaged small rural political subdivisions in the construction of water pollution control projects. The commission may receive and administer state or federal funds, or both, appropriated for the operation of this grants program and may take all actions necessary to implement the program in accordance with the federal hardship grants program. The hardship grants program shall operate in conjunction with the revolving loan program administered under this section.

(6) The commission shall act for the state in all matters and with respect to all determinations under Title VI of the federal Water Quality Act of 1987, as amended, and the federal Omnibus Appropriations and Recision Act of 1996.

(7) Except as otherwise provided in this section, the revolving fund may be used only:

(a) To make loans on the condition that:

(i) The loans are made at or below market interest rates, at terms not to exceed the maximum time allowed by federal law after project completion; the interest rate and term may vary from time to time and from loan to loan at the discretion of the commission;

(ii) Periodic principal and interest payments will commence when required by the commission but not later than one (1) year after project completion and all loans will be fully amortized when required by the commission but not later than the maximum time allowed by federal law after project completion;

(iii) The recipient of a loan will establish a dedicated source of revenue for repayment of loans;

(b) To buy or refinance the debt obligation of political subdivisions at or below market rates, where the debt obligations were incurred after March 7, 1985, and where the projects were constructed in compliance with applicable federal and state regulations;

(d) To provide loan guarantees for similar revolving funds established by municipalities or intermunicipal agencies;

(e) To earn interest on fund accounts;

(f) To establish nonpoint source pollution control management programs;

(g) To establish estuary conservation and management programs;

(h) For the reasonable costs of administering the revolving fund and conducting activities under this act, subject to the limitations established in Section 603(d)(7) of Title VI of the federal Clean Water Act, as amended, and subject to annual appropriation by the Legislature;

(i) In connection with the issuance, sale and purchase of bonds under Section 31-25-1 et seq., related to the funding of projects, to provide security or a pledge of revenues for the repayment of the bonds; and

(j) To pay the principal and interest on bonds issued pursuant to Section 11 of Chapter 580, Laws of 2007, Section 1 of Chapter 492, Laws of 2008, Section 47 of Chapter 557, Laws of 2009, Section 45 of Chapter 533, Laws of 2010, Section 3 of Chapter 480, Laws of 2011, Section 36 of Chapter 569, Laws of 2013, Section 9 of Chapter 452, Laws of 2018, Section 1 of Chapter 415, Laws of 2019, * * * Section 16 of Chapter 492, Laws of 2020, and Section 137 of this act, as they become due; however, only interest and investment earnings on money in the fund may be utilized for this purpose.

(8) The hardship grants program shall be used only to provide hardship grants consistent with the federal hardship grants program for rural communities, regulations and guidance issued by the United States Environmental Protection Agency, subsections (3) and (5) of this section and regulations promulgated and guidance issued by the commission under this section.

(9) The commission shall establish by regulation a system of priorities and a priority list of projects eligible for funding with loans from the revolving fund.

(10) The commission may provide a loan from the revolving fund only with respect to a project if that project is on the priority list established by the commission.

(11) The revolving fund shall be credited with all payments of principal and interest derived from the fund uses described in subsection (7) of this section. However, notwithstanding any other provision of law to the contrary, all or any portion of payments of principal and interest derived from the fund uses described in subsection (7) of this section may be designated or pledged for repayment of a loan as provided in Section 31-25-28 in connection with a loan from the Mississippi Development Bank.

(12) The commission may establish and collect fees to defray the reasonable costs of administering the revolving fund if it determines that the administrative costs will exceed the limitations established in Section 603(d)(7) of Title VI of the federal Clean Water Act, as amended. The administration fees may be included in loan amounts to political subdivisions for the purpose of facilitating payment to the commission. The fees may not exceed five percent (5%) of the loan amount.

(13) Except as otherwise provided in this section, the commission may, on a case-by-case basis and to the extent allowed by federal law, renegotiate the payment of principal and interest on loans made under this section to the six (6) most southern counties of the state covered by the Presidential Declaration of Major Disaster for the State of Mississippi (FEMA-1604-DR) dated August 29, 2005, and to political subdivisions located in such counties; however, the interest on the loans shall not be forgiven for a period of more than twenty-four (24) months and the maturity of the loans shall not be extended for a period of more than forty-eight (48) months.

(14) The commission may, on a case-by-case basis and to the extent allowed by federal law, renegotiate the payment of principal and interest on loans made under this section to Hancock County as a result of coverage under the Presidential Declaration of Major Disaster for the State of Mississippi (FEMA-1604-DR) dated August 29, 2005, and to political subdivisions located in Hancock County.

*** The audit reports shall be considered *** public documents and shall be posted in *** their entirety on the division's website.

(4) All health maintenance organizations, coordinated care organizations, provider-sponsored health plans, or other organizations paid for services on a capitated basis by the division under any managed care program or coordinated care program implemented by the division under this section shall reimburse all providers in those organizations at rates no lower than those provided under this section for beneficiaries who are not participating in those programs.

(5) No health maintenance organization, coordinated care organization, provider-sponsored health plan, or other organization paid for services on a capitated basis by the division under any managed care program or coordinated care program implemented by the division under this section shall require its providers or beneficiaries to use any pharmacy that ships, mails or delivers prescription drugs or legend drugs or devices.

(6) * * * (a) Not later than December 1, 2021, the contractors who are receiving capitated payments under a managed care delivery system established under this subsection (H) shall develop and implement a uniform credentialing process for providers. Under that uniform credentialing process, a provider who meets the criteria for credentialing will be credentialed with all of those contractors and no such provider will have to be separately credentialed by any individual contractor in order to receive reimbursement from the contractor. Not later than December 2, 2021, those contractors shall submit a report to the Chairmen of the House and Senate Medicaid Committees on the status of the uniform credentialing process for providers that is required under this subparagraph (a).

(b) If those contractors have not implemented a uniform credentialing process as described in subparagraph (a) by December 1, 2021, the division shall develop and implement, not later than July 1, 2022, a single, consolidated credentialing process by which all providers will be credentialed. Under the division's single, consolidated credentialing process, no such contractor shall require its providers to be separately credentialed by the * * * contractor in order to receive reimbursement from the * * * contractor, but those * * * contractors shall recognize the credentialing of the providers by the division's credentialing process.

(c) The division shall require a uniform provider credentialing application that shall be used in the credentialing process that is established under subparagraph (a) or (b). If the contractor or division, as applicable, has not approved or denied the provider credentialing application within sixty (60) days of receipt of the completed application that includes all required information necessary for credentialing, then the contractor or division, upon receipt of a written request from the applicant and within five (5) business days of its receipt, shall issue a temporary provider credential/enrollment to the applicant if the applicant has a valid Mississippi professional or occupational license to provide the health care services to which the credential/enrollment would apply. The contractor or the division shall not issue a temporary credential/enrollment if the applicant has reported on the application a history of medical or other professional or occupational malpractice claims, a history of substance abuse or mental health issues, a criminal record, or a history of medical or other licensing board, state or federal disciplinary action, including any suspension from participation in a federal or state program. The temporary credential/enrollment shall be effective upon issuance and shall remain in effect until the provider's credentialing/enrollment application is approved or denied by the contractor or division. The contractor or division shall render a final decision regarding credentialing/enrollment of the provider within sixty (60) days from the date that the temporary provider credential/enrollment is issued to the applicant.

(d) If the contractor or division does not render a final decision regarding credentialing/enrollment of the provider within the time required in subparagraph (c), the provider shall be deemed to be credentialed by and enrolled with all of the contractors and eligible to receive reimbursement from the contractors.

(7) (a) Each contractor that is receiving capitated payments under a managed care delivery system established under this subsection (H) shall provide to each provider for whom the contractor has denied the coverage of a procedure that was ordered or requested by the provider for or on behalf of a patient, a letter that provides a detailed explanation of the reasons for the denial of coverage of the procedure and the name and the credentials of the person who denied the coverage. The letter shall be sent to the provider in electronic format.

(b) After a contractor that is receiving capitated payments under a managed care delivery system established under this subsection (H) has denied coverage for a claim submitted by a provider, the contractor shall issue to the provider within sixty (60) days a final ruling of denial of the claim that allows the provider to have a state fair hearing and/or agency appeal with the division. If a contractor does not issue a final ruling of denial within sixty (60) days as required by this subparagraph (b), the provider's claim shall be deemed to be automatically approved and the contractor shall pay the amount of the claim to the provider.

(c) After a contractor has issued a final ruling of denial of a claim submitted by a provider, the division shall conduct a state fair hearing and/or agency appeal on the matter of the disputed claim between the contractor and the provider within sixty (60) days, and shall render a decision on the matter within thirty (30) days after the date of the hearing and/or appeal.

(8) It is the intention of the Legislature that the division evaluate the feasibility of using a single vendor to administer pharmacy benefits provided under a managed care delivery system established under this subsection (H). Providers of pharmacy benefits shall cooperate with the division in any transition to a carve-out of pharmacy benefits under managed care.

(9) It is the intention of the Legislature that the division evaluate the feasibility of using a single vendor to administer dental benefits provided under a managed care delivery system established in this subsection (H). Providers of dental benefits shall cooperate with the division in any transition to a carve-out of dental benefits under managed care.

(10) It is the intent of the Legislature that any contractor receiving capitated payments under a managed care delivery system established in this section shall implement innovative programs to improve the health and well-being of members diagnosed with prediabetes and diabetes.

(11) It is the intent of the Legislature that any contractors receiving capitated payments under a managed care delivery system established under this subsection (H) shall work with providers of Medicaid services to improve the utilization of long-acting reversible contraceptives (LARCs). Not later than December 1, 2021, any contractors receiving capitated payments under a managed care delivery system established under this subsection (H) shall provide to the chairmen of the House and Senate Medicaid Committees and House and Senate Public Health committees a report of LARC utilization for State Fiscal Years 2018 through 2020 as well as any programs, initiatives, or efforts made by the contractors and providers to increase LARC utilization. This report shall be updated annually to include information for subsequent state fiscal years.

(12) The division is authorized to make not more than one (1) emergency extension of the contracts that are in effect on the effective date of this act with contractors who are receiving capitated payments under a managed care delivery system established under this subsection (H), as provided in this paragraph (12). The maximum period of any such extension shall be one (1) year, and under any such extensions, the contractors shall be subject to all of the provisions of this subsection (H). The extended contracts shall be revised to incorporate any provisions of this subsection (H).

(I) [Deleted]

(J) There shall be no cuts in inpatient and outpatient hospital payments, or allowable days or volumes, as long as the hospital assessment provided in Section 43-13-145 is in effect. This subsection (J) shall not apply to decreases in payments that are a result of: reduced hospital admissions, audits or payments under the APR-DRG or

APC models, or a managed care program or similar model described in subsection (H) of this section.

(K) In the negotiation and execution of such contracts involving services performed by actuarial firms, the Executive Director of the Division of Medicaid may negotiate a limitation on liability to the state of prospective contractors.

(* * *L) This section shall stand repealed on July 1, * * * 2024.

SECTION 2. Section 43-13-145, Mississippi Code of 1972, is amended as follows:

43-13-145. (1) (a) Upon each nursing facility licensed by the State of Mississippi, there is levied an assessment in an amount set by the division, equal to the maximum rate allowed by federal law or regulation, for each licensed and occupied bed of the facility.

(b) A nursing facility is exempt from the assessment levied under this subsection if the facility is operated under the direction and control of:

(i) The United States Veterans Administration or other agency or department of the United States government; or

(ii) The State Veterans Affairs Board * * *.

* * *

(2) (a) Upon each intermediate care facility for individuals with intellectual disabilities licensed by the State of Mississippi, there is levied an assessment in an amount set by the division, equal to the maximum rate allowed by federal law or regulation, for each licensed and occupied bed of the facility.

(b) An intermediate care facility for individuals with intellectual disabilities is exempt from the assessment levied under this subsection if the facility is operated under the direction and control of:

(i) The United States Veterans Administration or other agency or department of the United States government;

(ii) The State Veterans Affairs Board; or

(iii) The University of Mississippi Medical Center.

(3) (a) Upon each psychiatric residential treatment facility licensed by the State of Mississippi, there is levied an assessment in an amount set by the division, equal to the maximum rate allowed by federal law or regulation, for each licensed and occupied bed of the facility.

(b) A psychiatric residential treatment facility is exempt from the assessment levied under this subsection if the facility is operated under the direction and control of:

(i) The United States Veterans Administration or other agency or department of the United States government;

(ii) The University of Mississippi Medical Center; or

(iii) A state agency or a state facility that either provides its own state match through intergovernmental transfer or certification of funds to the division.

(4) Hospital assessment.

(a) (i) Subject to and upon fulfillment of the requirements and conditions of paragraph (f) below, and notwithstanding any other provisions of this section, * * * an annual assessment on each hospital licensed in the state is imposed on each non-Medicare hospital inpatient day as defined below at a rate that is determined by dividing the sum prescribed in this subparagraph (i), plus the nonfederal share necessary to maximize the Disproportionate Share Hospital (DSH) and Medicare Upper Payment Limits (UPL) Program payments and hospital access payments and such other supplemental payments as may be developed pursuant to Section 43-13-117(A)(18), by the total number of non-Medicare hospital inpatient days as defined below for all licensed Mississippi hospitals, except as provided in paragraph (d) below. If the state-matching funds percentage for the Mississippi Medicaid program is sixteen percent (16%) or less, the sum used in the formula under this subparagraph (i) shall be Seventy-four Million Dollars (\$74,000,000.00). If the state-matching funds percentage for the Mississippi Medicaid program is twenty-four percent (24%) or higher, the sum used in the formula under this subparagraph (i) shall be One Hundred Four Million Dollars (\$104,000,000.00). If the state-matching funds percentage for the Mississippi Medicaid program is between sixteen percent (16%) and twenty-four percent (24%), the sum used in the formula under this subparagraph (i) shall be a pro rata amount determined as follows: the current state-matching funds percentage rate minus sixteen percent (16%) divided by eight percent (8%) multiplied by Thirty Million Dollars (\$30,000,000.00) and add that amount to Seventy-four Million Dollars (\$74,000,000.00). However, no assessment in a quarter under this subparagraph (i) may exceed the assessment in the previous quarter by more than Three Million Seven Hundred Fifty Thousand Dollars (\$3,750,000.00) (which would be Fifteen Million Dollars (\$15,000,000.00) on an annualized basis). The division shall publish the state-matching funds percentage rate applicable to the Mississippi Medicaid program on the tenth day of the first month of each quarter and the assessment determined under the formula prescribed above shall be applicable in the quarter following any adjustment in that state-matching funds percentage rate. The division shall notify each hospital licensed in the state as to any projected increases or decreases in the assessment determined under this subparagraph (i). However, if the Centers for Medicare and Medicaid Services (CMS) does not approve the provision in Section 43-13-117(39) requiring the division to reimburse crossover claims for inpatient hospital services and crossover claims covered under Medicare Part B for dually eligible beneficiaries in the same manner that was in effect on January 1, 2008, the sum that otherwise would have been used in the formula under this subparagraph (i) shall be reduced by Seven Million Dollars (\$7,000,000.00).

(ii) In addition to the assessment provided under subparagraph (i), * * * an additional annual assessment on each hospital licensed in the state is imposed on each non-Medicare hospital inpatient day as defined below at a rate that is determined by dividing twenty-five percent (25%) of any provider reductions in the Medicaid program as authorized in Section 43-13-117(F) for that fiscal year up to the following maximum amount, plus the nonfederal share necessary to maximize the Disproportionate Share Hospital (DSH) and inpatient Medicare Upper Payment Limits (UPL) Program payments and inpatient hospital access payments, by the total number of non-Medicare hospital inpatient days as defined below for all licensed Mississippi hospitals: in fiscal year 2010, the maximum amount shall be Twenty-four Million Dollars (\$24,000,000.00); in fiscal year 2011, the maximum amount shall be Thirty-two Million Dollars (\$32,000,000.00); and in fiscal year 2012 and thereafter, the maximum amount shall be Forty Million Dollars (\$40,000,000.00). Any such deficit in the Medicaid program shall be reviewed by the PEER Committee as provided in Section 43-13-117(F).

(iii) In addition to the assessments provided in subparagraphs (i) and (ii), * * * an additional annual assessment on each hospital licensed in the state is imposed pursuant to the provisions of Section 43-13-117(F) if the cost-containment measures described therein have been implemented and there are insufficient funds in the Health Care Trust Fund to reconcile any remaining deficit in any fiscal year. If the Governor institutes any other additional cost-containment measures on any program or programs authorized under the Medicaid program pursuant to Section 43-13-117(F), hospitals shall

be responsible for twenty-five percent (25%) of any such additional imposed provider cuts, which shall be in the form of an additional assessment not to exceed the twenty-five percent (25%) of provider expenditure reductions. Such additional assessment shall be imposed on each non-Medicare hospital inpatient day in the same manner as assessments are imposed under subparagraphs (i) and (ii).

(b) * * * Definitions.

(i) * * * [Deleted]

(ii) * * * For purposes of this subsection (4):

1. "Non-Medicare hospital inpatient day" means total hospital inpatient days including subcomponent days less Medicare inpatient days including subcomponent days from the hospital's most recent Medicare cost report for the second calendar year preceding the beginning of the state fiscal year, on file with CMS per the CMS HCRIS database, or cost report submitted to the Division if the HCRIS database is not available to the division, as of June 1 of each year.

a. Total hospital inpatient days shall be the sum of Worksheet S-3, Part 1, column 8 row 14, column 8 row 16, and column 8 row 17, excluding column 8 rows 5 and 6.

b. Hospital Medicare inpatient days shall be the sum of Worksheet S-3, Part 1, column 6 row 14, column 6 row 16.00, and column 6 row 17, excluding column 6 rows 5 and 6.

c. Inpatient days shall not include residential treatment or long-term care days.

2. "Subcomponent inpatient day" means the number of days of care charged to a beneficiary for inpatient hospital rehabilitation and psychiatric care services in units of full days. A day begins at midnight and ends twenty-four (24) hours later. A part of a day, including the day of admission and day on which a patient returns from leave of absence, counts as a full day. However, the day of discharge, death, or a day on which a patient begins a leave of absence is not counted as a day unless discharge or death occur on the day of admission. If admission and discharge or death occur on the same day, the day is considered a day of admission and counts as one (1) subcomponent inpatient day.

(c) The assessment provided in this subsection is intended to satisfy and not be in addition to the assessment and intergovernmental transfers provided in Section 43-13-117(A)(18). Nothing in this section shall be construed to authorize any state agency, division or department, or county, municipality or other local governmental unit to license for revenue, levy or impose any other tax, fee or assessment upon hospitals in this state not authorized by a specific statute.

(d) Hospitals operated by the United States Department of Veterans Affairs and state-operated facilities that provide only inpatient and outpatient psychiatric services shall not be subject to the hospital assessment provided in this subsection.

(e) Multihospital systems, closure, merger, change of ownership and new hospitals.

(i) If a hospital conducts, operates or maintains more than one (1) hospital licensed by the State Department of Health, the provider shall pay the hospital assessment for each hospital separately.

(ii) Notwithstanding any other provision in this section, if a hospital subject to this assessment operates or conducts business only for a portion of a fiscal year, the assessment for the state fiscal year shall be adjusted by multiplying the assessment by a fraction, the numerator of which is the number of days in the year during which the hospital operates, and the denominator of which is three hundred sixty-five (365). Immediately upon ceasing to operate, the hospital shall pay the assessment for the year as so adjusted (to the extent not previously paid).

(iii) The division shall determine the tax for new hospitals and hospitals that undergo a change of ownership in accordance with this section, using the best available information, as determined by the division.

(f) Applicability.

The hospital assessment imposed by this subsection shall not take effect and/or shall cease to be imposed if:

(i) The assessment is determined to be an impermissible tax under Title XIX of the Social Security Act; or

(ii) CMS revokes its approval of the division's 2009 Medicaid State Plan Amendment for the methodology for DSH payments to hospitals under Section 43-13-117(A)(18).

* * *

(5) Each health care facility that is subject to the provisions of this section shall keep and preserve such suitable books and records as may be necessary to determine the amount of assessment for which it is liable under this section. The books and records shall be kept and preserved for a period of not less than five (5) years, during which time those books and records shall be open for examination during business hours by the division, the Department of Revenue, the Office of the Attorney General and the State Department of Health.

(6) * * * [Deleted]

(7) All assessments collected under this section shall be deposited in the Medical Care Fund created by Section 43-13-143.

