The Office of Vocational Rehabilitation for the Blind shall remain accredited by using not more than Five Hundred Dollars ($500.00) of the funds appropriated along with matching funds for payment of fees to an accreditation agency recommended by the Rehabilitation Services Administration.

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2023 do not exceed Fiscal Year 2022 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2022 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2022 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.
Funds have been appropriated herein for the purpose of implementation and funding Project SEC2 of the Colonel Guy Groff State Variable Compensation Plan beginning January 1, 2022, and ending June 30, 2022. It shall be the agency’s responsibility to make certain that each person, excluding executive directors, agency heads, and elected judges, shall receive no more than a 3% annual increase in salary which shall not exceed the market rate established by the State Personnel Board pursuant to the Colonel Guy Groff State Variable Compensation Plan for each classification.

SECTION 5. It is the intention of the Legislature that the Department of Rehabilitation Services shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2021. It is further the intention of the Legislature that the agency’s budget request for Fiscal Year 2023 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2022 budget request process.

SECTION 6. Of the funds appropriated herein, the Mississippi Department of Rehabilitation Services through the Office of Vocational Rehabilitation for the Blind is authorized to expend an amount not to exceed One Hundred Thousand Dollars ($100,000.00) for the National Federation for the Blind (NFB) Newsline service to allow blind and visually impaired persons to access newspapers through toll-free telephone calls.

SECTION 7. It is the intention of the Legislature that whenever two (2) or more bids are received by this agency for the purchase of commodities or equipment, and whenever all things stated in such received bids are equal with respect to price, quality and service, the Mississippi Industries for the Blind shall be given preference. A similar preference shall be given to the Mississippi Industries for the Blind whenever purchases are made without competitive bids.

SECTION 8. In compliance with the "Mississippi Performance Budget and Strategic Planning Act of 1994," it is the intent of the Legislature that the funds provided herein shall be utilized in the most efficient and effective manner possible to achieve the intended mission of this agency. Nays--None.

Absent and those not voting--Fillingane. Total--1.

Senator McDaniel requested that the following explanation be placed in the journal.

EXPLANATION

Pursuant to Senate Rule 117, please find below a brief written statement stating how I would have voted on HB 1400:

It is inexcusable to increase spending at this stage of our history. Medicaid needs reform, not expansion. The additional revenue in our budget, as compared to previous years, belongs to the people of Mississippi. It is their money, not ours. We should have utilized the additional revenue to provide tax relief for Mississippians. Accordingly, I would have voted NO.

Senator Sojourner requested that the following explanation be placed in the journal.

EXPLANATION

In accordance with Senate Rule 117, please find below a written statement stating how I would have voted on HB 1400: 
Increasing spending to Medicaid is unacceptable. Medicaid needs real reform, not expansion. The additional revenue our state has this year should have utilized to provide tax relief for Mississippians. I would have voted NO.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. The following sum, or so much thereof as may be necessary, is appropriated out of any money in the State General Fund not otherwise appropriated, for the support and maintenance of the Department of Marine Resources for the fiscal year beginning July 1, 2021, and ending June 30, 2022 ...........................................................

$ 1,079,426.00.

SECTION 2. The following sum, or so much thereof as may be necessary, is appropriated out of any money in any special fund in the State Treasury to the credit of the Department of Marine Resources for the fiscal year beginning July 1, 2021, and ending June 30, 2022 ...........................................................

$ 92,536,490.00.

Of the funds appropriated in this section, Three Million Fifty Thousand Dollars ($3,050,000.00) is derived from the state excise taxes upon gasoline, oil and other petroleum products.

SECTION 3. Of the funds appropriated under the provisions of this act, the following positions are authorized:

AUTHORIZED POSITIONS:

Permanent:  Full Time ................................ ......      104

Part Time .................  0

Time-Limited:  Full Time ................................ .......       75

Part Time .................  0

Each Marine Conservation Officer and Supervisor shall be furnished an allowance for uniforms not to exceed Six Hundred Dollars ($600.00) per annum.

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2023 do not exceed Fiscal Year 2022 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2022 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. If the State Personnel Board determines a special situation or circumstance exists and approves an action, then the agency and the State Personnel Board shall provide a monthly report of each action approved by the State Personnel Board to the chairmen of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the chairmen of the Appropriations Committees of the Senate and House of Representatives. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2022 appropriations for "Personal Services" when annualized, with the exception
of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2022 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service’s Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

Funds have been appropriated herein for the purpose of implementation and funding Project SEC2 of the Colonel Guy Groff State Variable Compensation Plan beginning January 1, 2022, and ending June 30, 2022. It shall be the agency’s responsibility to make certain that each person, excluding executive directors, agency heads, and elected judges, shall receive no more than a 3% annual increase in salary which shall not exceed the market rate established by the State Personnel Board pursuant to the Colonel Guy Groff State Variable Compensation Plan for each classification.

SECTION 4. It is the intention of the Legislature that the Department of Marine Resources shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2021. It is further the intention of the Legislature that the agency’s budget request for Fiscal Year 2023 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2022 budget request process.

