EXECUTIVE ORDER NO. 822

TO THE COMMISSIONER OF THE MISSISSIPPI DEPARTMENT OF CORRECTIONS:

WHEREAS, FRANK JOE STEED, Mississippi Department of Corrections No. R4158, was convicted in Panola County, Mississippi, Circuit Court, Second Judicial District, Cause No. CR 96-13-BP2, of violating Section 97-21-7 of the Mississippi Code Annotated in that he had acknowledged a warranty deed outside the presence of the purported signor of the deed; and on February 27, 1999, he was given a sentence of fifteen years, with seven years suspended but to be served upon unsupervised probation, was fined, and was ordered to pay court costs and an analytical fee; and

WHEREAS, Section 97-21-7 does not require criminal intent to defraud to support a conviction but instead mandates merely that the prohibited act be done "wilfully and falsely;" and

WHEREAS, in Sherman v. State, 359 So. 2d 1366 (Miss. 1978), the only decision annotated under Section 97-21-7, three justices of the Mississippi Supreme Court concluded that, in the absence of criminal intent, a sentence of only one year for violating the statute was excessive; and

WHEREAS, FRANK JOE STEED was incarcerated on May 18, 1999, and has remained incarcerated since that date; and

WHEREAS, under the specific circumstances of this case, the ends of justice would be served by reducing the length of the sentence to one year.

NOW, THEREFORE, I, Kirk Fordice, Governor of the State of Mississippi, under and by virtue of the authority vested in me by the Constitution and Laws of this State, do hereby grant unto FRANK JOE STEED, Mississippi Department of Corrections No. R4158, a commutation of sentence to term served as of May 18, 2000. This commutation of sentence, however, shall not relieve FRANK JOE STEED of the obligations in the sentencing order to pay a fine, court costs, and an analytical fee following his release from incarceration.

I do authorize and direct you, upon receipt of this Executive Order, to take notice and be governed accordingly.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Mississippi to be affixed.

EXECUTIVE ORDER NO. 801

TO THE COMMISSIONER OF THE MISSISSIPPI DEPARTMENT OF CORRECTIONS:

WHEREAS, MARK HUBBARD ALLEN, Mississippi Department of Corrections No. 66413, pled guilty to a charge of vehicular homicide in Cause No. 96-047CR, in the Circuit Court of Oktibbeha County, Mississippi, and on October 21, 1996, was sentenced to serve ten (10) years in the custody of the Mississippi Department of Corrections. The sentence began on October 25, 1996; and

WHEREAS, the minimum penalty for vehicular homicide in the State of Mississippi, i.e. causing the death of another person while operating a motor vehicle under the influence of intoxicating liquor, is one (1) year in the custody of the Department of Corrections; the maximum sentence for a person found to be guilty of the felony of vehicular homicide is twenty-five (25) years. For the period 1983 to 1991, the maximum sentence for the felony of vehicular homicide was five (5) years; from 1991 to 1994, the maximum sentence was ten (10) years; and since 1994, the maximum sentence has been twenty-five years; and

WHEREAS, the State Parole Board had the exclusive responsibility for investigating the Application for Clemency of Mark Hubbard Allen. The Parole Board’s Investigative Report has now been completed and such Report includes information concerning his conviction, the record and other details of the crime which he committed, as well as other data and information pertinent to Allen’s confinement since his sentence began on October 25, 1996. Furthermore, the Parole Board Report indicates that in Mississippi vehicular homicide and vehicular manslaughter are the same felonies, and that neither offense is considered to be a violent crime. However, according to the Report, on a first DUI offense with a resulting death, the offender is usually charged with vehicular manslaughter, and that vehicular homicide is usually reserved for offenders who have had previous DUI convictions, or who have shown an intent to do bodily harm when committing the felony of driving under the influence; and

WHEREAS, the crime for which Mark Hubbard Allen was sentenced arose out of an automobile accident which occurred on October 17, 1995, when Allen’s automobile collided with a vehicle which was being driven by the deceased victim of this tragic event. At the time of the accident Allen was eighteen (18) years of age, and had recently enrolled in college as a freshman in August 1995. The driver of the other vehicle was a senior at the same university.

