OATH ADMINISTERED

A quorum being present, Secretary of State Michael Watson, administered to all members the oath required by the Constitution.

ELECTION OF A TEMPORARY SPEAKER

Rep. Jody Steverson nominated Rep. Trey Lamar as Temporary Speaker of the House:

Thank you, Mr. Secretary.

Ladies and gentlemen of the House, today it is my great honor and privilege to make a nomination for the Temporary Speaker of the Mississippi House of Representatives.

The member I am nominating, I am proud to call a friend and a House colleague. My nominee entered the House with me in a class of over thirty freshmen members in the class of 2012.

My nominee first attended Mississippi College, where he played football, and then transferred to Ole Miss, where he continued his academic and football career where many great football legends played; however, when I googled Ole Miss football legends, my nominee's name was not listed. My nominee earned degrees from Ole Miss, the Mississippi College School of Law and the George Washington School of Law in St. Louis.

My nominee served his first eight years in the House as vice chairman of the Ways and Means Committee, and for the last four years, he has done a phenomenal job as chairman of the committee. My nominee has handled countless pieces of legislation from right here where I stand, most recently legislation implementing the most significant tax cut in the history of our state.

My nominee is quite brilliant, and his intelligence has come in handy due to the shortcomings of his vice chairman.

Mr. Secretary, it is with great pleasure that I nominate my dear friend, the gentleman from Tate, as our Temporary Speaker for the beginning of the 2024 legislative term of the Mississippi House of Representatives.

The nomination for Temporary Speaker was seconded by Rep. Horan:

Thank you, Mr. Secretary, Mr. Clerk, Members of this esteemed body.

I rise to advance the nomination of the gentleman elected from District 8, by way of Senatobia, as Temporary Speaker of the House of Representatives for the Great State of Mississippi.

Ladies and Gentlemen, our families go back together for three generations, in both legal community and more importantly as family friends.

It is no surprise to me nor members of my family that the gentleman has, in a positive fashion, made his mark on Mississippi politics that will be felt for generation to come. His fingerprints are all over some of the most significant and monumental measures ever passed out of this house to eventually become law.

I can say without hesitation that the gentleman has done his family ad those he represents in District 8 proud during his tenure in this chamber.

If history repeats itself, as i anticipate it will soon, the gentleman will reassume his position of power in this chamber. To my twenty five new colleagues yet to gain audience with the good gentleman, I will provide a little of what you can expect; a man of God; a dedicated family man and dedicated public servant committed to advancing the interest of his district while here doing the peoples work; and a man whose integrity, commitment, and truth to his word is beyond reproach; however, understand yes means yes and no means no and maybe means...you have a lot of work to do!

It is my honor and pleasure to second the motion to nominate my colleague, classmate and most importantly my friend, John Thomas "Trey" Lamar, III, the Titan from Tate County as Temporary Speaker of the House of Representatives.

Rep. Ken Morgan moved to close the nominations and elect Rep. Trey Lamar as the Temporary Speaker. It was seconded by Rep. Donnie Scoggin.

The House elected the Temporary Speaker by voice vote. The Temporary Clerk announced the Committee composed of Rep. Karl Gibbs, Rep. Cedric Burnett, Rep. Larry Byrd and Rep. Bubba Carpenter to escort the Temporary Speaker to the podium.

MESSAGE FROM THE SENATE

Mr. Speaker: I am directed by the Senate to inform the House of Representatives that the Senate has PASSED AND TRANSMITS herewith the following:

S. C. R. No. 501: Joint assembly to inaugurate Lieutenant Governor and state officials.

Eugene S. Clarke, Secretary of the Senate

SENATE BILLS ON FIRST AND SECOND READING

The following Senate Bills, under suspension of the rules, were read twice, as required by the Constitution, and referred to the committees, the names of which immediately follow the titles of the said bills:

S. C. R. No. 501: Joint assembly to inaugurate Lieutenant Governor and state officials. Rules.

INTRODUCTION OF BILLS

The following Bills were introduced by members whose names immediately precede the same and, under a suspension of the Rules, were read twice, as required by the Constitution, and referred to the committees, the names of which immediately follow the same:

H. C. R. No. 1: (Representative White) Joint session; provide for the inauguration of and to hear the message of Governor Tate Reeves. CW.

H. C. R. No. 2: (Representative White) Governor-elect Tate Reeves; appoint a joint committee of the House and Senate to arrange inauguration of. CW.

H. R. No. 1: (Representative White) House Rules; adopt temporary rules. CW.

H. R. No. 2: (Representative White) House officers; provide method and manner of election. CW.

H. R. No. 3: (Representative White) Management and Rules Committees; provide method and manner of electing members. CW.

H. R. No. 4: (Representative White) House members; provide for selection of desks and parking spaces. CW.

Rep. Shanks called up:

H. R. No. 1: House Rules; adopt temporary rules.

The foregoing resolution was adopted.

Rep. Shanks called up:

H. R. No. 2: House officers; provide method and manner of election.

The foregoing resolution was adopted.

ELECTION OF A PERMANENT SPEAKER

The Temporary Speaker announced that the floor is now open for nominations for Permanent Speaker of the House.

Rep. Hank Zuber nominated Rep. Jason White for permanent Speaker of the House.

Rep. Donnie Bell seconded the nomination and addressed the House:

I rise in support to second the nomination of Jason White for Speaker of the House. As many of you know, I take pride in training the future Speaker of the House. As desk mates, it took me four years to train the previous speaker, and it has taken me eight years to train Jason.

Sitting by someone for eight years, you learn a lot about them. Jason loves his wife, Jolynn, and brings honor to her. He loves his three children, Sara Burden, John, and Carlyn. He is very proud of them and their accomplishments. Luckily, they get their intelligence, athletic ability, and good looks from their mother. In all he does, he strives

to make his family proud and aims to create a bright future not only for them, but for all Mississippians. Most importantly, I learned that Jason proudly trusts in Jesus Christ as his Lord and Savior.

Over the last eight years, pretty much, every member of the legislature has come to the back of the chamber to discuss issues and problems they needed Jason to address. It did not matter who they were, if they were Republican or Democrat, male or female, Jason would be willing to listen and try to help. A few of those times when someone would come to the back, he would look at me afterwards and say, "I really messed that up.", and as gently as kindly as I possibly could, I would reply "Yes, you did.", but seriously, that is who Jason White is. He listens to people and cares about each House member and wants us to succeed as a unified body.

On multiple occasions, Jason has used the term "the Gentleman has a right", which means that he supports the individual rights of every legislative member. He will lead with the integrity of the House as his focus. Jason has a heart not only for the legislative body, but for the State of Mississippi. He has proven to be willing to go the extra mile, making sacrifices of his time, wants, and comforts to support the growth and betterment of our state. He has always been a leader in the House, and in previous years, Jason was instrumental in the success of the House and the State of Mississippi. I know that he will continue to be a great and strong leader for the House of Representatives.

Jason is committed to fight for this body of legislators and for our great state. He will lead the House to accomplish great things this session, and for the years to come. I am proud to have had the opportunity to train Jason these past eight years, and even more proud to call him my friend.

Mr. Speaker, I proudly second the nomination of Jason White as Speaker of the House.

Rep. Karl Oliver seconded the nomination and addressed the House:

Thank you gentleman from Itawamba for those moving remarks and how true they are.

Ladies and Gentleman, I too rise before you today to second the nomination of Jason White as Speaker of the Mississippi House of Representatives. I will be brief.

In doing so, I too, will verbalize with all those present what many already know. Each of you know leadership qualities when you observe them. Having known Rep. Jason White for many years, and serving with him for two terms here in the Legislature, I have watched as he has led. He has led from every position he has served from here, both as Rules Chairman and as Speaker Pro Tempore.

It is not just a leadership mode that he steps into upon arrival here at the Capitol. He leads within his home, within his church, and within his community. It is not a shirt he puts on and takes off. It is part of his fiber.

To borrow from the poet Arnold Walter from the poem I Would be True best describes Rep. Jason White. I would be true for there are those that trust me. I would be pure for there are those who care. I would be strong for there is much to suffer. I would be brave for there is much to dare.

Join me in support of this nomination for King Solomon could not choose more wisely.

Rep. Becky Currie made a motion to close the nominations and elect Rep. Jason White as the permanent Speaker by acclamation.

Rep. Stacey Wilkes seconded the motion.

The House elected the permanent Speaker by voice vote.

The Temporary Clerk announced a committee composed of Rep. Kevin Ford, Rep. Clay Deweese, Rep. Lee Yancey and Rep. John Read to escort the newly elected Speaker to the Speaker's stand.

The Temporary Clerk announced a committee composed of Rep. Missy McGee, Rep. Scott Bounds, Rep. Sam Mims and Rep. Billy Calvert to escort the Speaker's family to the Speaker's stand.

Rep. Missy McGee addressed the House:

Ladies and Gentleman, It is my honor to introduce the family of the gentleman from Holmes and the new Speaker of the Mississippi House of Representatives. Speaker White's wife: Jolynn White and his children: Sara Burden, John, and Carlyn. Congratulations on this memorable day for your family and this historic day for the State of Mississippi.

The Temporary Speaker administered the oath of office to the Speaker.

Speaker of the House, Jason White, addressed the House:

Thank you. Thank you for all the applause. Thank you. What an incredible honor it is to stand before you here today. First, a few words of gratitude.

I want to thank the entire House of Representatives for honoring me with a (near) unanimous vote to be your new Speaker. My words cannot fully express just how thankful I am to you for placing this enormous trust in me. I look forward to working with all of you for the betterment of Mississippi. Many of us see things from very different perspectives, but I also know we all love this state, and we all want to do what we believe is right and best for her people. I look forward to finding the common ground; I intend to do all I can to keep our eyes focused on the prize of a better, brighter Mississippi.

I must also express my sincere and heartfelt gratitude to our now former Speaker, Philip Gunn. He has led this body with honor and integrity for the past twelve years. While there is no denying the major turn to the political right this body felt when he took the gavel, one would be hard pressed to find a better, fairer leader who always conducted business above board in the full light of day. He held to his conservative convictions and his footprints are left all over this place; the major legislation and policy bearing his mark. I want to thank him personally, for his friendship and leadership. Thank you, Speaker Gunn, for your service to Mississippi. All of Mississippi owes you and Lisa a great debt of gratitude.

I want to thank Jolynn, my wife of 27 years. Almost half of our marriage, I've been in the legislature. She has endured much in the name of politics, of which she did not ask for. These were my dreams, this was my calling, but she embraced them, and she supported them. She kept our home in order and our children cared for and raised well; always putting her duties as a wife and mother above everything else. She has been especially patient and helpful this past year through this election cycle, offering a great deal in the way of resolve and assurance. Reminding me often to stop and pray. Thank you, Jolynn.

To my three children and my family, I thank you. There really aren't many perks to being the child or relative of a politician these days, Especially in today's all-access, instant news, social-media-gotcha world we live in. Thank you for putting up with all this and for supporting me on this journey. I love you all.

To my Republican Caucus colleagues, I thank you for the unanimous vote of confidence you gave me to lead our caucus and be your Speaker. We now make up almost two-thirds of this body. Let us not ever forget in the coming

days to whom much is given, much is expected. We have the votes to go in almost any direction we choose. Let us use this political capital wisely. Let's not focus on small things simply for the sake of scoring political points. Let's drill down on the big things. Let's make this time count. The folks who sent us here are expecting us to adhere to our campaign promises, to hold fast to the ideals of limited government and individual freedom. Let us also remember that purity in politics is a loser. Let's focus on Mississippi and her people. Help them where we can and get out of the way everywhere else. Let's treat our colleagues across the aisle with dignity and respect. We can be conservative and not be mad about it.

Now to this entire membership, I want to talk for just a few minutes about the incredible opportunity we have before us. Even as we experienced a crippling pandemic in the previous term, in some sectors of both private business and government, our state has enjoyed a monumental surplus. Revenues have soared and unemployment is at an all-time low. We have made tremendous strides in education over the past 12 years, finally getting off the bottom in at least some areas that are measured nationally.

Our teachers are paid better than ever, our test scores and the gains and improvements in those areas we test, are standing up well, compared to other states. There has been a renewed focus on workforce development to bring all interested parties and efforts into a more streamlined approach so as to get our state's workforce efforts, and the spending of taxpayer dollars on that workforce development, the most bang for the buck, and get our people trained for skilled, good paying jobs that are actually available in our state.

Our investments in infrastructure, specifically highways, bridges, rail, ports, even airports, is bearing fruit, and taxpayers like seeing their money put back into Mississippi's infrastructure, allowing for future economic development, private investment and job creation. We have created an attractive business environment with low taxes as a result of various tax cuts and revisions of our tax laws and structure over these past 12 years, both corporate and individual.

Four years ago, we changed the flag by which we are identified as a state, a symbol that now provides a banner that our people may unite under. Our natural resources are beyond compare, and you have seen this legislature act to protect what we have and provide new avenues for both enhancement of habitat and opportunity for our outdoor enthusiasts and sportsmen.

These are some of the best experiences that Mississippi has to offer. We can truly say, that over these past 12 years, our state has begun moving down the tracks towards a future that is open to the World for business while still maintaining our great sense of hometown pride and sense of place and community that makes our state one of the best places in this great nation to work, worship, raise a family and enjoy a quality of life that doesn't exist in most places in today's modern society. It is these successes and these conditions that make our state's future worth fighting for.

Now, to build on those successes will require us to maybe do something out of the ordinary, maybe something not normal. I'm reminded of a few lines from Mark Batterson's bestselling book "In a pit with a Lion on a Snowy Day". In recounting the Old Testament passages in 2nd Samuel surrounding Benaiah, the valiant warrior who did many heroic deeds, including chasing that lion down into a pit and despite the snowy ground, catching it and killing it. Batterson writes, "normal people run away from lions. They run as far and as fast as they possibly can. But lion chasers are wired differently." Ladies and gentlemen of the House, I'm going to ask you to chase lions.

There are still some missing pieces to this puzzle that is the fabric of Mississippi. While I mentioned the great strides we've made in Education over these recent years, there are still areas where we can and should improve. In the coming weeks, I will ask the House to begin considering legislation to reform both our funding formula and our accountability model for K-12 education. The formula should reflect the priorities of this body and the duty we have as a state to provide her people with the chance of a quality education. The accountability model should also reflect those same priorities. While college preparedness will remain a priority, we have said that a skilled workforce that will show Mississippi as open and ready for business is one of the top priorities. Let's start truly rewarding school boards and districts and superintendents that embrace career and technical training and give our people the absolute best chance at a highly skilled, good paying job right here in Mississippi.

While we are at it, I will also ask this body to consider legislation that will give our parents not only the ability to choose an alternate high school curriculum and track, but also allow these parents (Mississippi taxpayers in most every case, mind you) the ability to choose a school that will fit their child's needs, especially in our underperforming districts and in districts that do not offer the alternative career tech tracks that we intend to be available to our students. We trust these parents to make almost every other decision in these children's lives, that best interest that they have will most certainly be extended to their own child's education. I understand these aforementioned ideas are incredibly complex and ripe with tired old arguments against them. When you compound that with our states sometimes complicated history, these ideas may seem non-attainable. I'm asking you to think way outside the box. I'm going to ask our school superintendents across the state to help come up with this plan. We have a new nominee for our state Superintendent of education, I'm very excited about his new leadership at MDE and the possibilities for the future of our children and this state. We will seek his input as we move in this direction. As former Governor William Winter said before, one might say again- "It's boat rocking time in Mississippi."

Another sector of our state that is in dire need of reform and policy solutions revolves around our healthcare systems, its providers and what has been termed our working poor. Our deficiencies in these areas are well documented and I need not plow that ground here with you today. We did get a jumpstart this fall when Governor Reeves and his policy team found a way to enhance the reimbursement model for our ailing hospitals. It was a much needed boost at a critical time. I want to thank him for being willing to think outside the box on the issue and allow his people to be creative and explore new avenues, which is what led to this breakthrough. It is that same spirit of innovation and thinking outside the box that will be required in every circle, in every corner, for us to solve this uninsured healthcare crisis we currently have. I'm simply asking for open minds from you all, from our friends in the Senate and from the Executive Branch as well as the Mississippi business community and most importantly from every segment of our healthcare industry and its providers. It will take everyone to explore and examine the potential solutions for our working folks who need health insurance. This segment of the workforce is much needed in our state's economy.

We have a labor participation rate hovering just above 50%. We can argue about the reasons for such a low number; it's not a good statistic for us by any measure. We need to find more ways to insure the folks who are working have some level of basic healthcare that keeps them in the workforce and out of the emergency room. I'm not talking about a government handout; I'm talking

about provider led solutions that the state will facilitate and create an environment to connect the dots that make this a reality to boost our workforce here in Mississippi.

Now, just those two areas I've touched on would be enough to consume all political capital one could hope to muster in any given legislative term, much less in a session. When you think of those ideas along with other major priorities such as a continued path to elimination of our states income tax while also having to address the unavoidable realities surrounding the long-term viability and sustainability of our Public Employee's Retirement System. The issues are many and they will be tough. I want to remind you of something I've learned over these 12 years in the legislature.

The things we have done to truly change the direction of our state, the legislation that was felt by all of Mississippi's people. The areas where we have improved the most by policy and spending decisions we have made here in this place. Those things came out of our most uncomfortable times. Our ugliest debates. Our most spirited exchanges.

This past October, I attended the Inauguration of the University of Southern Mississippi's new president, Dr. Joe Paul on the campus in Hattiesburg. The inaugural address was given by one of his former students, a Mississippi girl who has made good on our state's promise, and is now the Vice-President for campus life at Wake Forest University, Dr. Shea Kidd-Brown. In her remarks, she focused on the idea of transitioning from the idea of our frame of mind as we all worked to arrive at a place in life the "getting here", if you will vs. the now for all of us "being here". And there is a big difference. We worked hard campaigning, telling voters why we were the best choice, telling them the ideals we would uphold, the things we would champion. We were successful because from your presence today, you "got here". Now, we must "be here". "Being here" means working with your colleagues in this house. That means considering ideas and positions you may have not considered before. It does not mean throwing your principles and closely held political views out the window. Your constituents expect you to adhere to your campaign promises and your colleagues will expect that too. I want to remind you just as Dr. Kidd-Brown reminded Dr. Paul and Southern Miss when she quoted Brené Brown that in "being here", you will find that it gets "really messy in the middle, in the heat of the debate, in the uncomfortable situations you find yourself in, "but that's where the magic happens". The magic of this place, our most rewarding days here for our state and her people, are when we are involved in those tough votes, the ones that really make you examine your core political philosophies as you weigh what's best for Mississippi. Let's lean into an even newer, better Mississippi than we might hope for or imagine. Good lord willing, with hard work and persistence, it can and will happen. Let's all do our part. God bless Mississippi and the House of Representatives.

Prayer by Dr. Charles Long, West Baptist Church.

At 1:47 PM on motion of Rep. Newman the House recessed subject to call of the Chair.

At 2:10 PM the House met pursuant to recess, Speaker White in the Chair. A quorum was present.

ELECTION OF SPEAKER PRO-TEMPORE

The Speaker announced the floor was open for nominations for the Speaker Pro-Tempore.

Rep. Steve Massengill nominated Rep. Manly Barton for Speaker Pro Tempore, and he addressed the House:

Thank you, Mr. Speaker.

Ladies and Gentlemen of the House, family, guests and visitors:

It is with great honor that I stand before you today to make the nomination of the gentleman from Jackson County, Rep. Manly Barton, for Speaker Pro Tempore.

For most of the members that is all I need to say about Manly, but there are some new members who have not had the great honor like I have for the last twelve years of serving with him. When we came to orientation, after being elected, Manly was the first person I met and I am proud to say we have become great friends. So, I will just tell you a little about Manly. First, Manly is a Christian and puts God first in his life. He believes and tries to do what God would want him to do in all his decisions. Second, Manly is a great husband to the love of his life, Sarah, and for as much as we love Manly, he is a distant second to how we all love Sarah. Manly is also a great father, grandfather and great grandfather to all of his children. We love hearing Manly tell his stories about what the grandchildren did over the weekends. Third, Manly is a great storyteller from his years working at Chevron or about his days as a supervisor. My favorite, are the stories from his days in Vietnam. One story was these Vietnamese kids would come into camp and Manly would share some food and candy with them. There is a picture of Manly sitting on a Jeep with the kids, and they have some of his gear on and one was holding his M16, which Manly said the safety was on. Fourth, Manly is a great Mississippian as he has served his state as a supervisor and served as a member of the Mississippi House of Representatives. Manly is also a great American as he has served in Vietnam and is one of the few people that I know who have received the Purple Heart.

I consider Manly one of the greatest men I know. I could stand here and go on and on about how lucky we are to be serving with him, but I am pretty sure you all get my point. So, it is my great honor on this great day to nominate my good friend, Manly Barton, as the next Speaker Pro Tempore of the Mississippi House of Representatives. Thank you.

Rep. Brent Powell seconded the nomination and addressed the House:

Ladies and Gentlemen of the House, Family, and Guests:

It is a great honor to have the privilege to second the nomination of our colleague, the Honorable Manly Barton, the gentleman of Jackson County, for Speaker Pro Tempore of the Mississippi House of Representatives.

Over the many years Manly has served in the House, he has demonstrated his ability to lead and willingness to listen to all the concerns of our members and constituents. During the time that we have served together, we have become great friends and I have witnessed first-hand his integrity and temperament. Manly strives to treat all people with the respect and dignity they deserve. As the gentleman from Benton mentioned a few moments ago, Manly is a true family man and loves to talk and tell stories primarily about his family, from his lovely wife of forty-nine years, Sarah, to his children down to his grandkids. These stories help highlight his high moral character by showing his love and pride he has for his family.

Ladies and gentlemen, keep in mind that the office of Pro Tempore of the House of Representatives includes the duty of being chairman of the Management Committee, which is charged with conducting the business affairs of this chamber. I can not think of a finer person to work with and effectively manage this first-rate staff that we all have the privilege of working with.

Manly possess and undeniable passion in representing his district and this great state. Using that passion along with his natural leadership abilities, I am confident he will work diligently to serve all members of the House in this position; therefore, Mr. Speaker and fellow members, I ask you to join with me in electing the gentleman from Jackson County and my dear friend, Representative Manly Barton as the next Speaker Pro Tempore of the Mississippi House of Representatives.

Rep. Bill Pigott made a motion to close nominations and elect Rep. Manly Barton as Speaker Pro Tempore by acclamation.

Rep. Vince Mangold seconded the motion.

The House elected the Speaker Pro Tempore by voice vote.

The Temporary Clerk announced a committee composed of Rep. Shane Barnett, Rep. Robert Johnson, Rep. Casey Eure and Rep. Joey Hood to escort the newly elected Speaker Pro Tempore to the Speaker's stand.

The Temporary Clerk announced a committee composed of Rep. Charles Young, Jr., Rep. John Hines, Rep. Jon Lancaster and Rep. Troy Smith to escort the Speaker Pro Tempore's family to the Speaker's stand.

Rep. Troy Smith introduced the family of Rep. Manly Barton.

The Speaker administered the oath of office to the Speaker Pro Tempore.

The Speaker Pro Tempore addressed the House:

Thank You Mr. Speaker,
Ladies and gentlemen of the House, Family, Visitors and Guests.

It is a great honor to stand before you today. I am humbled by the confidence you have shown in me.

I want to thank my beautiful wife of forty nine years and my family, many of whom are here today, for standing by me and allowing me to be a part of this great body. Being away from home, sometimes scheduling family time and events around trips to Jackson, our families make sacrifices also.