(8) The assessment levied under this section shall be in addition to any other assessments, taxes or fees levied by law, and the assessment shall constitute a debt due the State of Mississippi from the time the assessment is due until it is paid.

(9) (a) If a health care facility that is liable for payment of an assessment levied by the division does not pay the assessment when it is due, the division shall give written notice to the health care facility * * * demanding payment of the assessment within ten (10) days from the date of delivery of the notice. If the health care facility fails or refuses to pay the assessment after receiving the notice and demand from the division, the division shall withhold from any Medicaid reimbursement payments that are due to the health care facility the amount of the unpaid assessment and a penalty of ten percent (10%) of the amount of the assessment, plus the legal rate of interest until the assessment is paid in full. If the health care facility does not participate in the Medicaid program, the division shall turn over to the Office of the Attorney General the collection of the unpaid assessment by civil action. In any such civil action, the Office of the Attorney General shall collect the amount of the unpaid assessment and a penalty of ten percent (10%) of the amount of the assessment, plus the legal rate of interest until the assessment is paid in full.

(b) As an additional or alternative method for collecting unpaid assessments levied by the division, if a health care facility fails or refuses to pay the assessment after receiving notice and demand from the division, the division may file a notice of a tax lien with the chancery clerk of the county in which the health care facility is located, for the amount of the unpaid assessment and a penalty of ten percent (10%) of the amount of the assessment, plus the legal rate of interest until the assessment is paid in full. Immediately upon receipt of notice of the tax lien for the assessment, the chancery clerk shall forward the notice to the circuit clerk who shall enter the notice of the tax lien as a judgment upon the judgment roll and show in the appropriate columns the name of the health care facility as judgment debtor, the name of the division as judgment creditor, the amount of the unpaid assessment, and the date and time of enrollment. The judgment shall be valid as against mortgagees, pledgees, entrusters, purchasers, judgment creditors and other persons from the time of filing with the clerk. The amount of the judgment shall be a debt due the State of Mississippi and remain a lien upon the tangible property of the health care facility until the judgment is satisfied. The judgment shall be the equivalent of any enrolled judgment of a court of record and shall serve as authority for the issuance of writs of execution, writs of attachment or other remedial writs.

(10) (a) To further the provisions of Section 43-13-117(A)(18), the Division of Medicaid shall submit to the Centers for Medicare and Medicaid Services (CMS) any documents regarding the hospital assessment established under subsection (4) of this section. In addition to defining the assessment established in subsection (4) of this section if necessary, the documents shall describe any supplement payment programs and/or payment methodologies as authorized in Section 43-13-117(A)(18) if necessary.

(b) All hospitals satisfying the minimum federal DSH eligibility requirements (Section 1923(d) of the Social Security Act) may, subject to OBRA 1993 payment limitations, receive a DSH payment. This DSH payment shall expend the balance of the federal DSH allotment and associated state share not utilized in DSH payments to state-owned institutions for treatment of mental diseases. The payment to each hospital shall be calculated by applying a uniform percentage to the uninsured costs of each eligible hospital, excluding state-owned institutions for treatment of mental diseases; however, that percentage for a state-owned teaching hospital located in Hinds County shall be multiplied by a factor of two (2).

(11) The division shall implement DSH and supplemental payment calculation methodologies that result in the maximization of available federal funds.

(12) The DSH payments shall be paid on or before December 31, March 31, and June 30 of each fiscal year, in increments of one-third (1/3) of the total calculated DSH amounts. Supplemental payments developed pursuant to Section 43-13-117(A)(18) shall be paid monthly.

(13) * * * Payment.

(a) The hospital assessment as described in subsection (4) for the nonfederal share necessary to maximize the Medicare Upper Payments Limits (UPL) Program payments and hospital access payments and such other supplemental payments as may be developed pursuant to Section 43-13-117(A)(18) shall be assessed and collected monthly no later than the fifteenth calendar day of each month.

(b) The hospital assessment as described in subsection (4) for the nonfederal share necessary to maximize the Disproportionate Share Hospital (DSH) payments shall be assessed and collected on December 15, March 15 and June 15.

(c) The annual hospital assessment and any additional hospital assessment as described in subsection (4) shall be assessed and collected on September 15 and on the 15th of each month from December through June.

(14) If for any reason any part of the plan for annual DSH and supplemental payment programs to hospitals provided under subsection (10) of this section and/or developed pursuant to Section 43-13-117(A)(18) is not approved by CMS, the remainder of the plan shall remain in full force and effect.

(15) Nothing in this section shall prevent the Division of Medicaid from facilitating participation in Medicaid supplemental hospital payment programs by a hospital located in a county contiguous to the State of Mississippi that is also authorized by federal law to submit intergovernmental transfers (IGTs) to the State of Mississippi to fund the state share of the hospital's supplemental and/or MHAP payments.

(16) * * * This section shall stand repealed on July 1, 2024.

SECTION 3. Section 41-75-5, Mississippi Code of 1972, is amended as follows:

41-75-5. No person as defined in Section 41-7-173, acting severally or jointly with any other person, shall establish, conduct, operate or maintain an ambulatory surgical facility or an abortion facility or a freestanding emergency room or a post-acute residential brain injury rehabilitation facility in this state without a license under this chapter.

SECTION 4. This act shall take effect and be in force from and after July 1, 2021.

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

No temporary permit will be issued to an applicant from any other state to operate a beauty salon or school of cosmetology in this state unless in case of emergency.

(b) Applicants for the cosmetologist examination, after having satisfactorily passed the prescribed examination, shall be issued a cosmetology license which until June 30, 2001, shall be valid for one (1) year, and after July 1, 2001, shall be valid for two (2) years, and all those licenses shall be subject to renewal.

Only the cosmetologists, estheticians and manicurists registered on the appropriate list as actively practicing in the State of Mississippi shall be authorized to practice those professions. Master cosmetologist, manicurist or esthetician licenses shall be renewable upon completion of a minimum course of eight (8) hours' study in continuing education approved by the board within a licensing period and payment of the required renewal fee. The fees may be paid by either personal or certified check, cash or money order, under such safeguards, rules and regulations as the board may prescribe. Checks returned to the board because of insufficient funds shall result in nonrenewal of the license, which will require the penalty fee for insufficient fund checks plus all other amounts due for renewal of the license before the license may be renewed. (2) Licensed manicurists desiring to pursue additional hours to be eligible for a license as a cosmetologist may be credited with the three hundred fifty (350) hours acquired in studying and training to be a manicurist which may be applied to the number of hours required for a cosmetology license examination.

73-7-23. (1) The board may, upon application, issue a license by reciprocity to any cosmetologist, esthetician or manicurist over the age of seventeen (17) years from any other state who has satisfactorily completed the required number of accredited hours in that state, provided the state board from which the applicant comes issues to cosmetologists, estheticians or manicurists, as the case may be, from the State of Mississippi a license under the same conditions. Applications must be accompanied by (a) proof satisfactory to the board that the required hours have been completed, and (b) the required reciprocity fee, which shall be paid to the board.

(2) An instructor from any other state may be qualified for a Mississippi instructor's license upon presenting a valid instructor's license and proof of a high school education or its equivalent, provided that the instructor (a) is not less than twenty-one (21) years of age, (b) has completed training equivalent to the State of Mississippi's training as provided in Section 73-7-15 or has three (3) years or more of experience as a licensed instructor prior to application, (c) can read, write and speak English, (d) has completed twelve (12) semester hours in college courses approved by the board, and (e) has completed a minimum of five (5) continuing education hours in Mississippi board laws, rules and regulations. (3) An applicant for a Mississippi instructor's license by reciprocity who has not completed the college courses requirement at the time of application may apply for a onetime temporary teaching permit, which shall be valid for six (6) months and shall be nonrenewable. Such application must be accompanied by proof of enrollment in college course(s), required permit fee, two (2) recent passport photographs of the applicant and other documentation as required for application for a Mississippi instructor's license by

reciprocity. Upon proof of completion of college courses and payment of the required license fee, a Mississippi instructor's license shall be issued.

(4) The issuance of a license by reciprocity to a military-trained applicant or military spouse shall be subject to the provisions of Section 73-50-1.

73-7-25. Every demonstrator in the field of cosmetology shall, before making demonstrations in a salon or school, apply for and obtain a permit from the board. For such permit, which shall be for one (1) year, the required fee shall be paid to the board. This section shall be construed to apply to demonstrators in salons and schools.

SECTION 19. Section 73-7-27, Mississippi Code of 1972, is reenacted as follows:

73-7-27. (1) Any complaint may be filed with the board by a member or agent of the board or by any person charging any licensee of the board with the commission of any of the offenses enumerated in subsection (2) of this section. Such complaint shall be in writing, signed by the accuser or accusers, and verified under oath, and such complaints shall be investigated as set forth in Section 73-7-7. If, after the investigation, the board through its administrative review agents determines that there is not substantial justification to believe that the accused licensee has committed any of the offenses enumerated, it may dismiss the complaint or may prepare a formal complaint proceeding against the licensee as hereinafter provided. When used with reference to any complaint filed against a licensee herein, the term "not substantial justification" means a complaint that is frivolous, groundless in fact or law, or vexatious, as determined by unanimous vote of the board. In the event of a dismissal, the person filing the accusation and the accused licensee shall be given written notice of the board's determination. If the board determines there is reasonable cause to believe the accused has committed any of those offenses, the secretary of the board shall give written notice of such determination to the accused licensee and set a day for a hearing as provided in subsection (3) of this section.

(2) The board shall have the power to revoke, suspend or refuse to issue or renew any license or certificate provided for in this chapter, and to fine, place on probation and/or otherwise discipline a student or licensee or holder of a certificate, upon proof that such person: (a) has not complied with or has violated any of the rules and regulations promulgated by the board; (b) has not complied with or has violated any of the sections of this chapter; (c) has committed fraud or dishonest conduct in the taking of the examination herein provided for; (d) has been convicted of a felony; (e) has committed grossly unprofessional or dishonest conduct; (f) is addicted to the excessive use of intoxicating liquors or to the use of drugs to such an extent as to render him or her unfit to practice in any of the practices or occupations set forth in this chapter; (g) has advertised by means of knowingly false or deceptive statements; or (h) has failed to display the license or certificate issued to him or her as provided for in this chapter; or (i) has been convicted of violating any of the provisions of this chapter. A conviction of violating any of the provisions of this chapter shall be grounds for automatic suspension of the license or certificate of such person.

(3) The board shall not revoke, suspend or refuse to issue or renew any license or certificate, or fine, place on probation or otherwise discipline any person in a disciplinary matter except after a hearing of which the applicant or licensee or holder of the certificate affected shall be given at least twenty (20) days' notice in writing, specifying the reason or reasons for denying the applicant a license or certificate of registration, or in the case of any other disciplinary action, the offense or offenses of which the licensee or holder of a certificate of registration is charged. Such notice may be served by mailing a copy thereof by United States first-class certified mail, postage prepaid, to the last-known residence or business address of such applicant, licensee or holder of a certificate. The hearing on such charges shall be at such time and place as the board may prescribe.

(4) At such hearings, all witnesses shall be sworn by a member of the board, and stenographic notes of the proceedings shall be taken. Any party to the proceedings desiring it shall be furnished with a copy of such stenographic notes upon payment to

the board of such fees as it shall prescribe, not exceeding, however, the actual costs of transcription.

(5) The board is hereby authorized and empowered to issue subpoenas for the attendance of witnesses and the production of books and papers. The process issued by the board shall extend to all parts of the state and such process shall be served by any person designated by the board for such service. The person serving such process shall receive such compensation as may be allowed by the board, not to exceed the fee prescribed by law for similar services. All witnesses who shall be subpoenaed, and who shall appear in any proceedings before the board, shall receive the same fees and mileage as allowed by law.

(6) Where in any proceeding before the board any witness shall fail or refuse to attend upon subpoena issued by the board, shall refuse to testify, or shall refuse to produce any books and papers, the production of which is called for by the subpoena, the attendance of such witness and the giving of his testimony and the production of the books and papers shall be enforced by any court of competent jurisdiction of this state, in the same manner as are enforced for the attendance and testimony of witnesses in civil cases in the courts of this state.

(7) The board shall conduct the hearing in an orderly and continuous manner, granting continuances only when the ends of justice may be served. The board shall, within sixty (60) days after conclusion of the hearing, reduce its decision to writing and forward an attested true copy thereof to the last-known residence or business address of such applicant, licensee or holder of a certificate, by way of United States first-class certified mail, postage prepaid. Such applicant, licensee, holder of a certificate, or person aggrieved shall have the right of appeal from an adverse ruling, or order, or decision of the board to the Chancery Court of the First Judicial District of Hinds County, Mississippi, upon forwarding notice of appeal to the board within thirty (30) days after the decision of the board is mailed in the manner here contemplated. An appeal will not be allowed in the event notice of appeal, together with the appeal bond hereinafter required, shall not have been forwarded to the board within the thirty-day period. Appeal shall be to the Chancery Court of the First Judicial District of Hinds County, Mississippi. The appeal shall thereupon be heard in due course by the court which shall review the record and make its determination thereon.

(8) The appellant shall, together with the notice of appeal, forward to and post with the board a satisfactory bond in the amount of Five Hundred Dollars (\$500.00) for the payment of any costs which may be adjudged against him.

(9) In the event of an appeal, the court shall dispose of the appeal and enter its decision promptly. The hearing on the appeal may, in the discretion of the chancellor, be tried in vacation. If there is an appeal, such appeal may, in the discretion of and on motion to the chancery court, act as a supersedeas. However, any fine imposed by the board under the provisions of this chapter shall not take effect until after the time for appeal has expired, and an appeal of the imposition of such a fine shall act as a supersedeas.

(10) Any fine imposed by the board upon a licensee or holder of a certificate shall be in accordance with the following schedule:

(a) For the first violation, a fine of not less than Fifty Dollars (\$50.00) nor more than One Hundred Dollars (\$100.00) for each violation.

(b) For the second and each subsequent violation, a fine of not less than One Hundred Dollars (\$100.00) nor more than Four Hundred Dollars (\$400.00) for each violation.

The power and authority of the board to impose such fines under this section shall not be affected or diminished by any other proceeding, civil or criminal, concerning the same violation or violations.

(11) In addition to the reasons specified in subsection (2) of this section, the board shall be authorized to suspend the license of any licensee for being out of compliance with an order for support, as defined in Section 93-11-153. The procedure for suspension of a license for being out of compliance with an order for support, and the procedure for the reissuance or reinstatement of a license suspended for that purpose, and the payment of any fees for the reissuance or reinstatement of a license suspended for that purpose, shall be governed by Section 93-11-157 or 93-11-163, as the case may

be. Actions taken by the board in suspending a license when required by Section 93-11-157 or 93-11-163 are not actions from which an appeal may be taken under this section. Any appeal of a license suspension that is required by Section 93-11-157 or 93-11-163 shall be taken in accordance with the appeal procedure specified in Section 93-11-157 or 93-11-163, as the case may be, rather than the procedure specified in this section. If there is any conflict between any provision of Section 93-11-157 or 93-11-163 and any provision of this chapter, the provisions of Section 93-11-157 or 93-11-163, as the case may be, shall control.

Refunds will be made on underpayments by written requests from applicants. If no request for refund is made within sixty (60) days, the fees will be forfeited.

SECTION 21. Section 73-7-31, Mississippi Code of 1972, is reenacted and amended as follows:

73-7-31. Nothing in this chapter shall apply to:

- (a) Hairdressing, manicuring or facial treatments given in the home to members of family or friends for which no charge is made.
- (b) Persons whose practice is limited to * * * only performing makeup artistry, threading or applying or removing eyelash extensions; however, a person may perform a combination of not more than three (3) such practices and still be exempt from this chapter.
- (c) Barbers, and nothing in this chapter shall affect the jurisdiction of the State Board of Barber Examiners.
- (d) Persons engaged in the practice of hair braiding as defined in Section 73-7-71 who have completed the self-test part of the brochure on infection control techniques prepared by the State Department of Health and who keep the brochure and

SECTION 22. Section 73-7-33, Mississippi Code of 1972, is reenacted as follows:

73-7-33. In addition to the rules and regulations that may be prescribed and promulgated by the board under authority of this chapter, the following rules and regulations shall be observed:

Every establishment must be kept sanitary, including all utensils and equipment, must be well ventilated and properly lighted. Each salon must be provided with hot and cold running water. Electrical appliances must be properly installed and grounded.

Cosmetologists shall be allowed to wear any type of clothing or apparel while at work as long as such clothing or apparel is sanitary.

Persons with a communicable disease or parasitic infection that is medically recognized to be a direct threat of transmission by the type of contact that practitioners have with clients are not to be permitted to practice in an establishment until their condition is no longer communicable under those circumstances. No work shall be performed on any patron having a visible disease unless the patron shall produce a certificate from a practicing physician stating that the patron is free from infectious, contagious or communicable disease. A cosmetologist's license does not authorize such person to treat or prescribe for an infectious, contagious or any other disease.

A home salon must have a solid wall to the ceiling with an outside entrance, or if a door exists between the salon and the remainder of the house, the door must be kept closed at all times while service is being rendered.

SECTION 23. Section 73-7-35, Mississippi Code of 1972, is reenacted as follows:

73-7-35. (1) No person licensed pursuant to this chapter shall practice his or her profession except within the physical confines of a salon possessing and displaying a properly executed license issued pursuant to Section 73-7-17. However, this requirement shall not prevent a person from rendering his or her services to any person who may be confined to his or her home, a hospital, or other place as a result of illness, and cosmetologists shall be permitted to render their services to deceased persons away from their salons.

(2) No salon owner licensed pursuant to this chapter shall allow a cosmetologist, esthetician, or manicurist to practice his/her profession in the salon without possessing a valid license issued pursuant to this chapter.

SECTION 24. Section 73-7-37, Mississippi Code of 1972, is reenacted as follows:

73-7-37. (1) The violation of any of the provisions of this chapter, including the use of fraudulent statements to obtain any benefits or privileges under this chapter or practicing one (1) of these professions without a license, shall constitute a misdemeanor, punishable in any court of competent jurisdiction at the seat of government, and any person or firm convicted of the violation of any of the provisions of this chapter shall be fined not less than One Hundred Dollars (\$100.00) nor more than Five Hundred Dollars (\$500.00). The court shall not be authorized to suspend or suspend the execution of the fine required under this section.

(2) If any person, firm or corporation violates any of the provisions of this chapter, the secretary of the board, upon direction of a majority of the board and in the name of the board, acting through the Attorney General or an attorney employed by the board, shall apply in the Chancery Court of the First Judicial District of Hinds County, Mississippi, for an order enjoining such violation or for an order enforcing compliance with the provisions of this chapter. Upon the filing of a verified petition in the chancery court and after notice as provided under the Mississippi Rules of Civil Procedure, such court, if satisfied by the sworn petition, by affidavit or otherwise, that such person has violated any of the provisions of this chapter, may issue an injunction without notice or bond, enjoining such continued violation and such injunction shall remain in force and effect until a final hearing. If at such hearing it is established that such person has violated or is violating any of the provisions of this chapter, the court may enter a decree

permanently enjoining such violation or enforcing compliance with this chapter. In addition, the court may enter a judgment against such person for attorney's fees, court costs and the actual costs incurred by the board in investigating the actions of such person for which the board brought the suit for an injunction. In case of violation of any decree issued in compliance with this subsection, the court may punish the offender for contempt of court and the court shall proceed as in other cases.

(3) The proceedings in this section shall be in addition to and not in lieu of the other remedies and penalties provided in this chapter.

SECTION 25. Section 73-7-63, Mississippi Code of 1972, is amended as follows:

73-7-63. Sections 73-7-1 through 73-7-37, which create the State Board of Cosmetology and prescribe its duties and powers, shall stand repealed * * * on July 1, * * * 2024.

SECTION 26. Section 73-5-41, Mississippi Code of 1972, is amended as follows:

SECTION 27. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 67-1-5, Mississippi Code of 1972, as amended by Senate Bill No. 2606, 2021 Regular Session, and House Bill No. 1091, 2021, Regular Session, is amended as follows:

(a) "Alcoholic beverage" means any alcoholic liquid, including wines of more than five percent (5%) of alcohol by weight, capable of being consumed as a beverage by a human being, but shall not include light wine, light spirit product and beer, as defined in Section 67-3-3, Mississippi Code of 1972, but shall include native wines and native spirits. The words "alcoholic beverage" shall not include ethyl alcohol manufactured or distilled solely for fuel purposes or beer of an alcoholic content of more than eight percent (8%) by weight if the beer is legally manufactured in this state for sale in another state.