SECTION 5. In addition to all other sums heretofore appropriated, the following sum, or so much thereof as may be necessary, is hereby appropriated out of any money in the State Treasury to the credit of the Tidelands Fund No. 3345200000 to the Department of Marine Resources for the purpose of defraying the expenses of the tidelands projects for the fiscal year beginning July 1, 2021, and ending June 30, 2022. $12,226,497.00.

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2023 do not exceed Fiscal Year 2022 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2022 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. If the State Personnel Board determines a special situation or circumstance exists and approves an action, then the agency and the State Personnel Board shall provide a monthly report of each action approved by the State Personnel Board to the chairman of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the chairman of the Appropriations Committees of the Senate and House of Representatives. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2022 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2022 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

The Department of Corrections shall not pay for the installation or monthly service of any telephone installed in a staff residence under its jurisdiction.

It is further the intention of the Legislature that none of the funds provided herein shall be used to pay certain utilities for state-furnished housing for any employees. Such utilities shall include electricity, natural gas, butane, propane and cable services. Where actual cost cannot be determined, the agency shall be required to provide meters to be in compliance with legislative intent. Such state-furnished housing shall include single-family and multifamily residences but shall not include any dormitory residences. Allowances for such utilities shall be prohibited.

The State Department of Finance and Administration shall at least annually make a report to the Joint Legislative Committee on Performance Evaluation and Expenditure Review and to the Attorney General stating the name of any person prohibited under the provisions of Section 47-5-47, Mississippi Code of 1972, as amended, from being an employee of the Mississippi Department of Corrections who has during the preceding year received any money herein appropriated. In the event that any such person prohibited as hereinabove provided from receiving funds herein appropriated should receive any of said funds, the Attorney General shall immediately commence action to recover the monies so paid to said person and to enjoin the further employment of said person at the Mississippi Department of Corrections.

SECTION 8. It is the intent of the Legislature that all prisoners at Parchman shall work a minimum of eight (8) hours per day, excluding prisoners with a physical disability or those incarcerated in maximum security.

SECTION 9. It is the intention of the Legislature that the per diem rates paid to regional facilities shall not exceed Thirty-one Dollars ($31.00) per inmate. All regional facilities shall continue to receive the annual three percent (3%) increase in the per diem rate as authorized in Section 47-5-933, Mississippi Code of 1972, however, in no event shall any regional facility’s per diem rate exceed Thirty-one Dollars ($31.00) per inmate.

SECTION 10. The department or its contracted medical provider will pay to a provider of a medical service for any and all incarcerated persons from a correctional or detention facility an amount based upon negotiated fees as agreed to by the medical care service providers and the department and/or its contracted medical provider. In the
absence of a negotiated discounted fee schedule, medical care service providers will be paid by the department or its contracted medical service provider an amount no greater than the reimbursement rate applicable based on the Mississippi Medicaid reimbursement rate. This limitation applies to all medical care services, durable and nondurable goods, prescription drugs and medications provided to any and all incarcerated persons outside of the correctional or detention facility. It is the intention of the Legislature that the Commissioner of the Mississippi Department of Corrections shall have the authority to transfer cash from one special fund treasury fund to another special fund treasury fund under the control of the Department of Corrections. The purpose of this authority is to more efficiently use available cash reserves. It is further the intention of the Legislature that the Department of Corrections shall submit written justification for the transfer to the Legislative Budget Office and the Department of Finance and Administration on or before the fifteenth of the month prior to the effective date of the transfer.

SECTION 12. The Commissioner of the Mississippi Department of Corrections is hereby authorized to transfer spending authority between and within budgets, both positions and funds, in an amount not to exceed twenty-five percent (25%) of the authorized budgets in the aggregate. It is further the intention of the Legislature that the Department of Corrections shall submit written justification for the transfer to the Legislative Budget Office and the Department of Finance and Administration on or before the fifteenth of the month prior to the effective date of the transfer.

SECTION 13. It is the intention of the Legislature that whenever two (2) or more bids are received by this agency for the purchase of commodities or equipment, and whenever all things stated in such received bids are equal with respect to price, quality and service, the Mississippi Industries for the Blind shall be given preference. A similar preference shall be given to the Mississippi Industries for the Blind whenever purchases are made without competitive bids.

SECTION 14. It is the intention of the Legislature that all funds held by the Inmate Welfare Fund be placed in a treasury fund effective July 1, 2021. Of the amounts appropriated in Section 2, an amount not exceeding Six Million Dollars ($6,000,000.00) shall be available for expenditure in the Inmate Welfare Fund. In so doing, the commissioner of the department shall have the authority to amend, extend and/or renew the term of any lease agreement or any inmate housing agreement in connection with a correctional facility. Notwithstanding any statutory limits to the contrary, such amendment, extension and/or renewal may be for a length of time up to and including ten (10) years as is necessary for the continued operations of such facilities and implementation of the department's duties and responsibilities in accordance with Title 47 of the Mississippi Code of 1972, as amended.