WHEREAS, at the time of the accident Mark Hubbard Allen had no prior felony convictions; and

WHEREAS, Mark Hubbard Allen is not eligible for parole consideration; and

WHEREAS, the Investigative Report of the Mississippi State Parole Board indicates that Mark Hubbard Allen is genuinely remorseful over the automobile accident and the resulting death which lead to his ten (10) year prison sentence for the crime of vehicular homicide; that every chance he gets to publicly speak before student groups concerning the pitfalls of driving under the influence of alcohol he does so voluntarily, delivering a very sincere personal testimony; and, that Allen makes every effort he can to perform personal acts of restitution.
NOW, THEREFORE, I, Kirk Fordice, Governor of the State of Mississippi, under and by virtue of the authority vested in me by the Constitution and Laws of this State, do hereby grant unto MARK HUBBARD ALLEN, Mississippi Department of Corrections No. 66413, an indefinite suspension of sentence, pending his future good behavior, and on the following additional terms and conditions, to-wit:

(1) That the indefinite suspension of sentence herein granted to Mark Hubbard Allen may be revoked at any time without notice or hearing for any reason deemed sufficient to the Governor of the State of Mississippi; and that Mark Hubbard Allen agrees that, in the event that the Governor of the State of Mississippi shall revoke the indefinite suspension of sentence herein granted, Mark Hubbard Allen shall waive extradition, in writing, and shall return to Mississippi in the custody of the Mississippi Department of Corrections to serve the full term of his original ten (10) year sentence; and

(2) That upon the release of Mark Hubbard Allen from the custody of the Mississippi Department of Corrections, that his supervision and custody be transferred to the Tennessee Department of Corrections, and that upon completion of the necessary documentation to effect such transfer, that Mark Hubbard Allen agrees to leave Mississippi and move to the residence of his parents, James Andrew Allen and Jackie Allen, in Humboldt, Tennessee, where he agrees to reside and maintain his residence under their supervision and control during the indefinite suspension herein granted to him; and

(3) That upon completion of the transfer of custody of Mark Hubbard Allen to the Tennessee Department of Corrections, Mark Hubbard Allen agrees to submit himself to all of the rules, regulations, procedures, and other requirements, statutorily or otherwise, which apply to other prisoners on an indefinite suspension of their sentence who are under the custody, supervision, and control of the Tennessee Department of Corrections; and

(4) That Mark Hubbard Allen agrees, as a further condition of the indefinite suspension granted him by this Executive Order, that he will enroll in a college or university in or within daily commuting distance of his parents’ residence in Humboldt, Tennessee; and that he shall thereafter use his best efforts to complete a four (4) year college education in the field of his choice during the period of the indefinite suspension herein granted to him, subject, however, to the provisions of Paragraph (5) hereof; and

(5) That ninety (90) days from the effective date of this Executive Order, and every ninety (90) days thereafter during the indefinite suspension of sentence granted to Mark Hubbard Allen, he agrees that the Office of the Governor of the State of Mississippi, and the Mississippi Department of Corrections, shall have the right to review, and investigate, for each ninety (90) day period, his conduct and behavior, as well as the record of his college academic achievements during the period he is enrolled in college, so as to be assured that he is abiding by the terms and conditions of this Executive Order; that he has complied with all of the rules and regulations of the Tennessee Department of Corrections, and that his college grades indicate that he is applying himself in a satisfactory manner towards earning a degree, and that Allen further agrees to cooperate and assist in
obtaining the necessary information and records which are needed to determine whether or not he is complying with the purposes and the intent of his conditional indefinite suspension of sentence; and

(6) That it is further understood and agreed by Mark Hubbard Allen that the Governor of the State of Mississippi, after each ninety (90) day period provided for in Paragraph (5) above, will determine whether the indefinite suspension of sentence granted to Allen shall be continued.

The time served by Mark Hubbard Allen during his indefinite suspension shall continue to count toward the discharge of his original sentence. Furthermore, by accepting this suspension of sentence Mark Hubbard Allen agrees to be bound by all of its provisions and conditions.