(b) "Alcohol" means the product of distillation of any fermented liquid, whatever the origin thereof, and includes synthetic ethyl alcohol, but does not include denatured alcohol or wood alcohol.

(c) "Distilled spirits" means any beverage containing more than * * * six percent (6%) of alcohol by weight produced by distillation of fermented grain, starch, molasses or sugar, including dilutions and mixtures of these beverages.

(d) "Wine" or "vinous liquor" means any product obtained from the alcoholic fermentation of the juice of sound, ripe grapes, fruits, honey or berries and made in accordance with the revenue laws of the United States.

(i) "State Tax Commission," "commission" or "department" means the Department of Revenue of the State of Mississippi, which shall create a division in its organization to be known as the Alcoholic Beverage Control Division. Any reference to the commission or the department hereafter means the powers and duties of the Department of Revenue with reference to supervision of the Alcoholic Beverage Control Division.

Hotels in towns or cities of more than twenty-five thousand (25,000) population are similarly defined except that they must have fifty (50) or more sleeping rooms. Any such establishment described in this paragraph with less than fifty (50) beds shall operate one or more regular dining rooms designed to be constantly frequented by customers each day. (m) "Restaurant" means:

(i) A place which is regularly and in a bona fide manner used and kept open for the serving of meals to guests for compensation, which has suitable seating facilities for guests, and which has suitable kitchen facilities connected therewith for cooking an assortment of foods and meals commonly ordered at various hours of the day; the service of such food as sandwiches and salads only shall not be deemed in

compliance with this requirement. Except as otherwise provided in this paragraph, no place shall qualify as a restaurant under this chapter unless twenty-five percent (25%) or more of the revenue derived from such place shall be from the preparation, cooking and serving of meals and not from the sale of beverages, or unless the value of food given to and consumed by customers is equal to twenty-five percent (25%) or more of total revenue; or

(ii) Any privately owned business located in a building in a historic district where the district is listed in the National Register of Historic Places, where the building has a total occupancy rating of not less than one thousand (1,000) and where the business regularly utilizes ten thousand (10,000) square feet or more in the building for live entertainment, including not only the stage, lobby or area where the audience sits and/or stands, but also any other portion of the building necessary for the operation of the business, including any kitchen area, bar area, storage area and office space, but excluding any area for parking. In addition to the other requirements of this subparagraph, the business must also serve food to guests for compensation within the building and derive the majority of its revenue from event-related fees, including, but not limited to, admission fees or ticket sales to live entertainment in the building, and from the rental of all or part of the facilities of the business in the building to another party for a specific event or function.

(n) "Club" means an association or a corporation:

(vi) No member, officer, agent or employee of which is paid, or directly or indirectly receives, in the form of a salary or other compensation any profit from the distribution or sale of alcoholic beverages to the club or to members or guests of the club beyond such salary or compensation as may be fixed and voted at a proper meeting by the board of directors or other governing body out of the general revenues of the club.

The department may, in its discretion, waive the five-year provision of this paragraph. In order to qualify under this paragraph, a club must file with the department, at the time of its application for a license under this chapter, two (2) copies of a list of the names and residences of its members and similarly file, within ten (10) days after the election of any additional member, his name and address. Each club applying for a license shall also file with the department at the time of the application a copy of its articles of association, charter of incorporation, bylaws or other instruments governing the business and affairs thereof.

(o) "Qualified resort area" means any area or locality outside of the limits of incorporated municipalities in this state commonly known and accepted as a place which regularly and customarily attracts tourists, vacationists and other transients because of its historical, scenic or recreational facilities or attractions, or because of other attributes which regularly and customarily appeal to and attract tourists, vacationists and other

transients in substantial numbers; however, no area or locality shall so qualify as a resort area until it has been duly and properly approved as such by the department. The department may not approve an area as a qualified resort area after July 1, 2018, if any portion of such proposed area is located within two (2) miles of a convent or monastery that is located in a county traversed by Interstate 55 and U.S. Highway 98. A convent or monastery may waive such distance restrictions in favor of allowing approval by the department of an area as a qualified resort area. Such waiver shall be in written form from the owner, the governing body, or the appropriate officer of the convent or monastery having the authority to execute such a waiver, and the waiver shall be filed with and verified by the department before becoming effective.

(i) The department may approve an area or locality outside of the limits of an incorporated municipality that is in the process of being developed as a qualified resort area if such area or locality, when developed, can reasonably be expected to meet the requisites of the definition of the term "qualified resort area." In such a case, the status of qualified resort area shall not take effect until completion of the development.

(ii) The term includes any state park which is declared a resort area by the department; however, such declaration may only be initiated in a written request for resort area status made to the department by the Executive Director of the Department of Wildlife, Fisheries and Parks, and no permit for the sale of any alcoholic beverage, as defined in this chapter, except an on-premises retailer's permit, shall be issued for a hotel, restaurant or bed and breakfast inn in such park.

(f) To arrest without warrant any person or persons committing or attempting to commit any misdemeanor, felony or breach of the peace within their presence or view, and to pursue and so arrest any person committing such an offense to and at any place in the State of Mississippi where he may go or be. Nothing herein shall be construed as granting the Mississippi Highway Safety Patrol general police powers.

(g) To aid and assist any law enforcement officer whose life or safety is in jeopardy. Additionally, officers of the Highway Safety Patrol may arrest without warrant any fugitive from justice who has escaped or who is using the highways of the state in an attempt to flee. With the approval of the commissioner or his designee, officers of the Highway Safety Patrol may assist other law enforcement agencies in manhunts for convicted felons who have escaped and/or for alleged felons where there is probable cause to believe that the person being sought committed the felony and a felony had actually been committed.

(h) To cooperate with the State Forest Service by reporting all forest fires.

(i) Upon request of the sheriff or his designee, or board of supervisors of any county or the chief of police or mayor of any municipality, and when so instructed by the commissioner or his designee, to respond to calls for assistance in a law enforcement incident; such request and action shall be noted and clearly reflected on the radio logs of both the Mississippi Highway Safety Patrol district substation and that of the requesting agency, entered on the local NCIC terminal, if available, and a request in writing shall follow within forty-eight (48) hours. Additionally, the time of commencement and termination of the specific law enforcement incident shall be clearly noted on the radio logs of both law enforcement agencies.

(2) The Legislature declares that the primary law enforcement officer in any county in the State of Mississippi is the duly qualified and elected sheriff thereof, but for the purposes of this subsection there is hereby vested in the Department of Public Safety, in addition to the powers hereinabove mentioned and the other provisions of this section under the terms and limitations hereinafter mentioned and for the purpose of insuring domestic tranquility and for the purpose of preventing or suppressing, or both, crimes of violence, acts and conduct calculated to, or which may, provoke or lead to violence and/or incite riots, mobs, mob violence, a breach of the peace, and acts of intimidation or terror, the powers and duties to include the enforcement of all the laws of the State of Mississippi relating to such purposes, to investigate any violation of the laws of the State of Mississippi and to aid in the arrest and prosecution of persons charged with violating the laws of the State of Mississippi which relate to such purposes. Investigators of the Bureau of Investigation of the Department of Public Safety shall have general police powers to enforce all the laws of the State of Mississippi. All officers of the Department of Public Safety charged with the enforcement of the laws administered by that agency, for the purposes herein set forth, shall have full power to investigate, prevent, apprehend and arrest law violators anywhere in the state, and shall be vested with the power of general police officers in the performance of their duties. The officers of the Department of Public Safety are authorized and empowered to carry and use firearms and other weapons deemed necessary in the discharge of their duties as such and are also empowered to serve warrants and subpoenas issued under the authority of the State of Mississippi. The Governor shall be authorized to offer and pay suitable rewards to persons aiding in the investigation, apprehension and conviction of persons charged with acts of violence, or threats of violence or intimidation or acts of terrorism. The additional powers herein granted to or vested in the Department of Public Safety or any of its officers or employees by this section, excepting investigating powers, and those powers of investigators who shall have general police power, being the investigators in the Bureau of Investigation of the Department of Public Safety, shall not be exercised by the Department of Public Safety, or any of its officers or employees, except upon authority and direction of the Governor or Acting Governor, by proclamation duly signed, in the following instances, to wit:

(a) When requested by the sheriff or board of supervisors of any county or the mayor of any municipality on the grounds that mob violence, crimes of violence, acts and conduct of terrorism, riots or acts of intimidation, or either, calculated to or which may provoke violence or incite riots, mobs, mob violence, violence, or lead to any breach of the peace, or either, and acts of intimidation or terror are anticipated, and when such acts

or conduct in the opinion of the Governor or Acting Governor would provoke violence or any of the foregoing acts or conduct set out in this subsection, and the sheriff or mayor, as the case may be, lacks adequate police force to prevent or suppress the same.

(b) Acting upon evidence submitted to him by the Department of Public Safety, or other investigating agency authorized by the Governor or Acting Governor to make such investigations, because of the failure or refusal of the sheriff of any county or mayor of any municipality to take action or employ such means at his disposal, to prevent or suppress the acts, conduct or offenses provided for in subsection (1) of this section, the Governor or Acting Governor deems it necessary to invoke the powers and authority vested in the Department of Public Safety.

(c) The Governor or Acting Governor is hereby authorized and empowered to issue his proclamation invoking the powers and authority vested by this paragraph, as provided in paragraphs (a) and (b) of this subsection, and when the Governor or Acting Governor issues said proclamation in accordance herewith, said proclamation shall become effective upon the signing thereof and shall continue in full force and effect for a period of ninety (90) days, or for a shorter period if otherwise ordered by the Governor or Acting Governor. At the signing of the proclamation by the Governor or Acting Governor, the Department of Public Safety and its officers and employees shall thereupon be authorized to exercise the additional power and authority vested in them by this paragraph. The Governor and Acting Governor may issue additional proclamations for periods of ninety (90) days each under the authority of paragraphs (a) and (b) of this subsection (2).

(3) All proclamations issued by the Governor or Acting Governor shall be filed in the Office of the Secretary of State on the next succeeding business day.

(4) It is not the intention of this section to vest the wide powers and authority herein provided for, as general powers of the Department of Public Safety, and the same are not hereby so vested, but to limit these general powers to cases and incidents wherein it is deemed necessary to prevent or suppress the offenses and conditions herein mentioned in this and other subsections of this section, and under the terms and conditions hereinabove enumerated, it being the sense of the Legislature that the prime duties of the Department of Public Safety are to patrol the highways of this state and enforce the highway safety laws.

(5) Patrol officers shall have no interest in any costs in the prosecution of any case through any court; nor shall any patrol officer receive any fee as a witness in any court held in this state, whether a state or federal court.

(6) Provided, however, that the general police power vested by virtue of the terms of subsection (2) of this section is solely for the purposes set out in said subsection.

SECTION 19. Section 27-19-89, Mississippi Code of 1972, is amended as follows:

[Through June 30, 2023, this section shall read as follows:]

27-19-89. (a) If any nonresident owner or operator or other nonresident person eligible for a temporary permit as provided in Section 27-19-79, who has not elected to register and pay the annual privilege taxes prescribed, shall enter or go upon the public highways of the state and shall fail or refuse to obtain the permit required by Section 27-19-79, such person shall be liable, for the first such offense, for the full amount of the permit fee required, plus a penalty thereon of five hundred percent (500%). For the second and all subsequent offenses, such person who fails or refuses to obtain such permits shall be liable for the pro rata part of the annual tax for the balance of the tag year for the maximum legal gross weight of the vehicle plus a penalty thereon of twenty-five percent (25%). Any weight in excess of the maximum legal gross weight of the vehicle, or in excess of the maximum highway weight limit, shall be penalized according to

subsection (c) of this section. In either case the excess weight shall be removed by the operator before the vehicle can be allowed to proceed. In order to constitute a "second or subsequent offense" under the provisions hereof, it shall not be necessary that the same or identical vehicle be involved, it being the declared purpose hereof to provide that such penalties shall run against the owner or operator rather than against the specified vehicle. It is further provided that, in order for such owner or operator to become liable for the penalties herein provided, it shall not be necessary to show that such owner or operator was guilty of willfulness, gross negligence or wantonness, but the offense shall be complete upon the failure or refusal to obtain the required permit.

(b) If any person who has registered his vehicle in Mississippi shall operate such vehicle upon the public highways, having a gross weight greater than the licensed gross weight of such vehicle, and shall fail or refuse to obtain a permit therefor as required by Section 27-19-79, or if any person shall operate any such registered vehicle upon the public highways in a higher classification than that for which it is registered, and shall fail or refuse to obtain a permit therefor as required by Section 27-19-79, then such person shall be liable for the pro rata part of the annual tax for the balance of the tag year for the legal gross weight of such vehicle and in the classification in which same is being operated, plus a penalty thereon of twenty-five percent (25%), after having been given credit for the unexpired part of the privilege tax paid, as provided in Section 27-19-75. In order that such owner or operator shall become liable for the penalties herein provided, it shall not be necessary to show that such owner or operator was guilty of willfulness, gross negligence or wantonness, but the offense shall be complete upon the failure or refusal to obtain the required permit.

(c) If any person shall operate upon a highway of this state a vehicle which has a greater vehicle gross weight than the maximum gross weight limit established by law for that highway and shall have failed to obtain an overload permit as required by Section 27-19-81, or if any person shall operate a vehicle with a greater load on any axle or axle grouping than allowed by law, then such person, owner or operator shall be assessed a penalty on such axle load weight or vehicle gross weight as exceeds the legal limit in accordance with the following schedule:

AMOUNT IN EXCESS OF

LEGAL HIGHWAY WEIGHT

LIMITS IN POUNDS	PENALTY
1 to 999	\$10.00 minimum penalty
1,000 to 1,999	1¢ per pound in excess of legal limit
2,000 to 2,999	2¢ per pound in excess of legal limit
3,000 to 3,999	3¢ per pound in excess of legal limit
4,000 to 4,999	4¢ per pound in excess of legal limit
5,000 to 5,999	5¢ per pound in excess of legal limit
6,000 to 6,999	6¢ per pound in excess of legal limit
7,000 to 7,999	7¢ per pound in excess of legal limit
8,000 to 8,999	8¢ per pound in excess of legal limit
9,000 to 9,999	9¢ per pound in excess of legal limit

10,000 to 10,999 10¢ per pound in excess of legal limit

11,000 or more 11¢ per pound in excess of legal limit

Any vehicle in violation of the tolerance allowed pursuant to Section 63-5-33(3) shall be fined pursuant to this subsection (c) for all weight in excess of the legal highway gross weight limit authorized for such vehicle or for all weight in excess of the legal tandem axle load weight limit of forty thousand (40,000) pounds and the legal single axle load limit of twenty thousand (20,000) pounds, whichever the case may be.

The penalty to be assessed for operations of a vehicle with a greater load on any axle or axle grouping than the legal axle load weight limits shall be one-half (1/2) the penalty for operation in excess of the legal gross weight limit.

In instances where both the legal highway gross weight limit and the legal axle load weight limit(s) are exceeded, the fine that shall be levied shall be either the penalty amount for the excess vehicle gross weight or the total of the penalty amounts of all overloaded axles, whichever is the larger amount.

Notwithstanding any other provisions of this section to the contrary, the fine assessed against the holder of a harvest permit for exceeding a gross vehicle weight of eighty-four thousand (84,000) pounds, but not exceeding a gross vehicle weight of ninety thousand (90,000) pounds, shall be Five Cents (5¢) per pound * * *. The fine for exceeding a gross vehicle weight of ninety thousand (90,000) pounds, but not exceeding a gross vehicle weight of one hundred thousand (100,000) pounds, shall be One Thousand Five Hundred Dollars (\$1,500.00). The fine for exceeding a gross vehicle weight of one hundred thousand (100,000) pounds shall be Two Thousand Five Hundred Dollars (\$2,500.00) for a first violation during any twelve-month period and Three Thousand Five Hundred Dollars (\$3,500.00) for a second violation during any twelve-month period. Any subsequent violation of exceeding a gross vehicle weight of one hundred thousand (100,000) pounds during any twelve-month period shall result in the suspension of the permit holder's harvest permit for thirty (30) days from the date of violation.

Notwithstanding any other provision of this subsection (c) to the contrary, upon an appeal to the Appeals Board of the * * * Commercial Transportation Enforcement Division of the Department of Public Safety by an owner or operator of a vehicle hauling without a harvest permit any of the products or materials described in subsection (3) of Section 63-5-33 and upon whom a penalty has been assessed under this subsection (c) for exceeding the legal weight limit(s) on a highway having a legal weight limit of eighty thousand (80,000) pounds or less, the appeals board shall reduce the penalty assessed against such owner/operator to an amount not to exceed ten percent (10%) of the amount which would otherwise be due without the reduction authorized under this paragraph. A reduction shall not be authorized under this paragraph if the gross weight of the vehicle for which an owner/operator has been charged with a violation of this section exceeds eighty-four thousand (84,000) pounds; and, in any event, no reduction shall be authorized under this paragraph unless a penalty assessed under this section is appealed to the appeals board and unless the board determines, based upon its records, that such owner/operator has not been granted a penalty reduction under this paragraph within a period of twelve (12) months immediately preceding the date of filing an appeal with the board for a penalty reduction under this paragraph.

(d) If any nonresident owner or operator who has not registered his vehicle and paid the annual privilege taxes prescribed shall operate his vehicle upon the highways of this state when such vehicle has a greater gross weight than permitted by law for the highway traveled upon, and for which such excess gross weight a permit was not or could not be procured from the transportation department as required by Section 27-19-81, such person shall be liable upon his second and all subsequent offenses for the pro rata part of the annual tax for the balance of the tag year for the legal gross weight of the vehicle,

and in addition thereto the penalty fee on the excess weight as specified in subsection (c) of this section. In order that such owner or operator shall become liable for the penalties herein provided, it shall not be necessary that the same or identical vehicle be involved, it being the declared purpose hereof to provide that such penalties shall run against the owner or operator rather than against the specific vehicle.

(e) All fines and penalties imposed and collected by the Mississippi Department of * * * Public Safety for violations of the maximum legal vehicle weight limits authorized on the highways of this state shall be deposited into a special fund that is created in the State Treasury. Monies in the fund shall be allocated and distributed quarterly, beginning September 30, 1994, to each county of the state based on the amount of such fines and penalties imposed and collected in the county during the immediately preceding three (3) months. Monies distributed to the counties under this subsection shall be deposited in each county's road and bridge fund and may be expended, upon approval of the board of supervisors, for any purpose for which county road and bridge fund monies lawfully may be expended.

[From and after July 1, 2023, this section shall read as follows:]

27-19-89. (a) If any nonresident owner or operator or other nonresident person eligible for a temporary permit as provided in Section 27-19-79, who has not elected to register and pay the annual privilege taxes prescribed, shall enter or go upon the public highways of the state and shall fail or refuse to obtain the permit required by Section 27-19-79, such person shall be liable, for the first such offense, for the full amount of the permit fee required, plus a penalty thereon of five hundred percent (500%). For the second and all subsequent offenses, such person who fails or refuses to obtain such permits shall be liable for the pro rata part of the annual tax for the balance of the tag year for the maximum legal gross weight of the vehicle plus a penalty thereon of twenty-five percent (25%). Any weight in excess of the maximum legal gross weight of the vehicle, or in excess of the maximum highway weight limit, shall be penalized according to subsection (c) of this section. In either case the excess weight shall be removed by the operator before the vehicle can be allowed to proceed. In order to constitute a "second or subsequent offense" under the provisions hereof, it shall not be necessary that the same or identical vehicle be involved, it being the declared purpose hereof to provide that such penalties shall run against the owner or operator rather than against the specified vehicle. It is further provided that, in order for such owner or operator to become liable for the penalties herein provided, it shall not be necessary to show that such owner or operator was guilty of willfulness, gross negligence or wantonness, but the offense shall be complete upon the failure or refusal to obtain the required permit.

(b) If any person who has registered his vehicle in Mississippi shall operate such vehicle upon the public highways, having a gross weight greater than the licensed gross weight of such vehicle, and shall fail or refuse to obtain a permit therefor as required by Section 27-19-79, or if any person shall operate any such registered vehicle upon the public highways in a higher classification than that for which it is registered, and shall fail or refuse to obtain a permit therefor as required by Section 27-19-79, then such person shall be liable for the pro rata part of the annual tax for the balance of the tag year for the legal gross weight of such vehicle and in the classification in which same is being operated, plus a penalty thereon of twenty-five percent (25%), after having been given credit for the unexpired part of the privilege tax paid, as provided in Section 27-19-75. In order that such owner or operator shall become liable for the penalties herein provided, it shall not be necessary to show that such owner or operator was guilty of willfulness, gross negligence or wantonness, but the offense shall be complete upon the failure or refusal to obtain the required permit.

