

RESOLUTION

Whereas, it is necessary for the Occupational Licensing Review Commission to issue a resolution regarding the approval or denial of specific rules submitted for its review: NOW, THEREFORE, LET IT BE RESOLVED BY THE OCCUPATIONAL LICENSING REVIEW COMMISSION, that the following rules shall be known to have been approved by the Commission at a duly-called meeting of its members on September 12, 2023, and may now be filed as final with the Secretary of State's Office for inclusion in the Mississippi Administrative Code:

- Rules of the Mississippi Board of Pharmacy - Title 30, Part 3001, Article III: Revision of existing regulations regarding extern/intern requirements; Proposed new regulation for externs/interns transitioning to a pharmacy technician.
- Rules of the Mississippi Board of Pharmacy - Title 30, Part 3001, Article XX: Revision of existing regulation regarding the partial filing of Schedule II prescriptions for terminally-ill or long-term care facility patients.
- Rules of the Mississippi Board of Pharmacy – Title 30, Part 3001, Article LI: Proposed new regulation outlining responsibilities of consultant pharmacist advising ambulatory surgery centers or multi-provider clinics.
- Rules of the Mississippi State Board of Massage Therapy – Title 30, Part 2501, Chapter 2, R. 2.1: Revision of existing regulation to eliminate cost of additional location license certificate, replacement location license certificate, and replacement of mobile therapist card.
- Rules of the Mississippi Real Estate Commission – Title 30, Part 1601, Chapter 2, Rules 2.1: Revision of existing regulation to change the fees associated with the real estate broker's license and real estate salesperson's license.
- Rules of the Mississippi State Board of Medical Licensure – Title 30, Part 2640, Chapter 2: Revision of existing regulations regarding cannabis certification to comply with statutory changes regarding medical cannabis.
- Rules of the Mississippi State Board of Medical Licensure – Title 30, Part 2615, Chapter 1: Revision of existing regulations to make requirements for physician assistants consistent with requirements for nurse practitioners.