During my first term we had a member that went to the Well often. Many times, in his comments he would say "I love the House of Representatives". Now, I know what he meant; I know what he felt, because I have come to love this place myself. Nothing against the Senate-- the Senate has their role, but the House is different. I think we have more fun on this end of the building. Sometimes it can be a little like the old Wild West, but we enjoy the process, and we enjoy each other. Disagreements are part of life here. Like any family we sometimes have differences of opinions, but we remain friends and that is the way it should be. We accomplish more when we work together.

One of the great things about a representative form of government is we have 122 members who come to this House with different life experiences, education, careers, and different perspectives on just about every issue. We have farmers, pharmacists, lawyers, nurses, people involved in real estate and insurance. As we face the challenges that are before us those differences will help us find solutions to some very complex issues. When I first got into local politics, I was agonizing over an issue that no matter what I did I was going to upset some people. A friend told me that when I ran for office that making decisions came with the job and then he added that all the easy decisions had already been made.

From Health Care to Education, from Economic Development to Workforce Development, to State Retirement System (PERS) to Taxes. These are just a few of the major issues that face us, but all need to be faced head on.

Some of the best friends I have ever made are standing in this room today. We have always stood with each other through sickness and tragedy; Black, White, Republican or Democrat. When my family went through a very difficult time this past summer, you were all there to help and show your love and support. I can never forget that.

I want to thank Representatives Massengill and Powell for their gracious nominations and remarks. Both are great friends and I cherish their friendships.

I often remind myself that everything I have accomplished in the last 24 years, from County Supervisor to being a Legislator, could not have happened had it not been for the many people who helped me along the way. My family certainly, but many others

believed in me and encouraged me. My father was one of those people. He was an encourager. He always saw the good in people. He was a Baptist Minister who, for most of his life, worked with people who had drug and alcohol problems. In the early 60's he started a home for alcoholics that is still helping people today. He taught me that everyone has value. He would never give up on someone just because they were down. He always encouraged them to be a better person, father, husband or provider. I have never forgotten that.

So as I take on this new challenge, the measure of my success will be how much help I can give each of you to be successful in representing your districts and the people who supported you, help you become an advocate not only for your district but also for the State of Mississippi. I look forward to working with each of you.

Thank you again for this great honor.

At 2:33 PM on motion of Rep. Boyd, A the House recessed subject to call of the Chair.

At 2:40 PM the House met pursuant to recess, Speaker White in the Chair. A quorum was present.

ELECTION OF THE PERMANENT CLERK

The Speaker announced the floor was open for nominations for the permanent Clerk of the House.

Rep. Rob Roberson nominated Andrew Ketchings for permanent Clerk of the House and addressed the House.

Rep. Shanda Yates seconded the nomination and addressed the House.

Rep. Jay McKnight offered a motion to close nominations and elect Andrew Ketchings as the permanent Clerk by acclamation.

Rep. Joseph Tubb seconded the motion.

The House elected the permanent Clerk of the House by voice vote.

The Temporary Clerk announced a committee composed of Rep. Angela Cockerham, Rep. Jansen Owen, Rep. Dana McLean, Rep. Richard Bennett and Rep. Carolyn Crawford to escort the newly elected Clerk and family to the Clerk's podium.

Rep. Angela Cockerham introduced the family of the Clerk.

The Clerk of the House addressed the House:

Thank you Mr. Speaker, Mr. Pro Tempore, and Ladies and Gentlemen of the Mississippi House of Representatives. I would also like to thank my good friends, the Lady from Hinds and the Gentleman from Oktibbeha for their kind words. While I am here, I would be remiss if I did not also thank my wife, Amy, for her constant understanding and support.

I want you to know how much I appreciate the confidence that you have continued to show in me, and I look forward to serving you for the next four years. This is a responsibility I take very seriously, and other than being Caroline, Clay, and Drew's dad and Amy's husband, it is my greatest honor.

Thank you again, and I look forward to working with each of you.

At 2:52 PM on motion of Rep. Anderson (122nd) the House recessed subject to call of the Chair.

At 2:55 PM the House met pursuant to recess, Speaker White in the Chair. A quorum was present.

Andy Gipson, Commissioner of Agriculture and Commerce
Mike Chaney, Commissioner of Insurance

A committee composed of Representatives Creekmore, Denton and Massengill and Senators Chassaniol, Frazier and McMahan escorted the family of Lt. Governor-elect Delbert Hosemann to the Speaker's Stand.

OATH ADMINISTERED TO THE LIEUTENANT GOVERNOR

Chief Justice Mike Randolph, administered the oath required by the Constitution to Delbert Hosemann and he addressed the Joint Assembly with the following remarks:

Thank you!

After we have worked together the last four years on so many issues and the tremendous achievements you accomplished, it is very special to me to have 97 old friends in the House and 45 in the Senate.

For you new members, four years ago, I advised the House the Rotunda sometimes symbolizes a chasm accentuating our differences. The Rotunda has two walkways to bridge the gap. We will continue to use the walkways.

As most of you know, our family is blessed to have my wife Lynn, and children Kristen, Chad, and Mark, daughters-in-law Courtney and Leslie, and eight grandchildren: Grace, Nora Lynn, Carson, Charlie, Manse, Howard Delbert, Charlotte, and Bobby. They are thanking you for keeping me employed.

During the last few years, this Legislature has addressed needed teacher compensation, school funding, roads, bridges, water and sewer and other infrastructure, tax reduction packages, mental health, protecting our children, healthcare for mothers and new babies, security for our citizens, devoted millions of dollars to restoring our parks and providing public spaces for hunting and enjoying our beautiful state, and providing our citizens with the ability to change the actual symbol of our State.

Your action was unparalleled in its scope and historic in its results. Never in the history of this State have our education scores risen so largely and our unemployed lowered to basically full employment for every citizen who wants to work.

You accomplished all this while at the same time fully funding our rainy-day fund, our hurricane windpool, paying off \$900 million dollars in state debt, and maintaining a billion dollars in cash reserves.

To put this in perspective, California is facing a \$68 billion dollar budget shortfall.

You have a record—and it is one of achievement.
Now, we open the door to the future.

Our labor force participation rate is the lowest in the country. That is the percent of people who are 16 and older who are actually working. Our economy is not sustainable with further declines. Economic development will wilt without an educated workforce to retain it.

Encouraging personal initiative to be gainfully employed is paramount.

Each person must have the education they need to obtain a positive economic future. This education must demand quality and achievement from those who provide it and be adequately funded from pre-K through the highest level sought by our citizens. We will propose a last-dollar tuition program for our outstanding community colleges to offer citizens the additional public education they need and to raise this labor force participation rate.

Our healthcare system, like most of the rest of the country, is struggling. Staffing shortages, hospital costs and capacity, mental health issues, pharmaceutical costs, availability of preventive healthcare, and the actual cost to working people of insurance all face us.

A shotgun approach is not the answer.
A comprehensive approach is.

The trustees of our current Public Employees Retirement System have now changed from one year ago in their position that PERS will be 93% funded by 2047 to now saying it will be 48% funded by 2047. They have also indicated larger additional contributions from current employees and the state will be required in addition to another tier for future employees. This absolute obligation of the state will drive most of your financial decisions this year and in the future.

In this room, we have the ability and the leadership to address these and the myriad of other issues you will face.

I am confident you will again have a record of achievement.

Now, let us get started. And may God bless each of us.

At 4:21 PM on motion of Representative Yancey, the Joint Session was dissolved.

OATH ADMINISTERED TO THE GOVERNOR-ELECT

Mike Randolph, Chief Justice of the Mississippi Supreme Court, administered the oath required by the Constitution to Governor Tate Reeves.

INAUGURAL ADDRESS

Governor Tate Reeves addressed the Joint Session as follows:

Thank you, Mr. Chief Justice. It is a great day to be a Mississippian.

Lieutenant Governor Hosemann, Speaker White, President Pro Tem Kirby, Speaker Pro Tem Barton, members of the Mississippi Legislature, friends, family, and my fellow Mississippians joining us in person and those watching from home, it is my pleasure to stand before you here today.

It is the single highest honor of my professional life to serve as the governor of the great state of Mississippi. And it brings me tremendous joy to stand before great leaders, the people of Mississippi, and God to take this oath today.

Before I go any further, I'd like to take a moment to thank the most important Mississippian to me and my family, my wife and our First Lady, Elee Reeves.

There are no words that can properly summarize how much you mean to me. From the day we met, less than one mile from this Capitol, everything has been different, and better. You are a wonderful wife, an amazing mom, and a terrific ambassador for our state. Thank you for being right by my side over this wild ride together.

I also want to thank our daughters, Tyler, Emma, and Maddie. I know that each of you make sacrifices as well – and you have made them as long as you can remember. Your mom and I are incredibly blessed by you – and I am so excited to see the strong, confident young women you are becoming.

I want to thank my dad, my mom, my brother Todd, my Mamaw, and the rest of my family. None of you signed up for, nor do you deserve, the lies and false attacks hurled at you simply because you are related, but please know that I love you all and I'm grateful for each of you. The reason I find myself here today is rooted in the values and love that come from you.

Many years ago, just after college, Elee and I decided to plant our roots in our home state, and to do everything in our power to make it better. It was a conscious decision. We had other options. We could have gone other places and done other things. But the pull of Mississippi was too strong. We were all in from the start. We volunteered. We worked hard. Bought a house in the city of Jackson. We did not at that time imagine statewide office, but we were determined to make a difference.

Then, in 2003, in what was a surprise to a lot of people, the voters of our state took a chance on a conservative young investment banker, and made me the first Republican treasurer in the history of our state.

My gratitude to the people of Mississippi for placing their trust in me, that day and every day since, can never fully be expressed in words. I thank God each and every day that he has provided the opportunity to serve.

And I'd like you each to know, from the bottom of my heart, how deeply thankful I am for your support.

I've met a few Mississippians who have voted for me every single time since 2003. And not all of them are related to me.

And I'm fully aware there are people who have never voted for me, not once in twenty years – but pray for me to succeed never the less.

And whether you voted for me or not, this time or ever, I want you to know it matters not. As I did four years ago, I want to once again make this promise to all of you – that I will be a governor for ALL Mississippi.

The longer I have served, the more I have come to appreciate that the defining characteristic about Mississippi is that sense that we are all in it together.

It is not our food, our football, or even our music that makes us unique. It is our commitment to each other.

I don't think anybody could have anticipated what we would face together as a state over the last four years. Tornadoes. Floods. Hurricanes. And a pandemic on top of it all. Yet, through every challenge encountered, we have emerged stronger.

Through every moment of despair, Mississippians showed the strength of our character and chose to be a light amidst the darkness.

That is a testament to the goodness of our people. And it makes me all the prouder to be a Mississippian.

I'll tell you this, I have frequently turned to God in prayer over these last four years. As a matter of fact, I have prayed a lot more as governor than I thought I would when I was sworn in the first time. And I know that I will do so again over the next four years.

That's why I'm especially thankful that we were once again able to start this inaugural ceremony with a prayer service Sunday. Mississippians are never bashful about our reliance on the Lord. We know that our faith is responsible for the ties that bind. And I am proud we come together so consistently to lift up our voices in unified prayer to an almighty God.

I promise all of you that I will continue seeking God's guidance through every challenge that we face – and I ask that you ask God to guide me when you pray as well.

Four years ago, I stood before you and discussed what we aimed to accomplish over this first term.

Four years ago, I stood here and called for a history-making increase in workforce training.

Then, together, we created the Office of Workforce Development, Accelerate Mississippi – and invested millions to equip our people with the skills they need for good jobs.

Just last week, Site Selection Magazine said our workforce efforts passed Texas and Louisiana in 2023, and we ain't done yet.

Four years ago, I called for a pay raise for our teachers.

Together, we secured the largest pay raise in state history.

Four years ago, I said we would travel the world to bring more great companies to Mississippi.

Together, we secured record breaking economic investment, which included the single largest economic deal in state history.

And you ain't seen nothing yet! We've got some big things coming. Projects that will fundamentally change lives and transform our state for the better.

On top of this, we delivered the single largest tax cut in our state's history and returned over half a billion dollars to Mississippians. We made historic investments in our state's infrastructure. We've achieved the Mississippi miracle in education, with more kids graduating than ever before. We went from 49th to 21st in fourth grade reading, from dead last to 23rd in fourth grade math, and we were among the top 5 in the entire nation when it came to fourth grade reading test scores for African American students. We are making sure ALL of Mississippi has momentum.

We bolstered our state's hospitals, expanded conservation efforts, increased training opportunities for medical professionals, committed more resources to public safety, and so much more.

And today, I am proud to tell you, we're just getting started.

So what comes next for Mississippi?

There is no doubt that our bad numbers are getting better, and our good numbers are becoming great.

I love to talk about rankings and results. I'm a numbers guy. But we are not pursuing test scores to beat Alabama. We are not pursuing capital investment to have bragging rights over Arkansas.

We are pursuing excellence – to secure permanence.

For too many decades, Mississippi's most valuable export has not been our cotton, or even our culture. It's been our kids.

Mississippi minds dominate some of the top positions in government, business, and entertainment across the country. They carry with them the pride and grit that is engrained in every Mississippian. They made other places better – and we missed out on all they could have done here at home.

My goal is not just to ensure that Mississippi is a source of pride, but that it can be the place where they achieve their fortune and dominance in their field.

By now you know I love to say that Mississippi has momentum. And we do. But today I want to tell you what I believe we must DO with that momentum.

Our goal must be what I call Mississippi Forever.

I want to build a state where my daughters, and all of our sons and daughters can proudly stay and raise their families.

I want every kid, from the Delta to the Coast, from Tishomingo to Tallahatchie, to grow up with the idea that they'll be Mississippi Forever.

I want every child to have the opportunities for an education, and a career, that enable them to be Mississippi Forever.

I want companies that are born here, to know they can grow here – Mississippi Forever.

And I want people who live in other states, many of whom grew up here, who are frustrated by the breakdown of culture and society where they live, who feel like they cannot get ahead, I want those families to look across the dinner table at each other and say: "honey, we need to go to Mississippi forever."

We do not need to aim to merely get better. We need to make it our priority to be the best, at everything that matters.

To accomplish this, we must be realistic about the challenges that we still face.

We need to honestly assess the barriers in our economy – and boldly knock them down.

We need to recognize that the cost of healthcare continues to rise, and access seems too limited.

We need to make sure we do not rest on our success in education and workforce training. Momentum is our asset and inertia is our enemy. We cannot settle for better – we have to demand the best.

Here in this building, we need to be adjusting our sights.

We need to be bold in our goals and carry our Mississippi pride into our actions. We can compete with anyone and win. We can achieve the things that our neighbors have achieved.

When our sons and daughters say: "I am from Mississippi," we can give them the pride to deliver that statement with a straight back and a strong voice.

Let's continue to give Mississippians relief from taxes and eliminate the burdens on their families. Let's be transformational in those efforts to compete with the best.

Let's continue to invest in and bolster Mississippi's nationally recognized education system.

Let's protect mothers and babies by further expanding the Pro-Life Agenda – by making Mississippi the best place in America to have and raise a child.

Let's protect the rights of parents and let's protect our kids.

Let's proudly defend our culture and our way of life.

Let's make Mississippi the safest state in the entire nation.

And let's relentlessly recruit new jobs not just to our prosperous counties but to all our communities.

The fact is that everything we do, we do together. There is no black Mississippi or white Mississippi. There is no red Mississippi or blue Mississippi. There is only one Mississippi – and it is Mississippi Forever.

We know that in our hearts, none of us ever leave Mississippi. Our task is to make sure our opportunities align with our sentiment.

I really do believe that this is Mississippi's time. We have an opportunity ahead of us that we must seize. But it will require that we be bold and ambitious.

We must be bold in our reforms. We must be bold in winning new jobs and businesses. We must be bold in our commitment to principles. And we must be bold to build a brighter future for the state we all love.

I'd like to end this speech where I started. Back twenty years ago when I first took this oath. As I have prepared for this day these last few weeks, it has been apparent to me that this is my last opportunity to do the thing I have most wanted to do my entire adult life.

And I know that I am not alone. I am surrounded by people in this Capitol, in both parties, who have chosen a path to make Mississippi better. And as I campaigned this year, I was struck by the fact that virtually everyone was driven by a desire to bring Mississippi up.

We have all been placed in a position of great importance. We sit at a crossroads for our state.

We've been entrusted by our friends, peers, and neighbors to make decisions that will impact many lives, not just today, but for many years to come.

Let us take up this work with joy and determination. Let us come together and heal our differences. Let us all throw ourselves at the great mission. Let us be united by our mission to make Mississippi the home for all its sons and daughters – forever.

Thank you all for being here today. Thank you to all of our legislators for giving your time and energy to serve our state. Thank you all for your support. And thank you all for your prayers.

May God bless you. May God bless your families. And may God bless the great state of Mississippi!

At 11:40 AM on motion of Representative Hale, the Joint Session was dissolved.

AMENDMENT NO. 1 BY REPRESENTATIVE Johnson:

Amend by striking all after the resolving clause and inserting in lieu thereof the following: That the following amendment to the Mississippi Constitution of 1890 is proposed to the qualified electors of the state:

Amend Section 273, Mississippi Constitution of 1890, to read as follows:

Section 273. (1) Amendments to this Constitution may be proposed by the Legislature or by initiative of the people.

(2) Whenever two-thirds (2/3) of each house of the Legislature, which two-thirds (2/3) shall consist of not less than a majority of the members elected to each house, shall deem any change, alteration or amendment necessary to this Constitution, such proposed amendment, change or alteration shall be read and passed by two-thirds (2/3) vote of each house, as herein provided; public notice shall then be given by the Secretary of State at least thirty (30) days preceding an election, at which the qualified electors shall vote directly for or against such change, alteration or amendment, and if more than one (1) amendment shall be submitted at one (1) time, they shall be submitted in such manner and form that the people may vote for or against each amendment separately; and, notwithstanding the division of the Constitution into sections, the Legislature may provide in its resolution for one or more amendments pertaining and relating to the same subject or subject matter, and may provide for one or more amendments to an article of the Constitution pertaining and relating to the same subject or subject matter, which may be included in and voted on as one (1) amendment; and if it shall appear that a majority of the qualified electors voting directly for or against the same shall have voted for the proposed change, alteration or amendment, then it shall be inserted as a part of the Constitution by proclamation of the Secretary of State certifying that it received the majority vote required by the Constitution; and the resolution may fix the date and direct the calling of elections for the purposes hereof.

(3) The people reserve unto themselves the power to propose and enact constitutional amendments by initiative. An initiative to amend the Constitution may be proposed by a petition signed over a twelve-month period by qualified electors equal in number to at least twelve percent (12%) of the votes for all candidates for Governor in the last gubernatorial election. The signatures of the qualified electors from any congressional district shall not exceed * * * the total number of signatures required to qualify an initiative petition for placement upon the ballot divided by the number of congressional districts in existence on the day the petition is filed. If an initiative petition contains

signatures from a single congressional district which exceed * * * the total number of required signatures, the excess number of signatures from that congressional district shall not be considered by the Secretary of State in determining whether the petition qualifies for placement on the ballot.

(4) The sponsor of an initiative shall identify in the text of the initiative the amount and source of revenue required to implement the initiative. If the initiative requires a reduction in any source of government revenue, or a reallocation of funding from currently funded programs, the sponsor shall identify in the text of the initiative the program or programs whose funding must be reduced or eliminated to implement the initiative. Compliance with this requirement shall not be a violation of the subject matter requirements of this section of the Constitution.

(5) The initiative process shall not be used:

(a) For the proposal, modification or repeal of any portion of the Bill of Rights of this Constitution;

(b) To amend or repeal any law or any provision of the Constitution relating to the Mississippi Public Employees' Retirement System;

(c) To amend or repeal the constitutional guarantee that the right of any person to work shall not be denied or abridged on account of membership or nonmembership in any labor union or organization; or

(d) To modify the initiative process for proposing amendments to this Constitution.

(6) The Secretary of State shall file with the Clerk of the House and the Secretary of the Senate the complete text of the certified initiative on the first day of the regular session. A constitutional initiative may be adopted by a majority vote of each house of the Legislature. If the initiative is adopted, amended or rejected by the Legislature; or if no action is taken within four (4) months of the date that the initiative is filed with the Legislature, the Secretary of State shall place the initiative on the ballot for the next statewide general election.

The chief legislative budget officer shall prepare a fiscal analysis of each initiative and each legislative alternative. A summary of each fiscal analysis shall appear on the ballot.

(7) If the Legislature amends an initiative, the amended version and the original initiative shall be submitted to the electors. An initiative or legislative alternative must receive a majority of the votes thereon and not less than forty percent (40%) of the total votes cast at the election at which the measure was submitted to be approved. If conflicting initiatives or legislative alternatives are approved at the same election, the initiative or legislative alternative receiving the highest number of affirmative votes shall prevail.

(8) If an initiative measure proposed to the Legislature has been rejected by the Legislature and an alternative measure is passed by the Legislature in lieu thereof, the ballot titles of both such measures shall be so printed on the official ballots that a voter can express separately two (2) preferences: first, by voting for the approval of either measure or against both measures, and, secondly, by voting for one (1) measure or the other measure. If the majority of those voting on the first issue is against both measures, then both measures fail, but in that case the votes on the second issue nevertheless shall be carefully counted and made public. If a majority voting on the first issue is for the approval of either measure, then the measure receiving a majority of the votes on the second issue and also receiving not less than forty percent (40%) of the total votes cast at the election at which the measure was submitted for approval shall be law. Any person who votes for the ratification of either measure on the first issue must vote for one (1) of the measures on the second issue in order for the ballot to be valid. Any person who votes against both measures on the first issue may vote but shall not be required to vote for any of the measures on the second issue in order for the ballot to be valid. Substantially the following form shall be * * * in compliance with this subsection:

INITIATED BY PETITION AND ALTERNATIVE BY LEGISLATURE

Initiative Measure No. _____, entitled (here insert the ballot title of the initiative measure).

Alternative Measure No. _____ A, entitled (here insert the ballot title of the alternative measure).

VOTE FOR APPROVAL OF EITHER, OR AGAINST BOTH:

FOR APPROVAL OF EITHER Initiative No. _____

OR Alternative No. _____ A ()

AGAINST Both Initiative No. _____

AND Alternative No. _____ A ()

AND VOTE FOR ONE

FOR Initiative Measure No. _____ ()

FOR Alternative Measure No. _____ A ()

(9) No more than five (5) initiative proposals shall be submitted to the voters on a single ballot, and the first five (5) initiative proposals submitted to the Secretary of State with sufficient petitions shall be the proposals which are submitted to the voters. The sufficiency of petitions shall be decided in the first instance by the Secretary of State, subject to review by the Supreme Court of the state, which shall have original and exclusive jurisdiction over all such cases.

(10) An initiative approved by the electors shall take effect thirty (30) days from the date of the official declaration of the vote by the Secretary of State, unless the measure provides otherwise.

(11) If any amendment to the Constitution proposed by initiative petition is rejected by a majority of the qualified electors voting thereon, no initiative petition proposing the same, or substantially the same, amendment shall be submitted to the electors for at least two (2) years after the date of the election on such amendment.