SECTION 17. With the funds herein appropriated, it is the intent of the Legislature that upon vouchers submitted by the board of supervisors of any county housing offenders in county jails pending a probation or parole revocation hearing, the department shall pay the reimbursement costs as provided for in Section 47-5-901(3)(b), Mississippi Code of 1972, as amended by House Bill No. 585, 2014 Regular Session.
SECTION 18. With the funds herein appropriated, it is the intent of the Legislature, that for Fiscal Year 2022, the Department of Corrections shall reimburse municipalities, up to Twenty Dollars ($20.00) a day, for the cost incurred of housing inmates in any jail facility based on time served for the conviction of larceny, shoplifting, or related convictions where the value of the property taken is Five Hundred Dollars ($500.00) or more but is equal to or less than One Thousand Dollars ($1,000.00). A copy of the court abstract of record and the jail docket shall be provided to show the total number of days an individual was incarcerated in said jail facility. This appropriation is made for the purpose of providing the funds necessary for repairs and renovation of the physical facilities of the Mississippi Department of Corrections.

SECTION 22. The money herein appropriated shall be paid by the State Treasurer out of any money in the State Treasury to the credit of the proper fund or funds as set forth in this act, upon warrants issued by the State Fiscal Officer; and the State Fiscal Officer shall issue his warrants upon requisitions signed by the proper person, officer or officers, in the manner provided by law.

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2023 do not exceed Fiscal Year 2022 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2022 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. If the State Personnel Board determines a special situation or circumstance exists and approves an action, then the agency and the State Personnel Board shall provide a monthly report of each action approved by the State Personnel Board to the chairman of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the chairman of the Appropriations Committees of the Senate and House of Representatives. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2022 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of
Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

SECTION 4. The Commissioner of Public Safety may, on a case-by-case basis, within funds available, recommend that corrective salary adjustments be made to the compensation of employees of the Department of Public Safety where an inequity was created between employees of equivalent capacity by previous application of the agency appropriation acts. Any such corrective salary adjustment plan must have prior approval by the State Personnel Board. Such adjustments will not be retroactive.

Any funds in the Salary, Wages and Fringe Benefits major object of expenditure may be used to purchase accumulated compensatory time within funds available.

SECTION 5. It is the intention of the Legislature, in accordance with House Bill 974, 2021 Regular Session, the Department of Finance and Administration shall transfer Six Million Six Hundred Thirty-two Thousand Two Hundred Fifteen Dollars ($6,632,215.00), all employees, equipment, inventory and resources of the Capitol Police employed and used as law enforcement personnel to the Department of Public Safety on July 1, 2021. With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2023 do not exceed Fiscal Year 2022 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2022 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. Absent a special situation or circumstance approved by the State Personnel Board, or unless otherwise authorized by this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation or realignment. If the State Personnel Board determines a special situation or circumstance exists and approves an action, then the agency and the State Personnel Board shall provide a monthly report of each action approved by the State Personnel Board to the chairmen of the Accountability, Efficiency and Transparency Committees of the Senate and House of Representatives and the chairmen of the Appropriations Committees of the Senate and House of Representatives. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2022 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2022 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service’s Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.
Funds have been appropriated herein for the purpose of implementation and funding Project SEC2 of the Colonel Guy Groff State Variable Compensation Plan beginning January 1, 2022, and ending June 30, 2022. It shall be the agency’s responsibility to make certain that each person, excluding executive directors, agency heads, and elected judges, shall receive no more than a 3% annual increase in salary which shall not exceed the market rate established by the State Personnel Board pursuant to the Colonel Guy Groff State Variable Compensation Plan for each classification.

SECTION 4. None of the funds appropriated by this act shall be expended for any purpose that is not actually required or necessary for performing any of the powers or duties of the Office of the Secretary of State that are authorized by the Mississippi Constitution of 1890, state or federal law, or rules or regulations that implement state or federal law.

SECTION 5. No part of the funds appropriated herein shall be used, either directly or indirectly, for the purpose of paying any clerk, stenographer, assistant, deputy, or other person who may be related by blood or marriage within the third degree, computed by the rules of the civil law, to the official employing or having the right of employment or selection thereof; and in the event of any such payment, then the official or person approving and making or receiving such payment shall be jointly and severally liable to return to the State of Mississippi and to pay into the State Treasury three (3) times any such amount so paid or received, to be recovered at suit of the Attorney General; provided that when the relationship is by affinity and the person through whom the relationship was established is dead, this provision shall not apply.

SECTION 6. Of the funds appropriated in Section 1, the Secretary of State may use funds appropriated for the purposes of defraying litigation expenses associated with the enforcement of the Mississippi Securities Act, the Regulation of Charitable Solicitations Act, and the administration of the Public Trust.

SECTION 7. In compliance with the "Mississippi Performance Budget and Strategic Planning Act of 1994," it is the intent of the Legislature that the funds provided herein shall be utilized in the most efficient and effective manner possible to achieve the intended mission of this agency. Based on the funding authorized, this agency shall make every effort to attain the targeted performance measures provided below:

Nays--None.

Absent and those not voting--Fillingane. Total--1.

Senator McDaniel requested that the following explanation be placed in the journal.