I do authorize and direct you, upon receipt of this Executive Order, to take notice and be governed accordingly.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Mississippi to be affixed.

NOW, THEREFORE, I, Kirk Fordice, by the authority vested in me as Governor by the Constitution and laws of the State of Mississippi, do hereby establish these guidelines for use, where appropriate, by the executive branch of the State of Mississippi when dealing on an intergovernmental basis with the government of the Mississippi Band of Choctaw Indians:

6. The head of each executive department and agency of the State of Mississippi is instructed to notify the appropriate employees of the department or agency of this Executive Order through publication or other means.

7. Every proposed memorandum of understanding, cooperative agreement, or other written intergovernmental agreement between any executive branch department or agency of the government of the State of Mississippi and the government of the Mississippi Band of Choctaw Indians shall be submitted to the Governor of the State of Mississippi for his review and approval, and no such memorandum of understanding, cooperative agreement, or other written intergovernmental agreement shall become effective until executed by the Governor of the State of Mississippi.

8. STATE OF MISSISSIPPI

Office of the Governor

EXECUTIVE ORDER NO. 780

ESTABLISHMENT OF ONE-STOP INTERAGENCY EXECUTIVE COUNCIL

WHEREAS, Mississippi's current and future economic prosperity will depend upon an economic base and jobs that require substantially greater workforce skill levels than in the past; and

WHEREAS, Mississippi workers will need to obtain continuing and improved education and skill training to obtain quality jobs; and

WHEREAS, Mississippi citizens must easily understand and obtain services and programs that can meet their skill improvement requirements; and

WHEREAS, meeting the state's workforce skill improvement challenges will require maximizing the return obtained on our investment of those resources; and

WHEREAS, the resources are presently managed through several state departments; and

WHEREAS, it is necessary to integrate the use of these resources to implement an efficient, coherent, user-friendly system that provides Mississippi citizens with a customer-driven, outcome-measured, and performance-funded system of investments in human capital:

NOW, THEREFORE, I, KIRK FORDICE, Governor of the State of Mississippi, pursuant to the authority vested in me by the Mississippi Constitution and the laws of the State of Mississippi, do hereby order the establishment of the One-Stop Interagency Executive Council.

Purpose:

This Executive Order creates the One-Stop Interagency Executive Council to utilize funds and to organize workforce programs and services. This Council shall have specific responsibilities and authority to ensure the following: maximum cooperation among state agencies; reduction of bureaucratic requirements; elimination of duplication and conflict; the best use of planning and coordination; and, the elimination of other wasteful practices. The Council's central responsibility and charge shall be to provide the highest quality services to the clients and customers served through these programs. The establishment of this Council ensures the commitment of resources to provide employment and training services more efficiently and effectively.

Composition:

The seven state agencies currently participating on the State Workforce Council's Interagency Executive Committee, along with the members of the State Workforce Development Council and a representative from the Governor's Office, the state's Planning and Development Districts, the Mississippi Association of Supervisors, the Mississippi Municipal Association, and the Mississippi Manufacturers Association, shall work with employment and training programs as the One-Stop Interagency Executive Council (OSIEC). Specifically, the composition of this Council shall be as follows: State Superintendent of Education, Commissioner of the State Institutions of Higher Learning, Executive Director of the State Board for Community and Junior Colleges, Executive Director of the Mississippi Employment Security Commission, Executive Director of the Mississippi Department of Human Services, Executive Director of the Mississippi Department of Economic and Community Development, Executive Director of the Mississippi Department of Rehabilitation Services, the members of the State Workforce Development Council, one representative from the Planning and Development Districts to be named by the Governor, one representative of the Governor's Office to be named by the Governor, one representative from the
Mississippi Association of Supervisors to be named by the Governor, one member from the Mississippi Municipal Association to be named by the Governor, and one member from the Mississippi Manufacturers Association to be named by the Governor.