(12) The Legislature shall provide by law the manner in which initiative petitions shall be circulated, presented and certified. To prevent signature fraud and to maintain the integrity of the initiative process the state has a compelling interest in insuring that no person shall circulate an initiative petition or obtain signatures on an initiative petition unless the person is a resident of this state at the time of circulation. For the purposes of this subsection the term "resident" means a person who is domiciled in Mississippi as evidenced by an intent to maintain a principal dwelling place in Mississippi indefinitely and to return to Mississippi if temporarily absent, coupled with an act or acts consistent with that intent. Every person who circulates an initiative petition shall print and sign his name on each page of an initiative petition, or on a separate page attached to each page, certifying that he was a resident of this state at the time of circulating the petition. The Secretary of State shall refuse to accept for filing any page of an initiative petition upon which the signatures appearing thereon were obtained by a person who was not a resident of this state at the time of circulating the petition, and an initiative measure shall not be placed on the ballot if the Secretary of State determines that without such signatures the petition clearly bears an insufficient number of signatures. The provisions of this subsection (12) shall be applicable to all initiative measures that have not been placed on the ballot at the time this proposed amendment is ratified by the electorate.

(13) The Legislature may enact laws to carry out the provisions of this section but shall in no way restrict or impair the provisions of this section or the powers herein reserved to the people.

BE IT FURTHER RESOLVED, That this proposed amendment shall be submitted by the Secretary of State to the qualified electors at an election to be held on the first Tuesday after the first Monday of November 2024, as provided by Section 273 of the Constitution and by general law.

BE IT FURTHER RESOLVED, That the explanation of this proposed amendment for the ballot shall read as follows: "This proposed amendment conforms the pro rata signature requirements of congressional districts for initiative petitions to the current number of congressional districts." Amend title to conform.

Rep. Oliver moved that AMENDMENT NO. 1 be tabled.

The foregoing amendment was tabled by the following vote:

AMENDMENT NO. 2 BY REPRESENTATIVE Taylor:

Amend by striking all including the resolving clause and inserting in lieu thereof the following:

That the following amendment to the Mississippi Constitution of 1890 is proposed to the qualified electors of the state:

Amend Section 273, Mississippi Constitution of 1890, to read as follows:

Section 273. (1) Amendments to this Constitution may be proposed by the Legislature or by initiative of the people.

(2) Whenever two-thirds (2/3) of each house of the Legislature, which two-thirds (2/3) shall consist of not less than a majority of the members elected to each house, shall deem any change, alteration or amendment necessary to this Constitution, such proposed amendment, change or alteration shall be read and passed by two-thirds (2/3) vote of each house, as herein provided; public notice shall then be given by the Secretary of State at least thirty (30) days preceding an election, at which the qualified electors shall vote directly for or against such change, alteration or amendment, and if more than one (1) amendment shall be submitted at one (1) time, they shall be submitted in such manner and form that the people may vote for or against each amendment separately; and, notwithstanding the division of the Constitution into sections, the Legislature may provide in its resolution for one or more amendments pertaining and relating to the same subject or subject matter, and may provide for one or more amendments to an article of the Constitution pertaining and relating to the same subject or subject matter, which may be included in and voted on as one (1) amendment; and if it shall appear that a majority of the qualified electors voting directly for or against the same shall have voted for the proposed change, alteration or amendment, then it shall be inserted as a part of the Constitution by proclamation of the Secretary of State certifying that it received the majority vote required by the Constitution; and the resolution may fix the date and direct the calling of elections for the purposes hereof.

(3) The people reserve unto themselves the power to propose and enact constitutional amendments by initiative. An initiative to amend the Constitution may be proposed by a petition signed over a twelve-month period by qualified electors equal in number to at least twelve percent (12%) of the votes for all candidates for Governor in the last gubernatorial election. Initiative Measure No. _____, entitled (here insert the ballot title of the initiative measure).

Alternative Measure No. _____ A, entitled (here insert the ballot title of the alternative measure).

VOTE FOR APPROVAL OF EITHER, OR AGAINST BOTH:

FOR APPROVAL OF EITHER Initiative No. _____

OR Alternative No. _____ A ()

AGAINST Both Initiative No. _____

AND Alternative No. _____ A ()

AND VOTE FOR ONE

FOR Initiative Measure No. _____ ()

FOR Alternative Measure No. _____ A ()

(9) No more than five (5) initiative proposals shall be submitted to the voters on a single ballot, and the first five (5) initiative proposals submitted to the Secretary of State with sufficient petitions shall be the proposals which are submitted to the voters. The sufficiency of petitions shall be decided in the first instance by the Secretary of State, subject to review by the Supreme Court of the state, which shall have original and exclusive jurisdiction over all such cases.

(10) An initiative approved by the electors shall take effect thirty (30) days from the date of the official declaration of the vote by the Secretary of State, unless the measure provides otherwise.

(11) If any amendment to the Constitution proposed by initiative petition is rejected by a majority of the qualified electors voting thereon, no initiative petition proposing the same, or substantially the same, amendment shall be submitted to the electors for at least two (2) years after the date of the election on such amendment.

(12) The Legislature shall provide by law the manner in which initiative petitions shall be circulated, presented and certified. To prevent signature fraud and to maintain the integrity of the initiative process the state has a compelling interest in insuring that no person shall circulate an initiative petition or obtain signatures on an initiative petition unless the person is a resident of this state at the time of circulation. For the purposes of this subsection the term "resident" means a person who is domiciled in Mississippi as evidenced by an intent to maintain a principal dwelling place in Mississippi indefinitely and to return to Mississippi if temporarily absent, coupled with an act or acts consistent with that intent. Every person who circulates an initiative petition shall print and sign his name on each page of an initiative petition, or on a separate page attached to each page, certifying that he was a resident of this state at the time of circulating the petition. The Secretary of State shall refuse to accept for filing any page of an initiative petition upon which the signatures appearing thereon were obtained by a person who was not a resident of this state at the time of circulating the petition, and an initiative measure shall not be placed on the ballot if the Secretary of State determines that without such signatures the petition clearly bears an insufficient number of signatures. The provisions of this subsection (12) shall be applicable to all initiative measures that have not been placed on the ballot at the time this proposed amendment is ratified by the electorate.

(13) The Legislature may enact laws to carry out the provisions of this section but shall in no way restrict or impair the provisions of this section or the powers herein reserved to the people.

BE IT FURTHER RESOLVED, That this proposed amendment shall be submitted by the Secretary of State to the qualified electors at an election to be held on the first Tuesday after the first Monday of November 2024, as provided by Section 273 of the Constitution and by general law.

BE IT FURTHER RESOLVED, That the explanation of this proposed amendment for the ballot shall read as follows: "This proposed amendment conforms the pro rata signature requirements of congressional districts for initiative petitions to the current number of congressional districts." Amend title to conform.

Rep. Morgan called up:

H. B. No. 299: Mississippi Forestry Commission; authorize to electronically accept bids for timber sales.

AMENDMENT NO. 1 BY REPRESENTATIVE Bounds:

AMEND by inserting the following after line 27 and renumbering succeeding sections accordingly:

" SECTION 2. Section 29-3-45, Mississippi Code of 1972, is amended as follows:

29-3-45. (1) (a) The board of education shall, by order placed upon its minutes, enter into an agreement with the State Forestry Commission for the general supervision and management of all lands classified as forest lands and of all timber or other forest products under the control of the board on sixteenth section lands, and lieu lands which have not been so classified. However, any school board may contract with private persons or businesses for the reforestation of sixteenth section lands and may contract with a registered forester to be paid from the 16th Section Interest Fund for a review of any forestry management decision or forestry practice including the sale of timber for sixteenth section forest land provided that any implementation of a forestry management decision or forestry practice to be taken as a result of the review described in this subsection shall be subject to the approval of both the commission and the Secretary of State. When such agreement has been entered into, no timber or other forest products shall be sold from any of the sixteenth section lands or lieu lands except such as have been marked or approved for cutting by the State Forestry Commission's employees. The Forestry Commission, or its designated employee, shall fix the minimum total cash price or minimum price per unit, one thousand (1,000) feet or other measure, at which the marked timber or other forest products shall be sold. The sales may be made for a lump sum or upon a unit price as in the opinion of the board may be calculated to bring the greatest return. Sales shall be made upon such other terms and conditions as to manner of cutting, damages for cutting of unmarked trees, damages to trees not cut and other pertinent matters as the board of education shall approve.

(b) The State Forestry Commission shall have the sole authority and control in scheduling of all cutting and harvesting of timber or other forest products when such timber stands or other forest products are determined by the State Forestry Commission to be economically ready for cutting and harvesting.

(c) Should a school board disagree with the Forestry Commission concerning the time of cutting and harvesting, the board may make an appeal to the Forestry Commission at a regular monthly scheduled meeting of the commission. If the school board is not satisfied after the appeal to the commission, the board may then appeal to the Secretary of State who will make the final decision as to the time for cutting and harvesting. In the event that the local school board is divested of its management authority under subsection (3) hereof, the Secretary of State after due consultation with the Forestry Commission shall retain the right to make final decisions concerning the management and sale of timber and other forest products.

(d) It is hereby made the duty of the State Forestry Commission, from time to time, to mark timber which should be cut from the lands, to determine what planting, deadening or other forestry improvements should be made, giving due consideration to food and habitat for wildlife, and to report to the appropriate board of education. The State Forestry Commission and the board of education shall supervise the cutting of any timber or harvesting of other forest products sold from the lands herein designated and shall have authority to require any timber-cutting operations on the lands to cease until proper adjustment is made, whenever it shall appear that timber is being cut in violation of the terms of the sale. In the event that it is desired to lease any of such lands or standing timber for turpentine purposes, such lease shall only cover such trees as the State Forestry Commission shall designate, and the commission through its employees shall approve the number of faces, method of chipping and boxing of such timber, and shall fix a minimum total cash price or minimum price per unit.

(e) No sale of any timber, turpentine or other forest products lease shall be made until notice of same shall have been published once a week for three (3) consecutive weeks in at least one (1) newspaper published in such county. The first publication of such notice shall be made not less than twenty-one (21) days prior to the date fixed for the sale, and the last publication shall be made not more than seven (7) days prior to such date. If no newspaper is published in such county, then such notice shall be given by publishing the same for the required time in some newspaper having a general circulation in such county and, in addition thereto, by posting a copy of such notice for at least twenty-one (21) days next preceding such sale at three (3) public places in such county. The managing board may also publish additional notices at school offices, in trade publications, or at any other location, in any other media, or by any other means it finds likely to result in competitive bids. The board may allow for submission of electronic bids.

(f) Notwithstanding the above provision pertaining to the sale of any timber, turpentine or other forest products, in the event that timber must be cleared from an existing road or existing utility right-of-way, the public notice requirement may be waived. Prior to waiver of the public notice requirement, the State Forestry Commission must make a finding that, due to the small area of timber to be cleared, a public notice sale would not be in the best interest of the local board of education. If the State Forestry Commission makes such a finding, then it shall set the value of the timber to be paid to the local board of education by the party requesting the timber be removed.

(g) Provided, however, in the case of damage by fire, windstorm or other natural causes which would require immediate sale of the timber, because the time involved for advertisement as prescribed herein would allow decay, rot or destruction substantially decreasing the purchase price to be received had not such delay occurred, the advertisement provisions of this section shall not apply. The local board of education, with a written recommendation from a designated employee of the State Forestry Commission filed in the minutes of the local board of education, shall determine when immediate sale of the timber is required. When the board of education shall find an immediate sale necessary for the causes stated herein, it shall, in its discretion, set the time for receipt of bids on the purchase of the timber, but shall show due diligence in notifying competitive bidders so that a true competitive bid shall be received.

(2) (a) A local board of education having control of the sixteenth section lands in the Hurricane Katrina Disaster of 2005 shall be granted emergency powers to take any and all actions of a reasonably prudent trustee acting under emergency conditions to recover damaged timber, prevent further loss or damage to timber, and to minimize economic loss. All such actions shall be taken in consultation with and shall be subject to the prior approval from the Secretary of State and the State Forestry Commission. The emergency powers shall be as follows:

(i) Contract with any individual or entity for management advice, sale of timber, clearing of damage to timber producing lands, transporting of timber, repairing access roads to timber lands, conducting aerial spraying, or taking any other type of action to prevent further loss of timber or diminution in value of existing timber as the result of the incident which necessitated the declaration of a natural disaster. In contracting with any individual or entity, the local board of education shall use its best efforts to ensure that all costs incurred are reasonable and that a fair price is received for all sales.

(ii) Enter into agreements with any individual, private company, or other governmental entities for the pooling of resources, or the sharing of costs so as to maximize the mitigation of loss and minimize the expense of mitigating the loss of timber.

(iii) Apply for any state, federal, or private party grant or nonrepayable funds to cover costs associated with emergency management contracts, sale timber, including loss for diminution of value, transporting of timber, replanting of timber, repairing access roads to timber, conducting aerial spraying, or reimbursement for any other action taken to prevent further timber damage, as well as mitigating the loss of funds due to damage.

(b) The emergency powers granted herein shall be for a period of one (1) year from the date of designation as a disaster area due to Hurricane Katrina. The emergency powers may be extended for one (1) additional one-year period upon prior written approval from the Secretary of State.

(c) The emergency powers shall also apply to the management of timber by the Secretary of State pursuant to subsection (3) of this section.

(d) In the event a local board of education is unable to acquire the services of the State Forestry Commission or the Secretary of State to meet an immediate need to salvage, remove or take other appropriate action on damaged timber, the local board of education shall unilaterally be granted the authority to take such actions as necessary regarding the management or sale of timber or other forest products.

(e) In exercising emergency powers, a local board of education or the Secretary of State shall exercise the general powers of a trustee with the same general restrictions and general liabilities of a trustee and shall exercise the care and skill of an ordinary prudent person to protect the beneficiaries of the trust under such emergency circumstances.

(f) Any contractor with a local board of education or the Secretary of State shall be entitled to rely on representations by such board of education or the Secretary of State as to who has authority to enter contracts for the management or sale of timber or other forest products, and reliance on such representations shall not be grounds for voiding any contract.

(3) (a) In the event that any member of a local board of education may have a personal interest, either direct or indirect, in the decisions regarding the management or sale of timber or other forest products or in a contract for the sale of timber or other forest products from sixteenth section school lands under the jurisdiction and control of the board, then the board of education shall automatically be divested of all authority and power to manage and sell timber or other forest products on sixteenth section lands under its control and jurisdiction. The divestiture shall extend for the period of service, and for one (1) year thereafter, of the board member having a direct or indirect personal interest in the sale or decision to sell timber or other forest products.

(b) During the time in which any local board of education may be divested of authority and power to manage and sell timber and other forest products, such authority and power shall be vested in the Secretary of State, as supervisory trustee of sixteenth section lands. Upon the appointment or election of a member of a local board of

education who may have such an appointment or election of a member of a local board of education who may have such an interest in decisions and contracts regarding the management and sale of timber or other forest products, the board of education shall immediately notify the Secretary of State in writing. Likewise, the board shall give written notification to the Secretary of State within thirty (30) days prior to the expiration of any such divestiture period. Any contractor with a local board of education or the Secretary of State shall be entitled to rely on representations by such board or the Secretary of State as to who has authority to enter contracts for the management or sale of timber or other forest products, and reliance on such representations shall not be grounds for voiding any contract.

(c) The laws providing for the management and sale of timber and other forest products by local boards of education shall apply to the management and sale of timber and other forest products by the Secretary of State. The Mississippi Forestry Commission shall provide the Secretary of State with advice and services in the same manner as provided to local boards of education.

(d) The Secretary of State shall be paid all monies derived from the sale of timber or other forest products and shall promptly forward the same to the superintendent of education for such school district with instructions for the proper settlement, deposit and investment of the monies. Such local school board shall reimburse the Secretary of State for all direct costs relating to the management and sale of timber or other forest products, and in the case of a sale of timber or other forest products, the Secretary of State may deduct such direct cost from the proceeds of sale. The Secretary of State shall furnish an itemized listing of all direct cost charged to the local school district."

AMEND further the title on line 4 by inserting the following after the semicolon:

"TO AMEND SECTION 29-3-45, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT THE MANAGING BOARD MAY POST ADDITIONAL NOTICES AND MAY ALLOW FOR SUBMISSION OF ELECTRONIC BIDS;"

The following Bills were introduced by members whose names immediately precede the same and, under a suspension of the Rules, were read twice, as required by the Constitution, and referred to the committees, the names of which immediately follow the same:

NO INTRODUCTIONS FOR MONDAY, FEBRUARY 26, 2024

Representative Sanford called up the motion to reconsider the vote whereby **H. B. No. 922:** (Election commissioner; revise office to be nonpartisan.) passed, and moved to table, which motion prevailed.

Representative Sanford called up the motion to reconsider the vote whereby **H. B. No. 1035:** (Justice court judges; include in the "Nonpartisan Judicial Election Act".) passed, and moved to table, which motion prevailed.

At 4:15 PM, Rep. Shanks moved that the House stand in recess for the Joint Assembly at 5:00 PM, and also moved that the House would stand adjourned upon dissolution of the Joint Assembly until 2:00 PM on Tuesday, February 27, 2024.

Andrew Ketchings,

Clerk

JOINT SESSION

The hour of 5:00 PM having arrived, which was set by **H. C. R. No. 29** for a Joint Session of the Legislature to hear a message from Governor Tate Reeves, the Joint Assembly convened in the House Chamber and was called to order by Speaker White.

Speaker White yielded the gavel to Lt. Governor Delbert Hosemann, who presided over the Joint Assembly.

A committee composed of Representatives Fondren, Hurst and Oliver and Senators Blackwell, DeBar and Simmons (13th) escorted Governor Tate Reeves and First Lady Elee Reeves to the Speaker's stand.

STATE OF THE STATE ADDRESS

Governor Tate Reeves addressed the Joint Session as follows:

Thank you, Lieutenant Governor Hosemann and Speaker White.

To the members of the legislature and other elected officials – thank you. Thank you for what you do every single day to make Mississippi an even better place to live, to work, and to raise a family. Together, over the last four years, we've accomplished mission after mission for our state. And I have no doubt that by continuing to work together, Mississippi's best days are in front of us.

I would also like to thank the person who has been at the center of my life for over 23 years, my wonderful wife and our state's amazing first lady, Elee. Elee has been a source of strength and inspiration for me over the years and especially during my time as governor. She is a terrific mom, an excellent first lady, and a tremendous ambassador for our state. I'm lucky to have her in my life every single day, and I thank God that she is.

Before I go any further, it is with a heavy heart that I recognize the honorable service and tremendous sacrifice of Chief Warrant Officer Zemek and Chief Warrant Officer Abbott. Please join me in a moment of silence and prayer for their many friends and family.

Thank you. This tragic accident is yet another reminder that the freedoms we hold dear are not free. And a huge thank you to all of our brave men and women in uniform that champion freedom both domestically and abroad.

I will warn you this is going to be a boring speech.

It's got no hot buttons, virtually no conflict, no drama.

What I'm about to do tonight is to go over a game plan. It's not going to excite the newspaper reporters. It's probably not going to end up in anybody's campaign ads. But it is going to make a difference for Mississippi and for our fellow Mississippians.

We have just completed a heated campaign year in our state.

We know that some of you support the policies championed by Joe Biden.

We know that I am what Biden calls an extremist MAGA Republican.

And maybe over the next few weeks, you may be asked to pick which side you are on.

But not by me. And not tonight.

I am not going to focus on our differences. After 2023, we all know what they are.

I am here tonight instead to challenge you as a Legislature to waste no time on the things that divide us, and instead spend your energy this year on things that unite us.

Our state has many challenges. We also have many opportunities. In fact, we have more opportunities than we have ever had before. The task in front of us is whether we can roll up our sleeves and meet these challenges before these opportunities pass us by.

You are limited by our Constitution to 125 legislative calendar days. Time is of the essence. Let's not waste any of those days.

I am going to present you tonight with a list of tasks we must do together, to put Mississippi in position to attract even more great careers. All across our state, there are children in elementary school and middle school and high school whose future rides on our ability to get this done.

We have attracted more private investment in the first month of this term than we had in the 120 months before I became Governor. And believe me when I tell you that all this movement toward Mississippi has gotten noticed. The people who decide where to locate or expand companies in America see the activity and they are checking us out. Success creates more success and momentum breeds even more momentum.

We have an opportunity to make just a few strategic decisions that can yield major results – and not just improvements far into the future, but right now in the present.

Most of you know me well. Most of us have known each other a long time. You may not think I'm that smart, but I can tell you I am a lot smarter than I was just four years ago. And what I'm smarter about is what it takes to attract new jobs to our state. Recruiting new industry has been my number one priority and it takes up the bulk of my time. It's given me a new more detailed perspective on what we have to offer – and what we need to do.

For the last year, I traveled the state to say that Mississippi has momentum. In my inaugural address, I articulated our mission: Mississippi Forever. Committing ourselves

to the work so that – together – we can make Mississippi a vibrant, prosperous home for all her sons and daughters – forever.

Today, I want to talk a bit more about our vision for the next four years and this state we all take pride in. I want to articulate my ambition for where we can go, which rests on the fundamental nature of who we are.

We all have pride in the Mississippi spirit, and we all know what that means. Sure, it means that we're hospitable, God-glorifying, and resilient. But it also means that we have discipline and work ethic. This is a state whose economy does not rest on the wizardry of finance or the volatile next-big-thing. This is a state that is based on timeless economies. Agriculture and Forestry. Manufacturing and Industry. Tradesmen, craftsmen, cultivators, and workers dominate our land.

We make things – real things. We make fridges and fighter jets. We make cars and sow cotton. We make bullets and grow soybeans. You can touch our work, and know that highly-trained, capable, proud Mississippi hands made those products.

As long as I have been alive, our country and the western world have been steadily drifting away from this work. We've been happy to outsource that labor to others in far-off places. And what has it brought us? What has the bizarre combination of globalization and inflation given us that is better than the work of the hands?

We have a crisis of purpose and abundant despair in America. Anxiety, isolation, and addiction are on the rise. Everyone recognizes that our culture of outsourcing, apathy, and idleness is slowly killing us. The West is recognizing what we've lost, and Mississippi is poised to be the big winner in the realignment of our coming time.

In every C-suite in America, they know the need to reshore key industries. They know that we need to bring the work of making things home. For our economy and more importantly our national spirit, we cannot only be a nation of importers.

In all that time, Mississippi never stopped making real things. And now, as our national culture catches up to where we've been – we can say with our chest poked out that this is Mississippi's time.

We can take advantage of this moment and create unimagined wealth, prosperity, and purpose for our state. We can make Mississippi the new American capital of manufacturing, industry, and agribusiness. Mississippi can be the headwaters of America's supply chain if we are bold.

It is not just the advantage of our hard-working people. World-class Mississippi businesses currently move parts and products around the world thanks to our unique logistics advantage. You can reach 90% of the US population with the shortest average drive and flight times from North Mississippi. Memphis, just to our North, is a global hub for air cargo and transportation served by FedEx and UPS. We are surrounded by water on three sides. In those waters are more than a dozen river ports and ports that are accessible to the Gulf of Mexico. We have deep-water ports at Gulfport and Pascagoula.

We have unique advantages in aviation and aerospace. The Stennis Space Center is overflowing with opportunities for commercial space business. Our abundant and rural aviation assets offer the promise of experimentation and innovation.

Let's take full advantage of the immovable asset that is our location. There is literally no better place to make things in America for Americans than right here in Mississippi.

To ensure the world cannot deny it, we must continue to invest in our infrastructure to make our logistics second to none.

One of Mississippi's greatest economic and logistical assets is our ports. We need to develop a plan of action to address our ports' backlog maintenance and capacity projects. Investing in our critical ports from Vicksburg (which handles 14 million tons of freight annually) to Gulfport (where the global maritime shipping industry requires increased channel depth) will yield economic dividends all across our state. We will attract more companies, create more jobs, and secure even more private investment.