EXPLANATION

Pursuant to Senate Rule 117, please find below a brief written statement stating how I would have voted on SB 2955.

It is unfathomable how much we spend to service the state’s existing debt. I support paying the debt, of course. But as a matter of principle, I oppose adding more debt each year through our much-abused bonding process. We must reform our bonding process. Accordingly, as a way to object to additional borrowing, I would have voted NO.

(b) (i) Amounts deposited into such special fund shall be disbursed to pay the costs of projects described in paragraph (a) of this subsection. If any monies in such special fund are not used within four (4) years after the date the proceeds of the bonds authorized under this section are deposited into the special fund, then the institution of higher learning for which any unused monies are allocated under paragraph (a) of this subsection shall provide an accounting of such unused monies to the commission. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(ii) Monies in the special fund may be used to reimburse reasonable actual and necessary costs incurred by the Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, in administering or providing assistance directly related to a project described in paragraph (a) of this subsection. An accounting of actual costs incurred for which reimbursement is sought shall be maintained for each project by the Department of Finance and Administration, Bureau of Building, Grounds and Real Property Management. Reimbursement of reasonable actual and necessary costs for a project shall not exceed two percent (2%) of the proceeds of bonds issued for such project.

(c) The Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, is expressly authorized and empowered to receive and expend any local or other source funds in connection with the expenditure of funds provided for in this subsection. The expenditure of monies deposited into the special fund shall be under the direction of the Department of Finance and Administration, and such funds shall be paid by the State Treasurer upon warrants issued by such department, which warrants shall be issued upon requisitions signed by the Executive Director of the Department of Finance and Administration, or his designee.

(d) Any amounts allocated to an institution of higher learning that are in excess of that needed to complete the projects at such institution of higher learning that are described in paragraph (a) of this subsection may be used for general repairs and renovations at the institution of higher learning.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this section, the Department of Finance and Administration shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed Eighty-six Million Three Hundred Seventy-five Thousand Dollars ($86,375,000.00). No bonds shall be issued under this section after July 1, 2025.
(b) Any investment earnings on amounts deposited into the special fund created in subsection (2) of this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(4) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(5) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(8) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special funds
created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(10) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(6) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(7) The commission shall act as issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(8) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State
Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(10) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(11) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Title 31, Chapter 13, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 3. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.
(2) (a) (i) A special fund, to be designated as the "2021 State Agencies Capital Improvements Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, to pay the costs of capital improvements, renovation and/or repair of existing facilities, furnishings and/or equipping facilities for public facilities as hereinafter described:

If any monies in such special fund are not used within four (4) years after the date the proceeds of the bonds authorized under this section are deposited into the special fund, then the agency or institution of higher learning for which any unused monies are allocated under paragraph (a) of this subsection shall provide an accounting of such unused monies to the commission. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.
(ii) Monies in the special fund may be used to reimburse reasonable actual and necessary costs incurred by the Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, in administering or providing assistance directly related to a project described in paragraph (a) of this subsection. An accounting of actual costs incurred for which reimbursement is sought shall be maintained for each project by the Department of Finance and Administration, Bureau of Building, Grounds and Real Property Management. Reimbursement of reasonable actual and necessary costs for a project shall not exceed two percent (2%) of the proceeds of bonds issued for such project. Monies authorized for a particular project may not be used to reimburse administrative costs for unrelated projects.

(c) The Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, is expressly authorized and empowered to receive and expend any local or other source funds in connection with the expenditure of funds provided for in this subsection. The expenditure of monies deposited into the special fund shall be under the direction of the Department of Finance and Administration, and such funds shall be paid by the State Treasurer upon warrants issued by such department, which warrants shall be issued upon requisitions signed by the Executive Director of the Department of Finance and Administration, or his designee.

(d) Any amounts allocated to an agency that are in excess of that needed to complete the projects at such agency that are described in paragraph (a) of this subsection may be used for general repairs and renovations at the agency.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this section, the Department of Finance and Administration shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed Five Million Two Hundred Fifty Thousand Dollars ($5,250,000.00). No bonds shall be issued under this section after July 1, 2025.

(b) Any investment earnings on amounts deposited into the special funds created in subsection (2) of this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(4) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated the "2020 Chickasaw Heritage Center Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, to assist the Chickasaw Inkana Foundation in paying the costs associated with the construction, furnishing and equipping of the Chickasaw Heritage Center in Tupelo, Mississippi. It is the intention of the Legislature that all bond funds dedicated for this project up to Sixteen Million Dollars ($16,000,000.00) be matched by the Chickasaw Inkana Foundation. In addition, all funds authorized and disbursed by the state will be spent equally with funds matched by the Chickasaw Inkana Foundation.