(c) If any person shall operate upon a highway of this state a vehicle which has a greater vehicle gross weight than the maximum gross weight limit established by law for that highway and shall have failed to obtain an overload permit as required by Section 27-19-81, or if any person shall operate a vehicle with a greater load on any axle or axle

grouping than allowed by law, then such person, owner or operator shall be assessed a penalty on such axle load weight or vehicle gross weight as exceeds the legal limit in accordance with the following schedule:

AMOUNT IN EXCESS OF LEGAL HIGHWAY WEIGHT	
LIMITS IN POUNDS	PENALTY
1 to 999	\$10.00 minimum penalty
1,000 to 1,999	1¢ per pound in excess of legal limit

3,000 to 3,999	3¢ per pound in excess of legal limit
4,000 to 4,999	4¢ per pound in excess of legal limit
5,000 to 5,999	5¢ per pound in excess of legal limit
6,000 to 6,999	6¢ per pound in excess of legal limit
7,000 to 7,999	7¢ per pound in excess of legal limit
8,000 to 8,999	8¢ per pound in excess of legal limit
9,000 to 9,999	9¢ per pound in excess of legal limit
10,000 to 10,999	10¢ per pound in excess of legal limit
11,000 or more	11¢ per pound in excess of legal limit

Any vehicle in violation of the tolerance allowed pursuant to Section 63-5-33(3) shall be fined pursuant to this subsection (c) for all weight in excess of the legal highway gross weight limit authorized for such vehicle or for all weight in excess of the legal tandem axle load weight limit of forty thousand (40,000) pounds and the legal single axle load limit of twenty thousand (20,000) pounds, whichever the case may be.

The penalty to be assessed for operations of a vehicle with a greater load on any axle or axle grouping than the legal axle load weight limits shall be one-half (1/2) the penalty for operation in excess of the legal gross weight limit.

In instances where both the legal highway gross weight limit and the legal axle load weight limit(s) are exceeded, the fine that shall be levied shall be either the penalty amount for the excess vehicle gross weight or the total of the penalty amounts of all overloaded axles, whichever is the larger amount.

Notwithstanding any other provisions of this section to the contrary, the fine assessed against the holder of a harvest permit for exceeding a gross vehicle weight of * * * eighty-eight thousand (88,000) pounds * * * shall be broken down as follows:

WEIGHT IN POUNDS	PENALTY
88,001 to 89,999	5¢ per pound

Notwithstanding any other provision of this subsection (c) to the contrary, upon an appeal to the Appeals Board of the Commercial Transportation Enforcement Division of the Department of Public Safety, by an owner or operator of a vehicle hauling without a harvest permit any of the products or materials described in subsection (3) of Section 63-5-33 and upon whom a penalty has been assessed under this subsection (c) for exceeding the legal weight limit(s) on a highway having a legal weight limit of eighty thousand (80,000) pounds or less, the appeals board shall reduce the penalty assessed against such owner/operator to an amount not to exceed ten percent (10%) of the amount which would otherwise be due without the reduction authorized under this paragraph. A reduction shall not be authorized under this paragraph if the gross weight of the vehicle for which an owner/operator has been charged with a violation of this section exceeds * * * eighty-eight thousand (88,000) pounds; and, in any event, no reduction shall be authorized under this paragraph unless a penalty assessed under this section is appealed to the appeals board and unless the board determines, based upon its records, that such owner/operator has not been granted a penalty reduction under this paragraph within a period of twelve (12) months immediately preceding the date of filing an appeal with the board for a penalty reduction under this paragraph.

(d) If any nonresident owner or operator who has not registered his vehicle and paid the annual privilege taxes prescribed shall operate his vehicle upon the highways of this state when such vehicle has a greater gross weight than permitted by law for the highway traveled upon, and for which such excess gross weight a permit was not or could not be procured from the transportation department as required by Section 27-19-81, such person shall be liable upon his second and all subsequent offenses for the pro rata part of the annual tax for the balance of the tag year for the legal gross weight of the vehicle, and in addition thereto the penalty fee on the excess weight as specified in subsection (c) of this section. In order that such owner or operator shall become liable for the penalties herein provided, it shall not be necessary that the same or identical vehicle be involved, it being the declared purpose hereof to provide that such penalties shall run against the owner or operator rather than against the specific vehicle.

(e) All fines and penalties imposed and collected by the Mississippi Department of Public Safety, for violations of the maximum legal vehicle weight limits authorized on the highways of this state shall be deposited into a special fund that is created in the State Treasury. Monies in the fund shall be allocated and distributed quarterly, beginning September 30, 1994, to each county of the state based on the amount of such fines and penalties imposed and collected in the county during the immediately preceding three (3) months. Monies distributed to the counties under this subsection shall be deposited in each county's road and bridge fund and may be expended, upon approval of the board of supervisors, for any purpose for which county road and bridge fund monies lawfully may be expended.

SECTION 20. Section 19-11-27, Mississippi Code of 1972, is amended as follows:

19-11-27. No board of supervisors of any county shall expend from, or contract an obligation against, the budget estimates for road and bridge construction, maintenance and equipment, made and published by it during the last year of the term of office of such board, between the first day of October and the first day of the following January, a sum

exceeding one-fourth (1/4) of such item of the budget made and published by it, except in cases of emergency. The clerk of any county is prohibited from issuing any warrant contrary to the provisions of this section. No board of supervisors nor any member thereof shall buy any machinery or equipment in the last six (6) months of their or his term unless or until he has been elected at the general election of that year. The provisions of this section shall not apply to (i) until January 1, 2020, projects of any type that receive monies from the Local System Bridge Replacement and Rehabilitation Program, the Emergency Road and Bridge Repair Fund, the 2018 Transportation and Infrastructure Improvement Fund or the Gulf Coast Restoration Fund and (ii) to expenditures during calendar year 2019 on deficient bridges in the State Aid Road System or the Local System Road Program that have a sufficiency rating of less than fifty (50) or to a contract, lease or lease-purchase contract executed pursuant to the bidding requirements in Section 31-7-13 and approved by a unanimous vote of the board. Such unanimous vote shall include a statement indicating the board's proclamation that the award of the contract is essential to the efficiency and economy of the operation of the county government. On and after July 1, 2021, through June 30, 2023, the provisions of this section shall not apply to projects of any type that receive monies from the Emergency Road and Bridge Repair Fund.

SECTION 21. Section 63-5-33, Mississippi Code of 1972, is amended as follows:

63-5-33. (1) Subject to the limitations imposed on wheel and axle loads by Section 63-5-27, and to the further limitations hereinafter specified, the total combined weight (vehicles plus load) on any group of axles of a vehicle or a combination of vehicles shall not exceed the value given in the following table (Table III) corresponding to the distance in feet between the extreme axles of the group, measured longitudinally to the nearest foot, on those highways or parts of highways designated by the Mississippi Transportation Commission as being capable of carrying the maximum load limits and, in addition thereto, such other highways or parts of highways found by the commission to be suitable to carry the maximum load limits from an engineering standpoint, and so designated as such by order of the commission entered upon its minutes and published once each week for three (3) consecutive weeks in a daily newspaper published in this state and having a general circulation therein. The maximum total combined weight carried on any group of two (2) or more consecutive axles shall be determined by the formula contained in the Federal Weight Law enacted January 4, 1975, as follows: $W=500 (LN/N-1+12N+36)$ where W =maximum weight in pounds carried on any group of two (2) or more axles computed to the nearest five hundred (500) pounds, L =distance in feet between the extremes of any group of two (2) or more consecutive axles, and N =number of axles in any group under consideration.

(2) Moreover, in addition to the per axle weight limitations specified by Section 63-5-27, two (2) consecutive sets of tandem axles may carry a gross load of thirty-four thousand (34,000) pounds each, providing that the overall distance between the first and last axles of such consecutive sets of tandem axles is thirty-six (36) feet or more, except that, until September 1, 1989, the axle distance for tank trailers, dump trailers and ocean transport container haulers may be thirty (30) feet or more. Such overall gross weight may not exceed eighty thousand (80,000) pounds, except as provided by this section.

(3) Notwithstanding the provisions of Section 63-5-27 and/or Section 63-5-29 to the contrary, vehicles hauling products in the manner set forth in this subsection, whether or not such vehicles are operating with a harvest permit, shall be allowed a gross weight of not to exceed forty thousand (40,000) pounds on any tandem. Vehicles operating without a harvest permit shall be allowed a tolerance not to exceed five percent (5%) above their authorized gross vehicle weight, tandem or axle weight; except that the maximum gross vehicle weight of any such vehicle shall not exceed eighty thousand (80,000) pounds plus a tolerance thereon of not more than two percent (2%). Vehicles operating without a harvest permit loading at a point of origin having scales available for weighing the vehicle shall not be eligible for any tolerance over the gross weight limit of eighty thousand (80,000) pounds. Vehicles operating with a harvest permit shall be allowed a tolerance not to exceed ten percent (10%) above their authorized gross vehicle weight, tandem or axle weight, but the maximum gross vehicle weight of any such vehicle shall not exceed * * * eighty-eight thousand (88,000) pounds. However, neither the increased weights in this subsection nor any tolerance shall be allowed on federal interstate highways or on other highways where a tolerance is specifically prohibited by the Transportation Commission, the county board of supervisors or the municipal governing authorities as provided for in Section 63-5-27. The tolerance allowed by this subsection shall only apply to the operation of vehicles from the point of loading to the point of unloading for processing, and to the operation of vehicles hauling sand, gravel, woodchips, wood shavings, sawdust, fill dirt, and agricultural products, and products for recycling or materials for the construction or repair of highways. The range of such operation shall not exceed a radius of one hundred (100) miles except where the products are being transported for processing within this state.

(4) Notwithstanding the provisions of Section 63-5-27 and/or Section 63-5-29 to the contrary, vehicles hauling prepackaged products, unloaded at a state port or to be loaded at a state port, which are containerized in such a manner as to make subdivision thereof impractical shall be allowed a gross weight of not to exceed forty thousand (40,000) pounds on any tandem, and a tolerance not to exceed ten percent (10%) above their authorized gross weight, tandem or axle weight; except that the maximum weight of any vehicle shall not exceed eighty thousand (80,000) pounds plus a tolerance thereon of not more than two percent (2%); however, neither the increased weights in this subsection nor any tolerance shall be allowed on federal interstate highways or on other highways where a tolerance is specifically prohibited by the Transportation Commission, the county board of supervisors or the municipal governing authorities as provided for in Section 63-5-27.

(5) (a) Vehicles for which a harvest permit has been issued pursuant to Section 27-19-81(4) shall be allowed a gross vehicle weight tolerance of ten percent (10%), not to exceed * * * eighty-eight thousand (88,000) pounds. However, the board of supervisors of any county and the governing authorities of any municipality may designate the roads, streets and highways under their respective jurisdiction on and along which vehicles for which a harvest permit has been issued may travel. This subsection shall not apply to the federal interstate system.

(b) Any owner or operator who has been issued a harvest permit and who wishes to operate a vehicle on the roads, streets or highways under the jurisdiction of a county or municipality at a gross vehicle weight greater than the weight allowed by law or greater than the maximum weight established for such roads, streets or highways by the board of supervisors or municipal governing authorities, shall notify, in writing, the board

of supervisors or the governing authorities, as the case may be, before operating such vehicle on the roads, streets or highways of such county or municipality. In his notice, the permit holder shall identify the routes over which he intends to operate vehicles for which the permit has been issued and the dates or time period during which he will be operating such vehicles. The board of supervisors or the governing authorities, as the case may be, shall have two (2) working days to respond in writing to the permit holder to notify the permit holder of the routes on and along which the permit holder may operate vehicles for which a harvest permit has been issued. Failure of the board of supervisors or the governing authorities timely to notify the permit holder and to designate the routes on and along which the permit holder may operate shall be considered as authorizing the permit holder to operate on any of the roads, streets or highways of the county or municipality in accordance with the authority granted to the permit holder by the harvest permit.

(c) Any time a timber deed is filed with the chancery clerk, the grantee, at that time, may make a written request of the board of supervisors of the county or the governing authorities of the municipality, as the case may be, for the purpose of providing to the grantee, within three (3) working days of the filing of the request, a designated and approved route over the roads, streets or highways under the jurisdiction of the county or city, as the case may be, that the grantee may travel for the purpose of transporting harvested timber. Upon providing such route designation, the county or city, as the case may be, shall also provide to the grantee a map designating the approved route. An approved route designation provided to a grantee under the provisions of this paragraph shall be valid for a period of six (6) months from its date of issue. The permit authorized to be issued under paragraph (b) of this subsection shall not be required for any person who obtains a permit issued under this paragraph.

(d) This subsection (5) shall stand repealed from and after July 1, 2022.

(6) Nothing in this section or subsections (1) through (4) of Section 63-5-27 shall be construed to deny the operation of any vehicle or combination of vehicles that could be lawfully operated upon the interstate highway system of this state on January 4, 1975.

(7) (a) Notwithstanding any provisions of Section 63-5-27 to the contrary, a vehicle that is operated by an engine fueled primarily by compressed or liquefied natural gas may exceed the gross vehicle weight limits by an amount, not to exceed a maximum of two thousand (2,000) pounds, that is equal to the difference between the weight of the vehicle attributable to the natural gas tank and fueling system carried by the vehicle and the weight of a comparable diesel tank and fueling system.

(b) The weight exception provided in this subsection shall apply to all interstate highways per the exemption expressly permitted by 23 USC Section 127.

SECTION 22. Section 65-1-46, Mississippi Code of 1972, is amended as follows:

[Through June 30, 2023, this section shall read as follows:]

65-1-46. (1) There is created an Appeals Board of the Mississippi Transportation Commission. If any person feels aggrieved by a penalty for excess weight assessed against him by an agent or employee of the Mississippi Department of Transportation pursuant to Section 27-19-89, he may apply to the appeals board. Beginning July 1, 2021, the Appeals Board shall be administratively located within the Commercial Transportation Enforcement Division of the Mississippi Department of Public Safety and shall receive appeals with respect to penalties for excess weight assessed by agents or employees of the Commercial Transportation Enforcement Division.

(2) The members serving on the appeals board on April 7, 1995, shall continue to serve until July 1, 1995. On July 1, 1995, the appeals board shall be reconstituted to be composed of five (5) qualified people. The initial appointments to the reconstituted board shall be made no later than June 30, 1995, for terms to begin July 1, 1995, as follows:

One (1) member shall be appointed by the Governor for a term ending on June 30, 1996, one (1) member shall be appointed by the Lieutenant Governor for a term ending on June 30, 1997, one (1) member shall be appointed by the Attorney General for a term ending on June 30, 1998, one (1) member shall be appointed by the Chairman of the State Tax Commission for a term ending on June 30, 1999, and one (1) member shall be appointed by the Executive Director of the Mississippi Department of Transportation for a term ending on June 30, 2000. After the expiration of the initial terms of the members of the reconstituted board, all subsequent appointments shall be made for terms of four (4) years from the expiration date of the previous term. Any member serving on the appeals board before July 1, 1995, may be reappointed to the reconstituted appeals board. Appointments to the board shall be with the advice and consent of the Senate; however, the advice and consent of the Senate shall not be required for the appointment of a person to the reconstituted appeals board for a term beginning on July 1, 1995, if such person was serving as a member of the appeals board on June 30, 1995, and such person received the advice and consent of the Senate for that appointment. The term of the member appointed by the Executive Director of the Mississippi Department of Transportation shall end on June 30, 2021, and the vacancy shall be filled by a member appointed by the Commissioner of Public Safety for a term ending on June 30, 2024, after which the position shall be for a four-year term.

(3) There shall be a chairman and vice chairman of the board who shall be elected by and from the membership of the board. Any member who fails to attend three (3) consecutive regular meetings of the board shall be subject to removal by a majority vote of the board. A majority of the members of the board shall constitute a quorum. The chairman, or a majority of the members of the board, may call meetings as may be required for the proper discharge of the board's duties. Members of the board, except a member who is an officer or employee of the Mississippi Department of Transportation or, beginning July 1, 2021, is an officer or employee of the Department of Public Safety, shall receive per diem in the amount authorized by Section 25-3-69, for each day spent in the actual discharge of their duties and shall be reimbursed for mileage and actual expenses incurred in the performance of their duties in accordance with the provisions of Section 25-3-41.

Application shall be made by petition in writing, within thirty (30) days after assessment of the penalty, for a hearing and a review of the amount of the assessment. At the hearing the appeals board shall try the issues presented according to the law and the facts and within guidelines set by the Transportation Commission or, beginning July 1, 2021, by the Department of Public Safety. Upon due consideration of all the facts relating to the assessment of the penalty, the appeals board, except as otherwise provided under this section or under Section 27-19-89, may require payment of the full amount of the assessment, may reduce the amount of the assessment or may dismiss imposition of the penalty entirely. The appeals board shall dismiss in its entirety the imposition of any penalty imposed against the holder of a harvest permit if the permittee proves to the appeals board, by clear and convincing evidence, that the average load transported by the permittee during the permittee's last five (5) haul days immediately preceding the day upon which the penalty appealed from was assessed did not exceed eighty thousand (80,000) pounds. The appeals board shall reduce the penalty assessed against the holder of a harvest permit to a maximum of Two Cents (2¢) per pound of overweight if the permittee proves to the appeals board, by clear and convincing evidence, that the average load transported by the permittee during the permittee's last five (5) haul days immediately preceding the day upon which the penalty appealed from was assessed exceeded seventy-nine thousand nine hundred ninety-nine (79,999) pounds but did not exceed eighty-four thousand (84,000) pounds. The board shall make such orders in the matter as appear to it just and lawful and shall furnish copies thereof to the petitioner. If the appeals board orders the payment of the penalty, the petitioner shall pay the penalty, damages and interest, if any, within ten (10) days after the order is issued unless there is an application for appeal from the decision of the board as provided in the succeeding paragraph. Interest shall accrue on the penalty at the rate of one percent (1%) per month, or part of a month, beginning immediately after the expiration of the ten-day period.

If any person feels aggrieved by the decision of the appeals board, he may appeal the decision to the Chancery Court of the First Judicial District of Hinds County.

TO THE MISSISSIPPI SENATE

GOVERNOR'S PARTIAL VETO MESSAGE FOR SENATE BILL 2948

I am returning Senate Bill 2948: "AN ACT MAKING AN APPROPRIATION TO DEFRAY THE EXPENSES OF THE DEPARTMENT OF FINANCE AND ADMINISTRATION FOR FISCAL YEAR 2022" partly approved and partly not approved pursuant to Article IV, Section 73 of the Mississippi Constitution as an "exercise of the authority endowed the office of the Governor by the people of Mississippi in our Constitution." *Governor Reeves v. Representative Gunn and Representative White*, 307 So.3d 436, 439-442 (Miss. 2020).

I am vetoing Section 29(jj) (Lines 518-520) providing a \$500,000 appropriation to the City of Greenville to assist in paying the costs associated with downtown park improvements.

I am also vetoing Section 29(ww) (Lines 556-559) providing a \$50,000 appropriation to the City of Scooba to assist in paying the costs associated with making improvements to sports and athletic fields and related facilities.

Finally, I am vetoing Section 29(aaa) (Lines 570-574) making a \$50,000 appropriation to the Town of Mathiston to assist in paying costs associated with construction, repair, renovation, upgrades and improvements to the town's baseball park and related facilities.

Article IV, Section 73 of the Mississippi Constitution states: "The Governor may veto parts of any appropriation bill, and approve parts of the same, and the portions approved shall be law." The removal of these separate, distinct and complete appropriations does not affect any other appropriations in Senate Bill 2948. *See Reeves*, 307 So.3d at 442.