We must also continue to invest in our airports to meet the demands of industry. By increasing capacity of our hangers through the Airport Improvement Loan Fund, we can take additional steps to attract global interest in our state.

And just like we did by creating an Office of Workforce Development, I am also calling on the legislature to establish and fund a state rail authority, whose purpose would be to steward our state's investments in our rail network. This authority would be an all-encompassing one-stop-shop for all things railroad and would tailor strategies to better develop rail in regions across the state.

Ports, airports, rail – and roads. As good stewards of taxpayer dollars, we should help the Mississippi Department of Transportation increase their efficiency by giving them authority to use alternative delivery methods in completing their construction projects. We have invested hundreds of millions of dollars in MDOT's maintenance and capacity road-building projects over the last four years, and we should continue these investments, with a plan for the future. Speed to market is critical, and that is why MDOT must use these resources to quickly develop a strategy to evaluate needed improvements at our top site development locations around the state.

World-class logistics infrastructure means world-class speed-to-market. Products move faster. Money flows back faster. More money circulates in our economy. That is the key to our future.

It also means we must have sites that are ready to go for large-scale investment. This is how we are shattering records for economic development. Over the last several years, we have worked with local communities to have 30 sites primed and ready – at all times – for immediate uplifting investment. We have invested over \$100 million dollars in our site development program in the last three years and this year we must fully fund that program to continue our record-breaking achievements.

We must take full advantage of the Mississippi Miracle and ensure our workforce grows beyond most-improved and into the most-undeniable. You know how drastically we have improved our schools, and that the nation's education-reformers are all asking how they do what has been done in Mississippi. We've gone from bad to good. Now we must discover how to go from good to great.

We must be innovative. We must be open to new and different models. We should fund students, not systems. We should trust our parents, not bureaucrats, and we should embrace education freedom.

One example of how we can help accomplish this is by expanding a model that has worked on the campus of Mississippi University for Women – the Mississippi School for Math and Science.

To build on this model, I propose that we create 12 Mathematics and Engineering Magnet Schools throughout the state. By establishing eight Pre-K through 8th grade schools and three more high schools, we can help to ensure Mississippi kids are given the education required to be successful in an increasingly technological economy.

In fact, there is already a great location for one of these schools right across the street from this beautiful building – the old Central High School. Imagine hundreds of talented kids from all backgrounds learning the skills they need to be successful as engineers,

computer scientists, and technicians at major tech companies like AWS. It would be good for our capital city and it would be great for those kids.

We should also help connect our students with the high-paying jobs our companies need filled. I call on the Legislature to enact an apprenticeship education model for our high school seniors. Students could receive academic credit in a hybrid environment versus the traditional classroom-only setting. Our kids could 'earn and learn' – meeting graduation requirements while being paid to develop the skills needed for their career.

Mississippi kids are our future. And by providing them with a cutting-edge education, we will ensure Mississippi's future remains bright.

It begins in the elementary, middle, and high school classrooms. Then we reach our potential by unleashing Mississippi innovation and research.

We have great minds across many disciplines, but we must double-down when it comes to manufacturing and industrial innovation and invention. We are in a competition for recruitment and retention of talent, and Mississippi has to lead the way. Today, I ask the legislature to establish an incentive program to retain and attract top researchers in relevant fields at our universities. We must win the talent war in order to outpace our competition.

We also need to renew our focus on commercializing these innovations. Right now, across our state, great minds are gathered together. In the halls of our universities. At the US Army's Engineer Research and Development Center in Vicksburg. Most people, I'm sure, would be shocked to know that there are more PHD's per capita in that town than any other place in America. At the Stennis Space Center, where innovation beyond anything this planet has ever seen is happening every day.

Mississippi has to take that research and transform it into wealth-generation for our communities. When we learn that art better, everyone can enjoy the spoils that come from the marriage of invention and hard work. We have more highly-credentialed research talent per capita than anywhere in the country. We need to deploy our resources with precision and intensity to seize that opportunity and turn research and innovation into prosperity for our people.

One organization critical to this mission is Innovate Mississippi. With the support of the Mississippi Development Authority, Innovate is administering the deployment of \$86 million dollars in federal SSBCI funds. By doubling our investment into their operating budget, we can support the cluster strategy of development demanded by the manufacturers of today and make sure we are leveraging every opportunity to promote technology entrepreneurs in our state.

There is no sector that demands the innovation, workforce, logistics, and ambition that Mississippi can provide like energy. Mississippi must become masters of all energy—from pipelines to turbines and everything in between. As automation and growth unlock more human potential than ever before, there has never been a demand for abundant energy like this. As the spread of previously unimaginable computing power puts more pressure on our national grid, the demand for domestic sources of energy will be limitless. Large manufacturing and data center investments are getting larger and more expensive. The thirst for All-Of-The-Above Energy has never been greater.

We must and will do it all – from oil derricks on our Coast to solar panels in the Delta. I don't care if it's green wind power or black crude oil or anything in between. It's going to be made in Mississippi. All of the above and as much as we can do. As long as it is reliable, resilient, and affordable.

We have so much to offer to America's energy economy. Biomass from wood and agricultural fiber. We have companies working to unlock the potential of hydrogen and

wind due to our abundant land and unique salt domes. We have permitted over two gigawatts of industrial solar production in the last few years. And of course, old reliable, natural gas still powers most of our energy portfolio and it is clean, affordable, and dependable. And we are proud of it.

We should also look at attracting the next innovation. We should attract manufacturing for key components and assembly of small modular nuclear reactors and expedite permitting and regulatory approvals for their rapid deployment within Mississippi. If we can be bold to position ourselves at the front of that wave, Mississippi industry and families will enjoy the rewards for many generations.

And of course my ambition is that this spirit of innovation and pride will carry over into our work in state government. We must transform the way our work is done inside the halls of government. We must unlock the potential that new technologies provide for us to do more with less. We need to reduce the bureaucratic measures that make it impossible for innovation to occur. We have so many layers of red tape between the scoping of a project and implementation that state employees are beleaguered and disillusioned. They have nearly given up on innovation, because our system seems designed to discourage it. We must reform the processes for procuring new technologies or risk falling behind. The economy for public sector technology is robust and competitive. We should do everything in our power to take full advantage of the reduction in cost and improved services to be better for our customers – the people of Mississippi.

I call for the creation of a task force whose goal is to improve technology within and across state government. By improving technology and ensuring it's implemented in a way that matches actual workflow, we can streamline processes at agencies, reduce the time it takes to complete tasks, share information more easily, and provide more efficient, effective services for Mississippians.

At the end of the day, that's who all this work is for. We're all here in this grand building, with all this tradition and ceremony, but we cannot do this for ourselves. That would be a sorry mission. We do all this for the people who selected us for this work. And at the end of the day, they demand only a few things from us.

First, they demand the lowest possible burden on them. That means committing to interfering with their lives as little as possible. We must not convince ourselves that we can solve everyone's problems, because we know that every intervention in our systems causes countless other ripples. We must be prudent and cautious. We must demand low taxes and regulations. I renew my call to ensure the tax burden on Mississippians is as low as we can possibly afford. Their money circulating in their towns will do more than any additional government program ever could.

And finally, they demand that we provide for safety – law and order. They have entrusted to us a monopoly on force. Our law enforcement officers have to run our streets, not those who use force for brute power or personal gain. That is why we must invest in our public safety efforts and use our resources strategically.

Earlier this month, I was proud to stand alongside our state, local and federal law enforcement partners as we announced Operation Unified – an initiative whose goal is to root out drug traffickers and violent criminals in Jackson.

Working together, we are sending a message to those looking to harm others that their actions will not be tolerated. Together, we are showing criminals that Mississippi will never rest until they are brought to justice and behind bars.

Our law enforcement officers are already making significant progress. To date, Operation Unified has taken 360 criminals off the streets, and we've seized 162 firearms and over 34,000 grams in illegal drugs - including fentanyl, meth, and cocaine.

Our law enforcement officers are true heroes and none of this would be possible without them. They are putting themselves in harm's way every single day to keep us safe, and together, I know we can make real progress in delivering the safety and protection Jacksonians deserve. I'm proud of their work, and I know you'll support them throughout this important mission and beyond.

Ultimately, if we handle these fundamentals, I know that the people of Mississippi will have cause to say we've done our jobs well. We are at our best when we focus on achieving those basic tasks that have been given to us. And then as we achieve those, we can lift our eyes to see what private industry can achieve when we remove roadblocks. We are at our worst when we obsess over divisions. Disagreement and pointed debate is necessary. Then we move forward into our bold, ambitious future. We embrace Mississippi's momentum. We carry ourselves with pride and make America's goods here.

I would like to leave you with a bold challenge. It's bold because it is simple and in politics, the simple things are often the hardest to do.

When we were all sworn in last month, we had a great spirit of bipartisanship. We came together, overwhelmed by our positive feelings toward each other and Mississippi.

I am asking you tonight to put those convictions in action.

Let's do the things that need to be done, that we can get done, together.

Let's work on that list this year.

There will be time to go back to politics and disagreement later. But this year, at this time, with these opportunities, let's come together.

I am proud to be a Mississippian, and proud to work with each of you. I look forward to what we can accomplish over the next four years working together.

God bless Mississippi.

At 5:52 PM on motion of Representative Shanks, the Joint Session was dissolved.

Representatives Shanks and Varner moved that adjournment of the House be in memory of Charlene Harper, which motion prevailed.

Representative Pigott moved that adjournment of the House be in memory of Harlon Graves, and Brandon Todd Sumrall, which motion prevailed.

Representative Morgan moved that adjournment of the House be in memory of James Glynn Fortenberry, Steve Wayne McKenzie, Ted E. Carley, Jr. , and Dennis Rowell, which motion prevailed.

Rep. Currie called up:

H. B. No. 585: "Dignity and Safety for Incarcerated Women Act"; enact.

A committee substitute was adopted.

AMENDMENT NO. 1 BY REPRESENTATIVES CURRIE AND NEWMAN:

AMEND by inserting the following language after line 106 and by renumbering the succeeding section:

"SECTION 7. (1) For purposes of this section, the following terms shall have the meanings ascribed herein:

(a) "Institution of higher education" means any state institution of higher learning or public community or junior college.

(b) "Single-sex educational housing space" means a separate room or area located within an institution of higher education functioning as housing for student residents at an educational institution and designated for use or occupancy only for members of one (1) sex, but excludes common areas designated for use by members of both sexes.

(c) "Public building" means any building, facility or space owned, controlled, operated, rented or leased by, or rented or leased to a public university, public community or junior college and the institutions of higher learning.

(d) "Restroom" means a space designated for multiple individuals at an institution of higher education that includes toilets and/or urinals. This term does not include a unisex restroom.

(f) "Unisex restroom" means a room at an institution of higher education that includes a toilet or urinal and that is intended for a single occupant or a family, is enclosed by floor-to-ceiling walls, and is accessed by a full door with a secure lock that prevents another individual from entering while the room is in use.

(2) Any single-sex education housing space that maintains a restroom shall, at a minimum, have:

(a) A restroom designated for exclusive use by females and a restroom designated for exclusive use by males; or

(b) A unisex restroom.

(3) Any public building that functions as housing for student residents at an institution of higher education shall provide students the option to be housed only in a single-sex educational housing space with persons of the same sex.

(4) Social fraternities and sororities at institutions of higher learning that have and operate single-sex housing facilities located on public land shall comply with the definitions contained within this act for purposes of maintaining such facilities as single sex only.

(5) A person may not enter a single-sex educational housing space, designated for the opposite sex, except under the following circumstances:

(a) To accompany a person of the opposite sex for the purpose of assisting or chaperoning a child under the age of twelve (12), a vulnerable person as defined in Section 43-47-5, or a person with a disability as defined in Section 43-6-203(b);

(b) For law enforcement, fire protection or response, or other public safety purposes;

(c) For governmental purposes, including employees or contractors of governmental entities acting within the scope of their employment or contract;

(d) For the purpose of rendering emergency medical assistance or to intervene in any other emergency situation where the health or safety of another person is at risk;

(e) For custodial, maintenance, or inspection purposes, provided that the restroom or changing facility is not in use;

(f) If the appropriate designated restroom or changing facility is out of order or under repair and the restroom or changing facility designated for the opposite sex contains no person of the opposite sex;

(g) A parent, guardian or sibling of a student living in a single-sex educational housing space to assist in moving or health purposes.

(6) The applicable governmental entity for each public building that is utilized by an institution of higher education for a single-sex educational housing space under its ownership, control or lease shall, within ninety (90) days, establish regulations and disciplinary procedures for any person who willfully enters, for a purpose other than those listed in Section 29-18-15, a single-sex dormitory space designated for the opposite sex on the premises of the public building and refuses to depart when asked to do so by any employee or contractor of the owner, lessee or lessor of the public building.

(7) A person who willfully enters, for a purpose other than those listed in Section 29-18-11, a single-sex dormitory space designated for the opposite sex on the premises of a public building and refuses to depart when asked to do so by an employee or contractor of the owner, lessee or lessor of a public building that is utilized as a single-sex educational housing space commits the offense of trespass as provided in Section 97-17-97.

(8) (a) A person may assert a violation of this act as a claim or defense in a judicial or administrative proceeding and obtain compensatory damages, punitive damages, injunctive relief, declaratory relief, or any other appropriate relief. Such claim may be brought against any applicable governmental entity for each public building that is utilized as a single-sex educational housing space under its ownership, control or lease which caused or contributed to a violation of this act.

(b) Any person under eighteen (18) years of age may bring an action at any time to assert a violation of this act through a parent or next friend and may bring an action in their own name upon reaching the age of eighteen (18) years of age.

(c) Notwithstanding any other provision of law, an action under this act may be commenced, and relief may be granted, in a judicial proceeding without regard to whether the person commencing the action has sought or exhausted available administrative remedies.

(9) In any action or proceeding to enforce a provision of this act, a prevailing party who establishes a violation of this chapter shall recover reasonable attorney's fees.

(10) The Attorney General shall bring an action to enforce compliance with this act. This act shall not be construed to deny, impair, or otherwise affect any right or authority of the Attorney General, the State of Mississippi, or any agency, officer, or employee of the state, acting under any law other than this act, to institute or intervene in any proceeding.

(11) Any provision of this section is held to be invalid or unenforceable by its terms, or as applied to any person or circumstance, shall be construed so as to give it the maximum effect permitted by law, unless such holding shall be one of utter invalidity or unenforceability, in which event such provision shall be deemed severable herefrom

and shall not affect the remainder hereof or the application of such provision to other persons not similarly situated or to other, dissimilar circumstances."

AMEND further the title on line 13 by inserting the following language after the semicolon:

"TO REGULATE PUBLIC STUDENT HOUSING FOR SINGLE-SEX EDUCATIONAL HOUSING; TO REGULATE HOW PERSONS ENTER A SINGLE-SEX EDUCATIONAL HOUSING SPACE; TO REQUIRE GOVERNMENTAL ENTITIES TO ESTABLISH CERTAIN REGULATIONS WITH CERTAIN DISCIPLINARY PROCEDURES ; TO PROVIDE THAT A PERSON WHO WILLFULLY ENTERS A SINGLE-SEX EDUCATIONAL HOUSING SPACE, WHEN SUCH ENTRANCE IS PROHIBITED, SHALL BE COMMITTING THE OFFENSE OF TRESPASS; TO AUTHORIZE ASSERTION OF A VIOLATION OF THIS ACT; TO AUTHORIZE THE ATTORNEY GENERAL TO BRING ACTION UNDER CERTAIN CIRCUMSTANCES;"

Rep. Currie called up:

H. B. No. 755: Parole; extend repealer on statute prescribing conditions for eligibility.

AMENDMENT NO. 1 BY REPRESENTATIVE Scott:

AMEND by inserting the following language after line 168 and renumbering the succeeding section:

" SECTION 2. Section 47-7-40, Mississippi Code of 1972, is amended as follows:

47-7-40. (1) The commissioner shall establish rules and regulations for implementing the earned-discharge program that allows offenders on probation and parole to reduce the period of supervision for complying with conditions of probation. Such rules and regulations shall also be established for discharge credits earned pursuant to subsection (7) of this section. The department shall have the authority to award

earned-discharge credits to all offenders placed on probation, parole, or post-release supervision who are in compliance with the terms and conditions of supervision. An offender serving a Mississippi sentence for an eligible offense in any jurisdiction under the Interstate Compact for Adult Offender Supervision shall be eligible for earned-discharge credits under this section. Offenders shall not be denied earned-discharge credits solely based on nonpayment of fees or fines if a hardship waiver has been granted as provided in Section 47-7-49.

(2) In addition to the deduction allowed under subsection (7) of this section, for each full calendar month of compliance with the conditions of supervision, earned-discharge credits equal to the number of days in that month shall be deducted from the offender's sentence discharge date. Credits begin to accrue for eligible offenders after the first full calendar month of compliance supervision conditions. For the purposes of this section, an offender is deemed to be in compliance with the conditions of supervision if there was no violation of the conditions of supervision.

(3) No earned-discharge credits may accrue for a calendar month in which a violation report has been submitted, the offender has absconded from supervision, the offender is serving a term of imprisonment in a technical violation center, or for the months between the submission of the violation report and the final action on the violation report by the court or the board.

(4) Earned-discharge credits shall be applied to the sentence within thirty (30) days of the end of the month in which the credits were earned. At least every six (6) months, an offender who is serving a sentence eligible for earned-discharge credits shall be notified of the current sentence discharge date.

(5) Once the combination of time served on probation, parole or post-release supervision, and earned-discharge credits satisfy the term of probation, parole, or post-release supervision, the board or sentencing court shall order final discharge of the offender. No less than sixty (60) days prior to the date of final discharge, the department shall notify the sentencing court and the board of the impending discharge.

(6) The department shall provide semiannually to the Oversight Task Force the number and percentage of offenders who qualify for earned discharge in one or more months of the year and the average amount of credits earned within the year.

(7) (a) From and after July 1, 2024, any offender who is on probation and parole, which includes the intensive supervision program, may have his or her placement on probation and parole or intensive supervision, as the case maybe, reduced by participating in faith-based activities or faith-based sponsored activities. An offender may be awarded thirty (30) days' reduction of supervision for each thirty (30) days of participation in a faith-based activity or faith-based sponsored activity.

(b) An offender who earns earned-discharge credit pursuant to this section must have a designated leader of the faith-based entity where the offender is participating in the faith-based activity or faith-based sponsored activity to provide a monthly report by the 15th day of the month following the offender's participation in the faith-based activity. Such report must be provided to the community service division of the Department of Corrections who may apply the earned-discharged credits in the time provided under subsection (4) of this section. The department shall provide the time sheets necessary to be made available at the local parole office. The time sheets include the name of the participant, MDOC number, criminal cause number, date of participation in activities and any other pertinent information needed to effectuate the process."

AMEND further the title to conform.

A committee substitute was adopted.

AMENDMENT NO. 1 BY REPRESENTATIVE Bell D:

AMEND by inserting the following language after line 164 and renumbering the succeeding sections:

" SECTION 4. (1) Within the limits of the funds available to the Mississippi Department of Rehabilitation Services for such purpose, the Executive Director may grant a paid internship to students pursuing junior or senior undergraduate-level year coursework toward a bachelor's degree in a program that qualifies the individual to qualify to become a rehabilitation specialist or a benefit program specialist within the Mississippi Department of Rehabilitation Services. Those applicants deemed qualified shall receive funds that may be used to pay for tuition, books and related fees to pursue their degree. It is the intent of the Legislature that the paid internship program (hereinafter referred to as the "program") shall be used as an incentive for students to develop job-related skills and to encourage careers as rehabilitation specialists or benefits programs specialists at the Mississippi Department of Rehabilitation Services. (2) In order to be eligible for the program, an applicant must:

(a) Attend any college or school approved and designated by the Mississippi Department of Rehabilitation Services.

(b) Have successfully obtained a minimum of fifty-eight (58) semester hours toward a bachelor's degree in an eligible field as determined by the Mississippi Department of Rehabilitation Services from a Mississippi institution of higher learning. Applicants must have achieved a minimum Grade Point Average (GPA) on these semester hours of 3.0 on a 4.0 scale. If accepted into the internship program,

participants shall maintain a minimum cumulative GPA of 3.0 on a 4.0 scale in all coursework counted toward a bachelor's degree in an eligible field as determined by the Mississippi Department of Rehabilitation Services.

(c) Work at least a total of three hundred (300) hours each summer at a Mississippi Department of Rehabilitation Services' (MDRS) offices that is mutually agreed upon between MDRS and the respective intern.

(d) Agree to work as a rehabilitation specialist or a benefit program specialist at the Mississippi Department of Rehabilitation Services upon graduation for a period of time equivalent to one (1) year for each semester the Mississippi Department of Rehabilitation Services remits payment for tuition, books and/or related fees towards a bachelors degree in an eligible field as determined by the Mississippi Department of Rehabilitation Services.

(3) (a) Before being placed into the program, each applicant shall enter into a contract with the Mississippi Department of Rehabilitation Services, which shall be deemed a contract with the State of Mississippi, agreeing to the terms and conditions upon which the internship shall be granted to him or her. The contract shall include such terms and provisions necessary to carry out the full purpose and intent of this section. The form of such contract shall be prepared and approved by the Attorney General of this state, and shall be signed by the Executive Director of the Mississippi Department of Rehabilitation Services and the participant.

(b) Upon entry into the program, participants will become employees of the Mississippi Department of Rehabilitation Services during their time in the program and shall be eligible for benefits such as medical insurance paid by the agency for the participant; however, in accordance with Section 25-11-105II.(b), those participants shall not become members of the Public Employees' Retirement System while participating in the program. Participants shall not accrue personal or major medical leave while they are in the program.

(c) The Mississippi Department of Rehabilitation Services shall have the authority to cancel any contract made between it and any program participant upon such cause being deemed sufficient by the Executive Director of the Mississippi Department of Rehabilitation Services.

(d) The Mississippi Department of Rehabilitation Services is vested with full and complete authority and power to sue in its own name any participant for any damages due the state on any such uncompleted contract, which suit shall be filed and handled by the Attorney General of the state. The Mississippi Department of Rehabilitation Services may contract with a collection agency or banking institution, subject to approval by the Attorney General, for collection of any damages due the state from any participant. The State of Mississippi, the Mississippi Department of Rehabilitation Services and its employees are immune from any suit brought in law or equity for actions taken by the collection agency or banking institution incidental to or arising from their performance under the contract. The Mississippi Department of Rehabilitation Services, collection agency and banking institution may negotiate for the payment of a sum that is less than full payment in order to satisfy any damages the participant owes the state, subject to approval by the Executive Director of the Mississippi Department of Rehabilitation Services.

(4) (a) Any recipient who is accepted into the program by the Mississippi Department of Rehabilitation Services and who fails to complete undergraduate level coursework toward an approved degree, or withdraws from school at any time before completing his or her education, shall be liable to repay the Mississippi Department of Rehabilitation Services for all monies received during the time the recipient was in the program, at the rate of pay received by the employee while in the program, including benefits paid by the agency for the participant, and monies received for tuition, books and related fees used to pursue their degree with interest accruing at ten percent (10%) per annum from the date the recipient failed or withdrew from school. The recipient also shall not be liable for repayment for any money earned during the required summer hours. This money shall be considered earned by the recipient at the federal minimum wage rate.