(b) Amounts deposited into such special fund shall be disbursed to pay the costs of the projects described in paragraph (a) of this subsection. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as the issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The

maturity shown for bonds of the same maturity.
(b) "State" means the State of Mississippi.
(c) "Commission" means the State Bond Commission.
(2) (a) (i) A special fund, to be designated the "2021 Commerce Park Connector

Treasurer as a separate and special fund, separate and apart from the General Fund of
the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall
not lapse into the State General Fund, and any interest earned or investment earnings
on amounts in the fund shall be deposited into such fund.
(ii) Monies deposited into the fund shall be disbursed, in the

any part or all of the general obligation bonds authorized by this subsection, the
department shall deliver a certified copy of its resolution or resolutions to the
commission. Upon receipt of such resolution, the commission, in its discretion, may act as the issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed Two Million Dollars ($2,000,000.00). No bonds shall be issued under this section after July 1, 2025.

The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(10) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. (12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants. The Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section. The State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. resolution may be adopted at any regular or special meeting of the commission by a
majority of its members.

mandamus or other proceeding, protect and enforce any and all rights granted under
this section, or under such resolution, and may enforce and compel performance of all
duties required by this section to be performed, in order to provide for the payment of
bonds and interest thereon.

investments for trustees and other fiduciaries, and for savings banks, trust companies
and insurance companies organized under the laws of the State of Mississippi, and such
bonds shall be legal securities which may be deposited with and shall be received by all
public officers and bodies of this state and all municipalities and political subdivisions
for the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom
shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for
the purposes herein provided, including the costs incident to the issuance and sale of
such bonds.

(16) The State Treasurer is authorized, without further process of law, to certify
to the Department of Finance and Administration the necessity for warrants. The
Department of Finance and Administration is authorized and directed to issue such
warrants, in such amounts as may be necessary to pay when due the principal of,
premium, if any, and interest on, or the accreted value of, all bonds issued under this
section. The State Treasurer shall forward the necessary amount to the designated
place or places of payment of such bonds in ample time to discharge such bonds, or the
interest thereon, on the due dates thereof.

(17) This section shall be deemed to be full and complete authority for the
exercise of the powers herein granted, but this section shall not be deemed to repeal or
to be in derogation of any existing law of this state.

Any tax credit claimed under this section but not used in any taxable year may be carried forward for five (5) consecutive years from the close of the tax year in which the credits were earned.

Once the department has allocated credits to a taxpayer, if the contribution for which a credit is allocated has not been made as of the date of the allocation, then the contribution must be made not later than sixty (60) days from the date of the allocation. If the contribution is not made within such time period, the allocation shall be cancelled and returned to the department for reallocation. the tax credits allocated during a calendar year shall be allocated for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section. Except as otherwise provided in this section, for calendar year 2021, and for each calendar year thereafter, for credits allocated during a calendar year for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section, no more than five percent (5%) of such credits may be allocated for contributions to a single eligible charitable organization. However, for calendar year 2022, of the additional amount of tax credits authorized under this section, Two Million Dollars ($2,000,000.00) of the tax credits shall be available solely for allocation for contributions to Magnolia Speech School; however, any such tax credits not allocated before April 1, 2022, may be allocated for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated the "2021 LeFleur’s Bluff State Park Improvements Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, to assist in paying costs associated with construction and development of and upgrades and improvements to property, roads, infrastructure, facilities and structures at LeFleur’s Bluff State Park, in Jackson, Mississippi, for the purpose of enhancing and developing the entrance to the Mississippi Children’s Museum and the Mississippi Museum of Natural Science, and areas and amenities related to the museums.

(b) Amounts deposited into such special fund shall be disbursed to pay the costs of the projects described in paragraph (a) of this subsection. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of
any part or all of the general obligation bonds authorized by this subsection, the
department shall deliver a certified copy of its resolution or resolutions to the
commission. Upon receipt of such resolution, the commission, in its discretion, may act
as the issuing agent, prescribe the form of the bonds, determine the appropriate method
for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds,
issue and sell the bonds so authorized to be sold and do any and all other things
necessary and advisable in connection with the issuance and sale of such bonds. The
total amount of bonds issued under this section shall not exceed Two Million Five
Hundred Thousand Dollars ($2,500,000.00). No bonds shall be issued under this
section after July 1, 2025.
(b) Any investment earnings on amounts deposited into the special fund
created in subsection (2) of this section shall be used to pay debt service on bonds
issued under this section, in accordance with the proceedings authorizing issuance of
such bonds.
   (4) The principal of and interest on the bonds authorized under this section shall
be payable in the manner provided in this subsection. Such bonds shall bear such date
or dates, be in such denomination or denominations, bear interest at such rate or rates
(not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be
payable at such place or places within or without the State of Mississippi, shall mature
absolutely at such time or times not to exceed twenty-five (25) years from date of issue,
be redeemable before maturity at such time or times and upon such terms, with or
without premium, shall bear such registration privileges, and shall be substantially in
such form, all as shall be determined by resolution of the commission.
(5) The bonds authorized by this section shall be signed by the chairman of the
commission, or by his facsimile signature, and the official seal of the commission shall
be affixed thereto, attested by the secretary of the commission. The interest coupons, if
any, to be attached to such bonds may be executed by the facsimile signatures of such
officers. Whenever any such bonds shall have been signed by the officials designated
to sign the bonds who were in office at the time of such signing but who may have
ceased to be such officers before the sale and delivery of such bonds, or who may not
have been in office on the date such bonds may bear, the signatures of such officers
upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes
and have the same effect as if the person so officially signing such bonds had remained
in office until their delivery to the purchaser, or had been in office on the date such
bonds may bear. However, notwithstanding anything herein to the contrary, such bonds
may be issued as provided in the Registered Bond Act of the State of Mississippi.
(6) All bonds and interest coupons issued under the provisions of this section
have all the qualities and incidents of negotiable instruments under the provisions of the
Uniform Commercial Code, and in exercising the powers granted by this section, the
commission shall not be required to and need not comply with the provisions of the
Uniform Commercial Code.
(7) The commission shall act as issuing agent for the bonds authorized under
this section, prescribe the form of the bonds, determine the appropriate method for sale
of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and
sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance
and sale, and do any and all other things necessary and advisable in connection with
the issuance and sale of such bonds. The commission is authorized and empowered to
pay the costs that are incident to the sale, issuance and delivery of the bonds authorized
under this section from the proceeds derived from the sale of such bonds. The
commission may sell such bonds on sealed bids at public sale or may negotiate the sale
of the bonds for such price as it may determine to be for the best interest of the State of
Mississippi. All interest accruing on such bonds so issued shall be payable
semiannually or annually.
If such bonds are sold by sealed bids at public sale, notice of the sale shall be
published at least one (1) time, not less than ten (10) days before the date of sale, and
shall be so published in one or more newspapers published or having a general
circulation in the City of Jackson, Mississippi, selected by the commission.
The commission, when issuing any bonds under the authority of this section, may
provide that bonds, at the option of the State of Mississippi, may be called in for
payment and redemption at the call price named therein and accrued interest on such
date or dates named therein.