Respectfully submitted,

TO THE MISSISSIPPI SENATE

GOVERNOR'S VETO MESSAGE FOR SENATE BILL 2624

I am returning Senate Bill 2624: "AN ACT TO AMEND SECTION 73-35-23, MISSISSIPPI CODE OF 1972 TO REQUIRE THE REAL ESTATE COMMISSION TO ESTABLISH A PILOT PROGRAM ALLOWING ADMINISTRATIVE HEARINGS ON CERTAIN LICENSING MATTERS UNDER ITS JURISDICTION; TO PROVIDE THAT ADMINISTRATIVE HEARING OFFICERS SHALL BE STAFF ATTORNEYS EMPLOYED BY THE ATTORNEY GENERAL; TO AMEND SECTION 73-35-25, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT AN APPEAL TAKE [sic] A DEFENDANT FROM AN ADVERSE RULING OR ORDER OF THE MISSISSIPPI REAL ESTATE COMMISSION

SHALL ACT AS A SUPERSEDEAS; TO AMEND SECTION 73-35-21, MISSISSIPPI CODE OF 1972, TO CONFORM TO THE PRECEDING AMENDMENT; AND FOR RELATED PURPOSES.”

Senate Bill 2624 allows persons licensed by the Mississippi Real Estate Commission and charged with a violation of Commission rules or procedures to bypass the Commission entirely and elect to have an administrative hearing officer (designated by the Attorney General) conduct the hearing and render a final decision on the charges. Specifically, Senate Bill 2624 confers on the administrative hearing officer “the same powers and authority in conducting hearings and rendering decisions as granted to the commission.” Further, Senate Bill 2624 requires that the “clear and convincing standard of proof shall be used to examine factors during all hearings.” Finally, Senate Bill 2624 amends Miss. Code Ann. § 73-35-25 to provide that if an appeal is taken to the Circuit Court from the decision of the Commission or administrative hearing officer, such appeal shall act as supersedeas until the appeal is resolved by the Circuit Court, unless the Commission can establish by clear and convincing evidence that immediate and irreparable harm will result to the public if the licensee is permitted to continue to operate.

While I am troubled that the Commission has failed to adopt comprehensive written policies and procedures to ensure consistent procedural due process is followed in connection with the handling of complaints and disciplinary proceedings, I am unwilling at this time to remove final disciplinary authority from the Commission. While there is nothing unusual about the use of a hearing officer to preside over a disciplinary proceeding, the hearing officer’s findings and decision must be subject to review and final approval by the governing board or commission charged with the responsibility of licensing and regulating that profession in the State. Senate Bill 2624 completely removes the Commission from the disciplinary process at the election of the person charged with a violation and confers upon the hearing officer the full disciplinary authority of the Commission.

Additionally, while it may be appropriate to apply the clear and convincing standard of proof to alleged violations implicating charges of fraud or intentional misconduct, this heightened standard of proof should not be applied to alleged negligence-based violations of Commission rules or procedures. Finally, the proposed amendment to Miss. Code Ann. § 73-35-25 to provide that if an appeal is taken to the Circuit Court from the decision of the Commission, such appeal should act as supersedeas until the appeal is resolved by the Circuit Court is a good proposed change in the law. Such a stay of the Commission’s final disciplinary decision, absent the Commission establishing irreparable harm to the public, will ensure that a licensee’s appellate rights are meaningfully protected.

Despite some positive changes to current law proposed by Senate Bill 2624, I am compelled at this time to veto the bill. I encourage all stakeholders to come together for a meaningful discussion of these and other issues and attempt to reach a resolution that is agreeable to all parties prior to the 2022 Legislative session.

Respectfully submitted,

TATE REEVES

PART III

A History of Actions on All Legislative Matters Considered by the Senate

Titles of all Senate bills in this part of the index are condensed and appear in numerical order, showing the authors and committees to which they were referred. Senate bills with more than two authors will reflect only the first recorded author. Senate bill numbers begin at 2001, so as to prevent duplication of House Bill numbers.

Titles of all House bills which reached the Senate are condensed and appear in numerical order in this part of the index, showing the committees to which they were referred.

Following these titles are abbreviations indicating actions on the bills, followed by figures showing the pages in the Journal where such actions will be found. Explanations of these abbreviations are shown below. The chapter in the General Laws or in the Local and Private Laws, as the case may be, is shown for each bill that became law. The General Laws and the Local and Private Laws are published in separate volumes.

PART X
RULES

A. SENATE RULES

PRESIDENT

1. The Lieutenant Governor shall be the President of the Senate. The President shall take the Chair at the hour to which the Senate shall have adjourned, shall call the Senate to order, and on the appearance of a quorum, shall proceed with the regular order of business.

2. The President shall preserve order and decorum, may speak to points of order in preference to other members, and shall decide all questions of order. The President's decision thereon shall be subject to an appeal to the Senate as provided in Rule 112 and may be denied or sustained by a majority of those present and voting.

3. The President shall rise to put a question but may state it sitting, and the President shall put the question in this form: "As many as are in favor (as the question may be) say 'Aye'," and, after the affirmative voice is had: "As many as opposed, say 'No'." If the President doubts or a division is called for, the Senate shall divide, and those in the affirmative shall rise first; then those in the negative. Count of division votes shall be made by the Secretary and announced by the President.

4. The President shall call some Senator to the Chair when the Senate goes into Committee of the Whole. The President shall have the right also during sessions of the Senate to name a Senator to perform the duties of the Chair, but such substitution shall not extend beyond adjournment of that legislative day. When both the Lieutenant Governor and the President Pro Tempore shall be absent, the Senate may call any Senator to preside from day to day during such absences.

5. (Omitted)

6. (Omitted)

7. The President shall appoint the membership of committees as provided in Rule 36 and Rule 37.

8. The President shall sign all bills, resolutions or measures; and all writs, warrants and subpoenas issued by the Senate shall be signed by the President and attested by the Secretary.

PRESIDENT PRO TEMPORE

9. There shall be elected a President Pro Tempore in the manner provided in Section 5-1-15, Mississippi Code of 1972. The President Pro Tempore shall not be eligible for appointment as chairman of any standing Senate committee, with the exception of the Rules Committee.

10. In the election of the President Pro Tempore, the candidate receiving the lowest number of votes shall be dropped after the first ballot and on each succeeding ballot until one (1) candidate receives a majority of all votes cast, and the vote shall be by viva voce vote on roll call of the members. The President Pro Tempore may be removed from office at any time by a vote of at least three-fourths (3/4) of the members of the Senate present and voting.

11. In the absence of the President, or at the President's request, the President Pro Tempore shall act in the President's stead, assuming the duties and responsibilities herein granted to the President.

SECRETARY

12. The Secretary of the Senate shall keep a correct Journal of the proceedings of the Senate as provided by law. The Secretary shall be elected by the Senate and shall serve during the term of the Senate by which the Secretary was elected. The Secretary may be removed from office at any time by a vote of at least three-fourths (3/4) of the members of the Senate present and voting.

13. The Secretary shall insert in an appendix to the Journal the Rules of the Senate and the Joint Rules of the two (2) branches, and the constitutional provisions governing the powers and procedures of the Legislature.

14. The Secretary shall retain all bills, resolutions or other papers in reference to which any Senator has a right to move a reconsideration until the right to reconsideration has expired. This rule shall not apply when unanimous consent of the Senate shall be given to the Secretary to immediately transmit any such bill or resolution to the House of Representatives. However, the constitutional rights of Senators to enter motions to reconsider shall not be abridged.

15. In the event a bill or resolution is transmitted immediately to the House by unanimous consent and a proper motion to reconsider is later entered, it shall be the duty of the Secretary to recall by message such bill or resolution from the House, whereupon such bill or resolution shall take its proper place on the Calendar.

16. The Secretary shall keep a separate and distinct Journal of the proceedings of the Senate when in executive session.

17. The Secretary, with the approval of the Senate Rules Committee, shall provide for the appointment of Pages, whose salaries shall be fixed by the Rules Committee. Not more than six (6) pages shall serve throughout the session as Senior Pages, and one (1) of these six (6) shall be designated as Head Page by the Secretary. Nominations of Pages by members of the Senate shall be submitted to the Secretary as soon as possible so that they may be properly scheduled. Pages shall be not less than fourteen (14) years of age.

18. (Omitted)

ASSISTANT SECRETARY

19. There shall be an Assistant Secretary, and an additional Assistant Secretary when needed, appointed by the Senate Rules Committee. The duties of the Assistant Secretary shall be comparable to those of the Secretary.

SERGEANT-AT-ARMS

20. The duties of the Sergeant-at-Arms shall be those enumerated in Section 5-1-35, Mississippi Code of 1972, and such other related duties as may be assigned by the Senate Rules Committee or the Senate. The Sergeant-at-Arms shall be elected by the Senate and shall serve during the term of the Senate by which the Sergeant-at-Arms was elected. The Sergeant-at-Arms may be removed from office at any time by a vote of at least three-fourths (3/4) of the members of the Senate present and voting.

20A. (Omitted)

TIME OF CONVENING

21. The time of convening of the Senate, unless otherwise ordered by a majority vote of the Senators elected, shall be at ten o'clock a.m. each legislative day, except on Mondays when the time shall be four o'clock p.m. and Fridays when the time shall be 9:00 a.m.; and there shall be no Saturday or Sunday meetings unless specifically ordered by a majority vote of the Senators elected.

QUORUMS

22. A quorum of the Senate shall consist of not less than twenty-seven (27) Senators.

23. A quorum of any standing committee, subcommittee or special committee shall consist of not less than a majority thereof.

24. Upon the appearance of lack of a quorum, the President or any Senator may demand a call of the Senate, but no such call shall be in order after the voting on any question has begun nor while any Senator is speaking. It shall be the duty of the Sergeant-at-Arms to search for absentee members and notify them of such call. By majority vote of Senators present and voting the Senate may direct the Sergeant-at-Arms to compel the attendance of absent Senators.

ORDER OF BUSINESS

25. The order of business shall be:

- (1) Roll Call
- (2) Invocation
- (3) Pledge of Allegiance to the Flag of the United States of America
- (4) Reading of the Journal
- (5) Presentation of petitions
- (6) Reports of standing committees
- (7) Reports of select committees
- (8) Introduction of bills and concurrent resolutions
- (9) Reference of bills and concurrent resolutions
- (10) Presentation of Senate resolutions
- (11) Unfinished business
- (12) Consideration of bills and resolutions
- (13) At midnight on a deadline day, the Senate clock shall determine the end of that calendar day regardless of whether the Senate is then operating under the previous question. Any measure pending before the Senate on a deadline upon which the final vote has not been both taken and announced shall automatically fail, and no announcement to the contrary may be made by the Chair. If the Senate clock is not in working order, the Presiding Officer shall keep the time.

26. When the order of unfinished business is reached, the unfinished business in which the Senate was engaged at the time of last adjournment shall have precedence in the consideration of bills and resolutions, except as to special orders which shall have precedence.

27. The order of business for any day may be changed by a two-thirds (2/3) vote of the Senators present and voting; but when the Senate shall have passed from one (1) order to another, no action shall be had on those passed except by a two-thirds (2/3) vote of the members present and voting.

27A. No Senator shall be allowed to interrupt the business for purposes of introducing guests. At appropriate times during the transacting of business, the presiding officer shall announce an opportunity for the Senators to recognize and introduce their guests.

VISITORS

28. No person shall be entitled to enter upon the floor of the Senate while in session except the following persons: members and their immediate families; elected state officials; former members of the Legislature, unless the former member is a registered lobbyist; officers and employees of the Senate; members, officers and employees of the House of Representatives; joint legislative employees; ministers or other official guests invited by the President on behalf of the Senate; and such others as the Rules Committee may designate by name. The Sergeant-at-Arms shall clear the Senate of all other visitors, with the exception of members of the news media with proper credentials issued by the Rules Committee, thirty (30) minutes before each session convenes and shall not allow other visitors on the floor of the Senate for ten (10) minutes after the session has recessed.

RULES - SUSPENSION AND ADOPTION

29. The rules of the Senate may be suspended upon motion by an affirmative vote of two-thirds (2/3) of the Senators present and voting, except where prohibited by the Constitution.

30. Temporary rules of the Senate may be adopted by resolution on a majority vote of the Senators present and voting, and such temporary rules may be designated by reference to the rules of a certain previous session. Permanent rules may be adopted by majority vote, and any subsequent changes therein or amendments thereto shall require one (1) day's notice thereof by resolution entered in the Journal and adoption by a vote of two-thirds (2/3) of the Senators present and voting.

DECORUM

31. If any Senator, in speaking or otherwise, transgresses the rules of the Senate, the presiding officer shall, or any Senator may, call him to order; and when a Senator shall be called to order by the presiding officer or a Senator, the Senator shall sit down and shall not proceed without leave of the presiding officer or by a majority vote of the Senate.

32. No Senator shall absent himself from the Senate without leave. In case a less number than a quorum of the Senate shall convene, a majority of such number is empowered to direct the Sergeant-at-Arms or authorize any other person or persons to compel the attendance of absent Senators, and at the expense of the absent Senators, respectively, unless such excuse for nonattendance shall be made as the Senate by majority vote, when a quorum shall have convened, deems sufficient, in which case the expense shall be paid out of the Senate Contingent Fund.

33. Leave of absence may be granted to any Senator at his own request or at the request of another Senator.

34. No Senator shall entertain private discourse while the President is putting a question or addressing the Senate. Senators shall not be permitted to

interrupt another while such other is speaking except by rising to call to order or as provided in Rule 69.

35. Members of the Senate, shall be held personally responsible for the return of bills, resolutions and other official records which they may receive from the Secretary's office.

35A. Whenever a Senator is on the floor of the Senate while the Senate is in session, each male Senator shall wear a coat and necktie, and each female Senator shall wear appropriate attire. Whenever a Senator is on the floor of the Senate while the Senate is in session, he or she shall not be allowed to smoke a cigarette, cigar or pipe or consume food.

35B. Smoking shall not be permitted in the Senate Chamber, the Senate Gallery or in any office of the New Capitol Building under the jurisdiction of the Senate at any time. As used in this rule, "smoking" means to inhale, exhale, burn, carry or otherwise possess any lighted cigarette, cigar, pipe or any other object or device of any form that contains lighted tobacco or any other smoking product. The Sergeant-at-Arms shall enforce the provisions of this Rule 35B.

35C. No person except for members of the news media with proper credentials issued by the Rules Committee may be admitted to the press table on the floor of the Senate for the purpose of transcribing the debates and proceedings of the Senate. No person except for news media with proper credentials issued by the Rules Committee shall take any photograph or transcribe debates and proceedings of the Senate in the Senate Gallery while the Senate is in session. No person shall be allowed to consume food or display any banner or sign in the Senate Gallery while the Senate is in session.

35D. Effective with the 2020 Regular Session, the Committee on Rules shall contract with the Mississippi Authority for Educational Television, or another appropriate service, to webcast on the internet the regular floor proceedings of the Mississippi Senate and any committee meetings designated by the Rules Committee. During floor proceedings, cameras used in making such webcasts may only be allowed to show the Senator speaking at the podium and the Presiding Officer. Reporters and technicians to effectuate such webcasts may be admitted to the chamber and committee rooms for this purpose, but no camera, apparatus or procedure shall be used which will interfere with the usual procedure of the Senate, and all such webcasting shall be done from areas reserved or set aside for such activities by the Committee on Rules. No such webcast shall be archived or recorded for future use by the Mississippi Senate.

FUNCTION OF COMMITTEES

37. Standing, select and conference committees shall be appointed by the President.

38. The first member named on a committee shall be its chairman and the second member named shall be its vice chairman, unless it is specifically provided that they shall be elected. There shall be no further rank on the committees, the remaining members being listed thereon in alphabetical order. In the event of a vacancy in the chairmanship or vice chairmanship, or membership, the vacancies shall be filled by appointment by the President.

39. Each committee shall, after its organization, immediately determine by a majority vote what number shall constitute a sufficient quorum for it to proceed to business, which quorum shall not be less than the majority required by Rule 23, and shall report that action, together with the name of the secretary of the committee, to the Secretary of the Senate.

40. Committee chairmen and secretaries will be held responsible for the return of all bills, resolutions, papers and committee books taken from the Secretary of the Senate's office to the respective committee meetings.

41. A committee of the Senate shall report on the sufficiency of the titles of all bills and resolutions before their being put on final passage; and it shall be in order, before the passage of every bill or resolution, to move to commit or recommit for report upon the sufficiency of the title. Titles shall indicate clearly the subject matter of the proposed legislation.

42. When motions are made for reference of the same subject to a select committee and a standing committee, the motion for reference to a standing committee shall be first put.

43. The following named committees shall have preference at any time on matters herein stated, viz: the Committee on Rules, on rules, joint rules and order of business; the Committee on Enrolled Bills, on enrolled bills, except they shall not have precedence over appropriations and revenue bills (see Const. Sec. 68); conference committees may report at any time, except they shall not have precedence over appropriations and revenue bills.

44. The chairman of the various standing committees shall announce or lay on the desk of the Secretary, to be read previous to adjournment each day, notice of the time and place of meeting of such committees, and all members of such committees shall be required to attend all such meetings, unless previously excused by the chairman. A quorum must be present when any bill, resolution or measure is reported by such committees. The names of those members present and of those absent must show in the record kept by the committee secretary at each meeting of a committee. The Secretary of the Senate shall post the time of committee meetings on the bulletin board provided for this purpose.

45. A committee's request to be discharged from further consideration of a subject, with or without recommendations that it be referred to another committee, shall be immediately considered.

46. No committee, except the Committee on Rules, shall absent itself from the Senate Chamber while the Senate is in session, except by unanimous consent of the Senate.

47. No committee shall be allowed to occupy the Senate Chamber without an affirmative vote of a majority of the Senators present and voting, except the Committee on Rules.

47A. (Omitted)

CONFERENCE COMMITTEES

48. A conference committee on the part of the Senate shall consist of three (3) Senators, unless otherwise ordered by majority vote of the Senate, and they shall be appointed as provided in Rule 37.

49. A motion to instruct conferees is not in order until their conference report has failed of adoption.

50. When a bill is sent to conference, only matters in disagreement between the Houses are subject to consideration by the conference committee. However, when one (1) House strikes out of a bill all after the enacting clause and inserts new germane text as an amendment thereto, the conferees may disregard the text of the original bill and the amendment and exercise wide discretion in the incorporation of germane text and may even report a new bill on the germane subject matter of the original bill.

51. No report from a conference committee or other joint committee shall be acted upon in the Senate unless subscribed to by a majority of the members of the Senate acting on the committee. No matter reported on the recommendation of a joint committee or conference committee of the two (2) Houses shall be in order for consideration by the Senate if it shall appear that the members of such joint committee on the part of the Senate, if in attendance on the Legislature, shall not have been notified, and for that reason not present, when the matter was acted on by the committee.

52. Conference reports may not be (a) tabled, (b) referred to a committee, or (c) amended.

53. Mere changes in phraseology, without material alteration of the subject matter, are not sufficient to render a conference report subject to point of order that the conferees exceeded their authority.

54. It is legislatively recognized that it is the function of a conference committee to submit a compromise of the difference between the Houses, which might be acceptable to both, and liberal interpretation looking to that end is indicated.

55. When a conference report is called up, only three (3) courses are open: (a) adopt, (b) not adopt, or (c) recommit to the same or another conference committee, provided adoption of the report has not occurred in the House.

56. Should a point of order prevail against consideration of a conference committee report, the bill returns to the status it had before being sent to conference.

57. When conference results in disagreement, conferees reporting such disagreement are thereby discharged, and new conferees may be appointed.

COMMITTEE OF THE WHOLE

58. Upon a motion supported by a vote of two-thirds (2/3) of those Senators present and voting, the Senate may resolve itself into a Committee of the Whole to consider a bill, concurrent resolution or measure; and if the Committee of the Whole reports such bill, concurrent resolution or measure favorably, it may be taken up immediately by a suspension of the rules; otherwise, it takes its place on the Calendar along with other favorably reported bills, concurrent resolutions and measures.

59. Motions for forming a Committee of the Whole for the immediate consideration of any Senate bill or resolution at the time of their introduction, or of House bills or resolutions at the time of their receipt from the House, except bills of local and private nature, should be made before such bills or resolutions are referred to standing committees, as provided by Rule 75.

60. In forming a Committee of the Whole, the President shall call some Senator to preside, and rules governing the Committee of the Whole shall be the rules of the Senate so far as they may be made applicable.

61. A Committee of the Whole may, during any session thereof, consider more than one bill or resolution; no additional bills or resolutions may be so considered unless the Senate has by a two-thirds (2/3) vote previously agreed thereto.

SPECIAL COMMITTEES

62. Special committees shall in all cases report to the Senate a state of facts and their opinion or recommendation on the subject matter referred to them. Such reports may on motion be incorporated in the Journal.

63. No Senator offering a motion or resolution for the appointment of a special committee shall be appointed chairman of such committee.

