§ 67-1-11. Local Option Alcoholic Beverage Control. Rendering chapter effective in county.

(1) Notwithstanding any provision of this chapter, the legalizing provisions of this chapter, except as authorized under Section 67-9-1 and Section 67-1-7(2), shall not be effective, applicable or operative in any county unless and until a local option election shall be called and held in such county in the manner and with the results hereinafter provided.

(2) Upon presentation and filing of a proper petition requesting same signed by at least twenty percent (20%) or fifteen hundred (1,500), whichever number is the lesser, of the qualified electors of the county, it shall be the duty of the board of supervisors to call an election at which there shall be submitted to the qualified electors of the county the question of whether or not the sale, distribution and possession of alcoholic liquors shall be permitted in such county as provided in this chapter. Such election shall be held and conducted by the county election commissioners on a date fixed by the order of the board of supervisors, which date shall not be more than sixty (60) days from the date of the filing of said petition. Notice thereof shall be given by publishing such notice once each week for at least three (3) consecutive weeks in some newspaper published in said county or, if no newspaper be published therein, by such publication in a newspaper in an adjoining county and having a general circulation in the county involved. The election shall be held not earlier than fifteen (15) days from the first publication of such notice.

(3) Said election shall be held and conducted as far as may be possible in the same manner as is provided by law for the holding of general elections. The ballots used thereat shall contain a brief statement of the proposition submitted and, on separate lines, the words "I vote FOR coming out from under the dry law in _____ County ()" "I vote AGAINST coming out from under the dry law in _____ County ()" with appropriate boxes in which the voters may express their choice. All qualified electors may vote by marking the ballot with a cross (x) or check (/) mark opposite the words of their choice.

(4) The election commissioners shall canvass and determine the results of said election, and shall certify same to the board of supervisors which shall adopt and spread upon its minutes an order declaring such results. If, in such election, a majority of the qualified electors participating therein shall vote in favor of the proposition, this chapter shall become applicable and operative in such county and the manufacture, sale, distribution and possession of alcoholic beverages

therein shall be lawful to the extent and in the manner permitted hereby. If, on the other hand, a majority of the qualified electors participating in the election shall vote against the proposition, this chapter, except for Section 67-9-1 and 67-1-7(2), shall not become effective and operative in such county and, except as otherwise provided under Section 67-9-1 and 67-1-7(2), all laws prohibiting and regulating the manufacture, sale, distribution and possession of intoxicating liquor shall remain in full force and effect and be administered and vigorously prosecuted therein. In either case, no further election shall be held in said county under the provisions of this chapter for a period of two (2) years from the date of the prior election and then only upon the filing of a petition requesting same signed by at least twenty percent (20%) or fifteen hundred (1,500), whichever number is the lesser, of the qualified electors of the county as is otherwise provided herein.

§ 67-1-13. Local Option Alcoholic Beverage Control. Rendering chapter ineffective in county.

(1) When this chapter has been made effective and operative in any county as a result of an election called and held as provided in Section 67-1-11, the same may be made ineffective and inapplicable therein by an election called and held upon a petition filed with the board of supervisors requesting same signed by at least twenty percent (20%) or fifteen hundred (1500), whichever number is the lesser, of the qualified electors of the county as is otherwise provided in Section 67-1-11, all of the provisions of which shall be fully applicable thereto. However, nothing herein shall authorize or permit the calling and holding of any election under this chapter in any county more often than once every two (2) years. If in such election, a majority of the qualified electors participating therein shall vote against the legalized sale of intoxicating liquor, then the prohibition laws of the State of Mississippi, except as otherwise provided under Section 67-9-1 and 67-1-7(2), shall become applicable in said county.

(2) Notwithstanding an election reinstating the prohibition laws in a political subdivision, the holder of a native wine producer's permit or a native wine retailer's permit is allowed to continue to operate under such permits and to renew such permits. Possession of native wines and personal property related to the activities of the native wine permit holder which would otherwise be unlawful under prohibition shall be allowed subject to regulations of the Alcoholic Beverage Control Division.

§ 67-1-15. Local Option Alcoholic Beverage Control. Counties with two judicial districts.

In any county having two judicial districts, each such judicial district shall be construed to be a political subdivision or subdivision of government on the same basis as a county, and as such, a judicial district will be entitled to all of the rights, privileges, and immunities as a county for the purposes of authorizing the sale of intoxicating liquor therein under the provisions of this chapter.