(8) The bonds issued under the provisions of this section are general obligations
of the State of Mississippi, and for the payment thereof the full faith and credit of the
State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature
are insufficient to pay the principal of and the interest on such bonds as they become
due, then the deficiency shall be paid by the State Treasurer from any funds in the State
Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces
substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the
commission shall transfer the proceeds of any such sale or sales to the special fund
created in subsection (2) of this section. The proceeds of such bonds shall be disbursed
solely upon the order of the Department of Finance and Administration under such

(17) This section shall be deemed to be full and complete authority for the
exercise of the powers herein granted, but this section shall not be deemed to repeal or
to be in derogation of any existing law of this state.

SECTION 33. (1) As used in this section, the following words shall have the
meanings ascribed herein unless the context clearly requires otherwise:
(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated as the "2021 City of Indianola Street Improvement Projects Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, to assist the City of Indianola, Mississippi, in paying costs associated with repairs, resurfacing, upgrades and improvements to streets and roads in the City of Indianola.

(b) Amounts deposited into such special fund shall be disbursed to pay the costs of the projects described in paragraph (a) of this subsection. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed Five Hundred Thousand Dollars ($500,000.00). No bonds shall be issued under this section after July 1, 2025.

The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(10) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 40. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated as the "2021 Town of Bruce - Vardaman Street Fund," is created within the State Treasury. (3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of
Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(6) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

commission may sell such bonds on sealed bids at public sale or may negotiate the sale
of the bonds for such price as it may determine to be for the best interest of the State of
Mississippi. All interest accruing on such bonds so issued shall be payable
semianually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be
published at least one (1) time, not less than ten (10) days before the date of sale, and
shall be so published in one or more newspapers published or having a general
circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may
provide that bonds, at the option of the State of Mississippi, may be called in for
payment and redemption at the call price named therein and accrued interest on such
date or dates named therein.

(8) The bonds issued under the provisions of this section are general obligations
of the State of Mississippi, and for the payment thereof the full faith and credit of the
State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature
are insufficient to pay the principal of and the interest on such bonds as they become
due, then the deficiency shall be paid by the State Treasurer from any funds in the State
Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces
substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the
commission shall transfer the proceeds of any such sale or sales to the special fund

restrictions, if any, as may be contained in the resolution providing for the issuance of
the bonds.

(10) The bonds authorized under this section may be issued without any other
proceedings or the happening of any other conditions or things other than those
proceedings, conditions and things which are specified or required by this section. Any
resolution providing for the issuance of bonds under the provisions of this section shall
become effective immediately upon its adoption by the commission, and any such
resolution may be adopted at any regular or special meeting of the commission by a
majority of its members.

the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the
manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code
of 1972, for the validation of county, municipal, school district and other bonds. The
notice to taxpayers required by such statutes shall be published in a newspaper
published or having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any of
the interest coupons pertaining thereto may, either at law or in equity, by suit, action,
mandamus or other proceeding, protect and enforce any and all rights granted under
this section, or under such resolution, and may enforce and compel performance of all
duties required by this section to be performed, in order to provide for the payment of
bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal
investments for trustees and other fiduciaries, and for savings banks, trust companies
and insurance companies organized under the laws of the State of Mississippi, and such
bonds shall be legal securities which may be deposited with and shall be received by all
public officers and bodies of this state and all municipalities and political subdivisions
for the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom
shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for
the purposes herein provided, including the costs incident to the issuance and sale of
such bonds.