MINORITY REPORTS

64. Bills and resolutions unfavorably reported by committees shall not be placed on the Calendar at all unless accompanied by a Minority Report signed by one or more members who were present at the committee meeting at which the bill or resolution was reported. Minority Reports must be filed within three (3) legislative days after the bill or resolution has been reported by the committee. Minority reported bills and resolutions shall be placed on the Calendar at the heel of favorably reported bills and resolutions and shall not be considered until all favorably reported bills and resolutions are disposed of, except by a vote of two-thirds (2/3) of the Senators present and voting.

RULES COMMITTEE

65. (1) There shall be a standing Committee on Rules which shall consist of the President (who shall be a nonvoting member), the President Pro Tempore, and four (4) Senators, each having served at least four (4) years in the Senate, one (1) from each Congressional District of the State as constituted on January 1, 2004, to be selected by the Senators from their respective congressional districts by caucus. The voting precinct of the Senator representing such district shall determine the congressional district caucus in which the Senator shall participate and for which the Senator may hold membership on the Rules Committee. The President Pro Tempore shall serve as chairman of the committee; the vice chairman shall be appointed by the President Pro Tempore from among the Senators on the committee.

(2) The Rules Committee shall, in addition to the functions of a standing committee and any other responsibilities assigned by the Senate, perform the following duties:

(a) Conduct the business affairs of the Senate;

(b) Pursuant to authority granted in Section 29-5-2, Mississippi Code of 1972, assign such space in the Capitol or in such other buildings or parts thereof as may be reserved for the Senate and have complete control, authority and jurisdiction over such rooms, chambers, offices and other areas. Any assignment of space shall be subject to change by the Rules Committee. No other branch of the government, or a department or agency thereof, shall use any such room, chamber, office or other area without specific written authorization from the Rules Committee.

The Rules Committee may delegate its powers with regard to any such room, chamber, office or other area in connection with the use, maintenance, repairing, construction, reconstruction and refurbishing thereof in such a manner as it deems advisable;

(c) Assign staff for interim and special committees;

(d) Assign staff for standing committees;

(e) Continually assess ways and means to improve the organization, procedures, facilities and working conditions of the Senate;

(f) Except as otherwise provided in subsection (5) for the staffing of the office of the President and the office of the President Pro Tempore, the Rules Committee shall have the authority to employ all personnel necessary to execute the duties and responsibilities of the Senate. Unless otherwise specifically provided, the Rules Committee shall have full and exclusive authority over the employees of the Senate. All such employees shall serve at the pleasure of the Rules Committee. Complaints with respect to any misconduct, inefficiency or omission by the Secretary, the Sergeant-at-Arms or employees of the Senate shall be heard by the Rules Committee, which may discharge the employees therefor and may recommend to the full Senate the discharge of the Secretary and the Sergeant-at-Arms;

(g) Fix the salaries of the Senate officials and employees;

(h) Assign news, radio and television reporters wishing to take down or broadcast the debates and proceedings of the Senate, places in the Senate so as not to interfere with the convenience of the Senate;

(i) Authorize the reimbursement of Senators and Senate officials and employees who are required to travel in the performance of their official duties. The Rules Committee may establish regulations governing such travel which include the prior approval of such travel by the Rules Committee. Senators attending out-of-state conventions or conferences at state expense shall make a report to the Senate, including the purpose, work and recommendations resulting from the out-of-state meeting attended. If more than one (1) Senator attends such convention or conference, one report may be made as the report of the delegation; and

(j) Upon request of the chairman of any standing or select committee of the Senate, authorize expenses, to include per diem, mileage, meals and lodging, to be paid for members attending the meeting of any such committee or subcommittee thereof during the period in which the Legislature is not in session. The Rules Committee may adopt rules and regulations concerning time, places and number of meetings that may be held for which members will be compensated, such rules and regulations to require prior approval of meetings in order for members to be compensated.

(3) The committee may designate the Secretary of the Senate to be responsible for the day-to-day administration of the duties assigned to the committee and for implementing the policies of the committee adopted pursuant to this rule.

(4) The committee shall function on a year-round basis; and, when the Legislature is not in session, members of the committee shall be compensated as provided in Section 25-3-69, Mississippi Code of 1972, for each day spent in actual discharge of their duties and shall receive the expense allowance and mileage reimbursement provided in Section 5-1-47, Mississippi Code of 1972. No committee

member may incur per diem, travel or expense allowance unless authorized by vote at a meeting of the committee, which action shall be recorded in the official minutes of the committee. The Rules Committee shall meet at such times as are necessary for the proper exercise of its functions and may adopt rules and regulations, not inconsistent with the rules of the Senate, as it deems necessary for the efficient operation of the committee. Action by a majority vote of the Rules Committee shall be conclusive on any matter properly within the jurisdiction of the committee.

(5) (a) In providing for the staffing of the President's office, the Rules Committee shall fill up to eight (8) positions when requested by the President, and the persons employed for such positions shall be hired with the approval of the President. The President shall recommend the compensation to be paid to the President's staff, and the Rules Committee may pay the compensation so established.

(b) In providing for the staffing of the President Pro Tempore's office, the Rules Committee shall fill one (1) staff position as requested by the President Pro Tempore, and the person employed for such position shall be hired with the approval of the President Pro Tempore. The President Pro Tempore shall recommend the compensation to be paid to the person so employed, and the Rules Committee may pay the compensation so established.

(c) Persons employed under this subsection to staff the President's office shall serve at the will and pleasure of the President; persons employed to staff the President Pro Tempore's office shall serve at the will and pleasure of the President Pro Tempore.

(6) In providing for the staffing of committees, the Rules Committee shall have the responsibility for determining the necessity of any staff positions requested by the chairman of a committee.

(7) The Rules Committee shall cooperate with the House Management Committee in maintaining a Joint Legislative Printing Office and a reference library which shall contain, but shall not be limited to, study reports and information gathered by the departments and the various committees of the Legislature so as to provide a continuity of information from year to year.

(8) The Rules Committee shall have the responsibility for the proper operation of the Senate Legislative Services Office.

(9) The Rules Committee shall have jurisdiction over any questions concerning improper or unethical conduct by members of the Senate.

(10) The funds necessary to carry out the provisions of this rule shall be paid from the Senate Contingent Fund.

(11) The Rules Committee may meet jointly with the House Management Committee when necessary to more effectively carry out the provisions of this rule.

SPECIAL ORDERS

66. A bill, resolution or measure may be made a Special Order for a day and hour certain by a majority vote of Senators present and voting. Upon the arrival of such time, the President shall lay before the Senate the bill, resolution or measure

under Special Order, and the Senate shall proceed to its consideration on third reading until it has been temporarily or permanently disposed of.

67. Should the consideration as a Special Order of a bill or resolution not be completed by the time set for Special Order of another bill or resolution, the consideration of the first Special Order shall continue until disposition is made, even though it may run over the time set for the second Special Order, or into the succeeding day. In such event another day and hour certain may be set for consideration of the displaced bill or resolution, or it may be regarded as unfinished business of the succeeding legislative day, at the option of the chairman of the committee reporting the bill or resolution. Such option, however, shall be announced by the chairman during the legislative day for which the Special Order was originally set, with the approval of a majority vote of those Senators present and voting.

SPEAKING

68. When any member of the Senate desires to speak or present any matter to the Senate, the Senator shall rise and respectfully address himself or herself to "Mr./Madam President" and, upon being recognized, shall speak only to the question under debate and avoid personalities.

69. Senators shall not be interrupted, when addressing the Senate, by other Senators, except when a Senator seeking information may address the presiding officer, who shall endeavor to secure the consent of the Senator speaking to the offered interruption. The presiding officer shall declare Senators violating this rule out of order.

70. If any Senator be called to order by another for words spoken, the exceptional words shall immediately be taken down in writing by the Secretary so that the presiding officer may be better able to judge the matter.

71. No Senator shall speak more than twice to the same question, except as elsewhere provided, except by majority vote of those Senators present and voting, nor more than once until every Senator wishing to speak shall have spoken, and no longer than twenty (20) minutes to the main question. When a subsidiary question is under debate, the time limit shall be five (5) minutes. When the time of a Senator is extended, it must be for a specific time.

72. No Senator shall, before resuming his or her seat after speaking to a question, make a motion cutting off or limiting debate.

BILLS AND RESOLUTIONS

73. All bills and resolutions must be typewritten, double spaced on white paper. Titles must be typewritten single spaced and in capital letters. Bills or resolutions must be introduced in original form (not carbon or photocopied) and shall be free from interlineations, corrections and strikeouts, whether with ink, pencil or typewriter. The enacting clause, typed immediately preceding Section 1 of a bill, shall contain the following words in capital letters: "BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI." No additional enacting words shall be used. The Secretary may decline to accept for introduction a bill or resolution not conforming hereto.

74. Senators may introduce bills and concurrent resolutions and Senate resolutions by placing them in the box at the Secretary's desk at any time, or they may send them to the Secretary's desk when the order for introduction is reached. All bills, concurrent resolutions and Senate resolutions placed in the box or sent to the Secretary's desk will be considered as being introduced on the legislative day following the day on which they were placed in the box except for (a) legislative days where the motion has been adopted to dispense with the reading of the titles of bills and concurrent resolutions, (b) bills and constitutional amendments placed in the box on the day of the deadline for introduction of general bills and constitutional amendments, and (c) appropriation and revenue bills placed in the box on the day before the deadline for original floor action on appropriation and revenue bills originating in the Senate; bills and constitutional amendments described in items (a), (b) and (c) of this sentence will be considered as being introduced on the day on which they are placed in the box. The deadlines referred to in this paragraph shall be those established in the Joint Rules of the Senate and the House, and the determination of what is a revenue bill for purposes of this paragraph shall be as prescribed in the Joint Rules of the Senate and the House.

In addition to any other time provided by law or by rule, members of the Senate may file bills or resolutions with the Secretary of the Senate at any time during the period between sessions of the Legislature. Such prefiled bills shall be numbered by the Secretary of the Senate and referred by the President to the appropriate standing committee of the Senate for study. Such prefiled bills shall be introduced in the order filed on the first day of the next succeeding regular session of the Legislature, or extraordinary session if included within the Governor's call, and referred to committee in the regular order of business of the Senate. No bills may be prefiled in any year of a general election until after a member of the Senate has been finally elected in the November general election.

75. Upon introduction of Senate bills, the Secretary shall read the titles thereof and then give the bills to the President for his study and reference to proper committees. The President may retain such bills in his possession until the opening of the second succeeding legislative day's session when the President shall return such bills to the Secretary with the committee references noted thereon. Whereupon, the Secretary shall give such bills serial numbers, and, at the proper time in the Order of Business, the Secretary shall read the numbers, titles and committee references, and have the titles reproduced for distribution. House bills received with messages from the House shall be treated likewise regarding references to committees and reading of titles by the Secretary. Provided, however, that the President may, at his option, refer Senate bills immediately upon their introduction and House bills immediately upon their receipt from the House. Provided, further, that a motion is in order for the immediate consideration in Committee of the Whole of any bill or resolution, except bills of Local and Private nature, before such bill or resolution is referred to a standing committee.

76. Every bill and concurrent resolution and all reports of committees, except the report of the Committee of the Whole, shall lie on the table one day before being considered by the Senate.

77. General bills and resolutions shall be called up for consideration in numerical order as revealed by item numbers on the Calendar. When a bill or resolution is reached on the Calendar and it is not then considered, it shall go to the heel of the Calendar unless by a vote of a majority of the Senators present and voting it retains its place on the Calendar. Appropriation bills and resolutions reported

by the Appropriations Committee and revenue bills and resolutions reported by the Finance Committee or other committees shall be subject to Section 68 of the Constitution. Bills and resolutions reported by the Rules Committee shall have precedence above all others, except appropriations and revenue bills and resolutions.

78. No bill, concurrent resolution or measure (except Senate resolutions which may be called up for consideration any time by suspension of the rules) shall be considered or voted upon by the Senate unless the same shall have been referred to a committee, considered and reported by a majority of a quorum of the committee to which it was referred, subject to the provisions of Rule 64.

79. It is the duty of the chairman or vice chairman of a committee to call up bills and resolutions on the floor or to designate another member of the Senate so to do.

80. Complete titles of bills and resolutions shall be used upon introductions, but abbreviated titles may be used elsewhere.

81. When a bill or concurrent resolution is originally referred to two (2) committees and favorably reported by both, the chairman of the first named committee shall have the option of handling the bill or resolution on the floor.

82. When a bill or resolution is called up for final passage, the Senator introducing such measure, if present, shall have the right to open and close the debate. In the event there are several authors of a bill or resolution, they shall agree among themselves which shall open and close the debate and shall so notify the chairman of the committee.

83. When a bill or resolution is being considered by the Senate, it shall be read throughout by the Secretary and then may be again read and debated by clauses, paragraphs or sections, leaving the title to be considered last.

84. It shall always be in order, before the final passage of a bill or resolution, to move its recommitment.

85. When a bill or measure has been referred to the Finance Committee or Appropriations Committee, which deals with another major subject as well as finance or appropriations, the committee may, in its discretion, recommend that it be sent to the related committee for study and recommendation. Such bill shall be reported in the usual manner by the related committee within five (5) legislative days, whereupon the Secretary shall return the bill to the Finance Committee or Appropriations Committee with the report. The final report of the Finance Committee or Appropriations Committee shall govern the status of the bill or resolution.

86. All motions contemplating legislation shall be founded upon bills or concurrent resolutions; and committees, to which may be referred messages from the Governor, reports of the state officers, boards, commissions and others authorized to report to the Legislature, including petitions for legislation, may report by bill, resolution or written recommendation such legislation as may be germane to the subject matter referred to them.

87. No bill, resolution, concurrent resolution or measure having been referred to a committee shall be taken from such committee, or the committee be discharged from the consideration thereof, other than by a motion signed by a majority of all Senators elected; except that during the last six (6) days of a session, a

majority of the Senators present and voting may call a bill, resolution or concurrent resolution from a committee by a signed motion.

88. All bills, concurrent resolutions or measures originating in the House and passed by that body and sent to the Senate for consideration shall pursue the same course and shall be subject to the same rules as though such bills, concurrent resolutions or measures had originated in the Senate.

89. Any bill, resolution, concurrent resolution or measure recalled from a committee by the method provided in Rule 87 shall be referred to another standing committee, unless the Senate votes to form a Committee of the Whole for the purpose of considering the same.

90. No law shall be repealed by reference to its chapter, bill number or code number only, but there shall be included in its title and in a section within the bill a brief statement of the nature of the law sought to be repealed.

91. In the event of the loss or misplacement of a bill or resolution, the Secretary is authorized to prepare an exact copy thereof which, upon his certification that such bill or resolution is a true and correct copy of the original, shall be considered as though it were the original bill or resolution.

SENATE RESOLUTIONS

92. Senate resolutions may be considered without having been referred to or reported by a committee, except as provided in Rule 30. However, such resolutions may be referred to a committee by majority vote of Senators present and voting, or the President may refer them on the President's own initiative.

93. All resolutions authorizing committees of the Senate to travel or employ stenographers or other assistants, and all such resolutions involving special investigations or expense by committees of the Senate shall be referred, without debate, to the Committee on Rules.

CALENDAR

94. The Secretary each day shall prepare a Calendar of all matters in order for consideration. Such Calendar and a copy of each bill and resolution shown thereon shall be placed on the desk of each Senator prior to the hour of convening. Titles of bills and resolutions shall clearly indicate the subject matter thereof, but such titles may be abbreviated. General bills and resolutions favorably reported by committees shall be given an item number in sequence and placed on the Calendar from day to day in order as they are reported and placed under the head of "General Calendar." Bills and resolutions favorably reported by committees on Finance, on Appropriations, on Rules and on Local and Private Legislation; and bills and resolutions subject to secondary considerations, shall be shown separately under appropriate headings, with item numbers in sequence.

The Rules Committee is hereby authorized to create a "Noncontroversial Calendar" for the consideration of noncontroversial bills, resolutions or measures. Senate bills, resolutions or measures shall be placed on the Noncontroversial Calendar upon the written request of the chairman of the committee reporting the measure, the primary author, and by a majority vote of the Rules Committee; House bills, resolutions or measures shall be placed upon the Noncontroversial Calendar on the request of the chairman of the committee reporting the measure and by a majority vote of the Rules Committee. A bill, resolution or measure shall be removed from the

Noncontroversial Calendar upon the demand of six (6) or more Senators made in open session. Any such demand shall require the bill or resolution to be placed at the heel of the General Calendar.

95. Bills, resolutions, measures or motions reported by committees, and reports of special committees, shall be placed on the Calendar in the regular order of the next day after that on which they were made to the Senate or received from the House, as the case may be.

96. No matter which has been duly placed on the Calendar shall be discharged therefrom or considered out of its regular course except by a two-thirds (2/3) vote of the Senate, subject to the provisions of Section 68 of the Constitution. However, matters affecting the public interest and regarded as of immediate necessity may be advanced on the Calendar by the Committee on Rules.

MOTIONS

97. Order of Precedence:

- (1) To adjourn.
- (2) To lay on the table.
- (3) To lay on the table subject to call, when five (5) minutes' debate shall be allowed the Senator making the motion and five (5) minutes' debate shall be allowed the Senator having the measure in charge, unless the Senator(s) shall yield the floor to another Senator.
- (4) For the previous question.
- (5) To limit debate.
- (6) To close debate at a specific time.
- (7) To postpone to a day certain.
- (8) To recommit.
- (9) To re-refer.
- (10) To amend.
- (11) To postpone indefinitely.

These motions shall have precedence in the above order; and any such motion being made and being decided adversely shall not again be entertained on the same day at the same stage of the question.

98. A motion to postpone indefinitely opens to debate the merits of the proposition.

99. Any motion shall be reduced to writing if the President so directs or a Senator or the Secretary so requests.

100. When a motion is made, it shall be stated by the President or, being in writing, it shall be read aloud by the Secretary.

101. After a motion is stated by the President or read by the Secretary, it shall be deemed to be in the possession of the Senate, and it may be withdrawn only by a majority vote of Senators present and voting at any time before decision or amendment.

102. No motion is in order while a point of order is pending unless the President shall announce a delay in the ruling, and then only matters not affected by a ruling on such pending point of order may be considered.

103. When a question is under debate, the President shall entertain no motion which does not relate to the question except a motion to adjourn or some other motion which has precedence by express rules of the Senate or because it is privileged in its nature.

103A. After a motion to lay a bill on the table subject to call or a motion to table has been adopted, only a member authorized to call up the bill under Rule 79 shall have the right to move to call the bill from the table.

AMENDMENTS

104. Amendments shall be in order after the third reading of a bill or resolution requiring three (3) readings, but no amendment, except committee amendments, shall be considered as pending unless the author of such amendment shall have secured recognition by the President for the purpose of offering such amendment and moving its adoption. Such amendment shall then be sent to the Secretary's desk, and disposition of it shall be made before any additional amendments shall be placed on the Secretary's desk or received by him.

105. Amendments to an amendment shall be voted on before a substitute is taken up. Only one (1) amendment to the amendment is in order at one time; but as rapidly as one (1) is disposed of by rejection or adoption, another is in order as long as any member desires to offer one (1). A substitute amendment may be offered to an amendment. An amendment to the substitute may be offered. No other amendment can be offered since the third degree has been reached. The vote shall be taken in the following order: The amendment to the amendment shall first be voted on; then the amendment to the substitute; then the substitute amendment; and, if the substitute is adopted, then the original amendment shall be regarded as automatically tabled.

106. An amendment to a bill or resolution may be adopted by a majority vote, notwithstanding it requires more than a majority vote to pass the bill or resolution sought to be amended.

107. When a bill is reported with committee amendments, such committee amendments shall have precedence for consideration over amendments presented from the floor.

108. Amendments proposed by members or by committees must not be written into a bill or resolution until such amendments shall be adopted and the bill finally passed by the Senate, and then only under the direction of the Secretary.

109. Amendments to a Senate bill, resolution or measure which have been adopted by the House and sent back to the Senate for concurrence shall be considered as "unfinished business" of the next day after that on which they were received, unless a majority of the Senators present and voting order that such amendments be considered immediately. House amendments to Senate bills or resolutions shall be either concurred in or not concurred in their entirety and not separately.