Role of the State Workforce Development Council:

The OSIEC shall coordinate its activities with the state's Workforce Development Council. The State Workforce Development Council's role is to act as an advisory council recommending strategy and policy to improve the state's workforce education and training services. Building on the state's legislative mandate, the State Workforce Development Council shall act as an advisory Council/Board to recommend to the Governor an overall workforce plan, thus ensuring coordination of workforce activity priorities, use of federal and state employment and training monies, input from the private sector, and a method of streamlining services to get maximum use of limited funding. Coordination will be made easier since all entities participate either directly or indirectly on the State Workforce Development Council.

Charge and Authority:

Upon approval of the Governor, the OSIEC shall do all things necessary to establish and manage a one-stop employment and training delivery system conforming to the requirements of the Department of Labor's One-Stop Career Center system and, if applicable, to any federal employment and training block grant legislation including, but not limited to the following: financial management, organization of the delivery system, assessment, assignment of affected resources, staffing, and recommending policy for implementing the Governor's approved plan for employment and training activities and services within the state. The OSIEC shall also have the responsibility to aid in the establishment and management of an employment and training system that conforms to the requirements of federal legislation including, but not limited to, the following: financial management, organization of delivery systems, and recommending the coordination and assignment of statewide resources.

The One-Stop Interagency Executive Council shall be authorized, consistent with the Governor's approved plan and applicable legislation and regulations, to develop a one-stop career operating system, by undertaking the following:

1. Design broad guidelines for the delivery of workforce development programs;
2. Identify all existing delivery agencies and other resources;
3. Define appropriate roles of the various agencies to include an analysis of service providers' strengths and weaknesses;
4. Determine the best way to utilize the various agencies to deliver services to recipients;
5. Develop a financial plan to support the delivery system that shall, at a minimum, include an accountability system; and
6. Specifically define service areas consistent with labor market areas to be called One-Stop Career Center areas for the purposes of the workforce block grant legislation and the establishment of One-Stop Career Centers.

Each state agency director is responsible for advising the OSIEC of appropriate federal and state requirements. Each state agency director remains responsible for his agency's actions. Therefore, final authority rests with the applicable agency. Because the success of the One-Stop Career Center System is dependent on the ability of agencies to work cooperatively, each agency
shall be held individually and collectively responsible to the Governor for the successful implementation of the One-Stop Career Center System.

This Order is effective immediately and rescinds and replaces Executive Order No. 779.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Mississippi to be affixed.

DONE at the Capitol in the City of Jackson, this the 12th day of February, in the year of our Lord nineteen hundred and ninety-eight, and of the Independence of the United States of America, the two hundred and twenty-second.

EXECUTIVE ORDER NO. 771

TO THE COMMISSIONER OF THE MISSISSIPPI DEPARTMENT OF CORRECTIONS:

Terrence Johnson, MSP #78662, was sentenced in 1992 in Washington County, Mississippi, to serve twenty (20) years for aggravated assault. He appealed this conviction and while out on appeal, Mr. Johnson was shot. He received an injury to his spinal cord and is now a quadriplegic. In December, 1995, the Supreme Court denied his appeal and placed him in the custody of the Mississippi Department of Corrections.

Commissioner Steve Puckett, of the Mississippi Department of Corrections, has requested a suspension so that Mr. Johnson may receive the required care. After a thorough investigation by the State Parole Board, the Board has recommended that Mr. Johnson be granted a suspension of sentence for medical reasons.

As a result, I, Kirk Fordice, Governor of the State of Mississippi, under and by virtue of the authority vested in me by the Constitution and applicable statutes of this State, do hereby grant Terrence Johnson, MSP #78662, an indefinite suspension of sentence for medical reasons, pending his future good behavior and on the condition that the suspension may be revoked at any time, without notice or hearing, for violation of any of the conditions set out by the Mississippi Department of Corrections and for any reason deemed sufficient by the Governor.

Terrence Johnson will be under the supervision of the Mississippi Department of Corrections during and throughout the period of this suspension of sentence as though on parole and all rules and regulations of parole will apply.

NOTE: ALL TIME HEREIN GRANTED SUBJECT ON SUSPENSION WILL COUNT TOWARD PAROLE AND/OR DISCHARGE.

I authorize and direct you, upon receipt of this Executive Order, to take notice and be governed accordingly.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Mississippi to be affixed.

