QUALIFYING FOR OFFICE

Most individuals seeking elected office may choose to qualify as either a political party or independent candidate. A political party candidate participates in the Primary Election (and possibly the Primary Runoff Election three weeks thereafter), seeking to win a particular political party's nomination for a particular office. The winning candidates in the Primary Elections (or Primary Runoff Elections) move forward and participate in the November General Election as the respective political parties' nominees for the respective offices. An independent candidate participates only in the November General Election and, for the purposes of the ballot, has no designated political party affiliation.

In Mississippi, candidates for special election, judicial office (with the exception of candidates for Justice Court Judge), County School Board, Consolidated/Consolidated Line School District Trustee, Municipal Separate School District Trustee and Special Municipal Separate School District Trustee run as non-partisan candidates and only participate in the November General Election, with no designation of a political party affiliation on the ballot or otherwise.

POLITICAL PARTY/PRIMARY ELECTION CANDIDATES

An individual who chooses to seek election as a partisan candidate and therefore participate in a primary election to seek the nomination of a particular political party must file with the proper office a "Qualifying Statement of Intent for a Candidate for Party Nomination," together with the applicable qualifying fee, on or before the qualifying deadline, as is explained further below. Qualifying forms for party candidates are available from the respective political party's state office or [on the Secretary of State's website](#).

INDEPENDENT CANDIDATES

An individual who chooses to seek election as an independent candidate must file with the proper office a "Qualifying Statement of Intent for an Independent Candidate," a qualifying petition, which must be signed by a certain number of qualified electors (registered voters) from the jurisdiction from which the candidate seeks election, and pay the applicable qualifying fee, on or before the qualifying deadline, as is explained further below. The number of signatures required on the qualifying petition is dependent upon the specific office sought by the candidate. Each candidate must obtain the certification of the signatures from the Circuit Clerk's Office of the county from where the signatures were collected prior to filing his/her qualifying paperwork with the appropriate office.

Independent candidates should budget sufficient time to ensure the certification of petition signatures by the respective Circuit Clerk's Office well in advance of the qualifying deadline. Qualifying forms for independent candidates are available from the Circuit Clerk's Office or [on the Secretary of State's website](#).

Candidate Qualifying Guide

Revised October 2022

CAMPAIGN FINANCE REPORTING REQUIREMENTS

Excluding candidates for federal office, Mississippi law requires all candidates for elective office to file campaign finance disclosure reports.⁷ Under the law, one is a candidate if he/she has filed qualifying papers or has spent or received *over \$200 in the aggregate* in furtherance of an election campaign. Following the qualifying deadline, all persons who have filed qualifying papers are candidates under the law, even if they have not received or spent any money whatsoever in furtherance of a campaign. Forms necessary for compliance with these laws are available from the Secretary of State's Office or the Circuit Clerk's Office. [Campaign Finance reporting forms also may be downloaded from the Secretary of State's website.](#)

What information must be reported?

All Reports of Receipts and Disbursements filed under state law must be complete and include:

- Name, address, contact information, the office sought and political party affiliation, if any, of the candidate,
- The total amount of contributions received during the reporting period, both itemized and non-itemized, and an aggregate year-to-date total of all contributions,
- The total amount of disbursements made during the reporting period, both itemized and non-itemized, and an aggregate year-to-date total of all disbursements, and
- The total amount of cash on hand to date.

Itemized Contributions

A contribution must be included within the itemized total of contributions on the "Report of Receipts and Disbursements" and separately reported on the "Itemized Receipts" attachment to the report if the year-to-date aggregate total of the contribution(s) received from a particular person, business or entity exceeds \$200.00. A contribution separately itemized on the "Itemized Receipts" must identify the contribution by contributor type, contributor name and address, date(s) and amount(s) for the reporting period and aggregate year-to-date total, and the occupation or employer of the contributor, if applicable.

Itemized Disbursements

A disbursement must be included within the itemized total of disbursements on the "Report of Receipts and Disbursements" and separately reported on the "Itemized Disbursements" attachment to the report if the year-to-date aggregate total of the disbursement(s) made to a particular person, business or entity exceeds \$200.00. A disbursement separately itemized on the "Itemized Disbursements" must be identified by the recipient's name and address, the date(s) and amount(s) for the reporting period and aggregate year-to-date total, and purpose of the disbursement. *Miss. Code Ann. § 23-15-807(d)(ii)(iii).*

⁷ Candidates for federal office are not required to file campaign finance reports in Mississippi. Federal candidates should verify reporting requirements with the Federal Election Commission (FEC) by visiting their website at www.fec.gov or calling 1(800)424-9530.

Non-Itemized Contributions and Disbursements

Contributions and disbursements with year-to-date aggregate totals equal to or less than \$200.00 in a calendar year are not itemized. However, these amounts are included in the totals of all contributions and of all disbursements for the reporting period on the “Report of Receipts and Disbursements.”

When are reports due?

Reports are due in the appropriate office no later than 5:00 p.m. on the deadline. If a deadline falls on a weekend or legal holiday, the report is due at 5:00 p.m. on the first working day preceding the weekend or legal holiday. Statutory deadlines are provided on the front of each reporting form and on the schedule following hereafter.

The appropriate office must be in actual receipt of the report by 5:00 p.m. on the deadline. It is the responsibility of the candidate to make sure the report is delivered on time. *Miss. Code Ann. § 23-15-807(e)*.

Candidates and political committees are required to continue to file campaign finance disclosure reports in accordance with the applicable statutory schedule, which changes from year to year, unless and until a Termination Report is filed with the appropriate office. A Termination Report may only be filed, however, if the candidate or political committee no longer accepts contributions or makes expenditures and has no outstanding debts.