PREVIOUS QUESTION

110. There may be a motion for the previous question, which shall not be debatable and which may be ordered upon any bill or resolution or section thereof, amendment, motion or question which is debatable, any of which shall be considered as the main question for the purpose of applying the previous question. All incidental

questions of order arising after a motion for the previous question has been applied and before the vote on the main question has been taken shall be decided, whether on appeal or otherwise, without debate.

111. When the previous question has been ordered, each side shall have five (5) minutes for debate, the affirmative speaking first; provided that after the previous question shall have been ordered, the only motion in order shall be one (1) motion to recommit or re-refer, which motion shall not be debatable.

111A. When the motion to limit debate has been ordered, each side shall have five (5) minutes for debate on each subsidiary or main question, the affirmative speaking first.

POINTS OF ORDER

112. Every point of order shall be decided by the presiding officer. Any decision of the presiding officer on a point of order shall be subject to an appeal to the Senate without debate, unless the presiding officer, in his discretion and for his information, requests debate and/or a brief on any point of order. The presiding officer may require points of order in writing and may take reasonable time to examine and study same before ruling thereon, during which period consideration of that particular subject matter shall be suspended without prejudice and the Senate shall proceed to the next order of business.

VOTING

113. The presiding officer shall declare all votes. When a question not requiring the yeas and nays is put, the sense of the Senate shall be taken by the voice of the Senators, and the President shall first announce the vote as it appears to the President by sound.

114. The yeas and nays shall be taken on the final passage of every bill, concurrent resolution, conference report and House amendments to Senate bills. The President of the Senate may order a yea and nay or division vote on any subsidiary question.

115. Upon every roll call the names of the members shall be called alphabetically by surname, except when two (2) or more have the same surname, in which case the number of the district shall be added; and if there be two (2) such members from the same district, the name or initials shall be called. After the roll has been once called, the Secretary shall call, in their alphabetical order, the names of those not voting, and thereafter the President shall not entertain a request to record a vote, except that any Senator whose vote was recorded may change his vote before the result is announced by the President.

116. The sense of the Senate shall be taken by yeas and nays on any question whenever six (6) of the Senators present demand, and, if the call for yeas and nays be not sustained, any Senator may have his vote recorded if the Senator so desires. Any Senator may have the privilege of explaining his vote, which explanation containing not more than one hundred (100) words shall be written and handed to the Secretary before the approval of the Journal of the day such vote was taken, and such explanation shall be spread upon the Journal.

117. A Senator who by reason of absence from the Senate Chamber fails to vote on any yeas and nays call may, during the next succeeding legislative day of his presence, file with the Secretary, for insertion in the Journal, a brief written statement stating how the Senator would have voted thereon. Anticipating an absence, any Senator may file such statement with the Secretary in advance of the yeas and nays vote for insertion in the Journal at the proper time.

118. Any Senator may request a division vote. The President shall call for those in the affirmative to rise first, then those in the negative. The counts shall be made by the Secretary. If the absence of a quorum is indicated, the Secretary shall make a quorum count; and, if a quorum is present, the vote shall stand as announced by the President.

119. Immediately following the second call of the yeas and nays but before the announcement of the result of the vote by the presiding officer, it will be in order for the announcement of pairs of those Senators present whose votes are not recorded, which pairs shall be entered in the Journal, and for the announcement of change of votes by those Senators who have voted.

120. No Senator shall be allowed to approach the desk of the Secretary to ascertain the vote cast on any question or measure before such vote has been announced.

121. No Senator shall have the Journal amended so as to have the record of his vote changed; however, a Senator may change his vote before the result of a roll call is announced.

122. In the event of a tie vote, by call of the yeas and nays or by division, on any main or subsidiary matter, the President, if presiding at the time such tie vote occurs, shall cast the deciding vote.

123. When a member of the Senate is presiding and a tie vote occurs on any proposition, the decision shall be in the negative.

124. No Senator shall be permitted to act in committee or to vote on a question in which his private interest, distinct from the public interest, is immediately concerned.

125. Unless a certain minimum of votes of Senators is specified in these rules on any vote taken, a majority of those present and voting shall prevail.

RECONSIDERATION

126. When a question has once carried in the affirmative or negative it shall be in order for any Senator to enter a motion for the reconsideration thereof. The motion to reconsider a vote on a proposition having been once agreed to and the vote again having been taken, a second motion to reconsider may not be made unless the nature of the proposition has been changed by amendment.

127. No motion to reconsider a vote shall be entertained unless it be properly entered on the same day on which such vote was taken or on the next succeeding legislative day on which a quorum is present. No motion to reconsider shall be withdrawn without unanimous consent. This rule shall not prevent reconsideration of a vote on a subsidiary, incidental or dependent matter at any time when the main question to which it relates is under consideration; and a motion to reconsider a vote on any subsidiary, incidental or dependent question shall not

remove the main question under consideration from before the Senate, but such incidental question shall be considered at the time the motion is made.

On a motion to table a motion to reconsider or on a motion that the Senate do not reconsider or on a motion that the Senate do reconsider, or any substitute for any such motion, five (5) minutes total time shall be allowed the Senators speaking for the affirmative side and five (5) minutes total time shall be allowed the Senators speaking for the negative side of the question, such time herein allowed to be allotted between Senators speaking on each side of the question. This rule shall also apply to any motion or substitute motion of similar import to the above motions.

When a motion to table a motion to reconsider fails, or when a motion "do not reconsider" fails, the item stays on the Motion to Reconsider Calendar.

When a motion to reconsider fails, the question is no longer before the Senate and no further action by the Senate is in order.

128. There shall be no reconsideration of the vote on the question of adjourning or recessing; laying on the table subject to call; laying on the table or taking from the table; recommitting; re-referring; limiting debate; or on the previous question. When a motion for reconsideration has been decided, that decision shall not be reconsidered.

129. A motion to reconsider having been properly made and entered in the Journal shall become the property of the Senate and may be called up by any member of the Senate.

VETOES

129A. After a veto message is read, two (2) motions are in order in the following precedence:

- (a) To refer the reconsideration of the bill to a committee; and
- (b) To pass the bill, the Governor's veto notwithstanding.

PERSONAL PRIVILEGE

130. Matters of privilege affecting the rights, safety, dignity and integrity of the Senate, and matters of personal privilege affecting the rights, reputation and conduct of individual members of the Senate, in their senatorial capacities only, shall have precedence over all other matters or motions, except motions to adjourn or recess. It is not in order to speak to a question of personal privilege after the previous question has been ordered.

PARLIAMENTARY AUTHORITIES

131. On all questions of order or parliamentary practice not covered by and not in conflict with these rules, the rules of Cannon's Practice in the National House of Representatives and Hind's Precedents shall be the authority.

READING OF DOCUMENTS

132. When the reading of a document other than a bill or resolution is proposed or called for and the same is objected to by any Senator, it shall be determined by a majority vote of the Senators present and voting, without debate.

EXECUTIVE SESSIONS

133. The Senate shall conduct all business in open session, except that the Senate may resolve itself into executive session by majority vote of the Senators elected. Upon entering executive session, the Senate shall be cleared of all persons except Senators and officials thereof. Executive sessions should, whenever practicable, be held immediately prior to recess or adjournment of open sessions.

NOMINATIONS

134. When nominations from the Governor shall be received by the Senate, the Secretary of the Senate shall read the message from the Governor to the Senate, and nominations shall be referred to the appropriate committee by the President unless the Senate by a two-thirds (2/3) vote of the Senators present and voting orders otherwise. The committee considering such nomination may, upon a vote of a majority of the committee, consider the nomination in open committee meeting or hearing. Upon receiving the report of the committee to which the nomination was referred, the Senate shall proceed to consider the nomination in open session, unless executive session is invoked as provided in Rule 133.

135. When a nomination or any other matter is confirmed, consented to or rejected, any Senator may move for a reconsideration. Such motion to reconsider confirmation or rejection of any name submitted to the Senate for any position or office, or any other matter, may be made on the legislative day in which the vote is taken or on the next legislative day thereafter, and not later.

136. The Governor shall not be officially notified by the Secretary of the confirmation, consent to or rejection by the Senate of any nomination or other matter until the expiration of the time limit for entering a motion to reconsider, unless otherwise ordered by the Senate, subject to Section 65 of the Constitution.

137. All executive matters submitted by the Governor which were not considered, as well as those on which actions were taken and were under pending motions to reconsider, shall fail at the time of sine die adjournment and the Secretary shall so notify the Governor thereof.

SELECTION OF DESKS

138. The seating arrangement in the Senate Chamber shall be accomplished by personal selections of seats by the Senators, and such selections may begin upon their nominations. Seats numbered 3 and 4, which are equipped with hearing aids, may be held in reserve by the Secretary of the Senate for members who may need hearing aids. Senators elected to consecutive terms shall have first choice of seats. Upon selection of seats, they shall be properly marked to indicate that the seats have been so selected. Nothing in this rule shall prevent the swapping of seats by mutual agreement of Senators. The Secretary shall prepare and have printed the permanent seating arrangement for public distribution.

139. (Omitted)

140. (Omitted)

CONFIDENTIALITY

141. (1) No employee of the Senate shall reveal to any person outside his department the contents or nature of any request for services made by any member of the Senate except with the written consent of the person making such request.

(2) All confidential communications between members of the Senate and staff attorneys are protected by an attorney-client privilege.

B. JOINT RULES OF THE SENATE AND THE HOUSE**JOINT CONVENTION**

1. The Senate and the House may meet in joint convention by concurrent resolution duly adopted by both houses. Such resolution shall state the day, hour and location of such joint convention and the order of business for which it is called.

2. All joint conventions of the two (2) houses shall be in the hall of the House of Representatives, unless another location is specified in the concurrent resolution, and in elections the members shall vote viva voce, and in all cases a majority of the votes of those present and voting shall be requisite to constitute an election.

Only senators and members of the House of Representatives shall be permitted on the floor of the House during joint meetings except for the newspaper, radio, and television reporters and necessary Senate and House personnel and others as may be directed by the President of the Senate and Speaker of the House of Representatives respectively. During joint meetings, preference to gallery seats shall be given to elected state officials and families of the legislators.

3. When the two (2) houses have met in joint convention, the Speaker of the House shall call the joint convention to order and shall then turn the gavel over to the President of the Senate who shall preside, and all questions of order shall be decided by the latter, subject to an appeal to the joint convention as one (1) body. In the absence of the President of the Senate, the Speaker shall preside and perform all the duties herein provided for.

4. A call of either house may be had in joint convention by majority vote of the House for which the call is desired.

5. In a joint convention a member shall not speak longer than five (5) minutes. Any extension of time shall be specific.

6. A motion to adjourn, or to postpone the business of a joint convention shall be decided on a majority vote of those present and voting, acting as one (1) body. Upon demand of one-tenth (1/10) of the combined membership, the yeas and nays shall be taken on any matter under consideration by the joint convention, and such yeas and nays shall be entered upon the journals of both houses.

7. Upon questions arising during a joint convention, requiring the separate decision of either or both houses, the decision of the House shall be first made, then the decision of the Senate. A question for call of either house shall not come within the scope of this rule.

8. On all questions of order or parliamentary procedure not in conflict with these joint rules, the rules of the House of Representatives of the State of Mississippi, insofar as applicable, shall be the authority.

BILLS AND RESOLUTIONS

9. The style of all laws shall be: "BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:" which shall be typed immediately preceding Section 1 of a bill. No other enacting word, such as "Be it further enacted," shall be used in any bill.

9A. (1) In a bill or other measure proposing an amendment to a code section or other provision of law, or in a resolution proposing an amendment to a constitutional

provision, a change to an existing code section, other provision of law or constitutional provision shall be indicated as follows:

(a) New language that is being added shall be underlined.

(b) Existing language that is being deleted shall be denoted by the insertion of three (3) asterisk symbols; however, the text of the deleted language shall be available on the official website of the Mississippi State Legislature, by means of displaying all of the deleted language within a document pursuant to the selection of that display option by the user.

(2) The provisions of this rule shall not apply to handwritten amendments that are proposed or adopted by members while the bill, measure or resolution is under consideration by either house.

10. While bills, resolutions and messages are on their passage between the two (2) houses, they shall be under the signature of the Secretary or Clerk, respectively, as the case may be.

11. When a bill or resolution which shall have passed one (1) house has been postponed to a day so distant that it will not be taken up again at the current session, indefinitely postponed, or rejected, by a vote of the other house, information thereof shall be given by message immediately to the house in which the same shall have passed.

12. When a bill or resolution, which has passed one (1) house is rejected in the other, by a vote of that house, it shall not again be introduced during the same session, except on three (3) days' notice and on two-thirds (2/3) vote of members present and voting in the house in which it was rejected.

13. Each house shall transmit to the other all papers on which any bill or resolution may be founded.

14. Each house shall have the liberty of ordering the printing of bills, messages and reports, without the consent of the other.

15. Bills or resolutions transmitted to either the Senate or House by the other before the constitutional time has expired for entering a motion to reconsider may be recalled by message upon proper entering of a motion to reconsider.

16. Whenever any message, bill, resolution, report or document shall be ordered to be printed by the Senate or House, for use of both houses, it shall be the duty of the Secretary of the Senate or Clerk of the House, as the case may be, immediately to report the fact of the passage of that order to the other branch of the Legislature together with the number so ordered to be printed. Payment thereof shall be made from the contingent funds of each house in the proportion ordered by each house.

17. No new bill shall be introduced into either house during the last three (3) days of the session.

18. All general bills modifying, adding, deleting or repealing language, or a repealer on language, providing for the levying of taxes, borrowing of money, issuing bonds, notes, or other evidence of debt, providing for fees or imposing the issuance of licenses, of whatever kind by the state or any subdivisions thereof, or the exemption of property from state taxes or taxes of any subdivisions thereof, shall be considered as revenue bills, and no revenue bills, or conference committee report thereon, or concurrence in amendments adopted by the other house shall be passed or adopted by either the Senate or the House except by a vote of at least three-fifths (3/5) of the members of the Senate and House, respectively, present and voting.

19. Appropriation and revenue bills shall have precedence in each house, over all other business, and no such bill shall be passed during the last five (5) days of a regular session.

20. Every bill and concurrent resolution, the purpose or effect of which is to expend any state funds or enable the spending of any state funds or to increase or decrease the revenue of the state, either directly or indirectly, shall have attached to it at the time of its being reported by any committee of either house of the Legislature a brief explanatory statement or note which shall include a reliable estimate of the anticipated change in state expenditures or revenues under its provisions. These statements or notes shall be known as fiscal notes. They shall be attached to the original of each proposed bill or resolution but shall be separate therefrom, shall be clearly designated as a fiscal note, and shall not constitute a part of the law proposed by the bill or resolution.

The author of each bill or any committee considering same shall present a copy of the bill or resolution, with his or her request for a fiscal note, to either the Legislative Budget Office, the Department of Finance and Administration, the Department of Revenue, the State Auditor, the state agency with which the bill or resolution is concerned, the state agency having jurisdiction over the subject of the bill or resolution, the Joint Committee on Performance Evaluation and Expenditure Review, or the Legislative Reference Bureau. The fiscal note shall be prepared by the commission or agency and furnished to the author of the bill or committee considering same within seven (7) days after the request is made. If the author of, or committee considering, the bill disagrees with the findings of the agency or agencies, then the author or committee may also attach and furnish a fiscal note, based upon his, her or its information, research, study and belief which shall then be incorporated in and become a part of the fiscal note. If the appropriate agency does not furnish a fiscal note, after seven (7) days' request, then the author or committee may furnish the fiscal note, based upon his, her or its information, research, study and belief. If, after careful investigation, it is determined that no dollar estimate is possible, the note shall contain a statement to that effect, setting forth the reasons why no dollar estimate can be given. No comment or opinion shall be included in the fiscal note with regard to the merit, or lack thereof, of the measure for which the note is prepared.

Whenever the author of any measure or the committee considering same is of the opinion that no fiscal note is necessary and the measure is considered by either house of the Legislature without a fiscal note, any member of either house may thereafter request a fiscal note be obtained, and in such case the matter shall be decided by majority vote of those present and voting in the house of which he or she is a member.

This rule shall not apply to general appropriation bills, conference reports and local and private bills.

20A. (1) For the purpose of this rule:

(a) "State support funds" means funds in the State General Fund and all state support special funds, which are funds in the Budget Contingency Fund, the Education Enhancement Fund, the Health Care Expendable Fund, the Tobacco Control Program Fund, and any other special funds that the Joint Legislative Budget Committee (JLBC) determines to be state support special funds.

(b) "House" means either house of the Legislature, unless it is clear from the context that it is referring to the House of Representatives.

(2) (a) When an amendment is offered to an appropriation bill on the floor of either house that would increase the amount of state support funds authorized for

expenditure by the state agency, official or program being funded in that appropriation bill, the amendment must also include a reduction in the amount of state support funds for one (1) or more other state agencies, officials or programs by a total amount that equals the amount of the increase in the amendment.

(b) The other appropriation bill or bills in which the reductions are to be made do not have to be designated by bill number or line numbers in the amendment if they are described sufficiently enough to be identified, but the amounts by which they are to be reduced must be specific for each bill in which the reduction is to be made.

(c) The reductions required to be made by this rule must be made in an appropriation bill or bills that are still in the house or in an appropriation bill or bills from the other house that will be considered in the house later in the session. After a bill has passed in the house and been released to the other house, none of the reductions required by this rule may be made in that bill.

(3) If such an amendment is adopted, the amendment shall be considered to be an amendment to the other bill or bills in which the reductions are to be made as well as to the bill in which the increase is made. Therefore, no additional vote shall be required on the amendment making the reductions in the bill or bills when that bill or bills are under consideration by the house. The manner by which the reduction is made shall be a separate amendment to the bill that is designated as an amendment by the house, rather than an amendment by the Appropriations Committee or by an individual member.

(4) (a) When a bill in which the reduction is to be made comes before the house for consideration, the reduction shall be made to the total sum of state support funds authorized to be expended in the bill before the bill is voted on by the house.

(b) If a bill in which the reduction is to be made has already been considered by the house, the reduction shall be made to the total sum of state support funds authorized to be expended in the bill before the bill is released to the other house.

(5) No appropriation bill that authorizes the expenditure of any state support funds for the next fiscal year may be released to the other house until all of the appropriation bills originating in the house or all of the appropriation bills originating in the other house, as the case may be, that authorize the expenditure of any state support funds for the next fiscal year have been passed by the house.

(6) If any statute or rule of either house of the Legislature conflicts with the provisions of this rule, the provisions of this rule shall supersede the conflicting statute or rule to the extent of the conflict.

CONFERENCE

21. When a bill or resolution is returned by either house to the other with amendments, and the house where the bill or resolution originated declined to concur in the amendments, a conference, by a majority vote of those present and voting, may be requested. Such action shall be transmitted by message in which shall be included the names of the conferees on the part of the requesting house. Upon receipt of such message, the other house may, in like manner, grant such conference notifying the requesting house by message and stating the names of the conferees.

22. A conference committee shall consist of three (3) members of the House and three (3) members of the Senate to be appointed by the Speaker of the House and the President of the Senate respectively.

23. Conference committees shall meet as soon as practicable and proceed to confer on the differences between the two (2) houses, seeking to resolve such differences. The conference committee shall report in writing. Such report shall be signed by a majority of the conference committee members appointed from the House and a majority of the conference committee members appointed from the Senate. The report shall be submitted to both houses, and six (6) copies of each report shall be prepared.

23A. (1) All official meetings of any conference committee on a bill or on a resolution proposing a constitutional amendment shall be open to the public at all times, unless declared an executive session in accordance with the provisions of Section 25-41-7, Mississippi Code of 1972.

(2) The chairman of each Senate and House committee to which such a measure is first referred shall designate one (1), two (2) or three (3) rooms in which official meetings of the conference committees pertaining to such measures shall be held. For the first session of a new term, the designation of the rooms shall be announced within three (3) legislative days after adoption of these joint rules. For all other sessions, the designation of the rooms shall be announced not later than the third legislative day of each session. Copies of a list of these rooms shall be available in the respective offices of the committee chairmen. This announcement shall constitute notice of the place of the official meetings of conference committees, and notice that the time of each meeting shall not be announced individually. If a conference committee meets in a location other than a designated room, a written notice giving the location of the meeting shall be placed in a conspicuous place in one (1) of the designated rooms.