BY THE GOVERNOR

SECRETARY OF STATE
WHEREAS, the Constitution mandates that the Governor shall see that the laws of the State are faithfully executed; and

WHEREAS, the Constitution vests in the Executive Department the whole of the executive power which, in turn, is vested in the Governor; and

WHEREAS, the executive power includes the power to administer and enforce the laws as enacted by the legislature and as interpreted by the courts; and

WHEREAS, the Governor, as chief executive, is given the authority and it is his duty to act to enforce the laws, duly and constitutionally enacted, in every portion of the State, so that every citizen and all property will have the protection of the laws; and

WHEREAS, there is pending in the judicial system of the State of Hawaii a case to determine the legality of homosexual marriages in that state, commonly referred to as same-sex marriages; and

WHEREAS, should that case be decided in favor of authorizing and validating same-sex marriages, in the absence of a strong public policy definition of marriage, the State of Mississippi could be required to recognize same-sex marriages under the "full faith and credit" clause of the U.S. Constitution; and

WHEREAS, on July 10, 1978, the Mississippi Attorney General issued an official opinion that "persons of the same sex may not legally marry," citing the Mississippi Code as the authority for the proposition that a license is essential to a marriage, and that the statutes contemplate a marriage being between a male and a female; and

WHEREAS, the Supreme Court of Mississippi has ruled that a marriage may only arise from an agreement between a man and a woman to become husband and wife, and that the legal relationship of husband and wife may be created only in conformity with procedures authorized by statute. This same court has stated that "marriage is a legal state of wedlock or union of two persons of the opposite sex associated together as husband and wife for the purpose of establishing a family"; and

WHEREAS, the overwhelming body of law in these United States holds that a "marriage" is a civil status, condition, or relation of one man and one woman united in law for life, for the discharge to each other and the community of the duties legally incumbent upon those whose association is founded on the distinction of sex; that it is especially a status or personal relation in which the State is deeply concerned and over which the State has exercise of exclusive dominion; and, it is a foundation upon which society depends for its very survival; and

WHEREAS, there is now pending in the Congress of the United States legislation that, when enacted into law, will require that marriage be strictly between a man and a woman; will deny federally granted benefits to the "spouse" in a purported same-sex marriage; and, will allow states to ignore marriage licenses granted to same-sex couples in other states:
Now, therefore, I, Kirk Fordice, Governor of the State of Mississippi, by virtue of the authority vested in me by the Constitution and the Laws of the State of Mississippi, do hereby declare that same-sex marriage is against the public policy and laws of the State of Mississippi; that it is and shall remain the public policy of this State that only a marriage between a man and a woman is valid in this State; and until all judicial processes are exhausted, or until such time as the legislature acts on the question of same-sex marriages, no license shall be issued by any circuit clerk of any county of this State, or any other person, for the marriage of persons of the same sex; it being the public policy and the law of this State to recognize only the union of a man and a woman as a valid marriage. A marriage in another state or foreign jurisdiction between persons of the same sex, regardless of when such marriage took place, shall not be recognized as a valid marriage, shall produce no civil effects nor confer any of the benefits, burdens or obligations of marriage under the laws of the State of Mississippi.

It shall be the responsibility of all officers and employees of all departments, agencies, boards, commissions, authorities, task forces, and divisions of the executive branch of State Government, and all political subdivisions thereof, to comply with and enforce the terms and provisions of this Executive Order.

The provisions of this Executive Order are effective upon signature and shall remain in effect until amended, modified or rescinded by operation of law.

In witness whereof, I have hereunto set my hand and caused the Great Seal of the State of Mississippi to be affixed.

WHEREAS, Mississippi’s current and future economic prosperity will depend upon an economic base and jobs that require substantially greater workforce skill levels than in the past; and

WHEREAS, Mississippi workers will need to have continuing and improved education and skill training to obtain quality jobs; and

WHEREAS, Mississippi citizens must easily understand and obtain services and programs that can meet their skill improvement requirements; and

WHEREAS, meeting the state’s workforce skill improvement challenges will require maximizing the return obtained on our investment of these resources; and

WHEREAS, the resources are presently managed through several state departments; and

WHEREAS, it is necessary to integrate the use of these resources to implement an efficient, coherent, user-friendly system that provides Mississippi citizens with a customer-driven, outcome-measured, and performance-funded system of investments in human capital:

NOW, THEREFORE, I, Kirk Fordice, Governor of the State of Mississippi, pursuant to the authority vested in me by the Mississippi Constitution and the laws of the State of Mississippi, do hereby order the establishment of the One-Stop Interagency Executive Council.