(b) All paid internship compensation received by the recipient while in school shall be considered earned conditioned upon the fulfillment of the terms and obligations of the paid internship contract and this section. However, no recipient of the paid

internship shall accrue personal or major medical leave while the recipient is pursuing junior or senior undergraduate-level year coursework toward a bachelor's degree in a program that qualifies the individual to qualify to become a rehabilitation specialist or a benefit program specialist within the Mississippi Department of Rehabilitation Services. The recipient shall not be liable for liquidated damages.

(c) If the recipient does not work as a rehabilitation specialist or a benefit program specialist at the Mississippi Department of Rehabilitation Services for the period required under subsection (2)(d) of this section, the recipient shall be liable for repayment on demand of the remaining portion of the compensation that the recipient was paid while in the program which has not been unconditionally earned, with interest accruing at ten percent (10%) per annum from the recipient's date of graduation or the date that the recipient last worked at the Mississippi Department of Rehabilitation Services, whichever is the later date."

AMEND further the title to conform.

Rep. Roberson called up:

H. B. No. 765: MS Critical Teacher Shortage Act; extend repealer on.

AMENDMENT NO. 1 BY REPRESENTATIVES MCCARTY AND ROBERSON:

Amend after line 276 by inserting the following:

"SECTION 9. Section 37-106-36, Mississippi Code of 1972, is amended as follows:
37-106-36. (1) There is established the "William F. Winter and Jack Reed, Sr., Teacher Loan Repayment Program."

(2) Subject to the availability of funds, an eligible applicant for an initial award must have:

(a) Graduated from a baccalaureate degree-granting institution of higher learning which is regionally accredited by the Southern Association of Colleges and Schools (SACS) or a comparable accreditation body;

(b) Signed a contract as a full-time * * * teacher in a public school district in Mississippi;

(c) Obtained a standard five-year license or nontraditional five-year alternate route license. Persons with provisional emergency licenses shall not be eligible applicants; and

(d) Outstanding qualifying undergraduate or graduate educational loans, which may include the principal, interest and related expenses such as the required interest premium on the unpaid balances of government and commercial loans obtained by the recipient for undergraduate or graduate educational expense.

(3) Persons who have received funds from other forgivable loan programs established for teachers under Mississippi law, or who are presently in default or delinquent on any federal, state, local or commercial qualifying educational loan, shall not be eligible for this program.

(4) Provided that initial recipients remain eligible under the provisions of subsection (2) of this section, they may retain eligibility for two (2) additional awards, subject to the availability of funds.

(**5) Initial recipients shall be selected on a first-come, first-served basis of all eligible applicants, *** subject to the availability of funds. In the second and *** third years of an applicant's continued eligibility, priority consideration shall first be given to renewal applicants. *** The Mississippi Postsecondary Education Financial Assistance Board shall develop rules for ensuring that expenses of the program in a fiscal year do not exceed funding for the program in that fiscal year. For that purpose, and any other provisions of this section to the contrary notwithstanding, the Mississippi Postsecondary Education Financial Assistance Board may limit the acceptance of applications and may limit the number of awards.

(**6) Among *** teacher recipients, priority consideration shall be given to persons who are teaching in a public school district designated as a geographical critical teacher shortage area by the State Board of Education.

(**7) Awards for recipients who have signed a contract to teach in a public school district that is not designated as a geographical critical teacher shortage area shall be as follows:

(a) One Thousand Five Hundred Dollars (\$1,500.00) for the *** initial award;

(b) Two Thousand Five Hundred Dollars (\$2,500.00) for the second *** award; and

(c) Three Thousand Five Hundred Dollars (\$3,500.00) for the third *** award.

(**8) Awards for recipients who have signed a contract to teach in a public school district that is designated as a geographical critical teacher shortage area shall be as follows:

(a) Four Thousand Dollars (\$4,000.00) for the *** initial award;

(b) Five Thousand Dollars (\$5,000.00) for the second *** award, provided the recipient continues to teach in the same public school district or another public school district designated a geographical shortage area by the State Board of Education; and

(c) Six Thousand Dollars (\$6,000.00) for the third *** award, provided the recipient continues to teach in the same public school district or another public school district designated a geographical shortage area by the State Board of Education.

(**9) *** An initial recipient who moves to another public school district shall be eligible to receive an award based on the amount allowed under the program in the new district where the teacher is employed.

(**10) Awards shall be granted on a year-to-year basis, and recipients shall have no obligation to seek a future award.

(**11) Awards shall be paid annually, after the expiration of the one-year teaching contract for which the award was granted, to the recipient's lender or loan service provider, and shall be applied to the outstanding balance. Monies paid on the recipient's behalf toward qualifying undergraduate or graduate educational loans prior to receiving payment of the award shall not be eligible for repayment through the program.

(**12) During the teaching year for which the award is granted, a recipient must at all times keep the *** Mississippi Postsecondary Education Financial Assistance Board informed of any changes to the recipient's current contact information and employment status.

(**13) Recipients who fail to maintain a standard or nontraditional license or fail to fulfill the one-year teaching contract on which the award was based shall forfeit any right to the award.

(**14) The *** Mississippi Postsecondary Education Financial Assistance Board, in collaboration with the State Board of Education, shall track recipients of an award under this program through their *** fourth year after receiving their initial award, unless the recipient shall leave teaching in a public school district at an earlier date. Data collected

shall include recipients' undergraduate or graduate institution, school district, subject area/grade level in teaching and any other pertinent information necessary to determine the efficacy of the program in retaining teachers * * *.

(* * *15) The * * * Mississippi Postsecondary Education Financial Assistance Board shall promulgate regulations necessary for the proper administration of this section, including rules for ensuring that expenses of the program in a fiscal year do not exceed funding for the program in that fiscal year.

(* * *16) There is established in the State Treasury a special fund to be designated the "William F. Winter and Jack Reed, Sr., Loan Repayment Program Fund," into which shall be deposited those funds appropriated by the Legislature, and any other funds that may be made available, for the purpose of implementing the loan repayment program established herein. Money in the fund at the end of the fiscal year shall not lapse into the General Fund, and interest earned on any amounts deposited into the fund shall be credited to the special fund.

* * *

Further, amend by renumbering the succeeding section accordingly.

Further, amend the title to conform, by inserting the following after the semicolon on line 10:

"TO AMEND SECTION 37 106 36, MISSISSIPPI CODE OF 1972, TO REVISE PROVISIONS OF THE "WILLIAM F. WINTER AND JACK REED, SR., TEACHER LOAN REPAYMENT PROGRAM" FOR THE PURPOSE OF ALLOWING INDIVIDUALS PURSUING AN ALTERNATE ROUTE LICENSURE PATHWAY TO BECOME ELIGIBLE TO RECEIVE FINANCIAL ASSISTANCE UNDER THE PROGRAM; TO REMOVE THE CAP ON THE NUMBER OF APPLICANTS ELIGIBLE TO RECEIVE ASSISTANCE UNDER THE PROGRAM IN ANY FISCAL YEAR;"

Rep. Wallace called up:

H. C. R. No. 23: Constitution; amend to provide that only citizens of the United States are allowed the opportunity to vote.

A committee substitute was adopted.

AMENDMENT NO. 1 BY REPRESENTATIVE Burch:

AMEND on line 21 after the word embezzlement by inserting the following words: ", sexual battery, human trafficking".

AMEND further on line 35 after the word "vote" by inserting the following language: ", and adds sexual battery and human trafficking as disenfranchising crimes".

AMEND further the title to conform.

POINT OF ORDER

A written point of order was raised by Representative Clark as follows:

Amendment No. 1 by Rep. Burch is not germane. House Rule 35 to be germane, the fundamental purpose of the amendment must relate to the fundamental purpose of the bill. The fact that the disenfranchising crimes are located in the same articles not enough to make the amendment germane. The bill deals with non U.S. citizens not being allowed to vote. This amendment deals with disenfranchising crimes. See Speaker's Ruling HB No. 645 on 2/7/ 2017 and Speaker's Ruling on 2/8/2006.

The bill was set aside pending a Speaker's Ruling.

At 11:28 AM on motion of Rep. Shanks the House recessed until 1:00 PM.

At 1:05 PM the House met pursuant to recess, Speaker White in the Chair. A quorum was present.

Pending at the time was a Speaker's Ruling on a point of order by REPRESENTATIVE Clark.

The Speaker ruled the point of order well taken.

SPEAKER'S RULING

(House Concurrent Resolution No. 23 - Germaneness)

The Gentleman from Holmes, Mr. Clark, made the point of order that Amendment No.1 to the committee substitute for House Concurrent Resolution 23, offered by the Gentleman from Greene, Mr. Burch, was not germane to the committee substitute.

The committee substitute for HCR 23 seeks to provide that only citizens of the United States are allowed the opportunity to vote, and that is the fundamental purpose of the committee substitute. The amendment seeks to add the crimes of "sexual battery" and "human trafficking" to the list of disenfranchising crimes.

In order to be germane, an amendment must relate to the subject matter under consideration, and the fundamental purpose of the amendment must relate to the fundamental purpose of the bill or resolution. (See Speaker's Ruling, February 8, 2006) An additional principle in determining germaneness of an amendment is that one individual proposition may not be amended by another individual proposition even though the two may belong to the same class. (See Speaker's Rulings, March 11, 1996 and February 8, 2006).

While both the committee substitute and the amendment address the right to vote, one focuses on citizenship and the other expands the list of disenfranchising crimes. While they amend the same constitutional section, that fact is not enough to make the amendment germane to the committee substitute. For this reason, the amendment is not germane to the committee substitute, and the point of order is well taken.

Rep. Rosebud moved to table, which motion lost.

YEAS AND NAYS. The yeas and nays being taken on H.C. 23 was adopted by the following vote:

Rep. Roberson called up:

H. B. No. 867: Student transfers; remove requirement for current district of attendance to approve release.

A committee substitute was adopted.

AMENDMENT NO. 1 BY REPRESENTATIVE Owen:

Amend by striking SECTION 1 in its entirety on lines 17 through 26.

Further, amend by renumbering the succeeding sections accordingly.

Further, amend on line 30 by striking "(5)" and inserting, in lieu thereof: "(6)".

Further, amend after line 65 by inserting the following:

(f) The provisions of this subsection (2) of this section shall not apply to school-age children whose parent(s) or legal guardian(s) are active members of the United States Armed Forces complying with subsection (6) of this section.

(g) Athletic eligibility for a school-age child who transfers to another school or school district pursuant to this subsection shall be determined based on the child's fall semester enrollment. A child shall be athletically eligible for one (1) school per school year. A child may transfer to another school mid-year; however, that child shall not be athletically eligible until the following fall school year. A child shall not be deemed

athletically ineligible, thus ruled ineligible for any length of time, based upon a transfer of schools, so long as the provisions in this section are followed.

Further, amend by striking subsection (4) in its entirety on lines 171 through 179.

Further, amend on line 180 by striking "5" and inserting, in lieu thereof: "* * * 4".

Further, amend on line 190 and inserting the following after the period:

". The parent or guardian of a child enrolling in a school district in excess of thirty (30) miles of his or her residence shall be responsible for transportation of the child to and from school.

(b) A child whose parent(s) or legal guardian(s) are active members of the United States Armed Forces complies with the residency requirements for school attendance, if he or she resides in the State of Mississippi or if the pupil otherwise complies with Section 37-15-30.

(c) Any school district which accepts a child under the provisions of this subsection shall not assess any tuition fees upon such transferring child.

(d) Any transfer of out-of-state children of military families to this state shall be governed in accordance with Section 37-135-31 as applicable.

(5) The sibling(s) of any child lawfully transferred in accordance with this section, may also, at the discretion of their parent(s) or legal guardian(s), enroll and attend school in the transferee school district, subject to the provisions of this act.

(6) The provisions of this section shall not supersede any provision of an enforceable desegregation court order or a court-approved desegregation plan. A school district may declare an exemption from the requirements of this section if the district is subject to such an order or desegregation plan, or if the district is subject to a settlement agreement to remedy past segregation. Such an exemption is irrevocable for one (1) year from the date the district gives notice the State Department of Education."

Further, amend the title to conform.

ADOPTED

Representative Roberson called up the motion to reconsider the vote whereby **H. B. No. 867**: (Student transfers; remove requirement for current district of attendance to approve release.) passed, and moved to reconsider for purposes of an amendment, which motion prevailed.

AMENDMENT NO. 1 TO AMENDMENT NO. 1 BY REPRESENTATIVES CLARK AND SCOTT:

AMEND on lines 49-55 delete all of the language after the period.

ADOPTED

AMENDMENT NO. 2 BY REPRESENTATIVE Clark:

AMEND on line 138 after the period and insert the following: "Receiving district shall report to Mississippi Department of Education name, grade, GPA, gender and ethnicity of each student they receive.. The Department of Education shall report this information of each district to each member of the legislature each year."

ADOPTED

AMENDMENT NO. 3 BY REPRESENTATIVE Holloway G:

Amend after line 138 by inserting the following:

"(5) For students transferring to a school located in a school district in which the student does not reside, the State Department of Education shall pay to the transferee school district (receiving school district) to which the student is transferred an amount as

follows: the pro rata ad valorem receipts and in-lieu payments per pupil for the support of the local school district in which the student resides under Sections 37-57-1 (local contribution to the adequate education program) and 37-57-105 (school district operational levy), not including any taxes levied for the retirement of the school district of residence's bonded indebtedness or short-term notes or any taxes levied for the support of vocational-technical education programs. The amount of funds payable to the receiving school district by the transferor school district of residence, must be based on the previous year's enrollment data and ad valorem receipts and in-lieu receipts of the local school district in which the student resides. The pro rata amount must be calculated by dividing the local school district of residence's months one (1) through nine (9) average daily membership into the total amount of ad valorem receipts and in-lieu receipts, as reported to the State Department of Education by the transferor local school district. The State Department of Education shall reduce the school district's January transfer of Mississippi Adequate Education Program funds, or any subsequent funding program which replaces MAEP, by the amount owed to the receiving school district and shall redirect that amount to the receiving school district. Any such payments made under this subsection (5) by the State Department of Education to a receiving school district must be made two (2) business days prior to the last working day of each month there shall be paid to a receiving school district, by electronic funds transfer, one-twelfth (1/12) of the funds to which the receiving school district is entitled from funds appropriated for the adequate education program fund, or any subsequent funding program which replaces such program fund, for each child transferred to such school district under the authority of this section. However, in December those payments shall be made on December 15th or the next business day after that date. If a student transfer occurs after the start date of the scholastic year, the department shall not make any distribution of payments to the receiving school district until such time that the receiving school district certifies the enrollment of the transfer student to the department, which shall then only make payments to the receiving school district for such student for the remainder of the scholastic year as a proportionate share of the one-twelfth (1/12) of funds to which the receiving school district is entitled."

Further, amend the title to conform as follows online 13, by inserting the following after the semicolon:

"TO PROVIDE FOR THE ALLOCATION AND DISBURSEMENT OF FUNDS TO A RECEIVING SCHOOL DISTRICT UPON THE COMPLETION AND CERTIFICATION OF A STUDENT TRANSFER REQUEST;".

Rep. Yancey called up:

H. B. No. 1303: Fresh Start Act; revise certain provisions of.

AMENDMENT NO. 1 BY COMMITTEE:

AMEND title on lines 6 and 13 by deleting the following: "73-15-29, 73-3-339, 73-15-19 and 73-15-21".

AMEND title further on line 28 after the semicolon by inserting the following: "TO BRING FORWARD SECTIONS 73-15-29, 73-3-339, 73-15-19 AND 73-15-21, FOR PURPOSES OF AMENDMENT;"

AMEND further on line 50 by inserting "(1)" behind the "73-77-5".

AMEND further on line 56 by inserting the following: "The provisions of this act shall not apply to the admission or reinstatement of any person to The Mississippi Bar as an attorney in good standing authorized to practice law.

(2) The provisions of this act shall not apply to the provisions of the Nurse Licensure Compact in Section 73-15-201."

AMEND further by inserting the following after line 84: "Nothing in this section shall preclude any board, commission or other licensing entity from granting licenses to individuals convicted of disqualifying convictions, after considering the factors listed under this subsection (2)."

AMEND further on line 91 by inserting the following:

" (* * *5) The provisions of this act shall not apply to the admission or reinstatement of any person to The Mississippi Bar as an attorney in good standing authorized to practice law.

(6) The provisions of this act shall not apply to the provisions of the Nurse Licensure Compact in Section 73-15-201."

AMEND further on line 129 and 130 by deleting all underlined language and inserting in lieu thereof, the following: "This section shall not apply to the admission or reinstatement of any person to The Mississippi Bar as an attorney in good standing authorized to practice law.

(7) The provisions of this act shall not apply to the provisions of the Nurse Licensure Compact in Section 73-15-201."

AMEND FURTHER on line 504 by deleting Section 10 in its entirety and inserting in lieu thereof:

"SECTION 10. Section 73-3-339, Mississippi Code of 1972, is brought forward as follows:

73-3-339. Whenever any attorney subject to the disciplinary jurisdiction of the court shall be convicted in any state court or in any federal court, or enter a plea of guilty or a plea of nolo contendere therein, of any felony other than manslaughter or any violation of the United States Internal Revenue Code, or of any offense involving fraud, dishonesty, misrepresentation, deceit, failure to account for money or property of a client, or of any offense involving moral turpitude, a certified copy of the judgment of conviction shall be presented to the court by the Board of Commissioners. Upon the presentation of such certified copy of judgment, the court shall forthwith strike the name of the attorney so convicted or who entered such a plea from the rolls of The Mississippi Bar and order his immediate suspension from practice, pending an appeal and final disposition of disciplinary proceedings. Such attorney will be reinstated immediately upon the reversal of his conviction for the offense that has resulted in his automatic suspension, but such reinstatement shall not terminate any disciplinary proceeding then pending against the attorney.

A certified copy of the final judgment of conviction of an attorney for any offense hereinabove specified shall be conclusive evidence of his guilt of that offense in any disciplinary proceeding instituted against him and based on said conviction.

Upon the conviction of an attorney, or the entry by him of a plea of nolo contendere, for the above offenses, excluding manslaughter or any violation of the United States Internal Revenue Code, the Board of Commissioners shall immediately direct complaint counsel to institute a disciplinary proceeding in which the sole issue to be determined will be the extent of the final discipline to be imposed; provided, however, a disciplinary proceeding so instituted shall not be brought to hearing until all appeals from such conviction have been concluded.

The judge of any court within this state in which an attorney has been convicted for any of the above enumerated offenses shall cause to be transmitted to the court and to the Board of Commissioners a certified copy of the judgment of conviction."

AMEND further on line 1068, 5251 and 5402 by deleting Sections 73-15-29, 73-15-19 and 73-15-21 and inserting lieu thereof the following:

"SECTION 14. Section 73-15-29, Mississippi Code of 1972, is brought forward as follows:

73-15-29. (1) The board shall have power to revoke, suspend or refuse to renew any license issued by the board, or to revoke or suspend any privilege to practice, or to deny an application for a license, or to fine, place on probation and/or discipline a licensee, in any manner specified in this article, upon proof that such person:

(a) Has committed fraud or deceit in securing or attempting to secure such license;

(b) Has been convicted of a felony, or a crime involving moral turpitude or has had accepted by a court a plea of nolo contendere to a felony or a crime involving moral turpitude (a certified copy of the judgment of the court of competent jurisdiction of such conviction or pleas shall be prima facie evidence of such conviction);

(c) Has negligently or willfully acted in a manner inconsistent with the health or safety of the persons under the licensee's care;

(d) Has had a license or privilege to practice as a registered nurse or a licensed practical nurse suspended or revoked in any jurisdiction, has voluntarily surrendered such license or privilege to practice in any jurisdiction, has been placed on probation as a registered nurse or licensed practical nurse in any jurisdiction or has been placed under a disciplinary order(s) in any manner as a registered nurse or licensed practical nurse in any jurisdiction, (a certified copy of the order of suspension, revocation, probation or disciplinary action shall be prima facie evidence of such action);

(e) Has negligently or willfully practiced nursing in a manner that fails to meet generally accepted standards of such nursing practice;

(f) Has negligently or willfully violated any order, rule or regulation of the board pertaining to nursing practice or licensure;

(g) Has falsified or in a repeatedly negligent manner made incorrect entries or failed to make essential entries on records;

(h) Is addicted to or dependent on alcohol or other habit-forming drugs or is a habitual user of narcotics, barbiturates, amphetamines, hallucinogens, or other drugs having similar effect, or has misappropriated any medication;

(i) Has a physical, mental or emotional condition that renders the licensee unable to perform nursing services or duties with reasonable skill and safety;

(j) Has engaged in any other conduct, whether of the same or of a different character from that specified in this article, that would constitute a crime as defined in Title 97 of the Mississippi Code of 1972, as now or hereafter amended, and that relates to such person's employment as a registered nurse or licensed practical nurse;

(k) Engages in conduct likely to deceive, defraud or harm the public;

(l) Engages in any unprofessional conduct as identified by the board in its rules;

(m) Has violated any provision of this article;

(n) Violation(s) of the provisions of Sections 41-121-1 through 41-121-9 relating to deceptive advertisement by health care practitioners. This paragraph shall stand repealed on July 1, 2025; or

(o) Violation(s) of any provision of Title 41, Chapter 141, Mississippi Code of 1972.

(2) When the board finds any person unqualified because of any of the grounds set forth in subsection (1) of this section, it may enter an order imposing one or more of the following penalties:

- (a) Denying application for a license or other authorization to practice nursing or practical nursing;
- (b) Administering a reprimand;
- (c) Suspending or restricting the license or other authorization to practice as a registered nurse or licensed practical nurse for up to two (2) years without review;
- (d) Revoking the license or other authorization to practice nursing or practical nursing;
- (e) Requiring the discipline to submit to care, counseling or treatment by persons and/or agencies approved or designated by the board as a condition for initial, continued or renewed licensure or other authorization to practice nursing or practical nursing;
- (f) Requiring the discipline to participate in a program of education prescribed by the board as a condition for initial, continued or renewed licensure or other authorization to practice;
- (g) Requiring the discipline to practice under the supervision of a registered nurse for a specified period of time; or
- (h) Imposing a fine not to exceed Five Hundred Dollars (\$500.00).

(3) In addition to the grounds specified in subsection (1) of this section, the board shall be authorized to suspend the license or privilege to practice of any licensee for being out of compliance with an order for support, as defined in Section 93-11-153. The procedure for suspension of a license or privilege to practice for being out of compliance with an order for support, and the procedure for the reissuance or reinstatement of a license or privilege to practice suspended for that purpose, and the payment of any fees for the reissuance or reinstatement of a license or privilege to practice suspended for that purpose, shall be governed by Section 93-11-157 or 93-11-163, as the case may be. If there is any conflict between any provision of Section 93-11-157 or 93-11-163 and any provision of this article, the provisions of Section 93-11-157 or 93-11-163, as the case may be, shall control.

(4) If the public health, safety or welfare imperatively requires emergency action and the board incorporates a finding to that effect in an order, the board may order summary suspension of a license pending proceedings for revocation or other action. These proceedings shall be promptly instituted and determined by the board.

(5) The board may establish by rule an alternative to discipline program for licensees who have an impairment as a result of substance abuse or a mental health condition, which program shall include at least the following components:

- (a) Participation in the program is voluntary with the licensee, and the licensee must enter the program before the board holds a disciplinary action hearing regarding the licensee;
- (b) The full cost of participation in the program, including the cost of any care, counseling, treatment and/or education received by the licensee, shall be borne by the licensee;
- (c) All of the procedures and records regarding the licensee's participation in the program shall be confidential, shall not be disclosed and shall be exempt from the provisions of the Mississippi Public Records Act of 1983; and
- (d) A licensee may not participate in the program more often than one (1) time during any period of five (5) years or such longer period as set by the board.