(3) Proper decorum during any official meeting of a conference committee requires that the committee's deliberation be directly related to the committee's primary purpose of resolving the differences between the two (2) houses that pertain to a specific measure. Therefore, the following shall not be allowed during any official meeting of a conference committee:

(a) The use of a cell phone by a conferee or other person in the room in which the conference committee meeting is being conducted;

(b) Any oral, written or electronic communication between a conferee and another person who is not a legislator or legislative staff member, except that a conferee may request that any person at the meeting meet with the conferee outside the room, and any conferee may request a person who is not a member of the conference committee, upon approval of a majority of the members of the committee present, to address the committee in the room.

(4) If any statute or rule of either house of the Legislature conflicts with the provisions of this rule, the provisions of this rule shall supersede the conflicting statute or rule to the extent of the conflict.

24. Only matters in disagreement between the two (2) houses are subject to consideration by conference committee. However, when one (1) house strikes out of a bill all after the enacting clause and inserts new text as an amendment thereto, the conferees may disregard the text of the original bill and of the amendment and may exercise wide discretion in the incorporation of germane new text.

25. When a conference report is considered by the house of origin and it contains an amendment by the other house which adds code sections not included in the bill as passed the house of origin, a point of order that the conference report is not in order shall be sustained and the bill shall be returned to conference.

When a conference report is considered and it contains code sections not included in the bill as passed the house of origin or in an amendment by the other house, a point

of order that the conference report is not in order shall be sustained in either house and the bill shall be returned to conference.

26. In the event of the failure of either house to adopt the conference report, or to concur in amendments, the bill or resolution under such consideration shall be lost.

27. All conference reports, and concurrence in amendments adopted by the other house shall require for adoption the same vote as is required for the passage of the bill, resolution or measure under consideration, and shall be on roll call duly entered and recorded in the journal of the house voting thereon.

28. No bill making an appropriation from, or authorizing the expenditure of money from, any special fund in the State Treasury shall be passed except by the votes of a majority of all the members elected to each house of the Legislature.

29. A motion to reconsider the vote whereby a conference report is adopted or rejected is in order in either house from the time of such adoption or rejection in one (1) house until the end of the session of the next legislative day after notice of disposition by rejection, recommitment to the same conference committee or appointment of a new conference committee by the other house. The provisions of this rule shall supersede any Senate or House rule which may be in conflict herewith.

ENROLLED BILLS

30. When a bill or resolution shall have passed both houses it shall be enrolled, and the Secretary of the Senate or the Clerk of the House of Representatives, as the case may be, shall certify on the margin of the enrolled bill the fact that it originated in his or her house. The enrolled bill may be examined by the Joint Committee on Enrolled Bills, and carefully compared by the committee with the engrossed bill and all typographical errors, if any, corrected; and the committee shall forthwith report in writing to each house, and the report shall be entered in the journals of both houses. The reports shall be signed by the chairman or acting chairman of the Enrolled Bills Committee on the part of each house.

31. After the Committee on Enrolled Bills has reported a bill or resolution duly enrolled, it shall be signed by the Speaker of the House of Representatives and by the President of the Senate during the legislative session in which the bill or resolution was passed.

32. After a bill shall have been signed by the Speaker of the House and the President of the Senate, it shall be presented by the Secretary of the Senate or Clerk of the House, as the case may be, to the Governor for his or her approval. The Secretary or Clerk shall report the day of presentation to the Governor, which time shall be carefully entered on the journals of each house.

33. All Senate and House concurrent resolutions and memorials, which are not to be presented to the Governor, shall be enrolled, signed and delivered to the Secretary of State.

JOINT COMMITTEES

34. The following joint committees shall be appointed:

(a) Committee on Executive Contingent Fund, to consist of five (5) senators and five (5) representatives.

(b) Committee on State Library, to consist of five (5) senators and five (5) representatives.

(c) Committee on Enrolled Bills, to consist of five (5) senators and five (5) representatives.

(d) Committee to Investigate State Offices or Departments, nine (9) on the part of the Senate and nine (9) on the part of the House; the committee shall meet and apportion the labor of such investigation amongst subcommittees and shall report the result of each investigation to the two (2) houses.

(e) A chairman and vice chairman for the Senate members on each of the above committees shall be appointed by the President of the Senate and a chairman and vice chairman for the House members on each committee shall be appointed by the Speaker. A chairman and vice chairman for each of the above committees shall be elected by the respective committees in joint session; however, both the chairman and the vice chairman shall not come from the same house.

MESSAGES

35. When a message shall be sent from one (1) house to the other, such message shall be delivered to the Secretary of the Senate or the Clerk of the House, respectively, as the case may be. A receipt shall be signed for each message so delivered.

LIQUOR AND FIREARMS PROHIBITED

36. No spirituous or malt liquors, or wines, shall be offered for sale, exhibited, or kept within the Capitol building, or in any room connected therewith, or on the public grounds adjacent thereto. It shall be the duty of the Sergeant-at-Arms under the supervision of the respective presiding officers to enforce the foregoing provisions; and any officer, or employee of either house, who shall in any manner violate or connive at the violation of this rule, shall be dismissed from office and service.

37. No member of the Senate or the House or other person, except an official duly authorized by law, shall carry or have on his or her person, concealed in whole or in part, any firearm while in the Capitol, except upon permission granted by a majority vote of the Senate or the House. Any member of the Senate or the House or other person violating this rule shall be subject to such penalty as may be imposed by the Senate or the House, as the case may be, first taking jurisdiction thereof.

LOCAL AND PRIVATE LEGISLATION

38. In addition to observing the injunctions and prohibitions set out in the Constitution of the State of Mississippi, the Senate and the House Committees on Local and Private Legislation shall observe and adhere to the following additional rules and requirements in the consideration of local and private Senate and House bills:

(a) Require that local and private bills, originating in either the Senate or the House, and granting power to any governing authority to perform any official act shall be accompanied by an order or resolution setting out the reasons therefor, duly certified as being a part of the official minutes of that authority. In the event more than one (1) official authority is involved, such certified order or resolution shall be made for each of them.

(b) Require that any bill providing for the transfer of funds shall be accompanied by a certified order or resolution as provided in paragraph (a) of this rule. Such order or resolution shall state whether or not funds proposed to be transferred are pledged for the payment of any outstanding bonds or notes for which there is not already a sufficient surplus accumulated.

(c) Require that any such bills providing for the payment of any claims shall be accompanied by a certified order or resolution as provided in paragraph (a) of this rule, setting out the name of claimants, the nature, amount and reasons for justification of the claim and that with proper authority such claim would be paid.

(d) Require that there shall accompany any bill proposing the issuance of bonds, a certificate from the governing authorities stating that the issuance of such proposed bonds, when added to the present bonded indebtedness of such county, or subdivision thereof, municipality or district, will not exceed any limitation now imposed by law.

JOINT MEETING OF APPROPRIATIONS SUBCOMMITTEES

39. When the chairmen of the Senate and House Appropriations Committees consider it desirable and possible, their subcommittees may meet jointly to hear testimony and question the heads of a department or agency on their budgetary needs for the next fiscal year.

**C. CONSTITUTIONAL PROVISIONS
AFFECTING
THE LEGISLATURE AND LEGISLATION**

RULES OF PROCEDURE

Section 54. A majority of each house shall constitute a quorum to do business; but a less number may adjourn from day to day and compel the attendance of absent members in such manner and under such penalties as each shall provide.

Section 55. Each house may determine rules of its own proceedings, punish its members for disorderly behavior, and, with the concurrence of two-thirds (2/3) of the members present, expel a member; but no member, unless expelled for theft, bribery or corruption, shall be expelled the second time for the same offense. Both houses shall, from time to time, publish journals of their proceedings, except such parts as may, in their opinion, require secrecy; and the yeas and nays on any question shall be entered on the Journal, at the request of one-tenth (1/10) of the members present; and the yeas and nays shall be entered on the Journal on the final passage of every bill.

Section 56. The style of the laws of the State shall be: "Be it enacted by the Legislature of the State of Mississippi."

Section 57. Neither house shall, without the consent of the other, adjourn for more than three (3) days, nor to any other place than that in which the two (2) houses shall be sitting.

Section 58. The doors of each house, when in session, or in Committee of the Whole, shall be kept open, except in cases which may require secrecy; and each house may punish, by fine and imprisonment any person not a member, who shall be guilty of disrespect to the house by any disorderly or contemptuous behavior in its presence, or who shall in any way disturb its deliberations during the session; but such imprisonment shall not extend beyond the final adjournment of that session.

Section 59. Bills may originate in either house, and be amended or rejected in the other, and every bill shall be read by its title on three (3) different days in each house, unless two-thirds (2/3) of the house where the same is pending shall dispense with the rules; and every bill shall be read in full immediately before the vote on its final passage upon the demand of any member; and every bill, having passed both houses, shall be signed by the President of the Senate and the Speaker of the House of Representatives during the legislative session.

Section 60. No bill shall be so amended in its passage through either house as to change its original purpose; and no law shall be passed except by bill; but orders, votes, and resolutions of both houses, affecting the prerogatives and duties thereof, or relating to adjournment, to amendments to the Constitution, to the investigation of public officers, and the like, shall not require the signature of the Governor; and such resolutions, orders and votes may empower legislative committees to administer oaths, to send for persons and papers, and generally make legislative investigations effective.

Section 61. No law shall be revived or amended by reference to its title only, but the section or sections, as amended or revived, shall be inserted at length.

Section 62. No amendment to bills by one (1) house shall be concurred in by the other, except by a vote of the majority thereof, taken by yeas and nays and the names of those voting for and against recorded upon the journals; and reports of committees of conference shall in like manner be adopted in each house.

Section 63. No appropriation bill shall be passed by the Legislature which does not fix definitely the maximum sum thereby authorized to be drawn from the Treasury.

Section 64. No bill passed after the adoption of this Constitution to make appropriations of money out of the State Treasury shall continue in force more than two (2) months after the expiration of the fiscal year ending after the meeting of the Legislature at its next regular session; nor shall such bill be passed except by the votes of a majority of all members elected to each house of the Legislature.

Section 65. All votes on the final passage of any measure shall be subject to reconsideration for at least one (1) whole legislative day, and no motion to reconsider such vote shall be disposed of adversely on the day on which the original vote was taken, except on the last day of the session.

Section 66. No law granting a donation or gratuity in favor of any person or object shall be enacted except by the concurrence of two-thirds (2/3) of the members-elect of each branch of the Legislature, nor by any vote for a sectarian purpose or use.

Section 67. No new bill shall be introduced into either house of the Legislature during the last three (3) days of the session.

Section 68. Appropriation and revenue bills shall, at regular sessions of the Legislature, have precedence in both houses over all other business, and no such bills shall be passed during the last five (5) days of the session.

Section 69. General appropriation bills shall contain only the appropriations to defray the ordinary expenses of the executive, legislative and judicial departments of the government; to pay interest on state bonds and to support the common schools. All other appropriations shall be made by separate bills, each embracing but one (1) subject. Legislation shall not be engrafted on appropriation bills, but the same may prescribe the conditions on which the money may be drawn, and for what purposes paid.

Section 70. No revenue bill, or any bill providing for assessment of property for taxation, shall become a law except by a vote of at least three-fifths (3/5) of the members of each house present and voting.

Section 71. Every bill introduced into the Legislature shall have a title, and the title ought to indicate clearly the subject-matter or matters of the proposed legislation. Each committee to which a bill may be referred shall express, in writing, its judgment of the sufficiency of the title of the bill and this, too, whether recommendation be that the bill do pass or do not pass.

Section 72. Every bill which shall pass both houses shall be presented to the Governor of the state. If he shall approve, he shall sign it; but if he does not approve, he shall return it, with his objections, to the house in which it originated, which shall enter the objections at large upon its Journal, and proceed to reconsider it. If after such reconsideration, two-thirds (2/3) of that house shall agree to pass the bill, it shall be sent, with the objections, to the other house, by which, likewise, it shall be reconsidered; and if approved by two-thirds (2/3) of that house, it shall become a law; but in all such cases the votes of both houses shall be determined by yeas and nays, and the names of the persons voting for and against the bill shall be entered on the Journal of each house respectively. If any bill shall not be returned by the Governor within five (5) days (Sundays excepted) after it has been presented to him, it shall become law in like manner as if he had signed it, unless the Legislature, by adjournment, prevented its return, in which case such bill shall be a law unless the Governor shall veto it within fifteen (15) days (Sundays excepted) after it is presented

to him, and such bill shall be returned to the Legislature, with his objections, within three (3) days after the beginning of the next session of the Legislature.

Section 73. The Governor may veto parts of any appropriation bill and approve parts of the same, and the portions approved shall be law.

Section 74. No bill shall become a law until it shall have been referred to a committee of each house and returned therefrom with a recommendation in writing.

Section 75. No law of a general nature, unless therein otherwise provided, shall be enforced until sixty (60) days after its passage.

Section 76. In all elections by the Legislature, members shall vote viva voce, and the votes shall be entered on the journals.

Section 77. The Governor shall issue writs of election to fill such vacancies as may occur in either house of the Legislature, and the persons thereupon chosen shall hold their seats for the unexpired term.

Section 129. The Lieutenant Governor shall, by virtue of his office, be President of the Senate. In Committee of the Whole he may debate all questions, and where there is an equal division in the Senate, or on a joint vote of both houses, he shall give the casting vote.

Section 139. The Legislature may empower the Governor to remove and appoint officers, in any county or counties or municipal corporations, under such regulations as may be prescribed by law.

Section 253. The Legislature may, by a two-thirds (2/3) vote of both houses, of all members elected, restore the right of suffrage to any person disqualified by reason of crime; but the reasons therefor shall be spread upon the journals, and the vote shall be by yeas and nays.

INJUNCTIONS

Section 78. It shall be the duty of the Legislature to regulate by law the cases in which deductions shall be made from salaries of public officers for neglect of official duty, and the amount of said deductions.

Section 79. The Legislature shall provide by law for the sale of all delinquent tax lands. The courts shall apply the same liberal principles in favor of such titles as in sale by execution. The right of redemption from all sales of real estate, for the nonpayment of taxes or special assessments, of any and every character whatsoever, shall exist, on conditions to be prescribed by law, in favor of owners and persons interested in such real estate, for a period of not less than two (2) years.

Section 80. Provisions shall be made by general laws to prevent the abuse by cities, towns, and other municipal corporations of their powers of assessment, taxation, borrowing money, and contracting debts.

Section 81. The Legislature shall never authorize the permanent obstruction of any of the navigable waters of the state, but may provide for the removal of such obstructions as now exist, whenever the public welfare demands. This section shall not prevent the construction, under proper authority, of drawbridges for railroads, or other roads nor the construction of booms and chutes for logs, nor the construction, operation and maintenance of facilities incident to the exploration, production or transportation of oil, gas or other minerals, nor the construction, operation and

maintenance of bridges and causeways in such manner as not to prevent the safe passage of vessels or logs under regulations to be provided by law.

Section 82. The Legislature shall fix the amount of the penalty of all official bonds, and may, as far as practicable, provide that the whole or a part of the security required for the faithful discharge of official duty shall be made by some guaranty company or companies.

Section 83. The Legislature shall enact laws to secure the safety of persons from fires in hotels, theatres, and other public places of resort.

Section 84. The Legislature shall enact laws to limit, restrict, or prevent the acquiring and holding of land in the state by nonresident aliens, and may limit or restrict the acquiring or holding of lands by corporations.

Section 85. The Legislature shall provide by general law for the working of public roads by contract or by county prisoners, or both. Such law may be put in operation only by a vote of the board of supervisors in those counties where it may be desirable.

Section 86. It shall be the duty of the Legislature to provide by law for the treatment and care of the insane; and the Legislature may provide for the care of the indigent sick in hospitals in the state.

LOCAL LEGISLATION

Section 87. No special or local law shall be enacted for the benefit of individuals or corporations, in cases which are or can be provided for by the general law, or where the relief sought can be given by any court of this state; nor shall the operation of any general law be suspended by the Legislature for the benefit of any individual or private corporation or association, and in all cases where a general law can be made applicable, and would be advantageous, no special law shall be enacted.

Section 88. The Legislature shall pass general laws, under which local and private interests shall be provided for and protected, and under which cities and towns may be chartered and their charters amended, and under which corporations may be created, organized, and their acts of incorporation altered; and all such laws shall be subject to repeal or amendment.

Section 89. There shall be appointed in each house of the Legislature a standing committee on Local and Private Legislation; the House committee to consist of seven (7) representatives and the Senate committee of five (5) senators. No local or private bill shall be passed by either house until it shall have been referred to said committee thereof and shall have been reported back with a recommendation in writing that it do pass, stating affirmatively the reasons therefor, and why the end to be accomplished should not be reached by general law, or by a proceeding in court; or if the recommendation of the committee be that the bill do not pass, then it shall not pass the house to which it is so reported unless it be voted for by a majority of all the members elected thereto. If a bill is passed in conformity to the requirements hereof, other than such as prohibited in the next section, the courts shall not, because of its local, special or private nature refuse to enforce it.

Section 90. The Legislature shall not pass local, private or special laws in any of the following enumerated cases, but such matters shall be provided for only by general laws, viz:

- (a) Granting divorces;
- (b) Changing the names of persons, places or corporations;

- (c) Providing for change of venue in civil and criminal cases;
- (d) Regulating the rate of interest on money;
- (e) Concerning the settlement or administration of any estate, or the sale or mortgage of any property, of any infant, or of a person of unsound mind, or of any deceased person;
- (f) The removal of the disability of infancy;
- (g) Granting to any person, corporation or association the right to have any ferry, bridge, road or fish-trap;
- (h) Exemption of property from taxation or from levy or sale;
- (i) Providing for the adoption or legitimation of children;
- (j) Changing the law of descent and distribution;
- (k) Exempting any person from jury, road or other civil duty (and no person shall be exempted therefrom by force of any local or private law);
- (l) Laying out, opening, altering and working roads and highways;
- (m) Vacating any road or highway, town plat, alley or public grounds;
- (n) Selecting, drawing, summoning, or empaneling grand or petit juries;
- (o) Creating, increasing or decreasing the fees, salary or emoluments of any public officer;
- (p) Providing for the management or support of any private or common school, incorporating the same or granting such school any privileges;
- (q) Relating to stock laws, water-courses and fences;
- (r) Conferring the power to exercise the right of eminent domain, or granting to any person, corporation, or association the right to lay down railroad tracks or street car tracks in any other manner than that prescribed by general law;
- (s) Regulating the practice in courts of justice;
- (t) Providing for the creation of districts for the election of justices of the peace and constables; and
- (u) Granting any lands under control of the state to any person or corporation.

CONSTITUTIONAL PROHIBITIONS

Section 91. The Legislature shall not enact any law for one or more counties, not applicable to all the counties in the state, increasing the uniform charge for the registration of deeds, or regulating costs and charges and fees of officers.

Section 92. The Legislature shall not authorize payment to any person of the salary of a deceased officer beyond the date of his death.

Section 93. The Legislature shall not retire any officer on pay, or part pay, or make any grant to such retiring officer.

Section 94. The Legislature shall never create by law any distinction between the rights of men and women to acquire, own, enjoy and dispose of property of all kinds, or their power to contract in reference thereto. Married women are hereby fully emancipated from all disability on account of coverture. But this shall not prevent the Legislature from regulating contracts between husband and wife; nor shall the Legislature be prevented from regulating the sale of homesteads.

Section 95. Lands belonging to, or under the control of the state, shall never be donated directly or indirectly, to private corporations or individuals, or to railroad companies. Nor shall such land be sold to corporations or associations for a less price than that for which it is subject to sale to individuals. This, however, shall not prevent the Legislature from granting a right-of-way, not exceeding one hundred (100) feet in width, as a mere easement to railroads across state lands, and the Legislature shall never dispose of the land covered by said right-of-way so long as such easement exists.

Section 96. The Legislature shall never grant extra compensation, fees or allowances to any public officer, agent, servant or contractor, after service rendered or contract made, nor authorize payment, or part payment of any claim, under any contract not authorized by law; but appropriations may be made for expenditures in repelling invasion, preventing or suppressing insurrections.

Section 97. The Legislature shall have no power to revive any remedy which may have become barred by lapse of time, or by any statute of limitation of this state.

Section 99. The Legislature shall not elect any other than its own officers and State Librarian.

Section 100. No obligation or liability of any person, association or corporation held or owned by this state, or levee board, or any county, city or town thereof, shall ever be remitted, released or postponed, or in any way diminished by the Legislature, nor shall such liability or obligation be extinguished except by payment thereof into the proper treasury; nor shall such liability or obligation be exchanged or transferred except upon payment of its face value; but this shall not be construed to prevent the Legislature from providing by general law for compromise of doubtful claims.