Purpose:

This Executive Order creates the One-Stop Interagency Executive Council to utilize funds and to organize workforce programs and services. This Council shall have specific responsibilities and authority to ensure the following: maximum cooperation among state agencies; reduction of bureaucratic requirements; elimination of duplication and conflict; the best use of planning and coordination; and, the elimination of other wasteful practices. The Council’s central responsibility and charge shall be to provide the highest quality services to the clients and customers served through these programs. The establishment of this Council ensures the commitment of resources to provide employment and training services more efficiently and effectively.

Composition:

The seven state agencies currently participating on the State Workforce Council’s Interagency Executive Committee, along with a representative from the Governor’s Office and the state’s Planning and Development Districts, shall work with employment and training programs as the One-Stop Interagency Executive Council (OSIEC). Specifically, the composition of this Council shall be as follows: State Superintendent of Education, Commissioner of the State Institutions of Higher Learning, Executive Director of the State Board for Community and Junior Colleges, Executive Director of the Mississippi Employment Security Commission, Executive Director of
the Mississippi Department of Human Services, Executive Director of the Mississippi Department of Economic and Community Development, Executive Director of the Mississippi Department of Rehabilitation Services, one representative from the Planning and Development Districts to be named by the Governor, and one representative of the Governor’s Office to be named by the Governor.

Role of the State Workforce Development Council:

The OSIEC shall coordinate its activities with the state’s Workforce Development Council. The State Workforce Development Council’s role is to act as an advisory council recommending strategy and policy to improve the state’s workforce education and training services. Building on the state’s legislative mandate, the State Workforce Development Council shall act as an advisory Council/Board to recommend to the Governor an overall workforce plan, thus ensuring coordination of workforce activity priorities, use of federal and state employment and training monies, input from the private sector, and a method of streamlining services to get maximum use of limited funding. Coordination will be made easier since all entities participate either directly or indirectly on the State Workforce Development Council.

Charge and Authority:

Upon approval by the Governor, the OSIEC shall do all things necessary to establish and manage a one-stop employment and training delivery system conforming to the requirements of the Department of Labor’s One-Stop Career Center System and, if applicable, to any federal employment and training block grant legislation including, but not limited to, the following: financial management, organization of the delivery system, assessment, assignment of affected resources, staffing, and recommending policy for implementing the Governor’s approved plan for employment and training activities and services within the state. The OSIEC shall also have the responsibility to aid in the establishment and management of an employment and training system that conforms to the requirements of federal legislation including, but not limited to, the following: financial management, organization of delivery systems, and recommending the coordination and assignment of statewide resources.

The One-Stop Interagency Executive Council shall be authorized, consistent with the Governor’s approved plan and applicable legislation and regulations, to develop a one-stop career operating system, by undertaking the following:

(1) Design broad guidelines for the delivery of workforce development programs;

(2) Identify all existing delivery agencies and other resources;

(3) Define appropriate roles of the various agencies to include an analysis of service providers’ strengths and weaknesses;

(4) Determine the best way to utilize the various agencies to deliver services to recipients;

(5) Develop a financial plan to support the delivery system that shall, at a minimum, include an accountability system; and

(6) Specifically define service areas consistent with labor market areas to be called One-Stop Career Center areas for the purposes of workforce block grant legislation and the establishment of One-Stop Career Centers.

Each state agency director is responsible for advising the OSIEC of appropriate federal and state requirements. Each state agency director remains responsible for his agency’s actions. Therefore, final authority rests with the applicable agency. Because the success of the One-Stop Career Center System is
dependent on the ability of agencies to work cooperatively, each agency shall be held individually and collectively responsible to the Governor for the successful implementation of the One-Stop Career Center System.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Mississippi to be affixed.