(6) A nurse practitioner who provides a written certification as authorized under the Mississippi Medical Cannabis Act and in compliance with rules and regulations adopted thereunder shall not be subject to any disciplinary action under this section solely due to providing the written certification.

SECTION 57. Section 73-15-19, Mississippi Code of 1972, is brought forward as follows:

73-15-19. (1) Registered nurse applicant qualifications. Any applicant for a license to practice as a registered nurse shall submit to the board:

- (a) An attested written application on a Board of Nursing form;

(b) Written official evidence of completion of a nursing program approved by the Board of Trustees of State Institutions of Higher Learning, or one approved by a legal accrediting agency of another state, territory or possession of the United States, the District of Columbia, or a foreign country which is satisfactory to this board;

(c) Evidence of competence in English related to nursing, provided the first language is not English;

(d) Any other official records required by the board.

In addition to the requirements specified in paragraphs (a) through (d) of this subsection, in order to qualify for a license to practice as a registered nurse, an applicant must have successfully been cleared for licensure through an investigation that shall consist of a determination as to good moral character and verification that the prospective licensee is not guilty of or in violation of any statutory ground for denial of licensure as set forth in Section 73-15-29 or guilty of any offense specified in Section 73-15-33. To assist the board in conducting its licensure investigation, all applicants shall undergo a fingerprint-based criminal history records check of the Mississippi central criminal database and the Federal Bureau of Investigation criminal history database. Each applicant shall submit a full set of his or her fingerprints in a form and manner prescribed by the board, which shall be forwarded to the Mississippi Department of Public Safety (department) and the Federal Bureau of Investigation Identification Division for this purpose.

Any and all state or national criminal history records information obtained by the board that is not already a matter of public record shall be deemed nonpublic and confidential information restricted to the exclusive use of the board, its members, officers, investigators, agents and attorneys in evaluating the applicant's eligibility or disqualification for licensure, and shall be exempt from the Mississippi Public Records Act of 1983. Except when introduced into evidence in a hearing before the board to determine licensure, no such information or records related thereto shall, except with the written consent of the applicant or by order of a court of competent jurisdiction, be released or otherwise disclosed by the board to any other person or agency.

The board shall provide to the department the fingerprints of the applicant, any additional information that may be required by the department, and a form signed by the applicant consenting to the check of the criminal records and to the use of the fingerprints and other identifying information required by the state or national repositories.

The board shall charge and collect from the applicant, in addition to all other applicable fees and costs, such amount as may be incurred by the board in requesting and obtaining state and national criminal history records information on the applicant.

The board may, in its discretion, refuse to accept the application of any person who has been convicted of a criminal offense under any provision of Title 97 of the Mississippi Code of 1972, as now or hereafter amended, or any provision of this article.

(2) Licensure by examination. (a) Upon the board being satisfied that an applicant for a license as a registered nurse has met the qualifications set forth in subsection (1) of this section, the board shall proceed to examine such applicant in such subjects as the board shall, in its discretion, determine. The subjects in which applicants shall be examined shall be in conformity with curricula in schools of nursing approved by the Board of Trustees of State Institutions of Higher Learning, or one approved by a legal accrediting agency of another state, territory or possession of the United States, the District of Columbia, or a foreign country which is satisfactory to the board.

(b) The applicant shall be required to pass the written examination as selected by the board.

(c) Upon successful completion of such examination, the board shall issue to the applicant a license to practice as a registered nurse.

(d) The board may use any part or all of the state board test pool examination for registered nurse licensure, its successor examination, or any other nationally standardized examination identified by the board in its rules. The passing score shall be established by the board in its rules.

(3) Licensure by endorsement. The board may issue a license to practice nursing as a registered nurse without examination to an applicant who has been duly licensed as a registered nurse under the laws of another state, territory or possession of the United

States, the District of Columbia, or a foreign country if, in the opinion of the board, the applicant meets the qualifications required of licensed registered nurses in this state and has previously achieved the passing score or scores on the licensing examination required by this state, at the time of his or her graduation. The issuance of a license by endorsement to a military-trained applicant, military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1 or 73-50-2, as applicable.

(4) Requirements for rewriting the examination. The board shall establish in its rules the requirements for rewriting the examination for those persons failing the examination on the first writing or subsequent rewriting.

(5) Fee. The applicant applying for a license by examination or by endorsement to practice as a registered nurse shall pay a fee not to exceed One Hundred Dollars (\$100.00) to the board.

(6) Temporary permit. (a) The board may issue a temporary permit to practice nursing to a graduate of an approved school of nursing pending the results of the examination in Mississippi, and to a qualified applicant from another state, territory or possession of the United States, or District of Columbia, or pending licensure procedures as provided for elsewhere in this article. The fee shall not exceed Twenty-five Dollars (\$25.00).

(b) The board may issue a temporary permit for a period of ninety (90) days to a registered nurse who is currently licensed in another state, territory or possession of the United States or the District of Columbia and who is an applicant for licensure by endorsement. Such permit is not renewable except by board action. The issuance of a temporary permit to a military-trained applicant, military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1 or 73-50-2, as applicable.

(c) The board may issue a temporary permit to a graduate of an approved school of nursing pending the results of the first licensing examination scheduled after application. Such permit is not renewable except by board action.

(d) The board may issue a temporary permit for a period of thirty (30) days to any registered nurse during the time enrolled in a nursing reorientation program. This time period may be extended by board action. The fee shall not exceed Twenty-five Dollars (\$25.00).

(e) The board may adopt such regulations as are necessary to limit the practice of persons to whom temporary permits are issued.

(7) Temporary license. The board may issue a temporary license to practice nursing at a youth camp licensed by the State Board of Health to nonresident registered nurses and retired resident registered nurses under the provisions of Section 75-74-8.

(8) Title and abbreviation. Any person who holds a license or holds the privilege to practice as a registered nurse in this state shall have the right to use the title "registered nurse" and the abbreviation "R.N." No other person shall assume such title or use such abbreviation, or any words, letters, signs or devices to indicate that the person using the same is a registered nurse.

(9) Registered nurses licensed under a previous law. Any person holding a license to practice nursing as a registered nurse issued by this board which is valid on July 1, 1981, shall thereafter be deemed to be licensed as a registered nurse under the provisions of this article upon payment of the fee provided in Section 73-15-27.

(10) Each application or filing made under this section shall include the social security number(s) of the applicant in accordance with Section 93-11-64.

SECTION 58. Section 73-15-21, Mississippi Code of 1972, is brought forward as follows:

73-15-21. (1) Licensed practical nurse applicant qualifications. Any applicant for a license to practice practical nursing as a licensed practical nurse shall submit to the board:

(a) An attested written application on a Board of Nursing form;

(b) A diploma from an approved high school or the equivalent thereof, as determined by the appropriate educational agency;

(c) Written official evidence of completion of a practical nursing program approved by the State Department of Education through its Division of Vocational Education, or one approved by a legal accrediting agency of another state, territory or

possession of the United States, the District of Columbia, or a foreign country which is satisfactory to this board;

(d) Evidence of competence in English related to nursing, provided the first language is not English;

(e) Any other official records required by the board.

In addition to the requirements specified in paragraphs (a) through (e) of this subsection, in order to qualify for a license to practice practical nursing as a licensed practical nurse, an applicant must have successfully been cleared for licensure through an investigation that shall consist of a determination as to good moral character and verification that the prospective licensee is not guilty of or in violation of any statutory ground for denial of licensure as set forth in Section 73-15-29 or guilty of any offense specified in Section 73-15-33. To assist the board in conducting its licensure investigation, all applicants shall undergo a fingerprint-based criminal history records check of the Mississippi central criminal database and the Federal Bureau of Investigation criminal history database. Each applicant shall submit a full set of his or her fingerprints in a form and manner prescribed by the board, which shall be forwarded to the Mississippi Department of Public Safety (department) and the Federal Bureau of Investigation Identification Division for this purpose.

Any and all state or national criminal history records information obtained by the board that is not already a matter of public record shall be deemed nonpublic and confidential information restricted to the exclusive use of the board, its members, officers, investigators, agents and attorneys in evaluating the applicant's eligibility or disqualification for licensure, and shall be exempt from the Mississippi Public Records Act of 1983. Except when introduced into evidence in a hearing before the board to determine licensure, no such information or records related thereto shall, except with the written consent of the applicant or by order of a court of competent jurisdiction, be released or otherwise disclosed by the board to any other person or agency.

The board shall provide to the department the fingerprints of the applicant, any additional information that may be required by the department, and a form signed by the applicant consenting to the check of the criminal records and to the use of the fingerprints and other identifying information required by the state or national repositories.

The board shall charge and collect from the applicant, in addition to all other applicable fees and costs, such amount as may be incurred by the board in requesting and obtaining state and national criminal history records information on the applicant.

The board may, in its discretion, refuse to accept the application of any person who has been convicted of a criminal offense under any provision of Title 97 of the Mississippi Code of 1972, as now or hereafter amended, or any provision of this article.

(2) Licensure by examination. (a) Upon the board being satisfied that an applicant for a license as a practical nurse has met the qualifications set forth in subsection (1) of this section, the board shall proceed to examine such applicant in such subjects as the board shall, in its discretion, determine. The subjects in which applicants shall be examined shall be in conformity with curricula in schools of practical nursing approved by the State Department of Education.

(b) The applicant shall be required to pass the written examination selected by the board.

(c) Upon successful completion of such examination, the board shall issue to the applicant a license to practice as a licensed practical nurse.

(d) The board may use any part or all of the state board test pool examination for practical nurse licensure, its successor examination, or any other nationally standardized examination identified by the board in its rules. The passing score shall be established by the board in its rules.

(3) Licensure by endorsement. The board may issue a license to practice practical nursing as a licensed practical nurse without examination to an applicant who has been duly licensed as a licensed practical nurse under the laws of another state, territory or possession of the United States, the District of Columbia, or a foreign country if, in the opinion of the board, the applicant meets the qualifications required of licensed practical nurses in this state and has previously achieved the passing score or scores on the licensing examination required by this state at the time of his or her graduation. The

issuance of a license by endorsement to a military-trained applicant, military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1 or 73-50-2, as applicable.

(4) Licensure by equivalent amount of theory and clinical experience. In the discretion of the board, former students of a state-accredited school preparing students to become registered nurses may be granted permission to take the examination for licensure to practice as a licensed practical nurse, provided the applicant's record or transcript indicates the former student completed an equivalent amount of theory and clinical experiences as required of a graduate of a practical nursing program, and provided the school attended was, at the time of the student's attendance, an accredited school of nursing.

(5) Requirements for rewriting the examination. The board shall establish in its rules the requirements for rewriting the examination for those persons failing the examination on the first writing or subsequent writing.

(6) Fee. The applicant applying for a license by examination or by endorsement to practice as a licensed practical nurse shall pay a fee not to exceed Sixty Dollars (\$60.00) to the board.

(7) Temporary permit. (a) The board may issue a temporary permit to practice practical nursing to a graduate of an approved school of practical nursing pending the results of the examination in Mississippi, and to a qualified applicant from another state, territory or possession of the United States, or the District of Columbia, pending licensing procedures as provided for elsewhere in this article. The fee shall not exceed Twenty-five Dollars (\$25.00).

(b) The board may issue a temporary permit for a period of ninety (90) days to a licensed practical nurse who is currently licensed in another state, territory or possession of the United States or the District of Columbia and who is an applicant for licensure by endorsement. Such permit is not renewable except by board action. The issuance of a temporary permit to a military-trained applicant, military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1 or 73-50-2, as applicable.

(c) The board may issue a temporary permit to a graduate of an approved practical nursing education program or an equivalent program satisfactory to the board pending the results of the first licensing examination scheduled after application. Such permit is not renewable except by board action.

(d) The board may issue a temporary permit for a period of thirty (30) days to any licensed practical nurse during the time enrolled in a nursing reorientation program. This time period may be extended by board action. The fee shall not exceed Twenty-five Dollars (\$25.00).

(e) The board may adopt such regulations as are necessary to limit the practice of persons to whom temporary permits are issued.

(8) Title and abbreviation. Any person who holds a license or holds the privilege to practice as a licensed practical nurse in this state shall have the right to use the title "licensed practical nurse" and the abbreviation "L.P.N." No other person shall assume such title or use such abbreviation, or any words, letters, signs or devices to indicate that a person using the same is a licensed practical nurse.

(9) Licensed practical nurses licensed under a previous law. Any person holding a license to practice nursing as a practical nurse issued by this board which is valid on July 1, 1981, shall thereafter be deemed to be licensed as a practical nurse under the provisions of this article upon payment of the fee prescribed in Section 73-15-27.

(10) Each application or filing made under this section shall include the social security number(s) of the applicant in accordance with Section 93-11-64."

AMENDMENT NO. 1 BY REPRESENTATIVE Yancey:

AMEND by inserting the following new Section 3 and renumbering the succeeding sections:

"SECTION 3. Section 41-7-193, Mississippi Code of 1972, is amended as follows:

41-7-193. (1) No person may enter into any financing arrangement or commitment for financing a new institutional health service or any other project requiring a certificate of need unless such certificate has been granted for such purpose. A certificate of need shall not be granted or issued to any person for any proposal, cause or reason, unless the proposal has been reviewed for consistency with the specifications and the criteria established by the State Department of Health and substantially complies with the * * * projected need and with the applicable criteria and standards presented in the state health plan in effect at the time the application for the proposal was submitted.

(2) The department shall disapprove any application for a certificate of need:

(a) That does not substantially comply with the projected need or with applicable criteria and standards presented in the state health plan;

(b) That fails to confirm that the applicant will provide a reasonable amount of indigent care, or if the applicant's admission policies deny or discourage access to care by indigent patients; or

(c) If such approval would have a significant adverse effect on the ability of an existing facility or service to provide indigent care.

(3) (a) The department may use a variety of statistical methodologies, including, but not limited to, market share analysis or patient origin data to determine substantial compliance with projected need and with applicable criteria and standards in the state health plan.

(b) For the purpose of subsection (2) of this section, a reasonable amount of indigent care is an amount that is comparable to the amount of such care offered by other providers of the requested service within the same, or proximate, geographic area. The State Health Officer shall determine whether the amount of indigent care provided or proposed to be offered by an applicant is reasonable.

(4) An application for a certificate of need for an institutional health service, medical equipment or any proposal requiring a certificate of need shall specify the time, within that granted, such shall be functional or operational according to a time schedule submitted with the application. Each certificate of need shall specify the maximum amount of capital expenditure that may be obligated. The State Department of Health shall periodically review the progress and time schedule of any person issued or granted a certificate of need for any purpose.

(* * *5) An application for a certificate of need may be filed at any time with the department after the applicant has given the department fifteen (15) days' written notice of its intent to apply for a certificate of need. The department shall not delay review of an application. The department shall make its recommendation approving or disapproving a complete application within forty-five (45) days of the date the application was filed or within fifteen (15) days of receipt of any requested information, whichever

is later, * * * the request to be made by the department within fifteen (15) days of the filing of the application."

AMEND further the title by inserting the following after the semicolon on line 6: "TO AMEND SECTION 41-7-193, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT THE STATE DEPARTMENT OF HEALTH SHALL DISAPPROVE ANY APPLICATION FOR A CERTIFICATE OF NEED THAT FAILS TO CONFIRM THAT THE APPLICANT WILL PROVIDE A REASONABLE AMOUNT OF INDIGENT CARE, OR IF THE APPLICANT'S ADMISSION POLICIES DENY OR DISCOURAGE ACCESS TO CARE BY INDIGENT PATIENTS, OR IF SUCH APPROVAL WOULD HAVE A SIGNIFICANT ADVERSE EFFECT ON THE ABILITY OF AN EXISTING FACILITY OR SERVICE TO PROVIDE INDIGENT CARE; TO PROVIDE THAT A REASONABLE AMOUNT OF INDIGENT CARE IS AN AMOUNT THAT IS COMPARABLE TO THE AMOUNT OF SUCH CARE OFFERED BY OTHER PROVIDERS OF THE REQUESTED SERVICE WITHIN THE SAME, OR PROXIMATE, GEOGRAPHIC AREA;

H. B. No. 1447: SAVED; create study committee to determine establishing model school for failing schools in the Mississippi Delta.

A committee substitute was adopted.

AMENDMENT NO. 1 BY REPRESENTATIVES OWEN AND ROBERSON:

Amend after line 67, by inserting the following:

"SECTION 2. (1) To complete the work it commenced in 2023, the Early Intervention Task Force created by Chapter 487, Laws of 2023, and dissolved December 1, 2023,

is hereby reconstituted to serve in an advisory capacity to assist the state agency coordinating Part C of IDEA in implementing a new service delivery model. The goal of the task force shall be to collaborate with the state agency coordinating Part C of IDEA to design a new service delivery model and make changes to the Early Intervention Program.

(2) The members of the task force shall be as follows:

(a) The Chairmen of the Education Committees of the Mississippi Senate and the Mississippi House of Representatives, or his or her designee from their respective committee membership;

(b) The Chairmen of the Appropriations Committees of the Mississippi Senate and the Mississippi House of Representatives, or his or her designee from their respective committee membership;

(c) The Chairmen of the Public Health Committees of the Mississippi Senate and the Mississippi House of Representatives, or his or her designee from their respective committee membership;

(d) One (1) member of the Mississippi State Senate, to be named by the Lieutenant Governor; and one (1) member of the Mississippi House of Representatives, to be named by the Speaker of the House of Representatives, who are interested in early intervention issues;

(e) The State Health Officer of the Mississippi Department of Health or a designated deputy;

(f) One (1) designee who is a direct service provider in the First Steps Early Intervention Program, to be named by the State Health Officer;

(g) One (1) faculty member from the Social Science Research Center (SSRC) at Mississippi State University, to be named by the Director of the SSRC;

(h) One (1) developmental-behavioral pediatrician with expertise in early childhood systems building, to be named by the Vice Chancellor of the University of Mississippi Medical Center;

(i) One (1) general pediatrician, to be named by the Mississippi Chapter of the American Academy of Pediatrics;

(j) One (1) clinical psychologist with expertise in social-emotional health of infants and toddlers, to be named by the Vice Chancellor of the University of Mississippi Medical Center;

(k) One (1) school psychologist employed by a school district, to be named by the Mississippi Association of Psychologists in the Schools;

(l) One (1) early interventionist/development therapist, to be named by the State Health Officer;

(m) The Executive Director of the Mississippi Early Learning Alliance;

(n) One (1) family advocacy representative to be appointed by the Executive Director of the Mississippi Coalition for Citizens with Disabilities;

(o) One (1) parent representative with current experience with early intervention to be appointed by the Executive Director of the Mississippi Coalition for Citizens with Disabilities;

(p) One (1) faculty member from the College of Health Sciences at Jackson State University, to be named by the president of such university;

(q) One (1) pediatrician, to be named by the Mississippi Region of the National Medical Association;

(r) The Executive Director of the Division of Medicaid, Office of the Governor, or the executive director's designee; and

(s) The Director of the State Department of Education's Early Childhood Education Office, or such director's designee.

(3) A faculty member from each of the universities within the institutions of higher learning with an early childhood development program or early intervention program may be named by the president of each university to assist the task force. In addition, the Executive Director of the Center for Mississippi Health Policy shall aid the task force.

(4) The task force shall meet within forty-five (45) days of the effective date of this act and shall commence its responsibilities set out in subsection (5) of this section.

(5) Specifically, in collaboration with the state agency coordinating Part C of IDEA, the task force shall:

(a) Review billing and reimbursement processes and rates for early intervention services in Mississippi and in other states, to ensure a timely receipt of

payment to providers. In performing this function, a recommendation shall be made to the Legislature by January 1, 2025, on a more efficient system for providing compensation to providers and for billing and collecting from third-party payors;

(b) Evaluate early intervention service delivery models, including a hub or hybrid model involving university participation and determine how this model may impact the training of students and delivery of services to members of the eligible population. In performing this function, a recommendation shall be made to the Legislature that will offer a service delivery structure to enhance the efficient and effective delivery of quality services to the eligible population; and

(c) Review any other matters related to the above issues or related to early intervention services.

(6) The state agency coordinating Part C of IDEA and the task force may request the assistance of the Social Science Research Center at Mississippi State University, the Mississippi Early Learning Alliance or any other related entity or organization with expertise in early intervention services.

(7) The members of the task force shall elect a chair from among the members. The task force shall develop and report its findings and recommendations for proposed legislation to the Legislature in response to the proposal of the state agency coordinating Part C of IDEA to make changes to the service delivery structure for the program and changes to the way the state pays service providers and recoups payments from third-party payors, which shall be due to the task force and Legislature by December 1, 2024. A quorum of the membership shall be required to approve any final report and recommendation. Members of the task force shall be reimbursed for necessary travel expense in the same manner as public employees are reimbursed for official duties from any available funds and members of the Legislature shall be reimbursed in the same manner as for attending out-of-session committee meetings.

(8) The Joint Legislative Committee on Performance Evaluation and Expenditure Review shall provide necessary clerical support for the meetings of the task force and research support as needed for the preparation of the report. Proposed legislation shall be prepared by the Legislative Services Offices of the Senate and House as requested.

(9) The task force shall be dissolved upon presentation of its report."

Further, amend on line 68 by striking "2" and inserting in lieu thereof: "3".

Further, amend the title to conform on line 9, by inserting the following after the semicolon:

"TO RECONSTITUTE THE EARLY INTERVENTION TASK FORCE WITH A GOAL TO COLLABORATE WITH THE STATE AGENCY COORDINATING PART C OF IDEA TO DESIGN A NEW SERVICE DELIVERY MODEL AND MAKE CHANGES TO THE EARLY INTERVENTION PROGRAM; TO SET THE TASK FORCE'S DUTIES; TO REQUIRE THE TASK FORCE TO PREPARE A FINAL REPORT TO THE LEGISLATURE; TO REQUIRE THE STATE AGENCY COORDINATING PART C OF IDEA TO PREPARE AND DELIVER A REPORT THAT PROVIDES FOR POSSIBLE SOLUTIONS; TO DISSOLVE THE TASK FORCE UPON PRESENTATION OF THE REPORT;".

Rep. Roberson called up:

H. B. No. 1683: MS Charter School Act of 2013; bring forward for purposes of possible amendments.

A committee substitute was adopted.

AMENDMENT NO. 1 BY REPRESENTATIVE Owen:

Amend on line 1064, by striking "brought forward" and inserting in lieu thereof: "amended".

Further, amend after line 1101, by inserting the following:

"(4) (a) The following charter school employees shall receive an annual salary supplement in the amount of Six Thousand Dollars (\$6,000.00), in addition to any other compensation to which the charter employee may be entitled:

(i) Any licensed teacher who has met the requirements and acquired a Master Teacher certificate from the National Board for Professional Teaching Standards and who is employed by a charter school as a teacher and not as an administrator. Such teacher shall submit documentation to the State Department of Education that the certificate was received prior to October 15 in order to be eligible for the full salary supplement in the current school year, or the teacher shall submit such documentation to the State Department of Education prior to February 15 in order to be eligible for a prorated salary supplement beginning with the second term of the school year.