(16) The State Treasurer is authorized, without further process of law, to certify
to the Department of Finance and Administration the necessity for warrants, and the
Department of Finance and Administration is authorized and directed to issue such
warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

(2) (a) (i) A special fund, to be designated as the “2021 West Lauderdale Athletic Complex Fund,” is created within the State Treasury. (a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated as the "2021 Jackson State University School of Public Health Fund," is created within the State Treasury. (3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. (a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated as the "2021 City of D'Iberville - Mallet Road Fund," is created within the State Treasury. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, to assist the City of D'Iberville, Mississippi, in paying costs associated with repairs, resurfacing, upgrades and improvements to Mallet Road in the City of D'Iberville.

(b) Amounts deposited into such special fund shall be disbursed to pay the costs of the projects described in paragraph (a) of this subsection. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the
commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. (12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

Department of Finance and Administration is authorized and directed to issue such
warrants, in such amounts as may be necessary to pay when due the principal of,
premium, if any, and interest on, or the accreted value of, all bonds issued under this
section; and the State Treasurer shall forward the necessary amount to the designated
place or places of payment of such bonds in ample time to discharge such bonds, or the
interest thereon, on the due dates thereof.

(2) (a) (i) A special fund, to be designated as the "Madison County Bozeman Road," is created within the State Treasury. (a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated as the "2021 Town of Eupora Road Fund," is created within the State Treasury. (3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the commission. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 81. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated as the "2021 Hancock County Fairgrounds Improvements Fund," is created within the State Treasury. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated as the "2021 Kosciusko School District Fund," is created within the State Treasury. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(2) (a) (i) A special fund, to be designated as the "2021 Kossuth Volunteer Fire Department Fund," is created within the State Treasury. This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 105. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated as the "2021 Town of D'Lo Fire Station Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, to assist the Town of D'Lo, Mississippi, in paying costs associated with construction of a fire station.

(b) Amounts deposited into such special fund shall be disbursed to pay the costs of the projects described in paragraph (a) of this subsection. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed One Hundred Thousand Dollars ($100,000.00). No bonds shall be issued under this section after July 1, 2025.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

SECTION 112. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(d) "Project" means any enterprise that will own and operate one or more indoor hydroponic facilities (i) for which construction begins not later than January 1, 2022, (ii) which will be located in a county having a population of less than ten thousand (10,000) according to the latest federal decennial census, in which thirty percent (30%) or more of such population is African-American and in which thirty percent (30%) or more of such population is at or below the federal poverty level according to the latest official data compiled by the United States Census Bureau and (iii) which will create at least thirty (30) direct jobs and twenty (20) indirect jobs not later than July 1, 2022.

(2) (a) (i) A special fund, to be designated as the "2021 Hydroponic Facilities Project Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, to assist the enterprise
owning and operating a project in paying costs associated with construction and equipping of one or more hydroponic facilities. Before disbursing any monies for such purposes, the Department of Finance and Administration shall require that binding commitments be entered into requiring that:

1. Minimum requirements for jobs for the project shall be met; and

2. If such requirements are not met, all or a portion of the funds provided by the state for the project may, as determined by the Department of Finance and Administration, be subject to repayment by such enterprise, together with any penalties or damages required by the department in connection therewith.

(b) Amounts deposited into such special fund shall be disbursed to pay the costs of the projects described in paragraph (a) of this subsection. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed One Million Dollars ($1,000,000.00). No bonds shall be issued under this section after July 1, 2025.

However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies
and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 119. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated the "2021 Walthall County Courthouse Renovation Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as the issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds at such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(8) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become
due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(10) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(11) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 126. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.
(2) (a) (i) A special fund, to be designated as the “2021 City of Union Police Department Fund,” is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, to assist the City of Union, Mississippi, in paying costs associated with the acquisition of two (2) motor vehicles and equipment for such motor vehicles, tasers and other safety equipment for the City of Union Police Department.

(b) Amounts deposited into such special fund shall be disbursed to pay the costs of the projects described in paragraph (a) of this subsection. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed One Hundred Thousand Dollars ($100,000.00). No bonds shall be issued under this section after July 1, 2025.

(b) Any investment earnings on amounts deposited into the special fund created in subsection (2) of this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(4) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission. The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the official designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.
(6) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(7) The commission shall act as issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(8) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(10) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(11) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies
and insurance companies organized under the laws of the State of Mississippi, and such
bonds shall be legal securities which may be deposited with and shall be received by all
public officers and bodies of this state and all municipalities and political subdivisions for
the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom
shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for
the purposes herein provided, including the costs incident to the issuance and sale of
such bonds.

(16) The State Treasurer is authorized, without further process of law, to certify
to the Department of Finance and Administration the necessity for warrants, and the
Department of Finance and Administration is authorized and directed to issue such
warrants, in such amounts as may be necessary to pay when due the principal of,
premium, if any, and interest on, or the accreted value of, all bonds issued under this
section; and the State Treasurer shall forward the necessary amount to the designated
place or places of payment of such bonds in ample time to discharge such bonds, or the
interest thereon, on the due dates thereof.

