## **QUALIFYING FOR OFFICE**

Most individuals seeking elected office may choose to qualify as either a political party or independent candidate. A political party candidate participates in the Primary Election (and possibly the Primary Runoff Election three weeks thereafter), seeking to win a particular political party's nomination for a particular office. The winning candidates in the Primary Elections (or Primary Runoff Elections) move forward and participate in the November General Election as the respective political parties' nominees for the respective offices. An independent candidate participates only in the November General Election and, for the purposes of the ballot, has no designated political party affiliation.

*Note: In Mississippi, candidates for special election, judicial office (with the exception of candidates for Justice Court Judge), County School Board, Consolidated/Consolidated Line School District Trustee, Municipal Separate School District Trustee and Special Municipal Separate School District Trustee, and Election Commissioner run as non-partisan candidates and only participate in the November General Election, with no designation of a political party affiliation on the ballot or otherwise.*

### **POLITICAL PARTY/PRIMARY ELECTION CANDIDATES**

An individual who chooses to seek election as a partisan candidate and therefore participate in a primary election to seek the nomination of a particular political party must file with the proper office a "Qualifying Statement of Intent for a Candidate for Party Nomination," together with the applicable qualifying fee, on or before the qualifying deadline, as is explained further below. Qualifying forms for party candidates are available from the respective political party's state office or [on the Secretary of State's website](#).

### **INDEPENDENT CANDIDATES**

An individual who chooses to seek election as an independent candidate must file with the proper office a "Qualifying Statement of Intent for an Independent Candidate," a qualifying petition, which must be signed by a certain number of qualified electors (registered voters) from the jurisdiction from which the candidate seeks election, and pay the applicable qualifying fee, on or before the qualifying deadline, as is explained further below. The number of signatures required on the qualifying petition is dependent upon the specific office sought by the candidate. Each candidate must obtain the certification of the signatures from the Circuit Clerk's Office of the county from where the signatures were collected prior to filing his/her qualifying paperwork with the appropriate office.

Independent candidates should budget sufficient time to ensure the certification of petition signatures by the respective Circuit Clerk's Office well in advance of the qualifying deadline. Qualifying forms for independent candidates are available from the Circuit Clerk's Office or [on the Secretary of State's website](#).

# **WHAT, WHEN, AND WHERE TO QUALIFY FOR OFFICE**

## **Special Note about Qualifying Fees**

Under Miss. Code Section 23-15-297, political parties may individually set the qualifying fee for certain offices within a range set out by law. Political parties are required to submit any change to a qualifying fee to the Secretary of State by October 1<sup>st</sup> in the year prior to the change taking effect. Any change in fee submitted after October 1<sup>st</sup> will take effect the subsequent year. If a political party has not set the qualifying fee for an office, then the qualifying fee will default to the fees set out in Miss. Code Ann. Section 23-15-297.