(ii) A licensed nurse who has met the requirements and acquired a certificate from the National Board for Certification of School Nurses, Inc., and who is employed by a charter school as a school nurse and not as an administrator. The licensed school nurse shall submit documentation to the State Department of Education that the certificate was received before October 15 in order to be eligible for the full salary supplement in the current school year, or the licensed school nurse shall submit the documentation to the State Department of Education before February 15 in order to be eligible for a prorated salary supplement beginning with the second term of the school year.

(iii) Any licensed school counselor who has met the requirements and acquired a National Certified School Counselor (NCSC) endorsement from the National Board of Certified Counselors and who is employed by a charter school as a counselor and not as an administrator. Such licensed school counselor shall submit documentation to the State Department of Education that the endorsement was received prior to October 15 in order to be eligible for the full salary supplement in the current school year, or the licensed school counselor shall submit such documentation to the State Department of Education prior to February 15 in order to be eligible for a prorated salary supplement beginning with the second term of the school year.

(iv) Any licensed speech language pathologist and audiologist who has met the requirements and acquired a Certificate of Clinical Competence from the American Speech Language Hearing Association and any certified academic language therapist (CALT) who has met the certification requirements of the Academic Language Therapy Association and who is employed by a local school board. The licensed speech language pathologist and audiologist and certified academic language therapist shall submit documentation to the State Department of Education that the certificate or endorsement was received before October 15 in order to be eligible for the full salary supplement in the current school year, or the licensed speech language pathologist and audiologist and certified academic language therapist shall submit the documentation to the State Department of Education before February 15 in order to be eligible for a prorated salary supplement beginning with the second term of the school year.

(v) Any licensed athletic trainer who has met the requirements and acquired Board Certification for the Athletic Trainer from the Board of Certification, Inc., and who is employed by a charter school as an athletic trainer and not as an administrator. The licensed athletic trainer shall submit documentation to the State Department of Education that the certificate was received before October 15 in order to be eligible for the full salary supplement in the current school year, or the licensed athletic trainer shall submit the documentation to the State Department of Education before February 15 in order to be eligible for a prorated salary supplement beginning with the second term of the school year.

(vi) An occupational therapist who has met the requirements and acquired initial certification as an Occupational Therapist Registered from the National Board for Certification in Occupational Therapy, Inc., and who is employed by a charter

school as an occupational therapist and not an administrator. The certified occupational therapist shall submit documentation to the State Department of Education that the certification was received before October 15 of each year in order to be eligible for the full salary supplement in the current school year, or the occupational therapist shall submit the documentation to the State Department of Education before February 15 of each year in order to be eligible for a prorated salary supplement beginning with the second term of the school year.

(vii) Any licensed school psychologist who has met the requirements and acquired certification as a Nationally Certified School Psychologist (NCSP) from the National Association of School Psychologists (NASP), and who is employed by a charter school as a school psychologist. The licensed school psychologist shall submit documentation to the State Department of Education that the certificate was received before October 15 in order to be eligible for the full salary supplement in the current school year, or the licensed school psychologist shall submit the documentation to the State Department of Education before February 15 in order to be eligible for a prorated salary supplement beginning with the second term of the school year.

(b) A charter school employee shall be reimbursed for the actual cost of completing each component of acquiring the certificate or endorsement, excluding any costs incurred for postgraduate courses, not to exceed Five Hundred Dollars (\$500.00) for each component, not to exceed four (4) components, for a teacher, school counselor or speech language pathologist and audiologist, regardless of whether or not the process resulted in the award of the certificate or endorsement. The charter school governing board or any private individual or entity may pay the cost of completing the process of acquiring the certificate or endorsement for any employee of the school district described under paragraph (a), and the State Department of Education shall reimburse the charter for such cost, regardless of whether or not the process resulted in the award of the certificate or endorsement. If a private individual or entity has paid the cost of completing the process of acquiring the certificate or endorsement for an employee, the charter school may agree to directly reimburse the individual or entity for such cost on behalf of the employee.

(c) All salary supplements and process reimbursement authorized under this subsection shall be paid directly by the State Department of Education to the charter school and shall be in addition to its adequate education program allotments and not a part thereof in accordance with regulations promulgated by the State Board of Education. However, an educational employee shall receive the salary supplement in the amount of Six Thousand Dollars (\$6,000.00) for only one (1) of the qualifying certifications authorized under paragraph (a) of this subsection. No charter school shall provide more than one (1) annual salary supplement under the provisions of this subsection to any one (1) individual employee holding multiple qualifying national certifications.

(d) If an employee for whom such cost has been paid, in full or in part, by a charter school governing board or private individual or entity fails to complete the certification or endorsement process, the employee shall be liable to the charter school or individual or entity for all amounts paid by the charter school governing board or individual or entity on behalf of that employee toward his or her certificate or endorsement."

Further, amend on line 1848 by inserting the following before the period:

", and shall stand repealed on June 30, 2024".

Further, amend the title to conform on line 5 by striking "37-28-47".

Further, amend the title to conform on line 8 by inserting the following after the semicolon:

"TO AMEND SECTION 37-28-47, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT CHARTER SCHOOL EMPLOYEES HAVING SATISFIED ALL THE REQUIREMENTS FOR NATIONAL BOARD CERTIFICATION IN THEIR RESPECTIVE PROFESSIONAL DISCIPLINES, SHALL BE ENTITLED TO A \$6,000.00 ANNUAL SALARY SUPPLEMENT;".

H. B. No. 867: Student transfers; remove requirement for current district of attendance to approve release.

Strike-All AMENDMENT NO. 1 BY REPRESENTATIVE Owen:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 37-15-31, Mississippi Code of 1972, is amended as follows:

37-15-31. (1) (a) Except as provided in subsections (2) through * * * (7) of this section, upon the petition in writing of a parent or guardian resident of the school district of an individual student filed or lodged with the president or secretary of the school board of a school district * * * to which the pupil * * * is seeking transfer, individual students living in one school district * * * may be legally transferred to another school district, * * * provided that the school board of the school district to which the transfer is sought consents * * * to receive the students seeking transfer, which such consent must be given in writing and spread upon the minutes of * * * the school board of the transferee school district.

(b) Upon receipt of such notice of petition for transfer, the school board of the transferee school district shall act on such request for transfer as soon as possible, and no later than the next regular meeting of the transferee board, and a failure of such transferee board to act within such time shall constitute an approval of such request and approved enrollment by the school board of the transferee school district. If such a transfer is approved by the school board of the transferee school district, then such decision shall be final.

(** *c) ** * The transferee school district shall notify, in writing, the school district from which the pupil or pupils are transferring of the receipt of such transfer request within a reasonable period of time, and the school board of the transferor school district shall spread the same upon its minutes. ** *

(** *d) Any legal guardianship formed for the purpose of establishing residency for school district attendance purposes shall not be recognized by the affected school board.

(e) The legal transfer of a student under this subsection shall include a provision for the transportation of the student by either the parent or legal guardian of the student or the transferee school district, provided that the transferee school district does not violate the provision of Section 37-15-29(3), prohibiting the transportation of students in excess of thirty (30) miles from his or her home.

(f) The provisions of this subsection (1) of this section shall not apply to school-age children whose parent(s) or legal guardian(s) are active members of the United States Armed Forces complying with Section 37-15-29(4).

(g) Athletic eligibility for a school-age child who transfers to another school or school district pursuant to this subsection shall be determined based on the child's fall semester enrollment. A child shall be athletically eligible for one (1) school per school year. A child may transfer to another school mid-year, however, that child shall not be athletically eligible until the following fall school year. A child shall not be deemed athletically ineligible, thus ruled ineligible for any length of time, based upon a transfer of schools, so long as the provisions in this section are followed.

(2) (a) Upon the petition in writing of any parent or guardian who is a resident of Mississippi and is an instructional or licensed employee of a school district, but not a resident of such district, the school board of the employer school district shall consent to the transfer of such employee's dependent school-age children to its district and shall spread the same upon the minutes of the board. Upon the petition in writing of any parent or guardian who is not a resident of Mississippi and who is an instructional or licensed employee of a school district in Mississippi, the school board of the employer school district shall consent to the transfer of such employee's dependent school-age children to its district and shall spread the same upon the minutes of the board.

(b) The school board of any school district, in its discretion, may adopt a uniform policy to allow the enrollment and attendance of the dependent children of noninstructional and nonlicensed employees, who are residents of Mississippi but are not residents of their district. Such policy shall be based upon the employment needs of the district, implemented according to job classification groups and renewed each school year.

(c) The employer transferee school district shall notify in writing the school district from which the pupil or pupils are transferring, and the school board of the transferor school district shall spread the same upon its minutes.

(d) Any such agreement by school boards for the legal transfer of a student shall include a provision providing for the transportation of the student. In the absence of such a provision the responsibility for transporting the student to the transferee school district shall be that of the parent or guardian.

(e) Any school district which accepts a student under the provisions of this subsection shall not assess any tuition fees upon such transferring student in accordance with the provisions of Section 37-19-27.

(3) Upon the petition in writing of any parent or legal guardian of a school-age child who is a resident of an adjacent school district residing in the geographical situation described in Section 37-15-29(3), the school board of the school district operating the school located in closer proximity to the residence of the child shall consent to the transfer of the child to its district, and shall spread the same upon the minutes of the board. ** * The legal transfer of a student under this subsection shall include a provision for the transportation of the student by either the ** * parent or legal guardian or the student or the transferee school district. In the event that ** * the school board of the transferee ** * school district shall object to the transfer, ** * the parent or legal guardian shall have the right to appeal to the State Board of Education whose decision shall be final. ** * The responsibility for transporting the student to the transferee school district shall be that of the parent or guardian if the transferee school district does not

agree in the consent of transfer, which shall be spread upon its minutes, to provide transportation for the student.

(** *4) *** Before September 1 of each year, the board of trustees of ** * a municipal separate school district shall certify to the State Department of Education the number of students in the added territory of the municipal separate school district who are transferred to the adjacent school district under this subsection. The municipal separate school district also shall certify the total number of students in the school district residing in the added territory plus the number of those students who are transferred to the adjacent school district. Based upon these figures, the department shall calculate the percentage of the total number of students in the added territory who are transferred to the adjacent school district and shall certify this percentage to the levying authority for the municipal separate school district. The levying authority shall remit to the school board of the adjacent school district, from the proceeds of the ad valorem taxes collected for the support of the municipal separate school district from the added territory of the municipal separate school district, an amount equal to the percentage of the total number of students in the added territory who are transferred to the adjacent school district.

(5) The sibling(s) of any child lawfully transferred in accordance with this section, may also, at the discretion of their parent(s) or legal guardian(s), enroll and attend school in the transferee school district, subject to the provisions of this act.

(6) For students transferring to a school located in a school district in which the student does not reside, the State Department of Education shall pay to the transferee school district (receiving school district) to which the student is transferred an amount equal to the Mississippi Adequate Education Program funds, or any subsequent state pupil funding program which replaces MAEP, allocated for each student transferring to a school district outside his or her district of residence. The amount of funds payable to the receiving school district by the department must be based on the local school district of residence's previous year's enrollment data, determined by using months one (1) through nine (9) average daily membership, as reported to the State Department of Education by the transferor local school district. Any such payments made under this subsection (5) by the State Department of Education to a receiving school district must be made two (2) business days prior to the last working day of each month. There shall be paid to a receiving school district, by electronic funds transfer, one-twelfth (1/12) of the funds to which the receiving school district is entitled from funds appropriated for the adequate education program fund, or any subsequent funding program which replaces such program fund, for each child transferred to such school district under the authority of this section. However, in December those payments shall be made on December 15th or the next business day after that date. If a student transfer occurs after the start date of the scholastic year, the department shall not make any distribution of payments to the receiving school district until such time that the receiving school district certifies the enrollment of the transfer student to the department, which shall then only make payments to the receiving school district for such student for the remainder of the scholastic year as a proportionate share of the one-twelfth (1/12) of funds to which the receiving school district is entitled.

(7) The provisions of this section shall not supersede any provision of an enforceable desegregation court order or a court-approved desegregation plan.

(8) The receiving school district shall identify each student it accepts into its district under the transfer authority of this section and report that data to the State Department of Education by category of student name, grade classification, grade point average, gender and ethnicity. The department shall then compile this data by district, redacting all personally identifying information of students to prevent any FERPA violations, and submit an annual report of this information to each member of the Legislature.

SECTION 2. Section 37-15-29, Mississippi Code of 1972, is amended as follows:

37-15-29. (1) Except as provided in subsections (2), (3), (4) and (5) of this section, no minor child may enroll in or attend any school except in the school district of his residence, unless such child be lawfully transferred from the school district of his residence to a school in another school district in accord with the statutes of this state now in effect or which may be hereafter enacted.

(2) Those children whose parent(s) or legal guardian(s) are instructional personnel or certificated employees of a school district may at such employee's discretion enroll and attend the school or schools of their parent's or legal guardian's employment regardless of the residence of the child.

(3) No child shall be required to be transported in excess of thirty (30) miles on a school bus from his or her home to school, or in excess of thirty (30) miles from school to his or her home, if there is another school in an adjacent school district located on a shorter school bus transportation route by the nearest traveled road. Those children residing in such geographical situations may, at the discretion of their parent(s) or legal guardian(s), enroll and attend the nearer school, regardless of the residence of the child. In the event the parent or legal guardian of such child and the school board are unable to agree on the school bus mileage required to transport the child from his or her home to school, an appeal shall lie to the State Board of Education, or its designee, whose decision shall be final. The school districts involved in the appeal shall provide the Mississippi Department of Education with any school bus route information requested, including riding the buses as necessary, in order to measure the bus routes in question, as needed by the State Board of Education in considering the appeal.

* * *

(* * *4) (a) Those children whose parent(s) or legal guardian(s) are active members of the United States Armed Forces or civilian military personnel and reside on a military base, may, at the discretion of their parent(s) or legal guardian(s), enroll and attend the school district of their parent's or legal guardian's choosing, regardless of the residence of the child * * *. The parent or guardian of a child enrolling in a school district outside of his or her residence shall be responsible for transportation of the child to and from school.

(b) A child whose parent(s) or legal guardian(s) are active members of the United States Armed Forces complies with the residency requirements for school attendance, if he or she resides in the State of Mississippi or if the pupil otherwise complies with Section 37-15-30.

(c) Any school district which accepts a child under the provisions of this subsection shall not assess any tuition fees upon such transferring child.

(d) Any transfer of out-of-state children of military families to this state shall be governed in accordance with Section 37-135-31 as applicable.

(5) The sibling(s) of any child lawfully transferred in accordance with this section, may also, at the discretion of their parent(s) or legal guardian(s), enroll and attend school in the transferee school district, subject to the provisions of this section.

SECTION 3. This act shall take effect and be in force from and after July 1, 2024, and shall stand repealed on June 30, 2024.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 37-15-31, MISSISSIPPI CODE OF 1972, TO REMOVE THE REQUIREMENT FOR THE SCHOOL BOARD OF THE SCHOOL DISTRICT OF A CHILD'S RESIDENCE CONSENT TO THE RELEASE OF THE STUDENT FOR TRANSFER TO ANOTHER SCHOOL DISTRICT; TO ONLY REQUIRE THAT THE TRANSFEREE SCHOOL BOARD APPROVE OR REFUSE THE TRANSFER OF A STUDENT UPON RECEIVING NOTICE AND OFFICIAL MEETING OF THE BOARD TO ACT ON SUCH TRANSFER; TO AUTHORIZE THE SIBLINGS OF A LAWFULLY TRANSFERRED STUDENT TO ENROLL IN THE TRANSFEREE SCHOOL DISTRICT AT THE DISCRETION OF THEIR PARENT(S) OR LEGAL GUARDIAN(S) TO PROVIDE THAT A TRANSFER STUDENT'S ATHLETIC ELIGIBILITY SHALL BE DETERMINED BY HIS OR HER FALL SEMESTER ENROLLMENT AND LIMIT PARTICIPATION TO ONE SCHOOL PER SCHOOL YEAR TO PROVIDE FOR THE ALLOCATION AND DISBURSEMENT OF FUNDS TO A RECEIVING SCHOOL DISTRICT UPON THE COMPLETION AND CERTIFICATION OF A STUDENT TRANSFER REQUEST; TO PROVIDE THAT TRANSFER AUTHORITY OF A DISTRICT TO RECEIVE OR DENY THE ACCEPTANCE OF A STUDENT REQUESTING TRANSFER INTO THE DISTRICT SHALL NOT SUPERSEDE ANY PROVISION OF AN ENFORCEABLE DESEGREGATION ORDER OR A

COURT-APPROVED DESEGREGATION PLAN; TO AMEND SECTION 37-15-29, MISSISSIPPI CODE OF 1972, TO CLARIFY THE SCHOOL ENROLLMENT CHOICES OF CHILDREN WHOSE PARENTS ARE ACTIVE MEMBERS OF THE UNITED STATES ARMED FORCES OR CIVILIAN MILITARY PERSONNEL; TO ALLOW THE CHILDREN OF ACTIVE MEMBERS OF THE UNITED STATES ARMED FORCES TO ATTEND THE SCHOOL DISTRICT OR SCHOOL OF THEIR CHOICE; TO REMOVE THE LIMITATION ON PROHIBITED DISTANCE OF TRANSPORTING SUCH STUDENTS BY EXCLUDING THE DISTRICT FROM PROVIDING TRANSPORTATION TO SUCH STUDENTS; AND FOR RELATED PURPOSES.

AMENDMENT NO. 1 BY REPRESENTATIVE Zuber:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 25-11-15, Mississippi Code of 1972, is amended as follows:

25-11-15. (1) Board of trustees: The general administration and responsibility for the proper operation of the Public Employees' Retirement System and the federal-state agreement and for making effective the provisions of Articles 1 and 3 are vested in a board of trustees.

(2) (a) The board shall consist of * * * eleven (11) trustees, as follows:

(* * *) The State Treasurer;

* * *

(ii) The Commissioner of Revenue;

(iii) Four (4) members appointed by the Governor;

(iv) Three (3) members appointed by the Lieutenant Governor;

(v) One (1) retired member who is receiving a retirement allowance from the system, elected by the retired members or beneficiaries receiving a retirement allowance from the system and by the retired members or beneficiaries of the municipal systems, the firemen's and policemen's disability and relief funds and the Mississippi Highway Safety Patrol Retirement System administered by the board of trustees; and

(vi) One (1) member of the system having at least ten (10) years of creditable service, elected by the members of the system, the municipal systems and the Mississippi Highway Safety Patrol Retirement System.

(b) (i) For the terms beginning July 1, 2024, the appointed trustees shall serve terms of the following lengths: two (2) appointees of the Governor shall serve for an initial term ending on July 1, 2025; one (1) appointee of the Lieutenant Governor shall serve for an initial term ending on July 1, 2026; one (1) appointee of the Governor and one (1) appointee of the Lieutenant Governor shall serve for an initial term ending on July 1, 2027; and one (1) appointee of the Governor and one (1) appointee of the Lieutenant Governor shall serve for an initial term ending on July 1, 2028. After the expiration of the initial terms, their successors shall be appointed for terms of four (4) years from the expiration date of the previous term.

(ii) All appointments for the initial terms shall be made no later than May 31, 2024.

(iii) Each appointee of the Governor and the Lieutenant Governor shall be a person with knowledge and understanding of the investment of financial assets and of the principles of a retirement plan, as either a participant or an employer, and shall not have a conflict of interest with any plan administered by the board.

(iv) Two (2) of the members to be appointed by the Governor shall be appointed only after consideration of recommendations for those appointments made by the Speaker of the House to the Governor. Two (2) of the members to be appointed by the Lieutenant Governor shall be appointed only after consideration of recommendations for those appointments made by the Speaker of the House to the Lieutenant Governor.

(v) All appointments by the Governor and the Lieutenant Governor shall be subject to the advice and consent of the Senate. Members appointed when the Senate is not in session shall serve only until the end of the next regular session, unless confirmed by the Senate.

(** *c) (i) In the ** * election to be held for trustees whose terms begin July 1, 2024, one (1) member shall be elected for a term ** * ending on July 1, 2026; and one (1) member shall be elected for a term ** * ending on July 1, 2028. Thereafter, their successors shall be elected for terms of ** * four (4) years from the expiration date of the previous term. All elections shall be held in accordance with rules and regulations adopted by the board to govern those elections, and the board shall be the sole judge of all questions arising incident to or connected with the elections.

(** *ii) The election for trustees whose terms begin July 1, 2024, shall be held no later than May 31, 2024, with any necessary runoffs occurring no later than June 21, 2024. Any person eligible to vote for the election of a ** * trustee and who meets the qualifications for the office may seek election to the office and serve if elected. For purposes of determining eligibility to seek office as a member of the board ** *, the required creditable service in "the system" shall include each system administered by the board ** * in which the person is a member.

(3) The trustees serving on the effective date of this act shall retain their positions through June 30, 2024. On July 1, 2024, the new members shall assume their positions.

(** *4) If a vacancy occurs in the office of a trustee, the vacancy shall be filled for the unexpired term in the same manner as the office was previously filled. However, if the unexpired term of an elected member is six (6) months or less, an election shall be held to fill the office vacated for the next succeeding full term of office, and the person so elected to fill the next full term shall be appointed by the board to fill the remainder of the unexpired term. Whenever any member who is elected to a position to represent a class of members ceases to be a member of that class, that board member is no longer eligible for membership on the board. The position shall be declared vacant, and the unexpired term shall be filled in the same manner as the office was previously filled.

(** *5) Each trustee shall, within ten (10) days after his or her appointment or election, take an oath of office as provided by law and, in addition, shall take an oath that he or she will diligently and honestly administer the affairs of the board, and that he or she will not knowingly violate or willingly permit to be violated any of the provisions of law applicable to Articles 1 and 3. The oath shall be signed by the member making it, certified by the officer before whom it is taken, and immediately filed in the office of the Secretary of State.

(** *6) Each trustee shall be entitled to one (1) vote. Six (6) members shall constitute a quorum at any meeting of the board, and a majority of those present shall be necessary for a decision.

(** *7) Subject to the limitations of Articles 1 and 3, the board shall establish rules and regulations for the administration of the system created by those articles and for the transaction of its business, and to give force and effect to the provisions of those articles wherever necessary to carry out the intent and purposes of the Legislature. The cited articles are remedial law and shall be liberally construed to accomplish their purposes.

(** *8) Notwithstanding any other law to the contrary, in the event of a natural disaster or other occurrence that results in the failure of the retirement system's computer system or a significant disruption of the normal activities of the retirement system, the executive director of the board, or his or her deputy, shall be authorized to contract with another entity, governmental or private, during the period of the failure or disruption, for services, commodities, work space and supplies as necessary to carry out the administration of all systems and programs administered by the board. The board shall be authorized to pay the reasonable cost of those services, commodities, work space and supplies. At the meeting of the board next following the execution of a contract authorized under this subsection, documentation of the contract, including a description of the services, commodities, work space or supplies, the price thereof and the nature of the disaster or occurrence, shall be presented to the board and placed on the minutes of the board. Because of their emergency nature, purchases made under this subsection shall not be required to comply with the provisions of Section 31-7-13 or any other law governing public purchases.

(** *9) The computer equipment and software owned by the Public Employees' Retirement System are assets of the Trust Fund by virtue of the Constitution, Section 272-A and acquisition and operation thereof shall be under the jurisdiction of the Public Employees' Retirement System.

(** *10) The board shall elect a chairman and shall by a majority vote of all of its members appoint a secretary whose title shall be executive director, who shall serve at the will and pleasure of the board, who shall not be a member of the board of trustees, who shall be entitled to membership in the system, and who shall act as secretary of the board. The board of trustees shall employ such actuarial, investment, clerical and other employees as are required to transact the business of the system, and shall fix the compensation of all employees, subject to the rules and regulations of the State Personnel Board.