(17) This section shall be deemed to be full and complete authority for the
exercise of the powers herein granted, but this section shall not be deemed to repeal or
to be in derogation of any existing law of this state.

Department of Finance and Administration, declaring the necessity for the issuance of
any part or all of the general obligation bonds authorized by this subsection, the
department shall deliver a certified copy of its resolution or resolutions to the
commission. Upon receipt of such resolution, the commission, in its discretion, may act
as issuing agent, prescribe the form of the bonds, determine the appropriate method for

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 129. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated as the "2021 Tippah County Hospital Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, to assist Tippah County, Mississippi, in paying costs associated with the purchase of equipment at the Tippah County Hospital.

(b) Amounts deposited into such special fund shall be disbursed to pay the costs of the projects described in paragraph (a) of this subsection. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue
and sell the bonds so authorized to be sold, and do any and all other things necessary
and advisable in connection with the issuance and sale of such bonds. The total
amount of bonds issued under this section shall not exceed Five Hundred Thousand
Dollars ($500,000.00). No bonds shall be issued under this section after July 1, 2025.
(b) Any investment earnings on amounts deposited into the special fund
created in subsection (2) of this section shall be used to pay debt service on bonds
issued under this section, in accordance with the proceedings authorizing issuance of
such bonds.
(4) The principal of and interest on the bonds authorized under this section shall
be payable in the manner provided in this subsection. Such bonds shall bear such date
or dates, be in such denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature
absolutely at such time or times not to exceed twenty-five (25) years from date of issue,
be redeemable before maturity at such time or times and upon such terms, with or
without premium, shall bear such registration privileges, and shall be substantially in
such form, all as shall be determined by resolution of the commission.
(5) The bonds authorized by this section shall be signed by the chairman of the
commission, or by his facsimile signature, and the official seal of the commission shall
be affixed thereto, attested by the secretary of the commission. The interest coupons, if
any, to be attached to such bonds may be executed by the facsimile signatures of such
officers. Whenever any such bonds shall have been signed by the officials designated
to sign the bonds who were in office at the time of such signing but who may have
ceased to be such officers before the sale and delivery of such bonds, or who may not
have been in office on the date such bonds may bear, the signatures of such officers
upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes
and have the same effect as if the person so officially signing such bonds had remained
in office until their delivery to the purchaser, or had been in office on the date such
bonds may bear. However, notwithstanding anything herein to the contrary, such bonds
may be issued as provided in the Registered Bond Act of the State of Mississippi.
(6) All bonds and interest coupons issued under the provisions of this section
have all the qualities and incidents of negotiable instruments under the provisions of the
Uniform Code, and in exercising the powers granted by this section, the

Uniform Commercial Code.
(7) The commission shall act as issuing agent for the bonds authorized under
this section, prescribe the form of the bonds, determine the appropriate method for sale
of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and
sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance
and sale, and do any and all other things necessary and advisable in connection with
the issuance and sale of such bonds. The commission is authorized and empowered to
tax the costs that are incident to the sale, issuance and delivery of the bonds authorized
under this section from the proceeds derived from the sale of such bonds. The
commission may sell such bonds on sealed bids at public sale or may negotiate the sale
of the bonds for such price as it may determine to be for the best interest of the State of
Mississippi. All interest accruing on such bonds so issued shall be payable
semiannually or annually.
If such bonds are sold by sealed bids at public sale, notice of the sale shall be
published at least one time, not less than ten (10) days before the date of sale, and shall
be so published in one or more newspapers published or having a general circulation in
the City of Jackson, Mississippi, selected by the commission.
The commission, when issuing any bonds under the authority of this section, may
provide that bonds, at the option of the State of Mississippi, may be called in for
payment and redemption at the call price named therein and accrued interest on such
date or dates named therein.
(8) The bonds issued under the provisions of this section are general obligations
of the State of Mississippi, and for the payment thereof the full faith and credit of the
State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature
are insufficient to pay the principal of and the interest on such bonds as they become
due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(10) The bonds authorized under this section may be issued without any other proceedings or happenings of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(11) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. SECTION 136. Section 41, Chapter 492, Laws of 2020, is amended as follows:
Section 41. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) “Accreted value” of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the
interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated the "2020 Town of Wesson - Wesson Old School Visitor Center Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, to assist the Town of Wesson, Mississippi, in paying costs associated with * * * the renovation, furnishing and equipping of the Wesson Old School Visitor Center.

(b) Amounts deposited into such special fund shall be disbursed to pay the costs of the projects described in paragraph (a) of this subsection. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as the issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed Three Hundred Thousand Dollars ($300,000.00). No bonds shall be issued under this section after July 1, 2024.

(b) Any investment earnings on amounts deposited into the special fund created in subsection (2) of this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(4) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(5) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers
upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(6) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one (1) time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(8) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(10) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(11) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto, may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under
this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.