(** *11) Each member of the board shall receive as compensation for his or her services Three Hundred Dollars (\$300.00) per month. All members of the board shall be reimbursed for their necessary traveling expenses, which shall be paid in accordance with the requirements of Section 25-3-41 or other applicable statutes with respect to traveling expenses of state officials and employees on official business. All members of the board shall be entitled to be members of the system and shall be entitled to creditable service for all time served as a member of the board, except for the retired ** * member, who shall not be entitled to be a member of the system and who shall be eligible to receive the retirement allowance and compensation for services from the system while serving as a member of the board. Members of the board who are employed in state service (as defined in Section 25-11-103) shall not be required to take annual leave from their state service employment while performing his or her official duties as a member of the board.

(** *12) All expenses of the board incurred in the administration of Articles 1 and 3 shall be paid from such funds as may be appropriated by the Legislature for that purpose or from administrative fees collected from political subdivisions or juristic entities of the state. Each political subdivision of the state and each instrumentality of the state or of a political subdivision or subdivisions that submit a plan for approval by the board as provided in Section 25-11-11 shall reimburse the board, for coverage into the administrative expense fund, its pro rata share of the total expense of administering Articles 1 and 3 as provided by regulations of the board.

(** *13) The Lieutenant Governor may designate two (2) Senators and the Speaker of the House of Representatives may designate two (2) Representatives to attend any meeting of the Board of Trustees of the Public Employees' Retirement System. The

appointing authorities may designate alternate members from their respective houses to serve when the regular designees are unable to attend the meetings of the board. The legislative designees shall have no jurisdiction or vote on any matter within the jurisdiction of the board. For attending meetings of the board, the legislators shall receive per diem and expenses, which shall be paid from the contingent expense funds of their respective houses in the same amounts as provided for committee meetings when the Legislature is not in session; however, no per diem and expenses for attending meetings of the board will be paid while the Legislature is in session. No per diem and expenses will be paid except for attending meetings of the board without prior approval of the proper committee in their respective houses.

SECTION 2. Section 25-11-123, Mississippi Code of 1972, is amended as follows:

25-11-123. All of the assets of the system shall be credited according to the purpose for which they are held to one (1) of four (4) reserves; namely, the annuity savings account, the annuity reserve, the employer's accumulation account, and the expense account.

(a) Annuity savings account. In the annuity savings account shall be accumulated the contributions made by members to provide for their annuities, including interest thereon which shall be posted monthly. Credits to and charges against the annuity savings account shall be made as follows:

(1) Beginning July 1, 2010, the employer shall cause to be deducted from the salary of each member on each and every payroll of the employer for each and every payroll period nine percent (9%) of earned compensation as defined in Section 25-11-103. Future contributions shall be fixed biennially by the board on the basis of the liabilities of the retirement system for the various allowances and benefits as shown by actuarial valuation; however, any member earning at a rate less than Sixteen Dollars and Sixty-seven Cents (\$16.67) per month, or Two Hundred Dollars (\$200.00) per year, shall contribute not less than One Dollar (\$1.00) per month, or Twelve Dollars (\$12.00) per year.

(2) The deductions provided in paragraph (1) of this subsection shall be made notwithstanding that the minimum compensation provided by law for any member is reduced by the deduction. Every member shall be deemed to consent and agree to the deductions made and provided for in paragraph (1) of this subsection and shall receipt for his full salary or compensation, and payment of salary or compensation less the deduction shall be a full and complete discharge and acquittance of all claims and demands whatsoever for the services rendered by the person during the period covered by the payment, except as to the benefits provided under Articles 1 and 3. The board shall provide by rules for the methods of collection of contributions from members and the employer. The board shall have full authority to require the production of evidence necessary to verify the correctness of amounts contributed.

(b) Annuity reserve. The annuity reserve shall be the account representing the actuarial value of all annuities in force, and to it shall be charged all annuities and all benefits in lieu of annuities, payable as provided in this article. If a beneficiary retired on account of disability is restored to active service with a compensation not less than his average final compensation at the time of his last retirement, the remainder of his contributions shall be transferred from the annuity reserve to the annuity savings account and credited to his individual account therein, and the balance of his annuity reserve shall be transferred to the employer's accumulation account.

(c) Employer's accumulation account. The employer's accumulation account shall represent the accumulation of all reserves for the payment of all retirement allowances and other benefits payable from contributions made by the employer, and against this account shall be charged all retirement allowances and other benefits on account of members. Credits to and charges against the employer's accumulation account shall be made as follows:

(1) On account of each member there shall be paid monthly into the employer's accumulation account by the employers for the preceding fiscal year an amount equal to a certain percentage of the total earned compensation, as defined in Section 25-11-103, of each member. The percentage rate of those contributions shall be fixed biennially by the board on the basis of the liabilities of the retirement system for the various allowances and benefits as shown by actuarial valuation. * * * Political

subdivisions joining Article 3 of the Public Employees' Retirement System after July 1, 1968, may adjust the employer's contributions by agreement with the Board of Trustees of the Public Employees' Retirement System to provide service credits for any period before execution of the agreement based upon an actuarial determination of employer's contribution rates. From and after the effective date of this act, the increase in the employer's contribution rate that is scheduled to take effect on July 1, 2024, is rescinded and shall not take effect, and the board shall not provide for any increase in the employer's contribution rate through June 30, 2024.

(2) On the basis of regular interest and of such mortality and other tables as are adopted by the board of trustees, the actuary engaged by the board to make each valuation required by this article during the period over which the accrued liability contribution is payable, immediately after making that valuation, shall determine the uniform and constant percentage of the earnable compensation of each member which, if contributed by the employer on the basis of compensation of the member throughout his entire period of membership service, would be sufficient to provide for the payment of any retirement allowance payable on his account for that service. The percentage rate so determined shall be known as the "normal contribution rate." After the accrued liability contribution has ceased to be payable, the normal contribution rate shall be the percentage rate of the salary of all members obtained by deducting from the total liabilities on account of membership service the amount in the employer's accumulation account, and dividing the remainder by one percent (1%) of the present value of the prospective future salaries of all members as computed on the basis of the mortality and service tables adopted by the board of trustees and regular interest. The normal rate of contributions shall be determined by the actuary after each valuation.

(3) The total amount payable in each year to the employer's accumulation account shall not be less than the sum of the percentage rate known as the "normal contribution rate" and the "accrued liability contribution rate" of the total compensation earnable by all members during the preceding year, provided that the payment by the employer shall be sufficient, when combined with the amounts in the account, to provide the allowances and other benefits chargeable to this account during the year then current.

(4) The accrued liability contribution shall be discontinued as soon as the accumulated balance in the employer's accumulation account shall equal the present value, computed on the basis of the normal contribution rate then in force, or the prospective normal contributions to be received on account of all persons who are at that time members.

(5) All allowances and benefits in lieu thereof, with the exception of those payable on account of members who receive no prior service credit, payable from contributions of the employer, shall be paid from the employer's accumulation account.

(6) Upon the retirement of a member, an amount equal to his retirement allowance shall be transferred from the employer's accumulation account to the annuity reserve.

(7) The employer's accumulation account shall be credited with any assets authorized by law to be credited to the account.

(d) Expense account. The expense account shall be the account to which the expenses of the administration of the system shall be charged, exclusive of amounts payable as retirement allowances and as other benefits provided herein. The Legislature shall make annual appropriations in amounts sufficient to administer the system, which shall be credited to this account. There shall be transferred to the State Treasury from this account, not less than once per month, an amount sufficient for payment of the estimated expenses of the system for the succeeding thirty (30) days. Any interest earned on the expense account shall accrue to the benefit of the system. However, notwithstanding the provisions of Sections 25-11-15(10) and 25-11-105(f)(v)5, all expenses of the administration of the system shall be paid from the interest earnings, provided the interest earnings are in excess of the actuarial interest assumption as determined by the board, and provided the present cost of the administrative expense fee of two percent (2%) of the contributions reported by the political subdivisions and instrumentalities shall be reduced to one percent (1%) from and after July 1, 1983, through June 30, 1984, and shall be eliminated thereafter.

(e) Collection of contributions. The employer shall cause to be deducted on each and every payroll of a member for each and every payroll period, beginning subsequent to January 31, 1953, the contributions payable by the member as provided in Articles 1 and 3.

The employer shall make deductions from salaries of employees as provided in Articles 1 and 3 and shall transmit monthly, or at such time as the board of trustees designates, the amount specified to be deducted to the Executive Director of the Public Employees' Retirement System. The executive director, after making a record of all those receipts, shall deposit such amounts as provided by law.

(f) (1) Upon the basis of each actuarial valuation provided herein, the board of trustees shall biennially determine the normal contribution rate and the accrued liability contribution rate as provided in this section. The sum of these two (2) rates shall be known as the "employer's contribution rate." * * * The percentage rate of those contributions shall be fixed biennially by the board on the basis of the liabilities of the retirement system for the various allowances and benefits as shown by actuarial valuation.

(2) The amount payable by the employer on account of normal and accrued liability contributions shall be determined by applying the employer's contribution rate to the amount of compensation earned by employees who are members of the system. Monthly, or at such time as the board of trustees designates, each department or agency shall compute the amount of the employer's contribution payable, with respect to the salaries of its employees who are members of the system, and shall cause that amount to be paid to the board of trustees from the personal service allotment of the amount appropriated for the operation of the department or agency, or from funds otherwise available to the agency, for the payment of salaries to its employees.

(3) Except as otherwise provided in Section 25-11-106:

(i) Constables shall pay employer and employee contributions on their net fee income as well as the employee contributions on all direct treasury or county payroll income.

(ii) The county shall be responsible for the employer contribution on all direct treasury or county payroll income of constables.

(4) Except as otherwise provided in Section 25-11-106.1, chancery and circuit clerks shall be responsible for both the employer and employee share of contributions on the proportionate share of net income attributable to fees, as well as the employee share of net income attributable to direct treasury or county payroll income, and the employing county shall be responsible for the employer contributions on the net income attributable to direct treasury or county payroll income.

(5) Once each year, under procedures established by the system, each employer shall submit to the Public Employees' Retirement System a copy of their report to Social Security of all employees' earnings.

(6) The board shall provide by rules for the methods of collection of contributions of employers and members. The amounts determined due by an agency to the various funds as specified in Articles 1 and 3 are made obligations of the agency to the board and shall be paid as provided herein. Failure to deduct those contributions shall not relieve the employee and employer from liability thereof. Delinquent employee contributions and any accrued interest shall be the obligation of the employee and delinquent employer contributions and any accrued interest shall be the obligation of the employer. The employer may, in its discretion, elect to pay any or all of the interest on delinquent employee contributions. From and after July 1, 1996, under rules and regulations established by the board, all employers are authorized and shall transfer all funds due to the Public Employees' Retirement System electronically and shall transmit any wage or other reports by computerized reporting systems.

SECTION 3. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 25-11-15, MISSISSIPPI CODE OF 1972, TO RECONSTITUTE THE BOARD OF TRUSTEES OF THE PUBLIC EMPLOYEES' RETIREMENT SYSTEM; TO PROVIDE THAT THE BOARD SHALL CONSIST OF THE

STATE TREASURER, THE COMMISSIONER OF REVENUE, FOUR APPOINTEES OF THE GOVERNOR, THREE APPOINTEES OF THE LIEUTENANT GOVERNOR, ONE RETIRED MEMBER RECEIVING A RETIREMENT ALLOWANCE FROM THE SYSTEM AND ELECTED BY THE RETIRED MEMBERS OR BENEFICIARIES RECEIVING A RETIREMENT ALLOWANCE FROM THE SYSTEMS ADMINISTERED BY THE BOARD, AND ONE MEMBER OF THE SYSTEM HAVING AT LEAST 10 YEARS OF CREDITABLE SERVICE AND ELECTED BY THE MEMBERS OF THE RETIREMENT SYSTEMS ADMINISTERED BY THE BOARD; TO PROVIDE FOR STAGGERED TERMS OF FOUR YEARS FOR TRUSTEES AFTER THE INITIAL TERMS; TO PROVIDE QUALIFICATIONS FOR THE APPOINTED AND ELECTED TRUSTEES; TO PROVIDE THAT THE GOVERNOR'S AND LIEUTENANT GOVERNOR'S APPOINTMENTS BE SUBJECT TO THE ADVICE AND CONSENT OF THE SENATE; TO AMEND SECTION 25-11-123, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT THE INCREASE IN THE EMPLOYER'S CONTRIBUTION RATE THAT IS SCHEDULED TO TAKE EFFECT ON JULY 1, 2024, IS RESCINDED AND SHALL NOT TAKE EFFECT, AND THE BOARD SHALL NOT PROVIDE FOR ANY INCREASE IN THE EMPLOYER'S CONTRIBUTION RATE THROUGH JUNE 30, 2024; AND FOR RELATED PURPOSES.

AMENDMENT NO. 1 BY REPRESENTATIVE Owen:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 63-1-53, Mississippi Code of 1972, is amended as follows:

63-1-53. (1) Upon failure of any person to respond timely and properly to a summons or citation charging such person with any violation of this title, or upon failure of any person to pay timely any fine, fee or assessment levied as a result of any violation of this title, the clerk of the court shall give written notice to such person by United States first-class mail at his last known address advising such person that, if within ninety (90) days after such notice is deposited in the mail, the person has not properly responded to the summons or citation or has not paid the entire amount of all fines, fees and assessments levied, then the court will give notice thereof to the Commissioner of the Department of Revenue to be applied as a lien against any income tax returns or monies owed to the person. If within ninety (90) days after the notice is given in accordance with this subsection such person has not satisfactorily disposed of the matter pending before the court, then the Commissioner of the Department of Public Safety shall send notice of the matter to the Commissioner of the Department of Revenue who shall place a lien for the unpaid amount against any income tax returns or other monies designated by the Department of Revenue for that person, and pursue collection as for any other delinquent payment, and shall be entitled to collection of all additional fees in accordance with subsection (4) of this section.

(2) The commissioner is hereby authorized to suspend the license of an operator without preliminary hearing upon a showing by his records or other sufficient evidence that the licensee:

(a) Has committed an offense for which mandatory revocation of license is required upon conviction except under the provisions of the Mississippi Implied Consent Law;

(b) Has been involved as a driver in any accident resulting in the death or personal injury of another or serious property damage;

(c) Is an habitually reckless or negligent driver of a motor vehicle;

(d) Has been convicted with such frequency of serious offenses against traffic regulations governing the movement of vehicles as to indicate a disrespect for traffic laws and a disregard for the safety of other persons on the highways;

(e) Is incompetent to drive a motor vehicle;

(f) Has permitted an unlawful or fraudulent use of such license;

(g) Has committed an offense in another state which if committed in this state would be grounds for suspension or revocation; or

(h) Has committed a violation for which mandatory revocation of license is required upon conviction, entering a plea of nolo contendere to, or adjudication of delinquency, pursuant to the provisions of subsection (1) of Section 63-1-71.

(3) Notice that a person's license is suspended or will be suspended under subsection (2) of this section shall be given by the commissioner in the manner and at the time provided for under Section 63-1-52, and upon such person's request, he shall be afforded an opportunity for a hearing as early as practicable, but not to exceed twenty

(20) days after receipt of such request in the county wherein the licensee resides unless the department and the licensee agree that such hearing may be held in some other county. Upon such hearing the commissioner, or his duly authorized agent, may administer oaths and may issue subpoenas for the attendance of witnesses and the production of relevant books and papers and may require a reexamination of the licensee. Upon such hearing the commissioner shall either rescind any order of suspension or, good cause appearing therefor, may extend any suspension of such license or revoke such license.

(4) If a licensee has not paid all cash appearance bonds authorized under Section 99-19-3 or all fines, fees or other assessments levied as a result of a violation of this title within ninety (90) days after receiving notice of the licensee's failure to pay all fines, fees or other assessments as provided in subsection (1) of this section, the court is authorized to pursue collection under Section 21-17-1(6) or 19-3-41(2) as for any other delinquent payment, and shall be entitled to collection of all additional fees authorized under those sections.

SECTION 2. This act shall take effect and be in force from and after July 1, 2024.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 63-1-53, MISSISSIPPI CODE OF 1972, TO AUTHORIZE THE COMMISSIONER OF THE DEPARTMENT OF REVENUE TO CREATE A LIEN AGAINST INCOME TAX RETURNS FOR PAST DUE UNPAID TRAFFIC FEES AND FINES; AND FOR RELATED PURPOSES.

Representative Johnson entered a motion to reconsider the vote whereby the following bill passed.

H. B. No. 1990: Ad valorem tax; authorize counties to establish minimum revenue amount to be produced by certain property.

Pending at the time was a Speaker's Ruling on a point of order by REPRESENTATIVE Faulkner.

SPEAKER'S RULING

(Senate Bill No. 2453 - Point of Order Improper vote count)

The Gentleman from Marshall, Mr. Faulkner, made a point of order that the bill requires a 2/3 vote because "it gives a gratuity to a "non-profit" and requires a 2/3 vote by " House Rule and the State Constitution".

SB 2453 authorizes the Public Service Commission to cancel any municipality's

certificate to provide utility service under certain circumstances. The bill was originally adopted by the House on March 20 with one amendment, a strike-all amendment and one amendment to the strike-all, Amendment #3. The language subject to this point of order was contained in Amendment #3; and was offered by the Gentleman from Marshall.

I did allow the Gentleman to make the point of order; however, the point of order was not timely made. Previous Speaker's rulings provide that if a point of order is going to be made on an amendment or a bill, it shall be made before that amendment or bill is adopted by the House.

Once an amendment or bill is adopted, a point of order related to the content of that amendment or bill is not timely made thereafter. See Speaker's Rulings on March 2, 1995, March 3, 1996, and February 1, 1999.

The Gentleman made the point of order after passage of the bill on March 20, after reconsideration of the passage of the bill, after reconsideration of the amendment and after the vote to table the amendment. Thus, the point of order was not timely made.

For the reasons stated in this ruling, the Gentleman's point of order is not well taken.

Rep. Lamar called up:

H. B. No. 1982: Mississippi School Resource Officers School Safety (MS ROSS) Act; create to provide funding to local law enforcement agencies.

AMENDMENT NO. 1 BY REPRESENTATIVE Grady:

AMEND by inserting the following after line 299:

" (5) (a) During any period of the regular scholastic year or extended school year programs in which academic instruction is being provided to students upon the campuses of a public and private elementary or secondary schools, school resource officers, employed by a local law enforcement agency to provide community policing efforts to combat school violence and improve student and school safety, shall maintain an active and visible presence upon the school campus to which he or she is assigned under the program defined in Section 1 of this act. For purposes of this section, "regular scholastic year" means the minimum one hundred eighty (180) days which public schools are required to be kept in session under Section 37-13-63 to constitute a scholastic year. "Extended school year programs" means those programs authorized by law, which extend beyond the one hundred eighty-day term of a regular scholastic year, including summer school instruction. In the performance of his or her duties, a school resource officer shall report for duty on the campus of the school of assignment not later than one (1) hour before the start of each school day on Monday through Friday, and remain thereon for one (1) hour after the conclusion of normal daily instruction. No school resource officer shall be required to work on Saturday or Sunday, unless a school sponsored event is hosted upon the school campus which the school resource officer has been assigned, which such events shall include extracurricular and cocurricular activities.

(b) When school is not in session (i.e. holidays, summer vacation, fall breaks, declarations of emergency which suspend the requirements for school attendance, etc.), the school resource officer shall report to his or her immediate supervisor within the local law enforcement agency of employment for further assignment of duties that are directly related to activities and functions of the local law enforcement agency.

(c) Notwithstanding a school resource officer's permanent employment with the local law enforcement agency with whom a local school governing authority has entered into a Memorandum of Understanding (MOU) or an interlocal agreement for the assignment of a school resource officer, the employing local law enforcement agency shall not require a school resource officer to leave his or her assigned post at a school during the time specified for the performance of his or her duties as prescribed in paragraph (a) of this subsection to perform work duties directly related to activities and functions of the local law enforcement agency, unless it has been determined by the chief law enforcement officer of the employing agency that exigent circumstances exist, which have created an emergency situation of an impending catastrophic nature that requires swift action to prevent imminent danger to life, substantial harm to the public welfare or serious damage to property."

AMEND title to conform.

Rep. McCarty called up:

S. B. No. 2232: Newton Municipal School District; require election of board of trustees by population of the school district.

AMENDMENT NO. 1 BY REPRESENTATIVE McCarty:

Amend after line 314 by inserting the following:

"SECTION 2. Section 29-3-63, Mississippi Code of 1972, is amended as follows:

29-3-63. (1) The holder of a lease of sixteenth section or lieu land, at the expiration thereof, shall have a prior right, exclusive of all other persons, to re-lease or to extend an existing lease as may be agreed upon between the holder of the lease and board of education subject to the classification of said land. Provided, however, no holder of a lease of sixteenth section land classified as agricultural land shall have any priority rights in extending his lease contract, except as otherwise provided in Section 29-3-81. Provided, however, the compensation on an annual basis shall be the fair market rental of the land excluding buildings and improvements made on such land by the lessee, the title to which is not held in trust for the public schools, but in no event shall the compensation be less than the minimum amounts prescribed in subsection (2) of this section.

(2) The board of education shall not lease or extend a lease on land classified as industrial or commercial at an annual rental less than five percent (5%) of the current market value, exclusive of buildings or improvements not owned by the school district. Such minimum acceptable percentage shall not apply to land classified as farm-residential, residential, recreational and other land; however, fair market rental will apply

to those lands as determined by appraisal, comparative analysis or comparison with the private sector.

(3) The prior right to re-lease or extend an existing oil, gas and mineral lease, or any part thereof, granted under this section shall be conditioned upon the existence of production of oil, gas or other minerals thereunder in paying quantities, or the existence of a well capable of such production, or the existence of drilling or reworking operations at the time of lease expiration. Provided, however, that said lease may, in the discretion of the board of education, be extended only as to the lands included in a unit or units as defined by the appropriate agency having jurisdiction over said unit or units. The replacement lease shall be upon such terms and conditions as may be agreed upon between the holder of the lease and the board of education, provided that the rental and royalty provisions shall not be less than the rental and royalty provisions as set out in the expired lease and the primary term shall not exceed the limitations in Section 29-3-99. Bonus payment for the replacement lease shall be consistent with the requirements set out in Section 29-3-65 with respect to oil, gas and mineral leases.

(4) Where used in this section and Section 29-3-65, the term "oil and gas lease" or "oil, gas and mineral lease" shall include all leases originally executed pursuant to Section 29-3-99.

(5) The right to re-lease an oil, gas and mineral lease provided in subsection (3) above extends to oil, gas and mineral leases which have already expired as of May 7, 1992, subject to an accounting for production from the date of lease expiration to the date of the replacement lease authorized herein.

(6) The board of education of a school district located in a municipality where Interstate 59 and U.S. Highway 49 intersect in the Broadway - West Pine redevelopment area may grant the holder of a valid lease with a term of ninety-nine (99) years, which has completely satisfied the financial obligation of the original lease agreement, being free and clear of any debt pertaining thereto, and which has less than thirty (30) years remaining on its original term, the right to extend said lease for a period not to exceed twenty-five (25) years under any additional agreed upon terms, which shall serve as an addendum to the original lease agreement, and for consideration acceptable to the board and spread upon its minutes."

Further, amend by renumber the succeeding section accordingly.

Further, amend the title to conform.
